

1  
00:00:22,050 --> 00:00:25,380  
well it's all happening at supernova

2  
00:00:24,300 --> 00:00:27,359  
it's all going to be happening people

3  
00:00:25,379 --> 00:00:29,428  
running screaming jumping it's an eye-fi

4  
00:00:27,359 --> 00:00:30,630  
anime explosion where everyone stands in

5  
00:00:29,428 --> 00:00:32,429  
front of someone else trying to take a

6  
00:00:30,629 --> 00:00:33,628  
photo like I do but that's okay because

7  
00:00:32,429 --> 00:00:35,369  
he's standing in front of the guys

8  
00:00:33,628 --> 00:00:36,988  
taking camera me behind him give them

9  
00:00:35,369 --> 00:00:41,750  
away and we have a great time in

10  
00:00:36,988 --> 00:00:41,750  
supernova so get nude and get calm

11  
00:00:47,649 --> 00:00:51,789  
well even these sort of concrete angels

12  
00:00:49,960 --> 00:00:53,560  
I've been looking everywhere I can't see

13  
00:00:51,789 --> 00:00:56,170  
them their way on outside the building

14  
00:00:53,560 --> 00:00:58,929  
last time I saw them and then it look

15  
00:00:56,170 --> 00:01:01,480  
the weeping angels this is a great

16  
00:00:58,929 --> 00:01:02,769  
costume ok you can unfreeze now I don't

17  
00:01:01,479 --> 00:01:03,849  
want that concrete to sit you know what

18  
00:01:02,770 --> 00:01:04,990  
your mom said you pull that face too

19  
00:01:03,850 --> 00:01:06,969  
long you'll turn oh that actually

20  
00:01:04,989 --> 00:01:09,699  
happened to you anyway and who we got

21  
00:01:06,969 --> 00:01:11,289  
here I'm Caitlin Jessica wow great

22  
00:01:09,700 --> 00:01:12,700  
costumes like these would be among the

23  
00:01:11,290 --> 00:01:14,170  
best I've seen that I have and it's like

24  
00:01:12,700 --> 00:01:16,150  
one of these ones it takes a bit of work

25  
00:01:14,170 --> 00:01:18,340  
and it's not the kind of one that would

26  
00:01:16,150 --> 00:01:19,930  
first come to mind I mean I often dress

27  
00:01:18,340 --> 00:01:21,340  
up as Leela from dr who that's my

28  
00:01:19,930 --> 00:01:22,720  
favorite character but no one wants to

29

00:01:21,340 --> 00:01:24,549  
see me wearing that that around the

30  
00:01:22,719 --> 00:01:27,519  
place that's for sure but thesis is a

31  
00:01:24,549 --> 00:01:29,890  
great idea why these ones um just

32  
00:01:27,519 --> 00:01:31,269  
because they're in the best episode of

33  
00:01:29,890 --> 00:01:34,719  
Doctor Who pretty much and they were

34  
00:01:31,269 --> 00:01:36,609  
really creepy blink a great episode not

35  
00:01:34,719 --> 00:01:38,530  
mainly because of what happens but what

36  
00:01:36,609 --> 00:01:40,719  
you guys on in your head it's all

37  
00:01:38,530 --> 00:01:42,129  
psychological and know who had the idea

38  
00:01:40,719 --> 00:01:43,478  
for it and who was the other one that

39  
00:01:42,129 --> 00:01:47,109  
said I'm not going with a dress like

40  
00:01:43,478 --> 00:01:49,359  
that and was talked into it well we made

41  
00:01:47,109 --> 00:01:50,799  
the dresses a while agree and we just

42  
00:01:49,359 --> 00:01:52,239  
wanted to make the customer bit better

43  
00:01:50,799 --> 00:01:55,780

so I can't remember who actually had the

44

00:01:52,239 --> 00:01:57,159

first idea um yeah I think it's just

45

00:01:55,780 --> 00:01:59,890

something we both wanted to really do

46

00:01:57,159 --> 00:02:01,689

cuz yeah but come on people at home as

47

00:01:59,890 --> 00:02:03,939

far as Doctor Who character bad got what

48

00:02:01,689 --> 00:02:07,289

we would you rather see Daleks or this I

49

00:02:03,939 --> 00:02:07,289

think I'd rather see this going on here

50

00:02:09,709 --> 00:02:13,709

I'm very excited we've got Larry Hagman

51

00:02:12,150 --> 00:02:15,330

here he was great on his show Sherlock

52

00:02:13,709 --> 00:02:16,890

Holmes I loved his version of it bah

53

00:02:15,330 --> 00:02:18,450

Britain's over there Halper Valley PTA

54

00:02:16,889 --> 00:02:20,789

is to show you must not me at all but

55

00:02:18,449 --> 00:02:22,738

here's a guy Bill Daley this guy could

56

00:02:20,789 --> 00:02:23,939

cruise around driving drinking and

57

00:02:22,739 --> 00:02:26,189

smoking with as many blondes as you

58  
00:02:23,939 --> 00:02:27,449  
wanted in Cocoa Beach I below I well

59  
00:02:26,189 --> 00:02:29,909  
I've been driving drinking and smoking

60  
00:02:27,449 --> 00:02:31,259  
so I'm a little tired now because it

61  
00:02:29,909 --> 00:02:33,060  
runs well gotta quit the stock question

62  
00:02:31,259 --> 00:02:36,030  
of the way first what's it like to be in

63  
00:02:33,060 --> 00:02:38,340  
Australia bill the best good-looking

64  
00:02:36,030 --> 00:02:39,780  
women the best doors so nice oh we have

65  
00:02:38,340 --> 00:02:41,009  
a lot of great drag queens here too so

66  
00:02:39,780 --> 00:02:44,669  
don't get confused well that's a real

67  
00:02:41,009 --> 00:02:46,679  
drag I was equated rag the drag bring

68  
00:02:44,669 --> 00:02:48,780  
actually you ever drank a cup of ways

69  
00:02:46,680 --> 00:02:50,610  
around it very of it especially tall fat

70  
00:02:48,780 --> 00:02:53,370  
man they mad at cost you in drinks is

71  
00:02:50,610 --> 00:02:54,870  
unbelievable I built tell me once if I'm

72  
00:02:53,370 --> 00:02:56,489  
asking you here yeah you're finally in

73  
00:02:54,870 --> 00:02:58,170  
Australia is anyone making a is there

74  
00:02:56,489 --> 00:02:59,969  
anyone noticing that you had the army

75  
00:02:58,169 --> 00:03:01,409  
uniform on earth nasa and not the Air

76  
00:02:59,969 --> 00:03:03,539  
Force you know that they're brighter

77  
00:03:01,409 --> 00:03:05,519  
here and not because when I travel and

78  
00:03:03,539 --> 00:03:07,889  
do shows and ella la they don't know why

79  
00:03:05,519 --> 00:03:10,920  
even ask me even care that my uniform is

80  
00:03:07,889 --> 00:03:12,449  
olive so that everybody here notices and

81  
00:03:10,919 --> 00:03:14,280  
that I was that was in the Army that's

82  
00:03:12,449 --> 00:03:16,649  
why and there was it was black and white

83  
00:03:14,280 --> 00:03:18,689  
the first year so nobody knew so we

84  
00:03:16,650 --> 00:03:20,099  
didn't take care couldn't tell if I'm

85  
00:03:18,689 --> 00:03:21,659  
Oliver what would have been your

86

00:03:20,099 --> 00:03:23,400  
favorite episode the one if you had to

87  
00:03:21,659 --> 00:03:24,419  
say okay this is the episode of I Dream

88  
00:03:23,400 --> 00:03:26,640  
of Jeannie that explains everything

89  
00:03:24,419 --> 00:03:28,828  
about Roger Healey and his character I

90  
00:03:26,639 --> 00:03:30,599  
think the first one we did when I didn't

91  
00:03:28,829 --> 00:03:32,519  
know there was a genie it was a funny

92  
00:03:30,599 --> 00:03:35,129  
thing from because she disappears on a

93  
00:03:32,519 --> 00:03:37,349  
boat they think he killed her and so he

94  
00:03:35,129 --> 00:03:38,549  
tells me she was back home Larry says I

95  
00:03:37,349 --> 00:03:41,189  
want you to go home and talk to the

96  
00:03:38,549 --> 00:03:43,379  
walls well what do you want me to say to

97  
00:03:41,189 --> 00:03:45,419  
tell the walls I love her so I got this

98  
00:03:43,379 --> 00:03:47,519  
whole scene and dr. Bellas is behind me

99  
00:03:45,419 --> 00:03:49,409  
and that was funnier when I didn't know

100  
00:03:47,519 --> 00:03:50,879

it was a journey and what is the most

101

00:03:49,409 --> 00:03:52,079

unusual thing you've been off at the

102

00:03:50,879 --> 00:03:53,609

sign here we have a gentleman here if

103

00:03:52,079 --> 00:03:55,530

you could just put your bottle into our

104

00:03:53,609 --> 00:03:57,180

shot there you go there's a genie bottle

105

00:03:55,530 --> 00:03:58,680

I believe the original one was based on

106

00:03:57,180 --> 00:04:00,209

some sort of Jack Daniels decanter

107

00:03:58,680 --> 00:04:02,180

bottle or something that what's the most

108

00:04:00,209 --> 00:04:05,509

unusual thing you've had to sign

109

00:04:02,180 --> 00:04:07,310

ah it's sick I can't say this on the air

110

00:04:05,509 --> 00:04:10,188

but there's been a couple of really

111

00:04:07,310 --> 00:04:12,680

unusual you know I had assigned a breast

112

00:04:10,188 --> 00:04:15,348

and it was a guy which really was very

113

00:04:12,680 --> 00:04:16,519

uncomfortable well dolly before I make

114

00:04:15,348 --> 00:04:17,750

the people uncomfortable waiting for

115  
00:04:16,519 --> 00:04:18,978  
your autograph here thank you for coming

116  
00:04:17,750 --> 00:04:21,199  
out to Australia and then come back and

117  
00:04:18,978 --> 00:04:23,089  
do some surfing sometime oh yeah serving

118  
00:04:21,199 --> 00:04:25,910  
would you have water here oh great I

119  
00:04:23,089 --> 00:04:27,829  
like some water right now wow you know

120  
00:04:25,910 --> 00:04:30,310  
the people you're meeting at supernova

121  
00:04:27,829 --> 00:04:32,418  
I'm here with mr. Larry Hagman star of

122  
00:04:30,310 --> 00:04:35,089  
Sherlock Holmes I really like that

123  
00:04:32,418 --> 00:04:36,680  
series of Sherlock Holmes you did look

124  
00:04:35,089 --> 00:04:38,000  
that was a while ago please explain to

125  
00:04:36,680 --> 00:04:39,199  
the pit boss I tell people you're Larry

126  
00:04:38,000 --> 00:04:41,629  
Hagman he was sherlock holmes and they

127  
00:04:39,199 --> 00:04:45,259  
go huh i was reading sherlock holmes and

128  
00:04:41,629 --> 00:04:46,728  
the motorcycle fell on me i had been

129  
00:04:45,259 --> 00:04:49,009  
riding it like we just sitting out the

130  
00:04:46,728 --> 00:04:51,579  
him riding it i was reading behind it

131  
00:04:49,009 --> 00:04:55,098  
just fell over him and then I had a

132  
00:04:51,579 --> 00:04:57,500  
epiphany iceberg and look what obviously

133  
00:04:55,098 --> 00:04:59,569  
I Dream of Jeannie Dallas enormous shows

134  
00:04:57,500 --> 00:05:01,788  
but I Dream of Jeannie seems to live on

135  
00:04:59,569 --> 00:05:03,079  
because kids just love that show and

136  
00:05:01,788 --> 00:05:05,060  
there's so much going on that show and

137  
00:05:03,079 --> 00:05:07,370  
you were a powerhouse in that show but

138  
00:05:05,060 --> 00:05:08,689  
you and Bill great combination and I was

139  
00:05:07,370 --> 00:05:09,829  
always a fan of bill because he could go

140  
00:05:08,689 --> 00:05:12,019  
do what he wants he could go out and

141  
00:05:09,829 --> 00:05:14,180  
date the girls have fun you had the

142  
00:05:12,019 --> 00:05:16,370  
major ball and chain of almost a wife

143

00:05:14,180 --> 00:05:19,970  
with supernatural powers yeah as hell

144  
00:05:16,370 --> 00:05:21,259  
but somebody had to do it and what you

145  
00:05:19,970 --> 00:05:23,570  
think was the best episode of it i

146  
00:05:21,259 --> 00:05:24,918  
always ask you and I'm people it's very

147  
00:05:23,569 --> 00:05:26,719  
difficult to pick just one but is that

148  
00:05:24,918 --> 00:05:29,329  
one that you think really goes yeah that

149  
00:05:26,720 --> 00:05:32,300  
was the best ever it was the invisible

150  
00:05:29,329 --> 00:05:33,649  
dog Jinjin do you remember that one that

151  
00:05:32,300 --> 00:05:35,900  
had the vision he used to rip me apart

152  
00:05:33,649 --> 00:05:38,089  
and tear my clothes off and stuff like

153  
00:05:35,899 --> 00:05:41,418  
that and he can fly too good me it was

154  
00:05:38,089 --> 00:05:43,219  
invisible yeah yeah with Dallas man you

155  
00:05:41,418 --> 00:05:44,990  
are like almost demonized or you were

156  
00:05:43,220 --> 00:05:46,580  
demonized there was such a bad guy for

157  
00:05:44,990 --> 00:05:48,168

such a long time you I guess you

158

00:05:46,579 --> 00:05:49,250

couldn't go buy milk anywhere all people

159

00:05:48,168 --> 00:05:50,810

that want to have a conversation with

160

00:05:49,250 --> 00:05:52,490

you wouldn't there oh they always say

161

00:05:50,810 --> 00:05:55,240

who shot you you know stuff like that

162

00:05:52,490 --> 00:05:55,240

they still do

163

00:05:55,509 --> 00:06:00,639

how many shows have you been in ever

164

00:05:56,980 --> 00:06:07,480

even able to count them all without 156

165

00:06:00,639 --> 00:06:09,729

genies and 358 I think Dallas's and then

166

00:06:07,480 --> 00:06:11,620

a myriad of other television shows or

167

00:06:09,730 --> 00:06:13,000

something like that and one of the

168

00:06:11,620 --> 00:06:14,500

Australian fans been like here what kind

169

00:06:13,000 --> 00:06:16,000

of fans are we got here in Australia are

170

00:06:14,500 --> 00:06:17,740

they any different sort or we just as

171

00:06:16,000 --> 00:06:19,930

wacky as anyone else famous all over the

172  
00:06:17,740 --> 00:06:22,210  
world you know people love genie and

173  
00:06:19,930 --> 00:06:34,150  
they love Dallas and so for the fans are

174  
00:06:22,209 --> 00:06:35,799  
fans well I'm pretty excited because I'm

175  
00:06:34,149 --> 00:06:37,659  
here where the sci-fi channel hang out

176  
00:06:35,800 --> 00:06:39,670  
now the sofa challenge Australia you

177  
00:06:37,660 --> 00:06:41,710  
know it's got a mix of stuff on it but

178  
00:06:39,670 --> 00:06:43,629  
it's at the moment there's a lot of Tom

179  
00:06:41,709 --> 00:06:45,759  
Baker where I am now and a lot of old

180  
00:06:43,629 --> 00:06:47,500  
TVs in fact I think this is a TV that

181  
00:06:45,759 --> 00:06:49,300  
was stolen from my house 15 years ago

182  
00:06:47,500 --> 00:06:51,759  
and this could well be the guys starlet

183  
00:06:49,300 --> 00:06:53,139  
who we got here I'm Richard know your do

184  
00:06:51,759 --> 00:06:54,370  
a bit of work here for the sci-fi

185  
00:06:53,139 --> 00:06:56,169  
channel and you've got a lot of Tom

186  
00:06:54,370 --> 00:06:58,120  
Baker going on while you're pushing the

187  
00:06:56,170 --> 00:06:59,379  
Tom Baker Doctor Who today well it's a

188  
00:06:58,120 --> 00:07:01,120  
bit of a bigger been for so far we've

189  
00:06:59,379 --> 00:07:03,610  
got Tom Baker series of Doctor Who

190  
00:07:01,120 --> 00:07:06,220  
starting in August the every Tom Baker

191  
00:07:03,610 --> 00:07:08,290  
episode which think is 186 episodes of

192  
00:07:06,220 --> 00:07:12,810  
Tom Baker would you care for a jelly

193  
00:07:08,290 --> 00:07:12,810  
baby look I can never say no

194  
00:07:13,538 --> 00:07:17,628  
here's to Tom Baker I'm going to that

195  
00:07:16,038 --> 00:07:19,788  
visible paper heavier because I parked

196  
00:07:17,629 --> 00:07:21,139  
my car in an illegal place let me just

197  
00:07:19,788 --> 00:07:31,009  
check my bag I might be able to fix it

198  
00:07:21,139 --> 00:07:32,180  
get some invisible paper ok now what's

199  
00:07:31,009 --> 00:07:33,680  
the reaction you're getting here with

200

00:07:32,180 --> 00:07:34,819  
these outfits I imagine it's been a

201  
00:07:33,680 --> 00:07:37,370  
fairly negative 1 and people have been

202  
00:07:34,819 --> 00:07:42,020  
asking you to leave um people mainly

203  
00:07:37,370 --> 00:07:44,899  
been asking us to bend over bend over me

204  
00:07:42,019 --> 00:07:46,339  
no one's arse off that yeah and what

205  
00:07:44,899 --> 00:07:47,209  
about any other costumes you think you

206  
00:07:46,339 --> 00:07:49,098  
might have seen that are better than

207  
00:07:47,209 --> 00:07:50,508  
yours yours are pretty good here it were

208  
00:07:49,098 --> 00:07:52,009  
very hard to beat this but if someone

209  
00:07:50,509 --> 00:07:53,900  
put even more work into their stuff of

210  
00:07:52,009 --> 00:07:55,788  
new guys well the Ghostbusters there's

211  
00:07:53,899 --> 00:07:59,959  
four Ghostbusters out there and be your

212  
00:07:55,788 --> 00:08:01,550  
competition well yes well yes but I did

213  
00:07:59,959 --> 00:08:04,098  
put a heat map into their questions they

214  
00:08:01,550 --> 00:08:05,810

got the lasers going in there Oh Sam

215

00:08:04,098 --> 00:08:07,310

them and you look forward to these kind

216

00:08:05,810 --> 00:08:09,939

of things every six months or so to come

217

00:08:07,310 --> 00:08:11,959

longer big con like this yeah absolutely

218

00:08:09,939 --> 00:08:17,050

absolutely it's the highlight of our

219

00:08:11,959 --> 00:08:17,049

year yeah it's been 12 months and um

220

00:08:23,269 --> 00:08:27,149

now forgive those conventions as people

221

00:08:25,800 --> 00:08:29,460

usually leave stuff under the table

222

00:08:27,149 --> 00:08:31,739

juicy a wallet or something oh hi Oh may

223

00:08:29,459 --> 00:08:33,029

not here at supernova just seeing you

224

00:08:31,740 --> 00:08:34,470

know if I can steal some stuff but I've

225

00:08:33,029 --> 00:08:37,139

obviously a didn't booth where someone

226

00:08:34,470 --> 00:08:38,910

is hello how are you I mean are you I

227

00:08:37,139 --> 00:08:40,439

brought whilst i was still nothing from

228

00:08:38,909 --> 00:08:42,689

here there's gonna be no five finger

229  
00:08:40,440 --> 00:08:44,400  
discount going on in this video now now

230  
00:08:42,690 --> 00:08:45,570  
tell us who you are and what you

231  
00:08:44,399 --> 00:08:47,009  
representing here today because I'm a

232  
00:08:45,570 --> 00:08:49,470  
big fan of this organization and

233  
00:08:47,009 --> 00:08:51,509  
remember this is culture shock events

234  
00:08:49,470 --> 00:08:53,550  
and Friends of science fiction we're

235  
00:08:51,509 --> 00:08:55,409  
selling tickets for our conventions that

236  
00:08:53,549 --> 00:08:58,439  
are coming up in august november and

237  
00:08:55,409 --> 00:09:00,629  
december and for handing out fly so

238  
00:08:58,440 --> 00:09:01,650  
anybody who's even interesting so you

239  
00:09:00,629 --> 00:09:03,210  
should be a part of the Friends of

240  
00:09:01,649 --> 00:09:04,500  
science fiction fan club they love all

241  
00:09:03,210 --> 00:09:05,850  
genres and they get together and have

242  
00:09:04,500 --> 00:09:07,230  
great chats about stuff and have

243  
00:09:05,850 --> 00:09:09,300  
screenings and it's like a mini version

244  
00:09:07,230 --> 00:09:11,100  
of this going over once in a while but

245  
00:09:09,299 --> 00:09:12,269  
who you bringing out because you know

246  
00:09:11,100 --> 00:09:14,310  
when you bring someone out you're taking

247  
00:09:12,269 --> 00:09:16,590  
a financial risk so who do you think is

248  
00:09:14,309 --> 00:09:19,349  
bankable well at the moment we've got

249  
00:09:16,590 --> 00:09:22,290  
Captain Janeway coming up kate mulgrew

250  
00:09:19,350 --> 00:09:25,409  
tim russ is joining her and later in the

251  
00:09:22,289 --> 00:09:28,110  
year we have Freddy Krueger himself yeah

252  
00:09:25,409 --> 00:09:31,469  
Robert Englund and the Candy Man Tony

253  
00:09:28,110 --> 00:09:32,879  
Todd and here the Logan camp what you

254  
00:09:31,470 --> 00:09:35,639  
got a whole stack of people coming out

255  
00:09:32,879 --> 00:09:37,559  
Oh sack of people okay live long and

256  
00:09:35,639 --> 00:09:41,389  
have some jelly babies I think I got

257

00:09:37,559 --> 00:09:41,389  
that wrong something like that

258  
00:09:43,350 --> 00:09:49,989  
wow you know this is exactly like my

259  
00:09:46,958 --> 00:09:52,058  
Volkswagen except for the color guns the

260  
00:09:49,989 --> 00:09:53,109  
room inside it's faster but anyway look

261  
00:09:52,058 --> 00:09:55,088  
you can get a park with this anytime

262  
00:09:53,109 --> 00:09:56,439  
just fire some missiles and there's your

263  
00:09:55,089 --> 00:09:58,779  
car park about a good time here at

264  
00:09:56,438 --> 00:10:00,728  
supanova I've had my tiny brain blown

265  
00:09:58,778 --> 00:10:03,698  
I'm going to go get into some anime

266  
00:10:00,729 --> 00:10:04,959  
costume mainly underwear based and spend

267  
00:10:03,698 --> 00:10:07,149  
a fair bit of time at home watching some

268  
00:10:04,958 --> 00:10:10,328  
cartoons see you later hey it's my life

269  
00:10:07,149 --> 00:10:11,828  
don't judge me oh by the way these

270  
00:10:10,328 --> 00:10:12,998  
security guards they're not for the car

271  
00:10:11,828 --> 00:10:14,828

there for me you wouldn't believe the

272

00:10:12,999 --> 00:10:17,428  
amount trouble I get in after the

273

00:10:14,828 --> 00:10:17,428  
incident

274

00:10:33,590 --> 00:10:37,769  
knocking on down

275

00:10:35,710 --> 00:10:37,769  
you
