

1
00:00:00,149 --> 00:00:04,259
20 minutes alone o'clock will plenty of

2
00:00:02,279 --> 00:00:05,939
people check their horoscope each day

3
00:00:04,259 --> 00:00:08,580
while for some it's just a bit of fun

4
00:00:05,940 --> 00:00:11,250
others plan their lives by it but is

5
00:00:08,580 --> 00:00:13,469
there any truth to astrology and our

6
00:00:11,250 --> 00:00:15,660
stars I'm joined by lady astrologer

7
00:00:13,468 --> 00:00:17,910
Milton black and Richard Saunders from

8
00:00:15,660 --> 00:00:21,420
Australian skeptics good morning to you

9
00:00:17,910 --> 00:00:22,890
both down Milton Milton astrology began

10
00:00:21,420 --> 00:00:24,840
thousands of years ago when people

11
00:00:22,890 --> 00:00:27,330
looked at the Stars but is there much

12
00:00:24,839 --> 00:00:30,300
truth to it that you can run your live

13
00:00:27,329 --> 00:00:34,679
pyat well you don't actually run your

14
00:00:30,300 --> 00:00:37,410
life by it you actually look at it as a

15
00:00:34,679 --> 00:00:39,090
guide basically you know the planets

16
00:00:37,409 --> 00:00:41,279
influence but they don't compel you to

17
00:00:39,090 --> 00:00:43,710
do things and all an astrologer is

18
00:00:41,280 --> 00:00:45,480
basically is a navigator it's like going

19
00:00:43,710 --> 00:00:47,308
to the sadita ho-bag john trace and

20
00:00:45,479 --> 00:00:49,468
navigator says return right here we tack

21
00:00:47,308 --> 00:00:51,419
there we do this and an astrologist

22
00:00:49,469 --> 00:00:54,270
that's exactly the same in the sea of

23
00:00:51,420 --> 00:00:56,250
destiny okay but but that means there's

24
00:00:54,270 --> 00:00:58,859
a link between your life and the Stars

25
00:00:56,250 --> 00:01:00,899
yes sir realized as far as astrologers

26
00:00:58,859 --> 00:01:03,329
are concerned there is it's it's not a

27
00:01:00,899 --> 00:01:06,030
mundane science like some skeptics think

28
00:01:03,329 --> 00:01:08,219
it is it's basically in that and what

29

00:01:06,030 --> 00:01:11,129
the astrologer is doing is putting the

30
00:01:08,219 --> 00:01:12,750
the stars or the planets into a pattern

31
00:01:11,129 --> 00:01:14,670
in their destiny and interpreting them

32
00:01:12,750 --> 00:01:16,349
and giving them an idea of they're going

33
00:01:14,670 --> 00:01:18,570
in the right direction or not all right

34
00:01:16,349 --> 00:01:20,519
Richard the moon affects the tides is

35
00:01:18,569 --> 00:01:23,339
there any possibility the stars and the

36
00:01:20,519 --> 00:01:25,170
planets could affect us to a new degree

37
00:01:23,340 --> 00:01:27,750
in fact the camera you're looking at

38
00:01:25,170 --> 00:01:30,509
right now has far greater effect on you

39
00:01:27,750 --> 00:01:32,009
in any physical sense than all the

40
00:01:30,509 --> 00:01:34,140
planets combined but it's interesting

41
00:01:32,009 --> 00:01:36,750
this is the International Year of

42
00:01:34,140 --> 00:01:38,759
astronomy so Milton it's time to put

43
00:01:36,750 --> 00:01:42,060

down your horoscope and pick up your

44

00:01:38,759 --> 00:01:44,879

telescope astronomy is astronomy shows

45

00:01:42,060 --> 00:01:48,180

us the universe of wonder of beauty and

46

00:01:44,879 --> 00:01:50,009

excitement far greater than any psychic

47

00:01:48,180 --> 00:01:52,560

or astrology fantasy

48

00:01:50,009 --> 00:01:55,079

well Richard I'll just explain I thank

49

00:01:52,560 --> 00:01:57,390

the astronomers sincerely because if it

50

00:01:55,078 --> 00:01:58,949

wasn't for their ephemeris is that they

51

00:01:57,390 --> 00:02:00,450

put out astrologers would be out of

52

00:01:58,950 --> 00:02:02,728

business it's as simple as now

53

00:02:00,450 --> 00:02:04,189

astrologers would keep going no matter

54

00:02:02,728 --> 00:02:06,049

what we call them house

55

00:02:04,189 --> 00:02:07,969

we've gotta basically know where to

56

00:02:06,049 --> 00:02:10,009

plant upside in it's the astronomers

57

00:02:07,969 --> 00:02:11,990

that actually put the ephemeris out and

58
00:02:10,009 --> 00:02:14,359
tell us what position that planet is in

59
00:02:11,990 --> 00:02:16,460
at that time and that's important

60
00:02:14,360 --> 00:02:18,080
because if we don't know that we can't

61
00:02:16,460 --> 00:02:20,750
predict oh yes you can you could just

62
00:02:18,080 --> 00:02:25,370
make it up as you go along I wish we

63
00:02:20,750 --> 00:02:27,169
could but milind some of the fear the

64
00:02:25,370 --> 00:02:28,810
astrology predictions that you read in

65
00:02:27,169 --> 00:02:32,119
the paper and magazines just seem so

66
00:02:28,810 --> 00:02:33,890
general they could apply to anyone yes I

67
00:02:32,120 --> 00:02:36,620
agree with you entirely on that caution

68
00:02:33,889 --> 00:02:38,479
because look the the magazines and the

69
00:02:36,620 --> 00:02:41,000
the papers are basically an

70
00:02:38,479 --> 00:02:42,889
entertainment type of situation and and

71
00:02:41,000 --> 00:02:45,199
give you a guide on the Sun signs for

72
00:02:42,889 --> 00:02:47,149
the day or the week but you've got to go

73
00:02:45,199 --> 00:02:48,859
to a professional astrologist sit down

74
00:02:47,150 --> 00:02:50,480
work out the time of birth the place of

75
00:02:48,860 --> 00:02:53,000
birth longitude and latitude where that

76
00:02:50,479 --> 00:02:54,439
person was born then the astrology gets

77
00:02:53,000 --> 00:02:57,229
down to the nitty-gritty and can tell

78
00:02:54,439 --> 00:02:59,900
you all about just okay all right we put

79
00:02:57,229 --> 00:03:03,349
you to the test we've given you Richards

80
00:02:59,900 --> 00:03:05,599
chart all the details and tell us what

81
00:03:03,349 --> 00:03:07,639
does it show well actually you haven't

82
00:03:05,599 --> 00:03:09,289
given me Richards chaff at all what

83
00:03:07,639 --> 00:03:11,958
you've given me is Matt and dr. Matt

84
00:03:09,289 --> 00:03:13,519
brood spits it's chat and this is what I

85
00:03:11,959 --> 00:03:15,020
did with Matt and so I'm going to tell

86

00:03:13,520 --> 00:03:17,870
you about Matt and not Richard

87
00:03:15,020 --> 00:03:19,520
well of course Milton what uses that I

88
00:03:17,870 --> 00:03:21,469
mean you can say anything you like and

89
00:03:19,520 --> 00:03:23,360
who's he's not here correct you know I

90
00:03:21,469 --> 00:03:26,000
didn't get you see I spent all last

91
00:03:23,360 --> 00:03:28,760
night doing the birth date of Matlin's

92
00:03:26,000 --> 00:03:30,709
horoscope and of course I got his

93
00:03:28,759 --> 00:03:33,919
correct I'm his date of birth and

94
00:03:30,709 --> 00:03:36,530
everything Milton you're you're also

95
00:03:33,919 --> 00:03:39,889
build as Astros lijing a leading psychic

96
00:03:36,530 --> 00:03:42,979
didn't you know it would be me today no

97
00:03:39,889 --> 00:03:45,079
that's that's not true the thing is you

98
00:03:42,979 --> 00:03:48,500
always let your nostrils lead my psychic

99
00:03:45,080 --> 00:03:50,330
it says that you more of an astrologer

100
00:03:48,500 --> 00:03:53,060

in psychic God space I suppose they put

101

00:03:50,330 --> 00:03:53,420

the two together okay what's your

102

00:03:53,060 --> 00:03:57,019

birthday

103

00:03:53,419 --> 00:03:58,789

who is martyred dr. Martin bridge doc is

104

00:03:57,019 --> 00:04:00,140

a leading skeptic from Queensland but

105

00:03:58,789 --> 00:04:02,629

he's not here how can he possibly

106

00:04:00,139 --> 00:04:04,279

confirm or deny anything that Milton

107

00:04:02,629 --> 00:04:06,439

comes up with well that's the birth date

108

00:04:04,280 --> 00:04:08,239

I was given and I thought he was going

109

00:04:06,439 --> 00:04:09,439

to be on this morning so I'm sorry about

110

00:04:08,239 --> 00:04:10,849

there was much about they didn't have

111

00:04:09,439 --> 00:04:14,329

let's take it from the time my birth

112

00:04:10,849 --> 00:04:16,379

date is the 28th 1165 the 28th the

113

00:04:14,330 --> 00:04:19,949

November that makes me or what

114

00:04:16,379 --> 00:04:23,069

okay or it makes you a Sagittarian no it

115
00:04:19,949 --> 00:04:26,129
doesn't Milton that we where her son was

116
00:04:23,069 --> 00:04:29,040
at the moment I was born the son is

117
00:04:26,129 --> 00:04:31,379
clearly in the sign of Scorpio how can

118
00:04:29,040 --> 00:04:33,150
you get it that right no it's you're a

119
00:04:31,379 --> 00:04:34,560
Sagittaron now you've got two Scorpio on

120
00:04:33,149 --> 00:04:36,449
the ascendant that's what you've got

121
00:04:34,560 --> 00:04:38,100
that born that's what four o'clock in

122
00:04:36,449 --> 00:04:39,750
the morning how did you know that

123
00:04:38,100 --> 00:04:42,900
because that's the information I gave to

124
00:04:39,750 --> 00:04:45,420
the producers and then you go hey I'm

125
00:04:42,899 --> 00:04:46,949
actually once you see with what you see

126
00:04:45,420 --> 00:04:49,140
with Richard is not what you really get

127
00:04:46,949 --> 00:04:52,110
because deep down is quite a secretive

128
00:04:49,139 --> 00:04:54,360
type of this now as a kid as a kid he

129
00:04:52,110 --> 00:04:56,550
actually drove his teachers his parents

130
00:04:54,360 --> 00:04:57,960
everybody crazy and the reason for this

131
00:04:56,550 --> 00:05:00,629
is because he's got an inquisitive mind

132
00:04:57,959 --> 00:05:02,669
now he's a very nostalgic guy he lives

133
00:05:00,629 --> 00:05:05,670
in the past a little bit but the fact is

134
00:05:02,670 --> 00:05:07,530
that fine but he's basically a guy that

135
00:05:05,670 --> 00:05:09,660
always wants to know very very curious

136
00:05:07,529 --> 00:05:12,269
but the travelers is always looking for

137
00:05:09,660 --> 00:05:15,060
things Kashi now if I rush to met

138
00:05:12,269 --> 00:05:16,349
Richard saying about six years up the

139
00:05:15,060 --> 00:05:17,759
track and said hi Richard how are you

140
00:05:16,350 --> 00:05:19,140
going he said fine thanks Bill

141
00:05:17,759 --> 00:05:20,519
have you found what you're looking for

142
00:05:19,139 --> 00:05:22,110
you this is no but I'm still looking

143

00:05:20,519 --> 00:05:24,389
around the corner here because he's

144
00:05:22,110 --> 00:05:27,090
always looking for something new to do

145
00:05:24,389 --> 00:05:30,419
and I think basically on that date he's

146
00:05:27,089 --> 00:05:32,369
got a good horoscope but Milton if

147
00:05:30,420 --> 00:05:34,080
you're such a good astrologer why are

148
00:05:32,370 --> 00:05:36,389
you using cold reading and Barnum

149
00:05:34,079 --> 00:05:37,769
statements I mean only magician can do

150
00:05:36,389 --> 00:05:39,689
that we've got books that teach that how

151
00:05:37,769 --> 00:05:42,599
to do exactly the statements you've just

152
00:05:39,689 --> 00:05:44,430
told me now Richard bond when you're a

153
00:05:42,600 --> 00:05:46,140
professional like me forty years in the

154
00:05:44,430 --> 00:05:48,540
business you can come to these

155
00:05:46,139 --> 00:05:50,729
situations see all right listen Newton

156
00:05:48,540 --> 00:05:52,290
I'm going to challenge you directly we

157
00:05:50,730 --> 00:05:53,910

can give you the birth dates of six

158

00:05:52,290 --> 00:05:55,920

people six people who believe in

159

00:05:53,910 --> 00:05:57,450

astrology and we can see how accurate

160

00:05:55,920 --> 00:05:59,069

you are will you take me up on that

161

00:05:57,449 --> 00:06:00,599

challenge oh not not this morning not

162

00:05:59,069 --> 00:06:04,199

right because I'd have to sit down and

163

00:06:00,600 --> 00:06:07,410

do this in the future I'd be very happy

164

00:06:04,199 --> 00:06:09,240

I'm in the future I hope during the week

165

00:06:07,410 --> 00:06:11,939

or next week and see how you go all

166

00:06:09,240 --> 00:06:13,230

right guys well we'll check back with

167

00:06:11,939 --> 00:06:15,480

you then thanks for joining us this

168

00:06:13,230 --> 00:06:17,310

morning you're welcome if you'd like

169

00:06:15,480 --> 00:06:20,040

more information on milton's astrology

170

00:06:17,310 --> 00:06:23,370

or Australian skeptics or who on earth

171

00:06:20,040 --> 00:06:25,200

Martin is details are on our website I'm

172

00:06:23,370 --> 00:06:28,280

just as confused after 9:00 on the

173

00:06:25,199 --> 00:06:28,279

morning show Christian flew
