00:00:08,150 --> 00:00:14,250
[Music]

2
00:00:16,778 --> 00:00:25,070
welcome to shattered reality with your

3
00:00:20,268 --> 00:00:28,099
hosts Kate Valentine and furs prepare to

4
00:00:25,070 --> 00:00:34,609
head of paradigms shifted in the truths

5
00:00:28,100 --> 00:00:39,039
questioned and now shattered reality hey

6
00:00:34,609 --> 00:00:46,069
Kate I'm doing okay

7
00:00:39,039 --> 00:00:48,679
today is April 24th 2018 and I would

8
00:00:46,069 --> 00:00:51,079
like to welcome you back Kate

9
00:00:48,679 --> 00:00:54,739
to shattered reality thank you you've

10
00:00:51,079 --> 00:00:58,009
been out for a couple of weeks and and

11
00:00:54,738 --> 00:01:00,858
and we're so happy to have you back here

12
00:00:58,009 --> 00:01:05,509
on the show it's not the same without

13
00:01:00,859 --> 00:01:09,920
you believe me so spring is springing

14
00:01:05,510 --> 00:01:13,670
here and the Northeast and we have a

15
00:01:09,920 --> 00:01:17,540
really wonderful show today we have a

16
00:01:13,670 --> 00:01:20,710
very very interesting gentleman coming

17
00:01:17,540 --> 00:01:25,430
on the show he has written a book called

18
00:01:20,709 --> 00:01:30,369
incident at Devil's Den he is a lawyer

19
00:01:25,430 --> 00:01:35,080
and he is a former assistant attorney

20
00:01:30,370 --> 00:01:38,900
general he has served in the Air Force

21
00:01:35,079 --> 00:01:42,980
just post Vietnam he was he got into the

22
00:01:38,900 --> 00:01:47,810
Air Force as as Vietnam was winding down

23
00:01:42,980 --> 00:01:51,909
he's a married man with two children and

24
00:01:47,810 --> 00:01:55,730
two grandchildren he's an all-around

25
00:01:51,909 --> 00:01:59,719
regular guy the kind of guy that you

26
00:01:55,730 --> 00:02:04,250
would definitely think would be telling

27
00:01:59,719 --> 00:02:07,310
an honest truthful story and what I'm

28
00:02:04,250 --> 00:02:10,610
going to suggest to you here Kate

29

00:02:07,310 --> 00:02:13,519
is that as we introduce our guests after

30
00:02:10,610 --> 00:02:16,459
we say hello to him I think in this

31
00:02:13,519 --> 00:02:19,300
particular case we're just unlike our

32
00:02:16,459 --> 00:02:21,879
usual chatty bratty selves

33
00:02:19,300 --> 00:02:24,250
um we are just gonna let him tell this

34
00:02:21,879 --> 00:02:26,590
story at the beginning and then we'll

35
00:02:24,250 --> 00:02:29,110
ask him questions later on so we're

36
00:02:26,590 --> 00:02:31,060
gonna kind of sit back which is not

37
00:02:29,110 --> 00:02:33,850
generally what we do if that's okay with

38
00:02:31,060 --> 00:02:37,569
you Kate I think that's a great idea

39
00:02:33,849 --> 00:02:39,069
fascinating story Wow it is an amazing

40
00:02:37,569 --> 00:02:43,180
amazing story

41
00:02:39,069 --> 00:02:44,799
so what amazes me more is that how would

42
00:02:43,180 --> 00:02:47,560
someone see something like this in

43
00:02:44,800 --> 00:02:51,520

reporting the next thing they have to do

44

00:02:47,560 --> 00:02:53,680

is say oh you know how just go over

45

00:02:51,520 --> 00:02:56,950

their entire background make them a

46

00:02:53,680 --> 00:02:58,360

credible witness as if as if someone's

47

00:02:56,949 --> 00:03:01,000

going to report something like this

48

00:02:58,360 --> 00:03:03,640

otherwise I always has annoyed me that

49

00:03:01,000 --> 00:03:06,159

they had to go overboard to prove

50

00:03:03,639 --> 00:03:12,279

they're credible witness which Terry you

51

00:03:06,159 --> 00:03:14,859

certainly are I mean without that you

52

00:03:12,280 --> 00:03:16,990

know and as you mentioned too in your

53

00:03:14,860 --> 00:03:20,230

book you know you were certainly nervous

54

00:03:16,990 --> 00:03:23,200

about doing this while you were working

55

00:03:20,229 --> 00:03:25,419

in a field where this would be scoffed

56

00:03:23,199 --> 00:03:26,019

at you hear the Snickers behind your

57

00:03:25,419 --> 00:03:30,729

back

58
00:03:26,020 --> 00:03:33,760
well sure Kate can I stop you for one

59
00:03:30,729 --> 00:03:45,370
second because we haven't said his full

60
00:03:33,759 --> 00:03:47,620
name this is Terry Lovelace welcome I

61
00:03:45,370 --> 00:03:50,230
gave everything out but his name so I'm

62
00:03:47,620 --> 00:03:53,680
sorry to interrupt you window but this

63
00:03:50,229 --> 00:03:57,939
is Terry Lovelace and he is right now

64
00:03:53,680 --> 00:04:00,489
he's in Texas and he has written this

65
00:03:57,939 --> 00:04:05,409
incident at Devil's Den which is a

66
00:04:00,489 --> 00:04:07,810
fabulous book and so we'd like to hear

67
00:04:05,409 --> 00:04:10,659
your story Terry if you'd like to tell

68
00:04:07,810 --> 00:04:13,420
us in the order in which it happened or

69
00:04:10,659 --> 00:04:15,780
in whatever order we'll just kind of let

70
00:04:13,419 --> 00:04:19,629
you run a little bit with this okay okay

71
00:04:15,780 --> 00:04:21,370
thank you very much yeah I I won't go in

72
00:04:19,629 --> 00:04:23,560
chronological order because I think

73
00:04:21,370 --> 00:04:27,160
it'll make more sense well I'll just

74
00:04:23,560 --> 00:04:29,620
explain I separated from the Air Force

75
00:04:27,160 --> 00:04:35,590
in 1979

76
00:04:29,620 --> 00:04:41,079
and I began running there was a jogging

77
00:04:35,589 --> 00:04:43,989
as it was called was something new and I

78
00:04:41,079 --> 00:04:46,509
became pretty avid runner I mean that a

79
00:04:43,990 --> 00:04:48,400
marathon guy but but I would run you

80
00:04:46,509 --> 00:04:52,899
know try to run a couple miles a day and

81
00:04:48,399 --> 00:04:56,500
I noticed that every time every single

82
00:04:52,899 --> 00:05:01,389
time I hit about the two-mile mark in my

83
00:04:56,500 --> 00:05:05,139
run there's a spot on my right leg just

84
00:05:01,389 --> 00:05:09,209
above my knee and to the right about the

85
00:05:05,139 --> 00:05:14,439
size of a half dollar that would go dumb

86

00:05:09,209 --> 00:05:17,259
and I referred to it as my numb spot and

87
00:05:14,439 --> 00:05:19,420
I asked some other runners you know you

88
00:05:17,259 --> 00:05:21,250
guys ever experienced anything I nobody

89
00:05:19,420 --> 00:05:25,000
I've ever heard of anything like it

90
00:05:21,250 --> 00:05:26,800
I asked my doctor you know well you know

91
00:05:25,000 --> 00:05:28,860
what is this is anything to be worried

92
00:05:26,800 --> 00:05:31,360
about he's absolutely not

93
00:05:28,860 --> 00:05:33,100
don't worry about it if it's not

94
00:05:31,360 --> 00:05:38,370
bothering you don't worry about it

95
00:05:33,100 --> 00:05:43,020
so I didn't and I was cognizant of it

96
00:05:38,370 --> 00:05:46,569
and it was there for 40 years

97
00:05:43,019 --> 00:05:48,969
you know 2012

98
00:05:46,569 --> 00:05:54,250
I took a slight fall down some stairs

99
00:05:48,970 --> 00:05:56,020
and I thought I'd broken my leg and I

100
00:05:54,250 --> 00:05:59,500

went to the hospital emergency room to

101

00:05:56,019 --> 00:06:06,359

have my leg x-rayed the VA hospital I

102

00:05:59,500 --> 00:06:09,629

might mention and a radiology tech took

103

00:06:06,360 --> 00:06:11,980

the standard two shots of my leg and

104

00:06:09,629 --> 00:06:14,709

what kind of perplexed and said well

105

00:06:11,980 --> 00:06:17,140

we're gonna do two more and she did two

106

00:06:14,709 --> 00:06:18,939

more and then she asked me she said miss

107

00:06:17,139 --> 00:06:22,139

Lovelace do you have you had a shrapnel

108

00:06:18,939 --> 00:06:24,939

wound or been in an automobile accident

109

00:06:22,139 --> 00:06:28,120

something to account for a piece of

110

00:06:24,939 --> 00:06:30,129

metal in your leg and I no absolutely

111

00:06:28,120 --> 00:06:33,160

not

112

00:06:30,129 --> 00:06:36,149

and she took two more shots was a tote

113

00:06:33,160 --> 00:06:39,550

there were a total of eight shots taken

114

00:06:36,149 --> 00:06:41,709

and I asked to see them because I mean

115
00:06:39,550 --> 00:06:43,329
I'm not a doctor or a radiologist but I

116
00:06:41,709 --> 00:06:46,688
was an EMT you and I was in the

117
00:06:43,329 --> 00:06:49,240
military for six years so I'd seen

118
00:06:46,689 --> 00:06:52,090
x-rays before and it's pretty clear to

119
00:06:49,240 --> 00:06:54,400
see on an x-ray something that doesn't

120
00:06:52,089 --> 00:06:57,609
belong if that makes sense when you see

121
00:06:54,399 --> 00:06:59,709
it it's just doesn't belong we're gonna

122
00:06:57,610 --> 00:07:03,419
put it up on the website by the way the

123
00:06:59,709 --> 00:07:06,250
x-ray just putting that in there

124
00:07:03,418 --> 00:07:08,258
she she put it up on the box and showed

125
00:07:06,250 --> 00:07:09,908
me and she said I've asked the

126
00:07:08,259 --> 00:07:12,520
radiologist to come down and get his

127
00:07:09,908 --> 00:07:14,939
opinion now there were two actually

128
00:07:12,519 --> 00:07:17,318
there are two anomalies there is the

129
00:07:14,939 --> 00:07:20,050
metallic piece about the size of a

130
00:07:17,319 --> 00:07:22,419
fingernail above my knee that has to

131
00:07:20,050 --> 00:07:27,759
what looks like wires that go straight

132
00:07:22,418 --> 00:07:32,918
up and low my knee there is a flower

133
00:07:27,759 --> 00:07:35,620
petal arrangement of material that the

134
00:07:32,918 --> 00:07:39,519
radiologist said is the same density as

135
00:07:35,620 --> 00:07:41,610
bone but it couldn't be bone shouldn't

136
00:07:39,519 --> 00:07:46,060
be bone

137
00:07:41,610 --> 00:07:49,240
those are cysts are nodules earned are

138
00:07:46,060 --> 00:07:51,300
nodes those are actually from the side

139
00:07:49,240 --> 00:07:54,610
view they look they look almost round

140
00:07:51,300 --> 00:07:56,500
but from a head-on view you can see that

141
00:07:54,610 --> 00:08:07,139
they're perfectly flat they are flat

142
00:07:56,500 --> 00:08:07,139
discs and this was back in 79 now you

143

00:08:08,879 --> 00:08:15,819
know the x-ray but you started to run

144
00:08:12,639 --> 00:08:18,879
back in 79 that's right that's right so

145
00:08:15,819 --> 00:08:21,699
that's probably it was so those things

146
00:08:18,879 --> 00:08:23,849
were there before 2012 they've been

147
00:08:21,699 --> 00:08:28,088
there all along

148
00:08:23,848 --> 00:08:31,478
and 79 was way before like chips and all

149
00:08:28,088 --> 00:08:35,110
this sort of miniaturization of computer

150
00:08:31,478 --> 00:08:45,429
parts came along yes pretty much yeah

151
00:08:35,110 --> 00:08:47,409
Wow so I'm sorry I did to make clear so

152
00:08:45,429 --> 00:08:49,419
the radiologists in yet and the

153
00:08:47,409 --> 00:08:51,669
emergency emergency room radiologists

154
00:08:49,419 --> 00:08:54,610
walked over to my leg and poked my leg

155
00:08:51,669 --> 00:08:56,860
with his finger and said it'll be right

156
00:08:54,610 --> 00:08:59,980
here and I said well

157
00:08:56,860 --> 00:09:03,430

dr. what will be right here he said the

158

00:08:59,980 --> 00:09:07,240

scar he said you something has breached

159

00:09:03,429 --> 00:09:09,879

the integrity of your skin for this item

160

00:09:07,240 --> 00:09:13,690

to be embedded in your leg and there

161

00:09:09,879 --> 00:09:16,838

must be a scar have you been in an

162

00:09:13,690 --> 00:09:20,920

accident no no denied ever never being

163

00:09:16,839 --> 00:09:24,130

hurt and he frowned and asked me to take

164

00:09:20,919 --> 00:09:28,028

my pants off and look and he looked at

165

00:09:24,129 --> 00:09:31,179

my leg and for 20 minutes then he sent

166

00:09:28,028 --> 00:09:32,939

his intern and I might add medical

167

00:09:31,179 --> 00:09:37,500

people kept trickling into the room

168

00:09:32,940 --> 00:09:40,649

looking at the SI and and whispering and

169

00:09:37,500 --> 00:09:44,139

in turn returned with a handheld

170

00:09:40,649 --> 00:09:47,970

backlight and the radiologist said that

171

00:09:44,139 --> 00:09:50,828

this will make the scar tissue fluoresce

172
00:09:47,970 --> 00:09:52,839
killed the overhead lights and then he

173
00:09:50,828 --> 00:09:56,259
examined my leg again under the

174
00:09:52,839 --> 00:10:02,589
blacklight and could find no scar

175
00:09:56,259 --> 00:10:04,448
because there is no scar and I asked him

176
00:10:02,589 --> 00:10:07,779
I said doctor how often have you seen

177
00:10:04,448 --> 00:10:11,049
for an object in a human body without a

178
00:10:07,778 --> 00:10:13,328
corresponding scar and his reply was

179
00:10:11,049 --> 00:10:21,099
I've been doing this for 23 years and

180
00:10:13,328 --> 00:10:24,009
never never see answer definitely there

181
00:10:21,100 --> 00:10:27,240
has to be a scar and if there isn't

182
00:10:24,009 --> 00:10:32,889
that's really truly amazing point of

183
00:10:27,240 --> 00:10:39,730
entry yeah he called it a portal of

184
00:10:32,889 --> 00:10:43,028
entry yeah interesting yes so it didn't

185
00:10:39,730 --> 00:10:44,980
hit me until I'm it gave me a pair of

186
00:10:43,028 --> 00:10:48,669
crutches they diagnosed me as having a

187
00:10:44,980 --> 00:10:53,350
baker's cyst nothing to do with baking

188
00:10:48,669 --> 00:10:54,759
and just assists that causes pain lasts

189
00:10:53,350 --> 00:10:59,139
for a couple weeks and then it's gone

190
00:10:54,759 --> 00:11:01,088
and it's a benign thing mm-hmm but on my

191
00:10:59,139 --> 00:11:04,809
way to the car with my wife it hit me

192
00:11:01,089 --> 00:11:07,779
this is that same spot this is that same

193
00:11:04,809 --> 00:11:10,019
spot that goes numb it's right over this

194
00:11:07,778 --> 00:11:10,019
thing

195
00:11:10,509 --> 00:11:18,838
and my wife and I kind of looked at one

196
00:11:12,879 --> 00:11:23,769
another and we had had some experiences

197
00:11:18,839 --> 00:11:27,430
with UFOs and the like it had become

198
00:11:23,769 --> 00:11:30,698
after 1977 it had become my own our

199
00:11:27,429 --> 00:11:34,388
household kind of an on topic we didn't

200

00:11:30,698 --> 00:11:37,059
discuss it we didn't watch movies about

201
00:11:34,389 --> 00:11:39,070
UFOs or independence like the movie

202
00:11:37,059 --> 00:11:45,549
Independence Day which everyone's seen

203
00:11:39,070 --> 00:11:49,180
but you know every time I watched

204
00:11:45,549 --> 00:11:54,219
something of that genre it triggers

205
00:11:49,179 --> 00:11:57,219
nightmares so how about while you're

206
00:11:54,220 --> 00:12:05,470
watching it you get like anxiety during

207
00:11:57,220 --> 00:12:07,720
the time sometimes with us there are

208
00:12:05,470 --> 00:12:10,959
some things that I call triggers and I

209
00:12:07,720 --> 00:12:16,389
mentioned in my book like mannequin

210
00:12:10,958 --> 00:12:18,338
heads 87 yes 1987 my wife and I were

211
00:12:16,389 --> 00:12:21,100
walking around a mall it was

212
00:12:18,339 --> 00:12:23,920
Christmastime and we rounded a corner

213
00:12:21,100 --> 00:12:28,120
and there was a shop window and it was

214
00:12:23,919 --> 00:12:32,679

being set up and there were about three

215

00:12:28,120 --> 00:12:43,828

or four mannequins that were nude and a

216

00:12:32,679 --> 00:12:49,149

couple of them just from the waist up I

217

00:12:43,828 --> 00:12:54,818

saw them and I had a panic attack and I

218

00:12:49,149 --> 00:12:58,568

just couldn't I had to leave I'm sorry

219

00:12:54,818 --> 00:13:00,370

we got a leave and I didn't sleep well

220

00:12:58,568 --> 00:13:05,948

that night I didn't sleep all for a

221

00:13:00,370 --> 00:13:09,310

couple of nights yeah that was an odd

222

00:13:05,948 --> 00:13:12,969

experience it was you know a meltdown

223

00:13:09,309 --> 00:13:17,018

that really yeah there was no reason for

224

00:13:12,970 --> 00:13:21,009

it it's sort of starting to come

225

00:13:17,019 --> 00:13:22,659

together though yes I think I get an

226

00:13:21,009 --> 00:13:25,500

idea where this one's gonna be headed

227

00:13:22,659 --> 00:13:25,500

Wow

228

00:13:25,690 --> 00:13:31,310

so I'm sorry so III really you tell a

229
00:13:29,419 --> 00:13:34,370
great story and I really shouldn't keep

230
00:13:31,309 --> 00:13:40,459
interrupting you please don't no hope

231
00:13:34,370 --> 00:13:44,889
you help you stay on track the wife had

232
00:13:40,460 --> 00:13:48,740
asked me to to go and see a therapist

233
00:13:44,889 --> 00:13:51,860
the nightmares that I'd had we had an

234
00:13:48,740 --> 00:13:55,220
incident a big incident in 1977 when I

235
00:13:51,860 --> 00:14:00,200
believe that myself and my buddy Tobias

236
00:13:55,220 --> 00:14:04,250
when we were abducted and we went

237
00:14:00,200 --> 00:14:08,900
through a lot of stress after that and

238
00:14:04,250 --> 00:14:11,389
I'll explain that in just a bit but we

239
00:14:08,899 --> 00:14:16,250
wanted nothing to do with the topic you

240
00:14:11,389 --> 00:14:22,039
know we just had had our fill of UFOs

241
00:14:16,250 --> 00:14:26,000
and and anything of a like so you know

242
00:14:22,039 --> 00:14:29,209
we just oh the other I'm sorry I should

243
00:14:26,000 --> 00:14:33,169
have mentioned this the same mall two

244
00:14:29,210 --> 00:14:37,339
weeks later we walked around a corner

245
00:14:33,169 --> 00:14:41,529
and there was a stand of hardcover books

246
00:14:37,339 --> 00:14:44,660
on the end cap of a big chain bookstore

247
00:14:41,529 --> 00:14:48,409
and I don't remember if it was with

248
00:14:44,659 --> 00:14:50,799
streamers book or community it was the

249
00:14:48,409 --> 00:14:54,889
book with the alien on the cover

250
00:14:50,799 --> 00:15:00,919
yeah I walked around the corner and I

251
00:14:54,889 --> 00:15:04,220
saw that face and it just and I grabbed

252
00:15:00,919 --> 00:15:08,569
my wife's shoulder and I said I got

253
00:15:04,220 --> 00:15:10,730
leave and I walked out and she ran after

254
00:15:08,570 --> 00:15:12,260
me what did they know what's wrong and I

255
00:15:10,730 --> 00:15:15,920
said my god did you see that

256
00:15:12,259 --> 00:15:17,689
go back and look at it she didn't she

257

00:15:15,919 --> 00:15:19,309
went back she came back to me and said

258
00:15:17,690 --> 00:15:22,720
yeah that's the kind of a spooky looking

259
00:15:19,309 --> 00:15:27,229
face but so what

260
00:15:22,720 --> 00:15:30,200
but just like the mannequin heads the

261
00:15:27,230 --> 00:15:33,289
response was not appropriate the the

262
00:15:30,200 --> 00:15:34,910
stimuli it was it was way over over the

263
00:15:33,289 --> 00:15:37,219
top of what it should have been

264
00:15:34,909 --> 00:15:40,129
and suggests that I see a therapist

265
00:15:37,220 --> 00:15:43,720
which I did I did for a couple of

266
00:15:40,129 --> 00:15:46,490
sessions and it was an odd experience

267
00:15:43,720 --> 00:15:49,790
and that I chose the therapist that was

268
00:15:46,490 --> 00:15:51,440
close to my office I was busy I didn't

269
00:15:49,789 --> 00:15:55,399
want to devote a lot of time to doctor's

270
00:15:51,440 --> 00:15:58,070
appointments and there's a woman named

271
00:15:55,399 --> 00:16:01,220

Beth her bath like our baths in the book

272

00:15:58,070 --> 00:16:06,320
and very nice woman

273

00:16:01,220 --> 00:16:08,320
very good credentials in SW with Masters

274

00:16:06,320 --> 00:16:12,010
in Social Work with a clinical emphasis

275

00:16:08,320 --> 00:16:15,920
and she administered some tests

276

00:16:12,009 --> 00:16:19,519
she's ministered and mmpi the Minnesota

277

00:16:15,919 --> 00:16:21,319
multiphasic personality inventory and

278

00:16:19,519 --> 00:16:23,809
another test that I wasn't familiar with

279

00:16:21,320 --> 00:16:26,180
and on the second session we discussed

280

00:16:23,809 --> 00:16:29,839
them and she says Terry there's some

281

00:16:26,179 --> 00:16:31,219
cooler things he said well first of all

282

00:16:29,840 --> 00:16:34,129
you're not psychotic you're not

283

00:16:31,220 --> 00:16:36,710
suffering from any mental illness it's

284

00:16:34,129 --> 00:16:39,289
just as your test scores are very

285

00:16:36,710 --> 00:16:44,360
similar to those people who are

286
00:16:39,289 --> 00:16:46,279
suffering from PTSD and she asked have

287
00:16:44,360 --> 00:16:53,300
you had a traumatic experience in your

288
00:16:46,279 --> 00:16:55,750
life and I said well and I knew I didn't

289
00:16:53,299 --> 00:16:58,599
want to talk about the 1977 event

290
00:16:55,750 --> 00:17:02,360
because every time I split let me know

291
00:16:58,600 --> 00:17:04,309
yeah and it felt like I could sense

292
00:17:02,360 --> 00:17:08,180
there was an audible change in her voice

293
00:17:04,309 --> 00:17:14,269
and the room felt smaller and I felt

294
00:17:08,180 --> 00:17:16,549
uncomfortable and I said Beth I think I

295
00:17:14,269 --> 00:17:19,599
need to go and I'll reschedule with you

296
00:17:16,549 --> 00:17:25,789
oh yeah I think we both coming back and

297
00:17:19,599 --> 00:17:28,809
I shook her hand and ran to the car and

298
00:17:25,789 --> 00:17:31,519
I called that chapter a close call

299
00:17:28,809 --> 00:17:34,779
that's the way it felt it felt like I

300
00:17:31,519 --> 00:17:38,269
had a close call but but from what I

301
00:17:34,779 --> 00:17:40,339
don't know I think I think that these

302
00:17:38,269 --> 00:17:41,079
things whatever they are they come and

303
00:17:40,339 --> 00:17:44,619
take us

304
00:17:41,079 --> 00:17:44,619
kento promise

305
00:17:45,380 --> 00:17:52,700
well obviously you got something in you

306
00:17:47,900 --> 00:17:54,950
you know yeah well your close call too

307
00:17:52,700 --> 00:17:57,650
is maybe you just really didn't want to

308
00:17:54,950 --> 00:17:59,538
face up to the fact that something had

309
00:17:57,650 --> 00:18:02,330
happened to you that you really didn't

310
00:17:59,538 --> 00:18:05,210
want to know about because sometimes

311
00:18:02,329 --> 00:18:10,038
knowing about is like reliving it it's

312
00:18:05,210 --> 00:18:13,460
terribly scary yes I did the initial

313
00:18:10,038 --> 00:18:15,950
event I can't imagine the sheer terror I

314

00:18:13,460 --> 00:18:19,029
really don't want to imagine it we know

315
00:18:15,950 --> 00:18:25,340
the sheer terror okay we know they share

316
00:18:19,029 --> 00:18:27,288
yes yes it's you know everyone

317
00:18:25,339 --> 00:18:35,329
thinks that oh well you're just afraid

318
00:18:27,288 --> 00:18:38,390
it goes so far beyond that fear it is

319
00:18:35,329 --> 00:18:41,359
beyond fear and I've I've kind I don't

320
00:18:38,390 --> 00:18:45,950
use litmus tests with people but I do

321
00:18:41,359 --> 00:18:50,089
know this that anybody who is has really

322
00:18:45,950 --> 00:18:55,610
had a one-on-one experience has this

323
00:18:50,089 --> 00:18:58,069
type of fear that is so it's not like

324
00:18:55,609 --> 00:19:00,589
being afraid of the dark or being afraid

325
00:18:58,069 --> 00:19:02,210
of butterflies or being afraid of

326
00:19:00,589 --> 00:19:07,579
spiders or something

327
00:19:02,210 --> 00:19:10,610
this is earthy gut-wrenching animal you

328
00:19:07,579 --> 00:19:14,538

know primitive brain fear it comes

329

00:19:10,609 --> 00:19:18,439

somewhere I think from the very from the

330

00:19:14,538 --> 00:19:22,390

lizard brain or a very old part of the

331

00:19:18,440 --> 00:19:25,700

brain that is absolutely debilitating

332

00:19:22,390 --> 00:19:29,179

forgive my rudeness crapping your pants

333

00:19:25,700 --> 00:19:32,240

fear but you are spot-on

334

00:19:29,179 --> 00:19:36,019

you are so spot-on I used almost those

335

00:19:32,240 --> 00:19:38,210

exact same words in my book I said this

336

00:19:36,019 --> 00:19:41,089

is a primitive kind of fear that comes

337

00:19:38,210 --> 00:19:44,029

it's been the brain stem and I said I

338

00:19:41,089 --> 00:19:48,288

have no doubt that this fear must have

339

00:19:44,029 --> 00:19:50,899

been what our ancestors now maybe 10,000

340

00:19:48,288 --> 00:19:54,379

generations ago what they must have felt

341

00:19:50,900 --> 00:19:58,460

after the Sun went down and then and

342

00:19:54,380 --> 00:20:04,010

then we were the prey all the sudden

343
00:19:58,460 --> 00:20:06,319
yes I had two experiences as a child too

344
00:20:04,009 --> 00:20:08,809
that I should mention because I think

345
00:20:06,319 --> 00:20:12,519
that they helped to bring this into

346
00:20:08,809 --> 00:20:15,409
focus and give it a little more context

347
00:20:12,519 --> 00:20:22,730
especially an in regard to discussion of

348
00:20:15,410 --> 00:20:24,620
fear when I was eight I had recurrent

349
00:20:22,730 --> 00:20:27,259
nightmares and in the end these

350
00:20:24,619 --> 00:20:32,869
nightmares were always the same there

351
00:20:27,259 --> 00:20:36,589
were four monkeys I'm eight eight years

352
00:20:32,869 --> 00:20:39,469
old and these four little monkeys are

353
00:20:36,589 --> 00:20:42,949
wearing masks the mask

354
00:20:39,470 --> 00:20:47,240
all white with yellow eyes and

355
00:20:42,950 --> 00:20:51,259
exaggerated smiles they're all identical

356
00:20:47,240 --> 00:20:55,279
and they would appear in my room and

357
00:20:51,259 --> 00:20:57,470
approach my bed in a sin of circle and

358
00:20:55,279 --> 00:21:02,299
get closer to me and the one closest to

359
00:20:57,470 --> 00:21:05,329
my hate to my head would say come with

360
00:21:02,299 --> 00:21:09,919
us Terry come with us and we'll play and

361
00:21:05,329 --> 00:21:13,359
we'll bring you back anything my mind

362
00:21:09,920 --> 00:21:18,050
side to this day I can see a monkey paw

363
00:21:13,359 --> 00:21:23,240
being held out to me and then I can see

364
00:21:18,049 --> 00:21:31,609
a hand or long fingers it's not a human

365
00:21:23,240 --> 00:21:36,799
hand Wow reaching out to me that's so

366
00:21:31,609 --> 00:21:39,469
classic and I think I went with them I

367
00:21:36,799 --> 00:21:43,369
think I even said in my book when I

368
00:21:39,470 --> 00:21:45,230
first saw the monkeys they were and this

369
00:21:43,369 --> 00:21:47,269
was this was a recurring event when I

370
00:21:45,230 --> 00:21:50,809
first see them they're almost comical in

371

00:21:47,269 --> 00:21:55,250
a way and I think they're they disguise

372
00:21:50,809 --> 00:22:01,970
they take on a guys that to look benign

373
00:21:55,250 --> 00:22:05,839
to look friendly and I had a memory of

374
00:22:01,970 --> 00:22:12,740
being taken once and playing with other

375
00:22:05,839 --> 00:22:18,558
children eight years old 19

376
00:22:12,740 --> 00:22:21,808
63i I'm having these nightmares and

377
00:22:18,558 --> 00:22:23,898
coincidentally or concurrently at the

378
00:22:21,808 --> 00:22:28,230
same time I'm having these nightmares

379
00:22:23,898 --> 00:22:30,449
I'm in my backyard and I'm shooting a

380
00:22:28,230 --> 00:22:32,339
bow and arrow and I'm loading an arrow

381
00:22:30,450 --> 00:22:36,840
into the notch of the bowstring and I'm

382
00:22:32,339 --> 00:22:40,139
looking down and I see this shadow I see

383
00:22:36,839 --> 00:22:43,939
this big elliptical shadow move from in

384
00:22:40,140 --> 00:22:48,690
back of me and instinctively I looked up

385
00:22:43,940 --> 00:22:51,048

expecting to see a cloud and home or the

386

00:22:48,690 --> 00:22:55,278

top of me about 50 feet in the air is

387

00:22:51,048 --> 00:22:57,990

this absolutely gorgeous beautiful

388

00:22:55,278 --> 00:23:02,220

saucer Wow

389

00:22:57,990 --> 00:23:05,339

I was awestruck by this thing and I

390

00:23:02,220 --> 00:23:10,110

remember I stood there and I thought I

391

00:23:05,339 --> 00:23:14,730

was just amazed and I remember there was

392

00:23:10,109 --> 00:23:16,439

a odd audible change in that the

393

00:23:14,730 --> 00:23:17,970

neighborhood was normally alive with

394

00:23:16,440 --> 00:23:20,278

this was in the middle of a Saturday

395

00:23:17,970 --> 00:23:23,669

afternoon in a neighborhood not only

396

00:23:20,278 --> 00:23:26,038

alive with children and cars and I could

397

00:23:23,669 --> 00:23:28,559

hear my mother's soap operas or TV

398

00:23:26,038 --> 00:23:31,558

blaring from the house but it was gone

399

00:23:28,558 --> 00:23:35,278

it was like silent the ADO's effect

400
00:23:31,558 --> 00:23:37,398
that's there's a name for that the Oz

401
00:23:35,278 --> 00:23:43,440
effect I believe it was coined by the

402
00:23:37,398 --> 00:23:54,209
British UFO investigator named Jenny

403
00:23:43,440 --> 00:23:59,840
Randall's was that smell just like right

404
00:23:54,210 --> 00:24:02,850
after a thunderstorm my arms stood up

405
00:23:59,839 --> 00:24:05,759
and the crazy thing is the lawn had just

406
00:24:02,849 --> 00:24:08,849
been loaded day or two before and I had

407
00:24:05,759 --> 00:24:10,109
a compulsion to lie down on my back and

408
00:24:08,849 --> 00:24:17,719
look up at this thing

409
00:24:10,109 --> 00:24:20,579
1963 staring up at this silver disc

410
00:24:17,720 --> 00:24:23,220
directly over my head

411
00:24:20,579 --> 00:24:25,730
that was just an incredible thing to see

412
00:24:23,220 --> 00:24:25,730
and

413
00:24:26,450 --> 00:24:30,930
after I had watched it for a moment and

414
00:24:28,980 --> 00:24:33,930
again I had no perception of time I

415
00:24:30,930 --> 00:24:37,380
don't know if I watched it for you know

416
00:24:33,930 --> 00:24:41,640
three minutes or 30 minutes it's it's

417
00:24:37,380 --> 00:24:44,550
odd I don't know but I watched it wobble

418
00:24:41,640 --> 00:24:49,290
in the breeze a bit and then it listed

419
00:24:44,549 --> 00:24:52,470
kind of to one side and it shot off and

420
00:24:49,289 --> 00:24:54,659
it was gone literally in the blink of an

421
00:24:52,470 --> 00:25:00,529
eye I you if you blinked you would have

422
00:24:54,660 --> 00:25:03,060
missed it but I saw so I go and I

423
00:25:00,529 --> 00:25:08,190
screamed at that point I I jumped to my

424
00:25:03,059 --> 00:25:10,440
feet and I'm screaming mom mom and of

425
00:25:08,190 --> 00:25:12,570
course my mother or mother thinks I've

426
00:25:10,440 --> 00:25:14,970
taken my bow and arrow and shot the

427
00:25:12,569 --> 00:25:18,089
neighbor or something you know and she

428

00:25:14,970 --> 00:25:19,710
comes running out looks me over and does

429
00:25:18,089 --> 00:25:24,000
a quick assessment and doesn't see any

430
00:25:19,710 --> 00:25:26,190
blood and drags me in the house and she

431
00:25:24,000 --> 00:25:30,029
tells me you've got to stop screaming

432
00:25:26,190 --> 00:25:32,420
I don't remember screaming but she told

433
00:25:30,029 --> 00:25:34,470
me later that I did that I screamed

434
00:25:32,420 --> 00:25:38,460
non-stop until we got in the house

435
00:25:34,470 --> 00:25:40,289
because my throat was sore was hoarse

436
00:25:38,460 --> 00:25:43,799
from screaming Wow

437
00:25:40,289 --> 00:25:45,480
and I was staring at this spot she told

438
00:25:43,799 --> 00:25:49,529
me you were staring at that spot in the

439
00:25:45,480 --> 00:25:50,509
sky and she said I had to drag you in by

440
00:25:49,529 --> 00:25:55,769
the arm

441
00:25:50,509 --> 00:25:57,900
so 1963 my mom says what what happened

442
00:25:55,769 --> 00:26:00,779

what happened I my mom did you see it it

443

00:25:57,900 --> 00:26:03,780

was so cool it was a flying saucer just

444

00:26:00,779 --> 00:26:06,269

like the ones you've seen on TV and

445

00:26:03,779 --> 00:26:08,730

she's like well oh wait a minute doctor

446

00:26:06,269 --> 00:26:12,450

I don't know what you saw but you did

447

00:26:08,730 --> 00:26:14,099

not see a flying saucer and I said yes I

448

00:26:12,450 --> 00:26:16,350

did I know what I saw

449

00:26:14,099 --> 00:26:18,509

no you didn't it was something else I

450

00:26:16,349 --> 00:26:21,899

promise you you can't go around and tell

451

00:26:18,509 --> 00:26:23,129

people you saw a UFO or a fly a flying

452

00:26:21,900 --> 00:26:24,690

saucer you can't go around telling

453

00:26:23,130 --> 00:26:25,890

people you're seeing flying saucers

454

00:26:24,690 --> 00:26:27,120

they'll think you're crazy

455

00:26:25,890 --> 00:26:29,070

they'll think there's something wrong

456

00:26:27,119 --> 00:26:32,219

with with you or something wrong with us

457
00:26:29,069 --> 00:26:35,250
don't you know she said it had to be a

458
00:26:32,220 --> 00:26:37,990
jet it had to be a something secret from

459
00:26:35,250 --> 00:26:41,019
the Army but

460
00:26:37,990 --> 00:26:42,880
was insistent you know that's not true I

461
00:26:41,019 --> 00:26:45,009
know what I saw mom you weren't there

462
00:26:42,880 --> 00:26:48,760
yeah how much easier life would have

463
00:26:45,009 --> 00:26:52,299
been had she been there but yeah my

464
00:26:48,759 --> 00:26:55,179
folks wouldn't believe me and that is

465
00:26:52,299 --> 00:26:57,460
with that point is when the nightmares

466
00:26:55,179 --> 00:27:04,150
took a darker turn oh my

467
00:26:57,460 --> 00:27:06,160
and that's when I had the recall of what

468
00:27:04,150 --> 00:27:10,210
I call in the book the big bug like

469
00:27:06,160 --> 00:27:12,308
things and these things were about six

470
00:27:10,210 --> 00:27:14,519
feet tall of course when I was eight

471
00:27:12,308 --> 00:27:16,599
they looked probably nine feet tall and

472
00:27:14,519 --> 00:27:19,569
they look like big bugs

473
00:27:16,599 --> 00:27:24,308
they look like praying mantises yes this

474
00:27:19,569 --> 00:27:27,700
is this is a well known variant of a of

475
00:27:24,308 --> 00:27:30,178
an alien it's a it's one of the types of

476
00:27:27,700 --> 00:27:35,830
aliens that people do apparently see

477
00:27:30,179 --> 00:27:38,920
well what amazed me was the the hands if

478
00:27:35,829 --> 00:27:40,689
you want to call them hands were

479
00:27:38,920 --> 00:27:43,240
manipulating these stainless steel

480
00:27:40,690 --> 00:27:46,720
objects with you know with a lot with

481
00:27:43,240 --> 00:27:51,579
dexterity they were like he was turning

482
00:27:46,720 --> 00:27:56,799
them around and I was kind of fascinated

483
00:27:51,579 --> 00:27:58,689
by that I was subdued I think I was I

484
00:27:56,799 --> 00:28:02,409
was creating one point there were a

485

00:27:58,690 --> 00:28:04,870
couple of instances and at one point I

486
00:28:02,410 --> 00:28:09,460
recall he was doing something to my

487
00:28:04,869 --> 00:28:15,729
lower spine oh dear and I was screaming

488
00:28:09,460 --> 00:28:17,710
and I think I annoyed him and the only

489
00:28:15,730 --> 00:28:19,509
time he ever communicated was I always

490
00:28:17,710 --> 00:28:21,549
pleaded with these things why are you

491
00:28:19,509 --> 00:28:22,869
doing this leave me alone let me go back

492
00:28:21,549 --> 00:28:26,859
home I'm scared

493
00:28:22,869 --> 00:28:28,629
didn't completely ignore my pleas this

494
00:28:26,859 --> 00:28:31,750
time for whatever reason like I said I

495
00:28:28,630 --> 00:28:36,090
think I think I got on on its nerves

496
00:28:31,750 --> 00:28:39,009
I got the message in my head you know

497
00:28:36,089 --> 00:28:41,319
why are you doing this why why are you

498
00:28:39,009 --> 00:28:43,269
screaming like this you know you've been

499
00:28:41,319 --> 00:28:45,009

here before we're gonna take you back

500

00:28:43,269 --> 00:28:48,220

home everything's gonna be okay you

501

00:28:45,009 --> 00:28:51,819

won't remember this and it sounds odd

502

00:28:48,220 --> 00:28:54,460

but I got a vibe from this thing like he

503

00:28:51,819 --> 00:28:58,240

just doing my job man if that makes

504

00:28:54,460 --> 00:29:03,309

sense yeah well yeah that's I guess they

505

00:28:58,240 --> 00:29:05,710

sort of see us like we see tagging you

506

00:29:03,309 --> 00:29:08,980

know birds in the sky like to see the

507

00:29:05,710 --> 00:29:11,319

the flight paths of birds scientists

508

00:29:08,980 --> 00:29:14,799

will tag them and I think that's how

509

00:29:11,319 --> 00:29:17,369

they view us like like wild animals that

510

00:29:14,799 --> 00:29:22,809

they can do what the heck they want with

511

00:29:17,369 --> 00:29:27,189

yes I think I refer to myself as that

512

00:29:22,809 --> 00:29:29,079

you know I in 2012 it hit me that you

513

00:29:27,190 --> 00:29:30,460

know these things this thing in my leg

514
00:29:29,079 --> 00:29:32,439
had to get there some way that means

515
00:29:30,460 --> 00:29:35,350
these things had to put their hands on

516
00:29:32,440 --> 00:29:36,870
me and that's terror that makes my skin

517
00:29:35,349 --> 00:29:39,759
crawl

518
00:29:36,869 --> 00:29:41,949
absolutely at night I think about that

519
00:29:39,759 --> 00:29:47,109
sometimes and then I usually end up

520
00:29:41,950 --> 00:29:49,120
being awake all night because there's

521
00:29:47,109 --> 00:29:52,479
this well it's just a terrifying ordeal

522
00:29:49,119 --> 00:29:55,750
but I learned pretty quickly that no one

523
00:29:52,480 --> 00:29:58,029
no one would believe me and I mean I was

524
00:29:55,750 --> 00:30:00,940
a I was a very straight kid I was a good

525
00:29:58,029 --> 00:30:04,269
student I was on a liar I didn't make up

526
00:30:00,940 --> 00:30:08,410
stories I could not understand why

527
00:30:04,269 --> 00:30:12,359
adults would not listen to me I they

528
00:30:08,410 --> 00:30:14,950
were adamant it was not a flying saucer

529
00:30:12,359 --> 00:30:17,609
they went as far as to take me to him to

530
00:30:14,950 --> 00:30:21,970
a medical doctor to the family doctor

531
00:30:17,609 --> 00:30:25,259
had me checked over you know and the

532
00:30:21,970 --> 00:30:29,380
doctor asked my dad to leave the room

533
00:30:25,259 --> 00:30:32,109
asked me son tell me what you saw

534
00:30:29,380 --> 00:30:35,140
nice well it was a jet I think it was a

535
00:30:32,109 --> 00:30:39,099
check and he crosses his arms and he's

536
00:30:35,140 --> 00:30:42,730
like well no why would Jets if you

537
00:30:39,099 --> 00:30:44,019
nightmares about flying saucers and at

538
00:30:42,730 --> 00:30:46,180
that time I wasn't having nightmares

539
00:30:44,019 --> 00:30:47,889
about flying saucers I was having

540
00:30:46,180 --> 00:30:52,779
nightmares about these big bug things

541
00:30:47,890 --> 00:30:55,240
right hurting me and he says you can

542

00:30:52,779 --> 00:30:58,839
trust me I'm your doctor I want you to

543
00:30:55,240 --> 00:31:01,359
be well so against my better judgment I

544
00:30:58,839 --> 00:31:04,809
told him the truth I said I saw the

545
00:31:01,359 --> 00:31:05,609
silver discs in the sky it was beautiful

546
00:31:04,809 --> 00:31:08,039
I told

547
00:31:05,609 --> 00:31:10,459
the whole story and he and I never

548
00:31:08,039 --> 00:31:13,109
tipped his hand he just kind of nodded

549
00:31:10,460 --> 00:31:15,509
called my dad back in the room and said

550
00:31:13,109 --> 00:31:19,379
what we have here is an overactive

551
00:31:15,509 --> 00:31:21,619
imagination compounded by Jonny Quest

552
00:31:19,380 --> 00:31:25,799
cartoons oh dear

553
00:31:21,619 --> 00:31:27,119
and what kind of TV is he watching and

554
00:31:25,798 --> 00:31:29,369
they had a conversation like I wasn't

555
00:31:27,119 --> 00:31:32,189
even in the room you know and and they

556
00:31:29,369 --> 00:31:34,439

took me home my folks my folks idea of

557

00:31:32,190 --> 00:31:38,400

healthier television was Three Stooges

558

00:31:34,440 --> 00:31:40,200

reruns oh my that lasted about three

559

00:31:38,400 --> 00:31:44,250

weeks and there's nothing that was on

560

00:31:40,200 --> 00:31:47,160

everyone's last nerve but I learned from

561

00:31:44,250 --> 00:31:48,509

that you know you can't tell people cuz

562

00:31:47,160 --> 00:31:52,048

they won't believe you

563

00:31:48,509 --> 00:31:54,839

and it just when I was 11 just a few

564

00:31:52,048 --> 00:31:57,990

years later I had a second instant a

565

00:31:54,839 --> 00:32:03,418

second sighting and this one was a lot

566

00:31:57,990 --> 00:32:07,919

more dramatic and I was it was bitterly

567

00:32:03,419 --> 00:32:10,620

cold January night I went to bed normal

568

00:32:07,919 --> 00:32:14,929

routine evening in every way didn't

569

00:32:10,619 --> 00:32:18,329

watch anything spooky on TV and I recall

570

00:32:14,929 --> 00:32:22,309

waking up and when I opened my eyes I

571
00:32:18,329 --> 00:32:27,000
was sitting bolt upright in my bed and

572
00:32:22,308 --> 00:32:29,339
there was a low mechanical hum I call it

573
00:32:27,000 --> 00:32:32,519
mechanical like if you've ever been next

574
00:32:29,339 --> 00:32:34,980
to it a diesel locomotive or some big

575
00:32:32,519 --> 00:32:38,129
piece of machinery a turbine for

576
00:32:34,980 --> 00:32:43,710
instance yeah yeah and it wasn't so much

577
00:32:38,130 --> 00:32:46,559
loud as it sounded powerful and my room

578
00:32:43,710 --> 00:32:50,400
is lit up with yellow white and orange

579
00:32:46,558 --> 00:32:53,369
lights flashing and there you know more

580
00:32:50,400 --> 00:32:57,390
brilliant than any sunrise they are just

581
00:32:53,369 --> 00:32:59,909
my room is lit up and the hum has the

582
00:32:57,390 --> 00:33:01,830
Bennis five rating and I had a little

583
00:32:59,910 --> 00:33:05,580
desk next to my bed I had these little

584
00:33:01,829 --> 00:33:07,349
model airplanes on the desk and I saw

585
00:33:05,579 --> 00:33:12,269
one of them vibrated off the edge and

586
00:33:07,349 --> 00:33:17,849
fell onto the floor well I got out of

587
00:33:12,269 --> 00:33:19,470
bed and I was interested but thought to

588
00:33:17,849 --> 00:33:24,599
cry out to my mom never cry

589
00:33:19,470 --> 00:33:28,319
my mind but I was almost apathetic and I

590
00:33:24,599 --> 00:33:30,869
went and I was just curious and I opened

591
00:33:28,319 --> 00:33:33,750
the blind and here is a here is a flying

592
00:33:30,869 --> 00:33:35,908
saucer and it's the top side of the one

593
00:33:33,750 --> 00:33:39,960
that I saw before or one like it a

594
00:33:35,909 --> 00:33:42,360
circular disc it's a circular disc with

595
00:33:39,960 --> 00:33:44,340
a dome on top and the dome is where the

596
00:33:42,359 --> 00:33:46,439
lights are coming from and the lights

597
00:33:44,339 --> 00:33:49,678
are so intense i can't look into the

598
00:33:46,440 --> 00:33:53,308
dome but i can see that underneath it

599

00:33:49,679 --> 00:33:57,450
there is steam or some type that looks

600
00:33:53,308 --> 00:34:00,418
like heavy fog and i would recall I took

601
00:33:57,450 --> 00:34:03,080
the drape drapery and I tucked it into

602
00:34:00,419 --> 00:34:06,659
the venetian blind so I could look at

603
00:34:03,079 --> 00:34:09,090
hands-free and I looked at it for a

604
00:34:06,659 --> 00:34:11,608
minute and then I thought well that's

605
00:34:09,090 --> 00:34:15,050
pretty cool I'm gonna go back to bed

606
00:34:11,608 --> 00:34:17,969
and it turned around and was back to bed

607
00:34:15,050 --> 00:34:20,429
okay it was the oddest thing It was as

608
00:34:17,969 --> 00:34:21,779
if I laid down open my eyes and it was

609
00:34:20,429 --> 00:34:24,619
daytime Wow

610
00:34:21,780 --> 00:34:29,490
and if not not an instant had passed

611
00:34:24,619 --> 00:34:31,230
Eadie I got out of bed and I almost

612
00:34:29,489 --> 00:34:32,759
stepped on this little airplane and I

613
00:34:31,230 --> 00:34:34,469

thought oh my god I could have stepped

614

00:34:32,760 --> 00:34:37,710

on I could have broke that and then my

615

00:34:34,469 --> 00:34:40,168

memory hit me oh my god this happened

616

00:34:37,710 --> 00:34:42,119

last night and I immediately turned my

617

00:34:40,168 --> 00:34:44,848

head to look at the window and the

618

00:34:42,119 --> 00:34:47,700

venetian blinds had the draperies stuck

619

00:34:44,849 --> 00:34:50,519

into them and then i knew this was no

620

00:34:47,699 --> 00:34:53,549

dream it hasn't for real

621

00:34:50,519 --> 00:34:55,139

absolutely this it happened so at

622

00:34:53,550 --> 00:34:57,089

breakfast I asked everybody did

623

00:34:55,139 --> 00:35:00,300

everybody see those lights last night

624

00:34:57,088 --> 00:35:01,549

maybe a fire engine or something nope

625

00:35:00,300 --> 00:35:05,730

didn't see a thing

626

00:35:01,550 --> 00:35:08,099

you know and I certainly wasn't going on

627

00:35:05,730 --> 00:35:11,280

I certainly wasn't going to tell anyone

628
00:35:08,099 --> 00:35:14,070
cuz I knew they wouldn't believe me so I

629
00:35:11,280 --> 00:35:16,349
kept that to myself so you have already

630
00:35:14,070 --> 00:35:21,420
at the age of 11 been a multiple

631
00:35:16,349 --> 00:35:24,240
experience or we would say can we move

632
00:35:21,420 --> 00:35:26,369
ahead to your time in the airforce only

633
00:35:24,239 --> 00:35:29,579
because we do have a certain limit on

634
00:35:26,369 --> 00:35:31,950
our time it's not ending yet but we need

635
00:35:29,579 --> 00:35:33,150
to move ahead to that point so we can

636
00:35:31,949 --> 00:35:36,739
get to the

637
00:35:33,150 --> 00:35:40,548
the very very serious incidence of

638
00:35:36,739 --> 00:35:43,348
perhaps first where you saw the

639
00:35:40,548 --> 00:35:49,528
something over the missile base and then

640
00:35:43,349 --> 00:35:53,220
the camping trip yes I can I can move

641
00:35:49,528 --> 00:35:55,980
this right along sorry about that way I

642
00:35:53,219 --> 00:35:59,788
wish we had you no no no no that makes

643
00:35:55,980 --> 00:36:01,769
perfect sense I understand I the years

644
00:35:59,789 --> 00:36:03,990
between seeing the Flying Saucer when I

645
00:36:01,769 --> 00:36:05,699
was 11 and when I was 18 those years

646
00:36:03,989 --> 00:36:08,818
there we were absolutely normal I had

647
00:36:05,699 --> 00:36:11,129
nothing nothing out of the ordinary

648
00:36:08,818 --> 00:36:14,068
happen whatsoever I joined the United

649
00:36:11,130 --> 00:36:17,130
States Air Force I they trained me as a

650
00:36:14,068 --> 00:36:21,929
medic I got certified as an EMT

651
00:36:17,130 --> 00:36:24,150
paramedic and I drove an ambulance I was

652
00:36:21,929 --> 00:36:26,879
with this partnered with this guy I call

653
00:36:24,150 --> 00:36:27,510
him in the book Tobias and we were

654
00:36:26,880 --> 00:36:30,660
friends

655
00:36:27,510 --> 00:36:32,640
we had a good tight friendship and we

656

00:36:30,659 --> 00:36:34,230
worked together we were the only two

657
00:36:32,639 --> 00:36:36,659
guys amenable to work in the night shift

658
00:36:34,230 --> 00:36:40,230
from you know 11:00 p.m. at night though

659
00:36:36,659 --> 00:36:43,679
I morning I did it because I was taking

660
00:36:40,230 --> 00:36:48,750
evening classes and on base and that was

661
00:36:43,679 --> 00:36:50,669
fit my schedule and Tobias was a amateur

662
00:36:48,750 --> 00:36:55,230
astronomer he liked to watch the night

663
00:36:50,670 --> 00:37:00,539
sky so we were it for the night shift

664
00:36:55,230 --> 00:37:04,798
our phone rings this is 1975 again it's

665
00:37:00,539 --> 00:37:07,380
cold well I call the crash phone rings

666
00:37:04,798 --> 00:37:08,778
the crash phone is a red phone any time

667
00:37:07,380 --> 00:37:11,420
it raised it there's an aircraft

668
00:37:08,778 --> 00:37:14,010
emergency there's something wrong and

669
00:37:11,420 --> 00:37:18,750
this is at Whiteman Air Force Base and

670
00:37:14,010 --> 00:37:23,339

in 1975 they had dozens of missile silos

671

00:37:18,750 --> 00:37:27,298

spread out over Beslan area of western

672

00:37:23,338 --> 00:37:30,929

Missouri and each one of these silos was

673

00:37:27,298 --> 00:37:36,298

a tube in the ground that held a 60-foot

674

00:37:30,929 --> 00:37:38,519

long Minutemen to ICBM missile and I

675

00:37:36,298 --> 00:37:39,719

think I sent you a photograph if you

676

00:37:38,519 --> 00:37:43,019

look at the photograph you'll see

677

00:37:39,719 --> 00:37:45,689

there's a blue dome mm-hmm that blue

678

00:37:43,019 --> 00:37:46,920

dome is what caps that launch tube I'm

679

00:37:45,690 --> 00:37:49,920

gonna try to put these up

680

00:37:46,920 --> 00:37:52,039

on the websites or listeners can see the

681

00:37:49,920 --> 00:37:56,250

pictures

682

00:37:52,039 --> 00:37:58,230

go ahead Terry okay and there's a

683

00:37:56,250 --> 00:38:00,780

trapezoid looking little building

684

00:37:58,230 --> 00:38:02,548

they're made out of concrete it's an

685
00:38:00,780 --> 00:38:04,470
interesting when you walk in the door

686
00:38:02,548 --> 00:38:08,429
there's an elevator there with one

687
00:38:04,469 --> 00:38:10,189
button down and you take that into it

688
00:38:08,429 --> 00:38:12,480
will take you down to the bottom of the

689
00:38:10,190 --> 00:38:16,710
missile so that missile maintenance

690
00:38:12,480 --> 00:38:20,338
people can work on it and we got a call

691
00:38:16,710 --> 00:38:23,220
that a guy missile technician had fallen

692
00:38:20,338 --> 00:38:26,759
and hurt himself and needed maybe an

693
00:38:23,219 --> 00:38:29,939
assistance so Toby and I hopped in our

694
00:38:26,760 --> 00:38:32,730
ambulance and we drove to the location

695
00:38:29,940 --> 00:38:39,000
and referred to as kilo five

696
00:38:32,730 --> 00:38:42,019
we drove as fast as I could make the you

697
00:38:39,000 --> 00:38:48,298
know eight cylinder General Motors

698
00:38:42,019 --> 00:38:51,000
ambulance go and we were about a mile

699
00:38:48,298 --> 00:38:54,719
away and I could see this orange glow

700
00:38:51,000 --> 00:38:57,630
and a horizon hmm and what it was was it

701
00:38:54,719 --> 00:39:00,419
was there were a dozen or so security

702
00:38:57,630 --> 00:39:03,210
police vehicles there and they had their

703
00:39:00,420 --> 00:39:05,358
overhead lights which were red and they

704
00:39:03,210 --> 00:39:07,949
were all blinking out of sync and

705
00:39:05,358 --> 00:39:10,608
because it was so cold there was this

706
00:39:07,949 --> 00:39:13,828
big massive cloud of exhaust fumes

707
00:39:10,608 --> 00:39:18,298
illuminated by these lights it just made

708
00:39:13,829 --> 00:39:22,048
for an eerie glow and I I got to the

709
00:39:18,298 --> 00:39:23,849
thing we got there and I looked for

710
00:39:22,048 --> 00:39:25,139
who's in charge I see his lieutenants

711
00:39:23,849 --> 00:39:27,838
Tanner pardon me to captain

712
00:39:25,139 --> 00:39:29,279
standing in the roadway and I rolled

713

00:39:27,838 --> 00:39:33,750
down my window and said where's our

714
00:39:29,280 --> 00:39:35,430
patient sir and he says park your

715
00:39:33,750 --> 00:39:38,239
vehicle park the ambulance over there

716
00:39:35,429 --> 00:39:41,338
stay off the radio stay in your vehicle

717
00:39:38,239 --> 00:39:44,669
nobody goes in nobody comes out unless I

718
00:39:41,338 --> 00:39:47,519
say so I'm like okay I guess he's not

719
00:39:44,670 --> 00:39:52,079
taking questions and you know Toby and I

720
00:39:47,519 --> 00:39:53,818
pulled over and or inside of our windows

721
00:39:52,079 --> 00:39:56,760
are fogged up pretty bad because of the

722
00:39:53,818 --> 00:39:59,190
temperature mm-hmm so Toby says I'm

723
00:39:56,760 --> 00:40:00,630
gonna find out what's going on man Tony

724
00:39:59,190 --> 00:40:03,090
if

725
00:40:00,630 --> 00:40:06,480
of this cap disorder hops out of the

726
00:40:03,090 --> 00:40:09,840
ambulance goes out it's gone well three

727
00:40:06,480 --> 00:40:12,269

or four minutes comes back Yanks my door

728

00:40:09,840 --> 00:40:15,539

or the passengers world and grabs me by

729

00:40:12,269 --> 00:40:18,329

the arm and starts pulling me and he

730

00:40:15,539 --> 00:40:19,829

says man you have got to see this man

731

00:40:18,329 --> 00:40:23,639

you ain't never seen nothing like this

732

00:40:19,829 --> 00:40:25,409

you had got to see this and he's pulling

733

00:40:23,639 --> 00:40:30,049

me and I grab my parka

734

00:40:25,409 --> 00:40:33,599

and I don't know what has him so upset

735

00:40:30,050 --> 00:40:35,960

and I throwing my Park on and here's

736

00:40:33,599 --> 00:40:40,549

everybody looking up and I look up and

737

00:40:35,960 --> 00:40:46,199

over that blue dome 50 feet or so is a

738

00:40:40,550 --> 00:40:50,220

black diamond shaped thing the size of a

739

00:40:46,199 --> 00:40:54,269

full full-size cargo van now when you

740

00:40:50,219 --> 00:40:56,609

when I first looked at it I I looked for

741

00:40:54,269 --> 00:40:58,559

wires or something because it just

742
00:40:56,610 --> 00:41:00,780
doesn't register it doesn't make sense

743
00:40:58,559 --> 00:41:03,360
to see this thing just hang there in

744
00:41:00,780 --> 00:41:06,300
midair right right there were no

745
00:41:03,360 --> 00:41:09,450
propellers no exhaust no no anything and

746
00:41:06,300 --> 00:41:13,830
it's a four-sided diamond and it's matte

747
00:41:09,449 --> 00:41:16,439
black yes it's non reflective it's lit

748
00:41:13,829 --> 00:41:18,299
up by the security police guys they have

749
00:41:16,440 --> 00:41:20,550
searchlights on their cars and trucks

750
00:41:18,300 --> 00:41:23,250
they had it lit up it was a

751
00:41:20,550 --> 00:41:28,890
non-reflective no markings of any kind

752
00:41:23,250 --> 00:41:31,769
on it and the captain walked over to me

753
00:41:28,889 --> 00:41:34,049
Eddie you know I had to smile on his

754
00:41:31,769 --> 00:41:35,940
face then we looked at each other if I

755
00:41:34,050 --> 00:41:38,850
didn't meet her you see what I'm seeing

756
00:41:35,940 --> 00:41:42,750
I was they kind of put rank aside for a

757
00:41:38,849 --> 00:41:44,130
moment and we just felt something was

758
00:41:42,750 --> 00:41:47,340
going to happen and of course something

759
00:41:44,130 --> 00:41:49,410
did happen and that is it shot off it

760
00:41:47,340 --> 00:41:53,010
shot off just like the flying saucer I

761
00:41:49,409 --> 00:41:53,609
saw shoot on in a millisecond it was

762
00:41:53,010 --> 00:41:58,800
gone

763
00:41:53,610 --> 00:42:00,900
it had to go incredible speed we picked

764
00:41:58,800 --> 00:42:02,850
up our patient a guy fell falling had

765
00:42:00,900 --> 00:42:05,400
broken his ankle and we made our way

766
00:42:02,849 --> 00:42:07,829
back to the hospital and dropped our

767
00:42:05,400 --> 00:42:09,660
patient off the doctor and a nurse

768
00:42:07,829 --> 00:42:11,949
restocked our ambulance and then their

769
00:42:09,659 --> 00:42:14,769
commanding officer is there and it's

770

00:42:11,949 --> 00:42:16,629

I need to see you boys yes sir

771

00:42:14,769 --> 00:42:18,429

and we really did he was a really good

772

00:42:16,630 --> 00:42:22,960

guy our commanding officer was a good

773

00:42:18,429 --> 00:42:24,250

and we went into his office hey sorry

774

00:42:22,960 --> 00:42:27,220

boys what do you see

775

00:42:24,250 --> 00:42:29,530

tell me we saw it there and we told him

776

00:42:27,219 --> 00:42:31,868

and he asked me says did you write any

777

00:42:29,530 --> 00:42:34,810

of this new report doesn't of course not

778

00:42:31,869 --> 00:42:37,420

you know yes to keep he has to see my

779

00:42:34,809 --> 00:42:39,789

report I gave it to him I thought was

780

00:42:37,420 --> 00:42:45,519

God he took a felt-tip magic marker and

781

00:42:39,789 --> 00:42:46,869

he redacted all of the times like except

782

00:42:45,519 --> 00:42:50,769

for the time of departure

783

00:42:46,869 --> 00:42:53,079

I left at o2 18 hours took two to close

784

00:42:50,769 --> 00:42:55,869

after 2 o'clock in the morning he left

785

00:42:53,079 --> 00:42:57,969

that time on but all of the other times

786

00:42:55,869 --> 00:43:01,119

like our time of arrival at the scene

787

00:42:57,969 --> 00:43:03,609

and all that he redacted that out took

788

00:43:01,119 --> 00:43:06,910

the original over to a copy machine made

789

00:43:03,610 --> 00:43:10,360

two copies kept the original and a copy

790

00:43:06,909 --> 00:43:12,489

and gave me back a copy with the

791

00:43:10,360 --> 00:43:15,010

redaction and said this is what I want

792

00:43:12,489 --> 00:43:18,009

you to turn in and I wasn't asking

793

00:43:15,010 --> 00:43:19,990

questions right yes sir and then he says

794

00:43:18,010 --> 00:43:22,750

all right boys do me a favor show me

795

00:43:19,989 --> 00:43:26,379

what you saw can you draw it sure I

796

00:43:22,750 --> 00:43:28,869

think we can try but I I'm not a real

797

00:43:26,380 --> 00:43:30,608

good artist told he was much better at

798

00:43:28,869 --> 00:43:33,070

this than I was and he had the presence

799
00:43:30,608 --> 00:43:35,829
of mind he actually counted the facets

800
00:43:33,070 --> 00:43:38,740
on the side of the thing Wow

801
00:43:35,829 --> 00:43:42,069
and could do he was a really sharp kid

802
00:43:38,739 --> 00:43:43,779
he and he drew a much better image of it

803
00:43:42,070 --> 00:43:47,100
and I could draw and it's hard to put

804
00:43:43,780 --> 00:43:52,630
portray this 3-dimensional object in

805
00:43:47,099 --> 00:43:55,389
three dimensions sure and he took her

806
00:43:52,630 --> 00:43:57,309
drawings and looked at him for a minute

807
00:43:55,389 --> 00:43:59,079
slid him in his desk drawer and said

808
00:43:57,309 --> 00:44:02,710
boys what you saw it there was a

809
00:43:59,079 --> 00:44:05,559
prototype helicopter you can't talk

810
00:44:02,710 --> 00:44:07,329
about it it's a secret you understand I

811
00:44:05,559 --> 00:44:10,139
know you I know you should I know you're

812
00:44:07,329 --> 00:44:13,269
smart guys you know don't screw this up

813
00:44:10,139 --> 00:44:17,799
there's no word about no talking I mean

814
00:44:13,269 --> 00:44:19,989
no talking and we yes sir you know and

815
00:44:17,800 --> 00:44:25,420
we couldn't wait to get home to tell our

816
00:44:19,989 --> 00:44:28,269
wives and you do know that

817
00:44:25,420 --> 00:44:30,460
there is there are two gentlemen one of

818
00:44:28,269 --> 00:44:33,579
whom is named Robert Hastings and the

819
00:44:30,460 --> 00:44:39,039
other of whom is named Robert Salas and

820
00:44:33,579 --> 00:44:42,130
they both study things that have

821
00:44:39,039 --> 00:44:46,058
happened over other missile silos across

822
00:44:42,130 --> 00:44:48,760
the country I knew on the UFO culture

823
00:44:46,059 --> 00:44:50,200
okay but I do know the name from my

824
00:44:48,760 --> 00:44:52,119
reading I'm trying to catch up I'm

825
00:44:50,199 --> 00:44:54,759
trying to get up to speed I did cross

826
00:44:52,119 --> 00:44:57,220
the name Robert Salas who was a launch

827

00:44:54,760 --> 00:45:00,579
control officer yes and and Robert

828
00:44:57,219 --> 00:45:05,348
Hastings had a father in the military

829
00:45:00,579 --> 00:45:07,298
and he has done a movie about that and

830
00:45:05,349 --> 00:45:10,329
written some books and he has been on

831
00:45:07,298 --> 00:45:13,389
shattered reality podcast so you might

832
00:45:10,329 --> 00:45:15,910
want to check out his accounts and I'm

833
00:45:13,389 --> 00:45:20,858
sure he would be extremely interested to

834
00:45:15,909 --> 00:45:23,739
hear from you I'm I'm friends with Bob

835
00:45:20,858 --> 00:45:26,469
Salas on Facebook but Robert Hastings

836
00:45:23,739 --> 00:45:29,289
has in fact been on the show and he did

837
00:45:26,469 --> 00:45:31,389
put out a call on the show on our show

838
00:45:29,289 --> 00:45:33,389
as well as other shows that if there are

839
00:45:31,389 --> 00:45:37,328
military men out there who have had

840
00:45:33,389 --> 00:45:40,449
incidents with the missile silos like

841
00:45:37,329 --> 00:45:42,430

they did up at Minot Air Force Base and

842

00:45:40,449 --> 00:45:46,868

the other one that starts with an M

843

00:45:42,429 --> 00:45:50,108

offhand not in my brain but those are

844

00:45:46,869 --> 00:45:54,099

the two guys to talk to about that part

845

00:45:50,108 --> 00:45:57,279

of the incident so Robert Hastings and

846

00:45:54,099 --> 00:46:00,400

Robert Salas I'll get back to you with

847

00:45:57,280 --> 00:46:03,280

those names after the show but as we are

848

00:46:00,400 --> 00:46:06,160

we are running down on time I want you

849

00:46:03,280 --> 00:46:08,380

to and I hate doing oh yeah

850

00:46:06,159 --> 00:46:12,098

jump forward to the idea that you and

851

00:46:08,380 --> 00:46:14,740

Toby decided to go on a camping trip yes

852

00:46:12,099 --> 00:46:17,048

at some time after that maybe just an

853

00:46:14,739 --> 00:46:18,699

idea of what kind of timeframe you'd

854

00:46:17,048 --> 00:46:22,150

like me to keep this in it and I can

855

00:46:18,699 --> 00:46:26,259

pace myself there okay I think we have

856
00:46:22,150 --> 00:46:29,200
about 15 more minutes okay okay that's

857
00:46:26,260 --> 00:46:32,309
perfect I think I can do that okay they

858
00:46:29,199 --> 00:46:35,828
cover the really the important parts and

859
00:46:32,309 --> 00:46:37,900
if I just want to mention this now we

860
00:46:35,829 --> 00:46:39,370
have here let's sort of like to let

861
00:46:37,900 --> 00:46:42,760
people know we have

862
00:46:39,369 --> 00:46:45,670
Lovelace on he's a lawyer and he wrote

863
00:46:42,760 --> 00:46:49,810
incident at Devil's Den which is a true

864
00:46:45,670 --> 00:46:54,159
story of an alien abduction incidents

865
00:46:49,809 --> 00:46:58,449
and also an implant and it is available

866
00:46:54,159 --> 00:47:01,779
on Amazon for purchase and it is a very

867
00:46:58,449 --> 00:47:03,969
very gripping and compelling story I

868
00:47:01,780 --> 00:47:06,580
read the whole thing through and I've

869
00:47:03,969 --> 00:47:10,359
read parts of it more than once so in

870
00:47:06,579 --> 00:47:13,569
terms of us here on shattered reality we

871
00:47:10,360 --> 00:47:18,090
thoroughly recommend the book so moving

872
00:47:13,570 --> 00:47:21,340
along to the incident that you had

873
00:47:18,090 --> 00:47:23,550
mentioned with the with the camping and

874
00:47:21,340 --> 00:47:28,300
our poor friend

875
00:47:23,550 --> 00:47:33,190
Tobias yes yes yes I just might mention

876
00:47:28,300 --> 00:47:35,230
that the black diamond that we saw we in

877
00:47:33,190 --> 00:47:37,950
no way thought that that was

878
00:47:35,230 --> 00:47:40,599
extraterrestrial we were certain that

879
00:47:37,949 --> 00:47:42,609
was something from the Soviet Union I

880
00:47:40,599 --> 00:47:45,159
mean this was a height of the Cold War I

881
00:47:42,610 --> 00:47:47,740
mean I considered myself to be an expert

882
00:47:45,159 --> 00:47:50,589
on extraterrestrial things I'd seen two

883
00:47:47,739 --> 00:47:54,099
flying saucers this wasn't a saucer ergo

884

00:47:50,590 --> 00:47:55,030
it was not matter space which was we

885
00:47:54,099 --> 00:47:58,630
thought it was something from the

886
00:47:55,030 --> 00:48:02,080
Soviets but two years after this event

887
00:47:58,630 --> 00:48:04,930
my buddy Toby says I got an idea let's

888
00:48:02,079 --> 00:48:07,719
go camping yeah I was from st. Louis

889
00:48:04,929 --> 00:48:09,969
City he was from Flint Michigan and I

890
00:48:07,719 --> 00:48:12,219
said Toby were city boys what we don't

891
00:48:09,969 --> 00:48:13,809
know the first thing about camping and

892
00:48:12,219 --> 00:48:15,639
he says yeah I know but you know how to

893
00:48:13,809 --> 00:48:17,909
be fun I was an amateur photographer

894
00:48:15,639 --> 00:48:21,659
everybody knew that I had a darkroom

895
00:48:17,909 --> 00:48:25,719
develop my own black-and-white film and

896
00:48:21,659 --> 00:48:29,289
I thought about the idea for a while and

897
00:48:25,719 --> 00:48:31,389
it became in a matter of a 48 hours I

898
00:48:29,289 --> 00:48:36,699

went from just an idea it kind of became

899

00:48:31,389 --> 00:48:38,949

an obsession and it was just all

900

00:48:36,699 --> 00:48:40,449

consuming and I said you know our lives

901

00:48:38,949 --> 00:48:42,939

aren't going to go along with this they

902

00:48:40,449 --> 00:48:44,409

don't want to go he's like no no no man

903

00:48:42,940 --> 00:48:47,110

I'm just talking about the two of us

904

00:48:44,409 --> 00:48:49,029

let's go down scope it out see if we

905

00:48:47,110 --> 00:48:51,370

like it if we like it next time we'll

906

00:48:49,030 --> 00:48:52,569

bring we'll bring my kids and you and

907

00:48:51,369 --> 00:48:55,118

your wife calm

908

00:48:52,568 --> 00:48:59,558

without it's so fun you know I hear it's

909

00:48:55,119 --> 00:49:01,869

a good time so we know nothing about the

910

00:48:59,559 --> 00:49:03,910

out-of-doors but you packed all the

911

00:49:01,869 --> 00:49:05,739

things we thought were necessary you

912

00:49:03,909 --> 00:49:09,938

know industrial or military strength

913
00:49:05,739 --> 00:49:13,809
deep sunburn lotion and the like and we

914
00:49:09,938 --> 00:49:16,268
left at dawn in early morning and drove

915
00:49:13,809 --> 00:49:18,369
now keep it diet there's a there are a

916
00:49:16,268 --> 00:49:20,978
dozen state parks beautiful state parks

917
00:49:18,369 --> 00:49:22,900
around light an Air Force Base and I

918
00:49:20,978 --> 00:49:24,518
said you know Toby why do we got to

919
00:49:22,900 --> 00:49:27,219
drive all the way down the other side of

920
00:49:24,518 --> 00:49:30,458
the Arkansas border it's like manases

921
00:49:27,219 --> 00:49:31,838
the place he says this has everything

922
00:49:30,458 --> 00:49:34,899
that you need if you want to photograph

923
00:49:31,838 --> 00:49:39,639
Eagles this is the place to go and he

924
00:49:34,900 --> 00:49:42,939
sold me on the idea so we drove down and

925
00:49:39,639 --> 00:49:45,038
we decided we talked about staying in a

926
00:49:42,938 --> 00:49:45,818
campground and Toby's like what's the

927
00:49:45,039 --> 00:49:48,519
fun in that

928
00:49:45,818 --> 00:49:51,009
you know what outdoorsman you know if

929
00:49:48,518 --> 00:49:53,879
you stay in the campground it's like

930
00:49:51,009 --> 00:49:55,929
staying in a parking lot in the forest

931
00:49:53,880 --> 00:49:57,369
he said you know we want to get away

932
00:49:55,929 --> 00:50:01,418
from people we want to be out in the

933
00:49:57,369 --> 00:50:04,259
wilderness so we drove into the park and

934
00:50:01,418 --> 00:50:08,768
intentionally dodged the state or the

935
00:50:04,259 --> 00:50:11,769
park rangers and picked up a little map

936
00:50:08,768 --> 00:50:15,088
that showed us somewhere some ways

937
00:50:11,768 --> 00:50:18,008
throughout the park but then ended and

938
00:50:15,088 --> 00:50:19,719
we took a road and Toby said take this

939
00:50:18,009 --> 00:50:21,278
way and he seemed like told nobody

940
00:50:19,719 --> 00:50:23,219
seemed like he knew where he was going I

941

00:50:21,278 --> 00:50:27,998
swear this day I believed that

942
00:50:23,219 --> 00:50:30,400
and he kept no he kept in a bank note or

943
00:50:27,998 --> 00:50:33,608
a baking envelope that was in my glove

944
00:50:30,400 --> 00:50:36,039
box that and a pencil and he made a map

945
00:50:33,608 --> 00:50:38,348
of our route because there were so many

946
00:50:36,039 --> 00:50:39,759
twists and turns and the scenery was all

947
00:50:38,349 --> 00:50:40,509
the same we wanted to make sure we could

948
00:50:39,759 --> 00:50:46,108
get out of there

949
00:50:40,509 --> 00:50:50,139
sure so we found a wee trove and if the

950
00:50:46,108 --> 00:50:52,389
road took an upward turn and we climbed

951
00:50:50,139 --> 00:50:55,719
higher and higher and we got to the

952
00:50:52,389 --> 00:50:59,650
crest of this plateau and there was this

953
00:50:55,719 --> 00:51:01,119
open I called it a meadow in front of us

954
00:50:59,650 --> 00:51:03,909
that was just beautiful

955
00:51:01,119 --> 00:51:06,309

and Toby was right it would be a base

956

00:51:03,909 --> 00:51:10,059

the photograph Eagles

957

00:51:06,309 --> 00:51:14,610

well a lot happened to get to the

958

00:51:10,059 --> 00:51:18,299

camping we hurriedly set up camp and

959

00:51:14,610 --> 00:51:21,700

we're sitting around the campfire and

960

00:51:18,300 --> 00:51:24,280

Toby says hey man what are those were

961

00:51:21,699 --> 00:51:26,349

those things before what are you talking

962

00:51:24,280 --> 00:51:30,040

about and I look over his shoulder and

963

00:51:26,349 --> 00:51:31,029

there are there are three perfect little

964

00:51:30,039 --> 00:51:33,130

stars

965

00:51:31,030 --> 00:51:35,590

I shouldn't say little they were about

966

00:51:33,130 --> 00:51:37,950

as bright as the North Star and they

967

00:51:35,590 --> 00:51:42,039

weren't a perfect triangular figuration

968

00:51:37,949 --> 00:51:43,629

sitting on the horizon and I said Toby

969

00:51:42,039 --> 00:51:45,309

what are those you know you're the guy

970
00:51:43,630 --> 00:51:46,690
you're the amateur astronomer what are

971
00:51:45,309 --> 00:51:48,880
those he's like man I don't know

972
00:51:46,690 --> 00:51:50,860
everything in the sky those and we

973
00:51:48,880 --> 00:51:52,750
discussed could that be aircraft that it

974
00:51:50,860 --> 00:51:55,180
you know and we're dismissive of that

975
00:51:52,750 --> 00:52:00,909
idea and then suddenly things starts to

976
00:51:55,179 --> 00:52:04,629
move uh-oh and it rotates as if on an

977
00:52:00,909 --> 00:52:09,480
axis about two-thirds of the way around

978
00:52:04,630 --> 00:52:13,240
and then starts to go up in the air and

979
00:52:09,480 --> 00:52:16,300
about the time this happened I I noticed

980
00:52:13,239 --> 00:52:20,139
that the crickets and the tree frogs and

981
00:52:16,300 --> 00:52:24,160
all the noise of the forest it stopped

982
00:52:20,139 --> 00:52:27,509
it was dead silent and while we're

983
00:52:24,159 --> 00:52:30,279
watching this thing I said Toby is this

984
00:52:27,510 --> 00:52:33,400
is this right I don't hear the crickets

985
00:52:30,280 --> 00:52:34,900
for the frogs anymore and he's like yeah

986
00:52:33,400 --> 00:52:36,220
yeah yeah don't worry about that you

987
00:52:34,900 --> 00:52:38,340
know we've been laughing a joke and

988
00:52:36,219 --> 00:52:45,009
they'll be back don't worry about it

989
00:52:38,340 --> 00:52:48,760
this strange apathy took over it's hard

990
00:52:45,010 --> 00:52:51,370
to describe but we were we were only

991
00:52:48,760 --> 00:52:54,880
slightly interested in watching this

992
00:52:51,369 --> 00:52:56,980
thing that we want you to send up into

993
00:52:54,880 --> 00:53:00,360
the sky and it was pretty clear that

994
00:52:56,980 --> 00:53:04,449
this was one object and not three

995
00:53:00,360 --> 00:53:06,519
unconnected objects moving in unison and

996
00:53:04,449 --> 00:53:08,919
Toby noticed at first when it moved past

997
00:53:06,519 --> 00:53:12,009
a star the star would link out until it

998

00:53:08,920 --> 00:53:14,349
passed and that would blink back on and

999
00:53:12,010 --> 00:53:16,930
it started to move faster and as it

1000
00:53:14,349 --> 00:53:19,480
moved faster it grew and it grew

1001
00:53:16,929 --> 00:53:19,989
exponentially and these three points of

1002
00:53:19,480 --> 00:53:22,900
light

1003
00:53:19,989 --> 00:53:25,629
expanded and this thing is eventually

1004
00:53:22,900 --> 00:53:26,110
eating up entire fields of stars oh my

1005
00:53:25,630 --> 00:53:30,910
lord

1006
00:53:26,110 --> 00:53:33,610
and I asked Toby I said should we be

1007
00:53:30,909 --> 00:53:34,719
scared and he's like no man I'm not

1008
00:53:33,610 --> 00:53:38,550
scared he's scared

1009
00:53:34,719 --> 00:53:43,539
never ever saying no I'm not scared and

1010
00:53:38,550 --> 00:53:45,369
we the thing parks directly over our

1011
00:53:43,539 --> 00:53:47,889
head and it comes to a halt

1012
00:53:45,369 --> 00:53:50,559

and it takes up almost 1/3 of the night

1013

00:53:47,889 --> 00:53:52,690

sky and it is like somebody took a pair

1014

00:53:50,559 --> 00:53:56,349

of scissors and cut out this massive

1015

00:53:52,690 --> 00:53:58,950

triangle over our heads because inside

1016

00:53:56,349 --> 00:54:03,839

of those three points was jet black and

1017

00:53:58,949 --> 00:54:06,969

the rest of the sky was a deep blue and

1018

00:54:03,840 --> 00:54:09,460

we're looking at that and Toby says Toby

1019

00:54:06,969 --> 00:54:11,439

picks up a flashlight and we're both

1020

00:54:09,460 --> 00:54:13,179

reclined we're not we're laying there

1021

00:54:11,440 --> 00:54:15,450

Toby picks up a flashlight and says I

1022

00:54:13,179 --> 00:54:17,859

wonder what will happen if I signal it

1023

00:54:15,449 --> 00:54:20,618

and I tried to snatch it out of his

1024

00:54:17,860 --> 00:54:22,900

hands but I wasn't quick enough he holds

1025

00:54:20,619 --> 00:54:26,289

his arm up over his head and he flicks

1026

00:54:22,900 --> 00:54:29,320

this flashlight on three times and when

1027
00:54:26,289 --> 00:54:30,539
he did this beam of light from the dead

1028
00:54:29,320 --> 00:54:33,670
center of this thing

1029
00:54:30,539 --> 00:54:34,900
she came down I mean it just like turned

1030
00:54:33,670 --> 00:54:37,930
on like somebody flipped a switch

1031
00:54:34,900 --> 00:54:41,619
boom it's there ah it was about the

1032
00:54:37,929 --> 00:54:43,750
diameter of a softball and it was light

1033
00:54:41,619 --> 00:54:49,650
that was visible like a searchlight

1034
00:54:43,750 --> 00:54:54,579
through a fog a column of light yes

1035
00:54:49,650 --> 00:54:56,108
Bheema visible light and we watched it

1036
00:54:54,579 --> 00:55:00,130
and I don't think a word was said

1037
00:54:56,108 --> 00:55:03,460
between us it was there for a minute

1038
00:55:00,130 --> 00:55:06,880
and it's gone it just blinks out and in

1039
00:55:03,460 --> 00:55:09,670
its stead comes this laser and lasers

1040
00:55:06,880 --> 00:55:16,108
were a new concept in 1977 I had never

1041
00:55:09,670 --> 00:55:19,780
seen a laser and and there's this pencil

1042
00:55:16,108 --> 00:55:24,909
diameter of a pencil beam of purplish

1043
00:55:19,780 --> 00:55:26,920
blue light that shot down and it's just

1044
00:55:24,909 --> 00:55:29,949
darting and dancing all over the

1045
00:55:26,920 --> 00:55:31,990
campground and it would you know be here

1046
00:55:29,949 --> 00:55:33,939
one second flip off for a millisecond

1047
00:55:31,989 --> 00:55:35,588
and then be here one second

1048
00:55:33,940 --> 00:55:37,389
and I know it struck me several times

1049
00:55:35,588 --> 00:55:40,480
and I know it's told me several times

1050
00:55:37,389 --> 00:55:43,719
and it was just darted all over our

1051
00:55:40,480 --> 00:55:47,039
campsite and I think to this day it was

1052
00:55:43,719 --> 00:55:51,159
scanning us it was looking for us and

1053
00:55:47,039 --> 00:55:53,170
that beam turned off and as soon as the

1054
00:55:51,159 --> 00:55:56,588
beam turned off to be swamp shows over

1055

00:55:53,170 --> 00:55:58,809
and I don't even remember if I if I

1056
00:55:56,588 --> 00:56:02,078
answered him and we both got up and

1057
00:55:58,809 --> 00:56:06,940
dragged our air mattresses into the tent

1058
00:56:02,079 --> 00:56:08,980
with this thing the size of three city

1059
00:56:06,940 --> 00:56:11,950
blocks hanging over our heads it makes

1060
00:56:08,980 --> 00:56:13,869
no sense but that's what we did and we

1061
00:56:11,949 --> 00:56:18,879
were absolutely apathetic about the

1062
00:56:13,869 --> 00:56:20,829
whole thing I II was just thinking I

1063
00:56:18,880 --> 00:56:23,380
laid my head on the pillow I remember

1064
00:56:20,829 --> 00:56:26,369
thinking Toby was wrong the crickets and

1065
00:56:23,380 --> 00:56:30,670
tree frogs they never did come back and

1066
00:56:26,369 --> 00:56:32,920
I closed my eyes and I woke up and there

1067
00:56:30,670 --> 00:56:35,858
were these brilliant lights flashing

1068
00:56:32,920 --> 00:56:37,869
orange and yellow and white and it was a

1069
00:56:35,858 --> 00:56:41,440

replay of the light show that I saw when

1070

00:56:37,869 --> 00:56:46,059

I was 11 and it illuminated the tent and

1071

00:56:41,440 --> 00:56:48,970

I got to my knees and I mean I'm in a

1072

00:56:46,059 --> 00:56:52,539

fog from sleep and I don't have my wits

1073

00:56:48,969 --> 00:56:54,399

about and I'm thinking park rangers are

1074

00:56:52,539 --> 00:56:56,739

there are trainers with flashlights out

1075

00:56:54,400 --> 00:56:59,369

there and we can hear rustling like

1076

00:56:56,739 --> 00:57:01,118

people walking around the campsite

1077

00:56:59,369 --> 00:57:04,059

Toby's crouched down

1078

00:57:01,119 --> 00:57:06,160

he's peering outside and between these

1079

00:57:04,059 --> 00:57:09,369

flashes of light I could see tracks of

1080

00:57:06,159 --> 00:57:11,230

tears down his right cheek I'm taking my

1081

00:57:09,369 --> 00:57:14,858

god what could make this grown man cry

1082

00:57:11,230 --> 00:57:18,519

and there was a drone there was that

1083

00:57:14,858 --> 00:57:20,828

mechanical drone again and I thought

1084
00:57:18,519 --> 00:57:24,519
maybe a generator in the back of a truck

1085
00:57:20,829 --> 00:57:26,410
or something and I got to my knees and I

1086
00:57:24,519 --> 00:57:29,829
was in pain I noticed immediately how

1087
00:57:26,409 --> 00:57:31,659
badly I heard and I nudged Toby and I

1088
00:57:29,829 --> 00:57:36,940
pulled back the flap of the tent look

1089
00:57:31,659 --> 00:57:38,739
out and here's this UFO the size of a

1090
00:57:36,940 --> 00:57:44,800
five-story office building

1091
00:57:38,739 --> 00:57:47,309
it is incredibly big I think I drew an

1092
00:57:44,800 --> 00:57:49,890
image I believe you may have

1093
00:57:47,309 --> 00:57:52,650
and if you look at the bottom lower left

1094
00:57:49,889 --> 00:57:55,349
you'll see a car and some figure strong

1095
00:57:52,650 --> 00:57:56,910
uh-huh and I did that to try to bring

1096
00:57:55,349 --> 00:57:59,519
the thing to scale

1097
00:57:56,909 --> 00:58:03,029
I just can't convey how absolutely

1098
00:57:59,519 --> 00:58:06,030
immense this thing was and that interest

1099
00:58:03,030 --> 00:58:08,880
that apathy that we had some hours

1100
00:58:06,030 --> 00:58:11,250
earlier that was gone that was one that

1101
00:58:08,880 --> 00:58:15,960
was long gone now it was terror we were

1102
00:58:11,250 --> 00:58:21,480
absolutely terrified yes I'm walking out

1103
00:58:15,960 --> 00:58:26,159
and I notice there are groups of little

1104
00:58:21,480 --> 00:58:29,130
kids and maybe a dozen or so and maybe

1105
00:58:26,159 --> 00:58:32,069
15 walking around in the meadow in

1106
00:58:29,130 --> 00:58:34,110
groups of two or three and there is a

1107
00:58:32,070 --> 00:58:36,390
column of light from the center of the

1108
00:58:34,110 --> 00:58:39,630
thing the the this UFO didn't Park on

1109
00:58:36,389 --> 00:58:42,000
the ground it parked about 25 30 feet

1110
00:58:39,630 --> 00:58:45,150
off the off the floor of the meadow yes

1111
00:58:42,000 --> 00:58:48,210
and from the center of it descended a

1112

00:58:45,150 --> 00:58:51,599
beam of light again visible like a

1113
00:58:48,210 --> 00:58:56,970
searchlight through fog and these little

1114
00:58:51,599 --> 00:58:59,099
beings would walk into it and they just

1115
00:58:56,969 --> 00:59:03,750
disintegrate they disappear and they

1116
00:58:59,099 --> 00:59:05,819
were children but that's what I said

1117
00:59:03,750 --> 00:59:09,449
Toby what are these little kids doing

1118
00:59:05,820 --> 00:59:12,900
out here and he said man those ain't no

1119
00:59:09,449 --> 00:59:18,149
little kids and then it hit and then I

1120
00:59:12,900 --> 00:59:24,869
had flashes I had flashes of being

1121
00:59:18,150 --> 00:59:28,860
abducted and hurt and we we were too

1122
00:59:24,869 --> 00:59:31,920
terrified to move I mean we stayed in

1123
00:59:28,860 --> 00:59:33,390
the tent we watched this thing until all

1124
00:59:31,920 --> 00:59:36,090
these little figures had disintegrated

1125
00:59:33,389 --> 00:59:38,730
and gone back up and then the light

1126
00:59:36,090 --> 00:59:43,860

clicked off and the humming sound

1127
00:59:38,730 --> 00:59:46,409
stopped and there were three ball I can

1128
00:59:43,860 --> 00:59:49,410
only see two on each point of the

1129
00:59:46,409 --> 00:59:52,799
triangle there was a light bar that went

1130
00:59:49,409 --> 00:59:55,529
through all five stories and I remember

1131
00:59:52,800 --> 00:59:58,470
seeing this white light and it drift up

1132
00:59:55,530 --> 01:00:00,690
since white leg go up and up and up and

1133
00:59:58,469 --> 01:00:01,109
then I thought you know I bet that's

1134
01:00:00,690 --> 01:00:03,179
what make

1135
01:00:01,110 --> 01:00:06,930
a twinkle in the sky and look like a

1136
01:00:03,179 --> 01:00:10,949
star it's an odd observation to make but

1137
01:00:06,929 --> 01:00:14,159
I made it and we rolled over and are on

1138
01:00:10,949 --> 01:00:16,559
our backs and we watched this thing you

1139
01:00:14,159 --> 01:00:18,779
know again lifts off like a hot-air

1140
01:00:16,559 --> 01:00:22,039
balloon it didn't shoot off it just

1141
01:00:18,780 --> 01:00:25,950
lifted off like a hot air balloon and

1142
01:00:22,039 --> 01:00:28,800
ascended into the sky and we watched it

1143
01:00:25,949 --> 01:00:33,659
as it got higher and higher and it

1144
01:00:28,800 --> 01:00:36,420
disappeared and everything is still

1145
01:00:33,659 --> 01:00:37,589
quiet no tree frogs no crickets it's

1146
01:00:36,420 --> 01:00:41,940
dead quiet

1147
01:00:37,590 --> 01:00:44,460
and we're both terrified we sat there

1148
01:00:41,940 --> 01:00:47,389
for what must have been 30 minutes and

1149
01:00:44,460 --> 01:00:51,240
Toby says man we gotta get out of here

1150
01:00:47,389 --> 01:00:53,250
and I was terrified at the idea of being

1151
01:00:51,239 --> 01:00:55,769
out of the tent I did not want to leave

1152
01:00:53,250 --> 01:00:58,139
I felt like I was safe inside the tent I

1153
01:00:55,769 --> 01:01:02,400
think I felt like to be out in the open

1154
01:00:58,139 --> 01:01:05,099
I would be vulnerable and that fear has

1155
01:01:02,400 --> 01:01:07,500
stuck with me I don't like to be out in

1156
01:01:05,099 --> 01:01:11,309
an open field I don't like to be

1157
01:01:07,500 --> 01:01:14,250
anyplace out in the wide open a wide

1158
01:01:11,309 --> 01:01:17,759
open area it's called agoraphobia yes is

1159
01:01:14,250 --> 01:01:22,280
that fear agoraphobia fear of the open

1160
01:01:17,760 --> 01:01:25,230
spaces yes that's why I have that still

1161
01:01:22,280 --> 01:01:28,200
we made a decision that we would run for

1162
01:01:25,230 --> 01:01:31,469
the car and that's what we did and went

1163
01:01:28,199 --> 01:01:33,539
to the car hopped in and got out of

1164
01:01:31,469 --> 01:01:36,599
there and drove back to base as fast as

1165
01:01:33,539 --> 01:01:41,449
we could and we left everything there we

1166
01:01:36,599 --> 01:01:46,159
left the tent we left Hospital blankets

1167
01:01:41,449 --> 01:01:49,379
all of our gear equipment I'm assuming

1168
01:01:46,159 --> 01:01:51,289
cost you some amount of money and being

1169

01:01:49,380 --> 01:01:54,000
in the military you guys weren't

1170
01:01:51,289 --> 01:01:55,980
millionaires or anything so that was you

1171
01:01:54,000 --> 01:02:02,159
did leave some of your investment there

1172
01:01:55,980 --> 01:02:07,619
and so that is that attests to your fear

1173
01:02:02,159 --> 01:02:11,969
level upon leaving it was terror it I

1174
01:02:07,619 --> 01:02:14,569
don't know how to describe it and to

1175
01:02:11,969 --> 01:02:18,239
drive with just your high beams on

1176
01:02:14,570 --> 01:02:23,160
through this road that's not much more

1177
01:02:18,239 --> 01:02:24,899
than ruts the high beams would bounce up

1178
01:02:23,159 --> 01:02:26,639
in the trees sometimes and it'd be on

1179
01:02:24,900 --> 01:02:28,800
the ground in front of us I could barely

1180
01:02:26,639 --> 01:02:31,019
see Toby would have to reach over and

1181
01:02:28,800 --> 01:02:32,970
turn on the dome light to look at his

1182
01:02:31,019 --> 01:02:37,469
little map to figure out which way to go

1183
01:02:32,969 --> 01:02:39,959

and then I'd be blind but we managed to

1184

01:02:37,469 --> 01:02:44,939

get out of there and we hit blacktop

1185

01:02:39,960 --> 01:02:46,230

Road and headed back to base and there

1186

01:02:44,940 --> 01:02:48,139

there were there were just a couple

1187

01:02:46,230 --> 01:02:50,460

things that were important to us I

1188

01:02:48,139 --> 01:02:53,159

wanted to get as much distance between

1189

01:02:50,460 --> 01:02:55,500

me and the Devils then as I could

1190

01:02:53,159 --> 01:02:59,250

possibly manage as fast as I could

1191

01:02:55,500 --> 01:03:01,920

manage it to astir stay we were

1192

01:02:59,250 --> 01:03:05,219

incredibly thirsty I had never ever in

1193

01:03:01,920 --> 01:03:06,930

my life and so thirsty I asked Toby root

1194

01:03:05,219 --> 01:03:08,429

around in the backseat seeing if I'll

1195

01:03:06,929 --> 01:03:11,848

drink anything as long as it's not

1196

01:03:08,429 --> 01:03:13,679

poison and you know you would think I

1197

01:03:11,849 --> 01:03:15,960

will pull over to 7-eleven or someplace

1198
01:03:13,679 --> 01:03:18,809
and get something to drink well this is

1199
01:03:15,960 --> 01:03:23,670
the backwoods of Missouri in 1977 in the

1200
01:03:18,809 --> 01:03:25,949
Ozarks there was no place so we drove

1201
01:03:23,670 --> 01:03:29,519
and until we could get someplace we

1202
01:03:25,949 --> 01:03:31,618
found a little gas station and that's

1203
01:03:29,519 --> 01:03:35,550
when I found out how badly I was burned

1204
01:03:31,619 --> 01:03:37,920
both of us were burned I had sunburn on

1205
01:03:35,550 --> 01:03:41,250
the soles of my feet I had sunburn under

1206
01:03:37,920 --> 01:03:44,280
my arms it made no sense I would have

1207
01:03:41,250 --> 01:03:47,519
had been nude on a rotisserie had been

1208
01:03:44,280 --> 01:03:51,269
burned the way I was burned and the

1209
01:03:47,519 --> 01:03:53,519
thirst was just unbelievable we got home

1210
01:03:51,269 --> 01:03:56,630
or wives of course took us both to the

1211
01:03:53,519 --> 01:03:59,909
hospital immediately and the hospital

1212
01:03:56,630 --> 01:04:01,940
separated us and it was also odd because

1213
01:03:59,909 --> 01:04:04,440
they gave us private rooms military

1214
01:04:01,940 --> 01:04:07,950
we're talking about here military

1215
01:04:04,440 --> 01:04:09,659
hospital military hospital unless the

1216
01:04:07,949 --> 01:04:12,118
guys normally didn't get a private room

1217
01:04:09,659 --> 01:04:15,179
normally we would stay on the ward and

1218
01:04:12,119 --> 01:04:19,440
open the ward so I thought this is great

1219
01:04:15,179 --> 01:04:21,809
you know private room oh and I was

1220
01:04:19,440 --> 01:04:24,838
incredibly photo phobic so they allowed

1221
01:04:21,809 --> 01:04:25,150
the lights to stay turned off and they

1222
01:04:24,838 --> 01:04:29,048
were

1223
01:04:25,150 --> 01:04:32,349
and fluids into us and I was feeling

1224
01:04:29,048 --> 01:04:36,699
better that's about 24 36 hours later

1225
01:04:32,349 --> 01:04:39,190
and my nurse comes in she's got my pain

1226

01:04:36,699 --> 01:04:41,828
meds she's got a junction in her hand or

1227
01:04:39,190 --> 01:04:45,099
hypodermic needle in her hand and two

1228
01:04:41,829 --> 01:04:48,430
guys in suits follow her in and they're

1229
01:04:45,099 --> 01:04:52,359
they're dressed in blue civilian suits

1230
01:04:48,429 --> 01:04:55,690
and they show me their badges they say

1231
01:04:52,358 --> 01:04:57,969
we're special agents from the Office of

1232
01:04:55,690 --> 01:05:01,028
Special Investigation on a Special Agent

1233
01:04:57,969 --> 01:05:02,798
Gregory this is captain so-and-so the

1234
01:05:01,028 --> 01:05:05,798
guy in charge Gregory did all the

1235
01:05:02,798 --> 01:05:08,079
talking and this was AFOs I write a Pho

1236
01:05:05,798 --> 01:05:13,389
see this was I'm sorry

1237
01:05:08,079 --> 01:05:26,048
AAF OSI Air Force Air Force Office of

1238
01:05:13,389 --> 01:05:29,739
Special Investigations absolutely and

1239
01:05:26,048 --> 01:05:33,190
they they pulled up a chair next to each

1240
01:05:29,739 --> 01:05:35,139

side of us and this pager reached over

1241
01:05:33,190 --> 01:05:37,480
and flipped on the lights and I said sir

1242
01:05:35,139 --> 01:05:40,210
my eyes I feel like I have sand in my

1243
01:05:37,480 --> 01:05:43,358
eyes could we turn those off please and

1244
01:05:40,210 --> 01:05:45,818
I remember he was I got to see what I'm

1245
01:05:43,358 --> 01:05:47,348
doing son you don't want me to work in

1246
01:05:45,818 --> 01:05:50,038
the dark now here do you

1247
01:05:47,349 --> 01:05:52,990
we got to see what we're doing son and

1248
01:05:50,039 --> 01:05:55,028
the captain cranks it was like hand

1249
01:05:52,989 --> 01:05:58,449
crank that he cranks up the head of my

1250
01:05:55,028 --> 01:06:00,309
bed and slides everything off of the

1251
01:05:58,449 --> 01:06:03,038
office the office of the yeah pardon me

1252
01:06:00,309 --> 01:06:05,579
the tray table that was in front of me

1253
01:06:03,039 --> 01:06:11,619
and slides it so it's under my chest and

1254
01:06:05,579 --> 01:06:16,809
the making a very long story short lays

1255
01:06:11,619 --> 01:06:20,619
out six forms for me to sign I couldn't

1256
01:06:16,809 --> 01:06:22,778
read them and I said sir what are these

1257
01:06:20,619 --> 01:06:24,670
and he says these are waivers and

1258
01:06:22,778 --> 01:06:27,068
consents these give us certain rights

1259
01:06:24,670 --> 01:06:28,869
they give us rights to look to see if

1260
01:06:27,068 --> 01:06:31,599
you have any contraband do you have

1261
01:06:28,869 --> 01:06:33,910
anything that you're hiding from us no

1262
01:06:31,599 --> 01:06:35,950
sir and he says well this will give us

1263
01:06:33,909 --> 01:06:38,379
your consent you wanted that deny as

1264
01:06:35,949 --> 01:06:38,769
consent is that what you're saying or do

1265
01:06:38,380 --> 01:06:41,230
you want

1266
01:06:38,769 --> 01:06:42,400
operate with us I'm like oh no sir I

1267
01:06:41,230 --> 01:06:45,219
want to cooperate

1268
01:06:42,400 --> 01:06:48,190
you know I'm 22 I'm dumb I didn't have

1269
01:06:45,219 --> 01:06:50,769
the benefit of a law degree I signed

1270
01:06:48,190 --> 01:06:53,170
everything in front of me he scooped him

1271
01:06:50,769 --> 01:06:55,780
up put him in his little briefcase and

1272
01:06:53,170 --> 01:06:58,150
he said now what made you boys leave

1273
01:06:55,780 --> 01:07:00,310
your campsite and leave all your gear

1274
01:06:58,150 --> 01:07:01,570
there the park rangers found it and

1275
01:07:00,309 --> 01:07:04,449
that's that's how they tracked you down

1276
01:07:01,570 --> 01:07:06,580
we tracked you down why would you leave

1277
01:07:04,449 --> 01:07:09,579
your campsite and leave everything there

1278
01:07:06,579 --> 01:07:11,860
it's a plan on coming back did you have

1279
01:07:09,579 --> 01:07:13,809
a little marijuana plant somewhere out

1280
01:07:11,860 --> 01:07:17,289
there a little plot of marijuana you're

1281
01:07:13,809 --> 01:07:20,380
growing out in the forest and I thought

1282
01:07:17,289 --> 01:07:22,840
oh my god maybe they found somebody's

1283

01:07:20,380 --> 01:07:30,610
plot of marijuana and could hang it on

1284
01:07:22,840 --> 01:07:32,590
us I'm terrified and he says so tell me

1285
01:07:30,610 --> 01:07:36,640
you tell us what you did out there and I

1286
01:07:32,590 --> 01:07:40,210
told him and you know I did not tell him

1287
01:07:36,639 --> 01:07:41,889
about the UFO I just didn't do it the

1288
01:07:40,210 --> 01:07:46,150
thought of the thought of even doing it

1289
01:07:41,889 --> 01:07:48,369
never crossed my mind and I answered his

1290
01:07:46,150 --> 01:07:49,950
questions as best that I could and he

1291
01:07:48,369 --> 01:07:55,509
was just absolutely all about

1292
01:07:49,949 --> 01:07:58,750
intimidation and at the end his effect

1293
01:07:55,510 --> 01:08:02,020
changes to look kind of almost like a

1294
01:07:58,750 --> 01:08:05,139
normal human being and he leans down

1295
01:08:02,019 --> 01:08:07,780
next to my ear and says you two

1296
01:08:05,139 --> 01:08:11,289
knuckleheads stumbled onto something out

1297
01:08:07,780 --> 01:08:15,010

there didn't you and I didn't answer him

1298

01:08:11,289 --> 01:08:16,119

and he says you know what it is and I

1299

01:08:15,010 --> 01:08:18,699

know what it is

1300

01:08:16,119 --> 01:08:20,170

and I think you took pictures of it and

1301

01:08:18,699 --> 01:08:22,960

I want your pictures

1302

01:08:20,170 --> 01:08:25,060

he says that's all I need give me the

1303

01:08:22,960 --> 01:08:28,510

film from your camera that's all I'm

1304

01:08:25,060 --> 01:08:32,380

asking you for and I said sir I never

1305

01:08:28,510 --> 01:08:37,150

took a single picture and he said I

1306

01:08:32,380 --> 01:08:42,338

don't believe you and turn the lights

1307

01:08:37,149 --> 01:08:47,219

out and he left Toby and I were ordered

1308

01:08:42,338 --> 01:08:49,778

to have no contact with one another and

1309

01:08:47,220 --> 01:08:51,460

but I need that I need to move past that

1310

01:08:49,779 --> 01:08:52,509

to get to the interrogation because

1311

01:08:51,460 --> 01:08:54,429

that's important

1312
01:08:52,509 --> 01:08:56,618
you had I just want to add something in

1313
01:08:54,429 --> 01:08:59,020
there because unfortunately because our

1314
01:08:56,618 --> 01:09:01,479
time was is running out a little bit you

1315
01:08:59,020 --> 01:09:03,699
had planned to take pictures you bought

1316
01:09:01,479 --> 01:09:06,278
all kinds of film but at the very last

1317
01:09:03,698 --> 01:09:08,769
moment you forgot that and a number of

1318
01:09:06,279 --> 01:09:13,299
other things you forgot at home and it

1319
01:09:08,770 --> 01:09:16,029
sort of seemed as though it was somehow

1320
01:09:13,298 --> 01:09:18,939
you were programmed to forget it for

1321
01:09:16,029 --> 01:09:21,100
lack of a better word I'm glad you said

1322
01:09:18,939 --> 01:09:23,678
that because that's absolutely true

1323
01:09:21,100 --> 01:09:26,279
I mean we we were known as the Nerds of

1324
01:09:23,679 --> 01:09:29,259
the squadron if that makes sense and you

1325
01:09:26,279 --> 01:09:30,520
know we we did things methodically we

1326
01:09:29,259 --> 01:09:32,588
laid out with pencil and paper

1327
01:09:30,520 --> 01:09:36,159
everything we needed you know I had a

1328
01:09:32,588 --> 01:09:39,278
camp Lantern a hatchet I had I bought

1329
01:09:36,158 --> 01:09:41,439
special film for my camera and I left it

1330
01:09:39,279 --> 01:09:44,589
at home I left the key I left the camera

1331
01:09:41,439 --> 01:09:47,649
sitting on the kitchen table and the

1332
01:09:44,588 --> 01:09:49,359
lamp camp lantern and oil or the fuel

1333
01:09:47,649 --> 01:09:53,138
and a hatchet I left that in the garage

1334
01:09:49,359 --> 01:09:55,300
and Toby who was in charge of bringing

1335
01:09:53,139 --> 01:09:59,310
two six-packs of beer a dozen hot dogs

1336
01:09:55,300 --> 01:10:02,529
etc left everything in his refrigerator

1337
01:09:59,310 --> 01:10:04,659
and you know it strikes me it struck me

1338
01:10:02,529 --> 01:10:07,090
and I don't understand that we were just

1339
01:10:04,658 --> 01:10:10,388
we're just not bad inept we've who he

1340

01:10:07,090 --> 01:10:12,880
are not bad inept but this whole thing

1341
01:10:10,389 --> 01:10:15,819
was just a bumbling I do think too that

1342
01:10:12,880 --> 01:10:18,219
Toby knew where to go you know he may

1343
01:10:15,819 --> 01:10:21,130
not know that he knew where to go but he

1344
01:10:18,219 --> 01:10:24,250
knew where to go and basically after

1345
01:10:21,130 --> 01:10:25,420
this happened except for like sort of

1346
01:10:24,250 --> 01:10:28,179
one last goodbye

1347
01:10:25,420 --> 01:10:32,050
you never saw Toby again because she was

1348
01:10:28,179 --> 01:10:36,179
relocated correct yes well a couple of

1349
01:10:32,050 --> 01:10:39,520
things when when as soon as that car hit

1350
01:10:36,179 --> 01:10:42,760
pavement and we were headed back to the

1351
01:10:39,520 --> 01:10:45,670
base I looked over and Toby who I think

1352
01:10:42,760 --> 01:10:47,320
Toby was hurt a lot worse than I was and

1353
01:10:45,670 --> 01:10:49,239
he was kind of curled into a fetal

1354
01:10:47,319 --> 01:10:53,590

position on the big bench seat at this

1355

01:10:49,238 --> 01:10:57,069

old Chevy and I felt the sudden dislike

1356

01:10:53,590 --> 01:11:01,210

for the man and it actually shook my

1357

01:10:57,069 --> 01:11:03,988

head I'm thinking what what is this and

1358

01:11:01,210 --> 01:11:06,390

I thought you know this is all his fault

1359

01:11:03,988 --> 01:11:10,229

he brought you down here

1360

01:11:06,390 --> 01:11:13,079

this man's not your friend and this man

1361

01:11:10,229 --> 01:11:15,750

absolutely was my best friend but I

1362

01:11:13,079 --> 01:11:18,420

wanted nothing to do with him I didn't I

1363

01:11:15,750 --> 01:11:19,979

didn't even want to see him it's the

1364

01:11:18,420 --> 01:11:24,000

strangest thing I want nothing to do

1365

01:11:19,979 --> 01:11:27,209

with him and before he left I violated

1366

01:11:24,000 --> 01:11:28,560

no contact order I didn't want to I

1367

01:11:27,210 --> 01:11:30,390

didn't want anything to do with the guy

1368

01:11:28,560 --> 01:11:33,180

but I didn't want to say I felt the need

1369
01:11:30,390 --> 01:11:35,579
to say goodbye to him so I went to his

1370
01:11:33,180 --> 01:11:38,420
house and they were packing and they

1371
01:11:35,579 --> 01:11:41,250
were getting ready to be shipped out and

1372
01:11:38,420 --> 01:11:43,980
now Toby Toby was the kind of guy that

1373
01:11:41,250 --> 01:11:46,619
when we barbecued every other weekend or

1374
01:11:43,979 --> 01:11:50,699
so he might have two beers you know he

1375
01:11:46,619 --> 01:11:53,430
wasn't a drinker and I walk in then a.m.

1376
01:11:50,699 --> 01:11:54,389
he turns the corner and he looks like a

1377
01:11:53,430 --> 01:11:56,550
train wreck

1378
01:11:54,390 --> 01:11:59,190
and his poor guy his eyes are bloodshot

1379
01:11:56,550 --> 01:12:03,900
and he reeks of vodka it's 10 o'clock in

1380
01:11:59,189 --> 01:12:06,179
the morning and I see him and I feel

1381
01:12:03,899 --> 01:12:08,729
stunned and I looked down at my shoes

1382
01:12:06,180 --> 01:12:11,159
and I mean I should have been raced this

1383
01:12:08,729 --> 01:12:16,349
man I should have shaken his hand but I

1384
01:12:11,159 --> 01:12:18,239
didn't I just froze and and I managed to

1385
01:12:16,350 --> 01:12:22,260
say Toby I just wanted to say goodbye

1386
01:12:18,239 --> 01:12:24,269
and wish you well and he looked up at me

1387
01:12:22,260 --> 01:12:27,420
and he said it happened didn't it Terry

1388
01:12:24,270 --> 01:12:30,900
they heard us they hurt me and they hurt

1389
01:12:27,420 --> 01:12:32,819
you too and I said yeah Toby it all

1390
01:12:30,899 --> 01:12:35,789
happened and you're not going crazy

1391
01:12:32,819 --> 01:12:39,779
and I turned around and I ran out of the

1392
01:12:35,789 --> 01:12:43,970
house ad in the car and went home and

1393
01:12:39,779 --> 01:12:43,969
that's the last time I saw Tobias

1394
01:12:44,119 --> 01:12:52,890
so the Office of Special Investigation

1395
01:12:49,170 --> 01:12:55,980
about what about six weeks into this

1396
01:12:52,890 --> 01:12:59,910
thing I I'm worried that I'm under

1397

01:12:55,979 --> 01:13:01,619
investigation so I call special agent

1398
01:12:59,909 --> 01:13:04,349
Gregory he left a business card on my

1399
01:13:01,619 --> 01:13:07,559
tray table and I said sir I have an idea

1400
01:13:04,350 --> 01:13:09,630
why don't I take a lie-detector test for

1401
01:13:07,560 --> 01:13:13,410
you I can prove I don't have any film I

1402
01:13:09,630 --> 01:13:15,210
don't I don't you know I don't I don't

1403
01:13:13,409 --> 01:13:18,510
know if you're a lot of plot you know

1404
01:13:15,210 --> 01:13:19,859
I'm not deceiving you and of course in

1405
01:13:18,510 --> 01:13:20,320
the back of my mind I'm thinking well

1406
01:13:19,859 --> 01:13:21,609
yeah you

1407
01:13:20,319 --> 01:13:24,670
we're deceiving the Spanish you're not

1408
01:13:21,609 --> 01:13:27,368
telling him about the UFO but you know I

1409
01:13:24,670 --> 01:13:30,429
just wanted this thing over with it was

1410
01:13:27,368 --> 01:13:33,219
hanging over my head and he said did you

1411
01:13:30,429 --> 01:13:35,649

have any film for me yet and I said no

1412

01:13:33,219 --> 01:13:37,679

sir and he says well we got nothing to

1413

01:13:35,649 --> 01:13:40,689

talk about

1414

01:13:37,679 --> 01:13:44,408

he said oh he said I guess you want to

1415

01:13:40,689 --> 01:13:47,769

change your blue uniform for a one

1416

01:13:44,408 --> 01:13:49,479

that's black and white with stripes is

1417

01:13:47,770 --> 01:13:50,050

that what you want meaning a prison

1418

01:13:49,479 --> 01:13:53,888

uniform

1419

01:13:50,050 --> 01:13:56,940

yes and he said I got my own lie

1420

01:13:53,889 --> 01:14:02,650

detector and he slammed the phone down

1421

01:13:56,939 --> 01:14:07,078

six weeks afterward I'm busy I'm reached

1422

01:14:02,649 --> 01:14:10,809

they re over to a supply section and

1423

01:14:07,078 --> 01:14:12,609

they my co calls me and says they want

1424

01:14:10,810 --> 01:14:14,469

to see you down at OSI headquarters

1425

01:14:12,609 --> 01:14:16,348

there'll be a car here for you shortly

1426
01:14:14,469 --> 01:14:21,489
I suggest you don't keep them waiting

1427
01:14:16,349 --> 01:14:24,340
and I owe my god and I I thought aired

1428
01:14:21,488 --> 01:14:27,009
here comes I'm you're gonna be arrested

1429
01:14:24,340 --> 01:14:29,920
I stopped to use the restaurant and

1430
01:14:27,010 --> 01:14:33,130
that's so important that I did and I'll

1431
01:14:29,920 --> 01:14:35,020
explain why and check my parents and

1432
01:14:33,130 --> 01:14:37,090
tried to look as good as I could and I I

1433
01:14:35,020 --> 01:14:38,860
ran to the fourth steps and sure enough

1434
01:14:37,090 --> 01:14:42,610
there's the blue squad car waiting for

1435
01:14:38,859 --> 01:14:44,198
me and the driver took me to OS I had

1436
01:14:42,609 --> 01:14:47,078
orders and parked the car and then

1437
01:14:44,198 --> 01:14:49,269
follow me and I followed a man went

1438
01:14:47,078 --> 01:14:52,359
through the double locked doors that

1439
01:14:49,270 --> 01:14:56,790
buzz to get you in and get you out we

1440
01:14:52,359 --> 01:14:59,319
went out a long hallway when it had

1441
01:14:56,789 --> 01:15:02,310
little little Tara Gatien rooms on

1442
01:14:59,319 --> 01:15:05,618
either side and they were ABCD

1443
01:15:02,310 --> 01:15:09,159
designated and I think we were in room D

1444
01:15:05,618 --> 01:15:11,109
and he opened the door with a key and

1445
01:15:09,158 --> 01:15:14,198
said someone will be with you shortly

1446
01:15:11,109 --> 01:15:16,359
and the door shut and I knew it was

1447
01:15:14,198 --> 01:15:18,460
locked

1448
01:15:16,359 --> 01:15:22,479
I know it was like now this is about

1449
01:15:18,460 --> 01:15:25,779
9:00 a.m. or so and there's nothing in

1450
01:15:22,479 --> 01:15:28,899
the room but a desk a comfortable desk

1451
01:15:25,779 --> 01:15:32,009
chair and three aluminum chairs those

1452
01:15:28,899 --> 01:15:34,809
fiberglass chairs like from the 60s a

1453
01:15:32,010 --> 01:15:36,610
mirror which I sized up had to

1454

01:15:34,810 --> 01:15:38,080
a two-way mirror because who's gonna be

1455
01:15:36,609 --> 01:15:41,289
grooming themselves in this

1456
01:15:38,079 --> 01:15:43,890
interrogation room and a clock oh

1457
01:15:41,289 --> 01:15:47,710
there's a little five by seven window

1458
01:15:43,890 --> 01:15:50,950
five inches by seven inch window and I

1459
01:15:47,710 --> 01:15:55,390
sat there for three hours and not a soul

1460
01:15:50,949 --> 01:15:58,539
past that window or came by and finally

1461
01:15:55,390 --> 01:16:00,700
the two agents that I said Gregory and

1462
01:15:58,539 --> 01:16:03,189
the captain they comes strolling in

1463
01:16:00,699 --> 01:16:05,010
there smiling and laughing and they came

1464
01:16:03,189 --> 01:16:07,269
in and they didn't say a word to me

1465
01:16:05,010 --> 01:16:10,150
except to make me surrender the chair

1466
01:16:07,270 --> 01:16:14,310
that was comfortable and he put me in

1467
01:16:10,149 --> 01:16:17,109
with a little fibreglass chairs and me

1468
01:16:14,310 --> 01:16:18,730

Gregory's kind of up a tease as well

1469

01:16:17,109 --> 01:16:20,529

sorry lovely I think we're putting into

1470

01:16:18,729 --> 01:16:24,039

this today for you would you like that I

1471

01:16:20,529 --> 01:16:24,849

said yes sir I'd like that very much and

1472

01:16:24,039 --> 01:16:27,489

he said you know you're gonna be

1473

01:16:24,850 --> 01:16:29,050

hypnotized today and we're going to give

1474

01:16:27,489 --> 01:16:31,649

you some medication that'll make it

1475

01:16:29,050 --> 01:16:35,020

easier for you do you understand that

1476

01:16:31,649 --> 01:16:37,329

and I said no sir I don't understand it

1477

01:16:35,020 --> 01:16:41,950

I don't know why and he cut me off

1478

01:16:37,329 --> 01:16:44,260

at the Y in my sentence and had a piece

1479

01:16:41,949 --> 01:16:46,510

of paper in his hand he slammed it down

1480

01:16:44,260 --> 01:16:51,930

in the table in front of me and said

1481

01:16:46,510 --> 01:16:57,400

this is all the why I need Sun and I

1482

01:16:51,930 --> 01:16:59,590

signed a consent this was a consent that

1483
01:16:57,399 --> 01:17:03,969
you had signed up several months before

1484
01:16:59,590 --> 01:17:05,199
so yes several months before yes okay

1485
01:17:03,970 --> 01:17:07,329
when I was in the hospital when I

1486
01:17:05,199 --> 01:17:11,470
couldn't see when I couldn't read right

1487
01:17:07,329 --> 01:17:14,140
and just then after we're doing this the

1488
01:17:11,470 --> 01:17:16,180
major knocks on a door and a captain

1489
01:17:14,140 --> 01:17:19,950
Letson and this this major comes in he's

1490
01:17:16,180 --> 01:17:23,530
wearing oak leaves but no nametag and

1491
01:17:19,949 --> 01:17:25,899
his demeanor it's odd I know he carried

1492
01:17:23,529 --> 01:17:29,559
himself like a priest or a therapist but

1493
01:17:25,899 --> 01:17:31,149
not like a military officer and he he

1494
01:17:29,560 --> 01:17:33,130
talked to the special agents for a

1495
01:17:31,149 --> 01:17:34,869
couple seconds hey are you guys doing

1496
01:17:33,130 --> 01:17:37,810
you know they talked about golf for a

1497
01:17:34,869 --> 01:17:40,029
minute or two and then he turned his

1498
01:17:37,810 --> 01:17:42,340
attention to me and says well sergeant

1499
01:17:40,029 --> 01:17:45,579
Lovelace I finally get to meet you how

1500
01:17:42,340 --> 01:17:47,970
are you and he shook my hand like he was

1501
01:17:45,579 --> 01:17:49,859
an old friend

1502
01:17:47,970 --> 01:17:51,960
and he said you know you're gonna be

1503
01:17:49,859 --> 01:17:54,569
hypnotized today I said yes sir I don't

1504
01:17:51,960 --> 01:17:56,130
understand why and he said now you're

1505
01:17:54,569 --> 01:17:59,149
not thinking about withdrawing your

1506
01:17:56,130 --> 01:18:01,650
consent is that what you're telling me I

1507
01:17:59,149 --> 01:18:03,899
said no sir no sir I want to get this

1508
01:18:01,649 --> 01:18:07,349
done sir I want to get this behind me I

1509
01:18:03,899 --> 01:18:10,289
want to move on with my life and as he

1510
01:18:07,350 --> 01:18:12,300
changed any that his demeanor turned on

1511

01:18:10,289 --> 01:18:14,510
a dime and he said well my name is major

1512
01:18:12,300 --> 01:18:17,340
brownfield but for today's exercise

1513
01:18:14,510 --> 01:18:21,539
would you just call me Brad that is my

1514
01:18:17,340 --> 01:18:25,949
name and I said yes sir and he said

1515
01:18:21,539 --> 01:18:28,590
don't you mean yes Brad and I said yes

1516
01:18:25,949 --> 01:18:30,750
yes Brad and he said for purposes of

1517
01:18:28,590 --> 01:18:35,610
this little exercise today may I call

1518
01:18:30,750 --> 01:18:41,130
you Terry it is you name and I said yes

1519
01:18:35,609 --> 01:18:43,769
Brad and he so I understand you from st.

1520
01:18:41,130 --> 01:18:46,109
Louis he started talking small chat chit

1521
01:18:43,770 --> 01:18:49,620
chit chat about st. Louis and named off

1522
01:18:46,109 --> 01:18:52,019
some landmarks and engaged me a

1523
01:18:49,619 --> 01:18:54,059
conversation and I'm thinking you know

1524
01:18:52,020 --> 01:18:57,060
my life just isn't this interesting and

1525
01:18:54,060 --> 01:18:58,830

he must have picked up on that because

1526

01:18:57,060 --> 01:19:02,430

he stopped and kind of got down to

1527

01:18:58,829 --> 01:19:05,069

business and said you know you just

1528

01:19:02,430 --> 01:19:07,350

reached over he took my my right arm and

1529

01:19:05,069 --> 01:19:10,369

laid it down to the table and he's

1530

01:19:07,350 --> 01:19:13,110

humming all the while rolls up my sleeve

1531

01:19:10,369 --> 01:19:15,349

he carried under his arm a little what

1532

01:19:13,109 --> 01:19:17,909

looked like a shaving kit it was leather

1533

01:19:15,350 --> 01:19:20,430

and a little larger than an average

1534

01:19:17,909 --> 01:19:23,220

shaving kit and then it was a little

1535

01:19:20,430 --> 01:19:25,409

white towel a hypodermic it Oh was

1536

01:19:23,220 --> 01:19:28,110

something yeah or I yellow yellow fluid

1537

01:19:25,409 --> 01:19:30,809

in it piece of rubber tubing to use as a

1538

01:19:28,109 --> 01:19:35,609

tourniquet some bandages some alcohol

1539

01:19:30,810 --> 01:19:38,220

swabs and a stethoscope and pressure

1540
01:19:35,609 --> 01:19:40,199
cuff and he laid all these things out

1541
01:19:38,220 --> 01:19:43,440
meticulously and he's humming the whole

1542
01:19:40,199 --> 01:19:45,539
while and he puts the tourniquet on and

1543
01:19:43,439 --> 01:19:46,919
he says now you know you're gonna feel a

1544
01:19:45,539 --> 01:19:49,470
little pinch here and then you're gonna

1545
01:19:46,920 --> 01:19:52,649
feel sedated and he says it's okay it'll

1546
01:19:49,470 --> 01:19:54,869
just help you remember and he said don't

1547
01:19:52,649 --> 01:19:57,960
fight it just go along with it and he

1548
01:19:54,869 --> 01:20:00,300
says you know it'll make you feel like

1549
01:19:57,960 --> 01:20:01,800
you've had a few beers and he winks at

1550
01:20:00,300 --> 01:20:03,239
me and says you look like

1551
01:20:01,800 --> 01:20:07,350
that likes to have a few beers in the

1552
01:20:03,239 --> 01:20:11,599
weekend and I thought you you lasso be

1553
01:20:07,350 --> 01:20:15,750
you know that all enlisted men drink

1554
01:20:11,600 --> 01:20:18,329
characterized me like that but he had a

1555
01:20:15,750 --> 01:20:22,350
voice he had a voice that was smooth

1556
01:20:18,329 --> 01:20:26,519
like a radio announcer and he said

1557
01:20:22,350 --> 01:20:28,920
alright I'm I'm he gave me the

1558
01:20:26,520 --> 01:20:30,300
medication and then we're gonna Isis

1559
01:20:28,920 --> 01:20:34,079
we're gonna go down to a flight of

1560
01:20:30,300 --> 01:20:37,140
stairs and in my mind's eye I had had

1561
01:20:34,079 --> 01:20:40,170
some psych classes under my belt and I

1562
01:20:37,140 --> 01:20:43,470
knew a little bit about hypnosis and I

1563
01:20:40,170 --> 01:20:46,140
knew that it could be resisted the

1564
01:20:43,470 --> 01:20:49,440
medication worried me but I knew that I

1565
01:20:46,140 --> 01:20:54,030
could resist being hypnotized and I did

1566
01:20:49,439 --> 01:20:56,939
my best to play along with it but as

1567
01:20:54,029 --> 01:20:58,859
he's when I do was he had me go okay

1568

01:20:56,939 --> 01:21:01,379
Terry I want you to take that first step

1569
01:20:58,859 --> 01:21:04,559
down the stairwell take that first step

1570
01:21:01,380 --> 01:21:06,779
and feel relaxed taking that next step

1571
01:21:04,560 --> 01:21:08,940
feeling twice as relaxed feeling

1572
01:21:06,779 --> 01:21:12,210
comfortable feeling warm feeling safe

1573
01:21:08,939 --> 01:21:16,079
taking that third step Terry feelings

1574
01:21:12,210 --> 01:21:19,289
relaxed and just as he's doing this I'm

1575
01:21:16,079 --> 01:21:22,470
drowning him out in my mind I'm trying

1576
01:21:19,289 --> 01:21:27,329
to go backward on a number line as he's

1577
01:21:22,470 --> 01:21:30,150
going down I'm counting upward and I'm

1578
01:21:27,329 --> 01:21:33,239
doing everything I can had not surrender

1579
01:21:30,149 --> 01:21:36,779
all my mind if that makes sense yeah

1580
01:21:33,239 --> 01:21:39,750
sure it sounds a lot like some youtube

1581
01:21:36,779 --> 01:21:42,449
pilot sort of downed in the Soviet Union

1582
01:21:39,750 --> 01:21:45,689

during the Cold War getting captured and

1583

01:21:42,449 --> 01:21:47,609

trying not to be hypnotized by the

1584

01:21:45,689 --> 01:21:49,859

Soviet military that's what it sounds

1585

01:21:47,609 --> 01:21:53,099

like to me mostly from having read the

1586

01:21:49,859 --> 01:21:55,679

book and your account now Oh Gary Powers

1587

01:21:53,100 --> 01:21:58,500

I know the name of the guy yeah yes I

1588

01:21:55,680 --> 01:22:00,060

think well I don't know if it was him

1589

01:21:58,500 --> 01:22:03,630

that went through it but I know that was

1590

01:22:00,060 --> 01:22:06,900

the that was the drill when the Soviets

1591

01:22:03,630 --> 01:22:08,640

would get one of our guys I made the

1592

01:22:06,899 --> 01:22:10,920

decision that I would try to bifurcate

1593

01:22:08,640 --> 01:22:13,320

my mind I would try to divide it into

1594

01:22:10,920 --> 01:22:15,520

compartments and he could have a little

1595

01:22:13,319 --> 01:22:17,529

compartment here and then

1596

01:22:15,520 --> 01:22:20,980

would have this compartment over here

1597
01:22:17,529 --> 01:22:24,189
where I would I ran through Beatle music

1598
01:22:20,979 --> 01:22:28,029
I went through the tunes I went through

1599
01:22:24,189 --> 01:22:30,069
the lyrics of Rolling Stone songs I did

1600
01:22:28,029 --> 01:22:33,009
everything I could to keep my mind as

1601
01:22:30,069 --> 01:22:36,759
occupied as possible and just enough to

1602
01:22:33,010 --> 01:22:40,570
answer his questions and what happened

1603
01:22:36,760 --> 01:22:45,400
was that medication I I resisted but

1604
01:22:40,569 --> 01:22:47,859
that medication took took effect and I

1605
01:22:45,399 --> 01:22:52,210
have some blank spots there that I can't

1606
01:22:47,859 --> 01:22:55,059
account for but I recall the captain

1607
01:22:52,210 --> 01:22:58,449
saying I'm amazed every time I see this

1608
01:22:55,060 --> 01:23:00,150
process like in a whisper and I think my

1609
01:22:58,449 --> 01:23:07,710
god how many people do they do this to

1610
01:23:00,149 --> 01:23:10,539
and then major Gregory says is he under

1611
01:23:07,710 --> 01:23:13,869
he's like oh yeah he was he was under by

1612
01:23:10,539 --> 01:23:19,680
count of three and I you're arrogant

1613
01:23:13,869 --> 01:23:23,500
uh-huh so then the questions began and

1614
01:23:19,680 --> 01:23:26,980
he asked me questions and he says now

1615
01:23:23,500 --> 01:23:31,300
Terry and his forks he had a voice you

1616
01:23:26,979 --> 01:23:34,209
wanted to listen to you wanted to he

1617
01:23:31,300 --> 01:23:36,670
said Terry I want you to tell me what

1618
01:23:34,210 --> 01:23:39,189
you saw we're gonna look around and

1619
01:23:36,670 --> 01:23:40,300
you're gonna tell me what you saw not

1620
01:23:39,189 --> 01:23:44,939
what you think

1621
01:23:40,300 --> 01:23:49,869
I want you to tell me what you saw and

1622
01:23:44,939 --> 01:23:53,619
it was crazy because in my mind's eye it

1623
01:23:49,869 --> 01:23:55,960
all came back to me and I think what he

1624
01:23:53,619 --> 01:23:58,539
did was I think he dragged this up and I

1625

01:23:55,960 --> 01:24:01,239
think he he dragged this out of my

1626
01:23:58,539 --> 01:24:04,689
subconscious and into my conscious

1627
01:24:01,239 --> 01:24:06,099
memory because I said things I couldn't

1628
01:24:04,689 --> 01:24:11,439
believe that were coming out of my mouth

1629
01:24:06,100 --> 01:24:16,120
and I had images and flashes of things

1630
01:24:11,439 --> 01:24:19,869
that they did to us on the track no clue

1631
01:24:16,119 --> 01:24:22,239
on the craft things they did to you

1632
01:24:19,869 --> 01:24:24,760
wander craft - Terry is that the things

1633
01:24:22,239 --> 01:24:26,729
we did things - yes things they did to

1634
01:24:24,760 --> 01:24:29,440
be on the craft the inside of the crowd

1635
01:24:26,729 --> 01:24:32,738
yeah I described the inside

1636
01:24:29,439 --> 01:24:35,169
and sanic rap was amazing and I could

1637
01:24:32,738 --> 01:24:38,289
see it in my mind's eye like watching

1638
01:24:35,170 --> 01:24:40,649
motion picture almost and it was just

1639
01:24:38,289 --> 01:24:43,689

enormous it was like a giant warehouse

1640

01:24:40,649 --> 01:24:46,420

it looked larger inside then it looked

1641

01:24:43,689 --> 01:24:48,819

outside and I remembered that in a

1642

01:24:46,420 --> 01:24:51,489

corner were three flying saucers there

1643

01:24:48,819 --> 01:24:54,149

were three discs parked in a row parked

1644

01:24:51,488 --> 01:24:58,869

in the line there was a moving sidewalk

1645

01:24:54,149 --> 01:25:01,029

there were people milling around there

1646

01:24:58,869 --> 01:25:03,399

were these there were the gray people

1647

01:25:01,029 --> 01:25:04,689

the little gray guys which by the way I

1648

01:25:03,399 --> 01:25:07,420

don't think those Peter I don't think

1649

01:25:04,689 --> 01:25:10,659

those were living beings I think those

1650

01:25:07,420 --> 01:25:15,520

were robots I really do and then there

1651

01:25:10,659 --> 01:25:19,719

were the the the tall alien typical

1652

01:25:15,520 --> 01:25:23,080

alien looking guys and they were walking

1653

01:25:19,719 --> 01:25:25,659

about and I remembered that as we're

1654
01:25:23,079 --> 01:25:30,550
walking along one of the alien guys

1655
01:25:25,659 --> 01:25:33,130
caught my eye and I just shivered when

1656
01:25:30,550 --> 01:25:35,140
he looked at you it was like I felt like

1657
01:25:33,130 --> 01:25:39,190
naked I felt like he knew me he felt

1658
01:25:35,140 --> 01:25:43,420
like he could see inside my head there

1659
01:25:39,189 --> 01:25:45,759
were I saw a group of 50 or 60 people

1660
01:25:43,420 --> 01:25:51,310
that were inside that thing humans

1661
01:25:45,760 --> 01:25:53,350
people have not aliens humans right and

1662
01:25:51,310 --> 01:25:56,380
it was a mixed bag of men women and

1663
01:25:53,350 --> 01:25:59,110
children and they're all standing around

1664
01:25:56,380 --> 01:26:02,500
summer nude holding their clothes as

1665
01:25:59,109 --> 01:26:04,809
summer dressed and I thought my god

1666
01:26:02,500 --> 01:26:08,619
where did these people come from you

1667
01:26:04,810 --> 01:26:11,380
know and that haunts me to this day and

1668
01:26:08,619 --> 01:26:14,409
I wonder you know what we were lucky to

1669
01:26:11,380 --> 01:26:20,829
get away what happened to those poor

1670
01:26:14,409 --> 01:26:25,469
souls I don't know and I described all

1671
01:26:20,829 --> 01:26:30,189
these things to Brad and I told him that

1672
01:26:25,469 --> 01:26:33,939
this being this hybrid being right an

1673
01:26:30,189 --> 01:26:37,928
encounter with later who I refer to as

1674
01:26:33,939 --> 01:26:40,419
Betty was walking with me and we walked

1675
01:26:37,929 --> 01:26:43,119
past there were aquariums what look like

1676
01:26:40,420 --> 01:26:46,690
aquariums on the side of the wall

1677
01:26:43,119 --> 01:26:49,269
filled with pink fluid and everything

1678
01:26:46,689 --> 01:26:54,369
else was white and the inside was

1679
01:26:49,270 --> 01:26:57,280
brilliantly lit and inside of the tank

1680
01:26:54,369 --> 01:27:00,819
there was one of these fetus like

1681
01:26:57,279 --> 01:27:04,119
looking things and it twitched and I

1682

01:27:00,819 --> 01:27:05,739
screamed I must have screamed because I

1683
01:27:04,119 --> 01:27:08,170
must have passed out

1684
01:27:05,739 --> 01:27:11,439
the next thing I recall he was taking my

1685
01:27:08,170 --> 01:27:13,779
blood pressure and saying you know he

1686
01:27:11,439 --> 01:27:15,219
was holding my hand and actually it felt

1687
01:27:13,779 --> 01:27:18,250
good to hold his head because I was

1688
01:27:15,220 --> 01:27:19,800
terrified I was so scared and he said

1689
01:27:18,250 --> 01:27:21,550
Terry you're in a warm safe place

1690
01:27:19,800 --> 01:27:23,440
nobody's gonna hurt you

1691
01:27:21,550 --> 01:27:25,000
everything is okay you're gonna

1692
01:27:23,439 --> 01:27:27,099
everything is just fine

1693
01:27:25,000 --> 01:27:30,729
you're just seeing things that are in

1694
01:27:27,100 --> 01:27:33,340
the past they can't hurt you now now

1695
01:27:30,729 --> 01:27:35,589
tell me what you saw and he pressed me

1696
01:27:33,340 --> 01:27:39,100

and I didn't want to be pressed I wanted

1697

01:27:35,590 --> 01:27:42,369

to stop sure but he pressed me and I

1698

01:27:39,100 --> 01:27:46,030

told him oh my god I told him that I

1699

01:27:42,369 --> 01:27:49,300

could hear Toby screaming I could hear

1700

01:27:46,029 --> 01:27:51,219

Toby screaming and I remember thinking

1701

01:27:49,300 --> 01:27:54,750

why are these guys why are whoa why do

1702

01:27:51,220 --> 01:27:57,220

they hurt us why are they hurting us and

1703

01:27:54,750 --> 01:28:01,569

the whole thing of course then had that

1704

01:27:57,220 --> 01:28:03,400

ring of familiarity like you know I know

1705

01:28:01,569 --> 01:28:05,979

that's all ooh I know to describe it a

1706

01:28:03,399 --> 01:28:08,469

feeling of familiarity because it had

1707

01:28:05,979 --> 01:28:09,039

happened before perhaps when you were a

1708

01:28:08,470 --> 01:28:13,350

child

1709

01:28:09,039 --> 01:28:16,659

it was a familiar scenario to you yes

1710

01:28:13,350 --> 01:28:18,789

and I recall that I was undressed at one

1711
01:28:16,659 --> 01:28:23,590
point and I was on a table and I was in

1712
01:28:18,789 --> 01:28:27,100
mobile and they were doing medical like

1713
01:28:23,590 --> 01:28:31,980
procedures on me and they took sperm

1714
01:28:27,100 --> 01:28:34,650
from me and I recall they had a machine

1715
01:28:31,979 --> 01:28:37,869
thing could it look like an oxygen mask

1716
01:28:34,649 --> 01:28:42,099
that they placed over my genitals and

1717
01:28:37,869 --> 01:28:43,659
embarrassing but and I told Brad I said

1718
01:28:42,100 --> 01:28:50,560
they put it over you and then it's like

1719
01:28:43,659 --> 01:28:55,119
BAM and you had no control over and I

1720
01:28:50,560 --> 01:28:55,999
told Brad about the woman and I going to

1721
01:28:55,119 --> 01:29:02,840
move

1722
01:28:55,998 --> 01:29:07,010
and what I called the big ship and this

1723
01:29:02,840 --> 01:29:11,840
woman and I were in a ship and I think

1724
01:29:07,010 --> 01:29:16,789
this occurred during an abduction when I

1725
01:29:11,840 --> 01:29:19,069
was child mm-hmm and I remember we were

1726
01:29:16,788 --> 01:29:21,738
looking out these gigantic windows and

1727
01:29:19,069 --> 01:29:23,840
seeing these billions of stars but there

1728
01:29:21,738 --> 01:29:25,218
was no sensation of movement I felt like

1729
01:29:23,840 --> 01:29:29,360
we were I assumed knew we were in a

1730
01:29:25,219 --> 01:29:32,599
building and suddenly the moon comes

1731
01:29:29,359 --> 01:29:36,049
from right to left and just rolls over

1732
01:29:32,599 --> 01:29:39,440
and I'm like oh my god this thing's

1733
01:29:36,050 --> 01:29:41,840
gonna hit us and telepathically she

1734
01:29:39,439 --> 01:29:48,678
assured me everything is okay everything

1735
01:29:41,840 --> 01:29:50,748
is all right and I remember asking her

1736
01:29:48,679 --> 01:29:54,109
hey I was we communicate telepathically

1737
01:29:50,748 --> 01:29:58,038
and I was wondering how big is this

1738
01:29:54,109 --> 01:30:01,609
thing and she told me in kilometres and

1739

01:29:58,038 --> 01:30:07,368
I remembered it and it was 575

1740
01:30:01,609 --> 01:30:09,710
kilometers by 75 kilometers tall and she

1741
01:30:07,368 --> 01:30:12,439
said that they can never fly in front of

1742
01:30:09,710 --> 01:30:16,010
the moon between the moon and the earth

1743
01:30:12,439 --> 01:30:19,069
and I thought why she says because this

1744
01:30:16,010 --> 01:30:21,590
is so large people will see a dot moving

1745
01:30:19,069 --> 01:30:24,558
across the moon so they can never do

1746
01:30:21,590 --> 01:30:28,038
that and she's so our home is on the

1747
01:30:24,559 --> 01:30:31,219
other side and I recall seeing the Dark

1748
01:30:28,038 --> 01:30:34,969
Side of the Moon and it was all dark or

1749
01:30:31,219 --> 01:30:36,559
a little bit and it was dark as you know

1750
01:30:34,969 --> 01:30:38,989
to a.m. anywhere on earth

1751
01:30:36,559 --> 01:30:41,449
and then I looked down through this big

1752
01:30:38,988 --> 01:30:46,069
window and I could see all these lights

1753
01:30:41,448 --> 01:30:48,710

and it was a city on the darkness but

1754

01:30:46,069 --> 01:30:51,259

it's it was curious because I mean it

1755

01:30:48,710 --> 01:30:54,408

was like flying into LAX except there

1756

01:30:51,260 --> 01:30:57,440

were no streets you know there when you

1757

01:30:54,408 --> 01:30:59,748

cities are laid out you know in a

1758

01:30:57,439 --> 01:31:02,478

pattern and there was there was no

1759

01:30:59,748 --> 01:31:05,859

pattern to this it was just random

1760

01:31:02,479 --> 01:31:05,860

buildings here and there

1761

01:31:07,248 --> 01:31:15,618

and that's what I recalled Wow Terry yes

1762

01:31:12,828 --> 01:31:18,558

I'm going to have to do a little bit of

1763

01:31:15,618 --> 01:31:21,529

cutting to the chase because our program

1764

01:31:18,559 --> 01:31:24,829

is as is really over but we're going to

1765

01:31:21,529 --> 01:31:27,109

have to wrap it up in a few minutes so I

1766

01:31:24,828 --> 01:31:31,299

just I really have to appreciate you

1767

01:31:27,109 --> 01:31:36,649

telling this very interesting and

1768
01:31:31,300 --> 01:31:40,279
amazing and heartfelt story here of your

1769
01:31:36,649 --> 01:31:42,710
abduction and if I just can sort of

1770
01:31:40,279 --> 01:31:47,359
paraphrase things and cut towards the

1771
01:31:42,710 --> 01:31:51,710
end of it you kind of put this aside for

1772
01:31:47,359 --> 01:31:58,009
a number of years until you had more

1773
01:31:51,710 --> 01:32:00,649
recently in 2012 the the implant was

1774
01:31:58,010 --> 01:32:04,130
discovered and then at some juncture

1775
01:32:00,649 --> 01:32:06,529
during the night the implant was removed

1776
01:32:04,130 --> 01:32:11,359
after you were told that it would be

1777
01:32:06,529 --> 01:32:13,908
removed by the hybrid woman Betty and

1778
01:32:11,359 --> 01:32:17,389
they took it except for the two little

1779
01:32:13,908 --> 01:32:20,598
wires which remain to this day but the

1780
01:32:17,389 --> 01:32:23,269
really astounding thing which had

1781
01:32:20,599 --> 01:32:26,840
happened and the interim you finished

1782
01:32:23,269 --> 01:32:29,539
your law degree you became the assistant

1783
01:32:26,840 --> 01:32:33,260
attorney general of American Samoa if I

1784
01:32:29,538 --> 01:32:35,960
got that correctly and then and you move

1785
01:32:33,260 --> 01:32:40,579
along and Vermont oh boy you had quite

1786
01:32:35,960 --> 01:32:42,139
an illustrious career and and then after

1787
01:32:40,578 --> 01:32:46,819
this was removed

1788
01:32:42,139 --> 01:32:51,038
you went from a high end of 240 pounds

1789
01:32:46,819 --> 01:32:54,259
to your current weight of 150 pounds and

1790
01:32:51,038 --> 01:32:57,170
you've been a little bit I won't say

1791
01:32:54,260 --> 01:32:59,989
sick but you've been wasting you've had

1792
01:32:57,170 --> 01:33:02,840
some wasting away and you're still a

1793
01:32:59,988 --> 01:33:06,678
reasonably young man you're only 63

1794
01:33:02,840 --> 01:33:09,979
years old if I'm correct yes and and so

1795
01:33:06,679 --> 01:33:12,800
in a matter of several months you really

1796

01:33:09,979 --> 01:33:15,170
you lost a whole lot of weight and and

1797
01:33:12,800 --> 01:33:17,599
now you're in the process of trying to

1798
01:33:15,170 --> 01:33:21,050
keep that weight on it have I summarized

1799
01:33:17,599 --> 01:33:23,750
things correctly you are that the

1800
01:33:21,050 --> 01:33:26,150
the weight loss actually came when I

1801
01:33:23,750 --> 01:33:29,060
made the determination to write this

1802
01:33:26,149 --> 01:33:31,069
book and to tell everything because the

1803
01:33:29,060 --> 01:33:34,220
nightmares the nightmares returned it

1804
01:33:31,069 --> 01:33:36,979
was like the fact when they found these

1805
01:33:34,220 --> 01:33:41,480
things in my leg it was a catalyst that

1806
01:33:36,979 --> 01:33:46,159
just it just brought it all out and my

1807
01:33:41,479 --> 01:33:49,669
poor wife I mean she went through waking

1808
01:33:46,159 --> 01:33:50,930
up with me screaming again in the middle

1809
01:33:49,670 --> 01:33:52,819
of the night but you know what she did

1810
01:33:50,930 --> 01:33:55,130

she's a smart woman I mean I love her to

1811

01:33:52,819 --> 01:34:00,069

death we'd be together 40 some years and

1812

01:33:55,130 --> 01:34:02,989

40 I should know that 44 years but she

1813

01:34:00,069 --> 01:34:06,639

during the worst of the the nightmares

1814

01:34:02,989 --> 01:34:09,260

she suggested that I journal them and

1815

01:34:06,640 --> 01:34:11,090

she had me a spiral ring notebook and a

1816

01:34:09,260 --> 01:34:12,619

pen and she said write this stuff down

1817

01:34:11,090 --> 01:34:14,720

when you wake up and you've had this

1818

01:34:12,619 --> 01:34:18,050

nightmare write it down

1819

01:34:14,720 --> 01:34:19,940

and I did and thus we have this

1820

01:34:18,050 --> 01:34:22,970

wonderful book which I'm going to

1821

01:34:19,939 --> 01:34:26,659

mention again incident at Devil's Den a

1822

01:34:22,970 --> 01:34:31,610

true story by Terry Lovelace Esquire and

1823

01:34:26,659 --> 01:34:34,189

it can be gotten on Amazon Terry I'm

1824

01:34:31,609 --> 01:34:39,289

going to ask our listeners to write in

1825
01:34:34,189 --> 01:34:41,629
their comments I would like them to tell

1826
01:34:39,289 --> 01:34:44,989
us what they think about your story

1827
01:34:41,630 --> 01:34:47,180
I am very moved by it I have a number of

1828
01:34:44,989 --> 01:34:51,109
questions and I hope that you will agree

1829
01:34:47,180 --> 01:34:53,119
to come back on again I would love to

1830
01:34:51,109 --> 01:34:54,589
come back on again and I'd love to

1831
01:34:53,119 --> 01:34:57,050
answer I'd love to answer every one of

1832
01:34:54,590 --> 01:34:59,449
their questions Thank You Terry thank

1833
01:34:57,050 --> 01:35:03,440
you so very much and I feel terrible but

1834
01:34:59,449 --> 01:35:05,720
we we are on a time schedule that the

1835
01:35:03,439 --> 01:35:07,759
studio is going to be filled with some

1836
01:35:05,720 --> 01:35:09,710
other people very shortly if we don't

1837
01:35:07,760 --> 01:35:17,270
leave they'll be here playing rock and

1838
01:35:09,710 --> 01:35:20,319
roll so so thank you so very much

1839
01:35:17,270 --> 01:35:23,690
Terry Lovelace incident at Devil's Den

1840
01:35:20,319 --> 01:35:26,289
thanks for being with us and you will be

1841
01:35:23,689 --> 01:35:28,789
hearing from me Terry thank you again a

1842
01:35:26,289 --> 01:35:32,170
great pleasure thank you for having me

1843
01:35:28,789 --> 01:35:32,170
okay bye now

1844
01:35:34,238 --> 01:35:41,569
well shattered reality listeners that

1845
01:35:38,208 --> 01:35:44,748
was Terry Lovelace and I must say this

1846
01:35:41,569 --> 01:35:48,649
was a very moving very unusual very

1847
01:35:44,748 --> 01:35:52,279
heartfelt story and I would love to hear

1848
01:35:48,649 --> 01:35:55,939
what you have to say about it we will be

1849
01:35:52,279 --> 01:35:58,759
back again shortly with a new podcast

1850
01:35:55,939 --> 01:36:03,788
and please remember to Like us on

1851
01:35:58,760 --> 01:36:03,789
Facebook to go to both of our websites

1852
01:36:04,689 --> 01:36:11,299
shattered reality podcast dot

1853

01:36:08,380 --> 01:36:12,889
wordpress.com and shattered reality

1854
01:36:11,300 --> 01:36:17,389
podcast com

1855
01:36:12,889 --> 01:36:20,090
we are also on iTunes and many of our

1856
01:36:17,389 --> 01:36:23,029
episodes are on YouTube and we're

1857
01:36:20,090 --> 01:36:27,819
putting more up every week so please

1858
01:36:23,029 --> 01:36:31,399
feel free to contact us with any of your

1859
01:36:27,819 --> 01:36:34,509
experiences of the paranormal whether

1860
01:36:31,399 --> 01:36:38,478
they be UFOs or other things and

1861
01:36:34,510 --> 01:36:40,789
hopefully by our next podcast Kate

1862
01:36:38,479 --> 01:36:42,679
Valentine will be able to join us for

1863
01:36:40,788 --> 01:36:47,179
the entire show we're going to be

1864
01:36:42,679 --> 01:36:51,399
working on the technical aspects of that

1865
01:36:47,179 --> 01:36:56,859
so she'll be back for us and so now

1866
01:36:51,399 --> 01:36:56,859
goodbye from shattered reality
