

1  
00:00:08,589 --> 00:00:12,230  
[Music]

2  
00:00:17,199 --> 00:00:25,490  
welcome to shattered reality with their

3  
00:00:20,689 --> 00:00:28,250  
hosts Kate Valentine and furs prepare to

4  
00:00:25,489 --> 00:00:35,390  
have your paradigm shifted and your

5  
00:00:28,250 --> 00:00:36,500  
truths questioned and now really well

6  
00:00:35,390 --> 00:00:39,770  
hello everybody

7  
00:00:36,500 --> 00:00:42,469  
it's Kate Valentine and I'm firoozeh and

8  
00:00:39,770 --> 00:00:44,660  
we're very lucky today well we we have a

9  
00:00:42,469 --> 00:00:48,170  
few we had got a slate first oh oh sorry

10  
00:00:44,659 --> 00:00:50,148  
Scotty today is Tuesday October 11th oh

11  
00:00:48,170 --> 00:00:52,039  
it's true we have two and because we

12  
00:00:50,149 --> 00:00:56,780  
want to let people know that this is our

13  
00:00:52,039 --> 00:01:01,219  
38th podcast here we are going strong

14  
00:00:56,780 --> 00:01:05,439  
and we have today two very interesting

15  
00:01:01,219 --> 00:01:08,989  
things for our listeners we have the

16  
00:01:05,438 --> 00:01:14,419  
results of our contest to win the

17  
00:01:08,989 --> 00:01:15,310  
three-volume set of books by Lisette

18  
00:01:14,420 --> 00:01:20,599  
Larkins

19  
00:01:15,310 --> 00:01:25,368  
and we also have a fabulous guest now

20  
00:01:20,599 --> 00:01:28,789  
our guest whose name is Eva her comes

21  
00:01:25,368 --> 00:01:32,930  
from Georgia and she is the author of

22  
00:01:28,790 --> 00:01:39,229  
two wonderful books her first book is

23  
00:01:32,930 --> 00:01:41,540  
called agape and it is it is has already

24  
00:01:39,228 --> 00:01:43,719  
been out for a little while

25  
00:01:41,540 --> 00:01:46,130  
but her current book is consciousness

26  
00:01:43,719 --> 00:01:49,158  
bridging the gap between conventional

27  
00:01:46,129 --> 00:01:54,009  
science and the new super science of

28  
00:01:49,159 --> 00:01:57,829  
quantum mechanics now miss her had a

29

00:01:54,009 --> 00:02:02,000  
radio show for quite a while wherein she

30  
00:01:57,828 --> 00:02:04,429  
interviewed new thinkers and people who

31  
00:02:02,000 --> 00:02:09,949  
were paradigm shifters just like our

32  
00:02:04,430 --> 00:02:13,849  
show and nurses and physicists and so

33  
00:02:09,949 --> 00:02:17,028  
her show right now is on sabbatical but

34  
00:02:13,848 --> 00:02:20,479  
it was a very excellent show and what

35  
00:02:17,028 --> 00:02:23,209  
this what this book is about it is

36  
00:02:20,479 --> 00:02:27,919  
transcripts of ten of the interviews

37  
00:02:23,209 --> 00:02:29,930  
with leading thinkers on the subject of

38  
00:02:27,919 --> 00:02:32,598  
what is consciousness

39  
00:02:29,930 --> 00:02:35,299  
that's a huge question it certainly is

40  
00:02:32,598 --> 00:02:37,219  
so let's feel like saying let's put our

41  
00:02:35,299 --> 00:02:41,239  
hands together and welcome me for her

42  
00:02:37,219 --> 00:02:43,699  
but that's of course what doesn't but

43  
00:02:41,239 --> 00:02:46,009

please let's welcome Eva

44

00:02:43,699 --> 00:02:48,919  
her and thank you so much for being with

45

00:02:46,009 --> 00:02:51,229  
us yes thank you thank you for having me

46

00:02:48,919 --> 00:02:53,238  
well I think what our first question

47

00:02:51,229 --> 00:02:55,068  
would have been is that we were a sort

48

00:02:53,239 --> 00:02:58,370  
of reading your biography and you were

49

00:02:55,068 --> 00:03:01,429  
in the legal field which is a fair

50

00:02:58,370 --> 00:03:06,140  
distance from where you are now we were

51

00:03:01,430 --> 00:03:08,629  
wondering how you bridge that gap that's

52

00:03:06,139 --> 00:03:12,378  
a really good question I the only thing

53

00:03:08,628 --> 00:03:14,989  
I can tell you is when consciousness

54

00:03:12,378 --> 00:03:18,108  
knocks at your door mm-hmm

55

00:03:14,989 --> 00:03:21,950  
you either get the baseball on your shin

56

00:03:18,109 --> 00:03:25,280  
the baseball bet on your shin or you go

57

00:03:21,949 --> 00:03:27,949  
crazy okay and you know it was in front

58  
00:03:25,280 --> 00:03:31,129  
of my space and it was relentless and I

59  
00:03:27,949 --> 00:03:32,629  
didn't have any choice you know if

60  
00:03:31,129 --> 00:03:34,609  
there's one consciousness wants you to

61  
00:03:32,629 --> 00:03:36,859  
do something you pretty much don't have

62  
00:03:34,609 --> 00:03:38,840  
any choice but to do it okay now when

63  
00:03:36,859 --> 00:03:41,480  
you say something like consciousness it

64  
00:03:38,840 --> 00:03:44,870  
almost sounds as if you are referring to

65  
00:03:41,479 --> 00:03:46,369  
sort of I'm going to say this but I

66  
00:03:44,870 --> 00:03:49,209  
don't necessarily mean it like a

67  
00:03:46,370 --> 00:03:52,129  
universal sort of a voice like some yes

68  
00:03:49,209 --> 00:03:54,289  
something outside yourself anyway I

69  
00:03:52,129 --> 00:03:56,810  
choose these you know there are many

70  
00:03:54,289 --> 00:03:58,340  
definitions what is consciousness and

71  
00:03:56,810 --> 00:04:00,799  
that's one of the problems in the world

72  
00:03:58,340 --> 00:04:03,530  
today and just my personal definition

73  
00:04:00,799 --> 00:04:05,359  
and this particular instance is the

74  
00:04:03,530 --> 00:04:08,840  
ground of all being it's everything that

75  
00:04:05,359 --> 00:04:11,900  
energy that underlies everything that is

76  
00:04:08,840 --> 00:04:14,090  
that original intention perhaps or the

77  
00:04:11,900 --> 00:04:16,879  
original source whatever you want to

78  
00:04:14,090 --> 00:04:19,639  
call it you know that higher powerhouse

79  
00:04:16,879 --> 00:04:21,918  
that I don't like to use descriptive

80  
00:04:19,639 --> 00:04:25,280  
name words because I don't like to step

81  
00:04:21,918 --> 00:04:27,439  
on anybody's toes right well and it's

82  
00:04:25,279 --> 00:04:30,529  
also you know I think once you do that

83  
00:04:27,439 --> 00:04:32,509  
you start to box yourself in to as to

84  
00:04:30,529 --> 00:04:34,309  
you know what your meaning is and

85  
00:04:32,509 --> 00:04:36,649  
certainly something like conscious

86

00:04:34,310 --> 00:04:39,050  
this is not only in the mid a physical

87  
00:04:36,649 --> 00:04:42,739  
realm but in the medical realm as well

88  
00:04:39,050 --> 00:04:46,370  
it's almost impossible to define it and

89  
00:04:42,740 --> 00:04:48,949  
certainly to if you were interested in

90  
00:04:46,370 --> 00:04:51,160  
the medical field trying to discover

91  
00:04:48,949 --> 00:04:55,339  
what caused a person to become conscious

92  
00:04:51,160 --> 00:04:57,860  
it's very difficult well you know that's

93  
00:04:55,339 --> 00:04:59,899  
actually if I recall correctly that's

94  
00:04:57,860 --> 00:05:02,060  
the first well what I did let me just

95  
00:04:59,899 --> 00:05:05,269  
back up what I did is I had a friend who

96  
00:05:02,060 --> 00:05:07,910  
was an astrophysicist and I'm just a

97  
00:05:05,269 --> 00:05:10,699  
woman you know I'm a woman who had a

98  
00:05:07,910 --> 00:05:14,480  
very powerful spiritual epiphany

99  
00:05:10,699 --> 00:05:16,939  
much like Eckhart Tolle and I didn't I

100  
00:05:14,480 --> 00:05:19,450

wasn't seeking it I didn't even know

101

00:05:16,939 --> 00:05:22,250  
that it existed I didn't know

102

00:05:19,449 --> 00:05:24,379  
metaphysics insisted I didn't know any

103

00:05:22,250 --> 00:05:26,089  
of that stuff I just went to bed one

104

00:05:24,379 --> 00:05:28,939  
night and woke up different the next

105

00:05:26,089 --> 00:05:31,310  
morning so I had this friend that was an

106

00:05:28,939 --> 00:05:36,050  
astrophysicist who was also spiritually

107

00:05:31,310 --> 00:05:38,720  
awake and so we he was very learning as

108

00:05:36,050 --> 00:05:41,600  
he had a PhD in physics and so he had

109

00:05:38,720 --> 00:05:45,710  
read you know everything from from

110

00:05:41,600 --> 00:05:49,189  
metaphysics to the to astrophysics and

111

00:05:45,709 --> 00:05:51,169  
so we decided that we would review

112

00:05:49,189 --> 00:05:55,399  
pretty much everything that was out

113

00:05:51,170 --> 00:05:57,800  
there that day and and question what was

114

00:05:55,399 --> 00:06:00,409  
left and so we made up what we call 20

115  
00:05:57,800 --> 00:06:03,770  
questions and one of those questions

116  
00:06:00,410 --> 00:06:06,260  
would be what what is consciousness what

117  
00:06:03,769 --> 00:06:08,180  
is mind what's the difference between

118  
00:06:06,259 --> 00:06:11,779  
the two what's the difference between

119  
00:06:08,180 --> 00:06:15,199  
big Monde and little man how does how

120  
00:06:11,779 --> 00:06:17,479  
does one actually access big man what

121  
00:06:15,199 --> 00:06:19,969  
was the source of the original intention

122  
00:06:17,480 --> 00:06:24,490  
and how that intention get conveyed into

123  
00:06:19,970 --> 00:06:27,710  
human beings what was the source of the

124  
00:06:24,490 --> 00:06:30,500  
original creator you know all of those

125  
00:06:27,709 --> 00:06:32,329  
kinds of questions and so we posed our

126  
00:06:30,500 --> 00:06:34,009  
questions there were actually about 30

127  
00:06:32,329 --> 00:06:36,289  
of them I think originally and then I

128  
00:06:34,009 --> 00:06:39,529  
went to searching because I I was a

129  
00:06:36,290 --> 00:06:42,590  
little it again terribly going I would

130  
00:06:39,529 --> 00:06:44,869  
work for the best of the best so I had

131  
00:06:42,589 --> 00:06:47,959  
learned quite a lot about how to do

132  
00:06:44,870 --> 00:06:50,689  
research to the best of

133  
00:06:47,959 --> 00:06:52,930  
ability and so went out in the world and

134  
00:06:50,689 --> 00:06:56,589  
I found who I considered to be the most

135  
00:06:52,930 --> 00:06:58,939  
respected and credentialed physicist

136  
00:06:56,589 --> 00:07:00,709  
mostly physicists but a couple of

137  
00:06:58,939 --> 00:07:02,779  
biologists and a couple of medical

138  
00:07:00,709 --> 00:07:06,019  
doctors and I interviewed them and I

139  
00:07:02,779 --> 00:07:09,439  
asked them all the exact same questions

140  
00:07:06,019 --> 00:07:11,779  
and what I found out was astounding

141  
00:07:09,439 --> 00:07:13,969  
what what I also found out was the

142  
00:07:11,779 --> 00:07:15,469  
people that I thought really really knew

143

00:07:13,970 --> 00:07:16,940  
what they were talking about really

144  
00:07:15,470 --> 00:07:17,720  
didn't know what they were talking about

145  
00:07:16,939 --> 00:07:20,029  
at all

146  
00:07:17,720 --> 00:07:22,280  
and so I went I interviewed probably a

147  
00:07:20,029 --> 00:07:25,000  
hundred 150 people and I narrowed it

148  
00:07:22,279 --> 00:07:27,888  
down literally I think there's 12 or 13

149  
00:07:25,000 --> 00:07:31,300  
people in that book and I think they

150  
00:07:27,889 --> 00:07:36,079  
made the cut 11 if you consider both

151  
00:07:31,300 --> 00:07:38,389  
both Richard Robert John and branded on

152  
00:07:36,079 --> 00:07:41,240  
as two different people which now just

153  
00:07:38,389 --> 00:07:42,978  
one I know was just branded on but it's

154  
00:07:41,240 --> 00:07:44,598  
written in the book as Robert John and

155  
00:07:42,978 --> 00:07:47,360  
Brenda Don so they're attended from

156  
00:07:44,598 --> 00:07:51,189  
people but can you hear me quite clearly

157  
00:07:47,360 --> 00:07:55,340

this is far oh yeah by the way yeah I

158

00:07:51,189 --> 00:07:58,158

think we should give your your scientist

159

00:07:55,339 --> 00:08:00,709

his name Roy Scruggs is it not Roy

160

00:07:58,158 --> 00:08:02,870

Scruggs PhD correct oh that was correct

161

00:08:00,709 --> 00:08:05,658

I like to give him a little credit here

162

00:08:02,870 --> 00:08:09,019

because he did a he did a very masterful

163

00:08:05,658 --> 00:08:13,009

job here with this how it all started

164

00:08:09,019 --> 00:08:15,049

area there so so you began to interview

165

00:08:13,009 --> 00:08:17,419

these people and you were very impressed

166

00:08:15,050 --> 00:08:20,889

by about 10 of them and what I found

167

00:08:17,418 --> 00:08:24,168

very interesting was that the question

168

00:08:20,889 --> 00:08:26,509

you asked what is your definition of

169

00:08:24,168 --> 00:08:29,750

consciousness to each of them and that

170

00:08:26,509 --> 00:08:32,538

is very very interesting to get an

171

00:08:29,750 --> 00:08:35,149

answer from people and so do you want to

172  
00:08:32,538 --> 00:08:37,578  
speak to that a little bit well it was

173  
00:08:35,149 --> 00:08:41,778  
very it made any anything you could

174  
00:08:37,578 --> 00:08:45,289  
imagine it was it was the irreducible

175  
00:08:41,778 --> 00:08:50,600  
unit of an atom it was the zero-point

176  
00:08:45,289 --> 00:08:53,750  
field it was aware that you're aware it

177  
00:08:50,600 --> 00:08:57,639  
was aware that you're aware that you're

178  
00:08:53,750 --> 00:09:01,299  
aware it was opposite of being in a coma

179  
00:08:57,639 --> 00:09:05,198  
it was God it was

180  
00:09:01,299 --> 00:09:07,118  
opposite of being asleep it was

181  
00:09:05,198 --> 00:09:10,359  
everything I mean anything if you could

182  
00:09:07,119 --> 00:09:12,879  
think of it was that thing and I meant

183  
00:09:10,360 --> 00:09:16,720  
Goswami one day he called me and he said

184  
00:09:12,879 --> 00:09:18,819  
Eva I think this is the single most

185  
00:09:16,720 --> 00:09:20,678  
important book that I've ever read and I

186  
00:09:18,818 --> 00:09:23,318  
said why and he said because I had no

187  
00:09:20,678 --> 00:09:25,869  
idea this was going on he was no wonder

188  
00:09:23,318 --> 00:09:28,419  
that we can't have a meeting of the

189  
00:09:25,869 --> 00:09:31,089  
minds in science we will never have a

190  
00:09:28,419 --> 00:09:34,438  
quantum leap in science as long as this

191  
00:09:31,089 --> 00:09:38,019  
problem exists and that problem is it

192  
00:09:34,438 --> 00:09:40,778  
every year scientists gather annually

193  
00:09:38,019 --> 00:09:43,240  
somewhere to present their papers on

194  
00:09:40,778 --> 00:09:45,068  
quantum mechanics and consciousness you

195  
00:09:43,240 --> 00:09:48,459  
know what is it to talk about their

196  
00:09:45,068 --> 00:09:52,688  
model of physical reality and and many

197  
00:09:48,458 --> 00:09:54,878  
times these these physicists get in huge

198  
00:09:52,688 --> 00:09:55,899  
arguments sometimes you know almost

199  
00:09:54,879 --> 00:10:00,639  
coming to blows

200

00:09:55,899 --> 00:10:03,129  
now papers or thrown chairs or thrown so

201  
00:10:00,639 --> 00:10:05,079  
imagine you know let's just say 50

202  
00:10:03,129 --> 00:10:06,519  
science coming scientists coming to a

203  
00:10:05,078 --> 00:10:08,048  
round table and they're all talking

204  
00:10:06,519 --> 00:10:09,938  
about their model of physical reality

205  
00:10:08,048 --> 00:10:11,669  
and they're calling it consciousness and

206  
00:10:09,938 --> 00:10:16,208  
everybody gets into a fight and that

207  
00:10:11,669 --> 00:10:18,610  
fight is because everybody is defining

208  
00:10:16,208 --> 00:10:21,849  
that word differently and no one knows

209  
00:10:18,610 --> 00:10:23,769  
it well it's true and so they're all

210  
00:10:21,850 --> 00:10:26,740  
talking about different things and they

211  
00:10:23,769 --> 00:10:28,659  
don't even know it well that goes so far

212  
00:10:26,740 --> 00:10:30,610  
back I mean the ancient Greeks with

213  
00:10:28,659 --> 00:10:32,019  
democrates with the atom and then you

214  
00:10:30,610 --> 00:10:34,600

have Descartes you know I think

215

00:10:32,019 --> 00:10:37,928

therefore I am and you know this this is

216

00:10:34,600 --> 00:10:39,808

I don't know that and I guess you feel

217

00:10:37,928 --> 00:10:42,759

as if you come to some sort of a

218

00:10:39,808 --> 00:10:44,318

certainly a personal definition but I

219

00:10:42,759 --> 00:10:48,100

don't know that it's ever going to be

220

00:10:44,318 --> 00:10:50,078

truly defined you know well I think it

221

00:10:48,100 --> 00:10:52,778

is whatever it is that you're talking

222

00:10:50,078 --> 00:10:56,229

about I think that people you know

223

00:10:52,778 --> 00:10:58,720

people need to define definition a

224

00:10:56,230 --> 00:11:01,240

definition B definition C whatever it is

225

00:10:58,720 --> 00:11:02,740

or at least say in this particular sense

226

00:11:01,240 --> 00:11:07,448

if you'll notice I did that at the

227

00:11:02,740 --> 00:11:10,778

beginning in this in this discussion at

228

00:11:07,448 --> 00:11:13,659

this moment I'm talking about the era

229  
00:11:10,778 --> 00:11:14,919  
that the energy at the irreducible Unova

230  
00:11:13,659 --> 00:11:18,069  
the unit of an atom

231  
00:11:14,919 --> 00:11:19,299  
in other words that for before well

232  
00:11:18,070 --> 00:11:21,129  
whatever you want to call that thing

233  
00:11:19,299 --> 00:11:24,278  
well yeah and I certainly agree with

234  
00:11:21,129 --> 00:11:26,470  
physicists too because that may be some

235  
00:11:24,278 --> 00:11:29,230  
of the source of controversy because

236  
00:11:26,470 --> 00:11:31,300  
they sort of shrug off biology

237  
00:11:29,230 --> 00:11:33,940  
psychology all the others and they say

238  
00:11:31,299 --> 00:11:36,338  
that in the end everything is physics

239  
00:11:33,940 --> 00:11:38,170  
and you're taking it one step further

240  
00:11:36,339 --> 00:11:42,160  
and you're saying in the end everything

241  
00:11:38,169 --> 00:11:44,979  
is actually quantum mechanics and the

242  
00:11:42,159 --> 00:11:47,379  
force that binds will enter the energy

243  
00:11:44,980 --> 00:11:49,180  
that binds all matter together so I

244  
00:11:47,379 --> 00:11:52,570  
would have to agree with you completely

245  
00:11:49,179 --> 00:11:56,078  
but even this businesses merg you bill

246  
00:11:52,570 --> 00:11:58,300  
tiller called me and he's like one of my

247  
00:11:56,078 --> 00:12:00,370  
greatest mentors you know he I'm just

248  
00:11:58,299 --> 00:12:03,849  
like such a fan and when he called I was

249  
00:12:00,370 --> 00:12:05,589  
just thrilled to say hello and even bill

250  
00:12:03,850 --> 00:12:08,019  
tiller I was thrilled I just knew he was

251  
00:12:05,589 --> 00:12:10,540  
going to come say what a great job you

252  
00:12:08,019 --> 00:12:14,169  
know any colony stood either there's

253  
00:12:10,539 --> 00:12:16,299  
bill tiller speaking ok I just want to

254  
00:12:14,169 --> 00:12:19,990  
let you know that I read your book and I

255  
00:12:16,299 --> 00:12:21,969  
hate it oh and it liked to destroy me I

256  
00:12:19,990 --> 00:12:24,009  
was actually on vacation when he called

257

00:12:21,970 --> 00:12:25,360  
that Cracker Barrel having dinner and I

258  
00:12:24,009 --> 00:12:28,448  
said what do you mean you hate it bill

259  
00:12:25,360 --> 00:12:30,759  
and he goes well I said why do you hate

260  
00:12:28,448 --> 00:12:35,708  
it and he went because everybody doesn't

261  
00:12:30,759 --> 00:12:38,850  
say what I say oh and he said I now know

262  
00:12:35,708 --> 00:12:41,588  
that I can't retire Oh

263  
00:12:38,850 --> 00:12:42,850  
and so that was pretty much what he

264  
00:12:41,589 --> 00:12:44,890  
meant he didn't mean that he really

265  
00:12:42,850 --> 00:12:46,839  
hated my book he meant that he didn't

266  
00:12:44,889 --> 00:12:48,970  
realize that that problem had assisted

267  
00:12:46,839 --> 00:12:52,510  
so and there are many people like I'm

268  
00:12:48,970 --> 00:12:55,810  
not going to name any name I'll name one

269  
00:12:52,509 --> 00:12:58,778  
named bill pillar ok bill tiller had

270  
00:12:55,809 --> 00:13:02,768  
tried to talk with another one of the

271  
00:12:58,778 --> 00:13:04,299

physicists who I believe he made the cut

272

00:13:02,769 --> 00:13:06,759

in the book I can't remember everybody

273

00:13:04,299 --> 00:13:08,948

that made the cut it's been a couple of

274

00:13:06,759 --> 00:13:10,870

years since I wrote that book I'm pretty

275

00:13:08,948 --> 00:13:13,179

sure that he did but they'll have been

276

00:13:10,870 --> 00:13:16,179

trying to reach that physicist to talk

277

00:13:13,179 --> 00:13:19,870

about models of physics and physical

278

00:13:16,179 --> 00:13:24,309

reality and that physicists would never

279

00:13:19,870 --> 00:13:26,948

call him back never over years he would

280

00:13:24,309 --> 00:13:28,349

eat us wouldn't respond at all so I said

281

00:13:26,948 --> 00:13:31,649

well you know what

282

00:13:28,350 --> 00:13:33,360

give me that tell me what you wanted to

283

00:13:31,649 --> 00:13:36,208

know and I'll at least make sure that he

284

00:13:33,360 --> 00:13:38,430

reads it so bill said okay so he wrote

285

00:13:36,208 --> 00:13:39,838

like this two-page letter will this big

286  
00:13:38,429 --> 00:13:42,059  
long letter because it was in an email I

287  
00:13:39,839 --> 00:13:44,819  
don't know how many pages it was so I

288  
00:13:42,059 --> 00:13:49,588  
sent it to this other physicist I said I

289  
00:13:44,818 --> 00:13:52,139  
read it mm-hmm so he read it silent so a

290  
00:13:49,589 --> 00:13:54,690  
few years later maybe not even a few

291  
00:13:52,139 --> 00:13:56,698  
years maybe a year I interviewed that

292  
00:13:54,690 --> 00:14:00,240  
physicist because he wrote a new book

293  
00:13:56,698 --> 00:14:02,639  
and lo and behold if that comfort if

294  
00:14:00,240 --> 00:14:04,799  
that letter from Bill tiller didn't

295  
00:14:02,639 --> 00:14:08,129  
instigate that new book that he was

296  
00:14:04,799 --> 00:14:11,068  
writing so when when I interviewed him I

297  
00:14:08,129 --> 00:14:18,720  
said why did you not respond to build

298  
00:14:11,068 --> 00:14:20,519  
tiller and he was like well you know he

299  
00:14:18,720 --> 00:14:23,009  
just kind of stumbled around but what if

300  
00:14:20,519 --> 00:14:24,448  
what it basically boils down to is

301  
00:14:23,009 --> 00:14:26,579  
that's how they get their grant money

302  
00:14:24,448 --> 00:14:28,049  
nobody wants to share because they've

303  
00:14:26,578 --> 00:14:30,088  
read somebody else is going to steal

304  
00:14:28,049 --> 00:14:31,740  
their idea when really that's what it's

305  
00:14:30,089 --> 00:14:35,040  
going to take to have a quantum leap in

306  
00:14:31,740 --> 00:14:37,019  
humanity in science is for them to talk

307  
00:14:35,039 --> 00:14:39,539  
and you know money just gets in the way

308  
00:14:37,019 --> 00:14:43,198  
well where would you imagine that

309  
00:14:39,539 --> 00:14:48,559  
quantum leap landing where do you think

310  
00:14:43,198 --> 00:14:51,240  
it's all gonna come come to I'm not sure

311  
00:14:48,559 --> 00:14:54,719  
supposing all the physicists did come to

312  
00:14:51,240 --> 00:14:56,730  
some conclusion and they really came to

313  
00:14:54,720 --> 00:14:59,250  
a definition of consciousness that

314

00:14:56,730 --> 00:15:02,069  
everyone agreed upon that was actually

315  
00:14:59,250 --> 00:15:04,980  
true where what direction do you think

316  
00:15:02,068 --> 00:15:08,338  
science and I mean forget science your

317  
00:15:04,980 --> 00:15:12,120  
civilization in general would go to well

318  
00:15:08,339 --> 00:15:14,310  
I certainly I certainly suspect the

319  
00:15:12,120 --> 00:15:18,539  
potential of world peace in a clean

320  
00:15:14,309 --> 00:15:22,078  
world that would be knows if everybody

321  
00:15:18,539 --> 00:15:24,049  
really understood and they they do

322  
00:15:22,078 --> 00:15:25,739  
understand that when you interview them

323  
00:15:24,049 --> 00:15:28,349  
individually mm-hm

324  
00:15:25,740 --> 00:15:30,870  
they do understand what I'm about to

325  
00:15:28,350 --> 00:15:32,790  
tell you but for some reason they can't

326  
00:15:30,870 --> 00:15:35,639  
put it into perspective when they do

327  
00:15:32,789 --> 00:15:39,169  
their numbers okay you know do you

328  
00:15:35,639 --> 00:15:41,340

believe that there is an irreducible

329

00:15:39,169 --> 00:15:44,909  
unit of the atom

330

00:15:41,340 --> 00:15:47,490  
yeah do you believe that that is a field

331

00:15:44,909 --> 00:15:49,409  
or a wave well you know there's

332

00:15:47,490 --> 00:15:51,360  
different opinions about that what about

333

00:15:49,409 --> 00:15:54,750  
what it is but most people say that it's

334

00:15:51,360 --> 00:15:58,129  
both a field in a way right well if that

335

00:15:54,750 --> 00:16:04,289  
do you believe that there that matter

336

00:15:58,129 --> 00:16:07,919  
really exists well no well what does

337

00:16:04,289 --> 00:16:10,889  
that mean that means that we don't

338

00:16:07,919 --> 00:16:12,028  
really what excuse me then I'll say do

339

00:16:10,889 --> 00:16:15,480  
you believe that we live in a

340

00:16:12,028 --> 00:16:17,939  
holographic environment well yeah well

341

00:16:15,480 --> 00:16:21,149  
what does that mean that means that we

342

00:16:17,940 --> 00:16:24,060  
don't really exist and that whatever is

343  
00:16:21,149 --> 00:16:26,220  
here it's all one thing and that thought

344  
00:16:24,059 --> 00:16:30,539  
must manipulate that thing

345  
00:16:26,220 --> 00:16:32,220  
well yeah but but but we're individual

346  
00:16:30,539 --> 00:16:33,689  
you know we're still individual and but

347  
00:16:32,220 --> 00:16:34,410  
you know they just can't get it I don't

348  
00:16:33,690 --> 00:16:36,420  
know why

349  
00:16:34,409 --> 00:16:38,309  
well actually I believe that it has to

350  
00:16:36,419 --> 00:16:40,649  
do with what I call gradients of

351  
00:16:38,309 --> 00:16:42,899  
consciousness that's the way you know if

352  
00:16:40,649 --> 00:16:43,980  
you have read David Hawkins book power

353  
00:16:42,899 --> 00:16:46,500  
versus forest

354  
00:16:43,980 --> 00:16:48,389  
I truly believe and it seems to be very

355  
00:16:46,500 --> 00:16:51,779  
evident to me that gradients and

356  
00:16:48,389 --> 00:16:55,769  
consciousness exist somebody on a and

357  
00:16:51,779 --> 00:16:58,679  
it's not bad or good it's like eight

358  
00:16:55,769 --> 00:17:00,990  
it's not bad to be five and it's not bad

359  
00:16:58,679 --> 00:17:03,659  
to be 50 it's just your five or your

360  
00:17:00,990 --> 00:17:09,240  
fifty you have more knowledge if you're

361  
00:17:03,659 --> 00:17:11,428  
fifty typically you know yeah hope so

362  
00:17:09,240 --> 00:17:13,740  
anyway but but real but not really

363  
00:17:11,429 --> 00:17:16,560  
because it depends on your gradient and

364  
00:17:13,740 --> 00:17:21,230  
consciousness where you fall where there

365  
00:17:16,559 --> 00:17:23,490  
does where does the state of of

366  
00:17:21,230 --> 00:17:26,610  
consciousness in other words the mind

367  
00:17:23,490 --> 00:17:29,190  
state effect that like if you're in an

368  
00:17:26,609 --> 00:17:31,769  
alpha state a beta state a gamma state

369  
00:17:29,190 --> 00:17:36,029  
at the beta state of consciousness how

370  
00:17:31,769 --> 00:17:39,179  
does that fit in there or does it let me

371

00:17:36,029 --> 00:17:42,149  
think about that first again I think I

372  
00:17:39,179 --> 00:17:43,890  
don't know about the gamma somebody shut

373  
00:17:42,150 --> 00:17:47,130  
something I don't know about the gamma

374  
00:17:43,890 --> 00:17:49,200  
but I do know you know that low state is

375  
00:17:47,130 --> 00:17:53,429  
when you're in that meditative state but

376  
00:17:49,200 --> 00:17:54,330  
I think it's more about awareness you

377  
00:17:53,429 --> 00:17:58,798  
know how

378  
00:17:54,329 --> 00:18:01,859  
aware are you of who you really are are

379  
00:17:58,798 --> 00:18:05,069  
you are you primarily aware of your

380  
00:18:01,859 --> 00:18:07,349  
condition state you know the things that

381  
00:18:05,069 --> 00:18:09,359  
you're a parent do you know what you

382  
00:18:07,349 --> 00:18:11,699  
know because somebody told you or do you

383  
00:18:09,359 --> 00:18:13,408  
know what you know because you know it

384  
00:18:11,700 --> 00:18:15,330  
because you experienced it in some

385  
00:18:13,409 --> 00:18:18,149

manner shape or form even if you

386

00:18:15,329 --> 00:18:22,230

experienced it on a in and it on an

387

00:18:18,148 --> 00:18:24,000

inner level as opposed to an outside

388

00:18:22,230 --> 00:18:27,269

world level in other words it's not

389

00:18:24,000 --> 00:18:29,909

about well the outside world certainly

390

00:18:27,269 --> 00:18:31,679

you know as as miss her was saying you

391

00:18:29,909 --> 00:18:33,389

know it depends on you gradient I was

392

00:18:31,679 --> 00:18:36,509

having this discussion with my father

393

00:18:33,388 --> 00:18:50,099

once really yeah yeah actually you know

394

00:18:36,509 --> 00:18:53,038

I was a little smart really just and you

395

00:18:50,099 --> 00:18:54,959

know we're all and he said to me yeah

396

00:18:53,038 --> 00:18:56,940

well let me tell you something the last

397

00:18:54,960 --> 00:19:00,480

time you stubbed your toe you said ouch

398

00:18:56,940 --> 00:19:09,149

and I think there was some reality there

399

00:19:00,480 --> 00:19:11,308

I said you know okay that was like again

400  
00:19:09,148 --> 00:19:14,158  
a gradient I mean he was very very

401  
00:19:11,308 --> 00:19:16,528  
material he was a wonderful bit but I

402  
00:19:14,159 --> 00:19:20,278  
mean when I say materialistic I mean he

403  
00:19:16,528 --> 00:19:22,859  
would not have he would have thought

404  
00:19:20,278 --> 00:19:25,288  
about this type of a thing but it was

405  
00:19:22,859 --> 00:19:26,939  
not his reality at all his reality was

406  
00:19:25,288 --> 00:19:29,250  
you know you put the key in the lock in

407  
00:19:26,940 --> 00:19:30,840  
the lock opens period it doesn't open

408  
00:19:29,250 --> 00:19:33,359  
because of good intentions or anything

409  
00:19:30,839 --> 00:19:34,980  
else that's just the way it is you have

410  
00:19:33,359 --> 00:19:38,819  
an infection you get some antibiotics

411  
00:19:34,980 --> 00:19:40,889  
you get better period yeah and that was

412  
00:19:38,819 --> 00:19:44,009  
his worldview mechanistic view of the

413  
00:19:40,888 --> 00:19:46,048  
universe and it worked very well for him

414  
00:19:44,009 --> 00:19:49,859  
too and it carried over to me a great

415  
00:19:46,048 --> 00:19:51,690  
deal as well but you know I haven't been

416  
00:19:49,859 --> 00:19:54,089  
exposed to people like yourself miss her

417  
00:19:51,690 --> 00:19:55,919  
I know I have to open up my eyes a

418  
00:19:54,089 --> 00:19:58,109  
little bit and say claw maybe there is a

419  
00:19:55,919 --> 00:20:01,019  
little bit more out there well I have to

420  
00:19:58,109 --> 00:20:03,178  
tell you something I am probably the

421  
00:20:01,019 --> 00:20:03,599  
most black-and-white person you'll ever

422  
00:20:03,179 --> 00:20:06,200  
meet

423  
00:20:03,599 --> 00:20:08,129  
well if you were a legal investigator

424  
00:20:06,200 --> 00:20:11,430  
there's gotta be something

425  
00:20:08,130 --> 00:20:14,030  
I'm so black-and-white but what I have

426  
00:20:11,430 --> 00:20:16,970  
you know what I have learned is like

427  
00:20:14,029 --> 00:20:24,649  
when I say gradients and consciousness

428

00:20:16,970 --> 00:20:27,569  
take politics right now if you talk to a

429  
00:20:24,650 --> 00:20:31,440  
politician on either ticket it doesn't

430  
00:20:27,569 --> 00:20:33,689  
matter and you try to tell them your

431  
00:20:31,440 --> 00:20:35,610  
perspective about whatever it is that

432  
00:20:33,690 --> 00:20:39,240  
you think and you're on the opposite

433  
00:20:35,609 --> 00:20:42,179  
side will they listen no matter how no

434  
00:20:39,240 --> 00:20:45,029  
matter what good information that you

435  
00:20:42,180 --> 00:20:48,180  
give them and let's assume that your

436  
00:20:45,029 --> 00:20:50,609  
information is the best that it's

437  
00:20:48,180 --> 00:20:54,539  
completely credible about whatever it is

438  
00:20:50,609 --> 00:20:58,049  
okay and they absolutely refuse to hear

439  
00:20:54,539 --> 00:21:01,139  
it okay that would be a very low

440  
00:20:58,049 --> 00:21:03,230  
gradient of consciousness to me you feel

441  
00:21:01,140 --> 00:21:05,850  
like you're talking to a telephone pole

442  
00:21:03,230 --> 00:21:10,019

and they feel like they're talking to a

443

00:21:05,849 --> 00:21:18,029

know-it-all okay it it it you know as as

444

00:21:10,019 --> 00:21:20,599

a person grows consciously they might

445

00:21:18,029 --> 00:21:22,980

say well you know maybe I ought to go

446

00:21:20,599 --> 00:21:26,669

let me think about that

447

00:21:22,980 --> 00:21:28,650

mm-hmm rather than a religion if you've

448

00:21:26,670 --> 00:21:30,150

ever talked to somebody in a fundamental

449

00:21:28,650 --> 00:21:32,790

religion and you're trying to tell them

450

00:21:30,150 --> 00:21:35,490

about oneness and quantum mechanics I

451

00:21:32,789 --> 00:21:41,369

got a new t-shirt recently it says

452

00:21:35,490 --> 00:21:43,829

science doesn't care what you think if

453

00:21:41,369 --> 00:21:45,629

you want to see that's a good science

454

00:21:43,829 --> 00:21:48,750

really doesn't care what you think and

455

00:21:45,630 --> 00:21:51,180

no matter what you tell them to oranges

456

00:21:48,750 --> 00:21:52,859

and to oranges as for oranges but

457  
00:21:51,180 --> 00:21:54,360  
they're going to argue with you that

458  
00:21:52,859 --> 00:21:56,969  
it's not mm-hmm

459  
00:21:54,359 --> 00:21:58,439  
because one orange is not fully ripened

460  
00:21:56,970 --> 00:21:59,759  
and it's not completely orange it's

461  
00:21:58,440 --> 00:22:02,009  
still a little bit green so you don't

462  
00:21:59,759 --> 00:22:03,509  
have four oranges they don't care you

463  
00:22:02,009 --> 00:22:05,490  
don't know what you're talking about so

464  
00:22:03,509 --> 00:22:07,950  
you're talking to a telephone pole and

465  
00:22:05,490 --> 00:22:11,220  
they're talking to a note off as you

466  
00:22:07,950 --> 00:22:14,309  
grow as a spiritual being those things

467  
00:22:11,220 --> 00:22:16,529  
change on how you know on Hawkins scale

468  
00:22:14,309 --> 00:22:19,319  
he uses zero because there are no words

469  
00:22:16,529 --> 00:22:22,089  
really to describe this so he uses zero

470  
00:22:19,319 --> 00:22:24,220  
to 100 102 101 to 200

471  
00:22:22,089 --> 00:22:28,230  
with a thousand being like the non-dual

472  
00:22:24,220 --> 00:22:32,288  
state and at certain places like around

473  
00:22:28,230 --> 00:22:35,620  
350 on that scale and people they say

474  
00:22:32,288 --> 00:22:36,720  
that people only grow about three points

475  
00:22:35,619 --> 00:22:40,058  
a lifetime

476  
00:22:36,720 --> 00:22:42,519  
however noetic sciences did a research

477  
00:22:40,058 --> 00:22:44,829  
project gosh it's been probably 10 years

478  
00:22:42,519 --> 00:22:47,889  
since I talked to them about this that

479  
00:22:44,829 --> 00:22:50,500  
they said that had more documented cases

480  
00:22:47,890 --> 00:22:53,380  
of spontaneous enlightenment in the

481  
00:22:50,500 --> 00:22:55,690  
early to mid 90s than ever before in the

482  
00:22:53,380 --> 00:22:58,720  
history of time isn't that interesting

483  
00:22:55,690 --> 00:23:01,509  
and you did actually speak to the

484  
00:22:58,720 --> 00:23:04,929  
gentleman who is involved with noetic

485

00:23:01,509 --> 00:23:08,788  
science institute now somebody who we

486  
00:23:04,929 --> 00:23:13,600  
would love also to have on our program

487  
00:23:08,788 --> 00:23:16,480  
Dean Radin and and how did that how did

488  
00:23:13,599 --> 00:23:18,908  
that women but he was not the one who

489  
00:23:16,480 --> 00:23:21,130  
did that project it was Cassandra Beaton

490  
00:23:18,909 --> 00:23:24,010  
and another woman who I can't think of

491  
00:23:21,130 --> 00:23:26,289  
her name okay it was two women there but

492  
00:23:24,009 --> 00:23:28,629  
but that just goes to show that

493  
00:23:26,288 --> 00:23:31,058  
something's happening mm-hmm

494  
00:23:28,630 --> 00:23:33,399  
but anyway but when you get about it 350

495  
00:23:31,058 --> 00:23:37,359  
on that scale is when you start thinking

496  
00:23:33,398 --> 00:23:40,619  
I don't something's wrong with my belief

497  
00:23:37,359 --> 00:23:44,918  
system you know something is wrong

498  
00:23:40,619 --> 00:23:48,489  
there's a void in my life where I'm not

499  
00:23:44,919 --> 00:23:50,440

sure that I believe those religious

500

00:23:48,490 --> 00:23:54,339

beliefs that were taught to me as a

501

00:23:50,440 --> 00:23:56,590

child you know I'm not I don't know what

502

00:23:54,339 --> 00:23:59,139

it is but something's not right quite

503

00:23:56,589 --> 00:24:01,329

right so you start seeking you read

504

00:23:59,140 --> 00:24:07,210

everything you can get your hands on

505

00:24:01,329 --> 00:24:10,509

about metaphysics you know about self

506

00:24:07,210 --> 00:24:14,890

self-help books and everything then when

507

00:24:10,509 --> 00:24:16,990

you get about 450 or 500 something

508

00:24:14,890 --> 00:24:18,250

happens you don't know what happens

509

00:24:16,990 --> 00:24:21,220

because it happens from the inside but

510

00:24:18,250 --> 00:24:25,089

just all of a sudden you go it's a huge

511

00:24:21,220 --> 00:24:29,829

aha moment oh my god I get it and you

512

00:24:25,089 --> 00:24:32,139

start feeling love to everybody like you

513

00:24:29,829 --> 00:24:34,990

like when I had my enlightenment

514  
00:24:32,140 --> 00:24:35,860  
experience which happened to be back in

515  
00:24:34,990 --> 00:24:39,220  
95

516  
00:24:35,859 --> 00:24:41,709  
when I woke up that next morning you

517  
00:24:39,220 --> 00:24:42,970  
know how do you have children or pet yes

518  
00:24:41,710 --> 00:24:45,370  
yes yes yes

519  
00:24:42,970 --> 00:24:46,960  
you know how when they're little you

520  
00:24:45,369 --> 00:24:49,719  
just love them so much you want to

521  
00:24:46,960 --> 00:24:52,769  
squeeze them I must do it hurt

522  
00:24:49,720 --> 00:24:55,720  
you're like a Golden Retriever puppy so

523  
00:24:52,769 --> 00:24:59,140  
that's the way I feel about everybody

524  
00:24:55,720 --> 00:25:02,500  
wow that's great what I can get angry at

525  
00:24:59,140 --> 00:25:05,860  
somebody but that doesn't mean that I

526  
00:25:02,500 --> 00:25:08,369  
don't love them that way well what was

527  
00:25:05,859 --> 00:25:11,319  
and that's a gradient in consciousness

528  
00:25:08,369 --> 00:25:13,388  
what was that was that that event that

529  
00:25:11,319 --> 00:25:18,220  
you talked about that brought about that

530  
00:25:13,388 --> 00:25:22,509  
epiphany yeah yeah yeah let's just say

531  
00:25:18,220 --> 00:25:25,649  
that we're speaking to her and let her

532  
00:25:22,509 --> 00:25:28,058  
talk just mention the names of her two

533  
00:25:25,648 --> 00:25:30,428  
existing books now Eva you would you

534  
00:25:28,058 --> 00:25:31,928  
mind just saying that for our audience

535  
00:25:30,429 --> 00:25:36,250  
so that they can go out and get your

536  
00:25:31,929 --> 00:25:39,370  
books my first book is called agape the

537  
00:25:36,250 --> 00:25:41,740  
intent of the soul and agape is a Greek

538  
00:25:39,369 --> 00:25:45,609  
word that means unconditional love for

539  
00:25:41,740 --> 00:25:48,308  
your fellow mankind in my second book is

540  
00:25:45,609 --> 00:25:50,678  
it oh and it's my story about what

541  
00:25:48,308 --> 00:25:52,269  
happened to me and how I came to know

542

00:25:50,679 --> 00:25:55,210  
the things that I do because I wasn't

543  
00:25:52,269 --> 00:25:57,819  
always the way I promised I was the most

544  
00:25:55,210 --> 00:25:59,079  
materialist person narcissistic woman

545  
00:25:57,819 --> 00:26:01,138  
you've ever laid your eyes on you

546  
00:25:59,079 --> 00:26:06,099  
probably wouldn't have even liked me

547  
00:26:01,138 --> 00:26:07,869  
seriously and then my second but I

548  
00:26:06,099 --> 00:26:10,388  
wanted to know what the hell happened to

549  
00:26:07,869 --> 00:26:13,209  
me because it happened overnight and I

550  
00:26:10,388 --> 00:26:15,519  
was not looking for it I wanted to know

551  
00:26:13,210 --> 00:26:17,139  
what happened because I'm so black and

552  
00:26:15,519 --> 00:26:19,599  
white I just have to understand what

553  
00:26:17,138 --> 00:26:22,689  
happened okay and so that's when I

554  
00:26:19,599 --> 00:26:26,259  
started researching and finding all

555  
00:26:22,690 --> 00:26:29,288  
these physicists and asking them how was

556  
00:26:26,259 --> 00:26:31,538

this a physiological event you know was

557

00:26:29,288 --> 00:26:34,179

it a psychological that what was it was

558

00:26:31,538 --> 00:26:37,269

it a dream you know what was it and

559

00:26:34,179 --> 00:26:39,250

that's when I found Edgar Mitchell and

560

00:26:37,269 --> 00:26:40,720

the same thing happened to Edgar

561

00:26:39,250 --> 00:26:42,788

Mitchell when he was coming back from

562

00:26:40,720 --> 00:26:44,950

the moon yes when he was coming you know

563

00:26:42,788 --> 00:26:46,629

he saw the moon and the earth and the

564

00:26:44,950 --> 00:26:48,610

distance the size of the Nicklin he was

565

00:26:46,630 --> 00:26:49,549

like I'm not God and everything that I

566

00:26:48,609 --> 00:26:53,628

know is on

567

00:26:49,548 --> 00:26:56,210

Nicoll reporter Ashley but he was he was

568

00:26:53,628 --> 00:26:58,849

a wonderful man and we all mourn his

569

00:26:56,210 --> 00:27:01,879

loss I had the pleasure of meeting him

570

00:26:58,849 --> 00:27:04,459

one afternoon in New York City and

571  
00:27:01,878 --> 00:27:06,319  
having a conversation with him which is

572  
00:27:04,460 --> 00:27:09,379  
one of the most memorable conversations

573  
00:27:06,319 --> 00:27:11,239  
of my life so I'm with you on that but

574  
00:27:09,378 --> 00:27:13,699  
you were right he felt that at that

575  
00:27:11,239 --> 00:27:20,090  
moment of his epiphany that everything

576  
00:27:13,700 --> 00:27:22,220  
was one he his moment of Epiphany I

577  
00:27:20,089 --> 00:27:26,480  
think was he realized that everything

578  
00:27:22,220 --> 00:27:29,358  
was one yes and and and and from my

579  
00:27:26,480 --> 00:27:30,950  
perspective people say have you read

580  
00:27:29,358 --> 00:27:32,239  
this book have you read that book have

581  
00:27:30,950 --> 00:27:34,819  
you read this book have you heard this

582  
00:27:32,239 --> 00:27:36,259  
person I don't know I don't need to read

583  
00:27:34,819 --> 00:27:40,489  
their book or hear their story there's

584  
00:27:36,259 --> 00:27:42,798  
only one story every single person that

585  
00:27:40,489 --> 00:27:46,190  
I've ever interviewed and it's been

586  
00:27:42,798 --> 00:27:49,249  
hundreds mm-hm and I asked them that

587  
00:27:46,190 --> 00:27:52,399  
question it's all the same there's only

588  
00:27:49,249 --> 00:27:54,679  
one it doesn't matter how you get there

589  
00:27:52,398 --> 00:27:58,849  
that you know the road may be different

590  
00:27:54,679 --> 00:28:00,980  
that the destination is the same from

591  
00:27:58,849 --> 00:28:03,819  
what I've found and I've talked to

592  
00:28:00,980 --> 00:28:06,679  
hundreds of people about this you know

593  
00:28:03,819 --> 00:28:10,759  
do you feel like a mission in your life

594  
00:28:06,679 --> 00:28:13,609  
that you have to bring that epiphany to

595  
00:28:10,759 --> 00:28:15,950  
other people at the very beginning when

596  
00:28:13,608 --> 00:28:18,710  
it first happened I was a woman on a

597  
00:28:15,950 --> 00:28:20,600  
mission okay I thought I could if I

598  
00:28:18,710 --> 00:28:21,350  
could just tell these people I can save

599

00:28:20,599 --> 00:28:24,469  
the world

600  
00:28:21,349 --> 00:28:26,329  
mm-hmm but then I realized that people

601  
00:28:24,470 --> 00:28:27,889  
thought I was crazy I thought I was

602  
00:28:26,329 --> 00:28:30,230  
crazy because I didn't know where it

603  
00:28:27,888 --> 00:28:33,738  
came from and then I checked myself into

604  
00:28:30,230 --> 00:28:34,999  
a mental hospital really yes because I

605  
00:28:33,739 --> 00:28:36,950  
didn't know where it came from and I

606  
00:28:34,999 --> 00:28:39,440  
wasn't looking for I mean I just woke up

607  
00:28:36,950 --> 00:28:42,619  
and here I have it's like somebody took

608  
00:28:39,440 --> 00:28:44,960  
volumes and volumes let me put it this

609  
00:28:42,618 --> 00:28:46,638  
way I didn't take visit I made straight

610  
00:28:44,960 --> 00:28:48,079  
A's in high school but I didn't take

611  
00:28:46,638 --> 00:28:50,498  
physics because I didn't want to have an

612  
00:28:48,079 --> 00:28:52,908  
F on my report card

613  
00:28:50,499 --> 00:28:55,429

okay that's until I have my gen you

614

00:28:52,909 --> 00:28:58,340

about physics where now I can talk I can

615

00:28:55,429 --> 00:29:00,019

talk a physicist down okay you know I

616

00:28:58,339 --> 00:29:02,599

can't talk numbers but I can talk

617

00:29:00,019 --> 00:29:03,349

theories and it came from somewhere and

618

00:29:02,599 --> 00:29:06,649

I also

619

00:29:03,349 --> 00:29:09,168

woke up profoundly psychic I can tell

620

00:29:06,650 --> 00:29:11,900

you your help for the next 20 years

621

00:29:09,169 --> 00:29:13,520

hmm I can give you saddle symptoms that

622

00:29:11,900 --> 00:29:15,919

you're having right now that you don't

623

00:29:13,519 --> 00:29:19,190

even realize as a symptom now where did

624

00:29:15,919 --> 00:29:20,660

that come from and I woke up knowing

625

00:29:19,190 --> 00:29:23,210

people I woke up knowing dannion

626

00:29:20,660 --> 00:29:25,130

brinkley Raymond Mooney Norm's Schiele

627

00:29:23,210 --> 00:29:28,130

and Carolyn mace just like I know myself

628  
00:29:25,130 --> 00:29:31,429  
no and I've never heard of them before

629  
00:29:28,130 --> 00:29:33,559  
Wow Raymond Raymond turned out to live

630  
00:29:31,429 --> 00:29:34,600  
on the same road as my grandmother in

631  
00:29:33,558 --> 00:29:37,428  
Alabama

632  
00:29:34,599 --> 00:29:39,168  
Danya and I was standing in a hotel up

633  
00:29:37,429 --> 00:29:40,909  
in Charlotte North Carolina that

634  
00:29:39,169 --> 00:29:43,580  
checking in about 1 or 2 o'clock in the

635  
00:29:40,909 --> 00:29:45,320  
morning I don't remember and nobody was

636  
00:29:43,579 --> 00:29:47,349  
there you know it was dark not went in

637  
00:29:45,319 --> 00:29:49,970  
to check in with my little girl and

638  
00:29:47,349 --> 00:29:51,558  
somebody came up behind me and tapped me

639  
00:29:49,970 --> 00:29:54,019  
on the shoulder and leaned over in my

640  
00:29:51,558 --> 00:29:55,879  
ear and said we've known each other for

641  
00:29:54,019 --> 00:30:00,889  
millenniums I jerked around I thought

642  
00:29:55,880 --> 00:30:02,659  
some nut had followed me and turned

643  
00:30:00,890 --> 00:30:04,880  
around and it was dannion and now

644  
00:30:02,659 --> 00:30:08,240  
dannion and and cat are my kids

645  
00:30:04,880 --> 00:30:11,150  
godparents that's you know and norm

646  
00:30:08,240 --> 00:30:14,690  
I met at Council Grove and that's so

647  
00:30:11,150 --> 00:30:17,509  
interesting the same man introduced me

648  
00:30:14,690 --> 00:30:21,890  
at the council Grove meeting that

649  
00:30:17,509 --> 00:30:24,829  
introduced Caroline to norm Wow 20 years

650  
00:30:21,890 --> 00:30:25,880  
later or however many years later you

651  
00:30:24,829 --> 00:30:27,889  
know and what's the likelihood of

652  
00:30:25,880 --> 00:30:30,740  
somebody even going to Council Grove

653  
00:30:27,890 --> 00:30:33,500  
much less having that happen I don't I

654  
00:30:30,740 --> 00:30:35,589  
don't know but I was very happy to make

655  
00:30:33,500 --> 00:30:39,140  
his acquaintance at the Monroe Institute

656

00:30:35,589 --> 00:30:41,139  
recently this past year norm chili was

657  
00:30:39,140 --> 00:30:43,640  
there in the Professional Division

658  
00:30:41,140 --> 00:30:46,490  
meeting and what a wonderful man he is

659  
00:30:43,640 --> 00:30:49,190  
he is my mentor I'm telling you and I

660  
00:30:46,490 --> 00:30:51,079  
need something I wanted my kid was

661  
00:30:49,190 --> 00:30:53,779  
giving me problems eating and I called

662  
00:30:51,079 --> 00:30:56,269  
enough norm so you know what I do my

663  
00:30:53,779 --> 00:30:58,879  
kids fights me because I eat organic and

664  
00:30:56,269 --> 00:31:01,519  
a free-range and gressman and my kid

665  
00:30:58,880 --> 00:31:03,919  
just won't do so then your your child

666  
00:31:01,519 --> 00:31:05,359  
and started to eat norm helps no no one

667  
00:31:03,919 --> 00:31:07,520  
just said you know that's the problem

668  
00:31:05,359 --> 00:31:11,839  
that's the self that you wanna meet what

669  
00:31:07,519 --> 00:31:14,599  
do you want to eat I think you to change

670  
00:31:11,839 --> 00:31:16,579

your life and it's it you can you can

671

00:31:14,599 --> 00:31:17,240

point things out to people which are

672

00:31:16,579 --> 00:31:20,359

true

673

00:31:17,240 --> 00:31:22,640

about them about they can ask you for

674

00:31:20,359 --> 00:31:24,408

advice or help but if they don't have

675

00:31:22,640 --> 00:31:26,929

the desire to make the change just

676

00:31:24,409 --> 00:31:29,120

talking to that telephone pole you

677

00:31:26,929 --> 00:31:32,509

mentioned before that's right so how

678

00:31:29,119 --> 00:31:34,519

long do we have on here good question I

679

00:31:32,509 --> 00:31:36,679

don't know why did you want to bring

680

00:31:34,519 --> 00:31:38,990

something up in particular some things

681

00:31:36,679 --> 00:31:42,230

that I wanted to make sure about before

682

00:31:38,990 --> 00:31:45,500

we end I wanted to talk about intention

683

00:31:42,230 --> 00:31:46,308

and prayer which to me or synonymous

684

00:31:45,500 --> 00:31:49,970

okay

685  
00:31:46,308 --> 00:31:51,648  
many people say you know they all want

686  
00:31:49,970 --> 00:31:53,149  
to pray about whatever it is that they

687  
00:31:51,648 --> 00:31:55,788  
want to pray about and I just want to

688  
00:31:53,148 --> 00:31:58,428  
make sure that people know if you're

689  
00:31:55,788 --> 00:32:01,788  
trying to accomplish something with

690  
00:31:58,429 --> 00:32:04,460  
prayer Dean Radin told me something one

691  
00:32:01,788 --> 00:32:07,460  
time that really made a lot of sense you

692  
00:32:04,460 --> 00:32:09,679  
said either imagine that you have a pond

693  
00:32:07,460 --> 00:32:11,899  
and you want to get all the water out so

694  
00:32:09,679 --> 00:32:13,309  
that's your goal that's your intention

695  
00:32:11,898 --> 00:32:15,889  
that's the thing that you want to pray

696  
00:32:13,308 --> 00:32:17,990  
about so you got a hundred people and

697  
00:32:15,890 --> 00:32:19,669  
you're all standing around that pond and

698  
00:32:17,990 --> 00:32:22,490  
you're starting to pray about getting

699  
00:32:19,669 --> 00:32:24,919  
the water out so everybody's saying

700  
00:32:22,490 --> 00:32:27,288  
their own prayers which would be

701  
00:32:24,919 --> 00:32:28,909  
equivalent of everybody picking up a

702  
00:32:27,288 --> 00:32:32,119  
little rock and throwing it in and

703  
00:32:28,909 --> 00:32:34,399  
hoping to splash the water out it's not

704  
00:32:32,119 --> 00:32:36,259  
going to happen so if you really want to

705  
00:32:34,398 --> 00:32:37,849  
get the water out what you have to do is

706  
00:32:36,259 --> 00:32:40,339  
you have to get all the people on the

707  
00:32:37,849 --> 00:32:44,389  
same page everybody needs to get a

708  
00:32:40,339 --> 00:32:47,599  
pebble the exact same size there's that

709  
00:32:44,390 --> 00:32:50,929  
same shape the exact same weight and

710  
00:32:47,599 --> 00:32:56,000  
they have to throw it into the pond at

711  
00:32:50,929 --> 00:32:59,330  
the exact same moment that way it it's

712  
00:32:56,000 --> 00:33:01,730  
more it's more like one giant boulder

713

00:32:59,329 --> 00:33:04,699  
and all the water will splash out in

714  
00:33:01,730 --> 00:33:06,288  
other words I've gone to church before

715  
00:33:04,700 --> 00:33:10,009  
and I hear the people pray and they pray

716  
00:33:06,288 --> 00:33:12,349  
for 20 minutes you know about all over

717  
00:33:10,009 --> 00:33:17,829  
the place if you wanted to say a prayer

718  
00:33:12,349 --> 00:33:23,389  
that I will be done the single most

719  
00:33:17,829 --> 00:33:27,048  
focused prayer you can get is thy will

720  
00:33:23,390 --> 00:33:31,030  
be done if everybody's praying that same

721  
00:33:27,048 --> 00:33:33,279  
thing she is healed or I'm healed or

722  
00:33:31,029 --> 00:33:35,980  
that will be that will be done has the

723  
00:33:33,279 --> 00:33:37,359  
highest intention for the thing to

724  
00:33:35,980 --> 00:33:39,730  
happen so I just wanted to talk about

725  
00:33:37,359 --> 00:33:41,469  
that because you know it's important if

726  
00:33:39,730 --> 00:33:44,650  
you're trying to accomplish something

727  
00:33:41,470 --> 00:33:46,690

with prayer you're more like if it's

728

00:33:44,650 --> 00:33:48,250

within your field of possibilities to

729

00:33:46,690 --> 00:33:51,610

happen because it's not always

730

00:33:48,250 --> 00:33:53,230

everybody's gonna die you know there's

731

00:33:51,609 --> 00:33:55,169

always going to be that things but if

732

00:33:53,230 --> 00:33:57,880

it's within your field of possibilities

733

00:33:55,170 --> 00:34:00,160

that's the most likely way to get it to

734

00:33:57,880 --> 00:34:03,400

happen so you're sort of acquainting

735

00:34:00,160 --> 00:34:06,310

prayer with intention or intent it's the

736

00:34:03,400 --> 00:34:08,800

exact same thing okay well and I think

737

00:34:06,309 --> 00:34:11,559

it's easier for a lot of people to

738

00:34:08,800 --> 00:34:14,140

accept intent or intention because

739

00:34:11,559 --> 00:34:17,110

prayer carries with it you know some of

740

00:34:14,139 --> 00:34:19,809

the legend yeah an organized religion

741

00:34:17,110 --> 00:34:23,710

and penalties for not praying and which

742  
00:34:19,809 --> 00:34:26,769  
is sort of not fundamental the

743  
00:34:23,710 --> 00:34:30,280  
fundamentalist will accept intention but

744  
00:34:26,769 --> 00:34:33,519  
some people want it set prayer the use

745  
00:34:30,280 --> 00:34:37,030  
of those words so just use that word I

746  
00:34:33,519 --> 00:34:39,039  
was just I was just going to say that it

747  
00:34:37,030 --> 00:34:43,030  
is interesting that there have been some

748  
00:34:39,039 --> 00:34:47,590  
studies done that indicate that you can

749  
00:34:43,030 --> 00:34:51,490  
change things approximately 6% by your

750  
00:34:47,590 --> 00:34:54,450  
intention however if say Kate and I

751  
00:34:51,489 --> 00:34:59,079  
firoozeh were to intend the same thing

752  
00:34:54,449 --> 00:35:01,960  
in a you know contemporaneous way it ups

753  
00:34:59,079 --> 00:35:05,319  
the ante so to speak and it may go

754  
00:35:01,960 --> 00:35:07,869  
anywhere from 10 to 14 percent as a

755  
00:35:05,320 --> 00:35:11,170  
result of that tipping the scales

756  
00:35:07,869 --> 00:35:16,079  
towards our intention that's just what

757  
00:35:11,170 --> 00:35:20,800  
I've read in terms of the experimental

758  
00:35:16,079 --> 00:35:23,170  
models well I do know that you know bill

759  
00:35:20,800 --> 00:35:26,890  
tiller built that intention unit are you

760  
00:35:23,170 --> 00:35:28,420  
familiar with that no no well he built

761  
00:35:26,889 --> 00:35:31,629  
this little black box

762  
00:35:28,420 --> 00:35:33,700  
mm-hm and I believe if I'm not mistaken

763  
00:35:31,630 --> 00:35:36,309  
and I could be but I don't believe I am

764  
00:35:33,699 --> 00:35:39,000  
it's just been a while that he used

765  
00:35:36,309 --> 00:35:42,909  
magnetic monopoles to build it and

766  
00:35:39,000 --> 00:35:44,800  
Biddle and his wife and norm and his

767  
00:35:42,909 --> 00:35:48,219  
wife meditated

768  
00:35:44,800 --> 00:35:50,950  
placed an intention in that box and the

769  
00:35:48,219 --> 00:35:53,949  
intention was for this particular time

770

00:35:50,949 --> 00:35:57,849  
that I'm talking about they had got a

771  
00:35:53,949 --> 00:36:00,250  
water company to donate lots of cases of

772  
00:35:57,849 --> 00:36:03,639  
water and sent them to laboratories

773  
00:36:00,250 --> 00:36:05,289  
around the world the reason they got it

774  
00:36:03,639 --> 00:36:07,089  
donated because I didn't want anybody to

775  
00:36:05,289 --> 00:36:11,710  
think that they tampered with the water

776  
00:36:07,090 --> 00:36:13,539  
I so so the four of them meditated and

777  
00:36:11,710 --> 00:36:17,800  
placed an intention in the water that

778  
00:36:13,539 --> 00:36:20,679  
the pH in that water would increase I

779  
00:36:17,800 --> 00:36:22,840  
can't even remember how much it was well

780  
00:36:20,679 --> 00:36:25,149  
let's just say I think by three points I

781  
00:36:22,840 --> 00:36:27,789  
think by three points okay I don't know

782  
00:36:25,150 --> 00:36:33,039  
could be one point but anyway a few

783  
00:36:27,789 --> 00:36:36,909  
points okay mm-hm and that exact same

784  
00:36:33,039 --> 00:36:39,630

happened within three days all of the

785

00:36:36,909 --> 00:36:42,339

the pH and all of those bottles of water

786

00:36:39,630 --> 00:36:43,990

increased let's just say one point

787

00:36:42,340 --> 00:36:46,059

because I really can't remember about

788

00:36:43,989 --> 00:36:50,229

one point do you know how significant

789

00:36:46,059 --> 00:36:52,299

that is yeah all right your pH can

790

00:36:50,230 --> 00:36:54,699

change I mean that could kill you yeah

791

00:36:52,300 --> 00:36:58,200

yeah lutely and so then then they did

792

00:36:54,699 --> 00:37:00,909

the same thing and brought it back down

793

00:36:58,199 --> 00:37:03,669

and then they did it another time with

794

00:37:00,909 --> 00:37:07,379

fruit fly larvae they accelerated the

795

00:37:03,670 --> 00:37:10,720

growth of fruit fly larvae about 25%

796

00:37:07,380 --> 00:37:13,000

deaths what's thought now now this is

797

00:37:10,719 --> 00:37:16,779

extremely interesting but also

798

00:37:13,000 --> 00:37:22,510

interesting is the use of these magnetic

799

00:37:16,780 --> 00:37:28,230

monopoles which are reported strangely

800

00:37:22,510 --> 00:37:31,360

in in issues surrounding UFOs that the

801

00:37:28,230 --> 00:37:34,510

metallic elements that have been beamed

802

00:37:31,360 --> 00:37:36,820

by UFOs like the hood of your car or

803

00:37:34,510 --> 00:37:39,670

something like that turns into a

804

00:37:36,820 --> 00:37:43,150

magnetic monopole it's been reported so

805

00:37:39,670 --> 00:37:45,490

I have to express the fact that I don't

806

00:37:43,150 --> 00:37:48,280

really understand in terms of physics

807

00:37:45,489 --> 00:37:51,879

what a magnetic monopole is and how it

808

00:37:48,280 --> 00:37:54,460

is created I don't either but I believe

809

00:37:51,880 --> 00:37:56,740

I really don't okay

810

00:37:54,460 --> 00:37:58,670

understand that but I think that it has

811

00:37:56,739 --> 00:38:00,949

something to do with energy going

812

00:37:58,670 --> 00:38:02,809

back and forth at the same time but I

813  
00:38:00,949 --> 00:38:05,210  
don't really know honestly I really

814  
00:38:02,809 --> 00:38:08,019  
don't know so you can't rely on what I'm

815  
00:38:05,210 --> 00:38:10,639  
saying right there okay I just know that

816  
00:38:08,019 --> 00:38:15,739  
scientists around the world dispute that

817  
00:38:10,639 --> 00:38:17,509  
they even exist yeah I think that's so

818  
00:38:15,739 --> 00:38:19,399  
that's that's your primary thing this

819  
00:38:17,510 --> 00:38:21,080  
intent and then what was the second

820  
00:38:19,400 --> 00:38:22,820  
thing that you wanted to discuss the

821  
00:38:21,079 --> 00:38:24,099  
other thing I wanted to talk about was

822  
00:38:22,820 --> 00:38:27,230  
freewill

823  
00:38:24,099 --> 00:38:30,170  
everybody I talked to oh I have complete

824  
00:38:27,230 --> 00:38:33,139  
free will complete that's a very sticky

825  
00:38:30,170 --> 00:38:36,159  
subject no and we I want to make it very

826  
00:38:33,139 --> 00:38:39,500  
clear we do not have complete free will

827

00:38:36,159 --> 00:38:41,779  
not we have will not complete

828  
00:38:39,500 --> 00:38:45,800  
no not complete okay but to some extent

829  
00:38:41,780 --> 00:38:47,660  
to some extent we have will that we can

830  
00:38:45,800 --> 00:38:50,900  
say raise your right arm and you can

831  
00:38:47,659 --> 00:38:54,440  
raise your right arm okay but if we had

832  
00:38:50,900 --> 00:38:57,320  
come free will is different if we had

833  
00:38:54,440 --> 00:38:59,630  
free complete free will it's kind of a

834  
00:38:57,320 --> 00:39:02,570  
catchy thing there yeah that kind of a

835  
00:38:59,630 --> 00:39:05,269  
trick question if we have complete free

836  
00:39:02,570 --> 00:39:07,850  
will would you ever lose your child to

837  
00:39:05,269 --> 00:39:10,099  
death before you oh god no no would you

838  
00:39:07,849 --> 00:39:12,289  
ever have cancer would you break down

839  
00:39:10,099 --> 00:39:14,750  
would you have a flat tire in the middle

840  
00:39:12,289 --> 00:39:17,420  
of I don't know where you live but I

841  
00:39:14,750 --> 00:39:27,230

live in Atlanta in the middle of 285 at

842

00:39:17,420 --> 00:39:28,880

5 o'clock no but what I tell a little

843

00:39:27,230 --> 00:39:31,400

story I imagine that you're a

844

00:39:28,880 --> 00:39:33,800

two-year-old and you're strapped in the

845

00:39:31,400 --> 00:39:35,329

back seat in a car seat and it's got a

846

00:39:33,800 --> 00:39:37,670

little yellow steering wheel you ever

847

00:39:35,329 --> 00:39:41,090

seen those things yeah oh yeah yeah and

848

00:39:37,670 --> 00:39:42,769

so you you really believe at two years

849

00:39:41,090 --> 00:39:47,090

old that your steering wheel is driving

850

00:39:42,769 --> 00:39:48,650

that car okay good good and so you pull

851

00:39:47,090 --> 00:39:50,269

up to a four-way stop and the

852

00:39:48,650 --> 00:39:52,099

playgrounds on the right and your

853

00:39:50,269 --> 00:39:54,679

grocery store is on the left and their

854

00:39:52,099 --> 00:39:59,599

higher power and the stigma that your

855

00:39:54,679 --> 00:40:01,039

mom most likely you start getting a soda

856  
00:39:59,599 --> 00:40:02,269  
I'm going to the playground today I'm

857  
00:40:01,039 --> 00:40:04,190  
going to the playground today and she's

858  
00:40:02,269 --> 00:40:06,710  
like no sorry we're going to the grocery

859  
00:40:04,190 --> 00:40:09,050  
store and you get mad and you start

860  
00:40:06,710 --> 00:40:11,420  
turning that steering wheel what's gonna

861  
00:40:09,050 --> 00:40:12,590  
happen nothing you go into the grocery

862  
00:40:11,420 --> 00:40:14,869  
store

863  
00:40:12,590 --> 00:40:16,460  
so you pick up spit and you kick the

864  
00:40:14,869 --> 00:40:19,009  
back of this thing you start screaming

865  
00:40:16,460 --> 00:40:20,539  
and at this point if I'm your mom I'm

866  
00:40:19,010 --> 00:40:21,860  
gonna stop the car and I'm going to run

867  
00:40:20,539 --> 00:40:24,949  
down in the bushes I'm going to get a

868  
00:40:21,860 --> 00:40:32,059  
switch number put your legs what your

869  
00:40:24,949 --> 00:40:35,689  
free will really is is to okay I'm going

870  
00:40:32,059 --> 00:40:39,230  
to the playground another day okay that

871  
00:40:35,690 --> 00:40:41,090  
is your complete free will so we do have

872  
00:40:39,230 --> 00:40:43,090  
complete free will but that complete

873  
00:40:41,090 --> 00:40:47,600  
free will is not what you think it is

874  
00:40:43,090 --> 00:40:49,760  
it's it's how you respond to what's in

875  
00:40:47,599 --> 00:40:51,920  
front of your face that's how do you

876  
00:40:49,760 --> 00:40:54,500  
choose to respond it's a very powerful

877  
00:40:51,920 --> 00:40:58,610  
thing it's a great analogy - I like it

878  
00:40:54,500 --> 00:41:01,760  
that is very good I I always tell my

879  
00:40:58,610 --> 00:41:03,320  
clients that you know they they can

880  
00:41:01,760 --> 00:41:05,510  
there's certain things that are free

881  
00:41:03,320 --> 00:41:09,440  
will and there are certain things that

882  
00:41:05,510 --> 00:41:11,000  
are faded and you you just have to find

883  
00:41:09,440 --> 00:41:13,099  
out the difference between them it's

884

00:41:11,000 --> 00:41:16,070  
probably free will whether you eat

885  
00:41:13,099 --> 00:41:17,539  
Italian food or Chinese food tonight but

886  
00:41:16,070 --> 00:41:19,370  
if you happen to get on that wrong

887  
00:41:17,539 --> 00:41:20,989  
airplane that just happens to be going

888  
00:41:19,369 --> 00:41:23,150  
down then it's fate

889  
00:41:20,989 --> 00:41:25,309  
our intent here was to bring up your

890  
00:41:23,150 --> 00:41:27,710  
intent and oh you've certainly done that

891  
00:41:25,309 --> 00:41:29,809  
and especially through your books that

892  
00:41:27,710 --> 00:41:32,210  
we appreciate you so much being with us

893  
00:41:29,809 --> 00:41:34,009  
and yes thank you very very much for

894  
00:41:32,210 --> 00:41:36,500  
being an efficient shot of reality but

895  
00:41:34,010 --> 00:41:37,270  
we have to notice the book titles again

896  
00:41:36,500 --> 00:41:41,090  
yes go ahead

897  
00:41:37,269 --> 00:41:42,980  
it got paid the intent of the soul and

898  
00:41:41,090 --> 00:41:44,900

consciousness bridging the gap between

899

00:41:42,980 --> 00:41:47,780

conventional science for the new science

900

00:41:44,900 --> 00:41:50,750

of fun mechanics and I am honored to be

901

00:41:47,780 --> 00:41:53,030

here thank you for having me Oh pleasure

902

00:41:50,750 --> 00:41:56,289

truly thank you so much as such great

903

00:41:53,030 --> 00:42:00,860

information thank you bye for now okay I

904

00:41:56,289 --> 00:42:02,809

have a good one okay well that was

905

00:42:00,860 --> 00:42:05,960

really interesting yeah she did a

906

00:42:02,809 --> 00:42:08,299

wonderful job I'd say what we have now

907

00:42:05,960 --> 00:42:11,929

is a special treat for listen do you

908

00:42:08,300 --> 00:42:14,000

want a drumroll did you announce the

909

00:42:11,929 --> 00:42:16,039

winners well what we're gonna do is

910

00:42:14,000 --> 00:42:20,809

we're gonna read some of our comments

911

00:42:16,039 --> 00:42:23,599

and then okay I think that's great so um

912

00:42:20,809 --> 00:42:26,420

do you do you want to start no no please

913  
00:42:23,599 --> 00:42:29,480  
go right ahead okay Providence

914  
00:42:26,420 --> 00:42:32,119  
says thank you so much Ferruccio and

915  
00:42:29,480 --> 00:42:35,088  
Kate for this podcast I've never read

916  
00:42:32,119 --> 00:42:38,119  
any of Lisette Larkins books but

917  
00:42:35,088 --> 00:42:41,119  
listening to this podcast and others has

918  
00:42:38,119 --> 00:42:43,068  
broadened the aperture I view this level

919  
00:42:41,119 --> 00:42:45,559  
of consciousness through again

920  
00:42:43,068 --> 00:42:48,409  
consciousness yeah it just keeps going

921  
00:42:45,559 --> 00:42:50,809  
back to that and so you know I'm not

922  
00:42:48,409 --> 00:42:53,598  
gonna read my replies I manage the

923  
00:42:50,809 --> 00:42:55,548  
mailing list most of the time okay but

924  
00:42:53,599 --> 00:42:58,190  
then do you want to go on with Kinney

925  
00:42:55,548 --> 00:43:01,068  
okay cuz that's short this is good and

926  
00:42:58,190 --> 00:43:03,170  
it says great podcast I am fascinated by

927  
00:43:01,068 --> 00:43:05,989  
your excellent guests for example like

928  
00:43:03,170 --> 00:43:08,409  
just such as today yes great please have

929  
00:43:05,989 --> 00:43:11,269  
someone on about forbidden archeology

930  
00:43:08,409 --> 00:43:14,389  
Kenny I would love to that is such a

931  
00:43:11,269 --> 00:43:16,219  
great topic yes it is that is phenomenal

932  
00:43:14,389 --> 00:43:18,259  
how about Carmen bolta should we try

933  
00:43:16,219 --> 00:43:20,750  
Carmen balto what who's that gentleman

934  
00:43:18,260 --> 00:43:22,700  
from Boston you know I'm talking yeah

935  
00:43:20,750 --> 00:43:24,798  
I'm doing I can't think of his name well

936  
00:43:22,699 --> 00:43:31,699  
he would be great too yeah whatever his

937  
00:43:24,798 --> 00:43:34,880  
name is he was on the UFO show two or

938  
00:43:31,699 --> 00:43:37,368  
three times I can't let's get him on

939  
00:43:34,880 --> 00:43:41,088  
again my mind going to Swiss cheese I

940  
00:43:37,369 --> 00:43:44,210  
have to get it des elated Demiurge NYC

941

00:43:41,088 --> 00:43:48,009  
says NYX that's a long one experimenter

942  
00:43:44,210 --> 00:43:50,000  
is a welcoming neutral term alien and

943  
00:43:48,010 --> 00:43:53,270  
extraterrestrial on the other hand

944  
00:43:50,000 --> 00:43:55,460  
border on sensationalism for the sake of

945  
00:43:53,269 --> 00:43:57,949  
sales rather than to move the

946  
00:43:55,460 --> 00:44:02,420  
conversation and the access to knowledge

947  
00:43:57,949 --> 00:44:05,798  
forward both of which Lisette does quite

948  
00:44:02,420 --> 00:44:09,349  
interestingly I also prefer the term

949  
00:44:05,798 --> 00:44:12,699  
like life in the beyond to describe the

950  
00:44:09,349 --> 00:44:15,950  
place of experiences experiences rather

951  
00:44:12,699 --> 00:44:18,789  
rather than the inter life which might

952  
00:44:15,949 --> 00:44:22,308  
more connote the time place between

953  
00:44:18,789 --> 00:44:24,380  
incarnations but as Lisette says what a

954  
00:44:22,309 --> 00:44:27,740  
challenge to describe the indescribable

955  
00:44:24,380 --> 00:44:30,740

and what a wealth of experiences she has

956

00:44:27,739 --> 00:44:33,379

to describe these are way more than just

957

00:44:30,739 --> 00:44:36,199

a contact II who may have encountered

958

00:44:33,380 --> 00:44:39,539

and gray alien in the interview Lisette

959

00:44:36,199 --> 00:44:42,239

touches on the vastness of experiences

960

00:44:39,539 --> 00:44:44,699

that appeared to be available in the

961

00:44:42,239 --> 00:44:48,000

beyond should one be able to set aside

962

00:44:44,699 --> 00:44:51,989

one's addiction to one's analytical mind

963

00:44:48,000 --> 00:44:54,900

and opened to this vaster reality which

964

00:44:51,989 --> 00:44:57,449

once embraced and practiced will allow

965

00:44:54,900 --> 00:45:00,660

one to grow through grace not through

966

00:44:57,449 --> 00:45:03,809

karma and wrongdoing but perhaps the

967

00:45:00,659 --> 00:45:05,250

veil of unknowing is a gift for with

968

00:45:03,809 --> 00:45:08,670

great knowledge comes great

969

00:45:05,250 --> 00:45:10,829

responsibility or as the information in

970  
00:45:08,670 --> 00:45:16,349  
the Edgar Cayce readings puts it

971  
00:45:10,829 --> 00:45:18,449  
knowledge not lived is the only sin very

972  
00:45:16,349 --> 00:45:21,599  
fascinating interview and then he

973  
00:45:18,449 --> 00:45:24,089  
follows up by saying I understand that

974  
00:45:21,599 --> 00:45:26,730  
some people are overwhelmed by their

975  
00:45:24,090 --> 00:45:30,030  
experience and need support or

976  
00:45:26,730 --> 00:45:32,369  
validation it is wonderful that this is

977  
00:45:30,030 --> 00:45:35,550  
now more and more available to them

978  
00:45:32,369 --> 00:45:38,400  
however personally I would appreciate

979  
00:45:35,550 --> 00:45:41,850  
knowing what the benefit is what the

980  
00:45:38,400 --> 00:45:45,059  
practical use is from the experience in

981  
00:45:41,849 --> 00:45:48,269  
quotes the alien experience with meaning

982  
00:45:45,059 --> 00:45:50,789  
here well the circumstances of the

983  
00:45:48,269 --> 00:45:53,880  
abduction experience is somewhat

984  
00:45:50,789 --> 00:45:56,550  
interesting to be told that a download

985  
00:45:53,880 --> 00:45:59,519  
of information occurs and not told what

986  
00:45:56,550 --> 00:46:02,700  
that information is is disappointing at

987  
00:45:59,519 --> 00:46:06,239  
this point in time our evolution as a

988  
00:46:02,699 --> 00:46:08,969  
species do we really care what color the

989  
00:46:06,239 --> 00:46:12,689  
craft is how many minutes did or didn't

990  
00:46:08,969 --> 00:46:16,109  
pass what do we really get from all of

991  
00:46:12,690 --> 00:46:18,690  
this what that we are not alone that

992  
00:46:16,110 --> 00:46:21,450  
life exists beyond that we are supposed

993  
00:46:18,690 --> 00:46:24,780  
to be nice to each other although I have

994  
00:46:21,449 --> 00:46:27,029  
myself experienced the in beyond while

995  
00:46:24,780 --> 00:46:29,340  
the experiences were extraordinary and

996  
00:46:27,030 --> 00:46:31,890  
entertaining I still get up and I have

997  
00:46:29,340 --> 00:46:34,980  
to go to work is it time for information

998

00:46:31,889 --> 00:46:37,710  
to be provided that actually solves some

999  
00:46:34,980 --> 00:46:40,079  
of our serious problems and not just

1000  
00:46:37,710 --> 00:46:44,780  
provides another visualization exercise

1001  
00:46:40,079 --> 00:46:44,779  
or tell them to stay home where'd it go

1002  
00:46:45,440 --> 00:46:51,480  
yes this is an old buddy of mine from

1003  
00:46:48,510 --> 00:46:51,870  
the Kate Valentine UFO show I remember

1004  
00:46:51,480 --> 00:46:53,429  
him

1005  
00:46:51,869 --> 00:46:55,529  
Oh always

1006  
00:46:53,429 --> 00:46:58,440  
incredibly great comments and yes it's

1007  
00:46:55,530 --> 00:46:59,970  
good to see back mr. Freeman really

1008  
00:46:58,440 --> 00:47:02,940  
really a big hello to you

1009  
00:46:59,969 --> 00:47:04,799  
so Freeman says I'm not an experimenter

1010  
00:47:02,940 --> 00:47:07,559  
but I am fascinated with the

1011  
00:47:04,800 --> 00:47:10,170  
possibilities it struck me that the sets

1012  
00:47:07,559 --> 00:47:12,359

descriptions may suggest that

1013

00:47:10,170 --> 00:47:15,000

experiences are like an infant whose

1014

00:47:12,358 --> 00:47:17,848

body and mind are learning to perceive

1015

00:47:15,000 --> 00:47:19,500

and interact with its environment we all

1016

00:47:17,849 --> 00:47:21,990

learn in order to increase our

1017

00:47:19,500 --> 00:47:25,199

efficiency whether we realize it or not

1018

00:47:21,989 --> 00:47:28,558

but to what end what is it that allows

1019

00:47:25,199 --> 00:47:30,960

our mechanical minds to see color have

1020

00:47:28,559 --> 00:47:34,019

our brains and bodies also evolved

1021

00:47:30,960 --> 00:47:35,639

ability is at the quantum level see how

1022

00:47:34,019 --> 00:47:37,858

this whole comes together like she was

1023

00:47:35,639 --> 00:47:40,409

just talking about consciousness like

1024

00:47:37,858 --> 00:47:42,929

the quantum compass' excuse me that

1025

00:47:40,409 --> 00:47:45,779

quantum compass and a robin's eye and a

1026

00:47:42,929 --> 00:47:47,578

Leafs ability to exploit light is there

1027  
00:47:45,780 --> 00:47:50,609  
any possibility that quantum

1028  
00:47:47,579 --> 00:47:54,119  
entanglement provides perceptual links

1029  
00:47:50,608 --> 00:47:56,578  
across space-time suppose reality does

1030  
00:47:54,119 --> 00:47:59,519  
include an aspect that is paranormal in

1031  
00:47:56,579 --> 00:48:00,990  
nature what effect would proof have upon

1032  
00:47:59,519 --> 00:48:03,599  
a society as a whole

1033  
00:48:00,989 --> 00:48:05,759  
what proportion would ignore it and what

1034  
00:48:03,599 --> 00:48:08,068  
proportion would embrace it would

1035  
00:48:05,760 --> 00:48:10,650  
reactions be the same within alien

1036  
00:48:08,068 --> 00:48:13,230  
societies and upon artificial

1037  
00:48:10,650 --> 00:48:15,510  
intelligences how would it affect their

1038  
00:48:13,230 --> 00:48:18,599  
approach to contact an interaction with

1039  
00:48:15,510 --> 00:48:21,119  
alien races is a physical universe

1040  
00:48:18,599 --> 00:48:24,059  
finite or does it have the ability to

1041  
00:48:21,119 --> 00:48:26,579  
absorb the advance of life do we live in

1042  
00:48:24,059 --> 00:48:29,519  
a multiverse that disperses individuals

1043  
00:48:26,579 --> 00:48:31,920  
across an infinite realm even though the

1044  
00:48:29,519 --> 00:48:32,400  
internet provides contact across the

1045  
00:48:31,920 --> 00:48:34,710  
planet

1046  
00:48:32,400 --> 00:48:37,019  
it is sometimes surprising how little

1047  
00:48:34,710 --> 00:48:41,010  
communication takes place in certain

1048  
00:48:37,019 --> 00:48:44,190  
areas I sometimes wonder if alien worlds

1049  
00:48:41,010 --> 00:48:47,250  
exist with populations more intent on

1050  
00:48:44,190 --> 00:48:49,740  
virtual reality games and soap offers

1051  
00:48:47,250 --> 00:48:53,329  
than outward exploration and discovery

1052  
00:48:49,739 --> 00:48:56,879  
is the great silence due to apathy or

1053  
00:48:53,329 --> 00:48:59,670  
infinite possibilities as always a great

1054  
00:48:56,880 --> 00:49:02,818  
comment for yes he's really great

1055

00:48:59,670 --> 00:49:04,950  
he's a consistent comment or two which

1056  
00:49:02,818 --> 00:49:07,369  
is very nice yes now we're going to go

1057  
00:49:04,949 --> 00:49:10,629  
on to Roxanne some of you may remember

1058  
00:49:07,369 --> 00:49:13,220  
Roxann as an experiercer who gave her

1059  
00:49:10,630 --> 00:49:17,240  
experiences with men in black at the end

1060  
00:49:13,219 --> 00:49:19,818  
of one of our episodes so Roxanne says

1061  
00:49:17,239 --> 00:49:22,879  
Lisette sixes are quite similar to mine

1062  
00:49:19,818 --> 00:49:25,818  
I attributed these states to Kundalini

1063  
00:49:22,880 --> 00:49:28,700  
and Samadhi I was also under tremendous

1064  
00:49:25,818 --> 00:49:31,248  
stress when they began one night I went

1065  
00:49:28,699 --> 00:49:34,429  
to bed with the thought that I would not

1066  
00:49:31,248 --> 00:49:37,459  
get up again unless I received some sort

1067  
00:49:34,429 --> 00:49:38,088  
of answer did God exist or was it all

1068  
00:49:37,460 --> 00:49:41,269  
meaningless

1069  
00:49:38,088 --> 00:49:44,568

I think that sense of surrender is what

1070

00:49:41,268 --> 00:49:46,939

sets these experiences off along with

1071

00:49:44,568 --> 00:49:49,670

the intentionally asking for help

1072

00:49:46,940 --> 00:49:52,999

perhaps these beings whatever they are

1073

00:49:49,670 --> 00:49:55,460

can't help unless we ask them my

1074

00:49:52,998 --> 00:49:56,899

experiences drew me to the Monroe

1075

00:49:55,460 --> 00:49:59,048

Institute as well

1076

00:49:56,900 --> 00:50:02,778

it was very helpful to meet other

1077

00:49:59,048 --> 00:50:05,150

experiences good word she says she likes

1078

00:50:02,778 --> 00:50:07,940

the word experiences no one seemed to

1079

00:50:05,150 --> 00:50:11,088

have a real explanation for what the

1080

00:50:07,940 --> 00:50:13,670

beings we met might be each color each

1081

00:50:11,088 --> 00:50:16,159

culture rather describes them according

1082

00:50:13,670 --> 00:50:19,039

to their own mythology Tibetan see

1083

00:50:16,159 --> 00:50:21,980

Buddhist masters Hindu see gods and

1084  
00:50:19,039 --> 00:50:24,559  
Christians see angels and devils Jung

1085  
00:50:21,980 --> 00:50:27,079  
felt that there were other parts of our

1086  
00:50:24,559 --> 00:50:30,710  
subconscious but this was not entirely

1087  
00:50:27,079 --> 00:50:34,249  
true he relied on his guide Philemon

1088  
00:50:30,710 --> 00:50:36,349  
for advice there are some things in the

1089  
00:50:34,248 --> 00:50:38,748  
psyche I do not produce but which

1090  
00:50:36,349 --> 00:50:41,660  
produce themselves and have their own

1091  
00:50:38,748 --> 00:50:44,149  
life that was quote she gave from Jung

1092  
00:50:41,659 --> 00:50:46,429  
she further more says that I have

1093  
00:50:44,150 --> 00:50:49,099  
encountered beings who seen beyond

1094  
00:50:46,429 --> 00:50:51,919  
anything we consider human they did not

1095  
00:50:49,099 --> 00:50:54,499  
fit in any category of supernatural

1096  
00:50:51,920 --> 00:50:56,210  
being I was familiar with I had the

1097  
00:50:54,498 --> 00:50:59,268  
impression that although they were

1098  
00:50:56,210 --> 00:51:01,400  
basically benign they could injure us by

1099  
00:50:59,268 --> 00:51:03,949  
their sheer power if one bumped into

1100  
00:51:01,400 --> 00:51:06,230  
them unintentionally sort of like

1101  
00:51:03,949 --> 00:51:09,018  
bumping into a strong electrical field

1102  
00:51:06,230 --> 00:51:12,048  
that could kill you but the electricity

1103  
00:51:09,018 --> 00:51:14,598  
itself had no intention of harm so

1104  
00:51:12,048 --> 00:51:17,210  
that's a very nice one this Oh excellent

1105  
00:51:14,599 --> 00:51:19,099  
how about a Miss grape do you want to

1106  
00:51:17,210 --> 00:51:20,809  
read what miss grape has to say sure

1107  
00:51:19,099 --> 00:51:23,090  
miss grape right

1108  
00:51:20,809 --> 00:51:25,009  
it is quite interesting to consider that

1109  
00:51:23,090 --> 00:51:27,620  
the beings we may encounter none

1110  
00:51:25,010 --> 00:51:30,440  
physically may not be pure good or pure

1111  
00:51:27,619 --> 00:51:32,750  
evil as we may initially think well I

1112

00:51:30,440 --> 00:51:35,630  
have not been visited by any entities

1113  
00:51:32,750 --> 00:51:38,059  
I'm aware of I know that in popular

1114  
00:51:35,630 --> 00:51:40,250  
culture movies and books people are

1115  
00:51:38,059 --> 00:51:43,039  
often visited by either good spirits

1116  
00:51:40,250 --> 00:51:44,000  
whose only intention is to help as an A

1117  
00:51:43,039 --> 00:51:46,909  
Christmas Story

1118  
00:51:44,000 --> 00:51:49,250  
or bad spirits who only want to hurt as

1119  
00:51:46,909 --> 00:51:51,679  
in most horror movies yet if these

1120  
00:51:49,250 --> 00:51:53,480  
entities are anything like humans it

1121  
00:51:51,679 --> 00:51:56,359  
would make sense that they have a whole

1122  
00:51:53,480 --> 00:51:58,940  
scale of different values and intentions

1123  
00:51:56,360 --> 00:52:01,490  
for contacting us perhaps some just

1124  
00:51:58,940 --> 00:52:04,159  
accidentally bump into us just as we

1125  
00:52:01,489 --> 00:52:06,229  
might on a crowded city street with no

1126  
00:52:04,159 --> 00:52:06,649

intention of sending an important

1127

00:52:06,230 --> 00:52:09,860  
message

1128

00:52:06,650 --> 00:52:12,590  
I wonder if this inferred duality maybe

1129

00:52:09,860 --> 00:52:15,559  
the advent of monotheistic religions

1130

00:52:12,590 --> 00:52:16,070  
with God being pure good and Satan pure

1131

00:52:15,559 --> 00:52:18,949  
evil

1132

00:52:16,070 --> 00:52:20,920  
I know pagan religions have gods and

1133

00:52:18,949 --> 00:52:24,379  
goddesses with more human-like traits

1134

00:52:20,920 --> 00:52:26,990  
they can be both good and bad and very

1135

00:52:24,380 --> 00:52:30,440  
emotional truth good good good good

1136

00:52:26,989 --> 00:52:31,659  
thing a good comment from this great

1137

00:52:30,440 --> 00:52:35,119  
mm-hmm

1138

00:52:31,659 --> 00:52:37,929  
d-dan Saul had something to say mm-hmm

1139

00:52:35,119 --> 00:52:40,940  
this is perhaps more amusing on

1140

00:52:37,929 --> 00:52:43,279  
synchronicity and the number three than

1141  
00:52:40,940 --> 00:52:45,950  
a comment on your interview with Lisette

1142  
00:52:43,280 --> 00:52:49,400  
Larkin's though you are giving away

1143  
00:52:45,949 --> 00:52:51,679  
three books so who knows anyway the

1144  
00:52:49,400 --> 00:52:53,869  
horse farm where I work and keep my

1145  
00:52:51,679 --> 00:52:57,710  
horse is owned by two friends of mine

1146  
00:52:53,869 --> 00:53:00,139  
one of whom is very interested in the

1147  
00:52:57,710 --> 00:53:02,360  
afterlife having gone to a number of

1148  
00:53:00,139 --> 00:53:05,809  
readings with John Edwards and others

1149  
00:53:02,360 --> 00:53:09,940  
and yes I am happy to say she's had both

1150  
00:53:05,809 --> 00:53:13,579  
dogs and horses come through to her oh I

1151  
00:53:09,940 --> 00:53:15,769  
see the dogs and horses who were under

1152  
00:53:13,579 --> 00:53:18,319  
her care came through on her last week

1153  
00:53:15,769 --> 00:53:20,719  
within the space of five days I had to

1154  
00:53:18,320 --> 00:53:24,260  
put one I had to put to sleep one of my

1155  
00:53:20,719 --> 00:53:26,869  
cats Oscar this same friend had to put

1156  
00:53:24,260 --> 00:53:29,480  
to sleep her cat Pookie and in between

1157  
00:53:26,869 --> 00:53:33,440  
we had to put down her beloved wonderful

1158  
00:53:29,480 --> 00:53:34,358  
old horse Aussie at 32 a good age for

1159  
00:53:33,440 --> 00:53:37,958  
any

1160  
00:53:34,358 --> 00:53:42,578  
much less off the track thoroughbred

1161  
00:53:37,958 --> 00:53:45,578  
Aussie was truly king of the farm and we

1162  
00:53:42,579 --> 00:53:47,650  
all loved and doted on him a few days

1163  
00:53:45,579 --> 00:53:50,650  
later my friend and I were talking about

1164  
00:53:47,650 --> 00:53:53,439  
our three losses and she explained the

1165  
00:53:50,650 --> 00:53:55,929  
concept of soul groups which was both

1166  
00:53:53,438 --> 00:53:59,048  
very interesting and very comforting the

1167  
00:53:55,929 --> 00:54:01,449  
next day when I looked in my horse when

1168  
00:53:59,048 --> 00:54:03,608  
my horses water trough to see if it

1169

00:54:01,449 --> 00:54:06,759  
needed to be filled much to my horror I

1170  
00:54:03,608 --> 00:54:09,248  
saw three young birds floating in it

1171  
00:54:06,759 --> 00:54:14,199  
barely alive I have never had any luck

1172  
00:54:09,248 --> 00:54:16,748  
in saving birds my mother yes me no but

1173  
00:54:14,199 --> 00:54:19,329  
I couldn't just leave them they were in

1174  
00:54:16,748 --> 00:54:22,419  
full-blown shock when i scooped them out

1175  
00:54:19,329 --> 00:54:24,818  
ice-cold shaking like crazy and totally

1176  
00:54:22,420 --> 00:54:27,459  
limp I put them in a bucket full of

1177  
00:54:24,818 --> 00:54:30,278  
paper towels and put them in my car to

1178  
00:54:27,458 --> 00:54:33,188  
warm up 15 minutes later I took the

1179  
00:54:30,278 --> 00:54:35,768  
bucket out to see if they were dead yet

1180  
00:54:33,188 --> 00:54:38,259  
absolute shock and joy doesn't begin to

1181  
00:54:35,768 --> 00:54:41,288  
describe my feelings when I moved the

1182  
00:54:38,259 --> 00:54:44,400  
paper towels and all three birds burst

1183  
00:54:41,289 --> 00:54:47,829

out and flew away practically fine and

1184

00:54:44,400 --> 00:54:51,039

chirping all the way to the nearest tree

1185

00:54:47,829 --> 00:54:54,189

a hundred feet away was it Oscar Aussie

1186

00:54:51,039 --> 00:54:57,489

and pokey I don't know but it was

1187

00:54:54,188 --> 00:55:00,759

definitely very eerie oh and by the way

1188

00:54:57,489 --> 00:55:03,608

this horse farm is in Montgomery New

1189

00:55:00,759 --> 00:55:05,170

York just a couple of miles from you

1190

00:55:03,608 --> 00:55:07,630

guessed it pine bush

1191

00:55:05,170 --> 00:55:10,809

Oh pine bush well you want to say what

1192

00:55:07,630 --> 00:55:13,179

pine bush Wow sure it's uh it's a used

1193

00:55:10,809 --> 00:55:15,249

to be a very hot spot for UFO sightings

1194

00:55:13,179 --> 00:55:16,660

and to some extent I think it continues

1195

00:55:15,248 --> 00:55:19,928

to be that way

1196

00:55:16,659 --> 00:55:22,469

Plus Pine Bush is the site of a yearly

1197

00:55:19,929 --> 00:55:24,608

and/or an annual get-together of

1198  
00:55:22,469 --> 00:55:27,249  
ufologist and people who are just sort

1199  
00:55:24,608 --> 00:55:29,409  
of it's it's not so much serious as it

1200  
00:55:27,248 --> 00:55:31,448  
is fun but a family fun day and then at

1201  
00:55:29,409 --> 00:55:32,858  
night they have serious lectures yeah

1202  
00:55:31,449 --> 00:55:35,068  
and I think it's a good thing for a

1203  
00:55:32,858 --> 00:55:37,239  
family fun day because it allows people

1204  
00:55:35,068 --> 00:55:39,670  
you know sometimes if you say you're

1205  
00:55:37,239 --> 00:55:41,499  
interested in UFOs you get the look from

1206  
00:55:39,670 --> 00:55:43,209  
your friends but if you go there because

1207  
00:55:41,498 --> 00:55:45,938  
you are interested but you could say now

1208  
00:55:43,208 --> 00:55:48,159  
I'm just going for the fun and all that

1209  
00:55:45,938 --> 00:55:49,420  
stuff I think it gives them

1210  
00:55:48,159 --> 00:55:50,949  
excuse to go there and get some

1211  
00:55:49,420 --> 00:55:54,039  
information so I think it's a wonderful

1212  
00:55:50,949 --> 00:55:56,769  
thing in Pine Bush but it would figure

1213  
00:55:54,039 --> 00:55:59,049  
that and also I think I forget the

1214  
00:55:56,769 --> 00:56:02,739  
lady's name now she and unfortunately

1215  
00:55:59,048 --> 00:56:05,889  
she passed away due to cancer but she

1216  
00:56:02,739 --> 00:56:09,629  
had some very strange experiences by

1217  
00:56:05,889 --> 00:56:12,429  
Bush with balls of energy coming out and

1218  
00:56:09,630 --> 00:56:15,880  
and I think it sort of stopped with her

1219  
00:56:12,429 --> 00:56:18,699  
le crystal crystal yeah crystal what's

1220  
00:56:15,880 --> 00:56:21,160  
the name yeah but anyway but Pine Bush

1221  
00:56:18,699 --> 00:56:23,379  
is certainly the site of a lot of

1222  
00:56:21,159 --> 00:56:26,199  
strange goings-on do you want to read

1223  
00:56:23,380 --> 00:56:28,960  
George's a comment sure happy George cap

1224  
00:56:26,199 --> 00:56:31,239  
says and George your podcast with

1225  
00:56:28,960 --> 00:56:33,608  
Lucette Larkin I have a buddy that I'll

1226

00:56:31,239 --> 00:56:35,529  
share this with he was abducted which

1227  
00:56:33,608 --> 00:56:38,048  
was very painful and this will help him

1228  
00:56:35,530 --> 00:56:39,819  
know he's not alone again that's the

1229  
00:56:38,048 --> 00:56:42,338  
whole thing with Pine Bush too that they

1230  
00:56:39,818 --> 00:56:45,038  
aren't exactly many of his friends have

1231  
00:56:42,338 --> 00:56:47,679  
left him and given him that crazy label

1232  
00:56:45,039 --> 00:56:49,390  
I'm sure to that there's a lot of people

1233  
00:56:47,679 --> 00:56:52,179  
out there that haven't shared their

1234  
00:56:49,389 --> 00:56:54,759  
experiences of course because of getting

1235  
00:56:52,179 --> 00:56:57,460  
labeled Lissette I'm glad you eventually

1236  
00:56:54,760 --> 00:56:59,890  
received custody of your child what a

1237  
00:56:57,460 --> 00:57:03,608  
wild ride it must have been for him to

1238  
00:56:59,889 --> 00:57:08,679  
love and kisses to all George camp okay

1239  
00:57:03,608 --> 00:57:12,058  
we have one final message here one final

1240  
00:57:08,679 --> 00:57:15,098

thing that I want to read which isn't

1241  
00:57:12,059 --> 00:57:19,269  
actually eligible to be entered into the

1242  
00:57:15,099 --> 00:57:21,160  
contest because it was a comment on the

1243  
00:57:19,269 --> 00:57:24,338  
Russell Targ interview and I think it's

1244  
00:57:21,159 --> 00:57:27,159  
really very interesting about the month

1245  
00:57:24,338 --> 00:57:32,858  
and a half ago we interviewed the very

1246  
00:57:27,159 --> 00:57:38,019  
famous of scientists and sociologists

1247  
00:57:32,858 --> 00:57:43,838  
well no he wasn't a scientist part sir

1248  
00:57:38,019 --> 00:57:46,000  
who is a laser physicist and worked on

1249  
00:57:43,838 --> 00:57:48,880  
the remote viewing project right so

1250  
00:57:46,000 --> 00:57:50,949  
Bobby had a very nice comment and he

1251  
00:57:48,880 --> 00:57:53,019  
said thank you always enjoy hearing

1252  
00:57:50,949 --> 00:57:56,199  
Russell Targ interviewed like the

1253  
00:57:53,019 --> 00:57:59,588  
interviewers here I was curious about

1254  
00:57:56,199 --> 00:58:02,159  
the reported adherence to Scientology of

1255  
00:57:59,588 --> 00:58:05,039  
some of those in the remote viewing

1256  
00:58:02,159 --> 00:58:08,730  
program at SSRI Stanford Research

1257  
00:58:05,039 --> 00:58:11,099  
Institute the psychics Pat price and

1258  
00:58:08,730 --> 00:58:13,550  
Ingo Swann were both practicing

1259  
00:58:11,099 --> 00:58:16,400  
psychologists as was Hal put off

1260  
00:58:13,550 --> 00:58:19,080  
director of the program I'm no fan of

1261  
00:58:16,400 --> 00:58:21,750  
Scientology and view it as an evil

1262  
00:58:19,079 --> 00:58:23,940  
abusive cult but wondered about the

1263  
00:58:21,750 --> 00:58:27,210  
Scientology connection to the

1264  
00:58:23,940 --> 00:58:29,039  
above-named SR I people Targ also

1265  
00:58:27,210 --> 00:58:31,740  
commented on the topic on a

1266  
00:58:29,039 --> 00:58:35,070  
coast-to-coast radio interview on July

1267  
00:58:31,739 --> 00:58:39,179  
5th 2016 which I've carefully described

1268  
00:58:35,070 --> 00:58:41,400  
this transcribed from the Todd quote is

1269  
00:58:39,179 --> 00:58:44,039  
thus I was never involved with

1270  
00:58:41,400 --> 00:58:47,490  
Scientology so what I'm telling you is

1271  
00:58:44,039 --> 00:58:49,860  
through hearsay but what I understand is

1272  
00:58:47,489 --> 00:58:51,929  
that the upper echelon of Scientology

1273  
00:58:49,860 --> 00:58:54,750  
they teach something like remote viewing

1274  
00:58:51,929 --> 00:58:56,940  
to go from one grade to another grade

1275  
00:58:54,750 --> 00:58:59,489  
and people were able to learn remote

1276  
00:58:56,940 --> 00:59:02,039  
viewing and it's not a secret that our

1277  
00:58:59,489 --> 00:59:04,549  
two very best remote viewers Ingo Swann

1278  
00:59:02,039 --> 00:59:07,800  
and Pat price were both high-level

1279  
00:59:04,550 --> 00:59:10,500  
Scientologists and they attributed their

1280  
00:59:07,800 --> 00:59:14,400  
ability to innate ability because they

1281  
00:59:10,500 --> 00:59:16,320  
had psychic experiences as a child but

1282  
00:59:14,400 --> 00:59:19,380  
learning a remote viewing is a part of

1283

00:59:16,320 --> 00:59:21,780  
moving up the various grades and into

1284  
00:59:19,380 --> 00:59:24,059  
the upper echelon of Scientology that

1285  
00:59:21,780 --> 00:59:27,090  
was what Russell Targ said now back to

1286  
00:59:24,059 --> 00:59:29,639  
Bobbie togs meaning may not be a hundred

1287  
00:59:27,090 --> 00:59:31,980  
percent clear in the above quote but he

1288  
00:59:29,639 --> 00:59:35,400  
seems to be suggesting Scientology's

1289  
00:59:31,980 --> 00:59:37,590  
teachings on remote viewing I believe

1290  
00:59:35,400 --> 00:59:40,950  
the term used in Scientology is

1291  
00:59:37,590 --> 00:59:43,590  
exteriorization may actually have helped

1292  
00:59:40,949 --> 00:59:45,689  
price and Swann develop their psychic

1293  
00:59:43,590 --> 00:59:48,390  
abilities they already had some

1294  
00:59:45,690 --> 00:59:51,510  
experience with prior to in their

1295  
00:59:48,389 --> 00:59:54,719  
Scientology involvement so that's quite

1296  
00:59:51,510 --> 00:59:58,710  
a fascinating comment from Bobbie but

1297  
00:59:54,719 --> 01:00:02,069

now it turns out that we have actually

1298

00:59:58,710 --> 01:00:05,340

four winners instead of three winners of

1299

01:00:02,070 --> 01:00:07,710

our of our contest

1300

01:00:05,340 --> 01:00:10,760

would you like to announce them oh no no

1301

01:00:07,710 --> 01:00:13,530

no I'll do the drumroll

1302

01:00:10,760 --> 01:00:15,660

I guess it's Robert trumpet okay that's

1303

01:00:13,530 --> 01:00:19,530

the same thing the first winner is

1304

01:00:15,659 --> 01:00:23,818

the urge NYC the second winner is

1305

01:00:19,530 --> 01:00:27,089

Freeman Freeman the third winner is

1306

01:00:23,818 --> 01:00:30,230

Roxanne hey Roxanne and the fourth

1307

01:00:27,088 --> 01:00:32,849

winner is Dee Danzo yeah

1308

01:00:30,230 --> 01:00:36,568

but thank you everybody thank you for

1309

01:00:32,849 --> 01:00:38,789

for every comment your comments were

1310

01:00:36,568 --> 01:00:40,949

great we appreciate them keep them

1311

01:00:38,789 --> 01:00:44,940

coming in keep listening to shattered

1312  
01:00:40,949 --> 01:00:48,389  
reality podcast yeah and so until next

1313  
01:00:44,940 --> 01:00:51,329  
week or next time this is fuchsia and

1314  
01:00:48,389 --> 01:00:55,670  
this is Kate Valentine saying goodnight

1315  
01:00:51,329 --> 01:00:55,670  
from a shattered reality

1316  
01:00:56,619 --> 01:01:00,269  
[Music]

1317  
01:01:11,268 --> 01:01:13,328  
you
