

1  
00:00:16,730 --> 00:00:25,019  
welcome to shattered reality with their

2  
00:00:20,219 --> 00:00:28,049  
hosts Kate Valentine and FERS prepare to

3  
00:00:25,019 --> 00:00:33,769  
head of paradigms shifted in the truths

4  
00:00:28,050 --> 00:00:37,170  
questioned and now shattered reality

5  
00:00:33,770 --> 00:00:39,390  
well Kate here we are back again yeah

6  
00:00:37,170 --> 00:00:42,270  
and always looking forward to it yes

7  
00:00:39,390 --> 00:00:44,250  
indeed we have really really a wonderful

8  
00:00:42,270 --> 00:00:47,280  
guest with us today of miss Angela

9  
00:00:44,250 --> 00:00:49,710  
Thompson Smith since childhood Miss

10  
00:00:47,280 --> 00:00:52,649  
Smith has experienced out-of-body

11  
00:00:49,710 --> 00:00:55,109  
episodes that led her into remote

12  
00:00:52,649 --> 00:00:57,539  
viewing another paranormal past and

13  
00:00:55,109 --> 00:01:00,238  
she's written about these experiences

14  
00:00:57,539 --> 00:01:03,390  
and her very fascinating books remote

15  
00:01:00,238 --> 00:01:06,090  
perceptions Diary of an objective an

16  
00:01:03,390 --> 00:01:08,340  
abduction and voices from the cosmos

17  
00:01:06,090 --> 00:01:10,680  
these are all really interesting not

18  
00:01:08,340 --> 00:01:13,109  
only to people who are interested in

19  
00:01:10,680 --> 00:01:15,560  
remote viewing and out-of-body episodes

20  
00:01:13,109 --> 00:01:19,170  
it has quite a lot to do with

21  
00:01:15,560 --> 00:01:22,049  
extraterrestrials and exobiology which

22  
00:01:19,170 --> 00:01:25,560  
was a subject I was always interested in

23  
00:01:22,049 --> 00:01:28,799  
but Ferruccio how did you get interested

24  
00:01:25,560 --> 00:01:31,710  
or how did you know of Miss Smith well

25  
00:01:28,799 --> 00:01:34,830  
you know about a year and a half ago I

26  
00:01:31,709 --> 00:01:37,949  
happen to have picked up the book remote

27  
00:01:34,829 --> 00:01:40,978  
perceptions which is Angela Thompson

28  
00:01:37,950 --> 00:01:44,520  
Smith's first book and published by

29

00:01:40,978 --> 00:01:48,420  
Hampton Roads which happened was owned

30  
00:01:44,519 --> 00:01:50,849  
by a few friends of mine and it was just

31  
00:01:48,420 --> 00:01:54,118  
really really interesting and as I was

32  
00:01:50,849 --> 00:01:57,419  
reading about her life and she she grew

33  
00:01:54,118 --> 00:02:01,560  
up in England a very very long family

34  
00:01:57,420 --> 00:02:04,500  
history in in England there and then she

35  
00:02:01,560 --> 00:02:07,079  
became a nurse and then she was working

36  
00:02:04,500 --> 00:02:11,128  
for Prince then but during our

37  
00:02:07,078 --> 00:02:13,759  
experiences have involving other life to

38  
00:02:11,128 --> 00:02:16,188  
possible other lifetimes are out-of-body

39  
00:02:13,759 --> 00:02:19,329  
experiences our remote viewing

40  
00:02:16,188 --> 00:02:22,780  
experiences and psychic direct sight

41  
00:02:19,330 --> 00:02:25,060  
experiences I really resonated with it

42  
00:02:22,780 --> 00:02:27,430  
because I felt like she was sort of like

43  
00:02:25,060 --> 00:02:30,400

super me because I've had a lot of

44

00:02:27,430 --> 00:02:34,990

experiences myself but not anywhere as

45

00:02:30,400 --> 00:02:36,819

many as she has but her experiences rang

46

00:02:34,990 --> 00:02:39,340

true to me because they were very

47

00:02:36,819 --> 00:02:41,560

similar in nature to the kind of

48

00:02:39,340 --> 00:02:44,349

experiences that I have had and as a

49

00:02:41,560 --> 00:02:47,170

result of that I sort of had a short

50

00:02:44,349 --> 00:02:48,909

internet chat with her through email at

51

00:02:47,169 --> 00:02:51,729

the time I don't know if she remembers

52

00:02:48,909 --> 00:02:55,689

that but then when we were thinking

53

00:02:51,729 --> 00:02:58,389

about who should we have on our program

54

00:02:55,689 --> 00:03:02,079

and we and Kate and I we're talking

55

00:02:58,389 --> 00:03:04,629

about hey we're two women here and we

56

00:03:02,080 --> 00:03:07,090

want to have other women in the

57

00:03:04,629 --> 00:03:09,069

paranormal field that people who do

58  
00:03:07,090 --> 00:03:11,080  
similar things are interested in similar

59  
00:03:09,069 --> 00:03:14,199  
things to us I mean we're not going to

60  
00:03:11,080 --> 00:03:16,780  
exclude men by any means but we feel

61  
00:03:14,199 --> 00:03:19,089  
that at least if not every other every

62  
00:03:16,780 --> 00:03:22,659  
third guest should be a woman and I

63  
00:03:19,090 --> 00:03:25,780  
thought what a wonderful person to to

64  
00:03:22,659 --> 00:03:29,430  
ask to speak to us and she so kindly has

65  
00:03:25,780 --> 00:03:33,129  
agreed so you have written three books

66  
00:03:29,430 --> 00:03:36,310  
remote perceptions diary of an abduction

67  
00:03:33,129 --> 00:03:41,379  
and voices from the cosmos which is the

68  
00:03:36,310 --> 00:03:45,039  
latest one with CB Scott Jones PhD can

69  
00:03:41,379 --> 00:03:48,819  
you tell us a little bit about how you

70  
00:03:45,039 --> 00:03:51,370  
started to how you started as a child

71  
00:03:48,819 --> 00:03:54,729  
what were your experiences as a child

72  
00:03:51,370 --> 00:03:56,560  
which led you to this or our readers or

73  
00:03:54,729 --> 00:04:00,639  
listeners rather will become your

74  
00:03:56,560 --> 00:04:03,039  
readers yeah I grew up in the Celtic

75  
00:04:00,639 --> 00:04:05,139  
South West of England restores my

76  
00:04:03,039 --> 00:04:10,060  
hometown and we lived very near

77  
00:04:05,139 --> 00:04:12,039  
Stonehenge and Avebury and had relatives

78  
00:04:10,060 --> 00:04:13,719  
that came from Brattain and Wiltshire

79  
00:04:12,039 --> 00:04:17,319  
were near where they have the white

80  
00:04:13,719 --> 00:04:20,168  
horses and the cross yes yes and I

81  
00:04:17,319 --> 00:04:23,560  
always was intuitive kid so I think

82  
00:04:20,168 --> 00:04:26,319  
that's where it all started that history

83  
00:04:23,560 --> 00:04:28,899  
that's area has quite a history in that

84  
00:04:26,319 --> 00:04:31,389  
though I believe my correct or not it

85  
00:04:28,899 --> 00:04:33,248  
does it does it the Celtic Southwest

86

00:04:31,389 --> 00:04:37,408  
very close to Wales

87  
00:04:33,249 --> 00:04:40,389  
and you know that Celtic background and

88  
00:04:37,408 --> 00:04:41,889  
Felice so when you were a child these

89  
00:04:40,389 --> 00:04:45,699  
abilities wouldn't have seen that

90  
00:04:41,889 --> 00:04:47,079  
strange to your family my mother kind of

91  
00:04:45,699 --> 00:04:49,989  
downplayed them and said it was

92  
00:04:47,079 --> 00:04:54,968  
imagination because I don't think she

93  
00:04:49,988 --> 00:04:58,118  
wanted a different kid but it was

94  
00:04:54,968 --> 00:05:01,598  
accepted and was not ridiculed or

95  
00:04:58,119 --> 00:05:05,860  
downplayed so what was it like for you

96  
00:05:01,598 --> 00:05:08,998  
to experience a frightening or was did

97  
00:05:05,860 --> 00:05:12,848  
you just sort of take it as a cam or

98  
00:05:08,999 --> 00:05:15,039  
yeah I had a body expenses from as far

99  
00:05:12,848 --> 00:05:18,399  
back as I can remember and I thought

100  
00:05:15,038 --> 00:05:20,528

everybody had them like dreams and that

101

00:05:18,399 --> 00:05:23,559

you just didn't talk about them mm-hmm

102

00:05:20,528 --> 00:05:26,199

and then in my twenties when I finally

103

00:05:23,559 --> 00:05:29,229

discovered that my body experiences were

104

00:05:26,199 --> 00:05:32,709

pretty rare and most people and the few

105

00:05:29,228 --> 00:05:35,798

people had many like myself that set me

106

00:05:32,709 --> 00:05:39,038

on a whole different path right well I

107

00:05:35,798 --> 00:05:41,019

think Ferruccio you've also had these

108

00:05:39,038 --> 00:05:42,038

out-of-body experiences but when did

109

00:05:41,019 --> 00:05:46,360

they start for you

110

00:05:42,038 --> 00:05:50,769

well my experiences started when I was a

111

00:05:46,360 --> 00:05:54,369

little child and I had again yeah I well

112

00:05:50,769 --> 00:05:57,668

like Angela you know I have a family

113

00:05:54,369 --> 00:06:01,989

that did not really downplay it but and

114

00:05:57,668 --> 00:06:04,688

my father who is part Welsh was very

115  
00:06:01,988 --> 00:06:07,149  
psychic and saw dead people which I had

116  
00:06:04,689 --> 00:06:11,588  
mentioned before on the show something I

117  
00:06:07,149 --> 00:06:13,658  
never wanted to do but I had friends

118  
00:06:11,588 --> 00:06:16,629  
when I was a child who no one else could

119  
00:06:13,658 --> 00:06:20,728  
see and these friends were like little

120  
00:06:16,629 --> 00:06:24,939  
metal aliens and as time went by I

121  
00:06:20,728 --> 00:06:27,308  
levitated in my room and in the early

122  
00:06:24,939 --> 00:06:29,559  
morning hours and other strange things

123  
00:06:27,309 --> 00:06:36,819  
unlike Angela sometimes I had the

124  
00:06:29,559 --> 00:06:39,029  
bejesus scared so you mentioned a number

125  
00:06:36,819 --> 00:06:39,028  
of

126  
00:06:39,269 --> 00:06:47,469  
past lives things that you thought were

127  
00:06:43,598 --> 00:06:51,339  
past lives or that maybe it was a case

128  
00:06:47,470 --> 00:06:52,860  
of race memory more or less like sort of

129  
00:06:51,339 --> 00:06:57,038  
that you thought maybe you were meant

130  
00:06:52,860 --> 00:06:59,259  
remembering lives of people who lived in

131  
00:06:57,038 --> 00:07:02,829  
your family and lived in the same area

132  
00:06:59,259 --> 00:07:06,098  
of England and I was wondering what the

133  
00:07:02,829 --> 00:07:08,680  
final analysis what final analysis did

134  
00:07:06,098 --> 00:07:11,079  
you come to regarding these past lives

135  
00:07:08,680 --> 00:07:12,840  
and perhaps you might want to tell us

136  
00:07:11,079 --> 00:07:16,029  
about one of them because I'm sure

137  
00:07:12,839 --> 00:07:18,519  
people will want to read you know you

138  
00:07:16,029 --> 00:07:20,888  
are five books including of course

139  
00:07:18,519 --> 00:07:23,198  
remote perceptions which is you know the

140  
00:07:20,889 --> 00:07:29,829  
book we are focusing on right this

141  
00:07:23,199 --> 00:07:31,718  
second yeah I can't when I finally

142  
00:07:29,829 --> 00:07:33,939  
discovered that not everybody could do

143

00:07:31,718 --> 00:07:36,250  
I'd body experiences I did some study

144  
00:07:33,939 --> 00:07:38,949  
and came across a method called the

145  
00:07:36,250 --> 00:07:40,899  
christos experience that was developed

146  
00:07:38,949 --> 00:07:43,960  
by an Australian journalist it has

147  
00:07:40,899 --> 00:07:47,198  
nothing to do with Christianity is he

148  
00:07:43,959 --> 00:07:49,629  
put together all of the conditions that

149  
00:07:47,199 --> 00:07:52,060  
people might want to explore to go out

150  
00:07:49,629 --> 00:07:55,269  
of body and it's still available online

151  
00:07:52,060 --> 00:07:58,538  
the formula and called the Christoph's

152  
00:07:55,269 --> 00:08:01,000  
experience and so I started doing that

153  
00:07:58,538 --> 00:08:05,978  
in a group and then doing some for

154  
00:08:01,000 --> 00:08:10,269  
myself and going back in time and one of

155  
00:08:05,978 --> 00:08:14,019  
the lifetimes that I I can't say I lived

156  
00:08:10,269 --> 00:08:17,758  
but I remembered was as a woman in

157  
00:08:14,019 --> 00:08:20,769

Yorkshire who was very well-to-do and

158

00:08:17,759 --> 00:08:23,979

she was married but very depressed which

159

00:08:20,769 --> 00:08:27,250

I'm not a depressed person she was very

160

00:08:23,978 --> 00:08:30,728

depressed and just unhappy in her

161

00:08:27,250 --> 00:08:34,240

marriage and a very strange life to go

162

00:08:30,728 --> 00:08:36,418

and experience but I recorded it put it

163

00:08:34,240 --> 00:08:40,930

all down on paper and put it in the book

164

00:08:36,418 --> 00:08:43,120

and so different lifetimes some that

165

00:08:40,929 --> 00:08:45,969

felt right to me and some that didn't

166

00:08:43,120 --> 00:08:50,500

quite feel right like the Yorkshire

167

00:08:45,970 --> 00:08:52,129

woman from North and I came I hadn't

168

00:08:50,500 --> 00:08:54,409

really come down to any

169

00:08:52,129 --> 00:08:58,399

vision yet except that it's quite

170

00:08:54,409 --> 00:09:00,860

possible that we tap into some lifetime

171

00:08:58,399 --> 00:09:02,870

in the past man else's lifetime that

172  
00:09:00,860 --> 00:09:06,980  
feels right to us and answer some

173  
00:09:02,870 --> 00:09:07,779  
questions for us yes yes I would agree

174  
00:09:06,980 --> 00:09:10,850  
with that

175  
00:09:07,779 --> 00:09:13,879  
simply because you know having worked a

176  
00:09:10,850 --> 00:09:17,690  
little bit with past life experiences

177  
00:09:13,879 --> 00:09:23,450  
and having two that came to me without

178  
00:09:17,690 --> 00:09:25,730  
any bidding if you will from anything I

179  
00:09:23,450 --> 00:09:29,509  
just just came to me during my early

180  
00:09:25,730 --> 00:09:32,480  
years it occurred to me that they could

181  
00:09:29,509 --> 00:09:36,110  
be past lives or maybe somehow I had

182  
00:09:32,480 --> 00:09:37,909  
crossed someone's spirit somehow you

183  
00:09:36,110 --> 00:09:41,120  
know our spirits had crossed and I had

184  
00:09:37,909 --> 00:09:43,219  
experienced some days from the lives of

185  
00:09:41,120 --> 00:09:45,470  
these two women but you also had

186  
00:09:43,220 --> 00:09:50,000  
mentioned that most of your past lives

187  
00:09:45,470 --> 00:09:53,120  
were in fact as women and I noticed the

188  
00:09:50,000 --> 00:09:56,000  
same thing with myself that I didn't I

189  
00:09:53,120 --> 00:09:59,029  
don't remember any male past lives but

190  
00:09:56,000 --> 00:10:01,940  
ostensibly you know I should have had

191  
00:09:59,029 --> 00:10:05,269  
them I guess and I also think that

192  
00:10:01,940 --> 00:10:08,900  
perhaps past lives aren't past but you

193  
00:10:05,269 --> 00:10:10,960  
know being that time is mutable maybe

194  
00:10:08,899 --> 00:10:13,909  
they're all occurring simultaneously

195  
00:10:10,960 --> 00:10:18,410  
somehow right I made the other

196  
00:10:13,909 --> 00:10:20,870  
dimensional no yes yes there was an

197  
00:10:18,409 --> 00:10:22,969  
interesting conversation in a movie I

198  
00:10:20,870 --> 00:10:27,110  
just saw Lucy was the name of the movie

199  
00:10:22,970 --> 00:10:30,379  
and the chief character had ingested

200

00:10:27,110 --> 00:10:32,570  
some chemical let's say and that

201  
00:10:30,379 --> 00:10:34,100  
increased her brain power from the so

202  
00:10:32,570 --> 00:10:37,070  
called nine percent a hundred percent

203  
00:10:34,100 --> 00:10:39,889  
and at that point she said the time was

204  
00:10:37,070 --> 00:10:42,170  
an invention for humans because we could

205  
00:10:39,889 --> 00:10:44,539  
not perceive everything happening

206  
00:10:42,169 --> 00:10:47,389  
simultaneously it's not possible for the

207  
00:10:44,539 --> 00:10:49,240  
human brain to do that so we had to

208  
00:10:47,389 --> 00:10:52,159  
invent time to separate these

209  
00:10:49,240 --> 00:10:54,710  
experiences and that sounded about right

210  
00:10:52,159 --> 00:10:59,089  
to me because if everything happened

211  
00:10:54,710 --> 00:11:01,129  
simultaneously I'd be forget it just too

212  
00:10:59,090 --> 00:11:03,980  
much but okay I was wondering if you and

213  
00:11:01,129 --> 00:11:05,659  
Ferruccio could explain to me since I

214  
00:11:03,980 --> 00:11:08,149

haven't had this what do you

215

00:11:05,659 --> 00:11:11,449

mean by an out-of-body experience it's

216

00:11:08,149 --> 00:11:13,579

probably basic to you guys but I don't

217

00:11:11,450 --> 00:11:21,170

think that I know what you're talking

218

00:11:13,580 --> 00:11:24,110

about particularly go ahead Angela I can

219

00:11:21,169 --> 00:11:27,110

tell you from it's changed over the

220

00:11:24,110 --> 00:11:29,629

years as a child I would be put to bed

221

00:11:27,110 --> 00:11:32,269

now still wide awake and I would lie

222

00:11:29,629 --> 00:11:35,960

down then you I wasn't asleep and I

223

00:11:32,269 --> 00:11:38,149

would go up on my part of me would go up

224

00:11:35,960 --> 00:11:39,980

on the roof and look around and I travel

225

00:11:38,149 --> 00:11:42,860

around the neighborhood go to my

226

00:11:39,980 --> 00:11:44,240

grandmother's house see what she was

227

00:11:42,860 --> 00:11:47,330

doing

228

00:11:44,240 --> 00:11:48,889

I'd visit all sorts of places and then I

229

00:11:47,330 --> 00:11:51,379

can't Bank okay enough of that and I'm

230

00:11:48,889 --> 00:11:53,029

going to sleep now hid and I knew it was

231

00:11:51,379 --> 00:11:55,639

different from dreams because I was

232

00:11:53,029 --> 00:11:57,350

still awake did did your grandmother see

233

00:11:55,639 --> 00:12:00,590

you when you were there nobody ever saw

234

00:11:57,350 --> 00:12:03,889

me okay so it was you sort of traveling

235

00:12:00,590 --> 00:12:05,870

with your mind right yeah but I really

236

00:12:03,889 --> 00:12:08,299

thought I had a body I could to make

237

00:12:05,870 --> 00:12:12,440

decisions where I wanted to go okay that

238

00:12:08,299 --> 00:12:15,049

was it was purposeful and over the years

239

00:12:12,440 --> 00:12:17,390

after a particularly went in my twenties

240

00:12:15,049 --> 00:12:19,879

when I decided okay this is something

241

00:12:17,389 --> 00:12:23,689

not everybody can do I started working

242

00:12:19,879 --> 00:12:25,970

with it and it was the forerunner really

243  
00:12:23,690 --> 00:12:28,640  
the the precedents to going into remote

244  
00:12:25,970 --> 00:12:31,690  
viewing training because I could decide

245  
00:12:28,639 --> 00:12:34,610  
okay my friends are going on vacation

246  
00:12:31,690 --> 00:12:35,510  
I've asked them if I could come and take

247  
00:12:34,610 --> 00:12:37,909  
a look because I did some

248  
00:12:35,509 --> 00:12:40,100  
experimentation I want to go and look

249  
00:12:37,909 --> 00:12:42,610  
where they are make some notes and when

250  
00:12:40,100 --> 00:12:45,950  
they come back I want to share what I

251  
00:12:42,610 --> 00:12:47,779  
perceived with them and I didn't get

252  
00:12:45,950 --> 00:12:49,160  
everything right but there was enough

253  
00:12:47,779 --> 00:12:53,750  
right that I thought there was really

254  
00:12:49,159 --> 00:12:57,319  
something going on well would you say in

255  
00:12:53,750 --> 00:13:00,169  
terms of like say remote viewing as as

256  
00:12:57,320 --> 00:13:04,010  
opposed to out-of-body experiences that

257

00:13:00,169 --> 00:13:06,459  
they are related phenomena but

258  
00:13:04,009 --> 00:13:10,069  
out-of-body experience can be more like

259  
00:13:06,460 --> 00:13:14,240  
you know an astral travel where you are

260  
00:13:10,070 --> 00:13:17,690  
actually at the place where as a remote

261  
00:13:14,240 --> 00:13:19,190  
viewing you you see things at a distance

262  
00:13:17,690 --> 00:13:22,150  
it's like two

263  
00:13:19,190 --> 00:13:26,180  
remote viewing is a protocol for

264  
00:13:22,149 --> 00:13:28,789  
clairvoyance yeah there are lots of

265  
00:13:26,179 --> 00:13:32,000  
overlaps and I like to think of

266  
00:13:28,789 --> 00:13:35,029  
out-of-body experience the more stream

267  
00:13:32,000 --> 00:13:39,679  
flow of consciousness type of experience

268  
00:13:35,029 --> 00:13:41,360  
as a lateral experience and the remote

269  
00:13:39,679 --> 00:13:44,539  
viewing where you sit down with pen and

270  
00:13:41,360 --> 00:13:46,730  
paper is more of a digital linear type

271  
00:13:44,539 --> 00:13:50,149

of experience though there are lots of

272

00:13:46,730 --> 00:13:53,539

overlaps but they are different and some

273

00:13:50,149 --> 00:13:56,209

of the people who do work with

274

00:13:53,539 --> 00:13:58,099

out-of-body like Bill bule men do you

275

00:13:56,210 --> 00:14:02,450

know Bill Dielman I don't know any but I

276

00:13:58,100 --> 00:14:04,310

know Alton yes he works in a variety of

277

00:14:02,450 --> 00:14:06,830

different ways for people to go out of

278

00:14:04,309 --> 00:14:11,000

body but it seems to me like many of the

279

00:14:06,830 --> 00:14:13,400

times in working with him one enters

280

00:14:11,000 --> 00:14:15,230

sort of onto a different dimensional

281

00:14:13,399 --> 00:14:17,629

plane or a different state of matter

282

00:14:15,230 --> 00:14:21,170

like where you are in your etheric body

283

00:14:17,629 --> 00:14:25,490

and you're at in a different like a very

284

00:14:21,169 --> 00:14:27,919

similar but different locale and those

285

00:14:25,490 --> 00:14:30,259

kind of things can be accessed

286  
00:14:27,919 --> 00:14:32,539  
I believe kind of more easily through

287  
00:14:30,259 --> 00:14:34,850  
lucid dreams like starting in a lucid

288  
00:14:32,539 --> 00:14:38,199  
dream and then working it up to where

289  
00:14:34,850 --> 00:14:41,000  
you are you know very volitional and

290  
00:14:38,200 --> 00:14:45,290  
traveling around in spaces that you

291  
00:14:41,000 --> 00:14:48,529  
recognize almost yes and also through

292  
00:14:45,289 --> 00:14:51,769  
visualization exercises journeying yes

293  
00:14:48,529 --> 00:14:54,319  
you can actually go travel and visit

294  
00:14:51,769 --> 00:14:57,949  
places that you you want to go to and

295  
00:14:54,320 --> 00:15:01,250  
and more recently I'm jumping ahead here

296  
00:14:57,950 --> 00:15:04,850  
a little bit but you have become a

297  
00:15:01,250 --> 00:15:07,389  
shaman and are involved with shamanism

298  
00:15:04,850 --> 00:15:10,990  
isn't it that not the case that's right

299  
00:15:07,389 --> 00:15:13,850  
I'd always had a leaning towards

300  
00:15:10,990 --> 00:15:15,460  
shamanic experience from being a kid

301  
00:15:13,850 --> 00:15:17,629  
with my own garden and loving nature

302  
00:15:15,460 --> 00:15:21,259  
knowing the names of all the British

303  
00:15:17,629 --> 00:15:23,570  
plants and their uses and then 2010 I

304  
00:15:21,259 --> 00:15:26,389  
had the opportunity to go and do some

305  
00:15:23,570 --> 00:15:28,910  
training with vision seekers with high

306  
00:15:26,389 --> 00:15:32,120  
growth hormone and oh yes yes yeah

307  
00:15:28,909 --> 00:15:33,139  
wonderful teachers and so I've been

308  
00:15:32,120 --> 00:15:35,709  
working with them

309  
00:15:33,139 --> 00:15:41,928  
to their workshops and I became ordained

310  
00:15:35,708 --> 00:15:45,018  
in 2010 it took a lot of paperwork but

311  
00:15:41,928 --> 00:15:46,428  
that you know you have to justify where

312  
00:15:45,019 --> 00:15:48,499  
you've really been where you're coming

313  
00:15:46,428 --> 00:15:50,899  
from what you plan to do with it

314

00:15:48,499 --> 00:15:53,089  
right so that's that's true I become a

315  
00:15:50,899 --> 00:15:56,269  
shaman well that's beautiful and you

316  
00:15:53,089 --> 00:15:59,899  
mentioned your garden in in England I

317  
00:15:56,269 --> 00:16:02,389  
guess and you knew all the names of the

318  
00:15:59,899 --> 00:16:06,109  
plants and so forth were you aware of

319  
00:16:02,389 --> 00:16:10,009  
the the Divas of the plants like the the

320  
00:16:06,109 --> 00:16:11,869  
group spirit of the plants not at that

321  
00:16:10,009 --> 00:16:14,418  
time I just knew that I was very

322  
00:16:11,869 --> 00:16:15,619  
connected to the earth and I would think

323  
00:16:14,418 --> 00:16:17,629  
you know when I was taking my little

324  
00:16:15,619 --> 00:16:20,809  
garden I would put my hands right into

325  
00:16:17,629 --> 00:16:25,009  
the soil and we would really feel part

326  
00:16:20,808 --> 00:16:29,078  
of it and loved my my little flowers and

327  
00:16:25,009 --> 00:16:32,659  
vegetables and that was more when I was

328  
00:16:29,078 --> 00:16:34,368

growing up up until my teens and then of

329

00:16:32,659 --> 00:16:37,458

course I went traveling and training and

330

00:16:34,369 --> 00:16:40,040

doing other things and and you became a

331

00:16:37,458 --> 00:16:44,738

nurse and then you travel to the US

332

00:16:40,039 --> 00:16:47,389

correct well quite a bit in between okay

333

00:16:44,739 --> 00:16:49,850

I'll just give you a very brief

334

00:16:47,389 --> 00:16:53,298

I went trained as a nurse when I was 18

335

00:16:49,850 --> 00:16:57,308

and became a certified nurse state

336

00:16:53,298 --> 00:16:59,659

registered nurse from there I went on

337

00:16:57,308 --> 00:17:01,818

eventually after doing the you know

338

00:16:59,659 --> 00:17:03,860

working as a nurse to do a Social Work

339

00:17:01,818 --> 00:17:07,038

training and worked with maladjusted

340

00:17:03,860 --> 00:17:10,578

children as they called them then in

341

00:17:07,038 --> 00:17:13,548

children's homes and group homes went to

342

00:17:10,578 --> 00:17:17,209

Columbia in my twenties and worked at an

343  
00:17:13,548 --> 00:17:20,449  
orphanage for two years with kids little

344  
00:17:17,209 --> 00:17:24,980  
babies that have been abandoned oh and

345  
00:17:20,449 --> 00:17:26,509  
that was a story in itself then came

346  
00:17:24,980 --> 00:17:29,690  
back and realized I wanted a little bit

347  
00:17:26,509 --> 00:17:31,819  
more education so I had left school at

348  
00:17:29,690 --> 00:17:35,179  
16 and because that was the official

349  
00:17:31,819 --> 00:17:39,740  
leaving age in England at the time so I

350  
00:17:35,179 --> 00:17:41,778  
I went to the University of Cardiff and

351  
00:17:39,740 --> 00:17:44,808  
at the University of Wales at Cardiff

352  
00:17:41,778 --> 00:17:47,000  
applied there to do their undergraduate

353  
00:17:44,808 --> 00:17:49,369  
in psychology a training

354  
00:17:47,000 --> 00:17:53,779  
and after three years got my bachelor's

355  
00:17:49,369 --> 00:17:56,658  
there went to Manchester University got

356  
00:17:53,779 --> 00:18:00,470  
my masters and again working with

357  
00:17:56,659 --> 00:18:02,840  
children in laterality how how babies

358  
00:18:00,470 --> 00:18:04,669  
developed handedness and from there I

359  
00:18:02,839 --> 00:18:07,579  
came to the States

360  
00:18:04,669 --> 00:18:11,630  
so bit in between and yes well that's

361  
00:18:07,579 --> 00:18:13,250  
very impressive bit in between when you

362  
00:18:11,630 --> 00:18:16,340  
came to the States you came to New

363  
00:18:13,250 --> 00:18:21,200  
Jersey and which is where we are

364  
00:18:16,339 --> 00:18:25,399  
broadcasting from just outside New York

365  
00:18:21,200 --> 00:18:27,110  
City and you but you came to the

366  
00:18:25,400 --> 00:18:31,960  
Princeton area am I correct

367  
00:18:27,109 --> 00:18:35,928  
I first of all came to the oranges ah

368  
00:18:31,960 --> 00:18:39,590  
and I was married and that unfortunately

369  
00:18:35,929 --> 00:18:41,570  
didn't work out but from there and when

370  
00:18:39,589 --> 00:18:43,308  
I came over of course I didn't have any

371

00:18:41,569 --> 00:18:45,259  
American qualification so I couldn't

372  
00:18:43,308 --> 00:18:48,408  
work as a nurse or social worker or

373  
00:18:45,259 --> 00:18:50,929  
anything in my professions so it wasn't

374  
00:18:48,409 --> 00:18:56,150  
until I'd been in the state's a few

375  
00:18:50,929 --> 00:18:59,120  
years that I became hired in UMDNJ in

376  
00:18:56,150 --> 00:19:01,640  
New Brunswick again doing research with

377  
00:18:59,119 --> 00:19:04,519  
moms and babies which was my thing at

378  
00:19:01,640 --> 00:19:06,860  
the time and from there after working

379  
00:19:04,519 --> 00:19:09,950  
there for 3 years the project ended and

380  
00:19:06,859 --> 00:19:12,408  
I moved then down to Princeton where I

381  
00:19:09,950 --> 00:19:16,819  
stayed worked for 5 years with the pair

382  
00:19:12,409 --> 00:19:20,390  
lab well that is a fascinating episode

383  
00:19:16,819 --> 00:19:23,058  
in your life I think very interesting

384  
00:19:20,390 --> 00:19:25,570  
time ok it's just throwing one quick

385  
00:19:23,058 --> 00:19:28,428

question here since you've worked with

386

00:19:25,569 --> 00:19:30,408

infants and very young children do you

387

00:19:28,429 --> 00:19:32,809

find that a lot of children have these

388

00:19:30,409 --> 00:19:35,059

experiences and then are told that there

389

00:19:32,808 --> 00:19:39,470

don't exist and so stop believing that

390

00:19:35,058 --> 00:19:42,139

they have them yeah yeah because yeah

391

00:19:39,470 --> 00:19:43,429

that was what I was told I don't know

392

00:19:42,140 --> 00:19:48,259

I've never worked with young children

393

00:19:43,429 --> 00:19:51,500

and groups certainly so no when you are

394

00:19:48,259 --> 00:19:54,230

working with these disturbed about it or

395

00:19:51,500 --> 00:19:57,648

whatever these children were you able to

396

00:19:54,230 --> 00:20:00,589

communicate with them less with words

397

00:19:57,648 --> 00:20:02,808

and more not telepathically but on some

398

00:20:00,589 --> 00:20:05,418

sort of that type of telepathically yes

399

00:20:02,808 --> 00:20:08,808

yeah yeah with some of three children

400  
00:20:05,419 --> 00:20:11,028  
the autistic children and some children

401  
00:20:08,808 --> 00:20:13,940  
who were aphasics it didn't have

402  
00:20:11,028 --> 00:20:17,659  
language there was a lot of nonverbal

403  
00:20:13,940 --> 00:20:21,380  
understanding communication that I

404  
00:20:17,659 --> 00:20:23,778  
didn't tell anybody else except you know

405  
00:20:21,380 --> 00:20:25,760  
because it just was not accepted and the

406  
00:20:23,778 --> 00:20:27,859  
professional feel it okay I'm sorry but

407  
00:20:25,759 --> 00:20:30,230  
back to your peer experiences because

408  
00:20:27,859 --> 00:20:33,528  
that is for now that's phenomenal that's

409  
00:20:30,230 --> 00:20:36,110  
a very respected Institute I don't know

410  
00:20:33,528 --> 00:20:38,808  
that much about it faroush I'm sorry but

411  
00:20:36,109 --> 00:20:42,469  
I know you do well you know most of my

412  
00:20:38,808 --> 00:20:45,528  
familiarity with pair has to do with the

413  
00:20:42,470 --> 00:20:46,850  
random number generators and so why

414  
00:20:45,528 --> 00:20:50,480  
don't you tell us a little bit about

415  
00:20:46,849 --> 00:20:54,918  
what you did at pair hmm well I was

416  
00:20:50,480 --> 00:20:58,759  
hired basically as a technical

417  
00:20:54,919 --> 00:21:02,210  
assistance and I went in and worked with

418  
00:20:58,759 --> 00:21:05,019  
Brenda Don and the team at pair and I

419  
00:21:02,210 --> 00:21:09,079  
was really accepted as part of the team

420  
00:21:05,019 --> 00:21:12,619  
and the work that was being carried out

421  
00:21:09,079 --> 00:21:15,528  
was of course the random number

422  
00:21:12,619 --> 00:21:18,109  
generator work the remote perception

423  
00:21:15,528 --> 00:21:20,690  
work which was the civilian equivalent

424  
00:21:18,109 --> 00:21:25,849  
to what was going on in the Stargate

425  
00:21:20,690 --> 00:21:29,390  
remote viewing unit military we also did

426  
00:21:25,849 --> 00:21:31,038  
a little bit of other psychic work from

427  
00:21:29,390 --> 00:21:33,970  
time to time whenever there was an

428

00:21:31,038 --> 00:21:36,890  
interest but those were the two main

429  
00:21:33,970 --> 00:21:40,149  
thrusters of the lab or the random number

430  
00:21:36,890 --> 00:21:44,570  
generator work and the remote perception

431  
00:21:40,148 --> 00:21:46,308  
okay just how successful is remote

432  
00:21:44,569 --> 00:21:50,148  
viewing because I don't know and

433  
00:21:46,308 --> 00:21:52,579  
honestly as an outsider you'd say well I

434  
00:21:50,148 --> 00:21:55,369  
don't know maybe it's true maybe it's

435  
00:21:52,579 --> 00:21:58,038  
not but you do have fairly good success

436  
00:21:55,369 --> 00:22:01,308  
rates with this right well I can speak

437  
00:21:58,038 --> 00:22:03,349  
to two perspectives one is the my

438  
00:22:01,308 --> 00:22:06,589  
personal perspective which is I've

439  
00:22:03,349 --> 00:22:13,759  
interested in multiple labs and I'm

440  
00:22:06,589 --> 00:22:14,720  
about the 78% level well yeah I suppose

441  
00:22:13,759 --> 00:22:17,960  
over the years

442  
00:22:14,720 --> 00:22:20,390

got pretty good at it much like a singer

443

00:22:17,960 --> 00:22:25,250

you know has a natural ability to become

444

00:22:20,390 --> 00:22:28,610

trained and practice right and I know

445

00:22:25,250 --> 00:22:32,240

you teach this as well so for myself

446

00:22:28,609 --> 00:22:34,339

let's say as an example who I don't

447

00:22:32,240 --> 00:22:36,910

believe has had any abilities along

448

00:22:34,339 --> 00:22:36,909

those lines

449

00:22:38,170 --> 00:22:44,330

none that come to the fore but let's say

450

00:22:42,109 --> 00:22:45,889

I didn't but was interested in

451

00:22:44,329 --> 00:22:48,799

developing him do you believe most

452

00:22:45,890 --> 00:22:52,310

people would have the ability given the

453

00:22:48,799 --> 00:22:54,710

proper training for example you just

454

00:22:52,309 --> 00:22:56,779

spent you in singer I mean they could

455

00:22:54,710 --> 00:22:59,870

train me in singing until they turn blue

456

00:22:56,779 --> 00:23:02,899

and I would never ever sing well yeah

457  
00:22:59,869 --> 00:23:05,299  
but so that would not be my ability but

458  
00:23:02,900 --> 00:23:07,970  
you feel that most people would have the

459  
00:23:05,299 --> 00:23:09,799  
ability to remote for you to some extent

460  
00:23:07,970 --> 00:23:11,410  
like I mean I certainly could sing a

461  
00:23:09,799 --> 00:23:14,569  
little bit not professionally but

462  
00:23:11,410 --> 00:23:17,330  
certainly just some extent but uh but

463  
00:23:14,569 --> 00:23:19,279  
you feel most people can remote you you

464  
00:23:17,329 --> 00:23:22,009  
have because remote viewing occurs the

465  
00:23:19,279 --> 00:23:24,649  
ability occurs on a continuum

466  
00:23:22,009 --> 00:23:26,920  
most people are intuitive and or remote

467  
00:23:24,650 --> 00:23:30,620  
viewing training does is it gets you

468  
00:23:26,920 --> 00:23:32,529  
gives you more access to that intuitive

469  
00:23:30,619 --> 00:23:35,000  
level so there are various methods

470  
00:23:32,529 --> 00:23:38,180  
various catch good there various

471  
00:23:35,000 --> 00:23:39,920  
protocols that enable you to do that and

472  
00:23:38,180 --> 00:23:43,450  
of course as you know there's some

473  
00:23:39,920 --> 00:23:46,220  
people who are psychically tone-deaf and

474  
00:23:43,450 --> 00:23:49,100  
they can they can achieve a little bit

475  
00:23:46,220 --> 00:23:55,309  
and some people who can who are very

476  
00:23:49,099 --> 00:23:58,309  
good in between and your your school

477  
00:23:55,309 --> 00:24:01,940  
which is in the Las Vegas area is mind

478  
00:23:58,309 --> 00:24:04,460  
wise consulting yes yes I'm in a little

479  
00:24:01,940 --> 00:24:06,980  
town called Ron Boulder City just

480  
00:24:04,460 --> 00:24:10,279  
outside Las Vegas on the way to Hoover

481  
00:24:06,980 --> 00:24:12,559  
Dam excellent excellent just we want to

482  
00:24:10,279 --> 00:24:16,369  
give you that plug you may hear somebody

483  
00:24:12,559 --> 00:24:20,359  
and we want them to know about all of

484  
00:24:16,369 --> 00:24:25,879  
your various you know businesses and

485

00:24:20,359 --> 00:24:27,649  
books going on so did you meet Ingo

486  
00:24:25,880 --> 00:24:31,530  
Swann in that period

487  
00:24:27,650 --> 00:24:34,410  
not during the time I was at pair it

488  
00:24:31,529 --> 00:24:38,490  
wasn't until I left pair up to five

489  
00:24:34,410 --> 00:24:41,670  
years my part of the contracted finish

490  
00:24:38,490 --> 00:24:45,420  
so I moved out to Las Vegas and I worked

491  
00:24:41,670 --> 00:24:49,380  
for Robert Bigelow oh yeah and he sent

492  
00:24:45,420 --> 00:24:53,039  
me off to New York at one point to work

493  
00:24:49,380 --> 00:24:54,810  
with Budd Hopkins I and Bert was in

494  
00:24:53,039 --> 00:24:57,599  
poorhouse at the time and needed some

495  
00:24:54,809 --> 00:25:00,359  
assistance so I was loaned out too bad

496  
00:24:57,599 --> 00:25:02,699  
and during the time I was in Manhattan

497  
00:25:00,359 --> 00:25:05,639  
I contacted Ingo Swann I was writing

498  
00:25:02,700 --> 00:25:07,559  
remote perceptions at the time and said

499  
00:25:05,640 --> 00:25:10,950

after myth he would write the foreword

500

00:25:07,559 --> 00:25:12,899

for me so we met in a diner and spent a

501

00:25:10,950 --> 00:25:15,840

couple of hours talking and he read the

502

00:25:12,900 --> 00:25:18,810

manuscript and he agreed you know he

503

00:25:15,839 --> 00:25:21,750

would write the foreword which I was so

504

00:25:18,809 --> 00:25:26,190

honored yes do that that's wonderful I

505

00:25:21,750 --> 00:25:28,829

mean I've lived in New York for you know

506

00:25:26,190 --> 00:25:30,390

most of my life at least in the

507

00:25:28,829 --> 00:25:30,809

metropolitan area and in the East

508

00:25:30,390 --> 00:25:34,530

Village

509

00:25:30,809 --> 00:25:37,470

and I knew lots of people who knew Ingo

510

00:25:34,529 --> 00:25:42,599

and I never got to meet him and it's one

511

00:25:37,470 --> 00:25:44,250

of the great regrets that I you know one

512

00:25:42,599 --> 00:25:48,329

of the people that I regret I've never

513

00:25:44,250 --> 00:25:50,220

met and so I've made it my my effort to

514  
00:25:48,329 --> 00:25:53,129  
meet other people that I would like to

515  
00:25:50,220 --> 00:25:55,740  
meet I've put myself out to do so

516  
00:25:53,130 --> 00:25:58,050  
because he's one of the people that was

517  
00:25:55,740 --> 00:26:01,109  
available pretty much to me and I never

518  
00:25:58,049 --> 00:26:02,970  
met him so that's it was a great was a

519  
00:26:01,109 --> 00:26:05,669  
great disappointment but it has set me

520  
00:26:02,970 --> 00:26:10,829  
on a different course part of the reason

521  
00:26:05,670 --> 00:26:14,220  
that I was set on a different course if

522  
00:26:10,829 --> 00:26:16,559  
he liked you yes and whenever I went to

523  
00:26:14,220 --> 00:26:18,329  
Manhattan I'd call up and say hey can I

524  
00:26:16,559 --> 00:26:21,750  
come over and visit you go yeah sure

525  
00:26:18,329 --> 00:26:25,740  
come on you know and he shared a lot

526  
00:26:21,750 --> 00:26:29,700  
with me a lot of his his work so I feel

527  
00:26:25,740 --> 00:26:35,039  
very honored was he also an experiercer

528

00:26:29,700 --> 00:26:37,259

since childhood oh yeah hmm yeah and he

529

00:26:35,039 --> 00:26:39,809

developed it more or less on his own too

530

00:26:37,259 --> 00:26:43,529

since oh I know

531

00:26:39,809 --> 00:26:47,909

yeah I think until the 70s late 70s

532

00:26:43,529 --> 00:26:50,609

early ages when 70 mid-70s yes I think

533

00:26:47,910 --> 00:26:54,990

yeah started working at Stanford

534

00:26:50,609 --> 00:26:57,599

Research Institute so forth yeah before

535

00:26:54,990 --> 00:26:59,700

that he was at the American Society for

536

00:26:57,599 --> 00:27:02,629

psychical risk all right in Manhattan

537

00:26:59,700 --> 00:27:05,400

and he was there for a couple of years

538

00:27:02,630 --> 00:27:08,280

actually taking part in research and

539

00:27:05,400 --> 00:27:12,570

then actually giving them some pointers

540

00:27:08,279 --> 00:27:14,849

as to to develop their obe research and

541

00:27:12,569 --> 00:27:17,099

he had that one really odd experience

542

00:27:14,849 --> 00:27:20,209  
with the moon or something Oh

543  
00:27:17,099 --> 00:27:23,419  
penetration yes what was that all about

544  
00:27:20,210 --> 00:27:32,640  
okay I'm the UFO freak so I need to know

545  
00:27:23,420 --> 00:27:36,509  
I did mention it a couple of times in

546  
00:27:32,640 --> 00:27:38,850  
talks but he was contacting the

547  
00:27:36,509 --> 00:27:41,789  
contacted and higher than taken very

548  
00:27:38,849 --> 00:27:45,419  
clandestinely to a location an unknown

549  
00:27:41,789 --> 00:27:48,809  
location where he was given a an unknown

550  
00:27:45,420 --> 00:27:51,390  
target just a coordinate which is just

551  
00:27:48,809 --> 00:27:56,039  
like ago you know an address of a

552  
00:27:51,390 --> 00:27:59,280  
location but by numeric alphanumeric and

553  
00:27:56,039 --> 00:28:02,700  
he started remote viewing the moon's

554  
00:27:59,279 --> 00:28:07,079  
back of the moon and the back of the

555  
00:28:02,700 --> 00:28:09,360  
Moon yeah probably was and then as he

556  
00:28:07,079 --> 00:28:12,000

was remote feeling he said something

557

00:28:09,359 --> 00:28:12,569

like well I am sorry I I don't think

558

00:28:12,000 --> 00:28:15,480

I've got it

559

00:28:12,569 --> 00:28:17,759

you know I we better stop this and the

560

00:28:15,480 --> 00:28:23,130

person that was there with in monitoring

561

00:28:17,759 --> 00:28:26,670

him said no no go ahead and so he gave

562

00:28:23,130 --> 00:28:28,380

them a lot of information and I'm not

563

00:28:26,670 --> 00:28:31,080

going to spoil it for readers that want

564

00:28:28,380 --> 00:28:35,310

to cuz tenna trations is now available

565

00:28:31,079 --> 00:28:37,470

on Kindle yes yes which is fantastic yes

566

00:28:35,309 --> 00:28:40,169

it certainly is I've read it more than

567

00:28:37,470 --> 00:28:45,620

once and I found it to be a fascinating

568

00:28:40,170 --> 00:28:45,620

book but let's talk more about you okay

569

00:28:45,970 --> 00:28:52,339

you know well you know again thinking

570

00:28:48,829 --> 00:28:55,158

the UFO nut on this when I was reading

571  
00:28:52,339 --> 00:28:57,949  
about the diary of abduction and voices

572  
00:28:55,159 --> 00:29:00,409  
from the cosmos you're absolutely in

573  
00:28:57,950 --> 00:29:04,940  
contact with races other than human race

574  
00:29:00,409 --> 00:29:09,409  
and that is something I would really

575  
00:29:04,940 --> 00:29:12,798  
love to do myself but on one hand you do

576  
00:29:09,409 --> 00:29:14,749  
have that sort of inborn xenophobia I

577  
00:29:12,798 --> 00:29:16,819  
guess you know like you think oops I'll

578  
00:29:14,749 --> 00:29:19,129  
get abducted if I speak to these beings

579  
00:29:16,819 --> 00:29:23,749  
and so maybe I better just shut up and

580  
00:29:19,128 --> 00:29:25,638  
but you have no fear of that no I did

581  
00:29:23,749 --> 00:29:28,489  
have a you know when I first started

582  
00:29:25,638 --> 00:29:31,339  
looking into all this but it kind of

583  
00:29:28,489 --> 00:29:34,220  
started from when I remember when I was

584  
00:29:31,339 --> 00:29:36,589  
in 16 and my brother and I we were

585  
00:29:34,220 --> 00:29:39,079  
living down in Dorset by that time south

586  
00:29:36,589 --> 00:29:41,569  
of England and something landed in the

587  
00:29:39,079 --> 00:29:45,288  
meadow at the back of our house lit up

588  
00:29:41,569 --> 00:29:47,928  
our rooms with this intense light I went

589  
00:29:45,288 --> 00:29:50,868  
under the bedclothes and my brother who

590  
00:29:47,929 --> 00:29:52,700  
was very brave looked at the window and

591  
00:29:50,868 --> 00:29:58,759  
said oh this you are so landed in the

592  
00:29:52,700 --> 00:30:00,769  
ethereal and from then on I had a

593  
00:29:58,759 --> 00:30:03,798  
variety of experiences which are now

594  
00:30:00,769 --> 00:30:05,808  
classified as the you know out-of-body

595  
00:30:03,798 --> 00:30:09,579  
experiences which could really be

596  
00:30:05,808 --> 00:30:13,548  
classified as taking return yes really

597  
00:30:09,579 --> 00:30:17,058  
indeed no can we ask a question about

598  
00:30:13,548 --> 00:30:20,960  
those catch-and-release experiences

599

00:30:17,058 --> 00:30:23,960  
because I have had some you know alien

600  
00:30:20,960 --> 00:30:28,179  
experiences myself and where did you

601  
00:30:23,960 --> 00:30:32,450  
find that you had any paralysis at the

602  
00:30:28,179 --> 00:30:35,028  
start of an experience no because of

603  
00:30:32,450 --> 00:30:38,028  
mine my expenses were just pushed into

604  
00:30:35,028 --> 00:30:41,329  
the back of my mind and didn't remember

605  
00:30:38,028 --> 00:30:43,190  
a huge amount about them until actually

606  
00:30:41,329 --> 00:30:45,168  
I was a parramatta woman who'd had

607  
00:30:43,190 --> 00:30:48,679  
similar experiences and that woke up

608  
00:30:45,169 --> 00:30:52,249  
this dear what have I been experiencing

609  
00:30:48,679 --> 00:30:53,629  
all these years so that was at that

610  
00:30:52,249 --> 00:30:55,700  
point where I started paying some

611  
00:30:53,628 --> 00:30:56,819  
serious attention to it but I really

612  
00:30:55,700 --> 00:31:03,269  
didn't have that

613  
00:30:56,819 --> 00:31:05,609

versus it varied from one point when

614

00:31:03,269 --> 00:31:08,849

actually when I was at Princeton and in

615

00:31:05,609 --> 00:31:11,099

the night I woke up didn't open my eyes

616

00:31:08,849 --> 00:31:15,230

I realized there were two beings by my

617

00:31:11,099 --> 00:31:17,638

bed and I put out my hand tentatively

618

00:31:15,230 --> 00:31:20,788

around the waist of one and going oh

619

00:31:17,638 --> 00:31:22,258

interesting and they were making a noise

620

00:31:20,788 --> 00:31:25,619

or one of them was making a noise I

621

00:31:22,259 --> 00:31:30,360

could I called it a Twitter piping I

622

00:31:25,619 --> 00:31:32,908

think it was panicking oh they were I

623

00:31:30,359 --> 00:31:36,449

was because I was actually touching them

624

00:31:32,909 --> 00:31:40,740

so I brought my arm back and said hey

625

00:31:36,450 --> 00:31:43,679

you know I mean to upset you or harm you

626

00:31:40,740 --> 00:31:45,870

and that was it I didn't remember

627

00:31:43,679 --> 00:31:52,080

anymore till the morning but I woke up

628  
00:31:45,869 --> 00:31:55,048  
going wow you are braver than I am you

629  
00:31:52,079 --> 00:31:57,928  
know in your voices from the cosmos you

630  
00:31:55,048 --> 00:32:01,230  
identify a number of different races of

631  
00:31:57,929 --> 00:32:06,288  
aliens that are have visited the earth

632  
00:32:01,230 --> 00:32:10,230  
or interested in the earth and in my

633  
00:32:06,288 --> 00:32:14,429  
late teens well into my 20s I had a

634  
00:32:10,230 --> 00:32:19,230  
number of experiences with a being that

635  
00:32:14,429 --> 00:32:22,230  
would be classified as a the tall Nordic

636  
00:32:19,230 --> 00:32:25,139  
blond but at the time I didn't know it

637  
00:32:22,230 --> 00:32:28,470  
and one day I was reading a magazine

638  
00:32:25,138 --> 00:32:30,808  
which I had purchased in Manhattan at

639  
00:32:28,470 --> 00:32:32,278  
the the virgin book store which is no

640  
00:32:30,808 --> 00:32:35,788  
longer there were run by the Virgin

641  
00:32:32,278 --> 00:32:38,849  
Airlines fellow and I purchased a

642  
00:32:35,788 --> 00:32:40,648  
magazine and psychic phenomena type of

643  
00:32:38,849 --> 00:32:42,928  
magazine and in the back there were

644  
00:32:40,648 --> 00:32:45,449  
listing I believe of five different

645  
00:32:42,929 --> 00:32:47,460  
alien types and I was kind of you know

646  
00:32:45,450 --> 00:32:50,788  
just kind of generally interested and I

647  
00:32:47,460 --> 00:32:54,149  
must have been about you know in my late

648  
00:32:50,788 --> 00:32:57,148  
20s at the time and all of a sudden my

649  
00:32:54,148 --> 00:33:00,719  
eyes grew wide because they were talking

650  
00:32:57,148 --> 00:33:03,839  
about this Nordic alien type Nordic

651  
00:33:00,720 --> 00:33:07,740  
blonde alien large you know basically

652  
00:33:03,839 --> 00:33:09,480  
six and a half seven and a half feet you

653  
00:33:07,740 --> 00:33:11,669  
know being

654  
00:33:09,480 --> 00:33:14,490  
and all of a sudden I realized that

655  
00:33:11,669 --> 00:33:16,830  
other people had seen what I had seen

656

00:33:14,490 --> 00:33:20,250  
which I was totally unaware of at the

657  
00:33:16,829 --> 00:33:24,449  
time I was you know I thought about UFOs

658  
00:33:20,250 --> 00:33:26,730  
as a as a teenager and so forth but had

659  
00:33:24,450 --> 00:33:29,759  
no concept that anybody had seen the

660  
00:33:26,730 --> 00:33:32,250  
type of alien that I had seen I know the

661  
00:33:29,759 --> 00:33:35,609  
question I want to ask you is that the

662  
00:33:32,250 --> 00:33:38,490  
second type of a being that I saw that I

663  
00:33:35,609 --> 00:33:41,789  
believe was an alien whether the small

664  
00:33:38,490 --> 00:33:44,450  
metal beings I saw when I was a little

665  
00:33:41,789 --> 00:33:48,029  
child who used to come and play with me

666  
00:33:44,450 --> 00:33:49,950  
are they in your book at all would you

667  
00:33:48,029 --> 00:33:52,769  
classify them as a particular type of

668  
00:33:49,950 --> 00:33:55,769  
you had any contact they're not greys

669  
00:33:52,769 --> 00:33:59,668  
they're like metal they're made of metal

670  
00:33:55,769 --> 00:34:02,269

almost I haven't had experience of them

671

00:33:59,669 --> 00:34:06,630

and I didn't contact them during the

672

00:34:02,269 --> 00:34:09,539

interviews that we did ok so I I have

673

00:34:06,630 --> 00:34:12,780

heard of them before from others but I

674

00:34:09,539 --> 00:34:15,329

have not counted it no experience I

675

00:34:12,780 --> 00:34:18,179

wonder that was a gentleman on a

676

00:34:15,329 --> 00:34:20,159

different show at one point who spoke

677

00:34:18,179 --> 00:34:24,119

about his childhood in having seen

678

00:34:20,159 --> 00:34:27,119

similar beings at that time when he was

679

00:34:24,119 --> 00:34:30,960

a child and I wonder if they might be

680

00:34:27,119 --> 00:34:36,409

sort of nannies like robot nan he's

681

00:34:30,960 --> 00:34:37,970

better sent by by some of these other

682

00:34:36,409 --> 00:34:41,940

interdimensional or extraterrestrial

683

00:34:37,969 --> 00:34:45,329

beings to be with earth children at

684

00:34:41,940 --> 00:34:48,809

times possibly and of course they in

685  
00:34:45,329 --> 00:34:51,750  
Russia that time piranhas they had at

686  
00:34:48,809 --> 00:34:56,480  
all metallic being seen in one of the

687  
00:34:51,750 --> 00:34:59,389  
parks so there have been other metallic

688  
00:34:56,480 --> 00:35:04,099  
Heights you know seen in various times

689  
00:34:59,389 --> 00:35:07,559  
yeah Kate what about the down in down in

690  
00:35:04,099 --> 00:35:11,489  
in it was it West Virginia you had a

691  
00:35:07,559 --> 00:35:14,279  
fellow on a number of times with the the

692  
00:35:11,489 --> 00:35:16,409  
the monster of Braxton County

693  
00:35:14,280 --> 00:35:20,820  
Braxton quite woods monster flatwoods

694  
00:35:16,409 --> 00:35:23,239  
monster yes which was a big flap of UFO

695  
00:35:20,820 --> 00:35:26,750  
sightings west of

696  
00:35:23,239 --> 00:35:28,699  
of the nation's capital Frank Hoshino

697  
00:35:26,750 --> 00:35:33,079  
because you know yeah Frank Ficino

698  
00:35:28,699 --> 00:35:35,569  
that they were metal also Wow well they

699  
00:35:33,079 --> 00:35:38,599  
were sort of partially metal they felt

700  
00:35:35,570 --> 00:35:40,340  
felt that there was a crash and that

701  
00:35:38,599 --> 00:35:43,670  
that was an escape pod

702  
00:35:40,340 --> 00:35:46,010  
and so the pod was what was seen as

703  
00:35:43,670 --> 00:35:49,730  
metallic where it almost sounds like

704  
00:35:46,010 --> 00:35:52,070  
they was like a see-through bubble on

705  
00:35:49,730 --> 00:35:53,990  
the top if you will yeah and that's

706  
00:35:52,070 --> 00:35:57,080  
where the being was coming out but

707  
00:35:53,989 --> 00:36:00,618  
certainly it really frightened people

708  
00:35:57,079 --> 00:36:02,630  
who ran into it and sure and Frank has

709  
00:36:00,619 --> 00:36:04,820  
just done a tremendous amount of

710  
00:36:02,630 --> 00:36:09,079  
research on that and in his book the

711  
00:36:04,820 --> 00:36:14,500  
monster owns excuse me the flatwoods

712  
00:36:09,079 --> 00:36:19,150  
monster or the rats again Braxton County

713

00:36:14,500 --> 00:36:22,730  
you know what he did was he collected a

714  
00:36:19,150 --> 00:36:24,920  
gazillion reports of saucer sightings at

715  
00:36:22,730 --> 00:36:27,889  
the time and traced them all back to a

716  
00:36:24,920 --> 00:36:30,950  
huge mothership over the Atlantic that

717  
00:36:27,889 --> 00:36:34,339  
then sent out these fleets of ships and

718  
00:36:30,949 --> 00:36:39,409  
it had to do in 1952 with the sightings

719  
00:36:34,340 --> 00:36:41,990  
over DC and the US Air Force of just

720  
00:36:39,409 --> 00:36:43,909  
developed E or the US Navy I believe I

721  
00:36:41,989 --> 00:36:46,279  
just developed a fighter jet that could

722  
00:36:43,909 --> 00:36:48,289  
actually shoot them down which is

723  
00:36:46,280 --> 00:36:50,540  
another title of his book shoot them

724  
00:36:48,289 --> 00:36:55,730  
down but as ferocious said we're talking

725  
00:36:50,539 --> 00:36:58,070  
to you so what are your feeling of this

726  
00:36:55,730 --> 00:36:59,960  
about aliens in general it just

727  
00:36:58,070 --> 00:37:03,430

are they here out of curiosity out of

728

00:36:59,960 --> 00:37:06,050

what we might do if as if we developed

729

00:37:03,429 --> 00:37:09,440

abilities to travel to other worlds and

730

00:37:06,050 --> 00:37:12,160

in a acceptable period of time we would

731

00:37:09,440 --> 00:37:14,840

go more out of curiosity than anything

732

00:37:12,159 --> 00:37:17,629

is that about their reason for

733

00:37:14,840 --> 00:37:22,630

contacting you and other humans or do

734

00:37:17,630 --> 00:37:25,190

they have born nefarious schemes what I

735

00:37:22,630 --> 00:37:28,730

got from the interviews which was me

736

00:37:25,190 --> 00:37:33,139

contacting them contacting me know can I

737

00:37:28,730 --> 00:37:36,139

did it as a project for a client was

738

00:37:33,139 --> 00:37:36,989

that the consensus was they they had

739

00:37:36,139 --> 00:37:39,118

been here long

740

00:37:36,989 --> 00:37:42,149

for us and they were going to be here

741

00:37:39,119 --> 00:37:45,600

long after us and they'd always visited

742  
00:37:42,150 --> 00:37:48,930  
the earth and we consider themselves as

743  
00:37:45,599 --> 00:37:53,118  
co inhabitants of the earth huh ultra

744  
00:37:48,929 --> 00:37:56,789  
terrestrials if you will and some are

745  
00:37:53,119 --> 00:37:59,550  
visit periodically and there are races

746  
00:37:56,789 --> 00:38:04,170  
that came through in the interviews that

747  
00:37:59,550 --> 00:38:06,269  
are actually earth resident and but not

748  
00:38:04,170 --> 00:38:09,840  
very many of them you know better but

749  
00:38:06,269 --> 00:38:11,699  
the majority are visiting traveling

750  
00:38:09,840 --> 00:38:13,890  
through getting resources they

751  
00:38:11,699 --> 00:38:19,859  
considered the earth is a shared

752  
00:38:13,889 --> 00:38:22,440  
resource but not their home only to some

753  
00:38:19,860 --> 00:38:26,730  
of the ones who who decided to stay here

754  
00:38:22,440 --> 00:38:30,750  
Oh have you read Charles Hall's books

755  
00:38:26,730 --> 00:38:34,110  
about the tall whites out at Indian

756  
00:38:30,750 --> 00:38:37,170  
Springs no I was unaware of it now

757  
00:38:34,110 --> 00:38:43,440  
you're saying Charles Hall H ALL mantra

758  
00:38:37,170 --> 00:38:47,210  
hold of me oh okay because we also have

759  
00:38:43,440 --> 00:38:51,659  
Charles halt who was a big player at

760  
00:38:47,210 --> 00:38:55,800  
Bentwaters event in in Great Britain yes

761  
00:38:51,659 --> 00:38:57,480  
no no he'd written millennial I forget

762  
00:38:55,800 --> 00:38:59,910  
the actual name Tiger he wrote five

763  
00:38:57,480 --> 00:39:01,920  
books about how when he was an airman he

764  
00:38:59,909 --> 00:39:05,670  
was stationed out it Indian Springs

765  
00:39:01,920 --> 00:39:08,280  
which is now creature forces and his

766  
00:39:05,670 --> 00:39:11,750  
encounters there with groups of tall

767  
00:39:08,280 --> 00:39:14,880  
whites were kind of resident out there

768  
00:39:11,750 --> 00:39:18,119  
and and this this comes to a question I

769  
00:39:14,880 --> 00:39:21,150  
was about to ask you if you what your

770

00:39:18,119 --> 00:39:27,710  
encounters have been with any physical

771  
00:39:21,150 --> 00:39:34,550  
aliens or just basically like a few

772  
00:39:27,710 --> 00:39:34,550  
alright I'm sorry for the parts here

773  
00:39:34,909 --> 00:39:42,000  
okay they're doing a little

774  
00:39:36,989 --> 00:39:45,539  
communication of their own but is there

775  
00:39:42,000 --> 00:39:47,550  
like all of you will an or a planet

776  
00:39:45,539 --> 00:39:49,639  
somewhere like where all these races

777  
00:39:47,550 --> 00:39:52,579  
came from is there a starting point

778  
00:39:49,639 --> 00:39:55,518  
somewhere way back what do you think

779  
00:39:52,579 --> 00:39:58,339  
about the compact just the Milky Way

780  
00:39:55,518 --> 00:40:01,548  
doesn't it begin I mean its immense I

781  
00:39:58,338 --> 00:40:04,159  
hope and then that Milky Way has to be

782  
00:40:01,548 --> 00:40:05,599  
included in something else mm-hmm and

783  
00:40:04,159 --> 00:40:06,259  
that has to be included in something

784  
00:40:05,599 --> 00:40:09,619

else

785

00:40:06,260 --> 00:40:12,650  
mm-hmm you know it boggles the mind you

786

00:40:09,619 --> 00:40:14,150  
know so you know we were kind of

787

00:40:12,650 --> 00:40:16,789  
arrogant to think we're the only

788

00:40:14,150 --> 00:40:19,490  
intelligence oh yes there's a lot of

789

00:40:16,789 --> 00:40:22,640  
arrogance yeah one of the grades had

790

00:40:19,489 --> 00:40:25,308  
said there are as many races out there

791

00:40:22,639 --> 00:40:27,318  
are stars in the sky what just

792

00:40:25,309 --> 00:40:30,349  
statistically that has that will prove

793

00:40:27,318 --> 00:40:32,528  
to be true eventually but but is there

794

00:40:30,349 --> 00:40:40,119  
one race that claims that they were the

795

00:40:32,528 --> 00:40:45,170  
progenitors of them all the Anunnaki

796

00:40:40,119 --> 00:40:48,039  
claimed some some credit for that but

797

00:40:45,170 --> 00:40:52,329  
not in the way that was written about

798

00:40:48,039 --> 00:40:55,970  
you know in some of the literature so

799  
00:40:52,329 --> 00:41:00,859  
you know they it's become over the years

800  
00:40:55,969 --> 00:41:03,259  
you know matters of interpretation and

801  
00:41:00,858 --> 00:41:06,078  
understanding and what they said was

802  
00:41:03,259 --> 00:41:09,469  
they the Anunnaki said well yes we know

803  
00:41:06,079 --> 00:41:12,230  
that humans were our children there's

804  
00:41:09,469 --> 00:41:14,149  
all these stories by such in that we

805  
00:41:12,230 --> 00:41:17,000  
were the slaves the original slaves of

806  
00:41:14,150 --> 00:41:20,210  
the Anunnaki you know going down mining

807  
00:41:17,000 --> 00:41:23,000  
gold for them in Africa oh yeah yeah but

808  
00:41:20,210 --> 00:41:25,490  
the Anunnaki that I contacted and

809  
00:41:23,000 --> 00:41:27,679  
interviewed said now that was just a

810  
00:41:25,489 --> 00:41:32,649  
matter of misunderstanding that the

811  
00:41:27,679 --> 00:41:32,649  
human human race was their children

812  
00:41:33,278 --> 00:41:37,579  
because you feel like every cell I don't

813  
00:41:35,900 --> 00:41:39,289  
know you know like as a human you think

814  
00:41:37,579 --> 00:41:41,180  
that everything has a beginning you

815  
00:41:39,289 --> 00:41:42,920  
think of the big bang and all but that

816  
00:41:41,179 --> 00:41:46,149  
that really hasn't been proven either

817  
00:41:42,920 --> 00:41:52,430  
it's just been it's been speculated

818  
00:41:46,150 --> 00:41:54,980  
that's the way it is I'm sorry the the

819  
00:41:52,429 --> 00:42:01,358  
part that you know really struck home

820  
00:41:54,980 --> 00:42:04,480  
with me is the arrogance of humanity

821  
00:42:01,358 --> 00:42:06,969  
I sort of believe that it's because of

822  
00:42:04,480 --> 00:42:09,969  
the arrogance of many human beings

823  
00:42:06,969 --> 00:42:12,429  
thinking that they are you know one step

824  
00:42:09,969 --> 00:42:14,858  
away from God they were created in God's

825  
00:42:12,429 --> 00:42:17,078  
likeness and and all of that stuff

826  
00:42:14,858 --> 00:42:18,909  
meaning that there's you know there's

827

00:42:17,079 --> 00:42:21,249  
there's the Supreme Being there might be

828  
00:42:18,909 --> 00:42:22,179  
a few angels floating around and then

829  
00:42:21,248 --> 00:42:25,808  
there's us

830  
00:42:22,179 --> 00:42:29,528  
you know there are us the angry Apes

831  
00:42:25,809 --> 00:42:31,420  
with guns the supreme beings and I think

832  
00:42:29,528 --> 00:42:36,239  
it's incredibly arrogant and I also

833  
00:42:31,420 --> 00:42:36,239  
think that it is part of the reason that

834  
00:42:36,268 --> 00:42:42,939  
humanity by and large has not accepted

835  
00:42:39,838 --> 00:42:45,400  
the extra-terrestrial or the ultra

836  
00:42:42,940 --> 00:42:49,539  
terrestrial presence what would you say

837  
00:42:45,400 --> 00:42:51,789  
about that I think you're correct we are

838  
00:42:49,539 --> 00:42:56,099  
I mean even though we are an arrogant

839  
00:42:51,789 --> 00:42:59,019  
aggressive species we are humans are

840  
00:42:56,099 --> 00:43:01,809  
wonderfully amazing we as a species are

841  
00:42:59,018 --> 00:43:05,348

wonderfully amazing and that was

842

00:43:01,809 --> 00:43:07,150

acknowledged by the alien races that I

843

00:43:05,349 --> 00:43:09,818

interviewed except that they kept saying

844

00:43:07,150 --> 00:43:12,160

humans are limited humans are limited

845

00:43:09,818 --> 00:43:14,588

not in the respect that we never have

846

00:43:12,159 --> 00:43:19,420

any potential to develop but we haven't

847

00:43:14,588 --> 00:43:23,288

developed that potential yet well it's

848

00:43:19,420 --> 00:43:26,650

that sort of that makes sense because

849

00:43:23,289 --> 00:43:28,839

you know you have tribes that have not

850

00:43:26,650 --> 00:43:31,180

been exposed to today's civilizations

851

00:43:28,838 --> 00:43:33,578

technology and so on and their children

852

00:43:31,179 --> 00:43:37,748

brought here rapidly adjust to it and

853

00:43:33,579 --> 00:43:40,269

come along and so I think one of the

854

00:43:37,748 --> 00:43:42,248

fears that it seems from what I've heard

855

00:43:40,268 --> 00:43:44,469

from various reports from people

856  
00:43:42,248 --> 00:43:47,048  
contacts with aliens is they're afraid

857  
00:43:44,469 --> 00:43:49,929  
to give us too much at one time that we

858  
00:43:47,048 --> 00:43:53,199  
would not adjust to it we could but it

859  
00:43:49,929 --> 00:43:56,518  
would be too much too soon so I don't

860  
00:43:53,199 --> 00:43:59,798  
know yeah there's a great idea that

861  
00:43:56,518 --> 00:44:02,858  
society is being acclimated to the

862  
00:43:59,798 --> 00:44:07,389  
concept of an alien presence you know

863  
00:44:02,858 --> 00:44:11,380  
with the movies and books and leaks that

864  
00:44:07,389 --> 00:44:15,159  
come out Android and I think currently

865  
00:44:11,380 --> 00:44:18,309  
in our our you know 2015

866  
00:44:15,159 --> 00:44:20,079  
I think that it would be okay if the

867  
00:44:18,309 --> 00:44:22,000  
truth came out

868  
00:44:20,079 --> 00:44:24,099  
the powers-that-be would probably have

869  
00:44:22,000 --> 00:44:27,460  
some egg on their face for not having

870  
00:44:24,099 --> 00:44:29,199  
dealt with it or not admitted it but I'm

871  
00:44:27,460 --> 00:44:30,010  
sure there would be some spin to cover

872  
00:44:29,199 --> 00:44:33,989  
that up

873  
00:44:30,010 --> 00:44:33,990  
they have enough egg on their face now

874  
00:44:35,579 --> 00:44:43,019  
you are referencing perhaps Colonel

875  
00:44:39,519 --> 00:44:46,840  
Alexander and his you know sort of

876  
00:44:43,019 --> 00:44:49,230  
admissions of the in his book about the

877  
00:44:46,840 --> 00:44:52,240  
different ways that the government has

878  
00:44:49,230 --> 00:44:55,000  
acknowledged the the alien presence and

879  
00:44:52,239 --> 00:44:58,269  
maybe people like I guess it was Bob M

880  
00:44:55,000 --> 00:45:01,889  
and Eggert down in Southern California

881  
00:44:58,269 --> 00:45:05,860  
who was contacted by the government to

882  
00:45:01,889 --> 00:45:07,569  
make a film about the possible alien

883  
00:45:05,860 --> 00:45:09,880  
presence or something like that and then

884

00:45:07,570 --> 00:45:11,800  
it was shown by Disney once and never

885  
00:45:09,880 --> 00:45:15,579  
shown again is that the kind of thing

886  
00:45:11,800 --> 00:45:19,330  
that you're referencing I think so I've

887  
00:45:15,579 --> 00:45:22,659  
been on the fringes of the the USO field

888  
00:45:19,329 --> 00:45:26,259  
for many years not been a known name in

889  
00:45:22,659 --> 00:45:29,079  
it and so been privy to a lot of

890  
00:45:26,260 --> 00:45:33,150  
information that you know I've kept my

891  
00:45:29,079 --> 00:45:37,090  
ear to the ground and there's an ongoing

892  
00:45:33,150 --> 00:45:39,970  
thought currently is that disclosure has

893  
00:45:37,090 --> 00:45:42,850  
already been made yeah it's just a

894  
00:45:39,969 --> 00:45:46,059  
matter now of you know acknowledging it

895  
00:45:42,849 --> 00:45:49,269  
and making it happen

896  
00:45:46,059 --> 00:45:54,070  
yeah that seems to be the current

897  
00:45:49,269 --> 00:45:58,389  
thought yeah I've written on my blog a

898  
00:45:54,070 --> 00:46:01,870

little bit in that direction about how

899

00:45:58,389 --> 00:46:06,730

it was sort of seeing fossils that came

900

00:46:01,869 --> 00:46:11,799

from Mars and investigating the the

901

00:46:06,730 --> 00:46:14,590

comets for possible life and the

902

00:46:11,800 --> 00:46:17,289

panspermia theory of Chandra

903

00:46:14,590 --> 00:46:19,780

Wickramasinghe and and so forth being

904

00:46:17,289 --> 00:46:22,349

like the beginnings of disclosure by

905

00:46:19,780 --> 00:46:25,090

saying oh look there's little germs

906

00:46:22,349 --> 00:46:26,289

living on the far side of the Moon or

907

00:46:25,090 --> 00:46:27,099

something of that nature

908

00:46:26,289 --> 00:46:29,219

so

909

00:46:27,099 --> 00:46:32,680

you know break it to them gently

910

00:46:29,219 --> 00:46:35,798

approach right and new information to

911

00:46:32,679 --> 00:46:39,489

leaks all the time like I recently read

912

00:46:35,798 --> 00:46:41,949

from someone else that NASA has now just

913  
00:46:39,489 --> 00:46:46,838  
put out some photos that show actually

914  
00:46:41,949 --> 00:46:50,949  
blue pools blue areas that might contain

915  
00:46:46,838 --> 00:46:53,078  
water if I've always thought if the Miss

916  
00:46:50,949 --> 00:46:57,699  
Mars is missing

917  
00:46:53,079 --> 00:46:59,048  
Mars not Moon and Mars is rusty red then

918  
00:46:57,699 --> 00:47:01,419  
at one time there must have been water

919  
00:46:59,048 --> 00:47:03,969  
they must have been oxygen right because

920  
00:47:01,420 --> 00:47:07,358  
the iron in the rocks rusts out with

921  
00:47:03,969 --> 00:47:11,048  
water and oxygen is there still water

922  
00:47:07,358 --> 00:47:14,969  
and oxygen there and so now there been

923  
00:47:11,048 --> 00:47:18,219  
these these new leaks now of some actual

924  
00:47:14,969 --> 00:47:21,639  
possibilities of water being on Mars and

925  
00:47:18,219 --> 00:47:24,038  
and certainly below the surface it is an

926  
00:47:21,639 --> 00:47:26,078  
indication that there's water below the

927  
00:47:24,039 --> 00:47:28,720  
surface what do you think of a Buzz

928  
00:47:26,079 --> 00:47:32,710  
Aldrin trying to send some people to

929  
00:47:28,719 --> 00:47:37,379  
Mars for a one-way trip yeah and this I

930  
00:47:32,710 --> 00:47:40,539  
think is being orchestrated partly by

931  
00:47:37,380 --> 00:47:43,028  
Robert Bigelow here in North Las Vegas

932  
00:47:40,539 --> 00:47:47,289  
he has a huge complex out there in North

933  
00:47:43,028 --> 00:47:49,210  
Las Vegas building inflatable pods to go

934  
00:47:47,289 --> 00:47:51,369  
up into space and actually he has

935  
00:47:49,210 --> 00:47:54,190  
launched them already and there was a

936  
00:47:51,369 --> 00:47:55,749  
plan to attach one to the International

937  
00:47:54,190 --> 00:47:59,380  
Space Station I don't know if that's

938  
00:47:55,748 --> 00:48:01,358  
occurred yet and he wants to put these

939  
00:47:59,380 --> 00:48:05,440  
in rotation around the moon and around

940  
00:48:01,358 --> 00:48:07,808  
the earth as sort of floating hotels Wow

941

00:48:05,440 --> 00:48:12,249  
and I heard recently on the grapevine

942  
00:48:07,809 --> 00:48:14,769  
that he had hired astronauts in Las

943  
00:48:12,248 --> 00:48:17,618  
Vegas that were going to be trained

944  
00:48:14,768 --> 00:48:19,778  
you know perhaps for a Mars mission Wow

945  
00:48:17,619 --> 00:48:23,019  
that is fascinating have you been out to

946  
00:48:19,778 --> 00:48:25,690  
the ranch mm-hmm which records the

947  
00:48:23,018 --> 00:48:28,058  
skinwalker ranch no no I have not she

948  
00:48:25,690 --> 00:48:31,088  
been there physically our group did some

949  
00:48:28,059 --> 00:48:35,259  
remote viewing for George Knapp and that

950  
00:48:31,088 --> 00:48:36,969  
was included in their book the search

951  
00:48:35,259 --> 00:48:38,440  
for the skinwalker is something that

952  
00:48:36,969 --> 00:48:39,380  
it's something of that nature

953  
00:48:38,440 --> 00:48:43,278  
what were you

954  
00:48:39,380 --> 00:48:45,170  
because that's a freaky place what we

955  
00:48:43,278 --> 00:48:48,349

found was that there was a lot there was

956

00:48:45,170 --> 00:48:52,970

military activity there was a lot of

957

00:48:48,349 --> 00:48:54,500

stuff underground there was a normal is

958

00:48:52,969 --> 00:48:56,568

lights in the sky their Christmas was

959

00:48:54,500 --> 00:48:58,789

from remote viewers who were given

960

00:48:56,568 --> 00:49:00,710

what's called blind targets they didn't

961

00:48:58,789 --> 00:49:04,789

know what they were viewing they would

962

00:49:00,710 --> 00:49:07,429

just receive an alphanumeric code word

963

00:49:04,789 --> 00:49:09,650

code number for the what they were

964

00:49:07,429 --> 00:49:11,568

viewing so there was and that

965

00:49:09,650 --> 00:49:14,869

information is actually in the search

966

00:49:11,568 --> 00:49:16,909

for the skinwalker it's in the chapter

967

00:49:14,869 --> 00:49:20,000

coordinate the military you know I've

968

00:49:16,909 --> 00:49:21,980

read it and I I must have blanked on

969

00:49:20,000 --> 00:49:24,018

that part as you can hear on the bonnet

970  
00:49:21,980 --> 00:49:28,909  
yeah drama Chronicles viewing is in

971  
00:49:24,018 --> 00:49:31,159  
there too so I'm mr. piccolo have you

972  
00:49:28,909 --> 00:49:32,659  
ever met him personally well I worked

973  
00:49:31,159 --> 00:49:35,179  
for him for a couple of years when I

974  
00:49:32,659 --> 00:49:38,108  
first came to Las Vegas but did you meet

975  
00:49:35,179 --> 00:49:41,328  
him oh yes oh okay all right thank you

976  
00:49:38,108 --> 00:49:43,338  
okay because so many people mention him

977  
00:49:41,329 --> 00:49:48,859  
but then they say no I've never met him

978  
00:49:43,338 --> 00:49:51,318  
so I was glad to know he does exist on a

979  
00:49:48,858 --> 00:49:54,170  
daily basis okay all right I was there

980  
00:49:51,318 --> 00:50:00,108  
yeah so he's done some very interesting

981  
00:49:54,170 --> 00:50:02,990  
research I think he seems to have almost

982  
00:50:00,108 --> 00:50:05,239  
two interest one financial and one pure

983  
00:50:02,989 --> 00:50:07,308  
research is that about the way you'd sum

984  
00:50:05,239 --> 00:50:11,689  
it up what he started off with the

985  
00:50:07,309 --> 00:50:14,809  
financial you know hotels motel right he

986  
00:50:11,690 --> 00:50:18,170  
would buy up either you know some land

987  
00:50:14,809 --> 00:50:20,089  
or a motel hotel that was going under

988  
00:50:18,170 --> 00:50:23,690  
and put up some throw some money at it

989  
00:50:20,088 --> 00:50:27,528  
and gradually over the years built up

990  
00:50:23,690 --> 00:50:31,880  
quite an investment in hotels and motels

991  
00:50:27,528 --> 00:50:34,369  
over several states so that gave him

992  
00:50:31,880 --> 00:50:36,259  
resources then to go off and do

993  
00:50:34,369 --> 00:50:38,990  
something that he really enjoyed which

994  
00:50:36,259 --> 00:50:41,150  
was the first of all it was the UFO

995  
00:50:38,989 --> 00:50:43,788  
field he was very interested in now he's

996  
00:50:41,150 --> 00:50:46,639  
gone into aerospace and I'm so happy for

997  
00:50:43,789 --> 00:50:49,819  
him that he's really found a niche where

998

00:50:46,639 --> 00:50:50,838  
he can really apply all of his funding

999  
00:50:49,818 --> 00:50:53,150  
and his interest

1000  
00:50:50,838 --> 00:50:56,298  
quite a fascinating gentleman he

1001  
00:50:53,150 --> 00:51:00,068  
was involved with MUFON for a while and

1002  
00:50:56,298 --> 00:51:03,139  
he supplied the star team with a lot of

1003  
00:51:00,068 --> 00:51:05,538  
interesting and good equipment I would

1004  
00:51:03,139 --> 00:51:08,989  
dearly love to get my hands on a pair of

1005  
00:51:05,539 --> 00:51:11,960  
those fifth-generation night-vision

1006  
00:51:08,989 --> 00:51:16,759  
goggles and binoculars but I think

1007  
00:51:11,960 --> 00:51:18,349  
they're out of my league he's been

1008  
00:51:16,760 --> 00:51:21,950  
involved with many groups and

1009  
00:51:18,349 --> 00:51:26,210  
organizations seeing as though he's very

1010  
00:51:21,949 --> 00:51:28,699  
mercurial you know and he's very much a

1011  
00:51:26,210 --> 00:51:32,389  
man of his own ideas and his own timing

1012  
00:51:28,699 --> 00:51:34,460

and if it doesn't match you know then

1013

00:51:32,389 --> 00:51:36,170

he's off on to something else so it's

1014

00:51:34,460 --> 00:51:38,690

why I said I'm very glad now that he's

1015

00:51:36,170 --> 00:51:41,240

found something that really captures all

1016

00:51:38,690 --> 00:51:45,440

his interest have you been involved

1017

00:51:41,239 --> 00:51:48,169

recently in any remote viewing projects

1018

00:51:45,440 --> 00:51:51,230

the of a commercial sort or a police

1019

00:51:48,170 --> 00:51:53,740

matter sort recently oh all the time I

1020

00:51:51,230 --> 00:51:58,369

never know what's coming across my desk

1021

00:51:53,739 --> 00:52:01,068

yeah up until 2012 I was working mainly

1022

00:51:58,369 --> 00:52:04,490

for one businessman I worked with him

1023

00:52:01,068 --> 00:52:07,219

for nine years and we did a lot of

1024

00:52:04,489 --> 00:52:09,828

business type remote viewing including

1025

00:52:07,219 --> 00:52:12,348

going off target sometimes I'm doing

1026

00:52:09,829 --> 00:52:18,109

like the alien interviews and some work

1027  
00:52:12,349 --> 00:52:21,769  
on the Egyptian historical artifact but

1028  
00:52:18,108 --> 00:52:24,170  
then you know I'm currently writing up a

1029  
00:52:21,769 --> 00:52:27,259  
book 30 years of remote viewing cases

1030  
00:52:24,170 --> 00:52:30,200  
cool and I'm hired all the time for

1031  
00:52:27,260 --> 00:52:31,910  
different projects ranging from looking

1032  
00:52:30,199 --> 00:52:33,318  
yeah by physicists working with

1033  
00:52:31,909 --> 00:52:36,318  
physicists looking at subatomic

1034  
00:52:33,318 --> 00:52:39,349  
particles all the way up to the rings of

1035  
00:52:36,318 --> 00:52:41,058  
Saturn and exhale biology stuff

1036  
00:52:39,349 --> 00:52:42,920  
yes that's fascinating really

1037  
00:52:41,059 --> 00:52:44,960  
fascinating how when you mentioned the

1038  
00:52:42,920 --> 00:52:48,260  
Egyptian stuff were you working with

1039  
00:52:44,960 --> 00:52:50,210  
Stephen Schwartz no no these are some

1040  
00:52:48,260 --> 00:52:53,450  
questions that my client had about the

1041  
00:52:50,210 --> 00:52:56,750  
Sphinx ah and the history of the Sphinx

1042  
00:52:53,449 --> 00:52:58,699  
and how did it come about and what were

1043  
00:52:56,750 --> 00:53:03,108  
discovered from looking back with remote

1044  
00:52:58,699 --> 00:53:06,469  
viewing was that the original idea was

1045  
00:53:03,108 --> 00:53:08,539  
of lions that lived in the desert

1046  
00:53:06,469 --> 00:53:10,819  
and they would sit upon these what

1047  
00:53:08,539 --> 00:53:12,500  
record cop geez I think I'm not quite

1048  
00:53:10,820 --> 00:53:16,580  
sure how they're pronounced rocky

1049  
00:53:12,500 --> 00:53:19,190  
outcrops in Hazzard and they became data

1050  
00:53:16,579 --> 00:53:23,199  
deified you know they were worshipped

1051  
00:53:19,190 --> 00:53:25,280  
and because they were very dangerous and

1052  
00:53:23,199 --> 00:53:27,799  
you know they had to be treated with

1053  
00:53:25,280 --> 00:53:31,400  
respect and from that then the whole

1054  
00:53:27,800 --> 00:53:34,490  
lineage of sphinxes came came down to

1055

00:53:31,400 --> 00:53:37,639  
carving of them and that there are many

1056  
00:53:34,489 --> 00:53:39,379  
singers out there in the desert that

1057  
00:53:37,639 --> 00:53:41,839  
have been covered up by sand and they

1058  
00:53:39,380 --> 00:53:44,358  
will eventually be uncovered so I'm just

1059  
00:53:41,840 --> 00:53:46,550  
waiting to hear the news wow that's

1060  
00:53:44,358 --> 00:53:49,400  
that's very exciting have you been to

1061  
00:53:46,550 --> 00:53:51,170  
Egypt I haven't I would love to one day

1062  
00:53:49,400 --> 00:53:52,940  
it's a wonderful place it was a

1063  
00:53:51,170 --> 00:53:55,639  
wonderful place I don't think I'd be

1064  
00:53:52,940 --> 00:53:57,858  
going back in this timeframe but I've

1065  
00:53:55,639 --> 00:54:00,559  
been there quite a few times and have

1066  
00:53:57,858 --> 00:54:02,299  
been to the antiquities and because I go

1067  
00:54:00,559 --> 00:54:05,358  
in search of the energy of ancient

1068  
00:54:02,300 --> 00:54:09,050  
places you know so yeah that was part of

1069  
00:54:05,358 --> 00:54:10,329

all of that I have another question for

1070

00:54:09,050 --> 00:54:14,320

you

1071

00:54:10,329 --> 00:54:18,519

remote viewing versus remote influencing

1072

00:54:14,320 --> 00:54:21,470

what's your take on remote influencing

1073

00:54:18,519 --> 00:54:24,070

they're two sides of the same coin the

1074

00:54:21,469 --> 00:54:27,618

remote influence remote viewing is

1075

00:54:24,070 --> 00:54:29,690

receiving information remote influence

1076

00:54:27,619 --> 00:54:33,500

or remote action is putting out

1077

00:54:29,690 --> 00:54:35,450

information and energy and we do it all

1078

00:54:33,500 --> 00:54:37,969

the time if we're you know putting out

1079

00:54:35,449 --> 00:54:40,419

proba for healing we social pray for you

1080

00:54:37,969 --> 00:54:43,699

or send you energy you're doing remote

1081

00:54:40,420 --> 00:54:45,980

energy remote action or remote influence

1082

00:54:43,699 --> 00:54:49,669

and it has its negative side and its

1083

00:54:45,980 --> 00:54:54,920

positive side the positive side is for

1084  
00:54:49,670 --> 00:54:57,588  
healing for intention for you know all

1085  
00:54:54,920 --> 00:55:01,519  
the positive stuff or the light but

1086  
00:54:57,588 --> 00:55:04,489  
there is a dark side to it and that is

1087  
00:55:01,519 --> 00:55:08,210  
little little known about it but you

1088  
00:55:04,489 --> 00:55:12,139  
know with hexes and hoodoo and people

1089  
00:55:08,210 --> 00:55:13,730  
using it for negative intent so with

1090  
00:55:12,139 --> 00:55:18,379  
everything there's a positive and

1091  
00:55:13,730 --> 00:55:19,889  
negative okay just to get back to

1092  
00:55:18,380 --> 00:55:22,048  
antiquities again

1093  
00:55:19,889 --> 00:55:25,219  
have you ever been asked about Atlantis

1094  
00:55:22,048 --> 00:55:28,079  
that's sort of a old interest of mine

1095  
00:55:25,219 --> 00:55:31,048  
yep I did quite a bit of viewing on that

1096  
00:55:28,079 --> 00:55:32,730  
for my nine year clients my business

1097  
00:55:31,048 --> 00:55:36,059  
client one of the ventures that we

1098  
00:55:32,730 --> 00:55:40,710  
ventured out from business RV for awhile

1099  
00:55:36,059 --> 00:55:45,960  
and he has me remote view individuals

1100  
00:55:40,710 --> 00:55:48,720  
and also the the location and you know

1101  
00:55:45,960 --> 00:55:52,079  
their energy you know that project

1102  
00:55:48,719 --> 00:55:54,209  
energy production so I've got all that

1103  
00:55:52,079 --> 00:56:00,150  
in my files at some point I'll put that

1104  
00:55:54,210 --> 00:56:02,730  
into a book form or a manuscript we had

1105  
00:56:00,150 --> 00:56:07,920  
a guest on the show once that John

1106  
00:56:02,730 --> 00:56:10,858  
Spencer I believe and he actually he

1107  
00:56:07,920 --> 00:56:14,338  
came about it and uh he was a Civil War

1108  
00:56:10,858 --> 00:56:17,219  
buff and a man with some money and sent

1109  
00:56:14,338 --> 00:56:19,440  
and started to photograph the eastern

1110  
00:56:17,219 --> 00:56:22,078  
seaboard the United States to find old

1111  
00:56:19,440 --> 00:56:25,108  
Civil War battlefields and and said

1112

00:56:22,079 --> 00:56:27,798  
instead found a series of piers and

1113  
00:56:25,108 --> 00:56:30,538  
harbors all along the eastern seaboard

1114  
00:56:27,798 --> 00:56:32,639  
and then he followed those through and

1115  
00:56:30,539 --> 00:56:35,460  
without make just making a long story

1116  
00:56:32,639 --> 00:56:39,058  
short I sort of found similar things on

1117  
00:56:35,460 --> 00:56:40,679  
the western seaboard of Europe and felt

1118  
00:56:39,059 --> 00:56:43,769  
that perhaps in between was a

1119  
00:56:40,679 --> 00:56:45,929  
centralized civilization seafaring

1120  
00:56:43,768 --> 00:56:47,969  
civilization that he thought may have

1121  
00:56:45,929 --> 00:56:53,038  
been Atlantis so I was wondering if you

1122  
00:56:47,969 --> 00:56:55,288  
would agree with it I don't know I did

1123  
00:56:53,039 --> 00:56:58,259  
do some fad tried to produce a

1124  
00:56:55,289 --> 00:57:00,750  
fact-finding for my client and ten

1125  
00:56:58,259 --> 00:57:04,588  
pointed a half-dozen areas around the

1126  
00:57:00,750 --> 00:57:06,719

the earth that people speculated you

1127

00:57:04,588 --> 00:57:09,568

know where that lantus was and it's

1128

00:57:06,719 --> 00:57:13,439

really speculation at this point yeah

1129

00:57:09,568 --> 00:57:16,579

and what's interesting is all the P all

1130

00:57:13,440 --> 00:57:21,210

the ancient groups up and down the

1131

00:57:16,579 --> 00:57:24,000

European seaboard there on the west you

1132

00:57:21,210 --> 00:57:25,650

got the count they Celts and Scot

1133

00:57:24,000 --> 00:57:29,969

you know the Gallic up and Scotland the

1134

00:57:25,650 --> 00:57:34,019

Celts and Wales the the Basque the

1135

00:57:29,969 --> 00:57:36,929

Cornish people all spoke a very soon

1136

00:57:34,019 --> 00:57:40,980

unknown language the rest didn't

1137

00:57:36,929 --> 00:57:45,509

understand and there was a speculation

1138

00:57:40,980 --> 00:57:49,320

that it came from a seafaring people so

1139

00:57:45,510 --> 00:57:52,290

there are lots of clumps of locations up

1140

00:57:49,320 --> 00:57:54,269

and down that seaboard that have the

1141  
00:57:52,289 --> 00:57:57,059  
customs and language and the languages

1142  
00:57:54,269 --> 00:58:01,079  
are gradually dying out particularly the

1143  
00:57:57,059 --> 00:58:03,239  
Basque and Cornish but of course the

1144  
00:58:01,079 --> 00:58:09,029  
Gallic and the Welsh are still pretty

1145  
00:58:03,239 --> 00:58:11,849  
strong the last living speaker of Manx

1146  
00:58:09,030 --> 00:58:14,280  
died in the 20th century you know the

1147  
00:58:11,849 --> 00:58:17,730  
first the last person who was born

1148  
00:58:14,280 --> 00:58:19,470  
speaking Manx he died back I don't know

1149  
00:58:17,730 --> 00:58:22,590  
in the 40s or something like that they

1150  
00:58:19,469 --> 00:58:26,009  
still have some preservation of that

1151  
00:58:22,590 --> 00:58:28,110  
language but nobody is any longer born

1152  
00:58:26,010 --> 00:58:30,270  
speaking Manx apparently and I guess

1153  
00:58:28,110 --> 00:58:34,110  
that's one of the languages isn't it yes

1154  
00:58:30,269 --> 00:58:36,750  
yeah languages now whether they came

1155  
00:58:34,110 --> 00:58:39,450  
from Atlantis or some other similar

1156  
00:58:36,750 --> 00:58:42,030  
groups we don't know and and these are

1157  
00:58:39,449 --> 00:58:45,929  
the peoples who have built the stone

1158  
00:58:42,030 --> 00:58:53,490  
circles I've been down the the western

1159  
00:58:45,929 --> 00:58:58,049  
coast of Europe France and well you grew

1160  
00:58:53,489 --> 00:59:00,419  
up near stonehenge too and i was i I did

1161  
00:58:58,050 --> 00:59:03,060  
visit there I didn't get any particular

1162  
00:59:00,420 --> 00:59:05,090  
feelings about it though I you know I'm

1163  
00:59:03,059 --> 00:59:08,219  
sort of a clod when it comes

1164  
00:59:05,090 --> 00:59:09,120  
thanks I thought yeah looks good but

1165  
00:59:08,219 --> 00:59:10,919  
that's about it

1166  
00:59:09,119 --> 00:59:18,869  
I remember the pea soup they were

1167  
00:59:10,920 --> 00:59:22,470  
selling but I'm sorry go ahead

1168  
00:59:18,869 --> 00:59:26,789  
know your interpretation on yeah I got

1169

00:59:22,469 --> 00:59:29,219  
more feelings from Avebury yeah it's a

1170  
00:59:26,789 --> 00:59:31,529  
kid we need my mum and dad used to take

1171  
00:59:29,219 --> 00:59:34,169  
us out to Stonehenge it was not fenced

1172  
00:59:31,530 --> 00:59:36,090  
in at that time it was just open on the

1173  
00:59:34,170 --> 00:59:39,119  
plains and we should go and eat jam

1174  
00:59:36,090 --> 00:59:42,570  
sandwiches and tea and have a picnic

1175  
00:59:39,119 --> 00:59:44,789  
there and play on the stones and you

1176  
00:59:42,570 --> 00:59:46,269  
know get some tea out from a little tea

1177  
00:59:44,789 --> 00:59:49,779  
hat that was there

1178  
00:59:46,269 --> 00:59:52,000  
and so growing up with it there I really

1179  
00:59:49,780 --> 00:59:52,950  
didn't know the significance of it until

1180  
00:59:52,000 --> 00:59:55,389  
I was older

1181  
00:59:52,949 --> 00:59:57,819  
that's marvelous what a marvelous

1182  
00:59:55,389 --> 01:00:01,239  
childhood I've been over a number of

1183  
00:59:57,820 --> 01:00:04,900

times in search of stone circles in and

1184

01:00:01,239 --> 01:00:08,019

a kromm licks and I can't think of in

1185

01:00:04,900 --> 01:00:11,700

the almonds all over the British Isles

1186

01:00:08,019 --> 01:00:15,280

up into Ireland as well and just

1187

01:00:11,699 --> 01:00:19,089

wonderful wonderful energy and even have

1188

01:00:15,280 --> 01:00:20,980

taken some photos with you know I I

1189

01:00:19,090 --> 01:00:24,640

don't want to say orbs because they're

1190

01:00:20,980 --> 01:00:26,710

not the typical orbs but light a light

1191

01:00:24,639 --> 01:00:31,118

fluctuations that shouldn't have been

1192

01:00:26,710 --> 01:00:34,090

there let's say yes yeah I adore the the

1193

01:00:31,119 --> 01:00:36,550

stone circles I adore them so when you

1194

01:00:34,090 --> 01:00:39,480

sort of did remote viewing about them

1195

01:00:36,550 --> 01:00:44,010

did you have any perceptions of ancient

1196

01:00:39,480 --> 01:00:48,070

peoples or anything along those lines

1197

01:00:44,010 --> 01:00:49,080

when viewing of Atlantis no I'm sorry

1198  
01:00:48,070 --> 01:00:52,090  
Stonehenge

1199  
01:00:49,079 --> 01:00:53,650  
I never I really remote viewed

1200  
01:00:52,090 --> 01:00:57,430  
Stonehenge

1201  
01:00:53,650 --> 01:00:59,410  
I've had some intuitive insights about

1202  
01:00:57,429 --> 01:01:01,989  
it that at one time it was a huge

1203  
01:00:59,409 --> 01:01:03,639  
marketplace uh-huh that people would

1204  
01:01:01,989 --> 01:01:06,459  
come out you know a couple of times a

1205  
01:01:03,639 --> 01:01:10,599  
year sort of spring and autumn with with

1206  
01:01:06,460 --> 01:01:13,329  
all their cattle and produce and you

1207  
01:01:10,599 --> 01:01:16,179  
know salad offs and they've now found

1208  
01:01:13,329 --> 01:01:17,889  
that there's a settlement nearby hmm

1209  
01:01:16,179 --> 01:01:19,960  
that they uncovered there's a lot of

1210  
01:01:17,889 --> 01:01:23,379  
excavation going on now but a mile away

1211  
01:01:19,960 --> 01:01:25,090  
from Stonehenge but that's so funny that

1212  
01:01:23,380 --> 01:01:30,640  
you never remote whew that and I've

1213  
01:01:25,090 --> 01:01:35,710  
never visited the have you been up to

1214  
01:01:30,639 --> 01:01:39,099  
the Orkneys by chance no but every year

1215  
01:01:35,710 --> 01:01:42,789  
a couple of years I go up to Loch Lomond

1216  
01:01:39,099 --> 01:01:45,250  
ah and I have some friends there and I

1217  
01:01:42,789 --> 01:01:46,750  
go and teach and they get some students

1218  
01:01:45,250 --> 01:01:49,269  
together I go up there and teach remote

1219  
01:01:46,750 --> 01:01:52,750  
viewing wonderful hide behind their

1220  
01:01:49,269 --> 01:01:55,239  
house is a hill and it overlooks Loch

1221  
01:01:52,750 --> 01:01:58,030  
Lomond it's a pond of on the rise of

1222  
01:01:55,239 --> 01:01:58,729  
land and there's a wonderful big burial

1223  
01:01:58,030 --> 01:02:01,100  
mound

1224  
01:01:58,730 --> 01:02:04,460  
and you go further up through the woods

1225  
01:02:01,099 --> 01:02:08,630  
you get to these ancient ancient burial

1226

01:02:04,460 --> 01:02:11,659  
cysts these stone boxes basically in the

1227  
01:02:08,630 --> 01:02:14,450  
ground that are incredibly ancient and I

1228  
01:02:11,659 --> 01:02:18,139  
get a great feeling from them you know

1229  
01:02:14,449 --> 01:02:21,739  
the antiquity and mystery well so you've

1230  
01:02:18,139 --> 01:02:26,779  
had an incredibly interesting varied

1231  
01:02:21,739 --> 01:02:31,279  
life a progression through the psychic

1232  
01:02:26,780 --> 01:02:33,530  
or it's a few little and and and what is

1233  
01:02:31,280 --> 01:02:35,750  
what's coming up for Angela Thompson

1234  
01:02:33,530 --> 01:02:40,369  
Smith oh let's see

1235  
01:02:35,750 --> 01:02:45,079  
well I'm going up to Canada in May to

1236  
01:02:40,369 --> 01:02:48,500  
teach in Toronto and going out to

1237  
01:02:45,079 --> 01:02:52,340  
Arizona later this month to meet up with

1238  
01:02:48,500 --> 01:02:56,659  
a UFO group a small group that's going

1239  
01:02:52,340 --> 01:02:58,400  
to do some exploration and June we have

1240  
01:02:56,659 --> 01:03:00,920

the remote viewing conference the earth

1241  
01:02:58,400 --> 01:03:02,869  
a conference Oh will you be there yes

1242  
01:03:00,920 --> 01:03:04,820  
I'm going actually going to be giving a

1243  
01:03:02,869 --> 01:03:08,510  
presentation well perhaps I'll see you

1244  
01:03:04,820 --> 01:03:11,420  
there yeah in New Orleans yes yes yes

1245  
01:03:08,510 --> 01:03:13,510  
I'm going to talk about using remote

1246  
01:03:11,420 --> 01:03:18,800  
viewing a freaky manatorian work and

1247  
01:03:13,510 --> 01:03:22,730  
talking about a case that's about it but

1248  
01:03:18,800 --> 01:03:24,440  
I you know my my life is flexible and I

1249  
01:03:22,730 --> 01:03:27,769  
have all sorts of opportunities come

1250  
01:03:24,440 --> 01:03:30,409  
along well that's wonderful and I feel

1251  
01:03:27,769 --> 01:03:33,800  
that the opportunities do come if you

1252  
01:03:30,409 --> 01:03:35,509  
visualize them and I try to be careful

1253  
01:03:33,800 --> 01:03:37,600  
with what I visualize because you can

1254  
01:03:35,510 --> 01:03:41,650  
only take so much on your plate at once

1255  
01:03:37,599 --> 01:03:45,349  
yeah well when when my nine-year clients

1256  
01:03:41,650 --> 01:03:47,180  
we finished our contract I had to make a

1257  
01:03:45,349 --> 01:03:49,940  
decision you know what am I gonna do now

1258  
01:03:47,179 --> 01:03:52,009  
so still getting in other small projects

1259  
01:03:49,940 --> 01:03:53,960  
and teaching but as I made a decision

1260  
01:03:52,010 --> 01:03:56,990  
anything comes across my desk

1261  
01:03:53,960 --> 01:04:02,480  
that's not a moral unethical or illegal

1262  
01:03:56,989 --> 01:04:06,289  
I thank you for taking on this project

1263  
01:04:02,480 --> 01:04:08,480  
and we're going to say goodbye now but

1264  
01:04:06,289 --> 01:04:09,989  
we hope that you will join us again

1265  
01:04:08,480 --> 01:04:13,710  
sometime

1266  
01:04:09,989 --> 01:04:16,349  
and it's been a pleasure yeah absolutely

1267  
01:04:13,710 --> 01:04:18,750  
and although I don't Remote View or

1268  
01:04:16,349 --> 01:04:20,279  
ahold of body I feel I'm quite certain

1269  
01:04:18,750 --> 01:04:22,860  
and saying we've only touched the

1270  
01:04:20,280 --> 01:04:25,050  
surface of if your your interests and

1271  
01:04:22,860 --> 01:04:28,710  
your abilities are really fascinating

1272  
01:04:25,050 --> 01:04:30,480  
life and just incredible abilities thank

1273

parapsychologist from the University of

1293  
01:05:22,699 --> 01:05:31,439  
Virginia UVA Roth Ross dunseith who has

1294  
01:05:28,889 --> 01:05:33,900  
worked with Ian Stevenson and others

1295  
01:05:31,440 --> 01:05:37,950  
down there he's going to come to us and

1296  
01:05:33,900 --> 01:05:40,010  
speak and we thank you for being with us

1297  
01:05:37,949 --> 01:05:44,279

and you know who we haven't heard from

1298

01:05:40,010 --> 01:05:47,100

is our esteemed listeners we really

1299

01:05:44,280 --> 01:05:49,260

would like some feedback oh I do have

1300

01:05:47,099 --> 01:05:52,679

something follow a listener okay okay

1301

01:05:49,260 --> 01:05:55,710

John P Yates okay love Texas would

1302

01:05:52,679 --> 01:05:58,618

really like us to have Stanton Friedman

1303

01:05:55,710 --> 01:06:01,260

on okay and he has a couple of questions

1304

01:05:58,619 --> 01:06:05,100

for Stanton and I did have some

1305

01:06:01,260 --> 01:06:08,400

correspondence recently with the

1306

01:06:05,099 --> 01:06:10,618

esteemed mr. Stanton Friedman and he did

1307

01:06:08,400 --> 01:06:14,190

say he would be happy to come on so

1308

01:06:10,619 --> 01:06:16,829

1310

01:06:16,829 --> 01:06:22,170

without sunshine that's right one of my

1311

01:06:19,079 --> 01:06:24,449

favorites so he just a great guy yes

1312  
01:06:22,170 --> 01:06:26,670  
really but really we would like to hear

1313  
01:06:24,449 --> 01:06:28,679  
from you what do you think about remote

1314  
01:06:26,670 --> 01:06:31,110  
viewing I mean if you're listening to

1315  
01:06:28,679 --> 01:06:33,480  
this you have to have some opinions or

1316  
01:06:31,110 --> 01:06:37,430  
perhaps some experiences we'd love to

1317  
01:06:33,480 --> 01:06:37,429  
have you share them with us indeed

1318

questioned and now shattered reality
