interrupted a Finnish Air Force training

4  
00:00:16,868 --> 00:00:22,240  
seven round objects appeared in the sky

above the airfield at poori in western

6

objects they rose in formation and made

8  
00:00:27,850 --> 00:00:32,618  
off at high speed heading north they

9  
00:00:31,000 --> 00:00:36,210  
flew into a headwind measured at a

10

shattered our view of the world

39  
00:02:07,118 --> 00:02:12,769  
astronaut Edgar Mitchell said after his

40  
00:02:09,800 --> 00:02:16,040  
visit to the moon we all know that UFOs

41  
00:02:12,769 --> 00:02:18,430  
are real all we need to ask is where do

42  
00:02:16,039 --> 00:02:18,429  
they come from

43  
00:02:21,620 --> 00:02:26,900

Soviet cosmonaut Greco has said if I

44

were free to tell what we've experienced

45

00:02:26,900 --> 00:02:31,330

in space the world would be astounded

46

00:02:35,990 --> 00:02:40,939

the history of the world is full of

47

00:02:38,150 --> 00:02:43,430

mysteries strange structures drawings

48

00:02:40,939 --> 00:02:46,009

and sculptures whose origins are still

49

00:02:43,430 --> 00:02:48,760

unknown could they be evidence of

50

00:02:46,009 --> 00:02:48,759

visitors from space

51

00:02:56,348 --> 00:03:00,369

so far there have been more than a

52

00:02:58,329 --> 00:03:03,879

hundred thousand reported sightings of

53

00:03:00,370 --> 00:03:07,950

UFOs all over the world from Brazil to

54

00:03:03,878 --> 00:03:07,949

Lapland in the far north of Scandinavia

55

00:03:41,810 --> 00:03:46,099

despite official secretiveness

56

00:03:43,900 --> 00:03:48,289

researchers around the world have

57

00:03:46,099 --> 00:03:50,549

collected detailed information on the

58  
00:03:48,289 --> 00:03:53,609  
behavior of UFOs

59  
00:03:50,550 --> 00:03:56,070  
although many supposed UFO sightings can

60  
00:03:53,610 --> 00:03:58,440  
be explained in normal terms the

61  
00:03:56,069 --> 00:04:00,599  
remaining genuine UFOs have displayed

62  
00:03:58,439 --> 00:04:02,310  
common characteristics that warrant

63  
00:04:00,599 --> 00:04:05,039  
scientific investigation

64  
00:04:02,310 --> 00:04:08,969  
the name flying saucer was coined by

65  
00:04:05,039 --> 00:04:10,889  
pilot Kenneth Arnold in 1947 the United

66  
00:04:08,969 --> 00:04:13,289  
States Central Intelligence Agency has

67  
00:04:10,889 --> 00:04:17,129  
revealed that Hitler's Germany was among

68  
00:04:13,289 --> 00:04:19,379  
the first to investigate UFOs the the

69  
00:04:17,129 --> 00:04:21,750  
first major activity that happened upon

70  
00:04:19,379 --> 00:04:24,420  
the planet in terms of extraterrestrial

71  
00:04:21,750 --> 00:04:27,660  
intervention or involvement actually

72  
00:04:24,420 --> 00:04:31,110  
happened with greater intensity during

73  
00:04:27,660 --> 00:04:33,390  
the Second World War in Europe it's

74  
00:04:31,110 --> 00:04:35,879  
pretty well acknowledged today that the

75  
00:04:33,389 --> 00:04:39,209  
Third Reich in Germany was involved with

76  
00:04:35,879 --> 00:04:41,939  
the extraterrestrials my contention is

77  
00:04:39,209 --> 00:04:44,669  
that indeed because of the prosecution

78  
00:04:41,939 --> 00:04:47,069  
of the war everything associated with

79  
00:04:44,670 --> 00:04:49,110  
aerial phenomena so forth had to be

80  
00:04:47,069 --> 00:04:53,459  
classified for the sake of the war and

81  
00:04:49,110 --> 00:04:55,830  
the Allied powers because we didn't want

82  
00:04:53,459 --> 00:04:57,750  
the say the enemy at that time being the

83  
00:04:55,829 --> 00:05:02,879  
third right to know that of course we

84  
00:04:57,750 --> 00:05:04,860  
were suspect that they had possible

85  
00:05:02,879 --> 00:05:07,889  
alliance with say extraterrestrial

86

00:05:04,860 --> 00:05:10,830  
intervention in the early stages of all

87  
00:05:07,889 --> 00:05:14,039  
of this during the say Truman

88  
00:05:10,829 --> 00:05:16,379  
administration we were actually and also

89  
00:05:14,040 --> 00:05:19,830  
the Eisenhower administration we were

90  
00:05:16,379 --> 00:05:22,350  
actually approached by good ETS and they

91  
00:05:19,829 --> 00:05:24,300  
warned us that we should not become

92  
00:05:22,350 --> 00:05:25,260  
involved with the ETS who would follow

93  
00:05:24,300 --> 00:05:27,629  
them later on

94  
00:05:25,259 --> 00:05:29,879  
UFO sightings have multiplied during

95  
00:05:27,629 --> 00:05:31,409  
times of international crisis there was

96  
00:05:29,879 --> 00:05:33,969  
a significant increase in UFO

97  
00:05:31,410 --> 00:05:36,130  
observations during the Second World War

98  
00:05:33,970 --> 00:05:38,560  
the war laid the foundation for the

99  
00:05:36,129 --> 00:05:40,120  
human conquest of space and for the

100  
00:05:38,560 --> 00:05:43,000

destruction of life on Earth

101

00:05:40,120 --> 00:05:45,639

Virgil Armstrong asserts that UFOs have

102

00:05:43,000 --> 00:05:49,839

provided much technical information had

103

00:05:45,639 --> 00:05:51,939

started this really in 1980 in Oakland

104

00:05:49,839 --> 00:05:54,969

auditorium in Oakland California when I

105

00:05:51,939 --> 00:05:58,269

stepped forward and I lectured to about

106

00:05:54,970 --> 00:06:00,130

800 people and my subject was government

107

00:05:58,269 --> 00:06:02,949

conspiracy and UFOs

108

00:06:00,129 --> 00:06:05,079

I saw top-secret documents saying that

109

00:06:02,949 --> 00:06:07,569

an unidentified flying object had landed

110

00:06:05,079 --> 00:06:10,029

at White Sands New Mexico and then of

111

00:06:07,569 --> 00:06:12,069

course I followed that by wire I was not

112

00:06:10,029 --> 00:06:15,279

actually physically involved in the

113

00:06:12,069 --> 00:06:17,469

capture itself it was no capture anyway

114

00:06:15,279 --> 00:06:19,809

had soft landed in the middle of White

115  
00:06:17,470 --> 00:06:21,670  
Sands New Mexico and then we kept

116  
00:06:19,810 --> 00:06:23,860  
another observation later on of course

117  
00:06:21,670 --> 00:06:26,759  
we were we managed to get inside of it

118  
00:06:23,860 --> 00:06:29,949  
we found five bodies

119  
00:06:26,759 --> 00:06:32,288  
from the end of the 1940s the United

120  
00:06:29,949 --> 00:06:35,288  
States and the Soviet Union intensified

121  
00:06:32,288 --> 00:06:37,389  
their research into UFOs much of the

122  
00:06:35,288 --> 00:06:39,808  
research was prompted by observations by

123  
00:06:37,389 --> 00:06:41,978  
the military and by commercial pilots

124  
00:06:39,809 --> 00:06:44,619  
officials have attempted to conceal

125  
00:06:41,978 --> 00:06:49,019  
their UFO investigations and to play

126  
00:06:44,619 --> 00:06:49,019  
down the significance of the UFO problem

127  
00:06:49,379 --> 00:06:54,939  
in the late 1970s the Freedom of

128  
00:06:53,168 --> 00:06:56,798  
Information Act in the United States

129

00:06:54,939 --> 00:06:58,919

permitted the release of official

130

00:06:56,798 --> 00:07:01,598

documents more than 30 years old

131

00:06:58,918 --> 00:07:04,778

following court proceedings initiated by

132

00:07:01,598 --> 00:07:07,118

UFO researchers more than 2,000 official

133

00:07:04,778 --> 00:07:09,249

reports on UFOs were made public

134

00:07:07,119 --> 00:07:11,679

hundreds of other reports remained

135

00:07:09,249 --> 00:07:13,599

secret after court rulings that their

136

00:07:11,678 --> 00:07:16,149

release would have constituted a threat

137

00:07:13,598 --> 00:07:19,028

to national security united states

138

00:07:16,149 --> 00:07:20,439

marine major donald Kehoe who served as

139

00:07:19,028 --> 00:07:23,348

chairman of the UFO research

140

00:07:20,439 --> 00:07:26,139

organization NICAP was the first to

141

00:07:23,348 --> 00:07:29,468

allege in the 1950s that the authorities

142

00:07:26,139 --> 00:07:32,199

were concealing UFO reports Kehoe had in

143

00:07:29,468 --> 00:07:35,079  
his possession extensive material on UFO

144  
00:07:32,199 --> 00:07:37,869  
sightings by aircraft pilots professor

145  
00:07:35,079 --> 00:07:40,569  
of astronomy J Allen Hynek was for more

146  
00:07:37,869 --> 00:07:43,449  
than 20 years a specialist on UFOs with

147  
00:07:40,569 --> 00:07:45,519  
the United States Air Force Gerald Ford

148  
00:07:43,449 --> 00:07:47,860  
Republican Party leader in the US

149  
00:07:45,519 --> 00:07:50,468  
Congress proposed the establishment of

150  
00:07:47,860 --> 00:07:53,110  
an official UFO research committee at

151  
00:07:50,468 --> 00:07:55,399  
what you condon a doctor of physics

152  
00:07:53,110 --> 00:07:58,040  
became its first chairman

153  
00:07:55,399 --> 00:07:59,689  
Hynek a member of the committee noted

154  
00:07:58,040 --> 00:08:02,479  
that officials were unwilling to tell

155  
00:07:59,689 --> 00:08:04,610  
the truth about UFOs he broke off

156  
00:08:02,478 --> 00:08:08,019  
cooperation with the air force and set

157  
00:08:04,610 --> 00:08:11,240

up a private UFO research organization

158

00:08:08,019 --> 00:08:14,599

to this day the superpowers are still

159

00:08:11,240 --> 00:08:16,699

faced with an unsolved mystery recently

160

00:08:14,600 --> 00:08:20,509

it was disclosed that when President

161

00:08:16,699 --> 00:08:22,550

Reagan and mr. Gorbachev met in 1985 the

162

00:08:20,509 --> 00:08:25,189

UFO problem formed part of their

163

00:08:22,550 --> 00:08:28,038

discussions the Freedom of Information

164

00:08:25,189 --> 00:08:30,589

Act has revealed a mass of new evidence

165

00:08:28,038 --> 00:08:34,778

that an unknown spacecraft landed at

166

00:08:30,589 --> 00:08:34,778

Roswell New Mexico in 1947

167

00:08:41,570 --> 00:08:46,670

United States Air Force personnel who

168

00:08:44,149 --> 00:08:48,709

arrived on the scene found the UFO as

169

00:08:46,669 --> 00:08:51,439

well as the bodies of visitors from

170

00:08:48,710 --> 00:08:53,840

space according to eyewitnesses and

171

00:08:51,440 --> 00:08:56,270

written records military personnel

172  
00:08:53,840 --> 00:08:59,030  
closed the area and prohibited everyone

173  
00:08:56,269 --> 00:09:01,279  
from telling what they'd seen the mass

174  
00:08:59,029 --> 00:09:02,600  
media were told that the strange object

175  
00:09:01,279 --> 00:09:05,209  
was a weather balloon

176  
00:09:02,600 --> 00:09:08,600  
now even so that's pretty strange

177  
00:09:05,210 --> 00:09:11,300  
because we'd go back to the ones we took

178  
00:09:08,600 --> 00:09:13,759  
off the ship in 1948 they were little

179  
00:09:11,299 --> 00:09:17,089  
fellas there were 3.5 feet tall the

180  
00:09:13,759 --> 00:09:20,689  
largest one was 4 feet he was the senior

181  
00:09:17,090 --> 00:09:22,370  
of the group they were humanoid but they

182  
00:09:20,690 --> 00:09:23,930  
only had four fingers instead of the

183  
00:09:22,370 --> 00:09:28,009  
five and four toes

184  
00:09:23,929 --> 00:09:32,379  
they had no ears they had no nose no

185  
00:09:28,009 --> 00:09:35,149  
hair and the mouth was immobile so

186  
00:09:32,379 --> 00:09:38,370  
although they were basically humanoid

187  
00:09:35,149 --> 00:09:41,039  
they were totally different

188  
00:09:38,370 --> 00:09:43,440  
according to the autopsy reports the

189  
00:09:41,039 --> 00:09:46,199  
creatures had for long nailed fingers on

190  
00:09:43,440 --> 00:09:49,529  
each hand between each finger was a fold

191  
00:09:46,200 --> 00:09:50,700  
of skin the creatures had gray skin and

192  
00:09:49,528 --> 00:09:53,399  
their blood

193  
00:09:50,700 --> 00:09:57,150  
although liquid was totally unlike human

194  
00:09:53,399 --> 00:09:59,730  
blood in composition the released

195  
00:09:57,149 --> 00:10:02,490  
documents report that a top-secret Task

196  
00:09:59,730 --> 00:10:05,639  
Force majestic 12 was set up to

197  
00:10:02,490 --> 00:10:10,100  
investigate the case the group received

198  
00:10:05,639 --> 00:10:10,100  
its orders direct from President Truman

199  
00:10:11,419 --> 00:10:15,740  
the case has been examined in great

200

00:10:13,279 --> 00:10:17,970  
detail by Canadian nuclear physicist

201  
00:10:15,740 --> 00:10:19,948  
Stanton Friedman

202  
00:10:17,970 --> 00:10:21,839  
I believe the United States government

203  
00:10:19,948 --> 00:10:23,399  
has the bodies of aliens in its

204  
00:10:21,839 --> 00:10:25,050  
possession whether it's the army the Air

205  
00:10:23,399 --> 00:10:28,769  
Force the Navy the National Security

206  
00:10:25,049 --> 00:10:31,469  
Agency in the CIA I have no idea but

207  
00:10:28,769 --> 00:10:33,240  
uncertain that with the crash of a

208  
00:10:31,470 --> 00:10:36,959  
flying saucer in Roswell New Mexico in

209  
00:10:33,240 --> 00:10:39,539  
1947 July that they recovered not only

210  
00:10:36,958 --> 00:10:41,068  
the vehicle but the bodies as well there

211  
00:10:39,539 --> 00:10:42,149  
are other stories about other crashes

212  
00:10:41,068 --> 00:10:43,860  
but that one's been thoroughly

213  
00:10:42,149 --> 00:10:46,799  
investigated we've talked to more than a

214  
00:10:43,860 --> 00:10:48,600

hundred persons connected with that so

215

00:10:46,799 --> 00:10:55,528

yes the government certainly has alien

216

00:10:48,600 --> 00:10:58,019

bodies on the 5th of May 1989 South

217

00:10:55,528 --> 00:10:59,850

African Air Force fighters took off to

218

00:10:58,019 --> 00:11:02,639

intercept a strange object that had

219

00:10:59,850 --> 00:11:04,920

penetrated South African airspace one of

220

00:11:02,639 --> 00:11:07,438

the pilots fired at the intruder using a

221

00:11:04,919 --> 00:11:10,378

new laser guided weapon forcing it to

222

00:11:07,438 --> 00:11:13,379

land across the border in Botswana on

223

00:11:10,379 --> 00:11:15,620

board the UFO were humanoids who looked

224

00:11:13,379 --> 00:11:18,240

amazingly like those found at Roswell

225

00:11:15,620 --> 00:11:20,539

they were short and had only three

226

00:11:18,240 --> 00:11:23,509

fingers with long nails on each hand

227

00:11:20,539 --> 00:11:26,308

between the fingers was a fold of skin

228

00:11:23,509 --> 00:11:29,060

their eyes were wide and slanted and

229

00:11:26,308 --> 00:11:31,459

their skin was a bluish gray

230

00:11:29,059 --> 00:11:34,309

the incident was investigated by Anthony

231

00:11:31,460 --> 00:11:38,660

Todd who served for 25 years as a police

232

00:11:34,309 --> 00:11:42,139

officer the UFO came down and crashed in

233

00:11:38,659 --> 00:11:45,289

the Kalahari Desert and when the

234

00:11:42,139 --> 00:11:48,649

authorities retrieved the UFO which was

235

00:11:45,289 --> 00:11:53,269

intact to live alien beings were found

236

00:11:48,649 --> 00:11:55,939

inside it the crafts and creatures were

237

00:11:53,269 --> 00:11:57,740

eventually transported to

238

00:11:55,940 --> 00:12:02,210

wright-patterson Air Force Base in

239

00:11:57,740 --> 00:12:04,639

America this information came to us from

240

00:12:02,210 --> 00:12:07,730

South African intelligence sources I've

241

00:12:04,639 --> 00:12:12,009

seen them several times I've been within

242

00:12:07,730 --> 00:12:17,149

a hundred metres of one of these craft a

243  
00:12:12,009 --> 00:12:19,370  
huge saucer shaped object with a dome on

244  
00:12:17,149 --> 00:12:21,500  
top with portals around the outside

245  
00:12:19,370 --> 00:12:24,370  
colored lights rotating around the

246  
00:12:21,500 --> 00:12:27,679  
bottom and the whole object glowing

247  
00:12:24,370 --> 00:12:29,629  
I've signaled on one occasion to one nè

248  
00:12:27,679 --> 00:12:32,599  
to actually turn around and came back to

249  
00:12:29,629 --> 00:12:34,789  
me I've seen them several times since

250  
00:12:32,600 --> 00:12:38,440  
always with witnesses look at the first

251  
00:12:34,789 --> 00:12:41,480  
case when I was a police officer in 1978

252  
00:12:38,440 --> 00:12:43,100  
since making his disclosures todd has

253  
00:12:41,480 --> 00:12:46,220  
been the target of threats and other

254  
00:12:43,100 --> 00:12:48,590  
forms of pressure the belief that UFOs

255  
00:12:46,220 --> 00:12:51,340  
are merely tricks of light which cannot

256  
00:12:48,590 --> 00:12:53,750  
be scientifically studied is wrong

257

00:12:51,340 --> 00:12:55,759  
researchers have thousands of reports of

258  
00:12:53,750 --> 00:13:00,110  
UFOs that have

259  
00:12:55,759 --> 00:13:02,209  
physical mods in January 1981 a UFO

260  
00:13:00,110 --> 00:13:04,938  
landed in the garden of a farm hubs in

261  
00:13:02,208 --> 00:13:08,388  
France investigations by the national

262  
00:13:04,938 --> 00:13:11,208  
UFO research organization Japan and the

263  
00:13:08,389 --> 00:13:13,039  
agricultural laboratory in Rock revealed

264  
00:13:11,208 --> 00:13:15,318  
that something strange had happened to

265  
00:13:13,039 --> 00:13:18,289  
the vegetation growing where the UFO

266  
00:13:15,318 --> 00:13:21,469  
landed its biological structure had

267  
00:13:18,289 --> 00:13:23,328  
changed as if it had suddenly aged the

268  
00:13:21,470 --> 00:13:25,670  
investigators maintained but only

269  
00:13:23,328 --> 00:13:29,739  
extremely powerful nuclear radiation

270  
00:13:25,669 --> 00:13:29,740  
could have caused such a phenomenon

271  
00:13:30,259 --> 00:13:35,000

professor hynek's research centre has

272

00:13:32,779 --> 00:13:38,860

more than 3,000 reports of physical

273

00:13:35,000 --> 00:13:38,860

marks left by UFOs

274

00:13:43,629 --> 00:13:47,899

mysterious imprints in fields in

275

00:13:46,070 --> 00:13:52,120

northern England have stirred up an

276

00:13:47,899 --> 00:13:54,528

impassioned debate about their origin a

277

00:13:52,120 --> 00:13:57,200

British couple tell how they saw the

278

00:13:54,528 --> 00:13:59,059

patterns emerging during a time of high

279

00:13:57,200 --> 00:14:01,790

winds and an eerie mist

280

00:13:59,059 --> 00:14:05,199

it was as they said an experience that

281

00:14:01,789 --> 00:14:05,199

made their hair stand on end

282

00:14:05,490 --> 00:14:10,499

from the point of view of human beings

283

00:14:07,589 --> 00:14:14,040

the most worrying marks left by UFOs are

284

00:14:10,499 --> 00:14:16,619

radiation burns Vickie Landrum an

285

00:14:14,039 --> 00:14:18,958

American suffered severe skin damage

286  
00:14:16,619 --> 00:14:22,230  
when she was exposed to blinding light

287  
00:14:18,958 --> 00:14:32,068  
emitted by a UFO in Texas in December

288  
00:14:22,230 --> 00:14:35,188  
1980 foes are a worldwide problem that's

289  
00:14:32,068 --> 00:14:37,498  
been discussed at the United Nations on

290  
00:14:35,188 --> 00:14:40,740  
the initiative of Grenada special

291  
00:14:37,499 --> 00:14:42,899  
sessions were organized in 1978 and 79

292  
00:14:40,740 --> 00:14:46,528  
and were attended by the world's leading

293  
00:14:42,899 --> 00:14:48,688  
UFO researchers after the deliberations

294  
00:14:46,528 --> 00:14:51,778  
the United Nations urged member

295  
00:14:48,688 --> 00:14:54,208  
countries to study UFO cases and report

296  
00:14:51,778 --> 00:14:56,600  
them to the world organization in

297  
00:14:54,208 --> 00:14:58,919  
addition to secrecy and pressure

298  
00:14:56,600 --> 00:15:01,170  
organizations of skeptics have been set

299  
00:14:58,919 --> 00:15:03,748  
up in a number of countries they

300  
00:15:01,169 --> 00:15:08,099  
systematically deny the existence of old

301  
00:15:03,749 --> 00:15:10,230  
UFOs a true skeptic would be very useful

302  
00:15:08,100 --> 00:15:11,879  
in the field of UFOs or ufology

303  
00:15:10,230 --> 00:15:14,490  
unfortunately what we're really dealing

304  
00:15:11,879 --> 00:15:17,159  
with in most instances are not skeptics

305  
00:15:14,490 --> 00:15:18,839  
I'm a skeptic I check things out what

306  
00:15:17,159 --> 00:15:20,759  
we're dealing with our debunkers and

307  
00:15:18,839 --> 00:15:22,949  
they seem to have very little to offer

308  
00:15:20,759 --> 00:15:24,419  
because they're the true believers they

309  
00:15:22,948 --> 00:15:25,979  
know there's nothing to the subject so

310  
00:15:24,419 --> 00:15:28,678  
they don't give it any attention they

311  
00:15:25,980 --> 00:15:31,048  
just make proclamations and charges so

312  
00:15:28,678 --> 00:15:34,649  
skepticism is fine debunking isn't very

313  
00:15:31,048 --> 00:15:36,480  
useful James Randi isn't really a UFO

314

00:15:34,649 --> 00:15:39,360  
skeptical he's a debunk or he knows

315  
00:15:36,480 --> 00:15:42,600  
practically nothing about UFOs in this

316  
00:15:39,360 --> 00:15:44,818  
Brooke Flynn flim-flam he discusses

317  
00:15:42,600 --> 00:15:46,439  
marjorie fish's star map board connected

318  
00:15:44,818 --> 00:15:49,469  
with the Betty and Barney Hill case and

319  
00:15:46,438 --> 00:15:51,568  
gets just about everything wrong now a

320  
00:15:49,470 --> 00:15:52,860  
different kind of skeptic is Carl Sagan

321  
00:15:51,568 --> 00:15:55,498  
Carl and I were classmates at the

322  
00:15:52,860 --> 00:15:58,230  
University of Chicago I have no idea why

323  
00:15:55,499 --> 00:16:00,749  
Carl is continue to make foolish charges

324  
00:15:58,230 --> 00:16:04,409  
about flying saucers his most recent one

325  
00:16:00,749 --> 00:16:05,590  
was at every UFO sighting when carefully

326  
00:16:04,409 --> 00:16:07,629  
investigated

327  
00:16:05,590 --> 00:16:10,810  
turns out to be either a fraud or a

328  
00:16:07,629 --> 00:16:12,820

mistake the statement itself is a fraud

329

00:16:10,809 --> 00:16:16,000  
because every large-scale scientific

330

00:16:12,820 --> 00:16:18,370  
study provides loads of sightings that

331

00:16:16,000 --> 00:16:19,870  
are neither that are obviously evidence

332

00:16:18,370 --> 00:16:23,429  
of intelligently controlled

333

00:16:19,870 --> 00:16:23,429  
extraterrestrial spacecraft

334

00:16:24,399 --> 00:16:29,740  
UFO witnesses have not only been

335

00:16:27,100 --> 00:16:32,759  
uneducated country folk their number

336

00:16:29,740 --> 00:16:35,860  
includes some very prestigious people

337

00:16:32,759 --> 00:16:38,200  
former US President Jimmy Carter in the

338

00:16:35,860 --> 00:16:42,460  
company of some 20 other people saw a

339

00:16:38,200 --> 00:16:44,759  
UFO On January the 6th 1969 he was then

340

00:16:42,460 --> 00:16:48,690  
governor of Georgia

341

00:16:44,759 --> 00:16:51,299  
on the 17th of November 1986 a Japanese

342

00:16:48,690 --> 00:16:51,770  
airliner followed three UFOs for half an

343  
00:16:51,299 --> 00:16:55,139  
hour

344  
00:16:51,769 --> 00:16:57,090  
the pilot flight captain Kendra Terrell

345  
00:16:55,139 --> 00:16:59,850  
Chi one of Japan Airlines most

346  
00:16:57,090 --> 00:17:02,460  
experienced fliers described the biggest

347  
00:16:59,850 --> 00:17:05,400  
of the UFOs as being five times the size

348  
00:17:02,460 --> 00:17:07,500  
of a jumbo jet they change speed

349  
00:17:05,400 --> 00:17:10,230  
astonishingly quickly and captain

350  
00:17:07,500 --> 00:17:13,369  
Terauchi stated that the UFOs must have

351  
00:17:10,230 --> 00:17:13,370  
come from outer space

352  
00:17:14,828 --> 00:17:20,470  
there are thousands of photographs of

353  
00:17:16,808 --> 00:17:23,078  
UFOs a controversial pioneer of UFO

354  
00:17:20,470 --> 00:17:25,838  
research George Adamski photographed

355  
00:17:23,078 --> 00:17:28,480  
UFOs in the 1950s with the aid of a

356  
00:17:25,838 --> 00:17:30,819  
telescope Adamski claimed also to have

357  
00:17:28,480 --> 00:17:33,490  
seen humanoids and flown into outer

358  
00:17:30,819 --> 00:17:35,710  
space with them skeptics have offered

359  
00:17:33,490 --> 00:17:38,319  
dozens of explanations for this flying

360  
00:17:35,710 --> 00:17:40,058  
saucer picture of Adamski's suggesting

361  
00:17:38,319 --> 00:17:43,629  
it could be the top of a vacuum cleaner

362  
00:17:40,058 --> 00:17:45,819  
or an ashtray a photograph alone can

363  
00:17:43,630 --> 00:17:47,620  
never be final proof because trick

364  
00:17:45,819 --> 00:17:49,808  
photography allows hundreds of

365  
00:17:47,619 --> 00:17:51,819  
possibilities the final years of

366  
00:17:49,808 --> 00:17:54,940  
Adamski's life were tragic he was

367  
00:17:51,819 --> 00:17:56,859  
branded as a trickster these pictures

368  
00:17:54,940 --> 00:18:00,940  
were taken by an American couple the

369  
00:17:56,859 --> 00:18:02,859  
Trent's on May the 11th 1950 researchers

370  
00:18:00,940 --> 00:18:06,610  
regard them as some of the most reliable

371

00:18:02,859 --> 00:18:08,589  
UFO photographs the target of a few or

372  
00:18:06,609 --> 00:18:10,959  
at least the equal of the Adamski

373  
00:18:08,589 --> 00:18:12,699  
controversy was Edward Meyer of

374  
00:18:10,960 --> 00:18:15,009  
Switzerland as a result of his

375  
00:18:12,700 --> 00:18:17,620  
photographs and claims of having had

376  
00:18:15,009 --> 00:18:19,898  
contact with humanoids even before his

377  
00:18:17,619 --> 00:18:22,989  
claims were investigated he was labeled

378  
00:18:19,898 --> 00:18:24,729  
the UFO hoaxer of the century mya claims

379  
00:18:22,990 --> 00:18:27,460  
to have been in contact with humanoids

380  
00:18:24,730 --> 00:18:30,250  
who were replaced at intervals of eleven

381  
00:18:27,460 --> 00:18:33,069  
years the same rhythm as the changes in

382  
00:18:30,250 --> 00:18:35,589  
sunspot activity creatures from the play

383  
00:18:33,069 --> 00:18:37,388  
adds galaxies told Maya but they were

384  
00:18:35,589 --> 00:18:39,250  
cautious about approaching humans

385  
00:18:37,388 --> 00:18:42,788

because they didn't want to give rise to

386

00:18:39,250 --> 00:18:45,819

a new religion Maya's pictures show five

387

00:18:42,788 --> 00:18:48,369

different types of UFO the investigation

388

00:18:45,819 --> 00:18:50,379

into the Maya case was led by Lieutenant

389

00:18:48,369 --> 00:18:52,418

Colonel Wendell Stevens of the United

390

00:18:50,380 --> 00:18:56,380

States Air Force who had studied UFOs

391

00:18:52,419 --> 00:18:59,320

since the 1940s he has a file of 3,000

392

00:18:56,380 --> 00:19:04,419

UFO photographs I think the question is

393

00:18:59,319 --> 00:19:08,528

why do I believe the Swiss case of

394

00:19:04,419 --> 00:19:11,350

Edward Meyer is a real UFO contact case

395

00:19:08,528 --> 00:19:15,940

and why do I accept those remarkable

396

00:19:11,349 --> 00:19:17,619

pictures as real pictures of UFO I must

397

00:19:15,940 --> 00:19:20,528

say that in the course of the

398

00:19:17,619 --> 00:19:22,509

investigation we found not one

399

00:19:20,528 --> 00:19:24,369

photographer but we found five

400  
00:19:22,509 --> 00:19:25,629  
photographers five different

401  
00:19:24,369 --> 00:19:28,539  
photographers

402  
00:19:25,630 --> 00:19:30,970  
all involved in this one case they all

403  
00:19:28,539 --> 00:19:33,909  
took pictures of the pitch saber of the

404  
00:19:30,970 --> 00:19:36,240  
spacecraft - played in spacecraft and on

405  
00:19:33,910 --> 00:19:38,590  
one case for photographers

406  
00:19:36,240 --> 00:19:41,200  
simultaneously from four different

407  
00:19:38,589 --> 00:19:45,129  
vantage points took pictures of the same

408  
00:19:41,200 --> 00:19:48,039  
craft at the same time and those were

409  
00:19:45,130 --> 00:19:49,390  
taken on four different cameras four

410  
00:19:48,039 --> 00:19:51,430  
different rolls of film

411  
00:19:49,390 --> 00:19:53,290  
they were processed in four different

412  
00:19:51,430 --> 00:19:56,100  
laboratories in four different countries

413  
00:19:53,289 --> 00:20:01,149  
and they all showed the same objects

414  
00:19:56,099 --> 00:20:04,480  
apart from that we took four of the best

415  
00:20:01,150 --> 00:20:07,870  
pictures one from each of four different

416  
00:20:04,480 --> 00:20:10,200  
cases to the United States with us where

417  
00:20:07,869 --> 00:20:14,679  
we put them through exhaustive testing

418  
00:20:10,200 --> 00:20:19,420  
for which more than 60,000 dollars was

419  
00:20:14,680 --> 00:20:22,390  
paid for testing by every known means in

420  
00:20:19,420 --> 00:20:25,840  
modern technology now in the course of

421  
00:20:22,390 --> 00:20:27,750  
testing these UFO photographs we

422  
00:20:25,839 --> 00:20:32,109  
discovered that we can tint can

423  
00:20:27,750 --> 00:20:35,200  
continually eliminate a process we can

424  
00:20:32,109 --> 00:20:40,599  
always eliminate one more process known

425  
00:20:35,200 --> 00:20:43,980  
in photo technical circles as processes

426  
00:20:40,599 --> 00:20:48,389  
for faking pictures and we successfully

427  
00:20:43,980 --> 00:20:51,160  
eliminated all known processes of

428

00:20:48,390 --> 00:20:54,670  
technically producing pictures and end

429  
00:20:51,160 --> 00:20:58,450  
up with something unknown we do not know

430  
00:20:54,670 --> 00:21:01,570  
how these pictures were made unless they

431  
00:20:58,450 --> 00:21:04,559  
were made in real time real spacecraft

432  
00:21:01,569 --> 00:21:06,929  
as alleged by mr. Meyer

433  
00:21:04,559 --> 00:21:09,389  
try to learn from the UFOs flying

434  
00:21:06,930 --> 00:21:11,910  
characteristics which is one reason for

435  
00:21:09,390 --> 00:21:14,040  
the secrecy that surrounds them recently

436  
00:21:11,910 --> 00:21:17,250  
the latest test version of a flying

437  
00:21:14,039 --> 00:21:19,980  
saucer was shown in the United States in

438  
00:21:17,250 --> 00:21:22,319  
Scandinavia in the late 1980s the

439  
00:21:19,980 --> 00:21:24,870  
biggest wave of UFOs occurred in the

440  
00:21:22,319 --> 00:21:27,689  
mountainous area of hessdalen south of

441  
00:21:24,869 --> 00:21:29,909  
Trondheim in Norway the most intensive

442  
00:21:27,690 --> 00:21:32,610

UFO hunting history was started

443

00:21:29,910 --> 00:21:35,130  
involving Scandinavian UFO research

444

00:21:32,609 --> 00:21:37,799  
groups Norwegian universities and the

445

00:21:35,130 --> 00:21:40,410  
Norwegian army the Hess darlin project

446

00:21:37,799 --> 00:21:43,259  
produced a host of UFO pictures and

447

00:21:40,410 --> 00:21:46,470  
scientific data on the behavior of UFOs

448

00:21:43,259 --> 00:21:49,140  
in spite of the wide array of scientific

449

00:21:46,470 --> 00:21:51,269  
equipment used no logical explanation

450

00:21:49,140 --> 00:21:53,850  
for the phenomena could be given study

451

00:21:51,269 --> 00:21:56,849  
of the UFOs behavior did suggest that

452

00:21:53,849 --> 00:21:59,250  
they were guided by an intelligence UFO

453

00:21:56,849 --> 00:22:01,769  
investigators from Finland the United

454

00:21:59,250 --> 00:22:03,930  
States and France also took part

455

00:22:01,769 --> 00:22:07,339  
among them were professor Hynek and a

456

00:22:03,930 --> 00:22:07,340  
French researcher Jean Michel

457  
00:22:07,410 --> 00:22:14,940  
for my position it is absolutely beings

458  
00:22:12,029 --> 00:22:16,879  
from outer space who had tried to

459  
00:22:14,940 --> 00:22:19,019  
contact the people there but

460  
00:22:16,880 --> 00:22:23,250  
unfortunately there were not enough

461  
00:22:19,019 --> 00:22:26,519  
people ready to welcome there to talk

462  
00:22:23,250 --> 00:22:29,670  
with them and also there were been too

463  
00:22:26,519 --> 00:22:32,549  
much people from outside coming to the

464  
00:22:29,670 --> 00:22:38,340  
spot therefore the activity is now

465  
00:22:32,549 --> 00:22:42,450  
decreasing and UFOs are moving SART Wars

466  
00:22:38,339 --> 00:22:45,769  
on all the places in central Norway and

467  
00:22:42,450 --> 00:22:45,769  
anima in the mountains

468  
00:22:47,210 --> 00:22:52,429  
a wave of UFO sightings similar to the

469  
00:22:50,210 --> 00:22:54,860  
hessdalen episode took place in the

470  
00:22:52,429 --> 00:22:59,210  
Kusama district of northeast finland in

471  
00:22:54,859 --> 00:23:01,158  
the early 1970s most of the strange

472  
00:22:59,210 --> 00:23:03,319  
light phenomenon and sightings of

473  
00:23:01,159 --> 00:23:05,809  
objects were concentrated on the slopes

474  
00:23:03,319 --> 00:23:09,678  
of Finland's most southerly fell called

475  
00:23:05,808 --> 00:23:11,889  
associated strange balls of light have

476  
00:23:09,679 --> 00:23:14,480  
been seen in the same area more recently

477  
00:23:11,890 --> 00:23:17,149  
it's been noticed in many parts of the

478  
00:23:14,480 --> 00:23:19,849  
world but UFO sightings are particularly

479  
00:23:17,148 --> 00:23:22,579  
common in mountainous regions the reason

480  
00:23:19,849 --> 00:23:24,829  
may be magnetic fields which the UFOs

481  
00:23:22,579 --> 00:23:27,470  
possibly make use of for their avionics

482  
00:23:24,829 --> 00:23:30,349  
systems the Finnish wave of UFO

483  
00:23:27,470 --> 00:23:32,690  
sightings in the 1970s inspired an

484  
00:23:30,349 --> 00:23:34,579  
extensive research project which was not

485

535  
00:26:01,819 --> 00:26:07,039  
observed with UFOs are set to come from

536  
00:26:04,670 --> 00:26:08,200  
many different universes and even from

537  
00:26:07,039 --> 00:26:11,329  
different dimensions

538  
00:26:08,200 --> 00:26:13,940  
thus they appear to us in dozens of

539  
00:26:11,329 --> 00:26:16,939  
different shapes perhaps the most common

540  
00:26:13,940 --> 00:26:19,640  
physical type as a large head big eyes

541  
00:26:16,940 --> 00:26:21,500  
and is shorter than a human some of them

542

00:26:19,640 --> 00:26:24,050  
seem to have an incredible ability to

543  
00:26:21,500 --> 00:26:26,329  
change their appearance as well as their

544  
00:26:24,049 --> 00:26:28,819  
form of speech a lot of people who have

545  
00:26:26,329 --> 00:26:31,519  
seen them do not like talking about them

546  
00:26:28,819 --> 00:26:33,039  
and for UFO researchers - they are a

547  
00:26:31,519 --> 00:26:35,420  
sensitive subject

548  
00:26:33,039 --> 00:26:38,149  
the question is what do they look like

549  
00:26:35,420 --> 00:26:41,288  
you know they're like people on this

550  
00:26:38,150 --> 00:26:43,179  
planet there's many kinds out there

551  
00:26:41,288 --> 00:26:45,970  
some were 12 foot tall summer

552  
00:26:43,179 --> 00:26:48,309  
seven-foot-tall some are 3 foot tall I

553  
00:26:45,970 --> 00:26:50,980  
mean there's all sizes and forms and

554  
00:26:48,308 --> 00:26:54,220  
shapes I think the best thing to say

555  
00:26:50,980 --> 00:26:57,130  
that the appearance they give to us is

556  
00:26:54,220 --> 00:26:58,659

what they think we want to look at we

557

00:26:57,130 --> 00:27:01,360

really not seeing them in their true

558

00:26:58,659 --> 00:27:02,740

form if they were to take off the the

559

00:27:01,359 --> 00:27:05,349

funny face of something like that we

560

00:27:02,740 --> 00:27:07,750

might be scared to death of them so in

561

00:27:05,349 --> 00:27:09,730

my opinion what they try to do is to

562

00:27:07,750 --> 00:27:12,490

present themselves to us in a form

563

00:27:09,730 --> 00:27:14,860

that's acceptable and not frightening

564

00:27:12,490 --> 00:27:17,370

now there's also some like the tall ones

565

00:27:14,859 --> 00:27:19,719

have sort of a square head you know and

566

00:27:17,369 --> 00:27:21,939

then of course you've got some who look

567

00:27:19,720 --> 00:27:24,970

just like you and I in fact there's a

568

00:27:21,940 --> 00:27:27,759

group called the Nordics I know of 18

569

00:27:24,970 --> 00:27:30,000

and I'll bet there's at least seven more

570

00:27:27,759 --> 00:27:33,640

so I say conservatively 25

571  
00:27:30,000 --> 00:27:36,640  
extraterrestrial races it's suspected

572  
00:27:33,640 --> 00:27:38,409

there's been a major wave of UFO

618

00:30:28,869 --> 00:30:33,519  
sightings in recent years in the former

619

00:30:31,509 --> 00:30:37,058  
Soviet Union including the Baltic

620

00:30:33,519 --> 00:30:39,429  
republics thanks to the new openness in

621

00:30:37,058 --> 00:30:42,849  
those countries UFO research has become

622

00:30:39,429 --> 00:30:44,860  
very active and international several

623

00:30:42,849 --> 00:30:48,789  
big UFO conferences have been held

624

00:30:44,859 --> 00:30:51,548  
involving hundreds of scientists in 1989

625

00:30:48,789 --> 00:30:54,220  
news of the landing of a redish all

626

00:30:51,548 --> 00:30:57,009  
shaped UFO in a park in the town of

627

00:30:54,220 --> 00:30:58,900  
Voronezh spread around the world out of

628  
00:30:57,009 --> 00:31:00,879  
the craft came creatures and three

629  
00:30:58,900 --> 00:31:02,830  
meters tall on scene them

630  
00:31:00,880 --> 00:31:07,059  
one eyewitness suffered a stroke and

631  
00:31:02,829 --> 00:31:09,069  
another was temporarily blinded at about

632  
00:31:07,058 --> 00:31:11,500  
the same time there were several more

633  
00:31:09,069 --> 00:31:15,039  
sightings of UFOs and humanoids in

634  
00:31:11,500 --> 00:31:20,048  
Voronezh the eyewitnesses included many

635  
00:31:15,039 --> 00:31:23,950  
children recently in varnish some weeks

636  
00:31:20,048 --> 00:31:26,019  
ago there were some sightings UFO

637  
00:31:23,950 --> 00:31:29,289  
sightings and UFO Lending's

638  
00:31:26,019 --> 00:31:32,470  
also and I'd like to stress especially

639  
00:31:29,289 --> 00:31:35,259  
that not only school boys not only

640  
00:31:32,470 --> 00:31:38,850  
children were observing these strange

641  
00:31:35,259 --> 00:31:41,940  
waiting and sightings and humanoid

642  
00:31:38,849 --> 00:31:45,459  
human-like beings emerging from the

643  
00:31:41,940 --> 00:31:49,058  
landed spacecraft there was a great

644  
00:31:45,460 --> 00:31:53,679  
number of reliable witnesses among

645  
00:31:49,058 --> 00:31:57,308  
adults also it seems to me that now

646  
00:31:53,679 --> 00:31:59,470  
there is some kind of wave of UFO

647  
00:31:57,308 --> 00:32:03,819  
sightings over

648  
00:31:59,470 --> 00:32:08,589  
the Soviet Union and to my estimation

649  
00:32:03,819 --> 00:32:11,589  
this number is increasing abductions of

650  
00:32:08,589 --> 00:32:14,378  
people by UFOs has been a talking point

651  
00:32:11,589 --> 00:32:16,750  
in the United States for years among the

652  
00:32:14,378 --> 00:32:18,878  
first well researched cases of abduction

653  
00:32:16,750 --> 00:32:23,369  
was that of fisherman Charles Hickson

654  
00:32:18,878 --> 00:32:26,668  
and Calvin Parker in October 1973 as

655  
00:32:23,369 --> 00:32:30,489  
darkness fell one object 30 meters long

656

00:32:26,669 --> 00:32:33,639  
landed close to the two men remarkable

657  
00:32:30,490 --> 00:32:37,298  
creatures emerged from the UFO they were

658  
00:32:33,638 --> 00:32:40,269  
about 1.5 meters in height hairless with

659  
00:32:37,298 --> 00:32:43,210  
pincer-like hands the men were scared

660  
00:32:40,269 --> 00:32:44,919  
out of their wit's Hickson's started to

661  
00:32:43,210 --> 00:32:47,889  
beat the water with his fishing rod

662  
00:32:44,919 --> 00:32:50,309  
Parker fainted in his arms they were

663  
00:32:47,888 --> 00:32:52,628  
anesthetized and carried into the craft

664  
00:32:50,308 --> 00:32:54,668  
when they reported the incident to the

665  
00:32:52,628 --> 00:32:57,579  
police they were still close to

666  
00:32:54,669 --> 00:33:00,100  
hysterical a conversation between the

667  
00:32:57,579 --> 00:33:02,439  
two men secretly recorded at the police

668  
00:33:00,099 --> 00:33:04,959  
station indicated that they really

669  
00:33:02,440 --> 00:33:08,230  
believed they had experienced a UFO

670  
00:33:04,960 --> 00:33:11,710

kidnapping an abduction at seulji Palme

671

00:33:08,230 --> 00:33:15,000

Toit's near Paris in France in 1979

672

00:33:11,710 --> 00:33:18,159

aroused widespread attention in France

673

00:33:15,000 --> 00:33:21,069

in the early hours of the morning three

674

00:33:18,159 --> 00:33:23,500

young men saw balls of light and one of

675

00:33:21,069 --> 00:33:25,408

them Frank Fontana mysteriously

676

00:33:23,500 --> 00:33:28,940

disappeared

677

00:33:25,409 --> 00:33:30,769

Fontana reappeared a week later

678

00:33:28,940 --> 00:33:33,590

the police investigated the incident

679

00:33:30,769 --> 00:33:37,149

thoroughly but could find no logical

680

00:33:33,589 --> 00:33:37,148

explanation for what had happened

681

00:33:37,989 --> 00:33:43,639

hypnosis revealed that the men have been

682

00:33:40,848 --> 00:33:46,098

in contact with a humanoid named Hal Rio

683

00:33:43,638 --> 00:33:50,898

who warned them of a threat of world

684

00:33:46,098 --> 00:33:52,848

destruction American Budd Hopkins has

685  
00:33:50,898 --> 00:33:55,608  
recently investigated hundreds of

686  
00:33:52,848 --> 00:33:57,788  
abduction cases because of the loss of

687  
00:33:55,608 --> 00:34:00,618  
memory often associated with such cases

688  
00:33:57,788 --> 00:34:02,690  
Hopkins uses hypnosis on the people

689  
00:34:00,618 --> 00:34:05,178  
involved in terms of finding new

690  
00:34:02,690 --> 00:34:08,809  
abduction cases I'm running into them

691  
00:34:05,179 --> 00:34:11,750  
daily people reporting new cases

692  
00:34:08,809 --> 00:34:14,569  
sometimes these are new only in the

693  
00:34:11,750 --> 00:34:17,358  
sense that they haven't recalled them

694  
00:34:14,568 --> 00:34:18,378  
before but I'm also some other words

695  
00:34:17,358 --> 00:34:20,358  
they may be the old case I'm just

696  
00:34:18,378 --> 00:34:22,608  
hearing about for the first time but I'm

697  
00:34:20,358 --> 00:34:24,918  
also running into very recent abduction

698  
00:34:22,608 --> 00:34:27,398  
incidents I have one that I've been

699  
00:34:24,918 --> 00:34:30,048  
working on that occurred in late August

700  
00:34:27,398 --> 00:34:32,358  
another one that occurred in June and so

701  
00:34:30,048 --> 00:34:37,038  
forth it's an ongoing phenomenon there's

702  
00:34:32,358 --> 00:34:38,869  
no reason to say for sure that you that

703  
00:34:37,039 --> 00:34:41,000  
abductions are concentrated in the

704  
00:34:38,869 --> 00:34:42,950  
United States it is a worldwide

705  
00:34:41,000 --> 00:34:45,048  
phenomenon one young woman I've been

706  
00:34:42,949 --> 00:34:46,788  
working with had a recent abduction

707  
00:34:45,048 --> 00:34:49,579  
actually in August in the United States

708  
00:34:46,789 --> 00:34:51,799  
but in Prior trips she was abducted in

709  
00:34:49,579 --> 00:34:53,690  
South America and Argentina she's been

710  
00:34:51,798 --> 00:34:55,338  
abducted in Spain and she's been

711  
00:34:53,690 --> 00:34:57,980  
abducted in various parts of the United

712  
00:34:55,338 --> 00:35:01,219  
States I live in the United States and

713

00:34:57,980 --> 00:35:04,010  
therefore I suppose I hear about more

714  
00:35:01,219 --> 00:35:06,259  
American cases and since my books are

715  
00:35:04,010 --> 00:35:07,670  
widely distributed in United States I

716  
00:35:06,260 --> 00:35:09,559  
mean I'm hearing for more people

717  
00:35:07,670 --> 00:35:12,880  
but I would guess if I were to go to

718  
00:35:09,559 --> 00:35:14,589  
Finland or any other place and

719  
00:35:12,880 --> 00:35:16,838  
we were able to set up some way in which

720  
00:35:14,588 --> 00:35:19,690  
people could report their possible

721  
00:35:16,838 --> 00:35:21,460  
suspected abductions in a way that they

722  
00:35:19,690 --> 00:35:23,019  
would feel was supportive and trusting

723  
00:35:21,460 --> 00:35:24,880  
and so for that we would find huge

724  
00:35:23,018 --> 00:35:27,189  
numbers there too I think this is a

725  
00:35:24,880 --> 00:35:29,858  
worldwide phenomenon

726  
00:35:27,190 --> 00:35:32,619  
a growing number of abduction cases have

727  
00:35:29,858 --> 00:35:35,679

come to light in Finland - one case

of the most investigated abductions

776  
00:37:58,750 --> 00:38:04,679  
concerned the experience of the Phil

777  
00:38:00,820 --> 00:38:05,860  
couple in 1961 on September the 19th

778  
00:38:04,679 --> 00:38:08,079  
1961

779  
00:38:05,860 --> 00:38:10,480  
late in the evening Betty and Barney

780  
00:38:08,079 --> 00:38:12,819  
Hill were traveling by car on the east

781  
00:38:10,480 --> 00:38:16,539  
coast of the United States when they saw

782  
00:38:12,820 --> 00:38:19,870  
a bright object in the sky after that

783  
00:38:16,539 --> 00:38:22,869  
the Hills lost consciousness when they

784  
00:38:19,869 --> 00:38:25,000

came to the UFO was gone and they had

785

00:38:22,869 --> 00:38:29,529

travelled nearly fifty kilometres south

786

00:38:25,000 --> 00:38:32,469

without being aware of it under separate

787

00:38:29,530 --> 00:38:34,690

hypnosis the hills both told are they'd

788

00:38:32,469 --> 00:38:38,919

been anesthetized and transferred to the

789

00:38:34,690 --> 00:38:40,690

UFO large-headed large-eyed creatures

790

00:38:38,920 --> 00:38:43,119

had carried out medical tests on the

791

00:38:40,690 --> 00:38:45,599

couple including taking a sperm sample

792

00:38:43,119 --> 00:38:47,279

from barney hill

793

00:38:45,599 --> 00:38:49,529

one of the creatures had shown them a

794

00:38:47,280 --> 00:38:53,840

picture that gave the position of their

795

00:38:49,530 --> 00:38:53,840

home planet in relation to our universe

796

00:38:54,519 --> 00:38:59,860

Phyllis Vance lemma is a contact whose

797

00:38:57,309 --> 00:39:03,190

space adventures are of the same type as

798

00:38:59,860 --> 00:39:08,140

I know Yvonne offs I've had meetings

799  
00:39:03,190 --> 00:39:11,170  
with beings from other planets on UFOs

800  
00:39:08,139 --> 00:39:12,849  
twice those of them were completely

801  
00:39:11,170 --> 00:39:16,750  
different than the other my first

802  
00:39:12,849 --> 00:39:21,009  
meeting was a UFO came down it landed I

803  
00:39:16,750 --> 00:39:23,409  
saw it the door opened for a moment I

804  
00:39:21,010 --> 00:39:25,600  
was very frightened and I said no this

805  
00:39:23,409 --> 00:39:29,199  
is an experience I must have go with it

806  
00:39:25,599 --> 00:39:32,349  
so I boarded the craft and as I injured

807  
00:39:29,199 --> 00:39:36,129  
I set the presence of someone in back of

808  
00:39:32,349 --> 00:39:38,259  
me that I didn't see and I introduced

809  
00:39:36,130 --> 00:39:41,140  
into the inside of the craft and there

810  
00:39:38,260 --> 00:39:46,270  
were two beings in the craft they were

811  
00:39:41,139 --> 00:39:51,670  
well over six feet formed exactly like a

812  
00:39:46,269 --> 00:39:54,009  
human quite good-looking very appeared

813  
00:39:51,670 --> 00:39:56,200  
to be nails they had a metallic type of

814  
00:39:54,010 --> 00:39:59,860  
costumes on did not seem to have any

815  
00:39:56,199 --> 00:40:04,449  
openings or fastenings of any kind very

816  
00:39:59,860 --> 00:40:07,930  
large crystal blue eyes if you can call

817  
00:40:04,449 --> 00:40:12,489  
eyes crystal blue and several years

818  
00:40:07,929 --> 00:40:13,199  
before in my office one day appeared a

819  
00:40:12,489 --> 00:40:16,229  
space

820  
00:40:13,199 --> 00:40:18,960  
and it was similar to this being that

821  
00:40:16,230 --> 00:40:21,510  
these three things or the two beings

822  
00:40:18,960 --> 00:40:25,170  
that I had seen that was on the ship the

823  
00:40:21,510 --> 00:40:27,119  
trip was to the moon they put this type

824  
00:40:25,170 --> 00:40:29,970  
of helmet on it was like a plastic

825  
00:40:27,119 --> 00:40:32,280  
helmet or plexiglass and it had a rim

826  
00:40:29,969 --> 00:40:34,828  
all around it it was clear it was it was

827

00:40:32,280 --> 00:40:37,170  
a double glass or plexiglass or plastic

828  
00:40:34,829 --> 00:40:38,970  
it had little holes around and when they

829  
00:40:37,170 --> 00:40:40,710  
put this helmet on me it created an

830  
00:40:38,969 --> 00:40:43,019  
atmosphere around me that I could

831  
00:40:40,710 --> 00:40:44,579  
breathe because I had told them look

832  
00:40:43,019 --> 00:40:46,469  
we're on the moon I want to go out you

833  
00:40:44,579 --> 00:40:49,470  
can't bring me here and then not take me

834  
00:40:46,469 --> 00:40:53,250  
out on the moon so they put this device

835  
00:40:49,469 --> 00:40:56,848  
on me and as I walked it seemed that the

836  
00:40:53,250 --> 00:40:58,500  
surface kept it above ground so it

837  
00:40:56,849 --> 00:41:00,539  
functioned in this manner I don't know

838  
00:40:58,500 --> 00:41:02,789  
how it worked but they opened the door

839  
00:41:00,539 --> 00:41:04,529  
and lunch up one hand and one took the

840  
00:41:02,789 --> 00:41:07,320  
other hand and they took me outside and

841  
00:41:04,530 --> 00:41:09,030

I was so happy because they were handing

842

00:41:07,320 --> 00:41:09,510

it I was floating and they were holding

843

00:41:09,030 --> 00:41:12,210

me down

844

00:41:09,510 --> 00:41:14,430

they did not have problems walking on

845

00:41:12,210 --> 00:41:16,108

the moon they did not float they may

846

00:41:14,429 --> 00:41:20,068

have had something to hold them down I

847

00:41:16,108 --> 00:41:22,920

don't know because their boots were the

848

00:41:20,068 --> 00:41:25,529

same as their clothes but I walked

849

00:41:22,920 --> 00:41:27,358

around for a while and I wanted to walk

850

00:41:25,530 --> 00:41:29,579

and they held me down so I could walk in

851

00:41:27,358 --> 00:41:33,299

the dust like this and kick it up and so

852

00:41:29,579 --> 00:41:35,460

forth and we walked around awhile and

853

00:41:33,300 --> 00:41:38,460

then they gave me the message we have to

854

00:41:35,460 --> 00:41:40,980

go back and they took me back in took me

855

00:41:38,460 --> 00:41:43,030

off the I took the device off me I

856  
00:41:40,980 --> 00:41:45,940  
sat down and

857  
00:41:43,030 --> 00:41:48,400  
came back and it was when I got off the

858  
00:41:45,940 --> 00:41:51,400  
ship and then went back into the house

859  
00:41:48,400 --> 00:41:55,180  
it was 6:20 in the morning and I had

860  
00:41:51,400 --> 00:41:57,550  
left it approximately 2 o'clock I asked

861  
00:41:55,179 --> 00:41:59,859  
them how were they able to do this

862  
00:41:57,550 --> 00:42:02,800  
because I think our astronauts took a

863  
00:41:59,860 --> 00:42:04,900  
couple of days to get there and they

864  
00:42:02,800 --> 00:42:09,640  
said that we just did not understand

865  
00:42:04,900 --> 00:42:11,710  
that we were not technically advanced

866  
00:42:09,639 --> 00:42:16,119  
enough to understand how to go through

867

long been among the world's most active

UFO areas

914

Antonio Villas Boas is one of the most

916  
00:44:14,090 --> 00:44:22,160  
astonishing UFO stories on October the

917  
00:44:17,480 --> 00:44:24,769  
15th 1957 Antonio vs Boris was plowing

918  
00:44:22,159 --> 00:44:28,639  
on his farm when a ten meter long object

919  
00:44:24,769 --> 00:44:31,119  
landed near him to his surprise for

920  
00:44:28,639 --> 00:44:34,009  
helmeted creatures came out of the UFO

921  
00:44:31,119 --> 00:44:36,769  
they grabbed him by the arms and took

922  
00:44:34,010 --> 00:44:39,440  
him into the craft he was subjected to

923  
00:44:36,769 --> 00:44:40,969  
medical experiments which climaxed went

924  
00:44:39,440 --> 00:44:44,329  
into the room stepped an almost human

925  
00:44:40,969 --> 00:44:46,789  
female creature the creature undressed

926  
00:44:44,329 --> 00:44:47,920  
and Antonio found her extremely

927

00:44:46,789 --> 00:44:50,929

beautiful

928

00:44:47,920 --> 00:44:53,389

Thormann invited Antonio to have sexual

929

00:44:50,929 --> 00:44:56,440

intercourse the purpose of which was to

930

00:44:53,389 --> 00:44:59,659

cross a human with an alien being

931

00:44:56,440 --> 00:45:01,909

later the extraterrestrials returned to

932

00:44:59,659 --> 00:45:07,039

show him a small being Antonio's

933

00:45:01,909 --> 00:45:08,949

offspring Betty andreas son an American

934

00:45:07,039 --> 00:45:11,329

whose father was finished met

935

00:45:08,949 --> 00:45:15,379

extraterrestrials for the first time on

936

00:45:11,329 --> 00:45:17,840

January the 25th 1967 the beings came to

937

00:45:15,380 --> 00:45:20,809

her home and anesthetized her family

938

00:45:17,840 --> 00:45:23,269

they took Betty to a UFO which traveled

939

00:45:20,809 --> 00:45:27,230

to a completely strange place about

940

00:45:23,269 --> 00:45:30,019

which Betty remembers only fragments UFO

941

00:45:27,230 --> 00:45:32,659  
returned betty under hypnosis to the

942  
00:45:30,019 --> 00:45:34,699  
time of her UFO experience and she was

943  
00:45:32,659 --> 00:45:38,179  
able to recount her journey in detail

944  
00:45:34,699 --> 00:45:40,699  
Betty andreasson later told of UFO

945  
00:45:38,179 --> 00:45:42,858  
encounters during which she claims to

946  
00:45:40,699 --> 00:45:44,598  
have visited a center for crossbreeding

947  
00:45:42,858 --> 00:45:46,639  
humanoids with humans

948  
00:45:44,599 --> 00:45:49,460  
these pictures are based on betty

949  
00:45:46,639 --> 00:45:52,009  
andreas son's own recollections in some

950  
00:45:49,460 --> 00:45:53,929  
abduction cases the kidnapped people

951  
00:45:52,010 --> 00:45:55,940  
have gained the impression that the

952  
00:45:53,929 --> 00:45:58,719  
cross breeding experiments are not

953  
00:45:55,940 --> 00:46:01,970  
necessarily about developing mankind

954  
00:45:58,719 --> 00:46:04,219  
perhaps the most remarkable abductee is

955  
00:46:01,969 --> 00:46:07,759

the American writer Whitley Strieber

956

00:46:04,219 --> 00:46:09,858

he seriously considered suicide until he

957

00:46:07,760 --> 00:46:12,289

met Hopkins who told him that hundreds

958

00:46:09,858 --> 00:46:15,769

of others had met the same kinds of the

959

00:46:12,289 --> 00:46:19,190

infections the final bottom line really

960

00:46:15,769 --> 00:46:22,099

can't be guessed at yet we don't know

961

00:46:19,190 --> 00:46:23,630

what the ultimate goal is I would say

962

00:46:22,099 --> 00:46:25,940

there's no doubt in my mind at the

963

00:46:23,630 --> 00:46:28,849

center of it the focus is on a genetic

964

00:46:25,940 --> 00:46:32,289

experiment involving the creation of a

965

00:46:28,849 --> 00:46:35,960

hybrid of a mix of aliens and ourselves

966

00:46:32,289 --> 00:46:38,240

now what that would lead to what that

967

00:46:35,960 --> 00:46:40,429

means I have no idea they've been doing

968

00:46:38,239 --> 00:46:42,379

this for a long long time I just did an

969

00:46:40,429 --> 00:46:44,088

abduction hypnotic regression with

970  
00:46:42,380 --> 00:46:47,390  
Charles Hickson that involved in

971  
00:46:44,088 --> 00:46:50,028  
experience in 1939 so if we can say and

972  
00:46:47,389 --> 00:46:51,949  
I have number of 19 cases from the 30s

973  
00:46:50,028 --> 00:46:53,838  
if this has been going on for that long

974  
00:46:51,949 --> 00:46:56,419  
there's certainly been no warlike

975  
00:46:53,838 --> 00:46:58,068  
intentions I don't think anyone can

976  
00:46:56,420 --> 00:47:00,048  
point to anything in the environment of

977  
00:46:58,068 --> 00:47:01,909  
the world that would suggest anything

978  
00:47:00,048 --> 00:47:05,150  
evil or malevolent that's come in

979  
00:47:01,909 --> 00:47:07,818  
through the deliberate actions of the

980  
00:47:05,150 --> 00:47:10,338  
UFO occupants so they've been let's say

981  
00:47:07,818 --> 00:47:11,900  
peaceful for a long long time that would

982  
00:47:10,338 --> 00:47:14,119  
tend to make you feel there's no more

983  
00:47:11,900 --> 00:47:16,639  
like idea and I don't I don't really

984  
00:47:14,119 --> 00:47:18,260  
fear an invasion on the other hand of

985  
00:47:16,639 --> 00:47:20,960  
course you look at the world today

986  
00:47:18,260 --> 00:47:23,380  
they're wars raging here and there local

987  
00:47:20,960 --> 00:47:24,789  
wars there's AIDS a whole new crowd

988  
00:47:23,380 --> 00:47:28,390  
we have the environment is in terrible

989  
00:47:24,789 --> 00:47:30,940  
shape and nobody can point to anything

990  
00:47:28,389 --> 00:47:32,920  
in the world that aliens have helped I

991  
00:47:30,940 --> 00:47:34,480  
don't think there's anybody you could

992  
00:47:32,920 --> 00:47:36,579  
point to something and say here's a

993  
00:47:34,480 --> 00:47:38,619  
concrete example of intervention which

994  
00:47:36,579 --> 00:47:40,900  
has been assigned therefore friendliness

995  
00:47:38,619 --> 00:47:42,369  
they seem to be totally neutral they

996  
00:47:40,900 --> 00:47:43,150  
seem to be totally interested in their

997  
00:47:42,369 --> 00:47:44,619  
own agenda

998

00:47:43,150 --> 00:47:47,950  
they're not here to help us and

999  
00:47:44,619 --> 00:47:49,599  
apparently not here to harm us touching

1000  
00:47:47,949 --> 00:47:52,048  
about human beings that we are

1001  
00:47:49,599 --> 00:47:55,568  
gregarious by nature we love to

1002  
00:47:52,048 --> 00:47:57,068  
communicate and I always am touched by

1003  
00:47:55,568 --> 00:47:58,630  
the fact that there are scientists who

1004  
00:47:57,068 --> 00:48:01,028  
put on bathing suits and go downing

1005  
00:47:58,630 --> 00:48:03,009  
underwater tanks and talk to porpoises

1006  
00:48:01,028 --> 00:48:04,659  
except the purposes really don't talk

1007  
00:48:03,009 --> 00:48:06,400  
back very much there is some

1008  
00:48:04,659 --> 00:48:08,759  
communication but not as much as we

1009  
00:48:06,400 --> 00:48:08,759  
would like

1010  
00:48:10,730 --> 00:48:16,389  
UFO researchers have often compared the

1011  
00:48:14,210 --> 00:48:19,369  
relationship between people and whales

1012  
00:48:16,389 --> 00:48:23,118

with the relationship between humanoids

1013

00:48:19,369 --> 00:48:26,210

and people we know that whales have

1014

00:48:23,119 --> 00:48:28,640

brains as big as our own it may well be

1015

00:48:26,210 --> 00:48:31,099

that mutual caution and limited

1016

00:48:28,639 --> 00:48:34,190

communication stem from the same reason

1017

00:48:31,099 --> 00:48:38,720

in both cases is it for us to teach the

1018

00:48:34,190 --> 00:48:41,179

whales dolphins c'mon water one of the

1019

00:48:38,719 --> 00:48:44,659

world's basic elements noticeably better

1020

00:48:41,179 --> 00:48:46,879

and more harmoniously than people who

1021

00:48:44,659 --> 00:48:49,309

throw out their history have destroyed

1022

00:48:46,880 --> 00:48:51,650

their own kind and at this very moment

1023

00:48:49,309 --> 00:48:54,019

are threatening the life of the whole

1024

00:48:51,650 --> 00:48:55,970

planet I think there are many different

1025

00:48:54,019 --> 00:48:57,920

reasons for aliens to be interested in

1026

00:48:55,969 --> 00:49:00,049

what's happening on earth and one of my

1027  
00:48:57,920 --> 00:49:02,240  
papers I have 25 different ones but I

1028  
00:49:00,050 --> 00:49:04,220  
think the most important reason for any

1029  
00:49:02,239 --> 00:49:06,618  
alien civilization in the neighborhood

1030  
00:49:04,219 --> 00:49:08,299  
to be concerned about us is that at the

1031  
00:49:06,619 --> 00:49:12,530  
end of world war two it was perfectly

1032  
00:49:08,300 --> 00:49:13,940  
obvious that we Earthlings would soon be

1033  
00:49:12,530 --> 00:49:16,519  
going to the stars

1034  
00:49:13,940 --> 00:49:19,429  
because of atom bombs rockets and

1035  
00:49:16,519 --> 00:49:20,960  
powerful radar our new technology would

1036  
00:49:19,429 --> 00:49:22,549  
lead us to the stars within a hundred

1037  
00:49:20,960 --> 00:49:25,068  
years which is nothing on a cosmic

1038  
00:49:22,550 --> 00:49:26,568  
timescale so if we make one assumption

1039  
00:49:25,068 --> 00:49:29,239  
about aliens that they're concerned with

1040  
00:49:26,568 --> 00:49:31,130  
their own survival and security we would

1041  
00:49:29,239 --> 00:49:33,739  
expect them to want to check out all

1042  
00:49:31,130 --> 00:49:35,780  
primitive societies in the local

1043  
00:49:33,739 --> 00:49:37,489  
neighborhood and surely from their

1044  
00:49:35,780 --> 00:49:39,519  
viewpoint we are a primitive society

1045  
00:49:37,489 --> 00:49:41,568  
whose major activity is tribal warfare

1046  
00:49:39,519 --> 00:49:44,329  
so I think they're coming here for their

1047  
00:49:41,568 --> 00:49:46,429  
own purposes to make sure that we don't

1048  
00:49:44,329 --> 00:49:49,869  
bring to them our brand of friendship

1049  
00:49:46,429 --> 00:49:52,149  
which they would call hostility I think

1050  
00:49:49,869 --> 00:49:54,369  
okay mr. Friedman but can you tell us

1051  
00:49:52,150 --> 00:49:56,920  
why only a few scientists are interested

1052  
00:49:54,369 --> 00:49:58,358  
in you for research I think they're more

1053  
00:49:56,920 --> 00:50:01,028  
than you might expect I've talked to

1054  
00:49:58,358 --> 00:50:02,828  
many professional groups about UFOs and

1055

00:50:01,028 --> 00:50:04,358  
I find there's a lot of interest I think

1056  
00:50:02,829 --> 00:50:06,548  
the biggest problem though and I wish

1057  
00:50:04,358 --> 00:50:08,498  
there were a lot more is that most

1058  
00:50:06,548 --> 00:50:10,119  
scientists are unacquainted with the

1059  
00:50:08,498 --> 00:50:11,828  
large scale scientific studies that

1060  
00:50:10,119 --> 00:50:13,809  
would lead them to believe that most you

1061  
00:50:11,829 --> 00:50:16,778  
up there some UFOs are alien spacecraft

1062  
00:50:13,809 --> 00:50:18,249  
so I'd like to see more join me but most

1063  
00:50:16,778 --> 00:50:23,278  
of them have jobs to do and worry about

1064  
00:50:18,248 --> 00:50:23,278  
ridicule the laughter curtain is real

1065  
00:50:45,659 --> 00:50:48,659  
gentleman
