[Music]

2
00:00:17,149 --> 00:00:25,259
welcome to share with reality with your

3
00:00:20,640 --> 00:00:28,169
hosts Kate Valentine and Foofa prepared

4
00:00:25,259 --> 00:00:32,250
two headed paradigms she stood in the

5
00:00:28,169 --> 00:00:37,320
truths questioned and now shattered

6
00:00:32,250 --> 00:00:39,600
reality hey Kate how are you today I'm

7
00:00:37,320 --> 00:00:41,880
really really good how are you

8
00:00:39,600 --> 00:00:44,310
from lucious I tell you today's been a

9
00:00:41,880 --> 00:00:47,810
day yes it has been quite quite an

10
00:00:44,310 --> 00:00:53,130
interesting today today today is in fact

11
00:00:47,810 --> 00:00:56,160
January 3rd 2017 and we have a really

12
00:00:53,130 --> 00:00:59,359
unusual and interesting show today

13
00:00:56,159 --> 00:01:02,669
because we took a slight departure

14
00:00:59,359 --> 00:01:05,399
because of this is our holiday show even

15
00:01:02,670 --> 00:01:06,990
though it's after the holiday but we

16
00:01:05,399 --> 00:01:10,710
wanted to do something a little bit

17
00:01:06,989 --> 00:01:13,799
different and I decided like you know a

18
00:01:10,709 --> 00:01:16,469
number of our guests this is a 40 second

19
00:01:13,799 --> 00:01:19,978
show by the way and a number of our

20
00:01:16,469 --> 00:01:22,760
guests um have been people who have

21
00:01:19,978 --> 00:01:27,060
talked about their personal experiences

22
00:01:22,760 --> 00:01:30,000
and then we've had people on who study

23
00:01:27,060 --> 00:01:33,780
these experiences the parapsychologists

24
00:01:30,000 --> 00:01:36,329
etc etc okay and I thought it would

25
00:01:33,780 --> 00:01:39,030
really be interesting to have a couple

26
00:01:36,329 --> 00:01:40,829
of our favorite guests of a very

27
00:01:39,030 --> 00:01:44,060
favorite guests well our guests have

28
00:01:40,829 --> 00:01:48,478
been quite good but and and talked about

29

00:01:44,060 --> 00:01:49,859
their particular unusual experiences not

30
00:01:48,478 --> 00:01:53,219
that they study but they've had

31
00:01:49,859 --> 00:01:54,599
themselves right okay so I also wanted

32
00:01:53,219 --> 00:01:56,670
to mention that there are people out

33
00:01:54,599 --> 00:01:58,829
there and I don't quite get this who

34
00:01:56,670 --> 00:02:01,049
studied this this phenomena these

35
00:01:58,829 --> 00:02:03,090
various phenomena that are out there

36
00:02:01,049 --> 00:02:06,570
they study these things and they have

37
00:02:03,090 --> 00:02:08,219
had no experiences themselves and I have

38
00:02:06,569 --> 00:02:11,128
to wonder how they do it you know how

39
00:02:08,219 --> 00:02:13,680
they keep that focus having never had an

40
00:02:11,128 --> 00:02:16,168
experience if I never had had an

41
00:02:13,680 --> 00:02:19,109
experience I think that it's possible I

42
00:02:16,169 --> 00:02:20,370
might be a skeptic you know certainly

43
00:02:19,109 --> 00:02:24,209

yeah

44

00:02:20,370 --> 00:02:29,519
but let's introduce our very first guest

45

00:02:24,209 --> 00:02:33,180
of 2017 a wonderful terrific man who has

46

00:02:29,519 --> 00:02:37,200
written a number of books on and who has

47

00:02:33,180 --> 00:02:40,560
recently made his own movie called

48

00:02:37,199 --> 00:02:44,878
third-eye spies which is the history of

49

00:02:40,560 --> 00:02:48,180
remote viewing so I want to say put your

50

00:02:44,878 --> 00:02:50,870
hands together for a row a clap but

51

00:02:48,180 --> 00:02:54,719
we're not in a public arena so okay

52

00:02:50,870 --> 00:02:56,700
Russell Targ the wonderful physicist who

53

00:02:54,719 --> 00:03:00,930
worked on the remote viewing programs

54

00:02:56,699 --> 00:03:06,060
for the CIA and the DIA I'm very happy

55

00:03:00,930 --> 00:03:09,239
to be with you for sure yeah Thank You

56

00:03:06,060 --> 00:03:11,158
aunt Cate Valentine and I say hi because

57

00:03:09,239 --> 00:03:14,030
I know you've been on with us before and

58
00:03:11,158 --> 00:03:18,769
that's great to speak to you again

59
00:03:14,030 --> 00:03:22,079
so Russell tell us you had when I

60
00:03:18,769 --> 00:03:25,340
asked you about this program you told me

61
00:03:22,079 --> 00:03:29,040
about a very very amazing

62
00:03:25,340 --> 00:03:32,129
precognitive and anxiety-filled dream

63
00:03:29,039 --> 00:03:34,590
that you had and perhaps you would like

64
00:03:32,129 --> 00:03:37,560
to talk to us about that today because

65
00:03:34,590 --> 00:03:39,870
you you as I have mentioned you're like

66
00:03:37,560 --> 00:03:41,878
this really famous name and remote

67
00:03:39,870 --> 00:03:43,560
viewing but it's mostly been about

68
00:03:41,878 --> 00:03:48,239
others you know you've talked to us

69
00:03:43,560 --> 00:03:50,729
about Pat price and Ingo Swann and all

70
00:03:48,239 --> 00:03:53,489
the people who worked with you at the

71
00:03:50,729 --> 00:03:56,608
Stanford Research Institute but now

72
00:03:53,489 --> 00:03:58,889
we're going to hear a psychic experience

73
00:03:56,609 --> 00:04:02,579
I would have gotten into psychic

74
00:03:58,889 --> 00:04:05,159
research I would have bet my career if I

75
00:04:02,579 --> 00:04:07,790
hadn't had experiences that is I got

76
00:04:05,159 --> 00:04:11,848
into psychic abilities research

77
00:04:07,789 --> 00:04:16,310
professionally in 1972 and at that point

78
00:04:11,848 --> 00:04:21,719
I had been a laser pioneer researcher

79
00:04:16,310 --> 00:04:24,750
for 15 years but as a child I had had

80
00:04:21,720 --> 00:04:29,219
all sorts of psychic experiences and I

81
00:04:24,750 --> 00:04:32,990
was a child magician doing pretend magic

82
00:04:29,218 --> 00:04:36,050
and then when I got the SR I

83
00:04:32,990 --> 00:04:39,500
working for the CIA it is of the child

84
00:04:36,050 --> 00:04:42,410
magician got to do real magic every day

85
00:04:39,500 --> 00:04:46,519
for a living so the most was my reward

86

00:04:42,410 --> 00:04:50,770
for a early interested magic that when I

87
00:04:46,519 --> 00:04:53,959
got to Fri I was able to propose

88
00:04:50,769 --> 00:04:58,008
investigations of psychic research with

89
00:04:53,959 --> 00:05:02,899
a great deal of confidence as I told had

90
00:04:58,009 --> 00:05:05,120
a director of the CIA had a director

91
00:05:02,899 --> 00:05:07,189
that I am confident this is going to

92
00:05:05,120 --> 00:05:09,500
work because I've seen it work I'm not

93
00:05:07,189 --> 00:05:12,219
kidding you this is going to be

94
00:05:09,500 --> 00:05:14,750
successful and I could do that

95
00:05:12,220 --> 00:05:17,900
partly because we'd work with a great

96
00:05:14,750 --> 00:05:22,970
Pat price and also because I have seen

97
00:05:17,899 --> 00:05:24,859
these things in my life and in the book

98
00:05:22,970 --> 00:05:27,919
I wrote a book talking about all the

99
00:05:24,860 --> 00:05:30,288
stuff we had done for the CIA for 20

100
00:05:27,918 --> 00:05:33,918

years ago I wrote a book called the

101

00:05:30,288 --> 00:05:36,699

reality of ESP and the most important

102

00:05:33,918 --> 00:05:39,740

thing I can tell your listeners is that

103

00:05:36,699 --> 00:05:43,038

psychic abilities are independent of

104

00:05:39,740 --> 00:05:45,139

time and independent of space the most

105

00:05:43,038 --> 00:05:47,689

interesting thing I know about remote

106

00:05:45,139 --> 00:05:49,759

viewing it is it the most important

107

00:05:47,689 --> 00:05:53,060

thing I know is that we all have this

108

00:05:49,759 --> 00:05:55,250

ability is not a special ability we all

109

00:05:53,060 --> 00:05:58,939

can make use of psychic abilities to

110

00:05:55,250 --> 00:06:01,579

enrich your life but as a physicist the

111

00:05:58,939 --> 00:06:05,000

most interesting thing I know is that

112

00:06:01,579 --> 00:06:08,120

the accuracy and the reliability are not

113

00:06:05,000 --> 00:06:11,658

all degraded by increasing the distance

114

00:06:08,120 --> 00:06:13,908

between you and me it's no harder for me

115
00:06:11,658 --> 00:06:16,370
to describe what's on your table in New

116
00:06:13,908 --> 00:06:18,408
York than it is for me to describe

117
00:06:16,370 --> 00:06:22,819
what's going on across the street Palo

118
00:06:18,408 --> 00:06:26,329
Alto and similarly it's no harder to

119
00:06:22,819 --> 00:06:29,029
describe what's going to happen hours or

120
00:06:26,329 --> 00:06:31,609
days in the future that is to see

121
00:06:29,029 --> 00:06:34,728
something contemporaneously and for a

122
00:06:31,610 --> 00:06:36,740
physicist this precognitive aspect is

123
00:06:34,728 --> 00:06:40,189
the most interesting part of psychic

124
00:06:36,740 --> 00:06:44,120
ability so I'm pretty much retired now

125
00:06:40,189 --> 00:06:46,430
and people always want me to do lectures

126
00:06:44,120 --> 00:06:48,620
or do demonstration to do

127
00:06:46,430 --> 00:06:51,709
projects but the thing that I'm most

128
00:06:48,620 --> 00:06:54,350
interested in as a physicist is how it

129
00:06:51,709 --> 00:06:57,079
is that we can know what happens in the

130
00:06:54,350 --> 00:06:59,180
future before it happens so that's why I

131
00:06:57,079 --> 00:07:05,349
told you about this sort of interesting

132
00:06:59,180 --> 00:07:09,470
Christmas dream that I had as I quote

133
00:07:05,350 --> 00:07:11,360
how old are you you had to say no no the

134
00:07:09,470 --> 00:07:14,690
dream about stayed the dream that we're

135
00:07:11,360 --> 00:07:19,370
talking about I had two weeks ago hmm

136
00:07:14,689 --> 00:07:22,610
oh yeah I've had numerous precognitive

137
00:07:19,370 --> 00:07:25,459
dreams and the deal with precognitive

138
00:07:22,610 --> 00:07:27,500
dreams is you don't get credit for them

139
00:07:25,459 --> 00:07:30,430
in the big book and as you tell

140
00:07:27,500 --> 00:07:33,439
something about it before it occurs

141
00:07:30,430 --> 00:07:37,550
because people always have weird dreams

142
00:07:33,439 --> 00:07:40,370
and then it comes true and then you show

143

00:07:37,550 --> 00:07:44,030
somebody and I put in a skeptic will say

144
00:07:40,370 --> 00:07:47,449
well how many dreams you have to then

145
00:07:44,029 --> 00:07:49,759
come to don't come true and the

146
00:07:47,449 --> 00:07:55,250
discernment is the very important part

147
00:07:49,759 --> 00:07:58,849
of this that is a skillful dreamer or a

148
00:07:55,250 --> 00:08:01,000
skillful meditator will be able to tell

149
00:07:58,850 --> 00:08:04,340
the difference between an ordinary

150
00:08:01,000 --> 00:08:08,029
anxiety dream or a wish fulfillment

151
00:08:04,339 --> 00:08:11,389
dream as compared with one that doesn't

152
00:08:08,029 --> 00:08:13,429
contain things here worried about that

153
00:08:11,389 --> 00:08:16,180
you've got to separate out the anxiety

154
00:08:13,430 --> 00:08:20,480
dream from the precognitive dream

155
00:08:16,180 --> 00:08:23,840
precognitive dream is usually of unusual

156
00:08:20,480 --> 00:08:26,240
clarity and brilliance and it must

157
00:08:23,839 --> 00:08:30,199

contain things that are not part of your

158

00:08:26,240 --> 00:08:34,070

ordinary life for example if I would

159

00:08:30,199 --> 00:08:35,870

dream about a fire engine parked in

160

00:08:34,070 --> 00:08:38,060

front of my house and then I went out I

161

00:08:35,870 --> 00:08:41,779

saw fire engine well that would be

162

00:08:38,059 --> 00:08:43,759

moderately surprising all but you

163

00:08:41,779 --> 00:08:46,579

because they will how many times has

164

00:08:43,759 --> 00:08:49,939

there been a parrot a fire engine parked

165

00:08:46,580 --> 00:08:53,600

on your street and I would say Oh once

166

00:08:49,940 --> 00:08:56,000

or twice and that's too many or

167

00:08:53,600 --> 00:08:58,190

precognitive dream the answer to how

168

00:08:56,000 --> 00:08:59,580

many times have you seen this thing has

169

00:08:58,190 --> 00:09:02,910

got to be never

170

00:08:59,580 --> 00:09:07,620

or let are less than ever right there

171

00:09:02,909 --> 00:09:12,559

unbelievable and I've had a few of those

172
00:09:07,620 --> 00:09:16,769
and the usually of a usual clarity and

173
00:09:12,559 --> 00:09:20,489
high strangeness and the one that I just

174
00:09:16,769 --> 00:09:23,639
had was of a New York clarity at high

175
00:09:20,490 --> 00:09:26,220
strangeness it fit perfectly it fits

176
00:09:23,639 --> 00:09:27,629
perfectly all my guidelines so that's

177
00:09:26,220 --> 00:09:32,040
what I'd like to tell you about the

178
00:09:27,629 --> 00:09:33,958
start the year well that's great that

179
00:09:32,039 --> 00:09:36,629
sounds like a very very good way to

180
00:09:33,958 --> 00:09:41,399
start our year here at shattered Rialto

181
00:09:36,629 --> 00:09:45,419
I had this dream and in the dream I went

182
00:09:41,399 --> 00:09:50,669
to my Wells Fargo safe-deposit box which

183
00:09:45,419 --> 00:09:53,610
I go to like every second year and in

184
00:09:50,669 --> 00:09:56,338
the dream I took out my Swiss Army knife

185
00:09:53,610 --> 00:10:00,990
which I always have and I used it to

186
00:09:56,339 --> 00:10:03,959
take a rectangular silver plate off the

187
00:10:00,990 --> 00:10:06,629
wall so in the dream I took out my Swiss

188
00:10:03,958 --> 00:10:09,328
Army knife and unscrewed the silver

189
00:10:06,629 --> 00:10:13,799
plate from the wall of the bank building

190
00:10:09,328 --> 00:10:17,359
in my little secure area where the

191
00:10:13,799 --> 00:10:20,069
safety deposit boxes are now that's all

192
00:10:17,360 --> 00:10:23,209
there's a special room I can't stop your

193
00:10:20,070 --> 00:10:26,579
room there is already pretty peculiar

194
00:10:23,208 --> 00:10:29,189
but as I left the bank in my dream I

195
00:10:26,578 --> 00:10:30,899
realize I had just stolen something from

196
00:10:29,190 --> 00:10:33,930
the bank and I've got to get rid of it

197
00:10:30,899 --> 00:10:35,870
so I thought in the dream maybe I could

198
00:10:33,929 --> 00:10:39,689
throw this off the Golden Gate Bridge

199
00:10:35,870 --> 00:10:42,089
I'm sure it would think and I said no

200

00:10:39,690 --> 00:10:44,010
somebody might see me or they have

201
00:10:42,089 --> 00:10:46,470
cameras there I can't throw it off the

202
00:10:44,009 --> 00:10:49,528
Golden Gate Bridge so I said well I

203
00:10:46,470 --> 00:10:53,430
could wrap it a napkin and throw it in

204
00:10:49,528 --> 00:10:56,759
the trash barrel at McDonald's hamburger

205
00:10:53,429 --> 00:10:58,828
store and I said no if I did that my

206
00:10:56,759 --> 00:11:01,500
fingerprints would still be on it and

207
00:10:58,828 --> 00:11:03,689
when they found the silver thing they

208
00:11:01,500 --> 00:11:07,198
would trace it back to me I've got to

209
00:11:03,690 --> 00:11:09,600
get the fingerprints office so I cried

210
00:11:07,198 --> 00:11:12,899
soap and water in the dream and that

211
00:11:09,600 --> 00:11:15,689
didn't work and I got the assets

212
00:11:12,899 --> 00:11:18,600
on nail-polish remover which is very

213
00:11:15,688 --> 00:11:20,368
good solid that doesn't work and I went

214
00:11:18,600 --> 00:11:23,249

under the kitchen sink and got kitchen

215

00:11:20,369 --> 00:11:26,249

cleanser and that didn't work and while

216

00:11:23,249 --> 00:11:29,220

I was under the think I saw steel wool

217

00:11:26,249 --> 00:11:32,278

and scoured the silver but there are

218

00:11:29,220 --> 00:11:34,199

always traces of fingerprints and as I

219

00:11:32,278 --> 00:11:37,740

say this to you now this reminds me of

220

00:11:34,198 --> 00:11:40,019

the scene from Hamlet where Hamlet is

221

00:11:37,740 --> 00:11:42,419

trying to scrub the blood off of

222

00:11:40,019 --> 00:11:47,999

something I don't know if here even have

223

00:11:42,419 --> 00:11:50,068

that right yes out there evil as much I

224

00:11:47,999 --> 00:11:52,558

was not at all in the dream I did all

225

00:11:50,068 --> 00:11:56,428

this stuff I was not able to scrub the

226

00:11:52,558 --> 00:11:59,759

fingerprints off the off the plate and

227

00:11:56,428 --> 00:12:02,220

then I woke up in an anxiety dream and

228

00:11:59,759 --> 00:12:05,459

told my wife about I so they had a very

229
00:12:02,220 --> 00:12:08,459
unusual dream has many many unusual

230
00:12:05,458 --> 00:12:10,828
parts and I went through all these

231
00:12:08,458 --> 00:12:13,799
different exercises and she thought that

232
00:12:10,828 --> 00:12:16,888
certainly sounded unusual that was that

233
00:12:13,799 --> 00:12:19,068
that was had a coffee at 8 o'clock in

234
00:12:16,889 --> 00:12:21,749
the morning I told my wife no story

235
00:12:19,068 --> 00:12:26,128
around one o'clock the afternoon I got a

236
00:12:21,749 --> 00:12:28,139
FedEx package skinny and broken FedEx

237
00:12:26,129 --> 00:12:33,230
couldn't imagine where it was I pulled

238
00:12:28,139 --> 00:12:38,938
it open and inside the package was a

239
00:12:33,230 --> 00:12:45,269
very thin glass screen protector for my

240
00:12:38,938 --> 00:12:51,539
big cell phone I have a Apple 6x to the

241
00:12:45,269 --> 00:12:53,639
largest cell phone from last year and I

242
00:12:51,539 --> 00:12:57,419
began tyno somebody who dropped it and

243
00:12:53,639 --> 00:13:00,209
broke it a couple of weeks ago so on see

244
00:12:57,419 --> 00:13:02,849
I've never I'm very careful persons I

245
00:13:00,208 --> 00:13:04,798
have never dropped a phone but but it's

246
00:13:02,850 --> 00:13:08,240
out there I could see what happens if

247
00:13:04,798 --> 00:13:11,188
you drop a big phone breaks so I or

248
00:13:08,240 --> 00:13:16,678
certainly they yes screen protector

249
00:13:11,188 --> 00:13:20,838
which is actually a very very thin piece

250
00:13:16,678 --> 00:13:24,120
of what they call ballistic laughs and

251
00:13:20,839 --> 00:13:25,620
as I pulled that out a package there are

252
00:13:24,120 --> 00:13:28,980
a bunch of other little package

253
00:13:25,620 --> 00:13:31,700
choose little packets with it I read all

254
00:13:28,980 --> 00:13:35,039
this stuff because I could see that

255
00:13:31,700 --> 00:13:39,150
getting the skinny piece of glass on my

256
00:13:35,039 --> 00:13:41,490
screen is is not so simple because it

257

00:13:39,149 --> 00:13:43,439
you only get what because it's sticky on

258
00:13:41,490 --> 00:13:46,019
one side and it's got to be perfectly

259
00:13:43,440 --> 00:13:47,850
placed so I read all the material and

260
00:13:46,019 --> 00:13:50,460
this is the most important thing is to

261
00:13:47,850 --> 00:13:52,710
not have fingerprints on it and you've

262
00:13:50,460 --> 00:13:57,690
got a carefully scour the fingerprint

263
00:13:52,710 --> 00:14:00,540
and we give you a powder to put on this

264
00:13:57,690 --> 00:14:03,029
so that you can cut the grease and get

265
00:14:00,539 --> 00:14:06,480
the get them off and then use the

266
00:14:03,028 --> 00:14:10,460
solvent to get that off and then we give

267
00:14:06,480 --> 00:14:13,259
you a special cloth to polish both your

268
00:14:10,460 --> 00:14:15,389
glass that you just bought and the

269
00:14:13,259 --> 00:14:18,389
screen could essentially get the

270
00:14:15,389 --> 00:14:20,850
fingerprints off but before you do that

271
00:14:18,389 --> 00:14:24,330

you've got to watch our six minute video

272

00:14:20,850 --> 00:14:27,060
on exactly how to use these three

273

00:14:24,330 --> 00:14:31,290
packets to get the fingerprints off the

274

00:14:27,059 --> 00:14:34,528
screen or off the cloth so I had this

275

00:14:31,289 --> 00:14:36,899
like 15 minutes seance about finger

276

00:14:34,528 --> 00:14:40,528
prints in the middle of the afternoon

277

00:14:36,899 --> 00:14:46,588
and of course this piece of glass is

278

00:14:40,528 --> 00:14:48,899
exactly the size of the silver wall play

279

00:14:46,589 --> 00:14:52,080
roll the wall plate that I saw in my

280

00:14:48,899 --> 00:14:54,028
dream was like the middle cover you'd

281

00:14:52,080 --> 00:14:56,759
put over a light switch that you'd no

282

00:14:54,028 --> 00:14:59,549
longer using like a wall like a wall

283

00:14:56,759 --> 00:15:05,970
swinging blank so it's exactly the size

284

00:14:59,549 --> 00:15:08,609
of the thing so and I'm I'm looking

285

00:15:05,970 --> 00:15:11,420
right here at my own iPhone 6x and I

286
00:15:08,610 --> 00:15:14,730
know exactly what you're talking about

287
00:15:11,419 --> 00:15:16,679
I'm very queued up for this kind of

288
00:15:14,730 --> 00:15:18,899
precognitive thing especially one that

289
00:15:16,679 --> 00:15:23,069
is so accurate and has so many moving

290
00:15:18,899 --> 00:15:26,250
parts did not cross my mind that is

291
00:15:23,070 --> 00:15:29,730
related to my dream totally wrapped up

292
00:15:26,250 --> 00:15:33,839
in the event and then I got my wife who

293
00:15:29,730 --> 00:15:36,990
is better a real acuity to actually help

294
00:15:33,839 --> 00:15:38,370
me place his delicate little thing on my

295
00:15:36,990 --> 00:15:41,669
phone and that

296
00:15:38,370 --> 00:15:46,610
work perfectly and in the evening I was

297
00:15:41,669 --> 00:15:52,799
reading biography of the famous Russian

298
00:15:46,610 --> 00:15:55,820
psychic wolf messing and in his

299
00:15:52,799 --> 00:15:58,559
biography it told about his amazing

300
00:15:55,820 --> 00:16:01,410
precognitive dreams in addition to his

301
00:15:58,559 --> 00:16:04,409
like Philip applicability so it wasn't

302
00:16:01,409 --> 00:16:07,799
until like eight hours later that

303
00:16:04,409 --> 00:16:09,778
occurred to me that the whole thing was

304
00:16:07,799 --> 00:16:12,809
really the carrying out of a psychic

305
00:16:09,778 --> 00:16:15,360
dreams like as though it's as though I

306
00:16:12,809 --> 00:16:19,409
was in the psychic bug bubble for a half

307
00:16:15,360 --> 00:16:21,570
a day as I had I had to dream yeah then

308
00:16:19,409 --> 00:16:24,389
I had the fulfillment of the dream with

309
00:16:21,570 --> 00:16:26,670
all the fingerprint nonsense and then

310
00:16:24,389 --> 00:16:30,870
eight hours later I read about both

311
00:16:26,669 --> 00:16:35,459
Messing and his astonishing psychic

312
00:16:30,870 --> 00:16:39,509
performances so that was my day before

313
00:16:35,460 --> 00:16:44,240
Christmas precognitive adventures and it

314

00:16:39,509 --> 00:16:44,240
meets my requirements because I had no

315
00:16:44,778 --> 00:16:50,820
know knowing that just did not

316
00:16:47,389 --> 00:16:53,850
correspondent anxiety dream a skeptic

317
00:16:50,820 --> 00:16:58,410
might say well you did order the screen

318
00:16:53,850 --> 00:17:01,620
protector so if all I had is the whole

319
00:16:58,409 --> 00:17:05,129
dream had been that I got a screen

320
00:17:01,620 --> 00:17:08,578
protector in the mail and that

321
00:17:05,130 --> 00:17:10,050
correspond it to the wall plate where

322
00:17:08,578 --> 00:17:13,259
you can say well you were waiting for

323
00:17:10,049 --> 00:17:15,750
your screen protector well that happened

324
00:17:13,259 --> 00:17:18,349
not to be true but that would be a

325
00:17:15,750 --> 00:17:21,750
reasonable thing to say but the whole

326
00:17:18,349 --> 00:17:22,799
fingerprint seance was not part of what

327
00:17:21,750 --> 00:17:26,789
I was expecting

328
00:17:22,799 --> 00:17:29,339

yeah so it's really the fingerprint

329

00:17:26,789 --> 00:17:33,720

roasting that makes this an amazing

330

00:17:29,339 --> 00:17:36,000

story yes it really is it's quite

331

00:17:33,720 --> 00:17:39,029

entertaining and and and very

332

00:17:36,000 --> 00:17:42,359

interesting and just shows you how some

333

00:17:39,029 --> 00:17:44,970

reasonably mundane things can show up

334

00:17:42,359 --> 00:17:49,559

pre cognitively in our dreams as well as

335

00:17:44,970 --> 00:17:51,210

things of greater immense importance

336

00:17:49,559 --> 00:17:54,210

next door right

337

00:17:51,210 --> 00:17:57,000

and my books are summarizing all of our

338

00:17:54,210 --> 00:18:01,350

research in reality of ESP I give a

339

00:17:57,000 --> 00:18:05,190

number of instances where I have dreams

340

00:18:01,349 --> 00:18:07,319

that are high strangeness dreams through

341

00:18:05,190 --> 00:18:07,649

a one-minute description of a dream like

342

00:18:07,319 --> 00:18:11,490

that

343
00:18:07,648 --> 00:18:13,788
is I direct I live in a wooden house

344
00:18:11,490 --> 00:18:17,308
with high ceilings and I had a dream

345
00:18:13,788 --> 00:18:21,119
where I had a electric train running

346
00:18:17,308 --> 00:18:24,450
around the wainscoting above the wall

347
00:18:21,119 --> 00:18:26,668
and below the ceiling those electric

348
00:18:24,450 --> 00:18:30,298
train was running in a circle around my

349
00:18:26,669 --> 00:18:31,980
living room so I thought that was pretty

350
00:18:30,298 --> 00:18:33,629
amazing I don't have an electric train

351
00:18:31,980 --> 00:18:37,200
there have been trained in this house

352
00:18:33,630 --> 00:18:39,840
for 40 years so I told my wife about us

353
00:18:37,200 --> 00:18:41,970
we've got no trains a trailer you know

354
00:18:39,839 --> 00:18:44,339
she said what what could that be so I

355
00:18:41,970 --> 00:18:46,980
got my coffee as I always do went into

356
00:18:44,339 --> 00:18:49,319
my study with a computer to see what's

357
00:18:46,980 --> 00:18:52,349
on the first pages of New York Times and

358
00:18:49,319 --> 00:18:56,129
the first page New York Times has a

359
00:18:52,349 --> 00:18:58,829
story about the reconstruction of the

360
00:18:56,130 --> 00:19:03,149
elevated trains in Chicago where I grew

361
00:18:58,829 --> 00:19:07,109
up and on the front pages of paper they

362
00:19:03,148 --> 00:19:10,168
had animated photographs of the elevated

363
00:19:07,109 --> 00:19:15,119
train running in a circle around what's

364
00:19:10,169 --> 00:19:18,960
called the loop so I would have to say

365
00:19:15,119 --> 00:19:22,288
that my experience of seeing the trains

366
00:19:18,960 --> 00:19:27,870
running around the loop at 8 o'clock was

367
00:19:22,288 --> 00:19:31,408
the cause of my dream at 6 o'clock yeah

368
00:19:27,869 --> 00:19:33,148
I would say so that's that's quite quite

369
00:19:31,409 --> 00:19:37,289
interesting to you do you by the way

370
00:19:33,148 --> 00:19:40,349
just for the thought do you keep a dream

371

00:19:37,288 --> 00:19:44,190
journal I mean I try that do you I don't

372
00:19:40,349 --> 00:19:48,959
keep it III think I once did but I've

373
00:19:44,190 --> 00:19:53,149
not III I don't I don't do that

374
00:19:48,960 --> 00:19:56,399
these are usually our dreams on awaking

375
00:19:53,148 --> 00:19:58,648
rather than they tell you our hypnagogic

376
00:19:56,398 --> 00:20:01,428
dreams or images you see when you go to

377
00:19:58,648 --> 00:20:03,889
sleep the dreams I have are circled

378
00:20:01,429 --> 00:20:08,390
hypnopompic dreams

379
00:20:03,890 --> 00:20:14,290
just like the last dream I have I have I

380
00:20:08,390 --> 00:20:17,000
have this dream and then I wake up and I

381
00:20:14,289 --> 00:20:19,099
usually have some coffee and buy that's

382
00:20:17,000 --> 00:20:23,809
on my wife four beers I share my dream

383
00:20:19,099 --> 00:20:25,939
with her well that's nice that's a nice

384
00:20:23,809 --> 00:20:27,409
tradition but I don't be bright only

385
00:20:25,940 --> 00:20:30,650

bright don't count records

386

00:20:27,410 --> 00:20:32,600

I consider it important to discern the

387

00:20:30,650 --> 00:20:34,190

difference between our an ordinary

388

00:20:32,599 --> 00:20:37,639

anxiety dream

389

00:20:34,190 --> 00:20:40,750

I mean I'm 82 years old I'm still having

390

00:20:37,640 --> 00:20:44,930

dreams about not being prepared for

391

00:20:40,750 --> 00:20:47,420

examinations so close well I am city

392

00:20:44,930 --> 00:20:52,759

mild life the biggest trauma in my life

393

00:20:47,420 --> 00:20:56,060

is not being prepared for exams oh oh

394

00:20:52,759 --> 00:20:58,640

that's that's that's me wrong a lot of

395

00:20:56,059 --> 00:21:01,129

anxiety I have dreams sometimes about

396

00:20:58,640 --> 00:21:05,000

going out on stage without a piece of my

397

00:21:01,130 --> 00:21:08,000

costume or unprepared with lines for a

398

00:21:05,000 --> 00:21:10,849

play that sort of a thing so anyway New

399

00:21:08,000 --> 00:21:14,390

York named for Subway very popular

400
00:21:10,849 --> 00:21:19,159
subway posters I dreamt that I was on at

401
00:21:14,390 --> 00:21:22,220
the Met and my Maidenform bra bra yes I

402
00:21:19,160 --> 00:21:27,980
have those kind of dreams exactly

403
00:21:22,220 --> 00:21:30,319
sometimes anyway thank you for telling

404
00:21:27,980 --> 00:21:33,049
us this very very interesting actually

405
00:21:30,319 --> 00:21:35,000
two stories and I want to give you the

406
00:21:33,049 --> 00:21:38,569
opportunity right now Russell to just

407
00:21:35,000 --> 00:21:40,339
tell us about your movie and we heard

408
00:21:38,569 --> 00:21:43,069
about the book which is I can vouch for

409
00:21:40,339 --> 00:21:47,089
is a very excellent book because I own

410
00:21:43,069 --> 00:21:49,009
it and also I've seen a scene iterations

411
00:21:47,089 --> 00:21:50,990
of the movie twice I don't know where

412
00:21:49,009 --> 00:21:53,720
you're at with it right now but it's a

413
00:21:50,990 --> 00:21:54,049
hundred always start a documentary

414
00:21:53,720 --> 00:21:57,110
called

415
00:21:54,049 --> 00:21:59,180
third eye spies which we hope will be

416
00:21:57,109 --> 00:21:59,889
released in the fall as we finish the

417
00:21:59,180 --> 00:22:04,340
film

418
00:21:59,890 --> 00:22:06,710
we recently cut it from director's cut

419
00:22:04,339 --> 00:22:09,549
of two hours to what they want to show

420
00:22:06,710 --> 00:22:13,190
in the theater which is about 90 minutes

421
00:22:09,549 --> 00:22:15,839
if you have an adventure film where

422
00:22:13,190 --> 00:22:18,419
pauline is hanging by our fingernails

423
00:22:15,839 --> 00:22:21,028
the ball are laying out of tracks you

424
00:22:18,419 --> 00:22:24,150
can make that as long as you want but if

425
00:22:21,028 --> 00:22:28,048
you've got a documentary you got to keep

426
00:22:24,150 --> 00:22:31,200
it around 44 on 90 minutes so that's

427
00:22:28,048 --> 00:22:32,940
what we're just doing we're cutting the

428

00:22:31,200 --> 00:22:35,490
film and leaving our children on the

429
00:22:32,940 --> 00:22:37,830
cutting room floor is very painful but

430
00:22:35,490 --> 00:22:41,460
we're just about done with that yes now

431
00:22:37,829 --> 00:22:43,319
if you are somebody your listeners want

432
00:22:41,460 --> 00:22:48,329
to see coming attraction of the film

433
00:22:43,319 --> 00:22:52,398
that's available as a sure Internet

434
00:22:48,329 --> 00:22:57,240
address you can go to the guys spies

435
00:22:52,398 --> 00:22:58,979
third eye spies one word.com and see

436
00:22:57,240 --> 00:23:03,359
this is the four minute coming

437
00:22:58,980 --> 00:23:08,159
attraction we're going to put that in

438
00:23:03,359 --> 00:23:11,308
our like little blog spot that goes with

439
00:23:08,159 --> 00:23:15,570
the shadowed reality podcast recording

440
00:23:11,308 --> 00:23:20,548
so if anybody wants to see your latest

441
00:23:15,569 --> 00:23:22,109
book which is the reality of ESP or know

442
00:23:20,548 --> 00:23:27,319

about third eye spy

443

00:23:22,109 --> 00:23:30,449

spies we will have that up on our blog

444

00:23:27,319 --> 00:23:33,480

in conjunction with this interview and

445

00:23:30,450 --> 00:23:36,690

thank you so very much Russell for being

446

00:23:33,480 --> 00:23:38,278

on shattered reality again we hope to

447

00:23:36,690 --> 00:23:41,580

see you soon I don't know if you're

448

00:23:38,278 --> 00:23:45,028

going to come to a new New Haven

449

00:23:41,579 --> 00:23:47,038

Connecticut in or that brand review I

450

00:23:45,028 --> 00:23:48,898

expect to see you there what is

451

00:23:47,038 --> 00:23:52,398

happening in New Haven what's happened

452

00:23:48,898 --> 00:23:56,158

in New York aren't you I think that yes

453

00:23:52,398 --> 00:23:58,589

SRT is happening in New Haven in June so

454

00:23:56,159 --> 00:24:00,028

maybe we'll get a chance to see very

455

00:23:58,589 --> 00:24:01,709

well thank you very much for the

456

00:24:00,028 --> 00:24:05,519

opportunity and I wish your happy new

457
00:24:01,710 --> 00:24:08,640
year yeah happy New Year to you and

458
00:24:05,519 --> 00:24:11,788
Patty and bye bye so long for now good

459
00:24:08,640 --> 00:24:14,850
to speak to get back we are here on

460
00:24:11,788 --> 00:24:18,869
shattered reality with Michael Grosso

461
00:24:14,849 --> 00:24:21,389
who is the author of the wonderful book

462
00:24:18,869 --> 00:24:25,439
the man who could fly and several other

463
00:24:21,390 --> 00:24:27,720
books about a psychic phenomena and

464
00:24:25,440 --> 00:24:29,429
philosophy do you want to give us a

465
00:24:27,720 --> 00:24:29,700
rundown of that Michael and what you're

466
00:24:29,429 --> 00:24:33,330
doing

467
00:24:29,700 --> 00:24:37,139
right now well actually what I'm doing

468
00:24:33,329 --> 00:24:40,428
right now is very odd yeah because I was

469
00:24:37,138 --> 00:24:45,148
invited out of the blue by an English

470
00:24:40,429 --> 00:24:47,730
publisher to republish the first book I

471
00:24:45,148 --> 00:24:51,298
ever wrote really it it's called the

472
00:24:47,730 --> 00:24:57,149
final choice and the subtitle is death

473
00:24:51,298 --> 00:25:00,690
or enlightenment and the strange thing

474
00:24:57,148 --> 00:25:03,959
is that I think he picked it because

475
00:25:00,690 --> 00:25:06,360
when I wrote the book it's sort of about

476
00:25:03,960 --> 00:25:09,840
the near-death experience and the

477
00:25:06,359 --> 00:25:13,589
psychic dimension of reality but I wrote

478
00:25:09,839 --> 00:25:16,259
the book under the spell of a nucleus

479
00:25:13,589 --> 00:25:19,019
threat it's in that time there's just

480
00:25:16,259 --> 00:25:23,759
before Gorbachev you know called the

481
00:25:19,019 --> 00:25:26,759
perestroika and all that it was an

482
00:25:23,759 --> 00:25:29,038
element of we need to transform our

483
00:25:26,759 --> 00:25:31,288
consciousness and maybe it's even

484
00:25:29,038 --> 00:25:33,240
possible that we could have a global a

485

00:25:31,288 --> 00:25:35,730
near-death experience in fact we might

486
00:25:33,240 --> 00:25:37,288
be forced into it in view of the

487
00:25:35,730 --> 00:25:39,450
threatening world that we're living in

488
00:25:37,288 --> 00:25:41,700
that kind of an argument so but it's

489
00:25:39,450 --> 00:25:44,580
mostly you know about parapsychology and

490
00:25:41,700 --> 00:25:48,798
consciousness and evolution so what I'm

491
00:25:44,579 --> 00:25:51,418
doing right now is rewriting that book

492
00:25:48,798 --> 00:25:54,168
revising it and bringing it up to date

493
00:25:51,419 --> 00:25:55,528
and it's a very very interesting

494
00:25:54,169 --> 00:25:59,549
experience

495
00:25:55,528 --> 00:26:02,909
to being going back and re-entering my

496
00:25:59,548 --> 00:26:06,269
thought world at that time and but it's

497
00:26:02,909 --> 00:26:09,360
oddly enough the book is even may may be

498
00:26:06,269 --> 00:26:11,819
more pertinent today than it was when I

499
00:26:09,359 --> 00:26:14,729

first published it several decades ago

500

00:26:11,819 --> 00:26:17,129

well that I'm that's what I'm up to we

501

00:26:14,730 --> 00:26:20,069

would be very interested when you do

502

00:26:17,130 --> 00:26:22,649

finish it and you do publish it perhaps

503

00:26:20,069 --> 00:26:24,990

you would like to come back and discuss

504

00:26:22,648 --> 00:26:28,319

it at that time I'd be delighted

505

00:26:24,990 --> 00:26:31,259

and we delight but how strange to go

506

00:26:28,319 --> 00:26:33,658

back and review yourself as the North

507

00:26:31,259 --> 00:26:36,658

East several decades back oh what I

508

00:26:33,659 --> 00:26:38,820

realized was that a lot of the ideas

509

00:26:36,659 --> 00:26:43,350

some of the things I've been writing

510

00:26:38,819 --> 00:26:45,269

about lately and thinking about lately

511

00:26:43,349 --> 00:26:47,459

I had already written about at great

512

00:26:45,269 --> 00:26:49,230

length and in this book and I had

513

00:26:47,460 --> 00:26:52,919

forgotten I remember all the things that

514
00:26:49,230 --> 00:26:54,990
I've done I mean and I never read

515
00:26:52,919 --> 00:26:57,120
anything once I published it because I'm

516
00:26:54,990 --> 00:26:59,250
afraid I'm going to see something but I

517
00:26:57,119 --> 00:27:03,329
don't like and I'll be just totally

518
00:26:59,250 --> 00:27:07,589
embarrassed but the other thing I've

519
00:27:03,329 --> 00:27:10,639
been doing is the thinking about what I

520
00:27:07,589 --> 00:27:14,250
call a taxonomy of mind body

521
00:27:10,640 --> 00:27:16,740
interactions and I'm happy to talk with

522
00:27:14,250 --> 00:27:22,169
you a little bit about my you know

523
00:27:16,740 --> 00:27:25,220
continuing interest in the strange outer

524
00:27:22,169 --> 00:27:27,990
limit potentials of the human mind but

525
00:27:25,220 --> 00:27:32,069
particularly I've been focusing on the

526
00:27:27,990 --> 00:27:34,529
mind-body interactions the case of st.

527
00:27:32,069 --> 00:27:38,250
Joseph is the most spectacular case on

528
00:27:34,529 --> 00:27:40,918
record of of levitation he's not the

529
00:27:38,250 --> 00:27:44,599
only one and what interests me there is

530
00:27:40,919 --> 00:27:50,788
how is it possible for consciousness to

531
00:27:44,599 --> 00:27:53,038
affect suspend the most basic force of

532
00:27:50,788 --> 00:27:56,548
the universe the glue of the universe

533
00:27:53,038 --> 00:27:58,879
gravity that's a mind-blowing idea so

534
00:27:56,548 --> 00:28:02,220
the other thing I've been doing is

535
00:27:58,880 --> 00:28:05,610
developing this text taxonomy they're

536
00:28:02,220 --> 00:28:07,288
going through the whole the history of

537
00:28:05,609 --> 00:28:10,619
course I'm not doing it you know as

538
00:28:07,288 --> 00:28:16,379
effectively as I'd like to but trying to

539
00:28:10,619 --> 00:28:18,479
make lists of different kinds of psycho

540
00:28:16,380 --> 00:28:22,770
physical phenomena I'm very interested

541
00:28:18,480 --> 00:28:26,429
in the aspect of that theme that has to

542

00:28:22,769 --> 00:28:31,440
do with health yeah and in the role of

543
00:28:26,429 --> 00:28:33,659
the placebo which is really magic in the

544
00:28:31,440 --> 00:28:36,570
middle of science and scientists don't

545
00:28:33,659 --> 00:28:40,429
even want to admit it because the fact

546
00:28:36,569 --> 00:28:42,928
is that the mind is able to often have

547
00:28:40,429 --> 00:28:45,419
equal and even more astonishing effects

548
00:28:42,929 --> 00:28:47,640
than any physical treatments and pills

549
00:28:45,419 --> 00:28:50,038
and all that and the records are there

550
00:28:47,640 --> 00:28:53,040
but it's sort of concealed under this

551
00:28:50,038 --> 00:28:56,390
Latin term placebo which means I please

552
00:28:53,039 --> 00:28:59,629
myself okay

553
00:28:56,390 --> 00:29:03,110
I know that's very interesting and I

554
00:28:59,630 --> 00:29:05,780
read today on your Facebook post a

555
00:29:03,109 --> 00:29:09,979
little bit about what you were doing

556
00:29:05,779 --> 00:29:11,960

with that and I would very much as I had

557

00:29:09,980 --> 00:29:14,990

said before we would like to have you

558

00:29:11,960 --> 00:29:17,299

back again when you do publish the book

559

00:29:14,990 --> 00:29:20,390

that you're doing a redoing for the

560

00:29:17,299 --> 00:29:23,359

English publisher however right this

561

00:29:20,390 --> 00:29:27,530

minute this is a very special occasion

562

00:29:23,359 --> 00:29:31,699

today this is our holiday show and we

563

00:29:27,529 --> 00:29:34,899

what we did was decide that some of the

564

00:29:31,700 --> 00:29:38,569

people who were mostly on talking about

565

00:29:34,900 --> 00:29:42,050

other people's experiences or their

566

00:29:38,569 --> 00:29:43,730

studies as you did about st. Joseph we

567

00:29:42,049 --> 00:29:47,299

thought we'd get in contact with a

568

00:29:43,730 --> 00:29:49,880

couple of our best former guests and ask

569

00:29:47,299 --> 00:29:52,159

them about their personal experiences

570

00:29:49,880 --> 00:29:55,700

and if they could supply one for a

571
00:29:52,160 --> 00:29:58,790
holiday show and you so kindly responded

572
00:29:55,700 --> 00:30:01,910
with a wonderfully interesting Christmas

573
00:29:58,789 --> 00:30:05,149
experience that you had had some years

574
00:30:01,910 --> 00:30:09,140
ago with oddly and now this is going to

575
00:30:05,150 --> 00:30:10,850
become very synchronistic year with a

576
00:30:09,140 --> 00:30:13,700
friend of yours a female friend a

577
00:30:10,849 --> 00:30:20,149
girlfriend of viewers from the past and

578
00:30:13,700 --> 00:30:25,160
when we put your show up on youtube this

579
00:30:20,150 --> 00:30:29,240
same person wrote a comment founded on

580
00:30:25,160 --> 00:30:32,500
YouTube and wrote a comment but was only

581
00:30:29,240 --> 00:30:35,000
her name and so I did not have any

582
00:30:32,500 --> 00:30:38,089
further information to give you so that

583
00:30:35,000 --> 00:30:40,190
you could possibly reconnect with um yes

584
00:30:38,089 --> 00:30:42,589
yes my lady

585
00:30:40,190 --> 00:30:45,019
without any success but maybe maybe

586
00:30:42,589 --> 00:30:49,399
she'll tune into this maybe she'll hear

587
00:30:45,019 --> 00:30:52,579
this podcast eventually and if so get in

588
00:30:49,400 --> 00:30:55,160
touch with me Francis yes or even if she

589
00:30:52,579 --> 00:30:59,659
writes a letter to shattered reality

590
00:30:55,160 --> 00:31:02,509
podcast calm and she writes a comment

591
00:30:59,660 --> 00:31:05,840
there then I'll have her email address

592
00:31:02,509 --> 00:31:08,480
and can contact you with it so Francis

593
00:31:05,839 --> 00:31:10,019
if you're listening yes don't be shy

594
00:31:08,480 --> 00:31:12,929
come on over

595
00:31:10,019 --> 00:31:14,849
a new year this is a time for a whole

596
00:31:12,929 --> 00:31:17,580
new start the waters just right here

597
00:31:14,849 --> 00:31:18,329
right anyway so Michael if you don't

598
00:31:17,579 --> 00:31:21,720
mind

599

00:31:18,329 --> 00:31:24,569
tell us your artery yeah I will as a

600
00:31:21,720 --> 00:31:27,240
matter of fact I don't think there's any

601
00:31:24,569 --> 00:31:30,990
harm in me saying that the lady in this

602
00:31:27,240 --> 00:31:36,599
story is the same lady that got in touch

603
00:31:30,990 --> 00:31:40,019
with you and Sechrist Megan so at any

604
00:31:36,599 --> 00:31:42,629
rate this is a story about I don't

605
00:31:40,019 --> 00:31:45,710
really understand it but it's because it

606
00:31:42,630 --> 00:31:50,970
seems to involve either a wild

607
00:31:45,710 --> 00:31:52,860
unbelievable coincidence or a mind my

608
00:31:50,970 --> 00:31:56,130
mind is some greater mind that

609
00:31:52,859 --> 00:31:58,558
intervened in a physical way and the

610
00:31:56,130 --> 00:32:02,550
story is about a certain Christmas Eve

611
00:31:58,558 --> 00:32:04,619
many years ago when Francis and I'm just

612
00:32:02,549 --> 00:32:09,480
going to say her name there's no crime

613
00:32:04,619 --> 00:32:11,428

against that we we had gone to a we had

614

00:32:09,480 --> 00:32:14,160

a little quarrel okay we had a lover's

615

00:32:11,429 --> 00:32:15,450

quarrel and it had to do by the way and

616

00:32:14,160 --> 00:32:18,840

this is the setting for the whole story

617

00:32:15,450 --> 00:32:20,880

it was a terribly cold cold night it was

618

00:32:18,839 --> 00:32:22,919

the coldest night of the year on record

619

00:32:20,880 --> 00:32:27,840

okay that's the background of the story

620

00:32:22,920 --> 00:32:30,660

and I didn't want to go to a midnight

621

00:32:27,839 --> 00:32:35,339

mass I wanted to go to Mass in the

622

00:32:30,660 --> 00:32:38,340

morning and my lady friend insisted that

623

00:32:35,339 --> 00:32:41,009

we go and so we had that led to a little

624

00:32:38,339 --> 00:32:44,459

disagreement and a little quarrel and by

625

00:32:41,009 --> 00:32:46,490

the time we got back to where we're

626

00:32:44,460 --> 00:32:49,410

going to spend the night which was my

627

00:32:46,490 --> 00:32:52,200

where I live in my apartment overlooking

628
00:32:49,410 --> 00:32:56,519
the Hudson River on in Edgewater New

629
00:32:52,200 --> 00:32:58,350
Jersey by that time we had the world

630
00:32:56,519 --> 00:32:58,920
sort of feeling rather grouchy toward

631
00:32:58,349 --> 00:33:04,199
each other

632
00:32:58,920 --> 00:33:06,350
mm-hmm and when we got inside it was

633
00:33:04,200 --> 00:33:09,179
very cold there a little heat and

634
00:33:06,349 --> 00:33:12,000
instead of warming each other up cozily

635
00:33:09,179 --> 00:33:14,610
as we might be very well disposed to do

636
00:33:12,000 --> 00:33:20,269
on holiday and under any circumstances

637
00:33:14,609 --> 00:33:24,199
we decided to stay apart and and in fact

638
00:33:20,269 --> 00:33:26,150
ended up sleeping in separate spaces and

639
00:33:24,200 --> 00:33:29,330
I should also say for the background of

640
00:33:26,150 --> 00:33:32,830
the story part of my grumpiness was a

641
00:33:29,329 --> 00:33:35,839
kind of anti religiosity and a kind of

642
00:33:32,829 --> 00:33:37,879
contempt I was feeling for the Christmas

643
00:33:35,839 --> 00:33:42,319
that the commercialization of Christmas

644
00:33:37,880 --> 00:33:44,270
I was I kind of a black mood in a way by

645
00:33:42,319 --> 00:33:49,549
the time I was by myself without my

646
00:33:44,269 --> 00:33:52,220
beautiful girlfriend close by and I was

647
00:33:49,549 --> 00:33:54,619
you know when got down on a couch

648
00:33:52,220 --> 00:33:55,579
somewhere and through the coats and

649
00:33:54,619 --> 00:34:00,759
stuff over me

650
00:33:55,579 --> 00:34:00,759
we both went to sleep now in the morning

651
00:34:01,089 --> 00:34:07,308
Francis woke me up and I looked up and

652
00:34:04,460 --> 00:34:11,059
her face is all bright and shiny and

653
00:34:07,308 --> 00:34:15,289
she's pointing at the corner of the

654
00:34:11,059 --> 00:34:17,840
apartment at this plant I had this plank

655
00:34:15,289 --> 00:34:21,320
oh it's a Dracaena fragrance a tropical

656

00:34:17,840 --> 00:34:24,019
plant and she said look it flowered

657
00:34:21,320 --> 00:34:27,649
overnight and I went over and not only

658
00:34:24,019 --> 00:34:32,119
did I see it but I realized the entire

659
00:34:27,648 --> 00:34:36,168
apartment was flooded with an incredible

660
00:34:32,119 --> 00:34:41,450
fragrance yes they are Franco a tropical

661
00:34:36,168 --> 00:34:45,559
plant and so there was Christmas Eve and

662
00:34:41,449 --> 00:34:48,378
bitter bitter cold and a tropical plant

663
00:34:45,559 --> 00:34:51,378
had flowered in our apartment after our

664
00:34:48,378 --> 00:34:54,019
angry and disappointing Christmas Eve

665
00:34:51,378 --> 00:34:56,779
together and we looked at each other and

666
00:34:54,019 --> 00:34:59,960
it felt like and the smell was just

667
00:34:56,780 --> 00:35:04,730
almost overwhelming we looked at each

668
00:34:59,960 --> 00:35:07,730
other and we just automatically you know

669
00:35:04,730 --> 00:35:10,070
we connected and embraced and for the

670
00:35:07,730 --> 00:35:11,869

rest of the holiday was wonderful so

671

00:35:10,070 --> 00:35:13,820

what happened I started to think about

672

00:35:11,869 --> 00:35:16,340

this and make me a little uneasy because

673

00:35:13,820 --> 00:35:18,769

I couldn't figure it out and I decided

674

00:35:16,340 --> 00:35:21,019

to do a little research so I was living

675

00:35:18,769 --> 00:35:23,449

I used to know I used to live in the

676

00:35:21,019 --> 00:35:26,300

Bronx so I went straight to the

677

00:35:23,449 --> 00:35:28,669

Botanical Gardens and the Bronx yes I

678

00:35:26,300 --> 00:35:31,730

knew where the experts were about plant

679

00:35:28,670 --> 00:35:33,889

life and this is still like you know

680

00:35:31,730 --> 00:35:37,190

maybe a couple of weeks after Christmas

681

00:35:33,889 --> 00:35:41,779

but they were open and so I found my way

682

00:35:37,190 --> 00:35:45,170

to an interview was one of the women

683

00:35:41,780 --> 00:35:47,120

there and told the story and I said you

684

00:35:45,170 --> 00:35:49,490

know what's going on and she just looked

685
00:35:47,119 --> 00:35:51,170
at me and said I'm here ago it's

686
00:35:49,489 --> 00:35:55,399
impossible it never happens

687
00:35:51,170 --> 00:35:57,200
problem ants do not bloom in zero

688
00:35:55,400 --> 00:36:00,130
temperature because that's how cold it

689
00:35:57,199 --> 00:36:03,829
was that night it was not people be cold

690
00:36:00,130 --> 00:36:06,410
so I went to other places I looked it up

691
00:36:03,829 --> 00:36:08,960
and I walked away with the feeling that

692
00:36:06,409 --> 00:36:13,269
something had very very extraordinary

693
00:36:08,960 --> 00:36:17,449
had happened and I thought about the

694
00:36:13,269 --> 00:36:20,659
archetypal nature of time symbolic time

695
00:36:17,449 --> 00:36:22,939
Christmas Eve is a magical time that's

696
00:36:20,659 --> 00:36:25,399
it is and we were turned off we were

697
00:36:22,940 --> 00:36:28,579
alienated from it I was the main cause

698
00:36:25,400 --> 00:36:31,490
of it of the alienation I take full

699

00:36:28,579 --> 00:36:34,599

blame full responsibility

700

00:36:31,489 --> 00:36:39,579

that's gallant of you Michael of course

701

00:36:34,599 --> 00:36:43,699

but in the morning it was as though some

702

00:36:39,579 --> 00:36:47,000

very benevolent intelligence it decided

703

00:36:43,699 --> 00:36:48,799

to pull a fast one on both of us and

704

00:36:47,000 --> 00:36:50,809

bring us together in this most amazing

705

00:36:48,800 --> 00:36:53,660

and astonishing way I've never forgotten

706

00:36:50,809 --> 00:36:56,840

the experience sounds beautiful really

707

00:36:53,659 --> 00:37:00,619

and right now I mean either you know

708

00:36:56,840 --> 00:37:03,590

when I think about it analytically it

709

00:37:00,619 --> 00:37:05,329

may have been simply a coincidence but

710

00:37:03,590 --> 00:37:10,030

it sounds not like an impossible

711

00:37:05,329 --> 00:37:16,509

coincidence or maybe unconsciously

712

00:37:10,030 --> 00:37:19,640

we or I were the causal agency that

713

00:37:16,510 --> 00:37:23,060
caused the plant to flower or some other

714
00:37:19,639 --> 00:37:25,940
agency outside above us outside of the

715
00:37:23,059 --> 00:37:28,940
hole so you know maybe some larger mind

716
00:37:25,940 --> 00:37:31,579
your your so-called higher selves

717
00:37:28,940 --> 00:37:33,679
perhaps well yeah something but you know

718
00:37:31,579 --> 00:37:35,989
some kind of an intelligence operating

719
00:37:33,679 --> 00:37:39,139
that's how what it felt like to me to

720
00:37:35,989 --> 00:37:42,559
teach us a lesson and give us a gift it

721
00:37:39,139 --> 00:37:43,730
was a gift them they were lit how often

722
00:37:42,559 --> 00:37:47,029
you get a gift like that on Christmas

723
00:37:43,730 --> 00:37:48,260
Eve not often enough is nothing

724
00:37:47,030 --> 00:37:51,140
different

725
00:37:48,260 --> 00:37:54,230
no that's the lovely story that's my

726
00:37:51,139 --> 00:37:59,059
story and I guess story of mysterious

727
00:37:54,230 --> 00:38:01,340

pique on a Christmas Eve yeah Wow Wow

728

00:37:59,059 --> 00:38:04,159

yes I know it could be considered

729

00:38:01,340 --> 00:38:07,430

psychokinesis for sure yes people yeah

730

00:38:04,159 --> 00:38:10,429

it could be and you know one never knows

731

00:38:07,429 --> 00:38:14,149

with these certain manners I mean you

732

00:38:10,429 --> 00:38:15,529

know it is just so improbable and so out

733

00:38:14,150 --> 00:38:18,769

of the ordinary

734

00:38:15,530 --> 00:38:22,100

typical pique would be kind of something

735

00:38:18,769 --> 00:38:24,590

that you had intended and apparently you

736

00:38:22,099 --> 00:38:26,529

hadn't intended it perhaps Francis had

737

00:38:24,590 --> 00:38:30,320

intended it but we we don't know because

738

00:38:26,530 --> 00:38:33,790

Francis has not divulged her email to us

739

00:38:30,320 --> 00:38:37,010

here right and and the other thing is

740

00:38:33,789 --> 00:38:39,739

pique could occur unconsciously in other

741

00:38:37,010 --> 00:38:41,870

words we don't all point about the

742
00:38:39,739 --> 00:38:45,439
paranormal most of the time it operates

743
00:38:41,869 --> 00:38:49,400
independently and sometimes a cigar is

744
00:38:45,440 --> 00:38:51,950
just a cigar and some benevolent person

745
00:38:49,400 --> 00:38:53,930
or being or whatever decided you know

746
00:38:51,949 --> 00:38:55,699
what here's a happy merry Christmas to

747
00:38:53,929 --> 00:38:59,690
you and just gave you a really nice gift

748
00:38:55,699 --> 00:39:02,089
yes yes your guardian angel yeah doing

749
00:38:59,690 --> 00:39:04,630
that yeah yeah that's a very lovely

750
00:39:02,090 --> 00:39:11,570
story it is whatever the interpretation

751
00:39:04,630 --> 00:39:13,280
is it's enriching to recall it and to

752
00:39:11,570 --> 00:39:14,690
share it with other people because it

753
00:39:13,280 --> 00:39:16,550
just makes like a little bit more

754
00:39:14,690 --> 00:39:20,030
interesting a little bit more mysterious

755
00:39:16,550 --> 00:39:22,910
and I don't see how that can be a harm

756
00:39:20,030 --> 00:39:27,050
no I think that it's important to keep

757
00:39:22,909 --> 00:39:30,500
the magic in our lives to to believe in

758
00:39:27,050 --> 00:39:33,680
magic with the Kay you know ma GIC Kay

759
00:39:30,500 --> 00:39:36,469
as opposed to stagecraft oh right of

760
00:39:33,679 --> 00:39:40,069
course of course I mention in the

761
00:39:36,469 --> 00:39:42,619
spelling but but I also I think we find

762
00:39:40,070 --> 00:39:45,380
that when these paranormal events occur

763
00:39:42,619 --> 00:39:47,539
they stay with us like if you had had

764
00:39:45,380 --> 00:39:49,700
several amaryllis has just happened to

765
00:39:47,539 --> 00:39:51,980
come to bloom that morning it wouldn't

766
00:39:49,699 --> 00:39:53,750
have had the same impact and I think

767
00:39:51,980 --> 00:39:56,840
that's what differentiates something

768
00:39:53,750 --> 00:39:58,880
like this from an ordinary event so I'm

769
00:39:56,840 --> 00:39:59,510
sure something extraordinary had

770

00:39:58,880 --> 00:40:02,420
happened

771
00:39:59,510 --> 00:40:04,760
well I mean I have had you know I've

772
00:40:02,420 --> 00:40:07,250
written a book about I don't consider

773
00:40:04,760 --> 00:40:10,160
myself a psychic but I've had a number

774
00:40:07,250 --> 00:40:12,889
of psychic experiences and for a

775
00:40:10,159 --> 00:40:15,379
philosopher was interested in this

776
00:40:12,889 --> 00:40:17,449
subject matter from an intellectual and

777
00:40:15,380 --> 00:40:19,880
scientific and philosophical point of

778
00:40:17,449 --> 00:40:23,779
view I mean I'm in a pretty good

779
00:40:19,880 --> 00:40:27,530
situation compared to most people

780
00:40:23,780 --> 00:40:30,710
because I have had experiences of almost

781
00:40:27,530 --> 00:40:34,040
every single category of the paranormal

782
00:40:30,710 --> 00:40:37,250
at least once or twice I mean I've had

783
00:40:34,039 --> 00:40:41,320
several truly extraordinary precognitive

784
00:40:37,250 --> 00:40:44,510

experiences I've had a number of strange

785

00:40:41,320 --> 00:40:48,950

PK experiences I think this one I just

786

00:40:44,510 --> 00:40:52,730

told counts another story I managed

787

00:40:48,949 --> 00:40:54,829

somehow physically interact with a

788

00:40:52,730 --> 00:40:57,829

person on the other side of the Atlantic

789

00:40:54,829 --> 00:41:01,789

Ocean and that's another story so I've

790

00:40:57,829 --> 00:41:05,150

had the whole bunch of experiences but

791

00:41:01,789 --> 00:41:09,230

they occur unexpectedly and rarely

792

00:41:05,150 --> 00:41:11,450

mm-hmm I the first one that I remember

793

00:41:09,230 --> 00:41:13,670

is I was a little boy and I dreamt I was

794

00:41:11,449 --> 00:41:17,149

as a kid in the block I never played

795

00:41:13,670 --> 00:41:18,980

with mm-hmm I had a dream that I was

796

00:41:17,150 --> 00:41:21,108

playing ball with him I never did play

797

00:41:18,980 --> 00:41:22,820

ball with him before so that one I can

798

00:41:21,108 --> 00:41:24,739

get up kind breakfast I shoot outside

799

00:41:22,820 --> 00:41:26,750
and here's this kid that I never hang

800

00:41:24,739 --> 00:41:30,108
out with it does want to play ball Mike

801

00:41:26,750 --> 00:41:34,519
tough that's right I still remember it

802

00:41:30,108 --> 00:41:38,599
right why because it was seven today is

803

00:41:34,519 --> 00:41:41,300
so unusual and so yes I've had a wide

804

00:41:38,599 --> 00:41:42,289
range but thank goodness it doesn't

805

00:41:41,300 --> 00:41:45,710
happen that often

806

00:41:42,289 --> 00:41:50,570
thank goodness really I kind of thrive

807

00:41:45,710 --> 00:41:53,809
on it myself but okay yeah well in any

808

00:41:50,570 --> 00:41:55,580
case just to wrap this up in two ways I

809

00:41:53,809 --> 00:42:00,619
wanted to say that one of the premises

810

00:41:55,579 --> 00:42:02,719
of this show was to mention that many of

811

00:42:00,619 --> 00:42:04,309
the people who have been on who haven't

812

00:42:02,719 --> 00:42:06,799
been talking about their personal

813
00:42:04,309 --> 00:42:10,358
experiences such as yourself when you

814
00:42:06,800 --> 00:42:10,359
were on about st. Joseph

815
00:42:10,510 --> 00:42:15,310
you know we thought it would be a nice

816
00:42:12,789 --> 00:42:18,309
idea to get of new people on to see if

817
00:42:15,309 --> 00:42:21,549
they had had psychic experiences and I

818
00:42:18,309 --> 00:42:25,420
did mention and and k22 Russell Targ who

819
00:42:21,550 --> 00:42:27,220
had just been on before you about how

820
00:42:25,420 --> 00:42:30,579
there are a few people out there who

821
00:42:27,219 --> 00:42:34,480
were researching some area of the

822
00:42:30,579 --> 00:42:37,750
paranormal pretty much with at least 50%

823
00:42:34,480 --> 00:42:40,358
of their energy and interests and have

824
00:42:37,750 --> 00:42:43,059
never had an experience and I would have

825
00:42:40,358 --> 00:42:45,338
found that very difficult to keep up my

826
00:42:43,059 --> 00:42:49,150
own interest in the paranormal if I

827

00:42:45,338 --> 00:42:51,699
didn't have any experiences so just I

828
00:42:49,150 --> 00:42:55,150
wanted to wrap it up with if you want to

829
00:42:51,699 --> 00:42:57,429
you know mention a book website anything

830
00:42:55,150 --> 00:43:01,710
like that Michael right now because well

831
00:42:57,429 --> 00:43:04,299
you know I do have a blog and I'm

832
00:43:01,710 --> 00:43:06,820
periodically publishing stuff there and

833
00:43:04,300 --> 00:43:10,300
it's you know what is it a fact it's

834
00:43:06,820 --> 00:43:14,559
gone a consciousness unbound dot blog

835
00:43:10,300 --> 00:43:16,510
spot.com I think it's calm yeah calm

836
00:43:14,559 --> 00:43:19,719
right and if anybody is interested

837
00:43:16,510 --> 00:43:22,510
that's I welcome and I welcome comments

838
00:43:19,719 --> 00:43:24,429
and conversation on that I think I have

839
00:43:22,510 --> 00:43:28,690
to put up a sign I don't have anything

840
00:43:24,429 --> 00:43:31,210
it says sign up or engage or comment I

841
00:43:28,690 --> 00:43:34,630

think it's I think you have to sign in

842

00:43:31,210 --> 00:43:37,690

to comment I think I was about to make a

843

00:43:34,630 --> 00:43:40,150

comment a couple of weeks ago and I

844

00:43:37,690 --> 00:43:42,700

wasn't on the proper I wasn't on my main

845

00:43:40,150 --> 00:43:45,010

computer I was on a handheld device and

846

00:43:42,699 --> 00:43:47,230

I I found that I was unable to sign in

847

00:43:45,010 --> 00:43:50,619

at that juncture but I will go back

848

00:43:47,230 --> 00:43:55,858

furthermore it will be put up on our

849

00:43:50,619 --> 00:43:59,619

blog spot our blog for shattered reality

850

00:43:55,858 --> 00:44:03,250

851

00:43:59,619 --> 00:44:05,470

word press dot chatted reality podcast

852

00:44:03,250 --> 00:44:11,500

about wordpress.com how to get that out

853

00:44:05,469 --> 00:44:16,269

854

00:44:11,500 --> 00:44:19,869

856
00:44:19,869 --> 00:44:24,369
that attract people I I just think so we

857
00:44:23,079 --> 00:44:27,400
hope so

858
00:44:24,369 --> 00:44:29,798
that was the idea it's dramatic and it

859
00:44:27,400 --> 00:44:32,950
we need to have our realities shattered

860
00:44:29,798 --> 00:44:34,809
from time to time so accepted to new

861
00:44:32,949 --> 00:44:36,578
realities very cool very cool

862
00:44:34,809 --> 00:44:39,670
well thank you so much and we hope that

guys do I hope to be in touch with you

866
00:44:42,219 --> 00:44:53,289
okay - bye bye and now bye bye bye

867
00:44:46,798 --> 00:44:56,528
hello hi is this our listener Peter baby

868
00:44:53,289 --> 00:44:58,809
yes hi this is firoozeh

869
00:44:56,528 --> 00:45:01,599
and gave Valentine here with you Peter

870
00:44:58,809 --> 00:45:05,289
and we are here from shattered reality

871
00:45:01,599 --> 00:45:08,798
podcast because you had gotten in touch

872
00:45:05,289 --> 00:45:12,910
with me and told me about a miraculous

873
00:45:08,798 --> 00:45:15,630
experience you had in San Diego would

874
00:45:12,909 --> 00:45:21,190
you like to tell us about it Peter

875
00:45:15,630 --> 00:45:26,170
sure ah I don't know who it's miraculous

876
00:45:21,190 --> 00:45:31,409
Wow but it's true and out of the

877
00:45:26,170 --> 00:45:31,409
ordinary either yes I would say that I

878
00:45:32,248 --> 00:45:38,488
was I was traveling with my son and

879
00:45:36,489 --> 00:45:42,909
about 10 years old at the time back

880
00:45:38,489 --> 00:45:45,909
mm-hmm but 91 1991 and we were going

881
00:45:42,909 --> 00:45:48,998
down the coast to California we've just

882
00:45:45,909 --> 00:45:51,639
gone to Universal Studios and we're

883
00:45:48,998 --> 00:45:53,798
driving down to San Diego that in pretty

884

00:45:51,639 --> 00:45:59,009
late in heaven home got a room at the

885
00:45:53,798 --> 00:46:03,989
Hotel del Coronado and we checked in and

886
00:45:59,009 --> 00:46:03,989
I was pretty late we went to sleep

887
00:46:04,199 --> 00:46:13,449
during the course of that night I felt I

888
00:46:10,358 --> 00:46:17,380
was awakened I was maybe I felt I was

889
00:46:13,449 --> 00:46:21,578
dreaming at first and I was awakened for

890
00:46:17,380 --> 00:46:24,369
looking at the television set and it was

891
00:46:21,579 --> 00:46:28,719
it was completely dark I had always

892
00:46:24,369 --> 00:46:32,979
liked pre clock in the morning and the

893
00:46:28,719 --> 00:46:35,409
TV said had an image of a woman on it it

894
00:46:32,978 --> 00:46:38,019
appeared to be black and white if I was

895
00:46:35,409 --> 00:46:44,399
forced I would say the hair was like

896
00:46:38,019 --> 00:46:47,500
and she was clearly in distress and and

897
00:46:44,400 --> 00:46:51,210
asking me or anybody I guess looking at

898
00:46:47,500 --> 00:46:53,500

the TV at the time to help them I

899

00:46:51,210 --> 00:46:56,470

thinking it might have been a dream I

900

00:46:53,500 --> 00:46:59,739

sat up in bed I saw my son sleeping in

901

00:46:56,469 --> 00:47:04,599

the other bed and I realized he wasn't

902

00:46:59,739 --> 00:47:06,899

awakened by it and it continued while it

903

00:47:04,599 --> 00:47:12,460

was continuing he was still sleeping and

904

00:47:06,900 --> 00:47:17,730

so I had a lot of bravado because I had

905

00:47:12,460 --> 00:47:17,730

always heard that if in fact this is a

906

00:47:18,750 --> 00:47:25,329

for lack of better words a ghost mm-hmm

907

00:47:22,150 --> 00:47:29,530

that it wouldn't harm me so I didn't

908

00:47:25,329 --> 00:47:33,190

feel I wasn't afraid I just couldn't

909

00:47:29,530 --> 00:47:35,050

understand it so I got up and I went to

910

00:47:33,190 --> 00:47:39,099

the window and I looked out the window

911

00:47:35,050 --> 00:47:42,039

and saw nothing but kinda was like

912

00:47:39,099 --> 00:47:44,650

making sure I was awake went to the foot

913
00:47:42,039 --> 00:47:48,159
went to the door looked in the peephole

914
00:47:44,650 --> 00:47:51,760
I went back to the TV where this woman

915
00:47:48,159 --> 00:47:57,429
was still asking I know didn't say a lot

916
00:47:51,760 --> 00:48:00,490
uh helped me healthy really helped me

917
00:47:57,429 --> 00:48:02,799
and repeated that over huh I went around

918
00:48:00,489 --> 00:48:05,079
that the TV was off there were no lights

919
00:48:02,800 --> 00:48:07,990
on it I went behind it and everything

920
00:48:05,079 --> 00:48:10,269
else my hands all around I was looking

921
00:48:07,989 --> 00:48:13,419
and I just kept looking at this thing

922
00:48:10,269 --> 00:48:19,150
and I might have responded something

923
00:48:13,420 --> 00:48:23,079
along the lines of how and and it just

924
00:48:19,150 --> 00:48:27,608
it repeated itself and it kept repeating

925
00:48:23,079 --> 00:48:33,190
itself to the point I just sat on a bed

926
00:48:27,608 --> 00:48:38,049
looking at her and at some point close

927
00:48:33,190 --> 00:48:41,409
to daybreak it just stopped and I just I

928
00:48:38,050 --> 00:48:43,930
laid there looking at the TV staring at

929
00:48:41,409 --> 00:48:45,730
it so when the when the Sun was up I got

930
00:48:43,929 --> 00:48:50,289
on the phone and I called downstairs and

931
00:48:45,730 --> 00:48:51,490
I said listen I just had an experience

932
00:48:50,289 --> 00:48:53,829
that

933
00:48:51,489 --> 00:48:56,919
I don't even want to explain I'd like

934
00:48:53,829 --> 00:48:59,650
another room and then he looked in it

935
00:48:56,920 --> 00:49:05,289
and the guy told me at the desk he said

936
00:48:59,650 --> 00:49:09,369
to me that uh someone had died in that

937
00:49:05,289 --> 00:49:13,509
room uh and I was I was in what is known

938
00:49:09,369 --> 00:49:17,890
as the old wing the first the first part

939
00:49:13,510 --> 00:49:24,040
the first building of uh of the Hotel

940
00:49:17,889 --> 00:49:26,440
del Coronado in San Diego and and he

941

00:49:24,039 --> 00:49:30,099
said that I didn't I didn't even I said

942
00:49:26,440 --> 00:49:31,929
I said well I had an experience and I

943
00:49:30,099 --> 00:49:34,089
didn't even ask him whether this person

944
00:49:31,929 --> 00:49:40,269
had killed themselves or had been

945
00:49:34,090 --> 00:49:42,340
murdered and in looking at the woman and

946
00:49:40,269 --> 00:49:45,070
really thinking back to the woman I

947
00:49:42,340 --> 00:49:47,980
could only imagine a person exhibiting

948
00:49:45,070 --> 00:49:51,450
that much distress wouldn't have been

949
00:49:47,980 --> 00:49:55,719
trying to commit suicide huh it appeared

950
00:49:51,449 --> 00:49:58,569
apparently it seemed that in some way

951
00:49:55,719 --> 00:49:59,309
she was begging for someone to prevent

952
00:49:58,570 --> 00:50:08,320
her murder

953
00:49:59,309 --> 00:50:09,909
Wow and it's a and it it's it's

954
00:50:08,320 --> 00:50:13,269
something I never discussed because

955
00:50:09,909 --> 00:50:14,980

basically you don't get a lot of people

956

00:50:13,269 --> 00:50:19,949

thinking whatever you're saying what

957

00:50:14,980 --> 00:50:22,929

your experience is true but having no a

958

00:50:19,949 --> 00:50:25,179

no reason to not tell you everything

959

00:50:22,929 --> 00:50:28,469

exactly how it happened

960

00:50:25,179 --> 00:50:31,629

would would just be the insane of myself

961

00:50:28,469 --> 00:50:34,389

so that's just what happened okay I

962

00:50:31,630 --> 00:50:36,670

really have an opportunity to discuss it

963

00:50:34,389 --> 00:50:38,829

and I want to thank you uh for listening

964

00:50:36,670 --> 00:50:41,740

well thank you for being a listener to

965

00:50:38,829 --> 00:50:43,858

shattered reality podcast and we hope

966

00:50:41,739 --> 00:50:47,829

that you will continue to listen and

967

00:50:43,858 --> 00:50:49,989

your anonymity is been reasonably

968

00:50:47,829 --> 00:50:53,469

preserved by coming up only with the

969

00:50:49,989 --> 00:50:57,039

first name so no no worries there but -

970
00:50:53,469 --> 00:51:01,000
thank you so very much and we really

971
00:50:57,039 --> 00:51:02,889
appreciate your listenership Peter well

972
00:51:01,000 --> 00:51:04,570
it might be interesting to see if any

973
00:51:02,889 --> 00:51:06,699
other listeners

974
00:51:04,570 --> 00:51:10,150
I want to look back into the directory

975
00:51:06,699 --> 00:51:12,099
of the Hotel del Coronado in 1991 search

976
00:51:10,150 --> 00:51:13,869
out for the Peters that registered there

977
00:51:12,099 --> 00:51:16,329
and who knows they might come up with

978
00:51:13,869 --> 00:51:18,849
who I am but they might but unless

979
00:51:16,329 --> 00:51:21,250
unless it's a three-letter agency I

980
00:51:18,849 --> 00:51:25,569
don't think anybody's going to go doing

981
00:51:21,250 --> 00:51:28,780
that they'll go oh and one last thing to

982
00:51:25,570 --> 00:51:31,150
you how here do you Peter thank you so

983
00:51:28,780 --> 00:51:32,350
much thank you and there's a burglar cry

984
00:51:31,150 --> 00:51:35,309
now

985
00:51:32,349 --> 00:51:38,949
but wow that was really interesting yep

986
00:51:35,309 --> 00:51:41,409
here had quite a story there and I'm so

987
00:51:38,949 --> 00:51:43,509
glad that he did get in touch with me

988
00:51:41,409 --> 00:51:44,980
being a listener and and hearing the

989
00:51:43,510 --> 00:51:47,590
things that we've been speaking about

990
00:51:44,980 --> 00:51:50,289
and it fits so nicely in with the other

991
00:51:47,590 --> 00:51:53,440
two fellows with their experiences so we

992
00:51:50,289 --> 00:51:56,259
had two experiences from guests and now

993
00:51:53,440 --> 00:51:58,780
an experience from a listener and you

994
00:51:56,260 --> 00:52:01,810
wanted to invite people to oh yeah I

995
00:51:58,780 --> 00:52:03,940
think it really it helps a great deal is

996
00:52:01,809 --> 00:52:05,889
the more we hear you know there's not

997
00:52:03,940 --> 00:52:08,190
many venues where you can say look this

998

00:52:05,889 --> 00:52:11,079
really peculiar thing happened to me and

999
00:52:08,190 --> 00:52:13,900
you know it wasn't bad it wasn't good it

1000
00:52:11,079 --> 00:52:16,779
was peculiar and I have nobody to tell

1001
00:52:13,900 --> 00:52:18,910
it to or anybody to evaluate it was a

1002
00:52:16,780 --> 00:52:21,070
good experience bad experience silly

1003
00:52:18,909 --> 00:52:23,559
experience I don't know but we'd really

1004
00:52:21,070 --> 00:52:25,750
love to have you sir with us because

1005
00:52:23,559 --> 00:52:28,659
again as I said to you during the break

1006
00:52:25,750 --> 00:52:31,329
so I don't so to speak the more events

1007
00:52:28,659 --> 00:52:34,269
like this that are brought out in the

1008
00:52:31,329 --> 00:52:36,789
open the less paranormal becomes a more

1009
00:52:34,269 --> 00:52:38,920
normal it becomes and that's when you

1010
00:52:36,789 --> 00:52:41,920
may start getting enough data where

1011
00:52:38,920 --> 00:52:43,420
these things will then seem to have a

1012
00:52:41,920 --> 00:52:45,700

recent direction as to where they're

1013

00:52:43,420 --> 00:52:48,130

going and more validity in the gen yeah

1014

00:52:45,699 --> 00:52:50,949

in the general public where of course

1015

00:52:48,130 --> 00:52:53,740

there's back and I mean I can't point to

1016

00:52:50,949 --> 00:52:58,079

a particular period in history but both

1017

00:52:53,739 --> 00:53:01,479

mate basically anytime before the the

1018

00:52:58,079 --> 00:53:03,909

Scientific Revolution yeah it was 1700

1019

00:53:01,480 --> 00:53:06,190

and you have to say yes these things

1020

00:53:03,909 --> 00:53:09,639

were considered to be the absolute truth

1021

00:53:06,190 --> 00:53:13,809

and so normal and normal as well but

1022

00:53:09,639 --> 00:53:16,659

before we go I have a couple of things

1023

00:53:13,809 --> 00:53:18,219

to say note sment and one thing is to

1024

00:53:16,659 --> 00:53:21,549

thank

1025

00:53:18,219 --> 00:53:25,750

George filer of the filers files for

1026

00:53:21,550 --> 00:53:29,980

reprinting my blogspot mom which was

1027
00:53:25,750 --> 00:53:33,820
called evolution extraterrestrial

1028
00:53:29,980 --> 00:53:36,670
evolution and here III we printed it on

1029
00:53:33,820 --> 00:53:41,890
filers files and it has gotten a lot of

1030
00:53:36,670 --> 00:53:43,900
positive feedback not only that but I

1031
00:53:41,889 --> 00:53:47,139
wanted to mention one of our other

1032
00:53:43,900 --> 00:53:49,480
listeners whose name is Oberon hedge co

1033
00:53:47,139 --> 00:53:51,849
and and just mention him sort of

1034
00:53:49,480 --> 00:53:55,860
shout-out to him because he sent such a

1035
00:53:51,849 --> 00:53:58,630
nice holiday Christmas message to us

1036
00:53:55,860 --> 00:54:02,260
wishing us a happy holiday and saying

1037
00:53:58,630 --> 00:54:04,119
how much he really liked our podcast and

1038
00:54:02,260 --> 00:54:06,610
how he thought it was really tip-top and

1039
00:54:04,119 --> 00:54:07,150
none better well thank you so much

1040
00:54:06,610 --> 00:54:10,030
really

1041
00:54:07,150 --> 00:54:12,030
that's nice to hear things yes it is you

1042
00:54:10,030 --> 00:54:14,800
know sometimes you feel like you're just

1043
00:54:12,030 --> 00:54:16,900
broadcasting into the ether and nobody's

1044
00:54:14,800 --> 00:54:19,420
out there and so it's great especially

1045
00:54:16,900 --> 00:54:22,630
positive feedback is always very very

1046
00:54:19,420 --> 00:54:25,480
fresh it is very appreciated and we

1047
00:54:22,630 --> 00:54:27,789
accept all kinds of feedback but we do I

1048
00:54:25,480 --> 00:54:30,639
positively also for the positive release

1049
00:54:27,789 --> 00:54:33,039
the constructive you not just be a and

1050
00:54:30,639 --> 00:54:36,400
one thing to remember about this podcast

1051
00:54:33,039 --> 00:54:38,739
is that it is conversational because

1052
00:54:36,400 --> 00:54:40,809
basically the only real criticism I've

1053
00:54:38,739 --> 00:54:45,009
gotten on on our different various

1054
00:54:40,809 --> 00:54:47,320
venues is that we talk to well hello if

1055

00:54:45,010 --> 00:54:50,170
you just want to hear the person most of

1056
00:54:47,320 --> 00:54:51,730
our guests are pretty famous and there

1057
00:54:50,170 --> 00:54:56,260
is stuff out there with just them

1058
00:54:51,730 --> 00:54:58,750
talking at you know continuously this is

1059
00:54:56,260 --> 00:55:01,780
not a podcast which somebody gives a

1060
00:54:58,750 --> 00:55:06,510
speech we are a conversational podcast I

1061
00:55:01,780 --> 00:55:10,870
also would like to thank our our

1062
00:55:06,510 --> 00:55:15,000
engineer Phil and and another person who

1063
00:55:10,869 --> 00:55:17,769
has been helping with our online issues

1064
00:55:15,000 --> 00:55:20,349
technical issues and that's Jerry and no

1065
00:55:17,769 --> 00:55:22,150
less names mentioned here because not

1066
00:55:20,349 --> 00:55:24,699
necessarily Jerry knows who he is and

1067
00:55:22,150 --> 00:55:26,829
Bill knows who he is but we thank them

1068
00:55:24,699 --> 00:55:29,049
both independently and they're both

1069
00:55:26,829 --> 00:55:30,078

being watched so they both see and watch

1070

00:55:29,050 --> 00:55:33,239
you know

1071

00:55:30,079 --> 00:55:38,789
and I believe that one of our next

1072

00:55:33,239 --> 00:55:41,159
guests is the Ryan Sprague okay and he

1073

00:55:38,789 --> 00:55:44,009
has written a new book which is very

1074

00:55:41,159 --> 00:55:46,318
very interesting and I believe it's in

1075

00:55:44,009 --> 00:55:48,329
the skies and I think I might have left

1076

00:55:46,318 --> 00:55:51,778
out a word there but I'm in the midst of

1077

00:55:48,329 --> 00:55:54,829
reading it I'm very positively impressed

1078

00:55:51,778 --> 00:55:58,438
by it and we're hoping to have him on

1079

00:55:54,829 --> 00:56:01,019
next or next after that but he's agreed

1080

00:55:58,438 --> 00:56:02,818
and we we want to speak with him and I'm

1081

00:56:01,018 --> 00:56:06,658
sure you'll be loving to hear from him

1082

00:56:02,818 --> 00:56:08,938
and so now Kate yes and he's fishy bye

1083

00:56:06,659 --> 00:56:11,128
well no no no we have to wish our

1084
00:56:08,938 --> 00:56:14,248
listeners a Happy New Year absolutely a

1085
00:56:11,128 --> 00:56:14,868
healthy and prosperous one live long and

1086
00:56:14,248 --> 00:56:17,938
prosper

1087
00:56:14,869 --> 00:56:19,858
live long and prosper and I'm climate

1088
00:56:17,938 --> 00:56:22,078
try to do that I do like this Spock

1089
00:56:19,858 --> 00:56:24,898
finger in there I can't quite guy and

1090
00:56:22,079 --> 00:56:26,999
there I go there goes me I can't leave

1091
00:56:24,898 --> 00:56:30,509
it with one hand all right well anyway

1092
00:56:26,998 --> 00:56:31,618
in memory of the good Valenti boy yes it

1093
00:56:30,509 --> 00:56:36,148

1094
00:56:31,619 --> 00:56:41,689
okay I guess it's time to say good

1095
00:56:36,148 --> 00:56:41,688
goodbye from shattered reality

1096
00:56:47,489 --> 00:56:51,429
