Richard welcome along one more time one

26
00:01:37,709 --> 00:01:42,030
more time hello Stefan you know I

27
00:01:39,870 --> 00:01:43,439
thought that that introduction by our

28
00:01:42,030 --> 00:01:45,870
voiceover man Jim will show this week

29

00:01:43,439 --> 00:01:48,239
sounded a bit different it actually

30
00:01:45,870 --> 00:01:51,510
sounded quite intimate quite quite close

31
00:01:48,239 --> 00:01:54,030
the proximity of the voice-over was was

32
00:01:51,510 --> 00:01:55,469
was just the modern modern technology

33
00:01:54,030 --> 00:01:57,510
you think he's in the same room with it

34
00:01:55,469 --> 00:01:59,819
it feels almost as if he's in the same

35
00:01:57,510 --> 00:02:03,930
room with us in fact he is get on let's

36
00:01:59,819 --> 00:02:06,599
get on with it hello Jim Jim's here

37
00:02:03,930 --> 00:02:09,060
female voiceover man from and now it's

38
00:02:06,599 --> 00:02:10,739
time for dr. heo reports and it's a

39
00:02:09,060 --> 00:02:12,719
grain of salt and all the rest he's here

40
00:02:10,740 --> 00:02:14,700
in the room with us you know I didn't

41
00:02:12,719 --> 00:02:16,169
even know he was a real person I thought

42
00:02:14,699 --> 00:02:18,810
he wasn't really I thought he was a

43
00:02:16,169 --> 00:02:21,708

voiceover from another realm voiceover

44
00:02:18,810 --> 00:02:24,709
generated me hear something I used to be

45
00:02:21,709 --> 00:02:28,110
and you've been down now I'm here oh

46
00:02:24,709 --> 00:02:31,050
it's good to see you and it makes us on

47
00:02:28,110 --> 00:02:33,540
this slightly more um crowded it does in

48
00:02:31,050 --> 00:02:35,520
our little studio does but I'm pleased

49
00:02:33,539 --> 00:02:37,289
to say that not only will Jim be joining

50
00:02:35,520 --> 00:02:39,840
us later in the show for the think tank

51
00:02:37,289 --> 00:02:41,609
oh yes you know yes you will last night

52
00:02:39,840 --> 00:02:42,989
skeptics in the pub here in city gym

53
00:02:41,610 --> 00:02:45,360
gave a live read of one of these

54
00:02:42,989 --> 00:02:48,450
skeptical palms about the these funny

55
00:02:45,360 --> 00:02:50,459
energy power bracelets ah I allowing

56
00:02:48,449 --> 00:02:52,530
anyone who makes fun of those silly

57
00:02:50,459 --> 00:02:54,330
things but it's surprising because jim

58
00:02:52,530 --> 00:02:56,699
has said welcome to the skeptic zone now

59
00:02:54,330 --> 00:02:59,160
a hundred and twenty four times because

60
00:02:56,699 --> 00:03:00,479
this is episode number 124 for the

61
00:02:59,159 --> 00:03:02,069
fourth of March it's a hundred

62
00:03:00,479 --> 00:03:04,679
twenty-five actually because this is the

63
00:03:02,069 --> 00:03:06,689
second time we've done this oh we're

64
00:03:04,680 --> 00:03:09,360
gonna be professional about this and

65
00:03:06,689 --> 00:03:10,739
carrying the pilot that we did it's 126

66
00:03:09,360 --> 00:03:12,450
how the pilot that was never seen those

67
00:03:10,739 --> 00:03:14,099
they were saying and I've practiced that

68
00:03:12,449 --> 00:03:17,159
you have practice that's probably a

69
00:03:14,099 --> 00:03:21,060
hundred credits said 127 any advance 127

70
00:03:17,159 --> 00:03:23,280
alright for the official what episode is

71
00:03:21,060 --> 00:03:26,370
it especially now after all that it is

72
00:03:23,280 --> 00:03:28,860
still officially episode number 124 ah

73
00:03:26,370 --> 00:03:31,939
Jimmy must be exhausted as we are well

74
00:03:28,860 --> 00:03:34,470
to be honest have only said it twice

75
00:03:31,939 --> 00:03:36,870
well Richard you look up along again

76
00:03:34,469 --> 00:03:38,159
thank you and Jim and so what are we

77
00:03:36,870 --> 00:03:39,750
gonna happening it's a big shot it's

78
00:03:38,159 --> 00:03:41,039
always richer it's a huge show it's a

79
00:03:39,750 --> 00:03:43,250
you show it seemed eager if you don't

80
00:03:41,039 --> 00:03:45,679
bigger than that

81
00:03:43,250 --> 00:03:49,099
so big this show is so big it goes as

82
00:03:45,680 --> 00:03:50,599
far as norway norway we know what's

83
00:03:49,099 --> 00:03:52,810
happening in the norway we're going to

84
00:03:50,599 --> 00:03:55,519
be speaking to Kristen Carlson from the

85
00:03:52,810 --> 00:03:57,469
Norwegian skeptics the Norwegian

86

00:03:55,520 --> 00:03:58,790
skeptics region skeptics yeah I don't

87
00:03:57,469 --> 00:04:01,490
know they're pretty big on cold reading

88
00:03:58,789 --> 00:04:04,449
up there aren't they Oh Jim do you want

89
00:04:01,490 --> 00:04:07,010
to be a host into the him it's no way oh

90
00:04:04,449 --> 00:04:08,810
thank you very much yes kristin is going

91
00:04:07,009 --> 00:04:11,179
to be speaking to us our by the magic of

92
00:04:08,810 --> 00:04:13,370
skype all about the Norwegian skeptics

93
00:04:11,180 --> 00:04:15,349
and her activities are promoting science

94
00:04:13,370 --> 00:04:17,149
and reason in that part of the world

95
00:04:15,349 --> 00:04:19,399
actually I actually thought they were

96
00:04:17,149 --> 00:04:21,560
quite reasonable up there already are

97
00:04:19,399 --> 00:04:23,389
there actually people in Norway that are

98
00:04:21,560 --> 00:04:25,459
inter whoo whoo I'm sure there is there

99
00:04:23,389 --> 00:04:27,110
are really will be and then there will

100
00:04:25,459 --> 00:04:29,539

be tomorrow and there always will be um

101

00:04:27,110 --> 00:04:32,210

but no she's great fantastic interview

102

00:04:29,540 --> 00:04:35,419

coming up also on today's show dr.

103

00:04:32,209 --> 00:04:38,479

Richie Maynard and I went to Armageddon

104

00:04:35,418 --> 00:04:40,549

thank you again it really was the movie

105

00:04:38,480 --> 00:04:42,050

or you actually experience the area so

106

00:04:40,550 --> 00:04:43,790

we experienced the end of the world and

107

00:04:42,050 --> 00:04:45,199

we have a special report from the end of

108

00:04:43,790 --> 00:04:47,360

the world really now those who is like

109

00:04:45,199 --> 00:04:49,039

an anime fest here in Sydney and science

110

00:04:47,360 --> 00:04:51,319

fiction and all that sort of stuff which

111

00:04:49,040 --> 00:04:52,700

heading to various voice over artist oh

112

00:04:51,319 --> 00:04:55,550

really I haven't seen one of those for a

113

00:04:52,699 --> 00:04:58,009

long time now and this week we may not

114

00:04:55,550 --> 00:05:00,020

interviews michael McConaughey who does

115
00:04:58,009 --> 00:05:02,629
lots of video game voice overs and

116
00:05:00,019 --> 00:05:04,189
things like that oh yeah a few stories

117
00:05:02,629 --> 00:05:06,800
to tell about being cooped up in a booth

118
00:05:04,189 --> 00:05:08,899
I'm sure that and talking he's a sort of

119
00:05:06,800 --> 00:05:11,060
guy who would probably say in a world

120
00:05:08,899 --> 00:05:15,649
gone mad oh you know that sort of stuff

121
00:05:11,060 --> 00:05:17,990
or kill them all die I think he does say

122
00:05:15,649 --> 00:05:21,649
no are we have the think tank of course

123
00:05:17,990 --> 00:05:23,240
as we are you what is it a normal think

124
00:05:21,649 --> 00:05:25,459
tank or is it give it extra special one

125
00:05:23,240 --> 00:05:27,500
this week no it's really boring just

126
00:05:25,459 --> 00:05:30,079
launched it now Jim wills you'll be

127
00:05:27,500 --> 00:05:31,970
joining some very special week having

128
00:05:30,079 --> 00:05:33,889
Jimmy that it is it is that's really

129
00:05:31,970 --> 00:05:36,260
fantastic we've got a new segment by

130
00:05:33,889 --> 00:05:38,839
Joey and Ben amoo all called reality

131
00:05:36,259 --> 00:05:41,089
bites is that so it is I look forward to

132
00:05:38,839 --> 00:05:42,978
hearing that and reality does bite it

133
00:05:41,089 --> 00:05:45,049
certainly does around here Hypno's at

134
00:05:42,978 --> 00:05:48,199
the moment so it's a big show sniffing

135
00:05:45,050 --> 00:05:49,610
what can I say ah sure number 124 it is

136
00:05:48,199 --> 00:05:50,930
getting bigger by the moment this is

137
00:05:49,610 --> 00:05:52,340
bruce is so big we better get out of

138
00:05:50,930 --> 00:05:53,829
here all right let's get on with the

139
00:05:52,339 --> 00:05:56,989
show I have to do it

140
00:05:53,829 --> 00:05:59,560
where those water stops they're ready

141
00:05:56,990 --> 00:06:02,750
we're all no sweet genius we don't have

142
00:05:59,560 --> 00:06:06,170
anxiety this is what when i was doing

143

00:06:02,750 --> 00:06:10,129
gigs every time a musician would walk in

144
00:06:06,170 --> 00:06:12,110
I just yeah it's true I just yeah

145
00:06:10,129 --> 00:06:14,000
especially the other like some guy from

146
00:06:12,110 --> 00:06:16,520
a big band or something yeah what I

147
00:06:14,000 --> 00:06:19,300
thought and I just start hitting my just

148
00:06:16,519 --> 00:06:23,569
making mistakes it's terrible anyway

149
00:06:19,300 --> 00:06:25,730
let's keep going come back right let's

150
00:06:23,569 --> 00:06:27,139
get going alright so it will visit the

151
00:06:25,730 --> 00:06:29,030
end of the show of course we've all

152
00:06:27,139 --> 00:06:31,519
heard your palm we've all heard all the

153
00:06:29,029 --> 00:06:32,779
segments in the show and including the

154
00:06:31,519 --> 00:06:36,649
think tank which you'll be involved with

155
00:06:32,779 --> 00:06:45,079
later tonight wait listen that's the

156
00:06:36,649 --> 00:06:48,349
bathroom so we go thank you dear thing

157
00:06:45,079 --> 00:06:52,099

is he was initially part 2 about anime

158

00:06:48,350 --> 00:06:54,410

and abuse that apart from that I yeah

159

00:06:52,100 --> 00:06:55,970

okay let's do you see the trouble is

160

00:06:54,410 --> 00:06:57,140

saying what's coming up next week and

161

00:06:55,970 --> 00:06:59,240

let's have got them in the cats I'm

162

00:06:57,139 --> 00:07:00,709

always saying we just got thanks to be

163

00:06:59,240 --> 00:07:19,009

great yeah i'm looking forward to next

164

00:07:00,709 --> 00:07:21,919

week Richard you've done it again

165

00:07:19,009 --> 00:07:23,569

another skeptic zone in the can be Kurt

166

00:07:21,920 --> 00:07:26,150

wasn't that fun it was great feels great

167

00:07:23,569 --> 00:07:28,819

to have Jim involved with the think tank

168

00:07:26,149 --> 00:07:30,289

actually in person as a actual human

169

00:07:28,819 --> 00:07:32,300

being rather than just some sort of

170

00:07:30,290 --> 00:07:34,220

audio signal coming through from I don't

171

00:07:32,300 --> 00:07:37,610

know where what was it like Jim to you

172
00:07:34,220 --> 00:07:41,060
well the thing to me was that I was

173
00:07:37,610 --> 00:07:45,259
right when reality bites there's no cure

174
00:07:41,060 --> 00:07:47,209
oh that's deep oh I don't know what to

175
00:07:45,259 --> 00:07:49,699
say about that alright its brief

176
00:07:47,209 --> 00:07:51,620
profound now Jim of course Stefan Jim

177
00:07:49,699 --> 00:07:55,129
will be taking part in helping us with

178
00:07:51,620 --> 00:07:56,569
our secret project oh yes yeah are you

179
00:07:55,129 --> 00:07:58,670
trying to hype up our audience a little

180
00:07:56,569 --> 00:07:59,779
bit i am this on the way you're trying

181
00:07:58,670 --> 00:08:00,540
to whet their appetite for something

182
00:07:59,779 --> 00:08:02,279
they don't know

183
00:08:00,540 --> 00:08:06,540
about later nothing about it they can't

184
00:08:02,279 --> 00:08:08,669
even guess no it is pretty exciting we

185
00:08:06,540 --> 00:08:10,890
are we are planning a little thing but

186
00:08:08,670 --> 00:08:13,410
whistles the other hand so you know that

187
00:08:10,889 --> 00:08:17,279
we're sort of coming up in the next

188
00:08:13,410 --> 00:08:20,550
month to episode 150 oh and this has

189
00:08:17,279 --> 00:08:23,279
nothing to with that laughs at least

190
00:08:20,550 --> 00:08:25,740
we'll get them thinking hey wondering

191
00:08:23,279 --> 00:08:28,199
