[Music]

2  
00:00:17,149 --> 00:00:25,229  
welcome to shattered reality with your

3  
00:00:20,640 --> 00:00:28,199  
hosts Kate Valentine and faroush prepare

4  
00:00:25,230 --> 00:00:33,500  
to have a paradigm shifted in your

5  
00:00:28,199 --> 00:00:36,960  
truths questioned and now shadow reality

6  
00:00:33,500 --> 00:00:39,238  
hey Kate well it's another another

7  
00:00:36,960 --> 00:00:41,399  
another bulkier another another session

8  
00:00:39,238 --> 00:00:43,349  
how are you doing for shit I'm doing

9  
00:00:41,399 --> 00:00:45,210  
pretty well and I'm enjoying this

10  
00:00:43,350 --> 00:00:49,920  
slightly cooler weather what I'm going

11  
00:00:45,210 --> 00:00:57,379  
to do right away is slate and say that

12  
00:00:49,920 --> 00:01:02,670  
here we are and it is a September 27th

13  
00:00:57,378 --> 00:01:05,188  
2016 and we have a fabulous show for you

14  
00:01:02,670 --> 00:01:07,920  
today something extremely interesting

15  
00:01:05,188 --> 00:01:10,709  
and I'm going to introduce our guest in

16  
00:01:07,920 --> 00:01:13,560  
one minute but I do want to remind our

17  
00:01:10,709 --> 00:01:17,188  
listeners that we have two more weeks

18  
00:01:13,560 --> 00:01:20,640  
left before we make our choices on the

19  
00:01:17,188 --> 00:01:26,250  
contestant winners of the three three

20  
00:01:20,640 --> 00:01:32,250  
book sets of books by Lisette Larkins

21  
00:01:26,250 --> 00:01:37,289  
and so please keep those comments coming

22  
00:01:32,250 --> 00:01:41,569  
in on both shattered reality podcast.com

23  
00:01:37,290 --> 00:01:46,100  
and shattered reality podcast

24  
00:01:41,569 --> 00:01:50,129  
wordpress.com our our mirror site and

25  
00:01:46,099 --> 00:01:52,099  
now we have a fabulous guest and I'm

26  
00:01:50,129 --> 00:01:55,560  
going to tell you why he's fabulous

27  
00:01:52,099 --> 00:01:57,718  
before I actually introduced him the

28  
00:01:55,560 --> 00:02:00,299  
reason why he's going to be extremely

29

00:01:57,718 --> 00:02:03,109  
interesting is that there is no one who

30  
00:02:00,299 --> 00:02:05,909  
can fail to be interested by this

31  
00:02:03,109 --> 00:02:09,060  
subject this is a subject that affects

32  
00:02:05,909 --> 00:02:12,300  
each and every one of us it doesn't only

33  
00:02:09,060 --> 00:02:13,310  
affect people who have dreams or people

34  
00:02:12,300 --> 00:02:15,770  
who are psychic

35  
00:02:13,310 --> 00:02:19,610  
or people who want to do remote viewing

36  
00:02:15,770 --> 00:02:23,300  
this subject affects each and every one

37  
00:02:19,610 --> 00:02:27,890  
of us our guest today is mr. Robert

38  
00:02:23,300 --> 00:02:30,350  
Hastings he has a book called UFOs and

39  
00:02:27,889 --> 00:02:34,399  
nooks extraordinary encounters at

40  
00:02:30,349 --> 00:02:37,370  
nuclear weapons sites and now he has a

41  
00:02:34,400 --> 00:02:40,879  
brand new movie called UFOs and nukes

42  
00:02:37,370 --> 00:02:43,969  
the secret link revealed this is a new

43  
00:02:40,879 --> 00:02:47,870

documentary film by Robert Hastings and

44

00:02:43,969 --> 00:02:52,639

it is extremely well documented with US

45

00:02:47,870 --> 00:02:55,909

Air Force FBI and CIA files that have

46

00:02:52,639 --> 00:02:58,609

been Declassified now Robert Hastings

47

00:02:55,909 --> 00:03:02,799

has degrees in photography and material

48

00:02:58,610 --> 00:03:06,440

science he was born at Sandia base in

49

00:03:02,800 --> 00:03:08,959

Albuquerque New Mexico in 1950 and he

50

00:03:06,439 --> 00:03:13,189

actually lived at Malstrom Air Force

51

00:03:08,959 --> 00:03:18,069

Base in Montana his father was a career

52

00:03:13,189 --> 00:03:21,289

military officer so Kate let's welcome

53

00:03:18,069 --> 00:03:23,269

Robert Hastings Robert great to talk to

54

00:03:21,289 --> 00:03:25,639

you again and I think tonight you

55

00:03:23,269 --> 00:03:27,860

forever nods it's a pleasure I think one

56

00:03:25,639 --> 00:03:29,988

of the most important things that Russia

57

00:03:27,860 --> 00:03:32,930

said was that the film is indeed a

58  
00:03:29,989 --> 00:03:36,769  
documentary this is not fiction this is

59  
00:03:32,930 --> 00:03:40,790  
not made-up what you have just gone to

60  
00:03:36,769 --> 00:03:43,189  
extreme lengths to document and and to

61  
00:03:40,789 --> 00:03:46,939  
prove your case in this one which is

62  
00:03:43,189 --> 00:03:49,069  
indeed incursions of UFOs over a nuclear

63  
00:03:46,939 --> 00:03:53,090  
basis not just in this country but in

64  
00:03:49,069 --> 00:03:54,799  
other countries as well my father as you

65  
00:03:53,090 --> 00:03:58,849  
mentioned was that Nam Sturm Air Force

66  
00:03:54,799 --> 00:04:02,540  
Base in 1966-67 he was a Senior Master

67  
00:03:58,849 --> 00:04:04,489  
Sergeant but not an officer but indeed

68  
00:04:02,539 --> 00:04:08,239  
that was the genesis of my interest in

69  
00:04:04,489 --> 00:04:10,159  
the subject of UFOs and nuke long story

70  
00:04:08,239 --> 00:04:12,200  
short he worked in large windowless

71  
00:04:10,159 --> 00:04:14,539  
concrete structure called the sage

72  
00:04:12,199 --> 00:04:18,019  
building which had military radar

73  
00:04:14,539 --> 00:04:20,870  
operations and in March of 67 he was

74  
00:04:18,019 --> 00:04:23,509  
aware from scuttlebutt around the sage

75  
00:04:20,870 --> 00:04:25,970  
building that unknown aerial objects

76  
00:04:23,509 --> 00:04:26,920  
were being tracked on multiple radars at

77  
00:04:25,970 --> 00:04:29,950  
Malmstrom Air Force

78  
00:04:26,920 --> 00:04:31,660  
space most alarmingly these objects were

79  
00:04:29,949 --> 00:04:34,930  
flying near the nuclear missile sites

80  
00:04:31,660 --> 00:04:36,370  
and he was only indirectly involved but

81  
00:04:34,930 --> 00:04:39,459  
there were enough rumors floating around

82  
00:04:36,370 --> 00:04:41,680  
that he knew that much at the same time

83  
00:04:39,459 --> 00:04:43,659  
I was a junior in high school but I

84  
00:04:41,680 --> 00:04:45,819  
worked as a janitor three nights a week

85  
00:04:43,660 --> 00:04:48,880  
at the base air traffic control tower

86

00:04:45,819 --> 00:04:52,060  
just pushed a broom empty trash cans and

87  
00:04:48,879 --> 00:04:54,399  
so on and over the course of several

88  
00:04:52,060 --> 00:04:57,040  
months I made the acquaintance of an FAA

89  
00:04:54,399 --> 00:04:59,560  
controller actually a supervisor named

90  
00:04:57,040 --> 00:05:01,420  
Bob Grasser and he was quite generous

91  
00:04:59,560 --> 00:05:03,699  
with his time when he was in the break

92  
00:05:01,420 --> 00:05:04,060  
room explaining to me how radar work and

93  
00:05:03,699 --> 00:05:06,969  
so on

94  
00:05:04,060 --> 00:05:09,939  
and one night as best as we can

95  
00:05:06,970 --> 00:05:12,460  
determine mid to late March of 67 I

96  
00:05:09,939 --> 00:05:14,199  
walked into rapcon radar approaching

97  
00:05:12,459 --> 00:05:16,569  
control where he worked at the top of

98  
00:05:14,199 --> 00:05:17,920  
the tower and was going to empty trash

99  
00:05:16,569 --> 00:05:20,639  
cans and move on

100  
00:05:17,920 --> 00:05:23,230

and he just nonchalantly as I recall

101

00:05:20,639 --> 00:05:25,599

motioned me over go scope and said we're

102

00:05:23,230 --> 00:05:28,240

tracking five and he either used the

103

00:05:25,600 --> 00:05:30,520

term unknowns which is the proper term

104

00:05:28,240 --> 00:05:32,560

radar term or he may have actually said

105

00:05:30,519 --> 00:05:36,399

UFOs and I knew what he was talking

106

00:05:32,560 --> 00:05:37,269

about and that was why I got interested

107

00:05:36,399 --> 00:05:39,579

in this topic

108

00:05:37,269 --> 00:05:42,060

I went home very excited told my father

109

00:05:39,579 --> 00:05:44,560

that the towers tracking UFOs and

110

00:05:42,060 --> 00:05:46,420

unbeknownst to me he made some inquiries

111

00:05:44,560 --> 00:05:49,030

around the stage building and found out

112

00:05:46,420 --> 00:05:52,660

that indeed the military radar personnel

113

00:05:49,029 --> 00:05:54,339

were tracking them too and I was a

114

00:05:52,660 --> 00:05:56,380

teenager I couldn't really do much with

115  
00:05:54,339 --> 00:06:00,189  
that information but when I graduated

116  
00:05:56,379 --> 00:06:02,649  
from college in 1972 and did a year's

117  
00:06:00,189 --> 00:06:04,509  
worth of graduate work around that time

118  
00:06:02,649 --> 00:06:07,269  
frame I became aware of published

119  
00:06:04,509 --> 00:06:10,389  
references the late dr. J Allen Hynek

120  
00:06:07,269 --> 00:06:13,589  
who was the Bluebook know a blue book

121  
00:06:10,389 --> 00:06:16,689  
scientific adviser Project Blue Book II

122  
00:06:13,589 --> 00:06:18,719  
made mention of UFO activity in your

123  
00:06:16,689 --> 00:06:21,579  
nuclear missile sites in North Dakota

124  
00:06:18,720 --> 00:06:24,820  
Ray Fowler who is a well known UFO

125  
00:06:21,579 --> 00:06:28,120  
researcher wrote a book in 1974 called

126  
00:06:24,819 --> 00:06:30,879  
UFOs interplanetary visitors in which he

127  
00:06:28,120 --> 00:06:33,310  
said that his liaison personnel at

128  
00:06:30,879 --> 00:06:35,860  
Malmstrom he was in the Minuteman

129  
00:06:33,310 --> 00:06:38,350  
program for Sylvania Corporation but his

130  
00:06:35,860 --> 00:06:39,970  
contacts at the base were confirming

131  
00:06:38,350 --> 00:06:40,689  
that UFOs were hovering over the

132  
00:06:39,970 --> 00:06:42,700  
missiles

133  
00:06:40,689 --> 00:06:47,439  
and the missiles were malfunctioning at

134  
00:06:42,699 --> 00:06:49,360  
that point I went wow this is real this

135  
00:06:47,439 --> 00:06:51,519  
is important you know we need to get

136  
00:06:49,360 --> 00:06:53,710  
these veterans on the record and so I

137  
00:06:51,519 --> 00:06:55,509  
began seeking out persons who were

138  
00:06:53,709 --> 00:06:58,269  
involved in these incidents not only at

139  
00:06:55,509 --> 00:07:00,219  
Malmstrom but elsewhere involving UFO

140  
00:06:58,269 --> 00:07:03,909  
incursions at nuclear missile sites I

141  
00:07:00,220 --> 00:07:05,880  
now have over 150 services ranging from

142  
00:07:03,910 --> 00:07:09,070  
the rank of colonel down to airman

143

00:07:05,879 --> 00:07:11,680  
persons who were where the UFOs hovered

144  
00:07:09,069 --> 00:07:14,529  
over missile sites over bombs storage

145  
00:07:11,680 --> 00:07:17,879  
depots at nuclear missile test sites

146  
00:07:14,529 --> 00:07:21,479  
just the whole spectrum of UFO

147  
00:07:17,879 --> 00:07:27,069  
incursions at nuclear weapons sites and

148  
00:07:21,480 --> 00:07:29,050  
by 1981 I felt you know I don't know why

149  
00:07:27,069 --> 00:07:31,089  
I'm so driven to do this but I quit a

150  
00:07:29,050 --> 00:07:33,520  
good-paying job and I went out on the

151  
00:07:31,089 --> 00:07:35,229  
college lecture circuit to try to Queen

152  
00:07:33,519 --> 00:07:38,769  
Americans with the reality of the

153  
00:07:35,230 --> 00:07:41,020  
situation and that was 30-some years ago

154  
00:07:38,769 --> 00:07:43,779  
I've spoken at over 500 colleges and

155  
00:07:41,019 --> 00:07:46,329  
universities I am finding a bit of a

156  
00:07:43,779 --> 00:07:48,759  
very receptive audience not only in this

157  
00:07:46,329 --> 00:07:51,069

country but now that the internet is in

158

00:07:48,759 --> 00:07:53,319

existence I have contacts worldwide

159

00:07:51,069 --> 00:07:55,930

people are very obviously interested in

160

00:07:53,319 --> 00:07:59,168

the subject yes and and I can absolutely

161

00:07:55,930 --> 00:08:02,290

see why and Kate and I certainly

162

00:07:59,168 --> 00:08:05,109

understand why you're doing what you're

163

00:08:02,290 --> 00:08:07,510

doing because here we are making a

164

00:08:05,110 --> 00:08:11,500

podcast the totally non-commercial

165

00:08:07,509 --> 00:08:13,418

podcast totally free access for which we

166

00:08:11,500 --> 00:08:15,970

get paid absolutely nothing and we

167

00:08:13,418 --> 00:08:18,189

continue to do it because these are

168

00:08:15,970 --> 00:08:20,830

subjects this subject and allied

169

00:08:18,189 --> 00:08:22,990

subjects are things that we think people

170

00:08:20,829 --> 00:08:25,300

need to pay more attention to in the

171

00:08:22,990 --> 00:08:28,960

world and they're not paying enough

172  
00:08:25,300 --> 00:08:32,680  
attention to but to get back to you and

173  
00:08:28,959 --> 00:08:36,009  
the first of the first example that I

174  
00:08:32,679 --> 00:08:40,179  
think you talk about is the Roswell

175  
00:08:36,009 --> 00:08:43,269  
connection and how this was a dawn of a

176  
00:08:40,179 --> 00:08:46,089  
different era with the advent of nuclear

177  
00:08:43,269 --> 00:08:48,939  
weapons being tested in places and

178  
00:08:46,090 --> 00:08:50,070  
Roswell tell us why Roswell is important

179  
00:08:48,940 --> 00:08:54,040  
please

180  
00:08:50,070 --> 00:08:55,990  
well of all the Roswell witnesses in my

181  
00:08:54,039 --> 00:08:59,230  
view the most important is a man named

182  
00:08:55,990 --> 00:09:01,240  
general Arthur exon and he was a

183  
00:08:59,230 --> 00:09:02,889  
lieutenant colonel at right field later

184  
00:09:01,240 --> 00:09:05,919  
wright-patterson Air Force Base in

185  
00:09:02,889 --> 00:09:08,588  
Dayton Ohio in July of 47 when this

186  
00:09:05,919 --> 00:09:10,929  
incident occurred down in New Mexico

187  
00:09:08,589 --> 00:09:13,300  
Lieutenant Colonel exon was later

188  
00:09:10,929 --> 00:09:15,009  
general exon he was the base commander

189  
00:09:13,299 --> 00:09:17,319  
of wright-patterson Air Force Base in

190  
00:09:15,009 --> 00:09:19,509  
the early 60s quite an unimpeachable

191  
00:09:17,320 --> 00:09:21,700  
source and he has gone on the record

192  
00:09:19,509 --> 00:09:24,399  
with Kevin Randle research for Kevin

193  
00:09:21,700 --> 00:09:26,680  
Randle saying that he was there when the

194  
00:09:24,399 --> 00:09:28,958  
debris from the Roswell craft came in

195  
00:09:26,679 --> 00:09:31,659  
and was analyzed by engineers at

196  
00:09:28,958 --> 00:09:33,250  
wright-patterson and he said a couple of

197  
00:09:31,659 --> 00:09:35,559  
the people involved thought this might

198  
00:09:33,250 --> 00:09:38,019  
be advanced Soviet technology based on

199  
00:09:35,559 --> 00:09:40,028  
captured German technology at the end of

200

00:09:38,019 --> 00:09:41,708  
the war he said the majority of the

201  
00:09:40,028 --> 00:09:44,919  
analysts were pretty sure that this

202  
00:09:41,708 --> 00:09:47,588  
debris was from an interplanetary craft

203  
00:09:44,919 --> 00:09:51,389  
and he has said on the record on

204  
00:09:47,589 --> 00:09:54,399  
audiotape and in written letters that

205  
00:09:51,389 --> 00:09:57,490  
after 24 hours of analysis of this

206  
00:09:54,399 --> 00:09:59,259  
debris everyone from President Truman on

207  
00:09:57,490 --> 00:10:02,379  
down knew that we had recovered an

208  
00:09:59,259 --> 00:10:05,049  
interplanetary spacecraft now the

209  
00:10:02,379 --> 00:10:07,240  
importance of the Roswell incident to

210  
00:10:05,049 --> 00:10:10,328  
the nuclear weapons-related cases is

211  
00:10:07,240 --> 00:10:12,879  
that at the time of the incident Roswell

212  
00:10:10,328 --> 00:10:15,819  
Army Airfield was the only base on the

213  
00:10:12,879 --> 00:10:18,399  
planet that had nuclear capable bombers

214  
00:10:15,820 --> 00:10:20,800

the 500 9th Bomb Group which was the

215

00:10:18,399 --> 00:10:23,320

same Bomb Group that Japan that the

216

00:10:20,799 --> 00:10:25,799

Japanese cities experienced in World War

217

00:10:23,320 --> 00:10:28,149

2 they bombed Hiroshima and Nagasaki

218

00:10:25,799 --> 00:10:30,219

they were involved in some tests

219

00:10:28,149 --> 00:10:33,639

immediately after World War two in the

220

00:10:30,220 --> 00:10:36,160

South Pacific and literally at the time

221

00:10:33,639 --> 00:10:38,889

of the Roswell incident which Exxon

222

00:10:36,159 --> 00:10:43,000

general Exxon says the recovery of an

223

00:10:38,889 --> 00:10:45,039

alien spacecraft the nearby facility

224

00:10:43,000 --> 00:10:47,409

where all this took place was the only

225

00:10:45,039 --> 00:10:50,528

nuclear bomber base in the world at that

226

00:10:47,409 --> 00:10:53,110

time in my view that's not coincidental

227

00:10:50,528 --> 00:10:55,240

I think whoever were aboard this craft

228

00:10:53,110 --> 00:10:56,829

were involved in some sort of

229

00:10:55,240 --> 00:11:00,129  
surveillance of the operations at

230

00:10:56,828 --> 00:11:03,189  
Roswell that's also when the whole veil

231

00:11:00,129 --> 00:11:06,159  
of secrecy over UFOs started to really

232

00:11:03,190 --> 00:11:08,350  
into effect - that was part of Roswell

233

00:11:06,159 --> 00:11:10,990  
as well all the cover-ups that the

234

00:11:08,350 --> 00:11:15,310  
government you know just enforced on the

235

00:11:10,990 --> 00:11:19,149  
public yes indeed now what we want just

236

00:11:15,309 --> 00:11:22,419  
you know I think Robert really certainly

237

00:11:19,149 --> 00:11:25,509  
no one disagrees that nuclear plants

238

00:11:22,419 --> 00:11:27,639  
have attracted UFOs but I think what a

239

00:11:25,509 --> 00:11:30,550  
lot of people don't understand is the

240

00:11:27,639 --> 00:11:32,589  
size of these you know these flying

241

00:11:30,549 --> 00:11:33,399  
vehicles these unidentified flying

242

00:11:32,589 --> 00:11:35,560  
vehicles

243  
00:11:33,399 --> 00:11:37,600  
they're huge I mean they're really scary

244  
00:11:35,559 --> 00:11:39,789  
and they're fiery red and they're

245  
00:11:37,600 --> 00:11:41,860  
hanging there and you know there's just

246  
00:11:39,789 --> 00:11:46,299  
no communication with them it's it's

247  
00:11:41,860 --> 00:11:49,089  
sort of an odd sort of an object they're

248  
00:11:46,299 --> 00:11:50,769  
clearly not conventional aircraft the

249  
00:11:49,089 --> 00:11:54,370  
majority of the witnesses that I've

250  
00:11:50,769 --> 00:11:56,409  
spoken with primarily nuclear weapons

251  
00:11:54,370 --> 00:11:59,230  
security guards at various Air Force

252  
00:11:56,409 --> 00:12:00,698  
bases they're the one to be above ground

253  
00:11:59,230 --> 00:12:03,550  
level who would see something in the sky

254  
00:12:00,698 --> 00:12:05,370  
the vast majority of my sources have

255  
00:12:03,549 --> 00:12:07,838  
said that these were saucer shaped

256  
00:12:05,370 --> 00:12:10,149  
probably 30 to 50 feet in diameter

257

00:12:07,839 --> 00:12:12,040  
brightly glowing if they're seen at

258  
00:12:10,149 --> 00:12:14,708  
night if they're seen in the day they're

259  
00:12:12,039 --> 00:12:16,719  
silver metallic discs there are a

260  
00:12:14,708 --> 00:12:19,289  
handful of cases where what are being

261  
00:12:16,720 --> 00:12:22,600  
described are much larger object objects

262  
00:12:19,289 --> 00:12:24,458  
like cylinder shaped objects perhaps the

263  
00:12:22,600 --> 00:12:28,000  
size of an aircraft carrier or even

264  
00:12:24,458 --> 00:12:30,159  
larger and there are even cases where

265  
00:12:28,000 --> 00:12:31,870  
small discs have been observed coming

266  
00:12:30,159 --> 00:12:34,299  
out of these larger cylinder shaped

267  
00:12:31,870 --> 00:12:37,149  
objects as if they're motherships so to

268  
00:12:34,299 --> 00:12:39,609  
speak but the witnesses you know what I

269  
00:12:37,149 --> 00:12:42,129  
what I've told people now for three

270  
00:12:39,610 --> 00:12:44,860  
decades both on the college lecture

271  
00:12:42,129 --> 00:12:47,379

circuit my audiences and just when I do

272

00:12:44,860 --> 00:12:49,470

interviews like this but all the people

273

00:12:47,379 --> 00:12:52,000

that I've talked to over the years are

274

00:12:49,470 --> 00:12:54,430

entrusted by the US government to either

275

00:12:52,000 --> 00:12:56,379

guard or operate nuclear weapons they

276

00:12:54,429 --> 00:12:58,719

were thoroughly vetted they're not

277

00:12:56,379 --> 00:13:01,179

flakes they're not psychologically

278

00:12:58,720 --> 00:13:02,889

unstable they they don't drink they

279

00:13:01,179 --> 00:13:05,229

don't have drug problems they're just

280

00:13:02,889 --> 00:13:07,659

thoroughly vetted and there's a system

281

00:13:05,230 --> 00:13:09,399

in place that keeps them very in check

282

00:13:07,659 --> 00:13:11,500

when they're they're not only doing

283

00:13:09,399 --> 00:13:14,919

their jobs but in their off-duty hours

284

00:13:11,500 --> 00:13:17,110

and yet now I have over 150 launch

285

00:13:14,919 --> 00:13:19,000

officers targeting officers

286  
00:13:17,110 --> 00:13:21,610  
missile maintenance personnel missile

287  
00:13:19,000 --> 00:13:23,620  
security guards all saying that UFOs

288  
00:13:21,610 --> 00:13:26,710  
have monitored and even tampered with

289  
00:13:23,620 --> 00:13:28,960  
our nuclear missiles or weapons in

290  
00:13:26,710 --> 00:13:31,269  
general and I just think the public

291  
00:13:28,960 --> 00:13:33,280  
really needs to realize that there are

292  
00:13:31,269 --> 00:13:36,370  
this many credible people all saying

293  
00:13:33,279 --> 00:13:38,230  
that this has taken place even though at

294  
00:13:36,370 --> 00:13:40,570  
the end of the Cold War we and the

295  
00:13:38,230 --> 00:13:43,090  
Russians downsized our nuclear arsenals

296  
00:13:40,570 --> 00:13:44,740  
we by treaty still have plenty of

297  
00:13:43,090 --> 00:13:47,470  
weapons over a thousand deployed

298  
00:13:44,740 --> 00:13:49,720  
missiles for example in each country let

299  
00:13:47,470 --> 00:13:52,360  
alone the stockpiles that would more

300  
00:13:49,720 --> 00:13:54,610  
than you know adequately destroy human

301  
00:13:52,360 --> 00:13:57,070  
civilization if we ever blunder into a

302  
00:13:54,610 --> 00:13:59,080  
nuclear war so even though nuclear

303  
00:13:57,070 --> 00:14:02,740  
weapons are not at this point in our

304  
00:13:59,080 --> 00:14:04,870  
history as dire a situation as they were

305  
00:14:02,740 --> 00:14:07,330  
when we were not threatening to go to

306  
00:14:04,870 --> 00:14:09,789  
war with the Soviets for example during

307  
00:14:07,330 --> 00:14:12,460  
the Cuban Missile Crisis the potential

308  
00:14:09,789 --> 00:14:14,529  
for disaster still exists and it's clear

309  
00:14:12,460 --> 00:14:16,780  
based on the reports that I've gotten

310  
00:14:14,529 --> 00:14:18,939  
even in the last two or three years from

311  
00:14:16,779 --> 00:14:20,860  
namsan Air Force Base that UFOs are

312  
00:14:18,940 --> 00:14:22,780  
still monitoring our nuclear weapons

313  
00:14:20,860 --> 00:14:24,639  
so this really is a subject that

314

00:14:22,779 --> 00:14:26,679  
everyone has a vested interest in

315  
00:14:24,639 --> 00:14:28,449  
learning about absolutely

316  
00:14:26,679 --> 00:14:30,279  
what sort of scared me in the debate

317  
00:14:28,450 --> 00:14:32,290  
last night which you know without

318  
00:14:30,279 --> 00:14:35,829  
getting into any politics or anything is

319  
00:14:32,289 --> 00:14:39,459  
that both participants agreed strongly

320  
00:14:35,830 --> 00:14:41,980  
that nuclear war nuclear weapons for our

321  
00:14:39,460 --> 00:14:44,170  
major threat and that surprised me I

322  
00:14:41,980 --> 00:14:45,700  
mean I was thinking you know like all

323  
00:14:44,169 --> 00:14:48,009  
the other different political talking

324  
00:14:45,700 --> 00:14:50,290  
points would have come up but they both

325  
00:14:48,009 --> 00:14:52,330  
were very much in agreement with that

326  
00:14:50,289 --> 00:14:54,939  
which I mean obviously it's a serious

327  
00:14:52,330 --> 00:14:58,000  
problem in a real threat but I was

328  
00:14:54,940 --> 00:15:00,750

surprised if that was brought up it has

329

00:14:58,000 --> 00:15:03,190

there been like an increase in nuclear

330

00:15:00,750 --> 00:15:07,029

observations or anything along those

331

00:15:03,190 --> 00:15:09,910

lines that would make that trick well to

332

00:15:07,029 --> 00:15:11,620

follow up on your to follow up on your

333

00:15:09,909 --> 00:15:14,230

point you know humans are fallible

334

00:15:11,620 --> 00:15:16,629

creatures one just has to look at our

335

00:15:14,230 --> 00:15:18,430

history to know that even if we don't

336

00:15:16,629 --> 00:15:21,070

intentionally mean to do something well

337

00:15:18,429 --> 00:15:23,500

sometimes blunder into things and there

338

00:15:21,070 --> 00:15:25,780

have been so many in my book which is

339

00:15:23,500 --> 00:15:29,440

available at my website UFO Hastings

340

00:15:25,779 --> 00:15:30,578

comm there's a whole chapter devoted to

341

00:15:29,440 --> 00:15:32,379

near misses where

342

00:15:30,578 --> 00:15:34,928

either we or the Russians almost

343  
00:15:32,379 --> 00:15:36,938  
launched World War 3 and all of these

344  
00:15:34,928 --> 00:15:40,419  
dramatic incidents these near misses

345  
00:15:36,938 --> 00:15:44,019  
were kept classified until the late

346  
00:15:40,419 --> 00:15:46,748  
1990s the best well-known one is the

347  
00:15:44,019 --> 00:15:49,480  
most dramatic one was the Cuban Missile

348  
00:15:46,749 --> 00:15:52,028  
Crisis in 1962 but there are over 20

349  
00:15:49,480 --> 00:15:54,298  
cases that either our government or the

350  
00:15:52,028 --> 00:15:56,860  
Russian government has acknowledged as

351  
00:15:54,298 --> 00:15:58,629  
being where we were literally minutes

352  
00:15:56,860 --> 00:16:00,699  
away from nuclear destruction and

353  
00:15:58,629 --> 00:16:02,470  
compete the vast majority of the

354  
00:16:00,698 --> 00:16:05,769  
American public and other people don't

355  
00:16:02,470 --> 00:16:08,019  
even know it to this day - your second

356  
00:16:05,769 --> 00:16:11,318  
point what is the frequency of sightings

357  
00:16:08,019 --> 00:16:13,839  
today you know my research is based on

358  
00:16:11,318 --> 00:16:16,808  
catch-as-catch-can there's no way I can

359  
00:16:13,839 --> 00:16:18,819  
systematically get an idea of how many

360  
00:16:16,808 --> 00:16:21,399  
events took place in a given year at a

361  
00:16:18,818 --> 00:16:23,289  
given base because quite clearly these

362  
00:16:21,399 --> 00:16:25,869  
are classified at a high level

363  
00:16:23,289 --> 00:16:28,178  
most of my sources these veterans wait

364  
00:16:25,869 --> 00:16:30,459  
years sometimes decades before they feel

365  
00:16:28,178 --> 00:16:33,129  
comfortable talking about what they were

366  
00:16:30,458 --> 00:16:35,289  
involved in so something may have

367  
00:16:33,129 --> 00:16:37,119  
happened last night at one base or

368  
00:16:35,289 --> 00:16:39,789  
another there could have been the USO

369  
00:16:37,119 --> 00:16:41,678  
event at a missile site at Malmstrom or

370  
00:16:39,789 --> 00:16:44,769  
some other base and it may be decades

371

00:16:41,678 --> 00:16:47,558  
people I know about a year certainly but

372  
00:16:44,769 --> 00:16:50,259  
the last one that that we can ascertain

373  
00:16:47,558 --> 00:16:53,379  
occurred would note with no doubt was in

374  
00:16:50,259 --> 00:16:56,139  
October of 2010 @fe Warren Air Force

375  
00:16:53,379 --> 00:16:58,509  
Base in Wyoming and it was

376  
00:16:56,139 --> 00:17:00,850  
coincidentally or not only a month after

377  
00:16:58,509 --> 00:17:04,328  
my press conference in which was by the

378  
00:17:00,850 --> 00:17:07,449  
way six years ago today 27 pounds of

379  
00:17:04,328 --> 00:17:10,148  
September 2010 so that kind of

380  
00:17:07,449 --> 00:17:14,409  
coincidental Wow not not even a month

381  
00:17:10,148 --> 00:17:15,938  
later on October 23rd the eppie Warren

382  
00:17:14,409 --> 00:17:18,370  
Air Force Base suddenly could not

383  
00:17:15,939 --> 00:17:21,329  
communicate with five of the missile

384  
00:17:18,369 --> 00:17:23,588  
launch control capsules each of which

385  
00:17:21,328 --> 00:17:25,720

controlled 10 nuclear missiles so

386

00:17:23,588 --> 00:17:28,538

suddenly were reasons that were

387

00:17:25,720 --> 00:17:31,839

inexplicable initially the base could

388

00:17:28,538 --> 00:17:34,089

not communicate with 50 officers that

389

00:17:31,839 --> 00:17:36,428

would have launched 50 missiles now when

390

00:17:34,089 --> 00:17:38,230

I heard that the story broke in the

391

00:17:36,429 --> 00:17:40,509

Atlantic by the way of the Atlantic

392

00:17:38,230 --> 00:17:42,538

website and the Pentagon had to admit

393

00:17:40,509 --> 00:17:44,529

that what they claimed was a one-hour

394

00:17:42,538 --> 00:17:46,990

situation where they couldn't community

395

00:17:44,529 --> 00:17:49,750

these castles what I learned by

396

00:17:46,990 --> 00:17:53,829

contacting my sources at the base both

397

00:17:49,750 --> 00:17:56,230

millet of duty military and retired was

398

00:17:53,829 --> 00:17:58,059

that the incident actually lasted 25

399

00:17:56,230 --> 00:17:59,710

hours something the Pentagon did not

400  
00:17:58,059 --> 00:18:01,809  
want to admit that they were having

401  
00:17:59,710 --> 00:18:04,539  
trouble communicating with these launch

402  
00:18:01,809 --> 00:18:06,579  
capsules for more than a day but what

403  
00:18:04,539 --> 00:18:09,039  
they also obviously did not want to

404  
00:18:06,579 --> 00:18:11,679  
admit what my source is filming the film

405  
00:18:09,039 --> 00:18:13,180  
maintenance technicians was that during

406  
00:18:11,680 --> 00:18:15,160  
this day-long incident

407  
00:18:13,180 --> 00:18:17,350  
there were various maintenance teams out

408  
00:18:15,160 --> 00:18:19,090  
in the field trying to ascertain and

409  
00:18:17,349 --> 00:18:21,159  
ascertain the problem and bring the

410  
00:18:19,089 --> 00:18:23,319  
missiles back online effective

411  
00:18:21,160 --> 00:18:25,870  
communications with the base and all

412  
00:18:23,319 --> 00:18:27,970  
these teams independently went back to

413  
00:18:25,869 --> 00:18:30,309  
the base and reported seeing a huge

414  
00:18:27,970 --> 00:18:33,910  
cylinder shaped object lighting through

415  
00:18:30,309 --> 00:18:36,220  
the sky and one of the sources said that

416  
00:18:33,910 --> 00:18:38,950  
it was pretty clear shortly thereafter

417  
00:18:36,220 --> 00:18:41,259  
that this was not a blimp or something

418  
00:18:38,950 --> 00:18:43,809  
because the maintenance commander at the

419  
00:18:41,259 --> 00:18:46,599  
base got the entire squadron in a room

420  
00:18:43,809 --> 00:18:49,419  
and said you are not discussed with

421  
00:18:46,599 --> 00:18:51,819  
journalists or researchers or anyone

422  
00:18:49,420 --> 00:18:55,450  
what you quote may or may not have seen

423  
00:18:51,819 --> 00:18:58,359  
in the sky so quite clearly a high-level

424  
00:18:55,450 --> 00:19:01,390  
Air Force personnel if you are knew that

425  
00:18:58,359 --> 00:19:03,519  
this was a UFO incident or at least the

426  
00:19:01,390 --> 00:19:05,050  
UFO was sighted at the same time they

427  
00:19:03,519 --> 00:19:06,519  
were having problems problems

428

00:19:05,049 --> 00:19:09,849  
communicating with the missile crews

429  
00:19:06,519 --> 00:19:12,579  
quite clearly in my view there - - were

430  
00:19:09,849 --> 00:19:14,889  
related and that you know roughly six

431  
00:19:12,579 --> 00:19:16,419  
years ago that that this occurred so

432  
00:19:14,890 --> 00:19:18,640  
it's still ongoing it's not ancient

433  
00:19:16,420 --> 00:19:23,740  
history it didn't go away at the end of

434  
00:19:18,640 --> 00:19:26,650  
the Cold War now moving away from what

435  
00:19:23,740 --> 00:19:31,660  
just happened I want to just kind of

436  
00:19:26,650 --> 00:19:35,500  
give our listeners a a general idea of

437  
00:19:31,660 --> 00:19:39,220  
the typical incursion that might occur

438  
00:19:35,500 --> 00:19:42,190  
at one of these air bases that have

439  
00:19:39,220 --> 00:19:45,190  
these missile silos in them there are

440  
00:19:42,190 --> 00:19:47,380  
tell me if I'm wrong there are generally

441  
00:19:45,190 --> 00:19:50,380  
two layers to this there are the guys

442  
00:19:47,380 --> 00:19:53,320

underneath the ground in front of the

443

00:19:50,380 --> 00:19:55,360

screams and in charge of the missile

444

00:19:53,319 --> 00:19:57,619

silos and then there are another group

445

00:19:55,359 --> 00:20:00,429

of airmen

446

00:19:57,619 --> 00:20:04,159

that are above ground who are watching

447

00:20:00,430 --> 00:20:06,710

the missile silos and there they're

448

00:20:04,160 --> 00:20:09,980

doing things above ground and generally

449

00:20:06,710 --> 00:20:12,590

these two groups operate somewhat

450

00:20:09,980 --> 00:20:15,049

separately and what happens to them

451

00:20:12,589 --> 00:20:17,720

during these incursions are somewhat

452

00:20:15,049 --> 00:20:22,639

different in the typical incursion the

453

00:20:17,720 --> 00:20:27,130

the UFO comes over the fellows up up top

454

00:20:22,640 --> 00:20:30,860

see see the UFO the UFO may or may not

455

00:20:27,130 --> 00:20:34,520

seem to shoot down a beam of light that

456

00:20:30,859 --> 00:20:37,549

goes into the area where the missiles

457  
00:20:34,519 --> 00:20:40,369  
are stored and then the gentleman

458  
00:20:37,549 --> 00:20:43,639  
downstairs find that the missiles have

459  
00:20:40,369 --> 00:20:45,919  
gone offline is that generally the way

460  
00:20:43,640 --> 00:20:47,690  
that these things work I mean not all of

461  
00:20:45,920 --> 00:20:50,539  
them obviously there's aberrant and

462  
00:20:47,690 --> 00:20:53,150  
different ones but is that kind of

463  
00:20:50,539 --> 00:20:57,379  
generally the way the scenario takes

464  
00:20:53,150 --> 00:20:59,929  
place it is and the co-sponsor of my

465  
00:20:57,380 --> 00:21:02,179  
press conference which CNN streamed live

466  
00:20:59,929 --> 00:21:06,110  
by the way if one goes to my home page

467  
00:21:02,179 --> 00:21:08,570  
again UFO a Steans comm one can look at

468  
00:21:06,109 --> 00:21:11,329  
the I think it's about 75 minute long

469  
00:21:08,569 --> 00:21:13,129  
press conference that CNN streamed where

470  
00:21:11,329 --> 00:21:15,740  
veterans were talking about these kinds

471  
00:21:13,130 --> 00:21:18,170  
of incidents the one that is most

472  
00:21:15,740 --> 00:21:21,799  
publicized that is representative by

473  
00:21:18,170 --> 00:21:24,380  
Robert Salas who was a former Air Force

474  
00:21:21,799 --> 00:21:26,629  
captain a nuclear missile launch officer

475  
00:21:24,380 --> 00:21:31,010  
who was at Malmstrom the same time my

476  
00:21:26,630 --> 00:21:33,230  
father was there in 1967 for almost 20

477  
00:21:31,009 --> 00:21:36,349  
years now he has publicly been speaking

478  
00:21:33,230 --> 00:21:38,329  
about his experience he was one of the

479  
00:21:36,349 --> 00:21:40,369  
launch officers 50 feet 60 feet

480  
00:21:38,329 --> 00:21:43,250  
underground in the launch capsule

481  
00:21:40,369 --> 00:21:45,229  
another officer named Fred Maiwald who

482  
00:21:43,250 --> 00:21:48,380  
retired as an Air Force colonel was with

483  
00:21:45,230 --> 00:21:50,269  
him my world was on rest break they're

484  
00:21:48,380 --> 00:21:53,780  
down there for like 24 hours so they

485

00:21:50,269 --> 00:21:56,839  
take turns sleeping Salas was at the

486  
00:21:53,779 --> 00:21:59,359  
launch console Maiwald was sleeping

487  
00:21:56,839 --> 00:22:00,889  
Salas gets a call from a security guard

488  
00:21:59,359 --> 00:22:04,308  
saying we're seeing a strange object

489  
00:22:00,890 --> 00:22:05,990  
doing zigzag maneuvers in the sky

490  
00:22:04,308 --> 00:22:07,819  
Salas didn't know what to make of this

491  
00:22:05,990 --> 00:22:10,130  
he said well you know if anything else

492  
00:22:07,819 --> 00:22:11,419  
develops let me know and he said about

493  
00:22:10,130 --> 00:22:13,280  
five minutes later he

494  
00:22:11,420 --> 00:22:16,070  
another call from the security guards

495  
00:22:13,279 --> 00:22:19,069  
topside screaming into the phone that

496  
00:22:16,069 --> 00:22:21,980  
this round glowing orange object had now

497  
00:22:19,069 --> 00:22:24,349  
hovered suddenly approached the launch

498  
00:22:21,980 --> 00:22:27,470  
control castle was hovering directly

499  
00:22:24,349 --> 00:22:29,029

over the front gate to the site and was

500

00:22:27,470 --> 00:22:30,829

too scaring the hell out of the guards

501

00:22:29,029 --> 00:22:33,379

one guard apparently was so panicked

502

00:22:30,829 --> 00:22:35,599

that he dropped his weapon and tried to

503

00:22:33,380 --> 00:22:37,670

climb the barbed wire fence to get out

504

00:22:35,599 --> 00:22:41,029

there by injuring himself le

505

00:22:37,670 --> 00:22:42,430

panic-stricken do it and salla said you

506

00:22:41,029 --> 00:22:45,920

know while he's taking all this

507

00:22:42,430 --> 00:22:47,750

reporting over the phone as he's looking

508

00:22:45,920 --> 00:22:49,130

at his launch consoles one after the

509

00:22:47,750 --> 00:22:51,589

other the ten missiles that he

510

00:22:49,130 --> 00:22:53,480

controlled dropped off alert status

511

00:22:51,589 --> 00:22:56,329

meaning they malfunctioned in some

512

00:22:53,480 --> 00:22:58,430

manner and could not be launched shortly

513

00:22:56,329 --> 00:23:01,399

thereafter the guard screams you know

514  
00:22:58,430 --> 00:23:03,670  
the objects left you know and I'm going

515  
00:23:01,400 --> 00:23:06,410  
to go take care of the injured Airmen so

516  
00:23:03,670 --> 00:23:09,769  
that's you know Sally says meanwhile

517  
00:23:06,410 --> 00:23:11,900  
woken up my world they get an indication

518  
00:23:09,769 --> 00:23:13,609  
an alarm at one of the other missiles

519  
00:23:11,900 --> 00:23:16,460  
you know they're here at a centrally

520  
00:23:13,609 --> 00:23:18,259  
located facility underground scattered

521  
00:23:16,460 --> 00:23:20,090  
around and in the countryside are 10

522  
00:23:18,259 --> 00:23:22,910  
different silos with missiles and them

523  
00:23:20,089 --> 00:23:25,339  
they get an alarm indication after this

524  
00:23:22,910 --> 00:23:27,140  
object has left they sent out two men

525  
00:23:25,339 --> 00:23:29,539  
what was called a security alert team

526  
00:23:27,140 --> 00:23:32,750  
and a jeep actually not a Jeep but a

527  
00:23:29,539 --> 00:23:36,319  
like a crew cab vehicle a pickup truck

528  
00:23:32,750 --> 00:23:37,759  
kind of vehicle and Sela said and my

529  
00:23:36,319 --> 00:23:40,069  
world has confirmed this I have

530  
00:23:37,759 --> 00:23:42,349  
interviewed him that when they got out

531  
00:23:40,069 --> 00:23:44,149  
to the missile silo they saw either the

532  
00:23:42,349 --> 00:23:47,269  
same or a different UFO hovering

533  
00:23:44,150 --> 00:23:49,370  
directly over that silo some ten miles

534  
00:23:47,269 --> 00:23:51,889  
distant from where they the launch

535  
00:23:49,369 --> 00:23:53,569  
control capsule was they were so freaked

536  
00:23:51,890 --> 00:23:55,490  
out these two guards that they

537  
00:23:53,569 --> 00:23:58,849  
immediately raced back to the launch

538  
00:23:55,490 --> 00:24:01,099  
control capsule and on the way there was

539  
00:23:58,849 --> 00:24:03,169  
radio interference which is quite common

540  
00:24:01,099 --> 00:24:05,899  
for UFO reports they could not

541  
00:24:03,170 --> 00:24:07,759  
communicate but Salas and Maiwald have

542

00:24:05,900 --> 00:24:10,009  
said when they got back to the main

543  
00:24:07,759 --> 00:24:12,079  
facility they were just you know nervous

544  
00:24:10,009 --> 00:24:15,079  
wrecks one of them could not even keep

545  
00:24:12,079 --> 00:24:16,849  
his composure to the point that he could

546  
00:24:15,079 --> 00:24:19,220  
do his work they had to send him back

547  
00:24:16,849 --> 00:24:21,589  
early to the base hospital for

548  
00:24:19,220 --> 00:24:23,120  
psychiatric treatment he was just you

549  
00:24:21,589 --> 00:24:25,819  
know hadn't had a nervous breakdown

550  
00:24:23,119 --> 00:24:28,279  
apparently he was so terrified

551  
00:24:25,819 --> 00:24:30,319  
now the interesting thing this was at

552  
00:24:28,279 --> 00:24:34,129  
Oscars flight we pinned down the date

553  
00:24:30,319 --> 00:24:35,599  
long story short from other sources we

554  
00:24:34,130 --> 00:24:41,150  
know that occurred on the evening of

555  
00:24:35,599 --> 00:24:44,139  
March 24 2009 teen 67 and continued on

556  
00:24:41,150 --> 00:24:47,090

into the early hours of March 25th

557

00:24:44,140 --> 00:24:49,730

fortunately another Air Force officer

558

00:24:47,089 --> 00:24:52,159

who was a targeting officer named Robert

559

00:24:49,730 --> 00:24:54,079

Jameson has also gone on the record he

560

00:24:52,160 --> 00:24:58,370

spoke at my press conference you can see

561

00:24:54,079 --> 00:25:00,710

his testimony in the at my website from

562

00:24:58,369 --> 00:25:03,769

the CNN covered interviewed streamed

563

00:25:00,710 --> 00:25:06,200

interview Jamison Jamison confirmed all

564

00:25:03,769 --> 00:25:08,119

of this he said he was on call he got a

565

00:25:06,200 --> 00:25:10,130

report that there was a problem out at

566

00:25:08,119 --> 00:25:12,289

Oscar flight he went down to the missile

567

00:25:10,130 --> 00:25:14,870

maintenance hangar at the base and was

568

00:25:12,289 --> 00:25:16,609

told that a UFO had shut down all ten of

569

00:25:14,869 --> 00:25:19,549

the nuclear missiles associated with

570

00:25:16,609 --> 00:25:21,709

Oscar flight and you know he didn't you

571  
00:25:19,549 --> 00:25:24,829  
know I mean you can imagine he's going

572  
00:25:21,710 --> 00:25:26,569  
what what happened you know and but then

573  
00:25:24,829 --> 00:25:29,299  
sure enough it was what he called the

574  
00:25:26,569 --> 00:25:31,220  
special briefing right before the cruise

575  
00:25:29,299 --> 00:25:33,440  
left for that site way out in the

576  
00:25:31,220 --> 00:25:36,440  
Montana countryside they were told

577  
00:25:33,440 --> 00:25:39,049  
formally that UFOs had been quote messin

578  
00:25:36,440 --> 00:25:41,710  
with the missiles and that they had to

579  
00:25:39,049 --> 00:25:45,169  
go back and there and bring them back up

580  
00:25:41,710 --> 00:25:46,759  
the exact nature of the problem seemed

581  
00:25:45,170 --> 00:25:49,310  
to be what was called guidance and

582  
00:25:46,759 --> 00:25:51,349  
control failure part of the guidance

583  
00:25:49,309 --> 00:25:54,259  
system to the missile in all 10 missiles

584  
00:25:51,349 --> 00:25:57,529  
had been screwed up with screwed with

585  
00:25:54,259 --> 00:25:59,869  
you know and somehow the UFO in this

586  
00:25:57,529 --> 00:26:02,349  
case no one saw a beam come down onto

587  
00:25:59,869 --> 00:26:05,269  
the missiles but there clearly was an

588  
00:26:02,349 --> 00:26:06,529  
association with the UFO being in the

589  
00:26:05,269 --> 00:26:09,289  
vicinity and all the missiles

590  
00:26:06,529 --> 00:26:11,809  
simultaneously having these guidance and

591  
00:26:09,289 --> 00:26:14,359  
control problems so that's you know that

592  
00:26:11,809 --> 00:26:16,639  
I guess I should conclude by saying that

593  
00:26:14,359 --> 00:26:18,049  
Salas said that he and my Wold were

594  
00:26:16,640 --> 00:26:21,320  
rushed back to the base they were

595  
00:26:18,049 --> 00:26:23,690  
debriefed by what's called an OSI Office

596  
00:26:21,319 --> 00:26:26,689  
of Special Investigations agent were

597  
00:26:23,690 --> 00:26:28,220  
sworn to secrecy they had to sign what

598  
00:26:26,690 --> 00:26:30,650  
are called national security

599

00:26:28,220 --> 00:26:32,029  
non-disclosure statements saying that

600  
00:26:30,650 --> 00:26:35,390  
they couldn't even a talk about this

601  
00:26:32,029 --> 00:26:37,849  
among themselves and you know silence

602  
00:26:35,390 --> 00:26:39,150  
Alice kept his silence for three decades

603  
00:26:37,849 --> 00:26:42,480  
he finally

604  
00:26:39,150 --> 00:26:44,009  
mid 90s felt that as I feel the public

605  
00:26:42,480 --> 00:26:46,170  
has a right to know the facts and he

606  
00:26:44,009 --> 00:26:52,799  
began speaking about this publicly had

607  
00:26:46,170 --> 00:26:54,390  
he any any repercussions from that none

608  
00:26:52,799 --> 00:26:56,759  
of the people that I've talked to you

609  
00:26:54,390 --> 00:26:57,570  
including Salas have ever had any legal

610  
00:26:56,759 --> 00:27:00,440  
problems

611  
00:26:57,569 --> 00:27:04,589  
the FBI has not shown up at their door

612  
00:27:00,440 --> 00:27:07,769  
you know what I think is going on is the

613  
00:27:04,589 --> 00:27:09,539

Pentagon is thinking probably that if

614

00:27:07,769 --> 00:27:11,400

they leaned on these guys who are

615

00:27:09,539 --> 00:27:14,009

willing to come out and speak to CNN

616

00:27:11,400 --> 00:27:15,360

about all of this if they suddenly start

617

00:27:14,009 --> 00:27:17,519

harassing these veterans

618

00:27:15,359 --> 00:27:19,829

these guys are likely just to go to the

619

00:27:17,519 --> 00:27:22,558

New York Times or you know Washington

620

00:27:19,829 --> 00:27:25,049

Post and say you know I was involved in

621

00:27:22,558 --> 00:27:27,089

this incident and now the FBI or the Air

622

00:27:25,049 --> 00:27:28,619

Force is threatening me and that's just

623

00:27:27,089 --> 00:27:33,089

more unwanted publicity

624

00:27:28,619 --> 00:27:34,979

so again of all the people 150 plus at

625

00:27:33,089 --> 00:27:38,099

this point whom I've interviewed since

626

00:27:34,980 --> 00:27:40,200

1973 not one of them has ever said to me

627

00:27:38,099 --> 00:27:43,619

you know after I talk to you you know I

628  
00:27:40,200 --> 00:27:45,509  
was threatened by the government so the

629  
00:27:43,619 --> 00:27:49,799  
the active-duty guys that's a different

630  
00:27:45,509 --> 00:27:51,240  
story I have made it a point not to talk

631  
00:27:49,799 --> 00:27:53,579  
to active duty military personnel

632  
00:27:51,240 --> 00:27:56,279  
because I don't want to impact their

633  
00:27:53,579 --> 00:27:58,678  
careers negatively you know if their

634  
00:27:56,279 --> 00:28:00,950  
commanders or someone else's becomes

635  
00:27:58,679 --> 00:28:03,630  
aware of me talking to them and so on so

636  
00:28:00,950 --> 00:28:05,730  
but as far as the veterans the Pentagon

637  
00:28:03,630 --> 00:28:07,850  
and the intelligence community just

638  
00:28:05,730 --> 00:28:11,400  
seems to seem to leave these guys alone

639  
00:28:07,849 --> 00:28:12,990  
you know I think also other the the fact

640  
00:28:11,400 --> 00:28:16,050  
that you report these Airmen being

641  
00:28:12,990 --> 00:28:18,000  
terrified it's one thing to talk about

642  
00:28:16,049 --> 00:28:20,579  
this a read about it but something else

643  
00:28:18,000 --> 00:28:23,339  
to see a representation of this in your

644  
00:28:20,579 --> 00:28:27,829  
movie this is Robert Hastings that were

645  
00:28:23,339 --> 00:28:31,169  
speaking to and the movie was just a

646  
00:28:27,829 --> 00:28:32,970  
really excellent I mean it I think I

647  
00:28:31,170 --> 00:28:35,250  
like it because it's not very

648  
00:28:32,970 --> 00:28:37,920  
sensational at all it's just like these

649  
00:28:35,250 --> 00:28:41,609  
wraps bumbum documentary perfect

650  
00:28:37,920 --> 00:28:43,800  
documentary you want balls and nukes

651  
00:28:41,609 --> 00:28:46,229  
the secret link revealed this is the

652  
00:28:43,799 --> 00:28:48,599  
name of the documentary film available

653  
00:28:46,230 --> 00:28:52,620  
on Vimeo go ahead yeah no I was going to

654  
00:28:48,599 --> 00:28:53,039  
say by Robert Hayes yes but well over

655  
00:28:52,619 --> 00:28:55,349  
the

656

00:28:53,039 --> 00:28:58,379  
relation you know I've gotten thousands

657  
00:28:55,349 --> 00:29:00,959  
of contacts especially now that people

658  
00:28:58,380 --> 00:29:04,230  
have email I mean prior to email I would

659  
00:29:00,960 --> 00:29:07,019  
get pandering letters from people all

660  
00:29:04,230 --> 00:29:09,089  
over the world actually saying why I

661  
00:29:07,019 --> 00:29:11,369  
like you you know what you do is that

662  
00:29:09,089 --> 00:29:13,470  
you're not sensationalistic you don't

663  
00:29:11,369 --> 00:29:14,939  
make claims that you can't verify you

664  
00:29:13,470 --> 00:29:16,740  
have credible witnesses you have

665  
00:29:14,940 --> 00:29:19,620  
documents to back up what you're saying

666  
00:29:16,740 --> 00:29:22,440  
and it's clear that this is all based in

667  
00:29:19,619 --> 00:29:25,559  
factual reality it's not speculative

668  
00:29:22,440 --> 00:29:30,150  
it's not you know fanciful and so on so

669  
00:29:25,559 --> 00:29:33,059  
yes my film in nineteen excuse me twenty

670  
00:29:30,150 --> 00:29:35,280

twelve I was contacted by a man named

671

00:29:33,059 --> 00:29:38,009

Jared Carvel he was one of the

672

00:29:35,279 --> 00:29:44,399

cofounders of the Etsy website EPSA duck

673

00:29:38,009 --> 00:29:47,009

at sea ETS why.com yes and fortunately

674

00:29:44,400 --> 00:29:48,870

he read my book he was a UFO skeptic I

675

00:29:47,009 --> 00:29:51,509

turned him around completely I mean he

676

00:29:48,869 --> 00:29:54,629

was blown away by the book and he said

677

00:29:51,509 --> 00:29:57,269

you know I'm I'm well-to-do I have a lot

678

00:29:54,630 --> 00:29:58,920

of money can I help you and I said well

679

00:29:57,269 --> 00:30:00,900

you know I've never really taken money

680

00:29:58,920 --> 00:30:02,670

from people before and he basically

681

00:30:00,900 --> 00:30:05,250

wrote back and said you know listen

682

00:30:02,670 --> 00:30:06,990

Poole I am a millionaire you're probably

683

00:30:05,250 --> 00:30:09,990

not why don't you let me help you you

684

00:30:06,990 --> 00:30:11,789

know and so long story short he ended up

685  
00:30:09,990 --> 00:30:13,500  
eventually shelling out a hundred and

686  
00:30:11,789 --> 00:30:16,680  
fifty thousand dollars to make this

687  
00:30:13,500 --> 00:30:19,680  
documentary film anyone who's not made a

688  
00:30:16,680 --> 00:30:21,960  
film you would not believe how expensive

689  
00:30:19,680 --> 00:30:25,980  
this type of production can become very

690  
00:30:21,960 --> 00:30:29,100  
quickly in any case you know the film is

691  
00:30:25,980 --> 00:30:32,610  
48 minutes long it is available again at

692  
00:30:29,099 --> 00:30:36,059  
Demio com you just search for UFOs and

693  
00:30:32,609 --> 00:30:39,750  
nukes the feedback has been

694  
00:30:36,059 --> 00:30:41,539  
overwhelmingly favorable in just the two

695  
00:30:39,750 --> 00:30:45,960  
or three months that it's been available

696  
00:30:41,539 --> 00:30:48,359  
it's generated in terms of the responses

697  
00:30:45,960 --> 00:30:50,460  
I've gotten via email over a thousand

698  
00:30:48,359 --> 00:30:52,500  
responses two or three of which were

699  
00:30:50,460 --> 00:30:54,420  
critical the rest people just were

700  
00:30:52,500 --> 00:30:57,029  
diffusive and they're praised because it

701  
00:30:54,420 --> 00:30:59,970  
is documented it's not it's not

702  
00:30:57,029 --> 00:31:01,859  
sensationalistic and what many many

703  
00:30:59,970 --> 00:31:03,329  
people have commented on is the fact

704  
00:31:01,859 --> 00:31:05,609  
that you can see these veterans on

705  
00:31:03,329 --> 00:31:07,058  
camera discussing that length the

706  
00:31:05,609 --> 00:31:08,469  
incidents they were in go

707  
00:31:07,058 --> 00:31:10,990  
then you don't have to just read their

708  
00:31:08,470 --> 00:31:12,700  
testimony in an article in my book you

709  
00:31:10,990 --> 00:31:14,829  
know it seems to have an extra dimension

710  
00:31:12,700 --> 00:31:18,009  
of impact to see these guys who are all

711  
00:31:14,829 --> 00:31:20,888  
in their 70s and 80s very articulately

712  
00:31:18,009 --> 00:31:22,480  
speaking about one the UFO shut down

713

00:31:20,888 --> 00:31:25,689  
their missiles and how they were told

714  
00:31:22,480 --> 00:31:29,230  
never to talk about it it's quite it has

715  
00:31:25,690 --> 00:31:31,120  
quite a bit of impact well for every for

716  
00:31:29,230 --> 00:31:33,970  
each one of these hundred and fifty

717  
00:31:31,119 --> 00:31:36,638  
gentlemen who have come out and told you

718  
00:31:33,970 --> 00:31:38,499  
these things there are probably at least

719  
00:31:36,638 --> 00:31:42,219  
ten others who have not would you

720  
00:31:38,499 --> 00:31:43,990  
suspect that that's it and at the end of

721  
00:31:42,220 --> 00:31:46,329  
the program at the end of the film I

722  
00:31:43,990 --> 00:31:48,278  
asked veterans to contact me I even have

723  
00:31:46,329 --> 00:31:51,849  
my website on the screen so people can

724  
00:31:48,278 --> 00:31:54,278  
read it I have always tried to generate

725  
00:31:51,849 --> 00:31:56,138  
new sources to you know further

726  
00:31:54,278 --> 00:31:59,679  
strengthen the argument that this is

727  
00:31:56,138 --> 00:32:01,748

real and ongoing I'm aware of incidents

728

00:31:59,679 --> 00:32:03,519

just even in the last five years other

729

00:32:01,749 --> 00:32:05,860

than the one that I mentioned that Fe

730

00:32:03,519 --> 00:32:08,200

were in Air Force Base where UFO

731

00:32:05,859 --> 00:32:11,048

activity at either missile sites or

732

00:32:08,200 --> 00:32:15,278

nuclear warhead storage that those or

733

00:32:11,048 --> 00:32:16,990

bomb storage depots it's ongoing and you

734

00:32:15,278 --> 00:32:19,749

know there are veterans now security

735

00:32:16,990 --> 00:32:21,638

policemen and others who were with the

736

00:32:19,749 --> 00:32:24,009

Air Force for four years they're not now

737

00:32:21,638 --> 00:32:26,498

out there in their late 20s or early 30s

738

00:32:24,009 --> 00:32:29,860

and they're contacting me with some

739

00:32:26,499 --> 00:32:32,319

amazing stories unlike the older guys

740

00:32:29,859 --> 00:32:34,298

all of whom were you know involved in

741

00:32:32,319 --> 00:32:36,730

incident from the 60s and 70s and

742  
00:32:34,298 --> 00:32:38,319  
they're now retired these younger guys

743  
00:32:36,730 --> 00:32:40,058  
are a little more reluctant to come

744  
00:32:38,319 --> 00:32:42,099  
forward because they still have careers

745  
00:32:40,058 --> 00:32:44,918  
they have jobs and they're just afraid

746  
00:32:42,099 --> 00:32:47,019  
that you know by saying that you know

747  
00:32:44,919 --> 00:32:49,210  
UFOs are messing with our nukes is

748  
00:32:47,019 --> 00:32:51,038  
somehow going to come back to haunt them

749  
00:32:49,210 --> 00:32:53,980  
in terms of their professional careers

750  
00:32:51,038 --> 00:32:56,950  
so they're a little more reluctant might

751  
00:32:53,980 --> 00:32:59,649  
one of my goals is hopefully within five

752  
00:32:56,950 --> 00:33:01,538  
years to get some of the younger

753  
00:32:59,648 --> 00:33:03,308  
veterans willing to go again back to

754  
00:33:01,538 --> 00:33:05,798  
Washington to the National Press Club

755  
00:33:03,308 --> 00:33:08,138  
and have a repeat of my press conference

756  
00:33:05,798 --> 00:33:10,658  
but with younger veterans describing

757  
00:33:08,138 --> 00:33:13,269  
incidents that have taken place just in

758  
00:33:10,659 --> 00:33:15,490  
the last ten years you know the point I

759  
00:33:13,269 --> 00:33:17,618  
make again and again is this did not go

760  
00:33:15,490 --> 00:33:20,019  
away decades ago you know at the end of

761  
00:33:17,618 --> 00:33:22,409  
the Cold War we still have nukes

762  
00:33:20,019 --> 00:33:25,869  
Russians have nukes the North Korean

763  
00:33:22,410 --> 00:33:28,600  
North Koreans have nukes the UFOs are

764  
00:33:25,869 --> 00:33:32,169  
still very interested in the nuclear

765  
00:33:28,599 --> 00:33:34,839  
weapons situation and I just think I

766  
00:33:32,170 --> 00:33:36,340  
guess to my last dying day that this is

767  
00:33:34,839 --> 00:33:38,379  
something that should not be hidden from

768  
00:33:36,339 --> 00:33:41,199  
the public house only Americans but

769  
00:33:38,380 --> 00:33:44,770  
people everywhere have you at all looked

770

00:33:41,200 --> 00:33:47,500  
into the biggest nuclear disaster of our

771  
00:33:44,769 --> 00:33:50,440  
time that keeps unfolding which is the

772  
00:33:47,500 --> 00:33:54,009  
Fukushima meltdown the the whole thing

773  
00:33:50,440 --> 00:33:58,080  
that happened there in in Japan and

774  
00:33:54,009 --> 00:34:00,420  
still continues to generate of gallons

775  
00:33:58,079 --> 00:34:03,250  
thousands of gallons of nuclear waste

776  
00:34:00,420 --> 00:34:05,320  
every day miss poisoning the ocean and

777  
00:34:03,250 --> 00:34:07,990  
probably killing a whole bunch of

778  
00:34:05,319 --> 00:34:10,630  
Japanese people at the same time as well

779  
00:34:07,990 --> 00:34:13,269  
as people on the islands and moving over

780  
00:34:10,630 --> 00:34:18,000  
to the west coast of the United States

781  
00:34:13,269 --> 00:34:22,030  
has there have been any of UFO sightings

782  
00:34:18,000 --> 00:34:24,699  
incursions anything involving that you

783  
00:34:22,030 --> 00:34:26,560  
know there have been us weather I've

784  
00:34:24,699 --> 00:34:30,279

looked into it I really have not

785

00:34:26,559 --> 00:34:32,648

investigated it per se because of other

786

00:34:30,280 --> 00:34:34,540

factors I don't speak Japanese

787

00:34:32,648 --> 00:34:36,309

having good communications with people

788

00:34:34,539 --> 00:34:38,889

that might have information about that

789

00:34:36,309 --> 00:34:40,869

it would be a little difficult for me to

790

00:34:38,889 --> 00:34:43,690

really get some credible sources and go

791

00:34:40,869 --> 00:34:47,859

through the translation process among

792

00:34:43,690 --> 00:34:50,200

other factors however shortly after it

793

00:34:47,860 --> 00:34:52,860

occurred I'm aware of some hoaxes that

794

00:34:50,199 --> 00:34:55,269

appeared on the Internet where people

795

00:34:52,860 --> 00:34:58,210

allege that they had caught videos of

796

00:34:55,269 --> 00:35:01,539

UFOs above Fukushima every one of those

797

00:34:58,210 --> 00:35:03,789

that I saw early on after the accident

798

00:35:01,539 --> 00:35:07,239

in 2011 were fraudulent they were

799  
00:35:03,789 --> 00:35:09,699  
clearly other objects than bonafide UFOs

800  
00:35:07,239 --> 00:35:13,059  
so I became a little disenchanted with

801  
00:35:09,699 --> 00:35:15,699  
the whole Fukushima thing however not

802  
00:35:13,059 --> 00:35:17,380  
even a year ago I believe it was I was

803  
00:35:15,699 --> 00:35:20,949  
presented with a couple of security

804  
00:35:17,380 --> 00:35:22,630  
camera films caretaking at the Fukushima

805  
00:35:20,949 --> 00:35:24,759  
plant you can see it in the foreground

806  
00:35:22,630 --> 00:35:27,340  
in the field of the view of the cameras

807  
00:35:24,760 --> 00:35:29,410  
in which there are on these two films

808  
00:35:27,340 --> 00:35:32,079  
objects moving in the sky that clearly

809  
00:35:29,409 --> 00:35:33,969  
are not conventional aircraft so I think

810  
00:35:32,079 --> 00:35:36,130  
there are some legitimate tapes

811  
00:35:33,969 --> 00:35:38,829  
out there are some videos that would

812  
00:35:36,130 --> 00:35:41,619  
suggest the UFO presence at this site

813  
00:35:38,829 --> 00:35:45,009  
and based on everything I know about the

814  
00:35:41,619 --> 00:35:46,869  
situation going back decades you know

815  
00:35:45,010 --> 00:35:49,540  
this would not surprise me in the least

816  
00:35:46,869 --> 00:35:52,108  
the in my book I briefly discussed the

817  
00:35:49,539 --> 00:35:55,630  
fact that shortly after the Chernobyl

818  
00:35:52,108 --> 00:36:00,219  
reactor in Ukraine so that Ukraine

819  
00:35:55,630 --> 00:36:02,440  
exploded in April 1986 apparently there

820  
00:36:00,219 --> 00:36:05,679  
were Soviet radiation monitoring teams

821  
00:36:02,440 --> 00:36:08,800  
on site who observed what was described

822  
00:36:05,679 --> 00:36:10,960  
as a brass colored sphere hovering

823  
00:36:08,800 --> 00:36:13,630  
directly above the damaged rack reactor

824  
00:36:10,960 --> 00:36:15,429  
just a few hours after it exploded and

825  
00:36:13,630 --> 00:36:18,400  
these people were there monitoring

826  
00:36:15,429 --> 00:36:20,348  
monitoring the ambient radiation the

827

00:36:18,400 --> 00:36:22,180  
reports that later appeared in the

828  
00:36:20,349 --> 00:36:25,119  
Soviet actually Russian by that point

829  
00:36:22,179 --> 00:36:27,608  
Russian media and Ukrainian media named

830  
00:36:25,119 --> 00:36:30,880  
one of these soviet radiation team

831  
00:36:27,608 --> 00:36:33,699  
members he described seeing the sphere

832  
00:36:30,880 --> 00:36:36,039  
that hovered above the plant sending

833  
00:36:33,699 --> 00:36:38,858  
down what he called to crimson colored

834  
00:36:36,039 --> 00:36:42,309  
beams of light into the reactor right

835  
00:36:38,858 --> 00:36:43,838  
into the damaged pile and he estimated

836  
00:36:42,309 --> 00:36:45,909  
for some three to five minutes this

837  
00:36:43,838 --> 00:36:48,250  
thing hovered above the site it raced

838  
00:36:45,909 --> 00:36:51,358  
away he said there were hundreds of

839  
00:36:48,250 --> 00:36:55,119  
witnesses and the most dramatic

840  
00:36:51,358 --> 00:36:57,608  
revelation was that based on their

841  
00:36:55,119 --> 00:36:59,800

readings of the ambient radiation in the

842

00:36:57,608 --> 00:37:01,750

air when they first got there when this

843

00:36:59,800 --> 00:37:04,060

object left according to this source

844

00:37:01,750 --> 00:37:08,050

mentioned Vulcan the Soviet or Russian

845

00:37:04,059 --> 00:37:10,960

again and Ukrainian press he said that

846

00:37:08,050 --> 00:37:14,560

the radiant the ambient rather radiation

847

00:37:10,960 --> 00:37:16,329

level had dropped by two-thirds and when

848

00:37:14,559 --> 00:37:18,809

they when they next measured it in the

849

00:37:16,329 --> 00:37:21,400

air it seemingly the suggestion was that

850

00:37:18,809 --> 00:37:23,320

whatever this UFO did with these beams

851

00:37:21,400 --> 00:37:26,710

of light somehow it had lowered the

852

00:37:23,320 --> 00:37:29,170

radiation level did those being somehow

853

00:37:26,710 --> 00:37:31,289

coat the pile with like LED you know

854

00:37:29,170 --> 00:37:33,760

which would have made it less

855

00:37:31,289 --> 00:37:35,920

radioactive it you know the radiation

856  
00:37:33,760 --> 00:37:38,230  
can't get through lead or who knows what

857  
00:37:35,920 --> 00:37:42,970  
went on but all of this was described in

858  
00:37:38,230 --> 00:37:46,300  
a very cogent convincing fashion so I

859  
00:37:42,969 --> 00:37:47,509  
would not be surprised if whoever were

860  
00:37:46,300 --> 00:37:49,820  
flying these

861  
00:37:47,510 --> 00:37:53,150  
have would take an immediate and ongoing

862  
00:37:49,820 --> 00:37:55,400  
interest in Fukushima well it strikes me

863  
00:37:53,150 --> 00:37:59,150  
to it when you go back to the 60s and

864  
00:37:55,400 --> 00:38:02,389  
the technology the computers of that era

865  
00:37:59,150 --> 00:38:05,869  
were obviously in today's world very

866  
00:38:02,389 --> 00:38:07,879  
rudimentary and so it was always amazing

867  
00:38:05,869 --> 00:38:09,889  
that they could be shut down and yet

868  
00:38:07,880 --> 00:38:12,829  
with wireless technology which I'm

869  
00:38:09,889 --> 00:38:15,259  
pretty sure is available to a UFO it

870  
00:38:12,829 --> 00:38:18,559  
that's obviously what they did and as

871  
00:38:15,260 --> 00:38:21,290  
the technology has a technology

872  
00:38:18,559 --> 00:38:23,599  
increased with these I'd be ICBMs or are

873  
00:38:21,289 --> 00:38:26,480  
they sort of forced into keeping the

874  
00:38:23,599 --> 00:38:27,710  
same type because of just because they

875  
00:38:26,480 --> 00:38:31,760  
have to change absolutely everything

876  
00:38:27,710 --> 00:38:34,070  
over my understanding talking to the

877  
00:38:31,760 --> 00:38:36,050  
veterans is that the systems have

878  
00:38:34,070 --> 00:38:38,390  
progressed the the hardware and in the

879  
00:38:36,050 --> 00:38:40,310  
Phils themselves but it seems like the

880  
00:38:38,389 --> 00:38:42,019  
infrastructure for example the telephone

881  
00:38:40,309 --> 00:38:44,509  
systems down in the launch control

882  
00:38:42,019 --> 00:38:47,210  
capsules you know they're still being

883  
00:38:44,510 --> 00:38:49,730  
ruined by floppy discs and you know

884

00:38:47,210 --> 00:38:50,720  
there's some current outcry about you

885  
00:38:49,730 --> 00:38:52,730  
know if we're going to have these nukes

886  
00:38:50,719 --> 00:38:57,259  
we really need to upgrade on the support

887  
00:38:52,730 --> 00:38:59,960  
systems but one of the one of the

888  
00:38:57,260 --> 00:39:02,300  
veterans Bruce Spencer mocker who was

889  
00:38:59,960 --> 00:39:05,030  
involved in an incident EFI warning I

890  
00:39:02,300 --> 00:39:06,920  
mentioned it in my film he was a launch

891  
00:39:05,030 --> 00:39:08,600  
officer got a report of this huge

892  
00:39:06,920 --> 00:39:11,450  
cigar-shaped out you're covering over

893  
00:39:08,599 --> 00:39:13,429  
his his launch control capsule and got

894  
00:39:11,449 --> 00:39:16,219  
these extended reports from the guards

895  
00:39:13,429 --> 00:39:17,960  
he ordered them out to chase this thing

896  
00:39:16,219 --> 00:39:20,149  
it was moving from this little missile

897  
00:39:17,960 --> 00:39:22,760  
he later learned that they were so

898  
00:39:20,150 --> 00:39:24,970

terrified they kept making up excuses as

899

00:39:22,760 --> 00:39:27,680

to why they they could not go out there

900

00:39:24,969 --> 00:39:29,329

but I mentioned that he talked in the

901

00:39:27,679 --> 00:39:31,969

film about what happened there and being

902

00:39:29,329 --> 00:39:35,809

sworn to secrecy and so on but he told

903

00:39:31,969 --> 00:39:37,129

me that by the time the mid-70s came

904

00:39:35,809 --> 00:39:39,380

around when he was in the Air Force

905

00:39:37,130 --> 00:39:43,210

there were some efforts to further

906

00:39:39,380 --> 00:39:46,220

shield the systems from external radio

907

00:39:43,210 --> 00:39:49,460

electromagnetic pulses rather which they

908

00:39:46,219 --> 00:39:52,849

think the best analysis is that somehow

909

00:39:49,460 --> 00:39:55,429

an EMP or electromagnetic pulse was

910

00:39:52,849 --> 00:39:57,139

injected directly into the cables that

911

00:39:55,429 --> 00:40:00,589

connected all the missiles of it mounts

912

00:39:57,139 --> 00:40:01,400

from when they went down and former

913  
00:40:00,590 --> 00:40:03,559  
captain

914  
00:40:01,400 --> 00:40:05,420  
Gemara was saying that he was aware the

915  
00:40:03,559 --> 00:40:07,730  
Air Force was upgrading security in

916  
00:40:05,420 --> 00:40:09,880  
terms of shielding the cable so they

917  
00:40:07,730 --> 00:40:12,769  
would be more resistant to

918  
00:40:09,880 --> 00:40:14,690  
electromagnetic pulse and based on what

919  
00:40:12,769 --> 00:40:17,960  
I know about the situation I suspect

920  
00:40:14,690 --> 00:40:20,539  
those actions were a direct result to be

921  
00:40:17,960 --> 00:40:23,360  
Air Force knowing that the UFOs had used

922  
00:40:20,539 --> 00:40:27,170  
EMP to shut down the missiles some 10

923  
00:40:23,360 --> 00:40:29,570  
years earlier at the Nam strim but you

924  
00:40:27,170 --> 00:40:31,760  
know it's the other thing you know if

925  
00:40:29,570 --> 00:40:33,350  
one has sort of a passing interest in

926  
00:40:31,760 --> 00:40:35,810  
this or has read about this on the

927  
00:40:33,349 --> 00:40:37,369  
internet at one website or another the

928  
00:40:35,809 --> 00:40:40,369  
sense is that maybe there were one or

929  
00:40:37,369 --> 00:40:41,769  
two one or two incidents it's clear

930  
00:40:40,369 --> 00:40:44,269  
there have been hundreds if not

931  
00:40:41,769 --> 00:40:47,570  
thousands of these incidents since the

932  
00:40:44,269 --> 00:40:49,460  
late 40s of UFOs hovering over and even

933  
00:40:47,570 --> 00:40:53,390  
tampering with American nuclear weapons

934  
00:40:49,460 --> 00:40:55,550  
it's just rampant you know and again and

935  
00:40:53,389 --> 00:40:59,409  
robbing one's - I'm sorry - interested

936  
00:40:55,550 --> 00:41:01,580  
by in Russia yeah there's a

937  
00:40:59,409 --> 00:41:03,859  
investigative television reporter named

938  
00:41:01,579 --> 00:41:06,409  
George Knapp many of your listeners will

939  
00:41:03,860 --> 00:41:08,269  
have heard of George Knapp he was

940  
00:41:06,409 --> 00:41:11,420  
involved for example in bringing forward

941

00:41:08,269 --> 00:41:14,840  
Bob Lazar who made claims about his work

942  
00:41:11,420 --> 00:41:17,829  
on an alien craft that's for that aside

943  
00:41:14,840 --> 00:41:20,660  
whatever the merits of those claims

944  
00:41:17,829 --> 00:41:22,569  
George Knapp was in Russia shortly after

945  
00:41:20,659 --> 00:41:25,009  
the collapse of the Soviet Union

946  
00:41:22,570 --> 00:41:25,750  
interviewing former Soviet Army

947  
00:41:25,010 --> 00:41:28,580  
personnel

948  
00:41:25,750 --> 00:41:31,309  
one of whom Boris Sokolov who was a

949  
00:41:28,579 --> 00:41:33,500  
colonel retired colonel had in his

950  
00:41:31,309 --> 00:41:36,710  
possession some still top-secret

951  
00:41:33,500 --> 00:41:40,610  
documents about UFO incursions at Soviet

952  
00:41:36,710 --> 00:41:45,320  
missile sites and amazingly and and with

953  
00:41:40,610 --> 00:41:47,660  
Colonel Sacco loves you know cooperation

954  
00:41:45,320 --> 00:41:51,019  
in effect or approval George Knapp

955  
00:41:47,659 --> 00:41:53,299

smuggled these several hundred pages of

956

00:41:51,019 --> 00:41:56,750

secret documents about these nuclear

957

00:41:53,300 --> 00:42:00,170

missile cases and in Russia to the west

958

00:41:56,750 --> 00:42:02,510

and I presented two of them in my film

959

00:42:00,170 --> 00:42:05,930

where they're describing in one case a

960

00:42:02,510 --> 00:42:09,380

UFO sending down a beam laser light beam

961

00:42:05,929 --> 00:42:12,109

onto a nuclear warhead storage depot

962

00:42:09,380 --> 00:42:13,869

missile warhead storage Depot and there

963

00:42:12,110 --> 00:42:15,230

were hundreds of witnesses at this base

964

00:42:13,869 --> 00:42:18,349

at

965

00:42:15,230 --> 00:42:21,260

Kapusta nyaan that witness this domed

966

00:42:18,349 --> 00:42:24,889

disc hovering above the nuclear Depot

967

00:42:21,260 --> 00:42:28,359

and sending down this beam directly onto

968

00:42:24,889 --> 00:42:32,449

the roof of the building another case in

969

00:42:28,358 --> 00:42:35,539

1982 in Soviet Ukraine where a huge disc

970  
00:42:32,449 --> 00:42:38,989  
disc shaped craft hovered above a

971  
00:42:35,539 --> 00:42:42,590  
intermediate intermediate range nuclear

972  
00:42:38,989 --> 00:42:44,449  
missile site in Soviet Ukraine and for

973  
00:42:42,590 --> 00:42:46,430  
15 seconds while this object was

974  
00:42:44,449 --> 00:42:49,099  
hovering above the missile base the

975  
00:42:46,429 --> 00:42:51,319  
missiles some unspecified number of

976  
00:42:49,099 --> 00:42:52,608  
missiles went into countdown mode they

977  
00:42:51,320 --> 00:42:55,070  
preparing the catch

978  
00:42:52,608 --> 00:42:59,119  
that was an end or a the best out of all

979  
00:42:55,070 --> 00:43:02,510  
of this thank God 15 seconds 15 seconds

980  
00:42:59,119 --> 00:43:04,280  
you know the missile security people one

981  
00:43:02,510 --> 00:43:06,380  
of the witnesses said that they look

982  
00:43:04,280 --> 00:43:09,019  
like old men he said their hair turned

983  
00:43:06,380 --> 00:43:13,070  
gray you know clearly trying to explain

984  
00:43:09,019 --> 00:43:14,869  
how terrified they were and from from

985  
00:43:13,070 --> 00:43:16,789  
one of the stories about that too the

986  
00:43:14,869 --> 00:43:18,680  
one guy was so terrified you know what

987  
00:43:16,789 --> 00:43:20,539  
to do he actually pulled the plugs out

988  
00:43:18,679 --> 00:43:22,879  
of the wall tried to disconnect

989  
00:43:20,539 --> 00:43:25,579  
everything I don't that's probably just

990  
00:43:22,880 --> 00:43:27,650  
hearsay but what careful situation I've

991  
00:43:25,579 --> 00:43:29,809  
not heard that but you know but I do

992  
00:43:27,650 --> 00:43:33,349  
know that they had no control over this

993  
00:43:29,809 --> 00:43:36,079  
countdown as I mentioned in my film I

994  
00:43:33,349 --> 00:43:38,199  
one of my veterans who I show in the

995  
00:43:36,079 --> 00:43:40,400  
film David Shore he was formerly a

996  
00:43:38,199 --> 00:43:42,439  
captain in the Air Force and nuclear

997  
00:43:40,400 --> 00:43:45,470  
missile launch officer at Minot Air

998

00:43:42,440 --> 00:43:47,840  
Force Base North Dakota in the 60s he

999  
00:43:45,469 --> 00:43:50,299  
described a similar incident first to me

1000  
00:43:47,840 --> 00:43:53,269  
on audio tape in my book and then later

1001  
00:43:50,300 --> 00:43:55,820  
in the film saying that he got a call

1002  
00:43:53,269 --> 00:43:58,670  
from his guard top guard from ground

1003  
00:43:55,820 --> 00:44:00,920  
levels down to the capsule saying we're

1004  
00:43:58,670 --> 00:44:02,869  
looking at this bright disc shaped

1005  
00:44:00,920 --> 00:44:06,320  
object moving from missile to missile to

1006  
00:44:02,869 --> 00:44:07,608  
missile and captain Shaw said that when

1007  
00:44:06,320 --> 00:44:10,820  
the guard said it was over

1008  
00:44:07,608 --> 00:44:13,219  
efore suddenly ii4 down on his console

1009  
00:44:10,820 --> 00:44:15,470  
would light up and was clearly going

1010  
00:44:13,219 --> 00:44:18,829  
into countdown mode with some watch a

1011  
00:44:15,469 --> 00:44:20,858  
mode and sure-sure said that they would

1012  
00:44:18,829 --> 00:44:23,299

flip what's called an inhibit switch and

1013

00:44:20,858 --> 00:44:25,429

then the guard would say it's now moved

1014

00:44:23,300 --> 00:44:28,310

on to e6 and suddenly down in the

1015

00:44:25,429 --> 00:44:29,028

capsule of light denoting e6 would move

1016

00:44:28,309 --> 00:44:31,308

on a

1017

00:44:29,028 --> 00:44:33,528

go on indicating that that missile was

1018

00:44:31,309 --> 00:44:37,969

now in countdown mode just very

1019

00:44:33,528 --> 00:44:40,909

terrifying stuff and you know sure said

1020

00:44:37,969 --> 00:44:42,889

that he you know he thinks out of the

1021

00:44:40,909 --> 00:44:45,108

ten missiles that he control probably

1022

00:44:42,889 --> 00:44:46,879

eight of them had this problem and in

1023

00:44:45,108 --> 00:44:51,139

each case they had to flip this inhibit

1024

00:44:46,880 --> 00:44:53,419

switch because to all indications these

1025

00:44:51,139 --> 00:44:55,608

missiles were preparing to launch if

1026

00:44:53,418 --> 00:44:59,389

they had of course it would have been

1027  
00:44:55,608 --> 00:45:02,900  
World War three uh what I what I say in

1028  
00:44:59,389 --> 00:45:05,509  
my film is I don't think those aboard

1029  
00:45:02,900 --> 00:45:07,818  
the UFO either in Russia or America

1030  
00:45:05,509 --> 00:45:09,798  
we're trying to start a war but what

1031  
00:45:07,818 --> 00:45:12,048  
they were probably doing was activating

1032  
00:45:09,798 --> 00:45:15,559  
the launch sequence to try to learn how

1033  
00:45:12,048 --> 00:45:17,509  
it worked electronically and and so you

1034  
00:45:15,559 --> 00:45:18,949  
know if in fact it ever came to at the

1035  
00:45:17,509 --> 00:45:21,858  
point where we were going to launch

1036  
00:45:18,949 --> 00:45:24,409  
nuclear war or the Russians were these

1037  
00:45:21,858 --> 00:45:27,048  
whoever these people are in this craft

1038  
00:45:24,409 --> 00:45:29,239  
they would have the ability to interfere

1039  
00:45:27,048 --> 00:45:31,909  
with the launch sequences that's my high

1040  
00:45:29,239 --> 00:45:35,719  
pot that's my hypothesis that brings me

1041  
00:45:31,909 --> 00:45:39,528  
to a two-part question the first part is

1042  
00:45:35,719 --> 00:45:44,869  
um it seems as though aside from the

1043  
00:45:39,528 --> 00:45:47,150  
people in the capsules when the the

1044  
00:45:44,869 --> 00:45:50,088  
missile seemed like that they were going

1045  
00:45:47,150 --> 00:45:53,809  
to launch aside from that form of terror

1046  
00:45:50,088 --> 00:45:56,808  
that the topside fellows they seem to

1047  
00:45:53,809 --> 00:46:00,130  
have had a lot of terror

1048  
00:45:56,809 --> 00:46:04,339  
going on just from having seen the UFOs

1049  
00:46:00,130 --> 00:46:06,048  
and they experienced such things as like

1050  
00:46:04,338 --> 00:46:10,458  
you said the gentlemen trying to climb

1051  
00:46:06,048 --> 00:46:14,630  
out of the out of the base and also in

1052  
00:46:10,458 --> 00:46:16,518  
one of your film of Clips there was a

1053  
00:46:14,630 --> 00:46:19,369  
fellow that went into a fetal position

1054  
00:46:16,518 --> 00:46:23,658  
and could not be coaxed out of it for

1055

00:46:19,369 --> 00:46:25,759  
some about a time now there is a some

1056  
00:46:23,659 --> 00:46:29,959  
form of a directive that we have heard

1057  
00:46:25,759 --> 00:46:33,998  
about that people have done a study that

1058  
00:46:29,958 --> 00:46:38,478  
said that the entire fabric of society

1059  
00:46:33,998 --> 00:46:41,988  
would fray and perhaps collapse if it

1060  
00:46:38,478 --> 00:46:42,710  
will reveal that UFOs were visiting the

1061  
00:46:41,989 --> 00:46:45,170  
earth

1062  
00:46:42,710 --> 00:46:47,510  
there's been a lot of arguments to and

1063  
00:46:45,170 --> 00:46:50,450  
fro amongst you follow gist as to

1064  
00:46:47,510 --> 00:46:52,580  
whether this would actually happen and

1065  
00:46:50,449 --> 00:46:54,739  
what is your opinion having spoken to

1066  
00:46:52,579 --> 00:46:57,348  
some of these fellows who've seen these

1067  
00:46:54,739 --> 00:47:00,139  
UFOs and in fact panicked well don't

1068  
00:46:57,349 --> 00:47:01,760  
forget to I mean these they weren't

1069  
00:47:00,139 --> 00:47:03,469

seeing in the middle of the city with

1070

00:47:01,760 --> 00:47:05,060

everyone however around saying yeah

1071

00:47:03,469 --> 00:47:07,639

what's that I mean they're out in the

1072

00:47:05,059 --> 00:47:10,159

middle of nowhere God's own country and

1073

00:47:07,639 --> 00:47:11,989

it's pitch dark and you know this

1074

00:47:10,159 --> 00:47:13,879

happens a lot to people out in the

1075

00:47:11,989 --> 00:47:16,368

middle of nowhere apparent well I know

1076

00:47:13,880 --> 00:47:18,500

they've got some little popgun of a

1077

00:47:16,369 --> 00:47:20,780

rifle out there and then this huge thing

1078

00:47:18,500 --> 00:47:22,699

comes over their head and shoots down

1079

00:47:20,780 --> 00:47:24,380

beams of light and missiles are going

1080

00:47:22,699 --> 00:47:27,379

off yeah they're scary and what are they

1081

00:47:24,380 --> 00:47:31,269

89 years old what what I mean exactly

1082

00:47:27,380 --> 00:47:33,740

wouldn't it change in point yeah

1083

00:47:31,269 --> 00:47:36,050

actually in my book I mentioned for

1084  
00:47:33,739 --> 00:47:38,059  
example in 1959 the Brookings

1085  
00:47:36,050 --> 00:47:40,130  
Institution which is a think-tank

1086  
00:47:38,059 --> 00:47:42,679  
right did a study for NASA there was

1087  
00:47:40,130 --> 00:47:45,140  
another study by the RAND Corporation

1088  
00:47:42,679 --> 00:47:49,129  
which is a think tank for the Air Force

1089  
00:47:45,139 --> 00:47:51,858  
in 1966 fifty-eight both of those would

1090  
00:47:49,130 --> 00:47:54,108  
be classified in either case in both

1091  
00:47:51,858 --> 00:47:57,019  
cases I should say the analysts at these

1092  
00:47:54,108 --> 00:48:00,049  
think tanks told NASA and the Air Force

1093  
00:47:57,019 --> 00:48:03,769  
that there was potential for public

1094  
00:48:00,050 --> 00:48:06,200  
panic human systems such as economic

1095  
00:48:03,769 --> 00:48:08,210  
system could collapse opposed some

1096  
00:48:06,199 --> 00:48:10,909  
president gets on TV and says that

1097  
00:48:08,210 --> 00:48:12,920  
beings from another world or here you

1098  
00:48:10,909 --> 00:48:14,598  
know some number of people might take a

1099  
00:48:12,920 --> 00:48:16,510  
large number of people might take their

1100  
00:48:14,599 --> 00:48:19,130  
their stocks out of the stock market

1101  
00:48:16,510 --> 00:48:20,810  
bury their money in their backyard till

1102  
00:48:19,130 --> 00:48:22,690  
I see what happened you know I mean that

1103  
00:48:20,809 --> 00:48:25,130  
kind of thing where you suddenly have an

1104  
00:48:22,690 --> 00:48:26,358  
settled economic situation people

1105  
00:48:25,130 --> 00:48:28,789  
wondering you know what's going to

1106  
00:48:26,358 --> 00:48:31,549  
happen next and buying gold and silver

1107  
00:48:28,789 --> 00:48:32,150  
and all the rest of it but the the

1108  
00:48:31,550 --> 00:48:36,440  
Brookings

1109  
00:48:32,150 --> 00:48:38,599  
yes the Brookings Institute analyst said

1110  
00:48:36,440 --> 00:48:41,300  
you know human religions could be

1111  
00:48:38,599 --> 00:48:42,830  
impacted suppose our visitors decide at

1112

00:48:41,300 --> 00:48:45,109  
some point to share their knowledge of

1113  
00:48:42,829 --> 00:48:47,509  
the universe with us and their concept

1114  
00:48:45,108 --> 00:48:50,329  
of God it make it almost certainly

1115  
00:48:47,510 --> 00:48:51,950  
conflict with human beliefs or in my

1116  
00:48:50,329 --> 00:48:55,009  
view it would almost certainly conflict

1117  
00:48:51,949 --> 00:48:56,599  
with human beliefs about the deity you

1118  
00:48:55,010 --> 00:48:59,330  
know whatever we conceived God to be

1119  
00:48:56,599 --> 00:49:01,489  
etc so there were all these potential

1120  
00:48:59,329 --> 00:49:05,000  
dire consequences that both of these

1121  
00:49:01,489 --> 00:49:07,099  
think tanks were laying out categorizing

1122  
00:49:05,000 --> 00:49:10,309  
for you know the Air Force and NASA

1123  
00:49:07,099 --> 00:49:12,500  
saying you know if this you know it does

1124  
00:49:10,309 --> 00:49:14,480  
prove to be if UFOs proved to be

1125  
00:49:12,500 --> 00:49:16,190  
visitors from elsewhere you really want

1126  
00:49:14,480 --> 00:49:17,150

to think twice about going public with

1127

00:49:16,190 --> 00:49:19,760

it

1128

00:49:17,150 --> 00:49:22,700

Victor Marchetti I mentioned that my

1129

00:49:19,760 --> 00:49:24,950

website and more than one article Victor

1130

00:49:22,699 --> 00:49:27,859

Marchetti is a former high-level CIA

1131

00:49:24,949 --> 00:49:30,259

official he left the agency in the late

1132

00:49:27,860 --> 00:49:32,480

60s because it was engaged in all sorts

1133

00:49:30,260 --> 00:49:35,330

of illegal and immoral activities and

1134

00:49:32,480 --> 00:49:38,240

wrote a best-seller an expose on the

1135

00:49:35,329 --> 00:49:40,909

agency called the CIA and cultural

1136

00:49:38,239 --> 00:49:42,379

intelligence the CIA took him all the

1137

00:49:40,909 --> 00:49:44,929

way to the Supreme Court to try to

1138

00:49:42,380 --> 00:49:49,550

prevent that being published and in any

1139

00:49:44,929 --> 00:49:51,919

case in May of 1979 Victor Marchetti

1140

00:49:49,550 --> 00:49:55,039

wrote an article called how the CIA

1141  
00:49:51,920 --> 00:49:57,079  
views the UFO phenomenon it's available

1142  
00:49:55,039 --> 00:49:59,929  
online but it's very hard to get ahold

1143  
00:49:57,079 --> 00:50:02,090  
of but if any of your listeners can't

1144  
00:49:59,929 --> 00:50:05,329  
find it they want to write my website

1145  
00:50:02,090 --> 00:50:07,809  
I'll send them a link to it or send them

1146  
00:50:05,329 --> 00:50:11,590  
or document with this article maybe

1147  
00:50:07,809 --> 00:50:14,059  
maybe we should put a link to it on your

1148  
00:50:11,590 --> 00:50:16,519  
what we're going to write up about you

1149  
00:50:14,059 --> 00:50:18,440  
for the website so it's right there you

1150  
00:50:16,519 --> 00:50:19,730  
know being Robert and things you being

1151  
00:50:18,440 --> 00:50:23,780  
Robert Hastings yes

1152  
00:50:19,730 --> 00:50:26,360  
so in Robert Hastings Erma you can just

1153  
00:50:23,780 --> 00:50:28,880  
send me the link and I will put it up as

1154  
00:50:26,360 --> 00:50:31,370  
soon as the podcast is ready for

1155  
00:50:28,880 --> 00:50:33,470  
publication it will be up along with all

1156  
00:50:31,369 --> 00:50:35,630  
your information I'm sure that a lot of

1157  
00:50:33,469 --> 00:50:38,959  
people will want to look at that and

1158  
00:50:35,630 --> 00:50:41,510  
there it is what I was going to say was

1159  
00:50:38,960 --> 00:50:45,110  
Victor Marchetti said that when he was

1160  
00:50:41,510 --> 00:50:47,450  
at CIA there were a rumor he said that

1161  
00:50:45,110 --> 00:50:48,950  
UFOs were such a sensitive topic that

1162  
00:50:47,449 --> 00:50:51,199  
you did not talk about it

1163  
00:50:48,949 --> 00:50:54,259  
unless you had you know some reason to

1164  
00:50:51,199 --> 00:50:56,269  
he said nevertheless humans being humans

1165  
00:50:54,260 --> 00:50:58,280  
there would be like water-cooler talk

1166  
00:50:56,269 --> 00:50:59,960  
there would be rumors swirling and he

1167  
00:50:58,280 --> 00:51:02,360  
said there were rumors about multiple

1168  
00:50:59,960 --> 00:51:05,240  
UFOs crashing wants some of which were

1169

00:51:02,360 --> 00:51:07,550  
shot down by military aircraft he said

1170  
00:51:05,239 --> 00:51:10,250  
there were rumors of CIA's about what he

1171  
00:51:07,550 --> 00:51:12,590  
called bodies of little green men on ice

1172  
00:51:10,250 --> 00:51:14,960  
wright-patterson Air Force Base but then

1173  
00:51:12,590 --> 00:51:18,920  
he devotes most of this article saying

1174  
00:51:14,960 --> 00:51:21,139  
that if the CIA knows that UFOs are

1175  
00:51:18,920 --> 00:51:24,260  
visitors from elsewhere what they're

1176  
00:51:21,139 --> 00:51:27,289  
probably advising every administration

1177  
00:51:24,260 --> 00:51:29,210  
you know that comes into office is do

1178  
00:51:27,289 --> 00:51:31,219  
not talk about this do not go public

1179  
00:51:29,210 --> 00:51:33,800  
because the consequences are

1180  
00:51:31,219 --> 00:51:35,509  
unpredictable Marchetti is saying you

1181  
00:51:33,800 --> 00:51:37,640  
know if you're in power if you're in

1182  
00:51:35,510 --> 00:51:40,490  
charge of the government or part of the

1183  
00:51:37,639 --> 00:51:43,129

status quo the economic you know movers

1184

00:51:40,489 --> 00:51:45,529

and shakers of any given country if you

1185

00:51:43,130 --> 00:51:47,630

know that aliens are here and your

1186

00:51:45,530 --> 00:51:49,849

public might respond not to well if they

1187

00:51:47,630 --> 00:51:51,500

were told the truth then you really

1188

00:51:49,849 --> 00:51:53,000

could your power base could be in

1189

00:51:51,500 --> 00:51:55,280

jeopardy your control of your own

1190

00:51:53,000 --> 00:51:57,380

citizens could be in jeopardy and so

1191

00:51:55,280 --> 00:51:59,990

Marchetti was seen as an intelligence

1192

00:51:57,380 --> 00:52:02,300

analyst his view is that intelligence

1193

00:51:59,989 --> 00:52:04,729

agencies in every country who's in on

1194

00:52:02,300 --> 00:52:06,619

the UFO secret are advising their

1195

00:52:04,730 --> 00:52:08,719

governments never to go public with this

1196

00:52:06,619 --> 00:52:09,349

just to wait and wait and wait and see

1197

00:52:08,719 --> 00:52:11,959

what happens

1198  
00:52:09,349 --> 00:52:15,440  
well what I don't have a dog in this

1199  
00:52:11,960 --> 00:52:19,250  
race both do you do you believe or do

1200  
00:52:15,440 --> 00:52:22,670  
you have some evidence that these these

1201  
00:52:19,250 --> 00:52:24,670  
vehicles are actually extraterrestrial

1202  
00:52:22,670 --> 00:52:29,930  
that they're not from a different

1203  
00:52:24,670 --> 00:52:32,240  
different time or a different job I

1204  
00:52:29,929 --> 00:52:35,088  
think there may very well be a different

1205  
00:52:32,239 --> 00:52:37,669  
civilization on this planet as well it's

1206  
00:52:35,088 --> 00:52:40,489  
been here for a long time and is

1207  
00:52:37,670 --> 00:52:40,880  
protecting either itself by limiting

1208  
00:52:40,489 --> 00:52:47,838  
nukes

1209  
00:52:40,880 --> 00:52:51,050  
I refer I refer to these guys as quote

1210  
00:52:47,838 --> 00:52:53,239  
visitors from elsewhere and I think it

1211  
00:52:51,050 --> 00:52:55,900  
would be presumptuous for me to say

1212  
00:52:53,239 --> 00:52:58,338  
they're extraterrestrials they're

1213  
00:52:55,900 --> 00:53:00,470  
interdimensional beings they're time

1214  
00:52:58,338 --> 00:53:02,539  
travelers what I've actually told people

1215  
00:53:00,469 --> 00:53:04,909  
in many of these radio interviews over

1216  
00:53:02,539 --> 00:53:08,389  
the years is all of the above you know

1217  
00:53:04,909 --> 00:53:11,329  
and our multiple choice of type DD is

1218  
00:53:08,389 --> 00:53:13,210  
always all of the above and that's what

1219  
00:53:11,329 --> 00:53:15,889  
I think is going on it's such a

1220  
00:53:13,210 --> 00:53:18,619  
fantastically large and complex universe

1221  
00:53:15,889 --> 00:53:20,719  
why couldn't we have beings traveling

1222  
00:53:18,619 --> 00:53:22,760  
within space time which is our universe

1223  
00:53:20,719 --> 00:53:24,029  
from other worlds why couldn't we have

1224  
00:53:22,760 --> 00:53:27,030  
other dimension

1225  
00:53:24,030 --> 00:53:29,280  
most physicists now say there are higher

1226

00:53:27,030 --> 00:53:30,300  
dimensions of space other than our

1227  
00:53:29,280 --> 00:53:32,850  
universe

1228  
00:53:30,300 --> 00:53:35,160  
why couldn't some of these beans if not

1229  
00:53:32,849 --> 00:53:37,860  
from some other dimension at least

1230  
00:53:35,159 --> 00:53:41,039  
utilize that dimension to travel from

1231  
00:53:37,860 --> 00:53:43,110  
their world to ours but some of them you

1232  
00:53:41,039 --> 00:53:45,809  
know if humans do have a future and

1233  
00:53:43,110 --> 00:53:48,090  
evolve in the future why can't some of

1234  
00:53:45,809 --> 00:53:50,099  
these incidents involve humans from the

1235  
00:53:48,090 --> 00:53:52,950  
future coming back so I say all of the

1236  
00:53:50,099 --> 00:53:54,779  
above okay I think it's arrogant it's

1237  
00:53:52,949 --> 00:53:57,359  
arrogant for any of us that you know any

1238  
00:53:54,780 --> 00:53:59,640  
one of us to say that the data point to

1239  
00:53:57,360 --> 00:54:02,220  
one thing or another I think it's very

1240  
00:53:59,639 --> 00:54:04,650

complex and yet most people feel it

1241  
00:54:02,219 --> 00:54:06,959  
obvious that if and when we go to Mars

1242  
00:54:04,650 --> 00:54:09,840  
which I think will be in the next decade

1243  
00:54:06,960 --> 00:54:13,019  
or two or three we will be UFOs to

1244  
00:54:09,840 --> 00:54:16,019  
Martians and everyone goes oh yeah

1245  
00:54:13,019 --> 00:54:18,269  
but no one thinks that UFOs are here I

1246  
00:54:16,019 --> 00:54:19,860  
mean just for us to do it it's ok but

1247  
00:54:18,269 --> 00:54:23,009  
nobody can come here do it well I think

1248  
00:54:19,860 --> 00:54:26,309  
kind of a twist in that mindset more and

1249  
00:54:23,010 --> 00:54:29,610  
more people have been enculturated to

1250  
00:54:26,309 --> 00:54:32,730  
the idea that UFOs can be here because

1251  
00:54:29,610 --> 00:54:35,940  
of the media has enculturated them to

1252  
00:54:32,730 --> 00:54:38,010  
that point one point to being that if

1253  
00:54:35,940 --> 00:54:39,900  
somebody's coming from the Pleiades

1254  
00:54:38,010 --> 00:54:42,630  
they're not coming using a chemical

1255  
00:54:39,900 --> 00:54:45,210  
rocket they're coming by doing something

1256  
00:54:42,630 --> 00:54:48,950  
else which might be vote unquote in two

1257  
00:54:45,210 --> 00:54:52,019  
dimensional so certainly that between

1258  
00:54:48,949 --> 00:54:54,689  
interdimensional and interstellar there

1259  
00:54:52,019 --> 00:54:57,900  
could be a clearly a cross going on

1260  
00:54:54,690 --> 00:54:59,760  
there but I like you I do not know I do

1261  
00:54:57,900 --> 00:55:02,160  
not pretend to know the answer if the

1262  
00:54:59,760 --> 00:55:04,590  
other thing too is that we got away a

1263  
00:55:02,159 --> 00:55:06,299  
long way away from those scare films or

1264  
00:55:04,590 --> 00:55:09,990  
the 50s you know when the saucer would

1265  
00:55:06,300 --> 00:55:11,700  
come down with the who who'd get up and

1266  
00:55:09,989 --> 00:55:14,039  
someone will get nabbed in the neck by

1267  
00:55:11,699 --> 00:55:16,439  
some creature I and those things sort of

1268  
00:55:14,039 --> 00:55:20,009  
went the way of whatever I mean they're

1269  
00:55:16,440 --> 00:55:23,970  
sort of funny now but you know I don't

1270  
00:55:20,010 --> 00:55:28,050  
independence day and well what would I

1271  
00:55:23,969 --> 00:55:29,730  
tell more on my life your audiences what

1272  
00:55:28,050 --> 00:55:33,140  
would I tell my lecture audiences at

1273  
00:55:29,730 --> 00:55:35,250  
colleges and universities is you know it

1274  
00:55:33,139 --> 00:55:37,349  
you have to consider all the

1275  
00:55:35,250 --> 00:55:37,889  
possibilities you know if anyone in the

1276  
00:55:37,349 --> 00:55:39,719  
Pentagon

1277  
00:55:37,889 --> 00:55:41,489  
or anyone in the Kremlin knows what's

1278  
00:55:39,719 --> 00:55:44,759  
going on I certainly don't know

1279  
00:55:41,489 --> 00:55:47,699  
so these incidents involving the nuclear

1280  
00:55:44,760 --> 00:55:50,100  
missile shutdowns is it some race or

1281  
00:55:47,699 --> 00:55:51,929  
multiple races trying to warn us that

1282  
00:55:50,099 --> 00:55:54,119  
we're playing with fire you know they're

1283

00:55:51,929 --> 00:55:56,369  
slapping our hands in effect saying

1284  
00:55:54,119 --> 00:55:59,009  
think twice about using nukes is it that

1285  
00:55:56,369 --> 00:56:01,469  
or if they've been here for thousands of

1286  
00:55:59,010 --> 00:56:03,720  
years you do they have projects here do

1287  
00:56:01,469 --> 00:56:06,719  
they have underground bases that would

1288  
00:56:03,719 --> 00:56:07,919  
be impacted by human nuclear wars and

1289  
00:56:06,719 --> 00:56:10,469  
they don't want those types of

1290  
00:56:07,920 --> 00:56:12,659  
disruptions so in effect what they're

1291  
00:56:10,469 --> 00:56:15,119  
doing is in their own vested interest or

1292  
00:56:12,659 --> 00:56:16,920  
is it a combination of the two and then

1293  
00:56:15,119 --> 00:56:18,690  
I tell my audience you know if we're

1294  
00:56:16,920 --> 00:56:20,940  
looking at all the options we really

1295  
00:56:18,690 --> 00:56:23,010  
need to consider that one or more of

1296  
00:56:20,940 --> 00:56:24,929  
these reasons might be hostile they

1297  
00:56:23,010 --> 00:56:27,510

might need this world for some reason or

1298

00:56:24,929 --> 00:56:30,210

have nefarious designs on humankind and

1299

00:56:27,510 --> 00:56:32,970

we really can't rule out that they're

1300

00:56:30,210 --> 00:56:34,829

not shutting down the nukes because they

1301

00:56:32,969 --> 00:56:36,959

want to inherit the earth and they don't

1302

00:56:34,829 --> 00:56:40,289

want to have a radioactive wasteland so

1303

00:56:36,960 --> 00:56:42,090

you know again I'm the person on the

1304

00:56:40,289 --> 00:56:43,739

planet you know it's just unbelievable

1305

00:56:42,090 --> 00:56:46,110

for me to say this out loud because it

1306

00:56:43,739 --> 00:56:48,059

sounds ridiculous but of all the human

1307

00:56:46,110 --> 00:56:49,920

race I'm the only fool that really

1308

00:56:48,059 --> 00:56:52,860

devoted his life to study in all of this

1309

00:56:49,920 --> 00:56:56,519

in great detail the detail involving the

1310

00:56:52,860 --> 00:56:59,190

nuclear weapons case and so I think as

1311

00:56:56,519 --> 00:57:02,190

the primary researcher of this now very

1312  
00:56:59,190 --> 00:57:05,400  
well-documented phenomenon one only has

1313  
00:57:02,190 --> 00:57:08,670  
to go to my website document page UFO

1314  
00:57:05,400 --> 00:57:11,550  
Hastings comm slash documents and read

1315  
00:57:08,670 --> 00:57:13,590  
all the documents that are there to know

1316  
00:57:11,550 --> 00:57:16,710  
that this is real and ongoing and I

1317  
00:57:13,590 --> 00:57:19,320  
myself cannot say you know what this all

1318  
00:57:16,710 --> 00:57:22,260  
represents it's it's clearly going on

1319  
00:57:19,320 --> 00:57:24,840  
but the motivation behind it the endgame

1320  
00:57:22,260 --> 00:57:28,440  
and so on I really think no one really

1321  
00:57:24,840 --> 00:57:31,289  
knows well we don't think that you are a

1322  
00:57:28,440 --> 00:57:33,420  
fool that's for sure Kate and I have a

1323  
00:57:31,289 --> 00:57:35,550  
very high regard for you and we're very

1324  
00:57:33,420 --> 00:57:39,659  
appreciative for all the work you've put

1325  
00:57:35,550 --> 00:57:42,180  
in we're almost out of time here but if

1326  
00:57:39,659 --> 00:57:45,269  
you mentioned a little bit about your

1327  
00:57:42,179 --> 00:57:48,269  
ongoing projects is there anything else

1328  
00:57:45,269 --> 00:57:51,659  
you'd like to say about that about what

1329  
00:57:48,269 --> 00:57:54,030  
you're doing out there now I

1330  
00:57:51,659 --> 00:57:56,578  
actively seeking new sources so any of

1331  
00:57:54,030 --> 00:58:00,150  
your listeners who are ex-military and

1332  
00:57:56,579 --> 00:58:02,099  
have knowledge of an incident you know I

1333  
00:58:00,150 --> 00:58:05,369  
would very much like to talk to you my

1334  
00:58:02,099 --> 00:58:07,470  
contact information is at my website no

1335  
00:58:05,369 --> 00:58:10,410  
one as I said earlier no one who's

1336  
00:58:07,469 --> 00:58:13,199  
contacted me over 40 years has had any

1337  
00:58:10,409 --> 00:58:15,480  
problems with being harassed so don't

1338  
00:58:13,199 --> 00:58:17,279  
worry about that if you want to tell me

1339  
00:58:15,480 --> 00:58:20,639  
something and keep it having me keep it

1340

00:58:17,280 --> 00:58:22,380  
confidential I'll do that I'll honor

1341  
00:58:20,639 --> 00:58:24,629  
your request but I would certainly

1342  
00:58:22,380 --> 00:58:26,430  
prefer to publish what you've said to

1343  
00:58:24,630 --> 00:58:29,970  
add to the database so the public knows

1344  
00:58:26,429 --> 00:58:32,009  
that this is widespread and ongoing so I

1345  
00:58:29,969 --> 00:58:34,709  
would encourage people to do that also

1346  
00:58:32,010 --> 00:58:37,200  
you know if you want to support my

1347  
00:58:34,710 --> 00:58:39,119  
efforts by buying my book or watching my

1348  
00:58:37,199 --> 00:58:42,480  
film at Vimeo that would certainly be

1349  
00:58:39,119 --> 00:58:44,970  
appreciated UFO researchers are not the

1350  
00:58:42,480 --> 00:58:46,650  
richest people in the world and you know

1351  
00:58:44,969 --> 00:58:49,259  
I have bills to pay like everyone else

1352  
00:58:46,650 --> 00:58:51,269  
so if you wanted if you think what I'm

1353  
00:58:49,260 --> 00:58:53,220  
doing is worthwhile and deserves support

1354  
00:58:51,269 --> 00:58:56,159

and perhaps he'll you'll help you out by

1355

00:58:53,219 --> 00:58:59,278

either buying the film or the book and

1356

00:58:56,159 --> 00:59:01,379

the name of the book in the film person

1357

00:58:59,278 --> 00:59:04,139

out of protest you want me I'll say it

1358

00:59:01,380 --> 00:59:07,920

okay at least yeah I chime alright good

1359

00:59:04,139 --> 00:59:10,618

mr. hasting some mud UFOs and nukes the

1360

00:59:07,920 --> 00:59:14,760

secret link revealed his new documentary

1361

00:59:10,619 --> 00:59:17,640

film and UFOs and nukes extraordinary

1362

00:59:14,760 --> 00:59:21,210

encounters at nuclear weapons sites is

1363

00:59:17,639 --> 00:59:24,058

the name of Robert Hastings book and I

1364

00:59:21,210 --> 00:59:25,970

just want to say that we are in complete

1365

00:59:24,059 --> 00:59:28,470

support of you when we encourage you to

1366

00:59:25,969 --> 00:59:31,318

continue for as long as you are able and

1367

00:59:28,469 --> 00:59:35,969

you look still quite able-bodied also

1368

00:59:31,318 --> 00:59:38,338

you know not good but a lot of people

1369  
00:59:35,969 --> 00:59:40,500  
are just starting you know for myself

1370  
00:59:38,338 --> 00:59:43,889  
and Ferruccio I guess we've been hacking

1371  
00:59:40,500 --> 00:59:46,289  
around with you Robert for a long time

1372  
00:59:43,889 --> 00:59:48,538  
in the UFO field and sometimes it gets

1373  
00:59:46,289 --> 00:59:50,910  
to be a little bit old hat but there are

1374  
00:59:48,539 --> 00:59:53,520  
people that are just starting and just

1375  
00:59:50,909 --> 00:59:56,190  
really now getting interested in it and

1376  
00:59:53,519 --> 00:59:58,500  
so I would highly recommend your book to

1377  
00:59:56,190 --> 01:00:01,409  
those people as opposed to some of the

1378  
00:59:58,500 --> 01:00:04,409  
more sensationalist for don't thank you

1379  
01:00:01,409 --> 01:00:05,250  
yes there's too many CGI things out

1380  
01:00:04,409 --> 01:00:08,719  
there on the end

1381  
01:00:05,250 --> 01:00:12,599  
Genet better than everyone in your field

1382  
01:00:08,719 --> 01:00:14,549  
I get I get very angry and certainly

1383  
01:00:12,599 --> 01:00:17,099  
frustrated about the amount of noise

1384  
01:00:14,550 --> 01:00:19,350  
that one has to deal with on the

1385  
01:00:17,099 --> 01:00:21,179  
Internet to get to the signal you know

1386  
01:00:19,349 --> 01:00:23,089  
the whole purpose of what I'm doing is

1387  
01:00:21,179 --> 01:00:27,359  
to separate the signal from the noise

1388  
01:00:23,090 --> 01:00:29,640  
you know there is valid UFO data this is

1389  
01:00:27,360 --> 01:00:32,430  
real this is not anything that man-made

1390  
01:00:29,639 --> 01:00:34,199  
and if you know where to look you can be

1391  
01:00:32,429 --> 01:00:36,029  
convinced of that by what's come out of

1392  
01:00:34,199 --> 01:00:38,519  
government files and these military

1393  
01:00:36,030 --> 01:00:40,680  
witnesses testimony but there's just so

1394  
01:00:38,519 --> 01:00:42,480  
much crap out there that that people

1395  
01:00:40,679 --> 01:00:45,119  
really get frustrated waiting to it I

1396  
01:00:42,480 --> 01:00:47,730  
should quickly mention that my book is

1397

01:00:45,119 --> 01:00:51,269  
sold exclusively at my website UFO

1398  
01:00:47,730 --> 01:00:53,490  
Hastings comm scalpers buy it for twenty

1399  
01:00:51,269 --> 01:00:56,250  
four ninety five and then resell it on

1400  
01:00:53,489 --> 01:00:58,619  
Amazon for a hundred bucks sometimes so

1401  
01:00:56,250 --> 01:01:01,860  
don't fall into that trap it's directly

1402  
01:00:58,619 --> 01:01:03,359  
available for my website well thank you

1403  
01:01:01,860 --> 01:01:07,320  
so very much

1404  
01:01:03,360 --> 01:01:09,990  
and as we conclude this of this podcast

1405  
01:01:07,320 --> 01:01:13,260  
we want to thank you can't mr. Hastings

1406  
01:01:09,989 --> 01:01:16,889  
Robert Hastings deeply for being on the

1407  
01:01:13,260 --> 01:01:18,900  
show and Kate yeah oh listen I've been a

1408  
01:01:16,889 --> 01:01:20,759  
fan of yours for a long time and I'm

1409  
01:01:18,900 --> 01:01:23,400  
really glad to be at that conference

1410  
01:01:20,760 --> 01:01:26,240  
just a really quick note were you there

1411  
01:01:23,400 --> 01:01:29,760

when Mike Gravel he was the retired

1412

01:01:26,239 --> 01:01:32,969

senator from Alaska slipped and sort of

1413

01:01:29,760 --> 01:01:36,120

a snide aside said to somebody of course

1414

01:01:32,969 --> 01:01:39,089

we have a space force and that always

1415

01:01:36,119 --> 01:01:43,429

stuck with me I said what did he just

1416

01:01:39,090 --> 01:01:45,690

say so I I so cool look into that know

1417

01:01:43,429 --> 01:01:49,279

you're going to give him a job Kate I

1418

01:01:45,690 --> 01:01:52,139

don't know I think a big job as it is I

1419

01:01:49,280 --> 01:01:55,200

wasn't there I never heard anyone say

1420

01:01:52,139 --> 01:01:57,089

that yeah so I don't like I prefer not

1421

01:01:55,199 --> 01:01:58,859

to chime in I prefer not to offer

1422

01:01:57,090 --> 01:02:01,430

opinions about things that I don't know

1423

01:01:58,860 --> 01:02:04,079

anything about so I'll report that now

1424

01:02:01,429 --> 01:02:07,049

it is an interesting thing as well as

1425

01:02:04,079 --> 01:02:09,719

that hacker from England that that

1426  
01:02:07,050 --> 01:02:12,480  
fellow who what hacked in is here in the

1427  
01:02:09,719 --> 01:02:15,209  
Canon yeah yes that is that is a very

1428  
01:02:12,480 --> 01:02:17,070  
interesting situation but we are not

1429  
01:02:15,210 --> 01:02:18,900  
going to go into that now no what we're

1430  
01:02:17,070 --> 01:02:22,890  
going to say now before we say

1431  
01:02:18,900 --> 01:02:25,470  
goodbye is that our next show is with an

1432  
01:02:22,889 --> 01:02:29,969  
author who has spoken to a lot of

1433  
01:02:25,469 --> 01:02:34,558  
quantum physicists on her radio show and

1434  
01:02:29,969 --> 01:02:37,858  
the author is Eva her and she is going

1435  
01:02:34,559 --> 01:02:41,039  
to talk to us about her conversations

1436  
01:02:37,858 --> 01:02:43,828  
with remarkable men and women and that

1437  
01:02:41,039 --> 01:02:48,059  
will be our next podcast

1438  
01:02:43,829 --> 01:02:52,140  
God willing we're all here and also that

1439  
01:02:48,059 --> 01:02:55,048  
our ongoing contest is still ongoing for

1440  
01:02:52,139 --> 01:02:58,259  
at least the next two weeks until the

1441  
01:02:55,048 --> 01:03:01,619  
beginning of October for winning the

1442  
01:02:58,260 --> 01:03:05,099  
three set book from Lisette Larkins so

1443  
01:03:01,619 --> 01:03:08,670  
make a make a comment on shattered

1444  
01:03:05,099 --> 01:03:11,700

1447  
01:03:14,849 --> 01:03:21,240  
the Lisette Larkins show because only

1448  
01:03:18,059 --> 01:03:26,089  
comments on the Lisette Larkins show

1449  
01:03:21,239 --> 01:03:30,149  
will be accepted for inclusion in this

1450  
01:03:26,088 --> 01:03:32,219  
podcast but let's not forget about the

1451  
01:03:30,150 --> 01:03:33,960  
podcasts that we're doing right now and

1452  
01:03:32,219 --> 01:03:37,459  
finishing up okay that that's going to

1453  
01:03:33,960 --> 01:03:40,889  
be up in a couple days okay all righty

1454

01:03:37,460 --> 01:03:46,730  
selfish added reality oh I guess it's

1455  
01:03:40,889 --> 01:03:49,730  
goodbye okay from Oh gathered reality

1456  
01:03:46,730 --> 01:03:49,730  
instantly
