

1
00:00:20,710 --> 00:00:25,640
hello skeptic people everywhere name out

2
00:00:23,268 --> 00:00:28,868
here I'm just be caring or what is to be

3
00:00:25,640 --> 00:00:31,429
the pivotable skeptic roomie a

4
00:00:28,868 --> 00:00:33,859
presentation of all time I've got a few

5
00:00:31,428 --> 00:00:36,289
simple props here to demonstrate p.m.

6
00:00:33,859 --> 00:00:37,670
and I assume there's a few theoretical

7
00:00:36,289 --> 00:00:40,039
physicists watching I'm going to

8
00:00:37,670 --> 00:00:41,570
demonstrate planks time which is at the

9
00:00:40,039 --> 00:00:44,089
beginning of the universe and it's like

10
00:00:41,570 --> 00:00:45,679
really really really slow time by

11
00:00:44,090 --> 00:00:47,810
demonstrating if anyone can actually

12
00:00:45,679 --> 00:00:49,549
open a con dog box in under 15 standard

13
00:00:47,810 --> 00:00:51,109
seconds it could be relativity to you're

14
00:00:49,549 --> 00:00:53,659
not quite sure another one which is all

15
00:00:51,109 --> 00:00:55,070
about science is the road bag now this

16
00:00:53,659 --> 00:00:56,869
is where you could shorten your car you

17
00:00:55,070 --> 00:00:59,600
get this out of the glove box you pee

18
00:00:56,869 --> 00:01:01,309
into it and your your pee turns into gel

19
00:00:59,600 --> 00:01:03,020
pretty cool right that means you don't

20
00:01:01,310 --> 00:01:04,250
decay so going to be demonstrating that

21
00:01:03,020 --> 00:01:05,600
tonight with some urine that I've

22
00:01:04,250 --> 00:01:06,920
already brought along because you should

23
00:01:05,599 --> 00:01:09,949
never go anywhere without a bottle of

24
00:01:06,920 --> 00:01:11,689
urine asked a cabdriver what may not

25
00:01:09,950 --> 00:01:14,870
neglected to mention is that this is

26
00:01:11,689 --> 00:01:16,819
actually the inaugural speaker for the

27
00:01:14,870 --> 00:01:18,990
new skeptics in the pub Sydney at our

28
00:01:16,819 --> 00:01:21,369
lovely new venue

29

00:01:18,989 --> 00:01:23,439
so I'm not going to be sending a fairly

30
00:01:21,370 --> 00:01:25,300
low time so skip it to the pub's going

31
00:01:23,439 --> 00:01:27,879
up in the world yeah really is we've

32
00:01:25,299 --> 00:01:29,049
been free today well PP condoms I don't

33
00:01:27,879 --> 00:01:31,658
I don't know what we can play Maddox

34
00:01:29,049 --> 00:01:34,709
quality of speaker hey hola it can only

35
00:01:31,659 --> 00:01:34,710
be improved from you

36
00:02:38,099 --> 00:02:41,099
ha

37
00:02:45,780 --> 00:02:50,039
thank you very much now of course they

38
00:02:48,090 --> 00:02:51,900
are nine here is very much in base at it

39
00:02:50,039 --> 00:02:54,179
we can't actually talk about crowded

40
00:02:51,900 --> 00:02:55,860
place sounds you get at the same time so

41
00:02:54,180 --> 00:02:57,900
I've got a whole bunch of clips and

42
00:02:55,860 --> 00:03:00,810
everything and yes that is me with ron

43
00:02:57,900 --> 00:03:03,030

jeremy hilton screen legendary 70s

44

00:03:00,810 --> 00:03:05,670
points though at backstage at six

45

00:03:03,030 --> 00:03:09,090
barbecue is viciously we both equally

46

00:03:05,669 --> 00:03:10,679
impressed the new ninja murder now i am

47

00:03:09,090 --> 00:03:13,830
a bit of a skeptic that i'm also a big

48

00:03:10,680 --> 00:03:16,500
fan of alternative theories I know like

49

00:03:13,830 --> 00:03:18,719
dogma either way and i mumble UFOs I

50

00:03:16,500 --> 00:03:20,129
love the crop circles and please come up

51

00:03:18,719 --> 00:03:22,469
to me out of this show and fill people

52

00:03:20,129 --> 00:03:24,900
usually because I've being that one but

53

00:03:22,469 --> 00:03:27,300
here I am actually doing at this I was

54

00:03:24,900 --> 00:03:30,120
carrying out in Newcastle towards show

55

00:03:27,300 --> 00:03:32,250
but we gon think beforehand it's worked

56

00:03:30,120 --> 00:03:34,500
out quite well for me and you know what

57

00:03:32,250 --> 00:03:36,030
my credentials have you got what kind of

58
00:03:34,500 --> 00:03:39,000
scientific background if you've got

59
00:03:36,030 --> 00:03:42,568
coming to poker night obviously played

60
00:03:39,000 --> 00:03:44,780
in 1995 by pigeon area sleep Australia's

61
00:03:42,568 --> 00:03:44,780
biggest

62
00:03:48,289 --> 00:03:53,549
undefeated as they initially ordered 21

63
00:03:51,659 --> 00:03:56,250
hours and that's me putting them at hand

64
00:03:53,550 --> 00:03:58,230
by the way in case you also worry about

65
00:03:56,250 --> 00:03:59,759
my credibility are you supporting

66
00:03:58,229 --> 00:04:05,009
village people at the enmore theatre

67
00:03:59,759 --> 00:04:08,189
next up we have the England were jealous

68
00:04:05,009 --> 00:04:11,909

69
00:04:08,189 --> 00:04:14,849

73
00:04:30,620 --> 00:04:35,418
