

1
00:00:08,570 --> 00:00:12,220
[Music]

2
00:00:17,169 --> 00:00:25,219
welcome to share with reality with your

3
00:00:20,629 --> 00:00:28,189
host Kate Valentine and Persia prepare

4
00:00:25,219 --> 00:00:32,268
to have a paradigm shifted in your

5
00:00:28,189 --> 00:00:37,250
truths questioned and now shattered

6
00:00:32,268 --> 00:00:40,820
reality well hi Felicia

7
00:00:37,250 --> 00:00:44,539
hello there Kate Valentine it's good to

8
00:00:40,820 --> 00:00:47,570
be speaking to you again it is and we

9
00:00:44,539 --> 00:00:49,189
have a wonderful show today but let's

10
00:00:47,570 --> 00:00:54,070
slate okay

11
00:00:49,189 --> 00:00:57,289
is Tuesday December 6th okay when he

12
00:00:54,070 --> 00:00:59,478
16:10 we're back with shattered reality

13
00:00:57,289 --> 00:01:03,500
today's show we have a very interesting

14
00:00:59,478 --> 00:01:08,629
guest a gentleman who has been in the

15
00:01:03,500 --> 00:01:13,368
field of spirituality edge science

16
00:01:08,629 --> 00:01:14,358
health and all sorts of interesting

17
00:01:13,368 --> 00:01:17,450
things

18
00:01:14,358 --> 00:01:21,169
his name is Alan steinfeldt

19
00:01:17,450 --> 00:01:24,649
he is from New York City and he is

20
00:01:21,170 --> 00:01:27,109
involved with new realities that's the

21
00:01:24,649 --> 00:01:30,890
name he shares one word with us the

22
00:01:27,108 --> 00:01:32,929
reality word and in fact many of the

23
00:01:30,890 --> 00:01:35,539
things that he is involved with are

24
00:01:32,929 --> 00:01:40,009
similar but he has a bigger umbrella I

25
00:01:35,539 --> 00:01:42,530
would say he has done programs in New

26
00:01:40,009 --> 00:01:46,789
York City that I have participated in as

27
00:01:42,530 --> 00:01:49,939
well as he had me on an audio podcast of

28
00:01:46,789 --> 00:01:54,319
his and he has videos on YouTube so

29

00:01:49,938 --> 00:01:58,218
let's welcome mr. Alan Steinfeld welcome

30
00:01:54,319 --> 00:02:00,079
Alan so good I hear I do both this is

31
00:01:58,218 --> 00:02:04,158
really an honor because I know I'm

32
00:02:00,078 --> 00:02:09,019
talking to like-minded people and yeah

33
00:02:04,159 --> 00:02:11,900
yeah good start I I was very very well

34
00:02:09,020 --> 00:02:15,110
Alan has figured in my life in a couple

35
00:02:11,900 --> 00:02:17,360
of ways we know each other for a while

36
00:02:15,110 --> 00:02:20,170
and we see each other sometimes at a

37
00:02:17,360 --> 00:02:22,330
vegetarian restaurant here are there or

38
00:02:20,169 --> 00:02:24,549
bump into one another but and and we're

39
00:02:22,330 --> 00:02:27,340
always really friendly but that's not

40
00:02:24,550 --> 00:02:28,900
the basis about this he has done two

41
00:02:27,340 --> 00:02:31,509
things in my life which are very

42
00:02:28,900 --> 00:02:34,719
important firstly the first thing he did

43
00:02:31,509 --> 00:02:38,799

was he was the the point of contact

44

00:02:34,719 --> 00:02:44,620

initially between myself and Russell

45

00:02:38,800 --> 00:02:48,370

Targ he had a program for about about

46

00:02:44,620 --> 00:02:52,150

one of Russell parks books and we spoke

47

00:02:48,370 --> 00:02:54,700

about remote viewing and I did a remote

48

00:02:52,150 --> 00:02:57,489

viewing session with Russell Targ

49

00:02:54,699 --> 00:02:59,709

because of Alan Steinfeld that was the

50

00:02:57,489 --> 00:03:01,840

first thing and that was wonderful so he

51

00:02:59,709 --> 00:03:04,120

was a he was a he was the person who

52

00:03:01,840 --> 00:03:07,930

connected me to my friend Russell Park

53

00:03:04,120 --> 00:03:11,739

and then I actually went on a trip to

54

00:03:07,930 --> 00:03:16,330

Italy to dominar with Alan Steinfeld

55

00:03:11,739 --> 00:03:18,610

Alan so what's up with you today

56

00:03:16,330 --> 00:03:20,920

what happened that I forgot about the

57

00:03:18,610 --> 00:03:23,590

Russell Targ connection I didn't forget

58
00:03:20,919 --> 00:03:25,389
about our trip to Italy with a whole

59
00:03:23,590 --> 00:03:28,360
bunch of other really interesting people

60
00:03:25,389 --> 00:03:31,149
where what was the purpose of the tow I

61
00:03:28,360 --> 00:03:33,579
mean those kind of the purpose of the

62
00:03:31,150 --> 00:03:35,379
trip yeah what was it a question yeah

63
00:03:33,579 --> 00:03:37,930
that's a question for Kate that's a

64
00:03:35,379 --> 00:03:39,969
question was there a topic I'm assuming

65
00:03:37,930 --> 00:03:42,610
there was a topic and people were

66
00:03:39,969 --> 00:03:45,400
meeting to discuss it well I'm getting

67
00:03:42,610 --> 00:03:48,640
an overview that includes that my job my

68
00:03:45,400 --> 00:03:51,159
vision my my company ascents new

69
00:03:48,639 --> 00:03:53,828
realities new realities is about

70
00:03:51,159 --> 00:03:55,780
connecting the dots of a greater

71
00:03:53,829 --> 00:03:58,209
spiritual reality that we're actually

72
00:03:55,780 --> 00:04:00,640
living in that most people don't know

73
00:03:58,209 --> 00:04:05,469
about so whether that's remote viewing

74
00:04:00,639 --> 00:04:07,419
or spiritual community and or or my

75
00:04:05,469 --> 00:04:10,359
television program my interview channels

76
00:04:07,419 --> 00:04:13,119
and a lot of UFO research it's all about

77
00:04:10,360 --> 00:04:15,370
the same thing that reality as we know

78
00:04:13,120 --> 00:04:19,358
it as we've been conditioned to think

79
00:04:15,370 --> 00:04:21,910
about it isn't what is real isn't what

80
00:04:19,358 --> 00:04:24,250
it's true there's another level which

81
00:04:21,910 --> 00:04:26,710
I'm sure you're both aware of a

82
00:04:24,250 --> 00:04:29,110
spiritual essence which is the

83
00:04:26,709 --> 00:04:32,409
overriding factor really in people's

84
00:04:29,110 --> 00:04:33,670
lives or should be and this is the time

85
00:04:32,410 --> 00:04:37,450
that we're coming in

86

00:04:33,670 --> 00:04:39,280
- this is a reality's unfoldment that we

87
00:04:37,449 --> 00:04:44,229
are moving into collectively all the

88
00:04:39,279 --> 00:04:47,169
food by the last election but it is it

89
00:04:44,230 --> 00:04:51,460
is I think things like the national

90
00:04:47,170 --> 00:04:54,100
election show us the dark areas we have

91
00:04:51,459 --> 00:04:56,079
to move through collectively in order to

92
00:04:54,100 --> 00:04:59,950
come to this greater civilization that

93
00:04:56,079 --> 00:05:03,099
we all know exists so that sort of

94
00:04:59,949 --> 00:05:05,399
connected us we are kind of we are like

95
00:05:03,100 --> 00:05:08,710
our focus is a little bit different here

96
00:05:05,399 --> 00:05:10,899
insofar as we don't talk too much about

97
00:05:08,709 --> 00:05:12,639
spirituality though we're not against

98
00:05:10,899 --> 00:05:15,729
spirituality in any way shape or form

99
00:05:12,639 --> 00:05:18,159
but we are more about looking at it from

100
00:05:15,730 --> 00:05:21,819

the other side which is consciousness

101

00:05:18,160 --> 00:05:25,600

and how consciousness is ubiquitous in

102

00:05:21,819 --> 00:05:27,699

in the universe and that sort of

103

00:05:25,600 --> 00:05:29,860

connects it so we can yes well two

104

00:05:27,699 --> 00:05:32,050

people who are like edge science people

105

00:05:29,860 --> 00:05:35,050

which is kind of what we're about but I

106

00:05:32,050 --> 00:05:38,590

think what Kate was asking you Alan is I

107

00:05:35,050 --> 00:05:40,410

know why we went to Domino but maybe you

108

00:05:38,589 --> 00:05:44,129

would like to tell our audience about

109

00:05:40,410 --> 00:05:47,770

why we went to Domino and we're well I

110

00:05:44,129 --> 00:05:50,949

mostly in Italy but we're in Italy its

111

00:05:47,769 --> 00:05:53,469

northern Italy north of Torino but for

112

00:05:50,949 --> 00:05:55,810

me I just want to say there's not really

113

00:05:53,470 --> 00:05:58,590

a big difference between consciousness

114

00:05:55,810 --> 00:06:01,930

and spirituality I don't see that as

115
00:05:58,589 --> 00:06:05,079
distinct in my understanding of the term

116
00:06:01,930 --> 00:06:07,000
I see consciousness spirituality

117
00:06:05,079 --> 00:06:10,149
whatever you want to call it all part of

118
00:06:07,000 --> 00:06:12,279
a bigger framework about perceptions so

119
00:06:10,149 --> 00:06:14,829
this is really where I jump in are you

120
00:06:12,279 --> 00:06:17,349
tired of you I agree with you but if you

121
00:06:14,829 --> 00:06:19,419
if you want to speak to a scientist most

122
00:06:17,350 --> 00:06:21,700
scientists if you turn around and say

123
00:06:19,420 --> 00:06:23,230
spirituality they don't want to talk to

124
00:06:21,699 --> 00:06:27,519
you but if you turn around and say

125
00:06:23,230 --> 00:06:30,310
consciousness if you say consciousness

126
00:06:27,519 --> 00:06:32,919
and and talk about from the point of

127
00:06:30,310 --> 00:06:34,930
view of consciousness and how like Max

128
00:06:32,920 --> 00:06:36,759
Planck said you can't get behind

129
00:06:34,930 --> 00:06:41,680
consciousness because everything that

130
00:06:36,759 --> 00:06:42,909
science does is sort of like um is it is

131
00:06:41,680 --> 00:06:44,170
done from a point of view of

132
00:06:42,910 --> 00:06:47,240
consciousness you have to have

133
00:06:44,170 --> 00:06:50,900
consciousness to experiment

134
00:06:47,240 --> 00:06:53,000
in science and so that's the reason I'm

135
00:06:50,899 --> 00:06:55,579
you know I agree there was a lot the

136
00:06:53,000 --> 00:06:57,740
same about it okay I understand what

137
00:06:55,579 --> 00:06:59,689
you're saying but I think no even from a

138
00:06:57,740 --> 00:07:01,759
scientific point of view I think the

139
00:06:59,689 --> 00:07:04,550
word consciousness is actually a little

140
00:07:01,759 --> 00:07:06,650
vague I mean what I think I would say

141
00:07:04,550 --> 00:07:10,160
and that includes this idea of reality

142
00:07:06,649 --> 00:07:12,739
is perception good perception is a word

143

00:07:10,160 --> 00:07:16,330
we can all sort of understand absolutely

144
00:07:12,740 --> 00:07:17,590
and this is really if we want to kind of

145
00:07:16,329 --> 00:07:21,228
[Music]

146
00:07:17,589 --> 00:07:23,810
what I I meant I'm trying to expand

147
00:07:21,228 --> 00:07:26,569
people's perception which also includes

148
00:07:23,810 --> 00:07:29,660
a consciousness of what is possible and

149
00:07:26,569 --> 00:07:32,240
what is you know the whole idea behind

150
00:07:29,660 --> 00:07:35,630
shattered reality is that the reality of

151
00:07:32,240 --> 00:07:38,240
you thought was existing is not the

152
00:07:35,629 --> 00:07:41,360
reality that truly is so absolutely

153
00:07:38,240 --> 00:07:47,000
which shattering paradigms here and so

154
00:07:41,360 --> 00:07:49,069
are you exactly so my whole awakening to

155
00:07:47,000 --> 00:07:52,519
that happens because my reality was

156
00:07:49,069 --> 00:07:55,610
shattered by some type of contact UFO et

157
00:07:52,519 --> 00:08:00,439

type contact I mean I you know had no

158

00:07:55,610 --> 00:08:02,870

reference points what was happening to

159

00:08:00,439 --> 00:08:04,658

me I mean I don't know if we want to get

160

00:08:02,870 --> 00:08:07,218

jump into that but we could you know I

161

00:08:04,658 --> 00:08:09,740

don't want to get into that Allen but I

162

00:08:07,218 --> 00:08:12,769

want you to answer just for the sake of

163

00:08:09,740 --> 00:08:16,098

our listeners talk to talk to the

164

00:08:12,769 --> 00:08:18,740

question about going to Domino ER and

165

00:08:16,098 --> 00:08:21,529

why don't we went to Nam and we're now

166

00:08:18,740 --> 00:08:24,560

how it is the kind of community that it

167

00:08:21,529 --> 00:08:26,629

is and what it is anything well don't

168

00:08:24,560 --> 00:08:28,339

want to fill in I can fill in - yeah

169

00:08:26,629 --> 00:08:30,379

you're telling what your piece because I

170

00:08:28,339 --> 00:08:33,379

think the reason I went was because I

171

00:08:30,379 --> 00:08:37,519

was really excited about a group of

172
00:08:33,379 --> 00:08:39,769
people I was back 10 500 maybe a

173
00:08:37,519 --> 00:08:41,509
thousand living in community with the

174
00:08:39,769 --> 00:08:43,429
folks with unconsciousness the focus was

175
00:08:41,509 --> 00:08:44,389
on a collective awareness they were

176
00:08:43,429 --> 00:08:47,059
living differently

177
00:08:44,389 --> 00:08:48,769
damas looking at different yes they were

178
00:08:47,059 --> 00:08:50,599
living in a different way than normal

179
00:08:48,769 --> 00:08:51,980
society and that was really attractive

180
00:08:50,600 --> 00:08:54,889
to me what were you going to say I was

181
00:08:51,980 --> 00:08:58,370
going to say da manure is physically a

182
00:08:54,889 --> 00:09:00,679
place as you know which is in the Val de

183
00:08:58,370 --> 00:09:03,350
que cela in northern Italy

184
00:09:00,679 --> 00:09:07,489
just above Torino and it's at the

185
00:09:03,350 --> 00:09:10,940
foothills of the Italian Alps it was

186
00:09:07,490 --> 00:09:14,269
started by a man named I Berto IOT I

187
00:09:10,940 --> 00:09:17,890
hope I'm saying alberto iot who is also

188
00:09:14,269 --> 00:09:22,429
known as falco he and a group of

189
00:09:17,889 --> 00:09:24,528
individuals about 30 years ago went up

190
00:09:22,429 --> 00:09:27,319
to this area they had purchased some

191
00:09:24,528 --> 00:09:31,039
land they dug under the ground and they

192
00:09:27,320 --> 00:09:32,839
dug out these magnificent caves caverns

193
00:09:31,039 --> 00:09:35,990
in the ground they dug them out of the

194
00:09:32,839 --> 00:09:40,160
dolomite there and they painted them and

195
00:09:35,990 --> 00:09:42,889
they put in art so uhm it was secret for

196
00:09:40,159 --> 00:09:46,250
many years and then about or 20 years

197
00:09:42,889 --> 00:09:50,528
yeah secret for then about 10-12 years

198
00:09:46,250 --> 00:09:53,839
ago it became open to the public because

199
00:09:50,528 --> 00:09:57,049
the government wanted to shut it down as

200

00:09:53,839 --> 00:09:59,800
I recall but then one of the person who

201
00:09:57,049 --> 00:10:02,269
came up there to look at it was so

202
00:09:59,799 --> 00:10:06,708
overwhelmed by the beauty of the place

203
00:10:02,269 --> 00:10:08,149
that he he reported back to the

204
00:10:06,708 --> 00:10:10,969
government that it should be a national

205
00:10:08,149 --> 00:10:13,879
treasure and not be shut down am i but

206
00:10:10,970 --> 00:10:15,709
about correct on this Ellen yeah the

207
00:10:13,879 --> 00:10:18,019
other thing I would just add is that

208
00:10:15,708 --> 00:10:21,259
they actually just did capped a hollow

209
00:10:18,019 --> 00:10:24,350
out the whole inside of a mountain and

210
00:10:21,259 --> 00:10:26,208
built a temple they built many temples

211
00:10:24,350 --> 00:10:30,560
inside these mountains and temples to

212
00:10:26,208 --> 00:10:32,989
different types of energy so yeah there

213
00:10:30,559 --> 00:10:36,379
were about there were lots of different

214
00:10:32,990 --> 00:10:38,810

rooms in this huge inside mountain

215

00:10:36,379 --> 00:10:40,309

inside this mountain and so each of

216

00:10:38,809 --> 00:10:42,469

these rooms what was one of them the

217

00:10:40,309 --> 00:10:45,919

hall of ancestors the Hall of Mirrors

218

00:10:42,470 --> 00:10:47,930

the Hall of dreams and each one had a

219

00:10:45,919 --> 00:10:51,409

very powerful essence and have to also

220

00:10:47,929 --> 00:10:54,169

say Falco and then who knows that he was

221

00:10:51,409 --> 00:10:57,409

from the future and who was directed to

222

00:10:54,169 --> 00:11:03,019

come back in time and build this as a

223

00:10:57,409 --> 00:11:05,899

kind of forward invitation to how we

224

00:11:03,019 --> 00:11:07,278

might live on planet Earth so all the

225

00:11:05,899 --> 00:11:08,629

people coming around if you don't want

226

00:11:07,278 --> 00:11:10,519

to use the word spiritual we're very

227

00:11:08,629 --> 00:11:12,350

kawaii we're happy to use the word

228

00:11:10,519 --> 00:11:14,149

spiritual I've just said that this is

229

00:11:12,350 --> 00:11:16,980

not about per se

230

00:11:14,149 --> 00:11:18,958

spirituality but it's more about about

231

00:11:16,980 --> 00:11:21,509

edge science and stuff like that but

232

00:11:18,958 --> 00:11:23,698

what go forward I am having to use the

233

00:11:21,509 --> 00:11:25,649

word spiritual I'm sorry no I would say

234

00:11:23,698 --> 00:11:26,609

no dummies are no way I understand where

235

00:11:25,649 --> 00:11:28,350

you're coming right so anyway this

236

00:11:26,610 --> 00:11:31,068

community was about a spiritual

237

00:11:28,350 --> 00:11:34,579

awareness a conscious awareness and oh

238

00:11:31,068 --> 00:11:37,498

at is the awareness that there's other

239

00:11:34,578 --> 00:11:39,778

dimensional realities that we interface

240

00:11:37,499 --> 00:11:44,040

with so a big part of their work was

241

00:11:39,778 --> 00:11:46,499

dreaming time travel they said in my

242

00:11:44,039 --> 00:11:48,389

interview with Falco I was there and and

243
00:11:46,499 --> 00:11:50,489
of course we were really lucky to see

244
00:11:48,389 --> 00:11:53,938
him you know lutely before he passed on

245
00:11:50,489 --> 00:11:57,209
absolutely so the one thing I remembered

246
00:11:53,938 --> 00:11:58,860
about that interview I asked him about

247
00:11:57,208 --> 00:12:01,378
time travel because they claim to have

248
00:11:58,860 --> 00:12:04,678
time travel chambers there at Diamond

249
00:12:01,379 --> 00:12:08,420
whore and he said that time is a matter

250
00:12:04,678 --> 00:12:11,188
of property like every place at the time

251
00:12:08,419 --> 00:12:13,979
kind of signature to it so you have like

252
00:12:11,188 --> 00:12:17,599
a table in your room there that table is

253
00:12:13,980 --> 00:12:21,749
round and it's tall and sit but it also

254
00:12:17,600 --> 00:12:24,808
exists in a time that's a signature of

255
00:12:21,749 --> 00:12:29,129
that thing so if you could somehow

256
00:12:24,808 --> 00:12:32,818
transfer the temporal signature of an

257

00:12:29,129 --> 00:12:34,528
object you could also trap make it

258
00:12:32,818 --> 00:12:36,628
travel in time that's sort of what I

259
00:12:34,528 --> 00:12:38,639
remember that make sense yeah I said

260
00:12:36,629 --> 00:12:41,399
that that basically that's basically

261
00:12:38,639 --> 00:12:44,850
what they were saying I kind of

262
00:12:41,399 --> 00:12:49,470
psychically got a connection for them to

263
00:12:44,850 --> 00:12:52,409
the Cather's in France and when I got a

264
00:12:49,470 --> 00:12:54,990
chance to speak to to Falco when I was

265
00:12:52,409 --> 00:12:57,208
able to get up and as my question I

266
00:12:54,990 --> 00:13:00,480
asked him about that and he indicated

267
00:12:57,208 --> 00:13:02,458
that yes in fact that was true that he

268
00:13:00,480 --> 00:13:04,918
was somehow connected to the Cather's

269
00:13:02,458 --> 00:13:08,159
but he didn't he didn't go on and tell

270
00:13:04,918 --> 00:13:10,198
us that however one thing that I want to

271
00:13:08,159 --> 00:13:13,738

be clear is that there are multi

272

00:13:10,198 --> 00:13:17,099

dimensions to the the Domino experience

273

00:13:13,739 --> 00:13:22,168

it was artistic it was spiritual

274

00:13:17,100 --> 00:13:24,298

it was ecological and more and political

275

00:13:22,168 --> 00:13:27,549

also because they had their own money

276

00:13:24,298 --> 00:13:31,509

they was separate from from the

277

00:13:27,549 --> 00:13:34,089

the country of Italy in certain ways but

278

00:13:31,509 --> 00:13:36,879

I just I don't want to go up too long on

279

00:13:34,090 --> 00:13:38,740

doable socially they were different too

280

00:13:36,879 --> 00:13:41,830

because they busy communities of twenty

281

00:13:38,740 --> 00:13:43,990

people not in nuclear families they were

282

00:13:41,830 --> 00:13:46,120

really creating and this is what

283

00:13:43,990 --> 00:13:49,690

attracted me is that they were really

284

00:13:46,120 --> 00:13:52,620

creating a new way of living with each

285

00:13:49,690 --> 00:13:54,820

other in community within society and

286
00:13:52,620 --> 00:13:58,509
doing things differently that that's

287
00:13:54,820 --> 00:14:01,270
what was so special about visiting them

288
00:13:58,509 --> 00:14:04,509
yeah I agree and I'm so glad that I went

289
00:14:01,269 --> 00:14:06,909
and I'm so glad that you instituted that

290
00:14:04,509 --> 00:14:09,069
trip it was a it was a fantastic

291
00:14:06,909 --> 00:14:11,919
experience and I want to thank you for

292
00:14:09,070 --> 00:14:14,410
that and also for kind of making it

293
00:14:11,919 --> 00:14:17,549
possible for me to first time meet

294
00:14:14,409 --> 00:14:22,620
Russell Targ who has become you know a

295
00:14:17,549 --> 00:14:27,599
friend so great moving on from there we

296
00:14:22,620 --> 00:14:32,350
are coming up to it's asking you about

297
00:14:27,600 --> 00:14:36,690
what it is right now that you want to

298
00:14:32,350 --> 00:14:40,090
tell us about your experience with of

299
00:14:36,690 --> 00:14:43,990
aliens with UFOs you are an experimenter

300
00:14:40,090 --> 00:14:47,940
and I wonder if you could tell us that

301
00:14:43,990 --> 00:14:51,009
whole situation tell us what happened I

302
00:14:47,940 --> 00:14:55,870
will I mean there's so many at when

303
00:14:51,009 --> 00:14:59,049
you're an experimenter as you know the

304
00:14:55,870 --> 00:15:03,820
time lapse and interactions and it's

305
00:14:59,049 --> 00:15:07,289
hard to get it all in a kind of

306
00:15:03,820 --> 00:15:09,310
chronological order but my earliest

307
00:15:07,289 --> 00:15:11,529
experiences and I think I've shared this

308
00:15:09,309 --> 00:15:14,369
with you before and from something you

309
00:15:11,529 --> 00:15:18,159
wrote on one of your blog's yes was wake

310
00:15:14,370 --> 00:15:20,500
waking up like when I was maybe 13 or 14

311
00:15:18,159 --> 00:15:23,009
and not being able to move and at the

312
00:15:20,500 --> 00:15:28,360
same time hearing a really loud sound

313
00:15:23,009 --> 00:15:31,090
feeling like I was being pulled by the

314

00:15:28,360 --> 00:15:33,190
back of my neck now I don't know if that

315
00:15:31,090 --> 00:15:36,700
was UFO related but it was related to

316
00:15:33,190 --> 00:15:41,590
something out of I out of body but out

317
00:15:36,700 --> 00:15:45,400
of body with a presence that was

318
00:15:41,590 --> 00:15:49,379
a kind of creepy eerie sort of probably

319
00:15:45,399 --> 00:15:53,860
the greys I would say were part of this

320
00:15:49,379 --> 00:15:56,320
interface between this kind of

321
00:15:53,860 --> 00:15:58,419
experience that I had and then I also

322
00:15:56,320 --> 00:16:03,730
had a trip cross-country that was one

323
00:15:58,419 --> 00:16:05,860
level and then one in 1987 you remember

324
00:16:03,730 --> 00:16:11,050
that year 87 the year the harmonic

325
00:16:05,860 --> 00:16:13,509
convert yes when when a lot of them I

326
00:16:11,049 --> 00:16:15,699
would say awareness of consciousness was

327
00:16:13,509 --> 00:16:19,419
sort of a dawning of a new time I mean

328
00:16:15,700 --> 00:16:24,100

the 60s of course was a dawning of a age

329

00:16:19,419 --> 00:16:25,919

but 80s the mid 80s was a kind of coming

330

00:16:24,100 --> 00:16:29,259

together what was called new age

331

00:16:25,919 --> 00:16:30,879

although by the time in the 80s ended no

332

00:16:29,259 --> 00:16:33,279

one wanted to be called new age goes

333

00:16:30,879 --> 00:16:36,009

twenty somehow got a bad name I don't

334

00:16:33,279 --> 00:16:38,409

know why I liked the term new age I mean

335

00:16:36,009 --> 00:16:40,539

it was kind of a referred to flux

336

00:16:38,409 --> 00:16:43,329

spirituality which it really wasn't it

337

00:16:40,539 --> 00:16:46,689

was about people trying to understand

338

00:16:43,330 --> 00:16:48,520

what consciousness is but anyway in 1987

339

00:16:46,690 --> 00:16:50,110

there was something called the harmonic

340

00:16:48,519 --> 00:16:51,970

convergence a lot of people were coming

341

00:16:50,110 --> 00:16:56,039

together on a global level I would say

342

00:16:51,970 --> 00:16:59,250

was the first truly global conscious

343
00:16:56,039 --> 00:17:02,409
awakening collective conscious awakening

344
00:16:59,250 --> 00:17:04,660
so I was traveling that summer checking

345
00:17:02,409 --> 00:17:07,000
out a lot of places that were focused on

346
00:17:04,660 --> 00:17:10,560
the harmonic convergence I was in Sedona

347
00:17:07,000 --> 00:17:14,289
for the first time Santa Fe I went to

348
00:17:10,559 --> 00:17:17,349
Washington State in Oregon and then I

349
00:17:14,289 --> 00:17:20,289
was driving back cross-country from

350
00:17:17,349 --> 00:17:24,250
Oregon the Oregon Country Fair I was at

351
00:17:20,289 --> 00:17:26,470
in 1987 and had this girl or friend we

352
00:17:24,250 --> 00:17:28,660
were driving in my van and we driving

353
00:17:26,470 --> 00:17:30,460
all day long like 12 hours and we were

354
00:17:28,660 --> 00:17:34,570
going more into the East Coast so we

355
00:17:30,460 --> 00:17:36,299
stopped at this little place and I to

356
00:17:34,569 --> 00:17:39,189
remember it was North Platte Nebraska

357
00:17:36,299 --> 00:17:42,309
which is western Nebraska and it was

358
00:17:39,190 --> 00:17:44,890
like by these canals these little mmm

359
00:17:42,309 --> 00:17:47,710
deserted canals and and we were just

360
00:17:44,890 --> 00:17:50,980
really tired we just passed out we just

361
00:17:47,710 --> 00:17:53,829
kind of went right to bed right we just

362
00:17:50,980 --> 00:17:54,839
fell right to sleep and then we woke up

363
00:17:53,829 --> 00:17:57,089
in the same

364
00:17:54,839 --> 00:17:59,099
in the morning that following morning in

365
00:17:57,089 --> 00:18:02,220
the same position we went to bed and

366
00:17:59,099 --> 00:18:08,058
like as if we were frozen as if we were

367
00:18:02,220 --> 00:18:10,829
just you know I don't know drugged or

368
00:18:08,058 --> 00:18:12,808
unmovable or something but it was

369
00:18:10,829 --> 00:18:14,249
strange you never wake up in the same

370
00:18:12,808 --> 00:18:16,168
position you go to sleep and you don't

371

00:18:14,249 --> 00:18:17,850
even remember what position you go to

372
00:18:16,169 --> 00:18:19,590
sleep then but you know right anyway

373
00:18:17,849 --> 00:18:22,048
there was something very strange and

374
00:18:19,589 --> 00:18:24,599
there was something very again eerie or

375
00:18:22,048 --> 00:18:29,368
creepy about that so anyway I drove we

376
00:18:24,599 --> 00:18:32,459
drove back and then it was the summer

377
00:18:29,368 --> 00:18:34,678
time as time before the Augustana mind

378
00:18:32,460 --> 00:18:36,929
converges and I'm at the pool and my

379
00:18:34,679 --> 00:18:38,999
mother who I think has a part of a

380
00:18:36,929 --> 00:18:41,610
history of abductions noticed this mark

381
00:18:38,999 --> 00:18:45,089
on the back of my leg which was a four

382
00:18:41,609 --> 00:18:47,398
prong puncture mark haha and she said

383
00:18:45,089 --> 00:18:48,808
and she said what is that I said I don't

384
00:18:47,398 --> 00:18:53,219
know I mean who looks at the back of

385
00:18:48,808 --> 00:18:55,200

their knee and I said I don't know what

386

00:18:53,220 --> 00:18:56,879

that is it's probably a spider bite and

387

00:18:55,200 --> 00:18:59,278

then I started to get involved at that

388

00:18:56,878 --> 00:19:02,219

point with Budd Hopkins and the intruder

389

00:18:59,278 --> 00:19:04,819

Foundation and I actually did it was

390

00:19:02,220 --> 00:19:07,169

doing a video for a woman with some

391

00:19:04,819 --> 00:19:09,648

choreographing for abduction experience

392

00:19:07,169 --> 00:19:12,480

so I told her about this and she said

393

00:19:09,648 --> 00:19:15,719

about this mark on back my legs and she

394

00:19:12,480 --> 00:19:18,480

said that is a mark of abduction and

395

00:19:15,720 --> 00:19:21,058

that just freaked me out I mean I'm so

396

00:19:18,480 --> 00:19:24,538

low free I couldn't comprehend that I

397

00:19:21,058 --> 00:19:26,548

couldn't done not except I mean sort of

398

00:19:24,538 --> 00:19:29,849

accept it but I couldn't integrate it

399

00:19:26,548 --> 00:19:33,690

because there was no memory consciously

400
00:19:29,849 --> 00:19:35,009
of that experience so I called the store

401
00:19:33,690 --> 00:19:36,869
friend of mine up I said you remember

402
00:19:35,009 --> 00:19:39,569
that time we were slept at this thing I

403
00:19:36,868 --> 00:19:42,209
think I I think we were taken aboard and

404
00:19:39,569 --> 00:19:43,710
she was regressed I couldn't be real

405
00:19:42,210 --> 00:19:46,139
someone tried to regress me but anyway

406
00:19:43,710 --> 00:19:47,490
she was regarde saw the whole thing we

407
00:19:46,138 --> 00:19:50,788
were taking a board and were floated

408
00:19:47,490 --> 00:19:52,618
aboard this ship and my my my back of my

409
00:19:50,788 --> 00:19:55,679
leg was connected to her ankle and they

410
00:19:52,618 --> 00:19:58,528
were kind of wiring us for for something

411
00:19:55,679 --> 00:20:05,038
some some kind of extraterrestrial

412
00:19:58,528 --> 00:20:08,460
experiment one phase and then the

413
00:20:05,038 --> 00:20:11,059
following summer I think it was

414
00:20:08,460 --> 00:20:13,250
I remember having strange dreams about

415
00:20:11,059 --> 00:20:17,940
extraterrestrials one where they took

416
00:20:13,250 --> 00:20:21,660
sperm from me and I think it was like a

417
00:20:17,940 --> 00:20:24,330
few weeks later they this is the

418
00:20:21,660 --> 00:20:25,680
weirdest part they these beings whoever

419
00:20:24,329 --> 00:20:28,009
they were I couldn't actually see them

420
00:20:25,680 --> 00:20:32,279
woke me up in the middle of the night by

421
00:20:28,009 --> 00:20:34,079
tickling the inside of my thigh and they

422
00:20:32,279 --> 00:20:36,960
did that three times and then when I

423
00:20:34,079 --> 00:20:42,359
finally came to they put this little I

424
00:20:36,960 --> 00:20:45,090
guess it was a hybrid being in it looked

425
00:20:42,359 --> 00:20:46,919
like a little deer with big eyes and do

426
00:20:45,089 --> 00:20:48,329
it didn't look like an et to me and my

427
00:20:46,920 --> 00:20:50,039
screen memory of course if you've been

428

00:20:48,329 --> 00:20:52,799
talking to abductees you know that

429
00:20:50,039 --> 00:20:56,129
screen memory the way your mind creates

430
00:20:52,799 --> 00:20:59,819
some events to make it more accessible

431
00:20:56,130 --> 00:21:03,000
to to the body people fighting owls and

432
00:20:59,819 --> 00:21:08,269
raccoons typically I imagine a deer is

433
00:21:03,000 --> 00:21:10,079
it is in there deers are common lots of

434
00:21:08,269 --> 00:21:12,720
animals are common because you don't

435
00:21:10,079 --> 00:21:14,819
want to see any tea I mean you could if

436
00:21:12,720 --> 00:21:17,460
you were integrated not for

437
00:21:14,819 --> 00:21:18,929
consciousness but this is what I saw and

438
00:21:17,460 --> 00:21:22,110
I thought that was weird enough I said

439
00:21:18,930 --> 00:21:24,450
what what I to myself what is this I had

440
00:21:22,109 --> 00:21:26,879
know some people have emotional

441
00:21:24,450 --> 00:21:30,120
connections to these hybrid offspring

442
00:21:26,880 --> 00:21:31,140

months I feel anything I just said this

443

00:21:30,119 --> 00:21:33,269
is really weird

444

00:21:31,140 --> 00:21:36,630
and then I sort of went back to sleep

445

00:21:33,269 --> 00:21:39,119
these these events take place and I

446

00:21:36,630 --> 00:21:40,920
would say for most abductees I can't

447

00:21:39,119 --> 00:21:43,979
speak really but the ones the

448

00:21:40,920 --> 00:21:46,650
experiences I've had with contact it

449

00:21:43,980 --> 00:21:49,049
takes place in an altered state of

450

00:21:46,650 --> 00:21:51,810
consciousness and an altered awareness

451

00:21:49,049 --> 00:21:53,549
it doesn't like wearing one awareness

452

00:21:51,809 --> 00:21:56,809
for talking you know and that's great

453

00:21:53,549 --> 00:22:01,349
this is more of a beta state right

454

00:21:56,809 --> 00:22:03,119
fractions with ETS do not take place in

455

00:22:01,349 --> 00:22:05,939
this level of continents you get you get

456

00:22:03,119 --> 00:22:09,899
that I would say that that is largely

457
00:22:05,940 --> 00:22:13,289
true I would have to agree with you on

458
00:22:09,900 --> 00:22:15,780
that my experiences have been we're all

459
00:22:13,289 --> 00:22:21,058
experiences here at shattered reality on

460
00:22:15,779 --> 00:22:24,428
some level good I would have to say that

461
00:22:21,058 --> 00:22:26,849
my early experiences were very much the

462
00:22:24,429 --> 00:22:30,100
same as yours which you had mentioned

463
00:22:26,849 --> 00:22:33,250
being taken out of your body you thought

464
00:22:30,099 --> 00:22:35,740
by Gray's I never saw Gray's but I did

465
00:22:33,250 --> 00:22:38,769
have the feeling that not being alone

466
00:22:35,740 --> 00:22:44,289
being forced out of my body being taken

467
00:22:38,769 --> 00:22:48,058
elsewhere um it's just really an unusual

468
00:22:44,289 --> 00:22:51,970
circumstance that is shared by so many

469
00:22:48,058 --> 00:22:56,319
human beings across the planet and if

470
00:22:51,970 --> 00:23:00,160
you know of our friend Stanton Friedman

471
00:22:56,319 --> 00:23:02,649
there when he goes and he's you know who

472
00:23:00,160 --> 00:23:05,380
Stanton Friedman is right Alan yes I've

473
00:23:02,650 --> 00:23:09,309
interview in my okay and so when he goes

474
00:23:05,380 --> 00:23:13,360
into a place and to give a lecture he

475
00:23:09,308 --> 00:23:17,079
says how many people have seen UFOs out

476
00:23:13,359 --> 00:23:19,599
there and you know people about it

477
00:23:17,079 --> 00:23:22,298
depends on the group anywhere from 25 to

478
00:23:19,599 --> 00:23:24,668
75 percent of the people there will

479
00:23:22,298 --> 00:23:29,079
raise their hands and then he says to

480
00:23:24,669 --> 00:23:32,230
them okay how many of you reported that

481
00:23:29,079 --> 00:23:34,960
incident and maybe one or two hands goes

482
00:23:32,230 --> 00:23:38,230
up because most people are afraid of the

483
00:23:34,960 --> 00:23:41,200
ridicule they don't want to be labeled

484
00:23:38,230 --> 00:23:44,500
they don't want to be stigmatized up in

485

00:23:41,200 --> 00:23:47,048
their jobs or in their community so they

486
00:23:44,500 --> 00:23:49,359
don't go out and report this stuff so if

487
00:23:47,048 --> 00:23:52,569
you consider the people that report as

488
00:23:49,359 --> 00:23:55,359
only the tip of the iceberg people like

489
00:23:52,569 --> 00:23:57,579
you and I and Kate we're you know sort

490
00:23:55,359 --> 00:24:00,909
of at the vanguard here because we're

491
00:23:57,579 --> 00:24:02,710
willing to to talk about this stuff but

492
00:24:00,910 --> 00:24:05,950
I think that this is really going to

493
00:24:02,710 --> 00:24:09,100
grow and grow throughout the 21st

494
00:24:05,950 --> 00:24:12,759
century as long as humanity manages to

495
00:24:09,099 --> 00:24:14,500
survive so I'm well I just want to say

496
00:24:12,759 --> 00:24:17,950
one thing about that it looked like we

497
00:24:14,500 --> 00:24:22,808
were on a really good track with Hillary

498
00:24:17,950 --> 00:24:25,269
Clinton about up John Podesta was really

499
00:24:22,808 --> 00:24:27,190

on top of disclosure and then I have to

500

00:24:25,269 --> 00:24:29,679

say and people like Steve ambassador

501

00:24:27,190 --> 00:24:32,080

amazing they the whole movement to seem

502

00:24:29,679 --> 00:24:34,810

to be derailed by the change in the

503

00:24:32,079 --> 00:24:37,359

election which was very disappointing

504

00:24:34,809 --> 00:24:40,509

for for a lot of us you know what I'm

505

00:24:37,359 --> 00:24:43,719

saying yes we'll hop that we'll have to

506

00:24:40,509 --> 00:24:45,970

see where this goes now we try to stay

507

00:24:43,720 --> 00:24:48,009

away from politics on the show here no

508

00:24:45,970 --> 00:24:51,850

I'm not saying it was wrong or right I

509

00:24:48,009 --> 00:24:54,759

said I was just looking forward to yes

510

00:24:51,849 --> 00:24:57,279

possible disclosure with Mao laughter

511

00:24:54,759 --> 00:24:59,619

yes we all work and John Podesta seemed

512

00:24:57,279 --> 00:25:02,559

to show an incredible interest in the

513

00:24:59,619 --> 00:25:06,089

subject of UFOs so he wrote the ad for

514
00:25:02,559 --> 00:25:09,970
Leslie Cain's book yes he did exactly

515
00:25:06,089 --> 00:25:14,169
but I guess he was silenced as well but

516
00:25:09,970 --> 00:25:16,509
before the or your experiences then you

517
00:25:14,170 --> 00:25:18,460
were not a particularly spiritual person

518
00:25:16,509 --> 00:25:20,740
is that it the dis sort of awakened it

519
00:25:18,460 --> 00:25:25,900
in you mm that's a really good question

520
00:25:20,740 --> 00:25:28,870
so let me see Alan so I think the whole

521
00:25:25,900 --> 00:25:30,160
idea of these early contact and I don't

522
00:25:28,869 --> 00:25:32,139
know if they were graves either because

523
00:25:30,160 --> 00:25:36,550
I actually have never seen graves I just

524
00:25:32,140 --> 00:25:39,100
felt a presence so oh great I don't know

525
00:25:36,549 --> 00:25:44,169
if maybe even ready but I think because

526
00:25:39,099 --> 00:25:47,009
my reality was shattered or altered as a

527
00:25:44,170 --> 00:25:50,650
child would be sort of out of body type

528
00:25:47,009 --> 00:25:53,710
experiences it made me aware that I was

529
00:25:50,650 --> 00:25:56,769
not my body and when you know that

530
00:25:53,710 --> 00:26:01,509
you're more consciousness and I'm just

531
00:25:56,769 --> 00:26:03,279
the body it directs you to the kind of

532
00:26:01,509 --> 00:26:05,710
spiritual material because those are the

533
00:26:03,279 --> 00:26:08,470
people writing about that yeah those are

534
00:26:05,710 --> 00:26:12,090
so it kind of went hand-in-hand that's

535
00:26:08,470 --> 00:26:14,680
why I think people who separate mental

536
00:26:12,089 --> 00:26:17,379
spiritual communities and they say no

537
00:26:14,680 --> 00:26:19,150
UFOs are not par they don't feel like

538
00:26:17,380 --> 00:26:21,010
there's a connection spiritual Anna I

539
00:26:19,150 --> 00:26:23,350
think they're totally wrong for me there

540
00:26:21,009 --> 00:26:25,779
they're absolutely connected the whole

541
00:26:23,349 --> 00:26:28,779
idea of these other beings these other

542

00:26:25,779 --> 00:26:30,940
dimensions and for spirituality is

543
00:26:28,779 --> 00:26:33,539
nothing but another dimension it's

544
00:26:30,940 --> 00:26:36,820
another level of consciousness so they

545
00:26:33,539 --> 00:26:38,379
they they are absolutely connected so I

546
00:26:36,819 --> 00:26:39,250
think does that answer your question

547
00:26:38,380 --> 00:26:41,560
Kate

548
00:26:39,250 --> 00:26:43,690
yeah but very much yeah yeah that is it

549
00:26:41,559 --> 00:26:45,909
so in other words it was always there

550
00:26:43,690 --> 00:26:47,100
and it just sort of awakened it in you

551
00:26:45,910 --> 00:26:51,750
or made you more aware

552
00:26:47,099 --> 00:26:55,379
this chair by having me fun I just

553
00:26:51,750 --> 00:26:58,019
brought it out the eetzi possibility yes

554
00:26:55,380 --> 00:26:59,760
and the spiritual I mean for me I was

555
00:26:58,019 --> 00:27:02,129
looking for answers so wherever I could

556
00:26:59,759 --> 00:27:04,740

find answers was that that was in the

557

00:27:02,130 --> 00:27:07,200

UFO literature or many people like Budd

558

00:27:04,740 --> 00:27:09,839

Hopkins or people like John Mack who was

559

00:27:07,200 --> 00:27:12,630

really I think someone who pulled it all

560

00:27:09,839 --> 00:27:15,089

together on there yeah yeah it was great

561

00:27:12,630 --> 00:27:17,160

I have one question a sport black

562

00:27:15,089 --> 00:27:20,308

anything like I have one question about

563

00:27:17,160 --> 00:27:23,340

that about how you feel about one aspect

564

00:27:20,308 --> 00:27:25,980

of that we had Budd Hopkins he was um I

565

00:27:23,339 --> 00:27:29,129

think well he's passed on as has John

566

00:27:25,980 --> 00:27:32,220

Mack as have a number of other people

567

00:27:29,130 --> 00:27:34,730

now but Hopkins was ill and he was a man

568

00:27:32,220 --> 00:27:39,058

oh how old was he we both went to his

569

00:27:34,730 --> 00:27:40,890

about 70 issues but you and I you and I

570

00:27:39,058 --> 00:27:44,369

saw each other at his memorial service

571
00:27:40,890 --> 00:27:47,580
at the friends the friends seminary

572
00:27:44,369 --> 00:27:50,849
there on that day yeah and that was a

573
00:27:47,579 --> 00:27:54,750
very sad occasion but how many of these

574
00:27:50,849 --> 00:27:58,469
people like Carl aterna and Budd Hopkins

575
00:27:54,750 --> 00:28:00,990
and John Mac they have they have died up

576
00:27:58,470 --> 00:28:03,179
perhaps prematurely I'm not saying so

577
00:28:00,990 --> 00:28:06,058
much about poor buddy he was physically

578
00:28:03,179 --> 00:28:09,179
ill requites of but what do you think

579
00:28:06,058 --> 00:28:10,950
about the passing of John Mac and Carla

580
00:28:09,179 --> 00:28:13,320
Turner are you familiar with Carla

581
00:28:10,950 --> 00:28:15,269
Turner I know Carla Turner's books

582
00:28:13,319 --> 00:28:17,609
actually don't know what happened to her

583
00:28:15,269 --> 00:28:21,509
but I was a surprise that she did die I

584
00:28:17,609 --> 00:28:24,149
think John Maxo was an accident I do I

585
00:28:21,509 --> 00:28:26,700
don't think anyone I think you know it

586
00:28:24,150 --> 00:28:28,470
was sort of five or seven years after

587
00:28:26,700 --> 00:28:31,350
the fact where he first came out with

588
00:28:28,470 --> 00:28:33,000
his book so I think it was unfortunate

589
00:28:31,349 --> 00:28:35,038
but I think I don't know what happened

590
00:28:33,000 --> 00:28:37,679
with Carla Turner whose books I really

591
00:28:35,038 --> 00:28:40,019
love but yes yes well Carla Turner I

592
00:28:37,679 --> 00:28:44,038
mean I'm not intimately familiar with

593
00:28:40,019 --> 00:28:48,658
her but I know that she had a tremendous

594
00:28:44,038 --> 00:28:52,140
amount of paranormal activity around her

595
00:28:48,659 --> 00:28:54,900
and that she moved I believe it was she

596
00:28:52,140 --> 00:28:56,820
was in Florida or Texas and she was she

597
00:28:54,900 --> 00:28:59,040
and her husband were both involved in

598
00:28:56,819 --> 00:29:00,839
teaching and then they ended up moving

599

00:28:59,039 --> 00:29:03,418
to Arkansas

600
00:29:00,839 --> 00:29:05,970
and then stuff started happening to them

601
00:29:03,419 --> 00:29:08,159
where they lived and then she she got

602
00:29:05,970 --> 00:29:10,380
very sick and she died very prematurely

603
00:29:08,159 --> 00:29:13,230
I mean I think she was a reasonably

604
00:29:10,380 --> 00:29:15,150
young woman certainly young for death I

605
00:29:13,230 --> 00:29:18,240
was she in her late 40s or something

606
00:29:15,150 --> 00:29:21,210
like that and she passed on but she was

607
00:29:18,240 --> 00:29:24,679
a sort of exposing the underbelly of

608
00:29:21,210 --> 00:29:27,990
some of this et contact which wasn't

609
00:29:24,679 --> 00:29:31,048
particularly positive so I guess there's

610
00:29:27,990 --> 00:29:34,528
a positive and negative side to the et

611
00:29:31,048 --> 00:29:35,788
contact and I don't you know I don't

612
00:29:34,528 --> 00:29:40,409
want to dwell on the negative side

613
00:29:35,788 --> 00:29:42,480

myself so I guess we don't think it was

614

00:29:40,409 --> 00:29:45,090

a conspiracy I mean so many people have

615

00:29:42,480 --> 00:29:47,250

exposed part I mean Betty Andreasen is

616

00:29:45,089 --> 00:29:49,500

still around Whitley Strieber I just had

617

00:29:47,250 --> 00:29:53,009

lunch with the summer there's so many

618

00:29:49,500 --> 00:29:55,409

people that are exposing this that have

619

00:29:53,009 --> 00:29:58,829

been around a long time and they're

620

00:29:55,409 --> 00:30:01,110

still too David Jacobs is still around

621

00:29:58,829 --> 00:30:03,269

where I don't entirely agree with him

622

00:30:01,109 --> 00:30:05,519

so I don't like to be too much of a

623

00:30:03,269 --> 00:30:07,950

conspiracy person I think you know

624

00:30:05,519 --> 00:30:09,599

that's a rational way to look at it I

625

00:30:07,950 --> 00:30:12,450

just wondered if you had any thoughts

626

00:30:09,599 --> 00:30:15,178

about it I my jury now I don't you know

627

00:30:12,450 --> 00:30:18,480

John that was right no I don't I don't

628
00:30:15,179 --> 00:30:20,399
die on ten Lords conspiracy I think of

629
00:30:18,480 --> 00:30:23,669
course there's a conspiracy to keep the

630
00:30:20,398 --> 00:30:25,739
UFO thing secret and that's going to be

631
00:30:23,669 --> 00:30:28,590
exposed but I don't know if they're

632
00:30:25,740 --> 00:30:30,929
really naughty I doubt that I got that I

633
00:30:28,589 --> 00:30:33,329
mean you know they were should have you

634
00:30:30,929 --> 00:30:35,429
know anyway there's too much guy and I

635
00:30:33,329 --> 00:30:38,129
think we're cracking the code I think

636
00:30:35,429 --> 00:30:40,080
you know if you listen to like Tom

637
00:30:38,130 --> 00:30:41,700
DeLonge and some of these other people

638
00:30:40,079 --> 00:30:44,490
got started to get involved in

639
00:30:41,700 --> 00:30:47,460
disclosure this seems to be a break

640
00:30:44,490 --> 00:30:49,950
within the top secret intelligence where

641
00:30:47,460 --> 00:30:53,058
some of these people are trying to bring

642
00:30:49,950 --> 00:30:55,500
this out to the open I think Obama was

643
00:30:53,058 --> 00:30:58,079
hinting at it I think Bill Clinton which

644
00:30:55,500 --> 00:31:02,398
I think Hillary Clinton were hinting at

645
00:30:58,079 --> 00:31:04,079
it yes and I think not to get into

646
00:31:02,398 --> 00:31:06,750
politics but I don't think Donald Trump

647
00:31:04,079 --> 00:31:11,509
really cares about this subject cause he

648
00:31:06,750 --> 00:31:13,798
really just cares about his own so but I

649
00:31:11,509 --> 00:31:14,759
think he cares about it I don't think

650
00:31:13,798 --> 00:31:17,128
it's of interest

651
00:31:14,759 --> 00:31:19,348
him to my understanding it's not about a

652
00:31:17,128 --> 00:31:23,968
lot of other interests them first

653
00:31:19,348 --> 00:31:26,698
but I do think that I do think that the

654
00:31:23,969 --> 00:31:32,099
question I wanted to talk about was Tom

655
00:31:26,699 --> 00:31:34,528
DeLonge yeah he he's very interesting

656

00:31:32,098 --> 00:31:36,509
fellow he is of course was with a band

657
00:31:34,528 --> 00:31:38,669
he may still be with that band I'm not

658
00:31:36,509 --> 00:31:41,548
so sure if he's with the band still or

659
00:31:38,669 --> 00:31:44,159
not if he's doing other things now but I

660
00:31:41,548 --> 00:31:48,328
it has been brought up that he may be

661
00:31:44,159 --> 00:31:50,069
the victim of disinformation and I don't

662
00:31:48,328 --> 00:31:53,548
know if he is or not I mean I'm not

663
00:31:50,068 --> 00:31:55,408
privy to that inside information but we

664
00:31:53,548 --> 00:31:57,898
can think of people who were who have

665
00:31:55,409 --> 00:32:00,119
started out with all the best interests

666
00:31:57,898 --> 00:32:03,298
in mind people like Linda Moulton Howe

667
00:32:00,118 --> 00:32:08,398
who got involved and then was taken into

668
00:32:03,298 --> 00:32:10,528
a disinformation project by the American

669
00:32:08,398 --> 00:32:13,048
military they brought her onto a base

670
00:32:10,528 --> 00:32:14,578

they gave her a little bit of real

671

00:32:13,048 --> 00:32:16,558
information a little bit of fake

672

00:32:14,578 --> 00:32:19,888
information and they they sent her out

673

00:32:16,558 --> 00:32:21,388
with it and uh you know I am really

674

00:32:19,888 --> 00:32:23,218
because I don't know about this

675

00:32:21,388 --> 00:32:25,738
information that I think Linda is a

676

00:32:23,219 --> 00:32:28,469
great resource I do too I don't know

677

00:32:25,739 --> 00:32:31,199
what disinformation she has but as far

678

00:32:28,469 --> 00:32:33,838
as Tom's along I talked to people who

679

00:32:31,199 --> 00:32:36,808
made this their lives I mean sort of our

680

00:32:33,838 --> 00:32:39,928
life too but they these people are Grant

681

00:32:36,808 --> 00:32:42,749
Cameron has the UFO presidential web we

682

00:32:39,929 --> 00:32:44,909
know grandma sure and Stephen Bassett I

683

00:32:42,749 --> 00:32:48,179
talked to both of those people about Tom

684

00:32:44,909 --> 00:32:52,709
DeLonge and they especially grant we

685
00:32:48,179 --> 00:32:56,548
went to ours he said grant was really

686
00:32:52,709 --> 00:32:59,099
brought in on the inside and he had he

687
00:32:56,548 --> 00:33:02,098
will he is given some false information

688
00:32:59,098 --> 00:33:04,769
to make him look ridiculous but enough

689
00:33:02,098 --> 00:33:06,658
true information to bring out some of

690
00:33:04,769 --> 00:33:09,028
the secrets and I got things done right

691
00:33:06,659 --> 00:33:12,979
that's what this information is this

692
00:33:09,028 --> 00:33:15,568
combination of real stuff versus

693
00:33:12,979 --> 00:33:17,969
misinformation and the stuff that is

694
00:33:15,568 --> 00:33:20,308
patently misinformation is put in there

695
00:33:17,969 --> 00:33:23,989
to make the researchers look like

696
00:33:20,308 --> 00:33:25,769
forgive the expression horses asses I

697
00:33:23,989 --> 00:33:28,200
agree there's lots of information

698
00:33:25,769 --> 00:33:30,440
disinformation I think Linda

699
00:33:28,200 --> 00:33:33,899
I'm not like London I do to my authority

700
00:33:30,440 --> 00:33:36,690
so I'm not sure what disinformation she

701
00:33:33,898 --> 00:33:39,898
was involved with well she was given so

702
00:33:36,690 --> 00:33:44,038
she was not the perpetrator of the

703
00:33:39,898 --> 00:33:46,469
disinformation but she was and she will

704
00:33:44,038 --> 00:33:49,200
probably tell you this herself I'm

705
00:33:46,470 --> 00:33:51,440
guessing that they brought her in they

706
00:33:49,200 --> 00:33:55,080
gave her a whole bunch of information a

707
00:33:51,440 --> 00:33:58,620
good portion of which was incorrect and

708
00:33:55,079 --> 00:34:01,439
it sort of the effect was to make her

709
00:33:58,619 --> 00:34:03,148
look foolish at the time because she

710
00:34:01,440 --> 00:34:03,960
didn't know which was real and which

711
00:34:03,148 --> 00:34:05,939
wasn't real

712
00:34:03,960 --> 00:34:08,190
you just don't when you're in that

713

00:34:05,940 --> 00:34:10,740
position and I'm I can't think of the

714
00:34:08,190 --> 00:34:14,668
two guys that were in on it right they

715
00:34:10,739 --> 00:34:16,439
involved too in that incident up in you

716
00:34:14,668 --> 00:34:18,838
know I can't think of it now you know at

717
00:34:16,440 --> 00:34:21,809
the yellow foam and all that in a boat

718
00:34:18,838 --> 00:34:23,878
and it was in Canada are you talking

719
00:34:21,809 --> 00:34:26,789
about Maury island yeah yeah I think

720
00:34:23,878 --> 00:34:29,190
that Maury island is before Linda mo how

721
00:34:26,789 --> 00:34:31,320
much yeah I think that the men well I

722
00:34:29,190 --> 00:34:33,088
never heard of Maury island with Maury

723
00:34:31,320 --> 00:34:36,119
island you hadn't heard about the Maury

724
00:34:33,088 --> 00:34:39,628
Island incident I'm not sure I can do a

725
00:34:36,119 --> 00:34:44,210
job okay but I will research I will just

726
00:34:39,628 --> 00:34:50,639
send a URI ma you are why emori Island

727
00:34:44,210 --> 00:34:54,329

it involved the report of a UFO that

728

00:34:50,639 --> 00:34:58,740

dropped slag from it looked like one of

729

00:34:54,329 --> 00:35:03,720

the UFOs of was up in the sky and kind

730

00:34:58,739 --> 00:35:07,078

of was not navigating properly and it it

731

00:35:03,719 --> 00:35:10,139

dropped slag onto a boat which killed

732

00:35:07,079 --> 00:35:13,890

the fellows dog reported waning boat lag

733

00:35:10,139 --> 00:35:16,858

and I go yell at all or they described

734

00:35:13,889 --> 00:35:19,049

it to as a yellow foamy substance okay

735

00:35:16,858 --> 00:35:22,019

they killed well there must be evidence

736

00:35:19,050 --> 00:35:24,390

of that then of that um and well it

737

00:35:22,019 --> 00:35:27,630

turned into a whole dog-and-pony show

738

00:35:24,389 --> 00:35:30,568

where the military went there including

739

00:35:27,630 --> 00:35:33,809

some Air Force people who then later

740

00:35:30,568 --> 00:35:36,239

went up in a plane and and died because

741

00:35:33,809 --> 00:35:37,980

they were carrying this slag there may

742
00:35:36,239 --> 00:35:43,399
have been yellow foam but there was also

743
00:35:37,980 --> 00:35:43,400
metal slag that they were bringing these

744
00:35:43,440 --> 00:35:50,490
these physical this physical evidence

745
00:35:48,989 --> 00:35:52,079
evidence yes that's the word I was

746
00:35:50,489 --> 00:35:54,089
looking for they were bringing this

747
00:35:52,079 --> 00:35:56,900
physical evidence back to the Air Force

748
00:35:54,090 --> 00:35:59,760
Base and there were two fairly high

749
00:35:56,900 --> 00:36:03,210
military officers and they were killed

750
00:35:59,760 --> 00:36:05,970
in this plane that went down with the

751
00:36:03,210 --> 00:36:09,389
slide here was this young boy nineteen

752
00:36:05,969 --> 00:36:11,789
fifty fifty two four in that somewhere

753
00:36:09,389 --> 00:36:14,730
was shortly active all vaguely familiar

754
00:36:11,789 --> 00:36:18,300
but so they never recovered the flag now

755
00:36:14,730 --> 00:36:23,119
they never recovered the slag and the

756
00:36:18,300 --> 00:36:26,460
fellow that was implicated in this

757
00:36:23,119 --> 00:36:31,739
situation was also seen on the grassy

758
00:36:26,460 --> 00:36:34,909
knoll yeah when Kennedy was shot and so

759
00:36:31,739 --> 00:36:38,669
you if you look it up you'll Chrisman

760
00:36:34,909 --> 00:36:42,629
chrismad Fred Fred Lee Chrisman is the

761
00:36:38,670 --> 00:36:45,659
perpetrator his I pulled that right out

762
00:36:42,630 --> 00:36:49,200
of my nose I'm telling you Oh Fred Lee

763
00:36:45,659 --> 00:36:52,710
Chrisman was this person who were part

764
00:36:49,199 --> 00:36:55,980
of the Mori Island incident and he is

765
00:36:52,710 --> 00:36:58,769
the one who people say that they saw on

766
00:36:55,980 --> 00:37:01,469
the grassy knoll he might be a

767
00:36:58,769 --> 00:37:03,329
disinformation operative from the

768
00:37:01,469 --> 00:37:05,909
government I thought I don't know this

769
00:37:03,329 --> 00:37:08,099
is all in enshrouded and certainly was

770

00:37:05,909 --> 00:37:11,519
Linda Mellon I mean that would make the

771
00:37:08,099 --> 00:37:13,349
man like very old but I don't have

772
00:37:11,519 --> 00:37:15,179
something to do with Linda Moulton Howe

773
00:37:13,349 --> 00:37:17,159
yeah I don't think so I don't know well

774
00:37:15,179 --> 00:37:19,109
the book we may maybe it's not but I

775
00:37:17,159 --> 00:37:22,529
need to disagree I don't know yeah sure

776
00:37:19,110 --> 00:37:24,170
I did maybe like charettes involved with

777
00:37:22,530 --> 00:37:29,390
the can anything on the grassy knoll

778
00:37:24,170 --> 00:37:32,490
that could be a whole timeline see you

779
00:37:29,389 --> 00:37:34,559
know I mean there's a lot of paranormal

780
00:37:32,489 --> 00:37:36,959
stuff that I don't think can be

781
00:37:34,559 --> 00:37:38,489
explained from the old way of looking at

782
00:37:36,960 --> 00:37:41,039
things so that's really what's so

783
00:37:38,489 --> 00:37:43,229
exciting about what I'm doing is trying

784
00:37:41,039 --> 00:37:46,980

to understand reality in a different way

785

00:37:43,230 --> 00:37:50,130

was not linear right it's not what we've

786

00:37:46,980 --> 00:37:52,650

been told it is you know William that's

787

00:37:50,130 --> 00:37:55,420

the truth that time passes at different

788

00:37:52,650 --> 00:37:57,880

speeds and we are

789

00:37:55,420 --> 00:38:00,400

and time and abaya as biological

790

00:37:57,880 --> 00:38:02,920

entities but if we were not biological

791

00:38:00,400 --> 00:38:05,289

entities just our consciousness does not

792

00:38:02,920 --> 00:38:07,630

have to be rooted in time I would say

793

00:38:05,289 --> 00:38:12,190

exactly that that's what the whole that

794

00:38:07,630 --> 00:38:14,410

movie arrival Oh having a rival yes yes

795

00:38:12,190 --> 00:38:18,010

it's a good movie I saw oh is he all

796

00:38:14,409 --> 00:38:21,239

right like it's it's all about time it's

797

00:38:18,010 --> 00:38:24,250

really not about ETS it's about the

798

00:38:21,239 --> 00:38:27,449

transmutation of time and consciousness

799

00:38:24,250 --> 00:38:30,068
and awareness and and a loop of time

800

00:38:27,449 --> 00:38:31,929
very good movie it's a very good movie

801

00:38:30,068 --> 00:38:37,329
and I recommend it highly

802

00:38:31,929 --> 00:38:40,659
so right now you're about to do a show a

803

00:38:37,329 --> 00:38:44,039
not a show but a lecture a presentation

804

00:38:40,659 --> 00:38:48,730
at the New York

805

00:38:44,039 --> 00:38:51,039
MUFON chapter up in Cary town and you're

806

00:38:48,730 --> 00:38:53,349
going to be speaking about a particular

807

00:38:51,039 --> 00:38:56,440
crop circle is that the case go would

808

00:38:53,349 --> 00:38:58,059
you like to flush it yeah well I'll tell

809

00:38:56,440 --> 00:39:00,940
you that but let me tell you what also

810

00:38:58,059 --> 00:39:04,030
I'm doing I'm actually writing about a

811

00:39:00,940 --> 00:39:07,450
book about this whole idea about ETS and

812

00:39:04,030 --> 00:39:08,260
perception okay how our reality is

813
00:39:07,449 --> 00:39:14,019
distorted

814
00:39:08,260 --> 00:39:17,140
so I'm trying yes I was I said so I you

815
00:39:14,019 --> 00:39:20,739
know obviously we have sort of the

816
00:39:17,139 --> 00:39:23,710
everyday idea of what reality is so what

817
00:39:20,739 --> 00:39:25,808
exactly is your description of the okay

818
00:39:23,710 --> 00:39:28,420
well it's like when you're in the

819
00:39:25,809 --> 00:39:32,559
presence of these beings or even if you

820
00:39:28,420 --> 00:39:35,409
see a UFO there's a time distortion like

821
00:39:32,559 --> 00:39:37,900
we just said there's a a sense of

822
00:39:35,409 --> 00:39:40,318
reality of you actually kind of being

823
00:39:37,900 --> 00:39:43,599
separated from your body or your

824
00:39:40,318 --> 00:39:46,509
consciousness being bigger because when

825
00:39:43,599 --> 00:39:50,650
you're in contact with these beings

826
00:39:46,510 --> 00:39:53,859
they're in such a field of awareness it

827

00:39:50,650 --> 00:39:55,900
brings you to their field so for

828
00:39:53,858 --> 00:39:57,730
instance did you ever meet like a some

829
00:39:55,900 --> 00:39:59,740
high spiritual teacher some guru and

830
00:39:57,730 --> 00:40:02,530
when you're in that presence there's a

831
00:39:59,739 --> 00:40:05,469
level of clarity and awareness that you

832
00:40:02,530 --> 00:40:07,480
don't have around ordinary people well

833
00:40:05,469 --> 00:40:08,230
the same thing in a way is true when

834
00:40:07,480 --> 00:40:11,800
you're around

835
00:40:08,230 --> 00:40:14,889
ts your perception of my perception has

836
00:40:11,800 --> 00:40:17,340
been distorted it's been as if the

837
00:40:14,889 --> 00:40:21,339
gravity of their consciousness

838
00:40:17,340 --> 00:40:25,858
overshadows our basic human awareness so

839
00:40:21,340 --> 00:40:29,470
time bends colors look different the

840
00:40:25,858 --> 00:40:31,389
fabric of space-time itself is distorted

841
00:40:29,469 --> 00:40:34,118

it's as if you're on drugs it's as if

842

00:40:31,389 --> 00:40:37,750

you're in an altered state because of

843

00:40:34,119 --> 00:40:40,650

the emanations of their conscious field

844

00:40:37,750 --> 00:40:43,809

we're talking about field dynamics here

845

00:40:40,650 --> 00:40:49,300

distorts and it's not really but it

846

00:40:43,809 --> 00:40:51,699

distorts our human human Morpho genetic

847

00:40:49,300 --> 00:40:56,220

field so we because we're not in as

848

00:40:51,699 --> 00:41:00,399

great a field it has to bend towards the

849

00:40:56,219 --> 00:41:02,829

ET consciousness and that can either if

850

00:41:00,400 --> 00:41:03,789

you're really not a conscious being that

851

00:41:02,829 --> 00:41:06,429

just knocks you out

852

00:41:03,789 --> 00:41:09,400

there's no way to stay in awareness when

853

00:41:06,429 --> 00:41:11,440

you're in the ET space but if you are or

854

00:41:09,400 --> 00:41:15,869

where if you have worked on lucid

855

00:41:11,440 --> 00:41:19,300

dreaming or or more of a conscious

856
00:41:15,869 --> 00:41:22,720
expansion then you could stay more lucid

857
00:41:19,300 --> 00:41:26,859
and more conscious in the ET space and

858
00:41:22,719 --> 00:41:31,358
have an awareness of those reality

859
00:41:26,858 --> 00:41:33,699
but if I dream like but this is just I

860
00:41:31,358 --> 00:41:36,340
agree are the sciences I definitely a

861
00:41:33,699 --> 00:41:39,639
great Allen and I think this is such an

862
00:41:36,340 --> 00:41:44,170
important thing as disclosure comes

863
00:41:39,639 --> 00:41:46,539
closer to realize that it's not like

864
00:41:44,170 --> 00:41:48,550
like actually Linda Moulton Howe said

865
00:41:46,539 --> 00:41:50,800
when she was talking to John Mac it's

866
00:41:48,550 --> 00:41:53,890
not going to happen over a cup of coffee

867
00:41:50,800 --> 00:41:55,600
when we're in that field she said this

868
00:41:53,889 --> 00:41:59,440
at the citizens hearing for UFO

869
00:41:55,599 --> 00:42:02,799
disclosure in Washington when we are

870
00:41:59,440 --> 00:42:07,690
meeting the other these beings our whole

871
00:42:02,800 --> 00:42:11,530
sense of reality shifts and this is why

872
00:42:07,690 --> 00:42:13,570
disclosure is such a difficult topic and

873
00:42:11,530 --> 00:42:17,950
this is what I'll be talking about at

874
00:42:13,570 --> 00:42:21,010
the UFO Roundtable up in Yonkers this

875
00:42:17,949 --> 00:42:21,608
week the distortion of reality that

876
00:42:21,010 --> 00:42:25,890
we're going to

877
00:42:21,608 --> 00:42:25,889
have to understand and start to

878
00:42:25,920 --> 00:42:32,739
acclimate to as the et presence gets

879
00:42:29,710 --> 00:42:35,440
closer the the notion of consciousness

880
00:42:32,739 --> 00:42:38,739
itself comes into question and this is

881
00:42:35,440 --> 00:42:41,079
this is the dress rehearsal for contact

882
00:42:38,739 --> 00:42:44,019
we have to start you're aware be aware

883
00:42:41,079 --> 00:42:46,809
that we are multi-dimensional that we

884

00:42:44,018 --> 00:42:50,229
exist on all levels at once that reality

885
00:42:46,809 --> 00:42:53,380
is not linear that these ETS can bend

886
00:42:50,230 --> 00:42:55,690
time and space and actually our

887
00:42:53,380 --> 00:42:58,778
awareness itself so if we're going to

888
00:42:55,690 --> 00:43:01,318
make contact in a conscious way we have

889
00:42:58,778 --> 00:43:05,018
to realize that consciousness is

890
00:43:01,318 --> 00:43:08,440
malleable it's plastic it's fluid it

891
00:43:05,018 --> 00:43:11,858
bends and we have to become aware beings

892
00:43:08,440 --> 00:43:14,079
that can bend with consciousness itself

893
00:43:11,858 --> 00:43:17,048
I don't make sense I agree with you

894
00:43:14,079 --> 00:43:20,349
largely and I would have to say that as

895
00:43:17,048 --> 00:43:23,710
Robert Monroe famously said we are more

896
00:43:20,349 --> 00:43:25,960
than our physical bodies and that is

897
00:43:23,710 --> 00:43:29,139
something that people have to understand

898
00:43:25,960 --> 00:43:32,829

but let's take that a little bit further

899

00:43:29,139 --> 00:43:36,879

and ask what your opinion is and I know

900

00:43:32,829 --> 00:43:42,430

that that Whitley Strieber has come in

901

00:43:36,880 --> 00:43:44,588

on this as well that when the idea of

902

00:43:42,429 --> 00:43:48,669

disclosure talking about disclosure is

903

00:43:44,588 --> 00:43:50,858

it possible that the government are at

904

00:43:48,670 --> 00:43:54,220

least the black ops people that may know

905

00:43:50,858 --> 00:43:57,670

more about the of the et presence then

906

00:43:54,219 --> 00:44:01,230

we're given information on is it

907

00:43:57,670 --> 00:44:03,730

possible that they are moving away from

908

00:44:01,230 --> 00:44:08,889

disclosing because of the idea that

909

00:44:03,730 --> 00:44:11,079

maybe an average person who isn't up to

910

00:44:08,889 --> 00:44:12,909

speed on these things just the you know

911

00:44:11,079 --> 00:44:15,900

the guy down the street mowing his lawn

912

00:44:12,909 --> 00:44:21,518

or the woman cooking dinner is not ready

913
00:44:15,900 --> 00:44:23,170
for to become aware of ETS because they

914
00:44:21,518 --> 00:44:25,659
could bring that they could to burn out

915
00:44:23,170 --> 00:44:27,278
your circuits and in your mind if they

916
00:44:25,659 --> 00:44:30,460
are not ready for it and they probably

917
00:44:27,278 --> 00:44:31,900
don't even care well I think some of

918
00:44:30,460 --> 00:44:34,920
them care I think that here because

919
00:44:31,900 --> 00:44:37,559
there's only I don't know but i'ma I

920
00:44:34,920 --> 00:44:39,240
I really think you know you may get

921
00:44:37,559 --> 00:44:41,309
disclosure and there may be all these

922
00:44:39,239 --> 00:44:43,259
wonderful creatures and I think these

923
00:44:41,309 --> 00:44:45,059
average people go yeah that's great and

924
00:44:43,260 --> 00:44:47,790
they'll go I'm mowing the lawn and

925
00:44:45,059 --> 00:44:49,798
cooking their dinner and ten percent you

926
00:44:47,789 --> 00:44:51,539
know it's the old bell curve thing ten

927
00:44:49,798 --> 00:44:53,940
percent will be really interested ten

928
00:44:51,539 --> 00:44:56,159
percent use it for evil purposes and the

929
00:44:53,940 --> 00:44:58,170
other 80 percent oh go on mowing their

930
00:44:56,159 --> 00:45:00,779
lawns and cooking dinner but if they

931
00:44:58,170 --> 00:45:02,730
have like I agree with that yes I would

932
00:45:00,780 --> 00:45:05,160
thought you said the ETS and care about

933
00:45:02,730 --> 00:45:08,219
me oh yeah me too you care they wouldn't

934
00:45:05,159 --> 00:45:11,879
be here well I think the ETS are giving

935
00:45:08,219 --> 00:45:14,578
us a very slow burning disclosure this

936
00:45:11,880 --> 00:45:17,670
is what Robert Hastings it is that they

937
00:45:14,579 --> 00:45:19,500
will come and go and it's even taken

938
00:45:17,670 --> 00:45:20,909
place over the centuries I mean what

939
00:45:19,500 --> 00:45:23,900
you're describing is religious

940
00:45:20,909 --> 00:45:27,868
experiences from the days of the caveman

941

00:45:23,900 --> 00:45:30,660
yes so I I mean you're exactly disco and

942
00:45:27,869 --> 00:45:32,548
biologist experience yes it's religious

943
00:45:30,659 --> 00:45:35,250
experiences and I think there are really

944
00:45:32,548 --> 00:45:39,630
there's a distinction the physics of it

945
00:45:35,250 --> 00:45:41,548
which this experiences and ET

946
00:45:39,630 --> 00:45:43,920
experiences although some people would

947
00:45:41,548 --> 00:45:45,630
claim may be in the past and an eating

948
00:45:43,920 --> 00:45:47,460
experience was a religious experience

949
00:45:45,630 --> 00:45:51,500
like Whitley sort of there is that

950
00:45:47,460 --> 00:45:57,659
bridge between the two but I do think

951
00:45:51,500 --> 00:46:02,630
UFO contact UFO sightings are up I think

952
00:45:57,659 --> 00:46:04,858
there's an increase in the level of

953
00:46:02,630 --> 00:46:06,480
awakenings and general spiritual

954
00:46:04,858 --> 00:46:09,389
awakenings people or night I've met

955
00:46:06,480 --> 00:46:11,548

about I don't know half a dozen people

956

00:46:09,389 --> 00:46:13,199

in the last few years suddenly they have

957

00:46:11,548 --> 00:46:15,239

this out of nowhere

958

00:46:13,199 --> 00:46:19,379

boom they have this awakening a lots of

959

00:46:15,239 --> 00:46:23,429

times they connected to the the et

960

00:46:19,380 --> 00:46:25,858

towards the Syrians or whatever kind of

961

00:46:23,429 --> 00:46:28,259

group you you seem to identify with but

962

00:46:25,858 --> 00:46:31,650

the other part of the question is yes I

963

00:46:28,260 --> 00:46:34,170

think like Copernicus who said that the

964

00:46:31,650 --> 00:46:37,260

earth was not the center of the universe

965

00:46:34,170 --> 00:46:39,059

and only a small percentage really care

966

00:46:37,260 --> 00:46:41,579

and was affected most people went on

967

00:46:39,059 --> 00:46:44,220

with their lives and said right oh so

968

00:46:41,579 --> 00:46:47,519

what I think that will be the same with

969

00:46:44,219 --> 00:46:48,838

the majority of people who don't see the

970
00:46:47,519 --> 00:46:50,429
reality that we're

971
00:46:48,838 --> 00:46:52,259
actually connected to something bigger

972
00:46:50,429 --> 00:46:53,940
and this is where the issue of

973
00:46:52,259 --> 00:46:58,019
spirituality of consciousness and the

974
00:46:53,940 --> 00:47:01,229
ETS Doomer yes first us when we are

975
00:46:58,018 --> 00:47:04,078
aware we're part of something bigger

976
00:47:01,228 --> 00:47:07,078
than our own little petty dramas it

977
00:47:04,079 --> 00:47:09,450
wakes us up to the greater capacity of

978
00:47:07,079 --> 00:47:12,329
who we are as human being then there's a

979
00:47:09,449 --> 00:47:16,978
greater cosmos to interface with and

980
00:47:12,329 --> 00:47:20,219
more of our neural physiology get

981
00:47:16,978 --> 00:47:23,068
knights in the exchange of a greater

982
00:47:20,219 --> 00:47:24,690
possibility okay I'm I'm on board with

983
00:47:23,068 --> 00:47:27,960
all of that I want to take it a step

984
00:47:24,690 --> 00:47:30,838
back just for our listeners to sort of

985
00:47:27,960 --> 00:47:34,469
change definitions in a certain way

986
00:47:30,838 --> 00:47:36,900
because Kate's a religious experience of

987
00:47:34,469 --> 00:47:39,719
spiritual expression okay but I use it I

988
00:47:36,900 --> 00:47:43,349
gender I don't mean a organizer I get

989
00:47:39,719 --> 00:47:46,380
that I get that but I would just go I

990
00:47:43,349 --> 00:47:50,059
would call it if no one Minds just for

991
00:47:46,380 --> 00:47:53,039
the sake of of definition a transcendent

992
00:47:50,059 --> 00:47:55,650
experience okay and my people have

993
00:47:53,039 --> 00:47:57,989
called those religious okay let me stop

994
00:47:55,650 --> 00:48:00,900
you right there let me stop you right

995
00:47:57,989 --> 00:48:06,259
there for a second because to me and it

996
00:48:00,900 --> 00:48:12,150
to use the word religious indicates a

997
00:48:06,259 --> 00:48:14,849
higher dogma or a set of a belief it's a

998

00:48:12,150 --> 00:48:18,588
belief system a religion is a belief

999
00:48:14,849 --> 00:48:21,930
system and often people who have

1000
00:48:18,588 --> 00:48:24,228
transcendent experiences come back from

1001
00:48:21,929 --> 00:48:28,649
the transcendent experience and

1002
00:48:24,228 --> 00:48:32,218
institute a system of beliefs that might

1003
00:48:28,650 --> 00:48:35,460
not be really contained in the actual

1004
00:48:32,219 --> 00:48:39,630
transcendent experience it is what they

1005
00:48:35,460 --> 00:48:42,719
they have done with it so I although I

1006
00:48:39,630 --> 00:48:44,999
don't have anything against someone

1007
00:48:42,719 --> 00:48:47,130
having a religion you're all welcome to

1008
00:48:44,998 --> 00:48:51,028
whatever religion you choose as long as

1009
00:48:47,130 --> 00:48:53,338
it doesn't hurt anyone but I would say

1010
00:48:51,028 --> 00:48:55,650
that using the word religion in this

1011
00:48:53,338 --> 00:48:56,940
context is probably just confusing

1012
00:48:55,650 --> 00:48:58,979

things you're not wrong right

1013

00:48:56,940 --> 00:49:01,608

no let me just clarify I think what

1014

00:48:58,978 --> 00:49:02,759

you're saying I would say that if you're

1015

00:49:01,608 --> 00:49:05,699

already

1016

00:49:02,760 --> 00:49:07,770

involved in sort of a dogmatic religion

1017

00:49:05,699 --> 00:49:09,809

if you have one of these contact and you

1018

00:49:07,769 --> 00:49:12,719

see a light flashing or something you

1019

00:49:09,809 --> 00:49:15,619

call it religious but all religious

1020

00:49:12,719 --> 00:49:18,239

experiences are actually transcendence

1021

00:49:15,619 --> 00:49:21,210

experiences it just depends what frame

1022

00:49:18,239 --> 00:49:23,459

you put around it and of course there I

1023

00:49:21,210 --> 00:49:25,199

mean not all but I think a lot of the

1024

00:49:23,460 --> 00:49:27,329

what people call really I mean I would

1025

00:49:25,199 --> 00:49:30,179

say all these experiences

1026

00:49:27,329 --> 00:49:32,549

you see Jesus maybe that's not a really

1027
00:49:30,179 --> 00:49:34,619
that's really an ET in disguise that's a

1028
00:49:32,550 --> 00:49:36,840
transcendent experience that you're

1029
00:49:34,619 --> 00:49:38,250
limited psychology not yours but

1030
00:49:36,840 --> 00:49:40,829
people's limited psychology

1031
00:49:38,250 --> 00:49:43,230
calls religion there are no religious

1032
00:49:40,829 --> 00:49:45,809
experiences are all transcendent right

1033
00:49:43,230 --> 00:49:48,300
that's where because religion well it

1034
00:49:45,809 --> 00:49:50,190
centers around a particular dogma I just

1035
00:49:48,300 --> 00:49:52,410
want to be clear so people listening to

1036
00:49:50,190 --> 00:49:55,079
us don't misunderstand what we're saying

1037
00:49:52,409 --> 00:49:58,230
and I'm with both of you want on this

1038
00:49:55,079 --> 00:50:00,179
subject although I would say pointing to

1039
00:49:58,230 --> 00:50:02,940
Whitley's last book which I really

1040
00:50:00,179 --> 00:50:05,299
recommend reading this is the natural

1041
00:50:02,940 --> 00:50:09,659
but he did Whitman at Jeffrey Kerr Paul

1042
00:50:05,300 --> 00:50:12,090
yes even calling it an ET experience is

1043
00:50:09,659 --> 00:50:14,639
a level of dogma yeah this is what

1044
00:50:12,090 --> 00:50:16,620
they're making point of and I agree

1045
00:50:14,639 --> 00:50:18,869
you know we're calling it ETS we're

1046
00:50:16,619 --> 00:50:21,989
calling these things experience we at

1047
00:50:18,869 --> 00:50:25,139
ETS but that's based on a very limited

1048
00:50:21,989 --> 00:50:27,779
belief system we actually don't know

1049
00:50:25,139 --> 00:50:29,969
what these things are we have no idea we

1050
00:50:27,780 --> 00:50:32,519
have no friends so we call them ETS but

1051
00:50:29,969 --> 00:50:34,769
that's fits into a box a banjo

1052
00:50:32,519 --> 00:50:36,449
terrestrial doesn't necessarily mean

1053
00:50:34,769 --> 00:50:39,659
that they're from a particular star

1054
00:50:36,449 --> 00:50:42,149
system this doesn't mean we understand I

1055

00:50:39,659 --> 00:50:46,049
mean this is the truth I mean as I see

1056
00:50:42,150 --> 00:50:47,550
it anything about what they are who they

1057
00:50:46,050 --> 00:50:50,430
are what they're here for

1058
00:50:47,550 --> 00:50:52,890
we know nothing about it's as much as

1059
00:50:50,429 --> 00:50:55,799
how I see it your dog or your cat

1060
00:50:52,889 --> 00:50:58,319
looking at you at the computer they have

1061
00:50:55,800 --> 00:51:02,430
no idea they don't have the capacity

1062
00:50:58,320 --> 00:51:05,280
this is my theory about us and these ETS

1063
00:51:02,429 --> 00:51:07,139
or living at a greater capacity doesn't

1064
00:51:05,280 --> 00:51:09,150
mean that better than us or even greater

1065
00:51:07,139 --> 00:51:13,069
than us because I think on a soul level

1066
00:51:09,150 --> 00:51:15,840
they're equal to us but the capacity to

1067
00:51:13,070 --> 00:51:16,680
to maneuver through reality just like

1068
00:51:15,840 --> 00:51:19,230
our capacity

1069
00:51:16,679 --> 00:51:22,889

as we compare to our animals is much

1070

00:51:19,230 --> 00:51:24,269

greater that's how much far in advance

1071

00:51:22,889 --> 00:51:26,489

these beings

1072

00:51:24,269 --> 00:51:28,619

whoever they are are to us that's my

1073

00:51:26,489 --> 00:51:31,289

period well yeah it sounds if that

1074

00:51:28,619 --> 00:51:35,369

sounds rational and it sounds as though

1075

00:51:31,289 --> 00:51:38,068

it's probably largely true how do you

1076

00:51:35,369 --> 00:51:40,349

come down on the part though I know

1077

00:51:38,068 --> 00:51:45,989

Whitley Strieber has mentioned a number

1078

00:51:40,349 --> 00:51:49,289

of times that the UFO or ET reality if

1079

00:51:45,989 --> 00:51:54,529

we find out about these these beings

1080

00:51:49,289 --> 00:51:57,989

that it sort of changes the paradigm

1081

00:51:54,530 --> 00:52:03,210

entirely and that on some level it might

1082

00:51:57,989 --> 00:52:04,439

be dangerous for us as humans no I don't

1083

00:52:03,210 --> 00:52:06,900

know if Whitley ever said it was

1084
00:52:04,440 --> 00:52:09,150
dangerous I think I never heard him say

1085
00:52:06,900 --> 00:52:13,680
that if I I think if we do find out

1086
00:52:09,150 --> 00:52:16,740
about it it does change the paradigm but

1087
00:52:13,679 --> 00:52:20,190
it also it may take us into a little bit

1088
00:52:16,739 --> 00:52:22,108
of a downside a little bit of a shock of

1089
00:52:20,190 --> 00:52:25,380
a shattered reality if you want to call

1090
00:52:22,108 --> 00:52:28,650
it that but the upside of that is to

1091
00:52:25,380 --> 00:52:30,838
gain greater awareness to and creativity

1092
00:52:28,650 --> 00:52:37,318
it's sort of like when Columbus

1093
00:52:30,838 --> 00:52:40,889
discovered the new world it brought more

1094
00:52:37,318 --> 00:52:43,710
invention it create I mean Columbus's

1095
00:52:40,889 --> 00:52:45,808
whole thing and Sogeti the movement of

1096
00:52:43,710 --> 00:52:47,880
the printing press and and religious

1097
00:52:45,809 --> 00:52:52,099
freedoms and the Protestant Reformation

1098
00:52:47,880 --> 00:52:55,230
and this whole idea of this new world

1099
00:52:52,099 --> 00:52:57,900
increase the creative movement of

1100
00:52:55,230 --> 00:53:02,639
Renaissance this is my theory so there's

1101
00:52:57,900 --> 00:53:06,180
a the upside to finding out about or the

1102
00:53:02,639 --> 00:53:10,440
politic acknowledgement of ET situation

1103
00:53:06,179 --> 00:53:12,000
will expand us in ways we cannot fathom

1104
00:53:10,440 --> 00:53:15,088
at this point because we're not

1105
00:53:12,000 --> 00:53:16,469
expanding you know we interesting it

1106
00:53:15,088 --> 00:53:20,009
should be very very very very

1107
00:53:16,469 --> 00:53:22,169
interesting exciting new reality okay

1108
00:53:20,010 --> 00:53:24,150
it'll be a new reality as that it will

1109
00:53:22,170 --> 00:53:26,309
be it that it will basically well

1110
00:53:24,150 --> 00:53:28,500
because it will on some level even

1111
00:53:26,309 --> 00:53:30,660
affect the guy mowing the lawn the woman

1112

00:53:28,500 --> 00:53:32,550
cooking dinner because suddenly

1113
00:53:30,659 --> 00:53:35,009
a dinner will be a little bit different

1114
00:53:32,550 --> 00:53:37,080
maybe it will be vegetarian and maybe

1115
00:53:35,010 --> 00:53:39,360
beet will seem funny and then the guy

1116
00:53:37,079 --> 00:53:40,759
mowing the lawn will think oh maybe I

1117
00:53:39,360 --> 00:53:43,890
shouldn't be destroying all these

1118
00:53:40,760 --> 00:53:48,300
chloroplasts you know and then yes or

1119
00:53:43,889 --> 00:53:50,639
maybe one more thing I think it's really

1120
00:53:48,300 --> 00:53:53,789
and I think this is the biggest threat

1121
00:53:50,639 --> 00:53:56,009
that disclosure faces it means is ever

1122
00:53:53,789 --> 00:53:58,019
these flying these et whatever these

1123
00:53:56,010 --> 00:54:01,560
UFOs are running on they're not filling

1124
00:53:58,019 --> 00:54:03,989
up their gas tank with oil based product

1125
00:54:01,559 --> 00:54:06,389
they are this is the free energy matter

1126
00:54:03,989 --> 00:54:09,359

that the movie Thrive got into after it

1127

00:54:06,389 --> 00:54:13,019

took off from the this is the revolution

1128

00:54:09,360 --> 00:54:16,650

the free energy revolution that that it

1129

00:54:13,019 --> 00:54:19,710

rides on the coattails of et disclosure

1130

00:54:16,650 --> 00:54:21,660

this is what the shake-up is about and

1131

00:54:19,710 --> 00:54:27,990

this is what it's going to reform

1132

00:54:21,659 --> 00:54:29,460

economic it has to be here that's the

1133

00:54:27,989 --> 00:54:31,589

only way to break the power the Middle

1134

00:54:29,460 --> 00:54:33,269

East is to get rid of the oil so I'm

1135

00:54:31,590 --> 00:54:36,510

sure it's but it's not happening but

1136

00:54:33,269 --> 00:54:39,630

it's okay are you how is it happening I

1137

00:54:36,510 --> 00:54:42,510

already tell me how many hybrid powers

1138

00:54:39,630 --> 00:54:46,230

do you see now compared to ten years now

1139

00:54:42,510 --> 00:54:47,670

how many why the hell others I would say

1140

00:54:46,230 --> 00:54:50,010

ten percent of the roots here in New

1141
00:54:47,670 --> 00:54:52,440
Jersey have solar panels on them are

1142
00:54:50,010 --> 00:54:55,740
they running off the grid on solar power

1143
00:54:52,440 --> 00:54:58,530
yeah I think they are local is going is

1144
00:54:55,739 --> 00:55:02,189
e AG has solar powers they go going up

1145
00:54:58,530 --> 00:55:04,260
and down it's going off so far it's

1146
00:55:02,190 --> 00:55:05,760
going to be a hundred Reagan care not

1147
00:55:04,260 --> 00:55:07,830
because the oil companies still

1148
00:55:05,760 --> 00:55:09,930
manipulate politics well yeah but

1149
00:55:07,829 --> 00:55:12,329
petrochemicals used in plastic and other

1150
00:55:09,929 --> 00:55:15,000
things as well but why do you need to

1151
00:55:12,329 --> 00:55:16,590
replace all that oil is still big

1152
00:55:15,000 --> 00:55:18,929
business that was the whole Dakota

1153
00:55:16,590 --> 00:55:21,539
pipeline thing yeah they want more oil

1154
00:55:18,929 --> 00:55:24,359
they want to lower the price of gas rigs

1155
00:55:21,539 --> 00:55:26,190
they don't have goodbye yeah it's still

1156
00:55:24,360 --> 00:55:28,740
there but it's obsolescent already it's

1157
00:55:26,190 --> 00:55:31,230
on its way out not yet it's really not I

1158
00:55:28,739 --> 00:55:32,849
think we need a I don't think that how

1159
00:55:31,230 --> 00:55:34,800
of course you do but how could you

1160
00:55:32,849 --> 00:55:37,949
expect something that basic to the major

1161
00:55:34,800 --> 00:55:40,410
economies worldwide to go overnight I

1162
00:55:37,949 --> 00:55:42,338
mean obviously when we find out there

1163
00:55:40,409 --> 00:55:45,038
are ETS flying there

1164
00:55:42,338 --> 00:55:47,978
on zero-point energy field dynamic

1165
00:55:45,039 --> 00:55:49,630
trusting that Oh nah nah no it'll still

1166
00:55:47,978 --> 00:55:52,929
be you have to you can't just suddenly

1167
00:55:49,630 --> 00:55:55,298
go off the gold standard it just it just

1168
00:55:52,929 --> 00:55:58,268
doesn't happen economically it'll happen

1169

00:55:55,298 --> 00:56:00,458
whether they can happen Rapids Howell is

1170
00:55:58,268 --> 00:56:02,169
doing a good job of doing it what how

1171
00:56:00,458 --> 00:56:04,058
put all that needed is what the

1172
00:56:02,170 --> 00:56:07,329
Department of Defense working on oh look

1173
00:56:04,059 --> 00:56:10,180
how horribly non-defense poo-pooed Tesla

1174
00:56:07,329 --> 00:56:12,519
back in 19 well 1910 a concluded

1175
00:56:10,179 --> 00:56:15,338
publicly but they don't do that

1176
00:56:12,518 --> 00:56:18,399
privately we can't we can't take both a

1177
00:56:15,338 --> 00:56:21,909
say is there is room there is some free

1178
00:56:18,400 --> 00:56:24,910
and forth oh my god leaving off with

1179
00:56:21,909 --> 00:56:27,098
partners and runs are words and more the

1180
00:56:24,909 --> 00:56:29,739
Department of Defense developing free

1181
00:56:27,099 --> 00:56:33,430
energy systems oh and they go and they

1182
00:56:29,739 --> 00:56:35,108
go into meetings every say dzo that's

1183
00:56:33,429 --> 00:56:36,938

why said they've already cut the legs

1184

00:56:35,108 --> 00:56:38,920
out from over the oil and do they

1185

00:56:36,938 --> 00:56:41,108
haven't just hang out in there still

1186

00:56:38,920 --> 00:56:43,059
yeah there are just present falling over

1187

00:56:41,108 --> 00:56:45,458
here I guess I want to take I mean I

1188

00:56:43,059 --> 00:56:47,589
think this I think this ended I'm sorry

1189

00:56:45,458 --> 00:56:49,538
we really I really have no basis to

1190

00:56:47,588 --> 00:56:51,489
argue with you I know I'll be quiet now

1191

00:56:49,539 --> 00:56:53,559
no it's not a matter of being quiet i

1192

00:56:51,489 --> 00:56:56,108
guy there yet I'd like it to be there I

1193

00:56:53,559 --> 00:56:58,689
think that it's way we're all on the

1194

00:56:56,108 --> 00:57:01,179
same page here it's just a matter of is

1195

00:56:58,688 --> 00:57:03,458
it is it already happening has it

1196

00:57:01,179 --> 00:57:05,559
happened is it about to happen but we

1197

00:57:03,458 --> 00:57:06,578
know we all know it's going to happen if

1198
00:57:05,559 --> 00:57:08,979
it hasn't happened yet

1199
00:57:06,579 --> 00:57:11,469
why but it has nothing yet this bill

1200
00:57:08,978 --> 00:57:13,989
addresses think of it this way to I mean

1201
00:57:11,469 --> 00:57:16,809
the internal combustion engine really

1202
00:57:13,989 --> 00:57:18,728
took place what 1910 so 110 hundred

1203
00:57:16,809 --> 00:57:20,979
fifteen years ago there were no cars

1204
00:57:18,728 --> 00:57:22,958
there were no planes there were no jet

1205
00:57:20,978 --> 00:57:26,198
engines it's open the last hundred years

1206
00:57:22,958 --> 00:57:28,509
so within a hundred years we have

1207
00:57:26,199 --> 00:57:30,608
evolved from the Wright brothers winding

1208
00:57:28,509 --> 00:57:32,559
up a toy airplane to going on the moon

1209
00:57:30,608 --> 00:57:33,759
so in the next hundred years I think

1210
00:57:32,559 --> 00:57:35,739
you're going to see the same

1211
00:57:33,759 --> 00:57:37,929
acceleration of change if we managed to

1212
00:57:35,739 --> 00:57:39,999
live through it you'll live through it

1213
00:57:37,929 --> 00:57:42,068
the only thing that will come in the way

1214
00:57:39,998 --> 00:57:44,409
will be a plague other than that idly

1215
00:57:42,068 --> 00:57:45,639
through it but too bad there's been 40

1216
00:57:44,409 --> 00:57:47,889
years since we've landed on the moon

1217
00:57:45,639 --> 00:57:50,078
which is a kind of that's another hole

1218
00:57:47,889 --> 00:57:52,778
isn't it that's enough boy we could go

1219
00:57:50,079 --> 00:57:55,070
into that for another I know but I don't

1220
00:57:52,778 --> 00:57:56,780
buy laude any of

1221
00:57:55,070 --> 00:57:59,059
stuff around that although I do buy some

1222
00:57:56,780 --> 00:58:01,220
of it like I think it will take time

1223
00:57:59,059 --> 00:58:04,159
people didn't want to give it a better

1224
00:58:01,219 --> 00:58:05,209
horse and buggy when ya car came along

1225
00:58:04,159 --> 00:58:08,000
exactly

1226

00:58:05,210 --> 00:58:09,980
I can't get still being suppressed well

1227
00:58:08,000 --> 00:58:14,000
I signed a letter Tesla if it makes you

1228
00:58:09,980 --> 00:58:16,250
feel better well go Kate go they're so

1229
00:58:14,000 --> 00:58:19,280
expensive it's hardly worth it you know

1230
00:58:16,250 --> 00:58:25,190
like I asked well listen I'm supporting

1231
00:58:19,280 --> 00:58:28,610
exactly well free I think have free

1232
00:58:25,190 --> 00:58:30,500
energy the whole society will change the

1233
00:58:28,610 --> 00:58:32,420
whole comics of the Middle East Oprah

1234
00:58:30,500 --> 00:58:33,860
tank so that everything would think so

1235
00:58:32,420 --> 00:58:35,150
that's really what you're trying to

1236
00:58:33,860 --> 00:58:36,860
bring about a change for the better

1237
00:58:35,150 --> 00:58:40,670
through your understanding of

1238
00:58:36,860 --> 00:58:44,870
spirituality and ETS ETS are a major

1239
00:58:40,670 --> 00:58:46,940
major part of understanding the paradigm

1240
00:58:44,869 --> 00:58:50,389

of the future we're a part of something

1241

00:58:46,940 --> 00:58:52,789

bigger and we are not limited by fossil

1242

00:58:50,389 --> 00:58:55,639

fuels for one Deaton you do not have a

1243

00:58:52,789 --> 00:58:57,650

good message do you think we're part of

1244

00:58:55,639 --> 00:58:59,389

the ETS you think they happen to

1245

00:58:57,650 --> 00:59:00,829

discover us as another sentient

1246

00:58:59,389 --> 00:59:04,009

life-form or do you think we were

1247

00:59:00,829 --> 00:59:05,319

connected way back when well my personal

1248

00:59:04,010 --> 00:59:07,820

theory is I think we were already

1249

00:59:05,320 --> 00:59:11,120

genetically manipulated you can call it

1250

00:59:07,820 --> 00:59:17,120

Anunnaki you can call it whatever but we

1251

00:59:11,119 --> 00:59:20,059

did be it's worthy of losing you instant

1252

00:59:17,119 --> 00:59:21,739

upgrade hello I think we want to do a

1253

00:59:20,059 --> 00:59:23,539

little bit I think that you have to

1254

00:59:21,739 --> 00:59:25,759

repeat the last sentence because we you

1255
00:59:23,539 --> 00:59:28,909
went on and out the question was I think

1256
00:59:25,760 --> 00:59:31,460
the ETS have known about us they let us

1257
00:59:28,909 --> 00:59:35,119
go about and devise our own little thing

1258
00:59:31,460 --> 00:59:38,030
but I think the Anunnaki upgraded the

1259
00:59:35,119 --> 00:59:41,179
evolving primates to hundred thousand

1260
00:59:38,030 --> 00:59:44,480
years ago and civilization begun and we

1261
00:59:41,179 --> 00:59:46,639
got you know we started to be creative

1262
00:59:44,480 --> 00:59:48,920
inventive beings that separated us from

1263
00:59:46,639 --> 00:59:51,829
the rest of the animals were here we

1264
00:59:48,920 --> 00:59:56,119
still have 99 percent earth genes but is

1265
00:59:51,829 --> 00:59:58,190
that 1% of et chromosomes that have made

1266
00:59:56,119 --> 01:00:01,159
us different than all the other

1267
00:59:58,190 --> 01:00:06,440
life-forms here and we've been monitored

1268
01:00:01,159 --> 01:00:09,039
and place where at now we're you know

1269
01:00:06,440 --> 01:00:11,740
we'll the full capacity of our brain

1270
01:00:09,039 --> 01:00:14,230
be activated so we can start to

1271
01:00:11,739 --> 01:00:17,559
interface telepathically with the

1272
01:00:14,230 --> 01:00:18,730
evolving cosmos that's all around us

1273
01:00:17,559 --> 01:00:20,920
we're not separate from the universe

1274
01:00:18,730 --> 01:00:23,559
we're going to Uteley not you're right

1275
01:00:20,920 --> 01:00:26,320
we've not the lonely Bassets of a

1276
01:00:23,559 --> 01:00:28,210
lifeless universe I used to say but

1277
01:00:26,320 --> 01:00:31,269
we're not life is not an accident

1278
01:00:28,210 --> 01:00:32,829
there's life on every single planet that

1279
01:00:31,269 --> 01:00:34,269
I mean not every single but the ones

1280
01:00:32,829 --> 01:00:37,679
that can support life which are

1281
01:00:34,269 --> 01:00:39,820
trillions throughout this throughout the

1282
01:00:37,679 --> 01:00:42,099
galaxies with throughout the universe

1283

01:00:39,820 --> 01:00:44,440
throughout the multiverse there are life

1284
01:00:42,099 --> 01:00:47,889
ones everywhere lots of life more so we

1285
01:00:44,440 --> 01:00:51,039
we're part of something way way bigger

1286
01:00:47,889 --> 01:00:53,920
and we need to come together in harmony

1287
01:00:51,039 --> 01:00:56,559
and whether we're at this crossroads are

1288
01:00:53,920 --> 01:00:58,750
we going to reach the place where we can

1289
01:00:56,559 --> 01:01:01,869
make contact with these ETS or we're

1290
01:00:58,750 --> 01:01:06,489
going to self-destruct under own greed

1291
01:01:01,869 --> 01:01:09,069
and and violence and limited thinking

1292
01:01:06,489 --> 01:01:10,719
this is the crossroads we're at I think

1293
01:01:09,070 --> 01:01:14,559
we goodness I think we're going to make

1294
01:01:10,719 --> 01:01:17,589
it I mean it's why well I feel I thank

1295
01:01:14,559 --> 01:01:19,719
you so much I agree with your ideas on

1296
01:01:17,590 --> 01:01:22,329
that and I thank you so much for being

1297
01:01:19,719 --> 01:01:24,609

with us on a shattered reality Allen and

1298

01:01:22,329 --> 01:01:26,650

I'm sorry if we gave you a little bit of

1299

01:01:24,610 --> 01:01:29,200

a hard time in there but I think that

1300

01:01:26,650 --> 01:01:31,599

this discussion and sort of bouncing

1301

01:01:29,199 --> 01:01:34,349

things back and forth is very important

1302

01:01:31,599 --> 01:01:37,509

to a greater understanding we are a

1303

01:01:34,349 --> 01:01:40,029

conversational podcast so please I hope

1304

01:01:37,510 --> 01:01:42,610

that you understand that we were you

1305

01:01:40,030 --> 01:01:45,670

know I know it's always fun it's fun fun

1306

01:01:42,610 --> 01:01:48,039

fun to discuss to disagree to agree this

1307

01:01:45,670 --> 01:01:50,740

is how communication works and this is

1308

01:01:48,039 --> 01:01:53,079

why we're here to all of us all three of

1309

01:01:50,739 --> 01:01:55,929

us to evolve civilization because we can

1310

01:01:53,079 --> 01:01:58,779

agree and disagree and how it is is what

1311

01:01:55,929 --> 01:02:00,460

it's about absolutely couldn't agree

1312
01:01:58,780 --> 01:02:02,860
more but thank you so much for sharing

1313
01:02:00,460 --> 01:02:03,789
your ideas with us there really as good

1314
01:02:02,860 --> 01:02:06,579
food for thought

1315
01:02:03,789 --> 01:02:08,440
yes and and I'd have to say that I

1316
01:02:06,579 --> 01:02:10,690
really enjoyed speaking with you and

1317
01:02:08,440 --> 01:02:13,780
agree largely with what you're saying

1318
01:02:10,690 --> 01:02:16,510
and goodbye from shadow reality we hope

1319
01:02:13,780 --> 01:02:18,340
to have you one again out okay thank you

1320
01:02:16,510 --> 01:02:19,960
so much it's really been a lot of fun so

1321
01:02:18,340 --> 01:02:22,350
people can look at my website new

1322
01:02:19,960 --> 01:02:25,139
realities calm yes YouTube

1323
01:02:22,349 --> 01:02:27,150
reality youtube.com / new reality and my

1324
01:02:25,139 --> 01:02:31,049
upcoming book called

1325
01:02:27,150 --> 01:02:34,110
creating the reality thank you and thank

1326
01:02:31,050 --> 01:02:36,180
you for giving us that website so our

1327
01:02:34,110 --> 01:02:39,450
listeners can go to your website we hope

1328
01:02:36,179 --> 01:02:41,039
that they do new realities calm and from

1329
01:02:39,449 --> 01:02:43,049
there they can reach all the other

1330
01:02:41,039 --> 01:02:47,279
places that you're involved including

1331
01:02:43,050 --> 01:02:48,840
your YouTube channel correct yes yes

1332
01:02:47,280 --> 01:02:52,110
yeah absolutely

1333
01:02:48,840 --> 01:02:53,940
okay thank you so much thank you very

1334
01:02:52,110 --> 01:02:54,840
lively discussion thank you thank you

1335
01:02:53,940 --> 01:02:57,389
thank you Kay

1336
01:02:54,840 --> 01:02:58,740
nice to meet you take the same here okay

1337
01:02:57,389 --> 01:03:03,659
see you soon Ellen

1338
01:02:58,739 --> 01:03:06,509
bye bye so that was nice that would

1339
01:03:03,659 --> 01:03:08,519
water think it was on it's surprising

1340

01:03:06,510 --> 01:03:11,550
how all these people eventually come to

1341
01:03:08,519 --> 01:03:13,710
the same point from different different

1342
01:03:11,550 --> 01:03:16,110
perspectives that's why I that is

1343
01:03:13,710 --> 01:03:18,510
specifically why I took issue with the

1344
01:03:16,110 --> 01:03:20,400
word because I wanted to get rid of a

1345
01:03:18,510 --> 01:03:22,770
word that I would see and and like

1346
01:03:20,400 --> 01:03:24,800
trying to put it on on something we

1347
01:03:22,769 --> 01:03:27,659
could all agree with which was a

1348
01:03:24,800 --> 01:03:30,180
transcendent experience from wherever it

1349
01:03:27,659 --> 01:03:34,739
originates and we sure as heck don't

1350
01:03:30,179 --> 01:03:37,289
have the facts on that no no we nice but

1351
01:03:34,739 --> 01:03:39,599
no we don't I want to announce a couple

1352
01:03:37,289 --> 01:03:42,420
of things and the first thing I wanted

1353
01:03:39,599 --> 01:03:45,750
to announce is that our friends at the

1354
01:03:42,420 --> 01:03:48,269

Pine Bush UFO festival in Pine Bush New

1355

01:03:45,750 --> 01:03:51,269

York this is a biggie so listen up yes

1356

01:03:48,269 --> 01:03:55,530

this they have announced the date which

1357

01:03:51,269 --> 01:03:58,739

is May 20th and May 21st and here's a

1358

01:03:55,530 --> 01:04:00,930

little secret part we might very well be

1359

01:03:58,739 --> 01:04:03,329

involved on those days we've kind of

1360

01:04:00,929 --> 01:04:05,879

gotten an invitation there we have to

1361

01:04:03,329 --> 01:04:10,170

iron out the details but it looks like a

1362

01:04:05,880 --> 01:04:14,329

big go on that thanks to miss domani

1363

01:04:10,170 --> 01:04:18,930

Rodney and our friend Big Al Santa Rita

1364

01:04:14,329 --> 01:04:21,630

of the Bronxville Paranormal Society so

1365

01:04:18,929 --> 01:04:23,609

we want to thank them and tell you to

1366

01:04:21,630 --> 01:04:25,890

hold the date if you're in the Northeast

1367

01:04:23,610 --> 01:04:29,250

all of the day it's a lot of fun it's a

1368

01:04:25,889 --> 01:04:32,789

lot of it is a great it's a great event

1369
01:04:29,250 --> 01:04:35,889
there's food there's all kinds of fun

1370
01:04:32,789 --> 01:04:38,288
stuff for families and then there are

1371
01:04:35,889 --> 01:04:41,679
but the more serious individuals there

1372
01:04:38,289 --> 01:04:43,990
are the very very serious discussions in

1373
01:04:41,679 --> 01:04:45,608
the afternoon and lectures at night and

1374
01:04:43,989 --> 01:04:48,219
we're going to be a part of all that I

1375
01:04:45,608 --> 01:04:51,130
think so we'll have to let you know more

1376
01:04:48,219 --> 01:04:54,639
about that any other thing on a personal

1377
01:04:51,130 --> 01:04:57,190
not exactly personal note but somewhat

1378
01:04:54,639 --> 01:04:59,980
personal note I wrote a a blogspot

1379
01:04:57,190 --> 01:05:04,329
that's getting a lot of coverage which

1380
01:04:59,980 --> 01:05:06,369
is extraterrestrial evolution and a lot

1381
01:05:04,329 --> 01:05:09,220
of other people have picked up on it and

1382
01:05:06,369 --> 01:05:12,298
they're reprinting it and they're so if

1383
01:05:09,219 --> 01:05:16,419
you have a chance go to faroush a-- dot

1384
01:05:12,298 --> 01:05:20,920
wordpress.com and the latest a blogspot

1385
01:05:16,420 --> 01:05:24,099
is extraterrestrial evolution so I think

1386
01:05:20,920 --> 01:05:26,680
it do you have Avenue notices Kate no I

1387
01:05:24,099 --> 01:05:30,369
don't just that the holiday season is

1388
01:05:26,679 --> 01:05:33,548
upon us and so a Happy Holidays Merry

1389
01:05:30,369 --> 01:05:36,880
Christmas Happy New Year Hanukkah happy

1390
01:05:33,548 --> 01:05:38,920
whatever hat yes I don't know whatever

1391
01:05:36,880 --> 01:05:40,809
your particular preference is along

1392
01:05:38,920 --> 01:05:43,329
those lines we hope you have a good one

1393
01:05:40,809 --> 01:05:47,289
yes merry merry happy happy

1394
01:05:43,329 --> 01:05:52,680
jingle jingle whatever and and goodbye

1395
01:05:47,289 --> 01:05:52,680
from shattered reality

1396
01:05:59,519 --> 01:06:03,179
[Music]

1397

01:06:14,360 --> 01:06:16,420
you
