

1
00:00:08,570 --> 00:00:12,210
[Music]

2
00:00:17,189 --> 00:00:25,300
welcome to shattered reality with your

3
00:00:20,679 --> 00:00:28,239
hosts Kate Valentine and furs prepared

4
00:00:25,300 --> 00:00:32,289
to had a paradigm is shifted and your

5
00:00:28,239 --> 00:00:35,320
truths questioned and now shattered

6
00:00:32,289 --> 00:00:37,988
reality hey another day and another

7
00:00:35,320 --> 00:00:40,238
reality to be shattered faroush a-- yes

8
00:00:37,988 --> 00:00:41,679
indeed Kate how are you today I'm fine

9
00:00:40,238 --> 00:00:44,530
thank you how have you been I've been

10
00:00:41,679 --> 00:00:46,988
I've been okay but I actually did have a

11
00:00:44,530 --> 00:00:51,399
very strange experience this morning

12
00:00:46,988 --> 00:00:54,548
that involves our next guest and I want

13
00:00:51,399 --> 00:00:59,439
to just slate before we start today is

14
00:00:54,548 --> 00:01:02,350
February 28th 2017 man I'm here to say

15
00:00:59,439 --> 00:01:06,368
that we have a marvelously interesting

16
00:01:02,350 --> 00:01:09,540
guest today we have mr. Tom Butler who

17
00:01:06,368 --> 00:01:15,340
is an expert on electronic voice

18
00:01:09,540 --> 00:01:21,969
production also known as EVP he has two

19
00:01:15,340 --> 00:01:27,039
websites one of which is a tra NSC org

20
00:01:21,968 --> 00:01:32,158
the other is etheric studies org he also

21
00:01:27,039 --> 00:01:35,530
has a book called your immortal self

22
00:01:32,159 --> 00:01:38,679
exploring the mindful way and this book

23
00:01:35,530 --> 00:01:43,030
is almost like three books in one it is

24
00:01:38,679 --> 00:01:47,618
a very it is a very compelling book it

25
00:01:43,030 --> 00:01:49,659
has loads of information in it not only

26
00:01:47,618 --> 00:01:53,670
about electronic voice production but

27
00:01:49,659 --> 00:01:56,859
other things he and his wife Lisa are

28
00:01:53,670 --> 00:02:01,179
the people in charge of a group called a

29

00:01:56,858 --> 00:02:04,899
trans C which is a publicly funded group

30
00:02:01,179 --> 00:02:07,719
that involves electronic voice

31
00:02:04,899 --> 00:02:09,189
production and let's say hello to Tom

32
00:02:07,718 --> 00:02:10,979
and he'll tell us more about it it

33
00:02:09,189 --> 00:02:16,509
sounds like a great idea

34
00:02:10,979 --> 00:02:19,780
hello so what we wanted to start off

35
00:02:16,509 --> 00:02:20,509
with with was maybe for you to explain

36
00:02:19,780 --> 00:02:23,330
to us

37
00:02:20,509 --> 00:02:25,969
little bit about these acronyms some of

38
00:02:23,330 --> 00:02:28,099
our listeners actually have met you and

39
00:02:25,969 --> 00:02:30,799
they have already one of them has a

40
00:02:28,098 --> 00:02:33,078
question for you other of our listeners

41
00:02:30,799 --> 00:02:36,129
I don't know all of our listeners we do

42
00:02:33,079 --> 00:02:40,849
have you know somewhat worldwide

43
00:02:36,128 --> 00:02:44,149

listenership certainly in the UK etc but

44

00:02:40,848 --> 00:02:47,479

not everybody is an expert on electronic

45

00:02:44,150 --> 00:02:50,150

voice production not or contraire so

46

00:02:47,479 --> 00:02:53,840

it's necessary for you to explain some

47

00:02:50,150 --> 00:02:56,120

of these acronyms if you don't mind ok

48

00:02:53,840 --> 00:02:59,719

well I'll start out with the the first

49

00:02:56,120 --> 00:03:03,560

one our association was started by a

50

00:02:59,719 --> 00:03:05,989

lady named Sarah II stepped 1982 and it

51

00:03:03,560 --> 00:03:09,829

was put together to help people who were

52

00:03:05,989 --> 00:03:13,009

working with what were really voices

53

00:03:09,829 --> 00:03:15,799

that shouldn't be on the recordings they

54

00:03:13,009 --> 00:03:18,888

were making there they would get in a

55

00:03:15,799 --> 00:03:22,489

very very quiet room and sometimes even

56

00:03:18,889 --> 00:03:26,000

put their recorder in a microwave oven

57

00:03:22,489 --> 00:03:27,680

to shield us from radio waves and they

58
00:03:26,000 --> 00:03:30,229
were still getting these voices and they

59
00:03:27,680 --> 00:03:33,549
they came to realise by the content of

60
00:03:30,229 --> 00:03:35,659
some of the words that there were often

61
00:03:33,549 --> 00:03:39,530
voices of people that are on the other

62
00:03:35,659 --> 00:03:43,668
side now loved ones we're it was common

63
00:03:39,530 --> 00:03:47,090
somebody would say like a good example I

64
00:03:43,669 --> 00:03:53,319
think is Martha Copeland's daughter

65
00:03:47,090 --> 00:03:56,840
Cathy transitioned very young and she

66
00:03:53,318 --> 00:04:00,128
started receiving when she recorded

67
00:03:56,840 --> 00:04:03,259
voices recorded with her audio recorder

68
00:04:00,128 --> 00:04:05,959
Cathy's voice would show up in the

69
00:04:03,259 --> 00:04:08,709
recording sometimes and we have one that

70
00:04:05,959 --> 00:04:13,519
I'm really proud of that she made were

71
00:04:08,709 --> 00:04:16,009
her Cathy's dog Martha inherited Cathy's

72
00:04:13,519 --> 00:04:21,158
dog when Cathy made her transition and

73
00:04:16,009 --> 00:04:24,699
the dog was home alone tearing things up

74
00:04:21,158 --> 00:04:27,469
Martha was of the habit of leaving a

75
00:04:24,699 --> 00:04:29,000
voice-activated recorder on because she

76
00:04:27,470 --> 00:04:32,469
always wanted to hear from our daughter

77
00:04:29,000 --> 00:04:34,189
and you get it in the recording it says

78
00:04:32,468 --> 00:04:37,459
doja No

79
00:04:34,189 --> 00:04:39,860
in Kathy's voice really scolding her dog

80
00:04:37,459 --> 00:04:41,689
that in the process of tearing up a

81
00:04:39,860 --> 00:04:43,879
house that's amazing that's kind of the

82
00:04:41,689 --> 00:04:46,550
nature of the voices and they're you

83
00:04:43,879 --> 00:04:49,519
know you're saying protection I only

84
00:04:46,550 --> 00:04:53,270
have to make one minor correction it's

85
00:04:49,519 --> 00:04:57,159
electronic voice phenomena oh and and

86

00:04:53,269 --> 00:05:01,069
did so that's the EVP and the

87
00:04:57,160 --> 00:05:04,340
instrumental transcommunication is a

88
00:05:01,069 --> 00:05:08,560
voice or is a acronym or a term coined

89
00:05:04,339 --> 00:05:10,969
to describe both voice and visual

90
00:05:08,560 --> 00:05:13,610
examples of this contact from the other

91
00:05:10,970 --> 00:05:17,000
side and the other one instrumental

92
00:05:13,610 --> 00:05:19,430
transcommunication is ITC yes

93
00:05:17,000 --> 00:05:22,910
what would the visual communications

94
00:05:19,430 --> 00:05:27,310
that would show up like on a TV a TV or

95
00:05:22,910 --> 00:05:30,200
something of that nature yeah more often

96
00:05:27,310 --> 00:05:32,750
something some of the early material and

97
00:05:30,199 --> 00:05:35,479
some that Lisa and I have recorded as

98
00:05:32,750 --> 00:05:37,899
you develop a video loop the idea is

99
00:05:35,480 --> 00:05:43,009
that you create a lot of the video

100
00:05:37,899 --> 00:05:45,979

frequency noise and the faces form in

101

00:05:43,009 --> 00:05:50,839

that noise just like voices form in the

102

00:05:45,980 --> 00:05:55,250

audio frequency noise and in some cases

103

00:05:50,839 --> 00:05:58,009

it's been people we've called on I have

104

00:05:55,250 --> 00:06:00,110

a fair likeness of my father there was

105

00:05:58,009 --> 00:06:02,389

one person that came through you can

106

00:06:00,110 --> 00:06:06,169

also create this audio or visual noise

107

00:06:02,389 --> 00:06:08,418

where there by rapidly moving water that

108

00:06:06,168 --> 00:06:13,189

has light reflected from it okay and

109

00:06:08,418 --> 00:06:15,769

then the that chaos that the whole idea

110

00:06:13,189 --> 00:06:17,959

seems like to come across all these

111

00:06:15,769 --> 00:06:22,069

phenomena is it looks like the

112

00:06:17,959 --> 00:06:24,019

impression of our intention causes more

113

00:06:22,069 --> 00:06:27,469

order to show up in a chaotic

114

00:06:24,019 --> 00:06:30,500

environment so basically these faces are

115
00:06:27,470 --> 00:06:34,010
what I call transform or the voices are

116
00:06:30,500 --> 00:06:36,410
transformed out of the noise a couple of

117
00:06:34,009 --> 00:06:38,569
shows ago one of our listeners a

118
00:06:36,410 --> 00:06:40,850
gentleman named Peter sometimes at the

119
00:06:38,569 --> 00:06:42,649
end of the show not today but sometimes

120
00:06:40,850 --> 00:06:45,200
at the end of the show we have something

121
00:06:42,649 --> 00:06:47,449
which is like listeners corner where

122
00:06:45,199 --> 00:06:47,779
some of our listeners will contact us

123
00:06:47,449 --> 00:06:49,789
about

124
00:06:47,779 --> 00:06:52,209
an experience that they have had and

125
00:06:49,790 --> 00:06:55,400
listener Peter a couple of shows ago

126
00:06:52,209 --> 00:06:58,459
came on and he was telling us about

127
00:06:55,399 --> 00:07:00,469
being out at the hotel in California

128
00:06:58,459 --> 00:07:05,750
famous hotel do you remember the name of

129
00:07:00,470 --> 00:07:07,639
a cait coronado or maybe so down in

130
00:07:05,750 --> 00:07:10,129
southern california and he was there

131
00:07:07,639 --> 00:07:12,379
with his son his young son who was like

132
00:07:10,129 --> 00:07:15,230
a teenager at the time if fellow's grown

133
00:07:12,379 --> 00:07:17,060
up now is probably around thirty but at

134
00:07:15,230 --> 00:07:20,180
the time he was a teenager and he

135
00:07:17,060 --> 00:07:23,660
stopped in there on his way to San Diego

136
00:07:20,180 --> 00:07:27,410
with his son and during the middle of

137
00:07:23,660 --> 00:07:30,200
the night Peter saw a the TV seemed to

138
00:07:27,410 --> 00:07:33,200
come on and a woman was asking for help

139
00:07:30,199 --> 00:07:36,050
and apparently she may have been one of

140
00:07:33,199 --> 00:07:40,129
the people who was killed in that hotel

141
00:07:36,050 --> 00:07:42,319
and in times past because the the people

142
00:07:40,129 --> 00:07:45,500
at the front desk were not that

143

00:07:42,319 --> 00:07:47,870
surprised by the fact that Peter had had

144
00:07:45,500 --> 00:07:51,139
an experience but his experience was

145
00:07:47,870 --> 00:07:54,829
rather lengthy with this woman on the TV

146
00:07:51,139 --> 00:07:57,439
box and he had pulled out the pulled out

147
00:07:54,829 --> 00:08:00,050
the connection to the wall and

148
00:07:57,439 --> 00:08:02,600
everything but she didn't go away until

149
00:08:00,050 --> 00:08:05,090
until the Sun came up I I believe that's

150
00:08:02,600 --> 00:08:07,700
what he told us in any case but that's

151
00:08:05,089 --> 00:08:12,609
would be a more of an ITC type of thing

152
00:08:07,699 --> 00:08:16,038
I take it yes the visual form of ITC

153
00:08:12,610 --> 00:08:20,050
you know every day I learned of a new

154
00:08:16,038 --> 00:08:22,490
way that these phenomena happened the

155
00:08:20,050 --> 00:08:25,129
one of the forms of phenomena that we

156
00:08:22,490 --> 00:08:30,379
get pretty frequently is what I refer to

157
00:08:25,129 --> 00:08:33,588

as face on turned off TV and very often

158

00:08:30,379 --> 00:08:37,490

there's a child in the picture or in the

159

00:08:33,589 --> 00:08:40,880

room and it's as if somebody is peering

160

00:08:37,490 --> 00:08:44,539

into the room and in relationship to

161

00:08:40,879 --> 00:08:47,929

this child and in some cases we've

162

00:08:44,539 --> 00:08:50,079

identified that it was like a aunt who

163

00:08:47,929 --> 00:08:53,299

is transitioned to the other side

164

00:08:50,080 --> 00:08:56,600

watching her child's first steps or that

165

00:08:53,299 --> 00:09:01,058

the little boys first steps and again

166

00:08:56,600 --> 00:09:03,428

the television set turned off and

167

00:09:01,058 --> 00:09:04,568

not visually the face not visible during

168

00:09:03,428 --> 00:09:06,999

the event

169

00:09:04,568 --> 00:09:11,558

but when pictures were taken in examined

170

00:09:06,999 --> 00:09:14,918

there's that face and it falls it

171

00:09:11,558 --> 00:09:17,228

doesn't follow any pattern of other

172
00:09:14,918 --> 00:09:19,688
kinds of phenomena it's all by itself

173
00:09:17,229 --> 00:09:24,819
and well you're describing from that

174
00:09:19,688 --> 00:09:26,228
Hotel sounds like a prolonged version of

175
00:09:24,818 --> 00:09:28,778
that I can see where they could be very

176
00:09:26,229 --> 00:09:33,099
unnerving for a person yeah especially

177
00:09:28,778 --> 00:09:36,879
since a she was he was alone with his

178
00:09:33,099 --> 00:09:39,479
young son wasn't a little child but he

179
00:09:36,879 --> 00:09:45,269
was and it was really right before

180
00:09:39,479 --> 00:09:48,549
cellphones were prominent with photo

181
00:09:45,269 --> 00:09:52,209
photographic capabilities so he has no

182
00:09:48,548 --> 00:09:54,458
photographic evidence but he sounded

183
00:09:52,208 --> 00:10:00,208
very credible and in or listener corner

184
00:09:54,458 --> 00:10:03,548
we never questioned the listener in a

185
00:10:00,208 --> 00:10:05,649
critical or parody disparaging way

186
00:10:03,548 --> 00:10:09,639
because everybody has their own

187
00:10:05,649 --> 00:10:12,068
experiences and it's not our duty to

188
00:10:09,639 --> 00:10:14,619
make light of them in any way shape or

189
00:10:12,068 --> 00:10:17,649
form if we've spoken to our listeners

190
00:10:14,619 --> 00:10:20,499
before our show we will never ever

191
00:10:17,649 --> 00:10:24,038
disparage them when they come on in

192
00:10:20,499 --> 00:10:27,099
terms of the listeners corner and wonder

193
00:10:24,038 --> 00:10:29,408
once in a while we do ask vaguely

194
00:10:27,099 --> 00:10:33,479
skeptical questions of our guests but

195
00:10:29,408 --> 00:10:35,649
it's not meant in any way to be sort of

196
00:10:33,479 --> 00:10:37,179
negative towards them but just that

197
00:10:35,649 --> 00:10:39,158
there are people who have questions that

198
00:10:37,178 --> 00:10:42,098
want to know that are not debunking but

199
00:10:39,158 --> 00:10:44,399
perhaps skeptical on some level I wonder

200

00:10:42,099 --> 00:10:47,079
if you could give us a little background

201
00:10:44,399 --> 00:10:51,328
and hope I say this gentleman's name

202
00:10:47,078 --> 00:10:56,678
correctly I believe that the foremost

203
00:10:51,328 --> 00:11:07,358
proponent of EVP early on was constant

204
00:10:56,678 --> 00:11:09,728
in a road I've thought of a ok so

205
00:11:07,359 --> 00:11:11,559
another country yes indeed EC Eastern

206
00:11:09,729 --> 00:11:13,778
European I believe I heard him speak

207
00:11:11,558 --> 00:11:14,730
once in German but German is not his

208
00:11:13,778 --> 00:11:17,009
first tongue

209
00:11:14,730 --> 00:11:21,240
I think you might have been a lefty and

210
00:11:17,009 --> 00:11:26,480
I'm not sure but in the Germanic area

211
00:11:21,240 --> 00:11:30,500
there yes he he was one actually

212
00:11:26,480 --> 00:11:35,120
Frederic Jorgensen is credited with

213
00:11:30,500 --> 00:11:38,039
discovering the phenomena 1959

214
00:11:35,120 --> 00:11:39,659

accidentally recording voices he was

215

00:11:38,039 --> 00:11:42,419

recording bird calls according to the

216

00:11:39,659 --> 00:11:44,879

story it's nighttime bird calls and he

217

00:11:42,419 --> 00:11:49,909

got on the recording that he listened to

218

00:11:44,879 --> 00:11:53,570

later his mother's voice and Virata they

219

00:11:49,909 --> 00:11:57,689

found out about his work and basically

220

00:11:53,570 --> 00:12:00,800

went to him to learn how to record these

221

00:11:57,690 --> 00:12:04,769

voices and the two of them study that

222

00:12:00,799 --> 00:12:07,169

Radha is credited with giving bringing

223

00:12:04,769 --> 00:12:10,889

EVP to the english-speaking world with

224

00:12:07,169 --> 00:12:13,860

the book called breakthrough and it all

225

00:12:10,889 --> 00:12:17,509

kind of began from there how did you

226

00:12:13,860 --> 00:12:17,509

start to get involved with her Tom

227

00:12:18,409 --> 00:12:25,379

I would not too long after we got

228

00:12:21,870 --> 00:12:30,028

married she picked up a book on by

229
00:12:25,379 --> 00:12:32,159
series two and started reading about EVP

230
00:12:30,028 --> 00:12:34,909
and it took her she said about a year

231
00:12:32,159 --> 00:12:38,639
before she started recording the first

232
00:12:34,909 --> 00:12:41,879
few messages that she listened had me

233
00:12:38,639 --> 00:12:45,269
listen to not only that I think that she

234
00:12:41,879 --> 00:12:48,360
I'm an engineer and I was really sure

235
00:12:45,269 --> 00:12:49,860
that she was mistaking and and I didn't

236
00:12:48,360 --> 00:12:52,769
hear anything with noise but then she

237
00:12:49,860 --> 00:12:54,839
finally recorded one that is probably

238
00:12:52,769 --> 00:12:57,899
one of the best messages I've ever heard

239
00:12:54,839 --> 00:13:01,110
and this says that a bird had fallen out

240
00:12:57,899 --> 00:13:04,528
of the nest by where she worked and then

241
00:13:01,110 --> 00:13:06,810
died and she asked her communicators

242
00:13:04,528 --> 00:13:11,068
during a VP session what she should have

243
00:13:06,809 --> 00:13:14,189
done and this angelic voice is the first

244
00:13:11,068 --> 00:13:18,360
EVP I ever heard said release and

245
00:13:14,190 --> 00:13:21,149
remember one voice and for that these

246
00:13:18,360 --> 00:13:24,810
messages are usually very short and for

247
00:13:21,149 --> 00:13:27,299
just a few syllables that is a world of

248
00:13:24,809 --> 00:13:28,229
information something for us to remember

249
00:13:27,299 --> 00:13:30,689
for all

250
00:13:28,230 --> 00:13:33,720
once on the other side so that's how

251
00:13:30,690 --> 00:13:40,050
kind of I got started mostly helping her

252
00:13:33,720 --> 00:13:43,170
and then later on Sara Estep she joined

253
00:13:40,049 --> 00:13:45,479
Sara's group and then Sara asked us if

254
00:13:43,169 --> 00:13:48,329
we would assume leadership of the group

255
00:13:45,480 --> 00:13:51,960
when she could no longer run it we said

256
00:13:48,330 --> 00:13:56,759
yes and took over in 2000 and that's

257

00:13:51,960 --> 00:13:58,620
kind of where we began we we just

258
00:13:56,759 --> 00:14:00,750
recently we changed the name from the

259
00:13:58,620 --> 00:14:07,500
American Association of electronic voice

260
00:14:00,750 --> 00:14:12,450
phenomena to insta was association

261
00:14:07,500 --> 00:14:14,279
transcommunication or a Trancy in 2010

262
00:14:12,450 --> 00:14:17,520
we did that because we had people from

263
00:14:14,279 --> 00:14:21,269
all around the world as members and we

264
00:14:17,519 --> 00:14:24,740
were studying many forms of transit

265
00:14:21,269 --> 00:14:26,970
Erica influence Lilia transcommunication

266
00:14:24,740 --> 00:14:30,120
following that definition mental

267
00:14:26,970 --> 00:14:32,070
mediumship is trans communication so we

268
00:14:30,120 --> 00:14:35,580
were studying all of that and to be able

269
00:14:32,070 --> 00:14:37,890
to broaden the audience and be more open

270
00:14:35,580 --> 00:14:40,830
to other countries we changed the name

271
00:14:37,889 --> 00:14:43,889

to Association trans communication and

272

00:14:40,830 --> 00:14:45,960

and unfortunately or I guess you could

273

00:14:43,889 --> 00:14:48,269

look at it as unfortunately people have

274

00:14:45,960 --> 00:14:52,230

different ways of looking at somebody's

275

00:14:48,269 --> 00:14:54,569

passing but and mrs. estep died last

276

00:14:52,230 --> 00:14:56,279

year is that correct there's a few years

277

00:14:54,570 --> 00:15:01,050

ago I'm not sure two years ago okay now

278

00:14:56,279 --> 00:15:02,579

but yeah it's been a few years and yeah

279

00:15:01,049 --> 00:15:05,189

we're still in touch with her her

280

00:15:02,580 --> 00:15:07,200

daughter and we have one of our books

281

00:15:05,190 --> 00:15:09,720

that you can download for free on the

282

00:15:07,200 --> 00:15:12,330

matter of fact the one that Lisa started

283

00:15:09,720 --> 00:15:13,680

but it's on the website you want to tell

284

00:15:12,330 --> 00:15:16,560

us the name of the book because many

285

00:15:13,679 --> 00:15:17,399

people who are listening may want to do

286

00:15:16,559 --> 00:15:18,989

exactly that

287

00:15:17,399 --> 00:15:22,139

so they'll know what to look for on your

288

00:15:18,990 --> 00:15:23,190

website now this is the a trancey org

289

00:15:22,139 --> 00:15:26,360

website correct

290

00:15:23,190 --> 00:15:31,350

all right under the year the resources

291

00:15:26,360 --> 00:15:34,409

and man I haven't looked at the word in

292

00:15:31,350 --> 00:15:36,180

her name it's a voice of eternity if I

293

00:15:34,409 --> 00:15:38,360

remember correctly she had another one

294

00:15:36,179 --> 00:15:38,359

as well

295

00:15:39,509 --> 00:15:46,230

there's other resources and but I find

296

00:15:44,639 --> 00:15:49,320

to time while you're looking for that

297

00:15:46,230 --> 00:15:52,199

that you know a lot of the so-called

298

00:15:49,320 --> 00:15:56,010

paranormal phenomena are relatively well

299

00:15:52,198 --> 00:15:58,259

known but EVP I've actually until

300
00:15:56,009 --> 00:16:01,708
Ferruccio brought it up I really was

301
00:15:58,259 --> 00:16:03,240
unfamiliar with it I just know it sounds

302
00:16:01,708 --> 00:16:06,899
fascinating but I just hadn't haven't

303
00:16:03,240 --> 00:16:09,028
really even heard of it well it's it's

304
00:16:06,899 --> 00:16:12,299
on the father that is voices of eternity

305
00:16:09,028 --> 00:16:16,649
your other book has roads to eternity

306
00:16:12,299 --> 00:16:19,250
but in the parapsychological community

307
00:16:16,649 --> 00:16:22,230
the people that study these phenomena

308
00:16:19,250 --> 00:16:24,000
EVPs kind of really low on the list of

309
00:16:22,230 --> 00:16:27,360
things they're going to study mm-hm

310
00:16:24,000 --> 00:16:30,179
it's the ITT in general both forms of

311
00:16:27,360 --> 00:16:32,490
the phenomena is just now beginning to

312
00:16:30,179 --> 00:16:36,799
get a little bit more recognition with

313
00:16:32,490 --> 00:16:41,278
with them prior to the movie white noise

314

00:16:36,799 --> 00:16:43,769
EVP was really it was so far out on the

315
00:16:41,278 --> 00:16:46,409
fringe of society that not too many

316
00:16:43,769 --> 00:16:48,269
people knew about it it's really it's

317
00:16:46,409 --> 00:16:51,208
incredible it's really difficult to say

318
00:16:48,269 --> 00:16:54,690
that it makes any kind of sense at all

319
00:16:51,208 --> 00:16:58,588
yet there it is and after the movie

320
00:16:54,690 --> 00:17:00,839
white noise that the producers told us

321
00:16:58,589 --> 00:17:05,250
that they wanted to make EVP a household

322
00:17:00,839 --> 00:17:07,529
term like crop circles and UFOs and so

323
00:17:05,250 --> 00:17:10,588
based on that we said okay we'll help

324
00:17:07,529 --> 00:17:13,019
advertise a book or a movie we had

325
00:17:10,588 --> 00:17:16,619
nothing to do with the movie itself so

326
00:17:13,019 --> 00:17:21,629
don't blame those Hollywood annihilation

327
00:17:16,619 --> 00:17:23,818
so to speak thanks yeah but since then

328
00:17:21,630 --> 00:17:25,350

you know every town has a few ghost

329

00:17:23,818 --> 00:17:29,869

hunting clubs and every ghost hunting

330

00:17:25,349 --> 00:17:34,199

club has a one or two EVP practitioners

331

00:17:29,869 --> 00:17:36,029

there's still a lot of people working

332

00:17:34,200 --> 00:17:38,789

with us privately you know the

333

00:17:36,029 --> 00:17:40,859

individual and small groups it's it

334

00:17:38,789 --> 00:17:43,789

actually has become pretty much of a

335

00:17:40,859 --> 00:17:46,500

common term amongst people

336

00:17:43,789 --> 00:17:49,769

paranormalists in general and it's

337

00:17:46,500 --> 00:17:52,910

little by little I was invited to help

338

00:17:49,769 --> 00:17:55,160

write a paragraph or a chapter rather

339

00:17:52,910 --> 00:17:59,090

a new handbook of metaphysics that came

340

00:17:55,160 --> 00:18:01,460

out a handbook of parapsychological 101

341

00:17:59,089 --> 00:18:04,819

grapes I forget the name of it anyway

342

00:18:01,460 --> 00:18:07,549

that the pair psychologist asked me to

343
00:18:04,819 --> 00:18:09,259
help him write the chapter on EVP and so

344
00:18:07,549 --> 00:18:11,960
there was actually a chapter in there

345
00:18:09,259 --> 00:18:16,640
for the first time ever on EVP so we're

346
00:18:11,960 --> 00:18:19,220
making progress good good now I know

347
00:18:16,640 --> 00:18:22,300
that you have had some difficulties with

348
00:18:19,220 --> 00:18:26,180
skeptics or really what I call debunkers

349
00:18:22,299 --> 00:18:29,629
and I feel like the people who are in

350
00:18:26,180 --> 00:18:33,320
the scientism crowd the people that are

351
00:18:29,630 --> 00:18:36,470
involved with Wikipedia who are just

352
00:18:33,319 --> 00:18:40,099
debunkers I you know am totally against

353
00:18:36,470 --> 00:18:45,039
that and a lot of our guests have had

354
00:18:40,099 --> 00:18:50,869
problems with their wiki pages such as

355
00:18:45,039 --> 00:18:55,639
dr. Russell Targ and so I'm really not a

356
00:18:50,869 --> 00:18:58,189
big fan of Wikipedia where it comes to

357
00:18:55,640 --> 00:19:00,259
anything having to do with metaphysics

358
00:18:58,190 --> 00:19:05,420
or the paranormal because they're the

359
00:19:00,259 --> 00:19:09,200
first ones who put a big heavy stone in

360
00:19:05,420 --> 00:19:12,410
your boat so to speak and but I do I

361
00:19:09,200 --> 00:19:15,130
just have I have one question which

362
00:19:12,410 --> 00:19:20,240
isn't skeptical exactly it's just

363
00:19:15,130 --> 00:19:23,080
something that sort of comes to my mind

364
00:19:20,240 --> 00:19:25,220
because of some experiences I have had

365
00:19:23,079 --> 00:19:30,129
specifically one with a particular

366
00:19:25,220 --> 00:19:33,279
client if you recall I do work as a

367
00:19:30,130 --> 00:19:35,780
intuitive reader I do not work

368
00:19:33,279 --> 00:19:38,420
specifically as a medium though I have

369
00:19:35,779 --> 00:19:42,559
had certain messages come through me

370
00:19:38,420 --> 00:19:44,870
though not certainly I am NOT a trance

371

00:19:42,559 --> 00:19:47,240
medium that has anybody speak through me

372
00:19:44,869 --> 00:19:50,089
and I don't claim to be able to speak to

373
00:19:47,240 --> 00:19:52,880
the dead per se but sometimes I do get

374
00:19:50,089 --> 00:19:58,220
messages and a woman came to me and she

375
00:19:52,880 --> 00:20:01,010
was getting a lot of messages from some

376
00:19:58,220 --> 00:20:04,069
entity that was claiming to be one or

377
00:20:01,009 --> 00:20:04,990
the other person in her life but then

378
00:20:04,069 --> 00:20:08,589
was telling her

379
00:20:04,990 --> 00:20:12,538
like 10 or 15 true things and then

380
00:20:08,589 --> 00:20:15,639
twisting things and when she came to me

381
00:20:12,538 --> 00:20:18,640
a ring that I was wearing started

382
00:20:15,640 --> 00:20:20,950
burning on my hand and it really kind of

383
00:20:18,640 --> 00:20:26,500
freaked me out to be honest with you and

384
00:20:20,950 --> 00:20:31,569
I actually sent her to have a a exorcism

385
00:20:26,500 --> 00:20:36,369

by a Buddhist healer that I am I know

386

00:20:31,569 --> 00:20:39,189

very well so I am wondering if and I am

387

00:20:36,369 --> 00:20:41,589

a believer that we really do not die

388

00:20:39,190 --> 00:20:44,710

that our consciousness goes on in some

389

00:20:41,589 --> 00:20:48,069

form do I know exactly what form no I

390

00:20:44,710 --> 00:20:49,870

can't tell you that but so I'm not like

391

00:20:48,069 --> 00:20:52,689

a person as I'm saying I'm not a

392

00:20:49,869 --> 00:20:56,288

debunker but how do we tell the

393

00:20:52,690 --> 00:20:58,659

difference between what I would call a

394

00:20:56,288 --> 00:21:02,769

dis incarnate entity a disembodied

395

00:20:58,659 --> 00:21:05,649

spirit maybe not a spirit of a person

396

00:21:02,769 --> 00:21:08,109

but nonetheless an entity how do we tell

397

00:21:05,648 --> 00:21:11,079

the difference between an entity like

398

00:21:08,109 --> 00:21:15,099

this woman seemed to have besieging her

399

00:21:11,079 --> 00:21:19,389

and you know you're you're dead you're

400
00:21:15,099 --> 00:21:23,019
dead grandmother let's say the current

401
00:21:19,390 --> 00:21:26,700
science mainstream psychology and

402
00:21:23,019 --> 00:21:31,079
increasingly with parapsychology is

403
00:21:26,700 --> 00:21:34,679
beginning to realize that we process

404
00:21:31,079 --> 00:21:37,689
information from our environment first

405
00:21:34,679 --> 00:21:40,120
unconsciously and then consciously I'll

406
00:21:37,690 --> 00:21:43,990
you know after it's been processed it's

407
00:21:40,119 --> 00:21:46,750
run through let's call it a way of a

408
00:21:43,990 --> 00:21:49,630
way of comparing the information with

409
00:21:46,750 --> 00:21:52,419
your worldview your memory of what's

410
00:21:49,630 --> 00:21:54,789
real and not real and if it doesn't fit

411
00:21:52,419 --> 00:21:57,460
with that then you might very well just

412
00:21:54,788 --> 00:22:02,829
reject it and never be consciously aware

413
00:21:57,460 --> 00:22:06,610
of it more likely what will happen is

414
00:22:02,829 --> 00:22:08,460
that it will match up some way with what

415
00:22:06,609 --> 00:22:11,918
you have in your memory your worldview

416
00:22:08,460 --> 00:22:14,919
and you will become conscious of that

417
00:22:11,919 --> 00:22:17,759
information based on your interpretation

418
00:22:14,919 --> 00:22:20,610
of it oh and and

419
00:22:17,759 --> 00:22:23,150
we they're beginning to realize that we

420
00:22:20,609 --> 00:22:26,009
go through every moment of our life

421
00:22:23,150 --> 00:22:28,280
basically doing that and that's things

422
00:22:26,009 --> 00:22:31,049
that we physically see those things that

423
00:22:28,279 --> 00:22:36,240
the working theory in parapsychology is

424
00:22:31,049 --> 00:22:38,309
that everything has a sigh or let's call

425
00:22:36,240 --> 00:22:40,769
it a psychic signature that it

426
00:22:38,309 --> 00:22:42,359
broadcasts out into the world and we're

427
00:22:40,769 --> 00:22:45,119
aware of all of those and we process

428

00:22:42,359 --> 00:22:48,289
them and ignore a lot of them and but

429
00:22:45,119 --> 00:22:52,169
all of them come to our conscious mind

430
00:22:48,289 --> 00:22:54,680
the way we understand them and so what

431
00:22:52,170 --> 00:23:00,660
happens I call it cultural contamination

432
00:22:54,680 --> 00:23:03,690
a good example is that whitey Schieffer

433
00:23:00,660 --> 00:23:06,180
had a cover on I think it was communion

434
00:23:03,690 --> 00:23:10,380
was this paperback yes

435
00:23:06,180 --> 00:23:13,620
an alien face on it before that book

436
00:23:10,380 --> 00:23:15,960
came out if aliens had it you know we're

437
00:23:13,619 --> 00:23:19,649
all shapes and sizes and colors you can

438
00:23:15,960 --> 00:23:22,759
imagine very happy now when people have

439
00:23:19,650 --> 00:23:25,500
an alien encounter it very typically

440
00:23:22,759 --> 00:23:28,859
matches up pretty closely with that book

441
00:23:25,500 --> 00:23:31,109
cover so right now when somebody says

442
00:23:28,859 --> 00:23:31,799

well I was abducted by aliens this what

443

00:23:31,109 --> 00:23:35,009
they look like

444

00:23:31,799 --> 00:23:37,259
my first thought is that the experience

445

00:23:35,009 --> 00:23:39,180
may very well be real but the way it's

446

00:23:37,259 --> 00:23:42,269
coming to me now the way the person is

447

00:23:39,180 --> 00:23:45,779
remembering and describing it to me has

448

00:23:42,269 --> 00:23:49,349
probably been changed because of his

449

00:23:45,779 --> 00:23:51,359
cultural upbringing yes well that's

450

00:23:49,349 --> 00:23:53,039
actually the way the body experiences

451

00:23:51,359 --> 00:23:55,319
pain too I mean there's the initial

452

00:23:53,039 --> 00:23:58,139
stimulus it goes into the spinal cord

453

00:23:55,319 --> 00:24:00,119
and the spinal cord then shoots it up to

454

00:23:58,140 --> 00:24:02,670
the cerebrum that will or will not

455

00:24:00,119 --> 00:24:06,089
reject that and so you have a three

456

00:24:02,670 --> 00:24:07,860
pathway of experiencing pain most of the

457
00:24:06,089 --> 00:24:10,019
time is just locally and it just shoots

458
00:24:07,859 --> 00:24:11,579
often that's that but that would be

459
00:24:10,019 --> 00:24:13,980
interesting because I'm sure the same

460
00:24:11,579 --> 00:24:15,629
pathway exists I think actually you're

461
00:24:13,980 --> 00:24:17,759
really onto something that makes perfect

462
00:24:15,630 --> 00:24:20,610
sense what you've been saying yes I

463
00:24:17,759 --> 00:24:23,809
agree where the way the trick is is

464
00:24:20,609 --> 00:24:27,409
being able to distinguish between yeah i

465
00:24:23,809 --> 00:24:30,480
okay yeah I know an awful lot about

466
00:24:27,410 --> 00:24:31,410
paranormal phenomena but I don't know

467
00:24:30,480 --> 00:24:33,779
enough about

468
00:24:31,410 --> 00:24:35,970
to say that no that's not real or that

469
00:24:33,779 --> 00:24:38,399
you you're mistaking about your

470
00:24:35,970 --> 00:24:38,940
experience and I don't think anybody

471
00:24:38,400 --> 00:24:41,460
does

472
00:24:38,940 --> 00:24:43,529
we're still learning it's knowable but

473
00:24:41,460 --> 00:24:47,370
we still have a lot to learn and when

474
00:24:43,529 --> 00:24:50,940
somebody has to let's say they're giving

475
00:24:47,369 --> 00:24:52,739
you a mediumship message it I know from

476
00:24:50,940 --> 00:24:55,980
personal experience because I give

477
00:24:52,740 --> 00:25:02,549
spirit greetings and spiritual society

478
00:24:55,980 --> 00:25:04,980
every Sunday that it's very easy for me

479
00:25:02,549 --> 00:25:07,680
to color my message to the person based

480
00:25:04,980 --> 00:25:09,960
on how I perceive the person if they

481
00:25:07,680 --> 00:25:11,700
look like they're really tired that I

482
00:25:09,960 --> 00:25:13,920
have to resist giving them a tired

483
00:25:11,700 --> 00:25:17,400
message now the message that's coming

484
00:25:13,920 --> 00:25:19,590
through might very well be a valid

485

00:25:17,400 --> 00:25:21,740
message it's just that by time I my

486
00:25:19,589 --> 00:25:25,649
unconscious mind gets through with it

487
00:25:21,740 --> 00:25:28,319
it's not so so accurate so what we talk

488
00:25:25,650 --> 00:25:31,740
about is lucidity meaning that I'm I'm

489
00:25:28,319 --> 00:25:34,799
more or less lucidly aware of my inner

490
00:25:31,740 --> 00:25:37,620
consciousness and and what I have a term

491
00:25:34,799 --> 00:25:40,379
life uses hyper lucidity meaning that I

492
00:25:37,619 --> 00:25:43,799
think I'm more or less aware but I'm not

493
00:25:40,380 --> 00:25:47,130
actually so one of the measures you can

494
00:25:43,799 --> 00:25:52,559
use is what I use for myself is is it a

495
00:25:47,130 --> 00:25:55,440
surprise to me if I'm thinking like worn

496
00:25:52,559 --> 00:25:57,990
out old man in front of me and instead

497
00:25:55,440 --> 00:26:00,450
I'm thinking wow you've got something

498
00:25:57,990 --> 00:26:03,059
really going on that's a surprise to me

499
00:26:00,450 --> 00:26:04,559

right and so I'll go with that and the

500

00:26:03,059 --> 00:26:07,619

same thing I think that if somebody

501

00:26:04,559 --> 00:26:11,099

tells you something if it sounds like

502

00:26:07,619 --> 00:26:14,219

them then I'll say oh okay well I'll

503

00:26:11,099 --> 00:26:18,269

keep that for future reference how do

504

00:26:14,220 --> 00:26:20,400

you feel about the concept that we are

505

00:26:18,269 --> 00:26:24,000

bombarded with a lot more information

506

00:26:20,400 --> 00:26:27,019

than we are actually able to process and

507

00:26:24,000 --> 00:26:30,420

that our minds are actually a

508

00:26:27,019 --> 00:26:32,700

transceiver of information from the

509

00:26:30,420 --> 00:26:35,310

consciousness which is larger so that

510

00:26:32,700 --> 00:26:38,039

our brains I mean are just a transceiver

511

00:26:35,309 --> 00:26:42,179

of that information and whittles down

512

00:26:38,039 --> 00:26:43,339

what we see so that we can continue to

513

00:26:42,180 --> 00:26:45,980

live in

514
00:26:43,339 --> 00:26:47,720
a world that might have predators or we

515
00:26:45,980 --> 00:26:53,539
have to watch out for not getting hit by

516
00:26:47,720 --> 00:26:56,990
a car etc etc the that emerging theory

517
00:26:53,539 --> 00:26:59,480
that has becoming widely accepted in

518
00:26:56,990 --> 00:27:02,319
parapsychology is written by James

519
00:26:59,480 --> 00:27:05,839
Carpenter he's is both mainstream

520
00:27:02,319 --> 00:27:07,970
psychologists I think the therapists and

521
00:27:05,839 --> 00:27:10,759
he's a he was president of the

522
00:27:07,970 --> 00:27:13,100
parapsychological Association for one

523
00:27:10,759 --> 00:27:17,480
year I think anyway he's written a book

524
00:27:13,099 --> 00:27:19,459
called first sight theory it's a

525
00:27:17,480 --> 00:27:23,110
difficult read Thursday if you if you

526
00:27:19,460 --> 00:27:27,380
google it with his name you'll find a

527
00:27:23,109 --> 00:27:31,279
pretty good PDF file on it I've I've got

528
00:27:27,380 --> 00:27:32,810
it on my etheric studies org if you

529
00:27:31,279 --> 00:27:34,329
search for a first sight there you can

530
00:27:32,809 --> 00:27:37,369
find it in a number of places and

531
00:27:34,329 --> 00:27:40,639
basically it just says what you just

532
00:27:37,369 --> 00:27:45,169
described and his piss operating species

533
00:27:40,640 --> 00:27:49,220
is that one everything produces the word

534
00:27:45,170 --> 00:27:51,860
psi sigh yes is the place keeper for

535
00:27:49,220 --> 00:27:54,769
psychic energy or it's likeif influence

536
00:27:51,859 --> 00:27:58,219
so everything produces a sign

537
00:27:54,769 --> 00:28:00,940
signal everything your dead Uncle John

538
00:27:58,220 --> 00:28:06,650
the chair in front of you everything oh

539
00:28:00,940 --> 00:28:09,200
and when you express your unconscious

540
00:28:06,650 --> 00:28:12,519
even before it becomes conscious to you

541
00:28:09,200 --> 00:28:16,640
your unconscious expression produces a

542

00:28:12,519 --> 00:28:19,099
psychokinetic signal or influence and so

543
00:28:16,640 --> 00:28:20,750
that's that's basically a force or

544
00:28:19,099 --> 00:28:22,730
influence that you're putting out into

545
00:28:20,750 --> 00:28:25,519
the environment so for instance when you

546
00:28:22,730 --> 00:28:28,309
think you know god I hate that car well

547
00:28:25,519 --> 00:28:31,190
you're sending a message out there that

548
00:28:28,309 --> 00:28:34,119
is certainly not helpful for your car no

549
00:28:31,190 --> 00:28:36,920
no no so so that's those are the two

550
00:28:34,119 --> 00:28:39,500
foundation ideas and then based on he's

551
00:28:36,920 --> 00:28:41,840
got thirteen corollaries that talk about

552
00:28:39,500 --> 00:28:44,150
well basically it's a rule set for how

553
00:28:41,839 --> 00:28:47,240
we think unconsciously and one of the

554
00:28:44,150 --> 00:28:49,610
things is that we turn toward ideas or

555
00:28:47,240 --> 00:28:52,549
we turn away from ideas unconsciously

556
00:28:49,609 --> 00:28:54,709

depending on our own interest we we

557

00:28:52,549 --> 00:28:56,750

switch back and forth very rapidly or

558

00:28:54,710 --> 00:29:00,390

not so rapidly

559

00:28:56,750 --> 00:29:03,329

the good news is that what I call

560

00:29:00,390 --> 00:29:04,920

mindful what mindfulness and not the

561

00:29:03,329 --> 00:29:08,099

mindful living they're teaching so much

562

00:29:04,920 --> 00:29:09,960

on the internet but being aware of the

563

00:29:08,099 --> 00:29:15,059

implications of your actions and

564

00:29:09,960 --> 00:29:17,640

thoughts you can actually control how

565

00:29:15,059 --> 00:29:20,700

you respond to these unconscious

566

00:29:17,640 --> 00:29:23,160

thoughts so if you're exactly right on

567

00:29:20,700 --> 00:29:26,400

you where you're going is the right side

568

00:29:23,160 --> 00:29:30,690

it's worth looking up I've tried to

569

00:29:26,400 --> 00:29:33,930

digest it and if I like I say search on

570

00:29:30,690 --> 00:29:36,630

ethic studies not org for first sight

571
00:29:33,930 --> 00:29:38,100
theory you know I've used I've applied

572
00:29:36,630 --> 00:29:41,100
it in there in a lot of different ways

573
00:29:38,099 --> 00:29:44,159
that will help people but it's to me

574
00:29:41,099 --> 00:29:47,969
it's a very powerful and important

575
00:29:44,160 --> 00:29:54,529
change to the paranormalist community

576
00:29:47,970 --> 00:29:58,829
because it gives you a foundation a good

577
00:29:54,529 --> 00:30:02,099
scientific foundation for why we need to

578
00:29:58,829 --> 00:30:04,679
be really careful about our channeling

579
00:30:02,099 --> 00:30:06,689
and our mediumship and our paranormal

580
00:30:04,680 --> 00:30:08,720
experiences because they're all being

581
00:30:06,690 --> 00:30:11,460
kind of translated by our unconscious

582
00:30:08,720 --> 00:30:14,309
expectations yes yes I could see where

583
00:30:11,460 --> 00:30:18,740
that would definitely be the case and I

584
00:30:14,309 --> 00:30:23,309
know that it within the community of

585
00:30:18,740 --> 00:30:26,339
near-death experiencers the the

586
00:30:23,309 --> 00:30:31,039
scientific people parapsychologists

587
00:30:26,339 --> 00:30:34,319
versus neuro scientists so to speak the

588
00:30:31,039 --> 00:30:36,930
parapsychologists often go with the idea

589
00:30:34,319 --> 00:30:39,809
which we just kind of spoke about

590
00:30:36,930 --> 00:30:42,779
whereas the neuroscientists many of them

591
00:30:39,809 --> 00:30:46,259
still believe that the brain is the

592
00:30:42,779 --> 00:30:48,899
center of the mind and unconsciousness

593
00:30:46,259 --> 00:30:51,869
whereas the parapsychologists are more

594
00:30:48,900 --> 00:30:55,890
taking the view that the consciousness

595
00:30:51,869 --> 00:31:00,059
is outside of the brain and the the

596
00:30:55,890 --> 00:31:02,520
brain is just relating as a transceiver

597
00:31:00,059 --> 00:31:08,429
of the information and sort of sorting

598
00:31:02,519 --> 00:31:09,808
the information out so right now with

599

00:31:08,430 --> 00:31:12,599

your

600

00:31:09,808 --> 00:31:14,278

group what is exactly what is going on

601

00:31:12,598 --> 00:31:17,519

right now that we should know about that

602

00:31:14,278 --> 00:31:20,148

our community should know about if they

603

00:31:17,519 --> 00:31:24,329

wish to interface with your community

604

00:31:20,148 --> 00:31:27,898

well we we stopped publishing a news

605

00:31:24,329 --> 00:31:31,769

journal a couple of years ago and one of

606

00:31:27,898 --> 00:31:33,928

the reasons why is that where our

607

00:31:31,769 --> 00:31:38,638

membership had dwindled a little bit and

608

00:31:33,929 --> 00:31:41,839

Facebook became websites like Facebook

609

00:31:38,638 --> 00:31:46,348

became very popular too for people to

610

00:31:41,838 --> 00:31:49,558

socialize really and so we just kind of

611

00:31:46,348 --> 00:31:51,928

felt like we were not doing as much good

612

00:31:49,558 --> 00:31:53,848

as we were originally and people pretty

613

00:31:51,929 --> 00:31:57,570

evolved into other areas plus I think

614

00:31:53,848 --> 00:32:01,558

Lisa and I we were due for a little bit

615

00:31:57,569 --> 00:32:04,979

of vacation time I think so we we've cut

616

00:32:01,558 --> 00:32:07,888

back the I have one research project

617

00:32:04,979 --> 00:32:12,808

that I'm still trying to put together

618

00:32:07,888 --> 00:32:17,238

that's studying the the energy content

619

00:32:12,808 --> 00:32:21,690

of EVP signals or some sound streams

620

00:32:17,239 --> 00:32:25,348

other than that I produce a an

621

00:32:21,690 --> 00:32:27,330

occasional update of what's going on and

622

00:32:25,348 --> 00:32:31,079

and it's there's a place on the website

623

00:32:27,329 --> 00:32:36,178

for a transit org to register for that

624

00:32:31,079 --> 00:32:38,038

and also we're maintaining the the idea

625

00:32:36,179 --> 00:32:39,960

exchange discussion board although right

626

00:32:38,038 --> 00:32:43,079

now it's kind of a ghost town but I

627

00:32:39,960 --> 00:32:46,048

maintain that primarily for people who

628
00:32:43,079 --> 00:32:48,358
want to come in and ask questions and

629
00:32:46,048 --> 00:32:50,308
share ideas and everything so I'm

630
00:32:48,358 --> 00:32:51,628
thinking that as people we're out on

631
00:32:50,308 --> 00:32:53,519
Facebook they're going to be coming

632
00:32:51,628 --> 00:32:58,259
around to that again so those are the

633
00:32:53,519 --> 00:33:02,190
two areas were who mike myself I'm I'm

634
00:32:58,259 --> 00:33:03,778
in the process of starting a another

635
00:33:02,190 --> 00:33:05,729
book that's focused on trans

636
00:33:03,778 --> 00:33:08,729
communications specifically it's going

637
00:33:05,729 --> 00:33:10,798
to still have some of the social

638
00:33:08,729 --> 00:33:12,558
environmental issues involved in it you

639
00:33:10,798 --> 00:33:16,829
can't get away from the way we perceive

640
00:33:12,558 --> 00:33:20,670
about that but also I want to get back

641
00:33:16,829 --> 00:33:25,289
to the video loop ITC

642
00:33:20,670 --> 00:33:27,810
and start working on collection of more

643
00:33:25,289 --> 00:33:30,779
modern technology brought to that now

644
00:33:27,809 --> 00:33:35,639
what would you say to somebody who has

645
00:33:30,779 --> 00:33:36,470
had an experience such as a an EVP or an

646
00:33:35,640 --> 00:33:40,980
ITC

647
00:33:36,470 --> 00:33:44,730
how can they look to preserve it or in

648
00:33:40,980 --> 00:33:46,860
some way document it what would be your

649
00:33:44,730 --> 00:33:49,349
basic not somebody who's gonna spend

650
00:33:46,859 --> 00:33:54,419
their life doing it but somebody who has

651
00:33:49,349 --> 00:33:59,579
this experience well this always has

652
00:33:54,420 --> 00:34:01,440
been an interesting point the electronic

653
00:33:59,579 --> 00:34:04,799
voice phenomena examples are really

654
00:34:01,440 --> 00:34:08,250
quite common and when you start looking

655
00:34:04,799 --> 00:34:09,869
for them and what we try to teach first

656

00:34:08,250 --> 00:34:13,469
of all is people how to be able to

657
00:34:09,869 --> 00:34:16,139
record these for themselves but the

658
00:34:13,469 --> 00:34:18,779
biggest thing I think is for people to

659
00:34:16,139 --> 00:34:20,579
try to the takeaway message on it

660
00:34:18,780 --> 00:34:23,010
electronic voice phenomena isn't the

661
00:34:20,579 --> 00:34:26,668
message so much is the fact that it's

662
00:34:23,010 --> 00:34:29,550
there the existence of it and I I think

663
00:34:26,668 --> 00:34:32,609
that every every generation or a few

664
00:34:29,550 --> 00:34:35,190
generations has its own spiritual

665
00:34:32,610 --> 00:34:37,440
revelation and you know you go back to

666
00:34:35,190 --> 00:34:39,510
Egypt and Hermes and you've got Christ

667
00:34:37,440 --> 00:34:41,970
and you've got cultural different

668
00:34:39,510 --> 00:34:44,970
teachers come in and provide a

669
00:34:41,969 --> 00:34:48,949
revelation of what we who we really are

670
00:34:44,969 --> 00:34:54,029

and our relationship to greater reality

671

00:34:48,949 --> 00:34:56,099

well I feel like the paranormal

672

00:34:54,030 --> 00:34:59,550

phenomena we're all experiencing these

673

00:34:56,099 --> 00:35:03,480

days is part of a new form of revelation

674

00:34:59,550 --> 00:35:05,880

and and and effect that it's teaching as

675

00:35:03,480 --> 00:35:08,940

far as a physical medium doesn't

676

00:35:05,880 --> 00:35:11,610

demonstrate to to give you a g-wiz that

677

00:35:08,940 --> 00:35:14,789

was fantastic experience he's teaching

678

00:35:11,610 --> 00:35:17,730

you that you continue after the same

679

00:35:14,789 --> 00:35:20,309

call death that's really the reason why

680

00:35:17,730 --> 00:35:22,409

he demonstrates same thing for

681

00:35:20,309 --> 00:35:25,920

mediumship you don't give a message to

682

00:35:22,409 --> 00:35:27,480

somebody to connect them to their loved

683

00:35:25,920 --> 00:35:29,730

one because he'll just turn around go

684

00:35:27,480 --> 00:35:31,289

find some somebody else and get

685
00:35:29,730 --> 00:35:34,420
connected again and it becomes almost

686
00:35:31,289 --> 00:35:37,239
obsessive what we do is we try to

687
00:35:34,420 --> 00:35:39,519
show the continuity of life that's the

688
00:35:37,239 --> 00:35:42,818
revelation well that's wonderful that is

689
00:35:39,519 --> 00:35:46,690
and I think the NDE people are kind of

690
00:35:42,818 --> 00:35:49,029
working on the same principles which

691
00:35:46,690 --> 00:35:53,679
brings me you sort of answered one of

692
00:35:49,030 --> 00:35:59,650
the questions that one of our listeners

693
00:35:53,679 --> 00:36:03,190
had which was that you had a June 2006

694
00:35:59,650 --> 00:36:07,630
conference which featured Allen botkin

695
00:36:03,190 --> 00:36:10,450
the late sarah SC step and Gary Schwartz

696
00:36:07,630 --> 00:36:14,250
Alec McCray from the Isle of Skye and

697
00:36:10,449 --> 00:36:18,818
some of the skull experiment people and

698
00:36:14,250 --> 00:36:21,010
my friend and and listener said he had

699
00:36:18,818 --> 00:36:22,900
met you there he was very impressed but

700
00:36:21,010 --> 00:36:27,190
he was surprised that you never had

701
00:36:22,900 --> 00:36:29,019
another conference and this may be part

702
00:36:27,190 --> 00:36:32,920
of the fact that you decided to take a

703
00:36:29,019 --> 00:36:34,809
little step backward and and take a

704
00:36:32,920 --> 00:36:36,548
vacation if you will is that is that the

705
00:36:34,809 --> 00:36:40,119
case because he was very impressed by

706
00:36:36,548 --> 00:36:41,650
your work at that conference that we

707
00:36:40,119 --> 00:36:43,869
were impressed too I mean the people

708
00:36:41,650 --> 00:36:47,048
that we were able to attract to that

709
00:36:43,869 --> 00:36:52,500
from around the world really it was it

710
00:36:47,048 --> 00:36:52,500
was very much of an international

711
00:36:55,588 --> 00:37:02,588
organisations money quite a bit actually

712
00:36:59,199 --> 00:37:04,480
and we attempted to have one a couple

713

00:37:02,588 --> 00:37:08,940
years later and actually had to cancel

714
00:37:04,480 --> 00:37:10,929
it because the lack of interest Wow it

715
00:37:08,940 --> 00:37:12,639
well there's a couple of things going on

716
00:37:10,929 --> 00:37:14,469
one of them Lisa iron probably not the

717
00:37:12,639 --> 00:37:18,250
most charismatic people in the world

718
00:37:14,469 --> 00:37:21,818
we're pragmatic and the majority people

719
00:37:18,250 --> 00:37:25,358
working with these phenomena it's more

720
00:37:21,818 --> 00:37:26,980
hobby level in its son if it isn't son

721
00:37:25,358 --> 00:37:29,440
they don't want to do it

722
00:37:26,980 --> 00:37:30,880
there's old phrasing and spiritual

723
00:37:29,440 --> 00:37:35,260
developments that you've got to do the

724
00:37:30,880 --> 00:37:36,670
work well we our organization kind of

725
00:37:35,260 --> 00:37:40,450
build up around the idea that you've got

726
00:37:36,670 --> 00:37:44,380
to do the work right and and there's no

727
00:37:40,449 --> 00:37:47,078

fun so I hear I didn't in danger of

728

00:37:44,380 --> 00:37:47,650

making excuses I don't know exactly what

729

00:37:47,079 --> 00:37:50,920

happened

730

00:37:47,650 --> 00:37:55,380

but it has time went on interest moved

731

00:37:50,920 --> 00:37:58,720

on to other areas and we just basically

732

00:37:55,380 --> 00:38:03,460

decided that we weren't real successful

733

00:37:58,719 --> 00:38:06,219

and recruiting board members and other

734

00:38:03,460 --> 00:38:07,000

leaders and stuff like that I'm in my

735

00:38:06,219 --> 00:38:10,329

70s

736

00:38:07,000 --> 00:38:15,519

Oh oh my god and I'm enjoying cruising

737

00:38:10,329 --> 00:38:17,909

and I'm writing books and we we've

738

00:38:15,519 --> 00:38:21,730

recruited recruited a couple people that

739

00:38:17,909 --> 00:38:23,980

disappeared one of them died and we kind

740

00:38:21,730 --> 00:38:25,990

of gave up so the way it stands right

741

00:38:23,980 --> 00:38:27,820

now is that we're thinking more in terms

742
00:38:25,989 --> 00:38:29,439
of legacy we were trying to preserve

743
00:38:27,820 --> 00:38:32,890
we've got all the newsletters on the

744
00:38:29,440 --> 00:38:37,869
website now but it's time for the next

745
00:38:32,889 --> 00:38:40,629
generation yes I hear you and it sort of

746
00:38:37,869 --> 00:38:43,000
sounds like the UFO conferences where

747
00:38:40,630 --> 00:38:45,579
the age group is getting older and older

748
00:38:43,000 --> 00:38:48,340
that attends these different UFO

749
00:38:45,579 --> 00:38:51,059
conferences and people want it to be fun

750
00:38:48,340 --> 00:38:55,630
rather than putting in the legwork and

751
00:38:51,059 --> 00:38:58,509
also the younger generation of people do

752
00:38:55,630 --> 00:39:01,720
everything online but my friend had said

753
00:38:58,510 --> 00:39:04,360
that your 2006 conference was very well

754
00:39:01,719 --> 00:39:06,399
attended and he was very pleased with it

755
00:39:04,360 --> 00:39:09,519
so that's a little Kudo to you at any

756
00:39:06,400 --> 00:39:11,440
rate yeah we appreciate that because it

757
00:39:09,519 --> 00:39:14,440
was hard work but it was also very

758
00:39:11,440 --> 00:39:18,369
rewarding for us because the the

759
00:39:14,440 --> 00:39:20,500
speakers and the attendees well I was

760
00:39:18,369 --> 00:39:22,119
going to say to that it's interesting

761
00:39:20,500 --> 00:39:24,039
that you look on the brain as a

762
00:39:22,119 --> 00:39:26,139
transceiver I mean that would explain

763
00:39:24,039 --> 00:39:29,519
the epiphanies that you see throughout

764
00:39:26,139 --> 00:39:36,819
history not just socially but also

765
00:39:29,519 --> 00:39:39,940
scientifically to showing that yeah I

766
00:39:36,820 --> 00:39:42,490
mean you know the Watson and Crick

767
00:39:39,940 --> 00:39:45,010
waking up thinking about a snake eating

768
00:39:42,489 --> 00:39:47,709
its tail and realizing that that's the

769
00:39:45,010 --> 00:39:50,470
RNA or DNA structure there's just so

770

00:39:47,710 --> 00:39:52,929
many examples Tesla used to go in these

771
00:39:50,469 --> 00:39:55,629
deep states and then come out and figure

772
00:39:52,929 --> 00:39:58,719
out how alternating current existed well

773
00:39:55,630 --> 00:40:00,240
it's almost as if the information exists

774
00:39:58,719 --> 00:40:02,759
out there

775
00:40:00,239 --> 00:40:05,729
and I've always had that feeling that

776
00:40:02,760 --> 00:40:08,790
that's you know animals know how to do

777
00:40:05,730 --> 00:40:11,490
things they know how to build a nest and

778
00:40:08,789 --> 00:40:14,608
we don't and that informations out there

779
00:40:11,489 --> 00:40:16,829
go ahead well just a rate radio company

780
00:40:14,608 --> 00:40:20,098
comes to me that radio was sort of

781
00:40:16,829 --> 00:40:22,139
simultaneously developed in various

782
00:40:20,099 --> 00:40:24,030
different places in the world not only

783
00:40:22,139 --> 00:40:26,608
by Marconi but other people were

784
00:40:24,030 --> 00:40:29,599

developing it at the same time so it was

785

00:40:26,608 --> 00:40:33,529

an idea whose time had come and somehow

786

00:40:29,599 --> 00:40:37,530

that information was put out on the

787

00:40:33,530 --> 00:40:43,710

psychic network so to speak so once

788

00:40:37,530 --> 00:40:48,060

again look up Rupert Sheldrake yes he

789

00:40:43,710 --> 00:40:50,599

has a theory actually I'm I'm barred for

790

00:40:48,059 --> 00:40:54,750

life from working on his website his

791

00:40:50,599 --> 00:40:58,380

Wikipedia article it's interesting

792

00:40:54,750 --> 00:41:01,099

because the skeptics just hate his work

793

00:40:58,380 --> 00:41:04,440

he's a wonderful man my fabulous

794

00:41:01,099 --> 00:41:06,660

formative causation basically gives you

795

00:41:04,440 --> 00:41:10,619

a model for why those birds know how to

796

00:41:06,659 --> 00:41:13,679

do that and why simultaneous discoveries

797

00:41:10,619 --> 00:41:16,349

occur it's one of the formative

798

00:41:13,679 --> 00:41:18,539

influences on the writing of my book so

799

00:41:16,349 --> 00:41:20,640
as an electronics engineer it would be

800

00:41:18,539 --> 00:41:22,650
interesting for you to figure out what

801

00:41:20,639 --> 00:41:24,598
the frequency of that transmission is

802

00:41:22,650 --> 00:41:27,358
because you could pick up knowing the

803

00:41:24,599 --> 00:41:28,769
frequency just lots of information and I

804

00:41:27,358 --> 00:41:31,679
think that's that's where you were so

805

00:41:28,769 --> 00:41:35,250
headed well we spend a lot of time

806

00:41:31,679 --> 00:41:37,079
looking for frequencies I mean literally

807

00:41:35,250 --> 00:41:39,659
we've tried we've looked under just

808

00:41:37,079 --> 00:41:45,269
about every rock you can imagine it's up

809

00:41:39,659 --> 00:41:48,049
and down the answer is one of my goals

810

00:41:45,269 --> 00:41:51,420
as an engineer you're always looking for

811

00:41:48,050 --> 00:41:55,950
the mechanics I live in a very

812

00:41:51,420 --> 00:41:58,950
actionable philosophy world and the

813
00:41:55,949 --> 00:42:01,379
etheric physical interface what Nick is

814
00:41:58,949 --> 00:42:03,329
I know how does this thought turn into a

815
00:42:01,380 --> 00:42:08,160
signal and it's up on your recorder

816
00:42:03,329 --> 00:42:12,969
well the etheric is conceptual and the

817
00:42:08,159 --> 00:42:15,608
physical is conceptual assigned has

818
00:42:12,969 --> 00:42:18,219
physical that's the you know if we're

819
00:42:15,608 --> 00:42:19,630
creating our own reality basically what

820
00:42:18,219 --> 00:42:22,000
it boils down to is that we as a

821
00:42:19,630 --> 00:42:24,490
collective understanding have decided

822
00:42:22,000 --> 00:42:27,460
that when we have an experience that's

823
00:42:24,489 --> 00:42:31,868
that is supposed to be physical then we

824
00:42:27,460 --> 00:42:35,230
assign physicality to what becomes part

825
00:42:31,869 --> 00:42:37,420
of our consciousness so in a matter of

826
00:42:35,230 --> 00:42:42,608
speaking that electronic voice phenomena

827

00:42:37,420 --> 00:42:45,059
is a concept that's been brought into

828
00:42:42,608 --> 00:42:48,848
the physical and the actual physical

829
00:42:45,059 --> 00:42:51,369
mechanism force appears to be a form of

830
00:42:48,849 --> 00:42:53,950
stochastic amplification basically

831
00:42:51,369 --> 00:42:58,059
that's a very broad spectrum large

832
00:42:53,949 --> 00:43:01,419
signal audio signal optical signal will

833
00:42:58,059 --> 00:43:06,730
amplify a weak signal so that it becomes

834
00:43:01,420 --> 00:43:10,650
visible or optical audio that interface

835
00:43:06,730 --> 00:43:17,019
has nothing to do with electromagnetic

836
00:43:10,650 --> 00:43:20,829
electricity frequency anything it's it's

837
00:43:17,019 --> 00:43:23,530
it's basically a conceptual influence on

838
00:43:20,829 --> 00:43:27,369
a physical process and the closest I can

839
00:43:23,530 --> 00:43:31,990
come to that is in the brain we don't

840
00:43:27,369 --> 00:43:35,140
see a neuron fire for recognition of a

841
00:43:31,989 --> 00:43:37,779

color we see a field of neurons firing

842

00:43:35,139 --> 00:43:42,460

and what they're doing is they're

843

00:43:37,780 --> 00:43:45,550

producing broad-spectrum energetic field

844

00:43:42,460 --> 00:43:50,579

very much like the noise in our EVP or

845

00:43:45,550 --> 00:43:54,280

the visible noise and our ITC visual ITC

846

00:43:50,579 --> 00:43:56,219

so the the same physical processes we're

847

00:43:54,280 --> 00:43:58,690

seeing here they're everywhere

848

00:43:56,219 --> 00:44:02,219

associated with these phenomena and

849

00:43:58,690 --> 00:44:06,639

again the it's very dangerous

850

00:44:02,219 --> 00:44:09,269

intellectually to try to explain these

851

00:44:06,639 --> 00:44:11,469

phenomena based on physical principles

852

00:44:09,269 --> 00:44:13,449

because basically what we see is a

853

00:44:11,469 --> 00:44:15,309

manifestation you just don't see the

854

00:44:13,449 --> 00:44:18,219

energy behind it it has to be an energy

855

00:44:15,309 --> 00:44:20,710

field somewhere there has to be if we

856
00:44:18,219 --> 00:44:24,338
influence thanks think influence instead

857
00:44:20,710 --> 00:44:26,769
of energy there's an influence but that

858
00:44:24,338 --> 00:44:28,570
still has to be it some sort of an

859
00:44:26,769 --> 00:44:30,759
you know when you say energy I'm not

860
00:44:28,570 --> 00:44:32,559
necessarily talking about electricity or

861
00:44:30,760 --> 00:44:34,810
whatever but there has to be some sort

862
00:44:32,559 --> 00:44:37,299
of it I don't know for one of a better

863
00:44:34,809 --> 00:44:41,289
word maybe a spiritual energy type thing

864
00:44:37,300 --> 00:44:43,870
but there has to be something that I I

865
00:44:41,289 --> 00:44:49,509
mean really I mean you just don't get

866
00:44:43,869 --> 00:44:53,759
something from nothing reason I make a

867
00:44:49,510 --> 00:44:57,310
point about that is because if if you

868
00:44:53,760 --> 00:45:00,670
can't start thinking in terms of

869
00:44:57,309 --> 00:45:02,699
perspective of your your your etheric

870
00:45:00,670 --> 00:45:06,970
self further than your physical self

871
00:45:02,699 --> 00:45:09,219
then that starts to open up the channel

872
00:45:06,969 --> 00:45:14,049
of communication between those two and

873
00:45:09,219 --> 00:45:17,579
if you if you still think like electro

874
00:45:14,050 --> 00:45:21,390
Matic energy is very physical self

875
00:45:17,579 --> 00:45:24,279
explanation were in the etheric world

876
00:45:21,389 --> 00:45:28,029
electromagnetic electromagnetic energy

877
00:45:24,280 --> 00:45:30,010
is a product of influence okay so and

878
00:45:28,030 --> 00:45:32,230
it's these are abstractions and I

879
00:45:30,010 --> 00:45:34,890
apologize for that but the only way I

880
00:45:32,230 --> 00:45:38,500
can find to help people start thinking

881
00:45:34,889 --> 00:45:40,589
as as not from the inside of their head

882
00:45:38,500 --> 00:45:44,110
but from the outside of their head you

883
00:45:40,590 --> 00:45:46,180
know actually it's it's too bad that you

884

00:45:44,110 --> 00:45:47,980
gave up on your studies because I think

885
00:45:46,179 --> 00:45:49,809
you were really on to something and as

886
00:45:47,980 --> 00:45:52,300
you said that revelations come as

887
00:45:49,809 --> 00:45:55,809
generations come and I think you may

888
00:45:52,300 --> 00:45:58,000
have been the forerunners there well I I

889
00:45:55,809 --> 00:46:00,429
really think that one way to look at it

890
00:45:58,000 --> 00:46:02,590
the way I look at it in any case of what

891
00:46:00,429 --> 00:46:04,779
Kate was talking about to you and you

892
00:46:02,590 --> 00:46:08,019
were answering her as I I kind of look

893
00:46:04,780 --> 00:46:11,080
at it in terms of quantum physics the

894
00:46:08,019 --> 00:46:15,159
way quantum physicists look at it in in

895
00:46:11,079 --> 00:46:18,219
that we're not really matter the matter

896
00:46:15,159 --> 00:46:19,929
isn't really you're going into virtual

897
00:46:18,219 --> 00:46:23,559
particles and stuff which is just what

898
00:46:19,929 --> 00:46:24,759

he was saying but Dad I verbalize it a

899

00:46:23,559 --> 00:46:26,710
little differently but I think we're

900

00:46:24,760 --> 00:46:29,770
coming from the same place what do you

901

00:46:26,710 --> 00:46:32,139
think time an interesting exercise is

902

00:46:29,769 --> 00:46:33,909
one of the chapters in the book I have

903

00:46:32,139 --> 00:46:37,420
the Mandelbrot set

904

00:46:33,909 --> 00:46:39,868
how are you familiar with fractal

905

00:46:37,420 --> 00:46:44,509
geometry the the man

906

00:46:39,869 --> 00:46:47,608
the broad set is an interesting model

907

00:46:44,509 --> 00:46:52,199
for what the greater reality I looked

908

00:46:47,608 --> 00:46:53,608
like it you have all this fantastic

909

00:46:52,199 --> 00:46:56,368
universe you can fly through

910

00:46:53,608 --> 00:46:58,650
mathematically or by changing changing

911

00:46:56,369 --> 00:47:01,019
the formulas because it's calculated a

912

00:46:58,650 --> 00:47:03,420
point at a time so what you do is you

913
00:47:01,018 --> 00:47:06,209
change the beginning point and you're in

914
00:47:03,420 --> 00:47:08,119
another part of it and the faster that

915
00:47:06,210 --> 00:47:10,409
the calculation goes to infinity

916
00:47:08,119 --> 00:47:13,670
determines the color that you assign to

917
00:47:10,409 --> 00:47:17,629
where you're anyway the whole thing is

918
00:47:13,670 --> 00:47:21,809
infinitely large mathematical universe

919
00:47:17,630 --> 00:47:23,818
is in an area that is only numerically

920
00:47:21,809 --> 00:47:26,028
it's what's an imaginary space it's

921
00:47:23,818 --> 00:47:30,449
numerically between one and two and

922
00:47:26,028 --> 00:47:35,659
imaginary number one or two so if you

923
00:47:30,449 --> 00:47:39,509
think of that the creation of our world

924
00:47:35,659 --> 00:47:46,038
is such a very simple idea can create

925
00:47:39,509 --> 00:47:49,230
such complexity that then can take on a

926
00:47:46,039 --> 00:47:50,999
reality of its own and if you're that

927
00:47:49,230 --> 00:47:54,329
point wandering random there with

928
00:47:50,998 --> 00:47:58,288
different assumptions it all gets to be

929
00:47:54,329 --> 00:48:00,778
the point where it's just an imaginary

930
00:47:58,289 --> 00:48:04,650
exercise right what I've come to say is

931
00:48:00,778 --> 00:48:08,789
that the most important formative

932
00:48:04,650 --> 00:48:10,889
principle we've got is perceptual

933
00:48:08,789 --> 00:48:13,640
agreement if you're not perceptually an

934
00:48:10,889 --> 00:48:16,618
agreement with an aspect of reality

935
00:48:13,639 --> 00:48:19,108
that's good but but that's one of the

936
00:48:16,619 --> 00:48:20,608
major arguments against creationism

937
00:48:19,108 --> 00:48:22,710
where they say oh the world is so

938
00:48:20,608 --> 00:48:24,748
complex that it couldn't possibly have

939
00:48:22,710 --> 00:48:26,519
just come into existence on its own

940
00:48:24,748 --> 00:48:30,209
someone would have had to create it but

941

00:48:26,518 --> 00:48:31,828
you know madman mathematics such as the

942
00:48:30,210 --> 00:48:34,289
Mandelbrot set would explain it

943
00:48:31,829 --> 00:48:36,509
but which also it's always always so

944
00:48:34,289 --> 00:48:39,960
annoying to me that they finally found a

945
00:48:36,509 --> 00:48:41,998
star with seven planets and I mean how

946
00:48:39,960 --> 00:48:44,970
could they not have expected to find

947
00:48:41,998 --> 00:48:46,919
something like that it's just such

948
00:48:44,969 --> 00:48:49,348
you're right the the whole universe is

949
00:48:46,920 --> 00:48:51,630
such a fractal patterning I mean of

950
00:48:49,349 --> 00:48:53,579
course I thought it's had to be there

951
00:48:51,630 --> 00:48:58,440
and you know that there's gonna be life

952
00:48:53,579 --> 00:49:00,329
there yeah oh you know that this I mean

953
00:48:58,440 --> 00:49:01,470
who knows what form but it's definitely

954
00:49:00,329 --> 00:49:02,849
some sort

955
00:49:01,469 --> 00:49:06,719

well like you were just saying that

956

00:49:02,849 --> 00:49:09,180

there's a force of some nature that

957

00:49:06,719 --> 00:49:13,199

manifests itself in different ways and

958

00:49:09,179 --> 00:49:15,228

maybe it's not an actual energetic force

959

00:49:13,199 --> 00:49:18,989

but it is something out there that is

960

00:49:15,228 --> 00:49:20,308

well create manifestations and it's

961

00:49:18,989 --> 00:49:24,478

throughout the universe so of course

962

00:49:20,309 --> 00:49:26,400

you're gonna see life forms yeah and

963

00:49:24,478 --> 00:49:29,759

what's interesting with within the model

964

00:49:26,400 --> 00:49:32,220

that I use for I describe it ourselves

965

00:49:29,759 --> 00:49:33,778

our relationship between ourselves and

966

00:49:32,219 --> 00:49:40,828

our physical body as an avatar

967

00:49:33,778 --> 00:49:44,248

relationship oh and the model doesn't

968

00:49:40,829 --> 00:49:46,470

restrict you to people to human beings

969

00:49:44,248 --> 00:49:51,169

there's nothing to say that your your

970
00:49:46,469 --> 00:49:54,268
cat is in a Avatar relationship with a

971
00:49:51,170 --> 00:49:57,028
non-physical personality as well and

972
00:49:54,268 --> 00:49:59,038
there's a universality that you really

973
00:49:57,028 --> 00:50:01,619
thought the most common denominator of

974
00:49:59,039 --> 00:50:05,729
all a reality is a combination of life

975
00:50:01,619 --> 00:50:07,499
field and intention somewhat this sounds

976
00:50:05,728 --> 00:50:11,608
a little bit like one of our previous

977
00:50:07,498 --> 00:50:13,169
guests Tom Campbell who wrote my big toe

978
00:50:11,608 --> 00:50:16,728
theory of everything are you familiar

979
00:50:13,170 --> 00:50:16,729
with his work yeah

980
00:50:17,298 --> 00:50:32,509
after examining four or five toes I

981
00:50:23,568 --> 00:50:36,509
finally got to the point where okay so

982
00:50:32,509 --> 00:50:39,929
just to finish out here we have one

983
00:50:36,509 --> 00:50:42,539
other question from somebody who knew

984
00:50:39,929 --> 00:50:45,419
that you were coming on and who is our

985
00:50:42,539 --> 00:50:49,528
listener and this question wanted to

986
00:50:45,420 --> 00:50:53,608
know if forever families still exists

987
00:50:49,528 --> 00:50:56,068
with dr. Julie by shell and dr. Gary

988
00:50:53,608 --> 00:50:58,608
Schwartz and if you had anything to do

989
00:50:56,068 --> 00:51:02,579
with them over the course of your

990
00:50:58,608 --> 00:51:04,769
experiences well we've we've spoke out

991
00:51:02,579 --> 00:51:07,200
the number of their conferences

992
00:51:04,769 --> 00:51:09,090
and in the past have been very

993
00:51:07,199 --> 00:51:14,509
supportive of them see there's their

994
00:51:09,090 --> 00:51:19,309
life and well they're the Guggenheim's

995
00:51:14,510 --> 00:51:21,960
wrong the wrong people there Fran and

996
00:51:19,309 --> 00:51:26,340
Bill yeah Guggenheim that's right

997
00:51:21,960 --> 00:51:28,110
they work as hard as anybody to bring

998

00:51:26,340 --> 00:51:30,360
these phenomena to the public and to

999
00:51:28,110 --> 00:51:32,390
help people understand what their

1000
00:51:30,360 --> 00:51:36,349
experiences are their focus is mostly on

1001
00:51:32,389 --> 00:51:38,670
mediumship they do an excellent job of

1002
00:51:36,349 --> 00:51:42,269
testing mediums and trying to make sure

1003
00:51:38,670 --> 00:51:47,250
that they're safe to be we've referred

1004
00:51:42,269 --> 00:51:49,320
for those people I think that Gary and

1005
00:51:47,250 --> 00:51:51,659
Julie still involved with and I'm not

1006
00:51:49,320 --> 00:51:53,850
sure we're Gary as these days but

1007
00:51:51,659 --> 00:51:56,009
they're still very much alive and well

1008
00:51:53,849 --> 00:51:57,839
yes the forever family's group is what

1009
00:51:56,010 --> 00:52:01,530
you're speaking about right because I've

1010
00:51:57,840 --> 00:52:03,829
met I've met the good doctor Julie at an

1011
00:52:01,530 --> 00:52:05,940
SSE Conference and she's a very very

1012
00:52:03,829 --> 00:52:09,059

interesting she and her husband are very

1013

00:52:05,940 --> 00:52:12,539

very interesting and their wind bridge

1014

00:52:09,059 --> 00:52:14,909

Institute is a fascinating concept I

1015

00:52:12,539 --> 00:52:19,349

don't know mr. Schwartz dr. Schwartz but

1016

00:52:14,909 --> 00:52:20,730

I have met dr. by shell and I just had

1017

00:52:19,349 --> 00:52:23,069

this question I don't know anything

1018

00:52:20,730 --> 00:52:25,619

about forever families except that they

1019

00:52:23,070 --> 00:52:27,420

give support to the parents of children

1020

00:52:25,619 --> 00:52:30,869

who died is that that would be the

1021

00:52:27,420 --> 00:52:34,740

general that's their their purpose they

1022

00:52:30,869 --> 00:52:39,960

they had lost lost a child too early and

1023

00:52:34,739 --> 00:52:42,299

as the story goes they went to meetings

1024

00:52:39,960 --> 00:52:44,789

for grief recovery and everything and

1025

00:52:42,300 --> 00:52:46,980

and talking about communication with a

1026

00:52:44,789 --> 00:52:48,179

dead loved one wasn't allowed in a

1027
00:52:46,980 --> 00:52:49,590
meeting so that they were finding

1028
00:52:48,179 --> 00:52:52,169
themselves out in the parking lot

1029
00:52:49,590 --> 00:52:54,470
talking about it and decided it was time

1030
00:52:52,170 --> 00:52:57,570
to start an organization dedicated that

1031
00:52:54,469 --> 00:53:00,119
you know Tom earlier you said that you

1032
00:52:57,570 --> 00:53:01,920
have to do the work if one of our

1033
00:53:00,119 --> 00:53:03,659
listeners gets interested in this field

1034
00:53:01,920 --> 00:53:06,570
and would like to do that how do they

1035
00:53:03,659 --> 00:53:08,069
start I mean it's certainly I don't

1036
00:53:06,570 --> 00:53:10,380
think there's any courses in the

1037
00:53:08,070 --> 00:53:12,360
colleges right now well I guess a few

1038
00:53:10,380 --> 00:53:15,200
but I mean how would you start

1039
00:53:12,360 --> 00:53:18,079
investigating this where does one start

1040
00:53:15,199 --> 00:53:22,210
well one of the things that

1041
00:53:18,079 --> 00:53:25,009
think is important is to realize the the

1042
00:53:22,210 --> 00:53:29,240
who the major players are in the sense

1043
00:53:25,010 --> 00:53:32,480
that the majority of parapsychologists

1044
00:53:29,239 --> 00:53:37,699
are actually mainstream psychologists

1045
00:53:32,480 --> 00:53:39,409
are and I'm animalistic psychology I

1046
00:53:37,699 --> 00:53:44,199
never pronounce that word correctly but

1047
00:53:39,409 --> 00:53:47,750
the psychology anomalous experiences

1048
00:53:44,199 --> 00:53:50,349
it's basically dedicated to showing that

1049
00:53:47,750 --> 00:53:53,630
these paranormal phenomena are actually

1050
00:53:50,349 --> 00:53:55,400
ordinary things mistaking as paranormal

1051
00:53:53,630 --> 00:53:59,619
so they're basically debunkers but

1052
00:53:55,400 --> 00:54:02,840
they're also probably a majority of the

1053
00:53:59,619 --> 00:54:05,210
parapsychologist the next larger group

1054
00:54:02,840 --> 00:54:08,720
is the exceptional experiences

1055

00:54:05,210 --> 00:54:11,570
psychology people and they support the

1056
00:54:08,719 --> 00:54:18,189
idea of the existence of a siph field I

1057
00:54:11,570 --> 00:54:22,519
refer to them that super siph and so and

1058
00:54:18,190 --> 00:54:26,480
they they accept a greater reality in

1059
00:54:22,519 --> 00:54:29,960
the sense that when you die the memory

1060
00:54:26,480 --> 00:54:32,960
your memory remains in the ethers

1061
00:54:29,960 --> 00:54:39,110
forever and it's somehow accessible by

1062
00:54:32,960 --> 00:54:41,750
other people that is a it's in from my

1063
00:54:39,110 --> 00:54:44,870
perspective as a survival person that's

1064
00:54:41,750 --> 00:54:46,900
an anti survival position and then a

1065
00:54:44,869 --> 00:54:49,400
very very small minority of the

1066
00:54:46,900 --> 00:54:52,630
parapsychologists are actually think

1067
00:54:49,400 --> 00:54:54,860
that survival is real and are working to

1068
00:54:52,630 --> 00:54:56,480
understand it and Julie for instance is

1069
00:54:54,860 --> 00:55:00,829

one of those mm-hmm

1070

00:54:56,480 --> 00:55:02,900

the I think that when a person studies

1071

00:55:00,829 --> 00:55:06,019

is you know they can take a course in

1072

00:55:02,900 --> 00:55:07,639

psychology at a university and probably

1073

00:55:06,019 --> 00:55:10,099

get talked out of thinking that these

1074

00:55:07,639 --> 00:55:13,279

phenomena are real so you really have to

1075

00:55:10,099 --> 00:55:15,190

be careful about that in terms of

1076

00:55:13,280 --> 00:55:18,950

learning how to work with the phenomena

1077

00:55:15,190 --> 00:55:21,650

one of the places I would go is the

1078

00:55:18,949 --> 00:55:24,679

first of all both both a transitory and

1079

00:55:21,650 --> 00:55:28,369

a thorough studies the CEREC studies is

1080

00:55:24,679 --> 00:55:30,049

my personal website and I feel free to

1081

00:55:28,369 --> 00:55:31,940

be a little bit more outlandish in it

1082

00:55:30,050 --> 00:55:36,030

than I can

1083

00:55:31,940 --> 00:55:38,340

so and in that there's there's a lot of

1084
00:55:36,030 --> 00:55:39,900
information that I think I try to offer

1085
00:55:38,340 --> 00:55:43,440
references so there's a lot of good

1086
00:55:39,900 --> 00:55:45,539
study guides there they try and see

1087
00:55:43,440 --> 00:55:47,670
there's a white paper if they google or

1088
00:55:45,539 --> 00:55:51,090
not Google you say if they search on the

1089
00:55:47,670 --> 00:55:54,119
website for a white paper they'll find a

1090
00:55:51,090 --> 00:55:56,910
really good rundown on how to what what

1091
00:55:54,119 --> 00:55:59,489
the both forms of ITC are and how to

1092
00:55:56,909 --> 00:56:02,429
work with them so that's kind of where

1093
00:55:59,489 --> 00:56:04,469
I'd start okay we're always happy to

1094
00:56:02,429 --> 00:56:06,179
answer questions there's a contact form

1095
00:56:04,469 --> 00:56:09,029
so again I guess we should give the

1096
00:56:06,179 --> 00:56:11,489
website and the book but that's so

1097
00:56:09,030 --> 00:56:13,440
you're uh if someone is interested and

1098
00:56:11,489 --> 00:56:16,289
they contact you via the website you're

1099
00:56:13,440 --> 00:56:19,200
happy to speak to them or or you

1100
00:56:16,289 --> 00:56:19,800
communicate with them okay that's nice

1101
00:56:19,199 --> 00:56:22,500
to know

1102
00:56:19,800 --> 00:56:24,600
well we will give the the book and the

1103
00:56:22,500 --> 00:56:26,489
website at the end we have more coming

1104
00:56:24,599 --> 00:56:26,929
or too close we're not quite finished

1105
00:56:26,489 --> 00:56:33,059
yet

1106
00:56:26,929 --> 00:56:35,579
and I guess I wanted to sort of ask you

1107
00:56:33,059 --> 00:56:37,980
a little bit about my experience this

1108
00:56:35,579 --> 00:56:43,619
morning and my one and only experience

1109
00:56:37,980 --> 00:56:46,380
with EVP I have lots and lots of psychic

1110
00:56:43,619 --> 00:56:52,049
experiences of various sorts but about a

1111
00:56:46,380 --> 00:56:54,539
month after 9/11 I have an apartment in

1112

00:56:52,050 --> 00:56:57,480
Manhattan and I was in that apartment

1113
00:56:54,539 --> 00:57:00,360
and I still had one of the older

1114
00:56:57,480 --> 00:57:02,519
fashioned answering machines which

1115
00:57:00,360 --> 00:57:05,940
basically most people don't have anymore

1116
00:57:02,519 --> 00:57:09,570
but that was 16 years ago and I had one

1117
00:57:05,940 --> 00:57:12,630
and between messages online on this

1118
00:57:09,570 --> 00:57:15,860
machine came a voice a man's voice that

1119
00:57:12,630 --> 00:57:19,110
I didn't recognize and it said get out

1120
00:57:15,860 --> 00:57:20,519
like that and it was a little bit

1121
00:57:19,110 --> 00:57:24,180
frightning and that was my only

1122
00:57:20,519 --> 00:57:27,900
experience with an actual phenomena that

1123
00:57:24,179 --> 00:57:29,789
was would have been perceivable to

1124
00:57:27,900 --> 00:57:33,780
anybody when the room I would expect

1125
00:57:29,789 --> 00:57:35,880
that came out of my machine and so that

1126
00:57:33,780 --> 00:57:37,410

was my single experience and and I

1127

00:57:35,880 --> 00:57:38,070

wonder if you could speak to that for a

1128

00:57:37,409 --> 00:57:41,369

second

1129

00:57:38,070 --> 00:57:42,840

the those you know first of all the you

1130

00:57:41,369 --> 00:57:45,880

know the characteristics have it all

1131

00:57:42,840 --> 00:57:50,360

pretty consistent free

1132

00:57:45,880 --> 00:57:52,550

we found zero reason to be afraid of EVP

1133

00:57:50,360 --> 00:57:55,400

and some of the the get out ones have

1134

00:57:52,550 --> 00:58:01,580

been actually pretty humorous we have

1135

00:57:55,400 --> 00:58:04,730

one EVP this is prepare to die anyway

1136

00:58:01,579 --> 00:58:06,349

that there's two things I would say one

1137

00:58:04,730 --> 00:58:10,579

of them it does sound like an EVP and

1138

00:58:06,349 --> 00:58:13,519

two is I would try to remember where

1139

00:58:10,579 --> 00:58:15,670

your head was at the time like if you

1140

00:58:13,519 --> 00:58:19,969

were thinking about moving out of there

1141
00:58:15,670 --> 00:58:21,980
that would be because we feel like you

1142
00:58:19,969 --> 00:58:24,549
know were the channel for these messages

1143
00:58:21,980 --> 00:58:28,159
with either ourselves or an entrance

1144
00:58:24,550 --> 00:58:30,710
interested observer it's possible for a

1145
00:58:28,159 --> 00:58:32,960
person liek Lisa doesn't believe in

1146
00:58:30,710 --> 00:58:35,449
demons doesn't believe in she's not

1147
00:58:32,960 --> 00:58:37,610
afraid of dirt she's very pragmatic she

1148
00:58:35,449 --> 00:58:41,649
recorded in that room along with a girl

1149
00:58:37,610 --> 00:58:43,820
that just loved to be afraid she's

1150
00:58:41,650 --> 00:58:47,300
history personality

1151
00:58:43,820 --> 00:58:49,850
they both recorded in this area together

1152
00:58:47,300 --> 00:58:52,610
different of course and that the scary

1153
00:58:49,849 --> 00:58:54,230
girl got get out I hate you

1154
00:58:52,610 --> 00:58:56,630
go away stuff like that at least I got

1155
00:58:54,230 --> 00:59:00,889
useful information about people who live

1156
00:58:56,630 --> 00:59:03,079
there and stuff we know with a high

1157
00:59:00,889 --> 00:59:08,299
degree of confidence that the the

1158
00:59:03,079 --> 00:59:09,949
message originates for real but we again

1159
00:59:08,300 --> 00:59:12,110
we transform it with our unconscious

1160
00:59:09,949 --> 00:59:14,779
mind we're the channel for the things

1161
00:59:12,110 --> 00:59:17,539
propagating into the physical that's the

1162
00:59:14,780 --> 00:59:19,640
model we're using anyway and so you're

1163
00:59:17,539 --> 00:59:23,389
what I do with that get out I would also

1164
00:59:19,639 --> 00:59:26,029
look at possibly some of the look what's

1165
00:59:23,389 --> 00:59:28,730
in your thoughts at the time I would be

1166
00:59:26,030 --> 00:59:31,940
a liar if I didn't say that almost

1167
00:59:28,730 --> 00:59:34,760
everyone that I came in contact with in

1168
00:59:31,940 --> 00:59:38,000
lower Manhattan within the months

1169

00:59:34,760 --> 00:59:40,370
directly after 9/11 didn't have thoughts

1170
00:59:38,000 --> 00:59:45,380
in their mind such as what am I doing

1171
00:59:40,369 --> 00:59:47,659
here why do I live here but I so I'm

1172
00:59:45,380 --> 00:59:50,690
sure that your explanation there would

1173
00:59:47,659 --> 00:59:53,359
ring very true to me now the second

1174
00:59:50,690 --> 00:59:56,690
thing was that this morning in the early

1175
00:59:53,360 --> 00:59:57,920
morning hours I was not the first time

1176
00:59:56,690 --> 01:00:00,858
such a thing has happened

1177
00:59:57,920 --> 01:00:03,170
me but I sometimes hear voices okay and

1178
01:00:00,858 --> 01:00:05,150
I kind of characterized those voices

1179
01:00:03,170 --> 01:00:07,490
differently and this is just it's not

1180
01:00:05,150 --> 01:00:10,670
meant to be when I say this I'm not

1181
01:00:07,489 --> 01:00:12,858
teaching so it's just what I do if

1182
01:00:10,670 --> 01:00:15,740
you're if the voice seems to come from

1183
01:00:12,858 --> 01:00:17,358

within my head like in my brain in my

1184

01:00:15,739 --> 01:00:19,338

mind whatever you want to say I

1185

01:00:17,358 --> 01:00:22,400

characterize that as possibly coming

1186

01:00:19,338 --> 01:00:24,980

from my higher self whereas if the voice

1187

01:00:22,400 --> 01:00:27,500

seems to come from outside my head I

1188

01:00:24,980 --> 01:00:32,150

characterize that as perhaps being a

1189

01:00:27,500 --> 01:00:35,809

message from another another entity on

1190

01:00:32,150 --> 01:00:37,250

some level so this morning I was laying

1191

01:00:35,809 --> 01:00:43,040

in bed it was the wee hours of the

1192

01:00:37,250 --> 01:00:45,440

morning and in my right ear I heard the

1193

01:00:43,039 --> 01:00:50,029

sound of a harpsichord only one or two

1194

01:00:45,440 --> 01:00:52,280

notes and I was like I sat up in bed I

1195

01:00:50,030 --> 01:00:56,150

mean I was kind of in a liminal state

1196

01:00:52,280 --> 01:00:58,400

but I wasn't asleep and I sat up in bed

1197

01:00:56,150 --> 01:00:59,809

and I sleep with two pillows and I

1198
01:00:58,400 --> 01:01:02,269
looked under the pillows and there was

1199
01:00:59,809 --> 01:01:03,619
nothing there to make a noise and so I

1200
01:01:02,269 --> 01:01:05,900
said wow that's weird

1201
01:01:03,619 --> 01:01:08,720
put my head back down again and very

1202
01:01:05,900 --> 01:01:11,389
shortly thereafter again and this time

1203
01:01:08,719 --> 01:01:15,980
it was clearly two different notes that

1204
01:01:11,389 --> 01:01:18,078
were hit and I sat up again looked again

1205
01:01:15,980 --> 01:01:20,960
and I thought to myself could it be an

1206
01:01:18,079 --> 01:01:22,849
insect in my pillow but in fact of other

1207
01:01:20,960 --> 01:01:26,088
times I've heard buzzers and stuff like

1208
01:01:22,849 --> 01:01:27,829
that so I lay back down again and I

1209
01:01:26,088 --> 01:01:30,139
would say five to ten minutes later

1210
01:01:27,829 --> 01:01:35,230
darned if it didn't happen again and

1211
01:01:30,139 --> 01:01:38,210
this time it was like the kind of almost

1212
01:01:35,230 --> 01:01:41,510
electronic Bell that's inside a child's

1213
01:01:38,210 --> 01:01:44,619
ball that's if has a very sweet sound to

1214
01:01:41,510 --> 01:01:50,049
it you might give such a ball to a

1215
01:01:44,619 --> 01:01:52,608
toddler or someone around that age and

1216
01:01:50,048 --> 01:01:55,940
after that I there's no point in trying

1217
01:01:52,608 --> 01:01:58,670
to sleep anymore because and I thought

1218
01:01:55,940 --> 01:02:01,700
how interesting since we're going to be

1219
01:01:58,670 --> 01:02:03,530
speaking to Tom Butler later and he is

1220
01:02:01,699 --> 01:02:06,679
very much involved in these different

1221
01:02:03,530 --> 01:02:10,819
sorts of voices so I just wanted to pass

1222
01:02:06,679 --> 01:02:11,558
that on to you and thank you so much for

1223
01:02:10,818 --> 01:02:12,608
being on

1224
01:02:11,559 --> 01:02:14,349
I don't know if you have anything to say

1225
01:02:12,608 --> 01:02:15,818
about that I don't blame you if you

1226

01:02:14,349 --> 01:02:19,660
don't it this is just the kind of a

1227
01:02:15,818 --> 01:02:23,639
personal experience but I would say one

1228
01:02:19,659 --> 01:02:27,458
thing one of things that you assigned

1229
01:02:23,639 --> 01:02:29,798
the meaning of the source of voices you

1230
01:02:27,458 --> 01:02:31,478
here bye-bye where you perceive them to

1231
01:02:29,798 --> 01:02:33,938
coming from yes that's actually a pretty

1232
01:02:31,478 --> 01:02:37,118
pretty good way of being a because yeah

1233
01:02:33,938 --> 01:02:39,098
in it again you're instructing your

1234
01:02:37,119 --> 01:02:40,568
unconscious mind that this is the way I

1235
01:02:39,099 --> 01:02:44,318
want to hear this and there's the way I

1236
01:02:40,568 --> 01:02:46,268
want to hear that so that's pretty valid

1237
01:02:44,318 --> 01:02:50,528
and there is you know of course you can

1238
01:02:46,268 --> 01:02:54,578
look at the the the traditional direct

1239
01:02:50,528 --> 01:02:56,170
voice is in the air and and it's one of

1240
01:02:54,579 --> 01:02:59,979

the ways that physical medium will

1241
01:02:56,170 --> 01:03:05,108
manifest a voice and often that voice

1242
01:02:59,978 --> 01:03:07,748
will be of unknown discounted

1243
01:03:05,108 --> 01:03:11,889
personality and with some very often

1244
01:03:07,748 --> 01:03:16,778
very good information so yeah I think

1245
01:03:11,889 --> 01:03:18,969
that that's subliminal state that hyper

1246
01:03:16,778 --> 01:03:22,228
cocky I think I'm saying all right said

1247
01:03:18,969 --> 01:03:25,208
that that state between sleep and awake

1248
01:03:22,228 --> 01:03:27,038
some really interesting lucid

1249
01:03:25,208 --> 01:03:29,919
experiences can occur

1250
01:03:27,039 --> 01:03:32,429
yes sure I do we can hear you know radio

1251
01:03:29,920 --> 01:03:36,489
stations in the air so like that so our

1252
01:03:32,429 --> 01:03:40,119
brains are very good at filling vacuums

1253
01:03:36,489 --> 01:03:41,650
with whatever comes to mind but sound

1254
01:03:40,119 --> 01:03:44,709
like you know that that kind of Bell

1255
01:03:41,650 --> 01:03:47,979
might not have any meaning but it

1256
01:03:44,708 --> 01:03:50,618
certainly is the kind of thing that

1257
01:03:47,978 --> 01:03:51,958
would trigger your thinking to pay more

1258
01:03:50,619 --> 01:03:55,539
attention

1259
01:03:51,958 --> 01:04:00,088
unroll uses something like that for okay

1260
01:03:55,539 --> 01:04:03,329
wake up listen up going on yes I

1261
01:04:00,088 --> 01:04:07,358
have frequented the Monroe Institute and

1262
01:04:03,329 --> 01:04:09,759
so that's a really wonderful place to to

1263
01:04:07,358 --> 01:04:13,179
visit but before we say goodbye could

1264
01:04:09,759 --> 01:04:15,458
you possibly recite to us here at the

1265
01:04:13,179 --> 01:04:19,949
name of your book and your websites for

1266
01:04:15,458 --> 01:04:22,778
our listening audience okay well it the

1267
01:04:19,949 --> 01:04:24,740
main website is the Association

1268
01:04:22,778 --> 01:04:32,539
transcommunication it's eight

1269
01:04:24,739 --> 01:04:36,889
and see a TR ans see at org and that's

1270
01:04:32,539 --> 01:04:39,739
that's got a contact page that is

1271
01:04:36,889 --> 01:04:42,460
accessible from every page and also I

1272
01:04:39,739 --> 01:04:44,689
have link to that a idea exchange

1273
01:04:42,460 --> 01:04:48,260
discussion forum that people are welcome

1274
01:04:44,690 --> 01:04:51,019
to join and then etheric studies org is

1275
01:04:48,260 --> 01:04:55,550
my own personal pages and it also has

1276
01:04:51,019 --> 01:04:58,309
contact information on it the the book

1277
01:04:55,550 --> 01:05:02,660
itself is your immortal self exploring

1278
01:04:58,309 --> 01:05:05,630
the mindful way and it's got primarily

1279
01:05:02,659 --> 01:05:09,679
it's a theory that I've talked about

1280
01:05:05,630 --> 01:05:11,420
some here trying to give you a model one

1281
01:05:09,679 --> 01:05:13,429
of the things that these two almost

1282
01:05:11,420 --> 01:05:15,920
everyday beat me up about when I was a

1283

01:05:13,429 --> 01:05:17,599
Wikipedia editor the skeptic could say

1284
01:05:15,920 --> 01:05:20,420
well you guys don't have even a theory

1285
01:05:17,599 --> 01:05:23,799
to explain this so this book is my

1286
01:05:20,420 --> 01:05:27,500
attempt to provide that theory and then

1287
01:05:23,800 --> 01:05:30,289
the three phases of a teacher one of the

1288
01:05:27,500 --> 01:05:32,500
phases is how you live so the the

1289
01:05:30,289 --> 01:05:35,269
environment in which we work with

1290
01:05:32,500 --> 01:05:37,130
paranormal phenomena is a second section

1291
01:05:35,269 --> 01:05:40,849
and the last section is how the theory

1292
01:05:37,130 --> 01:05:43,730
applies to the various forms of

1293
01:05:40,849 --> 01:05:46,460
phenomena a specifically EVP and IDC but

1294
01:05:43,730 --> 01:05:50,750
also healing intention stuff like that

1295
01:05:46,460 --> 01:05:54,949
so the book is is what I have tried to

1296
01:05:50,750 --> 01:05:56,960
do a if I'm not here and I want people

1297
01:05:54,949 --> 01:05:59,329

to learn things that I was been trying

1298

01:05:56,960 --> 01:06:02,570

to teach him all my life there's a book

1299

01:05:59,329 --> 01:06:04,880

it's a wonderful book and we barely

1300

01:06:02,570 --> 01:06:07,220

scratched the surface with it it is it

1301

01:06:04,880 --> 01:06:10,640

has so much information that it would

1302

01:06:07,219 --> 01:06:13,250

take many many podcasts time frames to

1303

01:06:10,639 --> 01:06:15,739

really delve into all the wonderful

1304

01:06:13,250 --> 01:06:17,630

information you have in there and and

1305

01:06:15,739 --> 01:06:19,629

and Tom Butler I want to thank you very

1306

01:06:17,630 --> 01:06:23,119

much for being on we send our best

1307

01:06:19,630 --> 01:06:24,650

regards to Lisa and go ahead yeah no I

1308

01:06:23,119 --> 01:06:27,590

was just saying that the book itself

1309

01:06:24,650 --> 01:06:30,050

proves your theory you you had this

1310

01:06:27,590 --> 01:06:34,300

information it manifested as a book and

1311

01:06:30,050 --> 01:06:38,180

they know that's it yeah it is

1312
01:06:34,300 --> 01:06:41,240
congratulations or beyond that I would

1313
01:06:38,179 --> 01:06:43,969
say to those folks at Wikipedia because

1314
01:06:41,239 --> 01:06:46,549
one doesn't have an explanation for a

1315
01:06:43,969 --> 01:06:52,039
phenomena doesn't mean it doesn't exist

1316
01:06:46,550 --> 01:06:54,890
and as we say in the Bronx we're a

1317
01:06:52,039 --> 01:07:00,529
little bit a little bit of reverent II

1318
01:06:54,889 --> 01:07:02,750
rats shattered reality bomb skeptics are

1319
01:07:00,530 --> 01:07:04,970
basically you're dealing with a

1320
01:07:02,750 --> 01:07:12,139
situation of where's problem scientism

1321
01:07:04,969 --> 01:07:14,179
as a religion yes yes a little healthy

1322
01:07:12,139 --> 01:07:17,389
skepticism is good but debunking

1323
01:07:14,179 --> 01:07:21,169
definitely stinks that's my opinion they

1324
01:07:17,389 --> 01:07:26,509
stole the term skeptic or skepticism so

1325
01:07:21,170 --> 01:07:29,269
I see a little bit of healthy yes yes I

1326
01:07:26,510 --> 01:07:30,920
agree so once again thank you so much

1327
01:07:29,269 --> 01:07:33,800
yeah a really appreciate a great

1328
01:07:30,920 --> 01:07:35,630
discussion it's a field that I really

1329
01:07:33,800 --> 01:07:38,450
had absolutely no knowledge of before

1330
01:07:35,630 --> 01:07:41,090
but now I am as they you say in the

1331
01:07:38,449 --> 01:07:45,769
spiritual world enlightened and I thank

1332
01:07:41,090 --> 01:07:47,630
you for that okay so take care now Tom

1333
01:07:45,769 --> 01:07:52,250
we hope to have you back sometime bye

1334
01:07:47,630 --> 01:07:54,380
now bye well that was a really that was

1335
01:07:52,250 --> 01:07:56,780
a really interesting conversation with

1336
01:07:54,380 --> 01:07:58,519
Tom Butler and he really is a fount of

1337
01:07:56,780 --> 01:08:03,200
knowledge what was it

1338
01:07:58,519 --> 01:08:05,690
did you hear that noise that is so funny

1339
01:08:03,199 --> 01:08:09,710
I honestly listeners or people out there

1340

01:08:05,690 --> 01:08:11,750
that was not staged no it wasn't I did

1341
01:08:09,710 --> 01:08:14,360
you hear the cat too and he was speaking

1342
01:08:11,750 --> 01:08:19,100
I heard something just now very very

1343
01:08:14,360 --> 01:08:23,829
well just now was yeah I wonder if it

1344
01:08:19,100 --> 01:08:27,350
did - we'll have to wait until ooh we we

1345
01:08:23,829 --> 01:08:31,340
work out our website and our podcast

1346
01:08:27,350 --> 01:08:33,590
here and see if it recorded on on well

1347
01:08:31,340 --> 01:08:36,710
the physical manifestation is the

1348
01:08:33,590 --> 01:08:38,810
goosebumps I just got there you go there

1349
01:08:36,710 --> 01:08:43,970
you go there was definitely a very

1350
01:08:38,810 --> 01:08:47,270
strange down there and Wow from

1351
01:08:43,970 --> 01:08:50,060
shattered reality mm-hmm I'm ferocious

1352
01:08:47,270 --> 01:08:51,529
yeah I am Kate Valentine and we hope to

1353
01:08:50,060 --> 01:08:53,259
hear from you

1354
01:08:51,529 --> 01:08:55,969

sinners out there if you have

1355

01:08:53,259 --> 01:08:58,338
experiences for our Leo please

1356

01:08:55,969 --> 01:09:01,158
you don't give us a buzz let us know

1357

01:08:58,338 --> 01:09:05,088
it's on the website yeah we have various

1358

01:09:01,158 --> 01:09:10,729
ways to contact us please do so and we

1359

01:09:05,088 --> 01:09:13,068
will be happy yeah more than happy in

1360

01:09:10,729 --> 01:09:15,698
our listeners corner yeah okay that was

1361

01:09:13,069 --> 01:09:18,109
weird well okay on another word of

1362

01:09:15,698 --> 01:09:21,528
recording of shattered reality we are

1363

01:09:18,109 --> 01:09:25,119
here to say I do goodbye goodbye from

1364

01:09:21,529 --> 01:09:25,119
shattered reality

1365

01:09:32,779 --> 01:09:36,419
[Music]

1366

01:09:43,369 --> 01:09:46,789
what was it

1367

01:09:52,779 --> 01:09:54,839
you
