

1
00:00:11,210 --> 00:00:17,368
well after this sterling introduction

2
00:00:14,460 --> 00:00:19,859
that I received and your reception and

3
00:00:17,368 --> 00:00:21,359
they would have take their which we

4
00:00:19,859 --> 00:00:23,879
prepared is to show you what we've been

5
00:00:21,359 --> 00:00:26,278
doing currently I think that we're

6
00:00:23,879 --> 00:00:30,028
probably in for an interesting evening

7
00:00:26,278 --> 00:00:33,780
now I must say that first of all I have

8
00:00:30,028 --> 00:00:43,558
cut down brother considerably and all

9
00:00:33,780 --> 00:00:46,109
the way on doing the tricks I cut down

10
00:00:43,558 --> 00:00:52,409
on doing the tricks because this is not

11
00:00:46,109 --> 00:00:54,300
a public performance this is well more

12
00:00:52,409 --> 00:00:56,698
or less preaching to the choir as they

13
00:00:54,299 --> 00:00:59,968
say I think you folks are pretty well

14
00:00:56,698 --> 00:01:02,218
convinced that these things aren't true

15
00:00:59,969 --> 00:01:06,060
that there's lots of fraud and fakery

16
00:01:02,219 --> 00:01:09,060
going on up there and I don't have to

17
00:01:06,060 --> 00:01:11,400
convince you of that fact but it's more

18
00:01:09,060 --> 00:01:13,950
important to us at this time I think to

19
00:01:11,400 --> 00:01:16,380
get into a discussion of why what the

20
00:01:13,950 --> 00:01:18,030
challenges are to face us and the

21
00:01:16,379 --> 00:01:20,310
challenges that we can offer to those

22
00:01:18,030 --> 00:01:23,460
people who claim that there are all

23
00:01:20,310 --> 00:01:26,070
sorts of mystical powers now there may

24
00:01:23,459 --> 00:01:29,339
be we don't tell one way or the other

25
00:01:26,069 --> 00:01:30,859
way there are mystical powers but I can

26
00:01:29,340 --> 00:01:34,770
tell you that the path of the magician

27
00:01:30,859 --> 00:01:37,230
that I have a pretty good grasp of

28
00:01:34,769 --> 00:01:40,349
psychology and I know how the public's

29

00:01:37,230 --> 00:01:42,630
mind works that mindset could work

30
00:01:40,349 --> 00:01:45,329
against them and for them on occasion

31
00:01:42,629 --> 00:01:48,030
but to a considerable extent as far as

32
00:01:45,329 --> 00:01:51,390
artwork is concerned that mindset works

33
00:01:48,030 --> 00:01:54,560
against them and the magician I tell

34
00:01:51,390 --> 00:01:57,228
people be very careful you can make too

35
00:01:54,560 --> 00:01:59,840
some ships in your life and they they

36
00:01:57,228 --> 00:02:02,658
sort of snortin snarled sick not me

37
00:01:59,840 --> 00:02:05,359
no we have an expression the United

38
00:02:02,659 --> 00:02:07,820
States I'm from Missouri Missouri says

39
00:02:05,359 --> 00:02:08,780
that they they have to be shown they

40
00:02:07,819 --> 00:02:10,728
don't believe anything without being

41
00:02:08,780 --> 00:02:14,330
shown and then you'll hear the bulk of a

42
00:02:10,729 --> 00:02:15,920
guy from Missouri really then I

43
00:02:14,330 --> 00:02:17,300

proceeded to show them that they had

44

00:02:15,919 --> 00:02:20,689

made a great number of assumptions

45

00:02:17,300 --> 00:02:22,519

that's I'm showing you right now you

46

00:02:20,689 --> 00:02:31,340

still go my step to this microphone that

47

00:02:22,519 --> 00:02:32,930

I music and I'm not that Martinez I'm

48

00:02:31,340 --> 00:02:35,750

using the world of my throat which is

49

00:02:32,930 --> 00:02:37,790

under my tongue I dare you shame but

50

00:02:35,750 --> 00:02:40,848

that small assumption won't cost you an

51

00:02:37,789 --> 00:02:41,679

event it will cost you a thing of course

52

00:02:40,848 --> 00:02:43,909

not

53

00:02:41,680 --> 00:02:45,310

not going to cost you your emotional

54

00:02:43,909 --> 00:02:47,959

stability it's not going to cost you

55

00:02:45,310 --> 00:02:50,060

your power of reasoning it kind of

56

00:02:47,959 --> 00:02:52,610

costume money certain will cost of your

57

00:02:50,060 --> 00:02:55,340

life but we're going to talk about this

58
00:02:52,610 --> 00:02:58,099
evening things that can cost you any of

59
00:02:55,340 --> 00:03:02,959
those things far beyond recovering from

60
00:02:58,098 --> 00:03:05,358
a cold that I got in that Beijing as you

61
00:03:02,959 --> 00:03:08,479
were just told I just came back from two

62
00:03:05,359 --> 00:03:11,319
weeks in Beijing I went to attend one

63
00:03:08,479 --> 00:03:13,219
conference there and it was rather

64
00:03:11,318 --> 00:03:16,339
spaced out from this particular

65
00:03:13,219 --> 00:03:17,389
conference and luckily they announced

66
00:03:16,340 --> 00:03:18,379
that they were having a second

67
00:03:17,389 --> 00:03:20,479
conference on a slightly different

68
00:03:18,379 --> 00:03:23,120
something completely following it and I

69
00:03:20,479 --> 00:03:26,738
got myself invited to that so two weeks

70
00:03:23,120 --> 00:03:31,400
in Beijing and now here in Australia I

71
00:03:26,739 --> 00:03:32,900
have to have to tell you who hurt me I'm

72
00:03:31,400 --> 00:03:35,319
very sorry about this I think I need

73
00:03:32,900 --> 00:03:35,319
some homeopathic

74
00:03:36,990 --> 00:03:43,080
perhaps any glass of water stuck in any

75
00:03:41,759 --> 00:03:46,259
party girl Adam he's going to do the

76
00:03:43,080 --> 00:03:48,420
same thing he's gonna perfect hell I

77
00:03:46,259 --> 00:03:50,819
will tell you a bit of an anecdote that

78
00:03:48,419 --> 00:03:54,809
the folks will particularly appreciate I

79
00:03:50,819 --> 00:03:56,759
trust I have one of those darlin fish on

80
00:03:54,810 --> 00:03:59,819
the rear end of my car you might suspect

81
00:03:56,759 --> 00:04:01,409
I know the one I refer to the outline of

82
00:03:59,819 --> 00:04:04,859
the fish with the word garlic written in

83
00:04:01,409 --> 00:04:11,550
Cyprus little tiny legs on it and this

84
00:04:04,860 --> 00:04:15,660
is nice they're making to annoy it works

85
00:04:11,550 --> 00:04:18,150
very well I had it on my car and I

86

00:04:15,659 --> 00:04:18,810
stepped out of the motion picture

87
00:04:18,149 --> 00:04:21,539
theater Oh

88
00:04:18,810 --> 00:04:24,269
several months ago and as I made my way

89
00:04:21,540 --> 00:04:28,080
to the car a gentleman followed along

90
00:04:24,269 --> 00:04:29,490
beside me I guess you don't have this

91
00:04:28,079 --> 00:04:31,169
experience but every day then you find

92
00:04:29,490 --> 00:04:34,920
somebody there just passing the defeat

93
00:04:31,170 --> 00:04:36,780
that all they think they see is some

94
00:04:34,920 --> 00:04:38,490
light but they have no idea where and

95
00:04:36,779 --> 00:04:40,199
they usually don't identify it with

96
00:04:38,490 --> 00:04:42,389
television but this chap started

97
00:04:40,199 --> 00:04:44,459
followed along stayed at a distance and

98
00:04:42,389 --> 00:04:48,209
waited for would say something he said

99
00:04:44,459 --> 00:04:50,279
in that chapter I said if I'm on

100
00:04:48,209 --> 00:04:52,439

television frequently he said oh well

101

00:04:50,279 --> 00:04:56,159

that's it done yes I remember see you

102

00:04:52,439 --> 00:05:00,810

just then we reached my car began excuse

103

00:04:56,160 --> 00:05:05,420

me and he saw the dark efficiently occur

104

00:05:00,810 --> 00:05:05,420

he looking - no you're an Episcopalian

105

00:05:07,339 --> 00:05:14,569

yes that puzzled me too I said no what

106

00:05:12,350 --> 00:05:16,010

makes you think that he said that well I

107

00:05:14,569 --> 00:05:18,709

have an a friend a friend of an

108

00:05:16,009 --> 00:05:27,289

Episcopalian PS one of these under her I

109

00:05:18,709 --> 00:05:29,329

said perhaps not the same one yes hoping

110

00:05:27,290 --> 00:05:33,319

that it would dawn on any moment at all

111

00:05:29,329 --> 00:05:38,839

but it was all about Darla where is

112

00:05:33,319 --> 00:05:43,219

Darwin I said and he said oh then you're

113

00:05:38,839 --> 00:05:45,139

in Australia I said no sir I'm not in

114

00:05:43,220 --> 00:05:46,820

Australia and frankly I don't think this

115
00:05:45,139 --> 00:05:50,019
conversation is going anywhere

116
00:05:46,819 --> 00:05:54,259
thank you my car and I drove off

117
00:05:50,019 --> 00:05:57,469
seriously folks somewhat depressed that

118
00:05:54,259 --> 00:06:03,069
this gentleman didn't identify that word

119
00:05:57,470 --> 00:06:06,110
our main darlin with Charles Darwin I

120
00:06:03,069 --> 00:06:07,610
fear that there are so many people out

121
00:06:06,110 --> 00:06:10,910
there that just don't make that

122
00:06:07,610 --> 00:06:12,319
Association and I think they should I

123
00:06:10,910 --> 00:06:13,280
think that should spring to their mind

124
00:06:12,319 --> 00:06:16,370
to me today

125
00:06:13,279 --> 00:06:19,299
what a wonderful discovery about the

126
00:06:16,370 --> 00:06:24,319
history of our world about science about

127
00:06:19,300 --> 00:06:25,490
reality to know that Charles Darwin came

128
00:06:24,319 --> 00:06:27,349
to this part of the world

129
00:06:25,490 --> 00:06:30,079
it's not a lot of time a lot of this

130
00:06:27,350 --> 00:06:32,660
genius here went that emotive book that

131
00:06:30,079 --> 00:06:34,819
has so affected our knowledge of the

132
00:06:32,660 --> 00:06:36,800
universe however not to mention one

133
00:06:34,819 --> 00:06:39,079
other thing we talked a minute ago the

134
00:06:36,800 --> 00:06:40,910
one subject remember you also assume

135
00:06:39,079 --> 00:06:43,620
that I can see you and I can't because I

136
00:06:40,910 --> 00:06:48,720
have no menses

137
00:06:43,620 --> 00:06:50,629
that's right yeah I have no idea what

138
00:06:48,720 --> 00:06:53,220
you look at the black part of me and

139
00:06:50,629 --> 00:06:54,089
because I can't see you at all I'm just

140
00:06:53,220 --> 00:06:59,940
looking at a blur

141
00:06:54,089 --> 00:07:03,569
oh my god well now I know folks you can

142
00:06:59,939 --> 00:07:06,480
be misled and you can be deceived like

143

00:07:03,569 --> 00:07:09,329
anyone else if people say I guess you

144
00:07:06,480 --> 00:07:12,450
can't mr.eddy oh don't ever think that I

145
00:07:09,329 --> 00:07:15,060
can't so feel about there's a perfect

146
00:07:12,449 --> 00:07:17,370
case how does she look back to it at

147
00:07:15,060 --> 00:07:19,889
that age it's incredible

148
00:07:17,370 --> 00:07:24,689
that's not portable lei or some sort of

149
00:07:19,889 --> 00:07:29,449
cosmetic that's witchcraft I would like

150
00:07:24,689 --> 00:07:32,639
to do more research on that so I

151
00:07:29,449 --> 00:07:36,810
apologize for American politics at the

152
00:07:32,639 --> 00:07:39,000
moment sorry what's up if I am an

153
00:07:36,810 --> 00:07:41,728
American citizen now Braun and Canada

154
00:07:39,000 --> 00:07:46,259
but acting an American citizen at this

155
00:07:41,728 --> 00:07:48,149
point in my career and we have just done

156
00:07:46,259 --> 00:07:50,909
something which is very difficult to do

157
00:07:48,149 --> 00:07:52,250

we have elected a president we have any

158

00:07:50,910 --> 00:07:55,229

idea who he is

159

00:07:52,250 --> 00:07:59,459

we'd also elected a dead governor issues

160

00:07:55,228 --> 00:08:00,838

may have proper serve as well as most of

161

00:07:59,459 --> 00:08:07,930

the other

162

00:08:00,838 --> 00:08:10,749

but we don't really know do we I I am on

163

00:08:07,930 --> 00:08:12,038

sort of total attention at this moment

164

00:08:10,749 --> 00:08:14,379

if someone should come running in the

165

00:08:12,038 --> 00:08:21,120

door and announce that the results are

166

00:08:14,379 --> 00:08:21,120

one way I may be asking for medicals

167

00:08:22,050 --> 00:08:30,668

bigger now you did see something on that

168

00:08:28,360 --> 00:08:33,490

tape which I might as well get out of my

169

00:08:30,668 --> 00:08:36,958

trawl right now that I did this silly

170

00:08:33,490 --> 00:08:40,180

thing with a with the pen that falls and

171

00:08:36,958 --> 00:08:42,338

this is sort of a standard piece of a

172
00:08:40,179 --> 00:08:44,698
the repertoire I do this experiment with

173
00:08:42,339 --> 00:08:47,709
my audiences I say we're going to do a

174
00:08:44,698 --> 00:08:49,479
psychokinesis experiment okay that's

175
00:08:47,708 --> 00:08:50,828
sounds like a dreadful rat should get on

176
00:08:49,480 --> 00:08:52,778
your neck but actually as part of

177
00:08:50,828 --> 00:08:54,458
parapsychology I say to them we are

178
00:08:52,778 --> 00:08:56,980
going to concentrate I'm going to place

179
00:08:54,458 --> 00:08:59,138
the pen here on the this glass and then

180
00:08:56,980 --> 00:09:02,528
I'm going to walk away and I want us all

181
00:08:59,139 --> 00:09:03,789
to concentrate very very hard on the end

182
00:09:02,528 --> 00:09:06,039
of the pendant sticking toward

183
00:09:03,789 --> 00:09:09,099
constitute with your mind put up an

184
00:09:06,039 --> 00:09:12,338
effort of ESP psychokinetic power all

185
00:09:09,100 --> 00:09:14,190
together now concentrate come on I know

186
00:09:12,339 --> 00:09:16,480
you can do it with this massive

187
00:09:14,190 --> 00:09:18,430
skeptical minds are all working together

188
00:09:16,480 --> 00:09:20,980
you can just get over that skepticism

189
00:09:18,429 --> 00:09:23,729
but would be able to make this pen move

190
00:09:20,980 --> 00:09:23,730
all right

191
00:09:29,000 --> 00:09:35,970
thank you very much so that's the

192
00:09:33,360 --> 00:09:39,539
trickery over the way let's move right

193
00:09:35,970 --> 00:09:40,769
ahead I'm going to deal with phd's oh no

194
00:09:39,539 --> 00:09:44,639
not them yes

195
00:09:40,769 --> 00:09:47,610
I have a theory about phd's first of all

196
00:09:44,639 --> 00:09:50,370
I want to make it very clear that I very

197
00:09:47,610 --> 00:09:54,629
this is quite sincerely smokin now I

198
00:09:50,370 --> 00:09:58,198
what minute I am absolutely in people

199
00:09:54,629 --> 00:10:00,899
with substantial academic credentials I

200

00:09:58,198 --> 00:10:03,269
have total respect for the process of

201
00:10:00,899 --> 00:10:05,339
burning and of Education in fact that's

202
00:10:03,269 --> 00:10:06,659
when we support through the generality

203
00:10:05,339 --> 00:10:12,779
Educational Foundation

204
00:10:06,659 --> 00:10:15,240
I am very enthusiastic finicky about

205
00:10:12,778 --> 00:10:18,028
young people being educated and being

206
00:10:15,240 --> 00:10:19,709
educated in a critical thinking to me is

207
00:10:18,028 --> 00:10:24,149
one of the most important aspects of

208
00:10:19,708 --> 00:10:25,859
that but along the way I run into this

209
00:10:24,149 --> 00:10:28,980
constant rejection

210
00:10:25,860 --> 00:10:30,419
what are you as a magician doing in

211
00:10:28,980 --> 00:10:32,938
front of an audience with the traffic

212
00:10:30,419 --> 00:10:35,429
level in front of an audience trying to

213
00:10:32,938 --> 00:10:36,899
tell them what they should be thinking

214
00:10:35,429 --> 00:10:39,419

and how they should be thinking about

215

00:10:36,899 --> 00:10:43,559

these things but you're top of THD

216

00:10:39,419 --> 00:10:48,500

that's quite true and my district

217

00:10:43,559 --> 00:10:48,500

capital organizer named one second I

218

00:10:53,269 --> 00:11:01,379

have total respect for these votes but

219

00:10:57,259 --> 00:11:04,019

occasionally I rented a PhD to floss

220

00:11:01,379 --> 00:11:06,059

their letters at me I don't have an

221

00:11:04,019 --> 00:11:07,649

academic degree I have a an honorary one

222

00:11:06,059 --> 00:11:09,909

from the University of Indianapolis it's

223

00:11:07,649 --> 00:11:13,210

a Doctor of Humane Letters

224

00:11:09,909 --> 00:11:17,469

I have no idea what that means maybe

225

00:11:13,210 --> 00:11:20,470

only a through E I'm not sure covers but

226

00:11:17,470 --> 00:11:22,269

it enables me if I wish to put doctor in

227

00:11:20,470 --> 00:11:27,550

front of my damn eye I don't do that

228

00:11:22,269 --> 00:11:30,189

however and I as I say the the PhDs

229
00:11:27,549 --> 00:11:31,209
sometimes aggravate me because they

230
00:11:30,190 --> 00:11:35,470
throw that at me

231
00:11:31,210 --> 00:11:37,450
and I've developed a theory about PhDs

232
00:11:35,470 --> 00:11:40,029
which may or may not be correct i l

233
00:11:37,450 --> 00:11:42,370
believe in the process of scientific

234
00:11:40,029 --> 00:11:45,129
investigation so I will give you the

235
00:11:42,370 --> 00:11:49,360
results of my long experience in the

236
00:11:45,129 --> 00:11:55,000
field I have studied the HBS subject

237
00:11:49,360 --> 00:11:56,320
their study and I note this is something

238
00:11:55,000 --> 00:11:59,889
that has never been brought in much

239
00:11:56,320 --> 00:12:01,840
attention before I find that when PhDs

240
00:11:59,889 --> 00:12:04,269
are created of the are created they

241
00:12:01,840 --> 00:12:05,620
there's a ceremony and takes place on

242
00:12:04,269 --> 00:12:07,600
the stage but like this and there's a

243
00:12:05,620 --> 00:12:09,250
table with a lot of little diplomas with

244
00:12:07,600 --> 00:12:11,529
little ribbons around them okay

245
00:12:09,250 --> 00:12:13,480
and there's a massive people down here

246
00:12:11,529 --> 00:12:16,569
and funny clothes with a square it

247
00:12:13,480 --> 00:12:21,909
happens very weird they sit down there

248
00:12:16,570 --> 00:12:24,040
and they wanted to time about stairs

249
00:12:21,909 --> 00:12:26,110
come across the stage at this point

250
00:12:24,039 --> 00:12:28,259
they're not PhD this is not a pet this

251
00:12:26,110 --> 00:12:31,419
is an ordinary human being

252
00:12:28,259 --> 00:12:33,789
prostate gets to the table and a

253
00:12:31,419 --> 00:12:40,389
gentleman stands there he's in charge

254
00:12:33,789 --> 00:12:42,819
obviously I'm very straight and he wills

255
00:12:40,389 --> 00:12:45,039
this enormous power to create a decent

256
00:12:42,820 --> 00:12:47,140
does that by taking one of these civil

257

00:12:45,039 --> 00:12:48,639
rolls of paper and placing it in one

258
00:12:47,139 --> 00:12:51,819
hand and shaking the other hand it's a

259
00:12:48,639 --> 00:12:54,689
prostate level and out that moment if

260
00:12:51,820 --> 00:12:54,690
you listen carefully

261
00:12:58,500 --> 00:13:02,610
I have heard them further and that

262
00:13:00,750 --> 00:13:04,169
person is now an exalted person who

263
00:13:02,610 --> 00:13:07,740
crosses the stage goes down the stairs

264
00:13:04,169 --> 00:13:08,490
and is never going to be an ordinary

265
00:13:07,740 --> 00:13:14,129
person again

266
00:13:08,490 --> 00:13:16,049
that's a PhD but why does the man who

267
00:13:14,129 --> 00:13:18,960
have some of these pieces of paper why

268
00:13:16,049 --> 00:13:21,629
does he wear gloves I ask you

269
00:13:18,960 --> 00:13:24,150
he wears my gloves there's got to be a

270
00:13:21,629 --> 00:13:25,740
reason for this I'd let my massive brain

271
00:13:24,149 --> 00:13:27,509

to work on this and I've come up with a

272

00:13:25,740 --> 00:13:31,620

possible solution which I will share

273

00:13:27,509 --> 00:13:34,759

with you now I believe that there is on

274

00:13:31,620 --> 00:13:39,500

those bits of paper and genetically

275

00:13:34,759 --> 00:13:41,549

engineered chemical which once observed

276

00:13:39,500 --> 00:13:43,950

through the skin goes directly into the

277

00:13:41,549 --> 00:13:50,759

blood to the brain fertilizes a part of

278

00:13:43,950 --> 00:13:52,620

the brain in the speech center the

279

00:13:50,759 --> 00:13:55,080

distinct part of it so carefully

280

00:13:52,620 --> 00:13:57,629

engineers just wanted the science whoa

281

00:13:55,080 --> 00:13:59,370

overcomes me all the time it paralyzes

282

00:13:57,629 --> 00:14:00,960

the speech center the brain so that two

283

00:13:59,370 --> 00:14:02,669

sentences from then on cannot be

284

00:14:00,960 --> 00:14:05,750

pronounced those two sentences are I

285

00:14:02,669 --> 00:14:05,750

don't know another's law

286
00:14:12,070 --> 00:14:23,330
watching them try pretty sight very hard

287
00:14:21,589 --> 00:14:24,730
time getting it up they can even write

288
00:14:23,330 --> 00:14:27,230
with the pen runs over the paper

289
00:14:24,730 --> 00:14:30,528
terrible thing so that's my theory of

290
00:14:27,230 --> 00:14:33,649
PhDs and it's all in just in case I get

291
00:14:30,528 --> 00:14:36,320
to lynch by several PhDs immediately

292
00:14:33,649 --> 00:14:38,509
upon leaving this auditorium now that's

293
00:14:36,320 --> 00:14:44,959
my idea of PhDs but I'm going to show

294
00:14:38,509 --> 00:14:48,289
you what PhD is tenth believe it I got a

295
00:14:44,958 --> 00:14:49,759
call a couple of years back this video

296
00:14:48,289 --> 00:14:52,719
dollar prize that said that we're

297
00:14:49,759 --> 00:14:56,629
offering or so lied to advertisers and

298
00:14:52,720 --> 00:14:59,629
has been around for years now I was told

299
00:14:56,629 --> 00:15:02,259
that didn't want no question of it mr.

300
00:14:59,629 --> 00:15:04,639
Andy this is a PhD from Lawrence

301
00:15:02,259 --> 00:15:06,980
laboratories in California this is a

302
00:15:04,639 --> 00:15:10,939
bunch of physicists that you don't

303
00:15:06,980 --> 00:15:14,149
frankly these are headings and this one

304
00:15:10,940 --> 00:15:16,190
gentleman a PhD in physics called me and

305
00:15:14,149 --> 00:15:17,870
he said there's a fella named Ronnie

306
00:15:16,190 --> 00:15:20,120
Marcus here we brought him all the way

307
00:15:17,870 --> 00:15:21,740
over from Israel to test him that he has

308
00:15:20,120 --> 00:15:26,950
the power of psychokinesis he can blue

309
00:15:21,740 --> 00:15:29,659
batteries for this vine oh really I I

310
00:15:26,950 --> 00:15:30,890
love to worried about losing linden

311
00:15:29,659 --> 00:15:32,929
dollars I had never been terribly

312
00:15:30,889 --> 00:15:35,088
worried about that but it's coming from

313
00:15:32,929 --> 00:15:37,669
a PhD I thought well perhaps that's

314

00:15:35,089 --> 00:15:40,430
where didn't have something good this is

315
00:15:37,669 --> 00:15:43,879
what Ronnie Marcus did for this group of

316
00:15:40,429 --> 00:15:44,239
PhDs at this leading physics lab at MIT

317
00:15:43,879 --> 00:15:46,909
called

318
00:15:44,240 --> 00:15:49,940
works Livermore labs in California you

319
00:15:46,909 --> 00:15:53,149
have a vein first of all he said

320
00:15:49,940 --> 00:15:53,480
definitely a simple box of wouldn't

321
00:15:53,149 --> 00:15:57,820
matter

322
00:15:53,480 --> 00:16:02,778
similar to this one they did they waited

323
00:15:57,820 --> 00:16:06,170
within micrograms they x-rated they shot

324
00:16:02,778 --> 00:16:08,240
lasers at it they examine encounter on

325
00:16:06,169 --> 00:16:10,990
and infrared light all the way but you

326
00:16:08,240 --> 00:16:13,320
could possibly imagine a photographic

327
00:16:10,990 --> 00:16:15,120
they studied the matches

328
00:16:13,320 --> 00:16:17,580

you did chemical analysis of perfectly

329

00:16:15,120 --> 00:16:20,429

ordinary match yep nothing strange

330

00:16:17,580 --> 00:16:22,080

butter till then why they said there

331

00:16:20,429 --> 00:16:24,359

were no magnets or threads or wires

332

00:16:22,080 --> 00:16:27,570

running like that the box had yet he was

333

00:16:24,360 --> 00:16:30,000

able to do this now this is what gets

334

00:16:27,570 --> 00:16:31,470

the PhD watch this carefully now you

335

00:16:30,000 --> 00:16:33,899

place it on the back of his hand

336

00:16:31,470 --> 00:16:39,090

and then just by concentrating with his

337

00:16:33,899 --> 00:16:47,759

mind he made a prize rose up until it

338

00:16:39,090 --> 00:16:49,889

was standing on him and that made it go

339

00:16:47,759 --> 00:16:52,950

back down again very slowly as he

340

00:16:49,889 --> 00:16:55,399

concentrated on it now I didn't know how

341

00:16:52,950 --> 00:16:55,400

this was done

342

00:17:07,890 --> 00:17:15,040

what a funny of you folks is that these

343
00:17:11,910 --> 00:17:18,819
very highly educated very intelligent

344
00:17:15,039 --> 00:17:19,869
very well trained people went about it

345
00:17:18,818 --> 00:17:22,119
the wrong way

346
00:17:19,869 --> 00:17:24,009
but simply by calling someone like Bob

347
00:17:22,119 --> 00:17:31,889
Schneider or any of my magician friends

348
00:17:24,009 --> 00:17:34,210
in California most of the overcomers

349
00:17:31,890 --> 00:17:36,100
they would have immediately pointed it

350
00:17:34,210 --> 00:17:38,890
up that this was a simple children's

351
00:17:36,099 --> 00:17:41,199
trick I comforted more books than one

352
00:17:38,890 --> 00:17:42,820
the course Bob Wright and one of the

353
00:17:41,200 --> 00:17:45,730
books is Martin Gardner's book of

354
00:17:42,819 --> 00:17:48,308
impromptu magic tricks this is a book

355
00:17:45,730 --> 00:17:50,110
designed for you to educate yourself in

356
00:17:48,308 --> 00:17:52,058
doing simple tricks at parties so you

357
00:17:50,109 --> 00:17:53,500
don't have to make yourself read and run

358
00:17:52,058 --> 00:17:55,119
around with a light shade on top of your

359
00:17:53,500 --> 00:17:57,490
head in order to be entertaining to see

360
00:17:55,119 --> 00:18:00,219
and this beats that all that of course

361
00:17:57,490 --> 00:18:03,279
it's very simply dumb hope YouTube can

362
00:18:00,220 --> 00:18:05,860
fool the h-blocks percolated what you do

363
00:18:03,279 --> 00:18:08,649
is you beat the Box open just a wee bit

364
00:18:05,859 --> 00:18:11,349
like that you see turn it face down and

365
00:18:08,650 --> 00:18:13,630
then salute the little skin on the back

366
00:18:11,349 --> 00:18:17,379
of your head as you close the box you

367
00:18:13,630 --> 00:18:19,210
close it up come oh yes close up on the

368
00:18:17,380 --> 00:18:20,799
skin like that and then all you do is

369
00:18:19,210 --> 00:18:26,069
you to straighten your hand out and up

370
00:18:20,798 --> 00:18:28,440
she haha take two

371

00:18:26,069 --> 00:18:30,809
close accompli let's get at the back of

372
00:18:28,440 --> 00:18:32,850
the hand like that and then simply by

373
00:18:30,809 --> 00:18:34,919
closing your hand out up she goes and

374
00:18:32,849 --> 00:18:37,319
then down she goes again

375
00:18:34,920 --> 00:18:39,390
very simple anyone from there to do it

376
00:18:37,319 --> 00:18:50,789
and you can even do it with Dick Smith

377
00:18:39,390 --> 00:18:53,820
lectures and this fool the PhDs well

378
00:18:50,789 --> 00:18:56,849
they they then sit on a marcus packing

379
00:18:53,819 --> 00:18:59,189
he went back to israel and he has not

380
00:18:56,849 --> 00:19:01,469
been heard of since I'm happy to report

381
00:18:59,190 --> 00:19:10,559
to goodness there was another chap came

382
00:19:01,470 --> 00:19:12,299
from Israel some years ago go on hey

383
00:19:10,559 --> 00:19:15,480
ordered a burrito I remember him well

384
00:19:12,299 --> 00:19:17,789
and he was touted as the psychic

385
00:19:15,480 --> 00:19:21,059

superstar of the century yeah well he

386

00:19:17,789 --> 00:19:23,069

was hey Jonathan of magazines all over

387

00:19:21,059 --> 00:19:26,369

the world had posts written about him by

388

00:19:23,069 --> 00:19:31,769

well-meaning but misdirected folks in my

389

00:19:26,369 --> 00:19:33,419

opinion and he soothes me regularly so I

390

00:19:31,769 --> 00:19:35,849

make these statements about mr. Geller

391

00:19:33,420 --> 00:19:36,330

and this work I have to be meticulously

392

00:19:35,849 --> 00:19:39,839

careful

393

00:19:36,329 --> 00:19:42,359

I feel very careful I have to say when

394

00:19:39,839 --> 00:19:47,959

mr. governor does his demonstrations he

395

00:19:42,359 --> 00:19:50,759

does them by divine things he calls upon

396

00:19:47,960 --> 00:19:52,049

heavenly powers to another unable to do

397

00:19:50,759 --> 00:19:54,269

these things and all I could tell them

398

00:19:52,049 --> 00:19:57,950

is if he's doing them with heavenly

399

00:19:54,269 --> 00:20:00,000

powers he is doing it the hard way

400
00:19:57,950 --> 00:20:03,240
because I used

401
00:20:00,000 --> 00:20:06,660
jet shameless trickery to do this

402
00:20:03,240 --> 00:20:10,279
I think though goes but it's at all and

403
00:20:06,660 --> 00:20:13,080
the faith Collider sharp from the chief

404
00:20:10,279 --> 00:20:23,700
class that main command your respective

405
00:20:13,079 --> 00:20:27,960
nominal right admiration trade I do this

406
00:20:23,700 --> 00:20:29,809
to entertain you yes i deceive you but I

407
00:20:27,960 --> 00:20:32,759
do it for purposes of entertainment

408
00:20:29,809 --> 00:20:35,579
those are the magic words I don't tell

409
00:20:32,759 --> 00:20:37,259
you I've actually got the powers now I'm

410
00:20:35,579 --> 00:20:40,799
called upon and all days actually do

411
00:20:37,259 --> 00:20:45,089
this stupid spoon that big thing I feel

412
00:20:40,799 --> 00:20:47,099
like such and I mean I would grow I'm

413
00:20:45,089 --> 00:20:49,949
all grown up now and I shouldn't have to

414
00:20:47,099 --> 00:20:52,500
do this but that the public format is so

415
00:20:49,950 --> 00:20:55,110
great I can't help myself I often

416
00:20:52,500 --> 00:20:58,529
wondered you know about Geller I wonder

417
00:20:55,109 --> 00:21:00,629
if at one point in his life perhaps as a

418
00:20:58,529 --> 00:21:02,549
young man he was interested to certain

419
00:21:00,630 --> 00:21:04,020
young lady and he went through that

420
00:21:02,549 --> 00:21:06,869
traumatic experience of having to meet

421
00:21:04,019 --> 00:21:08,759
the father whoa that's a terrible moment

422
00:21:06,869 --> 00:21:11,429
when you have to meet the father shows

423
00:21:08,759 --> 00:21:12,779
up at her house and she introduced

424
00:21:11,430 --> 00:21:15,480
suited the father and she needs the room

425
00:21:12,779 --> 00:21:17,369
and the father says no matter what you

426
00:21:15,480 --> 00:21:19,009
do for a living he's interested with

427
00:21:17,369 --> 00:21:21,599
daughter's future person just in case

428

00:21:19,009 --> 00:21:24,710
something triggered all event that he'd

429
00:21:21,599 --> 00:21:24,709
say about the school Avenger sir

430
00:21:28,638 --> 00:21:36,329
and it should be a euro I was I see

431
00:21:33,690 --> 00:21:40,619
you've done school together people pay

432
00:21:36,329 --> 00:21:44,009
you for this smoothly very well you ever

433
00:21:40,618 --> 00:21:45,298
straighten spoons no I have a friend who

434
00:21:44,009 --> 00:21:50,878
does that it's a different line of work

435
00:21:45,298 --> 00:21:53,788
all the other phone Benny moved humanity

436
00:21:50,878 --> 00:21:56,128
ahead one job I need one bit

437
00:21:53,788 --> 00:21:58,980
are we better off for being able to bend

438
00:21:56,128 --> 00:22:01,858
spoons I don't think so but apparently

439
00:21:58,980 --> 00:22:04,288
some folks think so so I will make mine

440
00:22:01,858 --> 00:22:05,788
we're we way into the audience here and

441
00:22:04,288 --> 00:22:07,319
I will choose it there's a likely sub

442
00:22:05,788 --> 00:22:10,980

you sitting right there sit this

443

00:22:07,319 --> 00:22:13,079

requires no more service nobody cares

444

00:22:10,980 --> 00:22:15,298

about your part whatsoever no lies to

445

00:22:13,079 --> 00:22:16,829

learn nothing like that but you look

446

00:22:15,298 --> 00:22:19,200

like the puzzle young lady if I'm I'm

447

00:22:16,829 --> 00:22:23,878

sure you will see a great help I would

448

00:22:19,200 --> 00:22:27,149

like you to this spoon I got from China

449

00:22:23,878 --> 00:22:29,158

on it a misdeal yes I didn't get them to

450

00:22:27,148 --> 00:22:30,689

try to but never these things we've made

451

00:22:29,159 --> 00:22:32,249

they're not would you hold on the each

452

00:22:30,690 --> 00:22:34,528

has in this booth like that between your

453

00:22:32,249 --> 00:22:35,909

fingers please very good

454

00:22:34,528 --> 00:22:38,398

oh you're a natural for joke of the

455

00:22:35,909 --> 00:22:55,350

second time I'm just gonna strokes us

456

00:22:38,398 --> 00:22:56,939

both very gently cooperate now I'm just

457
00:22:55,349 --> 00:22:57,919
going to give it a little wiggle here

458
00:22:56,940 --> 00:23:01,220
how you

459
00:22:57,920 --> 00:23:03,080
all right oh look you just step seems to

460
00:23:01,220 --> 00:23:04,309
get flexible like like rubber ducky oh

461
00:23:03,079 --> 00:23:06,589
look at that

462
00:23:04,309 --> 00:23:08,359
well wonders never cease look at it just

463
00:23:06,589 --> 00:23:09,799
seemed to be getting flexible alright

464
00:23:08,359 --> 00:23:11,089
let's go look for a second here I'll

465
00:23:09,799 --> 00:23:12,789
just hold it up for everyone to see in

466
00:23:11,089 --> 00:23:15,369
fact I'll go back up to the stage here

467
00:23:12,789 --> 00:23:18,920
where everyone can see it a bit better

468
00:23:15,369 --> 00:23:20,539
it is after all a tiny food but that's

469
00:23:18,920 --> 00:23:23,630
what they give you were talking there's

470
00:23:20,539 --> 00:23:30,589
nothing you're just struggling

471
00:23:23,630 --> 00:23:33,440
it gets all fluffy the more you hold it

472
00:23:30,589 --> 00:23:35,959
here the flop your camps look the

473
00:23:33,440 --> 00:23:39,789
illusion is so strong many people say

474
00:23:35,960 --> 00:23:39,789
they can swear that they actually think

475
00:23:43,240 --> 00:23:51,440
even that's a surprise to me my way down

476
00:23:49,880 --> 00:23:52,610
position of me would you hold your two

477
00:23:51,440 --> 00:23:55,750
hands up the property like that

478
00:23:52,609 --> 00:23:55,750
very good

479
00:24:04,700 --> 00:24:11,029
mr. cover thank you I think mr. governor

480
00:24:08,369 --> 00:24:13,799
that by divine powers that was a trick

481
00:24:11,029 --> 00:24:16,079
now I'm going to show you another

482
00:24:13,799 --> 00:24:18,419
especially of mr. Geller he does this

483
00:24:16,079 --> 00:24:20,970
one also by divine powers he did in

484
00:24:18,420 --> 00:24:23,130
laboratories in California California

485

00:24:20,970 --> 00:24:26,400
gets put in for a lot of those something

486
00:24:23,130 --> 00:24:27,930
look some reason earlier that they seem

487
00:24:26,400 --> 00:24:30,780
to fall for this stuff rather easily

488
00:24:27,930 --> 00:24:32,910
this is the Stanford research labs

489
00:24:30,779 --> 00:24:39,470
they're not Central University don't

490
00:24:32,910 --> 00:24:41,790
blame them for that again I'm sorry he

491
00:24:39,470 --> 00:24:44,789
did a demonstration for them what they

492
00:24:41,789 --> 00:24:47,849
found to be supernatural in nature

493
00:24:44,789 --> 00:24:50,639
I'm going to do it for you with any luck

494
00:24:47,849 --> 00:24:52,589
and then I'm going to repeat it in slow

495
00:24:50,640 --> 00:24:55,110
motion so you'll be able to catch me at

496
00:24:52,589 --> 00:24:58,049
it and it will thereby the educational

497
00:24:55,109 --> 00:24:59,219
educational as well as entertain you now

498
00:24:58,049 --> 00:25:01,169
I'm at the bar of a gentleman's

499
00:24:59,220 --> 00:25:03,420

wristwatch one with hands on it

500

00:25:01,170 --> 00:25:05,730

preferably a real watch that is how many

501

00:25:03,420 --> 00:25:07,680

digital terrible things that one there

502

00:25:05,730 --> 00:25:08,099

all right I'll borrow your locked if I

503

00:25:07,680 --> 00:25:11,100

may

504

00:25:08,099 --> 00:25:14,789

oh thank you so much very good they

505

00:25:11,099 --> 00:25:18,719

dumped little this is a signal it's a

506

00:25:14,789 --> 00:25:20,609

very good making washed already I I will

507

00:25:18,720 --> 00:25:23,250

stand right about there we're going

508

00:25:20,609 --> 00:25:26,759

pretty well TV this is a Seiko watch

509

00:25:23,250 --> 00:25:27,180

which is says Friday the 10th that's

510

00:25:26,759 --> 00:25:30,990

right

511

00:25:27,180 --> 00:25:33,060

and we'll see if we agree here well I am

512

00:25:30,990 --> 00:25:34,289

about two minutes slower than you are

513

00:25:33,059 --> 00:25:36,210

but that's close enough for government

514
00:25:34,289 --> 00:25:37,950
work like they say now I would like if

515
00:25:36,210 --> 00:25:40,950
you would sir just check the time on

516
00:25:37,950 --> 00:25:44,130
that is that 20 minutes to just maybe 20

517
00:25:40,950 --> 00:25:46,440
and a half minutes to and I say 2015

518
00:25:44,130 --> 00:25:48,390
this - but we won't argue over this like

519
00:25:46,440 --> 00:25:51,259
there if you open your hand for me

520
00:25:48,390 --> 00:25:51,259
they clean

521
00:25:52,009 --> 00:25:55,400
hand on the back of it just one figure

522
00:25:53,779 --> 00:25:58,690
out the back but like that very good

523
00:25:55,400 --> 00:26:24,350
hold it up like that but I can see it

524
00:25:58,690 --> 00:26:26,120
the power is what I'm trying to do the

525
00:26:24,349 --> 00:26:30,889
stop the watch and make it run backwards

526
00:26:26,119 --> 00:26:34,899
not an easy thing I don't have to go

527
00:26:30,890 --> 00:26:34,900
like giving in likes of the magicians

528
00:26:35,470 --> 00:26:41,600
awful not that music with a shoot

529
00:26:39,640 --> 00:26:45,140
what times did not say that you're

530
00:26:41,599 --> 00:26:46,369
watching quarter past seven help time

531
00:26:45,140 --> 00:26:48,429
flies when you're having such a good

532
00:26:46,369 --> 00:26:48,428
time

533
00:26:54,490 --> 00:26:58,220
but this time I'm going to do it in slow

534
00:26:57,650 --> 00:27:00,200
motion

535
00:26:58,220 --> 00:27:02,600
all right so that you'll be able to

536
00:27:00,200 --> 00:27:04,309
catch me at it and there are two moments

537
00:27:02,599 --> 00:27:07,369
of truth which I will point out to you

538
00:27:04,309 --> 00:27:11,509
during the performance let's go has a

539
00:27:07,369 --> 00:27:14,589
secret of the whole thing all right this

540
00:27:11,509 --> 00:27:14,589
is the way we do it in slow motion

541
00:27:20,440 --> 00:27:26,840
well if I do it that way we'll be here

542

00:27:23,119 --> 00:27:28,489
all evening so I will move over to and

543
00:27:26,839 --> 00:27:29,839
pick up the one now what did I do when

544
00:27:28,490 --> 00:27:32,120
you first handed it to me

545
00:27:29,839 --> 00:27:34,309
do you don't quite recall well I took it

546
00:27:32,119 --> 00:27:37,129
like this he's in it i dangled it alone

547
00:27:34,309 --> 00:27:41,200
and I turned around I stepped over here

548
00:27:37,130 --> 00:27:44,030
and I said that if everyone could see me

549
00:27:41,200 --> 00:27:46,880
this business is very important this

550
00:27:44,029 --> 00:27:49,490
business of just dangling it that sense

551
00:27:46,880 --> 00:27:51,050
in your mind the notion that I'm not

552
00:27:49,490 --> 00:27:54,410
touching the body of the watch which at

553
00:27:51,049 --> 00:27:56,119
this point I have lost I'll do this sort

554
00:27:54,410 --> 00:27:58,970
of a thing to transfer it back and forth

555
00:27:56,119 --> 00:28:00,769
and this sell steal subliminally really

556
00:27:58,970 --> 00:28:02,480

on the marital level that sells to you

557

00:28:00,769 --> 00:28:04,309

to all the man's not fetching the logit

558

00:28:02,480 --> 00:28:06,620

oh how can you possibly influence in any

559

00:28:04,309 --> 00:28:09,919

way then come to the moment of truth I

560

00:28:06,619 --> 00:28:14,449

put my hand into it like this I turn to

561

00:28:09,920 --> 00:28:17,029

my watch to compare it and I say oh it

562

00:28:14,450 --> 00:28:19,400

says such a second time and as I do this

563

00:28:17,029 --> 00:28:21,230

I come up with this finger place it

564

00:28:19,400 --> 00:28:23,690

underneath the wine new staff which down

565

00:28:21,230 --> 00:28:24,950

the side on this cycle and go click and

566

00:28:23,690 --> 00:28:26,509

pull it up like that

567

00:28:24,950 --> 00:28:29,420

you don't notice that did you don't know

568

00:28:26,509 --> 00:28:31,369

what to look for right of course and I

569

00:28:29,420 --> 00:28:33,470

look at my watch and I point out a great

570

00:28:31,369 --> 00:28:35,569

deal of that can I say it says 19

571
00:28:33,470 --> 00:28:38,750
minutes before 8 o'clock

572
00:28:35,569 --> 00:28:40,399
now watch the move again and I turned

573
00:28:38,750 --> 00:28:42,890
back to look at this one I simply go

574
00:28:40,400 --> 00:28:45,259
with this finger just zoom like that

575
00:28:42,890 --> 00:28:47,090
move it across the the hack that's the

576
00:28:45,259 --> 00:28:49,819
winding step it's moving across like

577
00:28:47,089 --> 00:28:51,349
that like that and the time change now I

578
00:28:49,819 --> 00:28:53,429
would like to tend to

579
00:28:51,349 --> 00:28:55,589
now eccentric insemination

580
00:28:53,430 --> 00:28:58,170
see okay then I press the winding stem

581
00:28:55,589 --> 00:29:00,929
back yet again and the work is done but

582
00:28:58,170 --> 00:29:03,570
what I do at this moment is in doing

583
00:29:00,930 --> 00:29:06,269
that I miss direct your attention again

584
00:29:03,569 --> 00:29:09,089
by saying now would you hold the watch

585
00:29:06,269 --> 00:29:10,889
put your finger on the back of it and

586
00:29:09,089 --> 00:29:13,079
put your hand up like that put your

587
00:29:10,890 --> 00:29:14,940
finger on the back of it okay

588
00:29:13,079 --> 00:29:19,619
that keeps them from turning it over you

589
00:29:14,940 --> 00:29:22,170
can see I don't wanna look at and then I

590
00:29:19,619 --> 00:29:25,259
think I've hurt myself and finish the

591
00:29:22,170 --> 00:29:26,730
follow part of the accent now I use the

592
00:29:25,259 --> 00:29:27,839
greatest weapons that the psychics and

593
00:29:26,730 --> 00:29:35,519
the magician's happen

594
00:29:27,839 --> 00:29:38,819
it's called lie I take the watch from

595
00:29:35,519 --> 00:29:41,309
you and I say mmm not yet but of course

596
00:29:38,819 --> 00:29:43,109
the thymus or when you change the TV and

597
00:29:41,309 --> 00:29:47,599
I turn it back to and I put it on your

598
00:29:43,109 --> 00:29:47,599
hand and you say oh I'm gonna watch now

599

00:29:50,630 --> 00:29:55,710
then I take it from you and I say oh and

600
00:29:53,819 --> 00:29:57,929
look what time it is now and you get all

601
00:29:55,710 --> 00:30:01,009
of Sonic's amazing everybody applause

602
00:29:57,930 --> 00:30:01,009
and it's just wonderful

603
00:30:10,960 --> 00:30:16,279
but the lesson here folks is you didn't

604
00:30:14,150 --> 00:30:18,140
know what to look for you didn't know

605
00:30:16,279 --> 00:30:20,240
what was going to happen so you didn't

606
00:30:18,140 --> 00:30:22,460
know what to look for it was very easy

607
00:30:20,240 --> 00:30:24,440
to get away with this sort of thing but

608
00:30:22,460 --> 00:30:25,940
now that I was showing you how this

609
00:30:24,440 --> 00:30:29,200
trick and it's a trick when I do it

610
00:30:25,940 --> 00:30:32,299
defines what mr. Keller doesn't notice

611
00:30:29,200 --> 00:30:36,200
you got to be very careful that I do

612
00:30:32,299 --> 00:30:38,539
this trick constantly for audiences just

613
00:30:36,200 --> 00:30:40,220

like you and I tell them now that you

614

00:30:38,539 --> 00:30:44,450

see that you'll know how it's done in

615

00:30:40,220 --> 00:30:46,130

the future wrong because while I'm

616

00:30:44,450 --> 00:30:46,340

standing here telling you how smart you

617

00:30:46,130 --> 00:30:49,310

are

618

00:30:46,339 --> 00:30:55,759

well sir 4fu would tell them times this

619

00:30:49,309 --> 00:30:58,009

day now 2006 you see well I'm telling

620

00:30:55,759 --> 00:30:59,930

you how it's not you are I just did it

621

00:30:58,009 --> 00:31:00,890

again so other knowledge is a dangerous

622

00:30:59,930 --> 00:31:09,080

thing

623

00:31:00,890 --> 00:31:13,790

thank you very much the lesson here

624

00:31:09,079 --> 00:31:16,240

folks is this I'm serious it is not

625

00:31:13,789 --> 00:31:18,500

stupid uneducated unsophisticated

626

00:31:16,240 --> 00:31:21,140

tolerance out there that fall for the

627

00:31:18,500 --> 00:31:23,660

supernatural the paranormal vehicle it's

628
00:31:21,140 --> 00:31:26,120
folks like you would think we can all be

629
00:31:23,660 --> 00:31:28,340
deceived because we can deceive

630
00:31:26,119 --> 00:31:30,799
ourselves more easily than someone else

631
00:31:28,339 --> 00:31:33,829
can see this all they really have to do

632
00:31:30,799 --> 00:31:38,180
is set us on the path and we will

633
00:31:33,829 --> 00:31:40,699
deceive ourselves part of a good example

634
00:31:38,180 --> 00:31:42,470
of that is the faith healers now I

635
00:31:40,700 --> 00:31:45,559
noticed on television just before

636
00:31:42,470 --> 00:31:47,269
leaving the hotel up here that this

637
00:31:45,559 --> 00:31:49,220
weekend and I didn't get the day and I

638
00:31:47,269 --> 00:31:51,109
didn't get the channel on sorry but this

639
00:31:49,220 --> 00:31:53,839
weekend there is a major program coming

640
00:31:51,109 --> 00:31:57,589
up on the Scranton television about the

641
00:31:53,839 --> 00:31:59,539
faith healing racket and Danny Kent has

642
00:31:57,589 --> 00:32:01,379
one of those who is featured you know

643
00:31:59,539 --> 00:32:03,869
the name Benny Hinn in this country

644
00:32:01,380 --> 00:32:07,710
all the alligators come here to Atlantic

645
00:32:03,869 --> 00:32:09,569
City well then again I almost created

646
00:32:07,710 --> 00:32:12,210
Ben again because when I wrote my book

647
00:32:09,569 --> 00:32:14,460
the faith here is some years back and I

648
00:32:12,210 --> 00:32:16,829
expose people like W a big crowns and

649
00:32:14,460 --> 00:32:18,809
they would fall and peter Popoff and

650
00:32:16,829 --> 00:32:20,189
sight and pretty well put them out of

651
00:32:18,809 --> 00:32:25,289
business one of the rights of prisoners

652
00:32:20,190 --> 00:32:27,120
about in fact their adherence didn't

653
00:32:25,289 --> 00:32:29,250
look around and say hey I guess I was

654
00:32:27,119 --> 00:32:32,369
swindled I won't let that happen again

655
00:32:29,250 --> 00:32:34,200
so all they said was oh he swindled me

656

00:32:32,369 --> 00:32:36,299
I'm gonna find one that most women will

657
00:32:34,200 --> 00:32:37,830
be evasive returned to the only one who

658
00:32:36,299 --> 00:32:40,980
was left who was Benny thin so I'm

659
00:32:37,829 --> 00:32:43,529
pretty well created his clientele for

660
00:32:40,980 --> 00:32:44,579
him and he's doing very strongly but I'm

661
00:32:43,529 --> 00:32:46,639
going to let you in and this is the

662
00:32:44,579 --> 00:32:49,199
first time I have announced as a public

663
00:32:46,640 --> 00:32:51,300
this is a select group Monteux

664
00:32:49,200 --> 00:32:56,279
understand why I'm so concerned over

665
00:32:51,299 --> 00:32:59,279
this I was called up seventy eight

666
00:32:56,279 --> 00:33:03,210
months ago now by a producer an English

667
00:32:59,279 --> 00:33:06,990
producer UK who wanted me to go up to

668
00:33:03,210 --> 00:33:10,769
Toronto Canada to investigate Benny Hinn

669
00:33:06,990 --> 00:33:14,009
and I did just that was a very

670
00:33:10,769 --> 00:33:18,029

interesting episode right and I went

671

00:33:14,009 --> 00:33:20,369

along with the red week and the dye that

672

00:33:18,029 --> 00:33:22,559

I use didn't die by my beard red and

673

00:33:20,369 --> 00:33:24,809

black contact lenses that I put in so

674

00:33:22,559 --> 00:33:32,909

that they don't see me going I really

675

00:33:24,809 --> 00:33:35,549

you know I listen disguise in Toronto I

676

00:33:32,910 --> 00:33:37,710

had filtrated the the group they got me

677

00:33:35,549 --> 00:33:41,899

a press past which I've owned around my

678

00:33:37,710 --> 00:33:44,700

neck and I got into the the main floor

679

00:33:41,900 --> 00:33:46,530

it was a big relief gardens if you know

680

00:33:44,700 --> 00:33:49,470

Toronto Canada at all you'll know that

681

00:33:46,529 --> 00:33:53,309

that is a huge huge arena in downtown

682

00:33:49,470 --> 00:33:54,720

Toronto and it was jam-packed there were

683

00:33:53,309 --> 00:33:56,700

by estimation

684

00:33:54,720 --> 00:33:58,559

of the press that same night there were

685
00:33:56,700 --> 00:34:00,720
over 2,000 people outside on the street

686
00:33:58,559 --> 00:34:03,929
watching it on TV monitors they just

687
00:34:00,720 --> 00:34:05,370
couldn't accommodate anymore and I will

688
00:34:03,930 --> 00:34:07,200
go through the whole description of it

689
00:34:05,369 --> 00:34:09,690
because that will be produced eventually

690
00:34:07,200 --> 00:34:13,170
as a special documentary on banging him

691
00:34:09,690 --> 00:34:14,940
and mr. Rehberg and mr. ian is not going

692
00:34:13,170 --> 00:34:17,700
to much care for it I can assure you I

693
00:34:14,940 --> 00:34:21,030
couldn't happen to a nicer guy

694
00:34:17,699 --> 00:34:23,509
I saw one episode which I'll share with

695
00:34:21,030 --> 00:34:27,030
you there there was a child and I'm not

696
00:34:23,510 --> 00:34:29,310
medically an expert so I I just don't

697
00:34:27,030 --> 00:34:31,830
know but it might have been cerebral

698
00:34:29,309 --> 00:34:32,940
palsy I'm not sure the child was pretty

699

00:34:31,829 --> 00:34:35,460
one on it but it was dressed in an

700

00:34:32,940 --> 00:34:38,010
exercise soon appeared to be about maybe

701

00:34:35,460 --> 00:34:39,960
eight or nine years of age and they the

702

00:34:38,010 --> 00:34:41,550
father was carrying him in his arm for

703

00:34:39,960 --> 00:34:44,760
the child was flailing around and was

704

00:34:41,550 --> 00:34:47,400
really quite out of it and obviously

705

00:34:44,760 --> 00:34:51,210
very very seriously afflicted and the

706

00:34:47,400 --> 00:34:53,250
mother was holding on to the the husband

707

00:34:51,210 --> 00:34:55,260
as they wanted to get home

708

00:34:53,250 --> 00:34:57,179
trying to get up on this threat and I'm

709

00:34:55,260 --> 00:34:59,580
coming and going here trying to get up

710

00:34:57,179 --> 00:35:03,079
on the stage so that Reverend Hendon

711

00:34:59,579 --> 00:35:07,170
could use his healing methodologies sure

712

00:35:03,079 --> 00:35:08,869
and heaven will not nothing effective

713

00:35:07,170 --> 00:35:12,180
whatever allows someone is truly

714
00:35:08,869 --> 00:35:13,679
obviously visibly afflicted get anywhere

715
00:35:12,179 --> 00:35:15,929
near the stage no one in the wheelchair

716
00:35:13,679 --> 00:35:18,389
ever gets up there unless it's their

717
00:35:15,929 --> 00:35:21,599
wheelchairs and then you put them into

718
00:35:18,389 --> 00:35:23,519
the wheelchair this was really very sad

719
00:35:21,599 --> 00:35:25,980
to see but we were in a position where I

720
00:35:23,519 --> 00:35:27,179
could see it I group the group that's

721
00:35:25,980 --> 00:35:29,340
where they could see it personally

722
00:35:27,179 --> 00:35:31,049
the father kept charging up and down the

723
00:35:29,340 --> 00:35:33,090
aisles being turned back by security

724
00:35:31,050 --> 00:35:34,500
people and people look like football

725
00:35:33,090 --> 00:35:36,600
players but maybe Big Shoulders

726
00:35:34,500 --> 00:35:38,730
everybody in with a special red green

727
00:35:36,599 --> 00:35:40,710

badges on and they were constantly

728

00:35:38,730 --> 00:35:42,630

directing him around the crowd down to

729

00:35:40,710 --> 00:35:46,170

the rear end of a of the hall again

730

00:35:42,630 --> 00:35:48,450

never got anywhere near him at all until

731

00:35:46,170 --> 00:35:50,909

he and his wife made the decision they

732

00:35:48,449 --> 00:35:52,649

were going to do a rush and now in the

733

00:35:50,909 --> 00:35:55,379

may not all be came charging

734

00:35:52,650 --> 00:35:57,650

literally hooting all these people out

735

00:35:55,380 --> 00:36:00,170

of the way the wife running in advance

736

00:35:57,650 --> 00:36:02,720

and putting the bodyguards under the way

737

00:36:00,170 --> 00:36:05,000

on the security people ran up the stairs

738

00:36:02,719 --> 00:36:06,679

right by the security people have really

739

00:36:05,000 --> 00:36:10,699

got through them and out into the center

740

00:36:06,679 --> 00:36:12,919

of the stage with his summon deserve and

741

00:36:10,699 --> 00:36:15,319

ease that Reverend we've followed you

742
00:36:12,920 --> 00:36:17,119
for 20 cities around Canada and the

743
00:36:15,320 --> 00:36:19,700
United States and I've never been able

744
00:36:17,119 --> 00:36:21,949
to get to the healing stage heal my son

745
00:36:19,699 --> 00:36:27,879
please heal my son tears streaming down

746
00:36:21,949 --> 00:36:30,559
states and him handled it in a very

747
00:36:27,880 --> 00:36:35,000
professional manner

748
00:36:30,559 --> 00:36:38,150
this is what he did he held up his hand

749
00:36:35,000 --> 00:36:41,539
and quiet the crowd and he said we are

750
00:36:38,150 --> 00:36:44,090
in the presence of God Almighty and the

751
00:36:41,539 --> 00:36:46,279
crowd was quite up he said and God is

752
00:36:44,090 --> 00:36:48,769
going to bring his healing power to this

753
00:36:46,280 --> 00:36:52,070
little boy for a second it occurred to

754
00:36:48,769 --> 00:36:53,480
me maybe this is a setup this might be a

755
00:36:52,070 --> 00:36:58,940
setup these people might be working

756
00:36:53,480 --> 00:37:01,789
within that was to dissipate cover n

757
00:36:58,940 --> 00:37:03,829
went to the child held a hand on his

758
00:37:01,789 --> 00:37:06,050
forehead while he was in the father's

759
00:37:03,829 --> 00:37:08,690
arms and writhing around this sort of a

760
00:37:06,050 --> 00:37:11,090
thing and he held the other hand up and

761
00:37:08,690 --> 00:37:14,780
he said all of you charting paradin how

762
00:37:11,090 --> 00:37:18,440
OID God to bring his healing power to

763
00:37:14,780 --> 00:37:20,450
this high and he pressed him on the

764
00:37:18,440 --> 00:37:23,210
forehead childhood reacted all was still

765
00:37:20,449 --> 00:37:27,769
writhing around and the pastor of

766
00:37:23,210 --> 00:37:30,769
standing there visibly crying just on

767
00:37:27,769 --> 00:37:33,079
controlling and he said Jesus Britain's

768
00:37:30,769 --> 00:37:36,440
our power appealing to this little boy

769
00:37:33,079 --> 00:37:38,769
bring it now or bring it an hour from

770

00:37:36,440 --> 00:37:43,420
now breathe in a day or a week

771
00:37:38,769 --> 00:37:46,269
from now when your will desires bring

772
00:37:43,420 --> 00:37:47,920
this power of healing to this thought

773
00:37:46,269 --> 00:37:50,860
hallelujah have they all yelled

774
00:37:47,920 --> 00:37:52,809
hallelujah him turned the man around the

775
00:37:50,860 --> 00:37:54,730
two security peoples grabbed the two of

776
00:37:52,809 --> 00:37:57,429
them took them to the edge of the stage

777
00:37:54,730 --> 00:37:59,829
and from where were over at that side we

778
00:37:57,429 --> 00:38:03,059
filmed it rushed him down the stairs

779
00:37:59,829 --> 00:38:05,679
along the aisle to the outside doors

780
00:38:03,059 --> 00:38:07,480
push them out into the street slammed

781
00:38:05,679 --> 00:38:10,179
the doors behind him and drew the

782
00:38:07,480 --> 00:38:13,630
curtains and they were on the street

783
00:38:10,179 --> 00:38:16,389
within ten or twelve seconds of leaving

784
00:38:13,630 --> 00:38:18,430

that stage and it was right back there

785

00:38:16,389 --> 00:38:19,809
screaming hallelujah and now we're going

786

00:38:18,429 --> 00:38:21,690
to read from the good book and he

787

00:38:19,809 --> 00:38:25,329
started to read from the Bible that

788

00:38:21,690 --> 00:38:28,809
piece of recording will never hit the

789

00:38:25,329 --> 00:38:30,909
air you know that well it will when that

790

00:38:28,809 --> 00:38:33,960
program is broadcast that myth is not

791

00:38:30,909 --> 00:38:33,960
going to be happy about that

792

00:38:39,920 --> 00:38:44,510
this is the kind of thing ladies and

793

00:38:41,690 --> 00:38:46,700
gentlemen that should give us all good

794

00:38:44,510 --> 00:38:49,400
reason to be proud of the fact that

795

00:38:46,699 --> 00:38:52,328
we're here today and that we think the

796

00:38:49,400 --> 00:38:55,010
way we do and that we act the way we do

797

00:38:52,329 --> 00:38:57,619
my respect for the whole skeptical

798

00:38:55,010 --> 00:39:02,450
movement fighting pseudoscience and

799

00:38:57,619 --> 00:39:05,059

fighting quietly such as this is always

800

00:39:02,449 --> 00:39:07,278

enhanced when I find that good people

801

00:39:05,059 --> 00:39:11,869

can gather together in force like you

802

00:39:07,278 --> 00:39:14,630

have today and by being seen and being

803

00:39:11,869 --> 00:39:17,298

heard make sure that the world knows

804

00:39:14,630 --> 00:39:19,519

that we're here and that we're serious

805

00:39:17,298 --> 00:39:21,858

about this thing I'm going to show you a

806

00:39:19,518 --> 00:39:24,618

piece of tape down that will set you up

807

00:39:21,858 --> 00:39:26,960

for it very quickly this also deals with

808

00:39:24,619 --> 00:39:31,700

the pay payment racket the take care

809

00:39:26,960 --> 00:39:35,690

about to see needs just that preparation

810

00:39:31,699 --> 00:39:38,989

we investigated a man named WB grant

811

00:39:35,690 --> 00:39:40,818

years ago BB B grant is the one that

812

00:39:38,989 --> 00:39:42,768

eventually went to prison for income tax

813
00:39:40,818 --> 00:39:44,528
evasions not for what he was doing it

814
00:39:42,768 --> 00:39:46,909
was really criminal in my estimation

815
00:39:44,528 --> 00:39:49,670
swindling people and pretending to heal

816
00:39:46,909 --> 00:39:51,909
them I want to give you a quick walk

817
00:39:49,670 --> 00:39:55,490
through a sort of a reenactment of what

818
00:39:51,909 --> 00:39:58,788
well a pendant of what grant would do

819
00:39:55,489 --> 00:40:01,278
and he had an SMR quote super to this of

820
00:39:58,789 --> 00:40:03,890
the handheld look in his hat this is

821
00:40:01,278 --> 00:40:05,480
what he does they buy other it beats his

822
00:40:03,889 --> 00:40:09,409
arm but yellow slips of paper sticking

823
00:40:05,480 --> 00:40:11,630
out of the end the open survival wear a

824
00:40:09,409 --> 00:40:14,449
yellow so the paper is inserted and he

825
00:40:11,630 --> 00:40:16,009
reads a passage from the Bible takes out

826
00:40:14,449 --> 00:40:19,669
the yellow slip and puts it in his

827

00:40:16,009 --> 00:40:25,730
pocket close at the Bible said oh yeah

828
00:40:19,670 --> 00:40:30,139
hallelujah hallelujah i I'm driven to

829
00:40:25,730 --> 00:40:32,480
say bill bill middle sir what is your

830
00:40:30,139 --> 00:40:36,799
name he steps to a gentleman sitting in

831
00:40:32,480 --> 00:40:39,170
a wheelchair on the high with us

832
00:40:36,800 --> 00:40:43,519
he says have I ever met you before bill

833
00:40:39,170 --> 00:40:49,220
he says no Reverend said that then you

834
00:40:43,519 --> 00:40:51,349
can tell the people that bill diesel

835
00:40:49,219 --> 00:40:53,029
have arthritis of the knees he said yes

836
00:40:51,349 --> 00:40:57,079
Reverend did you tell that to me or to

837
00:40:53,030 --> 00:40:58,670
anyone he said no I didn't you're going

838
00:40:57,079 --> 00:41:01,549
oh

839
00:40:58,670 --> 00:41:05,150
doctor your glance though what you're

840
00:41:01,550 --> 00:41:05,720
dr. glass though you tell that to me for

841
00:41:05,150 --> 00:41:09,559

anyone

842

00:41:05,719 --> 00:41:11,750

no I didn't doctor presence in the city

843

00:41:09,559 --> 00:41:13,940

bill you don't need me anymore

844

00:41:11,750 --> 00:41:19,250

if you've been healed and you've been

845

00:41:13,940 --> 00:41:21,079

healed by he and really coming and going

846

00:41:19,250 --> 00:41:25,489

here some problem sorry about that

847

00:41:21,079 --> 00:41:28,130

I see an angel standing over a doorway

848

00:41:25,489 --> 00:41:29,389

though there's a number one one six on

849

00:41:28,130 --> 00:41:31,970

that during what we're do you live I

850

00:41:29,389 --> 00:41:35,089

live up one 16th Avenue you tell that to

851

00:41:31,969 --> 00:41:37,339

me or any well no I didn't see now that

852

00:41:35,090 --> 00:41:39,110

angel is saying holy angel is smiling

853

00:41:37,340 --> 00:41:40,910

how the Billy of the into is smiling

854

00:41:39,110 --> 00:41:42,410

because you are healed bill and I want

855

00:41:40,909 --> 00:41:45,019

you to stand up out of that wheelchair

856
00:41:42,409 --> 00:41:46,819
stand up Santa carry umbrella over touch

857
00:41:45,019 --> 00:41:49,159
the wall there come back and tell us who

858
00:41:46,820 --> 00:41:51,170
he'll get hallelujah hallelujah and bill

859
00:41:49,159 --> 00:41:53,239
gets up very unsteadily out of the

860
00:41:51,170 --> 00:41:55,550
wheelchair and those over to the wall

861
00:41:53,239 --> 00:41:57,469
slowly touches the wall parish drink me

862
00:41:55,550 --> 00:41:59,900
down the space comes back is about to

863
00:41:57,469 --> 00:42:02,000
sit down in the wheelchair and grant

864
00:41:59,900 --> 00:42:04,519
system that your wheelchair bill and he

865
00:42:02,000 --> 00:42:05,269
looks at it as well yes no you don't

866
00:42:04,519 --> 00:42:07,369
meet that wheelchair

867
00:42:05,269 --> 00:42:08,750
throw the decide to sit down on that

868
00:42:07,369 --> 00:42:12,670
chair is you've been given by doctor

869
00:42:08,750 --> 00:42:15,050
Jesus how does he do it

870
00:42:12,670 --> 00:42:17,599
how does he do it is a little stooge

871
00:42:15,050 --> 00:42:19,820
Michele no nothing be far too dangerous

872
00:42:17,599 --> 00:42:22,069
could bill could talk to me

873
00:42:19,820 --> 00:42:26,120
no he'll really genuinely thinks he's

874
00:42:22,070 --> 00:42:29,420
Mathilde and bill is not a stooge but we

875
00:42:26,119 --> 00:42:31,569
went there three hours earlier I wearing

876
00:42:29,420 --> 00:42:33,909
the red wig of a dying the very red

877
00:42:31,570 --> 00:42:36,100
for the black contact lenses etc and

878
00:42:33,909 --> 00:42:38,670
with a an artificial tummy which I don't

879
00:42:36,099 --> 00:42:42,489
really have to put on it

880
00:42:38,670 --> 00:42:44,980
and the terrible suit in disguise we

881
00:42:42,489 --> 00:42:46,539
were there three hours earlier at a

882
00:42:44,980 --> 00:42:48,639
certain point while people were filing

883
00:42:46,539 --> 00:42:51,340
in very slowly and begin to taking up

884

00:42:48,639 --> 00:42:53,170
the seats and police are this fella

885
00:42:51,340 --> 00:42:55,930
named bill coming down the aisle

886
00:42:53,170 --> 00:42:58,750
very unsteadily mrs. grant the wife of

887
00:42:55,929 --> 00:43:00,699
Reverend run up to it and she said

888
00:42:58,750 --> 00:43:02,440
hallelujah brother Halle on mrs. Brown

889
00:43:00,699 --> 00:43:04,899
the Reverend grants wife are you here to

890
00:43:02,440 --> 00:43:07,150
be healed by Jesus and he said yes well

891
00:43:04,900 --> 00:43:08,920
I hope so no you know so why don't you

892
00:43:07,150 --> 00:43:10,150
sit in this wheelchair we have these

893
00:43:08,920 --> 00:43:11,500
with I don't need the wheelchair don't

894
00:43:10,150 --> 00:43:13,119
sit in the wheelchair then I'll bring

895
00:43:11,500 --> 00:43:14,710
you up to the front and you'll be right

896
00:43:13,119 --> 00:43:15,880
at the end and that way Reverend grant

897
00:43:14,710 --> 00:43:16,210
will know that you are looking for

898
00:43:15,880 --> 00:43:17,980

healing

899

00:43:16,210 --> 00:43:20,110

oh ho all right he sits down in the

900

00:43:17,980 --> 00:43:21,699

wheelchair all the way down the aisle

901

00:43:20,110 --> 00:43:23,260

why don't you fill out this form give us

902

00:43:21,699 --> 00:43:26,139

a name of your doctor and your address

903

00:43:23,260 --> 00:43:28,810

and the name of the hospital that you go

904

00:43:26,139 --> 00:43:30,940

to and know what your your problem is

905

00:43:28,809 --> 00:43:33,639

and what you think about it then all

906

00:43:30,940 --> 00:43:36,220

this information he fills it up she

907

00:43:33,639 --> 00:43:38,109

takes it home and she says now I'll take

908

00:43:36,219 --> 00:43:40,029

this back to her account he'll make sure

909

00:43:38,110 --> 00:43:43,000

that you're on our list of of free

910

00:43:40,030 --> 00:43:44,860

subscriptions to Reverend grants journal

911

00:43:43,000 --> 00:43:46,570

with a picture of every grant on the

912

00:43:44,860 --> 00:43:49,360

cover of each one Wow how can I pass

913
00:43:46,570 --> 00:43:51,970
that up and it's taken backstage it's

914
00:43:49,360 --> 00:43:57,160
showing the grant grant on a yellow slip

915
00:43:51,969 --> 00:43:58,809
of paper rice bill 116 Avenue arthritis

916
00:43:57,159 --> 00:44:01,059
in the knees dr. Gladstone grace

917
00:43:58,809 --> 00:44:02,769
hospital all of the information we heard

918
00:44:01,059 --> 00:44:04,659
how do we know that because we want your

919
00:44:02,769 --> 00:44:06,070
garbage after which we found that's what

920
00:44:04,659 --> 00:44:07,869
the paper along with dozens of others

921
00:44:06,070 --> 00:44:09,430
that we're stuck in the Bible he wasn't

922
00:44:07,869 --> 00:44:11,139
reading from the Bible he was reading

923
00:44:09,429 --> 00:44:13,089
from the all slip of paper the

924
00:44:11,139 --> 00:44:15,549
information that he had to give to build

925
00:44:13,090 --> 00:44:17,170
was sitting on the car that's the

926
00:44:15,550 --> 00:44:19,030
information and how did he get the

927
00:44:17,170 --> 00:44:20,889
wheelchair will we know that now don't

928
00:44:19,030 --> 00:44:23,170
we well if his wheelchair but everyone

929
00:44:20,889 --> 00:44:25,210
there assumed that he came in in the

930
00:44:23,170 --> 00:44:27,309
wheelchair and when they threw it aside

931
00:44:25,210 --> 00:44:29,500
he's healed because he's no longer in

932
00:44:27,309 --> 00:44:31,889
the wheelchair that's how insidious this

933
00:44:29,500 --> 00:44:34,829
business is folks and that's what

934
00:44:31,889 --> 00:44:36,239
the methods that they use to do it I'm

935
00:44:34,829 --> 00:44:39,960
going to show you a bit of tape now with

936
00:44:36,239 --> 00:44:42,419
a different man on it I solved the the

937
00:44:39,960 --> 00:44:44,880
problem with Reverend Popov he was

938
00:44:42,420 --> 00:44:47,490
better than grant was much better and if

939
00:44:44,880 --> 00:44:49,230
you look at this you will see the the

940
00:44:47,489 --> 00:44:51,000
whole procedure developed right before

941

00:44:49,230 --> 00:44:52,318
you I'll tell you very quickly that I

942
00:44:51,000 --> 00:44:54,480
went to the state attorney in California

943
00:44:52,318 --> 00:44:55,768
and jor-el Savino and I laid this out

944
00:44:54,480 --> 00:44:57,480
before him all the evidence the

945
00:44:55,768 --> 00:44:59,159
videotape the whole thing and he shook

946
00:44:57,480 --> 00:45:00,480
his head he said that's really terrible

947
00:44:59,159 --> 00:45:02,159
I suggest what are you going to do about

948
00:45:00,480 --> 00:45:03,358
it so I said oh that's a rubber if I

949
00:45:02,159 --> 00:45:04,679
catch someone again forever and any

950
00:45:03,358 --> 00:45:06,778
wonder I won't get reelected

951
00:45:04,679 --> 00:45:09,118
my next question murder Joe is it your

952
00:45:06,778 --> 00:45:12,179
job as a politician to get reelected or

953
00:45:09,119 --> 00:45:13,890
to do what you were elected to do let's

954
00:45:12,179 --> 00:45:17,788
broke up at that point I remember I paid

955
00:45:13,889 --> 00:45:20,009

the bill and that was the end of that so

956

00:45:17,789 --> 00:45:21,990

I went over his head I went to a leading

957

00:45:20,010 --> 00:45:24,569

television personality in the United

958

00:45:21,989 --> 00:45:29,689

States Johnny Carson and this is what we

959

00:45:24,568 --> 00:45:29,690

did with that projector up on the tape

960

00:45:34,099 --> 00:45:37,009

but even a small piece of tape here

961

00:45:35,750 --> 00:45:38,449

we're going to look at would you tell us

962

00:45:37,010 --> 00:45:40,040

what we're going to see here and how you

963

00:45:38,449 --> 00:45:41,779

did this no one else let us suppose -

964

00:45:40,039 --> 00:45:43,190

well we've researched peter Popoff very

965

00:45:41,780 --> 00:45:45,050

very well administer your talk my

966

00:45:43,190 --> 00:45:46,610

apartment Reverend Popoff it's not going

967

00:45:45,050 --> 00:45:48,289

to be very happy with this I don't think

968

00:45:46,610 --> 00:45:50,690

they're going to see first of all a

969

00:45:48,289 --> 00:45:52,190

short segment of take as you would see

970
00:45:50,690 --> 00:45:53,840
it if you're watching it at home this is

971
00:45:52,190 --> 00:45:56,510
what Popoff featured on his own program

972
00:45:53,840 --> 00:45:58,910
you will apparently see a healing now we

973
00:45:56,510 --> 00:46:00,830
went to Houston Texas and we discovered

974
00:45:58,909 --> 00:46:03,699
that the man was wearing of all things a

975
00:46:00,829 --> 00:46:06,409
hearing aid in his left ear and a man

976
00:46:03,699 --> 00:46:08,000
pop off himself voicing and a matter

977
00:46:06,409 --> 00:46:09,349
heals the Deaf and the blind isn't going

978
00:46:08,000 --> 00:46:11,210
to have much use for hearing aid one

979
00:46:09,349 --> 00:46:13,099
would think if God is speaking to him

980
00:46:11,210 --> 00:46:15,590
maybe someone else is speaking to him

981
00:46:13,099 --> 00:46:18,380
and so when he got to San Francisco we

982
00:46:15,590 --> 00:46:20,570
put this though Alyx adjacent as an

983
00:46:18,380 --> 00:46:22,160
extra spare an expert in electronics and

984
00:46:20,570 --> 00:46:24,140
a surveillance man and he put a scanner

985
00:46:22,159 --> 00:46:25,670
electronic scanner on it and we picked

986
00:46:24,139 --> 00:46:27,440
up something interesting but first let's

987
00:46:25,670 --> 00:46:28,730
look at the first front of tape or this

988
00:46:27,440 --> 00:46:31,070
is the tape as you would see it if

989
00:46:28,730 --> 00:46:33,789
you're watching the show okay watch the

990
00:46:31,070 --> 00:46:33,789
monitor support

991
00:46:35,190 --> 00:46:41,450
who is Harold

992
00:46:38,179 --> 00:46:46,179
I just believe that God is going to burn

993
00:46:41,449 --> 00:46:46,179
those cataracts off of your eyes right

994
00:46:48,309 --> 00:46:54,429
three 478 Foothill Drive I tell you the

995
00:46:52,179 --> 00:46:58,029
Angels have got around about your home

996
00:46:54,429 --> 00:47:01,710
oh just take those glasses off and put

997
00:46:58,030 --> 00:47:04,570
your eyes if you've got keep their acts

998

00:47:01,710 --> 00:47:07,150
you've got God coma I want you just to

999
00:47:04,570 --> 00:47:09,010
put your hand over your eyes as I prayed

1000
00:47:07,150 --> 00:47:10,599
what these precious what sister you've

1001
00:47:09,010 --> 00:47:12,910
got that problems to take your glasses

1002
00:47:10,599 --> 00:47:15,309
off lay your hands on your eyes

1003
00:47:12,909 --> 00:47:19,319
here it comes now God is going to give

1004
00:47:15,309 --> 00:47:22,320
these precious was your mind searching

1005
00:47:19,320 --> 00:47:22,320
geez

1006
00:47:30,539 --> 00:47:34,400
he's going through this place

1007
00:47:35,219 --> 00:47:40,199
thank you Jesus okay now this recap what

1008
00:47:37,920 --> 00:47:42,510
we've seen here but these two team over

1009
00:47:40,199 --> 00:47:45,088
there at not met Papa heads right or

1010
00:47:42,510 --> 00:47:46,980
their self and yet he calls out his name

1011
00:47:45,088 --> 00:47:48,838
in any Cola a number or something a

1012
00:47:46,980 --> 00:47:50,460

Meccano their address their address

1013

00:47:48,838 --> 00:47:52,619

their astonishing to hear that because I

1014

00:47:50,460 --> 00:47:54,240

didn't tell him but what you don't know

1015

00:47:52,619 --> 00:47:55,710

is that his wife has been touring around

1016

00:47:54,239 --> 00:47:57,868

the audience getting into conversation

1017

00:47:55,710 --> 00:48:00,059

if she's gonna kill you today I see what

1018

00:47:57,869 --> 00:48:01,800

human this kind of thing and they filled

1019

00:48:00,059 --> 00:48:03,539

out healing cards in advance the program

1020

00:48:01,800 --> 00:48:05,400

had to submit there now backstage and

1021

00:48:03,539 --> 00:48:07,019

someone is sitting at a transmitter

1022

00:48:05,400 --> 00:48:08,760

backstage let's see that same segment

1023

00:48:07,019 --> 00:48:10,199

again but now you will have the

1024

00:48:08,760 --> 00:48:12,240

advantage of knowing what peter Popoff

1025

00:48:10,199 --> 00:48:14,868

is hearing it is left ear through a

1026

00:48:12,239 --> 00:48:14,868

hearing aid

1027
00:48:21,409 --> 00:48:27,279
Harry Reid with the woman praying for

1028
00:48:24,469 --> 00:48:27,279
husband Harold

1029
00:48:31,559 --> 00:48:37,890
burn those cataracts off of your eyes

1030
00:48:33,958 --> 00:48:41,929
right now with the 3 4 7 8 page for

1031
00:48:37,889 --> 00:48:41,929
chili life force

1032
00:48:42,059 --> 00:48:46,890
because I've got around about your home

1033
00:48:58,309 --> 00:49:03,079
sister you've got problems to take your

1034
00:49:00,989 --> 00:49:06,529
guts off lay your hands on your eyes

1035
00:49:03,079 --> 00:49:06,529
here it comes

1036
00:49:15,440 --> 00:49:21,269
it's a lettuce that's disturbing when

1037
00:49:19,289 --> 00:49:24,239
you see it it isn't it you tend to life

1038
00:49:21,269 --> 00:49:26,818
headed and yet these people obviously

1039
00:49:24,239 --> 00:49:28,199
are so impressive let's go there's an

1040
00:49:26,818 --> 00:49:30,329
inconceivable collapse on the floor

1041
00:49:28,199 --> 00:49:32,699
tears running down their faces believing

1042
00:49:30,329 --> 00:49:34,079
that their heads with drug addiction are

1043
00:49:32,699 --> 00:49:36,029
gonna be healed down because he knew

1044
00:49:34,079 --> 00:49:37,710
their name he says he's talking to God

1045
00:49:36,030 --> 00:49:39,450
that God speaks directly entities that

1046
00:49:37,710 --> 00:49:41,280
are not yet minister at one three things

1047
00:49:39,449 --> 00:49:43,019
amazing about that first of all it turns

1048
00:49:41,280 --> 00:49:45,630
out to cause frequency I didn't know use

1049
00:49:43,019 --> 00:49:47,969
radio is thirty nine point one seven

1050
00:49:45,630 --> 00:49:51,050
zero records and God is a woman

1051
00:49:47,969 --> 00:49:53,759
obviously and Saudis a correct policy

1052
00:49:51,050 --> 00:49:57,829
seeing this tape no he does not know

1053
00:49:53,760 --> 00:49:57,829
about this until this very interesting

1054
00:50:07,289 --> 00:50:13,329
now the sad news is that Reverend Popov

1055

00:50:11,590 --> 00:50:16,390
shortly after that was broadcast on this

1056
00:50:13,329 --> 00:50:20,440
major American television program

1057
00:50:16,389 --> 00:50:23,289
absolutely major he promptly declared

1058
00:50:20,440 --> 00:50:23,950
bankruptcy and went out of business he's

1059
00:50:23,289 --> 00:50:27,159
back again

1060
00:50:23,949 --> 00:50:30,009
he's on one of the cable networks doing

1061
00:50:27,159 --> 00:50:34,059
exactly the same act because people

1062
00:50:30,010 --> 00:50:36,310
never learn you cannot convince the true

1063
00:50:34,059 --> 00:50:38,349
believer no matter what evidence you

1064
00:50:36,309 --> 00:50:40,299
bring up contrary to what they would

1065
00:50:38,349 --> 00:50:43,509
prefer to believe they will continue to

1066
00:50:40,300 --> 00:50:47,680
believe to the death and in this case I

1067
00:50:43,510 --> 00:50:50,710
do mean to the death at the time that we

1068
00:50:47,679 --> 00:50:53,889
got Popoff and that particular bind

1069
00:50:50,710 --> 00:50:57,220

there we heard from this comptroller

1070

00:50:53,889 --> 00:51:01,539

that he was bringing in 4.3 billion

1071

00:50:57,219 --> 00:51:02,889

dollars a month tax-free and I don't

1072

00:51:01,539 --> 00:51:05,349

think there's anyone at this audience

1073

00:51:02,889 --> 00:51:08,190

that makes that kind of money I sure as

1074

00:51:05,349 --> 00:51:11,230

hell though I'm in the wrong business

1075

00:51:08,190 --> 00:51:14,559

now I'm going to tell you about

1076

00:51:11,230 --> 00:51:17,500

something which is I understand thinking

1077

00:51:14,559 --> 00:51:22,389

that rather full hold here in Australia

1078

00:51:17,500 --> 00:51:24,489

I have in my hand a natural life this is

1079

00:51:22,389 --> 00:51:27,219

from the United States sold by a leading

1080

00:51:24,489 --> 00:51:29,529

pharmaceutical chain they're cold and

1081

00:51:27,219 --> 00:51:32,049

flu which assists hopefully the same

1082

00:51:29,530 --> 00:51:33,850

medicine as a remedy treatment nothing

1083

00:51:32,050 --> 00:51:40,289

right that just says cold and flu so if

1084
00:51:33,849 --> 00:51:42,730
you want cold and gives superior formula

1085
00:51:40,289 --> 00:51:44,529
you tell me how superior this far

1086
00:51:42,730 --> 00:51:48,219
looking formula could get and it's

1087
00:51:44,530 --> 00:51:53,019
triple level policy let's look at the

1088
00:51:48,219 --> 00:51:56,739
ingredients in here gradient Oh make

1089
00:51:53,019 --> 00:52:00,420
your ingredient is arsenicum album 9x

1090
00:51:56,739 --> 00:52:00,419
that's arsenic trioxide

1091
00:52:00,969 --> 00:52:07,369
that doesn't sound good

1092
00:52:02,840 --> 00:52:10,730
Oh 9x oh I forgot to mention this is

1093
00:52:07,369 --> 00:52:13,190
homeopathy so that means there's nothing

1094
00:52:10,730 --> 00:52:15,469
in it including no arsenic

1095
00:52:13,190 --> 00:52:17,210
what is homeopathy all about very

1096
00:52:15,469 --> 00:52:19,099
briefly folks this is what's all about

1097
00:52:17,210 --> 00:52:21,170
there are four major rules the first

1098
00:52:19,099 --> 00:52:22,940
rule is you do proving the proving

1099
00:52:21,170 --> 00:52:25,840
consists of this this is two hundred

1100
00:52:22,940 --> 00:52:28,519
twenty years old can't be all bad right

1101
00:52:25,840 --> 00:52:29,960
well having after all gives us only a

1102
00:52:28,519 --> 00:52:35,210
magic medicine you know the state of the

1103
00:52:29,960 --> 00:52:38,599
house of woods we need I mentioned only

1104
00:52:35,210 --> 00:52:41,929
about the finest items first rule is you

1105
00:52:38,599 --> 00:52:44,929
do improving improving consists of

1106
00:52:41,929 --> 00:52:47,359
taking a well person that means somebody

1107
00:52:44,929 --> 00:52:50,299
is from being warm and can stand on his

1108
00:52:47,360 --> 00:52:52,670
own I don't know what person and you

1109
00:52:50,300 --> 00:52:54,560
give themselves as X will say substance

1110
00:52:52,670 --> 00:52:57,260
X is boiled

1111
00:52:54,559 --> 00:52:59,000
Daniel anise or something like that so

1112

00:52:57,260 --> 00:53:02,120
you give them that substance and they

1113
00:52:59,000 --> 00:53:04,550
then develop symptoms a B and C the

1114
00:53:02,119 --> 00:53:06,889
symptoms AB&C will say first symptom as

1115
00:53:04,550 --> 00:53:08,960
they get very bright red in the face the

1116
00:53:06,889 --> 00:53:10,789
second one is an expose up round like a

1117
00:53:08,960 --> 00:53:12,079
balloon and the third is that every

1118
00:53:10,789 --> 00:53:14,119
twenty minutes they fall on the ground

1119
00:53:12,079 --> 00:53:17,779
that they'd think those are something

1120
00:53:14,119 --> 00:53:19,279
that you'd be like leave notes and they

1121
00:53:17,780 --> 00:53:21,260
write that down on the book that if they

1122
00:53:19,280 --> 00:53:21,650
take boiled dandelions that's what they

1123
00:53:21,260 --> 00:53:23,750
get

1124
00:53:21,650 --> 00:53:25,309
that's the first rule of homeo that's

1125
00:53:23,750 --> 00:53:27,679
called the proofing you write that down

1126
00:53:25,309 --> 00:53:29,059

your book and then you wink well you

1127

00:53:27,679 --> 00:53:30,919

have lots of other proving to your book

1128

00:53:29,059 --> 00:53:33,469

but a patient walks in some day maybe

1129

00:53:30,920 --> 00:53:35,659

the next day maybe not for years with

1130

00:53:33,469 --> 00:53:35,959

very red face and head swell up like a

1131

00:53:35,659 --> 00:53:38,719

balloon

1132

00:53:35,960 --> 00:53:41,900

woo I remember that you go through the

1133

00:53:38,719 --> 00:53:44,809

book you look at the patient you say

1134

00:53:41,900 --> 00:53:46,160

tell me Sarah every 20 Minister you fall

1135

00:53:44,809 --> 00:53:48,320

down on the ground a dead faint and

1136

00:53:46,159 --> 00:53:50,329

vision sits against don't you

1137

00:53:48,320 --> 00:53:51,280

you have superior observing powers

1138

00:53:50,329 --> 00:53:53,170

against

1139

00:53:51,280 --> 00:53:55,180

happen to me oh well then let me

1140

00:53:53,170 --> 00:53:57,730

obviously has the cure for you that's

1141
00:53:55,179 --> 00:54:00,940
what only dandelions so take boil down

1142
00:53:57,730 --> 00:54:02,949
your legs and it'll go away that's the

1143
00:54:00,940 --> 00:54:07,210
second proof the third rule is you don't

1144
00:54:02,949 --> 00:54:10,839
do that no the third rule is you give

1145
00:54:07,210 --> 00:54:14,349
them what they call equals quote highly

1146
00:54:10,840 --> 00:54:18,460
attenuated unquote dosage of wild

1147
00:54:14,349 --> 00:54:24,610
animals highly attenuated extremely

1148
00:54:18,460 --> 00:54:26,500
dilute you ain't heard nothing yet you

1149
00:54:24,610 --> 00:54:28,180
may think that that's one part in a

1150
00:54:26,500 --> 00:54:31,840
thousand whoa

1151
00:54:28,179 --> 00:54:34,329
get out of here no the first this is the

1152
00:54:31,840 --> 00:54:35,740
next room of homeopathy the first thing

1153
00:54:34,329 --> 00:54:38,139
you can do is to prepare the medicine

1154
00:54:35,739 --> 00:54:39,759
you take one part the boiled dandelion

1155
00:54:38,139 --> 00:54:41,710
tea mixer with ten parts of water

1156
00:54:39,760 --> 00:54:43,900
thank you success it that's a fancy term

1157
00:54:41,710 --> 00:54:45,490
for shaking it but it has to be done ten

1158
00:54:43,900 --> 00:54:48,010
times in three different dimensions like

1159
00:54:45,489 --> 00:54:49,919
ten times this way and ten kind of this

1160
00:54:48,010 --> 00:54:53,590
way and tend the hands of this book and

1161
00:54:49,920 --> 00:54:57,730
that is the magic number is homeopathy

1162
00:54:53,590 --> 00:55:00,730
by the way remember gently actually

1163
00:54:57,730 --> 00:55:02,769
we're okay number pretty thing that's a

1164
00:55:00,730 --> 00:55:07,030
one solution that's one part in ten

1165
00:55:02,769 --> 00:55:09,070
people then to prepare a two solution

1166
00:55:07,030 --> 00:55:11,599
you take one part of that putting ten

1167
00:55:09,070 --> 00:55:14,239
parts of water and

1168
00:55:11,599 --> 00:55:16,219
without insight and that's to solution

1169

00:55:14,239 --> 00:55:19,099
one-party 100 it's the number of zeros

1170
00:55:16,219 --> 00:55:22,519
after the 1 say ok and to do 3 solution

1171
00:55:19,099 --> 00:55:26,559
for solution hey he thought you ate

1172
00:55:22,518 --> 00:55:29,808
there yeah five six everything up to 20

1173
00:55:26,559 --> 00:55:32,390
2400 forgot when you get to 24 by the

1174
00:55:29,809 --> 00:55:35,150
way one part and one followed by 24 0

1175
00:55:32,389 --> 00:55:36,318
parts of water give reach avocados limit

1176
00:55:35,150 --> 00:55:39,229
which means there's only a possibility

1177
00:55:36,318 --> 00:55:40,849
of there being one molecule of the

1178
00:55:39,228 --> 00:55:42,169
original substance present and whatever

1179
00:55:40,849 --> 00:55:44,869
you've got in your hand at that moment

1180
00:55:42,170 --> 00:55:46,818
and if you do it tended to the 25th

1181
00:55:44,869 --> 00:55:48,199
you've got one chance in 10 how they're

1182
00:55:46,818 --> 00:55:48,708
being what ball to filled up if you

1183
00:55:48,199 --> 00:55:52,548

follow

1184

00:55:48,708 --> 00:55:57,159

that's dilute they'd like to start at 30

1185

00:55:52,548 --> 00:56:04,099

they go to 50 and they go all the way to

1186

00:55:57,159 --> 00:56:06,228

1500 how balloon is that that doesn't

1187

00:56:04,099 --> 00:56:08,028

woman thanks to Joan of Arc exactly from

1188

00:56:06,228 --> 00:56:09,698

inside to the American I see worked it

1189

00:56:08,028 --> 00:56:12,469

up for me

1190

00:56:09,699 --> 00:56:14,559

there's what it's a booklet to it's

1191

00:56:12,469 --> 00:56:17,479

equivalent to taking one greater ice

1192

00:56:14,559 --> 00:56:20,269

crushing to to a powder dissolving at

1193

00:56:17,478 --> 00:56:23,318

the sphere of water the size of the

1194

00:56:20,268 --> 00:56:23,318

solar system

1195

00:56:23,440 --> 00:56:28,420

with the Sun at the center the formative

1196

00:56:25,329 --> 00:56:32,650

puto at the outside and then repeating

1197

00:56:28,420 --> 00:56:42,130

that process two billion times speaking

1198
00:56:32,650 --> 00:56:44,139
American victims you're not good that's

1199
00:56:42,130 --> 00:56:47,470
what that means

1200
00:56:44,139 --> 00:56:49,059
1,500 well wait a minute now we also

1201
00:56:47,469 --> 00:56:49,719
sell another substance I don't have the

1202
00:56:49,059 --> 00:56:51,549
box here

1203
00:56:49,719 --> 00:56:54,759
unfortunately and lost somewhere along

1204
00:56:51,550 --> 00:56:57,180
the line there is a compound in America

1205
00:56:54,760 --> 00:56:58,420
called Michael & YT all of you have a

1206
00:56:57,179 --> 00:57:01,210
night off

1207
00:56:58,420 --> 00:57:03,039
well it's a pharmaceutical preparation

1208
00:57:01,210 --> 00:57:05,108
made by a reputable pharmaceutical

1209
00:57:03,039 --> 00:57:07,000
company in the United States and it has

1210
00:57:05,108 --> 00:57:08,440
definitely died for about sorrow but I

1211
00:57:07,000 --> 00:57:09,760
will promise on fatigue or something

1212
00:57:08,440 --> 00:57:11,740
anything I don't know but apparently

1213
00:57:09,760 --> 00:57:12,069
works I don't use it but the therapy it

1214
00:57:11,739 --> 00:57:14,049
works

1215
00:57:12,068 --> 00:57:16,210
funny they tested it sector it's a

1216
00:57:14,050 --> 00:57:16,960
sleeping thing it's relaxing shoots are

1217
00:57:16,210 --> 00:57:19,568
you going to sleep

1218
00:57:16,960 --> 00:57:21,670
Marky's me I'm told and that comes in a

1219
00:57:19,568 --> 00:57:24,309
blue box there's a green box right

1220
00:57:21,670 --> 00:57:26,440
beside it which says nice all natural

1221
00:57:24,309 --> 00:57:28,980
natural it says natural life on you

1222
00:57:26,440 --> 00:57:32,619
remember all-natural ingredients natural

1223
00:57:28,980 --> 00:57:34,630
that's the buzzword here well curb poo

1224
00:57:32,619 --> 00:57:38,890
is natural too

1225
00:57:34,630 --> 00:57:40,210
and so is but I will eat either one or

1226

00:57:38,889 --> 00:57:46,000
use it for anything

1227
00:57:40,210 --> 00:57:48,309
therapeutic natural well this natural

1228
00:57:46,000 --> 00:57:48,699
compound says in tiny letters of the

1229
00:57:48,309 --> 00:57:50,798
bark

1230
00:57:48,699 --> 00:57:53,139
only a pepper and what is the active

1231
00:57:50,798 --> 00:57:58,358
ingredient in the sleeping tablets that

1232
00:57:53,139 --> 00:57:59,889
they sell you caffeine because it works

1233
00:57:58,358 --> 00:58:01,659
the officer would say if you give that

1234
00:57:59,889 --> 00:58:03,909
to a well person whether you follow and

1235
00:58:01,659 --> 00:58:05,098
it's not my idea it's there so don't be

1236
00:58:03,909 --> 00:58:08,649
like that

1237
00:58:05,099 --> 00:58:10,539
happy well oh I called another friend

1238
00:58:08,650 --> 00:58:13,690
who knows mathematics and chemistry and

1239
00:58:10,539 --> 00:58:16,299
physics of such and I said about the

1240
00:58:13,690 --> 00:58:18,750

ballpark of the society in the United

1241
00:58:16,298 --> 00:58:22,179
States and I said Tom I need to figure

1242
00:58:18,750 --> 00:58:24,250
if I have these sleeping tablet pills

1243
00:58:22,179 --> 00:58:25,629
and they're in the form of pills with

1244
00:58:24,250 --> 00:58:27,670
milk sugar instead of water

1245
00:58:25,630 --> 00:58:30,160
are they some of the pills I said how

1246
00:58:27,670 --> 00:58:33,519
many pills what I have to be to make

1247
00:58:30,159 --> 00:58:37,328
sure that I got one molecule of that

1248
00:58:33,518 --> 00:58:39,699
Kathy he did the conservation are you

1249
00:58:37,329 --> 00:58:44,130
all seen do it they fall down laughing

1250
00:58:39,699 --> 00:58:49,048
and you hear this you would have to eat

1251
00:58:44,130 --> 00:58:49,048
sixteen swimming pools full of pills

1252
00:58:51,650 --> 00:58:56,360
I want you to picture that just for a

1253
00:58:53,989 --> 00:58:57,889
second now I'm doing a scientific

1254
00:58:56,360 --> 00:59:03,980
experiment to find out if this works

1255
00:58:57,889 --> 00:59:05,599
okay I dive into the first pool Brown

1256
00:59:03,980 --> 00:59:08,510
touch stills that had a hard time

1257
00:59:05,599 --> 00:59:10,489
calming them down down them down and eat

1258
00:59:08,510 --> 00:59:12,650
the whole swimming pool full up at the

1259
00:59:10,489 --> 00:59:14,239
bottom of an empty swimming pool and the

1260
00:59:12,650 --> 00:59:17,210
total sentence is published Randy how do

1261
00:59:14,239 --> 00:59:21,019
you feel like that hole but I don't feel

1262
00:59:17,210 --> 00:59:24,230
sleepy second story broke over the

1263
00:59:21,019 --> 00:59:26,449
second Swing ago and we go sixteen

1264
00:59:24,230 --> 00:59:30,320
swimming pools that are to get one ball

1265
00:59:26,449 --> 00:59:32,179
until the caffeine right but folks it's

1266
00:59:30,320 --> 00:59:34,340
the vibrations they say it's the

1267
00:59:32,179 --> 00:59:36,139
vibrations is always important

1268
00:59:34,340 --> 00:59:38,360
vibrations because the caffeine was in

1269
00:59:36,139 --> 00:59:41,150
there once remember so it's the

1270
00:59:38,360 --> 00:59:43,610
vibration sitcom you're paying provide

1271
00:59:41,150 --> 00:59:45,019
this is a box full of vibrations and

1272
00:59:43,610 --> 00:59:47,120
it's not seventy percent more than

1273
00:59:45,019 --> 00:59:50,059
something that does actually work that's

1274
00:59:47,119 --> 00:59:51,469
what homeopathy is all of them well the

1275
00:59:50,059 --> 00:59:53,119
baby's development he'll be out there at

1276
00:59:51,469 --> 00:59:54,559
all not that much for your time with

1277
00:59:53,119 --> 00:59:56,179
this this is what we're offering a

1278
00:59:54,559 --> 00:59:57,980
million-dollar prize for but we are

1279
00:59:56,179 --> 01:00:01,219
submit another price by the way if we

1280
00:59:57,980 --> 01:00:02,960
hope you pass or any money anyone in

1281
01:00:01,219 --> 01:00:05,059
this audience even to tell us the

1282
01:00:02,960 --> 01:00:08,840
difference between homeopathic water and

1283

01:00:05,059 --> 01:00:10,880
nonfat water and is that to tell us

1284
01:00:08,840 --> 01:00:12,769
which ones with you they don't want to

1285
01:00:10,880 --> 01:00:14,329
do that they say no I'm involved in

1286
01:00:12,769 --> 01:00:16,369
scientific research and I don't do work

1287
01:00:14,329 --> 01:00:18,199
like that why would you take the billion

1288
01:00:16,369 --> 01:00:20,449
dollars and apply it to your lab majora

1289
01:00:18,199 --> 01:00:21,769
give it to starving kids or homeless

1290
01:00:20,449 --> 01:00:24,019
people there's something good like that

1291
01:00:21,769 --> 01:00:26,449
no I'm very busy very busy go away go in

1292
01:00:24,019 --> 01:00:28,969
they don't want to face up to Brian

1293
01:00:26,449 --> 01:00:31,639
Joseph some Nobel laureate in Cambridge

1294
01:00:28,969 --> 01:00:32,129
England some time ago challenge the

1295
01:00:31,639 --> 01:00:34,679
America

1296
01:00:32,130 --> 01:00:36,690
physical society to test homeopathy and

1297
01:00:34,679 --> 01:00:39,029

they said yes we will which surprised

1298

01:00:36,690 --> 01:00:41,190

the hell out of hemp and we'll pay all

1299

01:00:39,030 --> 01:00:44,280

of the costs of it no matter what they

1300

01:00:41,190 --> 01:00:45,780

are this is what my urging occurs and I

1301

01:00:44,280 --> 01:00:48,660

said I will get the million dollar prize

1302

01:00:45,780 --> 01:00:50,430

as well if they could tell us the

1303

01:00:48,659 --> 01:00:54,389

difference between homeopathic medicine

1304

01:00:50,429 --> 01:00:57,089

and ordinary water that was four years

1305

01:00:54,389 --> 01:00:58,949

ago and we haven't heard back from Brian

1306

01:00:57,090 --> 01:01:01,829

Josephson Nobel laureate in physics

1307

01:00:58,949 --> 01:01:04,289

where are you Brian I will go and I

1308

01:01:01,829 --> 01:01:06,420

don't see you around anywhere he simply

1309

01:01:04,289 --> 01:01:08,789

won't answer now he was going to take us

1310

01:01:06,420 --> 01:01:10,800

up on this challenge well that's what

1311

01:01:08,789 --> 01:01:13,710

homeopathy is all about folks and I

1312
01:01:10,800 --> 01:01:17,010
think it's a cruel and very nasty first

1313
01:01:13,710 --> 01:01:20,190
it doesn't work it has zero content in

1314
01:01:17,010 --> 01:01:21,660
it and people do depend on it now ladies

1315
01:01:20,190 --> 01:01:26,159
and gentlemen I'm going to introduce you

1316
01:01:21,659 --> 01:01:28,109
to a special person at this point some

1317
01:01:26,159 --> 01:01:31,699
years back and you will all be familiar

1318
01:01:28,110 --> 01:01:36,180
with this I'm sure I was called by

1319
01:01:31,699 --> 01:01:38,039
Cataline stranded and they simply put

1320
01:01:36,179 --> 01:01:39,509
this problem to me we're playing with

1321
01:01:38,039 --> 01:01:41,130
challenge these are the people who speak

1322
01:01:39,510 --> 01:01:44,760
with voices with people of your talent

1323
01:01:41,130 --> 01:01:47,210
is yours oh oh yes sure you believe that

1324
01:01:44,760 --> 01:01:51,210
I've got some swampland in Florida about

1325
01:01:47,210 --> 01:01:52,650
the bargain prices and they said how can

1326
01:01:51,210 --> 01:01:55,470
we prove these people aren't realistic

1327
01:01:52,650 --> 01:01:57,450
when you prove they're not real but what

1328
01:01:55,469 --> 01:02:00,299
we can do for is work out a bit of a

1329
01:01:57,449 --> 01:02:02,669
project of illustrate to people that

1330
01:02:00,300 --> 01:02:04,940
these characters can be created you see

1331
01:02:02,670 --> 01:02:07,860
what I had was a secret what secret

1332
01:02:04,940 --> 01:02:12,659
record by the joseluis our Sigma friend

1333
01:02:07,860 --> 01:02:15,809
of mine in Florida who is a performance

1334
01:02:12,659 --> 01:02:18,750
artist now what he does with this is he

1335
01:02:15,809 --> 01:02:21,509
creates a a character and that character

1336
01:02:18,750 --> 01:02:23,070
he sees all the way through he

1337
01:02:21,510 --> 01:02:25,650
demonstrates the character he makes the

1338
01:02:23,070 --> 01:02:28,080
character very believable a living

1339
01:02:25,650 --> 01:02:29,730
character that will convince people I

1340

01:02:28,079 --> 01:02:31,590
talked to him and he

1341
01:02:29,730 --> 01:02:33,630
yes this is something I think I could

1342
01:02:31,590 --> 01:02:36,030
get my teeth into and if something I

1343
01:02:33,630 --> 01:02:38,070
want to do for quite some time I'm not

1344
01:02:36,030 --> 01:02:40,290
going to tell you the story I'm going to

1345
01:02:38,070 --> 01:02:43,289
introduce you to someone that you've

1346
01:02:40,289 --> 01:02:45,210
already met through the media and the

1347
01:02:43,289 --> 01:02:48,090
media have never quite been the same

1348
01:02:45,210 --> 01:02:54,349
ever since ladies and gentlemen please

1349
01:02:48,090 --> 01:02:54,350
meet and greet the one and only Carlos

1350
01:03:40,889 --> 01:03:50,039
we have their profile okay

1351
01:03:44,039 --> 01:03:50,039
because they always was

1352
01:03:51,159 --> 01:04:00,309
a movement out looking from scratch most

1353
01:03:55,269 --> 01:04:04,780
you are very familiar with this and make

1354
01:04:00,309 --> 01:04:09,779

story short Sydney Opera House for years

1355

01:04:04,780 --> 01:04:14,470

though people flocked to the city

1356

01:04:09,780 --> 01:04:19,360

because of the fact that I had no

1357

01:04:14,469 --> 01:04:21,679

protection whatsoever this project has

1358

01:04:19,360 --> 01:04:25,309

been shown over and over

1359

01:04:21,679 --> 01:04:28,969

over all over the world in Europe in

1360

01:04:25,309 --> 01:04:31,759

Asia Latin America I cannot begin to

1361

01:04:28,969 --> 01:04:35,359

tell you how much this has changed my

1362

01:04:31,760 --> 01:04:39,830

life I have actually adopted this

1363

01:04:35,360 --> 01:04:45,349

character where I go of the world

1364

01:04:39,829 --> 01:04:49,759

explain to people but what the simple

1365

01:04:45,349 --> 01:04:52,579

sentences grounded they swear what the

1366

01:04:49,760 --> 01:04:58,280

reaction was and what lesson

1367

01:04:52,579 --> 01:05:02,670

learn I am especially happy that

1368

01:04:58,280 --> 01:05:04,380

Hispanic television for me and said that

1369
01:05:02,670 --> 01:05:10,260
they wanted to do like a five-minute

1370
01:05:04,380 --> 01:05:13,079
piece they do it for our show in the

1371
01:05:10,260 --> 01:05:21,510
most successful TV program that they

1372
01:05:13,079 --> 01:05:24,420
have the most successful show they have

1373
01:05:21,510 --> 01:05:30,060
got it time and time again we now had a

1374
01:05:24,420 --> 01:05:34,409
very big America speak and this one has

1375
01:05:30,059 --> 01:05:40,820
never stopped because of that we just

1376
01:05:34,409 --> 01:05:40,819
came from China we also here

1377
01:05:59,269 --> 01:06:02,449
to see

1378
01:06:28,960 --> 01:06:37,829
I am very happy that share some props

1379
01:06:34,329 --> 01:06:37,829
together and I

1380
01:06:56,639 --> 01:07:04,509
mentioned that in his performances

1381
01:07:00,340 --> 01:07:08,890
Carlos in China in one program he was

1382
01:07:04,510 --> 01:07:10,810
seen by over 50 million people those are

1383
01:07:08,889 --> 01:07:13,269
the numbers you just have to deal with

1384
01:07:10,809 --> 01:07:15,880
closest that number of people were

1385
01:07:13,269 --> 01:07:17,769
exposed to the Carlos character and that

1386
01:07:15,880 --> 01:07:21,130
Carlos character has been responsible

1387
01:07:17,769 --> 01:07:24,039
for pushing our work ahead enormous see

1388
01:07:21,130 --> 01:07:26,170
around the world he will move in he will

1389
01:07:24,039 --> 01:07:29,139
perform the character but he always

1390
01:07:26,170 --> 01:07:32,139
makes sure that people know that this is

1391
01:07:29,139 --> 01:07:34,809
a performance art piece that this is not

1392
01:07:32,139 --> 01:07:37,629
a deception he's not trying to convince

1393
01:07:34,809 --> 01:07:39,579
anybody he has genuine power and when we

1394
01:07:37,630 --> 01:07:41,769
went into it here in Australia the

1395
01:07:39,579 --> 01:07:46,119
agreement in advance was that it would

1396
01:07:41,769 --> 01:07:50,019
be a supposedly player on 90 minutes or

1397

01:07:46,119 --> 01:07:54,219
something I always think you do things

1398
01:07:50,019 --> 01:07:58,710
in a larger scale so that thing together

1399
01:07:54,219 --> 01:07:58,709
was the return of Carlos

1400
01:08:01,769 --> 01:08:07,059
now I have another piece of cake to show

1401
01:08:04,659 --> 01:08:11,259
you this piece of tape heals with a

1402
01:08:07,059 --> 01:08:14,079
subject which well is a preps a little

1403
01:08:11,260 --> 01:08:17,289
difficult to watch all the blood and

1404
01:08:14,079 --> 01:08:19,778
guts all over the place and I've heard

1405
01:08:17,289 --> 01:08:21,399
one of dick Smith's films a game

1406
01:08:19,779 --> 01:08:23,470
trending in Australia I think it was the

1407
01:08:21,399 --> 01:08:26,949
back end we'll be fighting some

1408
01:08:23,470 --> 01:08:29,909
heretical I performed this I did it not

1409
01:08:26,949 --> 01:08:34,500
your family neither producer or somebody

1410
01:08:29,909 --> 01:08:37,269
rather rotund gentleman I remember Mike

1411
01:08:34,500 --> 01:08:39,369

yeah yes that's right hence pop yet the

1412

01:08:37,270 --> 01:08:40,810

director yep and we made him on the

1413

01:08:39,369 --> 01:08:50,019

tabletop all kinds of terrible things

1414

01:08:40,810 --> 01:08:54,190

are made by Sheree feel better oh oh all

1415

01:08:50,020 --> 01:08:59,770

right that was a very effective film

1416

01:08:54,189 --> 01:09:01,329

that dick produced and informed a few

1417

01:08:59,770 --> 01:09:04,600

people a long way of freaking out but it

1418

01:09:01,329 --> 01:09:07,210

did this sucka Kirk everything that is

1419

01:09:04,600 --> 01:09:10,239

done in the Philippines yes rather

1420

01:09:07,210 --> 01:09:11,890

insidious we found out dying I found out

1421

01:09:10,238 --> 01:09:14,500

some years ago when I met Peter selling

1422

01:09:11,890 --> 01:09:16,000

for me the one and only time that I ever

1423

01:09:14,500 --> 01:09:19,689

spoke with it when I've been invited to

1424

01:09:16,000 --> 01:09:23,140

find which Studios outside London UK and

1425

01:09:19,689 --> 01:09:26,019

I asked him about this business of

1426
01:09:23,140 --> 01:09:27,850
visiting the psychic surgeons and he

1427
01:09:26,020 --> 01:09:29,259
described to me in breathless wonder how

1428
01:09:27,850 --> 01:09:32,259
they reached into his body and took

1429
01:09:29,259 --> 01:09:34,838
tubers up and blood clots particular

1430
01:09:32,259 --> 01:09:38,259
cost he was running full of tumors of

1431
01:09:34,838 --> 01:09:40,600
blood closet he didn't know and he said

1432
01:09:38,259 --> 01:09:42,399
they never charged me but he gave him my

1433
01:09:40,600 --> 01:09:45,910
very substantial donation each time he

1434
01:09:42,399 --> 01:09:50,528
was there I don't make money to

1435
01:09:45,909 --> 01:09:52,519
restaurants when I go into the real

1436
01:09:50,529 --> 01:09:57,950
estate I think rather badly

1437
01:09:52,520 --> 01:09:59,630
- sweetie I I only asked one question I

1438
01:09:57,949 --> 01:10:01,399
said but how do you know that it's the

1439
01:09:59,630 --> 01:10:03,890
real thing he said all I know is my

1440
01:10:01,399 --> 01:10:06,289
doctor told me two years ago that I had

1441
01:10:03,890 --> 01:10:08,600
to have a bypass I've got a look to have

1442
01:10:06,289 --> 01:10:10,640
a heart bypass I'm just not going to

1443
01:10:08,600 --> 01:10:12,860
submit myself to that brutalizing

1444
01:10:10,640 --> 01:10:14,630
procedure he said but when I go to the

1445
01:10:12,859 --> 01:10:17,719
Philippines I go there every six months

1446
01:10:14,630 --> 01:10:19,100
and I am relieved of my problem his

1447
01:10:17,720 --> 01:10:19,850
doctors had a different story to tell

1448
01:10:19,100 --> 01:10:21,800
altogether

1449
01:10:19,850 --> 01:10:24,200
it was getting worse and worse he was

1450
01:10:21,800 --> 01:10:26,989
getting more occlusion of the coronary

1451
01:10:24,199 --> 01:10:29,389
arteries but he decided not to see it

1452
01:10:26,989 --> 01:10:31,789
that way people eased to the big deal he

1453
01:10:29,390 --> 01:10:33,380
said I saw it with my own eyes my

1454

01:10:31,789 --> 01:10:36,260
question to a mother who else's eyes

1455
01:10:33,380 --> 01:10:37,640
might you have seen him and that did not

1456
01:10:36,260 --> 01:10:39,890
abuse him at home

1457
01:10:37,640 --> 01:10:42,440
several weeks after that he was dead he

1458
01:10:39,890 --> 01:10:43,730
had a fatal heart attack - the threat to

1459
01:10:42,439 --> 01:10:46,039
the hospital but it was too late

1460
01:10:43,729 --> 01:10:48,469
and we lost Peter Sellers we lost a lot

1461
01:10:46,039 --> 01:10:50,449
of other people too thousands over the

1462
01:10:48,470 --> 01:10:53,780
years run off the Philippines did we

1463
01:10:50,449 --> 01:10:55,250
operated on well I went to my good

1464
01:10:53,779 --> 01:10:58,009
friend Johnny Carson they just saw on

1465
01:10:55,250 --> 01:11:00,319
that screen there and I gave them this

1466
01:10:58,010 --> 01:11:01,970
particular number to do as well we've

1467
01:11:00,319 --> 01:11:05,299
got people from California particularly

1468
01:11:01,970 --> 01:11:07,010

there's California California were

1469

01:11:05,300 --> 01:11:11,900

running off to the Philippines and great

1470

01:11:07,010 --> 01:11:13,789

numbers and people beyond as the program

1471

01:11:11,899 --> 01:11:16,129

doing my demonstration of psychic

1472

01:11:13,789 --> 01:11:17,930

surgery which are about to see folks is

1473

01:11:16,130 --> 01:11:19,640

far better than what the psychic

1474

01:11:17,930 --> 01:11:22,039

surgeons of the Philippines do it really

1475

01:11:19,640 --> 01:11:26,750

is I would professional and I've got a

1476

01:11:22,039 --> 01:11:29,750

certain Flair there I knew is far more

1477

01:11:26,750 --> 01:11:31,489

skillful and more energy because I put a

1478

01:11:29,750 --> 01:11:34,600

joke into it in the middle as you'll see

1479

01:11:31,489 --> 01:11:36,439

in a moment they don't have to be good

1480

01:11:34,600 --> 01:11:39,590

because they've already got people

1481

01:11:36,439 --> 01:11:41,819

believing in they could do any thing

1482

01:11:39,590 --> 01:11:43,380

they want there with the blood guts

1483
01:11:41,819 --> 01:11:45,630
and people who are now over because they

1484
01:11:43,380 --> 01:11:48,420
don't understand it I remember that in

1485
01:11:45,630 --> 01:11:50,639
Seattle Washington there was a big

1486
01:11:48,420 --> 01:11:53,130
review which I have on videotape

1487
01:11:50,639 --> 01:11:55,260
back at the office in Florida

1488
01:11:53,130 --> 01:11:57,210
frightening thing where a fundamentalist

1489
01:11:55,260 --> 01:11:59,670
ministry of sitting there be me in

1490
01:11:57,210 --> 01:12:01,920
smiles and the host of the program and

1491
01:11:59,670 --> 01:12:04,500
say but we did an analysis of the blood

1492
01:12:01,920 --> 01:12:06,029
on the undergarments of the people that

1493
01:12:04,500 --> 01:12:08,099
you sent to the Philippines for these

1494
01:12:06,029 --> 01:12:10,769
operations Reverend and it turns out to

1495
01:12:08,099 --> 01:12:12,599
be chicken blood and he's funny yes I've

1496
01:12:10,770 --> 01:12:15,179
worked that well how do you explain that

1497
01:12:12,599 --> 01:12:18,230
repetition because only Almighty God

1498
01:12:15,179 --> 01:12:21,118
could catch you but in to generalize

1499
01:12:18,229 --> 01:12:23,459
this is the rationalization these folks

1500
01:12:21,118 --> 01:12:25,380
go through and the thing we fight all

1501
01:12:23,460 --> 01:12:27,239
the time let's take a look at this kind

1502
01:12:25,380 --> 01:12:29,659
of thing and you may find it a little

1503
01:12:27,238 --> 01:12:31,649
bit gory

1504
01:12:29,658 --> 01:12:33,269
about the psychic surgeons in the

1505
01:12:31,649 --> 01:12:35,549
Philippines actually do want people who

1506
01:12:33,270 --> 01:12:37,320
go down there and pay good money all set

1507
01:12:35,550 --> 01:12:37,920
and be are gonna have our patient it's

1508
01:12:37,319 --> 01:12:43,529
all yours

1509
01:12:37,920 --> 01:12:45,989
okay this is a time to look the way if

1510
01:12:43,529 --> 01:12:48,269
you if you need to because it's going to

1511

01:12:45,988 --> 01:12:50,598
get a little guarded from now on the

1512
01:12:48,270 --> 01:12:53,159
psychic surgeons the Philippines are

1513
01:12:50,599 --> 01:12:56,429
sounding okay everything's fun they're

1514
01:12:53,158 --> 01:12:58,289
pretty heartless folks they just don't

1515
01:12:56,429 --> 01:12:59,310
much care for the feelings of people

1516
01:12:58,289 --> 01:13:00,000
they don't ready to care for their

1517
01:12:59,310 --> 01:13:01,619
health at all

1518
01:13:00,000 --> 01:13:03,840
and the curve they're not anyway trying

1519
01:13:01,618 --> 01:13:05,698
to do this sort of thing they just act

1520
01:13:03,840 --> 01:13:08,819
as if they are trained now what you're

1521
01:13:05,698 --> 01:13:12,868
about to see is a barehanded operation

1522
01:13:08,819 --> 01:13:14,729
which appears to take place by actually

1523
01:13:12,868 --> 01:13:16,889
penetrating the body believe me what

1524
01:13:14,729 --> 01:13:18,629
you're seeing is strictly special

1525
01:13:16,889 --> 01:13:22,159

effects it's sleight of hand and nothing

1526

01:13:18,630 --> 01:13:22,159
more and this is the way it looks

1527

01:13:42,270 --> 01:13:45,390
chips and then it dips down there we

1528

01:13:44,220 --> 01:13:47,780
don't get it on your travelers if they

1529

01:13:45,390 --> 01:13:47,780
help it

1530

01:14:35,069 --> 01:14:38,119
any worse worship

1531

01:14:49,988 --> 01:14:52,589
Wow

1532

01:15:25,050 --> 01:15:30,920
that's a bit better just a second one

1533

01:15:27,569 --> 01:15:30,920
second now maybe boom for you

1534

01:15:53,310 --> 01:15:57,700
the strange thing is after this

1535

01:15:55,510 --> 01:15:59,920
operation is over now my proposal I can

1536

01:15:57,699 --> 01:16:02,109
prep remind please that people are shown

1537

01:15:59,920 --> 01:16:04,510
this as if it were really serious is it

1538

01:16:02,109 --> 01:16:06,579
that that she didn't take place and this

1539

01:16:04,510 --> 01:16:08,110
is surgery already performed people do

1540
01:16:06,579 --> 01:16:09,909
this as they go to the Philippines they

1541
01:16:08,109 --> 01:16:13,630
spend their money and they frankly

1542
01:16:09,909 --> 01:16:15,819
return home most cases to DA it's a

1543
01:16:13,630 --> 01:16:17,829
little bit funny to watch it cracks and

1544
01:16:15,819 --> 01:16:19,389
you say gee I know it's glad it's not

1545
01:16:17,829 --> 01:16:21,760
bad when they go for the tens of

1546
01:16:19,390 --> 01:16:22,360
thousands every year Sanford I want to

1547
01:16:21,760 --> 01:16:26,280
thank you for being a wonderful

1548
01:16:22,359 --> 01:16:26,279
volunteer we deserve a round of applause

1549
01:16:38,229 --> 01:16:51,880
I never did send the month ability or

1550
01:16:48,760 --> 01:16:53,320
that I did I don't know I I just have to

1551
01:16:51,880 --> 01:16:58,150
have a building department going to work

1552
01:16:53,319 --> 01:17:01,058
here I guess folks this can look like a

1553
01:16:58,149 --> 01:17:04,748
clown act up there and yes it is now

1554
01:17:01,059 --> 01:17:06,489
they do it or what I do it's something

1555
01:17:04,748 --> 01:17:07,899
that a lot of people take seriously a

1556
01:17:06,488 --> 01:17:09,728
lot of people travel off to the

1557
01:17:07,899 --> 01:17:11,170
Philippines or they're desperate and

1558
01:17:09,729 --> 01:17:15,039
they think they're going to get helped

1559
01:17:11,170 --> 01:17:17,708
an excellent program was done in the UK

1560
01:17:15,038 --> 01:17:21,429
some years back quite some years back I

1561
01:17:17,708 --> 01:17:23,679
could forty years I guess ago now and

1562
01:17:21,429 --> 01:17:25,748
which a planeload of people were tracked

1563
01:17:23,679 --> 01:17:29,139
as they went off to the Philippines for

1564
01:17:25,748 --> 01:17:32,978
this kind of treatment I believe there

1565
01:17:29,139 --> 01:17:35,380
were 13 people on the plane they came

1566
01:17:32,979 --> 01:17:36,010
back none of them deal and he could read

1567
01:17:35,380 --> 01:17:37,840
whatsoever

1568

01:17:36,010 --> 01:17:41,260
and they showed them as they descended

1569
01:17:37,840 --> 01:17:43,119
the the gang might come down out of the

1570
01:17:41,260 --> 01:17:45,400
plane the interviewed each one of them

1571
01:17:43,118 --> 01:17:47,679
and every one of the big smiles though I

1572
01:17:45,399 --> 01:17:51,670
healed that deal at the Jesus that

1573
01:17:47,679 --> 01:17:55,269
people say heaven 11 of the bird dead

1574
01:17:51,670 --> 01:17:57,158
within two weeks one gentleman that was

1575
01:17:55,269 --> 01:18:00,610
going blind and completely gone by

1576
01:17:57,158 --> 01:18:03,248
flying by that it's astonishing people

1577
01:18:00,609 --> 01:18:05,670
don't learn from this they simply don't

1578
01:18:03,248 --> 01:18:08,498
learn from this that's what our job is

1579
01:18:05,670 --> 01:18:10,989
try to get the word to them and to try

1580
01:18:08,498 --> 01:18:13,420
to make it convincing to them that they

1581
01:18:10,988 --> 01:18:15,518
should be listening I said it earlier

1582
01:18:13,420 --> 01:18:16,659

and I'll say it again there's no amount

1583

01:18:15,519 --> 01:18:18,750
of evidence

1584

01:18:16,659 --> 01:18:21,399
the true believer they will turn it

1585

01:18:18,750 --> 01:18:23,260
against you they will they will suffer

1586

01:18:21,399 --> 01:18:27,549
too they will do enemy they can with it

1587

01:18:23,260 --> 01:18:30,810
to make it fit somehow their philosophy

1588

01:18:27,550 --> 01:18:33,250
their deeds that's the big word here Eve

1589

01:18:30,810 --> 01:18:35,200
they don't just want it to be true they

1590

01:18:33,250 --> 01:18:37,869
need it to be true

1591

01:18:35,199 --> 01:18:40,119
desperately needed to be true and they

1592

01:18:37,869 --> 01:18:42,010
will stretch their belief systems in any

1593

01:18:40,119 --> 01:18:44,979
direction at all in order to make us

1594

01:18:42,010 --> 01:18:47,199
wrong and make the psychics and the

1595

01:18:44,979 --> 01:18:48,579
charlatans out there right so don't

1596

01:18:47,199 --> 01:18:51,239
think that you're going to get these

1597
01:18:48,579 --> 01:18:55,899
people to change their minds they won't

1598
01:18:51,239 --> 01:18:57,789
your job my job I believe and I say this

1599
01:18:55,899 --> 01:19:00,159
from many decades of experience in this

1600
01:18:57,789 --> 01:19:02,500
field is to get young people young

1601
01:19:00,159 --> 01:19:05,680
people who have not yet fallen into that

1602
01:19:02,500 --> 01:19:08,050
police structure who don't yet needed to

1603
01:19:05,680 --> 01:19:10,360
be true and try to get them to think

1604
01:19:08,050 --> 01:19:11,110
about and critically now I can't prove

1605
01:19:10,359 --> 01:19:13,809
the negative

1606
01:19:11,109 --> 01:19:15,789
I often get people to audiences that say

1607
01:19:13,810 --> 01:19:18,180
oh did you prove the DSP doesn't exist

1608
01:19:15,789 --> 01:19:20,710
right now say no and they say well

1609
01:19:18,180 --> 01:19:23,230
doesn't that mean that you're wrong

1610
01:19:20,710 --> 01:19:25,720
we're right no I don't say it doesn't

1611
01:19:23,229 --> 01:19:27,399
exist you say it does prove it to me and

1612
01:19:25,720 --> 01:19:30,039
I've got a million-dollar prize that I'm

1613
01:19:27,399 --> 01:19:31,839
going to offer as well I'm going to give

1614
01:19:30,039 --> 01:19:34,329
you an example of how you can't prove a

1615
01:19:31,840 --> 01:19:35,578
negative as I close this tirade by

1616
01:19:34,329 --> 01:19:39,250
electric current

1617
01:19:35,578 --> 01:19:43,599
this evening as I do with most of my

1618
01:19:39,250 --> 01:19:45,250
lectures around the world from being a

1619
01:19:43,599 --> 01:19:48,250
magnet is very difficult I'll give you

1620
01:19:45,250 --> 01:19:49,719
an example that suppose you take oh I'll

1621
01:19:48,250 --> 01:19:51,788
write Santa Claus well this is very

1622
01:19:49,719 --> 01:19:53,408
important especially in the-- and in the

1623
01:19:51,788 --> 01:19:58,719
year comes around I'm very popular in

1624
01:19:53,408 --> 01:20:00,519
December a Christmas tree I've been 26-7

1625

01:19:58,719 --> 01:20:06,578
are so popular because they didn't get

1626
01:20:00,520 --> 01:20:09,190
the pony you find that problem the Santa

1627
01:20:06,578 --> 01:20:10,359
Claus legend is very strong of course in

1628
01:20:09,189 --> 01:20:13,118
all parts of the world under different

1629
01:20:10,359 --> 01:20:16,029
names in America we we favor the idea

1630
01:20:13,118 --> 01:20:19,500
that eight tiny reindeer fly through the

1631
01:20:16,029 --> 01:20:21,969
air pulling a sleigh full of toys

1632
01:20:19,500 --> 01:20:23,859
but hey love you believe it they're

1633
01:20:21,969 --> 01:20:27,399
usually about this size but they believe

1634
01:20:23,859 --> 01:20:29,380
it and this exponent is mythology and

1635
01:20:27,399 --> 01:20:31,899
they'll eventually grow out of it and it

1636
01:20:29,380 --> 01:20:33,760
it's a good thing for kids to have

1637
01:20:31,899 --> 01:20:36,219
something like that going for them to

1638
01:20:33,760 --> 01:20:38,110
entertain but not whether this thing

1639
01:20:36,219 --> 01:20:40,059

don't even when they're about this day I

1640
01:20:38,109 --> 01:20:42,130
can't prove this how close those these

1641
01:20:40,059 --> 01:20:44,199
says no can't do it

1642
01:20:42,130 --> 01:20:48,159
I can give you a pretty good case

1643
01:20:44,198 --> 01:20:50,589
against it I could take freaks now oh

1644
01:20:48,158 --> 01:20:52,269
yeah all right one love example you

1645
01:20:50,590 --> 01:20:54,760
could take it flying reindeer hey you

1646
01:20:52,270 --> 01:21:00,159
can do that yeah I could devise a test

1647
01:20:54,760 --> 01:21:04,179
let me see the reindeer fly alright now

1648
01:21:00,158 --> 01:21:08,529
I'll propose this test that will ya

1649
01:21:04,179 --> 01:21:10,000
will take 100 ring here and number that

1650
01:21:08,529 --> 01:21:11,078
when the side pick them up from top of a

1651
01:21:10,000 --> 01:21:13,149
Sydney Opera House

1652
01:21:11,078 --> 01:21:17,309
we're gonna don't like this assignment

1653
01:21:13,149 --> 01:21:19,799
clock get up there and

1654
01:21:17,310 --> 01:21:40,830
okay definite video camera going good

1655
01:21:19,800 --> 01:21:45,539
okay okay number one over here number

1656
01:21:40,829 --> 01:21:48,029
two number two get out here get out here

1657
01:21:45,539 --> 01:21:58,680
alright number two he just wasn't trying

1658
01:21:48,029 --> 01:22:03,689
I know you can do it I just used it

1659
01:21:58,680 --> 01:22:06,810
apart yeah that didn't work too well

1660
01:22:03,689 --> 01:22:09,299
even number two on each square of the

1661
01:22:06,810 --> 01:22:10,590
society now I don't know where we're

1662
01:22:09,300 --> 01:22:12,690
going to get the based upon by

1663
01:22:10,590 --> 01:22:14,819
admittedly eager knowledge or the

1664
01:22:12,689 --> 01:22:16,408
Arizona evolution brain here

1665
01:22:14,819 --> 01:22:18,509
I believe that we're going to get a

1666
01:22:16,408 --> 01:22:22,469
bottle of very happy and broken right

1667
01:22:18,510 --> 01:22:24,570
here right there at the parking lot and

1668
01:22:22,469 --> 01:22:25,710
they're not going to look too good

1669
01:22:24,569 --> 01:22:38,130
and they're probably be a couple

1670
01:22:25,710 --> 01:22:41,189
security guys what have we proved at the

1671
01:22:38,130 --> 01:22:42,539
end of this experiment we haven't proved

1672
01:22:41,189 --> 01:22:44,939
with the reindeer can fly we've only

1673
01:22:42,539 --> 01:22:45,960
shown the fees under great here on this

1674
01:22:44,939 --> 01:22:50,089
occasion under these circumstances

1675
01:22:45,960 --> 01:22:52,380
either could not fly or chose not to

1676
01:22:50,090 --> 01:22:57,090
it's a lot of way to learn something

1677
01:22:52,380 --> 01:22:59,159
about the IQ of Brady we have about

1678
01:22:57,090 --> 01:23:01,349
proving there are not a tiny reindeer at

1679
01:22:59,158 --> 01:23:03,388
the North Pole the evening of December

1680
01:23:01,349 --> 01:23:06,800
the 24th each and every year can and do

1681
01:23:03,389 --> 01:23:09,260
fly and pull the big red full of toys

1682

01:23:06,800 --> 01:23:12,119
proving a negative is very different

1683
01:23:09,260 --> 01:23:13,860
almost impossible in some cases but

1684
01:23:12,118 --> 01:23:17,069
you're not making the claim they're

1685
01:23:13,859 --> 01:23:20,158
making the claims demand that they prove

1686
01:23:17,069 --> 01:23:21,569
their claims and remember if any of you

1687
01:23:20,158 --> 01:23:23,670
come up with one of these claims that

1688
01:23:21,569 --> 01:23:25,618
does prove to be true that some of good

1689
01:23:23,670 --> 01:23:27,328
tells you about be eligible for the

1690
01:23:25,618 --> 01:23:29,880
billion dollar prize of the James Randi

1691
01:23:27,328 --> 01:23:32,460
Educational Foundation we welcome you to

1692
01:23:29,880 --> 01:23:35,219
apply for it on therapy huh there's a

1693
01:23:32,460 --> 01:23:36,840
finder's fee as well yeah I'm not too

1694
01:23:35,219 --> 01:23:39,868
worried about having to sign the check

1695
01:23:36,840 --> 01:23:42,090
and return however it is up there and as

1696
01:23:39,868 --> 01:23:44,460

a token of good faith and that's what

1697

01:23:42,090 --> 01:23:49,020

it's all about folks it is a token of my

1698

01:23:44,460 --> 01:23:50,609

good faith in my belief of years years

1699

01:23:49,020 --> 01:23:53,449

and years of research on these things

1700

01:23:50,609 --> 01:23:57,059

that these things are just not consulted

1701

01:23:53,448 --> 01:24:00,118

Carl Sagan shared that opinion Carl

1702

01:23:57,060 --> 01:24:02,940

Sagan when I was said doing one of my

1703

01:24:00,118 --> 01:24:06,420

television shows in conduct is now I was

1704

01:24:02,939 --> 01:24:08,819

given a copy of a game of haunted world

1705

01:24:06,420 --> 01:24:11,969

Chinese I'm so happy to see that it is

1706

01:24:08,819 --> 01:24:14,969

circulating in China now the demon

1707

01:24:11,969 --> 01:24:18,869

haunted world is a wonderful book a very

1708

01:24:14,969 --> 01:24:20,789

strong book Carlos last book and one in

1709

01:24:18,869 --> 01:24:23,479

which he really summed up his whole life

1710

01:24:20,789 --> 01:24:25,409

as a skeptic and as a critical thinker

1711
01:24:23,479 --> 01:24:27,059
absolutely astonishing book and what

1712
01:24:25,409 --> 01:24:30,170
chapter in County has given to the

1713
01:24:27,060 --> 01:24:33,900
Carlos episode that you just witnessed

1714
01:24:30,170 --> 01:24:35,369
illustrated here on the stage Colonel a

1715
01:24:33,899 --> 01:24:37,469
missile Malaga

1716
01:24:35,369 --> 01:24:40,738
that's Pilate with one of the great

1717
01:24:37,469 --> 01:24:45,179
voices of reason that we could do with

1718
01:24:40,738 --> 01:24:49,259
and we need a lot more but at the same

1719
01:24:45,179 --> 01:24:51,630
time if we don't have someone like Carl

1720
01:24:49,260 --> 01:24:53,550
Sagan is colorful and has academic

1721
01:24:51,630 --> 01:24:55,079
degrees for such we have to go up and do

1722
01:24:53,550 --> 01:24:57,210
that work ourself I don't have those

1723
01:24:55,079 --> 01:24:58,948
academic degrees but I do have a certain

1724
01:24:57,210 --> 01:25:00,569
amount of flair and I do have a certain

1725
01:24:58,948 --> 01:25:02,460
amount of showmanship and that's what

1726
01:25:00,569 --> 01:25:04,769
they works for me and this is what I

1727
01:25:02,460 --> 01:25:07,560
tell kids particularly and say you know

1728
01:25:04,770 --> 01:25:10,770
when I was 10 years of 80 I had to make

1729
01:25:07,560 --> 01:25:12,449
a decision I had to decide whether to go

1730
01:25:10,770 --> 01:25:14,880
with the paranomalists and all their

1731
01:25:12,448 --> 01:25:18,689
spookiness materials mysterious and

1732
01:25:14,880 --> 01:25:20,789
mystical stuff or gold with real science

1733
01:25:18,689 --> 01:25:22,549
and I decided to go with real science

1734
01:25:20,789 --> 01:25:25,140
it's this way

1735
01:25:22,550 --> 01:25:27,480
we're told that some of our ancestors at

1736
01:25:25,140 --> 01:25:30,300
least came from canes at one time a long

1737
01:25:27,479 --> 01:25:31,979
long time ago they came from kids now

1738
01:25:30,300 --> 01:25:33,170
I've been the case nasty place they

1739

01:25:31,979 --> 01:25:36,029
don't want to go there believe me

1740
01:25:33,170 --> 01:25:39,510
believing nasty damn you don't want to

1741
01:25:36,029 --> 01:25:41,189
live in a cave I can guarantee but the

1742
01:25:39,510 --> 01:25:43,079
paranormalists those people with the

1743
01:25:41,189 --> 01:25:45,269
funny hat something horoscope on the

1744
01:25:43,079 --> 01:25:47,369
wall behind them and the universe

1745
01:25:45,270 --> 01:25:49,710
very articles and whatnot and on the

1746
01:25:47,369 --> 01:25:52,500
television these are the people who are

1747
01:25:49,710 --> 01:25:54,569
saying to you in essence you are not the

1748
01:25:52,500 --> 01:25:56,970
dignified capable responsible human

1749
01:25:54,569 --> 01:26:01,289
being a member of a species that has

1750
01:25:56,970 --> 01:26:05,579
done wonderful wonderful things I just

1751
01:26:01,289 --> 01:26:09,569
walked on the Great Wall of China we did

1752
01:26:05,579 --> 01:26:11,909
that about our particular variety of

1753
01:26:09,569 --> 01:26:14,549

this species know the Chinese people did

1754

01:26:11,909 --> 01:26:17,399

it but they did it a long time ago and

1755

01:26:14,550 --> 01:26:18,329

it's a magnificent thing and we went to

1756

01:26:17,399 --> 01:26:22,529

the moon

1757

01:26:18,329 --> 01:26:25,109

oh man I need this Rukh Khan concert we

1758

01:26:22,529 --> 01:26:26,969

went to the boom we went to the moon I

1759

01:26:25,109 --> 01:26:30,239

just had it that the I Peter because did

1760

01:26:26,970 --> 01:26:32,100

Space Flight Center you know when I tell

1761

01:26:30,239 --> 01:26:33,449

people this if they don't get excited

1762

01:26:32,100 --> 01:26:36,180

through something wrong with their

1763

01:26:33,449 --> 01:26:37,529

imagination I got in a white suit for

1764

01:26:36,180 --> 01:26:39,360

the whole thing in the mask and

1765

01:26:37,529 --> 01:26:42,899

everything else of specular blows and

1766

01:26:39,359 --> 01:26:47,309

they took me in there and I handle bull

1767

01:26:42,899 --> 01:26:49,619

rocks I handle the rocks I help pieces

1768
01:26:47,310 --> 01:26:52,740
of the Moon which is a quarter million

1769
01:26:49,619 --> 01:26:55,579
miles of space I held it in my hand and

1770
01:26:52,739 --> 01:26:59,550
several of them and I looked at them

1771
01:26:55,579 --> 01:27:02,159
it's an awesome experience we went to

1772
01:26:59,550 --> 01:27:07,079
the moon and brought pieces of it back

1773
01:27:02,159 --> 01:27:11,309
so that folks like I could pass a piece

1774
01:27:07,079 --> 01:27:12,840
of the hood you need anything more you

1775
01:27:11,310 --> 01:27:15,539
need anything more beautiful and

1776
01:27:12,840 --> 01:27:19,140
exciting ten Hey look at a puppy dog

1777
01:27:15,539 --> 01:27:20,880
look at a newborn baby I'm gonna rock

1778
01:27:19,140 --> 01:27:23,490
although they said these are real things

1779
01:27:20,880 --> 01:27:26,239
that we can handle we don't need these

1780
01:27:23,489 --> 01:27:26,239
mystics

1781
01:27:32,250 --> 01:27:39,369
like all the kids the choice I paid

1782
01:27:35,340 --> 01:27:43,119
loves to not go back into the caves but

1783
01:27:39,369 --> 01:27:44,769
to go for not factors where we've been

1784
01:27:43,119 --> 01:27:47,469
to the moon we're obviously going to go

1785
01:27:44,770 --> 01:27:48,280
to Mars that's gonna be quite an

1786
01:27:47,469 --> 01:27:50,289
adventure dude

1787
01:27:48,279 --> 01:27:51,849
Wow I know you're innocent up getting

1788
01:27:50,289 --> 01:27:53,590
blue ball okay got your note sir

1789
01:27:51,850 --> 01:27:57,219
they're two things for one thing except

1790
01:27:53,590 --> 01:27:58,300
for those two small heavy methane you

1791
01:27:57,219 --> 01:28:02,889
don't want to know about that

1792
01:27:58,300 --> 01:28:08,889
tree bad atmosphere on Mercury and Venus

1793
01:28:02,889 --> 01:28:12,250
far to go oh yeah oh that's not but Mars

1794
01:28:08,889 --> 01:28:13,750
yeah difficult yes because it's

1795
01:28:12,250 --> 01:28:15,460
difficult doesn't mean we won't do it

1796

01:28:13,750 --> 01:28:17,260
was hard to go to the water and we did

1797
01:28:15,460 --> 01:28:19,539
we came back and we'll go tomorrow

1798
01:28:17,260 --> 01:28:20,260
and we'll come back because that's who

1799
01:28:19,539 --> 01:28:24,939
we are

1800
01:28:20,260 --> 01:28:27,969
we're very special folks and we can do

1801
01:28:24,939 --> 01:28:30,309
it and we will do it and be off that as

1802
01:28:27,969 --> 01:28:32,069
Carl Sagan once said you're made of

1803
01:28:30,310 --> 01:28:35,739
starstuff

1804
01:28:32,069 --> 01:28:37,359
yeah molecules and atoms that your

1805
01:28:35,738 --> 01:28:40,928
bodies are made of it that this whole

1806
01:28:37,359 --> 01:28:44,019
place is made up for once at the heart

1807
01:28:40,929 --> 01:28:48,429
of the Stars own place many many years

1808
01:28:44,020 --> 01:28:50,889
ago and through a gradual process they

1809
01:28:48,429 --> 01:28:53,289
lighter elements turned into they denser

1810
01:28:50,889 --> 01:28:56,170

elements and here we are and pretty well

1811

01:28:53,289 --> 01:28:58,300

organized I would say we are made of

1812

01:28:56,170 --> 01:28:59,800

star stuff and I think that means a spur

1813

01:28:58,300 --> 01:29:03,699

of it we're going to go back to the

1814

01:28:59,800 --> 01:29:07,289

stars to the stars just think about it

1815

01:29:03,698 --> 01:29:10,658

the mind boggles the choice is simple

1816

01:29:07,289 --> 01:29:12,969

back into the paint or go to the stars

1817

01:29:10,658 --> 01:29:15,519

when I was 10 years of age I've made the

1818

01:29:12,969 --> 01:29:17,529

decision I think I'll go to the star the

1819

01:29:15,520 --> 01:29:19,060

help with the Kings thanks and gentlemen

1820

01:29:17,529 --> 01:29:22,349

I'm going to the stars

1821

01:29:19,060 --> 01:29:22,350

I invite you to join them
