

1
00:00:41,409 --> 00:00:45,849
almost a lot of faith in the news major

2
00:00:43,390 --> 00:00:52,929
in the way they operate you know the way

3
00:00:45,850 --> 00:00:56,770
they present information sometimes 95%

4
00:00:52,929 --> 00:00:58,359
of it is just all story with your

5
00:00:56,770 --> 00:01:04,420
fabricate if it's for the sake of

6
00:00:58,359 --> 00:01:06,039
selling newspapers and than the like if

7
00:01:04,420 --> 00:01:09,759
you happen to be part of that news or

8
00:01:06,040 --> 00:01:16,690
involved in part of that news makes you

9
00:01:09,759 --> 00:01:19,750
angry because it's it's not correct it

10
00:01:16,689 --> 00:01:21,789
just makes you angry you think she can

11
00:01:19,750 --> 00:01:23,649
trust none of the buggers a land and sea

12
00:01:21,789 --> 00:01:25,210
search is underway for the pilot of a

13
00:01:23,649 --> 00:01:27,519
light aircraft missing in Bass Strait

14
00:01:25,209 --> 00:01:29,288
the plane was on a flight from the

15
00:01:27,519 --> 00:01:31,629
rabbin in Melbourne across to King

16
00:01:29,289 --> 00:01:33,519
Island by a Cape Otway Department of

17
00:01:31,629 --> 00:01:35,409
Transport officials say the pilot was

18
00:01:33,519 --> 00:01:38,170
the only person aboard the single-engine

19
00:01:35,409 --> 00:01:40,599
Cessna when the pilot reached Cape Otway

20
00:01:38,170 --> 00:01:42,490
he reported all was well but few minutes

21
00:01:40,599 --> 00:01:45,699
later told flight service he had a

22
00:01:42,489 --> 00:01:47,859
running it it'll still be part of the

23
00:01:45,700 --> 00:01:49,900
destiny more or less everybody who

24
00:01:47,859 --> 00:01:52,379
destiny when you born your destiny is

25
00:01:49,900 --> 00:01:56,520
already there anyone

26
00:01:52,379 --> 00:02:00,679
you are still a very frustrating subject

27
00:01:56,519 --> 00:02:03,000
that's very untenable you can't touch it

28
00:02:00,680 --> 00:02:04,560
fly along in an airplane here could you

29

00:02:03,000 --> 00:02:06,629
actually pick an airplane up and

30
00:02:04,560 --> 00:02:11,879
physically take it somewhere that's not

31
00:02:06,629 --> 00:02:17,060
possible I don't know what he took

32
00:02:11,879 --> 00:02:17,060
whatever he said that he saw he saw

33
00:02:22,300 --> 00:02:29,110
that it more motor control airplane the

34
00:02:25,389 --> 00:02:31,239
little one now I started from there he

35
00:02:29,110 --> 00:02:33,490
was only 12 months old put on this one

36
00:02:31,240 --> 00:02:35,290
he can understand more or less but he

37
00:02:33,490 --> 00:02:37,469
loved the noisy dinner I've been

38
00:02:35,289 --> 00:02:37,469
learning

39
00:02:43,938 --> 00:02:52,250
in one die this plane come out from the

40
00:02:47,549 --> 00:02:52,250
box any star to really fly

41
00:02:53,449 --> 00:03:00,738
you know a jump offense a broken window

42
00:02:56,919 --> 00:03:03,139
normal normal nothing special and not a

43
00:03:00,739 --> 00:03:05,030

genius like a people they try to say oh

44

00:03:03,139 --> 00:03:08,689

it was a genius or something nothing

45

00:03:05,030 --> 00:03:10,879

like that sometimes it was a good school

46

00:03:08,689 --> 00:03:12,530

sometime not it was hard for him I mean

47

00:03:10,879 --> 00:03:17,269

you know like a normal person your

48

00:03:12,530 --> 00:03:19,580

option yes Frederick Valentich

49

00:03:17,269 --> 00:03:23,230

the member of the squadron from the 18th

50

00:03:19,580 --> 00:03:25,790

September 1973 to 16th of March 76

51

00:03:23,229 --> 00:03:27,439

during this time corporal volunteered

52

00:03:25,789 --> 00:03:30,199

himself to be a most capable and an

53

00:03:27,439 --> 00:03:31,879

enthusiastic cadet his understood he now

54

00:03:30,199 --> 00:03:34,280

wishes to enroll for the commercial

55

00:03:31,879 --> 00:03:35,900

pilot's course and to this end we wish

56

00:03:34,280 --> 00:03:37,939

him well and have no doubt he will apply

57

00:03:35,900 --> 00:03:40,280

the same keenness and efficiency towards

58

00:03:37,939 --> 00:03:42,318
this course as he did in his career as

59

00:03:40,280 --> 00:03:44,959
getup members the squadron and I signed

60

00:03:42,318 --> 00:03:47,958
it these kids are normal kids they're

61

00:03:44,959 --> 00:03:51,860
not and they come from suburbs all over

62

00:03:47,959 --> 00:03:53,269
melbourne objective SF for existence is

63

00:03:51,860 --> 00:03:57,230
to give young people an insight to

64

00:03:53,269 --> 00:03:58,909
aviation they get an insight to how what

65

00:03:57,229 --> 00:04:01,969
it's like to put the uniform on and

66

00:03:58,909 --> 00:04:06,019
spend a week or two weeks living as an

67

00:04:01,969 --> 00:04:08,000
air force person dying was his life but

68

00:04:06,019 --> 00:04:10,579
he had a social life as well and he

69

00:04:08,000 --> 00:04:14,989
worked at two very well if flying didn't

70

00:04:10,579 --> 00:04:17,470
fit in social life linear made in

71

00:04:14,989 --> 00:04:17,470
eautiful

72
00:04:19,540 --> 00:04:31,090
number one did anything really just what

73
00:04:28,329 --> 00:04:34,529
he wants to do anything he wanted to do

74
00:04:31,089 --> 00:04:37,269
it's become a part like a commercial

75
00:04:34,529 --> 00:04:40,689
pilot fly for the airlines

76
00:04:37,269 --> 00:04:41,199
probably a month after we decided going

77
00:04:40,689 --> 00:04:45,250
in

78
00:04:41,199 --> 00:04:48,099
he took me just on them just the him to

79
00:04:45,250 --> 00:04:51,879
get sunny hours I went down urban able

80
00:04:48,100 --> 00:04:54,120
employ them Cessna and just went for a

81
00:04:51,879 --> 00:04:54,120
floor

82
00:05:02,809 --> 00:05:09,639
left aerobatic flooring as well so we

83
00:05:06,110 --> 00:05:10,968
are betting for me that was a thrill

84
00:05:09,639 --> 00:05:14,509
great

85
00:05:10,968 --> 00:05:16,728
I took them as we flew up that was the

86

00:05:14,509 --> 00:05:19,129
best one with the clouds just looked

87
00:05:16,728 --> 00:05:21,110
like a blanket of clouds I wanted to

88
00:05:19,129 --> 00:05:31,110
just jump out of the plane and go on it

89
00:05:21,110 --> 00:05:33,960
I think it looks so so sound and

90
00:05:31,110 --> 00:05:36,590
we had a few troubles on the way out he

91
00:05:33,959 --> 00:05:39,448
was real calm and didn't worry about

92
00:05:36,589 --> 00:05:43,348
aircraft agents he had an interest in

93
00:05:39,449 --> 00:05:45,810
the engines themselves airmanship yes he

94
00:05:43,348 --> 00:05:48,300
loved flying he loved it very much

95
00:05:45,810 --> 00:05:51,538
he's wish was to go into the air for

96
00:05:48,300 --> 00:05:54,689
suspect he was just a little bit too old

97
00:05:51,538 --> 00:05:56,550
and unfortunately he only gave so much

98
00:05:54,689 --> 00:06:02,449
the attorney couldn't he missed out on a

99
00:05:56,550 --> 00:06:02,449
lot of opportunities

100
00:06:10,790 --> 00:06:17,569

he went to fly night experience whatever

101

00:06:14,810 --> 00:06:19,879

they call and people applying for for

102

00:06:17,569 --> 00:06:21,949

else instead he done he did just another

103

00:06:19,879 --> 00:06:24,740

half of something and when he come home

104

00:06:21,949 --> 00:06:28,009

and I asked why he come earlier and he

105

00:06:24,740 --> 00:06:32,350

said mom up there is I got the fee I

106

00:06:28,009 --> 00:06:36,409

have to fill him something follow me I

107

00:06:32,350 --> 00:06:39,230

asked him if he's not lonely on the dark

108

00:06:36,410 --> 00:06:42,560

especially during the night anyway so

109

00:06:39,230 --> 00:06:45,500

now is something marvelous beautiful you

110

00:06:42,560 --> 00:06:48,910

can see the scar you know and I feel

111

00:06:45,500 --> 00:06:48,910

really bright up there

112

00:06:51,598 --> 00:06:58,649

the night before he went missing he was

113

00:06:53,579 --> 00:07:06,468

at my place and he did say he was scared

114

00:06:58,649 --> 00:07:10,800

of flying over the water but he wasn't

115
00:07:06,468 --> 00:07:12,808
he wasn't it like scared like what the

116
00:07:10,800 --> 00:07:18,300
meaning of scared is as you know

117
00:07:12,809 --> 00:07:21,499
terrified he was more scared of the way

118
00:07:18,300 --> 00:07:21,499
he put it was the water

119
00:07:25,310 --> 00:07:34,579
he wasn't right to say

120
00:07:30,110 --> 00:07:37,360
love deep water it wasn't a great love

121
00:07:34,579 --> 00:07:37,359
was swimming

122
00:07:39,199 --> 00:07:45,680
always tries to pick me up we said 7:30

123
00:07:42,350 --> 00:07:48,950
8 o'clock instead depends on you know

124
00:07:45,680 --> 00:07:54,829
how long it'll take him to come back and

125
00:07:48,949 --> 00:07:57,680
from king island and it was 7:30 and I

126
00:07:54,829 --> 00:08:00,439
thought ah you know he's gonna be he's

127
00:07:57,680 --> 00:08:02,660
right back oh never then I got to either

128
00:08:00,439 --> 00:08:05,860
call I thought he'll bring me safe

129
00:08:02,660 --> 00:08:05,860
because he's always rude

130
00:08:17,470 --> 00:08:35,930
one to two days before it's a subject I

131
00:08:33,288 --> 00:08:41,059
suppose which can easily be

132
00:08:35,929 --> 00:08:43,759
sensationalized and distorted and what

133
00:08:41,059 --> 00:08:45,829
has happened is fairly straightforward

134
00:08:43,759 --> 00:08:48,009
really even though it's extremely

135
00:08:45,830 --> 00:08:48,009
mysterious

136
00:09:00,070 --> 00:09:04,089
only a one eight seven thousand Flinders

137
00:09:02,500 --> 00:09:06,070
there is military airspace military

138
00:09:04,089 --> 00:09:10,509
restricted areas associated with point

139
00:09:06,070 --> 00:09:13,570
cook down in that vicinity right but it

140
00:09:10,509 --> 00:09:16,899
was not active so hence when he said do

141
00:09:13,570 --> 00:09:19,180
we have any barge aircraft planned to

142
00:09:16,899 --> 00:09:21,578
operate in the area and then he

143

00:09:19,179 --> 00:09:25,000
mentioned military aircraft will of

144
00:09:21,578 --> 00:09:28,479
course throw it into a bit of confusion

145
00:09:25,000 --> 00:09:33,639
because we should have had details on

146
00:09:28,480 --> 00:09:36,370
that type of operation well initially I

147
00:09:33,639 --> 00:09:38,259
thought what he was saying was there was

148
00:09:36,370 --> 00:09:40,750
a large aircraft operating is in his

149
00:09:38,259 --> 00:09:43,209
area possibly a military aircraft and

150
00:09:40,750 --> 00:09:45,278
and why didn't we know about the

151
00:09:43,208 --> 00:09:46,539
aircraft well I went to control I went

152
00:09:45,278 --> 00:09:49,350
to the air traffic control on the right

153
00:09:46,539 --> 00:09:52,328
our controller and see to see if he had

154
00:09:49,350 --> 00:09:54,310
he radar paint on any large aircraft

155
00:09:52,328 --> 00:09:58,479
operating down that way and

156
00:09:54,309 --> 00:10:01,268
unfortunately did the altitude at 4,500

157
00:09:58,480 --> 00:10:06,129

wasn't high enough to for the right out

158

00:10:01,269 --> 00:10:09,789

of pick up anything what he was seeing

159

00:10:06,129 --> 00:10:14,519

was was not an airplane and was possibly

160

00:10:09,789 --> 00:10:14,519

in UFO or some atmospheric phenomenon

161

00:10:15,490 --> 00:10:22,129

he mentioned a couple of green lights a

162

00:10:19,370 --> 00:10:25,060

white light in the red light and that's

163

00:10:22,129 --> 00:10:28,730

sort of a silver metallic like shiny

164

00:10:25,059 --> 00:10:36,259

surface mmm that's when it all got very

165

00:10:28,730 --> 00:10:38,360

very mr. Foy thought to have crashed in

166

00:10:36,259 --> 00:10:40,549

vest straight last night said just

167

00:10:38,360 --> 00:10:42,740

before losing radio contact but an

168

00:10:40,549 --> 00:10:44,959

unidentified object with green lights

169

00:10:42,740 --> 00:10:46,460

was heading straight for him the

170

00:10:44,960 --> 00:10:48,800

frightened pilot told air-traffic

171

00:10:46,460 --> 00:10:51,519

controllers that it was hovering on top

172
00:10:48,799 --> 00:10:53,809
of him and that it was not an aircraft

173
00:10:51,519 --> 00:10:55,850
seconds prior to him being snatched away

174
00:10:53,809 --> 00:11:06,439
by the UFO mr. Valenti what do you

175
00:10:55,850 --> 00:11:08,029
believe is heaven - Frederick radioed

176
00:11:06,440 --> 00:11:10,220
the northern flight service unit here at

177
00:11:08,029 --> 00:11:13,129
tullamarine and reported he was over

178
00:11:10,220 --> 00:11:14,330
Cape Otway proceeding for King Island so

179
00:11:13,129 --> 00:11:17,480
just what do you think happened to your

180
00:11:14,330 --> 00:11:19,580
son well it's hard to say but well I

181
00:11:17,480 --> 00:11:24,080
really believe that they he must be

182
00:11:19,580 --> 00:11:26,720
interfere with that point that the

183
00:11:24,080 --> 00:11:28,670
conversation became decidedly mysterious

184
00:11:26,720 --> 00:11:31,430
it's a fairly far-fetched sort of theory

185
00:11:28,669 --> 00:11:33,620
isn't it yes it is the father of missing

186
00:11:31,429 --> 00:11:36,259
pilot Frederick Valenti said yesterday

187
00:11:33,620 --> 00:11:38,210
he hoped an unidentified flying object

188
00:11:36,259 --> 00:11:40,939
had been involved in his son's

189
00:11:38,210 --> 00:11:43,129
disappearance he told reporters that

190
00:11:40,940 --> 00:11:45,470
he'd rather that than find wreckage of

191
00:11:43,129 --> 00:11:47,710
the plane well at first he didn't count

192
00:11:45,470 --> 00:11:51,440
we thought that he had an accent

193
00:11:47,710 --> 00:11:54,590
morality will be felt in the sky but

194
00:11:51,440 --> 00:11:57,200
then as the people and alone from

195
00:11:54,590 --> 00:11:59,930
various newspapers ran about eleven

196
00:11:57,200 --> 00:12:03,009
o'clock some journalists I think was

197
00:11:59,929 --> 00:12:08,089
from channel 9 he mentioned to me that

198
00:12:03,009 --> 00:12:12,009
he heard that that there was to do with

199
00:12:08,090 --> 00:12:15,730
some strange object surrounding him and

200

00:12:12,009 --> 00:12:20,090
when we first heard that was the first

201
00:12:15,730 --> 00:12:23,269
hint that we have about UFO and as the

202
00:12:20,090 --> 00:12:24,860
tower's myself and my wife we felt much

203
00:12:23,269 --> 00:12:27,409
more relieved because we

204
00:12:24,860 --> 00:12:28,850
you that Freddie Bush meeting that you

205
00:12:27,409 --> 00:12:32,569
have found that he would like to meet

206
00:12:28,850 --> 00:12:36,950
one and their heart really open up with

207
00:12:32,570 --> 00:12:39,350
a great big hope when I heard that and I

208
00:12:36,950 --> 00:12:43,220
was more or less put on this one don't

209
00:12:39,350 --> 00:12:48,830
get me wrong I was happy because I said

210
00:12:43,220 --> 00:12:51,740
at least is somewhere dinner not just

211
00:12:48,830 --> 00:12:55,870
weight honesty or Chris O'Donnell and or

212
00:12:51,740 --> 00:12:59,899
whatever a ring where I've been able

213
00:12:55,870 --> 00:13:02,899
straight away and they said to me how

214
00:12:59,899 --> 00:13:06,289

are you related you know why you can

215

00:13:02,899 --> 00:13:08,389
quiring and sit on on Frederick's

216

00:13:06,289 --> 00:13:11,120
girlfriend if it's Frederick and then

217

00:13:08,389 --> 00:13:13,460
they said Leah cities miss geography was

218

00:13:11,120 --> 00:13:18,200
Fred's gone I said yeah you know what

219

00:13:13,460 --> 00:13:23,000
that's good yeah and she said um he's

220

00:13:18,200 --> 00:13:26,450
gone you know come back he probably saw

221

00:13:23,000 --> 00:13:27,740
her it's sort of okay mama I realize

222

00:13:26,450 --> 00:13:30,020
that what she meant but I gone was she

223

00:13:27,740 --> 00:13:31,899
mean he'd gone into the bay or he'd gone

224

00:13:30,019 --> 00:13:35,350
he told me Alan or something like that I

225

00:13:31,899 --> 00:13:38,209
started to show more signs of life then

226

00:13:35,350 --> 00:13:40,149
made a few phone calls I got a call

227

00:13:38,210 --> 00:13:44,300
first of all from John Gibbs and he

228

00:13:40,149 --> 00:13:46,370
suggested that perhaps I could see what

229

00:13:44,299 --> 00:13:50,689

I could do well what I did I rang the

230

00:13:46,370 --> 00:13:53,539

tullamarine people in spoke to people

231

00:13:50,690 --> 00:13:55,460

there and then I rang that happen it was

232

00:13:53,539 --> 00:13:59,679

fairly evident of putting well organized

233

00:13:55,460 --> 00:13:59,680

full-scale search has to be conducted

234

00:14:04,210 --> 00:14:12,430

yes I was extremely sad I can assure you

235

00:14:07,740 --> 00:14:17,528

we were expecting fed on the night of

236

00:14:12,429 --> 00:14:20,679

the 21st of October and he's coming

237

00:14:17,528 --> 00:14:24,448

to this place here for dinner and had a

238

00:14:20,679 --> 00:14:24,448

salad you've been back and gravy

239

00:14:27,250 --> 00:14:33,639

I saw someone on Sunday night and then

240

00:14:30,698 --> 00:14:36,639

on Monday it was the full force of all

241

00:14:33,639 --> 00:14:41,829

of them not just newspapers it was also

242

00:14:36,639 --> 00:14:43,899

like the news for the TV and just came

243

00:14:41,828 --> 00:14:47,349

or come read get their story

244

00:14:43,899 --> 00:14:50,259

I believe the major news areas news

245

00:14:47,350 --> 00:14:51,879

media's covered it with the information

246

00:14:50,259 --> 00:14:54,068

that they had because there wasn't

247

00:14:51,879 --> 00:14:56,709

anything here was it the black kid

248

00:14:54,068 --> 00:14:59,740

crashed it reported UFO where's the

249

00:14:56,708 --> 00:15:01,659

story so they had to dig I think they

250

00:14:59,740 --> 00:15:04,778

wanted they really thought that I knew

251

00:15:01,659 --> 00:15:10,198

what where where he was could you find

252

00:15:04,778 --> 00:15:10,198

you know if I knew what was going on she

253

00:15:14,250 --> 00:15:19,059

also denied that she had gone to Cape

254

00:15:16,899 --> 00:15:22,659

Otway for the purpose of any secret

255

00:15:19,059 --> 00:15:24,159

rendezvous the UFO reported by the pilot

256

00:15:22,659 --> 00:15:27,188

of an aircraft missing over Bass Strait

257

00:15:24,159 --> 00:15:29,078
could have been a top-secret United

258
00:15:27,188 --> 00:15:31,629
States military remote-controlled drone

259
00:15:29,078 --> 00:15:33,849
vehicle used to decoy radar from an

260
00:15:31,629 --> 00:15:36,730
attacking strike force the girlfriend

261
00:15:33,850 --> 00:15:38,470
away and all these thing after we

262
00:15:36,730 --> 00:15:40,720
realized they were all stupid

263
00:15:38,470 --> 00:15:47,879
but at the time certain people thank

264
00:15:40,720 --> 00:15:53,319
seriously that he could fly upside-down

265
00:15:47,879 --> 00:15:55,688
yes it is and no one knows what has

266
00:15:53,318 --> 00:16:00,458
happened in this instance and we know we

267
00:15:55,688 --> 00:16:02,649
can't discount missing UFO pilot

268
00:16:00,458 --> 00:16:05,138
Frederick Berlin touch may have crashed

269
00:16:02,649 --> 00:16:07,208
while flying upside down the Department

270
00:16:05,139 --> 00:16:09,009
of Transport Authority said today the

271
00:16:07,208 --> 00:16:11,289

department believed it was possible the

272

00:16:09,009 --> 00:16:12,639

pilot became disorientated and was

273

00:16:11,289 --> 00:16:14,610

seeing the lights of his own aircraft

274

00:16:12,639 --> 00:16:16,678

reflected in the water this

275

00:16:14,610 --> 00:16:17,789

way that you can lose control of an

276

00:16:16,678 --> 00:16:20,088

airplane and basically when you do

277

00:16:17,789 --> 00:16:22,488

become disorientated

278

00:16:20,089 --> 00:16:26,069

it's called spatial disorientation

279

00:16:22,489 --> 00:16:30,119

you've lost control of the airplane you

280

00:16:26,068 --> 00:16:32,458

fight to regain your orientation and it

281

00:16:30,119 --> 00:16:34,980

is you know it's quite a strange feeling

282

00:16:32,458 --> 00:16:43,048

really there's no way that you can speak

283

00:16:34,980 --> 00:16:45,509

on the radio inverted in the fading

284

00:16:43,048 --> 00:16:47,428

quite light because what they failed to

285

00:16:45,509 --> 00:16:49,230

mention his assistant 182 is unable to

286
00:16:47,428 --> 00:16:51,360
fly upside down for longer than two or

287
00:16:49,230 --> 00:16:55,980
three seconds without stalling and the

288
00:16:51,360 --> 00:16:58,230
conversation lasted for seven minutes an

289
00:16:55,980 --> 00:17:00,329
actor's recreation based on the official

290
00:16:58,230 --> 00:17:02,369
transcripts is all that's left of that

291
00:17:00,328 --> 00:17:04,438
no it's conversation heard the tapes

292
00:17:02,369 --> 00:17:06,509
except you and a few other select people

293
00:17:04,439 --> 00:17:08,639
but there has been I've they have taken

294
00:17:06,509 --> 00:17:09,028
it down though and you could read it

295
00:17:08,638 --> 00:17:17,308
somewhere

296
00:17:09,028 --> 00:17:19,409
oh yeah the Department of Transport is

297
00:17:17,308 --> 00:17:21,689
refusing to release its tape recording

298
00:17:19,409 --> 00:17:23,880
of missing pilot Frederick the lattices

299
00:17:21,689 --> 00:17:26,548
description of his confrontation with a

300
00:17:23,880 --> 00:17:28,919
UFO the spokesman would not elaborate

301
00:17:26,548 --> 00:17:30,750
publicly on why the tape recording of

302
00:17:28,919 --> 00:17:34,380
the vintages final moments could not be

303
00:17:30,750 --> 00:17:37,079
released but a Sydney ufologists told

304
00:17:34,380 --> 00:17:39,630
the fourth annual UFO conference that

305
00:17:37,079 --> 00:17:41,699
investigators and officials should think

306
00:17:39,630 --> 00:17:44,309
before releasing things to the media

307
00:17:41,700 --> 00:17:46,319
because it often led to sensational

308
00:17:44,308 --> 00:17:49,319
publicity and harassment of the

309
00:17:46,319 --> 00:17:51,629
individuals concerned he noted the

310
00:17:49,319 --> 00:17:54,259
sensitivity of the family must be

311
00:17:51,630 --> 00:17:54,260
respected

312
00:18:02,210 --> 00:18:05,990
well that's when I stood up started to

313
00:18:04,038 --> 00:18:08,980
feel that it can't be an aircraft if

314

00:18:05,990 --> 00:18:08,980
it's operating like that

315
00:18:18,630 --> 00:18:23,929
which seems to indicate that he was

316
00:18:20,400 --> 00:18:23,929
looking at it and it just disappeared

317
00:18:27,700 --> 00:18:32,720
23:24 the the power settings for a

318
00:18:30,230 --> 00:18:35,839
Cessna 182 so what he was indicating was

319
00:18:32,720 --> 00:18:39,680
he had the aircraft set to cruise power

320
00:18:35,839 --> 00:18:43,609
and it was as he said coughing it was

321
00:18:39,680 --> 00:18:46,820
running rough he was in greater trouble

322
00:18:43,609 --> 00:18:48,469
right well the chances are he may have

323
00:18:46,819 --> 00:18:51,069
lost power to the extent where he was

324
00:18:48,470 --> 00:18:56,660
unable to maintain height and of course

325
00:18:51,069 --> 00:18:59,569
would ditch in the ocean and then the

326
00:18:56,660 --> 00:19:01,190
last transmission he seemed to me as if

327
00:18:59,569 --> 00:19:03,139
he was

328
00:19:01,190 --> 00:19:05,390

right in the middle of his transmission

329

00:19:03,140 --> 00:19:10,070

a little confused he got his callsign

330

00:19:05,390 --> 00:19:11,270

and my callsign back to the front and it

331

00:19:10,069 --> 00:19:13,549

seemed he was halfway through his

332

00:19:11,269 --> 00:19:18,369

transmission when his communications

333

00:19:13,549 --> 00:19:21,879

started breaking and that was the end

334

00:19:18,369 --> 00:19:27,839

I said to myself a couple of times to

335

00:19:21,880 --> 00:19:30,420

use this reel you know and just doubt

336

00:19:27,839 --> 00:19:32,649

had it happened or was it a hoax

337

00:19:30,420 --> 00:19:38,230

conflicting with the fact that it he

338

00:19:32,650 --> 00:19:40,780

seemed so I suppose genuine in what he

339

00:19:38,230 --> 00:19:43,990

was saying it was upsetting you know

340

00:19:40,779 --> 00:19:46,569

somebody's obviously disappeared and

341

00:19:43,990 --> 00:19:48,779

there's a good chance that they may have

342

00:19:46,569 --> 00:19:48,779

died

343
00:19:50,490 --> 00:19:55,259
the mystery deepened last night after

344
00:19:52,920 --> 00:19:58,289
hundreds of sightings of UFOs were

345
00:19:55,259 --> 00:20:01,200
reported from Jalan Frankston Cape Otway

346
00:19:58,289 --> 00:20:03,539
and further along the coast of which

347
00:20:01,200 --> 00:20:07,460
three reports were made up to three

348
00:20:03,539 --> 00:20:07,460
hours before Berlin Titus flight

349
00:20:13,009 --> 00:20:21,349
to him ufr were real thing when he was

350
00:20:18,859 --> 00:20:23,629
just young 15 years old in high school

351
00:20:21,349 --> 00:20:25,819
he was actually having fear it was

352
00:20:23,630 --> 00:20:29,480
scared of your father come and divided

353
00:20:25,819 --> 00:20:32,450
the family has he become more mature and

354
00:20:29,480 --> 00:20:35,839
he understand more about he came back

355
00:20:32,450 --> 00:20:39,590
with a certain with a different opinion

356
00:20:35,839 --> 00:20:42,500
and a different philosophy on UFO the

357
00:20:39,589 --> 00:20:47,179
last 12 months eventually convinced me

358
00:20:42,500 --> 00:20:51,079
and my wife o UF our existence but he's

359
00:20:47,180 --> 00:20:53,870
not never been fanatic any IV I was

360
00:20:51,079 --> 00:20:57,409
couldn't just in it it's an unknown I'm

361
00:20:53,869 --> 00:21:00,859
not it's an unknown but it's flying

362
00:20:57,410 --> 00:21:04,040
you're always interested in it he saw

363
00:21:00,859 --> 00:21:08,449
something and he reported that something

364
00:21:04,039 --> 00:21:10,940
he by reporting him he jeopardized his

365
00:21:08,450 --> 00:21:12,440
commercial Portland writing so there had

366
00:21:10,940 --> 00:21:14,509
to be something there

367
00:21:12,440 --> 00:21:17,720
here's a young black aspiring to be a

368
00:21:14,509 --> 00:21:19,369
commissioned part seeing your face it

369
00:21:17,720 --> 00:21:22,130
has a kind of look on your record when

370
00:21:19,369 --> 00:21:25,609
you go to get your license I was quite

371

00:21:22,130 --> 00:21:28,190
mystified extremely mystified we never

372
00:21:25,609 --> 00:21:31,459
ever discussed those kind of things we

373
00:21:28,190 --> 00:21:36,230
could in no files and returning course

374
00:21:31,460 --> 00:21:44,539
on you if I had other things to do to me

375
00:21:36,230 --> 00:21:47,029
I have no police in your face although I

376
00:21:44,539 --> 00:21:52,359
have not done a grave disbelief I just

377
00:21:47,029 --> 00:21:52,359
don't know I don't don't know

378
00:21:52,909 --> 00:22:00,990
you get people who are religious I might

379
00:21:57,808 --> 00:22:04,558
think was he'll believe in God that

380
00:22:00,990 --> 00:22:11,200
could be angels you were not necessarily

381
00:22:04,558 --> 00:22:13,480
being evil most of the people believe

382
00:22:11,200 --> 00:22:15,440
that we are not the only one in this

383
00:22:13,480 --> 00:22:19,299
universe

384
00:22:15,440 --> 00:22:25,759
got to be another civilization some way

385
00:22:19,299 --> 00:22:29,000

like you know flying why the sigh I

386

00:22:25,759 --> 00:22:31,009

believe in you really in God I don't

387

00:22:29,000 --> 00:22:35,900

know what please God but I believe

388

00:22:31,009 --> 00:22:37,250

something sometime I pray she got to

389

00:22:35,900 --> 00:22:40,009

give me another twin he used to live

390

00:22:37,250 --> 00:22:43,069

maybe in 20 years something happened you

391

00:22:40,009 --> 00:22:46,849

know what I mean look even some perhaps

392

00:22:43,069 --> 00:22:49,039

UFO could be something American or

393

00:22:46,849 --> 00:22:51,859

German or whatever or Japanese or the

394

00:22:49,039 --> 00:22:54,379

Russian they create something and we

395

00:22:51,859 --> 00:22:56,539

don't know we put the UFO 9 because we

396

00:22:54,380 --> 00:23:03,710

don't know what is that you thought does

397

00:22:56,539 --> 00:23:07,789

mean come from another planet but it's

398

00:23:03,710 --> 00:23:09,950

only what you yards and it's it's the

399

00:23:07,789 --> 00:23:11,930

Bible was being translated so many times

400
00:23:09,950 --> 00:23:15,200
I mean it's just like your phone is

401
00:23:11,930 --> 00:23:18,430
enough to know if it's real or not I

402
00:23:15,200 --> 00:23:18,430
think he's alive

403
00:23:18,460 --> 00:23:25,980
and I had this like if he get this gut

404
00:23:20,829 --> 00:23:25,980
feeling but he's still alive

405
00:23:26,390 --> 00:23:32,930
but we're I don't know because there's

406
00:23:29,119 --> 00:23:35,449
no effects they you notice I guess he's

407
00:23:32,930 --> 00:23:36,950
dead you know well the facts said that

408
00:23:35,450 --> 00:23:38,870
if it was in order more than 12 hours

409
00:23:36,950 --> 00:23:40,130
he'd be frozen to death because the

410
00:23:38,869 --> 00:23:43,789
water was coming off the entire to get

411
00:23:40,130 --> 00:23:46,310
that time of the year and we have to

412
00:23:43,789 --> 00:23:48,980
have a surprise for three or four weeks

413
00:23:46,309 --> 00:23:51,769
I've only recently I think accepted the

414
00:23:48,980 --> 00:24:00,289
fact that he is gone finished did cybers

415
00:23:51,769 --> 00:24:02,990
done that he's dead you don't get over

416
00:24:00,289 --> 00:24:06,619
those things really yeah you never

417
00:24:02,990 --> 00:24:09,220
forget I felt virtually on the night it

418
00:24:06,619 --> 00:24:09,219
happened he died

419
00:24:10,200 --> 00:24:17,090
I don't think the airplane is anywhere

420
00:24:13,049 --> 00:24:18,389
but the bottom of best rates and we no

421
00:24:17,089 --> 00:24:20,789
never

422
00:24:18,390 --> 00:24:23,670
instead some people did try to convince

423
00:24:20,789 --> 00:24:27,389
me he's somewhere that but I'm not I'm

424
00:24:23,670 --> 00:24:29,870
not accept and I never will accept that

425
00:24:27,390 --> 00:24:29,870
anyway

426
00:24:30,390 --> 00:24:36,450
I wouldn't sign of them I wouldn't

427
00:24:32,869 --> 00:24:38,909
accept it you know he's got maybe killed

428

00:24:36,450 --> 00:24:45,470
but providing that someone comes with a

429
00:24:38,910 --> 00:24:45,470
true fact theory it did happen

430
00:24:47,000 --> 00:24:52,669
you know all I could say is I hope that

431
00:24:50,288 --> 00:24:54,048
you keep hoping and I hope that your

432
00:24:52,669 --> 00:24:55,130
hopes come to I mean I don't know if I

433
00:24:54,048 --> 00:24:57,319
really want to find out if they're all

434
00:24:55,130 --> 00:24:59,570
UFOs or not for the sake of mining but I

435
00:24:57,319 --> 00:25:00,950
hope that you do too and I hope that we

436
00:24:59,569 --> 00:25:03,879
can once you gonna be reunited with your

437
00:25:00,950 --> 00:25:12,500
son baby okay thanks for coming in today

438
00:25:03,880 --> 00:25:14,360
take a look at the devil worship it's

439
00:25:12,500 --> 00:25:15,919
exactly seven years old

440
00:25:14,359 --> 00:25:20,349
the coroner says there's simply not

441
00:25:15,919 --> 00:25:20,350
enough evidence to justify an inquest

442
00:25:21,679 --> 00:25:25,548

it has never been found that his father

443

00:25:23,509 --> 00:25:28,519

Guido believes that his son is still

444

00:25:25,548 --> 00:25:29,599

alive possibly even held by aliens or

445

00:25:28,519 --> 00:25:33,730

some people suggest would you please

446

00:25:29,599 --> 00:25:33,730

walk on my wee-wee Deauville integer I

447

00:25:33,880 --> 00:25:40,280

wonder if he had been taken aboard a UFO

448

00:25:37,009 --> 00:25:45,940

and had come back would anyone believe

449

00:25:40,279 --> 00:25:45,940

him more than a moment
