Hi. This is Charlie Bolden.

As we reach the home stretch of this holiday season… I wanted to take this opportunity to thank everyone for their generous support of the Combined Federal Campaign.

The C-F-C allows each of us to play an important role in helping our children… our neighbors… and even our fellow members of the NASA family.

As I told you earlier this season… you can reach more than 4 thousand charities through the C-F-C.

They benefit many important needs such as healthcare… education… safety… all through the world’s largest and most successful annual workplace charity campaign.

I know these are tough times.

And it’s tempting to turn inward and stay focused on the challenges and needs at home.

But it is through your generosity and the giving spirit of your co-workers that give
so many people hope for a brighter future.

Someone once said...Blessed is the season which engages the whole world in a conspiracy of love.

You have an opportunity to be a part of that conspiracy...to step up and make a real difference in someone's life.

For those of you who have already shown their support for the C-F-C...thank you.

For those of you who have yet to join your colleagues...you still have time.

The C-F-C campaign has been extended until January 15.

Instructions on how you can get involved can be found on the Inside NASA website.

Again...I want to personally thank each of you in for your contributions and your consideration this holiday season.

Make your pledge today.
Thank you.
