

1  
00:00:00,000 --> 00:00:04,799  
this week's episode of the skeptics own

2  
00:00:02,220 --> 00:00:08,509  
podcast is brought to you by skeptic

3  
00:00:04,799 --> 00:00:18,600  
bros com importers of the fabulous

4  
00:00:08,509 --> 00:00:21,539  
placebo band welcome to the skeptic zone

5  
00:00:18,600 --> 00:00:24,260  
the podcast from Australia for science

6  
00:00:21,539 --> 00:00:24,260  
and reason

7  
00:00:30,559 --> 00:00:36,619  
hello and welcome to the skeptic zone

8  
00:00:33,590 --> 00:00:39,290  
episode number 108 for the 12th of

9  
00:00:36,619 --> 00:00:42,890  
November 2010 Richard Saunders here with

10  
00:00:39,289 --> 00:00:45,109  
you from hot and steamy Sydney Australia

11  
00:00:42,890 --> 00:00:49,329  
good news for people coming the TAM the

12  
00:00:45,109 --> 00:00:53,570  
weather is warm yes bring your shorts oh

13  
00:00:49,329 --> 00:00:56,838  
yes on this week's show oh boy here we

14  
00:00:53,570 --> 00:01:00,170  
go again it was mind body what time in

15  
00:00:56,838 --> 00:01:03,649  
Sydney every six months in every six

16  
00:01:00,170 --> 00:01:07,310  
months we traipse along there the meetup

17  
00:01:03,649 --> 00:01:10,099  
group and check it out an interesting

18  
00:01:07,310 --> 00:01:13,850  
report I think you'll find for this one

19  
00:01:10,099 --> 00:01:15,349  
I normally our practice has been to ask

20  
00:01:13,849 --> 00:01:17,780  
a lot of questions and get a lot of

21  
00:01:15,349 --> 00:01:19,969  
information this time I don't know if we

22  
00:01:17,780 --> 00:01:21,680  
just let our guard down or we got fed up

23  
00:01:19,969 --> 00:01:25,879  
but we took a slightly different tact

24  
00:01:21,680 --> 00:01:27,710  
and asked more questions and gave our

25  
00:01:25,879 --> 00:01:31,250  
opinion a little bit more strongly I

26  
00:01:27,709 --> 00:01:34,968  
think but it did strike us all that this

27  
00:01:31,250 --> 00:01:37,549  
time mods always like the case that mind

28  
00:01:34,968 --> 00:01:39,618  
body spirit mind body wallet is is to

29

00:01:37,549 --> 00:01:44,030  
quote somebody leaving the festival a

30  
00:01:39,618 --> 00:01:46,399  
den of thieves it it beggars belief the

31  
00:01:44,030 --> 00:01:49,039  
number of outright scams that are going

32  
00:01:46,399 --> 00:01:52,840  
on in that place and maybe we can get

33  
00:01:49,039 --> 00:01:56,329  
some government agency interested in

34  
00:01:52,840 --> 00:01:58,310  
attending undercover next time and

35  
00:01:56,328 --> 00:02:01,309  
actually sussing out how many blatant

36  
00:01:58,310 --> 00:02:04,368  
frauds are going on at that place it

37  
00:02:01,310 --> 00:02:07,429  
really is something anyway our reports

38  
00:02:04,368 --> 00:02:10,729  
coming up very soon following that we

39  
00:02:07,429 --> 00:02:13,699  
have the think tank with lots of people

40  
00:02:10,729 --> 00:02:17,360  
this time Maynard and a run and dr.

41  
00:02:13,699 --> 00:02:20,599  
Rachel Jason James we're going to be

42  
00:02:17,360 --> 00:02:23,810  
discussing many issues including the

43  
00:02:20,599 --> 00:02:26,000

qlink story that was on media watch and

44

00:02:23,810 --> 00:02:27,800

if you listen to last week's episode you

45

00:02:26,000 --> 00:02:30,139

might know a little bit about that and

46

00:02:27,800 --> 00:02:31,520

what we'll also be talking about on the

47

00:02:30,139 --> 00:02:34,458

think tank it's something you might want

48

00:02:31,520 --> 00:02:37,459

to check out now and before and after

49

00:02:34,459 --> 00:02:39,769

and all the time is a great little study

50

00:02:37,459 --> 00:02:44,030

about power balance that's been reported

51

00:02:39,769 --> 00:02:48,259

on HTTP colon slash slash opinion

52

00:02:44,030 --> 00:02:52,818

change wordpress com which is the the

53

00:02:48,259 --> 00:02:55,159

blog of Nicola J Martin so check it out

54

00:02:52,818 --> 00:02:59,208

it's a little study quoting lots of

55

00:02:55,159 --> 00:03:02,389

sources about the effectiveness or not

56

00:02:59,209 --> 00:03:04,280

of power balance well done Nikki well

57

00:03:02,389 --> 00:03:06,159

done indeed thank you to all those

58  
00:03:04,280 --> 00:03:09,680  
people sending in donations and

59  
00:03:06,159 --> 00:03:11,509  
subscribing much appreciated and all

60  
00:03:09,680 --> 00:03:14,510  
those people writing to me for various

61  
00:03:11,509 --> 00:03:17,810  
reasons I'm getting to your emails as

62  
00:03:14,509 --> 00:03:19,310  
soon as I possibly can very busy times

63  
00:03:17,810 --> 00:03:21,620  
right now of course getting ready for

64  
00:03:19,310 --> 00:03:24,110  
Tam Australia so a lot of my x taken up

65  
00:03:21,620 --> 00:03:26,360  
but I do appreciate all your emails with

66  
00:03:24,110 --> 00:03:28,130  
your interesting comments and thank you

67  
00:03:26,360 --> 00:03:31,069  
to all the people who are now listening

68  
00:03:28,129 --> 00:03:34,609  
to us because you heard the doctor rachy

69  
00:03:31,068 --> 00:03:36,889  
interview with geo last week glad to

70  
00:03:34,610 --> 00:03:41,120  
have you on board I think that's enough

71  
00:03:36,889 --> 00:03:43,250  
from me I'm going to grab a nice cold

72  
00:03:41,120 --> 00:03:45,050  
let me have a think now this week

73  
00:03:43,250 --> 00:03:46,939  
because it's hot and steamy here in

74  
00:03:45,050 --> 00:03:50,660  
sydney i'm looking for a drink that

75  
00:03:46,939 --> 00:03:53,870  
cools you down and sort of hits the spot

76  
00:03:50,659 --> 00:03:56,150  
as refreshing ah i'm going to have a

77  
00:03:53,870 --> 00:03:59,950  
nice glass of water and i'll let you

78  
00:03:56,150 --> 00:03:59,950  
listen to the skeptics out

79  
00:04:10,870 --> 00:04:16,550  
well it's mind-body wallet time once

80  
00:04:14,180 --> 00:04:18,920  
again every six months it comes up it

81  
00:04:16,550 --> 00:04:21,199  
turns up again like a bad penny I'm on

82  
00:04:18,920 --> 00:04:23,360  
the steps outside the exhibition center

83  
00:04:21,199 --> 00:04:25,759  
here in darling harbour in Sydney I'm

84  
00:04:23,360 --> 00:04:27,949  
with a bastard sheep hello shipping good

85  
00:04:25,759 --> 00:04:31,069  
eight today and we're both wearing out

86

00:04:27,949 --> 00:04:32,569  
multiple placebo bands yeah I've already

87  
00:04:31,069 --> 00:04:34,879  
had a couple of people questions about

88  
00:04:32,569 --> 00:04:38,089  
them except it actually it's been our

89  
00:04:34,879 --> 00:04:42,110  
lucky day because we've scored some free

90  
00:04:38,089 --> 00:04:43,789  
tickets to this thing today yeah just

91  
00:04:42,110 --> 00:04:45,920  
waiting hang around earliest saw Shane

92  
00:04:43,790 --> 00:04:47,900  
who spoke at Los capstan Holly gave me

93  
00:04:45,920 --> 00:04:49,310  
one and then a few minutes ago we just

94  
00:04:47,899 --> 00:04:51,799  
had another person combined give us a

95  
00:04:49,310 --> 00:04:54,500  
couple more yes as a guy remember from

96  
00:04:51,800 --> 00:04:56,210  
the TV show the one who was a one of the

97  
00:04:54,500 --> 00:04:57,769  
partners of one of the contestants came

98  
00:04:56,209 --> 00:04:59,839  
by and said oh hello and happen to have

99  
00:04:57,769 --> 00:05:02,060  
some free tickets so that's pretty good

100  
00:04:59,839 --> 00:05:03,859

that's a good start we're just waiting

101

00:05:02,060 --> 00:05:05,990

for all the other people to show up it's

102

00:05:03,860 --> 00:05:07,250

constant stream of people walking up and

103

00:05:05,990 --> 00:05:09,530

down the steps here you're going in and

104

00:05:07,250 --> 00:05:11,569

out of the mind-body wallet looks quite

105

00:05:09,529 --> 00:05:14,629

crowded in there but that's a usually is

106

00:05:11,569 --> 00:05:16,610

on a sunday yeah it's amazing just the

107

00:05:14,629 --> 00:05:18,379

different diversity of people that are

108

00:05:16,610 --> 00:05:20,810

here the long-term you wouldn't really

109

00:05:18,379 --> 00:05:23,300

expect as people with tie-dyed t-shirts

110

00:05:20,810 --> 00:05:25,490

on Pacifica leave looking people there's

111

00:05:23,300 --> 00:05:27,100

also people who bikers and admin oh

112

00:05:25,490 --> 00:05:29,810

yeah that's a bit weird listeners and

113

00:05:27,100 --> 00:05:31,169

just every single group of people you

114

00:05:29,810 --> 00:05:32,968

can think of

115  
00:05:31,168 --> 00:05:34,680  
and quite colorful too they are

116  
00:05:32,968 --> 00:05:38,189  
streaming in and out some of them are in

117  
00:05:34,680 --> 00:05:39,840  
costume I'm in a purple it hurts a lot

118  
00:05:38,189 --> 00:05:42,028  
of purple here today folks are going to

119  
00:05:39,839 --> 00:05:44,519  
tell you well yes we're just waiting for

120  
00:05:42,028 --> 00:05:47,939  
the rest of the meetup group to arrive

121  
00:05:44,519 --> 00:05:50,609  
and then we'll be once again venturing

122  
00:05:47,939 --> 00:05:56,249  
into the great unknown great depths of

123  
00:05:50,610 --> 00:05:58,710  
blackness that is mind-body wallet main

124  
00:05:56,249 --> 00:06:00,900  
Arden dr. Reggie welcome to mind/body

125  
00:05:58,709 --> 00:06:03,060  
wallet now dr. eat you I'm gonna change

126  
00:06:00,899 --> 00:06:04,620  
of mind body water no I'm not but me

127  
00:06:03,060 --> 00:06:07,288  
know it is I've never been here before

128  
00:06:04,620 --> 00:06:09,990  
and it's just like a boat show or sex

129  
00:06:07,288 --> 00:06:12,360  
boat it's selling something completely

130  
00:06:09,990 --> 00:06:14,968  
that I'm not sure on buying there's no

131  
00:06:12,360 --> 00:06:16,379  
sex yes those then there could be they

132  
00:06:14,968 --> 00:06:18,509  
weren't there might be yeah there might

133  
00:06:16,379 --> 00:06:22,080  
be we're right near the cheap Chinese

134  
00:06:18,509 --> 00:06:24,689  
healing college she acted pressure it

135  
00:06:22,079 --> 00:06:26,639  
says I just had a heat thing on my

136  
00:06:24,689 --> 00:06:28,710  
shoulder it was really nice the guy's a

137  
00:06:26,639 --> 00:06:30,900  
guy with a Scientology t-shirt see that

138  
00:06:28,709 --> 00:06:32,579  
yeah okay it must be said to the people

139  
00:06:30,899 --> 00:06:34,408  
that are getting the massage is near us

140  
00:06:32,579 --> 00:06:36,149  
all look fairly relax it look like it's

141  
00:06:34,408 --> 00:06:37,438  
working it looks like good to me I mean

142  
00:06:36,149 --> 00:06:39,329  
if you're basing the evidence i'm just

143

00:06:37,439 --> 00:06:41,729  
looking at them they're all it seems to

144  
00:06:39,329 --> 00:06:43,258  
be working all comatose to the funny

145  
00:06:41,728 --> 00:06:44,788  
thing is when you get a massage you tend

146  
00:06:43,259 --> 00:06:47,218  
to feel relaxed to maynard that's the

147  
00:06:44,788 --> 00:06:49,769  
way it works and out of the point you

148  
00:06:47,218 --> 00:06:51,060  
know there's a direct inversion here on

149  
00:06:49,769 --> 00:06:52,769  
what you would find at a skeptics

150  
00:06:51,060 --> 00:06:54,959  
meeting in that there's lots of women

151  
00:06:52,769 --> 00:06:57,299  
and not very many men i gotta say it's

152  
00:06:54,959 --> 00:06:58,649  
true yeah it's true unfortunately our

153  
00:06:57,300 --> 00:07:01,038  
species does seem to be a bit more

154  
00:06:58,649 --> 00:07:05,060  
credulous than the males I don't know

155  
00:07:01,038 --> 00:07:05,060  
anyway let's keep looking good looking

156  
00:07:16,790 --> 00:07:21,290  
beautiful

157  
00:07:18,560 --> 00:07:24,069

reminds me marley they don't exit

158

00:07:21,290 --> 00:07:24,069  
without the drugs Oh

159

00:07:26,079 --> 00:07:31,399  
so mean I time I shouldn't be so

160

00:07:29,269 --> 00:07:34,310  
surprised but here we are at church of

161

00:07:31,399 --> 00:07:36,049  
scientology well they're here um you

162

00:07:34,310 --> 00:07:37,370  
know and look a lot of people with a lot

163

00:07:36,050 --> 00:07:39,980  
of happy faces you can't deny that

164

00:07:37,370 --> 00:07:41,840  
Richard well I'm a I've got a happy face

165

00:07:39,980 --> 00:07:43,970  
because the young lady flogging

166

00:07:41,839 --> 00:07:46,369  
Scientology is very attracted by myself

167

00:07:43,970 --> 00:07:48,020  
well we'll look everyone flogging things

168

00:07:46,370 --> 00:07:50,090  
are very attractive it's like any boat

169

00:07:48,019 --> 00:07:51,740  
show like I said like any Expo anything

170

00:07:50,089 --> 00:07:53,419  
but I've got to say the girls were

171

00:07:51,740 --> 00:07:56,269  
hotter at the Motor Show another week

172  
00:07:53,420 --> 00:07:57,290  
yes I think very differently i went to

173  
00:07:56,269 --> 00:07:59,689  
the motor show to there were some

174  
00:07:57,290 --> 00:08:01,100  
amazing models their hero honda ya at

175  
00:07:59,689 --> 00:08:03,019  
your home most people that they know

176  
00:08:01,100 --> 00:08:04,370  
what where who to go do to get to get

177  
00:08:03,019 --> 00:08:06,139  
the people to get their attention oh you

178  
00:08:04,370 --> 00:08:08,990  
leave the cutlet that the females all

179  
00:08:06,139 --> 00:08:10,430  
talking about the cars but but look at

180  
00:08:08,990 --> 00:08:12,319  
there are a lot of people here just

181  
00:08:10,430 --> 00:08:15,920  
showing a lot of interest in everything

182  
00:08:12,319 --> 00:08:17,269  
yeah and you know despite know the

183  
00:08:15,920 --> 00:08:19,430  
actual fact of the matter everybody

184  
00:08:17,269 --> 00:08:21,469  
seems to be having well let's just say

185  
00:08:19,430 --> 00:08:24,500  
fun well Rachel had a good experience

186  
00:08:21,470 --> 00:08:26,750  
she was talking to someone from a store

187  
00:08:24,500 --> 00:08:28,459  
selling bamboo products that do things

188  
00:08:26,750 --> 00:08:32,539  
like take radiation away from the laptop

189  
00:08:28,459 --> 00:08:35,449  
go figure and she managed to inform the

190  
00:08:32,539 --> 00:08:38,179  
guy that foot patches are a con and she

191  
00:08:35,450 --> 00:08:39,350  
got a big win out of that so maybe this

192  
00:08:38,179 --> 00:08:41,329  
time next year you won't be selling

193  
00:08:39,350 --> 00:08:45,590  
bamboo patches yeah I don't push it may

194  
00:08:41,330 --> 00:08:47,030  
touch oh well it's a one thing that

195  
00:08:45,590 --> 00:08:50,450  
everyone seems to be the most interested

196  
00:08:47,029 --> 00:08:52,220  
in here oh maybe the room of psychics I

197  
00:08:50,450 --> 00:08:54,560  
don't know look I've never seen so many

198  
00:08:52,220 --> 00:08:56,450  
psychics in one place yeah I think 60 in

199  
00:08:54,559 --> 00:08:57,649  
one room it's a lot and it was so busy

200

00:08:56,450 --> 00:08:59,330  
you had you had to make a booking in

201  
00:08:57,649 --> 00:09:01,429  
advance yeah what I got in there and

202  
00:08:59,330 --> 00:09:02,810  
said I want my chakra read or something

203  
00:09:01,429 --> 00:09:03,709  
by one of the psychics which I think

204  
00:09:02,809 --> 00:09:04,939  
they could probably do they could

205  
00:09:03,710 --> 00:09:06,470  
probably do it they said sorry mate

206  
00:09:04,940 --> 00:09:07,850  
you'll have to wait go to stand in line

207  
00:09:06,470 --> 00:09:11,389  
for the booking so there's certainly

208  
00:09:07,850 --> 00:09:13,460  
popular and Rachel's just joined us now

209  
00:09:11,389 --> 00:09:14,689  
may not I think I you're just telling us

210  
00:09:13,460 --> 00:09:15,920  
about something else that's happened to

211  
00:09:14,690 --> 00:09:18,650  
you just now we're just discussing the

212  
00:09:15,919 --> 00:09:20,929  
foot patches oh right and now you come

213  
00:09:18,649 --> 00:09:22,730  
across a magic berry juice I look it's

214  
00:09:20,929 --> 00:09:24,679

this acai berry stuff and I mean I've

215

00:09:22,730 --> 00:09:27,190

heard about it before it's you know the

216

00:09:24,679 --> 00:09:29,379

the latest newest antioxidant bear

217

00:09:27,190 --> 00:09:30,730

super food yeah and I don't doubt that

218

00:09:29,379 --> 00:09:32,860

it is i mean it's full of antioxidants

219

00:09:30,730 --> 00:09:34,029

and stuff like that probably okay for

220

00:09:32,860 --> 00:09:37,289

you what the hell out whether it has any

221

00:09:34,029 --> 00:09:40,809

effect on audis yeah it's you know it's

222

00:09:37,289 --> 00:09:45,689

debatable but the guy just told me that

223

00:09:40,809 --> 00:09:48,789

it can help with cancer Oh bing-bong

224

00:09:45,690 --> 00:09:50,260

fail awful the saying it can help with

225

00:09:48,789 --> 00:09:53,409

cancer is not the same as saying you can

226

00:09:50,259 --> 00:09:56,529

cure cancer no but he said God you know

227

00:09:53,409 --> 00:09:58,659

he said that you shouldn't take

228

00:09:56,529 --> 00:10:01,149

pharmaceutical drugs you should take

229  
00:09:58,659 --> 00:10:02,559  
east and and I said what about if I have

230  
00:10:01,149 --> 00:10:04,600  
cancer and he said yeah you should take

231  
00:10:02,559 --> 00:10:07,959  
this because pharmaceutical drugs don't

232  
00:10:04,600 --> 00:10:10,930  
work so he didn't directly say it cures

233  
00:10:07,960 --> 00:10:13,480  
cancer but he strongly implied that this

234  
00:10:10,929 --> 00:10:15,219  
would be of benefit in cancer very

235  
00:10:13,480 --> 00:10:17,080  
scooting on pretty thin ice very thin

236  
00:10:15,220 --> 00:10:18,519  
ice and then he went off as I started

237  
00:10:17,080 --> 00:10:20,200  
asking more questions and getting more

238  
00:10:18,519 --> 00:10:25,120  
and more annoyed with him he went off on

239  
00:10:20,200 --> 00:10:26,830  
the whole the cancer industry vml no no

240  
00:10:25,120 --> 00:10:28,120  
no not was specifically the cancer

241  
00:10:26,830 --> 00:10:31,210  
industry government which is the one

242  
00:10:28,120 --> 00:10:32,560  
about the FDA spent 24 billion dollars

243  
00:10:31,210 --> 00:10:34,420  
of cancer research and we still haven't

244  
00:10:32,559 --> 00:10:35,649  
cured it so the pharmaceutical companies

245  
00:10:34,419 --> 00:10:38,469  
are just doing it for the money right

246  
00:10:35,649 --> 00:10:39,970  
this is a Mike Adams thing ok and then

247  
00:10:38,470 --> 00:10:41,590  
ya told me that there's a cancer

248  
00:10:39,970 --> 00:10:43,210  
epidemic in America at the moment and I

249  
00:10:41,590 --> 00:10:44,950  
said well that's like where did

250  
00:10:43,210 --> 00:10:50,139  
you pull you I actually said you pulled

251  
00:10:44,950 --> 00:10:53,200  
that out of your ass ashley said and he

252  
00:10:50,139 --> 00:10:55,449  
was saying yes and then he said but what

253  
00:10:53,200 --> 00:10:57,250  
about you know pharmaceuticals have only

254  
00:10:55,450 --> 00:10:58,840  
been around for like the last so in so

255  
00:10:57,250 --> 00:11:00,299  
many years what happened to all the

256  
00:10:58,840 --> 00:11:03,220  
stuff we did before that and I was like

257

00:11:00,299 --> 00:11:05,500  
pharmaceutical companies are harnessed

258  
00:11:03,220 --> 00:11:08,050  
it used it and sell it like all that

259  
00:11:05,500 --> 00:11:11,169  
yeah yeah I think we should call you dr.

260  
00:11:08,049 --> 00:11:12,909  
cranky well well I got the shield quiz I

261  
00:11:11,169 --> 00:11:15,549  
got the shilla what did you hear a chill

262  
00:11:12,909 --> 00:11:17,649  
me cuz if by this time about three of

263  
00:11:15,549 --> 00:11:20,409  
them were around me I'm trying to damage

264  
00:11:17,649 --> 00:11:21,579  
control and backpedal and this woman

265  
00:11:20,409 --> 00:11:25,029  
said you have a background in

266  
00:11:21,580 --> 00:11:26,830  
pharmaceuticals no i don't but i know

267  
00:11:25,029 --> 00:11:28,419  
people who have cancer and you should

268  
00:11:26,830 --> 00:11:30,759  
not be inferring that this stuff helps

269  
00:11:28,419 --> 00:11:33,459  
with cancer and the guy and then the guy

270  
00:11:30,759 --> 00:11:33,809  
used the alkaline water school and

271  
00:11:33,460 --> 00:11:35,710

said

272

00:11:33,809 --> 00:11:38,169  
cancer only grows in an acidic

273

00:11:35,710 --> 00:11:39,670  
environment so you need and that's how

274

00:11:38,169 --> 00:11:42,219  
it starts most of you that's not true

275

00:11:39,669 --> 00:11:43,929  
it's the fault in the DNA that's how it

276

00:11:42,220 --> 00:11:47,350  
starts no no but what happens before

277

00:11:43,929 --> 00:11:48,819  
that you know it's like the whole thing

278

00:11:47,350 --> 00:11:50,440  
about the Big Bang year but what was

279

00:11:48,820 --> 00:11:52,600  
there before the Big Bang I mean what

280

00:11:50,440 --> 00:11:56,170  
were they always they get you every time

281

00:11:52,600 --> 00:11:58,960  
no one is fine it yeah and um anyway so

282

00:11:56,169 --> 00:12:00,099  
I said look I then he kept saying oh

283

00:11:58,960 --> 00:12:02,259  
this is super food that's wonderful i

284

00:12:00,100 --> 00:12:03,670  
said yeah i'm sure it is but you being

285

00:12:02,259 --> 00:12:05,200  
irresponsible by inferring that this

286  
00:12:03,669 --> 00:12:06,879  
helps with cancer you should not be

287  
00:12:05,200 --> 00:12:08,620  
doing that is illegal in New South Wales

288  
00:12:06,879 --> 00:12:09,850  
to do that and if you want to do some

289  
00:12:08,620 --> 00:12:11,350  
research because I asked him if he was a

290  
00:12:09,850 --> 00:12:14,320  
doctor and he said no but I've

291  
00:12:11,350 --> 00:12:15,550  
researched this for four years yeah and

292  
00:12:14,320 --> 00:12:17,620  
I said well if you want to do some

293  
00:12:15,549 --> 00:12:19,059  
research look up the code of conduct for

294  
00:12:17,620 --> 00:12:22,419  
the healthcare Complaints Commission

295  
00:12:19,059 --> 00:12:25,059  
section 17 and see that it is illegal to

296  
00:12:22,419 --> 00:12:26,620  
make these claims in New South Wales and

297  
00:12:25,059 --> 00:12:31,269  
as I walked up he was still yelling at

298  
00:12:26,620 --> 00:12:36,490  
me well done dr. Richie okay on to the

299  
00:12:31,269 --> 00:12:38,470  
next one well we're out we've made it

300  
00:12:36,490 --> 00:12:42,159  
out the door me note I think your

301  
00:12:38,470 --> 00:12:45,519  
chakras a shot but yours your auras are

302  
00:12:42,159 --> 00:12:47,319  
washed out to a sort of a fading brain

303  
00:12:45,519 --> 00:12:50,279  
look I'm not gonna sound too negative

304  
00:12:47,320 --> 00:12:52,660  
about that but I really hated that I

305  
00:12:50,279 --> 00:12:54,370  
really would like to sit I think the

306  
00:12:52,659 --> 00:12:55,899  
fact that there was not a lot of humor

307  
00:12:54,370 --> 00:12:57,789  
about what was going on in there that's

308  
00:12:55,899 --> 00:12:59,439  
the problem i had like at a boat show

309  
00:12:57,789 --> 00:13:00,969  
people can make jokes about boating it's

310  
00:12:59,440 --> 00:13:02,410  
expert people can have fun because it's

311  
00:13:00,970 --> 00:13:03,820  
all about sexuality and you can joke

312  
00:13:02,409 --> 00:13:05,620  
around a little bit with that but

313  
00:13:03,820 --> 00:13:07,480  
everyone was so deadly serious what they

314

00:13:05,620 --> 00:13:10,240  
were doing and and some of it was

315  
00:13:07,480 --> 00:13:12,220  
obviously quite nonsensical and at the

316  
00:13:10,240 --> 00:13:14,560  
best people having fun at the worst

317  
00:13:12,220 --> 00:13:16,060  
people are being scammed and yeah it'll

318  
00:13:14,559 --> 00:13:19,089  
that very comfortable that's it people

319  
00:13:16,059 --> 00:13:20,739  
are being scammed and we got told to

320  
00:13:19,090 --> 00:13:22,840  
move along quickly from quite a number

321  
00:13:20,740 --> 00:13:24,250  
stands to start by asking questions oh

322  
00:13:22,840 --> 00:13:25,480  
yeah but you went up to the nice people

323  
00:13:24,250 --> 00:13:27,190  
that just wanted you to feel good about

324  
00:13:25,480 --> 00:13:29,649  
something and you went to am I mean

325  
00:13:27,190 --> 00:13:31,540  
really I mean I mean you can see why you

326  
00:13:29,649 --> 00:13:33,039  
skeptics get a bad name because you go

327  
00:13:31,539 --> 00:13:35,019  
round pouring cold water everybody ought

328  
00:13:33,039 --> 00:13:36,519

to everybody I can see I mean it was the

329

00:13:35,019 --> 00:13:38,710

compassion stand for goodness sake you

330

00:13:36,519 --> 00:13:41,029

get the compassion stand a hard time I

331

00:13:38,710 --> 00:13:43,700

did I wasn't very compassionate

332

00:13:41,029 --> 00:13:45,350

impatiens can I must admit look I look I

333

00:13:43,700 --> 00:13:47,150

think I have to go I've just been

334

00:13:45,350 --> 00:13:49,040

exhausted i've had them I don't know

335

00:13:47,149 --> 00:13:51,470

which chakra has been stolen from me if

336

00:13:49,039 --> 00:13:54,019

I suspect it's the fourth one yes I

337

00:13:51,470 --> 00:13:56,960

expect you're right may not but the rest

338

00:13:54,019 --> 00:13:58,309

of us it's that great Old Post mind-body

339

00:13:56,960 --> 00:14:00,500

wallet tradition of heading for

340

00:13:58,309 --> 00:14:02,269

Chinatown which is about four or five

341

00:14:00,500 --> 00:14:06,919

hundred meters down to our right and

342

00:14:02,269 --> 00:14:08,809

enjoying a good Chinese dinner tom of

343  
00:14:06,919 --> 00:14:11,360  
course after our traditional Chinese

344  
00:14:08,809 --> 00:14:14,209  
meal we're completely and at least start

345  
00:14:11,360 --> 00:14:16,460  
Rachel you I can't others speak I think

346  
00:14:14,210 --> 00:14:18,230  
that made too much snow ma we had to I

347  
00:14:16,460 --> 00:14:21,110  
mean it's mine body wall just just makes

348  
00:14:18,230 --> 00:14:23,899  
us 101 commiserate in a nice chinese

349  
00:14:21,110 --> 00:14:27,350  
restaurant but no i must admit this time

350  
00:14:23,899 --> 00:14:29,360  
I don't think I let my I wouldn't say a

351  
00:14:27,350 --> 00:14:31,610  
bit angry bird I'm not really but I just

352  
00:14:29,360 --> 00:14:35,659  
a little bit fed up this time I must say

353  
00:14:31,610 --> 00:14:38,180  
I mean when you see people handing over

354  
00:14:35,659 --> 00:14:40,909  
vast sums of money to what you know is a

355  
00:14:38,179 --> 00:14:42,799  
scam I mean it really gets to you yeah I

356  
00:14:40,909 --> 00:14:45,289  
mean I really got stuck into the occur

357  
00:14:42,799 --> 00:14:46,789  
see Barry people because you know the

358  
00:14:45,289 --> 00:14:48,199  
guy claimed that he wasn't saying he

359  
00:14:46,789 --> 00:14:51,079  
could cure cancer but he strongly

360  
00:14:48,200 --> 00:14:53,480  
implied that his products help with that

361  
00:14:51,080 --> 00:14:54,860  
and that's just inappropriate and the

362  
00:14:53,480 --> 00:14:57,019  
thing is the thing that really annoyed

363  
00:14:54,860 --> 00:14:59,419  
annoys me is that you know there were

364  
00:14:57,019 --> 00:15:02,179  
some people there that clearly knew that

365  
00:14:59,419 --> 00:15:04,729  
we knew they were scamming PS yeah and

366  
00:15:02,179 --> 00:15:07,129  
it recognized us from previous mind-body

367  
00:15:04,730 --> 00:15:09,320  
wallets and basically just sort of just

368  
00:15:07,129 --> 00:15:11,028  
a long I was saying you know move along

369  
00:15:09,320 --> 00:15:12,680  
move along and yeah don't listen to them

370  
00:15:11,028 --> 00:15:16,250  
get out of here yeah there was one

371

00:15:12,679 --> 00:15:18,528  
there's one old scam at mind-body wallet

372  
00:15:16,250 --> 00:15:21,769  
which I won't name for legal reasons I

373  
00:15:18,528 --> 00:15:23,389  
don't want to get sued but it's one of

374  
00:15:21,769 --> 00:15:25,039  
these people who do the applied

375  
00:15:23,389 --> 00:15:28,669  
kinesiology test with the arm and

376  
00:15:25,039 --> 00:15:32,480  
everything and the guys virtually said

377  
00:15:28,669 --> 00:15:35,088  
to us it's a good trick go away well you

378  
00:15:32,480 --> 00:15:38,330  
said to him it's a trick and he said

379  
00:15:35,089 --> 00:15:42,110  
yeah you said to him it's a trick and he

380  
00:15:38,330 --> 00:15:43,610  
said well it sells my product and and I

381  
00:15:42,110 --> 00:15:46,459  
said to him well that's just dishonest

382  
00:15:43,610 --> 00:15:49,250  
yeah and he was sort of going thank you

383  
00:15:46,458 --> 00:15:51,469  
goodbye goodbye goodbye so you know he

384  
00:15:49,250 --> 00:15:55,519  
he knows that we know he's scamming

385  
00:15:51,470 --> 00:15:57,410

people and by saying yeah you know I

386

00:15:55,519 --> 00:15:59,240

know it's a trick but it sells my

387

00:15:57,409 --> 00:16:01,909

product or what else can you conclude

388

00:15:59,240 --> 00:16:04,278

from that statement you know and it's

389

00:16:01,909 --> 00:16:05,659

still amazing to me that there of course

390

00:16:04,278 --> 00:16:09,289

there are but there are people out there

391

00:16:05,659 --> 00:16:10,850

who whose job it is is to scam and con

392

00:16:09,289 --> 00:16:13,039

people out of their money that's what

393

00:16:10,850 --> 00:16:14,810

they do that's what they wake up in the

394

00:16:13,039 --> 00:16:17,179

morning and they go out and they do that

395

00:16:14,809 --> 00:16:20,119

yeah well the guy that was talking about

396

00:16:17,179 --> 00:16:22,250

the Chi berry acai berry or whatever he

397

00:16:20,120 --> 00:16:23,990

was to learn and he really believes what

398

00:16:22,250 --> 00:16:26,330

he was saying but the guy who you're

399

00:16:23,990 --> 00:16:28,580

referring to he he didn't he knew that

400  
00:16:26,330 --> 00:16:33,620  
hela scamming people he knew it well I

401  
00:16:28,580 --> 00:16:35,540  
gave the skeptics \$100,000 information

402  
00:16:33,620 --> 00:16:37,879  
prize informations quite a few people I

403  
00:16:35,539 --> 00:16:39,588  
wonder if anyone will get back to us no

404  
00:16:37,879 --> 00:16:41,299  
doubt it no doubt it the other the other

405  
00:16:39,589 --> 00:16:44,000  
thing that we were also moved on from

406  
00:16:41,299 --> 00:16:45,828  
the astrology stand because oh yeah they

407  
00:16:44,000 --> 00:16:47,269  
had astrologer heard that we were

408  
00:16:45,828 --> 00:16:49,699  
scientists and didn't believe in

409  
00:16:47,269 --> 00:16:52,189  
astrology and just a tall wall okay bye

410  
00:16:49,700 --> 00:16:53,660  
have a nice day I said get out yeah get

411  
00:16:52,190 --> 00:16:55,290  
out didn't want to talk to us at all you

412  
00:16:53,659 --> 00:16:58,740  
know

413  
00:16:55,289 --> 00:17:00,750  
ah we both quite exhausted we're both

414  
00:16:58,740 --> 00:17:06,328  
full yeah I'm above sitting on the bus

415  
00:17:00,750 --> 00:17:08,160  
heading home so until next time had mine

416  
00:17:06,328 --> 00:17:10,259  
but i don't i don't reckon i'm going to

417  
00:17:08,160 --> 00:17:11,819  
go again Richard place not for a year it

418  
00:17:10,259 --> 00:17:19,859  
might be difficult for me to go seek my

419  
00:17:11,818 --> 00:17:22,139  
mama size tee off Hunter guy Hebrew oh

420  
00:17:19,859 --> 00:17:25,409  
he / I see you reminding my new clear

421  
00:17:22,140 --> 00:17:27,630  
plus Superman no not that's right from

422  
00:17:25,410 --> 00:17:30,750  
skeptic bros calm the all nuclear

423  
00:17:27,630 --> 00:17:33,090  
placebo man oh I didn't even ask here is

424  
00:17:30,750 --> 00:17:37,079  
awesome you have to try it I feel so

425  
00:17:33,089 --> 00:17:39,869  
light so free almost invisible wait what

426  
00:17:37,079 --> 00:17:42,869  
are you doing hmm see the floating hat

427  
00:17:39,869 --> 00:17:45,029  
whoo don't freak out it's just me and my

428

00:17:42,869 --> 00:17:46,949  
nuclear placebo man get one from skeptic

429  
00:17:45,029 --> 00:17:54,569  
Bruce calm please put your clothes back

430  
00:17:46,950 --> 00:17:57,569  
on before you get arrested join us now

431  
00:17:54,569 --> 00:18:05,490  
for drinking skeptically in the think

432  
00:17:57,569 --> 00:18:08,759  
tank Jason

433  
00:18:05,490 --> 00:18:10,710  
that's whether that's me or a makeup of

434  
00:18:08,759 --> 00:18:13,859  
the internet mostly cats but also

435  
00:18:10,710 --> 00:18:15,420  
detectives on the internets and we love

436  
00:18:13,859 --> 00:18:18,419  
the Internet's folks because that's why

437  
00:18:15,420 --> 00:18:19,830  
you're listening to us right now here we

438  
00:18:18,420 --> 00:18:21,840  
are back in our favorite club down the

439  
00:18:19,829 --> 00:18:23,490  
street which while we're sitting here

440  
00:18:21,839 --> 00:18:26,730  
eating our dinner it's half empty doubt

441  
00:18:23,490 --> 00:18:28,890  
dr. Aichi hi Richard I mean this was

442  
00:18:26,730 --> 00:18:32,690

full when we entered here I know let's

443

00:18:28,890 --> 00:18:35,130

talk about skepticism he'll talk about

444

00:18:32,690 --> 00:18:37,860

skepticism with James allow James g'day

445

00:18:35,130 --> 00:18:39,990

everyone and may not enjoying your soup

446

00:18:37,859 --> 00:18:41,699

I'm having a great time here and I've

447

00:18:39,990 --> 00:18:46,650

got some large intellectual issues to

448

00:18:41,700 --> 00:18:48,929

discuss line and Jay he's eating

449

00:18:46,650 --> 00:18:51,570

broccoli with his hand he is and hero

450

00:18:48,929 --> 00:18:53,040

drinking out of the bowl just to

451

00:18:51,569 --> 00:18:55,019

demonstrate how intellectual the

452

00:18:53,039 --> 00:18:57,329

endeavor is the hang of chopsticks some

453

00:18:55,019 --> 00:19:00,539

of his greatest intellectuals of even

454

00:18:57,329 --> 00:19:02,519

out the bowl if the cat kit if a cat can

455

00:19:00,539 --> 00:19:05,250

use a flush toilet I can drink out of

456

00:19:02,519 --> 00:19:09,420

the ball that's what he's doing and hero

457  
00:19:05,250 --> 00:19:12,630  
of the week it's jase are too kind I'll

458  
00:19:09,420 --> 00:19:14,730  
be signing autographs later I will get

459  
00:19:12,630 --> 00:19:17,640  
to that a bit later on and it runs

460  
00:19:14,730 --> 00:19:19,950  
together hello Ron Harris hood what a

461  
00:19:17,640 --> 00:19:21,929  
fantastic week it's been in skepticism

462  
00:19:19,950 --> 00:19:24,900  
we've got a few stories to cover well

463  
00:19:21,929 --> 00:19:26,850  
let's kick off actually i'm jason with

464  
00:19:24,900 --> 00:19:29,059  
your notable success now listeners will

465  
00:19:26,849 --> 00:19:32,730  
remember on the last episode of the

466  
00:19:29,058 --> 00:19:36,329  
skeptic zone we talked spoke with jason

467  
00:19:32,730 --> 00:19:38,670  
about killing yes and things have

468  
00:19:36,329 --> 00:19:42,689  
happened how many things have happened

469  
00:19:38,670 --> 00:19:45,779  
oh yes quite a lot shall we start from

470  
00:19:42,690 --> 00:19:48,750  
monday let's start from monday monday

471  
00:19:45,779 --> 00:19:50,190  
was quite a good day i what it's rather

472  
00:19:48,750 --> 00:19:52,109  
surprisingly well not entirely

473  
00:19:50,190 --> 00:19:55,009  
surprisingly to some but rather

474  
00:19:52,109 --> 00:19:56,969  
surprisingly ABC's Media Watch program

475  
00:19:55,009 --> 00:19:58,859  
Australian listeners will probably know

476  
00:19:56,970 --> 00:20:00,960  
about that international listeners will

477  
00:19:58,859 --> 00:20:03,569  
probably explained media watches are

478  
00:20:00,960 --> 00:20:06,900  
sort of media watchdog program and the

479  
00:20:03,569 --> 00:20:09,659  
reports on the sins of the media the

480  
00:20:06,900 --> 00:20:11,910  
qlink story featured on that on Monday

481  
00:20:09,660 --> 00:20:14,519  
and I had a rather nice quote from my

482  
00:20:11,910 --> 00:20:16,590  
blog they did that what I'll do now is

483  
00:20:14,519 --> 00:20:18,269  
all it only lasts for a few minutes so

484  
00:20:16,589 --> 00:20:21,148  
I'll play that story right

485

00:20:18,269 --> 00:20:23,098  
but for simply the best example of

486  
00:20:21,148 --> 00:20:26,038  
product promotion get a load of this

487  
00:20:23,098 --> 00:20:28,858  
from last week's daily telly mobile

488  
00:20:26,038 --> 00:20:31,679  
radiation shield released by Steven

489  
00:20:28,858 --> 00:20:34,348  
fennec technology writer yes this new

490  
00:20:31,679 --> 00:20:36,509  
magic shield is smaller than a five-cent

491  
00:20:34,348 --> 00:20:39,509  
piece but stick it on your mobile phone

492  
00:20:36,509 --> 00:20:41,759  
and wave goodbye to stress sickness and

493  
00:20:39,509 --> 00:20:45,028  
disease sounds too good to be true

494  
00:20:41,759 --> 00:20:47,519  
surely not so Steven what's the secret

495  
00:20:45,028 --> 00:20:50,429  
of this high-tech defense patented

496  
00:20:47,519 --> 00:20:52,858  
sympathetic resonance technology come

497  
00:20:50,429 --> 00:20:57,778  
again patented sympathetic resonance

498  
00:20:52,858 --> 00:21:00,328  
technology wow sounds fantastic tell me

499  
00:20:57,778 --> 00:21:02,098

more the two linked many priced at

500

00:21:00,328 --> 00:21:04,200

forty-eight dollars is programmed with

501

00:21:02,098 --> 00:21:06,118

naturally occurring frequencies which

502

00:21:04,200 --> 00:21:08,369

resonate with our body's energy system

503

00:21:06,118 --> 00:21:11,848

just like a piano string would resonate

504

00:21:08,368 --> 00:21:13,918

with a tuning fork amazing and don't

505

00:21:11,848 --> 00:21:16,019

doubt it's true according to kulick

506

00:21:13,919 --> 00:21:18,028

australia's john gear on whose quotes

507

00:21:16,019 --> 00:21:20,399

provide almost half Steven Phoenix

508

00:21:18,028 --> 00:21:22,739

shameless editorial the magic mini

509

00:21:20,398 --> 00:21:25,258

shield is based on technology which has

510

00:21:22,739 --> 00:21:28,200

been scientifically proven and tested

511

00:21:25,259 --> 00:21:30,659

for the past 20 years we'll come to that

512

00:21:28,200 --> 00:21:34,139

in a moment but could it actually work

513

00:21:30,659 --> 00:21:36,269

well no according to Professor Vitas

514  
00:21:34,138 --> 00:21:39,058  
Anderson at Swinburne University's brain

515  
00:21:36,269 --> 00:21:40,888  
sciences institute a little but and

516  
00:21:39,058 --> 00:21:42,808  
cannot shield or neutralize the

517  
00:21:40,888 --> 00:21:46,498  
electromagnetic fields emitted by a

518  
00:21:42,808 --> 00:21:48,868  
mobile phone and here's the rub if it

519  
00:21:46,499 --> 00:21:52,200  
could your mobile phone would stop

520  
00:21:48,868 --> 00:21:54,058  
working because it relies on the RF

521  
00:21:52,200 --> 00:21:56,819  
transmissions to make the radio link

522  
00:21:54,058 --> 00:21:59,158  
with the mobile base station so much for

523  
00:21:56,819 --> 00:22:01,708  
miraculous mini shields as the website

524  
00:21:59,159 --> 00:22:04,079  
my colleagues are idiots nikli sums it

525  
00:22:01,709 --> 00:22:06,659  
up you can't smell the already

526  
00:22:04,078 --> 00:22:08,878  
then your nose is broken so why is

527  
00:22:06,659 --> 00:22:10,979  
technology writer Steven fennec who

528  
00:22:08,878 --> 00:22:13,228  
should know better persuaded by this

529  
00:22:10,979 --> 00:22:15,569  
obvious quackery and why does his

530  
00:22:13,229 --> 00:22:17,909  
brother Mario from Channel Nine's Sidney

531  
00:22:15,569 --> 00:22:21,358  
Footy Show promote cooling on the

532  
00:22:17,909 --> 00:22:23,159  
company's website been great I've always

533  
00:22:21,358 --> 00:22:25,199  
a pretty sort of 10 sort of guy and I

534  
00:22:23,159 --> 00:22:26,609  
must admit that since I've out the

535  
00:22:25,200 --> 00:22:28,950  
killing gone I feel a little bit more

536  
00:22:26,608 --> 00:22:30,028  
relaxed and a lot of easier on the kids

537  
00:22:28,950 --> 00:22:34,440  
and probably not

538  
00:22:30,028 --> 00:22:37,679  
not not as jumpy and my golf my golf has

539  
00:22:34,440 --> 00:22:39,989  
been sensational now we at media watched

540  
00:22:37,679 --> 00:22:42,389  
naturally suspected the worst that

541  
00:22:39,989 --> 00:22:45,058  
Steven was using his Telegraph column to

542

00:22:42,388 --> 00:22:46,949  
give brother Mario a helping hand Steven

543  
00:22:45,058 --> 00:22:49,979  
started enthusing about qlink back in

544  
00:22:46,950 --> 00:22:53,190  
2004 with his first breathless puffs and

545  
00:22:49,979 --> 00:22:55,379  
then again in 2005 which was around the

546  
00:22:53,190 --> 00:22:57,778  
time that Mario started promoting his

547  
00:22:55,378 --> 00:23:01,378  
thirteen hundred dollar gold plated

548  
00:22:57,778 --> 00:23:03,598  
qlink pendant hi and welcome to our

549  
00:23:01,378 --> 00:23:05,548  
website over the years I work with

550  
00:23:03,598 --> 00:23:07,769  
hundreds of different businesses I've

551  
00:23:05,548 --> 00:23:11,098  
helped them build brand awareness and

552  
00:23:07,769 --> 00:23:14,069  
increase their sales through TV radio

553  
00:23:11,098 --> 00:23:17,489  
and print media campaigns and I can do

554  
00:23:14,069 --> 00:23:19,678  
the same for you and indeed he's done

555  
00:23:17,489 --> 00:23:22,440  
that for cooling who tell visitors to

556  
00:23:19,679 --> 00:23:24,719

phoenix website since mario has been

557

00:23:22,440 --> 00:23:26,548

promoting a range of cooling products we

558

00:23:24,719 --> 00:23:29,249

have seen a measurable increase in sales

559

00:23:26,548 --> 00:23:31,019

across all demographics but you know

560

00:23:29,249 --> 00:23:33,558

sometimes there's an innocent

561

00:23:31,019 --> 00:23:36,179

explanation and this is one such time

562

00:23:33,558 --> 00:23:38,638

Mario's manager says he does not get

563

00:23:36,179 --> 00:23:40,889

paid for promoting cooling and it seems

564

00:23:38,638 --> 00:23:44,218

he and Stephen rave about the product

565

00:23:40,888 --> 00:23:47,668

just because they believe it works so no

566

00:23:44,219 --> 00:23:49,859

impropriety just credulity now it has to

567

00:23:47,669 --> 00:23:51,839

be said many professional golfers swear

568

00:23:49,858 --> 00:23:53,788

by their cue links but the highly

569

00:23:51,838 --> 00:23:56,999

regarded microwave news in the United

570

00:23:53,788 --> 00:23:59,608

States is not so easily persuaded scams

571  
00:23:56,999 --> 00:24:01,499  
galore the gizmos promising protection

572  
00:23:59,608 --> 00:24:03,838  
against electromagnetic fields include

573  
00:24:01,499 --> 00:24:06,028  
bracelets pendants and headbands two of

574  
00:24:03,838 --> 00:24:07,348  
the best known a bio Pro and cooling

575  
00:24:06,028 --> 00:24:09,558  
which are really no different from all

576  
00:24:07,348 --> 00:24:11,908  
the others that's to say they don't work

577  
00:24:09,558 --> 00:24:13,950  
cooling claims that research by the

578  
00:24:11,909 --> 00:24:16,679  
University of Wollongong scientifically

579  
00:24:13,950 --> 00:24:18,359  
proves its devices are effective the

580  
00:24:16,679 --> 00:24:21,089  
study it refers to conducted by

581  
00:24:18,358 --> 00:24:23,218  
Professor Rodney Croft was funded by Q

582  
00:24:21,088 --> 00:24:25,229  
links manufacturer claris products

583  
00:24:23,219 --> 00:24:27,149  
international it was described four

584  
00:24:25,229 --> 00:24:30,690  
years ago by the respected UK website

585  
00:24:27,148 --> 00:24:33,748  
power watch as small and ill scienced

586  
00:24:30,690 --> 00:24:35,969  
virtually worthless and even the study's

587  
00:24:33,749 --> 00:24:38,069  
author professor Rodney Croft dismisses

588  
00:24:35,969 --> 00:24:40,259  
its value at least in supporting the

589  
00:24:38,069 --> 00:24:41,939  
claims made by kulick telling media

590  
00:24:40,259 --> 00:24:43,710  
watched last week

591  
00:24:41,940 --> 00:24:46,649  
I do not believe that the inconclusive

592  
00:24:43,710 --> 00:24:48,149  
nature of my study provides any evidence

593  
00:24:46,648 --> 00:24:51,569  
that the product does what it claims

594  
00:24:48,148 --> 00:24:54,479  
none of this but none of this was in

595  
00:24:51,569 --> 00:24:56,849  
Steven Phoenix article and Steven it

596  
00:24:54,480 --> 00:24:59,038  
should have been it's not yours or the

597  
00:24:56,849 --> 00:25:00,898  
Telly's job to flog this stuff it's to

598  
00:24:59,038 --> 00:25:03,119  
strive for the truth a strange

599

00:25:00,898 --> 00:25:05,729  
old-fashioned concept i know but one

600  
00:25:03,119 --> 00:25:16,798  
that still has some value well well done

601  
00:25:05,730 --> 00:25:19,019  
Jason now they mention your blog so as

602  
00:25:16,798 --> 00:25:22,288  
that resulted in increased traffic it

603  
00:25:19,019 --> 00:25:24,569  
has well over a thousand hits which is

604  
00:25:22,288 --> 00:25:27,298  
about ten times what I normally get on a

605  
00:25:24,569 --> 00:25:30,778  
story on my blog it's also been linked

606  
00:25:27,298 --> 00:25:32,429  
to by crikey by various other news

607  
00:25:30,778 --> 00:25:35,369  
outlets is this being numb it's been

608  
00:25:32,429 --> 00:25:36,899  
quite cool really if it's really nice

609  
00:25:35,369 --> 00:25:39,119  
that all those people checking out your

610  
00:25:36,898 --> 00:25:41,579  
blog I checking out the Q link and that

611  
00:25:39,119 --> 00:25:44,189  
qlink was basically called a car Nona

612  
00:25:41,579 --> 00:25:49,019  
scam on national television truthful

613  
00:25:44,190 --> 00:25:50,519

media is quite awesome so if anybody

614

00:25:49,019 --> 00:25:54,500

wants to check that out anyway I'm go to

615

00:25:50,519 --> 00:25:54,500

my blog yet Oh announcement

616

00:25:57,630 --> 00:26:01,180

that's Canterbury country tonight the

617

00:25:59,980 --> 00:26:03,069

shows for free we should all run

618

00:26:01,180 --> 00:26:04,150

upstairs and watch it awesome out so

619

00:26:03,069 --> 00:26:06,099

yeah if anyone wants to check out the

620

00:26:04,150 --> 00:26:10,300

show or the segment at least is on my

621

00:26:06,099 --> 00:26:11,709

blog at www legs are idiots calm and

622

00:26:10,299 --> 00:26:13,180

there's a few stories on there about the

623

00:26:11,710 --> 00:26:14,559

the whole flat it's been it's been a

624

00:26:13,180 --> 00:26:16,810

laugh but I've been blogging like crazy

625

00:26:14,559 --> 00:26:19,210

so congratulations once again that's

626

00:26:16,809 --> 00:26:21,399

fantastic didn't you have some news

627

00:26:19,210 --> 00:26:23,460

Jason I heard a rumor last week that

628  
00:26:21,400 --> 00:26:25,660  
Steven fennec had actually been

629  
00:26:23,460 --> 00:26:27,789  
suspended have you heard anything more

630  
00:26:25,660 --> 00:26:30,160  
about that I've talked someone who

631  
00:26:27,789 --> 00:26:32,769  
wishes to remain anonymous but I can say

632  
00:26:30,160 --> 00:26:35,820  
this person's quite close to the

633  
00:26:32,769 --> 00:26:37,480  
business for which fennec works and she

634  
00:26:35,819 --> 00:26:42,039  
understands that he's on suspension

635  
00:26:37,480 --> 00:26:43,960  
right now mm-hmm that was really for

636  
00:26:42,039 --> 00:26:45,339  
people he didn't hear last week that was

637  
00:26:43,960 --> 00:26:50,579  
really for the fact that he didn't

638  
00:26:45,339 --> 00:26:53,049  
disclose that his brother is a sponsored

639  
00:26:50,579 --> 00:26:55,149  
preacher I guess for the product right

640  
00:26:53,049 --> 00:26:57,220  
yeah and it's a breach of I think

641  
00:26:55,150 --> 00:26:58,630  
section four of the code of conduct for

642  
00:26:57,220 --> 00:27:00,000  
journalists in Australia I might be

643  
00:26:58,630 --> 00:27:01,990  
wrong on that in might be section five

644  
00:27:00,000 --> 00:27:03,940  
but basically you're going to disclose

645  
00:27:01,990 --> 00:27:06,759  
all cognitive interested that kind why

646  
00:27:03,940 --> 00:27:08,590  
would why would he be banned by that is

647  
00:27:06,759 --> 00:27:12,759  
he a journalist he's apparently his

648  
00:27:08,589 --> 00:27:15,279  
journal media accommodate technologies

649  
00:27:12,759 --> 00:27:17,109  
the work knology correspondent yeah but

650  
00:27:15,279 --> 00:27:18,700  
if you did on Media Watch they didn't

651  
00:27:17,109 --> 00:27:20,740  
actually goes but they actually said

652  
00:27:18,700 --> 00:27:22,630  
that he wasn't benefiting from it

653  
00:27:20,740 --> 00:27:23,859  
directly financially that they they said

654  
00:27:22,630 --> 00:27:25,840  
they did say that which I thought was

655  
00:27:23,859 --> 00:27:29,199  
interesting and also they both claims

656

00:27:25,839 --> 00:27:30,789  
yes I mean I commented on my blog rather

657  
00:27:29,200 --> 00:27:32,620  
cynically that they probably haven't

658  
00:27:30,789 --> 00:27:35,680  
been paid yet and now they're not going

659  
00:27:32,619 --> 00:27:37,539  
to get paid but yeah who knows only

660  
00:27:35,680 --> 00:27:39,850  
that's between them and cooling and I

661  
00:27:37,539 --> 00:27:42,009  
can't comment for the other the other

662  
00:27:39,849 --> 00:27:45,969  
interesting thing was the guy who was on

663  
00:27:42,009 --> 00:27:49,119  
The Today Show who was also Charlie

664  
00:27:45,970 --> 00:27:51,940  
Brown who was also had some questions

665  
00:27:49,119 --> 00:27:54,279  
posed to him on Twitter and downs II who

666  
00:27:51,940 --> 00:27:57,850  
also wrote an article for crikey at down

667  
00:27:54,279 --> 00:27:59,710  
z he asked Charlie Brown some questions

668  
00:27:57,849 --> 00:28:02,289  
on Twitter and he wrote a very short

669  
00:27:59,710 --> 00:28:03,579  
blog in response to that which I think

670  
00:28:02,289 --> 00:28:06,399

downs his response to that was

671

00:28:03,579 --> 00:28:08,089

ridiculous and hopeless or something

672

00:28:06,400 --> 00:28:10,970

because his

673

00:28:08,089 --> 00:28:15,829

his comments about killing were pretty

674

00:28:10,970 --> 00:28:18,980

credulous he basically said that it was

675

00:28:15,829 --> 00:28:20,869

he thought it could work but the jury's

676

00:28:18,980 --> 00:28:22,220

out or something like that but after

677

00:28:20,869 --> 00:28:27,229

saying there's all this science to back

678

00:28:22,220 --> 00:28:28,730

it up yeah I know yeah yeah he spent

679

00:28:27,230 --> 00:28:31,038

about two minutes doing the sales pitch

680

00:28:28,730 --> 00:28:34,099

thing and then at the very end was asked

681

00:28:31,038 --> 00:28:37,579

ah what do you think of it have you

682

00:28:34,099 --> 00:28:39,079

tried it and the question but the jury's

683

00:28:37,579 --> 00:28:40,778

out isn't it and he turned that question

684

00:28:39,079 --> 00:28:44,089

around said yeah the jury is out on

685  
00:28:40,778 --> 00:28:46,369  
something else and then said I'm

686  
00:28:44,089 --> 00:28:48,949  
skeptical I'd have to try it which to me

687  
00:28:46,369 --> 00:28:51,139  
wasn't really skepticism that was just

688  
00:28:48,950 --> 00:28:53,630  
sort of journalistic asked not when the

689  
00:28:51,140 --> 00:28:56,090  
preceding two minutes was crazy what

690  
00:28:53,630 --> 00:28:57,710  
sales fishing yet at least Charlie's

691  
00:28:56,089 --> 00:28:59,418  
been good enough to actually talk about

692  
00:28:57,710 --> 00:29:01,038  
it on his blog and kind of apologizing

693  
00:28:59,419 --> 00:29:03,080  
and publish some critical comments

694  
00:29:01,038 --> 00:29:06,440  
whereas Stephen fennec deleted all his

695  
00:29:03,079 --> 00:29:07,699  
tweets and kind of ran away Jason that's

696  
00:29:06,440 --> 00:29:09,200  
what's so funny about it is that he

697  
00:29:07,700 --> 00:29:11,330  
deleted his tweets I mean seriously

698  
00:29:09,200 --> 00:29:14,480  
these days I mean this happened this

699  
00:29:11,329 --> 00:29:16,278  
morning I think it was a Tory MP tweeted

700  
00:29:14,480 --> 00:29:18,200  
something about a Muslim should get

701  
00:29:16,278 --> 00:29:20,298  
stoned to death for I think adultery or

702  
00:29:18,200 --> 00:29:23,028  
something and then deleted the tweet

703  
00:29:20,298 --> 00:29:24,589  
that people seriously that stupid these

704  
00:29:23,028 --> 00:29:28,240  
days that they don't know there's this

705  
00:29:24,589 --> 00:29:30,889  
thing called screencaps onto internets

706  
00:29:28,240 --> 00:29:35,000  
as well everything gets happy in some

707  
00:29:30,890 --> 00:29:37,130  
ways like yes yes I think I did that

708  
00:29:35,000 --> 00:29:38,898  
something that concerns me about this

709  
00:29:37,130 --> 00:29:40,970  
whole Stephen fennec thing is that the

710  
00:29:38,898 --> 00:29:45,189  
article is now gone except in some

711  
00:29:40,970 --> 00:29:47,569  
screen captures but the article itself

712  
00:29:45,190 --> 00:29:51,200  
is it is a problem you know that the

713

00:29:47,569 --> 00:29:53,658  
fact that national newspaper cannot can

714  
00:29:51,200 --> 00:29:54,950  
put something like this up and not see

715  
00:29:53,659 --> 00:29:57,740  
that there's a problem it's quite

716  
00:29:54,950 --> 00:30:00,110  
clearly a press release yeah with very

717  
00:29:57,740 --> 00:30:02,808  
very little if any editing there's no it

718  
00:30:00,109 --> 00:30:04,729  
is full of mumbo jumbo yeah and this

719  
00:30:02,808 --> 00:30:07,519  
coming from the technology correspondent

720  
00:30:04,730 --> 00:30:10,278  
I also correspond about technology very

721  
00:30:07,519 --> 00:30:11,990  
often I do not say this kind of

722  
00:30:10,278 --> 00:30:13,730  
acknowledged in science stories are they

723  
00:30:11,990 --> 00:30:16,250  
just press releases that are a written

724  
00:30:13,730 --> 00:30:16,999  
but not sometimes not even reaction

725  
00:30:16,250 --> 00:30:19,578  
obvious

726  
00:30:16,999 --> 00:30:21,199  
sales pitch so the fact that he the fact

727  
00:30:19,578 --> 00:30:23,269

that he wasn't suspended for with

728

00:30:21,199 --> 00:30:25,308

drawing a salary and not being worth it

729

00:30:23,269 --> 00:30:27,019

is something that bothers me about this

730

00:30:25,308 --> 00:30:30,318

newspaper but then again it is the tele

731

00:30:27,019 --> 00:30:32,179

sir in contact with the editor of Daily

732

00:30:30,318 --> 00:30:33,469

Telegraph we exchanged a couple of

733

00:30:32,179 --> 00:30:35,298

emails and I'm after an official

734

00:30:33,469 --> 00:30:37,429

statement from him he hasn't got back to

735

00:30:35,298 --> 00:30:38,868

me with an official statement yet so as

736

00:30:37,429 --> 00:30:41,359

soon as that comes out it'll be on the

737

00:30:38,868 --> 00:30:42,918

blog if it comes out at all but yeah

738

00:30:41,358 --> 00:30:43,968

we're going to talk about this kind of

739

00:30:42,919 --> 00:30:47,119

thing do you made an official statement

740

00:30:43,969 --> 00:30:48,649

about student Phoenix Phoenix suspension

741

00:30:47,118 --> 00:30:50,688

and the reason it slipped through the

742  
00:30:48,648 --> 00:30:52,578  
editorial Matt the journalistic

743  
00:30:50,689 --> 00:30:54,798  
standards of the tele basically okay

744  
00:30:52,578 --> 00:30:56,568  
however I mean all right we're sort of

745  
00:30:54,798 --> 00:30:58,759  
bagging the telly at the moment but it

746  
00:30:56,568 --> 00:31:02,598  
was the telly who just a few days

747  
00:30:58,759 --> 00:31:04,519  
afterwards or a few days before am I

748  
00:31:02,598 --> 00:31:07,848  
getting my dates mixed gathers few days

749  
00:31:04,519 --> 00:31:10,459  
off not the chunky and the sunday agenda

750  
00:31:07,848 --> 00:31:15,888  
was all about the Australian vaccination

751  
00:31:10,459 --> 00:31:17,929  
dr. H oh yeah yeah it was um to a two

752  
00:31:15,888 --> 00:31:22,188  
page story double page spread with a

753  
00:31:17,929 --> 00:31:26,509  
preceding story as well about how the

754  
00:31:22,189 --> 00:31:28,399  
anti-vaccination lobby are are putting

755  
00:31:26,509 --> 00:31:29,719  
our children at risk now I'll just read

756  
00:31:28,398 --> 00:31:31,188  
the opening sentence this is by

757  
00:31:29,719 --> 00:31:34,909  
journalists by the name of Jane Hansen

758  
00:31:31,189 --> 00:31:36,528  
isn't it that's the same Jane Henson I'm

759  
00:31:34,909 --> 00:31:39,079  
thinking about her I went to school of

760  
00:31:36,528 --> 00:31:41,239  
Jane Hansen yeah Jane has you've got

761  
00:31:39,078 --> 00:31:43,068  
some story she was in my brother's year

762  
00:31:41,239 --> 00:31:44,838  
but I I remember Jania is she the same

763  
00:31:43,068 --> 00:31:47,959  
person I expect so journalists you

764  
00:31:44,838 --> 00:31:50,378  
really probably welcome one person

765  
00:31:47,959 --> 00:31:53,568  
cooked a medicine well I don't know

766  
00:31:50,378 --> 00:31:55,638  
anyway she she opens the the story with

767  
00:31:53,568 --> 00:31:57,078  
them the anti-vaccination lobby believed

768  
00:31:55,638 --> 00:31:58,548  
they are fighting for personal freedom

769  
00:31:57,078 --> 00:32:00,198  
but as Jane Hansen reports they are

770

00:31:58,548 --> 00:32:03,199  
selfishly putting your children at risk

771  
00:32:00,199 --> 00:32:05,119  
Wow and Tracy Spicer actually wrote an

772  
00:32:03,199 --> 00:32:07,369  
article a bit before that Tracy Spicer

773  
00:32:05,118 --> 00:32:09,378  
wrote an article about two days before

774  
00:32:07,368 --> 00:32:10,938  
that where she basically called out the

775  
00:32:09,378 --> 00:32:13,098  
Australian vaccination network in

776  
00:32:10,939 --> 00:32:16,969  
particular for being so mean to tell me

777  
00:32:13,098 --> 00:32:21,138  
all the hill no i think it was in the

778  
00:32:16,969 --> 00:32:23,058  
tele as well and yeah i mean this this

779  
00:32:21,138 --> 00:32:24,469  
story here that the jane hansen one that

780  
00:32:23,058 --> 00:32:28,470  
appeared on the sunday

781  
00:32:24,470 --> 00:32:30,450  
gave big exposure to the McCaffrey's but

782  
00:32:28,470 --> 00:32:32,660  
also was focusing on the fact that we do

783  
00:32:30,450 --> 00:32:34,620  
have a whooping cough epidemic yeah and

784  
00:32:32,660 --> 00:32:36,269

alerting parents to the fact that they

785

00:32:34,619 --> 00:32:37,529

need to get probably get boosters and

786

00:32:36,269 --> 00:32:39,599

they should go and talk to their doctors

787

00:32:37,529 --> 00:32:42,690

about that speaking of which for carers

788

00:32:39,599 --> 00:32:44,579

it is free now again it wasn't free for

789

00:32:42,690 --> 00:32:46,590

a period but now it is in most states

790

00:32:44,579 --> 00:32:49,079

that's really cool that's good it's

791

00:32:46,589 --> 00:32:52,949

about bloody time seriously I mean come

792

00:32:49,079 --> 00:32:55,500

on it's been what almost two years over

793

00:32:52,950 --> 00:32:57,990

18 months since Dana passed away and

794

00:32:55,500 --> 00:33:00,180

since the government should have done

795

00:32:57,990 --> 00:33:02,819

something about this yes yeah once again

796

00:33:00,180 --> 00:33:04,950

this is an example of the public having

797

00:33:02,819 --> 00:33:06,750

to do something about our job yeah

798

00:33:04,950 --> 00:33:09,029

during the government job yeah however

799

00:33:06,750 --> 00:33:11,160

it regardless of that I mean it was a

800

00:33:09,029 --> 00:33:13,500

really great article by Jane and yes

801

00:33:11,160 --> 00:33:15,540

congratulations yeah and very very well

802

00:33:13,500 --> 00:33:17,940

researched shared a timeline I don't

803

00:33:15,539 --> 00:33:20,549

know if it's there but she kind of the

804

00:33:17,940 --> 00:33:23,100

sort of series of events leading up to

805

00:33:20,549 --> 00:33:25,950

be including the the ABN H Triple C

806

00:33:23,099 --> 00:33:28,740

public warning including the ABN losing

807

00:33:25,950 --> 00:33:31,769

the charity license which as a side note

808

00:33:28,740 --> 00:33:35,099

they have appealed that and there is a

809

00:33:31,769 --> 00:33:37,379

hearing on December the 10th right where

810

00:33:35,099 --> 00:33:39,689

I'm not exactly sure how that's going to

811

00:33:37,380 --> 00:33:42,960

play out i don't know if that's open to

812

00:33:39,690 --> 00:33:46,410

the public or not because if it isn't

813  
00:33:42,960 --> 00:33:47,910  
keeping the day off well if Meryl dories

814  
00:33:46,410 --> 00:33:51,090  
intention was to get her name in the

815  
00:33:47,910 --> 00:33:53,009  
paper she's done that in spades yeah she

816  
00:33:51,089 --> 00:33:54,689  
has but uh I don't think she's very

817  
00:33:53,009 --> 00:33:56,430  
happy about that really good but

818  
00:33:54,690 --> 00:33:57,630  
actually I don't think she wishes he was

819  
00:33:56,430 --> 00:34:01,710  
looking for the kind of free publicity

820  
00:33:57,630 --> 00:34:03,450  
that you skeptical community can I say

821  
00:34:01,710 --> 00:34:04,740  
something and this is public now we

822  
00:34:03,450 --> 00:34:07,799  
weren't allowed to say anything for very

823  
00:34:04,740 --> 00:34:11,719  
long time but this story revealed that

824  
00:34:07,799 --> 00:34:11,719  
Tony McCaffrey is pregnant years

825  
00:34:13,568 --> 00:34:17,329  
fantastic news all right we'll get on

826  
00:34:16,010 --> 00:34:19,010  
some more stories in a moment cuz i

827

00:34:17,329 --> 00:34:20,778  
don't know may nod has just got some

828  
00:34:19,010 --> 00:34:23,359  
wonderful things for us but Media Watch

829  
00:34:20,778 --> 00:34:27,199  
trivia oh that sounds interesting we'll

830  
00:34:23,358 --> 00:34:28,848  
get to that in the meantime I know yeah

831  
00:34:27,199 --> 00:34:32,868  
we know your only hope it's funny

832  
00:34:28,849 --> 00:34:35,088  
speaking 111 in the meantime I've got a

833  
00:34:32,869 --> 00:34:39,108  
few interesting things to report about

834  
00:34:35,088 --> 00:34:42,230  
our girlfriends at power balance and

835  
00:34:39,108 --> 00:34:47,750  
some of us are wearing our wonderful new

836  
00:34:42,230 --> 00:34:49,639  
clear Masebo bears ooh and we're friends

837  
00:34:47,750 --> 00:34:51,500  
Anton Mesmer thanks for the adventure of

838  
00:34:49,639 --> 00:34:54,019  
mesmerism he's gonna peril by once

839  
00:34:51,500 --> 00:35:00,048  
banging on our balance man and the lucky

840  
00:34:54,018 --> 00:35:02,268  
it's not his wrist either now stop stop

841  
00:35:00,048 --> 00:35:08,420

playing with my sound effects app dr. a

842

00:35:02,268 --> 00:35:11,538

team now nicola j nicola j martin has

843

00:35:08,420 --> 00:35:14,480

actually done a study and a series of

844

00:35:11,539 --> 00:35:16,730

tests upon power balance oh yes and

845

00:35:14,480 --> 00:35:18,829

she's published us on the internet so

846

00:35:16,730 --> 00:35:22,068

the internet on to internets I suggest

847

00:35:18,829 --> 00:35:27,109

everybody is she a cat she probably is

848

00:35:22,068 --> 00:35:30,130

it detective oh I I suggest everybody go

849

00:35:27,108 --> 00:35:35,000

to the website HTTP colon slash slash

850

00:35:30,130 --> 00:35:38,778

opinion change dot wordpress com and you

851

00:35:35,000 --> 00:35:41,750

can read Nikki's wonderful report about

852

00:35:38,778 --> 00:35:44,599

her tests into power balance did their

853

00:35:41,750 --> 00:35:47,869

work well that's it you'll have to read

854

00:35:44,599 --> 00:35:51,318

the report to find out um when words I

855

00:35:47,869 --> 00:35:53,778

use it to hold my wallet closed that's a

856  
00:35:51,318 --> 00:35:56,108  
placebo vangie deal oh oh don't be why

857  
00:35:53,778 --> 00:35:56,108  
it works

858  
00:35:57,539 --> 00:36:02,679  
then I've got another email on a similar

859  
00:36:01,000 --> 00:36:05,170  
subject or the same subject sort of I

860  
00:36:02,679 --> 00:36:08,889  
guess he'd saved from Alyssa Goldberg

861  
00:36:05,170 --> 00:36:12,039  
all the way from New York I imagine

862  
00:36:08,889 --> 00:36:14,769  
she's in New York she writes I just

863  
00:36:12,039 --> 00:36:16,570  
finished their NYC marathon my first

864  
00:36:14,769 --> 00:36:18,489  
marathon and wanted to extend my thanks

865  
00:36:16,570 --> 00:36:25,690  
to your brilliant and entertaining

866  
00:36:18,489 --> 00:36:27,699  
podcast are good grief listening to the

867  
00:36:25,690 --> 00:36:29,950  
skeptic zone during embassy hours of

868  
00:36:27,699 --> 00:36:33,369  
training kept me going strong there are

869  
00:36:29,949 --> 00:36:35,109  
folks appreciates it now not only do I

870  
00:36:33,369 --> 00:36:37,179  
have a strong body but a strong mind as

871  
00:36:35,110 --> 00:36:39,519  
well I did want to point out that you

872  
00:36:37,179 --> 00:36:42,399  
are wrong about the power balance

873  
00:36:39,519 --> 00:36:44,949  
bracelet it did make me run faster and

874  
00:36:42,400 --> 00:36:47,559  
gave me more stamina when I saw that a

875  
00:36:44,949 --> 00:36:49,539  
fellow who was running alongside me for

876  
00:36:47,559 --> 00:36:53,489  
several miles was wearing one I pushed a

877  
00:36:49,539 --> 00:36:55,840  
little harder and pulled out ahead I

878  
00:36:53,489 --> 00:36:59,469  
wonder if that was because my energy

879  
00:36:55,840 --> 00:37:03,730  
field was being so harmonically isolated

880  
00:36:59,469 --> 00:37:05,799  
or just or just being in proximity or if

881  
00:37:03,730 --> 00:37:08,670  
it was simply my determination to beat

882  
00:37:05,800 --> 00:37:14,950  
that thanks again a psycho pack

883  
00:37:08,670 --> 00:37:17,409  
very good brilliant well dan Elissa what

884

00:37:14,949 --> 00:37:19,569  
an excellent what an excellent email

885  
00:37:17,409 --> 00:37:22,690  
that was now before I pass over the main

886  
00:37:19,570 --> 00:37:25,120  
add one more thing folks the petition

887  
00:37:22,690 --> 00:37:30,519  
against libel or for libel reform needs

888  
00:37:25,119 --> 00:37:33,159  
your help WWI ball reform org please

889  
00:37:30,519 --> 00:37:34,630  
sign that online petition have you seen

890  
00:37:33,159 --> 00:37:37,269  
the latest from the the libel reform

891  
00:37:34,630 --> 00:37:39,519  
thing today is this about the boob yes

892  
00:37:37,269 --> 00:37:41,110  
the boob thing ok this is the thing time

893  
00:37:39,519 --> 00:37:46,259  
we're going to talk boobs we do come on

894  
00:37:41,110 --> 00:37:49,690  
ah company called bro dial or rodial

895  
00:37:46,260 --> 00:37:51,820  
limited in the UK manufacturing cream or

896  
00:37:49,690 --> 00:37:54,400  
a gel or something they claim that this

897  
00:37:51,820 --> 00:37:57,100  
cream can can raise you a cup size or

898  
00:37:54,400 --> 00:37:58,720

half a cup size i think this i'm a the

899

00:37:57,099 --> 00:38:00,460

daily mail's can ask the opinion of a

900

00:37:58,719 --> 00:38:02,409

doctor and the doctor said it's very

901

00:38:00,460 --> 00:38:04,150

unlikely this will work as it yet doctor

902

00:38:02,409 --> 00:38:05,649

would ya and now instead of producing

903

00:38:04,150 --> 00:38:07,559

some evidence that it works road i'll

904

00:38:05,650 --> 00:38:09,930

have sued for libel

905

00:38:07,559 --> 00:38:11,400

so of course I've done exactly the same

906

00:38:09,929 --> 00:38:13,588

thing on my blog a few other bloggers

907

00:38:11,400 --> 00:38:16,079

have done the same on their blog this is

908

00:38:13,588 --> 00:38:18,478

the Streisand effect goes well done and

909

00:38:16,079 --> 00:38:23,670

now it's on the skeptic zone so boobs to

910

00:38:18,478 --> 00:38:25,139

you may not be well labu I'm at one of

911

00:38:23,670 --> 00:38:26,909

the big distractions old now wouldn't

912

00:38:25,139 --> 00:38:28,708

say even so distractions I want the big

913  
00:38:26,909 --> 00:38:30,719  
issues of the week media wise in

914  
00:38:28,708 --> 00:38:32,639  
Australia's being the the lesbian

915  
00:38:30,719 --> 00:38:35,188  
schoolgirl couple in Melbourne that

916  
00:38:32,639 --> 00:38:37,348  
wanted to go to the year 11 formal 116

917  
00:38:35,188 --> 00:38:39,449  
115 and the school wouldn't let them go

918  
00:38:37,349 --> 00:38:41,369  
as a couple and I'm completely on this

919  
00:38:39,449 --> 00:38:42,959  
side I think it's a I think you know or

920  
00:38:41,369 --> 00:38:45,838  
power to them further sticking it to the

921  
00:38:42,958 --> 00:38:47,308  
school but the issue that I would like

922  
00:38:45,838 --> 00:38:48,719  
just people to think I'm go to a mind

923  
00:38:47,309 --> 00:38:50,699  
game here do you think the issue would

924  
00:38:48,719 --> 00:38:54,599  
get as much attention if it had been to

925  
00:38:50,699 --> 00:38:56,880  
16 year old boys I can probably get more

926  
00:38:54,599 --> 00:38:58,259  
than maybe try to say more attention but

927

00:38:56,880 --> 00:39:00,298

a lot more negative attention most

928

00:38:58,259 --> 00:39:02,130

likely yeah do you think you do have the

929

00:39:00,298 --> 00:39:03,809

hands of them wander around in the park

930

00:39:02,130 --> 00:39:05,278

holding hands and that's the cattle a

931

00:39:03,809 --> 00:39:06,989

shops and that sort of thing I think if

932

00:39:05,278 --> 00:39:09,329

you think I mean if there were boys that

933

00:39:06,989 --> 00:39:10,978

probably be bashed by somebody yeah yeah

934

00:39:09,329 --> 00:39:13,019

this'll mean I think it would take a

935

00:39:10,978 --> 00:39:14,578

different turn and I agree with their

936

00:39:13,018 --> 00:39:16,379

own involved here I think the issues I

937

00:39:14,579 --> 00:39:18,298

think I should take it simple just

938

00:39:16,380 --> 00:39:20,130

relating this point yeah I'm and that's

939

00:39:18,298 --> 00:39:22,588

what I thought if it was to 16 year old

940

00:39:20,130 --> 00:39:24,809

guys would it sure would write a mention

941

00:39:22,588 --> 00:39:26,608  
but would it get the hype that you would

942  
00:39:24,809 --> 00:39:28,109  
be able to hood that's a cool and also

943  
00:39:26,608 --> 00:39:30,268  
I'm just wondering if you're the parent

944  
00:39:28,108 --> 00:39:32,578  
of 15 16 year-old girl would you want

945  
00:39:30,268 --> 00:39:34,498  
her to be the the post person for her

946  
00:39:32,579 --> 00:39:36,390  
sexuality at that age well their hands

947  
00:39:34,498 --> 00:39:38,608  
were very supportive and both both both

948  
00:39:36,389 --> 00:39:40,139  
girls variants yeah well good job my

949  
00:39:38,608 --> 00:39:42,509  
parents the father has been on Twitter

950  
00:39:40,139 --> 00:39:44,278  
talking bad as well they talked about as

951  
00:39:42,509 --> 00:39:45,838  
a family quite a bit and I decided that

952  
00:39:44,278 --> 00:39:47,248  
yes the entire family will go forwards

953  
00:39:45,838 --> 00:39:49,619  
like this so it is something that they

954  
00:39:47,248 --> 00:39:51,598  
did really cover very thoroughly before

955  
00:39:49,619 --> 00:39:53,429

this happens well that that's good and

956

00:39:51,599 --> 00:39:55,109

also there's mediation with the school

957

00:39:53,429 --> 00:39:57,179

that took place about two months ago and

958

00:39:55,108 --> 00:39:59,130

the parents and fam ago two months ago

959

00:39:57,179 --> 00:40:00,959

yeah I thought the story is really free

960

00:39:59,130 --> 00:40:03,119

will hear the stories really fresh wood

961

00:40:00,958 --> 00:40:04,348

to do with the formal but the issue that

962

00:40:03,119 --> 00:40:06,119

was discussed with the school and the

963

00:40:04,349 --> 00:40:07,559

parents about two months ago in and they

964

00:40:06,119 --> 00:40:09,838

weren't happy with that in both girls up

965

00:40:07,559 --> 00:40:10,619

since changed school so I'm just

966

00:40:09,838 --> 00:40:12,989

wondering if there's other issues

967

00:40:10,619 --> 00:40:14,849

involved here again I'm supportive the

968

00:40:12,989 --> 00:40:16,349

issue at hand here and I'm you know

969

00:40:14,849 --> 00:40:18,340

again it's just it's just interesting

970  
00:40:16,349 --> 00:40:19,750  
that there's other details have come out

971  
00:40:18,340 --> 00:40:21,730  
completely on their on their side here

972  
00:40:19,750 --> 00:40:25,690  
the way the parents explained it was

973  
00:40:21,730 --> 00:40:27,369  
that the girls moved one girl moves the

974  
00:40:25,690 --> 00:40:31,240  
older one moon school because she felt

975  
00:40:27,369 --> 00:40:33,339  
that she was being almost persecuted at

976  
00:40:31,239 --> 00:40:34,750  
the school for that and the other girl

977  
00:40:33,340 --> 00:40:37,269  
moved because she wanted to be with her

978  
00:40:34,750 --> 00:40:38,469  
girlfriend well I just I just want to

979  
00:40:37,269 --> 00:40:40,659  
say something with regards to what you

980  
00:40:38,469 --> 00:40:42,819  
asked about the parents allowing her to

981  
00:40:40,659 --> 00:40:44,259  
be a poster child for this as somebody

982  
00:40:42,820 --> 00:40:49,570  
who has a 15 year old so units very

983  
00:40:44,260 --> 00:40:51,670  
close they're not kids you know they

984  
00:40:49,570 --> 00:40:54,430  
have a mind of their own they and they

985  
00:40:51,670 --> 00:40:56,050  
have they have their own causes they

986  
00:40:54,429 --> 00:40:57,549  
have their own their own things that are

987  
00:40:56,050 --> 00:41:00,550  
important to them and I think as a

988  
00:40:57,550 --> 00:41:02,019  
parent you don't have to agree you don't

989  
00:41:00,550 --> 00:41:03,820  
have to even think that it's the right

990  
00:41:02,019 --> 00:41:06,929  
thing and it's your definitely your job

991  
00:41:03,820 --> 00:41:11,620  
to voice that opinion and explain and

992  
00:41:06,929 --> 00:41:14,109  
put your case forward to the child but I

993  
00:41:11,619 --> 00:41:16,420  
think at the age of 15 16 to suggest

994  
00:41:14,110 --> 00:41:17,590  
that you decide for them about what's

995  
00:41:16,420 --> 00:41:19,630  
important to them and whether they're

996  
00:41:17,590 --> 00:41:21,430  
going to do something like this it's a

997  
00:41:19,630 --> 00:41:23,050  
lost cause anyway so if they said to

998

00:41:21,429 --> 00:41:25,869  
somebody like that who's strong minded

999  
00:41:23,050 --> 00:41:27,700  
about it let's assume the object to it

1000  
00:41:25,869 --> 00:41:29,079  
okay and they said it to her she'd

1001  
00:41:27,699 --> 00:41:32,079  
probably just go and do it anyway so I

1002  
00:41:29,079 --> 00:41:34,299  
think much better approach is you do

1003  
00:41:32,079 --> 00:41:35,860  
internally within the family you do your

1004  
00:41:34,300 --> 00:41:37,630  
own discussions and you decide what to

1005  
00:41:35,860 --> 00:41:39,280  
do and then you go ahead and do whatever

1006  
00:41:37,630 --> 00:41:41,619  
the child decides you support the child

1007  
00:41:39,280 --> 00:41:43,870  
and whatever the recital the other

1008  
00:41:41,619 --> 00:41:45,819  
reason I mentioned the the age net I was

1009  
00:41:43,869 --> 00:41:48,400  
just looking at in an earlier age when

1010  
00:41:45,820 --> 00:41:50,050  
we perhaps were that age to to bring

1011  
00:41:48,400 --> 00:41:51,250  
that sort of issue up there wouldn't

1012  
00:41:50,050 --> 00:41:53,920

have happened it wouldn't have happened

1013

00:41:51,250 --> 00:41:55,570

it wouldn't have even happened because

1014

00:41:53,920 --> 00:41:56,740

you wouldn't want national press to that

1015

00:41:55,570 --> 00:41:58,269

kind of thing and I just think it's

1016

00:41:56,739 --> 00:41:59,949

interesting the way things have moved on

1017

00:41:58,269 --> 00:42:06,369

yeah but it's you know what's 15 years

1018

00:41:59,949 --> 00:42:11,739

since we were that age Rachel speak for

1019

00:42:06,369 --> 00:42:14,019

yourself and and look on oh and best

1020

00:42:11,739 --> 00:42:18,369

headline of the week yes Dick Van Dyke

1021

00:42:14,019 --> 00:42:20,289

saved by porpoises yeah that's right

1022

00:42:18,369 --> 00:42:22,150

that's right sure this is why we have

1023

00:42:20,289 --> 00:42:23,980

main our folks comes along with these

1024

00:42:22,150 --> 00:42:25,990

amazing stories I say it lesbian

1025

00:42:23,980 --> 00:42:28,139

schoolgirls refused from formal everyone

1026

00:42:25,989 --> 00:42:30,289

goes year may not know go then dick

1027  
00:42:28,139 --> 00:42:32,879  
dioxide by porpoises they go you here oh

1028  
00:42:30,289 --> 00:42:34,739  
well its actual headline he was swimming

1029  
00:42:32,880 --> 00:42:36,720  
once and he was like not doing well

1030  
00:42:34,739 --> 00:42:38,189  
factual purposes apparently well I don't

1031  
00:42:36,719 --> 00:42:40,799  
know they had a thing for dick van dyke

1032  
00:42:38,190 --> 00:42:42,869  
anyway but he was swimming he wasn't

1033  
00:42:40,800 --> 00:42:47,070  
doing too well and the porpoises saved

1034  
00:42:42,869 --> 00:42:49,679  
his life good how Kevin discipline um I

1035  
00:42:47,070 --> 00:42:52,440  
don't know what that I think they had

1036  
00:42:49,679 --> 00:42:54,960  
some sort I had a life vest on them but

1037  
00:42:52,440 --> 00:42:59,639  
the other ones that have lasers strapped

1038  
00:42:54,960 --> 00:43:01,829  
to them shucks the ones that after

1039  
00:42:59,639 --> 00:43:03,359  
Hurricane Katrina karl Pilkington talks

1040  
00:43:01,829 --> 00:43:05,489  
about this oh there were all these

1041  
00:43:03,360 --> 00:43:09,000  
dolphins have got washed away black no

1042  
00:43:05,489 --> 00:43:10,589  
pain okay container I found in another's

1043  
00:43:09,000 --> 00:43:12,449  
waiting for dr. Reggie stop laughing cuz

1044  
00:43:10,590 --> 00:43:16,440  
as anyone listen to the podcast know her

1045  
00:43:12,449 --> 00:43:17,969  
laugh cuts through like you're not there

1046  
00:43:16,440 --> 00:43:21,119  
people listen to other podcasts that he

1047  
00:43:17,969 --> 00:43:22,319  
heard in the big city oh you've got to

1048  
00:43:21,119 --> 00:43:24,690  
get your pop culture reference right

1049  
00:43:22,320 --> 00:43:26,460  
because as well know dr. evil could not

1050  
00:43:24,690 --> 00:43:33,990  
get the Sharks he wanted and had to

1051  
00:43:26,460 --> 00:43:36,119  
settle for angry sea bass now now I'll

1052  
00:43:33,989 --> 00:43:37,919  
just mention that coming up of course

1053  
00:43:36,119 --> 00:43:40,739  
the skeptic zone are doing a live show

1054  
00:43:37,920 --> 00:43:42,360  
at tam Australia alive skeptic zone the

1055

00:43:40,739 --> 00:43:44,909  
first time the whole crew will be

1056  
00:43:42,360 --> 00:43:47,220  
together we never bring those green lung

1057  
00:43:44,909 --> 00:43:49,829  
bring Nam says dr. H E and our special

1058  
00:43:47,219 --> 00:43:52,109  
guest on the panel will be none other

1059  
00:43:49,829 --> 00:43:55,199  
than dr. Pamela gay was so excited to

1060  
00:43:52,110 --> 00:43:57,150  
have good friend dr. Pamela gay not only

1061  
00:43:55,199 --> 00:43:59,609  
being part of Tim Australia but being on

1062  
00:43:57,150 --> 00:44:02,820  
the stage with us for the skeptic zone

1063  
00:43:59,610 --> 00:44:04,470  
now Pamela has kindly agreed to come all

1064  
00:44:02,820 --> 00:44:06,660  
the way to Australia to be part of town

1065  
00:44:04,469 --> 00:44:09,569  
Australia because unfortunately DJ

1066  
00:44:06,659 --> 00:44:12,239  
Grothe couldn't make it in the end due

1067  
00:44:09,570 --> 00:44:13,559  
to other commitments all the best DJ but

1068  
00:44:12,239 --> 00:44:15,959  
we are delighted to have family guy

1069  
00:44:13,559 --> 00:44:17,789

absolutely we must certainly are we are

1070

00:44:15,960 --> 00:44:22,079

really excited about having Pamela gay

1071

00:44:17,789 --> 00:44:23,789

come along and also very exciting for

1072

00:44:22,079 --> 00:44:25,799

those people who maybe didn't get

1073

00:44:23,789 --> 00:44:27,960

tickets to Tam Australia and those who

1074

00:44:25,800 --> 00:44:30,570

did everybody is welcome to come along

1075

00:44:27,960 --> 00:44:33,420

to the Guinness Book World Record

1076

00:44:30,570 --> 00:44:36,390

attempt at the largest ever magic lesson

1077

00:44:33,420 --> 00:44:38,940

conducted by dr. Carl dr. Carl

1078

00:44:36,389 --> 00:44:40,440

korzeniewski and myself if you want to

1079

00:44:38,940 --> 00:44:41,170

come along to that and be part of the

1080

00:44:40,440 --> 00:44:42,400

the crowd

1081

00:44:41,170 --> 00:44:45,309

it's free and that's happening on the

1082

00:44:42,400 --> 00:44:47,920

very first morning of town you have to

1083

00:44:45,309 --> 00:44:49,900

be at the masonic center at about

1084  
00:44:47,920 --> 00:44:51,608  
quarter to eight eight o'clock come

1085  
00:44:49,900 --> 00:44:57,068  
along but you can register for that by

1086  
00:44:51,608 --> 00:45:04,150  
going to meetup com and then going to

1087  
00:44:57,068 --> 00:45:07,150  
the cam Australia is that it meetup.com

1088  
00:45:04,150 --> 00:45:09,190  
/ town australia meetup.com / tam

1089  
00:45:07,150 --> 00:45:11,380  
australia or the Sydney skeptics on

1090  
00:45:09,190 --> 00:45:13,659  
meetup look just Google those will go to

1091  
00:45:11,380 --> 00:45:15,548  
meet up and look for in this world

1092  
00:45:13,659 --> 00:45:17,618  
record attempt with dr. Carl and Richard

1093  
00:45:15,548 --> 00:45:19,269  
Saunders hope to see you there it will

1094  
00:45:17,619 --> 00:45:21,190  
be fantastic i hope to see you there may

1095  
00:45:19,269 --> 00:45:22,568  
not look I'm going to be in the media

1096  
00:45:21,190 --> 00:45:24,730  
room and I'll be looking forward to

1097  
00:45:22,568 --> 00:45:27,159  
maybe talking to Randy and you know okay

1098  
00:45:24,730 --> 00:45:29,619  
this I because after linking onion I a

1099  
00:45:27,159 --> 00:45:30,699  
drinks what now leaning out with

1100  
00:45:29,619 --> 00:45:33,519  
celebrities well I've already

1101  
00:45:30,699 --> 00:45:35,500  
pre-ordered bottle bottle shops within a

1102  
00:45:33,519 --> 00:45:41,170  
mile of the area of being alerted the

1103  
00:45:35,500 --> 00:45:43,179  
presence of Dunning or as he's known by

1104  
00:45:41,170 --> 00:45:45,099  
various people Hoover Hoover darling

1105  
00:45:43,179 --> 00:45:46,929  
what will be there you'll be carrying on

1106  
00:45:45,099 --> 00:45:48,789  
he'll be doing some sort of skip toid

1107  
00:45:46,929 --> 00:45:50,078  
thing and I i I'm throwing out the

1108  
00:45:48,789 --> 00:45:53,108  
challenge that he should do a skip tied

1109  
00:45:50,079 --> 00:45:55,210  
on Kegel exercises he said he will not

1110  
00:45:53,108 --> 00:45:57,098  
he will not do it but I'm throwing out

1111  
00:45:55,210 --> 00:46:01,510  
that he should do a live show on Kegel

1112

00:45:57,099 --> 00:46:04,690  
exercises can whoop demonstrations good

1113  
00:46:01,510 --> 00:46:06,910  
good heavens may not good heavens now

1114  
00:46:04,690 --> 00:46:10,838  
and one more quick mention for me that

1115  
00:46:06,909 --> 00:46:13,210  
our fellow skeptic zone member who will

1116  
00:46:10,838 --> 00:46:14,558  
be on stage with us iCarly sturgis's

1117  
00:46:13,210 --> 00:46:16,838  
reminded me that she's very happy

1118  
00:46:14,559 --> 00:46:19,359  
because the Guardian have been plugging

1119  
00:46:16,838 --> 00:46:21,068  
a book that she's in about Australian

1120  
00:46:19,358 --> 00:46:22,750  
atheism for those people interested in

1121  
00:46:21,068 --> 00:46:24,639  
not it's right on innocent I've got a

1122  
00:46:22,750 --> 00:46:25,838  
copy it'll give her a copy yep i'm

1123  
00:46:24,639 --> 00:46:26,769  
trying to get so many views with some of

1124  
00:46:25,838 --> 00:46:28,269  
the people that are in it maybe I'll

1125  
00:46:26,769 --> 00:46:29,500  
even chapter call if you can actually

1126  
00:46:28,269 --> 00:46:30,818

she'll be there you can have a chat to

1127

00:46:29,500 --> 00:46:32,500

hook it's not my normal kind of book

1128

00:46:30,818 --> 00:46:35,170

it's thick

1129

00:46:32,500 --> 00:46:37,119

haha he is giving us a funny look

1130

00:46:35,170 --> 00:46:38,380

Christine's and I think did the forward

1131

00:46:37,119 --> 00:46:40,809

for that will be speaking at the

1132

00:46:38,380 --> 00:46:42,910

skeptics open mic night Oh on the

1133

00:46:40,809 --> 00:46:44,590

twenty-fifth if you couldn't get into

1134

00:46:42,909 --> 00:46:46,539

the skeptics in the pub special edition

1135

00:46:44,590 --> 00:46:48,039

on the phone fifth then the skeptics

1136

00:46:46,539 --> 00:46:50,440

open mic night happens that night at

1137

00:46:48,039 --> 00:46:52,420

peabody hotel look up look that up on me

1138

00:46:50,440 --> 00:46:55,000

down on the meetup com / time australia

1139

00:46:52,420 --> 00:46:57,400

site and kristinsson he was in that book

1140

00:46:55,000 --> 00:46:58,719

will be there doing i think the first

1141  
00:46:57,400 --> 00:47:00,130  
speech she sent it to me today just

1142  
00:46:58,719 --> 00:47:01,659  
check that oh that's exciting other

1143  
00:47:00,130 --> 00:47:03,820  
people who were in the book will be at

1144  
00:47:01,659 --> 00:47:05,469  
ann warren bernie who is the editor of

1145  
00:47:03,820 --> 00:47:08,800  
the book right right of course you will

1146  
00:47:05,469 --> 00:47:10,059  
be there with his shop the heat because

1147  
00:47:08,800 --> 00:47:11,830  
i get books are the official or

1148  
00:47:10,059 --> 00:47:14,349  
something yes yeah and wasn't Peter

1149  
00:47:11,829 --> 00:47:17,469  
elephant in the book as well I'm not

1150  
00:47:14,349 --> 00:47:19,779  
that far the individuals I think you

1151  
00:47:17,469 --> 00:47:22,839  
know with no I am I I've got a better

1152  
00:47:19,780 --> 00:47:25,450  
it's a and people can find out more by

1153  
00:47:22,840 --> 00:47:29,590  
going or googling our guardian atheism

1154  
00:47:25,449 --> 00:47:31,480  
Martin Robbins and dr. AG and could

1155  
00:47:29,590 --> 00:47:33,910  
Carly please she reckons she's got a

1156  
00:47:31,480 --> 00:47:35,019  
type of me interviewing off at a blank

1157  
00:47:33,909 --> 00:47:37,719  
the road hitchhikers guide to the

1158  
00:47:35,019 --> 00:47:40,480  
galaxy.the half out any of you i did

1159  
00:47:37,719 --> 00:47:42,159  
with douglas adams she has it and i

1160  
00:47:40,480 --> 00:47:43,510  
don't think i have so Carly get that to

1161  
00:47:42,159 --> 00:47:45,730  
me cuz I'd like to put that all up

1162  
00:47:43,510 --> 00:47:47,170  
online and Kylie will certainly be

1163  
00:47:45,730 --> 00:47:48,969  
available at tam Australia if any

1164  
00:47:47,170 --> 00:47:52,360  
podcasters out there want to have a chat

1165  
00:47:48,969 --> 00:47:54,429  
with her now we had an interesting time

1166  
00:47:52,360 --> 00:47:55,630  
just recently Iran you and I on some

1167  
00:47:54,429 --> 00:47:58,089  
other members from the Australian

1168  
00:47:55,630 --> 00:48:00,430  
skeptics where we actually had somebody

1169

00:47:58,090 --> 00:48:04,000  
apply and come up for a challenge for

1170  
00:48:00,429 --> 00:48:06,489  
our \$100,000 prize sadly get out we did

1171  
00:48:04,000 --> 00:48:08,800  
he took a long time a long time why to

1172  
00:48:06,489 --> 00:48:10,389  
briefly describe what it was actually a

1173  
00:48:08,800 --> 00:48:12,310  
very long process because we got a

1174  
00:48:10,389 --> 00:48:15,069  
letter from a lawyer in january of this

1175  
00:48:12,309 --> 00:48:16,690  
year that's never a good desire so this

1176  
00:48:15,070 --> 00:48:19,630  
guy was very suspicious that we were not

1177  
00:48:16,690 --> 00:48:21,639  
going to be acting in good faith but we

1178  
00:48:19,630 --> 00:48:23,289  
have shown good faith we've met the guy

1179  
00:48:21,639 --> 00:48:25,179  
with the lawyer then eventually been

1180  
00:48:23,289 --> 00:48:28,360  
eventually without the lawyer we put a

1181  
00:48:25,179 --> 00:48:30,849  
protocol together whereby he sends

1182  
00:48:28,360 --> 00:48:35,289  
information we worked out the type of

1183  
00:48:30,849 --> 00:48:38,380

information its words and numbers with a

1184

00:48:35,289 --> 00:48:40,539

chance of one in a one in a million of

1185

00:48:38,380 --> 00:48:42,430

success by probability of 1 million of

1186

00:48:40,539 --> 00:48:43,630

success by chance yeah he sends that

1187

00:48:42,429 --> 00:48:47,319

information you've used that information

1188

00:48:43,630 --> 00:48:49,660

on a sheet of paper and then sends it to

1189

00:48:47,320 --> 00:48:51,250

a collaborator in New York City from

1190

00:48:49,659 --> 00:48:53,500

Sydney to New York from Sydney to New

1191

00:48:51,250 --> 00:48:55,150

York now he doesn't use the telephone

1192

00:48:53,500 --> 00:48:57,039

doesn't use the telephone doesn't use a

1193

00:48:55,150 --> 00:48:58,539

hit the way you described here to do if

1194

00:48:57,039 --> 00:49:01,869

you can do that over the internet now

1195

00:48:58,539 --> 00:49:04,329

yeah well here he refused he refused to

1196

00:49:01,869 --> 00:49:06,369

describe it as psychic what he called it

1197

00:49:04,329 --> 00:49:09,429

the ability for the idea was that he was

1198  
00:49:06,369 --> 00:49:12,969  
bi means not known to science in case oh

1199  
00:49:09,429 --> 00:49:14,710  
so that was that was the idea now it was

1200  
00:49:12,969 --> 00:49:18,250  
a lot of a lot of preparation you know

1201  
00:49:14,710 --> 00:49:20,460  
we had we found a we got help from New

1202  
00:49:18,250 --> 00:49:23,050  
York skeptics Lissa and Jake who

1203  
00:49:20,460 --> 00:49:26,740  
provided support there by finding a

1204  
00:49:23,050 --> 00:49:29,440  
venue and by waiting for the team in New

1205  
00:49:26,739 --> 00:49:32,679  
York the person the receiver the

1206  
00:49:29,440 --> 00:49:37,720  
receivers and her lawyer and we met at

1207  
00:49:32,679 --> 00:49:39,429  
7am on a sydney morning in the city

1208  
00:49:37,719 --> 00:49:43,619  
nursery coordinate to meet the

1209  
00:49:39,429 --> 00:49:46,809  
Challenger and went to an office and

1210  
00:49:43,619 --> 00:49:49,809  
I'll took at a fairly long story short

1211  
00:49:46,809 --> 00:49:52,179  
the New York's I didn't show up yeah so

1212  
00:49:49,809 --> 00:49:53,380  
our skeptics awaiting on da corner they

1213  
00:49:52,179 --> 00:49:56,349  
were waiting in street corner for an

1214  
00:49:53,380 --> 00:49:57,640  
hour it was it's a bit cold in New York

1215  
00:49:56,349 --> 00:50:00,190  
this time of the year and they were

1216  
00:49:57,639 --> 00:50:06,460  
waiting for an hour and people just

1217  
00:50:00,190 --> 00:50:09,880  
didn't show us I'm so film morning ok

1218  
00:50:06,460 --> 00:50:11,829  
well the god initially they were stuck

1219  
00:50:09,880 --> 00:50:13,300  
in traffic and there were all kinds of

1220  
00:50:11,829 --> 00:50:14,949  
things like that like all kinds of

1221  
00:50:13,300 --> 00:50:16,480  
messages coming through my wife owned by

1222  
00:50:14,949 --> 00:50:18,819  
the way so we're told and then

1223  
00:50:16,480 --> 00:50:21,820  
eventually it turned out that they were

1224  
00:50:18,820 --> 00:50:24,340  
stuck in the lift now this is the

1225  
00:50:21,820 --> 00:50:26,080  
personal lives weren't working something

1226

00:50:24,340 --> 00:50:27,970  
like that no there was stuck in a lift

1227  
00:50:26,079 --> 00:50:30,340  
so it's definitely a year now this is

1228  
00:50:27,969 --> 00:50:32,859  
that what makes it a little bit more we

1229  
00:50:30,340 --> 00:50:35,170  
weirdo turns it into a bit we're a bit

1230  
00:50:32,860 --> 00:50:39,039  
of a weird story is that according to

1231  
00:50:35,170 --> 00:50:41,740  
that our challenger his collaborator and

1232  
00:50:39,039 --> 00:50:44,789  
her lawyer do not possess mobile phones

1233  
00:50:41,739 --> 00:50:47,219  
so this is this is a

1234  
00:50:44,789 --> 00:50:50,150  
there is a lawyer in New York who does

1235  
00:50:47,219 --> 00:50:51,899  
not have a mobile phone that is already

1236  
00:50:50,150 --> 00:50:54,809  
making you know that's already

1237  
00:50:51,900 --> 00:50:57,000  
suspicious but so the whole the whole

1238  
00:50:54,809 --> 00:50:59,940  
thing we actually have some suspicions

1239  
00:50:57,000 --> 00:51:03,119  
about the existence of the New York side

1240  
00:50:59,940 --> 00:51:04,260

of the whole story I believe I wasn't

1241  
00:51:03,119 --> 00:51:07,109  
present for this but i believe that

1242  
00:51:04,260 --> 00:51:09,840  
whenever the Challenger contacted the

1243  
00:51:07,110 --> 00:51:11,400  
New York side he used a mobile phone but

1244  
00:51:09,840 --> 00:51:13,410  
he didn't do it in the room so you

1245  
00:51:11,400 --> 00:51:14,910  
couldn't hear him that's right speaking

1246  
00:51:13,409 --> 00:51:17,219  
to the people well we don't know whether

1247  
00:51:14,909 --> 00:51:18,690  
he spoke to them well I actually asked

1248  
00:51:17,219 --> 00:51:20,309  
him at a certain point because when the

1249  
00:51:18,690 --> 00:51:23,639  
wood didn't show up asked him do they

1250  
00:51:20,309 --> 00:51:25,199  
know the address and he said yes okay

1251  
00:51:23,639 --> 00:51:27,659  
tell me what address you told him he

1252  
00:51:25,199 --> 00:51:29,689  
told me was the right address I said how

1253  
00:51:27,659 --> 00:51:32,940  
did you convey the address to them

1254  
00:51:29,690 --> 00:51:35,519  
telepathic well no you know if used to

1255  
00:51:32,940 --> 00:51:37,650  
answer I said look this is not about the

1256  
00:51:35,519 --> 00:51:39,539  
test now I want to know that we're not

1257  
00:51:37,650 --> 00:51:41,250  
just sitting here wasting our time did

1258  
00:51:39,539 --> 00:51:43,139  
you convey the message is the message to

1259  
00:51:41,250 --> 00:51:45,360  
them the rest of them in some kind of

1260  
00:51:43,139 --> 00:51:46,889  
way that we know not you're just you but

1261  
00:51:45,360 --> 00:51:49,260  
we can know that he's actually

1262  
00:51:46,889 --> 00:51:51,809  
legitimately been received by them and

1263  
00:51:49,260 --> 00:51:54,030  
he refused to answer that question so

1264  
00:51:51,809 --> 00:51:56,039  
that probably lens Alou is interesting

1265  
00:51:54,030 --> 00:51:58,050  
our we were in that office yeah putting

1266  
00:51:56,039 --> 00:52:01,050  
out thumbs right yes yes nice office

1267  
00:51:58,050 --> 00:52:02,760  
nice office good hbu so what's the

1268  
00:52:01,050 --> 00:52:04,740  
protocol mouthing because I understand

1269  
00:52:02,760 --> 00:52:06,480  
that with the jf if they test someone

1270  
00:52:04,739 --> 00:52:08,129  
pulling into a preliminary tests and

1271  
00:52:06,480 --> 00:52:10,079  
they fail and I don't know whether you

1272  
00:52:08,130 --> 00:52:11,910  
can call this failing or not then that

1273  
00:52:10,079 --> 00:52:14,159  
person has to wait 12 months to try

1274  
00:52:11,909 --> 00:52:16,049  
again do we have a protocol similar to

1275  
00:52:14,159 --> 00:52:17,849  
that I don't think we have enough fun no

1276  
00:52:16,050 --> 00:52:21,600  
we don't have a formal one but he sent a

1277  
00:52:17,849 --> 00:52:24,179  
letter explaining it and basically asked

1278  
00:52:21,599 --> 00:52:27,869  
you to be just again but his explanation

1279  
00:52:24,179 --> 00:52:29,549  
was it was a bit short of an eight-pitch

1280  
00:52:27,869 --> 00:52:31,259  
a bit short of an apology i would say

1281  
00:52:29,550 --> 00:52:33,840  
i'm sure like a bit short in the sense

1282  
00:52:31,260 --> 00:52:35,790  
that it was not an apology no it was

1283

00:52:33,840 --> 00:52:37,800  
like there's not a word of regret there

1284  
00:52:35,789 --> 00:52:40,289  
or sorry about wasting your time and all

1285  
00:52:37,800 --> 00:52:42,150  
that he was not only out time that how

1286  
00:52:40,289 --> 00:52:44,460  
many uses that either this in sydney in

1287  
00:52:42,150 --> 00:52:46,650  
two in New York yes yeah yeah and we

1288  
00:52:44,460 --> 00:52:48,269  
spend quite a bit of not a huge amount

1289  
00:52:46,650 --> 00:52:50,519  
of money but you know quite a bit of

1290  
00:52:48,269 --> 00:52:51,960  
money on edge and time and and the all

1291  
00:52:50,519 --> 00:52:56,130  
the efforts around putting things

1292  
00:52:51,960 --> 00:52:58,190  
together it was just really a bit a bit

1293  
00:52:56,130 --> 00:52:59,930  
of of the mark

1294  
00:52:58,190 --> 00:53:01,429  
his letter so I I don't think will test

1295  
00:52:59,929 --> 00:53:03,019  
him again but we'll see we'll see but

1296  
00:53:01,429 --> 00:53:04,699  
he's also spent a fair bit of money

1297  
00:53:03,019 --> 00:53:06,289

hasn't he because he's a hired lawyers

1298

00:53:04,699 --> 00:53:08,299  
in the process of setting up the

1299

00:53:06,289 --> 00:53:10,699  
protocol and which is why we tend to

1300

00:53:08,300 --> 00:53:13,190  
believe that he genuinely believes his

1301

00:53:10,699 --> 00:53:14,599  
lawyer said he does have a mobile a very

1302

00:53:13,190 --> 00:53:17,630  
York that doesn't have a very

1303

00:53:14,599 --> 00:53:19,099  
interesting story indeed what was

1304

00:53:17,630 --> 00:53:21,470  
interesting being in Sydney and if you

1305

00:53:19,099 --> 00:53:23,389  
want to read about the point of view of

1306

00:53:21,469 --> 00:53:27,079  
our friends in New York you can go to

1307

00:53:23,389 --> 00:53:29,629  
Gotham skeptic dot org and read their

1308

00:53:27,079 --> 00:53:31,579  
blog from those poor people freezing on

1309

00:53:29,630 --> 00:53:34,160  
the corner in New York now we're going

1310

00:53:31,579 --> 00:53:36,860  
to buy the magic of the Internet's be

1311

00:53:34,159 --> 00:53:38,449  
transported to maynard's corner that may

1312  
00:53:36,860 --> 00:53:40,400  
not podcasting corner and just on a

1313  
00:53:38,449 --> 00:53:41,960  
conspiracy sidekick there what about

1314  
00:53:40,400 --> 00:53:44,329  
that journalists from the village voice

1315  
00:53:41,960 --> 00:53:47,360  
that was kidnapped by vampires and maybe

1316  
00:53:44,329 --> 00:53:49,429  
dead oh oh oh shoot his story on that on

1317  
00:53:47,360 --> 00:53:51,410  
vampires in the 90s and disappeared and

1318  
00:53:49,429 --> 00:53:53,329  
some people say she was bumped off by

1319  
00:53:51,409 --> 00:53:55,190  
the Russian mob some people say she

1320  
00:53:53,329 --> 00:53:58,699  
committed suicide but I say vampires

1321  
00:53:55,190 --> 00:54:00,559  
took and ate Harold well I don't know i

1322  
00:53:58,699 --> 00:54:04,429  
mean really do I really have to give a

1323  
00:54:00,559 --> 00:54:06,829  
reason tell me let's look at this

1324  
00:54:04,429 --> 00:54:09,079  
logically we got the shin she'd pissed

1325  
00:54:06,829 --> 00:54:10,759  
off the Russian mob some people think

1326  
00:54:09,079 --> 00:54:12,559  
she was a bit depressed but she

1327  
00:54:10,760 --> 00:54:14,780  
disappeared and she just recently done a

1328  
00:54:12,559 --> 00:54:15,860  
story on vampires so I feel kind of

1329  
00:54:14,780 --> 00:54:19,010  
vampires but that the traditional

1330  
00:54:15,860 --> 00:54:21,230  
vampires the button down there the New

1331  
00:54:19,010 --> 00:54:24,530  
York guys that want to look as good as

1332  
00:54:21,230 --> 00:54:26,570  
angel but aren't ah vampires yeah those

1333  
00:54:24,530 --> 00:54:28,340  
ones here and that was a scary scene

1334  
00:54:26,570 --> 00:54:32,110  
that's like a story someone told me the

1335  
00:54:28,340 --> 00:54:34,220  
other day may nod about how this guy

1336  
00:54:32,110 --> 00:54:36,740  
meditated himself to sleep on a plane

1337  
00:54:34,219 --> 00:54:38,359  
and that was amazing and I said yeah

1338  
00:54:36,739 --> 00:54:40,639  
that's amazing because every night I

1339  
00:54:38,360 --> 00:54:44,870  
meditate myself asleep I shut my eyes

1340

00:54:40,639 --> 00:54:47,299  
but I fall asleep but I take a six pack

1341  
00:54:44,869 --> 00:54:49,339  
some nights to get myself after 6 i'm

1342  
00:54:47,300 --> 00:54:53,330  
just i was looking through in let's see

1343  
00:54:49,340 --> 00:54:54,530  
ya i medicate myself to sleep and anyway

1344  
00:54:53,329 --> 00:54:56,239  
but back to what they were doing in

1345  
00:54:54,530 --> 00:54:58,220  
bernards podcasting corner here and a

1346  
00:54:56,239 --> 00:55:00,619  
big cheerio and a shout out to the it's

1347  
00:54:58,219 --> 00:55:02,569  
the eighth birthday radio nowhere in the

1348  
00:55:00,619 --> 00:55:04,519  
UK they've been doing independent music

1349  
00:55:02,570 --> 00:55:06,890  
and I've got to say a lot of hours but

1350  
00:55:04,519 --> 00:55:08,059  
if you listen to podcast check out all

1351  
00:55:06,889 --> 00:55:10,079  
their podcast I've got about eight

1352  
00:55:08,059 --> 00:55:12,960  
different ones and one of them is filmic

1353  
00:55:10,079 --> 00:55:15,420  
which i think is great for its all film

1354  
00:55:12,960 --> 00:55:17,010

music and film theme music from all over

1355

00:55:15,420 --> 00:55:19,019

the place and the christopher LED show

1356

00:55:17,010 --> 00:55:21,840

he's the most polite man in the universe

1357

00:55:19,019 --> 00:55:25,559

when he says ass it sounds almost like a

1358

00:55:21,840 --> 00:55:28,680

nice word also big shout out to a fellow

1359

00:55:25,559 --> 00:55:31,259

skeptical and atheist friends in the US

1360

00:55:28,679 --> 00:55:33,899

the girls that look at his butt now that

1361

00:55:31,260 --> 00:55:36,510

is the all about William Shatner William

1362

00:55:33,900 --> 00:55:37,769

shout that and sex toys and girls I want

1363

00:55:36,510 --> 00:55:39,180

you to do something on the fleshlight

1364

00:55:37,769 --> 00:55:41,009

okay that's what i want you to assign

1365

00:55:39,179 --> 00:55:43,529

the question about william chapman well

1366

00:55:41,010 --> 00:55:45,540

i think we all do i think i was reading

1367

00:55:43,530 --> 00:55:47,130

a certain magazine i have that claimed

1368

00:55:45,539 --> 00:55:49,710

that william shatner sold one of his

1369  
00:55:47,130 --> 00:55:51,869  
kidney stones to an online casino for 35

1370  
00:55:49,710 --> 00:55:53,309  
thousand dollars can you get your

1371  
00:55:51,869 --> 00:55:55,469  
William Shatner friends to confirm more

1372  
00:55:53,309 --> 00:55:57,420  
than either okay look at these but girls

1373  
00:55:55,469 --> 00:56:00,179  
get in contact with us because we'd like

1374  
00:55:57,420 --> 00:56:01,710  
to know it's as they say he's a skill so

1375  
00:56:00,179 --> 00:56:02,940  
it doesn't surprise me that's the kind

1376  
00:56:01,710 --> 00:56:04,230  
of thing he would do but he might have

1377  
00:56:02,940 --> 00:56:06,059  
done it for charity there's a new series

1378  
00:56:04,230 --> 00:56:08,070  
coming on SBS with William Shatner about

1379  
00:56:06,059 --> 00:56:11,429  
the unknown and strange actually people

1380  
00:56:08,070 --> 00:56:13,350  
don't ya and also I've been doing some

1381  
00:56:11,429 --> 00:56:15,210  
work with you stream and they'll be the

1382  
00:56:13,349 --> 00:56:17,190  
mad club now has an official ustream

1383  
00:56:15,210 --> 00:56:19,619  
site so on set that night between ten

1384  
00:56:17,190 --> 00:56:22,170  
and ten thirty the mad struggle mad club

1385  
00:56:19,619 --> 00:56:24,119  
will be live on ustream you can find out

1386  
00:56:22,170 --> 00:56:27,090  
about that at the mad club facebook page

1387  
00:56:24,119 --> 00:56:29,819  
and one last thing our good friends

1388  
00:56:27,090 --> 00:56:31,829  
David Horan Steven and his friends Casey

1389  
00:56:29,820 --> 00:56:33,420  
the wonder dog yes I went did a great

1390  
00:56:31,829 --> 00:56:35,400  
story on them and it's up on the ABC

1391  
00:56:33,420 --> 00:56:37,800  
website it's called Casey the wonder dog

1392  
00:56:35,400 --> 00:56:40,230  
so look up Casey the wonder dog Maynard

1393  
00:56:37,800 --> 00:56:43,890  
on the ABC website or you could go to

1394  
00:56:40,230 --> 00:56:45,630  
the ABC net do you / Newcastle website k

1395  
00:56:43,889 --> 00:56:47,819  
see the wonder dog and you will hear see

1396  
00:56:45,630 --> 00:56:49,140  
photos of Casey actually aggressively

1397

00:56:47,820 --> 00:56:51,390  
playing with a ball and as a guide dog

1398  
00:56:49,139 --> 00:56:53,730  
you don't normally see their teeth beds

1399  
00:56:51,389 --> 00:56:55,679  
that's kind of cool and you'll also and

1400  
00:56:53,730 --> 00:56:57,690  
look I tried to still looking a bit it

1401  
00:56:55,679 --> 00:57:00,269  
was vision impaired so I kept trying to

1402  
00:56:57,690 --> 00:57:02,869  
steal vodka out of the freezer and the

1403  
00:57:00,269 --> 00:57:02,869  
dog bit me twice

1404  
00:57:03,599 --> 00:57:08,309  
I gotta say done kk seems pretty cool

1405  
00:57:06,269 --> 00:57:10,769  
she knows he's on the job there this is

1406  
00:57:08,309 --> 00:57:14,190  
you rescue any children from wells no

1407  
00:57:10,769 --> 00:57:19,699  
but she did go rule what's up Casey only

1408  
00:57:14,190 --> 00:57:22,079  
half a bottle Maenads into the absolute

1409  
00:57:19,699 --> 00:57:24,539  
so heavily that that's Casey the wonder

1410  
00:57:22,079 --> 00:57:26,309  
dog at ABC net that are you / newcastle

1411  
00:57:24,539 --> 00:57:28,409

have a look and have a listen and if you

1412

00:57:26,309 --> 00:57:30,299

like the story tell us if you don't like

1413

00:57:28,409 --> 00:57:34,769

the story as they say in australia up

1414

00:57:30,300 --> 00:57:42,000

your bum why don't want it interesting I

1415

00:57:34,769 --> 00:57:45,360

don't know what to say it starts as a

1416

00:57:42,000 --> 00:57:47,340

bit it's dr. H II some boys sound like

1417

00:57:45,360 --> 00:57:49,079

the audience full frequency I wanna know

1418

00:57:47,340 --> 00:57:51,000

right she's having too much fun of that

1419

00:57:49,079 --> 00:57:52,559

app folks while will let Rach you have a

1420

00:57:51,000 --> 00:57:54,000

lot of fun with that out with a final

1421

00:57:52,559 --> 00:57:55,889

word from me that if you're looking for

1422

00:57:54,000 --> 00:58:01,309

that Christmas present for that special

1423

00:57:55,889 --> 00:58:01,309

somebody then buy them a placebo band no

1424

00:58:01,880 --> 00:58:05,970

that's a musical that maybe get this is

1425

00:58:04,530 --> 00:58:08,780

this is one of these great rap tracks i

1426  
00:58:05,969 --> 00:58:08,779  
discovered during the week

1427  
00:58:10,429 --> 00:58:19,098  
Thank You Metta skeptic and bros dot-com

1428  
00:58:14,000 --> 00:58:21,050  
folks these three this tank is getting

1429  
00:58:19,099 --> 00:58:23,390  
out of control skeptic bros come for

1430  
00:58:21,050 --> 00:58:25,010  
your placebo band only two dollars get

1431  
00:58:23,389 --> 00:58:28,219  
them while they last I'd like to thank

1432  
00:58:25,010 --> 00:58:29,780  
everybody here burping dr. AG I just

1433  
00:58:28,219 --> 00:58:33,769  
don't mean to press that button thank

1434  
00:58:29,780 --> 00:58:35,450  
you thank you change thank you thank you

1435  
00:58:33,769 --> 00:58:36,858  
may not I didn't mean to press that

1436  
00:58:35,449 --> 00:58:39,199  
button I'm disappointed results that's

1437  
00:58:36,858 --> 00:58:42,679  
Maynard calm that are you tune in and

1438  
00:58:39,199 --> 00:58:45,799  
drop out i did hero of the week Jason to

1439  
00:58:42,679 --> 00:58:48,949  
his Richard www my colleagues radiance

1440  
00:58:45,800 --> 00:58:51,230  
calm handle rants again thank you to and

1441  
00:58:48,949 --> 00:58:53,439  
until next time cheers from the think

1442  
00:58:51,230 --> 00:58:53,440  
tank

1443  
00:59:25,429 --> 00:59:30,629  
thank you for listening to the skeptic

1444  
00:59:27,719 --> 00:59:32,039  
zone the next few episodes should be

1445  
00:59:30,630 --> 00:59:34,318  
interesting I think we've got some Tam

1446  
00:59:32,039 --> 00:59:36,690  
guests coming up pretty soon I might

1447  
00:59:34,318 --> 00:59:38,759  
grab an interview or two not sure what

1448  
00:59:36,690 --> 00:59:40,230  
the episode is going to be like when tam

1449  
00:59:38,760 --> 00:59:42,359  
itself is on I'll be running around

1450  
00:59:40,230 --> 00:59:43,858  
quite crazily doing lots of things but

1451  
00:59:42,358 --> 00:59:45,779  
i'll try to grab some interesting things

1452  
00:59:43,858 --> 00:59:47,759  
for you don't forget to keep wearing

1453  
00:59:45,780 --> 00:59:50,309  
those placebo bands three or four on

1454

00:59:47,760 --> 00:59:52,530  
your wrist gets comments and then you

1455  
00:59:50,309 --> 00:59:56,190  
can explain to people why you're wearing

1456  
00:59:52,530 --> 00:59:58,589  
them skeptic bros calm until next week's

1457  
00:59:56,190 --> 01:00:03,170  
episode this is Richard Saunders signing

1458  
00:59:58,588 --> 01:00:03,170  
off from hot and steamy Sydney Australia

1459  
01:00:03,858 --> 01:00:10,259  
you've been listening to the skeptic

1460  
01:00:06,269 --> 01:00:14,068  
zone visit our website at wwc a petting

1461  
01:00:10,260 --> 01:00:17,030  
zoo TV for comments contacts and extra

1462  
01:00:14,068 --> 01:00:17,029  
video reports

1463  
01:00:17,280 --> 01:00:20,280  
skin

1464  
01:00:35,369 --> 01:00:37,430  
you
