

1
00:00:07,940 --> 00:00:16,199
this is show 53 for the today which is

2
00:00:14,250 --> 00:00:17,820
the 23rd was it let's delay the 23rd

3
00:00:16,199 --> 00:00:20,549
should we just make that nice and they

4
00:00:17,820 --> 00:00:26,160
even so should be the 20th a video looks

5
00:00:20,550 --> 00:00:28,410
good and this is for you people watching

6
00:00:26,160 --> 00:00:29,969
it on you choose that recording now

7
00:00:28,410 --> 00:00:32,189
that's recording this that's recording

8
00:00:29,969 --> 00:00:34,200
hey that's recording so for you people

9
00:00:32,189 --> 00:00:35,909
watching it on YouTube this is the extra

10
00:00:34,200 --> 00:00:37,320
feature that's right and that's

11
00:00:35,909 --> 00:00:38,578
recording too but that's on my private

12
00:00:37,320 --> 00:00:40,649
channel because it's got a different

13
00:00:38,579 --> 00:00:42,719
angle that is not approved for the

14
00:00:40,649 --> 00:00:44,640
skeptics out now so everything's

15
00:00:42,719 --> 00:00:46,609
recording this is a YouTube special

16
00:00:44,640 --> 00:00:50,070
extra feature that if you listen to this

17
00:00:46,609 --> 00:00:51,838
on the on the zone proper yeah download

18
00:00:50,070 --> 00:00:53,399
the skeptic zone you won't hear or see

19
00:00:51,838 --> 00:00:55,408
this that's right but you'll be hearing

20
00:00:53,399 --> 00:00:56,759
us talking about it no you won't because

21
00:00:55,408 --> 00:00:58,890
we'll start in a minute because well

22
00:00:56,759 --> 00:01:00,658
they're all special ah this like the

23
00:00:58,890 --> 00:01:03,149
directors car this is director this is

24
00:01:00,658 --> 00:01:05,189
the director right here Richard good to

25
00:01:03,149 --> 00:01:06,960
see you again hello Stefan we're back

26
00:01:05,189 --> 00:01:09,719
we're back in the zone this must be an

27
00:01:06,959 --> 00:01:12,119
episode of what 4032 or something it is

28
00:01:09,719 --> 00:01:14,519
good gifts ah I wish it was now it's in

29

00:01:12,120 --> 00:01:17,090
fact it's episode number 53 for the 23rd

30
00:01:14,519 --> 00:01:19,949
of October which is today by the way Oh

31
00:01:17,090 --> 00:01:21,540
today is the is actually today it's

32
00:01:19,950 --> 00:01:24,780
actually today today is today that's

33
00:01:21,540 --> 00:01:27,990
that's a dominant it's amazing and it's

34
00:01:24,780 --> 00:01:29,939
owned 53 it says actually it's like the

35
00:01:27,989 --> 00:01:32,399
first one of the year but not really

36
00:01:29,939 --> 00:01:34,920
because we missed a couple actually no

37
00:01:32,400 --> 00:01:41,820
we didn't miss any so this is like happy

38
00:01:34,920 --> 00:01:43,980
new year happy new year what truth well

39
00:01:41,819 --> 00:01:46,859
I mean we've gone over the year we have

40
00:01:43,980 --> 00:01:49,380
we have so this is a few presented the

41
00:01:46,859 --> 00:01:51,420
niggas the second year okay that's 53

42
00:01:49,379 --> 00:01:55,140
cuz i think there's 52 weeks the yield

43
00:01:51,420 --> 00:01:57,000

there oh I see so yes yes early on in

44

00:01:55,140 --> 00:01:59,549

the very first few months we skip none

45

00:01:57,000 --> 00:02:01,379

up off we skipped her I remember that I

46

00:01:59,549 --> 00:02:04,950

was a deep and dark depressing time to

47

00:02:01,379 --> 00:02:06,899

mix well it's good to be back and every

48

00:02:04,950 --> 00:02:09,868

three we got a bit of an interesting

49

00:02:06,900 --> 00:02:11,610

episode together the editor from this

50

00:02:09,868 --> 00:02:13,800

scientific america actually that's right

51

00:02:11,610 --> 00:02:15,540

uh he's just retired he was the former

52

00:02:13,800 --> 00:02:18,450

editor-in-chief of Scientific American

53

00:02:15,539 --> 00:02:21,579

magazine John ready and dr. H he caught

54

00:02:18,449 --> 00:02:23,560

up with him in New York how was he like

55

00:02:21,580 --> 00:02:25,240

in that position for a long time he was

56

00:02:23,560 --> 00:02:27,729

um actually I think they mentioned that

57

00:02:25,240 --> 00:02:30,129

in the interview right cuz that's a

58

00:02:27,729 --> 00:02:31,629

pretty pretty established magazine

59

00:02:30,129 --> 00:02:33,849

that's way before the internet that's

60

00:02:31,629 --> 00:02:35,560

amazing yeah and she got him that's

61

00:02:33,849 --> 00:02:37,840

fantastic now that's followed by our

62

00:02:35,560 --> 00:02:40,689

reporter nurse Joanne been amoo who goes

63

00:02:37,840 --> 00:02:43,539

and gets a swine flu shot a real one or

64

00:02:40,689 --> 00:02:46,780

homeopathic one a real homie bad no Leo

65

00:02:43,539 --> 00:02:48,189

real one a real one excellent is that we

66

00:02:46,780 --> 00:02:50,919

can hear her actually getting the choppa

67

00:02:48,189 --> 00:02:53,379

cool do you remember about all five or

68

00:02:50,919 --> 00:02:56,109

six months ago I went and I had a shot

69

00:02:53,379 --> 00:02:57,789

myself uh-uh pertussis yes I remember

70

00:02:56,110 --> 00:03:00,010

that and you said it hurt a little bit

71

00:02:57,789 --> 00:03:01,689

hardly at all hardly felt an honest

72
00:03:00,009 --> 00:03:04,090
night yeah I'll burn you you're brave

73
00:03:01,689 --> 00:03:06,669
tough man so your net ID be a screaming

74
00:03:04,090 --> 00:03:08,830
like a girl have to figure out a ninja

75
00:03:06,669 --> 00:03:10,750
over the homeopathic one I just have a

76
00:03:08,830 --> 00:03:13,750
drink of homeopathic remedy you'll be

77
00:03:10,750 --> 00:03:15,129
fine easy and a bit of Reiki bitter Iggy

78
00:03:13,750 --> 00:03:16,719
that everything be cooked can't forget

79
00:03:15,129 --> 00:03:18,099
the ready that's followed by the think

80
00:03:16,719 --> 00:03:19,959
tank of course there were told thing

81
00:03:18,099 --> 00:03:22,120
takes where where is the think tank this

82
00:03:19,959 --> 00:03:23,709
week in our favorite club down the

83
00:03:22,120 --> 00:03:26,680
street which is the Canterbury holston

84
00:03:23,709 --> 00:03:28,870
park RSL which is a bit of a legend of

85
00:03:26,680 --> 00:03:31,000
Club landing in sydney if you ever come

86

00:03:28,870 --> 00:03:33,789
to Australia if you lives the overseas

87
00:03:31,000 --> 00:03:37,239
or here in Sydney go to the CHP RSL

88
00:03:33,789 --> 00:03:39,729
because it is a cabaret Mecca it is

89
00:03:37,239 --> 00:03:43,569
they've got a lot of them acts that were

90
00:03:39,729 --> 00:03:46,419
really bigger than 60 in fact i think

91
00:03:43,569 --> 00:03:48,430
the search is a circus or the secrets of

92
00:03:46,419 --> 00:03:50,469
that i actually supported the searches

93
00:03:48,430 --> 00:03:52,120
at can be healthy park areas of couple

94
00:03:50,469 --> 00:03:56,019
years ago anything they were still

95
00:03:52,120 --> 00:03:57,580
walking without Zimmer frame amazing

96
00:03:56,019 --> 00:03:59,769
tell you what talking about the

97
00:03:57,580 --> 00:04:03,700
Canterbury Coulson park area so it was

98
00:03:59,769 --> 00:04:06,879
there I met Don lane it was not it was

99
00:04:03,699 --> 00:04:09,518
you did bout five years back I was there

100
00:04:06,879 --> 00:04:13,180

for some other reason I can't remember

101

00:04:09,519 --> 00:04:16,000

why and Don Lane was divided out of that

102

00:04:13,180 --> 00:04:17,620

I think all do it was a game as America

103

00:04:16,000 --> 00:04:20,949

now we mentioned online of course

104

00:04:17,620 --> 00:04:24,519

because he died only yesterday yes at 75

105

00:04:20,949 --> 00:04:27,009

and he was the man who kicked james

106

00:04:24,519 --> 00:04:28,789

randi off his varieties in a fit of rage

107

00:04:27,009 --> 00:04:33,019

in fact I'll just play that

108

00:04:28,790 --> 00:04:34,879

right now there you go wow it's

109

00:04:33,019 --> 00:04:37,370

definitely more like an over the Doris

110

00:04:34,879 --> 00:04:39,110

Stokes Doran he believed in her

111

00:04:37,370 --> 00:04:40,879

thoroughly well you got to think of the

112

00:04:39,110 --> 00:04:42,350

time it was I mean this is Don lane he

113

00:04:40,879 --> 00:04:44,449

had his show in the late 70s to the

114

00:04:42,350 --> 00:04:47,120

early 80s hmm and that was really

115
00:04:44,449 --> 00:04:48,920
especially the late 70s was the big time

116
00:04:47,120 --> 00:04:50,810
for all the spoon bending and the

117
00:04:48,920 --> 00:04:52,939
psychics so that's sort of funny people

118
00:04:50,810 --> 00:04:54,230
here and so Doris Stokes and these

119
00:04:52,939 --> 00:04:57,199
people would come on the Don Lane show

120
00:04:54,230 --> 00:04:59,120
do their act really well and convince a

121
00:04:57,199 --> 00:05:01,069
lot of bids a lot of people Don Lane was

122
00:04:59,120 --> 00:05:03,230
obviously I even here comes James Randi

123
00:05:01,069 --> 00:05:04,730
saying no it's not really happening well

124
00:05:03,230 --> 00:05:06,860
darling spit the dummy is they're saying

125
00:05:04,730 --> 00:05:09,200
because there's good ratings yeah good

126
00:05:06,860 --> 00:05:11,210
ratings and it would be ironic if he was

127
00:05:09,199 --> 00:05:14,300
actually up there now looking down on us

128
00:05:11,209 --> 00:05:16,519
yo you know trying to break through that

129
00:05:14,300 --> 00:05:18,920
sort of veil of communication that the

130
00:05:16,519 --> 00:05:21,259
spirit people can't get through to our

131
00:05:18,920 --> 00:05:24,620
to lowly humans like I wouldn't miss be

132
00:05:21,259 --> 00:05:27,529
I wound up your phone is so ironic and

133
00:05:24,620 --> 00:05:30,620
talking about irony yes a median right

134
00:05:27,529 --> 00:05:33,679
anyway uh is in really good news dr.

135
00:05:30,620 --> 00:05:35,959
rachy and I have just scored a regular

136
00:05:33,680 --> 00:05:39,319
gig on radio 2 GB here in Sydney you

137
00:05:35,959 --> 00:05:41,509
haven't yeah yeah what as a skeptic yet

138
00:05:39,319 --> 00:05:44,089
it yeah starting this Saturday night

139
00:05:41,509 --> 00:05:46,339
after 8pm it'll be between eight pm and

140
00:05:44,089 --> 00:05:48,319
nine play on chatty bit yeah we're going

141
00:05:46,339 --> 00:05:49,879
into downtown to the studio here in

142
00:05:48,319 --> 00:05:51,259
Sydney and we're going to be on Sydney

143

00:05:49,879 --> 00:05:53,449
radio I hope they're not going to call

144
00:05:51,259 --> 00:05:54,529
it the skeptic zone I have not I don't

145
00:05:53,449 --> 00:05:56,420
know I don't know what they're going to

146
00:05:54,529 --> 00:05:58,759
call it but if you listen as you want to

147
00:05:56,420 --> 00:06:04,220
tune in you can hear us all around the

148
00:05:58,759 --> 00:06:06,620
world www.2g be calm right that's

149
00:06:04,220 --> 00:06:09,080
fantastic you'll have to check your time

150
00:06:06,620 --> 00:06:14,389
tables and scales and dates now yeah

151
00:06:09,079 --> 00:06:16,699
this life-saving Sydney time on saturday

152
00:06:14,389 --> 00:06:18,979
night between eight and nine daylight

153
00:06:16,699 --> 00:06:24,620
saving so add an hour to your normal and

154
00:06:18,980 --> 00:06:26,560
in dumb are you getting paid not yet get

155
00:06:24,620 --> 00:06:28,910
a contra deal no the rewards will be

156
00:06:26,560 --> 00:06:30,439
normally that just to the warm and fuzzy

157
00:06:28,910 --> 00:06:32,090

feeling the warm and fuzzy feeling and

158

00:06:30,439 --> 00:06:35,420

who knows they may even hear us in

159

00:06:32,089 --> 00:06:37,399

Mexico I say that up because I've had an

160

00:06:35,420 --> 00:06:39,968

email from a bloke in Mexico who would

161

00:06:37,399 --> 00:06:43,058

like me to quickly mention his

162

00:06:39,968 --> 00:06:48,118

weblog yoyi which means skeptical dad

163

00:06:43,059 --> 00:06:54,939

such as HTTP colon slash slash pa pa e

164

00:06:48,119 --> 00:06:57,729

SC EPT I see Oh Papa is skeptical dot

165

00:06:54,939 --> 00:06:59,079

wordpress com okay and when I saw that

166

00:06:57,728 --> 00:07:00,788

email actually he sounds like a pretty

167

00:06:59,079 --> 00:07:02,348

cool dude he was he is a great email

168

00:07:00,788 --> 00:07:04,058

yeah yeah he said to you too of course

169

00:07:02,348 --> 00:07:05,558

that's right and he wants to he wants to

170

00:07:04,059 --> 00:07:07,749

get a bit of a skeptical thing happening

171

00:07:05,559 --> 00:07:10,329

in Mexico which is a home of a lot of

172
00:07:07,749 --> 00:07:12,278
world a bit so I think we should

173
00:07:10,329 --> 00:07:14,319
encourage him if anyone else is anywhere

174
00:07:12,278 --> 00:07:16,238
near Mexico or thinking of heading down

175
00:07:14,319 --> 00:07:18,639
there to maybe you know break bail or

176
00:07:16,238 --> 00:07:21,428
something um gone gonna catch up with

177
00:07:18,639 --> 00:07:22,689
him and get something so check out check

178
00:07:21,428 --> 00:07:24,698
out his website check out his website

179
00:07:22,689 --> 00:07:27,039
well there's so much on today's show

180
00:07:24,699 --> 00:07:29,079
Stefan I think we've we've we've

181
00:07:27,038 --> 00:07:31,238
outstayed our introductory we have we'd

182
00:07:29,079 --> 00:07:33,038
better move on let's go enjoy the show

183
00:07:31,238 --> 00:07:34,628
thanks for listening and Richard will

184
00:07:33,038 --> 00:07:39,968
see you at the tail end okay all right

185
00:07:34,629 --> 00:07:44,679
let's go let's go yeah all right let's

186
00:07:39,968 --> 00:07:46,178
do it you see this is this is what you

187
00:07:44,678 --> 00:07:49,088
don't get there to see you're here

188
00:07:46,178 --> 00:07:51,758
normally look when you're just listening

189
00:07:49,088 --> 00:07:53,439
to the show Oh youtube skeptical zone

190
00:07:51,759 --> 00:07:54,788
things right and I forgot the camera was

191
00:07:53,439 --> 00:07:57,159
on so I probably did all sorts of silly

192
00:07:54,788 --> 00:07:59,678
things probably that's crazy alright so

193
00:07:57,158 --> 00:08:01,360
now we do the rapper Richard another

194
00:07:59,678 --> 00:08:03,008
fabulous shows and that interesting

195
00:08:01,360 --> 00:08:05,169
wasn't that interview of John wasn't

196
00:08:03,009 --> 00:08:07,300
anything like a way by arms around them

197
00:08:05,168 --> 00:08:10,688
and on a podcast it's an it's amazing

198
00:08:07,300 --> 00:08:12,369
yes but that's for our um our viewers a

199
00:08:10,689 --> 00:08:14,979
video viewers yeah we're doing a little

200

00:08:12,369 --> 00:08:16,839
video experiment yeah it's very exciting

201
00:08:14,978 --> 00:08:19,360
isn't it yes very sorry hello camera

202
00:08:16,838 --> 00:08:21,309
hello camera great show yeah well i know

203
00:08:19,360 --> 00:08:22,809
i really i really enjoyed that show I'm

204
00:08:21,309 --> 00:08:25,749
it was always good to be part of the

205
00:08:22,809 --> 00:08:27,669
think tank oh it is I know but not yeah

206
00:08:25,749 --> 00:08:29,889
I keep missing as well you can always

207
00:08:27,668 --> 00:08:31,658
come I know invitation was always there

208
00:08:29,889 --> 00:08:33,219
well next week we're going to have an

209
00:08:31,658 --> 00:08:35,438
interesting show we've got a another

210
00:08:33,219 --> 00:08:37,509
panel from our adventures and Dragon Con

211
00:08:35,438 --> 00:08:39,308
oh yeah and this is one that Kylie out

212
00:08:37,509 --> 00:08:41,469
reporter Carly Sturgis was taking part

213
00:08:39,308 --> 00:08:44,500
of yeah and it's all about Darwin's

214
00:08:41,469 --> 00:08:46,059

Bulldogs creationism intelligent design

215

00:08:44,500 --> 00:08:48,578

and some people like Jeanne Scott

216

00:08:46,058 --> 00:08:50,259

Eugenie Scott always interesting is that

217

00:08:48,578 --> 00:08:51,669

worth looking forward to its hotting up

218

00:08:50,259 --> 00:08:53,029

in that area too is that at the moment

219

00:08:51,669 --> 00:08:54,469

because there's a lot of

220

00:08:53,029 --> 00:08:55,939

there's been a lot of new sort of

221

00:08:54,470 --> 00:08:58,399

scientific things going on there trying

222

00:08:55,940 --> 00:09:01,340

to discover more missing links and it's

223

00:08:58,399 --> 00:09:02,929

more about how life's actually evolved

224

00:09:01,340 --> 00:09:04,730

me isn't it strange that every major

225

00:09:02,929 --> 00:09:06,639

discovery they're making now in the past

226

00:09:04,730 --> 00:09:09,500

year I think there's been several all

227

00:09:06,639 --> 00:09:11,929

support the theory of evolution isn't

228

00:09:09,500 --> 00:09:14,870

that just I can't create I'm dumbfounded

229
00:09:11,929 --> 00:09:17,329
I'm done for how could that ever happen

230
00:09:14,870 --> 00:09:18,799
I just don't understand seven no I just

231
00:09:17,330 --> 00:09:20,509
don't understand I'll have to keep

232
00:09:18,799 --> 00:09:22,339
listening to the skeptic zone to learn

233
00:09:20,509 --> 00:09:24,529
more especially next week yes absolutely

234
00:09:22,340 --> 00:09:26,000
and i believe that i may be doing

235
00:09:24,529 --> 00:09:29,360
something coming up in the next episode

236
00:09:26,000 --> 00:09:31,610
or two about about strange audio stuff

237
00:09:29,360 --> 00:09:34,190
like you're hearing things backwards and

238
00:09:31,610 --> 00:09:36,019
hearing sounds yeah they might are just

239
00:09:34,190 --> 00:09:38,000
a little bit of teaser so it could be

240
00:09:36,019 --> 00:09:39,590
something coming up about that Bob Ford

241
00:09:38,000 --> 00:09:40,909
yeah and they may even be something on

242
00:09:39,590 --> 00:09:45,170
this particular podcasters played

243

00:09:40,909 --> 00:09:47,839

backwards ah you never know ah but no

244

00:09:45,169 --> 00:09:51,289

honestly don't waste your time we'll see

245

00:09:47,840 --> 00:09:53,990

you next week Richard why but I that

246

00:09:51,289 --> 00:09:57,339

sounds interesting I think so thank you

247

00:09:53,990 --> 00:09:57,340

to our YouTube fans
