[Music]

the situation is go for landing

fine out here give me an order big baby

salute then out they ate he's never seen

a driver like this okay when he hits the

crater if it starts baths and it's when

he didn't fail well as I saw it was a

great first flight and I was really

lucky to have Bob Crippen with me then

we sure learned a lot in the first one

well I mean now all the flights I had
was a lot of fun and I learned a lot

from each one a minute

I think what we're doing is extremely important to us extremely important extremely important to the future of this country and to the future of the great gang that we all belong to the human race [Music]
