SIGHTINGS OF UNIDENTIFIED OBJECTS

OBJECT	EVENT OR TIME OBSERVED	ANGLE	SPEED	ALTITUDE	HEADING	SOURCE	
Two very bright objects crossed horizon in six seconds. (Unclassified)	6 Sec.	---	600 mph up	1500-3000 ft.	NE	Civilian	No conclusion.
Eight separate colored balls. (Restricted)	20 Min.	---	---	---	---	Civilian	No conclusions. Very little data.
Round, pink, [illegible] 5000-8000 ft. altitude and appearing equal in size to [illegible]. (Restricted)	---	---	---	5000-8000 ft.	---	Civilian	Balloon released at 1600. Source observed the object at the same bearing.
Flat, [illegible] and with an occasional vapor trail. (Restricted)	7 Sec.	---	---	60°	---	Military	No conclusion.
Seven to ten objects appearing to follow aircraft that landed at McClellan. (Confidential)	3-5 Sec.	---	---	Less than 1,000 ft.	NNE	Commercial Pilot	Insufficient and too vague data to draw conclusion.
Six [illegible] objects [illegible] OK of [illegible] balls. (Confidential)	---	---	500 mph	High	E	Two Civilians	No conclusion.
Clear [illegible] white, [illegible] reflection [illegible] and [illegible] unless going north. (Secret)	1 Min.	---	30 miles [illegible]	10,000 ft.	S	Civilian	No conclusion.
[illegible] (Secret)	3-4 Min.	---	High	---	---	C-124, Tex	No conclusion.
Two flat, [illegible], [illegible]-like [illegible] dark [illegible] at [illegible] color traveled with a wobble [illegible] within [illegible] four to [illegible] miles in the time they were observed. [illegible] naturally due to distance. (Confidential)	1 1/2-2 Min.	---	2,5 mph	2,000 ft.	NE	Civilian Research Tech.	No conclusion.
Brilliant white light on collision course with aircraft. (Confidential)	2 Min.	---	High	2,000 ft.	SW	AF Pilots	Possibly unknown conventional a/c.
Objects that [illegible] were very high [illegible] (Confidential)	6 Sec.	---	---	---	N	Many	See Appendix I.
Very [illegible] object going in arc at [illegible] speed and approximating in size a [illegible] held at arm's length. (Secret)	17 Sec.	---	1,500 mph	40-50,000 ft.	ESE	Civilian	Could have been aircraft distorted by burning gas.
Civilian [illegible] at the AFB reported observing blue object with brilliant red center. (Confidential)	45 Min.	---	---	---	---	Civilian	Planing
Radar [illegible]. (Confidential)	4 Sweeps & 6 Sweeps	---	3,750 mph	---	---	Radar Operators	Probable interference or [illegible] from some unknown source.
Radar [illegible] unusual radar returns while attempting to [illegible] run. (Secret)	---	---	High up to 1,350 mph	30,000 ft.	Varied	Radar Crew	Checked with Electronics Branch, ATIC. No conclusions.
Unidentified radar return. (Secret)	---	---	850 [illegible]	---	---	Lr-Af Observers	Checked with Electronics Branch, ATIC, no conclusions.
[illegible] bright [illegible] from the AB and moved across the [illegible] horizon, it then stopped, reversed [illegible] and disappeared. (Confidential)	---	---	High	---	225°	[illegible] AF Personnel	Pending additional info.
Five full moons, circular objects after appearance [illegible] almost collide with each other and then [illegible]. (Confidential)	30 Sec.	---	3 x jet a/c	2,000 ft.	NW	Military (AF)	See Appendix VI
One silver object as nearly slow as [illegible] - [illegible] plane in air at same time. (Confidential)	1 1/2 Min.	---	Slow	5,000 ft.	SW	Civilians	Could have been aircraft since early [illegible] have small present clear [illegible].
