

1
00:00:15,308 --> 00:00:22,820
welcome to shattered reality with their

2
00:00:18,589 --> 00:00:25,490
hosts Kate Valentine and faroush prepare

3
00:00:22,820 --> 00:00:29,268
to head of paradigms shifted in the

4
00:00:25,489 --> 00:00:33,379
truths questioned and now shattered

5
00:00:29,268 --> 00:00:35,929
reality hello and welcome this is Kate

6
00:00:33,380 --> 00:00:39,679
Valentine welcoming you to the program

7
00:00:35,929 --> 00:00:42,710
and I'm furusho welcome to shattered

8
00:00:39,679 --> 00:00:46,280
reality and we certainly hope you help

9
00:00:42,710 --> 00:00:47,990
us to shatter some paradigms today well

10
00:00:46,280 --> 00:00:51,280
if anyone will do it it will be our

11
00:00:47,990 --> 00:00:54,770
guest today mr. Mack Maloney Mack is a

12
00:00:51,280 --> 00:00:59,329
wonderful author of UFO books one of

13
00:00:54,770 --> 00:01:02,000
them is beyond area 51 and the other is

14
00:00:59,329 --> 00:01:04,938
UFOs in wartime which is one of my

15
00:01:02,000 --> 00:01:07,849
all-time favorite UFO books loved it

16
00:01:04,938 --> 00:01:09,739
he has also written a series of I guess

17
00:01:07,849 --> 00:01:13,339
you would say fiction books under the

18
00:01:09,739 --> 00:01:15,799
wing man series and so with all that

19
00:01:13,340 --> 00:01:18,799
welcome to the show Mack thank you for

20
00:01:15,799 --> 00:01:21,799
being with us this hour well thanks for

21
00:01:18,799 --> 00:01:25,640
having me always a pleasure

22
00:01:21,799 --> 00:01:29,030
well I on both of your books I think the

23
00:01:25,640 --> 00:01:34,030
overwhelming impact that we get from it

24
00:01:29,030 --> 00:01:36,290
is that UFOs indeed do exist you sort of

25
00:01:34,030 --> 00:01:39,739
demonstrate that beyond any reasonable

26
00:01:36,290 --> 00:01:42,710
doubt and what you do not do in which I

27
00:01:39,739 --> 00:01:45,589
like is draw any conclusions as to what

28
00:01:42,709 --> 00:01:48,739
they are and until we gather more

29

00:01:45,590 --> 00:01:53,450
consistent data unfortunately that will

30
00:01:48,739 --> 00:01:54,739
remain the case I think oh yeah I agree

31
00:01:53,450 --> 00:01:56,540
with you it's um you know there's

32
00:01:54,739 --> 00:01:58,969
certainly a lot of theories as to what

33
00:01:56,540 --> 00:02:01,400
UFOs are out there but I think we can

34
00:01:58,969 --> 00:02:02,868
all agree that no one really knows what

35
00:02:01,400 --> 00:02:05,420
they yeah we've never really seen any

36
00:02:02,868 --> 00:02:07,819
proof that anyone knows we've heard a

37
00:02:05,420 --> 00:02:09,709
lot of conjecture and theories and I'm

38
00:02:07,819 --> 00:02:12,019
just kind of out our fabrications in a

39
00:02:09,709 --> 00:02:14,930
lot of cases but I think that

40
00:02:12,019 --> 00:02:16,759
outstanding proof is yet to be found I

41
00:02:14,930 --> 00:02:18,170
think that sometime in our future is

42
00:02:16,759 --> 00:02:21,328
this open sadhana

43
00:02:18,169 --> 00:02:24,738

well yeah me too I'll tell you the older

44

00:02:21,329 --> 00:02:27,629

I get closer I hope the answers come but

45

00:02:24,739 --> 00:02:31,109

one of the things one of the points that

46

00:02:27,628 --> 00:02:33,568

another guest made is that we're keeping

47

00:02:31,109 --> 00:02:35,519

the UFO secret the UFOs are certainly

48

00:02:33,568 --> 00:02:36,839

not keeping themselves secret I mean

49

00:02:35,519 --> 00:02:40,019

they're all over the place

50

00:02:36,840 --> 00:02:42,329

and all through time really I mean you

51

00:02:40,019 --> 00:02:45,269

know obviously I'm sure a lot of our

52

00:02:42,329 --> 00:02:48,870

listeners know the biblical accounts are

53

00:02:45,269 --> 00:02:51,919

the medieval accounts the wartime which

54

00:02:48,870 --> 00:02:54,810

you've so well documented accounts and

55

00:02:51,919 --> 00:02:56,879

so they're right in your face it's just

56

00:02:54,810 --> 00:02:58,739

that we just don't they just don't give

57

00:02:56,878 --> 00:03:02,149

us enough information as to know what

58
00:02:58,739 --> 00:03:07,139
they are I think faroush a-- had some

59
00:03:02,150 --> 00:03:10,919
ideas um you know Mac I appreciate

60
00:03:07,139 --> 00:03:14,730
you're open-minded point that you are

61
00:03:10,919 --> 00:03:17,669
not going to come down definitively as

62
00:03:14,729 --> 00:03:21,298
to what UFOs are but I know that you

63
00:03:17,669 --> 00:03:25,409
have shall we say a pet theory or your

64
00:03:21,299 --> 00:03:28,829
personal opinion which may involve time

65
00:03:25,408 --> 00:03:30,598
travelers is that the case well yeah yes

66
00:03:28,829 --> 00:03:32,159
it is to tell you the truth and I'm not

67
00:03:30,598 --> 00:03:34,738
the first one to come up with it but in

68
00:03:32,158 --> 00:03:38,399
just in researching the books especially

69
00:03:34,739 --> 00:03:41,069
UFOs in wartime it just seems like as

70
00:03:38,400 --> 00:03:43,438
we're saying just a minute ago that you

71
00:03:41,068 --> 00:03:45,268
opposed don't make any pretense of not

72
00:03:43,438 --> 00:03:48,000
being there people think UFOs kind of

73
00:03:45,269 --> 00:03:50,269
hide but they don't they they're always

74
00:03:48,000 --> 00:03:53,969
kind of there and they just seem to be

75
00:03:50,269 --> 00:03:56,340
you know watching us and in in it's

76
00:03:53,969 --> 00:03:58,408
proof that it has been true that they

77
00:03:56,340 --> 00:03:59,819
show up with historic events especially

78
00:03:58,408 --> 00:04:01,769
during World War two with the Foo

79
00:03:59,818 --> 00:04:05,310
Fighters and if you just keep reading

80
00:04:01,769 --> 00:04:06,269
that over and over you just pops into

81
00:04:05,310 --> 00:04:09,329
your head that hey maybe they're just

82
00:04:06,269 --> 00:04:11,280
time cars maybe they took their time

83
00:04:09,329 --> 00:04:14,519
machines from our own future coming back

84
00:04:11,280 --> 00:04:17,488
and watching history being made well

85
00:04:14,519 --> 00:04:20,699
that sounds like a very viable theory

86

00:04:17,488 --> 00:04:23,939
just going forward with that a little

87
00:04:20,699 --> 00:04:27,240
bit do you think that it's possible a

88
00:04:23,939 --> 00:04:30,538
that UFOs may be more than one thing

89
00:04:27,240 --> 00:04:31,740
which is to say that you know let's say

90
00:04:30,538 --> 00:04:37,469
80% of the

91
00:04:31,740 --> 00:04:40,470
UFOs that are actual real accounts as

92
00:04:37,470 --> 00:04:45,150
opposed to hoaxes or misinterpretations

93
00:04:40,470 --> 00:04:49,590
maybe 80% of those are time travelers do

94
00:04:45,149 --> 00:04:53,579
you hold out any thought that maybe the

95
00:04:49,589 --> 00:04:57,000
other 10 or 20% might be let us say

96
00:04:53,579 --> 00:05:00,389
extraterrestrial visitors or ultra

97
00:04:57,000 --> 00:05:05,220
terrestrials that is another race that

98
00:05:00,389 --> 00:05:07,439
may not be in our exactly in our view

99
00:05:05,220 --> 00:05:11,490
but that cohabits the earth with us

100
00:05:07,439 --> 00:05:13,500

perhaps in a different in a different

101

00:05:11,490 --> 00:05:16,680

dimensional plane or perhaps somehow

102

00:05:13,500 --> 00:05:18,569

hidden well you know anything is

103

00:05:16,680 --> 00:05:20,579

possible I mean just take for example

104

00:05:18,569 --> 00:05:24,090

the thing that we can closely associated

105

00:05:20,579 --> 00:05:26,490

to is what people go on safaris in

106

00:05:24,089 --> 00:05:28,198

Africa for instance and you know you

107

00:05:26,490 --> 00:05:30,060

ride around in the truck and people take

108

00:05:28,199 --> 00:05:32,310

pictures of the Lions and the elephants

109

00:05:30,060 --> 00:05:34,829

and so on those animals have no idea

110

00:05:32,310 --> 00:05:37,228

what the tourists are up to exactly

111

00:05:34,829 --> 00:05:40,889

Thanks you know they so they just go on

112

00:05:37,228 --> 00:05:42,209

with their you know daily life and and

113

00:05:40,889 --> 00:05:43,468

there's just this thing kind of there

114

00:05:42,209 --> 00:05:44,939

that you know they can't understand so

115
00:05:43,468 --> 00:05:46,379
they they almost don't pay attention to

116
00:05:44,939 --> 00:05:47,848
it that's how it is here would you

117
00:05:46,379 --> 00:05:49,319
oppose you know we see them we hear

118
00:05:47,848 --> 00:05:50,339
about them all the times but says

119
00:05:49,319 --> 00:05:52,680
they're always there and they don't do

120
00:05:50,339 --> 00:05:55,348
anything except kind of appear you know

121
00:05:52,680 --> 00:05:57,000
they're not as to some people they just

122
00:05:55,348 --> 00:05:59,218
don't exist that they're just not

123
00:05:57,000 --> 00:06:01,740
exciting enough to kind of you know talk

124
00:05:59,218 --> 00:06:03,598
about our get interested in but you know

125
00:06:01,740 --> 00:06:05,400
there's look how many tourist companies

126
00:06:03,598 --> 00:06:07,408
there are that bring people all over the

127
00:06:05,399 --> 00:06:09,929
world so why wouldn't we think that you

128
00:06:07,408 --> 00:06:11,848
know especially since people see certain

129
00:06:09,930 --> 00:06:13,889
kinds of UFOs through the years through

130
00:06:11,848 --> 00:06:16,139
the hundreds of years people seeing

131
00:06:13,889 --> 00:06:18,000
flying saucers but they also see cigar

132
00:06:16,139 --> 00:06:19,439
shaped objects and they also see kind of

133
00:06:18,000 --> 00:06:21,689
balls of light so there are different

134
00:06:19,439 --> 00:06:23,908
kinds of repose so who's to say that all

135
00:06:21,689 --> 00:06:24,449
fit a different kind UFO comes from a

136
00:06:23,908 --> 00:06:27,300
different place

137
00:06:24,449 --> 00:06:29,669
well that's I'm glad that you are open

138
00:06:27,300 --> 00:06:33,718
to that idea and I think sometimes of

139
00:06:29,668 --> 00:06:37,500
the cargo cults famously of the South

140
00:06:33,718 --> 00:06:40,860
Pacific where people that were on

141
00:06:37,500 --> 00:06:45,180
isolated islands associated the actual

142
00:06:40,860 --> 00:06:47,580
war planes with cargo

143

00:06:45,180 --> 00:06:51,300
coming from God's you know that they

144
00:06:47,579 --> 00:06:53,639
might get chocolates from the John from

145
00:06:51,300 --> 00:06:58,168
America and then raised John from

146
00:06:53,639 --> 00:07:00,269
America to a God right and and you know

147
00:06:58,168 --> 00:07:03,120
you can really kind of take that example

148
00:07:00,269 --> 00:07:07,168
and stretch it out you know a lot

149
00:07:03,120 --> 00:07:10,110
because that's kind of like a testbed of

150
00:07:07,168 --> 00:07:12,149
what would happen if it will especially

151
00:07:10,110 --> 00:07:14,250
the ancient astronaut theory people who

152
00:07:12,149 --> 00:07:15,629
are into that theory really love what

153
00:07:14,250 --> 00:07:17,879
happened with the Congo codes because

154
00:07:15,629 --> 00:07:19,439
you can almost see it happening you know

155
00:07:17,879 --> 00:07:21,240
where there's people in the ground there

156
00:07:19,439 --> 00:07:23,639
they're very much people of the earth

157
00:07:21,240 --> 00:07:25,470

they're not you know technologically

158

00:07:23,639 --> 00:07:27,478

advanced something comes down that just

159

00:07:25,470 --> 00:07:28,979

kind of blows their minds they're going

160

00:07:27,478 --> 00:07:30,629

to think that it's you know some kind of

161

00:07:28,978 --> 00:07:32,639

a higher power and so on and so forth

162

00:07:30,629 --> 00:07:33,750

that's what happened in the Pacific when

163

00:07:32,639 --> 00:07:35,759

we were fighting World War two and

164

00:07:33,750 --> 00:07:38,728

planes landed on these isolated islands

165

00:07:35,759 --> 00:07:41,520

could very well happen five thousand

166

00:07:38,728 --> 00:07:43,769

years ago when a flying saucer came down

167

00:07:41,519 --> 00:07:45,089

in them you know ancient Egypt is

168

00:07:43,769 --> 00:07:48,149

something like that

169

00:07:45,089 --> 00:07:50,029

one thing that was sure is that we're

170

00:07:48,149 --> 00:07:52,728

sure of is that you oppose have up here

171

00:07:50,029 --> 00:07:54,750

to humans throughout human history

172
00:07:52,728 --> 00:07:56,639
throughout children's history it just

173
00:07:54,750 --> 00:07:58,050
want a few things that has been with us

174
00:07:56,639 --> 00:07:59,519
from the very beginning and is still

175
00:07:58,050 --> 00:08:02,788
around today so I think that just adds

176
00:07:59,519 --> 00:08:05,519
to the mystery yeah and I also have

177
00:08:02,788 --> 00:08:08,189
always felt that this planet is almost

178
00:08:05,519 --> 00:08:10,889
like the paradise of Eden that was

179
00:08:08,189 --> 00:08:13,680
described in the Bible I mean as many PI

180
00:08:10,889 --> 00:08:16,019
exoplanets as they've discovered they

181
00:08:13,680 --> 00:08:19,098
all seem to have some glitch in it and

182
00:08:16,019 --> 00:08:22,819
as far as planets being friendly and

183
00:08:19,098 --> 00:08:25,348
stable enough to develop intelligent or

184
00:08:22,819 --> 00:08:26,879
technologically competent life I don't

185
00:08:25,348 --> 00:08:29,848
think they're very common I mean as far

186
00:08:26,879 --> 00:08:32,820
as we know it took four billion years

187
00:08:29,848 --> 00:08:34,799
for a technological society to exist on

188
00:08:32,820 --> 00:08:37,320
this planet so I think they're fairly

189
00:08:34,799 --> 00:08:39,809
rare and I think they would indeed draw

190
00:08:37,320 --> 00:08:42,930
interest I mean after all we are the

191
00:08:39,809 --> 00:08:46,169
UFOs of Mars right now if Martians exist

192
00:08:42,929 --> 00:08:49,199
they take us as UFOs as extraterrestrial

193
00:08:46,169 --> 00:08:54,259
visitors so I I don't think it would be

194
00:08:49,200 --> 00:08:57,300
a huge leap of imagination to imagine

195
00:08:54,259 --> 00:08:58,088
archaeologists from Alpha Centauri being

196
00:08:57,299 --> 00:09:00,308
here

197
00:08:58,089 --> 00:09:04,059
but I mean it's fun but we sometimes

198
00:09:00,308 --> 00:09:08,019
forget to think about too is the drama

199
00:09:04,058 --> 00:09:10,778
of UFOs and I love this article about

200

00:09:08,019 --> 00:09:13,990
the Battle of Los Angeles and if I make

201
00:09:10,778 --> 00:09:18,429
quote from your book in the early

202
00:09:13,990 --> 00:09:21,730
morning hours of February 25th 1942 the

203
00:09:18,429 --> 00:09:25,028
city of Los Angeles was attacked by UFOs

204
00:09:21,730 --> 00:09:28,870
now that's a blunt factual statement mr.

205
00:09:25,028 --> 00:09:30,610
Maloney and it's backed up it says it

206
00:09:28,870 --> 00:09:32,828
might sound like the opening of a

207
00:09:30,610 --> 00:09:35,019
science fiction book or the first line

208
00:09:32,828 --> 00:09:38,469
from a movie script but it actually

209
00:09:35,019 --> 00:09:40,629
happened in front of 1 million witnesses

210
00:09:38,470 --> 00:09:43,720
and that's actually true and they have a

211
00:09:40,629 --> 00:09:46,019
wonderful photograph of the UFO being

212
00:09:43,720 --> 00:09:49,629
caught in searchlights at missiles

213
00:09:46,019 --> 00:09:52,899
blowing up all around it and let's just

214
00:09:49,629 --> 00:09:54,759

say for let's just take all speculation

215

00:09:52,899 --> 00:09:58,389

aside and say yes this really happened

216

00:09:54,759 --> 00:10:00,519

and this is what it was right away the

217

00:09:58,389 --> 00:10:02,428

government hops in and said no don't

218

00:10:00,519 --> 00:10:06,970

move along nothing to see here

219

00:10:02,428 --> 00:10:08,769

and as I asked you before what are your

220

00:10:06,970 --> 00:10:11,860

thoughts as far as the government

221

00:10:08,769 --> 00:10:14,139

keeping this so you know the giggle

222

00:10:11,860 --> 00:10:16,120

factor and all that and anybody that

223

00:10:14,139 --> 00:10:19,389

brings it up is thought to be a little

224

00:10:16,120 --> 00:10:21,970

bit loose so what are your thoughts why

225

00:10:19,389 --> 00:10:24,188

would our our government and it seems

226

00:10:21,970 --> 00:10:26,290

all governments why do they cover this

227

00:10:24,188 --> 00:10:30,370

up so very carefully

228

00:10:26,289 --> 00:10:31,778

well it's speaking strictly look for the

229
00:10:30,370 --> 00:10:34,178
American you know government in the

230
00:10:31,778 --> 00:10:36,759
military it is just there this is the

231
00:10:34,178 --> 00:10:38,230
way that they started out in the early

232
00:10:36,759 --> 00:10:41,230
days actual and they said it out in the

233
00:10:38,230 --> 00:10:44,470
first six months or so of 1947 after

234
00:10:41,230 --> 00:10:47,649
Kenneth Donaldson citing actually the

235
00:10:44,470 --> 00:10:49,329
last six months was 1947 the yyyp was

236
00:10:47,649 --> 00:10:50,980
really looked into it they spent a lot

237
00:10:49,328 --> 00:10:52,628
of mine they had engineers and

238
00:10:50,980 --> 00:10:54,339
scientists bookends with their

239
00:10:52,629 --> 00:10:56,829
conclusion after that first six months

240
00:10:54,339 --> 00:10:58,240
was that UFOs are not of this earth we

241
00:10:56,828 --> 00:11:00,338
didn't make them the Russians didn't

242
00:10:58,240 --> 00:11:01,688
make them they could find no evidence of

243
00:11:00,339 --> 00:11:03,759
anyone around the world who could make

244
00:11:01,688 --> 00:11:05,139
you know these flying machines that

245
00:11:03,759 --> 00:11:07,629
people were seeing that do all these

246
00:11:05,139 --> 00:11:10,269
fantastic things so they actually

247
00:11:07,629 --> 00:11:11,500
brought that report to the Pentagon -

248
00:11:10,269 --> 00:11:13,149
the Pentagon you know

249
00:11:11,500 --> 00:11:15,070
their way said that well this isn't the

250
00:11:13,149 --> 00:11:16,750
conclusion we wanted so they went back

251
00:11:15,070 --> 00:11:19,450
and did another report and they

252
00:11:16,750 --> 00:11:21,250
whitewashed the whole thing and in that

253
00:11:19,450 --> 00:11:22,960
report they said that what they found

254
00:11:21,250 --> 00:11:24,549
they completely turned around their

255
00:11:22,960 --> 00:11:26,560
findings they said what they found was

256
00:11:24,549 --> 00:11:28,929
that they want to show you befo was

257

00:11:26,559 --> 00:11:30,639
someone who was hallucinating or there

258
00:11:28,929 --> 00:11:33,159
were a religious fanatic or they were

259
00:11:30,639 --> 00:11:35,379
someone who was causing a hoax and and

260
00:11:33,159 --> 00:11:37,659
that has been kind of like the the

261
00:11:35,379 --> 00:11:40,899
foundation of of them both the US

262
00:11:37,659 --> 00:11:43,569
military's response ever since that

263
00:11:40,899 --> 00:11:45,250
moment you got to be crazy it's got to

264
00:11:43,570 --> 00:11:48,190
be a trick or you're some kind of a

265
00:11:45,250 --> 00:11:49,899
fanatic and you see with what didn't

266
00:11:48,190 --> 00:11:51,820
what real quick is what we're they ran

267
00:11:49,899 --> 00:11:53,470
into problems is in Korea the Korean

268
00:11:51,820 --> 00:11:55,900
once that's a couple of years later and

269
00:11:53,470 --> 00:11:58,450
our pilots not seeing North owes and

270
00:11:55,899 --> 00:12:00,129
they couldn't say well our pilots are

271
00:11:58,450 --> 00:12:01,780

either hoaxes or fanatics or you know

272

00:12:00,129 --> 00:12:05,439

they have something some mental

273

00:12:01,779 --> 00:12:07,990

instability so that's when the you know

274

00:12:05,440 --> 00:12:12,400

the US military just stopped commenting

275

00:12:07,990 --> 00:12:15,879

on UFOs completely to that point Mack it

276

00:12:12,399 --> 00:12:18,370

seems to me having gone to a few UFO

277

00:12:15,879 --> 00:12:21,309

conventions and having been a member of

278

00:12:18,370 --> 00:12:24,460

MUFON that a lot of the people who

279

00:12:21,309 --> 00:12:27,459

express interest in UFOs in terms of

280

00:12:24,460 --> 00:12:30,610

organizations at any rate our former

281

00:12:27,460 --> 00:12:33,190

military men and Air Force people and I

282

00:12:30,610 --> 00:12:37,060

don't suppose that they all could be

283

00:12:33,190 --> 00:12:40,740

disinformation agents no yeah that would

284

00:12:37,059 --> 00:12:42,669

be almost impossible with it I mean yes

285

00:12:40,740 --> 00:12:46,470

that's another thing too is that people

286
00:12:42,669 --> 00:12:50,049
are saying that and this goes kind of to

287
00:12:46,470 --> 00:12:52,629
the other side is that you know we think

288
00:12:50,049 --> 00:12:55,240
of you know you're typically a person

289
00:12:52,629 --> 00:12:58,120
who has UFO sighting as someone it's

290
00:12:55,240 --> 00:12:59,950
usually in a rural to rural area they're

291
00:12:58,120 --> 00:13:02,379
usually alone or only not a couple

292
00:12:59,950 --> 00:13:04,600
people with them there's you just you

293
00:13:02,379 --> 00:13:04,960
know no one else around for miles and

294
00:13:04,600 --> 00:13:07,450
miles

295
00:13:04,960 --> 00:13:09,670
this seems to be the place where you

296
00:13:07,450 --> 00:13:11,980
oppose choose to show themselves to us

297
00:13:09,669 --> 00:13:14,709
but but maybe some people forget is that

298
00:13:11,980 --> 00:13:16,720
airline pilots and military pilots see

299
00:13:14,710 --> 00:13:19,769
them all the time they see them all the

300
00:13:16,720 --> 00:13:22,480
time and now they see UFOs all the time

301
00:13:19,769 --> 00:13:24,669
but a lot of them are explained but you

302
00:13:22,480 --> 00:13:25,330
see these people because they see them

303
00:13:24,669 --> 00:13:27,610
they

304
00:13:25,330 --> 00:13:30,129
she's so much in the sky day in and day

305
00:13:27,610 --> 00:13:31,690
out they know that's Venus they know

306
00:13:30,129 --> 00:13:33,309
that's the moon they know that's a

307
00:13:31,690 --> 00:13:34,959
mountaintop with snow on it

308
00:13:33,309 --> 00:13:38,199
they know that's a reflection awesome

309
00:13:34,958 --> 00:13:40,569
you know oil fields in the desert and

310
00:13:38,200 --> 00:13:42,278
then they know when this thing looks

311
00:13:40,570 --> 00:13:45,760
like nothing else there's no machine so

312
00:13:42,278 --> 00:13:47,500
a military pilots and our airline pilots

313
00:13:45,759 --> 00:13:49,509
see these things all the time that is

314

00:13:47,500 --> 00:13:52,000
there's no doubt about it the problem is

315
00:13:49,509 --> 00:13:54,549
is that in the military if you start

316
00:13:52,000 --> 00:13:56,110
time with UFOs you're probably not going

317
00:13:54,549 --> 00:13:57,939
to have very much flight time given to

318
00:13:56,110 --> 00:14:00,550
you afterwards and it's going to affect

319
00:13:57,940 --> 00:14:03,070
your advancement up there up the ranks

320
00:14:00,549 --> 00:14:05,019
it's just proven if you talk about UFOs

321
00:14:03,070 --> 00:14:06,970
you're not going to get promoted as

322
00:14:05,019 --> 00:14:08,289
quickly as if you didn't talk about it

323
00:14:06,970 --> 00:14:10,300
and in the in lines it's the same thing

324
00:14:08,289 --> 00:14:12,069
- they don't want pilots up there saying

325
00:14:10,299 --> 00:14:14,319
they seen UFOs because it seems unsafe

326
00:14:12,070 --> 00:14:16,959
that they'd be flying up in line for the

327
00:14:14,320 --> 00:14:19,329
passages that's true we're talking to

328
00:14:16,958 --> 00:14:23,679

mr. Mack Maloney he is the author of

329

00:14:19,328 --> 00:14:26,049

UFOs in wartime and beyond area 51 and

330

00:14:23,679 --> 00:14:28,239

and yeah I have to agree with you it's

331

00:14:26,049 --> 00:14:30,578

still giggle factor is enough it's a

332

00:14:28,240 --> 00:14:32,919

career killer if you were in science and

333

00:14:30,578 --> 00:14:36,189

you said you know I'm a physicist these

334

00:14:32,919 --> 00:14:38,799

objects exist they're showing flight

335

00:14:36,190 --> 00:14:41,709

criteria that do not exist today let's

336

00:14:38,799 --> 00:14:43,929

find out how to do it you have good luck

337

00:14:41,708 --> 00:14:46,359

getting a grant on that one and write it

338

00:14:43,929 --> 00:14:49,958

it would be so feasible I mean obviously

339

00:14:46,360 --> 00:14:52,120

they exist they are objects I mean there

340

00:14:49,958 --> 00:14:54,069

is a lot of you know speculation about

341

00:14:52,120 --> 00:14:56,709

them being interdimensional and

342

00:14:54,070 --> 00:14:59,410

spiritual and all that but some of them

343
00:14:56,708 --> 00:15:02,049
at least are absolutely objects I mean

344
00:14:59,409 --> 00:15:05,919
certainly the Phoenix lights that thing

345
00:15:02,049 --> 00:15:10,689
that flew over Sky Harbor was an object

346
00:15:05,919 --> 00:15:12,939
and it should be investigated or

347
00:15:10,690 --> 00:15:15,490
researched what what do you think of the

348
00:15:12,940 --> 00:15:19,750
some of the recent you know more or less

349
00:15:15,490 --> 00:15:24,009
21st century a well-known UFO sightings

350
00:15:19,750 --> 00:15:25,448
such as a Chicago O'Hare or Phoenix

351
00:15:24,009 --> 00:15:28,269
lights which was the end of I guess the

352
00:15:25,448 --> 00:15:31,659
20th century huh and Stephenville those

353
00:15:28,269 --> 00:15:33,940
those more prominent US cases what how

354
00:15:31,659 --> 00:15:36,219
do you come down on those men well

355
00:15:33,940 --> 00:15:37,610
something obviously happened at in both

356
00:15:36,220 --> 00:15:41,000
places something obviously

357
00:15:37,610 --> 00:15:43,820
happened in here yep Lloyd in Chicago

358
00:15:41,000 --> 00:15:45,409
because once again it was just an

359
00:15:43,820 --> 00:15:48,140
unusual case because it happened during

360
00:15:45,409 --> 00:15:50,269
the day for one thing yeah and plus you

361
00:15:48,139 --> 00:15:53,629
had a lot of people who worked at the

362
00:15:50,269 --> 00:15:54,799
airport sorry you know so once again you

363
00:15:53,629 --> 00:15:56,208
have people who are familiar with

364
00:15:54,799 --> 00:15:57,740
airplane certainly where the airplanes

365
00:15:56,208 --> 00:15:59,689
look like sound like what they look like

366
00:15:57,740 --> 00:16:02,480
20 miles up 10 miles out when they're

367
00:15:59,690 --> 00:16:04,040
landing in fog at night you know they

368
00:16:02,480 --> 00:16:05,600
know what these things look like and

369
00:16:04,039 --> 00:16:06,649
when they see something that doesn't

370
00:16:05,600 --> 00:16:08,028
look like something they've ever seen

371

00:16:06,649 --> 00:16:09,860
before then that is really you know

372
00:16:08,028 --> 00:16:11,659
that's that that's really quite an

373
00:16:09,860 --> 00:16:14,629
amazing sighting and that's what

374
00:16:11,659 --> 00:16:17,240
happened in Chicago obviously and and

375
00:16:14,629 --> 00:16:19,700
then in Phoenix same thing it's very

376
00:16:17,240 --> 00:16:22,700
interesting in Phoenix that you mean you

377
00:16:19,700 --> 00:16:24,110
will see film of lights kind of

378
00:16:22,700 --> 00:16:26,540
disappearing behind the mountain some

379
00:16:24,110 --> 00:16:28,278
gentleman had his video camera and they

380
00:16:26,539 --> 00:16:30,458
kind of you see the lights kind of

381
00:16:28,278 --> 00:16:33,200
blinking out and and there has been a

382
00:16:30,458 --> 00:16:34,549
explanation for that because they had

383
00:16:33,200 --> 00:16:36,259
you hand the video and you see that

384
00:16:34,549 --> 00:16:38,990
they're actually airplanes dropping

385
00:16:36,259 --> 00:16:40,490

flares and and what they're blinking out

386

00:16:38,990 --> 00:16:41,778

is that they're going down behind this

387

00:16:40,490 --> 00:16:43,000

mountain okay that's fine a lot of

388

00:16:41,778 --> 00:16:45,350

people see that they say well that's

389

00:16:43,000 --> 00:16:46,698

that was the reason for the that's the

390

00:16:45,350 --> 00:16:48,500

explanation for the Phoenix place but

391

00:16:46,698 --> 00:16:50,838

what they don't realize is that this

392

00:16:48,500 --> 00:16:53,629

enormous triangle-shaped object look

393

00:16:50,839 --> 00:16:57,560

over the heads of dozens if not hundreds

394

00:16:53,629 --> 00:16:59,689

of people during a 100-mile flight going

395

00:16:57,559 --> 00:17:01,549

you know in the Phoenix area people saw

396

00:16:59,690 --> 00:17:03,019

they weren't seeing lights they were

397

00:17:01,549 --> 00:17:05,838

seeing something the size of an aircraft

398

00:17:03,019 --> 00:17:07,279

carrier fly over them that's an object

399

00:17:05,838 --> 00:17:09,588

it was picked up on radar

400
00:17:07,279 --> 00:17:11,539
hundreds of people sirens the military

401
00:17:09,588 --> 00:17:14,178
is aware of it I mean that's one of the

402
00:17:11,539 --> 00:17:16,129
best sightings ever as well and because

403
00:17:14,179 --> 00:17:17,298
a lot of people have looked into it and

404
00:17:16,130 --> 00:17:18,620
there's a lot of literature about it

405
00:17:17,298 --> 00:17:21,139
that I think that proves that it's one

406
00:17:18,619 --> 00:17:23,328
the best sightings and you know this is

407
00:17:21,140 --> 00:17:25,130
the point that I always get stuck on two

408
00:17:23,328 --> 00:17:27,318
air traffic controllers are

409
00:17:25,130 --> 00:17:30,049
extraordinarily responsible people they

410
00:17:27,318 --> 00:17:32,720
have to be and there is some

411
00:17:30,048 --> 00:17:35,089
governmental force that quiets these

412
00:17:32,720 --> 00:17:38,120
people down that forces them to lie and

413
00:17:35,089 --> 00:17:40,250
I don't think it's the the government

414
00:17:38,119 --> 00:17:42,769
that we come to know because I think

415
00:17:40,250 --> 00:17:46,039
there's too much of a risk of their

416
00:17:42,769 --> 00:17:47,990
being found out as far as sort of

417
00:17:46,039 --> 00:17:51,019
rushing up air traffic controllers I

418
00:17:47,990 --> 00:17:53,329
think this is a totally extra

419
00:17:51,019 --> 00:17:55,519
governmental force that will come in

420
00:17:53,329 --> 00:17:57,679
because they pop up within hours I mean

421
00:17:55,519 --> 00:17:59,420
we're not talking all week later you

422
00:17:57,680 --> 00:18:02,120
know I mean our government moves its

423
00:17:59,420 --> 00:18:04,550
snail pace and these people whoever they

424
00:18:02,119 --> 00:18:06,349
are they're like whoa I heard about this

425
00:18:04,549 --> 00:18:07,970
sighting two minutes later they're

426
00:18:06,349 --> 00:18:10,579
they're up in the tower with the air

427
00:18:07,970 --> 00:18:13,390
traffic controllers so there is some

428

00:18:10,579 --> 00:18:16,699
really highly regimented force out there

429
00:18:13,390 --> 00:18:18,920
beside the giggle factor to keep these

430
00:18:16,700 --> 00:18:23,049
things quiet and I always wonder why I

431
00:18:18,920 --> 00:18:25,910
mean what is it that they're hiding yeah

432
00:18:23,049 --> 00:18:27,889
yeah that's the question is but you know

433
00:18:25,910 --> 00:18:31,790
it's funny because I cannot look at that

434
00:18:27,890 --> 00:18:33,800
question from a different angle when we

435
00:18:31,789 --> 00:18:35,779
say what are they hiding I think what it

436
00:18:33,799 --> 00:18:40,009
is is I think they are trying to find

437
00:18:35,779 --> 00:18:42,680
out stuff I have the impression that the

438
00:18:40,009 --> 00:18:44,779
US military they know more about UFOs

439
00:18:42,680 --> 00:18:46,940
than than they're letting on but I am

440
00:18:44,779 --> 00:18:49,609
not convinced at all that they know what

441
00:18:46,940 --> 00:18:52,070
UFOs I think that they are just a bigger

442
00:18:49,609 --> 00:18:54,139

mystery to people in our government as

443

00:18:52,069 --> 00:18:56,599

they ought to you to us right now

444

00:18:54,140 --> 00:19:00,680

and because once again there is really

445

00:18:56,599 --> 00:19:02,599

no concrete evidence that that we had

446

00:19:00,680 --> 00:19:05,000

flying saucers that we have technology

447

00:19:02,599 --> 00:19:06,799

you know reverse engineers from from

448

00:19:05,000 --> 00:19:09,559

flying saucers and so on and so forth

449

00:19:06,799 --> 00:19:12,589

plus you here for instance I've talked

450

00:19:09,559 --> 00:19:14,629

on a number of radio shows and talked to

451

00:19:12,589 --> 00:19:16,609

people who have been interviewed and a

452

00:19:14,630 --> 00:19:19,370

lot of times they'll be interference on

453

00:19:16,609 --> 00:19:22,009

the line when UFO author is talking to a

454

00:19:19,369 --> 00:19:23,899

radio station like right now okay it's

455

00:19:22,009 --> 00:19:25,490

happened to me a number of times and

456

00:19:23,900 --> 00:19:27,200

it's happened to a lot of people have

457
00:19:25,490 --> 00:19:30,019
talked to and everyone always seems to

458
00:19:27,200 --> 00:19:31,370
think well you know they're there they

459
00:19:30,019 --> 00:19:32,750
want to know you know they're there

460
00:19:31,369 --> 00:19:33,949
they're listening in they're

461
00:19:32,750 --> 00:19:35,299
eavesdropping because they're the

462
00:19:33,950 --> 00:19:37,069
government they want to stop us how

463
00:19:35,299 --> 00:19:39,109
about maybe they'll listen to me because

464
00:19:37,069 --> 00:19:42,109
they are trying to get information from

465
00:19:39,109 --> 00:19:43,609
us if you know what I mean maybe they

466
00:19:42,109 --> 00:19:45,439
think we know more than they do or they

467
00:19:43,609 --> 00:19:47,959
are just trying to pick up every kernel

468
00:19:45,440 --> 00:19:49,820
of information they can and if it comes

469
00:19:47,960 --> 00:19:50,990
from someone to plan a UFO book who did

470
00:19:49,819 --> 00:19:52,369
research there maybe someone in the

471
00:19:50,990 --> 00:19:53,900
government hasn't done or hasn't heard

472
00:19:52,369 --> 00:19:58,129
about then you're going to start you

473
00:19:53,900 --> 00:20:01,130
know eavesdropping on them I just am of

474
00:19:58,130 --> 00:20:02,720
the opinion that US military does not

475
00:20:01,130 --> 00:20:04,700
know as much as we think they know about

476
00:20:02,720 --> 00:20:06,319
them and I think that they

477
00:20:04,700 --> 00:20:07,909
puts them in the HUD seat because we

478
00:20:06,319 --> 00:20:10,009
spent so much money on defense in this

479
00:20:07,909 --> 00:20:12,049
country they cannot admit they don't

480
00:20:10,009 --> 00:20:15,200
know what things are flying around up

481
00:20:12,048 --> 00:20:18,378
there making a short detour into the

482
00:20:15,200 --> 00:20:21,679
world of ufology it you know they the

483
00:20:18,378 --> 00:20:23,808
people the UFO ufology people we would

484
00:20:21,679 --> 00:20:27,288
have to say then you come down more on

485

00:20:23,808 --> 00:20:31,368
the Colonel John B Alexander side then

486
00:20:27,288 --> 00:20:35,989
the Richard Dolan side well I know both

487
00:20:31,368 --> 00:20:37,819
of them and I I'm not on any one side I

488
00:20:35,989 --> 00:20:41,569
don't mean that you're taking sides I

489
00:20:37,819 --> 00:20:43,158
just know a poem I wrote like a little

490
00:20:41,569 --> 00:20:45,888
bit out in left field from both of those

491
00:20:43,159 --> 00:20:47,899
guys I've talked to both of them and I

492
00:20:45,888 --> 00:20:50,988
know that they kind of represent two

493
00:20:47,898 --> 00:20:53,449
points of view but you know I think that

494
00:20:50,989 --> 00:20:55,759
for both of them they're they raise

495
00:20:53,450 --> 00:20:58,700
points a lot of times that you know how

496
00:20:55,759 --> 00:21:00,710
worthy of a good solid debate I don't

497
00:20:58,700 --> 00:21:02,499
believe in the secret space program that

498
00:21:00,710 --> 00:21:05,690
I know Richard is very passionate about

499
00:21:02,499 --> 00:21:08,210

it just doesn't add up if it just isn't

500

00:21:05,690 --> 00:21:10,399

enough evidence out there or if you're

501

00:21:08,210 --> 00:21:13,778

really kind of look into it you would

502

00:21:10,398 --> 00:21:15,849

have to have this massive secret

503

00:21:13,778 --> 00:21:18,759

spaceport that the United States

504

00:21:15,849 --> 00:21:21,319

military has had for dozens of years

505

00:21:18,759 --> 00:21:22,909

with logistics that would involve tens

506

00:21:21,319 --> 00:21:25,278

of thousands of people and none of these

507

00:21:22,909 --> 00:21:27,350

people have ever talked Nevin has ever

508

00:21:25,278 --> 00:21:30,230

gone to the Enquirer on 60 minutes

509

00:21:27,349 --> 00:21:33,019

these days we can't even trust sift a

510

00:21:30,230 --> 00:21:34,999

SEAL team members from keeping quiet mr.

511

00:21:33,019 --> 00:21:37,249

wrote a book about shooting bin Laden

512

00:21:34,999 --> 00:21:38,629

what makes anyone think that the

513

00:21:37,249 --> 00:21:40,399

thousands and thousands of people that

514
00:21:38,628 --> 00:21:42,408
would have to work for secret space

515
00:21:40,398 --> 00:21:43,638
program is exist how do you keep all

516
00:21:42,409 --> 00:21:46,519
those people quiet it would be

517
00:21:43,638 --> 00:21:49,878
impossible where do you come down on the

518
00:21:46,519 --> 00:21:52,278
deathbed type confessions of some of

519
00:21:49,878 --> 00:21:55,189
these former military people some of

520
00:21:52,278 --> 00:21:58,878
which were who were at Roswell other of

521
00:21:55,190 --> 00:22:02,629
whom are just random military guys want

522
00:21:58,878 --> 00:22:05,569
deathbed type confessions right well you

523
00:22:02,628 --> 00:22:07,128
know once again it's and there's a

524
00:22:05,569 --> 00:22:08,960
little bit of an emotional fact that

525
00:22:07,128 --> 00:22:11,178
when a story comes out that is a

526
00:22:08,960 --> 00:22:13,848
deathbed confession but you know just to

527
00:22:11,179 --> 00:22:17,298
look at it you know with a blank slate

528
00:22:13,848 --> 00:22:18,359
let's say you know did the person really

529
00:22:17,298 --> 00:22:19,798
say what he said

530
00:22:18,359 --> 00:22:21,089
I mean I hate to say it but when

531
00:22:19,798 --> 00:22:22,798
someone's dying you don't have a video

532
00:22:21,089 --> 00:22:24,839
camera running but you know there's no

533
00:22:22,798 --> 00:22:27,569
evidence like that you know it's always

534
00:22:24,839 --> 00:22:29,668
hearsay it's always hearsay definite

535
00:22:27,569 --> 00:22:31,019
confessions because we don't have very

536
00:22:29,669 --> 00:22:33,419
really other it is there electronic

537
00:22:31,019 --> 00:22:34,829
equipment there to record it so yeah you

538
00:22:33,419 --> 00:22:36,809
have to kind of think that just like as

539
00:22:34,829 --> 00:22:38,548
any other claim and it has to hold up

540
00:22:36,808 --> 00:22:41,308
the scrutiny if it isn't if it doesn't

541
00:22:38,548 --> 00:22:43,288
then you know you have to dispel it well

542

00:22:41,308 --> 00:22:45,240
coming into secrecy we're going to get

543
00:22:43,288 --> 00:22:49,950
right into your book mr. Mack Maloney

544
00:22:45,240 --> 00:22:52,138
Beyond area 51 where you talk about all

545
00:22:49,950 --> 00:22:55,769
these secret military bases that have

546
00:22:52,138 --> 00:22:57,558
gone on from again biblical times he

547
00:22:55,769 --> 00:23:01,500
talked about Megiddo which is

548
00:22:57,558 --> 00:23:03,629
fascinating and and so on but now

549
00:23:01,500 --> 00:23:06,148
Stanton Friedman always said that - he

550
00:23:03,630 --> 00:23:08,220
said look how many tens of thousands of

551
00:23:06,148 --> 00:23:11,308
people worked on the atomic bomb and

552
00:23:08,220 --> 00:23:14,069
that was kept secret but again as he

553
00:23:11,308 --> 00:23:16,019
mentioned as well that was a different

554
00:23:14,069 --> 00:23:18,418
time in history and people were much

555
00:23:16,019 --> 00:23:20,399
more patriotic that's a weapon kept

556
00:23:18,419 --> 00:23:22,440

secret there was four or five Soviet

557

00:23:20,398 --> 00:23:23,849
agents now that weren't leaking back

558

00:23:22,440 --> 00:23:25,288
information to restaurant all the time

559

00:23:23,849 --> 00:23:28,168
so I was actually a poorly kept secret

560

00:23:25,288 --> 00:23:29,190
yeah but it never made it out to the

561

00:23:28,169 --> 00:23:31,288
general public

562

00:23:29,190 --> 00:23:33,149
oh that's true of the Rosenbergs later

563

00:23:31,288 --> 00:23:35,398
but it was a different time there's no

564

00:23:33,148 --> 00:23:37,500
National Enquirer there was no 24-hour

565

00:23:35,398 --> 00:23:39,359
news cycle and so on correct

566

00:23:37,500 --> 00:23:41,759
yeah it was a whole different time in

567

00:23:39,359 --> 00:23:44,398
history no you know talking about

568

00:23:41,759 --> 00:23:46,019
interference mr. Mack baloney how about

569

00:23:44,398 --> 00:23:49,109
that we're just sitting here the three

570

00:23:46,019 --> 00:23:50,970
of us everything's been going on is the

571
00:23:49,109 --> 00:23:53,459
way it has been going on and then boom

572
00:23:50,970 --> 00:23:56,460
it goes dead nobody no one touched

573
00:23:53,460 --> 00:23:59,399
anything we're all listening Wow well it

574
00:23:56,460 --> 00:24:01,350
happened you know it has happened many

575
00:23:59,398 --> 00:24:03,839
times it is it is you know we talk about

576
00:24:01,349 --> 00:24:05,548
fear you sure was the first one I was

577
00:24:03,839 --> 00:24:08,250
ever interviewed on it's probably three

578
00:24:05,548 --> 00:24:09,259
years ago now ah yeah yeah and I've been

579
00:24:08,250 --> 00:24:11,609
interviewed

580
00:24:09,259 --> 00:24:15,089
dozens of times and and I had to say

581
00:24:11,609 --> 00:24:17,759
that that has happened you know a good

582
00:24:15,089 --> 00:24:20,158
15 16 times to me over the past two

583
00:24:17,759 --> 00:24:21,599
years where you're just talking along

584
00:24:20,159 --> 00:24:23,909
and something happens the equipment

585
00:24:21,599 --> 00:24:27,558
doesn't happen when the radio stations

586
00:24:23,909 --> 00:24:30,419
talking to a florist or a sports person

587
00:24:27,558 --> 00:24:30,779
something about them doesn't happen you

588
00:24:30,419 --> 00:24:32,790
know

589
00:24:30,779 --> 00:24:34,379
stuff I don't believe happens but I will

590
00:24:32,789 --> 00:24:36,599
admit that that has happened to me a

591
00:24:34,380 --> 00:24:38,310
number of times so many times it has to

592
00:24:36,599 --> 00:24:40,169
be more than a coincidence okay well

593
00:24:38,309 --> 00:24:41,849
here's a real scary experiment and I'm

594
00:24:40,170 --> 00:24:45,210
going to put it out and this is just

595
00:24:41,849 --> 00:24:47,909
involving myself Kate Valentine but if

596
00:24:45,210 --> 00:24:51,480
you're listening I just want you to know

597
00:24:47,910 --> 00:24:53,610
I know what they are and I'm going to

598
00:24:51,480 --> 00:24:58,110
publish now let's see what they do about

599

00:24:53,609 --> 00:25:01,409
that one the most egregious example that

600
00:24:58,109 --> 00:25:04,709
I have ever encountered yeah is when

601
00:25:01,410 --> 00:25:06,720
anyone tries to interview Richard Sauter

602
00:25:04,710 --> 00:25:09,420
or sorter I don't know how he pronounces

603
00:25:06,720 --> 00:25:12,569
his name you don't even get him anymore

604
00:25:09,420 --> 00:25:14,850
no he is appeared just and he's tried to

605
00:25:12,569 --> 00:25:19,230
come on a few programs and the

606
00:25:14,849 --> 00:25:21,649
interference the the changing of the

607
00:25:19,230 --> 00:25:25,410
timbre of the voice and the whole thing

608
00:25:21,650 --> 00:25:27,750
you know wah wah wah out is unbelievable

609
00:25:25,410 --> 00:25:31,650
unbelievable he can never be gotten to

610
00:25:27,750 --> 00:25:33,630
for it very long right and then another

611
00:25:31,650 --> 00:25:35,340
thing that happened to fruition and a

612
00:25:33,630 --> 00:25:37,860
good friend of ours who unfortunately is

613
00:25:35,339 --> 00:25:41,909

passed on but we were doing a whole show

614

00:25:37,859 --> 00:25:44,399

with the engineer Dave who is phenomenal

615

00:25:41,910 --> 00:25:46,290

bill was there and it was being recorded

616

00:25:44,400 --> 00:25:49,350

I think on three different things right

617

00:25:46,289 --> 00:25:50,970

though and at the end of the show you

618

00:25:49,349 --> 00:25:52,889

know I was going to give them both a

619

00:25:50,970 --> 00:25:55,440

copy of the recording and had completely

620

00:25:52,890 --> 00:25:56,970

disappeared and we were not talking

621

00:25:55,440 --> 00:26:03,360

about anything in particular

622

00:25:56,970 --> 00:26:09,539

but nothing and not like the secret I

623

00:26:03,359 --> 00:26:11,490

have I will indeed I know and when a

624

00:26:09,539 --> 00:26:13,710

bright blue light comes in the bedroom

625

00:26:11,490 --> 00:26:16,519

window tonight you're gonna see just how

626

00:26:13,710 --> 00:26:16,519

fast I can run

627

00:26:16,940 --> 00:26:22,430

I'll just leave the dog behind

628
00:26:19,440 --> 00:26:29,160
I understand they don't like dogs but

629
00:26:22,430 --> 00:26:35,070
her name is Kate so anyway Mac sorry for

630
00:26:29,160 --> 00:26:37,529
that little diversion so you know you

631
00:26:35,069 --> 00:26:42,210
have chronic old and other people have

632
00:26:37,529 --> 00:26:44,250
chronicled how certain air bases have

633
00:26:42,210 --> 00:26:48,120
been shut down the this

634
00:26:44,250 --> 00:26:50,670
silo's with the nuclear missiles in you

635
00:26:48,119 --> 00:26:52,619
know minute and a couple of the other

636
00:26:50,670 --> 00:26:55,019
maelstrom and minute i believe in there

637
00:26:52,619 --> 00:26:58,969
are probably others where the silos have

638
00:26:55,019 --> 00:27:04,259
been shut down by a UFO overhead and

639
00:26:58,970 --> 00:27:06,420
certainly i really do believe that that

640
00:27:04,259 --> 00:27:09,629
these things occurred and that no one

641
00:27:06,420 --> 00:27:13,650
knows who it was that did it and if we

642
00:27:09,630 --> 00:27:17,370
follow that through what happened then

643
00:27:13,650 --> 00:27:24,269
with the japanese problem that we have

644
00:27:17,369 --> 00:27:27,329
now the fukushima after the the reactor

645
00:27:24,269 --> 00:27:30,809
the reactor they are the three to five

646
00:27:27,329 --> 00:27:33,359
reactors there that have burned you know

647
00:27:30,809 --> 00:27:36,149
burned off and have created an

648
00:27:33,359 --> 00:27:39,149
incredible environmental mess here with

649
00:27:36,150 --> 00:27:40,920
the UFOs then yeah well they're not

650
00:27:39,150 --> 00:27:42,630
looking out for us I think that's it

651
00:27:40,920 --> 00:27:45,570
they're just here to see you know how

652
00:27:42,630 --> 00:27:47,340
badly we can mess things up I think

653
00:27:45,569 --> 00:27:49,769
they're having I think they have like a

654
00:27:47,339 --> 00:27:53,759
sort of a twisted sense of humor you

655
00:27:49,769 --> 00:27:56,220
know maybe they're like well you know I

656

00:27:53,759 --> 00:27:57,690
mean it could be just that it could be

657
00:27:56,220 --> 00:28:00,839
just some kind of sensing here I'm going

658
00:27:57,690 --> 00:28:02,880
back this idea of time to room yeah you

659
00:28:00,839 --> 00:28:05,039
know if there was some time in twenty

660
00:28:02,880 --> 00:28:07,680
years hundred years from now where we

661
00:28:05,039 --> 00:28:08,819
could go back in the future and see some

662
00:28:07,680 --> 00:28:10,680
kind of something that we've always

663
00:28:08,819 --> 00:28:13,379
wanted to see I mean who wouldn't do

664
00:28:10,680 --> 00:28:15,539
that oh you know some people would they

665
00:28:13,380 --> 00:28:17,760
would want to go see World War two

666
00:28:15,539 --> 00:28:19,440
rethought you know for instance a lot of

667
00:28:17,759 --> 00:28:20,789
UFOs there you know someone said to me I

668
00:28:19,440 --> 00:28:23,220
would love to go see your shakespeare

669
00:28:20,789 --> 00:28:24,690
play real Shakespeare play I would like

670
00:28:23,220 --> 00:28:26,490

to go see the Battle of Troy I would

671

00:28:24,690 --> 00:28:28,170

like to go see you know all these

672

00:28:26,490 --> 00:28:30,180

different kind of historical events and

673

00:28:28,170 --> 00:28:32,070

and when you kind of you know kind of

674

00:28:30,180 --> 00:28:33,810

backfill that idea you say well let's

675

00:28:32,069 --> 00:28:35,579

see you know there's always been UFOs

676

00:28:33,809 --> 00:28:37,710

showing up at the struggle event and at

677

00:28:35,579 --> 00:28:39,960

other events you know maybe I don't know

678

00:28:37,710 --> 00:28:42,150

the whole time traveling thing kind of

679

00:28:39,960 --> 00:28:43,440

just fills in a lot of holes for me and

680

00:28:42,150 --> 00:28:45,780

maybe you know people want to go back

681

00:28:43,440 --> 00:28:47,789

and look at you know what happened at

682

00:28:45,779 --> 00:28:49,529

Fukushima you know what happened with

683

00:28:47,789 --> 00:28:51,059

the earthquake with the tidal wave and

684

00:28:49,529 --> 00:28:52,769

you know the disaster that they have now

685
00:28:51,059 --> 00:28:56,309
it's a big a disaster it's currently

686
00:28:52,769 --> 00:28:57,250
than Chernobyl and you know they once

687
00:28:56,309 --> 00:29:00,039
again getting back

688
00:28:57,250 --> 00:29:01,839
back to the the bottom line of UFOs date

689
00:29:00,039 --> 00:29:04,559
they look like they're observing they

690
00:29:01,839 --> 00:29:08,409
look like they're looking in on us yes

691
00:29:04,559 --> 00:29:10,089
and that no time travel just it feels a

692
00:29:08,410 --> 00:29:12,759
lot of holes for me for some reason well

693
00:29:10,089 --> 00:29:14,919
you know one thing that you've brought

694
00:29:12,759 --> 00:29:16,660
up I think that a lot of people who are

695
00:29:14,920 --> 00:29:21,190
interested in you or follow you follow

696
00:29:16,660 --> 00:29:23,740
gee are aware of of the the things going

697
00:29:21,190 --> 00:29:25,960
on with World War two not to the extent

698
00:29:23,740 --> 00:29:28,539
that you chronicled them but but are

699
00:29:25,960 --> 00:29:30,460
very much less familiar with the ghost

700
00:29:28,539 --> 00:29:32,529
rockets of World War one which you

701
00:29:30,460 --> 00:29:34,660
Chronicle so maybe you'd like to tell us

702
00:29:32,529 --> 00:29:36,670
a little bit about that because you know

703
00:29:34,660 --> 00:29:39,820
previous to looking at-at your

704
00:29:36,670 --> 00:29:44,190
literature here I was somewhat unaware

705
00:29:39,819 --> 00:29:47,859
of that phenomena well there was some

706
00:29:44,190 --> 00:29:51,700
there was the ghost fliers of 1932 and

707
00:29:47,859 --> 00:29:57,339
then the ghost rockets of 1946 and then

708
00:29:51,700 --> 00:29:59,830
in 1908 the huge huge blimp like objects

709
00:29:57,339 --> 00:30:01,869
airships were they called obscure ships

710
00:29:59,829 --> 00:30:04,299
were spotted over England now the

711
00:30:01,869 --> 00:30:06,339
interesting thing was that as far as

712
00:30:04,299 --> 00:30:08,529
descriptions are concerned there were no

713

00:30:06,339 --> 00:30:10,000
huge Zeppelin's in 1908 they'd been

714
00:30:08,529 --> 00:30:13,109
making from Germany to England yet

715
00:30:10,000 --> 00:30:16,390
people saw these things in ghost fliers

716
00:30:13,109 --> 00:30:19,509
of 1932 people up in the very northern

717
00:30:16,390 --> 00:30:21,790
part of Sweden saw these very strange

718
00:30:19,509 --> 00:30:23,140
airplanes that no one has ever been able

719
00:30:21,789 --> 00:30:25,599
to figure out what they were they had

720
00:30:23,140 --> 00:30:27,400
eight engines they were flying over snow

721
00:30:25,599 --> 00:30:29,199
and tundra yet they had pontoons that

722
00:30:27,400 --> 00:30:30,640
you would need to land on water there

723
00:30:29,200 --> 00:30:31,150
wasn't any water around for hundreds of

724
00:30:30,640 --> 00:30:34,630
miles

725
00:30:31,150 --> 00:30:36,550
and then in 1946 over Sweden once again

726
00:30:34,630 --> 00:30:40,240
each ghost rocket that appeared at first

727
00:30:36,549 --> 00:30:44,139

to be like maybe v1 buzz bombs from

728

00:30:40,240 --> 00:30:47,920

world war ii german you know surplus but

729

00:30:44,140 --> 00:30:49,630

then a pilot swedish pilot actually rode

730

00:30:47,920 --> 00:30:52,600

alongside one of these things in the way

731

00:30:49,630 --> 00:30:55,030

his description reads is the exact

732

00:30:52,599 --> 00:30:58,449

description of a cruise missile from

733

00:30:55,029 --> 00:31:00,160

1985 or so so you take these three

734

00:30:58,450 --> 00:31:01,750

incidents it's almost like an offshoot

735

00:31:00,160 --> 00:31:03,700

of your clothes because they weren't the

736

00:31:01,750 --> 00:31:05,940

classic UFO saucer shaped dress the guy

737

00:31:03,700 --> 00:31:08,319

shaped objects it's just these strange

738

00:31:05,940 --> 00:31:10,980

pieces of technology that look like

739

00:31:08,319 --> 00:31:14,500

they're a little bit out of time

740

00:31:10,980 --> 00:31:16,750

19:08 has again you couldn't fly a

741

00:31:14,500 --> 00:31:18,490

Zeppelin from Germany to England they

742
00:31:16,750 --> 00:31:22,058
weren't advanced another four or five

743
00:31:18,490 --> 00:31:23,679
years later you could in 1932 there was

744
00:31:22,058 --> 00:31:26,500
no such thing as that eight engined

745
00:31:23,679 --> 00:31:30,460
plane for five years later the Russians

746
00:31:26,500 --> 00:31:32,710
built one you know in 1946 people are

747
00:31:30,460 --> 00:31:35,009
seeing what a monte cruise missiles that

748
00:31:32,710 --> 00:31:37,569
weren't invented for another forty years

749
00:31:35,009 --> 00:31:39,369
something about those three incidents

750
00:31:37,569 --> 00:31:41,288
almost looks like there was some kind of

751
00:31:39,369 --> 00:31:44,408
technology that was caught out of time

752
00:31:41,288 --> 00:31:45,970
or something right right and no one has

753
00:31:44,409 --> 00:31:47,409
ever explained no one has ever come

754
00:31:45,970 --> 00:31:48,880
forward on any of those patients say you

755
00:31:47,409 --> 00:31:50,799
know I was involved in that and so on

756
00:31:48,880 --> 00:31:52,510
they're complete blanking mysteries when

757
00:31:50,798 --> 00:31:55,538
the best industries and all of this kind

758
00:31:52,509 --> 00:31:57,038
of big UFO puzzle like like a sort of a

759
00:31:55,538 --> 00:32:00,278
time slip

760
00:31:57,038 --> 00:32:02,259
that's something yeah yep hmm yes very

761
00:32:00,278 --> 00:32:06,548
strange those three incidents well they

762
00:32:02,259 --> 00:32:09,429
had that in Texas too didn't they Texas

763
00:32:06,548 --> 00:32:12,038
in the Midwest I believe in the late

764
00:32:09,429 --> 00:32:14,950
1890s and there were lots of people who

765
00:32:12,038 --> 00:32:17,558
purportedly saw them and the odd thing

766
00:32:14,950 --> 00:32:20,140
about that is if I recall correctly is

767
00:32:17,558 --> 00:32:22,690
that that the people within the ship

768
00:32:20,140 --> 00:32:25,120
would throw down an anchor and this also

769
00:32:22,690 --> 00:32:28,690
happened in the Middle Ages in England

770

00:32:25,119 --> 00:32:30,969
where an airship would be seen and the

771
00:32:28,690 --> 00:32:33,308
the occupants would throw down almost

772
00:32:30,970 --> 00:32:36,038
like a nautical anchor which was sort of

773
00:32:33,308 --> 00:32:39,069
really bizarre but it was reported more

774
00:32:36,038 --> 00:32:40,898
than once is that not the case yeah it's

775
00:32:39,069 --> 00:32:43,089
but that you know we all have our pet

776
00:32:40,898 --> 00:32:45,398
theories and mine is that I I do think

777
00:32:43,089 --> 00:32:48,639
there's another intelligent species on

778
00:32:45,398 --> 00:32:51,428
this planet that is not as numerous as

779
00:32:48,640 --> 00:32:55,270
we are and given our proclivities they

780
00:32:51,429 --> 00:32:57,309
realize if they exceed probably try to

781
00:32:55,269 --> 00:32:59,889
exterminate them almost immediately go

782
00:32:57,308 --> 00:33:01,839
the way the passenger pray there there

783
00:32:59,890 --> 00:33:11,200
you go or the Neanderthals for that

784
00:33:01,839 --> 00:33:13,230

matter you know so I really think there

785

00:33:11,200 --> 00:33:16,600

is something else here just another

786

00:33:13,230 --> 00:33:19,690

civilization somewhere that tends to be

787

00:33:16,599 --> 00:33:22,779

just not as populous as ours but is

788

00:33:19,690 --> 00:33:24,480

pretty scientifically oriented and

789

00:33:22,779 --> 00:33:27,940

pretty technologic

790

00:33:24,480 --> 00:33:29,980

do you think I like that theory do you

791

00:33:27,940 --> 00:33:31,630

think that they all know about each

792

00:33:29,980 --> 00:33:34,149

other or are they people who are just

793

00:33:31,630 --> 00:33:36,220

individuals or whatnot I don't know I

794

00:33:34,148 --> 00:33:39,158

seem to be you mean like highly

795

00:33:36,220 --> 00:33:42,038

individual individuals I stupid but you

796

00:33:39,159 --> 00:33:44,019

know I don't know no I was thinking of

797

00:33:42,038 --> 00:33:46,890

like a small civilization a small

798

00:33:44,019 --> 00:33:49,359

city-state almost ancient Greece but

799

00:33:46,890 --> 00:33:53,679
that would be interesting to just a

800

00:33:49,359 --> 00:33:56,908
pocket here in a pocket there I would

801

00:33:53,679 --> 00:34:00,100
fall more on the side of something being

802

00:33:56,909 --> 00:34:02,049
in a different vibrational pattern than

803

00:34:00,099 --> 00:34:04,959
we are so they could be right here

804

00:34:02,048 --> 00:34:07,298
amongst us but like vibrating at a

805

00:34:04,960 --> 00:34:09,519
faster level to the extent that we

806

00:34:07,298 --> 00:34:11,980
couldn't see them just as we generally

807

00:34:09,519 --> 00:34:15,429
don't see you know infrared and

808

00:34:11,980 --> 00:34:17,710
ultraviolet but maybe our cat scan right

809

00:34:15,429 --> 00:34:21,190
right I mean there's an incident that we

810

00:34:17,710 --> 00:34:23,079
just spoke to Paulina who is a UFO

811

00:34:21,190 --> 00:34:25,000
investigator and also has his own radio

812

00:34:23,079 --> 00:34:26,559
show he was telling me about this

813
00:34:25,000 --> 00:34:29,440
incident in the middle of Connecticut a

814
00:34:26,559 --> 00:34:31,719
few years ago and it had it was like the

815
00:34:29,440 --> 00:34:33,460
perfect storm of the paranormal it

816
00:34:31,719 --> 00:34:34,809
started off with a haunted house a house

817
00:34:33,460 --> 00:34:37,539
that had been haunted for many many

818
00:34:34,809 --> 00:34:39,279
years people have been describing really

819
00:34:37,539 --> 00:34:41,739
and seeing really very strange bizarre

820
00:34:39,280 --> 00:34:43,570
ghost-like activity in this particular

821
00:34:41,739 --> 00:34:45,819
house and then all of a sudden people

822
00:34:43,570 --> 00:34:48,760
started seeing UFOs around this house

823
00:34:45,820 --> 00:34:50,980
right when they started to kind of redo

824
00:34:48,760 --> 00:34:52,929
it and kind of spruce the place up close

825
00:34:50,980 --> 00:34:56,349
that showing up around this place and

826
00:34:52,929 --> 00:34:58,510
then a little bit later people started

827

00:34:56,349 --> 00:35:00,670
seeing military people in the area and

828
00:34:58,510 --> 00:35:03,640
people were hiking and so on and they'd

829
00:35:00,670 --> 00:35:05,139
run into a couple army MPs who would

830
00:35:03,639 --> 00:35:07,449
tell them you can't go this way you got

831
00:35:05,139 --> 00:35:08,949
to turn around go back something was

832
00:35:07,449 --> 00:35:13,838
going on in the middle of Connecticut

833
00:35:08,949 --> 00:35:16,059
that has this this element of you know

834
00:35:13,838 --> 00:35:18,029
ghostly activity and also UFO activity

835
00:35:16,059 --> 00:35:20,739
and other people have talked to lately

836
00:35:18,030 --> 00:35:22,269
now kind of coming to grips maybe with

837
00:35:20,739 --> 00:35:23,709
the theory that all of the stuff is

838
00:35:22,269 --> 00:35:26,608
connected it's like you know the

839
00:35:23,710 --> 00:35:29,829
universal theory of universal United

840
00:35:26,608 --> 00:35:32,348
Universal field theory of the paranormal

841
00:35:29,829 --> 00:35:33,759

UFOs are connected to ghosts ghosts are

842

00:35:32,349 --> 00:35:35,680
connected to Bigfoot Bigfoot is

843

00:35:33,760 --> 00:35:36,069
connected to the Loch Ness so on and so

844

00:35:35,679 --> 00:35:36,579
forth

845

00:35:36,068 --> 00:35:39,460
Krypton

846

00:35:36,579 --> 00:35:41,980
yeah if it was all one big thing I think

847

00:35:39,460 --> 00:35:44,199
that would be unbelievably fascinating

848

00:35:41,980 --> 00:35:45,909
if it was just oh but all these things

849

00:35:44,199 --> 00:35:47,259
are just part of one big thing that we

850

00:35:45,909 --> 00:35:49,569
just don't know what it is yet

851

00:35:47,260 --> 00:35:51,760
I think that would be fascinating well

852

00:35:49,570 --> 00:35:54,340
that is especially fascinating I think

853

00:35:51,760 --> 00:35:57,340
decayed and I simply because that area

854

00:35:54,340 --> 00:35:59,980
is within striking distance of yeah of

855

00:35:57,340 --> 00:36:01,930
our location here and not only that what

856
00:35:59,980 --> 00:36:04,900
about the big cats that are seen in

857
00:36:01,929 --> 00:36:06,609
Connecticut sometimes do you think that

858
00:36:04,900 --> 00:36:08,950
could be possibly part of all of this

859
00:36:06,610 --> 00:36:11,800
sure you know you never know I mean the

860
00:36:08,949 --> 00:36:14,919
cats have been seen spotted in in

861
00:36:11,800 --> 00:36:16,450
England for hundreds of years and you

862
00:36:14,920 --> 00:36:18,639
know when people think big cats they

863
00:36:16,449 --> 00:36:20,679
think you know oh you know a tiger or a

864
00:36:18,639 --> 00:36:22,389
lion is a big cat now these are big cats

865
00:36:20,679 --> 00:36:24,489
and these are cats and the size of like

866
00:36:22,389 --> 00:36:26,739
horses and so on and they've been

867
00:36:24,489 --> 00:36:28,929
spotted throughout England for centuries

868
00:36:26,739 --> 00:36:30,399
no one can ever find them they can find

869
00:36:28,929 --> 00:36:31,750
their footprints but they never find

870
00:36:30,400 --> 00:36:32,980
these things they never find you know

871
00:36:31,750 --> 00:36:35,170
what they're eating or anything like

872
00:36:32,980 --> 00:36:37,780
that they just seem to be there and then

873
00:36:35,170 --> 00:36:38,800
they are not there anymore and I know

874
00:36:37,780 --> 00:36:40,630
that there was an incident in

875
00:36:38,800 --> 00:36:43,960
Connecticut where your people were

876
00:36:40,630 --> 00:36:45,519
driving along i-95 I think saw some huge

877
00:36:43,960 --> 00:36:47,760
and creatures standing at the side of

878
00:36:45,519 --> 00:36:50,380
the road for first few seconds big cat

879
00:36:47,760 --> 00:36:52,420
you know who knows you know but it all

880
00:36:50,380 --> 00:36:55,510
doesn't seem to be connected to this

881
00:36:52,420 --> 00:36:57,010
idea that we see things sometimes in a

882
00:36:55,510 --> 00:36:58,870
normal world that just shouldn't be

883
00:36:57,010 --> 00:37:00,460
there they don't last very long but they

884

00:36:58,869 --> 00:37:02,619
do happen people to see them more than

885
00:37:00,460 --> 00:37:04,510
one person sees them if they're UFOs

886
00:37:02,619 --> 00:37:05,949
they picked up on radar or whatever if

887
00:37:04,510 --> 00:37:10,600
they're something else they can be

888
00:37:05,949 --> 00:37:13,179
picked up on camera well you know it's

889
00:37:10,599 --> 00:37:15,360
we I had a very funny incident along

890
00:37:13,179 --> 00:37:18,369
that line my son at the time was about

891
00:37:15,360 --> 00:37:20,230
15 I just picked him up from school we

892
00:37:18,369 --> 00:37:23,650
were riding home this was out in Long

893
00:37:20,230 --> 00:37:26,800
Island in the Riverhead area and we're

894
00:37:23,650 --> 00:37:29,470
going back along a road that ran past a

895
00:37:26,800 --> 00:37:32,680
number of farms and as we passed one

896
00:37:29,469 --> 00:37:35,619
farm house out of the corner of my eye I

897
00:37:32,679 --> 00:37:38,949
saw a man who was wearing what looked

898
00:37:35,619 --> 00:37:41,409

like almost a pilgrim type clothes are

899

00:37:38,949 --> 00:37:45,099

very old clothes and right behind him

900

00:37:41,409 --> 00:37:47,559

was a Native American and not in full

901

00:37:45,099 --> 00:37:49,929

regalia but obviously not in western

902

00:37:47,559 --> 00:37:52,838

dress either and it came

903

00:37:49,929 --> 00:37:55,299

went so fast and I said I said that did

904

00:37:52,838 --> 00:37:57,308

you see that and he said yeah what was

905

00:37:55,300 --> 00:38:00,400

it at to the point where I turned around

906

00:37:57,309 --> 00:38:02,920

and actually drove back and there was no

907

00:38:00,400 --> 00:38:04,869

one there and at that time of day there

908

00:38:02,920 --> 00:38:07,450

really is anybody outside that

909

00:38:04,869 --> 00:38:09,730

particular farmhouse and we both looked

910

00:38:07,449 --> 00:38:11,588

at each other and you know and I think

911

00:38:09,730 --> 00:38:13,750

you're going to agree with me when you

912

00:38:11,588 --> 00:38:15,969

see something out of the ordinary it

913
00:38:13,750 --> 00:38:18,159
leaves an impression on your mind that

914
00:38:15,969 --> 00:38:21,429
something sort of out of the ordinary

915
00:38:18,159 --> 00:38:23,500
but very readily explainable doesn't

916
00:38:21,429 --> 00:38:26,049
leave that same impression like you just

917
00:38:23,500 --> 00:38:29,108
instinctively know you've seen something

918
00:38:26,050 --> 00:38:31,510
that's bizarre right and I had the

919
00:38:29,108 --> 00:38:33,969
strong feeling that these two men just

920
00:38:31,510 --> 00:38:36,910
looped through time and then looped

921
00:38:33,969 --> 00:38:39,808
right back in certainly the settlers

922
00:38:36,909 --> 00:38:42,159
were there several hundred years ago and

923
00:38:39,809 --> 00:38:44,079
you know the two of us just had that

924
00:38:42,159 --> 00:38:47,348
same feeling it was just like that quick

925
00:38:44,079 --> 00:38:49,680
time flip lot of people who've

926
00:38:47,349 --> 00:38:52,300
experienced similar things you know

927
00:38:49,679 --> 00:38:53,828
through the years it isn't these things

928
00:38:52,300 --> 00:38:56,019
that we see all the time or the words

929
00:38:53,829 --> 00:38:57,430
that we're talking about now you know

930
00:38:56,019 --> 00:38:59,679
people seem to think that they're just

931
00:38:57,429 --> 00:39:01,509
kind of recent to our history and

932
00:38:59,679 --> 00:39:04,539
they're not people have seen these

933
00:39:01,510 --> 00:39:07,720
things over hundreds and hundreds of

934
00:39:04,539 --> 00:39:09,159
years there was a like in England back

935
00:39:07,719 --> 00:39:11,529
of three or four hundred years ago

936
00:39:09,159 --> 00:39:13,108
people used to see and this was always

937
00:39:11,530 --> 00:39:16,630
very strange they called them fetch

938
00:39:13,108 --> 00:39:19,568
fetches and what it was was you know you

939
00:39:16,630 --> 00:39:20,858
would be in a room with your friend you

940
00:39:19,568 --> 00:39:22,509
would look out the window and here comes

941

00:39:20,858 --> 00:39:24,969
your friend walking up the pathway

942
00:39:22,510 --> 00:39:28,150
mm-hmm you happen to live in schools

943
00:39:24,969 --> 00:39:29,909
they would they would they would you

944
00:39:28,150 --> 00:39:32,318
know they have a classroom full of kids

945
00:39:29,909 --> 00:39:35,588
and look out the window and one of them

946
00:39:32,318 --> 00:39:37,000
would be outside playing very strange

947
00:39:35,588 --> 00:39:38,828
you know and it's almost like whoop

948
00:39:37,000 --> 00:39:40,449
that's not supposed to be there and as

949
00:39:38,829 --> 00:39:44,890
soon as you think that it's gone yeah

950
00:39:40,449 --> 00:39:47,199
yeah huh Wow it wouldn't it be great to

951
00:39:44,889 --> 00:39:50,769
be able to actually know what was behind

952
00:39:47,199 --> 00:39:53,139
all this stuff I mean it's just such

953
00:39:50,769 --> 00:39:55,509
fast I guess the fact that it is unknown

954
00:39:53,139 --> 00:39:58,769
is what makes it so fascinating I can

955
00:39:55,510 --> 00:39:58,770

give you a very real quick

956

00:40:00,159 --> 00:40:04,239

I think more MORE about this I never saw

957

00:40:02,409 --> 00:40:06,699

the movie The Matrix but someone told me

958

00:40:04,239 --> 00:40:08,409

that it's kind of close to it what this

959

00:40:06,699 --> 00:40:11,828

person that was a futurist a

960

00:40:08,409 --> 00:40:14,078

professional futurist gray Scott as his

961

00:40:11,829 --> 00:40:15,910

name was down there in the arc and he

962

00:40:14,079 --> 00:40:18,519

writes a lot about the future and so on

963

00:40:15,909 --> 00:40:21,190

his idea is that what we are really

964

00:40:18,519 --> 00:40:23,230

living in us where look really living in

965

00:40:21,190 --> 00:40:26,349

someone's computer simulations someone's

966

00:40:23,230 --> 00:40:29,588

unbelievably detailed computer

967

00:40:26,349 --> 00:40:31,240

simulation created by someone who is a

968

00:40:29,588 --> 00:40:34,269

higher power way higher power than we

969

00:40:31,239 --> 00:40:36,308

could ever you know imagine and and it's

970
00:40:34,269 --> 00:40:39,489
just been going along it's just been

971
00:40:36,309 --> 00:40:41,140
going along and but what happens is but

972
00:40:39,489 --> 00:40:43,389
something like that happens where you

973
00:40:41,139 --> 00:40:44,379
see something that shouldn't be there or

974
00:40:43,389 --> 00:40:46,868
when you have some kind of an

975
00:40:44,380 --> 00:40:49,150
extraordinary coincidence what that is

976
00:40:46,869 --> 00:40:51,760
it's a glitch in the program because no

977
00:40:49,150 --> 00:40:54,700
matter what every computer program has a

978
00:40:51,760 --> 00:40:56,410
glitch in it and and you know when you

979
00:40:54,699 --> 00:40:58,179
think about it you say well I mean I've

980
00:40:56,409 --> 00:41:00,969
had coincidences in my life that had

981
00:40:58,179 --> 00:41:03,219
just off the charts but you think you

982
00:41:00,969 --> 00:41:06,009
saw and look at how many people with

983
00:41:03,219 --> 00:41:09,129
coincidences all the time people that

984
00:41:06,010 --> 00:41:11,619
deja vu all the time you know maybe

985
00:41:09,130 --> 00:41:14,079
these are just things that proves that

986
00:41:11,619 --> 00:41:18,160
the computer program we're all living in

987
00:41:14,079 --> 00:41:19,960
isn't infallible and that's sort of

988
00:41:18,159 --> 00:41:21,009
upsetting now I'd rather not be in a

989
00:41:19,960 --> 00:41:24,159
computer program

990
00:41:21,010 --> 00:41:27,190
well but it a gentleman that I studied

991
00:41:24,159 --> 00:41:29,440
with who was a former NASA rocket

992
00:41:27,190 --> 00:41:33,220
scientist a physicist and wrote a book

993
00:41:29,440 --> 00:41:37,210
called up my big toe comes to the same

994
00:41:33,219 --> 00:41:39,879
conclusion that we're living in a

995
00:41:37,210 --> 00:41:42,730
computer it's a binary world out there

996
00:41:39,880 --> 00:41:45,039
and he has some very advanced physics

997
00:41:42,730 --> 00:41:48,190
ways of proving that and he's a

998

00:41:45,039 --> 00:41:53,230
wonderful intelligent gentleman and I'm

999
00:41:48,190 --> 00:41:55,119
trying to think of his name okay and I'm

1000
00:41:53,230 --> 00:41:57,760
gonna find it before the end of the show

1001
00:41:55,119 --> 00:42:00,400
but his book is my big toe and it's it

1002
00:41:57,760 --> 00:42:02,799
really goes into great depth I mean it's

1003
00:42:00,400 --> 00:42:04,900
like one of these tomes it's three books

1004
00:42:02,798 --> 00:42:06,940
in one it's that's wonderful Anto

1005
00:42:04,900 --> 00:42:10,510
indicating theory of every single theory

1006
00:42:06,940 --> 00:42:12,309
of everything right right well I you

1007
00:42:10,510 --> 00:42:13,600
know there's just so much out there this

1008
00:42:12,309 --> 00:42:14,920
is great mac and

1009
00:42:13,599 --> 00:42:19,150
we're just sort of scratching the

1010
00:42:14,920 --> 00:42:22,809
surface itself so you had you had some

1011
00:42:19,150 --> 00:42:25,800
interesting insights about about what

1012
00:42:22,809 --> 00:42:29,639

happened to the poor gentleman down in

1013

00:42:25,800 --> 00:42:33,970

New Mexico who was a victim of

1014

00:42:29,639 --> 00:42:36,609

government disinformation and who was

1015

00:42:33,969 --> 00:42:38,469

actually driven crazy by the by the

1016

00:42:36,610 --> 00:42:40,750

government do you want to talk to this

1017

00:42:38,469 --> 00:42:44,549

subject a little bit what what turned

1018

00:42:40,750 --> 00:42:48,969

out with the Dulce New Mexico that whole

1019

00:42:44,550 --> 00:42:52,000

sure this gentleman was a physicist and

1020

00:42:48,969 --> 00:42:54,069

he had an office right near Kirtland Air

1021

00:42:52,000 --> 00:42:59,469

Force Base which is in New Mexico then

1022

00:42:54,070 --> 00:43:04,090

we have tonight and what he was a very

1023

00:42:59,469 --> 00:43:06,039

smart guy and he noticed on a number of

1024

00:43:04,090 --> 00:43:08,079

occasions cuz he was so close to croman

1025

00:43:06,039 --> 00:43:09,610

F was babies he noticed two things he

1026

00:43:08,079 --> 00:43:11,889

knows strange things flying over the

1027
00:43:09,610 --> 00:43:14,789
base and he also noticed strange radio

1028
00:43:11,889 --> 00:43:17,500
signals developing around the base and

1029
00:43:14,789 --> 00:43:20,909
he put his the two and two he put

1030
00:43:17,500 --> 00:43:23,289
together was that there were UFOs over

1031
00:43:20,909 --> 00:43:24,909
nuclear bunkers that they had at

1032
00:43:23,289 --> 00:43:27,099
Kirtland Air Force Base it was a badly

1033
00:43:24,909 --> 00:43:29,739
cut secret that the USAF was stored a

1034
00:43:27,099 --> 00:43:31,449
lot of nuclear bombs there so he went to

1035
00:43:29,739 --> 00:43:35,669
the Air Force and he people at the base

1036
00:43:31,449 --> 00:43:38,199
and he gave them his theory and he said

1037
00:43:35,670 --> 00:43:40,000
and they said to him hey you know what

1038
00:43:38,199 --> 00:43:41,679
you're right and they gave him more

1039
00:43:40,000 --> 00:43:43,539
information they started feeding him

1040
00:43:41,679 --> 00:43:45,579
this story that you know there was

1041
00:43:43,539 --> 00:43:47,559
aliens were involved the government was

1042
00:43:45,579 --> 00:43:49,690
you know aware of them and that they

1043
00:43:47,559 --> 00:43:51,130
were I mean at the very long end of this

1044
00:43:49,690 --> 00:43:53,200
kind of disinformation campaign they

1045
00:43:51,130 --> 00:43:56,050
played in the sky he they had him

1046
00:43:53,199 --> 00:43:58,539
convinced that there were 50,000 aliens

1047
00:43:56,050 --> 00:44:00,100
in a in a in a mountain about 90 miles

1048
00:43:58,539 --> 00:44:04,150
north of karlby Air Force Base called

1049
00:44:00,099 --> 00:44:06,900
Belcher Mountain and this poor guy went

1050
00:44:04,150 --> 00:44:09,430
can say he literally went insane he was

1051
00:44:06,900 --> 00:44:12,820
institutionalized three two or three

1052
00:44:09,429 --> 00:44:15,609
times he was you know went up and bought

1053
00:44:12,820 --> 00:44:17,380
a lot of guns he goes very paranoid and

1054
00:44:15,610 --> 00:44:19,329
it turned out to be not true of course I

1055

00:44:17,380 --> 00:44:22,480
mean what what he was seeing were the

1056
00:44:19,329 --> 00:44:26,880
early examples of stealth fighters in

1057
00:44:22,480 --> 00:44:28,989
the radio waves that he was picking

1058
00:44:26,880 --> 00:44:32,019
breeding frequencies they were there to

1059
00:44:28,989 --> 00:44:35,409
jam Russian satellites going over

1060
00:44:32,018 --> 00:44:37,538
Kirtland Air Force Base to to to ensure

1061
00:44:35,409 --> 00:44:39,098
that they didn't you know find evidence

1062
00:44:37,539 --> 00:44:40,960
that nuclear bombs were being kept there

1063
00:44:39,099 --> 00:44:42,099
now they could have easily told this guy

1064
00:44:40,960 --> 00:44:43,838
because he worked for the government at

1065
00:44:42,099 --> 00:44:45,880
some point you know listen this is

1066
00:44:43,838 --> 00:44:49,119
what's going on in sign and security and

1067
00:44:45,880 --> 00:44:51,460
you know vow and never speak of it again

1068
00:44:49,119 --> 00:44:52,960
but they chose to go the other way feed

1069
00:44:51,460 --> 00:44:55,869

him all this information throw him

1070

00:44:52,960 --> 00:44:57,849

completely off the off the track make

1071

00:44:55,869 --> 00:44:59,979

him the giggle fact of the poster boys

1072

00:44:57,849 --> 00:45:03,278

would giggle factor back then and it

1073

00:44:59,978 --> 00:45:05,199

wound up killing the guy mmm so somebody

1074

00:45:03,278 --> 00:45:07,630

was actually vicious enough to do that

1075

00:45:05,199 --> 00:45:11,048

on purpose they said open enough yeah

1076

00:45:07,630 --> 00:45:13,838

yeah it's just a big joke oh this is mr.

1077

00:45:11,048 --> 00:45:17,559

Mack Maloney the author of beyond area

1078

00:45:13,838 --> 00:45:21,699

51 and one of my favorite UFO books UFOs

1079

00:45:17,559 --> 00:45:23,739

and war time is so what what are your

1080

00:45:21,699 --> 00:45:27,538

opinions about these secret bases you

1081

00:45:23,739 --> 00:45:29,920

think they're out there beyond area 51

1082

00:45:27,539 --> 00:45:31,359

everyone that we mentioned in the book I

1083

00:45:29,920 --> 00:45:33,670

think we mentioned probably about 20 of

1084
00:45:31,358 --> 00:45:36,038
they are definitely out there you know

1085
00:45:33,670 --> 00:45:39,789
there's enough evidence to be found on

1086
00:45:36,039 --> 00:45:43,059
all of them that they do exist that the

1087
00:45:39,789 --> 00:45:44,589
unusual thing about them is that I think

1088
00:45:43,059 --> 00:45:48,278
we talked about eight or nine in the US

1089
00:45:44,588 --> 00:45:50,849
and then the rest our overseas almost

1090
00:45:48,278 --> 00:45:53,469
every single one of these secret bases

1091
00:45:50,849 --> 00:45:55,059
has some kind of a history with UFOs

1092
00:45:53,469 --> 00:45:57,999
that's very strange

1093
00:45:55,059 --> 00:46:01,680
I mean we always equate area 51 with

1094
00:45:57,998 --> 00:46:04,268
UFOs and so on but there's a place up in

1095
00:46:01,679 --> 00:46:06,338
there's a place up in the northern part

1096
00:46:04,268 --> 00:46:10,238
of Nevada called Tonopah Air Force Base

1097
00:46:06,338 --> 00:46:13,509
that is so secret that the people who

1098
00:46:10,239 --> 00:46:15,909
work there I'm allowed to go into the

1099
00:46:13,509 --> 00:46:18,969
town there's a town nearby Tonopah

1100
00:46:15,909 --> 00:46:22,358
Nevada they're not allowed to mix with

1101
00:46:18,969 --> 00:46:24,278
the locals let's say you can't spend a

1102
00:46:22,358 --> 00:46:26,170
credit card in tone of power if you work

1103
00:46:24,278 --> 00:46:29,108
at Thomas I talked about Air Force Base

1104
00:46:26,170 --> 00:46:30,969
this is where they tested the stealth

1105
00:46:29,108 --> 00:46:32,679
fighter for years for ten years without

1106
00:46:30,969 --> 00:46:35,528
anyone knowing about it

1107
00:46:32,679 --> 00:46:39,639
there were places down in st. Louis

1108
00:46:35,528 --> 00:46:39,849
Valley in southwest Colorado that it's

1109
00:46:39,639 --> 00:46:42,009
in

1110
00:46:39,849 --> 00:46:44,230
Shanee we values an area that is ringed

1111
00:46:42,010 --> 00:46:46,420
by military bases there's so much

1112

00:46:44,230 --> 00:46:49,240
paranormal activity going on there that

1113
00:46:46,420 --> 00:46:50,680
it's hard to keep up with it it's

1114
00:46:49,239 --> 00:46:53,259
unbelievable they see everything from

1115
00:46:50,679 --> 00:46:54,819
UFOs to Bigfoot to flying humans and

1116
00:46:53,260 --> 00:47:00,060
stuff there's always military planes

1117
00:46:54,820 --> 00:47:04,420
around there's the places down in off of

1118
00:47:00,059 --> 00:47:08,799
Florida where the US Navy you know test

1119
00:47:04,420 --> 00:47:11,650
its captains - - who are taking over new

1120
00:47:08,800 --> 00:47:13,510
suits and nuclear submarines see how far

1121
00:47:11,650 --> 00:47:15,309
down they can go see how the equipment

1122
00:47:13,510 --> 00:47:16,360
works at a great depth they do it in

1123
00:47:15,309 --> 00:47:19,289
this kind of trench in the middle

1124
00:47:16,360 --> 00:47:22,780
atlantic ocean there's been hundreds

1125
00:47:19,289 --> 00:47:24,909
many hundreds of UFO reports down around

1126
00:47:22,780 --> 00:47:27,700

that place for the past 30 years or so

1127

00:47:24,909 --> 00:47:30,250

it's just very interesting that anywhere

1128

00:47:27,699 --> 00:47:32,469

there is one of these secret bases there

1129

00:47:30,250 --> 00:47:34,449

there's a UFO history attached to it and

1130

00:47:32,469 --> 00:47:36,699

you always say well what what came first

1131

00:47:34,449 --> 00:47:38,079

you know yeah we attract the UFO so do

1132

00:47:36,699 --> 00:47:40,539

we build the base there because UFOs

1133

00:47:38,079 --> 00:47:43,000

were there before and that was a does

1134

00:47:40,539 --> 00:47:44,170

amazing piece of research we came upon

1135

00:47:43,000 --> 00:47:45,659

while we were doing the book I don't

1136

00:47:44,170 --> 00:47:49,180

think anyone really realized people

1137

00:47:45,659 --> 00:47:51,219

fascinating really well the best example

1138

00:47:49,179 --> 00:47:54,579

was Rendell 'some everyone thinks that

1139

00:47:51,219 --> 00:47:56,589

was you know back in 1980 he was so you

1140

00:47:54,579 --> 00:47:59,409

know the Peter Robbins book left at

1141
00:47:56,590 --> 00:48:02,140
Eastgate but actually that whole forest

1142
00:47:59,409 --> 00:48:05,230
area Rendlesham forest was supposedly

1143
00:48:02,139 --> 00:48:07,779
haunted or different UFO activities and

1144
00:48:05,230 --> 00:48:12,610
so on many years before that right

1145
00:48:07,780 --> 00:48:17,019
secret nooks there as well yeah it's in

1146
00:48:12,610 --> 00:48:20,050
the East Anglia part of the Great

1147
00:48:17,019 --> 00:48:21,369
Britain and you just go back into their

1148
00:48:20,050 --> 00:48:23,289
history there was there were

1149
00:48:21,369 --> 00:48:25,599
unbelievable UFO sightings there in the

1150
00:48:23,289 --> 00:48:29,230
late fifties with the US would scramble

1151
00:48:25,599 --> 00:48:30,880
jets - they would see on their radar

1152
00:48:29,230 --> 00:48:33,760
would look like hundreds of Russian

1153
00:48:30,880 --> 00:48:34,960
bombers coming you know towards England

1154
00:48:33,760 --> 00:48:36,840
and they would scramble just saying look

1155
00:48:34,960 --> 00:48:39,250
there and there and there were UFOs

1156
00:48:36,840 --> 00:48:42,280
there's something but east anglia that

1157
00:48:39,250 --> 00:48:44,800
you know is a big in England they call

1158
00:48:42,280 --> 00:48:48,100
it an old place but meaning it's a place

1159
00:48:44,800 --> 00:48:52,120
where just odd things happen Rosslyn and

1160
00:48:48,099 --> 00:48:53,690
Scotland you know more UFOs are seen in

1161
00:48:52,119 --> 00:48:55,789
that area than any other place of

1162
00:48:53,690 --> 00:48:57,380
and it just happened to be where Rosslyn

1163
00:48:55,789 --> 00:48:59,480
Chapel is that's you know connected to

1164
00:48:57,380 --> 00:49:00,950
the Knights Templar so you know who

1165
00:48:59,480 --> 00:49:03,199
knows that's what I mean if you really

1166
00:49:00,949 --> 00:49:05,239
kind of look at it a lot of these places

1167
00:49:03,199 --> 00:49:07,369
have UFO histories and a lot of those

1168
00:49:05,239 --> 00:49:09,349
places where they built these bases have

1169

00:49:07,369 --> 00:49:12,139
his piece they go back further than the

1170
00:49:09,349 --> 00:49:13,579
base and so I don't know once again if

1171
00:49:12,139 --> 00:49:15,529
someone could just connect all these

1172
00:49:13,579 --> 00:49:17,480
died in the lines sometime in our

1173
00:49:15,530 --> 00:49:20,390
lifetimes I think it would be a very

1174
00:49:17,480 --> 00:49:22,820
very fascinating result well I read Dan

1175
00:49:20,389 --> 00:49:25,339
Brown's book of course the da Vinci Code

1176
00:49:22,820 --> 00:49:28,220
and so I was really captured by it and

1177
00:49:25,340 --> 00:49:30,980
did go to Rosslyn Chapel in Scotland and

1178
00:49:28,219 --> 00:49:34,399
the it is probably one of the oddest

1179
00:49:30,980 --> 00:49:36,740
religious institutions or buildings I've

1180
00:49:34,400 --> 00:49:38,660
ever been in but aside from that it's

1181
00:49:36,739 --> 00:49:41,419
way in the middle of nowhere is a very

1182
00:49:38,659 --> 00:49:44,359
small building and the walls are covered

1183
00:49:41,420 --> 00:49:46,610

with visiting dignitaries and what would

1184

00:49:44,360 --> 00:49:49,670

cause so many people to visit this

1185

00:49:46,610 --> 00:49:51,440

little tiny out-of-the-way place I mean

1186

00:49:49,670 --> 00:49:53,240

something had to have drawn them all

1187

00:49:51,440 --> 00:49:55,639

there and these are all various heads of

1188

00:49:53,239 --> 00:49:57,769

states and their pictures and the dates

1189

00:49:55,639 --> 00:50:00,440

that they were there on the wall so I

1190

00:49:57,769 --> 00:50:02,329

think at a higher governmental level

1191

00:50:00,440 --> 00:50:05,750

some of the people are aware of this and

1192

00:50:02,329 --> 00:50:08,179

actually pay homage to these whatever

1193

00:50:05,750 --> 00:50:12,170

they are all we're going in to build the

1194

00:50:08,179 --> 00:50:17,659

bird character well you know there's

1195

00:50:12,170 --> 00:50:19,430

still the burgers build-a-bear but it's

1196

00:50:17,659 --> 00:50:22,190

true I mean there is definitely some

1197

00:50:19,429 --> 00:50:24,349

sort of Wow to me a conspiracy is rich

1198
00:50:22,190 --> 00:50:25,909
powerful people getting together to stay

1199
00:50:24,349 --> 00:50:27,170
more rich or more power yeah well

1200
00:50:25,909 --> 00:50:29,059
there's a lot of that going on and

1201
00:50:27,170 --> 00:50:31,070
that's happened throughout history and

1202
00:50:29,059 --> 00:50:32,989
it will happen as long as there's humans

1203
00:50:31,070 --> 00:50:36,050
I mean that's just a part of a human

1204
00:50:32,989 --> 00:50:37,819
civilization somebody's gonna rise up

1205
00:50:36,050 --> 00:50:40,610
get money in power and they're gonna try

1206
00:50:37,820 --> 00:50:44,019
to keep it and that's that's our history

1207
00:50:40,610 --> 00:50:46,670
the thing about your idea of it being

1208
00:50:44,019 --> 00:50:50,989
somebody coming through history a time

1209
00:50:46,670 --> 00:50:53,599
traveller it's very it's very optimistic

1210
00:50:50,989 --> 00:50:55,879
view as far as I can see because we seem

1211
00:50:53,599 --> 00:50:57,710
to be making such a mess of things it's

1212
00:50:55,880 --> 00:51:00,320
encouraging to think that somebody might

1213
00:50:57,710 --> 00:51:03,260
be going back in time 200 years from now

1214
00:51:00,320 --> 00:51:05,720
when frankly you know my own view of

1215
00:51:03,260 --> 00:51:07,510
things somewhat says gee I wonder if

1216
00:51:05,719 --> 00:51:09,759
there will be any humans then

1217
00:51:07,510 --> 00:51:11,620
right I mean one of the people I talked

1218
00:51:09,760 --> 00:51:14,020
to when I was doing this second book

1219
00:51:11,619 --> 00:51:15,429
beyond the area 51 this young guy who

1220
00:51:14,019 --> 00:51:18,190
just happened to be a neighbor of mine

1221
00:51:15,429 --> 00:51:20,019
he was a physicist who is a veteran of

1222
00:51:18,190 --> 00:51:21,490
World War two is some really hard

1223
00:51:20,019 --> 00:51:23,650
fighting World War two and he says he

1224
00:51:21,489 --> 00:51:25,329
saw so much death and destruction that

1225
00:51:23,650 --> 00:51:27,369
when he came out of the service he

1226

00:51:25,329 --> 00:51:29,349
became a minister and then he became a

1227
00:51:27,369 --> 00:51:31,239
physicist and when he read the book he

1228
00:51:29,349 --> 00:51:33,039
said yogi he said the exact same thing

1229
00:51:31,239 --> 00:51:34,389
he says you have a very optimistic point

1230
00:51:33,039 --> 00:51:36,840
of view because if they're from the

1231
00:51:34,389 --> 00:51:38,259
future that means we have a future yeah

1232
00:51:36,840 --> 00:51:40,930
exactly

1233
00:51:38,260 --> 00:51:43,600
speaking of the future maybe you could

1234
00:51:40,929 --> 00:51:48,730
tell us what's on the burner now mr.

1235
00:51:43,599 --> 00:51:51,429
Mack Maloney yeah no you know no more

1236
00:51:48,730 --> 00:51:53,170
you were folks coming out and I do my

1237
00:51:51,429 --> 00:51:55,949
own I don't want to sound like I'm the

1238
00:51:53,170 --> 00:51:58,780
competition but I do my own radio show

1239
00:51:55,949 --> 00:52:01,179
indicated on the Military Appreciation

1240
00:51:58,780 --> 00:52:03,220

Channel and I'm forces radio network

1241
00:52:01,179 --> 00:52:05,679
next year I've called the back morning

1242
00:52:03,219 --> 00:52:08,289
military x-files show but listen to Kate

1243
00:52:05,679 --> 00:52:11,230
show first and at night show second well

1244
00:52:08,289 --> 00:52:13,360
you know the way that I look at this you

1245
00:52:11,230 --> 00:52:15,309
know having working with Kate now on

1246
00:52:13,360 --> 00:52:19,120
shattered reality which is our program

1247
00:52:15,309 --> 00:52:21,429
that you're on right now is that by so

1248
00:52:19,119 --> 00:52:25,469
many people using the Internet to

1249
00:52:21,429 --> 00:52:28,119
disperse information if you are a

1250
00:52:25,469 --> 00:52:31,480
educated listener and you know can throw

1251
00:52:28,119 --> 00:52:34,389
out some of the dross there it gives an

1252
00:52:31,480 --> 00:52:36,460
opportunity for the average person to be

1253
00:52:34,389 --> 00:52:40,059
heard the average person with an opinion

1254
00:52:36,460 --> 00:52:43,179
of some sort and perhaps to disseminate

1255
00:52:40,059 --> 00:52:46,900
information that the mass media does not

1256
00:52:43,179 --> 00:52:48,639
wish to disseminate for a reason only

1257
00:52:46,900 --> 00:52:50,789
known to themselves I mean I'm not

1258
00:52:48,639 --> 00:52:53,650
saying it's all a conspiracy but

1259
00:52:50,789 --> 00:52:59,440
certainly the internet gives us this

1260
00:52:53,650 --> 00:53:01,180
option well I think that you know well

1261
00:52:59,440 --> 00:53:06,220
the end of one of the books we asked

1262
00:53:01,179 --> 00:53:08,049
five of the leading UFO authors what

1263
00:53:06,219 --> 00:53:09,669
they thought the UFO puzzle would be so

1264
00:53:08,050 --> 00:53:12,730
and it's funny because they all said it

1265
00:53:09,670 --> 00:53:14,889
in about 30 or 40 years they think that

1266
00:53:12,730 --> 00:53:17,260
it will be at that point especially

1267
00:53:14,889 --> 00:53:19,078
Jerry Clark who I look at it as a very

1268
00:53:17,260 --> 00:53:22,799
respected partner

1269
00:53:19,079 --> 00:53:27,930
absolutely he said that he thinks up in

1270
00:53:22,798 --> 00:53:29,969
that time 2040 2050 that the stigma of

1271
00:53:27,929 --> 00:53:32,669
certain miracles will be gone for

1272
00:53:29,969 --> 00:53:34,170
scientists and as you're saying before

1273
00:53:32,670 --> 00:53:36,749
you know try to get a grant for that

1274
00:53:34,170 --> 00:53:38,639
well maybe it won't be that hot in you

1275
00:53:36,748 --> 00:53:40,588
know three or four decades to get a

1276
00:53:38,639 --> 00:53:43,739
grant to study UFOs to figure out what

1277
00:53:40,588 --> 00:53:45,208
they do who they are you know everything

1278
00:53:43,739 --> 00:53:47,458
we could possibly learn about them take

1279
00:53:45,208 --> 00:53:48,899
the stigma away from that and then maybe

1280
00:53:47,458 --> 00:53:50,399
you will just get to that one little

1281
00:53:48,900 --> 00:53:52,499
kernel of truth that is going to reveal

1282
00:53:50,400 --> 00:53:54,719
the whole thing the downside of that is

1283

00:53:52,498 --> 00:53:56,848
that it probably isn't going to be an

1284
00:53:54,719 --> 00:53:57,958
American scientist who does that there's

1285
00:53:56,849 --> 00:54:00,028
a better chance it's going to be a

1286
00:53:57,958 --> 00:54:02,759
Chinese scientist thought and Indian

1287
00:54:00,028 --> 00:54:04,139
scientist the intensity going forward in

1288
00:54:02,759 --> 00:54:06,059
their scientific programs and we're

1289
00:54:04,139 --> 00:54:07,858
going backwards it's too bad but that's

1290
00:54:06,059 --> 00:54:09,028
just that's just the fact that now

1291
00:54:07,858 --> 00:54:11,369
unless something turns around very

1292
00:54:09,028 --> 00:54:13,048
quickly you know the puzzle of UFOs

1293
00:54:11,369 --> 00:54:14,608
might not be solved by Americans it

1294
00:54:13,048 --> 00:54:17,759
might be so play something on someone in

1295
00:54:14,608 --> 00:54:21,900
Asia well they say that science moves

1296
00:54:17,759 --> 00:54:25,349
ahead one funeral at a time so I wonder

1297
00:54:21,900 --> 00:54:28,139

if this could be part of the the

1298

00:54:25,349 --> 00:54:32,009

prediction some of the people who have

1299

00:54:28,139 --> 00:54:35,338

tried to stigmatize the study will then

1300

00:54:32,009 --> 00:54:37,998

be passed out of existence and a lot of

1301

00:54:35,338 --> 00:54:41,849

the stigma is gone because of today's

1302

00:54:37,998 --> 00:54:43,998

all these various Xbox and games that

1303

00:54:41,849 --> 00:54:45,900

the children play all involve

1304

00:54:43,998 --> 00:54:47,518

extraterrestrials for them the idea of

1305

00:54:45,900 --> 00:54:49,619

an extraterrestrial is sort of

1306

00:54:47,518 --> 00:54:52,738

commonplace it they don't even think

1307

00:54:49,619 --> 00:54:56,900

twice about it I was fortunate enough to

1308

00:54:52,739 --> 00:55:00,749

be at a speech given by Edgar Mitchell

1309

00:54:56,900 --> 00:55:05,369

the former astronaut and the PhD from

1310

00:55:00,748 --> 00:55:07,948

MIT when he gave a speech to many of the

1311

00:55:05,369 --> 00:55:09,959

students from the Aeronautics High

1312
00:55:07,949 --> 00:55:12,479
School in Long Island City the New York

1313
00:55:09,958 --> 00:55:13,679
City I'm not quite getting the name of

1314
00:55:12,478 --> 00:55:14,639
the high school correct but it was I

1315
00:55:13,679 --> 00:55:17,308
think it's the high school of

1316
00:55:14,639 --> 00:55:19,199
Aeronautics but these were people young

1317
00:55:17,309 --> 00:55:21,778
men and women who were planning to

1318
00:55:19,199 --> 00:55:25,979
become pilots and maybe go in the Air

1319
00:55:21,778 --> 00:55:29,969
Force or a pursue career in aeronautics

1320
00:55:25,978 --> 00:55:32,819
and he spoke to them with that you know

1321
00:55:29,969 --> 00:55:35,869
no uncertain terms that part of their

1322
00:55:32,820 --> 00:55:39,620
future would have to be dealing with

1323
00:55:35,869 --> 00:55:41,460
extraterrestrial life or intelligence so

1324
00:55:39,619 --> 00:55:44,549
we'll see what happens

1325
00:55:41,460 --> 00:55:46,860
I mean free thinking people I mean the

1326
00:55:44,550 --> 00:55:48,180
world is becoming more populated with

1327
00:55:46,860 --> 00:55:50,039
free thinking people there's no doubt

1328
00:55:48,179 --> 00:55:51,869
about it the generations going to be

1329
00:55:50,039 --> 00:55:54,119
coming after this run and after the next

1330
00:55:51,869 --> 00:55:55,769
you know has had so much information at

1331
00:55:54,119 --> 00:55:57,539
their fingertips stuff that you know I

1332
00:55:55,769 --> 00:55:59,579
know when I was growing up we couldn't

1333
00:55:57,539 --> 00:56:01,559
even imagine you know now you're just

1334
00:55:59,579 --> 00:56:03,719
snap your fingers push a button and it's

1335
00:56:01,559 --> 00:56:06,299
there and I think that that gives people

1336
00:56:03,719 --> 00:56:10,799
the opportunity to kind of you know take

1337
00:56:06,300 --> 00:56:12,990
in ideas that maybe not you know be so I

1338
00:56:10,800 --> 00:56:14,519
don't know normal let's say you know

1339
00:56:12,989 --> 00:56:16,469
maybe they think there's people the idea

1340

00:56:14,519 --> 00:56:17,670
is that let's go out look at these

1341
00:56:16,469 --> 00:56:19,709
strange things they've always been

1342
00:56:17,670 --> 00:56:21,389
around no one's ever really looked at

1343
00:56:19,710 --> 00:56:22,260
them in a scientific way why don't we do

1344
00:56:21,389 --> 00:56:25,079
it

1345
00:56:22,260 --> 00:56:26,790
I think it's too bad but I think Jerry

1346
00:56:25,079 --> 00:56:27,239
Clark was probably right 30 to 40 years

1347
00:56:26,789 --> 00:56:31,769
from now

1348
00:56:27,239 --> 00:56:36,809
someplace in Beijing Bombay some will

1349
00:56:31,769 --> 00:56:38,579
kind of break the puzzle at 19 for our

1350
00:56:36,809 --> 00:56:49,619
2040 it's going to be a little late for

1351
00:56:38,579 --> 00:56:52,920
me so let's hope it's before then but

1352
00:56:49,619 --> 00:56:55,679
well I don't know I do suspect it's the

1353
00:56:52,920 --> 00:56:57,990
world you know everyone says oh this new

1354
00:56:55,679 --> 00:56:59,250

world order is such a horrible thing and

1355

00:56:57,989 --> 00:57:01,769

you know we're all going to be under

1356

00:56:59,250 --> 00:57:04,800

this system Universal dictator but I

1357

00:57:01,769 --> 00:57:07,079

think actually the computers is going to

1358

00:57:04,800 --> 00:57:09,150

be the ruler of the new world order and

1359

00:57:07,079 --> 00:57:13,500

the people are just going to be people

1360

00:57:09,150 --> 00:57:15,240

and I I don't think it's you know

1361

00:57:13,500 --> 00:57:19,800

obviously it could be a horrendous thing

1362

00:57:15,239 --> 00:57:21,179

you could also be a very good thing like

1363

00:57:19,800 --> 00:57:27,120

everything else in history it's going to

1364

00:57:21,179 --> 00:57:28,949

be a little bit of both no okay yeah but

1365

00:57:27,119 --> 00:57:31,799

I think it's almost unavoidable at this

1366

00:57:28,949 --> 00:57:34,139

point I think national boundaries are

1367

00:57:31,800 --> 00:57:36,780

starting to just fall apart the famous

1368

00:57:34,139 --> 00:57:39,900

physicist Stephen Hawking just recently

1369
00:57:36,780 --> 00:57:42,740
came out with a he felt that the

1370
00:57:39,900 --> 00:57:45,269
artificial intelligence might kind of

1371
00:57:42,739 --> 00:57:46,349
take us down the wrong path and become

1372
00:57:45,269 --> 00:57:49,110
our masters

1373
00:57:46,349 --> 00:57:50,519
did warn of that recently not that you

1374
00:57:49,110 --> 00:57:53,400
know I mean he's a brilliant man but not

1375
00:57:50,519 --> 00:57:54,929
that I take his word you know beyond

1376
00:57:53,400 --> 00:57:57,720
anything else but it's certainly when

1377
00:57:54,929 --> 00:58:00,029
somebody of that acumen comes to say

1378
00:57:57,719 --> 00:58:03,149
something you kind of pay attention and

1379
00:58:00,030 --> 00:58:06,180
by the way my friend and teacher from

1380
00:58:03,150 --> 00:58:08,700
the past is mr. Tom Campbell who wrote

1381
00:58:06,179 --> 00:58:10,799
my big toe so I want to be on wrong with

1382
00:58:08,699 --> 00:58:13,529
saying that he I hope he'll be our guest

1383
00:58:10,800 --> 00:58:15,690
someday too well you know certainly

1384
00:58:13,530 --> 00:58:19,290
kurtzweil agrees with you he wrote the

1385
00:58:15,690 --> 00:58:22,050
the coming singularity and to him it's

1386
00:58:19,289 --> 00:58:25,259
just a given that eventually we will not

1387
00:58:22,050 --> 00:58:27,450
we but the ruling class on this planet

1388
00:58:25,260 --> 00:58:30,540
will be silicon based not carbon-based

1389
00:58:27,449 --> 00:58:33,719
and maybe they're the ones that are the

1390
00:58:30,539 --> 00:58:35,699
travelers from the future maybe they

1391
00:58:33,719 --> 00:58:39,449
wanted to know how they evolve damn

1392
00:58:35,699 --> 00:58:41,339
where they came from and you know if you

1393
00:58:39,449 --> 00:58:43,980
have enough intelligence I think

1394
00:58:41,340 --> 00:58:46,380
eventually you develop curiosity and

1395
00:58:43,980 --> 00:58:49,740
that may be the way they're expressing

1396
00:58:46,380 --> 00:58:52,170
it it could be and there's a lot more

1397

00:58:49,739 --> 00:58:54,839
intelligent people on the earth right

1398
00:58:52,170 --> 00:58:57,539
now than there were 20 years ago because

1399
00:58:54,840 --> 00:58:59,880
what we can get on our internet somebody

1400
00:58:57,539 --> 00:59:02,309
in the middle of Ghana can get on their

1401
00:58:59,880 --> 00:59:04,200
internet too you know and it's

1402
00:59:02,309 --> 00:59:06,119
everywhere you can just pull out pull

1403
00:59:04,199 --> 00:59:07,319
down anything you want and that's just

1404
00:59:06,119 --> 00:59:09,480
going to lead to a lot of people with a

1405
00:59:07,320 --> 00:59:11,460
lot of great ideas forward-thinking

1406
00:59:09,480 --> 00:59:14,150
hopefully more fluid thinking people

1407
00:59:11,460 --> 00:59:17,369
then you know politicians or whatever

1408
00:59:14,150 --> 00:59:19,410
it's going to be interesting you know

1409
00:59:17,369 --> 00:59:22,650
maybe we can be time-travel someday and

1410
00:59:19,409 --> 00:59:26,009
come back and see you know our our

1411
00:59:22,650 --> 00:59:29,430

descendants will be well I think on that

1412

00:59:26,010 --> 00:59:31,530

happy and hopeful and optimistic note at

1413

00:59:29,429 --> 00:59:33,089

this time of the year I don't know when

1414

00:59:31,530 --> 00:59:35,490

this recording will come out but right

1415

00:59:33,090 --> 00:59:38,850

now we're enjoying the whole holiday

1416

00:59:35,489 --> 00:59:40,949

season here and I would I would

1417

00:59:38,849 --> 00:59:42,750

certainly like to thank you so much for

1418

00:59:40,949 --> 00:59:45,480

speaking with you again it's always a

1419

00:59:42,750 --> 00:59:47,340

pleasure yes I would like to thank you

1420

00:59:45,480 --> 00:59:50,099

too and if you want to tell us your

1421

00:59:47,340 --> 00:59:54,120

website if you want to put that out if

1422

00:59:50,099 --> 00:59:57,440

for our listeners mm-hmm please do Mack

1423

00:59:54,119 --> 00:59:59,369

Maloney comm and that brings you to

1424

00:59:57,440 --> 01:00:02,010

everything else

1425

00:59:59,369 --> 01:00:03,349

terrific wonderful thanks again have a

1426
01:00:02,010 --> 01:00:05,580
great season

1427
01:00:03,349 --> 01:00:07,259
thanks very much to have me on I really

1428
01:00:05,579 --> 01:00:10,920
appreciate it always a pleasure take

1429
01:00:07,260 --> 01:00:13,530
care bye bye bye you'll agree with me

1430
01:00:10,920 --> 01:00:16,110
that Mac Bologna is one of our more

1431
01:00:13,530 --> 01:00:17,940
interesting or I guess all of our

1432
01:00:16,110 --> 01:00:20,610
speakers are interesting but he has such

1433
01:00:17,940 --> 01:00:24,320
a diverse and wide wealth of knowledge

1434
01:00:20,610 --> 01:00:26,760
and just just he seems to be very

1435
01:00:24,320 --> 01:00:31,830
versatile and almost all the fields of

1436
01:00:26,760 --> 01:00:35,100
ufology yes but uh our next guest coming

1437
01:00:31,829 --> 01:00:38,400
up in the first part of January is a lot

1438
01:00:35,099 --> 01:00:41,819
more specific it is mr. Robert Schroeder

1439
01:00:38,400 --> 01:00:44,760
and he will talk about solving the UFO

1440
01:00:41,820 --> 01:00:46,980
enigma Bob Schroeder is interesting and

1441
01:00:44,760 --> 01:00:50,130
that he is not a physicist but physics

1442
01:00:46,980 --> 01:00:55,110
is his hobby which is a little bit

1443
01:00:50,130 --> 01:00:58,590
different and he has an absolute I think

1444
01:00:55,110 --> 01:01:01,320
proof of how UFOs work and he calls his

1445
01:00:58,590 --> 01:01:02,970
proof the bulk the bulk was also

1446
01:01:01,320 --> 01:01:05,730
mentioned in that recent movie

1447
01:01:02,969 --> 01:01:07,980
interstellar so I'm looking forward very

1448
01:01:05,730 --> 01:01:11,039
much to speaking to Bob Schroeder again

1449
01:01:07,980 --> 01:01:15,510
well I'm looking forward to this new

1450
01:01:11,039 --> 01:01:19,079
adventure too in 2015 now I want to

1451
01:01:15,510 --> 01:01:21,780
speak to our listeners and tell them

1452
01:01:19,079 --> 01:01:24,750
that your feedback is extremely

1453
01:01:21,780 --> 01:01:27,540
important to us so we would like to hear

1454

01:01:24,750 --> 01:01:30,090
from you and we'd also like to hear

1455
01:01:27,539 --> 01:01:33,570
about your experiences and to that end

1456
01:01:30,090 --> 01:01:37,200
we have two places for you to go the

1457
01:01:33,570 --> 01:01:40,289
first place is our actual webpage which

1458
01:01:37,199 --> 01:01:45,649
is and this is going to be the Internet

1459
01:01:40,289 --> 01:01:49,289
address shattered reality podcast dot

1460
01:01:45,650 --> 01:01:53,119
wordpress.com that's no spaces in there

1461
01:01:49,289 --> 01:01:56,400
shattered reality podcast dot

1462
01:01:53,119 --> 01:01:59,190
wordpress.com and that's the hub of our

1463
01:01:56,400 --> 01:02:02,130
show where you can listen to previous

1464
01:01:59,190 --> 01:02:05,820
episodes and hopefully future episodes

1465
01:02:02,130 --> 01:02:10,140
but it's also a place where you can have

1466
01:02:05,820 --> 01:02:12,640
a comment or you can write down your

1467
01:02:10,139 --> 01:02:15,368
experience and we really

1468
01:02:12,639 --> 01:02:17,379

hear from you and for you to share share

1469

01:02:15,369 --> 01:02:20,500

things with us of that nature the other

1470

01:02:17,380 --> 01:02:23,500

place that we'd like you to go to is our

1471

01:02:20,500 --> 01:02:27,039

Facebook page where you can get to on

1472

01:02:23,500 --> 01:02:31,409

Facebook simply by typing in the words

1473

01:02:27,039 --> 01:02:33,789

shattered reality into the search bar in

1474

01:02:31,409 --> 01:02:36,699

Facebook and then you're going to come

1475

01:02:33,789 --> 01:02:38,859

up with several different pages one of

1476

01:02:36,699 --> 01:02:43,149

which is going to indicate that it is a

1477

01:02:38,858 --> 01:02:47,018

radio station in fact it is us strangely

1478

01:02:43,150 --> 01:02:50,019

enough Facebook which is you know of a

1479

01:02:47,018 --> 01:02:53,018

social media site of the 21st century

1480

01:02:50,018 --> 01:02:55,179

they're still back in the 20th century

1481

01:02:53,018 --> 01:02:58,509

instead of the 21st because they have no

1482

01:02:55,179 --> 01:03:03,429

designation for a podcast so I was

1483
01:02:58,510 --> 01:03:05,380
forced to designate our page as a radio

1484
01:03:03,429 --> 01:03:07,929
station the other the others shattered

1485
01:03:05,380 --> 01:03:09,548
realities are bands a couple of bands

1486
01:03:07,929 --> 01:03:12,368
