

1  
00:00:16,739 --> 00:00:23,820  
welcome to shattered reality with their

2  
00:00:20,230 --> 00:00:26,800  
hosts kate valentine and Farrugia

3  
00:00:23,820 --> 00:00:31,838  
prepare to have your paradigms shifted

4  
00:00:26,800 --> 00:00:37,270  
into truths questioned and now shattered

5  
00:00:31,838 --> 00:00:39,689  
reality hey there Kate how are you today

6  
00:00:37,270 --> 00:00:44,230  
I'm pretty good very good actually

7  
00:00:39,689 --> 00:00:46,000  
purusha and I know for our listeners

8  
00:00:44,229 --> 00:00:48,819  
they just should know it's been a really

9  
00:00:46,000 --> 00:00:51,719  
sort of an unusual weather afternoon oh

10  
00:00:48,820 --> 00:00:55,980  
yes here in the new york new jersey area

11  
00:00:51,719 --> 00:00:59,799  
we are having a lot of rain

12  
00:00:55,979 --> 00:01:01,928  
intermittently wins it's really kind of

13  
00:00:59,799 --> 00:01:05,140  
screwing up traffic which affects all of

14  
00:01:01,929 --> 00:01:06,969  
us coming here to do shattered reality

15  
00:01:05,140 --> 00:01:10,420  
yeah how are how is the weather by you

16  
00:01:06,969 --> 00:01:13,060  
Alex you know I don't want to brag but

17  
00:01:10,420 --> 00:01:15,430  
we're in San Diego it's always beautiful

18  
00:01:13,060 --> 00:01:17,200  
and it's beautiful today it's especially

19  
00:01:15,430 --> 00:01:20,470  
beautiful today but I grew up in Chicago

20  
00:01:17,200 --> 00:01:23,079  
so I ok ok through my share of bad

21  
00:01:20,469 --> 00:01:29,640  
weather so I deserve this well this is

22  
00:01:23,078 --> 00:01:34,989  
our podcast number 14 we started out in

23  
00:01:29,640 --> 00:01:38,829  
November of 2014 and and now this is the

24  
00:01:34,989 --> 00:01:41,379  
14th show that we've done and we are

25  
00:01:38,828 --> 00:01:46,599  
really really really pleased to welcome

26  
00:01:41,379 --> 00:01:53,408  
a veteran of podcasting mr. Alex Icarus

27  
00:01:46,599 --> 00:01:56,769  
and his wonderful podcast is skeptic oh

28  
00:01:53,409 --> 00:02:03,189  
and i highly recommend it highly highly

29

00:01:56,769 --> 00:02:08,379  
recommended he has done 279 podcasts

30  
00:02:03,188 --> 00:02:13,959  
since 2007 and i have to tell him he has

31  
00:02:08,379 --> 00:02:17,169  
done a lot of heavy lifting for us yes

32  
00:02:13,959 --> 00:02:18,379  
indeed because he has done something

33  
00:02:17,169 --> 00:02:20,869  
that I don't

34  
00:02:18,379 --> 00:02:24,169  
that I can do myself maybe I'd surprise

35  
00:02:20,870 --> 00:02:27,099  
myself one day but fighting that the

36  
00:02:24,169 --> 00:02:32,629  
bunkers fighting the debunkers on a

37  
00:02:27,099 --> 00:02:36,289  
number of areas he has really come to

38  
00:02:32,629 --> 00:02:42,680  
the aid of many people in consciousness

39  
00:02:36,289 --> 00:02:45,469  
research specifically but beyond that he

40  
00:02:42,680 --> 00:02:48,530  
has defended a lot of people even

41  
00:02:45,469 --> 00:02:52,039  
against the being blackballed by the TED

42  
00:02:48,530 --> 00:02:53,629  
talks and I want to mention here Alex I

43  
00:02:52,039 --> 00:02:56,659

should let you get a word in edgewise

44

00:02:53,629 --> 00:02:59,629

but just in regards to that please

45

00:02:56,659 --> 00:03:01,849

include Russell Targ my dear friend

46

00:02:59,629 --> 00:03:04,219

Russell Targ that one of the founders of

47

00:03:01,849 --> 00:03:08,180

remote viewing who has also been

48

00:03:04,219 --> 00:03:09,919

blackballed by ted talks you know I've

49

00:03:08,180 --> 00:03:11,480

just made a little note to do that

50

00:03:09,919 --> 00:03:14,329

Farrugia thank you very much for that

51

00:03:11,479 --> 00:03:17,209

nice introduction and we should be clear

52

00:03:14,330 --> 00:03:19,730

you know I'm not defending anyone or I

53

00:03:17,210 --> 00:03:21,950

mean I'm just following my nose and

54

00:03:19,729 --> 00:03:24,079

doing what's obvious and I think what

55

00:03:21,949 --> 00:03:26,869

you're alluding to is quite true if

56

00:03:24,080 --> 00:03:28,550

someone's just fair-minded and looks at

57

00:03:26,870 --> 00:03:30,590

these cases that were bringing delight

58  
00:03:28,550 --> 00:03:32,000  
it's not a matter of taking one side or

59  
00:03:30,590 --> 00:03:35,120  
another it's just taking the sight of

60  
00:03:32,000 --> 00:03:39,259  
honesty and truth so Russell Targ is a

61  
00:03:35,120 --> 00:03:40,909  
fabulous researcher brilliant mind I've

62  
00:03:39,259 --> 00:03:43,819  
interviewed interview him a long time

63  
00:03:40,909 --> 00:03:45,770  
ago on skeptic oh and his words have

64  
00:03:43,819 --> 00:03:47,750  
stuck with me for a lot for a long time

65  
00:03:45,770 --> 00:03:49,340  
he's written some excellent books and

66  
00:03:47,750 --> 00:03:50,689  
has been way out ahead of the curve a

67  
00:03:49,340 --> 00:03:53,000  
lot of times on a lot of these issues so

68  
00:03:50,689 --> 00:03:56,719  
thanks for bringing that up and yet

69  
00:03:53,000 --> 00:03:59,810  
another another black mark against our

70  
00:03:56,719 --> 00:04:02,500  
friends at Ted and their ideas worth

71  
00:03:59,810 --> 00:04:05,420  
sharing and protecting and censoring

72  
00:04:02,500 --> 00:04:07,550  
yeah the censoring is a little bit much

73  
00:04:05,419 --> 00:04:09,949  
if you can't show any edge science

74  
00:04:07,550 --> 00:04:14,480  
what's the point of repeating the same

75  
00:04:09,949 --> 00:04:17,149  
old stuff and and speaking of russell i

76  
00:04:14,479 --> 00:04:20,988  
am going to be seeing him this weekend

77  
00:04:17,149 --> 00:04:22,639  
in New Orleans I hope when I am at the

78  
00:04:20,988 --> 00:04:26,478  
International of remote viewers

79  
00:04:22,639 --> 00:04:29,060  
Association convention come symposium

80  
00:04:26,478 --> 00:04:32,248  
whatever and he is there going to be

81  
00:04:29,060 --> 00:04:33,749  
presenting his movie which the title

82  
00:04:32,249 --> 00:04:36,449  
love which remains unknown to me

83  
00:04:33,749 --> 00:04:39,809  
presently but he's presenting the movie

84  
00:04:36,449 --> 00:04:43,439  
which is his rebuttal to the TED Talks

85  
00:04:39,809 --> 00:04:44,609  
debacle great well thanks for bringing

86

00:04:43,439 --> 00:04:46,409  
that to my attention I just made another

87  
00:04:44,608 --> 00:04:48,658  
note i'm going to check that it may be a

88  
00:04:46,408 --> 00:04:53,009  
big good time for me to follow up with

89  
00:04:48,658 --> 00:04:55,618  
dr Targ and and get him on get him on

90  
00:04:53,009 --> 00:04:57,389  
get him on skeptic oh yeah you know what

91  
00:04:55,619 --> 00:05:00,269  
now that I mention it you know i have

92  
00:04:57,389 --> 00:05:01,978  
not had him on skeptical so i have to

93  
00:05:00,269 --> 00:05:04,319  
double check myself you know i was

94  
00:05:01,978 --> 00:05:06,360  
thinking of charles tart charles is a

95  
00:05:04,319 --> 00:05:08,459  
wonderful fellow too wonderful guy too

96  
00:05:06,360 --> 00:05:10,499  
but I just got the two confused in my

97  
00:05:08,459 --> 00:05:13,528  
mind but of course Russell Targ from

98  
00:05:10,499 --> 00:05:16,110  
Stanford Research Institute who has just

99  
00:05:13,528 --> 00:05:19,019  
just did amazing work with the Stargate

100  
00:05:16,110 --> 00:05:20,699

project and you know their history is

101

00:05:19,019 --> 00:05:22,588

really interesting right I don't know if

102

00:05:20,699 --> 00:05:24,778

you've covered him on the show but there

103

00:05:22,588 --> 00:05:26,908

were a couple of guys who are just you

104

00:05:24,778 --> 00:05:28,678

know Targ has this amazing scientific

105

00:05:26,908 --> 00:05:32,129

background before he ever gets involved

106

00:05:28,678 --> 00:05:34,798

in this crazy remote viewing suddenly

107

00:05:32,129 --> 00:05:35,968

absolutely world-renowned in his field i

108

00:05:34,798 --> 00:05:39,959

forget what his field you remember what

109

00:05:35,968 --> 00:05:42,748

is I know all about his background he

110

00:05:39,959 --> 00:05:44,699

comes from the same area of the village

111

00:05:42,749 --> 00:05:47,369

where I have lived for a number of years

112

00:05:44,699 --> 00:05:51,209

in the East sort of central east village

113

00:05:47,369 --> 00:05:53,429

and his background one of the things

114

00:05:51,209 --> 00:05:56,418

that he did before he got involved with

115  
00:05:53,428 --> 00:06:00,708  
remote viewing is he got involved with

116  
00:05:56,418 --> 00:06:06,269  
airplanes and he had a way to improve

117  
00:06:00,709 --> 00:06:08,548  
the the sensing systems on on airplanes

118  
00:06:06,269 --> 00:06:11,939  
that would have prevented many crashes

119  
00:06:08,548 --> 00:06:14,638  
from happening but the airlines don't

120  
00:06:11,939 --> 00:06:18,329  
want to spend the money on instituting

121  
00:06:14,639 --> 00:06:20,069  
his very reasonable system of preventing

122  
00:06:18,329 --> 00:06:22,139  
certain crashes and that's something to

123  
00:06:20,069 --> 00:06:27,059  
look up and you know he really needs to

124  
00:06:22,139 --> 00:06:29,728  
be lauded in his efforts absolutely yeah

125  
00:06:27,059 --> 00:06:32,879  
like real but in guy that research was

126  
00:06:29,728 --> 00:06:36,088  
amazing wasn't it I mean I did do a

127  
00:06:32,879 --> 00:06:37,769  
couple of shows about that stanford

128  
00:06:36,088 --> 00:06:39,899  
research institute that they bet did

129  
00:06:37,769 --> 00:06:43,019  
back in the sixties remember with Uri

130  
00:06:39,899 --> 00:06:44,230  
Geller and then they also did with Joe

131  
00:06:43,019 --> 00:06:47,769  
mechanical

132  
00:06:44,230 --> 00:06:50,290  
yo mcmonagle is a is also a kind of a

133  
00:06:47,769 --> 00:06:51,969  
friend of mine he's with the monroe

134  
00:06:50,290 --> 00:06:54,160  
institute where i'm a member of the

135  
00:06:51,970 --> 00:06:56,350  
Professional Division and we've had a

136  
00:06:54,160 --> 00:06:58,540  
lot of interesting conversations Joe

137  
00:06:56,350 --> 00:07:01,020  
mcmonagle and I and his wife scooter who

138  
00:06:58,540 --> 00:07:03,430  
is a wonderful astrologer as well as the

139  
00:07:01,019 --> 00:07:05,799  
director of the monroe institute and

140  
00:07:03,430 --> 00:07:07,900  
you've had joe on which kudos to you for

141  
00:07:05,800 --> 00:07:10,930  
that well you know what i thought was

142  
00:07:07,899 --> 00:07:13,209  
just amazing about Joe's story just to

143

00:07:10,930 --> 00:07:17,050  
recap for anyone who hasn't heard it you

144  
00:07:13,209 --> 00:07:21,250  
know so Joe mechanical psychic spy

145  
00:07:17,050 --> 00:07:22,629  
number one and his he I don't know you

146  
00:07:21,250 --> 00:07:25,750  
probably know this from talking to him

147  
00:07:22,629 --> 00:07:28,029  
but he actually got into this by having

148  
00:07:25,750 --> 00:07:30,819  
a near-death experience absolutely I

149  
00:07:28,029 --> 00:07:33,089  
mean he was a spy if I can retell the

150  
00:07:30,819 --> 00:07:35,560  
story without messing it up off a memory

151  
00:07:33,089 --> 00:07:38,649  
he's working on the East Germany West

152  
00:07:35,560 --> 00:07:40,569  
Germany border and he's a spy a real spy

153  
00:07:38,649 --> 00:07:43,179  
like is he in the movies and he's at

154  
00:07:40,569 --> 00:07:45,279  
this restaurant in all of a sudden right

155  
00:07:43,180 --> 00:07:47,860  
on the border and all of a sudden he

156  
00:07:45,279 --> 00:07:49,689  
starts choking really bad he doesn't

157  
00:07:47,860 --> 00:07:52,770

know what's going on he stumbles to his

158

00:07:49,689 --> 00:07:56,290

feet stumbles outside the door and dies

159

00:07:52,769 --> 00:07:58,599

yes and they pick him up they call

160

00:07:56,290 --> 00:08:00,340

military security that get him there

161

00:07:58,600 --> 00:08:02,350

they're racing him to a hospital and

162

00:08:00,339 --> 00:08:04,359

meanwhile he's having a full-blown

163

00:08:02,350 --> 00:08:05,980

near-death experience he's outside of

164

00:08:04,360 --> 00:08:08,650

his body he's looking down at the

165

00:08:05,980 --> 00:08:10,930

ambulance classic near-death experience

166

00:08:08,649 --> 00:08:13,419

they're resuscitating than all this so

167

00:08:10,930 --> 00:08:16,240

as an aside one thing he later finds out

168

00:08:13,420 --> 00:08:19,480

or at least strongly suspects is that he

169

00:08:16,240 --> 00:08:21,490

was poisoned by the East Germans this is

170

00:08:19,480 --> 00:08:23,620

an attempt to get him but it's really

171

00:08:21,490 --> 00:08:24,660

this intriguing story but he goes

172  
00:08:23,620 --> 00:08:27,970  
through and he has this amazing

173  
00:08:24,660 --> 00:08:30,820  
near-death experience he recovers and is

174  
00:08:27,970 --> 00:08:32,320  
immediately surrounded by military

175  
00:08:30,819 --> 00:08:35,168  
intelligence officers who want to

176  
00:08:32,320 --> 00:08:37,390  
debrief him and he says hey Manny know

177  
00:08:35,168 --> 00:08:39,909  
this I was outside of my body what's

178  
00:08:37,389 --> 00:08:42,009  
going on data so they interrogate him

179  
00:08:39,909 --> 00:08:43,779  
like endlessly they don't know what's

180  
00:08:42,009 --> 00:08:45,519  
going on but you know they have an

181  
00:08:43,779 --> 00:08:47,139  
interest now they don't know what's

182  
00:08:45,519 --> 00:08:49,389  
going on this is all it becomes an

183  
00:08:47,139 --> 00:08:52,330  
intelligence matter but what I found

184  
00:08:49,389 --> 00:08:55,149  
fascinating Persian and is the part of

185  
00:08:52,330 --> 00:08:58,000  
the story when later in his career much

186  
00:08:55,149 --> 00:09:00,519  
later in his career he shall

187  
00:08:58,000 --> 00:09:01,870  
up in front of Russell Targ at Stanford

188  
00:09:00,519 --> 00:09:05,019  
Research Institute and they're going to

189  
00:09:01,870 --> 00:09:08,080  
do this remote viewing spying program

190  
00:09:05,019 --> 00:09:10,870  
and he's been selected to do it and his

191  
00:09:08,080 --> 00:09:15,030  
file is sealed with this like red top

192  
00:09:10,870 --> 00:09:19,299  
secret tape and when Targ cracks it open

193  
00:09:15,029 --> 00:09:22,509  
inside is a copy of Raymond bood Raymond

194  
00:09:19,299 --> 00:09:25,539  
Moody's famous book on near-death

195  
00:09:22,509 --> 00:09:28,990  
experience so it just it goes to show

196  
00:09:25,539 --> 00:09:31,839  
you two things one is that this extended

197  
00:09:28,990 --> 00:09:34,810  
consciousness both near-death experience

198  
00:09:31,840 --> 00:09:36,519  
and remote viewing is connected a number

199  
00:09:34,809 --> 00:09:38,349  
to the government is known it all along

200

00:09:36,519 --> 00:09:40,870  
they've understood the connection

201  
00:09:38,350 --> 00:09:42,550  
they've seen it it really makes you

202  
00:09:40,870 --> 00:09:45,759  
wonder back circling back to your

203  
00:09:42,549 --> 00:09:48,069  
original point you know how much they

204  
00:09:45,759 --> 00:09:51,220  
are really trying to rig the game and

205  
00:09:48,070 --> 00:09:55,360  
influence things when you see this you

206  
00:09:51,220 --> 00:09:57,220  
know public science stat a position

207  
00:09:55,360 --> 00:09:58,860  
statement that's being taken all that's

208  
00:09:57,220 --> 00:10:01,269  
ridiculous that can't ever happen

209  
00:09:58,860 --> 00:10:03,070  
baloney they know it they've always

210  
00:10:01,269 --> 00:10:05,879  
known about they've known about it for a

211  
00:10:03,070 --> 00:10:08,620  
lot longer than these so-called

212  
00:10:05,879 --> 00:10:10,779  
cutting-edge consciousness researchers

213  
00:10:08,620 --> 00:10:12,519  
have they're on top of it and it's

214  
00:10:10,779 --> 00:10:15,490

happened yes well I have a couple of

215

00:10:12,519 --> 00:10:19,179

things to say to that I'm I ninety-five

216

00:10:15,490 --> 00:10:23,019

percent agree with you um what I would

217

00:10:19,179 --> 00:10:25,929

say to that is number one yes many of

218

00:10:23,019 --> 00:10:28,360

those people know about it and my first

219

00:10:25,929 --> 00:10:29,769

remote viewing teacher mr. David

220

00:10:28,360 --> 00:10:31,690

Morehouse I haven't seen him in a long

221

00:10:29,769 --> 00:10:34,689

time but he was the first person i

222

00:10:31,690 --> 00:10:37,870

studied remote viewing with he was also

223

00:10:34,690 --> 00:10:40,480

a sort of battle casualty in the near

224

00:10:37,870 --> 00:10:43,029

east where he had a you know an injury

225

00:10:40,480 --> 00:10:44,460

he had some kind of a blast and also my

226

00:10:43,029 --> 00:10:47,009

memory has to serve me correctly

227

00:10:44,460 --> 00:10:50,490

somewhat sort of a blast during

228

00:10:47,009 --> 00:10:54,039

maneuvers in the Arabian Peninsula

229  
00:10:50,490 --> 00:10:56,710  
somewhere and he saw you know these

230  
00:10:54,039 --> 00:10:58,779  
beings or this particular being which

231  
00:10:56,710 --> 00:11:01,240  
was like Mar Duke or something of that

232  
00:10:58,779 --> 00:11:05,049  
nature i I'm giving it the name he

233  
00:11:01,240 --> 00:11:08,230  
didn't and he also became a member a

234  
00:11:05,049 --> 00:11:11,769  
later in the game than Joe mcmonagle who

235  
00:11:08,230 --> 00:11:14,409  
was double 0 1 and the remote viewers

236  
00:11:11,769 --> 00:11:18,489  
a pile there and they were recruiting

237  
00:11:14,409 --> 00:11:20,649  
guys you know skip Atwater and the other

238  
00:11:18,489 --> 00:11:23,470  
recruiters they were recruiting people

239  
00:11:20,649 --> 00:11:26,289  
from having had these instances and

240  
00:11:23,470 --> 00:11:29,739  
sending them off to be trained in remote

241  
00:11:26,289 --> 00:11:31,808  
viewing that being said so we had a we

242  
00:11:29,739 --> 00:11:37,569  
had wonderful guests our last time which

243  
00:11:31,808 --> 00:11:41,980  
was a young woman which is a dr john be

244  
00:11:37,568 --> 00:11:44,048  
Alexander former colonel and he makes

245  
00:11:41,980 --> 00:11:46,269  
this point which everybody has to keep

246  
00:11:44,048 --> 00:11:50,249  
in mind and we all slip on this point

247  
00:11:46,269 --> 00:11:52,839  
the government is not a monolithic

248  
00:11:50,249 --> 00:11:55,778  
society you've got people with in

249  
00:11:52,839 --> 00:11:57,339  
different departments different agencies

250  
00:11:55,778 --> 00:12:02,289  
they believe all sorts of different

251  
00:11:57,339 --> 00:12:05,559  
things but John Alexander studied what

252  
00:12:02,289 --> 00:12:08,469  
he thought he had a what was the name of

253  
00:12:05,558 --> 00:12:11,738  
his Kate I'm sorry I'm drawing a blank

254  
00:12:08,470 --> 00:12:14,970  
ok he had a while examiner yes yes he

255  
00:12:11,739 --> 00:12:19,778  
had a group called the Applied Physics

256  
00:12:14,970 --> 00:12:21,639  
theoretical theoretical physics in order

257

00:12:19,778 --> 00:12:23,588  
to keep it under the radar and they

258  
00:12:21,639 --> 00:12:26,289  
studied UFOs in what the government

259  
00:12:23,589 --> 00:12:30,009  
knows about UFOs but that was just UFOs

260  
00:12:26,289 --> 00:12:31,838  
as one part of the picture one thread

261  
00:12:30,009 --> 00:12:34,329  
but it was a prime example of how

262  
00:12:31,839 --> 00:12:36,490  
government can be manipulated right and

263  
00:12:34,328 --> 00:12:39,099  
if you intercede the beginning of his

264  
00:12:36,490 --> 00:12:42,519  
book it's kind of like the beginning of

265  
00:12:39,100 --> 00:12:45,399  
his book tells us that and I believe him

266  
00:12:42,519 --> 00:12:47,470  
on this point certainly that you know

267  
00:12:45,399 --> 00:12:50,678  
the government is not a monolithic thing

268  
00:12:47,470 --> 00:12:52,749  
and some people in government know some

269  
00:12:50,678 --> 00:12:55,178  
stuff other people believe the exact

270  
00:12:52,749 --> 00:12:57,189  
opposite all government employees some

271  
00:12:55,178 --> 00:12:59,889

of them very high up you know what I

272

00:12:57,188 --> 00:13:01,808

mean Alex yeah but oh boy I mean don't

273

00:12:59,889 --> 00:13:04,058

get me started on Colonel Alexander who

274

00:13:01,808 --> 00:13:05,469

seems like a very nice guy in a smart

275

00:13:04,058 --> 00:13:09,028

guy I don't want to put him down in any

276

00:13:05,470 --> 00:13:11,769

way very high it seems like his logic is

277

00:13:09,028 --> 00:13:14,019

completely backwards I mean what the net

278

00:13:11,769 --> 00:13:15,879

of what I hear i'm saying is that ok

279

00:13:14,019 --> 00:13:18,068

it's not a monolith different people no

280

00:13:15,879 --> 00:13:19,600

different things but since i don't know

281

00:13:18,068 --> 00:13:21,068

any of this stuff then it couldn't have

282

00:13:19,600 --> 00:13:23,949

happened because i would have crossed my

283

00:13:21,068 --> 00:13:25,419

desk yeah total yeah so many

284

00:13:23,948 --> 00:13:28,049

things that he claims did

285

00:13:25,419 --> 00:13:31,269

happen we have so much so many

286  
00:13:28,049 --> 00:13:33,129  
contradictory eyewitnesses for that it's

287  
00:13:31,269 --> 00:13:34,139  
it's really kind of ridiculous and the

288  
00:13:33,129 --> 00:13:36,220  
other thing I mean his whole

289  
00:13:34,139 --> 00:13:38,169  
compartmentalization thing is which has

290  
00:13:36,220 --> 00:13:41,050  
been well established in the military

291  
00:13:38,169 --> 00:13:43,599  
intelligence field really works against

292  
00:13:41,049 --> 00:13:46,059  
him no Colonel Alexander you wouldn't

293  
00:13:43,600 --> 00:13:48,210  
know if they didn't want you to know and

294  
00:13:46,059 --> 00:13:50,289  
the fact that again that is to say that

295  
00:13:48,210 --> 00:13:51,940  
different people no different things

296  
00:13:50,289 --> 00:13:54,939  
well that suggests some kind of

297  
00:13:51,940 --> 00:13:57,040  
hierarchy that there is an order to that

298  
00:13:54,940 --> 00:13:59,800  
hierarchy and up above that hierarchy

299  
00:13:57,039 --> 00:14:01,539  
there's some people but no I don't want

300  
00:13:59,799 --> 00:14:03,519  
to say everything but maybe almost

301  
00:14:01,539 --> 00:14:06,009  
everything that would be interesting to

302  
00:14:03,519 --> 00:14:07,840  
talk to those folks you know I don't

303  
00:14:06,009 --> 00:14:09,610  
think they would talk to us no they

304  
00:14:07,840 --> 00:14:12,160  
wouldn't talk that I mean it's they

305  
00:14:09,610 --> 00:14:14,590  
wouldn't only a little bit above doing

306  
00:14:12,159 --> 00:14:17,919  
something like that and worse yet you

307  
00:14:14,590 --> 00:14:19,780  
will never know who they is well it's

308  
00:14:17,919 --> 00:14:22,360  
not only that they wouldn't talk to us

309  
00:14:19,779 --> 00:14:25,389  
they don't have they would talk to us

310  
00:14:22,360 --> 00:14:27,940  
and they would deliberately miss inform

311  
00:14:25,389 --> 00:14:31,299  
us disinformation deliberately

312  
00:14:27,940 --> 00:14:33,190  
disinformation obfuscation I mean this

313  
00:14:31,299 --> 00:14:36,189  
is the history anyone who doesn't

314

00:14:33,190 --> 00:14:38,140  
believe in conspiracy theories I I've

315  
00:14:36,190 --> 00:14:41,020  
gone over the so many times it's like I

316  
00:14:38,139 --> 00:14:42,669  
always tell my own just personal life

317  
00:14:41,019 --> 00:14:45,819  
story of you know when I first took a

318  
00:14:42,669 --> 00:14:48,549  
job out of college I worked for a really

319  
00:14:45,820 --> 00:14:50,590  
well-respected accounting firm and I was

320  
00:14:48,549 --> 00:14:52,659  
just a little minion I was down at the

321  
00:14:50,590 --> 00:14:54,490  
bottom doing information systems

322  
00:14:52,659 --> 00:14:57,100  
consulting I was a computer programmer

323  
00:14:54,490 --> 00:14:59,889  
take but there were no conspiracies I

324  
00:14:57,100 --> 00:15:01,540  
was told to go to Ralston Purina and to

325  
00:14:59,889 --> 00:15:03,370  
be a part of this information systems

326  
00:15:01,539 --> 00:15:06,039  
audit I was told to go to anheuser-busch

327  
00:15:03,370 --> 00:15:08,740  
and you know that life was very simple

328  
00:15:06,039 --> 00:15:12,189

it seemed very simple to me as I

329

00:15:08,740 --> 00:15:14,230

advanced in my career and then as I had

330

00:15:12,190 --> 00:15:16,480

my own company and as I was in the

331

00:15:14,230 --> 00:15:18,519

process of putting together larger deals

332

00:15:16,480 --> 00:15:21,399

or selling my company to a publicly

333

00:15:18,519 --> 00:15:24,340

traded company my god everything was a

334

00:15:21,399 --> 00:15:25,389

conspiracy right everything was don't

335

00:15:24,340 --> 00:15:26,889

let that guy know in this this

336

00:15:25,389 --> 00:15:28,689

information get together with our

337

00:15:26,889 --> 00:15:31,419

lawyers what are their know everything

338

00:15:28,690 --> 00:15:34,210

is a conspiracy at that level so it's

339

00:15:31,419 --> 00:15:36,039

just people who deny conspiracy theories

340

00:15:34,210 --> 00:15:38,440

are just naive about how the world works

341

00:15:36,039 --> 00:15:39,399

yes if you work pulling up milkshakes at

342

00:15:38,440 --> 00:15:40,840

McDonald's

343  
00:15:39,399 --> 00:15:42,970  
oh there aren't a lot of conspiracies

344  
00:15:40,840 --> 00:15:45,100  
but when there are a lot of money and

345  
00:15:42,970 --> 00:15:46,990  
power and thawed everything is a

346  
00:15:45,100 --> 00:15:49,720  
conspiracy I mean even now there duh

347  
00:15:46,990 --> 00:15:51,100  
they're conspiring to get fifteen

348  
00:15:49,720 --> 00:15:53,500  
dollars an hour that's a total

349  
00:15:51,100 --> 00:15:55,720  
conspiracy it's I mean you can go from

350  
00:15:53,500 --> 00:15:58,090  
the Latin con spero with hope I mean

351  
00:15:55,720 --> 00:15:59,710  
three people with wealth and power get

352  
00:15:58,090 --> 00:16:02,170  
together to keep wealth and power what's

353  
00:15:59,710 --> 00:16:04,900  
the big deal the thing the thing is

354  
00:16:02,169 --> 00:16:07,599  
though what stops him is something like

355  
00:16:04,899 --> 00:16:10,779  
yourself certainly skeptics have a long

356  
00:16:07,600 --> 00:16:12,820  
history in human history and how did you

357  
00:16:10,779 --> 00:16:15,220  
come into from accounting to become a

358  
00:16:12,820 --> 00:16:16,810  
skeptical well I wasn't really an

359  
00:16:15,220 --> 00:16:20,769  
accountant i was in information systems

360  
00:16:16,809 --> 00:16:23,669  
guy okay and uh and then i was fortunate

361  
00:16:20,769 --> 00:16:26,590  
up a start my own company and through

362  
00:16:23,669 --> 00:16:29,349  
extreme luck and grace i was able to

363  
00:16:26,590 --> 00:16:31,030  
sell that company and then have some

364  
00:16:29,350 --> 00:16:32,920  
time to pursue the things that I really

365  
00:16:31,029 --> 00:16:36,339  
wanted to pursue and for me it was

366  
00:16:32,919 --> 00:16:39,939  
always again it it just seemed obvious

367  
00:16:36,340 --> 00:16:43,060  
to me that the big picture questions

368  
00:16:39,940 --> 00:16:46,180  
were what I should focus on who are we

369  
00:16:43,059 --> 00:16:48,639  
why are we here who's telling the truth

370  
00:16:46,179 --> 00:16:50,829  
so that was just my approach I didn't

371

00:16:48,639 --> 00:16:52,840  
have any fixed agenda in terms of what

372  
00:16:50,830 --> 00:16:54,580  
the answer was I was just kind of

373  
00:16:52,840 --> 00:16:57,070  
frustrated that everyone seemed to be

374  
00:16:54,580 --> 00:16:58,540  
kind of not very concerned with the

375  
00:16:57,070 --> 00:17:01,450  
questions I thought were the most

376  
00:16:58,539 --> 00:17:03,849  
central important questions you know and

377  
00:17:01,450 --> 00:17:05,319  
I realized that religion had really

378  
00:17:03,850 --> 00:17:07,390  
failed in terms of answering those

379  
00:17:05,319 --> 00:17:08,679  
questions so i was looking to science

380  
00:17:07,390 --> 00:17:11,290  
but then i was immediately drawn to

381  
00:17:08,680 --> 00:17:12,850  
people in the scientific community who

382  
00:17:11,289 --> 00:17:14,230  
were kind of outsiders who were saying

383  
00:17:12,849 --> 00:17:16,029  
well you know science really isn't

384  
00:17:14,230 --> 00:17:19,180  
telling the truth either they're kind of

385  
00:17:16,029 --> 00:17:21,519

doing this bait and switch thing with

386

00:17:19,180 --> 00:17:23,620

the truth as well so that's what really

387

00:17:21,519 --> 00:17:25,809

sent me off i'm just trying to get these

388

00:17:23,619 --> 00:17:28,329

answers to these questions and skeptic

389

00:17:25,809 --> 00:17:32,109

oh and the show was just my front my

390

00:17:28,329 --> 00:17:34,059

cover or a way to ask the intelligent

391

00:17:32,109 --> 00:17:35,469

people that I really wanted to ask you

392

00:17:34,059 --> 00:17:36,789

know these questions because you can't

393

00:17:35,470 --> 00:17:39,309

just call him up out of the blue and say

394

00:17:36,789 --> 00:17:40,509

hey tell me the truth you want to I was

395

00:17:39,309 --> 00:17:42,700

going to say that that's sort of our

396

00:17:40,509 --> 00:17:45,430

reason for doing yes yes well awesome

397

00:17:42,700 --> 00:17:47,110

our reason for my reason for doing it is

398

00:17:45,430 --> 00:17:52,090

that I'll go into in a minute but I want

399

00:17:47,109 --> 00:17:53,109

to tack back a second to the the jumpy

400  
00:17:52,089 --> 00:17:56,230  
Alexander

401  
00:17:53,109 --> 00:17:58,329  
question and what I found to be you know

402  
00:17:56,230 --> 00:18:00,009  
there are a lot of people who don't

403  
00:17:58,329 --> 00:18:02,048  
believe everything he says I don't

404  
00:18:00,009 --> 00:18:05,859  
believe everything anybody says you know

405  
00:18:02,048 --> 00:18:08,650  
even my mom up but but the point here is

406  
00:18:05,859 --> 00:18:13,149  
that after they got past those questions

407  
00:18:08,650 --> 00:18:15,640  
that you brought up um what's-his-name

408  
00:18:13,150 --> 00:18:18,220  
that the other guy who had the rich one

409  
00:18:15,640 --> 00:18:20,679  
oh boy just as just might my mind fails

410  
00:18:18,220 --> 00:18:24,339  
me it's not a Kodak moment no it's not a

411  
00:18:20,679 --> 00:18:26,259  
coup senior member rich stolen rich

412  
00:18:24,339 --> 00:18:29,079  
Dolan who wrote you those wonderful

413  
00:18:26,259 --> 00:18:32,319  
books about UFOs and the national

414  
00:18:29,079 --> 00:18:34,359  
security state and a few other books and

415  
00:18:32,319 --> 00:18:37,418  
he's a really good guy and I want to you

416  
00:18:34,359 --> 00:18:40,298  
know say hi rich but beyond that rich

417  
00:18:37,419 --> 00:18:45,490  
Dolan and Colonel John be Alexander pH

418  
00:18:40,298 --> 00:18:49,389  
they had a debate and our friend chase

419  
00:18:45,490 --> 00:18:51,490  
koletzki was who was a MUFON executive

420  
00:18:49,390 --> 00:18:55,179  
at the time she's since resigned i

421  
00:18:51,490 --> 00:18:58,150  
believe they had a debate and chase

422  
00:18:55,179 --> 00:18:59,980  
koletzki was the moderator now after

423  
00:18:58,150 --> 00:19:03,250  
they got over those few questions that

424  
00:18:59,980 --> 00:19:05,200  
you very rightly brought up Alex they

425  
00:19:03,250 --> 00:19:07,569  
agreed on almost everything even though

426  
00:19:05,200 --> 00:19:09,789  
they were supposed to be at opposing

427  
00:19:07,569 --> 00:19:12,339  
ends of the scale in other words they

428

00:19:09,789 --> 00:19:14,829  
both agreed on the reality of UFOs they

429  
00:19:12,339 --> 00:19:17,109  
both agreed that they're out there now

430  
00:19:14,829 --> 00:19:18,909  
that people see things that some of them

431  
00:19:17,109 --> 00:19:24,099  
seem to be nuts and bolts and some of

432  
00:19:18,910 --> 00:19:25,960  
them seem to be not so much and so the

433  
00:19:24,099 --> 00:19:27,428  
fact that he might not be telling the

434  
00:19:25,960 --> 00:19:29,740  
truth the whole truth and nothing but

435  
00:19:27,429 --> 00:19:32,230  
the truth might have something to do

436  
00:19:29,740 --> 00:19:34,450  
with his government former position as

437  
00:19:32,230 --> 00:19:39,400  
well and I don't even want to go there

438  
00:19:34,450 --> 00:19:42,519  
with him on that but now moving on along

439  
00:19:39,400 --> 00:19:45,280  
with you and the reason for your doing

440  
00:19:42,519 --> 00:19:48,210  
skeptical and bringing it up to the

441  
00:19:45,279 --> 00:19:52,000  
reason for us doing shattered reality a

442  
00:19:48,210 --> 00:19:56,009

big part of my reason is because I think

443

00:19:52,000 --> 00:19:59,919

the media the mainstream media is

444

00:19:56,009 --> 00:20:02,470

deluding us like pointing the finger at

445

00:19:59,919 --> 00:20:04,660

certain things going on trying to pull

446

00:20:02,470 --> 00:20:05,250

our attention away from things that are

447

00:20:04,660 --> 00:20:07,920

really

448

00:20:05,250 --> 00:20:09,660

really important I'm not saying you know

449

00:20:07,920 --> 00:20:12,390

if somebody passes away and somebody

450

00:20:09,660 --> 00:20:14,550

shot it's not important to that person

451

00:20:12,390 --> 00:20:16,170

in that person's family and on some

452

00:20:14,549 --> 00:20:18,480

level important to the United States

453

00:20:16,170 --> 00:20:21,600

into the world but when your

454

00:20:18,480 --> 00:20:24,569

twenty-four-seven on some situation out

455

00:20:21,599 --> 00:20:26,250

there in the media and you you ignore

456

00:20:24,569 --> 00:20:28,980

the fact that there isn't a volcano

457  
00:20:26,250 --> 00:20:30,599  
erupting in Southeast Asia and people

458  
00:20:28,980 --> 00:20:33,900  
are jumping in the water or off

459  
00:20:30,599 --> 00:20:37,139  
Australia and killing themselves and you

460  
00:20:33,900 --> 00:20:40,769  
know on and on they just obscure like

461  
00:20:37,140 --> 00:20:44,610  
really important news stories with this

462  
00:20:40,769 --> 00:20:47,700  
mono focus and not only that when you or

463  
00:20:44,609 --> 00:20:53,549  
I get interviewed by you know somebody

464  
00:20:47,700 --> 00:20:56,190  
on CNN or CBS or whatever they put out a

465  
00:20:53,549 --> 00:20:58,759  
tape of what you've said and then they

466  
00:20:56,190 --> 00:21:01,980  
cut it up and they even change the

467  
00:20:58,759 --> 00:21:04,410  
question that was asked and I've had

468  
00:21:01,980 --> 00:21:07,380  
this done to me I've had my things that

469  
00:21:04,410 --> 00:21:11,850  
I said that were really not foolish at

470  
00:21:07,380 --> 00:21:16,290  
all I've had them turned around by sort

471  
00:21:11,849 --> 00:21:20,339  
of creative splicing of my interview so

472  
00:21:16,289 --> 00:21:23,009  
this gives me and Kate Valentine the

473  
00:21:20,339 --> 00:21:25,949  
opportunity to say things and talk about

474  
00:21:23,009 --> 00:21:27,990  
subjects that we find to be compelling

475  
00:21:25,950 --> 00:21:30,140  
and I wonder if that's part of your

476  
00:21:27,990 --> 00:21:33,329  
reason and I think you're saying it is

477  
00:21:30,140 --> 00:21:35,390  
well I jump off on that point on a

478  
00:21:33,329 --> 00:21:38,159  
couple of different directions I mean

479  
00:21:35,390 --> 00:21:40,230  
undoubtedly true right first in terms of

480  
00:21:38,160 --> 00:21:42,000  
what you're saying the I don't know

481  
00:21:40,230 --> 00:21:44,579  
about you but I think most people

482  
00:21:42,000 --> 00:21:45,630  
probably I imagine a lot of the people

483  
00:21:44,579 --> 00:21:47,250  
who are listening to this show and

484  
00:21:45,630 --> 00:21:51,510  
listen to my show in the same situation

485

00:21:47,250 --> 00:21:53,009  
is I can't even turn on CNN I mean I can

486  
00:21:51,509 --> 00:21:56,160  
flip through station but it's just like

487  
00:21:53,009 --> 00:21:58,440  
I'll just start laughing as soon as I see

488  
00:21:56,160 --> 00:22:01,440  
it it's like this is the shattered

489  
00:21:58,440 --> 00:22:04,350  
reality this is like a joke but the good

490  
00:22:01,440 --> 00:22:06,740  
news is I think just on a pure numbers

491  
00:22:04,349 --> 00:22:09,719  
basis I think the influence of

492  
00:22:06,740 --> 00:22:12,750  
mainstream quote-unquote mainstream

493  
00:22:09,720 --> 00:22:14,910  
media is more and more called into

494  
00:22:12,750 --> 00:22:17,220  
question by this alternative media it

495  
00:22:14,910 --> 00:22:18,840  
just is the numbers the growth numbers

496  
00:22:17,220 --> 00:22:21,269  
are clearly on the

497  
00:22:18,839 --> 00:22:23,970  
side of the alternative media and

498  
00:22:21,269 --> 00:22:27,210  
clearly on the side of this kind of long

499  
00:22:23,970 --> 00:22:28,740

tail broadcasting like we're doing

500

00:22:27,210 --> 00:22:31,650

people are getting their information

501

00:22:28,740 --> 00:22:33,390

from a lot of different sources and what

502

00:22:31,650 --> 00:22:35,190

could be better than that but the other

503

00:22:33,390 --> 00:22:37,590

thing I'd say and this is kind of more

504

00:22:35,190 --> 00:22:39,720

from a spiritual perspective but I think

505

00:22:37,589 --> 00:22:42,779

it's definitely true for me and I just

506

00:22:39,720 --> 00:22:46,529

think it's true and Jen was that we pull

507

00:22:42,779 --> 00:22:49,049

the wool over our own eyes you know we

508

00:22:46,529 --> 00:22:52,589

don't want to really deal with the

509

00:22:49,049 --> 00:22:55,409

implicit the full implications of what

510

00:22:52,589 --> 00:22:57,599

we find out here in terms of extended

511

00:22:55,410 --> 00:23:01,230

consciousness in terms of you're not a

512

00:22:57,599 --> 00:23:03,929

biological robot your brain isn't your

513

00:23:01,230 --> 00:23:06,329

body there is something that persists

514  
00:23:03,930 --> 00:23:09,600  
after death you know that's a lot to

515  
00:23:06,329 --> 00:23:14,009  
take in that's a lot to really deal with

516  
00:23:09,599 --> 00:23:17,129  
what that means to be connected that you

517  
00:23:14,009 --> 00:23:20,069  
know Kate you and I are connected

518  
00:23:17,130 --> 00:23:23,220  
Farrugia you and I are really connected

519  
00:23:20,069 --> 00:23:25,379  
I mean well we want to i think i want

520  
00:23:23,220 --> 00:23:27,299  
escape sometimes back into the material

521  
00:23:25,380 --> 00:23:29,190  
world where i can fight with other

522  
00:23:27,299 --> 00:23:31,470  
people and win an argument and you know

523  
00:23:29,190 --> 00:23:33,480  
all that i want to escape back there but

524  
00:23:31,470 --> 00:23:35,910  
i know that that's not the real world

525  
00:23:33,480 --> 00:23:38,490  
either so i think we delude ourselves as

526  
00:23:35,910 --> 00:23:42,810  
well well you're really good really

527  
00:23:38,490 --> 00:23:44,880  
really good at the debate area which is

528  
00:23:42,809 --> 00:23:47,759  
the point which you know you if you get

529  
00:23:44,880 --> 00:23:51,440  
to speak to some of these debunkers in

530  
00:23:47,759 --> 00:23:54,359  
the way that you do and that you sort of

531  
00:23:51,440 --> 00:23:56,880  
stop them in their tracks and I really

532  
00:23:54,359 --> 00:23:59,309  
do appreciate it and you know if you go

533  
00:23:56,880 --> 00:24:01,890  
too far to one extreme you've got the

534  
00:23:59,309 --> 00:24:04,980  
people they're like you know evangelical

535  
00:24:01,890 --> 00:24:06,930  
types and fundamentalists who believe

536  
00:24:04,980 --> 00:24:08,940  
that you have to believe what they

537  
00:24:06,930 --> 00:24:11,820  
believe is what they do believe in an

538  
00:24:08,940 --> 00:24:14,250  
afterlife yes they do so their afterlife

539  
00:24:11,819 --> 00:24:16,919  
is heaven the Muslim afterlife is the

540  
00:24:14,250 --> 00:24:20,039  
paradise yes with the Virgin's in the

541  
00:24:16,920 --> 00:24:21,900  
mansion and okay so what the truth of

542

00:24:20,039 --> 00:24:24,389  
the matter is reem come true but I don't

543  
00:24:21,900 --> 00:24:26,910  
know we don't know what it is I know but

544  
00:24:24,390 --> 00:24:28,950  
but they are true believers they are

545  
00:24:26,910 --> 00:24:30,630  
true believers but belief is not really

546  
00:24:28,950 --> 00:24:34,759  
the point here

547  
00:24:30,630 --> 00:24:37,080  
the point here is is experiential

548  
00:24:34,759 --> 00:24:39,180  
experientially finding out what's going

549  
00:24:37,079 --> 00:24:41,369  
on are you supposed to experience until

550  
00:24:39,180 --> 00:24:43,080  
that moment comes well that's a good

551  
00:24:41,369 --> 00:24:45,149  
there's a question whatever think about

552  
00:24:43,079 --> 00:24:47,909  
that Alex I mean let's assume that there

553  
00:24:45,150 --> 00:24:50,280  
is life after death and are we supposed

554  
00:24:47,910 --> 00:24:53,810  
to know about it and how our does that

555  
00:24:50,279 --> 00:24:57,509  
sort of skew the whole idea of living I

556  
00:24:53,809 --> 00:24:59,339

don't think we know those answers you

557

00:24:57,509 --> 00:25:02,250

know one of the things that I think

558

00:24:59,339 --> 00:25:04,740

skeptic Oh has brought me to it's funny

559

00:25:02,250 --> 00:25:06,869

you know the name people I'll ask me

560

00:25:04,740 --> 00:25:08,670

sometimes you know skeptical what are

561

00:25:06,869 --> 00:25:11,069

you doing you're digging into the

562

00:25:08,670 --> 00:25:12,450

skeptics you know and it's like I don't

563

00:25:11,069 --> 00:25:14,609

know I really kind of it's one of those

564

00:25:12,450 --> 00:25:17,279

things that I'm sure you all can relate

565

00:25:14,609 --> 00:25:19,649

but weird synchronicities but I'm

566

00:25:17,279 --> 00:25:22,109

looking for the name of this show and

567

00:25:19,650 --> 00:25:25,620

I'm kind of thinking you know the

568

00:25:22,109 --> 00:25:27,659

skeptic reclaiming skepticism and I'm on

569

00:25:25,619 --> 00:25:29,219

Wikipedia in wherever else talk about

570

00:25:27,660 --> 00:25:30,840

wicca pick talk about Ted right we

571  
00:25:29,220 --> 00:25:32,759  
should talk about Wikipedia and can

572  
00:25:30,839 --> 00:25:37,139  
really get it get our blood boiling here

573  
00:25:32,759 --> 00:25:41,430  
but so you know skeptic comes from this

574  
00:25:37,140 --> 00:25:45,360  
ancient Greek word of skeptical and it

575  
00:25:41,430 --> 00:25:48,710  
was this group of philosophers that were

576  
00:25:45,359 --> 00:25:52,829  
very keen on not coming to any

577  
00:25:48,710 --> 00:25:55,019  
conclusions only asking questions and

578  
00:25:52,829 --> 00:25:58,769  
they almost saw it as a religious

579  
00:25:55,019 --> 00:26:00,240  
journey to continue to ask ask ask and I

580  
00:25:58,769 --> 00:26:02,129  
kind of disregarded that I said oh you

581  
00:26:00,240 --> 00:26:04,559  
know that's cool i have Greek heritage

582  
00:26:02,130 --> 00:26:07,950  
that skeptical boom and i just grabbed

583  
00:26:04,559 --> 00:26:10,769  
the name and over seven years I've grown

584  
00:26:07,950 --> 00:26:13,319  
into that in terms of understanding it

585  
00:26:10,769 --> 00:26:16,619  
really is at least for me about

586  
00:26:13,319 --> 00:26:19,829  
continuing to ask questions continuing

587  
00:26:16,619 --> 00:26:21,899  
not to be pinned down or fixed so Kate

588  
00:26:19,829 --> 00:26:24,509  
that's what I think is that you know

589  
00:26:21,900 --> 00:26:26,490  
that the near-death experience science

590  
00:26:24,509 --> 00:26:30,089  
let's say because it is an important

591  
00:26:26,490 --> 00:26:33,930  
science it brings us to the brink it

592  
00:26:30,089 --> 00:26:36,869  
says there is more there is vastly more

593  
00:26:33,930 --> 00:26:39,029  
but it doesn't allow us to really come

594  
00:26:36,869 --> 00:26:40,799  
to any firm conclusions because these

595  
00:26:39,029 --> 00:26:42,269  
near-death experiencers right they have

596  
00:26:40,799 --> 00:26:44,329  
experiences all over the board right

597  
00:26:42,269 --> 00:26:46,220  
some of them are seeing Jesus

598  
00:26:44,329 --> 00:26:48,710  
are saying nothing some of them are

599

00:26:46,220 --> 00:26:50,839  
seeing just a you know a white light you

600  
00:26:48,710 --> 00:26:52,548  
you can form whatever conclusion will

601  
00:26:50,839 --> 00:26:55,269  
you want out of that so I think it's

602  
00:26:52,548 --> 00:26:57,648  
important to stay open to the question

603  
00:26:55,269 --> 00:26:59,750  
should I give him my father's famous

604  
00:26:57,648 --> 00:27:02,298  
line I don't know what your father's

605  
00:26:59,750 --> 00:27:04,460  
fame how it is I was asking him this and

606  
00:27:02,298 --> 00:27:06,769  
I think its first year college we went

607  
00:27:04,460 --> 00:27:08,360  
over all this and I was saying to you I

608  
00:27:06,769 --> 00:27:10,278  
wonder what there is he goes well kid I

609  
00:27:08,359 --> 00:27:14,959  
can tell you one thing we're all dying

610  
00:27:10,278 --> 00:27:17,808  
to find out yes indeed there's that um I

611  
00:27:14,960 --> 00:27:19,460  
I find a show really entering I'm glad

612  
00:27:17,808 --> 00:27:21,288  
you introduced me to this from sure this

613  
00:27:19,460 --> 00:27:26,090

this is really cool so you're in a

614

00:27:21,288 --> 00:27:29,179

search for truth yes mmm good luck um I

615

00:27:26,089 --> 00:27:32,148

like this I like but the way that you

616

00:27:29,179 --> 00:27:35,600

take on the proselytizing atheists

617

00:27:32,148 --> 00:27:38,268

because I've come from a place where you

618

00:27:35,599 --> 00:27:41,269

know generally speaking in polite

619

00:27:38,269 --> 00:27:43,849

society Xin New York City you generally

620

00:27:41,269 --> 00:27:45,980

don't question people's religious

621

00:27:43,849 --> 00:27:49,009

beliefs you know you just let that go

622

00:27:45,980 --> 00:27:51,589

and people are in in New York City that

623

00:27:49,009 --> 00:27:55,398

that I always hung around with they

624

00:27:51,589 --> 00:27:58,099

don't generally push something on you

625

00:27:55,398 --> 00:28:00,138

you know somebody's a Greek Orthodox

626

00:27:58,099 --> 00:28:02,839

somebody's a Jew somebody's elapsed

627

00:28:00,138 --> 00:28:05,569

Lutheran like me and you know you let

628  
00:28:02,839 --> 00:28:08,839  
you let it pass but sometimes you meet

629  
00:28:05,569 --> 00:28:11,148  
these people who are virulent atheists

630  
00:28:08,839 --> 00:28:14,658  
they're so strongly atheists that they

631  
00:28:11,148 --> 00:28:16,939  
cannot stand the fact that you are not

632  
00:28:14,659 --> 00:28:20,450  
an atheist and they grill you and they

633  
00:28:16,940 --> 00:28:24,548  
put you down and they keep at you almost

634  
00:28:20,450 --> 00:28:29,569  
more so than a proselytizing evangelical

635  
00:28:24,548 --> 00:28:31,339  
type person and so it I am very happy to

636  
00:28:29,569 --> 00:28:33,829  
see you skewer some of those folks

637  
00:28:31,339 --> 00:28:37,398  
though I must tell you I felt a little

638  
00:28:33,829 --> 00:28:39,798  
sorry for John Loftus simply because he

639  
00:28:37,398 --> 00:28:42,558  
seemed like you know a nice sort of a

640  
00:28:39,798 --> 00:28:47,028  
guy that never really thought through

641  
00:28:42,558 --> 00:28:51,200  
his positions to the final outcome of

642  
00:28:47,028 --> 00:28:53,119  
what he was thinking the the the denim

643  
00:28:51,200 --> 00:28:57,080  
ah of what he was thinking in other

644  
00:28:53,119 --> 00:28:57,969  
words he didn't seem to get it he seemed

645  
00:28:57,079 --> 00:29:00,250  
like he needed to

646  
00:28:57,970 --> 00:29:03,039  
believe something having been a very

647  
00:29:00,250 --> 00:29:06,099  
strong Catholic at one point in his life

648  
00:29:03,039 --> 00:29:08,799  
he had to turn his back on that because

649  
00:29:06,099 --> 00:29:11,829  
he became disappointed in that and he

650  
00:29:08,799 --> 00:29:15,819  
then took up atheism like a religion and

651  
00:29:11,829 --> 00:29:18,490  
I think that his his mental state is

652  
00:29:15,819 --> 00:29:21,099  
he's a different person mentally then

653  
00:29:18,490 --> 00:29:24,460  
say you were I he just needs a belief

654  
00:29:21,099 --> 00:29:26,049  
system do you know yes and I think we

655  
00:29:24,460 --> 00:29:29,559  
could say that about a lot of a lot of

656

00:29:26,049 --> 00:29:30,700  
atheists and I you know it's it's that's

657  
00:29:29,559 --> 00:29:32,109  
going to sound harsh what's going to

658  
00:29:30,700 --> 00:29:34,029  
sound judgmental but it's just like

659  
00:29:32,109 --> 00:29:35,799  
you're mentioning hey listen to the

660  
00:29:34,029 --> 00:29:39,309  
listen to the show go through the logic

661  
00:29:35,799 --> 00:29:43,119  
oh yeah but the whole logic of atheism

662  
00:29:39,309 --> 00:29:45,970  
is just kind of silly in one sense it's

663  
00:29:43,119 --> 00:29:50,319  
because atheists are very committed to

664  
00:29:45,970 --> 00:29:52,630  
this idea that we are meaningless beings

665  
00:29:50,319 --> 00:29:55,899  
meaningless robots biological robots

666  
00:29:52,630 --> 00:29:59,290  
living in a meaningless world a

667  
00:29:55,900 --> 00:30:01,810  
meaningless universe that is their Creed

668  
00:29:59,289 --> 00:30:04,089  
they cannot get away from it it's part

669  
00:30:01,809 --> 00:30:07,329  
and parcel of you know the Four Horsemen

670  
00:30:04,089 --> 00:30:09,129

of New Atheism and there's Dawkins and

671

00:30:07,329 --> 00:30:10,809

there's Dennett I mean that's right out

672

00:30:09,130 --> 00:30:12,430

of their playbook right so Richard

673

00:30:10,809 --> 00:30:13,779

Dawkins you are a biological robot

674

00:30:12,430 --> 00:30:16,480

that's what he said it says in his book

675

00:30:13,779 --> 00:30:18,849

The Selfish Gene Daniel Dennett you know

676

00:30:16,480 --> 00:30:21,190

the same thing you are a biological

677

00:30:18,849 --> 00:30:22,659

robot so Lawrence Krauss who I

678

00:30:21,190 --> 00:30:23,799

interviewed on the show famous

679

00:30:22,660 --> 00:30:25,540

physicists you know wrote a book

680

00:30:23,799 --> 00:30:26,950

something out of nothing i think is the

681

00:30:25,539 --> 00:30:28,779

title in what might have got it slightly

682

00:30:26,950 --> 00:30:32,110

wrong there but again meaningless

683

00:30:28,779 --> 00:30:36,700

universe so i think the natural question

684

00:30:32,109 --> 00:30:40,779

to ask those folks is okay so your life

685  
00:30:36,700 --> 00:30:43,390  
is meaningless what would have no cuz

686  
00:30:40,779 --> 00:30:45,250  
you have no love then the love that you

687  
00:30:43,390 --> 00:30:47,470  
feel for your parents or for your

688  
00:30:45,250 --> 00:30:50,109  
children that's meaningless that doesn't

689  
00:30:47,470 --> 00:30:51,789  
really exist that's an illusion your

690  
00:30:50,109 --> 00:30:55,359  
life is meaningless everything you're

691  
00:30:51,789 --> 00:30:57,849  
doing is meaningless why even perpetuate

692  
00:30:55,359 --> 00:31:00,519  
such an absurdity right i mean we talk

693  
00:30:57,849 --> 00:31:03,579  
about suicide now right why perpetuate

694  
00:31:00,519 --> 00:31:05,680  
an absurdity that is all an illusion you

695  
00:31:03,579 --> 00:31:07,659  
can't even say that it would be for the

696  
00:31:05,680 --> 00:31:09,910  
procreation of your dreams logically

697  
00:31:07,660 --> 00:31:11,830  
that i'm sorry the procreation of your

698  
00:31:09,910 --> 00:31:13,120  
genes logically that doesn't

699  
00:31:11,829 --> 00:31:15,418  
can make any sense because you would

700  
00:31:13,119 --> 00:31:19,599  
just be bringing other people into this

701  
00:31:15,419 --> 00:31:24,549  
illusion into this big game it's clearly

702  
00:31:19,599 --> 00:31:28,509  
a goofy idea philosophically atheism

703  
00:31:24,548 --> 00:31:30,730  
makes no sense so I've debated these

704  
00:31:28,509 --> 00:31:33,970  
folks over and over again on two fronts

705  
00:31:30,730 --> 00:31:37,750  
number one is that what I just said is

706  
00:31:33,970 --> 00:31:40,569  
that philosophically your life has no

707  
00:31:37,750 --> 00:31:42,548  
meaning isn't a very strong position to

708  
00:31:40,569 --> 00:31:44,288  
take and no one really believes that

709  
00:31:42,548 --> 00:31:47,230  
otherwise they wouldn't perpetuate it

710  
00:31:44,288 --> 00:31:49,690  
but number two the news is if that's the

711  
00:31:47,230 --> 00:31:52,210  
way it is I can live with it but the

712  
00:31:49,690 --> 00:31:54,909  
best science suggests you know what the

713

00:31:52,210 --> 00:31:57,639  
universe isn't meaningless and we are

714  
00:31:54,909 --> 00:32:00,760  
not biological robots and we are not

715  
00:31:57,638 --> 00:32:05,168  
equal to our brain so you know that's

716  
00:32:00,759 --> 00:32:06,700  
the answer to the Creed is the Creed

717  
00:32:05,169 --> 00:32:11,259  
falls apart because the science doesn't

718  
00:32:06,700 --> 00:32:13,870  
back it up well the most the most the

719  
00:32:11,259 --> 00:32:17,319  
best point that i like is about

720  
00:32:13,869 --> 00:32:20,648  
consciousness and how consciousness does

721  
00:32:17,319 --> 00:32:22,689  
not live inside the brain the

722  
00:32:20,648 --> 00:32:26,709  
consciousness is bigger their

723  
00:32:22,690 --> 00:32:30,490  
consciousness is in a non-local a non

724  
00:32:26,710 --> 00:32:34,360  
time-space reality and I think that I

725  
00:32:30,490 --> 00:32:37,149  
think Russell Targ says that best says

726  
00:32:34,359 --> 00:32:39,490  
it a lot better than I can and physics

727  
00:32:37,148 --> 00:32:42,638

and he's a physicist bears that out

728

00:32:39,490 --> 00:32:46,269  
especially quantum physics and string

729

00:32:42,638 --> 00:32:49,959  
theory and you know the idea that that

730

00:32:46,269 --> 00:32:54,220  
the reality doesn't collapse into a

731

00:32:49,960 --> 00:32:56,069  
single thing until you observe it until

732

00:32:54,220 --> 00:32:59,589  
you observe it then the waveform

733

00:32:56,069 --> 00:33:02,579  
collapses which leaves us to the point

734

00:32:59,589 --> 00:33:06,579  
of possibly believing in multiple

735

00:33:02,579 --> 00:33:09,869  
universes and multiple realities and I

736

00:33:06,579 --> 00:33:12,460  
I've listened to so many of your of your

737

00:33:09,869 --> 00:33:15,609  
podcasts and I would have to say that

738

00:33:12,460 --> 00:33:18,730  
probably you and I agree on many many

739

00:33:15,609 --> 00:33:20,859  
points so probably I would have to bring

740

00:33:18,730 --> 00:33:22,808  
it down to some things that maybe we

741

00:33:20,859 --> 00:33:25,579  
don't agree upon so that you know you

742  
00:33:22,808 --> 00:33:28,339  
get a chance to prepare

743  
00:33:25,579 --> 00:33:31,009  
propound what you do believe regarding

744  
00:33:28,339 --> 00:33:34,129  
this these things and the one thing that

745  
00:33:31,009 --> 00:33:36,379  
seems to me to be still and you say this

746  
00:33:34,130 --> 00:33:39,560  
to to a large extent still a great

747  
00:33:36,380 --> 00:33:43,160  
mystery is the reincarnation thing and I

748  
00:33:39,559 --> 00:33:45,440  
want to just give you a something that

749  
00:33:43,160 --> 00:33:47,779  
could be the case it could be the case

750  
00:33:45,440 --> 00:33:50,470  
as well as reincarnation and I'm really

751  
00:33:47,779 --> 00:33:52,879  
right there with those guys at at the

752  
00:33:50,470 --> 00:33:57,259  
University of Virginia in fact we've had

753  
00:33:52,880 --> 00:34:00,050  
one of the researches on rosston see who

754  
00:33:57,259 --> 00:34:02,779  
researches things I heard that interview

755  
00:34:00,049 --> 00:34:04,789  
nuh and enjoyed it well good thanks he's

756  
00:34:02,779 --> 00:34:09,259  
a great guy really nice gentleman to to

757  
00:34:04,789 --> 00:34:10,639  
meet him but couldn't reincarnation I'm

758  
00:34:09,260 --> 00:34:13,010  
not saying this is the case I'm just

759  
00:34:10,639 --> 00:34:18,190  
hypothesizing here couldn't

760  
00:34:13,010 --> 00:34:23,810  
reincarnation be possibly that there are

761  
00:34:18,190 --> 00:34:26,840  
spirits or souls non non carnate

762  
00:34:23,809 --> 00:34:28,670  
entities a disincarnate entity some of

763  
00:34:26,840 --> 00:34:31,309  
which may have been alive at one time

764  
00:34:28,670 --> 00:34:34,519  
some which may not be couldn't they just

765  
00:34:31,309 --> 00:34:38,829  
be in in the non in the non physical

766  
00:34:34,519 --> 00:34:41,539  
universe and couldn't we pass through

767  
00:34:38,829 --> 00:34:44,059  
one of those and suddenly have the

768  
00:34:41,539 --> 00:34:46,849  
insights that might make us believe that

769  
00:34:44,059 --> 00:34:48,829  
reincarnation was true I've had some of

770

00:34:46,849 --> 00:34:51,279  
these experiences I'm not saying this

771  
00:34:48,829 --> 00:34:55,579  
from a non experience or point of view

772  
00:34:51,280 --> 00:34:58,310  
could that be the case sure and to me it

773  
00:34:55,579 --> 00:35:00,170  
gets I don't think it is but I I don't

774  
00:34:58,309 --> 00:35:02,719  
know to me it gets back to the point I

775  
00:35:00,170 --> 00:35:07,730  
was making earlier in that you know I'm

776  
00:35:02,719 --> 00:35:11,599  
very keen to kind of understand the

777  
00:35:07,730 --> 00:35:13,820  
system of logic that we use for asking

778  
00:35:11,599 --> 00:35:15,889  
these questions you know and that

779  
00:35:13,820 --> 00:35:19,700  
relates back to my skeptical point in

780  
00:35:15,889 --> 00:35:23,089  
that to me there's certain areas that we

781  
00:35:19,699 --> 00:35:25,639  
cannot touch with logic with reason and

782  
00:35:23,090 --> 00:35:26,809  
with our limited capabilities I mean one

783  
00:35:25,639 --> 00:35:29,029  
of the things you hear from the

784  
00:35:26,809 --> 00:35:31,279

near-death experience extended

785

00:35:29,030 --> 00:35:33,740

consciousness folks you'll also hear it

786

00:35:31,280 --> 00:35:36,830

from the psychedelic consciousness folks

787

00:35:33,739 --> 00:35:38,599

and from the alien abduction contact

788

00:35:36,829 --> 00:35:39,440

folks they all say the same thing they

789

00:35:38,599 --> 00:35:42,259

say something about

790

00:35:39,440 --> 00:35:44,389

information download right they say they

791

00:35:42,260 --> 00:35:47,810

were in this extended consciousness

792

00:35:44,389 --> 00:35:49,789

state where they knew everything before

793

00:35:47,809 --> 00:35:53,239

they could even ask a question it was

794

00:35:49,789 --> 00:35:56,690

answered so and then the important thing

795

00:35:53,239 --> 00:35:59,029

is they returned to this state and that

796

00:35:56,690 --> 00:36:00,769

was no longer the case like everything

797

00:35:59,030 --> 00:36:03,500

that was really big had to get jammed

798

00:36:00,769 --> 00:36:06,050

down into this little meat sack that we

799

00:36:03,500 --> 00:36:09,199

walk around with and it doesn't quite

800

00:36:06,050 --> 00:36:12,950

fit so you know to answer your question

801

00:36:09,199 --> 00:36:15,559

I can't say that that isn't possible and

802

00:36:12,949 --> 00:36:17,230

I can't say that you know Jim Tucker at

803

00:36:15,559 --> 00:36:19,639

the university of virginia who has

804

00:36:17,230 --> 00:36:21,230

concluded differently because he sees

805

00:36:19,639 --> 00:36:23,118

the birth marks and he sees the stories

806

00:36:21,230 --> 00:36:26,599

and all that I can't say that he's true

807

00:36:23,119 --> 00:36:28,849

what I can say for myself is that that

808

00:36:26,599 --> 00:36:31,130

launching off point of fully coming to

809

00:36:28,849 --> 00:36:33,140

grips that we are this limitless

810

00:36:31,130 --> 00:36:36,200

extended consciousness and this

811

00:36:33,139 --> 00:36:39,348

consciousness doesn't end at our death

812

00:36:36,199 --> 00:36:43,219

boy I mean that's a full-time job just

813  
00:36:39,349 --> 00:36:45,200  
really internalizing that and figuring

814  
00:36:43,219 --> 00:36:46,789  
out what that means in terms of how I

815  
00:36:45,199 --> 00:36:48,769  
should live my life how I should be a

816  
00:36:46,789 --> 00:36:52,818  
better father a better husband a better

817  
00:36:48,769 --> 00:36:55,400  
friend you know just absolutely I I

818  
00:36:52,818 --> 00:36:58,250  
fully concur and I'm not saying

819  
00:36:55,400 --> 00:37:00,980  
reincarnation is not the case i am just

820  
00:36:58,250 --> 00:37:03,559  
offering a different possible

821  
00:37:00,980 --> 00:37:05,929  
perspective because i've looked at it

822  
00:37:03,559 --> 00:37:08,239  
from different points of logic and as

823  
00:37:05,929 --> 00:37:10,190  
you have pointed out on skeptical some

824  
00:37:08,239 --> 00:37:12,559  
of your guests have come up with

825  
00:37:10,190 --> 00:37:15,740  
different viewpoints and they can't all

826  
00:37:12,559 --> 00:37:17,269  
be true right you could only reincarnate

827

00:37:15,739 --> 00:37:21,199  
three times the soonest you can

828  
00:37:17,269 --> 00:37:23,019  
reincarnate is 18 Molly's rules that

829  
00:37:21,199 --> 00:37:26,179  
when you step back they start looking

830  
00:37:23,019 --> 00:37:27,469  
very religious very Orthodox again which

831  
00:37:26,179 --> 00:37:29,750  
is I think something else you know

832  
00:37:27,469 --> 00:37:32,480  
you're you're mentioning that the kind

833  
00:37:29,750 --> 00:37:34,159  
of the New York culture of kind of hey

834  
00:37:32,480 --> 00:37:36,380  
you know don't talk about religion you

835  
00:37:34,159 --> 00:37:38,868  
don't go there it's like no I think

836  
00:37:36,380 --> 00:37:40,760  
those are there at least as Kate was

837  
00:37:38,869 --> 00:37:43,309  
alluding to at least they're trying to

838  
00:37:40,760 --> 00:37:44,930  
tackle some of the bigger issues of you

839  
00:37:43,309 --> 00:37:46,789  
know what happens after we die and stuff

840  
00:37:44,929 --> 00:37:48,379  
like that hell why are we all talking

841  
00:37:46,789 --> 00:37:50,480

about religion and as soon as we sit

842

00:37:48,380 --> 00:37:51,829

down oh you're you're a Catholic what

843

00:37:50,480 --> 00:37:52,780

why do you really believe that I do

844

00:37:51,829 --> 00:37:54,490

believe the

845

00:37:52,780 --> 00:37:56,470

the Pope is infallible you know all the

846

00:37:54,489 --> 00:37:58,689

right why wouldn't that have to be

847

00:37:56,469 --> 00:38:01,899

unpleasant about it but you might get us

848

00:37:58,690 --> 00:38:05,829

eat up well I'll take I'll take my

849

00:38:01,900 --> 00:38:07,900

chances you know I think one of the

850

00:38:05,829 --> 00:38:10,960

points you miss is that biological

851

00:38:07,900 --> 00:38:14,230

robots can have fun too and maybe the

852

00:38:10,960 --> 00:38:16,420

whole point of our existence is if we

853

00:38:14,230 --> 00:38:18,699

are spiritual beings that have eternal

854

00:38:16,420 --> 00:38:20,289

life maybe once in a while you want to

855

00:38:18,699 --> 00:38:23,109

get down here and have a little fun and

856  
00:38:20,289 --> 00:38:24,579  
experience a materialistic world and I

857  
00:38:23,110 --> 00:38:27,220  
think that could very well be the point

858  
00:38:24,579 --> 00:38:28,690  
of our existence and I think it's a

859  
00:38:27,219 --> 00:38:30,759  
really good idea to go out there have

860  
00:38:28,690 --> 00:38:32,860  
fun have a few drinks with a few good

861  
00:38:30,760 --> 00:38:36,120  
friends drive a great sports car and

862  
00:38:32,860 --> 00:38:39,460  
make some money nothing wrong with that

863  
00:38:36,119 --> 00:38:41,739  
maybe yeah i think you know when we

864  
00:38:39,460 --> 00:38:43,480  
really don't have to disagree with you

865  
00:38:41,739 --> 00:38:46,619  
there but i think when we take a big

866  
00:38:43,480 --> 00:38:50,170  
step back and look at our culture and

867  
00:38:46,619 --> 00:38:52,269  
our position in the world I think we've

868  
00:38:50,170 --> 00:38:54,550  
done a pretty good job of that you know

869  
00:38:52,269 --> 00:38:56,590  
here in the West and here in the United

870  
00:38:54,550 --> 00:38:58,330  
States and considering that you know

871  
00:38:56,590 --> 00:39:00,550  
half of the world's population lives on

872  
00:38:58,329 --> 00:39:02,289  
less than two dollars a day I mean I

873  
00:39:00,550 --> 00:39:05,440  
think we should enjoy I live an

874  
00:39:02,289 --> 00:39:07,119  
incredibly fortunate an awesome

875  
00:39:05,440 --> 00:39:08,860  
lifestyle and have a beautiful also

876  
00:39:07,119 --> 00:39:11,409  
overlooking the oceans I don't want to

877  
00:39:08,860 --> 00:39:13,269  
boil I don't want to play I want to kind

878  
00:39:11,409 --> 00:39:15,159  
of complain and kind of play up that

879  
00:39:13,269 --> 00:39:18,579  
other stuff not I do think that

880  
00:39:15,159 --> 00:39:23,349  
compassion that that comes with that

881  
00:39:18,579 --> 00:39:26,860  
realization I think makes his kind of

882  
00:39:23,349 --> 00:39:28,299  
constantly look in other directions you

883  
00:39:26,860 --> 00:39:30,610  
know I was just thinking the other day I

884

00:39:28,300 --> 00:39:33,850  
was out with my dogs in the backyard and

885  
00:39:30,610 --> 00:39:37,000  
really a very obvious ordinary life and

886  
00:39:33,849 --> 00:39:39,369  
I thought my god even now just with this

887  
00:39:37,000 --> 00:39:42,460  
I am living they had just had some show

888  
00:39:39,369 --> 00:39:44,559  
on TV about the old Elizabethan arrow

889  
00:39:42,460 --> 00:39:46,539  
the Georgian era in England and I

890  
00:39:44,559 --> 00:39:48,789  
thought wow those people lived a lot

891  
00:39:46,539 --> 00:39:50,949  
worse than I did and I mean I'm listen I

892  
00:39:48,789 --> 00:39:53,079  
mean I I'm with you I think it's really

893  
00:39:50,949 --> 00:39:55,179  
interesting to look into this stuff

894  
00:39:53,079 --> 00:39:57,190  
there's some fascinating viewpoints but

895  
00:39:55,179 --> 00:39:59,829  
I'll be honest with you I'm not leaving

896  
00:39:57,190 --> 00:40:01,360  
for Tibet anytime soon nor I know I

897  
00:39:59,829 --> 00:40:04,299  
don't think any I don't think any of us

898  
00:40:01,360 --> 00:40:06,070

are leaving foot to bed though I don't

899

00:40:04,300 --> 00:40:06,609

think Tibet is what it once was i think

900

00:40:06,070 --> 00:40:09,309

it's

901

00:40:06,608 --> 00:40:11,858

it's being ruled by the Chinese right

902

00:40:09,309 --> 00:40:14,650

now and I'm feeling for what you got I

903

00:40:11,858 --> 00:40:16,960

bite but again it's policy I think the

904

00:40:14,650 --> 00:40:19,930

real evil in this world is politics in

905

00:40:16,960 --> 00:40:22,239

government I don't think its people and

906

00:40:19,929 --> 00:40:24,788

I don't know I don't know about you

907

00:40:22,239 --> 00:40:26,259

fruition you Alex but i would say ninety

908

00:40:24,789 --> 00:40:29,589

nine percent of the people i meet her

909

00:40:26,259 --> 00:40:31,539

really okay I mean not evil not bad not

910

00:40:29,588 --> 00:40:35,199

particularly good not particularly bad

911

00:40:31,539 --> 00:40:37,480

just nice I think that's probably true I

912

00:40:35,199 --> 00:40:39,598

I think that a lot of people I meet are

913  
00:40:37,480 --> 00:40:41,739  
in thinking about the big questions

914  
00:40:39,599 --> 00:40:43,778  
unfortunately and maybe they're not

915  
00:40:41,739 --> 00:40:46,449  
meant to I don't really know that's a

916  
00:40:43,778 --> 00:40:48,400  
good point but getting back to skeptical

917  
00:40:46,449 --> 00:40:50,798  
no no no you've got a good point okay

918  
00:40:48,400 --> 00:40:58,298  
you got a very good point and I'm all of

919  
00:40:50,798 --> 00:41:01,748  
us you know Dave here and go and K and I

920  
00:40:58,298 --> 00:41:04,659  
and and you there we all live a pretty

921  
00:41:01,748 --> 00:41:07,959  
good life that we have the time and the

922  
00:41:04,659 --> 00:41:10,118  
energy to sit around like we are talking

923  
00:41:07,960 --> 00:41:15,220  
about these things but just getting back

924  
00:41:10,119 --> 00:41:17,289  
to your show the the one thing that you

925  
00:41:15,219 --> 00:41:19,719  
know I would like to see more of and

926  
00:41:17,289 --> 00:41:22,329  
this is you know it's not you doing a

927  
00:41:19,719 --> 00:41:24,879  
fabulous job but i think i would love to

928  
00:41:22,329 --> 00:41:26,950  
see more about animals because you know

929  
00:41:24,880 --> 00:41:29,798  
i really believe that there's a lot more

930  
00:41:26,949 --> 00:41:32,409  
consciousness out there that that so

931  
00:41:29,798 --> 00:41:35,079  
much is is dedicated to human

932  
00:41:32,409 --> 00:41:38,230  
spirituality whether it be in religion

933  
00:41:35,079 --> 00:41:41,440  
or whether it be in spiritual circles

934  
00:41:38,230 --> 00:41:44,108  
and not enough energy is devoted to the

935  
00:41:41,440 --> 00:41:48,068  
animals the plants and even what we

936  
00:41:44,108 --> 00:41:50,558  
consider to be non living things but

937  
00:41:48,068 --> 00:41:53,498  
when we talk about living we're talking

938  
00:41:50,559 --> 00:41:56,880  
about respiration the fact that plants

939  
00:41:53,498 --> 00:41:59,409  
respire and we breathe and if

940  
00:41:56,880 --> 00:42:02,200  
something doesn't respire or have a

941

00:41:59,409 --> 00:42:04,960  
heartbeat we think it's not alive but i

942  
00:42:02,199 --> 00:42:07,689  
disagree with that from the point of

943  
00:42:04,960 --> 00:42:09,759  
view that i have the feeling the I feel

944  
00:42:07,690 --> 00:42:12,309  
the energy in all things even in rocks

945  
00:42:09,759 --> 00:42:14,739  
in the earth in the Sun being alive I

946  
00:42:12,309 --> 00:42:17,710  
mean I really feel strongly about that I

947  
00:42:14,739 --> 00:42:20,110  
can't prove it but I do think that we

948  
00:42:17,710 --> 00:42:23,409  
should give more

949  
00:42:20,110 --> 00:42:25,390  
more attention at least to the plants

950  
00:42:23,409 --> 00:42:28,389  
and animals around us I think the rocks

951  
00:42:25,389 --> 00:42:32,889  
can take care of themselves frankly but

952  
00:42:28,389 --> 00:42:34,539  
I was so moved today by reading that the

953  
00:42:32,889 --> 00:42:37,199  
Pope and I'm not a Catholic and I'm not

954  
00:42:34,539 --> 00:42:40,989  
going to become a Catholic but he

955  
00:42:37,199 --> 00:42:43,389

denounced the cruelty to animals and and

956

00:42:40,989 --> 00:42:45,549

he felt that good a good Christian or a

957

00:42:43,389 --> 00:42:48,940

good person with a good heart Christian

958

00:42:45,550 --> 00:42:51,070

Jewish atheist or otherwise I said most

959

00:42:48,940 --> 00:42:55,809

assured he should be then I could to

960

00:42:51,070 --> 00:42:59,769

animals and i would love to this i would

961

00:42:55,809 --> 00:43:02,889

love to see more about animal

962

00:42:59,769 --> 00:43:05,409

communication and about animal and and

963

00:43:02,889 --> 00:43:09,369

and planned consciousness like the cliff

964

00:43:05,409 --> 00:43:11,440

baxter stuff from from the what is the

965

00:43:09,369 --> 00:43:14,199

70s d are you familiar with his research

966

00:43:11,440 --> 00:43:18,130

yeah you know first I just had just on

967

00:43:14,199 --> 00:43:19,629

the last episode 2 79 is Simon green on

968

00:43:18,130 --> 00:43:23,260

so maybe that's referring to yes really

969

00:43:19,630 --> 00:43:26,530

a young guy yes wonderful and talk about

970  
00:43:23,260 --> 00:43:28,780  
the the plants communication I was blown

971  
00:43:26,530 --> 00:43:32,620  
away I mean he is a guy for your

972  
00:43:28,780 --> 00:43:35,760  
listeners who is a healer works with

973  
00:43:32,619 --> 00:43:39,329  
ayahuasca has had numerous numerous

974  
00:43:35,760 --> 00:43:43,360  
experiences in the Peruvian in Colombian

975  
00:43:39,329 --> 00:43:46,750  
Amazonian jungle with what do they

976  
00:43:43,360 --> 00:43:50,380  
called the kuro court arrows or fear and

977  
00:43:46,750 --> 00:43:52,690  
arrows Calculon theros Coronado's I love

978  
00:43:50,380 --> 00:43:55,570  
the way you said that awesome so and

979  
00:43:52,690 --> 00:43:57,730  
yeah you know the one the one thing I

980  
00:43:55,570 --> 00:44:01,150  
took away just come in as a minor minor

981  
00:43:57,730 --> 00:44:03,340  
thing and that is you know it's like hey

982  
00:44:01,150 --> 00:44:05,860  
how did these guys find out how to do

983  
00:44:03,340 --> 00:44:07,570  
all this stuff really the plant stole

984  
00:44:05,860 --> 00:44:10,559  
them really that's what they all say

985  
00:44:07,570 --> 00:44:13,150  
right they say hey we entered this

986  
00:44:10,559 --> 00:44:17,079  
extended consciousness state and the

987  
00:44:13,150 --> 00:44:19,389  
plants told us you can use me for this

988  
00:44:17,079 --> 00:44:22,090  
you can take me in the spring when my

989  
00:44:19,389 --> 00:44:24,279  
flower first blooms and mix me with this

990  
00:44:22,090 --> 00:44:26,200  
and this will happen and you need to

991  
00:44:24,280 --> 00:44:28,990  
back that up when we went down as

992  
00:44:26,199 --> 00:44:31,480  
Westerners to kind of pharmaceutically

993  
00:44:28,989 --> 00:44:34,069  
rape pillage and plunder everything we

994  
00:44:31,480 --> 00:44:35,840  
could we went to these guys

995  
00:44:34,070 --> 00:44:37,750  
and said well you know how does this

996  
00:44:35,840 --> 00:44:39,980  
stuff work and they had this

997  
00:44:37,750 --> 00:44:41,300  
encyclopedic knowledge of walking

998

00:44:39,980 --> 00:44:42,889  
through the forest and just kind of

999  
00:44:41,300 --> 00:44:44,960  
saying these things and these guys were

1000  
00:44:42,889 --> 00:44:46,579  
blown away they're like how would you

1001  
00:44:44,960 --> 00:44:49,340  
know that you know how would you know

1002  
00:44:46,579 --> 00:44:51,170  
you mix this with this at this way and

1003  
00:44:49,340 --> 00:44:53,539  
then it works without a chemical lab or

1004  
00:44:51,170 --> 00:44:55,760  
without any of that so we maybe have to

1005  
00:44:53,539 --> 00:44:57,349  
take seriously that they really are

1006  
00:44:55,760 --> 00:45:01,250  
communicating with the plants and

1007  
00:44:57,349 --> 00:45:04,159  
Pachamama too yeah wow so Alexander

1008  
00:45:01,250 --> 00:45:08,900  
Fleming could have actually listened to

1009  
00:45:04,159 --> 00:45:11,000  
what the voles were saying oh maybe I

1010  
00:45:08,900 --> 00:45:14,360  
mean what am i I don't know but I

1011  
00:45:11,000 --> 00:45:19,099  
interestingly enough in school one of

1012  
00:45:14,360 --> 00:45:23,000

the professors was German from the early

1013

00:45:19,099 --> 00:45:25,670

1900's and he had an encyclopedic

1014

00:45:23,000 --> 00:45:28,699

knowledge of the plants of the Alps that

1015

00:45:25,670 --> 00:45:32,300

he had derived from folklore from the

1016

00:45:28,699 --> 00:45:33,559

people i think people actually just you

1017

00:45:32,300 --> 00:45:36,560

know they have a headache to chew on

1018

00:45:33,559 --> 00:45:38,690

willow bark and it goes away or they

1019

00:45:36,559 --> 00:45:41,269

chew on a dandelion and it doesn't and i

1020

00:45:38,690 --> 00:45:44,179

think over time and over millennia and

1021

00:45:41,269 --> 00:45:46,280

you know what i think people baby Kate

1022

00:45:44,179 --> 00:45:47,960

but again that's not what they're saying

1023

00:45:46,280 --> 00:45:49,430

right so so that they're saying

1024

00:45:47,960 --> 00:45:50,929

something completely different from that

1025

00:45:49,429 --> 00:45:52,639

that's not to say what you're saying is

1026

00:45:50,929 --> 00:45:54,469

true but we have to have some way to

1027  
00:45:52,639 --> 00:45:56,480  
kind of tease that out and I kind of go

1028  
00:45:54,469 --> 00:45:57,980  
with thee I kind of go with the

1029  
00:45:56,480 --> 00:46:00,320  
testimony of the people involved

1030  
00:45:57,980 --> 00:46:02,719  
especially when we can go cross culture

1031  
00:46:00,320 --> 00:46:05,420  
across time we can take people in the

1032  
00:46:02,719 --> 00:46:07,489  
Peruvian forest and we go take people

1033  
00:46:05,420 --> 00:46:09,860  
the thousand miles away that they never

1034  
00:46:07,489 --> 00:46:11,599  
met and they say the same thing then

1035  
00:46:09,860 --> 00:46:13,160  
these are usually the markers that we

1036  
00:46:11,599 --> 00:46:15,469  
say that that's what we should follow

1037  
00:46:13,159 --> 00:46:17,329  
well the other thing that sort of irks

1038  
00:46:15,469 --> 00:46:19,579  
me is when people talk about the

1039  
00:46:17,329 --> 00:46:21,139  
so-called natives of wherever area

1040  
00:46:19,579 --> 00:46:23,179  
they're talking about is they assume

1041  
00:46:21,139 --> 00:46:25,819  
that they're not intelligent or at least

1042  
00:46:23,179 --> 00:46:28,069  
that's an underlying assumption like ok

1043  
00:46:25,820 --> 00:46:29,900  
they don't have certain information

1044  
00:46:28,070 --> 00:46:31,640  
available to them but that doesn't mean

1045  
00:46:29,900 --> 00:46:33,110  
they're not intelligent person and it

1046  
00:46:31,639 --> 00:46:35,329  
doesn't mean that they're not curious

1047  
00:46:33,110 --> 00:46:37,730  
and investigative and that they don't

1048  
00:46:35,329 --> 00:46:40,909  
investigate these things however all

1049  
00:46:37,730 --> 00:46:43,010  
that being said I do agree with you you

1050  
00:46:40,909 --> 00:46:44,989  
know there was all Craig what was that

1051  
00:46:43,010 --> 00:46:47,510  
ancient botany where they used to take

1052  
00:46:44,989 --> 00:46:47,699  
the shape of the plant that was similar

1053  
00:46:47,510 --> 00:46:50,190  
to

1054  
00:46:47,699 --> 00:46:52,618  
organ in the body and so they'd say oh

1055

00:46:50,190 --> 00:46:54,929  
this looks like a heart such as

1056  
00:46:52,619 --> 00:46:57,300  
digitalis and maybe it will help the

1057  
00:46:54,929 --> 00:47:01,319  
heart and hence foxglove got its name

1058  
00:46:57,300 --> 00:47:02,760  
but you know I also i have to agree with

1059  
00:47:01,320 --> 00:47:05,700  
you i think there is definitely a

1060  
00:47:02,760 --> 00:47:07,500  
communication between species and i

1061  
00:47:05,699 --> 00:47:10,199  
think we as humans don't always listen

1062  
00:47:07,500 --> 00:47:12,358  
to it we just disregard it now I don't

1063  
00:47:10,199 --> 00:47:14,669  
totally disagree with you I just think

1064  
00:47:12,358 --> 00:47:17,219  
that there's more to it than just simple

1065  
00:47:14,670 --> 00:47:19,170  
plant communication and me over here on

1066  
00:47:17,219 --> 00:47:20,608  
the other side of the table I'm just

1067  
00:47:19,170 --> 00:47:23,940  
wishing I could get my hands on some

1068  
00:47:20,608 --> 00:47:26,880  
lowa and try it out I'm only half

1069  
00:47:23,940 --> 00:47:28,500

kidding no she's not it's legal it's

1070

00:47:26,880 --> 00:47:30,630

legal here I just have to find the right

1071

00:47:28,500 --> 00:47:33,719

church and well yeah you go to that that

1072

00:47:30,630 --> 00:47:37,170

churtyard California at a lot to wat

1073

00:47:33,719 --> 00:47:40,439

fellow that you had a while ago but I

1074

00:47:37,170 --> 00:47:44,220

found him very very interesting I found

1075

00:47:40,440 --> 00:47:46,700

him a little scary though too and but he

1076

00:47:44,219 --> 00:47:48,750

was extremely interesting and with

1077

00:47:46,699 --> 00:47:50,368

different also take a different

1078

00:47:48,750 --> 00:47:54,690

perspective on it at least for me

1079

00:47:50,369 --> 00:47:58,050

personally and that's that you know what

1080

00:47:54,690 --> 00:48:01,530

do I what do I need to discover from

1081

00:47:58,050 --> 00:48:04,619

that psychedelic experience I need to

1082

00:48:01,530 --> 00:48:06,390

discover that we're all connected like

1083

00:48:04,619 --> 00:48:10,740

we're saying well I I know that already

1084  
00:48:06,389 --> 00:48:13,049  
I need to discover that love is where I

1085  
00:48:10,739 --> 00:48:14,848  
need to focus my energy because I'm in

1086  
00:48:13,050 --> 00:48:17,789  
my head and I'm not in my heart enough I

1087  
00:48:14,849 --> 00:48:21,180  
know that already what I get hung up on

1088  
00:48:17,789 --> 00:48:24,150  
is the day-to-day practice of making

1089  
00:48:21,179 --> 00:48:26,460  
that happen so when I go hit the yoga

1090  
00:48:24,150 --> 00:48:29,818  
mat which I've done for you know over 20

1091  
00:48:26,460 --> 00:48:31,440  
years gray and I face the always this

1092  
00:48:29,818 --> 00:48:33,358  
racing mind that tells me oh you can

1093  
00:48:31,440 --> 00:48:34,500  
leave early or come on out of here or

1094  
00:48:33,358 --> 00:48:37,679  
what are you having for lunch and all

1095  
00:48:34,500 --> 00:48:39,869  
that hey man that's that's it right

1096  
00:48:37,679 --> 00:48:44,039  
there that's what's happening that's the

1097  
00:48:39,869 --> 00:48:46,289  
ayahuasca experience of being why can I

1098  
00:48:44,039 --> 00:48:47,909  
not be in the moment why can't I not

1099  
00:48:46,289 --> 00:48:51,059  
apply myself and then I just have to

1100  
00:48:47,909 --> 00:48:54,420  
laugh at at my condition so you know

1101  
00:48:51,059 --> 00:48:57,449  
it's like what am I spiritual I think

1102  
00:48:54,420 --> 00:48:59,670  
mentors and guides is a guy named neem

1103  
00:48:57,449 --> 00:49:00,929  
Karoli Baba you passed away a number

1104  
00:48:59,670 --> 00:49:04,079  
years ago we all know

1105  
00:49:00,929 --> 00:49:05,489  
das right yes here now so rom das when

1106  
00:49:04,079 --> 00:49:07,740  
he went to india he went to see neem

1107  
00:49:05,489 --> 00:49:09,719  
karoli baba and he tells the famous

1108  
00:49:07,739 --> 00:49:12,838  
story about you know these guys were all

1109  
00:49:09,719 --> 00:49:17,699  
tripping they're like crazy right i mean

1110  
00:49:12,838 --> 00:49:19,400  
rom das was part with timothy leary I

1111  
00:49:17,699 --> 00:49:23,189  
mean these guys who started the whole

1112

00:49:19,400 --> 00:49:24,780  
acid thing at Harvard back in the 60s so

1113  
00:49:23,190 --> 00:49:26,389  
they have a ton of acid and they bring

1114  
00:49:24,780 --> 00:49:31,559  
it over there and they give it to this

1115  
00:49:26,389 --> 00:49:33,929  
Indian st. maharaja and he says waves

1116  
00:49:31,559 --> 00:49:36,089  
Marvin says gimme gimme the acid and

1117  
00:49:33,929 --> 00:49:39,029  
he's takes one two three four five six

1118  
00:49:36,088 --> 00:49:40,739  
any places him on his tongue so he makes

1119  
00:49:39,030 --> 00:49:42,869  
sure that these guys see that it's not

1120  
00:49:40,739 --> 00:49:45,868  
some sleight of hand thing he's is there

1121  
00:49:42,869 --> 00:49:47,608  
okay i've taken it and he says nothing

1122  
00:49:45,869 --> 00:49:49,920  
happens they're amazed i mean nothing

1123  
00:49:47,608 --> 00:49:51,869  
happens and he tells him he says look he

1124  
00:49:49,920 --> 00:49:53,700  
says this is a this is a good medicine

1125  
00:49:51,869 --> 00:49:56,608  
this is a God medicine it lets you see

1126  
00:49:53,699 --> 00:49:59,489

God he said but if you it takes a very

1127

00:49:56,608 --> 00:50:01,650

strong mind to have it not affect you or

1128

00:49:59,489 --> 00:50:04,139

to have it affect you he said but it's

1129

00:50:01,650 --> 00:50:07,289

an okay medicine he said but the goal is

1130

00:50:04,139 --> 00:50:10,348

to see God all the time without the

1131

00:50:07,289 --> 00:50:12,838

medicine right so and I think he's using

1132

00:50:10,349 --> 00:50:16,318

medicine they're kind of freely but I

1133

00:50:12,838 --> 00:50:20,039

think the point is the same the problem

1134

00:50:16,318 --> 00:50:23,219

to me seems to be not how do we see God

1135

00:50:20,039 --> 00:50:25,409

because we all have moments brief as

1136

00:50:23,219 --> 00:50:27,598

they may be when we you know try and

1137

00:50:25,409 --> 00:50:29,940

when i'm using got very loosely here

1138

00:50:27,599 --> 00:50:31,170

folks I don't know what God means and I

1139

00:50:29,940 --> 00:50:33,539

certainly don't think it means anything

1140

00:50:31,170 --> 00:50:35,579

Christian or Jewish your religious

1141  
00:50:33,539 --> 00:50:38,639  
religious in any way that I think about

1142  
00:50:35,579 --> 00:50:42,390  
our Buddhist but I think our challenge

1143  
00:50:38,639 --> 00:50:45,150  
is to maintain that connection as much

1144  
00:50:42,389 --> 00:50:48,328  
as we can and in that sense I'm not sure

1145  
00:50:45,150 --> 00:50:52,619  
what psychedelics how they can really

1146  
00:50:48,329 --> 00:50:55,980  
help us do that long-term having not

1147  
00:50:52,619 --> 00:51:01,970  
imbibed in psychedelics but having been

1148  
00:50:55,980 --> 00:51:06,150  
a person who has had experience or type

1149  
00:51:01,969 --> 00:51:09,230  
experiences that's a double their having

1150  
00:51:06,150 --> 00:51:14,460  
had a lot of experiences that were non

1151  
00:51:09,230 --> 00:51:14,820  
non usual unusual paranormal I do have

1152  
00:51:14,460 --> 00:51:17,699  
the

1153  
00:51:14,820 --> 00:51:20,370  
desire to try it not to make it my life

1154  
00:51:17,699 --> 00:51:23,189  
but I do have the desire to try it right

1155  
00:51:20,369 --> 00:51:27,690  
now I have a client who is setting off

1156  
00:51:23,190 --> 00:51:30,510  
to go down to Colombia to participate at

1157  
00:51:27,690 --> 00:51:33,179  
one of these sort of like ranches

1158  
00:51:30,510 --> 00:51:35,330  
outside of the city where there is

1159  
00:51:33,179 --> 00:51:38,909  
generally a shaman of some sort and

1160  
00:51:35,329 --> 00:51:41,719  
participate in an ayahuasca ritual and

1161  
00:51:38,909 --> 00:51:45,119  
the reason why she's doing it is because

1162  
00:51:41,719 --> 00:51:48,409  
almost no substance it all affects her I

1163  
00:51:45,119 --> 00:51:52,019  
mean she cannot be affected by normal

1164  
00:51:48,409 --> 00:51:54,629  
alcohol and drugs at all she just it

1165  
00:51:52,019 --> 00:51:57,420  
doesn't affect her and I thought she was

1166  
00:51:54,630 --> 00:52:00,030  
lying and then she proved it to me I'm

1167  
00:51:57,420 --> 00:52:03,300  
because it's a privileged communication

1168  
00:52:00,030 --> 00:52:05,090  
I'm not going to discuss the details but

1169

00:52:03,300 --> 00:52:11,060  
suffice it to say that I was

1170  
00:52:05,090 --> 00:52:14,430  
sufficiently convinced that all these

1171  
00:52:11,059 --> 00:52:17,639  
medicinal substances did not have an

1172  
00:52:14,429 --> 00:52:19,649  
effect on her so um that's I'm just

1173  
00:52:17,639 --> 00:52:21,420  
exited from that point of view well i

1174  
00:52:19,650 --> 00:52:24,180  
had a friend in high school though that

1175  
00:52:21,420 --> 00:52:26,309  
you know at that time this is way before

1176  
00:52:24,179 --> 00:52:29,309  
drugs and all this good stuff we used to

1177  
00:52:26,309 --> 00:52:31,500  
sort of fool around with beer so is he

1178  
00:52:29,309 --> 00:52:33,239  
innocent days but she could go through

1179  
00:52:31,500 --> 00:52:36,420  
two or three six packs and be totally

1180  
00:52:33,239 --> 00:52:38,309  
silver totally at no alcohol absolutely

1181  
00:52:36,420 --> 00:52:40,769  
no effect is very interesting and she

1182  
00:52:38,309 --> 00:52:43,170  
was not a spiritual person no neither is

1183  
00:52:40,769 --> 00:52:46,500

this woman that's going down to what to

1184

00:52:43,170 --> 00:52:50,340

equity zombie actions god help her a

1185

00:52:46,500 --> 00:52:54,150

lawyer today so so Alex it's been great

1186

00:52:50,340 --> 00:52:56,760

having you on here on on our program

1187
