

1
00:00:15,259 --> 00:00:21,768
welcome to shattered reality with their

2
00:00:18,539 --> 00:00:24,868
hosts Kate Ballantine and ferocious

3
00:00:21,768 --> 00:00:29,219
prepare to Heather paradigms shifted in

4
00:00:24,868 --> 00:00:34,019
the truths questioned and now shattered

5
00:00:29,219 --> 00:00:38,759
reality hi and welcome to shattered

6
00:00:34,020 --> 00:00:41,280
reality we are your host faroush ax and

7
00:00:38,759 --> 00:00:44,399
Kate Valentine and we're so happy that

8
00:00:41,280 --> 00:00:48,120
you joined us again and I think Russia

9
00:00:44,399 --> 00:00:52,170
wants to go over last week's guest yeah

10
00:00:48,119 --> 00:00:55,468
on our last podcast we featured the very

11
00:00:52,170 --> 00:00:59,609
popular veteran radio host and lunar

12
00:00:55,469 --> 00:01:02,268
anomaly expert Don Ecker and we mostly

13
00:00:59,609 --> 00:01:05,400
got excellent feedback on our guest

14
00:01:02,268 --> 00:01:08,489
donnas is such a sweet down-to-earth guy

15
00:01:05,400 --> 00:01:11,250
he's great guy but a couple of our

16
00:01:08,489 --> 00:01:13,709
critics told us that we should explore

17
00:01:11,250 --> 00:01:15,780
the Clementine photos from the

18
00:01:13,709 --> 00:01:18,089
Clementine mission of NASA a little more

19
00:01:15,780 --> 00:01:21,060
carefully and we will do that we promise

20
00:01:18,090 --> 00:01:24,359
you but in the meanwhile we have some

21
00:01:21,060 --> 00:01:28,259
brand-new news two things have occurred

22
00:01:24,359 --> 00:01:31,069
on the space watch here that are of

23
00:01:28,259 --> 00:01:37,710
great interest to us both of which

24
00:01:31,069 --> 00:01:40,468
revolve around exobiology actually the

25
00:01:37,709 --> 00:01:44,688
first one everyone knows about that is

26
00:01:40,468 --> 00:01:49,949
the european space missions Rosetta

27
00:01:44,688 --> 00:01:53,129
project which recently landed a small

28
00:01:49,950 --> 00:01:57,659
craft called the fillet on the surface

29

00:01:53,129 --> 00:02:00,089
of a small two-mile comet and it is now

30
00:01:57,659 --> 00:02:02,250
sending back information at first they

31
00:02:00,090 --> 00:02:04,978
thought it was lost because it kind of

32
00:02:02,250 --> 00:02:06,780
bounced because the the comet has very

33
00:02:04,978 --> 00:02:09,719
little gravity but they're gonna be

34
00:02:06,780 --> 00:02:12,210
sending back information about just what

35
00:02:09,719 --> 00:02:15,469
the snow of the comet is made of and

36
00:02:12,210 --> 00:02:20,480
people who who are interested in

37
00:02:15,469 --> 00:02:20,479
exobiology people like our good friend

38
00:02:22,400 --> 00:02:29,150
you could do that Chandra Wickramasinghe

39
00:02:25,219 --> 00:02:31,680
who is very very interested in

40
00:02:29,150 --> 00:02:34,409
exobiology he's gonna he's gonna have a

41
00:02:31,680 --> 00:02:36,709
field day with this now the second thing

42
00:02:34,409 --> 00:02:41,219
that happened is a little bit less known

43
00:02:36,709 --> 00:02:43,140

our own space agency NASA has a Mars

44

00:02:41,219 --> 00:02:45,120

rover I fact I think there is still two

45

00:02:43,139 --> 00:02:49,799

Mars rovers out there yeah well one of

46

00:02:45,120 --> 00:02:52,200

them poured a sample from a dry lake bed

47

00:02:49,800 --> 00:02:54,209

now this lake bed has been dry for maybe

48

00:02:52,199 --> 00:02:59,879

a million years or so they think and

49

00:02:54,209 --> 00:03:04,110

what they came up with was a fish a fish

50

00:02:59,879 --> 00:03:08,400

fossil from Mars looks just like a

51

00:03:04,110 --> 00:03:12,209

little fish that you might find in the

52

00:03:08,400 --> 00:03:14,610

ocean grade on earth and the time span

53

00:03:12,209 --> 00:03:17,969

is similar to the time when fishes began

54

00:03:14,610 --> 00:03:21,209

evolving here as well okay that I didn't

55

00:03:17,969 --> 00:03:24,199

know and the crinoid fossils as well yes

56

00:03:21,209 --> 00:03:27,810

so it seems like there was a thriving

57

00:03:24,199 --> 00:03:30,839

aqueous life form yes at least that

58
00:03:27,810 --> 00:03:35,150
although our remote viewers tell us that

59
00:03:30,840 --> 00:03:37,920
there were more beings like sentient

60
00:03:35,150 --> 00:03:40,260
two-legged two-armed beings roving

61
00:03:37,919 --> 00:03:42,899
around Mars many millions of years ago

62
00:03:40,259 --> 00:03:45,179
but back to the Cree noise or crinoids

63
00:03:42,900 --> 00:03:49,019
whatever they call I don't hear those

64
00:03:45,180 --> 00:03:52,079
little curly uppy things yes from a time

65
00:03:49,019 --> 00:03:54,420
a previous on earth from a time previous

66
00:03:52,079 --> 00:03:56,280
to the dinosaurs probably around the

67
00:03:54,419 --> 00:04:00,750
same time as the trailer bites were

68
00:03:56,280 --> 00:04:03,989
around and they had taken some

69
00:04:00,750 --> 00:04:06,629
photographs with the rover and a lot of

70
00:04:03,989 --> 00:04:09,539
biologists looked at it and they swore

71
00:04:06,629 --> 00:04:12,419
that they were Creed's crinoids mm-hmm

72
00:04:09,539 --> 00:04:15,479
and then the Mars rover went over and

73
00:04:12,419 --> 00:04:20,728
pulverized it hm-hm and we have to

74
00:04:15,479 --> 00:04:24,659
wonder why they were the the order to

75
00:04:20,728 --> 00:04:27,870
pause the little crinoids and it was it

76
00:04:24,660 --> 00:04:30,120
was it was a big big thing in exobiology

77
00:04:27,870 --> 00:04:32,879
at the time but we hear very little

78
00:04:30,120 --> 00:04:36,809
about this we hear mostly about

79
00:04:32,879 --> 00:04:39,509
Ebola and other other things the story

80
00:04:36,809 --> 00:04:41,969
of the day the real the real news we

81
00:04:39,509 --> 00:04:45,319
don't hear about enough what and that's

82
00:04:41,968 --> 00:04:48,769
why we're here because this is free

83
00:04:45,319 --> 00:04:52,770
broadcasting I see an open broadcasting

84
00:04:48,769 --> 00:04:54,598
okay so I have nothing more to add to

85
00:04:52,769 --> 00:04:56,908
that I think that's excellent that's a

86

00:04:54,598 --> 00:04:58,649
really good catch up okay so now we have

87
00:04:56,908 --> 00:04:59,879
to introduce our guest who is kind

88
00:04:58,649 --> 00:05:03,769
enough to be with us

89
00:04:59,879 --> 00:05:06,300
yes indeed our guest is Philip Smith

90
00:05:03,769 --> 00:05:07,948
he's an artist with works in the

91
00:05:06,300 --> 00:05:11,218
permanent collection of the Whitney

92
00:05:07,949 --> 00:05:13,528
Museum the Boston Museum of Art the

93
00:05:11,218 --> 00:05:17,519
Dallas Museum of Art among many other

94
00:05:13,528 --> 00:05:20,819
places he has also been the managing

95
00:05:17,519 --> 00:05:23,610
editor of GQ magazine in the past his

96
00:05:20,819 --> 00:05:25,919
paintings draw inspiration from his

97
00:05:23,610 --> 00:05:29,278
father's work as a psychic healer and

98
00:05:25,918 --> 00:05:31,579
his memoir about growing up with his

99
00:05:29,278 --> 00:05:35,009
father is called walking through walls

100
00:05:31,579 --> 00:05:37,378

for more information on his book please

101

00:05:35,009 --> 00:05:41,158

visit walking through walls of the book

102

00:05:37,379 --> 00:05:44,908

calm and his art can be seen at Philip

103

00:05:41,158 --> 00:05:48,468

Smith art calm and I can say absolutely

104

00:05:44,908 --> 00:05:51,269

that this is a thoroughly enjoyable book

105

00:05:48,468 --> 00:05:52,408

having read it and written about it back

106

00:05:51,269 --> 00:05:55,680

in 2009

107

00:05:52,408 --> 00:05:58,498

welcome Philip Smith thank you I'm

108

00:05:55,680 --> 00:06:05,728

following them the Mars rover is a big

109

00:05:58,499 --> 00:06:07,649

honor as I was really fascinated first

110

00:06:05,728 --> 00:06:10,199

of all by your title Oh

111

00:06:07,649 --> 00:06:13,139

what does that refer to walking through

112

00:06:10,199 --> 00:06:15,598

walls well it's it's an incident that

113

00:06:13,139 --> 00:06:20,848

actually happened when I was a kid I was

114

00:06:15,598 --> 00:06:23,610

I was about 14 and I had my father was

115
00:06:20,848 --> 00:06:25,079
living at a you know next door my

116
00:06:23,610 --> 00:06:27,809
parents had separated and we had a

117
00:06:25,079 --> 00:06:29,999
little guest house on the property and I

118
00:06:27,809 --> 00:06:32,490
came home one night and I want to talk

119
00:06:29,999 --> 00:06:33,809
to my father it's great having divorced

120
00:06:32,490 --> 00:06:36,959
parents that live next door to each

121
00:06:33,809 --> 00:06:39,990
other yeah you don't have to make

122
00:06:36,959 --> 00:06:42,180
playdates or anything and I just knocked

123
00:06:39,990 --> 00:06:43,709
on the door and no one answered I kept

124
00:06:42,180 --> 00:06:45,449
knocking knocking knocking and finally

125
00:06:43,709 --> 00:06:46,620
this guy I'd never seen before slowly

126
00:06:45,449 --> 00:06:49,139
opens the

127
00:06:46,620 --> 00:06:51,300
door it's almost like in a Frankenstein

128
00:06:49,139 --> 00:06:54,689
movie and he just looks down at me and

129
00:06:51,300 --> 00:06:57,290
he said your father's and trans he's

130
00:06:54,689 --> 00:06:59,728
communicating with the ninth plane and

131
00:06:57,290 --> 00:07:02,340
then he he starts to close the door and

132
00:06:59,728 --> 00:07:04,168
he looks back at me he said haven't you

133
00:07:02,339 --> 00:07:06,689
learned to walk through walls yet you're

134
00:07:04,168 --> 00:07:10,168
your father's son so that's where the

135
00:07:06,689 --> 00:07:12,719
title about my father's miracles and

136
00:07:10,168 --> 00:07:15,120
about being his son he's certain

137
00:07:12,720 --> 00:07:17,280
obviously had a huge influence on you

138
00:07:15,120 --> 00:07:25,340
can you tell us something about your

139
00:07:17,279 --> 00:07:28,259
dead Oh a remarkable remarkable guy he

140
00:07:25,339 --> 00:07:30,060
he was born in Poland not in this

141
00:07:28,259 --> 00:07:32,069
country and he always had a sense of

142
00:07:30,060 --> 00:07:35,220
that there was something else out there

143

00:07:32,069 --> 00:07:37,918
to me growing up here in America I

144
00:07:35,220 --> 00:07:40,169
thought my father was kind of weird and

145
00:07:37,918 --> 00:07:44,310
you know at the time in the 50s and 60s

146
00:07:40,168 --> 00:07:47,698
you saw very normal type parents on

147
00:07:44,310 --> 00:07:50,699
television and an ad and I wanted one of

148
00:07:47,699 --> 00:07:53,400
those sort of picture-perfect dads I

149
00:07:50,699 --> 00:07:54,719
wanted you know I wanted to drink

150
00:07:53,399 --> 00:07:57,060
kool-aid and have jello in the

151
00:07:54,720 --> 00:08:00,979
refrigerator and he was definitely not

152
00:07:57,060 --> 00:08:04,649
that he was an interior decorator that

153
00:08:00,978 --> 00:08:06,240
he worked for the president of Cuba he

154
00:08:04,649 --> 00:08:10,879
decorated the presidential palace in

155
00:08:06,240 --> 00:08:13,620
Haiti worked for Dean Martin Walt Disney

156
00:08:10,879 --> 00:08:17,069
when he was a kid he hitchhike out to

157
00:08:13,620 --> 00:08:18,750

Hollywood and he started building and

158

00:08:17,069 --> 00:08:22,259

designing sets for Charlie Chaplin on

159

00:08:18,750 --> 00:08:24,449

the Gold Rush and then one day out of

160

00:08:22,259 --> 00:08:26,038

the blue in the 60s he discovers that he

161

00:08:24,449 --> 00:08:28,169

can talk to dead people and he'll sick

162

00:08:26,038 --> 00:08:30,598

people and our lives just totally

163

00:08:28,168 --> 00:08:32,699

changed and suddenly our house became

164

00:08:30,598 --> 00:08:35,338

like Lords people coming over at three

165

00:08:32,700 --> 00:08:37,800

four o'clock in the morning and I think

166

00:08:35,339 --> 00:08:40,650

it's important to set the context and

167

00:08:37,799 --> 00:08:43,918

and the chronology because this was

168

00:08:40,649 --> 00:08:45,750

happening in the 60s and 70s when none

169

00:08:43,918 --> 00:08:48,778

of this was talked about more

170

00:08:45,750 --> 00:08:51,450

importantly the medical industry let's

171

00:08:48,778 --> 00:08:54,149

go ahead there were no such things as

172
00:08:51,450 --> 00:08:57,390
cat scans or MRIs so where there really

173
00:08:54,149 --> 00:09:00,539
wasn't heart transplant or there wasn't

174
00:08:57,389 --> 00:09:04,830
even lipitor so if basically you had

175
00:09:00,539 --> 00:09:07,769
you were diagnosed with congestive heart

176
00:09:04,830 --> 00:09:10,050
failure or leukemia the doctor sent you

177
00:09:07,769 --> 00:09:12,480
home to die that was it they hadn't had

178
00:09:10,049 --> 00:09:15,089
nothing for you and these are the people

179
00:09:12,480 --> 00:09:19,289
who came to see my father can you tell

180
00:09:15,090 --> 00:09:22,620
us a little bit more about that seminal

181
00:09:19,289 --> 00:09:26,819
moment where he went from simply being a

182
00:09:22,620 --> 00:09:30,840
very creative man to realizing that he

183
00:09:26,820 --> 00:09:34,920
had these other talents well it was both

184
00:09:30,840 --> 00:09:38,220
gradual and sudden gradual in that when

185
00:09:34,919 --> 00:09:42,799
I was a kid growing up he was very

186
00:09:38,220 --> 00:09:46,139
interested in esoteric alternative

187
00:09:42,799 --> 00:09:48,209
Indian all sorts of things so for

188
00:09:46,139 --> 00:09:49,730
example when I was I guess in fifth or

189
00:09:48,210 --> 00:09:54,300
sixth grade and my father

190
00:09:49,730 --> 00:09:58,139
that would be 1957 no I mean sorry I was

191
00:09:54,299 --> 00:09:59,969
thoughtless I read like 1963 and he's

192
00:09:58,139 --> 00:10:03,779
getting up every morning and doing yoga

193
00:09:59,970 --> 00:10:05,670
now that Wow back then that was most

194
00:10:03,779 --> 00:10:08,909
people watching Jack LaLanne

195
00:10:05,669 --> 00:10:10,500
yes yeah if they were doing that and I

196
00:10:08,909 --> 00:10:12,269
went to school one day we were doing

197
00:10:10,500 --> 00:10:13,409
show in Tallinn just like you asked me

198
00:10:12,269 --> 00:10:15,419
the teacher said can you tell us

199
00:10:13,409 --> 00:10:17,789
something about your parents I said well

200

00:10:15,419 --> 00:10:21,329
my father wakes up and he does the yoga

201
00:10:17,789 --> 00:10:23,370
and the the pranayama and the teacher

202
00:10:21,330 --> 00:10:27,420
was from Tennessee she says yeah we got

203
00:10:23,370 --> 00:10:30,240
what the hell's that so that gives you a

204
00:10:27,419 --> 00:10:34,169
time period of how alien I mean you're

205
00:10:30,240 --> 00:10:38,700
talking about sentient beings on Mars I

206
00:10:34,169 --> 00:10:42,719
I grew up with one understand he was so

207
00:10:38,700 --> 00:10:45,480
strange well I want to tell you one

208
00:10:42,720 --> 00:10:49,290
thing Phillip that you still can talk

209
00:10:45,480 --> 00:10:51,509
about yoga and Branson Missouri know if

210
00:10:49,289 --> 00:10:54,120
you're on stage in Branson Missouri and

211
00:10:51,509 --> 00:10:56,189
you speak about yoga somebody that I

212
00:10:54,120 --> 00:10:58,710
know was entertaining there and got

213
00:10:56,190 --> 00:11:00,870
fired really was it was unchristian to

214
00:10:58,710 --> 00:11:04,440

speaking about yoga and Branson Missouri

215

00:11:00,870 --> 00:11:07,019

oh wow well if everybody's amazed by

216

00:11:04,440 --> 00:11:09,690

what you just said but but teleport back

217

00:11:07,019 --> 00:11:12,090

50 years and that yes by that and get a

218

00:11:09,690 --> 00:11:14,339

sense of the kind of because my father

219

00:11:12,090 --> 00:11:15,720

would get he'd get a rest

220

00:11:14,339 --> 00:11:19,069

for practicing medicine without a

221

00:11:15,720 --> 00:11:22,230

license he gets thrown out of hospital

222

00:11:19,068 --> 00:11:23,519

you know and he would get calls in the

223

00:11:22,230 --> 00:11:26,459

middle of the night threatening his life

224

00:11:23,519 --> 00:11:28,919

because he was working with Satan the

225

00:11:26,458 --> 00:11:31,919

police would take him away so if that's

226

00:11:28,919 --> 00:11:33,299

happening now think about 50 years ago

227

00:11:31,919 --> 00:11:35,068

yes absolutely

228

00:11:33,299 --> 00:11:37,708

absolutely you're absolutely correct

229

00:11:35,068 --> 00:11:40,919

it's so much closer 50 years ago was so

230

00:11:37,708 --> 00:11:43,739

much closer to the 19th century when you

231

00:11:40,919 --> 00:11:45,269

know the whole materialist paradigm took

232

00:11:43,740 --> 00:11:47,698

hold of our culture

233

00:11:45,269 --> 00:11:51,209

yeah cause and effect what was your mom

234

00:11:47,698 --> 00:11:55,490

like did it must have been somewhat

235

00:11:51,208 --> 00:11:55,489

difficult for her to adjust to that

236

00:11:55,980 --> 00:12:04,259

yeah I think it was because previous to

237

00:12:01,458 --> 00:12:06,208

basically my father evolved into this he

238

00:12:04,259 --> 00:12:07,680

like I said he did yoga then he started

239

00:12:06,208 --> 00:12:09,539

doing macrobiotics and he started

240

00:12:07,679 --> 00:12:11,909

meditating and then little by little

241

00:12:09,539 --> 00:12:14,639

these spirit guides started showing up

242

00:12:11,909 --> 00:12:17,129

and announcing themselves to him and

243

00:12:14,639 --> 00:12:19,350
that's how he started talking to these

244

00:12:17,129 --> 00:12:23,249
people and taking dictation at 4:00 in

245

00:12:19,350 --> 00:12:25,709
the morning from them my mom you know my

246

00:12:23,249 --> 00:12:28,528
father being an interior designer they

247

00:12:25,708 --> 00:12:31,138
led a very glamorous life I mean yeah it

248

00:12:28,528 --> 00:12:33,269
sounds like it yeah I mean they would go

249

00:12:31,139 --> 00:12:34,528
to Cuba for the weekend and she'd go

250

00:12:33,269 --> 00:12:37,470
gambling and he'd meet with the

251

00:12:34,528 --> 00:12:40,528
president over work and or you know they

252

00:12:37,470 --> 00:12:41,910
go out to Palm Beach whatever and all of

253

00:12:40,528 --> 00:12:45,120
a sudden you've got people in

254

00:12:41,909 --> 00:12:46,588
wheelchairs or blind babies coming to

255

00:12:45,120 --> 00:12:49,678
house at 3 o'clock in the morning and

256

00:12:46,589 --> 00:12:51,899
our house was like an emergency room so

257

00:12:49,678 --> 00:12:55,249
it was difficult I think the transition

258
00:12:51,899 --> 00:12:59,399
was she didn't really sign on for this

259
00:12:55,249 --> 00:13:02,639
she supported my father and what he was

260
00:12:59,399 --> 00:13:05,490
going through but it was it was strange

261
00:13:02,639 --> 00:13:07,499
it was so it was evolving so rapidly it

262
00:13:05,490 --> 00:13:10,558
was very difficult for her to kind of

263
00:13:07,499 --> 00:13:12,629
find her place in this mm-hmm really

264
00:13:10,558 --> 00:13:15,899
think is why they divorced were you an

265
00:13:12,629 --> 00:13:18,808
only child or did you yes Oh like I got

266
00:13:15,899 --> 00:13:21,448
it all oh yeah see everything there was

267
00:13:18,808 --> 00:13:24,588
there was no one and basically there was

268
00:13:21,448 --> 00:13:27,298
a code of silence because I knew that

269
00:13:24,589 --> 00:13:27,870
one I told you the yoga story or the

270
00:13:27,298 --> 00:13:30,269
police

271
00:13:27,870 --> 00:13:32,970

so that once I left the house I

272

00:13:30,269 --> 00:13:34,740

transformed myself into disappearance of

273

00:13:32,970 --> 00:13:37,889

a normal kid and I pretended my father

274

00:13:34,740 --> 00:13:41,340

sold insurance and we were like Ozzie

275

00:13:37,889 --> 00:13:43,649

and Harriet because I was protecting my

276

00:13:41,340 --> 00:13:46,320

parents and I but when I was home it was

277

00:13:43,649 --> 00:13:48,779

perfectly normal for my father to you

278

00:13:46,320 --> 00:13:51,420

don't know exactly what I said or did

279

00:13:48,779 --> 00:13:54,089

during the day or when I got older when

280

00:13:51,419 --> 00:13:56,669

I was a bad kid and was doing some

281

00:13:54,090 --> 00:13:58,830

experimenting with with with drugs he'd

282

00:13:56,669 --> 00:14:01,139

know where I hid them and he just need

283

00:13:58,830 --> 00:14:02,879

just I became totally transparent

284

00:14:01,139 --> 00:14:05,460

because he he just knew what I was

285

00:14:02,879 --> 00:14:08,639

thinking what I was doing well I I have

286
00:14:05,460 --> 00:14:11,400
to say here Phillip that the way that I

287
00:14:08,639 --> 00:14:14,580
was drawn to you and your story and your

288
00:14:11,399 --> 00:14:18,000
book is really quite amazing I picked it

289
00:14:14,580 --> 00:14:19,920
up initially back in 2009 not by

290
00:14:18,000 --> 00:14:22,440
accident I went to the library and it

291
00:14:19,919 --> 00:14:24,089
was a new book on the shelf and walking

292
00:14:22,440 --> 00:14:26,160
through walls it sounds like my kind of

293
00:14:24,090 --> 00:14:29,280
thing and I picked it up and I read it

294
00:14:26,159 --> 00:14:32,309
and if you possibly recall back then I

295
00:14:29,279 --> 00:14:34,289
did write a blog piece that included the

296
00:14:32,309 --> 00:14:36,379
books that I was reading and your book

297
00:14:34,289 --> 00:14:39,870
was one of the two books that I had

298
00:14:36,379 --> 00:14:42,360
noted and I had just been at that

299
00:14:39,870 --> 00:14:44,909
juncture to Coral Castle and you and

300
00:14:42,360 --> 00:14:47,159
your father went to Coral Castle and I

301
00:14:44,909 --> 00:14:50,339
grew up with my father being a psychic

302
00:14:47,159 --> 00:14:52,589
though he did not work as a psychic the

303
00:14:50,340 --> 00:14:55,170
way your father did he just he made

304
00:14:52,590 --> 00:14:57,360
talismans and he talked to dead people

305
00:14:55,169 --> 00:14:58,979
and he would tell me when I was sitting

306
00:14:57,360 --> 00:15:00,779
in the back seat of the car or your

307
00:14:58,980 --> 00:15:03,779
grandfather sitting next to you that

308
00:15:00,779 --> 00:15:05,879
sort of thing and unlike you though I

309
00:15:03,779 --> 00:15:08,850
never wanted to be normal I was quite

310
00:15:05,879 --> 00:15:11,549
happy being abnormal and I too went to

311
00:15:08,850 --> 00:15:14,550
school for art but I have turned out to

312
00:15:11,549 --> 00:15:16,949
be a a psychic reader and just as we

313
00:15:14,549 --> 00:15:21,269
were thinking about our second podcast I

314

00:15:16,950 --> 00:15:23,430
found a note from you on my on my blog a

315
00:15:21,269 --> 00:15:25,769
you know kind of cryptic little note on

316
00:15:23,429 --> 00:15:28,559
my blogs mentioning your book and I said

317
00:15:25,769 --> 00:15:30,449
boy that would be a great guest Phillip

318
00:15:28,559 --> 00:15:34,639
Smith would be a great guest for our

319
00:15:30,450 --> 00:15:38,009
podcast so it was has all been kind of

320
00:15:34,639 --> 00:15:41,698
synchronistic we could say mm-hmm well

321
00:15:38,009 --> 00:15:44,548
that that you know I think that

322
00:15:41,698 --> 00:15:48,088
this idea of synchronicity or this idea

323
00:15:44,548 --> 00:15:50,608
of happy accidents or whatever I think

324
00:15:48,089 --> 00:15:53,129
that once you once you enter that energy

325
00:15:50,609 --> 00:15:55,559
stream that it just takes you there I

326
00:15:53,129 --> 00:15:58,558
think that these things just once you

327
00:15:55,558 --> 00:16:00,688
sort of agree to sign on that this is

328
00:15:58,558 --> 00:16:02,759

this is how you see the world this is

329

00:16:00,688 --> 00:16:05,608
your belief system off you go

330

00:16:02,759 --> 00:16:08,399
well that's the whole title of this

331

00:16:05,609 --> 00:16:10,199
podcast is shattered reality like the

332

00:16:08,399 --> 00:16:14,159
reality of course is Ozzie and Harriet

333

00:16:10,198 --> 00:16:18,418
and we all know that that definitely was

334

00:16:14,159 --> 00:16:20,129
abnormal because ain't nobody like I was

335

00:16:18,418 --> 00:16:21,778
he and Harriet out there I don't think

336

00:16:20,129 --> 00:16:24,720
although they they say that they

337

00:16:21,778 --> 00:16:29,039
themselves were pretty they pretty much

338

00:16:24,720 --> 00:16:31,350
lived the show life but I don't know you

339

00:16:29,039 --> 00:16:33,928
know I saw a bumper sticker on a car

340

00:16:31,350 --> 00:16:38,879
that said everybody's normal until you

341

00:16:33,928 --> 00:16:41,129
get to know them so but but really I

342

00:16:38,879 --> 00:16:43,949
mean for you you are living in two

343
00:16:41,129 --> 00:16:46,288
realities just as you said you walked

344
00:16:43,948 --> 00:16:48,448
out your dad sold insurance and

345
00:16:46,288 --> 00:16:51,600
everything was hunky-dory and then you

346
00:16:48,448 --> 00:16:54,118
got home and he could so he actually was

347
00:16:51,600 --> 00:16:57,959
so attuned in to you he knew where you

348
00:16:54,119 --> 00:17:01,319
were and what you were doing that's not

349
00:16:57,958 --> 00:17:03,508
always a good thing well he part of it

350
00:17:01,318 --> 00:17:06,808
is one of the the tools he used for

351
00:17:03,509 --> 00:17:09,449
diagnosing people was was a pendulum so

352
00:17:06,808 --> 00:17:11,879
he would take the pendulum and he would

353
00:17:09,449 --> 00:17:13,528
he would be able to diagnose people as

354
00:17:11,880 --> 00:17:14,880
to what their disease was it didn't

355
00:17:13,528 --> 00:17:18,898
matter whether they were in the room or

356
00:17:14,880 --> 00:17:20,610
if they were sitting in in Brazil but he

357
00:17:18,898 --> 00:17:24,168
would use that pendulum on me as well

358
00:17:20,609 --> 00:17:27,688
and he knew exactly what I was doing

359
00:17:24,169 --> 00:17:29,940
it's funny no it growing up as a kid you

360
00:17:27,689 --> 00:17:31,409
do need privacy you do need space and

361
00:17:29,940 --> 00:17:34,048
and knowing that you're basically

362
00:17:31,409 --> 00:17:36,450
transparent your father you could be

363
00:17:34,048 --> 00:17:39,089
doing all sorts of things and you get

364
00:17:36,450 --> 00:17:41,548
home and you put on a smile and he knows

365
00:17:39,089 --> 00:17:43,558
exactly where you were what you did but

366
00:17:41,548 --> 00:17:44,970
you know as you get older you kind of

367
00:17:43,558 --> 00:17:47,158
miss that it's great to have someone

368
00:17:44,970 --> 00:17:48,659
looking out for you absolutely but you

369
00:17:47,159 --> 00:17:50,549
know of course Phillip he's still

370
00:17:48,659 --> 00:17:53,399
looking out for you oh there's there's

371

00:17:50,548 --> 00:17:55,319
no question there's no question do you

372
00:17:53,398 --> 00:17:59,399
see like actual

373
00:17:55,319 --> 00:18:01,980
actions or it just is it just the

374
00:17:59,400 --> 00:18:06,259
feeling that he's there or is there some

375
00:18:01,980 --> 00:18:09,690
sort of I don't know like a movement of

376
00:18:06,259 --> 00:18:12,240
like III really I agree with you

377
00:18:09,690 --> 00:18:14,370
Ferruccio that I'm sure your dad's still

378
00:18:12,240 --> 00:18:17,190
looking out for you but you just sense

379
00:18:14,369 --> 00:18:20,489
his presence or is there some way he

380
00:18:17,190 --> 00:18:24,330
lets you know about it there's a couple

381
00:18:20,490 --> 00:18:26,640
things one is I about the last year I

382
00:18:24,329 --> 00:18:29,519
think dictation from him every night I

383
00:18:26,640 --> 00:18:32,970
sit down and really he starts talking to

384
00:18:29,519 --> 00:18:37,859
me so I start writing but usually during

385
00:18:32,970 --> 00:18:41,190

the day he will he will kind of like

386

00:18:37,859 --> 00:18:43,589

tickle my my left earlobe and at first I

387

00:18:41,190 --> 00:18:45,269

thought it was a bug and I kept swapping

388

00:18:43,589 --> 00:18:47,730

it away then I thought maybe I had a

389

00:18:45,269 --> 00:18:52,650

rash then I thought I was allergic to

390

00:18:47,730 --> 00:18:55,860

something but there it was and actually

391

00:18:52,650 --> 00:18:57,780

on the website you'll see I forgot about

392

00:18:55,859 --> 00:18:59,549

this until this started happening to me

393

00:18:57,779 --> 00:19:01,829

but you'll see a little tiny drawing

394

00:18:59,549 --> 00:19:03,720

that my father did of his face it's a

395

00:19:01,829 --> 00:19:06,210

little line drawing ha ha and on the

396

00:19:03,720 --> 00:19:09,289

face our doc and next to the dots are

397

00:19:06,210 --> 00:19:13,259

people's names and those are the places

398

00:19:09,289 --> 00:19:15,480

where if if a certain doctor in spirit

399

00:19:13,259 --> 00:19:17,160

wanted to communicate with him they

400
00:19:15,480 --> 00:19:19,680
might tap him on the right side of his

401
00:19:17,160 --> 00:19:22,410
nose or just under his eye so he had

402
00:19:19,680 --> 00:19:23,880
mapped this out so that he knew who was

403
00:19:22,410 --> 00:19:25,980
coming in because there were so many

404
00:19:23,880 --> 00:19:28,770
people talking to him he wants to make

405
00:19:25,980 --> 00:19:32,009
sure he knew you know who was checking

406
00:19:28,769 --> 00:19:34,410
in and I had totally forgotten it until

407
00:19:32,009 --> 00:19:36,269
I just told you this story because it's

408
00:19:34,410 --> 00:19:38,490
the same thing I mean that's I think why

409
00:19:36,269 --> 00:19:40,039
he does pat me on my left ear because

410
00:19:38,490 --> 00:19:43,500
that's how he was communicated with

411
00:19:40,039 --> 00:19:46,769
interesting very interesting um can you

412
00:19:43,500 --> 00:19:50,390
give us a couple of or you know stories

413
00:19:46,769 --> 00:19:50,389
from his life that you think are most

414
00:19:50,630 --> 00:19:58,920
typical of his powers or his his

415
00:19:54,779 --> 00:20:02,879
abilities that you could share with our

416
00:19:58,920 --> 00:20:06,240
listeners sure well there's one that

417
00:20:02,880 --> 00:20:09,059
happened to me I had let's see how I was

418
00:20:06,240 --> 00:20:12,329
17 and I

419
00:20:09,058 --> 00:20:14,278
I had been working you know I guess in I

420
00:20:12,329 --> 00:20:15,869
was a janitor or something on weekends

421
00:20:14,278 --> 00:20:18,419
and I've been saving my money my my

422
00:20:15,869 --> 00:20:20,339
girlfriend at the time and I we decided

423
00:20:18,419 --> 00:20:22,350
we're gonna go to Europe and back then

424
00:20:20,339 --> 00:20:24,148
that's kind of what hippies did you went

425
00:20:22,349 --> 00:20:27,569
to Europe you bought a cheap ticket you

426
00:20:24,148 --> 00:20:30,268
flew to Iceland there I thank you yes

427
00:20:27,569 --> 00:20:32,519
that that's what you did it was I don't

428

00:20:30,269 --> 00:20:33,450
know maybe three four hundred dollars or

429
00:20:32,519 --> 00:20:35,700
something wrong yeah

430
00:20:33,450 --> 00:20:37,889
and he took a backpack in a sleeping bag

431
00:20:35,700 --> 00:20:41,490
and off he went to bring sand all over

432
00:20:37,888 --> 00:20:43,408
so I was go imeem today I don't know

433
00:20:41,490 --> 00:20:46,618
that people would let their kids do this

434
00:20:43,409 --> 00:20:49,889
but so I gave him an itinerary that we

435
00:20:46,618 --> 00:20:53,668
were that we were doing and we were on a

436
00:20:49,888 --> 00:20:57,898
train and my girlfriend at the time was

437
00:20:53,669 --> 00:20:59,580
Cuba is Cuban was Cuban and obviously

438
00:20:57,898 --> 00:21:01,258
speaks Spanish so she we were gonna go

439
00:20:59,579 --> 00:21:03,569
to Paris she said well why don't we go

440
00:21:01,259 --> 00:21:04,440
to Spain since I speak Spanish I said

441
00:21:03,569 --> 00:21:07,558
okay

442
00:21:04,440 --> 00:21:09,590

so we you know we're kids we're 17 we

443

00:21:07,558 --> 00:21:11,970

just changed our plan we go to Spain and

444

00:21:09,589 --> 00:21:15,209

when we got there I I must have eaten

445

00:21:11,970 --> 00:21:18,419

something or I don't know I touched

446

00:21:15,210 --> 00:21:19,860

something but I I got so sick in a way

447

00:21:18,419 --> 00:21:22,249

that I've never been before and they

448

00:21:19,859 --> 00:21:24,898

called a doctor and the doctor basically

449

00:21:22,249 --> 00:21:28,379

thought I was going to die and doing

450

00:21:24,898 --> 00:21:30,778

thing and I was sweating I was vomiting

451

00:21:28,378 --> 00:21:35,939

I was you know a hundred and five fever

452

00:21:30,778 --> 00:21:37,558

and she's crying we you know we're in

453

00:21:35,940 --> 00:21:40,200

this little Pensione that we're paying

454

00:21:37,558 --> 00:21:45,408

you know \$17 a night for so we're not

455

00:21:40,200 --> 00:21:48,028

exactly you know near a hospital and

456

00:21:45,409 --> 00:21:50,429

about two three hours into it all of a

457
00:21:48,028 --> 00:21:52,740
sudden one second later I'm just burning

458
00:21:50,429 --> 00:21:55,288
with fever and then it stops and I kind

459
00:21:52,740 --> 00:21:56,460
of wake up and I say where am I and she

460
00:21:55,288 --> 00:21:58,048
says oh my god I thought you were gonna

461
00:21:56,460 --> 00:22:02,100
die the doctor was here we couldn't

462
00:21:58,048 --> 00:22:04,079
revive you and we went on with our trip

463
00:22:02,099 --> 00:22:06,118
and when I got home the first thing I

464
00:22:04,079 --> 00:22:09,960
did was I called my father I said hi pop

465
00:22:06,118 --> 00:22:11,339
I'm home and he said immediately you

466
00:22:09,960 --> 00:22:13,649
know I'm really sorry what happened in

467
00:22:11,339 --> 00:22:15,990
Spain and I forgot about the incident

468
00:22:13,648 --> 00:22:17,609
and I said what are you talking about he

469
00:22:15,990 --> 00:22:20,909
said well you almost died you had this

470
00:22:17,609 --> 00:22:22,469
horrible fever and you had this horrific

471
00:22:20,909 --> 00:22:24,659
infection which

472
00:22:22,470 --> 00:22:27,779
he said the problem is the reason you

473
00:22:24,659 --> 00:22:29,340
got so sick and it lasted so long is you

474
00:22:27,779 --> 00:22:32,009
changed your itinerary you didn't tell

475
00:22:29,339 --> 00:22:34,709
me and I got basically noticed from the

476
00:22:32,009 --> 00:22:36,029
spirits that you were sick and I didn't

477
00:22:34,710 --> 00:22:38,159
know where you were cuz I thought you're

478
00:22:36,029 --> 00:22:40,109
associating in Paris so I took out an

479
00:22:38,159 --> 00:22:42,000
atlas there was no internet back then I

480
00:22:40,109 --> 00:22:44,279
took out the atlas and I was dowsing

481
00:22:42,000 --> 00:22:45,720
every country in Europe until I found

482
00:22:44,279 --> 00:22:47,970
that you were in Madrid you were in

483
00:22:45,720 --> 00:22:50,730
Spain and then I was able to kind of

484
00:22:47,970 --> 00:22:52,798
hook into you and locate you connect

485

00:22:50,730 --> 00:22:55,048
with you and then I got you better but

486
00:22:52,798 --> 00:22:57,480
that's why it took so long some hand you

487
00:22:55,048 --> 00:23:03,269
know I'm a kid and it's like why don't

488
00:22:57,480 --> 00:23:05,940
you leave me alone lately and today I

489
00:23:03,269 --> 00:23:10,200
would I love the idea that he did that

490
00:23:05,940 --> 00:23:14,190
yeah it's quite amazing and it actually

491
00:23:10,200 --> 00:23:16,500
happened to which I think that's it's

492
00:23:14,190 --> 00:23:18,750
you know obviously it happened but you

493
00:23:16,500 --> 00:23:21,029
know some of these things that you hear

494
00:23:18,750 --> 00:23:24,269
that's what's so much fun about this

495
00:23:21,029 --> 00:23:26,908
podcast it's so outside anything that

496
00:23:24,269 --> 00:23:30,480
you typically come across in daily life

497
00:23:26,909 --> 00:23:32,429
I mean that's an amazing ability one

498
00:23:30,480 --> 00:23:35,370
that he knew you were in Spain I mean

499
00:23:32,429 --> 00:23:39,120

that alone and two that he was able to

500

00:23:35,369 --> 00:23:41,939

cure you that distance I can relate to

501

00:23:39,119 --> 00:23:45,209

the part of it energetically he couldn't

502

00:23:41,940 --> 00:23:48,150

find him and and then he took the map

503

00:23:45,210 --> 00:23:50,340

and doused the map like you know like

504

00:23:48,150 --> 00:23:53,429

using a dowsing rod but only the

505

00:23:50,339 --> 00:23:55,980

pendulum correct absolutely correct well

506

00:23:53,429 --> 00:23:58,259

both of you are into pendulums and I'm

507

00:23:55,980 --> 00:24:01,429

not how exactly does that work if you

508

00:23:58,259 --> 00:24:06,629

don't mind just a quick description just

509

00:24:01,429 --> 00:24:09,269

a pendulum is could be any weight but

510

00:24:06,630 --> 00:24:10,890

more than it is a rock crystal right it

511

00:24:09,269 --> 00:24:14,759

doesn't have to be it could be a fishing

512

00:24:10,890 --> 00:24:18,870

weight and it's suspended on a string or

513

00:24:14,759 --> 00:24:22,200

a chain and one holds the top of the of

514
00:24:18,869 --> 00:24:25,558
the string or chain and allows the

515
00:24:22,200 --> 00:24:29,250
pendulum to circle in one direction or

516
00:24:25,558 --> 00:24:32,250
the other or it might sort of go back

517
00:24:29,250 --> 00:24:36,190
and forth horizontally or vertically and

518
00:24:32,250 --> 00:24:38,289
you kind of learn what you're signed

519
00:24:36,190 --> 00:24:40,840
yes and what you're signed for know is

520
00:24:38,289 --> 00:24:44,049
oh and that's the simple way that a

521
00:24:40,839 --> 00:24:47,859
pendulum works now people who are more

522
00:24:44,049 --> 00:24:49,509
advanced have charts that they use like

523
00:24:47,859 --> 00:24:53,949
for like you might use a Ouija board

524
00:24:49,509 --> 00:24:58,240
with letters or you can dowse on a map I

525
00:24:53,950 --> 00:25:00,490
believe that not Ingo Swann who's the

526
00:24:58,240 --> 00:25:02,079
Israeli fellow Oh his name is on the

527
00:25:00,490 --> 00:25:05,109
phone with the bending spoon yeah the

528
00:25:02,079 --> 00:25:08,349
guy who been very gay right Yuri Gallup

529
00:25:05,109 --> 00:25:11,559
reportedly douses for minerals for

530
00:25:08,349 --> 00:25:13,750
different companies and countries finds

531
00:25:11,559 --> 00:25:16,419
titanium deposits and things like that

532
00:25:13,750 --> 00:25:19,630
and that's apparently how he actually

533
00:25:16,420 --> 00:25:22,600
made his fortune hmm but tell us more

534
00:25:19,630 --> 00:25:25,710
about your father in dowsing well the

535
00:25:22,599 --> 00:25:28,659
idea is that the pendulum is is really

536
00:25:25,710 --> 00:25:31,180
it's dumb it's inert it does it has no

537
00:25:28,660 --> 00:25:34,090
magic powers but what is happening to a

538
00:25:31,180 --> 00:25:36,039
tool that as as you just said that

539
00:25:34,089 --> 00:25:38,439
allows you it's almost like a

540
00:25:36,039 --> 00:25:41,649
lie-detector test at a lot or an EKG it

541
00:25:38,440 --> 00:25:44,320
allows you to see what you can't

542

00:25:41,650 --> 00:25:46,269
otherwise see it's an indicator so the

543
00:25:44,319 --> 00:25:47,980
thing is once you're tanned and my

544
00:25:46,269 --> 00:25:52,660
father would believe everything is

545
00:25:47,980 --> 00:25:55,089
knowable you can you can learn anything

546
00:25:52,660 --> 00:25:57,190
you can determine whether someone is

547
00:25:55,089 --> 00:25:59,289
honest whether they've they've stolen

548
00:25:57,190 --> 00:26:01,240
the money you know who's the thief who

549
00:25:59,289 --> 00:26:04,299
stole the money or what their blood

550
00:26:01,240 --> 00:26:05,710
pressure is or where they grew up it's

551
00:26:04,299 --> 00:26:08,049
just a question of asking the right

552
00:26:05,710 --> 00:26:11,200
question with the pendulum and the

553
00:26:08,049 --> 00:26:14,379
pendulum is there simply to sort of as

554
00:26:11,200 --> 00:26:19,660
an indicator that it's a yes answer or

555
00:26:14,380 --> 00:26:21,880
it's a no answer but you can't ask what

556
00:26:19,660 --> 00:26:23,710

color dress should I wear today cuz it's

557

00:26:21,880 --> 00:26:25,600

not really suited for that you have to

558

00:26:23,710 --> 00:26:26,380

ask yes or no should I wear a green

559

00:26:25,599 --> 00:26:29,589

dress today

560

00:26:26,380 --> 00:26:32,560

no should I wear a red dress today yes

561

00:26:29,589 --> 00:26:33,399

and basically you always you work and

562

00:26:32,559 --> 00:26:35,139

yes or no

563

00:26:33,400 --> 00:26:39,490

almost like compute computers work that

564

00:26:35,140 --> 00:26:42,190

way it's yeah fascinating Thanks things

565

00:26:39,490 --> 00:26:44,500

cuz I'm sorry I had been worth what

566

00:26:42,190 --> 00:26:48,279

would that was used for so so what else

567

00:26:44,500 --> 00:26:49,630

did your father diagnose I mean many

568

00:26:48,279 --> 00:26:51,549

things I'm sure but

569

00:26:49,630 --> 00:26:54,190

yeah I don't think they're well there

570

00:26:51,549 --> 00:26:57,119

wasn't a disease that he didn't diagnose

571
00:26:54,190 --> 00:27:00,279
and again going back to the time period

572
00:26:57,119 --> 00:27:02,859
you know for example unlike today where

573
00:27:00,279 --> 00:27:05,529
they'll do a PET scan and they'll inject

574
00:27:02,859 --> 00:27:09,519
you with radioactive dyes and if there's

575
00:27:05,529 --> 00:27:12,220
tumors they'll light up under this PET

576
00:27:09,519 --> 00:27:15,700
scan there was none of that diagnostic

577
00:27:12,220 --> 00:27:17,860
technology back then so if they thought

578
00:27:15,700 --> 00:27:19,450
you had let's say you had maybe they

579
00:27:17,859 --> 00:27:21,819
think you had colon cancer what would

580
00:27:19,450 --> 00:27:24,700
happen is they would see a shadow on

581
00:27:21,819 --> 00:27:26,500
necks ray or if you they think you had

582
00:27:24,700 --> 00:27:29,920
lung cancer they might see some shadows

583
00:27:26,500 --> 00:27:31,299
in your lung but they didn't know so

584
00:27:29,920 --> 00:27:33,250
what they would do is they would do

585
00:27:31,299 --> 00:27:36,879
something called exploratory surgery and

586
00:27:33,250 --> 00:27:39,279
just cut you open and look around he was

587
00:27:36,880 --> 00:27:42,910
able to completely avoid that he was

588
00:27:39,279 --> 00:27:45,700
able to know definitively if you had

589
00:27:42,910 --> 00:27:47,980
cancer or not where the tumor was how

590
00:27:45,700 --> 00:27:50,860
big the tumor was was it one centimeter

591
00:27:47,980 --> 00:27:52,690
two centimeter three centimeter whether

592
00:27:50,859 --> 00:27:54,639
it was going to metastasize or not and

593
00:27:52,690 --> 00:27:57,490
then he could use the pendulum to

594
00:27:54,640 --> 00:27:59,230
determine what modality of healing he

595
00:27:57,490 --> 00:28:01,900
was going to send you and unlike other

596
00:27:59,230 --> 00:28:03,849
healers you know a lot of healers today

597
00:28:01,900 --> 00:28:07,030
whether it's Reiki or other things they

598
00:28:03,849 --> 00:28:09,879
basically will just you know send very

599

00:28:07,029 --> 00:28:13,480
good energy to someone whereas my father

600
00:28:09,880 --> 00:28:15,430
wanted actually to diagnose and if

601
00:28:13,480 --> 00:28:17,019
someone came in and said I'm not feeling

602
00:28:15,430 --> 00:28:18,880
well he just didn't want to say well I'm

603
00:28:17,019 --> 00:28:22,420
gonna send you some healing energy and

604
00:28:18,880 --> 00:28:25,540
let's call it a day and he would do what

605
00:28:22,420 --> 00:28:29,259
was fascinating what I loved was he was

606
00:28:25,539 --> 00:28:33,190
able to do sort of psychiatry on people

607
00:28:29,259 --> 00:28:34,809
in about two three minutes which if they

608
00:28:33,190 --> 00:28:37,269
had a good psychiatrist might take 30

609
00:28:34,809 --> 00:28:42,399
years and I'll tell you one story a

610
00:28:37,269 --> 00:28:45,970
woman came in and she had breast cancer

611
00:28:42,400 --> 00:28:49,240
so you know what do we do today we give

612
00:28:45,970 --> 00:28:51,910
toxic chemo we give radiation and then

613
00:28:49,240 --> 00:28:58,809

we chop off the breast that's all pretty

614

00:28:51,910 --> 00:29:02,769

barbaric and so my father in certain

615

00:28:58,809 --> 00:29:05,379

cases he could he could learn to

616

00:29:02,769 --> 00:29:08,009

send weather psychically it's homeopathy

617

00:29:05,380 --> 00:29:12,460

or Bach Flower Remedies or color or

618

00:29:08,009 --> 00:29:14,019

energy but sometimes he felt he would

619

00:29:12,460 --> 00:29:18,340

determine with the pendulum and his

620

00:29:14,019 --> 00:29:20,289

charts that unless he knew the cause no

621

00:29:18,339 --> 00:29:21,730

matter how healing many healings he did

622

00:29:20,289 --> 00:29:23,920

this person was not going to get better

623

00:29:21,730 --> 00:29:25,870

unless they got to the root cause so

624

00:29:23,920 --> 00:29:28,779

what he was able to do with the pendulum

625

00:29:25,869 --> 00:29:32,558

was and let's use this woman as an

626

00:29:28,779 --> 00:29:34,480

example he he discovered that for the

627

00:29:32,558 --> 00:29:37,329

healing to take place he needed to

628
00:29:34,480 --> 00:29:39,190
discover the root cause so he wanted to

629
00:29:37,329 --> 00:29:42,250
know is it a traumatic event the

630
00:29:39,190 --> 00:29:43,900
pendulum said yes and what year did it

631
00:29:42,250 --> 00:29:46,140
happen so he would have a chart with

632
00:29:43,900 --> 00:29:48,550
some numbers on it and we go down and

633
00:29:46,140 --> 00:29:51,820
you know let's say the pendulum started

634
00:29:48,549 --> 00:29:54,279
indicating 1960 and they'd say okay what

635
00:29:51,819 --> 00:29:57,609
month in 1916 go down the calendar and

636
00:29:54,279 --> 00:30:00,879
May 1960 and then he'd say what day and

637
00:29:57,609 --> 00:30:03,219
it would say the 22nd so he'd say you

638
00:30:00,880 --> 00:30:04,990
know what happened to you may 22nd 1960

639
00:30:03,220 --> 00:30:07,630
cause it seems to be the origin of your

640
00:30:04,990 --> 00:30:09,609
disease and the woman started crying she

641
00:30:07,630 --> 00:30:13,059
said well that's the day my father raped

642
00:30:09,609 --> 00:30:17,049
me and he said well this this is the

643
00:30:13,058 --> 00:30:20,470
origin we need we need to remove that

644
00:30:17,049 --> 00:30:23,589
trauma erase that trauma because no

645
00:30:20,470 --> 00:30:25,990
matter whether I heal you or you go for

646
00:30:23,589 --> 00:30:27,759
surgery radiation whatever you're never

647
00:30:25,990 --> 00:30:30,069
going to get better because you have you

648
00:30:27,759 --> 00:30:32,589
have this horrific psychological wound

649
00:30:30,069 --> 00:30:34,720
now this woman normally would have to go

650
00:30:32,589 --> 00:30:36,099
to a psychiatrist and talk about it how

651
00:30:34,720 --> 00:30:38,170
do you feel about your father well I'm

652
00:30:36,099 --> 00:30:39,579
angry at my father well do you feel you

653
00:30:38,170 --> 00:30:41,460
could forgive him no I can't and it

654
00:30:39,579 --> 00:30:44,980
would just go on and on and you know

655
00:30:41,460 --> 00:30:47,980
\$350 an hour but my father would kind of

656

00:30:44,980 --> 00:30:49,960
shortcut that get it done and say we're

657
00:30:47,980 --> 00:30:52,480
good and then he would erase that that

658
00:30:49,960 --> 00:30:56,049
the trauma and then he was able to go in

659
00:30:52,480 --> 00:30:59,220
and start healing that's phenomenal so

660
00:30:56,049 --> 00:31:01,750
it really speaks to how disease is not

661
00:30:59,220 --> 00:31:04,500
psychosomatic but psycho generative it's

662
00:31:01,750 --> 00:31:07,539
something that occurs in our spirit of

663
00:31:04,500 --> 00:31:11,019
spiritual wound if you will that will

664
00:31:07,539 --> 00:31:12,359
cause us to develop a disease in time if

665
00:31:11,019 --> 00:31:16,299
we don't take care of it

666
00:31:12,359 --> 00:31:17,919
yes and it's it's

667
00:31:16,299 --> 00:31:22,049
I've studied karate for twenty years and

668
00:31:17,920 --> 00:31:24,700
my teacher who's a great great master

669
00:31:22,049 --> 00:31:28,690
wandering his lectures he did he drew a

670
00:31:24,700 --> 00:31:31,480

picture of a bridge and spanning two two

671

00:31:28,690 --> 00:31:33,250

cliffs and he said here's this big steel

672

00:31:31,480 --> 00:31:34,960

bridge and then he took some chalk and

673

00:31:33,250 --> 00:31:37,089

he made little specs all over it

674

00:31:34,960 --> 00:31:39,759

and he said this is rust and these

675

00:31:37,089 --> 00:31:42,819

little tiny specks of rust can bring

676

00:31:39,759 --> 00:31:45,789

down this massive steel bridge and make

677

00:31:42,819 --> 00:31:48,309

it collapse and he said the spec the

678

00:31:45,789 --> 00:31:50,980

specs of rust are like negative emotions

679

00:31:48,309 --> 00:31:55,929

in your mind and whether it's jealousy

680

00:31:50,980 --> 00:31:57,430

or anger or hatred or fear depression

681

00:31:55,930 --> 00:31:59,799

all of these little specks these

682

00:31:57,430 --> 00:32:02,769

negative thoughts in your brain on your

683

00:31:59,799 --> 00:32:05,319

mind start to create this this havoc and

684

00:32:02,769 --> 00:32:06,700

yes you're absolutely correct and one of

685
00:32:05,319 --> 00:32:09,250
the things we do need to do and it's

686
00:32:06,700 --> 00:32:12,160
really hard given the news that's out

687
00:32:09,250 --> 00:32:13,900
there and you know are they are very

688
00:32:12,160 --> 00:32:16,120
high pressure lives is to keep our

689
00:32:13,900 --> 00:32:18,340
thoughts scrubbed and clean and on a

690
00:32:16,119 --> 00:32:22,659
very positive level yes yes you're

691
00:32:18,339 --> 00:32:24,730
correct and not only that but what

692
00:32:22,660 --> 00:32:27,670
happens is that our thoughts are very

693
00:32:24,730 --> 00:32:30,610
repetitive each and every one of us

694
00:32:27,670 --> 00:32:33,519
though we sometimes read books we listen

695
00:32:30,609 --> 00:32:35,829
to podcasts watch movies and may get

696
00:32:33,519 --> 00:32:39,339
different thoughts from outside of us

697
00:32:35,829 --> 00:32:43,329
within us in our psyche every single one

698
00:32:39,339 --> 00:32:46,750
of us has a voice speaking to us and it

699
00:32:43,329 --> 00:32:49,779
repeats the same things every day it's

700
00:32:46,750 --> 00:32:52,390
we don't have like every thought is not

701
00:32:49,779 --> 00:32:55,299
a new thought so we have to be really

702
00:32:52,390 --> 00:32:57,730
really scrupulous as you were saying and

703
00:32:55,299 --> 00:33:00,069
make sure that when we a negative

704
00:32:57,730 --> 00:33:02,799
thought comes up that we replace it with

705
00:33:00,069 --> 00:33:05,169
its positive opposite

706
00:33:02,799 --> 00:33:08,500
yeah and it's and that's it that's

707
00:33:05,170 --> 00:33:12,190
actually the hardest work to do of any

708
00:33:08,500 --> 00:33:14,140
any kind of discipline is to really

709
00:33:12,190 --> 00:33:17,350
during the day because we get so busy

710
00:33:14,140 --> 00:33:19,300
with work or you know engaging just even

711
00:33:17,349 --> 00:33:21,189
doing chores or going the supermarket

712
00:33:19,299 --> 00:33:23,919
and someone cuts in line in front of us

713

00:33:21,190 --> 00:33:27,460
or the the cashier just throws the

714
00:33:23,920 --> 00:33:29,380
change at us it's very hard to kind of

715
00:33:27,460 --> 00:33:30,009
keep resetting that compass and keep it

716
00:33:29,380 --> 00:33:31,840
clean

717
00:33:30,009 --> 00:33:34,779
and keep it straightforward but it's

718
00:33:31,839 --> 00:33:37,509
it's an essential essential duty that we

719
00:33:34,779 --> 00:33:41,649
have to each one of us i want to

720
00:33:37,509 --> 00:33:44,230
interrupt you here just to say that your

721
00:33:41,650 --> 00:33:46,480
book your wonderful book and it's very

722
00:33:44,230 --> 00:33:49,120
entertaining it's very buoyantly written

723
00:33:46,480 --> 00:33:52,210
it's got such a nice style your book is

724
00:33:49,119 --> 00:33:55,209
called walking through walls and it's

725
00:33:52,210 --> 00:33:57,430
available I assume that Barnes and Noble

726
00:33:55,210 --> 00:33:59,650
and through Amazon and it's available

727
00:33:57,430 --> 00:34:03,100

through your website walking through

728

00:33:59,650 --> 00:34:06,100

walls of the book calm I hope and I am

729

00:34:03,099 --> 00:34:08,679

speaking now to Philip Smith and his

730

00:34:06,099 --> 00:34:11,980

father whose name we omitted from

731

00:34:08,679 --> 00:34:14,349

mentioning was Lou Smith yes you ever

732

00:34:11,980 --> 00:34:15,849

said that and it's my fault as well that

733

00:34:14,349 --> 00:34:23,110

we didn't mention well you're gonna hear

734

00:34:15,849 --> 00:34:24,699

a bang yeah so another thing that came

735

00:34:23,110 --> 00:34:27,550

up it was there was so many

736

00:34:24,699 --> 00:34:29,769

synchronicities in from the time that I

737

00:34:27,550 --> 00:34:32,080

first picked up the book including the

738

00:34:29,769 --> 00:34:34,929

Coral Castle picture and am I having

739

00:34:32,079 --> 00:34:37,599

just been in Coral Castle and been so

740

00:34:34,929 --> 00:34:40,179

impressed by that structure and and and

741

00:34:37,599 --> 00:34:42,730

that man putting it together you know by

742
00:34:40,179 --> 00:34:44,769
himself a little tiny Hungarian man I

743
00:34:42,730 --> 00:34:48,340
think he just put that whole thing

744
00:34:44,769 --> 00:34:53,019
together on it by himself through some

745
00:34:48,340 --> 00:34:55,179
very interesting power and spinning

746
00:34:53,019 --> 00:34:56,590
things on points and very very

747
00:34:55,179 --> 00:34:58,960
interesting place if you ever get down

748
00:34:56,590 --> 00:35:01,300
to Florida listeners you should check

749
00:34:58,960 --> 00:35:06,039
out the Coral Castle it's a marvelous

750
00:35:01,300 --> 00:35:09,039
interesting really anomalous spot but

751
00:35:06,039 --> 00:35:11,980
the other thing in your life which

752
00:35:09,039 --> 00:35:14,440
mirrored mine was the Sofie Bush

753
00:35:11,980 --> 00:35:18,539
connection now I'm going to take a

754
00:35:14,440 --> 00:35:22,210
moment here to tell you that growing up

755
00:35:18,539 --> 00:35:24,219
Sofie Bush was like a family fable I

756
00:35:22,210 --> 00:35:27,730
didn't have any idea whether she was a

757
00:35:24,219 --> 00:35:30,639
real person or not but my grandmother

758
00:35:27,730 --> 00:35:32,590
and my mother and my grandmother's

759
00:35:30,639 --> 00:35:35,589
sister-in-law who was about my mother's

760
00:35:32,590 --> 00:35:37,420
age they would go I had when I was a

761
00:35:35,590 --> 00:35:39,160
little little child before I can really

762
00:35:37,420 --> 00:35:42,280
remember they would go to see Sophie

763
00:35:39,159 --> 00:35:43,449
Bush and before I was born before my

764
00:35:42,280 --> 00:35:45,700
mother met my father

765
00:35:43,449 --> 00:35:48,608
my mother went to see Sophie Bush and

766
00:35:45,699 --> 00:35:53,230
Sophie Bush gave her my father's

767
00:35:48,608 --> 00:35:54,880
initials mm all three initials not just

768
00:35:53,230 --> 00:35:58,780
the first and last initial

769
00:35:54,880 --> 00:36:01,390
so Sophie Bush she was like a legendary

770

00:35:58,780 --> 00:36:05,470
character in my life and it wasn't until

771
00:36:01,389 --> 00:36:07,929
I read your book that I realized wow she

772
00:36:05,469 --> 00:36:11,348
was a real person and other people know

773
00:36:07,929 --> 00:36:13,480
about her and can you tell us about your

774
00:36:11,349 --> 00:36:17,859
father's relationship - Sophie Bush and

775
00:36:13,480 --> 00:36:20,710
who's Sophie Bush was Sophie was uh and

776
00:36:17,858 --> 00:36:23,650
again I'm sorry to keep harping on this

777
00:36:20,710 --> 00:36:26,949
go you have to go back 40 50 years at a

778
00:36:23,650 --> 00:36:30,099
time when you know Oprah wasn't having

779
00:36:26,949 --> 00:36:32,318
psychics and spiritual people on her

780
00:36:30,099 --> 00:36:35,818
show so there was no knowledge of this

781
00:36:32,318 --> 00:36:38,980
and all this was sort of underground and

782
00:36:35,818 --> 00:36:43,318
in in a very very poor part of town

783
00:36:38,980 --> 00:36:49,599
sophie had what she called a church and

784
00:36:43,318 --> 00:36:52,690

on Sundays and also going back in time

785

00:36:49,599 --> 00:36:55,510

Miami was just coming out of segregation

786

00:36:52,690 --> 00:37:00,400

and it was still in many ways a granade

787

00:36:55,510 --> 00:37:03,339

it was still one bathroom for colored

788

00:37:00,400 --> 00:37:05,588

and and this is in my lifetime and you

789

00:37:03,338 --> 00:37:08,949

know then bathrooms for white men and

790

00:37:05,588 --> 00:37:11,889

white women but at Sophie's Church which

791

00:37:08,949 --> 00:37:14,048

was in a black section you'd have it was

792

00:37:11,889 --> 00:37:16,239

it was totally mixed everybody came to

793

00:37:14,048 --> 00:37:18,219

see her and basically what she would do

794

00:37:16,239 --> 00:37:23,399

is she would lead you through a service

795

00:37:18,219 --> 00:37:25,899

and she would send out her helpers with

796

00:37:23,400 --> 00:37:27,670

you know now there's calculators but in

797

00:37:25,900 --> 00:37:29,410

the old days there was was adding

798

00:37:27,670 --> 00:37:30,880

machine tape they would go out with a

799

00:37:29,409 --> 00:37:32,769

roll of adding machine tape and you

800

00:37:30,880 --> 00:37:34,720

raised your hand and they would tear off

801

00:37:32,769 --> 00:37:36,818

a little piece and hand - a pencil like

802

00:37:34,719 --> 00:37:38,889

those pencils in a library and you would

803

00:37:36,818 --> 00:37:41,380

write down a question and your initials

804

00:37:38,889 --> 00:37:43,420

on it you would roll it up into you know

805

00:37:41,380 --> 00:37:45,608

almost look like a tiny white cigarette

806

00:37:43,420 --> 00:37:48,280

and you'd put it in this pegboard that

807

00:37:45,608 --> 00:37:50,199

they they passed around and then Sophie

808

00:37:48,280 --> 00:37:53,230

would start lecturing and I think

809

00:37:50,199 --> 00:37:55,239

basically I was 16 at the time so my

810

00:37:53,230 --> 00:37:56,980

sense is she started sort of working

811

00:37:55,239 --> 00:37:58,959

yourself up into a trance

812

00:37:56,980 --> 00:38:01,300

and she would put her hand out and grab

813
00:37:58,960 --> 00:38:02,949
one of these little rolls of paper she

814
00:38:01,300 --> 00:38:04,390
would never open it she would hold it up

815
00:38:02,949 --> 00:38:07,299
for everybody see that the roll of paper

816
00:38:04,389 --> 00:38:10,000
was in her hand and basically she would

817
00:38:07,300 --> 00:38:11,560
read what was on what was written on

818
00:38:10,000 --> 00:38:14,170
that piece of paper and then she would

819
00:38:11,559 --> 00:38:17,828
answer your question so the fact that

820
00:38:14,170 --> 00:38:20,650
your your your parents went there this

821
00:38:17,829 --> 00:38:22,420
is what they experienced I saw they

822
00:38:20,650 --> 00:38:24,639
would they would they were writing

823
00:38:22,420 --> 00:38:27,430
questions if they did or they were just

824
00:38:24,639 --> 00:38:29,828
observing but if if your mom got your

825
00:38:27,429 --> 00:38:32,169
father's three initials she probably

826
00:38:29,829 --> 00:38:33,880
wrote something to Sofie saying you know

827

00:38:32,170 --> 00:38:35,740
am I going to meet the man of my dreams

828
00:38:33,880 --> 00:38:38,559
or what is the name of the man I will

829
00:38:35,739 --> 00:38:40,118
marry whatever it is and Sophie then

830
00:38:38,559 --> 00:38:42,849
held it in her hand never open that

831
00:38:40,119 --> 00:38:46,420
paper held it up and then said his

832
00:38:42,849 --> 00:38:50,579
initials are whatever they are and you

833
00:38:46,420 --> 00:38:53,349
know swj or something and she would

834
00:38:50,579 --> 00:38:55,150
that's how she worked and she didn't

835
00:38:53,349 --> 00:38:58,030
take all the pieces of paper but she

836
00:38:55,150 --> 00:39:01,030
would take she would do like 1520

837
00:38:58,030 --> 00:39:03,640
readings in in that service there was no

838
00:39:01,030 --> 00:39:05,290
air conditioning there were you know one

839
00:39:03,639 --> 00:39:07,088
or two fluorescent lights and in the

840
00:39:05,289 --> 00:39:09,699
ceiling that was very poor there was no

841
00:39:07,088 --> 00:39:12,009

money and then you know people would put

842

00:39:09,699 --> 00:39:13,389

a quarter in the Hat or \$0.50 in the hat

843

00:39:12,010 --> 00:39:15,910

and that was it

844

00:39:13,389 --> 00:39:19,960

so it was like basically it was a

845

00:39:15,909 --> 00:39:22,500

spiritualist Church ceremony yes and and

846

00:39:19,960 --> 00:39:24,909

and and can you tell us how your father

847

00:39:22,500 --> 00:39:28,900

you know how you and your father figure

848

00:39:24,909 --> 00:39:33,279

in with Sophie my father used to go a

849

00:39:28,900 --> 00:39:35,889

lot because as I said he was evolving

850

00:39:33,280 --> 00:39:37,869

and he was somehow I mean his

851

00:39:35,889 --> 00:39:40,389

synchronicity was that these these

852

00:39:37,869 --> 00:39:42,010

things these opportunities and these

853

00:39:40,389 --> 00:39:45,039

people and these experiences were

854

00:39:42,010 --> 00:39:47,589

opening up for him so he who knows how

855

00:39:45,039 --> 00:39:59,338

he found this place but he took me there

856
00:39:47,588 --> 00:40:02,019
twice and I was 16 to 62 so in 1968 and

857
00:39:59,338 --> 00:40:03,730
it was just fascinating to me I mean

858
00:40:02,019 --> 00:40:06,309
I've never forgotten and and it's

859
00:40:03,730 --> 00:40:08,920
described very vividly in the book yes

860
00:40:06,309 --> 00:40:10,670
it made such an impression on me yes

861
00:40:08,920 --> 00:40:13,490
it's it's that's very it's a fair

862
00:40:10,670 --> 00:40:17,329
well written a very well-written account

863
00:40:13,489 --> 00:40:21,289
of your life with your parents is there

864
00:40:17,329 --> 00:40:24,369
any other one other thing that comes to

865
00:40:21,289 --> 00:40:27,559
my mind is that some of your paintings

866
00:40:24,369 --> 00:40:30,079
and then some of the little charts that

867
00:40:27,559 --> 00:40:32,480
your father made there seems to be some

868
00:40:30,079 --> 00:40:35,690
connection between those two things is

869
00:40:32,480 --> 00:40:41,840
there not yeah I think totally I think

870
00:40:35,690 --> 00:40:44,420
that I don't think that how do I say

871
00:40:41,840 --> 00:40:47,470
this nicely I don't think I'm my own

872
00:40:44,420 --> 00:40:51,980
person I think I'm my father's son and

873
00:40:47,469 --> 00:40:55,599
my work is however its evolved my

874
00:40:51,980 --> 00:40:58,460
painting work I should say is totally

875
00:40:55,599 --> 00:41:00,319
connected to his metaphysical interest

876
00:40:58,460 --> 00:41:03,260
and always they're very they're like

877
00:41:00,320 --> 00:41:07,130
hieroglyphs or pictographs and they tell

878
00:41:03,260 --> 00:41:09,530
sort of metaphysical stories and they

879
00:41:07,130 --> 00:41:12,200
come to me in ways that are just

880
00:41:09,530 --> 00:41:15,650
surprising and they they appear they're

881
00:41:12,199 --> 00:41:17,509
almost like automatic writing and you'd

882
00:41:15,650 --> 00:41:19,519
think that maybe I'd make very brightly

883
00:41:17,510 --> 00:41:21,560
colored abstract paintings or I'd make

884

00:41:19,519 --> 00:41:23,989
landscapes no I ended up making these

885
00:41:21,559 --> 00:41:28,340
these higher glyphs that tell some sort

886
00:41:23,989 --> 00:41:30,859
of story and I do think it comes it it

887
00:41:28,340 --> 00:41:33,260
totally comes out of him now I like I

888
00:41:30,860 --> 00:41:37,910
like your work very much and thank you I

889
00:41:33,260 --> 00:41:40,390
find that the messages are not something

890
00:41:37,909 --> 00:41:44,029
for the most part that I can enunciate

891
00:41:40,389 --> 00:41:48,609
but rather it's it is a story and it is

892
00:41:44,030 --> 00:41:51,980
subliminal and it gives kind of a an

893
00:41:48,610 --> 00:41:55,970
atmosphere that means something but it's

894
00:41:51,980 --> 00:41:59,269
not it's not readily spoken about that's

895
00:41:55,969 --> 00:42:03,469
perfect you got it it is it is it's an

896
00:41:59,269 --> 00:42:05,929
experiential painting and people say

897
00:42:03,469 --> 00:42:07,309
well what does it mean and you know by

898
00:42:05,929 --> 00:42:09,500

the time I talk about it sounds so

899

00:42:07,309 --> 00:42:13,130

mundane but I think when you look at the

900

00:42:09,500 --> 00:42:16,610

work you do have an experience and you

901

00:42:13,130 --> 00:42:19,190

know in in Tibetan culture a lot of

902

00:42:16,610 --> 00:42:20,960

times the priests the artists there who

903

00:42:19,190 --> 00:42:23,210

work for the priests they make these

904

00:42:20,960 --> 00:42:24,650

Tibetan Tonka's which are pictures of

905

00:42:23,210 --> 00:42:27,409

Buddha's life and the

906

00:42:24,650 --> 00:42:30,588

is that they're not just pretty pictures

907

00:42:27,409 --> 00:42:33,139

of Buddha but actually they're imbued

908

00:42:30,588 --> 00:42:35,328

with a kind of energy and the idea is

909

00:42:33,139 --> 00:42:38,509

that you come to them almost like you

910

00:42:35,329 --> 00:42:40,099

come to an Oracle and they'll they can

911

00:42:38,510 --> 00:42:42,500

give you a healing they can answer a

912

00:42:40,099 --> 00:42:45,079

question they can give you inside

913
00:42:42,500 --> 00:42:48,079
spiritual enlightenment so these these

914
00:42:45,079 --> 00:42:52,010
these painted images are actually very

915
00:42:48,079 --> 00:42:54,740
much alive and very active and I don't I

916
00:42:52,010 --> 00:42:57,020
don't want to make the leap that I'm

917
00:42:54,739 --> 00:42:59,389
like these priests or I have their same

918
00:42:57,019 --> 00:43:01,519
energy or power but I think part of my

919
00:42:59,389 --> 00:43:03,469
intention is I'm just not making a

920
00:43:01,519 --> 00:43:05,449
picture but I want the picture to also

921
00:43:03,469 --> 00:43:07,848
be able to transfer energy to the viewer

922
00:43:05,449 --> 00:43:12,949
well I think that you've done a good job

923
00:43:07,849 --> 00:43:16,450
of that I do I would like to hear

924
00:43:12,949 --> 00:43:19,460
perhaps while we have a few moments left

925
00:43:16,449 --> 00:43:22,239
some something else from your father's

926
00:43:19,460 --> 00:43:24,528
life that you think that our listeners

927
00:43:22,239 --> 00:43:26,838
something anomalous something that our

928
00:43:24,528 --> 00:43:28,489
listeners would like to hear and you

929
00:43:26,838 --> 00:43:30,769
know hopefully they'll run out and buy

930
00:43:28,489 --> 00:43:32,358
your book I mean I I certainly I

931
00:43:30,769 --> 00:43:33,858
certainly enjoyed it

932
00:43:32,358 --> 00:43:36,588
and what was the title of that book

933
00:43:33,858 --> 00:43:40,068
again the title of the book is walking

934
00:43:36,588 --> 00:43:45,338
through walls you know a memoir by

935
00:43:40,068 --> 00:43:48,710
Phillips ran Smith and it's published by

936
00:43:45,338 --> 00:43:53,150
country of books which is but it's

937
00:43:48,710 --> 00:43:56,028
available through Amazon I'm sure yeah

938
00:43:53,150 --> 00:43:58,430
Simon's just who's good I'll you know

939
00:43:56,028 --> 00:44:01,190
two things really strike me speaking to

940
00:43:58,429 --> 00:44:03,048
you is that you come from what really

941

00:44:01,190 --> 00:44:06,139
would have been considered a very

942
00:44:03,048 --> 00:44:08,449
out-there background and you sound like

943
00:44:06,139 --> 00:44:10,338
such a really funny guy and just a

944
00:44:08,449 --> 00:44:13,548
really interesting person down tomorrow

945
00:44:10,338 --> 00:44:18,769
very yeah you know I was sort of

946
00:44:13,548 --> 00:44:22,548
expecting a I don't know out there sort

947
00:44:18,769 --> 00:44:25,489
I'm buoyant in some way but now you

948
00:44:22,548 --> 00:44:27,889
sound great so congratulations to your

949
00:44:25,489 --> 00:44:31,068
parents on being successful and you

950
00:44:27,889 --> 00:44:34,578
sound very happy and I think an ideal

951
00:44:31,068 --> 00:44:36,380
way to live you know in the house next

952
00:44:34,579 --> 00:44:38,450
door to one spouse whether you know

953
00:44:36,380 --> 00:44:40,789
unfortunately your parents divorce

954
00:44:38,449 --> 00:44:45,710
but I mean I like the idea of a separate

955
00:44:40,789 --> 00:44:47,389

areas to live in you know kind of you

956

00:44:45,710 --> 00:44:50,720

have less fights that way I think oh

957

00:44:47,389 --> 00:44:53,088

yeah well I want to give some credit to

958

00:44:50,719 --> 00:44:54,949

my mom because my mom was on the other

959

00:44:53,088 --> 00:44:58,400

side of defense and she was making sure

960

00:44:54,949 --> 00:45:00,618

that she as much as my father was taking

961

00:44:58,400 --> 00:45:02,930

me to other planets she wants to make

962

00:45:00,619 --> 00:45:05,599

sure that I could navigate Planet Earth

963

00:45:02,929 --> 00:45:09,919

so she was she was giving me the reality

964

00:45:05,599 --> 00:45:13,160

factor as well and I think that part of

965

00:45:09,920 --> 00:45:17,000

the way that I've been able to aside

966

00:45:13,159 --> 00:45:19,250

from her her teaching and and raising me

967

00:45:17,000 --> 00:45:21,769

who she did a phenomenal job under

968

00:45:19,250 --> 00:45:23,838

really tough circumstances was the 20

969

00:45:21,769 --> 00:45:28,730

years that I spent in the dojo because

970
00:45:23,838 --> 00:45:31,358
in in karate you really learn in real

971
00:45:28,730 --> 00:45:34,579
traditional karate it's really about

972
00:45:31,358 --> 00:45:36,440
your training your own ego as opposed to

973
00:45:34,579 --> 00:45:38,900
yes you're learning to fight but the

974
00:45:36,440 --> 00:45:41,480
person you're fighting is your own wild

975
00:45:38,900 --> 00:45:43,550
ego so thank you for that compliment and

976
00:45:41,480 --> 00:45:46,250
also about your mother I have to say

977
00:45:43,550 --> 00:45:48,410
that she sounded like a real fun person

978
00:45:46,250 --> 00:45:49,940
like the kind of person that someone

979
00:45:48,409 --> 00:45:52,509
like me would love to go on a vacation

980
00:45:49,940 --> 00:45:55,190
with who would hit the hot spots and

981
00:45:52,510 --> 00:45:57,859
enjoyed good food and dressed very

982
00:45:55,190 --> 00:46:00,230
nicely and and taught you all kinds of

983
00:45:57,858 --> 00:46:03,679
the ways of the world so that you could

984
00:46:00,230 --> 00:46:06,199
be a very urbane and cosmopolitan fellow

985
00:46:03,679 --> 00:46:08,029
in New York City for a while and and all

986
00:46:06,199 --> 00:46:11,598
of that I kind of laid that on your

987
00:46:08,030 --> 00:46:15,740
mother's your mother's teaching yes no

988
00:46:11,599 --> 00:46:17,240
that's absolutely correct and she was in

989
00:46:15,739 --> 00:46:20,149
even though they divorced and separated

990
00:46:17,239 --> 00:46:24,068
and and it was she was very proud of my

991
00:46:20,150 --> 00:46:27,619
father and what she did and she never

992
00:46:24,068 --> 00:46:29,389
spoke disparaging of him and she she was

993
00:46:27,619 --> 00:46:31,640
always proud that he was a healer

994
00:46:29,389 --> 00:46:34,279
because listen this is something that

995
00:46:31,639 --> 00:46:36,710
you really he had a tough life this is

996
00:46:34,280 --> 00:46:39,019
not like today where you know if he were

997
00:46:36,710 --> 00:46:42,108
around today and had been on Oprah he'd

998

00:46:39,019 --> 00:46:46,699
have a nice CD set out he'd have maybe a

999
00:46:42,108 --> 00:46:49,098
nice TV show on and on and on this was

1000
00:46:46,699 --> 00:46:50,480
tough sledding back then because people

1001
00:46:49,099 --> 00:46:51,670
were calling him crazy they were

1002
00:46:50,480 --> 00:46:55,298
attacking him

1003
00:46:51,670 --> 00:46:57,309
it was very very difficult you know one

1004
00:46:55,298 --> 00:46:59,500
point that you brought up you said your

1005
00:46:57,309 --> 00:47:03,609
mom taught you how to navigate here on

1006
00:46:59,500 --> 00:47:07,059
earth and I had at one point had a UFO

1007
00:47:03,608 --> 00:47:09,519
show and I was just wondering did he

1008
00:47:07,059 --> 00:47:12,819
ever speak about beings on other worlds

1009
00:47:09,519 --> 00:47:14,798
or other planets or anything of that

1010
00:47:12,818 --> 00:47:16,869
nature you know what's really

1011
00:47:14,798 --> 00:47:19,420
interesting when you ask you know how

1012
00:47:16,869 --> 00:47:25,750

this evolved I found a diary from him

1013

00:47:19,420 --> 00:47:29,980

when he was I think he was around 18 19

1014

00:47:25,750 --> 00:47:35,199

and 19 21 and in this diary he would

1015

00:47:29,980 --> 00:47:37,869

record his dreams and he started seeing

1016

00:47:35,199 --> 00:47:39,639

very strange creatures in these dreams

1017

00:47:37,869 --> 00:47:41,410

who were coming to him and talking to

1018

00:47:39,639 --> 00:47:44,710

him and he would describe these

1019

00:47:41,409 --> 00:47:48,399

creatures and again this is this is a

1020

00:47:44,710 --> 00:47:51,630

well we're almost heading into 2015 this

1021

00:47:48,400 --> 00:47:54,099

this is like 90 90 something years ago

1022

00:47:51,630 --> 00:47:57,130

but in in this diary what was

1023

00:47:54,099 --> 00:47:59,588

fascinating to me is that he would

1024

00:47:57,130 --> 00:48:01,960

record his dreams and he recorded a

1025

00:47:59,588 --> 00:48:04,058

dream about that he saw a train crash in

1026

00:48:01,960 --> 00:48:06,730

the desert and he heard children

1027
00:48:04,059 --> 00:48:08,109
screaming and saw fire and that you turn

1028
00:48:06,730 --> 00:48:10,269
the page of the diary in the next

1029
00:48:08,108 --> 00:48:12,279
morning he wakes up and he says you know

1030
00:48:10,269 --> 00:48:14,980
I went downstairs and got the paper and

1031
00:48:12,280 --> 00:48:17,200
in it front-page news was there was a

1032
00:48:14,980 --> 00:48:18,548
train crash in Nevada and 13 children

1033
00:48:17,199 --> 00:48:21,098
died in a fire

1034
00:48:18,548 --> 00:48:23,588
Wow so I think these creatures were

1035
00:48:21,099 --> 00:48:25,240
coming in and they were he really

1036
00:48:23,588 --> 00:48:30,130
believed that these people would come

1037
00:48:25,239 --> 00:48:32,259
and sort of could could sort of rewire

1038
00:48:30,130 --> 00:48:35,858
your brain so that you would be more

1039
00:48:32,260 --> 00:48:37,660
receptive and sensitive but he also felt

1040
00:48:35,858 --> 00:48:41,348
that he was no different than anybody

1041
00:48:37,659 --> 00:48:44,259
else he was not some guru or like oh man

1042
00:48:41,349 --> 00:48:46,269
I'm a psychic he was just a regular guy

1043
00:48:44,260 --> 00:48:48,760
and he said you know these abilities I

1044
00:48:46,269 --> 00:48:51,009
have you have you have you have

1045
00:48:48,760 --> 00:48:53,410
everybody has these I'm no different I'm

1046
00:48:51,010 --> 00:48:57,400
not weird I'm not special you all have

1047
00:48:53,409 --> 00:48:59,980
this stuff so you know and he really has

1048
00:48:57,400 --> 00:49:02,588
his real mission and unfortunately he

1049
00:48:59,980 --> 00:49:05,530
was too early he really wanted to teach

1050
00:49:02,588 --> 00:49:07,960
doctors how he did this

1051
00:49:05,530 --> 00:49:11,950
because he wanted to help save lives he

1052
00:49:07,960 --> 00:49:14,110
never charged for healing he wanted he

1053
00:49:11,949 --> 00:49:16,750
felt that that and especially back then

1054
00:49:14,110 --> 00:49:18,190
drugs were much more toxic I mean

1055

00:49:16,750 --> 00:49:19,989
they're pretty toxic now but I think

1056
00:49:18,190 --> 00:49:21,940
they were they were much cruder back

1057
00:49:19,989 --> 00:49:24,719
then and he thought they were all

1058
00:49:21,940 --> 00:49:28,840
unnecessary and it was a question of of

1059
00:49:24,719 --> 00:49:31,689
revamping our mental ability removing

1060
00:49:28,840 --> 00:49:34,990
the trauma and you know bringing the

1061
00:49:31,690 --> 00:49:38,079
body's energy patterns up to up to code

1062
00:49:34,989 --> 00:49:40,059
so to speak and we would not have this

1063
00:49:38,079 --> 00:49:42,699
disease and he really wanted to give the

1064
00:49:40,059 --> 00:49:44,409
doctors this is it as one more piece in

1065
00:49:42,699 --> 00:49:47,169
their toolkit well that's that's

1066
00:49:44,409 --> 00:49:51,219
wonderful and I think it's certainly a

1067
00:49:47,170 --> 00:49:55,269
noble a noble calling it's been a long

1068
00:49:51,219 --> 00:49:58,629
hard slog for people who have tried to

1069
00:49:55,269 --> 00:50:01,119

do that in current day I mean we have

1070

00:49:58,630 --> 00:50:04,090

you know Barbara Brennan who has a

1071

00:50:01,119 --> 00:50:07,119

healing school hands of light and she

1072

00:50:04,090 --> 00:50:10,840

has worked with a lot of nurses and and

1073

00:50:07,119 --> 00:50:13,359

given them certain healing practices

1074

00:50:10,840 --> 00:50:16,140

that have helped us wash the pain of

1075

00:50:13,360 --> 00:50:18,760

people and kind of as a complementary

1076

00:50:16,139 --> 00:50:21,609

practice in hospitals it seems to be

1077

00:50:18,760 --> 00:50:23,650

more accepted now but certainly it's

1078

00:50:21,610 --> 00:50:25,870

it's it seems pale in comparison

1079

00:50:23,650 --> 00:50:27,579

although it doesn't Norma's amount of

1080

00:50:25,869 --> 00:50:29,679

good work I'm not I'm not putting it

1081

00:50:27,579 --> 00:50:31,779

down by any means but it seems like your

1082

00:50:29,679 --> 00:50:34,480

father wanted to do even so much more

1083

00:50:31,780 --> 00:50:37,150

than that yeah and we are we'll listen

1084
00:50:34,480 --> 00:50:39,730
we're further advanced and we were were

1085
00:50:37,150 --> 00:50:42,550
on the road or you're doing this show

1086
00:50:39,730 --> 00:50:45,369
you're each doing your own work and I

1087
00:50:42,550 --> 00:50:47,500
think that but boy you know sometimes

1088
00:50:45,369 --> 00:50:49,179
there's there's just such astonishing

1089
00:50:47,500 --> 00:50:51,519
darkness out there in the world that you

1090
00:50:49,179 --> 00:50:53,259
read in the news and it's very hard to

1091
00:50:51,519 --> 00:50:55,719
stay focused and I really feel that

1092
00:50:53,260 --> 00:50:58,540
everybody listening to this all of us

1093
00:50:55,719 --> 00:51:01,569
have a responsibility to stay as

1094
00:50:58,539 --> 00:51:04,389
possible as positive as possible to be

1095
00:51:01,570 --> 00:51:07,210
as kind as possible and to just just

1096
00:51:04,389 --> 00:51:09,460
keep that thought process really clean

1097
00:51:07,210 --> 00:51:12,760
it's important not only for yourself but

1098
00:51:09,460 --> 00:51:15,070
it's important for all of us here yes I

1099
00:51:12,760 --> 00:51:17,230
agree and and practice acts of

1100
00:51:15,070 --> 00:51:19,300
loving-kindness wherever you go and

1101
00:51:17,230 --> 00:51:23,019
that's the best we can

1102
00:51:19,300 --> 00:51:25,960
form right yeah because negativity is so

1103
00:51:23,019 --> 00:51:28,389
contagious and you see that you know

1104
00:51:25,960 --> 00:51:31,030
easily in a crowd like I said if the if

1105
00:51:28,389 --> 00:51:33,129
the cashier throws your money at you or

1106
00:51:31,030 --> 00:51:35,380
was rude to you and then you get in the

1107
00:51:33,130 --> 00:51:37,180
car and someone cuts you off and then

1108
00:51:35,380 --> 00:51:39,460
you start honking and you get out start

1109
00:51:37,179 --> 00:51:41,980
screaming I mean and in that person it's

1110
00:51:39,460 --> 00:51:43,389
just a chain reaction and I know I read

1111
00:51:41,980 --> 00:51:44,920
a book many years ago by the Dalai Lama

1112

00:51:43,389 --> 00:51:46,900
and they asked him what is the biggest

1113
00:51:44,920 --> 00:51:50,260
problem facing the world today and he

1114
00:51:46,900 --> 00:51:54,700
said anger and boy is that ever true yes

1115
00:51:50,260 --> 00:51:57,100
anger is it's all about us being here on

1116
00:51:54,699 --> 00:52:01,869
earth like angry Apes with guns and that

1117
00:51:57,099 --> 00:52:04,750
seems to be mr. bacon Freeman that seems

1118
00:52:01,869 --> 00:52:09,639
to be the the big issue on earth today

1119
00:52:04,750 --> 00:52:10,269
so in wrapping this up what are you

1120
00:52:09,639 --> 00:52:12,190
doing

1121
00:52:10,269 --> 00:52:14,019
currently is is there something that we

1122
00:52:12,190 --> 00:52:16,659
should know about that you know moving

1123
00:52:14,019 --> 00:52:19,030
forward with your life now is there a

1124
00:52:16,659 --> 00:52:21,339
new project is there a painting

1125
00:52:19,030 --> 00:52:26,440
exhibition or do you want to go through

1126
00:52:21,340 --> 00:52:30,180

your your places on the web would you

1127

00:52:26,440 --> 00:52:34,900

like to repeat your contact information

1128

00:52:30,179 --> 00:52:36,579

we can do all of that okay the paintings

1129

00:52:34,900 --> 00:52:39,610

and I love people looking at the

1130

00:52:36,579 --> 00:52:42,429

paintings third Philip Smith art calm

1131

00:52:39,610 --> 00:52:46,329

and it's Philip with one L the book the

1132

00:52:42,429 --> 00:52:48,159

book website is actually like a little

1133

00:52:46,329 --> 00:52:50,799

museum to my father you can see the

1134

00:52:48,159 --> 00:52:52,389

dictation that he took from the spirits

1135

00:52:50,800 --> 00:52:56,830

you can see some of his healing jewels

1136

00:52:52,389 --> 00:52:58,750

Disney you can and unfortunately it was

1137

00:52:56,829 --> 00:53:00,340

a time when there really didn't have

1138

00:52:58,750 --> 00:53:02,769

video cameras so I don't have video of

1139

00:53:00,340 --> 00:53:04,240

him you can see some pictures of him but

1140

00:53:02,769 --> 00:53:06,519

you can learn a little bit more about

1141
00:53:04,239 --> 00:53:11,739
him at walking through walls the book

1142
00:53:06,519 --> 00:53:13,869
calm I'm slowly - slowly but I am

1143
00:53:11,739 --> 00:53:17,619
working going through all his papers and

1144
00:53:13,869 --> 00:53:21,119
his audio tapes and working to put

1145
00:53:17,619 --> 00:53:24,069
together a book on his healing methods

1146
00:53:21,119 --> 00:53:26,619
it's long overdue and it's going to take

1147
00:53:24,070 --> 00:53:30,700
a lot longer because there's so much

1148
00:53:26,619 --> 00:53:32,650
information and it's it's hard writing

1149
00:53:30,699 --> 00:53:35,829
this sort of textbook

1150
00:53:32,650 --> 00:53:38,050
of a healer who's not here necessarily

1151
00:53:35,829 --> 00:53:40,920
to help me but he seems to be helping me

1152
00:53:38,050 --> 00:53:43,900
because when I write stuff I'm thinking

1153
00:53:40,920 --> 00:53:47,610
gee where did this come from it's this

1154
00:53:43,900 --> 00:53:51,160
doesn't sound like me so I think that

1155
00:53:47,610 --> 00:53:52,840
we're working on this together and it's

1156
00:53:51,159 --> 00:53:54,579
going to be a while I don't think it's

1157
00:53:52,840 --> 00:53:58,390
it's it's not out for next Christmas

1158
00:53:54,579 --> 00:54:01,090
I'll tell you that I am working on it

1159
00:53:58,389 --> 00:54:03,579
well good that sounds very good and I

1160
00:54:01,090 --> 00:54:06,250
find it fascinating that you are

1161
00:54:03,579 --> 00:54:08,500
basically doing a I guess you could say

1162
00:54:06,250 --> 00:54:11,710
a form of automatic writing taking this

1163
00:54:08,500 --> 00:54:14,889
dictation from your father and that's

1164
00:54:11,710 --> 00:54:18,550
that's a psychic a psychic skill a

1165
00:54:14,889 --> 00:54:20,829
psychic art all in itself and I I do get

1166
00:54:18,550 --> 00:54:23,590
the definite impression that you are a

1167
00:54:20,829 --> 00:54:25,090
very intuitive gentleman i I don't know

1168
00:54:23,590 --> 00:54:27,579
whether you would describe yourself as a

1169

00:54:25,090 --> 00:54:30,160
psychic though I'm sure I mean you could

1170
00:54:27,579 --> 00:54:33,909
if you wanted to but certainly a very

1171
00:54:30,159 --> 00:54:37,659
intuitive man and I can only say thank

1172
00:54:33,909 --> 00:54:41,949
you so much for for gracing us this

1173
00:54:37,659 --> 00:54:44,619
evening with your your work and all the

1174
00:54:41,949 --> 00:54:46,089
wonderful things we've learned yes thank

1175
00:54:44,619 --> 00:54:47,650
you for having me it's been a real

1176
00:54:46,090 --> 00:54:50,320
pleasure and you're spreading the word

1177
00:54:47,650 --> 00:54:52,210
which is important well I really

1178
00:54:50,320 --> 00:54:54,130
appreciate your being here too you were

1179
00:54:52,210 --> 00:54:59,559
one of the I would say most fun

1180
00:54:54,130 --> 00:55:01,269
interviews we had to listen thank you

1181
00:54:59,559 --> 00:55:03,400
and I hope this goes out to a lot of

1182
00:55:01,269 --> 00:55:04,780
people and and keep up the good work is

1183
00:55:03,400 --> 00:55:05,530

what you're doing is really really

1184

00:55:04,780 --> 00:55:08,080

important

1185

00:55:05,530 --> 00:55:13,450

Thank You Philip and we'll be in touch

1186

00:55:08,079 --> 00:55:15,909

Thanks nice man I thoroughly enjoyed

1187

00:55:13,449 --> 00:55:18,279

that it was a little bit different to

1188

00:55:15,909 --> 00:55:21,339

other than topics that we don't always

1189

00:55:18,280 --> 00:55:23,019

talk japon it was great yeah I really

1190

00:55:21,340 --> 00:55:25,900

like that he's so well-spoken

1191

00:55:23,019 --> 00:55:26,650

anyway now comes the time of the show

1192

00:55:25,900 --> 00:55:29,440

mm-hmm

1193

00:55:26,650 --> 00:55:32,110

called my friends do stuff they write

1194

00:55:29,440 --> 00:55:34,450

books they have projects and the first

1195

00:55:32,110 --> 00:55:39,940

thing I want to talk about is my friend

1196

00:55:34,449 --> 00:55:43,869

Sharon Smith she has a spiritual road

1197

00:55:39,940 --> 00:55:46,480

trip movie and it's called Saturn saved

1198
00:55:43,869 --> 00:55:49,480
me and it's about her

1199
00:55:46,480 --> 00:55:52,539
variances in India on the bumpy road to

1200
00:55:49,480 --> 00:55:54,579
wisdom weren't worse wisdom yeah it's

1201
00:55:52,539 --> 00:55:56,250
what's one of the towns in there next to

1202
00:55:54,579 --> 00:55:59,529
the Delhi

1203
00:55:56,250 --> 00:56:01,900
Sharon has visited Indian astrologers

1204
00:55:59,530 --> 00:56:04,390
and healers and she had to look for an

1205
00:56:01,900 --> 00:56:07,660
ancient palm leaf that would reveal her

1206
00:56:04,389 --> 00:56:09,369
destiny she discovers that her past life

1207
00:56:07,659 --> 00:56:12,129
deeds are preventing her from being

1208
00:56:09,369 --> 00:56:16,000
happy as well as keeping her single

1209
00:56:12,130 --> 00:56:20,230
and what's more hmm she has curse a

1210
00:56:16,000 --> 00:56:23,260
curse oh yes indeed as a contemporary

1211
00:56:20,230 --> 00:56:26,349
American woman her predicament is both

1212
00:56:23,260 --> 00:56:29,800
humorous and poignant as she confronts

1213
00:56:26,349 --> 00:56:34,029
the collision between Western values and

1214
00:56:29,800 --> 00:56:35,620
Eastern ancient Eastern beliefs the

1215
00:56:34,030 --> 00:56:38,410
whole thing is this Sharon has filmed

1216
00:56:35,619 --> 00:56:40,049
this whole movie and now she's funding

1217
00:56:38,409 --> 00:56:43,629
money on the crowdsourcing platform

1218
00:56:40,050 --> 00:56:45,220
IndieGoGo to finish this film ok there

1219
00:56:43,630 --> 00:56:47,950
are some great perks she's offering

1220
00:56:45,219 --> 00:56:50,049
including many astrology readings and a

1221
00:56:47,949 --> 00:56:52,569
ticket to the screening in January in

1222
00:56:50,050 --> 00:56:54,310
New York City hmm I have known Sharon

1223
00:56:52,570 --> 00:56:56,170
for over 20 years and I can vouch for

1224
00:56:54,309 --> 00:56:59,799
the fact that this is a worthy project

1225
00:56:56,170 --> 00:57:00,340
ok so if you're interested it's very

1226

00:56:59,800 --> 00:57:09,340

funny

1227

00:57:00,340 --> 00:57:11,140

please visit www.sap.com/learnbi oh it's

1228

00:57:09,340 --> 00:57:11,829

every little bit helps even if it's only

1229

00:57:11,139 --> 00:57:14,529

5 bucks

1230

00:57:11,829 --> 00:57:16,509

everything helps ok and on earth just

1231

00:57:14,530 --> 00:57:20,650

further with this my friends write books

1232

00:57:16,510 --> 00:57:23,890

of the vegetarian flavor bible by Karen

1233

00:57:20,650 --> 00:57:26,349

page mentions me for richer as having

1234

00:57:23,889 --> 00:57:29,440

led her to a vegetarian eatery in New

1235

00:57:26,349 --> 00:57:31,630

York City la Francia which she thought

1236

00:57:29,440 --> 00:57:35,110

she wouldn't like but after eating there

1237

00:57:31,630 --> 00:57:37,059

she was very pleasantly surprised this

1238

00:57:35,110 --> 00:57:39,370

was a number of years before the book

1239

00:57:37,059 --> 00:57:42,099

which is just coming out now and before

1240

00:57:39,369 --> 00:57:44,259

she became a vegetarian it's a wonderful

1241
00:57:42,099 --> 00:57:47,500
book for those who follow a vegetarian

1242
00:57:44,260 --> 00:57:49,990
or a vegan diet and also for those who

1243
00:57:47,500 --> 00:57:52,150
are trying to cut down on animal product

1244
00:57:49,989 --> 00:57:56,109
consumption want to save those little

1245
00:57:52,150 --> 00:58:00,130
Pussycats and yeah it's a thick book

1246
00:57:56,110 --> 00:58:00,430
it's just incredibly like it's got so

1247
00:58:00,130 --> 00:58:02,769
much

1248
00:58:00,429 --> 00:58:05,980
information in it the sumptuous photos

1249
00:58:02,769 --> 00:58:10,329
are by Karen's very cute husband Andrew

1250
00:58:05,980 --> 00:58:12,159
Dornan Berg now this is the last book to

1251
00:58:10,329 --> 00:58:14,289
talk about it is quite something

1252
00:58:12,159 --> 00:58:17,108
interesting but in a strange little

1253
00:58:14,289 --> 00:58:20,170
weird way it hits upon what Phillip

1254
00:58:17,108 --> 00:58:22,318
Smith was talking about synchronous of

1255
00:58:20,170 --> 00:58:25,298
synchronicity automatic writing and a

1256
00:58:22,318 --> 00:58:27,909
very lovely lady who is a good singer

1257
00:58:25,298 --> 00:58:31,119
named Diane way bright always a friend

1258
00:58:27,909 --> 00:58:33,818
of mine as well she wrote a sweet little

1259
00:58:31,119 --> 00:58:37,568
book called of all things now this is

1260
00:58:33,818 --> 00:58:39,940
odd the burping bottle discourses it's

1261
00:58:37,568 --> 00:58:42,159
just a very charming little book she

1262
00:58:39,940 --> 00:58:45,369
wrote it she illustrated it and it's a

1263
00:58:42,159 --> 00:58:49,558
very gentle introduction into the idea

1264
00:58:45,369 --> 00:58:53,829
that you can write things that are

1265
00:58:49,559 --> 00:58:56,289
channeled lightly um and so she she had

1266
00:58:53,829 --> 00:58:59,920
a bottle of water when she was living in

1267
00:58:56,289 --> 00:59:01,450
the desert and it started to burp one

1268
00:58:59,920 --> 00:59:03,278
day after she had this bottle you know

1269
00:59:01,449 --> 00:59:05,348
like one of these reusable water bottles

1270
00:59:03,278 --> 00:59:06,940
all of a sudden it started to burp she's

1271
00:59:05,349 --> 00:59:12,130
used it for a couple of months before

1272
00:59:06,940 --> 00:59:15,700
this and as it started to burp she

1273
00:59:12,130 --> 00:59:17,440
realized that it was telling herself so

1274
00:59:15,699 --> 00:59:19,929
she started to ask it like yes or no

1275
00:59:17,440 --> 00:59:24,460
questions and then she found it to be

1276
00:59:19,929 --> 00:59:26,879
like a push to write and she would write

1277
00:59:24,460 --> 00:59:30,460
things that she felt were like

1278
00:59:26,880 --> 00:59:33,099
spiritually channeled but not like my

1279
00:59:30,460 --> 00:59:35,769
name is ork from ork and I'm telling you

1280
00:59:33,099 --> 00:59:38,730
but more like gentle spiritual advice

1281
00:59:35,769 --> 00:59:43,480
and it's just a very sweet little book

1282
00:59:38,730 --> 00:59:47,170
called the burping bottle discourse is

1283

00:59:43,480 --> 00:59:49,269
published by Hermes house press so we

1284
00:59:47,170 --> 00:59:55,750
had a vegetarian book followed by a

1285
00:59:49,269 --> 00:59:59,380
burping bottle yes my friends are weird

1286
00:59:55,750 --> 01:00:02,289
so in finality here just about to say

1287
00:59:59,380 --> 01:00:05,430
goodbye right we invite you gentle

1288
01:00:02,289 --> 01:00:09,609
listener to suggest guests for us submit

1289
01:00:05,429 --> 01:00:12,308
experiences of the paranormal and most

1290
01:00:09,608 --> 01:00:14,298
of all like our Facebook page which is

1291
01:00:12,309 --> 01:00:17,410
called shattered reality

1292
01:00:14,298 --> 01:00:20,929
radio station because Facebook has no

1293
01:00:17,409 --> 01:00:23,298
podcast designation so go to shattered

1294
01:00:20,929 --> 01:00:26,588
reality the radio station not the rock

1295
01:00:23,298 --> 01:00:27,739
band and like our page and our website

1296
01:00:26,588 --> 01:00:32,298
shattered

1297
01:00:27,739 --> 01:00:35,869

reality podcast wordpress.com we do and

1298

01:00:32,298 --> 01:00:37,579

we will answer comments absolutely and

1299

01:00:35,869 --> 01:00:40,969

until next time

1300

01:00:37,579 --> 01:00:41,390

Purusha i will say goodbye and good

1301

01:00:40,969 --> 01:00:59,199

night

1302

01:00:41,389 --> 01:00:59,199

adios Amiga shattered reality

1303

01:01:07,699 --> 01:01:09,759

you
