West Zone of Germany		HQ, USAFE, OSI Branch
11 June 1952	4 June 1952	A-1
GERALD W. JONES, Captain, USAF		Lt Col S. E. Milton, Jr.
Air Force Letter No. 200-5		

1. Part II of this report is the account of the sighting on 4 June 1952 by Lt Col R. S. Whitman, USAF, of an unidentified flying object in the vicinity of Stuttgart while on routine C-47 training flight.

2. A check with Neubiberg Air Base revealed the information that eight (8) F-84 aircraft departed from Neubiberg during the period 1000 - 1400 on round robin flights, Neubiberg-Nurnberg-Frankfurt-Stuttgart-Neubiberg. The estimated times enroute were from 2 + 00 to 2 + 30 hours. This would place one or more of the aircraft near Stuttgart at the time of the sighting and offer a possible explanation for the reported sighting.

3. This information will be of interest to the Air Technical Intelligence Center, Wright-Patterson Air Force Base, Ohio, Attention: ATIAA-2C.
