

1
00:00:16,750 --> 00:00:25,039
welcome to shattered reality with their

2
00:00:20,239 --> 00:00:28,099
hosts Kate Valentine and furs prepare to

3
00:00:25,039 --> 00:00:34,629
have your paradigm shifted into truths

4
00:00:28,100 --> 00:00:34,629
questioned and now shattered reality

5
00:00:35,859 --> 00:00:41,420
welcome back to shattered reality we are

6
00:00:38,899 --> 00:00:45,499
indeed the aforementioned host faroush

7
00:00:41,420 --> 00:00:48,319
a-- a very famous New York psychic also

8
00:00:45,499 --> 00:00:51,769
the authors of several fascinating blog

9
00:00:48,319 --> 00:00:56,149
posts I am Kate Valentine a longtime a

10
00:00:51,768 --> 00:00:59,329
sort of studier of ufology with a few

11
00:00:56,149 --> 00:01:01,489
radio shows under my belt and we are

12
00:00:59,329 --> 00:01:05,599
both fortunate today to have as our

13
00:01:01,488 --> 00:01:08,209
guest the illustrious mr. David the ND

14
00:01:05,599 --> 00:01:11,179
and ferocious if you will go over some

15
00:01:08,209 --> 00:01:14,559
of David's credentials well many people

16
00:01:11,180 --> 00:01:19,340
who may be listening to us probably

17
00:01:14,560 --> 00:01:24,349
remember David from his four year term

18
00:01:19,340 --> 00:01:26,870
as the co-host on the para cast he was

19
00:01:24,349 --> 00:01:30,500
on for four years talking about all

20
00:01:26,870 --> 00:01:34,760
kinds of phenomena and talking to people

21
00:01:30,500 --> 00:01:38,810
and sometimes eviscerating of acres yes

22
00:01:34,760 --> 00:01:42,050
indeed and honor he is currently at an

23
00:01:38,810 --> 00:01:46,280
Ivy League college being a teacher of

24
00:01:42,049 --> 00:01:51,530
digital media in the past he has been a

25
00:01:46,280 --> 00:01:54,439
multimedia expert and he has given info

26
00:01:51,530 --> 00:01:58,460
to the NARC app report and he worked on

27
00:01:54,439 --> 00:02:02,989
the O'Hair sighting in addition he was

28
00:01:58,459 --> 00:02:06,139
one of the original people who worked on

29

00:02:02,989 --> 00:02:09,859
Photoshop and he actually wrote the

30
00:02:06,140 --> 00:02:15,079
first manual ever for the Photoshop

31
00:02:09,860 --> 00:02:18,450
program so without further ado let me

32
00:02:15,079 --> 00:02:22,110
introduce my friend and

33
00:02:18,449 --> 00:02:25,079
very very interesting gentleman David

34
00:02:22,110 --> 00:02:28,379
the Edney I hope I can live up to that

35
00:02:25,080 --> 00:02:30,510
to that that greeting David you can live

36
00:02:28,378 --> 00:02:32,459
up to that and more you are the more

37
00:02:30,509 --> 00:02:33,628
fascinating people I've ever spoken to

38
00:02:32,459 --> 00:02:35,580
oh man

39
00:02:33,628 --> 00:02:40,649
oh yeah well this is from a lady who

40
00:02:35,580 --> 00:02:43,469
can't even use her webcam little web

41
00:02:40,650 --> 00:02:46,620
camera I still have a tracfone so that's

42
00:02:43,469 --> 00:02:48,359
we're on that but you don't David I

43
00:02:46,620 --> 00:02:51,390

really wanted to speak to you because

44

00:02:48,360 --> 00:02:54,959

you're one of the few people that are

45

00:02:51,389 --> 00:02:57,298

interested in this field but you when I

46

00:02:54,959 --> 00:03:01,110

met you a long time ago you asked me if

47

00:02:57,299 --> 00:03:04,140

I had my druthers what would I want the

48

00:03:01,110 --> 00:03:06,450

UFOs to turn out to be and I remember

49

00:03:04,139 --> 00:03:08,669

telling you I really had you know I

50

00:03:06,449 --> 00:03:11,129

could I would like this I was like that

51

00:03:08,669 --> 00:03:14,189

but I really didn't care as long as one

52

00:03:11,129 --> 00:03:16,949

day I found out what they were and you

53

00:03:14,189 --> 00:03:19,139

agree with that and I you are one of the

54

00:03:16,949 --> 00:03:21,659

few people in this field that I've met

55

00:03:19,139 --> 00:03:24,298

that really don't have an angle you just

56

00:03:21,659 --> 00:03:26,068

really attack it and sort of sort things

57

00:03:24,299 --> 00:03:31,829

out and do you find that to be true

58
00:03:26,068 --> 00:03:36,509
about yourself I come at this from a

59
00:03:31,829 --> 00:03:38,900
weird place in that I'm someone who in

60
00:03:36,509 --> 00:03:44,129
the four years that I did the para cast

61
00:03:38,900 --> 00:03:47,629
2006 to 2010 interestingly enough I sort

62
00:03:44,129 --> 00:03:50,129
of got put in that box of debunking

63
00:03:47,629 --> 00:03:52,829
because part of what I did on that show

64
00:03:50,129 --> 00:03:57,150
was to take some of the sort of the holy

65
00:03:52,829 --> 00:03:58,980
cows of the of the field and and take

66
00:03:57,150 --> 00:04:02,400
them down just simply ask relevant

67
00:03:58,979 --> 00:04:04,919
logical questions so I got put in that

68
00:04:02,400 --> 00:04:07,049
box it seems like everything that goes

69
00:04:04,919 --> 00:04:13,138
on in our culture nowadays is about this

70
00:04:07,049 --> 00:04:14,849
extreme polarization whereas the reality

71
00:04:13,139 --> 00:04:17,639
is that I got into doing the podcast

72
00:04:14,848 --> 00:04:20,519
primarily because I wanted to have

73
00:04:17,639 --> 00:04:24,060
rational reasonable discussions about

74
00:04:20,519 --> 00:04:26,970
the lifetime of anomalous experiences

75
00:04:24,060 --> 00:04:29,009
that I had that I couldn't talk about in

76
00:04:26,970 --> 00:04:30,630
mixed company and I also found I

77
00:04:29,009 --> 00:04:31,920
couldn't have reasonable conversations

78
00:04:30,629 --> 00:04:34,439
because everyone

79
00:04:31,920 --> 00:04:36,990
immediately had their conclusions which

80
00:04:34,439 --> 00:04:38,370
they wanted to sort of force down your

81
00:04:36,990 --> 00:04:40,139
throat when you would talk about so when

82
00:04:38,370 --> 00:04:41,189
I would talk about things people would

83
00:04:40,139 --> 00:04:43,469
say well it's this that or the other

84
00:04:41,189 --> 00:04:46,740
thing and I sort of came to understand

85
00:04:43,470 --> 00:04:49,200
that I walked this very weird middle

86

00:04:46,740 --> 00:04:52,860
line which is that you know I look at

87
00:04:49,199 --> 00:04:55,979
debunkers debunkers basically assume

88
00:04:52,860 --> 00:04:59,129
they make the assumption that everything

89
00:04:55,980 --> 00:05:01,860
is prosaic everything can be explained

90
00:04:59,129 --> 00:05:04,829
by science as science currently stands

91
00:05:01,860 --> 00:05:07,110
and that people who report having odd

92
00:05:04,829 --> 00:05:08,759
experiences are basically just making

93
00:05:07,110 --> 00:05:11,189
this stuff up or they're suffering

94
00:05:08,759 --> 00:05:13,949
mental disease or any number of

95
00:05:11,189 --> 00:05:15,719
explanations that fall into the sort of

96
00:05:13,949 --> 00:05:18,229
the expected and then you have on the

97
00:05:15,720 --> 00:05:20,730
other end of the spectrum the people who

98
00:05:18,230 --> 00:05:23,670
go by various names you know there's

99
00:05:20,730 --> 00:05:29,150
there's a term I constantly hear is the

100
00:05:23,670 --> 00:05:32,550

wou people um who basically assume that

101

00:05:29,149 --> 00:05:34,439

they know what's going on with pick your

102

00:05:32,550 --> 00:05:36,449

pick your should you take your pick of

103

00:05:34,439 --> 00:05:38,910

whatever anomalous thing we're talking

104

00:05:36,449 --> 00:05:40,649

about they know what it is they

105

00:05:38,910 --> 00:05:44,040

understand the motivations of whatever

106

00:05:40,649 --> 00:05:47,819

it is and for a lot of those people the

107

00:05:44,040 --> 00:05:50,910

the getting interested in the anomalous

108

00:05:47,819 --> 00:05:52,170

is sort of like a proxy religion I stand

109

00:05:50,910 --> 00:05:56,250

right in the middle in that my

110

00:05:52,170 --> 00:05:58,379

assumption is that the human mind in its

111

00:05:56,250 --> 00:06:00,360

current state of evolution is not

112

00:05:58,379 --> 00:06:02,519

capable of understanding what is most

113

00:06:00,360 --> 00:06:05,400

likely the truth behind a lot of this

114

00:06:02,519 --> 00:06:08,579

stuff which is not a comfortable place

115
00:06:05,399 --> 00:06:11,819
people want to have answers they're very

116
00:06:08,579 --> 00:06:14,219
uncomfortable facing the prospect of not

117
00:06:11,819 --> 00:06:16,949
having any kind of answers or even being

118
00:06:14,220 --> 00:06:18,810
told even if you had the answers your

119
00:06:16,949 --> 00:06:21,629
brain in its current state of evolution

120
00:06:18,810 --> 00:06:24,829
all of our brains could not process this

121
00:06:21,629 --> 00:06:28,500
information well that's something that

122
00:06:24,829 --> 00:06:32,399
I've written about on my blog that

123
00:06:28,500 --> 00:06:35,279
people don't like the entire idea that

124
00:06:32,399 --> 00:06:37,589
something could be smarter than them and

125
00:06:35,279 --> 00:06:39,779
I don't mean that there isn't somebody

126
00:06:37,589 --> 00:06:42,839
who can do nuclear physics and they

127
00:06:39,779 --> 00:06:43,848
can't but somebody or some being that is

128
00:06:42,839 --> 00:06:46,899
so much smarter

129
00:06:43,848 --> 00:06:49,878
them that that being looks on them like

130
00:06:46,899 --> 00:06:51,559
you know like a flea or yeah like we

131
00:06:49,879 --> 00:06:55,520
look at an ant yeah sure

132
00:06:51,559 --> 00:06:57,979
so so since we may just simply be lab

133
00:06:55,519 --> 00:07:00,678
rats I'm almost going to jump into this

134
00:06:57,978 --> 00:07:04,459
because this is a question that I have

135
00:07:00,678 --> 00:07:10,658
been asking myself lately in terms of

136
00:07:04,459 --> 00:07:14,569
those persons who have had legitimate

137
00:07:10,658 --> 00:07:18,498
contact with an other and other

138
00:07:14,569 --> 00:07:22,459
intelligence outside of our kin so to

139
00:07:18,499 --> 00:07:25,699
speak what's your position on the

140
00:07:22,459 --> 00:07:29,838
thought that these others might be lying

141
00:07:25,699 --> 00:07:32,889
to us versus the idea that what they

142
00:07:29,838 --> 00:07:35,360
tell us we just simply miss

143

00:07:32,889 --> 00:07:36,679
misunderstand I'm getting the feeling

144
00:07:35,360 --> 00:07:40,550
you were listening to some old parrot

145
00:07:36,678 --> 00:07:43,549
cast recently well that was always that

146
00:07:40,550 --> 00:07:46,699
was a sort of a key position I took

147
00:07:43,550 --> 00:07:50,180
which is to assume that if you were

148
00:07:46,699 --> 00:07:52,939
dealing with an in superior intelligence

149
00:07:50,180 --> 00:07:53,869
of any sort there's absolutely no reason

150
00:07:52,939 --> 00:07:56,240
to believe that it would be

151
00:07:53,869 --> 00:07:57,469
straightforward and honest there's every

152
00:07:56,240 --> 00:08:00,050
reason to believe that it would

153
00:07:57,468 --> 00:08:02,088
incorporate some level of deception in

154
00:08:00,050 --> 00:08:05,598
order to protect itself in the same way

155
00:08:02,088 --> 00:08:09,079
that humans do I know III mean I know

156
00:08:05,598 --> 00:08:11,598
that dogs will basically play games with

157
00:08:09,079 --> 00:08:14,629

each other to deceive each other

158

00:08:11,598 --> 00:08:17,389

I wrote a an essay years ago called the

159

00:08:14,629 --> 00:08:19,519

truth about lies that's floating around

160

00:08:17,389 --> 00:08:21,889

online right which is just about the

161

00:08:19,519 --> 00:08:23,449

fact that it seems I should I say the

162

00:08:21,889 --> 00:08:26,209

fact but it seems clear to me that

163

00:08:23,449 --> 00:08:28,879

humans to some degree are addicted to

164

00:08:26,209 --> 00:08:32,198

deception it's it's our default mode of

165

00:08:28,879 --> 00:08:35,418

being this is not a pleasant revelation

166

00:08:32,198 --> 00:08:36,740

it's something that really kind of it's

167

00:08:35,418 --> 00:08:38,899

frustrating and it's it's a little

168

00:08:36,740 --> 00:08:40,579

little sickening in a way because we'd

169

00:08:38,899 --> 00:08:43,068

like to thank all of us like to think

170

00:08:40,578 --> 00:08:43,698

that we are seeking the truth at all

171

00:08:43,068 --> 00:08:45,979

times

172
00:08:43,698 --> 00:08:49,188
I've come to believe that that's not the

173
00:08:45,980 --> 00:08:50,899
case and so the idea that if we had a

174
00:08:49,188 --> 00:08:53,990
superior intelligence in dealing and

175
00:08:50,899 --> 00:08:56,590
dealing with us directly that it would

176
00:08:53,990 --> 00:08:58,090
be honest and truthful you

177
00:08:56,590 --> 00:08:59,470
wouldn't really be that intelligent if

178
00:08:58,090 --> 00:09:01,300
it was honest and truthful with us

179
00:08:59,470 --> 00:09:03,610
because again no I don't know that we

180
00:09:01,299 --> 00:09:08,009
could handle the truth but the things

181
00:09:03,610 --> 00:09:12,669
that that appear to be lies that

182
00:09:08,009 --> 00:09:15,549
sometimes come out of these meetings of

183
00:09:12,669 --> 00:09:17,769
the mind shall we say would appear to be

184
00:09:15,549 --> 00:09:21,009
things that you don't necessarily need

185
00:09:17,769 --> 00:09:25,600
to lie about although some of the things

186
00:09:21,009 --> 00:09:28,450
like we come from Venus to the to the

187
00:09:25,600 --> 00:09:30,399
contactees and and so forth well that

188
00:09:28,450 --> 00:09:32,730
certainly makes some sense that you know

189
00:09:30,399 --> 00:09:36,819
throw them off the throw them off the

190
00:09:32,730 --> 00:09:39,490
Descent well you know are you talking

191
00:09:36,820 --> 00:09:41,500
about abductees or people who say that

192
00:09:39,490 --> 00:09:44,139
they're abductees err I was talking

193
00:09:41,500 --> 00:09:46,659
specifically just I threw in a reference

194
00:09:44,139 --> 00:09:48,850
to the contactee movement where there

195
00:09:46,659 --> 00:09:51,579
were no working people and I'm the names

196
00:09:48,850 --> 00:09:54,460
sort of elude me at the moment who said

197
00:09:51,580 --> 00:09:57,670
that the others said that they came from

198
00:09:54,460 --> 00:10:00,100
Venus yeah and then clearly you know

199
00:09:57,669 --> 00:10:02,769
Venus is extraordinarily hot and it's

200

00:10:00,100 --> 00:10:04,930
highly unlikely unless they're you know

201
00:10:02,769 --> 00:10:07,120
sulphur beings or something like that

202
00:10:04,929 --> 00:10:09,219
that they are actually living well Venus

203
00:10:07,120 --> 00:10:11,139
those claims came out of a time when our

204
00:10:09,220 --> 00:10:14,279
scientific understanding of the solar

205
00:10:11,139 --> 00:10:17,500
system was compromised third from now

206
00:10:14,279 --> 00:10:20,019
and it does see I don't put any weight

207
00:10:17,500 --> 00:10:22,570
into any of that early contactee stuff

208
00:10:20,019 --> 00:10:26,289
at all to me it's just completely bogus

209
00:10:22,570 --> 00:10:30,340
I don't buy any of it and that's not to

210
00:10:26,289 --> 00:10:34,959
say that I don't suspect that humans

211
00:10:30,340 --> 00:10:37,780
throughout history have had interactions

212
00:10:34,960 --> 00:10:39,670
with non-human entities I think that is

213
00:10:37,779 --> 00:10:43,649
not only highly probable I I think

214
00:10:39,669 --> 00:10:46,569

that's indeed happened and is ongoing

215

00:10:43,649 --> 00:10:48,189

but again to try to then come down to

216

00:10:46,570 --> 00:10:50,830

understanding the motivations for these

217

00:10:48,190 --> 00:10:52,540

interactions I think that is beyond our

218

00:10:50,830 --> 00:10:58,480

current level of understanding of

219

00:10:52,539 --> 00:11:00,029

reality in general I just I'm as someone

220

00:10:58,480 --> 00:11:03,879

who's really motivated by understanding

221

00:11:00,029 --> 00:11:07,360

science I'm always fascinated about how

222

00:11:03,879 --> 00:11:09,120

much we don't know about everything pick

223

00:11:07,360 --> 00:11:11,629

take your choice well you know

224

00:11:09,120 --> 00:11:14,490

even up until when I was at 20 years ago

225

00:11:11,629 --> 00:11:16,950

most astronomers would tell you well

226

00:11:14,490 --> 00:11:18,659

maybe there are other planets but right

227

00:11:16,950 --> 00:11:22,230

now we have no evidence of that

228

00:11:18,659 --> 00:11:24,480

which is like so ridiculous Sustainment

229
00:11:22,230 --> 00:11:26,789
even back then even as a child I thought

230
00:11:24,480 --> 00:11:28,889
that'd be no well they didn't want to go

231
00:11:26,789 --> 00:11:31,319
on a limb they were basically they were

232
00:11:28,889 --> 00:11:34,409
practicing sound science they didn't

233
00:11:31,320 --> 00:11:37,830
want to make assumptions okay but then

234
00:11:34,409 --> 00:11:40,409
again I think that's what keeps people

235
00:11:37,830 --> 00:11:42,360
who make a living doing science out of

236
00:11:40,409 --> 00:11:45,959
ufology because it is definitely a

237
00:11:42,360 --> 00:11:49,320
career killer yeah about that pretty

238
00:11:45,960 --> 00:11:51,269
much that's effect oh yeah yeah yeah and

239
00:11:49,320 --> 00:11:53,670
I that was my own experience I found

240
00:11:51,269 --> 00:11:57,120
that to be true and I just wrote a

241
00:11:53,669 --> 00:12:00,120
response to somebody on our website

242
00:11:57,120 --> 00:12:02,970
there that the person was sort of

243
00:12:00,120 --> 00:12:06,839
talking about seth shostack and how he

244
00:12:02,970 --> 00:12:10,170
has distanced himself from the UFO field

245
00:12:06,839 --> 00:12:12,960
and while I think that that may be a

246
00:12:10,169 --> 00:12:15,139
mistake on his part I do think that he

247
00:12:12,960 --> 00:12:17,820
probably saw it as a career killer

248
00:12:15,139 --> 00:12:21,230
basically any you know needed to

249
00:12:17,820 --> 00:12:24,270
distance himself from what the media

250
00:12:21,230 --> 00:12:27,629
portrays people who are you follow gist

251
00:12:24,269 --> 00:12:29,759
as a crazy people wearing tinfoil hats

252
00:12:27,629 --> 00:12:31,708
you know yeah but that's Shaw stacks own

253
00:12:29,759 --> 00:12:33,240
making I saw Shawn stack go on shows

254
00:12:31,708 --> 00:12:35,849
where he showed up with little alien

255
00:12:33,240 --> 00:12:38,909
head bubble yeah bobblehead dolls and he

256
00:12:35,850 --> 00:12:42,269
was just basically it's terrible it's

257

00:12:38,909 --> 00:12:44,669
making fun of people not engaging in

258
00:12:42,269 --> 00:12:47,100
anything I'd call genuine scientific

259
00:12:44,669 --> 00:12:49,019
inquiry and you know I forget that

260
00:12:47,100 --> 00:12:50,610
fellows name now Jeff something I can't

261
00:12:49,019 --> 00:12:52,470
think of his last name but he was the

262
00:12:50,610 --> 00:12:54,330
one astronomer that said looked I have

263
00:12:52,470 --> 00:12:57,389
to be other planets and he was the one

264
00:12:54,330 --> 00:12:59,910
that found the Pegasus planet and so you

265
00:12:57,389 --> 00:13:01,949
would think that some young person today

266
00:12:59,909 --> 00:13:03,719
that would want to make a name for

267
00:13:01,950 --> 00:13:06,330
themselves would say look there's enough

268
00:13:03,720 --> 00:13:09,570
evidence here that something is going on

269
00:13:06,330 --> 00:13:12,690
but again you know at least with the

270
00:13:09,570 --> 00:13:15,420
planet hunters they had some data some

271
00:13:12,690 --> 00:13:17,610

means of investigating it the problem

272

00:13:15,419 --> 00:13:21,139
with UFOs has been stated a gazillion

273

00:13:17,610 --> 00:13:23,870
times is that there's no consistent data

274

00:13:21,139 --> 00:13:25,850
one place you can go to investigate its

275

00:13:23,870 --> 00:13:28,240
you know if you're happy and lucky

276

00:13:25,850 --> 00:13:31,129
enough to be there with one of your

277

00:13:28,240 --> 00:13:35,120
media cameras then freight you get it if

278

00:13:31,129 --> 00:13:37,759
you're not lucky enough I I would

279

00:13:35,120 --> 00:13:40,039
dispute that uh yeah I don't know yeah I

280

00:13:37,759 --> 00:13:42,649
don't think lucky is a good word and at

281

00:13:40,039 --> 00:13:45,559
this point we also have to just

282

00:13:42,649 --> 00:13:47,958
recognize and realize and I say this the

283

00:13:45,559 --> 00:13:50,208
day after we're recording this the day

284

00:13:47,958 --> 00:13:51,049
after the 25th anniversary of

285

00:13:50,208 --> 00:13:54,588
photoshop's

286
00:13:51,049 --> 00:13:58,578
release to the market normally um at

287
00:13:54,589 --> 00:14:02,660
this point in time the validity veracity

288
00:13:58,578 --> 00:14:05,569
and usefulness of specifically still

289
00:14:02,659 --> 00:14:08,838
image evidence is pretty much out the

290
00:14:05,570 --> 00:14:12,879
window it's gone photographic evidence

291
00:14:08,839 --> 00:14:15,980
is now so suspect because usually it

292
00:14:12,879 --> 00:14:19,639
lacks context usually it lacks any kind

293
00:14:15,980 --> 00:14:21,740
of triangulation you know when I when I

294
00:14:19,639 --> 00:14:23,449
the day that I see the UFO photograph

295
00:14:21,740 --> 00:14:25,419
has been shot by three separate people

296
00:14:23,450 --> 00:14:28,750
on their cell cell phones from three

297
00:14:25,419 --> 00:14:31,338
different positions that shows

298
00:14:28,750 --> 00:14:32,958
consistency three people who are willing

299
00:14:31,339 --> 00:14:36,430
to go on they're on the record with

300
00:14:32,958 --> 00:14:36,429
their real names prove who they are

301
00:14:36,549 --> 00:14:44,028
deliver images that clearly are not

302
00:14:42,019 --> 00:14:46,429
hoaxed that are legitimate that have the

303
00:14:44,028 --> 00:14:48,198
right kind of data in them to suggest

304
00:14:46,429 --> 00:14:50,948
that the legitimate and so let's say you

305
00:14:48,198 --> 00:14:54,379
had those photos let's say you have that

306
00:14:50,948 --> 00:14:56,359
witness testimony okay let me tell you

307
00:14:54,379 --> 00:14:58,009
what you wouldn't have you wouldn't have

308
00:14:56,360 --> 00:15:00,259
any kind of information about the

309
00:14:58,009 --> 00:15:02,208
sourcing of let's say it's a UFO right

310
00:15:00,259 --> 00:15:03,559
you wouldn't know where the UFO came

311
00:15:02,208 --> 00:15:05,599
from you wouldn't know what it was made

312
00:15:03,559 --> 00:15:07,448
of you wouldn't know what was in it you

313
00:15:05,600 --> 00:15:10,129
wouldn't know what it was doing here um

314

00:15:07,448 --> 00:15:11,778
you you pretty much know nothing except

315
00:15:10,129 --> 00:15:13,698
that there is some anomalous thing in

316
00:15:11,778 --> 00:15:17,149
the sky that is now that were operated

317
00:15:13,698 --> 00:15:19,789
exactly so it's not like even like the

318
00:15:17,149 --> 00:15:21,320
discovery of other planets is not is not

319
00:15:19,789 --> 00:15:23,000
the same thing as the discovery of life

320
00:15:21,320 --> 00:15:25,459
on other planets because it's still

321
00:15:23,000 --> 00:15:28,220
there and other people can go back and

322
00:15:25,458 --> 00:15:30,078
verify the original investigation and

323
00:15:28,220 --> 00:15:31,360
that you don't have it it's just

324
00:15:30,078 --> 00:15:34,569
maddening

325
00:15:31,360 --> 00:15:35,830
well and and that suggests to me I mean

326
00:15:34,570 --> 00:15:39,070
and this is something I've come to

327
00:15:35,830 --> 00:15:41,379
believe and I and I use the word belief

328
00:15:39,070 --> 00:15:43,030

when I emphasize it because the thing

329

00:15:41,379 --> 00:15:46,720

about beliefs is that you you can

330

00:15:43,029 --> 00:15:48,039

believe anything on a personal level you

331

00:15:46,720 --> 00:15:49,330

don't even need to prove things to

332

00:15:48,039 --> 00:15:53,139

yourself you can simply believe them

333

00:15:49,330 --> 00:15:55,150

based on free will so belief to me is

334

00:15:53,139 --> 00:15:56,970

kind of problematic word it always has

335

00:15:55,149 --> 00:16:01,659

been

336

00:15:56,970 --> 00:16:04,379

but you can know coming back that round

337

00:16:01,659 --> 00:16:07,929

to my original statement I want to make

338

00:16:04,379 --> 00:16:10,269

in the end you can believe whatever you

339

00:16:07,929 --> 00:16:12,159

want and and and I wasn't gonna say I

340

00:16:10,269 --> 00:16:14,019

was I say so yeah I believe and then I

341

00:16:12,159 --> 00:16:15,879

went off on a tangent just to discuss

342

00:16:14,019 --> 00:16:20,649

the context of the word belief I do that

343
00:16:15,879 --> 00:16:22,809
a lot by the way yeah it's not getting

344
00:16:20,649 --> 00:16:24,879
better as I get any older I think we're

345
00:16:22,809 --> 00:16:28,119
talking about investigating science and

346
00:16:24,879 --> 00:16:30,820
being able to recapitulate an original

347
00:16:28,120 --> 00:16:33,730
discovery or investigation there

348
00:16:30,820 --> 00:16:39,610
Goldilocks planets not necessarily

349
00:16:33,730 --> 00:16:42,129
having life well you know DNA I'm sure

350
00:16:39,610 --> 00:16:43,870
is you know to me and again okay here's

351
00:16:42,129 --> 00:16:46,299
the I'm not set but you see you use the

352
00:16:43,870 --> 00:16:48,039
word you're sure I know I let me take

353
00:16:46,299 --> 00:16:52,750
that back I stopped right away if you'll

354
00:16:48,039 --> 00:16:54,849
notice but anyway that would be an

355
00:16:52,750 --> 00:16:58,210
aspect that I would definitely follow

356
00:16:54,850 --> 00:17:00,220
through with very good hope that it

357
00:16:58,210 --> 00:17:02,590
would bear fruit in other words there

358
00:17:00,220 --> 00:17:04,809
are some investigations like into UFO is

359
00:17:02,590 --> 00:17:06,549
that you do is the best time because to

360
00:17:04,809 --> 00:17:09,190
put a lot of time and money into it

361
00:17:06,549 --> 00:17:12,579
probably the payout is going to be zero

362
00:17:09,190 --> 00:17:14,860
by the time you hit the big one but

363
00:17:12,579 --> 00:17:19,119
something like investigating DNA yeah I

364
00:17:14,859 --> 00:17:20,799
think that's possibility and of course I

365
00:17:19,119 --> 00:17:23,469
don't know but that's that would be my

366
00:17:20,799 --> 00:17:25,779
belief that that would be a potentially

367
00:17:23,470 --> 00:17:29,140
fruitful line of investigation alright

368
00:17:25,779 --> 00:17:31,000
whereas UFOs again they just I would

369
00:17:29,140 --> 00:17:34,390
love to investigate them more closely

370
00:17:31,000 --> 00:17:36,190
but after a long time spending time in

371

00:17:34,390 --> 00:17:38,680
this field I think I've sort of given up

372
00:17:36,190 --> 00:17:40,330
hope a little bit so so here's the

373
00:17:38,680 --> 00:17:43,900
here's the problem with all of this

374
00:17:40,329 --> 00:17:44,859
right mm-hmm in order to get someone

375
00:17:43,900 --> 00:17:46,509
who's going to be able to

376
00:17:44,859 --> 00:17:49,389
approach the topic of UFOs on a

377
00:17:46,509 --> 00:17:51,609
level-headed way it's my belief that a

378
00:17:49,390 --> 00:17:54,520
you have to deal with somebody who's had

379
00:17:51,609 --> 00:17:57,099
a personal experience if not then you

380
00:17:54,519 --> 00:18:00,639
have people who basically are thrilled

381
00:17:57,099 --> 00:18:02,319
Shar thrilled chasers you have people

382
00:18:00,640 --> 00:18:04,660
who and they come to it with their own

383
00:18:02,319 --> 00:18:06,099
preconceived set of notions for a lot of

384
00:18:04,660 --> 00:18:08,590
these people it's either become a proxy

385
00:18:06,099 --> 00:18:09,879

religion or just become another pastime

386

00:18:08,589 --> 00:18:11,949

it's just a hobby it's something I do

387

00:18:09,880 --> 00:18:14,280

for fun they like the thrill of it they

388

00:18:11,950 --> 00:18:16,840

like the unknown and now that's fine um

389

00:18:14,279 --> 00:18:19,178

but that person is gonna approach all of

390

00:18:16,839 --> 00:18:22,599

this with a very different level of

391

00:18:19,179 --> 00:18:24,669

vested interest in getting to my old

392

00:18:22,599 --> 00:18:25,889

tagline on the power cast was trying to

393

00:18:24,669 --> 00:18:28,299

separate the signal from the noise

394

00:18:25,890 --> 00:18:30,429

there's that there's a ton of noise and

395

00:18:28,298 --> 00:18:33,039

and in order to cut through the noise to

396

00:18:30,429 --> 00:18:35,230

get signal one has to have sort of a

397

00:18:33,039 --> 00:18:37,629

certain type of I believe motivation

398

00:18:35,230 --> 00:18:39,548

which is about finding personal truths

399

00:18:37,630 --> 00:18:40,990

oh right somebody doesn't have an

400
00:18:39,548 --> 00:18:43,230
anomalous let's say somebody who gets

401
00:18:40,990 --> 00:18:45,849
interested in UFOs who's never seen one

402
00:18:43,230 --> 00:18:49,029
it's fine from an entertainment point of

403
00:18:45,849 --> 00:18:51,849
view but I believe that that person does

404
00:18:49,029 --> 00:18:54,579
not have the kind of internal motivation

405
00:18:51,849 --> 00:18:56,949
that's going to lead them down things

406
00:18:54,579 --> 00:18:58,240
that are truthful it's gonna leave them

407
00:18:56,950 --> 00:18:59,470
the things that are interesting maybe

408
00:18:58,240 --> 00:19:02,109
compelling

409
00:18:59,470 --> 00:19:03,519
maybe mystifying maybe a little scary

410
00:19:02,109 --> 00:19:06,849
because people like being scared that's

411
00:19:03,519 --> 00:19:08,379
why our movies do so well um so now you

412
00:19:06,849 --> 00:19:11,349
have to have somebody you have to try to

413
00:19:08,380 --> 00:19:12,700
get somebody who's had an experience and

414
00:19:11,349 --> 00:19:14,798
what I can tell you from that is that

415
00:19:12,700 --> 00:19:18,759
when people have what I would consider

416
00:19:14,798 --> 00:19:21,069
to be genuine anomalous experiences it

417
00:19:18,759 --> 00:19:24,190
tends to damage them yes

418
00:19:21,069 --> 00:19:25,899
and so be right and I've said doing the

419
00:19:24,190 --> 00:19:27,519
para cast for four years I talked to

420
00:19:25,900 --> 00:19:30,700
some number of people over those four

421
00:19:27,519 --> 00:19:32,829
years who had had like one anomalous

422
00:19:30,700 --> 00:19:34,360
experience when they were kids and it

423
00:19:32,829 --> 00:19:37,329
screwed them up for the rest of their

424
00:19:34,359 --> 00:19:39,759
lives it basically really distorted

425
00:19:37,329 --> 00:19:43,839
their worldview in many ways and so

426
00:19:39,759 --> 00:19:46,058
those people also the the idea of true

427
00:19:43,839 --> 00:19:47,769
objectivity and scientific clarity

428

00:19:46,058 --> 00:19:49,629
you're not gonna find in most of those

429
00:19:47,769 --> 00:19:51,220
people because they've had this

430
00:19:49,630 --> 00:19:53,590
experience it's sort of the equivalent

431
00:19:51,220 --> 00:19:55,269
of a personal religious experience and

432
00:19:53,589 --> 00:19:57,129
so now they're looking to either

433
00:19:55,269 --> 00:19:57,759
recreate the experience because they

434
00:19:57,130 --> 00:20:00,580
want that

435
00:19:57,759 --> 00:20:03,160
thrill that that endorphin rush to the

436
00:20:00,579 --> 00:20:05,500
mind that happens when your brain sees

437
00:20:03,160 --> 00:20:07,540
something your eyes see something that

438
00:20:05,500 --> 00:20:09,220
your brain tells you cannot be there and

439
00:20:07,539 --> 00:20:11,619
yet your eyes are seeing it then you

440
00:20:09,220 --> 00:20:14,140
have corroborating people saying next

441
00:20:11,619 --> 00:20:16,089
you're going I see that too then you

442
00:20:14,140 --> 00:20:19,060

know it's this idea that there are

443

00:20:16,089 --> 00:20:22,179

consensual sort of mass hallucinations

444

00:20:19,059 --> 00:20:23,950

is very problematic it's very very rare

445

00:20:22,180 --> 00:20:25,750

if it's if it's happened at all it's

446

00:20:23,950 --> 00:20:27,549

kind of low depress actually well a

447

00:20:25,750 --> 00:20:28,750

little ludicrous I think there are

448

00:20:27,549 --> 00:20:30,789

certain situations where you could

449

00:20:28,750 --> 00:20:32,589

possibly draw a potential of something

450

00:20:30,789 --> 00:20:33,940

like that happening but the idea that

451

00:20:32,589 --> 00:20:37,980

that happens on any kind of regular

452

00:20:33,940 --> 00:20:43,529

basis is sort of nonsensical David yes

453

00:20:37,980 --> 00:20:50,460

I've had the experience of having people

454

00:20:43,529 --> 00:20:54,119

tell me that the raw biological terror

455

00:20:50,460 --> 00:20:58,180

that I have felt and I know that other

456

00:20:54,119 --> 00:21:00,579

experiences have felt is just fear and

457
00:20:58,180 --> 00:21:03,610
it can be conquered and when somebody

458
00:21:00,579 --> 00:21:06,009
says that to me I know they've never had

459
00:21:03,609 --> 00:21:09,189
that experience yeah because it it has

460
00:21:06,009 --> 00:21:11,379
it's not it has nothing to do with your

461
00:21:09,190 --> 00:21:14,940
psychology and that you're fearing

462
00:21:11,380 --> 00:21:18,490
something happening because the onset is

463
00:21:14,940 --> 00:21:22,059
totally unexpected and the fear is not

464
00:21:18,490 --> 00:21:23,950
fear but like a raw a biological terror

465
00:21:22,059 --> 00:21:26,740
well that's all programming in our

466
00:21:23,950 --> 00:21:29,710
brains it's that what I think is often

467
00:21:26,740 --> 00:21:32,049
referred to as the lizard brain you know

468
00:21:29,710 --> 00:21:34,809
it's it's the idea that you can use

469
00:21:32,049 --> 00:21:36,309
logic to conquer fear I have some

470
00:21:34,809 --> 00:21:37,869
problems with that especially when

471
00:21:36,309 --> 00:21:41,559
you're when you're witnessing something

472
00:21:37,869 --> 00:21:43,719
that again and your your brain is saying

473
00:21:41,559 --> 00:21:46,240
to your eyes there's there's just no way

474
00:21:43,720 --> 00:21:48,160
this is happening and and I discussed on

475
00:21:46,240 --> 00:21:51,279
the para cast publicly one particular

476
00:21:48,160 --> 00:21:54,430
episode involving a very old friend of

477
00:21:51,279 --> 00:21:58,539
mine in Florida where we saw this really

478
00:21:54,430 --> 00:22:01,720
weird apparition of some sorts we

479
00:21:58,539 --> 00:22:03,789
interacted with it a close proximity and

480
00:22:01,720 --> 00:22:06,549
we watch this thing dematerialize we

481
00:22:03,789 --> 00:22:08,139
watch it would look like a human could

482
00:22:06,549 --> 00:22:10,029
you give us a little bit of background

483
00:22:08,140 --> 00:22:10,570
about that story that sounds really

484
00:22:10,029 --> 00:22:11,139
interesting

485

00:22:10,569 --> 00:22:15,009
the

486
00:22:11,140 --> 00:22:16,480
it's it's kind of a drawn-out story but

487
00:22:15,009 --> 00:22:18,190
the long and short of it is that an old

488
00:22:16,480 --> 00:22:20,890
friend of mine myself in southern

489
00:22:18,190 --> 00:22:25,180
Florida we're hanging out one day and we

490
00:22:20,890 --> 00:22:27,850
see this very odd apparition of look

491
00:22:25,180 --> 00:22:30,670
like a human female sort of gliding

492
00:22:27,849 --> 00:22:35,019
across this walkway in this in this

493
00:22:30,670 --> 00:22:37,660
centered part of a condo complex Wow

494
00:22:35,019 --> 00:22:39,220
and the thing that really an end to this

495
00:22:37,660 --> 00:22:41,290
day this has happened a number of years

496
00:22:39,220 --> 00:22:43,839
ago and I still and just thinking about

497
00:22:41,289 --> 00:22:46,420
it my skin gets a little weird

498
00:22:43,839 --> 00:22:47,769
well because the thing that immediately

499
00:22:46,420 --> 00:22:49,690

right well there were a couple of things

500

00:22:47,769 --> 00:22:52,359

that registered is completely off when

501

00:22:49,690 --> 00:22:54,130

we saw this thing which is that her legs

502

00:22:52,359 --> 00:22:55,539

were moving at one speed her body was

503

00:22:54,130 --> 00:22:57,760

moving much faster than the legs were

504

00:22:55,539 --> 00:23:00,579

moving so that was already you know

505

00:22:57,759 --> 00:23:02,619

visually especially as I mean part of

506

00:23:00,579 --> 00:23:05,980

what I do in my life as I do animation

507

00:23:02,619 --> 00:23:08,199

and so I am intimately familiar with the

508

00:23:05,980 --> 00:23:09,970

idea of creating convincing motion and

509

00:23:08,200 --> 00:23:11,830

animation and when you're seeing

510

00:23:09,970 --> 00:23:14,950

something in the real world where the

511

00:23:11,829 --> 00:23:17,470

sink is off where again the legs are

512

00:23:14,950 --> 00:23:19,360

kind of moving slowly but the the the

513

00:23:17,470 --> 00:23:21,670

thing the legs are attached to is moving

514
00:23:19,359 --> 00:23:24,819
quickly immediately your brain goes oh

515
00:23:21,670 --> 00:23:26,410
no no that's something wrong there but

516
00:23:24,819 --> 00:23:29,139
then the thing that really stood out

517
00:23:26,410 --> 00:23:31,810
about this whatever it was was that

518
00:23:29,140 --> 00:23:36,370
we're and this was this happened outside

519
00:23:31,809 --> 00:23:38,200
in daylight where its eyes and its mouth

520
00:23:36,369 --> 00:23:39,969
were there was nothing it was just

521
00:23:38,200 --> 00:23:41,880
blackness mmm

522
00:23:39,970 --> 00:23:44,769
there were no eyes there was no mouth

523
00:23:41,880 --> 00:23:48,100
and in the end this thing went and sort

524
00:23:44,769 --> 00:23:51,069
of seemed to sit down in the seating

525
00:23:48,099 --> 00:23:52,750
area and I dragged my friend out to get

526
00:23:51,069 --> 00:23:54,909
close this thing we had up sitting like

527
00:23:52,750 --> 00:23:56,859
I don't know 15 feet away from it and

528
00:23:54,910 --> 00:23:58,960
we're both like what the hell is going

529
00:23:56,859 --> 00:24:01,240
on here and you know it was this fine

530
00:23:58,960 --> 00:24:03,789
balance this balancing act of being

531
00:24:01,240 --> 00:24:06,099
really really scared but also really

532
00:24:03,789 --> 00:24:09,039
really fascinated like what is going on

533
00:24:06,099 --> 00:24:13,799
here and for me it was not my first

534
00:24:09,039 --> 00:24:15,629
anomalous experience by longshot so

535
00:24:13,799 --> 00:24:18,639
unfortunately I had had some experience

536
00:24:15,630 --> 00:24:23,110
dealing with things that were really

537
00:24:18,640 --> 00:24:24,730
weird on and and the long and short of

538
00:24:23,109 --> 00:24:26,469
it is then this thing got up after

539
00:24:24,730 --> 00:24:28,808
a certain amount of time it got up and

540
00:24:26,470 --> 00:24:31,298
started drifting away and we watched it

541
00:24:28,808 --> 00:24:34,869
sort of dematerialize right into thin

542

00:24:31,298 --> 00:24:38,319
air now I don't know what this thing was

543
00:24:34,869 --> 00:24:40,539
like I can and and there's a episode of

544
00:24:38,319 --> 00:24:43,269
the parrot cast where my friend came on

545
00:24:40,539 --> 00:24:44,918
the show and identified himself by his

546
00:24:43,269 --> 00:24:48,039
real name Wow

547
00:24:44,919 --> 00:24:50,200
and we we we talked about this so we

548
00:24:48,039 --> 00:24:53,740
went through a large amount of detail

549
00:24:50,200 --> 00:24:55,450
which interestingly enough after that

550
00:24:53,740 --> 00:24:58,419
episode aired there were some people who

551
00:24:55,450 --> 00:25:00,279
said Oh too much information way too

552
00:24:58,419 --> 00:25:02,740
much detail he could have made the story

553
00:25:00,279 --> 00:25:04,599
a lot shorter well I should you well

554
00:25:02,740 --> 00:25:06,339
that's exactly that's clearly not

555
00:25:04,599 --> 00:25:08,319
somebody who's a researcher talking

556
00:25:06,339 --> 00:25:12,519

because it's like with too much detail

557

00:25:08,319 --> 00:25:15,220

huh but but that's part of the reality

558

00:25:12,519 --> 00:25:19,779

of today's Internet age there's an

559

00:25:15,220 --> 00:25:23,519

internet acronym TL :

560

00:25:19,779 --> 00:25:26,319

dr which stands for too long didn't read

561

00:25:23,519 --> 00:25:28,418

and ran it's like the standard response

562

00:25:26,319 --> 00:25:30,428

if somebody is on an online forum and

563

00:25:28,419 --> 00:25:32,770

somebody posts a long thing some will

564

00:25:30,429 --> 00:25:34,990

put that little line up and then give

565

00:25:32,769 --> 00:25:39,668

their opinion which qualifies their

566

00:25:34,990 --> 00:25:40,990

opinion basically being useless so so it

567

00:25:39,669 --> 00:25:43,720

was interesting in that some of the

568

00:25:40,990 --> 00:25:45,609

people who responded when my friend bill

569

00:25:43,720 --> 00:25:47,440

and i talked about that they were saying

570

00:25:45,609 --> 00:25:49,240

well you know they try to drag the story

571
00:25:47,440 --> 00:25:50,769
on it's like well we're trying to give

572
00:25:49,240 --> 00:25:54,160
you guys all the details in the

573
00:25:50,769 --> 00:25:55,990
information because maybe somebody can

574
00:25:54,160 --> 00:25:58,630
make use of that to help us figure out

575
00:25:55,990 --> 00:26:00,548
what the heck we saw so here's might

576
00:25:58,630 --> 00:26:04,960
might might my overall point about this

577
00:26:00,548 --> 00:26:06,429
um is that I've never made any sort of

578
00:26:04,960 --> 00:26:10,150
statement about what I thought this was

579
00:26:06,429 --> 00:26:12,490
I had some feelings that I might have

580
00:26:10,150 --> 00:26:15,160
shared about what I felt at the time

581
00:26:12,490 --> 00:26:17,890
seeing this but to say it's a ghost it

582
00:26:15,160 --> 00:26:21,009
was some kid it was a girl and she was

583
00:26:17,890 --> 00:26:23,350
dressed like in kind of 70s garb and

584
00:26:21,009 --> 00:26:26,829
this happened in the in the 90s so it

585
00:26:23,349 --> 00:26:29,199
was like well gee you know maybe maybe

586
00:26:26,829 --> 00:26:31,899
it was a ghost I don't know what a ghost

587
00:26:29,200 --> 00:26:33,819
even is was it an apparition was an

588
00:26:31,900 --> 00:26:35,380
apparition it D materialized it look

589
00:26:33,819 --> 00:26:37,619
human it didn't have eyes didn't have a

590
00:26:35,380 --> 00:26:37,620
mouth

591
00:26:37,929 --> 00:26:41,559
that's what I know I don't know what it

592
00:26:39,730 --> 00:26:43,960
is I don't know where it came from I

593
00:26:41,558 --> 00:26:46,868
certainly don't know where it went

594
00:26:43,960 --> 00:26:49,090
and I don't try to draw any conclusions

595
00:26:46,868 --> 00:26:51,759
about it because that's the part that's

596
00:26:49,089 --> 00:26:54,069
the step where I think people really

597
00:26:51,759 --> 00:26:56,528
impose their human insecurities on

598
00:26:54,069 --> 00:26:58,269
things and it's just about we want to be

599

00:26:56,528 --> 00:27:00,339
in control every human wants to be in

600
00:26:58,269 --> 00:27:02,798
control we want to be in control of our

601
00:27:00,339 --> 00:27:04,689
reality and as far as we can be and we

602
00:27:02,798 --> 00:27:06,398
don't want big questions unanswered

603
00:27:04,690 --> 00:27:08,379
questions hanging in front of us

604
00:27:06,398 --> 00:27:11,589
especially when it involves direct

605
00:27:08,378 --> 00:27:15,308
sensory experience we want to be able to

606
00:27:11,589 --> 00:27:19,538
to know what it is that happened so for

607
00:27:15,308 --> 00:27:21,460
me I look at that and I fit to it to me

608
00:27:19,538 --> 00:27:24,339
it's it's a stand that experience but

609
00:27:21,460 --> 00:27:26,710
it's one of so many that I've had that

610
00:27:24,339 --> 00:27:29,168
quite frankly I've sort of lost track of

611
00:27:26,710 --> 00:27:32,909
all the things I've experienced yes yes

612
00:27:29,169 --> 00:27:37,528
I can understand that have what has been

613
00:27:32,909 --> 00:27:41,590

the latest experience you may have had

614

00:27:37,528 --> 00:27:44,169

David that you would like to share that

615

00:27:41,589 --> 00:27:45,788

is all I'm thinking I'm thinking what

616

00:27:44,169 --> 00:27:47,710

are you thinking I you know it's

617

00:27:45,788 --> 00:27:50,259

interesting that faroush ax is indeed a

618

00:27:47,710 --> 00:27:52,569

psychic and can pick up things that I

619

00:27:50,259 --> 00:27:54,878

cannot I mean I am about as far from

620

00:27:52,569 --> 00:27:58,569

being psychic as you get I'm pretty sure

621

00:27:54,878 --> 00:28:02,709

and I she and I have often speculated

622

00:27:58,569 --> 00:28:05,589

that it's sort of like and you might add

623

00:28:02,710 --> 00:28:07,509

to this too it's like the antennae like

624

00:28:05,589 --> 00:28:10,329

different people have can pick up

625

00:28:07,509 --> 00:28:12,339

different frequencies and when someone

626

00:28:10,329 --> 00:28:15,519

like yourself tells me that you've had a

627

00:28:12,339 --> 00:28:18,459

lot of anomalous experiences I sort of

628
00:28:15,519 --> 00:28:21,009
think that your antenna is more finely

629
00:28:18,460 --> 00:28:25,470
tuned than mine because I haven't seen

630
00:28:21,009 --> 00:28:29,019
anything like II do actually I did

631
00:28:25,470 --> 00:28:33,579
actually I did yeah I saw this huge

632
00:28:29,019 --> 00:28:35,649
black caped figure of a semi male figure

633
00:28:33,579 --> 00:28:40,538
that was just enormous was his arms

634
00:28:35,648 --> 00:28:42,729
crossed staring up in I want ooh and he

635
00:28:40,538 --> 00:28:47,829
said don't worry I'm here to protect you

636
00:28:42,730 --> 00:28:49,839
and I said good to know I guess I have

637
00:28:47,829 --> 00:28:50,460
had some but you know enough nowhere

638
00:28:49,839 --> 00:28:52,949
near the

639
00:28:50,460 --> 00:28:55,680
amount that Borussia has had and that

640
00:28:52,950 --> 00:28:59,819
you seem to have had and what do you

641
00:28:55,680 --> 00:29:02,549
sense you are in media and technology do

642
00:28:59,819 --> 00:29:04,529
you think that there's any whilst you're

643
00:29:02,549 --> 00:29:07,769
perusing what's your latest experience

644
00:29:04,529 --> 00:29:10,069
well the thing is I'm hesitant to share

645
00:29:07,769 --> 00:29:13,039
experiences where I don't have

646
00:29:10,069 --> 00:29:15,480
corroborating witnesses oh that's okay

647
00:29:13,039 --> 00:29:18,690
well I wouldn't want you to actually I

648
00:29:15,480 --> 00:29:20,759
would I would hope you wouldn't know I'm

649
00:29:18,690 --> 00:29:27,330
being serious so why come on we'd love

650
00:29:20,759 --> 00:29:29,519
to hear um I trust you well you

651
00:29:27,329 --> 00:29:32,009
shouldn't trust me oh yeah sure cuz I'm

652
00:29:29,519 --> 00:29:33,750
known to all of you for a long time and

653
00:29:32,009 --> 00:29:35,819
I guess this is where I'm in New Yorker

654
00:29:33,750 --> 00:29:38,730
right I'm gonna service diehard Brooklyn

655
00:29:35,819 --> 00:29:42,950
boy where I'm I've learned to be much

656

00:29:38,730 --> 00:29:46,740
less trusting yes and I still trust you

657
00:29:42,950 --> 00:29:50,309
yoga's a Brooklyn lady it certainly is

658
00:29:46,740 --> 00:29:52,349
not these days I think it's even a lot

659
00:29:50,309 --> 00:29:54,929
more affordable than Brooklyn um God

660
00:29:52,349 --> 00:29:56,669
which is just anyway okay we're not

661
00:29:54,930 --> 00:29:58,080
gonna go down that road okay good so I'm

662
00:29:56,670 --> 00:29:59,700
trying I'm trying to think like what

663
00:29:58,079 --> 00:30:03,689
what could I point out that's been

664
00:29:59,700 --> 00:30:05,069
really truly and and I know there's like

665
00:30:03,690 --> 00:30:07,710
something in my brain is saying well you

666
00:30:05,069 --> 00:30:12,689
just had something happen and literally

667
00:30:07,710 --> 00:30:17,370
they start to sort of bleed together hmm

668
00:30:12,690 --> 00:30:21,360
to the point where I start to question

669
00:30:17,369 --> 00:30:23,159
my own senses and and and this is the

670
00:30:21,359 --> 00:30:24,779

this is this is where you can start to

671

00:30:23,160 --> 00:30:27,960
really lose it with this stuff

672

00:30:24,779 --> 00:30:31,980
yes um by basically just pondering it

673

00:30:27,960 --> 00:30:33,960
too much too much self introspection on

674

00:30:31,980 --> 00:30:36,329
this stuff we'll we'll start to get to

675

00:30:33,960 --> 00:30:40,500
it and this is the thing that I I work

676

00:30:36,329 --> 00:30:42,629
very hard at keeping myself interested

677

00:30:40,500 --> 00:30:44,369
in things other than this not that I

678

00:30:42,630 --> 00:30:47,100
keep them I don't work very hard at it I

679

00:30:44,369 --> 00:30:49,500
just find that a lot of the time I don't

680

00:30:47,099 --> 00:30:50,849
obsess about these things and I'll give

681

00:30:49,500 --> 00:30:53,730
you an example of what I'm talking about

682

00:30:50,849 --> 00:30:55,740
when you go on social media websites

683

00:30:53,730 --> 00:30:59,160
like Facebook which I'm very active on

684

00:30:55,740 --> 00:31:01,529
um it's it's interesting to me how so

685
00:30:59,160 --> 00:31:03,610
often you will see people who will have

686
00:31:01,529 --> 00:31:06,250
their personal webs

687
00:31:03,609 --> 00:31:08,199
website or their Facebook page and it

688
00:31:06,250 --> 00:31:11,529
will be completely devoted to let's say

689
00:31:08,200 --> 00:31:13,360
the UFO topic there there there avatar

690
00:31:11,529 --> 00:31:15,279
their profile picture is like a little

691
00:31:13,359 --> 00:31:18,339
manipulated grey being with their eyes

692
00:31:15,279 --> 00:31:19,869
or something everything they post is

693
00:31:18,339 --> 00:31:22,720
about this topic I think that's not

694
00:31:19,869 --> 00:31:24,548
healthy I think it's true I think it's

695
00:31:22,720 --> 00:31:28,089
very unhealthy to put that kind of a

696
00:31:24,548 --> 00:31:30,190
vibe out about oneself I just think it's

697
00:31:28,089 --> 00:31:33,879
unhealthy to be that obsessed with any

698
00:31:30,190 --> 00:31:36,100
one topic I'm a man of many hobbies and

699
00:31:33,880 --> 00:31:39,520
many interests and people who read my

700
00:31:36,099 --> 00:31:42,039
online musings they know this I'm very

701
00:31:39,519 --> 00:31:45,339
political I'm very interested in art and

702
00:31:42,039 --> 00:31:47,440
music I'm really into technology I love

703
00:31:45,339 --> 00:31:50,109
weird software that makes weird sounds

704
00:31:47,440 --> 00:31:51,910
that to me left my own devices it's all

705
00:31:50,109 --> 00:31:54,308
I'd ever do ever again is make weird

706
00:31:51,910 --> 00:31:57,160
sounds with computers and iPads and

707
00:31:54,308 --> 00:31:58,899
synthesizers and strange devices that I

708
00:31:57,160 --> 00:32:02,950
put my head into and think music and it

709
00:31:58,900 --> 00:32:04,720
comes out and and and I try to sort of

710
00:32:02,950 --> 00:32:08,019
keep interested in a lot of different

711
00:32:04,720 --> 00:32:10,360
things just because otherwise one goes

712
00:32:08,019 --> 00:32:16,450
down this sort of tunnel that gets

713

00:32:10,359 --> 00:32:20,500
dangerous Oh clearly clearly um I know

714
00:32:16,450 --> 00:32:26,740
as since I was a child I have always had

715
00:32:20,500 --> 00:32:30,369
to meaningfully focus on being in the

716
00:32:26,740 --> 00:32:35,730
you know 4d reality that we purportedly

717
00:32:30,369 --> 00:32:41,349
share and I've always had to try

718
00:32:35,730 --> 00:32:45,519
absolutely try not to let it go that

719
00:32:41,349 --> 00:32:48,058
doesn't say much for myself I would

720
00:32:45,519 --> 00:32:50,679
never have guessed that well you know

721
00:32:48,058 --> 00:32:52,450
what I find is that music will cure

722
00:32:50,679 --> 00:32:56,830
everything in the end making it

723
00:32:52,450 --> 00:32:58,690
listening to it it is truly it is truly

724
00:32:56,829 --> 00:33:01,750
the thing that has saved me in my life

725
00:32:58,690 --> 00:33:03,370
and as far as I'm concerned it's the

726
00:33:01,750 --> 00:33:04,990
most noble thing that humans have ever

727
00:33:03,369 --> 00:33:09,058

come up with well if I could just

728

00:33:04,990 --> 00:33:13,210

interject a personal note here sure bill

729

00:33:09,058 --> 00:33:15,868

our esteemed producer has also had a

730

00:33:13,210 --> 00:33:18,479

personal experience and

731

00:33:15,868 --> 00:33:20,699

it was difficult for him I think if I'm

732

00:33:18,479 --> 00:33:23,429

right bill you know for him to express

733

00:33:20,700 --> 00:33:26,969

it and so what he did was translate it

734

00:33:23,429 --> 00:33:29,278

into a musical piece everybody oh yeah

735

00:33:26,969 --> 00:33:31,889

and when I heard the piece I thought oh

736

00:33:29,278 --> 00:33:36,898

you know that sounds just like it would

737

00:33:31,888 --> 00:33:38,788

be you know it was really so music is

738

00:33:36,898 --> 00:33:41,248

interesting you know it's it's been a

739

00:33:38,788 --> 00:33:46,440

part of human cultures and some sure

740

00:33:41,249 --> 00:33:48,269

since the first cave guys in unison well

741

00:33:46,440 --> 00:33:50,879

organized religion figured that out a

742
00:33:48,269 --> 00:33:54,149
long time ago yeah yeah that's true

743
00:33:50,878 --> 00:33:56,368
thank you mr. Baca well it's true I mean

744
00:33:54,148 --> 00:33:57,628
they they used the power of music in a

745
00:33:56,368 --> 00:34:04,558
way that yeah

746
00:33:57,628 --> 00:34:06,209
was very mesmerizing and had the

747
00:34:04,558 --> 00:34:09,648
microphone now he'd tell you about the

748
00:34:06,210 --> 00:34:17,490
evilest what is it the seventh chord

749
00:34:09,648 --> 00:34:19,648
that one to try to write home just

750
00:34:17,489 --> 00:34:21,689
getting back on to topic yes sorry

751
00:34:19,648 --> 00:34:24,538
bother could you tell us a little bit

752
00:34:21,690 --> 00:34:28,918
about the NAR cap report and what we

753
00:34:24,539 --> 00:34:31,799
were what you're what you did with an R

754
00:34:28,918 --> 00:34:36,628
cap report so that NAR camp report that

755
00:34:31,798 --> 00:34:40,409
you referenced um had been created as an

756
00:34:36,628 --> 00:34:44,909
analysis of what happened in Chicago at

757
00:34:40,409 --> 00:34:50,278
of the O'Hare Airport it was what

758
00:34:44,909 --> 00:34:52,048
November if I want to say 2006 I I don't

759
00:34:50,278 --> 00:34:53,608
have it right in front of me um I think

760
00:34:52,048 --> 00:34:54,989
it was later but I couldn't tell you

761
00:34:53,608 --> 00:34:59,659
what we are yeah go ahead

762
00:34:54,989 --> 00:35:03,528
well now you're gonna make me look it up

763
00:34:59,659 --> 00:35:06,179
well it was it was a very popular eyes

764
00:35:03,528 --> 00:35:11,010
incident that it occurred yeah I was

765
00:35:06,179 --> 00:35:14,669
2006 November 2006 November 7th where

766
00:35:11,010 --> 00:35:18,089
they're reportedly a number of people

767
00:35:14,670 --> 00:35:19,798
had seen a craft a circular disc shaped

768
00:35:18,088 --> 00:35:24,328
craft hovering above I believe it was

769
00:35:19,798 --> 00:35:27,130
the C terminal at O'Hare Airport it had

770

00:35:24,329 --> 00:35:29,680
been seen by supposedly

771
00:35:27,130 --> 00:35:33,340
crew on the ground United crew it had

772
00:35:29,679 --> 00:35:34,839
been seen supposedly by a pilot some

773
00:35:33,340 --> 00:35:37,000
people who were at the airport had

774
00:35:34,840 --> 00:35:40,150
seeing this thing it was hovering in the

775
00:35:37,000 --> 00:35:42,940
sky over this terminal for I think like

776
00:35:40,150 --> 00:35:45,250
20 minutes and then it basically Shin it

777
00:35:42,940 --> 00:35:47,470
was an overcast day the thing shot

778
00:35:45,250 --> 00:35:49,539
straight up into the air so quickly and

779
00:35:47,469 --> 00:35:52,629
without any sound which is very

780
00:35:49,539 --> 00:35:54,489
interesting um it shot up so fast that

781
00:35:52,630 --> 00:35:56,710
it like left this hole in the cloud

782
00:35:54,489 --> 00:35:58,299
cover where people could see for just a

783
00:35:56,710 --> 00:35:59,619
few minutes or whatever the blue sky

784
00:35:58,300 --> 00:36:01,380

showing through any other side of the

785

00:35:59,619 --> 00:36:04,179
clouds

786

00:36:01,380 --> 00:36:08,140
United tried to squelch this this

787

00:36:04,179 --> 00:36:10,359
episode and there's been a lot of press

788

00:36:08,139 --> 00:36:12,759
coverage it was I believe John Malkovich

789

00:36:10,360 --> 00:36:16,120
or forget the guys the reporters name at

790

00:36:12,760 --> 00:36:17,640
the at the the was at the Chicago

791

00:36:16,119 --> 00:36:20,139
Tribune

792

00:36:17,639 --> 00:36:23,440
who had written this thing up I believe

793

00:36:20,139 --> 00:36:25,650
it was the January after it happened and

794

00:36:23,440 --> 00:36:28,929
it created a huge amount of interest and

795

00:36:25,650 --> 00:36:32,340
mark HAP being primarily interested in

796

00:36:28,929 --> 00:36:37,210
UFO phenomena that deal with

797

00:36:32,340 --> 00:36:41,200
interactions with avionics they got on

798

00:36:37,210 --> 00:36:44,470
it and my involvement dealt with some

799

00:36:41,199 --> 00:36:47,230
image analysis with some with a

800

00:36:44,469 --> 00:36:50,649
particular image that surfaced that was

801

00:36:47,230 --> 00:36:53,740
supposedly supposed to be an image that

802

00:36:50,650 --> 00:36:56,110
was shot potentially by a pilot who saw

803

00:36:53,739 --> 00:37:00,519
this thing through the airplane cockpit

804

00:36:56,110 --> 00:37:02,980
and took a picture of it and myself and

805

00:37:00,519 --> 00:37:07,449
a former research partner who I now have

806

00:37:02,980 --> 00:37:08,409
nothing to do with we took a look at

807

00:37:07,449 --> 00:37:11,189
this and we came up with some

808

00:37:08,409 --> 00:37:13,839
interesting conclusions about this image

809

00:37:11,190 --> 00:37:15,340
specifically primarily focusing on my

810

00:37:13,840 --> 00:37:16,150
contention that the image had been

811

00:37:15,340 --> 00:37:18,730
tampered with

812

00:37:16,150 --> 00:37:20,860
oh but it had been tampered with in a

813
00:37:18,730 --> 00:37:25,449
way that seemed to indicate some very

814
00:37:20,860 --> 00:37:28,019
sophisticated attempts to to not only

815
00:37:25,449 --> 00:37:31,960
spread disinformation but potentially

816
00:37:28,019 --> 00:37:34,690
discredit any image analyst who might

817
00:37:31,960 --> 00:37:38,710
come out and proclaim that the image was

818
00:37:34,690 --> 00:37:40,960
legitimate and genuine there I found the

819
00:37:38,710 --> 00:37:44,949
equivalent of a digital

820
00:37:40,960 --> 00:37:47,170
fingerprint in the image that indicated

821
00:37:44,949 --> 00:37:51,699
that there was something very nefarious

822
00:37:47,170 --> 00:37:53,409
going on and at that point and and this

823
00:37:51,699 --> 00:37:56,169
had been information I had shared with

824
00:37:53,409 --> 00:38:00,118
the the dark cap folks and so they they

825
00:37:56,170 --> 00:38:04,119
put me in their report on November 7

826
00:38:00,119 --> 00:38:07,838
2006 was the date of the O'Hair just FYI

827

00:38:04,119 --> 00:38:11,440
yeah so it was a very interesting high

828
00:38:07,838 --> 00:38:14,920
profile UFO case that generated a

829
00:38:11,440 --> 00:38:18,220
certain amount of press interest it

830
00:38:14,920 --> 00:38:21,490
generated a huge amount of using a

831
00:38:18,219 --> 00:38:24,909
public interest I think the the Tribune

832
00:38:21,489 --> 00:38:26,439
said that it was um the most the they

833
00:38:24,909 --> 00:38:28,588
had the largest number of hits any

834
00:38:26,440 --> 00:38:33,130
article had ever had on their site um

835
00:38:28,588 --> 00:38:35,980
but again what conclusions can we draw

836
00:38:33,130 --> 00:38:38,108
from that episode let's let's assume for

837
00:38:35,980 --> 00:38:44,139
a moment that it went down the way that

838
00:38:38,108 --> 00:38:45,730
certain witnesses claimed it did um I'll

839
00:38:44,139 --> 00:38:48,848
make a statement to that will kind of

840
00:38:45,730 --> 00:38:54,730
underscore my own tendencies of thinking

841
00:38:48,849 --> 00:38:56,289

about the UFO phenomena which is a and

842

00:38:54,730 --> 00:38:59,889

there many different forms of it's not I

843

00:38:56,289 --> 00:39:02,820

say phenomena because there are multiple

844

00:38:59,889 --> 00:39:06,460

types of manifestations of these things

845

00:39:02,820 --> 00:39:08,940

and there are different scales of it but

846

00:39:06,460 --> 00:39:12,490

my contention is that if something is

847

00:39:08,940 --> 00:39:15,670

clearly not human technology we see it

848

00:39:12,489 --> 00:39:18,338

and it flies away from the earth that is

849

00:39:15,670 --> 00:39:21,220

not to say definitively that it's not

850

00:39:18,338 --> 00:39:24,579

terrestrial and that's where things get

851

00:39:21,219 --> 00:39:26,049

a little complicated and and my own line

852

00:39:24,579 --> 00:39:30,119

of thinking about a lot of these things

853

00:39:26,050 --> 00:39:30,119

kept steering me in that direction and

854

00:39:30,179 --> 00:39:35,858

kept telling me that there were levels

855

00:39:32,980 --> 00:39:39,369

of deception going on here that would

856
00:39:35,858 --> 00:39:41,440
make it very difficult to have any kind

857
00:39:39,369 --> 00:39:44,440
of statement that was absolutely

858
00:39:41,440 --> 00:39:47,349
conclusive because I ice it's my

859
00:39:44,440 --> 00:39:49,289
contention that whatever is behind these

860
00:39:47,349 --> 00:39:53,050
things does not want us to understand

861
00:39:49,289 --> 00:39:54,199
what's going on and that leads me down

862
00:39:53,050 --> 00:40:01,700
certain paths

863
00:39:54,199 --> 00:40:03,469
are uncomfortable because it's it I kept

864
00:40:01,699 --> 00:40:05,629
coming up with this idea that by the way

865
00:40:03,469 --> 00:40:08,088
I had many discussions about this both

866
00:40:05,630 --> 00:40:09,950
on air and privately with a fellow who

867
00:40:08,088 --> 00:40:13,670
passed away a number of years ago my

868
00:40:09,949 --> 00:40:15,319
absolute back counties who ended up

869
00:40:13,670 --> 00:40:17,869
writing this very short book in fact the

870
00:40:15,320 --> 00:40:19,070
book was published after he died and I

871
00:40:17,869 --> 00:40:22,338
don't know that it was really complete

872
00:40:19,070 --> 00:40:24,079
yet called the Krypto terrestrials where

873
00:40:22,338 --> 00:40:26,509
Mac and I have been talking quite a bit

874
00:40:24,079 --> 00:40:29,150
about the idea that perhaps we were not

875
00:40:26,510 --> 00:40:31,490
at the top of the evolutionary chain of

876
00:40:29,150 --> 00:40:33,289
on this planet I sure as hell hope we're

877
00:40:31,489 --> 00:40:38,989
not because it's a set

878
00:40:33,289 --> 00:40:41,150
it's a sad idea if we are yeah but it's

879
00:40:38,989 --> 00:40:44,659
a little scary to think that maybe if

880
00:40:41,150 --> 00:40:48,170
we're not that we're not because we're

881
00:40:44,659 --> 00:40:50,358
not supposed to know we're not if this

882
00:40:48,170 --> 00:40:53,559
is all this is again and part of the

883
00:40:50,358 --> 00:40:56,659
problem and having useful practical

884

00:40:53,559 --> 00:40:59,269
constructive discussions about this is

885
00:40:56,659 --> 00:41:02,809
that if you don't play into sort of

886
00:40:59,269 --> 00:41:06,259
story threads that already exists it

887
00:41:02,809 --> 00:41:09,799
gets too weird for people right to talk

888
00:41:06,260 --> 00:41:13,160
about let's say crafts coming from

889
00:41:09,800 --> 00:41:14,990
another planet coming here and and then

890
00:41:13,159 --> 00:41:17,210
you know immediately the SHA stacks and

891
00:41:14,989 --> 00:41:18,858
the the physicists and the scientists

892
00:41:17,210 --> 00:41:20,588
are like well it would take too long to

893
00:41:18,858 --> 00:41:24,098
get here well yeah based on our

894
00:41:20,588 --> 00:41:27,529
propulsion it would take way too long on

895
00:41:24,099 --> 00:41:29,420
1950s technology that is oh yeah we're

896
00:41:27,530 --> 00:41:32,060
look and this is where one has to step

897
00:41:29,420 --> 00:41:34,760
back and understand something about the

898
00:41:32,059 --> 00:41:37,369

true level of science we actually know

899

00:41:34,760 --> 00:41:39,530

about our evolution which is clearly

900

00:41:37,369 --> 00:41:43,250

points out that we are not an advanced

901

00:41:39,530 --> 00:41:44,720

species we are not very evolved nowhere

902

00:41:43,250 --> 00:41:46,159

near as much as we'd like to think we

903

00:41:44,719 --> 00:41:48,618

are and I'm not even talking about the

904

00:41:46,159 --> 00:41:51,049

religious people who believe we're some

905

00:41:48,619 --> 00:41:53,869

kind of definitive expression of the

906

00:41:51,050 --> 00:41:56,720

grand mind and heart and creature that

907

00:41:53,869 --> 00:41:59,059

created the universe I just to me that's

908

00:41:56,719 --> 00:42:03,618

just so nonsensical is to be really

909

00:41:59,059 --> 00:42:05,809

laughable at this point um but we have

910

00:42:03,619 --> 00:42:07,559

not been doing science for a long time

911

00:42:05,809 --> 00:42:10,788

as a species we've been

912

00:42:07,559 --> 00:42:13,199

flight for over a hundred years it's not

913
00:42:10,789 --> 00:42:16,499
very significant you know we made some

914
00:42:13,199 --> 00:42:19,789
great strides in the last century now

915
00:42:16,498 --> 00:42:23,338
putting humans on another planetary body

916
00:42:19,789 --> 00:42:27,150
which happened in my lifetime was huge

917
00:42:23,338 --> 00:42:28,978
sadly witnessed the fact that today you

918
00:42:27,150 --> 00:42:30,949
have a significant number of people who

919
00:42:28,978 --> 00:42:33,448
refuse to believe that actually happened

920
00:42:30,949 --> 00:42:36,920
you know every time I see the the the

921
00:42:33,449 --> 00:42:39,209
Apollo deniers at race it drives me nuts

922
00:42:36,920 --> 00:42:42,449
you know the greatest thing humans have

923
00:42:39,208 --> 00:42:46,018
ever done since we crawled out of the

924
00:42:42,449 --> 00:42:47,999
mud and people don't want to believe it

925
00:42:46,018 --> 00:42:52,048
just you know a few decades after it

926
00:42:47,998 --> 00:42:54,088
happened that's very very sad David yes

927
00:42:52,048 --> 00:42:56,099
I'm wondering I have I have two

928
00:42:54,088 --> 00:42:59,518
questions here for you that relate and

929
00:42:56,099 --> 00:43:01,890
one thing is would you say that the

930
00:42:59,518 --> 00:43:05,429
general direction that you and Mac

931
00:43:01,889 --> 00:43:08,188
Tony's were going along somewhat

932
00:43:05,429 --> 00:43:10,828
mirrored what John keel and Jacques

933
00:43:08,188 --> 00:43:13,588
Vallee have written that's the first

934
00:43:10,829 --> 00:43:15,420
question and the second question is why

935
00:43:13,588 --> 00:43:17,248
do you think we haven't gone back to the

936
00:43:15,420 --> 00:43:19,139
moon is do you believe it's totally

937
00:43:17,248 --> 00:43:22,409
financial or do you think that perhaps

938
00:43:19,139 --> 00:43:27,170
other reasons go to the second question

939
00:43:22,409 --> 00:43:30,889
for a second question first comment I

940
00:43:27,170 --> 00:43:33,449
believe it's political and financial

941

00:43:30,889 --> 00:43:35,639
when one looks at the context under

942
00:43:33,449 --> 00:43:38,519
which the American space program played

943
00:43:35,639 --> 00:43:42,748
out in the 50s and 60s and then into the

944
00:43:38,518 --> 00:43:44,038
70s it was really that was more

945
00:43:42,748 --> 00:43:47,338
political than anything else

946
00:43:44,039 --> 00:43:50,939
ultimately you know we were in this

947
00:43:47,338 --> 00:43:53,130
grand race with the Russians and it was

948
00:43:50,938 --> 00:43:54,568
about you the frailty of human egos I

949
00:43:53,130 --> 00:43:56,039
think more than anything else there was

950
00:43:54,568 --> 00:44:00,329
a large amount of scientific curiosity

951
00:43:56,039 --> 00:44:01,859
don't get me wrong but I don't know that

952
00:44:00,329 --> 00:44:05,009
that's necessarily what absolutely

953
00:44:01,858 --> 00:44:09,348
motivated the missions later on the

954
00:44:05,009 --> 00:44:12,239
massive costs involved I think as our

955
00:44:09,349 --> 00:44:15,959

culture sort of took a different bit of

956

00:44:12,239 --> 00:44:17,938

a different turn those were seen as just

957

00:44:15,958 --> 00:44:20,818

simply being unsustainable and I think

958

00:44:17,938 --> 00:44:21,210

that nowadays when you talk about going

959

00:44:20,818 --> 00:44:25,079

back

960

00:44:21,210 --> 00:44:28,199

moon it's it's a hard sell because of

961

00:44:25,079 --> 00:44:31,440

the kind of costs involved are just so

962

00:44:28,199 --> 00:44:32,909

fantastic and it's it's sad to me

963

00:44:31,440 --> 00:44:34,260

because when you think about what we

964

00:44:32,909 --> 00:44:35,879

could have done with all the money that

965

00:44:34,260 --> 00:44:39,900

was burned with say in Iraq and Afghan

966

00:44:35,880 --> 00:44:41,490

and Afghanistan who knows what we could

967

00:44:39,900 --> 00:44:43,950

have done constructively with that money

968

00:44:41,489 --> 00:44:45,659

to not only go back to the moon but

969

00:44:43,949 --> 00:44:49,649

figure out a really good reason set of

970
00:44:45,659 --> 00:44:51,809
reasons to go back to the moon of which

971
00:44:49,650 --> 00:44:53,550
there are a number I think that the

972
00:44:51,809 --> 00:44:56,070
problem part of the problem with the

973
00:44:53,550 --> 00:44:58,350
masses is that they parse all of this

974
00:44:56,070 --> 00:45:01,730
and through the almost exclusively

975
00:44:58,349 --> 00:45:05,699
through the lens of science fiction

976
00:45:01,730 --> 00:45:08,130
which is all good and fine but it you

977
00:45:05,699 --> 00:45:10,889
know ask somebody about the logistics of

978
00:45:08,130 --> 00:45:14,280
actually putting a few people on the

979
00:45:10,889 --> 00:45:18,809
moon and they immediately think in terms

980
00:45:14,280 --> 00:45:19,920
of sort of the the Apollo 13 movie when

981
00:45:18,809 --> 00:45:21,860
they're not really thinking about the

982
00:45:19,920 --> 00:45:26,309
real hard core engineering involved

983
00:45:21,860 --> 00:45:28,320
which is rather significant and so I

984
00:45:26,309 --> 00:45:33,420
think that that the the moon issue is

985
00:45:28,320 --> 00:45:36,240
just a problem of a societal motivation

986
00:45:33,420 --> 00:45:39,150
or our society is now much more wrapped

987
00:45:36,239 --> 00:45:40,139
up with our experience on earth not so

988
00:45:39,150 --> 00:45:43,200
much in space

989
00:45:40,139 --> 00:45:46,829
well I would ask you just visa fee that

990
00:45:43,199 --> 00:45:50,149
about the Chinese mission recently of

991
00:45:46,829 --> 00:45:53,909
the Jade rabbit that they were mission

992
00:45:50,150 --> 00:45:57,570
decided about and they landed this

993
00:45:53,909 --> 00:46:01,589
little robotic device on the moon and

994
00:45:57,570 --> 00:46:04,590
then the excitement it malfunctioned and

995
00:46:01,590 --> 00:46:08,220
the excitement disappeared I'm wondering

996
00:46:04,590 --> 00:46:10,380
whether there was any other reason for

997
00:46:08,219 --> 00:46:12,599
their you know lack of interest oh you'd

998

00:46:10,380 --> 00:46:15,210
like some nefarious reason yes like

999
00:46:12,599 --> 00:46:19,469
somebody you'll living on the moon and

1000
00:46:15,210 --> 00:46:21,210
saying get off our moon I think that's

1001
00:46:19,469 --> 00:46:24,389
why most people think we haven't come

1002
00:46:21,210 --> 00:46:26,070
back well warned off the moon from that

1003
00:46:24,389 --> 00:46:27,659
point of view is really important to

1004
00:46:26,070 --> 00:46:30,930
earth I don't know that it's important

1005
00:46:27,659 --> 00:46:33,929
to anyone else it's it's very important

1006
00:46:30,929 --> 00:46:38,449
for us but as far as

1007
00:46:33,929 --> 00:46:38,449
well cue an example of this right on

1008
00:46:38,510 --> 00:46:45,120
there are more productive places for

1009
00:46:41,460 --> 00:46:47,849
example to find water in our solar

1010
00:46:45,119 --> 00:46:49,440
system as I search the moon right there

1011
00:46:47,849 --> 00:46:52,500
are more productive places I think

1012
00:46:49,440 --> 00:46:56,670

potentially to find power sources than

1013

00:46:52,500 --> 00:46:58,739

the moon a again the moon is really

1014

00:46:56,670 --> 00:47:01,530

fascinating and useful to earth because

1015

00:46:58,739 --> 00:47:05,339

without it we'd have a hard time with

1016

00:47:01,530 --> 00:47:09,000

our tides we'd have a climb it would

1017

00:47:05,340 --> 00:47:12,000

look very different yes but this idea

1018

00:47:09,000 --> 00:47:12,989

that something else is on the moon it

1019

00:47:12,000 --> 00:47:15,480

doesn't want us there

1020

00:47:12,989 --> 00:47:17,579

hmm I think that's a human way of seeing

1021

00:47:15,480 --> 00:47:19,590

things I don't necessarily know that I

1022

00:47:17,579 --> 00:47:22,199

would prescribe that to advanced beings

1023

00:47:19,590 --> 00:47:27,720

thinking that way what about us as an

1024

00:47:22,199 --> 00:47:31,649

outpost to observe us rather limited

1025

00:47:27,719 --> 00:47:34,500

humans or even like a crypto human or

1026

00:47:31,650 --> 00:47:36,990

crypto trust you or whatever because I

1027
00:47:34,500 --> 00:47:39,690
agree with you I mean it seems like most

1028
00:47:36,989 --> 00:47:42,569
of these things spring from right around

1029
00:47:39,690 --> 00:47:46,079
here if not just earth maybe the moon as

1030
00:47:42,570 --> 00:47:48,870
well well okay couple of things first of

1031
00:47:46,079 --> 00:47:51,539
all I don't think that humans at this

1032
00:47:48,869 --> 00:47:53,159
point have a tremendously excellent

1033
00:47:51,539 --> 00:47:55,980
grasp on the true history of our planet

1034
00:47:53,159 --> 00:47:59,609
I don't think we do I think that there

1035
00:47:55,980 --> 00:48:02,309
are very likely more things that we

1036
00:47:59,610 --> 00:48:05,099
suspect are real are actually incorrect

1037
00:48:02,309 --> 00:48:07,199
about the history of this planet and and

1038
00:48:05,099 --> 00:48:10,650
again I come back to this simple idea

1039
00:48:07,199 --> 00:48:12,179
and this is based on by the way humility

1040
00:48:10,650 --> 00:48:13,800
when I would talk about these things on

1041
00:48:12,179 --> 00:48:15,539
the parrot caste people would attack me

1042
00:48:13,800 --> 00:48:17,340
saying who do you think you know

1043
00:48:15,539 --> 00:48:19,739
everything it's like no I think I

1044
00:48:17,340 --> 00:48:21,930
actually assume I know nothing and so

1045
00:48:19,739 --> 00:48:24,179
starting from that place I'm not willing

1046
00:48:21,929 --> 00:48:27,119
to draw conclusions I just want to

1047
00:48:24,179 --> 00:48:29,639
basically open up the thought process

1048
00:48:27,119 --> 00:48:33,329
around this um what are one of the

1049
00:48:29,639 --> 00:48:36,420
things that you think that our accept is

1050
00:48:33,329 --> 00:48:38,759
accepted about human history or the

1051
00:48:36,420 --> 00:48:44,550
planet's history that like some the

1052
00:48:38,760 --> 00:48:47,310
quasi-scientific accepted fact that is a

1053
00:48:44,550 --> 00:48:50,250
factoid shall we say that isn't really

1054
00:48:47,309 --> 00:48:52,440
likely Oh something that's not really

1055

00:48:50,250 --> 00:48:54,659
likely yeah then you think that you in

1056
00:48:52,440 --> 00:48:56,460
other words you had just said that that

1057
00:48:54,659 --> 00:48:58,049
we're gonna come upon at some juncture

1058
00:48:56,460 --> 00:49:00,720
that or any of the things that we've

1059
00:48:58,050 --> 00:49:03,090
accepted about the planetary history and

1060
00:49:00,719 --> 00:49:06,029
humans on the planet is going to prove

1061
00:49:03,090 --> 00:49:08,130
to be false I'm not disputing that that

1062
00:49:06,030 --> 00:49:10,610
may very well be the case especially in

1063
00:49:08,130 --> 00:49:14,340
the case of certain artifacts that

1064
00:49:10,610 --> 00:49:16,769
appear to have been found and you know

1065
00:49:14,340 --> 00:49:21,180
that the dating on the Sphinx and and

1066
00:49:16,769 --> 00:49:25,710
and the new findings out there in Turkey

1067
00:49:21,179 --> 00:49:28,859
of the of the what's twenty thousand

1068
00:49:25,710 --> 00:49:32,190
year old I can't think of it Oh God

1069
00:49:28,860 --> 00:49:35,849

just start to be anyway but what what

1070

00:49:32,190 --> 00:49:38,610

what are what are is one thing what is

1071

00:49:35,849 --> 00:49:42,199

one thing one thing is is significant

1072

00:49:38,610 --> 00:49:45,870

you know not not something insignificant

1073

00:49:42,199 --> 00:49:47,369

like the three-toed sloths once had four

1074

00:49:45,869 --> 00:49:52,670

toes or something like that

1075

00:49:47,369 --> 00:49:54,989

oh well I'll give you one example okay

1076

00:49:52,670 --> 00:49:59,940

cuz you we talked about the moon before

1077

00:49:54,989 --> 00:50:02,579

right yes there are many theories

1078

00:49:59,940 --> 00:50:05,010

floating around about how the moon got

1079

00:50:02,579 --> 00:50:07,949

where it is where it came from why it

1080

00:50:05,010 --> 00:50:10,710

has this sort of incredible balance with

1081

00:50:07,949 --> 00:50:12,659

respect to our planet I don't think

1082

00:50:10,710 --> 00:50:15,000

we're anywhere close to having real

1083

00:50:12,659 --> 00:50:17,159

knowledge of the sourcing of our moon

1084
00:50:15,000 --> 00:50:20,030
it's older than the earth apparently

1085
00:50:17,159 --> 00:50:28,250
that's what they said

1086
00:50:20,030 --> 00:50:31,530
no well possibly based on one Rock yeah

1087
00:50:28,250 --> 00:50:33,929
it's fascinating I'll tell you actually

1088
00:50:31,530 --> 00:50:35,940
faroush in I tried to do a show once on

1089
00:50:33,929 --> 00:50:38,309
the moon and remember them because

1090
00:50:35,940 --> 00:50:41,280
there's so many unanswered questions

1091
00:50:38,309 --> 00:50:43,409
well and there's a lot of noise around

1092
00:50:41,280 --> 00:50:45,740
the moon's suggesting you know for

1093
00:50:43,409 --> 00:50:48,119
example even recently there had been a

1094
00:50:45,739 --> 00:50:51,059
special on one of the cable television

1095
00:50:48,119 --> 00:50:52,548
channels about all of the anomalous

1096
00:50:51,059 --> 00:50:55,188
imagery on the moon and

1097
00:50:52,548 --> 00:50:58,998
and they ended with that horrible yeah

1098
00:50:55,188 --> 00:51:01,399
horrible wax dummies oh yeah was and

1099
00:50:58,998 --> 00:51:03,169
women at justice just terrible the whole

1100
00:51:01,400 --> 00:51:05,028
thing was I think just a real problem

1101
00:51:03,170 --> 00:51:08,329
it was kiffy yet wasn't it again yeah

1102
00:51:05,028 --> 00:51:10,400
five cavia another complete BS artist

1103
00:51:08,329 --> 00:51:12,709
who at this point you know is vetted we

1104
00:51:10,400 --> 00:51:14,449
know who he is you know he's an

1105
00:51:12,708 --> 00:51:15,228
entertainer he's got nothing to do with

1106
00:51:14,449 --> 00:51:17,749
research

1107
00:51:15,228 --> 00:51:19,909
so he's tainted and we said we wouldn't

1108
00:51:17,748 --> 00:51:21,978
talk about tainted personnel no we won't

1109
00:51:19,909 --> 00:51:24,739
I couldn't help saying it because it

1110
00:51:21,978 --> 00:51:24,978
just brought up such a I was watching

1111
00:51:24,739 --> 00:51:28,429
that

1112

00:51:24,978 --> 00:51:30,108
and it was was not interesting things

1113
00:51:28,429 --> 00:51:33,769
and some not so interesting things and

1114
00:51:30,108 --> 00:51:37,150
then they dragged out that wax figure of

1115
00:51:33,768 --> 00:51:39,558
Asian woman right so here's the thing

1116
00:51:37,150 --> 00:51:41,318
the vast majority of what was on that

1117
00:51:39,559 --> 00:51:43,969
show to me it was just absolute junk

1118
00:51:41,318 --> 00:51:46,929
there are a handful and in particular

1119
00:51:43,969 --> 00:51:49,400
there's one image in particular of

1120
00:51:46,929 --> 00:51:50,900
something of an artifact on the moon now

1121
00:51:49,400 --> 00:51:52,519
most of what the covers in that showed

1122
00:51:50,900 --> 00:51:54,439
to me it was very prosaic very

1123
00:51:52,518 --> 00:51:56,798
explainable a lot of it had to do with

1124
00:51:54,438 --> 00:51:59,659
old imagery they were looking at where

1125
00:51:56,798 --> 00:52:01,188
they were seeing degraded images and

1126
00:51:59,659 --> 00:52:04,098

they were they were making assumptions

1127

00:52:01,188 --> 00:52:05,719

based on degraded images a terrible

1128

00:52:04,099 --> 00:52:09,619

problem but there is one particular

1129

00:52:05,719 --> 00:52:11,749

image of and and the problem is I've not

1130

00:52:09,619 --> 00:52:14,298

done the time to go and do the research

1131

00:52:11,748 --> 00:52:17,659

to find out what is the scale of this

1132

00:52:14,298 --> 00:52:20,179

thing is it in a place where potentially

1133

00:52:17,659 --> 00:52:22,308

some may be a Russian probe at some

1134

00:52:20,179 --> 00:52:24,619

point crashed and put itself on there

1135

00:52:22,309 --> 00:52:26,589

but there is a one set of structures on

1136

00:52:24,619 --> 00:52:31,009

the moon that looked to me to my eye

1137

00:52:26,588 --> 00:52:32,778

like some kind of cogs or wheels where

1138

00:52:31,009 --> 00:52:36,099

the image of the image of what we're

1139

00:52:32,778 --> 00:52:38,559

seeing to my mind is clearly

1140

00:52:36,099 --> 00:52:41,150

manufactured it is not a natural thing

1141
00:52:38,559 --> 00:52:43,160
and I say this with the idea that I've

1142
00:52:41,150 --> 00:52:45,769
seen so many people put so many images

1143
00:52:43,159 --> 00:52:47,420
not just of the moon but of Mars things

1144
00:52:45,768 --> 00:52:51,258
that definitely have prosaic

1145
00:52:47,420 --> 00:52:54,048
explanations where you know people a

1146
00:52:51,259 --> 00:52:56,019
parody Leah comes in and people see what

1147
00:52:54,048 --> 00:53:00,079
they brain tells them they want to see

1148
00:52:56,018 --> 00:53:01,698
but there's one photo in particular of

1149
00:53:00,079 --> 00:53:05,390
this one thing structure on the moon

1150
00:53:01,699 --> 00:53:08,329
that to me it wants for

1151
00:53:05,389 --> 00:53:11,619
their analysis it wants further research

1152
00:53:08,329 --> 00:53:16,009
to sort of establish what what isn't it

1153
00:53:11,619 --> 00:53:18,259
which might suggest possibly that maybe

1154
00:53:16,010 --> 00:53:24,590
there had been a technologically

1155
00:53:18,260 --> 00:53:28,040
sophisticated there's no not visitor of

1156
00:53:24,590 --> 00:53:30,980
the society on this planet that at some

1157
00:53:28,039 --> 00:53:33,320
point potentially destroyed itself on

1158
00:53:30,980 --> 00:53:36,380
this planet on this planet okay I was

1159
00:53:33,320 --> 00:53:38,480
saying visitor to the moon right here

1160
00:53:36,380 --> 00:53:41,180
would be visitors from wherever from

1161
00:53:38,480 --> 00:53:44,349
here so that's I'm not saying I believe

1162
00:53:41,179 --> 00:53:46,909
that but I'm saying that it's as

1163
00:53:44,349 --> 00:53:48,860
possible as anything else from my point

1164
00:53:46,909 --> 00:53:51,730
of view because I keep coming back to

1165
00:53:48,860 --> 00:53:53,750
this idea that what for example

1166
00:53:51,730 --> 00:53:58,130
understanding the history of life on the

1167
00:53:53,750 --> 00:54:00,920
planet right right now the the biologist

1168
00:53:58,130 --> 00:54:02,510
Edward o Wilson is probably the smartest

1169

00:54:00,920 --> 00:54:05,630
biologists on the face of the earth and

1170
00:54:02,510 --> 00:54:08,000
almost unsung hero just a brilliant

1171
00:54:05,630 --> 00:54:09,890
brilliant man yeah where a handful of

1172
00:54:08,000 --> 00:54:12,320
years ago he was on the Bill Moyers show

1173
00:54:09,889 --> 00:54:13,670
and Moyers says some something like well

1174
00:54:12,320 --> 00:54:15,920
you know we we know about the majority

1175
00:54:13,670 --> 00:54:18,980
of life on the planet and and Wilson's

1176
00:54:15,920 --> 00:54:21,250
like no no no we have not discovered the

1177
00:54:18,980 --> 00:54:24,679
vast majority of life on the planet and

1178
00:54:21,250 --> 00:54:28,190
Wilson posited that it was probably

1179
00:54:24,679 --> 00:54:30,409
around 85% of the life on the planet

1180
00:54:28,190 --> 00:54:33,769
remains unknown to us and yeah a bunch

1181
00:54:30,409 --> 00:54:36,739
of it are insects and uh and microbial

1182
00:54:33,769 --> 00:54:39,259
life but at the same time we're still

1183
00:54:36,739 --> 00:54:41,000

finding new mammals G underneath of the

1184

00:54:39,260 --> 00:54:43,010

ice packs in the Arctic we're finding

1185

00:54:41,000 --> 00:54:44,780

creatures that aren't supposed to be

1186

00:54:43,010 --> 00:54:47,720

live down that deep under those kind of

1187

00:54:44,780 --> 00:54:50,540

pressures and that kind of cold um so

1188

00:54:47,719 --> 00:54:52,189

let's assume for a minute that Wilson is

1189

00:54:50,539 --> 00:54:53,630

correct I'll give him the benefit of the

1190

00:54:52,190 --> 00:54:55,909

doubt because he's a really smart guy

1191

00:54:53,630 --> 00:54:58,309

who spent his entire life studying this

1192

00:54:55,909 --> 00:55:00,049

well you must like him because he loved

1193

00:54:58,309 --> 00:55:02,449

him he's a naturalist and he does

1194

00:55:00,050 --> 00:55:05,360

exactly what you do he just looks at

1195

00:55:02,449 --> 00:55:08,509

things and he goes okay this is X that's

1196

00:55:05,360 --> 00:55:11,360

why I saw X plus y oh it does equal Z

1197

00:55:08,510 --> 00:55:13,820

right and he doesn't put any there's no

1198
00:55:11,360 --> 00:55:18,079
over you know you know he's a true

1199
00:55:13,820 --> 00:55:18,530
scientist yes he so if we assume that

1200
00:55:18,079 --> 00:55:21,500
he's

1201
00:55:18,530 --> 00:55:23,900
correct right now we look at our study

1202
00:55:21,500 --> 00:55:27,980
of life on this planet primarily based

1203
00:55:23,900 --> 00:55:29,690
on the fossil record so okay that's good

1204
00:55:27,980 --> 00:55:31,880
and fine there are tons of fossils of

1205
00:55:29,690 --> 00:55:34,400
interesting creatures but then one

1206
00:55:31,880 --> 00:55:38,450
begins to understand that in the case of

1207
00:55:34,400 --> 00:55:42,230
fossils fossils form under specific sets

1208
00:55:38,449 --> 00:55:45,019
of conditions fossils are not universal

1209
00:55:42,230 --> 00:55:48,079
they show up more in certain places on

1210
00:55:45,019 --> 00:55:51,949
earth than others and things that are

1211
00:55:48,079 --> 00:55:55,279
likely to be fossilized probably ended

1212
00:55:51,949 --> 00:55:59,629
up collapsing into a bog there were

1213
00:55:55,280 --> 00:56:03,440
certain types of ground that facilitated

1214
00:55:59,630 --> 00:56:10,490
the creatures with exoskeletons making

1215
00:56:03,440 --> 00:56:14,420
impressions the fossil record is in no

1216
00:56:10,489 --> 00:56:17,569
way in my mind a complete accounting of

1217
00:56:14,420 --> 00:56:19,519
life on Earth in fact if we assume that

1218
00:56:17,570 --> 00:56:21,440
Wilson is right and we're not aware

1219
00:56:19,519 --> 00:56:23,780
currently of the majority of species

1220
00:56:21,440 --> 00:56:26,179
that have lived on the planet then just

1221
00:56:23,780 --> 00:56:27,560
statistically one that looks at the

1222
00:56:26,179 --> 00:56:29,989
amount of fossils that have been

1223
00:56:27,559 --> 00:56:33,440
collected and the conditions under which

1224
00:56:29,989 --> 00:56:36,409
those fossils would have actually been

1225
00:56:33,440 --> 00:56:39,710
created and one realized that there's a

1226

00:56:36,409 --> 00:56:42,589
very good likelihood that the majority

1227
00:56:39,710 --> 00:56:46,159
of life is the most planet never

1228
00:56:42,590 --> 00:56:48,110
produced fossils and is unknown to us it

1229
00:56:46,159 --> 00:56:50,359
could you could very easily make this

1230
00:56:48,110 --> 00:56:53,420
argument and back it up with some real

1231
00:56:50,360 --> 00:56:55,460
data so just assuming that the fossil

1232
00:56:53,420 --> 00:56:59,150
record gives us the full picture of what

1233
00:56:55,460 --> 00:57:02,500
happened here I think is is extremely

1234
00:56:59,150 --> 00:57:05,539
problematic and and most likely is

1235
00:57:02,500 --> 00:57:08,030
erroneous and and then I'm gonna throw

1236
00:57:05,539 --> 00:57:10,989
the my big overlay on this which has

1237
00:57:08,030 --> 00:57:16,040
always been my my thought which is that

1238
00:57:10,989 --> 00:57:18,229
we tend to parse life based on our

1239
00:57:16,039 --> 00:57:21,529
understanding and our experience of what

1240
00:57:18,230 --> 00:57:24,860

it is and I think that that is very

1241
00:57:21,530 --> 00:57:27,800
limiting and it's a it's a limitation of

1242
00:57:24,860 --> 00:57:31,099
our own senses and our own evolution all

1243
00:57:27,800 --> 00:57:31,950
right humans still have the you take

1244
00:57:31,099 --> 00:57:34,828
most scientist

1245
00:57:31,949 --> 00:57:37,588
thinkers and you throw the the Gaia

1246
00:57:34,829 --> 00:57:40,410
theory at them and they they kind of

1247
00:57:37,588 --> 00:57:42,719
meltdown they don't want to believe they

1248
00:57:40,409 --> 00:57:45,960
have a huge problem believing or

1249
00:57:42,719 --> 00:57:48,659
accepting in any way the idea that maybe

1250
00:57:45,960 --> 00:57:51,240
the planet is actually some form of

1251
00:57:48,659 --> 00:57:53,608
organization of light that has some meta

1252
00:57:51,239 --> 00:57:55,979
intelligence and this is where we now

1253
00:57:53,608 --> 00:57:58,529
tie back into what jacques ballet was

1254
00:57:55,980 --> 00:58:02,369
positing which is that mate he thought

1255
00:57:58,530 --> 00:58:06,030
maybe UFOs and the UFO phenomenon was

1256
00:58:02,369 --> 00:58:08,099
some attempt from some UNMISS understood

1257
00:58:06,030 --> 00:58:10,230
or completely unknown mechanism in the

1258
00:58:08,099 --> 00:58:13,289
planet to sort of jumpstart our

1259
00:58:10,230 --> 00:58:15,150
evolution and to get us to like quickly

1260
00:58:13,289 --> 00:58:17,338
evolve because maybe there's some dire

1261
00:58:15,150 --> 00:58:19,289
stuff happening that we need to like

1262
00:58:17,338 --> 00:58:22,049
really open up our minds about in order

1263
00:58:19,289 --> 00:58:24,960
to potentially make some constructive

1264
00:58:22,050 --> 00:58:26,789
moves and that was that was one of the

1265
00:58:24,960 --> 00:58:29,670
things that violate put forward that

1266
00:58:26,789 --> 00:58:32,909
maybe UFOs were some sort of a control

1267
00:58:29,670 --> 00:58:35,820
mechanism on the part of the planet I

1268
00:58:32,909 --> 00:58:39,269
don't know if I can really can

1269
00:58:35,820 --> 00:58:44,460
completely accept that have a few issues

1270
00:58:39,269 --> 00:58:47,250
with it but it's certainly possible well

1271
00:58:44,460 --> 00:58:49,559
it kind of I think the crux of the

1272
00:58:47,250 --> 00:58:52,349
matter that you began to speak about

1273
00:58:49,559 --> 00:58:54,529
just previous to mentioning valet and

1274
00:58:52,349 --> 00:58:58,140
when you started to talk about the Gaia

1275
00:58:54,530 --> 00:59:01,829
principle and a lot of science not being

1276
00:58:58,139 --> 00:59:05,250
able to really get their head around

1277
00:59:01,829 --> 00:59:09,568
that but it comes down to me for the

1278
00:59:05,250 --> 00:59:12,780
meaning of life is life have to be

1279
00:59:09,568 --> 00:59:16,139
something that is breathing or is life

1280
00:59:12,780 --> 00:59:20,160
about consciousness and that's where I

1281
00:59:16,139 --> 00:59:25,529
think many in the scientific fields a

1282
00:59:20,159 --> 00:59:30,449
kind of boggle over that because science

1283

00:59:25,530 --> 00:59:34,859
has not been able to really explain what

1284
00:59:30,449 --> 00:59:37,469
consciousness is but to me you know you

1285
00:59:34,858 --> 00:59:40,049
talk about the word believe and I have a

1286
00:59:37,469 --> 00:59:43,348
lot of problems with it as well but when

1287
00:59:40,050 --> 00:59:45,160
it comes to the Gaia principle I'm as

1288
00:59:43,349 --> 00:59:50,530
close to believing that

1289
00:59:45,159 --> 00:59:53,949
as I am to believing anything and so I

1290
00:59:50,530 --> 00:59:57,390
think that the real problem there is how

1291
00:59:53,949 --> 01:00:02,489
do you define life is it about

1292
00:59:57,389 --> 01:00:05,199
respiring or is it about consciousness

1293
01:00:02,489 --> 01:00:07,989
well my personal belief along these

1294
01:00:05,199 --> 01:00:10,058
lines based on an experience as I've

1295
01:00:07,989 --> 01:00:13,328
talked about in multiple venues when my

1296
01:00:10,059 --> 01:00:14,769
mother passed away right where she did

1297
01:00:13,329 --> 01:00:16,030

something that we had spoken about

1298

01:00:14,769 --> 01:00:18,250
before she died

1299

01:00:16,030 --> 01:00:21,819
which was to give me some sort of sign

1300

01:00:18,250 --> 01:00:23,530
of continuance and we don't probably

1301

01:00:21,818 --> 01:00:26,019
have time in this show to get into that

1302

01:00:23,530 --> 01:00:29,680
story but she did something that to me

1303

01:00:26,019 --> 01:00:35,409
strongly indicated a persistence of

1304

01:00:29,679 --> 01:00:36,429
identity posts post death it I can't

1305

01:00:35,409 --> 01:00:39,279
prove it to anybody

1306

01:00:36,429 --> 01:00:43,929
um but it was something that I feel she

1307

01:00:39,280 --> 01:00:47,410
did for me to address a request I had

1308

01:00:43,929 --> 01:00:50,259
made of her before she died um now that

1309

01:00:47,409 --> 01:00:51,759
to me would suggest and again this is a

1310

01:00:50,260 --> 01:00:53,260
kind of thing where you know an atheist

1311

01:00:51,760 --> 01:00:55,329
hears this and immediately is like wow

1312
01:00:53,260 --> 01:00:57,069
or to use some God breather so you

1313
01:00:55,329 --> 01:00:59,829
believe there's continuous after death

1314
01:00:57,068 --> 01:01:05,250
that's like dude dude slow down this

1315
01:00:59,829 --> 01:01:08,559
this connection of interest in an

1316
01:01:05,250 --> 01:01:12,940
afterlife afterlife defined as some sort

1317
01:01:08,559 --> 01:01:15,250
of continuity after death in my mind has

1318
01:01:12,940 --> 01:01:16,088
no connection to what religion considers

1319
01:01:15,250 --> 01:01:18,219
to be God

1320
01:01:16,088 --> 01:01:20,650
I don't see why those two are always

1321
01:01:18,219 --> 01:01:23,709
tied together but part of that is

1322
01:01:20,650 --> 01:01:25,180
cultural conditioning that's how people

1323
01:01:23,710 --> 01:01:28,630
have been taught to believe these things

1324
01:01:25,179 --> 01:01:31,179
as far as life is concerned if we look

1325
01:01:28,630 --> 01:01:32,920
at individual human beings know what

1326
01:01:31,179 --> 01:01:37,778
that would call a human being a sentient

1327
01:01:32,920 --> 01:01:40,150
being but then we see that humans and

1328
01:01:37,778 --> 01:01:42,338
groups start to be head start to exhibit

1329
01:01:40,150 --> 01:01:46,088
certain types of behavioral patterns

1330
01:01:42,338 --> 01:01:48,190
that seem to exist outside of the

1331
01:01:46,088 --> 01:01:50,949
internal experience of the individual

1332
01:01:48,190 --> 01:01:53,349
well as that group intelligence going on

1333
01:01:50,949 --> 01:01:55,019
what is what are those dynamics and now

1334
01:01:53,349 --> 01:01:58,960
if we use sort of come away from that

1335
01:01:55,019 --> 01:02:01,318
well they're earth this seems to be some

1336
01:01:58,960 --> 01:02:04,139
kind of a closed-loop feedback system

1337
01:02:01,318 --> 01:02:07,239
stuff comes in from space you may be

1338
01:02:04,139 --> 01:02:08,679
based on the panspermia theory maybe

1339
01:02:07,239 --> 01:02:11,318
that's how life started on Earth by

1340

01:02:08,679 --> 01:02:14,858
something crashing into here and finding

1341
01:02:11,318 --> 01:02:17,139
a hospitable environment and maybe

1342
01:02:14,858 --> 01:02:19,000
that's how the water got here we have

1343
01:02:17,139 --> 01:02:22,000
lots of theories about these things and

1344
01:02:19,000 --> 01:02:25,900
some are more viable than others but

1345
01:02:22,000 --> 01:02:28,769
it's tits to me it still gives us I

1346
01:02:25,900 --> 01:02:31,028
think a working model in that we can

1347
01:02:28,769 --> 01:02:33,538
start to think that there are

1348
01:02:31,028 --> 01:02:37,389
connections between life on the planet

1349
01:02:33,539 --> 01:02:39,789
different forms of life that we simply

1350
01:02:37,389 --> 01:02:45,429
are not in a position to understand our

1351
01:02:39,789 --> 01:02:47,710
science is simply not that good yet and

1352
01:02:45,429 --> 01:02:50,078
it's part of it as a limit of technology

1353
01:02:47,710 --> 01:02:53,099
where we rely on instrumentation for

1354
01:02:50,079 --> 01:02:56,349

science we rely on repeatability and

1355

01:02:53,099 --> 01:02:58,269

consistency and there are aspects of the

1356

01:02:56,349 --> 01:03:00,640

study of for example particle physics

1357

01:02:58,269 --> 01:03:04,329

that start to suggest that repeatability

1358

01:03:00,639 --> 01:03:05,828

and consistency are not as repeatable

1359

01:03:04,329 --> 01:03:09,579

and consistent as we'd like them to be

1360

01:03:05,829 --> 01:03:12,250

hmm and that by the way is the problem

1361

01:03:09,579 --> 01:03:14,769

in trying to talk about the anomalous

1362

01:03:12,250 --> 01:03:16,989

and that the scientific mind says you've

1363

01:03:14,769 --> 01:03:18,460

got to be able to repeat something if

1364

01:03:16,989 --> 01:03:20,229

you can repeat it then I'm even willing

1365

01:03:18,460 --> 01:03:24,369

to listen to you and the problem being

1366

01:03:20,230 --> 01:03:28,119

that we don't control how most anomalous

1367

01:03:24,369 --> 01:03:30,760

events genuine quote unquote anomalous

1368

01:03:28,119 --> 01:03:33,970

events humans have no control over them

1369
01:03:30,760 --> 01:03:35,440
and David I hate to say this because I

1370
01:03:33,969 --> 01:03:38,139
could go on talking to you for at least

1371
01:03:35,440 --> 01:03:41,079
another 10 oh we're at a time but alpha

1372
01:03:38,139 --> 01:03:44,379
has become Omega and we have agreed that

1373
01:03:41,079 --> 01:03:47,619
there is just not enough evidence well

1374
01:03:44,380 --> 01:03:50,528
can we say certainly that we would love

1375
01:03:47,619 --> 01:03:53,200
to have you back again and talk with us

1376
01:03:50,528 --> 01:03:56,769
again please come back and I wanted to

1377
01:03:53,199 --> 01:03:59,288
say that David also has his own podcast

1378
01:03:56,769 --> 01:04:02,318
yeah which is called the angry human

1379
01:03:59,289 --> 01:04:05,049
which is also a radio show on rockland

1380
01:04:02,318 --> 01:04:07,210
world radio and if you want to give the

1381
01:04:05,048 --> 01:04:10,028
time of that show it please feel free

1382
01:04:07,210 --> 01:04:10,750
is it a call-in show too it's not a

1383
01:04:10,028 --> 01:04:13,260
call-in show

1384
01:04:10,750 --> 01:04:18,190
though we get a lot of requests for that

1385
01:04:13,260 --> 01:04:20,830
it's on Wednesday nights at it's

1386
01:04:18,190 --> 01:04:22,900
typically 8:30 to 9:30 Eastern Time

1387
01:04:20,829 --> 01:04:25,449
actually I would just say anybody go

1388
01:04:22,900 --> 01:04:29,230
into any search engine just type the

1389
01:04:25,449 --> 01:04:32,259
words angry human to words and in the

1390
01:04:29,230 --> 01:04:35,320
200 something million hits yoga yeah the

1391
01:04:32,260 --> 01:04:38,080
show page is the very first tip Wow well

1392
01:04:35,320 --> 01:04:41,080
that well thank you so very much and I

1393
01:04:38,079 --> 01:04:44,349
am sure that some of our listeners will

1394
01:04:41,079 --> 01:04:48,369
want to make comments at shattered

1395
01:04:44,349 --> 01:04:54,059
reality podcast.com that's shattered

1396
01:04:48,369 --> 01:04:57,159
reality podcast calm please write in ask

1397

01:04:54,059 --> 01:04:59,469
questions ask about having particular

1398
01:04:57,159 --> 01:05:03,069
guests on that you would like to hear

1399
01:04:59,469 --> 01:05:05,679
and I just know that our listeners will

1400
01:05:03,070 --> 01:05:10,210
want to hear from you again mr. David B

1401
01:05:05,679 --> 01:05:13,960
Edney and Thank You Kate Valentine and

1402
01:05:10,210 --> 01:05:15,789
I'm firoozeh and really all I can say

1403
01:05:13,960 --> 01:05:17,619
again is thanks a lot David it's been a

01:05:15,789 --> 01:05:20,130
pleasure speaking to you you're both

1405
01:05:17,619 --> 01:05:20,130
very welcome

1406
01:05:35,670 --> 01:05:43,990
welcome to shattered reality with their

1407
01:05:39,190 --> 01:05:47,050
hosts Kate Valentine and furs prepare to

1408
01:05:43,989 --> 01:05:53,579
head her paradigms shifted into truths

1409
01:05:47,050 --> 01:05:53,580
questioned and now shattered reality

1410
01:06:02,150 --> 01:06:04,210
you
