

1
00:01:35,109 --> 00:01:38,109
and

2
00:02:21,189 --> 00:02:25,460
hi there

3
00:02:22,610 --> 00:02:29,480
the documentary near about to watch was

4
00:02:25,460 --> 00:02:32,680
filmed 25 years ago in 1977 the city of

5
00:02:29,479 --> 00:02:36,139
Perth Western Australia it was written

6
00:02:32,680 --> 00:02:39,010
film produced by guy Baskin British

7
00:02:36,139 --> 00:02:40,909
producer went down to Australian

8
00:02:39,009 --> 00:02:43,909
collected his crew and then flew around

9
00:02:40,909 --> 00:02:46,669
the world to make him the copy you have

10
00:02:43,909 --> 00:02:48,799
is an archive company because all of the

11
00:02:46,669 --> 00:02:50,629
Masters of this show have been destroyed

12
00:02:48,800 --> 00:02:54,469
in various house cleanings that the

13
00:02:50,629 --> 00:02:57,109
channel lasted five years and when we're

14
00:02:54,469 --> 00:02:58,969
because one copy survived Gemini has

15
00:02:57,110 --> 00:03:01,040
given us very kindly the permission to

16
00:02:58,969 --> 00:03:02,659
reproduce this archive for you folks

17
00:03:01,039 --> 00:03:04,579
that have the cosmic conspiracy book

18
00:03:02,659 --> 00:03:09,020
that's why you have this DVD in your

19
00:03:04,580 --> 00:03:11,990
possession the documentary was

20
00:03:09,020 --> 00:03:15,409
originally filmed the first power of it

21
00:03:11,990 --> 00:03:17,659
without me and I was brought into this

22
00:03:15,409 --> 00:03:20,449
by a very peculiar circumstance which

23
00:03:17,659 --> 00:03:23,709
occurred there in Perth a few weeks

24
00:03:20,449 --> 00:03:27,439
before this a bunch of air I was

25
00:03:23,709 --> 00:03:28,879
cleaning house and getting rid of stuff

26
00:03:27,439 --> 00:03:33,139
for spring cleaning and there was a

27
00:03:28,879 --> 00:03:34,609
wooden clothes wardrobe in Australia

28
00:03:33,139 --> 00:03:36,889
they don't have closets as much as I

29

00:03:34,610 --> 00:03:38,690
have wooden clothes hangers you know

30
00:03:36,889 --> 00:03:40,909
boxes in the nice decorative pieces that

31
00:03:38,689 --> 00:03:42,789
go to bedroom and I had too many of

32
00:03:40,909 --> 00:03:45,818
those old house that I was renting

33
00:03:42,789 --> 00:03:48,219
and they were kind of important places

34
00:03:45,818 --> 00:03:49,988
so I want to take it to the garbage dump

35
00:03:48,219 --> 00:03:53,799
or the rubbish tip as they call it in

36
00:03:49,989 --> 00:03:55,628
Australia so I got the car the station

37
00:03:53,799 --> 00:03:57,519
wagon shove this long tall closed

38
00:03:55,628 --> 00:04:00,878
wardrobe in it drove out to the rubbish

39
00:03:57,519 --> 00:04:02,530
tip when I got there I waited in line

40
00:04:00,878 --> 00:04:05,259
like everyone else to drive up to throw

41
00:04:02,530 --> 00:04:07,658
my garbage or that particular wardrobe

42
00:04:05,259 --> 00:04:09,908
over the side of a huge cliff of garbage

43
00:04:07,658 --> 00:04:11,578

down into the valley below all the rest

44

00:04:09,908 --> 00:04:14,798

that probably should be shot that day

45

00:04:11,579 --> 00:04:16,870

so my time came and I got out of the gas

46

00:04:14,799 --> 00:04:19,900

station wagon around the back and open

47

00:04:16,870 --> 00:04:21,788

up the back door put my hands on the

48

00:04:19,899 --> 00:04:23,469

wardrobe start to pull it out and the

49

00:04:21,788 --> 00:04:25,779

guy behind me honk sees horn and gets

50

00:04:23,470 --> 00:04:28,690

out God the light comes over to me and

51

00:04:25,779 --> 00:04:30,638

he says and look like are you gonna

52

00:04:28,689 --> 00:04:32,918

throw that war girl boy I said yeah he's

53

00:04:30,639 --> 00:04:34,060

no look I wonder if I can happen I just

54

00:04:32,918 --> 00:04:35,978

live a few blocks from here and you

55

00:04:34,060 --> 00:04:37,600

could just drive it over the house for

56

00:04:35,978 --> 00:04:38,740

me you know I could be pleased to have

57

00:04:37,600 --> 00:04:41,860

it I said no problem

58
00:04:38,740 --> 00:04:43,750
well with this a crowd kind of started

59
00:04:41,860 --> 00:04:44,770
to gather around us and it wasn't other

60
00:04:43,750 --> 00:04:48,310
people dumping trash

61
00:04:44,769 --> 00:04:52,538
it was the garbage guys that had filed

62
00:04:48,310 --> 00:04:55,000
rights on this garbage dip and the

63
00:04:52,538 --> 00:04:56,439
rights were to mine the garbage pick up

64
00:04:55,000 --> 00:04:58,259
sift through what they wanted for

65
00:04:56,439 --> 00:05:01,029
valuables and then resell and reuse it

66
00:04:58,259 --> 00:05:02,769
so they came across and said all look

67
00:05:01,029 --> 00:05:04,359
mate for the guy that was trying to get

68
00:05:02,769 --> 00:05:08,049
the wardroom from me you can't have this

69
00:05:04,360 --> 00:05:11,560
because it's now in the tip

70
00:05:08,050 --> 00:05:12,970
and it is out and so he turned some

71
00:05:11,560 --> 00:05:15,009
so no it hasn't actually been taken out

72
00:05:12,970 --> 00:05:16,720
of the car yet it's in his car

73
00:05:15,009 --> 00:05:19,870
so he can take it over and give it to me

74
00:05:16,720 --> 00:05:21,550
at my house well with this these garbage

75
00:05:19,870 --> 00:05:24,220
men are miners of the garbage about

76
00:05:21,550 --> 00:05:26,319
everyone calling big fella started to

77
00:05:24,220 --> 00:05:27,640
kind of bristle up and walk over a bunch

78
00:05:26,319 --> 00:05:31,089
of them like they were gonna have a

79
00:05:27,639 --> 00:05:34,629
little bit of fisticuffs with us and the

80
00:05:31,089 --> 00:05:36,579
one of the guys did like a d9 dozer and

81
00:05:34,629 --> 00:05:38,740
started to move toward this guy's car

82
00:05:36,579 --> 00:05:40,779
behind me started to push his car over

83
00:05:38,740 --> 00:05:41,980
the edge and he says we're gonna push

84
00:05:40,779 --> 00:05:44,349
the car over the edge maybe if you don't

85
00:05:41,980 --> 00:05:46,030
back off on us have this wardrobe so

86

00:05:44,350 --> 00:05:48,460
with this the guy that was asking me for

87
00:05:46,029 --> 00:05:49,809
the Wardrobe reaches in his pocket pulls

88
00:05:48,459 --> 00:05:52,329
down his bag and he's an off-duty

89
00:05:49,810 --> 00:05:54,699
policeman he says right the first one

90
00:05:52,329 --> 00:05:56,680
makes a move I'm gonna arrest you

91
00:05:54,699 --> 00:05:58,539
well that kind of put a quiet on the

92
00:05:56,680 --> 00:06:01,660
whole argument placement gotten these

93
00:05:58,540 --> 00:06:02,740
card can we follow me and so I floored

94
00:06:01,660 --> 00:06:03,939
the guy by this time there had been a

95
00:06:02,740 --> 00:06:05,949
crowd of people throwing the rubbish

96
00:06:03,939 --> 00:06:08,069
away watching all this and a couple of

97
00:06:05,949 --> 00:06:10,479
guys behind the policeman's car said

98
00:06:08,069 --> 00:06:12,189
look you matically come with him so

99
00:06:10,480 --> 00:06:13,990
anyway a little gaggle of us went over

100
00:06:12,189 --> 00:06:16,629

to the policeman's house and install the

101

00:06:13,990 --> 00:06:18,370

Wardrobe in his bedroom and had a cup of

102

00:06:16,629 --> 00:06:20,589

tea and coffee there with him and talked

103

00:06:18,370 --> 00:06:20,899

about your life death University what I

104

00:06:20,589 --> 00:06:22,969

was

105

00:06:20,899 --> 00:06:24,469

industry and various things like that

106

00:06:22,970 --> 00:06:28,190

and then I went home

107

00:06:24,470 --> 00:06:29,810

well a couple days passed and man is now

108

00:06:28,189 --> 00:06:32,240

a good friend of mine but I didn't know

109

00:06:29,810 --> 00:06:34,250

at the time came driving up to the front

110

00:06:32,240 --> 00:06:36,319

door of my house and knocked at my buddy

111

00:06:34,250 --> 00:06:39,079

man and he says all that my name is Hugh

112

00:06:36,319 --> 00:06:41,629

Kitson you know I'm a film editor for

113

00:06:39,079 --> 00:06:42,769

channel 9 oh yeah I remember you that

114

00:06:41,629 --> 00:06:45,050

the policeman tells the other dates

115
00:06:42,769 --> 00:06:46,459
again he said I had listened a few

116
00:06:45,050 --> 00:06:47,538
things you were talking about and I can

117
00:06:46,459 --> 00:06:50,478
get the impression you know a bit about

118
00:06:47,538 --> 00:06:53,839
this year full of stuff and I said well

119
00:06:50,478 --> 00:06:55,969
ok a bit and he said what we're doing a

120
00:06:53,839 --> 00:06:58,939
documentary been keep it very quiet but

121
00:06:55,970 --> 00:07:02,240
we'd like for you to come in and appear

122
00:06:58,939 --> 00:07:04,939
in it so I said alright and looked down

123
00:07:02,240 --> 00:07:07,100
to the station and they did a test

124
00:07:04,939 --> 00:07:08,329
interview and thought right ok there's

125
00:07:07,100 --> 00:07:10,189
more to this and we'll film it over

126
00:07:08,329 --> 00:07:12,579
Hugh's house so what you're going to see

127
00:07:10,189 --> 00:07:15,019
at the end of this documentary is the

128
00:07:12,579 --> 00:07:17,598
interview that it would be which is

129
00:07:15,019 --> 00:07:21,589
probably 20 minutes or so the last 20

130
00:07:17,598 --> 00:07:25,009
minutes the movie which made the program

131
00:07:21,589 --> 00:07:27,019
so popular apparently that they got a

132
00:07:25,009 --> 00:07:28,639
42% rating with you in the audience it

133
00:07:27,019 --> 00:07:30,799
was the highest rating at every method

134
00:07:28,639 --> 00:07:34,728
of documentary television program

135
00:07:30,800 --> 00:07:38,800
network after that date so I want you to

136
00:07:34,728 --> 00:07:42,079
bear that in mind what you see here was

137
00:07:38,800 --> 00:07:44,270
what we were telling people at the time

138
00:07:42,079 --> 00:07:45,529
publicly 25 years ago see Steven

139
00:07:44,269 --> 00:07:48,408
Spielberg and there in his opinion

140
00:07:45,529 --> 00:07:50,119
basically still hasn't changed on the

141
00:07:48,408 --> 00:07:53,689
UFO alien abduction thing I think you'll

142
00:07:50,120 --> 00:07:54,978
find that very interesting and we have a

143

00:07:53,689 --> 00:07:56,569
number of other interviews with folks

144
00:07:54,978 --> 00:07:59,329
that you won't ever get another chance

145
00:07:56,569 --> 00:08:01,430
to see because they're not dead like dr.

146
00:07:59,329 --> 00:08:03,800
Allen Hynek and Betty Hilda was abducted

147
00:08:01,430 --> 00:08:08,569
with her husband Barney so sit back

148
00:08:03,800 --> 00:08:11,978
enjoy the show and look for DB number

149
00:08:08,569 --> 00:08:11,979
two which were in the process of making

150
00:08:57,600 --> 00:09:02,080
the film you're about to see it has

151
00:09:00,129 --> 00:09:04,570
taken our investigation taken six months

152
00:09:02,080 --> 00:09:07,180
to research in December and is involve

153
00:09:04,570 --> 00:09:09,100
them in a trip around the world we have

154
00:09:07,179 --> 00:09:11,739
met the people at the heart of the UFO

155
00:09:09,100 --> 00:09:13,570
phenomenon and it is their opinion that

156
00:09:11,740 --> 00:09:19,240
UFOs are here

157
00:09:13,570 --> 00:09:22,090

a major myth about UFOs is that only

158

00:09:19,240 --> 00:09:23,409

Kooks quacks nuts strange people believe

159

00:09:22,090 --> 00:09:28,240

in them or interest in them or see them

160

00:09:23,409 --> 00:09:34,299

that's absolute nonsense Western

161

00:09:28,240 --> 00:09:38,830

Australia is unique in the UFO problem

162

00:09:34,299 --> 00:09:43,120

because per capita I believe it has more

163

00:09:38,830 --> 00:09:47,410

sightings than any other civilized area

164

00:09:43,120 --> 00:09:49,720

in the world I think the meaning of the

165

00:09:47,409 --> 00:09:51,759

word UFO is that they are unidentified

166

00:09:49,720 --> 00:09:53,769

and as long as they're unidentified we'd

167

00:09:51,759 --> 00:09:56,139

better try to identify them and that

168

00:09:53,769 --> 00:09:58,029

people you know waste a great deal of

169

00:09:56,139 --> 00:10:00,189

energy saying do you believe in them

170

00:09:58,029 --> 00:10:04,449

well the thing I believe in is there

171

00:10:00,190 --> 00:10:08,590

unidentified actually everybody I bumped

172
00:10:04,450 --> 00:10:10,509
in bump into is either fascinated with

173
00:10:08,590 --> 00:10:15,330
the subject or willing to willing to

174
00:10:10,509 --> 00:10:17,860
listen people are describing a

175
00:10:15,330 --> 00:10:19,830
technology but they are really around

176
00:10:17,860 --> 00:10:21,879
the technology there are a number of

177
00:10:19,830 --> 00:10:23,950
psychological and if you will even you

178
00:10:21,879 --> 00:10:29,049
know let's use the word psychic effects

179
00:10:23,950 --> 00:10:31,810
associated with it we did not notice

180
00:10:29,049 --> 00:10:34,299
teeth in fact when Barney was lying on

181
00:10:31,809 --> 00:10:36,329
the table looking at one of them

182
00:10:34,299 --> 00:10:40,089
appeared to have sort of a membrane

183
00:10:36,330 --> 00:10:43,509
which flooded behind his lips it looked

184
00:10:40,090 --> 00:10:46,960
like a thin skin however you look at the

185
00:10:43,509 --> 00:10:50,620
phenomenon of UFOs it is not the 99% you

186
00:10:46,960 --> 00:10:52,570
can explain it's the 1% you can't and in

187
00:10:50,620 --> 00:10:56,560
this last category we include a sighting

188
00:10:52,570 --> 00:10:58,390
close to Perth in 1976 we talked to the

189
00:10:56,559 --> 00:11:02,459
Western Australian representative for

190
00:10:58,389 --> 00:11:02,460
dr. hynek's UFO study centre

191
00:11:07,208 --> 00:11:13,938
moonrise 3:25 a.m. one mile north of one

192
00:11:11,629 --> 00:11:15,560
rue going towards young chef in Western

193
00:11:13,938 --> 00:11:15,948
Australia Jeff Bell what are we doing

194
00:11:15,559 --> 00:11:18,799
here

195
00:11:15,948 --> 00:11:21,229
well on February 2 1976 at this precise

196
00:11:18,799 --> 00:11:24,849
time and location two chaps were going

197
00:11:21,230 --> 00:11:27,769
along this road north of 100 Road and

198
00:11:24,850 --> 00:11:30,350
they noticed something unusual and they

199
00:11:27,769 --> 00:11:33,799
sent us this report early on the morning

200

00:11:30,350 --> 00:11:36,019
of Sunday February 8 1976 while on our

201
00:11:33,799 --> 00:11:38,318
way fishing at the engine we saw this

202
00:11:36,019 --> 00:11:40,519
red light glow in the sky

203
00:11:38,318 --> 00:11:44,120
approximately a mile north of Burns

204
00:11:40,519 --> 00:11:45,948
Beach turnoff in one rude we talked

205
00:11:44,120 --> 00:11:48,259
about this thing whether it was a plane

206
00:11:45,948 --> 00:11:50,328
or something else and on approaching I

207
00:11:48,259 --> 00:11:53,659
could see it wasn't moving we were

208
00:11:50,328 --> 00:11:55,429
catching up to it getting level with the

209
00:11:53,659 --> 00:11:58,338
subject I couldn't see the red light on

210
00:11:55,429 --> 00:12:00,799
the back so I asked my mate to stop and

211
00:11:58,339 --> 00:12:03,079
I open the passenger side door and watch

212
00:12:00,799 --> 00:12:05,750
this thing and my mate moved over and

213
00:12:03,078 --> 00:12:08,269
watched with me while we were looking it

214
00:12:05,750 --> 00:12:11,070

was about a hundred and fifty feet up

215

00:12:08,269 --> 00:12:13,649

and about 90 degrees from the car

216

00:12:11,070 --> 00:12:15,899

and I Madison had pink lights coming

217

00:12:13,649 --> 00:12:18,659

from windows so what looked like the

218

00:12:15,899 --> 00:12:21,120

front and underneath it it had this big

219

00:12:18,659 --> 00:12:24,448

shiny silvery light which looked like it

220

00:12:21,120 --> 00:12:26,690

was spinning around while watching this

221

00:12:24,448 --> 00:12:29,399

thing for four minutes it took off very

222

00:12:26,690 --> 00:12:34,110

very slowly in a Southwest direction

223

00:12:29,399 --> 00:12:36,539

about 400 to 500 meters and stopped and

224

00:12:34,110 --> 00:12:38,278

Harvard again we watched it - then

225

00:12:36,539 --> 00:12:39,958

another minute and then we repeat

226

00:12:38,278 --> 00:12:42,028

haven't evolved do you think that looks

227

00:12:39,958 --> 00:12:45,479

like a Hollywood movie or is what they

228

00:12:42,028 --> 00:12:47,278

are saying so unbelievable Star Wars the

229
00:12:45,480 --> 00:12:49,829
film that is likely to make more money

230
00:12:47,278 --> 00:12:51,419
than any other in history is only

231
00:12:49,828 --> 00:12:54,208
letting us get out of the observers seat

232
00:12:51,419 --> 00:12:57,409
and into the pilots that after all is

233
00:12:54,208 --> 00:12:57,409
where we'd all like to be

234
00:13:06,779 --> 00:13:12,079
Oh ginger okay stay sharp

235
00:13:24,250 --> 00:13:26,309
you

236
00:13:49,299 --> 00:13:56,859
don't worry altogether

237
00:13:53,809 --> 00:13:56,859
baby holy hell

238
00:14:17,089 --> 00:14:22,089
I got him great in Kentucky

239
00:14:57,549 --> 00:15:08,659
none of men's fantasies of evil can

240
00:15:00,708 --> 00:15:10,068
compare with the reality of Jaws this is

241
00:15:08,659 --> 00:15:14,528
the extraordinary motion picture version

242
00:15:10,068 --> 00:15:18,289
of the best-selling novel Jones

243
00:15:14,528 --> 00:15:20,979
at the 20-footer 25

244
00:15:18,289 --> 00:15:20,978
he comes up

245
00:15:27,610 --> 00:15:29,610
Oh

246
00:15:35,700 --> 00:15:40,720
but for Star Wars jaws grossed more

247
00:15:39,009 --> 00:15:43,210
Manning at the box office than any other

248
00:15:40,720 --> 00:15:45,300
film at an exclusive interview in

249
00:15:43,210 --> 00:15:48,040
Hollywood its director Steven Spielberg

250
00:15:45,299 --> 00:15:50,709
told us that while he was up to his neck

251
00:15:48,039 --> 00:15:52,480
in water of filming jaws he was really

252
00:15:50,710 --> 00:15:55,480
thinking of his next film Close

253
00:15:52,480 --> 00:15:57,850
Encounters of the Third Kind a film

254
00:15:55,480 --> 00:16:00,700
concerned with UFOs message I've finished

255
00:15:57,850 --> 00:16:02,080
I came back and I wanted to relate to

256
00:16:00,700 --> 00:16:03,280
dry land and I also wanted to think

257

00:16:02,080 --> 00:16:05,170
about Close Encounters so I went out to

258
00:16:03,279 --> 00:16:07,209
parable awesome which is the desert near

259
00:16:05,169 --> 00:16:09,669
Mojave there's nothing around for miles

260
00:16:07,210 --> 00:16:11,440
and if you want to watch the cosmos

261
00:16:09,669 --> 00:16:13,389
that's the place to stand and do it I

262
00:16:11,440 --> 00:16:15,400
mean you feel like a grain of salt and

263
00:16:13,389 --> 00:16:16,720
the stars are so fast you mean it's

264
00:16:15,399 --> 00:16:18,429
almost like looking down at the sky

265
00:16:16,720 --> 00:16:21,009
because the sky surrounds you it's an

266
00:16:18,429 --> 00:16:23,139
amazing planetarium show and I went out

267
00:16:21,009 --> 00:16:24,789
there and I parked my car trim the

268
00:16:23,139 --> 00:16:26,799
lights out and sat on the roof and

269
00:16:24,789 --> 00:16:31,059
looked up at the sky and said to myself

270
00:16:26,799 --> 00:16:35,109
if something comes down here right now

271
00:16:31,059 --> 00:16:36,839

and lands on the road and an opening

272

00:16:35,110 --> 00:16:39,430

appears would I get on and take a ride I

273

00:16:36,840 --> 00:16:43,600

thought about it and I looked up at the

274

00:16:39,429 --> 00:16:46,029

sky and I got very very nervous because

275

00:16:43,600 --> 00:16:47,170

I realized that I wouldn't get on and

276

00:16:46,029 --> 00:16:49,839

take a ride as a matter of fact I was

277

00:16:47,169 --> 00:16:51,669

being so nervous by embracing and

278

00:16:49,840 --> 00:16:53,350

romancing that thought that I got back

279

00:16:51,669 --> 00:16:54,250

at my car drove back to Los Angeles I

280

00:16:53,350 --> 00:16:56,740

was terrified

281

00:16:54,250 --> 00:17:00,399

most people think the interest in UFOs

282

00:16:56,740 --> 00:17:02,350

is limited to a few cranks in fact there

283

00:17:00,399 --> 00:17:03,789

are thousands of intelligent people who

284

00:17:02,350 --> 00:17:06,009

get together at international

285

00:17:03,789 --> 00:17:09,309

conferences all over the world to study

286
00:17:06,009 --> 00:17:11,259
them we visited one at Chicago to

287
00:17:09,309 --> 00:17:12,970
interview the man who for 20 years

288
00:17:11,259 --> 00:17:15,730
was head of the US Air Force top

289
00:17:12,970 --> 00:17:18,269
security investigation into UFOs dr.

290
00:17:15,730 --> 00:17:18,269
Allen Hynek

291
00:17:28,279 --> 00:17:33,619
it's particularly heartening to me to

292
00:17:30,740 --> 00:17:36,190
see the rise of interest among

293
00:17:33,619 --> 00:17:39,229
scientists and particularly astronomers

294
00:17:36,190 --> 00:17:41,600
in the UFO problem sooner has often been

295
00:17:39,230 --> 00:17:44,120
said that why don't astronomers see UFOs

296
00:17:41,599 --> 00:17:47,418
as a matter of fact they do in a very

297
00:17:44,119 --> 00:17:51,229
recent report by a professor Sturrock of

298
00:17:47,419 --> 00:17:52,340
Stanford University who queried all the

299
00:17:51,230 --> 00:17:56,240
members of the American Astronomical

300
00:17:52,339 --> 00:17:59,269
Society found that 53% of those who

301
00:17:56,240 --> 00:18:01,788
responded said that in their opinion the

302
00:17:59,269 --> 00:18:04,700
UFO problem was was worthy of scientific

303
00:18:01,788 --> 00:18:08,808
study and what is more sixty-four of the

304
00:18:04,700 --> 00:18:11,179
astronomers who responded gave what

305
00:18:08,808 --> 00:18:13,099
would be called UFO reports objects

306
00:18:11,179 --> 00:18:15,798
sightings that they personally had made

307
00:18:13,099 --> 00:18:18,829
at their observatories frequently which

308
00:18:15,798 --> 00:18:22,730
to them was unexplained one of the most

309
00:18:18,829 --> 00:18:24,379
important findings that has been made

310
00:18:22,730 --> 00:18:27,319
about this phenomenon is that it is

311
00:18:24,380 --> 00:18:29,690
global in scope in other words it

312
00:18:27,319 --> 00:18:32,240
doesn't belong to the French or the

313
00:18:29,690 --> 00:18:35,720
Americans or British there have been

314

00:18:32,240 --> 00:18:38,210
waves of sightings usually lasting about

315
00:18:35,720 --> 00:18:41,329
a few weeks or a month or a month and a

316
00:18:38,210 --> 00:18:43,130
half over very in very concentrated

317
00:18:41,329 --> 00:18:45,589
fashions in certain areas of the world

318
00:18:43,130 --> 00:18:47,510
there have been such waves in Western

319
00:18:45,589 --> 00:18:50,058
Europe in 1954 for example in this

320
00:18:47,509 --> 00:18:52,460
country in 1947 we know of waves in the

321
00:18:50,058 --> 00:18:54,558
Soviet Union in China in Australia

322
00:18:52,460 --> 00:18:56,990
especially in Western Australia and what

323
00:18:54,558 --> 00:18:59,210
is typical about these waves is that the

324
00:18:56,990 --> 00:19:00,890
people from all these different cultures

325
00:18:59,210 --> 00:19:03,048
around the world are describing the same

326
00:19:00,890 --> 00:19:04,940
thing in their own terms

327
00:19:03,048 --> 00:19:07,460
what they are describing is an object

328
00:19:04,940 --> 00:19:09,320

that seems to be able to to maneuver it

329

00:19:07,460 --> 00:19:11,298

seems to be a technology it seems to

330

00:19:09,319 --> 00:19:13,220

come to the ground and leave traces and

331

00:19:11,298 --> 00:19:15,859

they have been rings especially that

332

00:19:13,220 --> 00:19:18,110

have been found wearing circles have

333

00:19:15,859 --> 00:19:22,219

been found very commonly in Australia

334

00:19:18,109 --> 00:19:24,379

that absolutely identical to things that

335

00:19:22,220 --> 00:19:26,210

have been cataloged in this country in

336

00:19:24,380 --> 00:19:28,280

France there is now a catalogue of such

337

00:19:26,210 --> 00:19:32,909

traces that encompasses more than a

338

00:19:28,279 --> 00:19:35,548

thousand sightings an ordinary man

339

00:19:32,909 --> 00:19:38,009

an ordinary Street in America but this

340

00:19:35,548 --> 00:19:40,558

man started the 1947 wave of sightings

341

00:19:38,009 --> 00:19:42,419

that swept the world when he claimed to

342

00:19:40,558 --> 00:19:46,319

have seen from his mountain rescue plane

343
00:19:42,419 --> 00:19:48,710
nine disc-like objects roughly 45 miles

344
00:19:46,319 --> 00:19:52,108
away flying at a speed of approximately

345
00:19:48,710 --> 00:19:58,769
1,500 miles per hour near Mount Rainier

346
00:19:52,108 --> 00:20:00,689
Oregon the date June 24 1947 later when

347
00:19:58,769 --> 00:20:01,378
asked by a reporter to describe how they

348
00:20:00,690 --> 00:20:04,109
flew

349
00:20:01,378 --> 00:20:07,199
annal said their motion was like saucers

350
00:20:04,108 --> 00:20:09,898
skipping over water in the papers the

351
00:20:07,200 --> 00:20:16,319
next day the world first saw the term

352
00:20:09,898 --> 00:20:18,298
flying saucer on June 24 1977 30 years

353
00:20:16,319 --> 00:20:21,598
to the day after he first sighted them

354
00:20:18,298 --> 00:20:23,249
ken Arnold consented to speak to us he

355
00:20:21,598 --> 00:20:26,278
had refused to make any public

356
00:20:23,249 --> 00:20:28,769
statements for the last five years it's

357
00:20:26,278 --> 00:20:30,720
easy to see that after 30 years he's

358
00:20:28,769 --> 00:20:32,429
still angry at the disbelief here we've

359
00:20:30,720 --> 00:20:33,899
seen something I've seen something

360
00:20:32,429 --> 00:20:37,320
hundreds of pilots have seen something

361
00:20:33,898 --> 00:20:40,738
in the skies we have do dutifully

362
00:20:37,319 --> 00:20:43,079
reported these things and we have to

363
00:20:40,739 --> 00:20:45,119
have 15 million witnesses before

364
00:20:43,079 --> 00:20:48,058
anybody's gonna look into the problem

365
00:20:45,118 --> 00:20:50,308
seriously what this is what early

366
00:20:48,058 --> 00:20:52,829
fantastic this is more fantastic than

367
00:20:50,308 --> 00:20:54,569
than flying saucers or or people from

368
00:20:52,829 --> 00:20:57,048
Venus or anything as far as I'm

369
00:20:54,569 --> 00:20:57,048
concerned

370
00:21:00,150 --> 00:21:05,500
imal sighting amazed many people but

371

00:21:03,369 --> 00:21:07,750
none more than publisher Ray Palmer

372
00:21:05,500 --> 00:21:09,579
Kenneth Arnold fits into it

373
00:21:07,750 --> 00:21:12,369
this is his 30th anniversary and

374
00:21:09,579 --> 00:21:14,289
strangely enough it's my 33rd because I

375
00:21:12,369 --> 00:21:16,569
knew about flying saucers three years

376
00:21:14,289 --> 00:21:19,779
before Kenneth Arnold made his first

377
00:21:16,569 --> 00:21:21,429
sighting in the middle 40s a man called

378
00:21:19,779 --> 00:21:22,750
William shaver had written to Palmer

379
00:21:21,430 --> 00:21:25,660
about his alleged visit to a

380
00:21:22,750 --> 00:21:28,680
subterranean culture peopled by beings

381
00:21:25,660 --> 00:21:31,180
he referred to as Darrow's and terrors

382
00:21:28,680 --> 00:21:34,240
what he wrote was to create another

383
00:21:31,180 --> 00:21:38,710
legend of UFO mythology briefly it was

384
00:21:34,240 --> 00:21:41,079
the story of a radioactive flare from

385
00:21:38,710 --> 00:21:42,910

the Sun around 12,000 years ago which

386

00:21:41,079 --> 00:21:45,159

virtually wiped out life on Earth and

387

00:21:42,910 --> 00:21:47,500

the survivors fled into space in

388

00:21:45,160 --> 00:21:49,300

spaceships while the the the person's

389

00:21:47,500 --> 00:21:50,289

left behind when he called abandoned

390

00:21:49,299 --> 00:21:53,049

Darryl

391

00:21:50,289 --> 00:21:55,299

went into the cavern world and set up a

392

00:21:53,049 --> 00:21:58,180

civilization there which from that time

393

00:21:55,299 --> 00:21:59,440

on became contaminated because the

394

00:21:58,180 --> 00:22:01,420

atmosphere had to be drawn from the

395

00:21:59,440 --> 00:22:02,950

surface and so on in the water so they'd

396

00:22:01,420 --> 00:22:05,650

gradually degenerated into what he

397

00:22:02,950 --> 00:22:07,480

called Darrow's demeaning detrimental or

398

00:22:05,650 --> 00:22:10,030

destructive and roving being a

399

00:22:07,480 --> 00:22:11,200

shortening of robots or robotic in other

400
00:22:10,029 --> 00:22:13,809
words he felt that these people were

401
00:22:11,200 --> 00:22:15,490
mentally controlled by robotic Sderot

402
00:22:13,809 --> 00:22:16,960
influences in other words the

403
00:22:15,490 --> 00:22:21,370
radioactivity in their brain made them

404
00:22:16,960 --> 00:22:22,660
insane but they had at their access the

405
00:22:21,369 --> 00:22:24,369
wonderful machines left by this

406
00:22:22,660 --> 00:22:25,779
civilization which fled the earth which

407
00:22:24,369 --> 00:22:28,389
had been taken down into the caves and

408
00:22:25,779 --> 00:22:30,910
among them was a craft they called a

409
00:22:28,390 --> 00:22:33,610
roll at roll again for robotically

410
00:22:30,910 --> 00:22:35,890
controlled instrumentally controlled and

411
00:22:33,609 --> 00:22:37,990
so on and in the caves they used these

412
00:22:35,890 --> 00:22:40,120
things which were disks about 30 feet in

413
00:22:37,990 --> 00:22:41,950
diameter to go through tunnels and the

414
00:22:40,119 --> 00:22:43,119
torturous caves underneath the ground

415
00:22:41,950 --> 00:22:45,100
for hundreds of miles

416
00:22:43,119 --> 00:22:47,049
even from continent to continent and

417
00:22:45,099 --> 00:22:48,969
they were controlled automatically so

418
00:22:47,049 --> 00:22:51,039
they did did not touch the floor the

419
00:22:48,970 --> 00:22:53,319
ceiling or the walls and therefore they

420
00:22:51,039 --> 00:22:54,250
had this flippin emotion and they went

421
00:22:53,319 --> 00:22:55,929
through caves where they had a

422
00:22:54,250 --> 00:22:59,109
right-angle turn they traveled around

423
00:22:55,930 --> 00:23:00,640
1,200 miles an hour when

424
00:22:59,109 --> 00:23:02,709
Shaver heard about kenneth final

425
00:23:00,640 --> 00:23:04,990
sighting he wrote me very triumphantly

426
00:23:02,710 --> 00:23:07,120
and said you see these robots do come

427
00:23:04,990 --> 00:23:09,670
out of the caves perhaps the greatest

428

00:23:07,119 --> 00:23:11,319
surprise was when arnold reported his

429
00:23:09,670 --> 00:23:13,420
sighting to the nearest US military

430
00:23:11,319 --> 00:23:16,178
airbase he found on the wall of the

431
00:23:13,420 --> 00:23:18,970
commander's office this classified gun

432
00:23:16,179 --> 00:23:20,830
sight photograph which bore a remarkable

433
00:23:18,970 --> 00:23:23,289
resemblance to what Arnold claimed he

434
00:23:20,829 --> 00:23:27,039
had just seen and shaver had discussed

435
00:23:23,289 --> 00:23:29,589
three years before something else ken

436
00:23:27,039 --> 00:23:31,928
Arnold didn't know was that dr. Hynek

437
00:23:29,589 --> 00:23:34,419
was officially researching UFOs for the

438
00:23:31,929 --> 00:23:38,050
US Air Force and compiling a classified

439
00:23:34,420 --> 00:23:42,390
report known as project sign later to

440
00:23:38,049 --> 00:23:42,389
become known as Project Blue Book

441
00:23:46,759 --> 00:23:52,099
well it was as an astronomer that I

442
00:23:49,640 --> 00:23:56,570

first became associated with the UFO

443

00:23:52,099 --> 00:23:58,639

problem in 1948 the Air Force asked me

444

00:23:56,569 --> 00:24:01,250

as an astronomer to assist them in

445

00:23:58,640 --> 00:24:02,600

seeing how many of the reports on flying

446

00:24:01,250 --> 00:24:05,419

saucers that were coming in at that time

447

00:24:02,599 --> 00:24:07,250

could be explained astronomically and

448

00:24:05,419 --> 00:24:08,750

one thing led to another and I became

449

00:24:07,250 --> 00:24:11,619

scientific consultant of the Air Force

450

00:24:08,750 --> 00:24:15,279

and remained so for some twenty years I

451

00:24:11,619 --> 00:24:17,209

started almost as a complete skeptic

452

00:24:15,279 --> 00:24:20,359

because I thought the whole thing was a

453

00:24:17,210 --> 00:24:22,370

question of post-war nerves but it was a

454

00:24:20,359 --> 00:24:24,379

persistence of the phenomenon and

455

00:24:22,369 --> 00:24:28,009

refused to dry up and blow away that

456

00:24:24,380 --> 00:24:30,500

finally led me to the belief that we had

457
00:24:28,009 --> 00:24:32,179
a real phenomenon to deal with in the

458
00:24:30,500 --> 00:24:34,250
years that followed Hynek was to

459
00:24:32,179 --> 00:24:34,730
investigate reports from all over the

460
00:24:34,250 --> 00:24:37,369
world

461
00:24:34,730 --> 00:24:40,279
soon clips of film like this one began

462
00:24:37,369 --> 00:24:42,529
to reach him this unique film that we've

463
00:24:40,279 --> 00:24:45,230
managed to obtain has puzzled scientists

464
00:24:42,529 --> 00:24:47,690
and experts all over the world and to

465
00:24:45,230 --> 00:24:51,710
this day remains a truly unidentified

466
00:24:47,690 --> 00:24:54,230
flying object meanwhile the media still

467
00:24:51,710 --> 00:24:56,870
referred to them as flying saucers when

468
00:24:54,230 --> 00:24:58,669
in 1955 a group of Italian scientists

469
00:24:56,869 --> 00:25:01,009
and cameramen went to photograph an

470
00:24:58,669 --> 00:25:04,040
eclipse of the Sun from three miles up

471
00:25:01,009 --> 00:25:05,900
they were delighted to find not one but

472
00:25:04,039 --> 00:25:07,339
a group of objects which they proceeded

473
00:25:05,900 --> 00:25:09,470
to photograph

474
00:25:07,339 --> 00:25:12,259
next week the world cinema screens

475
00:25:09,470 --> 00:25:16,190
carried the title three miles up flying

476
00:25:12,259 --> 00:25:18,710
sources this year marks the 30th

477
00:25:16,190 --> 00:25:21,019
anniversary of the advent of the Flying

478
00:25:18,710 --> 00:25:24,610
Saucer and that is the most unfortunate

479
00:25:21,019 --> 00:25:27,379
term in my opinion because it invites

480
00:25:24,609 --> 00:25:31,429
ridicule it opens the door to a great

481
00:25:27,380 --> 00:25:33,980
deal of buffoonery and lampooning it had

482
00:25:31,430 --> 00:25:37,340
a perfectly good history because when

483
00:25:33,980 --> 00:25:39,799
Kenneth Arnold described the motions of

484
00:25:37,339 --> 00:25:43,189
the discs that he had seen he said that

485

00:25:39,799 --> 00:25:45,440
it was like skipping a saucer over water

486
00:25:43,190 --> 00:25:48,980
but some reporters thought that was a

487
00:25:45,440 --> 00:25:53,000
very clever term and flying saucers were

488
00:25:48,980 --> 00:25:55,120
born but it it's it is really too bad

489
00:25:53,000 --> 00:25:59,720
because it has caused a great deal of

490
00:25:55,119 --> 00:26:01,369
jokes and so forth for instance one

491
00:25:59,720 --> 00:26:03,019
common expression is if you want to see

492
00:26:01,369 --> 00:26:05,479
a flying saucer just goose' waitress

493
00:26:03,019 --> 00:26:06,920
what do experts believe UFOs look like

494
00:26:05,480 --> 00:26:09,259
but typically we're dealing with

495
00:26:06,920 --> 00:26:11,029
apparently round symmetric disc shaped

496
00:26:09,259 --> 00:26:13,069
objects definite size shaped surface

497
00:26:11,029 --> 00:26:15,980
texture bigger in diameter than they are

498
00:26:13,069 --> 00:26:18,950
in thickness protuberances that might be

499
00:26:15,980 --> 00:26:20,360

landing gears or antennae windows might

500

00:26:18,950 --> 00:26:22,819

be decorations - we don't really know

501

00:26:20,359 --> 00:26:25,219

things with definite size shape surface

502

00:26:22,819 --> 00:26:28,069

texture there are other reports of

503

00:26:25,220 --> 00:26:31,549

things with that are cylindrical long

504

00:26:28,069 --> 00:26:33,439

cigar-shaped objects and if you look at

505

00:26:31,549 --> 00:26:34,849

the landing cases and of course I'm most

506

00:26:33,440 --> 00:26:36,110

concerned with landing cases because

507

00:26:34,849 --> 00:26:38,059

then we have something to work with

508

00:26:36,109 --> 00:26:39,649

these are cases landing trace cases

509

00:26:38,059 --> 00:26:42,079

where UFO was seen on or near the ground

510

00:26:39,650 --> 00:26:43,940

and after it leaves one finds physical

511

00:26:42,079 --> 00:26:45,500

changes produced in the environment if

512

00:26:43,940 --> 00:26:47,029

you look at those cases and one

513

00:26:45,500 --> 00:26:49,849

researcher has collected more than a

514
00:26:47,029 --> 00:26:51,680
thousand such cases from 55 countries

515
00:26:49,849 --> 00:26:53,480
and they're similar whether you're

516
00:26:51,680 --> 00:26:54,620
dealing with sightings in Australia New

517
00:26:53,480 --> 00:26:56,269
Zealand you've got the same landing

518
00:26:54,619 --> 00:26:58,309
traces is in the united states is in

519
00:26:56,269 --> 00:27:00,950
south africa is in canada england france

520
00:26:58,309 --> 00:27:02,359
all over the world there aren't any laws

521
00:27:00,950 --> 00:27:04,009
of physics that stand in the way of

522
00:27:02,359 --> 00:27:06,139
flying saucers either getting here from

523
00:27:04,009 --> 00:27:08,720
other star systems or performing here

524
00:27:06,140 --> 00:27:10,130
once they're here many people think that

525
00:27:08,720 --> 00:27:10,970
you can't get here from there the fact

526
00:27:10,130 --> 00:27:12,740
of the matter is that there are

527
00:27:10,970 --> 00:27:14,089
published studies by reputable engineers

528
00:27:12,740 --> 00:27:16,009
and scientists and good technical

529
00:27:14,089 --> 00:27:17,539
journals showing that trips to nearby

530
00:27:16,009 --> 00:27:19,460
stars and I don't worry about the

531
00:27:17,539 --> 00:27:20,359
distant ones are feasible with

532
00:27:19,460 --> 00:27:21,500
reasonable round

533
00:27:20,359 --> 00:27:23,389
trip time shorter than a person's

534
00:27:21,500 --> 00:27:25,519
lifetime without violating any of the

535
00:27:23,390 --> 00:27:27,650
laws of physics and using staged fishin

536
00:27:25,519 --> 00:27:28,490
or fusion propulsion systems on both of

537
00:27:27,650 --> 00:27:30,830
which I have worked

538
00:27:28,490 --> 00:27:32,359
now idly physically tested fish and

539
00:27:30,829 --> 00:27:35,629
nuclear propulsion systems when I was at

540
00:27:32,359 --> 00:27:37,369
Westinghouse in 1967 we tested the nrx a

541
00:27:35,630 --> 00:27:41,000
six less than three feet in diameter

542

00:27:37,369 --> 00:27:42,589
power level 1,100 million watts that's

543
00:27:41,000 --> 00:27:43,819
roughly the same energy it takes the

544
00:27:42,589 --> 00:27:47,139
like this would to provide the

545
00:27:43,819 --> 00:27:50,389
electricity for the city of Perth as

546
00:27:47,140 --> 00:27:53,270
Perth the City of Light was viewed by

547
00:27:50,390 --> 00:27:56,350
Apollo astronauts other UFO sightings

548
00:27:53,269 --> 00:27:59,509
were being made in Australia

549
00:27:56,349 --> 00:28:01,189
dr. hynek's worldwide organisation as a

550
00:27:59,509 --> 00:28:04,529
branch in Sydney headed by Harry

551
00:28:01,190 --> 00:28:06,600
Greensburg and grilled chocolate

552
00:28:04,529 --> 00:28:08,819
sightings in Australia are so numerous

553
00:28:06,599 --> 00:28:11,389
that a special computer is needed to

554
00:28:08,819 --> 00:28:11,389
handle them

555
00:28:33,539 --> 00:28:38,819
my name is Andrew Cole and I work with

556
00:28:36,390 --> 00:28:40,740

the computer I got actively involved

557

00:28:38,819 --> 00:28:44,009

with the UFO investigation Center after

558

00:28:40,740 --> 00:28:46,500

an experience of my own

559

00:28:44,009 --> 00:28:48,599

we started out with a very small machine

560

00:28:46,500 --> 00:28:50,789

which we were able to recover from scrap

561

00:28:48,599 --> 00:28:53,339

and make it do what we wanted to do with

562

00:28:50,789 --> 00:28:56,720

it but since then the files have grown

563

00:28:53,339 --> 00:29:01,500

and we now have several thousand files

564

00:28:56,720 --> 00:29:04,350

which we can look at and reference

565

00:29:01,500 --> 00:29:07,369

whenever we need and this requires a

566

00:29:04,349 --> 00:29:07,369

much larger machine

567

00:29:10,069 --> 00:29:14,569

it's hard to imagine here in the middle

568

00:29:13,160 --> 00:29:16,430

of Sydney amongst all this modern

569

00:29:14,569 --> 00:29:17,869

technology how Fred Birmingham a

570

00:29:16,430 --> 00:29:20,900

Parramatta surveyor would have reacted

571
00:29:17,869 --> 00:29:23,299
to what he saw he describes seeing a

572
00:29:20,900 --> 00:29:26,390
strange aerial object shaped like a an

573
00:29:23,299 --> 00:29:27,950
arc moving in a zigzag manner and

574
00:29:26,390 --> 00:29:31,910
apparently landing in nearby Parramatta

575
00:29:27,950 --> 00:29:35,360
Park what followed he was a description

576
00:29:31,910 --> 00:29:39,230
of meeting being he called a spirit and

577
00:29:35,359 --> 00:29:44,479
an invitation to visit and walk on board

578
00:29:39,230 --> 00:29:45,829
this arc it paralleled many stories that

579
00:29:44,480 --> 00:29:49,730
are similar to right around the world

580
00:29:45,829 --> 00:29:52,789
and you read about these stories and

581
00:29:49,730 --> 00:29:55,870
newspapers all the time but this story

582
00:29:52,789 --> 00:29:58,430
in fact is is what constitutes the first

583
00:29:55,869 --> 00:30:03,199
recorded place encounter in Australia

584
00:29:58,430 --> 00:30:06,580
the date 1868 as an industrial chemist I

585
00:30:03,200 --> 00:30:09,559
specialize in the study of what we term

586
00:30:06,579 --> 00:30:13,399
Close Encounters of the Third Kind in

587
00:30:09,559 --> 00:30:16,220
this type of UFO sighting an

588
00:30:13,400 --> 00:30:17,750
unidentified aerial object interacts

589
00:30:16,220 --> 00:30:20,000
with the physical environment thereby

590
00:30:17,750 --> 00:30:23,329
leaving at a permanent physical record

591
00:30:20,000 --> 00:30:25,700
of its presence what is the R double AFS

592
00:30:23,329 --> 00:30:28,149
official view of this we visited them to

593
00:30:25,700 --> 00:30:28,150
find out

594
00:30:32,349 --> 00:30:36,079
Squadron Leader Whitehall at the

595
00:30:34,220 --> 00:30:38,179
Department of Defense here in Canberra

596
00:30:36,079 --> 00:30:41,960
is your function to deal with UFO

597
00:30:38,179 --> 00:30:43,759
inquiries entirely only partly in Air

598
00:30:41,960 --> 00:30:46,069
Force Office here I have several duties

599

00:30:43,759 --> 00:30:47,960
one of which is to deal with what we

600
00:30:46,069 --> 00:30:51,379
prefer to call unusual aerial sightings

601
00:30:47,960 --> 00:30:53,058
now you departed from UFO very

602
00:30:51,380 --> 00:30:56,539
particular reason yes we think there's a

603
00:30:53,058 --> 00:30:59,538
really good reason to call them UFOs the

604
00:30:56,538 --> 00:31:01,038
unidentified part of that statement it's

605
00:30:59,538 --> 00:31:03,589
assuming immediately but we don't know

606
00:31:01,038 --> 00:31:05,808
what it is that people are seeing also

607
00:31:03,589 --> 00:31:07,428
objects what people see are not

608
00:31:05,808 --> 00:31:10,759
necessarily objects they can be weather

609
00:31:07,429 --> 00:31:13,548
factors Marsh gas lightning that sort of

610
00:31:10,759 --> 00:31:16,819
thing and the main problem that we see

611
00:31:13,548 --> 00:31:19,069
is the term UFO immediately conjures up

612
00:31:16,819 --> 00:31:21,019
in people's minds flying saucers little

613
00:31:19,069 --> 00:31:24,918

green men yeah so unusual aerial

614

00:31:21,019 --> 00:31:26,779

sightings we prefer other unusual aerial

615

00:31:24,919 --> 00:31:29,480

sightings that cannot be explained

616

00:31:26,779 --> 00:31:31,940

almost definitely yes is there a sort of

617

00:31:29,480 --> 00:31:36,500

percentile there somewhere that I'd say

618

00:31:31,940 --> 00:31:39,409

about 90% we can explain 10% on average

619

00:31:36,500 --> 00:31:42,140

we can't for various reasons they may be

620

00:31:39,409 --> 00:31:45,320

put in too late insufficient information

621

00:31:42,140 --> 00:31:48,710

or summer hoaxes but definitely some we

622

00:31:45,319 --> 00:31:52,129

cannot explain you what's the it's a

623

00:31:48,710 --> 00:31:53,538

very unusual thing and we appreciate it

624

00:31:52,130 --> 00:31:55,039

very much that we can talk to you

625

00:31:53,538 --> 00:31:58,158

because it's I think fairly rare that

626

00:31:55,038 --> 00:31:59,450

you give interviews at all correct thank

627

00:31:58,159 --> 00:32:02,990

you

628
00:31:59,450 --> 00:32:05,120
what's the official policy that I think

629
00:32:02,990 --> 00:32:08,720
we should establish yes I think so in

630
00:32:05,119 --> 00:32:11,029
the early 1950s about mid 1950s I'm the

631
00:32:08,720 --> 00:32:13,009
government of Australia along with the

632
00:32:11,029 --> 00:32:15,349
governments of America and United

633
00:32:13,009 --> 00:32:16,940
Kingdom I thought there might be some

634
00:32:15,349 --> 00:32:20,000
threat to national security

635
00:32:16,940 --> 00:32:23,150
with the sightings of all these peculiar

636
00:32:20,000 --> 00:32:26,029
happenings so they asked the audible AF

637
00:32:23,150 --> 00:32:28,940
to investigate all the reports and come

638
00:32:26,029 --> 00:32:32,058
up with the facts and after about ten or

639
00:32:28,940 --> 00:32:34,820
twelve years we could not produce any

640
00:32:32,058 --> 00:32:37,819
information that suggested there were

641
00:32:34,819 --> 00:32:39,329
any interlopers from outer space the 10%

642
00:32:37,819 --> 00:32:41,759
or so on

643
00:32:39,329 --> 00:32:43,949
we couldn't explain but on the other

644
00:32:41,759 --> 00:32:46,528
hand they didn't suggest any interlopers

645
00:32:43,950 --> 00:32:50,340
the one thing of course that the UFO

646
00:32:46,528 --> 00:32:52,499
societies say to me is that they believe

647
00:32:50,339 --> 00:32:55,319
that the double AF is passing

648
00:32:52,499 --> 00:32:58,558
information to the USA and other

649
00:32:55,319 --> 00:33:01,079
countries is that true not exactly we

650
00:32:58,558 --> 00:33:04,348
don't have any direct liaison with the

651
00:33:01,079 --> 00:33:06,569
USAF or the RAF but certainly we get

652
00:33:04,348 --> 00:33:10,048
inquiries from overseas from the UFO

653
00:33:06,569 --> 00:33:12,808
societies from people and we will answer

654
00:33:10,048 --> 00:33:14,700
them if they want information on our

655
00:33:12,808 --> 00:33:16,918
sightings and we'll send it to them it

656

00:33:14,700 --> 00:33:19,379
is possible some of these reports will

657
00:33:16,919 --> 00:33:23,519
filter their way back to the USAF but we

658
00:33:19,378 --> 00:33:25,678
have no direct liaison that was the

659
00:33:23,519 --> 00:33:28,499
military Air Arm point of view what

660
00:33:25,679 --> 00:33:30,570
about the civilian aviation scene this

661
00:33:28,499 --> 00:33:32,669
confidential report from a civil airline

662
00:33:30,569 --> 00:33:34,319
captain was given to us reporting an

663
00:33:32,669 --> 00:33:38,489
incident that took place over Western

664
00:33:34,319 --> 00:33:40,829
Australia in 1976 the Department of

665
00:33:38,489 --> 00:33:42,960
Transport knew of no known traffic in

666
00:33:40,829 --> 00:33:45,089
the vicinity in the Med office knew of

667
00:33:42,960 --> 00:33:48,149
no possible cause for turbulence

668
00:33:45,089 --> 00:33:50,548
if the turbulence we hit was caused by

669
00:33:48,148 --> 00:33:53,988
an object I'd estimate it was moving and

670
00:33:50,548 --> 00:33:57,479

say between mark 2.5 to mark 3 that's

671

00:33:53,989 --> 00:34:00,119

around 2,000 miles an hour passengers

672

00:33:57,479 --> 00:34:02,970

were hurt and a stewardess was off for

673

00:34:00,118 --> 00:34:06,118

six months and with an injured back and

674

00:34:02,970 --> 00:34:08,278

seats were broken we also spoke to a

675

00:34:06,118 --> 00:34:12,210

local air traffic controller who wishes

676

00:34:08,278 --> 00:34:13,710

to remain anonymous I've been a radar

677

00:34:12,210 --> 00:34:16,730

controller for sending over ten years

678

00:34:13,710 --> 00:34:20,460

and during that time I've seen several

679

00:34:16,730 --> 00:34:23,969

returns on the radar screen they appear

680

00:34:20,460 --> 00:34:25,740

at an error and they disappear and they

681

00:34:23,969 --> 00:34:29,939

don't appear to be able to be explained

682

00:34:25,739 --> 00:34:35,658

by the staff answers which we we can put

683

00:34:29,940 --> 00:34:38,460

such returned such as flocks of birds

684

00:34:35,659 --> 00:34:39,960

balloons moving downwind some of these

685
00:34:38,460 --> 00:34:42,480
returns will be moving against the

686
00:34:39,960 --> 00:34:44,190
prevailing winds nothing as romantic as

687
00:34:42,480 --> 00:34:46,469
perhaps the air traffic controllers in

688
00:34:44,190 --> 00:34:48,869
the States have where they've actually

689
00:34:46,469 --> 00:34:50,278
been able to investigate such sightings

690
00:34:48,869 --> 00:34:50,649
with aircraft nothing

691
00:34:50,278 --> 00:34:52,809
Esper

692
00:34:50,648 --> 00:34:57,639
take us there mammal is something that I

693
00:34:52,809 --> 00:34:59,980
can't explain and from Calgary Airport

694
00:34:57,639 --> 00:35:03,759
last year a report from the duty

695
00:34:59,980 --> 00:35:06,028
meteorologist the UFO passed across the

696
00:35:03,760 --> 00:35:08,920
sky from the Northeast to the southwest

697
00:35:06,028 --> 00:35:11,199
not directly overhead but a little to

698
00:35:08,920 --> 00:35:13,838
the south of me the object looked over

699
00:35:11,199 --> 00:35:15,848
from my viewing angle it appeared in

700
00:35:13,838 --> 00:35:18,578
size about half that a five cent coin

701
00:35:15,849 --> 00:35:20,140
would be when held at arm's length it

702
00:35:18,579 --> 00:35:22,240
was white and the whiteness seemed

703
00:35:20,139 --> 00:35:25,598
brightest at the edges which weren't

704
00:35:22,239 --> 00:35:27,219
sharply defined there was no sound and

705
00:35:25,599 --> 00:35:29,318
not knowing the size of the object

706
00:35:27,219 --> 00:35:32,889
it was pretty impossible to estimate its

707
00:35:29,318 --> 00:35:34,568
altitude the ufa took about ten seconds

708
00:35:32,889 --> 00:35:36,788
from when I first sighted it in the

709
00:35:34,568 --> 00:35:38,829
Northeast to when it appeared to stop in

710
00:35:36,789 --> 00:35:41,920
the Southwest at about forty to

711
00:35:38,829 --> 00:35:44,528
forty-five degrees elevation it seemed

712
00:35:41,920 --> 00:35:46,510
to stay there for about five seconds

713

00:35:44,528 --> 00:35:49,420
then it seemed to just vanish instantly

714
00:35:46,510 --> 00:35:52,450
without moving from the spot with a

715
00:35:49,420 --> 00:35:53,950
jumbo cargo of over 300 people the

716
00:35:52,449 --> 00:35:56,588
responsibility on the pilot is

717
00:35:53,949 --> 00:35:59,379
tremendous did they ever see anything

718
00:35:56,588 --> 00:36:02,920
unusual eye on Eastern Airlines from LA

719
00:35:59,380 --> 00:36:04,240
to New Orleans and my production

720
00:36:02,920 --> 00:36:05,798
designer who was on the airplane with me

721
00:36:04,239 --> 00:36:07,389
I was talking to this tortoises about

722
00:36:05,798 --> 00:36:09,009
the movie we were making any mention one

723
00:36:07,389 --> 00:36:12,879
of the stewardesses that it was a from

724
00:36:09,010 --> 00:36:14,049
about dealing you know with UFOs and the

725
00:36:12,880 --> 00:36:15,430
sort of sir peril he went into the cabin

726
00:36:14,048 --> 00:36:16,869
and mentioned the pilot and all of a

727
00:36:15,429 --> 00:36:18,639

sudden this big steely gray haired guy

728

00:36:16,869 --> 00:36:20,528

with wings on his chest company comes

729

00:36:18,639 --> 00:36:22,538

out the pilot of the airplane they point

730

00:36:20,528 --> 00:36:25,210

me out he sits down next to me and he

731

00:36:22,539 --> 00:36:27,369

said are you would this be a serious

732

00:36:25,210 --> 00:36:30,608

movie or is this just gonna be a comedy

733

00:36:27,369 --> 00:36:31,930

or sci-fi and I said no we're taking the

734

00:36:30,608 --> 00:36:33,250

subject very serious and then knowing

735

00:36:31,929 --> 00:36:34,629

that I wasn't about this laugh in his

736

00:36:33,250 --> 00:36:36,369

face and ridicule what it was about to

737

00:36:34,630 --> 00:36:37,900

tell me he sat down he told me two

738

00:36:36,369 --> 00:36:42,039

experiences he had while flying with

739

00:36:37,900 --> 00:36:44,230

Eastern one was a nocturnal light that

740

00:36:42,039 --> 00:36:46,750

traveled very very quickly across his

741

00:36:44,230 --> 00:36:48,130

glide path it startled everybody because

742
00:36:46,750 --> 00:36:51,068
it would speed it wasn't a shooting star

743
00:36:48,130 --> 00:36:53,140
it wasn't up there it was eye level and

744
00:36:51,068 --> 00:36:54,579
moving very very quickly for something

745
00:36:53,139 --> 00:36:59,108
that was it was passing very close

746
00:36:54,579 --> 00:37:01,269
across his belt in the shadow of some of

747
00:36:59,108 --> 00:37:03,739
the world's tallest buildings we were

748
00:37:01,269 --> 00:37:09,679
told of the most dramatic UFO Experion

749
00:37:03,739 --> 00:37:13,159
that a human being has claimed so far so

750
00:37:09,679 --> 00:37:16,219
we're traveling alone when suddenly very

751
00:37:13,159 --> 00:37:18,230
strange-looking maneuvering craft

752
00:37:16,219 --> 00:37:22,279
started following us for several miles

753
00:37:18,230 --> 00:37:25,670
in an area called Indian Head this craft

754
00:37:22,280 --> 00:37:27,710
loves to highway came out I'm excuse me

755
00:37:25,670 --> 00:37:29,869
left the top of the mountain came out

756
00:37:27,710 --> 00:37:32,240
over the high right and stopped in

757
00:37:29,869 --> 00:37:37,220
midair and we could see it through the

758
00:37:32,239 --> 00:37:40,009
binoculars and curved windows red light

759
00:37:37,219 --> 00:37:42,588
and he tried the Barney decided to get

760
00:37:40,010 --> 00:37:46,010
out and try to identify this craft and

761
00:37:42,588 --> 00:37:48,380
he saw a group of human-like figures

762
00:37:46,010 --> 00:37:51,140
standing in the window looking down at

763
00:37:48,380 --> 00:37:54,260
him and he had the feeling that he was

764
00:37:51,139 --> 00:37:57,170
being told to keep looking that would be

765
00:37:54,260 --> 00:37:59,510
afraid no I was going to come to you and

766
00:37:57,170 --> 00:38:00,608
at that point the craft started to

767
00:37:59,510 --> 00:38:04,880
descend

768
00:38:00,608 --> 00:38:07,400
Barney was filled with fear thinking she

769
00:38:04,880 --> 00:38:10,010
was going to be captured he ran back to

770

00:38:07,400 --> 00:38:13,430
the car and we took off speeding down

771
00:38:10,010 --> 00:38:17,000
the highway we have a series of evening

772
00:38:13,429 --> 00:38:19,299
sounds and a few miles beyond this we

773
00:38:17,000 --> 00:38:22,719
heard a second series for beeping sounds

774
00:38:19,300 --> 00:38:26,300
now later in our investigation of this

775
00:38:22,719 --> 00:38:28,549
we began to realize that we could not

776
00:38:26,300 --> 00:38:31,250
remember what had happened between the

777
00:38:28,550 --> 00:38:33,769
two series of beeping sounds when the

778
00:38:31,250 --> 00:38:35,539
story leaked out an eminent psychologist

779
00:38:33,769 --> 00:38:38,750
placed Betty and Barney into deep

780
00:38:35,539 --> 00:38:40,429
hypnosis the hypnosis proved that Barney

781
00:38:38,750 --> 00:38:44,900
and I had been captured and taken

782
00:38:40,429 --> 00:38:47,269
onboard a UFO if after the first series

783
00:38:44,900 --> 00:38:48,170
of beeping sounds we were speeding down

784
00:38:47,269 --> 00:38:50,989

the highway

785

00:38:48,170 --> 00:38:53,809

Barney left the main highway onto a side

786

00:38:50,989 --> 00:38:59,358

road and then a sudden left hand turned

787

00:38:53,809 --> 00:39:01,849

onto a very now wood road the beings

788

00:38:59,358 --> 00:39:03,619

whom he had seen on board the craft were

789

00:39:01,849 --> 00:39:06,830

now standing in the middle of this road

790

00:39:03,619 --> 00:39:09,019

in the car motor stalled the body was

791

00:39:06,829 --> 00:39:09,739

trying and trying to stop the car it

792

00:39:09,019 --> 00:39:12,769

wouldn't start

793

00:39:09,739 --> 00:39:15,259

they separated came up and took us out

794

00:39:12,769 --> 00:39:17,900

of the car into groups

795

00:39:15,260 --> 00:39:20,570

they took us to a path in the woods to

796

00:39:17,900 --> 00:39:23,329

where the craft was on the ground took

797

00:39:20,570 --> 00:39:28,180

us on board took us in two separate

798

00:39:23,329 --> 00:39:31,130

rooms gave us physical examinations and

799

00:39:28,179 --> 00:39:33,799

during this examination we learned they

800

00:39:31,130 --> 00:39:37,360

had put a cup-like instrument on baby's

801

00:39:33,800 --> 00:39:41,870

abdomen now later when we returned home

802

00:39:37,360 --> 00:39:44,900

this Barney developed a pattern of warts

803

00:39:41,869 --> 00:39:46,670

in a perfect circle and we never knew

804

00:39:44,900 --> 00:39:50,000

until the hypnosis that that was the

805

00:39:46,670 --> 00:39:51,619

spot where they this cup-like instrument

806

00:39:50,000 --> 00:39:53,420

was put onto him

807

00:39:51,619 --> 00:39:55,389

well you're one of the few people to

808

00:39:53,420 --> 00:40:00,050

have met aliens what do they look like

809

00:39:55,389 --> 00:40:03,619

they all had very very large eyes very

810

00:40:00,050 --> 00:40:07,100

small nose thin slit for a mouth no hair

811

00:40:03,619 --> 00:40:11,960

no eyebrows eyelashes and nope

812

00:40:07,099 --> 00:40:15,079

was part of the ear that we could see we

813
00:40:11,960 --> 00:40:17,869
did not notice teeth in fact when Barney

814
00:40:15,079 --> 00:40:20,110
was lying on the table looking at one of

815
00:40:17,869 --> 00:40:23,900
them appeared to have side of a membrane

816
00:40:20,110 --> 00:40:27,130
which flooded behind his lips it looked

817
00:40:23,900 --> 00:40:27,130
like a thin skinned

818
00:40:33,349 --> 00:40:39,180
but it's not an exclusive American right

819
00:40:36,179 --> 00:40:41,129
to see UFOs one of the most credible

820
00:40:39,179 --> 00:40:43,348
witnesses we interviewed was an

821
00:40:41,130 --> 00:40:45,960
Australian minister the reverent William

822
00:40:43,349 --> 00:40:48,059
Gill posted before the time of his

823
00:40:45,960 --> 00:40:51,869
sighting to the Anglican mission in

824
00:40:48,059 --> 00:40:55,170
Boyne a popular New Guinea one night at

825
00:40:51,869 --> 00:40:56,630
7:45 as he stood with 38 other people at

826
00:40:55,170 --> 00:41:00,539
the edge of the mission playing field

827

00:40:56,630 --> 00:41:03,539
every one of them saw the same thing can

828
00:41:00,539 --> 00:41:07,829
you imagine what it's like to look up in

829
00:41:03,539 --> 00:41:10,380
the sky and see a totally foreign

830
00:41:07,829 --> 00:41:14,969
looking object their stairs just

831
00:41:10,380 --> 00:41:18,769
hovering not very far high up maybe two

832
00:41:14,969 --> 00:41:26,309
or three hundred feet up in the air and

833
00:41:18,769 --> 00:41:29,300
glowing and to bipods jutting out from

834
00:41:26,309 --> 00:41:34,739
behind it from underneath it and

835
00:41:29,300 --> 00:41:39,710
sparkling all around and some figures up

836
00:41:34,739 --> 00:41:45,419
there this solid looking object and

837
00:41:39,710 --> 00:41:49,650
figures walking about on top and not the

838
00:41:45,420 --> 00:41:53,519
slightest noise whatsoever and so we

839
00:41:49,650 --> 00:41:55,588
waved wouldn't be wonderful if we could

840
00:41:53,519 --> 00:41:59,400
get this object down onto the playing

841
00:41:55,588 --> 00:42:01,289

field and as we waved wondering whether

842

00:41:59,400 --> 00:42:03,869

we'd get some recognition and whether

843

00:42:01,289 --> 00:42:08,009

perhaps they would understand what we

844

00:42:03,869 --> 00:42:10,349

wanted they waved back so I asked a boy

845

00:42:08,010 --> 00:42:14,310

to go quickly down bring the torch with

846

00:42:10,349 --> 00:42:16,170

your pencil bringing paper and return as

847

00:42:14,309 --> 00:42:18,539

quickly as he can so that I can get you

848

00:42:16,170 --> 00:42:21,900

or any other events that occurred minute

849

00:42:18,539 --> 00:42:24,059

by minute movements so that at least

850

00:42:21,900 --> 00:42:24,630

we'd be able to talk about it the next

851

00:42:24,059 --> 00:42:26,849

day

852

00:42:24,630 --> 00:42:28,440

and as he did very very quickly he

853

00:42:26,849 --> 00:42:31,109

brought it back and he brought that took

854

00:42:28,440 --> 00:42:37,260

the torch and put the torch on and shown

855

00:42:31,108 --> 00:42:41,298

it to the the craft and as he did so he

856
00:42:37,260 --> 00:42:46,940
waved the or moved

857
00:42:41,298 --> 00:42:49,818
this way and we were dumbfounded when we

858
00:42:46,940 --> 00:42:52,220
looked at the craft and the crowd was as

859
00:42:49,818 --> 00:42:55,900
though it was responding to the torch it

860
00:42:52,219 --> 00:42:59,838
began to do this too you know like a a

861
00:42:55,900 --> 00:43:00,410
disc-shaped object just moving the same

862
00:42:59,838 --> 00:43:02,568
way

863
00:43:00,409 --> 00:43:06,259
responding to the deserted movement of

864
00:43:02,568 --> 00:43:09,108
the torch next day just prior to the

865
00:43:06,260 --> 00:43:11,289
evening service about seven o'clock the

866
00:43:09,108 --> 00:43:16,038
thing was there again it had arrived

867
00:43:11,289 --> 00:43:19,430
about an hour earlier and we all decided

868
00:43:16,039 --> 00:43:23,660
to have the normal even song that we do

869
00:43:19,429 --> 00:43:26,088
have on there on those nights because

870
00:43:23,659 --> 00:43:28,038
well the thing was out there outside the

871
00:43:26,088 --> 00:43:30,409
church anyway and we thought it wouldn't

872
00:43:28,039 --> 00:43:32,960
go away or doing the service and it

873
00:43:30,409 --> 00:43:36,048
didn't and when we came out there it was

874
00:43:32,960 --> 00:43:41,059
still up in the sky and so for another

875
00:43:36,048 --> 00:43:45,969
hour or two we watched and then suddenly

876
00:43:41,059 --> 00:43:50,260
it did go and there was this amazingly

877
00:43:45,969 --> 00:43:54,528
incredible speed that the whole craft

878
00:43:50,260 --> 00:43:57,859
disappeared to nothing across the bay in

879
00:43:54,528 --> 00:44:00,679
that of a second or so from New Guinea

880
00:43:57,858 --> 00:44:02,480
to China from China to Peru native

881
00:44:00,679 --> 00:44:06,019
customs and beliefs reflect the history

882
00:44:02,480 --> 00:44:07,849
of such visits from gods of the sky the

883
00:44:06,019 --> 00:44:09,710
sky spirits of Australian Aboriginal

884

00:44:07,849 --> 00:44:12,470
myth are these one Gina from the

885
00:44:09,710 --> 00:44:14,778
Kimberley how similar they are to our

886
00:44:12,469 --> 00:44:17,209
own astronauts the UFO phenomenon didn't

887
00:44:14,778 --> 00:44:19,639
really start in 1947 we have many

888
00:44:17,210 --> 00:44:22,068
sightings from during the war before the

889
00:44:19,639 --> 00:44:24,230
war in the 19th century and going back

890
00:44:22,068 --> 00:44:25,940
as far as we have records and in that

891
00:44:24,230 --> 00:44:29,389
regard I've been especially fascinated

892
00:44:25,940 --> 00:44:31,730
by the possible parallel between UFO

893
00:44:29,389 --> 00:44:34,129
sightings and folklore if you think of

894
00:44:31,730 --> 00:44:36,260
the the win Gina drawings for example in

895
00:44:34,130 --> 00:44:39,048
Australia if you think of similar cave

896
00:44:36,260 --> 00:44:40,880
drawings in from China to the Sahara if

897
00:44:39,048 --> 00:44:43,099
you think of the Celtic traditions in

898
00:44:40,880 --> 00:44:45,588

Brittany in the Celtic and the Celtic

899

00:44:43,099 --> 00:44:48,528

countries if you think of the American

900

00:44:45,588 --> 00:44:51,440

Indian folklore or of those have certain

901

00:44:48,528 --> 00:44:52,548

common preoccupations with beings coming

902

00:44:51,440 --> 00:44:56,539

from the sky

903

00:44:52,548 --> 00:44:59,509

beings wearing some sort of suit beings

904

00:44:56,539 --> 00:45:03,109

are the the whole mythology of contact

905

00:44:59,509 --> 00:45:05,208

between men and another culture possibly

906

00:45:03,108 --> 00:45:07,670

coming from space one night about ten

907

00:45:05,208 --> 00:45:09,198

years ago in Florida Park in Perth Paul

908

00:45:07,670 --> 00:45:11,778

Mike saw something he couldn't quite

909

00:45:09,199 --> 00:45:13,880

explain Paul tell me about that well

910

00:45:11,778 --> 00:45:15,708

would have been around about 10 or 11

911

00:45:13,880 --> 00:45:18,679

years ago I think it would be around

912

00:45:15,708 --> 00:45:20,088

about 1966 I was going to bed it would

913
00:45:18,679 --> 00:45:22,338
have been about 11 or 12 o'clock at

914
00:45:20,088 --> 00:45:23,688
night I laid in bed looked out through

915
00:45:22,338 --> 00:45:26,088
the window and I saw this thing going

916
00:45:23,688 --> 00:45:27,228
backwards and forwards extremely fast I

917
00:45:26,088 --> 00:45:28,788
couldn't work out what it was so I

918
00:45:27,228 --> 00:45:30,739
jumped out of bed got both my parents

919
00:45:28,789 --> 00:45:32,089
out of bed and a friend who was staying

920
00:45:30,739 --> 00:45:33,528
with us at the time so there's four of

921
00:45:32,088 --> 00:45:36,438
us actually singing so I wasn't by

922
00:45:33,528 --> 00:45:39,048
myself and we stood out here and watched

923
00:45:36,438 --> 00:45:41,659
it for quite some time and we thought

924
00:45:39,048 --> 00:45:44,599
what the heck is it was just too fast to

925
00:45:41,659 --> 00:45:49,909
be a jet was changing direction too fast

926
00:45:44,599 --> 00:45:52,548
to be anything but I would say UFO in

927
00:45:49,909 --> 00:45:55,399
the same year this photograph claimed to

928
00:45:52,548 --> 00:45:57,889
be a UFO was taken from Kings Park in

929
00:45:55,400 --> 00:46:00,199
Perth four miles away from where Paul's

930
00:45:57,889 --> 00:46:02,358
family live in Fourier park we got a

931
00:46:00,199 --> 00:46:02,959
surprise we didn't know actually what it

932
00:46:02,358 --> 00:46:05,598
was

933
00:46:02,958 --> 00:46:07,639
and we're puzzled and we couldn't tell

934
00:46:05,599 --> 00:46:11,239
the shape of it because was going too

935
00:46:07,639 --> 00:46:14,588
fast and it was going it was flying

936
00:46:11,239 --> 00:46:17,449
actually like a cart but much faster

937
00:46:14,588 --> 00:46:19,880
well actually when we came out here to

938
00:46:17,449 --> 00:46:21,318
look at it we noticed we couldn't work

939
00:46:19,880 --> 00:46:23,749
out the distance it was because it was

940
00:46:21,318 --> 00:46:25,788
sort of about the height of those clouds

941

00:46:23,748 --> 00:46:28,488
there and I was going between that land

942
00:46:25,789 --> 00:46:30,528
pole and that pine tree on the other

943
00:46:28,489 --> 00:46:32,179
side there backwards and forwards away a

944
00:46:30,528 --> 00:46:33,469
kite would do if it was held there it

945
00:46:32,179 --> 00:46:35,719
goes backwards and forwards like that

946
00:46:33,469 --> 00:46:37,548
but it was not a kite because it

947
00:46:35,719 --> 00:46:39,769
couldn't go so far and it couldn't be

948
00:46:37,548 --> 00:46:41,509
lit up the way it was it was yellow and

949
00:46:39,768 --> 00:46:44,389
was going backwards and forwards pretty

950
00:46:41,509 --> 00:46:46,548
fast and it will look very unusual you

951
00:46:44,389 --> 00:46:49,188
know and rather interesting but of

952
00:46:46,548 --> 00:46:51,498
course was fairly late and but it looked

953
00:46:49,188 --> 00:46:52,578
like a UFO I really did think that you

954
00:46:51,498 --> 00:46:53,568
know because I'd never seen anything

955
00:46:52,579 --> 00:46:55,548

like that before

956

00:46:53,568 --> 00:46:57,858

honestly then what happened in the end

957

00:46:55,548 --> 00:46:59,509

pull well the thought I was going

958

00:46:57,858 --> 00:47:00,828

backwards and forward so fast it wasn't

959

00:46:59,509 --> 00:47:02,289

actually stopping at each time that I

960

00:47:00,829 --> 00:47:04,180

got to the point that I wanted us

961

00:47:02,289 --> 00:47:07,539

I was just going there and straight back

962

00:47:04,179 --> 00:47:08,679

again so it wasn't stopping and after

963

00:47:07,539 --> 00:47:10,029

that after have been doing this for

964

00:47:08,679 --> 00:47:11,469

quite some time it wasn't lighting

965

00:47:10,030 --> 00:47:13,600

anything up or looking at anything it

966

00:47:11,469 --> 00:47:15,969

didn't seem to be but I just disappeared

967

00:47:13,599 --> 00:47:18,130

straight away from us straight off into

968

00:47:15,969 --> 00:47:19,509

the north fast fast yeah just

969

00:47:18,130 --> 00:47:21,820

disappeared like it was going away so

970
00:47:19,510 --> 00:47:24,310
fast that it disappeared into the into

971
00:47:21,820 --> 00:47:27,430
the horizon sort of thing could the

972
00:47:24,309 --> 00:47:30,279
swift disappearance so typical of UFOs

973
00:47:27,429 --> 00:47:34,109
because by pursuit as in this clip from

974
00:47:30,280 --> 00:47:34,110
20th Century Fox Star Wars

975
00:47:54,070 --> 00:47:58,269
it's like an Imperial cruiser a pattern

976
00:47:56,619 --> 00:47:59,980
I thought try and hold him off angle the

977
00:47:58,269 --> 00:48:02,280
deflector shield make the calculations

978
00:47:59,980 --> 00:48:02,280
we'll jump

979
00:48:10,579 --> 00:48:13,789
they sharp lick two more coming in

980
00:48:12,530 --> 00:48:15,170
they're gonna try and cut us off

981
00:48:13,789 --> 00:48:16,639
why don't y'all run him I thought you

982
00:48:15,170 --> 00:48:17,930
said this thing was bad watch your mouth

983
00:48:16,639 --> 00:48:19,730
kid he gonna bite you stop bloody home

984
00:48:17,929 --> 00:48:22,219
we'll be safe enough what to make the

985
00:48:19,730 --> 00:48:25,119
jump to hyperspace sighs I know a few

986
00:48:22,219 --> 00:48:25,119
maneuvers go lose them

987
00:48:27,960 --> 00:49:02,880
within wala was on the 6th of January

988
00:48:59,699 --> 00:49:05,039
1968 just by the edge of the riverbank

989
00:49:02,880 --> 00:49:07,289
near this golf course that I witnessed

990
00:49:05,039 --> 00:49:11,190
the landing of no less than two flying

991
00:49:07,289 --> 00:49:13,289
saucers negative craft and a and a good

992
00:49:11,190 --> 00:49:16,200
guys craft that are both good guys and

993
00:49:13,289 --> 00:49:18,960
bad guys and the whole thing started off

994
00:49:16,199 --> 00:49:21,539
when the state electricity Commission

995
00:49:18,960 --> 00:49:24,539
built a 66 thousand volt power station

996
00:49:21,539 --> 00:49:26,460
next door to my home and these attracted

997
00:49:24,539 --> 00:49:27,750
the flying saucers which came and had a

998

00:49:26,460 --> 00:49:29,369
look at it while it was in his

999
00:49:27,750 --> 00:49:31,380
construction stages and when it was

1000
00:49:29,369 --> 00:49:33,930
switched on especially they came around

1001
00:49:31,380 --> 00:49:38,160
in droves measuring the magnetic fields

1002
00:49:33,929 --> 00:49:40,639
around it in those days in 1968 we had

1003
00:49:38,159 --> 00:49:42,779
Essendon Airport in Melbourne

1004
00:49:40,639 --> 00:49:44,789
tullamarine hadn't been built and

1005
00:49:42,780 --> 00:49:47,130
aircraft took off like flocks of birds

1006
00:49:44,789 --> 00:49:50,099
all over the place and this particular

1007
00:49:47,130 --> 00:49:52,079
plane had to Bank on this evening the

1008
00:49:50,099 --> 00:49:54,780
6th of the first 68 in order to miss

1009
00:49:52,079 --> 00:49:57,150
this flying saucer which then after it

1010
00:49:54,780 --> 00:49:59,510
left the paper mills trundled off across

1011
00:49:57,150 --> 00:50:03,030
the sky over here to the cube boulevard

1012
00:49:59,510 --> 00:50:05,369

so I had my camera loaded up with 400

1013

00:50:03,030 --> 00:50:09,240

AAS a black-and-white 8 millimeter film

1014

00:50:05,369 --> 00:50:11,940

and I took it and followed this UFO down

1015

00:50:09,239 --> 00:50:14,429

by the roadside by the river and I got

1016

00:50:11,940 --> 00:50:16,470

some spectacular film of a landing I had

1017

00:50:14,429 --> 00:50:18,088

a sudden impression to look up and lo

1018

00:50:16,469 --> 00:50:20,459

and behold this light in the sky was

1019

00:50:18,088 --> 00:50:27,599

getting bigger and bigger and I realized

1020

00:50:20,460 --> 00:50:30,000

it was going to land and it did land but

1021

00:50:27,599 --> 00:50:32,460

I was so surprised because watching a

1022

00:50:30,000 --> 00:50:34,170

UFO land isn't any normal event are so

1023

00:50:32,460 --> 00:50:36,449

surprised I didn't get a picture of the

1024

00:50:34,170 --> 00:50:38,369

first landing and just as well because

1025

00:50:36,449 --> 00:50:40,529

this was a landing by the men in black

1026

00:50:38,369 --> 00:50:41,519

what we know is the negative flying

1027
00:50:40,530 --> 00:50:43,620
saucers

1028
00:50:41,519 --> 00:50:47,130
but after I'd recovered from my surprise

1029
00:50:43,619 --> 00:50:50,369
I did get enough gumption to photograph

1030
00:50:47,130 --> 00:50:52,619
the second UFO which came from ashtar

1031
00:50:50,369 --> 00:50:55,019
command which was in hot pursuit of this

1032
00:50:52,619 --> 00:50:59,069
first UFO and this is the one that

1033
00:50:55,019 --> 00:51:02,699
landed in the movie film I took now ten

1034
00:50:59,070 --> 00:51:06,230
years later this is the spot where the

1035
00:51:02,699 --> 00:51:09,239
flying saucer landed and I revisited the

1036
00:51:06,230 --> 00:51:12,449
location and this is an approximate

1037
00:51:09,239 --> 00:51:17,639
angle of what I shot on my movie film

1038
00:51:12,449 --> 00:51:20,609
ten years later on today this picture

1039
00:51:17,639 --> 00:51:23,309
was taken the morning after the landing

1040
00:51:20,610 --> 00:51:26,190
he'd left a burnt circle 60 feet big in

1041
00:51:23,309 --> 00:51:28,889
the grass this second picture was taken

1042
00:51:26,190 --> 00:51:32,039
seven years later of the same burn

1043
00:51:28,889 --> 00:51:37,980
circle and as you see nothing has grown

1044
00:51:32,039 --> 00:51:40,259
on the spot well now let's take a look

1045
00:51:37,980 --> 00:51:44,929
at the burn circle 10 years later and

1046
00:51:40,260 --> 00:51:44,930
see whether or not anything has grown

1047
00:51:56,119 --> 00:52:02,759
yes well this is the burnt circle a lot

1048
00:52:00,659 --> 00:52:06,299
of flying saucer landings leave burnt

1049
00:52:02,760 --> 00:52:09,240
circles and nothing has grown on this

1050
00:52:06,300 --> 00:52:11,460
one since the original landing on that

1051
00:52:09,239 --> 00:52:13,109
particular night and over the years

1052
00:52:11,460 --> 00:52:15,449
we've come back to the boulevard and

1053
00:52:13,110 --> 00:52:19,620
checked this area and found no growth on

1054
00:52:15,449 --> 00:52:21,750
the burnt circle along with shaver

1055

00:52:19,619 --> 00:52:23,759
column Cameron claims to have had

1056
00:52:21,750 --> 00:52:27,989
contact with the subterranean Darrow's

1057
00:52:23,760 --> 00:52:30,510
and teros here in Australia this belief

1058
00:52:27,989 --> 00:52:32,250
should not be dismissed to likely Ray

1059
00:52:30,510 --> 00:52:34,710
Palmer came up with some astonishing

1060
00:52:32,250 --> 00:52:37,199
details about shavers experience I think

1061
00:52:34,710 --> 00:52:39,300
mr. shaver well he urgently claimed that

1062
00:52:37,199 --> 00:52:41,730
he spent eight years in these caves with

1063
00:52:39,300 --> 00:52:46,280
these Darrow and taro people t being

1064
00:52:41,730 --> 00:52:49,650
being integrative and I discovered later

1065
00:52:46,280 --> 00:52:51,330
much to my embarrassment that he had

1066
00:52:49,650 --> 00:52:53,099
spent these eight years in the Ypsilanti

1067
00:52:51,329 --> 00:52:56,639
State Hospital for the insane in

1068
00:52:53,099 --> 00:52:59,489
Michigan I contacted the doctors and

1069
00:52:56,639 --> 00:53:01,829

they said he was catatonic he lived in a

1070

00:52:59,489 --> 00:53:04,919
world even had to feed him in this

1071

00:53:01,829 --> 00:53:08,549
imaginary world of his except for one

1072

00:53:04,920 --> 00:53:10,889
thing when Kenneth Arnold saw the flying

1073

00:53:08,550 --> 00:53:13,410
saucers I put together two and two and I

1074

00:53:10,889 --> 00:53:16,349
said is the man catatonic or is there

1075

00:53:13,409 --> 00:53:18,179
something else going on but I got fifty

1076

00:53:16,349 --> 00:53:20,159
thousand letters we ordinarily get fifty

1077

00:53:18,179 --> 00:53:22,679
or sixty a month from people who said

1078

00:53:20,159 --> 00:53:24,359
mr. shaver is telling the truth and not

1079

00:53:22,679 --> 00:53:26,789
only that I have been in the caves too

1080

00:53:24,360 --> 00:53:29,490
and I hear the voices I've been hearing

1081

00:53:26,789 --> 00:53:32,719
these voices now for all forever Bethel

1082

00:53:29,489 --> 00:53:35,279
next seven years onwards every night and

1083

00:53:32,719 --> 00:53:39,599
until I started taking some infrared

1084
00:53:35,280 --> 00:53:42,090
film which I had read in a book by can't

1085
00:53:39,599 --> 00:53:46,739
think of his name there but Trevor James

1086
00:53:42,090 --> 00:53:49,320
and he had at the suggestion of a star

1087
00:53:46,739 --> 00:53:52,169
Space Command taken infrared photography

1088
00:53:49,320 --> 00:53:54,750
and got these invisible flying sources

1089
00:53:52,170 --> 00:53:56,880
so I thought well as these entities were

1090
00:53:54,750 --> 00:53:59,280
invisible now bothering me I'd try some

1091
00:53:56,880 --> 00:54:02,410
infrared film too and that's where I got

1092
00:53:59,280 --> 00:54:06,340
these pictures of these entities

1093
00:54:02,409 --> 00:54:07,750
and after those nights what was

1094
00:54:06,340 --> 00:54:10,470
happening to me was I was starting to

1095
00:54:07,750 --> 00:54:12,849
hear these voices just like shaver was

1096
00:54:10,469 --> 00:54:15,039
saying I was going to die saying they

1097
00:54:12,849 --> 00:54:16,569
were going to get me saying they wanted

1098
00:54:15,039 --> 00:54:19,449
to stop me researching into flying

1099
00:54:16,570 --> 00:54:21,070
sources and generally trying to terrify

1100
00:54:19,449 --> 00:54:22,739
me but I was never scared throughout the

1101
00:54:21,070 --> 00:54:25,720
whole thing this is what's kept me going

1102
00:54:22,739 --> 00:54:27,639
brilliant brains including Nobel Prize

1103
00:54:25,719 --> 00:54:31,480
winners around the world are still

1104
00:54:27,639 --> 00:54:36,000
puzzling not are there UFOs but what are

1105
00:54:31,480 --> 00:54:38,980
UFOs we talked to Klaus Nobel himself

1106
00:54:36,000 --> 00:54:42,329
but something at man cannot comprehend I

1107
00:54:38,980 --> 00:54:46,210
think it's very likely that there are

1108
00:54:42,329 --> 00:54:49,480
unexplained phenomena and I certainly

1109
00:54:46,210 --> 00:54:52,150
have many times hope that they become an

1110
00:54:49,480 --> 00:54:54,940
elicit us now and tell us here on earth

1111
00:54:52,150 --> 00:54:57,099
that we are in the process of doing

1112

00:54:54,940 --> 00:54:59,170
things that are not really in our best

1113
00:54:57,099 --> 00:55:01,900
interest because right now it seems like

1114
00:54:59,170 --> 00:55:09,159
yourself destructive and I would like to

1115
00:55:01,900 --> 00:55:11,680
have him to come visit us my personal

1116
00:55:09,159 --> 00:55:13,659
opinion today is that the flying saucers

1117
00:55:11,679 --> 00:55:16,059
exist in our atmosphere

1118
00:55:13,659 --> 00:55:20,230
they are intelligently controlled that

1119
00:55:16,059 --> 00:55:23,049
they are they do convey or carry people

1120
00:55:20,230 --> 00:55:24,789
just as real as you and I accept in a

1121
00:55:23,050 --> 00:55:26,950
different sense personally I'd say I'm

1122
00:55:24,789 --> 00:55:30,630
an agnostic if one can apply that term

1123
00:55:26,949 --> 00:55:35,108
to the subject I've seen many reports

1124
00:55:30,630 --> 00:55:37,989
some of them are definitely weird

1125
00:55:35,108 --> 00:55:40,239
but until I see one I don't believe but

1126
00:55:37,989 --> 00:55:43,329

I'm not going to say that up there well

1127

00:55:40,239 --> 00:55:48,130

now what are we to think of this kind of

1128

00:55:43,329 --> 00:55:51,609

phenomenon people claiming to see things

1129

00:55:48,130 --> 00:55:54,298

such as I did the 38 of us and we all

1130

00:55:51,608 --> 00:55:57,068

believe that we saw us but of course we

1131

00:55:54,298 --> 00:55:59,650

don't expect other people to believe us

1132

00:55:57,068 --> 00:56:01,929

if we if they don't want to and I have

1133

00:55:59,650 --> 00:56:04,778

very little time with the attitudes of

1134

00:56:01,929 --> 00:56:07,568

traditional science which may have much

1135

00:56:04,778 --> 00:56:09,460

more like religious dictatorships in

1136

00:56:07,568 --> 00:56:11,858

many instances than they do like

1137

00:56:09,460 --> 00:56:14,679

open-minded scientific communities we

1138

00:56:11,858 --> 00:56:16,538

have to have 15 million witnesses before

1139

00:56:14,679 --> 00:56:19,659

anybody's gonna look into the problem

1140

00:56:16,539 --> 00:56:22,690

seriously what this is utterly fantastic

1141
00:56:19,659 --> 00:56:24,940
this is more fantastic than than flying

1142
00:56:22,690 --> 00:56:27,670
saucers or or people from Venus or

1143
00:56:24,940 --> 00:56:29,739
anything as far as I'm concerned if 15

1144
00:56:27,670 --> 00:56:31,869
million people did collectively see

1145
00:56:29,739 --> 00:56:34,528
something like this flying over a major

1146
00:56:31,869 --> 00:56:36,640
city is here in Perth Australia

1147
00:56:34,528 --> 00:56:38,619
experience leads us to believe that

1148
00:56:36,639 --> 00:56:39,538
there would be a complete breakdown of

1149
00:56:38,619 --> 00:56:41,890
the social order

1150
00:56:39,539 --> 00:56:44,859
like the riots in New York when the

1151
00:56:41,889 --> 00:56:47,318
lights went out in the MGM film swell

1152
00:56:44,858 --> 00:56:50,068
and green we get a taste of the chaos

1153
00:56:47,318 --> 00:56:50,068
the future may hold

1154
00:56:59,079 --> 00:57:03,700
I wouldn't put it past this government

1155
00:57:01,509 --> 00:57:06,940
that a cosmic Watergate has been

1156
00:57:03,699 --> 00:57:11,048
underway for the last you know 25 years

1157
00:57:06,940 --> 00:57:13,659
at the same time I don't think it's I

1158
00:57:11,048 --> 00:57:15,579
think as we're growing up or from the

1159
00:57:13,659 --> 00:57:18,518
government's point of view I think we've

1160
00:57:15,579 --> 00:57:20,200
you know we're weaving adults for

1161
00:57:18,518 --> 00:57:21,578
hundreds of years but from the

1162
00:57:20,199 --> 00:57:23,348
government's point of view we're still

1163
00:57:21,579 --> 00:57:24,400
growing up and eventually they might

1164
00:57:23,349 --> 00:57:27,209
want to tell us something about what

1165
00:57:24,400 --> 00:57:30,430
they've discovered over over the decades

1166
00:57:27,208 --> 00:57:32,078
there is a rumor that was in US News

1167
00:57:30,429 --> 00:57:36,429
World Report a number of months ago that

1168
00:57:32,079 --> 00:57:38,469
Jimmy Carter might make a make some

1169

00:57:36,429 --> 00:57:41,739
unsettling disclosures about the UFO

1170
00:57:38,469 --> 00:57:43,059
phenomena sometime in December it's

1171
00:57:41,739 --> 00:57:44,259
probably Tommy I opened my movie in

1172
00:57:43,059 --> 00:57:46,749
December so it's perfect timing

1173
00:57:44,259 --> 00:57:48,009
there is a shyness and a reluctance on

1174
00:57:46,748 --> 00:57:51,068
the part of many witnesses and

1175
00:57:48,009 --> 00:57:53,889
understandably so against reporting

1176
00:57:51,068 --> 00:57:55,838
because too many have been ridiculed and

1177
00:57:53,889 --> 00:57:57,368
the life has been made somewhat

1178
00:57:55,838 --> 00:58:01,929
miserable for them but at the Center for

1179
00:57:57,369 --> 00:58:03,969
UFO studies both in the States and in

1180
00:58:01,929 --> 00:58:07,118
Australia Israel is our standard

1181
00:58:03,969 --> 00:58:09,670
practice never to use a person's name

1182
00:58:07,119 --> 00:58:13,660
without their specific permission so if

1183
00:58:09,670 --> 00:58:15,639

any of our viewers have a what they feel

1184

00:58:13,659 --> 00:58:18,098

is a valid UFO experience and have not

1185

00:58:15,639 --> 00:58:20,528

reported it by all means I would say it

1186

00:58:18,099 --> 00:58:23,199

is your scientific duty to report this

1187

00:58:20,528 --> 00:58:24,969

and with the assurance that your names

1188

00:58:23,199 --> 00:58:28,539

will not be used without your permission

1189

00:58:24,969 --> 00:58:31,119

a graduate nuclear physicist in America

1190

00:58:28,539 --> 00:58:34,569

felt it his duty to report a sighting he

1191

00:58:31,119 --> 00:58:36,579

shared with 12 other people perhaps he

1192

00:58:34,568 --> 00:58:39,179

will prove in the light of future events

1193

00:58:36,579 --> 00:58:42,099

to be the most credible witness of all

1194

00:58:39,179 --> 00:58:43,659

this rare official document was signed

1195

00:58:42,099 --> 00:58:46,660

by the then governor of the state of

1196

00:58:43,659 --> 00:58:52,808

Georgia now the president of the United

1197

00:58:46,659 --> 00:58:54,608

States Jimmy Carter as we were about to

1198
00:58:52,809 --> 00:58:57,190
finish this documentary another

1199
00:58:54,608 --> 00:59:00,548
intriguing explanation of UFOs was given

1200
00:58:57,190 --> 00:59:03,909
to us by an ex FBI Informer now living

1201
00:59:00,548 --> 00:59:05,920
in Perth a research physicist what he

1202
00:59:03,909 --> 00:59:06,308
has to say is what he believes to be the

1203
00:59:05,920 --> 00:59:09,548
truth

1204
00:59:06,309 --> 00:59:12,039
it is so staggering we felt we should

1205
00:59:09,548 --> 00:59:14,248
extend this program so that he could be

1206
00:59:12,039 --> 00:59:14,249
heard

1207
00:59:22,980 --> 00:59:27,940
this scientist believes that man holds

1208
00:59:25,869 --> 00:59:30,880
the secret of anti-gravity and can

1209
00:59:27,940 --> 00:59:32,679
produce flying sources at will we

1210
00:59:30,880 --> 00:59:38,769
interviewed him at a private house in

1211
00:59:32,679 --> 00:59:41,858
Perth well originally I didn't start to

1212
00:59:38,769 --> 00:59:45,068
investigate UFO phenomenon

1213
00:59:41,858 --> 00:59:49,630
I suppose I started studying the physics

1214
00:59:45,068 --> 00:59:51,130
it led me to this point 62 to 64 in the

1215
00:59:49,630 --> 00:59:54,640
United States Air Force Academy as a

1216
00:59:51,130 --> 00:59:56,650
cadet in a special government program as

1217
00:59:54,639 --> 00:59:58,989
you're aware the Air Force Academy is

1218
00:59:56,650 --> 01:00:01,960
outside NORAD in the Colorado mountains

1219
00:59:58,989 --> 01:00:04,479
it's a few miles up the hill from it and

1220
01:00:01,960 --> 01:00:08,588
I was trained there with 180 some odd

1221
01:00:04,480 --> 01:00:12,338
other characters to do research in areas

1222
01:00:08,588 --> 01:00:14,048
of electrogravitics later and we were

1223
01:00:12,338 --> 01:00:16,989
programmed with libraries of information

1224
01:00:14,048 --> 01:00:18,969
by slides flashed up on a wall at the

1225
01:00:16,989 --> 01:00:20,078
rate of 200 pages a second we couldn't

1226

01:00:18,969 --> 01:00:22,779
even read them but they were being

1227
01:00:20,079 --> 01:00:24,609
implanted in our minds subliminally it

1228
01:00:22,780 --> 01:00:26,980
was a very classified project and for

1229
01:00:24,608 --> 01:00:29,409
the most part of it all we were being

1230
01:00:26,980 --> 01:00:31,150
programmed we weren't aware of what was

1231
01:00:29,409 --> 01:00:33,519
going on we had normal classes and

1232
01:00:31,150 --> 01:00:34,809
physics and calculus and the sort of

1233
01:00:33,519 --> 01:00:36,429
things but this stuff was being

1234
01:00:34,809 --> 01:00:38,470
programmed in so that we had to

1235
01:00:36,429 --> 01:00:40,210
assimilate it or bring it to our

1236
01:00:38,469 --> 01:00:43,858
conscious mind over the months and years

1237
01:00:40,210 --> 01:00:45,880
had followed in dreams and a kind of

1238
01:00:43,858 --> 01:00:50,230
daydream periods during the day when

1239
01:00:45,880 --> 01:00:52,059
we're awake but all of the Academy in 64

1240
01:00:50,230 --> 01:00:53,349

I had a top-secret security clearance

1241
01:00:52,059 --> 01:00:55,900
with the government and then eventually

1242
01:00:53,349 --> 01:00:57,460
that lapse to secret and I did a bit of

1243
01:00:55,900 --> 01:00:58,838
time the reserves Air Force Reserves

1244
01:00:57,460 --> 01:01:03,338
with the East Rhodesia care command

1245
01:00:58,838 --> 01:01:05,500
outside of Fort Worth and then proceeded

1246
01:01:03,338 --> 01:01:08,650
to do private research in this electric

1247
01:01:05,500 --> 01:01:10,630
robotics thinking that I had cracked the

1248
01:01:08,650 --> 01:01:12,130
secret of antigravity all by myself and

1249
01:01:10,630 --> 01:01:15,640
jumping up and down on my father's labs

1250
01:01:12,130 --> 01:01:17,829
and mines and in Dallas in them one day

1251
01:01:15,639 --> 01:01:20,558
I was approached by the government and a

1252
01:01:17,829 --> 01:01:23,619
kind of a adversary from dr. drew

1253
01:01:20,559 --> 01:01:25,059
tellers office dr. James R maxvill when

1254
01:01:23,619 --> 01:01:25,490
he told me what I'd been doing in my

1255
01:01:25,059 --> 01:01:27,080
life

1256
01:01:25,489 --> 01:01:29,629
and the details of stuff I had me

1257
01:01:27,079 --> 01:01:32,389
written down or told anybody he knew and

1258
01:01:29,630 --> 01:01:34,190
he had other people like myself

1259
01:01:32,389 --> 01:01:35,929
sponsored in this kind of research

1260
01:01:34,190 --> 01:01:37,280
around the country and that was the

1261
01:01:35,929 --> 01:01:39,649
first time that I knew that the u.s.

1262
01:01:37,280 --> 01:01:41,839
governed was actively involved had been

1263
01:01:39,650 --> 01:01:44,539
and was still like to be involved in the

1264
01:01:41,838 --> 01:01:49,608
control of gravity with electricity and

1265
01:01:44,539 --> 01:01:52,550
who did this man represent well his job

1266
01:01:49,608 --> 01:01:54,108
as his job qualification is is he's the

1267
01:01:52,550 --> 01:01:55,849
director of the James R Maxwell

1268
01:01:54,108 --> 01:01:58,880
radiation research clinic in Dallas

1269
01:01:55,849 --> 01:02:02,269
Texas the same maxvill that invented the

1270
01:01:58,880 --> 01:02:05,930
irradiated thread treatment for cancer

1271
01:02:02,269 --> 01:02:07,159
of various organs and if you look at

1272
01:02:05,929 --> 01:02:09,799
this little dossier that to know who's

1273
01:02:07,159 --> 01:02:11,509
who you find that he was on the

1274
01:02:09,800 --> 01:02:14,269
president's national security advisory

1275
01:02:11,510 --> 01:02:17,270
board which is really a rather important

1276
01:02:14,269 --> 01:02:18,619
nog and the US intelligence system and

1277
01:02:17,269 --> 01:02:22,880
Kissinger would have been on the same

1278
01:02:18,619 --> 01:02:24,769
right and you find that he was closely

1279
01:02:22,880 --> 01:02:27,858
related with dr. Edward Teller who was

1280
01:02:24,769 --> 01:02:29,030
the kind of dev the father of the

1281
01:02:27,858 --> 01:02:30,799
hydrogen bomb project in the United

1282
01:02:29,030 --> 01:02:32,990
States but he told me the dr. teller was

1283

01:02:30,800 --> 01:02:35,000
the head of anti-gravity research there

1284
01:02:32,989 --> 01:02:36,618
had been I don't know what he still is

1285
01:02:35,000 --> 01:02:38,900
and then he had worked on a similar

1286
01:02:36,619 --> 01:02:40,789
project with him in fact the letter that

1287
01:02:38,900 --> 01:02:42,858
you and I viewed earlier for my files

1288
01:02:40,789 --> 01:02:45,259
from dr. max go to this government and

1289
01:02:42,858 --> 01:02:48,079
to some John Williams yeah did mention

1290
01:02:45,260 --> 01:02:51,770
that fact if you recall so what happened

1291
01:02:48,079 --> 01:02:53,750
to you then well and they suggested that

1292
01:02:51,769 --> 01:02:56,269
I finished my research in Australia

1293
01:02:53,750 --> 01:02:59,389
I wasn't enthralled with the idea but

1294
01:02:56,269 --> 01:03:01,940
dr. Maxfield told me that I would be

1295
01:02:59,389 --> 01:03:04,219
paid to come down and that I was to call

1296
01:03:01,940 --> 01:03:07,159
the Australian consulate in San

1297
01:03:04,219 --> 01:03:08,899

Francisco and asked for Bob gray I tell

1298

01:03:07,159 --> 01:03:11,509

them that in these words that I was a

1299

01:03:08,900 --> 01:03:14,059

member of Maxwell's party at the same

1300

01:03:11,510 --> 01:03:15,770

time that I was being approached by dr.

1301

01:03:14,059 --> 01:03:17,838

Maxwell's party to come down and finish

1302

01:03:15,769 --> 01:03:20,000

my research I'd been approached already

1303

01:03:17,838 --> 01:03:21,588

by the FBI was working for them as an

1304

01:03:20,000 --> 01:03:23,809

informant it doesn't mean that you're a

1305

01:03:21,588 --> 01:03:25,279

trained agent it just means that you're

1306

01:03:23,809 --> 01:03:27,199

somewhere in industry where they need

1307

01:03:25,280 --> 01:03:29,690

someone they don't have time to get him

1308

01:03:27,199 --> 01:03:31,279

in there informing them what well the

1309

01:03:29,690 --> 01:03:32,809

particular thing I was to inform on was

1310

01:03:31,280 --> 01:03:34,880

the comings and goings of various people

1311

01:03:32,809 --> 01:03:37,130

from the White House to my group of

1312
01:03:34,880 --> 01:03:38,579
companies in Dallas and also their

1313
01:03:37,130 --> 01:03:42,420
connection to Israel in the Middle East

1314
01:03:38,579 --> 01:03:44,759
political situation and and I did my job

1315
01:03:42,420 --> 01:03:46,860
rather well just reporting who came and

1316
01:03:44,760 --> 01:03:50,010
went and various amounts of money and

1317
01:03:46,860 --> 01:03:51,240
things I did know that transferred there

1318
01:03:50,010 --> 01:03:55,530
were about seven or eight hundred of us

1319
01:03:51,239 --> 01:03:57,449
in the United States that were employed

1320
01:03:55,530 --> 01:04:01,019
by the FBI in this matter I didn't take

1321
01:03:57,449 --> 01:04:02,460
money I took information exchange but at

1322
01:04:01,019 --> 01:04:04,889
any rate they came and told me the FBI

1323
01:04:02,460 --> 01:04:06,449
idea that I'd been compromised by a

1324
01:04:04,889 --> 01:04:09,119
break-in and one of their agencies in

1325
01:04:06,449 --> 01:04:11,489
Louisiana or someplace like that and

1326
01:04:09,119 --> 01:04:13,109
that I was gonna get shot and wish

1327
01:04:11,489 --> 01:04:15,239
they'd explained to me at the beginning

1328
01:04:13,110 --> 01:04:17,370
the the risks involved but I thought

1329
01:04:15,239 --> 01:04:21,329
they were joking until I went back to

1330
01:04:17,369 --> 01:04:24,509
the the office the computer division

1331
01:04:21,329 --> 01:04:25,860
there in Dallas and was sacked given 30

1332
01:04:24,510 --> 01:04:29,580
minutes to clean out my desk and leave

1333
01:04:25,860 --> 01:04:31,170
and by an old friend of mine so he

1334
01:04:29,579 --> 01:04:33,509
accused me of being the head of a big

1335
01:04:31,170 --> 01:04:35,970
spy ring and all kinds of stuff and so I

1336
01:04:33,510 --> 01:04:37,650
left and in fact I didn't have my last

1337
01:04:35,969 --> 01:04:39,739
meeting with the FBI and I didn't have

1338
01:04:37,650 --> 01:04:42,329
my last meeting with dr. Maxfield I just

1339
01:04:39,739 --> 01:04:44,759
fumbled a few things and the family into

1340

01:04:42,329 --> 01:04:46,650
a plane and headed for Australia they

1341
01:04:44,760 --> 01:04:50,040
did make it knows quite quite glad to

1342
01:04:46,650 --> 01:04:53,220
and kept a very low profile for seven

1343
01:04:50,039 --> 01:04:54,929
months but I continued to do my research

1344
01:04:53,219 --> 01:04:57,029
and I wrote dr. Maxfield a letter and

1345
01:04:54,929 --> 01:04:59,489
that was perhaps my mistake I said look

1346
01:04:57,030 --> 01:05:02,880
I've done it I've figured out the wave

1347
01:04:59,489 --> 01:05:04,349
equation we were looking for and again

1348
01:05:02,880 --> 01:05:05,849
in my egrants I didn't realize how much

1349
01:05:04,349 --> 01:05:07,529
we had already been done and gone before

1350
01:05:05,849 --> 01:05:09,449
me I was just kind of on the periphery

1351
01:05:07,530 --> 01:05:12,480
or the edge of this whole development

1352
01:05:09,449 --> 01:05:14,219
that's a device to be able to make

1353
01:05:12,480 --> 01:05:16,969
things like flying saucers you know is

1354
01:05:14,219 --> 01:05:21,480

it yes also it's a device to store

1355

01:05:16,969 --> 01:05:24,629

energy in the form of motion like of a a

1356

01:05:21,480 --> 01:05:27,300

small star or a big atom it's called

1357

01:05:24,630 --> 01:05:30,660

this is a long word an M HD plasma

1358

01:05:27,300 --> 01:05:33,000

magneto hydrodynamics plasma like ball

1359

01:05:30,659 --> 01:05:34,529

lightning and it contains itself but

1360

01:05:33,000 --> 01:05:36,380

it's a way to turn all sorts of

1361

01:05:34,530 --> 01:05:38,670

electricity into a high-voltage battery

1362

01:05:36,380 --> 01:05:40,470

now this would have been an immediate

1363

01:05:38,670 --> 01:05:44,880

solution for the Middle East oil

1364

01:05:40,469 --> 01:05:46,949

blockade at that time now and I wrote

1365

01:05:44,880 --> 01:05:49,410

the letter in good faith trying to say

1366

01:05:46,949 --> 01:05:51,029

look we can stop the threat of war in

1367

01:05:49,409 --> 01:05:51,608

the Middle East by using this as an

1368

01:05:51,030 --> 01:05:53,410

alternate

1369
01:05:51,608 --> 01:05:55,690
energy source it's very portable it's

1370
01:05:53,409 --> 01:05:57,368
non-polluting it had some by-product

1371
01:05:55,690 --> 01:05:59,858
radiation problems but things we could

1372
01:05:57,369 --> 01:06:05,019
solve gonna be cleaner than efficient or

1373
01:05:59,858 --> 01:06:07,239
fusion yeah that's when and people here

1374
01:06:05,018 --> 01:06:09,218
in this country at the aeronautical

1375
01:06:07,239 --> 01:06:10,929
research labs and politicians start to

1376
01:06:09,219 --> 01:06:11,829
get a hold of make a CEO contact and

1377
01:06:10,929 --> 01:06:14,949
make good grief

1378
01:06:11,829 --> 01:06:16,719
anat infinitum the chain of intelligence

1379
01:06:14,949 --> 01:06:19,509
people putting two CIA people from the

1380
01:06:16,719 --> 01:06:20,679
state and then the FBI eventually

1381
01:06:19,509 --> 01:06:22,869
started looking for me in this country

1382
01:06:20,679 --> 01:06:24,248
and that again was after the

1383
01:06:22,869 --> 01:06:28,390
intelligence war over there after Hoover

1384
01:06:24,248 --> 01:06:29,978
died and I was unable to finish my

1385
01:06:28,389 --> 01:06:31,659
research in this country in fact I met

1386
01:06:29,978 --> 01:06:32,978
many dead ends and government

1387
01:06:31,659 --> 01:06:36,159
departments and research facilities

1388
01:06:32,978 --> 01:06:37,659
where they told me privately like dr.

1389
01:06:36,159 --> 01:06:39,728
Tom Keeble and aeronautical research

1390
01:06:37,659 --> 01:06:41,078
labs he told me yes we know about the

1391
01:06:39,728 --> 01:06:43,568
flying saucers your countrymen have

1392
01:06:41,079 --> 01:06:45,009
built in in England and Canada and in

1393
01:06:43,568 --> 01:06:48,248
fact we have film records I've been here

1394
01:06:45,009 --> 01:06:50,199
in the our double AF files I said I want

1395
01:06:48,248 --> 01:06:52,748
to stop you there yeah are you saying

1396
01:06:50,199 --> 01:06:54,818
Stan that there are such things is let's

1397

01:06:52,748 --> 01:06:59,018
call them flying sources but they are

1398
01:06:54,818 --> 01:07:02,199
built on earth yes that doesn't mean I

1399
01:06:59,018 --> 01:07:04,448
rule out the possibility of other flying

1400
01:07:02,199 --> 01:07:06,489
devices or intelligent beings visiting

1401
01:07:04,449 --> 01:07:10,209
the planet either from the oceanic

1402
01:07:06,489 --> 01:07:13,150
bottoms our deeper areas or from other

1403
01:07:10,208 --> 01:07:14,708
areas in space but I am positive that we

1404
01:07:13,150 --> 01:07:17,309
have the technology I can even aim it at

1405
01:07:14,708 --> 01:07:19,659
companies and people involved in making

1406
01:07:17,309 --> 01:07:22,630
high-speed electric aircraft that do

1407
01:07:19,659 --> 01:07:25,298
look strange enough like a saucer what

1408
01:07:22,630 --> 01:07:27,849
sort of proof can one furnish for that

1409
01:07:25,298 --> 01:07:30,190
oh good Green the briefcase I've got

1410
01:07:27,849 --> 01:07:34,619
down here is full of documented evidence

1411
01:07:30,190 --> 01:07:38,979

that is not all secret and if you go to

1412

01:07:34,619 --> 01:07:40,630

to the the records of the New York

1413

01:07:38,978 --> 01:07:42,429

Herald Tribune the newspapers now

1414

01:07:40,630 --> 01:07:47,289

defunct I think it's being stored in the

1415

01:07:42,429 --> 01:07:50,379

Wisconsin State Historical Society and

1416

01:07:47,289 --> 01:07:52,989

look for November 20th 21st and 22nd

1417

01:07:50,380 --> 01:07:56,108

1955 there are three articles in the

1418

01:07:52,989 --> 01:07:57,548

series on anti-gravity and the various

1419

01:07:56,108 --> 01:07:59,469

companies and people involved in the

1420

01:07:57,548 --> 01:08:02,079

research the United States Japan Europe

1421

01:07:59,469 --> 01:08:03,909

the list is like a who's who of nuclear

1422

01:08:02,079 --> 01:08:05,140

physics it was written by Anthony

1423

01:08:03,909 --> 01:08:06,969

Talbert the

1424

01:08:05,139 --> 01:08:09,519

science Aviation editor for the New York

1425

01:08:06,969 --> 01:08:11,169

Herald Tribune at that time you can look

1426
01:08:09,519 --> 01:08:12,849
there you can look in the electrical

1427
01:08:11,170 --> 01:08:15,730
engineering index for that period

1428
01:08:12,849 --> 01:08:17,130
between 55 and 58 that's a long time ago

1429
01:08:15,730 --> 01:08:20,710
yes

1430
01:08:17,130 --> 01:08:22,989
57 about March the security curtain went

1431
01:08:20,710 --> 01:08:24,640
down and there were at that time over a

1432
01:08:22,989 --> 01:08:26,769
hundred published universities and

1433
01:08:24,640 --> 01:08:28,119
organizations including the gravity

1434
01:08:26,770 --> 01:08:30,820
Research Foundation which is still

1435
01:08:28,119 --> 01:08:32,349
operational in gravity village and the

1436
01:08:30,819 --> 01:08:35,199
United States there were over 100 these

1437
01:08:32,350 --> 01:08:36,789
things operating to develop gravity the

1438
01:08:35,199 --> 01:08:40,359
control of it as a power source and

1439
01:08:36,789 --> 01:08:42,220
communication and locomotion etc now in

1440
01:08:40,359 --> 01:08:45,609
57 the black and went down with security

1441
01:08:42,220 --> 01:08:48,670
and there was no more reported news on

1442
01:08:45,609 --> 01:08:50,619
it to say either that it was a dead end

1443
01:08:48,670 --> 01:08:52,210
research Avenue that everybody'd stopped

1444
01:08:50,619 --> 01:08:53,619
working on it or that it was highly

1445
01:08:52,210 --> 01:08:54,850
successful and there been a few

1446
01:08:53,619 --> 01:08:56,739
breakthroughs there was just nothing it

1447
01:08:54,850 --> 01:08:58,480
went quiet and if you go back in the

1448
01:08:56,739 --> 01:09:00,609
period and look you will see that for a

1449
01:08:58,479 --> 01:09:01,959
number of years after 57 there was no

1450
01:09:00,609 --> 01:09:04,210
mention of this sort of research in

1451
01:09:01,960 --> 01:09:05,590
print behind the scenes there was a lot

1452
01:09:04,210 --> 01:09:08,980
of discussion and even Walt Disney's

1453
01:09:05,590 --> 01:09:11,140
sorry MGM studios made the movie The

1454

01:09:08,979 --> 01:09:13,779
Forbidden Planet revealing at that time

1455
01:09:11,140 --> 01:09:16,450
a lot as over fiction of the technology

1456
01:09:13,779 --> 01:09:18,039
and why it had to be covered up I think

1457
01:09:16,449 --> 01:09:20,099
Walter Pidgeon started and he did a good

1458
01:09:18,039 --> 01:09:20,100
job

1459
01:09:42,510 --> 01:09:47,069
seventy eight hundred levels

1460
01:09:59,829 --> 01:10:04,430
basically they decided that mankind

1461
01:10:02,239 --> 01:10:06,349
wasn't ready for you because he received

1462
01:10:04,430 --> 01:10:10,789
him issues it like he had the atom or

1463
01:10:06,350 --> 01:10:13,400
the hydrogen bomb now recent evidence is

1464
01:10:10,789 --> 01:10:14,720
very hard to get however in this country

1465
01:10:13,399 --> 01:10:17,199
of the leak occurred over here with

1466
01:10:14,720 --> 01:10:22,520
William H Martin in the nation review

1467
01:10:17,199 --> 01:10:26,050
may of nineteen seventy three or four I

1468
01:10:22,520 --> 01:10:29,090

believe I can't remember now and he

1469

01:10:26,050 --> 01:10:33,680

published our own Pine Gap and how Nixon

1470

01:10:29,090 --> 01:10:35,630

had intended to use it in 1975 to solve

1471

01:10:33,680 --> 01:10:37,180

the energy crisis by announcing a new

1472

01:10:35,630 --> 01:10:40,010

method of electromagnetic propulsion

1473

01:10:37,180 --> 01:10:42,619

which would be based from the Pine Gap

1474

01:10:40,010 --> 01:10:44,900

facility you know from my knowledge of

1475

01:10:42,619 --> 01:10:47,840

the technology what small knowledge you

1476

01:10:44,899 --> 01:10:50,960

do have for my a little view point Pine

1477

01:10:47,840 --> 01:10:54,050

Gap has all of the inherent descriptions

1478

01:10:50,960 --> 01:10:56,569

necessary for a high voltage low

1479

01:10:54,050 --> 01:10:58,850

frequency power broadcast station to

1480

01:10:56,569 --> 01:11:01,189

broadcast electricity to various

1481

01:10:58,850 --> 01:11:03,500

receivers like cars and submarines and

1482

01:11:01,189 --> 01:11:05,949

aircraft that are tuned to that power

1483
01:11:03,500 --> 01:11:08,630
station it's just a more efficient

1484
01:11:05,949 --> 01:11:12,349
version of the Exmouth facility here at

1485
01:11:08,630 --> 01:11:14,630
the northwest cape and so it's this

1486
01:11:12,350 --> 01:11:16,460
right here on our doorstep is it oh yes

1487
01:11:14,630 --> 01:11:20,480
the big question you have to ask

1488
01:11:16,460 --> 01:11:21,319
yourself guy is why would such a thing

1489
01:11:20,479 --> 01:11:23,689
be kept secret

1490
01:11:21,319 --> 01:11:25,789
I mean people at the levels that are

1491
01:11:23,689 --> 01:11:28,549
covering it up I know some of them

1492
01:11:25,789 --> 01:11:31,519
personally and they aren't in my opinion

1493
01:11:28,550 --> 01:11:34,210
villains they're very sincere humanists

1494
01:11:31,520 --> 01:11:37,760
they are trying to solve planet earth

1495
01:11:34,210 --> 01:11:39,739
trying to bring unity their way you

1496
01:11:37,760 --> 01:11:41,869
speak of them as though they were they

1497
01:11:39,739 --> 01:11:42,769
were collective wrong and singular is

1498
01:11:41,869 --> 01:11:46,039
that right yes

1499
01:11:42,770 --> 01:11:48,560
and dr. kebbel as I mentioned before in

1500
01:11:46,039 --> 01:11:51,769
Melbourne theoretic research lab tried

1501
01:11:48,560 --> 01:11:55,370
to explain to me about they he mentioned

1502
01:11:51,770 --> 01:11:58,300
we as though it was they an organization

1503
01:11:55,369 --> 01:12:00,920
a group of scientists academics

1504
01:11:58,300 --> 01:12:03,199
industrialist II he couldn't be exact

1505
01:12:00,920 --> 01:12:05,270
now he never put a name to it but I said

1506
01:12:03,199 --> 01:12:09,109
will do me like a club and he said

1507
01:12:05,270 --> 01:12:10,640
yes but no we are aware of these

1508
01:12:09,109 --> 01:12:12,889
problems and we're trying to solve them

1509
01:12:10,640 --> 01:12:15,020
and the best way we know how

1510
01:12:12,890 --> 01:12:17,990
granted there are things that should be

1511

01:12:15,020 --> 01:12:19,730
kept from the public eye until we do

1512
01:12:17,989 --> 01:12:23,119
have some sort of a unity and the world

1513
01:12:19,729 --> 01:12:26,059
economy yeah but I think the manner in

1514
01:12:23,119 --> 01:12:27,979
which has been gone about is most

1515
01:12:26,060 --> 01:12:31,190
unfortunate I would not have taken the

1516
01:12:27,979 --> 01:12:33,439
same tag myself the power politics

1517
01:12:31,189 --> 01:12:36,369
involved in keeping the secrets that we

1518
01:12:33,439 --> 01:12:38,899
now have across the planet have allowed

1519
01:12:36,369 --> 01:12:42,109
well in my opinion groups that aren't

1520
01:12:38,899 --> 01:12:45,619
capable of handling control the planet

1521
01:12:42,109 --> 01:12:47,329
to take power so what basically you're

1522
01:12:45,619 --> 01:12:49,939
saying and correct me if I'm wrong is

1523
01:12:47,329 --> 01:12:53,420
that we've got a situation where you

1524
01:12:49,939 --> 01:12:56,089
maintain various countries have perhaps

1525
01:12:53,420 --> 01:12:58,329

a top-level intelligentsia who are in

1526

01:12:56,090 --> 01:13:01,970

possession of a common set of facts

1527

01:12:58,329 --> 01:13:05,119

which which transpose country boundaries

1528

01:13:01,970 --> 01:13:07,190

now and it's a worldwide so yes in

1529

01:13:05,119 --> 01:13:09,019

Russia involved in this would be the

1530

01:13:07,189 --> 01:13:10,369

Russian physicist who's been in the news

1531

01:13:09,020 --> 01:13:12,400

recently yeah with the civil rights

1532

01:13:10,369 --> 01:13:16,010

movements dr. Andrei Sakharov

1533

01:13:12,399 --> 01:13:19,579

also in his country an ex-kgb agent some

1534

01:13:16,010 --> 01:13:21,980

25 years but a physicist and a former

1535

01:13:19,579 --> 01:13:24,409

hydrogen bomb project development

1536

01:13:21,979 --> 01:13:27,919

engineer heard our sorry physicist is

1537

01:13:24,409 --> 01:13:31,159

dr. Bruno Porter Pontecorvo working on

1538

01:13:27,920 --> 01:13:33,529

gravity engines in Siberia as I told you

1539

01:13:31,159 --> 01:13:35,510

in the States it was dr. teller and

1540
01:13:33,529 --> 01:13:38,119
affiliates there I don't know all of

1541
01:13:35,510 --> 01:13:41,150
their names but these people have all

1542
01:13:38,119 --> 01:13:44,599
been working together as scientists who

1543
01:13:41,149 --> 01:13:46,189
go above governments and look they're

1544
01:13:44,600 --> 01:13:47,600
sincere I can't blame them for doing

1545
01:13:46,189 --> 01:13:50,059
this it's just that they have lost

1546
01:13:47,600 --> 01:13:53,480
control of what they tried to set up has

1547
01:13:50,060 --> 01:13:54,380
that Association got a name I don't

1548
01:13:53,479 --> 01:13:57,079
think so

1549
01:13:54,380 --> 01:13:58,970
when I worked with the FBI there was a

1550
01:13:57,079 --> 01:14:02,119
political and financial institution that

1551
01:13:58,970 --> 01:14:03,610
I was ordered to investigate with many

1552
01:14:02,119 --> 01:14:06,619
other agents and it was called the

1553
01:14:03,609 --> 01:14:10,210
Illuminati which is a general term

1554
01:14:06,619 --> 01:14:13,220
meaning the enlightened or the wise ones

1555
01:14:10,210 --> 01:14:14,930
it the investigation has led me to the

1556
01:14:13,220 --> 01:14:17,030
Council on Foreign Relations and to the

1557
01:14:14,930 --> 01:14:19,670
Club of Rome which are linked by joint

1558
01:14:17,029 --> 01:14:22,340
directorships under Carol will

1559
01:14:19,670 --> 01:14:24,199
this is again another tale but you put

1560
01:14:22,340 --> 01:14:28,640
yourself in the scientist position in

1561
01:14:24,198 --> 01:14:30,649
the mid-50s what you see is that you've

1562
01:14:28,640 --> 01:14:33,230
got a technology that if announced to

1563
01:14:30,649 --> 01:14:35,509
the public would cause mass reactions in

1564
01:14:33,229 --> 01:14:37,189
the economy and social moves and

1565
01:14:35,510 --> 01:14:38,690
cultural reactions that could probably

1566
01:14:37,189 --> 01:14:39,799
bring about the demise of the whole

1567
01:14:38,689 --> 01:14:42,049
human civilization

1568

01:14:39,800 --> 01:14:43,430
a simple example would be this as a

1569
01:14:42,050 --> 01:14:46,579
scientist you come out in the mid-50s

1570
01:14:43,430 --> 01:14:49,579
and you say we have a process which will

1571
01:14:46,579 --> 01:14:50,779
allow us to get rid of tires allow us to

1572
01:14:49,579 --> 01:14:52,869
get rid of the petrol engine

1573
01:14:50,779 --> 01:14:55,789
hence the petrol against all the

1574
01:14:52,869 --> 01:14:58,460
dependent industries it'll be available

1575
01:14:55,789 --> 01:15:00,198
for you in 24 months time for there only

1576
01:14:58,460 --> 01:15:02,960
cost you three or four thousand dollars

1577
01:15:00,198 --> 01:15:04,579
now what Connie's right mind would buy a

1578
01:15:02,960 --> 01:15:07,039
new petrol engine car if you could have

1579
01:15:04,579 --> 01:15:08,600
one of those new ones in two years that

1580
01:15:07,039 --> 01:15:11,510
don't need roads and they run on

1581
01:15:08,600 --> 01:15:13,550
electricity and no petrol necessary they

1582
01:15:11,510 --> 01:15:15,079

don't stop there buying trends which

1583

01:15:13,550 --> 01:15:16,489

would then collapse the economies that

1584

01:15:15,079 --> 01:15:19,250

would be building the other one in 24

1585

01:15:16,488 --> 01:15:21,769

months if you had a central world

1586

01:15:19,250 --> 01:15:24,770

authority like dr. perches Club of Rome

1587

01:15:21,770 --> 01:15:26,030

group want then if you announced when

1588

01:15:24,770 --> 01:15:28,850

you control all the nations in the

1589

01:15:26,029 --> 01:15:30,829

economy if you announced and said we've

1590

01:15:28,850 --> 01:15:32,150

got a new car that does this nobody

1591

01:15:30,829 --> 01:15:33,769

panic because they know that if their

1592

01:15:32,149 --> 01:15:35,089

industry became redundant they would be

1593

01:15:33,770 --> 01:15:37,699

retrained and paid while they're doing

1594

01:15:35,090 --> 01:15:39,590

it in some other support industry we

1595

01:15:37,698 --> 01:15:41,509

don't have that facility on the planet

1596

01:15:39,590 --> 01:15:43,190

at the moment because we're greatly

1597
01:15:41,510 --> 01:15:44,869
disordered and many of the cultures

1598
01:15:43,189 --> 01:15:46,698
fight against each other scientist

1599
01:15:44,869 --> 01:15:49,309
industrialists engineers found this

1600
01:15:46,698 --> 01:15:51,619
problem in 50s now we're playing their

1601
01:15:49,310 --> 01:15:54,590
part so we sit here we say how do we get

1602
01:15:51,619 --> 01:15:56,448
world unity the United Nations the

1603
01:15:54,590 --> 01:15:57,860
League of Nations had failed you

1604
01:15:56,448 --> 01:15:59,839
couldn't get any two or three of them to

1605
01:15:57,859 --> 01:16:02,659
agree to turn their sovereignty over to

1606
01:15:59,840 --> 01:16:04,940
a third party you couldn't come out and

1607
01:16:02,659 --> 01:16:06,948
field an army from the United Nations or

1608
01:16:04,939 --> 01:16:08,988
League of Nations or any anywhere even a

1609
01:16:06,948 --> 01:16:11,359
corporate army and tell the people there

1610
01:16:08,988 --> 01:16:13,099
you're taking over as some people who

1611
01:16:11,359 --> 01:16:15,198
suggested the multinationals might do

1612
01:16:13,100 --> 01:16:17,539
you can't do that because the mask

1613
01:16:15,198 --> 01:16:18,679
resistance would be worse than the

1614
01:16:17,539 --> 01:16:20,510
French resistance to Hitler

1615
01:16:18,680 --> 01:16:23,630
it destroyed the unity they were trying

1616
01:16:20,510 --> 01:16:26,690
to get so by peaceful discussion over

1617
01:16:23,630 --> 01:16:28,850
the conference table and by force it was

1618
01:16:26,689 --> 01:16:30,500
impossible yet as the scientific

1619
01:16:28,850 --> 01:16:31,820
community looked at this new technology

1620
01:16:30,500 --> 01:16:33,590
it reached into all hue

1621
01:16:31,819 --> 01:16:36,529
and ever touched many points of life

1622
01:16:33,590 --> 01:16:38,569
they said look if we develop this

1623
01:16:36,529 --> 01:16:41,809
completely develop it into a social

1624
01:16:38,569 --> 01:16:43,460
technological integrated model away from

1625

01:16:41,810 --> 01:16:45,079
the rest of people and islands are in

1626
01:16:43,460 --> 01:16:47,840
backrooms however we do it keep it quiet

1627
01:16:45,078 --> 01:16:52,488
even from the politicians at some point

1628
01:16:47,840 --> 01:16:54,289
later after 1956 57 58 some point later

1629
01:16:52,488 --> 01:16:56,629
we'll have it ready to announce to the

1630
01:16:54,289 --> 01:16:58,670
world as a global system they know we've

1631
01:16:56,630 --> 01:17:01,250
got to do is figure out how to convince

1632
01:16:58,670 --> 01:17:03,889
them to give it a try in unity right

1633
01:17:01,250 --> 01:17:06,260
well this this was 20 years ago are we

1634
01:17:03,889 --> 01:17:09,349
now saying that this is approaching the

1635
01:17:06,260 --> 01:17:10,940
time I think we are and it's not like

1636
01:17:09,349 --> 01:17:14,300
some prophecy or something it's just

1637
01:17:10,939 --> 01:17:16,250
looking at events in the media for the

1638
01:17:14,300 --> 01:17:17,630
first 10 years of that 20 year period

1639
01:17:16,250 --> 01:17:20,149

you're talking about people that saw

1640

01:17:17,630 --> 01:17:21,500

UFOs or flying saucers were nuts they

1641

01:17:20,149 --> 01:17:24,049

were played that way in the media it was

1642

01:17:21,500 --> 01:17:26,359

a bad thing to even talk about it now

1643

01:17:24,050 --> 01:17:28,460

toward the end of this 20 year period if

1644

01:17:26,359 --> 01:17:29,839

you see one you're a great guy in the

1645

01:17:28,460 --> 01:17:31,069

neighborhood everybody wants to talk to

1646

01:17:29,840 --> 01:17:33,409

everybody wants to know you

1647

01:17:31,069 --> 01:17:35,049

pilots physicists all kinds of people

1648

01:17:33,408 --> 01:17:39,229

are coming forward now presidents

1649

01:17:35,050 --> 01:17:41,920

dictators yes I've seen a UFO now to me

1650

01:17:39,229 --> 01:17:45,559

the shift in the public conditioning

1651

01:17:41,920 --> 01:17:47,300

medium is to get people ready for the

1652

01:17:45,560 --> 01:17:48,560

announcement of the new technology now

1653

01:17:47,300 --> 01:17:49,909

scientists aren't going to come out

1654
01:17:48,560 --> 01:17:52,039
industrious aren't going to come out and

1655
01:17:49,908 --> 01:17:54,589
say okay here it is children here you go

1656
01:17:52,039 --> 01:17:58,368
the new model for planet Earth using

1657
01:17:54,590 --> 01:18:00,679
this technology must be independent of

1658
01:17:58,368 --> 01:18:02,719
any established government or order it

1659
01:18:00,679 --> 01:18:04,699
can be Russian or capitalist or

1660
01:18:02,719 --> 01:18:05,989
dictatorial it's got to be independent

1661
01:18:04,698 --> 01:18:07,939
and the only way you can do it is a an

1662
01:18:05,988 --> 01:18:10,158
external culture whether it be called

1663
01:18:07,939 --> 01:18:11,868
from the ocean bottom whether it's from

1664
01:18:10,158 --> 01:18:14,238
the Bermuda Triangle or whether it's

1665
01:18:11,868 --> 01:18:16,939
from outer space they have got to see it

1666
01:18:14,238 --> 01:18:18,799
in this way so that for a short time the

1667
01:18:16,939 --> 01:18:21,259
masses will overlook the cultural

1668
01:18:18,800 --> 01:18:24,619
differences to unite to form this one

1669
01:18:21,260 --> 01:18:25,820
world order then after seven or eight

1670
01:18:24,618 --> 01:18:27,348
years if you can hold the roots that

1671
01:18:25,819 --> 01:18:29,899
long you explain to and this is how we

1672
01:18:27,349 --> 01:18:31,819
brought peace I still maintain I don't

1673
01:18:29,899 --> 01:18:35,269
think and it'll work because at the top

1674
01:18:31,819 --> 01:18:37,670
these organizations are fighting I'd

1675
01:18:35,270 --> 01:18:40,880
like to ask you a direct question you

1676
01:18:37,670 --> 01:18:43,100
work in the field of anti-gravity

1677
01:18:40,880 --> 01:18:45,230
could you make what we call a flying

1678
01:18:43,100 --> 01:18:48,320
saucer oh yes with adequate funds and

1679
01:18:45,229 --> 01:18:49,789
time sure I still be doing it for the

1680
01:18:48,319 --> 01:18:51,500
research organizations if I hadn't

1681
01:18:49,789 --> 01:18:53,238
differed in philosophy that's where I

1682

01:18:51,500 --> 01:18:55,789
got in trouble because I stood up and

1683
01:18:53,238 --> 01:18:59,509
said why are you doing this and it

1684
01:18:55,789 --> 01:19:01,340
wasn't for me to know UFOs if they don't

1685
01:18:59,510 --> 01:19:03,679
exist are these electric flying saucers

1686
01:19:01,340 --> 01:19:05,270
yeah if they don't exist in our current

1687
01:19:03,679 --> 01:19:07,130
technology I'll give it to the world

1688
01:19:05,270 --> 01:19:09,920
I'll be a hero but I'll tell you right

1689
01:19:07,130 --> 01:19:13,279
now I don't need to do that it's already

1690
01:19:09,920 --> 01:19:16,489
done this does not mean that in the past

1691
01:19:13,279 --> 01:19:18,889
before 47 49 whenever the first flying

1692
01:19:16,488 --> 01:19:20,928
saucers were supposedly sighted to this

1693
01:19:18,889 --> 01:19:23,659
planet does not mean that the time

1694
01:19:20,929 --> 01:19:26,480
before that was to be explained by earth

1695
01:19:23,658 --> 01:19:31,009
technology it wasn't I even back in the

1696
01:19:26,479 --> 01:19:33,888

Bible and Moses encounter with God when

1697

01:19:31,010 --> 01:19:35,480

the flaming bush and don't walk on this

1698

01:19:33,889 --> 01:19:37,069

ground with your shoes on take one off

1699

01:19:35,479 --> 01:19:40,669

it sound like he was in a field any rate

1700

01:19:37,069 --> 01:19:42,979

and Ezekiel's flaming chariot you go

1701

01:19:40,670 --> 01:19:44,658

back thousands of years and you find we

1702

01:19:42,979 --> 01:19:46,428

had encounters with things that could

1703

01:19:44,658 --> 01:19:49,009

only be explained in their own words as

1704

01:19:46,429 --> 01:19:50,989

being from the heavens in the last two

1705

01:19:49,010 --> 01:19:53,980

thousand years after the birth of Christ

1706

01:19:50,988 --> 01:19:56,388

we find that these encounter cases were

1707

01:19:53,979 --> 01:19:59,059

many of them more bizarre where they

1708

01:19:56,389 --> 01:20:02,300

didn't have the same good side to them

1709

01:19:59,060 --> 01:20:05,000

people suffered headaches some cases

1710

01:20:02,300 --> 01:20:06,380

disappearance livestock were cut apart

1711
01:20:05,000 --> 01:20:08,329
and the blood drained Adam you see it

1712
01:20:06,380 --> 01:20:11,000
quite frankly now it seems as though the

1713
01:20:08,329 --> 01:20:12,698
more recent contact cases from these

1714
01:20:11,000 --> 01:20:15,500
extraterrestrial origins have been

1715
01:20:12,698 --> 01:20:17,509
malevolent or bad whereas the Old

1716
01:20:15,500 --> 01:20:21,520
Testament versions were benevolent or

1717
01:20:17,510 --> 01:20:21,520
good we do have the technology now to

1718
01:20:21,579 --> 01:20:27,529
give UFOs with electric flying saucers

1719
01:20:24,948 --> 01:20:30,559
to the world it is a when I say we it's

1720
01:20:27,529 --> 01:20:32,090
a joint scientific effort from many of

1721
01:20:30,560 --> 01:20:36,020
the countries of the world Russia the

1722
01:20:32,090 --> 01:20:38,260
United States England Canada now it is

1723
01:20:36,020 --> 01:20:40,520
just the manner in which to announce it

1724
01:20:38,260 --> 01:20:42,800
what we have here is the tip of the

1725
01:20:40,520 --> 01:20:44,620
iceberg with the antigravity device the

1726
01:20:42,800 --> 01:20:46,760
flying saucer we've been discussing

1727
01:20:44,619 --> 01:20:48,979
there are many other things that the

1728
01:20:46,760 --> 01:20:51,110
technology offers new medicine which

1729
01:20:48,979 --> 01:20:53,209
allows limbs to be regrown through

1730
01:20:51,109 --> 01:20:54,619
electric field processes and plasma

1731
01:20:53,210 --> 01:20:59,899
research

1732
01:20:54,619 --> 01:21:01,729
the tissue restructuring we have devices

1733
01:20:59,899 --> 01:21:03,589
which can transmit power around the

1734
01:21:01,729 --> 01:21:05,899
entire planet without wires so that you

1735
01:21:03,590 --> 01:21:07,369
can tune to electricity stations like

1736
01:21:05,899 --> 01:21:09,229
you would tune to radio station but it

1737
01:21:07,369 --> 01:21:10,250
would run your house or your Caravan or

1738
01:21:09,229 --> 01:21:13,459
wherever you are on the bush or the

1739

01:21:10,250 --> 01:21:15,260
water or the air we have theory now but

1740
01:21:13,460 --> 01:21:17,029
I don't think any practical devices that

1741
01:21:15,260 --> 01:21:19,039
would allow us to go faster than a speed

1742
01:21:17,029 --> 01:21:21,439
of light and Traverse many light-years

1743
01:21:19,039 --> 01:21:25,279
of distance in a very very short time

1744
01:21:21,439 --> 01:21:27,379
using the same technique that we used to

1745
01:21:25,279 --> 01:21:29,960
break the sound barrier where we warp

1746
01:21:27,380 --> 01:21:31,609
the shock wave perhaps this is where

1747
01:21:29,960 --> 01:21:34,970
Star Trek developed their terminology

1748
01:21:31,609 --> 01:21:38,000
warp factor one more factor to we have

1749
01:21:34,970 --> 01:21:39,289
devices to make weapons which is an

1750
01:21:38,000 --> 01:21:41,359
unfortunate thing could be used for

1751
01:21:39,289 --> 01:21:43,640
other applications but in transmitting

1752
01:21:41,359 --> 01:21:47,179
power in little hand or backpack units

1753
01:21:43,640 --> 01:21:50,930

or even on tops of the decks of ships

1754

01:21:47,180 --> 01:21:52,700

that shoot smoke rings or charged

1755

01:21:50,930 --> 01:21:55,610

particle rings like smoke rings at

1756

01:21:52,699 --> 01:21:58,010

targets long distances away and strike

1757

01:21:55,609 --> 01:22:00,019

them with enough force to electrocute or

1758

01:21:58,010 --> 01:22:02,449

burn the target depending upon what

1759

01:22:00,020 --> 01:22:04,370

frequencies are used there are numerous

1760

01:22:02,449 --> 01:22:06,500

thing there is even a way to use this

1761

01:22:04,369 --> 01:22:08,720

process to control minds at a distance

1762

01:22:06,500 --> 01:22:10,460

of 10 to 15 miles from a central central

1763

01:22:08,720 --> 01:22:13,310

transmitter where people aren't even

1764

01:22:10,460 --> 01:22:16,279

aware of it during their sleep some what

1765

01:22:13,310 --> 01:22:20,020

like post hypnotic suggestion this in

1766

01:22:16,279 --> 01:22:20,019

the wrong hands is not a good tool

1767

01:23:12,689 --> 01:23:18,089

we have to have 15 million witnesses

1768

01:23:16,199 --> 01:23:20,809

before anybody's gonna look into the

1769

01:23:18,090 --> 01:23:20,810

problem seriously

1770

01:24:23,369 --> 01:24:25,430

you
