

1
00:00:18,850 --> 00:00:22,159
[Music]

2
00:00:24,739 --> 00:00:27,879
[Music]

3
00:00:31,349 --> 00:00:37,719
in November 1961 a secret meeting of

4
00:00:35,710 --> 00:00:39,759
leading government-sponsored
astronomers

5
00:00:37,719 --> 00:00:41,799
was held to estimate the number of

6
00:00:39,759 --> 00:00:48,308
planets in our own galaxy with

7
00:00:41,799 --> 00:00:51,039
intelligent life these scientists

8
00:00:48,308 --> 00:00:54,669
concluded that there are probably 40 to

9
00:00:51,039 --> 00:01:00,250
50 million intelligent extraterrestrial

10
00:00:54,670 --> 00:01:02,770
civilizations in our galaxy alone there

11
00:01:00,250 --> 00:01:05,109
is ever increasing evidence that some of

12
00:01:02,770 --> 00:01:07,320
these extraterrestrial civilizations are

13
00:01:05,109 --> 00:01:17,748
visiting the earth

14
00:01:07,319 --> 00:01:17,748
[Music]

15
00:01:24,319 --> 00:01:30,149
[Applause]

16
00:01:26,099 --> 00:01:30,149
you are seeing and unidentified

17
00:01:36,420 --> 00:01:38,478
you

18
00:02:19,870 --> 00:02:24,959
Neri in the air before it began to move

19
00:02:26,639 --> 00:02:31,479
this sighting is only one of the many

20
00:02:29,769 --> 00:02:34,360
pieces of evidence the producers of this

21
00:02:31,479 --> 00:02:39,568
film will present verifying that some

22
00:02:34,360 --> 00:02:39,569
UFOs are extraterrestrial spacecraft

23
00:02:43,629 --> 00:02:48,259
we will reveal formerly classified

24
00:02:45,949 --> 00:02:50,509
secret documents which clearly

25
00:02:48,259 --> 00:02:52,939
demonstrate that the government has

26
00:02:50,509 --> 00:02:56,179
knowledge of the extraterrestrial origin

27
00:02:52,939 --> 00:02:59,870
of some UFOs and is trying to keep this

28
00:02:56,180 --> 00:03:01,939
fact secret you will see documented

29

00:02:59,870 --> 00:03:05,509
evidence depicting the appearance of the

30
00:03:01,939 --> 00:03:07,939
alien beings who pilot these UFOs and we

31
00:03:05,509 --> 00:03:10,669
will present our conclusions as to what

32
00:03:07,939 --> 00:03:19,759
purpose these alien beings have in

33
00:03:10,669 --> 00:03:22,818
visiting the earth while in space as

34
00:03:19,759 --> 00:03:24,979
command pilot on Gemini 5 astronaut

35
00:03:22,818 --> 00:03:26,988
General James McDivitt saw an

36
00:03:24,979 --> 00:03:30,048
unidentified object approach his

37
00:03:26,989 --> 00:03:33,379
spacecraft and then move away when he

38
00:03:30,049 --> 00:03:35,750
tried to film it one astronaut who

39
00:03:33,379 --> 00:03:39,079
actually chased a UFO while a fighter

40
00:03:35,750 --> 00:03:42,560
pilot in Germany in 1951 is Colonel

41
00:03:39,080 --> 00:03:43,670
Gordon Cooper one of the original seven

42
00:03:42,560 --> 00:03:45,680
mercury astronauts

43
00:03:43,669 --> 00:03:49,339

Colonel Cooper's sent this letter to the

44

00:03:45,680 --> 00:03:53,450

United Nations November 9th 1978 to

45

00:03:49,340 --> 00:03:55,579

express his view on UFOs I believe that

46

00:03:53,449 --> 00:03:58,069

these extraterrestrial vehicles and

47

00:03:55,579 --> 00:04:00,950

their crews are visiting this planet

48

00:03:58,069 --> 00:04:03,379

from other planets which obviously are a

49

00:04:00,949 --> 00:04:06,949

little more technically advanced than we

50

00:04:03,379 --> 00:04:09,259

are here on earth I am somewhat

51

00:04:06,949 --> 00:04:11,449

qualified to discuss them since I have

52

00:04:09,259 --> 00:04:14,049

been into the fringes of the vast areas

53

00:04:11,449 --> 00:04:16,319

in which they travel

54

00:04:14,050 --> 00:04:20,168

[Music]

55

00:04:16,319 --> 00:04:22,990

also I did have occasion in 1951 to have

56

00:04:20,168 --> 00:04:26,288

two days of observation of many flights

57

00:04:22,990 --> 00:04:28,990

of them of different sizes flying in

58
00:04:26,288 --> 00:04:31,569
fighter formation generally from east to

59
00:04:28,990 --> 00:04:33,610
west over Europe they were at a higher

60
00:04:31,569 --> 00:04:37,019
altitude than we could reach with our

61
00:04:33,610 --> 00:04:37,020
jet fighters of that time

62
00:04:42,038 --> 00:04:49,310
we are showing you this film at 1/2 its

63
00:04:45,740 --> 00:04:53,288
original speed this unidentified flying

64
00:04:49,310 --> 00:04:55,459
object was photographed by James
waters

65
00:04:53,288 --> 00:04:58,579
toward the middle of the<font
color="#E5E5E5"> extreme right

66
00:04:55,459 --> 00:05:00,239
of the frame you will see a second UFO

67
00:04:58,579 --> 00:05:03,250
that appears briefly

68
00:05:00,240 --> 00:05:07,579
[Music]

69
00:05:03,250 --> 00:05:10,990
as we slow the film you can see that the

70
00:05:07,579 --> 00:05:10,990
UFO appears to change

71
00:05:16,750 --> 00:05:18,810

you

72

00:05:42,149 --> 00:05:47,819

now you will see the Colorado film at

73

00:05:44,730 --> 00:05:48,730

its original speed five times in rapid

74

00:05:47,819 --> 00:06:03,680

succession

75

00:05:48,730 --> 00:06:03,680

[Music]

76

00:06:05,810 --> 00:06:14,670

this series of three polaroid pictures

77

00:06:08,879 --> 00:06:16,259

was taken by Rex Heflin the presence in

78

00:06:14,670 --> 00:06:18,750

the photograph of objects such as

79

00:06:16,259 --> 00:06:21,539

telephone poles whose size and distance

80

00:06:18,750 --> 00:06:24,959

can easily be measured makes possible a

81

00:06:21,540 --> 00:06:27,300

detailed analysis of these photos this

82

00:06:24,959 --> 00:06:29,759

analysis indicates that the disc shaped

83

00:06:27,300 --> 00:06:31,939

object was approximately 30 feet in

84

00:06:29,759 --> 00:06:31,939

diameter

85

00:06:38,439 --> 00:06:40,500

you

86
00:07:05,370 --> 00:07:11,209
the picture of a similar disc shaped

87
00:07:07,740 --> 00:07:15,110
object was taken by mr. Amiel Barnea

88
00:07:11,209 --> 00:07:19,019
7,000 miles away<font
color="#CCCCCC"> and three years later

89
00:07:15,110 --> 00:07:21,030
six years after that<font
color="#E5E5E5"> another UFO also

90
00:07:19,019 --> 00:07:23,310
remarkably similar to the one that mr.

91
00:07:21,029 --> 00:07:26,239
Heflin photographed was photographed in

92
00:07:23,310 --> 00:07:26,240
Yugoslavia

93
00:07:32,600 --> 00:07:34,660
you

94
00:08:10,620 --> 00:08:17,800
this is an official UFO sighting report

95
00:08:14,079 --> 00:08:20,529
detailing the observation of a UFO by 10

96
00:08:17,800 --> 00:08:22,900
to 12 people for approximately 10

97
00:08:20,529 --> 00:08:25,419
minutes the sighting was reported by
one

98
00:08:22,899 --> 00:08:30,189
of the witnesses President Jimmy Carter

99

00:08:25,420 --> 00:08:33,220
while governor of Georgia it could not

100
00:08:30,189 --> 00:08:35,940
have been a planet a star meteor or

101
00:08:33,220 --> 00:08:35,940
aircraft

102
00:08:43,769 --> 00:08:45,828
you

103
00:08:49,299 --> 00:08:54,129
they were taken by mr. branya a

104
00:08:52,059 --> 00:08:55,869
professional photographer on board a

105
00:08:54,129 --> 00:08:57,639
Brazilian Navy ship that was

106
00:08:55,870 --> 00:09:01,000
participating in the International

107
00:08:57,639 --> 00:09:03,549
Geophysical Year the UFO was seen by

108
00:09:01,000 --> 00:09:05,980
dozens of other witnesses<font
color="#E5E5E5"> on board the

109
00:09:03,549 --> 00:09:08,559
ship computer analysis of these

110
00:09:05,980 --> 00:09:11,829
photographs indicates that the UFO<font
color="#CCCCCC"> was a

111
00:09:08,559 --> 00:09:14,289
large Saturn shaped object of great

112
00:09:11,828 --> 00:09:17,418
distance from the<font
color="#E5E5E5"> camera

113

00:09:14,289 --> 00:09:17,418

[Music]

114

00:09:25,458 --> 00:09:30,948

similar Saturn shaped UFOs have been

115

00:09:28,698 --> 00:09:35,349

photographed in other parts of Brazil

116

00:09:30,948 --> 00:09:35,349

and on the other side of the world

117

00:09:42,208 --> 00:09:44,268

you

118

00:09:59,080 --> 00:10:04,940

one of the most active UFO investigators

119

00:10:02,330 --> 00:10:07,310

we discovered in our research is retired

120

00:10:04,940 --> 00:10:10,640

Air Force lieutenant colonel Wendell

121

00:10:07,309 --> 00:10:12,919

Stevens Colonel Stevens spent 23 years

122

00:10:10,639 --> 00:10:15,769

on active duty in the United States Air

123

00:10:12,919 --> 00:10:18,439

Force as a pilot he specialized in air

124

00:10:15,769 --> 00:10:21,049

technical intelligence and the design of

125

00:10:18,440 --> 00:10:23,269

advanced aircraft he was a graduate of

126

00:10:21,049 --> 00:10:25,729

the Army Air Corps first test pilot

127
00:10:23,269 --> 00:10:28,250
school and at the age of 20 was a

128
00:10:25,730 --> 00:10:34,519
project officer on the p-47 fighter

129
00:10:28,250 --> 00:10:41,059
plane during World War two he flew
 in

130
00:10:34,519 --> 00:10:42,230
combat and was Colonel Stevens is still

131
00:10:41,059 --> 00:10:45,449
an active pilot

132
00:10:42,230 --> 00:10:45,450
[Music]

133
00:10:46,528 --> 00:10:52,169
after World War two he was assigned to

134
00:10:49,600 --> 00:10:55,420
an airbase in Alaska where he debriefed

135
00:10:52,169 --> 00:10:58,059
b-29 crews who frequently described

136
00:10:55,419 --> 00:11:02,139
encounters with strange circular

137
00:10:58,059 --> 00:11:04,419
aircraft my first experience with a UFO

138
00:11:02,139 --> 00:11:06,519
report personal experience that<font
color="#E5E5E5"> is was

139
00:11:04,419 --> 00:11:08,019
when one of the crews returned and said

140
00:11:06,519 --> 00:11:10,659

that they saw a bogey that's what they

141

00:11:08,019 --> 00:11:12,610

called him up there that was moving at

142

00:11:10,659 --> 00:11:16,509

high speed at higher altitude than they

143

00:11:12,610 --> 00:11:17,980

could fly and the crews later I found

144

00:11:16,509 --> 00:11:19,929

out that often they often referred to

145

00:11:17,980 --> 00:11:22,389

them as as enemy aircraft or Russian

146

00:11:19,929 --> 00:11:25,028

airplane craft for usually bogeys and

147

00:11:22,389 --> 00:11:27,278

they tried to describe it but it moved

148

00:11:25,028 --> 00:11:29,139

at faster speeds than anything we had we

149

00:11:27,278 --> 00:11:31,269

didn't have jet airplanes then later we

150

00:11:29,139 --> 00:11:33,399

measured one that was flying 7,000 miles

151

00:11:31,269 --> 00:11:35,379

an hour measured it on radar so these

152

00:11:33,399 --> 00:11:37,149

clearly exceeded any of our capabilities

153

00:11:35,379 --> 00:11:39,669

in 1942 any capability of anybody in the

154

00:11:37,149 --> 00:11:41,828

world in 1947 on an average of about

155

00:11:39,669 --> 00:11:43,899

twice a month I would get some kind of a

156

00:11:41,828 --> 00:11:45,939

UFO report and they would see the

157

00:11:43,899 --> 00:11:49,059

circular craft sometimes close sometimes

158

00:11:45,940 --> 00:11:51,220

far sometimes more than one I remember a

159

00:11:49,059 --> 00:11:53,409

crew describing one sitting on the on

160

00:11:51,220 --> 00:11:54,519

the ice pack and this is something we

161

00:11:53,409 --> 00:11:56,318

couldn't do we didn't have any way to

162

00:11:54,519 --> 00:11:58,568

land up there and they seemed to be

163

00:11:56,318 --> 00:12:00,458

operating an airspace without a visible

164

00:11:58,568 --> 00:12:02,799

support base it took a fantastic base

165

00:12:00,458 --> 00:12:04,509

for us to maintain to be 2029 it's just

166

00:12:02,799 --> 00:12:06,549

the support I'm flying in the Arctic I

167

00:12:04,509 --> 00:12:09,789
even had one crew described one that

168
00:12:06,549 --> 00:12:12,469
they saw underwater that surfaced<font
color="#CCCCCC"> Rose

169
00:12:09,789 --> 00:12:14,629
off the water and flew away

170
00:12:12,470 --> 00:12:16,190
this clearly exceeded any design

171
00:12:14,629 --> 00:12:18,500
capabilities that we knew of in the

172
00:12:16,190 --> 00:12:19,970
world the b-29s flying these

173
00:12:18,500 --> 00:12:22,429
reconnaissance missions were equipped

174
00:12:19,970 --> 00:12:24,259
with a variety of cameras at various

175
00:12:22,429 --> 00:12:27,079
times they got pictures of these UFOs

176
00:12:24,259 --> 00:12:28,700
seen in the Arctic airspace on various

177
00:12:27,080 --> 00:12:30,259
of the cameras and sometimes on all of

178
00:12:28,700 --> 00:12:32,330
the cameras at least this is what they

179
00:12:30,259 --> 00:12:34,159
reported I never got to see any of it

180
00:12:32,330 --> 00:12:35,870
because we took the film cartridges out

181

00:12:34,159 --> 00:12:38,179
packed it in the box and shipped it off

182
00:12:35,870 --> 00:12:40,490
to Washington to Andrews Air Force Base

183
00:12:38,179 --> 00:12:43,579
where the officer was meant by Pentagon

184
00:12:40,490 --> 00:12:45,169
intelligence and taken someplace I never

185
00:12:43,580 --> 00:12:46,850
got any feedback and in any of this I

186
00:12:45,169 --> 00:12:49,429
never heard what they developed out of

187
00:12:46,850 --> 00:12:51,710
it but the stories were fantastic this

188
00:12:49,429 --> 00:12:54,439
formally classified letter written by

189
00:12:51,710 --> 00:12:56,690
General Nathan twining was the result of

190
00:12:54,440 --> 00:12:59,560
numerous UFO sightings by Air Force

191
00:12:56,690 --> 00:13:02,780
pilots such as Colonel Stevens described

192
00:12:59,559 --> 00:13:05,319
concerning flying discs reports General

193
00:13:02,779 --> 00:13:07,939
twining States and we quote the

194
00:13:05,320 --> 00:13:11,750
phenomenon reported is something real

195

00:13:07,940 --> 00:13:14,060
and not visionary or fictitious there

196
00:13:11,750 --> 00:13:16,700
are objects probably approximately the

197
00:13:14,059 --> 00:13:19,699
shape of a disc of such appreciable size

198
00:13:16,700 --> 00:13:22,580
as to appear to be as large as man-made

199
00:13:19,700 --> 00:13:24,980
aircraft the reported operating

200
00:13:22,580 --> 00:13:28,100
characteristics such as extreme rates of

201
00:13:24,980 --> 00:13:31,460
climb maneuverability must be considered

202
00:13:28,100 --> 00:13:33,200
evasive when sighted some of the objects

203
00:13:31,460 --> 00:13:36,710
are controlled either manually

204
00:13:33,200 --> 00:13:38,660
automatically or remotely the apparent

205
00:13:36,710 --> 00:13:41,540
common description of the<font
color="#CCCCCC"> object is as

206
00:13:38,659 --> 00:13:44,709
follows metallic or light reflecting

207
00:13:41,539 --> 00:13:47,929
surface circular or elliptical in shape

208
00:13:44,710 --> 00:13:51,230
flat on the bottom and domed on the top

209

00:13:47,929 --> 00:13:53,569
end quote this report makes it

210
00:13:51,230 --> 00:13:56,300
abundantly clear that the United States

211
00:13:53,570 --> 00:13:59,060
military knew of the reality of flying

212
00:13:56,299 --> 00:14:01,089
saucers and deliberately kept it a

213
00:13:59,059 --> 00:14:01,089
secret

214
00:14:02,340 --> 00:14:05,619
[Music]

215
00:14:06,000 --> 00:14:11,889
Colonel Stevens went on to tell us about

216
00:14:08,590 --> 00:14:14,110
two other experiences with UFOs while
he

217
00:14:11,889 --> 00:14:16,600
was on active duty with the US Air Force

218
00:14:14,110 --> 00:14:20,259
I know of Lieutenant Colonel for

219
00:14:16,600 --> 00:14:23,740
instance who was pursuing a UFO in an

220
00:14:20,259 --> 00:14:25,870
f-86 with a wingman with him and he

221
00:14:23,740 --> 00:14:27,159
armed his camera which involves the

222
00:14:25,870 --> 00:14:28,870
arming switch for guns and everything

223

00:14:27,159 --> 00:14:31,029

else on the airplane it goes through an

224

00:14:28,870 --> 00:14:34,149

armament fire control panel this man

225

00:14:31,029 --> 00:14:36,669

lives within 60 miles of here he armed

226

00:14:34,149 --> 00:14:38,649

the the fire control panel to take

227

00:14:36,669 --> 00:14:40,750

camera pictures with his camera guns and

228

00:14:38,649 --> 00:14:42,370

the whole panel began to smoke and
when

229

00:14:40,750 --> 00:14:44,649

all the electrical systems in it went

230

00:14:42,370 --> 00:14:46,419

out when he got back to base they found

231

00:14:44,649 --> 00:14:48,879

wires fused in and then could find no

232

00:14:46,419 --> 00:14:50,769

reason for it being fused took him two

233

00:14:48,879 --> 00:14:53,259

weeks to repair the airplane but he had

234

00:14:50,769 --> 00:14:55,539

a visual lock on a visual contact with

235

00:14:53,259 --> 00:14:57,069

the UFO could see with his eyes it was

236

00:14:55,539 --> 00:14:58,870

close enough to
see the detail and

237
00:14:57,070 --> 00:15:01,120
structure on it and wanted to film it

238
00:14:58,870 --> 00:15:04,090
with his gun cameras my next experience

239
00:15:01,120 --> 00:15:06,009
with what was probably a real UFO was in

240
00:15:04,090 --> 00:15:09,160
1960 when I was a squadron commander in

241
00:15:06,009 --> 00:15:11,200
Florida I had a squadron test pilot up

242
00:15:09,159 --> 00:15:14,110
on a flight test mission with an f100

243
00:15:11,200 --> 00:15:16,750
and a max performance plane caste<font
color="#E5E5E5"> it was

244
00:15:14,110 --> 00:15:19,570
climbing through 18,000 feet when he
saw

245
00:15:16,750 --> 00:15:21,490
an object ahead and above him that

246
00:15:19,570 --> 00:15:23,950
looked like the Goodyear blimp and he

247
00:15:21,490 --> 00:15:25,720
thought oh my god what can this<font
color="#CCCCCC"> be and

248
00:15:23,950 --> 00:15:28,060
he knows we're all over the Goodyear

249
00:15:25,720 --> 00:15:28,750
blimp can't get that high he went into

250
00:15:28,059 --> 00:15:31,619

afterburner

251

00:15:28,750 --> 00:15:33,879

to catch up to it
and he began to close

252

00:15:31,620 --> 00:15:36,129

momentarily on a thing and then it began

253

00:15:33,879 --> 00:15:37,840

to only pace it and then it speeded up

254

00:15:36,129 --> 00:15:40,689

and just walked away from him climbing

255

00:15:37,840 --> 00:15:42,759

away at a steep angle above him in an

256

00:15:40,690 --> 00:15:44,380

f100 in afterburner climbing at max

257

00:15:42,759 --> 00:15:47,049

speed that's the fastest airplane we got

258

00:15:44,379 --> 00:15:49,960

at the time he last saw it speeding away

259

00:15:47,049 --> 00:15:51,399

from him above 33,000 feet there is
 no

260

00:15:49,960 --> 00:15:53,800

way in a world any blimp can get up

261

00:15:51,399 --> 00:15:55,539

there and he came back and he told me

262

00:15:53,799 --> 00:15:58,059

about this experience he was white he

263

00:15:55,539 --> 00:15:59,860

was it was a traumatic thing because he

264

00:15:58,059 --> 00:16:01,649
realized everybody would realize none of

265
00:15:59,860 --> 00:16:04,899
the conditions it's something unearthly

266
00:16:01,649 --> 00:16:07,959
something unearthly is a good way to

267
00:16:04,899 --> 00:16:10,240
describe this unidentified<font
color="#CCCCCC"> flying object

268
00:16:07,960 --> 00:16:11,629
that was photographed by mr. Paul Trent

269
00:16:10,240 --> 00:16:14,090
when he and

270
00:16:11,629 --> 00:16:16,669
another witness saw it fly across his

271
00:16:14,090 --> 00:16:18,430
farm these two pictures have been the

272
00:16:16,669 --> 00:16:21,529
subject of some of the most rigorous

273
00:16:18,429 --> 00:16:26,689
photographic analysis ever done on UFO

274
00:16:21,529 --> 00:16:28,909
photographs one such analysis was

275
00:16:26,690 --> 00:16:32,120
published by dr. Bruce Maccabee an

276
00:16:28,909 --> 00:16:34,100
optical physicist involved in advanced

277
00:16:32,120 --> 00:16:37,879
laser research for the United States

278

00:16:34,100 --> 00:16:39,730
Navy he calculated that the object would

279
00:16:37,879 --> 00:16:43,370
have been about a mile away and

280
00:16:39,730 --> 00:16:45,379
approximately 30 feet in diameter my

281
00:16:43,370 --> 00:16:46,700
analysis of the complete case leads me

282
00:16:45,379 --> 00:16:48,980
to believe that the trenches<font
color="#E5E5E5"> are

283
00:16:46,700 --> 00:16:51,050
actually telling the truth an unusual

284
00:16:48,980 --> 00:16:53,720
object did fly at some distance from

285
00:16:51,049 --> 00:16:56,899
their farm it would have been quite

286
00:16:53,720 --> 00:17:00,250
large and its shape is such that I don't

287
00:16:56,899 --> 00:17:00,250
believe it was made by mankind

288
00:17:07,000 --> 00:17:09,059
you

289
00:17:10,509 --> 00:17:15,549
additional support for the McMinnville

290
00:17:13,119 --> 00:17:18,729
photograph comes from this photograph
of

291
00:17:15,549 --> 00:17:21,609
a strikingly similar object taken four

292
00:17:18,730 --> 00:17:24,849
years later and six thousand miles away

293
00:17:21,609 --> 00:17:27,369
by a French military pilot the

294
00:17:24,849 --> 00:17:29,049
similarity is so pronounced that one

295
00:17:27,369 --> 00:17:32,289
might think that these photographs are

296
00:17:29,049 --> 00:17:37,200
of the same object or of two different

297
00:17:32,289 --> 00:17:37,200
objects manufactured at the same place

298
00:17:38,670 --> 00:17:44,830
this remarkable series of pictures taken

299
00:17:41,559 --> 00:17:48,669
by roy Lauritzen destroys the myth that

300
00:17:44,829 --> 00:17:50,710
ufos are never seen over big cities the

301
00:17:48,670 --> 00:17:52,840
original negative of this filmstrip has

302
00:17:50,710 --> 00:17:54,970
been examined by an experienced UFO

303
00:17:52,839 --> 00:17:58,149
researcher and found to be in its

304
00:17:54,970 --> 00:18:01,509
original uncut state this greatly

305
00:17:58,150 --> 00:18:03,820
reduces any possibility of fraud there's

306

00:18:01,509 --> 00:18:07,119

only a vacant lot where mr. Lauritzen

307

00:18:03,819 --> 00:18:10,149

stood when he took these pictures he was

308

00:18:07,119 --> 00:18:13,919

not standing behind a window the object

309

00:18:10,150 --> 00:18:13,920

is not a reflection

310

00:18:21,298 --> 00:18:23,359

you

311

00:18:27,799 --> 00:18:32,940

in spite of considerable harassment

312

00:18:30,839 --> 00:18:34,319

professional pilots continue to come

313

00:18:32,940 --> 00:18:38,070

forward with their accounts of

314

00:18:34,319 --> 00:18:40,799

incredible encounters with UFOs inventor

315

00:18:38,069 --> 00:18:42,659

and author dr. Richard Haines is seen

316

00:18:40,799 --> 00:18:46,079

here working with his computerized

317

00:18:42,660 --> 00:18:48,150

research file of over 3,000 UFO

318

00:18:46,079 --> 00:18:52,019

sightings by commercial and military

319

00:18:48,150 --> 00:18:54,269

pilots because good eyesight and sharp

320

00:18:52,019 --> 00:18:56,789

abilities of observation are required to

321

00:18:54,269 --> 00:18:58,650

become a professional pilot dr. Haines

322

00:18:56,789 --> 00:19:01,889

believes that the testimony of these

323

00:18:58,650 --> 00:19:03,780

credible witnesses cannot be ignored

324

00:19:01,890 --> 00:19:05,910

we're not dealing with mental

325

00:19:03,779 --> 00:19:07,379

projections or hallucinations on the

326

00:19:05,910 --> 00:19:09,600

part of the witness but with a real

327

00:19:07,380 --> 00:19:11,820

physical phenomenon one of the most

328

00:19:09,599 --> 00:19:14,669

thoroughly investigated cases in dr.

329

00:19:11,819 --> 00:19:16,980

Haines file involves the near collision

330

00:19:14,670 --> 00:19:19,230

of a UFO with the United States Army

331

00:19:16,980 --> 00:19:22,980

helicopter piloted by Lieutenant Colonel

332

00:19:19,230 --> 00:19:25,740

Lawrence Coyne and his crew while flying

333

00:19:22,980 --> 00:19:29,490

over Mansfield Ohio at 11 p.m.<font

color="#CCCCCC"> on

334
00:19:25,740 --> 00:19:32,309
October 18th 1973 they observed a bright

335
00:19:29,490 --> 00:19:35,099
red object which paralleled their craft

336
00:19:32,309 --> 00:19:37,629
and then rapidly moved toward them on a

337
00:19:35,099 --> 00:19:40,839
collision course

338
00:19:37,630 --> 00:19:43,390
I looked out the window<font
color="#CCCCCC"> and observed

339
00:19:40,839 --> 00:19:46,509
this light moving at a very excessive

340
00:19:43,390 --> 00:19:48,009
speed in excess of 600 knots<font
color="#E5E5E5"> coming out

341
00:19:46,509 --> 00:19:51,039
the helicopter it looked like a locked

342
00:19:48,009 --> 00:19:53,650
on missile a family of five in a car

343
00:19:51,039 --> 00:19:55,539
observed the strange red object on a

344
00:19:53,650 --> 00:19:58,420
collision course with Colonel coins

345
00:19:55,539 --> 00:20:00,129
helicopter they pulled off the road to

346
00:19:58,420 --> 00:20:02,110
watch the thing that makes this

347

00:20:00,130 --> 00:20:03,910
particular evening a unique experience

348
00:20:02,109 --> 00:20:06,369
was that it was almost a mid-air

349
00:20:03,910 --> 00:20:09,670
collision with an object that we you

350
00:20:06,369 --> 00:20:11,979
know as a UFO we did not know where
such

351
00:20:09,670 --> 00:20:13,600
and Tola was on top the helicopter and

352
00:20:11,980 --> 00:20:15,759
that took just a
matter of minutes

353
00:20:13,599 --> 00:20:19,029
Colonel coin put the helicopter into a

354
00:20:15,759 --> 00:20:20,200
dive to try to avoid impact when he and

355
00:20:19,029 --> 00:20:22,329
his crew had gone

356
00:20:20,200 --> 00:20:24,940
the object was keeping pace with them

357
00:20:22,329 --> 00:20:27,129
while I was in this position and the

358
00:20:24,940 --> 00:20:32,380
green light came out from the

359
00:20:27,130 --> 00:20:35,230
undercarriage of the UFO Colonel coin

360
00:20:32,380 --> 00:20:38,350
cut the power and set the controls for
 a

361
00:20:35,230 --> 00:20:40,390
steep dive in spite of this the

362
00:20:38,349 --> 00:20:43,779
helicopter was pulled over toward the

363
00:20:40,390 --> 00:20:47,380
UFO from an altitude of 1,700 feet to an

364
00:20:43,779 --> 00:20:49,509
altitude of above 3,700 feet Colonel

365
00:20:47,380 --> 00:20:52,510
coin and his crew observed the strange

366
00:20:49,509 --> 00:20:54,490
UFO at close range for approximately
two

367
00:20:52,509 --> 00:20:58,900
minutes the object that I viewed that

368
00:20:54,490 --> 00:21:01,779
particular evening had a high degree of

369
00:20:58,900 --> 00:21:04,900
Technology was composed of a structure

370
00:21:01,779 --> 00:21:06,549
and a design that we do not have the

371
00:21:04,900 --> 00:21:09,100
object can move through the atmosphere

372
00:21:06,549 --> 00:21:13,029
without causing any tribulus it can move

373
00:21:09,099 --> 00:21:14,159
at high speeds below 10,000 feet<font
color="#E5E5E5"> there

374
00:21:13,029 --> 00:21:16,359

are no vertical or horizontal

375

00:21:14,160 --> 00:21:18,519

stabilizers you know landing gear no

376

00:21:16,359 --> 00:21:22,240

source of propulsion reflected on the

377

00:21:18,519 --> 00:21:23,960

craft looks like it it could fly in

378

00:21:22,240 --> 00:21:31,888

space

379

00:21:23,960 --> 00:21:31,889

[Music]

380

00:21:32,930 --> 00:21:38,029

this document is the result of years of

381

00:21:35,779 --> 00:21:41,210

investigation into lieutenant colonel

382

00:21:38,029 --> 00:21:44,109

coins helicopter encounter with a UFO it

383

00:21:41,210 --> 00:21:47,090

verifies the facts just presented to you

384

00:21:44,109 --> 00:21:49,699

Lieutenant Colonel coin felt so strongly

385

00:21:47,089 --> 00:21:51,529

about his UFO experience that he became

386

00:21:49,700 --> 00:21:54,110

part of a delegation to the United

387

00:21:51,529 --> 00:21:57,430

Nations that tried to encourage the UN

388

00:21:54,109 --> 00:22:00,139

to deal with the subject of UFOs

389
00:21:57,430 --> 00:22:02,390
increasingly UFOs have become the

390
00:22:00,140 --> 00:22:05,390
subject of serious investigation by

391
00:22:02,390 --> 00:22:07,009
professional scientists one of the

392
00:22:05,390 --> 00:22:08,750
twelve scientists should give evidence

393
00:22:07,009 --> 00:22:11,629
before the u.s. congressional hearings

394
00:22:08,750 --> 00:22:15,079
upon UFOs is California nuclear

395
00:22:11,630 --> 00:22:17,360
physicist Stanton Friedman who spent 14

396
00:22:15,079 --> 00:22:19,329
years in private industry working

397
00:22:17,359 --> 00:22:22,429
extensively on classified government

398
00:22:19,329 --> 00:22:25,399
sponsored projects such as this nuclear

399
00:22:22,430 --> 00:22:29,390
rocket engine and other advanced space

400
00:22:25,400 --> 00:22:32,269
systems since 1970 is the only space

401
00:22:29,390 --> 00:22:36,350
scientist known to be devoting full time

402
00:22:32,269 --> 00:22:38,900
to UFOs after 21 years of study and

403
00:22:36,349 --> 00:22:41,719
investigation I'm convinced that the

404
00:22:38,900 --> 00:22:43,630
evidence is simply overwhelming<font
color="#E5E5E5"> that our

405
00:22:41,720 --> 00:22:46,610
planet Earth is being visited by

406
00:22:43,630 --> 00:22:49,520
intelligently controlled vehicles whose

407
00:22:46,609 --> 00:22:53,959
origin is off the earth in other words

408
00:22:49,519 --> 00:22:59,029
some UFOs underlying the some about
10

409
00:22:53,960 --> 00:23:01,700
times are somebody else's spacecraft I'm

410
00:22:59,029 --> 00:23:03,670
only concerned with those UFO reports

411
00:23:01,700 --> 00:23:07,819
which indicate things of definite size

412
00:23:03,670 --> 00:23:09,710
shape surface texture whose behavior

413
00:23:07,819 --> 00:23:12,079
clearly indicates that they were

414
00:23:09,710 --> 00:23:14,569
manufactured somewhere other than
Earth

415
00:23:12,079 --> 00:23:16,849
the kind of behavior that Stanton

416
00:23:14,569 --> 00:23:19,519

Friedman is talking about is the ability

417

00:23:16,849 --> 00:23:22,519

to go ten thousand miles per hour in the

418

00:23:19,519 --> 00:23:26,210

atmosphere as observed on radar and make

419

00:23:22,519 --> 00:23:29,289

sharp right angle turns nobody on planet

420

00:23:26,210 --> 00:23:33,350

Earth is able to duplicate that behavior

421

00:23:29,289 --> 00:23:36,549

the observation of UFOs is by no means a

422

00:23:33,349 --> 00:23:36,549

recent phenomenon

423

00:23:37,299 --> 00:23:45,460

[Music]

424

00:23:46,450 --> 00:23:53,600

listen to this account by a Roman

425

00:23:48,769 --> 00:23:56,089

soldier written in 98 AD at sunset a

426

00:23:53,599 --> 00:23:59,000

burning shield passed over the sky at

427

00:23:56,089 --> 00:24:02,209

Rome it sparkled from the west and

428

00:23:59,000 --> 00:24:03,829

passed to the east the Roman soldiers

429

00:24:02,210 --> 00:24:06,110

description of that burning shield

430
00:24:03,829 --> 00:24:08,298
matches very closely one was

431
00:24:06,109 --> 00:24:13,879
photographed in Salt Lake City by mister

432
00:24:08,298 --> 00:24:17,288
Lauritzen in 1972 on September 30th 1870

433
00:24:13,880 --> 00:24:20,240
the London Times published this article

434
00:24:17,288 --> 00:24:23,000
the object was elliptical in shape with

435
00:24:20,240 --> 00:24:24,769
a kind of tail it crossed the moon from

436
00:24:23,000 --> 00:24:27,378
one side to the other in half a minute

437
00:24:24,769 --> 00:24:32,599
this picture was taken in Switzerland

438
00:24:27,378 --> 00:24:36,740
over 100 years after that report this

439
00:24:32,599 --> 00:24:39,798
description was written in 216 BC at

440
00:24:36,740 --> 00:24:42,730
Aparri east of Rome a round shield was

441
00:24:39,798 --> 00:24:42,730
seen in the sky

442
00:24:50,638 --> 00:24:57,519
another manuscript dated 1290 ad

443
00:24:53,888 --> 00:24:59,498
recorded this UFO sighting they all

444
00:24:57,519 --> 00:25:02,319
rushed out into the open and behold

445
00:24:59,499 --> 00:25:04,899
there was an awful thing a nearly

446
00:25:02,319 --> 00:25:08,918
circular object of silver appearance not

447
00:25:04,898 --> 00:25:11,788
unlike a discus flying above them all it

448
00:25:08,919 --> 00:25:15,070
excited amongst all the greatest terror

449
00:25:11,788 --> 00:25:19,118
these ancient sightings are not isolated

450
00:25:15,069 --> 00:25:22,378
cases this modern film seems to fit

451
00:25:19,118 --> 00:25:25,148
another ancient account almost exactly

452
00:25:22,378 --> 00:25:28,748
they are appeared in the sky a brilliant

453
00:25:25,148 --> 00:25:31,959
object like an iron bar long and wide as

454
00:25:28,749 --> 00:25:34,058
half the moon for 15 minutes it hovered

455
00:25:31,960 --> 00:25:36,249
motionless and suddenly the strange

456
00:25:34,058 --> 00:25:38,558
object began to rise in spirals and

457
00:25:36,249 --> 00:25:41,019
twist and writhe like the uncoiled

458
00:25:38,558 --> 00:25:45,339
mainspring of a watch and after it

459
00:25:41,019 --> 00:25:49,019
vanished in the sky that account was

460
00:25:45,339 --> 00:25:53,019
written on All Saints Day November 1st

461
00:25:49,019 --> 00:25:55,929
1461 but it could almost as easily have

462
00:25:53,019 --> 00:25:57,700
been written describing this film taken

463
00:25:55,929 --> 00:26:03,249
near New Zealand by a television news

464
00:25:57,700 --> 00:26:05,950
crew on December 31st 1978 this UFO
was

465
00:26:03,249 --> 00:26:07,778
observed by five witnesses beside the

466
00:26:05,950 --> 00:26:10,569
cameraman who photographed it while

467
00:26:07,778 --> 00:26:13,329
flying in an airplane it was<font
color="#CCCCCC"> also

468
00:26:10,569 --> 00:26:17,829
observed on two ground-based radar sets

469
00:26:13,329 --> 00:26:19,449
and on the radar in the airplane perhaps

470
00:26:17,829 --> 00:26:22,569
the most interesting part of the entire

471
00:26:19,450 --> 00:26:24,960

New Zealand film is this unexplainable

472

00:26:22,569 --> 00:26:24,960

frame

473

00:26:31,809 --> 00:26:37,639

during this section of the film the UFO

474

00:26:34,609 --> 00:26:41,949

not only changes size and shape but

475

00:26:37,640 --> 00:26:41,950

changes color from red to white

476

00:26:44,509 --> 00:26:50,099

dr. Bruce Maccabee has conducted the

477

00:26:47,069 --> 00:26:53,579

most thorough investigation of this UFO

478

00:26:50,099 --> 00:26:56,429

case he has interviewed extensively all

479

00:26:53,579 --> 00:27:00,089

the witnesses and has analyzed the film

480

00:26:56,430 --> 00:27:03,120

frame by frame I've concluded that the

481

00:27:00,089 --> 00:27:05,429

film does not show Venus or Jupiter it

482

00:27:03,119 --> 00:27:07,500

does not show meteors or mating mutton

483

00:27:05,430 --> 00:27:09,870

Birds it does not show secret military

484

00:27:07,500 --> 00:27:12,180

maneuvers or the squid fishing fleet

485

00:27:09,869 --> 00:27:14,969

I've concluded that the film is not a

486
00:27:12,180 --> 00:27:16,769
hoax my investigation of this whole case

487
00:27:14,970 --> 00:27:18,870
leads me to believe that the film shows

488
00:27:16,769 --> 00:27:20,759
a real unidentified flying object

489
00:27:18,869 --> 00:27:23,699
there's a clipping service that

490
00:27:20,759 --> 00:27:26,009
publishes an average of 60 pages a
month

491
00:27:23,700 --> 00:27:30,210
of UFO sighting reports gathered from

492
00:27:26,009 --> 00:27:32,579
newspapers by only occasionally

493
00:27:30,210 --> 00:27:35,430
reporting a UFO sighting the mass media

494
00:27:32,579 --> 00:27:37,949
creates the mistaken belief that UFO

495
00:27:35,430 --> 00:27:43,529
observations are rare and separated by

496
00:27:37,950 --> 00:27:46,080
years this is untrue UFO activity is a

497
00:27:43,529 --> 00:27:48,710
continuing phenomenon on a worldwide

498
00:27:46,079 --> 00:27:48,710
scale

499

00:27:55,140 --> 00:27:57,200

you

500

00:29:17,000 --> 00:29:23,309

Ted Phillips of Sedalia Missouri seen

501

00:29:20,369 --> 00:29:25,589

here examining a UFO affected area is

502

00:29:23,309 --> 00:29:28,139

acknowledged as the world expert on the

503

00:29:25,589 --> 00:29:30,959

physical traces found at UFO landing

504

00:29:28,140 --> 00:29:33,270

sites mr. Phillips is a research

505

00:29:30,960 --> 00:29:36,000

associate of the Center for UFO studies

506

00:29:33,269 --> 00:29:38,670

and has conducted specialized research

507

00:29:36,000 --> 00:29:40,910

on the physical traces found at UFO

508

00:29:38,670 --> 00:29:44,279

landing sites for the past nine years

509

00:29:40,910 --> 00:29:46,769

the results of his research our files on

510

00:29:44,279 --> 00:29:51,089

over fourteen hundred and eighty UFO

511

00:29:46,769 --> 00:29:54,599

landings from 59 countries mr. Phillips

512

00:29:51,089 --> 00:29:57,959

has personally investigated over 500 UFO

513

00:29:54,599 --> 00:30:00,750

sightings and visited over 300 UFO

514

00:29:57,960 --> 00:30:03,690

landing sites these are soil samples

515

00:30:00,750 --> 00:30:06,329

taken from five recent UFO landing sites

516

00:30:03,690 --> 00:30:08,519

and are fairly representative of some

517

00:30:06,329 --> 00:30:10,439

two to three hundred UFO landing sites

518

00:30:08,519 --> 00:30:13,950

that I have personally been involved

519

00:30:10,440 --> 00:30:17,279

with this is a small portion of the soil

520

00:30:13,950 --> 00:30:21,390

taken from a UFO landing site in delphos

521

00:30:17,279 --> 00:30:25,230

Kansas the soil in the UFO landing ring

522

00:30:21,390 --> 00:30:31,850

is extremely dehydrated and is unable to

523

00:30:25,230 --> 00:30:31,849

absorb water instead it simply floats

524

00:30:32,450 --> 00:30:38,220

soil taken only a few feet away that was

525

00:30:35,309 --> 00:30:42,990

not part of the UFO landing rain behaves

526

00:30:38,220 --> 00:30:46,700

normally within a few seconds it

527

00:30:42,990 --> 00:30:46,700

absorbed the water that we poured on it

528

00:30:47,210 --> 00:30:53,400

besides being unable to absorb water UFO

529

00:30:51,059 --> 00:30:57,029

affected soil cannot support seed

530

00:30:53,400 --> 00:30:59,519

germination and plant life soil taken a

531

00:30:57,029 --> 00:31:03,049

few feet away does support normal plant

532

00:30:59,519 --> 00:31:06,119

growth each of the pins in this map

533

00:31:03,049 --> 00:31:08,039

represents a UFO landing site that has

534

00:31:06,119 --> 00:31:09,989

been reported to Ted Phillips in the

535

00:31:08,039 --> 00:31:13,319

last eight years

536

00:31:09,990 --> 00:31:16,349

over a hundred and fifty UFO landing

537

00:31:13,319 --> 00:31:18,359

sites represented on this map I've

538

00:31:16,349 --> 00:31:20,879

investigated a rather high percentage of

539

00:31:18,359 --> 00:31:23,579

these reports personally and have found

540

00:31:20,880 --> 00:31:27,030

a remarkable consistency in size and

541

00:31:23,579 --> 00:31:29,730

shape regarding the UFO scene and the

542
00:31:27,029 --> 00:31:34,349
ground effects resulting from that UFO

543
00:31:29,730 --> 00:31:37,558
landing we find imprints left evidently

544
00:31:34,349 --> 00:31:39,500
by the landing gear of the object some

545
00:31:37,558 --> 00:31:43,920
of these indicating tremendous pressure

546
00:31:39,500 --> 00:31:46,589
great weight generally found as three or

547
00:31:43,920 --> 00:31:49,350
four in number arranged in either a

548
00:31:46,589 --> 00:31:51,928
triangular or rectangular pattern we

549
00:31:49,349 --> 00:31:53,759
have effects on witnesses such as the

550
00:31:51,929 --> 00:31:55,769
witnesses suffering what appears to be a

551
00:31:53,759 --> 00:31:57,869
sunburn effect on their face neck and

552
00:31:55,769 --> 00:32:00,750
hands following the close approach of a

553
00:31:57,869 --> 00:32:03,629
UFO extreme dryness of the nasal<font
color="#E5E5E5"> area

554
00:32:00,750 --> 00:32:06,509
extreme dryness of the throat<font
color="#E5E5E5"> I have

555
00:32:03,630 --> 00:32:10,280

talked with nearly 2,000 people who have

556
00:32:06,509 --> 00:32:12,420
had a UFO experience and those people

557
00:32:10,279 --> 00:32:14,009
certainly have convinced me that

558
00:32:12,420 --> 00:32:18,929
something very real is going on

559
00:32:14,009 --> 00:32:22,079
something real is indeed going on no

560
00:32:18,929 --> 00:32:25,430
matter how vivid a hallucination is it

561
00:32:22,079 --> 00:32:28,849
cannot be high-grade soil

562
00:32:25,430 --> 00:32:31,220
80% of the descriptions of a UFO in Ted

563
00:32:28,849 --> 00:32:34,339
Phillips files are of a disc-shaped

564
00:32:31,220 --> 00:32:38,329
object between 10 and 35 feet in

565
00:32:34,339 --> 00:32:41,509
diameter over
400 of the landing cases

566
00:32:38,329 --> 00:32:44,419
in these files involve more than<font
color="#E5E5E5"> one

567
00:32:41,509 --> 00:32:47,529
witness observing a UFO for longer than

568
00:32:44,420 --> 00:32:50,870
one minute at a distance of less than

569

00:32:47,529 --> 00:32:53,930
250 feet we're talking about people

570
00:32:50,869 --> 00:32:56,719
police officers clergymen news men

571
00:32:53,930 --> 00:32:58,970
businesspeople people in all walks<font
color="#CCCCCC"> of

572
00:32:56,720 --> 00:33:01,850
life from all parts of the<font
color="#CCCCCC"> country who

573
00:32:58,970 --> 00:33:04,700
have had real UFO experiences and in

574
00:33:01,849 --> 00:33:06,469
many cases a very close range<font
color="#CCCCCC"> the

575
00:33:04,700 --> 00:33:09,470
interesting thing is that these people

576
00:33:06,470 --> 00:33:12,289
could lend us a murder could go into

577
00:33:09,470 --> 00:33:15,380
court testify to that effect put a man

578
00:33:12,289 --> 00:33:17,149
away for life and yet<font
color="#E5E5E5"> those same people

579
00:33:15,380 --> 00:33:19,730
have a UFO experience and the testimony

580
00:33:17,150 --> 00:33:22,640
is no longer valid that's certainly a

581
00:33:19,730 --> 00:33:24,500
very strange set of double standards

582
00:33:22,640 --> 00:33:27,550

that we have in this country it's

583

00:33:24,500 --> 00:33:27,549

difficult to understand

584

00:33:34,980 --> 00:33:41,200

another UFO investigator whose research

585

00:33:38,109 --> 00:33:44,740

has convinced him that UFOs are real is

586

00:33:41,200 --> 00:33:48,429

Colonel Wendell Stevens I need proof for

587

00:33:44,740 --> 00:33:50,349

myself and I look for proof and

588

00:33:48,429 --> 00:33:52,298

everything that happened the number of

589

00:33:50,349 --> 00:33:55,750

things happened in the in Alaska that

590

00:33:52,298 --> 00:33:57,369

had a lot a lot to my belief patterns

591

00:33:55,750 --> 00:33:59,769

but then when I got to investigating my

592

00:33:57,369 --> 00:34:02,199

own cases and could look people in the

593

00:33:59,769 --> 00:34:06,548

eye and I and I investigated some cases

594

00:34:02,200 --> 00:34:08,260

that were profound cases then I became

595

00:34:06,548 --> 00:34:10,148

convinced that there's something here

596

00:34:08,260 --> 00:34:12,399

and there's something that's here at

597
00:34:10,148 --> 00:34:15,668
least a part of something that's here is

598
00:34:12,398 --> 00:34:18,009
physical it's tangible it's just like

599
00:34:15,668 --> 00:34:20,199
the car sitting out there in the street

600
00:34:18,010 --> 00:34:23,649
you can go up and thump it the evidence

601
00:34:20,199 --> 00:34:26,939
is overwhelming that indeed something
 he

602
00:34:23,648 --> 00:34:29,940
is here and it is physical and it is

603
00:34:26,940 --> 00:34:29,940
extraterrestrial

604
00:34:30,960 --> 00:34:49,079
[Music]

605
00:34:46,579 --> 00:34:51,359
in the course of lecturing all over the

606
00:34:49,079 --> 00:34:53,669
continent I have talked now to more than

607
00:34:51,358 --> 00:34:55,259
90 former military people who have told

608
00:34:53,668 --> 00:34:57,509
me of excellent sightings that it could

609
00:34:55,260 --> 00:34:59,400
while they were in the service and where

610
00:34:57,510 --> 00:35:00,990
the data didn't go to the old Project

611

00:34:59,400 --> 00:35:02,490

Blue Book which we were told was the

612

00:35:00,989 --> 00:35:05,098

only government group concerned with

613

00:35:02,489 --> 00:35:06,689

UFOs but instead typically went to the

614

00:35:05,099 --> 00:35:08,818

aerospace defense command or the

615

00:35:06,690 --> 00:35:10,048

National Security Agency and where the

616

00:35:08,818 --> 00:35:13,108

security lid was clamped down

617

00:35:10,048 --> 00:35:16,318

immediately now I've heard so many of

618

00:35:13,108 --> 00:35:20,789

these stories that I'm either having to

619

00:35:16,318 --> 00:35:22,349

say that all these people are lying or

620

00:35:20,789 --> 00:35:25,318

that we're dealing with the cosmic

621

00:35:22,349 --> 00:35:27,359

Watergate cosmic Watergate is an

622

00:35:25,318 --> 00:35:29,880

accurate way to describe the United

623

00:35:27,358 --> 00:35:33,358

States government's official reaction to

624

00:35:29,880 --> 00:35:36,150

UFOs the sharp difference between the

625

00:35:33,358 --> 00:35:39,239

FBI's public statements about UFOs and

626

00:35:36,150 --> 00:35:42,809

their real actions is a good example of

627

00:35:39,239 --> 00:35:44,969

this J Edgar Hoover wrote several

628

00:35:42,809 --> 00:35:47,790

letters stating that the investigation

629

00:35:44,969 --> 00:35:49,529

of unidentified flying objects is not

630

00:35:47,789 --> 00:35:52,849

and never has been within the

631

00:35:49,530 --> 00:35:56,250

jurisdiction of the FBI j.edgar hoover

632

00:35:52,849 --> 00:36:00,150

successfully kept the FBI's UFO file

633

00:35:56,250 --> 00:36:03,000

secret until 1976 when dr. Bruce

634

00:36:00,150 --> 00:36:05,190

Maccabee received part of the FBI UFO

635

00:36:03,000 --> 00:36:08,338

file as a result of his Freedom of

636

00:36:05,190 --> 00:36:10,798

Information Act request here are the

637

00:36:08,338 --> 00:36:13,558

documents that were released there are

638

00:36:10,798 --> 00:36:16,230

over a thousand pages which provide

639

00:36:13,559 --> 00:36:20,000

information on the FBI's and the Air

640

00:36:16,230 --> 00:36:22,920

Force's secret investigations of UFOs

641

00:36:20,000 --> 00:36:26,579

this startling document was recovered

642

00:36:22,920 --> 00:36:29,280

from the FBI's secret file it is in j

643

00:36:26,579 --> 00:36:30,960

edgar Hoover's own handwriting in

644

00:36:29,280 --> 00:36:34,559

response to a government request to

645

00:36:30,960 --> 00:36:38,309

investigate UFOs mr. Hoover wrote and we

646

00:36:34,559 --> 00:36:40,950

quote I would do it but before agreeing

647

00:36:38,309 --> 00:36:45,000

to do it we must insist upon full access

648

00:36:40,949 --> 00:36:47,848

to disks recovered for instance in the

649

00:36:45,000 --> 00:36:49,710

LA case the army grabbed it and would

650

00:36:47,849 --> 00:36:50,609

not let us have it for cursory

651

00:36:49,710 --> 00:36:55,139

examination

652

00:36:50,608 --> 00:36:55,769

end quote this memo clearly indicates

653

00:36:55,139 --> 00:36:57,779

that

654

00:36:55,769 --> 00:36:59,849

mr. Hoover considered UFOs a very

655

00:36:57,780 --> 00:37:03,390

serious subject that should receive

656

00:36:59,849 --> 00:37:04,829

top-level security one of the events

657

00:37:03,389 --> 00:37:06,989

that may have contributed to the

658

00:37:04,829 --> 00:37:10,319

opinions reflected in mr. Hoover's memo

659

00:37:06,989 --> 00:37:13,169

is the apparent recovery of the wreckage

660

00:37:10,320 --> 00:37:13,760

of a crashed UFO by the United States

661

00:37:13,170 --> 00:37:18,019

Army

662

00:37:13,760 --> 00:37:21,840

this happened on July 8th 1947 and

663

00:37:18,019 --> 00:37:24,300

involves major Jesse Marcel who was at

664

00:37:21,840 --> 00:37:26,970

that time the intelligence officer at

665

00:37:24,300 --> 00:37:30,170

Roswell New Mexico Army Air Force Base

666

00:37:26,969 --> 00:37:33,179

the only atomic bomb wing in the world

667
00:37:30,170 --> 00:37:35,820
major Marcel is a combat veteran who

668
00:37:33,179 --> 00:37:39,809
shot down five enemy planes in World War

669
00:37:35,820 --> 00:37:42,960
two a local rancher brought major Marcel

670
00:37:39,809 --> 00:37:46,079
to a crash site located on a remote area

671
00:37:42,960 --> 00:37:49,559
of his ranch they were astonished to

672
00:37:46,079 --> 00:37:51,179
find the vast amount of wreckage one

673
00:37:49,559 --> 00:37:54,000
thing I was certain of being familiar

674
00:37:51,179 --> 00:37:56,669
with all our activities that it was not

675
00:37:54,000 --> 00:37:59,849
a weather balloon nor an aircraft nor a

676
00:37:56,670 --> 00:38:01,500
missile it was something else which we

677
00:37:59,849 --> 00:38:04,079
didn't know what it was they were just

678
00:38:01,500 --> 00:38:05,340
fragments tuned all over the area in the

679
00:38:04,079 --> 00:38:08,099
area but three-quarters of a mile long

680

00:38:05,340 --> 00:38:11,340

and several hundred feet wide so we

681

00:38:08,099 --> 00:38:14,489

proceeded to pick up the parts a lot of

682

00:38:11,340 --> 00:38:16,980

it a lot of little members with symbols

683

00:38:14,489 --> 00:38:19,500

that to be a call of hieroglyphics

684

00:38:16,980 --> 00:38:21,990

because I could not interpret them could

685

00:38:19,500 --> 00:38:24,960

not be read they were just like symbols

686

00:38:21,989 --> 00:38:27,649

of something that meant something these

687

00:38:24,960 --> 00:38:30,960

little members could not be broken

688

00:38:27,650 --> 00:38:33,690

it could not be burned I even tried to

689

00:38:30,960 --> 00:38:35,699

burn that would not burn ci stuff weighs

690

00:38:33,690 --> 00:38:38,340

nothing it's not an air thicker than tin

691

00:38:35,699 --> 00:38:41,939

foil in a pack of cigarettes so I tried

692

00:38:38,340 --> 00:38:43,470

the banister says it will not Bend shall

693

00:38:41,940 --> 00:38:44,570

we there all we could the bend it it

694

00:38:43,469 --> 00:38:47,329
would not Bend

695
00:38:44,570 --> 00:38:50,180
since we even tried making a dent in it

696
00:38:47,329 --> 00:38:53,289
with a 16 pound sledgehammer this is

697
00:38:50,179 --> 00:38:53,289
still not dinner

698
00:38:55,440 --> 00:39:00,690
a woman working in a radio station in

699
00:38:58,230 --> 00:39:03,480
Albuquerque New Mexico started to

700
00:39:00,690 --> 00:39:05,789
transmit on a news wire the story of

701
00:39:03,480 --> 00:39:09,659
nature Marcel's recovery of a crashed

702
00:39:05,789 --> 00:39:12,480
flying saucer the FBI interrupted that

703
00:39:09,659 --> 00:39:16,318
communication with the statement do not

704
00:39:12,480 --> 00:39:18,119
continue this transmission an official

705
00:39:16,318 --> 00:39:20,699
army press release was put out

706
00:39:18,119 --> 00:39:24,000
announcing the capture of portions of a

707
00:39:20,699 --> 00:39:26,608
flying saucer major Marcel escorted the

708
00:39:24,000 --> 00:39:30,389

wreckage on a b-29 to Carswell Air Force

709

00:39:26,608 --> 00:39:33,119

Base the press was waiting for him but

710

00:39:30,389 --> 00:39:36,690

he was told not to say anything by his

711

00:39:33,119 --> 00:39:38,430

commander general ramey the newsmen saw

712

00:39:36,690 --> 00:39:41,010

very low temperatures where a small

713

00:39:38,429 --> 00:39:43,139

portion of it and none of the important

714

00:39:41,010 --> 00:39:45,720

things like these members that had these

715

00:39:43,139 --> 00:39:47,400

hieroglyphics or or markings on they

716

00:39:45,719 --> 00:39:48,299

wanted me to tell them about it and I

717

00:39:47,400 --> 00:39:51,269

couldn't say anything

718

00:39:48,300 --> 00:39:53,310

and while djaro came in he told me not

719

00:39:51,269 --> 00:39:55,769

to say anything that he would have it

720

00:39:53,309 --> 00:39:58,259

the reason that this story has remained

721

00:39:55,769 --> 00:40:01,050

hidden from the public for over 30 years

722

00:39:58,260 --> 00:40:03,210

is that general Ramey released a cover

723

00:40:01,050 --> 00:40:05,550

story at that point saying that the

724

00:40:03,210 --> 00:40:08,338

crashed flying saucer was really a

725

00:40:05,550 --> 00:40:12,050

weather balloon the press around the

726

00:40:08,338 --> 00:40:12,049

world accepted that statement

727

00:40:13,170 --> 00:40:19,989

the documented testimony a one of major

728

00:40:16,298 --> 00:40:22,088

Marcel's b-29
three members reveals that

729

00:40:19,989 --> 00:40:25,210

the UFO wreckage was removed from their

730

00:40:22,088 --> 00:40:27,759

b-29 by armed guards and placed on

731

00:40:25,210 --> 00:40:29,588

another aircraft this<font
color="#E5E5E5"> seems rather

732

00:40:27,759 --> 00:40:32,139

strange tree or the wreckage of a

733

00:40:29,588 --> 00:40:34,328

weather balloon more than two dozen

734

00:40:32,139 --> 00:40:37,989

people in New Mexico associated with the

735

00:40:34,329 --> 00:40:41,289

UFO related events of July 1947 have

736
00:40:37,989 --> 00:40:44,710
been interviewed we have verified every

737
00:40:41,289 --> 00:40:46,200
statement made by Jesse Marcel a

738
00:40:44,710 --> 00:40:48,670
[Music]

739
00:40:46,199 --> 00:40:51,278
well-respected New Mexican engineer

740
00:40:48,670 --> 00:40:54,159
Barney Barnett has reported that a

741
00:40:51,278 --> 00:40:57,789
flying saucer crashed just outside of

742
00:40:54,159 --> 00:41:00,639
Socorro New Mexico in early July in 1947

743
00:40:57,789 --> 00:41:03,220
since this is the same date and very

744
00:41:00,639 --> 00:41:05,618
close to the location where major Marcel

745
00:41:03,219 --> 00:41:08,108
recovered a crashed UFO it seems

746
00:41:05,619 --> 00:41:10,838
probable that the crashed UFO<font
color="#E5E5E5"> mr.

747
00:41:08,108 --> 00:41:13,528
Barnett reported is a larger piece of

748
00:41:10,838 --> 00:41:17,170
the crashed UFO major Marcel recovered

749
00:41:13,528 --> 00:41:20,409
mr. Barnett saw a number of dead alien

750
00:41:17,170 --> 00:41:21,789
bodies extracted from that wreckage
 he

751
00:41:20,409 --> 00:41:24,518
was accompanied by members of an

752
00:41:21,789 --> 00:41:27,190
archaeological expedition a military

753
00:41:24,518 --> 00:41:27,909
group came along swore everybody to

754
00:41:27,190 --> 00:41:30,579
secrecy

755
00:41:27,909 --> 00:41:32,329
and carried off the<font
color="#E5E5E5"> saucer and the dead

756
00:41:30,579 --> 00:41:36,139
alien bodies

757
00:41:32,329 --> 00:41:36,139
[Music]

758
00:41:36,690 --> 00:41:43,800
between 1947 and 1952 there were more

759
00:41:41,489 --> 00:41:47,299
flying saucer sightings in New Mexico

760
00:41:43,800 --> 00:41:47,300
than in any other state

761
00:41:47,480 --> 00:41:53,940
this document recovered from the FBI's

762
00:41:50,760 --> 00:41:57,030
secret file shows that during this time

763
00:41:53,940 --> 00:42:00,568
period there were over 150 sightings of

764
00:41:57,030 --> 00:42:03,240
UFOs over sensitive US military

765
00:42:00,568 --> 00:42:05,639
installations many of these sightings

766
00:42:03,239 --> 00:42:08,129
fit the standard disc shaped UFO

767
00:42:05,639 --> 00:42:12,719
description and were reported by more

768
00:42:08,130 --> 00:42:15,539
than one reliable witness New Mexico was

769
00:42:12,719 --> 00:42:18,419
the state where all post-world war ii

770
00:42:15,539 --> 00:42:20,789
rocket shots were fired it is also the

771
00:42:18,420 --> 00:42:26,940
state where the first atom bomb was

772
00:42:20,789 --> 00:42:29,489
developed and tested one logical

773
00:42:26,940 --> 00:42:32,460
explanation for this<font
color="#CCCCCC"> large number of UFO

774
00:42:29,489 --> 00:42:34,469
sightings is that an alien space

775
00:42:32,460 --> 00:42:37,019
traveling culture was observing the

776
00:42:34,469 --> 00:42:38,349
earth without making official contact

777
00:42:37,019 --> 00:42:40,780
and gathering

778

00:42:38,349 --> 00:42:42,730

very intelligence on the earth so that

779

00:42:40,780 --> 00:42:47,220

they will be prepared for the day when

780

00:42:42,730 --> 00:42:47,219

we leave this planet and move into space

781

00:42:50,739 --> 00:42:55,829

the best-known government responses to

782

00:42:53,650 --> 00:42:59,710

the UFO question with a much-publicized

783

00:42:55,829 --> 00:43:02,289

US Air Force's Project Blue Book and the

784

00:42:59,710 --> 00:43:03,909

Condon report in spite of the air

785

00:43:02,289 --> 00:43:06,579

force's public statements to the

786

00:43:03,909 --> 00:43:09,368

contrary a close examination of the

787

00:43:06,579 --> 00:43:12,519

evidence in these reports indicates that

788

00:43:09,369 --> 00:43:14,860

some UFOs are extraterrestrial

789

00:43:12,519 --> 00:43:17,400

spacecraft and that the purpose of these

790

00:43:14,860 --> 00:43:22,740

reports was to act as public relations

791

00:43:17,400 --> 00:43:25,539

cover-ups rather than scientific studies

792

00:43:22,739 --> 00:43:29,429

in the past 10 years I've talked with

793

00:43:25,539 --> 00:43:35,219

over 2000 military personnel who have

794

00:43:29,429 --> 00:43:38,649

confidentially relate cases involving

795

00:43:35,219 --> 00:43:40,750

not only landings very near or on

796

00:43:38,650 --> 00:43:42,760

military installations in this country

797

00:43:40,750 --> 00:43:46,570

but also cases involving physical

798

00:43:42,760 --> 00:43:48,430

residue and one instance an individual

799

00:43:46,570 --> 00:43:50,800

assured me that he had personally seen

800

00:43:48,429 --> 00:43:52,779

to the transmission of this report to

801

00:43:50,800 --> 00:43:54,640

Project Blue Book and this was a report

802

00:43:52,780 --> 00:43:57,790

involving a landing and quite a number

803

00:43:54,639 --> 00:44:00,489

of witnesses security personnel and if

804

00:43:57,789 --> 00:44:02,400

one is to check the Blue Book files the

805

00:44:00,489 --> 00:44:05,319

files that have been<font

color="#E5E5E5"> open to the
public

806
00:44:02,400 --> 00:44:08,410
those cases are not there not a single

807
00:44:05,320 --> 00:44:10,840
case Colonel Stevens gave us a good

808
00:44:08,409 --> 00:44:13,809
explanation as to why military people

809
00:44:10,840 --> 00:44:16,059
and former military people<font
color="#E5E5E5"> do not speak

810
00:44:13,809 --> 00:44:19,358
out about their classified experiences

811
00:44:16,059 --> 00:44:22,599
with UFOs now when a when a person

812
00:44:19,358 --> 00:44:25,539
working in a security field leaves the

813
00:44:22,599 --> 00:44:27,900
field he's reminded of his oaths and

814
00:44:25,539 --> 00:44:29,980
he's sworn not to reveal information

815
00:44:27,900 --> 00:44:31,570
handled officially during the time of

816
00:44:29,980 --> 00:44:32,800
his tenure in this<font
color="#CCCCCC"> test particular

817
00:44:31,570 --> 00:44:35,260
security thing and he's warned of the

818
00:44:32,800 --> 00:44:37,630
penalties it's a \$10,000 fine<font
color="#CCCCCC"> and 10

819
00:44:35,260 --> 00:44:39,070
years in prison and for in in extreme

820
00:44:37,630 --> 00:44:41,470
cases perfect sure of all pay and

821
00:44:39,070 --> 00:44:44,320
allowances do or ever to become due
and

822
00:44:41,469 --> 00:44:46,059
so it's hard to find people who are not

823
00:44:44,320 --> 00:44:48,580
vulnerable who don't have something to

824
00:44:46,059 --> 00:44:49,608
lose by telling what happened to them

825
00:44:48,579 --> 00:44:52,369
the

826
00:44:49,608 --> 00:44:54,889
encounter of two Iranian jets with the

827
00:44:52,369 --> 00:44:57,710
UFO gives a glimpse of how the

828
00:44:54,889 --> 00:45:01,909
government really handles good quality

829
00:44:57,710 --> 00:45:04,548
UFO military sightings the lead fighter

830
00:45:01,909 --> 00:45:06,440
tried to intercept an extremely large or

831
00:45:04,548 --> 00:45:08,159
bright UFO

832
00:45:06,440 --> 00:45:11,030
[Music]

833

00:45:08,159 --> 00:45:13,219
as he closed with us

834

00:45:11,030 --> 00:45:17,019
his electrical missile control and

835

00:45:13,219 --> 00:45:17,019
communication systems malfunction

836

00:45:17,179 --> 00:45:21,379
[Music]

837

00:45:24,630 --> 00:45:29,640
he turned away from the UFO and shortly

838

00:45:27,719 --> 00:45:32,539
thereafter his systems began to function

839

00:45:29,639 --> 00:45:32,539
normally again

840

00:45:34,179 --> 00:45:40,179
the White House the<font
color="#CCCCCC"> CIA and several

841

00:45:38,110 --> 00:45:42,940
other defense intelligence agencies

842

00:45:40,179 --> 00:45:46,210
receive the classified letter describing

843

00:45:42,940 --> 00:45:49,090
the case in detail this memo written<font
color="#E5E5E5"> by

844

00:45:46,210 --> 00:45:53,650
General Carroll H bolander in 1969

845

00:45:49,090 --> 00:45:56,350
became public in 1979 and revealed that

846

00:45:53,650 --> 00:45:57,690

reports of unidentified flying objects

847
00:45:56,349 --> 00:46:02,319
which could affect national security

848
00:45:57,690 --> 00:46:04,929
were not part
of the Bluebook system it

849
00:46:02,320 --> 00:46:07,440
is clear that the government regards

850
00:46:04,929 --> 00:46:10,210
UFOs as a matter of national security

851
00:46:07,440 --> 00:46:14,320
because they can fly rings around our

852
00:46:10,210 --> 00:46:16,750
conventional jets or rockets the first

853
00:46:14,320 --> 00:46:19,240
country to be able<font
color="#E5E5E5"> to duplicate the

854
00:46:16,750 --> 00:46:21,460
behavior of UFOs could attack any other

855
00:46:19,239 --> 00:46:23,979
country in the
world with absolute

856
00:46:21,460 --> 00:46:26,829
immunity you see the single most

857
00:46:23,980 --> 00:46:28,630
important aspect of a flying saucer from

858
00:46:26,829 --> 00:46:31,239
a government or military viewpoint is

859
00:46:28,630 --> 00:46:33,099
its potential for military utilization

860

00:46:31,239 --> 00:46:35,079

the first country
to be able to

861

00:46:33,099 --> 00:46:36,980

duplicate the behavior of flying saucer

862

00:46:35,079 --> 00:46:40,480

will rule the planet

863

00:46:36,980 --> 00:46:40,480

[Music]

864

00:46:46,949 --> 00:46:54,129

these recently released secret CIA UFO

865

00:46:51,429 --> 00:46:56,289

files indicate intense government

866

00:46:54,130 --> 00:47:00,519

interest in the military potential of

867

00:46:56,289 --> 00:47:02,469

UFOs these files establish that the CIA

868

00:47:00,519 --> 00:47:13,150

had agents all around the world

869

00:47:02,469 --> 00:47:14,759

gathering information on UFOs this

870

00:47:13,150 --> 00:47:17,470

interview with senator Barry Goldwater

871

00:47:14,760 --> 00:47:19,599

provides an even clearer view of<font
color="#CCCCCC"> the

872

00:47:17,469 --> 00:47:22,750

government's concern about the military

873

00:47:19,599 --> 00:47:24,190

potential of UFOs senator Goldwater was

874
00:47:22,750 --> 00:47:28,119
the Republican candidate for president

875
00:47:24,190 --> 00:47:30,940
in 1964 and is a Major General in the

876
00:47:28,119 --> 00:47:34,420
United States Air Force Reserve we have

877
00:47:30,940 --> 00:47:37,480
verified the following quotes Air Force

878
00:47:34,420 --> 00:47:40,510
Navy and commercial pilots have revealed

879
00:47:37,480 --> 00:47:43,119
to me cases when a UFO would fly near

880
00:47:40,510 --> 00:47:46,089
them right off the planes wing and then

881
00:47:43,119 --> 00:47:50,048
just zoom away at incredible speeds

882
00:47:46,088 --> 00:47:51,789
I asked general Curtis LeMay who for

883
00:47:50,048 --> 00:47:54,130
years was head of the Strategic Air

884
00:47:51,789 --> 00:47:58,029
Command for permission to check into
the

885
00:47:54,130 --> 00:48:02,260
files and he told me he'll know and

886
00:47:58,030 --> 00:48:04,900
don't ask me again I think some highly

887
00:48:02,260 --> 00:48:07,059
secret government UFO investigations are

888

00:48:04,900 --> 00:48:10,298

going on that we don't know about and

889

00:48:07,059 --> 00:48:14,260

probably never will unless the Air Force

890

00:48:10,298 --> 00:48:16,809

discloses them someday soon someone is

891

00:48:14,260 --> 00:48:20,440

going to have strong UFO evidence that

892

00:48:16,809 --> 00:48:23,170

can't be explained away and senator

893

00:48:20,440 --> 00:48:25,900

goldwater's quote there is already

894

00:48:23,170 --> 00:48:28,269

strong evidence that can't be explained

895

00:48:25,900 --> 00:48:31,838

away in senator barry goldwater's own

896

00:48:28,269 --> 00:48:33,639

home state of arizona the evidence

897

00:48:31,838 --> 00:48:37,380

revolves around an incident that took

898

00:48:33,639 --> 00:48:39,690

place in the city raves National Forest

899

00:48:37,380 --> 00:48:42,390

it was in this location that a young

900

00:48:39,690 --> 00:48:47,159

woodcutter named Travis Walton was

901

00:48:42,389 --> 00:48:50,969

abducted by a UFO the UFO was witnessed

902

00:48:47,159 --> 00:48:53,969

by six of his fellow workers at Travis's

903

00:48:50,969 --> 00:48:56,179

home in snowflake Arizona we interviewed

904

00:48:53,969 --> 00:48:59,519

him and one of the witnesses to the UFO

905

00:48:56,179 --> 00:49:01,889

Mike Rogers they were selling have us on

906

00:48:59,519 --> 00:49:05,039

the way home from work we were riding

907

00:49:01,889 --> 00:49:07,739

down a dirt road and a pickup and we saw

908

00:49:05,039 --> 00:49:10,800

an object hovering off to the side of

909

00:49:07,739 --> 00:49:16,979

the road it was a glowing disc shaped

910

00:49:10,800 --> 00:49:20,340

object it was about 90 feet away it was

911

00:49:16,980 --> 00:49:22,440

hovering about I'd say 15 to 20 feet off

912

00:49:20,340 --> 00:49:24,570

the ground I got out of the truck and

913

00:49:22,440 --> 00:49:26,909

went closer I wanted to get a closer

914

00:49:24,570 --> 00:49:30,660

look at it I realized for the first time

915

00:49:26,909 --> 00:49:33,779
what what he was doing and I realized

916
00:49:30,659 --> 00:49:38,639
that it was dangerous I expected it you

917
00:49:33,780 --> 00:49:41,070
know fly away when I got closer but

918
00:49:38,639 --> 00:49:43,739
instead when I went when I got up there

919
00:49:41,070 --> 00:49:48,450
it started to move and and to make a

920
00:49:43,739 --> 00:49:50,849
loud sound which scared me<font
color="#CCCCCC"> I yelled at

921
00:49:48,449 --> 00:49:53,189
him I told him you know get the hell

922
00:49:50,849 --> 00:49:55,170
away from there they raised up and

923
00:49:53,190 --> 00:49:56,630
turned to go and then all of a<font
color="#CCCCCC"> sudden

924
00:49:55,170 --> 00:50:01,050
the object

925
00:49:56,630 --> 00:50:05,720
apparently blasted him was some<font
color="#E5E5E5"> sort of

926
00:50:01,050 --> 00:50:05,720
array or both of light or something

927
00:50:05,780 --> 00:50:13,280
I felt a numbing shock and lost

928
00:50:10,340 --> 00:50:15,190
consciousness and that was the last I

929
00:50:13,280 --> 00:50:18,890
knew until I woke up aboard the craft

930
00:50:15,190 --> 00:50:21,380
when I saw this bright blinding light I

931
00:50:18,889 --> 00:50:24,529
turned back just in time to see Travis

932
00:50:21,380 --> 00:50:26,690
I flying back through the air he hit

933
00:50:24,530 --> 00:50:29,800
the ground about ten feet or so from

934
00:50:26,690 --> 00:50:34,070
where he had been standing at that point

935
00:50:29,800 --> 00:50:36,260
with the the blast that the saucer had

936
00:50:34,070 --> 00:50:38,300
given him it was such an incredible

937
00:50:36,260 --> 00:50:41,300
thing we're just unbelievable I was in

938
00:50:38,300 --> 00:50:43,010
an instant panic of the guys behind me

939
00:50:41,300 --> 00:50:47,480
somebody says get the hell out of here

940
00:50:43,010 --> 00:50:50,210
so I hit the gas and we took off down

941
00:50:47,480 --> 00:50:52,730
the road Mike Rogers and the other five

942

00:50:50,210 --> 00:50:56,000
witnesses returned only to find Travis

943
00:50:52,730 --> 00:50:58,519
missing after they told their astounding

944
00:50:56,000 --> 00:51:01,670
story to the police they came under

945
00:50:58,519 --> 00:51:03,739
suspicion of murder an intense search

946
00:51:01,670 --> 00:51:04,340
for Travis Walton proceeded for three

947
00:51:03,739 --> 00:51:07,519
days

948
00:51:04,340 --> 00:51:10,280
using a large Posse dogs and helicopters

949
00:51:07,519 --> 00:51:13,610
they were unable to find him or any

950
00:51:10,280 --> 00:51:15,920
signs of where he was finally it was

951
00:51:13,610 --> 00:51:17,090
suggested that the six witnesses take a

952
00:51:15,920 --> 00:51:20,059
polygraph test

953
00:51:17,090 --> 00:51:22,690
to establish the truth or fallacy<font
color="#E5E5E5"> of

954
00:51:20,059 --> 00:51:22,690
their story

955
00:51:22,809 --> 00:51:27,190
and we told them you know<font
color="#E5E5E5"> we'll take

956

00:51:24,730 --> 00:51:30,159

polygraph test will we'll take sodium

957

00:51:27,190 --> 00:51:31,900

pentathol hypnosis anything you can give

958

00:51:30,159 --> 00:51:35,409

us because this thing really happened

959

00:51:31,900 --> 00:51:37,570

and and we don't like this thing about

960

00:51:35,409 --> 00:51:39,819

you accusing us of murder which several

961

00:51:37,570 --> 00:51:42,460

of them had openly arrangements were

962

00:51:39,820 --> 00:51:45,070

made for side Gilson a highly qualified

963

00:51:42,460 --> 00:51:47,289

polygraph examiner who was a member of

964

00:51:45,070 --> 00:51:49,780

the Arizona state polygraph Association

965

00:51:47,289 --> 00:51:52,059

to conduct the polygraphs on the six

966

00:51:49,780 --> 00:51:54,940

witnesses to Travis Waltons UFO

967

00:51:52,059 --> 00:51:56,799

encounter the utmost care in

968

00:51:54,940 --> 00:51:59,260

administering these lie-detector tests

969

00:51:56,800 --> 00:52:02,110

was exercised because the men were under

970

00:51:59,260 --> 00:52:06,670

suspicion of murder once the tests got

971

00:52:02,110 --> 00:52:09,039

underway he started changing his mind

972

00:52:06,670 --> 00:52:12,909

very quickly after he tested about three

973

00:52:09,039 --> 00:52:15,369

of the six he seemed to be acting

974

00:52:12,909 --> 00:52:18,279

differently by the time he had tested

975

00:52:15,369 --> 00:52:20,730

all of us he seemed to be a believer I

976

00:52:18,280 --> 00:52:24,400

talked to him after the tests and he

977

00:52:20,730 --> 00:52:26,490

indicated to me that but apparently he

978

00:52:24,400 --> 00:52:29,559

was wrong

979

00:52:26,489 --> 00:52:34,719

unofficially he said that he believed

980

00:52:29,559 --> 00:52:37,509

that we had told the truth because five

981

00:52:34,719 --> 00:52:40,509

of us passed the test he wrote in his

982

00:52:37,510 --> 00:52:44,970

report that we had told the truth that

983

00:52:40,510 --> 00:52:44,970

apparently there had been a UFO

984

00:52:49,409 --> 00:52:55,509

this was a very emotional thing for

985

00:52:52,329 --> 00:52:58,900

Travis's family and emotional for us

986

00:52:55,510 --> 00:53:01,480

Travis was my best friend and our whole

987

00:52:58,900 --> 00:53:03,519

lives have been disrupted by this we

988

00:53:01,480 --> 00:53:06,159

wondered if we would ever see him again

989

00:53:03,519 --> 00:53:11,009

when I regained consciousness I was

990

00:53:06,159 --> 00:53:14,440

laying on my back I I came too slowly I

991

00:53:11,010 --> 00:53:17,680

was in a lot of pain in my head and

992

00:53:14,440 --> 00:53:20,650

chest area at first I thought I was in a

993

00:53:17,679 --> 00:53:22,960

hospital but when I could finally see

994

00:53:20,650 --> 00:53:27,639

Ike I saw these beings standing over me

995

00:53:22,960 --> 00:53:29,380

and dad I just become a sterile I was

996

00:53:27,639 --> 00:53:33,250

about five feet tall

997
00:53:29,380 --> 00:53:36,910
they had no hair no eyelashes eyebrows
 a

998
00:53:33,250 --> 00:53:40,170
very large heads very large eyes the

999
00:53:36,909 --> 00:53:43,960
rest their features nose mouth and ears

1000
00:53:40,170 --> 00:53:49,720
were small and they were very white like

1001
00:53:43,960 --> 00:53:54,699
he I knocked him away from me and jumped

1002
00:53:49,719 --> 00:54:00,549
off of the table there and they started

1003
00:53:54,699 --> 00:54:04,469
come toward me my grabbed an<font
color="#E5E5E5"> object off

1004
00:54:00,550 --> 00:54:04,470
of the bench there and threatened him

1005
00:54:07,750 --> 00:54:16,010
they stopped and turned around and left

1006
00:54:11,358 --> 00:54:21,068
the room I was afraid they'd come back

1007
00:54:16,010 --> 00:54:23,510
so I left there looking for a<font
color="#E5E5E5"> way out I

1008
00:54:21,068 --> 00:54:26,929
went into another room where there was a

1009
00:54:23,510 --> 00:54:29,450
chair there was some kind of projection

1010

00:54:26,929 --> 00:54:31,279
or some kind of a viewing thing in this

1011
00:54:29,449 --> 00:54:35,149
room where you could see a map with

1012
00:54:31,280 --> 00:54:36,859
stars a man came in while I was trying

1013
00:54:35,150 --> 00:54:41,630
to find a way out there

1014
00:54:36,858 --> 00:54:44,119
and this was a human looking person they

1015
00:54:41,630 --> 00:54:46,640
had passing a crowd this individual you

1016
00:54:44,119 --> 00:54:50,000
know on earth he was bigger than me

1017
00:54:46,639 --> 00:54:55,039
taller and more muscular<font
color="#CCCCCC"> very large

1018
00:54:50,000 --> 00:54:59,750
individual I went up and tried to talk

1019
00:54:55,039 --> 00:55:02,210
to this guy and he didn't answer me he

1020
00:54:59,750 --> 00:55:05,088
led me outside of this craft that I was

1021
00:55:02,210 --> 00:55:09,050
in which was apparently parked inside of

1022
00:55:05,088 --> 00:55:09,440
a large room or building or a larger

1023
00:55:09,050 --> 00:55:12,260
craft

1024

00:55:09,440 --> 00:55:14,780

and led me out of this room into another

1025

00:55:12,260 --> 00:55:22,280

room where some other beings like

1026

00:55:14,780 --> 00:55:23,780

himself put me unconscious when I

1027

00:55:22,280 --> 00:55:27,069

regained consciousness

1028

00:55:23,780 --> 00:55:30,079

I found myself laying on the roadway

1029

00:55:27,068 --> 00:55:31,909

that I saw a craft hovering there that

1030

00:55:30,079 --> 00:55:35,900

just sat there for a second I'm just

1031

00:55:31,909 --> 00:55:39,078

shot straight up that's the last I've

1032

00:55:35,900 --> 00:55:41,059

seen oh I ran down into the town man

1033

00:55:39,079 --> 00:55:43,760

called my family and they came and got

1034

00:55:41,059 --> 00:55:46,969

me when I did hear that he had been

1035

00:55:43,760 --> 00:55:48,800

returned it was almost as unbelievable

1036

00:55:46,969 --> 00:55:49,739

as the original thing because he'd been

1037

00:55:48,800 --> 00:55:51,050

gone so long

1038

00:55:49,739 --> 00:55:53,839

[Music]

1039

00:55:51,050 --> 00:55:56,030

one of the biggest shocks I had to deal

1040

00:55:53,840 --> 00:55:58,789

with when I was returned was finding out

1041

00:55:56,030 --> 00:56:04,040

that this brief period of time had

1042

00:55:58,789 --> 00:56:05,329

somehow taken over five days when I

1043

00:56:04,039 --> 00:56:09,739

found out I've been gone for that long

1044

00:56:05,329 --> 00:56:12,650

it was it was just you know blew me away

1045

00:56:09,739 --> 00:56:15,709

and my my brother you know told me about

1046

00:56:12,650 --> 00:56:17,869

it and then I was stunned and he asked

1047

00:56:15,710 --> 00:56:18,949

me feel my face and I'd had a you know a

1048

00:56:17,869 --> 00:56:22,339

week's growth

1049

00:56:18,949 --> 00:56:24,799

I was really took my mind just reeled at

1050

00:56:22,340 --> 00:56:27,380

that because as far as I knew it was the

1051
00:56:24,800 --> 00:56:30,080
same night the thing that bothered me

1052
00:56:27,380 --> 00:56:35,059
most about the whole experience was

1053
00:56:30,079 --> 00:56:37,519
those eyes when they looked at me they

1054
00:56:35,059 --> 00:56:39,789
just seemed like they were looking right

1055
00:56:37,519 --> 00:56:42,949
through me

1056
00:56:39,789 --> 00:56:53,000
he just can't understand how it would be

1057
00:56:42,949 --> 00:56:56,419
if it were just right there after his

1058
00:56:53,000 --> 00:56:59,599
return Travis Walton also passed a

1059
00:56:56,420 --> 00:57:04,789
polygraph test verifying the truth of

1060
00:56:59,599 --> 00:57:07,009
his UFO experience to obtain an expert

1061
00:57:04,789 --> 00:57:09,139
opinion on what conclusions could be

1062
00:57:07,010 --> 00:57:12,440
drawn from the polygraph tests in the

1063
00:57:09,139 --> 00:57:15,289
Travis Walton case we interviewed Edward

1064
00:57:12,440 --> 00:57:18,920
geld president of the American polygraph

1065

00:57:15,289 --> 00:57:20,869

Association hundreds of police

1066

00:57:18,920 --> 00:57:23,720

departments and corporations throughout

1067

00:57:20,869 --> 00:57:28,009

the world utilized the polygraph to

1068

00:57:23,719 --> 00:57:30,169

separate truth from deception the 94%

1069

00:57:28,010 --> 00:57:32,240

accuracy of the polygraph has been well

1070

00:57:30,170 --> 00:57:35,420

documented not only in real-life

1071

00:57:32,239 --> 00:57:37,189

situations as we've discussed here but

1072

00:57:35,420 --> 00:57:39,079

in laboratory and university studies

1073

00:57:37,190 --> 00:57:42,220

that have been conducted throughout the

1074

00:57:39,079 --> 00:57:44,840

world the odds against six people

1075

00:57:42,219 --> 00:57:47,839

successfully deceiving a trained

1076

00:57:44,840 --> 00:57:50,710

polygraph examiner on a single issue are

1077

00:57:47,840 --> 00:57:53,390

over a million to one

1078

00:57:50,710 --> 00:57:56,000

the polygraph evidence in the Travis

1079

00:57:53,389 --> 00:57:57,139

Walton case is strong enough to stand as

1080

00:57:56,000 --> 00:58:02,358

proof in a

1081

00:57:57,139 --> 00:58:04,460

of law in many states in order to

1082

00:58:02,358 --> 00:58:06,139

understand where the beings that

1083

00:58:04,460 --> 00:58:09,048

kidnapped Travis Walton may have

1084

00:58:06,139 --> 00:58:14,210

originated we must first understand our

1085

00:58:09,048 --> 00:58:17,298

place in the universe our Sun is only

1086

00:58:14,210 --> 00:58:22,699

one of over a hundred and fifty billion

1087

00:58:17,298 --> 00:58:25,969

stars in our galaxy the Milky Way there

1088

00:58:22,699 --> 00:58:31,879

are billions and billions of galaxies in

1089

00:58:25,969 --> 00:58:34,489

the universe if only one star in every

1090

00:58:31,880 --> 00:58:37,940

million has planets that can support

1091

00:58:34,489 --> 00:58:39,588

life then there are hundreds of billions

1092

00:58:37,940 --> 00:58:43,760

of life-supporting planets in the

1093
00:58:39,588 --> 00:58:46,608
universe within 55 light-years of our

1094
00:58:43,760 --> 00:58:53,390
own solar system there are thousands of

1095
00:58:46,608 --> 00:58:56,298
stars 46 of these near neighbors are

1096
00:58:53,389 --> 00:58:59,588
similar to the Sun and can be expected

1097
00:58:56,298 --> 00:59:02,059
to have planets and<font
color="#CCCCCC"> life especially if

1098
00:58:59,588 --> 00:59:05,119
colonization and migration have been

1099
00:59:02,059 --> 00:59:10,609
going on for part of their 10 billion

1100
00:59:05,119 --> 00:59:13,190
year lives by examining our own advanced

1101
00:59:10,608 --> 00:59:15,798
technology closely we can get some

1102
00:59:13,190 --> 00:59:18,139
indications as to how the UFO that

1103
00:59:15,798 --> 00:59:20,449
kidnapped Travis Walton may have been

1104
00:59:18,139 --> 00:59:23,900
propelled and how it could have traveled

1105
00:59:20,449 --> 00:59:26,179
through space to the earth the

1106
00:59:23,900 --> 00:59:29,568
technology to travel to nearby stars in

1107
00:59:26,179 --> 00:59:31,699
our own galaxy now exists just as the

1108
00:59:29,568 --> 00:59:35,239
basic technology do go to the moon

1109
00:59:31,699 --> 00:59:37,619
existed shortly after World War two

1110
00:59:35,239 --> 00:59:40,919
technological progress is the result of

1111
00:59:37,619 --> 00:59:45,239
inventing new systems and not perfecting

1112
00:59:40,920 --> 00:59:48,780
old ones we cross the Atlantic Ocean 100

1113
00:59:45,239 --> 00:59:51,059
times faster now than 200 years ago not

1114
00:59:48,780 --> 00:59:53,940
because we've got boats that go 100

1115
00:59:51,059 --> 00:59:57,480
times faster but because we now have jet

1116
00:59:53,940 --> 01:00:00,389
airliners today we take jet airliners

1117
00:59:57,480 --> 01:00:02,639
for granted but 200 years ago they
would

1118
01:00:00,389 --> 01:00:06,809
have sounded like the wildest kind of

1119
01:00:02,639 --> 01:00:09,359
fantasy it took Magellan 2 years to sail

1120
01:00:06,809 --> 01:00:12,119
around the planet and<font
color="#E5E5E5"> it only takes a

1121
01:00:09,360 --> 01:00:14,360
modern astronaut 90 minutes to circle

1122
01:00:12,119 --> 01:00:14,359
the earth

1123
01:00:16,940 --> 01:00:22,280
the Apollo project not only proved that

1124
01:00:19,909 --> 01:00:24,199
it was possible for mankind to leave the

1125
01:00:22,280 --> 01:00:27,440
earth and
visit our nearest neighbor in

1126
01:00:24,199 --> 01:00:29,858
space the moon it revealed that even the

1127
01:00:27,440 --> 01:00:32,030
most prestigious scientists often

1128
01:00:29,858 --> 01:00:33,949
underestimate the ability of human

1129
01:00:32,030 --> 01:00:35,440
ingenuity to
accomplish what is

1130
01:00:33,949 --> 01:00:40,009
considered impossible

1131
01:00:35,440 --> 01:00:42,170
in 1957 lee deforest<font
color="#CCCCCC"> the inventor of the

1132
01:00:40,010 --> 01:00:44,960
vacuum tube and father of modern

1133
01:00:42,170 --> 01:00:47,088
electronics stated that no matter what

1134

01:00:44,960 --> 01:00:49,369
the inventions of the future man would

1135
01:00:47,088 --> 01:00:52,789
never land on the moon and bring back

1136
01:00:49,369 --> 01:00:54,800
samples to earth just 12<font
color="#CCCCCC"> years after

1137
01:00:52,789 --> 01:00:56,659
that millions of people on the earth

1138
01:00:54,800 --> 01:01:00,940
were able to watch<font
color="#CCCCCC"> the first moon

1139
01:00:56,659 --> 01:01:00,940
landing on television as it happened

1140
01:01:02,170 --> 01:01:07,519
when trying to understand UFOs it is

1141
01:01:05,539 --> 01:01:09,829
important to be careful about using the

1142
01:01:07,519 --> 01:01:11,659
word impossible because the history
 of

1143
01:01:09,829 --> 01:01:13,430
our own technology shows that

1144
01:01:11,659 --> 01:01:15,828
intelligent beings have a habit of

1145
01:01:13,429 --> 01:01:20,449
accomplishing what was once considered

1146
01:01:15,829 --> 01:01:22,730
impossible today some people consider it

1147
01:01:20,449 --> 01:01:25,189
impossible to travel the vast distances

1148
01:01:22,730 --> 01:01:27,829
between stars the state of current

1149
01:01:25,190 --> 01:01:31,159
technology already indicates that their

1150
01:01:27,829 --> 01:01:33,170
ideas will soon be as obsolete as mr. de

1151
01:01:31,159 --> 01:01:35,750
forests statement that man would never

1152
01:01:33,170 --> 01:01:37,670
land on the moon we could build

1153
01:01:35,750 --> 01:01:39,739
nuclear-powered starships that could

1154
01:01:37,670 --> 01:01:43,240
travel in space just the way his

1155
01:01:39,739 --> 01:01:45,649
submarine travels underwater

1156
01:01:43,239 --> 01:01:48,439
these starships could travel to nearby

1157
01:01:45,650 --> 01:01:49,570
stars and return within the lifetime of

1158
01:01:48,440 --> 01:01:51,700
a man

1159
01:01:49,570 --> 01:01:54,580
they would be powered by nuclear fusion

1160
01:01:51,699 --> 01:01:56,589
the energy source of the Sun and the

1161
01:01:54,579 --> 01:02:03,610
same nuclear process used in the

1162
01:01:56,590 --> 01:02:05,650
hydrogen bomb an advanced starship

1163
01:02:03,610 --> 01:02:07,720
capable of traveling close to the speed

1164
01:02:05,650 --> 01:02:10,090
of light could take advantage of

1165
01:02:07,719 --> 01:02:14,169
Einstein's law of relativity which has

1166
01:02:10,090 --> 01:02:15,700
now been experimentally verified as the

1167
01:02:14,170 --> 01:02:17,740
spaceship approached the speed of light

1168
01:02:15,699 --> 01:02:20,919
the objects that
they approach would

1169
01:02:17,739 --> 01:02:25,169
take on a red glow time would begin to

1170
01:02:20,920 --> 01:02:28,450
slow down for the crew when they reached

1171
01:02:25,170 --> 01:02:31,900
99.999% of the speed of light they could

1172
01:02:28,449 --> 01:02:33,099
travel to a star 37 light-years away in

1173
01:02:31,900 --> 01:02:36,039
just two months

1174
01:02:33,099 --> 01:02:39,009
pilot time the people that they left

1175
01:02:36,039 --> 01:02:40,989
behind would be 37 years older but the

1176
01:02:39,010 --> 01:02:45,760
crew of this starship would have aged

1177
01:02:40,989 --> 01:02:47,979
only two months the space shuttle will

1178
01:02:45,760 --> 01:02:50,920
be able to lift portions of a giant

1179
01:02:47,980 --> 01:02:52,960
nuclear fission or fusion rocket into

1180
01:02:50,920 --> 01:02:53,950
orbit around the earth where it could be

1181
01:02:52,960 --> 01:02:56,079
assembled

1182
01:02:53,949 --> 01:02:58,949
from there it could be launched to other

1183
01:02:56,079 --> 01:02:58,950
solar systems

1184
01:03:02,980 --> 01:03:10,469
[Music]

1185
01:03:07,670 --> 01:03:13,019
the Space Shuttle will also be used to

1186
01:03:10,469 --> 01:03:16,679
build and supply Space Station's

1187
01:03:13,019 --> 01:03:16,679
[Music]

1188
01:03:18,769 --> 01:03:24,480
astronauts have already stayed in space

1189
01:03:21,570 --> 01:03:26,490
for five months we are rapidly

1190
01:03:24,480 --> 01:03:28,769
approaching a time when there will be a

1191
01:03:26,489 --> 01:03:54,239
permanent space colony and there will

1192
01:03:28,769 --> 01:03:56,789
always be Earthlings in space our

1193
01:03:54,239 --> 01:03:59,250
civilization on earth is destined to

1194
01:03:56,789 --> 01:04:03,539
become a space traveling culture and our

1195
01:03:59,250 --> 01:04:05,190
space age is less than 25 years old<font
color="#E5E5E5"> who

1196
01:04:03,539 --> 01:04:07,230
could possibly estimate the

1197
01:04:05,190 --> 01:04:09,300
technological limits of a space

1198
01:04:07,230 --> 01:04:10,929
traveling culture that is a billion

1199
01:04:09,300 --> 01:04:12,960
years older than

1200
01:04:10,929 --> 01:04:12,960
Oh

1201
01:04:13,599 --> 01:04:19,420
this UFO caused severe static on the

1202
01:04:17,230 --> 01:04:22,199
photographer's transistor radio as it

1203
01:04:19,420 --> 01:04:22,200
maneuvered overhead

1204
01:04:24,050 --> 01:04:31,580
[Music]

1205
01:04:28,750 --> 01:04:33,889
reports of UFOs causing magnetic

1206
01:04:31,579 --> 01:04:35,920
disturbance such as the interruption of

1207
01:04:33,889 --> 01:04:38,269
television and radio transmissions and

1208
01:04:35,920 --> 01:04:41,599
interference with the electrical systems

1209
01:04:38,269 --> 01:04:44,750
of cars are common this electrical

1210
01:04:41,599 --> 01:04:47,509
interference strongly suggests that at

1211
01:04:44,750 --> 01:04:49,849
least one UFO atmospheric propulsion

1212
01:04:47,510 --> 01:04:53,750
system is based on some kind of

1213
01:04:49,849 --> 01:04:55,309
electromagnetic propulsion the first

1214
01:04:53,750 --> 01:04:57,590
successful test of an electromagnetic

1215
01:04:55,309 --> 01:05:00,679
propulsion system was conducted on earth

1216
01:04:57,590 --> 01:05:03,890
in 1966 when this electromagnetic

1217

01:05:00,679 --> 01:05:08,210

submarine was first demonstrated it cost

1218

01:05:03,889 --> 01:05:10,460

only two thousand dollars to build it's

1219

01:05:08,210 --> 01:05:15,170

homemade look is reminiscent of the

1220

01:05:10,460 --> 01:05:16,970

Wright brother's airplane it clearly

1221

01:05:15,170 --> 01:05:19,309

demonstrates the potential for magnetic

1222

01:05:16,969 --> 01:05:21,199

propulsion this electromagnetic

1223

01:05:19,309 --> 01:05:25,849

submarine moves through the water as a

1224

01:05:21,199 --> 01:05:30,889

result of electromagnetic forces it has

1225

01:05:25,849 --> 01:05:33,529

absolutely no moving parts ionized air

1226

01:05:30,889 --> 01:05:37,519

is an electrically conductive substance

1227

01:05:33,530 --> 01:05:39,650

just like sea water this film is taken

1228

01:05:37,519 --> 01:05:43,159

from a space capsule returning to Earth

1229

01:05:39,650 --> 01:05:44,849

it shows of caer ionized by the extreme

1230

01:05:43,159 --> 01:05:45,989

heat of reentry

1231

01:05:44,849 --> 01:05:47,789

[Music]

1232

01:05:45,989 --> 01:05:50,309

iein eyes are seen around the space

1233

01:05:47,789 --> 01:05:52,739

capsule is very similar to the glowing

1234

01:05:50,309 --> 01:06:02,279

effect photographed around UFOs and

1235

01:05:52,739 --> 01:06:04,549

described by UFO witnesses UFOs may be

1236

01:06:02,280 --> 01:06:06,480

propelled by some sort of advanced

1237

01:06:04,550 --> 01:06:09,000

electromagnetic system that is

1238

01:06:06,480 --> 01:06:13,519

foreshadowed by this primitive submarine

1239

01:06:09,000 --> 01:06:13,519

just as Goddard Rockets foreshadowed

1240

01:06:19,719 --> 01:06:25,358

the Travis Walton case is not the only

1241

01:06:22,900 --> 01:06:29,470

well documented instance of a person

1242

01:06:25,358 --> 01:06:33,059

being abducted by a UFO these books

1243

01:06:29,469 --> 01:06:33,059

record many such cases

1244

01:06:34,550 --> 01:06:45,979

[Music]

1245

01:06:43,389 --> 01:06:48,889

perhaps the best-known abduction of all

1246
01:06:45,978 --> 01:06:50,478
and one of the earliest reported is the

1247
01:06:48,889 --> 01:06:53,498
abduction of a well-respected New

1248
01:06:50,478 --> 01:06:56,960
England couple Betty and Barney Hill

1249
01:06:53,498 --> 01:07:00,078
Barney Hill died in February of 1969

1250
01:06:56,960 --> 01:07:04,670
eight years after their UFO experience

1251
01:07:00,079 --> 01:07:06,528
on September 20th 1961 their experience

1252
01:07:04,670 --> 01:07:10,130
has been described in a book the

1253
01:07:06,528 --> 01:07:14,539
interrupted journey and a movie the UFO

1254
01:07:10,130 --> 01:07:16,759
incident Betty and Barney Hill were

1255
01:07:14,539 --> 01:07:18,410
driving along a deserted road at<font
color="#CCCCCC"> 2

1256
01:07:16,759 --> 01:07:20,920
o'clock in the morning on their way to

1257
01:07:18,409 --> 01:07:23,929
their new hampshire home from Montreal

1258
01:07:20,920 --> 01:07:27,469
suddenly we began to see a strange light

1259
01:07:23,929 --> 01:07:30,649
in the sky which was manoeuvring in

 a

1260

01:07:27,469 --> 01:07:33,798

very erratic pattern this light began to

1261

01:07:30,650 --> 01:07:36,048

drop flying along beside us and did this

1262

01:07:33,798 --> 01:07:39,079

for about 30 miles until we came to an

1263

01:07:36,048 --> 01:07:41,568

area known as Indian Head and at that

1264

01:07:39,079 --> 01:07:44,150

place this light left the top of the

1265

01:07:41,568 --> 01:07:46,639

mountain came out over the highway and

1266

01:07:44,150 --> 01:07:49,088

stopped in midday at directly in front

1267

01:07:46,639 --> 01:07:50,989

of us Barney

1268

01:07:49,088 --> 01:07:52,940

jumped out of the cab with the

1269

01:07:50,989 --> 01:07:55,940

binoculars in an attempt to try to

1270

01:07:52,940 --> 01:07:58,088

identify this craft because this was we

1271

01:07:55,940 --> 01:08:00,710

knew nothing about UFOs at the time

1272

01:07:58,088 --> 01:08:03,139

Barney walked towards that looking up

1273

01:08:00,710 --> 01:08:05,719
through the binoculars and we could see

1274
01:08:03,139 --> 01:08:08,389
a red light on each side and figure

1275
01:08:05,719 --> 01:08:11,150
stand here behind the double row windows

1276
01:08:08,389 --> 01:08:13,879
he panicked and he ran back to the car

1277
01:08:11,150 --> 01:08:16,279
saying they plan to capture us and we

1278
01:08:13,880 --> 01:08:18,679
had to get out of there and we went

1279
01:08:16,279 --> 01:08:20,989
speeding down the highway and at that

1280
01:08:18,679 --> 01:08:22,130
point we heard beeping sounds in the car

1281
01:08:20,988 --> 01:08:24,379
vibrated

1282
01:08:22,130 --> 01:08:27,770
now when we arrived home we had many

1283
01:08:24,380 --> 01:08:31,250
puzzles tops of body shoes were scuffed

1284
01:08:27,770 --> 01:08:32,870
our watch isn't stopped functioning they

1285
01:08:31,250 --> 01:08:35,359
were highly polished thoughts in the

1286
01:08:32,869 --> 01:08:38,298

trunk of the car but the biggest mystery

1287

01:08:35,359 --> 01:08:42,560

along was the fact that it had taken us

1288

01:08:38,298 --> 01:08:45,170

seven hours to drive 190 miles the hills

1289

01:08:42,560 --> 01:08:48,319

were reported their sighting of a UFO to

1290

01:08:45,170 --> 01:08:51,020

nearby Pease Air Force Base for fear of

1291

01:08:48,319 --> 01:08:53,929

ridicule they left out their observation

1292

01:08:51,020 --> 01:08:55,940

of alien beings during the next two

1293

01:08:53,929 --> 01:08:58,100

years Benny Hill was haunted by

1294

01:08:55,939 --> 01:09:01,009

nightmares and Barney developed a

1295

01:08:58,100 --> 01:09:02,719

debilitating ulcer fearing that the

1296

01:09:01,009 --> 01:09:05,509

ulcer and nightmares were rooted in the

1297

01:09:02,719 --> 01:09:08,319

two hours of lost time the hill sought

1298

01:09:05,509 --> 01:09:11,420

the help of dr. Benjamin Simon a

1299

01:09:08,319 --> 01:09:14,690

psychiatrist and expert in regressive

1300

01:09:11,420 --> 01:09:16,579

hypnosis dr. Simon conducted weekly

1301

01:09:14,689 --> 01:09:19,460

hypnosis sessions with each of the hills

1302

01:09:16,579 --> 01:09:21,619

and separately he would induce amnesia

1303

01:09:19,460 --> 01:09:23,899

in each of the hills after every session

1304

01:09:21,619 --> 01:09:25,880

to make sure they couldn't discuss or

1305

01:09:23,899 --> 01:09:29,658

exchange information about what they

1306

01:09:25,880 --> 01:09:32,029

remembered after three months a clearer

1307

01:09:29,658 --> 01:09:35,719

picture of their abduction emerged and

1308

01:09:32,029 --> 01:09:38,239

Barney's ulcer had been cured at that

1309

01:09:35,719 --> 01:09:40,850

point dr. Simon played for them

1310

01:09:38,238 --> 01:09:43,428

a composite tape of all of the sessions

1311

01:09:40,850 --> 01:09:47,329

and the hills found out the truth about

1312

01:09:43,429 --> 01:09:50,210

the two missing hours it was at this

1313

01:09:47,329 --> 01:09:52,429

point the beings that had been on the

1314

01:09:50,210 --> 01:09:54,739

craft but now standing in the middle of

1315

01:09:52,429 --> 01:09:58,969

the road a dirt road blocking our way

1316

01:09:54,738 --> 01:10:01,819

the car motor stalled they separated

1317

01:09:58,969 --> 01:10:04,219

came up onto each side took us out of

1318

01:10:01,819 --> 01:10:06,710

the car and at that point I realized

1319

01:10:04,219 --> 01:10:10,279

that they undoubtedly plan to take us on

1320

01:10:06,710 --> 01:10:13,489

board and that even increased my fears

1321

01:10:10,279 --> 01:10:16,340

so that actually by the time we had

1322

01:10:13,488 --> 01:10:19,529

arrived at the craft I was fighting but

1323

01:10:16,340 --> 01:10:21,969

I was in a panic they just held me

1324

01:10:19,529 --> 01:10:24,309

after mrs. Hills examination by the

1325

01:10:21,969 --> 01:10:26,349

aliens had been completed she had an

1326

01:10:24,309 --> 01:10:29,679

opportunity to speak with the leader of

1327

01:10:26,349 --> 01:10:31,809

the aliens when I asked the leader where

1328

01:10:29,679 --> 01:10:34,719

he was from I said I know you're not

1329

01:10:31,809 --> 01:10:42,760

from this planet and this is when I saw

1330

01:10:34,719 --> 01:10:45,368

the style map it was about three or four

1331

01:10:42,760 --> 01:10:49,869

feet long and about two feet high there

1332

01:10:45,368 --> 01:10:52,389

are all these balls of light in it the

1333

01:10:49,868 --> 01:10:55,689

heavy blinds the places they go all the

1334

01:10:52,389 --> 01:10:59,319

time or frequently the broken lines were

1335

01:10:55,689 --> 01:11:03,069

expeditions he asked me if I knew where

1336

01:10:59,319 --> 01:11:06,308

I was on the map I told him no that I

1337

01:11:03,069 --> 01:11:10,179

knew nothing about astronomy and so he

1338

01:11:06,309 --> 01:11:12,309

said if I did not know where I was on

1339

01:11:10,179 --> 01:11:15,190

the map then there was no point or

1340

01:11:12,309 --> 01:11:16,449

trying to explain it to me I just didn't

1341

01:11:15,189 --> 01:11:19,000

have the necessary knowledge

1342

01:11:16,448 --> 01:11:21,250

Betty drew the star map she had seen on

1343

01:11:19,000 --> 01:11:24,519

board the spacecraft and it appeared in

1344

01:11:21,250 --> 01:11:27,578

her book because there was no indication

1345

01:11:24,519 --> 01:11:29,619

of which star was the Sun the best way

1346

01:11:27,578 --> 01:11:31,808

that this map could be interpreted would

1347

01:11:29,618 --> 01:11:34,328

be to build a large three-dimensional

1348

01:11:31,809 --> 01:11:37,659

model of the Sun and all the stars near

1349

01:11:34,328 --> 01:11:40,359

the Sun the one person who decided to

1350

01:11:37,658 --> 01:11:43,479

take on this difficult task was Marjorie

1351

01:11:40,359 --> 01:11:46,509

fish when I first started I expected to

1352

01:11:43,479 --> 01:11:49,000

find many similar patterns to Daddy's

1353

01:11:46,510 --> 01:11:51,940

drawing what exactly the opposite

1354

01:11:49,000 --> 01:11:54,309

happened because of the peculiar spacing

1355

01:11:51,939 --> 01:11:56,888

of the stars near the Sun it was

1356
01:11:54,309 --> 01:11:59,079
impossible for Marjorie fish to find a

1357
01:11:56,889 --> 01:12:01,380
match of more than four or five of the

1358
01:11:59,078 --> 01:12:04,389
twelve pattern stars in the star map

1359
01:12:01,380 --> 01:12:07,090
then she began to focus on the stars

1360
01:12:04,389 --> 01:12:10,809
that were most like the Sun and most

1361
01:12:07,090 --> 01:12:13,328
likely to have planets and life finally

1362
01:12:10,809 --> 01:12:16,480
only the very best stars for life were

1363
01:12:13,328 --> 01:12:20,618
left and when that happened I had a

1364
01:12:16,479 --> 01:12:23,259
nine-point match in 1969 a new star

1365
01:12:20,618 --> 01:12:26,738
catalogue came out giving more accurate

1366
01:12:23,260 --> 01:12:29,460
distances between stars Marjorie made a

1367
01:12:26,738 --> 01:12:32,189
new model based on those distances and

1368
01:12:29,460 --> 01:12:35,250
disregarded all stars except

1369
01:12:32,189 --> 01:12:37,979
the ones most likely to have planets and

1370

01:12:35,250 --> 01:12:40,229

life the whole pattern stood out

1371

01:12:37,979 --> 01:12:42,869

including three background stars this

1372

01:12:40,229 --> 01:12:45,659

was a very heavy exciting thing for me

1373

01:12:42,869 --> 01:12:47,880

the 15 point match achieved by Marjorie

1374

01:12:45,659 --> 01:12:51,059

fish of the Betty Hill star map is

1375

01:12:47,880 --> 01:12:53,400

unique and goes far beyond the laws of

1376

01:12:51,060 --> 01:12:55,050

chance despite the fact that Marjorie

1377

01:12:53,399 --> 01:12:57,089

fish tried thousands of different

1378

01:12:55,050 --> 01:12:59,760

combinations of stars to try to match

1379

01:12:57,090 --> 01:13:02,190

Betty's pattern she was able to find one

1380

01:12:59,760 --> 01:13:04,050

and only one pattern that matched angle

1381

01:13:02,189 --> 01:13:07,049

for angle line length four line lengths

1382

01:13:04,050 --> 01:13:09,029

what Betty had drawn the star pattern

1383

01:13:07,050 --> 01:13:11,130

makes sense from nearest star to nearest

1384
01:13:09,029 --> 01:13:15,179
star to nearest star the Sun is part of

1385
01:13:11,130 --> 01:13:17,400
the pattern quite remarkably every one

1386
01:13:15,180 --> 01:13:20,159
of the stars in the pattern is the right

1387
01:13:17,399 --> 01:13:22,049
kind for planets in life and all of the

1388
01:13:20,159 --> 01:13:25,109
right kind of stars for planets in life

1389
01:13:22,050 --> 01:13:27,239
in this volume of space are part of the

1390
01:13:25,109 --> 01:13:29,519
pattern the chance of that happening by

1391
01:13:27,238 --> 01:13:32,250
accident all the right kind and only the

1392
01:13:29,520 --> 01:13:35,310
right kind for pattern stars is one in

1393
01:13:32,250 --> 01:13:37,560
several thousand perhaps most remarkably

1394
01:13:35,310 --> 01:13:40,860
this four tells us where one set of

1395
01:13:37,560 --> 01:13:44,489
visitors originates the base stars Zeta

1396
01:13:40,859 --> 01:13:48,689
1 and Zeta 2 Reticuli are a very special

1397

01:13:44,488 --> 01:13:50,968
pair of stars Zeta 1 and Zeta 2 Reticuli

1398
01:13:48,689 --> 01:13:53,669
are the closest to each other pair of

1399
01:13:50,969 --> 01:13:57,029
stars suitable for planets and life in

1400
01:13:53,670 --> 01:13:59,520
our entire neighborhood instead of being

1401
01:13:57,029 --> 01:14:03,000
isolated from their neighbors as we are

1402
01:13:59,520 --> 01:14:05,460
Zeta 1 and Zeta 2 are a hundred times

1403
01:14:03,000 --> 01:14:06,840
closer to each other than we are to our

1404
01:14:05,460 --> 01:14:09,029
nearest neighbor

1405
01:14:06,840 --> 01:14:11,130
it would not be surprising if space

1406
01:14:09,029 --> 01:14:14,609
travel developed earlier between such

1407
01:14:11,130 --> 01:14:18,118
close neighbors Zeta one and two

1408
01:14:14,609 --> 01:14:20,639
Reticuli are over a billion years older

1409
01:14:18,118 --> 01:14:23,460
than Earth clearly giving any beans

1410
01:14:20,639 --> 01:14:26,609
living there a long evolutionary head

1411

01:14:23,460 --> 01:14:28,469
start on us we went to Ohio State

1412
01:14:26,609 --> 01:14:31,109
University to get an expert opinion

1413
01:14:28,469 --> 01:14:34,948
about the validity of marjorie fish's

1414
01:14:31,109 --> 01:14:37,229
starmap work professor water mitchell

1415
01:14:34,948 --> 01:14:41,460
has been a professional astronomer for

1416
01:14:37,229 --> 01:14:43,169
over twenty years it took me quite a

1417
01:14:41,460 --> 01:14:45,989
long time to gain a full appreciation

1418
01:14:43,170 --> 01:14:47,719
for the work of Marjorie fish but it's

1419
01:14:45,988 --> 01:14:50,579
become apparent over the years that

1420
01:14:47,719 --> 01:14:53,550
first of all the work is without

1421
01:14:50,579 --> 01:14:56,550
question accurate the proven validity of

1422
01:14:53,550 --> 01:14:59,070
her starmap enormous Lea increases the

1423
01:14:56,550 --> 01:15:01,650
credibility of the remainder of mrs.

1424
01:14:59,069 --> 01:15:02,158
Hills story I was taken into the first

1425
01:15:01,649 --> 01:15:04,979
room

1426
01:15:02,158 --> 01:15:08,539
Barney into the second room where we

1427
01:15:04,979 --> 01:15:13,229
were given as the lead as I call him

1428
01:15:08,539 --> 01:15:15,569
gave us testing they were loving beings

1429
01:15:13,229 --> 01:15:17,729
and for purposes of identification I

1430
01:15:15,569 --> 01:15:19,710
call one the
leader because he seemed to

1431
01:15:17,729 --> 01:15:21,689
be in charge of the project of during us

1432
01:15:19,710 --> 01:15:24,029
testing and he was the only one who

1433
01:15:21,689 --> 01:15:27,149
spoke English then there was the

1434
01:15:24,029 --> 01:15:28,948
examiner who did the testing and then

1435
01:15:27,149 --> 01:15:32,069
there were nine others we call crew

1436
01:15:28,948 --> 01:15:34,589
members they stayed outside the room
in

1437
01:15:32,069 --> 01:15:37,139
the coroner our examinations are very

1438
01:15:34,590 --> 01:15:40,289
much similar in that with both Barney

1439

01:15:37,139 --> 01:15:43,880

and I they checked our eyes ears nose

1440

01:15:40,289 --> 01:15:46,670

throat took samples of our hair

1441

01:15:43,880 --> 01:15:51,090

 fingernail and they scraped that skin

1442

01:15:46,670 --> 01:15:52,529

with me they touched my body with little

1443

01:15:51,090 --> 01:15:54,599

points on wires

1444

01:15:52,529 --> 01:15:58,109

they said he was checking my nervous

1445

01:15:54,599 --> 01:16:01,069

system and then they attempted to insert

1446

01:15:58,109 --> 01:16:03,319

a needle like instrument in my navel

1447

01:16:01,069 --> 01:16:05,659

dai objected that it would hurt and he

1448

01:16:03,319 --> 01:16:08,299

said he shouldn't hurt when he did this

1449

01:16:05,659 --> 01:16:10,220

and caused a great deal of pain he said

1450

01:16:08,300 --> 01:16:12,199

it was a pregnancy test and I said well

1451

01:16:10,220 --> 01:16:16,940

that's no pregnancy test here

1452

01:16:12,199 --> 01:16:18,800

Betty Hill was right in 1961 there was

1453
01:16:16,939 --> 01:16:22,309
no pregnancy test like that here on

1454
01:16:18,800 --> 01:16:25,850
earth but in the early 1970s two

1455
01:16:22,310 --> 01:16:29,960
techniques amniocentesis and laparoscopy

1456
01:16:25,850 --> 01:16:31,430
have both come into wide usage both are

1457
01:16:29,960 --> 01:16:33,980
techniques that provide information

1458
01:16:31,430 --> 01:16:36,650
about pregnancy and bear a striking

1459
01:16:33,979 --> 01:16:41,329
resemblance to the experience that Betty

1460
01:16:36,649 --> 01:16:44,539
Hill described it's difficult to imagine

1461
01:16:41,329 --> 01:16:47,779
Betty Hill inventing medical techniques

1462
01:16:44,539 --> 01:16:52,489
that did not yet exist on earth unless

1463
01:16:47,779 --> 01:16:54,590
her UFO experience truly occurred when

1464
01:16:52,489 --> 01:16:57,380
the alien leaders saw the pain that

1465
01:16:54,590 --> 01:17:01,039
Betty was experiencing he put his hand

1466
01:16:57,380 --> 01:17:04,699
on her head and the pain went away at

1467

01:17:01,039 --> 01:17:06,710

this point the examine it came running

1468

01:17:04,699 --> 01:17:09,889

back into the room I'd opened my mouth

1469

01:17:06,710 --> 01:17:13,100

to started tugging at my teeth and I

1470

01:17:09,890 --> 01:17:16,730

said to the Lido what is he doing and he

1471

01:17:13,100 --> 01:17:19,250

said we're very very puzzled why are

1472

01:17:16,729 --> 01:17:23,089

Barney's teeth removable and yours are

1473

01:17:19,250 --> 01:17:25,789

not at that
point we left the craft I

1474

01:17:23,090 --> 01:17:27,590

went back to the car and we stood there

1475

01:17:25,789 --> 01:17:30,409

by the car and we watched the craft

1476

01:17:27,590 --> 01:17:35,180

leave we saw it become surrounded by a

1477

01:17:30,409 --> 01:17:37,550

fiery revolving mass of some kind we

1478

01:17:35,180 --> 01:17:40,909

could see the UFO in the middle of this

1479

01:17:37,550 --> 01:17:42,020

and it lifted up get down right straight

1480

01:17:40,909 --> 01:17:45,139

up it was gone

1481

01:17:42,020 --> 01:17:48,050
I received a copy of the radar report

1482
01:17:45,140 --> 01:17:51,650
from Pease Air Force Base where they had

1483
01:17:48,050 --> 01:17:55,039
tracked an unidentified craft at 2:14

1484
01:17:51,649 --> 01:17:57,529
a.m. in the more about the time just

1485
01:17:55,039 --> 01:18:01,100
about the time we estimate that the
 UFO

1486
01:17:57,529 --> 01:18:03,829
left we went back and we found<font
color="#CCCCCC"> the spot

1487
01:18:01,100 --> 01:18:04,520
where we were captured it was not a

1488
01:18:03,829 --> 01:18:08,449
fantasy

1489
01:18:04,520 --> 01:18:11,120
it was a real experience and I believe

1490
01:18:08,449 --> 01:18:14,179
that I have enough evidence to establish

1491
01:18:11,119 --> 01:18:15,000
that first met Betty and Barney Hill in

1492
01:18:14,180 --> 01:18:17,070
November 19

1493
01:18:15,000 --> 01:18:19,560
sixty-eight I've spent a great deal of

1494
01:18:17,069 --> 01:18:22,139
time since then investigating their

1495
01:18:19,560 --> 01:18:25,170
abduction I've talked to dr. Benjamin

1496
01:18:22,140 --> 01:18:26,700
Simon about his hypnosis sessions I've

1497
01:18:25,170 --> 01:18:29,279
listened to the tapes of those sessions

1498
01:18:26,699 --> 01:18:32,760
and I've looked at Margery fish's

1499
01:18:29,279 --> 01:18:35,069
starmap work in great depth it seems

1500
01:18:32,760 --> 01:18:37,260
clear to me that Betty and Barney Hill

1501
01:18:35,069 --> 01:18:40,619
were taken
onboard a flying saucer in

1502
01:18:37,260 --> 01:18:45,449
New Hampshire in 1961 this story must
be

1503
01:18:40,619 --> 01:18:47,279
taken at face value it's true I think

1504
01:18:45,449 --> 01:18:49,409
for a long long time I had the feeling

1505
01:18:47,279 --> 01:18:52,409
that I had sort of<font
color="#E5E5E5"> lived through a

1506
01:18:49,409 --> 01:18:54,779
tragedy in some way and sometimes even

1507
01:18:52,409 --> 01:18:58,019
now I still have this feeling<font
color="#E5E5E5"> because

1508

01:18:54,779 --> 01:19:01,469

it's something that's haunting it's

1509

01:18:58,020 --> 01:19:04,410

something that's always on my mind no

1510

01:19:01,470 --> 01:19:06,480

matter where I go or what I do because I

1511

01:19:04,409 --> 01:19:09,359

do lead a very active life and I have

1512

01:19:06,479 --> 01:19:11,729

many many interests but always that's on

1513

01:19:09,359 --> 01:19:13,619

the back of my mind it's the last thing

1514

01:19:11,729 --> 01:19:15,899

I think of when I go to bed at night and

1515

01:19:13,619 --> 01:19:20,909

it's the first thing I think of in the

1516

01:19:15,899 --> 01:19:22,289

morning when I wake up and I expect

1517

01:19:20,909 --> 01:19:25,920

it'll probably be that way for the rest

1518

01:19:22,289 --> 01:19:28,920

of my life Ted Phillips research into

1519

01:19:25,920 --> 01:19:31,440

UFO landing sites revealed amazing

1520

01:19:28,920 --> 01:19:33,270

information as to the frequency with

1521

01:19:31,439 --> 01:19:36,629

which alien beings have been observed

1522

01:19:33,270 --> 01:19:38,460

visiting the earth you find a surprising

1523

01:19:36,630 --> 01:19:43,020

number of instances in which humanoids

1524

01:19:38,460 --> 01:19:47,659

are reported near the landed UFO some

1525

01:19:43,020 --> 01:19:50,210

22% are 325 cases involve humanoids

1526

01:19:47,659 --> 01:19:53,880

generally described as small and size

1527

01:19:50,210 --> 01:19:58,649

kind of pale gray skin little if any

1528

01:19:53,880 --> 01:20:01,770

hair wide-set quite prominent eyes thin

1529

01:19:58,649 --> 01:20:05,129

spindly bodies slightly enlarged heads

1530

01:20:01,770 --> 01:20:07,770

and wearing tight-fitting divers suit as

1531

01:20:05,130 --> 01:20:10,289

it is generally described in over 50 of

1532

01:20:07,770 --> 01:20:12,390

the cases they were found small

1533

01:20:10,289 --> 01:20:16,140

footprints correlating of course with a

1534

01:20:12,390 --> 01:20:18,960

small humanoid scene dr. Leo sprinkle a

1535

01:20:16,140 --> 01:20:21,570

state psychologist who has examined 20

1536

01:20:18,960 --> 01:20:24,630
UFO abductees says that they are

1537
01:20:21,569 --> 01:20:25,949
absolutely sane responsible people of

1538
01:20:24,630 --> 01:20:28,650
great courage

1539
01:20:25,949 --> 01:20:30,510
he could find no mental aberration in

1540
01:20:28,649 --> 01:20:33,119
any of the people that he examined

1541
01:20:30,510 --> 01:20:35,789
people who took the trouble to talk to

1542
01:20:33,119 --> 01:20:37,559
me and investigate the thing saw that it

1543
01:20:35,789 --> 01:20:39,750
you know obviously must have happened

1544
01:20:37,560 --> 01:20:42,510
just as we reported it the overwhelming

1545
01:20:39,750 --> 01:20:45,630
picture that emerges from UFO abductions

1546
01:20:42,510 --> 01:20:48,210
is that the alien beings are examining

1547
01:20:45,630 --> 01:20:52,970
and studying Earthlings much the way

1548
01:20:48,210 --> 01:20:52,970
that we examine and study wild animals

1549
01:20:56,300 --> 01:21:01,710
dr. James Harbor is a professor of civil

1550
01:20:59,939 --> 01:21:04,469

engineering at the University of

1551

01:21:01,710 --> 01:21:07,230

California at Berkeley we visited him at

1552

01:21:04,470 --> 01:21:09,000

his home professor hardier is one of the

1553

01:21:07,229 --> 01:21:12,299

leading experts in the world concerning

1554

01:21:09,000 --> 01:21:15,479

UFO abduction he is hypnotized both

1555

01:21:12,300 --> 01:21:18,000

Betty Hill and Travis Walton he was also

1556

01:21:15,479 --> 01:21:20,219

one of the twelve scientists to present

1557

01:21:18,000 --> 01:21:22,199

overwhelming evidence at the u.s.

1558

01:21:20,220 --> 01:21:25,619

congressional hearings indicating that

1559

01:21:22,199 --> 01:21:26,510

some UFOs are extraterrestrial

1560

01:21:25,619 --> 01:21:29,220

spacecraft

1561

01:21:26,510 --> 01:21:31,409

professor hardier has used hypnosis to

1562

01:21:29,220 --> 01:21:33,960

aid hundreds of people in remembering

1563

01:21:31,409 --> 01:21:36,899

the details of their UFO experiences and

1564

01:21:33,960 --> 01:21:39,270
believes that much of our confusion in

1565
01:21:36,899 --> 01:21:41,849
dealing with a large<font
color="#E5E5E5"> number of UFO

1566
01:21:39,270 --> 01:21:44,310
abduction reports stems from the fact

1567
01:21:41,850 --> 01:21:48,750
that there are many different alien

1568
01:21:44,310 --> 01:21:53,070
groups visiting the earth one of these

1569
01:21:48,750 --> 01:21:55,020
UFO abductees is Pat Roach she and her

1570
01:21:53,069 --> 01:21:57,659
daughter were apparently abducted by

1571
01:21:55,020 --> 01:22:01,200
alien beings on a flying saucer that

1572
01:21:57,659 --> 01:22:06,359
landed near their home in Utah visualize

1573
01:22:01,199 --> 01:22:10,159
just what's in front of you there tell

1574
01:22:06,359 --> 01:22:10,159
me what it is that your eyes see

1575
01:22:11,069 --> 01:22:18,969
I'd say he's about I'm not good at

1576
01:22:14,289 --> 01:22:22,149
height but possibly three and a half

1577
01:22:18,969 --> 01:22:25,569
foot tall he is a
little people he's

1578
01:22:22,149 --> 01:22:28,689
skinny but he's not he's still in

1579
01:22:25,569 --> 01:22:31,948
proportion although his arms are long

1580
01:22:28,689 --> 01:22:35,558
that was a the impression that you got

1581
01:22:31,948 --> 01:22:37,388
they can't really interfere they asked

1582
01:22:35,559 --> 01:22:41,349
me what I liked and what I didn't like

1583
01:22:37,389 --> 01:22:45,140
and they asked me how I felt about

1584
01:22:41,349 --> 01:22:48,739
things how I felt about

1585
01:22:45,140 --> 01:22:51,950
other people and how I felt about pain

1586
01:22:48,739 --> 01:22:53,210
and then they took me back to instances

1587
01:22:51,949 --> 01:22:55,659
in my life where I had had these

1588
01:22:53,210 --> 01:22:59,510
feelings and that's not right

1589
01:22:55,659 --> 01:23:00,979
it's not right to do that to people they

1590
01:22:59,510 --> 01:23:03,619
were just trying to learn as much as

1591
01:23:00,979 --> 01:23:07,729
they could and then me what tell me

1592

01:23:03,619 --> 01:23:12,170

where bite you there Pat your children

1593

01:23:07,729 --> 01:23:15,109

are all right there's nothing going to

1594

01:23:12,170 --> 01:23:17,329

be bothering them they're perfectly safe

1595

01:23:15,109 --> 01:23:22,969

there's no reason for you to feel this

1596

01:23:17,329 --> 01:23:26,090

upset one of the things that's a pretty

1597

01:23:22,970 --> 01:23:29,600

good earmark of authenticity Don any

1598

01:23:26,090 --> 01:23:32,180

reasonable doubt is the welling up of a

1599

01:23:29,600 --> 01:23:34,510

strong emotional reaction during the

1600

01:23:32,180 --> 01:23:37,579

time that a person is reliving an

1601

01:23:34,510 --> 01:23:40,730

experience under hypnosis the

1602

01:23:37,579 --> 01:23:44,510

spontaneity the emotional reaction the

1603

01:23:40,729 --> 01:23:45,859

quick tears and terror when you come

1604

01:23:44,510 --> 01:23:48,980

across that sort of thing as sometimes

1605

01:23:45,859 --> 01:23:51,460

all I'm sparring when those strange

1606

01:23:48,979 --> 01:23:54,889

beings started walking up to the car I

1607

01:23:51,460 --> 01:23:57,220

was so terrified that even now and I

1608

01:23:54,890 --> 01:24:00,619

think about it I wonder how I actually

1609

01:23:57,220 --> 01:24:05,150

lived through it to be able to see a UFO

1610

01:24:00,619 --> 01:24:07,970

close up leaves one feeling very

1611

01:24:05,149 --> 01:24:09,409

insignificant my connection with the UFO

1612

01:24:07,970 --> 01:24:13,070

phenomena has certainly changed my

1613

01:24:09,409 --> 01:24:16,840

outlook on life I I don't I feel much

1614

01:24:13,069 --> 01:24:19,189

freer knowing that there is an infinite

1615

01:24:16,840 --> 01:24:21,170

expansion of knowledge and existence out

1616

01:24:19,189 --> 01:24:23,000

there that we aren't stuck with the

1617

01:24:21,170 --> 01:24:27,050

limitations that we think we we thought

1618

01:24:23,000 --> 01:24:29,899

we had man has always wondered about his

1619

01:24:27,050 --> 01:24:31,520

place in the universe once it was a

1620

01:24:29,899 --> 01:24:33,170

matter of conventional wisdom and

1621

01:24:31,520 --> 01:24:35,030

religious doctrine that the earth was

1622

01:24:33,170 --> 01:24:38,920

the center of the universe and the Sun

1623

01:24:35,029 --> 01:24:42,139

and Moon moved around it in 1543

1624

01:24:38,920 --> 01:24:44,390

Nicholas Copernicus realized that in

1625

01:24:42,140 --> 01:24:48,170

reality the earth was moving around the

1626

01:24:44,390 --> 01:24:49,369

Sun as were the other planets Giordano

1627

01:24:48,170 --> 01:24:51,079

Bruno

1628

01:24:49,369 --> 01:24:53,840

the man who first publicly proclaimed

1629

01:24:51,079 --> 01:24:56,930

Copernicus's views was burned at the

1630

01:24:53,840 --> 01:25:00,020

stake and Copernicus's discovery was

1631

01:24:56,930 --> 01:25:04,400

successfully suppressed for over 200

1632

01:25:00,020 --> 01:25:07,100

years the realization that UFOs are

1633

01:25:04,399 --> 01:25:08,779

someone else's spacecraft completes the

1634

01:25:07,100 --> 01:25:10,820

job that Copernicus started in

1635
01:25:08,779 --> 01:25:13,989
discovering that the earth was not the

1636
01:25:10,819 --> 01:25:13,989
center of the
universe

1637
01:25:16,090 --> 01:25:20,119
[Music]

1638
01:25:20,488 --> 01:25:26,488
new ideas which change man's conception

1639
01:25:23,550 --> 01:25:28,920
of himself and his universe coming to

1640
01:25:26,488 --> 01:25:30,689
acceptance not because their opponents

1641
01:25:28,920 --> 01:25:33,420
come to believe in them but because

1642
01:25:30,689 --> 01:25:36,589
their opponents die and a new
generation

1643
01:25:33,420 --> 01:25:43,500
grows up that is accustomed to them

1644
01:25:36,590 --> 01:25:43,500
[Music]

1645
01:25:44,118 --> 01:25:49,668
many of the ideas presented in this film

1646
01:25:47,229 --> 01:25:52,570
definitely challenge our present

1647
01:25:49,668 --> 01:25:55,969
conception of our place in the universe

1648
01:25:52,569 --> 01:25:59,179

however the evidence supporting these

1649

01:25:55,969 --> 01:26:01,998

ideas is so strong that it cannot be

1650

01:25:59,179 --> 01:26:04,939

ignored by open-minded people seeking

1651

01:26:01,998 --> 01:26:07,248

the truth Gordon Cooper's letter to the

1652

01:26:04,939 --> 01:26:11,119

United Nations verifying his UFO

1653

01:26:07,248 --> 01:26:13,878

experience 1,400 UFO landing sites with

1654

01:26:11,118 --> 01:26:16,429

UFO affected the soil general Nathan

1655

01:26:13,878 --> 01:26:18,828

twining classified letter revealing the

1656

01:26:16,429 --> 01:26:22,010

Air Force's knowledge of the reality of

1657

01:26:18,828 --> 01:26:24,558

flying this J edgar Hoover's handwritten

1658

01:26:22,010 --> 01:26:27,530

memo asking for access to captured

1659

01:26:24,559 --> 01:26:30,559

flying saucers major Marcel's recovery

1660

01:26:27,529 --> 01:26:33,529

of a crashed UFO computer analyzed

1661

01:26:30,559 --> 01:26:36,320

photographs of UFOs the six polygraph

1662

01:26:33,529 --> 01:26:40,578
tests verifying the reality of Travis

1663
01:26:36,319 --> 01:26:43,248
Wharton's UFO experience the evidence
we

1664
01:26:40,578 --> 01:26:46,188
have presented establishes well beyond a

1665
01:26:43,248 --> 01:26:49,188
reasonable doubt that alien beings are

1666
01:26:46,189 --> 01:26:51,820
visiting the earth in extraterrestrial

1667
01:26:49,189 --> 01:26:51,820
spacecraft

1668
01:26:52,899 --> 01:26:58,899
the next section of this film makes it

1669
01:26:56,079 --> 01:27:01,600
even more difficult to ignore the

1670
01:26:58,899 --> 01:27:04,299
reality of these extraterrestrial

1671
01:27:01,600 --> 01:27:07,390
visitors one of the most convincing UFO

1672
01:27:04,300 --> 01:27:10,390
cases of all time began in January 1975

1673
01:27:07,390 --> 01:27:13,090
in Switzerland
the experience begins in

1674
01:27:10,390 --> 01:27:15,179
the UFO abduction case a Swiss farmer

1675
01:27:13,090 --> 01:27:17,440
was taken aboard a spacecraft

1676
01:27:15,179 --> 01:27:19,210
articulated words with the occupants and

1677
01:27:17,439 --> 01:27:21,189
began in exchange of information that

1678
01:27:19,210 --> 01:27:24,340
has continued on and is going on today

1679
01:27:21,189 --> 01:27:26,169
still going on today spacecraft flew out

1680
01:27:24,340 --> 01:27:28,090
of the blue and landed the occupant got

1681
01:27:26,170 --> 01:27:29,500
out and stood in the grass and sat on

1682
01:27:28,090 --> 01:27:30,909
the grass and talked to the man and they

1683
01:27:29,500 --> 01:27:32,590
had an exchange that lasted 20 minutes

1684
01:27:30,908 --> 01:27:35,559
and there have been a hundred and

1685
01:27:32,590 --> 01:27:37,779
sixteen contact since then case involved

1686
01:27:35,560 --> 01:27:38,920
a mr. Billy Mayer in response to his

1687
01:27:37,779 --> 01:27:40,630
question they said that they come from

1688
01:27:38,920 --> 01:27:44,020
the Pleiades they said that they are

1689
01:27:40,630 --> 01:27:46,480
here observing humanity that they have

1690
01:27:44,020 --> 01:27:48,550
information some of the<font
color="#E5E5E5"> information is

1691
01:27:46,479 --> 01:27:50,919
of a scientific nature and that he would

1692
01:27:48,550 --> 01:27:53,380
be asked to pass it to other people they

1693
01:27:50,920 --> 01:27:55,090
say that they are not gods

1694
01:27:53,380 --> 01:27:57,219
they're not superior people they are men

1695
01:27:55,090 --> 01:27:59,529
just like we're men and he's taken

1696
01:27:57,219 --> 01:28:02,050
hundreds of photographs of the Pleiadian

1697
01:27:59,529 --> 01:28:04,000
spacecraft operating in Swiss airspace

1698
01:28:02,050 --> 01:28:06,130
and this has all been checked by the

1699
01:28:04,000 --> 01:28:09,760
computer the computer says that this

1700
01:28:06,130 --> 01:28:11,980
object is on the order of 20 feet<font
color="#E5E5E5"> in

1701
01:28:09,760 --> 01:28:14,260
diameter and about a hundred and
twenty

1702
01:28:11,979 --> 01:28:16,599
yards away it agrees with what<font
color="#E5E5E5"> the

1703
01:28:14,260 --> 01:28:18,400
witness said about the diary says it's

1704
01:28:16,600 --> 01:28:20,829
seven meters in iron it's about 21 feet

1705
01:28:18,399 --> 01:28:21,609
he took messages he copied notes from

1706
01:28:20,829 --> 01:28:24,279
the Pleiadians

1707
01:28:21,609 --> 01:28:26,920
wrote them down over 2,000 pages
worst

1708
01:28:24,279 --> 01:28:28,630
here's a book of 600 pages that I have

1709
01:28:26,920 --> 01:28:31,119
translated in the English so far this

1710
01:28:28,630 --> 01:28:33,300
represents one-fourth one-fourth of the

1711
01:28:31,119 --> 01:28:33,300
notes

1712
01:28:35,060 --> 01:28:40,220
we have no case on record with that

1713
01:28:37,890 --> 01:28:43,050
volume of information delivered by

1714
01:28:40,220 --> 01:28:46,470
extraterrestrial contacts to a contact

1715
01:28:43,050 --> 01:28:48,390
eat a UFO contactee and the information

1716
01:28:46,470 --> 01:28:51,150
in there is just staggering just

1717
01:28:48,390 --> 01:28:52,950
phenomenal the information covers

1718
01:28:51,149 --> 01:28:54,719
technical and scientific data as best

1719
01:28:52,949 --> 01:28:56,279
they can explain it to us in terms of

1720
01:28:54,720 --> 01:28:58,619
the words that we use in our technology

1721
01:28:56,279 --> 01:29:00,630
it gets into spiritual problems

1722
01:28:58,619 --> 01:29:03,149
spiritual development of man and our

1723
01:29:00,630 --> 01:29:06,000
relationship to deity it has it

1724
01:29:03,149 --> 01:29:08,250
describes other existences in space

1725
01:29:06,000 --> 01:29:10,439
other human beings living in other

1726
01:29:08,250 --> 01:29:12,779
planetary environments they're here

1727
01:29:10,439 --> 01:29:14,819
because they're concerned about us their

1728
01:29:12,779 --> 01:29:16,949
younger brothers our technical

1729
01:29:14,819 --> 01:29:18,899
potentials have exceeded our spiritual

1730
01:29:16,949 --> 01:29:20,639
capability of handling the information

1731
01:29:18,899 --> 01:29:22,649
and we are now in a position where we

1732
01:29:20,640 --> 01:29:24,960
can destroy ourselves and we don't have

1733
01:29:22,649 --> 01:29:27,299
the spiritual development to prevent it

1734
01:29:24,960 --> 01:29:29,399
and they will because this we have

1735
01:29:27,300 --> 01:29:31,050
become a laboratory experiment they are

1736
01:29:29,399 --> 01:29:33,000
waiting to see what we're going to do as

1737
01:29:31,050 --> 01:29:35,270
a matter of fact they don't see us

1738
01:29:33,000 --> 01:29:37,770
solving the problem they see us as a an

1739
01:29:35,270 --> 01:29:41,220
insane society rushing headlong to

1740
01:29:37,770 --> 01:29:44,190
destruction and that only a a change of

1741
01:29:41,220 --> 01:29:46,500
mass mind on a mass scale can influence

1742
01:29:44,189 --> 01:29:48,989
it and they don't see this happening and

1743
01:29:46,500 --> 01:29:51,590
that's staggering because it's us that's

1744
01:29:48,989 --> 01:29:51,590
involved

1745
01:29:51,829 --> 01:30:02,229
[Music]

1746
01:29:57,600 --> 01:30:04,530
now in the 1980s with growing public

1747
01:30:02,229 --> 01:30:07,269
interest and acceptance of

1748
01:30:04,529 --> 01:30:10,090
extraterrestrials it is hoped that

1749
01:30:07,270 --> 01:30:12,730
present and future administrations will

1750
01:30:10,090 --> 01:30:14,949
be more honest and forthright in

1751
01:30:12,729 --> 01:30:18,959
releasing information concerning these

1752
01:30:14,948 --> 01:30:18,960
and other visitations

1753
01:30:20,039 --> 01:30:38,488
[Music]

1754
01:30:43,729 --> 01:30:46,879
[Music]

1755
01:30:52,260 --> 01:30:54,320
you

1756
01:32:05,800 --> 01:32:17,909
[Music]

1757
01:32:25,470 --> 01:32:28,588
[Applause]

1758
01:32:29,319 --> 01:32:31,380
you
