00:00:08,429 --> 00:00:12,219
[Music]

2
00:00:17,199 --> 00:00:25,488
welcome to shattered reality with your

3
00:00:20,689 --> 00:00:28,519
hosts Kate Valentine and furs prepare to

4
00:00:25,489 --> 00:00:33,939
have your paradigm shifted in the truths

5
00:00:28,519 --> 00:00:37,039
questioned and now shattered reality

6
00:00:33,939 --> 00:00:39,108
well Kate all right here we are good

7
00:00:37,039 --> 00:00:41,229
that's right uh-huh and it's

8
00:00:39,109 --> 00:00:44,660
unbelievable because this is show number

9
00:00:41,229 --> 00:00:47,419
55 it's even more unbelievable room list

10
00:00:44,659 --> 00:00:49,488
at the end of September yeah yeah that's

11
00:00:47,420 --> 00:00:52,189
three months to Christmas I mean this is

12
00:00:49,488 --> 00:00:56,030
crazy fast stuff going past yeah I think

13
00:00:52,189 --> 00:00:58,908
time does pass at different speeds it

14
00:00:56,030 --> 00:01:02,658
certainly does things differently over

15
00:00:58,908 --> 00:01:06,469
the you know of the vast reaches of

16
00:01:02,658 --> 00:01:09,679
space but that notwithstanding what do

17
00:01:06,469 --> 00:01:12,939
we have to do first we need to slate yes

18
00:01:09,680 --> 00:01:20,210
slating things good yes today is

19
00:01:12,939 --> 00:01:23,479
September 26th 2017 and we are shattered

20
00:01:20,209 --> 00:01:28,689
reality podcast and we have an extra

21
00:01:23,480 --> 00:01:31,969
special show for you today the first

22
00:01:28,689 --> 00:01:33,560
part of our show is going to be with a

23
00:01:31,969 --> 00:01:37,039
wonderful woman who I'm going to

24
00:01:33,560 --> 00:01:43,189
introduce in a minute who this woman is

25
00:01:37,040 --> 00:01:46,430
a doctor and a UFO specialist and she is

26
00:01:43,189 --> 00:01:48,469
really an impressive person our second

27
00:01:46,430 --> 00:01:50,810
guest is in our listeners corner at the

28
00:01:48,469 --> 00:01:54,620
very end of the show where people who

29

00:01:50,810 --> 00:01:57,109
are listeners get an opportunity to tell

30
00:01:54,620 --> 00:01:59,120
their stories and I'm going to tell you

31
00:01:57,109 --> 00:02:01,879
who that is right away before I get into

32
00:01:59,120 --> 00:02:05,410
introducing our main guest that's going

33
00:02:01,879 --> 00:02:09,769
to be Anthony sands who also who is a

34
00:02:05,409 --> 00:02:14,120
well-known painter in the magical

35
00:02:09,769 --> 00:02:17,060
realism school and a long-term teacher

36
00:02:14,120 --> 00:02:19,849
at the Fashion Institute of Technology

37
00:02:17,060 --> 00:02:20,090
in painting drawing and two-dimensional

38
00:02:19,848 --> 00:02:23,359
to

39
00:02:20,090 --> 00:02:27,560
design so he's going to be on at the end

40
00:02:23,360 --> 00:02:31,330
of the show but right now we are really

41
00:02:27,560 --> 00:02:35,409
really proud to present the author of

42
00:02:31,330 --> 00:02:39,160
UFOs today 70 years of lies

43
00:02:35,409 --> 00:02:43,969

misinformation and government cover-up

44

00:02:39,159 --> 00:02:47,840

let's all welcome dr. Irene McCammon

45

00:02:43,969 --> 00:02:52,699

Scott Irina McCammon Scott dr. Irina

46

00:02:47,840 --> 00:02:55,579

McCammon Scott okay dr. Scott welcome to

47

00:02:52,699 --> 00:02:58,818

the show yes well thank you for inviting

48

00:02:55,579 --> 00:03:01,549

me I'm glad to be here I I guess the

49

00:02:58,818 --> 00:03:04,310

first question that we almost always ask

50

00:03:01,549 --> 00:03:07,430

people is how did you get interested in

51

00:03:04,310 --> 00:03:12,680

this what was the draw into ufology for

52

00:03:07,430 --> 00:03:16,939

you well I'm I'm not you I follow just

53

00:03:12,680 --> 00:03:19,969

exactly as like nobody makes a living at

54

00:03:16,939 --> 00:03:22,400

this I've been in something else but I

55

00:03:19,969 --> 00:03:26,539

was always interested in astronomy ever

56

00:03:22,400 --> 00:03:29,269

since I remember as a small child and I

57

00:03:26,539 --> 00:03:34,429

went to school and astronomy and went to

58
00:03:29,269 --> 00:03:36,230
Ohio State University and graduated but

59
00:03:34,430 --> 00:03:40,489
I couldn't get a job in astronomy

60
00:03:36,229 --> 00:03:42,768
because I was a female mm-hmm all the

61
00:03:40,489 --> 00:03:45,889
places I applied to wouldn't give me an

62
00:03:42,769 --> 00:03:49,069
application because it was male only Wow

63
00:03:45,889 --> 00:03:57,790
and so I had to go into something else

64
00:03:49,068 --> 00:04:03,560
and so they were mapping the moon and

65
00:03:57,789 --> 00:04:05,479
other planets and they took females so

66
00:04:03,560 --> 00:04:08,509
that kind of worked for mapping and

67
00:04:05,479 --> 00:04:11,659
cartography and so I played for that and

68
00:04:08,509 --> 00:04:15,620
got into it but I got a high security

69
00:04:11,659 --> 00:04:20,060
clearances and they and I transferred to

70
00:04:15,620 --> 00:04:24,470
the Defense Intelligence Agency but I

71
00:04:20,060 --> 00:04:27,199
wound up map doing satellite photography

72
00:04:24,470 --> 00:04:31,159
on earth instead of other worlds like I

73
00:04:27,199 --> 00:04:33,860
wanted to yeah and at that time I got

74
00:04:31,158 --> 00:04:39,079
married and moved away and I had a

75
00:04:33,860 --> 00:04:41,360
offer a fellowship to go into physiology

76
00:04:39,079 --> 00:04:44,948
and get a PhD so that's what he did and

77
00:04:41,360 --> 00:04:49,310
I was a professor and worked in a number

78
00:04:44,949 --> 00:04:52,430
get worked in a number of institutions

79
00:04:49,310 --> 00:04:56,120
and research such as Cornell and Ohio

80
00:04:52,430 --> 00:04:59,120
State in different places that's quite a

81
00:04:56,120 --> 00:05:01,060
jump from astronomy into physiology yeah

82
00:04:59,120 --> 00:05:03,649
and well you were you an actual

83
00:05:01,060 --> 00:05:07,069
veterinarian or did I misunderstand that

84
00:05:03,649 --> 00:05:10,728
somewhere in your bio I graduated from

85
00:05:07,069 --> 00:05:14,028
the University of Missouri asks College

86

00:05:10,728 --> 00:05:17,688
of Veterinary Medicine but I got a PhD

87
00:05:14,028 --> 00:05:20,240
instead of a vet degree I see that

88
00:05:17,689 --> 00:05:21,560
wasn't easy back then either to get into

89
00:05:20,240 --> 00:05:25,610
vet school for a woman either

90
00:05:21,560 --> 00:05:28,278
no now if you didn't want to be a

91
00:05:25,610 --> 00:05:34,189
secretary gym teacher a nurse he was

92
00:05:28,278 --> 00:05:36,439
sort of yeah anyway so yeah you know

93
00:05:34,189 --> 00:05:38,569
it's funny people I was very interested

94
00:05:36,439 --> 00:05:41,088
in UFOs too and people would always ask

95
00:05:38,569 --> 00:05:43,278
me well how did you get into UFOs and I

96
00:05:41,088 --> 00:05:46,338
never liked you I never really hadn't

97
00:05:43,278 --> 00:05:48,680
like an epiphany like a real solid

98
00:05:46,338 --> 00:05:49,939
answer like you know one day I saw one

99
00:05:48,680 --> 00:05:53,449
and then from there on and I was

100
00:05:49,939 --> 00:05:55,788

interested and and I sense that with you

101

00:05:53,449 --> 00:05:58,449

to like it was something that was always

102

00:05:55,788 --> 00:06:02,509

on the back burner from childhood up

103

00:05:58,449 --> 00:06:07,879

right and and you finally really looked

104

00:06:02,509 --> 00:06:10,788

into it yeah what does I mean you know

105

00:06:07,879 --> 00:06:14,088

it's it's sort of a thankless haleyss

106

00:06:10,788 --> 00:06:17,389

the hobby interest more than anything I

107

00:06:14,088 --> 00:06:20,930

just want to mention how interesting

108

00:06:17,389 --> 00:06:24,168

your book is for not only it's just this

109

00:06:20,930 --> 00:06:28,338

a compendium of knowledge there about

110

00:06:24,168 --> 00:06:32,528

the UFO subject but it's from a real

111

00:06:28,338 --> 00:06:35,538

insider perspective and even the cases

112

00:06:32,528 --> 00:06:37,788

many of the cases that people who have

113

00:06:35,538 --> 00:06:42,079

read other ufology books have read about

114

00:06:37,788 --> 00:06:46,740

such as Roswell and the flatwoods

115
00:06:42,079 --> 00:06:49,409
monster and the chase over

116
00:06:46,740 --> 00:06:51,780
Ohio into Pennsylvania with the police

117
00:06:49,410 --> 00:06:54,210
officers that the police officers all

118
00:06:51,779 --> 00:06:56,969
kind of have difficult lives after that

119
00:06:54,209 --> 00:07:00,870
the detail and the insider information

120
00:06:56,970 --> 00:07:08,910
that you added to those accounts was

121
00:07:00,870 --> 00:07:10,829
truly amazing well that's one reason I

122
00:07:08,910 --> 00:07:14,370
wrote the book is I had actually worked

123
00:07:10,829 --> 00:07:18,089
on the inside of some of the places that

124
00:07:14,370 --> 00:07:20,220
were exploring UFOs such as I had been

125
00:07:18,089 --> 00:07:22,500
stationed off and on at wright-patterson

126
00:07:20,220 --> 00:07:24,479
I knew somebody and their

127
00:07:22,500 --> 00:07:27,750
wright-patterson Air Force Base and

128
00:07:24,478 --> 00:07:32,089
they're heavily involved in UFOs they

129
00:07:27,750 --> 00:07:35,038
were housed Bluebook and those

130
00:07:32,089 --> 00:07:37,978
organizations and I'd also worked at

131
00:07:35,038 --> 00:07:40,620
Mattel Memorial Institute and they had

132
00:07:37,978 --> 00:07:43,228
done a study of UFOs and I worked for

133
00:07:40,620 --> 00:07:46,500
the Defense Intelligence Agency and they

134
00:07:43,228 --> 00:07:49,079
were working on UFOs Eida I never worked

135
00:07:46,500 --> 00:07:52,680
directly on UFOs but I was there and

136
00:07:49,079 --> 00:07:54,598
kind of knew the ins and outs and gossip

137
00:07:52,680 --> 00:07:57,478
and different things like that I think

138
00:07:54,598 --> 00:08:00,569
everybody or not maybe everybody but the

139
00:07:57,478 --> 00:08:04,019
majority of the listeners have some clue

140
00:08:00,569 --> 00:08:06,149
as to what went on at wright-patterson I

141
00:08:04,019 --> 00:08:08,310
mean they not they might not be

142
00:08:06,149 --> 00:08:11,069
obviously probably if they haven't read

143

00:08:08,310 --> 00:08:13,199
their book your book would have the kind

144
00:08:11,069 --> 00:08:15,658
of knowledge that you are exploring with

145
00:08:13,199 --> 00:08:18,990
wright-patterson but I think that people

146
00:08:15,658 --> 00:08:22,288
have heard of Wright Field at becoming

147
00:08:18,990 --> 00:08:24,870
bright Patterson field and how probably

148
00:08:22,288 --> 00:08:30,089
they have debris from Roswell was

149
00:08:24,870 --> 00:08:32,459
transported there but could you give us

150
00:08:30,089 --> 00:08:35,939
a little bit more information about what

151
00:08:32,458 --> 00:08:38,489
Patel Institute is exactly because I

152
00:08:35,940 --> 00:08:42,839
believe that many of our listeners have

153
00:08:38,490 --> 00:08:46,399
never heard of it it's a I think it's

154
00:08:42,839 --> 00:08:48,870
the world's largest let me say

155
00:08:46,399 --> 00:08:51,240
independent research organization or

156
00:08:48,870 --> 00:08:53,339
nonprofit research organization it's

157
00:08:51,240 --> 00:08:55,409

right across the street from Ohio State

158

00:08:53,339 --> 00:08:59,190

University and well connected with them

159

00:08:55,409 --> 00:09:00,689

and it's done a whole lot in innovation

160

00:08:59,190 --> 00:09:05,780

it was the

161

00:09:00,690 --> 00:09:09,560

developers of the Xerox and of the CD

162

00:09:05,779 --> 00:09:14,100

and it was heavily involved in the

163

00:09:09,559 --> 00:09:18,089

Manhattan Project developing the atomic

164

00:09:14,100 --> 00:09:21,620

bomb and it's been real active and a lot

165

00:09:18,090 --> 00:09:26,220

of things that in our everyday world

166

00:09:21,620 --> 00:09:29,789

interesting especially about a part the

167

00:09:26,220 --> 00:09:32,190

part about the Xerox stuff because if

168

00:09:29,789 --> 00:09:36,559

memory serves me correctly and I could

169

00:09:32,190 --> 00:09:39,480

be wrong about this that the the UVA

170

00:09:36,559 --> 00:09:41,489

division of perceptual studies down in

171

00:09:39,480 --> 00:09:44,399

Virginia you know university of virginia

172
00:09:41,490 --> 00:09:48,649
department of perceptual studies I

173
00:09:44,399 --> 00:09:54,539
believe was largely funded by the man

174
00:09:48,649 --> 00:09:57,299
who was behind Xerox are you aware of

175
00:09:54,539 --> 00:10:01,579
that no I wasn't that's interesting

176
00:09:57,299 --> 00:10:05,250
because um they do a lot of work on

177
00:10:01,580 --> 00:10:09,300
psychokinesis people that I kind of know

178
00:10:05,250 --> 00:10:12,899
and also they do a bunch of work on past

179
00:10:09,299 --> 00:10:16,979
lives with dr. Ian Stevenson

180
00:10:12,899 --> 00:10:19,860
and now today with dr. Jim Tucker but

181
00:10:16,980 --> 00:10:22,560
they got a huge grant to my knowledge

182
00:10:19,860 --> 00:10:24,840
from the gentleman whose name whose

183
00:10:22,559 --> 00:10:26,369
first name was like Clarence or

184
00:10:24,840 --> 00:10:29,460
something of that nature who was the

185
00:10:26,370 --> 00:10:33,960
Xerox just you know what scientist I

186
00:10:29,460 --> 00:10:35,280
don't know but that's that's what I

187
00:10:33,960 --> 00:10:38,129
think but I don't want to go too far

188
00:10:35,279 --> 00:10:41,009
afield with that but we grow interested

189
00:10:38,129 --> 00:10:42,899
in more information to me later I

190
00:10:41,009 --> 00:10:46,100
absolutely will send you more

191
00:10:42,899 --> 00:10:49,470
information on that I absolutely will I

192
00:10:46,100 --> 00:10:51,690
was particularly interested in part of

193
00:10:49,470 --> 00:10:55,019
the things that you were talking about

194
00:10:51,690 --> 00:10:58,290
when you work for the DIA where there

195
00:10:55,019 --> 00:11:00,779
was information coming in to you not you

196
00:10:58,289 --> 00:11:03,629
particularly but to your office so to

197
00:11:00,779 --> 00:11:06,809
speak about objects that there were

198
00:11:03,629 --> 00:11:10,049
photographs of that everybody concluded

199
00:11:06,809 --> 00:11:12,689
were actual physical objects and the DIA

200

00:11:10,049 --> 00:11:13,769
and the CIA were kind of disagreeing and

201
00:11:12,690 --> 00:11:16,170
the CIA

202
00:11:13,769 --> 00:11:18,119
was talking about it being an optical

203
00:11:16,169 --> 00:11:21,838
illusion and everybody knew it wasn't

204
00:11:18,119 --> 00:11:25,259
can you elaborate on that yes I was

205
00:11:21,839 --> 00:11:31,920
working in section called the air order

206
00:11:25,259 --> 00:11:36,149
of battle this was a section where we

207
00:11:31,919 --> 00:11:39,208
looked at a certain territory in the

208
00:11:36,149 --> 00:11:43,438
world and we were supposed to identify

209
00:11:39,208 --> 00:11:46,678
any type of aircraft in that area it was

210
00:11:43,438 --> 00:11:48,868
really highly classified work with

211
00:11:46,678 --> 00:11:53,938
security clearances about above

212
00:11:48,869 --> 00:11:56,730
top-secret and so we went about our

213
00:11:53,938 --> 00:11:59,759
normal work of identifying aircraft and

214
00:11:56,730 --> 00:12:02,509

we generally knew what aircraft we were

215

00:11:59,759 --> 00:12:06,360

looking at we were supposed to look at

216

00:12:02,509 --> 00:12:09,178

different types and know what target

217

00:12:06,360 --> 00:12:13,709

them which meant no say where they were

218

00:12:09,178 --> 00:12:17,369

and that sort of thing and that would be

219

00:12:13,708 --> 00:12:20,219

if UFOs were craft that would be you

220

00:12:17,369 --> 00:12:24,809

think that would be a place where the

221

00:12:20,220 --> 00:12:29,819

government would be studying the

222

00:12:24,808 --> 00:12:34,649

photography to look for crafts yes but

223

00:12:29,818 --> 00:12:38,399

in my work and in my section of work

224

00:12:34,649 --> 00:12:40,499

there was nothing said about UFOs we

225

00:12:38,399 --> 00:12:44,639

were supposed to identify everything as

226

00:12:40,499 --> 00:12:48,689

an airplane or whatever and so my

227

00:12:44,639 --> 00:12:55,019

supervisors saw what they thought was a

228

00:12:48,688 --> 00:12:57,778

UFO and I thought so too they reported

229
00:12:55,019 --> 00:12:59,909
it to their higher-ups and we were

230
00:12:57,778 --> 00:13:03,418
supposed to be the experts I mean we

231
00:12:59,909 --> 00:13:05,610
were the experts on this territory of

232
00:13:03,418 --> 00:13:07,558
the world

233
00:13:05,610 --> 00:13:10,678
we were supposed to be the top experts

234
00:13:07,558 --> 00:13:15,448
and our identification zwarst supposed

235
00:13:10,678 --> 00:13:20,100
to be correct so my supervisors reported

236
00:13:15,448 --> 00:13:23,248
this as a UFO and I saw the pictures and

237
00:13:20,100 --> 00:13:26,970
everything and it was on at least two

238
00:13:23,249 --> 00:13:27,690
missions not exactly the same place but

239
00:13:26,970 --> 00:13:31,769
then looking

240
00:13:27,690 --> 00:13:36,270
me at all and I could sit in sterile

241
00:13:31,769 --> 00:13:40,409
still stereoscopically and things and so

242
00:13:36,269 --> 00:13:43,439
anyway the superiors got back to my

243
00:13:40,409 --> 00:13:46,529
supervisors and said no it wasn't it was

244
00:13:43,440 --> 00:13:49,860
a flaw in the film which made no sense

245
00:13:46,529 --> 00:13:51,870
to anybody because it wasn't a flaw in

246
00:13:49,860 --> 00:13:54,120
the film for one thing was on two films

247
00:13:51,870 --> 00:13:58,169
and you could see him and look at him

248
00:13:54,120 --> 00:14:00,419
and see you know reducer enlarge the

249
00:13:58,169 --> 00:14:04,639
image of one or the other and see him in

250
00:14:00,419 --> 00:14:09,750
stereo seem stereoscopically was how

251
00:14:04,639 --> 00:14:15,120
definite was and so the supervisors went

252
00:14:09,750 --> 00:14:16,559
to some other experts that were told it

253
00:14:15,120 --> 00:14:19,110
could tell whether something was a flaw

254
00:14:16,559 --> 00:14:21,239
on the film or not and the people said

255
00:14:19,110 --> 00:14:24,870
no this isn't the specialist said no

256
00:14:21,240 --> 00:14:27,029
this is not a flaw in film it's real but

257

00:14:24,870 --> 00:14:29,429
the supervisors kept right on saying

258
00:14:27,029 --> 00:14:32,069
it's a flaw on the film which was pretty

259
00:14:29,429 --> 00:14:35,789
insulting because we were supposedly in

260
00:14:32,070 --> 00:14:39,900
heat and they treated us just like we

261
00:14:35,789 --> 00:14:42,419
were nobodies so they the CIA and the

262
00:14:39,899 --> 00:14:45,480
DIA disagreed you being with the DIA I

263
00:14:42,419 --> 00:14:48,569
can you in some way describe for us what

264
00:14:45,480 --> 00:14:50,850
the object looked like on the film well

265
00:14:48,570 --> 00:14:52,800
I don't know if it was a CIA I mean I

266
00:14:50,850 --> 00:14:57,330
was working for the DIA and I think our

267
00:14:52,799 --> 00:14:59,429
our reports went to the CIA but it

268
00:14:57,330 --> 00:15:04,590
wasn't the whole DIA it was just our

269
00:14:59,429 --> 00:15:11,189
section of air or battle and I see in

270
00:15:04,590 --> 00:15:13,500
the DIA what it looked like was a it

271
00:15:11,190 --> 00:15:16,410

looked basically kind of like the saucer

272

00:15:13,500 --> 00:15:21,870

shape it was round with a real big dome

273

00:15:16,409 --> 00:15:25,620

and no features aside from that okay so

274

00:15:21,870 --> 00:15:28,679

yeah its surface look like you know an

275

00:15:25,620 --> 00:15:31,049

airplane or a craft or something is it

276

00:15:28,679 --> 00:15:34,919

that typical brushed aluminum look that

277

00:15:31,049 --> 00:15:35,909

so widely mentioned I think in general

278

00:15:34,919 --> 00:15:38,909

it was

279

00:15:35,909 --> 00:15:41,199

I don't exactly but I remember it looked

280

00:15:38,909 --> 00:15:43,990

like a craft anyway

281

00:15:41,200 --> 00:15:47,170

and I think in in your book you kind of

282

00:15:43,990 --> 00:15:50,649

describe it as that but that the dome

283

00:15:47,169 --> 00:15:54,389

was rather higher than the average UFO

284

00:15:50,649 --> 00:15:56,708

sighting was in general in in those days

285

00:15:54,389 --> 00:15:59,769

it looked like it but I wasn't sure

286
00:15:56,708 --> 00:16:04,479
because I could use a photography from

287
00:15:59,769 --> 00:16:06,100
two different missions and gotten so the

288
00:16:04,480 --> 00:16:08,079
same size and I could look at it in

289
00:16:06,100 --> 00:16:11,440
stereo but that was kind of a different

290
00:16:08,078 --> 00:16:14,799
way of looking at it from usual but I so

291
00:16:11,440 --> 00:16:17,500
I wasn't real sure it was there any idea

292
00:16:14,799 --> 00:16:20,379
how fast it was going it was on to the

293
00:16:17,500 --> 00:16:21,909
missions and it had shifted it was over

294
00:16:20,379 --> 00:16:24,220
water and you could tell it wasn't in

295
00:16:21,909 --> 00:16:26,019
the water it had shifted its position a

296
00:16:24,220 --> 00:16:31,629
little bit each mission was 90 minutes

297
00:16:26,019 --> 00:16:34,060
and we just saw um two missions but for

298
00:16:31,629 --> 00:16:37,809
90 minutes it was in the same general

299
00:16:34,059 --> 00:16:42,369
area why don't we take a stop right now

300
00:16:37,809 --> 00:16:44,679
and let Irina mention the name of her

301
00:16:42,370 --> 00:16:46,539
book again and all of that because we

302
00:16:44,679 --> 00:16:49,509
like to make sure that our listeners

303
00:16:46,539 --> 00:16:54,669
hear that a couple of three times you

304
00:16:49,509 --> 00:16:57,069
know okay the name is UFOs today 70

305
00:16:54,669 --> 00:17:00,519
years of lies misinformation and

306
00:16:57,070 --> 00:17:03,670
government cover-up and you can order it

307
00:17:00,519 --> 00:17:05,859
from Amazon comm and it's pretty easy to

308
00:17:03,669 --> 00:17:11,699
find on the Internet just put irina

309
00:17:05,859 --> 00:17:16,149
scott and it should pop up okay okay so

310
00:17:11,699 --> 00:17:18,519
another thing that interested me for

311
00:17:16,150 --> 00:17:23,439
particularly personal reasons because I

312
00:17:18,519 --> 00:17:26,828
am an experienced er it was the teenage

313
00:17:23,439 --> 00:17:33,580
boys in two different locations during

314

00:17:26,828 --> 00:17:39,308
around the same time who saw craft and

315
00:17:33,579 --> 00:17:45,250
then saw beings come out of those craft

316
00:17:39,308 --> 00:17:49,240
and then they reported this are they

317
00:17:45,250 --> 00:17:52,298
were teenagers and then the the people

318
00:17:49,240 --> 00:17:54,960
from the government purportedly called

319
00:17:52,298 --> 00:17:57,629
them up or contacted them

320
00:17:54,960 --> 00:17:59,640
and ask them about their dreams later on

321
00:17:57,630 --> 00:18:03,600
and whether they were out-of-body

322
00:17:59,640 --> 00:18:06,090
whether they went out of body this with

323
00:18:03,599 --> 00:18:11,689
two different sightings the one where

324
00:18:06,089 --> 00:18:14,788
the government called people up were the

325
00:18:11,690 --> 00:18:18,360
pilots of a helicopter oh okay

326
00:18:14,788 --> 00:18:20,700
oh the coin helicopter okay I guess I

327
00:18:18,359 --> 00:18:22,609
conflated the two two different parts

328
00:18:20,700 --> 00:18:28,200

there sorry about that

329

00:18:22,609 --> 00:18:29,339

but that happened I don't know if you

330

00:18:28,200 --> 00:18:34,558

don't know anything about coin

331

00:18:29,339 --> 00:18:38,428

helicopter do you no I don't actually

332

00:18:34,558 --> 00:18:39,990

oh no that's fine well know what kind of

333

00:18:38,429 --> 00:18:43,350

helicopter are they there's something

334

00:18:39,990 --> 00:18:45,630

special about them they were on there

335

00:18:43,349 --> 00:18:51,209

they were on a trip from I think

336

00:18:45,630 --> 00:18:54,000

Columbus to Mansfield Ohio and they saw

337

00:18:51,210 --> 00:18:57,019

a light and didn't pay attention to it

338

00:18:54,000 --> 00:19:00,808

and then it got nearer and nearer and

339

00:18:57,019 --> 00:19:04,648

finally it was over him and their

340

00:19:00,808 --> 00:19:08,119

cockpit turned green and there were I

341

00:19:04,648 --> 00:19:12,148

think there was some other effects and

342

00:19:08,119 --> 00:19:14,989

then then the object went away but for

343

00:19:12,148 --> 00:19:17,729

some reason their helicopter

344

00:19:14,990 --> 00:19:20,640

risen like several thousand feet and

345

00:19:17,730 --> 00:19:22,319

when they tried to get control of it

346

00:19:20,640 --> 00:19:24,809

again they almost crashed into the

347

00:19:22,319 --> 00:19:27,269

ground and there were other people that

348

00:19:24,808 --> 00:19:32,839

witnessed that and so it was a pretty

349

00:19:27,269 --> 00:19:36,569

well known sighting and coin was the

350

00:19:32,839 --> 00:19:39,000

pilot and later on the government had

351

00:19:36,569 --> 00:19:43,769

called him several times and asked about

352

00:19:39,000 --> 00:19:46,319

his dreams well that sort of gets into

353

00:19:43,769 --> 00:19:48,389

your final conclusion to that rather

354

00:19:46,319 --> 00:19:51,329

than continue to study along the

355

00:19:48,390 --> 00:19:53,250

nuts-and-bolts line I have to get more

356

00:19:51,329 --> 00:19:57,538

into like a quantum mechanics

357
00:19:53,250 --> 00:20:01,648
consciousness type of a line yeah I

358
00:19:57,538 --> 00:20:05,700
agree I think it's a lot more I mean if

359
00:20:01,648 --> 00:20:08,549
you go the idea of spaceships or

360
00:20:05,700 --> 00:20:11,549
something from space or other planets

361
00:20:08,549 --> 00:20:13,440
complicated enough but I think you the

362
00:20:11,549 --> 00:20:14,669
UFO phenomena might be a lot more

363
00:20:13,440 --> 00:20:18,750
complicated than that

364
00:20:14,670 --> 00:20:20,640
yes it seems to be you know and everyone

365
00:20:18,750 --> 00:20:23,069
says oh it's a government cover-up but

366
00:20:20,640 --> 00:20:25,020
and I think a lot of information is

367
00:20:23,069 --> 00:20:30,990
perhaps shielded by the government but

368
00:20:25,019 --> 00:20:32,910
you know I I I it's hard enough I just

369
00:20:30,990 --> 00:20:35,970
don't think the government is capable of

370
00:20:32,910 --> 00:20:39,900
covering up the entire story I I think

371

00:20:35,970 --> 00:20:41,460
the the various information is so

372
00:20:39,900 --> 00:20:45,120
dispersed throughout the government

373
00:20:41,460 --> 00:20:48,329
there's so little desire to share it

374
00:20:45,119 --> 00:20:49,859
that I just can't believe in a

375
00:20:48,329 --> 00:20:51,509
government cover-up not that they

376
00:20:49,859 --> 00:20:53,490
wouldn't do it but I just don't think

377
00:20:51,509 --> 00:20:56,519
they're capable of it to any great

378
00:20:53,490 --> 00:21:00,200
extent I have to go back here Kate to

379
00:20:56,519 --> 00:21:04,710
our former guest dr. John B Alexander

380
00:21:00,200 --> 00:21:07,650
mm-hm and say that the government isn't

381
00:21:04,710 --> 00:21:11,220
one thing as you know I mean it may not

382
00:21:07,650 --> 00:21:13,830
be that like the vice president knows

383
00:21:11,220 --> 00:21:16,740
all the secrets and is keeping them at

384
00:21:13,829 --> 00:21:18,269
the Naval Observatory from us but that

385
00:21:16,740 --> 00:21:20,670

there are lots of pockets of the

386

00:21:18,269 --> 00:21:23,190

government which are black ops projects

387

00:21:20,670 --> 00:21:25,800

that never see the light of day and many

388

00:21:23,190 --> 00:21:29,250

of which are transferred over into the

389

00:21:25,799 --> 00:21:32,519

private sector into places like you know

390

00:21:29,250 --> 00:21:35,730

Bigelow Aerospace or who was the guy who

391

00:21:32,519 --> 00:21:39,930

said Ben Ben rich we can bring them you

392

00:21:35,730 --> 00:21:43,620

know the rich fellow I I skunk or skunk

393

00:21:39,930 --> 00:21:45,120

works exactly so you know where I I

394

00:21:43,619 --> 00:21:47,399

don't believe the government like the

395

00:21:45,119 --> 00:21:49,169

person at the Department of that's the

396

00:21:47,400 --> 00:21:51,810

head of the Department of Agriculture or

397

00:21:49,170 --> 00:21:53,970

something has probably no idea about any

398

00:21:51,809 --> 00:21:55,769

kind of government cover-up about UFOs

399

00:21:53,970 --> 00:21:57,750

would be my guess you know what I'm

400
00:21:55,769 --> 00:21:59,609
saying okay yeah well yeah exactly

401
00:21:57,750 --> 00:22:02,609
that's the point but I think that's the

402
00:21:59,609 --> 00:22:04,529
point dr. Scott is making too that there

403
00:22:02,609 --> 00:22:08,639
has to be a whole different approach to

404
00:22:04,529 --> 00:22:10,470
it yes and but you also sort of hinted

405
00:22:08,640 --> 00:22:13,470
the fact that even though another

406
00:22:10,470 --> 00:22:16,559
approach would be called for you don't

407
00:22:13,470 --> 00:22:19,140
think that possibly we're not capable of

408
00:22:16,559 --> 00:22:20,359
it at this particular point in time is

409
00:22:19,140 --> 00:22:23,990
that so or that

410
00:22:20,359 --> 00:22:26,869
misunderstand well it was my impression

411
00:22:23,990 --> 00:22:29,990
after working for the government the

412
00:22:26,869 --> 00:22:34,089
government isn't in unison and it was my

413
00:22:29,990 --> 00:22:36,140
impression that there's what your

414

00:22:34,089 --> 00:22:38,449

clearances are top secret

415

00:22:36,140 --> 00:22:40,130

and then there's Kobler word clearances

416

00:22:38,450 --> 00:22:43,548

above those and those are

417

00:22:40,130 --> 00:22:46,760

compartmentalized so one codeword maybe

418

00:22:43,548 --> 00:22:48,650

for something and another maybe for

419

00:22:46,759 --> 00:22:50,089

something else and you don't find out

420

00:22:48,650 --> 00:22:52,640

what

421

00:22:50,089 --> 00:22:56,298

maybe somebody way at the top finds out

422

00:22:52,640 --> 00:22:57,950

what all code words are but the people

423

00:22:56,298 --> 00:23:03,139

that are working under the clearances

424

00:22:57,950 --> 00:23:04,850

don't so if there's some place in the

425

00:23:03,140 --> 00:23:07,730

government that knows about UFOs which

426

00:23:04,849 --> 00:23:10,668

I'm sure there is they would be in a

427

00:23:07,730 --> 00:23:14,900

compartmentalized place with a certain

428

00:23:10,669 --> 00:23:16,610
code word and it wouldn't be a general

429
00:23:14,900 --> 00:23:22,548
government thing it would just be a few

430
00:23:16,609 --> 00:23:24,319
people you know it's just well I do

431
00:23:22,548 --> 00:23:25,369
think that always struck me is that when

432
00:23:24,319 --> 00:23:28,069
there was a sighting

433
00:23:25,369 --> 00:23:30,349
it seems that past Roswell that there's

434
00:23:28,069 --> 00:23:32,569
been some other crashes that out of

435
00:23:30,349 --> 00:23:34,939
nowhere you suddenly get this government

436
00:23:32,569 --> 00:23:36,678
force they're within hours I mean maybe

437
00:23:34,940 --> 00:23:39,140
an hour right right right

438
00:23:36,679 --> 00:23:41,509
you know like expert yeah exactly and I

439
00:23:39,140 --> 00:23:43,490
mean these people come in there I mean

440
00:23:41,509 --> 00:23:46,789
but that means you have to have a whole

441
00:23:43,490 --> 00:23:49,730
division ready to go in a second

442
00:23:46,789 --> 00:23:52,250

notice that may not be utilized for a

443

00:23:49,730 --> 00:23:55,250

year or two or three so the whole thing

444

00:23:52,250 --> 00:23:57,529

is rather bizarre I think I don't know

445

00:23:55,250 --> 00:23:59,390

it sure is bizarre

446

00:23:57,529 --> 00:24:02,389

well you know like you dr. Scott ins

447

00:23:59,390 --> 00:24:04,400

who's like I read all the stories every

448

00:24:02,390 --> 00:24:06,470

time someone says Roswell I almost feel

449

00:24:04,400 --> 00:24:08,660

like there should be a mm-hmm you know

450

00:24:06,470 --> 00:24:12,589

like a musical background like like the

451

00:24:08,660 --> 00:24:14,750

Holy Grail but I've never came to any

452

00:24:12,589 --> 00:24:17,359

conclusion never ever

453

00:24:14,750 --> 00:24:20,720

well I've got to come to the conclusion

454

00:24:17,359 --> 00:24:24,740

that it's not all one thing and even

455

00:24:20,720 --> 00:24:30,558

when like in your book that dr. Irena

456

00:24:24,740 --> 00:24:32,630

Scott there there is the fact that two

457
00:24:30,558 --> 00:24:33,559
people such as you have mentioned two

458
00:24:32,630 --> 00:24:36,920
sisters

459
00:24:33,559 --> 00:24:39,079
who saw two different things they both

460
00:24:36,920 --> 00:24:42,140
saw something but they saw two different

461
00:24:39,079 --> 00:24:45,199
things so I've got to believe that the

462
00:24:42,140 --> 00:24:48,860
the non-human intelligences that are

463
00:24:45,200 --> 00:24:52,580
involved with these sightings and with

464
00:24:48,859 --> 00:24:55,729
these proposed crafts are taking

465
00:24:52,579 --> 00:24:59,779
advantage of things that are already in

466
00:24:55,730 --> 00:25:03,170
our minds and using those images and

467
00:24:59,779 --> 00:25:06,500
portraying those images to us where the

468
00:25:03,170 --> 00:25:09,320
real truth could be something else in

469
00:25:06,500 --> 00:25:11,059
other words they may be projecting that

470
00:25:09,319 --> 00:25:14,029
they look like humanoids when they

471
00:25:11,059 --> 00:25:17,740
really look like lobsters or they're

472
00:25:14,029 --> 00:25:21,109
just protoplasm or whatever like that

473
00:25:17,740 --> 00:25:23,750
and and the the particular sighting that

474
00:25:21,109 --> 00:25:26,359
you had mentioned about the two sisters

475
00:25:23,750 --> 00:25:29,359
seeing two entirely separate things

476
00:25:26,359 --> 00:25:32,929
brought that to mind but I am really

477
00:25:29,359 --> 00:25:36,439
personally interested in the the fellows

478
00:25:32,930 --> 00:25:38,120
on the helicopter where and I confused

479
00:25:36,440 --> 00:25:40,009
that with the story before which was

480
00:25:38,119 --> 00:25:41,689
about the two teenagers in two different

481
00:25:40,009 --> 00:25:46,549
parts of the country so I apologize for

482
00:25:41,690 --> 00:25:50,259
that but but that they somebody asked

483
00:25:46,549 --> 00:25:53,329
them about their dreams and if they were

484
00:25:50,259 --> 00:25:57,079
going out-of-body because as I said I'm

485

00:25:53,329 --> 00:25:59,720
an experiencer I saw stuff I got dreams

486
00:25:57,079 --> 00:26:01,779
I felt like I was being pulled out of my

487
00:25:59,720 --> 00:26:07,309
body at different time so that's all

488
00:26:01,779 --> 00:26:09,980
really seminal information for me what

489
00:26:07,309 --> 00:26:12,019
was it was very interesting to me too

490
00:26:09,980 --> 00:26:14,029
because the government if they're

491
00:26:12,019 --> 00:26:16,849
exploring things like that they don't

492
00:26:14,029 --> 00:26:20,450
let it be known and they actually called

493
00:26:16,849 --> 00:26:22,669
the pilot and asked him and called

494
00:26:20,450 --> 00:26:26,529
several times what his dreams were and

495
00:26:22,670 --> 00:26:30,890
they wanted to know specific things and

496
00:26:26,529 --> 00:26:34,849
what I one thing I was interested in was

497
00:26:30,890 --> 00:26:38,060
when they the object was above their

498
00:26:34,849 --> 00:26:43,089
helicopter the cockpit lit up in green

499
00:26:38,059 --> 00:26:46,700

yes and I've noticed in other instances

500

00:26:43,089 --> 00:26:47,480

where there's green tractor beams or

501

00:26:46,700 --> 00:26:50,900

work

502

00:26:47,480 --> 00:26:54,230

there's green events on an airplane or

503

00:26:50,900 --> 00:26:57,340

something yes the electronics go haywire

504

00:26:54,230 --> 00:27:00,620

and different things like that and so

505

00:26:57,339 --> 00:27:03,109

and also in the case of the helicopter

506

00:27:00,619 --> 00:27:05,659

it seemed to rise up in the air and

507

00:27:03,109 --> 00:27:07,879

nobody knew anything about it and so I

508

00:27:05,660 --> 00:27:11,120

was wondering if there might have just

509

00:27:07,880 --> 00:27:12,500

been some type of abduction taking place

510

00:27:11,119 --> 00:27:15,739

then although it would have been quite

511

00:27:12,500 --> 00:27:18,740

fast and that maybe the government

512

00:27:15,740 --> 00:27:22,069

thought that it was investigating well I

513

00:27:18,740 --> 00:27:24,140

guess I guess it might have and the time

514
00:27:22,069 --> 00:27:26,629
dimension may have been breached in

515
00:27:24,140 --> 00:27:29,930
other words they could have been gone

516
00:27:26,630 --> 00:27:33,890
out of the helicopter for forty-five

517
00:27:29,930 --> 00:27:36,860
seconds but if they were somehow made to

518
00:27:33,890 --> 00:27:40,940
remember and I have mixed very mixed

519
00:27:36,859 --> 00:27:43,909
feelings on hypnotic regression but if

520
00:27:40,940 --> 00:27:47,390
somehow that could be done in a in a

521
00:27:43,910 --> 00:27:50,450
careful and very professional way that

522
00:27:47,390 --> 00:27:54,370
we might find out something else but

523
00:27:50,450 --> 00:27:58,009
it's amazing how many people report

524
00:27:54,369 --> 00:28:01,939
being pulled out of their body after a

525
00:27:58,009 --> 00:28:07,819
UFO sighting I guess was my main point

526
00:28:01,940 --> 00:28:10,910
of that yeah and in terms of of green

527
00:28:07,819 --> 00:28:12,919
the green light and and also the

528
00:28:10,910 --> 00:28:15,170
something else you mentioned about a

529
00:28:12,920 --> 00:28:17,539
gentleman who was a scientist who began

530
00:28:15,170 --> 00:28:19,670
to see a number of UFOs and I kind of

531
00:28:17,539 --> 00:28:22,159
feel a little bit to a much lesser

532
00:28:19,670 --> 00:28:24,740
degree in that category because I have

533
00:28:22,160 --> 00:28:27,019
seen small green orbs that were

534
00:28:24,740 --> 00:28:31,970
fluorescent green on two or three

535
00:28:27,019 --> 00:28:34,879
different occasions so and and some of

536
00:28:31,970 --> 00:28:39,730
them were in the context of a woman that

537
00:28:34,880 --> 00:28:43,310
I have known who was involved with

538
00:28:39,730 --> 00:28:47,059
ritual rather than UFOs she was more

539
00:28:43,309 --> 00:28:50,539
involved with ritual practices but there

540
00:28:47,059 --> 00:28:54,919
were definitely green orbs and in her

541
00:28:50,539 --> 00:28:57,019
context in more than one time when I was

542

00:28:54,920 --> 00:29:00,769
at two different houses which she

543
00:28:57,019 --> 00:29:02,869
inhabited at both times I saw orbs

544
00:29:00,769 --> 00:29:05,929
you know one time in the house one time

545
00:29:02,869 --> 00:29:08,178
outside the other house so the green the

546
00:29:05,929 --> 00:29:11,170
green coloring it does hit a spot for me

547
00:29:08,179 --> 00:29:15,380
because because of my own experiences

548
00:29:11,170 --> 00:29:20,690
well there's been a number of cases such

549
00:29:15,380 --> 00:29:29,150
as green beans that appear to be tractor

550
00:29:20,690 --> 00:29:31,130
beams pull somebody in or across and did

551
00:29:29,150 --> 00:29:34,130
you try to take videos or anything in

552
00:29:31,130 --> 00:29:37,340
the green orbs no I was you know I was a

553
00:29:34,130 --> 00:29:40,970
social visitor both times to her home

554
00:29:37,339 --> 00:29:44,750
one of which was near Monroe New York

555
00:29:40,970 --> 00:29:49,100
the other of which was in Tucson Arizona

556
00:29:44,750 --> 00:29:52,730

I also experienced green or that went

557

00:29:49,099 --> 00:29:55,849

along a during the middle of the night

558

00:29:52,730 --> 00:29:58,610

that went along both twice in fact once

559

00:29:55,849 --> 00:30:01,699

at the place in Arizona at her her

560

00:29:58,609 --> 00:30:04,279

living quarters there in Tucson and once

561

00:30:01,700 --> 00:30:08,179

in my own apartment in the East Village

562

00:30:04,279 --> 00:30:10,879

of Manhattan I saw a green orbs that

563

00:30:08,179 --> 00:30:12,290

went along the where you would say the

564

00:30:10,880 --> 00:30:15,950

electrical lines were probably

565

00:30:12,289 --> 00:30:21,379

underneath the wall you know what I'm

566

00:30:15,950 --> 00:30:23,420

trying to say yeah it was prior to the

567

00:30:21,380 --> 00:30:31,040

age of everybody having a cell phone in

568

00:30:23,420 --> 00:30:33,080

their back pocket yeah that a lot of the

569

00:30:31,039 --> 00:30:37,308

good sightings unfortunately were then

570

00:30:33,079 --> 00:30:40,069

yes and it's and now with all the

571
00:30:37,308 --> 00:30:41,629
electronics when you do get a cell phone

572
00:30:40,069 --> 00:30:44,210
picture something you don't know if it's

573
00:30:41,630 --> 00:30:49,910
right or faked because it's so easy to

574
00:30:44,210 --> 00:30:53,990
fake them yes in today's world let me

575
00:30:49,910 --> 00:30:57,160
say I was gonna say something like the

576
00:30:53,990 --> 00:30:59,950
tractor beams you were talking about

577
00:30:57,160 --> 00:31:02,750
well maybe it'll come to me in a minute

578
00:30:59,950 --> 00:31:05,900
it well it does bring to mind something

579
00:31:02,750 --> 00:31:10,400
else that happened recently that was

580
00:31:05,900 --> 00:31:13,070
more prosaic if you will I was up at at

581
00:31:10,400 --> 00:31:14,390
something called firewater I believe

582
00:31:13,069 --> 00:31:16,970
it's called or River

583
00:31:14,390 --> 00:31:18,770
fire fire fire water River something of

584
00:31:16,970 --> 00:31:21,589
that nature been there a couple of three

585
00:31:18,769 --> 00:31:24,440
times up in Providence Rhode Island did

586
00:31:21,589 --> 00:31:28,099
something that happens around midsummer

587
00:31:24,440 --> 00:31:31,309
night they put these fire barges on the

588
00:31:28,099 --> 00:31:33,469
water and people have kind of

589
00:31:31,309 --> 00:31:36,200
Renaissance II costumes on and they

590
00:31:33,470 --> 00:31:38,569
float these fire things up and down the

591
00:31:36,200 --> 00:31:40,549
river in Providence Rhode Island so I

592
00:31:38,569 --> 00:31:43,399
have was there this summer and I've

593
00:31:40,549 --> 00:31:46,609
visited that and I looked up in the sky

594
00:31:43,400 --> 00:31:49,240
as is my want to do and what do I see in

595
00:31:46,609 --> 00:31:52,490
the sky but a multicolored lit

596
00:31:49,240 --> 00:31:54,819
multicolored lights that were moving in

597
00:31:52,490 --> 00:31:58,309
an erratic pattern stopping and starting

598
00:31:54,819 --> 00:32:01,250
and moving like it seemed to be they

599

00:31:58,309 --> 00:32:04,099
whatever whoever was in this thing was

600
00:32:01,250 --> 00:32:08,240
surveying the fire water demonstration

601
00:32:04,099 --> 00:32:10,730
at what altitude I couldn't be sure but

602
00:32:08,240 --> 00:32:13,430
I would say at least that the altitude

603
00:32:10,730 --> 00:32:15,079
of a low-flying plane shall we say and I

604
00:32:13,430 --> 00:32:17,029
pointed it out to the people that were

605
00:32:15,079 --> 00:32:19,369
accompanying me along with somebody who

606
00:32:17,029 --> 00:32:23,089
was just standing there and that person

607
00:32:19,369 --> 00:32:25,879
said oh that's got to be a help me here

608
00:32:23,089 --> 00:32:28,309
Kate like a helicopter no not a

609
00:32:25,880 --> 00:32:30,020
helicopter whatever is a drone they said

610
00:32:28,309 --> 00:32:33,559
that's got to be a drone nobody

611
00:32:30,019 --> 00:32:36,049
exhibited any interest whatsoever in

612
00:32:33,559 --> 00:32:39,980
this thing I did take a picture or two

613
00:32:36,049 --> 00:32:42,470

of this and Irina they did not come out

614

00:32:39,980 --> 00:32:44,870

although I was taking pictures of a lot

615

00:32:42,470 --> 00:32:47,089

of other things now was it a UFO was it

616

00:32:44,869 --> 00:32:50,059

a drone I'd hardly say I don't know

617

00:32:47,089 --> 00:32:51,949

could have been either but the people

618

00:32:50,059 --> 00:32:54,859

around me they were blase they say oh

619

00:32:51,950 --> 00:32:56,900

that's a drone you know and they you

620

00:32:54,859 --> 00:32:58,879

know they couldn't really see it see it

621

00:32:56,900 --> 00:33:01,250

see thee but you could see the lights

622

00:32:58,880 --> 00:33:04,940

you could see it moving erratically and

623

00:33:01,250 --> 00:33:07,369

they just fluffed it off like par for

624

00:33:04,940 --> 00:33:09,890

the course so to speak well III think

625

00:33:07,369 --> 00:33:11,569

what what else can you say though that's

626

00:33:09,890 --> 00:33:14,720

the whole thing they're objects are

627

00:33:11,569 --> 00:33:17,059

flying there unidentified it you know

628
00:33:14,720 --> 00:33:20,450
it's a very frustrating field I'll tell

629
00:33:17,059 --> 00:33:22,369
you I I'm quite impressed by your work

630
00:33:20,450 --> 00:33:24,500
in that you really followed through on

631
00:33:22,369 --> 00:33:27,579
all your but what was your final

632
00:33:24,500 --> 00:33:27,579
conclusion on this

633
00:33:27,650 --> 00:33:34,460
conclusion fortunately I have no idea

634
00:33:30,349 --> 00:33:36,500
what your comment is yeah usually is a

635
00:33:34,460 --> 00:33:39,380
peach do you study things and then you

636
00:33:36,500 --> 00:33:41,029
know more about them uh-huh UFOs and I

637
00:33:39,380 --> 00:33:43,160
don't know anything about them there's

638
00:33:41,029 --> 00:33:48,349
no data you know there's no consistent

639
00:33:43,160 --> 00:33:53,269
data it's a problem do you feel good I'm

640
00:33:48,349 --> 00:33:58,089
sure I was going to say is do you feel

641
00:33:53,269 --> 00:34:02,710
like there are fewer sightings now or

642
00:33:58,089 --> 00:34:07,099
like my possible sighting of the drone

643
00:34:02,710 --> 00:34:09,260
that the because of the technology it's

644
00:34:07,099 --> 00:34:13,219
getting harder to term determine the

645
00:34:09,260 --> 00:34:16,760
difference between a UFO and some other

646
00:34:13,219 --> 00:34:19,279
modern technology I think that might be

647
00:34:16,760 --> 00:34:21,580
part of the trouble and part of the

648
00:34:19,280 --> 00:34:25,130
trouble is it's so easy to think things

649
00:34:21,579 --> 00:34:26,750
that back in the old days if you had the

650
00:34:25,130 --> 00:34:28,220
camera with film and stuff you couldn't

651
00:34:26,750 --> 00:34:32,360
really fake things because they could

652
00:34:28,219 --> 00:34:34,129
study him today you know exactly what's

653
00:34:32,360 --> 00:34:36,649
going on and I'm not saying everybody's

654
00:34:34,130 --> 00:34:41,750
a fake or anything like that but it's

655
00:34:36,648 --> 00:34:45,889
still very difficult to study

656

00:34:41,750 --> 00:34:49,489
photography and things what was the the

657
00:34:45,889 --> 00:34:54,369
latest UFO incident that you have

658
00:34:49,489 --> 00:34:56,689
personally studied well well obviously

659
00:34:54,369 --> 00:35:02,119
I'm still working on Roswell

660
00:34:56,690 --> 00:35:05,900
and we announced in the book that we had

661
00:35:02,119 --> 00:35:08,989
a possible other new witness yes well

662
00:35:05,900 --> 00:35:10,550
event and I guess that's the most

663
00:35:08,989 --> 00:35:13,339
current because we're still working on

664
00:35:10,550 --> 00:35:17,420
it now and have found out some more

665
00:35:13,340 --> 00:35:20,870
things since I published the book but it

666
00:35:17,420 --> 00:35:22,970
was this man that he was a deputy

667
00:35:20,869 --> 00:35:25,670
sheriff and he was traveling with

668
00:35:22,969 --> 00:35:31,489
probably a sheriff from Big Springs

669
00:35:25,670 --> 00:35:34,119
Texas to Rustler and I had the

670
00:35:31,489 --> 00:35:36,349

impression had never heard of UFOs and

671

00:35:34,119 --> 00:35:39,139

they heard on the police radio that

672

00:35:36,349 --> 00:35:41,239

there was a crash and they found the

673

00:35:39,139 --> 00:35:49,098

roads some way and got too

674

00:35:41,239 --> 00:35:51,799

area and saw a craft that was it was

675

00:35:49,099 --> 00:35:56,329

approximately 100 feet in diameter and

676

00:35:51,800 --> 00:35:58,609

round and then they saw four bodies and

677

00:35:56,329 --> 00:36:00,109

they were wrapped up but they could sort

678

00:35:58,608 --> 00:36:02,299

of look at and when the wind blew and

679

00:36:00,108 --> 00:36:03,920

things and they said they look kinda

680

00:36:02,300 --> 00:36:04,430

like people but not a whole lot like

681

00:36:03,920 --> 00:36:06,829

people

682

00:36:04,429 --> 00:36:13,460

mm-hmm he had a lift and they were

683

00:36:06,829 --> 00:36:16,339

lifting him into trucks and so we put

684

00:36:13,460 --> 00:36:18,800

that in the book just where we were we

685
00:36:16,338 --> 00:36:21,769
weren't saying is proving anything we

686
00:36:18,800 --> 00:36:25,400
just put it in for to put it in the

687
00:36:21,769 --> 00:36:28,789
public domain because there was a video

688
00:36:25,400 --> 00:36:32,030
of the man that saw it it was taken in

689
00:36:28,789 --> 00:36:34,039
1999 he and the other person and the

690
00:36:32,030 --> 00:36:39,800
person that made the video and the first

691
00:36:34,039 --> 00:36:43,420
people that that examined everything are

692
00:36:39,800 --> 00:36:48,079
all dead it came to my publisher

693
00:36:43,420 --> 00:36:54,559
he felt mantle and he had the material

694
00:36:48,079 --> 00:36:57,190
and we decided put in the book well we

695
00:36:54,559 --> 00:37:01,160
did find some people that knew him

696
00:36:57,190 --> 00:37:03,289
advance phrase honesty and we're still

697
00:37:01,159 --> 00:37:05,598
looking at that so that's new

698
00:37:03,289 --> 00:37:08,298
information that we didn't have in the

699

00:37:05,599 --> 00:37:10,880

book well that that's gonna be

700

00:37:08,298 --> 00:37:16,849

interesting to read about are you

701

00:37:10,880 --> 00:37:19,130

planning another book I don't know I'd

702

00:37:16,849 --> 00:37:22,269

like to plan another book maybe but I

703

00:37:19,130 --> 00:37:24,950

haven't I don't have definite plans

704

00:37:22,269 --> 00:37:27,048

okay well that's fair enough I've I've

705

00:37:24,949 --> 00:37:29,088

dreamed about writing several books that

706

00:37:27,048 --> 00:37:29,869

yes I have to get around to it I know

707

00:37:29,088 --> 00:37:33,048

what that's about

708

00:37:29,869 --> 00:37:35,000

so what is your final take on Roswell do

709

00:37:33,048 --> 00:37:39,588

you think something happened or nothing

710

00:37:35,000 --> 00:37:41,298

or maybe you're maybe not or I my

711

00:37:39,588 --> 00:37:43,308

conclusion on that was something

712

00:37:41,298 --> 00:37:45,108

definitely landed there and was taken

713

00:37:43,309 --> 00:37:48,109
away by the United States government to

714
00:37:45,108 --> 00:37:50,420
wright-patterson but what it was is sort

715
00:37:48,108 --> 00:37:53,829
of up in the air and the whole question

716
00:37:50,420 --> 00:37:55,809
of bodies there's a lot of people that

717
00:37:53,829 --> 00:37:59,909
really have you know the old story

718
00:37:55,809 --> 00:38:02,139
nothing to gain and and so it has to be

719
00:37:59,909 --> 00:38:04,119
forced out of them that they were

720
00:38:02,139 --> 00:38:08,549
witnesses and I think a lot of them were

721
00:38:04,119 --> 00:38:10,719
threatened with some nasty things but

722
00:38:08,550 --> 00:38:12,370
well you know you have a lot of

723
00:38:10,719 --> 00:38:15,759
information and what was your conclusion

724
00:38:12,369 --> 00:38:19,929
on Roswell well I think something did

725
00:38:15,760 --> 00:38:22,630
happen and idea that gave me firm you

726
00:38:19,929 --> 00:38:26,829
know pretty firm idea is that they had a

727
00:38:22,630 --> 00:38:32,309

recording of a broadcast from Roswell

728

00:38:26,829 --> 00:38:35,349

that made while they were transporting

729

00:38:32,309 --> 00:38:38,469

the artifacts to wright-patterson and

730

00:38:35,349 --> 00:38:40,900

this was just a radio announcer from

731

00:38:38,469 --> 00:38:42,449

Roswell he's doing his regular thing and

732

00:38:40,900 --> 00:38:44,860

he stopped right in the middle

733

00:38:42,449 --> 00:38:47,529

broadcasts and said he had called

734

00:38:44,860 --> 00:38:49,329

wright-patterson and the airplane was on

735

00:38:47,530 --> 00:38:51,760

its way and about to land or something

736

00:38:49,329 --> 00:38:54,840

yes that was pretty concrete evidence

737

00:38:51,760 --> 00:38:58,570

that they sent something to right there

738

00:38:54,840 --> 00:39:01,620

absolutely I had I had the great good

739

00:38:58,570 --> 00:39:04,840

fortune of having a one-on-one

740

00:39:01,619 --> 00:39:09,759

conversation with dr. Edgar Mitchell

741

00:39:04,840 --> 00:39:12,910

dove the Apollo 14 astronaut who was

742
00:39:09,760 --> 00:39:15,580
actually as luck would have it he grew

743
00:39:12,909 --> 00:39:17,649
up in Roswell long before the well not

744
00:39:15,579 --> 00:39:20,860
long before but somewhat before no

745
00:39:17,650 --> 00:39:23,019
coincidence no coincidences right but he

746
00:39:20,860 --> 00:39:26,230
told me in a small group of people that

747
00:39:23,019 --> 00:39:28,869
I was with he told us that absolutely

748
00:39:26,230 --> 00:39:32,380
beyond the shadow of a doubt he had a

749
00:39:28,869 --> 00:39:35,500
conversation with several people from

750
00:39:32,380 --> 00:39:38,050
Roswell who knew his father who knew him

751
00:39:35,500 --> 00:39:39,940
who respected him sort of as the

752
00:39:38,050 --> 00:39:44,560
all-american boy who made good and

753
00:39:39,940 --> 00:39:48,039
walked on the moon and that the funeral

754
00:39:44,559 --> 00:39:50,619
parlor director told him in no uncertain

755
00:39:48,039 --> 00:39:54,279
terms that he made these little coffins

756
00:39:50,619 --> 00:39:56,710
so that's you know I I respect him more

757
00:39:54,280 --> 00:40:01,350
than most people and I have to go along

758
00:39:56,710 --> 00:40:01,349
with that conclusion what do you think

759
00:40:02,579 --> 00:40:07,659
sounds good to me well the other thing

760
00:40:05,710 --> 00:40:10,720
too is I was at a conference and some

761
00:40:07,659 --> 00:40:13,149
stood up with Mitchell and said all

762
00:40:10,719 --> 00:40:15,519
right you know we're just a bunch of UFO

763
00:40:13,150 --> 00:40:17,559
nuts here you know no one's gonna listen

764
00:40:15,519 --> 00:40:20,318
to anything that goes on here so please

765
00:40:17,559 --> 00:40:23,069
give us a straight story and he looked

766
00:40:20,318 --> 00:40:28,210
right at the phone and said they're here

767
00:40:23,068 --> 00:40:31,088
so I again it was a type of man that you

768
00:40:28,210 --> 00:40:33,039
really believed for whatever reason well

769
00:40:31,088 --> 00:40:37,170
the the other thing that happened about

770

00:40:33,039 --> 00:40:40,480
him was that he gave a lecture in

771
00:40:37,170 --> 00:40:43,119
downtown Manhattan on the 28th Street or

772
00:40:40,480 --> 00:40:46,869
something back a few years before he

773
00:40:43,119 --> 00:40:49,230
passed on and the invited guests to this

774
00:40:46,869 --> 00:40:52,000
lecture beyond people who were

775
00:40:49,230 --> 00:40:55,030
ufologists and so forth were the

776
00:40:52,000 --> 00:40:58,960
graduating class of aviation high school

777
00:40:55,030 --> 00:41:02,048
in Garden City Queens Long Island and he

778
00:40:58,960 --> 00:41:04,480
told them that they had better you know

779
00:41:02,048 --> 00:41:06,788
up their game to the point where they

780
00:41:04,480 --> 00:41:10,858
realized that in the future when they

781
00:41:06,789 --> 00:41:13,210
were 40 years old and working on on

782
00:41:10,858 --> 00:41:14,528
avionics of some sort that this was

783
00:41:13,210 --> 00:41:16,778
going to be something that they were

784
00:41:14,528 --> 00:41:19,389

going to have to deal with and that yes

785

00:41:16,778 --> 00:41:25,599

in fact that they were here so I agree

786

00:41:19,389 --> 00:41:28,449

with Kate on that so in terms of what's

787

00:41:25,599 --> 00:41:32,109

your opinion on recent UFOs besides the

788

00:41:28,449 --> 00:41:34,689

fact that you can't you can't really

789

00:41:32,108 --> 00:41:37,838

tell if a photograph has been doctored

790

00:41:34,690 --> 00:41:41,260

too easily well there seem to be

791

00:41:37,838 --> 00:41:43,838

actually more reports now than there had

792

00:41:41,260 --> 00:41:47,559

been in the past but there's more people

793

00:41:43,838 --> 00:41:50,019

and more objects that you can see and

794

00:41:47,559 --> 00:41:54,250

not identify and people so have more

795

00:41:50,019 --> 00:41:58,480

cameras so and also a big difference is

796

00:41:54,250 --> 00:42:02,170

the internet so that people used to just

797

00:41:58,480 --> 00:42:05,289

have like groups and you would contact

798

00:42:02,170 --> 00:42:07,900

the group and a lot of groups because

799

00:42:05,289 --> 00:42:09,400
this is sort of an off topic but now

800

00:42:07,900 --> 00:42:10,750
there's the internet and anybody can say

801

00:42:09,400 --> 00:42:13,720
anything on the Internet

802

00:42:10,750 --> 00:42:17,139
so there's a lot more and it's a lot

803

00:42:13,719 --> 00:42:19,739
more possible to report things too now

804

00:42:17,139 --> 00:42:21,049
you have you have looked at photographs

805

00:42:19,739 --> 00:42:25,699
professionally

806

00:42:21,050 --> 00:42:31,310
your career at the DIA and also when you

807

00:42:25,699 --> 00:42:34,399
were with Patel I assume and today we

808

00:42:31,309 --> 00:42:36,829
have digital photographs and the digital

809

00:42:34,400 --> 00:42:40,789
photographs when photographing an

810

00:42:36,829 --> 00:42:44,179
anomalous object often there they seem

811

00:42:40,789 --> 00:42:48,130
to give off a signature wave pattern

812

00:42:44,179 --> 00:42:52,519
that's around the UFO we'll call it and

813
00:42:48,130 --> 00:42:55,550
and that it concludes some people to

814
00:42:52,519 --> 00:42:58,789
believe that the photograph was doctored

815
00:42:55,550 --> 00:43:01,340
but it leads other people to conclude

816
00:42:58,789 --> 00:43:04,789
that there is some form of a maybe a

817
00:43:01,340 --> 00:43:06,890
heat pattern or something of a cosmic

818
00:43:04,789 --> 00:43:10,849
wave pattern I don't know coming off the

819
00:43:06,889 --> 00:43:14,299
object can you speak to that all I think

820
00:43:10,849 --> 00:43:17,779
it's possible I had worked for Popular

821
00:43:14,300 --> 00:43:23,450
Mechanics writing articles and one thing

822
00:43:17,780 --> 00:43:25,810
I wrote about was how it was the process

823
00:43:23,449 --> 00:43:29,750
they were using to develop the stealth

824
00:43:25,809 --> 00:43:32,630
and I went to a stealth lab and watched

825
00:43:29,750 --> 00:43:35,239
how they very carefully tested materials

826
00:43:32,630 --> 00:43:37,910
for the outside of the plane so that it

827

00:43:35,239 --> 00:43:40,099
would reflect radar and how they tested

828
00:43:37,909 --> 00:43:43,460
the shape of the plane and things like

829
00:43:40,099 --> 00:43:48,769
that and so now they have stealth that

830
00:43:43,460 --> 00:43:52,369
we have and it's possible that the

831
00:43:48,769 --> 00:43:55,340
objects have been employing stealth for

832
00:43:52,369 --> 00:43:57,440
a long time and they have you know some

833
00:43:55,340 --> 00:43:58,910
surface or some kind of electronics

834
00:43:57,440 --> 00:44:03,530
around the surface or anything else that

835
00:43:58,909 --> 00:44:06,199
might interfere with radar just the

836
00:44:03,530 --> 00:44:10,640
shaper and that sort of thing so have

837
00:44:06,199 --> 00:44:12,679
you ever seen one yourself I I don't

838
00:44:10,639 --> 00:44:15,230
know I saw something once but I didn't

839
00:44:12,679 --> 00:44:16,940
read have you ever heard of Marfa Texas

840
00:44:15,230 --> 00:44:21,800
yes ma'am

841
00:44:16,940 --> 00:44:23,450

Marfa lights yes ma'am well I've been

842

00:44:21,800 --> 00:44:27,910

there a number of times because I have

843

00:44:23,449 --> 00:44:31,519

friends who live around there and have

844

00:44:27,909 --> 00:44:33,199

looked at them but anyway in Marfa

845

00:44:31,519 --> 00:44:34,130

there's these repeating lights and

846

00:44:33,199 --> 00:44:36,548

they've been

847

00:44:34,130 --> 00:44:40,460

see never since the eighteen hundreds

848

00:44:36,548 --> 00:44:44,288

there so they don't repeat in a regular

849

00:44:40,460 --> 00:44:47,630

pattern but they people see lights and

850

00:44:44,289 --> 00:44:51,650

usually in the mountains south of Martha

851

00:44:47,630 --> 00:44:55,849

and Martha even put in a big expensive

852

00:44:51,650 --> 00:44:57,739

viewing area for people watch I've been

853

00:44:55,849 --> 00:45:01,420

at the viewing area and I've seen lights

854

00:44:57,739 --> 00:45:05,630

but I thought they reads people cars on

855

00:45:01,420 --> 00:45:09,380

trails in the mountains and it didn't

856
00:45:05,630 --> 00:45:12,979
really impress me but my friends lived

857
00:45:09,380 --> 00:45:15,950
it in a house that was north of Market

858
00:45:12,978 --> 00:45:17,838
quite a ways north about 20 miles but it

859
00:45:15,949 --> 00:45:19,759
was on a high mountain actually it was

860
00:45:17,838 --> 00:45:24,078
on top of an extinct volcano which is

861
00:45:19,759 --> 00:45:26,028
interesting but they had a patio that

862
00:45:24,079 --> 00:45:29,989
overlooked where he could see often

863
00:45:26,028 --> 00:45:31,759
existence in see Martha and a porch in a

864
00:45:29,989 --> 00:45:34,009
big picture windows so I saw a lot of

865
00:45:31,759 --> 00:45:37,099
Marshall while I was there and I'd been

866
00:45:34,009 --> 00:45:39,949
there several times and one night very

867
00:45:37,099 --> 00:45:43,729
late at night like about 11:30 I saw

868
00:45:39,949 --> 00:45:45,199
this big light over Martha and I thought

869
00:45:43,728 --> 00:45:47,088
well that's not gonna stay there very

870
00:45:45,199 --> 00:45:50,449
long there's not a whole lot of planes

871
00:45:47,088 --> 00:45:52,818
it was sort of deserted area but I ran

872
00:45:50,449 --> 00:45:54,199
from my camcorder and got up to come

873
00:45:52,818 --> 00:45:56,989
back and it was still there

874
00:45:54,199 --> 00:45:59,179
and so I worried for a while I was

875
00:45:56,989 --> 00:46:03,108
really tired and I finally just quit

876
00:45:59,179 --> 00:46:06,498
because I was going to sleep but it was

877
00:46:03,108 --> 00:46:08,389
a big light over Martha and I called the

878
00:46:06,498 --> 00:46:10,968
airport and they said they hadn't seen

879
00:46:08,389 --> 00:46:13,038
anything but it's a local airport where

880
00:46:10,969 --> 00:46:16,369
they closed it like 5:30 and everybody

881
00:46:13,039 --> 00:46:19,219
goes home so I never knew I didn't

882
00:46:16,369 --> 00:46:21,380
really report it but I did film it well

883
00:46:19,219 --> 00:46:25,579
that's that's that's very interesting

884

00:46:21,380 --> 00:46:28,219
and I read that account in your book and

885
00:46:25,579 --> 00:46:32,359
you also I believe mentioned a place in

886
00:46:28,219 --> 00:46:35,088
New Hampshire that also had similar a

887
00:46:32,358 --> 00:46:37,460
similar place where people viewed such

888
00:46:35,088 --> 00:46:39,768
lights and I and I know there's also one

889
00:46:37,460 --> 00:46:43,849
I don't know if it's in North Carolina

890
00:46:39,768 --> 00:46:45,649
or Virginia as that that occurs as well

891
00:46:43,849 --> 00:46:47,610
but I'd be very interested in finding

892
00:46:45,650 --> 00:46:49,889
more information about then

893
00:46:47,610 --> 00:46:51,809
Hampshire one because I'm more than

894
00:46:49,889 --> 00:46:54,420
likely to be in New Hampshire more often

895
00:46:51,809 --> 00:46:58,049
than than Martha for sure but what about

896
00:46:54,420 --> 00:46:59,639
the the criticism of Marfa lights and

897
00:46:58,050 --> 00:47:02,510
general not a criticism but alternate

898
00:46:59,639 --> 00:47:07,109

explanation that it's like some form of

899

00:47:02,510 --> 00:47:09,300

piezoelectric or magnetic anomaly in the

900

00:47:07,110 --> 00:47:11,849

earth that's caused by quartz crystals

901

00:47:09,300 --> 00:47:13,500

in the ground yada yada I don't know if

902

00:47:11,849 --> 00:47:18,119

I have that quite right but firstly if

903

00:47:13,500 --> 00:47:19,889

there's an extinct volcano what do you

904

00:47:18,119 --> 00:47:23,460

say did that is that a possibility in

905

00:47:19,889 --> 00:47:27,179

your mind or not I don't know because I

906

00:47:23,460 --> 00:47:31,170

never studied the and they have

907

00:47:27,179 --> 00:47:34,859

earthquake flights yes people seem to be

908

00:47:31,170 --> 00:47:36,360

pretty definite but I don't think there

909

00:47:34,860 --> 00:47:38,820

were any earthquake so I didn't really

910

00:47:36,360 --> 00:47:41,789

study the geology even have an idea

911

00:47:38,820 --> 00:47:45,059

where I was was a group of extinct

912

00:47:41,789 --> 00:47:46,679

volcanoes and I was on volcano that it

913
00:47:45,059 --> 00:47:51,570
was extinct for a long time it sure

914
00:47:46,679 --> 00:47:53,519
looked like a volcano and I didn't even

915
00:47:51,570 --> 00:47:57,539
know that there were extinct volcanoes

916
00:47:53,519 --> 00:47:59,909
in Texas did you I knew that there were

917
00:47:57,539 --> 00:48:02,369
there are extinct volcanoes and the

918
00:47:59,909 --> 00:48:04,980
Southwest because I've seen some of them

919
00:48:02,369 --> 00:48:07,619
I didn't you know I haven't explored

920
00:48:04,980 --> 00:48:12,059
Texas as fully as I probably should have

921
00:48:07,619 --> 00:48:17,000
at this point in my life but that's

922
00:48:12,059 --> 00:48:21,179
interesting yes so aside from Roswell

923
00:48:17,000 --> 00:48:26,579
what is your day you go Kate aside from

924
00:48:21,179 --> 00:48:29,519
Roswell what is your favorite you know

925
00:48:26,579 --> 00:48:32,730
the or most my favorite I mean the the

926
00:48:29,519 --> 00:48:36,980
most compelling case that you could

927
00:48:32,730 --> 00:48:39,809
mention well the most compelling to me

928
00:48:36,980 --> 00:48:40,650
have you ever heard of Hartley hardly

929
00:48:39,809 --> 00:48:45,000
Hartley

930
00:48:40,650 --> 00:48:48,420
Rutledge no no that's a new one on me

931
00:48:45,000 --> 00:48:51,179
he was a physics professor in head of

932
00:48:48,420 --> 00:48:53,099
the department is he that I who had all

933
00:48:51,179 --> 00:48:57,599
the UFO experiences that are referenced

934
00:48:53,099 --> 00:48:59,190
before yes okay so I did it I remember

935
00:48:57,599 --> 00:48:59,880
right I recall reading about him in the

936
00:48:59,190 --> 00:49:01,409
book yes

937
00:48:59,880 --> 00:49:04,340
so go forward with that I'm sorry

938
00:49:01,409 --> 00:49:07,319
interrupted really well he was a

939
00:49:04,340 --> 00:49:08,670
physicist with training and physics and

940
00:49:07,320 --> 00:49:11,100
head of the department and everything

941

00:49:08,670 --> 00:49:14,820
else and people were telling him about

942
00:49:11,099 --> 00:49:19,170
UFO sightings in Missouri where he lived

943
00:49:14,820 --> 00:49:21,180
and he was a skeptic and so he decided

944
00:49:19,170 --> 00:49:24,510
to go out with instruments and people

945
00:49:21,179 --> 00:49:26,399
and explore and so he did and he was

946
00:49:24,510 --> 00:49:28,950
going to prove I'm wrong in two weeks

947
00:49:26,400 --> 00:49:32,090
and get back to business well he went

948
00:49:28,949 --> 00:49:39,059
out and for the rest of his life

949
00:49:32,090 --> 00:49:41,400
studying he made one of the best studies

950
00:49:39,059 --> 00:49:44,429
ever though because he did it in a

951
00:49:41,400 --> 00:49:47,039
scientific way of like I've been in

952
00:49:44,429 --> 00:49:48,750
biology and if you want to study animals

953
00:49:47,039 --> 00:49:51,029
you do field studies and you may go out

954
00:49:48,750 --> 00:49:52,860
see what time of day they come out and

955
00:49:51,030 --> 00:49:55,140

when they go back in their burrows and

956

00:49:52,860 --> 00:49:57,510

things we set up sir like that with

957

00:49:55,139 --> 00:50:00,589

field stations and all kinds of

958

00:49:57,510 --> 00:50:03,420

equipment photographic equipment and

959

00:50:00,590 --> 00:50:07,829

magnetometers and everything you can

960

00:50:03,420 --> 00:50:12,180

think of so that they can watch if a UFO

961

00:50:07,829 --> 00:50:14,940

came and they had ways of telling UFOs

962

00:50:12,179 --> 00:50:18,059

of guessing which were UFOs and which

963

00:50:14,940 --> 00:50:23,400

weren't it was during a flap there there

964

00:50:18,059 --> 00:50:26,969

were a whole lot of sightings and he so

965

00:50:23,400 --> 00:50:31,380

that they actually did studies real time

966

00:50:26,969 --> 00:50:33,359

on UFOs which I don't think anybody

967

00:50:31,380 --> 00:50:35,900

really has ever done because they're

968

00:50:33,360 --> 00:50:40,410

unpredictable but there were a lot

969

00:50:35,900 --> 00:50:45,360

happening then and they got recordings

970
00:50:40,409 --> 00:50:48,420
of kind of interaction of UFOs such as

971
00:50:45,360 --> 00:50:51,390
when they would come to a station they

972
00:50:48,420 --> 00:50:58,050
might go around it instead of right past

973
00:50:51,389 --> 00:51:01,079
it they he said that when they tried to

974
00:50:58,050 --> 00:51:02,519
take pictures of UFOs if that wasn't

975
00:51:01,079 --> 00:51:05,819
like taking a picture of a tree or

976
00:51:02,519 --> 00:51:07,710
something that the pictures didn't turn

977
00:51:05,820 --> 00:51:10,559
out like what they expected at all

978
00:51:07,710 --> 00:51:13,800
sometimes and it was as if the UFOs

979
00:51:10,559 --> 00:51:16,049
could kind of control their cameras

980
00:51:13,800 --> 00:51:20,180
and he wrote a book project

981
00:51:16,050 --> 00:51:24,300
identification but this was real time

982
00:51:20,179 --> 00:51:27,839
study done by a physicist and other

983
00:51:24,300 --> 00:51:29,220
scientists using scientific method and

984
00:51:27,840 --> 00:51:33,480
that sort of thing so I think it was a

985
00:51:29,219 --> 00:51:37,259
real good study and pretty well showed

986
00:51:33,480 --> 00:51:39,240
something's going on but it also

987
00:51:37,260 --> 00:51:41,970
explained things there seemed to be some

988
00:51:39,239 --> 00:51:44,459
high mental interaction where the UFO

989
00:51:41,969 --> 00:51:48,929
would disguise itself as a star or

990
00:51:44,460 --> 00:51:50,880
something and that sort of thing but it

991
00:51:48,929 --> 00:51:54,659
also kind of explained why there's not a

992
00:51:50,880 --> 00:51:58,680
lot of pictures of UFOs yes yes indeed

993
00:51:54,659 --> 00:52:02,219
well that brings me to some stuff that

994
00:51:58,679 --> 00:52:04,559
has happened both on this show and the

995
00:52:02,219 --> 00:52:08,609
Kate Valentine UFO show which our

996
00:52:04,559 --> 00:52:11,400
co-host here Kate Valentine hosted prior

997
00:52:08,610 --> 00:52:17,240
to the shattered reality podcast which

998

00:52:11,400 --> 00:52:21,570
we're now broadcasting and that is that

999
00:52:17,239 --> 00:52:24,659
inexplicably we have had things cut in

1000
00:52:21,570 --> 00:52:27,090
and out and on the Kate Valentine UFO

1001
00:52:24,659 --> 00:52:29,699
show we're at that moment I was a guest

1002
00:52:27,090 --> 00:52:33,630
along with another now deceased woman

1003
00:52:29,699 --> 00:52:35,939
who was also a UFO experience er she was

1004
00:52:33,630 --> 00:52:40,380
interviewing the both of us and there

1005
00:52:35,940 --> 00:52:43,289
was two engineers not just a friend mr.

1006
00:52:40,380 --> 00:52:46,470
bill but another engineer was on the

1007
00:52:43,289 --> 00:52:49,349
scene as well and the and made three

1008
00:52:46,469 --> 00:52:52,289
copies if I'm right is that right yep

1009
00:52:49,349 --> 00:52:54,809
made three copies of the show and it

1010
00:52:52,289 --> 00:52:57,989
completely disappeared from a

1011
00:52:54,809 --> 00:53:01,049
professional radio station recording

1012
00:52:57,989 --> 00:53:06,599

studio and then we had a MUFON

1013

00:53:01,050 --> 00:53:11,370

investigator on on the chase klutz key

1014

00:53:06,599 --> 00:53:15,210

we had a more Phonics investigator on

1015

00:53:11,369 --> 00:53:18,509

and it was like one of our it was one of

1016

00:53:15,210 --> 00:53:19,860

the show's prior to the 20th show I

1017

00:53:18,510 --> 00:53:22,650

don't remember what the number would

1018

00:53:19,860 --> 00:53:24,630

have been and we you know read her

1019

00:53:22,650 --> 00:53:27,180

accounts and we were really excited to

1020

00:53:24,630 --> 00:53:31,289

speak with her and again the

1021

00:53:27,179 --> 00:53:33,899

entire broadcast disappeared in addition

1022

00:53:31,289 --> 00:53:37,380

we've had other other anomalous things

1023

00:53:33,900 --> 00:53:39,720

happen which makes you think either is

1024

00:53:37,380 --> 00:53:41,309

is the government doing something I

1025

00:53:39,719 --> 00:53:45,029

don't know we don't we're very small

1026

00:53:41,309 --> 00:53:50,819

potatoes in terms of that or is it this

1027
00:53:45,030 --> 00:53:54,869
kind of telepathic issues with UFO

1028
00:53:50,818 --> 00:53:59,400
studies and how you know like at the the

1029
00:53:54,869 --> 00:54:04,140
Sherman skinwalker ranch the the cameras

1030
00:53:59,400 --> 00:54:06,838
get go defunct even when another camera

1031
00:54:04,139 --> 00:54:08,940
is watching them they they sure doubt

1032
00:54:06,838 --> 00:54:12,239
and stuff it with no reason whatsoever

1033
00:54:08,940 --> 00:54:14,099
and the wires are cut even while cameras

1034
00:54:12,239 --> 00:54:16,500
are watching and no one's there to cut

1035
00:54:14,099 --> 00:54:20,490
the wires it's like really baffling

1036
00:54:16,500 --> 00:54:26,579
stuff yeah I remember that reading that

1037
00:54:20,489 --> 00:54:29,808
and Harley Rutledge he said he got so he

1038
00:54:26,579 --> 00:54:32,670
could identify UFOs and I mean you know

1039
00:54:29,809 --> 00:54:34,619
airplanes have lights and sounds and

1040
00:54:32,670 --> 00:54:36,780
things and he could distinguish

1041
00:54:34,619 --> 00:54:39,450
airplanes from them and he saw quite a

1042
00:54:36,780 --> 00:54:41,670
few and he was a trained scientist when

1043
00:54:39,449 --> 00:54:43,980
they say scientists don't believe in

1044
00:54:41,670 --> 00:54:47,519
UFOs or they didn't see him well they do

1045
00:54:43,980 --> 00:54:52,619
and he admitted it he got harassed but

1046
00:54:47,519 --> 00:54:56,460
he still think the astronomer Clyde

1047
00:54:52,619 --> 00:55:00,838
Tombaugh saw was the discoverer of the

1048
00:54:56,460 --> 00:55:03,630
planet Pluto I believe that he he saw I

1049
00:55:00,838 --> 00:55:07,588
mean I think he was a an experiercer of

1050
00:55:03,630 --> 00:55:09,420
seeing UFOs was he not yes he was I

1051
00:55:07,588 --> 00:55:13,650
think he saw more than one who or

1052
00:55:09,420 --> 00:55:15,960
reported more than one in the dark yeah

1053
00:55:13,650 --> 00:55:18,358
I think another reason for droppin

1054
00:55:15,960 --> 00:55:25,260
sightings is that the sky is so light

1055

00:55:18,358 --> 00:55:26,818
these days yeah and people don't look up

1056
00:55:25,260 --> 00:55:28,200
anymore because there's nothing to see

1057
00:55:26,818 --> 00:55:31,639
so they're staring down at their

1058
00:55:28,199 --> 00:55:34,078
cellphones yeah well yeah that too but

1059
00:55:31,639 --> 00:55:35,940
but then again but that's good too

1060
00:55:34,079 --> 00:55:37,870
because if they do see something it's

1061
00:55:35,940 --> 00:55:41,590
instant communication too

1062
00:55:37,869 --> 00:55:46,089
I guess well I tried to take a picture

1063
00:55:41,590 --> 00:55:48,340
of the thing up in Providence and you

1064
00:55:46,090 --> 00:55:51,039
know all I got was like a smear of light

1065
00:55:48,340 --> 00:55:53,530
and none of my other pictures of the

1066
00:55:51,039 --> 00:55:56,769
fire water and everything else turned

1067
00:55:53,530 --> 00:55:58,810
out they all turned out well so it's a

1068
00:55:56,769 --> 00:56:00,639
mystery so and it's it's a mystery it's

1069
00:55:58,809 --> 00:56:05,110

driving us all nuts do you think we'll

1070

00:56:00,639 --> 00:56:11,139

ever really know just what these things

1071

00:56:05,110 --> 00:56:14,110

are it's just driving me crazy it's been

1072

00:56:11,139 --> 00:56:16,839

for what Oh way over 50 years I've been

1073

00:56:14,110 --> 00:56:19,720

looking at this stuff and just nothing

1074

00:56:16,840 --> 00:56:21,579

that you can put together my son always

1075

00:56:19,719 --> 00:56:23,589

kids me he said you know I'm good he's

1076

00:56:21,579 --> 00:56:33,579

gonna be rounding the hall in some

1077

00:56:23,590 --> 00:56:37,539

Hospital somewhere go what is every what

1078

00:56:33,579 --> 00:56:39,909

can be what's the point of keeping it

1079

00:56:37,539 --> 00:56:42,039

secret I mean yeah I know you know it's

1080

00:56:39,909 --> 00:56:44,440

gonna panic the general population yadda

1081

00:56:42,039 --> 00:56:46,929

yadda yadda but I mean really what is

1082

00:56:44,440 --> 00:56:48,519

the point is it just that knowledge is

1083

00:56:46,929 --> 00:56:52,929

power and they're keeping all the

1084
00:56:48,519 --> 00:56:57,130
knowledge to themselves I just let us

1085
00:56:52,929 --> 00:56:59,289
know please I think there's a couple of

1086
00:56:57,130 --> 00:57:01,360
things going on okay I mean in terms of

1087
00:56:59,289 --> 00:57:03,789
everybody panicking there's the idea

1088
00:57:01,360 --> 00:57:05,980
that there's eight billion people on the

1089
00:57:03,789 --> 00:57:09,309
face of the earth and it may be only one

1090
00:57:05,980 --> 00:57:10,960
in a hundred or one in a thousand would

1091
00:57:09,309 --> 00:57:13,630
panic but that's a hell of a lot of

1092
00:57:10,960 --> 00:57:15,369
people you know that's one thing and the

1093
00:57:13,630 --> 00:57:17,849
other thing that's more personal to me I

1094
00:57:15,369 --> 00:57:21,299
think that some people who have been

1095
00:57:17,849 --> 00:57:23,469
contacted the brains get fried from it

1096
00:57:21,300 --> 00:57:24,850
well you know that that was the point

1097
00:57:23,469 --> 00:57:27,219
I've just got toward the end of your

1098
00:57:24,849 --> 00:57:29,230
conclusion saying that perhaps it is not

1099
00:57:27,219 --> 00:57:31,480
nuts and bolts but that it's something

1100
00:57:29,230 --> 00:57:34,119
that's going to lead to an evolution in

1101
00:57:31,480 --> 00:57:36,990
humanity and I think you were leading

1102
00:57:34,119 --> 00:57:42,159
toward that line am I correct

1103
00:57:36,989 --> 00:57:45,009
yeah after investigating and talking to

1104
00:57:42,159 --> 00:57:47,500
people and things it's like the two

1105
00:57:45,010 --> 00:57:49,480
sisters one saw one thing and one saw

1106
00:57:47,500 --> 00:57:52,030
another and I've had a number of

1107
00:57:49,480 --> 00:57:55,690
examples of that and I also have exam

1108
00:57:52,030 --> 00:57:58,900
those of things merging and coming apart

1109
00:57:55,690 --> 00:58:02,920
and things like that in reports I've

1110
00:57:58,900 --> 00:58:06,130
received from people and so I can't

1111
00:58:02,920 --> 00:58:09,460
really picture I mean I know I think UFO

1112

00:58:06,130 --> 00:58:12,070
phenomena is a big includes all kinds of

1113
00:58:09,460 --> 00:58:13,750
things but I think one thing it includes

1114
00:58:12,070 --> 00:58:17,220
is something that we just don't

1115
00:58:13,750 --> 00:58:20,559
understand it's not like a craft that's

1116
00:58:17,219 --> 00:58:24,579
more like some form of interaction or

1117
00:58:20,559 --> 00:58:29,380
intelligence but that it's not like us

1118
00:58:24,579 --> 00:58:31,360
at all right right well you know well

1119
00:58:29,380 --> 00:58:33,340
know if they're aliens they're aliens

1120
00:58:31,360 --> 00:58:38,680
and they're not us so they wouldn't be

1121
00:58:33,340 --> 00:58:42,519
like us but but that whole mental state

1122
00:58:38,679 --> 00:58:45,219
was that was interesting it's a whole

1123
00:58:42,519 --> 00:58:47,079
different approach myself I'd just like

1124
00:58:45,219 --> 00:58:49,299
nuts and bolts I really hope it's

1125
00:58:47,079 --> 00:58:51,699
something you know once you get past

1126
00:58:49,300 --> 00:58:56,110

nuts and bolts it's something can the

1127

00:58:51,699 --> 00:58:58,149

average human really really I mean well

1128

00:58:56,110 --> 00:59:01,870

even if you think of something coming

1129

00:58:58,150 --> 00:59:07,720

from let's say for some reason it's from

1130

00:59:01,869 --> 00:59:09,789

a different star system that's 300 light

1131

00:59:07,719 --> 00:59:12,730

years away which isn't that far away in

1132

00:59:09,789 --> 00:59:18,029

terms of the universe but let's say it

1133

00:59:12,730 --> 00:59:22,030

was somebody from 300 light years away

1134

00:59:18,030 --> 00:59:24,730

what what would happen then is it's not

1135

00:59:22,030 --> 00:59:28,990

likely they'd be coming in a rocket

1136

00:59:24,730 --> 00:59:35,800

chemical rocket ship and so they may

1137

00:59:28,989 --> 00:59:37,899

take some sort of a wormhole the physics

1138

00:59:35,800 --> 00:59:40,240

I'm not good at I mean where most people

1139

00:59:37,900 --> 00:59:42,010

are not there on physics to be able to

1140

00:59:40,239 --> 00:59:44,799

explain it but there must be an

1141
00:59:42,010 --> 00:59:49,150
alternate way for them to come here and

1142
00:59:44,800 --> 00:59:51,970
therefore it could be using something

1143
00:59:49,150 --> 00:59:53,980
that's some type of interstellar drive

1144
00:59:51,969 --> 00:59:58,779
that we're not aware of and that they

1145
00:59:53,980 --> 01:00:00,519
they come in as ephemeral objects and do

1146
00:59:58,780 --> 01:00:02,890
all kinds of strange things physically

1147
01:00:00,519 --> 01:00:05,329
that we're not able to well yeah I mean

1148
01:00:02,889 --> 01:00:07,489
Columbus couldn't they

1149
01:00:05,329 --> 01:00:10,640
a jet going across the ocean in a few

1150
01:00:07,489 --> 01:00:12,798
hours you know he was struggling through

1151
01:00:10,639 --> 01:00:14,058
a three thank you little fishing boats I

1152
01:00:12,798 --> 01:00:17,239
don't think these things are mutually

1153
01:00:14,059 --> 01:00:18,650
exclusive and as we had stated at the

1154
01:00:17,239 --> 01:00:20,949
beginning of the show that these things

1155
01:00:18,650 --> 01:00:26,680
could be more than one thing right Irena

1156
01:00:20,949 --> 01:00:30,379
yes and you were talking about the green

1157
01:00:26,679 --> 01:00:33,649
form well they made their form of UFO

1158
01:00:30,380 --> 01:00:35,719
too and if they're like little orbs are

1159
01:00:33,650 --> 01:00:40,910
called orbs if they're big things they

1160
01:00:35,719 --> 01:00:43,249
might be called UFOs right I they don't

1161
01:00:40,909 --> 01:00:48,409
seem to be physical like us they seem to

1162
01:00:43,248 --> 01:00:50,268
be more like I mean we're molecular and

1163
01:00:48,409 --> 01:00:53,318
they don't impress me it's being

1164
01:00:50,268 --> 01:00:56,899
molecular like us but they're still

1165
01:00:53,318 --> 01:00:59,329
belong to the UFO phenomena and can

1166
01:00:56,900 --> 01:01:01,999
behave in intelligent ways they're

1167
01:00:59,329 --> 01:01:07,940
energy it seems like they are like some

1168
01:01:01,998 --> 01:01:10,669
form of energy uh-huh yeah so go ahead I

1169

01:01:07,940 --> 01:01:14,119
think that's part of it too so I think

1170
01:01:10,670 --> 01:01:18,739
it's a very complex mixture but I don't

1171
01:01:14,119 --> 01:01:21,469
think it's all cracked yes it's going to

1172
01:01:18,739 --> 01:01:24,068
be a mystery do you do you have anything

1173
01:01:21,469 --> 01:01:26,958
that we're coming towards a close here

1174
01:01:24,068 --> 01:01:29,929
having been with you for about an hour

1175
01:01:26,958 --> 01:01:31,909
now so do you have anything you'd like

1176
01:01:29,929 --> 01:01:34,129
to say beside you should give us once

1177
01:01:31,909 --> 01:01:35,868
again the title of the book you can get

1178
01:01:34,130 --> 01:01:39,259
it at Barnes & Noble you can get it on

1179
01:01:35,869 --> 01:01:41,298
Amazon give us once again the title of

1180
01:01:39,259 --> 01:01:43,219
the book because we really recommend

1181
01:01:41,298 --> 01:01:46,190
this book highly and we're particularly

1182
01:01:43,219 --> 01:01:48,829
impressed with you because women have a

1183
01:01:46,190 --> 01:01:52,639

hard time in the UFO field as well as in

1184

01:01:48,829 --> 01:01:54,440
astronomy and in other fields and they

1185

01:01:52,639 --> 01:01:58,458
still have a hard time in the UFO field

1186

01:01:54,440 --> 01:02:03,559
so lay it on us Irena regulations to

1187

01:01:58,458 --> 01:02:06,198
YouTube thank you it's UFOs today

1188

01:02:03,559 --> 01:02:09,229
seventy years of Lies misinformation and

1189

01:02:06,199 --> 01:02:15,619
government cover-up and if you just put

1190

01:02:09,228 --> 01:02:17,598
Irena Scott Eyre en ASCO TT in the on

1191

01:02:15,619 --> 01:02:19,280
the internet under Google or something

1192

01:02:17,599 --> 01:02:21,890
you should be able to find it

1193

01:02:19,280 --> 01:02:24,680
and be able to order it right then I

1194

01:02:21,889 --> 01:02:28,099
have a webpage called

1195

01:02:24,679 --> 01:02:37,909
Irina Scott dot-com and it tells how to

1196

01:02:28,099 --> 01:02:42,079
order it I'm on Facebook and and it's

1197

01:02:37,909 --> 01:02:44,869
where we're selling it as amazon.com and

1198
01:02:42,079 --> 01:02:46,699
so if people do have sightings or wanted

1199
01:02:44,869 --> 01:02:48,289
to get in touch with you they can get in

1200
01:02:46,699 --> 01:02:49,039
touch with you through your Facebook

1201
01:02:48,289 --> 01:02:53,300
itself

1202
01:02:49,039 --> 01:02:55,340
yes Facebook I think you sent a message

1203
01:02:53,300 --> 01:02:57,110
to somebody that's not gonna face yes

1204
01:02:55,340 --> 01:02:59,210
well that's messenger there they've got

1205
01:02:57,110 --> 01:03:03,410
messenger there for facebook for that

1206
01:02:59,210 --> 01:03:06,889
purpose direct messages and and so forth

1207
01:03:03,409 --> 01:03:09,199
so I'll before we say goodbye anything

1208
01:03:06,889 --> 01:03:12,049
you want to add to what we've talked

1209
01:03:09,199 --> 01:03:19,210
about we'd love to hear it well I think

1210
01:03:12,050 --> 01:03:22,280
it's very very very complicated and that

1211
01:03:19,210 --> 01:03:24,470
part of it's probably something that we

1212
01:03:22,280 --> 01:03:26,560
don't understand very well but it may

1213
01:03:24,469 --> 01:03:29,589
have something to do with quantum

1214
01:03:26,559 --> 01:03:35,630
mechanics and that type of new physics

1215
01:03:29,590 --> 01:03:37,550
we're just now learning about well we'd

1216
01:03:35,630 --> 01:03:39,619
like to thank you so much for being with

1217
01:03:37,550 --> 01:03:41,630
us today really for taking the time I

1218
01:03:39,619 --> 01:03:44,420
was so appreciated it's an honor and

1219
01:03:41,630 --> 01:03:47,390
wonderful job to you yeah it's really an

1220
01:03:44,420 --> 01:03:52,730
honor you know a person of science such

1221
01:03:47,389 --> 01:03:56,150
as yourself and we really applaud you so

1222
01:03:52,730 --> 01:03:57,860
thanks so much dr. irina scott and good

1223
01:03:56,150 --> 01:03:59,119
luck with your studies if you find

1224
01:03:57,860 --> 01:04:01,280
something definitive

1225
01:03:59,119 --> 01:04:02,690
give us a call yeah give us a call

1226

01:04:01,280 --> 01:04:04,580
anyway we're always happy to hear that

1227
01:04:02,690 --> 01:04:08,570
you probably read about you first though

1228
01:04:04,579 --> 01:04:12,799
right okay I suppose thanks again bye

1229
01:04:08,570 --> 01:04:14,600
now iein thank you and we of course

1230
01:04:12,800 --> 01:04:18,019
would like to thank dr. Irene is Scott

1231
01:04:14,599 --> 01:04:23,719
for being with us but now mr. Anthony

1232
01:04:18,019 --> 01:04:27,019
Santos oh who is a well-known figurative

1233
01:04:23,719 --> 01:04:31,339
artist in the magic realism school of

1234
01:04:27,019 --> 01:04:33,050
painting really somebody whose artwork

1235
01:04:31,340 --> 01:04:34,730
you should get to know

1236
01:04:33,050 --> 01:04:39,650
and could you mention your website

1237
01:04:34,730 --> 01:04:41,389
Anthony well there's no website it's

1238
01:04:39,650 --> 01:04:46,039
just a blog you just type in my name

1239
01:04:41,389 --> 01:04:48,230
Anthony Santo so dot blog spot.com yes

1240
01:04:46,039 --> 01:04:50,150

okay do you want to spell Santa well so

1241

01:04:48,230 --> 01:04:50,980

because not everybody knows how to spell

1242

01:04:50,150 --> 01:04:55,760

it

1243

01:04:50,980 --> 01:04:59,599

Anthony spelled anth ony and Santa also

1244

01:04:55,760 --> 01:05:01,280

is about si and tu o as well I've seen

1245

01:04:59,599 --> 01:05:05,150

some of these paintings and they're

1246

01:05:01,280 --> 01:05:06,920

truly glorious and they do I'm glad you

1247

01:05:05,150 --> 01:05:08,570

like them you know yeah if you just

1248

01:05:06,920 --> 01:05:10,280

google my name it'll come up you don't

1249

01:05:08,570 --> 01:05:13,480

need anybody Anthony say it the world

1250

01:05:10,280 --> 01:05:15,590

and they do cover some sort of mystical

1251

01:05:13,480 --> 01:05:18,889

aspects in them there are mystical

1252

01:05:15,590 --> 01:05:20,900

concepts which you and dream dream

1253

01:05:18,889 --> 01:05:23,659

pictures as well so I'm mentioning this

1254

01:05:20,900 --> 01:05:28,099

because these are areas that we cover

1255
01:05:23,659 --> 01:05:31,549
here on shadowed reality podcast and if

1256
01:05:28,099 --> 01:05:36,619
I recall correctly you have two stories

1257
01:05:31,550 --> 01:05:39,890
to tell us one concerns a deceased uncle

1258
01:05:36,619 --> 01:05:42,739
and deceased cousin of yours and what

1259
01:05:39,889 --> 01:05:45,529
happened to them along the Jersey Shore

1260
01:05:42,739 --> 01:05:47,329
so if you would like to to start out

1261
01:05:45,530 --> 01:05:50,810
with that one Anthony we would really

1262
01:05:47,329 --> 01:05:53,119
appreciate that well I'd be happy to

1263
01:05:50,809 --> 01:05:54,650
tell you I had an uncle who was and not

1264
01:05:53,119 --> 01:05:56,389
all that much older than me and my

1265
01:05:54,650 --> 01:05:58,579
cousin it was my age and they liked to

1266
01:05:56,389 --> 01:06:00,589
go fishing is what they like to do and

1267
01:05:58,579 --> 01:06:04,099
they'd go down to the Jersey Shore and

1268
01:06:00,590 --> 01:06:06,289
they'd fish at night for us striped bass

1269
01:06:04,099 --> 01:06:08,809
actually and they'd stand on the jetties

1270
01:06:06,289 --> 01:06:11,719
the rocks go down to the ocean sometimes

1271
01:06:08,809 --> 01:06:13,340
up 2 or 3 o'clock in the morning so they

1272
01:06:11,719 --> 01:06:16,759
were out there one night they had a fire

1273
01:06:13,340 --> 01:06:19,460
gone too and and my uncle was out on the

1274
01:06:16,760 --> 01:06:21,830
jetty and he claimed this said he told

1275
01:06:19,460 --> 01:06:25,579
me this story over a Christmas dinner

1276
01:06:21,829 --> 01:06:27,829
conversation he claimed that wow what he

1277
01:06:25,579 --> 01:06:30,860
described as a flying saucer or just a

1278
01:06:27,829 --> 01:06:34,279
kind of bright spinning orb so that came

1279
01:06:30,860 --> 01:06:35,500
down above him and my cousin Randy my

1280
01:06:34,280 --> 01:06:39,260
uncle's name was Eddie

1281
01:06:35,500 --> 01:06:42,920
Randy ran away in fear and Dunkel Eddie

1282
01:06:39,260 --> 01:06:44,930
claims he called helter them to make

1283

01:06:42,920 --> 01:06:46,909
contact and then he sort of disappeared

1284
01:06:44,929 --> 01:06:49,460
so anyway it was just a funny story

1285
01:06:46,909 --> 01:06:50,509
and I said to my uncle are you serious

1286
01:06:49,460 --> 01:06:53,869
and he said go ask

1287
01:06:50,509 --> 01:06:55,969
Randy's in the other room that which we

1288
01:06:53,869 --> 01:06:57,650
had two rooms people were eating and so

1289
01:06:55,969 --> 01:06:59,179
I went any other room and I said Randy

1290
01:06:57,650 --> 01:07:01,220
would you please tell me the story about

1291
01:06:59,179 --> 01:07:02,538
the jetties and the Flying Saucer with

1292
01:07:01,219 --> 01:07:04,639
Uncle Eddie and if they needed my

1293
01:07:02,539 --> 01:07:06,528
cousin's I don't want to talk about it I

1294
01:07:04,639 --> 01:07:09,259
said well what's the problem is I just

1295
01:07:06,528 --> 01:07:11,119
don't want to talk about don't ask me so

1296
01:07:09,259 --> 01:07:12,318
he never would speak about it and Uncle

1297
01:07:11,119 --> 01:07:14,390

Eddie what's claimed but this is

1298

01:07:12,318 --> 01:07:18,349
something to happen and where was this

1299

01:07:14,389 --> 01:07:21,828
exactly Anthony Long Branch Long Branch

1300

01:07:18,349 --> 01:07:26,028
New Jersey on objective and it was a

1301

01:07:21,829 --> 01:07:27,920
summertime and that was a story and I

1302

01:07:26,028 --> 01:07:29,150
can never get any further into it

1303

01:07:27,920 --> 01:07:32,180
because they went gaming here more

1304

01:07:29,150 --> 01:07:34,130
information but he he scared my cousin

1305

01:07:32,179 --> 01:07:36,139
and my uncle claims it's absolutely true

1306

01:07:34,130 --> 01:07:37,818
so I thought it was kind of an

1307

01:07:36,139 --> 01:07:41,868
interesting story that's why I haven't

1308

01:07:37,818 --> 01:07:44,058
mentioned well I can I don't know I knew

1309

01:07:41,869 --> 01:07:46,130
your uncle Eddie and he told me as well

1310

01:07:44,059 --> 01:07:49,519
so I can verify that he called me

1311

01:07:46,130 --> 01:07:51,289
basically the same story and that he ran

1312
01:07:49,518 --> 01:08:04,729
out there and he was ready for them to

1313
01:07:51,289 --> 01:08:07,099
whoop them up I don't know now he even

1314
01:08:04,730 --> 01:08:09,798
he wouldn't make up fake stories it's

1315
01:08:07,099 --> 01:08:12,019
not like him to do that he had an

1316
01:08:09,798 --> 01:08:14,298
experience and he described it as the

1317
01:08:12,018 --> 01:08:17,088
best he could and it was a fairly

1318
01:08:14,298 --> 01:08:20,630
typical story about you know lights in

1319
01:08:17,088 --> 01:08:23,948
the sky and the size of the thing the

1320
01:08:20,630 --> 01:08:27,469
scale of it and it frightened him and

1321
01:08:23,948 --> 01:08:29,149
but I'm Randi ran away but that was the

1322
01:08:27,469 --> 01:08:31,219
extent of that story and then like I

1323
01:08:29,149 --> 01:08:33,108
said I could never get any further into

1324
01:08:31,219 --> 01:08:35,359
it because he Randy wouldn't verify it

1325
01:08:33,109 --> 01:08:38,359
they didn't coincidentally both died

1326
01:08:35,359 --> 01:08:39,409
about 20 years after the action 30 years

1327
01:08:38,359 --> 01:08:42,289
after the event

1328
01:08:39,408 --> 01:08:46,099
one of cancer one of a kind of lupus

1329
01:08:42,289 --> 01:08:48,139
problem so I don't know whether you know

1330
01:08:46,100 --> 01:08:52,880
what the effect was but they didn't all

1331
01:08:48,139 --> 01:08:56,199
die and relatively young to Eddie was 67

1332
01:08:52,880 --> 01:08:59,630
and Randy was only in his 40s I think

1333
01:08:56,198 --> 01:09:00,889
yes it is that's what unfortunate an

1334
01:08:59,630 --> 01:09:04,159
unfortunate seeing

1335
01:09:00,890 --> 01:09:06,470
chronicity as we would say and and if I

1336
01:09:04,159 --> 01:09:11,059
recall correctly although you had said

1337
01:09:06,470 --> 01:09:14,030
that your cousin Randy had died of lupus

1338
01:09:11,060 --> 01:09:17,480
related condition he also suffered from

1339
01:09:14,029 --> 01:09:19,219
cancer did he not yeah yeah can't you

1340

01:09:17,479 --> 01:09:21,829
know all kinds of problems he developed

1341
01:09:19,220 --> 01:09:23,570
many heart many problems yeah the can

1342
01:09:21,829 --> 01:09:26,630
some kind of skin cancer

1343
01:09:23,569 --> 01:09:29,479
he had lupus see hey he was infested

1344
01:09:26,630 --> 01:09:32,119
with different health problems for the

1345
01:09:29,479 --> 01:09:34,549
major part of his adult life it seems

1346
01:09:32,119 --> 01:09:37,099
well we mourn their loss the loss and we

1347
01:09:34,550 --> 01:09:41,329
apologize for bringing that part of the

1348
01:09:37,100 --> 01:09:47,240
story up the second part has to do or

1349
01:09:41,329 --> 01:09:49,519
with your with your father mm-hmm go

1350
01:09:47,239 --> 01:09:52,670
ahead yes my son my father had one of

1351
01:09:49,520 --> 01:09:54,050
those experiences where he he died for a

1352
01:09:52,670 --> 01:09:56,149
minute or two maybe I don't know how

1353
01:09:54,050 --> 01:09:57,500
long you can die for but they brought

1354
01:09:56,149 --> 01:10:00,319

him back to life he was in a hospital

1355

01:09:57,500 --> 01:10:02,920

actually they were working on him he had

1356

01:10:00,319 --> 01:10:06,979

heart trouble and his heart stopped and

1357

01:10:02,920 --> 01:10:09,710

I guess he's straight-lined and he

1358

01:10:06,979 --> 01:10:12,469

suddenly saw himself from above looking

1359

01:10:09,710 --> 01:10:15,319

down at the table and wondered why

1360

01:10:12,470 --> 01:10:17,240

everybody was running around and seemed

1361

01:10:15,319 --> 01:10:19,849

so agitated he couldn't figure out what

1362

01:10:17,239 --> 01:10:22,039

it was but he felt inclined to turn away

1363

01:10:19,850 --> 01:10:24,170

from the whole thing which he did and

1364

01:10:22,039 --> 01:10:27,680

then he was attracted to some kind of a

1365

01:10:24,170 --> 01:10:30,109

source of light which he then followed

1366

01:10:27,680 --> 01:10:32,720

or pursued and found himself in a

1367

01:10:30,109 --> 01:10:35,960

channel or tunnels or bridges of some

1368

01:10:32,720 --> 01:10:37,490

sort and going around and finding all

1369
01:10:35,960 --> 01:10:39,319
kinds of people he used to know

1370
01:10:37,489 --> 01:10:41,029
including his all the people that have

1371
01:10:39,319 --> 01:10:45,049
passed away his mother and his father

1372
01:10:41,029 --> 01:10:47,739
and his sister and basically the the

1373
01:10:45,050 --> 01:10:50,630
interesting thing about that story was

1374
01:10:47,739 --> 01:10:52,909
that it was a very happy event he felt

1375
01:10:50,630 --> 01:10:54,829
very good it's like he said you know we

1376
01:10:52,909 --> 01:10:56,300
only he only figured out he had this

1377
01:10:54,829 --> 01:10:58,550
experience because we were watching

1378
01:10:56,300 --> 01:11:00,409
something on TV one night many years ago

1379
01:10:58,550 --> 01:11:02,600
I think was called that's incredible

1380
01:11:00,409 --> 01:11:04,519
people were telling stories which is

1381
01:11:02,600 --> 01:11:06,950
similar to his so he said I had that

1382
01:11:04,520 --> 01:11:09,110
experience and I confessed them that his

1383
01:11:06,949 --> 01:11:11,720
heart did stopped and they brought him

1384
01:11:09,109 --> 01:11:13,549
back to life and like I said the most

1385
01:11:11,720 --> 01:11:14,560
interesting thing of power upon it for

1386
01:11:13,550 --> 01:11:17,170
me in any way

1387
01:11:14,560 --> 01:11:19,480
it was a very happy experience and

1388
01:11:17,170 --> 01:11:21,699
actually transformed him for a few years

1389
01:11:19,479 --> 01:11:25,419
he had a smile on his face which is not

1390
01:11:21,699 --> 01:11:27,460
typical of him and you know it seemed

1391
01:11:25,420 --> 01:11:29,500
like he lost a certain fear of death as

1392
01:11:27,460 --> 01:11:32,050
a consequence that's a big night

1393
01:11:29,500 --> 01:11:35,170
wouldn't I say I guess that's a big deal

1394
01:11:32,050 --> 01:11:37,329
yes the interesting thing that that I

1395
01:11:35,170 --> 01:11:41,560
you mentioned but I don't think was

1396
01:11:37,329 --> 01:11:47,019
really accentuated in your your dialogue

1397

01:11:41,560 --> 01:11:49,750
here is that he didn't realize when he

1398
01:11:47,020 --> 01:11:52,390
when this occurred that he had in fact

1399
01:11:49,750 --> 01:11:55,630
his heart had stopped and it met one of

1400
01:11:52,390 --> 01:11:58,510
the clinical ideas of death you know

1401
01:11:55,630 --> 01:12:01,090
that's one clinical right okay yeah no

1402
01:11:58,510 --> 01:12:03,579
yeah no he had no idea we never told

1403
01:12:01,090 --> 01:12:05,560
them they never told them he had no idea

1404
01:12:03,579 --> 01:12:08,350
just had this experience when his heart

1405
01:12:05,560 --> 01:12:09,970
did stop and then it was reminded of it

1406
01:12:08,350 --> 01:12:12,190
because of this television show

1407
01:12:09,970 --> 01:12:14,409
basically and then every recalled very

1408
01:12:12,189 --> 01:12:17,919
clearly that he had a very similar

1409
01:12:14,409 --> 01:12:20,109
experience and he went ahead and in

1410
01:12:17,920 --> 01:12:21,609
trying to tell me about it I'm matter of

1411
01:12:20,109 --> 01:12:23,739

fact I'm making a painting now which

1412

01:12:21,609 --> 01:12:25,989

kind of relates to it really I'm trying

1413

01:12:23,739 --> 01:12:28,750

to yeah I'm trying to make a kind of

1414

01:12:25,989 --> 01:12:30,939

afterlife painting of kind of a

1415

01:12:28,750 --> 01:12:33,430

pleasurable journey a wonderful

1416

01:12:30,939 --> 01:12:35,109

experience is a good joyful thing it's

1417

01:12:33,430 --> 01:12:38,680

like a joyful death picture if you want

1418

01:12:35,109 --> 01:12:40,569

to call it that because you know death

1419

01:12:38,680 --> 01:12:43,510

is a major issue and when you can

1420

01:12:40,569 --> 01:12:45,189

somehow come to or make friends with it

1421

01:12:43,510 --> 01:12:46,989

and make a realization of what it

1422

01:12:45,189 --> 01:12:49,479

actually is is I think it transforms

1423

01:12:46,989 --> 01:12:51,189

your whole life and it certainly was it

1424

01:12:49,479 --> 01:12:53,139

didn't I have to admit it didn't stick

1425

01:12:51,189 --> 01:12:56,259

see after a few years it went back being

1426
01:12:53,140 --> 01:12:57,579
a grumpy old man but but I still think

1427
01:12:56,260 --> 01:12:59,260
he wasn't any I think he was

1428
01:12:57,579 --> 01:13:01,180
fundamentally transformed not so much

1429
01:12:59,260 --> 01:13:03,369
afraid of death anymore I think he was

1430
01:13:01,180 --> 01:13:06,550
at that point of creative life and all

1431
01:13:03,369 --> 01:13:08,349
the things you know all the things that

1432
01:13:06,550 --> 01:13:11,560
are kept in you know that was necessary

1433
01:13:08,350 --> 01:13:13,420
to keep him alive but ya know even it

1434
01:13:11,560 --> 01:13:16,240
was transformed by the experience in

1435
01:13:13,420 --> 01:13:20,880
regard to this picture that you've been

1436
01:13:16,239 --> 01:13:25,539
painting I would like to invite you to

1437
01:13:20,880 --> 01:13:28,210
mail us jpg you know a photo on the

1438
01:13:25,539 --> 01:13:31,720
internet so we can place it

1439
01:13:28,210 --> 01:13:34,359
on this on our both of our websites and

1440
01:13:31,720 --> 01:13:37,210
use it in our YouTube when we put this

1441
01:13:34,359 --> 01:13:38,349
session up on YouTube do you have

1442
01:13:37,210 --> 01:13:43,420
anything else you'd like to add to

1443
01:13:38,350 --> 01:13:45,760
either of these stories Anthony only and

1444
01:13:43,420 --> 01:13:47,980
I noticed more than meets the eyes and

1445
01:13:45,760 --> 01:13:51,400
it takes a kind of special attitude to

1446
01:13:47,979 --> 01:13:55,869
see the whole picture and so the letting

1447
01:13:51,399 --> 01:13:58,000
go of judgments and sarcasm and cynicism

1448
01:13:55,869 --> 01:14:00,189
and really just letting the world tell

1449
01:13:58,000 --> 01:14:01,659
you its story and sometimes that comes

1450
01:14:00,189 --> 01:14:03,489
through other people and their

1451
01:14:01,659 --> 01:14:05,649
experiences which i think is what I just

1452
01:14:03,489 --> 01:14:08,380
tried to tell you about yes yes well

1453
01:14:05,649 --> 01:14:11,079
certainly if you know of any other

1454

01:14:08,380 --> 01:14:12,819
listeners to shatter'd reality or just

1455
01:14:11,079 --> 01:14:15,189
other people who would like to express

1456
01:14:12,819 --> 01:14:17,859
their experience on shadowed reality

1457
01:14:15,189 --> 01:14:20,199
podcast I really hope you'll let us know

1458
01:14:17,859 --> 01:14:22,119
and Kate you want to you want to say

1459
01:14:20,199 --> 01:14:23,889
goodbye to Anthony you want to make some

1460
01:14:22,119 --> 01:14:28,359
comments yes I would like to say goodbye

1461
01:14:23,890 --> 01:14:30,340
to yesterday but but but basically I

1462
01:14:28,359 --> 01:14:32,199
think it's great that you came on and

1463
01:14:30,340 --> 01:14:34,720
shared that experience because people

1464
01:14:32,199 --> 01:14:36,639
like to hear this and it happens to

1465
01:14:34,720 --> 01:14:39,100
people and then they think wow maybe I'm

1466
01:14:36,640 --> 01:14:40,990
a little bit off on this but when other

1467
01:14:39,100 --> 01:14:42,910
people have had the same thing it makes

1468
01:14:40,989 --> 01:14:46,000

them feel much more confident that yeah

1469

01:14:42,909 --> 01:14:47,559

I did experience it it was good and so

1470

01:14:46,000 --> 01:14:50,170

it's great that you shared this I think

1471

01:14:47,560 --> 01:14:52,270

he'll help a lot of people yeah I bet

1472

01:14:50,170 --> 01:14:54,069

you I imagine before he before he's

1473

01:14:52,270 --> 01:14:56,500

reminded of it I bet you thought it was

1474

01:14:54,069 --> 01:14:58,509

just a kind of dream of some sort which

1475

01:14:56,500 --> 01:15:01,989

is very very much what it all seems like

1476

01:14:58,510 --> 01:15:03,640

anyway but then you know seeing other

1477

01:15:01,989 --> 01:15:05,260

people having like you said seeing other

1478

01:15:03,640 --> 01:15:07,619

people having a similar experience he

1479

01:15:05,260 --> 01:15:10,030

realized that he had this experience

1480

01:15:07,619 --> 01:15:13,720

well people who have had the experience

1481

01:15:10,029 --> 01:15:14,859

and do talk about it when asked if it

1482

01:15:13,720 --> 01:15:18,100

was like a dream

1483
01:15:14,859 --> 01:15:21,250
they said they say often that it was

1484
01:15:18,100 --> 01:15:24,280
more real than waking reality so that's

1485
01:15:21,250 --> 01:15:27,130
I've not had a near-death experience

1486
01:15:24,279 --> 01:15:31,659
knock on wood which is my wooden head

1487
01:15:27,130 --> 01:15:34,359
but that's that's that's what I hear

1488
01:15:31,659 --> 01:15:36,159
from the experiences of that well it was

1489
01:15:34,359 --> 01:15:38,170
very real to my father I can tell you

1490
01:15:36,159 --> 01:15:40,420
that it was a very real experience what

1491
01:15:38,170 --> 01:15:40,710
was that's what was so nice about it or

1492
01:15:40,420 --> 01:15:44,279
what

1493
01:15:40,710 --> 01:15:45,930
just some kind of hazy foggy wonder you

1494
01:15:44,279 --> 01:15:47,849
know wonder what's going on kind of

1495
01:15:45,930 --> 01:15:49,890
thing it was more like going in a place

1496
01:15:47,850 --> 01:15:52,680
and meeting up with people you haven't

1497
01:15:49,890 --> 01:15:56,070
seen for a long time and I mean we all

1498
01:15:52,680 --> 01:15:58,110
have experienced um buddy who's passed

1499
01:15:56,069 --> 01:16:00,779
away you hug them or something and it

1500
01:15:58,109 --> 01:16:02,670
was but it was very very clear it's the

1501
01:16:00,779 --> 01:16:05,399
way he put it was very very concrete

1502
01:16:02,670 --> 01:16:08,640
experience yes it wasn't ephemeral it

1503
01:16:05,399 --> 01:16:10,170
was a very clear experience well again

1504
01:16:08,640 --> 01:16:12,600
thank you for sharing that really

1505
01:16:10,170 --> 01:16:15,180
appreciate it yes I do too we really

1506
01:16:12,600 --> 01:16:18,480
appreciate it and we will put your

1507
01:16:15,180 --> 01:16:21,570
painting on both of our websites and

1508
01:16:18,479 --> 01:16:24,750
that one of Anthony's paintings can be

1509
01:16:21,569 --> 01:16:27,539
seen on my blog one of my blog posts I

1510
01:16:24,750 --> 01:16:30,539
have used it in terms of it's a dream

1511

01:16:27,539 --> 01:16:33,119
painting that you made so we're all out

1512
01:16:30,539 --> 01:16:35,029
there rooting for Anthony to sell lots

1513
01:16:33,119 --> 01:16:38,880
of his wonderful magical realism

1514
01:16:35,029 --> 01:16:40,409
paintings thanks Anthony and I'm sure if

1515
01:16:38,880 --> 01:16:42,150
you know even if you don't buy them take

1516
01:16:40,409 --> 01:16:43,829
a look right she'll be there op

1517
01:16:42,149 --> 01:16:45,809
therefore you're into that right Anthony

1518
01:16:43,829 --> 01:16:48,809
thank you so much you bye Nana

1519
01:16:45,810 --> 01:16:51,930
bye bye thanks Wow okay I think we had

1520
01:16:48,810 --> 01:16:55,320
really a big big show today that was

1521
01:16:51,930 --> 01:16:57,510
very good in both in both regards don't

1522
01:16:55,319 --> 01:17:02,039
you think absolutely and this is big

1523
01:16:57,510 --> 01:17:06,840
number 55 all right our next our next

1524
01:17:02,039 --> 01:17:09,149
show is going to be a researcher named

1525
01:17:06,840 --> 01:17:11,640

David Booher and I'm hope I'm

1526

01:17:09,149 --> 01:17:15,269
pronouncing his name correctly and he

1527

01:17:11,640 --> 01:17:18,090
has written about one particular case

1528

01:17:15,270 --> 01:17:22,350
he's a researcher and he has gone into

1529

01:17:18,090 --> 01:17:26,250
great depths about a case which seems to

1530

01:17:22,350 --> 01:17:27,750
indicate an abduction and I'm not gonna

1531

01:17:26,250 --> 01:17:30,960
tell you any more than that right now

1532

01:17:27,750 --> 01:17:34,050
but that's purportedly our next podcast

1533

01:17:30,960 --> 01:17:37,380
and we hope it does work out as we plan

1534

01:17:34,050 --> 01:17:41,219
but if anyone's listening that have had

1535

01:17:37,380 --> 01:17:43,469
abduction experiences please put them on

1536

01:17:41,219 --> 01:17:45,390
our website you know you don't have to

1537

01:17:43,469 --> 01:17:48,319
use your name but we'd love to hear from

1538

01:17:45,390 --> 01:17:50,460
you um that's something that you know

1539

01:17:48,319 --> 01:17:52,920
Purusha goes through a tremendous amount

1540
01:17:50,460 --> 01:17:54,029
of time and effort to get these podcasts

1541
01:17:52,920 --> 01:17:55,800
together and

1542
01:17:54,029 --> 01:17:59,069
times it's nice to know that somebody's

1543
01:17:55,800 --> 01:18:03,630
out there listening indeed initiated and

1544
01:17:59,069 --> 01:18:06,479
also our guests are uniformly excellent

1545
01:18:03,630 --> 01:18:08,699
and have really interesting things to

1546
01:18:06,479 --> 01:18:10,169
say and we hope that it's not just out

1547
01:18:08,699 --> 01:18:12,449
there in the void somewhere so we'd

1548
01:18:10,170 --> 01:18:16,069
really like to hear from you and since

1549
01:18:12,449 --> 01:18:18,630
it is abduction time next next episode

1550
01:18:16,069 --> 01:18:21,059
would really you know if you've had some

1551
01:18:18,630 --> 01:18:24,420
and I know there's experiences out there

1552
01:18:21,060 --> 01:18:26,010
so pop them on the website or send us a

1553
01:18:24,420 --> 01:18:27,539
message and we'll get in touch with you

1554
01:18:26,010 --> 01:18:33,119
all righty now

1555
01:18:27,539 --> 01:18:35,310
or we'll send someone to get and one of

1556
01:18:33,119 --> 01:18:38,010
the men in black maybe or in this case

1557
01:18:35,310 --> 01:18:43,460
the women in black yeah yeah okay

1558
01:18:38,010 --> 01:18:43,460
alright so let's say goodbye okay

1559
01:19:06,729 --> 01:19:08,789
you
