

1  
00:00:00,030 --> 00:00:15,569  
perhaps stars as if compelled by an

2  
00:00:11,849 --> 00:00:18,240  
unknown force telling us you are not

3  
00:00:15,570 --> 00:00:20,550  
alone you are all part of the evolution

4  
00:00:18,239 --> 00:00:23,989  
of the universe on your way to higher

5  
00:00:20,550 --> 00:00:23,990  
realms of enlightenment

6  
00:00:57,060 --> 00:01:02,650  
the ancient Indians of Peru were a

7  
00:00:59,890 --> 00:01:04,329  
highly advanced civilization who lived

8  
00:01:02,649 --> 00:01:07,390  
thousands of years ago in the jungle of

9  
00:01:04,329 --> 00:01:10,329  
South America their traditions speak of

10  
00:01:07,390 --> 00:01:12,400  
visiting spaceman at their reservations

11  
00:01:10,329 --> 00:01:14,260  
are the amazing Nazca lines which are

12  
00:01:12,400 --> 00:01:16,450  
etched into the earth and which are

13  
00:01:14,260 --> 00:01:20,228  
acknowledged as being aircraft runways

14  
00:01:16,450 --> 00:01:22,689  
and landing sites artifacts of great age

15  
00:01:20,228 --> 00:01:25,739  
have been found which closely resemble

16  
00:01:22,689 --> 00:01:25,739  
aircraft of today

17  
00:01:31,019 --> 00:01:35,640  
the sensational crop formations of

18  
00:01:33,359 --> 00:01:37,530  
England have generated great interests

19  
00:01:35,640 --> 00:01:39,689  
and the question has to be asked if

20  
00:01:37,530 --> 00:01:42,019  
there is any connection with the etching

21  
00:01:39,688 --> 00:01:42,019  
in Peru

22  
00:01:44,849 --> 00:01:49,798  
is Kennedy hope Indiana's evil she leave

23  
00:01:47,609 --> 00:01:52,319  
him holding nothing torn up are but you

24  
00:01:49,799 --> 00:01:56,070  
did I looked HD I know the Hopi Indians

25  
00:01:52,319 --> 00:01:58,199  
very well today they live in Arizona but

26  
00:01:56,069 --> 00:02:00,329  
their old traditions say that many many

27  
00:01:58,200 --> 00:02:03,899  
thousands of years ago their home was in

28  
00:02:00,329 --> 00:02:06,090  
South America and that at that time they

29

00:02:03,899 --> 00:02:10,020  
were descended upon by extraterrestrial

30  
00:02:06,090 --> 00:02:12,509  
visitors called Kachinas these Kachinas

31  
00:02:10,020 --> 00:02:15,930  
also saved the Hopi Indians when their

32  
00:02:12,509 --> 00:02:18,689  
continent threatened to sink these

33  
00:02:15,930 --> 00:02:21,719  
heavenly beings the Kachinas were the

34  
00:02:18,689 --> 00:02:23,489  
teachers of the Hopi and even today the

35  
00:02:21,719 --> 00:02:26,699  
Hopi Indians make figures of the

36  
00:02:23,489 --> 00:02:28,800  
Kachinas for the younger generations so

37  
00:02:26,699 --> 00:02:33,109  
that no one should forget the visit of

38  
00:02:28,800 --> 00:02:33,110  
their original teachers from outer space

39  
00:02:33,139 --> 00:02:38,639  
and even today the Hopi are convinced

40  
00:02:36,629 --> 00:02:41,639  
that one day the Kachinas will come

41  
00:02:38,639 --> 00:02:43,409  
again in this connection it's

42  
00:02:41,639 --> 00:02:45,929  
interesting that a short time ago I

43  
00:02:43,409 --> 00:02:48,359

showed white bear one of the oldest

44

00:02:45,930 --> 00:02:53,430

members of the Hopi pictures of the Maya

45

00:02:48,360 --> 00:02:56,040

cities t KY and pálinka he was beside

46

00:02:53,430 --> 00:02:58,739

himself with excitement and said we

47

00:02:56,039 --> 00:03:02,659

understand that our ancestors built that

48

00:02:58,739 --> 00:03:02,659

under the guidance of the catchy news

49

00:03:17,289 --> 00:03:22,609

the great energy source of the cosmos

50

00:03:20,330 --> 00:03:24,230

can be extracted and focused to form a

51

00:03:22,610 --> 00:03:27,500

very potent electrical and magnetic

52

00:03:24,229 --> 00:03:30,048

power form it is a power of great

53

00:03:27,500 --> 00:03:32,120

destructive potential and the ability to

54

00:03:30,049 --> 00:03:35,769

control it can only be given to those of

55

00:03:32,120 --> 00:03:38,450

higher understanding and achievement

56

00:03:35,769 --> 00:03:40,849

such power sources were built into the

57

00:03:38,449 --> 00:03:43,459

great pyramids by another race thousands

58  
00:03:40,848 --> 00:03:46,159  
of years ago when they needed recharging

59  
00:03:43,459 --> 00:03:47,810  
facilities for their spacecraft while on

60  
00:03:46,159 --> 00:03:50,719  
reconnaissance flights around the

61  
00:03:47,810 --> 00:03:52,640  
universe the units were built within the

62  
00:03:50,719 --> 00:03:55,759  
protective framework of the pyramids to

63  
00:03:52,639 --> 00:03:57,828  
protect them from discovery as the world

64  
00:03:55,759 --> 00:04:00,560  
focuses on the mystery of the Egyptian

65  
00:03:57,829 --> 00:04:04,810  
temples our space probes have located

66  
00:04:00,560 --> 00:04:08,079  
similar strange pyramids on Mars we have

67  
00:04:04,810 --> 00:04:12,769  
the very mysterious structures on Mars

68  
00:04:08,079 --> 00:04:19,430  
permits particularly the large humanoid

69  
00:04:12,769 --> 00:04:23,120  
face looking into the Martian sky all

70  
00:04:19,430 --> 00:04:25,220  
the investigations on mass with the

71  
00:04:23,120 --> 00:04:29,149  
Viking probes show quite clearly that

72  
00:04:25,220 --> 00:04:33,800  
mass has been in the past different the

73  
00:04:29,149 --> 00:04:39,589  
physical make up points to a ecological

74  
00:04:33,800 --> 00:04:41,990  
system and the pyramids again really

75  
00:04:39,589 --> 00:04:45,709  
made quite clear that they cannot be

76  
00:04:41,990 --> 00:04:46,848  
possibly natural structures I really

77  
00:04:45,709 --> 00:04:50,239  
believe that there are artificial

78  
00:04:46,848 --> 00:04:52,219  
structures the human or humanoid face on

79  
00:04:50,240 --> 00:04:55,370  
Mars shows that if there have been

80  
00:04:52,220 --> 00:04:58,539  
visitors in the past long time ago then

81  
00:04:55,370 --> 00:04:58,538  
they were humanoid

82  
00:04:59,509 --> 00:05:04,980  
the readings of the early Bible told

83  
00:05:02,699 --> 00:05:07,529  
many stories of earth being visited by

84  
00:05:04,980 --> 00:05:10,009  
heavenly teachers on blazing chariots

85  
00:05:07,529 --> 00:05:12,509  
who gave information of great wisdom

86

00:05:10,009 --> 00:05:16,289  
they told of how they had always been in

87  
00:05:12,509 --> 00:05:18,300  
the sky and would return one day this is

88  
00:05:16,290 --> 00:05:20,689  
one of the prophecies of the Bible which

89  
00:05:18,300 --> 00:05:24,030  
was taken from the word of the visitors

90  
00:05:20,689 --> 00:05:27,139  
how did modern man go about interpreting

91  
00:05:24,029 --> 00:05:27,138  
these holy clues

92  
00:05:34,879 --> 00:05:40,379  
so we turned our faces towards the

93  
00:05:37,829 --> 00:05:43,019  
heavens in the hope of finding a deeper

94  
00:05:40,379 --> 00:05:45,000  
understanding of ourselves to

95  
00:05:43,019 --> 00:05:47,579  
participate in the quest for universal

96  
00:05:45,000 --> 00:05:51,620  
knowledge and to hold out our hands in

97  
00:05:47,579 --> 00:05:51,620  
the search for possible cosmic neighbors

98  
00:05:55,319 --> 00:06:04,590  
if we consider that most of the stars in

99  
00:05:58,360 --> 00:06:07,360  
the Milky Way twice as old and our Sun

100  
00:06:04,589 --> 00:06:09,508

10,000 million years old then obviously

101

00:06:07,360 --> 00:06:12,220

there may be highly advanced old

102

00:06:09,509 --> 00:06:15,490

civilizations civilizations which have

103

00:06:12,220 --> 00:06:17,979

developed interstellar travel so my

104

00:06:15,490 --> 00:06:19,889

answer would be it is more than likely

105

00:06:17,978 --> 00:06:23,139

not only possibly but more than likely

106

00:06:19,889 --> 00:06:26,500

that extraterrestrial visitors are

107

00:06:23,139 --> 00:06:30,490

traveling to other solar systems other

108

00:06:26,500 --> 00:06:33,610

planetary systems thus we really should

109

00:06:30,490 --> 00:06:36,310

expect extra tests to visitors in our

110

00:06:33,610 --> 00:06:41,050

solar system observing human

111

00:06:36,310 --> 00:06:43,329

civilization as fantastic as this may

112

00:06:41,050 --> 00:06:46,000

seem photographs of unknown flying craft

113

00:06:43,329 --> 00:06:47,948

known as UFOs have been taken around the

114

00:06:46,000 --> 00:06:52,589

world captivating the public's attention

115  
00:06:47,949 --> 00:06:57,400  
for decades this photograph was taken in

116  
00:06:52,589 --> 00:07:02,948  
1978 in Brazil this was photographed in

117  
00:06:57,399 --> 00:07:07,310  
Switzerland in 1975 these two UFOs were

118  
00:07:02,949 --> 00:07:12,650  
also photographed in Switzerland in 1975

119  
00:07:07,310 --> 00:07:17,480  
this was taken in 1971 in Austria this

120  
00:07:12,649 --> 00:07:22,639  
one was seen in 1987 in Canada this UFO

121  
00:07:17,480 --> 00:07:27,069  
was photographed in Germany in 1977 this

122  
00:07:22,639 --> 00:07:27,069  
was taken in Colombia in 1971

123  
00:07:29,230 --> 00:07:33,700  
this photograph of a shiny silver object

124  
00:07:31,990 --> 00:07:37,230  
was taken in North Charleston South

125  
00:07:33,699 --> 00:07:37,229  
Carolina in 1980

126  
00:07:37,810 --> 00:07:43,780  
yet another photograph from Switzerland

127  
00:07:40,310 --> 00:07:43,780  
taken in 1975

128  
00:07:45,639 --> 00:07:56,120  
this UFO with a cloud like vapor was

129  
00:07:48,889 --> 00:08:00,199  
taken in 1974 in Denmark this UFO was

130  
00:07:56,120 --> 00:08:07,000  
sighted in 1977 in Uruguay

131  
00:08:00,199 --> 00:08:07,000  
a UFO in Indonesia photographed in 1974

132  
00:08:07,089 --> 00:08:14,829  
these three luminous flying objects were

133  
00:08:09,860 --> 00:08:14,830  
photographed in Barcelona Spain in 1978

134  
00:08:16,680 --> 00:08:21,780  
every year increasing numbers of UFO

135  
00:08:19,319 --> 00:08:23,939  
photographs are being taken by witnesses

136  
00:08:21,779 --> 00:08:27,409  
from around the world giving growing

137  
00:08:23,939 --> 00:08:27,410  
evidence of extraterrestrial visitors

138  
00:08:28,759 --> 00:08:35,090  
in 1946 George Adamski a professor of

139  
00:08:32,720 --> 00:08:36,889  
philosophy using his Sinha camera took

140  
00:08:35,090 --> 00:08:39,440  
the first moving pictures of alien

141  
00:08:36,889 --> 00:08:44,210  
spacecraft this film shows the strange

142  
00:08:39,440 --> 00:08:45,950  
flight pattern of these machines this

143

00:08:44,210 --> 00:08:47,990  
picture shows three balls beneath the

144  
00:08:45,950 --> 00:08:51,170  
craft serving as condensers for static

145  
00:08:47,990 --> 00:08:54,049  
electricity this film also taken by

146  
00:08:51,169 --> 00:08:55,909  
Adamski shows a telemeter disc described

147  
00:08:54,049 --> 00:09:00,049  
as being a very small but highly

148  
00:08:55,909 --> 00:09:02,120  
technical reconnaissance craft Adamski

149  
00:09:00,049 --> 00:09:03,979  
was an amateur astronomer who had a six

150  
00:09:02,120 --> 00:09:08,269  
inch telescope on the slopes of Mount

151  
00:09:03,980 --> 00:09:10,879  
Palomar in 1946 he observed a huge cigar

152  
00:09:08,269 --> 00:09:12,829  
shaped UFO and was astounded to see many

153  
00:09:10,879 --> 00:09:15,139  
smaller UFOs emerge from the mother

154  
00:09:12,830 --> 00:09:18,910  
craft he was able to take a series of

155  
00:09:15,139 --> 00:09:18,909  
photographs of this amazing sight

156  
00:09:25,009 --> 00:09:29,629  
after taking many photographs of these

157  
00:09:27,320 --> 00:09:31,550

alien flying machines an event took

158

00:09:29,629 --> 00:09:37,460

place which would change the course of

159

00:09:31,549 --> 00:09:39,109

Adamski's life on November 20 at 1952 he

160

00:09:37,460 --> 00:09:41,629

had his first contact with a human

161

00:09:39,110 --> 00:09:43,669

looking alien visitor Adamski was

162

00:09:41,629 --> 00:09:45,590

walking in a desert Canyon in California

163

00:09:43,669 --> 00:09:47,629

when he came face-to-face with an

164

00:09:45,590 --> 00:09:50,240

extraterrestrial standing beside a

165

00:09:47,629 --> 00:09:51,860

landed spacecraft the alien told a

166

00:09:50,240 --> 00:09:53,960

Dansky that the meeting was not by

167

00:09:51,860 --> 00:09:57,350

accident and that he had come to give a

168

00:09:53,960 --> 00:10:00,200

message he warned of the danger we were

169

00:09:57,350 --> 00:10:02,360

creating by exploding nuclear weapons he

170

00:10:00,200 --> 00:10:04,610

said that the human race had no idea of

171

00:10:02,360 --> 00:10:06,529

the very powerful and deadly long-term

172  
00:10:04,610 --> 00:10:08,779  
effects we were creating which could not

173  
00:10:06,529 --> 00:10:10,879  
only destroy ourselves but also our

174  
00:10:08,779 --> 00:10:12,919  
planet and that the continued use of

175  
00:10:10,879 --> 00:10:15,970  
such weapons could eventually endanger

176  
00:10:12,919 --> 00:10:15,969  
our cosmic neighbors

177  
00:10:18,240 --> 00:10:24,000  
a dense key was asked to spread this

178  
00:10:20,339 --> 00:10:26,100  
message the alien visitor promised that

179  
00:10:24,000 --> 00:10:30,299  
he would return and meet Adamski at a

180  
00:10:26,100 --> 00:10:32,370  
later time Adamski was later taken for

181  
00:10:30,299 --> 00:10:34,500  
flights into space where deeper more

182  
00:10:32,370 --> 00:10:36,360  
meaningful messages were given to help

183  
00:10:34,500 --> 00:10:40,799  
the human race to understand another

184  
00:10:36,360 --> 00:10:42,480  
point of view of our world Adamski

185  
00:10:40,799 --> 00:10:44,789  
devoted his time to spreading the

186  
00:10:42,480 --> 00:10:47,480  
visitors message and was later joined by

187  
00:10:44,789 --> 00:10:50,039  
a Danish Air Force Major Hans Peterson

188  
00:10:47,480 --> 00:10:52,709  
well you see after the contact and the

189  
00:10:50,039 --> 00:10:55,620  
desert George had in a feeling that this

190  
00:10:52,708 --> 00:10:59,489  
was not the end of it on one of his

191  
00:10:55,620 --> 00:11:01,830  
flights made more flights but one

192  
00:10:59,490 --> 00:11:04,709  
particular he was taking on board a

193  
00:11:01,830 --> 00:11:08,278  
mothership which is a very very large

194  
00:11:04,708 --> 00:11:14,069  
ship was taking all the other vehicles

195  
00:11:08,278 --> 00:11:17,610  
into our atmosphere and in there he met

196  
00:11:14,070 --> 00:11:21,510  
a lot of people and he met an old man so

197  
00:11:17,610 --> 00:11:25,919  
to speak a wise man who told him a lot

198  
00:11:21,509 --> 00:11:30,328  
of why they were here and what we did

199  
00:11:25,919 --> 00:11:33,929  
wrong here on earth and after these

200

00:11:30,328 --> 00:11:38,250  
experiences George wrote a book inside

201  
00:11:33,929 --> 00:11:40,469  
the spaceship in this book Adamski

202  
00:11:38,250 --> 00:11:42,328  
described in detail the very advanced

203  
00:11:40,470 --> 00:11:44,730  
technology used in the spaceships

204  
00:11:42,328 --> 00:11:46,799  
including technical information on the

205  
00:11:44,730 --> 00:11:49,050  
magnetic and gravitational propulsion

206  
00:11:46,799 --> 00:11:51,120  
systems which work on a power found

207  
00:11:49,049 --> 00:11:52,979  
throughout the universe he also

208  
00:11:51,120 --> 00:11:54,899  
described a magnetic pole running

209  
00:11:52,980 --> 00:11:57,300  
through the center of the ship that was

210  
00:11:54,899 --> 00:11:59,039  
also a very powerful periscope which

211  
00:11:57,299 --> 00:12:03,229  
could observe both above and below the

212  
00:11:59,039 --> 00:12:03,230  
craft with great magnification

213  
00:12:03,708 --> 00:12:08,789  
Adamski's alien friends gave him a

214  
00:12:06,179 --> 00:12:10,500

pendant to wear around his neck and was

215

00:12:08,789 --> 00:12:12,689

told it would increase his telepathic

216

00:12:10,500 --> 00:12:18,870

abilities and enable him to maintain

217

00:12:12,690 --> 00:12:20,880

contact with them another witness who

218

00:12:18,870 --> 00:12:23,310

was truly shattered by his experience

219

00:12:20,879 --> 00:12:26,759

when he saw and photographed a UFO was

220

00:12:23,309 --> 00:12:28,679

dr. Daniel Frye dr. Frye was a rocket

221

00:12:26,759 --> 00:12:30,329

engineer and the head of a scientific

222

00:12:28,679 --> 00:12:32,250

team employed by the American government

223

00:12:30,328 --> 00:12:34,409

at the white sands missile proving

224

00:12:32,250 --> 00:12:38,759

grounds in New Mexico when he took these

225

00:12:34,409 --> 00:12:41,610

films and photographs on July 4th 1949

226

00:12:38,759 --> 00:12:44,039

dr. Frye was contacted by alien visitors

227

00:12:41,610 --> 00:12:46,350

for the first time they informed him

228

00:12:44,039 --> 00:12:48,208

that mankind lives in danger of total

229  
00:12:46,350 --> 00:12:50,339  
self-destruction through means it had

230  
00:12:48,208 --> 00:12:53,099  
created itself and that Earth technology

231  
00:12:50,339 --> 00:12:55,949  
was advancing faster than man's ability

232  
00:12:53,100 --> 00:12:58,079  
to control himself he was told that

233  
00:12:55,948 --> 00:13:00,479  
peace was the automatic byproduct of

234  
00:12:58,078 --> 00:13:03,000  
Understanding between men and men and

235  
00:13:00,480 --> 00:13:05,220  
race and race also that the

236  
00:13:03,000 --> 00:13:08,778  
understanding of fellow human beings was

237  
00:13:05,220 --> 00:13:08,778  
the key to building a united world

238  
00:13:12,019 --> 00:13:19,850  
probably to finding out of the major

239  
00:13:15,059 --> 00:13:23,698  
purpose for this invasion so to speak

240  
00:13:19,850 --> 00:13:27,629  
was to keep this planet alive that we're

241  
00:13:23,698 --> 00:13:30,028  
approaching an area of controversy which

242  
00:13:27,629 --> 00:13:31,649  
could result in the displacement of all

243  
00:13:30,028 --> 00:13:33,149  
humanity because we had learned how to

244  
00:13:31,649 --> 00:13:37,198  
do that without learning how to get

245  
00:13:33,149 --> 00:13:39,389  
along with each other when those among

246  
00:13:37,198 --> 00:13:42,088  
you responsible for your scientific

247  
00:13:39,389 --> 00:13:44,278  
achievements realize the significance of

248  
00:13:42,089 --> 00:13:46,920  
the destructive forces you are creating

249  
00:13:44,278 --> 00:13:49,379  
only then will you understand that you

250  
00:13:46,919 --> 00:13:51,500  
are destroying your living planet which

251  
00:13:49,379 --> 00:13:54,809  
is responsible for your very existence

252  
00:13:51,500 --> 00:13:56,960  
we are here to advise guide and

253  
00:13:54,809 --> 00:13:58,909  
encourage you to turn your eyes

254  
00:13:56,960 --> 00:14:01,550  
the creation of a planet of peace and

255  
00:13:58,909 --> 00:14:03,649  
understanding your invention and

256  
00:14:01,549 --> 00:14:07,250  
universal ability coexist with the

257

00:14:03,649 --> 00:14:09,860  
creative force of the cosmos we are your

258  
00:14:07,250 --> 00:14:13,220  
brothers of the Galactic Federation who

259  
00:14:09,860 --> 00:14:15,500  
wish only to have you by our side we

260  
00:14:13,220 --> 00:14:18,470  
cannot join you until your thoughts turn

261  
00:14:15,500 --> 00:14:22,870  
from self-destruction to the eternal law

262  
00:14:18,470 --> 00:14:22,870  
of universal knowledge and winning

263  
00:14:26,110 --> 00:14:32,600  
sailing passing us making a curve going

264  
00:14:30,379 --> 00:14:35,659  
down south and coming in from the south

265  
00:14:32,600 --> 00:14:38,330  
passing over our heads and disappearing

266  
00:14:35,659 --> 00:14:41,179  
to the north and one hour later it came

267  
00:14:38,330 --> 00:14:44,000  
back and passed in low altitude and it

268  
00:14:41,179 --> 00:14:46,309  
passed the moon which has come up mean

269  
00:14:44,000 --> 00:14:49,610  
one so you could see it wasn't a damn

270  
00:14:46,309 --> 00:14:52,609  
ski type social I've been so close to

271  
00:14:49,610 --> 00:14:55,090

them I have had the telemetered is too

272

00:14:52,610 --> 00:15:02,419

small flying saucers which are making

273

00:14:55,090 --> 00:15:06,889

reconnaissance within 75 meters two of

274

00:15:02,419 --> 00:15:11,079

them I have what one being integrated on

275

00:15:06,889 --> 00:15:17,269

my Terrace I have seen flying saucers

276

00:15:11,080 --> 00:15:21,560

the jaws Adamski type within 200 meters

277

00:15:17,269 --> 00:15:25,850

in front of my car I have seen two

278

00:15:21,559 --> 00:15:33,079

flying saucers lands both cases with my

279

00:15:25,850 --> 00:15:35,600

wife the founder of the German UFO

280

00:15:33,080 --> 00:15:37,910

society Carl fight is also a publisher

281

00:15:35,600 --> 00:15:39,710

of UFO books for decades he has

282

00:15:37,909 --> 00:15:42,289

published books written by contactees

283

00:15:39,710 --> 00:15:45,250

many years ago he had the foresight to

284

00:15:42,289 --> 00:15:47,539

realize the value of the information

285

00:15:45,250 --> 00:15:49,850

there were 12 of us sitting in the

286

00:15:47,539 --> 00:15:52,939

garden and the pictures were shown by

287

00:15:49,850 --> 00:15:57,440

this television man and I explained them

288

00:15:52,940 --> 00:15:59,900

again as well as I could and in the

289

00:15:57,440 --> 00:16:02,330

middle of my explanation the baby

290

00:15:59,899 --> 00:16:05,629

daughter she was the youngest member of

291

00:16:02,330 --> 00:16:08,810

this family called out daddy what is

292

00:16:05,629 --> 00:16:11,179

that and point it up we were all looking

293

00:16:08,809 --> 00:16:13,250

at the screen and then we also low

294

00:16:11,179 --> 00:16:14,989

and they're vertically above us or

295

00:16:13,250 --> 00:16:19,370

nearly vertically there was a wonderful

296

00:16:14,990 --> 00:16:23,029

large UFO rather low of course we were

297

00:16:19,370 --> 00:16:24,799

all amazed we gazed up we waved and in a

298

00:16:23,029 --> 00:16:27,139

way gave thanks that they had come

299

00:16:24,799 --> 00:16:30,859

during the UFO lecture and wished to

300  
00:16:27,139 --> 00:16:33,819  
greet us or to say yes we are here the

301  
00:16:30,860 --> 00:16:33,820  
ones you are talking about

302  
00:16:42,100 --> 00:16:46,389  
Toni Dodd is a retired British police

303  
00:16:44,589 --> 00:16:49,000  
sergeant who had a close encounter with

304  
00:16:46,389 --> 00:16:50,799  
a UFO since that time he has become the

305  
00:16:49,000 --> 00:16:52,870  
director of investigations for quest

306  
00:16:50,799 --> 00:16:56,258  
international Europe's largest UFO

307  
00:16:52,870 --> 00:16:59,230  
investigation organization police patrol

308  
00:16:56,259 --> 00:17:02,409  
vehicle in a remote area in Yorkshire

309  
00:16:59,230 --> 00:17:06,130  
when I saw the most amazing disc-shaped

310  
00:17:02,409 --> 00:17:08,409  
flying machine this machine was about a

311  
00:17:06,130 --> 00:17:12,579  
hundred metres off the road above the

312  
00:17:08,410 --> 00:17:15,339  
road it was glowing white bright white

313  
00:17:12,578 --> 00:17:18,158  
it had colored lights rotating around

314

00:17:15,338 --> 00:17:22,599  
the underside of it it had a dome on the

315  
00:17:18,159 --> 00:17:27,309  
top with what appeared to be portals it

316  
00:17:22,599 --> 00:17:28,928  
was going at no more than 30 km/h but

317  
00:17:27,308 --> 00:17:31,960  
the strange thing was that it was making

318  
00:17:28,929 --> 00:17:35,740  
no sound it was the most amazing thing

319  
00:17:31,960 --> 00:17:40,329  
I've ever seen this was no doubt a real

320  
00:17:35,740 --> 00:17:42,429  
UFO I'm convinced of this it did not

321  
00:17:40,329 --> 00:17:45,939  
resemble anything that we have which is

322  
00:17:42,429 --> 00:17:50,140  
flying around in the sky it had an

323  
00:17:45,940 --> 00:17:52,509  
effect on my police car radio they

324  
00:17:50,140 --> 00:17:57,009  
blanked out the transmissions with a

325  
00:17:52,509 --> 00:17:59,679  
very heavy static effect the object

326  
00:17:57,009 --> 00:18:02,140  
moved away from us and disappeared into

327  
00:17:59,679 --> 00:18:05,159  
the distance and appeared to land in a

328  
00:18:02,140 --> 00:18:05,159

forest on the hillside

329

00:18:11,410 --> 00:18:19,029

Georgiy once told me that they work in

330

00:18:15,490 --> 00:18:22,900

all countries all over the world they

331

00:18:19,029 --> 00:18:25,509

live among us they have jobs one day

332

00:18:22,900 --> 00:18:26,640

George met a couple in New York on Fifth

333

00:18:25,509 --> 00:18:31,359

Avenue

334

00:18:26,640 --> 00:18:34,090

he was looking in a shop in the window

335

00:18:31,359 --> 00:18:36,519

and a cover passed him with a little boy

336

00:18:34,089 --> 00:18:39,419

between them and he got this strange

337

00:18:36,519 --> 00:18:43,900

feeling that they were space people and

338

00:18:39,420 --> 00:18:46,480

he for the thought towards them are your

339

00:18:43,900 --> 00:18:49,090

space people and come back they turned

340

00:18:46,480 --> 00:18:53,319

around and came back and said your

341

00:18:49,089 --> 00:18:55,240

thought is correct Dansky was given

342

00:18:53,319 --> 00:18:59,619

insight into the purpose of his life by

343  
00:18:55,240 --> 00:19:01,599  
his extraterrestrial friends and in this

344  
00:18:59,619 --> 00:19:03,699  
sense all these people who have come

345  
00:19:01,599 --> 00:19:05,409  
into contact with extraterrestrial

346  
00:19:03,700 --> 00:19:07,840  
beings are confronted with these

347  
00:19:05,410 --> 00:19:11,769  
wonderful facts and they have also had

348  
00:19:07,839 --> 00:19:14,589  
an insight into their lives why they are

349  
00:19:11,769 --> 00:19:17,559  
here that's what was also said to George

350  
00:19:14,589 --> 00:19:20,980  
Adamski that he should so to say be a

351  
00:19:17,559 --> 00:19:22,929  
pioneer in the field of ufology because

352  
00:19:20,980 --> 00:19:27,180  
in the development of the human race we

353  
00:19:22,930 --> 00:19:27,180  
now face great higher problems

354  
00:19:27,819 --> 00:19:33,439  
our first face-to-face contact with a

355  
00:19:31,069 --> 00:19:37,398  
member of your race in modern times was

356  
00:19:33,440 --> 00:19:39,288  
a man called George Adamski he was

357  
00:19:37,398 --> 00:19:42,408  
chosen because of his astronomical

358  
00:19:39,288 --> 00:19:45,769  
awareness and placid naivete coupled

359  
00:19:42,409 --> 00:19:48,200  
with a cosmological awareness during our

360  
00:19:45,769 --> 00:19:51,679  
contact he was told many things which he

361  
00:19:48,200 --> 00:19:53,538  
was asked to pass on to mankind and was

362  
00:19:51,679 --> 00:19:54,788  
forewarned of the ridicule he would be

363  
00:19:53,538 --> 00:19:57,440  
exposed to

364  
00:19:54,788 --> 00:19:58,908  
he showed high integrity and learned

365  
00:19:57,440 --> 00:20:02,298  
quickly the significance of our

366  
00:19:58,909 --> 00:20:03,740  
intentions he was the ideal subject for

367  
00:20:02,298 --> 00:20:06,378  
our first contact

368  
00:20:03,740 --> 00:20:08,509  
he created a chain reaction of awareness

369  
00:20:06,378 --> 00:20:12,378  
which continues to spread at the present

370  
00:20:08,509 --> 00:20:16,639  
time he was the first seed sown by us to

371

00:20:12,378 --> 00:20:18,980  
open the eyes of your world the first

372  
00:20:16,638 --> 00:20:21,979  
thing that made me realize that there

373  
00:20:18,980 --> 00:20:24,788  
was definitely something else happening

374  
00:20:21,980 --> 00:20:29,149  
was as a result of the first sighting

375  
00:20:24,788 --> 00:20:31,788  
after this using my policeman's mind I

376  
00:20:29,148 --> 00:20:34,908  
used to watch in the area where I've

377  
00:20:31,788 --> 00:20:39,769  
seen this thing and over a period of

378  
00:20:34,909 --> 00:20:44,480  
time I saw many more of them and it got

379  
00:20:39,769 --> 00:20:47,269  
to a fairly regular event and I saw them

380  
00:20:44,480 --> 00:20:51,919  
at close range I saw them doing

381  
00:20:47,269 --> 00:20:54,679  
aerobatics almost on occasions as if

382  
00:20:51,919 --> 00:20:58,159  
they were doing it for me on very remote

383  
00:20:54,679 --> 00:21:03,528  
sim hillsides and then on one occasion

384  
00:20:58,159 --> 00:21:06,649  
one came past it flew over my head and I

385  
00:21:03,528 --> 00:21:10,298

flashed a light at it and this thing

386

00:21:06,648 --> 00:21:17,748

turned round and came back and as it got

387

00:21:10,298 --> 00:21:20,679

above my head this was only about 25

388

00:21:17,749 --> 00:21:23,240

feet above the ground

389

00:21:20,679 --> 00:21:26,179

it had a long light on the front of it a

390

00:21:23,240 --> 00:21:28,548

long elliptical shaped light and as it

391

00:21:26,179 --> 00:21:31,399

got to my position the lights increased

392

00:21:28,548 --> 00:21:33,700

in tent intensity went down and then

393

00:21:31,398 --> 00:21:36,109

increased intensity and went down again

394

00:21:33,700 --> 00:21:39,350

almost as if it was signal me back and

395

00:21:36,109 --> 00:21:40,808

then it turned and flew off again I knew

396

00:21:39,349 --> 00:21:42,668

at this time

397

00:21:40,808 --> 00:21:46,509

this was an intelligently controlled

398

00:21:42,669 --> 00:21:49,690

machine who was acknowledging my signal

399

00:21:46,509 --> 00:21:54,038

I was certain before this time that

400  
00:21:49,690 --> 00:21:56,590  
there were alien craft flying around but

401  
00:21:54,038 --> 00:22:01,990  
this particular incident really

402  
00:21:56,589 --> 00:22:04,990  
convinced me of this so where there are

403  
00:22:01,990 --> 00:22:06,819  
alien visitors coming from or is it

404  
00:22:04,990 --> 00:22:13,298  
possible that they've been here all the

405  
00:22:06,819 --> 00:22:15,009  
time if so where military and civil

406  
00:22:13,298 --> 00:22:17,349  
airline pilots from around the world

407  
00:22:15,009 --> 00:22:19,409  
have constantly reported having the most

408  
00:22:17,349 --> 00:22:25,480  
unusual experiences in the skies

409  
00:22:19,409 --> 00:22:28,809  
including contact with UFOs on September

410  
00:22:25,480 --> 00:22:31,179  
19 1979 a UFO followed a military

411  
00:22:28,808 --> 00:22:35,648  
aircraft over Germany this is a close-up

412  
00:22:31,179 --> 00:22:37,480  
of the object this b-52 canberra bomber

413  
00:22:35,648 --> 00:22:40,808  
was flying over Edwards Air Force Base

414  
00:22:37,480 --> 00:22:42,579  
in California in 1954 when a UFO was

415  
00:22:40,808 --> 00:22:45,898  
seen near the aircraft here is a

416  
00:22:42,579 --> 00:22:45,898  
close-up of the UFO

417  
00:22:46,460 --> 00:22:52,670  
many pilots flying b-52 bombers reported

418  
00:22:49,819 --> 00:22:56,240  
seeing UFOs this one was photographed at

419  
00:22:52,670 --> 00:22:59,350  
12,000 feet in June 1966 over Utah by

420  
00:22:56,240 --> 00:23:02,868  
aircraft pilot Williams

421  
00:22:59,349 --> 00:23:05,418  
an aircraft over Venezuela had a close

422  
00:23:02,868 --> 00:23:08,349  
encounter with a UFO this photograph was

423  
00:23:05,419 --> 00:23:08,350  
taken from the plane

424  
00:23:10,329 --> 00:23:16,009  
in June 1976 the British Airways

425  
00:23:13,670 --> 00:23:18,860  
Concorde was being filmed in flight when

426  
00:23:16,009 --> 00:23:20,180  
a small UFO appeared after maneuvering

427  
00:23:18,859 --> 00:23:22,969  
around the plane in a manner that

428

00:23:20,180 --> 00:23:25,490  
indicated intelligent control the UFO

429  
00:23:22,970 --> 00:23:28,490  
flew off at great speed this was

430  
00:23:25,490 --> 00:23:31,990  
witnessed by the whole crew here is a

431  
00:23:28,490 --> 00:23:31,990  
replay in slow motion

432  
00:23:34,419 --> 00:23:40,759  
of the hundreds of UFO sightings made by

433  
00:23:38,179 --> 00:23:42,679  
aircraft pilots every year the most

434  
00:23:40,759 --> 00:23:45,499  
amazing one was filmed from a commercial

435  
00:23:42,679 --> 00:23:48,169  
airliner by passenger Jean Oldfield as

436  
00:23:45,499 --> 00:23:52,429  
the aircraft cruise at 9,000 feet over

437  
00:23:48,169 --> 00:23:54,470  
Stafford England on April 2nd 1966 the

438  
00:23:52,429 --> 00:23:56,509  
film clearly shows the ability of the

439  
00:23:54,470 --> 00:23:58,489  
craft to perform maneuvers and feats of

440  
00:23:56,509 --> 00:24:01,128  
acceleration far beyond our present

441  
00:23:58,489 --> 00:24:07,970  
comprehension here is the film again in

442  
00:24:01,128 --> 00:24:10,638

slow motion this was one of the early

443

00:24:07,970 --> 00:24:12,440

films taken of a UFO the dramatic

444

00:24:10,638 --> 00:24:14,748

movement of the object showed rapid

445

00:24:12,440 --> 00:24:16,700

almost instantaneous changes of speed

446

00:24:14,749 --> 00:24:18,889

and direction which sparked intense

447

00:24:16,700 --> 00:24:21,769

curiosity and confusion among the public

448

00:24:18,888 --> 00:24:23,868

and scientific community no earthly

449

00:24:21,769 --> 00:24:26,138

aircraft of the time could perform like

450

00:24:23,868 --> 00:24:26,138

this

451

00:24:28,119 --> 00:24:34,899

while filming from a helicopter for the

452

00:24:30,549 --> 00:24:36,789

US Navy on April 15 1966 Lee Hansen a

453

00:24:34,900 --> 00:24:38,890

professional photographer shot these

454

00:24:36,789 --> 00:24:42,009

pictures of a flying object at Catalina

455

00:24:38,890 --> 00:24:44,410

Island California the craft which had no

456

00:24:42,009 --> 00:24:47,470

wings or tail fins was 30 feet in

457  
00:24:44,410 --> 00:24:50,110  
diameter and moving at approximately 150

458  
00:24:47,470 --> 00:24:53,250  
miles per hour no signs of a propulsion

459  
00:24:50,109 --> 00:24:53,250  
system were visible

460  
00:24:55,180 --> 00:25:01,450  
this film shot by James waters in

461  
00:24:57,730 --> 00:25:03,670  
Colorado on July 23rd 1963 shows a UFO

462  
00:25:01,450 --> 00:25:06,670  
moving across the sky at tremendous

463  
00:25:03,670 --> 00:25:11,680  
speed followed by a second one this is

464  
00:25:06,670 --> 00:25:13,509  
the same film at 1/12 speed an analysis

465  
00:25:11,680 --> 00:25:16,980  
showed that no earthly aircraft could

466  
00:25:13,509 --> 00:25:16,980  
possibly fly so fast

467  
00:25:21,410 --> 00:25:27,779  
in late December 1978 a record number of

468  
00:25:25,799 --> 00:25:30,180  
UFO sightings were being reported by

469  
00:25:27,779 --> 00:25:32,970  
radar operators and pilots in the area

470  
00:25:30,180 --> 00:25:36,299  
of Wellington New Zealand just before

471  
00:25:32,970 --> 00:25:38,940  
midnight on December 30th 1978 Quintin

472  
00:25:36,299 --> 00:25:41,159  
Fogerty a reporter and a television team

473  
00:25:38,940 --> 00:25:44,070  
took off in an Argus II aircraft to fly

474  
00:25:41,160 --> 00:25:46,470  
to Christchurch shortly after takeoff

475  
00:25:44,069 --> 00:25:48,329  
Fogerty was informed by ground radar

476  
00:25:46,470 --> 00:25:52,079  
that they were being followed by several

477  
00:25:48,329 --> 00:25:54,480  
UFOs during the 50-minute flight UFOs

478  
00:25:52,079 --> 00:25:56,609  
were seen and filmed by the crew the

479  
00:25:54,480 --> 00:25:59,579  
UFOs were described as having a luminous

480  
00:25:56,609 --> 00:26:01,789  
face and a transparent top the objects

481  
00:25:59,579 --> 00:26:04,619  
were performing incredible aerobatics

482  
00:26:01,789 --> 00:26:07,399  
this movement was captured on a single

483  
00:26:04,619 --> 00:26:07,399  
frame of film

484  
00:26:11,190 --> 00:26:16,900  
we have been present in your skies for

485

00:26:14,109 --> 00:26:19,389  
hundreds of earth years but because of

486  
00:26:16,900 --> 00:26:22,960  
camouflage devices you have been unable

487  
00:26:19,390 --> 00:26:24,940  
to observe us your cosmic evolution has

488  
00:26:22,960 --> 00:26:27,549  
now developed and the time has arrived

489  
00:26:24,940 --> 00:26:30,370  
for you to ascertain the existence of

490  
00:26:27,549 --> 00:26:33,759  
other life in your universe resulting in

491  
00:26:30,369 --> 00:26:36,339  
us making our presence known to you our

492  
00:26:33,759 --> 00:26:38,289  
choice of contacts has been governed by

493  
00:26:36,339 --> 00:26:41,439  
their spiritual ability to comprehend

494  
00:26:38,289 --> 00:26:44,680  
our manifestations without anxiety or

495  
00:26:41,440 --> 00:26:47,380  
aggression the movements of our vehicles

496  
00:26:44,680 --> 00:26:49,390  
in the air which you find so strange is

497  
00:26:47,380 --> 00:26:51,970  
due to the fact that we have overcome

498  
00:26:49,390 --> 00:26:54,670  
the force which you call inertia and can

499  
00:26:51,970 --> 00:26:57,480

fly in any direction instantly without

500

00:26:54,670 --> 00:27:00,310

experiencing any form of pressure change

501

00:26:57,480 --> 00:27:02,890

our propulsion systems work on the

502

00:27:00,309 --> 00:27:06,339

principle of electromagnetism where

503

00:27:02,890 --> 00:27:08,770

gravity is of no significance the three

504

00:27:06,339 --> 00:27:11,889

spheres sometimes seen below our craft

505

00:27:08,769 --> 00:27:13,809

are our drive systems but can be

506

00:27:11,890 --> 00:27:17,020

detached individually to function as

507

00:27:13,809 --> 00:27:19,299

surveillance probes the magnetic pole

508

00:27:17,019 --> 00:27:22,720

within the axis of our craft has many

509

00:27:19,299 --> 00:27:25,109

functions it contains periscopic lenses

510

00:27:22,720 --> 00:27:27,700

for high magnitude observation and

511

00:27:25,109 --> 00:27:31,379

assists in the absorption of static

512

00:27:27,700 --> 00:27:31,380

power for recharging purposes

513

00:27:45,640 --> 00:27:51,710

it seems to me quite clear that human

514  
00:27:48,950 --> 00:27:54,910  
I'd a humanoid civilization will very

515  
00:27:51,710 --> 00:27:57,110  
likely try to find other humanoid

516  
00:27:54,910 --> 00:28:01,670  
civilizations in the Milky Way if we

517  
00:27:57,109 --> 00:28:04,519  
just take the Milky Way as our place for

518  
00:28:01,670 --> 00:28:09,350  
travel I'm not talking about extra

519  
00:28:04,519 --> 00:28:12,470  
elastic civilization now the possibility

520  
00:28:09,349 --> 00:28:13,549  
of finding humanoid civilizations would

521  
00:28:12,470 --> 00:28:16,880  
always be of interest

522  
00:28:13,549 --> 00:28:20,210  
just like our astronauts if we sent them

523  
00:28:16,880 --> 00:28:24,950  
away in the search for life we very

524  
00:28:20,210 --> 00:28:28,850  
likely try to find life which is a kind

525  
00:28:24,950 --> 00:28:30,650  
which is similar if an astronaut has a

526  
00:28:28,849 --> 00:28:33,230  
chance to visit a planet where there's

527  
00:28:30,650 --> 00:28:35,450  
plant life or insect life or another

528  
00:28:33,230 --> 00:28:37,099  
planet where there's humanoid life he

529  
00:28:35,450 --> 00:28:40,759  
very likely will travel to the planet

530  
00:28:37,099 --> 00:28:43,099  
where there is humanoid life and so it

531  
00:28:40,759 --> 00:28:45,049  
should not surprise us that the

532  
00:28:43,099 --> 00:28:47,569  
extra-terrestrial visitors are always

533  
00:28:45,049 --> 00:28:49,430  
described as being humanoid the

534  
00:28:47,569 --> 00:28:51,980  
following sequence of photographs and

535  
00:28:49,430 --> 00:28:54,019  
film was taken by the astronauts while

536  
00:28:51,980 --> 00:28:56,390  
in space they had many encounters with

537  
00:28:54,019 --> 00:29:01,210  
UFOs that are now being revealed for the

538  
00:28:56,390 --> 00:29:01,210  
first time after decades of secrecy

539  
00:29:01,410 --> 00:29:07,720  
on the Gemini 4 spaceflight on June 3rd

540  
00:29:04,710 --> 00:29:10,240  
1966 astronaut James McDivitt took a

541  
00:29:07,720 --> 00:29:13,120  
photograph of this cylindrical object on

542

00:29:10,240 --> 00:29:15,339  
the mission of Gemini 7 astronaut Frank

543  
00:29:13,119 --> 00:29:18,609  
Borman reported seeing these two objects

544  
00:29:15,339 --> 00:29:22,298  
flying in formation on the mercury 1

545  
00:29:18,609 --> 00:29:24,519  
mission on February 20th 1962 John Glenn

546  
00:29:22,298 --> 00:29:28,500  
took this picture of two glowing objects

547  
00:29:24,519 --> 00:29:31,329  
on the Gemini 11 mission September 13

548  
00:29:28,500 --> 00:29:33,308  
1966 Pete Conrad and Richard Gordon

549  
00:29:31,329 --> 00:29:35,918  
observed a cluster of UFOs alongside

550  
00:29:33,308 --> 00:29:39,339  
their craft they described them as large

551  
00:29:35,919 --> 00:29:42,400  
and very bright during the Apollo 11

552  
00:29:39,339 --> 00:29:44,649  
mission in July 1969 Neil Armstrong and

553  
00:29:42,400 --> 00:29:48,070  
Buzz Aldrin saw these two UFOs which

554  
00:29:44,650 --> 00:29:49,600  
were in orbit around the moon the

555  
00:29:48,069 --> 00:29:51,460  
astronauts filmed the extraordinary

556  
00:29:49,599 --> 00:29:53,798

glowing objects from the Apollo 11

557

00:29:51,460 --> 00:29:56,140

spacecraft and reported to Johnson Space

558

00:29:53,798 --> 00:29:59,789

Center in Houston Texas that the UFOs

559

00:29:56,140 --> 00:29:59,790

even accompanied them to the moon

560

00:30:00,970 --> 00:30:07,149

many astronauts made their own private

561

00:30:03,679 --> 00:30:07,149

films while on space missions

562

00:30:09,650 --> 00:30:13,759

this film shot by James McDivitt in a

563

00:30:12,140 --> 00:30:18,320

long sequence shows the remarkable

564

00:30:13,759 --> 00:30:20,900

aerobatic ability of UFOs the astronauts

565

00:30:18,319 --> 00:30:23,299

faced UFOs so regularly that they became

566

00:30:20,900 --> 00:30:25,460

part of their everyday life because of

567

00:30:23,299 --> 00:30:29,200

restrictions however they were unable to

568

00:30:25,460 --> 00:30:29,200

describe their encounters to the public

569

00:30:31,390 --> 00:30:36,140

one of the first to break the silence

570

00:30:33,980 --> 00:30:38,029

is former astronaut Brian O'Leary a

571  
00:30:36,140 --> 00:30:40,430  
professor of physics and an astronomer

572  
00:30:38,029 --> 00:30:42,710  
from Princeton University who comes

573  
00:30:40,430 --> 00:30:45,049  
forward for the first time to speak of

574  
00:30:42,710 --> 00:30:47,299  
the reality of visitation from out of

575  
00:30:45,049 --> 00:30:49,759  
this world what I do know from my own

576  
00:30:47,299 --> 00:30:52,369  
experience and from scientific

577  
00:30:49,759 --> 00:30:55,279  
investigations and experiments is that

578  
00:30:52,369 --> 00:30:58,579  
your phenomenon and a range of other

579  
00:30:55,279 --> 00:31:01,129  
events are part of our reality as

580  
00:30:58,579 --> 00:31:03,678  
incredible as they may seem Jets lost

581  
00:31:01,130 --> 00:31:15,620  
our entry so that they asked him man

582  
00:31:03,679 --> 00:31:18,380  
baaah often wondered during their moon

583  
00:31:15,619 --> 00:31:21,919  
walks a giant glowing UFO hovered above

584  
00:31:18,380 --> 00:31:24,740  
their heads while in orbit around the

585  
00:31:21,920 --> 00:31:26,750  
moon a huge object remained in view for

586  
00:31:24,740 --> 00:31:30,950  
a considerable amount of time before it

587  
00:31:26,750 --> 00:31:33,420  
suddenly disappeared this UFO was seen

588  
00:31:30,950 --> 00:31:36,580  
above the landing site

589  
00:31:33,420 --> 00:31:48,610  
this cigar shaped UFO was photographed

590  
00:31:36,579 --> 00:31:50,409  
from the orbiting space module on this

591  
00:31:48,609 --> 00:31:52,479  
very first trip into the unknown

592  
00:31:50,410 --> 00:31:54,130  
the astronauts repeatedly reported to

593  
00:31:52,480 --> 00:31:56,759  
Mission Control that they were being

594  
00:31:54,130 --> 00:31:59,860  
escorted by unidentified flying objects

595  
00:31:56,759 --> 00:32:01,990  
after landing on the moon the astronauts

596  
00:31:59,859 --> 00:32:04,149  
stated that the UFOs were still present

597  
00:32:01,990 --> 00:32:07,390  
in the distance hovering near a large

598  
00:32:04,150 --> 00:32:08,980  
crater they were well aware that they

599

00:32:07,390 --> 00:32:11,759  
had been observed throughout their

600  
00:32:08,980 --> 00:32:11,759  
entire mission

601  
00:32:12,150 --> 00:32:22,850  
I was

602  
00:32:58,680 --> 00:33:04,360  
the momentous leap to the moon led to

603  
00:33:01,839 --> 00:33:06,639  
the dawning of the space age space

604  
00:33:04,359 --> 00:33:09,929  
travel opened up endless opportunities

605  
00:33:06,640 --> 00:33:12,580  
for mankind to explore new frontiers

606  
00:33:09,930 --> 00:33:14,680  
NASA's plans are already well underway

607  
00:33:12,579 --> 00:33:18,210  
for colonies to be developed on other

608  
00:33:14,680 --> 00:33:18,210  
planets beginning with Mars

609  
00:33:19,398 --> 00:33:23,898  
three rarely enter the Earth's

610  
00:33:21,079 --> 00:33:25,999  
atmosphere but on one rare occasion this

611  
00:33:23,898 --> 00:33:28,758  
remarkable film was shot of such a ship

612  
00:33:25,999 --> 00:33:31,368  
flying at low level over Germany in 1980

613  
00:33:28,759 --> 00:33:33,588

the object was seen by other witnesses

614

00:33:31,368 --> 00:33:35,538

in a nearby village who reported seeing

615

00:33:33,588 --> 00:33:37,819

three smaller craft emerging from the

616

00:33:35,538 --> 00:33:41,499

larger one they stated that the craft

617

00:33:37,819 --> 00:33:41,499

was at least 100 feet long

618

00:33:42,769 --> 00:33:47,789

this film of a cigar-shaped mothership

619

00:33:45,599 --> 00:33:51,659

was taken in Rhode Island America on

620

00:33:47,789 --> 00:33:53,700

June 30 1967 the leaf effect motion of

621

00:33:51,660 --> 00:33:56,460

the ship is common with most sightings

622

00:33:53,700 --> 00:33:59,910

craft of this size and shape have been

623

00:33:56,460 --> 00:34:02,190

reported all over the world this aerial

624

00:33:59,910 --> 00:34:06,950

photo was taken by anak II OSIS while

625

00:34:02,190 --> 00:34:06,950

flying at 8,000 feet in february 1968

626

00:34:08,398 --> 00:34:12,598

probably the same cigar-shaped

627

00:34:10,079 --> 00:34:16,859

mothership was photographed in Texas ten

628  
00:34:12,599 --> 00:34:18,990  
days later over the following few days

629  
00:34:16,858 --> 00:34:23,358  
an object fitting a similar description

630  
00:34:18,989 --> 00:34:23,358  
was reported by various witnesses

631  
00:34:28,070 --> 00:34:34,370  
life aboard our mother ships is ruled by

632  
00:34:31,070 --> 00:34:36,530  
a mixture of self-discipline love of

633  
00:34:34,369 --> 00:34:40,849  
each other and the merging of all

634  
00:34:36,530 --> 00:34:44,660  
spirits into one every need is catered

635  
00:34:40,849 --> 00:34:48,949  
for in respect of rest recreation and

636  
00:34:44,659 --> 00:34:52,039  
meditation of the soul illness does not

637  
00:34:48,949 --> 00:34:54,409  
prevail but analyzation and antidote old

638  
00:34:52,039 --> 00:34:57,369  
equipment is always ready in case of

639  
00:34:54,409 --> 00:35:02,750  
unexpected or unknown space microbes

640  
00:34:57,369 --> 00:35:05,329  
attacking the craft or our bodies our

641  
00:35:02,750 --> 00:35:07,719  
food is comprised of a rotation of the

642  
00:35:05,329 --> 00:35:10,549  
many choices available on our own planet

643  
00:35:07,719 --> 00:35:13,939  
but does not include the flesh of other

644  
00:35:10,550 --> 00:35:16,070  
life-forms we do occasionally take the

645  
00:35:13,940 --> 00:35:19,579  
fruit of certain organic trees and

646  
00:35:16,070 --> 00:35:21,530  
shrubs found on other planets but only

647  
00:35:19,579 --> 00:35:24,860  
when they are known to be totally safe

648  
00:35:21,530 --> 00:35:27,670  
and pollution-free our water on the

649  
00:35:24,860 --> 00:35:30,860  
craft is produced by cosmic inversion

650  
00:35:27,670 --> 00:35:32,630  
all byproducts are disposed of by the

651  
00:35:30,860 --> 00:35:36,500  
disintegration of the composite

652  
00:35:32,630 --> 00:35:38,930  
molecules the psychological spirit of

653  
00:35:36,500 --> 00:35:41,900  
each of us is at one with the elements

654  
00:35:38,929 --> 00:35:46,419  
which surround us and when we are at one

655  
00:35:41,900 --> 00:35:46,420  
with our universe we are at peace

656

00:35:46,559 --> 00:35:55,119  
my personal views on UFOs are that these

657  
00:35:50,318 --> 00:35:59,710  
are alien piloted vehicles when i say

658  
00:35:55,119 --> 00:36:02,289  
alien i mean alien to anything we know

659  
00:35:59,710 --> 00:36:03,970  
that possibly they come from of the

660  
00:36:02,289 --> 00:36:05,588  
worlds but i think it's highly likely

661  
00:36:03,969 --> 00:36:12,879  
also that they come from other

662  
00:36:05,588 --> 00:36:15,578  
dimensions of the time spheres and that

663  
00:36:12,880 --> 00:36:18,280  
the there isn't one type of alien coming

664  
00:36:15,579 --> 00:36:21,849  
here there are probably many of them all

665  
00:36:18,280 --> 00:36:25,180  
from different areas when people report

666  
00:36:21,849 --> 00:36:27,940  
these things we get such in a variety of

667  
00:36:25,179 --> 00:36:32,440  
things reported so many shapes so many

668  
00:36:27,940 --> 00:36:35,470  
forms and this appears to cause the

669  
00:36:32,440 --> 00:36:37,990  
confusion because there is such a

670  
00:36:35,469 --> 00:36:40,509

variety of these things but really

671

00:36:37,989 --> 00:36:43,299

speaking if these things are visiting us

672

00:36:40,510 --> 00:36:45,760

from a whole host of different areas one

673

00:36:43,300 --> 00:36:47,650

would expect them to be different forms

674

00:36:45,760 --> 00:36:50,970

different machines and i think this

675

00:36:47,650 --> 00:36:50,970

person is the answer to it

676

00:36:54,719 --> 00:36:59,949

meanwhile we scan the skies with optical

677

00:36:57,969 --> 00:37:02,799

and radio telescopes of great power

678

00:36:59,949 --> 00:37:05,649

which penetrate the universe for 15

679

00:37:02,800 --> 00:37:09,430

billion light years watching listening

680

00:37:05,650 --> 00:37:11,349

for signs of intelligent life large

681

00:37:09,429 --> 00:37:14,019

numbers of people on earth wait and

682

00:37:11,349 --> 00:37:17,019

watch in the hope that one day they may

683

00:37:14,019 --> 00:37:22,150

be contacted or visited by visitors from

684

00:37:17,019 --> 00:37:23,949

space in Russia a large crowd of people

685  
00:37:22,150 --> 00:37:25,900  
who had gathered to watch a famous

686  
00:37:23,949 --> 00:37:28,118  
singer being filmed saw more than they

687  
00:37:25,900 --> 00:37:29,740  
had bargained for when a UFO suddenly

688  
00:37:28,119 --> 00:37:31,990  
appeared above their heads

689  
00:37:29,739 --> 00:37:34,209  
the camera crew quickly focused their

690  
00:37:31,989 --> 00:37:35,828  
camera on the object and recorded an

691  
00:37:34,210 --> 00:37:38,338  
aerial display that lasted several

692  
00:37:35,829 --> 00:37:38,339  
minutes

693  
00:37:40,108 --> 00:37:43,708  
Randall opinion

694  
00:37:45,869 --> 00:37:50,130  
the crowd found this more intriguing

695  
00:37:47,400 --> 00:37:54,079  
than the singer even she eventually

696  
00:37:50,130 --> 00:37:54,079  
stopped singing to watch the UFO

697  
00:37:56,630 --> 00:38:01,949  
numerous UFOs are seen over Russia

698  
00:37:59,219 --> 00:38:03,958  
regularly these balls of light are

699  
00:38:01,949 --> 00:38:06,449  
identical to those reported in Belgium

700  
00:38:03,958 --> 00:38:08,518  
and the rest of Europe in 1990 which

701  
00:38:06,449 --> 00:38:12,168  
attracted extensive attention on top

702  
00:38:08,518 --> 00:38:12,168  
military and civilian levels

703  
00:38:14,750 --> 00:38:22,048  
in April 1990 this cigar shaped UFO was

704  
00:38:18,809 --> 00:38:23,849  
filmed over Russia by an amateur these

705  
00:38:22,048 --> 00:38:26,038  
flying objects are now acknowledged by

706  
00:38:23,849 --> 00:38:31,309  
the Russian military as being alien

707  
00:38:26,039 --> 00:38:34,400  
flying machines the nucleus the

708  
00:38:31,309 --> 00:38:38,819  
authentic nucleus of the UFO phenomenon

709  
00:38:34,400 --> 00:38:41,630  
must be our research field and that is

710  
00:38:38,818 --> 00:38:46,199  
certainly worthwhile

711  
00:38:41,630 --> 00:38:51,960  
however skeptics may talk about the UFO

712  
00:38:46,199 --> 00:38:54,719  
phenomenon whether they call people who

713

00:38:51,960 --> 00:38:56,909  
have encountered Psychopaths or even

714  
00:38:54,719 --> 00:39:01,798  
scientist who concerned themselves with

715  
00:38:56,909 --> 00:39:04,739  
UFOs as lengths we simply have to accept

716  
00:39:01,798 --> 00:39:08,400  
if we inform ourselves that there's a

717  
00:39:04,739 --> 00:39:11,368  
small percentage of absolute authentic

718  
00:39:08,400 --> 00:39:15,019  
cases which represent the UFO phenomenon

719  
00:39:11,369 --> 00:39:18,660  
and we must continue to investigate this

720  
00:39:15,019 --> 00:39:22,259  
nucleus it will be worthwhile when I

721  
00:39:18,659 --> 00:39:28,019  
first saw my UFO I always quote my UFO

722  
00:39:22,260 --> 00:39:29,940  
now you've got to bear in mind I was

723  
00:39:28,019 --> 00:39:34,588  
dealing with something like this with

724  
00:39:29,940 --> 00:39:36,690  
the clinical mind of a policeman so my

725  
00:39:34,588 --> 00:39:39,599  
immediate reaction was well what makes a

726  
00:39:36,690 --> 00:39:41,010  
thing like this tick how does it go how

727  
00:39:39,599 --> 00:39:43,349

can you get the enormous machine like

728

00:39:41,010 --> 00:39:46,020

this which doesn't make sound why does

729

00:39:43,349 --> 00:39:49,170

it look so beautiful why did I see why

730

00:39:46,019 --> 00:39:51,420

was it there there's so many whys and I

731

00:39:49,170 --> 00:39:55,139

knew I had to find out answers to these

732

00:39:51,420 --> 00:39:56,789

things it was very very difficult there

733

00:39:55,139 --> 00:39:59,578

was no easy way of finding an answer to

734

00:39:56,789 --> 00:40:02,539

something like this but it seemed to me

735

00:39:59,579 --> 00:40:04,920

that things naturally came my way I

736

00:40:02,539 --> 00:40:06,180

started to receive reports from people

737

00:40:04,920 --> 00:40:08,849

as it became known I was interested

738

00:40:06,179 --> 00:40:10,558

interested in this subject and then I

739

00:40:08,849 --> 00:40:13,588

had so many other incidents following

740

00:40:10,559 --> 00:40:16,859

this of Close Encounters it was quite

741

00:40:13,588 --> 00:40:17,578

amazing really because these things seem

742  
00:40:16,858 --> 00:40:19,798  
to know where I was

743  
00:40:17,579 --> 00:40:22,380  
even when I wasn't on the initial

744  
00:40:19,798 --> 00:40:24,449  
hillside where I found them I had

745  
00:40:22,380 --> 00:40:27,329  
occasions when I would be driving down a

746  
00:40:24,449 --> 00:40:28,079  
country road then suddenly one of these

747  
00:40:27,329 --> 00:40:29,730  
things would be

748  
00:40:28,079 --> 00:40:34,019  
in the sky flying alongside me very

749  
00:40:29,730 --> 00:40:37,800  
close and it was almost a cat-and-mouse

750  
00:40:34,019 --> 00:40:39,059  
game and I had nothing but no fear never

751  
00:40:37,800 --> 00:40:43,080  
any fear because there was never

752  
00:40:39,059 --> 00:40:45,090  
anything directed towards me which would

753  
00:40:43,079 --> 00:40:48,779  
indicate there was any hostility and so

754  
00:40:45,090 --> 00:40:51,960  
I got a sort of affection for I have to

755  
00:40:48,780 --> 00:40:56,010  
keep thinking what kind of technicians

756  
00:40:51,960 --> 00:40:58,079  
put something like this together because

757  
00:40:56,010 --> 00:41:02,270  
it was such an amazing thing but I knew

758  
00:40:58,079 --> 00:41:02,269  
I knew that this thing was not from you

759  
00:41:02,630 --> 00:41:09,119  
for the past 45 years people from every

760  
00:41:06,210 --> 00:41:10,800  
country have reported seeing UFOs the

761  
00:41:09,119 --> 00:41:12,989  
descriptions of these objects have been

762  
00:41:10,800 --> 00:41:14,760  
all too similar despite the fact that

763  
00:41:12,989 --> 00:41:15,649  
the witnesses live thousands of miles

764  
00:41:14,760 --> 00:41:18,440  
apart

765  
00:41:15,650 --> 00:41:21,690  
witnesses include astronauts pilots

766  
00:41:18,440 --> 00:41:24,090  
scientists and police even presidents of

767  
00:41:21,690 --> 00:41:25,860  
the United States Jimmy Carter and

768  
00:41:24,090 --> 00:41:29,670  
Ronald Reagan have spoken openly about

769  
00:41:25,860 --> 00:41:32,160  
their seeing UFOs since 1945 an

770

00:41:29,670 --> 00:41:33,889  
estimated five million UFO sightings

771  
00:41:32,159 --> 00:41:36,629  
have been reported from across the world

772  
00:41:33,889 --> 00:41:39,420  
most sightings are of singular objects

773  
00:41:36,630 --> 00:41:41,910  
although many are of two or three in

774  
00:41:39,420 --> 00:41:45,539  
some cases large formations have been

775  
00:41:41,909 --> 00:41:48,649  
spotted the greatest number of UFOs

776  
00:41:45,539 --> 00:41:50,909  
usually appear after 9 p.m.

777  
00:41:48,650 --> 00:41:52,769  
although a large percentage of these

778  
00:41:50,909 --> 00:41:55,710  
sightings can be explained as natural

779  
00:41:52,769 --> 00:41:57,599  
phenomena many cannot thousands of

780  
00:41:55,710 --> 00:42:00,420  
people are asking questions what are

781  
00:41:57,599 --> 00:42:03,589  
these UFOs where do they come from why

782  
00:42:00,420 --> 00:42:06,150  
can't I see one why are they here and

783  
00:42:03,590 --> 00:42:08,519  
more and more people want to communicate

784  
00:42:06,150 --> 00:42:11,099

with the extraterrestrials to learn more

785

00:42:08,519 --> 00:42:17,579  
about them get to know them

786

00:42:11,099 --> 00:42:21,479  
to understand the 20th century the winds

787

00:42:17,579 --> 00:42:23,249  
of change began to blow events were to

788

00:42:21,478 --> 00:42:25,098  
take place which would change the course

789

00:42:23,248 --> 00:42:29,929  
of mankind forever

790

00:42:25,099 --> 00:42:29,930  
the Atomic Age had arrived

791

00:42:39,108 --> 00:42:44,900  
as man detonated weapons of immense

792

00:42:41,869 --> 00:42:47,119  
power lights started to appear in the

793

00:42:44,900 --> 00:42:49,579  
sky in a way that suggested that

794

00:42:47,119 --> 00:42:52,910  
something was following the course of

795

00:42:49,579 --> 00:42:55,818  
events the shattering thought imposed

796

00:42:52,909 --> 00:42:59,239  
itself that we were perhaps not the only

797

00:42:55,818 --> 00:43:01,909  
inhabitants of the universe since the

798

00:42:59,239 --> 00:43:04,670  
beginning of civilization we had been

799  
00:43:01,909 --> 00:43:07,899  
watching the Stars never dreaming that

800  
00:43:04,670 --> 00:43:12,309  
they in turn might be watching us

801  
00:43:07,900 --> 00:43:12,309  
history was about to change

802  
00:43:16,210 --> 00:43:21,150  
because these lights appeared suddenly

803  
00:43:18,400 --> 00:43:23,889  
in the sky over Washington on July 20th

804  
00:43:21,150 --> 00:43:24,550  
1952 moving from the White House to the

805  
00:43:23,889 --> 00:43:26,379  
Capitol

806  
00:43:24,550 --> 00:43:28,660  
hundreds of people witnessed the

807  
00:43:26,380 --> 00:43:31,599  
extraordinary event and it left them

808  
00:43:28,659 --> 00:43:32,980  
stunned the lights instantly jumped from

809  
00:43:31,599 --> 00:43:35,588  
one position to another

810  
00:43:32,980 --> 00:43:37,599  
they were also observed by high military

811  
00:43:35,588 --> 00:43:40,480  
officials who knew what the lights were

812  
00:43:37,599 --> 00:43:43,030  
trying to say the public had never seen

813  
00:43:40,480 --> 00:43:44,800  
anything like this whereas the military

814  
00:43:43,030 --> 00:43:46,599  
had already a long history of

815  
00:43:44,800 --> 00:43:51,119  
involvement with these alien visitors

816  
00:43:46,599 --> 00:43:53,380  
but had kept it from the public an

817  
00:43:51,119 --> 00:43:55,119  
immediate emergency meeting was called

818  
00:43:53,380 --> 00:43:57,789  
to formulate a plan to divert public

819  
00:43:55,119 --> 00:44:00,338  
attention away from the occurrences from

820  
00:43:57,789 --> 00:44:01,838  
that day on it was decided to place the

821  
00:44:00,338 --> 00:44:05,440  
subject under the highest classification

822  
00:44:01,838 --> 00:44:07,809  
of security then came the first

823  
00:44:05,440 --> 00:44:09,789  
announcement to mislead the public made

824  
00:44:07,809 --> 00:44:15,190  
by chief of air intelligence Major

825  
00:44:09,789 --> 00:44:17,849  
General John Sanford we can say that the

826  
00:44:15,190 --> 00:44:21,099  
recent sightings are in no way connected

827

00:44:17,849 --> 00:44:23,610  
with any secret development by any

828  
00:44:21,099 --> 00:44:26,550  
agency of the United States

829  
00:44:23,610 --> 00:44:32,930  
from that day on the biggest secret of

830  
00:44:26,550 --> 00:44:32,930  
the century began how did it all start

831  
00:44:37,750 --> 00:44:42,099  
after the first atomic bomb was

832  
00:44:39,880 --> 00:44:43,690  
detonated more tests were made of the

833  
00:44:42,099 --> 00:44:45,640  
effects on the environment and human

834  
00:44:43,690 --> 00:44:48,730  
subjects to gauge the degree of

835  
00:44:45,639 --> 00:44:50,319  
contamination unleashed no knowledge of

836  
00:44:48,730 --> 00:44:56,380  
the devastating long-term effects

837  
00:44:50,320 --> 00:44:59,170  
existed at this time here in New Mexico

838  
00:44:56,380 --> 00:45:01,420  
an army base close to a small town

839  
00:44:59,170 --> 00:45:05,108  
called Roswell became the focus of

840  
00:45:01,420 --> 00:45:06,820  
attention on July 2nd 1947 when Bilbray

841  
00:45:05,108 --> 00:45:09,029

zl-- a farmer found a crashed

842

00:45:06,820 --> 00:45:11,260  
disc-shaped craft on his land the

843

00:45:09,030 --> 00:45:13,420  
military arrived on the scene and

844

00:45:11,260 --> 00:45:17,220  
quickly isolated the spot when they

845

00:45:13,420 --> 00:45:17,220  
found debris scattered over a wide area

846

00:45:18,778 --> 00:45:24,119  
they also found four dead humanoid alien

847

00:45:21,929 --> 00:45:27,479  
bodies who had been ejected from the

848

00:45:24,119 --> 00:45:30,059  
craft because of many recent UFO

849

00:45:27,478 --> 00:45:31,798  
sightings by the military they accepted

850

00:45:30,059 --> 00:45:34,048  
the existence of visitors from outer

851

00:45:31,798 --> 00:45:36,418  
space who obviously possessed a

852

00:45:34,048 --> 00:45:38,759  
technology which was far beyond our

853

00:45:36,418 --> 00:45:41,338  
understanding now for the first time

854

00:45:38,759 --> 00:45:43,978  
they had tangible evidence and were

855

00:45:41,338 --> 00:45:46,708  
eager to learn its secrets Roswell was

856  
00:45:43,978 --> 00:45:50,038  
the home of the 509th bomber wing the

857  
00:45:46,708 --> 00:45:52,108  
sole american atomic bomber group major

858  
00:45:50,039 --> 00:45:54,630  
Jesse Marcel an army intelligence

859  
00:45:52,108 --> 00:45:57,058  
officer was engaged on the recovery

860  
00:45:54,630 --> 00:45:59,369  
operation and asked Walter Haught the

861  
00:45:57,059 --> 00:46:02,759  
army public relations officer to prepare

862  
00:45:59,369 --> 00:46:05,249  
a story for the local newspaper hey Tony

863  
00:46:02,759 --> 00:46:08,338  
they're preparing to release with

864  
00:46:05,248 --> 00:46:11,518  
basically the information that he gave

865  
00:46:08,338 --> 00:46:14,608  
me over the phone when it was done to

866  
00:46:11,518 --> 00:46:17,758  
tape it into community and deliver it

867  
00:46:14,608 --> 00:46:20,880  
and deliver it to the for news media we

868  
00:46:17,759 --> 00:46:24,088  
had in Roswell at that time which is

869  
00:46:20,880 --> 00:46:26,338  
what I did the story was published in

870  
00:46:24,088 --> 00:46:28,318  
the local paper the news was also

871  
00:46:26,338 --> 00:46:30,719  
prepared to be aired by the local radio

872  
00:46:28,318 --> 00:46:33,389  
but Judd Roberts the radio station

873  
00:46:30,719 --> 00:46:39,509  
manager was warned not to broadcast it

874  
00:46:33,389 --> 00:46:41,188  
sorry is the very next morning some

875  
00:46:39,509 --> 00:46:43,079  
friendly person probably for Clinton

876  
00:46:41,188 --> 00:46:47,639  
Anderson's office called us from

877  
00:46:43,079 --> 00:46:50,519  
Washington and said you understand that

878  
00:46:47,639 --> 00:46:54,778  
you have some information and we want to

879  
00:46:50,518 --> 00:46:56,368  
assure you that if you release it on

880  
00:46:54,778 --> 00:46:59,009  
this matter because it's not supposed to

881  
00:46:56,369 --> 00:47:02,489  
be released it's very possible that your

882  
00:46:59,009 --> 00:47:05,188  
license could be in jeopardy and so we

883  
00:47:02,489 --> 00:47:06,719  
suggest that you not do it and he said

884

00:47:05,188 --> 00:47:09,449  
when I mean in jeopardy life may be

885  
00:47:06,719 --> 00:47:11,668  
three days preparations were made at

886  
00:47:09,449 --> 00:47:12,329  
Roswell army base for the transport of

887  
00:47:11,668 --> 00:47:14,219  
the wreckage

888  
00:47:12,329 --> 00:47:17,239  
Robert Shirky witnessed the secret

889  
00:47:14,219 --> 00:47:17,239  
handling of the parts

890  
00:47:23,159 --> 00:47:31,349  
these were the people that were carrying

891  
00:47:25,489 --> 00:47:37,379  
parts of the crashed flying saucer at

892  
00:47:31,349 --> 00:47:40,469  
that time UFO today that I got to see

893  
00:47:37,380 --> 00:47:44,610  
that was the only thing I got to see in

894  
00:47:40,469 --> 00:47:46,169  
a very short quick turn blind shirt in

895  
00:47:44,610 --> 00:47:50,550  
order to get out of their way had backed

896  
00:47:46,170 --> 00:47:53,940  
into the doorway oh yeah pop songs and I

897  
00:47:50,550 --> 00:47:59,310  
stepped up to him listen Colonel turn

898  
00:47:53,940 --> 00:48:00,990

sideways I want to see two on

899

00:47:59,309 --> 00:48:03,090  
instructions from the Pentagon

900

00:48:00,989 --> 00:48:05,549  
Thomas Jefferson DuBose and general

901

00:48:03,090 --> 00:48:18,660  
ramey created a cover story saying the

902

00:48:05,550 --> 00:48:20,340  
crashed object was a weather balloon the

903

00:48:18,659 --> 00:48:22,349  
wreckage was loaded back onto an

904

00:48:20,340 --> 00:48:24,090  
aircraft and flown out under cover of

905

00:48:22,349 --> 00:48:25,769  
great security in secrecy to

906

00:48:24,090 --> 00:48:28,500  
wright-patterson Air Force Base

907

00:48:25,769 --> 00:48:30,869  
the pilot kept silent for several years

908

00:48:28,500 --> 00:48:39,539  
but informed his wife after the story

909

00:48:30,869 --> 00:48:41,429  
appeared in a newspaper that I want you

910

00:48:39,539 --> 00:48:44,789  
to read this article because it's a true

911

00:48:41,429 --> 00:48:48,269  
story and I not only know that it's true

912

00:48:44,789 --> 00:48:52,940  
but I'm the pilot who flew the wreckage

913  
00:48:48,269 --> 00:48:55,110  
of the UFO to Dayton Ohio

914  
00:48:52,940 --> 00:48:56,700  
wright-patterson Air Force Base was

915  
00:48:55,110 --> 00:48:58,620  
considered the most technologically

916  
00:48:56,699 --> 00:49:00,809  
advanced research center in the United

917  
00:48:58,619 --> 00:49:04,079  
States the wreckage of the Roswell crash

918  
00:49:00,809 --> 00:49:05,969  
was dismantled for analysis the matter

919  
00:49:04,079 --> 00:49:07,739  
was considered of such importance that

920  
00:49:05,969 --> 00:49:11,429  
the orders came directly from President

921  
00:49:07,739 --> 00:49:13,979  
Truman under the cover of the CIA Truman

922  
00:49:11,429 --> 00:49:16,289  
created a group called majestic 12 for

923  
00:49:13,980 --> 00:49:18,469  
dealing with and covering up all

924  
00:49:16,289 --> 00:49:20,579  
information about UFOs

925  
00:49:18,469 --> 00:49:22,439  
President Truman gave the task of

926  
00:49:20,579 --> 00:49:25,199  
handling UFOs only to the

927

00:49:22,440 --> 00:49:27,030  
highest-ranking generals after the

928

00:49:25,199 --> 00:49:29,159  
Roswell crash a special group of

929

00:49:27,030 --> 00:49:31,080  
scientists was formed and facilities

930

00:49:29,159 --> 00:49:34,139  
built to be prepared to deal with any

931

00:49:31,079 --> 00:49:36,548  
further UFO crashes which would occur

932

00:49:34,139 --> 00:49:38,739  
wendell stevens was a lieutenant colonel

933

00:49:36,548 --> 00:49:41,858  
and technical intelligence in the US Air

934

00:49:38,739 --> 00:49:44,909  
Force and is now a UFO investigator now

935

00:49:41,858 --> 00:49:48,038  
having an extraterrestrial vehicle and

936

00:49:44,909 --> 00:49:50,858  
somebody's in their hands didn't know

937

00:49:48,039 --> 00:49:52,900  
when the next one would come down where

938

00:49:50,858 --> 00:49:53,739  
they came from what they were going to

939

00:49:52,900 --> 00:49:55,349  
do about it

940

00:49:53,739 --> 00:49:58,869  
there were a lot of unanswered questions

941

00:49:55,349 --> 00:50:01,088  
and the United States was in a turmoil

942  
00:49:58,869 --> 00:50:04,150  
at the time administratively because we

943  
00:50:01,088 --> 00:50:06,369  
were shifting from a war economy and a

944  
00:50:04,150 --> 00:50:10,028  
military-industrial command structure to

945  
00:50:06,369 --> 00:50:12,940  
a civilian structure so the military was

946  
00:50:10,028 --> 00:50:15,278  
still dominant and they wanted to keep

947  
00:50:12,940 --> 00:50:15,999  
control of this until they knew what was

948  
00:50:15,278 --> 00:50:19,449  
happening

949  
00:50:15,998 --> 00:50:21,488  
so they created and remember general

950  
00:50:19,449 --> 00:50:24,190  
Marshall was our secretary of state at

951  
00:50:21,489 --> 00:50:29,858  
the time he was a four-star five-star

952  
00:50:24,190 --> 00:50:31,599  
general these people selected certain

953  
00:50:29,858 --> 00:50:33,518  
representatives from the

954  
00:50:31,599 --> 00:50:38,068  
military-industrial complex that they

955  
00:50:33,518 --> 00:50:38,068

controlled generals and admirals and

956

00:50:38,130 --> 00:50:43,509

certain scientists that worked with the

957

00:50:41,199 --> 00:50:47,680

military and worked with industrial

958

00:50:43,509 --> 00:50:53,228

planning these men were designated as a

959

00:50:47,679 --> 00:50:57,759

task force to take charge of any event

960

00:50:53,228 --> 00:51:00,879

that followed and it one did almost a

961

00:50:57,759 --> 00:51:03,838

year later on the 25th of March of 1978

962

00:51:00,880 --> 00:51:07,469

the next one came down I'm sorry 1948

963

00:51:03,838 --> 00:51:10,838

the next one did crash and it came down

964

00:51:07,469 --> 00:51:13,630

under observation by radar so that we

965

00:51:10,838 --> 00:51:17,469

knew where it landed at the time that it

966

00:51:13,630 --> 00:51:21,400

struck the ground and a helicopter was

967

00:51:17,469 --> 00:51:23,909

over it in less than an hour it reported

968

00:51:21,400 --> 00:51:26,739

what it observed and they planned

969

00:51:23,909 --> 00:51:29,228

generated by these people from the

970  
00:51:26,739 --> 00:51:30,999  
military-industrial complex after the

971  
00:51:29,228 --> 00:51:33,818  
Roswell crash was immediately put into

972  
00:51:30,998 --> 00:51:37,598  
place all the generals and admirals and

973  
00:51:33,818 --> 00:51:41,708  
advisors and scientists were contacted

974  
00:51:37,599 --> 00:51:45,099  
and ordered to proceed to a base in

975  
00:51:41,708 --> 00:51:47,500  
Colorado where they were driven picked

976  
00:51:45,099 --> 00:51:49,900  
up and driven to the crash site

977  
00:51:47,500 --> 00:51:54,190  
now all these menara have gone to the

978  
00:51:49,900 --> 00:51:57,250  
scene to see for themselves what an

979  
00:51:54,190 --> 00:51:59,530  
alien vehicle looks like and they were

980  
00:51:57,250 --> 00:52:01,030  
going to advise general Marshall

981  
00:51:59,530 --> 00:52:04,780  
directly but was controlling everything

982  
00:52:01,030 --> 00:52:08,800  
from remote position from telephone on

983  
00:52:04,780 --> 00:52:11,560  
how to proceed and when an operation is

984  
00:52:08,800 --> 00:52:13,690  
that big you can't cover everything up

985  
00:52:11,559 --> 00:52:18,299  
we discovered that the owner of the

986  
00:52:13,690 --> 00:52:21,309  
property where the vehicle came down was

987  
00:52:18,300 --> 00:52:23,410  
arrested in his house with his family

988  
00:52:21,309 --> 00:52:26,320  
and they were kept in the house for four

989  
00:52:23,409 --> 00:52:27,848  
days not allowed to go out side or

990  
00:52:26,320 --> 00:52:30,760  
anything all the roads in the area were

991  
00:52:27,849 --> 00:52:32,260  
blocked all access was closed people

992  
00:52:30,760 --> 00:52:33,609  
that lived plus enough to low know

993  
00:52:32,260 --> 00:52:36,609  
something about it were kept in their

994  
00:52:33,608 --> 00:52:40,150  
houses now if it never happened

995  
00:52:36,608 --> 00:52:42,539  
then this evidence wouldn't exist but

996  
00:52:40,150 --> 00:52:45,519  
now we are finding solid evidence that

997  
00:52:42,539 --> 00:52:49,029  
something strange did happen and that

998

00:52:45,519 --> 00:52:53,170  
these events actually took place then we

999  
00:52:49,030 --> 00:52:55,660  
found people who observed the recovery

1000  
00:52:53,170 --> 00:53:00,550  
of the craft from a distance that saw

1001  
00:52:55,659 --> 00:53:05,019  
the the task force moving across off

1002  
00:53:00,550 --> 00:53:08,920  
roads over country to a secure military

1003  
00:53:05,019 --> 00:53:10,329  
facility at Los Alamos and and with

1004  
00:53:08,920 --> 00:53:13,240  
these leads we were able to turn up

1005  
00:53:10,329 --> 00:53:16,598  
other witnesses all of whom had been

1006  
00:53:13,239 --> 00:53:18,159  
sworn to secrecy by their superiors at

1007  
00:53:16,599 --> 00:53:21,070  
the time they participated in these

1008  
00:53:18,159 --> 00:53:23,049  
events and only a few of them would talk

1009  
00:53:21,070 --> 00:53:25,539  
to us and only on condition that they

1010  
00:53:23,050 --> 00:53:29,050  
not be identified because of their

1011  
00:53:25,539 --> 00:53:30,820  
vulnerability what happens in a case of

1012  
00:53:29,050 --> 00:53:33,160

violation of security oates of this

1013

00:53:30,820 --> 00:53:34,720

nature they could lose all pay and

1014

00:53:33,159 --> 00:53:36,639

allowances do or ever to become due they

1015

00:53:34,719 --> 00:53:39,219

could be imprisoned that they could be

1016

00:53:36,639 --> 00:53:42,190

fined a lot of things that none of them

1017

00:53:39,219 --> 00:53:44,709

could stand through Secretary of State

1018

00:53:42,190 --> 00:53:47,050

General Marshall the security of the UFO

1019

00:53:44,710 --> 00:53:48,670

situation was intensified a closer

1020

00:53:47,050 --> 00:53:51,550

relationship developed between the

1021

00:53:48,670 --> 00:53:56,130

military and majestic 12 as time passed

1022

00:53:51,550 --> 00:53:56,130

the power of majestic 12 grew stronger

1023

00:53:56,690 --> 00:54:01,200

Virgil Armstrong was an intelligence

1024

00:53:59,190 --> 00:54:03,659

officer with the CIA and worked with

1025

00:54:01,199 --> 00:54:04,980

highly classified assignments he retired

1026

00:54:03,659 --> 00:54:07,440

with the rank of Major

1027  
00:54:04,980 --> 00:54:09,240  
I received documents was said that a UFO

1028  
00:54:07,440 --> 00:54:12,179  
had landed in the middle of White Sands

1029  
00:54:09,239 --> 00:54:13,679  
New Mexico proving grounds and that this

1030  
00:54:12,179 --> 00:54:16,500  
object was an earth was under

1031  
00:54:13,679 --> 00:54:17,849  
surveillance and would be kept under

1032  
00:54:16,500 --> 00:54:20,730  
surveillance until they could determine

1033  
00:54:17,849 --> 00:54:23,489  
whether it was hostile or friendly and

1034  
00:54:20,730 --> 00:54:26,610  
later turned out that it was friendly in

1035  
00:54:23,489 --> 00:54:28,319  
that the occupants were dead and when we

1036  
00:54:26,610 --> 00:54:31,320  
got aboard there were five bodies

1037  
00:54:28,320 --> 00:54:34,680  
the bodies were diminutive in size in

1038  
00:54:31,320 --> 00:54:37,920  
other words 3.5 feet the largest one was

1039  
00:54:34,679 --> 00:54:39,769  
just under four feet two of them were

1040  
00:54:37,920 --> 00:54:42,570  
obviously the commanding officers

1041  
00:54:39,769 --> 00:54:45,360  
because two of more epaulets on their

1042  
00:54:42,570 --> 00:54:46,860  
shoulders later turns out that they were

1043  
00:54:45,360 --> 00:54:48,329  
all male when we flew him back to

1044  
00:54:46,860 --> 00:54:51,210  
wright-patterson of course the

1045  
00:54:48,329 --> 00:54:53,069  
examination physical examination and the

1046  
00:54:51,210 --> 00:54:55,970  
autopsy course revealed that they were

1047  
00:54:53,070 --> 00:54:55,970  
indeed all male

1048  
00:54:57,119 --> 00:55:01,809  
from descriptions given by several

1049  
00:54:59,650 --> 00:55:05,260  
witnesses the aliens have very large

1050  
00:55:01,809 --> 00:55:07,480  
eyes a small nose and a small mouth they

1051  
00:55:05,260 --> 00:55:14,920  
are usually about three feet six inches

1052  
00:55:07,480 --> 00:55:16,809  
in height and have no body hair ordered

1053  
00:55:14,920 --> 00:55:19,329  
a heightened level of security after the

1054  
00:55:16,809 --> 00:55:23,679  
capture of a live alien from a UFO which

1055

00:55:19,329 --> 00:55:25,989  
had crashed because of the ever

1056  
00:55:23,679 --> 00:55:28,119  
increasing numbers of UFO sightings at

1057  
00:55:25,989 --> 00:55:30,189  
the time it was decided to create a

1058  
00:55:28,119 --> 00:55:31,750  
project called Blue Book which was

1059  
00:55:30,190 --> 00:55:34,030  
designed to suppress public knowledge

1060  
00:55:31,750 --> 00:55:38,440  
and create an atmosphere of ridicule

1061  
00:55:34,030 --> 00:55:40,240  
around the subject of UFOs professor J

1062  
00:55:38,440 --> 00:55:42,760  
Allen Hynek was a professor of astronomy

1063  
00:55:40,239 --> 00:55:44,979  
and an astronomical advisor to the

1064  
00:55:42,760 --> 00:55:48,370  
United States Air Force on their UFO

1065  
00:55:44,980 --> 00:55:52,360  
educational program and I know the the

1066  
00:55:48,369 --> 00:55:57,539  
job they had they were told not to

1067  
00:55:52,360 --> 00:56:01,090  
excite the public don't rock the boat

1068  
00:55:57,539 --> 00:56:03,039  
and I saw it in my own eyes happened

1069  
00:56:01,090 --> 00:56:05,200

that whenever a case happened that they

1070

00:56:03,039 --> 00:56:08,019

could explain which is quite a few they

1071

00:56:05,199 --> 00:56:10,839

made point of that and then let that out

1072

00:56:08,019 --> 00:56:12,820

to the media things that the cases that

1073

00:56:10,840 --> 00:56:15,579

were very difficult to explain they

1074

00:56:12,820 --> 00:56:18,340

would jump the handsprings to keep

1075

00:56:15,579 --> 00:56:22,630

through the media away from it for there

1076

00:56:18,340 --> 00:56:26,559

they had a job to do to whether

1077

00:56:22,630 --> 00:56:29,480

rightfully or wrongly to keep the public

1078

00:56:26,559 --> 00:56:35,119

from getting excited

1079

00:56:29,480 --> 00:56:38,389

a live alien was captured in 1948 after

1080

00:56:35,119 --> 00:56:40,670

a UFO crashed in America he refused to

1081

00:56:38,389 --> 00:56:44,509

communicate for one year and was given

1082

00:56:40,670 --> 00:56:48,619

the name EBE or extraterrestrial

1083

00:56:44,510 --> 00:56:49,460

biological entity he later began to

1084  
00:56:48,619 --> 00:56:53,059  
communicate

1085  
00:56:49,460 --> 00:56:55,250  
I gave details of his home planet EBE

1086  
00:56:53,059 --> 00:56:57,679  
had a large crystal which he linked to

1087  
00:56:55,250 --> 00:57:00,320  
his mind telepathically and was able to

1088  
00:56:57,679 --> 00:57:02,329  
communicate with his own race he was

1089  
00:57:00,320 --> 00:57:05,450  
also able to see into the past and

1090  
00:57:02,329 --> 00:57:09,500  
future and perform many other amazing

1091  
00:57:05,449 --> 00:57:12,919  
feats he told of believing in the

1092  
00:57:09,500 --> 00:57:14,809  
universe as the Supreme Being and stated

1093  
00:57:12,920 --> 00:57:17,690  
that his race lived in harmony without

1094  
00:57:14,809 --> 00:57:18,969  
Wars and had nearly eliminated all

1095  
00:57:17,690 --> 00:57:22,220  
diseases

1096  
00:57:18,969 --> 00:57:24,319  
he said they lived to approximately 800

1097  
00:57:22,219 --> 00:57:29,118  
years of age and that their technology

1098  
00:57:24,320 --> 00:57:31,190  
was far in advance of ours the

1099  
00:57:29,119 --> 00:57:34,010  
authorities were amazed by the things

1100  
00:57:31,190 --> 00:57:36,230  
they were shown through the crystal EBE

1101  
00:57:34,010 --> 00:57:37,850  
was able to communicate with huge space

1102  
00:57:36,230 --> 00:57:39,949  
ships which were holding orbital

1103  
00:57:37,849 --> 00:57:43,099  
positions thousands of miles from the

1104  
00:57:39,949 --> 00:57:44,929  
earth he told them that their crafts

1105  
00:57:43,099 --> 00:57:47,868  
were capable of reaching areas in the

1106  
00:57:44,929 --> 00:57:49,730  
universe beyond our imagination and that

1107  
00:57:47,869 --> 00:57:52,539  
they were operated by thought control

1108  
00:57:49,730 --> 00:57:54,769  
coupled to biological computers and

1109  
00:57:52,539 --> 00:57:58,579  
consequently did not have any control

1110  
00:57:54,769 --> 00:57:59,900  
systems as we understood them he talked

1111  
00:57:58,579 --> 00:58:02,119  
about his planet and how their

1112

00:57:59,900 --> 00:58:04,789  
technology had created a system where

1113  
00:58:02,119 --> 00:58:07,070  
everything was self functional it did

1114  
00:58:04,789 --> 00:58:09,440  
not require a workforce to operate it

1115  
00:58:07,070 --> 00:58:11,230  
and that everything was monitored from a

1116  
00:58:09,440 --> 00:58:14,000  
central control system

1117  
00:58:11,230 --> 00:58:16,490  
he said that technicians were present

1118  
00:58:14,000 --> 00:58:19,519  
there he said that power source was

1119  
00:58:16,489 --> 00:58:21,769  
eternal energy from the cosmos

1120  
00:58:19,519 --> 00:58:24,139  
he told them that his race didn't have a

1121  
00:58:21,769 --> 00:58:27,079  
government like earth but a society

1122  
00:58:24,139 --> 00:58:31,339  
governed by wise elders who sat in

1123  
00:58:27,079 --> 00:58:33,440  
Council to make decisions of policy they

1124  
00:58:31,340 --> 00:58:35,510  
did not have a monetary system because

1125  
00:58:33,440 --> 00:58:38,000  
the needs of the people were catered for

1126  
00:58:35,510 --> 00:58:41,870

by the Federation which made them all

1127

00:58:38,000 --> 00:58:43,610  
equal at the request of the aliens a

1128

00:58:41,869 --> 00:58:47,239  
meeting was arranged with President

1129

00:58:43,610 --> 00:58:54,039  
Eisenhower in 1954 it took place amid

1130

00:58:47,239 --> 00:58:57,049  
tight security at a secret location at

1131

00:58:54,039 --> 00:58:59,239  
this meeting negotiations took place

1132

00:58:57,050 --> 00:59:02,300  
regarding the permitted presence of the

1133

00:58:59,239 --> 00:59:04,369  
aliens on earth Eisenhower told the

1134

00:59:02,300 --> 00:59:07,090  
aliens that the world was not yet ready

1135

00:59:04,369 --> 00:59:07,089  
for them

1136

00:59:10,349 --> 00:59:14,950  
Eisenhower witnessed an alien

1137

00:59:12,568 --> 00:59:16,838  
demonstration of Technology and power at

1138

00:59:14,949 --> 00:59:18,038  
Muroc dry lake which is now called

1139

00:59:16,838 --> 00:59:20,349  
Edwards Air Force Base

1140

00:59:18,039 --> 00:59:23,140  
I believe we made a deal and the deal

1141  
00:59:20,349 --> 00:59:25,599  
was that in exchange for super

1142  
00:59:23,139 --> 00:59:27,670  
technology super weapons technology we

1143  
00:59:25,599 --> 00:59:28,630  
would agree to ignore the abductions

1144  
00:59:27,670 --> 00:59:33,608  
that were going on

1145  
00:59:28,630 --> 00:59:36,039  
he made it more military oriented than

1146  
00:59:33,608 --> 00:59:38,920  
say a civilian president would have and

1147  
00:59:36,039 --> 00:59:41,650  
it's this I think that has let his

1148  
00:59:38,920 --> 00:59:44,139  
actions let the real power of the

1149  
00:59:41,650 --> 00:59:47,680  
executive office slip through the hands

1150  
00:59:44,139 --> 00:59:49,480  
of the president into mj-12 president

1151  
00:59:47,679 --> 00:59:51,699  
the United States does not have a high

1152  
00:59:49,480 --> 00:59:54,940  
enough clearance to know the whole thing

1153  
00:59:51,699 --> 00:59:57,009  
and it's interesting to note that above

1154  
00:59:54,940 --> 00:59:59,139  
top secret there's 38 levels of

1155  
00:59:57,010 --> 01:00:01,240  
clearances Eisenhower's the last

1156  
00:59:59,139 --> 01:00:04,118  
president to have a full briefing on the

1157  
01:00:01,239 --> 01:00:05,769  
alien problem there was a disdain of

1158  
01:00:04,119 --> 01:00:07,539  
elected officials throughout the

1159  
01:00:05,769 --> 01:00:10,420  
intelligence and military communities

1160  
01:00:07,539 --> 01:00:13,420  
and they just didn't liked elected

1161  
01:00:10,420 --> 01:00:15,730  
officials so every president since then

1162  
01:00:13,420 --> 01:00:16,838  
has not had high enough clearance to

1163  
01:00:15,730 --> 01:00:18,760  
know the whole problem now they know

1164  
01:00:16,838 --> 01:00:21,278  
there's aliens they know we've recovered

1165  
01:00:18,760 --> 01:00:23,859  
saucers and they know that we're trying

1166  
01:00:21,278 --> 01:00:26,019  
to get technology but there are certain

1167  
01:00:23,858 --> 01:00:30,328  
other things which probably only about

1168  
01:00:26,019 --> 01:00:33,608  
25 people on the face of this earth know

1169

01:00:30,329 --> 01:00:36,910  
when coming down to earth it ceases to

1170  
01:00:33,608 --> 01:00:43,298  
be free space with systems to monitor

1171  
01:00:36,909 --> 01:00:46,230  
every move I happen to see flying saucer

1172  
01:00:43,298 --> 01:00:51,400  
on seven other patients on the radar I

1173  
01:00:46,230 --> 01:00:55,420  
even intercept it with four Jets in 55

1174  
01:00:51,400 --> 01:00:57,338  
and it was clear to me that the sources

1175  
01:00:55,420 --> 01:01:00,338  
we intercepted could hear what I told

1176  
01:00:57,338 --> 01:01:02,619  
the pilots because they reacted on my

1177  
01:01:00,338 --> 01:01:04,389  
instructions to the pilots it was one

1178  
01:01:02,619 --> 01:01:07,028  
day when one of my people in the radar

1179  
01:01:04,389 --> 01:01:10,298  
called me and said major I was captain

1180  
01:01:07,028 --> 01:01:13,469  
at that captain we have something on the

1181  
01:01:10,298 --> 01:01:17,889  
screen which passes with an speed of

1182  
01:01:13,469 --> 01:01:20,308  
18,000 kilometers per hour nothing could

1183  
01:01:17,889 --> 01:01:22,960

fly with that speed I went out there yes

1184

01:01:20,309 --> 01:01:27,070  
they were passing with 18,000

1185

01:01:22,960 --> 01:01:29,230  
meters km/h all the sudden after some

1186

01:01:27,070 --> 01:01:33,250  
while they did not pass anymore they

1187

01:01:29,230 --> 01:01:37,990  
were stationary around the field and

1188

01:01:33,250 --> 01:01:40,059  
they came and they left without we could

1189

01:01:37,989 --> 01:01:42,039  
see all the sudden they were they all

1190

01:01:40,059 --> 01:01:44,529  
the sudden when this weed came around

1191

01:01:42,039 --> 01:01:46,179  
they were gone I contacted the

1192

01:01:44,530 --> 01:01:48,339  
operations officer and the station

1193

01:01:46,179 --> 01:01:49,989  
command that they both came out and they

1194

01:01:48,338 --> 01:01:52,750  
wouldn't believe me I said given before

1195

01:01:49,989 --> 01:01:55,809  
aircraft and I'll intercept them ok

1196

01:01:52,750 --> 01:01:58,000  
sometimes there were about 20 objects

1197

01:01:55,809 --> 01:02:01,750  
around the field and sometimes we were

1198  
01:01:58,000 --> 01:02:04,088  
down to a few it was fog and therefore a

1199  
01:02:01,750 --> 01:02:06,760  
lot of people afterwards said oh it was

1200  
01:02:04,088 --> 01:02:08,409  
inversion but it was not it's proven

1201  
01:02:06,760 --> 01:02:11,490  
afterwards it could not be inversion

1202  
01:02:08,409 --> 01:02:15,279  
which is a mature logical phenomena

1203  
01:02:11,489 --> 01:02:17,469  
so when 11 o'clock I had four Jets at

1204  
01:02:15,280 --> 01:02:19,480  
the runway and at 11 o'clock the fog

1205  
01:02:17,469 --> 01:02:22,299  
lifted so we could take off and I

1206  
01:02:19,480 --> 01:02:24,849  
ordered the Ford gets to take off in

1207  
01:02:22,300 --> 01:02:27,160  
that moment that was 12 objects around

1208  
01:02:24,849 --> 01:02:29,200  
the field and when I said you are clear

1209  
01:02:27,159 --> 01:02:32,289  
for takeoff to intercept unidentified

1210  
01:02:29,199 --> 01:02:34,569  
flying object ten of them went away

1211  
01:02:32,289 --> 01:02:38,849  
right when the sweep came back there was

1212  
01:02:34,570 --> 01:02:41,980  
only Toulon 110 miles north of the field

1213  
01:02:38,849 --> 01:02:43,780  
115 miles south of the field I said the

1214  
01:02:41,980 --> 01:02:46,389  
two aircraft to the north and the two

1215  
01:02:43,780 --> 01:02:49,900  
aircraft of the south to a captain or

1216  
01:02:46,389 --> 01:02:52,929  
came first and I said you your bogey

1217  
01:02:49,900 --> 01:02:56,530  
which is the object is 12 o'clock

1218  
01:02:52,929 --> 01:02:58,750  
spreading from a clock distance 5 miles

1219  
01:02:56,530 --> 01:03:03,640  
altitude unknown do we have it in sight

1220  
01:02:58,750 --> 01:03:06,070  
done came the next one when it came up I

1221  
01:03:03,639 --> 01:03:08,139  
said your boogie is 12 o'clock range 5

1222  
01:03:06,070 --> 01:03:11,950  
miles altitude unknown do we have it in

1223  
01:03:08,139 --> 01:03:12,639  
sight come that's clear they could hear

1224  
01:03:11,949 --> 01:03:15,460  
what I said

1225  
01:03:12,639 --> 01:03:17,379  
but while the visitors monitor our every

1226

01:03:15,460 --> 01:03:19,780  
move with their superior technology

1227  
01:03:17,380 --> 01:03:22,780  
being technically advanced does not

1228  
01:03:19,780 --> 01:03:25,119  
always ensure their own safety this was

1229  
01:03:22,780 --> 01:03:28,119  
proved by the UFO crash in the Kalahari

1230  
01:03:25,119 --> 01:03:30,670  
Desert in 1989 one of the most

1231  
01:03:28,119 --> 01:03:33,039  
documented cases of all time referred to

1232  
01:03:30,670 --> 01:03:34,599  
a 60 foot wide spacecraft which was

1233  
01:03:33,039 --> 01:03:36,730  
forced down on the border of South

1234  
01:03:34,599 --> 01:03:38,500  
Africa this craft in

1235  
01:03:36,730 --> 01:03:41,409  
acted with the desert at high speed

1236  
01:03:38,500 --> 01:03:45,070  
causing a crater 450 feet in diameter

1237  
01:03:41,409 --> 01:03:46,599  
and 36 feet deep official military

1238  
01:03:45,070 --> 01:03:49,359  
documents revealed that the craft

1239  
01:03:46,599 --> 01:03:52,900  
entered South African airspace at 1:45

1240  
01:03:49,358 --> 01:03:55,029

p.m. on the 7th of May 1989 and was

1241  
01:03:52,900 --> 01:03:57,340  
intercepted by two Mirage jet fighters

1242  
01:03:55,030 --> 01:03:59,350  
because the craft failed to respond to

1243  
01:03:57,340 --> 01:04:01,269  
communication one of the fighters was

1244  
01:03:59,349 --> 01:04:02,949  
ordered to attack the craft with an

1245  
01:04:01,269 --> 01:04:04,900  
experimental laser cannon

1246  
01:04:02,949 --> 01:04:09,960  
this caused the craft to lose altitude

1247  
01:04:04,900 --> 01:04:12,820  
and crash after the craft was retrieved

1248  
01:04:09,960 --> 01:04:16,539  
it was removed to a secret Air Force

1249  
01:04:12,820 --> 01:04:19,059  
Base an on arrival at this base it was

1250  
01:04:16,539 --> 01:04:23,079  
found a door had partially opened in the

1251  
01:04:19,059 --> 01:04:25,090  
side of the craft hydraulic pumping gear

1252  
01:04:23,079 --> 01:04:28,690  
was brought to the scene and the door

1253  
01:04:25,090 --> 01:04:32,350  
was forced open when this was done two

1254  
01:04:28,690 --> 01:04:33,880  
aliens stuck it out of the craft and it

1255  
01:04:32,349 --> 01:04:36,219  
was found that one appeared to be

1256  
01:04:33,880 --> 01:04:39,480  
seriously injured they were immediately

1257  
01:04:36,219 --> 01:04:42,159  
arrested and removed to a medical center

1258  
01:04:39,480 --> 01:04:45,579  
where a medical team was sent in to try

1259  
01:04:42,159 --> 01:04:50,079  
to assist the authorities at the scene

1260  
01:04:45,579 --> 01:04:53,829  
entered the UFO and hieroglyphics were

1261  
01:04:50,079 --> 01:04:56,710  
found inside the machine Alien

1262  
01:04:53,829 --> 01:04:59,529  
hieroglyphics of course and various

1263  
01:04:56,710 --> 01:05:03,670  
items of electronic equipment were also

1264  
01:04:59,530 --> 01:05:05,769  
removed from the craft when the military

1265  
01:05:03,670 --> 01:05:07,960  
entered the craft they quickly removed

1266  
01:05:05,769 --> 01:05:09,608  
portable equipment and instruments some

1267  
01:05:07,960 --> 01:05:12,190  
of which were considered useful as

1268  
01:05:09,608 --> 01:05:14,380  
potential weapons this was not certain

1269  
01:05:12,190 --> 01:05:17,139  
at the time but was clarified after

1270  
01:05:14,380 --> 01:05:18,820  
scientific investigation also found

1271  
01:05:17,139 --> 01:05:21,069  
aboard the craft were a series of

1272  
01:05:18,820 --> 01:05:22,539  
hieroglyphics which indicated that the

1273  
01:05:21,070 --> 01:05:25,059  
aliens had a written form of

1274  
01:05:22,539 --> 01:05:27,849  
communication the writing gave the

1275  
01:05:25,059 --> 01:05:29,858  
impression of an alien alphabet but it

1276  
01:05:27,849 --> 01:05:31,809  
is not known if any of the scientists

1277  
01:05:29,858 --> 01:05:34,170  
present were able to understand its

1278  
01:05:31,809 --> 01:05:34,170  
meaning

1279  
01:05:35,469 --> 01:05:41,029  
data found on the craft were stored on a

1280  
01:05:38,088 --> 01:05:42,889  
system of silicone slides it was obvious

1281  
01:05:41,030 --> 01:05:44,690  
to everybody at the site that they were

1282  
01:05:42,889 --> 01:05:46,940  
dealing with the very advanced

1283

01:05:44,690 --> 01:05:50,088  
technology including the propulsion

1284  
01:05:46,940 --> 01:05:51,380  
system as more and more alien technology

1285  
01:05:50,088 --> 01:05:53,750  
comes into the possession of our

1286  
01:05:51,380 --> 01:05:55,550  
scientists more understanding is being

1287  
01:05:53,750 --> 01:05:57,920  
gained about the physics involved in

1288  
01:05:55,550 --> 01:06:01,720  
producing propulsion systems capable of

1289  
01:05:57,920 --> 01:06:01,720  
taking man deep into space

1290  
01:06:03,559 --> 01:06:08,659  
years have passed since the beginning of

1291  
01:06:05,659 --> 01:06:11,649  
the UFO era the veil of secrecy has

1292  
01:06:08,659 --> 01:06:13,899  
remained to keep the public uninformed

1293  
01:06:11,650 --> 01:06:15,829  
despite the suppression of information

1294  
01:06:13,900 --> 01:06:18,050  
millions of people throughout the world

1295  
01:06:15,829 --> 01:06:21,019  
are still seeing and reporting the

1296  
01:06:18,050 --> 01:06:23,090  
presence of UFOs in our airspace and

1297  
01:06:21,019 --> 01:06:24,400

many more millions are now firm

1298

01:06:23,090 --> 01:06:27,110  
believers in the presence of

1299

01:06:24,400 --> 01:06:31,340  
extraterrestrial flying machines they

1300

01:06:27,110 --> 01:06:32,990  
know that UFOs exist I think what has

1301

01:06:31,340 --> 01:06:36,440  
happened over the years the government

1302

01:06:32,989 --> 01:06:38,359  
has lied so much that they have painted

1303

01:06:36,440 --> 01:06:40,039  
themselves into a corner and it's almost

1304

01:06:38,360 --> 01:06:42,470  
impossible for them to tell the truth

1305

01:06:40,039 --> 01:06:44,449  
today the biggest secret in the history

1306

01:06:42,469 --> 01:06:46,789  
of mankind and the government is not

1307

01:06:44,449 --> 01:06:48,079  
going to let this out you there is no

1308

01:06:46,789 --> 01:06:52,400  
way to get anything out under the

1309

01:06:48,079 --> 01:06:55,299  
Freedom of Information Act in Russia the

1310

01:06:52,400 --> 01:06:58,099  
subject of UFOs is now out in the open

1311

01:06:55,300 --> 01:07:00,350  
marina Popovich is a retired Russian

1312  
01:06:58,099 --> 01:07:02,329  
cosmonaut and fighter pilot during her

1313  
01:07:00,349 --> 01:07:04,429  
military career she was twice awarded

1314  
01:07:02,329 --> 01:07:07,369  
her country's highest military order

1315  
01:07:04,429 --> 01:07:12,710  
hero of the Soviet Union she is now one

1316  
01:07:07,369 --> 01:07:14,630  
of Russia's leading UFO researchers 10

1317  
01:07:12,710 --> 01:07:18,019  
years ago people only made jokes about

1318  
01:07:14,630 --> 01:07:18,860  
this subject now the attitude to UFOs is

1319  
01:07:18,019 --> 01:07:22,780  
very positive

1320  
01:07:18,860 --> 01:07:25,160  
the majority 80% think there is

1321  
01:07:22,780 --> 01:07:27,110  
extraterrestrial intelligence and that

1322  
01:07:25,159 --> 01:07:30,739  
this intelligence is trying to establish

1323  
01:07:27,110 --> 01:07:32,450  
mutual contact with us now cosmonauts

1324  
01:07:30,739 --> 01:07:34,759  
and pilots are more willing to report

1325  
01:07:32,449 --> 01:07:38,480  
their contacts with UFOs when they have

1326  
01:07:34,760 --> 01:07:40,760  
taken place unlike the rest of the world

1327  
01:07:38,480 --> 01:07:43,219  
the Soviet Union has an openness about

1328  
01:07:40,760 --> 01:07:44,600  
the subject of UFOs they even have a

1329  
01:07:43,219 --> 01:07:47,469  
monthly television program devoted

1330  
01:07:44,599 --> 01:07:49,489  
entirely to it in the near future

1331  
01:07:47,469 --> 01:07:52,429  
University courses will also be

1332  
01:07:49,489 --> 01:07:54,529  
available to study the subject several

1333  
01:07:52,429 --> 01:07:57,109  
Soviet generals have already stated that

1334  
01:07:54,530 --> 01:08:02,028  
there is no question as to what UFOs are

1335  
01:07:57,110 --> 01:08:04,679  
we know they are alien spacecraft

1336  
01:08:02,028 --> 01:08:07,079  
technology has advanced rapidly over the

1337  
01:08:04,679 --> 01:08:09,929  
past 50 years for all the world to see

1338  
01:08:07,079 --> 01:08:12,809  
but in secret locations amid tight

1339  
01:08:09,929 --> 01:08:15,389  
security the true advance of technology

1340

01:08:12,809 --> 01:08:17,929  
is hidden from public knowledge from one

1341  
01:08:15,389 --> 01:08:20,548  
such location came the stealth bomber

1342  
01:08:17,929 --> 01:08:23,009  
this futuristic aircraft is the only

1343  
01:08:20,548 --> 01:08:25,548  
type known which has the ability to fly

1344  
01:08:23,009 --> 01:08:28,588  
into radar protected areas unobserved

1345  
01:08:25,548 --> 01:08:32,219  
almost without sound to perform whatever

1346  
01:08:28,588 --> 01:08:33,750  
task is necessary the technology used in

1347  
01:08:32,219 --> 01:08:35,969  
the production of the aircraft is a

1348  
01:08:33,750 --> 01:08:38,099  
giant leap forward from conventional

1349  
01:08:35,969 --> 01:08:41,469  
technology and the question has to be

1350  
01:08:38,099 --> 01:08:44,350  
asked where did it come from

1351  
01:08:41,469 --> 01:08:46,588  
at one super secret US government test

1352  
01:08:44,350 --> 01:08:49,298  
facilities situated in the Nevada desert

1353  
01:08:46,588 --> 01:08:51,939  
strange glowing lights are regularly

1354  
01:08:49,298 --> 01:08:53,859

seen performing aerobatic displays which

1355

01:08:51,939 --> 01:08:56,079

are far beyond the capability of our

1356

01:08:53,859 --> 01:08:58,900

known aircraft they seem to be

1357

01:08:56,079 --> 01:09:00,789

intelligently controlled can this be yet

1358

01:08:58,899 --> 01:09:02,948

another example of some secret very

1359

01:09:00,789 --> 01:09:04,988

advanced technology or are the

1360

01:09:02,948 --> 01:09:07,778

authorities hiding some exotic foreign

1361

01:09:04,988 --> 01:09:10,358

contrivance here at area 51

1362

01:09:07,779 --> 01:09:12,910

also known as dreamland is the most

1363

01:09:10,359 --> 01:09:15,880

highly protected and secret facility in

1364

01:09:12,909 --> 01:09:18,818

the whole of the United States Bob Lazar

1365

01:09:15,880 --> 01:09:20,980

a physicist worked on special projects

1366

01:09:18,819 --> 01:09:23,850

within this complex and felt compelled

1367

01:09:20,979 --> 01:09:27,250

to reveal what he saw they are actively

1368

01:09:23,850 --> 01:09:29,819

and have in their possession

1369  
01:09:27,250 --> 01:09:34,619  
alien spacecraft and they are actively

1370  
01:09:29,819 --> 01:09:34,620  
undergoing analysis and flying them

1371  
01:09:36,048 --> 01:09:44,439  
they set up and produce their own

1372  
01:09:40,009 --> 01:09:47,838  
gravitational field just as the earth

1373  
01:09:44,439 --> 01:09:50,238  
holds all matter down they produce that

1374  
01:09:47,838 --> 01:09:55,340  
same field but out of phase and it

1375  
01:09:50,238 --> 01:09:59,029  
repels itself the effects that can cause

1376  
01:09:55,340 --> 01:10:02,420  
the way in which everything operates is

1377  
01:09:59,029 --> 01:10:05,658  
is by all intensive purposes magic I

1378  
01:10:02,420 --> 01:10:08,960  
mean it is so far beyond our level of

1379  
01:10:05,658 --> 01:10:11,689  
Technology why is such technology

1380  
01:10:08,960 --> 01:10:14,179  
available only to the few and not to the

1381  
01:10:11,689 --> 01:10:17,598  
whole of mankind have we the right to

1382  
01:10:14,179 --> 01:10:19,639  
know are we ready for it yet or is the

1383  
01:10:17,599 --> 01:10:23,270  
race for technological advantage more

1384  
01:10:19,639 --> 01:10:24,559  
important why keep a secret about

1385  
01:10:23,270 --> 01:10:26,260  
probably one of the most important

1386  
01:10:24,559 --> 01:10:29,840  
events in history that there's been

1387  
01:10:26,260 --> 01:10:32,239  
contact from an alien civilization it's

1388  
01:10:29,840 --> 01:10:37,849  
a significant event in history more

1389  
01:10:32,238 --> 01:10:40,549  
significant than anything with the

1390  
01:10:37,849 --> 01:10:42,828  
tremendous distances involved travel to

1391  
01:10:40,550 --> 01:10:45,230  
the stars would seem impossible but with

1392  
01:10:42,828 --> 01:10:47,299  
man's endeavor and resourcefulness these

1393  
01:10:45,229 --> 01:10:48,879  
problems will be overcome as they always

1394  
01:10:47,300 --> 01:10:51,050  
have been in the past

1395  
01:10:48,880 --> 01:10:52,670  
scientific estimates tell us that there

1396  
01:10:51,050 --> 01:10:54,949  
will be a breakthrough in space travel

1397

01:10:52,670 --> 01:10:57,500  
in the near future when the boundaries

1398  
01:10:54,948 --> 01:11:02,078  
of distance break down the earth will

1399  
01:10:57,500 --> 01:11:02,078  
become our home the universe our world

1400  
01:11:08,840 --> 01:11:14,640  
energy is the lifeblood of civilized

1401  
01:11:11,520 --> 01:11:17,970  
society but it's also a tool that has to

1402  
01:11:14,640 --> 01:11:20,670  
be controlled they are flying on what we

1403  
01:11:17,970 --> 01:11:23,820  
call free energy they take it out of

1404  
01:11:20,670 --> 01:11:26,069  
customers and fly on it and you could do

1405  
01:11:23,819 --> 01:11:28,170  
the same with your boat your car your

1406  
01:11:26,069 --> 01:11:30,599  
machinery everything on earth could be

1407  
01:11:28,170 --> 01:11:32,699  
completely free do you think that the

1408  
01:11:30,600 --> 01:11:35,220  
all components and the coal companies

1409  
01:11:32,699 --> 01:11:40,769  
and the atomic and so on and so forth

1410  
01:11:35,220 --> 01:11:42,869  
would accept despite our problems we

1411  
01:11:40,770 --> 01:11:46,200

have gained a new conception of cosmic

1412

01:11:42,869 --> 01:11:47,550

energy perhaps all the technologies

1413

01:11:46,199 --> 01:11:51,840

which are being put together at this

1414

01:11:47,550 --> 01:11:53,430

moment in time are catching up on our

1415

01:11:51,840 --> 01:11:56,159

alien friends which I'm very very much

1416

01:11:53,430 --> 01:11:59,600

doubt but I'm sure that is the reason

1417

01:11:56,159 --> 01:12:03,149

this technology is being put together

1418

01:11:59,600 --> 01:12:04,850

you've got to realize that things are

1419

01:12:03,149 --> 01:12:07,409

not always as they seem

1420

01:12:04,850 --> 01:12:09,780

and once we can get out of this thinking

1421

01:12:07,409 --> 01:12:11,849

out of this box we're in that there is

1422

01:12:09,779 --> 01:12:13,619

something more than what we are being

1423

01:12:11,850 --> 01:12:15,900

taught what we have learnt

1424

01:12:13,619 --> 01:12:20,269

there are things outside the scope of

1425

01:12:15,899 --> 01:12:24,420

this then I think you'll begin to see

1426  
01:12:20,270 --> 01:12:26,970  
the potential for people from out there

1427  
01:12:24,420 --> 01:12:28,619  
visiting us and I'm not just now not

1428  
01:12:26,970 --> 01:12:31,310  
newly visiting but I've been visitors

1429  
01:12:28,619 --> 01:12:31,309  
for hundreds of years

1430  
01:12:31,770 --> 01:12:37,930  
our presence within your solar system is

1431  
01:12:35,289 --> 01:12:40,000  
to observe the evolutionary progress an

1432  
01:12:37,930 --> 01:12:43,170  
environmental change is occurring not

1433  
01:12:40,000 --> 01:12:45,880  
only to your planet but to its people

1434  
01:12:43,170 --> 01:12:47,920  
using a special observational technique

1435  
01:12:45,880 --> 01:12:50,650  
enables us to foresee potential

1436  
01:12:47,920 --> 01:12:52,899  
difficulties which may arise and if

1437  
01:12:50,649 --> 01:12:56,349  
necessary give you advice on the course

1438  
01:12:52,899 --> 01:12:58,929  
of action you need to overcome it to

1439  
01:12:56,350 --> 01:13:02,410  
achieve these aims we employ the use of

1440  
01:12:58,930 --> 01:13:04,539  
many types of monitoring equipment each

1441  
01:13:02,409 --> 01:13:08,559  
with the responsibility for a different

1442  
01:13:04,539 --> 01:13:11,649  
area of scientific investigation our use

1443  
01:13:08,560 --> 01:13:13,630  
of telemeter discs of all sizes as

1444  
01:13:11,649 --> 01:13:17,259  
remote controlled sophisticated

1445  
01:13:13,630 --> 01:13:20,500  
recording and analyzing vehicles is one

1446  
01:13:17,260 --> 01:13:22,510  
of the many types of drones we observe

1447  
01:13:20,500 --> 01:13:25,210  
every aspect of your world and its

1448  
01:13:22,510 --> 01:13:28,180  
inhabitants from the environmental

1449  
01:13:25,210 --> 01:13:30,399  
changes and pollution levels to the

1450  
01:13:28,180 --> 01:13:34,840  
microbiological disease potential of

1451  
01:13:30,399 --> 01:13:37,739  
mankind our techniques also enable us to

1452  
01:13:34,840 --> 01:13:40,420  
record and analyze thought patterns and

1453  
01:13:37,739 --> 01:13:44,079  
therefore anticipate man the course of

1454

01:13:40,420 --> 01:13:45,909  
action before it is taken there is

1455  
01:13:44,079 --> 01:13:50,289  
nothing about your world and its people

1456  
01:13:45,909 --> 01:13:54,899  
we are not aware of in the last few

1457  
01:13:50,289 --> 01:13:58,300  
years there is an evolution in the whole

1458  
01:13:54,899 --> 01:14:03,789  
extraterrestrial problem in evolution so

1459  
01:13:58,300 --> 01:14:08,199  
far that the sightings and the

1460  
01:14:03,789 --> 01:14:12,640  
encounters become more concrete we

1461  
01:14:08,199 --> 01:14:15,369  
accumulate more and more cases where we

1462  
01:14:12,640 --> 01:14:16,750  
get more and more information more

1463  
01:14:15,369 --> 01:14:20,680  
information is released by the

1464  
01:14:16,750 --> 01:14:24,760  
governments we know now that there was a

1465  
01:14:20,680 --> 01:14:26,260  
cover-up for so many years we have

1466  
01:14:24,760 --> 01:14:28,680  
always speculated about this cover-up

1467  
01:14:26,260 --> 01:14:32,500  
now we have proofs you know that the

1468  
01:14:28,680 --> 01:14:34,810

secret services not only in the United

1469

01:14:32,500 --> 01:14:40,710

States but in other countries have

1470

01:14:34,810 --> 01:14:43,459

really fooled the public and very likely

1471

01:14:40,710 --> 01:14:49,189

extraterrestrial visitors

1472

01:14:43,458 --> 01:14:52,849

know about this plot and it is not

1473

01:14:49,189 --> 01:14:55,150

surprising that in the last years more

1474

01:14:52,849 --> 01:14:58,208

concrete information is released

1475

01:14:55,149 --> 01:15:01,339

probably this may be a preparation for

1476

01:14:58,208 --> 01:15:03,948

official contact perhaps it's in the

1477

01:15:01,340 --> 01:15:06,469

interest of extraterrestrials to

1478

01:15:03,948 --> 01:15:11,988

establish contact because humankind

1479

01:15:06,469 --> 01:15:16,479

isn't a very difficult position this

1480

01:15:11,988 --> 01:15:18,708

does not imply that we must depend on

1481

01:15:16,479 --> 01:15:21,130

extraterrestrials to save our planets we

1482

01:15:18,708 --> 01:15:26,139

have to do it ourselves but nevertheless

1483  
01:15:21,130 --> 01:15:28,909  
we are in a phase a phase where we

1484  
01:15:26,139 --> 01:15:32,538  
possibly take the next evolutionary step

1485  
01:15:28,908 --> 01:15:36,978  
a step that is so important because it

1486  
01:15:32,538 --> 01:15:39,969  
will decide whether we will survive or

1487  
01:15:36,979 --> 01:15:39,969  
simply vanish

1488  
01:15:40,930 --> 01:15:48,970  
a circular shiny object passes in flight

1489  
01:15:45,340 --> 01:15:52,140  
you think to yourself so the stories are

1490  
01:15:48,970 --> 01:15:58,150  
true what should we do

1491  
01:15:52,140 --> 01:16:03,280  
I'm absolutely convinced that there is a

1492  
01:15:58,149 --> 01:16:07,149  
mutual origin of humankind of human

1493  
01:16:03,279 --> 01:16:13,300  
beings and some of the extraterrestrials

1494  
01:16:07,149 --> 01:16:18,119  
which come and visit I have various

1495  
01:16:13,300 --> 01:16:20,800  
reasons to maintain this point of view

1496  
01:16:18,119 --> 01:16:23,019  
there is a good extraterrestrials which

1497  
01:16:20,800 --> 01:16:26,380  
are really identical with human beings

1498  
01:16:23,020 --> 01:16:30,040  
in their size and physical look and

1499  
01:16:26,380 --> 01:16:34,560  
their physical makeup if we take the

1500  
01:16:30,039 --> 01:16:37,659  
reports of witnesses seriously and I do

1501  
01:16:34,560 --> 01:16:41,830  
there are quite a number of cases where

1502  
01:16:37,659 --> 01:16:44,470  
these extraterrestrial visitors every

1503  
01:16:41,829 --> 01:16:46,659  
may have made remarks confirming this

1504  
01:16:44,470 --> 01:16:49,810  
point of view they do not officially

1505  
01:16:46,659 --> 01:16:52,920  
land in Washington or in most Moscow and

1506  
01:16:49,810 --> 01:16:56,470  
London but they are simply seen rather

1507  
01:16:52,920 --> 01:16:59,949  
unobtrusively in such a way that the

1508  
01:16:56,470 --> 01:17:03,130  
media is arguing constantly whether you

1509  
01:16:59,949 --> 01:17:05,079  
was exist or do not exist we know that

1510  
01:17:03,130 --> 01:17:08,109  
they do exist at least a small nucleus

1511

01:17:05,079 --> 01:17:10,779  
and whatever the intentions are I'm sure

1512  
01:17:08,109 --> 01:17:13,659  
there is a development in the last few

1513  
01:17:10,779 --> 01:17:15,809  
years they do not belong until you find

1514  
01:17:13,659 --> 01:17:15,809  
out

1515  
01:17:20,020 --> 01:17:24,530  
other spaceships announcing their

1516  
01:17:22,609 --> 01:17:28,639  
presence by leaving their footprints in

1517  
01:17:24,529 --> 01:17:30,649  
the cornfields if so how the cornfields

1518  
01:17:28,640 --> 01:17:34,610  
of England home of the amazing

1519  
01:17:30,649 --> 01:17:37,039  
phenomenon known as pictograms in 1990

1520  
01:17:34,609 --> 01:17:39,559  
1200 complex symbols appeared in

1521  
01:17:37,039 --> 01:17:42,050  
southern England some showed a

1522  
01:17:39,560 --> 01:17:45,110  
remarkable resemblance to carvings found

1523  
01:17:42,050 --> 01:17:46,720  
on ancient monuments one opinion is that

1524  
01:17:45,109 --> 01:17:49,639  
they are a message from spacecraft

1525  
01:17:46,720 --> 01:17:52,159

another is that it is energy coming from

1526

01:17:49,640 --> 01:17:55,490

the ground reacting with energy from

1527

01:17:52,159 --> 01:17:57,769

space all agree it is intelligently

1528

01:17:55,489 --> 01:18:01,579

created and possibly connected to the

1529

01:17:57,770 --> 01:18:03,140

nearby stone megaliths the pyramids one

1530

01:18:01,579 --> 01:18:05,710

of the eight wonders of the world are

1531

01:18:03,140 --> 01:18:08,539

monuments to a forgotten civilization

1532

01:18:05,710 --> 01:18:11,119

but how did they achieve such feats of

1533

01:18:08,539 --> 01:18:14,090

engineering and why are there identical

1534

01:18:11,119 --> 01:18:15,380

structures on Mars it is said that the

1535

01:18:14,090 --> 01:18:17,060

pyramids were built by another

1536

01:18:15,380 --> 01:18:19,460

civilization for the purpose of

1537

01:18:17,060 --> 01:18:23,330

containing energy devices to exchange

1538

01:18:19,460 --> 01:18:25,939

cosmic energy the pyramids acted as a

1539

01:18:23,329 --> 01:18:27,890

focusing device to focus energy on the

1540  
01:18:25,939 --> 01:18:31,099  
planet of the zenith which is in exact

1541  
01:18:27,890 --> 01:18:32,990  
alignment with the Pleiades some people

1542  
01:18:31,100 --> 01:18:34,789  
have had contact with beings from the

1543  
01:18:32,989 --> 01:18:38,000  
Pleiades who told them that they were

1544  
01:18:34,789 --> 01:18:40,850  
here to help us when asked why do you

1545  
01:18:38,000 --> 01:18:42,800  
help us they said I would like to tell

1546  
01:18:40,850 --> 01:18:44,390  
you about the importance of cosmic law

1547  
01:18:42,800 --> 01:18:47,900  
to live by it

1548  
01:18:44,390 --> 01:18:49,700  
not to neglect it the greatest gift

1549  
01:18:47,899 --> 01:18:53,929  
yourself is to understand yourself

1550  
01:18:49,699 --> 01:18:56,210  
through cosmic law in our world we give

1551  
01:18:53,930 --> 01:18:59,180  
our children this understanding so that

1552  
01:18:56,210 --> 01:19:01,550  
they will have a richer life we come

1553  
01:18:59,180 --> 01:19:03,829  
from throughout the whole universe and

1554  
01:19:01,550 --> 01:19:06,860  
we will reveal ourselves to you more and

1555  
01:19:03,829 --> 01:19:10,609  
more until you come to understand the

1556  
01:19:06,859 --> 01:19:14,389  
universal language my first encounter I

1557  
01:19:10,609 --> 01:19:17,059  
was determined it took me the rest of my

1558  
01:19:14,390 --> 01:19:19,460  
life I was going to find out that day

1559  
01:19:17,060 --> 01:19:21,320  
what I had seen that day and I have

1560  
01:19:19,460 --> 01:19:26,689  
never let up from that moment in time

1561  
01:19:21,319 --> 01:19:28,908  
and it has been worth every minute and

1562  
01:19:26,689 --> 01:19:30,948  
all the money I spent on it

1563  
01:19:28,908 --> 01:19:34,729  
because now I am the far wiser person

1564  
01:19:30,948 --> 01:19:36,500  
than I was when I started I know things

1565  
01:19:34,729 --> 01:19:39,399  
now which I would have never known that

1566  
01:19:36,500 --> 01:19:43,100  
I not got involved in this thing that

1567  
01:19:39,399 --> 01:19:48,229  
there is a far higher force out there

1568

01:19:43,100 --> 01:19:52,909  
operating and we could ever conceive and

1569  
01:19:48,229 --> 01:19:56,678  
that there here amongst us they come and

1570  
01:19:52,908 --> 01:20:01,069  
go as they wish they are watching us

1571  
01:19:56,679 --> 01:20:05,829  
guiding us and directing the direction

1572  
01:20:01,069 --> 01:20:05,829  
we go in that there is no doubt

1573  
01:20:09,369 --> 01:20:14,149  
Elizabeth Clara is one of the most

1574  
01:20:11,840 --> 01:20:16,819  
important alien contact cases of all

1575  
01:20:14,149 --> 01:20:19,839  
time she was born in South Africa in

1576  
01:20:16,819 --> 01:20:24,500  
1910 and is a woman of great wisdom

1577  
01:20:19,840 --> 01:20:27,409  
between the years 1954 and 1963 she had

1578  
01:20:24,500 --> 01:20:30,020  
many meetings with another race one man

1579  
01:20:27,409 --> 01:20:32,300  
whom she called a corn told her that he

1580  
01:20:30,020 --> 01:20:33,989  
was from the solar system of Proxima

1581  
01:20:32,300 --> 01:20:36,119  
Centauri

1582  
01:20:33,988 --> 01:20:38,729

she developed a deep friendship without

1583

01:20:36,119 --> 01:20:41,789

Khan he took her on a four-month visit

1584

01:20:38,729 --> 01:20:44,939

to his home planet of meat on 4.3 light

1585

01:20:41,789 --> 01:20:48,269

years from Earth meat on is a world with

1586

01:20:44,939 --> 01:20:50,369

two suns she was told that space was a

1587

01:20:48,270 --> 01:20:53,310

big laboratory and was given great

1588

01:20:50,369 --> 01:20:55,050

knowledge about the universe she

1589

01:20:53,310 --> 01:20:57,510

understood the structure of the cosmos

1590

01:20:55,050 --> 01:20:59,789

and the laws of light frequencies

1591

01:20:57,510 --> 01:21:02,280

immediately and as requested

1592

01:20:59,789 --> 01:21:05,579

she passed her knowledge to science when

1593

01:21:02,279 --> 01:21:07,800

it was of great benefit she later went

1594

01:21:05,579 --> 01:21:09,569

on lecture tours and wrote a book where

1595

01:21:07,800 --> 01:21:11,880

she shares her insight into the

1596

01:21:09,569 --> 01:21:13,710

structure of the universe and passed on

1597  
01:21:11,880 --> 01:21:14,909  
highly valuable scientific information

1598  
01:21:13,710 --> 01:21:19,260  
to the world

1599  
01:21:14,909 --> 01:21:21,479  
she said the road to the Stars unfolds

1600  
01:21:19,260 --> 01:21:24,600  
within a spaceship of great beauty and

1601  
01:21:21,479 --> 01:21:27,809  
simplicity generating her light from the

1602  
01:21:24,600 --> 01:21:31,590  
cosmic plasma of eternity never forgery

1603  
01:21:27,810 --> 01:21:34,110  
always alive and pulsating shaped like a

1604  
01:21:31,590 --> 01:21:38,190  
galaxy with a halo surrounding her and

1605  
01:21:34,109 --> 01:21:39,750  
the shock wave Chloe we are embarking on

1606  
01:21:38,189 --> 01:21:43,019  
a dialogue for which a common language

1607  
01:21:39,750 --> 01:21:45,420  
has yet to be created which when in full

1608  
01:21:43,020 --> 01:21:48,300  
swing will pose questions we have never

1609  
01:21:45,420 --> 01:21:52,230  
ever envisioned not even in our wildest

1610  
01:21:48,300 --> 01:21:54,350  
dreams surely there is life elsewhere

1611  
01:21:52,229 --> 01:21:56,549  
and therefore an extraterrestrial

1612  
01:21:54,350 --> 01:21:59,520  
civilization to which we stretch out our

1613  
01:21:56,550 --> 01:22:01,619  
hand evermore whose attention we wish to

1614  
01:21:59,520 --> 01:22:04,980  
attract and with whom we wish to make

1615  
01:22:01,619 --> 01:22:07,079  
contact I am convinced that we shall be

1616  
01:22:04,979 --> 01:22:09,750  
able to make contact on a broad basis

1617  
01:22:07,079 --> 01:22:12,930  
after all there are already very many

1618  
01:22:09,750 --> 01:22:15,090  
who have and this contact between people

1619  
01:22:12,930 --> 01:22:17,480  
is just as important as that with the

1620  
01:22:15,090 --> 01:22:17,480  
universe

1621  
01:22:18,369 --> 01:22:23,019  
on her many journeys into space

1622  
01:22:20,920 --> 01:22:25,420  
Elizabeth Clara learned that alkanes

1623  
01:22:23,020 --> 01:22:27,580  
race lives in harmony of body and mind

1624  
01:22:25,420 --> 01:22:29,949  
which is the foundation of healthy

1625

01:22:27,579 --> 01:22:33,159  
existence and responsible for the

1626  
01:22:29,949 --> 01:22:35,829  
elimination of disease they know that

1627  
01:22:33,159 --> 01:22:39,819  
most diseases are caused by emotional or

1628  
01:22:35,829 --> 01:22:42,100  
psychological stress Arkin told her that

1629  
01:22:39,819 --> 01:22:45,489  
all cosmic neighbors looked at our world

1630  
01:22:42,100 --> 01:22:47,440  
with watchful eyes they see that the

1631  
01:22:45,489 --> 01:22:49,300  
natural world is dying through the

1632  
01:22:47,439 --> 01:22:52,299  
imbalance which we are creating in

1633  
01:22:49,300 --> 01:22:56,820  
nature reducing the resources we live on

1634  
01:22:52,300 --> 01:22:56,820  
and they are out there waiting to help

1635  
01:22:59,039 --> 01:23:03,630  
we're asked why they didn't come more

1636  
01:23:01,140 --> 01:23:05,490  
often they said to come here we have to

1637  
01:23:03,630 --> 01:23:09,949  
make many kinds of adjustments to the

1638  
01:23:05,489 --> 01:23:09,949  
body because we are uncontaminated

1639  
01:23:14,390 --> 01:23:20,180

this spacecraft was seen coming out of

1640

01:23:17,300 --> 01:23:22,159

the sea near the Canary Islands UFOs

1641

01:23:20,180 --> 01:23:24,860

have been repeatedly seen rising out of

1642

01:23:22,159 --> 01:23:26,779

the water throughout the world it is

1643

01:23:24,859 --> 01:23:28,399

known that they are using their advanced

1644

01:23:26,779 --> 01:23:30,639

systems to help the world to

1645

01:23:28,399 --> 01:23:33,619

decontaminate areas of high pollution

1646

01:23:30,640 --> 01:23:35,810

for instance green fireballs are

1647

01:23:33,619 --> 01:23:39,109

appearing in areas of high radioactivity

1648

01:23:35,810 --> 01:23:41,600

for the purpose of neutralization many

1649

01:23:39,109 --> 01:23:43,729

contact these are told that help for the

1650

01:23:41,600 --> 01:23:47,090

earth by our alien friends is allowed

1651

01:23:43,729 --> 01:23:50,509

but only to a certain extent because

1652

01:23:47,090 --> 01:23:52,670

they cannot interfere since we all have

1653

01:23:50,510 --> 01:23:57,070

a free will

1654  
01:23:52,670 --> 01:23:57,069  
this is a cosmic law

1655  
01:24:01,039 --> 01:24:06,569  
life in our own planet is different to

1656  
01:24:03,960 --> 01:24:08,730  
what you experience on earth we have

1657  
01:24:06,569 --> 01:24:12,329  
long overcome the negative aspects of

1658  
01:24:08,729 --> 01:24:14,429  
aggression jealousy and power although

1659  
01:24:12,329 --> 01:24:17,550  
we are very advanced by your standards

1660  
01:24:14,430 --> 01:24:18,869  
we lead a simple life of love mutual

1661  
01:24:17,550 --> 01:24:20,970  
respect and harmony

1662  
01:24:18,869 --> 01:24:23,609  
she integrating with each other in a

1663  
01:24:20,970 --> 01:24:26,640  
like manner conforming to the cosmic law

1664  
01:24:23,609 --> 01:24:29,399  
of mutual harmony

1665  
01:24:26,640 --> 01:24:32,250  
our family unit is the integration of

1666  
01:24:29,399 --> 01:24:35,538  
like souls which is a form of higher

1667  
01:24:32,250 --> 01:24:38,118  
love beyond your comprehension

1668  
01:24:35,538 --> 01:24:40,460  
children are born of these family units

1669  
01:24:38,118 --> 01:24:44,268  
to evolve into even higher levels of

1670  
01:24:40,460 --> 01:24:47,469  
understanding partners are not tied to

1671  
01:24:44,269 --> 01:24:50,480  
each other as with your earthly rules

1672  
01:24:47,469 --> 01:24:53,319  
the merging of auras of the twin souls

1673  
01:24:50,479 --> 01:24:58,459  
is a bond of such love and understanding

1674  
01:24:53,319 --> 01:25:02,299  
that rules are not necessary we do not

1675  
01:24:58,460 --> 01:25:05,179  
have rules as you understand them law is

1676  
01:25:02,300 --> 01:25:08,960  
a code of conduct we do not require a

1677  
01:25:05,179 --> 01:25:12,078  
code of conduct as you perceive it age

1678  
01:25:08,960 --> 01:25:14,420  
is of no consequence to us we merely

1679  
01:25:12,078 --> 01:25:17,630  
exist in this bond for a term of many

1680  
01:25:14,420 --> 01:25:21,529  
times your lifespan and are then reborn

1681  
01:25:17,630 --> 01:25:24,699  
to a higher level our harmony with our

1682

01:25:21,529 --> 01:25:26,988  
environmental surrounding is absolute

1683  
01:25:24,698 --> 01:25:29,238  
Elizabeth Clara was brought to our

1684  
01:25:26,988 --> 01:25:30,888  
planet by Archon as a step towards

1685  
01:25:29,238 --> 01:25:33,379  
bringing understanding to your race

1686  
01:25:30,889 --> 01:25:37,099  
regarding the life and ways of cosmic

1687  
01:25:33,380 --> 01:25:38,900  
neighbors the mutual love which existed

1688  
01:25:37,099 --> 01:25:41,510  
between them was a natural harmony of

1689  
01:25:38,899 --> 01:25:43,189  
souls Archon could not have lived

1690  
01:25:41,510 --> 01:25:47,090  
permanently on your earth because of

1691  
01:25:43,189 --> 01:25:49,848  
your contamination our recreation is

1692  
01:25:47,090 --> 01:25:51,650  
very different from that on earth we do

1693  
01:25:49,849 --> 01:25:53,840  
not have sports of violent physical

1694  
01:25:51,649 --> 01:25:57,558  
contact and do not participate in

1695  
01:25:53,840 --> 01:25:59,800  
anything which creates rivalry one great

1696  
01:25:57,559 --> 01:26:02,989

enjoyment is to use our brainpower

1697

01:25:59,800 --> 01:26:06,079

either singly jointly against what you

1698

01:26:02,988 --> 01:26:09,288

would call computers our music is a

1699

01:26:06,078 --> 01:26:12,809

combination of vibrations colors aromas

1700

01:26:09,288 --> 01:26:20,579

and visual effects but unlike yours

1701

01:26:12,810 --> 01:26:22,230

it is have a meditational nature there

1702

01:26:20,579 --> 01:26:25,019

was no easy way of finding an answer to

1703

01:26:22,229 --> 01:26:27,979

something like this but it seemed to me

1704

01:26:25,020 --> 01:26:30,450

that things naturally came my way I

1705

01:26:27,979 --> 01:26:31,619

started to receive report from people as

1706

01:26:30,449 --> 01:26:34,159

it became known I was interested

1707

01:26:31,619 --> 01:26:36,930

interested in this subject I received

1708

01:26:34,159 --> 01:26:40,319

reports in growing numbers until I was

1709

01:26:36,930 --> 01:26:43,440

receiving reports in hundreds and then

1710

01:26:40,319 --> 01:26:45,659

the the net spread and it wasn't to a

1711  
01:26:43,439 --> 01:26:48,389  
local area and then it went to the whole

1712  
01:26:45,659 --> 01:26:51,809  
of England and then slowly but surely it

1713  
01:26:48,390 --> 01:26:54,030  
spread until the world came in and

1714  
01:26:51,810 --> 01:26:58,670  
information was being fed from many many

1715  
01:26:54,029 --> 01:27:05,359  
directions and many many people helped

1716  
01:26:58,670 --> 01:27:10,980  
and as this information grew and grew

1717  
01:27:05,359 --> 01:27:13,339  
the fact that the were solid objects and

1718  
01:27:10,979 --> 01:27:17,279  
other type of objects flying out there

1719  
01:27:13,340 --> 01:27:21,210  
there were other intelligences became

1720  
01:27:17,279 --> 01:27:24,059  
very very real there is a wealth of

1721  
01:27:21,210 --> 01:27:29,100  
information documented in other wise now

1722  
01:27:24,060 --> 01:27:31,440  
of the real existence of these entities

1723  
01:27:29,100 --> 01:27:36,420  
aliens whatever you wish to put the name

1724  
01:27:31,439 --> 01:27:39,119  
on them the problem is in our society

1725  
01:27:36,420 --> 01:27:44,310  
there has been a very very well

1726  
01:27:39,119 --> 01:27:47,880  
orchestrated or a ridicule imposed on

1727  
01:27:44,310 --> 01:27:50,340  
society so that people who were see in

1728  
01:27:47,880 --> 01:27:53,699  
these objects were afraid to report them

1729  
01:27:50,340 --> 01:27:56,489  
for fear of ridicule people in positions

1730  
01:27:53,699 --> 01:27:59,220  
of responsibility saw these things and

1731  
01:27:56,489 --> 01:28:01,349  
many have spoken to me but they always

1732  
01:27:59,220 --> 01:28:04,619  
speak to no stones behind closed doors

1733  
01:28:01,350 --> 01:28:06,690  
and when you ask them why they say well

1734  
01:28:04,619 --> 01:28:09,779  
if I was to make this public what I have

1735  
01:28:06,689 --> 01:28:13,139  
seen I would lose my job this is the

1736  
01:28:09,779 --> 01:28:17,130  
syndrome which is been among among

1737  
01:28:13,140 --> 01:28:19,940  
society for many many years there are

1738  
01:28:17,130 --> 01:28:22,350  
more people all the time coming forward

1739

01:28:19,939 --> 01:28:25,279  
we're beginning to break this mould of

1740  
01:28:22,350 --> 01:28:25,280  
ridicule and

1741  
01:28:25,710 --> 01:28:30,779  
the reports are coming from all manner

1742  
01:28:28,470 --> 01:28:33,900  
of people I've had them from doctors and

1743  
01:28:30,779 --> 01:28:37,829  
pilots from military personnel you name

1744  
01:28:33,899 --> 01:28:39,689  
it I've had it from them and there we

1745  
01:28:37,829 --> 01:28:43,559  
it's like a snowball it's gathering

1746  
01:28:39,689 --> 01:28:46,379  
momentum it's covering size and it will

1747  
01:28:43,560 --> 01:28:50,190  
not be long before all the population

1748  
01:28:46,380 --> 01:28:53,130  
realizes that these are out there we are

1749  
01:28:50,189 --> 01:28:55,849  
not the only people here and when the

1750  
01:28:53,130 --> 01:28:58,289  
realization of this comes to the front

1751  
01:28:55,850 --> 01:29:02,240  
then I feel that we will all be lifted

1752  
01:28:58,289 --> 01:29:02,239  
on a higher level spiritually

1753  
01:29:06,929 --> 01:29:13,658

man is beginning to respect the universe

1754

01:29:10,118 --> 01:29:17,338

and the laws of the cosmos therefore he

1755

01:29:13,658 --> 01:29:17,338

will learn a great deal faster
