status check to proceed with terminal

count respond go now go atlas systems

propulsion go hydraulics go pneumatics

go ello to go water go sent our systems

propulsion go Maddox go hello to go LH

to go ask ass go electrical systems

airborne go ground go Saudi go or FFT ya

go flight control go com go timer go

shake you go umbilicals go yes yes oh

I'd lime honor go quality go op safety

manager go your life safety officer go

vehicle system engineer yeah of course

just an engineer net 1 Roger I'm not

like you acs go range coordinator clear
to proceed launch director launch
director is go and your permission to
launch proceeding with account
