[Music]

2
00:00:17,190 --> 00:00:25,480
welcome to shattered reality with their

3
00:00:20,679 --> 00:00:28,539
hosts Kate Valentine and furs prepare to

4
00:00:25,480 --> 00:00:34,750
have your paradigm shifted into truths

5
00:00:28,539 --> 00:00:38,230
questions and now shattered reality hi

6
00:00:34,750 --> 00:00:41,170
fruitcake Valentine here hey Kate it's

7
00:00:38,229 --> 00:00:47,819
great to see you here and here you here

8
00:00:41,170 --> 00:00:49,840
and we are unbelievably at our 60 second

9
00:00:47,820 --> 00:00:55,420
show okay

10
00:00:49,840 --> 00:00:58,440
and today's date is February 13 2018 all

11
00:00:55,420 --> 00:00:58,440
right twins

12
00:01:00,090 --> 00:01:07,630
so we've slated and now we're about to

13
00:01:04,448 --> 00:01:09,370
introduce our very very interesting

14
00:01:07,629 --> 00:01:13,269
guests I'm very impressed with this

15
00:01:09,370 --> 00:01:16,270
gentleman because he doesn't quit you

16
00:01:13,269 --> 00:01:19,599
know you know he's written no 14 books

17
00:01:16,269 --> 00:01:23,289
if I know him he's probably even working

18
00:01:19,599 --> 00:01:26,289
secretly frame frantically fret mom

19
00:01:23,290 --> 00:01:28,690
frantically or feverishly was what I was

20
00:01:26,290 --> 00:01:34,200
going to say hundred and fifteen the

21
00:01:28,689 --> 00:01:38,709
first the person is Preston Dennett and

22
00:01:34,200 --> 00:01:43,629
Preston has written as I say 15 books he

23
00:01:38,709 --> 00:01:45,189
started in 1986 that when he found that

24
00:01:43,629 --> 00:01:47,709
people around him were having

25
00:01:45,189 --> 00:01:50,049
unexplained encounters and he just

26
00:01:47,709 --> 00:01:52,959
interviews people by the hundreds

27
00:01:50,049 --> 00:01:57,370
he's a field investigator for the mutual

28
00:01:52,959 --> 00:02:00,159
UFO network a paranormal researcher in

29

00:01:57,370 --> 00:02:02,890
general and he says he's the author of

30
00:02:00,159 --> 00:02:08,439
20 books okay I made a mistake I thought

31
00:02:02,890 --> 00:02:10,659
it was only 14 but let us welcome with a

32
00:02:08,439 --> 00:02:12,900
loud clapping of the hands because I'm

33
00:02:10,659 --> 00:02:18,938
used to working on stage sometimes

34
00:02:12,900 --> 00:02:19,909
Preston Bennett hi Preston okay - um so

35
00:02:18,938 --> 00:02:21,680
yeah

36
00:02:19,909 --> 00:02:24,590
glad to speak to you again a very

37
00:02:21,680 --> 00:02:28,640
interesting new book our newest book I

38
00:02:24,590 --> 00:02:30,379
guess inside UFOs actually I was just

39
00:02:28,639 --> 00:02:32,509
reading one quick story and I almost

40
00:02:30,379 --> 00:02:36,379
didn't listen to what furusho was saying

41
00:02:32,509 --> 00:02:38,649
I got so involved with it on those

42
00:02:36,379 --> 00:02:43,969
people that you interviewed for these

43
00:02:38,650 --> 00:02:45,500

type of episodes or experiences I the

44

00:02:43,969 --> 00:02:47,270

one thing that always impressed me on

45

00:02:45,500 --> 00:02:48,830

the UFO show is that everyone was

46

00:02:47,270 --> 00:02:51,230

absolutely honest about what had

47

00:02:48,830 --> 00:02:53,300

happened to them and yet people around

48

00:02:51,229 --> 00:02:55,639

them would scoff at them and it's nice

49

00:02:53,300 --> 00:02:59,800

to have someone like you that writes

50

00:02:55,639 --> 00:03:02,569

about these experiences at face value

51

00:02:59,800 --> 00:03:04,130

yeah that's amazing people one of the

52

00:03:02,569 --> 00:03:06,049

first things they often say is like I've

53

00:03:04,129 --> 00:03:09,500

never talked to anyone about this er

54

00:03:06,050 --> 00:03:13,580

yeah I'm not crazy and nothing I got a

55

00:03:09,500 --> 00:03:16,039

good education all these various caveats

56

00:03:13,580 --> 00:03:17,150

but yeah it takes them a while to find

57

00:03:16,039 --> 00:03:22,039

someone who's willing to listen

58
00:03:17,150 --> 00:03:24,500
sometimes I found these these stories

59
00:03:22,039 --> 00:03:28,939
the 10 of them in in the book inside

60
00:03:24,500 --> 00:03:30,979
UFOs the true accounts of contact by

61
00:03:28,939 --> 00:03:32,870
Preston Bennett and I'm looking for the

62
00:03:30,979 --> 00:03:35,419
publisher so I can announce that was the

63
00:03:32,870 --> 00:03:38,500
publisher Preston blue giant books okay

64
00:03:35,419 --> 00:03:44,958
I found that every one of these stories

65
00:03:38,500 --> 00:03:48,830
was interesting and amazing and I you

66
00:03:44,959 --> 00:03:53,120
know believe these people because I've

67
00:03:48,830 --> 00:03:56,090
we're both experiencers and we we both

68
00:03:53,120 --> 00:04:00,770
believe that these things happen here

69
00:03:56,090 --> 00:04:03,020
and I the one story I will start with my

70
00:04:00,770 --> 00:04:04,790
criticism which is a criticism you made

71
00:04:03,020 --> 00:04:06,920
at the end of the book anyway so it's

72
00:04:04,789 --> 00:04:09,739
not not news to you and it isn't a

73
00:04:06,919 --> 00:04:13,369
criticism of you in any way but just the

74
00:04:09,739 --> 00:04:15,140
one woman who was regressed and then she

75
00:04:13,370 --> 00:04:18,350
remembered a whole lot of stuff I don't

76
00:04:15,139 --> 00:04:23,229
think that she's lying in any way but I

77
00:04:18,350 --> 00:04:25,760
also am very hmm if he about about

78
00:04:23,230 --> 00:04:27,950
hypnotic regression because that can

79
00:04:25,759 --> 00:04:31,159
implant memories as well if you're not

80
00:04:27,949 --> 00:04:33,560
really careful but I I don't I do not

81
00:04:31,160 --> 00:04:37,150
under any circumstances

82
00:04:33,560 --> 00:04:39,680
think that she's lying quote-unquote

83
00:04:37,149 --> 00:04:42,469
right right yeah I kind of wanted to

84
00:04:39,680 --> 00:04:44,329
stay away from hypnotic regression in

85
00:04:42,470 --> 00:04:46,070
this particular book because there's a

86

00:04:44,329 --> 00:04:49,159
little bit of controversy surrounding it

87
00:04:46,069 --> 00:04:52,610
false memory syndrome and what-have-you

88
00:04:49,160 --> 00:04:54,260
I actually do believe it works I know it

89
00:04:52,610 --> 00:04:56,180
says I've seen it

90
00:04:54,259 --> 00:04:59,959
I said totally support people who want

91
00:04:56,180 --> 00:05:03,110
to undergo regressive hypnosis but I

92
00:04:59,959 --> 00:05:07,399
generally don't recommend it unless a

93
00:05:03,110 --> 00:05:10,419
person is having say anxieties they're

94
00:05:07,399 --> 00:05:13,399
just like having nightmares can't sleep

95
00:05:10,418 --> 00:05:15,469
this sort of thing or if they're just

96
00:05:13,399 --> 00:05:18,620
dead set on finding out what happened on

97
00:05:15,470 --> 00:05:21,650
a specific missing time in the interim

98
00:05:18,620 --> 00:05:24,110
very but it struck one fishing you know

99
00:05:21,649 --> 00:05:28,009
and just because yeah it's I think

100
00:05:24,110 --> 00:05:32,240

there's a danger there of you know false

101

00:05:28,009 --> 00:05:36,529

memories and things like this I don't I

102

00:05:32,240 --> 00:05:39,829

don't think that most UFO investigators

103

00:05:36,529 --> 00:05:43,399

are quote-unquote trying to implant

104

00:05:39,829 --> 00:05:45,409

false memories but I am quite clear that

105

00:05:43,399 --> 00:05:47,299

some of them and I don't you know want

106

00:05:45,410 --> 00:05:49,460

to mention any names or anything like

107

00:05:47,300 --> 00:05:51,500

that some of them may be leading the

108

00:05:49,459 --> 00:05:54,829

witness a little bit as they as the

109

00:05:51,500 --> 00:05:58,668

courtroom saying goes don't lead the

110

00:05:54,829 --> 00:06:01,399

witness so my caveat to our listeners

111

00:05:58,668 --> 00:06:03,889

here and I think you'd probably both

112

00:06:01,399 --> 00:06:07,099

agree with me both Kate and Preston

113

00:06:03,889 --> 00:06:09,110

probably would agree that if you're

114

00:06:07,100 --> 00:06:13,700

going to get regressed you want to go to

115
00:06:09,110 --> 00:06:16,220
someone who whose primary work is you

116
00:06:13,699 --> 00:06:19,849
know maybe psychotherapists who does

117
00:06:16,220 --> 00:06:23,060
hypnotism or not somebody whose sole

118
00:06:19,850 --> 00:06:27,680
interest in life is UFOs because try as

119
00:06:23,060 --> 00:06:29,478
they may it may be a little bit a little

120
00:06:27,680 --> 00:06:32,689
bit deleting the witness what do you

121
00:06:29,478 --> 00:06:34,789
think yeah it's definitely a possibility

122
00:06:32,689 --> 00:06:36,168
you know it's not as easy to lead

123
00:06:34,790 --> 00:06:38,419
witnesses sometimes as you might think

124
00:06:36,168 --> 00:06:40,789
and I've certainly tried to do it and

125
00:06:38,418 --> 00:06:44,990
they'll stick to their stories but if

126
00:06:40,790 --> 00:06:47,030
they're you know really sincere about it

127
00:06:44,990 --> 00:06:49,400
but yeah I think

128
00:06:47,029 --> 00:06:51,709
it is a danger and that's why this

129
00:06:49,399 --> 00:06:56,000
particular book I think there are two

130
00:06:51,709 --> 00:06:59,000
cases which did use hypnosis but all the

131
00:06:56,000 --> 00:07:01,040
others are fully conscious memories but

132
00:06:59,000 --> 00:07:03,860
I yeah I do support it because what I

133
00:07:01,040 --> 00:07:05,780
found is that people who recall their

134
00:07:03,860 --> 00:07:08,540
stuff under hypnotic regression their

135
00:07:05,779 --> 00:07:11,269
stories match but other people have been

136
00:07:08,540 --> 00:07:14,060
called consciously uh-huh so it's

137
00:07:11,269 --> 00:07:14,659
clearly it works and please use it as a

138
00:07:14,060 --> 00:07:17,899
tool

139
00:07:14,660 --> 00:07:21,380
the FBI have been used with all kinds of

140
00:07:17,899 --> 00:07:23,659
trauma victims so I know it does work

141
00:07:21,379 --> 00:07:25,579
well what makes I just wanted to stay

142
00:07:23,660 --> 00:07:28,130
away from it because of the controversy

143

00:07:25,579 --> 00:07:29,750
well honestly really out of it you know

144
00:07:28,129 --> 00:07:31,790
that these are fully conscious

145
00:07:29,750 --> 00:07:35,389
experiences people are having not

146
00:07:31,790 --> 00:07:36,890
hypnotic recalled well initially when

147
00:07:35,389 --> 00:07:39,379
people started to report their

148
00:07:36,889 --> 00:07:41,569
experiences they were all reported under

149
00:07:39,379 --> 00:07:43,670
hypnosis so your book is different and

150
00:07:41,569 --> 00:07:45,889
that you have conscious experiences and

151
00:07:43,670 --> 00:07:49,069
that they actually remember something

152
00:07:45,889 --> 00:07:52,189
that happened to them and that it's

153
00:07:49,069 --> 00:07:58,029
really excellent you have two different

154
00:07:52,189 --> 00:08:03,110
Navy former Navy of fellows who had

155
00:07:58,029 --> 00:08:06,979
experiences and and I believe out of the

156
00:08:03,110 --> 00:08:11,569
ten people you also had two people who

157
00:08:06,980 --> 00:08:16,100

saw mantis type et's rather than Nordic

158

00:08:11,569 --> 00:08:19,639

types or greys and so that it's it's

159

00:08:16,100 --> 00:08:22,100

very interestingly varied there and

160

00:08:19,639 --> 00:08:25,459

you've had almost as many women as men

161

00:08:22,100 --> 00:08:28,850

so it's it's it's it's a well-balanced

162

00:08:25,459 --> 00:08:30,769

book Preston yeah that's what kind of

163

00:08:28,850 --> 00:08:32,480

tried tried to do I didn't want it to be

164

00:08:30,769 --> 00:08:36,139

another book about you know gray type

165

00:08:32,480 --> 00:08:38,539

abductions called under hypnosis know

166

00:08:36,139 --> 00:08:40,610

that there's a wide variety of EPs

167

00:08:38,539 --> 00:08:43,219

people are seeing and I really wanted to

168

00:08:40,610 --> 00:08:45,800

reflect that and it's not just great and

169

00:08:43,220 --> 00:08:47,810

that matter it's not just Nordica human

170

00:08:45,799 --> 00:08:51,049

looking there's a number of praying

171

00:08:47,809 --> 00:08:54,289

mantis-like you mentioned and some very

172
00:08:51,049 --> 00:08:57,740
unusual humanoids and there's one case

173
00:08:54,289 --> 00:09:00,309
in the book involving a lady from

174
00:08:57,740 --> 00:09:03,730
Nebraska and

175
00:09:00,309 --> 00:09:06,489
she thought figure out never type of et

176
00:09:03,730 --> 00:09:08,079
I'd never heard of before in fact that's

177
00:09:06,490 --> 00:09:11,499
why she contacted me she wanted knows

178
00:09:08,078 --> 00:09:14,258
anyone reported this had to tell her no

179
00:09:11,499 --> 00:09:17,860
she the type of et she thought was a

180
00:09:14,259 --> 00:09:20,800
humanoid but it was gosh I don't even

181
00:09:17,860 --> 00:09:23,680
know how to describe it a 9 foot 9 feet

182
00:09:20,799 --> 00:09:27,578
tall had orange kind of straw like hair

183
00:09:23,679 --> 00:09:30,609
a very broad safe I'm human looking but

184
00:09:27,578 --> 00:09:32,229
clearly not human not your typical

185
00:09:30,610 --> 00:09:34,419
nordic certain which are usually

186
00:09:32,230 --> 00:09:37,990
described as being you know very

187
00:09:34,419 --> 00:09:41,169
good-looking and almost genetically

188
00:09:37,990 --> 00:09:44,620
perfect so to speak yes so yeah a lot of

189
00:09:41,169 --> 00:09:46,528
really unique cases and that's what I

190
00:09:44,620 --> 00:09:49,360
really was excited about this book is

191
00:09:46,528 --> 00:09:52,629
showing people the actual variety of eat

192
00:09:49,360 --> 00:09:57,909
these people are really seeing what you

193
00:09:52,629 --> 00:10:01,360
you wonder or at least I do the kind of

194
00:09:57,909 --> 00:10:03,808
sort of Star Trek the kind of universe

195
00:10:01,360 --> 00:10:08,009
that may be out there with different

196
00:10:03,808 --> 00:10:13,149
civilizations roaming in space or

197
00:10:08,009 --> 00:10:19,870
conversely different beings roaming in a

198
00:10:13,149 --> 00:10:21,639
parallel reality right yeah you know

199
00:10:19,870 --> 00:10:23,889
that's kind of what kept me out of the

200

00:10:21,639 --> 00:10:28,169
whole UFO research whole field for a

201
00:10:23,889 --> 00:10:31,089
while it seemed very much Star Trek II I

202
00:10:28,169 --> 00:10:33,818
kind of wanted ETS to have I don't know

203
00:10:31,089 --> 00:10:36,610
the fangs and tentacles and be just

204
00:10:33,818 --> 00:10:39,128
something really unusual but you're kind

205
00:10:36,610 --> 00:10:42,430
of stuck with the evidence this is what

206
00:10:39,129 --> 00:10:45,610
people are seeing are human-like figures

207
00:10:42,429 --> 00:10:49,088
and yeah it is very much like Star Trek

208
00:10:45,610 --> 00:10:54,240
in some ways that's a perhaps you know

209
00:10:49,089 --> 00:10:56,679
Gene Roddenberry was inspired by et's

210
00:10:54,240 --> 00:10:59,889
okay a lot of other science fiction

211
00:10:56,678 --> 00:11:02,078
writers perhaps I know that et contact

212
00:10:59,889 --> 00:11:05,649
is not always just you know being

213
00:11:02,078 --> 00:11:08,708
visited or taking on board it can be

214
00:11:05,649 --> 00:11:11,500

through your dream state it can be

215

00:11:08,708 --> 00:11:13,269

telepathic can be sort of an inspired

216

00:11:11,500 --> 00:11:16,299

type thing

217

00:11:13,269 --> 00:11:20,079

so uh yet I think that there's some

218

00:11:16,299 --> 00:11:21,699

truth in Star Trek um in terms of and

219

00:11:20,080 --> 00:11:23,740

there's things I've heard on Star Trek

220

00:11:21,700 --> 00:11:26,649

which turned out to these UFO accounts

221

00:11:23,740 --> 00:11:29,350

like being beamed on board or the

222

00:11:26,649 --> 00:11:31,330

medical technology where we are able to

223

00:11:29,350 --> 00:11:34,778

in Star Trek there's these little beams

224

00:11:31,330 --> 00:11:38,080

of light that can cure a cut you know

225

00:11:34,778 --> 00:11:39,039

heal a cut or an incision and that turns

226

00:11:38,080 --> 00:11:41,830

up quite a bit

227

00:11:39,039 --> 00:11:44,620

in actual accounts so there's sort of a

228

00:11:41,830 --> 00:11:48,670

bleed through there very respectable

229
00:11:44,620 --> 00:11:53,379
human looking ETS or largely human and

230
00:11:48,669 --> 00:11:55,000
you've got eyes nose mouth arms legs so

231
00:11:53,379 --> 00:11:59,649
that's I think sort of the universal

232
00:11:55,000 --> 00:12:02,669
form probably 99% of the accounts I get

233
00:11:59,649 --> 00:12:06,220
or some type of humanoid form

234
00:12:02,669 --> 00:12:08,708
interesting well well well biologists

235
00:12:06,220 --> 00:12:11,440
say that if you go into technologically

236
00:12:08,708 --> 00:12:14,229
evolved you do need binocular vision

237
00:12:11,440 --> 00:12:17,080
you do need a capability of handling

238
00:12:14,230 --> 00:12:19,870
things you have to stand upright you

239
00:12:17,080 --> 00:12:22,149
have to be able to see around you you

240
00:12:19,870 --> 00:12:25,269
have to be able to survive in a hostile

241
00:12:22,149 --> 00:12:29,320
environment and running a computer game

242
00:12:25,269 --> 00:12:31,179
as to what life-form would match all

243
00:12:29,320 --> 00:12:34,390
this they almost always come up humanoid

244
00:12:31,179 --> 00:12:36,759
so and usually computer forms mimic life

245
00:12:34,389 --> 00:12:38,889
and I think that's what we're going to

246
00:12:36,759 --> 00:12:42,759
expect but have you yourself ever

247
00:12:38,889 --> 00:12:46,088
experienced anything Preston I have

248
00:12:42,759 --> 00:12:47,980
absolutely once I started doing your

249
00:12:46,089 --> 00:12:50,890
research did I really experienced

250
00:12:47,980 --> 00:12:53,019
anything and certainly nothing to the

251
00:12:50,889 --> 00:12:56,860
level of the people I've interviewed as

252
00:12:53,019 --> 00:12:58,000
far as I know I don't think I've been

253
00:12:56,860 --> 00:12:59,860
taken on board

254
00:12:58,000 --> 00:13:04,629
I don't recall that I've never had

255
00:12:59,860 --> 00:13:07,750
missing time I have to tell you wasn't

256
00:13:04,629 --> 00:13:09,730
long after I started doing research into

257

00:13:07,750 --> 00:13:12,578
this subject I started having sightings

258
00:13:09,730 --> 00:13:16,990
ah pretty regularly Wow and that in

259
00:13:12,578 --> 00:13:19,778
somewhere close up and interactive one I

260
00:13:16,990 --> 00:13:22,209
mean one always comes to mind is one of

261
00:13:19,778 --> 00:13:24,669
the first sightings I had and this was

262
00:13:22,208 --> 00:13:27,069
one night I was just out of my mind

263
00:13:24,669 --> 00:13:28,569
trying to deal with this subject on the

264
00:13:27,070 --> 00:13:31,510
really hit me like a ton of bricks was

265
00:13:28,570 --> 00:13:33,670
not good news I was really upset I had

266
00:13:31,509 --> 00:13:35,590
to change my whole world view I was

267
00:13:33,669 --> 00:13:37,659
discussing it with my brother my

268
00:13:35,590 --> 00:13:39,610
sister-in-law kind of really helped me

269
00:13:37,659 --> 00:13:44,219
through it in the beginning certainly

270
00:13:39,610 --> 00:13:51,220
and driving home on evening mrs. of Iran

271
00:13:44,220 --> 00:13:53,529

late July and 1991 or so 1992 and this

272

00:13:51,220 --> 00:13:57,340
was in Woodland Hills California very

273

00:13:53,529 --> 00:13:59,529
densely populated area and I see this

274

00:13:57,340 --> 00:14:01,240
well I thought it was a bird at first

275

00:13:59,529 --> 00:14:04,360
but it came right to my car and it

276

00:14:01,240 --> 00:14:06,310
wasn't a bird it was a ball of light oh

277

00:14:04,360 --> 00:14:08,680
it's not a golf ball is not a

278

00:14:06,309 --> 00:14:11,139
firecracker what's going on it came

279

00:14:08,679 --> 00:14:13,809
right up to my window you guys I mean

280

00:14:11,139 --> 00:14:16,990
like but two feet away right to my

281

00:14:13,809 --> 00:14:19,899
windshield scoot it back and forth a

282

00:14:16,990 --> 00:14:21,610
couple of times maybe three darted down

283

00:14:19,899 --> 00:14:23,590
a little bit and went straight up

284

00:14:21,610 --> 00:14:24,460
through the canopy in the trees straight

285

00:14:23,590 --> 00:14:28,540
up into outer space

286
00:14:24,460 --> 00:14:31,389
Wow it targeted me I mean absolutely

287
00:14:28,539 --> 00:14:34,209
came right towards me looked at me a

288
00:14:31,389 --> 00:14:37,240
couple of feet away and took off how big

289
00:14:34,210 --> 00:14:41,410
was it Preston it was about the size of

290
00:14:37,240 --> 00:14:45,610
a golf ball um and not super bright but

291
00:14:41,409 --> 00:14:49,149
definitely a glowing white orb and yeah

292
00:14:45,610 --> 00:14:51,220
very close they did you sort of get the

293
00:14:49,149 --> 00:14:55,929
feeling you're being probed or looked at

294
00:14:51,220 --> 00:14:57,399
I did yeah and that's what's wrong -

295
00:14:55,929 --> 00:14:59,349
it's not the last time that happened

296
00:14:57,399 --> 00:15:03,220
that happened began on the freeway a

297
00:14:59,350 --> 00:15:05,110
bellboy and I'm looking around and all

298
00:15:03,220 --> 00:15:08,889
of the cars they're not seeing it it's a

299
00:15:05,110 --> 00:15:12,340
very brief thing just rough town right

300
00:15:08,889 --> 00:15:15,250
my car and I'm going like 60 70 miles an

301
00:15:12,340 --> 00:15:19,180
hour and I'll know whether a UFO meeting

302
00:15:15,250 --> 00:15:21,490
by the way Oh Steven Greer and Richard

303
00:15:19,179 --> 00:15:22,870
Boyle and a bunch of other contactees

304
00:15:21,490 --> 00:15:25,860
Wow

305
00:15:22,870 --> 00:15:27,970
felt like mmm they're probing me yeah

306
00:15:25,860 --> 00:15:31,899
every now and then I'll have a sighting

307
00:15:27,970 --> 00:15:35,200
like this and but sometimes real

308
00:15:31,899 --> 00:15:38,409
close-up these are both I was just gonna

309
00:15:35,200 --> 00:15:40,509
say these orbs seem to be attracted to

310
00:15:38,409 --> 00:15:44,529
certain persons

311
00:15:40,509 --> 00:15:47,799
I had a friend who has orbs around them

312
00:15:44,529 --> 00:15:51,309
all the time and twice when I was in her

313
00:15:47,799 --> 00:15:53,199
presence I also experienced orbs and

314

00:15:51,309 --> 00:15:55,359
I've experienced orbs on my own but I

315
00:15:53,200 --> 00:15:59,259
found it to be startling that she has a

316
00:15:55,360 --> 00:16:02,050
lot of them around her and two of like

317
00:15:59,259 --> 00:16:05,289
maybe my four Orab sightings I was with

318
00:16:02,049 --> 00:16:08,849
her so it they do seem to be attracted

319
00:16:05,289 --> 00:16:12,759
to certain people the orbs yeah I think

320
00:16:08,850 --> 00:16:15,159
um they started noticing me when I was

321
00:16:12,759 --> 00:16:17,500
doing this UFO research because I never

322
00:16:15,159 --> 00:16:19,569
had anything growing up and I looked

323
00:16:17,500 --> 00:16:22,990
into this and that this is actually not

324
00:16:19,570 --> 00:16:25,080
unusual among UFO researchers or

325
00:16:22,990 --> 00:16:28,659
investigators and certainly

326
00:16:25,080 --> 00:16:32,879
contactees but people who do UFO

327
00:16:28,659 --> 00:16:36,669
research Budd Hopkins had a sighting but

328
00:16:32,879 --> 00:16:39,370

rod steiger Whitley Strieber the guy who

329

00:16:36,669 --> 00:16:41,829

investigated his case ed Conroy never

330

00:16:39,370 --> 00:16:43,779

had any sightings at all until he

331

00:16:41,830 --> 00:16:46,330

started researching Whitley streamer's

332

00:16:43,779 --> 00:16:47,889

caves and actually ended up having full

333

00:16:46,330 --> 00:16:50,170

on missing time abduction type

334

00:16:47,889 --> 00:16:52,870

experience oh my goodness now who was

335

00:16:50,169 --> 00:16:54,819

this person because of all the name says

336

00:16:52,870 --> 00:16:56,350

you've mentioned thus far it's the one

337

00:16:54,820 --> 00:16:59,410

name that I'm not particularly familiar

338

00:16:56,350 --> 00:17:02,170

with it Edie Conroy did you say yeah

339

00:16:59,409 --> 00:17:04,509

Edie Conroy was a mainstream journalist

340

00:17:02,169 --> 00:17:07,209

and heard about whitley strieber stories

341

00:17:04,509 --> 00:17:10,480

like I'm gonna expose this guy is a

342

00:17:07,209 --> 00:17:15,100

hoaxer he probably is and I found out no

343
00:17:10,480 --> 00:17:16,959
he wasn't hoaxing yeah and yeah this is

344
00:17:15,099 --> 00:17:19,409
sort of a pattern I've noticed sort of

345
00:17:16,959 --> 00:17:22,299
actually he labeled the term UFO

346
00:17:19,410 --> 00:17:24,310
investigator is disease once you start

347
00:17:22,299 --> 00:17:25,869
looking into this stuff they start

348
00:17:24,309 --> 00:17:29,379
looking into you

349
00:17:25,869 --> 00:17:32,129
well since you had no early experiences

350
00:17:29,380 --> 00:17:36,580
what triggered off your investigating

351
00:17:32,130 --> 00:17:39,030
just just general interest her no I was

352
00:17:36,579 --> 00:17:41,889
repulsed by the subject I really was oh

353
00:17:39,029 --> 00:17:44,230
and I was pretty rude about it

354
00:17:41,890 --> 00:17:47,350
and I apologize to all those people that

355
00:17:44,230 --> 00:17:49,569
had my brother I remember you came

356
00:17:47,349 --> 00:17:52,469
running you know I saw UFO I'll just

357
00:17:49,569 --> 00:17:54,009
look to him like yeah right sure you did

358
00:17:52,470 --> 00:17:55,750
but what

359
00:17:54,009 --> 00:18:01,990
happened was there's this report on the

360
00:17:55,750 --> 00:18:04,960
news in November of 1986 and a pilot

361
00:18:01,990 --> 00:18:09,490
flung his jet a commercial airliner over

362
00:18:04,960 --> 00:18:12,549
Alaska saw a UFO his whole crew did on

363
00:18:09,490 --> 00:18:15,910
the radar they followed it for many

364
00:18:12,549 --> 00:18:17,109
miles from nearly an hour the FAA said

365
00:18:15,910 --> 00:18:19,480
it appeared on their radar

366
00:18:17,109 --> 00:18:22,599
Lobo later denied it and called it split

367
00:18:19,480 --> 00:18:26,529
images but it's a great case captain Ken

368
00:18:22,599 --> 00:18:28,299
Jeter oshi the pilot and I stopped my

369
00:18:26,529 --> 00:18:31,359
god this pilot he's got to be lying

370
00:18:28,299 --> 00:18:33,909
gives hoaxes and he's misperceiving

371

00:18:31,359 --> 00:18:36,519
there's just no way he's singing an

372
00:18:33,910 --> 00:18:38,950
alien spaceship I would have known if

373
00:18:36,519 --> 00:18:41,829
you oppose were real by now I mean it

374
00:18:38,950 --> 00:18:44,470
was never mentioned all my years in

375
00:18:41,829 --> 00:18:47,319
school all through college not a word of

376
00:18:44,470 --> 00:18:50,170
this only thing I ever heard was in

377
00:18:47,319 --> 00:18:52,740
search of maybe our various little kind

378
00:18:50,170 --> 00:18:55,029
of big early segments on the news

379
00:18:52,740 --> 00:18:57,579
exactly talked about this pilot setting

380
00:18:55,029 --> 00:18:59,619
on the news there was no detail to it

381
00:18:57,579 --> 00:19:02,319
they just a novice pilot Bobby saw a UFO

382
00:18:59,619 --> 00:19:05,649
and they kind of moved on laughing

383
00:19:02,319 --> 00:19:07,929
nervously and mm-hmm wow this is amazing

384
00:19:05,650 --> 00:19:11,860
this pilot is putting his reputation on

385
00:19:07,930 --> 00:19:13,990

the line in dad I brought it up and I'm

386

00:19:11,859 --> 00:19:17,889

kind of mid mistake of bringing up at

387

00:19:13,990 --> 00:19:20,769

work here in my office actually I worked

388

00:19:17,890 --> 00:19:23,320

as a bookkeeper and this lady I worked

389

00:19:20,769 --> 00:19:26,589

with for years and years and years oh I

390

00:19:23,319 --> 00:19:28,599

saw you have hope like really I knew she

391

00:19:26,589 --> 00:19:30,819

wasn't lying to me I've known her for

392

00:19:28,599 --> 00:19:32,829

way too long like oh yeah me and my

393

00:19:30,819 --> 00:19:35,079

whole family thought it darted around I

394

00:19:32,829 --> 00:19:36,220

actually ended up talking to her family

395

00:19:35,079 --> 00:19:39,309

to confirm it

396

00:19:36,220 --> 00:19:41,680

and while she's explaining this in walks

397

00:19:39,309 --> 00:19:43,720

of Dorothy and Dorothy's like oh no

398

00:19:41,680 --> 00:19:46,120

another lady I love and trust and it

399

00:19:43,720 --> 00:19:48,100

worked up for years like UFOs one

400
00:19:46,119 --> 00:19:50,829
followed me home from the library me and

401
00:19:48,099 --> 00:19:53,230
my mom and my best friend oh boy really

402
00:19:50,829 --> 00:19:55,509
Chuck yeah he no question it's so weird

403
00:19:53,230 --> 00:19:58,089
we live five minutes from the library we

404
00:19:55,509 --> 00:20:00,879
left at exactly 9:00 we didn't get home

405
00:19:58,089 --> 00:20:06,399
till 10:15 who's really strange we lost

406
00:20:00,880 --> 00:20:08,290
like an hour of time oh yeah this was

407
00:20:06,400 --> 00:20:10,900
before you know but Hopkins

408
00:20:08,289 --> 00:20:14,680
book missing time had been picked up by

409
00:20:10,900 --> 00:20:17,440
a major publisher and what really wasn't

410
00:20:14,680 --> 00:20:20,799
a super popular subject will the

411
00:20:17,440 --> 00:20:23,559
streamer's book hadn't come out yet so

412
00:20:20,799 --> 00:20:26,230
this was like mmm God really hit home

413
00:20:23,559 --> 00:20:28,240
for me I found out family members were

414
00:20:26,230 --> 00:20:30,640
having encounters some really good

415
00:20:28,240 --> 00:20:33,490
friends had encounters one had missing

416
00:20:30,640 --> 00:20:35,710
time my sister-in-law had a face-to-face

417
00:20:33,490 --> 00:20:40,839
encounter with great IPTS

418
00:20:35,710 --> 00:20:42,910
oh my gosh no I don't believe this earth

419
00:20:40,839 --> 00:20:47,339
is being invaded by ETS and no one

420
00:20:42,910 --> 00:20:49,660
talking about it so you are surrounded

421
00:20:47,339 --> 00:20:52,059
you were surrounded by all these

422
00:20:49,660 --> 00:20:55,660
experiencers and you yourself had up

423
00:20:52,059 --> 00:20:58,149
until the glowing red light the orbs you

424
00:20:55,660 --> 00:21:13,090
yourself haven't had any experiences but

425
00:20:58,150 --> 00:21:15,880
all around you why didn't you well do

426
00:21:13,089 --> 00:21:21,659
you think do you think perhaps of that

427
00:21:15,880 --> 00:21:25,270
the the the bad feelings around people

428

00:21:21,660 --> 00:21:27,700
experiencing UFOs is starting to fade a

429
00:21:25,269 --> 00:21:29,859
little bit do you think that it's a

430
00:21:27,700 --> 00:21:36,009
little bit more accepted today than it

431
00:21:29,859 --> 00:21:39,459
was in previous times 100% yes you know

432
00:21:36,009 --> 00:21:41,079
when I first started researching I'd

433
00:21:39,460 --> 00:21:43,420
always say I'll can I use your name if I

434
00:21:41,079 --> 00:21:46,779
write about your sightings No No please

435
00:21:43,420 --> 00:21:49,000
don't know I will lose my job and now

436
00:21:46,779 --> 00:21:51,399
most people say oh no problem

437
00:21:49,000 --> 00:21:54,789
and if I get an opportunity to go on

438
00:21:51,400 --> 00:21:56,320
television back in the day they would

439
00:21:54,789 --> 00:21:58,839
always bring up someone next to me who

440
00:21:56,319 --> 00:22:00,939
was a deep bunker right not someone you

441
00:21:58,839 --> 00:22:05,819
know scientists really but someone there

442
00:22:00,940 --> 00:22:05,820

to bash you personally right right

443

00:22:07,319 --> 00:22:11,109

nearly as much yeah they look they look

444

00:22:10,119 --> 00:22:14,049

really silly

445

00:22:11,109 --> 00:22:18,459

I need the bunkers on TV I agree I agree

446

00:22:14,049 --> 00:22:21,379

and they they will use any a flaccid

447

00:22:18,460 --> 00:22:24,140

argument that they can find

448

00:22:21,380 --> 00:22:26,600

and it's it's an embarrassment they're

449

00:22:24,140 --> 00:22:29,288

an embarrassment to science when they

450

00:22:26,599 --> 00:22:33,649

won't see something that may be a new

451

00:22:29,288 --> 00:22:36,319

phenomena but I am interested to just

452

00:22:33,650 --> 00:22:40,280

talk a little bit more here about your

453

00:22:36,319 --> 00:22:43,089

book and because we here as I had said

454

00:22:40,279 --> 00:22:48,259

are all experiences of various types

455

00:22:43,089 --> 00:22:49,849

it's not hard to believe the majority of

456

00:22:48,259 --> 00:22:53,808

these people and the majority of what

457
00:22:49,849 --> 00:22:55,819
they have to say so I want to just look

458
00:22:53,808 --> 00:22:59,240
at a little few of the things that I

459
00:22:55,819 --> 00:23:03,500
noticed were common denominators in many

460
00:22:59,240 --> 00:23:06,500
of the of the experiences and that is

461
00:23:03,500 --> 00:23:11,150
that even though some people seem to

462
00:23:06,500 --> 00:23:14,960
have had harm done to them it didn't

463
00:23:11,150 --> 00:23:18,048
seem as though by and large that many of

464
00:23:14,960 --> 00:23:22,429
these people felt that the the others

465
00:23:18,048 --> 00:23:25,418
were trying to harm them and yet they

466
00:23:22,429 --> 00:23:27,710
didn't feel as though the others were

467
00:23:25,419 --> 00:23:30,230
particularly warm and cuddly on the

468
00:23:27,710 --> 00:23:33,919
other hand that they were like sort of

469
00:23:30,230 --> 00:23:37,548
have the demeanor of scientists

470
00:23:33,919 --> 00:23:40,520
performing experiments on somebody

471
00:23:37,548 --> 00:23:44,359
slightly smarter than a lab rat

472
00:23:40,519 --> 00:23:48,798
in that they did bother to communicate

473
00:23:44,359 --> 00:23:51,319
with them mentally right yes kind of an

474
00:23:48,798 --> 00:23:53,329
enigma I always ask people oh do you

475
00:23:51,319 --> 00:23:55,970
think these guys are hostile and almost

476
00:23:53,329 --> 00:23:58,970
no one says that I'm found any evidence

477
00:23:55,970 --> 00:24:02,089
of what I would call sadistic behavior

478
00:23:58,970 --> 00:24:03,558
or nazi-like torture

479
00:24:02,089 --> 00:24:05,359
they're not trying to hurt people

480
00:24:03,558 --> 00:24:08,089
they're not trying to scare them it's

481
00:24:05,359 --> 00:24:11,178
not the agenda at all yeah I think

482
00:24:08,089 --> 00:24:14,029
they're just different really yeah I

483
00:24:11,179 --> 00:24:16,490
mean each case is individual I've talked

484
00:24:14,029 --> 00:24:19,158
people who say no flat out these are my

485

00:24:16,490 --> 00:24:21,769
friends I like my family I love them

486
00:24:19,159 --> 00:24:24,409
more than my own family these guys I

487
00:24:21,769 --> 00:24:26,629
loved them and others like hmm they

488
00:24:24,409 --> 00:24:29,150
weren't I'm gonna kind of treated me

489
00:24:26,630 --> 00:24:32,230
like a lab rat one lady in the book she

490
00:24:29,150 --> 00:24:35,230
was actually healed of a sort of a

491
00:24:32,230 --> 00:24:35,230
hypoglycemia

492
00:24:35,329 --> 00:24:39,888
and they didn't hurt her at all but she

493
00:24:37,940 --> 00:24:41,450
has you know they were kind of arrogant

494
00:24:39,888 --> 00:24:43,638
they didn't really care about my

495
00:24:41,450 --> 00:24:46,100
feelings they just sort of Carden you're

496
00:24:43,638 --> 00:24:50,238
awesome like I felt a little bit like a

497
00:24:46,099 --> 00:24:53,238
lab rat is what she said but they didn't

498
00:24:50,239 --> 00:24:56,899
hurt her they healed her one thing that

499
00:24:53,239 --> 00:24:59,778

I found disturbing about your book and

500

00:24:56,898 --> 00:25:03,949

several other encounters I've read about

501

00:24:59,778 --> 00:25:07,548

in other literature is the idea that

502

00:25:03,950 --> 00:25:10,009

people start off by seeing Nordic types

503

00:25:07,548 --> 00:25:13,638

and then they have to interact with

504

00:25:10,009 --> 00:25:16,849

Grey's as well and as a as an

505

00:25:13,638 --> 00:25:19,939

experiencer who has had contact with

506

00:25:16,849 --> 00:25:21,439

Nordic types I've never seen a grey and

507

00:25:19,940 --> 00:25:25,278

I don't think that I'm really looking

508

00:25:21,440 --> 00:25:29,929

forward to seeing any grace so I find

509

00:25:25,278 --> 00:25:32,778

that aspect where Nordic contact then

510

00:25:29,929 --> 00:25:39,399

turns into contact with grace I find

511

00:25:32,778 --> 00:25:42,888

that to be kind of let's say frightening

512

00:25:39,398 --> 00:25:44,778

you know I'm not so sure that Nordics in

513

00:25:42,888 --> 00:25:46,729

greys are that far removed from each

514
00:25:44,778 --> 00:25:49,278
other or for that matter for months

515
00:25:46,730 --> 00:25:52,069
because what we're seeing and a lot of

516
00:25:49,278 --> 00:25:55,220
these great type ETS have said flat out

517
00:25:52,069 --> 00:25:57,829
to the their contact is like oh one day

518
00:25:55,220 --> 00:26:00,499
you will look just like us or we are you

519
00:25:57,829 --> 00:26:03,558
and you are us and we are related and

520
00:26:00,499 --> 00:26:07,909
they are producing these hybrid babies

521
00:26:03,558 --> 00:26:10,190
they're interbreeding with us so great

522
00:26:07,909 --> 00:26:15,249
and notices are often seen together

523
00:26:10,190 --> 00:26:17,119
that's not unusual I think that their

524
00:26:15,249 --> 00:26:20,690
relationship is probably a little bit

525
00:26:17,118 --> 00:26:22,308
closer and a lot of people realize well

526
00:26:20,690 --> 00:26:24,440
maybe they're sort of like caterpillars

527
00:26:22,308 --> 00:26:28,489
and butterflies maybe what evolves into

528
00:26:24,440 --> 00:26:30,169
the other we don't know that's that's

529
00:26:28,489 --> 00:26:31,759
the interesting thing about this there's

530
00:26:30,169 --> 00:26:34,580
so much that you don't know

531
00:26:31,759 --> 00:26:36,649
so if Preston if you were offered an

532
00:26:34,579 --> 00:26:41,358
invitation to come on board do you think

533
00:26:36,648 --> 00:26:44,719
you'd go I'm absolutely that's just me I

534
00:26:41,358 --> 00:26:47,298
definitely would I'm I don't think UFOs

535
00:26:44,720 --> 00:26:48,920
or something to fear I don't think

536
00:26:47,298 --> 00:26:51,589
there's maybe affair doubts I think

537
00:26:48,920 --> 00:26:55,400
look at the evidence overall their

538
00:26:51,589 --> 00:26:57,799
agenda is very positive it looked really

539
00:26:55,400 --> 00:27:00,710
deeply into this and someone's taken on

540
00:26:57,799 --> 00:27:03,680
board the most common thing is being

541
00:27:00,710 --> 00:27:05,840
physically examined but beyond man

542

00:27:03,680 --> 00:27:07,400
they're getting messages and these

543
00:27:05,839 --> 00:27:10,819
messages fall into three different types

544
00:27:07,400 --> 00:27:13,640
and they're very positive generally

545
00:27:10,819 --> 00:27:16,429
speaking when you talk to people they're

546
00:27:13,640 --> 00:27:19,759
talking for giving warnings warnings

547
00:27:16,430 --> 00:27:22,570
about nuclear proliferation warnings

548
00:27:19,759 --> 00:27:25,390
about future environmental destruction

549
00:27:22,569 --> 00:27:28,849
warnings about pollution overpopulation

550
00:27:25,390 --> 00:27:31,130
violence this sort of thing that's the

551
00:27:28,849 --> 00:27:35,000
most common message second to that would

552
00:27:31,130 --> 00:27:36,770
be alternative energy over and over

553
00:27:35,000 --> 00:27:38,839
again keep our taking on board after

554
00:27:36,769 --> 00:27:41,720
being examined they're taken to the

555
00:27:38,839 --> 00:27:43,189
engine room and said we don't run our

556
00:27:41,720 --> 00:27:45,470

ships on fossil fuels

557

00:27:43,190 --> 00:27:48,350

you guys don't mean to use fossil fuels

558

00:27:45,470 --> 00:27:51,589

it's destroying your planet can run

559

00:27:48,349 --> 00:27:53,779

things on electromagnetics like we do

560

00:27:51,589 --> 00:27:56,299

and actually show them how these ships

561

00:27:53,779 --> 00:28:00,440

work got a case just like that in the

562

00:27:56,299 --> 00:28:03,109

book yes yes the Navy engineer great

563

00:28:00,440 --> 00:28:05,570

witness but took him to the engine room

564

00:28:03,109 --> 00:28:08,179

and had a big long discussion about this

565

00:28:05,569 --> 00:28:12,529

so this is pretty common and thinking it

566

00:28:08,180 --> 00:28:15,320

just sort of shows on the ETS ultimate

567

00:28:12,529 --> 00:28:17,480

agenda and the third category would be

568

00:28:15,319 --> 00:28:19,879

healing and miss turns up again and

569

00:28:17,480 --> 00:28:21,470

again and again or spirituality people

570

00:28:19,880 --> 00:28:25,040

are giving messages about alternative

571
00:28:21,470 --> 00:28:29,240
healing or psychic development absolute

572
00:28:25,039 --> 00:28:29,779
half-lives out-of-body travel this sort

573
00:28:29,240 --> 00:28:31,039
of thing

574
00:28:29,779 --> 00:28:36,230
and they come away from their

575
00:28:31,039 --> 00:28:40,879
experiences doing the bacon heal or with

576
00:28:36,230 --> 00:28:42,799
a psychic explosion of talent I'm some

577
00:28:40,880 --> 00:28:46,250
start channeling some start giving

578
00:28:42,799 --> 00:28:49,669
readings one guy he became a water dog

579
00:28:46,250 --> 00:28:51,950
hurt so this is something I see quite a

580
00:28:49,670 --> 00:28:54,470
bit there's a very strong spiritual

581
00:28:51,950 --> 00:28:55,910
transformation and again I think this

582
00:28:54,470 --> 00:28:56,779
speaks to why they're here and what

583
00:28:55,910 --> 00:29:00,200
their agenda is

584
00:28:56,779 --> 00:29:03,629
and it's very positive yes yes I think

585
00:29:00,200 --> 00:29:07,890
in for me personally

586
00:29:03,630 --> 00:29:11,160
the terror that I experienced was a loss

587
00:29:07,890 --> 00:29:13,710
of volition not being able you know

588
00:29:11,160 --> 00:29:17,490
being paralyzed and the loss of volition

589
00:29:13,710 --> 00:29:19,950
is in itself terrifying but nothing

590
00:29:17,490 --> 00:29:23,429
nothing bad happened to me and mostly

591
00:29:19,950 --> 00:29:27,870
good things happen to me as a result of

592
00:29:23,429 --> 00:29:31,740
it just to go back to the fellow who was

593
00:29:27,869 --> 00:29:33,959
the the Navy engineer and the machine

594
00:29:31,740 --> 00:29:38,910
that he ended up making and how the

595
00:29:33,960 --> 00:29:41,789
bicycle wheel was able to turn I wonder

596
00:29:38,910 --> 00:29:43,950
if he's done if you've seen this machine

597
00:29:41,789 --> 00:29:47,909
if he's done anything more with it if

598
00:29:43,950 --> 00:29:50,009
you followed up on that no he was quite

599

00:29:47,910 --> 00:29:52,048
elderly when I interviewed him and

600
00:29:50,009 --> 00:29:55,859
really eager to get the story out before

601
00:29:52,048 --> 00:29:59,609
he passed away and he sat in his

602
00:29:55,859 --> 00:30:01,199
experience for many many years back when

603
00:29:59,609 --> 00:30:04,798
he had a experience I believe it was

604
00:30:01,200 --> 00:30:08,160
back in the early 1980s and this wasn't

605
00:30:04,798 --> 00:30:09,569
nearly as popular a subject and he was a

606
00:30:08,160 --> 00:30:12,298
little bit nervous about it and didn't

607
00:30:09,569 --> 00:30:15,720
even come out to his family for many

608
00:30:12,298 --> 00:30:19,889
many years but yeah after being taken on

609
00:30:15,720 --> 00:30:23,850
board taking the engine room and shown

610
00:30:19,890 --> 00:30:26,820
his engine they told him that he could

611
00:30:23,849 --> 00:30:28,859
build this if he wanted to he had the

612
00:30:26,819 --> 00:30:31,259
technological know-how to build

613
00:30:28,859 --> 00:30:33,178

something like this and that's what he

614

00:30:31,259 --> 00:30:36,390

did he went to a hardware store got a

615

00:30:33,179 --> 00:30:38,000

bunch of magnets magnets turned up again

616

00:30:36,390 --> 00:30:40,200

and again these serve accounts

617

00:30:38,000 --> 00:30:42,509

counter-rotating magnets

618

00:30:40,200 --> 00:30:45,509

I don't think we fully understand the

619

00:30:42,509 --> 00:30:48,660

electromagnetic spectrum unlike these

620

00:30:45,509 --> 00:30:51,210

guys too certainly and he was able to

621

00:30:48,660 --> 00:30:52,919

build this foot oh kind of a perpetual

622

00:30:51,210 --> 00:30:55,259

motion device Wow

623

00:30:52,919 --> 00:30:57,120

which actually worked I mean this family

624

00:30:55,259 --> 00:30:58,919

was really impressed he said this

625

00:30:57,119 --> 00:31:02,178

thing's spun for a couple of weeks you

626

00:30:58,919 --> 00:31:04,559

just started going and keep on going

627

00:31:02,179 --> 00:31:07,110

interesting and interesting they're not

628
00:31:04,558 --> 00:31:09,298
unique just yeah it's not unique because

629
00:31:07,109 --> 00:31:13,678
this is something that I've never said

630
00:31:09,298 --> 00:31:16,139
on the air before but my father who was

631
00:31:13,679 --> 00:31:22,170
also an experimenter

632
00:31:16,140 --> 00:31:24,360
did start - was he was a ship shipyard

633
00:31:22,170 --> 00:31:26,850
worker and a chemical company worker and

634
00:31:24,359 --> 00:31:30,629
he basically did engineering type work

635
00:31:26,849 --> 00:31:33,659
although he was not an engineer he was

636
00:31:30,630 --> 00:31:36,210
working with pipes mostly but he after

637
00:31:33,660 --> 00:31:38,759
his experiences he developed an

638
00:31:36,210 --> 00:31:42,289
incredible interest in perpetual motion

639
00:31:38,759 --> 00:31:45,650
and did experiment and did make a few

640
00:31:42,289 --> 00:31:50,159
attempts at a perpetual motion type of

641
00:31:45,650 --> 00:31:53,040
device so even at that level and my

642
00:31:50,160 --> 00:31:55,710
father was no scientist but I want to

643
00:31:53,039 --> 00:31:59,159
tell you but he was fascinated enough by

644
00:31:55,710 --> 00:32:02,279
his his contact experience is that he he

645
00:31:59,160 --> 00:32:04,380
did attempt to build several machines

646
00:32:02,279 --> 00:32:09,000
that were perpetual motion and he did

647
00:32:04,380 --> 00:32:12,960
build a sculpture to contact the others

648
00:32:09,000 --> 00:32:15,230
with so it is it is kind of it it's

649
00:32:12,960 --> 00:32:18,360
fascinating what comes of these

650
00:32:15,230 --> 00:32:22,470
encounters but sometimes they leave

651
00:32:18,359 --> 00:32:27,240
people entirely terrified and I would

652
00:32:22,470 --> 00:32:29,839
mention this on the outside that we do

653
00:32:27,240 --> 00:32:32,880
know that in the United States alone

654
00:32:29,839 --> 00:32:35,970
thousands upon thousands of people go

655
00:32:32,880 --> 00:32:40,520
missing every year with no never ever

656

00:32:35,970 --> 00:32:46,259
being found and if you if you take apart

657
00:32:40,519 --> 00:32:48,509
the numbers some people are fall into

658
00:32:46,259 --> 00:32:50,940
you know fall into a hole or something

659
00:32:48,509 --> 00:32:52,519
like that and others are murdered but it

660
00:32:50,940 --> 00:32:54,509
does seem to me that there's a

661
00:32:52,519 --> 00:32:57,440
disproportionate number of missing

662
00:32:54,509 --> 00:33:00,660
people so I don't know if you think that

663
00:32:57,440 --> 00:33:04,320
any visitors might have any hand in that

664
00:33:00,660 --> 00:33:06,660
I would imagine I mean statistically

665
00:33:04,319 --> 00:33:10,470
speaking probably there's gotta be some

666
00:33:06,660 --> 00:33:12,480
there's so many missing people but you

667
00:33:10,470 --> 00:33:15,720
know if you look into it a lot of these

668
00:33:12,480 --> 00:33:18,089
missing people there's nothing a whole

669
00:33:15,720 --> 00:33:20,579
lot of research into this that they've

670
00:33:18,089 --> 00:33:23,490

been previously reporting UFO

671

00:33:20,579 --> 00:33:25,168

experiences the most part no we've not

672

00:33:23,490 --> 00:33:28,289

been able to really pinpoint these

673

00:33:25,169 --> 00:33:29,730

missing people cases directly to UFOs in

674

00:33:28,289 --> 00:33:31,920

the bath

675

00:33:29,730 --> 00:33:34,529

majority of cases but there are a few I

676

00:33:31,920 --> 00:33:36,690

mean that there was one case that I was

677

00:33:34,529 --> 00:33:41,639

involved with this gentleman er dude

678

00:33:36,690 --> 00:33:43,769

real interesting case he and his friends

679

00:33:41,640 --> 00:33:46,200

when camping out in the desert this is

680

00:33:43,769 --> 00:33:47,879

here in Southern California and they

681

00:33:46,200 --> 00:33:49,440

were all there in the little cabin that

682

00:33:47,880 --> 00:33:51,900

one of them owned and one of the guides

683

00:33:49,440 --> 00:33:53,340

walks off for a couple of hours and

684

00:33:51,900 --> 00:33:54,360

comes back because you wouldn't believe

685
00:33:53,339 --> 00:33:57,449
what just happened

686
00:33:54,359 --> 00:33:59,250
I came upon a landed UFO and no one

687
00:33:57,450 --> 00:34:01,140
believed in accepting of one of the guys

688
00:33:59,250 --> 00:34:03,359
that I am ended up interviewing Tony as

689
00:34:01,140 --> 00:34:05,250
his name and Tony is like well tell me

690
00:34:03,359 --> 00:34:07,259
what happened and this gentleman said

691
00:34:05,250 --> 00:34:11,760
yeah came upon a landed UFO there was

692
00:34:07,259 --> 00:34:14,789
kind of human looking Metis not totally

693
00:34:11,760 --> 00:34:18,060
human looking they were bald that kind

694
00:34:14,789 --> 00:34:21,719
of pale skin very large dark eyes kind

695
00:34:18,059 --> 00:34:23,279
of like almost grey human hybrids and he

696
00:34:21,719 --> 00:34:24,779
said that they were very friendly invite

697
00:34:23,280 --> 00:34:27,660
him aboard the ship so that they're

698
00:34:24,780 --> 00:34:30,450
studying the flora and the fauna in this

699
00:34:27,659 --> 00:34:32,549
area and they're coming back here on a

700
00:34:30,449 --> 00:34:34,639
yearly basis and checking things out and

701
00:34:32,550 --> 00:34:37,350
if he wanted to he could come with them

702
00:34:34,639 --> 00:34:40,440
and he said no I don't think I want to

703
00:34:37,349 --> 00:34:42,360
go but they said well you know we're

704
00:34:40,440 --> 00:34:46,139
going to be here next year at this exact

705
00:34:42,360 --> 00:34:48,720
time so if you change your mind we'll be

706
00:34:46,139 --> 00:34:51,629
here and you can meet us and that's

707
00:34:48,719 --> 00:34:54,029
exactly what happened well they left and

708
00:34:51,630 --> 00:34:55,980
the next year rolled around and he

709
00:34:54,030 --> 00:34:58,890
started giving away all of the items you

710
00:34:55,980 --> 00:35:01,230
know gave away my aids just all the

711
00:34:58,889 --> 00:35:03,480
stuff he owned his family became very

712
00:35:01,230 --> 00:35:05,309
concerned and his sons are like you're

713

00:35:03,480 --> 00:35:07,409
not going to go meet these guys are you

714
00:35:05,309 --> 00:35:10,070
he's like yeah I'm gonna do it I really

715
00:35:07,409 --> 00:35:13,289
want to do it and he did he drove off

716
00:35:10,070 --> 00:35:15,510
didn't come back the this guy

717
00:35:13,289 --> 00:35:18,869
interviewed went out there with his

718
00:35:15,510 --> 00:35:20,390
family and found this guy's car with the

719
00:35:18,869 --> 00:35:23,579
keys still in it

720
00:35:20,389 --> 00:35:25,469
no trace of this man they had to call

721
00:35:23,579 --> 00:35:27,599
the police was a huge missing-persons

722
00:35:25,469 --> 00:35:31,739
case they never found him

723
00:35:27,599 --> 00:35:33,869
but it seems that he was invited aboard

724
00:35:31,739 --> 00:35:37,439
this UFO and took the invitation Wow

725
00:35:33,869 --> 00:35:40,739
never seen again that is an interesting

726
00:35:37,440 --> 00:35:43,099
case why don't you mention the names of

727
00:35:40,739 --> 00:35:46,759

your most recent books again I just

728

00:35:43,099 --> 00:35:48,920

so that our listeners know where to get

729

00:35:46,760 --> 00:35:50,990

them and the names of them and so forth

730

00:35:48,920 --> 00:35:54,950

you want to do that Preston this is

731

00:35:50,989 --> 00:35:58,719

Preston down - yes cen any TP on I'm

732

00:35:54,949 --> 00:36:02,949

sure you're on Facebook er yes Internet

733

00:35:58,719 --> 00:36:06,079

yeah yeah my latest book is inside UFOs

734

00:36:02,949 --> 00:36:08,358

you can get it on Amazon I also have a

735

00:36:06,079 --> 00:36:11,480

website - just google my name it'll take

736

00:36:08,358 --> 00:36:16,009

you there I've got a number of folks I'd

737

00:36:11,480 --> 00:36:17,690

put out recently UFOs over Colorado also

738

00:36:16,010 --> 00:36:20,780

not from here

739

00:36:17,690 --> 00:36:23,150

volumes 1 & 2 in the proud of third

740

00:36:20,780 --> 00:36:26,210

volume those are collections of articles

741

00:36:23,150 --> 00:36:29,358

I've written over the years updated with

742
00:36:26,210 --> 00:36:31,720
new information and yeah I'm keeping

743
00:36:29,358 --> 00:36:36,009
busy I've got a new book coming out next

744
00:36:31,719 --> 00:36:39,279
actually now this year about underwater

745
00:36:36,010 --> 00:36:41,960
UFOs UFOs

746
00:36:39,280 --> 00:36:43,730
there's a lot of activity right here off

747
00:36:41,960 --> 00:36:47,740
the Southern California coast I think

748
00:36:43,730 --> 00:36:51,170
there's might be of undersea base wow I

749
00:36:47,739 --> 00:36:53,569
really do I'm not so that's another

750
00:36:51,170 --> 00:36:55,970
thing done a lot of research into and

751
00:36:53,570 --> 00:36:57,890
super excited about that book so yeah

752
00:36:55,969 --> 00:37:00,588
I'm keeping busy I'll uh I loved

753
00:36:57,889 --> 00:37:03,368
researching this stuff it's I think it's

754
00:37:00,588 --> 00:37:06,440
a really important subject I do too I

755
00:37:03,369 --> 00:37:08,329
really do I mean some people say oh you

756
00:37:06,440 --> 00:37:09,800
know you opposed don't affect me I've

757
00:37:08,329 --> 00:37:11,900
never seen one I don't really care about

758
00:37:09,800 --> 00:37:13,369
them I'm like well you know what they

759
00:37:11,900 --> 00:37:14,349
are affecting their you just don't

760
00:37:13,369 --> 00:37:18,650
realize it

761
00:37:14,349 --> 00:37:22,609
we have crashed UFOs we have the bodies

762
00:37:18,650 --> 00:37:25,579
they're being held by the military this

763
00:37:22,608 --> 00:37:28,789
subject is absolutely treated seriously

764
00:37:25,579 --> 00:37:31,969
by the upper levels of our military and

765
00:37:28,789 --> 00:37:34,579
our military industrial complex and if

766
00:37:31,969 --> 00:37:37,608
we could get this technology that we

767
00:37:34,579 --> 00:37:39,319
already have released it would solve our

768
00:37:37,608 --> 00:37:41,210
energy crisis would solve our

769
00:37:39,320 --> 00:37:43,609
environmental crisis would solve our

770

00:37:41,210 --> 00:37:47,900
economic crisis Wow

771
00:37:43,608 --> 00:37:50,929
it would we have a huge huge effect the

772
00:37:47,900 --> 00:37:53,809
only reason it's being suppressed is

773
00:37:50,929 --> 00:37:56,599
because of or an oil kind of technology

774
00:37:53,809 --> 00:37:58,820
the people who are in power

775
00:37:56,599 --> 00:38:01,369
not gonna let this stuff out as long as

776
00:37:58,820 --> 00:38:04,670
we're continuing to spend money on oil

777
00:38:01,369 --> 00:38:07,069
and things like this because that we

778
00:38:04,670 --> 00:38:10,039
have free energy we have the technology

779
00:38:07,070 --> 00:38:11,900
it's there it's gotta be released the

780
00:38:10,039 --> 00:38:14,090
cat's already out of the bag the

781
00:38:11,900 --> 00:38:18,889
disclosure movement is not gonna go

782
00:38:14,090 --> 00:38:21,200
backward well well well Tesla had it

783
00:38:18,889 --> 00:38:23,539
over a hundred years ago and JP Morgan

784
00:38:21,199 --> 00:38:26,119

famously told him if you can't meet her

785

00:38:23,539 --> 00:38:28,159

it I'm not interested in it and there

786

00:38:26,119 --> 00:38:30,529

was a lot of speculation that Tesla

787

00:38:28,159 --> 00:38:35,029

himself was received a lot of this

788

00:38:30,530 --> 00:38:36,800

information from UFOs and you know from

789

00:38:35,030 --> 00:38:39,290

what you say with the Navy engineer

790

00:38:36,800 --> 00:38:42,410

perhaps Tesla was just a little bit more

791

00:38:39,289 --> 00:38:45,380

adroit as far as making or harnessing

792

00:38:42,409 --> 00:38:48,949

the power of electricity yeah he said he

793

00:38:45,380 --> 00:38:50,390

was in contact he said Wow yeah he

794

00:38:48,949 --> 00:38:53,149

thought he was hmm

795

00:38:50,389 --> 00:38:55,190

and just looking at his experiment and

796

00:38:53,150 --> 00:38:56,470

this is another thing we keep seeing

797

00:38:55,190 --> 00:38:59,349

again like we talked about earlier

798

00:38:56,469 --> 00:39:02,719

people are inspired to become inventors

799
00:38:59,349 --> 00:39:04,789
again and again one guy high school

800
00:39:02,719 --> 00:39:07,489
education you know didn't do well in

801
00:39:04,789 --> 00:39:09,230
school suddenly he's making all these

802
00:39:07,489 --> 00:39:11,479
patents he's super interested in

803
00:39:09,230 --> 00:39:15,469
electromagnetism is actually inventing

804
00:39:11,480 --> 00:39:25,639
stuff which again is not unique and

805
00:39:15,469 --> 00:39:30,199
certainly not even uncommon over and

806
00:39:25,639 --> 00:39:33,500
over again over the past a hundred or

807
00:39:30,199 --> 00:39:36,349
slightly more years of people have come

808
00:39:33,500 --> 00:39:41,510
up with machines a variety of different

809
00:39:36,349 --> 00:39:43,699
devices we would say that used what

810
00:39:41,510 --> 00:39:45,920
would seem to be free energy the car

811
00:39:43,699 --> 00:39:48,739
that works on water the electric car

812
00:39:45,920 --> 00:39:51,500
which is in free energy but it's it's

813
00:39:48,739 --> 00:39:53,329
approaching approaching that and we see

814
00:39:51,500 --> 00:39:56,739
over and over again the powers that be

815
00:39:53,329 --> 00:40:01,009
try to step on that to squelch it and

816
00:39:56,739 --> 00:40:07,339
it's it's really unfortunate but I have

817
00:40:01,010 --> 00:40:09,890
no no option but to believe that a free

818
00:40:07,340 --> 00:40:10,309
or almost free energy is possible and

819
00:40:09,889 --> 00:40:13,038
that

820
00:40:10,309 --> 00:40:14,989
we have to persevere as the one

821
00:40:13,039 --> 00:40:17,449
gentleman in the book one of the Navy

822
00:40:14,989 --> 00:40:19,759
fellows said that we have to you know

823
00:40:17,449 --> 00:40:21,680
kind of persevere and believe that it

824
00:40:19,759 --> 00:40:24,498
can happen because I believe that

825
00:40:21,679 --> 00:40:27,259
intention if we have the intention to do

826
00:40:24,498 --> 00:40:29,718
something that we can in fact make it

827

00:40:27,259 --> 00:40:32,748
happen and if we have the intention to

828
00:40:29,719 --> 00:40:35,239
say run a car on water we can but I

829
00:40:32,748 --> 00:40:38,568
think our next step will be some form of

830
00:40:35,239 --> 00:40:43,249
a hovercraft because I've seen visions

831
00:40:38,568 --> 00:40:46,219
where our highways are overrun with

832
00:40:43,248 --> 00:40:48,649
grass and and that things are floating

833
00:40:46,219 --> 00:40:52,938
up just above the highways and that they

834
00:40:48,650 --> 00:40:57,528
just use the old highways as a sort of a

835
00:40:52,938 --> 00:40:59,478
route to follow kind of thing well I

836
00:40:57,528 --> 00:41:03,199
can't wait for that to happen I see the

837
00:40:59,478 --> 00:41:08,088
traffic here in LA just oh the worst in

838
00:41:03,199 --> 00:41:09,680
the world I've heard yeah oh six me an

839
00:41:08,088 --> 00:41:12,739
hour just to go ten miles

840
00:41:09,679 --> 00:41:15,558
Wow Wow there's no reason for it we have

841
00:41:12,739 --> 00:41:17,989

the technology yeah we have lose energy

842

00:41:15,559 --> 00:41:19,849

and I think what the et they're doing is

843

00:41:17,989 --> 00:41:21,650

basically now they've bonded the

844

00:41:19,849 --> 00:41:24,380

government we have the technology it's

845

00:41:21,650 --> 00:41:26,150

still not coming out so they're going to

846

00:41:24,380 --> 00:41:29,209

the people we're doing a grassroots

847

00:41:26,150 --> 00:41:30,798

movement type of thing and one contact

848

00:41:29,208 --> 00:41:33,708

after another has been giving this

849

00:41:30,798 --> 00:41:35,838

information and sooner or later it's

850

00:41:33,708 --> 00:41:39,048

just going to reach a saturation point

851

00:41:35,838 --> 00:41:41,630

where it can't be covered up anymore

852

00:41:39,048 --> 00:41:44,208

hmm we would like we're trending towards

853

00:41:41,630 --> 00:41:50,959

open official contact I hope so I hope

854

00:41:44,208 --> 00:41:54,228

so you had written a book about some

855

00:41:50,958 --> 00:41:59,298

interesting events on the Coronado

856
00:41:54,228 --> 00:42:02,598
Island and we had one of our regular

857
00:41:59,298 --> 00:42:06,199
listeners a gentleman named Peter report

858
00:42:02,599 --> 00:42:09,318
about his incident at the big hotel

859
00:42:06,199 --> 00:42:13,088
there the del Coronado and his

860
00:42:09,318 --> 00:42:18,139
experience had to do with a television

861
00:42:13,088 --> 00:42:21,679
that came on by itself and display the

862
00:42:18,139 --> 00:42:24,170
image of a woman who was a perhaps

863
00:42:21,679 --> 00:42:28,250
deceased so we would call it a ghost

864
00:42:24,170 --> 00:42:30,559
and and so we'd like to hear a little

865
00:42:28,250 --> 00:42:34,400
bit more unfortunately haven't gotten to

866
00:42:30,559 --> 00:42:36,949
reading your book about the card Auto

867
00:42:34,400 --> 00:42:39,980
Island incident yet but I it will

868
00:42:36,949 --> 00:42:42,019
certainly be on my list of things to

869
00:42:39,980 --> 00:42:45,139
read would you like to give us a just a

870
00:42:42,019 --> 00:42:47,750
short rundown on that Preston yeah

871
00:42:45,139 --> 00:42:50,210
absolutely it's a great case and what's

872
00:42:47,750 --> 00:42:52,730
amazing about this case is sort of it

873
00:42:50,210 --> 00:42:55,159
when I give to people they are skeptical

874
00:42:52,730 --> 00:42:58,940
because it involves not one witness not

875
00:42:55,159 --> 00:43:02,149
two not four on not even six or eight

876
00:42:58,940 --> 00:43:04,579
it's more than that on this one night in

877
00:43:02,150 --> 00:43:06,829
nineteen ninety-four March 14th I

878
00:43:04,579 --> 00:43:10,309
believe it was a bunch of people had

879
00:43:06,829 --> 00:43:13,250
contact and there this book that I wrote

880
00:43:10,309 --> 00:43:15,230
focuses on six witnesses for it's a

881
00:43:13,250 --> 00:43:18,440
village in this is just down the street

882
00:43:15,230 --> 00:43:20,329
from the court del Coronado now if

883
00:43:18,440 --> 00:43:22,579
you've been to Coronado Island it's very

884

00:43:20,329 --> 00:43:24,860
densely populated it's a very touristy

885
00:43:22,579 --> 00:43:26,900
town it's got an enormous number of

886
00:43:24,860 --> 00:43:28,900
police on there this is where the Navy

887
00:43:26,900 --> 00:43:32,180
SEALs do their training it's

888
00:43:28,900 --> 00:43:35,059
quasi-military the least likely place

889
00:43:32,179 --> 00:43:37,099
you'd ever expect for a UFO encounter

890
00:43:35,059 --> 00:43:40,670
and when this encounter actually

891
00:43:37,099 --> 00:43:42,170
happened President Clinton was due to

892
00:43:40,670 --> 00:43:46,010
visit in like two days

893
00:43:42,170 --> 00:43:48,440
he's been and the staying actually at a

894
00:43:46,010 --> 00:43:50,960
house maybe a block away from where this

895
00:43:48,440 --> 00:43:53,450
incident occurred so the entire island

896
00:43:50,960 --> 00:43:58,309
was just swimming with Secret Service I

897
00:43:53,449 --> 00:44:01,579
don't know if this was a display of you

898
00:43:58,309 --> 00:44:05,329

know what these ETS can do or what have

899

00:44:01,579 --> 00:44:09,230

you but on this one night six people in

900

00:44:05,329 --> 00:44:12,469

one hotel were all taken and all the men

901

00:44:09,230 --> 00:44:14,300

to various degrees of recall got

902

00:44:12,469 --> 00:44:18,739

interviewed they were taken where

903

00:44:14,300 --> 00:44:22,280

Preston I'm into a UFO they were had an

904

00:44:18,739 --> 00:44:26,089

abduction experience okay out of the

905

00:44:22,280 --> 00:44:28,040

hotel room which sounds unusual but if

906

00:44:26,090 --> 00:44:32,320

you look into this you know that these

907

00:44:28,039 --> 00:44:36,050

ETS can abduct people anywhere out of a

908

00:44:32,320 --> 00:44:37,600

moving trains off of boats densely

909

00:44:36,050 --> 00:44:40,090

populated suburbs

910

00:44:37,599 --> 00:44:42,069

condos I had one person who had an

911

00:44:40,090 --> 00:44:44,590

experience in the Marriott hotel

912

00:44:42,070 --> 00:44:45,280

unlike the seventh floor her Woodland

913
00:44:44,590 --> 00:44:47,800
Hills

914
00:44:45,280 --> 00:44:49,450
that's scary yeah these people all had

915
00:44:47,800 --> 00:44:52,510
an experience on the same night with

916
00:44:49,449 --> 00:44:54,159
gray type ETS and some extraordinary

917
00:44:52,510 --> 00:44:57,880
experience because it involves a great

918
00:44:54,159 --> 00:44:59,909
deal of medical evidence it's absolutely

919
00:44:57,880 --> 00:45:05,530
one of the people actually had their

920
00:44:59,909 --> 00:45:07,839
implant removed dr. Roger Leir we

921
00:45:05,530 --> 00:45:10,150
specialized in this so yeah it's a great

922
00:45:07,840 --> 00:45:13,019
case to Norma's amounts of physical

923
00:45:10,150 --> 00:45:15,820
evidence and sort of The Smoking Gun

924
00:45:13,019 --> 00:45:18,699
proving that these experiences do really

925
00:45:15,820 --> 00:45:23,670
happen had anybody reported actually

926
00:45:18,699 --> 00:45:23,669
seeing this craft outside the hotel

927
00:45:24,210 --> 00:45:28,360
mm-hmm

928
00:45:25,480 --> 00:45:32,260
only two is a limited extent they

929
00:45:28,360 --> 00:45:33,970
reported seeing bright lights not actual

930
00:45:32,260 --> 00:45:37,120
crafts but one person was sucked up

931
00:45:33,969 --> 00:45:39,099
actually a cup three people were sucked

932
00:45:37,119 --> 00:45:40,809
up out of the hotel into a beam of light

933
00:45:39,099 --> 00:45:43,750
into a craft so they didn't see it

934
00:45:40,809 --> 00:45:45,460
outside but it did sit on the inside and

935
00:45:43,750 --> 00:45:48,579
these people were not related to each

936
00:45:45,460 --> 00:45:51,460
other not a family group um there was

937
00:45:48,579 --> 00:45:54,460
one husband and wife mm-hmm in one room

938
00:45:51,460 --> 00:45:56,920
in the second one there was two best

939
00:45:54,460 --> 00:45:59,530
friends and in the third room these are

940
00:45:56,920 --> 00:46:04,090
all adjoining rooms by the way with

941

00:45:59,530 --> 00:46:07,960
another husband wife so uh yeah it's a

942
00:46:04,090 --> 00:46:09,460
really strange case a mass abduction I

943
00:46:07,960 --> 00:46:11,679
think you might cause there's not a

944
00:46:09,460 --> 00:46:15,610
whole lot out there most of us are one

945
00:46:11,679 --> 00:46:19,029
two maybe three or four people but six

946
00:46:15,610 --> 00:46:21,190
seven or eight that's almost unheard of

947
00:46:19,030 --> 00:46:25,960
well since if people didn't know each

948
00:46:21,190 --> 00:46:27,460
other beforehand how did they sort of

949
00:46:25,960 --> 00:46:28,720
relate to each other and say well you

950
00:46:27,460 --> 00:46:30,610
wouldn't believe what happened to me

951
00:46:28,719 --> 00:46:34,029
last night was just like a conversation

952
00:46:30,610 --> 00:46:35,590
over breakfast or how did they get to

953
00:46:34,030 --> 00:46:37,120
know that the others or did they

954
00:46:35,590 --> 00:46:40,260
actually see the other people in the

955
00:46:37,119 --> 00:46:43,650

craft um no they didn't know each other

956

00:46:40,260 --> 00:46:47,410

they were friends all these people were

957

00:46:43,650 --> 00:46:50,750

going down next no I was there I was on

958

00:46:47,409 --> 00:46:54,409

Cornell at that time oh yeah

959

00:46:50,750 --> 00:46:55,460

yeah UFO conference on that weekend and

960

00:46:54,409 --> 00:47:00,619

that's why they were there

961

00:46:55,460 --> 00:47:01,099

Oh weekend trains Oh Oh careful what you

962

00:47:00,619 --> 00:47:06,019

wish for

963

00:47:01,099 --> 00:47:08,449

Wow this turns up actually this is

964

00:47:06,019 --> 00:47:11,449

apparently a thing I just had no idea um

965

00:47:08,449 --> 00:47:14,829

but a lot of people report encounters

966

00:47:11,449 --> 00:47:17,269

mm-hmm while attending a UFO conference

967

00:47:14,829 --> 00:47:18,860

either in the hotel room or they'll run

968

00:47:17,269 --> 00:47:24,139

outside and like there's a us all

969

00:47:18,860 --> 00:47:26,930

outside everyone see it this happens

970
00:47:24,139 --> 00:47:31,639
quite a bit and this happened in the

971
00:47:26,929 --> 00:47:34,869
triad UFO conference 94 on Coronado

972
00:47:31,639 --> 00:47:40,039
Island had they had prior experiences

973
00:47:34,869 --> 00:47:41,929
each one did yes to some extent Mike I

974
00:47:40,039 --> 00:47:43,969
haven't forgot any of you didn't think

975
00:47:41,929 --> 00:47:45,409
so you know he was very interested in

976
00:47:43,969 --> 00:47:49,299
UFOs but it's like no I'm not an

977
00:47:45,409 --> 00:47:53,389
experiencer but he was now you are

978
00:47:49,300 --> 00:47:57,080
welcome up yeah after looking into it he

979
00:47:53,389 --> 00:48:00,799
writes having been his entire life Kate

980
00:47:57,079 --> 00:48:03,739
knows that at the conference at which I

981
00:48:00,800 --> 00:48:07,060
first met her would she put on in

982
00:48:03,739 --> 00:48:11,000
Atlantic City with Atlantic Coast UFOs

983
00:48:07,059 --> 00:48:13,279
that two women came into that conference

984
00:48:11,000 --> 00:48:15,650
or would be women we don't know that

985
00:48:13,280 --> 00:48:18,640
they were really women but there were

986
00:48:15,650 --> 00:48:21,170
two women they were like peas in a pod

987
00:48:18,639 --> 00:48:24,559
they looked exactly the same

988
00:48:21,170 --> 00:48:28,460
they looked human definitely human

989
00:48:24,559 --> 00:48:31,489
but they were like twins maybe one of

990
00:48:28,460 --> 00:48:34,849
them was seemed maybe a little bit older

991
00:48:31,489 --> 00:48:37,069
than the other and it's it's it's too

992
00:48:34,849 --> 00:48:40,250
long a story to relate entirely right

993
00:48:37,070 --> 00:48:43,640
now but they were seen by others besides

994
00:48:40,250 --> 00:48:46,400
me they seemed to single me out I got a

995
00:48:43,639 --> 00:48:48,259
message mental message that they were

996
00:48:46,400 --> 00:48:49,840
going to sit down next to me at the

997
00:48:48,260 --> 00:48:52,310
conference even though there was other

998

00:48:49,840 --> 00:48:54,620
tables where there was room for them to

999
00:48:52,309 --> 00:48:57,619
sit down and sure enough they sat down

1000
00:48:54,619 --> 00:49:01,670
right next to me and one of them was

1001
00:48:57,619 --> 00:49:03,789
wearing a huge ring like a huge ring

1002
00:49:01,670 --> 00:49:05,050
with what looked like something a

1003
00:49:03,789 --> 00:49:09,269
bluish stone could have been an

1004
00:49:05,050 --> 00:49:14,440
aquamarine or or a or another blue stone

1005
00:49:09,269 --> 00:49:16,690
but it was it was quite a scary kind of

1006
00:49:14,440 --> 00:49:21,639
experience to be and even in a room with

1007
00:49:16,690 --> 00:49:23,710
a couple hundred people in it not many

1008
00:49:21,639 --> 00:49:27,339
other people remembered seeing them no

1009
00:49:23,710 --> 00:49:30,610
not everybody but George filers wife saw

1010
00:49:27,340 --> 00:49:33,190
them and a couple of other people saw

1011
00:49:30,610 --> 00:49:34,930
them but they didn't notice anything

1012
00:49:33,190 --> 00:49:37,300

unusual because they didn't interact

1013

00:49:34,929 --> 00:49:41,529

with them but they sort of were a little

1014

00:49:37,300 --> 00:49:46,960

bit out of time in the sense that their

1015

00:49:41,530 --> 00:49:51,160

their address was that of maybe twenty

1016

00:49:46,960 --> 00:49:53,710

years prior like around 1980s clothing

1017

00:49:51,159 --> 00:49:57,609

and they kind of looked a little bit

1018

00:49:53,710 --> 00:50:00,070

like mafia wives is well I can say in a

1019

00:49:57,610 --> 00:50:03,039

certain sense they had the same a helmet

1020

00:50:00,070 --> 00:50:06,820

haircuts a black hair or nearly black

1021

00:50:03,039 --> 00:50:10,809

hair and helmet haircuts dressed in the

1022

00:50:06,820 --> 00:50:13,570

same clothing it was odd it was really

1023

00:50:10,809 --> 00:50:16,960

it was really an odd situation and and

1024

00:50:13,570 --> 00:50:18,760

they did hone in right on me and the

1025

00:50:16,960 --> 00:50:22,119

first thing they said to me have you

1026

00:50:18,760 --> 00:50:26,080

seen a UFO and I said yes how about you

1027
00:50:22,119 --> 00:50:28,359
because I often deflect the questions in

1028
00:50:26,079 --> 00:50:31,480
that manner by you know dumping the

1029
00:50:28,360 --> 00:50:33,519
question back at the person and and they

1030
00:50:31,480 --> 00:50:38,079
said they had and they said they had

1031
00:50:33,519 --> 00:50:41,079
seen the UFOs in Medford New Jersey's

1032
00:50:38,079 --> 00:50:44,440
Medford med medval Medford but it was

1033
00:50:41,079 --> 00:50:46,179
the same town where Alex from George

1034
00:50:44,440 --> 00:50:53,710
filer lives and I said oh you must know

1035
00:50:46,179 --> 00:50:55,659
George filer then no we don't it was it

1036
00:50:53,710 --> 00:51:00,159
was a little bizarre and it left me very

1037
00:50:55,659 --> 00:51:02,589
unsettled for the time of the of Kate's

1038
00:51:00,159 --> 00:51:04,869
wonderful conference that I had the

1039
00:51:02,590 --> 00:51:07,750
privilege to attend well thank you well

1040
00:51:04,869 --> 00:51:10,179
you know at Preston you seem to accept

1041
00:51:07,750 --> 00:51:12,369
the fact that these beings are alien and

1042
00:51:10,179 --> 00:51:15,169
they are in the sense of not being human

1043
00:51:12,369 --> 00:51:17,900
but do you think they actually come from

1044
00:51:15,170 --> 00:51:20,389
a planet what's your sense of where

1045
00:51:17,900 --> 00:51:22,940
their origin is because I I really

1046
00:51:20,389 --> 00:51:25,429
suspect they come and I know a lot of

1047
00:51:22,940 --> 00:51:27,798
people disagree with me mr. Freeman but

1048
00:51:25,429 --> 00:51:31,759
I really have a feeling a lot of them

1049
00:51:27,798 --> 00:51:34,579
come from here right from Earth and just

1050
00:51:31,760 --> 00:51:38,589
sort of little subsets of humanity that

1051
00:51:34,579 --> 00:51:43,849
have managed to exist outside our

1052
00:51:38,588 --> 00:51:47,259
existence yeah like a break away yeah I

1053
00:51:43,849 --> 00:51:50,150
get that feeling somehow it just seems

1054
00:51:47,260 --> 00:51:52,099
either that or this is just such an

1055

00:51:50,150 --> 00:51:53,990
incredibly attractive planet that

1056
00:51:52,099 --> 00:51:59,180
everybody wants to come here you know

1057
00:51:53,989 --> 00:52:01,429
it's I have a difficult time getting

1058
00:51:59,179 --> 00:52:03,230
away from you know your standard

1059
00:52:01,429 --> 00:52:05,419
extra-terrestrial hypothesis

1060
00:52:03,230 --> 00:52:10,608
I think thanks Terry that really best

1061
00:52:05,420 --> 00:52:13,818
explains the evidence mm-hmm I mean cuz

1062
00:52:10,608 --> 00:52:15,858
that they're not extraterrestrials and

1063
00:52:13,818 --> 00:52:19,039
where does that leave us what are we

1064
00:52:15,858 --> 00:52:21,828
mmm-hmm are we the only physical beings

1065
00:52:19,039 --> 00:52:24,079
in the universe I highly doubt that I

1066
00:52:21,829 --> 00:52:27,109
think these guys probably do have some

1067
00:52:24,079 --> 00:52:30,019
interdimensional abilities yes but we do

1068
00:52:27,108 --> 00:52:32,568
too and we can go out of body yes we do

1069
00:52:30,019 --> 00:52:35,780

do do the same sort of things that you

1070

00:52:32,568 --> 00:52:38,329

know they can do perhaps not the level

1071

00:52:35,780 --> 00:52:39,798

of understanding that they have but yeah

1072

00:52:38,329 --> 00:52:43,039

I do think these guys come from other

1073

00:52:39,798 --> 00:52:45,650

planets and they're building ships you

1074

00:52:43,039 --> 00:52:49,699

know maybe they're made out of metal I

1075

00:52:45,650 --> 00:52:52,730

think but that's appeared I just can't

1076

00:52:49,699 --> 00:52:54,919

get away from I think it best explains

1077

00:52:52,730 --> 00:52:56,780

the evidence but they do have any

1078

00:52:54,920 --> 00:52:59,480

dimensional abilities there's no doubt

1079

00:52:56,780 --> 00:53:02,390

in my mind that they're very advanced

1080

00:52:59,480 --> 00:53:08,059

terms of understanding the so-called

1081

00:53:02,389 --> 00:53:09,920

other side and higher dimensions but

1082

00:53:08,059 --> 00:53:13,130

yeah I still think that they're dealing

1083

00:53:09,920 --> 00:53:16,159

with biological beings very much like us

1084
00:53:13,130 --> 00:53:17,599
only different and what their origins

1085
00:53:16,159 --> 00:53:20,029
are well that's a million-dollar

1086
00:53:17,599 --> 00:53:22,400
question and yes yes it's been here

1087
00:53:20,030 --> 00:53:24,500
forever you know that yeah just be a

1088
00:53:22,400 --> 00:53:28,338
paintings and Renaissance paintings and

1089
00:53:24,500 --> 00:53:29,000
yes indeed I wouldn't be surprised if

1090
00:53:28,338 --> 00:53:32,000
they've got a

1091
00:53:29,000 --> 00:53:34,460
here or some of them had evolved from

1092
00:53:32,000 --> 00:53:37,239
here or we evolved from somewhere else

1093
00:53:34,460 --> 00:53:41,240
for that matter apparently the best

1094
00:53:37,239 --> 00:53:44,149
remote viewer in the past one of the

1095
00:53:41,239 --> 00:53:48,139
best let us say Ingo Swan was great also

1096
00:53:44,150 --> 00:53:52,579
but this guy Pat price he did speak

1097
00:53:48,139 --> 00:53:54,949
about alien bases in Australia for one

1098
00:53:52,579 --> 00:53:59,630
he may have spoken about more than one

1099
00:53:54,949 --> 00:54:03,169
and I remember asking the famous

1100
00:53:59,630 --> 00:54:06,650
physicist Hal poot of who started the

1101
00:54:03,170 --> 00:54:08,599
remote viewing the program in the United

1102
00:54:06,650 --> 00:54:11,900
States with my dear friend Russell Targ

1103
00:54:08,599 --> 00:54:14,299
and how put off when I asked him a

1104
00:54:11,900 --> 00:54:17,809
question in public at the remote viewers

1105
00:54:14,300 --> 00:54:22,870
Association I asked him about Pat price

1106
00:54:17,809 --> 00:54:25,570
who was his coworker really his his a

1107
00:54:22,869 --> 00:54:28,480
person who he worked with a great deal

1108
00:54:25,570 --> 00:54:31,430
was it true that there are alien bases

1109
00:54:28,480 --> 00:54:32,929
around there was one in Australia or

1110
00:54:31,429 --> 00:54:34,369
around Australia somewhere and he said

1111
00:54:32,929 --> 00:54:38,469
yeah that's true that happened that's

1112

00:54:34,369 --> 00:54:41,359
that's absolutely true so I don't know

1113
00:54:38,469 --> 00:54:45,849
I've been made that there wasn't I mean

1114
00:54:41,360 --> 00:54:48,140
just the sheer number of people report

1115
00:54:45,849 --> 00:54:49,699
let's see that that's the whole thing I

1116
00:54:48,139 --> 00:54:52,849
mean if it was a mission of exploration

1117
00:54:49,699 --> 00:54:54,679
there be five or six and mission of

1118
00:54:52,849 --> 00:54:57,139
invasion or whatever then there's that

1119
00:54:54,679 --> 00:54:59,149
by the thousands and yeah I'd still I

1120
00:54:57,139 --> 00:55:02,690
don't get the feeling that this is an

1121
00:54:59,150 --> 00:55:04,490
invasion a force of invasion it just

1122
00:55:02,690 --> 00:55:06,349
doesn't seem like that and even though

1123
00:55:04,489 --> 00:55:08,449
they're technologically advanced it

1124
00:55:06,349 --> 00:55:10,670
doesn't seem that they're sociologically

1125
00:55:08,449 --> 00:55:14,869
that advanced either I mean they show a

1126
00:55:10,670 --> 00:55:16,550

lot of human characteristics and you

1127

00:55:14,869 --> 00:55:19,609

know certainly the tales of the old

1128

00:55:16,550 --> 00:55:23,350

mythology and the origins of most of the

1129

00:55:19,610 --> 00:55:26,620

religions would seem to echo what these

1130

00:55:23,349 --> 00:55:29,179

people or what these beings are saying

1131

00:55:26,619 --> 00:55:31,099

yeah I think they're very much like us I

1132

00:55:29,179 --> 00:55:33,399

mean their behavior falls under the same

1133

00:55:31,099 --> 00:55:36,349

sort of umbrella as human behavior hmm

1134

00:55:33,400 --> 00:55:38,930

really I mean people were able to

1135

00:55:36,349 --> 00:55:41,599

predict UFO sightings Jim and Cora

1136

00:55:38,929 --> 00:55:44,239

Lorenzen pioneering UFO investigators

1137

00:55:41,599 --> 00:55:46,099

yeah yeah realized that hey these guys

1138

00:55:44,239 --> 00:55:48,469

out whenever there's a new technological

1139

00:55:46,099 --> 00:55:50,630

installation built these guys appear

1140

00:55:48,469 --> 00:55:54,649

over it you're actually able to predict

1141
00:55:50,630 --> 00:55:58,130
UFO settings on by this method and I did

1142
00:55:54,650 --> 00:55:59,960
a study of like UFOs and Rockets they're

1143
00:55:58,130 --> 00:56:02,590
very closely watching all our

1144
00:55:59,960 --> 00:56:05,619
technological development into space and

1145
00:56:02,590 --> 00:56:09,440
also I did a study on UFOs in mines

1146
00:56:05,619 --> 00:56:11,449
iron mines and gold mines and there are

1147
00:56:09,440 --> 00:56:13,670
so many cases they're about twenty or

1148
00:56:11,449 --> 00:56:16,369
thirty cases where these UFOs are seen

1149
00:56:13,670 --> 00:56:18,380
not only hovering over mines but landing

1150
00:56:16,369 --> 00:56:21,319
and in some cases actually affecting

1151
00:56:18,380 --> 00:56:23,690
these mines so that's speaking toward

1152
00:56:21,320 --> 00:56:25,910
them being you know interested in our

1153
00:56:23,690 --> 00:56:28,909
metals of our planet which would mean

1154
00:56:25,909 --> 00:56:32,299
the building craft you know and their

1155
00:56:28,909 --> 00:56:33,949
physical things so I think that by and

1156
00:56:32,300 --> 00:56:37,550
large their behavior is very much

1157
00:56:33,949 --> 00:56:39,739
similar to ours and they're doing what

1158
00:56:37,550 --> 00:56:43,220
we would probably do if we were to visit

1159
00:56:39,739 --> 00:56:44,629
an alien race or another planet well

1160
00:56:43,219 --> 00:56:47,869
yeah they're saying now if you go to

1161
00:56:44,630 --> 00:56:50,539
Mars use the what you have there in Mars

1162
00:56:47,869 --> 00:56:52,969
to create habitats rather than take it

1163
00:56:50,539 --> 00:56:54,739
with you just use what what will be

1164
00:56:52,969 --> 00:56:57,409
wherever you're going so yeah that would

1165
00:56:54,739 --> 00:57:00,169
make sense and when you mention gold

1166
00:56:57,409 --> 00:57:04,789
then you think is such in - right and

1167
00:57:00,170 --> 00:57:06,860
the Anunnaki that whole I he had some

1168
00:57:04,789 --> 00:57:09,860
interesting theories too I would say and

1169

00:57:06,860 --> 00:57:13,430
the old gold mines in in Africa Africa

1170
00:57:09,860 --> 00:57:17,590
all those you know I kind of almost

1171
00:57:13,429 --> 00:57:17,589
prehistoric gold mines that were there

1172
00:57:20,119 --> 00:57:26,900
[Music]

1173
00:57:23,050 --> 00:57:28,760
well Preston I want to thank you very

1174
00:57:26,900 --> 00:57:32,990
very much for being with us this

1175
00:57:28,760 --> 00:57:36,290
afternoon and I hope that you will

1176
00:57:32,989 --> 00:57:38,719
continue to keep writing and continue to

1177
00:57:36,289 --> 00:57:41,900
keep letting us know about what it is

1178
00:57:38,719 --> 00:57:43,879
you're you're writing about because we

1179
00:57:41,900 --> 00:57:46,960
certainly like to stay in touch with you

1180
00:57:43,880 --> 00:57:50,750
and once again we have been speaking to

1181
00:57:46,960 --> 00:57:53,659
Preston Dennett and discussed primarily

1182
00:57:50,750 --> 00:57:54,909
his book inside UFOs the true accounts

1183
00:57:53,659 --> 00:57:58,509

of contact

1184

00:57:54,909 --> 00:58:00,608

I recommend highly and I want to get

1185

00:57:58,509 --> 00:58:04,650

myself a copy somewhere along the line

1186

00:58:00,608 --> 00:58:08,018

of I'm looking for the name of it here

1187

00:58:04,650 --> 00:58:12,220

boy oh boy oh boy the Coronado Island

1188

00:58:08,018 --> 00:58:13,088

UFO incident because I want to find out

1189

00:58:12,219 --> 00:58:17,318

what that was about

1190

00:58:13,088 --> 00:58:19,028

okay so thanks so much Preston and

1191

00:58:17,318 --> 00:58:21,099

Preston's been great talking to you

1192

00:58:19,028 --> 00:58:23,949

again - thanks so much for your time

1193

00:58:21,099 --> 00:58:26,200

this afternoon hey it's been a pleasure

1194

00:58:23,949 --> 00:58:28,659

and yeah I really enjoyed talking with

1195

00:58:26,199 --> 00:58:30,038

you guys and I really appreciate you

1196

00:58:28,659 --> 00:58:31,808

guys having me on the show and we'll

1197

00:58:30,039 --> 00:58:35,440

definitely have to do it again okay

1198
00:58:31,809 --> 00:58:36,759
speak to you soon well that was fun yeah

1199
00:58:35,440 --> 00:58:40,720
that was really interesting

1200
00:58:36,759 --> 00:58:45,849
yeah and just want to mention that next

1201
00:58:40,719 --> 00:58:49,899
time on shattered reality podcast which

1202
00:58:45,849 --> 00:58:53,710
I think will be our show number 63 we

1203
00:58:49,900 --> 00:58:57,720
are going to have Julie bye shall dr.

1204
00:58:53,710 --> 00:59:01,720
Julie bye shall who like many of our

1205
00:58:57,719 --> 00:59:06,689
guests is a prominent Society for

1206
00:59:01,719 --> 00:59:09,939
scientific exploration member and she is

1207
00:59:06,690 --> 00:59:13,289
she along with her husband Mark

1208
00:59:09,940 --> 00:59:16,960
they started the wind bridge Institute

1209
00:59:13,289 --> 00:59:21,369
that has now morphed into a nonprofit

1210
00:59:16,960 --> 00:59:25,809
organization called I believe the wind

1211
00:59:21,369 --> 00:59:30,250
bridge organization or G and we will be

1212
00:59:25,809 --> 00:59:33,430
speaking to her about mediumship and the

1213
00:59:30,250 --> 00:59:37,588
kind of scientific verification that she

1214
00:59:33,429 --> 00:59:40,568
has studied and experimented with

1215
00:59:37,588 --> 00:59:43,028
mediums and what she's up to it what

1216
00:59:40,568 --> 00:59:45,969
she's up to with it right now and this

1217
00:59:43,028 --> 00:59:48,099
is a really good I think it's gonna be a

1218
00:59:45,969 --> 00:59:50,919
very interesting show and it's on a

1219
00:59:48,099 --> 00:59:52,599
different a different scope than what

1220
00:59:50,920 --> 00:59:55,440
we've been covering lately a different

1221
00:59:52,599 --> 00:59:59,380
topic yes I don't think we've done that

1222
00:59:55,440 --> 01:00:03,750
okay okay so now mm-hmm

1223
00:59:59,380 --> 01:00:06,750
let's do it goodbye from shattered

1224
01:00:03,750 --> 01:00:06,750
reality

1225
01:00:13,219 --> 01:00:16,869
[Music]

1226

01:00:29,619 --> 01:00:31,680
you
