

1
00:00:16,670 --> 00:00:23,750
welcome to shattered reality with their

2
00:00:20,160 --> 00:00:26,730
hosts kate valentine and farrugia

3
00:00:23,750 --> 00:00:30,769
prepare to have your paradigms shifted

4
00:00:26,730 --> 00:00:36,329
in the truth questioned and now

5
00:00:30,769 --> 00:00:39,000
shattered reality hi and welcome to

6
00:00:36,329 --> 00:00:42,870
another episode of shattered reality i'm

7
00:00:39,000 --> 00:00:48,000
kate valentine and I am Farrugia today

8
00:00:42,869 --> 00:00:51,479
is March 29th 2016 and we have a

9
00:00:48,000 --> 00:00:56,308
wonderful guest here today who's going

10
00:00:51,479 --> 00:01:00,089
to be talking a lot about the UFO and

11
00:00:56,308 --> 00:01:02,640
contact he experiences but before we

12
00:01:00,090 --> 00:01:04,558
actually entry what we're introducing

13
00:01:02,640 --> 00:01:07,228
her we're going to give you a little bit

14
00:01:04,558 --> 00:01:10,109
of background okay okay well actually

15
00:01:07,228 --> 00:01:13,078
we're really lucky to have her her name

16
00:01:10,109 --> 00:01:15,858
is Mary wat Rodwell and she's got an

17
00:01:13,078 --> 00:01:19,438
extensive background in the abduction

18
00:01:15,858 --> 00:01:22,078
phenomena uh for one thing she is the

19
00:01:19,438 --> 00:01:26,008
founder and principal of the Australian

20
00:01:22,078 --> 00:01:28,578
close encounter Resource Network she's

21
00:01:26,009 --> 00:01:32,039
also written a very fascinating book

22
00:01:28,578 --> 00:01:35,278
awakening how extraterrestrial contact

23
00:01:32,039 --> 00:01:38,929
can transform your life she's also the

24
00:01:35,278 --> 00:01:42,959
producer of an EBE award-winning

25
00:01:38,929 --> 00:01:46,679
documentaries expression of ET contact a

26
00:01:42,959 --> 00:01:49,978
visual blueprint and expressions of ET

27
00:01:46,679 --> 00:01:52,829
contact a communication and healing

28
00:01:49,978 --> 00:01:55,108
blueprint so Mary thank you so much for

29

00:01:52,828 --> 00:01:57,809
spending this next hour with us you know

30
00:01:55,108 --> 00:02:01,048
some fascinating stories to tell us I'm

31
00:01:57,810 --> 00:02:02,420
sure it's not salute pleasure and thank

32
00:02:01,049 --> 00:02:04,759
you for inviting me

33
00:02:02,420 --> 00:02:06,799
well I I think one of the more

34
00:02:04,759 --> 00:02:10,250
interesting things is that Mary is now

35
00:02:06,799 --> 00:02:12,980
talking to us from Australia that's just

36
00:02:10,250 --> 00:02:16,909
phenomenal to me yeah just off through

37
00:02:12,979 --> 00:02:19,129
the wonders of skype you know and it we

38
00:02:16,909 --> 00:02:24,709
apologize for the early hour in

39
00:02:19,129 --> 00:02:27,229
Australia but we do it at this time of

40
00:02:24,709 --> 00:02:29,269
day here well you know the interesting

41
00:02:27,229 --> 00:02:31,399
thing is that we sort of more or less

42
00:02:29,269 --> 00:02:34,280
wonder at it but we take it for granted

43
00:02:31,400 --> 00:02:36,709

that the skype a formulation will go

44

00:02:34,280 --> 00:02:38,479

through whereas maybe I'll it short is

45

00:02:36,709 --> 00:02:41,599

30 years ago this would be found to be

46

00:02:38,479 --> 00:02:43,699

impossible other than you remember the

47

00:02:41,599 --> 00:02:46,818

old long distance telephone calls you

48

00:02:43,699 --> 00:02:49,068

know operator yes and then what is the

49

00:02:46,818 --> 00:02:53,839

country's area code and all that stuff

50

00:02:49,068 --> 00:02:56,089

yes so I cost two thousand dollars but

51

00:02:53,840 --> 00:03:00,799

and I think what you're studying today

52

00:02:56,090 --> 00:03:03,069

Mary is sort of unbelievable as it may

53

00:03:00,799 --> 00:03:06,319

sound too many people in coming years

54

00:03:03,068 --> 00:03:07,819

the reaction will be well of course it

55

00:03:06,318 --> 00:03:11,569

was true i mean how could they have

56

00:03:07,819 --> 00:03:14,989

doubted it and I'll think you the number

57

00:03:11,569 --> 00:03:19,608

like I think you at one one thing you

58
00:03:14,989 --> 00:03:23,150
had 1600 abduction stories and that was

59
00:03:19,609 --> 00:03:26,810
you alone my lap in there yes that's

60
00:03:23,150 --> 00:03:29,539
right it's now about 3000 oh wow that

61
00:03:26,810 --> 00:03:32,390
sort of thing that's up the ante I mean

62
00:03:29,539 --> 00:03:34,939
to be honest I think the hardest thing

63
00:03:32,389 --> 00:03:39,229
for me now being so involved in it for

64
00:03:34,939 --> 00:03:42,560
20-plus years is how common it is know

65
00:03:39,229 --> 00:03:45,409
many people across the globe are having

66
00:03:42,560 --> 00:03:47,390
these experiences and it's almost like

67
00:03:45,409 --> 00:03:49,039
you know everyone can see the elephant

68
00:03:47,389 --> 00:03:51,349
but nobody wants to say the elephant's

69
00:03:49,039 --> 00:03:53,840
there well yeah well because we see

70
00:03:51,349 --> 00:03:57,139
different aspects of the elephant I

71
00:03:53,840 --> 00:03:59,120
suppose just like in the story just to

72
00:03:57,139 --> 00:04:03,349
let you know it and I had mentioned this

73
00:03:59,120 --> 00:04:06,609
to you in our correspondents on the

74
00:04:03,349 --> 00:04:09,199
internet that all three of us here are

75
00:04:06,609 --> 00:04:12,319
experiences of sorts different kinds of

76
00:04:09,199 --> 00:04:12,659
experiences but everyone here in this

77
00:04:12,318 --> 00:04:17,670
room

78
00:04:12,659 --> 00:04:19,860
has had an ET type experience or UFO

79
00:04:17,670 --> 00:04:22,770
type experience and more than one I

80
00:04:19,860 --> 00:04:25,860
might add but what we want to get to

81
00:04:22,769 --> 00:04:28,799
with you right from the get-go is can

82
00:04:25,860 --> 00:04:31,199
you tell us fairly straightforwardly

83
00:04:28,800 --> 00:04:33,960
precisely how you got into it you were a

84
00:04:31,199 --> 00:04:38,099
nurse Anna and a midwife and how did

85
00:04:33,959 --> 00:04:40,529
that bring you to to studying this well

86

00:04:38,100 --> 00:04:42,390
I think we all know especially if you've

87
00:04:40,529 --> 00:04:44,519
had experiences and you'll have done a

88
00:04:42,389 --> 00:04:48,209
lot of journeying with that experience

89
00:04:44,519 --> 00:04:50,250
the it's almost like you get led into it

90
00:04:48,209 --> 00:04:52,379
from you know through your life and

91
00:04:50,250 --> 00:04:54,779
although I started out as a nurse and

92
00:04:52,379 --> 00:04:57,329
the Midwife I went into counseling

93
00:04:54,779 --> 00:05:00,179
because of a number of synchronous

94
00:04:57,329 --> 00:05:02,579
events where I found that counseling was

95
00:05:00,180 --> 00:05:04,829
better about prevention rather than cure

96
00:05:02,579 --> 00:05:07,439
which I felt a lot of conventional

97
00:05:04,829 --> 00:05:09,389
medicine really is just fixing things

98
00:05:07,439 --> 00:05:11,399
after they've happened whereas at least

99
00:05:09,389 --> 00:05:13,349
in counseling you're looking at the

100
00:05:11,399 --> 00:05:16,500

causes of summer business which is you

101

00:05:13,350 --> 00:05:18,960

know stress etc but what it also exposed

102

00:05:16,500 --> 00:05:21,600

me to in terms of all life experience

103

00:05:18,959 --> 00:05:25,529

whether it was grief and bereavement or

104

00:05:21,600 --> 00:05:28,070

whatever this you realize that people

105

00:05:25,529 --> 00:05:30,059

are having a lot of experiences that

106

00:05:28,069 --> 00:05:33,329

traditional psychology doesn't

107

00:05:30,060 --> 00:05:36,780

acknowledge or if it does consider this

108

00:05:33,329 --> 00:05:38,399

in an aberration and for me it was you

109

00:05:36,779 --> 00:05:40,079

know people were having extraordinary

110

00:05:38,399 --> 00:05:42,839

things happen you know they'd have a

111

00:05:40,079 --> 00:05:45,389

great issue and maybe was mum and they

112

00:05:42,839 --> 00:05:47,579

would feel or sense mum around or you

113

00:05:45,389 --> 00:05:49,949

know smell her perfume or something and

114

00:05:47,579 --> 00:05:52,409

say am I going crazy when really all

115
00:05:49,949 --> 00:05:55,740
they were experiencing was more of our

116
00:05:52,410 --> 00:05:57,930
multi-dimensional nature which everyone

117
00:05:55,740 --> 00:05:59,639
on this planet has even if it's shut

118
00:05:57,930 --> 00:06:02,759
down or conditioned out of them a little

119
00:05:59,639 --> 00:06:04,409
bit answer me I've always seen there if

120
00:06:02,759 --> 00:06:05,839
it was weird and wonderful I always had

121
00:06:04,410 --> 00:06:08,310
a book on it because I would all

122
00:06:05,839 --> 00:06:10,409
fascinated with the mysteries of life

123
00:06:08,310 --> 00:06:12,990
you know right from a little child it is

124
00:06:10,410 --> 00:06:15,720
if it was unusual or strange it

125
00:06:12,990 --> 00:06:18,410
fascinated me and I didn't actually know

126
00:06:15,720 --> 00:06:21,690
about the whole thing to do with

127
00:06:18,410 --> 00:06:25,200
abductions contact but synchronously

128
00:06:21,689 --> 00:06:26,939
once again a few months before my

129
00:06:25,199 --> 00:06:28,589
very first client that came to me I've

130
00:06:26,939 --> 00:06:31,610
read a couple of books on the subject

131
00:06:28,589 --> 00:06:34,169
one with dr. John Maxie Harvard Sakaya

132
00:06:31,610 --> 00:06:35,819
that was that was a great book to have

133
00:06:34,170 --> 00:06:38,879
started with brilliant absolutely

134
00:06:35,819 --> 00:06:40,230
brilliant and of course communion by

135
00:06:38,879 --> 00:06:41,699
Whitley stream but those were the two

136
00:06:40,230 --> 00:06:44,520
that I picked up because they look

137
00:06:41,699 --> 00:06:47,279
fascinating two months later I mean I

138
00:06:44,519 --> 00:06:49,500
thought this was really rare a gentleman

139
00:06:47,279 --> 00:06:51,179
walked in my office he said Mary I've

140
00:06:49,500 --> 00:06:52,800
heard you're open-minded for this

141
00:06:51,180 --> 00:06:54,269
there's no support groups for this

142
00:06:52,800 --> 00:06:56,819
everybody just thinks you're a looney

143

00:06:54,269 --> 00:06:59,449
when this gentleman proceeded to tell me

144
00:06:56,819 --> 00:07:02,040
about his own experiences and his family

145
00:06:59,449 --> 00:07:04,469
so you know he would wake up with shaved

146
00:07:02,040 --> 00:07:06,060
areas marks on his body he said that the

147
00:07:04,470 --> 00:07:08,580
whole family is experiencing this and

148
00:07:06,060 --> 00:07:11,759
listen this took it to a level where it

149
00:07:08,579 --> 00:07:14,099
was very hard for me to dismiss when

150
00:07:11,759 --> 00:07:15,990
it's one thing one individual to say

151
00:07:14,100 --> 00:07:18,270
this is Mike spins but when you've got

152
00:07:15,990 --> 00:07:20,730
the whole family involved then this

153
00:07:18,269 --> 00:07:23,669
takes it to a whole new level and he was

154
00:07:20,730 --> 00:07:26,240
grounded he was articulate there was no

155
00:07:23,670 --> 00:07:29,189
question in my mind that this man was

156
00:07:26,240 --> 00:07:31,139
experiencing something very real and

157
00:07:29,189 --> 00:07:32,759

this is something you you know when

158

00:07:31,139 --> 00:07:35,099

you're working in counseling you get

159

00:07:32,759 --> 00:07:36,870

this gut feeling that you know you know

160

00:07:35,100 --> 00:07:39,030

when someone's speaking their truth and

161

00:07:36,870 --> 00:07:41,519

I don't care how strange it is it is

162

00:07:39,029 --> 00:07:44,339

there truth is there's a resonance to it

163

00:07:41,519 --> 00:07:47,339

had sort of resonance to this to to

164

00:07:44,339 --> 00:07:49,289

Ellis and from that really and I he's

165

00:07:47,339 --> 00:07:50,909

actually become put my dearest friends

166

00:07:49,290 --> 00:07:52,350

and I always blame him to take me

167

00:07:50,910 --> 00:07:54,360

starting me down that rabbit hole

168

00:07:52,350 --> 00:07:56,910

because I've never been able to come up

169

00:07:54,360 --> 00:07:59,699

for air since but the bottom line is

170

00:07:56,910 --> 00:08:02,640

that two weeks later someone else came

171

00:07:59,699 --> 00:08:05,310

in with experiences and from that well

172
00:08:02,639 --> 00:08:08,339
the rest is history I really wanted to

173
00:08:05,310 --> 00:08:10,290
provide a professional resource because

174
00:08:08,339 --> 00:08:12,839
it was obvious to me with a lot of the

175
00:08:10,290 --> 00:08:15,629
UFO groups Goodis and kind as

176
00:08:12,839 --> 00:08:17,189
well-meaning as they are a lot of them

177
00:08:15,629 --> 00:08:19,709
are you know amateurs they're not

178
00:08:17,189 --> 00:08:22,620
trained to offer therapeutic support

179
00:08:19,709 --> 00:08:25,139
they may be able to help you with you

180
00:08:22,620 --> 00:08:29,160
know information and that the you know

181
00:08:25,139 --> 00:08:31,949
the UFO you know if you like information

182
00:08:29,160 --> 00:08:34,110
around seeing UFOs and what color and

183
00:08:31,949 --> 00:08:37,439
what shape what time the sector et

184
00:08:34,110 --> 00:08:40,080
cetera but you or as a group will know

185
00:08:37,440 --> 00:08:41,849
that this is so much bigger than the UFO

186
00:08:40,080 --> 00:08:44,879
that you've seen yeah there's anything

187
00:08:41,849 --> 00:08:48,210
about us as a species and our

188
00:08:44,879 --> 00:08:50,399
interactions with all these you know

189
00:08:48,210 --> 00:08:52,650
intelligences that have been interacting

190
00:08:50,399 --> 00:08:55,230
with us for millennia and who are in

191
00:08:52,649 --> 00:08:57,750
fact in my view our ancestors because

192
00:08:55,230 --> 00:08:59,930
it's pretty obvious they've been working

193
00:08:57,750 --> 00:09:03,269
with our DNA right from the get-go so

194
00:08:59,929 --> 00:09:06,539
for me it's the big picture stuff I and

195
00:09:03,269 --> 00:09:08,549
helping people to get the big picture in

196
00:09:06,539 --> 00:09:12,750
terms of understanding their experiences

197
00:09:08,549 --> 00:09:15,240
wow that's fascinating really and it's

198
00:09:12,750 --> 00:09:18,570
great that people do have a resource

199
00:09:15,240 --> 00:09:20,340
such as yours um because you're quite

200

00:09:18,570 --> 00:09:22,470
right i mean if you go up to the average

201
00:09:20,340 --> 00:09:25,050
person and say gee I was abducted last

202
00:09:22,470 --> 00:09:27,720
night and I had this really really idea

203
00:09:25,049 --> 00:09:29,729
put my head and it's like an awakening

204
00:09:27,720 --> 00:09:31,680
and I'm a changed person they're going

205
00:09:29,730 --> 00:09:33,509
to give you about 10 foot a distance I

206
00:09:31,679 --> 00:09:36,419
think at least didn't give you the hairy

207
00:09:33,509 --> 00:09:41,129
eyeball and move away so it's good and

208
00:09:36,419 --> 00:09:43,829
yet I I don't know I still have a little

209
00:09:41,129 --> 00:09:46,860
bit trouble myself coming to terms with

210
00:09:43,830 --> 00:09:50,330
abductions but I absolutely believe that

211
00:09:46,860 --> 00:09:53,940
people definitely experience something I

212
00:09:50,330 --> 00:09:57,060
I just don't know that it's necessarily

213
00:09:53,940 --> 00:09:58,410
alien beings um what are your feelings

214
00:09:57,059 --> 00:10:01,979

about that what do you think they're

215

00:09:58,409 --> 00:10:03,719

experiencing I think it's it's actually

216

00:10:01,980 --> 00:10:05,279

you're quite right not just

217

00:10:03,720 --> 00:10:08,120

extraterrestrials there are

218

00:10:05,279 --> 00:10:10,559

interdimensional extra dimensionals a

219

00:10:08,120 --> 00:10:12,810

lot of you know those that are having

220

00:10:10,559 --> 00:10:17,339

experiences also experiencing spirits

221

00:10:12,809 --> 00:10:19,649

may angelic beings like beings and also

222

00:10:17,340 --> 00:10:21,300

there may even be those coming from our

223

00:10:19,649 --> 00:10:23,610

future as well I mean I've come to

224

00:10:21,299 --> 00:10:26,579

understand that it's all in the matrix

225

00:10:23,610 --> 00:10:29,490

that it's not a or b it's actually all

226

00:10:26,580 --> 00:10:31,950

of it and just depending on your lens of

227

00:10:29,490 --> 00:10:34,310

perception or how you wished turpin it

228

00:10:31,950 --> 00:10:36,920

is how you will interpret it and I me

229
00:10:34,309 --> 00:10:38,659
mediums and clairvoyance and they'll

230
00:10:36,919 --> 00:10:40,039
talk about their spirit guides or

231
00:10:38,659 --> 00:10:42,169
whatever and then they'll say oh I've

232
00:10:40,039 --> 00:10:45,169
got I've got one guide actually looks

233
00:10:42,169 --> 00:10:49,879
loo and gone hair and I'll say on what

234
00:10:45,169 --> 00:10:52,309
do you have a budget is so it's to me

235
00:10:49,879 --> 00:10:54,320
it's what it's really saying is that we

236
00:10:52,309 --> 00:10:56,838
are opening and awakening to our

237
00:10:54,320 --> 00:10:59,990
multi-dimensional nature which in the

238
00:10:56,839 --> 00:11:02,300
Western society is largely we are

239
00:10:59,990 --> 00:11:05,299
conditioned or programmed out of

240
00:11:02,299 --> 00:11:08,269
accepting know that it causes this

241
00:11:05,299 --> 00:11:10,189
conflict of realities because you're

242
00:11:08,269 --> 00:11:12,350
told that you know unless you can touch

243

00:11:10,190 --> 00:11:15,640

feel see it and smell it it it's not

244

00:11:12,350 --> 00:11:19,399

real when every one of us Intuit's and

245

00:11:15,639 --> 00:11:21,080

senses feels knows things that they

246

00:11:19,399 --> 00:11:23,899

haven't consciously learned that have a

247

00:11:21,080 --> 00:11:26,450

knowing and all of this is part of our

248

00:11:23,899 --> 00:11:29,569

multi-dimensional nature and I think

249

00:11:26,450 --> 00:11:32,120

that a lot of the time the contact or

250

00:11:29,570 --> 00:11:35,210

whether you call it a contact contact d

251

00:11:32,120 --> 00:11:38,089

experience abduction is is breaking down

252

00:11:35,210 --> 00:11:40,250

those barriers to us understanding that

253

00:11:38,089 --> 00:11:42,680

we are actually multi-dimensional and we

254

00:11:40,250 --> 00:11:45,589

are interacting with all these different

255

00:11:42,679 --> 00:11:48,109

types of intelligences you know from

256

00:11:45,589 --> 00:11:50,920

many different dimensions and it's just

257

00:11:48,110 --> 00:11:53,839
how we choose to interpret them that is

258
00:11:50,919 --> 00:11:56,029
the you know to me that's how I

259
00:11:53,839 --> 00:11:58,610
understand it at the moment okay well

260
00:11:56,029 --> 00:12:02,209
that sounds that sounds right to me I

261
00:11:58,610 --> 00:12:05,839
know that my experiences that started as

262
00:12:02,210 --> 00:12:09,009
a small child have changed my life and

263
00:12:05,839 --> 00:12:13,250
changed the direction that I have

264
00:12:09,009 --> 00:12:15,730
traveled in my life certainly my

265
00:12:13,250 --> 00:12:19,730
experiences with non-physical beings and

266
00:12:15,730 --> 00:12:22,279
also having seen of several unidentified

267
00:12:19,730 --> 00:12:25,629
flying objects now whether these flying

268
00:12:22,279 --> 00:12:29,208
objects were from the Moon or Mars or

269
00:12:25,629 --> 00:12:31,850
Arcturus I have no way of knowing or

270
00:12:29,208 --> 00:12:34,819
they came from another dimension that's

271
00:12:31,850 --> 00:12:37,250

not within my purview to know that but I

272

00:12:34,820 --> 00:12:39,890

know it's like the old wasn't there a

273

00:12:37,250 --> 00:12:41,809

movie I know what I know what I saw or

274

00:12:39,889 --> 00:12:43,730

something like that

275

00:12:41,809 --> 00:12:45,979

but you know what I always found

276

00:12:43,730 --> 00:12:48,350

interesting too is like we always get

277

00:12:45,980 --> 00:12:50,750

sort of one side of the story like they

278

00:12:48,350 --> 00:12:53,210

certainly are whatever these beings are

279

00:12:50,750 --> 00:12:55,399

know our history know what we are but we

280

00:12:53,210 --> 00:12:57,769

got so little about them their history

281

00:12:55,399 --> 00:13:00,588

how they developed I mean I doubt if

282

00:12:57,769 --> 00:13:02,899

they sprang full-blown from the head of

283

00:13:00,589 --> 00:13:05,660

Zeus so they must have developed from

284

00:13:02,899 --> 00:13:07,309

something yeah did anybody ever tell you

285

00:13:05,659 --> 00:13:10,309

anything about the history of these

286
00:13:07,309 --> 00:13:12,439
beings well what's interesting and I

287
00:13:10,309 --> 00:13:14,838
know we're getting into and what I'm

288
00:13:12,440 --> 00:13:17,810
already writing about at the moment is a

289
00:13:14,839 --> 00:13:20,870
lot of the new generations and children

290
00:13:17,809 --> 00:13:23,959
have conscious recall but only its past

291
00:13:20,870 --> 00:13:26,389
lives being on other planets where they

292
00:13:23,960 --> 00:13:29,480
are very aware that the same beings that

293
00:13:26,389 --> 00:13:31,490
they were on those planets visiting them

294
00:13:29,480 --> 00:13:33,289
and supporting them and taking them back

295
00:13:31,490 --> 00:13:35,839
home occasionally so they don't get too

296
00:13:33,289 --> 00:13:38,539
homesick are actually explaining a lot

297
00:13:35,839 --> 00:13:41,570
of our history from that knowing and

298
00:13:38,539 --> 00:13:44,299
these are sometimes teenagers even you

299
00:13:41,570 --> 00:13:46,040
know children under 10 and some of the

300
00:13:44,299 --> 00:13:48,709
older generations that have allowed

301
00:13:46,039 --> 00:13:50,779
themselves to go there and you know will

302
00:13:48,710 --> 00:13:53,180
be aware they're taking to their their

303
00:13:50,779 --> 00:13:56,240
origins and explained why they've chosen

304
00:13:53,179 --> 00:13:59,899
to incarnated in human form this time to

305
00:13:56,240 --> 00:14:02,240
be part of what they see is a whole

306
00:13:59,899 --> 00:14:04,250
shift in human consciousness at the

307
00:14:02,240 --> 00:14:07,310
moment and it yes it's about our origins

308
00:14:04,250 --> 00:14:09,740
that you know there's a lot of those

309
00:14:07,309 --> 00:14:12,019
adults as well as children are taken off

310
00:14:09,740 --> 00:14:14,480
onto the craft and educated into the

311
00:14:12,019 --> 00:14:16,909
true origins of it they are where

312
00:14:14,480 --> 00:14:18,769
they're from and and how we came to be

313
00:14:16,909 --> 00:14:21,199
you know the children will talk about

314

00:14:18,769 --> 00:14:24,230
you know and the DNA and how many

315
00:14:21,200 --> 00:14:27,530
different intelligences have had an

316
00:14:24,230 --> 00:14:29,060
input into our DNA and this is why you

317
00:14:27,529 --> 00:14:30,769
know some people will feel they're from

318
00:14:29,059 --> 00:14:33,199
the Pleiades or they'll feel they're

319
00:14:30,769 --> 00:14:35,990
from Arcturus although you know or

320
00:14:33,200 --> 00:14:38,810
whatever because that they're resonating

321
00:14:35,990 --> 00:14:41,720
to that part of their DNA that has has

322
00:14:38,809 --> 00:14:44,689
come from there and and this is giving

323
00:14:41,720 --> 00:14:47,450
us the clues if we're prepared to listen

324
00:14:44,690 --> 00:14:49,390
to that that knowing and that resonance

325
00:14:47,450 --> 00:14:51,589
that we have to this kind of information

326
00:14:49,389 --> 00:14:54,528
even though I think the government's

327
00:14:51,589 --> 00:14:58,069
know far more and they're not telling us

328
00:14:54,528 --> 00:15:00,649

it's left to us as those that are in

329

00:14:58,068 --> 00:15:02,688

touch or in contact to start trusting

330

00:15:00,649 --> 00:15:05,778

that kind of information because I think

331

00:15:02,688 --> 00:15:07,399

it has veracity mmm-hmm well I you know

332

00:15:05,778 --> 00:15:10,698

even saw as we've talked about

333

00:15:07,399 --> 00:15:13,249

technology with skype there's also a DNA

334

00:15:10,698 --> 00:15:16,519

technology now called Crispin which

335

00:15:13,249 --> 00:15:19,519

allows very relatively inexpensive ways

336

00:15:16,519 --> 00:15:22,308

to in a sense cut and paste sections of

337

00:15:19,519 --> 00:15:24,709

DNA and you can create almost anything

338

00:15:22,308 --> 00:15:28,399

you want to any chimera that you'd like

339

00:15:24,708 --> 00:15:30,469

to and that's unfortunately it is

340

00:15:28,399 --> 00:15:34,220

inexpensive and it can be done outside

341

00:15:30,470 --> 00:15:36,499

of you know universities of government

342

00:15:34,220 --> 00:15:39,439

facilities that would be open to private

343
00:15:36,499 --> 00:15:42,800
people as well it's pretty scary young

344
00:15:39,438 --> 00:15:44,568
this yeah I think being there before

345
00:15:42,799 --> 00:15:46,490
probably in our history but the

346
00:15:44,568 --> 00:15:48,679
interesting thing is it you know the

347
00:15:46,490 --> 00:15:50,600
indigenous tribes many of them will say

348
00:15:48,679 --> 00:15:53,388
that the gods were the little G I will

349
00:15:50,600 --> 00:15:55,519
say enough come down and interacted

350
00:15:53,389 --> 00:15:58,730
genetically with us the Dogon tribe in

351
00:15:55,519 --> 00:16:00,259
well yes oh and it helps about it that

352
00:15:58,730 --> 00:16:02,839
and some of the children will talk about

353
00:16:00,259 --> 00:16:07,308
the fact that our DNA has been altered

354
00:16:02,839 --> 00:16:09,800
we have 223 genes in our DNA they still

355
00:16:07,308 --> 00:16:11,808
can't explain because there are sideways

356
00:16:09,799 --> 00:16:15,349
insertion of genetic material we also

357
00:16:11,808 --> 00:16:17,019
have being spliced and moved around as

358
00:16:15,350 --> 00:16:19,459
some of them or whistleblower

359
00:16:17,019 --> 00:16:22,669
geneticists say there is no doubt that

360
00:16:19,458 --> 00:16:25,969
we have been modified if you like from

361
00:16:22,669 --> 00:16:27,948
the indigenous species that we were and

362
00:16:25,970 --> 00:16:30,769
we know we've got the missing link where

363
00:16:27,948 --> 00:16:33,859
we went from cro-magnon and Neanderthal

364
00:16:30,769 --> 00:16:36,318
to Homo sapiens sapiens with nice sized

365
00:16:33,860 --> 00:16:39,278
eggs etc I mean it doesn't take a genius

366
00:16:36,318 --> 00:16:41,870
to work out what what's happened there

367
00:16:39,278 --> 00:16:46,009
it's whether or not you you want to go

368
00:16:41,870 --> 00:16:49,308
there I suppose right well I so I guess

369
00:16:46,009 --> 00:16:51,919
we do want to go there today for sure I

370
00:16:49,308 --> 00:16:54,379
mean even just to carry that analogy a

371

00:16:51,919 --> 00:16:56,628
little bit further when you you could

372
00:16:54,379 --> 00:16:59,028
think of yourself as like a cell phone

373
00:16:56,629 --> 00:17:01,188
with the proper antenna picking up the

374
00:16:59,028 --> 00:17:03,029
frequencies of these beings that are

375
00:17:01,188 --> 00:17:05,069
different vibration you are

376
00:17:03,029 --> 00:17:09,029
and some people just have little better

377
00:17:05,069 --> 00:17:12,569
antennas and other people absolutely ah

378
00:17:09,029 --> 00:17:14,399
so I I think if we had this discussion a

379
00:17:12,569 --> 00:17:16,169
hundred years from now we'd be saying

380
00:17:14,400 --> 00:17:20,100
like and they didn't think it was

381
00:17:16,170 --> 00:17:22,050
possible yeah so if we're around 100

382
00:17:20,099 --> 00:17:24,599
years from now I'm not personally but

383
00:17:22,049 --> 00:17:28,139
well it seems to me that it's definitely

384
00:17:24,599 --> 00:17:31,169
a situation where life is ubiquitous in

385
00:17:28,140 --> 00:17:34,230

the universe it's not just confined to

386

00:17:31,170 --> 00:17:37,140

the earth and we become like the earth

387

00:17:34,230 --> 00:17:39,450

centric people during the Middle Ages

388

00:17:37,140 --> 00:17:42,390

who couldn't believe that the earth was

389

00:17:39,450 --> 00:17:45,569

revolving around the Sun so it's always

390

00:17:42,390 --> 00:17:47,759

been this idea that we're so special and

391

00:17:45,569 --> 00:17:50,579

we're the only planet where there could

392

00:17:47,759 --> 00:17:53,039

ever be life in fact when we grew up we

393

00:17:50,579 --> 00:17:58,049

were taught in schools as we have said

394

00:17:53,039 --> 00:18:00,089

before that the rest of the his sons had

395

00:17:58,049 --> 00:18:02,009

no planets the rest of the star said no

396

00:18:00,089 --> 00:18:05,159

planets and I remember thinking that's

397

00:18:02,009 --> 00:18:07,859

not possible even as a child I knew that

398

00:18:05,160 --> 00:18:09,840

there were there were other planets and

399

00:18:07,859 --> 00:18:11,879

there would no reason why there couldn't

400
00:18:09,839 --> 00:18:13,679
be life on other planets or just other

401
00:18:11,880 --> 00:18:16,110
kinds of life that didn't even need a

402
00:18:13,680 --> 00:18:21,269
planet to live on could live on a star

403
00:18:16,109 --> 00:18:24,240
or on them on a nebula somewhere so you

404
00:18:21,269 --> 00:18:30,420
you have done work with a lot of

405
00:18:24,240 --> 00:18:33,120
different of individuals which which

406
00:18:30,420 --> 00:18:35,160
person impressed you the most aside from

407
00:18:33,119 --> 00:18:38,750
I believe you said Ellis was the

408
00:18:35,160 --> 00:18:42,960
gentleman the initial person what what

409
00:18:38,750 --> 00:18:46,349
contact the experiencer abductee a story

410
00:18:42,960 --> 00:18:47,610
has impressed you the most there's

411
00:18:46,349 --> 00:18:52,079
something you might like to share with

412
00:18:47,609 --> 00:18:54,750
us now Mary oh gosh I've got such a rich

413
00:18:52,079 --> 00:18:57,149
tapestry because it's it's actually you

414
00:18:54,750 --> 00:19:02,460
know so many people have extraordinary

415
00:18:57,150 --> 00:19:04,080
stories it really is is mind-blowing the

416
00:19:02,460 --> 00:19:06,660
range of them but one of the recent

417
00:19:04,079 --> 00:19:08,399
articles that I did and it's it's too

418
00:19:06,660 --> 00:19:10,710
you know one of the things that I've

419
00:19:08,400 --> 00:19:12,570
noticed is meeting a lot of older

420
00:19:10,710 --> 00:19:14,009
generations that have had experiences

421
00:19:12,569 --> 00:19:15,308
and never spoken about it all their

422
00:19:14,009 --> 00:19:18,429
lives right from

423
00:19:15,308 --> 00:19:20,859
you know and I've met I met a 79 year

424
00:19:18,429 --> 00:19:23,620
old lady in Norway last year when I was

425
00:19:20,859 --> 00:19:25,869
doing my tour of Scandinavia and you

426
00:19:23,619 --> 00:19:28,119
know interesting about Scandinavia is

427
00:19:25,869 --> 00:19:29,528
they're very technologically advanced

428

00:19:28,119 --> 00:19:32,109
you think they're a very highly

429
00:19:29,528 --> 00:19:33,548
civilized society which they are but one

430
00:19:32,109 --> 00:19:35,798
of the things that they struggle with

431
00:19:33,548 --> 00:19:38,259
believe it or not is this kind of

432
00:19:35,798 --> 00:19:40,329
experience in fact it's almost more

433
00:19:38,259 --> 00:19:42,278
acceptable to be a sexual predator than

434
00:19:40,329 --> 00:19:44,230
it is to be an experiencer and I was

435
00:19:42,278 --> 00:19:47,048
quite worried when I went to Norway

436
00:19:44,230 --> 00:19:48,819
because my mine is mine is pretty out

437
00:19:47,048 --> 00:19:51,579
there even though you've balaji and

438
00:19:48,819 --> 00:19:53,109
talking about you know a lot of range of

439
00:19:51,579 --> 00:19:55,210
different things from the new

440
00:19:53,109 --> 00:19:57,819
generations that are coming in etc and I

441
00:19:55,210 --> 00:20:00,999
was a bit concerned about the response

442
00:19:57,819 --> 00:20:05,319

to my presentation in Norway but what I

443

00:20:00,999 --> 00:20:07,028

did it anyway I noticed was a lot of

444

00:20:05,319 --> 00:20:09,189

people in the audience were extremely

445

00:20:07,028 --> 00:20:12,159

emotional and one of them was a lady who

446

00:20:09,190 --> 00:20:14,798

came up me beautiful soul and she was

447

00:20:12,159 --> 00:20:17,350

said look I'm 79 years old I'm a

448

00:20:14,798 --> 00:20:20,259

farmer's wife everything you've spoken

449

00:20:17,349 --> 00:20:22,359

about has been my life and she said and

450

00:20:20,259 --> 00:20:25,179

I have never spoken about this to anyone

451

00:20:22,359 --> 00:20:27,008

oh and she said and one of the things

452

00:20:25,179 --> 00:20:28,840

that you were you know talking about

453

00:20:27,009 --> 00:20:33,009

communicating with animal she said I'm a

454

00:20:28,839 --> 00:20:35,138

farmer's wife and she said I called the

455

00:20:33,009 --> 00:20:37,899

sheep in with my mind and nobody knew

456

00:20:35,138 --> 00:20:41,048

how i did it and she said but for me

457
00:20:37,898 --> 00:20:43,298
hearing this the first time was that you

458
00:20:41,048 --> 00:20:45,668
know just an amazing thing after you

459
00:20:43,298 --> 00:20:49,599
know nearly being 80 years old and

460
00:20:45,669 --> 00:20:52,899
interestingly with that I was talking to

461
00:20:49,599 --> 00:20:55,599
a lady who had had chronic back pain for

462
00:20:52,898 --> 00:20:58,268
many years she was a teacher she said

463
00:20:55,599 --> 00:21:00,248
look Mary I was on opiates because I was

464
00:20:58,269 --> 00:21:02,769
in such pain I was headed for a

465
00:21:00,249 --> 00:21:05,528
wheelchair and when I first called she

466
00:21:02,769 --> 00:21:07,960
contact me she was 66 years old and she

467
00:21:05,528 --> 00:21:09,868
had experiences all her life and she

468
00:21:07,960 --> 00:21:12,460
woke up one morning after a levitating

469
00:21:09,868 --> 00:21:14,138
levitating experience with all her

470
00:21:12,460 --> 00:21:16,480
technology where all the battery's flat

471
00:21:14,138 --> 00:21:18,939
and whatever and said Mary but when I

472
00:21:16,480 --> 00:21:21,460
got up I didn't need any medication and

473
00:21:18,940 --> 00:21:23,860
I was feeling mobile and I couldn't work

474
00:21:21,460 --> 00:21:26,048
it out and I really didn't know what had

475
00:21:23,859 --> 00:21:26,929
happened and we did a regression I do

476
00:21:26,048 --> 00:21:29,329
regression

477
00:21:26,930 --> 00:21:31,730
obviously one to one but also over skype

478
00:21:29,329 --> 00:21:33,949
and she lives in melbourne and this is a

479
00:21:31,730 --> 00:21:36,110
66 year old lady that basically thought

480
00:21:33,950 --> 00:21:37,610
her life was over because she was headed

481
00:21:36,109 --> 00:21:40,219
as a safe for a wheelchair with her

482
00:21:37,609 --> 00:21:43,729
chronic back issues and jennifer to back

483
00:21:40,220 --> 00:21:46,250
issues um we did the regression and in

484
00:21:43,730 --> 00:21:49,190
the regression she's actually taken for

485

00:21:46,250 --> 00:21:51,440
healing she's taken to her planet and

486
00:21:49,190 --> 00:21:53,990
where she's from she was shown that

487
00:21:51,440 --> 00:21:56,930
she's now going to start her mission at

488
00:21:53,990 --> 00:21:59,210
66 years old that they fixed her back

489
00:21:56,930 --> 00:22:02,120
because she had things to do she also

490
00:21:59,210 --> 00:22:05,059
had to talk about this and also because

491
00:22:02,119 --> 00:22:06,500
her family or her children and her adult

492
00:22:05,059 --> 00:22:09,139
children and her grandchildren were

493
00:22:06,500 --> 00:22:12,500
involved and this was at the start of

494
00:22:09,140 --> 00:22:14,050
her new life and when she when she came

495
00:22:12,500 --> 00:22:17,150
out of it she said Mary this is

496
00:22:14,049 --> 00:22:18,919
incredible and they killed me because

497
00:22:17,150 --> 00:22:22,820
now I've got things to do it I mean this

498
00:22:18,920 --> 00:22:26,539
is 66 at 69 years old I actually met her

499
00:22:22,819 --> 00:22:28,970

and when I went to Melbourne and to do

500

00:22:26,539 --> 00:22:31,460

an experienced a workshop she came up to

501

00:22:28,970 --> 00:22:34,339

me and we greeted each other like

502

00:22:31,460 --> 00:22:36,380

long-lost friends and she said Mary you

503

00:22:34,339 --> 00:22:38,859

will never believe what I'm doing I am

504

00:22:36,380 --> 00:22:41,450

under a pseudonym pseudonym I'm

505

00:22:38,859 --> 00:22:44,779

dialoguing with scientists she said I've

506

00:22:41,450 --> 00:22:47,569

never studied this chemtrails everything

507

00:22:44,779 --> 00:22:49,819

to do with you know what's actually

508

00:22:47,569 --> 00:22:51,799

happening on this planet now I'm able to

509

00:22:49,819 --> 00:22:54,409

talk dialogue with scientists about all

510

00:22:51,799 --> 00:22:56,359

this GMOs she said I have never learned

511

00:22:54,410 --> 00:22:58,700

this stuff but I know about it and they

512

00:22:56,359 --> 00:23:00,409

said you know I'm going under a

513

00:22:58,700 --> 00:23:02,539

pseudonym because I don't my children to

514
00:23:00,410 --> 00:23:05,120
know I'm up to she's I could actually

515
00:23:02,539 --> 00:23:07,309
now I can still function at a midnight

516
00:23:05,119 --> 00:23:11,029
she said because I've got so much energy

517
00:23:07,309 --> 00:23:13,909
1 69 years old and my article is never

518
00:23:11,029 --> 00:23:15,619
too late what I'm hearing is that a lot

519
00:23:13,910 --> 00:23:17,930
of those that have spent their life of

520
00:23:15,619 --> 00:23:20,689
experiences and are in this more senior

521
00:23:17,930 --> 00:23:22,549
years as saying you know obviously you

522
00:23:20,690 --> 00:23:25,490
know for me you know there's nothing

523
00:23:22,549 --> 00:23:28,339
more ahead of me and I'm saying no you

524
00:23:25,490 --> 00:23:30,170
absolutely just don't know that there's

525
00:23:28,339 --> 00:23:31,970
been a reason why you've had those

526
00:23:30,170 --> 00:23:33,800
experiences all your life and you don't

527
00:23:31,970 --> 00:23:36,650
know they're going to come calling

528
00:23:33,799 --> 00:23:39,069
because this is one perfect example of

529
00:23:36,650 --> 00:23:40,809
someone who thought her life was over

530
00:23:39,069 --> 00:23:42,970
I had been fixed up because she's got a

531
00:23:40,808 --> 00:23:44,379
job to do and this is what she's doing

532
00:23:42,970 --> 00:23:46,720
now so I think that's a pretty

533
00:23:44,380 --> 00:23:51,429
incredible story yes it certainly is

534
00:23:46,720 --> 00:23:55,778
incredible but so you must hear these

535
00:23:51,429 --> 00:23:58,210
stories all the time then and if you do

536
00:23:55,778 --> 00:24:00,548
you ever meet someone who says to you

537
00:23:58,210 --> 00:24:02,558
yeah I had this experience I told all my

538
00:24:00,548 --> 00:24:05,379
friends and half of them believe in half

539
00:24:02,558 --> 00:24:07,509
the kaplan don't and I mean are they

540
00:24:05,380 --> 00:24:11,409
somewhat is there any experiences it's

541
00:24:07,509 --> 00:24:13,210
relatively open about it oh and there

542

00:24:11,409 --> 00:24:15,490
are and and there are certain

543
00:24:13,210 --> 00:24:17,889
generations of them where I will get a

544
00:24:15,490 --> 00:24:19,509
parent writing to me and saying look

545
00:24:17,888 --> 00:24:21,908
I've had experiences all my life my

546
00:24:19,509 --> 00:24:24,700
children are an upgrade they are even

547
00:24:21,909 --> 00:24:27,399
more consciously aware and and actually

548
00:24:24,700 --> 00:24:30,639
it's she said and I know you know my my

549
00:24:27,398 --> 00:24:32,979
parents and my grandparents but you know

550
00:24:30,638 --> 00:24:35,558
my grandmother was very intuitive for

551
00:24:32,980 --> 00:24:38,190
whatever so you can actually see the

552
00:24:35,558 --> 00:24:40,058
linkages of the genetic links I'm

553
00:24:38,190 --> 00:24:43,360
intergenerational links and inter

554
00:24:40,058 --> 00:24:44,950
cultural links as well because sometimes

555
00:24:43,359 --> 00:24:48,490
obviously there'll be a mix of cultures

556
00:24:44,950 --> 00:24:49,840

and and you can actually see almost like

557

00:24:48,490 --> 00:24:52,839

they're being brought together as a

558

00:24:49,839 --> 00:24:54,908

certain time because of the gym I think

559

00:24:52,839 --> 00:24:57,189

the genetic mix well you don't in

560

00:24:54,909 --> 00:25:00,549

faction memories could actually be

561

00:24:57,190 --> 00:25:02,558

stored in DNA and I'm wondering if a lot

562

00:25:00,548 --> 00:25:06,128

of the experiences are just sort of like

563

00:25:02,558 --> 00:25:10,298

a time DNA or RNA in this case to go off

564

00:25:06,128 --> 00:25:12,128

of and the person enix well I mean this

565

00:25:10,298 --> 00:25:14,230

is just a theory just sort of popped in

566

00:25:12,128 --> 00:25:16,449

my head but it just sort of like a tape

567

00:25:14,230 --> 00:25:18,128

recorder type thing on the DNA that goes

568

00:25:16,450 --> 00:25:20,379

off in your mind you think you've

569

00:25:18,128 --> 00:25:22,388

experienced this but it's sort of been

570

00:25:20,378 --> 00:25:24,250

preloaded which I guess begs the issue

571
00:25:22,388 --> 00:25:26,949
whether it actually happens when it's

572
00:25:24,250 --> 00:25:29,558
promoted it still how still happens yeah

573
00:25:26,950 --> 00:25:31,990
so nevermind scratched by having I have

574
00:25:29,558 --> 00:25:37,079
a confession to make i am the daughter

575
00:25:31,990 --> 00:25:41,288
of a father who made an instrument to

576
00:25:37,079 --> 00:25:46,829
communicate with these other beings he

577
00:25:41,288 --> 00:25:50,950
made a sort of sculpture that showed

578
00:25:46,829 --> 00:25:54,240
basic two-dimensional shapes and he

579
00:25:50,950 --> 00:25:57,220
would activate this sculpture by

580
00:25:54,240 --> 00:25:59,440
striking it with a mallet let us say and

581
00:25:57,220 --> 00:26:01,929
it made a sound but it was more the

582
00:25:59,440 --> 00:26:04,870
vibration of the shapes and he believed

583
00:26:01,929 --> 00:26:08,559
that through this he was communicating

584
00:26:04,869 --> 00:26:14,079
with some others and certainly I owe

585
00:26:08,558 --> 00:26:16,089
part of my history and my story to

586
00:26:14,079 --> 00:26:20,069
having grown up in a household that

587
00:26:16,089 --> 00:26:24,339
never said there's no such thing as

588
00:26:20,069 --> 00:26:27,428
anything anything is paranormal yeah and

589
00:26:24,339 --> 00:26:29,888
that is so important because I've met

590
00:26:27,429 --> 00:26:32,798
many that have been more damaged by

591
00:26:29,888 --> 00:26:35,469
being in it in a family whether it was

592
00:26:32,798 --> 00:26:38,918
in a very very religious for example or

593
00:26:35,470 --> 00:26:41,139
very very scientific and they have not

594
00:26:38,919 --> 00:26:43,149
been allowed to own their experiences

595
00:26:41,138 --> 00:26:46,269
and I always remember one beautiful lady

596
00:26:43,148 --> 00:26:47,979
saying to me Mary even as a child you

597
00:26:46,269 --> 00:26:49,870
know I was having these experiences and

598
00:26:47,980 --> 00:26:52,179
I talked to my mom and told her and

599

00:26:49,869 --> 00:26:55,028
she'd said that's not real that's just

600
00:26:52,179 --> 00:26:58,149
your imagination and she said I lived in

601
00:26:55,028 --> 00:27:01,269
conflict with my realities for many many

602
00:26:58,148 --> 00:27:03,489
years not knowing what was real so you

603
00:27:01,269 --> 00:27:05,859
know that is you know that can be a huge

604
00:27:03,490 --> 00:27:07,450
trauma for those that are you know are

605
00:27:05,859 --> 00:27:10,240
having experiences and for whatever

606
00:27:07,450 --> 00:27:12,548
reason the parents either are not open

607
00:27:10,240 --> 00:27:15,190
or can't be open or maybe more even

608
00:27:12,548 --> 00:27:17,859
fearful on what you know the child is

609
00:27:15,190 --> 00:27:20,710
saying well this is what I say to people

610
00:27:17,859 --> 00:27:23,079
who ask me how do you be psychic how can

611
00:27:20,710 --> 00:27:24,970
you become psychic is it just some

612
00:27:23,079 --> 00:27:27,368
people who are psychic and not others

613
00:27:24,970 --> 00:27:30,399

and I say to them that the first thing

614

00:27:27,368 --> 00:27:33,220

that they have to do is allow that it

615

00:27:30,398 --> 00:27:35,768

may actually be real because if you've

616

00:27:33,220 --> 00:27:37,919

spent your whole life thinking that you

617

00:27:35,769 --> 00:27:40,980

you're not psychic and psychic

618

00:27:37,919 --> 00:27:43,269

functioning size function actually is

619

00:27:40,980 --> 00:27:45,990

impossible well then you're not going to

620

00:27:43,269 --> 00:27:49,179

experience it very often you have to

621

00:27:45,990 --> 00:27:50,278

accept it and encourage it what we have

622

00:27:49,179 --> 00:27:53,940

for you now

623

00:27:50,278 --> 00:27:57,989

Mary is a listener of ours a lovely lady

624

00:27:53,940 --> 00:28:01,830

who I happen to know who had an

625

00:27:57,989 --> 00:28:05,219

experience in Georgia and 2010 Georgia

626

00:28:01,829 --> 00:28:07,798

not Soviet former Soviet republic of

627

00:28:05,219 --> 00:28:12,028

Georgia but the state of Georgia in the

628
00:28:07,798 --> 00:28:16,319
United States and our trusty our trusty

629
00:28:12,028 --> 00:28:18,808
bill our bill here our audio engineer is

630
00:28:16,319 --> 00:28:21,479
going to cue it up and we're going to

631
00:28:18,808 --> 00:28:22,979
play it for you now okay and I think

632
00:28:21,479 --> 00:28:25,259
it's what about five million that's

633
00:28:22,979 --> 00:28:27,719
exactly five minutes or less and we'd

634
00:28:25,259 --> 00:28:31,288
love to hear your interpretation yes

635
00:28:27,719 --> 00:28:35,009
we'd like you to take on it hello hello

636
00:28:31,288 --> 00:28:37,979
Diane this is Farrugia calling from

637
00:28:35,009 --> 00:28:41,848
shattered reality podcast and now we

638
00:28:37,979 --> 00:28:47,399
have about five minutes to hear your

639
00:28:41,848 --> 00:28:54,388
story about how your your trip was

640
00:28:47,398 --> 00:28:59,308
waylaid so go right ahead ok I have been

641
00:28:54,388 --> 00:29:03,628
fine it was 2010 I was living on a farm

642
00:28:59,308 --> 00:29:06,450
outside of Athens Georgia and so a

643
00:29:03,628 --> 00:29:10,228
couple of days a week I would come into

644
00:29:06,450 --> 00:29:13,950
Athens to do air so this happened on one

645
00:29:10,229 --> 00:29:15,899
of my errands days i had finished about

646
00:29:13,950 --> 00:29:21,598
half the errands I had two more to go

647
00:29:15,898 --> 00:29:23,939
and i was on a four-lane highway heading

648
00:29:21,598 --> 00:29:28,259
back toward town it was an intersection

649
00:29:23,940 --> 00:29:31,379
ahead and the two errands were on either

650
00:29:28,259 --> 00:29:36,118
side of the highway if i were to go left

651
00:29:31,378 --> 00:29:38,788
I would go to my rental house and just

652
00:29:36,118 --> 00:29:40,499
check on it because I had some students

653
00:29:38,788 --> 00:29:43,710
in there that were a little less than

654
00:29:40,499 --> 00:29:46,079
what it's called hiding and if I were to

655
00:29:43,710 --> 00:29:50,759
go right I would go to the post office

656

00:29:46,079 --> 00:29:53,638
and pick up the mail okay it was kind of

657
00:29:50,759 --> 00:29:57,680
you know I was deciding what to do and I

658
00:29:53,638 --> 00:30:00,889
decided I think I should go left first

659
00:29:57,680 --> 00:30:03,620
so I got in middle turn lane the

660
00:30:00,890 --> 00:30:07,850
left-hand turn lane and there was a red

661
00:30:03,619 --> 00:30:11,479
light but stopped at the light now there

662
00:30:07,849 --> 00:30:13,279
was traffic stops to the right of me two

663
00:30:11,480 --> 00:30:17,180
lanes of traffic as it looks traffic

664
00:30:13,279 --> 00:30:19,339
behind me and it's kind of important to

665
00:30:17,180 --> 00:30:23,180
remember that I did not go to the post

666
00:30:19,339 --> 00:30:25,879
office that was not my choice okay you

667
00:30:23,180 --> 00:30:28,130
chose to go to the rental house going to

668
00:30:25,880 --> 00:30:29,810
the left would be to the rental house

669
00:30:28,130 --> 00:30:34,370
into the right would be to the post

670
00:30:29,809 --> 00:30:36,289

office exactly okay so i looked up into

671

00:30:34,369 --> 00:30:39,139

the light the light was red of course I

672

00:30:36,289 --> 00:30:44,000

looked down at the clock in my car said

673

00:30:39,140 --> 00:30:48,190

11 11 a.m. and the next thing I know I'm

674

00:30:44,000 --> 00:30:51,470

driving on a two-lane country road I

675

00:30:48,190 --> 00:30:53,539

look to the left there's some horses

676

00:30:51,470 --> 00:30:56,630

grazing or pasture and there's another

677

00:30:53,539 --> 00:31:01,940

pasture for right I have no idea where I

678

00:30:56,630 --> 00:31:04,640

am now at this particular time in 2010 I

679

00:31:01,940 --> 00:31:08,150

did not have a GPS I did not have a

680

00:31:04,640 --> 00:31:11,660

smart foot so I really had no way to

681

00:31:08,150 --> 00:31:15,140

locate myself except to turn the car

682

00:31:11,660 --> 00:31:18,620

around and go back and try to figure out

683

00:31:15,140 --> 00:31:22,700

where I had come from okay I was very

684

00:31:18,619 --> 00:31:25,459

calm very collected I pulled the car

685
00:31:22,700 --> 00:31:29,600
over i turned it around i went a few

686
00:31:25,460 --> 00:31:31,640
miles and there was the post office so i

687
00:31:29,599 --> 00:31:35,869
pulled off into the post office parking

688
00:31:31,640 --> 00:31:40,130
lot and immediately I lost it I started

689
00:31:35,869 --> 00:31:43,489
hyperventilating my heart was racing was

690
00:31:40,130 --> 00:31:45,560
like oh what just happened to me and all

691
00:31:43,490 --> 00:31:48,410
these thoughts were just running through

692
00:31:45,559 --> 00:31:50,450
my head like well did i black out did am

693
00:31:48,410 --> 00:31:53,690
i a multiple personality did somebody

694
00:31:50,450 --> 00:31:55,819
come in and take over my body how could

695
00:31:53,690 --> 00:31:58,820
this have happened and then I looked

696
00:31:55,819 --> 00:32:04,639
down at the clock and the clock said

697
00:31:58,819 --> 00:32:07,159
1104 and I said to myself it would have

698
00:32:04,640 --> 00:32:10,160
taken me about four minutes to turn the

699

00:32:07,160 --> 00:32:13,310

car around and to come back

700

00:32:10,160 --> 00:32:15,920

post office from where I found myself in

701

00:32:13,309 --> 00:32:21,440

the pasture area okay I could I could

702

00:32:15,920 --> 00:32:23,180

not have possibly turned left because if

703

00:32:21,440 --> 00:32:26,420

i turn the left i would have had to go

704

00:32:23,180 --> 00:32:28,670

quarter of a mile if it was a median in

705

00:32:26,420 --> 00:32:30,820

the road i was turning onto you i

706

00:32:28,670 --> 00:32:34,100

wouldn't have to go quarter of a mile I

707

00:32:30,819 --> 00:32:37,309

would have to make a u-turn go through

708

00:32:34,099 --> 00:32:39,469

five lane road and then drive another

709

00:32:37,309 --> 00:32:41,450

few miles to get to the country turn

710

00:32:39,470 --> 00:32:44,680

around again and then comes the post on

711

00:32:41,450 --> 00:32:48,529

their little bit minimum 10 15 minutes

712

00:32:44,680 --> 00:32:51,500

fine and how much time had elapsed four

713

00:32:48,529 --> 00:32:54,230
minutes okay and I'm thinking the four

714
00:32:51,500 --> 00:32:56,059
minutes when I thought about it it took

715
00:32:54,230 --> 00:32:58,940
me about four minutes to turn the car

716
00:32:56,059 --> 00:33:00,649
around and drive back to those off that

717
00:32:58,940 --> 00:33:05,150
was probably for the four minutes so

718
00:33:00,650 --> 00:33:07,310
when my mind kind of populated it there

719
00:33:05,150 --> 00:33:11,600
was no time lapse between sitting at the

720
00:33:07,309 --> 00:33:16,639
light and driving in the country Wow no

721
00:33:11,599 --> 00:33:20,629
time at all I went home I decided to get

722
00:33:16,640 --> 00:33:23,150
the air consent of and it called a

723
00:33:20,630 --> 00:33:27,230
friend of mine do I knew that had some

724
00:33:23,150 --> 00:33:30,110
strange experiences to just ask her what

725
00:33:27,230 --> 00:33:34,420
she got she said she didn't know what

726
00:33:30,109 --> 00:33:39,399
has happened to me but she had had two

727
00:33:34,420 --> 00:33:43,850

sightings at that same location of UFOs

728

00:33:39,400 --> 00:33:48,290

well yes well one was at night and she

729

00:33:43,849 --> 00:33:50,689

saw unusual white guy so she assumed it

730

00:33:48,289 --> 00:33:54,109

was something that she couldn't you know

731

00:33:50,690 --> 00:33:57,830

figure out so call me UFO that one she

732

00:33:54,109 --> 00:34:00,289

was alone the other sightings she was

733

00:33:57,829 --> 00:34:03,289

with a friend it was during the day and

734

00:34:00,289 --> 00:34:06,950

they saw a slot what she described it as

735

00:34:03,289 --> 00:34:10,000

a sausage-shaped craft moving slowly in

736

00:34:06,950 --> 00:34:16,099

the sky that just suddenly vanished oh

737

00:34:10,000 --> 00:34:18,800

wow wow here's my story well Diane I

738

00:34:16,099 --> 00:34:21,049

thank you very much on behalf of

739

00:34:18,800 --> 00:34:26,630

shattered reality

740

00:34:21,050 --> 00:34:29,960

and we're going to cut away now to put

741

00:34:26,630 --> 00:34:34,190

this segment into our longer broadcast

742
00:34:29,960 --> 00:34:37,190
with Mary rod well thank you very much

743
00:34:34,190 --> 00:34:39,170
thank you and I hope you can give me

744
00:34:37,190 --> 00:34:42,889
some clarity as to what happened to me

745
00:34:39,170 --> 00:34:46,849
we will try our best okay Diane thank

746
00:34:42,889 --> 00:34:49,339
you very much bye bye Mary you've heard

747
00:34:46,849 --> 00:34:52,309
this type of story many times I'm sure I

748
00:34:49,340 --> 00:34:54,980
have yes I happened yeah I'm sure what

749
00:34:52,309 --> 00:34:57,199
happened was the woman then with missing

750
00:34:54,980 --> 00:34:59,719
time I imagined no no missing time

751
00:34:57,199 --> 00:35:03,589
that's the interesting part about it she

752
00:34:59,719 --> 00:35:05,899
made a left turn when she really went

753
00:35:03,590 --> 00:35:09,230
after she made the left turn she found

754
00:35:05,900 --> 00:35:12,530
herself as though she had gone down the

755
00:35:09,230 --> 00:35:16,730
right road to the right but several

756
00:35:12,530 --> 00:35:19,490
miles beyond the post office now it was

757
00:35:16,730 --> 00:35:23,150
as she could as close as she could

758
00:35:19,489 --> 00:35:26,929
estimate it she and the car were

759
00:35:23,150 --> 00:35:28,610
teleported there instantaneously because

760
00:35:26,929 --> 00:35:30,739
by the time she got the car turned

761
00:35:28,610 --> 00:35:34,519
around and then she reached the post

762
00:35:30,739 --> 00:35:39,019
office she realized that only four

763
00:35:34,519 --> 00:35:42,019
minutes had gone by so had she made a

764
00:35:39,019 --> 00:35:46,250
u-turn had she gone down the road and

765
00:35:42,019 --> 00:35:49,489
made a u-turn and then taking the next

766
00:35:46,250 --> 00:35:52,760
jug handle up to go to the post office

767
00:35:49,489 --> 00:35:54,529
instead and gone down the road past the

768
00:35:52,760 --> 00:35:56,510
post office turned around and then came

769
00:35:54,530 --> 00:35:59,600
back to the post office that should have

770

00:35:56,510 --> 00:36:02,810
taken at least 20 to 25 minutes to do

771
00:35:59,599 --> 00:36:04,759
all of that instead she drove to the

772
00:36:02,809 --> 00:36:08,840
post office from beyond the post office

773
00:36:04,760 --> 00:36:11,120
and was therefore minutes after she made

774
00:36:08,840 --> 00:36:15,769
the wrong way turn which is physically

775
00:36:11,119 --> 00:36:18,199
impossible yeah and furthermore she some

776
00:36:15,769 --> 00:36:21,858
friend of hers had seen some

777
00:36:18,199 --> 00:36:24,328
unidentified craft in the neighborhood

778
00:36:21,858 --> 00:36:27,778
cannot can I ask cuz she had any

779
00:36:24,329 --> 00:36:30,359
regression and over that incident not to

780
00:36:27,778 --> 00:36:33,259
my knowledge but she did have an

781
00:36:30,358 --> 00:36:39,389
out-of-body experience where she was

782
00:36:33,259 --> 00:36:42,199
taken up to a craft but not a I don't

783
00:36:39,389 --> 00:36:45,449
know that she's had a regression at all

784
00:36:42,199 --> 00:36:47,308

because that would that would be a way

785

00:36:45,449 --> 00:36:49,468

of understanding because what we're

786

00:36:47,309 --> 00:36:51,569

talking about here is it sounds like

787

00:36:49,469 --> 00:36:53,729

they needed to pick her up and that was

788

00:36:51,568 --> 00:36:55,858

why she felt herself going one way

789

00:36:53,728 --> 00:36:58,679

rather than another and they can

790

00:36:55,858 --> 00:37:00,778

manipulate time anyway so you know that

791

00:36:58,679 --> 00:37:02,879

you know on the craft you could be on

792

00:37:00,778 --> 00:37:05,369

the craft an hour and but it would

793

00:37:02,880 --> 00:37:08,539

appear like you've only been gone a few

794

00:37:05,369 --> 00:37:12,809

minutes and they can actually manipulate

795

00:37:08,539 --> 00:37:14,849

time in that way so that it would be the

796

00:37:12,809 --> 00:37:17,009

regression that would be able to explain

797

00:37:14,849 --> 00:37:19,979

exactly what occurred and the

798

00:37:17,009 --> 00:37:21,869

teleporting as well sometimes I think

799

00:37:19,978 --> 00:37:24,118
that they do that deliberately just to

800

00:37:21,869 --> 00:37:26,160
highlight to you that you have been

801

00:37:24,119 --> 00:37:29,190
picked up at you can't explain it away

802

00:37:26,159 --> 00:37:31,618
and it's like wake up guys you know if

803

00:37:29,190 --> 00:37:35,249
we are we are visiting you you know

804

00:37:31,619 --> 00:37:37,890
because I found experiences on a lot of

805

00:37:35,248 --> 00:37:40,558
experiences much to the misconception of

806

00:37:37,889 --> 00:37:42,808
the public are usually more skeptical

807

00:37:40,559 --> 00:37:47,130
than the most skeptical because they're

808

00:37:42,809 --> 00:37:50,339
so keen to be seen for themselves to not

809

00:37:47,130 --> 00:37:52,559
mislead themselves or to appear like

810

00:37:50,338 --> 00:37:54,900
they're too gullible so if anything they

811

00:37:52,559 --> 00:37:57,660
can even be more difficult to convince

812

00:37:54,900 --> 00:38:00,239
it this is really open I don't know if

813
00:37:57,659 --> 00:38:02,518
you you feel that way to that you know

814
00:38:00,239 --> 00:38:05,130
sometimes you just want to look like

815
00:38:02,518 --> 00:38:07,679
you're being really really careful not

816
00:38:05,130 --> 00:38:14,009
to get carried away well one does look

817
00:38:07,679 --> 00:38:16,498
for a practical or ordinary explanation

818
00:38:14,009 --> 00:38:20,039
explanation of these things one does

819
00:38:16,498 --> 00:38:22,798
look well if I saw this you know pie

820
00:38:20,039 --> 00:38:24,569
shaped object in the sky with purple

821
00:38:22,798 --> 00:38:28,710
lights or something could it be

822
00:38:24,568 --> 00:38:31,409
something else or was I you know high at

823
00:38:28,710 --> 00:38:33,599
the time or whatever like that okay for

824
00:38:31,409 --> 00:38:36,719
those of you are just a tune into

825
00:38:33,599 --> 00:38:39,179
this blog cast uh we are speaking to

826
00:38:36,719 --> 00:38:41,219
marry Rodwell who is just an

827

00:38:39,179 --> 00:38:44,509
extraordinarily accomplished woman

828
00:38:41,219 --> 00:38:47,579
author producer of documentaries and

829
00:38:44,510 --> 00:38:49,380
Mary I'm going to let you tell the

830
00:38:47,579 --> 00:38:52,409
audience about the various books that

831
00:38:49,380 --> 00:38:56,670
you have written and the documentaries

832
00:38:52,409 --> 00:38:59,309
that you've made okay thank you well

833
00:38:56,670 --> 00:39:02,250
awakening was written primarily because

834
00:38:59,309 --> 00:39:04,170
I was very aware that there were not

835
00:39:02,250 --> 00:39:05,909
just thousands i believe millions of

836
00:39:04,170 --> 00:39:08,430
people around the globe having

837
00:39:05,909 --> 00:39:11,129
experiences often very frightened

838
00:39:08,429 --> 00:39:12,989
feeling very isolated often very wary of

839
00:39:11,130 --> 00:39:16,140
even telling their family in case their

840
00:39:12,989 --> 00:39:18,659
family you know misinterprets you know

841
00:39:16,139 --> 00:39:21,269

what's going on for them and some do so

842

00:39:18,659 --> 00:39:24,569

its hood you go to and if you go and see

843

00:39:21,269 --> 00:39:25,980

someone within you know psychology or

844

00:39:24,570 --> 00:39:27,150

whatever are they going to believe you

845

00:39:25,980 --> 00:39:30,539

or are they going to think you're crazy

846

00:39:27,150 --> 00:39:33,210

all these kinds of concerns so what I

847

00:39:30,539 --> 00:39:35,880

put I wanted to do was all the questions

848

00:39:33,210 --> 00:39:38,369

that i ever got asked was like am i

849

00:39:35,880 --> 00:39:40,289

crazy how do i know i'm not crazy how do

850

00:39:38,369 --> 00:39:42,119

i know if this is real what do i do

851

00:39:40,289 --> 00:39:44,400

about the fear what if my kids are

852

00:39:42,119 --> 00:39:47,369

having experiences missing pregnancies

853

00:39:44,400 --> 00:39:49,980

or you know how do i understand this so

854

00:39:47,369 --> 00:39:52,679

i wrote a book as a written as answering

855

00:39:49,980 --> 00:39:54,750

those questions as a resource for those

856
00:39:52,679 --> 00:39:57,210
that had encountered so that they could

857
00:39:54,750 --> 00:40:00,329
actually go through a process themselves

858
00:39:57,210 --> 00:40:03,240
of working out as much as possible with

859
00:40:00,329 --> 00:40:06,150
resources as well but also including

860
00:40:03,239 --> 00:40:08,219
some of the things that are not always

861
00:40:06,150 --> 00:40:10,740
acknowledged with in ufology the

862
00:40:08,219 --> 00:40:13,859
outcomes or the transformative outcomes

863
00:40:10,739 --> 00:40:17,069
of having this experience which does and

864
00:40:13,860 --> 00:40:18,780
will ultimately change it because it

865
00:40:17,070 --> 00:40:20,850
can't help but change you when you have

866
00:40:18,780 --> 00:40:22,820
these kinds of experiences because

867
00:40:20,849 --> 00:40:27,210
there's an awareness a growing awareness

868
00:40:22,820 --> 00:40:28,590
within yourself of the you know that

869
00:40:27,210 --> 00:40:32,429
there is a multi-dimensional reality

870
00:40:28,590 --> 00:40:34,650
that you are communicating on some level

871
00:40:32,429 --> 00:40:36,869
with different intelligences perhaps

872
00:40:34,650 --> 00:40:38,789
having downloads of information for

873
00:40:36,869 --> 00:40:40,559
example you know you know things and you

874
00:40:38,789 --> 00:40:41,130
don't know how you know them for example

875
00:40:40,559 --> 00:40:44,369
right

876
00:40:41,130 --> 00:40:46,140
you know that's a big one it may be that

877
00:40:44,369 --> 00:40:48,568
you notice your psychic abilities are

878
00:40:46,139 --> 00:40:50,730
enhanced that you start to see energy

879
00:40:48,568 --> 00:40:52,440
fields around people for all getting

880
00:40:50,730 --> 00:40:54,539
very interested in energy work or

881
00:40:52,440 --> 00:40:57,809
healing you may find yourself riding

882
00:40:54,539 --> 00:40:59,250
strange scripts or cup of articulating

883
00:40:57,809 --> 00:41:00,690
an unusual language that you don't

884

00:40:59,250 --> 00:41:02,759
really understand but feels very

885
00:41:00,690 --> 00:41:06,539
familiar to you and very comforting to

886
00:41:02,759 --> 00:41:09,509
you may be doing the unusual artwork or

887
00:41:06,539 --> 00:41:11,730
complex artwork or or geometry or

888
00:41:09,509 --> 00:41:14,460
whatever and in a sense that you're

889
00:41:11,730 --> 00:41:16,409
connected to other intelligences that

890
00:41:14,460 --> 00:41:18,809
are other than humans and you may always

891
00:41:16,409 --> 00:41:21,000
feel you've never really belonged you've

892
00:41:18,809 --> 00:41:22,859
always felt different like you've almost

893
00:41:21,000 --> 00:41:25,768
been adopted by your family because you

894
00:41:22,858 --> 00:41:28,409
may feel very different to them and the

895
00:41:25,768 --> 00:41:30,088
sense of a mission I've got something to

896
00:41:28,409 --> 00:41:32,909
do and I really don't know what it is

897
00:41:30,088 --> 00:41:34,409
but you know all these kinds of feelings

898
00:41:32,909 --> 00:41:37,078

and you don't know what to do with them

899

00:41:34,409 --> 00:41:39,239

this is all part of the shift and and

900

00:41:37,079 --> 00:41:42,000

when I say it changes your life it is

901

00:41:39,239 --> 00:41:44,129

transformative because often many lose

902

00:41:42,000 --> 00:41:46,518

interest in things that they used to be

903

00:41:44,130 --> 00:41:49,349

interested in such as you know

904

00:41:46,518 --> 00:41:51,419

materialism they may change their diet

905

00:41:49,349 --> 00:41:53,789

they may want to have more holistic

906

00:41:51,420 --> 00:41:56,880

lifestyles and live more simply for

907

00:41:53,789 --> 00:41:59,250

example this seems to be very common to

908

00:41:56,880 --> 00:42:02,460

having some form of experience whether

909

00:41:59,250 --> 00:42:04,710

it's abduch abduction contact expect you

910

00:42:02,460 --> 00:42:07,679

know having these kinds of encounter

911

00:42:04,710 --> 00:42:11,159

experiences shift the whole reality

912

00:42:07,679 --> 00:42:13,409

spectrum so it is life changing and it's

913
00:42:11,159 --> 00:42:15,480
one you can go into denial over and try

914
00:42:13,409 --> 00:42:18,328
and suppress and you may be able to do

915
00:42:15,480 --> 00:42:20,099
it for a while but ultimately it gets

916
00:42:18,329 --> 00:42:21,990
harder and harder to do that so you

917
00:42:20,099 --> 00:42:24,210
either decide to own your reality and

918
00:42:21,989 --> 00:42:27,538
realize that you can manage folks as

919
00:42:24,210 --> 00:42:29,940
long as you begin to understand it so my

920
00:42:27,539 --> 00:42:31,650
book is about helping you through that

921
00:42:29,940 --> 00:42:34,559
process and you've got no one there to

922
00:42:31,650 --> 00:42:37,048
help you it talks about all of this and

923
00:42:34,559 --> 00:42:39,000
it talks about the Caitlyn for cases of

924
00:42:37,048 --> 00:42:41,099
people that have had the experiences how

925
00:42:39,000 --> 00:42:42,690
did they deal with their fear how did

926
00:42:41,099 --> 00:42:45,450
they deal when they were aware of this

927
00:42:42,690 --> 00:42:47,068
how did they come to terms with you know

928
00:42:45,449 --> 00:42:49,379
that the fact that they may be having it

929
00:42:47,068 --> 00:42:51,630
and other don't understand so who do

930
00:42:49,380 --> 00:42:53,200
they talk to who do they resource so

931
00:42:51,630 --> 00:42:56,079
it's that kind of pros

932
00:42:53,199 --> 00:42:59,289
and the second book that I'm writing is

933
00:42:56,079 --> 00:43:01,599
really more about what I think is the

934
00:42:59,289 --> 00:43:04,358
big agenda and there's many agendas and

935
00:43:01,599 --> 00:43:07,030
many programs for sure but one of them

936
00:43:04,358 --> 00:43:09,750
seems to be what I call an upgrading of

937
00:43:07,030 --> 00:43:13,150
humanity in terms of their awareness and

938
00:43:09,750 --> 00:43:14,949
unconsciousness itself and an awakening

939
00:43:13,150 --> 00:43:16,510
is the book the name of my first book

940
00:43:14,949 --> 00:43:19,659
because that's what it is it's almost

941

00:43:16,510 --> 00:43:22,540
like you've been asleep and as you have

942
00:43:19,659 --> 00:43:25,920
these experiences it way it wakens it it

943
00:43:22,539 --> 00:43:29,529
awakens you to a whole new broader

944
00:43:25,920 --> 00:43:31,450
multi-dimensional experience and so it's

945
00:43:29,530 --> 00:43:33,670
like you suddenly realize that reality

946
00:43:31,449 --> 00:43:36,909
isn't what you believed it to be that

947
00:43:33,670 --> 00:43:39,490
reality has many layers to it if you

948
00:43:36,909 --> 00:43:40,929
like and it can be confronting and it

949
00:43:39,489 --> 00:43:43,419
can be scary and if other people don't

950
00:43:40,929 --> 00:43:45,519
want to hear it it's very hard because

951
00:43:43,420 --> 00:43:47,829
you get isolated so it's all those

952
00:43:45,519 --> 00:43:50,800
things that with the children they have

953
00:43:47,829 --> 00:43:52,539
conscious recall they will talk about

954
00:43:50,800 --> 00:43:54,760
the beings that come and visit them they

955
00:43:52,539 --> 00:43:58,029

will actually talk about them as friends

956

00:43:54,760 --> 00:44:00,190

or you know that you're all their angels

957

00:43:58,030 --> 00:44:01,690

all their guides for example they are

958

00:44:00,190 --> 00:44:03,700

often talk about their past life

959

00:44:01,690 --> 00:44:07,389

memories of being on other planets they

960

00:44:03,699 --> 00:44:09,039

have conscious recall and why it's not

961

00:44:07,389 --> 00:44:11,108

all about the children but it's

962

00:44:09,039 --> 00:44:14,318

certainly about a lot about what the

963

00:44:11,108 --> 00:44:16,869

children say because one of the reasons

964

00:44:14,318 --> 00:44:19,150

I give it a lot of credentials is

965

00:44:16,869 --> 00:44:22,210

because the children don't read books on

966

00:44:19,150 --> 00:44:24,519

this they don't watch talk shows their

967

00:44:22,210 --> 00:44:27,970

information has a purity and clarity

968

00:44:24,519 --> 00:44:30,880

that as we get older we get programs out

969

00:44:27,969 --> 00:44:34,779

of our experiences like that as a

970
00:44:30,880 --> 00:44:37,240
nine-year-old told me Mary when you go

971
00:44:34,780 --> 00:44:40,420
to school they program you out of your

972
00:44:37,239 --> 00:44:43,029
life is the way that she explained of

973
00:44:40,420 --> 00:44:45,608
what happens when we all know that we're

974
00:44:43,030 --> 00:44:48,369
conditioned into a 3d world we are

975
00:44:45,608 --> 00:44:50,019
conditioned out of that because it's not

976
00:44:48,369 --> 00:44:52,559
okay unless you're an indigenous person

977
00:44:50,019 --> 00:44:55,259
where it's still acknowledged as being

978
00:44:52,559 --> 00:44:57,909
okay it's not okay in the Western

979
00:44:55,260 --> 00:45:00,369
technological scientific world but these

980
00:44:57,909 --> 00:45:03,359
children will talk about why they come

981
00:45:00,369 --> 00:45:05,430
what their mission is and it

982
00:45:03,360 --> 00:45:07,559
profound some of the things they talked

983
00:45:05,429 --> 00:45:09,269
about going up on spacecraft what they

984
00:45:07,559 --> 00:45:11,639
learn on spacecrafts i'll talk about

985
00:45:09,269 --> 00:45:13,889
using brain waves as an eight-year-old

986
00:45:11,639 --> 00:45:16,109
told me with other children like himself

987
00:45:13,889 --> 00:45:18,299
some of his school friends plus other

988
00:45:16,110 --> 00:45:20,340
children he said that were not human and

989
00:45:18,300 --> 00:45:21,960
he with i said how do you know that and

990
00:45:20,340 --> 00:45:24,360
he would say because their eyes are

991
00:45:21,960 --> 00:45:26,400
different and we all used our minds and

992
00:45:24,360 --> 00:45:28,800
we would learn things about the origin

993
00:45:26,400 --> 00:45:31,740
of the species and and very complex

994
00:45:28,800 --> 00:45:34,530
things and i was filming him saying this

995
00:45:31,739 --> 00:45:37,289
and I said um complex can you tell me

996
00:45:34,530 --> 00:45:41,310
some of the things you learn and he said

997
00:45:37,289 --> 00:45:45,539
to me very carefully I'm sorry but it's

998

00:45:41,309 --> 00:45:47,309
too complex for you to understand so

999
00:45:45,539 --> 00:45:51,480
that put me in my Flex well and truly

1000
00:45:47,309 --> 00:45:54,980
yeah I have a further a couple of

1001
00:45:51,480 --> 00:45:59,340
further questions for you one regarding

1002
00:45:54,980 --> 00:46:03,840
the fear not of being exposed as an

1003
00:45:59,340 --> 00:46:07,079
experiencer but what I experienced at

1004
00:46:03,840 --> 00:46:11,900
some point the raw Tara of losing

1005
00:46:07,079 --> 00:46:15,029
control in an experience or setting and

1006
00:46:11,900 --> 00:46:18,690
what do you do you speak to that in your

1007
00:46:15,030 --> 00:46:21,150
book The Awakening absolutely I mean

1008
00:46:18,690 --> 00:46:24,119
certainly in awakening it or what do you

1009
00:46:21,150 --> 00:46:25,800
do about the vir and also to understand

1010
00:46:24,119 --> 00:46:29,130
that often the fear is based on the

1011
00:46:25,800 --> 00:46:31,410
unknown not for known because when you

1012
00:46:29,130 --> 00:46:34,500

have a visitor coming in or visitors

1013

00:46:31,409 --> 00:46:37,109

coming into your room at night that in

1014

00:46:34,500 --> 00:46:38,820

itself is pretty terrifying and it's

1015

00:46:37,110 --> 00:46:41,670

understandable that anyone will go into

1016

00:46:38,820 --> 00:46:43,320

raw terror at that point but often it is

1017

00:46:41,670 --> 00:46:47,159

because they don't know what's going to

1018

00:46:43,320 --> 00:46:49,050

happen they don't know you know whether

1019

00:46:47,159 --> 00:46:51,299

you know what what they're actually

1020

00:46:49,050 --> 00:46:54,660

going to do the whole thing around the

1021

00:46:51,300 --> 00:46:57,060

unknown is part of that so when I work

1022

00:46:54,659 --> 00:46:59,399

with someone who has that kind of terror

1023

00:46:57,059 --> 00:47:01,079

and it may be from even when there were

1024

00:46:59,400 --> 00:47:03,180

small child rather than adult

1025

00:47:01,079 --> 00:47:04,799

interactions by the way it may be as a

1026

00:47:03,179 --> 00:47:07,440

child that they haven't understood

1027
00:47:04,800 --> 00:47:09,570
what's going on and and understandably

1028
00:47:07,440 --> 00:47:11,070
you know if something's coming in your

1029
00:47:09,570 --> 00:47:12,690
room and it's taking you somewhere and

1030
00:47:11,070 --> 00:47:15,450
you don't understand that

1031
00:47:12,690 --> 00:47:18,030
one of the ways to one of the things

1032
00:47:15,449 --> 00:47:20,578
that the the chapter on fear is about is

1033
00:47:18,030 --> 00:47:22,769
what did other people do when they were

1034
00:47:20,579 --> 00:47:25,230
faced with that how did they deal with

1035
00:47:22,769 --> 00:47:26,338
it how did they manage it especially you

1036
00:47:25,230 --> 00:47:28,349
know when they you know if they've got

1037
00:47:26,338 --> 00:47:30,750
children that are going into the fear so

1038
00:47:28,349 --> 00:47:34,380
all the strategies that they would use

1039
00:47:30,750 --> 00:47:36,539
but primarily with adults if you can it

1040
00:47:34,380 --> 00:47:39,750
fear is the big one for them in in

1041
00:47:36,539 --> 00:47:42,929
hypnosis it's a really good way of

1042
00:47:39,750 --> 00:47:44,849
finding out exactly okay so something

1043
00:47:42,929 --> 00:47:46,919
terrifying you feel something terrifying

1044
00:47:44,849 --> 00:47:49,890
may have happened but you don't know

1045
00:47:46,920 --> 00:47:52,318
let's go there let's find out what it is

1046
00:47:49,889 --> 00:47:54,779
that scared you and it's often the

1047
00:47:52,318 --> 00:47:56,420
opposite to what they think they will

1048
00:47:54,780 --> 00:47:58,619
find themselves maybe having a procedure

1049
00:47:56,420 --> 00:48:00,119
but then they would find out what that

1050
00:47:58,619 --> 00:48:02,099
procedure was for and it may be a

1051
00:48:00,119 --> 00:48:04,410
healing crizzly see you know procedure

1052
00:48:02,099 --> 00:48:06,510
it may be collecting genetic material

1053
00:48:04,409 --> 00:48:07,889
and you would say to them so what what

1054
00:48:06,510 --> 00:48:11,609
is that about and the understanding

1055

00:48:07,889 --> 00:48:14,129
behind including one of the questions I

1056
00:48:11,608 --> 00:48:16,858
also ask is the risk is there any

1057
00:48:14,130 --> 00:48:18,900
consent there on any level and some of

1058
00:48:16,858 --> 00:48:21,000
them will say yes before I came here um

1059
00:48:18,900 --> 00:48:23,880
does that make me feel any better not

1060
00:48:21,000 --> 00:48:26,550
necessarily sometimes yes okay I get it

1061
00:48:23,880 --> 00:48:29,338
now I get because I was one of them they

1062
00:48:26,550 --> 00:48:32,250
say to me you know and I've undertaken

1063
00:48:29,338 --> 00:48:34,769
to come on a mission to be in human form

1064
00:48:32,250 --> 00:48:37,619
because I'm assisting with the with this

1065
00:48:34,769 --> 00:48:39,809
program and it completely changes the

1066
00:48:37,619 --> 00:48:41,700
way that they will understand that

1067
00:48:39,809 --> 00:48:43,828
experience a hundred eighty degree turn

1068
00:48:41,699 --> 00:48:46,108
because they've understood it it's like

1069
00:48:43,829 --> 00:48:47,849

if you show somebody having a pen

1070

00:48:46,108 --> 00:48:49,559

deceptively and they don't know what the

1071

00:48:47,849 --> 00:48:51,568

appendectomy is there going to be

1072

00:48:49,559 --> 00:48:53,369

traumatized but if you say look if you

1073

00:48:51,568 --> 00:48:55,739

don't have that procedure you're going

1074

00:48:53,369 --> 00:48:57,960

to die because that is going to cause

1075

00:48:55,739 --> 00:49:00,868

your death how do you feel about that oh

1076

00:48:57,960 --> 00:49:03,780

well okay fair enough I get it I get it

1077

00:49:00,869 --> 00:49:06,568

you know so often that that's what needs

1078

00:49:03,780 --> 00:49:08,700

to happen and for some once they know

1079

00:49:06,568 --> 00:49:10,858

that and I talked about this in the book

1080

00:49:08,699 --> 00:49:12,509

that you know somebody having a

1081

00:49:10,858 --> 00:49:13,980

terrifying experience in one of them was

1082

00:49:12,510 --> 00:49:16,710

about a missing pregnancy with the lady

1083

00:49:13,980 --> 00:49:20,849

and she realized that the reason that

1084
00:49:16,710 --> 00:49:23,909
this child was taken was a deal she done

1085
00:49:20,849 --> 00:49:27,210
with these beings and it

1086
00:49:23,909 --> 00:49:29,670
he changed her anger and her trauma from

1087
00:49:27,210 --> 00:49:34,858
understanding to you know from this

1088
00:49:29,670 --> 00:49:38,190
total anger and frustration and you know

1089
00:49:34,858 --> 00:49:41,880
denial of everything in one session she

1090
00:49:38,190 --> 00:49:43,380
had a complete refrain so you know it

1091
00:49:41,880 --> 00:49:46,619
really is often because we don't

1092
00:49:43,380 --> 00:49:48,900
understand and we go into fear and part

1093
00:49:46,619 --> 00:49:51,390
of my work has been helping people to

1094
00:49:48,900 --> 00:49:54,329
come to a place of understanding however

1095
00:49:51,389 --> 00:49:56,190
that understanding you know needs to

1096
00:49:54,329 --> 00:49:58,589
happen for them and however ultimately

1097
00:49:56,190 --> 00:50:01,679
they choose to interpret that

1098
00:49:58,588 --> 00:50:05,369
understanding well that's that's a

1099
00:50:01,679 --> 00:50:07,288
wonderful explanation and and just to

1100
00:50:05,369 --> 00:50:10,048
add something from my point of view

1101
00:50:07,289 --> 00:50:12,869
having been multiple experiercer and

1102
00:50:10,048 --> 00:50:17,309
having been terrified out of my wits at

1103
00:50:12,869 --> 00:50:21,088
times I can say at this date in my life

1104
00:50:17,309 --> 00:50:24,030
that it has Jane changed my life and not

1105
00:50:21,088 --> 00:50:26,909
for the worse for the better on some

1106
00:50:24,030 --> 00:50:31,650
level though the experiences were very

1107
00:50:26,909 --> 00:50:34,528
terrifying to me and I actually talked

1108
00:50:31,650 --> 00:50:36,210
about it as a modern-day you're you know

1109
00:50:34,528 --> 00:50:38,880
the UF Oaks was a modern-day shamanic

1110
00:50:36,210 --> 00:50:41,639
experience because the shaman in in

1111
00:50:38,880 --> 00:50:44,130
previous times had to transcend their

1112

00:50:41,639 --> 00:50:46,528
fears to be able to operate as a shaman

1113
00:50:44,130 --> 00:50:48,809
in a multi-dimensional reality so that

1114
00:50:46,528 --> 00:50:51,150
they literally have to face all their

1115
00:50:48,809 --> 00:50:53,940
human fears you know to get into that

1116
00:50:51,150 --> 00:50:55,829
other awareness and I said and I feel in

1117
00:50:53,940 --> 00:50:59,818
a way it's almost like that's what it is

1118
00:50:55,829 --> 00:51:03,059
for those that have you know a fear to

1119
00:50:59,818 --> 00:51:04,798
transcend today then they can operate in

1120
00:51:03,059 --> 00:51:08,039
a multi-dimensional reality because

1121
00:51:04,798 --> 00:51:09,750
they've got past those human fears that

1122
00:51:08,039 --> 00:51:12,089
we all have and often we're generating

1123
00:51:09,750 --> 00:51:13,889
them because it's it's because of an

1124
00:51:12,088 --> 00:51:15,509
unknown and to give you an example of

1125
00:51:13,889 --> 00:51:18,088
the gentleman who was terrified of the

1126
00:51:15,510 --> 00:51:21,059

eyes he said Mary every time I see those

1127

00:51:18,088 --> 00:51:24,028

big eyes I go into absolute you know

1128

00:51:21,059 --> 00:51:26,069

paralyzed with fear he was fine with all

1129

00:51:24,028 --> 00:51:28,500

his other experiences but the eyes got

1130

00:51:26,068 --> 00:51:30,389

to him and I remember saying well do you

1131

00:51:28,500 --> 00:51:31,650

want to find out what happened because I

1132

00:51:30,389 --> 00:51:33,239

said what do you think happens when you

1133

00:51:31,650 --> 00:51:33,710

see the eyes oh I think they're going to

1134

00:51:33,239 --> 00:51:36,139

take me

1135

00:51:33,710 --> 00:51:38,480

so I said what do you want to find out

1136

00:51:36,139 --> 00:51:40,429

what happened and he was brave enough

1137

00:51:38,480 --> 00:51:42,980

and courageous enough for me to

1138

00:51:40,429 --> 00:51:44,719

facilitate that and so we got him

1139

00:51:42,980 --> 00:51:46,760

gradually bringing your eyes towards

1140

00:51:44,719 --> 00:51:48,348

himself and it was you could see his

1141
00:51:46,760 --> 00:51:50,720
body language getting more and more

1142
00:51:48,349 --> 00:51:52,430
terrified as these eyes were getting

1143
00:51:50,719 --> 00:51:54,469
closer and closer I said look you all

1144
00:51:52,429 --> 00:51:56,899
right the eyes are coming closer be is

1145
00:51:54,469 --> 00:51:59,569
still okay you know and the color bit

1146
00:51:56,900 --> 00:52:02,660
close is still ok then all of a sudden

1147
00:51:59,570 --> 00:52:04,280
his whole body relaxed and I said well

1148
00:52:02,659 --> 00:52:08,598
what happened then you know did the I

1149
00:52:04,280 --> 00:52:11,810
take you over ah he said no he said as

1150
00:52:08,599 --> 00:52:13,820
it got closer it was actually giving me

1151
00:52:11,809 --> 00:52:17,029
information so he was gaining

1152
00:52:13,820 --> 00:52:19,369
information from that procedure of the

1153
00:52:17,030 --> 00:52:21,619
as the I came closer it was it was

1154
00:52:19,369 --> 00:52:24,108
downloading into make information into

1155
00:52:21,619 --> 00:52:26,450
him it wasn't doing anything else other

1156
00:52:24,108 --> 00:52:28,789
than that and once you realize that all

1157
00:52:26,449 --> 00:52:32,179
the fear went it was because he didn't

1158
00:52:28,789 --> 00:52:34,519
understand indeed indeed well I was

1159
00:52:32,179 --> 00:52:37,309
going to say that that working with the

1160
00:52:34,519 --> 00:52:40,250
fear is very important and you had

1161
00:52:37,309 --> 00:52:45,079
mentioned that you do experience or

1162
00:52:40,250 --> 00:52:48,650
workshops do you have them across across

1163
00:52:45,079 --> 00:52:50,809
the world or mostly in probably in

1164
00:52:48,650 --> 00:52:53,358
Australia but do you have any plans to

1165
00:52:50,809 --> 00:52:55,759
visit the United States or Canada with

1166
00:52:53,358 --> 00:52:58,848
these experience or workshops in twenty

1167
00:52:55,760 --> 00:53:01,460
sixteen or twenty seventeen it's quite

1168
00:52:58,849 --> 00:53:06,050
possible in 2017 there is a possibility

1169

00:53:01,460 --> 00:53:09,108
at the end of the year in the US but as

1170
00:53:06,050 --> 00:53:11,920
yet it hasn't been finalized yes I

1171
00:53:09,108 --> 00:53:15,049
actually love doing workshops because

1172
00:53:11,920 --> 00:53:17,900
through those it's amazing the amount of

1173
00:53:15,050 --> 00:53:19,849
growth understanding connection that can

1174
00:53:17,900 --> 00:53:24,079
happen through workshops itself I mean I

1175
00:53:19,849 --> 00:53:26,180
enjoy the presentations but my main role

1176
00:53:24,079 --> 00:53:29,000
I feel as a therapist and as a

1177
00:53:26,179 --> 00:53:31,909
facilitator is to help people along on

1178
00:53:29,000 --> 00:53:34,338
their journey I'm with understanding and

1179
00:53:31,909 --> 00:53:36,858
that is that gives me the greatest joy

1180
00:53:34,338 --> 00:53:38,029
and it's amazing from even one workshop

1181
00:53:36,858 --> 00:53:41,000
I'm doing one in a couple of weeks

1182
00:53:38,030 --> 00:53:41,829
timing on the sunshine coast here and

1183
00:53:41,000 --> 00:53:44,079

what is

1184

00:53:41,829 --> 00:53:46,269

brilliant is that it's people connecting

1185

00:53:44,079 --> 00:53:47,979

with one another opening up maybe for

1186

00:53:46,268 --> 00:53:50,288

the first time in their lives and

1187

00:53:47,978 --> 00:53:53,558

finding others that understand and

1188

00:53:50,289 --> 00:53:56,349

hearing the same thing is so validating

1189

00:53:53,559 --> 00:53:59,319

and so empowering and so for me it's

1190

00:53:56,349 --> 00:54:02,829

always the most brilliant thing to be

1191

00:53:59,318 --> 00:54:05,588

able to do so for me that's my priority

1192

00:54:02,829 --> 00:54:07,989

and any chance I've got to do workshops

1193

00:54:05,588 --> 00:54:10,389

I will do do them I've done and some

1194

00:54:07,989 --> 00:54:12,219

things over skype as well but I am

1195

00:54:10,389 --> 00:54:16,208

actually going to Brazil this year and

1196

00:54:12,219 --> 00:54:18,639

to the fourth UFO contactee forum in

1197

00:54:16,208 --> 00:54:21,608

Brazil which is wonderful talking about

1198
00:54:18,639 --> 00:54:25,389
star kids because they're everywhere but

1199
00:54:21,608 --> 00:54:28,298
for me primarily it is about information

1200
00:54:25,389 --> 00:54:31,568
and it's about connecting people and

1201
00:54:28,298 --> 00:54:34,748
helping people to work through and

1202
00:54:31,568 --> 00:54:36,788
understand you know how I what this sort

1203
00:54:34,748 --> 00:54:39,488
is all about so that they can come to a

1204
00:54:36,789 --> 00:54:41,499
peace and an integration and they can

1205
00:54:39,489 --> 00:54:43,719
grow with it then when you're not afraid

1206
00:54:41,498 --> 00:54:46,088
of it anymore you can embrace it and you

1207
00:54:43,719 --> 00:54:49,139
can start working with what this means

1208
00:54:46,088 --> 00:54:51,608
to you in your life and your family and

1209
00:54:49,139 --> 00:54:53,348
often the only thing that it is is we're

1210
00:54:51,608 --> 00:54:55,150
afraid of judgment we're always afraid

1211
00:54:53,349 --> 00:54:56,769
someone is going to say whilst you know

1212
00:54:55,150 --> 00:54:58,389
what really doesn't matter what other

1213
00:54:56,768 --> 00:55:00,159
people think because if they're

1214
00:54:58,389 --> 00:55:02,650
uninformed they're uninformed what

1215
00:55:00,159 --> 00:55:04,778
really matters and this is what I Satan

1216
00:55:02,650 --> 00:55:07,269
is you and your experience you are the

1217
00:55:04,778 --> 00:55:09,248
expert on your your human experience

1218
00:55:07,268 --> 00:55:10,988
nobody else is and nobody has the right

1219
00:55:09,248 --> 00:55:13,538
to tell you what to believe and what not

1220
00:55:10,989 --> 00:55:16,208
to believe because it's you and it's

1221
00:55:13,539 --> 00:55:20,410
your reality so am I gonna say anything

1222
00:55:16,208 --> 00:55:23,078
to anyone look you are you are the

1223
00:55:20,409 --> 00:55:26,379
expert on your world and your reality

1224
00:55:23,079 --> 00:55:30,459
nobody else's god boy can you give us

1225
00:55:26,380 --> 00:55:33,278
your website for people who want to find

1226

00:55:30,458 --> 00:55:37,659
out more about you just say it so people

1227
00:55:33,278 --> 00:55:46,028
can turn into you absolutely it's a CERN

1228
00:55:37,659 --> 00:55:48,368
which is WWE cbn.com au and we also

1229
00:55:46,028 --> 00:55:51,630
sorry I was just going to say and we

1230
00:55:48,369 --> 00:55:54,269
will put this up on the blog site of

1231
00:55:51,630 --> 00:55:58,700
shattered reality podcast

1232
00:55:54,269 --> 00:56:01,349
calm there will be a link to your site

1233
00:55:58,699 --> 00:56:03,599
that's wonderful i'm also on facebook of

1234
00:56:01,349 --> 00:56:06,389
course as well with their CERN so you

1235
00:56:03,599 --> 00:56:09,210
can access me to either of those as well

1236
00:56:06,389 --> 00:56:12,809
and lots of and I really hope that

1237
00:56:09,210 --> 00:56:14,579
people enjoy listening to this and to

1238
00:56:12,809 --> 00:56:16,679
the fact that you've all been so

1239
00:56:14,579 --> 00:56:19,289
courageous and you know saying you know

1240
00:56:16,679 --> 00:56:23,460

that this is this is your world too and

1241

00:56:19,289 --> 00:56:26,789

it's everywhere it's it so is part of

1242

00:56:23,460 --> 00:56:30,300

you know this big shift in in realizing

1243

00:56:26,789 --> 00:56:32,550

went on alone yes yes absolutely and we

1244

00:56:30,300 --> 00:56:35,670

cannot begin to thank you enough for

1245

00:56:32,550 --> 00:56:39,539

being our guest on shattered reality

1246

00:56:35,670 --> 00:56:42,269

podcast just a fascinating power really

1247

00:56:39,539 --> 00:56:45,090

thank you so much I tend to be a little

1248

00:56:42,269 --> 00:56:47,099

bit more skeptical in ferocia but you

1249

00:56:45,090 --> 00:56:49,740

have named quite convinced well you've

1250

00:56:47,099 --> 00:56:52,949

had your experiences to you know I deny

1251

00:56:49,739 --> 00:56:56,129

themselves as Mary said if you're

1252

00:56:52,949 --> 00:56:59,549

denying them they ain't happening but uh

1253

00:56:56,130 --> 00:57:00,990

thank you again from k2 I really really

1254

00:56:59,550 --> 00:57:03,780

appreciate your spending with talk

1255
00:57:00,989 --> 00:57:05,789
business she's been an absolute pleasure

1256
00:57:03,780 --> 00:57:07,830
thank you Stefan you're welcome have a

1257
00:57:05,789 --> 00:57:10,170
warning posted on your on your

1258
00:57:07,829 --> 00:57:13,019
activities we want to hear more from you

1259
00:57:10,170 --> 00:57:17,130
thank you oh I will do thank you both

1260
00:57:13,019 --> 00:57:20,460
thank you bye bye know and I

1261
00:57:17,130 --> 00:57:23,280
want to thank our our wonderful engineer

1262
00:57:20,460 --> 00:57:25,710
bill yeah poor mr. bill had his ups and

1263
00:57:23,280 --> 00:57:29,210
downs today but no he's doing a great

1264
00:57:25,710 --> 00:57:33,300
job he he had something kind of

1265
00:57:29,210 --> 00:57:36,500
challenging to do and I wanted to also

1266
00:57:33,300 --> 00:57:40,350
mention about our next guests on

1267
00:57:36,500 --> 00:57:44,280
shattered reality podcast will be Andrew

1268
00:57:40,349 --> 00:57:47,549
chestnut talking to us from Virginia in

1269
00:57:44,280 --> 00:57:52,260
the United States and he will be talking

1270
00:57:47,550 --> 00:57:57,240
to us about Santa Muerte ooh st. death

1271
00:57:52,260 --> 00:57:59,530
who was usually pictured as a woman in a

1272
00:57:57,239 --> 00:58:05,799
wedding dress but a skeleton woman

1273
00:57:59,530 --> 00:58:08,769
and I had visited merida in mexico which

1274
00:58:05,800 --> 00:58:12,730
is in the Yucatan and I picked up a

1275
00:58:08,769 --> 00:58:16,030
little figure of death while I was there

1276
00:58:12,730 --> 00:58:18,490
it's it's a skeleton riding a motorcycle

1277
00:58:16,030 --> 00:58:21,970
and I may put it up on the blog a

1278
00:58:18,489 --> 00:58:24,609
picture of my own little boy thing see I

1279
00:58:21,969 --> 00:58:26,919
don't like what stuff well we'll find

1280
00:58:24,610 --> 00:58:31,510
out more about it well find out more

1281
00:58:26,920 --> 00:58:34,680
about it alright I like yeah okay don't

1282
00:58:31,510 --> 00:58:37,990
free judge on X yes alright alright

1283

00:58:34,679 --> 00:58:40,739
unfortunately Diane's experience was

1284
00:58:37,989 --> 00:58:43,719
sort of lost in an electronic whirl and

1285
00:58:40,739 --> 00:58:47,439
Mary was not able to hear it in

1286
00:58:43,719 --> 00:58:49,839
Australia we didn't get something of her

1287
00:58:47,440 --> 00:58:52,690
interpretation of the event that it

1288
00:58:49,840 --> 00:58:56,079
might have been teleportation and just a

1289
00:58:52,690 --> 00:58:59,559
sort of a wake-up call to Diane who

1290
00:58:56,079 --> 00:59:02,289
experiences as that it was a message of

1291
00:58:59,559 --> 00:59:05,199
some sort and she also Mary also felt

1292
00:59:02,289 --> 00:59:09,639
that there was a possibility of time

1293
00:59:05,199 --> 00:59:11,829
manipulation so I would also think my

1294
00:59:09,639 --> 00:59:14,109
own personal interpretation would be

1295
00:59:11,829 --> 00:59:16,389
sometimes I've driven and I have a

1296
00:59:14,110 --> 00:59:18,400
million things on my mind and suddenly I

1297
00:59:16,389 --> 00:59:21,069

wind up and I don't know how I even got

1298

00:59:18,400 --> 00:59:24,160

there and it's possible that this woman

1299

00:59:21,070 --> 00:59:26,760

also had that type of a just mundane

1300

00:59:24,159 --> 00:59:29,440

experience and we'd really appreciate

1301

00:59:26,760 --> 00:59:32,380

your opinion and your thoughts on this

1302

00:59:29,440 --> 00:59:36,940

and you can post it on our blog site and

1303

00:59:32,380 --> 00:59:41,650

you can do that by going to shattered

1304

00:59:36,940 --> 00:59:45,159

reality podcast.com and you can go to

1305

00:59:41,650 --> 00:59:47,320

the Mary Rodwell episode which at the

1306

00:59:45,159 --> 00:59:50,679

current time would be the first episode

1307

00:59:47,320 --> 00:59:54,160

up but if you're listening after March

1308

00:59:50,679 --> 00:59:57,940

or April of 2016 it's likely to be a

1309

00:59:54,159 --> 01:00:02,259

couple a couple of podcasts down on the

1310

00:59:57,940 --> 01:00:05,740

list so shattered reality podcast.com or

1311

01:00:02,260 --> 01:00:09,370

shattered reality podcast or press com

1312

01:00:05,739 --> 01:00:15,509

and you can comment on the

1313

01:00:09,369 --> 01:00:15,509

cast their we appreciate all comments
