

1
00:00:25,149 --> 00:00:30,168
hello from Sydney Australia Richard

2
00:00:28,429 --> 00:00:33,229
Saunders here with you once again for

3
00:00:30,169 --> 00:00:38,329
the skeptics own podcast show number 12

4
00:00:33,229 --> 00:00:40,369
for the ninth of January 2009 a special

5
00:00:38,329 --> 00:00:43,670
episode we're going to be looking at

6
00:00:40,369 --> 00:00:45,768
UFOs will kick off with an interview we

7
00:00:43,670 --> 00:00:48,408
conducted a few weeks ago with our good

8
00:00:45,768 --> 00:00:50,390
friend and UFO expert dr. Steve Roberts

9
00:00:48,408 --> 00:00:52,339
and then we'll find out what some other

10
00:00:50,390 --> 00:00:56,980
people have to say about their

11
00:00:52,340 --> 00:00:56,980
encounters or lack of with the UFOs

12
00:01:03,329 --> 00:01:07,890
is the truth out there probably not

13
00:01:06,269 --> 00:01:10,289
probably not I don't know but I know the

14
00:01:07,890 --> 00:01:12,180
truth is in here in my lounge room

15
00:01:10,290 --> 00:01:13,770
tonight because I've got Steve Roberts

16
00:01:12,180 --> 00:01:16,320
from the Australian skeptics who is our

17
00:01:13,769 --> 00:01:18,449
UFO expert hello Steve hello Richard how

18
00:01:16,319 --> 00:01:19,978
are you go really well thank you for

19
00:01:18,450 --> 00:01:21,840
dinner by the way that was great Steve

20
00:01:19,978 --> 00:01:23,519
cooked us a lovely dinner I don't cook

21
00:01:21,840 --> 00:01:25,320
it you cooked it my balls are you helped

22
00:01:23,519 --> 00:01:27,390
cook a chicken to the pan you turn the

23
00:01:25,319 --> 00:01:29,158
gas on under it goodness I supposed to

24
00:01:27,390 --> 00:01:31,618
really speaking to you cooked it then I

25
00:01:29,159 --> 00:01:36,049
just prepared it it was chicken not good

26
00:01:31,618 --> 00:01:39,629
hey des I am Amanda Rose delicious and

27
00:01:36,049 --> 00:01:40,920
it's not been DeRozan dr. Richard them

28
00:01:39,629 --> 00:01:43,289
up for joining us here in my land room

29

00:01:40,920 --> 00:01:46,859
and joining us virtually joining us via

30
00:01:43,289 --> 00:01:48,659
Skype from Perth is Kylie Sturgis yes

31
00:01:46,859 --> 00:01:50,459
I'm here in spirit but obviously I

32
00:01:48,659 --> 00:01:52,920
obviously I missed out on the dinner

33
00:01:50,459 --> 00:01:54,359
elements but never mind I'm feasting my

34
00:01:52,920 --> 00:01:56,219
eyes at the moment on the wonderful

35
00:01:54,359 --> 00:01:58,228
speed Roberts who I can see in my teeny

36
00:01:56,219 --> 00:02:00,269
tiny skype screen well I'm a couple of

37
00:01:58,228 --> 00:02:01,560
hours behind so I guess I'll rector had

38
00:02:00,269 --> 00:02:05,579
some virtual do you know a little bit

39
00:02:01,560 --> 00:02:07,228
later I guess nevermind now we are very

40
00:02:05,579 --> 00:02:10,919
interested Steve we are married

41
00:02:07,228 --> 00:02:13,019
interesting or infested both in tonight

42
00:02:10,919 --> 00:02:15,568
in the topics of our the top of getting

43
00:02:13,019 --> 00:02:18,360

UFOs unidentified flying objects but I

44

00:02:15,568 --> 00:02:21,628
must say more specifically the claims of

45

00:02:18,360 --> 00:02:23,790
alien ships visiting earth well that's a

46

00:02:21,628 --> 00:02:26,789
specific subset of the UFO culture hmm

47

00:02:23,789 --> 00:02:30,900
but the old 1950s belief is that the the

48

00:02:26,789 --> 00:02:33,169
unknown thing seen or whatever they were

49

00:02:30,900 --> 00:02:35,789
well actually alien ships visiting but

50

00:02:33,169 --> 00:02:37,789
that becomes an implausible for various

51

00:02:35,789 --> 00:02:40,679
reasons so other people make other

52

00:02:37,789 --> 00:02:42,628
explanations for it like there may be a

53

00:02:40,680 --> 00:02:44,849
ibiza live on the earth or they're sort

54

00:02:42,628 --> 00:02:47,759
of psychic emanations or its military

55

00:02:44,848 --> 00:02:49,049
testing secret stuff which is anybody

56

00:02:47,759 --> 00:02:51,509
comes to study that's all very well but

57

00:02:49,050 --> 00:02:53,640
you know when the general population the

58
00:02:51,509 --> 00:02:55,439
general public hear the term UFO in

59
00:02:53,639 --> 00:02:57,958
their heads they're thinking alien

60
00:02:55,439 --> 00:02:59,009
spacecraft from another planet suppose

61
00:02:57,959 --> 00:03:00,989
people the two things are synonymous

62
00:02:59,009 --> 00:03:03,449
yeah so you ever think well there's a

63
00:03:00,989 --> 00:03:05,340
good Gary Larson car to this topic about

64
00:03:03,449 --> 00:03:07,049
there's an alien called thug or

65
00:03:05,340 --> 00:03:09,000
something and in front of a committee of

66
00:03:07,050 --> 00:03:10,680
aliens and they're saying so professor

67
00:03:09,000 --> 00:03:13,318
thought you're applying for a grant to

68
00:03:10,680 --> 00:03:14,640
go and fly to this earth planet Landon

69
00:03:13,318 --> 00:03:19,169
is it will calm down the funnel some

70
00:03:14,639 --> 00:03:20,729
people then fly back again so if the

71
00:03:19,169 --> 00:03:22,469
aliens come all the way here it would be

72
00:03:20,729 --> 00:03:25,469
a very laborious journey in fact from

73
00:03:22,469 --> 00:03:27,900
anywhere else it is become isn't it

74
00:03:25,469 --> 00:03:30,299
Steve just to serve maybe make some

75
00:03:27,900 --> 00:03:31,769
marks in some crops or you'd make a

76
00:03:30,299 --> 00:03:33,060
bigger bang if you got here I think

77
00:03:31,769 --> 00:03:35,849
you're doing like that you land on the

78
00:03:33,060 --> 00:03:37,799
White House lawn I see the film um the

79
00:03:35,848 --> 00:03:39,149
day the earth stood still with the

80
00:03:37,799 --> 00:03:42,120
flying saucer that she does land on the

81
00:03:39,150 --> 00:03:44,909
White House lawn and the alien gets out

82
00:03:42,120 --> 00:03:46,769
and done I showed that when I was at uni

83
00:03:44,909 --> 00:03:49,049
ways to hire those films five quitter

84
00:03:46,769 --> 00:03:51,930
time and child people to go in and throw

85
00:03:49,049 --> 00:03:54,930
paper darts and then the heavy line

86

00:03:51,930 --> 00:03:57,000
character in that new zoo 30 alien stops

87
00:03:54,930 --> 00:03:58,620
a passerby as his son who's the most

88
00:03:57,000 --> 00:04:02,939
important man in this country and some

89
00:03:58,620 --> 00:04:04,860
of the others hear that Bob Dylan no

90
00:04:02,939 --> 00:04:07,199
actually sounds like a really good film

91
00:04:04,860 --> 00:04:09,150
nice suggestion for a skeptics group

92
00:04:07,199 --> 00:04:11,219
quite frankly it would be amazing yeah

93
00:04:09,150 --> 00:04:12,539
leave nineteen fifties Alien films and

94
00:04:11,219 --> 00:04:15,030
sit around and have a lot of fun with

95
00:04:12,539 --> 00:04:16,949
them know that the do belong holders are

96
00:04:15,030 --> 00:04:19,079
amazing there's an episode where the

97
00:04:16,949 --> 00:04:21,779
woman who's an earth woman gets stunned

98
00:04:19,079 --> 00:04:24,000
or knocked out and the robot picks them

99
00:04:21,779 --> 00:04:25,909
up and cozy with the spacecraft and the

100
00:04:24,000 --> 00:04:27,978

orders just went mildly do that

101

00:04:25,910 --> 00:04:32,870

imagining what was going to happen mixed

102

00:04:27,978 --> 00:04:35,550

with seven foot robot jump jump but

103

00:04:32,870 --> 00:04:36,840

don't go there Dewey's now Kyla I know

104

00:04:35,550 --> 00:04:38,960

that you've been doing a little bit of

105

00:04:36,839 --> 00:04:41,129

research for us tonight do you have any

106

00:04:38,959 --> 00:04:44,430

questions to put the Steve that might

107

00:04:41,129 --> 00:04:47,159

stop him well one of the questions that

108

00:04:44,430 --> 00:04:49,829

i have is really how skeptical can one

109

00:04:47,160 --> 00:04:51,930

get i mean we've had stephen hawking

110

00:04:49,829 --> 00:04:54,569

saying that yes there's a possibility

111

00:04:51,930 --> 00:04:56,939

we've already had a city for quite some

112

00:04:54,569 --> 00:05:00,389

time saying absence of evidence isn't

113

00:04:56,939 --> 00:05:02,189

absurd evidence of absence and yet we

114

00:05:00,389 --> 00:05:04,228

seem to have two extremes we've got one

115
00:05:02,189 --> 00:05:06,389
side where people are saying yes there

116
00:05:04,228 --> 00:05:09,300
are aliens in fact i got impregnated by

117
00:05:06,389 --> 00:05:13,250
a blonde version of marge simpson and

118
00:05:09,300 --> 00:05:13,250
gave birth to a box of dark smoothly

119
00:05:13,870 --> 00:05:19,310
beside me can you get a phone numbers

120
00:05:16,639 --> 00:05:21,019
let's cut funding to any sort of

121
00:05:19,310 --> 00:05:23,000
investigation of space whatsoever

122
00:05:21,019 --> 00:05:25,668
because it's pointless nothing's

123
00:05:23,000 --> 00:05:27,348
happened for decades it's all loonies

124
00:05:25,668 --> 00:05:28,908
who say these sorts of things so where's

125
00:05:27,348 --> 00:05:32,060
the middle ground and what point do you

126
00:05:28,908 --> 00:05:34,519
say okay this is healthy skepticism and

127
00:05:32,060 --> 00:05:35,720
this is actually benefiting science ok

128
00:05:34,519 --> 00:05:37,189
we're going to separate city from the

129
00:05:35,720 --> 00:05:39,710
rest of it we were city it's actually a

130
00:05:37,189 --> 00:05:41,478
search for things that are out there and

131
00:05:39,709 --> 00:05:42,978
more should be out there and they going

132
00:05:41,478 --> 00:05:46,189
to be made out there are you looking for

133
00:05:42,978 --> 00:05:49,098
radio radio signals or any color signals

134
00:05:46,189 --> 00:05:50,598
from submissive civilization if we got

135
00:05:49,098 --> 00:05:52,038
one it we created a boy it's like a

136
00:05:50,598 --> 00:05:53,469
conversation out of it and it will be

137
00:05:52,038 --> 00:05:56,120
important to detect that it is

138
00:05:53,470 --> 00:05:58,699
detectable it's worth with a small

139
00:05:56,120 --> 00:06:00,740
amount of money to have a try yeah I

140
00:05:58,699 --> 00:06:02,449
don't know sort of cancel it I want the

141
00:06:00,740 --> 00:06:05,418
phones will be canceled together I want

142
00:06:02,449 --> 00:06:07,098
serious funding to go to it in so to

143

00:06:05,418 --> 00:06:08,359
deplete welfare organizations or

144
00:06:07,098 --> 00:06:09,918
whatever so it's the question of how

145
00:06:08,360 --> 00:06:11,479
much money should go into it and the

146
00:06:09,918 --> 00:06:14,628
answer is not much but something should

147
00:06:11,478 --> 00:06:17,029
go into it well sadly up the suggestion

148
00:06:14,629 --> 00:06:18,620
which was put forward by fellow I think

149
00:06:17,029 --> 00:06:21,288
I was involved with the anima project it

150
00:06:18,620 --> 00:06:23,329
was back in Maine in Denver the extra

151
00:06:21,288 --> 00:06:25,879
campaign where a fellow called pigment

152
00:06:23,329 --> 00:06:28,339
said that he wanted 75 thousand dollars

153
00:06:25,879 --> 00:06:29,778
annually for the CEO County of Denver in

154
00:06:28,339 --> 00:06:32,269
order to check whether or not there is

155
00:06:29,778 --> 00:06:34,250
going to be extraterrestrial landings

156
00:06:32,269 --> 00:06:38,028
what should they do in preparation well

157
00:06:34,250 --> 00:06:40,098

I think that job yeah 55 third year well

158

00:06:38,028 --> 00:06:41,569

that's a different hypotheses than warm

159

00:06:40,098 --> 00:06:44,300

up in phosphorus one that this is

160

00:06:41,569 --> 00:06:46,278

unlikely to happen yeah it hasn't

161

00:06:44,300 --> 00:06:47,360

happened so far I mean if you forget

162

00:06:46,278 --> 00:06:49,968

about city down and go to the

163

00:06:47,360 --> 00:06:52,158

traditional meaning of UFOs alien craft

164

00:06:49,968 --> 00:06:54,319

or there has been no evidence so far now

165

00:06:52,158 --> 00:06:56,300

somebody might come tomorrow that that

166

00:06:54,319 --> 00:06:58,879

will be wonderful but so far everything

167

00:06:56,300 --> 00:07:00,889

that has apparently been a lady of

168

00:06:58,879 --> 00:07:03,829

spacecraft turns out to be a hoax or two

169

00:07:00,889 --> 00:07:05,870

fuzzy or not enough evidence and we've

170

00:07:03,829 --> 00:07:08,389

got of 60 years this people have pretty

171

00:07:05,870 --> 00:07:10,788

tired of it so I'm and the actually came

172
00:07:08,389 --> 00:07:13,460
to hit 50 after 50 years of just 10

173
00:07:10,788 --> 00:07:15,339
years ago now 11 years ago now with the

174
00:07:13,459 --> 00:07:19,818
anniversary of the siding it was well

175
00:07:15,339 --> 00:07:21,829
what was that 1998 Sun 97 98 98 and the

176
00:07:19,819 --> 00:07:23,330
media were forced for the first time to

177
00:07:21,829 --> 00:07:24,968
report the sea bean because it was

178
00:07:23,329 --> 00:07:27,528
actually a newsworthy

179
00:07:24,968 --> 00:07:29,718
and they decided to take a sort of

180
00:07:27,528 --> 00:07:31,519
silicon line to it that you know was

181
00:07:29,718 --> 00:07:34,038
well as having a big party in the town

182
00:07:31,519 --> 00:07:35,778
of oz well and this can't really be

183
00:07:34,038 --> 00:07:37,728
serious you know they they can't really

184
00:07:35,778 --> 00:07:39,528
take the UFO FILES seriously and that

185
00:07:37,728 --> 00:07:41,508
was a slot the media began to take on

186
00:07:39,528 --> 00:07:44,269
the after this we made that way ever

187
00:07:41,509 --> 00:07:46,999
since but up until then UFOs the through

188
00:07:44,269 --> 00:07:49,069
the 1990s UFOs were taken seriously by

189
00:07:46,999 --> 00:07:52,759
the media those are sort of hangover

190
00:07:49,069 --> 00:07:55,729
from the the more credible gullible

191
00:07:52,759 --> 00:07:58,038
times before that but it's all the

192
00:07:55,728 --> 00:08:00,228
people who say there's something going

193
00:07:58,038 --> 00:08:02,329
on to putting some evidence and media a

194
00:08:00,228 --> 00:08:04,399
film with some fuzzy lights is not good

195
00:08:02,329 --> 00:08:06,379
enough you need a piece of metal from

196
00:08:04,399 --> 00:08:07,579
Alpha Centauri I or something of the

197
00:08:06,379 --> 00:08:08,929
different light of that concentration

198
00:08:07,579 --> 00:08:10,189
you couldn't make on the earth what

199
00:08:08,928 --> 00:08:11,718
would be a good bit of evidence well

200

00:08:10,189 --> 00:08:13,999
what do you think of all that don't they

201
00:08:11,718 --> 00:08:16,038
they just they say they have of that

202
00:08:13,999 --> 00:08:18,199
they say they're happy but will you ask

203
00:08:16,038 --> 00:08:20,149
where they say oh I lost it I mean how

204
00:08:18,199 --> 00:08:23,449
can you lose probably not giving it to

205
00:08:20,149 --> 00:08:25,519
the test oh oh i see days in the

206
00:08:23,449 --> 00:08:30,169
believers not pick the government you

207
00:08:25,519 --> 00:08:31,788
say is not telling you follow justice

208
00:08:30,168 --> 00:08:33,918
yeah the slate owners gave me an

209
00:08:31,788 --> 00:08:36,198
artifact who say well can we see so what

210
00:08:33,918 --> 00:08:39,288
I lost it or the spectators took it away

211
00:08:36,198 --> 00:08:41,958
again or we also many dances came and

212
00:08:39,288 --> 00:08:43,879
took it away don't we have Australia's

213
00:08:41,958 --> 00:08:47,179
most I don't want to get controversial

214
00:08:43,879 --> 00:08:51,438

but Australia's foremost ufologist who

215

00:08:47,179 --> 00:08:55,188

says he has DNA and before machinery so

216

00:08:51,438 --> 00:08:57,708

on I seem to record doing an interview

217

00:08:55,188 --> 00:08:59,480

myself on that particular topic and how

218

00:08:57,708 --> 00:09:01,278

even in an interview which i believe is

219

00:08:59,480 --> 00:09:04,308

available on youtube thanks to richard

220

00:09:01,278 --> 00:09:06,289

putting up for me even he was starting

221

00:09:04,308 --> 00:09:08,808

to hesitate about the legitimacy of the

222

00:09:06,289 --> 00:09:10,068

DNA that he had i think people are

223

00:09:08,808 --> 00:09:12,318

probably more interested in the

224

00:09:10,068 --> 00:09:14,088

beautiful blonde woman who seems i've

225

00:09:12,318 --> 00:09:17,860

seen the picture is a picture of the

226

00:09:14,089 --> 00:09:19,390

woman that he has apparently had a

227

00:09:17,860 --> 00:09:22,750

encounter

228

00:09:19,389 --> 00:09:27,370

a close encounter with me in front of it

229
00:09:22,750 --> 00:09:29,799
is a DNA with 150 150 genomes usually

230
00:09:27,370 --> 00:09:31,389
smelly if listeners a would like a

231
00:09:29,799 --> 00:09:34,719
little bit of research on their own they

232
00:09:31,389 --> 00:09:36,850
can google the name bill chalker bill

233
00:09:34,720 --> 00:09:39,430
chakra is a very nice man in one of

234
00:09:36,850 --> 00:09:41,889
Australia's stalwarts of the UFO

235
00:09:39,429 --> 00:09:44,679
industry at the up and he has written a

236
00:09:41,889 --> 00:09:47,259
book called I think for memory alien DNA

237
00:09:44,679 --> 00:09:49,599
or something like that well could be

238
00:09:47,259 --> 00:09:52,360
yeah yeah any worth googling build chalk

239
00:09:49,600 --> 00:09:55,420
and very very nice man I don't think we

240
00:09:52,360 --> 00:09:56,769
see eye to eye on everything I'm not

241
00:09:55,419 --> 00:09:59,349
aware of your choker I take it he's a

242
00:09:56,769 --> 00:10:01,090
believer he's the one day this guy well

243
00:09:59,350 --> 00:10:03,129
I wouldn't say that he did but it's the

244
00:10:01,090 --> 00:10:05,470
one that publishes books oh yeah when he

245
00:10:03,129 --> 00:10:07,659
is but then again he takes a believe in

246
00:10:05,470 --> 00:10:10,779
our he takes a lot more skeptical view

247
00:10:07,659 --> 00:10:12,909
than most UFO are some researchers

248
00:10:10,779 --> 00:10:15,370
nonetheless she says he has the island

249
00:10:12,909 --> 00:10:18,250
dinner well there you go or strange the

250
00:10:15,370 --> 00:10:19,870
a or strange DNA is 820 genomes in its

251
00:10:18,250 --> 00:10:21,669
first piece so the obvious this blonde

252
00:10:19,870 --> 00:10:23,769
woman is very effective and very very

253
00:10:21,669 --> 00:10:31,479
very stupid if that's her thing a nice

254
00:10:23,769 --> 00:10:33,370
Tony gallant era so did ya do a search

255
00:10:31,480 --> 00:10:34,720
online you'll find that there's quite a

256
00:10:33,370 --> 00:10:37,120
bit about the blonde hair and wear it

257

00:10:34,720 --> 00:10:39,519
managed to get all over the place over

258
00:10:37,120 --> 00:10:41,500
to us have been quite a newbie because

259
00:10:39,519 --> 00:10:42,939
buses flicking through a couple of

260
00:10:41,500 --> 00:10:44,980
accounts of it then and it seems rather

261
00:10:42,940 --> 00:10:47,620
saucy which I guess is probably wise

262
00:10:44,980 --> 00:10:49,509
away from in our minds so much yeah so

263
00:10:47,620 --> 00:10:51,399
it would know the DAR some researchers

264
00:10:49,509 --> 00:10:53,710
his work is respected and Bill Chavez

265
00:10:51,399 --> 00:10:59,199
man Keith pastor field of essays another

266
00:10:53,710 --> 00:11:02,259
and John Rocket or spell a uch e-ttl of

267
00:10:59,200 --> 00:11:04,600
Victoria these are serious researchers

268
00:11:02,259 --> 00:11:05,830
that believe in UFOs but I'm looking for

269
00:11:04,600 --> 00:11:08,370
side of the evidence and they're looking

270
00:11:05,830 --> 00:11:10,990
in a stove in a scientific fashion and

271
00:11:08,370 --> 00:11:12,580

there are some sightings is usually

272

00:11:10,990 --> 00:11:13,930

highly credible and what do they look

273

00:11:12,580 --> 00:11:15,850

for Steve had of it well the

274

00:11:13,929 --> 00:11:18,159

investigator citing their work is

275

00:11:15,850 --> 00:11:19,810

reasonably good and unfortunate usually

276

00:11:18,159 --> 00:11:21,699

comes to nothing but yeah well I'm

277

00:11:19,809 --> 00:11:23,589

worrying usually yeah that they've

278

00:11:21,700 --> 00:11:25,210

written books odd you know nice to what

279

00:11:23,590 --> 00:11:27,430

evidence there is and there's nothing

280

00:11:25,210 --> 00:11:28,000

stopping for better get it depends what

281

00:11:27,429 --> 00:11:30,069

you mean

282

00:11:28,000 --> 00:11:31,870

UFO if you mean alien spacecraft and of

283

00:11:30,070 --> 00:11:36,430

course every time it's drawing a blank

284

00:11:31,870 --> 00:11:38,230

well I mean maybe if he starting if we

285

00:11:36,429 --> 00:11:39,669

pull aside he actually things creak

286
00:11:38,230 --> 00:11:42,070
there's a lot of scope creep of this

287
00:11:39,669 --> 00:11:43,750
there's a book by i think it was by

288
00:11:42,070 --> 00:11:45,430
Keith Buster field or maybe Robbie

289
00:11:43,750 --> 00:11:48,279
published a good book of Australian UFO

290
00:11:45,429 --> 00:11:50,979
sightings and there was one in bankstown

291
00:11:48,279 --> 00:11:52,480
and inside the book it said there was a

292
00:11:50,980 --> 00:11:55,450
sighting at Bankstown in two o'clock in

293
00:11:52,480 --> 00:11:58,500
the morning oh my god yes I and

294
00:11:55,450 --> 00:12:00,460
something suddenly saw a light and the

295
00:11:58,500 --> 00:12:02,679
streetlight swept through the street

296
00:12:00,460 --> 00:12:05,139
lights went dim okay in though in the

297
00:12:02,679 --> 00:12:06,759
jacket of the book all these I flapper

298
00:12:05,139 --> 00:12:08,620
the Jacka book coverage so there was a

299
00:12:06,759 --> 00:12:10,720
sighting in bankstown and the street

300
00:12:08,620 --> 00:12:12,009
lights went out and all the blurb on the

301
00:12:10,720 --> 00:12:13,840
back of the book it says there was a

302
00:12:12,009 --> 00:12:16,179
sighting in bankstown and the whole area

303
00:12:13,840 --> 00:12:17,860
we did for two hours ok now I try to

304
00:12:16,179 --> 00:12:20,289
focus either to try to teach us up I try

305
00:12:17,860 --> 00:12:22,720
to bring bankstown council as we just

306
00:12:20,289 --> 00:12:24,519
disappeared as such it's a new aerial a

307
00:12:22,720 --> 00:12:26,860
different name and there's no vehicles

308
00:12:24,519 --> 00:12:30,789
kick if it'll an area disappears

309
00:12:26,860 --> 00:12:34,149
completely politically behind be going

310
00:12:30,789 --> 00:12:36,459
on Venus pollution is over we're not

311
00:12:34,149 --> 00:12:38,379
very far from base elemental area yeah

312
00:12:36,460 --> 00:12:40,240
we better watch out they Lincoln nervous

313
00:12:38,379 --> 00:12:42,309
and services or those who may not know

314

00:12:40,240 --> 00:12:43,899
banks down as a suburb of Sydney not too

315
00:12:42,309 --> 00:12:46,959
far from here and it has its own little

316
00:12:43,899 --> 00:12:49,149
Airport obviously strange lights around

317
00:12:46,960 --> 00:12:50,680
an airport well you know how it is yeah

318
00:12:49,149 --> 00:12:52,179
if all the streetlights go dead for two

319
00:12:50,679 --> 00:12:53,949
hours you the council have a record of

320
00:12:52,179 --> 00:12:55,838
it like you know engineer was called out

321
00:12:53,950 --> 00:12:58,150
and was very grumpy you can use google

322
00:12:55,839 --> 00:13:01,540
earth to look at it on you tonight so

323
00:12:58,149 --> 00:13:02,889
long anyway um yeah the bit of scope

324
00:13:01,539 --> 00:13:04,750
creep even within the book you know

325
00:13:02,889 --> 00:13:06,580
that's I'll discuss these sightings get

326
00:13:04,750 --> 00:13:08,889
made bigger and bigger you even believe

327
00:13:06,580 --> 00:13:10,720
the book you're reading and this a known

328
00:13:08,889 --> 00:13:12,789

phenomenon of UFO sightings or story

329

00:13:10,720 --> 00:13:14,680

gets better and better not your stories

330

00:13:12,789 --> 00:13:16,990

of anything you're still using benish

331

00:13:14,679 --> 00:13:18,729

but I called the fish my fish is that on

332

00:13:16,990 --> 00:13:20,440

the 50 sniper where things grow over

333

00:13:18,730 --> 00:13:22,810

time you know I caught official as this

334

00:13:20,440 --> 00:13:24,460

big and note then it was this big and

335

00:13:22,809 --> 00:13:26,259

your Raquel and this huge you know let's

336

00:13:24,460 --> 00:13:28,360

I call that the fish cycle the Fisher

337

00:13:26,259 --> 00:13:30,189

cycle yeah okay yes can I ask you a

338

00:13:28,360 --> 00:13:32,740

question sir yes you can you've seen the

339

00:13:30,190 --> 00:13:35,470

most recent footage that we looked at

340

00:13:32,740 --> 00:13:37,629

the other night from Turkey the UFOs

341

00:13:35,470 --> 00:13:39,649

apparently over Turkey one of them looks

342

00:13:37,629 --> 00:13:42,078

suspiciously like the Romulan

343
00:13:39,649 --> 00:13:43,970
out of praise much like yeah but they

344
00:13:42,078 --> 00:13:48,618
were stars that knows he was his

345
00:13:43,970 --> 00:13:50,089
enterprise 370 wrong there fly of a

346
00:13:48,619 --> 00:13:53,420
turkey now though they were plastic

347
00:13:50,089 --> 00:13:55,819
models one of the things that was a

348
00:13:53,419 --> 00:13:58,688
detail at the time was that this footage

349
00:13:55,818 --> 00:14:00,678
it and if you google UFOs over turkey on

350
00:13:58,688 --> 00:14:03,588
youtube you'll find it will search for

351
00:14:00,678 --> 00:14:05,088
on youtube the footage is date stamped

352
00:14:03,589 --> 00:14:07,129
and so over a period of months this

353
00:14:05,089 --> 00:14:09,350
footage was taken but what I thought was

354
00:14:07,129 --> 00:14:10,519
interesting about it was despite the

355
00:14:09,350 --> 00:14:12,800
fact that they took it over several

356
00:14:10,519 --> 00:14:14,509
months at no point across the sort of

357
00:14:12,799 --> 00:14:17,178
six months standard I think to get a

358
00:14:14,509 --> 00:14:19,818
tripod or perhaps a better video all

359
00:14:17,178 --> 00:14:22,909
shaky candles oh yes handheld camera is

360
00:14:19,818 --> 00:14:24,769
very out of focus its but yeah very very

361
00:14:22,909 --> 00:14:26,299
safety it's really annoying that when

362
00:14:24,769 --> 00:14:28,698
you get a good sighting the young got a

363
00:14:26,299 --> 00:14:30,498
good camera with you it's always casting

364
00:14:28,698 --> 00:14:32,419
it's actually one of the big arguments

365
00:14:30,499 --> 00:14:33,800
against UFOs being anything significant

366
00:14:32,419 --> 00:14:36,438
that the back in nineteen fifty in the

367
00:14:33,799 --> 00:14:38,568
1950s it was some unusual to own a

368
00:14:36,438 --> 00:14:40,248
camera some people do things that you've

369
00:14:38,568 --> 00:14:42,110
been loading your own airplane or ugly

370
00:14:40,249 --> 00:14:44,420
speedboat now and some people did most

371

00:14:42,110 --> 00:14:47,209
people didn't so photography was not

372
00:14:44,419 --> 00:14:49,428
understood and fairly rare my dad bought

373
00:14:47,208 --> 00:14:52,369
a camera the late fifties and we were

374
00:14:49,428 --> 00:14:54,379
play with it is all very exciting unit

375
00:14:52,370 --> 00:14:56,149
but now anyone got a camera it was got a

376
00:14:54,379 --> 00:14:58,789
mobile phone all the kids have cameras

377
00:14:56,149 --> 00:15:01,100
on this more mr. Coderre must be very

378
00:14:58,789 --> 00:15:03,498
happy more pictures or more photography

379
00:15:01,100 --> 00:15:06,259
than ever before but it's still people

380
00:15:03,499 --> 00:15:08,058
feeling so pictures yeah I mean I talked

381
00:15:06,259 --> 00:15:09,050
about this a few weeks ago because we

382
00:15:08,058 --> 00:15:11,958
were talking about the crypto zoology

383
00:15:09,049 --> 00:15:15,588
and I read a report from someone saying

384
00:15:11,958 --> 00:15:16,878
that he saw this species and the last

385
00:15:15,589 --> 00:15:19,670

thing he thought of was to grab his

386

00:15:16,879 --> 00:15:20,870

camera now surely must be posted a first

387

00:15:19,669 --> 00:15:22,188

thing you think you've had but you

388

00:15:20,870 --> 00:15:23,839

generally would have a camera in your

389

00:15:22,188 --> 00:15:25,730

hand well in fact will the early adverts

390

00:15:23,839 --> 00:15:28,220

for mobile phones about ten years ago it

391

00:15:25,730 --> 00:15:30,499

was from Telstra and sorry for the

392

00:15:28,220 --> 00:15:32,809

sudden mobile phone company and we

393

00:15:30,499 --> 00:15:35,089

showed up a band watching a UFO the kind

394

00:15:32,808 --> 00:15:36,409

of seed quick tell somebody and the

395

00:15:35,089 --> 00:15:38,299

point is if you had a mobile phone

396

00:15:36,409 --> 00:15:40,278

review that have being people up say

397

00:15:38,298 --> 00:15:42,289

Here I am watching a UFO that's right

398

00:15:40,278 --> 00:15:43,789

you could phone up for the middle of

399

00:15:42,289 --> 00:15:47,740

nowhere they have an answer to that

400
00:15:43,789 --> 00:15:50,659
isn't that the UFO is sending off see

401
00:15:47,740 --> 00:15:54,019
electus radiations

402
00:15:50,659 --> 00:15:58,230
and we have actually have seen at a

403
00:15:54,019 --> 00:16:01,769
legitimate UFO research talk talk with a

404
00:15:58,230 --> 00:16:03,960
we have exams okay they said so you host

405
00:16:01,769 --> 00:16:07,189
chunky all their electronic equipment so

406
00:16:03,960 --> 00:16:10,050
that failed so they couldn't take

407
00:16:07,190 --> 00:16:12,480
serious exposure to the why they only

408
00:16:10,049 --> 00:16:13,740
have three places they bought a

409
00:16:12,480 --> 00:16:17,850
skeptical I'll that wouldn't happen

410
00:16:13,740 --> 00:16:20,460
within a week do we ruin everything do

411
00:16:17,850 --> 00:16:22,529
we querido exactly i'm prepared to

412
00:16:20,460 --> 00:16:25,080
attend events for a small fee and to be

413
00:16:22,529 --> 00:16:27,419
visible skeptic so thats earthing things

414
00:16:25,080 --> 00:16:29,670
don't go all I'm prepared to attend

415
00:16:27,419 --> 00:16:33,839
events for a large theme I'm prepared to

416
00:16:29,669 --> 00:16:36,319
do you do anything anyway they keep me

417
00:16:33,840 --> 00:16:38,490
I've come for a couple of the attacks

418
00:16:36,320 --> 00:16:40,530
Amanda I remember you telling me at that

419
00:16:38,490 --> 00:16:43,470
same talk that they said that they'd

420
00:16:40,529 --> 00:16:45,779
climbed on some large hill to wait for

421
00:16:43,470 --> 00:16:47,970
these UFOs to appear and as midnight

422
00:16:45,779 --> 00:16:50,699
strike they suddenly felt oddly come

423
00:16:47,970 --> 00:16:52,680
with time yeah it was the blue mountain

424
00:16:50,700 --> 00:16:58,970
so we're walking up they were hacking

425
00:16:52,679 --> 00:17:01,589
all day west of Sydney and at midnight

426
00:16:58,970 --> 00:17:03,990
they were like get setting up the camp

427
00:17:01,590 --> 00:17:07,319
and suddenly they felt tired they took

428

00:17:03,990 --> 00:17:09,059
to be evidence that the UFOs were near

429
00:17:07,319 --> 00:17:12,059
sending off you know the signals that

430
00:17:09,059 --> 00:17:15,869
were making the human muscle and

431
00:17:12,059 --> 00:17:19,639
whatever you've hiked through the

432
00:17:15,869 --> 00:17:21,869
mountains all day and it's midnight

433
00:17:19,640 --> 00:17:25,140
seems of disappointment of course you

434
00:17:21,869 --> 00:17:27,389
are you're tired your husband come down

435
00:17:25,140 --> 00:17:29,100
when they're all asleep you saying and

436
00:17:27,390 --> 00:17:31,110
it stops there electronic equipment wait

437
00:17:29,099 --> 00:17:34,519
a little bit i always mention that

438
00:17:31,109 --> 00:17:39,719
because it's just like the absolute

439
00:17:34,519 --> 00:17:43,069
epoch of you know what spars look I am

440
00:17:39,720 --> 00:17:45,420
tired midnight there for us on hahaha

441
00:17:43,069 --> 00:17:47,189
well it's the segments your haunted

442
00:17:45,420 --> 00:17:50,180

stairs yes you wanted the top of the

443

00:17:47,190 --> 00:17:50,180

stairs your legs get here

444

00:17:50,890 --> 00:17:54,670

this excuse many years ago when I was

445

00:17:52,720 --> 00:17:56,589

forced to do physical education I could

446

00:17:54,670 --> 00:17:58,000

have said I'm sorry I just can't take my

447

00:17:56,589 --> 00:18:00,490

office and what's kind of all your

448

00:17:58,000 --> 00:18:02,170

phones are stopping you stopping a

449

00:18:00,490 --> 00:18:03,880

satirical Aeneid I wonder if you could

450

00:18:02,170 --> 00:18:06,670

tell our listeners about the incident

451

00:18:03,880 --> 00:18:09,570

not too many years ago that was reported

452

00:18:06,670 --> 00:18:12,490

in the skeptic magazine of the the

453

00:18:09,569 --> 00:18:14,200

actual photograph of the UFO and

454

00:18:12,490 --> 00:18:16,500

Victoria near the train crossing Oh

455

00:18:14,200 --> 00:18:19,509

heaven help us yeah it was I'm january

456

00:18:16,500 --> 00:18:22,000

2003 and I I actually have the original

457
00:18:19,509 --> 00:18:23,529
photograph because it's a wonderful

458
00:18:22,000 --> 00:18:26,710
thing this modern age the photograph is

459
00:18:23,529 --> 00:18:28,930
a JPEG in a camera and I have the

460
00:18:26,710 --> 00:18:30,460
original jpg file or a copy of the copy

461
00:18:28,930 --> 00:18:32,710
of it yeah but it is a good as the

462
00:18:30,460 --> 00:18:34,269
original digital copies thankfully the

463
00:18:32,710 --> 00:18:36,970
same as the original so I have the

464
00:18:34,269 --> 00:18:38,710
seminal photograph and it was an

465
00:18:36,970 --> 00:18:40,990
engineer a bow engineer who said to

466
00:18:38,710 --> 00:18:42,640
photograph well we're crossing lights to

467
00:18:40,990 --> 00:18:44,589
show they were working so he went there

468
00:18:42,640 --> 00:18:46,780
and waiting for a train and train

469
00:18:44,589 --> 00:18:48,519
approaches and the mid lights flash and

470
00:18:46,779 --> 00:18:51,129
the bell goes Dean Dean Dean the barrier

471
00:18:48,519 --> 00:18:52,720
comes down it all works papi he took a

472
00:18:51,130 --> 00:18:55,210
movie of the watch you various still

473
00:18:52,720 --> 00:18:56,740
photograph this yes and the Feynman past

474
00:18:55,210 --> 00:18:58,210
you took pictures of that and then the

475
00:18:56,740 --> 00:18:59,620
bear is coming he took pictures of that

476
00:18:58,210 --> 00:19:01,360
and then they've canceled records all

477
00:18:59,619 --> 00:19:04,629
that so they can say you know on

478
00:19:01,359 --> 00:19:07,990
generator 16 2004 if it was all this was

479
00:19:04,630 --> 00:19:09,550
working anyone beat up three pictures in

480
00:19:07,990 --> 00:19:12,759
quick succession just before the train

481
00:19:09,549 --> 00:19:14,289
came in the middle picture is a UFO got

482
00:19:12,759 --> 00:19:15,490
a knot in the other two in the middle

483
00:19:14,289 --> 00:19:18,369
picture there's a little black and white

484
00:19:15,490 --> 00:19:20,829
object with a very odd looks like it has

485

00:19:18,369 --> 00:19:22,359
a done on the top its various it was the

486
00:19:20,829 --> 00:19:25,029
top of black on the bottom there it is

487
00:19:22,359 --> 00:19:26,409
there's a UFO but it across whenever

488
00:19:25,029 --> 00:19:28,839
we're ways as well do you remember that

489
00:19:26,410 --> 00:19:32,650
yes bit of each Victoria beverage s

490
00:19:28,839 --> 00:19:34,329
belts as a VE ve roi dges got historical

491
00:19:32,650 --> 00:19:35,980
connotations with Nick Kenny if you tell

492
00:19:34,329 --> 00:19:39,159
you if listeners would type that and

493
00:19:35,980 --> 00:19:40,420
into Google and UFO you'll find every

494
00:19:39,160 --> 00:19:42,610
issue for you please see if you probably

495
00:19:40,420 --> 00:19:45,160
get you journal file as well or email

496
00:19:42,609 --> 00:19:47,409
email the show will send it to you I did

497
00:19:45,160 --> 00:19:49,210
you ever look yourself and we actually

498
00:19:47,410 --> 00:19:51,220
had real actually i'm holly with the

499
00:19:49,210 --> 00:19:52,779

angled interviewed sorry was the on

500

00:19:51,220 --> 00:19:54,850

television being interviewed a day later

501

00:19:52,779 --> 00:19:56,920

and there he was near the interviewer

502

00:19:54,849 --> 00:19:59,409

was and they spent all their time making

503

00:19:56,920 --> 00:19:59,929

the australian saluting flies out of the

504

00:19:59,410 --> 00:20:02,869

way

505

00:19:59,929 --> 00:20:05,360

ha die and good i am pleased to make you

506

00:20:02,868 --> 00:20:08,928

bet that dealer there it is and lo and

507

00:20:05,359 --> 00:20:10,219

behold this thing is a fly yeah just

508

00:20:08,929 --> 00:20:11,720

place why you can't see you take the

509

00:20:10,220 --> 00:20:13,639

pictures you take the picture it's a fly

510

00:20:11,720 --> 00:20:15,829

is sa like come six inches from the

511

00:20:13,638 --> 00:20:17,808

camera lenses yeah find one across your

512

00:20:15,829 --> 00:20:19,460

face so you want to see it yeah face to

513

00:20:17,808 --> 00:20:21,440

be behind the camera but I learned then

514
00:20:19,460 --> 00:20:22,850
it be gone well you wouldn't if you did

515
00:20:21,440 --> 00:20:24,528
see it when think it was remarkable but

516
00:20:22,849 --> 00:20:25,998
some there's similar pictures of birds

517
00:20:24,528 --> 00:20:28,009
and so on which are actually quite close

518
00:20:25,999 --> 00:20:29,690
to the camera which also explains why

519
00:20:28,009 --> 00:20:31,190
they're fuzzy and out of focus is it

520
00:20:29,690 --> 00:20:32,899
this is another thing that everything of

521
00:20:31,190 --> 00:20:34,129
the pictures even focus to train the

522
00:20:32,898 --> 00:20:36,258
railway track when they were crossing

523
00:20:34,128 --> 00:20:37,579
signs the scenery the background the

524
00:20:36,259 --> 00:20:40,909
road in front on the background behind

525
00:20:37,579 --> 00:20:42,740
all in focus the UFOs not I guess the

526
00:20:40,909 --> 00:20:44,809
UFOs not in focus because it's living

527
00:20:42,740 --> 00:20:48,710
moving so fast any special special you

528
00:20:44,808 --> 00:20:51,648
follow along focusing being said this

529
00:20:48,710 --> 00:20:53,950
one focusing one what well you thought

530
00:20:51,648 --> 00:20:56,959
of saves a special I'm focusing busy

531
00:20:53,950 --> 00:20:59,298
like a tractor beam in this well you're

532
00:20:56,960 --> 00:21:01,460
that maybe failure that one the same as

533
00:20:59,298 --> 00:21:04,128
the legs getting tired be my surprise

534
00:21:01,460 --> 00:21:06,499
yes finally got the effect you can have

535
00:21:04,128 --> 00:21:07,939
with that you could done you can hang

536
00:21:06,499 --> 00:21:11,079
Saddam Hussein with it or something you

537
00:21:07,940 --> 00:21:13,669
can do please would you finally say it

538
00:21:11,079 --> 00:21:16,038
constitutes actual proof what would

539
00:21:13,669 --> 00:21:17,720
really make it something physical that

540
00:21:16,038 --> 00:21:19,429
you could hold in your hand I mean we're

541
00:21:17,720 --> 00:21:21,350
physical things you know and a

542

00:21:19,429 --> 00:21:22,909
photograph could be especially digital

543
00:21:21,349 --> 00:21:25,579
photograph could be cooked up and many

544
00:21:22,909 --> 00:21:27,499
have an the other film myself with the

545
00:21:25,579 --> 00:21:29,148
film follows gun for example a

546
00:21:27,499 --> 00:21:30,740
schoolhouse flinging it up in the air

547
00:21:29,148 --> 00:21:33,138
and taking photos that we manage to

548
00:21:30,740 --> 00:21:35,359
mimic quite a good example of a UFO on

549
00:21:33,138 --> 00:21:37,459
the school playground by just simply

550
00:21:35,359 --> 00:21:39,740
using a score pad so it has to be

551
00:21:37,460 --> 00:21:41,869
physical evidence something yeah photo

552
00:21:39,740 --> 00:21:43,819
won't do is good a bit i'll what we'll

553
00:21:41,868 --> 00:21:45,740
do is several photos by different people

554
00:21:43,819 --> 00:21:47,808
from different angles so you can

555
00:21:45,740 --> 00:21:49,759
triangulate where it was another and

556
00:21:47,808 --> 00:21:51,769

that has never happened so when a

557

00:21:49,759 --> 00:21:54,440

football UFO flies over Perth which is

558

00:21:51,769 --> 00:21:55,759

two million people if as if there's one

559

00:21:54,440 --> 00:21:56,659

picture that's very nice but if there

560

00:21:55,759 --> 00:21:58,669

was something there they really should

561

00:21:56,659 --> 00:21:59,990

be more than one picture if you took a

562

00:21:58,669 --> 00:22:01,610

long time to fly over there should be

563

00:21:59,990 --> 00:22:03,769

several shots at it and you can see with

564

00:22:01,609 --> 00:22:06,789

a height and the distance and so on this

565

00:22:03,769 --> 00:22:09,059

is live in it satellite evidence or make

566

00:22:06,789 --> 00:22:12,039

even something showing up on Air Force

567

00:22:09,059 --> 00:22:13,359

radar even yeah it's easy to ask

568

00:22:12,039 --> 00:22:14,859

questions about the Air Force's a year

569

00:22:13,359 --> 00:22:16,839

it's all classified and then you say

570

00:22:14,859 --> 00:22:18,339

hours it keep it secret you know

571
00:22:16,839 --> 00:22:20,970
actually there's good military reasons

572
00:22:18,339 --> 00:22:23,829
for keeping some stuff secret and

573
00:22:20,970 --> 00:22:25,900
actually maybe things don't they say in

574
00:22:23,829 --> 00:22:29,169
special anti radar beams as well so they

575
00:22:25,900 --> 00:22:31,120
oh I've had it seriously the OSD no

576
00:22:29,170 --> 00:22:33,130
seriously proposed that UFOs can flash

577
00:22:31,119 --> 00:22:36,009
on and off in the visual spectrum and

578
00:22:33,130 --> 00:22:37,840
all off in the radar spectrum at the

579
00:22:36,009 --> 00:22:39,819
same time or different times just to say

580
00:22:37,839 --> 00:22:44,319
hey here we hear no it no we're not in

581
00:22:39,819 --> 00:22:48,189
here we're going to confuse you mans / I

582
00:22:44,319 --> 00:22:49,450
have a perfect report of a UFO which was

583
00:22:48,190 --> 00:22:51,039
clearly Venus you know it's in the

584
00:22:49,450 --> 00:22:54,309
position but he looked like video

585
00:22:51,039 --> 00:22:56,920
submission by Venus walls and this guy

586
00:22:54,309 --> 00:22:59,769
was short as a UFO is a UFO fan to put

587
00:22:56,920 --> 00:23:02,560
it mildly and I said hey it's Venus he

588
00:22:59,769 --> 00:23:04,809
said oh well okay okay hard one you know

589
00:23:02,559 --> 00:23:11,500
supposing the UFO was right in front of

590
00:23:04,809 --> 00:23:13,329
Venus oh you got me so that's fine if

591
00:23:11,500 --> 00:23:15,579
observed from bankstown when you go

592
00:23:13,329 --> 00:23:16,869
across the city to Bondi Beach then you

593
00:23:15,579 --> 00:23:19,569
can't have it in front of beers in both

594
00:23:16,869 --> 00:23:21,549
places in fact if it's in the Earth's

595
00:23:19,569 --> 00:23:23,319
atmosphere you tell you about five miles

596
00:23:21,549 --> 00:23:25,149
up so if you move five miles sideways

597
00:23:23,319 --> 00:23:27,159
Italy completely out of completely out

598
00:23:25,150 --> 00:23:28,180
of range so it means every time

599

00:23:27,160 --> 00:23:29,740
something looked up they have to move

600
00:23:28,180 --> 00:23:31,360
the you folks factory to get in front of

601
00:23:29,740 --> 00:23:33,339
Venus well you would have heard the

602
00:23:31,359 --> 00:23:34,659
story Steve recently in the last few

603
00:23:33,339 --> 00:23:37,269
months where are there were a lot of

604
00:23:34,660 --> 00:23:38,830
reports to the local police in the UK I

605
00:23:37,269 --> 00:23:41,529
can't remember exactly where it was

606
00:23:38,829 --> 00:23:44,319
wheels was it in well it's Wales yeah

607
00:23:41,529 --> 00:23:46,990
they reported allo allo hanging a bright

608
00:23:44,319 --> 00:23:48,429
object in the sky to rob all this story

609
00:23:46,990 --> 00:23:50,200
I've seen that somewhere that's a Welsh

610
00:23:48,430 --> 00:23:51,730
you phone the relatively far they've got

611
00:23:50,200 --> 00:23:54,160
their own you fell at last because then

612
00:23:51,730 --> 00:23:57,370
12 you on the map until you've got to

613
00:23:54,160 --> 00:23:58,720

you fo it's a welsh oof oh well this is

614

00:23:57,369 --> 00:24:00,429

the welsh UFO i think you're referring

615

00:23:58,720 --> 00:24:03,549

to it turned out the police went to

616

00:24:00,430 --> 00:24:06,700

investigate and it was the moon officer

617

00:24:03,549 --> 00:24:10,379

oh but it's a welsh moon look you I

618

00:24:06,700 --> 00:24:13,480

recall reading this to you if y el no

619

00:24:10,380 --> 00:24:15,970

fit oh yeah I recall reading the story

620

00:24:13,480 --> 00:24:17,149

in the paper and it was transcribed by

621

00:24:15,970 --> 00:24:18,950

the report as

622

00:24:17,148 --> 00:24:20,658

the officer who was sent out to

623

00:24:18,950 --> 00:24:22,580

investigate calling back to base and

624

00:24:20,659 --> 00:24:25,549

saying it's the moon over I have a

625

00:24:22,579 --> 00:24:27,048

question ever oh go let's go go go this

626

00:24:25,548 --> 00:24:28,460

will probably get edited out that's a

627

00:24:27,048 --> 00:24:32,690

bit of a question with that know if I

628
00:24:28,460 --> 00:24:34,969
say to go but um when i trace my

629
00:24:32,690 --> 00:24:38,058
skeptical sort of journey back to when I

630
00:24:34,969 --> 00:24:40,999
was a child and lapping up stories about

631
00:24:38,058 --> 00:24:44,058
UFOs and the block best monster me to

632
00:24:40,999 --> 00:24:46,009
crystal skulls and exactly and um and I

633
00:24:44,058 --> 00:24:48,168
wasn't skeptical at all then but

634
00:24:46,009 --> 00:24:51,139
nonetheless it's the beginning of my

635
00:24:48,169 --> 00:24:53,210
interest in it anybody and I just

636
00:24:51,138 --> 00:24:55,069
remember reading all getting every

637
00:24:53,210 --> 00:24:57,588
single book out of a local library on

638
00:24:55,069 --> 00:25:00,499
UFOs and the thing that creeped me out

639
00:24:57,588 --> 00:25:02,979
the most was the stories of the men in

640
00:25:00,499 --> 00:25:05,989
black and I now that the ideas been

641
00:25:02,979 --> 00:25:08,989
taken over by the the series of movies

642
00:25:05,989 --> 00:25:12,319
and so on you read a book by albert k

643
00:25:08,989 --> 00:25:15,379
bender I don't cry read these women

644
00:25:12,319 --> 00:25:19,489
mysteries that's the book that I was

645
00:25:15,378 --> 00:25:21,648
ready but the men in black so talking

646
00:25:19,489 --> 00:25:25,729
you know 25 years ago or whatever when I

647
00:25:21,648 --> 00:25:29,928
was a child reading it who would go

648
00:25:25,729 --> 00:25:32,298
visit people who had seen UFOs to tell

649
00:25:29,929 --> 00:25:35,509
them not to tell anybody and they would

650
00:25:32,298 --> 00:25:38,148
go to the house dressed in black with a

651
00:25:35,509 --> 00:25:39,679
black tie and now at the time I didn't

652
00:25:38,148 --> 00:25:42,528
know but now I can realize that's a

653
00:25:39,679 --> 00:25:45,409
meeting like a federal agent or a

654
00:25:42,528 --> 00:25:49,159
federal government stereotypical sort of

655
00:25:45,409 --> 00:25:51,019
suit that's right and then afterwards

656

00:25:49,159 --> 00:25:52,789
the people who they had visited would

657
00:25:51,019 --> 00:25:56,058
realize that they they didn't have

658
00:25:52,788 --> 00:25:57,919
eyebrows amending her fingernails yes

659
00:25:56,058 --> 00:25:59,719
and they didn't have hair because i had

660
00:25:57,919 --> 00:26:02,450
the hat Thunder that's why they were a

661
00:25:59,719 --> 00:26:05,389
team an accent but they didn't have here

662
00:26:02,450 --> 00:26:07,759
and they were sort of slightly unworldly

663
00:26:05,388 --> 00:26:09,439
and they would realize later that they

664
00:26:07,759 --> 00:26:13,338
were you know England although they

665
00:26:09,440 --> 00:26:16,070
they'd appear human beginning so many in

666
00:26:13,338 --> 00:26:17,838
black worthy aliens is that with the

667
00:26:16,069 --> 00:26:19,069
idea because afterwards I'd realized

668
00:26:17,838 --> 00:26:21,348
they didn't have fingernails and they

669
00:26:19,069 --> 00:26:23,089
didn't have eyebrows and hair and a

670
00:26:21,348 --> 00:26:24,589

little light appeared

671

00:26:23,089 --> 00:26:26,689

collect all the evidence and destroyers

672

00:26:24,589 --> 00:26:29,059

of aliens being present I don't rise and

673

00:26:26,690 --> 00:26:31,009

creepy the thing that creeped me out

674

00:26:29,059 --> 00:26:33,379

about UFOs with the men in black black

675

00:26:31,009 --> 00:26:36,019

the UFOs heinously UFO but then the the

676

00:26:33,380 --> 00:26:38,870

men in black was the scariest thing

677

00:26:36,019 --> 00:26:40,849

about you enjoy logical question it's

678

00:26:38,869 --> 00:26:43,459

probably associated with the you know

679

00:26:40,849 --> 00:26:45,230

the Cold War and that the federal agents

680

00:26:43,460 --> 00:26:47,779

and the CIA and all of that kind of

681

00:26:45,230 --> 00:26:51,920

business entering the public

682

00:26:47,779 --> 00:26:54,259

consciousness but I wonder if that's a

683

00:26:51,920 --> 00:26:56,570

tradition in the UFO movement that's

684

00:26:54,259 --> 00:27:00,470

come out that's all it is lasted beyond

685
00:26:56,569 --> 00:27:03,349
the 50s Linda's car with because the the

686
00:27:00,470 --> 00:27:06,620
original sighting one of the original

687
00:27:03,349 --> 00:27:09,799
starting in 1948 the Roswell that was a

688
00:27:06,619 --> 00:27:11,809
crash one the one before that long that

689
00:27:09,799 --> 00:27:13,879
there was a message recovered some bits

690
00:27:11,809 --> 00:27:17,329
of a balloon movie cupboards to eat a

691
00:27:13,880 --> 00:27:19,820
even when it was no it's just a very

692
00:27:17,329 --> 00:27:22,339
secret high-altitude balloon for spying

693
00:27:19,819 --> 00:27:24,439
on the Russian now because he was really

694
00:27:22,339 --> 00:27:26,990
good at the time as real that is a very

695
00:27:24,440 --> 00:27:29,210
delicate espionage programs in the

696
00:27:26,990 --> 00:27:31,579
American didn't want publicized and rum

697
00:27:29,210 --> 00:27:33,110
hey now they'll shoot us all then this

698
00:27:31,579 --> 00:27:35,419
damn thing crashed and their word that

699

00:27:33,109 --> 00:27:37,969

she was wreckage and some people did

700

00:27:35,420 --> 00:27:40,190

come and take it away their army people

701

00:27:37,970 --> 00:27:41,600

did come and take it away and they told

702

00:27:40,190 --> 00:27:43,820

the farmer you know don't talk about

703

00:27:41,599 --> 00:27:46,609

this to anybody and the speak 1948

704

00:27:43,819 --> 00:27:48,740

atmosphere mean the farmer fell for this

705

00:27:46,609 --> 00:27:50,479

you know and respect to this and said

706

00:27:48,740 --> 00:27:51,890

yeah that's good enough made told me not

707

00:27:50,480 --> 00:27:53,660

to talk about it and I'm not going to

708

00:27:51,890 --> 00:27:55,370

that's similar to what happened at

709

00:27:53,660 --> 00:27:56,630

Roswell state but their work because

710

00:27:55,369 --> 00:27:59,209

because that turned out to be or whether

711

00:27:56,630 --> 00:28:01,580

I'm sorry as an espionage balloon but

712

00:27:59,210 --> 00:28:02,990

it's extended to other standings now is

713

00:28:01,579 --> 00:28:05,240
get D D Phi with these people saying

714
00:28:02,990 --> 00:28:08,059
don't talk about it the things even told

715
00:28:05,240 --> 00:28:08,870
now enough in 2008 if somebody says the

716
00:28:08,059 --> 00:28:10,460
government doesn't want you to talk

717
00:28:08,869 --> 00:28:12,679
about this it will be all over the web

718
00:28:10,460 --> 00:28:14,210
within minutes yeah but now even back in

719
00:28:12,680 --> 00:28:15,259
those days you wouldn't talk about it

720
00:28:14,210 --> 00:28:17,630
you know you'd respect this

721
00:28:15,259 --> 00:28:19,849
authoritarian figure and there might

722
00:28:17,630 --> 00:28:21,080
have been some civilian agents going

723
00:28:19,849 --> 00:28:22,519
around doing this but there are

724
00:28:21,079 --> 00:28:24,439
certainly Barbie people going around

725
00:28:22,519 --> 00:28:26,599
saying we want to believe and gather and

726
00:28:24,440 --> 00:28:27,860
and taken back and we don't want people

727
00:28:26,599 --> 00:28:30,439

to talk about this because it is in fact

728

00:28:27,859 --> 00:28:31,909

a secret program I've real military

729

00:28:30,440 --> 00:28:32,669

significance in the middle of the Cold

730

00:28:31,910 --> 00:28:35,159

War and

731

00:28:32,669 --> 00:28:36,929

x a bit dodgy but what do you make of

732

00:28:35,159 --> 00:28:39,059

the sort of hijacking at the Roswell

733

00:28:36,929 --> 00:28:41,429

incident I suppose which made it sort of

734

00:28:39,058 --> 00:28:43,798

point sweetie that there was talk of the

735

00:28:41,429 --> 00:28:48,109

UFO community urban active 2067 that you

736

00:28:43,798 --> 00:28:50,308

forgive ities inside the kick and and

737

00:28:48,108 --> 00:28:52,349

this wasn't mentioned it was it was

738

00:28:50,308 --> 00:28:53,999

known to be there but just one of many

739

00:28:52,349 --> 00:28:56,128

obscure sightings that nobody cared

740

00:28:53,999 --> 00:28:58,169

about there were warm or what about

741

00:28:56,128 --> 00:28:59,849

Colin sightings and recent sightings and

742
00:28:58,169 --> 00:29:02,190
it was until nineteen eighty that yeah

743
00:28:59,849 --> 00:29:04,439
attention was drawn to it by Stanton

744
00:29:02,190 --> 00:29:06,419
Friedman nuclear physicist who by the

745
00:29:04,440 --> 00:29:10,528
way as this would you care physicist

746
00:29:06,419 --> 00:29:13,350
than I am and you for that matter so we

747
00:29:10,528 --> 00:29:16,440
are killer dr. rachel nuclear physicist

748
00:29:13,349 --> 00:29:18,898
and he the attention to it and it began

749
00:29:16,440 --> 00:29:21,149
to began to gain fallen sin the UFO

750
00:29:18,898 --> 00:29:23,038
culture until it got bigger and bigger

751
00:29:21,148 --> 00:29:25,408
and it was of interest because it's the

752
00:29:23,038 --> 00:29:27,329
only claim that there's a of your

753
00:29:25,409 --> 00:29:29,369
manifestations were crash you for the

754
00:29:27,329 --> 00:29:31,138
clay needs of this thing some large

755
00:29:29,368 --> 00:29:34,199
craft has crashed as being kept in a

756
00:29:31,138 --> 00:29:35,939
hangar at area 51 you know a large piece

757
00:29:34,200 --> 00:29:38,369
of evidence and also alien bodies or a

758
00:29:35,940 --> 00:29:40,139
lot of physical stuff who's being kept

759
00:29:38,368 --> 00:29:42,418
on and kept secret but it's true isn't

760
00:29:40,138 --> 00:29:45,148
it that it was twenty years after the

761
00:29:42,419 --> 00:29:46,499
the crash occurred that started that it

762
00:29:45,148 --> 00:29:48,599
took off in the media including two

763
00:29:46,499 --> 00:29:50,329
years yeah please to use it one man who

764
00:29:48,599 --> 00:29:52,378
attention to it some of these

765
00:29:50,329 --> 00:29:53,970
unfortunate highly prominent and gets

766
00:29:52,378 --> 00:29:56,128
all over the place so that is he

767
00:29:53,970 --> 00:29:57,839
mellowed put me in fact Brian Dunning

768
00:29:56,128 --> 00:30:00,418
does a very good step Toit on the

769
00:29:57,839 --> 00:30:02,038
roswell incident but it's funny when you

770

00:30:00,419 --> 00:30:04,649
listen to what he talks about and read

771
00:30:02,038 --> 00:30:06,269
about it that in fact yes it took very

772
00:30:04,648 --> 00:30:08,189
use for it just sort of get publicized

773
00:30:06,269 --> 00:30:11,608
and to the level that it has now and

774
00:30:08,190 --> 00:30:14,190
it's entered you know the public sphere

775
00:30:11,608 --> 00:30:16,769
is is amazing incident which in fact it

776
00:30:14,190 --> 00:30:18,359
wasn't at all it's at the time there's

777
00:30:16,769 --> 00:30:21,298
only one filings and weather balloon

778
00:30:18,358 --> 00:30:23,849
pieces yeah that's no as part of

779
00:30:21,298 --> 00:30:25,888
folklore and legend and in fact it's all

780
00:30:23,849 --> 00:30:27,538
been pretty much fabricated I give a

781
00:30:25,888 --> 00:30:29,398
lecture I show a terrific picture this

782
00:30:27,538 --> 00:30:31,169
large crashed flying saucer about a

783
00:30:29,398 --> 00:30:32,819
hundred feet across three bidden in the

784
00:30:31,169 --> 00:30:35,009

mountainside you know sticking out at an

785

00:30:32,819 --> 00:30:37,009

angle and pursue the captain saying I do

786

00:30:35,009 --> 00:30:40,069

as you drive more carefully

787

00:30:37,009 --> 00:30:41,960

oh dear oh dear of course we drag bodies

788

00:30:40,069 --> 00:30:44,869

as well with it yeah they live alien

789

00:30:41,960 --> 00:30:46,279

autopsy of 1995 reserving a famous that

790

00:30:44,869 --> 00:30:47,989

you should of this and people fell for

791

00:30:46,279 --> 00:30:50,329

that I'm not the video upstairs though

792

00:30:47,990 --> 00:30:52,309

it's wonderful area you see to wall to

793

00:30:50,329 --> 00:30:53,539

the room when it's quite fun and for a

794

00:30:52,309 --> 00:30:54,980

long time people thought some people

795

00:30:53,539 --> 00:30:57,440

thought it was Jenny with you folks all

796

00:30:54,980 --> 00:30:59,720

polarizing some believers the skeptics

797

00:30:57,440 --> 00:31:01,400

of that movie in you make sure they will

798

00:30:59,720 --> 00:31:03,650

move The Skeptical side and something

799

00:31:01,400 --> 00:31:05,150
fists up to it but under the daily

800

00:31:03,650 --> 00:31:09,700
course you'd say well waivers of Elah

801

00:31:05,150 --> 00:31:12,920
must be the real movie somewhere yeah

802

00:31:09,700 --> 00:31:14,390
sorry Carly you have a question yes sir

803

00:31:12,920 --> 00:31:16,160
what point did you move to The Skeptical

804

00:31:14,390 --> 00:31:17,900
side you said you've been leading in

805

00:31:16,160 --> 00:31:20,000
this since you're a child not that

806

00:31:17,900 --> 00:31:22,280
dissimilar to amanda's accounted yeah

807

00:31:20,000 --> 00:31:24,319
look I'll fess up I that I ran a UFO

808

00:31:22,279 --> 00:31:30,200
group I was chairman of the Imperial

809

00:31:24,319 --> 00:31:32,419
College UFO research site yeah I was

810

00:31:30,200 --> 00:31:33,830
yeah and there are lots of us and we

811

00:31:32,420 --> 00:31:36,529
thought there was something in it you

812

00:31:33,829 --> 00:31:39,109
know we were kids and Archie were

813
00:31:36,529 --> 00:31:41,720
University students and we thought of B

814
00:31:39,109 --> 00:31:43,309
is looking at and unfortunate exactly

815
00:31:41,720 --> 00:31:45,140
what we did we gather the evidence and

816
00:31:43,309 --> 00:31:46,730
we shouldn't have done that cheffing you

817
00:31:45,140 --> 00:31:48,620
should have got the evidence we got a

818
00:31:46,730 --> 00:31:51,200
hold of all all the British sightings

819
00:31:48,619 --> 00:31:53,629
for six years or every one of them and

820
00:31:51,200 --> 00:31:57,740
what four stars only about 100 of them

821
00:31:53,630 --> 00:31:59,840
and then 90 of those are crap well okay

822
00:31:57,740 --> 00:32:01,640
where's where's the rest of it well

823
00:31:59,839 --> 00:32:03,589
there is no best of it you know this'll

824
00:32:01,640 --> 00:32:06,320
make this is all the evidence all

825
00:32:03,589 --> 00:32:08,149
solidly closed they release more since

826
00:32:06,319 --> 00:32:09,889
then haven't they and even then there's

827

00:32:08,150 --> 00:32:12,380
been questions about the legitimacy of

828
00:32:09,890 --> 00:32:14,509
it I'm Rachel was explaining about how

829
00:32:12,380 --> 00:32:16,880
they were mentally I don't know about

830
00:32:14,509 --> 00:32:18,500
five times the speed of sound or

831
00:32:16,880 --> 00:32:20,660
something like that hand time contagious

832
00:32:18,500 --> 00:32:23,119
2010 here there'll be a sonic two

833
00:32:20,660 --> 00:32:24,800
Grizzlies it can there be a mighty bang

834
00:32:23,119 --> 00:32:26,419
one under the plan everywhere they went

835
00:32:24,799 --> 00:32:28,009
and if people hear that and so what's

836
00:32:26,420 --> 00:32:30,019
that mighty a banger just to it that's a

837
00:32:28,009 --> 00:32:33,740
very good point I'd make this point to

838
00:32:30,019 --> 00:32:35,480
people um there are various physical

839
00:32:33,740 --> 00:32:37,279
things we must look out for if they're

840
00:32:35,480 --> 00:32:39,110
traveling that that that speeding is

841
00:32:37,279 --> 00:32:41,269

slowing down starting up you would hear

842

00:32:39,109 --> 00:32:42,769

the bloody sonic maybe they part the air

843

00:32:41,269 --> 00:32:45,349

and just pass through it but in that

844

00:32:42,769 --> 00:32:46,460

case you want to see them either they're

845

00:32:45,349 --> 00:32:47,659

going to be visible they're going to be

846

00:32:46,460 --> 00:32:49,160

physical what am I

847

00:32:47,660 --> 00:32:51,980

about the aliens obviously have the

848

00:32:49,160 --> 00:32:53,570

technology they have technology way yeah

849

00:32:51,980 --> 00:32:55,930

they feel sort of the cloaking shield

850

00:32:53,569 --> 00:32:58,759

what was I it reminds me of where

851

00:32:55,930 --> 00:33:00,680

cryptozoology is some wind up to your

852

00:32:58,759 --> 00:33:04,940

end of cryptozoology which is there

853

00:33:00,680 --> 00:33:06,230

moved on to not just big footage some

854

00:33:04,940 --> 00:33:07,789

kind of thing that lives in the

855

00:33:06,230 --> 00:33:10,279

mountains that nobody knows about but

856
00:33:07,789 --> 00:33:13,970
that Bigfoot phases in and out of

857
00:33:10,279 --> 00:33:15,799
quantum time yeah and that's why you

858
00:33:13,970 --> 00:33:18,650
want to fight what if you noted the

859
00:33:15,799 --> 00:33:21,440
really hardcore that cryptozoology

860
00:33:18,650 --> 00:33:24,230
that's what they say in order to get

861
00:33:21,440 --> 00:33:25,700
around the fact that this no evidence if

862
00:33:24,230 --> 00:33:27,710
I feels related to that and we actually

863
00:33:25,700 --> 00:33:30,110
had Tim dinsdale and fill the Loch Ness

864
00:33:27,710 --> 00:33:31,730
monster give us a talk at the UFO group

865
00:33:30,109 --> 00:33:33,199
and he showed his cameras showed the

866
00:33:31,730 --> 00:33:35,630
film we made which was the windup

867
00:33:33,200 --> 00:33:36,769
cameras on a tripod wind up camp and

868
00:33:35,630 --> 00:33:39,350
there is something in the water's

869
00:33:36,769 --> 00:33:42,049
probably a law sir that it could be a

870
00:33:39,349 --> 00:33:44,029
monster in a beer wine don't know if

871
00:33:42,049 --> 00:33:45,500
it's a mostly Loch Ness they can't just

872
00:33:44,029 --> 00:33:46,879
be one is going to be a whole family of

873
00:33:45,500 --> 00:33:48,920
yeah yeah it's the same they could have

874
00:33:46,880 --> 00:33:50,780
been the Panther soon as happens

875
00:33:48,920 --> 00:33:53,660
couldn't hear you can't have one thanks

876
00:33:50,779 --> 00:33:56,029
something interesting my mum's in a loss

877
00:33:53,660 --> 00:33:57,980
and or America at the moment she was in

878
00:33:56,029 --> 00:34:01,369
California and went to Monterey Bay and

879
00:33:57,980 --> 00:34:03,740
Mauro covel Everett scored where there

880
00:34:01,369 --> 00:34:06,619
are lots of wild otters and she took

881
00:34:03,740 --> 00:34:08,780
photos with a pretty quite an ordinary

882
00:34:06,619 --> 00:34:12,289
digital camera that doesn't have much of

883
00:34:08,780 --> 00:34:14,330
a zoom and she took photos of all these

884

00:34:12,289 --> 00:34:16,460
authors and their up on flickr and i was

885
00:34:14,329 --> 00:34:18,949
looking at them and thinking well that

886
00:34:16,460 --> 00:34:20,900
looks like an SE really you know these

887
00:34:18,949 --> 00:34:22,789
pictures of Anna know there are authors

888
00:34:20,900 --> 00:34:24,168
I can make up ways and get a little

889
00:34:22,789 --> 00:34:25,668
humps behind as you pick up out of the

890
00:34:24,168 --> 00:34:27,469
water lie on their backs that's right

891
00:34:25,668 --> 00:34:30,289
that's right there they lie on their

892
00:34:27,469 --> 00:34:32,059
backs on their side not moving like it's

893
00:34:30,289 --> 00:34:33,380
a whole we should do a programmer and I

894
00:34:32,059 --> 00:34:35,299
can do all about the Loch Ness monster a

895
00:34:33,380 --> 00:34:36,860
little duck course about that hey if

896
00:34:35,300 --> 00:34:39,169
anybody out there wants to fly the

897
00:34:36,860 --> 00:34:41,179
entire cast and the skeptic gentle not

898
00:34:39,168 --> 00:34:43,429

miss we will do a pass from the shores

899

00:34:41,179 --> 00:34:45,320

of lough that promise you we will and we

900

00:34:43,429 --> 00:34:48,260

will mention you by name and we will

901

00:34:45,320 --> 00:34:50,510

take a tripod this trap my family plan

902

00:34:48,260 --> 00:34:54,350

is the oldest plan that still inhabits

903

00:34:50,510 --> 00:34:56,419

its family castle what so if that

904

00:34:54,349 --> 00:34:58,130

doesn't buy me a little bit of fun it's

905

00:34:56,418 --> 00:34:59,460

probably scottish largesse i don't know

906

00:34:58,130 --> 00:35:01,500

what does rose

907

00:34:59,460 --> 00:35:02,880

well I'll hang all off some into the

908

00:35:01,500 --> 00:35:05,309

name and if you go if you look on a clan

909

00:35:02,880 --> 00:35:12,800

map where in between the Macbeth's and

910

00:35:05,309 --> 00:35:15,449

the Macduff's only other person in

911

00:35:12,800 --> 00:35:17,250

between the Macbeth and the McDaniel it

912

00:35:15,449 --> 00:35:19,230

means you're next I don't believe in any

913
00:35:17,250 --> 00:35:21,179
conspiracy theories except the one that

914
00:35:19,230 --> 00:35:25,440
says that Shakespeare owed us out of his

915
00:35:21,179 --> 00:35:28,608
nah we're not in that stupid play at all

916
00:35:25,440 --> 00:35:32,400
Hussein just down the road from mcdonald

917
00:35:28,608 --> 00:35:39,509
that's all what I'm saying is take me

918
00:35:32,400 --> 00:35:44,130
home Scottish roads your ID on a US

919
00:35:39,510 --> 00:35:45,330
phone getting back to you yeah you know

920
00:35:44,130 --> 00:35:46,950
I'll tell you what happened we got all

921
00:35:45,329 --> 00:35:48,088
the flaming evidence and it wasn't much

922
00:35:46,949 --> 00:35:50,399
and we thought well what's all the fuss

923
00:35:48,088 --> 00:35:52,230
about and we were going to be attended

924
00:35:50,400 --> 00:35:53,849
other beings other UFO groups and we

925
00:35:52,230 --> 00:35:58,710
well that's pretty soon they're all

926
00:35:53,849 --> 00:36:00,510
totally the same Bobby people it is and

927
00:35:58,710 --> 00:36:01,740
we all became very skeptical that this

928
00:36:00,510 --> 00:36:04,290
is actually where I became skeptical

929
00:36:01,739 --> 00:36:07,618
yeah every time somebody said I've got a

930
00:36:04,289 --> 00:36:10,079
flying saucer in my garden and how often

931
00:36:07,619 --> 00:36:13,170
did that occur quite a lot my god who

932
00:36:10,079 --> 00:36:17,159
said what can be seen it is uh maybe you

933
00:36:13,170 --> 00:36:20,190
know and yeah that became face getting

934
00:36:17,159 --> 00:36:23,429
all people and the BND view reports of

935
00:36:20,190 --> 00:36:26,730
UFOs as something to be analyzed you

936
00:36:23,429 --> 00:36:28,649
know in a with a bigger I would say with

937
00:36:26,730 --> 00:36:30,269
a city called like that some you know

938
00:36:28,650 --> 00:36:31,920
it's unlikely this is the real thing

939
00:36:30,269 --> 00:36:33,570
every time and they were there were a

940
00:36:31,920 --> 00:36:35,190
couple of sightings we have to learn all

941

00:36:33,570 --> 00:36:36,930
the fame of sightings and there were a

942
00:36:35,190 --> 00:36:39,690
couple sightings that are unexplained

943
00:36:36,929 --> 00:36:42,809
one was by a 14 year old boy called

944
00:36:39,690 --> 00:36:44,940
derby surname is Darby and it was you

945
00:36:42,809 --> 00:36:45,960
Ferb of a hedge it was not explained and

946
00:36:44,940 --> 00:36:48,179
then he said I was as the real thing

947
00:36:45,960 --> 00:36:50,280
wait a minute was it just a reporter a

948
00:36:48,179 --> 00:36:52,348
photograph Stephen Dobbie shares it was

949
00:36:50,280 --> 00:36:54,000
a photograph Oh was it was a Haji to see

950
00:36:52,349 --> 00:36:55,830
it was a UFO above its they were Stephen

951
00:36:54,000 --> 00:36:58,349
Dobbie she was 14 there was a story with

952
00:36:55,829 --> 00:36:59,639
it and this was in the youth of animals

953
00:36:58,349 --> 00:37:01,650
for years and years and years when

954
00:36:59,639 --> 00:37:03,900
Stephen Dobbie she was about 40 fessed

955
00:37:01,650 --> 00:37:06,240

up to it it was in no model who's a

956

00:37:03,900 --> 00:37:08,160
model digo I couldn't live with it

957

00:37:06,239 --> 00:37:09,750
anymore I have a very good friend to

958

00:37:08,159 --> 00:37:11,409
created a bit of a stir on the northern

959

00:37:09,750 --> 00:37:13,750
beaches of Sydney here in

960

00:37:11,409 --> 00:37:18,159
but we know about that I were the youth

961

00:37:13,750 --> 00:37:20,318
oh yeah yes he he created a UFO that

962

00:37:18,159 --> 00:37:23,170
made it into the local paper he got a

963

00:37:20,318 --> 00:37:25,568
lantern like a Chinese lantern and stuck

964

00:37:23,170 --> 00:37:27,309
a candle in it and I don't know somehow

965

00:37:25,568 --> 00:37:28,808
got it to to float up across the

966

00:37:27,309 --> 00:37:32,230
northern beaches and it made it into the

967

00:37:28,809 --> 00:37:35,680
manly daily and he he never fessed up

968

00:37:32,230 --> 00:37:37,599
until now how I mention is nothing what

969

00:37:35,679 --> 00:37:42,098
do we do it's about messing up on

970
00:37:37,599 --> 00:37:43,420
setting up on his bow not much happens

971
00:37:42,099 --> 00:37:45,519
in Manny's they can't put much of the

972
00:37:43,420 --> 00:37:47,798
manly daily you know your dog bites man

973
00:37:45,519 --> 00:37:50,048
sort of things don't bite this like some

974
00:37:47,798 --> 00:37:54,130
drunk that man like as long as he did on

975
00:37:50,048 --> 00:37:56,019
a week we can not lots of audio for it

976
00:37:54,130 --> 00:37:59,230
enough people that I made it into the

977
00:37:56,019 --> 00:38:02,318
manly daily have you Kylie do you have

978
00:37:59,230 --> 00:38:05,588
any more questions for Steve before we

979
00:38:02,318 --> 00:38:07,329
all fall up fly away by work well you

980
00:38:05,588 --> 00:38:09,519
started all of this stuff with the hope

981
00:38:07,329 --> 00:38:10,990
and disappointment in regards to your

982
00:38:09,519 --> 00:38:12,548
photos do you think there's still hope

983
00:38:10,989 --> 00:38:14,379
or is it more disappointment that we've

984
00:38:12,548 --> 00:38:16,778
got to look forward to despite the fact

985
00:38:14,380 --> 00:38:18,818
that modern day UFO ologist seem to be

986
00:38:16,778 --> 00:38:21,010
reaching more for the the quantum

987
00:38:18,818 --> 00:38:22,690
physics explanation for the reason why

988
00:38:21,010 --> 00:38:25,180
most don't seem to have enough evidence

989
00:38:22,690 --> 00:38:27,220
that came in at about 90 to 70 the UFOs

990
00:38:25,179 --> 00:38:29,259
have evolved as human vision has evolved

991
00:38:27,219 --> 00:38:31,179
over time like the nineteen fifties UFOs

992
00:38:29,260 --> 00:38:33,609
are made of aluminium sheets riveted

993
00:38:31,179 --> 00:38:37,509
together well obviously to UFOs were

994
00:38:33,608 --> 00:38:39,699
plastic in globby forms a 1970s UFOs are

995
00:38:37,510 --> 00:38:41,619
high technology vicious spiky things

996
00:38:39,699 --> 00:38:43,118
line leads one to entirely invisible

997
00:38:41,619 --> 00:38:48,880
they said low that they have been

998

00:38:43,119 --> 00:38:51,670
visible UFOs Buffy where science fiction

999
00:38:48,880 --> 00:38:53,619
is about few years behind maybe that's

1000
00:38:51,670 --> 00:38:55,420
why people now reaching for what the

1001
00:38:53,619 --> 00:38:56,950
bleep in quantum physics and all that's

1002
00:38:55,420 --> 00:38:58,900
like yeah people tryna stay and there

1003
00:38:56,949 --> 00:39:00,129
because you can't track that down so you

1004
00:38:58,900 --> 00:39:02,500
see it's become just completely

1005
00:39:00,130 --> 00:39:05,140
ludicrous but now maybe people people

1006
00:39:02,500 --> 00:39:06,940
seeing things forever and seeing what

1007
00:39:05,139 --> 00:39:09,278
they wish and those misplaced aliens of

1008
00:39:06,940 --> 00:39:11,470
this business the nasty actually does

1009
00:39:09,278 --> 00:39:14,619
the space aliens evolve as well the

1010
00:39:11,469 --> 00:39:16,088
1950s aliens were tall elegant beings

1011
00:39:14,619 --> 00:39:20,140
with long blond hair and silver

1012
00:39:16,088 --> 00:39:23,340

tracksuits peach messages like her stop

1013

00:39:20,139 --> 00:39:29,029

testing Adam long happy CEO don't

1014

00:39:23,340 --> 00:39:35,400

the money that comes in a minute and

1015

00:39:29,030 --> 00:39:38,250

that the 1970s aliens were small small

1016

00:39:35,400 --> 00:39:39,630

beings of a semi nasty appearance who

1017

00:39:38,250 --> 00:39:42,690

said you know stop polluting the planet

1018

00:39:39,630 --> 00:39:45,269

just trendy 1970 and don't wear those

1019

00:39:42,690 --> 00:39:48,349

flared trousers and play the other

1020

00:39:45,269 --> 00:39:51,570

record disco sucks just go yes I'm the

1021

00:39:48,349 --> 00:39:54,089

1980s aliens of small maneuver looking

1022

00:39:51,570 --> 00:39:58,789

beings who say there's do some sexual

1023

00:39:54,090 --> 00:40:01,530

experiments on yet gone but as human

1024

00:39:58,789 --> 00:40:02,820

aspirations get nasty at nasty oh yeah

1025

00:40:01,530 --> 00:40:05,160

and uh I thought there'd be people

1026

00:40:02,820 --> 00:40:07,710

seeing these things all the time and we

1027
00:40:05,159 --> 00:40:09,149
have to allow for this you know people

1028
00:40:07,710 --> 00:40:10,500
seen what they can't explain and the

1029
00:40:09,150 --> 00:40:13,829
fact that they can't explain it doesn't

1030
00:40:10,500 --> 00:40:15,869
mean it can't be explained is easy

1031
00:40:13,829 --> 00:40:17,340
possible to reason with the UFO a person

1032
00:40:15,869 --> 00:40:19,139
of senior youth 0 because you see you

1033
00:40:17,340 --> 00:40:20,130
say look Chum I was there I saw it you

1034
00:40:19,139 --> 00:40:21,779
weren't there you don't know what I'm

1035
00:40:20,130 --> 00:40:24,750
talking about yeah yeah yeah we get that

1036
00:40:21,780 --> 00:40:28,470
from all the stolen and skeptical

1037
00:40:24,750 --> 00:40:30,780
inquiry yeah people say they're crazy or

1038
00:40:28,469 --> 00:40:34,199
deluded more that they are no that's

1039
00:40:30,780 --> 00:40:36,120
Benson um I would probably take a step

1040
00:40:34,199 --> 00:40:39,869
back from that Carly I would say yeah

1041
00:40:36,119 --> 00:40:41,909
yes yes they're probably deluded now

1042
00:40:39,869 --> 00:40:45,329
deluded has very negative connotation

1043
00:40:41,909 --> 00:40:46,679
connotation you're mistaken you since

1044
00:40:45,329 --> 00:40:48,539
the only thing something that's not true

1045
00:40:46,679 --> 00:40:50,309
that there since here at this license

1046
00:40:48,539 --> 00:40:51,420
either was taken yeah all actually maybe

1047
00:40:50,309 --> 00:40:53,789
knowing what's taking those can't

1048
00:40:51,420 --> 00:40:55,230
understand let's they've seen and one of

1049
00:40:53,789 --> 00:40:58,829
the key things is that it's really

1050
00:40:55,230 --> 00:41:01,260
difficult to know distance and height

1051
00:40:58,829 --> 00:41:03,239
and speed this might be good if there

1052
00:41:01,260 --> 00:41:06,330
are two sightings of the same flavor UFO

1053
00:41:03,239 --> 00:41:08,669
and I think that I'm not a technical

1054
00:41:06,329 --> 00:41:11,250
minded science-minded really person at

1055

00:41:08,670 --> 00:41:13,680
all but I do get the train home from

1056
00:41:11,250 --> 00:41:16,050
work every day we must be how are you

1057
00:41:13,679 --> 00:41:19,179
skeptical Richard this is going

1058
00:41:16,050 --> 00:41:23,990
somewhere which is the time

1059
00:41:19,179 --> 00:41:26,569
it's going to talk to well marico the

1060
00:41:23,989 --> 00:41:29,750
people's republic of america where we

1061
00:41:26,570 --> 00:41:31,850
live where we are right now is close to

1062
00:41:29,750 --> 00:41:34,489
the airport and we see planes all the

1063
00:41:31,849 --> 00:41:36,199
time yes and I remember this happens all

1064
00:41:34,489 --> 00:41:37,669
the time I'm getting a train home and

1065
00:41:36,199 --> 00:41:41,329
I'm looking out the window and I see a

1066
00:41:37,670 --> 00:41:44,090
plane taking off the train is moving the

1067
00:41:41,329 --> 00:41:46,819
plane is moving to me it looks like the

1068
00:41:44,090 --> 00:41:48,950
plane is not moving at all I've

1069
00:41:46,820 --> 00:41:50,570

experienced that myself and I don't know

1070

00:41:48,949 --> 00:41:53,569

the physics and the maths and if someone

1071

00:41:50,570 --> 00:41:56,120

I'm sure that our vast audience someone

1072

00:41:53,570 --> 00:41:57,500

will email in with the geek details but

1073

00:41:56,119 --> 00:41:59,179

to me I don't know the geek details

1074

00:41:57,500 --> 00:42:01,280

except i'm looking at and I know that

1075

00:41:59,179 --> 00:42:02,659

deep detail on the shop now there's

1076

00:42:01,280 --> 00:42:05,030

nothing to compare the plane towards

1077

00:42:02,659 --> 00:42:06,859

anything sky I can understand it was

1078

00:42:05,030 --> 00:42:08,630

moving past of see you who they find it

1079

00:42:06,860 --> 00:42:11,840

clean you know it's movie Lucy the sky

1080

00:42:08,630 --> 00:42:14,090

oh I'm looking at that plane outside my

1081

00:42:11,840 --> 00:42:17,570

train window and I know that that plane

1082

00:42:14,090 --> 00:42:19,640

is moving like lastly faster than i am

1083

00:42:17,570 --> 00:42:23,240

moving yes going it's taking off right

1084
00:42:19,639 --> 00:42:25,519
yes but it to me it looks like it is not

1085
00:42:23,239 --> 00:42:27,709
moving at all any of them every time I

1086
00:42:25,519 --> 00:42:31,579
said it's a small thing but to me I

1087
00:42:27,710 --> 00:42:33,860
think that feeds into my philosophy

1088
00:42:31,579 --> 00:42:36,889
which is anyone can be fooled mm-hmm I

1089
00:42:33,860 --> 00:42:39,740
can reform agree what you see is not

1090
00:42:36,889 --> 00:42:42,559
necessarily what is happening and you

1091
00:42:39,739 --> 00:42:44,629
need to correct all of that with object

1092
00:42:42,559 --> 00:42:46,519
if you have you have prepared something

1093
00:42:44,630 --> 00:42:48,559
that's right and you have to learn it

1094
00:42:46,519 --> 00:42:52,369
because if I had not learned that I

1095
00:42:48,559 --> 00:42:55,159
would look and if it was a different

1096
00:42:52,369 --> 00:42:57,469
circumstance yeah i would say that plane

1097
00:42:55,159 --> 00:42:59,029
not moving and i would i would think

1098
00:42:57,469 --> 00:43:00,769
something completely different was

1099
00:42:59,030 --> 00:43:04,160
happening but it's been what it was what

1100
00:43:00,769 --> 00:43:07,519
skeptics have done largely is that

1101
00:43:04,159 --> 00:43:10,129
they've to an extent can't unlearn some

1102
00:43:07,519 --> 00:43:14,869
things and they go against what is

1103
00:43:10,130 --> 00:43:17,180
intuitive I'm looking at it is not

1104
00:43:14,869 --> 00:43:21,599
moving from my point of view it is not

1105
00:43:17,179 --> 00:43:26,460
it's like waving a lot of me

1106
00:43:21,599 --> 00:43:28,079
have to move well let's say 1015 seconds

1107
00:43:26,460 --> 00:43:30,720
what you're looking at the lead is not

1108
00:43:28,079 --> 00:43:32,670
moving there I can see that I've seen

1109
00:43:30,719 --> 00:43:34,349
one coming towards me which was touchy

1110
00:43:32,670 --> 00:43:36,119
flying but it's actually not moving much

1111
00:43:34,349 --> 00:43:38,190
relative to my line of vision exactly

1112

00:43:36,119 --> 00:43:40,380
maybe yours it was taking off towards

1113
00:43:38,190 --> 00:43:42,510
you didn't have to move whatever angles

1114
00:43:40,380 --> 00:43:45,630
and I know that it's angles and physics

1115
00:43:42,510 --> 00:43:48,240
blah blah blah but um if you don't know

1116
00:43:45,630 --> 00:43:51,150
that yeah you say it can't be a plane's

1117
00:43:48,239 --> 00:43:56,549
it will only yeah that's why and I saw

1118
00:43:51,150 --> 00:43:58,440
it don't try to tell me that I saw I

1119
00:43:56,550 --> 00:44:00,780
think one of the great lessons that

1120
00:43:58,440 --> 00:44:03,030
skepticism teaches us is that no matter

1121
00:44:00,780 --> 00:44:07,290
what we think or what we think we've

1122
00:44:03,030 --> 00:44:09,330
seen or felt or hurry we must even if

1123
00:44:07,289 --> 00:44:12,269
it's completely counterintuitive and

1124
00:44:09,329 --> 00:44:14,579
makes no sense to us at the time and say

1125
00:44:12,269 --> 00:44:17,039
the words to ourselves we might be

1126
00:44:14,579 --> 00:44:18,630

mistaken hmm and that is something you

1127

00:44:17,039 --> 00:44:20,969

had that's exactly what I'm saying it's

1128

00:44:18,630 --> 00:44:22,890

a it's almost a daily reminder in a very

1129

00:44:20,969 --> 00:44:25,709

mundane way I look at the window I start

1130

00:44:22,889 --> 00:44:29,789

playing it up I'm not seeing what I

1131

00:44:25,710 --> 00:44:32,010

think I'm seeing it may be well I know

1132

00:44:29,789 --> 00:44:33,809

that well you know that rain I'm not

1133

00:44:32,010 --> 00:44:37,680

seeing with that Qantas plane taking off

1134

00:44:33,809 --> 00:44:40,710

I know I know listeners are invited

1135

00:44:37,679 --> 00:44:44,639

indeed to send us pictures of their UFOs

1136

00:44:40,710 --> 00:44:47,130

in fact please do why not throw your

1137

00:44:44,639 --> 00:44:48,900

keys in the air in your hat in your shoe

1138

00:44:47,130 --> 00:44:50,940

and send it to us we'd love to see them

1139

00:44:48,900 --> 00:44:53,340

sure I'll tell you something about UFO

1140

00:44:50,940 --> 00:44:55,139

sighting experiences or one of the word

1141
00:44:53,340 --> 00:44:56,820
is you can say contactees if somebody's

1142
00:44:55,139 --> 00:44:59,219
seen a UFO that makes them feel very

1143
00:44:56,820 --> 00:45:00,510
special live experiences I've seen

1144
00:44:59,219 --> 00:45:03,089
something in the sky that I couldn't

1145
00:45:00,510 --> 00:45:04,890
understand and I thought hey the aliens

1146
00:45:03,090 --> 00:45:07,050
are coming and I'm the first one to see

1147
00:45:04,889 --> 00:45:08,549
them now this is really significant and

1148
00:45:07,050 --> 00:45:11,730
it's wonderful feeling that you're

1149
00:45:08,550 --> 00:45:14,610
somehow special and if you keep that as

1150
00:45:11,730 --> 00:45:16,320
a UFO in my case I end what you didn't I

1151
00:45:14,610 --> 00:45:17,760
kept watching it and I shouldn't have

1152
00:45:16,320 --> 00:45:19,620
done that should have gone indoors and

1153
00:45:17,760 --> 00:45:22,110
just darling turned into an airplane

1154
00:45:19,619 --> 00:45:23,849
flew overhead but if I got indoors

1155
00:45:22,110 --> 00:45:27,240
before I do that I think I've seen a UFO

1156
00:45:23,849 --> 00:45:30,179
I feel very special and I really don't

1157
00:45:27,239 --> 00:45:31,009
wish to analyze people's UFO sightings

1158
00:45:30,179 --> 00:45:32,449
that much

1159
00:45:31,010 --> 00:45:35,570
you're taking that away from them and

1160
00:45:32,449 --> 00:45:37,699
the last ones that you fo explained and

1161
00:45:35,570 --> 00:45:39,559
the young analogy for this is in monty

1162
00:45:37,699 --> 00:45:41,929
python's life of brian about the ex

1163
00:45:39,559 --> 00:45:44,329
leper this guy's drinking sit on sore

1164
00:45:41,929 --> 00:45:48,859
neck slip up you know I had a living but

1165
00:45:44,329 --> 00:45:50,449
be cured me no leftover Leroy and say if

1166
00:45:48,860 --> 00:45:52,700
you're somebody who's seen you fo you

1167
00:45:50,449 --> 00:45:54,259
can feel special on the really the last

1168
00:45:52,699 --> 00:45:57,619
he wants and some skipping to come along

1169

00:45:54,260 --> 00:45:59,210
and explain it so that be I might be

1170
00:45:57,619 --> 00:46:01,009
option to analyze the sightings for this

1171
00:45:59,210 --> 00:46:02,929
reason you're taken away think wellness

1172
00:46:01,010 --> 00:46:04,640
of Steve we would love to analyze your

1173
00:46:02,929 --> 00:46:06,829

1260
00:50:06,889 --> 00:50:11,868
now let's all get back to enjoying the

1261
00:50:09,659 --> 00:50:11,868
zone

1262
00:50:18,400 --> 00:50:23,599
and now we have a couple of short

1263
00:50:20,780 --> 00:50:26,119
interviews about UFOs kicking off with

1264
00:50:23,599 --> 00:50:28,010
one conducted by dr. Karen stalls now

1265
00:50:26,119 --> 00:50:29,930
now we did have some technical problems

1266
00:50:28,010 --> 00:50:32,570
with the recording but bear with it it's

1267
00:50:29,929 --> 00:50:34,848
only short and after that we'll have a

1268
00:50:32,570 --> 00:50:37,550
quick chat to current New South Wales

1269
00:50:34,849 --> 00:50:42,760
president of Australian skeptics Peter

1270
00:50:37,550 --> 00:50:42,760
bowditch about his thoughts on UFOs I

1271
00:50:43,420 --> 00:50:48,380
traveled to vallejo in the San Francisco

1272
00:50:45,650 --> 00:50:51,250
Bay Area to interview my friend Bill

1273
00:50:48,380 --> 00:50:53,838
bank's bill grew up in Memphis Tennessee

1274
00:50:51,250 --> 00:50:56,030
and when he was just a boy he witnessed

1275
00:50:53,838 --> 00:50:59,599
an unidentified flying object in the

1276
00:50:56,030 --> 00:51:01,940
skies at school one day I asked bill to

1277
00:50:59,599 --> 00:51:05,420
describe himself and he said present me

1278
00:51:01,940 --> 00:51:07,940
as a postal worker and eccentric bill is

1279
00:51:05,420 --> 00:51:10,369
also a member of mensa and a reader of

1280
00:51:07,940 --> 00:51:13,190
the skeptic magazine but my favorite

1281
00:51:10,369 --> 00:51:18,260
introduction for him is the skeptic who

1282
00:51:13,190 --> 00:51:21,530
saw a UFO so ah thank you very much for

1283

00:51:18,260 --> 00:51:23,510
joining today bill and I guess the first

1284
00:51:21,530 --> 00:51:27,319
question I have to ask is what was the

1285
00:51:23,510 --> 00:51:30,740
experience that you have when I was in

1286
00:51:27,318 --> 00:51:35,000
grade school I can remember say three

1287
00:51:30,739 --> 00:51:38,139
occasions at recess I have been up into

1288
00:51:35,000 --> 00:51:41,510
the sky it was always clear and blue and

1289
00:51:38,139 --> 00:51:44,719
there were silver rockets leaving bike

1290
00:51:41,510 --> 00:51:46,790
countries usually say I would guess

1291
00:51:44,719 --> 00:51:50,209
three or four times the length of the

1292
00:51:46,789 --> 00:51:54,710
ship now the problem is from your point

1293
00:51:50,210 --> 00:51:56,568
of view and anybody who believes in the

1294
00:51:54,710 --> 00:52:00,318
real world so to speak and I include

1295
00:51:56,568 --> 00:52:03,409
myself is this is recess this is great

1296
00:52:00,318 --> 00:52:06,800
school and I never hollered hey look at

1297
00:52:03,409 --> 00:52:09,710

that I can still see these wretched

1298

00:52:06,800 --> 00:52:12,318

things in my mind's eye more than 50

1299

00:52:09,710 --> 00:52:16,789

years later Oakland and I had a chance

1300

00:52:12,318 --> 00:52:19,190

to holler to get other folks go up I

1301

00:52:16,789 --> 00:52:21,769

didn't so there were other people around

1302

00:52:19,190 --> 00:52:25,400

yes isn't well this is recess on

1303

00:52:21,769 --> 00:52:29,000

definition so teachers and other

1304

00:52:25,400 --> 00:52:30,740

students students teachers are stayed

1305

00:52:29,000 --> 00:52:33,079

away from the playgrounds for whatever

1306

00:52:30,739 --> 00:52:36,739

reason in those days see you don't have

1307

00:52:33,079 --> 00:52:39,349

anyone who can really cooperate no story

1308

00:52:36,739 --> 00:52:41,899

so you did you go home and tell your

1309

00:52:39,349 --> 00:52:43,970

parents about it or discuss it with

1310

00:52:41,900 --> 00:52:47,450

anyone afterwards I can remember telling

1311

00:52:43,969 --> 00:52:49,549

my folks ah but they didn't take me too

1312
00:52:47,449 --> 00:52:54,588
seriously surprise even been things in

1313
00:52:49,550 --> 00:52:56,420
those days no after all this time that

1314
00:52:54,588 --> 00:53:00,349
you'll but he said it you're skeptical

1315
00:52:56,420 --> 00:53:02,269
of what you saw absolutely they it's

1316
00:53:00,349 --> 00:53:04,690
just because I could say that you've

1317
00:53:02,269 --> 00:53:06,530
spent from that time until now

1318
00:53:04,690 --> 00:53:09,050
investigating this and thinking about

1319
00:53:06,530 --> 00:53:11,140
this and reliving this experience and

1320
00:53:09,050 --> 00:53:13,609
it's interested you to the state

1321
00:53:11,139 --> 00:53:17,000
reliving and investigating a little

1322
00:53:13,608 --> 00:53:19,159
stroll it's interesting absolutely if

1323
00:53:17,000 --> 00:53:22,369
you think it's more probable but it's

1324
00:53:19,159 --> 00:53:25,818
something natural rather than being an

1325
00:53:22,369 --> 00:53:27,890
alien spacecraft because there are a lot

1326
00:53:25,818 --> 00:53:29,838
of people i would think that most people

1327
00:53:27,889 --> 00:53:32,358
who believe in the sort of thing or who

1328
00:53:29,838 --> 00:53:35,809
have had experiences would ascribe some

1329
00:53:32,358 --> 00:53:39,619
sort of paranormal alien underlying

1330
00:53:35,809 --> 00:53:42,828
reason to what they sing well if you go

1331
00:53:39,619 --> 00:53:45,980
if you take a liberal as a number of UFO

1332
00:53:42,829 --> 00:53:48,769
reports lord knows that there's plenty

1333
00:53:45,980 --> 00:53:52,309
of room for our space monsters amongst

1334
00:53:48,769 --> 00:53:54,829
them the thing is that if you allow

1335
00:53:52,309 --> 00:53:56,000
allowing that to be so there is no

1336
00:53:54,829 --> 00:53:57,680
apparent

1337
00:53:56,000 --> 00:54:02,690
differentiate between the real

1338
00:53:57,679 --> 00:54:05,960
spacelings and whatever else that

1339
00:54:02,690 --> 00:54:07,730
doesn't sit too well with me i'm i would

1340

00:54:05,960 --> 00:54:09,760
think that real spacelings ought to

1341
00:54:07,730 --> 00:54:14,420
clearly differentiate themselves from

1342
00:54:09,760 --> 00:54:19,340
the gross and the sightings are of such

1343
00:54:14,420 --> 00:54:24,380
frequency as to logically conclude on

1344
00:54:19,340 --> 00:54:26,360
that degree of visitation so it's an

1345
00:54:24,380 --> 00:54:28,970
unidentified flying object and I guess

1346
00:54:26,360 --> 00:54:31,370
we go with that literal interpretation

1347
00:54:28,969 --> 00:54:33,169
then all the other experiences that

1348
00:54:31,369 --> 00:54:37,099
other people have had their still left

1349
00:54:33,170 --> 00:54:40,159
unidentified and we need to continue

1350
00:54:37,099 --> 00:54:44,960
being skeptical about them well I would

1351
00:54:40,159 --> 00:54:46,579
urge skepticism about UFOs and a whole

1352
00:54:44,960 --> 00:54:50,389
lot more including though most

1353
00:54:46,579 --> 00:54:54,519
politicians and on that large thank you

1354
00:54:50,389 --> 00:54:54,519

very much for your time bill thank you

1355

00:54:57,260 --> 00:55:02,130

well I'm with dr. Rachel Dunlop

1356

00:54:59,820 --> 00:55:04,530

announces your lab isn't it Rachel well

1357

00:55:02,130 --> 00:55:06,630

it sort of itself seminar room that's a

1358

00:55:04,530 --> 00:55:08,220

tea room is interior ya know and we are

1359

00:55:06,630 --> 00:55:10,079

having tea we're having tea now interest

1360

00:55:08,219 --> 00:55:12,329

it's interesting that when i was putting

1361

00:55:10,079 --> 00:55:14,759

this episode together i was trying to

1362

00:55:12,329 --> 00:55:16,170

get people who have had UFO experiences

1363

00:55:14,760 --> 00:55:17,460

and i put out the call on the internet

1364

00:55:16,170 --> 00:55:21,780

and Rachel's been looking around and

1365

00:55:17,460 --> 00:55:24,720

Kylie and other people we can't find it

1366

00:55:21,780 --> 00:55:27,060

isn't that funny Richard you tweeted it

1367

00:55:24,719 --> 00:55:29,549

I think yeah Carly tweeted it your

1368

00:55:27,059 --> 00:55:31,079

facebook that yeah I asked around my

1369
00:55:29,550 --> 00:55:33,330
workplace and there's about 70 people

1370
00:55:31,079 --> 00:55:35,400
who work here and nobody had seen nope

1371
00:55:33,329 --> 00:55:37,259
nobody neither UFOs anymore I don't any

1372
00:55:35,400 --> 00:55:39,269
what's happened I don't know I guess

1373
00:55:37,260 --> 00:55:40,410
it's not the 1970s anymore is it when

1374
00:55:39,269 --> 00:55:42,329
they were really popular and everyone

1375
00:55:40,409 --> 00:55:45,599
was saying them what a pity I like the

1376
00:55:42,329 --> 00:55:49,529
1970s over fun but or perhaps we're just

1377
00:55:45,599 --> 00:55:51,170
not in a high UFO visitation area hmm

1378
00:55:49,530 --> 00:55:55,620
you know that they tend to sort of

1379
00:55:51,170 --> 00:55:57,829
congregate in there in rural England a

1380
00:55:55,619 --> 00:56:00,809
lot don't they or I tell you what

1381
00:55:57,829 --> 00:56:02,730
they've been seen in the Blue Mountains

1382
00:56:00,809 --> 00:56:04,139
which are Westar Sydney in fact I think

1383
00:56:02,730 --> 00:56:07,699
I'll go there now and see what I can

1384
00:56:04,139 --> 00:56:07,699
find out ah hurry hurry

1385
00:56:11,380 --> 00:56:16,070
UFOs like places like the Blue Mountains

1386
00:56:14,179 --> 00:56:20,509
because they're closely because the hide

1387
00:56:16,070 --> 00:56:22,820
I can save fuel by landing here

1388
00:56:20,510 --> 00:56:25,370
throughout the laning further down

1389
00:56:22,820 --> 00:56:27,590
toward the ocean I'm speaking with Peter

1390
00:56:25,369 --> 00:56:29,269
Bowditch who's the current president of

1391
00:56:27,590 --> 00:56:30,769
Australian skeptics we're in a lovely

1392
00:56:29,269 --> 00:56:33,440
club here in the Blue Mountains which

1393
00:56:30,769 --> 00:56:35,150
are just west of Sydney and it's

1394
00:56:33,440 --> 00:56:38,269
beautiful up here I really enjoyed but

1395
00:56:35,150 --> 00:56:39,710
it is a hot spot for UFOs well go and

1396
00:56:38,269 --> 00:56:42,639
the other thing the UFOs I be concerned

1397

00:56:39,710 --> 00:56:44,599
about global warming obviously and

1398
00:56:42,639 --> 00:56:47,420
therefore the higher you are the better

1399
00:56:44,599 --> 00:56:48,889
with the Greenland ice caps melt between

1400
00:56:47,420 --> 00:56:49,970
now and Tuesday it's going to be

1401
00:56:48,889 --> 00:56:51,949
fighting every there tell you bad news

1402
00:56:49,969 --> 00:56:53,480
so yeah here is going to be safe we'll

1403
00:56:51,949 --> 00:56:56,689
be able to stand on the bridge at the

1404
00:56:53,480 --> 00:56:57,829
railway station look at the ocean okay I

1405
00:56:56,690 --> 00:57:00,829
was suggesting to the council that my

1406
00:56:57,829 --> 00:57:02,509
mighty produced water skiing and I local

1407
00:57:00,829 --> 00:57:04,940
like I've dr. Lee would go down very

1408
00:57:02,510 --> 00:57:06,770
badly so I see but what what will this

1409
00:57:04,940 --> 00:57:08,599
mean for the UFOs on the sneer with a

1410
00:57:06,769 --> 00:57:11,119
book while the other attractions for the

1411
00:57:08,599 --> 00:57:14,239

UFOs here is the island is of course the

1412

00:57:11,119 --> 00:57:15,889

airwaves this is yaoi country so I've

1413

00:57:14,239 --> 00:57:18,529

had to become a true believer in Yowies

1414

00:57:15,889 --> 00:57:22,039

does I blew through the bush I've seen

1415

00:57:18,530 --> 00:57:23,420

the buy packs on the trees I've just

1416

00:57:22,039 --> 00:57:24,920

seen the evidence that Betty it's

1417

00:57:23,420 --> 00:57:27,740

everywhere now for those people who may

1418

00:57:24,920 --> 00:57:30,200

not realize a yaoi is the Australian

1419

00:57:27,739 --> 00:57:32,149

cousin of the Bigfoot or Sasquatch the

1420

00:57:30,199 --> 00:57:34,489

fleet otters be their feed owners be no

1421

00:57:32,150 --> 00:57:37,010

but I biggity biggity 'the yes maybe

1422

00:57:34,489 --> 00:57:38,149

they shouldn't big tooth we thought

1423

00:57:37,010 --> 00:57:42,080

according to net but I think that's a

1424

00:57:38,150 --> 00:57:44,180

trade nine for somebody also we know in

1425

00:57:42,079 --> 00:57:45,980

films of the Yowie unlike films a

1426
00:57:44,179 --> 00:57:49,549
Bigfoot you can't see the zipper on the

1427
00:57:45,980 --> 00:57:51,349
suit I like that famous Patterson film

1428
00:57:49,550 --> 00:57:52,820
of the Bigfoot yeah yeah when you go for

1429
00:57:51,349 --> 00:57:54,259
any by funding to the zipper on it yeah

1430
00:57:52,820 --> 00:57:57,200
I just I think it just shows that

1431
00:57:54,260 --> 00:57:58,490
Bigfoot just have more dress sense up

1432
00:57:57,199 --> 00:58:00,379
here they probably use velcro or

1433
00:57:58,489 --> 00:58:02,149
something no I I think now the president

1434
00:58:00,380 --> 00:58:05,210
of the Australian skeptics is living up

1435
00:58:02,150 --> 00:58:07,250
here somehow I think there should be

1436
00:58:05,210 --> 00:58:09,309
some fresh cow he tracks before long I

1437

1438
00:58:09,309 --> 00:58:14,500
I can see it happening but it was also a

1439
00:58:11,530 --> 00:58:17,380
hotbed of psychics so I kick something

1448
00:58:32,710 --> 00:58:37,420
people most of the town's you have at

1449
00:58:35,500 --> 00:58:41,260
least one shop that sells crystals good

1450
00:58:37,420 --> 00:58:43,510
good and I where were things yeah so I

1451
00:58:41,260 --> 00:58:45,400

1453
00:58:45,400 --> 00:58:49,750
endeavor to come back here in the middle

1454

00:58:48,489 --> 00:58:52,839
of the year probably when it's nice and

1455
00:58:49,750 --> 00:58:54,039

1456
00:58:52,840 --> 00:58:56,110

1458
00:58:56,110 --> 00:59:01,450

middle of the night and by morning this

1460
00:59:01,449 --> 00:59:04,839

00:59:09,369 --> 00:59:13,509
but they do notice the three-toed

1465
00:59:10,570 --> 00:59:16,120
