

1
00:00:16,699 --> 00:00:23,750
welcome to shattered reality with your

2
00:00:20,160 --> 00:00:26,730
hosts kate valentine and Farrugia

3
00:00:23,750 --> 00:00:31,800
prepare to head her paradigms shifted

4
00:00:26,730 --> 00:00:34,920
into truths questioned and now shattered

5
00:00:31,800 --> 00:00:37,890
right I ferocious is he Valentine and

6
00:00:34,920 --> 00:00:40,800
we're very very happy to have an old

7
00:00:37,890 --> 00:00:44,460
friend on as our guest today Kathleen

8
00:00:40,799 --> 00:00:47,308
Martin a very well-known person in the

9
00:00:44,460 --> 00:00:49,679
you ufology field and the field of

10
00:00:47,308 --> 00:00:52,349
abductions in the field of more

11
00:00:49,679 --> 00:00:55,289
interestingly abduction research I think

12
00:00:52,350 --> 00:00:57,480
Kathleen was one of if not the only

13
00:00:55,289 --> 00:01:01,170
person along with Denise stoner to

14
00:00:57,479 --> 00:01:03,319
actually try to quantify some details of

15
00:01:01,170 --> 00:01:06,478
abduction so that was very interesting

16
00:01:03,320 --> 00:01:08,250
but certainly I think the way and I

17
00:01:06,478 --> 00:01:10,319
think as they will agree with me the way

18
00:01:08,250 --> 00:01:13,260
she got started and all this and she

19
00:01:10,319 --> 00:01:16,079
happens to be the niece of betty and

20
00:01:13,260 --> 00:01:18,330
barney him is that correct kathleen that

21
00:01:16,079 --> 00:01:22,099
is correct yeah you really had some

22
00:01:18,329 --> 00:01:25,769
first-hand experience that was great I

23
00:01:22,099 --> 00:01:28,408
nice to speak with you again Kathleen we

24
00:01:25,769 --> 00:01:31,590
met a couple of times in the past first

25
00:01:28,409 --> 00:01:35,219
time at Kate Valentine's Atlantic Coast

26
00:01:31,590 --> 00:01:36,900
UFO convention in atlantic city at the

27
00:01:35,219 --> 00:01:43,200
cocktail party we had a lovely

28
00:01:36,900 --> 00:01:47,460
conversation and because of our show not

29

00:01:43,200 --> 00:01:50,670
being totally involved with UFOs because

30
00:01:47,459 --> 00:01:53,219
our show leans heavily on areas of

31
00:01:50,670 --> 00:01:55,590
consciousness and parapsychology and

32
00:01:53,219 --> 00:01:58,048
remote viewing and other things there

33
00:01:55,590 --> 00:02:02,280
may be people out in our listening

34
00:01:58,049 --> 00:02:07,320
audience who do not know the Betty and

35
00:02:02,280 --> 00:02:11,579
Barney Hill saga that you were a part of

36
00:02:07,319 --> 00:02:14,719
as a teenager and I wonder without going

37
00:02:11,579 --> 00:02:16,969
into every detail

38
00:02:14,719 --> 00:02:19,879
perhaps you can give these people a

39
00:02:16,969 --> 00:02:22,669
little heads-up about the you know the

40
00:02:19,879 --> 00:02:26,030
date and kind of the overview of what

41
00:02:22,669 --> 00:02:29,269
happened I'd be happy to the date was

42
00:02:26,030 --> 00:02:31,039
September nineteen nineteen sixty one my

43
00:02:29,270 --> 00:02:33,260

aunt and uncle Betty and Barney Hill

44

00:02:31,039 --> 00:02:36,019
were returning to their home in

45

00:02:33,259 --> 00:02:38,750
Portsmouth New Hampshire from a vacation

46

00:02:36,020 --> 00:02:41,290
to Niagara Falls they went to Toronto

47

00:02:38,750 --> 00:02:43,789
than to Montreal and we're driving home

48

00:02:41,289 --> 00:02:46,699
during the night when they had a close

49

00:02:43,789 --> 00:02:50,109
encounter with the UFO it was so close

50

00:02:46,699 --> 00:02:53,179
that it actually hovered a hundred feet

51

00:02:50,110 --> 00:02:57,140
approximately above their vehicle my

52

00:02:53,180 --> 00:02:59,840
uncle stopped the car got out the craft

53

00:02:57,139 --> 00:03:02,719
shifted to a field followed it into the

54

00:02:59,840 --> 00:03:06,349
field he observed individuals on the

55

00:03:02,719 --> 00:03:09,859
craft that he immediately stated were

56

00:03:06,349 --> 00:03:13,400
somehow not human they frightened him

57

00:03:09,860 --> 00:03:15,260
greatly he ran back to the vehicle was

58
00:03:13,400 --> 00:03:18,170
speeding down the road because he had

59
00:03:15,259 --> 00:03:20,500
the impression that if he didn't get out

60
00:03:18,169 --> 00:03:24,139
of there he was going to be captured and

61
00:03:20,500 --> 00:03:27,219
as he's driving down the road very

62
00:03:24,139 --> 00:03:30,589
rapidly he and my auntie a series of

63
00:03:27,219 --> 00:03:35,269
code like buzzing Sam striking the trunk

64
00:03:30,590 --> 00:03:37,879
of the car they then feel a tingling

65
00:03:35,269 --> 00:03:40,310
sensation pass through their bodies the

66
00:03:37,879 --> 00:03:42,949
car is vibrating and the next thing they

67
00:03:40,310 --> 00:03:45,319
know the 35 miles down the road they

68
00:03:42,949 --> 00:03:48,139
have very little memory of what happened

69
00:03:45,319 --> 00:03:50,680
in the interim they remembered a

70
00:03:48,139 --> 00:03:55,458
roadblock somewhere along the way of

71
00:03:50,680 --> 00:03:56,930
fiery orb and that was about it they

72
00:03:55,459 --> 00:03:58,729
went home and they discovered that there

73
00:03:56,930 --> 00:04:01,640
was physical evidence that they could

74
00:03:58,729 --> 00:04:03,649
not explain my aunt's dress was torn in

75
00:04:01,639 --> 00:04:06,169
several places the tops of my uncle's

76
00:04:03,650 --> 00:04:08,719
best dress shoes were so deeply scraped

77
00:04:06,169 --> 00:04:12,919
he had to buy new shoes their watches

78
00:04:08,719 --> 00:04:15,439
had permanently stopped and there was a

79
00:04:12,919 --> 00:04:18,589
magnetic field around the trunk of the

80
00:04:15,439 --> 00:04:25,310
car and shiny spots where they heard

81
00:04:18,589 --> 00:04:27,560
those buzzing sounds they knew that

82
00:04:25,310 --> 00:04:28,550
something unusual had happened they

83
00:04:27,560 --> 00:04:31,040
didn't know

84
00:04:28,550 --> 00:04:33,520
actually what except for the sighting

85
00:04:31,040 --> 00:04:37,939
they reported it to Pease Air Force Base

86

00:04:33,519 --> 00:04:39,889
it was very distressing to my uncle who

87
00:04:37,939 --> 00:04:44,449
would actually observed the nonhumans

88
00:04:39,889 --> 00:04:48,680
and this caused so much distress that he

89
00:04:44,449 --> 00:04:51,800
was referred to dr. Benjamin Simon in

90
00:04:48,680 --> 00:04:54,470
boston massachusetts and he and my aunt

91
00:04:51,800 --> 00:04:58,250
had separate hypnosis sessions with dr.

92
00:04:54,470 --> 00:05:00,440
Simon for a period of six months and he

93
00:04:58,250 --> 00:05:03,439
imposed amnesia at the end of each

94
00:05:00,439 --> 00:05:07,790
session and they came out with the same

95
00:05:03,439 --> 00:05:10,310
story of alien abduction their case was

96
00:05:07,790 --> 00:05:15,250
the first in the United States we were

97
00:05:10,310 --> 00:05:18,110
not aware of this before this occurred

98
00:05:15,250 --> 00:05:20,720
one question that I have and I think

99
00:05:18,110 --> 00:05:23,389
this would be of interest to many of our

100
00:05:20,720 --> 00:05:27,350

listeners who don't know the story can

101

00:05:23,389 --> 00:05:33,009

you give a description of said non-human

102

00:05:27,350 --> 00:05:37,370

entities I can my uncle said that they

103

00:05:33,009 --> 00:05:39,379

had large heads larger in proportion to

104

00:05:37,370 --> 00:05:43,670

their bodies and humans they were

105

00:05:39,379 --> 00:05:47,209

hairless their extremities he described

106

00:05:43,670 --> 00:05:51,430

as being spindly they were smaller than

107

00:05:47,209 --> 00:05:55,819

the average human and they spoke

108

00:05:51,430 --> 00:05:58,160

telepathically and that sort of said to

109

00:05:55,819 --> 00:05:59,959

seem and a lot of people say well they

110

00:05:58,160 --> 00:06:02,840

were just describing what a lot of other

111

00:05:59,959 --> 00:06:04,669

people had to had happened to a lot of

112

00:06:02,839 --> 00:06:08,299

other people but as you said they were

113

00:06:04,670 --> 00:06:12,340

the first and they actually made life a

114

00:06:08,300 --> 00:06:15,259

magazine I believe look look okay and

115
00:06:12,339 --> 00:06:18,529
yeah they became quite well known at the

116
00:06:15,259 --> 00:06:22,399
time and there had been a movie made

117
00:06:18,529 --> 00:06:24,019
back then but then you I think speaking

118
00:06:22,399 --> 00:06:26,750
with you you said there was going to be

119
00:06:24,019 --> 00:06:31,039
a remake of that movie it's not a remake

120
00:06:26,750 --> 00:06:34,730
of that movie mm-hmm it is going to be a

121
00:06:31,040 --> 00:06:38,689
movie on the book I'm shirred the Betty

122
00:06:34,730 --> 00:06:40,610
and Barney Hill UFO that was the one you

123
00:06:38,689 --> 00:06:42,430
co-authored with Stan that my co

124
00:06:40,610 --> 00:06:44,980
authored with Stanton

125
00:06:42,430 --> 00:06:47,620
Friedman yes the movie has made been

126
00:06:44,980 --> 00:06:51,060
made on the the first book that was

127
00:06:47,620 --> 00:06:53,699
written by john g fuller back in 1915

128
00:06:51,060 --> 00:06:56,500
Stanton Friedman and I did a case study

129
00:06:53,699 --> 00:07:00,639
started out of the biography actually

130
00:06:56,500 --> 00:07:03,970
and I was writing the details of my aunt

131
00:07:00,639 --> 00:07:07,569
and uncle's lives after both of them had

132
00:07:03,970 --> 00:07:10,330
passed away but I discovered that there

133
00:07:07,569 --> 00:07:13,599
was so much fascinating information in

134
00:07:10,329 --> 00:07:18,240
their files that had never been reported

135
00:07:13,600 --> 00:07:22,720
to the public that I wrote about this in

136
00:07:18,240 --> 00:07:26,920
my book and this book is the book that

137
00:07:22,720 --> 00:07:31,480
has been optioned for a movie that's

138
00:07:26,920 --> 00:07:38,530
wonderful yes it is by Bryce is able yes

139
00:07:31,480 --> 00:07:41,200
Jackie is able and by Gotham principal

140
00:07:38,529 --> 00:07:44,589
producers there they produced Maze

141
00:07:41,199 --> 00:07:47,829
Runner and the Scorch Trials wow they're

142
00:07:44,589 --> 00:07:49,479
teaming up with Bryce to work on this

143

00:07:47,829 --> 00:07:51,579
movie and it's going to be a lot

144
00:07:49,480 --> 00:07:54,430
different from the first there's still a

145
00:07:51,579 --> 00:07:57,069
copyright on the first movie this movie

146
00:07:54,430 --> 00:07:59,170
is going to focus more on the lives of

147
00:07:57,069 --> 00:08:02,879
Betty and Barney Hill civil rights

148
00:07:59,170 --> 00:08:06,400
leaders they were an interracial couple

149
00:08:02,879 --> 00:08:08,620
she was a social worker they were both

150
00:08:06,399 --> 00:08:12,060
very committed to the civil rights

151
00:08:08,620 --> 00:08:14,590
movement and to Community Affairs

152
00:08:12,060 --> 00:08:18,579
prominent in the community they never

153
00:08:14,589 --> 00:08:21,579
wanted this story to get out to the

154
00:08:18,579 --> 00:08:23,740
public in the way that it did and so it

155
00:08:21,579 --> 00:08:26,859
would be more of a movie about their

156
00:08:23,740 --> 00:08:30,220
lives and the impact that this had on

157
00:08:26,860 --> 00:08:32,800

their lives and how it changed in a way

158

00:08:30,220 --> 00:08:36,100

the direction of their lives and it and

159

00:08:32,799 --> 00:08:39,549

your life as well clearly Oh clearly yes

160

00:08:36,100 --> 00:08:41,649

we did do you want to repeat the name of

161

00:08:39,549 --> 00:08:44,079

your book I am the owner of that book

162

00:08:41,649 --> 00:08:46,959

and I highly recommend it to our

163

00:08:44,080 --> 00:08:48,670

listeners and if you wanted to repeat

164

00:08:46,960 --> 00:08:52,150

the name of that book and how people

165

00:08:48,669 --> 00:08:55,469

could get a copy of the book either in

166

00:08:52,149 --> 00:08:57,959

an e-form or a

167

00:08:55,470 --> 00:08:59,610

a hard back for more soft back form

168

00:08:57,960 --> 00:09:03,690

maybe you could give us the information

169

00:08:59,610 --> 00:09:08,009

right now sure the book is captured the

170

00:09:03,690 --> 00:09:12,300

Betty and Barney Hill UFO experience by

171

00:09:08,009 --> 00:09:16,289

Kathleen Mardon and Stanton Friedman and

172
00:09:12,299 --> 00:09:20,219
Mardan is ma rden a lot of people think

173

paypal on my website great one of the

181
00:09:47,159 --> 00:09:51,089
interesting things that you brought out

182
00:09:48,929 --> 00:09:54,120
about your aunt and uncle is that they

183
00:09:51,090 --> 00:09:56,670
were actually at an inaugural ball which

184
00:09:54,120 --> 00:10:00,139
is an indication of how well thought of

185
00:09:56,669 --> 00:10:05,509
they were in the community absolutely

186
00:10:00,139 --> 00:10:08,159
they campaigned for Lyndon Johnson and

187
00:10:05,509 --> 00:10:11,970
Johnson was elected my uncle was a

188
00:10:08,159 --> 00:10:17,370
delegate and I also worked on that

189
00:10:11,970 --> 00:10:21,080
contain as a teenager and I to received

190
00:10:17,370 --> 00:10:24,259
an invitation to attend Lyndon Johnson's

191
00:10:21,080 --> 00:10:27,810
inauguration so Betty and Barney and I

192
00:10:24,259 --> 00:10:31,439
attended the inauguration well oh but

193
00:10:27,809 --> 00:10:35,909
what a fantastic experience I hope you

194
00:10:31,440 --> 00:10:39,420
have a pictures you know it must have

195
00:10:35,909 --> 00:10:42,929
pictures somewhere I do have one large

196
00:10:39,419 --> 00:10:46,289
photograph of the entire New Hampshire

197
00:10:42,929 --> 00:10:48,839
group which I tarish I that must have

198
00:10:46,289 --> 00:10:54,659
been such a thrill really at that age

199
00:10:48,840 --> 00:10:59,280
especially yeah so on so um you know I

200

00:10:54,659 --> 00:11:04,319
know that your aunt continued to be

201
00:10:59,279 --> 00:11:07,289
involved in the UFO area after your

202
00:11:04,320 --> 00:11:08,050
uncle unfortunately passed on and you

203
00:11:07,289 --> 00:11:11,469
also

204
00:11:08,049 --> 00:11:13,870
have continued as a researcher and with

205
00:11:11,470 --> 00:11:17,528
MUFON and you want a wonderful prize

206
00:11:13,870 --> 00:11:19,959
back in 2014 am i right or 2012 from

207
00:11:17,528 --> 00:11:22,720
MUFON you won the ufologist of the Year

208
00:11:19,958 --> 00:11:27,159
award did you yeah yes I believe it was

209
00:11:22,720 --> 00:11:31,360
2012 ok I won that award that was a very

210
00:11:27,159 --> 00:11:34,958
special moment in my life yes as it must

211
00:11:31,360 --> 00:11:37,480
be well MUFON is the mutual UFO network

212
00:11:34,958 --> 00:11:40,028
and it's probably one of the oldest and

213
00:11:37,480 --> 00:11:43,480
best-known organizations there have been

214
00:11:40,028 --> 00:11:46,120

others but MUFON seems to survive and

215

00:11:43,480 --> 00:11:49,810

continue on and you've been very active

216

00:11:46,120 --> 00:11:53,259

in that I know and actually now you're

217

00:11:49,809 --> 00:11:56,979

even more active in their experience or

218

00:11:53,259 --> 00:12:02,439

field I believe yes I am I got a member

219

00:11:56,980 --> 00:12:06,670

of MUFON since 1991 no here we are Oh

220

00:12:02,440 --> 00:12:11,320

five years yeah and you can see by my

221

00:12:06,669 --> 00:12:14,289

longtime membership that I think that

222

00:12:11,320 --> 00:12:19,390

it's a very good organization primarily

223

00:12:14,289 --> 00:12:23,169

because in its investigations of events

224

00:12:19,389 --> 00:12:26,199

it attempts to follow scientific

225

00:12:23,169 --> 00:12:30,309

protocols we we tend to be as objective

226

00:12:26,200 --> 00:12:36,490

as possible and to collect physical

227

00:12:30,309 --> 00:12:40,449

evidence to eyewitness testimony and to

228

00:12:36,490 --> 00:12:45,750

analyze that evidence to come up with an

229
00:12:40,450 --> 00:12:49,270
impression of actually occurred so that

230
00:12:45,750 --> 00:12:52,570
has kept my interest also MUFON

231
00:12:49,269 --> 00:12:54,789
publishes a monthly magazine and the

232
00:12:52,570 --> 00:12:58,329
magazine contains very interesting

233
00:12:54,789 --> 00:13:02,789
articles it's now available online an

234
00:12:58,328 --> 00:13:06,659
hour in hard copy as well it's an

235
00:13:02,789 --> 00:13:11,500
organization that is funded by its

236
00:13:06,659 --> 00:13:16,028
members so we pay an annual fee for the

237
00:13:11,500 --> 00:13:19,690
the magazine for the membership and that

238
00:13:16,028 --> 00:13:21,750
helps to fund the organization and we

239
00:13:19,690 --> 00:13:25,060
have a

240
00:13:21,750 --> 00:13:30,429
symposium and that symposium is going to

241
00:13:25,059 --> 00:13:36,219
be held in Orlando a lot of this year so

242
00:13:30,429 --> 00:13:42,549
the website for MUFON is just WWF on mu

243
00:13:36,220 --> 00:13:46,240
fon com my current role with MUFON is as

244
00:13:42,549 --> 00:13:48,699
its director of experience or research

245
00:13:46,240 --> 00:13:52,240
we used to use the name abduction but I

246
00:13:48,700 --> 00:13:55,060
know I received so many comments that it

247
00:13:52,240 --> 00:13:59,370
was not politically correct anymore oh

248
00:13:55,059 --> 00:14:04,089
oh so we changed it yes we all do

249
00:13:59,370 --> 00:14:08,560
experimenter people said will implies a

250
00:14:04,090 --> 00:14:11,980
negative experience and well most of

251
00:14:08,559 --> 00:14:14,439
them have been and what yes and also one

252
00:14:11,980 --> 00:14:17,379
that fun receives our negative

253
00:14:14,440 --> 00:14:23,520
experience uh-huh but we have many many

254
00:14:17,379 --> 00:14:27,460
people now who are stating that their

255
00:14:23,519 --> 00:14:32,409
experiences are highly positive and

256
00:14:27,460 --> 00:14:35,620
spiritual and leading to the Ascension

257

00:14:32,409 --> 00:14:38,469
process and it's jen tener allee those

258
00:14:35,620 --> 00:14:41,049
people who are very very vocal and do

259
00:14:38,470 --> 00:14:44,800
not like the word abduction even though

260
00:14:41,049 --> 00:14:48,279
you know that's that's what we deal with

261
00:14:44,799 --> 00:14:51,699
primarily I I am moved on I am an

262
00:14:48,279 --> 00:14:55,740
experiencer and I know that from my

263
00:14:51,700 --> 00:14:58,540
point of view that the contact is

264
00:14:55,740 --> 00:15:02,259
horrifyingly frightening I mean in a

265
00:14:58,539 --> 00:15:07,329
kind of physiological way it is just

266
00:15:02,259 --> 00:15:11,289
beyond terrifying the outcome in the

267
00:15:07,330 --> 00:15:15,720
looking back in the long haul the

268
00:15:11,289 --> 00:15:18,009
outcome is expanding of one's

269
00:15:15,720 --> 00:15:23,320
consciousness in a certain sense that

270
00:15:18,009 --> 00:15:26,529
you can see more of what it it means to

271
00:15:23,320 --> 00:15:32,170

be alive or that we're not alone in the

272

00:15:26,529 --> 00:15:34,209

universe kind of knowledge that is is

273

00:15:32,169 --> 00:15:34,909

imparted and i'm not talking about any

274

00:15:34,210 --> 00:15:37,519

particular

275

00:15:34,909 --> 00:15:41,179

secrets imparted but just the concept

276

00:15:37,519 --> 00:15:42,980

that there are other beings and that we

277

00:15:41,179 --> 00:15:48,159

may not be on the top of the food chain

278

00:15:42,980 --> 00:15:52,610

at all well that is absolutely correct

279

00:15:48,159 --> 00:15:54,949

and and I think everybody who has this

280

00:15:52,610 --> 00:15:58,460

type of experience comes to that

281

00:15:54,950 --> 00:16:02,660

realization but it is extremely

282

00:15:58,460 --> 00:16:06,259

frightening for many many people people

283

00:16:02,659 --> 00:16:09,860

are traumatized by these events and what

284

00:16:06,259 --> 00:16:14,110

we have done it move on is too it's

285

00:16:09,860 --> 00:16:18,139

multifaceted for one thing we have

286
00:16:14,110 --> 00:16:22,129
designed a specific protocols for

287
00:16:18,139 --> 00:16:24,009
investigation where we are looking for

288
00:16:22,129 --> 00:16:28,360
any evidence that we can possibly

289
00:16:24,009 --> 00:16:31,909
collect from the experimenter for

290
00:16:28,360 --> 00:16:35,600
laboratory analysis we have a second

291
00:16:31,909 --> 00:16:39,829
component to that and that is support

292
00:16:35,600 --> 00:16:44,420
for experiences because so many people

293
00:16:39,830 --> 00:16:47,750
have difficulty with this so muffins

294
00:16:44,419 --> 00:16:52,039
experience or research team has an

295
00:16:47,750 --> 00:16:57,230
online questionnaire it's 30 questions

296
00:16:52,039 --> 00:17:01,459
and all it is is an introduction to a

297
00:16:57,230 --> 00:17:05,960
member of the ERT so if somebody wants

298
00:17:01,460 --> 00:17:09,319
to discuss confidentially what occurred

299
00:17:05,960 --> 00:17:12,200
to them their concerns or anything else

300
00:17:09,319 --> 00:17:16,129
will have a person on the other end who

301
00:17:12,200 --> 00:17:21,980
will listen without passing judgment

302
00:17:16,130 --> 00:17:25,250
without being critical and if the person

303
00:17:21,980 --> 00:17:28,180
who is seeking help is looking for

304
00:17:25,250 --> 00:17:33,440
support group or looking for a hypnotist

305
00:17:28,180 --> 00:17:36,279
we do what we can to help them by

306
00:17:33,440 --> 00:17:39,100
providing a list of individuals

307
00:17:36,279 --> 00:17:43,099
unfortunately at this point we have only

308
00:17:39,099 --> 00:17:47,000
27 hypnotists in the entire United

309
00:17:43,099 --> 00:17:48,529
States on our list for referrals and

310
00:17:47,000 --> 00:17:52,390
we're looking for more

311
00:17:48,529 --> 00:17:57,289
and if anyone out there listening is

312
00:17:52,390 --> 00:18:00,800
certified hypnotherapist and is either

313
00:17:57,289 --> 00:18:03,500
licensed or certified and has

314

00:18:00,799 --> 00:18:06,470
malpractice insurance and experience in

315
00:18:03,500 --> 00:18:09,500
working with experiences we would

316
00:18:06,470 --> 00:18:13,940
appreciate it if you would get in touch

317
00:18:09,500 --> 00:18:18,890
with me my email address is on my

318
00:18:13,940 --> 00:18:23,450
website Kathleen Mardan calm we also

319
00:18:18,890 --> 00:18:27,259
have a short list of support groups we

320
00:18:23,450 --> 00:18:29,779
definitely need more of those but I and

321
00:18:27,259 --> 00:18:33,680
several other researchers are working on

322
00:18:29,779 --> 00:18:37,490
this problem because people need support

323
00:18:33,680 --> 00:18:41,600
too often experiencers have not been

324
00:18:37,490 --> 00:18:43,849
able to talk to anyone without ridicule

325
00:18:41,599 --> 00:18:46,759
without the possibility of losing their

326
00:18:43,849 --> 00:18:51,469
jobs without the possibility of being

327
00:18:46,759 --> 00:18:53,539
sent to a psychiatrist and it's time for

328
00:18:51,470 --> 00:18:59,480

that to end it's time for the ridicule

329

00:18:53,539 --> 00:19:01,789

to end and that's not ever I think it

330

00:18:59,480 --> 00:19:03,650

slowed down a bit though hasn't it and I

331

00:19:01,789 --> 00:19:08,000

think you've been one of the main

332

00:19:03,650 --> 00:19:09,800

reasons it has the ridicule yeah but the

333

00:19:08,000 --> 00:19:13,190

real i think that people are becoming

334

00:19:09,799 --> 00:19:20,210

more accepting mm-hmm for the most part

335

00:19:13,190 --> 00:19:24,440

and MO and less are not bullying let me

336

00:19:20,210 --> 00:19:28,190

put experiencers as much and there has

337

00:19:24,440 --> 00:19:31,580

been a movement by experiencers to gain

338

00:19:28,190 --> 00:19:34,279

strength in this as well and it doesn't

339

00:19:31,579 --> 00:19:37,339

really matter I mean a lot of people say

340

00:19:34,279 --> 00:19:39,889

show me the evidence surprise right the

341

00:19:37,339 --> 00:19:43,459

way that we perceive this is it doesn't

342

00:19:39,890 --> 00:19:46,640

really matter the individual believes

343
00:19:43,460 --> 00:19:49,759
that it is if that person is

344
00:19:46,640 --> 00:19:53,360
experiencing mental health issues don't

345
00:19:49,759 --> 00:19:57,410
they deserve respect are not we to

346
00:19:53,359 --> 00:20:01,029
respect our individuals our citizens who

347
00:19:57,410 --> 00:20:02,330
have mental health problems surely

348
00:20:01,029 --> 00:20:04,250
absolutely

349
00:20:02,329 --> 00:20:06,589
but I'll tell you as far as show me the

350
00:20:04,250 --> 00:20:10,460
evidence and these being a terrifying

351
00:20:06,589 --> 00:20:13,428
experience kudos to your aunt who stood

352
00:20:10,460 --> 00:20:16,610
up to these beings that had abducted her

353
00:20:13,429 --> 00:20:19,330
and said look I need some proof that

354
00:20:16,609 --> 00:20:22,490
i've been here and bullied one of the

355
00:20:19,329 --> 00:20:25,490
abductors into giving her something but

356
00:20:22,490 --> 00:20:28,609
then the whoever the head of abductor

357
00:20:25,490 --> 00:20:31,069
was took it back from her but I and

358
00:20:28,609 --> 00:20:33,918
having had the pleasure of meeting your

359
00:20:31,069 --> 00:20:35,960
aunt very briefly one time I think she

360
00:20:33,919 --> 00:20:37,490
was quite the forceful character that

361
00:20:35,960 --> 00:20:40,579
could have taught these little creatures

362
00:20:37,490 --> 00:20:42,528
into giving or something I always loved

363
00:20:40,579 --> 00:20:44,558
that story that she stood up to him and

364
00:20:42,528 --> 00:20:47,839
said hey give me something to take home

365
00:20:44,558 --> 00:20:50,629
yes she I was great that was it was a

366
00:20:47,839 --> 00:20:54,859
very brave woman I would say so really

367
00:20:50,630 --> 00:20:57,710
um absolutely hats off but that's you

368
00:20:54,859 --> 00:21:00,339
following in her footsteps oh that again

369
00:20:57,710 --> 00:21:04,069
the website was Buffon dot-com

370
00:21:00,339 --> 00:21:06,648
experience or survey that well nature I

371

00:21:04,069 --> 00:21:08,388
was going to say that you started on to

372
00:21:06,648 --> 00:21:11,538
that's a new thing right the research

373
00:21:08,388 --> 00:21:15,019
project yes yes and that's what I wanted

374
00:21:11,538 --> 00:21:19,908
to speak of nests the experimenter survey

375
00:21:15,019 --> 00:21:22,808
which is 118 questions and this is a

376
00:21:19,909 --> 00:21:27,350
survey to you identify commonalities

377
00:21:22,808 --> 00:21:29,839
among experiences and we are trying to

378
00:21:27,349 --> 00:21:34,428
make the scientific because we're going

379
00:21:29,839 --> 00:21:37,668
to in by doing so have several different

380
00:21:34,429 --> 00:21:41,570
phases of this study and some of this

381
00:21:37,669 --> 00:21:45,700
phase some of this will involve the work

382
00:21:41,569 --> 00:21:48,189
of dr. don don dairy who is a retired

383
00:21:45,700 --> 00:21:52,610
psychology professor from mcgill

384
00:21:48,190 --> 00:21:57,320
university and he has a questionnaire

385
00:21:52,609 --> 00:22:01,599

that we will use as well we have some of

386

00:21:57,319 --> 00:22:05,028

the experiencers who take part in this

387

00:22:01,599 --> 00:22:07,219

research project that we're working on

388

00:22:05,028 --> 00:22:10,398

right now right now we have a hundred

389

00:22:07,220 --> 00:22:13,970

and seventy participants i'd really love

390

00:22:10,398 --> 00:22:16,159

to have a thousand yeah dell has

391

00:22:13,970 --> 00:22:19,069

horrific did the professor

392

00:22:16,160 --> 00:22:20,860

self ever have any experience not that

393

00:22:19,069 --> 00:22:24,470

I'm aware of but he has a long-term

394

00:22:20,859 --> 00:22:27,079

interest in this topic and has worked on

395

00:22:24,470 --> 00:22:29,299

other research projects okay I

396

00:22:27,079 --> 00:22:33,019

understand that part of this research

397

00:22:29,299 --> 00:22:36,559

that professor Don dairy is involved

398

00:22:33,019 --> 00:22:40,879

with has to do with symbols that have

399

00:22:36,559 --> 00:22:46,069

been seen both by your your aunt and

400
00:22:40,880 --> 00:22:48,710
uncle and also by other experiencers I

401
00:22:46,069 --> 00:22:52,549
wondered how those those symbols

402
00:22:48,710 --> 00:22:57,049
correlated if they did at all with those

403
00:22:52,549 --> 00:23:02,990
seen by the people who were enlisted in

404
00:22:57,049 --> 00:23:05,119
the armed services at Rendlesham it's my

405
00:23:02,990 --> 00:23:10,220
understanding that the symbols that

406
00:23:05,119 --> 00:23:12,709
Rendlesham word binary code is that

407
00:23:10,220 --> 00:23:15,470
correct I think some of it was

408
00:23:12,710 --> 00:23:18,079
interpreted that way yes I think I think

409
00:23:15,470 --> 00:23:21,950
the one gentleman who touched the craft

410
00:23:18,079 --> 00:23:25,250
um felt that he had downloaded some

411
00:23:21,950 --> 00:23:28,370
binary sync signals but I don't know

412
00:23:25,250 --> 00:23:32,140
that the anything that was on written or

413
00:23:28,369 --> 00:23:34,759
like embossed on the craft was binary I

414
00:23:32,140 --> 00:23:38,120
think I wanted like a triangle type

415
00:23:34,759 --> 00:23:39,710
thing with lettering inside it well that

416
00:23:38,119 --> 00:23:42,709
would be what I'm wondering about

417
00:23:39,710 --> 00:23:45,620
whether that part correlates it all with

418
00:23:42,710 --> 00:23:48,710
the professor's work I'd have to take a

419
00:23:45,619 --> 00:23:53,149
look at that again what we're seeing as

420
00:23:48,710 --> 00:23:56,539
symbols that seem to be repeated over

421
00:23:53,150 --> 00:24:01,269
and over again in such as the scientific

422
00:23:56,539 --> 00:24:06,409
study that dr. Don dairy did is our

423
00:24:01,269 --> 00:24:08,389
lines and dots essentially some of them

424
00:24:06,410 --> 00:24:11,029
are curved lines in some of them

425
00:24:08,390 --> 00:24:16,120
straight lines going in different

426
00:24:11,029 --> 00:24:18,680
directions if you order my books

427
00:24:16,119 --> 00:24:22,219
captured the Betty and Barney Hill UFO

428

00:24:18,680 --> 00:24:25,940
experience Betty's sketch of those

429
00:24:22,220 --> 00:24:29,929
symbols is in the book and her sketch

430
00:24:25,940 --> 00:24:32,659
was compared by dr. Don dairy to scale

431
00:24:29,929 --> 00:24:36,889
that were done by the experiencers who

432
00:24:32,659 --> 00:24:39,169
took part in his academic study and he

433
00:24:36,888 --> 00:24:41,748
said that the there were many

434
00:24:39,169 --> 00:24:44,720
similarities between Betty symbols and

435
00:24:41,749 --> 00:24:49,058
the symbols of from the individuals in

436
00:24:44,720 --> 00:24:53,028
his study and these symbols correlated

437
00:24:49,058 --> 00:24:55,609
whereas control groups of graduate

438
00:24:53,028 --> 00:24:58,038
students who were just imagining what

439
00:24:55,609 --> 00:25:00,189
symbols might look like we're nothing

440
00:24:58,038 --> 00:25:10,099
like the symbols drawn by the

441
00:25:00,190 --> 00:25:12,909
experiences in MUFON it may be I am not

442
00:25:10,099 --> 00:25:17,269

correct in this and perhaps you could

443

00:25:12,909 --> 00:25:21,409

straighten me out it seems to me that

444

00:25:17,269 --> 00:25:26,419

the focus is on nuts-and-bolts craft and

445

00:25:21,409 --> 00:25:29,389

on small Grey's not to the total

446

00:25:26,419 --> 00:25:32,570

exclusion of other types that might be

447

00:25:29,388 --> 00:25:37,069

seen but would that be a reasonably true

448

00:25:32,569 --> 00:25:41,689

statement I yes I I do think that that

449

00:25:37,069 --> 00:25:45,710

is a reasonably true statement MUFON

450

00:25:41,690 --> 00:25:48,980

uses instrumentation and is looking for

451

00:25:45,710 --> 00:25:51,259

physical evidence so the primary focus

452

00:25:48,980 --> 00:25:57,139

is MUFON is upon the collection of

453

00:25:51,259 --> 00:26:01,278

evidence so the so this sort of ideas

454

00:25:57,138 --> 00:26:05,658

promulgated if you will by people like

455

00:26:01,278 --> 00:26:08,210

Jacques valet and oh jeez honor the

456

00:26:05,659 --> 00:26:13,519

fellow who did the will help me here

457
00:26:08,210 --> 00:26:16,999
senior moment a fellow who lived in New

458
00:26:13,519 --> 00:26:21,288
York and did oh but Hopkins no did the

459
00:26:16,999 --> 00:26:25,970
story about the West Virginia bridge

460
00:26:21,288 --> 00:26:27,769
falling what man yes exactly on the tip

461
00:26:25,970 --> 00:26:33,829
of my tongue but in any case of

462
00:26:27,769 --> 00:26:36,888
something more of a not not not not

463
00:26:33,829 --> 00:26:41,199
space but a little bit more a little

464
00:26:36,888 --> 00:26:43,579
less physical a little more paranormal

465
00:26:41,200 --> 00:26:46,100
presentation

466
00:26:43,579 --> 00:26:48,949
oh yeah Jack fell they felt that there

467
00:26:46,099 --> 00:26:52,399
was perhaps it was these beings were

468
00:26:48,950 --> 00:26:57,610
really like a we almost created them out

469
00:26:52,400 --> 00:27:01,690
of our own mind oh no I'm not sure about

470
00:26:57,609 --> 00:27:04,729
daddy is going to be lecturing at the

471
00:27:01,690 --> 00:27:07,880
international UFO Congress conference in

472
00:27:04,730 --> 00:27:09,740
phoenix arizona next month i'm going to

473
00:27:07,880 --> 00:27:11,990
be out there and i'm going to be really

474
00:27:09,740 --> 00:27:14,390
looking forward to hearing his lecture

475
00:27:11,990 --> 00:27:18,079
but it seems like he was ahead of his

476
00:27:14,390 --> 00:27:20,690
time because those of us who have done a

477
00:27:18,079 --> 00:27:23,809
lot of research on this realize that

478
00:27:20,690 --> 00:27:30,490
there are aspects to this phenomenon

479
00:27:23,809 --> 00:27:36,019
that cannot be explained by material

480
00:27:30,490 --> 00:27:38,420
scientists the idea that they can be

481
00:27:36,019 --> 00:27:41,180
solid but they seem to be able to fade

482
00:27:38,420 --> 00:27:45,940
in and out of existence in other words

483
00:27:41,180 --> 00:27:50,180
they can be translucent and and simply

484
00:27:45,940 --> 00:27:54,920
disappear also the same is reported of

485

00:27:50,180 --> 00:27:57,710
the extraterrestrial beings many people

486
00:27:54,920 --> 00:28:02,140
report that they see shadow beings as

487
00:27:57,710 --> 00:28:06,250
opposed to solid beings and perhaps they

488
00:28:02,140 --> 00:28:09,620
fade in and out of existence this is

489
00:28:06,250 --> 00:28:14,500
very very difficult very perplexing some

490
00:28:09,619 --> 00:28:17,899
material scientists indeed and there are

491
00:28:14,500 --> 00:28:20,900
theoretical physicists who are working

492
00:28:17,900 --> 00:28:23,600
on this through the foundation for

493
00:28:20,900 --> 00:28:27,250
research into extraterrestrial

494
00:28:23,599 --> 00:28:30,159
encounters they are more on the side of

495
00:28:27,250 --> 00:28:34,160
theoretical physics well interestingly

496
00:28:30,160 --> 00:28:38,090
enough if we look at the Travis Walton

497
00:28:34,160 --> 00:28:42,350
case he saw a number of different types

498
00:28:38,089 --> 00:28:44,929
of beings in his in his abduction

499
00:28:42,349 --> 00:28:47,569

experience in his experience her

500

00:28:44,930 --> 00:28:49,519

experience but definitely if you're

501

00:28:47,569 --> 00:28:52,970

standing somewhere in the forest than

502

00:28:49,519 --> 00:28:56,210

you and you get whooped up as Caedus

503

00:28:52,970 --> 00:28:57,480

want to say that doesn't seem to be in

504

00:28:56,210 --> 00:29:02,400

any way volition

505

00:28:57,480 --> 00:29:07,160

upon the experiences place however he

506

00:29:02,400 --> 00:29:11,630

did see more than one kind of being and

507

00:29:07,160 --> 00:29:16,529

myself as a person in the periphery of

508

00:29:11,630 --> 00:29:20,700

the remote viewing community and an

509

00:29:16,529 --> 00:29:24,720

experiencer many people such as Ingo

510

00:29:20,700 --> 00:29:29,640

Swann have seen inhabit I had

511

00:29:24,720 --> 00:29:32,100

experiences with a tall blond beings

512

00:29:29,640 --> 00:29:34,410

sometimes called Nordics sometimes

513

00:29:32,099 --> 00:29:36,569

called tall blond types and I know that

514
00:29:34,410 --> 00:29:38,820
there are people playing their amann

515
00:29:36,569 --> 00:29:41,490
toises and reptilians and so forth and

516
00:29:38,819 --> 00:29:45,119
so on now you know this is just what

517
00:29:41,490 --> 00:29:46,710
people say and I tend to take people to

518
00:29:45,119 --> 00:29:49,019
some extent that their word and give

519
00:29:46,710 --> 00:29:53,190
them the opportunity to speak their mind

520
00:29:49,019 --> 00:29:55,500
about it so where would you fall in that

521
00:29:53,190 --> 00:29:59,870
in that area do you have any research

522
00:29:55,500 --> 00:30:04,789
let's say on the tall blonde alien types

523
00:29:59,869 --> 00:30:10,129
my research on different types is

524
00:30:04,789 --> 00:30:14,789
quantitative and I have looked for

525
00:30:10,130 --> 00:30:19,230
percentages of of individuals who have

526
00:30:14,789 --> 00:30:21,450
observed these various types and also on

527
00:30:19,230 --> 00:30:25,019
whether or not these various types of

528
00:30:21,450 --> 00:30:30,269
working together and if so who they're

529
00:30:25,019 --> 00:30:34,829
working for i also have done some

530
00:30:30,269 --> 00:30:38,579
research on the modus operandi the

531
00:30:34,829 --> 00:30:43,500
personality traits of the different

532
00:30:38,579 --> 00:30:45,928
types of beings so yes i have and i have

533
00:30:43,500 --> 00:30:50,190
in and in some of the cases that I've

534
00:30:45,929 --> 00:30:53,820
worked on for example the case of Denise

535
00:30:50,190 --> 00:30:58,350
donor and also of Thomas and Matthew

536
00:30:53,819 --> 00:31:00,569
Reed which are both mentioned and

537
00:30:58,349 --> 00:31:03,928
written about in my book with Denise

538
00:31:00,569 --> 00:31:08,490
donor the alien abduction files which is

539
00:31:03,929 --> 00:31:11,309
also available on my website we we see

540
00:31:08,490 --> 00:31:16,490
that mantis type

541
00:31:11,308 --> 00:31:16,490
beings working in concert with the Grays

542

00:31:16,519 --> 00:31:24,749
it it you know it have you come to any

543
00:31:20,190 --> 00:31:27,538
sort of conclusions at all I you know

544
00:31:24,749 --> 00:31:30,120
there's so much information there but

545
00:31:27,538 --> 00:31:33,210
it's it's very frustrating it doesn't

546
00:31:30,119 --> 00:31:35,248
seem to point in any bingo direction

547
00:31:33,210 --> 00:31:38,100
like you can just say ah that's what it

548
00:31:35,249 --> 00:31:39,870
is you know it seems like it's all over

549
00:31:38,099 --> 00:31:43,138
the map almost as if it's done on

550
00:31:39,869 --> 00:31:46,048
purpose it could be and that's the

551
00:31:43,138 --> 00:31:49,668
reason for my attempts at quantitative

552
00:31:46,048 --> 00:31:53,519
analysis of this and and the reason that

553
00:31:49,669 --> 00:31:58,409
MUFON is doing another study Denise and

554
00:31:53,519 --> 00:32:02,099
I did a study in 2012 but we had only 45

555
00:31:58,409 --> 00:32:05,669
questions and 75 participants in the

556
00:32:02,099 --> 00:32:09,829

study including the control group MUFON

557

00:32:05,669 --> 00:32:12,600

study is going to be much more

558

00:32:09,829 --> 00:32:15,118

significant in terms of the number of

559

00:32:12,599 --> 00:32:20,308

participants and the number of questions

560

00:32:15,118 --> 00:32:23,428

and hopefully and we have people with

561

00:32:20,308 --> 00:32:26,819

MDS and phd's working on this so

562

00:32:23,429 --> 00:32:29,460

hopefully we will have some more

563

00:32:26,819 --> 00:32:33,028

information if I had all of the answers

564

00:32:29,460 --> 00:32:36,360

I probably would stop researching this

565

00:32:33,028 --> 00:32:40,798

but I don't and what is so fascinating

566

00:32:36,359 --> 00:32:43,109

is the search for the answers yeah how

567

00:32:40,798 --> 00:32:46,470

do you validate that somebody is an

568

00:32:43,109 --> 00:32:51,538

experiencer and a good participant in

569

00:32:46,470 --> 00:32:54,538

this I'm sure you have criteria yes we

570

00:32:51,538 --> 00:32:58,440

do have criteria and some of that is

571
00:32:54,538 --> 00:33:02,548
what experiencers have in common with

572
00:32:58,440 --> 00:33:06,269
the experiences who participated in the

573
00:33:02,548 --> 00:33:08,368
first study we also as I said look for

574
00:33:06,269 --> 00:33:12,388
evidence but many people don't have

575
00:33:08,368 --> 00:33:15,499
evidence I can tell you though that in

576
00:33:12,388 --> 00:33:18,359
our first study we discovered that

577
00:33:15,499 --> 00:33:22,100
eighty-eight percent of those who

578
00:33:18,359 --> 00:33:25,240
participated stated that they had

579
00:33:22,099 --> 00:33:28,569
conscious recall of there

580
00:33:25,240 --> 00:33:31,120
abduction experience really that's

581
00:33:28,569 --> 00:33:34,269
pretty significant eighty-eight percent

582
00:33:31,119 --> 00:33:37,809
because initially it was that some sort

583
00:33:34,269 --> 00:33:39,809
of an amnesia would be you know brought

584
00:33:37,809 --> 00:33:42,730
to effect on these people but that's

585
00:33:39,809 --> 00:33:46,059
eighty percent that's eighty eight

586
00:33:42,730 --> 00:33:48,069
percent of part of it okay or at least

587
00:33:46,059 --> 00:33:50,200
they knew that something had happened

588
00:33:48,069 --> 00:33:57,429
but they were a little unclear about

589
00:33:50,200 --> 00:34:00,100
some of the details yeah now sixty-seven

590
00:33:57,430 --> 00:34:02,380
percent said that they had observed in

591
00:34:00,099 --> 00:34:06,809
unconventional craft at less than a

592
00:34:02,380 --> 00:34:09,460
thousand feet prior to their abduction

593
00:34:06,809 --> 00:34:12,190
so those are those are pretty

594
00:34:09,460 --> 00:34:15,820
significant figures it means that it

595
00:34:12,190 --> 00:34:19,139
wasn't sleep paralysis many of them were

596
00:34:15,820 --> 00:34:21,640
outside in their natural environment

597
00:34:19,139 --> 00:34:26,469
they weren't sleeping they weren't

598
00:34:21,639 --> 00:34:29,379
inside their home yeah I think that you

599

00:34:26,469 --> 00:34:31,989
know possibly there are some episodes of

600
00:34:29,380 --> 00:34:35,730
sleep paralysis but basically I think

601
00:34:31,989 --> 00:34:39,219
you we could discount that entirely yes

602
00:34:35,730 --> 00:34:41,409
it's a pretty or you know as an

603
00:34:39,219 --> 00:34:44,230
explanation for what is occurring or

604
00:34:41,409 --> 00:34:46,179
that could be one type of experience and

605
00:34:44,230 --> 00:34:47,949
that's fine but what you're looking for

606
00:34:46,179 --> 00:34:50,199
is the type of experience that you can

607
00:34:47,949 --> 00:34:52,449
actually quantify with people

608
00:34:50,199 --> 00:34:54,189
remembering it and having a craft

609
00:34:52,449 --> 00:34:57,699
involved I mean there may be more than

610
00:34:54,190 --> 00:34:59,650
one type of experience but I'm with you

611
00:34:57,699 --> 00:35:03,069
I'd like to be able to actually quantify

612
00:34:59,650 --> 00:35:05,610
some of these results what was the

613
00:35:03,070 --> 00:35:09,190

overall characteristic on this did they

614

00:35:05,610 --> 00:35:11,500

experience fear or I know you know

615

00:35:09,190 --> 00:35:13,750

Farrugia has said that there was some

616

00:35:11,500 --> 00:35:18,849

sort of an Enlightenment type experience

617

00:35:13,750 --> 00:35:22,239

but how did this impinge on their daily

618

00:35:18,849 --> 00:35:26,259

life the majority of individuals who

619

00:35:22,239 --> 00:35:29,829

took part in our study aided that they

620

00:35:26,260 --> 00:35:34,030

were fearful mm-hmm they were scared to

621

00:35:29,829 --> 00:35:36,750

death initially but they after the

622

00:35:34,030 --> 00:35:39,130

experience they were also very very

623

00:35:36,750 --> 00:35:41,679

curious okay

624

00:35:39,130 --> 00:35:44,410

you know I asked if they could end this

625

00:35:41,679 --> 00:35:46,778

experience would they and that wasn't on

626

00:35:44,409 --> 00:35:49,778

the first questionnaire but I have been

627

00:35:46,778 --> 00:35:51,670

asking people this I'm and the question

628
00:35:49,778 --> 00:35:55,239
on the second questionnaire that we're

629
00:35:51,670 --> 00:35:58,889
trying to quantify but it seems that

630
00:35:55,239 --> 00:36:03,308
many individuals are stating that they

631
00:35:58,889 --> 00:36:06,190
would choose to continue because of

632
00:36:03,309 --> 00:36:08,710
their curiosity because they're looking

633
00:36:06,190 --> 00:36:13,650
for answers to their questions hmm

634
00:36:08,710 --> 00:36:18,400
Kathleen I I would remind you of your

635
00:36:13,650 --> 00:36:23,289
co-writers famous statement that humans

636
00:36:18,400 --> 00:36:25,358
are angry Apes with guns and it's one of

637
00:36:23,289 --> 00:36:28,829
my favorite things that Stanton Friedman

638
00:36:25,358 --> 00:36:32,949
ever said and I think that um a

639
00:36:28,829 --> 00:36:37,390
wonderful way to subdue angry apes with

640
00:36:32,949 --> 00:36:41,879
guns without killing them or locking

641
00:36:37,389 --> 00:36:47,409
them up is to use the natural biological

642
00:36:41,880 --> 00:36:50,798
state of sleep paralysis to keep humans

643
00:36:47,409 --> 00:36:54,009
from reacting so if you if you are an an

644
00:36:50,798 --> 00:36:57,909
alien or a higher intelligence and you

645
00:36:54,009 --> 00:37:02,159
are aware that all of the larger mammals

646
00:36:57,909 --> 00:37:04,719
on earth experience naturally

647
00:37:02,159 --> 00:37:07,690
biologically they naturally experience

648
00:37:04,719 --> 00:37:11,588
sleep paralysis so that they don't jump

649
00:37:07,690 --> 00:37:15,460
out the window when they dream that you

650
00:37:11,588 --> 00:37:19,838
as the higher intelligence could use the

651
00:37:15,460 --> 00:37:26,858
state of sleep paralysis to keep the

652
00:37:19,838 --> 00:37:31,420
human from acting violently or trying to

653
00:37:26,858 --> 00:37:34,389
get away and so forth yes absolutely and

654
00:37:31,420 --> 00:37:37,480
that it apparently is what happened to

655
00:37:34,389 --> 00:37:41,500
my uncle Barney and my aunt betty and

656

00:37:37,480 --> 00:37:45,039
has continued to occur even when the

657
00:37:41,500 --> 00:37:49,298
individual is wide awake and standing in

658
00:37:45,039 --> 00:37:52,900
a field the historically we see that

659
00:37:49,298 --> 00:37:55,300
they have been paralyzed and

660
00:37:52,900 --> 00:37:57,849
and even though they can remember part

661
00:37:55,300 --> 00:38:01,269
of the experience they usually develop

662
00:37:57,849 --> 00:38:03,699
amnesia for part of it as well no I was

663
00:38:01,269 --> 00:38:06,070
just saying that there actually was an

664
00:38:03,699 --> 00:38:08,169
experience it was an only sleep

665
00:38:06,070 --> 00:38:10,420
paralysis which it's been tried to

666
00:38:08,170 --> 00:38:13,269
explain away by some of these but I'll

667
00:38:10,420 --> 00:38:15,730
so anyway just to get back to your one

668
00:38:13,269 --> 00:38:19,300
book alien abduction files that you did

669
00:38:15,730 --> 00:38:22,449
with Denise stoner that that's pretty

670
00:38:19,300 --> 00:38:24,820

fascinating stuff and you indicated that

671

00:38:22,449 --> 00:38:27,429

you may have come to a dead end know

672

00:38:24,820 --> 00:38:32,980

after all that research are you still

673

00:38:27,429 --> 00:38:35,169

going to soldier on I you know I there

674

00:38:32,980 --> 00:38:40,289

are times where I feel terribly

675

00:38:35,170 --> 00:38:44,470

frustrated with the research because oh

676

00:38:40,289 --> 00:38:47,170

the trends within the field and the

677

00:38:44,469 --> 00:38:50,019

direction that it's going in I'm going

678

00:38:47,170 --> 00:38:55,690

to continue to soldier on I'm good good

679

00:38:50,019 --> 00:39:01,630

I am doing this research project excuse

680

00:38:55,690 --> 00:39:06,369

me but at the same time I'm I'm seeing

681

00:39:01,630 --> 00:39:09,400

trends towards more involvement with the

682

00:39:06,369 --> 00:39:12,730

media as opposed to scientists and I

683

00:39:09,400 --> 00:39:16,900

think my greatest frustration is that so

684

00:39:12,730 --> 00:39:22,240

many of the great scientific minds who

685
00:39:16,900 --> 00:39:26,289
had worked in this field earlier people

686
00:39:22,239 --> 00:39:29,229
with with doctorates in their chosen

687
00:39:26,289 --> 00:39:35,699
field for example such as dr. James

688
00:39:29,230 --> 00:39:39,369
harder such as dr. Allen Hynek have and

689
00:39:35,699 --> 00:39:44,489
dr. James McDonald they have passed away

690
00:39:39,369 --> 00:39:49,179
and and then not being replaced by

691
00:39:44,489 --> 00:39:52,209
younger people who have a scientific

692
00:39:49,179 --> 00:39:54,849
interest in this and that is what

693
00:39:52,210 --> 00:39:59,289
disturbs me about the current trend is

694
00:39:54,849 --> 00:40:03,549
that the move away from science as I'm

695
00:39:59,289 --> 00:40:06,130
perceiving it toward sensationalism in

696
00:40:03,550 --> 00:40:09,410
the media and

697
00:40:06,130 --> 00:40:14,930
very little concern about the veracity

698
00:40:09,409 --> 00:40:19,940
of the claim sometimes the media would

699

00:40:14,929 --> 00:40:23,449
like to focus upon the the kookiest

700

00:40:19,940 --> 00:40:26,420
story that they can find or a domestic

701

00:40:23,449 --> 00:40:30,609
centric experience or that they can find

702

00:40:26,420 --> 00:40:32,960
because it plays well in the media the

703

00:40:30,610 --> 00:40:36,800
average family sitting at home watching

704

00:40:32,960 --> 00:40:39,440
TV like to see that sort of thing but it

705

00:40:36,800 --> 00:40:42,740
removes credibility from the subject

706

00:40:39,440 --> 00:40:46,369
matter and a person who like myself who

707

00:40:42,739 --> 00:40:50,750
is interested in the science of all of

708

00:40:46,369 --> 00:40:55,009
this can become very frustrated well the

709

00:40:50,750 --> 00:40:59,480
internet with CGI effects has also

710

00:40:55,010 --> 00:41:03,080
muddied the waters greatly I think yes

711

00:40:59,480 --> 00:41:06,079
yes that is definitely true anybody with

712

00:41:03,079 --> 00:41:08,989
a you know a little bit of knowledge of

713

00:41:06,079 --> 00:41:16,539
Photoshop and a picture of the night sky

714
00:41:08,989 --> 00:41:20,869
can create some form of movie or video

715
00:41:16,539 --> 00:41:25,219
purportedly depicting something alien or

716
00:41:20,869 --> 00:41:28,190
paranormal and it's just a effect that

717
00:41:25,219 --> 00:41:32,719
that's being done through commute

718
00:41:28,190 --> 00:41:36,230
computer-generated effects yes that's

719
00:41:32,719 --> 00:41:38,329
very true and and that's more reason for

720
00:41:36,230 --> 00:41:41,570
an organization like the mutual UFO

721
00:41:38,329 --> 00:41:43,750
network to continue soldiering on with

722
00:41:41,570 --> 00:41:47,000
what it's been doing for so many years

723
00:41:43,750 --> 00:41:51,170
because they are an organization that

724
00:41:47,000 --> 00:41:54,789
focuses upon the science would you say

725
00:41:51,170 --> 00:41:57,590
that in recent years like say the past

726
00:41:54,789 --> 00:42:02,139
seven or eight years certainly that

727
00:41:57,590 --> 00:42:05,000

there has been a paucity of large-scale

728

00:42:02,139 --> 00:42:09,500

sightings in other words by a groups

729

00:42:05,000 --> 00:42:13,670

rather than individuals there has been

730

00:42:09,500 --> 00:42:17,210

as from as far as we know now the the

731

00:42:13,670 --> 00:42:19,519

large ones that I know of to place a

732

00:42:17,210 --> 00:42:20,000

while back with the Phoenix lights which

733

00:42:19,519 --> 00:42:22,940

is a very

734

00:42:20,000 --> 00:42:26,170

a compelling story where five simonton

735

00:42:22,940 --> 00:42:29,420

the the governor of arizona has come out

736

00:42:26,170 --> 00:42:31,190

and it will 10 years after the event and

737

00:42:29,420 --> 00:42:33,980

stated that it was real and more

738

00:42:31,190 --> 00:42:36,829

recently on television has aided that

739

00:42:33,980 --> 00:42:40,550

the military was aware of it he was on

740

00:42:36,829 --> 00:42:44,179

the phone with them and that it was a

741

00:42:40,550 --> 00:42:46,940

real event it was not military flares in

742
00:42:44,179 --> 00:42:49,279
that time frame so that was very

743
00:42:46,940 --> 00:42:53,420
important of course we had the O'Hare

744
00:42:49,280 --> 00:42:57,170
Airport event which was again covered up

745
00:42:53,420 --> 00:43:01,250
but then in the analysis of the weather

746
00:42:57,170 --> 00:43:03,170
pattern that day we found that the the

747
00:43:01,250 --> 00:43:05,239
hole in the cloud could not have been a

748
00:43:03,170 --> 00:43:08,210
naturally occurring punch hole plowed

749
00:43:05,239 --> 00:43:11,419
right that and there were so many

750
00:43:08,210 --> 00:43:14,599
credible witnesses to that UFO and then

751
00:43:11,420 --> 00:43:17,599
of course the Steven Stephenson cheese

752
00:43:14,599 --> 00:43:22,219
until yes even's vil sorry Texas

753
00:43:17,599 --> 00:43:26,839
sighting as well very important we

754
00:43:22,219 --> 00:43:29,769
haven't had another major event in in

755
00:43:26,840 --> 00:43:34,220
recent years like that but we do have

756
00:43:29,769 --> 00:43:38,780
reports of UFOs hovering low over

757
00:43:34,219 --> 00:43:41,529
individuals vehicle it always amazes me

758
00:43:38,780 --> 00:43:45,470
as to why that they should be covered up

759
00:43:41,530 --> 00:43:47,660
there's got to be a sort of a I almost

760
00:43:45,469 --> 00:43:50,569
suspect there's an agency with I mean

761
00:43:47,659 --> 00:43:52,659
not to be a conspiracy theory person but

762
00:43:50,570 --> 00:43:55,580
like an agency within the government

763
00:43:52,659 --> 00:43:58,940
that or within some government that is

764
00:43:55,579 --> 00:44:01,159
in charge of covering this up it's just

765
00:43:58,940 --> 00:44:05,059
fascinating to me that it happened so

766
00:44:01,159 --> 00:44:07,339
fast and so effectively that might be an

767
00:44:05,059 --> 00:44:09,619
area of interest of research like who's

768
00:44:07,340 --> 00:44:11,630
doing I'm very fascinated in that

769
00:44:09,619 --> 00:44:15,019
research and I'm turning a lot of

770

00:44:11,630 --> 00:44:17,840
attention to that because good if the

771
00:44:15,019 --> 00:44:20,059
evidence is being covered up if there is

772
00:44:17,840 --> 00:44:23,180
an obfuscation of what is actually going

773
00:44:20,059 --> 00:44:28,309
on then it then how do you really get

774
00:44:23,179 --> 00:44:32,899
down to the nitty-gritty oven when when

775
00:44:28,309 --> 00:44:33,828
you go and look at the history of

776
00:44:32,900 --> 00:44:35,389
government in vol

777
00:44:33,829 --> 00:44:38,559
hoffman in this you can see that there's

778
00:44:35,389 --> 00:44:43,159
been a lot of involvement and that in

779
00:44:38,559 --> 00:44:45,619
1953 the CIA robertson funded Robertson

780
00:44:43,159 --> 00:44:49,399
panel met the Durant report was written

781
00:44:45,619 --> 00:44:53,059
and they had made the decision that it

782
00:44:49,400 --> 00:44:55,670
would be best to cover this up to take

783
00:44:53,059 --> 00:44:59,479
the publish sub public's interest off

784
00:44:55,670 --> 00:45:03,139

this topic part of it was for national

785

00:44:59,478 --> 00:45:07,838

security over our cold war with Russia

786

00:45:03,139 --> 00:45:10,608

but part of it was because they

787

00:45:07,838 --> 00:45:17,409

considering what had happened in the

788

00:45:10,608 --> 00:45:21,318

past with war of the worlds and the

789

00:45:17,409 --> 00:45:24,429

broadcast of of that my gosh convenience

790

00:45:21,318 --> 00:45:27,170

when it was yes where there was so much

791

00:45:24,429 --> 00:45:29,538

disruption people who were frightened

792

00:45:27,170 --> 00:45:31,358

they they really had to consider the

793

00:45:29,539 --> 00:45:34,249

impact that it would have upon

794

00:45:31,358 --> 00:45:37,248

population and of course we had Project

795

00:45:34,248 --> 00:45:39,048

Blue Book that lasted for many many

796

00:45:37,248 --> 00:45:42,018

years until nineteen sixty-nine

797

00:45:39,048 --> 00:45:44,659

sometimes they did a better job at it

798

00:45:42,018 --> 00:45:49,218

than others sometimes it was merely a

799

00:45:44,659 --> 00:45:52,248
cover-up but there was also another

800

00:45:49,219 --> 00:45:55,670
agency that was receiving the most

801

00:45:52,248 --> 00:45:59,718
credible reports the reports that could

802

00:45:55,670 --> 00:46:02,838
affect national security and and there's

803

00:45:59,719 --> 00:46:05,119
no reason to believe that that agency

804

00:46:02,838 --> 00:46:08,108
closed along with Project Blue Book it

805

00:46:05,119 --> 00:46:11,119
appears that it is probably still

806

00:46:08,108 --> 00:46:15,768
occurring but the public is not involved

807

00:46:11,119 --> 00:46:18,170
and the files are not available well

808

00:46:15,768 --> 00:46:21,728
looking at that from two different

809

00:46:18,170 --> 00:46:25,190
vantage points we have the opinion of

810

00:46:21,728 --> 00:46:28,399
like say the former MUFON had James

811

00:46:25,190 --> 00:46:31,249
carrion that the government was

812

00:46:28,400 --> 00:46:37,389
interested merely because it provided

813
00:46:31,248 --> 00:46:45,348
the UFO field provided a neat cover for

814
00:46:37,389 --> 00:46:47,059
testing military secret aircraft and so

815
00:46:45,349 --> 00:46:49,400
it would draw

816
00:46:47,059 --> 00:46:52,610
Russian agents if you will or you know

817
00:46:49,400 --> 00:46:55,700
any of the Chinese agents I suppose as

818
00:46:52,610 --> 00:46:59,390
well out of the woodwork to look at the

819
00:46:55,699 --> 00:47:03,199
UFOs in that way somehow the government

820
00:46:59,389 --> 00:47:08,420
would catch them as a part from the

821
00:47:03,199 --> 00:47:11,000
normal UFO interested American and then

822
00:47:08,420 --> 00:47:15,500
you can contrast that with two

823
00:47:11,000 --> 00:47:20,150
presidents in the late 20th century both

824
00:47:15,500 --> 00:47:21,829
of whom have made definite statements

825
00:47:20,150 --> 00:47:24,710
that they saw things that they could not

826
00:47:21,829 --> 00:47:27,799
explain that being Jimmy Carter and

827

00:47:24,710 --> 00:47:30,079
Ronald Reagan so you have you have

828
00:47:27,800 --> 00:47:32,030
things that you know you have to kind of

829
00:47:30,079 --> 00:47:34,190
come down in the middle with these

830
00:47:32,030 --> 00:47:36,290
things and not not really know what's

831
00:47:34,190 --> 00:47:38,630
going on there with the national

832
00:47:36,289 --> 00:47:40,820
security and what what does the

833
00:47:38,630 --> 00:47:45,890
government know I mean we can we can

834
00:47:40,820 --> 00:47:48,430
look at what Colonel John Alexander PhD

835
00:47:45,889 --> 00:47:51,529
who was a former guest of ours on on

836
00:47:48,429 --> 00:47:54,949
shattered reality here and he he seems

837
00:47:51,530 --> 00:47:58,130
to feel as though UFOs are real they're

838
00:47:54,949 --> 00:48:01,669
not they're not from any government on

839
00:47:58,130 --> 00:48:04,340
earth but no the government doesn't know

840
00:48:01,670 --> 00:48:08,150
much about them or we can you know go

841
00:48:04,340 --> 00:48:12,950

down another Road which is kind of the

842

00:48:08,150 --> 00:48:17,780

the Richard help me Dolan Richard Dolan

843

00:48:12,949 --> 00:48:20,480

a breakaway society kind of way that

844

00:48:17,780 --> 00:48:22,550

there is a whole subculture that knows

845

00:48:20,480 --> 00:48:25,190

about all these things and is keeping it

846

00:48:22,550 --> 00:48:29,390

from the rest of us and that's also the

847

00:48:25,190 --> 00:48:32,619

David Icke direction so it's it's hard

848

00:48:29,389 --> 00:48:36,529

as a thinking individual who tries to

849

00:48:32,619 --> 00:48:38,210

remain objective to an excerpt an extent

850

00:48:36,530 --> 00:48:41,269

but who has experienced certain things

851

00:48:38,210 --> 00:48:44,329

on on one hand and on the other hand you

852

00:48:41,269 --> 00:48:47,570

want to be objective and say where where

853

00:48:44,329 --> 00:48:49,940

does it come down in the middle yes I me

854

00:48:47,570 --> 00:48:52,670

and I would be suspicious if those who

855

00:48:49,940 --> 00:48:54,860

have radical thoughts about this that

856
00:48:52,670 --> 00:49:00,500
it's all or nothing there is evidence

857
00:48:54,860 --> 00:49:04,700
that the CIA did hoax some UFOs

858
00:49:00,500 --> 00:49:07,400
just for the public reaction but and

859
00:49:04,699 --> 00:49:09,710
there is definitely evidence that we do

860
00:49:07,400 --> 00:49:11,869
have military test vehicles that they

861
00:49:09,710 --> 00:49:14,329
were covering up that does not mean that

862
00:49:11,869 --> 00:49:17,599
everything that has been observed is a

863
00:49:14,329 --> 00:49:21,739
military test vehicle many of them do

864
00:49:17,599 --> 00:49:26,089
not have the characteristics of anything

865
00:49:21,739 --> 00:49:29,299
that has been manufactured on earth and

866
00:49:26,090 --> 00:49:33,680
I'm going back historically here back

867
00:49:29,300 --> 00:49:36,440
into the 50s for example where the craft

868
00:49:33,679 --> 00:49:40,489
could out flying outmaneuver anything

869
00:49:36,440 --> 00:49:42,740
that we had on earth well even with

870
00:49:40,489 --> 00:49:46,039
Frank Ficino he had something along

871
00:49:42,739 --> 00:49:47,899
those lines too and I think he presents

872
00:49:46,039 --> 00:49:53,150
some pretty solid evidence that there

873
00:49:47,900 --> 00:49:57,079
was a war going on in 1952 that was with

874
00:49:53,150 --> 00:49:58,849
the flybys over DC and he has some

875
00:49:57,079 --> 00:50:01,039
pretty interesting theories to the

876
00:49:58,849 --> 00:50:02,630
problem is these are all theories you

877
00:50:01,039 --> 00:50:04,880
know until you capture one of these

878
00:50:02,630 --> 00:50:08,420
things as you said captured I hope it

879
00:50:04,880 --> 00:50:11,300
works in Reverse one day it's you know

880
00:50:08,420 --> 00:50:13,340
we're all just sort of well you're doing

881
00:50:11,300 --> 00:50:15,200
the best I think gathering as much data

882
00:50:13,340 --> 00:50:19,550
as you can otherwise roads are

883
00:50:15,199 --> 00:50:22,039
speculating that is true and you know

884

00:50:19,550 --> 00:50:25,750
speculation can be fun but it doesn't

885
00:50:22,039 --> 00:50:29,389
get them are in terms of reality right

886
00:50:25,750 --> 00:50:31,489
right but yeah I don't they're very

887
00:50:29,389 --> 00:50:34,219
cagey these things i'll tell you all

888
00:50:31,489 --> 00:50:35,809
these sightings all these abductions and

889
00:50:34,219 --> 00:50:38,329
you know something's happened somewhere

890
00:50:35,809 --> 00:50:41,299
to people i don't think anyone can deny

891
00:50:38,329 --> 00:50:43,819
that whatever it is something has

892
00:50:41,300 --> 00:50:45,860
happened but boy they're kg there's

893
00:50:43,820 --> 00:50:49,100
never been any solid evidence well i

894
00:50:45,860 --> 00:50:52,579
think that part of the reason is that as

895
00:50:49,099 --> 00:50:55,460
human beings we are dealing with a

896
00:50:52,579 --> 00:50:58,819
certain range of intelligence and I mean

897
00:50:55,460 --> 00:51:00,889
I don't want to talk about IQs but just

898
00:50:58,820 --> 00:51:03,920

using that as an example we have human

899

00:51:00,889 --> 00:51:06,319

beings with IQs of 60 let us say and

900

00:51:03,920 --> 00:51:10,639

then we have human beings with IQs of

901

00:51:06,320 --> 00:51:14,420

200 but we could be dealing with an

902

00:51:10,639 --> 00:51:17,000

alien race or a non-physical ray

903

00:51:14,420 --> 00:51:20,630

shall we say or an interdimensional race

904

00:51:17,000 --> 00:51:24,469

that their intelligence far surpasses

905

00:51:20,630 --> 00:51:27,140

ours and as a result of that we're not

906

00:51:24,469 --> 00:51:30,199

able to cognate eyes what it is that's

907

00:51:27,139 --> 00:51:33,318

going on regardless if as if we are

908

00:51:30,199 --> 00:51:36,169

considered on earth like a smart person

909

00:51:33,318 --> 00:51:38,509

or you know not that not the smartest

910

00:51:36,170 --> 00:51:40,039

crayon in the box yeah I would still got

911

00:51:38,510 --> 00:51:42,200

to be something out there I mean they

912

00:51:40,039 --> 00:51:43,730

exist in this world even if temporarily

913
00:51:42,199 --> 00:51:45,379
has got to be something someplace

914
00:51:43,730 --> 00:51:48,349
someone's got to get a nut or bolt

915
00:51:45,380 --> 00:51:51,470
sometime well now we have we have

916
00:51:48,349 --> 00:51:54,200
thousands of pieces of physical trace

917
00:51:51,469 --> 00:51:57,259
evidence yes you do yes have

918
00:51:54,199 --> 00:51:59,598
physiological evidence a lot of this has

919
00:51:57,260 --> 00:52:03,170
been analyzed we have radar evidence

920
00:51:59,599 --> 00:52:06,410
photographic evidence a massive amount

921
00:52:03,170 --> 00:52:10,180
of evidence but it needs to be looked at

922
00:52:06,409 --> 00:52:15,199
by an interdisciplinary team take the

923
00:52:10,179 --> 00:52:20,029
1952 washington DC evidence for example

924
00:52:15,199 --> 00:52:22,818
we had blips on the radar screen we had

925
00:52:20,030 --> 00:52:25,809
a radar operator with 30 years

926
00:52:22,818 --> 00:52:31,009
experience who was highly knowledgeable

927
00:52:25,809 --> 00:52:33,140
about temperature inversion angels on

928
00:52:31,010 --> 00:52:36,440
the screen been caused by temperature

929
00:52:33,139 --> 00:52:39,230
inversion but on that case we also had

930
00:52:36,440 --> 00:52:44,150
military pilots who were scrambled who

931
00:52:39,230 --> 00:52:46,849
had visual sightings of these craft we

932
00:52:44,150 --> 00:52:49,519
had people on the ground who had visual

933
00:52:46,849 --> 00:52:52,280
sightings with these craft when it came

934
00:52:49,519 --> 00:52:55,849
down to the scientific analysis these

935
00:52:52,280 --> 00:52:59,329
things were picked apart the human

936
00:52:55,849 --> 00:53:03,798
beings were said to have possibly had

937
00:52:59,329 --> 00:53:06,109
perceptual errors and the blips on the

938
00:53:03,798 --> 00:53:09,889
radar screen were said to because

939
00:53:06,108 --> 00:53:12,588
probably by inversions even though the

940
00:53:09,889 --> 00:53:16,338
radar operator was seeing inversions

941

00:53:12,588 --> 00:53:18,650
every night of the week no one ever put

942
00:53:16,338 --> 00:53:21,858
all of those pieces of evidence together

943
00:53:18,650 --> 00:53:24,710
and studied it the way that we would do

944
00:53:21,858 --> 00:53:27,048
a forensic investigation and that's what

945
00:53:24,710 --> 00:53:28,400
I think we really need to do we can't

946
00:53:27,048 --> 00:53:31,909
just separate

947
00:53:28,400 --> 00:53:34,130
into little parcel different pieces of

948
00:53:31,909 --> 00:53:37,219
information and not consider it as a

949
00:53:34,130 --> 00:53:39,880
whole I have one question for you about

950
00:53:37,219 --> 00:53:42,949
the evidence and it's very particular

951
00:53:39,880 --> 00:53:48,170
type of question and I am separating

952
00:53:42,949 --> 00:53:53,778
something out but I've read you speaking

953
00:53:48,170 --> 00:53:58,579
of or writing of magnetic evidence with

954
00:53:53,778 --> 00:54:00,739
cars and and Barney Hills car having a

955
00:53:58,579 --> 00:54:03,260

magnetic field how many of these

956

00:54:00,739 --> 00:54:06,798

magnetic fields are what known as

957

00:54:03,260 --> 00:54:10,670

monopole monopole magnetic fields and

958

00:54:06,798 --> 00:54:16,460

how many are you know just magnetic

959

00:54:10,670 --> 00:54:19,329

fields that we see elsewhere um what I

960

00:54:16,460 --> 00:54:22,099

can tell you was in on Barney Hills car

961

00:54:19,329 --> 00:54:24,740

there were shiny spots and when he

962

00:54:22,099 --> 00:54:27,890

placed a compass embedded as well placed

963

00:54:24,739 --> 00:54:30,229

a compass over the spot the the needle

964

00:54:27,889 --> 00:54:31,759

would spin and spin they were on the

965

00:54:30,230 --> 00:54:35,719

trunk of the car it wasn't up near the

966

00:54:31,760 --> 00:54:38,900

battery this also happened in the case

967

00:54:35,719 --> 00:54:45,318

of Matthew Reed cases that happened in

968

00:54:38,900 --> 00:54:49,818

2009 in Indiana where he was had dropped

969

00:54:45,318 --> 00:54:56,269

off a coworker was returning home on a

970
00:54:49,818 --> 00:54:59,449
back road driving along suddenly he

971
00:54:56,269 --> 00:55:03,460
finds himself in a new location hours

972
00:54:59,449 --> 00:55:07,129
have passed his shoes or muddy this was

973
00:55:03,460 --> 00:55:12,380
this case was investigated by MUFON

974
00:55:07,130 --> 00:55:14,838
starting and they did record evidence of

975
00:55:12,380 --> 00:55:17,720
a magnetic field again around the trunk

976
00:55:14,838 --> 00:55:22,808
of the car that the needle on the

977
00:55:17,719 --> 00:55:26,118
compass would spin and there was no

978
00:55:22,809 --> 00:55:29,150
conventional reason why that should have

979
00:55:26,119 --> 00:55:32,990
occurred I think it also occurred in

980
00:55:29,150 --> 00:55:36,369
something in in New Jersey on the New

981
00:55:32,989 --> 00:55:41,149
Jersey Pennsylvania border with a

982
00:55:36,369 --> 00:55:42,260
sighting and a car that was affected the

983
00:55:41,150 --> 00:55:44,980
entire car

984
00:55:42,260 --> 00:55:48,800
was affected with this Magnus unusual

985
00:55:44,980 --> 00:55:50,300
monopole magnetic field I don't know if

986
00:55:48,800 --> 00:55:54,019
you know about that but I guess that's

987
00:55:50,300 --> 00:55:56,750
it's just such a small detail but yet to

988
00:55:54,019 --> 00:55:58,820
me somehow fascinating I would like to

989
00:55:56,750 --> 00:56:01,820
hear all of the cases that I can

990
00:55:58,820 --> 00:56:04,610
possibly hear about this because I find

991
00:56:01,820 --> 00:56:07,190
this fascinating and and you know I'm

992
00:56:04,610 --> 00:56:11,390
wondering if that is in association with

993
00:56:07,190 --> 00:56:14,690
the car being lifted into the air or why

994
00:56:11,389 --> 00:56:17,139
that magnetic field is there we we don't

995
00:56:14,690 --> 00:56:19,789
have the answer I hope some young

996
00:56:17,139 --> 00:56:22,609
physicist who's entering a PhD program

997
00:56:19,789 --> 00:56:25,070
hears this and says what's that all

998

00:56:22,610 --> 00:56:26,450
about and gets interested in I think

999
00:56:25,070 --> 00:56:29,780
that's what you need to and I think

1000
00:56:26,449 --> 00:56:32,539
that's what you're getting at I think

1001
00:56:29,780 --> 00:56:35,060
that Ken Pfeifer probably has that case

1002
00:56:32,539 --> 00:56:37,550
that I'm speaking of that happened up in

1003
00:56:35,059 --> 00:56:41,110
Sussex County I think he probably has

1004
00:56:37,550 --> 00:56:44,120
access to that case he's the MUFON

1005
00:56:41,110 --> 00:56:48,490
coordinator here in New Jersey okay

1006
00:56:44,119 --> 00:56:53,269
great thank you so um before we let you

1007
00:56:48,489 --> 00:56:56,269
get on with your day uh I wonder if you

1008
00:56:53,269 --> 00:56:58,460
have anything of that you would like to

1009
00:56:56,269 --> 00:57:01,789
report to was something that is ongoing

1010
00:56:58,460 --> 00:57:04,429
now a particularly interesting case that

1011
00:57:01,789 --> 00:57:10,759
you have available to share with us or

1012
00:57:04,429 --> 00:57:13,579

anything like that I do not have an

1013

00:57:10,760 --> 00:57:16,520

interesting case right now part of my

1014

00:57:13,579 --> 00:57:19,190

frustration was that I've had two very

1015

00:57:16,519 --> 00:57:23,150

very interesting cases that I have

1016

00:57:19,190 --> 00:57:24,860

worked on they seemed like big cases one

1017

00:57:23,150 --> 00:57:27,099

of them has been ongoing I've been

1018

00:57:24,860 --> 00:57:31,780

investigating this case for three years

1019

00:57:27,099 --> 00:57:36,710

finally we were able to have collect

1020

00:57:31,780 --> 00:57:41,170

what was possibly an alien implant it

1021

00:57:36,710 --> 00:57:45,530

was removed by this man's surgeon and

1022

00:57:41,170 --> 00:57:47,240

wrap packaged up and sent to MUFON and

1023

00:57:45,530 --> 00:57:50,300

then sent to our scientists for

1024

00:57:47,239 --> 00:57:53,629

evaluation by the time it ever had

1025

00:57:50,300 --> 00:57:55,849

arrived it had dissolved we've had this

1026

00:57:53,630 --> 00:57:59,289

happen to two implants that

1027
00:57:55,849 --> 00:58:04,489
aware of possible implants let me say

1028
00:57:59,289 --> 00:58:06,829
also I had collected pink discoloration

1029
00:58:04,489 --> 00:58:10,009
on this man's shirt I had the

1030
00:58:06,829 --> 00:58:12,920
photographs of it after he had placed it

1031
00:58:10,009 --> 00:58:16,548
in his closet in a paper bag in the dark

1032
00:58:12,920 --> 00:58:20,150
for two weeks he packaged it up he sent

1033
00:58:16,548 --> 00:58:22,788
it to me I looked at it by the time it

1034
00:58:20,150 --> 00:58:25,849
arrived at the scientist laboratory

1035
00:58:22,789 --> 00:58:28,700
there was not enough pink on it for

1036
00:58:25,849 --> 00:58:31,609
analysis that something is happening to

1037
00:58:28,699 --> 00:58:33,949
the evidence and that is terribly

1038
00:58:31,608 --> 00:58:37,608
frustrating and your Aunt Betty he'll

1039
00:58:33,949 --> 00:58:40,848
also had pink powder on her dress if I

1040
00:58:37,608 --> 00:58:44,119
recall that is correct and and that was

1041
00:58:40,849 --> 00:58:47,180
my reason for asking experiencers to

1042
00:58:44,119 --> 00:58:50,778
take part in this experiment to see if

1043
00:58:47,179 --> 00:58:54,038
we could find pink powder or create pink

1044
00:58:50,778 --> 00:58:57,409
powder so that it could undergo

1045
00:58:54,039 --> 00:59:03,729
laboratory analysis before it actually

1046
00:58:57,409 --> 00:59:07,308
died if in fact it is biological hmm

1047
00:59:03,728 --> 00:59:09,199
interesting but at anyway I guess we

1048
00:59:07,309 --> 00:59:11,180
have sort of come to the end Kathleen

1049
00:59:09,199 --> 00:59:14,298
but please let us hear all about your

1050
00:59:11,179 --> 00:59:17,568
books in your website and where people

1051
00:59:14,298 --> 00:59:20,478
can go to join in if they have had an

1052
00:59:17,568 --> 00:59:22,369
experience where they can contact you so

1053
00:59:20,478 --> 00:59:25,629
that they can share it with the other

1054
00:59:22,369 --> 00:59:32,210
people who have also had experiences

1055

00:59:25,630 --> 00:59:37,489
okay so so my website is Kathleen with a

1056
00:59:32,210 --> 00:59:41,210
k dash mardan ma rden calm in addition

1057
00:59:37,489 --> 00:59:45,499
to my ordering the three books that i

1058
00:59:41,210 --> 00:59:46,989
have had published you can read articles

1059
00:59:45,498 --> 00:59:50,689
that i have written that are absolutely

1060
00:59:46,989 --> 00:59:53,210
free and also my up scott upcoming

1061
00:59:50,690 --> 00:59:55,880
speaking engagements are listed on my

1062
00:59:53,210 --> 00:59:59,929
website so please visit the website if

1063
00:59:55,880 --> 01:00:03,349
you have an experience that you wish to

1064
00:59:59,929 --> 01:00:06,618
report please go to muffins website and

1065
01:00:03,349 --> 01:00:09,048
complete the experienter questionnaire

1066
01:00:06,619 --> 01:00:09,650
which is separate from the experience or

1067
01:00:09,048 --> 01:00:12,889
service

1068
01:00:09,650 --> 01:00:16,730
they're all on the main page at MUFON

1069
01:00:12,889 --> 01:00:18,500

com one is 30 questions that's the one

1070

01:00:16,730 --> 01:00:21,528

you want to complete if you'd like to

1071

01:00:18,500 --> 01:00:24,679

speak to a member of muffins experience

1072

01:00:21,528 --> 01:00:27,769

or research team and possibly make a

1073

01:00:24,679 --> 01:00:30,858

report that would be where you would be

1074

01:00:27,769 --> 01:00:34,909

interviewed by an investigator the other

1075

01:00:30,858 --> 01:00:37,670

one is the experience of survey and

1076

01:00:34,909 --> 01:00:42,019

please if you are an experimenter and you

1077

01:00:37,670 --> 01:00:44,750

remember your experiences at all please

1078

01:00:42,019 --> 01:00:47,358

go there and fill that out it's part of

1079

01:00:44,750 --> 01:00:49,420

a really important scientific study that

1080

01:00:47,358 --> 01:00:52,068

we're doing for the benefit of

1081

01:00:49,420 --> 01:00:55,278

experiencers and also for the benefit of

1082

01:00:52,068 --> 01:00:57,889

the public and of course your books I

1083

01:00:55,278 --> 01:01:00,440

love captured that you're right that

1084
01:00:57,889 --> 01:01:04,429
really although obviously was based on

1085
01:01:00,440 --> 01:01:06,619
their abduction experience it it just

1086
01:01:04,429 --> 01:01:08,598
brought Betty and Barney Hill to life

1087
01:01:06,619 --> 01:01:11,809
they were no longer just a couple who

1088
01:01:08,599 --> 01:01:15,260
had been just abducted by some very

1089
01:01:11,809 --> 01:01:17,119
strange beings but you know it and and

1090
01:01:15,260 --> 01:01:19,130
suddenly realized why they had to be

1091
01:01:17,119 --> 01:01:22,250
taken seriously they were very important

1092
01:01:19,130 --> 01:01:25,490
members of the community and I was that

1093
01:01:22,250 --> 01:01:28,190
was a great book captured and then this

1094
01:01:25,489 --> 01:01:30,889
newer one alien abduction files is great

1095
01:01:28,190 --> 01:01:32,960
too but mostly I'm looking forward to

1096
01:01:30,889 --> 01:01:36,558
seeing the movie I hope they get it done

1097
01:01:32,960 --> 01:01:38,900
me too and and thank you so much for

1098

mainstream media we have no overlords as

1115
01:02:30,780 --> 01:02:35,670
of yet unless they're aliens and we all

1116
01:02:33,480 --> 01:02:37,530
know it and if we hit on something

1117
01:02:35,670 --> 01:02:39,659
really interesting then we'll find out

1118
01:02:37,530 --> 01:02:41,580
who the overlords are but for right now
