[Music]

2
00:00:17,199 --> 00:00:25,488
welcome to shattered reality with your

3
00:00:20,689 --> 00:00:28,519
hosts Kate Valentine and furs prepare to

4
00:00:25,489 --> 00:00:34,340
have your paradigm shifted in the truths

5
00:00:28,519 --> 00:00:37,219
questioned and now shattered reality and

6
00:00:34,340 --> 00:00:42,260
welcome to shattered reality podcast

7
00:00:37,219 --> 00:00:48,969
this is for Russia and this is our 56th

8
00:00:42,259 --> 00:00:52,579
episode today is October 3rd 2017 and

9
00:00:48,969 --> 00:00:55,579
I'm going to be introducing our guest

10
00:00:52,579 --> 00:00:58,579
shortly but I do have a couple of

11
00:00:55,579 --> 00:01:01,600
announcements the first announcement is

12
00:00:58,579 --> 00:01:04,308
unfortunately due to unforeseen

13
00:01:01,600 --> 00:01:07,790
circumstances my partner in crime here

14
00:01:04,308 --> 00:01:11,209
miss Kate Valentine is unable to make

15
00:01:07,790 --> 00:01:14,240
today's podcast this is a first she's

16
00:01:11,209 --> 00:01:18,349
been with us for all the other podcasts

17
00:01:14,239 --> 00:01:20,419
even the live podcast from up New York

18
00:01:18,349 --> 00:01:23,119
State she was there even though it was

19
00:01:20,420 --> 00:01:25,700
me speaking primarily so this is a first

20
00:01:23,120 --> 00:01:27,439
for shattered reality podcast and we

21
00:01:25,700 --> 00:01:34,520
shall miss her today but she will be

22
00:01:27,439 --> 00:01:38,209
back in two weeks ok so I want to start

23
00:01:34,519 --> 00:01:42,439
the show with a letter that we received

24
00:01:38,209 --> 00:01:44,869
from one of our regular listeners this

25
00:01:42,439 --> 00:01:47,149
listener is so much of a regular

26
00:01:44,870 --> 00:01:50,120
listener that he has been listening

27
00:01:47,150 --> 00:01:53,450
since before we started he was listening

28
00:01:50,120 --> 00:01:55,969
to the Kate Valentine UFO show and he

29

00:01:53,450 --> 00:01:58,490
always posted under the name of Freeman

30
00:01:55,969 --> 00:02:00,439
and so that's what I'm going to call him

31
00:01:58,489 --> 00:02:02,659
now and I want to just read his letter

32
00:02:00,439 --> 00:02:05,569
because very happy to receive this

33
00:02:02,659 --> 00:02:07,519
letter from him it says hi Faria your

34
00:02:05,569 --> 00:02:10,429
recent guests have been something of a

35
00:02:07,519 --> 00:02:11,239
coup especially dr. Roger Nelson and

36
00:02:10,429 --> 00:02:14,658
Brenda done

37
00:02:11,239 --> 00:02:17,450
I tried posting a comment related to dr.

38
00:02:14,658 --> 00:02:20,120
Nelson but it didn't appear I think I've

39
00:02:17,449 --> 00:02:20,459
had problems in the past and posted on

40
00:02:20,120 --> 00:02:24,509
the

41
00:02:20,460 --> 00:02:28,680
alternate site episode 55 was very good

42
00:02:24,509 --> 00:02:30,739
too I know it is UFO related but Kate

43
00:02:28,680 --> 00:02:34,610

mentioned the difficulty in obtaining

44

00:02:30,740 --> 00:02:37,409

evidence she may remember that I was

45

00:02:34,610 --> 00:02:41,040

appealing against the air combat

46

00:02:37,409 --> 00:02:46,710

commands change in policy that stopped

47

00:02:41,039 --> 00:02:51,479

public access to the 84th our ADEs radar

48

00:02:46,710 --> 00:02:54,900

data via FOIA foi a I'm still waiting

49

00:02:51,479 --> 00:02:57,599

for an answer and they quote misplaced

50

00:02:54,900 --> 00:03:02,189

unquote my appeal two or three times

51

00:02:57,599 --> 00:03:06,359

along the way however primary radar data

52

00:03:02,189 --> 00:03:11,639

radar data are available from across the

53

00:03:06,360 --> 00:03:14,490

US from the FAA and dr. Valle mentioned

54

00:03:11,639 --> 00:03:17,719

on another show that satellite imagery

55

00:03:14,490 --> 00:03:20,629

can be purchased from specific companies

56

00:03:17,719 --> 00:03:23,969

efforts are also being made to create

57

00:03:20,629 --> 00:03:27,539

monitoring stations with cameras and

58
00:03:23,969 --> 00:03:31,080
other sensors so perhaps the odds are

59
00:03:27,539 --> 00:03:33,750
improving that good quality data for an

60
00:03:31,080 --> 00:03:35,700
unusual incident will be recorded and

61
00:03:33,750 --> 00:03:40,139
available to the public

62
00:03:35,699 --> 00:03:43,619
someday soon best Freeman and Friedman

63
00:03:40,139 --> 00:03:47,489
is of course an expert in things radar

64
00:03:43,620 --> 00:03:51,090
and he is from the United Kingdom Great

65
00:03:47,490 --> 00:03:53,700
Britain where we have a number of people

66
00:03:51,090 --> 00:03:57,300
who listen to our show thank goodness

67
00:03:53,699 --> 00:04:02,339
well so if any of you listeners are

68
00:03:57,300 --> 00:04:05,430
having problems posting to our website

69
00:04:02,340 --> 00:04:10,379
please try and get in touch via another

70
00:04:05,430 --> 00:04:13,790
means for instance my webs my email

71
00:04:10,379 --> 00:04:19,858
address for chat for russia comm fa h ru

72
00:04:13,789 --> 00:04:21,779
sha at furusho coms same spelling so in

73
00:04:19,858 --> 00:04:23,549
any case we're happy to get letters we

74
00:04:21,779 --> 00:04:26,879
love to get letters from our listeners

75
00:04:23,550 --> 00:04:30,840
but now we are going to proceed with our

76
00:04:26,879 --> 00:04:33,500
show and today I am very very happy to

77
00:04:30,839 --> 00:04:36,769
welcome on to the show

78
00:04:33,500 --> 00:04:41,000
David Booher who has written a wonderful

79
00:04:36,769 --> 00:04:41,539
book called no return and this is the

80
00:04:41,000 --> 00:04:45,019
Jerry

81
00:04:41,540 --> 00:04:46,970
Erwin story and we're gonna welcome

82
00:04:45,019 --> 00:04:52,279
David now David are you there

83
00:04:46,970 --> 00:04:56,180
yes I am hi David so nice to have you on

84
00:04:52,279 --> 00:04:59,599
your book I have to say is something of

85
00:04:56,180 --> 00:05:02,329
a rarity in a variety of ways for the

86

00:04:59,600 --> 00:05:06,710
UFO field we have had some very

87
00:05:02,329 --> 00:05:13,609
excellent ufo-related guests on like our

88
00:05:06,709 --> 00:05:16,519
last guest dr. Irina and Irina Scott to

89
00:05:13,610 --> 00:05:19,189
be clear dr. Irina Scott and she wrote a

90
00:05:16,519 --> 00:05:21,079
wonderful UFO book what kind of a

91
00:05:19,189 --> 00:05:23,660
compendium a lot of stuff that happened

92
00:05:21,079 --> 00:05:26,180
around the the Ohio area and further out

93
00:05:23,660 --> 00:05:28,550
but leaving her aside for a moment it

94
00:05:26,180 --> 00:05:31,819
has been my observation that a lot of

95
00:05:28,550 --> 00:05:34,090
books written about UFOs by perfectly

96
00:05:31,819 --> 00:05:37,790
good people and kind of people that are

97
00:05:34,089 --> 00:05:40,369
regulars in the field boy to those boys

98
00:05:37,790 --> 00:05:43,189
need an editor but your prose was

99
00:05:40,370 --> 00:05:44,780
extraordinarily good so perhaps you

100
00:05:43,189 --> 00:05:47,149

would tell us a little bit about your

101

00:05:44,779 --> 00:05:48,799

background I I have a copy of the book

102

00:05:47,149 --> 00:05:51,168

but there's not much of a bio there

103

00:05:48,800 --> 00:05:55,699

could you give us a little bit about

104

00:05:51,168 --> 00:05:58,120

your background David well sure yeah

105

00:05:55,699 --> 00:06:02,389

there's not much in the Bible because I

106

00:05:58,120 --> 00:06:07,519

honestly couldn't think of much to say I

107

00:06:02,389 --> 00:06:10,610

don't have any of any real credentials

108

00:06:07,519 --> 00:06:13,789

to write about this subject it's just

109

00:06:10,610 --> 00:06:16,850

something that I got interested in and

110

00:06:13,790 --> 00:06:17,510

in fact I didn't even set out to write a

111

00:06:16,850 --> 00:06:21,160

book

112

00:06:17,509 --> 00:06:24,199

I just got interested in this story and

113

00:06:21,160 --> 00:06:28,570

decided to start investigating it in it

114

00:06:24,199 --> 00:06:33,199

and that as I went along I realized that

115
00:06:28,569 --> 00:06:38,629
there was enough here or to make it into

116
00:06:33,199 --> 00:06:40,728
a book you use wrote the story very well

117
00:06:38,629 --> 00:06:44,089
your your command of the English

118
00:06:40,728 --> 00:06:47,769
language you were the way that you went

119
00:06:44,089 --> 00:06:51,169
through things in a clear minded way

120
00:06:47,769 --> 00:06:53,659
verbiage very excellent but I would say

121
00:06:51,170 --> 00:06:56,509
your you also sounded like a forensic

122
00:06:53,660 --> 00:06:58,460
investigator like a and I know that

123
00:06:56,509 --> 00:07:00,680
you're not a policeman I don't think you

124
00:06:58,459 --> 00:07:04,159
are that you're I believe somewhere in

125
00:07:00,680 --> 00:07:08,990
the medical field is that correct but my

126
00:07:04,160 --> 00:07:12,590
background I have done a lot of

127
00:07:08,990 --> 00:07:15,019
different things but probably the most

128
00:07:12,589 --> 00:07:20,000
consistent thing over the last 20 years

129
00:07:15,019 --> 00:07:26,079
is in the field of rehab and injury

130
00:07:20,000 --> 00:07:29,509
injury rehab and sports rehab as a

131
00:07:26,079 --> 00:07:31,639
orthopedic massage therapist well that's

132
00:07:29,509 --> 00:07:34,189
a wonderful that's a wonderful field and

133
00:07:31,639 --> 00:07:37,039
I'm sure that you're in high demand

134
00:07:34,189 --> 00:07:40,069
there but what as I say is quite

135
00:07:37,040 --> 00:07:43,819
remarkable you managed to connect with

136
00:07:40,069 --> 00:07:48,379
one of the Great's of our ufology field

137
00:07:43,819 --> 00:07:51,589
which is dr. Jacques Vallee and also I

138
00:07:48,379 --> 00:07:56,209
saw mark Rocha who is a familiar name

139
00:07:51,589 --> 00:07:59,089
mentioned in the in the thank yous at

140
00:07:56,209 --> 00:08:02,120
the back of the book but you're kind of

141
00:07:59,089 --> 00:08:05,829
an outsider to the UFO field and like I

142
00:08:02,120 --> 00:08:08,840
think that we people inside the field

143

00:08:05,829 --> 00:08:11,529
need more people like you okay that's

144
00:08:08,839 --> 00:08:15,709
that's my real really my main

145
00:08:11,529 --> 00:08:18,439
observation a few more things about you

146
00:08:15,709 --> 00:08:22,250
that we would like to know and let our

147
00:08:18,439 --> 00:08:25,310
listeners know is have you seen ever a

148
00:08:22,250 --> 00:08:33,200
UFO where did you get your interest in

149
00:08:25,310 --> 00:08:35,330
UFOs I guess I don't have I've seen some

150
00:08:33,200 --> 00:08:40,940
odd things but I could there's nothing I

151
00:08:35,330 --> 00:08:45,050
could really say was a UFO for sure and

152
00:08:40,940 --> 00:08:48,530
I guess it's just ever since I could

153
00:08:45,049 --> 00:08:51,259
remember I've been fascinated by things

154
00:08:48,529 --> 00:08:55,490
of an unexplained what we call

155
00:08:51,259 --> 00:08:58,279
unexplained you know you have Falls

156
00:08:55,490 --> 00:09:00,139
paranormal stuff well ditto on that

157
00:08:58,279 --> 00:09:01,199

David didn't what happened

158

00:09:00,139 --> 00:09:04,230
that's what we're all

159

00:09:01,200 --> 00:09:07,620
about here but you you really rocked

160

00:09:04,230 --> 00:09:09,990
this book you really rocked the book and

161

00:09:07,620 --> 00:09:12,769
of course I have one thing to say about

162

00:09:09,990 --> 00:09:16,350
what you just said and that is that

163

00:09:12,769 --> 00:09:19,799
something that you can't identify in the

164

00:09:16,350 --> 00:09:22,139
sky is a UFO it may not be a visitor

165

00:09:19,799 --> 00:09:24,059
from outer space or another dimension

166

00:09:22,139 --> 00:09:26,759
but it sure is

167

00:09:24,059 --> 00:09:30,779
a UFO just by way of being unidentified

168

00:09:26,759 --> 00:09:34,139
right yeah that's a good point and by

169

00:09:30,779 --> 00:09:38,159
that definition I would say yes but the

170

00:09:34,139 --> 00:09:41,220
reason I hesitate is because I'm it

171

00:09:38,159 --> 00:09:43,139
there could be for the things that I saw

172
00:09:41,220 --> 00:09:45,810
it's possible that there was a mundane

173
00:09:43,139 --> 00:09:50,639
explanation that I just but that I

174
00:09:45,809 --> 00:09:52,559
didn't wasn't able to figure out sure so

175
00:09:50,639 --> 00:10:00,029
I haven't seen anything that that I

176
00:09:52,559 --> 00:10:04,229
would that I would just tend to think

177
00:10:00,029 --> 00:10:06,839
was a or at least I wouldn't talk about

178
00:10:04,230 --> 00:10:09,029
it as something that's a genuine unknown

179
00:10:06,840 --> 00:10:11,700
because I just don't know enough you

180
00:10:09,029 --> 00:10:14,819
know about what I saw us all well I I

181
00:10:11,700 --> 00:10:17,790
understand that for sure something on

182
00:10:14,820 --> 00:10:20,940
the last show about my being up in

183
00:10:17,789 --> 00:10:22,829
Providence Rhode Island for the fire

184
00:10:20,940 --> 00:10:25,070
water festival I think it's called I

185
00:10:22,830 --> 00:10:28,170
might have a word off on that but a

186
00:10:25,070 --> 00:10:31,470
couple thousand people up and down the

187
00:10:28,169 --> 00:10:35,009
river in Providence Rhode Island and you

188
00:10:31,470 --> 00:10:38,190
know they have a fire a fire festival on

189
00:10:35,009 --> 00:10:39,990
the water board a fire and there it's

190
00:10:38,190 --> 00:10:42,660
it's it's very nice and I've been to it

191
00:10:39,990 --> 00:10:45,870
a couple of three times and this time I

192
00:10:42,659 --> 00:10:48,209
looked up and I saw something moving

193
00:10:45,870 --> 00:10:50,220
erratically stopping and starting in the

194
00:10:48,210 --> 00:10:52,769
sky and I pointed it out to some people

195
00:10:50,220 --> 00:10:55,440
around me they were not interested they

196
00:10:52,769 --> 00:10:57,689
thought oh it must be it must be a drone

197
00:10:55,440 --> 00:11:00,900
so I think it's getting harder and

198
00:10:57,690 --> 00:11:02,970
harder to identify UFOs I went ahead and

199
00:11:00,899 --> 00:11:05,309
took my iPhone out and took a couple of

200

00:11:02,970 --> 00:11:09,540
three pictures of it and of course they

201
00:11:05,309 --> 00:11:13,709
the pictures didn't come out but it you

202
00:11:09,539 --> 00:11:14,799
know there's no I make no claims that it

203
00:11:13,710 --> 00:11:17,170
was the

204
00:11:14,799 --> 00:11:19,509
you know what was what am I looking for

205
00:11:17,169 --> 00:11:22,179
them Ming from Hmong let's put it that

206
00:11:19,509 --> 00:11:24,610
way or some other extraterrestrial

207
00:11:22,179 --> 00:11:26,289
visitor but it's hard to get people even

208
00:11:24,610 --> 00:11:28,240
interested in looking up in the sky

209
00:11:26,289 --> 00:11:31,360
these days everybody's looking down at

210
00:11:28,240 --> 00:11:33,220
their iPhones and other things but what

211
00:11:31,360 --> 00:11:37,360
I think we'd like to do right now is

212
00:11:33,220 --> 00:11:39,910
maybe you could give us the general the

213
00:11:37,360 --> 00:11:42,730
basic story behind your book now your

214
00:11:39,909 --> 00:11:44,828

book is much more than the basic story

215

00:11:42,730 --> 00:11:47,500

you really go into investigating things

216

00:11:44,828 --> 00:11:50,588

but I think for our listeners who will

217

00:11:47,500 --> 00:11:53,708

many of whom will want to read our of

218

00:11:50,589 --> 00:11:56,649

your book from our part podcasts we get

219

00:11:53,708 --> 00:11:58,869

I get notes from people wow I read that

220

00:11:56,649 --> 00:12:02,639

book you were speaking about so people

221

00:11:58,870 --> 00:12:08,589

do go out and buy the book so give us a

222

00:12:02,639 --> 00:12:11,139

short synopsis ok well this this was a

223

00:12:08,589 --> 00:12:16,839

story that it's about an event that

224

00:12:11,139 --> 00:12:19,990

occurred in 1959 and the story that was

225

00:12:16,839 --> 00:12:25,060

that was published the full story was

226

00:12:19,990 --> 00:12:28,899

published in 1962 by two very well-known

227

00:12:25,059 --> 00:12:32,588

UFO researchers of that period named

228

00:12:28,899 --> 00:12:36,278

coral and Jim Lorenzen who were the

229
00:12:32,589 --> 00:12:40,720
founders of April the aerial phenomenon

230
00:12:36,278 --> 00:12:42,389
research organization they were the ones

231
00:12:40,720 --> 00:12:47,829
who were investigating this case

232
00:12:42,389 --> 00:12:53,850
personally and they finally published

233
00:12:47,828 --> 00:12:57,669
their full story in 1962 since then it's

234
00:12:53,850 --> 00:13:00,639
appeared in a summary has appeared in

235
00:12:57,669 --> 00:13:09,669
two of Jacques Valley's books which is

236
00:13:00,639 --> 00:13:10,569
where I ran across it but it's since

237
00:13:09,669 --> 00:13:12,059
1962

238
00:13:10,570 --> 00:13:18,370
there has been no additional

239
00:13:12,059 --> 00:13:20,139
investigation of this story Stan so what

240
00:13:18,370 --> 00:13:24,429
I'm about to this part that I'm gonna

241
00:13:20,139 --> 00:13:26,889
share right now is what was known from

242
00:13:24,429 --> 00:13:28,069
the original investigation before I got

243
00:13:26,889 --> 00:13:31,850
started

244
00:13:28,070 --> 00:13:35,810
in my own investigation it's about so

245
00:13:31,850 --> 00:13:40,399
the name of this it it's about a young

246
00:13:35,809 --> 00:13:43,989
soldier whose name is Jerry Irwin who

247
00:13:40,399 --> 00:13:52,029
was driving back to his base in Texas in

248
00:13:43,990 --> 00:14:00,680
late winter of 1959 southern Utah and

249
00:13:52,029 --> 00:14:03,230
he's on a pretty kind of a lonesome I

250
00:14:00,679 --> 00:14:04,939
guess not very well-traveled Highway at

251
00:14:03,230 --> 00:14:08,779
least when he was there mm-hmm

252
00:14:04,940 --> 00:14:11,570
he was the only car around when he's at

253
00:14:08,779 --> 00:14:16,789
night and he saw this brilliant object

254
00:14:11,570 --> 00:14:19,700
coming out of the sky and it was it was

255
00:14:16,789 --> 00:14:22,759
definitely strange enough that he pulled

256
00:14:19,700 --> 00:14:24,980
his car over to watch and was out of his

257

00:14:22,759 --> 00:14:32,139
vehicle before it went down behind a

258
00:14:24,980 --> 00:14:35,720
nearby Ridge where a hitha hello

259
00:14:32,139 --> 00:14:37,939
although we did yeah can you hear me I

260
00:14:35,720 --> 00:14:40,040
think he went out there for a second so

261
00:14:37,940 --> 00:14:41,720
it went down behind in nearby Ridge

262
00:14:40,039 --> 00:14:46,189
could we start up from that point please

263
00:14:41,720 --> 00:14:50,180
yes and and where he had where it

264
00:14:46,190 --> 00:14:52,340
appeared where it disappeared which what

265
00:14:50,179 --> 00:14:55,669
he thought was very close by maybe even

266
00:14:52,340 --> 00:14:57,889
just a quarter mile they saw the light

267
00:14:55,669 --> 00:14:59,990
flare up and then died down and and he

268
00:14:57,889 --> 00:15:06,439
didn't but he didn't hear any sound of a

269
00:14:59,990 --> 00:15:09,070
crash nonetheless the only you know he

270
00:15:06,440 --> 00:15:12,350
thought it it might be a plane crash and

271
00:15:09,070 --> 00:15:18,920

that he better take action in case it

272

00:15:12,350 --> 00:15:22,250
was so he brought a note alerting

273

00:15:18,919 --> 00:15:26,899
passerby what was going on and to please

274

00:15:22,250 --> 00:15:28,779
notify police and then he wrote stopped

275

00:15:26,899 --> 00:15:32,539
in large letters on the side of his car

276

00:15:28,779 --> 00:15:34,459
with shoe polish to get people to pull

277

00:15:32,539 --> 00:15:39,079
over and read his note then was attached

278

00:15:34,460 --> 00:15:40,149
to his steering wheel and at that point

279

00:15:39,080 --> 00:15:44,920
he

280

00:15:40,149 --> 00:15:46,839
set off into the snow going up hill to

281

00:15:44,919 --> 00:15:51,539
where he thought the the thing had

282

00:15:46,839 --> 00:15:54,459
crashed and then but shortly after he

283

00:15:51,539 --> 00:15:58,778
started walking he blacked out

284

00:15:54,458 --> 00:16:03,909
Wow the next thing he knew he like up in

285

00:15:58,778 --> 00:16:08,308
a hospital and it was 24 hours later and

286

00:16:03,909 --> 00:16:08,308

he had no idea what happened in between

287

00:16:10,708 --> 00:16:18,508

he's the doctor was in the room and he

288

00:16:16,089 --> 00:16:20,730

was waking up and then shortly the

289

00:16:18,509 --> 00:16:23,528

sheriff came in to hear his story

290

00:16:20,730 --> 00:16:25,449

because they were very worried when they

291

00:16:23,528 --> 00:16:28,480

when he talked about a possible plane

292

00:16:25,448 --> 00:16:31,899

crash and they were unable to find a

293

00:16:28,480 --> 00:16:34,180

crash so they wanted to get his story

294

00:16:31,899 --> 00:16:36,789

but all he could tell them was basically

295

00:16:34,179 --> 00:16:40,989

that he stopped and he went looking for

296

00:16:36,789 --> 00:16:45,519

this thing this this bright object that

297

00:16:40,990 --> 00:16:48,730

went behind the ridge well then they

298

00:16:45,519 --> 00:16:52,839

tell him what happened to him and they

299

00:16:48,730 --> 00:16:57,539

found him apparently about a quarter

300
00:16:52,839 --> 00:17:02,129
mile from the road face down in the snow

301
00:16:57,539 --> 00:17:04,769
they couldn't find any sign of injury

302
00:17:02,129 --> 00:17:11,769
but they just couldn't wake him up and

303
00:17:04,769 --> 00:17:14,889
his vital signs were normal and they

304
00:17:11,769 --> 00:17:17,500
said but the one thing that was very

305
00:17:14,890 --> 00:17:19,589
strange was that while he was still

306
00:17:17,500 --> 00:17:25,659
unconscious he was muttering the words

307
00:17:19,588 --> 00:17:27,730
jacket on bush and he said well I don't

308
00:17:25,659 --> 00:17:32,020
know I don't know why I said that but

309
00:17:27,730 --> 00:17:34,929
now that you bring that up I was wearing

310
00:17:32,019 --> 00:17:38,558
a new sports jacket under my army

311
00:17:34,929 --> 00:17:42,100
overcoat what I when I was setting out

312
00:17:38,558 --> 00:17:44,440
to look for this thing and where is it

313
00:17:42,099 --> 00:17:47,009
by the way and they said well we didn't

314

00:17:44,440 --> 00:17:50,759
see a jacket you weren't wearing any

315
00:17:47,009 --> 00:17:53,319
anything like that when we found you and

316
00:17:50,759 --> 00:17:55,500
the search party didn't see a jacket

317
00:17:53,319 --> 00:17:59,829
laying around

318
00:17:55,500 --> 00:18:04,690
so that was that was an interesting kind

319
00:17:59,829 --> 00:18:09,220
of puzzle but it didn't the the full

320
00:18:04,690 --> 00:18:14,140
significance of that didn't really come

321
00:18:09,220 --> 00:18:18,940
to bear until later after a few days in

322
00:18:14,140 --> 00:18:21,250
the hospital they sent him back to his

323
00:18:18,940 --> 00:18:24,220
army base they couldn't find anything

324
00:18:21,250 --> 00:18:27,490
wrong with him so then there's then the

325
00:18:24,220 --> 00:18:30,069
army checked him over they couldn't find

326
00:18:27,490 --> 00:18:32,470
anything wrong with him either so they

327
00:18:30,069 --> 00:18:34,599
sent him back to duty and this is again

328
00:18:32,470 --> 00:18:38,620

and not this is at Fort Bliss Texas

329

00:18:34,599 --> 00:18:43,779

where he was serving as a Nike missile

330

00:18:38,619 --> 00:18:47,649

technician that's that's a very

331

00:18:43,779 --> 00:18:50,680

interesting job

332

00:18:47,650 --> 00:18:53,560

the Nike missile technician I just put

333

00:18:50,680 --> 00:18:56,710

that in there for our listeners because

334

00:18:53,559 --> 00:18:59,230

we have had a number of people on who

335

00:18:56,710 --> 00:19:03,160

have talked about particularly Robert

336

00:18:59,230 --> 00:19:05,920

Hastings the relationship between UFOs

337

00:19:03,160 --> 00:19:07,630

and some of these missiles and the

338

00:19:05,920 --> 00:19:09,840

missiles turning off so I just

339

00:19:07,630 --> 00:19:14,530

that's my insert go ahead David sorry

340

00:19:09,839 --> 00:19:18,369

okay yeah it was that was kind of the

341

00:19:14,529 --> 00:19:20,319

state-of-the-art anti-aircraft anti I

342

00:19:18,369 --> 00:19:25,479

mean it was really designed as

343
00:19:20,319 --> 00:19:29,200
last-ditch effort I mean it was our the

344
00:19:25,480 --> 00:19:32,740
last link in our chain of protection at

345
00:19:29,200 --> 00:19:35,380
that time against a Russian bombing

346
00:19:32,740 --> 00:19:40,140
attack basically so if they got through

347
00:19:35,380 --> 00:19:42,430
all the way and penetrated US airspace

348
00:19:40,140 --> 00:19:44,800
these missiles were designed to take

349
00:19:42,430 --> 00:19:50,740
down those aircraft before they could

350
00:19:44,799 --> 00:19:54,279
drop their payload at that house before

351
00:19:50,740 --> 00:19:56,109
they had the ICBMs right so it was a

352
00:19:54,279 --> 00:19:58,410
pretty important

353
00:19:56,109 --> 00:20:04,899
they were strategically very important

354
00:19:58,410 --> 00:20:06,460
anyway so then you know Jerry was

355
00:20:04,900 --> 00:20:07,660
released back to duty and he was

356
00:20:06,460 --> 00:20:09,970
supposedly

357
00:20:07,660 --> 00:20:14,759
okay as far as they could tell he kept

358
00:20:09,970 --> 00:20:20,350
having problems with blackouts and

359
00:20:14,759 --> 00:20:23,740
amnesia and about three weeks after the

360
00:20:20,349 --> 00:20:28,089
original incident in Utah he passed out

361
00:20:23,740 --> 00:20:33,250
in downtown El Paso which is adjacent to

362
00:20:28,089 --> 00:20:36,970
of a Fort Bliss and they took him to a

363
00:20:33,250 --> 00:20:39,839
pass old General Hospital and he was out

364
00:20:36,970 --> 00:20:43,150
for a few hours when he woke up his

365
00:20:39,839 --> 00:20:46,089
first words were were there any

366
00:20:43,150 --> 00:20:48,159
survivors and that's exactly what he

367
00:20:46,089 --> 00:20:53,139
said the first time you woke up in Utah

368
00:20:48,159 --> 00:20:58,049
he was he it in his mind he was right

369
00:20:53,140 --> 00:21:00,190
back on that night and it was as if

370
00:20:58,048 --> 00:21:07,089
nothing had happened in between he

371

00:21:00,190 --> 00:21:12,850
couldn't remember anything and they they

372
00:21:07,089 --> 00:21:15,009
tried to kind of jog his memory but he

373
00:21:12,849 --> 00:21:18,250
it took him a while they they had to

374
00:21:15,009 --> 00:21:20,408
take him back to the Army Hospital and

375
00:21:18,250 --> 00:21:22,569
he didn't recognize anybody at the Army

376
00:21:20,409 --> 00:21:30,190
Hospital even though he'd been in the

377
00:21:22,569 --> 00:21:33,849
ward only three weeks earlier so this

378
00:21:30,190 --> 00:21:38,620
time they kept him it was the they kept

379
00:21:33,849 --> 00:21:40,798
him in the psych ward for 32 days this

380
00:21:38,619 --> 00:21:46,538
time because they really wanted to

381
00:21:40,798 --> 00:21:49,000
observe him for a sustained period and

382
00:21:46,538 --> 00:21:52,419
during that time they gave him a sodium

383
00:21:49,000 --> 00:21:56,950
amytal interview which is like they call

384
00:21:52,419 --> 00:22:00,750
it truth serum and it's essentially it's

385
00:21:56,950 --> 00:22:00,750

a way of inducing a hypnotic trance

386

00:22:01,769 --> 00:22:07,720

so under under the influence of sodium

387

00:22:05,558 --> 00:22:12,788

amytal they questioned him to try to

388

00:22:07,720 --> 00:22:14,759

penetrate his amnesia and then when he

389

00:22:12,788 --> 00:22:17,079

when they brought him out of the trance

390

00:22:14,759 --> 00:22:20,940

they wouldn't tell him anything about

391

00:22:17,079 --> 00:22:20,939

what he had said and he had no memory

392

00:22:21,659 --> 00:22:30,820

they they basically just told him it

393

00:22:24,220 --> 00:22:35,919

didn't work so he never found out now

394

00:22:30,819 --> 00:22:37,538

the day as he remembered it this was the

395

00:22:35,919 --> 00:22:41,379

day before they released him from the

396

00:22:37,538 --> 00:22:47,730

hospital the next day when they released

397

00:22:41,378 --> 00:22:54,158

him he went into a trance and in that

398

00:22:47,730 --> 00:22:58,899

trance-like state he left the base he

399

00:22:54,159 --> 00:23:03,129

boarded a Greyhound bus essentially he

400
00:22:58,898 --> 00:23:06,819
was going AWOL and he took an overnight

401
00:23:03,128 --> 00:23:12,248
bus to Utah he didn't even really know

402
00:23:06,819 --> 00:23:13,089
what he was doing the next day he got

403
00:23:12,249 --> 00:23:15,879
off the bus

404
00:23:13,089 --> 00:23:20,378
at Cedar City which was the city he was

405
00:23:15,878 --> 00:23:24,189
taken to after his original incident and

406
00:23:20,378 --> 00:23:30,959
then he just walked out of town for

407
00:23:24,190 --> 00:23:30,960
about six miles up into the canyon and

408
00:23:31,259 --> 00:23:40,720
he walked off the highway straight back

409
00:23:36,519 --> 00:23:44,138
into the bush for some distance where he

410
00:23:40,720 --> 00:23:49,179
found his jacket hanging on a bush his

411
00:23:44,138 --> 00:23:51,459
missing jacket there was a pencil with a

412
00:23:49,179 --> 00:23:53,230
null Raptor wrapped around it that was

413
00:23:51,460 --> 00:23:56,379
stuck through a buttonhole of the jacket

414
00:23:53,230 --> 00:23:58,298
he pulled out the pencil unrolled the

415
00:23:56,378 --> 00:24:02,558
note and then burned it without reading

416
00:23:58,298 --> 00:24:09,099
it and at that point he woke up from his

417
00:24:02,558 --> 00:24:10,658
trance Wow he was very disoriented at

418
00:24:09,099 --> 00:24:15,118
that point when he woke up from his

419
00:24:10,659 --> 00:24:18,220
trance and suddenly he didn't really

420
00:24:15,118 --> 00:24:18,788
know where he was exactly he had a vague

421
00:24:18,220 --> 00:24:22,749
idea

422
00:24:18,788 --> 00:24:25,720
he knew he was AWOL so it took him a

423
00:24:22,749 --> 00:24:28,960
while to find the highway again when he

424
00:24:25,720 --> 00:24:32,019
got to the highway he found his way back

425
00:24:28,960 --> 00:24:34,679
to the two Cedar City and turned himself

426
00:24:32,019 --> 00:24:34,679
in to the police

427
00:24:35,299 --> 00:24:41,289
and then he was able to talk to the

428

00:24:37,460 --> 00:24:44,029
sheriff who know he no longer recognized

429
00:24:41,289 --> 00:24:49,430
even though he'd he'd seem that Sheriff

430
00:24:44,029 --> 00:24:53,299
only three weeks earlier the sheriff

431
00:24:49,430 --> 00:24:56,240
then contacted his army base and a few

432
00:24:53,299 --> 00:25:01,639
days later they picked him up and took

433
00:24:56,240 --> 00:25:05,470
him back to Fort Bliss well he had more

434
00:25:01,640 --> 00:25:09,400
problems after that that culminated in

435
00:25:05,470 --> 00:25:12,769
another lengthy stay in the psych ward

436
00:25:09,400 --> 00:25:14,740
and when they when he came out of the

437
00:25:12,769 --> 00:25:21,500
psych ward

438
00:25:14,740 --> 00:25:25,160
at the end of July the very next day he

439
00:25:21,500 --> 00:25:25,549
deserted his post and he was never seen

440
00:25:25,160 --> 00:25:28,850
again

441
00:25:25,549 --> 00:25:32,210
and that's that's the last anybody heard

442
00:25:28,849 --> 00:25:35,659

of him so that's the the basis of the

443

00:25:32,210 --> 00:25:41,600

initial story that was recorded by the

444

00:25:35,660 --> 00:25:45,259

Lorenz ins of a pro yes and I I would

445

00:25:41,599 --> 00:25:48,289

say that I believe and I could be wrong

446

00:25:45,259 --> 00:25:50,839

it could be a similar story but that I

447

00:25:48,289 --> 00:25:54,170

had heard I'm going to say two or three

448

00:25:50,839 --> 00:25:57,859

years ago on another show Linda Moulton

449

00:25:54,170 --> 00:26:00,590

Howe talked about this story and say

450

00:25:57,859 --> 00:26:02,689

that he had disappeared permanently to

451

00:26:00,589 --> 00:26:05,779

her knowledge and into everybody else's

452

00:26:02,690 --> 00:26:09,710

knowledge in the UFO world at any rate

453

00:26:05,779 --> 00:26:12,049

that would be the case right David right

454

00:26:09,710 --> 00:26:17,420

and nobody ever heard from a monkey Anna

455

00:26:12,049 --> 00:26:19,879

and but what kind of okay that's the

456

00:26:17,420 --> 00:26:23,410

point where I got interested I had read

457
00:26:19,880 --> 00:26:29,060
the story even a couple of decades

458
00:26:23,410 --> 00:26:32,480
before I started investigating but I

459
00:26:29,059 --> 00:26:36,440
just happened to kind of I always

460
00:26:32,480 --> 00:26:40,039
remembered it but it was just one of so

461
00:26:36,440 --> 00:26:42,650
many fascinating stories out there but

462
00:26:40,039 --> 00:26:44,740
the second time or it was I'm sure it

463
00:26:42,650 --> 00:26:47,450
was more in the second time then I

464
00:26:44,740 --> 00:26:48,880
stumbled upon it recently which was I

465
00:26:47,450 --> 00:26:52,480
guess 2013

466
00:26:48,880 --> 00:26:54,580
mmm-hmm I don't know why it happened

467
00:26:52,480 --> 00:26:57,940
that way but for some reason when I read

468
00:26:54,579 --> 00:26:59,319
that story again this time uh it just

469
00:26:57,940 --> 00:27:02,680
wouldn't let me rest

470
00:26:59,319 --> 00:27:05,079
you're almost compelled like Jerry was

471
00:27:02,680 --> 00:27:08,350
compelled to go after his jacket you

472
00:27:05,079 --> 00:27:11,589
were compelled to go after Jerry yeah

473
00:27:08,349 --> 00:27:14,769
and I don't have an explanation for that

474
00:27:11,589 --> 00:27:20,039
I mean all I can say is and isn't it it

475
00:27:14,769 --> 00:27:25,329
was a unique experience in my lifetime I

476
00:27:20,039 --> 00:27:31,899
for some reason I just I just knew that

477
00:27:25,329 --> 00:27:34,869
I had to investigate this story and the

478
00:27:31,900 --> 00:27:38,019
interesting thing to me about that and I

479
00:27:34,869 --> 00:27:43,079
had a sense of urgency about it too and

480
00:27:38,019 --> 00:27:47,319
I saw him and I I just wonder because

481
00:27:43,079 --> 00:27:52,179
about four months after okay I'm gonna

482
00:27:47,319 --> 00:27:54,970
skip ahead a little bit here to make a

483
00:27:52,180 --> 00:28:01,029
long story short I found this man Jerry

484
00:27:54,970 --> 00:28:06,900
Irwin and we conducted a series of

485

00:28:01,029 --> 00:28:10,980
interviews I went to his home in Idaho

486
00:28:06,900 --> 00:28:18,360
twice in 2014

487
00:28:10,980 --> 00:28:18,360
the second time was in September and

488
00:28:19,440 --> 00:28:26,950
four months later approximately he

489
00:28:22,960 --> 00:28:32,049
suffered a massive and very nearly fatal

490
00:28:26,950 --> 00:28:34,720
heart attack and I mean it was so

491
00:28:32,049 --> 00:28:37,240
serious his heart was stopped for over

492
00:28:34,720 --> 00:28:39,370
half an hour oh boy we could have a

493
00:28:37,240 --> 00:28:41,259
whole program on whether he had a

494
00:28:39,369 --> 00:28:43,509
near-death experience but we won't go

495
00:28:41,259 --> 00:28:49,299
there right now go ahead go ahead David

496
00:28:43,509 --> 00:28:51,700
sorry yeah and at that point his his

497
00:28:49,299 --> 00:28:55,750
when I was interviewing him and this is

498
00:28:51,700 --> 00:28:58,870
also a large part of the story I I was

499
00:28:55,750 --> 00:29:02,319

able to understand pretty quickly that

500

00:28:58,869 --> 00:29:06,589

he had some major gaps in his memory

501

00:29:02,319 --> 00:29:10,960

about the events of that year mm-hmm

502

00:29:06,589 --> 00:29:15,528

and after his heart attack his memory

503

00:29:10,960 --> 00:29:17,778

took another major hit and and he he

504

00:29:15,528 --> 00:29:20,839

lost a lot of what was left at that

505

00:29:17,778 --> 00:29:24,739

point of its memory so I guess what I'm

506

00:29:20,839 --> 00:29:27,738

saying is I don't think this really

507

00:29:24,739 --> 00:29:31,819

could have happened this this project if

508

00:29:27,739 --> 00:29:36,440

I had waited work for anybody if nobody

509

00:29:31,819 --> 00:29:39,979

had gotten involved in that timeframe

510

00:29:36,440 --> 00:29:42,320

before that massive heart attack I just

511

00:29:39,979 --> 00:29:45,319

doubt this ever would have happened well

512

00:29:42,319 --> 00:29:48,348

I can't help but think from an intuitive

513

00:29:45,319 --> 00:29:50,960

point of view that somehow you were

514
00:29:48,348 --> 00:29:53,479
called upon because here you are you're

515
00:29:50,960 --> 00:29:56,479
a guy interested in the paranormal in

516
00:29:53,479 --> 00:30:00,519
general never had an up-close UFO

517
00:29:56,479 --> 00:30:05,389
sighting not a not a mainstream

518
00:30:00,519 --> 00:30:08,419
ufologist good writer great guy but it's

519
00:30:05,388 --> 00:30:11,269
just suddenly takes off on this

520
00:30:08,419 --> 00:30:14,239
adventure to go see Jerry Erwin and you

521
00:30:11,269 --> 00:30:17,569
managed to meet up with him and get as

522
00:30:14,239 --> 00:30:20,239
much of his story as he remembered but

523
00:30:17,569 --> 00:30:24,108
what is quite baffling is all the things

524
00:30:20,239 --> 00:30:26,989
he didn't remember and I will you know

525
00:30:24,108 --> 00:30:29,058
fill something in here and that is that

526
00:30:26,989 --> 00:30:32,899
for those people who might be listening

527
00:30:29,058 --> 00:30:36,229
who think you know they're on the fence

528
00:30:32,898 --> 00:30:39,079
about what UFOs are or if they're they

529
00:30:36,229 --> 00:30:43,460
even exist to the people who wonder if

530
00:30:39,079 --> 00:30:46,278
UFOs even exist I would say that David

531
00:30:43,460 --> 00:30:49,700
our author here has gone to great

532
00:30:46,278 --> 00:30:53,118
lengths within the book to look at the

533
00:30:49,700 --> 00:30:57,069
idea of was this a hoax did Jerry hoax

534
00:30:53,118 --> 00:31:00,918
it did did the government orchestrate a

535
00:30:57,069 --> 00:31:05,028
PSYOP attack and I'm forced to conclude

536
00:31:00,919 --> 00:31:07,639
from your research and my own thoughts

537
00:31:05,028 --> 00:31:11,118
that indeed it was not that he did see

538
00:31:07,638 --> 00:31:13,848
something and that it was genuine to a

539
00:31:11,118 --> 00:31:15,319
point of when he got in the hands of the

540
00:31:13,848 --> 00:31:17,319
army and then

541
00:31:15,319 --> 00:31:19,700
you know it's it's anybody's guess

542

00:31:17,319 --> 00:31:21,970
exactly what they did to his mind I

543
00:31:19,700 --> 00:31:30,830
would not be able to comment

544
00:31:21,970 --> 00:31:32,600
intellectually on that part I I know but

545
00:31:30,829 --> 00:31:39,309
one thing is probably really important

546
00:31:32,599 --> 00:31:42,799
to to observe is that and when Jerry was

547
00:31:39,309 --> 00:31:47,440
asked about his experiences in 1959 by

548
00:31:42,799 --> 00:31:50,299
the lorens ins right he felt clear that

549
00:31:47,440 --> 00:31:54,950
whatever his problems were they were

550
00:31:50,299 --> 00:31:58,940
coming from his experience in Utah this

551
00:31:54,950 --> 00:32:00,769
is what he also told in this look we we

552
00:31:58,940 --> 00:32:04,190
actually received a lot of new

553
00:32:00,769 --> 00:32:07,339
information that was made possible by

554
00:32:04,190 --> 00:32:10,190
Jerry authorizing the release of his

555
00:32:07,339 --> 00:32:16,009
medical records and service records from

556
00:32:10,190 --> 00:32:20,210

the Army which he had never seen which

557

00:32:16,009 --> 00:32:24,019

in which he also told his doctors the

558

00:32:20,210 --> 00:32:27,890

same thing he at least in his mind there

559

00:32:24,019 --> 00:32:31,240

was no question that the continuum

560

00:32:27,890 --> 00:32:34,730

continued problems he had with his

561

00:32:31,240 --> 00:32:39,589

blackouts and in amnesia stemmed from

562

00:32:34,730 --> 00:32:42,529

his experience in Utah now that's also

563

00:32:39,589 --> 00:32:46,339

backed up by the records because his

564

00:32:42,529 --> 00:32:48,889

doctors looked into his background they

565

00:32:46,339 --> 00:32:53,029

could find no history of anything

566

00:32:48,890 --> 00:32:55,130

similar for him and he had been in the

567

00:32:53,029 --> 00:32:56,470

service previously in the Air Force for

568

00:32:55,130 --> 00:32:59,720

four years

569

00:32:56,470 --> 00:33:03,890

they and he had been in the Army for I

570

00:32:59,720 --> 00:33:06,589

think this for a little over when this

571
00:33:03,890 --> 00:33:09,290
happened yeah known he'd had no

572
00:33:06,589 --> 00:33:09,949
disciplinary problems he had no medical

573
00:33:09,289 --> 00:33:13,069
problems

574
00:33:09,950 --> 00:33:15,140
he'd had no psychiatric problems but

575
00:33:13,069 --> 00:33:19,509
suddenly he has is he experienced in

576
00:33:15,140 --> 00:33:22,250
Utah and his life is is upended it's

577
00:33:19,509 --> 00:33:24,910
everything's upside-down suddenly he's

578
00:33:22,250 --> 00:33:29,058
going in a into a downward spiral he's

579
00:33:24,910 --> 00:33:31,099
having a as a result he's having

580
00:33:29,058 --> 00:33:32,898
what are interpreted as disciplinary

581
00:33:31,098 --> 00:33:36,648
problems but they're really he's just

582
00:33:32,898 --> 00:33:39,858
suffering basically problems of mental

583
00:33:36,648 --> 00:33:44,268
problems really I mean in a he in the

584
00:33:39,858 --> 00:33:47,239
view of the army of anybody who at that

585
00:33:44,269 --> 00:33:51,469
time we can say that UFOs were not

586
00:33:47,239 --> 00:33:55,959
unknown but abductions in 1959 were

587
00:33:51,469 --> 00:33:59,719
extraordinarily rare and there was no

588
00:33:55,959 --> 00:34:04,129
like template of what an abduction

589
00:33:59,719 --> 00:34:06,649
experience should be like now I want to

590
00:34:04,128 --> 00:34:08,480
mention here two things that came it

591
00:34:06,648 --> 00:34:10,699
came to me in the book that I thought

592
00:34:08,480 --> 00:34:11,690
were great but I want to do one thing

593
00:34:10,699 --> 00:34:14,449
for you first

594
00:34:11,690 --> 00:34:16,398
I want to slate that we're speaking to

595
00:34:14,449 --> 00:34:19,848
David Booher who has written a book

596
00:34:16,398 --> 00:34:23,568
called no return the Jerry Erwin story

597
00:34:19,849 --> 00:34:25,669
UFO abduction or covert operation and

598
00:34:23,568 --> 00:34:30,739
it's published by our friends at

599

00:34:25,668 --> 00:34:34,388
anomalous books okay so two things that

600
00:34:30,739 --> 00:34:38,178
seem to me to be marvelous that you

601
00:34:34,389 --> 00:34:43,519
managed to get first the army records

602
00:34:38,179 --> 00:34:46,039
with the doctor's note about what dr.

603
00:34:43,518 --> 00:34:50,000
Valentine I believe it was he wrote down

604
00:34:46,039 --> 00:34:53,599
about what came out something about what

605
00:34:50,000 --> 00:34:56,239
came out under the sodium sodium sodium

606
00:34:53,599 --> 00:35:00,798
amytal I always think of pentathol but

607
00:34:56,239 --> 00:35:04,959
it's amytal in this case treatment and

608
00:35:00,798 --> 00:35:09,829
then the fact also that you were able to

609
00:35:04,960 --> 00:35:11,869
access the appro stuff now i know i've

610
00:35:09,829 --> 00:35:15,619
heard a lot about and i know of a lot of

611
00:35:11,869 --> 00:35:18,640
people who have petitioned the folks who

612
00:35:15,619 --> 00:35:21,588
are now in possession of the appro

613
00:35:18,639 --> 00:35:25,129

information since coral and jim lorenzo

614

00:35:21,588 --> 00:35:28,308
sadly passed away and have been totally

615

00:35:25,130 --> 00:35:30,740
unable to obtain any information from

616

00:35:28,309 --> 00:35:31,160
the people who who i have no idea who

617

00:35:30,739 --> 00:35:32,719
they are

618

00:35:31,159 --> 00:35:36,379
i'm just saying this because i've heard

619

00:35:32,719 --> 00:35:38,118
this they have not been able to get the

620

00:35:36,380 --> 00:35:39,818
information out of appra how did you

621

00:35:38,119 --> 00:35:42,079
manage that

622

00:35:39,818 --> 00:35:50,619
well all I could say is

623

00:35:42,079 --> 00:35:55,159
I just I just decided to have to ask and

624

00:35:50,619 --> 00:36:02,210
they complied and I in awe it which was

625

00:35:55,159 --> 00:36:05,179
a huge benefit to my research it it

626

00:36:02,210 --> 00:36:11,840
really filled in some important pieces

627

00:36:05,179 --> 00:36:16,879
of information in terms of things that

628
00:36:11,840 --> 00:36:18,320
the Lorenz ins had had found but for

629
00:36:16,880 --> 00:36:20,930
whatever reason it didn't make it into

630
00:36:18,320 --> 00:36:23,269
their final story and I think part of

631
00:36:20,929 --> 00:36:24,739
that is simply because they didn't they

632
00:36:23,269 --> 00:36:27,139
didn't have enough information to know

633
00:36:24,739 --> 00:36:32,589
what was going to be significant

634
00:36:27,139 --> 00:36:35,329
ultimately about certain details so Mike

635
00:36:32,590 --> 00:36:40,280
that's all I can tell you I mean in this

636
00:36:35,329 --> 00:36:42,889
case I they decided to help me out and

637
00:36:40,280 --> 00:36:45,620
provided those files which well you've

638
00:36:42,889 --> 00:36:48,799
got the gold in touch with this David

639
00:36:45,619 --> 00:36:52,639
and I intuitively I just feel like it

640
00:36:48,800 --> 00:36:57,760
there is some kind of faded situation

641
00:36:52,639 --> 00:37:02,659
here whether some unknown force has

642
00:36:57,760 --> 00:37:06,740
guided you through this certainly the

643
00:37:02,659 --> 00:37:08,719
the the name of Jacques valet has no

644
00:37:06,739 --> 00:37:10,699
doubt helped you win your research and

645
00:37:08,719 --> 00:37:14,929
but you've done a marvelous job all on

646
00:37:10,699 --> 00:37:17,000
your own there and they can you perhaps

647
00:37:14,929 --> 00:37:21,649
talk a little bit about the sodium

648
00:37:17,000 --> 00:37:24,110
pentathol the sodium amytal part there

649
00:37:21,650 --> 00:37:25,970
what actually was found out that Jerry

650
00:37:24,110 --> 00:37:32,269
had said or at least what did dr.

651
00:37:25,969 --> 00:37:36,500
Valentine right there yeah now to

652
00:37:32,269 --> 00:37:40,759
preface this briefly as you mentioned

653
00:37:36,500 --> 00:37:43,880
earlier there had simply been no stories

654
00:37:40,760 --> 00:37:47,720
of abduction in the media at this point

655
00:37:43,880 --> 00:37:51,289
when this happened of course there was

656

00:37:47,719 --> 00:37:55,699
kind of a UFO mania in the 50s and there

657
00:37:51,289 --> 00:37:55,969
was this kind of contactee mania which

658
00:37:55,699 --> 00:37:59,960
was

659
00:37:55,969 --> 00:38:02,719
very different kind of phenomenon but

660
00:37:59,960 --> 00:38:06,769
this is what one thing that makes this

661
00:38:02,719 --> 00:38:10,819
story so fascinating is it it bears the

662
00:38:06,769 --> 00:38:15,590
hallmarks of a classic UFO abduction

663
00:38:10,820 --> 00:38:20,630
case but there at that point in time he

664
00:38:15,590 --> 00:38:24,170
had if he was inclined to make it up or

665
00:38:20,630 --> 00:38:27,050
if he was someone who was susceptible to

666
00:38:24,170 --> 00:38:29,960
the power of suggestion let's say there

667
00:38:27,050 --> 00:38:34,460
simply weren't any stories to influence

668
00:38:29,960 --> 00:38:36,230
him in that regard so this is still two

669
00:38:34,460 --> 00:38:40,519
years before the Betty and Barney Hill

670
00:38:36,230 --> 00:38:43,880

case and their story didn't even reach

671

00:38:40,519 --> 00:38:48,230

the mainstream media until the mid 60s

672

00:38:43,880 --> 00:38:52,358

so this was considerably earlier on okay

673

00:38:48,230 --> 00:38:56,108

and now that's important in regard to

674

00:38:52,358 --> 00:38:58,340

Jerry's doctor because Jerry's doctor

675

00:38:56,108 --> 00:39:01,250

certainly couldn't have heard any of

676

00:38:58,340 --> 00:39:04,070

these details before from other cases

677

00:39:01,250 --> 00:39:08,539

and there's no doubt from reading his

678

00:39:04,070 --> 00:39:09,430

notes that to him this is just total

679

00:39:08,539 --> 00:39:13,519

nonsense

680

00:39:09,429 --> 00:39:19,549

what Jerry what here's Jerry saying and

681

00:39:13,519 --> 00:39:25,699

he's inclined to think that it says this

682

00:39:19,550 --> 00:39:28,099

is a symptom of psychosis and yet I'll

683

00:39:25,699 --> 00:39:37,059

just I'll reape briefly that what he

684

00:39:28,099 --> 00:39:37,059

wrote in his notes here okay uh he said

685
00:39:37,300 --> 00:39:44,510
jerry stated he's speaking about jerry

686
00:39:42,260 --> 00:39:47,869
okay stated that there was a special

687
00:39:44,510 --> 00:39:50,599
intelligence that he couldn't explain to

688
00:39:47,869 --> 00:39:53,180
me since it would be incomprehensible to

689
00:39:50,599 --> 00:39:56,480
me which has directed him not to

690
00:39:53,179 --> 00:39:59,598
remember or not to tell me about any of

691
00:39:56,480 --> 00:40:01,849
the events in utah he says that if he

692
00:39:59,599 --> 00:40:04,430
tells what was behind the incidents nude

693
00:40:01,849 --> 00:40:07,160
in utah there will be a big

694
00:40:04,429 --> 00:40:08,609
investigation that he does not want to

695
00:40:07,159 --> 00:40:11,069
be bothered with

696
00:40:08,610 --> 00:40:12,329
and also because it will harm many

697
00:40:11,070 --> 00:40:16,980
people and he doesn't want that to

698
00:40:12,329 --> 00:40:20,819
happen he states it all began at the age

699
00:40:16,980 --> 00:40:24,809
of three years although he will not

700
00:40:20,820 --> 00:40:27,120
reveal how or what began stating it

701
00:40:24,809 --> 00:40:32,099
would provide a clue to me as to what is

702
00:40:27,119 --> 00:40:33,859
behind all this he also he informed me

703
00:40:32,099 --> 00:40:37,500
that he could leave this hospital

704
00:40:33,860 --> 00:40:45,240
anytime if he wanted to by invoking a

705
00:40:37,500 --> 00:40:47,519
special force Wow I that that is I read

706
00:40:45,239 --> 00:40:51,029
that in your book and that's quite

707
00:40:47,519 --> 00:40:54,239
mind-blowing and that kind of seals the

708
00:40:51,030 --> 00:40:57,990
whole thing in my mind to some extent

709
00:40:54,239 --> 00:41:02,669
that this doctor prior to the abduction

710
00:40:57,989 --> 00:41:06,689
phenomena put this gentleman under

711
00:41:02,670 --> 00:41:09,659
sodium amytal and came and and Jerry

712
00:41:06,690 --> 00:41:13,309
came out with basically that and and

713

00:41:09,659 --> 00:41:19,559
really we have no reason to believe that

714
00:41:13,309 --> 00:41:21,269
the doctor was lying in his notes you

715
00:41:19,559 --> 00:41:23,279
did bring up the idea that he may have

716
00:41:21,269 --> 00:41:27,119
been given the sodium amytal more than

717
00:41:23,280 --> 00:41:29,040
once and this could in fact have made

718
00:41:27,119 --> 00:41:31,829
his memory even worse than it was to

719
00:41:29,039 --> 00:41:34,289
start off with but clearly he was having

720
00:41:31,829 --> 00:41:38,929
a lot of amnesia before he ever got the

721
00:41:34,289 --> 00:41:38,929
sodium amytal yes that's true

722
00:41:39,380 --> 00:41:45,990
and one one more point about that

723
00:41:42,420 --> 00:41:49,740
interview is there's a great deal of

724
00:41:45,989 --> 00:41:53,959
concern that's been voiced over the last

725
00:41:49,739 --> 00:41:53,959
you know two or three decades about

726
00:41:54,889 --> 00:42:03,989
unscrupulous or inexperienced hypnotists

727
00:42:00,679 --> 00:42:07,649

consciously or unconsciously leading

728

00:42:03,989 --> 00:42:10,500

their subjects to remember things that

729

00:42:07,650 --> 00:42:11,670

that didn't actually happen right I mean

730

00:42:10,500 --> 00:42:15,150

there's a word for it but I can't think

731

00:42:11,670 --> 00:42:18,960

of that right now but absolutely this

732

00:42:15,150 --> 00:42:22,320

could not have happened in this case at

733

00:42:18,960 --> 00:42:25,710

which which is one more

734

00:42:22,320 --> 00:42:31,800

one more aspect that makes it seem it

735

00:42:25,710 --> 00:42:34,230

adds to the authenticity I think I'm I'm

736

00:42:31,800 --> 00:42:38,190

compelled by the mention of him being

737

00:42:34,230 --> 00:42:41,519

three years old you know because being

738

00:42:38,190 --> 00:42:44,039

an experienced or myself I remember

739

00:42:41,519 --> 00:42:46,019

feeling like something was pulling me

740

00:42:44,039 --> 00:42:49,190

out of my body when I was in that age

741

00:42:46,019 --> 00:42:52,710

range so I have a lot of sympathy for

742
00:42:49,190 --> 00:42:55,230
for a Jerry there and may I ask you

743
00:42:52,710 --> 00:42:59,610
his condition currently as we speak in

744
00:42:55,230 --> 00:43:03,719
2017 he's still with us I believe far as

745
00:42:59,610 --> 00:43:06,210
I know he is I I mean to try to get in

746
00:43:03,719 --> 00:43:11,039
touch with him sometime soon I did talk

747
00:43:06,210 --> 00:43:13,199
to him in June and he's had a slow long

748
00:43:11,039 --> 00:43:15,840
slow recovery because that heart attack

749
00:43:13,199 --> 00:43:21,239
was I guess that was a little over two

750
00:43:15,840 --> 00:43:26,190
and a half years ago and his apparently

751
00:43:21,239 --> 00:43:29,219
his memory and his functioning have been

752
00:43:26,190 --> 00:43:32,460
slowly improving over that time to the

753
00:43:29,219 --> 00:43:39,569
point where this time he remembered me

754
00:43:32,460 --> 00:43:42,269
and he hadn't before that so he so I'm

755
00:43:39,570 --> 00:43:45,300
I'm hopeful that he'll continue to

756
00:43:42,269 --> 00:43:47,610
improve and I and he was very optimistic

757
00:43:45,300 --> 00:43:49,950
as well I hope you'll have a reunion

758
00:43:47,610 --> 00:43:53,730
with him that would be nice

759
00:43:49,949 --> 00:43:56,069
I wonder if this Fame has reached him of

760
00:43:53,730 --> 00:43:58,829
you know the fame that your book perhaps

761
00:43:56,070 --> 00:44:01,019
has given him and the fact that people

762
00:43:58,829 --> 00:44:04,519
in ufology thought he was dead but you

763
00:44:01,019 --> 00:44:08,460
really brought out so many fascinating

764
00:44:04,519 --> 00:44:11,150
you compared his case with the hills the

765
00:44:08,460 --> 00:44:15,030
Betty and Barney Hills case and you also

766
00:44:11,150 --> 00:44:18,150
revealed that even Carl Jung had an

767
00:44:15,030 --> 00:44:22,019
opinion on the matter and that choral

768
00:44:18,150 --> 00:44:25,860
Lorenzen stood firm with her opinion now

769
00:44:22,019 --> 00:44:29,130
I you know I have no doubt that Jerry in

770

00:44:25,860 --> 00:44:32,820
my mind anyway that Jerry was the victim

771
00:44:29,130 --> 00:44:35,190
of some very strange event I don't

772
00:44:32,820 --> 00:44:36,180
believe that the event itself from what

773
00:44:35,190 --> 00:44:37,800
I've read from you

774
00:44:36,179 --> 00:44:39,659
I'm just giving you my opinion you know

775
00:44:37,800 --> 00:44:41,970
kind of going in here with you

776
00:44:39,659 --> 00:44:43,588
I don't believe from what you wrote and

777
00:44:41,969 --> 00:44:46,368
from everything that you said and you

778
00:44:43,588 --> 00:44:49,049
seem like a very incredibly honest

779
00:44:46,369 --> 00:44:51,568
research at giving all sides of the

780
00:44:49,050 --> 00:44:54,329
story I don't believe that the actual

781
00:44:51,568 --> 00:44:56,849
event was orchestrated by the government

782
00:44:54,329 --> 00:45:00,390
that it seems like a whole lot of money

783
00:44:56,849 --> 00:45:02,880
to be spent for one little soldier who

784
00:45:00,389 --> 00:45:06,299

you know would end up with mental

785

00:45:02,880 --> 00:45:09,240

problems although it was the time as you

786

00:45:06,300 --> 00:45:12,599

mentioned of psyops

787

00:45:09,239 --> 00:45:14,939

and and the all of a sudden my mind went

788

00:45:12,599 --> 00:45:17,369

blank on the big program of psyops that

789

00:45:14,940 --> 00:45:19,409

were that took place at that time you

790

00:45:17,369 --> 00:45:22,050

know that you know it David what was

791

00:45:19,409 --> 00:45:26,308

okay MK yeah thank you thank you thank

792

00:45:22,050 --> 00:45:29,369

you but there's one thing that I don't

793

00:45:26,309 --> 00:45:33,210

believe you covered in the book okay and

794

00:45:29,369 --> 00:45:35,550

I'm I don't know that this was anything

795

00:45:33,210 --> 00:45:39,889

about the case and in fact what I'm

796

00:45:35,550 --> 00:45:44,789

going to say is also still a very big

797

00:45:39,889 --> 00:45:48,838

mystery even to astronomers now if I

798

00:45:44,789 --> 00:45:54,599

remember correctly his initial sighting

799

00:45:48,838 --> 00:45:58,529
was in February yes okay yeah his

800

00:45:54,599 --> 00:46:02,609
initial sighting was in February and for

801

00:45:58,530 --> 00:46:06,290
the last twenty years or so he we here

802

00:46:02,608 --> 00:46:08,519
on earth now this is after Jerry Irwin's

803

00:46:06,289 --> 00:46:11,068
event because we're talking about the

804

00:46:08,519 --> 00:46:13,650
last twenty thirty years we have

805

00:46:11,068 --> 00:46:15,989
experienced here on earth something

806

00:46:13,650 --> 00:46:20,039
called the February fireballs are you

807

00:46:15,989 --> 00:46:23,969
aware of that no I guess that's new to

808

00:46:20,039 --> 00:46:28,460
me okay so let me let me say a few words

809

00:46:23,969 --> 00:46:32,699
about that and it's an it's an

810

00:46:28,460 --> 00:46:36,809
astronomical anomaly it's not thought to

811

00:46:32,699 --> 00:46:39,509
be extraterrestrial intelligences but no

812

00:46:36,809 --> 00:46:41,819
one really knows but for I'll say about

813
00:46:39,510 --> 00:46:43,890
the last 25 years and I'm not an

814
00:46:41,818 --> 00:46:47,279
astronomer so I could be wrong on my

815
00:46:43,889 --> 00:46:50,039
facts there have been what appears to be

816
00:46:47,280 --> 00:46:54,710
very large meteors

817
00:46:50,039 --> 00:46:59,420
coming into the atmosphere in the

818
00:46:54,710 --> 00:47:02,400
northern hemisphere and crossing the sky

819
00:46:59,420 --> 00:47:03,809
sort of obliquely in other words when

820
00:47:02,400 --> 00:47:06,240
you see a shooting star

821
00:47:03,809 --> 00:47:07,949
mostly they come right down and they're

822
00:47:06,239 --> 00:47:12,929
gone in a second

823
00:47:07,949 --> 00:47:17,489
these February fireballs seem to be

824
00:47:12,929 --> 00:47:22,799
molten metal and they cross the sky at a

825
00:47:17,489 --> 00:47:26,069
slower rate that astronomers are have

826
00:47:22,800 --> 00:47:33,360
theories about why they are traveling so

827

00:47:26,070 --> 00:47:35,370
slowly I was very lucky to see two of

828
00:47:33,360 --> 00:47:36,870
these things and some astronomers have

829
00:47:35,369 --> 00:47:39,989
never seen them so the fact that I saw

830
00:47:36,869 --> 00:47:42,659
two of them is like I allow both in the

831
00:47:39,989 --> 00:47:46,319
same year the first one I saw in the

832
00:47:42,659 --> 00:47:49,259
beginning of March and it's it's

833
00:47:46,320 --> 00:47:54,750
streaked across the sky as I was walking

834
00:47:49,260 --> 00:47:59,430
out at night around a small lake in New

835
00:47:54,750 --> 00:48:03,360
Jersey and it crossed the sky slowly and

836
00:47:59,429 --> 00:48:06,299
I saw it about when it was overhead and

837
00:48:03,360 --> 00:48:11,300
then I saw it go down and it appeared to

838
00:48:06,300 --> 00:48:14,850
go down behind this hill and I was

839
00:48:11,300 --> 00:48:18,080
tempted to go chase it because I thought

840
00:48:14,849 --> 00:48:20,519
oh wow I'm gonna find this big meteor

841
00:48:18,079 --> 00:48:27,420

virtually blocks away from where I am

842

00:48:20,519 --> 00:48:29,869

and the color it kind of what it looked

843

00:48:27,420 --> 00:48:32,639

like it sort of had a greenish color

844

00:48:29,869 --> 00:48:34,949

which may have indicated that there was

845

00:48:32,639 --> 00:48:37,349

copper in it but you know I'm not a

846

00:48:34,949 --> 00:48:40,079

chemist greenish and then some little

847

00:48:37,349 --> 00:48:42,089

bit of blueish there may have been like

848

00:48:40,079 --> 00:48:46,920

a little bit of a crackling sound but

849

00:48:42,090 --> 00:48:49,769

the sound was not extraordinary or even

850

00:48:46,920 --> 00:48:52,800

noticeable probably to some people I was

851

00:48:49,769 --> 00:48:56,099

with another person and I was literally

852

00:48:52,800 --> 00:48:58,710

speechless I was pointing to the object

853

00:48:56,099 --> 00:49:01,110

as it went down and the person that was

854

00:48:58,710 --> 00:49:03,289

with me was looking at me like I'd lost

855

00:49:01,110 --> 00:49:06,260

my only brain

856
00:49:03,289 --> 00:49:10,179
and she refused to look in the direction

857
00:49:06,260 --> 00:49:18,110
I was pointing with my mouth open going

858
00:49:10,179 --> 00:49:21,859
and and so I went home and I researched

859
00:49:18,110 --> 00:49:24,890
it a little bit I called up a local

860
00:49:21,860 --> 00:49:28,400
MUFON person who I know who's been on

861
00:49:24,889 --> 00:49:32,210
the show and he said he thought it was a

862
00:49:28,400 --> 00:49:37,460
meteor and he directed me to the meteor

863
00:49:32,210 --> 00:49:40,579
sighting there's a whole compendium list

864
00:49:37,460 --> 00:49:42,530
online of all the meteors that are of

865
00:49:40,579 --> 00:49:49,369
any size that might come down to earth

866
00:49:42,530 --> 00:49:53,480
or go past now this one was seen oddly

867
00:49:49,369 --> 00:49:55,609
enough all the way from Scandinavia all

868
00:49:53,480 --> 00:49:58,699
the way to I'm going to say West

869
00:49:55,610 --> 00:50:03,160
Virginia somewhere in that region so it

870
00:49:58,699 --> 00:50:07,879
crossed the northern Atlantic from

871
00:50:03,159 --> 00:50:14,809
Sweden let's say that Norway all the way

872
00:50:07,880 --> 00:50:16,880
across somewhere in Canada maybe Prince

873
00:50:14,809 --> 00:50:19,009
Edward Island like that people saw it

874
00:50:16,880 --> 00:50:21,050
and people saw it all the way down

875
00:50:19,010 --> 00:50:24,860
Virginia and West Virginia

876
00:50:21,050 --> 00:50:27,710
it made an arc but it looked very much

877
00:50:24,860 --> 00:50:30,710
like it was going to crash in my

878
00:50:27,710 --> 00:50:33,409
vicinity and were younger and a blur and

879
00:50:30,710 --> 00:50:37,550
I'm not you know I'm not but I wasn't

880
00:50:33,409 --> 00:50:39,739
about to take off over the hill looking

881
00:50:37,550 --> 00:50:41,390
for it but I would have liked to but I

882
00:50:39,739 --> 00:50:45,169
would have been I wouldn't have found

883
00:50:41,389 --> 00:50:48,079
anything that being said because I saw

884

00:50:45,170 --> 00:50:49,970
the first one I was riding in a car and

885
00:50:48,079 --> 00:50:54,679
I saw a second one which I then

886
00:50:49,969 --> 00:50:58,189
confirmed with that meteor sight but the

887
00:50:54,679 --> 00:51:02,269
second one was not at all anywhere near

888
00:50:58,190 --> 00:51:05,179
as dramatic as the first one the object

889
00:51:02,269 --> 00:51:08,780
was more than half the size of the moon

890
00:51:05,179 --> 00:51:10,639
I would say and just one of the most

891
00:51:08,780 --> 00:51:14,019
amazing things I've ever seen in my life

892
00:51:10,639 --> 00:51:16,849
now I did a blog spot about that and

893
00:51:14,019 --> 00:51:19,670
what I did get a respond

894
00:51:16,849 --> 00:51:22,639
to that blogspot from an astral

895
00:51:19,670 --> 00:51:25,639
photographer in Europe and said that I

896
00:51:22,639 --> 00:51:28,699
was very blessed to have heard from it I

897
00:51:25,639 --> 00:51:31,069
have seen it rather I don't know if that

898
00:51:28,699 --> 00:51:33,649

was his exact words but he felt that

899

00:51:31,070 --> 00:51:39,590
there were some extraterrestrial

900

00:51:33,650 --> 00:51:41,900
intelligences operating there and far be

901

00:51:39,590 --> 00:51:44,690
it for me to disagree because I have

902

00:51:41,900 --> 00:51:47,389
been an experiencer but it was it was a

903

00:51:44,690 --> 00:51:50,150
monumental experience in my life as all

904

00:51:47,389 --> 00:51:51,349
I can tell you is it was like I wouldn't

905

00:51:50,150 --> 00:51:53,539
trade it for the world

906

00:51:51,349 --> 00:51:55,339
it looked almost like a comet but a

907

00:51:53,539 --> 00:52:00,829
moving comet you know where a comet is

908

00:51:55,340 --> 00:52:04,070
bigger than a a meteorite but I I would

909

00:52:00,829 --> 00:52:07,489
just suggest that you look at that but

910

00:52:04,070 --> 00:52:11,120
that does not preclude in any way the

911

00:52:07,489 --> 00:52:15,079
idea of alien intelligence or the fact

912

00:52:11,119 --> 00:52:16,429
that it could be even some kind if it

913
00:52:15,079 --> 00:52:19,489
were that it could be some form of

914
00:52:16,429 --> 00:52:22,460
oblique message from an alien

915
00:52:19,489 --> 00:52:26,899
intelligence but I do suggest you take a

916
00:52:22,460 --> 00:52:30,349
look at the the February fireballs yeah

917
00:52:26,900 --> 00:52:33,559
that's very it's very intriguing and I

918
00:52:30,349 --> 00:52:35,269
could see why if if somebody saw

919
00:52:33,559 --> 00:52:37,579
something like that just like the way

920
00:52:35,269 --> 00:52:40,519
you were affected why that could be

921
00:52:37,579 --> 00:52:47,809
compelling enough to cause someone to go

922
00:52:40,519 --> 00:52:52,099
and investigate absolutely and if that

923
00:52:47,809 --> 00:52:54,489
happened but one thing is seems to be a

924
00:52:52,099 --> 00:52:58,000
key to the whole story of Jeremy Irwin

925
00:52:54,489 --> 00:53:01,629
seems to revolve around that jacket and

926
00:52:58,000 --> 00:53:08,179
a one hot detail about the jacket is

927
00:53:01,630 --> 00:53:11,809
that he supposedly he lost his jacket

928
00:53:08,179 --> 00:53:13,159
somewhere near I'll be 20 because that's

929
00:53:11,809 --> 00:53:19,179
where he had his original incident

930
00:53:13,159 --> 00:53:25,899
that's about oh about 30 miles 35 miles

931
00:53:19,179 --> 00:53:25,899
from Cedar City north of Cedar City and

932
00:53:25,929 --> 00:53:30,289
then I found a really interesting puzzle

933
00:53:29,059 --> 00:53:32,750
when I started

934
00:53:30,289 --> 00:53:35,199
looking at the original stories that

935
00:53:32,750 --> 00:53:37,519
were published in newspapers and

936
00:53:35,199 --> 00:53:43,029
comparing them to what the Lorenz ins

937
00:53:37,519 --> 00:53:47,239
published according to the Lorenz ins

938
00:53:43,030 --> 00:53:51,380
when Jerry returned to Utah in the State

939
00:53:47,239 --> 00:53:57,799
of Trance in March so I guess that was

940
00:53:51,380 --> 00:54:00,829
April in April he walked out of Cedar

941

00:53:57,800 --> 00:54:05,210
City along Highway 14 and the place

942
00:54:00,829 --> 00:54:11,210
where he actually found his jacket was a

943
00:54:05,210 --> 00:54:13,550
good 50 miles by Road or I think it was

944
00:54:11,210 --> 00:54:16,369
approximately 30 miles as the crow flies

945
00:54:13,550 --> 00:54:22,910
from the site of his original incident

946
00:54:16,369 --> 00:54:28,250
Wow and that's a very interesting puzzle

947
00:54:22,909 --> 00:54:30,920
that so it's certainly possible that

948
00:54:28,250 --> 00:54:35,150
there's a lot of explanations for what

949
00:54:30,920 --> 00:54:40,250
he might have seen but what it where it

950
00:54:35,150 --> 00:54:43,389
gets more interesting is why did he why

951
00:54:40,250 --> 00:54:46,699
was he unconscious for 24 hours and also

952
00:54:43,389 --> 00:54:47,119
what's the story with that jacket yeah

953
00:54:46,699 --> 00:54:50,449
really

954
00:54:47,119 --> 00:54:53,019
and him burning the note that he'd

955
00:54:50,449 --> 00:54:58,309

written on the jacket without reading it

956

00:54:53,019 --> 00:55:01,460

yeah that's pretty bizarre he he

957

00:54:58,309 --> 00:55:03,889

actually when I talked to him and also

958

00:55:01,460 --> 00:55:07,159

when he talked to the Lorenz ins he

959

00:55:03,889 --> 00:55:10,339

remembered passing out not long after he

960

00:55:07,159 --> 00:55:14,210

left his vehicle but interestingly the

961

00:55:10,340 --> 00:55:17,660

sheriff's own report which was which was

962

00:55:14,210 --> 00:55:20,389

something I was able to get a copy of a

963

00:55:17,659 --> 00:55:25,699

letter that he wrote about Jerry's

964

00:55:20,389 --> 00:55:28,639

encounter or his incident fairly late in

965

00:55:25,699 --> 00:55:32,089

my research but in that letter the

966

00:55:28,639 --> 00:55:35,569

sheriff said that they found him at the

967

00:55:32,090 --> 00:55:41,600

top of the ridge not right close to his

968

00:55:35,570 --> 00:55:43,430

car and that Jerry at that time because

969

00:55:41,599 --> 00:55:44,029

the sheriff was the first one to hear

970
00:55:43,429 --> 00:55:47,389
any

971
00:55:44,030 --> 00:55:50,740
testimony from Gerry apparently Gerry

972
00:55:47,389 --> 00:55:52,879
told him that he remembered walking up

973
00:55:50,739 --> 00:55:56,750
towards the place where he thought it

974
00:55:52,880 --> 00:55:59,240
crashed and with every step he saw that

975
00:55:56,750 --> 00:56:04,190
light getting brighter as if he was

976
00:55:59,239 --> 00:56:10,629
approaching a glowing object so in the

977
00:56:04,190 --> 00:56:13,130
in this first telling of the story Gerry

978
00:56:10,630 --> 00:56:16,579
was telling a story that seemed to

979
00:56:13,130 --> 00:56:18,200
indicate that it was something that was

980
00:56:16,579 --> 00:56:20,029
there and he was getting closer to it

981
00:56:18,199 --> 00:56:22,909
and right what he should have seen it

982
00:56:20,030 --> 00:56:29,300
clearing the ridgetop is when he blacked

983
00:56:22,909 --> 00:56:32,389
out interesting yeah well I wonder if we

984
00:56:29,300 --> 00:56:35,330
will ever find out I know that Gerry

985
00:56:32,389 --> 00:56:37,420
doesn't seem that interested in finding

986
00:56:35,329 --> 00:56:42,319
out what happened so he probably

987
00:56:37,420 --> 00:56:43,670
wouldn't even take a hypnotic regression

988
00:56:42,320 --> 00:56:46,550
at this point and I don't know if he

989
00:56:43,670 --> 00:56:49,519
should but it will remain a great

990
00:56:46,550 --> 00:56:53,350
mystery and perhaps you would like to

991
00:56:49,519 --> 00:56:58,489
tell the name of your book again and and

992
00:56:53,349 --> 00:57:01,069
the and you know where people can get it

993
00:56:58,489 --> 00:57:04,969
and how they can okay

994
00:57:01,070 --> 00:57:09,200
yeah it's called dull return the Gerry

995
00:57:04,969 --> 00:57:12,769
Irwin's story the subtitle is UFO

996
00:57:09,199 --> 00:57:15,829
abduction or a covert operation it's

997
00:57:12,769 --> 00:57:18,679
available on all the major book outlets

998

00:57:15,829 --> 00:57:23,210
like Animas on Barnes & Noble the and

999
00:57:18,679 --> 00:57:28,669
the anymore asari in eBook form as Kobo

1000
00:57:23,210 --> 00:57:34,519
and those other formats and I have a

1001
00:57:28,670 --> 00:57:38,240
Facebook page set up for it at it's

1002
00:57:34,519 --> 00:57:41,239
called no return at forgotten and

1003
00:57:38,239 --> 00:57:43,929
calendar I just liked the Facebook page

1004
00:57:41,239 --> 00:57:47,059
today and we hope you will like our

1005
00:57:43,929 --> 00:57:50,119
Facebook page of shattered reality

1006
00:57:47,059 --> 00:57:53,809
podcast and we've certainly really

1007
00:57:50,119 --> 00:57:55,549
enjoyed having you on and I just threw

1008
00:57:53,809 --> 00:57:57,440
that thing out there about the February

1009
00:57:55,550 --> 00:57:59,359
fireball because I had the

1010
00:57:57,440 --> 00:58:01,220
experience with it and in fact

1011
00:57:59,358 --> 00:58:04,009
scientists don't know quite what they

1012
00:58:01,219 --> 00:58:06,230

are anyway so it could fit into the

1013

00:58:04,010 --> 00:58:09,010

mystery or perhaps it doesn't fit in at

1014

00:58:06,230 --> 00:58:12,530

all but we'll just put it out there and

1015

00:58:09,010 --> 00:58:15,020

again we thank you so much David for

1016

00:58:12,530 --> 00:58:18,319

being a guest on shadow of reality

1017

00:58:15,019 --> 00:58:19,489

podcast oh thanks so much for having me

1018

00:58:18,318 --> 00:58:23,480

on I really enjoyed it

1019

00:58:19,489 --> 00:58:25,969

oh we did well I did too and and we are

1020

00:58:23,480 --> 00:58:28,159

not here today except I think that our

1021

00:58:25,969 --> 00:58:31,309

engineer bill has enjoyed it as well and

1022

00:58:28,159 --> 00:58:33,348

and Kate will be back and I'm sure

1023

00:58:31,309 --> 00:58:38,029

she'll listen to it as soon as we get

1024

00:58:33,349 --> 00:58:39,740

the the audio up and running okay David

1025

00:58:38,030 --> 00:58:42,410

I hope to speak to you again oh one

1026

00:58:39,739 --> 00:58:46,750

question before you go do you have any

1027
00:58:42,409 --> 00:58:52,129
future plans for investigating any other

1028
00:58:46,750 --> 00:58:54,230
interesting anomalous stuff I not at the

1029
00:58:52,130 --> 00:58:56,630
moment but you never know what might be

1030
00:58:54,230 --> 00:58:59,750
around the corner well I certainly hope

1031
00:58:56,630 --> 00:59:02,690
you do because I personally enjoyed your

1032
00:58:59,750 --> 00:59:05,659
writing style and you could give some of

1033
00:59:02,690 --> 00:59:08,420
the the people who write UFO books a few

1034
00:59:05,659 --> 00:59:12,739
English lessons that they could well

1035
00:59:08,420 --> 00:59:13,809
need well thanks very much for your kind

1036
00:59:12,739 --> 00:59:16,519
words

1037
00:59:13,809 --> 00:59:18,469
be kind to you not so kind to some

1038
00:59:16,519 --> 00:59:20,690
others and I'll probably get flak from

1039
00:59:18,469 --> 00:59:22,368
that but hey that's what I'm here for it

1040
00:59:20,690 --> 00:59:25,369
gets some flak okay

1041
00:59:22,369 --> 00:59:32,300
David bye now alright take care thanks

1042
00:59:25,369 --> 00:59:35,599
bye okay so here we are still with

1043
00:59:32,300 --> 00:59:38,210
shattered reality on October 3rd 2017

1044
00:59:35,599 --> 00:59:41,269
and from our listeners corner I would

1045
00:59:38,210 --> 00:59:43,730
like to present oddly enough

1046
00:59:41,269 --> 00:59:47,119
and it's really it's really more the

1047
00:59:43,730 --> 00:59:51,559
rule than the exception we have an

1048
00:59:47,119 --> 00:59:54,289
artist today last last show we also had

1049
00:59:51,559 --> 00:59:57,828
an artist with it in the experimenter

1050
00:59:54,289 --> 01:00:00,980
corner and so it's it seems to be well

1051
00:59:57,829 --> 01:00:03,410
known that creative people people with

1052
01:00:00,980 --> 01:00:06,338
open minds the creative type of person

1053
01:00:03,409 --> 01:00:10,429
is much more likely to have an

1054
01:00:06,338 --> 01:00:11,268
experience particularly a UFO experience

1055

01:00:10,429 --> 01:00:14,538
it seems

1056
01:00:11,268 --> 01:00:17,389
that the two major areas of people who

1057
01:00:14,539 --> 01:00:20,419
have the UFO experience are either

1058
01:00:17,389 --> 01:00:23,958
creative people like our next guest and

1059
01:00:20,418 --> 01:00:26,268
also military men who are perhaps in

1060
01:00:23,958 --> 01:00:30,348
planes or watching the skies they also

1061
01:00:26,268 --> 01:00:35,658
are very high in the ranks of people who

1062
01:00:30,349 --> 01:00:40,548
see UFOs so let me now introduce artist

1063
01:00:35,659 --> 01:00:44,568
and intuitive June Ponte hello June

1064
01:00:40,548 --> 01:00:47,509
- how are you I'm doing pretty well

1065
01:00:44,568 --> 01:00:51,829
today and hopefully you are too because

1066
01:00:47,509 --> 01:00:56,088
we would like to hear the full story of

1067
01:00:51,829 --> 01:00:58,309
your you have had two UFO experiences

1068
01:00:56,088 --> 01:01:01,668
one a little bit more significant than

1069
01:00:58,309 --> 01:01:04,399

the other but both quite amazing so

1070

01:01:01,668 --> 01:01:07,938

would you like to take us back to the

1071

01:01:04,398 --> 01:01:10,278

tell us the approximate year and what

1072

01:01:07,938 --> 01:01:15,408

you were doing during that day and then

1073

01:01:10,278 --> 01:01:19,039

take us into the encounter okay well it

1074

01:01:15,409 --> 01:01:22,398

was the spring of 1979 and at that time

1075

01:01:19,039 --> 01:01:25,819

I was an anti-nuclear activist and I'd

1076

01:01:22,398 --> 01:01:27,768

spent the day demonstrating and we were

1077

01:01:25,818 --> 01:01:30,018

blocking the entrance to the corporate

1078

01:01:27,768 --> 01:01:32,418

offices of Jersey Central Power and

1079

01:01:30,018 --> 01:01:35,028

Light Company and they were in Mountain

1080

01:01:32,418 --> 01:01:38,838

Lakes New Jersey so it was no business

1081

01:01:35,028 --> 01:01:41,268

as usual because they were the owners of

1082

01:01:38,838 --> 01:01:44,358

the Three Mile Island nuclear facility

1083

01:01:41,268 --> 01:01:48,338

and that had as you may remember a

1084
01:01:44,358 --> 01:01:51,168
dangerous nuclear accident very good yes

1085
01:01:48,338 --> 01:01:53,869
actually the worst in US history

1086
01:01:51,168 --> 01:01:55,969
anyway I was arrested with a few others

1087
01:01:53,869 --> 01:01:58,909
and we spent the rest of the day in jail

1088
01:01:55,969 --> 01:02:01,668
and mountain lake eventually my sister

1089
01:01:58,909 --> 01:02:04,130
came and bailed me out we went to her

1090
01:02:01,668 --> 01:02:08,538
house in West Milford to calm down and

1091
01:02:04,130 --> 01:02:10,849
have computer so I still had to get back

1092
01:02:08,539 --> 01:02:13,369
to my home in Union City so my friend

1093
01:02:10,849 --> 01:02:14,528
Frank arrived late need me to drive me

1094
01:02:13,369 --> 01:02:18,048
home

1095
01:02:14,528 --> 01:02:20,630
we have this old army green Plymouth

1096
01:02:18,048 --> 01:02:24,858
Valiant and that he called mr. rhenium

1097
01:02:20,630 --> 01:02:27,318
and was a cool car but it didn't

1098
01:02:24,858 --> 01:02:29,358
go very fast we left my home around

1099
01:02:27,318 --> 01:02:32,568
midnight and we were driving down route

1100
01:02:29,358 --> 01:02:34,788
23 and Westminster and it was very dark

1101
01:02:32,568 --> 01:02:38,150
I don't think there were any lights on

1102
01:02:34,789 --> 01:02:40,519
that road at that time crisis focused on

1103
01:02:38,150 --> 01:02:43,579
the road and he was chatting away and

1104
01:02:40,518 --> 01:02:45,548
she liked to do and I was gazing out my

1105
01:02:43,579 --> 01:02:49,910
passenger side window

1106
01:02:45,548 --> 01:02:54,219
suddenly I see this enormous UFO it was

1107
01:02:49,909 --> 01:03:07,278
it was so big that just the size was

1108
01:02:54,219 --> 01:03:10,699
shocking and how big was it I don't know

1109
01:03:07,278 --> 01:03:13,039
it just it just went on forever and the

1110
01:03:10,699 --> 01:03:16,730
weird saying creature wasn't in the sky

1111
01:03:13,039 --> 01:03:18,859
it was on my side of the road only feet

1112

01:03:16,730 --> 01:03:21,019
away from where the road ends and the

1113
01:03:18,858 --> 01:03:25,639
grass starts on the side of the road

1114
01:03:21,018 --> 01:03:28,429
and it was a one you know one lane going

1115
01:03:25,639 --> 01:03:33,078
in my direction route 23 at that top at

1116
01:03:28,429 --> 01:03:37,399
that point in 23 and this thing was

1117
01:03:33,079 --> 01:03:40,369
hovering and soundlessly about 50 feet

1118
01:03:37,400 --> 01:03:43,940
over this valley life depression in the

1119
01:03:40,369 --> 01:03:47,150
ground and it had red yellow and green

1120
01:03:43,940 --> 01:03:50,778
lights going around the rim and it was

1121
01:03:47,150 --> 01:03:54,079
shaped like classic round flying saucer

1122
01:03:50,778 --> 01:03:56,858
I fortunately or unfortunately it looked

1123
01:03:54,079 --> 01:04:01,339
like something off a comic book it was

1124
01:03:56,858 --> 01:04:03,259
so so like what you would imagine in

1125
01:04:01,338 --> 01:04:06,980
those days we call them flying saucers

1126
01:04:03,259 --> 01:04:13,429

really and it was so so Junie we would

1127

01:04:06,980 --> 01:04:14,809

say circular and circular shape larger

1128

01:04:13,429 --> 01:04:18,078

than a football field

1129

01:04:14,809 --> 01:04:20,269

yeah with a Coppola on the top or a flat

1130

01:04:18,079 --> 01:04:22,190

on the top and it had what I thought of

1131

01:04:20,268 --> 01:04:26,118

as a dome I guess it comes all the way

1132

01:04:22,190 --> 01:04:30,829

okay yeah yes and okay same difference

1133

01:04:26,119 --> 01:04:35,298

yeah so I think it was so shocking that

1134

01:04:30,829 --> 01:04:38,450

my mind I was I was trying to take it in

1135

01:04:35,298 --> 01:04:40,250

and then all of a sudden I heard this

1136

01:04:38,449 --> 01:04:42,529

voice in my head that wasn't my own

1137

01:04:40,250 --> 01:04:45,530

voice we all have our own voice in our

1138

01:04:42,530 --> 01:04:47,780

head right but yes yes I was hearing

1139

01:04:45,530 --> 01:04:50,750

another voice and it kept saying in a

1140

01:04:47,780 --> 01:04:52,460

kind of mechanical way it's a radio

1141
01:04:50,750 --> 01:04:55,460
tower that fell down

1142
01:04:52,460 --> 01:04:57,139
it's a radio tower that fell down and I

1143
01:04:55,460 --> 01:04:59,300
kept tilt in my head

1144
01:04:57,139 --> 01:05:01,549
every time it said it it was almost like

1145
01:04:59,300 --> 01:05:04,130
automatic I would chop my head and try

1146
01:05:01,550 --> 01:05:07,369
to see that those rights around the rim

1147
01:05:04,130 --> 01:05:10,070
as your radio show that so now

1148
01:05:07,369 --> 01:05:11,838
but my own voice in my head was saying

1149
01:05:10,070 --> 01:05:13,400
the other voice no it's not it's

1150
01:05:11,838 --> 01:05:18,019
different video child that fell down

1151
01:05:13,400 --> 01:05:20,389
there's a flying saucer so yeah it was a

1152
01:05:18,019 --> 01:05:23,179
very weird thing because I guess my mind

1153
01:05:20,389 --> 01:05:26,569
was processing it and I don't understand

1154
01:05:23,179 --> 01:05:28,789
if it was you know how that that voice

1155
01:05:26,570 --> 01:05:31,160
came in my head I don't know with them

1156
01:05:28,789 --> 01:05:34,219
it was another part of me but whatever

1157
01:05:31,159 --> 01:05:36,889
it was it was pretty pretty freaky in my

1158
01:05:34,219 --> 01:05:38,539
head as well as what I was seeing anyway

1159
01:05:36,889 --> 01:05:40,639
I wanted to see if my friends saw the

1160
01:05:38,539 --> 01:05:43,039
same thing I saw but I didn't want to

1161
01:05:40,639 --> 01:05:45,348
suggest to him what I saw because I

1162
01:05:43,039 --> 01:05:48,650
really wanted to know if he saw anything

1163
01:05:45,349 --> 01:05:51,650
so I said Frank look to your right do

1164
01:05:48,650 --> 01:05:53,568
you see anything and he looks over and

1165
01:05:51,650 --> 01:05:56,210
he says holy crap is a flying saucer

1166
01:05:53,568 --> 01:05:58,730
we're getting the hell out of here so

1167
01:05:56,210 --> 01:06:01,369
Frank's glams his foot on the gas but

1168
01:05:58,730 --> 01:06:05,539
oldest geranium didn't go much over 45

1169

01:06:01,369 --> 01:06:07,700
so that didn't today so much good and I

1170
01:06:05,539 --> 01:06:08,329
was in a panic cuz this thing just kept

1171
01:06:07,699 --> 01:06:10,039
coming

1172
01:06:08,329 --> 01:06:11,960
you know I'm looking out the window and

1173
01:06:10,039 --> 01:06:14,029
we we just keep driving past it it was

1174
01:06:11,960 --> 01:06:17,539
like a bad dream just kept going past it

1175
01:06:14,030 --> 01:06:19,760
and that's it but finally it seems to

1176
01:06:17,539 --> 01:06:23,300
take forever to get past this thing but

1177
01:06:19,760 --> 01:06:24,829
we got past it I don't remember we

1178
01:06:23,300 --> 01:06:26,900
didn't know about this thing time in

1179
01:06:24,829 --> 01:06:30,349
those days or certainly I I did never

1180
01:06:26,900 --> 01:06:32,389
heard of that so I know what happened I

1181
01:06:30,349 --> 01:06:36,559
don't remember what time I get home or

1182
01:06:32,389 --> 01:06:39,529
if anything weird happened but it's been

1183
01:06:36,559 --> 01:06:42,230

almost 40 years since that time and

1184

01:06:39,530 --> 01:06:44,089

Frank and I still need yeah we still

1185

01:06:42,230 --> 01:06:46,789

talk about every time I see my buddy

1186

01:06:44,088 --> 01:06:49,250

Frank miss geraniums gone but our

1187

01:06:46,789 --> 01:06:52,779

sonship is strong and we still talk

1188

01:06:49,250 --> 01:06:55,880

about it was a very very

1189

01:06:52,780 --> 01:06:58,730

shocking event since this was something

1190

01:06:55,880 --> 01:07:00,500

quite near the ground and quite near us

1191

01:06:58,730 --> 01:07:03,559

I could have walked over to it and

1192

01:07:00,500 --> 01:07:05,719

touched it or if that's frightening if I

1193

01:07:03,559 --> 01:07:07,159

choose that's high enough but you know

1194

01:07:05,719 --> 01:07:10,039

since it was in the depression in the

1195

01:07:07,159 --> 01:07:10,608

ground you know it was it was just right

1196

01:07:10,039 --> 01:07:13,309

there

1197

01:07:10,608 --> 01:07:17,469

was just right there and yes it was very

1198
01:07:13,309 --> 01:07:20,989
frightening for sure very shocking and

1199
01:07:17,469 --> 01:07:22,969
but I had you know I would see one but I

1200
01:07:20,989 --> 01:07:25,789
thought I'd see like a nice Pleasant

1201
01:07:22,969 --> 01:07:29,539
little lights in the sky but not so much

1202
01:07:25,789 --> 01:07:35,179
you know yeah well did you do you recall

1203
01:07:29,539 --> 01:07:38,838
having any dreams regarding this I don't

1204
01:07:35,179 --> 01:07:41,779
think so the only thing I can recall was

1205
01:07:38,838 --> 01:07:44,179
I you know I have always been frightened

1206
01:07:41,780 --> 01:07:46,240
of the dark but I attribute that more to

1207
01:07:44,179 --> 01:07:50,179
my intuitive side mediumistic

1208
01:07:46,239 --> 01:07:53,509
experiences and I have seen people in

1209
01:07:50,179 --> 01:07:55,759
spirit form and so you know a night

1210
01:07:53,510 --> 01:07:57,920
without the lights on you know I didn't

1211
01:07:55,760 --> 01:07:58,339
have too many of those for many many

1212
01:07:57,920 --> 01:08:02,119
years

1213
01:07:58,338 --> 01:08:06,920
oh yeah you wear secret sisters under

1214
01:08:02,119 --> 01:08:10,490
the skin I think one of the things I

1215
01:08:06,920 --> 01:08:15,800
remember is when streamers communion

1216
01:08:10,489 --> 01:08:17,420
came out that book here here me to death

1217
01:08:15,800 --> 01:08:20,930
scared me to death

1218
01:08:17,420 --> 01:08:24,560
and it set me back way back to like the

1219
01:08:20,930 --> 01:08:28,400
terror I felt from this experience and I

1220
01:08:24,560 --> 01:08:33,009
understand entirely because the John Mac

1221
01:08:28,399 --> 01:08:37,789
book the the fellow who investigated

1222
01:08:33,009 --> 01:08:40,698
people who were abductees when I I could

1223
01:08:37,789 --> 01:08:42,859
not read that book I picked it up out of

1224
01:08:40,698 --> 01:08:45,439
the library and I would read like three

1225
01:08:42,859 --> 01:08:48,199
pages and I couldn't sleep all night it

1226

01:08:45,439 --> 01:08:50,869
was that affecting to me when I read the

1227
01:08:48,198 --> 01:08:54,710
the John Mac book about abduction

1228
01:08:50,869 --> 01:08:58,338
phenomena so you didn't have a a a

1229
01:08:54,710 --> 01:09:01,670
second UFO sighting that was a little

1230
01:08:58,338 --> 01:09:03,318
less dramatic but nonetheless real do

1231
01:09:01,670 --> 01:09:05,469
you want to just tell us about that and

1232
01:09:03,319 --> 01:09:06,880
we so much appreciate you being

1233
01:09:05,469 --> 01:09:08,588
willing to speak with us here on

1234
01:09:06,880 --> 01:09:11,979
shattered reality in the listeners

1235
01:09:08,588 --> 01:09:14,139
corner I'm happy to fruition because a

1236
01:09:11,979 --> 01:09:18,150
lot of people don't feel comfortable to

1237
01:09:14,139 --> 01:09:20,460
talk about these things but I know that

1238
01:09:18,149 --> 01:09:23,439
you like me

1239
01:09:20,460 --> 01:09:27,998
we've seen these things we know they

1240
01:09:23,439 --> 01:09:31,238

exist and I what I think is that people

1241
01:09:27,998 --> 01:09:33,399
who have seen and know that that there

1242
01:09:31,238 --> 01:09:36,158
are beings on other planets that there

1243
01:09:33,399 --> 01:09:40,328
are UFOs visiting us or living here

1244
01:09:36,158 --> 01:09:43,568
we seem to attract to each other I can't

1245
01:09:40,328 --> 01:09:45,939
tell you how many people I've met that

1246
01:09:43,569 --> 01:09:50,259
have seen something I I know people that

1247
01:09:45,939 --> 01:09:52,178
have had even scarier experiences than

1248
01:09:50,259 --> 01:09:54,368
this one and I think it's very

1249
01:09:52,179 --> 01:09:57,090
interesting I think we do attract to

1250
01:09:54,368 --> 01:10:00,009
each other and I'm not sure why but um

1251
01:09:57,090 --> 01:10:06,340
the other Sun Daman Alford has shattered

1252
01:10:00,010 --> 01:10:14,289
reality you know what about that tight

1253
01:10:06,340 --> 01:10:16,328
butt oh yes so the other one I had an

1254
01:10:14,288 --> 01:10:22,538
experience I was quite young in Union

1255
01:10:16,328 --> 01:10:24,759
City and that one was a I was walking

1256
01:10:22,538 --> 01:10:27,998
home from the grocery store was a little

1257
01:10:24,760 --> 01:10:32,019
kid 11 12 maybe and I looked up and

1258
01:10:27,998 --> 01:10:35,228
there was a cigar-shaped object in the

1259
01:10:32,019 --> 01:10:36,670
sky and the weird thing was that you

1260
01:10:35,229 --> 01:10:39,309
know we used to have a lot of blimps

1261
01:10:36,670 --> 01:10:41,920
back in the late fifties you know

1262
01:10:39,309 --> 01:10:44,349
floating around going over to New York I

1263
01:10:41,920 --> 01:10:46,569
guess the Goodyear blimp others and I

1264
01:10:44,349 --> 01:10:48,538
always found this a haunted creepy but

1265
01:10:46,569 --> 01:10:51,670
this was not a blimp it was very

1266
01:10:48,538 --> 01:10:54,279
elongated and kind of I can't explain it

1267
01:10:51,670 --> 01:10:58,960
it looked like an elongated tablet or a

1268
01:10:54,279 --> 01:11:02,198
cigar or something of an ape and it kind

1269
01:10:58,960 --> 01:11:03,760
of tilted every occasionally it was very

1270
01:11:02,198 --> 01:11:06,969
creepy and I almost look like something

1271
01:11:03,760 --> 01:11:09,369
that could fall and it was very silent

1272
01:11:06,969 --> 01:11:12,130
and I remember it was a great day it was

1273
01:11:09,368 --> 01:11:14,710
cloudy but yet I could see this thing it

1274
01:11:12,130 --> 01:11:19,000
looked like a silvery gray metallic

1275
01:11:14,710 --> 01:11:23,199
thing and as a kid at that age I

1276
01:11:19,000 --> 01:11:25,989
that's neat looks like a car it didn't

1277
01:11:23,199 --> 01:11:27,939
scare me I guess it wasn't closed you

1278
01:11:25,989 --> 01:11:30,279
know I'm actually one scared me more

1279
01:11:27,939 --> 01:11:31,750
than a Qing I think because the blimps

1280
01:11:30,279 --> 01:11:33,369
look like problems to me

1281
01:11:31,750 --> 01:11:36,850
this thing just look like a cigar which

1282
01:11:33,369 --> 01:11:39,399
was yeah I don't know but yeah but and

1283

01:11:36,850 --> 01:11:42,780
you know up here where I live in Sussex

1284
01:11:39,399 --> 01:11:47,829
County now I've seen a number of the

1285
01:11:42,779 --> 01:11:50,529
triangular-shaped UFOs

1286
01:11:47,829 --> 01:11:52,239
so yeah they're around and lots of

1287
01:11:50,529 --> 01:11:54,159
people are seeing them and if more

1288
01:11:52,239 --> 01:11:57,639
people talked about them maybe we'd get

1289
01:11:54,159 --> 01:12:00,369
some response from our government well

1290
01:11:57,640 --> 01:12:03,850
we would like some answers and there are

1291
01:12:00,369 --> 01:12:06,670
people working very hard for disclosure

1292
01:12:03,850 --> 01:12:10,150
and maybe we'll have somebody on about

1293
01:12:06,670 --> 01:12:12,420
disclosure soon but June I just want to

1294
01:12:10,149 --> 01:12:16,269
thank you so much for sharing your

1295
01:12:12,420 --> 01:12:18,520
experiences with us and you know keep

1296
01:12:16,270 --> 01:12:20,350
your eyes on the skies and perhaps

1297
01:12:18,520 --> 01:12:24,370

you'll have another experience we'll

1298

01:12:20,350 --> 01:12:27,310

have you back on but seriously thank you

1299

01:12:24,369 --> 01:12:30,970

so much for joining us on shattered

1300

01:12:27,310 --> 01:12:37,240

reality but we're going to go now so bye

1301

01:12:30,970 --> 01:12:40,150

for now thanks take care okay so that's

1302

01:12:37,239 --> 01:12:44,529

basically it for us here today at

1303

01:12:40,149 --> 01:12:47,289

shattered reality hopefully next time we

1304

01:12:44,529 --> 01:12:50,579

come back to you miss Kate Valentine

1305

01:12:47,289 --> 01:12:56,680

will be with us we just finished numbers

1306

01:12:50,579 --> 01:13:00,369

56 if if things all work according to

1307

01:12:56,680 --> 01:13:05,440

plan our next guest is going to be the

1308

01:13:00,369 --> 01:13:07,269

very very well-known ufologists the

1309

01:13:05,439 --> 01:13:10,210

person who's written a book on ufology

1310

01:13:07,270 --> 01:13:13,680

and has now written another book about

1311

01:13:10,210 --> 01:13:18,100

his experiences with shamanism and other

1312
01:13:13,680 --> 01:13:22,800
interesting areas and that would be dr.

1313
01:13:18,100 --> 01:13:26,590
John B Alexander who is also a retired

1314
01:13:22,800 --> 01:13:28,570
colonel so we're going to welcome him in

1315
01:13:26,590 --> 01:13:30,789
a couple of weeks to shattered reality

1316
01:13:28,569 --> 01:13:36,639
if all things go well

1317
01:13:30,789 --> 01:13:39,510
so for now I'm going to say shuddered

1318
01:13:36,640 --> 01:13:39,510
reality

1319
01:13:39,609 --> 01:13:42,929
