

1  
00:00:27,800 --> 00:00:32,118  
now it's time to put you to the test

2  
00:00:36,049 --> 00:00:44,599  
gothic diet these are the sleeping the

3  
00:00:42,390 --> 00:00:48,058  
packet I just took the little pills out

4  
00:00:44,600 --> 00:00:52,739  
recommended dosage adults two tablets

5  
00:00:48,058 --> 00:00:54,058  
children to 212 m on talent now if you

6  
00:00:52,738 --> 00:00:56,759  
think about that for saying they're

7  
00:00:54,058 --> 00:00:58,679  
recommending because in the homeopathic

8  
00:00:56,759 --> 00:01:04,829  
world if something's weaker is actually

9  
00:00:58,679 --> 00:01:06,780  
has more effect on I think you see my

10  
00:01:04,829 --> 00:01:10,099  
point in telling people to give their

11  
00:01:06,780 --> 00:01:10,099  
children strong enough

12  
00:01:12,099 --> 00:01:16,239  
I'm here Peppa cute two bastards

13  
00:01:16,329 --> 00:01:26,989  
overdoses now it's like this I'm Barry

14  
00:01:21,978 --> 00:01:29,269  
Williams beat about it to join me on

15  
00:01:26,989 --> 00:01:32,509  
stage Colin would you care to put your

16  
00:01:29,269 --> 00:01:39,949  
life in the line dr. Phil our special

17  
00:01:32,509 --> 00:01:44,359  
guest all-star registration number 104 7

18  
00:01:39,950 --> 00:01:46,250  
95 and throw balls just that's not even

19  
00:01:44,359 --> 00:01:49,009  
got a power because later actually prove

20  
00:01:46,250 --> 00:01:51,469  
those things were because they've gotten

21  
00:01:49,009 --> 00:01:56,478  
so dangerous you don't have talents

22  
00:01:51,469 --> 00:02:00,649  
would pop out every single pill they go

23  
00:01:56,478 --> 00:02:07,099  
to take another dose of 10 \* time in

24  
00:02:00,649 --> 00:02:09,849  
building the nose works i'll be staying

25  
00:02:07,099 --> 00:02:09,849  
with recipe

26  
00:02:13,939 --> 00:02:21,120  
we examine graveside a nice example I

27  
00:02:18,710 --> 00:02:26,520  
noticed a lot of boxes that also store

28  
00:02:21,120 --> 00:02:54,930  
under 30 c safety stories in the core of

29

00:02:26,520 --> 00:02:58,890  
the Sun I hope you remember us well I've

30  
00:02:54,930 --> 00:03:00,930  
got it right this time so here we go

31  
00:02:58,889 --> 00:03:05,309  
literally do direct with the ginseng

32  
00:03:00,930 --> 00:03:08,580  
like the longest thing about dating this

33  
00:03:05,310 --> 00:03:14,509  
is popping all the stars arthritis on

34  
00:03:08,580 --> 00:03:18,269  
five package by angelas in the audience

35  
00:03:14,509 --> 00:03:22,109  
dash we're given by aerial transmission

36  
00:03:18,269 --> 00:03:25,590  
so credit of tiny little presumably far

37  
00:03:22,110 --> 00:03:27,810  
more powerful when I all the mind if I

38  
00:03:25,590 --> 00:03:31,620  
up at the straight plane or

39  
00:03:27,810 --> 00:03:33,830  
package like this extensive the bill

40  
00:03:31,620 --> 00:03:36,360  
sold me the full package dips try this

41  
00:03:33,830 --> 00:03:38,570  
you'll have a glass of man the escape

42  
00:03:36,360 --> 00:03:38,570  
now

43  
00:03:44,990 --> 00:03:47,990

gentlemen

44

00:03:53,259 --> 00:04:13,069  
water trying to come over I prefer

45

00:04:03,259 --> 00:04:18,529  
tragic i'm hoping the Sun hands in it

46

00:04:13,069 --> 00:04:24,920  
when they say it doesn't have where have

47

00:04:18,529 --> 00:04:28,789  
you left your wallet excuse you be

48

00:04:24,920 --> 00:04:35,629  
Christa money to the skeptics goodbar

49

00:04:28,790 --> 00:04:44,990  
world government one thanks David excuse

50

00:04:35,629 --> 00:04:47,589  
me two games and stuff with you it

51

00:04:44,990 --> 00:04:47,590  
doesn't taste like

52

00:05:05,269 --> 00:05:09,448  
I thought I was in trouble with all

53

00:05:07,649 --> 00:05:13,559  
sorts of authority like that the boys

54

00:05:09,449 --> 00:05:14,939  
were rocking drive do but try a private

55

00:05:13,559 --> 00:05:20,879  
across before selling stuff with nothing

56

00:05:14,939 --> 00:05:24,330  
unit I think we made our point for the

57

00:05:20,879 --> 00:05:28,680  
moment Steve Roberts on spirit of a bit

58

00:05:24,329 --> 00:05:43,459

more to go down run down one more slide

59

00:05:28,680 --> 00:05:43,459

to show you one of these
