

1
00:00:05,899 --> 00:00:13,910
welcome to the skeptic sir the podcast

2
00:00:08,939 --> 00:00:13,910
from Australia for science and reason

3
00:00:14,119 --> 00:00:25,109
area host Richard Saunders and Stefan

4
00:00:17,760 --> 00:00:28,140
Soyka Richard welcome along one more

5
00:00:25,109 --> 00:00:30,570
time one more time hello Stefan you know

6
00:00:28,140 --> 00:00:31,980
I thought that that introduction by our

7
00:00:30,570 --> 00:00:34,409
voiceover man Jamal show this week

8
00:00:31,980 --> 00:00:36,780
sounded a bit different it actually

9
00:00:34,409 --> 00:00:40,289
sounded quite intimate quite quite close

10
00:00:36,780 --> 00:00:42,689
the proximity of the voiceover was was

11
00:00:40,289 --> 00:00:44,159
just the modern modern technology you

12
00:00:42,689 --> 00:00:46,229
think he's in the same room with it

13
00:00:44,159 --> 00:00:48,869
feels almost as if he's in the same room

14
00:00:46,229 --> 00:00:53,609
with us in fact he is let's get on with

15
00:00:48,869 --> 00:00:55,649
it hello Jim Jim's here female voiceover

16
00:00:53,609 --> 00:00:58,019
man from and now it's time for dr.

17
00:00:55,649 --> 00:00:59,640
Richie reports and it's a grain of salt

18
00:00:58,020 --> 00:01:01,980
and all the rest he's here in the room

19
00:00:59,640 --> 00:01:03,570
with us you know I didn't even know he

20
00:01:01,979 --> 00:01:05,459
was a real person I thought he wasn't

21
00:01:03,570 --> 00:01:07,920
really I thought he was a voiceover from

22
00:01:05,459 --> 00:01:11,250
another realm adda voiceover generated

23
00:01:07,920 --> 00:01:14,250
me hear something I used to be and

24
00:01:11,250 --> 00:01:16,409
you've been down now I'm here oh it's

25
00:01:14,250 --> 00:01:19,228
good to see you and it's makes this

26
00:01:16,409 --> 00:01:21,330
oness slightly more um crowded it does

27
00:01:19,228 --> 00:01:23,640
in our little studio does but I'm

28
00:01:21,329 --> 00:01:25,349
pleased to say that not only will Jim be

29

00:01:23,640 --> 00:01:27,329
joining us later in the show for the

30
00:01:25,349 --> 00:01:29,578
think tank oh yes he will you see well

31
00:01:27,329 --> 00:01:31,438
last night at skeptics in the pub here

32
00:01:29,578 --> 00:01:33,478
in Sydney Jim gave a live read of one of

33
00:01:31,438 --> 00:01:36,179
these skeptical palms about the these

34
00:01:33,478 --> 00:01:38,609
funny energy power bracelets ah I

35
00:01:36,180 --> 00:01:40,650
allowing anyone who makes fun of those

36
00:01:38,609 --> 00:01:42,629
silly things but it's surprising because

37
00:01:40,650 --> 00:01:44,939
jim has said welcome to the skeptic zone

38
00:01:42,629 --> 00:01:47,609
now a hundred and twenty four times

39
00:01:44,938 --> 00:01:49,949
because this is episode number 124 for

40
00:01:47,609 --> 00:01:51,209
the fourth of March it's 125 actually

41
00:01:49,950 --> 00:01:53,579
because this is the second time we've

42
00:01:51,209 --> 00:01:56,158
done this oh we're gonna be professional

43
00:01:53,578 --> 00:01:58,649

about this and counting the pilot that

44

00:01:56,159 --> 00:01:59,969

we did it's 126 are the pilot that was

45

00:01:58,649 --> 00:02:01,590

never seen those they were saying I'm

46

00:01:59,968 --> 00:02:04,589

not practiced that you have practice

47

00:02:01,590 --> 00:02:08,459

that's probably a hundred 727 any

48

00:02:04,590 --> 00:02:11,069

advance 127 alright what the official

49

00:02:08,459 --> 00:02:13,699

what episode is it especially now after

50

00:02:11,068 --> 00:02:16,919

all that it is still officially episode

51

00:02:13,699 --> 00:02:18,629

124 ah Jimmy must be exhausted as we are

52

00:02:16,919 --> 00:02:23,009

what if you're honest have only said it

53

00:02:18,629 --> 00:02:25,409

twice well Richard welcome along again

54

00:02:23,009 --> 00:02:26,699

thank you and Jim and so what are we

55

00:02:25,409 --> 00:02:28,409

gonna happening it's a big shot it's

56

00:02:26,699 --> 00:02:29,729

always richer it's a huge show it to you

57

00:02:28,409 --> 00:02:32,819

show it is it bigger if you don't bigger

58
00:02:29,729 --> 00:02:36,299
than that yes it's so big this show is

59
00:02:32,819 --> 00:02:38,939
so big it goes as far as norway norway

60
00:02:36,300 --> 00:02:40,890
we know what's happening in norway we're

61
00:02:38,939 --> 00:02:43,349
going to be speaking to Kristin Carlson

62
00:02:40,889 --> 00:02:45,539
from the Norwegian skeptics the

63
00:02:43,349 --> 00:02:47,009
Norwegian skeptics Weejun skeptics yeah

64
00:02:45,539 --> 00:02:49,829
I don't know they're pretty big on cold

65
00:02:47,009 --> 00:02:51,959
reading up there aren't they Oh Jim do

66
00:02:49,830 --> 00:02:55,350
you want to be a host answer to him it's

67
00:02:51,960 --> 00:02:56,909
no way oh thank you various kristin is

68
00:02:55,349 --> 00:02:59,280
going to be speaking to us our rider

69
00:02:56,909 --> 00:03:00,900
magica skype all about the Norwegian

70
00:02:59,280 --> 00:03:03,360
skeptics and her activities are

71
00:03:00,900 --> 00:03:05,189
promoting science and reason in that

72
00:03:03,360 --> 00:03:06,570
part of the world actually I actually

73
00:03:05,189 --> 00:03:08,490
thought they were quite reasonable up

74
00:03:06,569 --> 00:03:10,919
there already are there actually people

75
00:03:08,490 --> 00:03:12,870
in Norway that are into whoo whoo I'm

76
00:03:10,919 --> 00:03:14,669
sure there is there are really will be

77
00:03:12,870 --> 00:03:16,890
and then there will be tomorrow and

78
00:03:14,669 --> 00:03:19,349
there always will be um but no she's

79
00:03:16,889 --> 00:03:22,169
great fantastic interview coming up also

80
00:03:19,349 --> 00:03:25,469
on today's show dr. Richie Maynard and I

81
00:03:22,169 --> 00:03:27,299
went to Armageddon thank you again it

82
00:03:25,469 --> 00:03:29,159
really that was the movie or you

83
00:03:27,300 --> 00:03:30,689
actually experience the experience that

84
00:03:29,159 --> 00:03:32,340
we experienced the end of the world we

85
00:03:30,689 --> 00:03:33,719
have a special report from the end of

86

00:03:32,340 --> 00:03:35,879
the world really now those who is like

87
00:03:33,719 --> 00:03:37,560
an anime fest here in Sydney and science

88
00:03:35,879 --> 00:03:39,870
fiction and all that sort of stuff we're

89
00:03:37,560 --> 00:03:41,250
chatting to various voice-over artist oh

90
00:03:39,870 --> 00:03:44,069
really I haven't seen one of those for a

91
00:03:41,250 --> 00:03:46,560
long time now and this week we may not

92
00:03:44,069 --> 00:03:48,569
interviews michael McConaughey who does

93
00:03:46,560 --> 00:03:51,150
lots of video game voice overs and

94
00:03:48,569 --> 00:03:52,739
things like that oh yeah a few stories

95
00:03:51,150 --> 00:03:55,260
to tell about being cooped up in a booth

96
00:03:52,739 --> 00:03:57,420
I'm sure is that and talking he's a sort

97
00:03:55,259 --> 00:03:59,609
of guy who would probably say in a world

98
00:03:57,419 --> 00:04:03,929
gone mad oh you know that sort of stuff

99
00:03:59,610 --> 00:04:06,330
or kill them all die I think he does

100
00:04:03,930 --> 00:04:09,659

same time we had the think tank of

101

00:04:06,330 --> 00:04:11,040

course as we are you then what is it a

102

00:04:09,659 --> 00:04:13,229

normal think tank or as I've got an

103

00:04:11,039 --> 00:04:15,569

extra special one this week no it's

104

00:04:13,229 --> 00:04:17,399

really boring this long oh yeah now Jim

105

00:04:15,569 --> 00:04:19,709

will she'll be joining us to my very

106

00:04:17,399 --> 00:04:21,689

special week having Jimmy that it is it

107

00:04:19,709 --> 00:04:23,970

is that's really fantastic we've got a

108

00:04:21,689 --> 00:04:26,589

new segment by Joanne been amoo all

109

00:04:23,970 --> 00:04:28,000

called reality bites is that so yet

110

00:04:26,589 --> 00:04:30,399

I look forward to hearing that and

111

00:04:28,000 --> 00:04:32,379

reality does bite it certainly does

112

00:04:30,399 --> 00:04:33,698

around here it blows at the moment so

113

00:04:32,379 --> 00:04:36,728

it's it's a big show stiff from our

114

00:04:33,699 --> 00:04:38,050

parents i ah show number 124 it is

115
00:04:36,728 --> 00:04:39,490
getting bigger by the madness this is

116
00:04:38,050 --> 00:04:40,870
prince is so big we better get out of

117
00:04:39,490 --> 00:04:57,610
here all right let's get on with the

118
00:04:40,870 --> 00:05:00,129
show I have to do it all right and I'm

119
00:04:57,610 --> 00:05:02,290
delighted to say that through the magic

120
00:05:00,129 --> 00:05:04,990
the magic is the magic of long-distance

121
00:05:02,290 --> 00:05:06,939
internet I've managed to hook up a

122
00:05:04,990 --> 00:05:08,829
connection between here and Oslo in

123
00:05:06,939 --> 00:05:11,469
Norway i think it's sort of bouncing off

124
00:05:08,829 --> 00:05:13,719
thailand and sneaking up through Belgium

125
00:05:11,470 --> 00:05:15,820
being side tracked through Shanghai

126
00:05:13,720 --> 00:05:19,240
thence finally finally making it to

127
00:05:15,819 --> 00:05:23,409
Moscow trailing across by mule to Oslo

128
00:05:19,240 --> 00:05:26,439
where we have after all that we have

129
00:05:23,410 --> 00:05:28,860
Kristen Carson hello hey Richard thanks

130
00:05:26,439 --> 00:05:31,209
for having me old oh it's our pleasure

131
00:05:28,860 --> 00:05:34,030
absolutely out pleasure now you came to

132
00:05:31,209 --> 00:05:36,009
my attention when i was looking at all

133
00:05:34,029 --> 00:05:38,829
the wonderful videos coming in from

134
00:05:36,009 --> 00:05:41,589
around the world just recently with a 10

135
00:05:38,829 --> 00:05:44,098
23 campaign and there I saw a great

136
00:05:41,589 --> 00:05:47,138
little video from Oslo yeah you are

137
00:05:44,098 --> 00:05:49,899
right at the front conducting everybody

138
00:05:47,139 --> 00:05:52,360
in taking the the little sugar pills how

139
00:05:49,899 --> 00:05:53,649
did that all come about well that's a

140
00:05:52,360 --> 00:05:56,319
very good question i was actually

141
00:05:53,649 --> 00:05:59,049
contacted by Mike Marshall who's the

142
00:05:56,319 --> 00:06:01,360
sort of international coordinator I

143

00:05:59,050 --> 00:06:03,098
guess the whole thing he got he got tip

144
00:06:01,360 --> 00:06:06,729
that I would be interested in doing this

145
00:06:03,098 --> 00:06:10,180
and of course I was just said yes sure

146
00:06:06,728 --> 00:06:12,579
I'll do it and really didn't have any

147
00:06:10,180 --> 00:06:15,129
more plans than that so I sort of

148
00:06:12,579 --> 00:06:17,609
through the internets various discussion

149
00:06:15,129 --> 00:06:20,949
forums I sort of managed to hook up with

150
00:06:17,610 --> 00:06:25,240
some interested people who wanted to do

151
00:06:20,949 --> 00:06:28,029
to do this and we did like a small

152
00:06:25,240 --> 00:06:30,160
gathering on the day and we managed also

153
00:06:28,029 --> 00:06:32,379
to get I guess it was three or four

154
00:06:30,160 --> 00:06:34,599
people up in Trondheim as well which was

155
00:06:32,379 --> 00:06:37,569
really great that we could manage more

156
00:06:34,598 --> 00:06:40,089
than one mmm more than one the city in

157
00:06:37,569 --> 00:06:40,420

Norway's well which was great in also we

158

00:06:40,089 --> 00:06:43,449
were

159

00:06:40,420 --> 00:06:45,610
at 26 I guess buying ourselves some

160

00:06:43,449 --> 00:06:49,089
little sugar pills and doing the thing

161

00:06:45,610 --> 00:06:50,949
in there it was fun that's great fun it

162

00:06:49,089 --> 00:06:52,899
certainly came across that way on the

163

00:06:50,949 --> 00:06:54,519
video it looked like y'all having an

164

00:06:52,899 --> 00:06:56,739
interesting time and there was one guide

165

00:06:54,519 --> 00:07:00,879
then I seem to remember he sort of any

166

00:06:56,740 --> 00:07:03,129
any uniform beautiful it was a military

167

00:07:00,879 --> 00:07:07,089
uniform yeah it took the trip trip down

168

00:07:03,129 --> 00:07:09,909
from from doing a bit of a service there

169

00:07:07,089 --> 00:07:12,819
I guess and you seem to be having fun

170

00:07:09,910 --> 00:07:15,430
with her the pills as well I guess the

171

00:07:12,819 --> 00:07:18,189
most important thing of course is it was

172
00:07:15,430 --> 00:07:19,180
video which newest video thousands and

173
00:07:18,189 --> 00:07:21,459
thousands of people around the world

174
00:07:19,180 --> 00:07:24,459
including myself got to see and got to

175
00:07:21,459 --> 00:07:26,169
see your efforts there yeah I do what I

176
00:07:24,459 --> 00:07:28,419
mean the impression I had when he did it

177
00:07:26,170 --> 00:07:31,090
was offered so called because we when we

178
00:07:28,420 --> 00:07:33,910
did it in Sydney it was the tail end of

179
00:07:31,089 --> 00:07:36,339
a heat wave and it was really hot it was

180
00:07:33,910 --> 00:07:38,560
a bit chilly we all huddled into cafe

181
00:07:36,339 --> 00:07:41,679
afterwards to warm ourselves eat lunch

182
00:07:38,560 --> 00:07:44,259
and edit a video so that that's that

183
00:07:41,680 --> 00:07:46,540
sudden be helped and those is good that

184
00:07:44,259 --> 00:07:48,939
it didn't last very long then the

185
00:07:46,540 --> 00:07:50,379
campaign itself that's quite handy

186
00:07:48,939 --> 00:07:52,000
because you've could have taken all the

187
00:07:50,379 --> 00:07:54,459
onion sugar pills into the cafe to

188
00:07:52,000 --> 00:07:56,379
sweeten your coffee all right I guess

189
00:07:54,459 --> 00:08:01,659
almost did as well have have some

190
00:07:56,379 --> 00:08:03,939
leftovers what's your story and why why

191
00:08:01,660 --> 00:08:05,320
did you end up being the the front lady

192
00:08:03,939 --> 00:08:07,209
apartment what you've just told us

193
00:08:05,319 --> 00:08:09,099
something the longer your story getting

194
00:08:07,209 --> 00:08:12,370
there the longest story getting the hell

195
00:08:09,100 --> 00:08:14,530
all I can say is that really more than I

196
00:08:12,370 --> 00:08:18,280
would have imagined has happened the

197
00:08:14,529 --> 00:08:21,849
last year only I guess I guess it all

198
00:08:18,279 --> 00:08:24,039
started when I began at the university I

199
00:08:21,850 --> 00:08:25,600
studied for a degree there I've always

200

00:08:24,040 --> 00:08:28,230
been really interested in astronomy so I

201
00:08:25,600 --> 00:08:31,780
took it i did a degree in astronomy and

202
00:08:28,230 --> 00:08:33,610
so I I went to the University but I

203
00:08:31,779 --> 00:08:36,519
guess before that I was a bit you know

204
00:08:33,610 --> 00:08:39,279
what you might call open to stuff just

205
00:08:36,519 --> 00:08:42,189
interested in lots of mystical things I

206
00:08:39,279 --> 00:08:45,129
guess curiuser yeah I Marie Curie's you

207
00:08:42,190 --> 00:08:47,650
know but to me I didn't really know the

208
00:08:45,129 --> 00:08:49,210
difference between the science Fitz and

209
00:08:47,649 --> 00:08:51,939
the pseudoscience bits that's what I

210
00:08:49,210 --> 00:08:53,269
kind of learned at the University so it

211
00:08:51,940 --> 00:08:54,950
helped me

212
00:08:53,269 --> 00:08:57,319
but he did a bit of help when it comes

213
00:08:54,950 --> 00:09:00,550
to that you know I was reading about

214
00:08:57,320 --> 00:09:03,950

some really weird stuff like black holes

215

00:09:00,549 --> 00:09:06,559

which really interested me and I thought

216

00:09:03,950 --> 00:09:08,509

that I thought about that the same way

217

00:09:06,559 --> 00:09:10,729

as I did when I read about UFOs and

218

00:09:08,509 --> 00:09:14,210

ghosts you know I just had to learn the

219

00:09:10,730 --> 00:09:16,970

difference the university hoped as well

220

00:09:14,210 --> 00:09:19,550

as my love for reading blogs I really

221

00:09:16,970 --> 00:09:22,009

like bugs as a medium so I started

222

00:09:19,549 --> 00:09:25,159

reading bad astronomy blog field plates

223

00:09:22,009 --> 00:09:27,710

blog which I feel played yes come up

224

00:09:25,159 --> 00:09:29,409

again yes and you know people who are

225

00:09:27,710 --> 00:09:31,820

really into what they write about

226

00:09:29,409 --> 00:09:35,089

especially the the geeky and sciency

227

00:09:31,820 --> 00:09:37,700

stuff and so yeah I guess my love of the

228

00:09:35,090 --> 00:09:40,850

internet and in combination with a bit

229
00:09:37,700 --> 00:09:42,650
of control from the my studies prevented

230
00:09:40,850 --> 00:09:46,129
me from listening to the wrong people I

231
00:09:42,649 --> 00:09:48,620
guess when searching yeah because it

232
00:09:46,129 --> 00:09:50,539
could have been gone wait yeah yes

233
00:09:48,620 --> 00:09:52,310
it could have absolutely you can listen

234
00:09:50,539 --> 00:09:56,059
to all the way in the internets just

235
00:09:52,309 --> 00:09:57,500
full of every opinion and right and in

236
00:09:56,059 --> 00:10:01,099
different so it's it's interesting

237
00:09:57,500 --> 00:10:04,009
exercise to go along and weed out which

238
00:10:01,100 --> 00:10:05,750
ones are correct I guess that's why we

239
00:10:04,009 --> 00:10:07,909
come back to the scientific method and

240
00:10:05,750 --> 00:10:10,279
skepticism again it's also a wonderful

241
00:10:07,909 --> 00:10:13,699
way for helping you weed out which is

242
00:10:10,279 --> 00:10:16,879
good and bad on the internet yeah things

243

00:10:13,700 --> 00:10:18,410

it's a way of thinking and looking at

244

00:10:16,879 --> 00:10:20,720

the world that I find really sort of

245

00:10:18,409 --> 00:10:23,870

giving I guess any interesting topic you

246

00:10:20,720 --> 00:10:26,960

can stumble over mine was skepticism I

247

00:10:23,870 --> 00:10:30,289

don't remember going from this sort of

248

00:10:26,960 --> 00:10:33,920

more believing person to being a skeptic

249

00:10:30,289 --> 00:10:36,799

I don't have like this one moment I

250

00:10:33,919 --> 00:10:37,819

guess I was not I was never a religious

251

00:10:36,799 --> 00:10:40,849

person I was never brought up

252

00:10:37,820 --> 00:10:44,000

particularly little it religiously you

253

00:10:40,850 --> 00:10:47,629

know there was a slow thing I remember

254

00:10:44,000 --> 00:10:49,549

knowing about James Randy's four million

255

00:10:47,629 --> 00:10:52,220

dollar challenge long before I went

256

00:10:49,549 --> 00:10:54,559

right into skepticism and I thought that

257

00:10:52,220 --> 00:10:55,879
was a great thing I mean I believed in

258
00:10:54,559 --> 00:10:57,349
lots of paranormal stuff but I thought

259
00:10:55,879 --> 00:10:59,360
that was a great thing that that there

260
00:10:57,350 --> 00:11:02,480
was a challenge to sort of prove it as

261
00:10:59,360 --> 00:11:05,230
well so it was a really slow thing and

262
00:11:02,480 --> 00:11:07,220
there I guess the major sort of shift in

263
00:11:05,230 --> 00:11:12,680
how I

264
00:11:07,220 --> 00:11:14,870
about doing being a skeptic was in 2009

265
00:11:12,679 --> 00:11:17,809
when I found out about the first-ever

266
00:11:14,870 --> 00:11:20,688
amazing meeting held in London uh-huh

267
00:11:17,809 --> 00:11:23,419
yes I really wanted to go to that and I

268
00:11:20,688 --> 00:11:26,240
did I remember there being so many

269
00:11:23,419 --> 00:11:29,838
Norwegians attending tam London and do

270
00:11:26,240 --> 00:11:33,589
that a lot of us yeah yeah tens intense

271
00:11:29,839 --> 00:11:37,069

and which was really nice and it's just

272

00:11:33,589 --> 00:11:39,379

been announced that mr. Randy in a

273

00:11:37,068 --> 00:11:41,599

coordinated by the Norwegian humanist

274

00:11:39,379 --> 00:11:44,149

association is actually visiting Norway

275

00:11:41,600 --> 00:11:46,519

and march on the eighteenth of much

276

00:11:44,149 --> 00:11:48,769

she's going to be an asshole and then

277

00:11:46,519 --> 00:11:53,600

he's going to trauma home and Bergen on

278

00:11:48,769 --> 00:11:55,818

the 20 21st and 22nd fell because man

279

00:11:53,600 --> 00:11:58,069

gets around he's incredible I mean well

280

00:11:55,818 --> 00:11:59,838

now let me rephrase that and it's the

281

00:11:58,068 --> 00:12:02,328

word that keeps coming up about Randy

282

00:11:59,839 --> 00:12:04,610

he's amazing he's really amazing yeah

283

00:12:02,328 --> 00:12:07,039

it's really really really nice to talk

284

00:12:04,610 --> 00:12:08,870

to as well so when when I got back from

285

00:12:07,039 --> 00:12:10,490

that I started sort of interacting more

286
00:12:08,870 --> 00:12:14,839
with people on the internet on the

287
00:12:10,490 --> 00:12:17,990
discussion forums that I go to and I

288
00:12:14,839 --> 00:12:21,410
started going to the sort of skeptic

289
00:12:17,990 --> 00:12:23,629
meetups at the pub in Oslo and that's

290
00:12:21,409 --> 00:12:26,448
when I sort of really got to know the

291
00:12:23,629 --> 00:12:30,558
people that I hang out with now and then

292
00:12:26,448 --> 00:12:32,929
um I guess some of them there was a

293
00:12:30,558 --> 00:12:34,938
couple of them talking about being

294
00:12:32,929 --> 00:12:37,299
really really motivated from going to

295
00:12:34,938 --> 00:12:40,879
Tamland and wanting to do something

296
00:12:37,299 --> 00:12:42,500
similar in Oslo and there was sort of

297
00:12:40,879 --> 00:12:44,930
asking is there an interest in this and

298
00:12:42,500 --> 00:12:48,198
holding a conference in Oslo skeptics

299
00:12:44,929 --> 00:12:51,769
conference I was like I am in I'd no

300
00:12:48,198 --> 00:12:55,578
idea what to do i'm in just count me in

301
00:12:51,769 --> 00:12:57,198
and suddenly I i find myself you know co

302
00:12:55,578 --> 00:13:01,308
organizing Norway's for a skeptic

303
00:12:57,198 --> 00:13:04,068
conference we had that last October

304
00:13:01,308 --> 00:13:05,838
which was a huge success to you know our

305
00:13:04,068 --> 00:13:07,519
writing angler was were thinking I

306
00:13:05,839 --> 00:13:09,699
really think about doing this again and

307
00:13:07,519 --> 00:13:12,470
we're gonna start planning it soon

308
00:13:09,698 --> 00:13:14,838
uh-huh what that sounds fantastic well

309
00:13:12,470 --> 00:13:16,639
my name's Richard Saunders and I can

310
00:13:14,839 --> 00:13:19,819
speak on all sorts of things and I've

311
00:13:16,639 --> 00:13:20,190
never been to a slow and that is that

312
00:13:19,818 --> 00:13:23,909
isn't

313
00:13:20,190 --> 00:13:25,890
voted as of that again no we had we had

314

00:13:23,909 --> 00:13:29,819
some really really cool guests we had

315
00:13:25,889 --> 00:13:31,980
our sort of eminence eminent guests from

316
00:13:29,820 --> 00:13:33,570
abroad were obviously Simon seeing in

317
00:13:31,980 --> 00:13:37,080
rebecca watson the game over which is

318
00:13:33,570 --> 00:13:39,110
really great and as well as loads of

319
00:13:37,080 --> 00:13:42,810
really good speakers from norway and

320
00:13:39,110 --> 00:13:45,480
sweden and yeah i was reading good

321
00:13:42,809 --> 00:13:47,759
turnouts well we thought what a

322
00:13:45,480 --> 00:13:49,470
fantastic thing that you've done that

323
00:13:47,759 --> 00:13:51,600
that you were inspired and other people

324
00:13:49,470 --> 00:13:55,019
like you are inspired by the internet

325
00:13:51,600 --> 00:13:58,740
and then by going to a tab and and that

326
00:13:55,019 --> 00:14:00,629
to progress that to being active locally

327
00:13:58,740 --> 00:14:02,220
which i think is a wonderful thing and

328
00:14:00,629 --> 00:14:03,990

I'm and it's happening all around the

329

00:14:02,220 --> 00:14:06,210

world especially here in Australia that

330

00:14:03,990 --> 00:14:08,190

I've noticed that after how recent am

331

00:14:06,210 --> 00:14:11,670

more people want to be active locally

332

00:14:08,190 --> 00:14:14,310

yeah it's a wonderful thing and wow the

333

00:14:11,669 --> 00:14:17,219

adventures that await you I can I can't

334

00:14:14,309 --> 00:14:19,319

tell you yes amazing things you're going

335

00:14:17,220 --> 00:14:20,639

to discover and find out and be involved

336

00:14:19,320 --> 00:14:23,750

with especially when you do

337

00:14:20,639 --> 00:14:26,309

investigations into the paranormal or or

338

00:14:23,750 --> 00:14:28,139

maybe you helped bring down a Charlotte

339

00:14:26,309 --> 00:14:30,719

and that that's a that's a quite a good

340

00:14:28,139 --> 00:14:32,699

feeling yeah I would love to do some

341

00:14:30,720 --> 00:14:34,889

sort of investigations myself it would

342

00:14:32,700 --> 00:14:36,180

be really nice oh I'm sure you will I'm

343
00:14:34,889 --> 00:14:39,779
sure there are plenty of haunted houses

344
00:14:36,179 --> 00:14:42,569
in Oslo hey man maybe maybe you're nice

345
00:14:39,779 --> 00:14:44,429
we'll find out wow that's it exactly you

346
00:14:42,570 --> 00:14:46,140
or not now one of the interesting things

347
00:14:44,429 --> 00:14:48,229
that is struck me while I'm chatting

348
00:14:46,139 --> 00:14:51,059
with you on the video of course you

349
00:14:48,230 --> 00:14:53,430
obviously did the video in Norwegian and

350
00:14:51,059 --> 00:14:55,349
the little lovely little ad for yours

351
00:14:53,429 --> 00:14:57,059
the skeptics say you sent me was in

352
00:14:55,350 --> 00:14:59,370
Norwegian yet your English is

353
00:14:57,059 --> 00:15:00,989
practically flawless did you spend a

354
00:14:59,370 --> 00:15:04,889
long time in England or do a lot of

355
00:15:00,990 --> 00:15:07,919
Norwegians are good English speakers I

356
00:15:04,889 --> 00:15:09,419
die I think my impression is that most

357
00:15:07,919 --> 00:15:12,769
Norwegians have a little problem

358
00:15:09,419 --> 00:15:15,539
speaking English under anyone going and

359
00:15:12,769 --> 00:15:17,279
animal speak English who goes to Norway

360
00:15:15,539 --> 00:15:19,469
will have no problem and being

361
00:15:17,279 --> 00:15:22,379
understood and communicating so yeah

362
00:15:19,470 --> 00:15:25,860
that's it's a very common thing to begin

363
00:15:22,379 --> 00:15:27,899
to be you know relatively yeah yeah

364
00:15:25,860 --> 00:15:29,669
knowledgeable in English and being able

365
00:15:27,899 --> 00:15:31,829
to speak it so well that's really

366
00:15:29,669 --> 00:15:33,839
interesting to hear because it means

367
00:15:31,830 --> 00:15:36,360
that getting

368
00:15:33,840 --> 00:15:38,820
access to information which is as it

369
00:15:36,360 --> 00:15:41,370
happens mostly in English about what we

370
00:15:38,820 --> 00:15:42,750
do is relatively easy I imagine there

371

00:15:41,370 --> 00:15:44,070
are some countries people in some

372
00:15:42,750 --> 00:15:47,850
countries around the world who want to

373
00:15:44,070 --> 00:15:49,740
get into skepticism or anything and hit

374
00:15:47,850 --> 00:15:51,990
a bit of a language barrier yeah and

375
00:15:49,740 --> 00:15:55,379
that's I think good advice as well as to

376
00:15:51,990 --> 00:15:57,600
do more blogs and do more sort of

377
00:15:55,379 --> 00:15:59,939
information channels in your local

378
00:15:57,600 --> 00:16:03,330
language as well I mean I i have a blog

379
00:15:59,940 --> 00:16:04,890
and I I make a point of blogging in

380
00:16:03,330 --> 00:16:06,600
Norwegian because i think that's that's

381
00:16:04,889 --> 00:16:07,830
really important because there are there

382
00:16:06,600 --> 00:16:10,710
are loads and loads of really good

383
00:16:07,830 --> 00:16:12,960
sources out there in English that so we

384
00:16:10,710 --> 00:16:16,050
need more we need more in Norwegian as

385
00:16:12,960 --> 00:16:19,410

well doing this I in fact why why you

386

00:16:16,049 --> 00:16:23,639

mentioned that where can people look at

387

00:16:19,409 --> 00:16:25,589

your blog where can they go well I guess

388

00:16:23,639 --> 00:16:27,569

I'll have to spell it out if I'm going

389

00:16:25,590 --> 00:16:34,050

to say but yeah my blog you know we just

390

00:16:27,570 --> 00:16:38,330

got Luke arsonist PR okay our AST I nu F

391

00:16:34,049 --> 00:16:41,419

T dot n 0 but yeah if they go to my

392

00:16:38,330 --> 00:16:45,210

twitter profile which is that nerd woman

393

00:16:41,419 --> 00:16:48,209

they any problems figuring out where to

394

00:16:45,210 --> 00:16:50,960

to look for my blonde is that yes

395

00:16:48,210 --> 00:16:54,330

everybody listening please our friend

396

00:16:50,960 --> 00:16:56,790

Kristen on Twitter that nerd woman what

397

00:16:54,330 --> 00:16:59,990

a great what a great twitter address it

398

00:16:56,789 --> 00:17:02,549

is so what are your immediate plans

399

00:16:59,990 --> 00:17:04,829

lining up another convention doing some

400
00:17:02,549 --> 00:17:07,589
more publicity writing the blog are you

401
00:17:04,829 --> 00:17:09,659
going to do a podcast maybe well I'm

402
00:17:07,589 --> 00:17:13,199
glad you mentioned it because we've

403
00:17:09,660 --> 00:17:15,600
actually started a podcast we are in our

404
00:17:13,200 --> 00:17:18,299
infancy yet but we're closing up on 10

405
00:17:15,599 --> 00:17:20,519
episodes actually we're doing every

406
00:17:18,299 --> 00:17:25,289
second week we do we meet up or six

407
00:17:20,519 --> 00:17:28,500
people who meet up at skype and a

408
00:17:25,289 --> 00:17:29,970
recorded podcast which is I think it's

409
00:17:28,500 --> 00:17:32,490
really great and everyone should listen

410
00:17:29,970 --> 00:17:35,220
to it and that's also something that

411
00:17:32,490 --> 00:17:38,190
came out though we're very motivated

412
00:17:35,220 --> 00:17:40,110
we're really starting to get get things

413
00:17:38,190 --> 00:17:42,539
going for skepticism here in Norway we

414
00:17:40,109 --> 00:17:46,409
have to have a podcast you know oh yes

415
00:17:42,539 --> 00:17:47,490
and so yeah yeah I actually am an

416
00:17:46,410 --> 00:17:52,050
important cast as well

417
00:17:47,490 --> 00:17:54,210
as well as a bit more organized version

418
00:17:52,049 --> 00:17:56,159
of the skeptics in the pub just started

419
00:17:54,210 --> 00:18:01,049
also after the conference in Oslo last

420
00:17:56,160 --> 00:18:04,830
year yeah we just had George shrub doing

421
00:18:01,049 --> 00:18:07,889
concert organised by us he's really

422
00:18:04,829 --> 00:18:10,259
great by the way he said is he said to

423
00:18:07,890 --> 00:18:11,910
tell you I spoke to him and said to tell

424
00:18:10,259 --> 00:18:13,349
you that he'll always treasure the

425
00:18:11,910 --> 00:18:15,870
afternoon you and he spent in the hot

426
00:18:13,349 --> 00:18:18,329
tub but that that koala never responds

427
00:18:15,869 --> 00:18:21,599
to his emails yeah that's another story

428

00:18:18,329 --> 00:18:25,109
we'll get into that later yeah yes just

429
00:18:21,599 --> 00:18:28,349
worry about that site no thank you

430
00:18:25,109 --> 00:18:30,419
George yes now people can find out about

431
00:18:28,349 --> 00:18:33,689
that podcast at the add your blog oh

432
00:18:30,420 --> 00:18:35,700
yeah yeah I link to it so it's really

433
00:18:33,690 --> 00:18:38,308
great what's the name of the podcast

434
00:18:35,700 --> 00:18:42,029
then podcasters softly if I would sure

435
00:18:38,308 --> 00:18:44,970
which means says of the the most the

436
00:18:42,029 --> 00:18:48,599
most important tools a skeptic has which

437
00:18:44,970 --> 00:18:51,630
is the pinch of salt well listen Chris

438
00:18:48,599 --> 00:18:53,939

the sites you can see a list of these

494
00:21:41,799 --> 00:21:45,579
sites on the a triple c website

495
00:21:43,869 --> 00:21:48,879
which we will link to from the skeptics

496
00:21:45,579 --> 00:21:51,579
own page the service is delivered in

497
00:21:48,880 --> 00:21:53,440
kununurra a remote town of about seven

498
00:21:51,579 --> 00:21:56,259
thousand people in far northwestern

499
00:21:53,440 --> 00:21:58,900

Australia participants must cover their

500

00:21:56,259 --> 00:22:02,079

own travel and accommodation the cost to

501

00:21:58,900 --> 00:22:04,540

be cured is 495 dollars with discounts

502

00:22:02,079 --> 00:22:07,058

for pensioners and you can only be cured

503

00:22:04,539 --> 00:22:10,119

if you have cancer their powers do not

504

00:22:07,058 --> 00:22:12,369

extend to cover other illnesses the

505

00:22:10,119 --> 00:22:13,929

matter has been fast-tracked and is next

506

00:22:12,369 --> 00:22:18,189

listed for mention on the fourth of

507

00:22:13,930 --> 00:22:20,500

March 2011 on a related note while

508

00:22:18,190 --> 00:22:22,330

researching the story I discovered that

509

00:22:20,500 --> 00:22:24,609

the spiritual healing Association of

510

00:22:22,329 --> 00:22:26,740

Western Australia is listed on the

511

00:22:24,609 --> 00:22:29,829

online business directory start local

512

00:22:26,740 --> 00:22:33,130

under the category radiation oncology

513

00:22:29,829 --> 00:22:35,289

specialists in Australia start local

514
00:22:33,130 --> 00:22:37,630
claim to manually approve all entries

515
00:22:35,289 --> 00:22:39,609
submitted to their site but it is not

516
00:22:37,630 --> 00:22:41,760
clear how they determine whether an

517
00:22:39,609 --> 00:22:44,529
individual or business is legitimate

518
00:22:41,759 --> 00:22:46,690
this is particularly important for an

519
00:22:44,529 --> 00:22:49,990
organisational individual offering any

520
00:22:46,690 --> 00:22:53,410
medical service I wrote to start local

521
00:22:49,990 --> 00:23:10,299

empowered so watch out at a newfound

544
00:24:16,659 --> 00:24:22,809
source of energy from my wrist or round

545
00:24:19,628 --> 00:24:26,469
about a piece of pretty plastic which is

546
00:24:22,808 --> 00:24:29,440
imbued with special power the alignment

547
00:24:26,470 --> 00:24:32,798
of the molecules is like running through

548
00:24:29,440 --> 00:24:36,100
a shower tingling down by torso with

549
00:24:32,798 --> 00:24:39,220
special energy from within a holographic

550
00:24:36,099 --> 00:24:42,368
gift from God but straight from nature's

551
00:24:39,220 --> 00:24:45,579
bin that natural source of pure power

552
00:24:42,368 --> 00:24:47,288
packed deep inside the planet I'm not

553
00:24:45,579 --> 00:24:49,808
sure if it's electronic because I

554
00:24:47,288 --> 00:24:52,538
haven't tried to scan it don't wanna

555
00:24:49,808 --> 00:24:55,298
fool with mother nature and Who am I to

556
00:24:52,538 --> 00:24:59,378

know things which science can't explain

557

00:24:55,298 --> 00:25:01,778

and laboratories can't grow that's like

558

00:24:59,378 --> 00:25:04,269

dabbling with the ether which binds us

559

00:25:01,778 --> 00:25:06,690

in this soup you buy gold about with

560

00:25:04,269 --> 00:25:10,239

that and you be left outside the loop

561

00:25:06,690 --> 00:25:13,419

should i buy some more so I can stick

562

00:25:10,239 --> 00:25:16,470

them on my ankles give my legs a little

563

00:25:13,419 --> 00:25:19,450

lift and in those saw arch rankles

564

00:25:16,470 --> 00:25:22,298

another one by other wrist to keep my

565

00:25:19,450 --> 00:25:25,569

balance in check and I bet it by her

566

00:25:22,298 --> 00:25:28,660

fifth I guess to string around my neck

567

00:25:25,569 --> 00:25:32,349

maybe there are private parts I really

568

00:25:28,660 --> 00:25:35,970

should wear one on track one down my

569

00:25:32,349 --> 00:25:39,299

trousers until that each is fully gone

570

00:25:35,970 --> 00:25:42,819

there's nothing you can't fix with this

571
00:25:39,299 --> 00:25:47,319
breathtaking ring they slit anklet

572
00:25:42,819 --> 00:25:50,529
necklace which makes you like a king bow

573
00:25:47,319 --> 00:25:53,889
to me all you suckers for I have the new

574
00:25:50,529 --> 00:25:57,279
magical band which unleashes lots of

575
00:25:53,890 --> 00:25:59,970
elements that are otherwise unplanned so

576
00:25:57,279 --> 00:26:03,579
they are focused in a constant line

577
00:25:59,970 --> 00:26:05,920
centering your thought I think it's

578
00:26:03,579 --> 00:26:09,759
truly amazing that all this power can be

579
00:26:05,920 --> 00:26:13,180
bought still it's such a little price to

580
00:26:09,759 --> 00:26:15,309
pay for something that's priceless you

581
00:26:13,180 --> 00:26:18,670
see I've seen it on the wrists of some

582
00:26:15,309 --> 00:26:22,089
might call Vice 'less unless they've

583
00:26:18,670 --> 00:26:26,100
just been sucked in by the power of the

584
00:26:22,089 --> 00:26:31,709
word and getting tainted by this plastic

585
00:26:26,099 --> 00:26:31,709
no that's just too absurd

586
00:27:03,660 --> 00:27:11,919
well dr. AG Atlanta has dragoncon Sydney

587
00:27:08,829 --> 00:27:13,899
has Armageddon we're down at Sydney

588
00:27:11,919 --> 00:27:15,630
Olympic Park and we've just walked into

589
00:27:13,900 --> 00:27:18,070
the dome which is where it's being held

590
00:27:15,630 --> 00:27:20,770
and just taking it all in but it's

591
00:27:18,069 --> 00:27:23,470
looking very similar to say one of the

592
00:27:20,769 --> 00:27:25,839
vendor pulls at dragoncon where they

593
00:27:23,470 --> 00:27:29,079
have the stall set up and they sell lots

594
00:27:25,839 --> 00:27:30,970
of merchandise in zone but there's also

595
00:27:29,079 --> 00:27:33,519
a lot of people dressed up Richard I'm

596
00:27:30,970 --> 00:27:35,440
surprised because today is warm let's

597
00:27:33,519 --> 00:27:38,230
just say today is warm and it's very

598
00:27:35,440 --> 00:27:40,660
long it reminds me it's like I'm back at

599

00:27:38,230 --> 00:27:42,429
a little hint because it's steamy hot

600
00:27:40,660 --> 00:27:44,259
and yet they're all these people dressed

601
00:27:42,429 --> 00:27:45,370
up as all sorts of characters look if we

602
00:27:44,259 --> 00:27:47,470
look over there there are three ladies

603
00:27:45,369 --> 00:27:50,619
dressed up as in Antarctica Xena Warrior

604
00:27:47,470 --> 00:27:52,690
Princess and over there there's a Dalek

605
00:27:50,619 --> 00:27:54,009
one there in the top there's a ninja

606
00:27:52,690 --> 00:27:55,960
look there's an interview didn't see

607
00:27:54,009 --> 00:27:57,759
that you don't say you can't see me too

608
00:27:55,960 --> 00:27:59,259
well I thought I saw something throw the

609
00:27:57,759 --> 00:28:01,980
Green Lantern outside and he was looking

610
00:27:59,259 --> 00:28:04,660
a little bit uncomfortable in his full

611
00:28:01,980 --> 00:28:07,919
costume in the heat so let's go take a

612
00:28:04,660 --> 00:28:07,919
look around Richard Ivan

613
00:28:08,940 --> 00:28:13,779

now there are so many people wandering

614

00:28:11,230 --> 00:28:16,599

around in weed costumes who do I have

615

00:28:13,779 --> 00:28:19,240

and what are you today I'm Meg from

616

00:28:16,599 --> 00:28:21,339

Hercules and I'm really cool and power

617

00:28:19,240 --> 00:28:24,519

house looks it looks amazing and you are

618

00:28:21,339 --> 00:28:26,619

i'm debbie d from the comics I feel sick

619

00:28:24,519 --> 00:28:28,750

by shauna Beckwith's I'm I was original

620

00:28:26,619 --> 00:28:31,929

DVD was originally in the johnny the

621

00:28:28,750 --> 00:28:33,430

homicidal maniac comics yes and you come

622

00:28:31,930 --> 00:28:35,920

along here just to hang out with

623

00:28:33,430 --> 00:28:38,320

like-minded people and enjoy the the

624

00:28:35,920 --> 00:28:39,970

showroom yeah basically it's great

625

00:28:38,319 --> 00:28:41,799

coming here and meeting so many people

626

00:28:39,970 --> 00:28:44,890

who just like the same sort of things

627

00:28:41,799 --> 00:28:47,559

that you do and one more here we have is

628
00:28:44,890 --> 00:28:50,920
a lovely young lady Han was it it such p

629
00:28:47,559 --> 00:28:53,799
yes is giant key what are you i'm diane

630
00:28:50,920 --> 00:28:55,300
from kingdom hearts yeah i thought find

631
00:28:53,799 --> 00:28:56,919
it interesting because years and years

632
00:28:55,299 --> 00:28:58,659
and years and years ago when you'd come

633
00:28:56,920 --> 00:29:00,940
to a convention like this was all film

634
00:28:58,660 --> 00:29:03,460
characters that's Star Wars and whatever

635
00:29:00,940 --> 00:29:05,110
but more and more it's it's all sorts of

636
00:29:03,460 --> 00:29:06,549
different things it's comics its online

637
00:29:05,109 --> 00:29:08,619
stuff I think that's really interesting

638
00:29:06,549 --> 00:29:11,500
well ladies thank you for stopping by

639
00:29:08,619 --> 00:29:17,289
and enjoy the rest of Armageddon didn't

640
00:29:11,500 --> 00:29:19,809
hear you too thanks ladies and gentlemen

641
00:29:17,289 --> 00:29:22,990
I've come in for a quick none as we say

642
00:29:19,809 --> 00:29:27,279
in a very expensive chips here very

643
00:29:22,990 --> 00:29:29,410
expensive chips here it's me not you're

644
00:29:27,279 --> 00:29:31,210
here to a low yet look I'm we are

645
00:29:29,410 --> 00:29:33,190
searching for Australia's most expensive

646
00:29:31,210 --> 00:29:35,710
chips and with a six dollar chips here

647
00:29:33,190 --> 00:29:37,090
and burgers of the 950 which is kind of

648
00:29:35,710 --> 00:29:38,559
an amazing price but like what else

649
00:29:37,089 --> 00:29:40,119
you're going to do but you say you're

650
00:29:38,559 --> 00:29:41,679
here to do a few interviews which is

651
00:29:40,119 --> 00:29:43,569
great we're here to do a few individual

652
00:29:41,680 --> 00:29:45,279
look up a big change a few people I've

653
00:29:43,569 --> 00:29:46,659
had a great chat with a friend of mine I

654
00:29:45,279 --> 00:29:48,069
just happened to see after not seeing

655
00:29:46,660 --> 00:29:49,810
for many years and he's just had a heart

656

00:29:48,069 --> 00:29:51,220
transplant after five years we might

657
00:29:49,809 --> 00:29:53,379
have that story coming up in coming

658
00:29:51,220 --> 00:29:55,809
weeks but I've been talking to lots of

659
00:29:53,380 --> 00:29:57,490
fans of all sorts of things well after

660
00:29:55,809 --> 00:29:59,230
we have a refreshing energy drink and

661
00:29:57,490 --> 00:30:00,940
the world's most expensive fries what

662
00:29:59,230 --> 00:30:03,930
we're gonna do next why don't we go out

663
00:30:00,940 --> 00:30:03,930
and grab some interviews Manor

664
00:30:04,490 --> 00:30:09,808
Matt we have walked 40 miles from a car

665
00:30:07,829 --> 00:30:11,579
park to talk to this man today and I

666
00:30:09,808 --> 00:30:13,589
would have worked a hundred kilometers

667
00:30:11,579 --> 00:30:15,778
or whatever that is an American miles to

668
00:30:13,589 --> 00:30:18,048
talk to our guests our first guest here

669
00:30:15,778 --> 00:30:20,849
at Armageddon who is Michael McConaughey

670
00:30:18,048 --> 00:30:23,038

look and it's great to be talking to

671

00:30:20,849 --> 00:30:25,439

someone who has made a specific career

672

00:30:23,038 --> 00:30:26,669

mainly with their voice because I just

673

00:30:25,440 --> 00:30:28,230

because I work in radio I'm going to

674

00:30:26,669 --> 00:30:30,630

probably starving about a fortnight but

675

00:30:28,230 --> 00:30:31,919

you've got a long career of eating food

676

00:30:30,630 --> 00:30:33,390

ahead of you because you've got a damn

677

00:30:31,919 --> 00:30:35,370

good voice in a damn good voiceover

678

00:30:33,390 --> 00:30:37,320

style well thank you but mostly it's

679

00:30:35,369 --> 00:30:39,869

just bad sinuses which I've trained to

680

00:30:37,319 --> 00:30:41,879

justify their existence but when did you

681

00:30:39,869 --> 00:30:43,678

decide okay enough of this visual stuff

682

00:30:41,880 --> 00:30:45,179

this visual video is going nowhere I

683

00:30:43,679 --> 00:30:47,639

want to make my career just making

684

00:30:45,179 --> 00:30:50,639

sounds with my mouth all fire on you no

685
00:30:47,638 --> 00:30:53,099
no no I am an actor I go on screen like

686
00:30:50,638 --> 00:30:57,148
I don't go on stage because I can't have

687
00:30:53,099 --> 00:30:59,490
the time I am an act or I use my voice i

688
00:30:57,148 --> 00:31:02,849
use my face i use my body and I pick up

689
00:30:59,490 --> 00:31:04,649
spare change doing mine well mine is

690
00:31:02,849 --> 00:31:06,569
money look I didn't mean to insult you

691
00:31:04,648 --> 00:31:09,178
by that just you are best known for your

692
00:31:06,569 --> 00:31:11,548
voice and if you could play any role on

693
00:31:09,179 --> 00:31:12,659
film doing the voice and the vision what

694
00:31:11,548 --> 00:31:15,359
would that be well what would you like

695
00:31:12,659 --> 00:31:19,559
to do I'll good him i would love to

696
00:31:15,359 --> 00:31:20,849
reinvigorate Cary Grant ah and now tells

697
00:31:19,558 --> 00:31:23,609
you've been running a workshop for

698
00:31:20,849 --> 00:31:25,439
people over here at Armageddon it's been

699
00:31:23,609 --> 00:31:26,729
an 80 hour workshop what you be doing

700
00:31:25,440 --> 00:31:29,159
and what has everyone been one to know

701
00:31:26,730 --> 00:31:31,919
from you well we we call it the ADR

702
00:31:29,159 --> 00:31:36,659
experience and we get a chance for anime

703
00:31:31,919 --> 00:31:39,240
fans to actually audition as if they

704
00:31:36,659 --> 00:31:41,909
were auditioning for a role in an

705
00:31:39,240 --> 00:31:44,519
existing anime series so we we have a

706
00:31:41,909 --> 00:31:46,889
lighter female stronger female a lighter

707
00:31:44,519 --> 00:31:48,899
male a stronger male and we have seen

708
00:31:46,888 --> 00:31:51,509
from existing series where we pulled one

709
00:31:48,898 --> 00:31:53,969
character out and they fill in the voice

710
00:31:51,509 --> 00:31:55,710
for that character and everyone has a

711
00:31:53,970 --> 00:31:57,990
lot of fun and they all get a DVD of

712
00:31:55,710 --> 00:31:59,700
their performances in an anime it's an

713

00:31:57,990 --> 00:32:01,829
awful lot of fun that must be a great

714
00:31:59,700 --> 00:32:03,509
experience for the fans well and please

715
00:32:01,829 --> 00:32:05,490
tell us some of the voices we might have

716
00:32:03,509 --> 00:32:07,440
heard you do here in Australian anime

717
00:32:05,490 --> 00:32:10,649
and other things okay well in original

718
00:32:07,440 --> 00:32:13,470
animation the original transformers what

719
00:32:10,648 --> 00:32:16,918
we call generation one I was trapped in

720
00:32:13,470 --> 00:32:20,159
cosmos tracks was the blue Corvette with

721
00:32:16,919 --> 00:32:22,889
a very expanded sense of self cosmos was

722
00:32:20,159 --> 00:32:25,380
he was a sort of a silly little green

723
00:32:22,888 --> 00:32:30,209
flying saucer and nobody understood him

724
00:32:25,380 --> 00:32:33,028
and GI Joe there was a guy named cross

725
00:32:30,210 --> 00:32:37,470
country and he was a hill villain he had

726
00:32:33,028 --> 00:32:39,028
a big stereo system in his tank anime

727
00:32:37,470 --> 00:32:40,919

I've been all over the map I've done

728

00:32:39,028 --> 00:32:42,960

everything from fuzzy little puppets to

729

00:32:40,919 --> 00:32:45,690

that fist of the north star at the

730

00:32:42,960 --> 00:32:47,220

beginning of anime what is it i just did

731

00:32:45,690 --> 00:32:49,649

a game doing a lot of video games now

732

00:32:47,220 --> 00:32:52,950

recently i did a video game via the

733

00:32:49,648 --> 00:32:55,739

internet or company in Poland where I

734

00:32:52,950 --> 00:32:58,528

was portraying a blue orangutan named

735

00:32:55,740 --> 00:33:00,000

Khufu wow this is unusual because when

736

00:32:58,528 --> 00:33:03,089

you're doing that you don't necessarily

737

00:33:00,000 --> 00:33:04,859

read a timeline script off on reading

738

00:33:03,089 --> 00:33:06,178

just one word disassociate is that

739

00:33:04,859 --> 00:33:09,079

correct the way they do that yeah

740

00:33:06,179 --> 00:33:11,700

context is very rarely there for us and

741

00:33:09,079 --> 00:33:14,278

so we wind up when we're working to

742
00:33:11,700 --> 00:33:16,649
vacuum like that giving any number of

743
00:33:14,278 --> 00:33:17,700
alternate readings hoping the one of

744
00:33:16,648 --> 00:33:19,589
them is going to be close to the

745
00:33:17,700 --> 00:33:21,179
situation in the game and what's the

746
00:33:19,589 --> 00:33:22,379
usual word that comes up in just about

747
00:33:21,179 --> 00:33:24,600
all the games you've done what's the

748
00:33:22,380 --> 00:33:26,460
most commonly occurring word in terms of

749
00:33:24,599 --> 00:33:28,980
the game I mean that you've done a

750
00:33:26,460 --> 00:33:30,480
number of games there one word or action

751
00:33:28,980 --> 00:33:31,529
that comes up in most games you find

752
00:33:30,480 --> 00:33:33,299
yourself reading over

753
00:33:31,529 --> 00:33:36,990
again in almost every script situation

754
00:33:33,299 --> 00:33:38,339
yes one word is die pretty much that

755
00:33:36,990 --> 00:33:39,779
covers it yeah and get probably there's

756
00:33:38,339 --> 00:33:43,889
no Pleasant way of saying that is there

757
00:33:39,779 --> 00:33:45,210
really oh there is it's like die and

758
00:33:43,890 --> 00:33:46,620
what are you got coming up next I mean

759
00:33:45,210 --> 00:33:48,180
you've got this trip to Australia we've

760
00:33:46,619 --> 00:33:50,489
all been nice to having wait if there's

761
00:33:48,180 --> 00:33:51,779
any complaints just when you're leaving

762
00:33:50,490 --> 00:33:53,579
just like write down the names of the

763
00:33:51,779 --> 00:33:55,079
people and we'll take care of them as we

764
00:33:53,579 --> 00:33:57,299
say in the business I didn't know you

765
00:33:55,079 --> 00:33:59,039
were management excellent even know I've

766
00:33:57,299 --> 00:34:01,049
never had had a welcome as I've had in

767
00:33:59,039 --> 00:34:02,339
this country it is fabulous and it's

768
00:34:01,049 --> 00:34:04,529
always been a dream of mine to get here

769
00:34:02,339 --> 00:34:06,119
really from the time I was a child and I

770

00:34:04,529 --> 00:34:07,410
finally achieved it well we're kind of

771
00:34:06,119 --> 00:34:08,759
famous for our sense of humor but that

772
00:34:07,410 --> 00:34:11,010
also means that sometimes we don't take

773
00:34:08,760 --> 00:34:13,620
stuff seriously perhaps we should that's

774
00:34:11,010 --> 00:34:15,900
not oh good heavens I just come to a

775
00:34:13,619 --> 00:34:17,639
realization someone's been mucking about

776
00:34:15,900 --> 00:34:19,320
with me it could be an epiphany or a

777
00:34:17,639 --> 00:34:21,599
catharsis or lots of other words I don't

778
00:34:19,320 --> 00:34:23,789
know the meaning of no I actually the

779
00:34:21,599 --> 00:34:24,929
finest thing I've found here aside from

780
00:34:23,789 --> 00:34:26,250
the wall could three things in

781
00:34:24,929 --> 00:34:30,690
descending order of importance the

782
00:34:26,250 --> 00:34:32,280
Welcome the beer but stakes whoa okay

783
00:34:30,690 --> 00:34:33,960
but I would've thought America

784
00:34:32,280 --> 00:34:36,720

everyone's always going on about Texas

785

00:34:33,960 --> 00:34:38,369

steaks and american meat and stuff oh we

786

00:34:36,719 --> 00:34:41,309

do terrible things to cows in the States

787

00:34:38,369 --> 00:34:42,898

don't ask me to give you details bullet

788

00:34:41,309 --> 00:34:44,279

and your next actual project you're

789

00:34:42,898 --> 00:34:45,449

working on but some movies coming up

790

00:34:44,280 --> 00:34:47,669

you've got another game in the pipeline

791

00:34:45,449 --> 00:34:50,219

yeah there was X I just wrapped a game

792

00:34:47,668 --> 00:34:51,690

and unfortunately with games we are

793

00:34:50,219 --> 00:34:53,789

terribly constricted by their

794

00:34:51,690 --> 00:34:56,309

non-disclosure agreement society even

795

00:34:53,789 --> 00:34:58,380

before we're allowed to audition so i

796

00:34:56,309 --> 00:35:01,049

can say that there is a game which will

797

00:34:58,380 --> 00:35:02,490

be coming out which is in asked if it's

798

00:35:01,050 --> 00:35:05,550

the first person shooter can you even

799

00:35:02,489 --> 00:35:08,069

give that it's sort of a fighting game

800

00:35:05,550 --> 00:35:10,470

on the order of Diablo it's it's not

801

00:35:08,070 --> 00:35:14,070

affiliated with blizzard and I play a

802

00:35:10,469 --> 00:35:16,649

very strong sorcerer who has a bad case

803

00:35:14,070 --> 00:35:17,160

of amnesia well thank you for coming in

804

00:35:16,650 --> 00:35:18,900

then

805

00:35:17,159 --> 00:35:20,969

defend the fancy I was like like one

806

00:35:18,900 --> 00:35:23,430

last question about the fans anime fans

807

00:35:20,969 --> 00:35:25,169

sci-fi fans have reputation beyond that

808

00:35:23,429 --> 00:35:26,909

of like footballer fans you know they

809

00:35:25,170 --> 00:35:29,099

can go pretty wild pretty crazy you

810

00:35:26,909 --> 00:35:32,098

experience any crazy fan moments it good

811

00:35:29,099 --> 00:35:34,079

or bad oh absolutely ever every moment

812

00:35:32,099 --> 00:35:37,170

and that is what makes going to these

813
00:35:34,079 --> 00:35:40,380
events so vibrant and and wonderful

814
00:35:37,170 --> 00:35:42,960
because what we run into is genuine

815
00:35:40,380 --> 00:35:45,329
human interaction and people have such

816
00:35:42,960 --> 00:35:47,970
an incredible enthusiasm for what we do

817
00:35:45,329 --> 00:35:49,710
and that we keep making avoid every time

818
00:35:47,969 --> 00:35:51,328
we go to one of these places that you

819
00:35:49,710 --> 00:35:53,220
guys are the reason we're here without

820
00:35:51,329 --> 00:35:54,900
you I'm sorry seriously I really have

821
00:35:53,219 --> 00:35:56,129
nothing I could talk to myself in the

822
00:35:54,900 --> 00:35:59,220
bathroom but it's not going to be the

823
00:35:56,130 --> 00:36:00,480
same is it one cartoon show currently on

824
00:35:59,219 --> 00:36:04,199
the a you wouldn't mind being a cast

825
00:36:00,480 --> 00:36:06,900
member of well I'm rather stuck in the

826
00:36:04,199 --> 00:36:09,239
past I don't I don't watch cartoons

827

00:36:06,900 --> 00:36:12,960
anymore people ask me what games do you

828
00:36:09,239 --> 00:36:14,879
play I don't it may I'm in the games I

829
00:36:12,960 --> 00:36:16,440
don't have them play it it's it again

830
00:36:14,880 --> 00:36:19,230
it's back to William Shatner in his line

831
00:36:16,440 --> 00:36:21,240
from Star Trek for you know oh so you

832
00:36:19,230 --> 00:36:24,329
live in out of space no no no I live in

833
00:36:21,239 --> 00:36:26,159
Iowa I work in outer space I work in

834
00:36:24,329 --> 00:36:28,109
games so it's not going to be a busman's

835
00:36:26,159 --> 00:36:29,429
holiday for me well thank you for coming

836
00:36:28,108 --> 00:36:31,348
in working us and maybe getting some

837
00:36:29,429 --> 00:36:33,328
potential future voiceover artists going

838
00:36:31,349 --> 00:36:34,950
here in Sydney oh I think so because it

839
00:36:33,329 --> 00:36:38,298
without an awful lot of talents of these

840
00:36:34,949 --> 00:36:38,298
kids are really really good

841
00:36:40,719 --> 00:36:45,339

look up we are here at Armageddon and I

842

00:36:43,389 --> 00:36:46,509

843

00:36:45,340 --> 00:36:47,890

it Richard now this thing's traveling

844

00:36:46,510 --> 00:36:49,720

around Australia so there's like a

845

00:36:47,889 --> 00:36:51,519

delayed fan South Australian fans of the

846

00:36:49,719 --> 00:36:52,989

podcast that might be gang should I go

847

00:36:51,519 --> 00:36:54,429

should I not but yeah even if they're

848

00:36:52,989 --> 00:36:56,229

into wrestling it's worth going home hey

849

00:36:54,429 --> 00:36:57,549

now look we've had such a fantastic day

850

00:36:56,230 --> 00:36:59,710

here we've seen some really big

851

00:36:57,550 --> 00:37:02,380

celebrities the fans have been fantastic

852

00:36:59,710 --> 00:37:04,329

00:37:32,519 --> 00:37:37,199
guide to the universe a weld-on whoa

864
00:37:35,059 --> 00:37:38,969
everybody knows I'm the only reason to

865
00:37:37,199 --> 00:37:40,348
listen to the freakshow right I mean it

866
00:37:38,969 --> 00:37:47,009
was up to me the show would start with

867
00:37:40,349 --> 00:37:48,960
this yeah boy well Rebecca would hate

868
00:37:47,010 --> 00:37:50,520
that probably but I mean I'd rock that

869
00:37:48,960 --> 00:37:52,230
listen to our show and you can learn

870
00:37:50,519 --> 00:37:53,699
about cool stuff like a technological

871
00:37:52,230 --> 00:37:55,559
singularity which is someday when

872
00:37:53,699 --> 00:37:56,460
technology progresses so fast that it

873
00:37:55,559 --> 00:37:58,650
would make the Industrial Revolution

874
00:37:56,460 --> 00:38:02,519
look like a kid science project anyway

875
00:37:58,650 --> 00:38:11,460

rich tone that laughter which fills us

880
00:38:27,719 --> 00:38:33,029

881
00:38:29,760 --> 00:38:35,820

905

00:39:32,670 --> 00:39:37,220

whole well tonight how am I

906

00:39:37,400 --> 00:39:42,650

if you're also recording I am I'm doing

907

00:39:40,369 --> 00:39:46,719

well and I've got it all happening it's

908

00:39:42,650 --> 00:39:49,639

really great so Rachel I noticed

909

00:39:46,719 --> 00:39:51,500

Rachel's busily poring over the internet

910

00:39:49,639 --> 00:39:56,389

at the moment folks and I think you

911

00:39:51,500 --> 00:39:58,820

wanted to talk to us about a survey yea

912

00:39:56,389 --> 00:40:01,190

sorry I'm actually on James's computer

913
00:39:58,820 --> 00:40:05,420
because some my iPads not getting

914
00:40:01,190 --> 00:40:10,070
internet at the moment um and I've just

915
00:40:05,420 --> 00:40:14,030
come across a page he left open James do

916
00:40:10,070 --> 00:40:17,480
we want to know it's um a blog written

917
00:40:14,030 --> 00:40:18,920
by tan via arm edge and he's a regular

918
00:40:17,480 --> 00:40:23,119
contributor for the sydney morning

919
00:40:18,920 --> 00:40:25,250
herald he's a psychiatrist he was the

920
00:40:23,119 --> 00:40:28,159
guy that I was on the drum with on the

921
00:40:25,250 --> 00:40:30,650
ABC when I when I did my little segment

922
00:40:28,159 --> 00:40:34,129
on the drum on about Wakefield and the

923
00:40:30,650 --> 00:40:36,619
bmj and he's written a blog post today

924
00:40:34,130 --> 00:40:39,380
about alternative medicines superstition

925
00:40:36,619 --> 00:40:41,480
of our age Wow where's that exactly how

926
00:40:39,380 --> 00:40:43,340
can our listeners look like it's on sm h

927
00:40:41,480 --> 00:40:46,639
calm today you and it's in the National

928
00:40:43,340 --> 00:40:48,410
times which is if you scroll down the

929
00:40:46,639 --> 00:40:50,750
website it's kind of a couple of Scrolls

930
00:40:48,409 --> 00:40:53,809
down it's in their society and culture

931
00:40:50,750 --> 00:40:56,510
section but I had a chat with tan via

932
00:40:53,809 --> 00:40:58,429
actually after we did our drum show

933
00:40:56,510 --> 00:40:59,660
together and he was talking about

934
00:40:58,429 --> 00:41:03,109
because he asked me a couple of

935
00:40:59,659 --> 00:41:05,719
questions on air about vaccination rates

936
00:41:03,110 --> 00:41:08,050
and how they were affected by the way

937
00:41:05,719 --> 00:41:10,429
field scare that was the Lancet paper

938
00:41:08,050 --> 00:41:12,950
and he said he's always had an interest

939
00:41:10,429 --> 00:41:16,849
in that sort of stuff and alt med and

940
00:41:12,949 --> 00:41:18,889
but he finds as a doctor then you know

941

00:41:16,849 --> 00:41:22,130
he's often getting patients coming to

942
00:41:18,889 --> 00:41:23,779
him and saying you know I can I use this

943
00:41:22,130 --> 00:41:25,369
doesn't work that sort of thing so I

944
00:41:23,780 --> 00:41:27,860
haven't actually read this yet but I

945
00:41:25,369 --> 00:41:29,659
just found it on cheapest completed I

946
00:41:27,860 --> 00:41:31,970
have that open if you go down to notepad

947
00:41:29,659 --> 00:41:33,949
you'll see a few comments that were left

948
00:41:31,969 --> 00:41:36,859
by some of the readers and they'll quite

949
00:41:33,949 --> 00:41:39,919
amusing if you read them out for me yeah

950
00:41:36,860 --> 00:41:41,990
this one here says tanveer makes good

951
00:41:39,920 --> 00:41:44,750
points he admits their shortcomings in

952
00:41:41,989 --> 00:41:46,609
mainstream medicine yes some alternative

953
00:41:44,750 --> 00:41:49,190
medicine is fluff but not all of it oh

954
00:41:46,610 --> 00:41:51,050
he comes the good bit homeopathy works

955
00:41:49,190 --> 00:41:55,130

and has been around for thousands of

956

00:41:51,050 --> 00:41:57,170

years thousands I thought I was 200 how

957

00:41:55,130 --> 00:42:00,140

long has convention medicine been around

958

00:41:57,170 --> 00:42:02,300

for convention invention medicine and

959

00:42:00,139 --> 00:42:05,239

ending a sentence with four which is a

960

00:42:02,300 --> 00:42:06,680

preposition homeopathy is a holistic

961

00:42:05,239 --> 00:42:09,039

approach to the body rather than

962

00:42:06,679 --> 00:42:14,149

smacking one organ with one drug

963

00:42:09,039 --> 00:42:17,480

smacking a spot SMA CH ing in fact I'd

964

00:42:14,150 --> 00:42:20,630

say homeopaths probably sorry in fact I

965

00:42:17,480 --> 00:42:22,550

say home paths probably have a better

966

00:42:20,630 --> 00:42:27,230

understanding of the body as a complete

967

00:42:22,550 --> 00:42:30,080

or Reaganism I sure that's led to be

968

00:42:27,230 --> 00:42:32,539

organism how much of it is all caps

969

00:42:30,079 --> 00:42:36,739

there's no super caps lock oh really no

970
00:42:32,539 --> 00:42:39,110
so it's not genuine then well it's not

971
00:42:36,739 --> 00:42:42,049
it's not one of the serious like part of

972
00:42:39,110 --> 00:42:43,720
the spectrum surgery IVF and psychiatry

973
00:42:42,050 --> 00:42:45,920
our areas i think are well done

974
00:42:43,719 --> 00:42:49,509
immunology and nutrition and psychology

975
00:42:45,920 --> 00:42:55,340
are areas i think i messed up badly whoo

976
00:42:49,510 --> 00:42:58,370
obviously an expert yeah this is someone

977
00:42:55,340 --> 00:43:03,800
called me it was you was it yeah i think

978
00:42:58,369 --> 00:43:06,049
you have watered down what they said as

979
00:43:03,800 --> 00:43:08,210
some as someone who has tried multiple

980
00:43:06,050 --> 00:43:11,269
conventional treatments for Kylie

981
00:43:08,210 --> 00:43:13,329
infections once I shifted to raw garlic

982
00:43:11,269 --> 00:43:15,559
and ginger it clobbered the infection

983
00:43:13,329 --> 00:43:17,389
modern medicine needs to just plainly

984
00:43:15,559 --> 00:43:19,610
admit it has lots to learn rather than

985
00:43:17,389 --> 00:43:22,549
strutting around looking important first

986
00:43:19,610 --> 00:43:26,809
do no harm me much the fourth 96 they

987
00:43:22,550 --> 00:43:28,190
ever good oh good grief it's night we

988
00:43:26,809 --> 00:43:30,380
don't have to right there honey lines

989
00:43:28,190 --> 00:43:34,460
that they write them all by themselves

990
00:43:30,380 --> 00:43:35,809
but we should get back to the survey

991
00:43:34,460 --> 00:43:38,750
wigan sorry that wasn't the question

992
00:43:35,809 --> 00:43:41,449
that was a no that was you know that was

993
00:43:38,750 --> 00:43:43,340
amusing diversion anyway tanvi is blown

994
00:43:41,449 --> 00:43:45,199
was good okay so what I was going to

995
00:43:43,340 --> 00:43:48,420
talk about Richard was a paper that was

996
00:43:45,199 --> 00:43:52,460
published in the last week or so

997
00:43:48,420 --> 00:43:54,990
it's by the university of wa and it was

998

00:43:52,460 --> 00:43:58,889
looking at whether pharmacists offer

999
00:43:54,989 --> 00:44:00,209
good advice compared to gps now this is

1000
00:43:58,889 --> 00:44:02,039
something we've talked about quite a lot

1001
00:44:00,210 --> 00:44:04,500
on the zone and we've blogged about as

1002
00:44:02,039 --> 00:44:06,750
well because we have a bit of a beef

1003
00:44:04,500 --> 00:44:08,579
with pharmacists selling things like ear

1004
00:44:06,750 --> 00:44:12,090
candles and homeopathy another bogus

1005
00:44:08,579 --> 00:44:13,440
indeed Jim and I were at a shopping

1006
00:44:12,090 --> 00:44:14,760
center today and I took him and I said

1007
00:44:13,440 --> 00:44:18,000
look at this and we found the ear

1008
00:44:14,760 --> 00:44:22,680
candles in the only ear section is

1009
00:44:18,000 --> 00:44:23,760
section tragic yeah well this study was

1010
00:44:22,679 --> 00:44:26,279
published in the annals of

1011
00:44:23,760 --> 00:44:28,910
pharmacotherapy and basically they sent

1012
00:44:26,280 --> 00:44:31,410

researchers which were posing as

1013

00:44:28,909 --> 00:44:35,759

patients with symptoms of a chronic

1014

00:44:31,409 --> 00:44:37,859

cough to 155 perth pharmacies and then

1015

00:44:35,760 --> 00:44:40,110

the the researchers initially asked for

1016

00:44:37,860 --> 00:44:43,050

something for a cough from the either

1017

00:44:40,110 --> 00:44:44,579

the assistant or the pharmacist and if

1018

00:44:43,050 --> 00:44:47,280

they were questioned about their cough

1019

00:44:44,579 --> 00:44:50,159

they were then had to explain that

1020

00:44:47,280 --> 00:44:52,230

they'd had the cough for a couple of had

1021

00:44:50,159 --> 00:44:54,509

a couple of times a week then had they

1022

00:44:52,230 --> 00:44:57,300

get the cough and it had persisted for a

1023

00:44:54,510 --> 00:45:00,590

couple of months and they were also

1024

00:44:57,300 --> 00:45:02,910

instructed to say that they were taking

1025

00:45:00,590 --> 00:45:05,039

selbst you tomorrow twice a day to

1026

00:45:02,909 --> 00:45:07,829

relieve symptoms of asthma so they're on

1027
00:45:05,039 --> 00:45:09,750
steroids as well now according to the

1028
00:45:07,829 --> 00:45:12,119
results only thirty-eight percent of

1029
00:45:09,750 --> 00:45:13,800
pharmacy staff including the pharmacists

1030
00:45:12,119 --> 00:45:16,019
advised the patients to go and see a

1031
00:45:13,800 --> 00:45:17,340
doctor and this was the sort of

1032
00:45:16,019 --> 00:45:18,989
benchmark of a study to determine

1033
00:45:17,340 --> 00:45:21,050
whether the pharmacists were giving good

1034
00:45:18,989 --> 00:45:23,329
advice was whether they said see a GP

1035
00:45:21,050 --> 00:45:25,890
thirty-eight percent of them did

1036
00:45:23,329 --> 00:45:27,569
seventy-four percent of them just sold

1037
00:45:25,889 --> 00:45:29,879
them some cough suppressant and sent

1038
00:45:27,570 --> 00:45:31,920
them on their way yeah yeah who doesn't

1039
00:45:29,880 --> 00:45:35,070
surprise me it matches our experiences

1040
00:45:31,920 --> 00:45:36,990
yeah it does um they also said that in

1041
00:45:35,070 --> 00:45:41,010
some cases staff members sold them cough

1042
00:45:36,989 --> 00:45:45,089
medicine and provided referral advice

1043
00:45:41,010 --> 00:45:46,950
but they they didn't because they didn't

1044
00:45:45,090 --> 00:45:48,809
send them get them to go to a doctor

1045
00:45:46,949 --> 00:45:50,969
they could be delaying their treatment

1046
00:45:48,809 --> 00:45:54,420
so they're potentially the cough could

1047
00:45:50,969 --> 00:45:56,759
have got worse so that's nothing to

1048
00:45:54,420 --> 00:45:59,480
sneeze you know it's nothing to sneeze

1049
00:45:56,760 --> 00:46:01,950
at but what is also

1050
00:45:59,480 --> 00:46:05,880
what is particularly interesting too

1051
00:46:01,949 --> 00:46:07,199
about this article is the comments now

1052
00:46:05,880 --> 00:46:10,019
this is on a page called medical

1053
00:46:07,199 --> 00:46:12,929
observer column delay you and there's

1054
00:46:10,019 --> 00:46:15,210
not even one comment in support of

1055

00:46:12,929 --> 00:46:17,699
pharmacists all of the comments agree

1056
00:46:15,210 --> 00:46:19,470
with the article and is saying things

1057
00:46:17,699 --> 00:46:21,629
like well I'm not surprised over many

1058
00:46:19,469 --> 00:46:24,689
years I've been into pharmacies and ask

1059
00:46:21,630 --> 00:46:29,750
them for advice and I always end up

1060
00:46:24,690 --> 00:46:32,280
being sold something this person says

1061
00:46:29,750 --> 00:46:34,769
the advice headed up by pharmacists

1062
00:46:32,280 --> 00:46:37,769
makes me cringe they usually end up to

1063
00:46:34,769 --> 00:46:40,679
selling me some useless product I've had

1064
00:46:37,769 --> 00:46:45,509
pharmacist pharmacists or should I say

1065
00:46:40,679 --> 00:46:46,859
people in a pharmacy where what who they

1066
00:46:45,510 --> 00:46:51,090
are I don't know and the general public

1067
00:46:46,860 --> 00:46:52,950
wouldn't know sales assistants acting as

1068
00:46:51,090 --> 00:46:55,769
if they think they're doctors especially

1069
00:46:52,949 --> 00:46:57,389

when it comes to up med well this this

1070

00:46:55,769 --> 00:47:00,179

person here has left a comment saying

1071

00:46:57,389 --> 00:47:02,129

that um he wants to see them getting out

1072

00:47:00,179 --> 00:47:05,369

of the woowoo business this is one of us

1073

00:47:02,130 --> 00:47:07,170

I guess using the term woo woo they say

1074

00:47:05,369 --> 00:47:09,119

any trip to a pharmacy will show them

1075

00:47:07,170 --> 00:47:11,550

selling all manner of worthless magnetic

1076

00:47:09,119 --> 00:47:13,880

therapy bits and pieces homeopathic

1077

00:47:11,550 --> 00:47:17,460

medicines which is an oxymoron

1078

00:47:13,880 --> 00:47:20,130

questionable new-age CDs on various

1079

00:47:17,460 --> 00:47:22,199

alternative mumbo jumbo they say I've

1080

00:47:20,130 --> 00:47:24,720

got nothing against pharmacist but is it

1081

00:47:22,199 --> 00:47:26,789

is a challenging degree to attain with

1082

00:47:24,719 --> 00:47:29,099

plenty of biochemistry physiology and

1083

00:47:26,789 --> 00:47:30,719

pharmacology but why oh why do they

1084
00:47:29,099 --> 00:47:33,299
lower themselves to selling all that

1085
00:47:30,719 --> 00:47:35,250
rubbish so this person is actually

1086
00:47:33,300 --> 00:47:38,610
suggesting that it's just simply a case

1087
00:47:35,250 --> 00:47:40,019
of greed winning over ethics because

1088
00:47:38,610 --> 00:47:42,630
they're just selling all this nonsense

1089
00:47:40,019 --> 00:47:44,519
when ethically in fact I've looked into

1090
00:47:42,630 --> 00:47:46,200
the code of conduct for pharmacists and

1091
00:47:44,519 --> 00:47:47,539
by selling stuff like this they're

1092
00:47:46,199 --> 00:47:49,829
breaching their own code of ethics

1093
00:47:47,539 --> 00:47:51,779
because they're kind of ethics specifies

1094
00:47:49,829 --> 00:47:54,719
that they will only agree to sell things

1095
00:47:51,780 --> 00:47:57,600
for which there is an evidence base and

1096
00:47:54,719 --> 00:48:00,659
I just asked if that boom relates excuse

1097
00:47:57,599 --> 00:48:02,860
me to one particular state in Australia

1098
00:48:00,659 --> 00:48:05,739
or right across Australia

1099
00:48:02,860 --> 00:48:08,019
study was done in Western Australia I'm

1100
00:48:05,739 --> 00:48:10,989
in Sydney so my experiences in New South

1101
00:48:08,019 --> 00:48:13,809
Wales which were Richard my gym for fun

1102
00:48:10,989 --> 00:48:15,699
on the weekends we go into pharmacies

1103
00:48:13,809 --> 00:48:18,789
and we asked pharmacist questions or

1104
00:48:15,699 --> 00:48:21,309
their staff and we've never had with

1105
00:48:18,789 --> 00:48:23,440
your dad no I apologize once i went into

1106
00:48:21,309 --> 00:48:25,329
a pharmacy in marrickville yes and asked

1107
00:48:23,440 --> 00:48:27,280
about homeopathy and she said it's

1108
00:48:25,329 --> 00:48:29,559
worthless it's useless but it's not like

1109
00:48:27,280 --> 00:48:31,750
it's not here because I want it here I'm

1110
00:48:29,559 --> 00:48:33,730
a franchise and the people that run this

1111
00:48:31,750 --> 00:48:35,559
franchise put it in my store but that

1112

00:48:33,730 --> 00:48:38,440
that's the except as an exception the

1113
00:48:35,559 --> 00:48:40,449
rule is generally either the even the

1114
00:48:38,440 --> 00:48:42,519
pharmacist and a real pharmacist we

1115
00:48:40,449 --> 00:48:45,250
asked once didn't know what if this is

1116
00:48:42,519 --> 00:48:48,219
very sad to me because two or three

1117
00:48:45,250 --> 00:48:50,349
decades ago I was integrally involved in

1118
00:48:48,219 --> 00:48:52,719
putting together a video which was shown

1119
00:48:50,349 --> 00:48:54,929
to primary schools throughout New South

1120
00:48:52,719 --> 00:48:57,759
Wales funded by the New South Wales

1121
00:48:54,929 --> 00:49:01,419
pharmaceutical Association and it was

1122
00:48:57,760 --> 00:49:04,300
titled you're at first aid talking about

1123
00:49:01,420 --> 00:49:07,119
the pharmacist being the first point of

1124
00:49:04,300 --> 00:49:09,039
call when you became crook rather than

1125
00:49:07,119 --> 00:49:11,799
just rushing straight to a doctor and

1126
00:49:09,039 --> 00:49:14,259

the whole philosophy was that he was the

1127

00:49:11,800 --> 00:49:16,240

healthcare professional for she was the

1128

00:49:14,260 --> 00:49:19,390

healthcare professional who would be

1129

00:49:16,239 --> 00:49:22,269

able to disseminate sound advice now

1130

00:49:19,389 --> 00:49:24,339

what you have said suggests that that no

1131

00:49:22,269 --> 00:49:26,019

longer exists and it's if that's true

1132

00:49:24,340 --> 00:49:27,400

that's very very sad well that's that's

1133

00:49:26,019 --> 00:49:29,170

why they have everyone's heard the

1134

00:49:27,400 --> 00:49:30,849

phrase ask your pharmacist I mean you

1135

00:49:29,170 --> 00:49:33,099

still see ads on television now where

1136

00:49:30,849 --> 00:49:36,159

they say ask your pharmacist about this

1137

00:49:33,099 --> 00:49:38,409

type of medicine but unfortunately once

1138

00:49:36,159 --> 00:49:40,569

you go and and do ask them you want to

1139

00:49:38,409 --> 00:49:42,039

get spurious information and we find we

1140

00:49:40,570 --> 00:49:43,630

just don't know what you're going to get

1141
00:49:42,039 --> 00:49:45,880
that's true well yeah why do you think

1142
00:49:43,630 --> 00:49:49,900
they sell these ludicrous product

1143
00:49:45,880 --> 00:49:52,960
because they they tell they sell them

1144
00:49:49,900 --> 00:49:54,820
because the product sell not good enough

1145
00:49:52,960 --> 00:49:56,710
what Diane was saying before Diane

1146
00:49:54,820 --> 00:49:58,960
mentioned that I'm one of our friends

1147
00:49:56,710 --> 00:50:01,539
went in to get a prescription filled for

1148
00:49:58,960 --> 00:50:03,579
his arm quit smoking drugs and on the

1149
00:50:01,539 --> 00:50:06,489
counter of the pharmacy were eat candles

1150
00:50:03,579 --> 00:50:07,869
and he apparently asked the pharmacist

1151
00:50:06,489 --> 00:50:09,669
why they're there and the pharmacist

1152
00:50:07,869 --> 00:50:11,078
kind of went really well they sell

1153
00:50:09,670 --> 00:50:12,700
people want them

1154
00:50:11,079 --> 00:50:17,489
and people buy them so we stopped them

1155
00:50:12,699 --> 00:50:17,489
and he said well I want to grab a coke

1156
00:50:18,809 --> 00:50:23,950
something else on Facebook is there

1157
00:50:21,458 --> 00:50:28,748
something else hey do you have a rent

1158
00:50:23,949 --> 00:50:31,958
boy arrives did I want to raise that

1159
00:50:28,748 --> 00:50:34,118
people 16 to do you have a red boy good

1160
00:50:31,958 --> 00:50:36,568
errands so you know you're right Tim

1161
00:50:34,119 --> 00:50:39,849
it's no excuse you know that and

1162
00:50:36,568 --> 00:50:41,079
ethically they really shouldn't be doing

1163
00:50:39,849 --> 00:50:42,338
it and this is actually really

1164
00:50:41,079 --> 00:50:44,259
interesting because it's the first time

1165
00:50:42,338 --> 00:50:46,538
I've seen an academic study that's

1166
00:50:44,259 --> 00:50:49,719
measured it it's quantitated how bad the

1167
00:50:46,539 --> 00:50:53,019
problem is and you know in some parts of

1168
00:50:49,719 --> 00:50:54,999
the world at the moment there are people

1169

00:50:53,018 --> 00:50:57,578
like pharmacists and actually in Canada

1170
00:50:54,998 --> 00:50:59,919
it's as bad as natural paths are pushing

1171
00:50:57,579 --> 00:51:02,019
to be able to prescribe drugs and in

1172
00:50:59,920 --> 00:51:04,869
some parts of Canada actually natural

1173
00:51:02,018 --> 00:51:06,368
pet scan now prescribe drugs but bill

1174
00:51:04,869 --> 00:51:07,719
pharmacists are also pushing for that

1175
00:51:06,369 --> 00:51:10,088
and it would certainly solve a lot of

1176
00:51:07,719 --> 00:51:11,499
issues in Australia we you know the lack

1177
00:51:10,088 --> 00:51:13,748
of doctors that we have we don't have

1178
00:51:11,498 --> 00:51:15,698
enough GPS and that sort of there's a

1179
00:51:13,748 --> 00:51:17,018
lot of pressure on our health system but

1180
00:51:15,699 --> 00:51:18,849
this evidence suggests that they just

1181
00:51:17,018 --> 00:51:20,708
not capable of doing that no there's a

1182
00:51:18,849 --> 00:51:23,109
reason this doctors prescribe because

1183
00:51:20,708 --> 00:51:25,808

they have medical training that's

1184

00:51:23,108 --> 00:51:28,150

correct yeah but these guys are trained

1185

00:51:25,809 --> 00:51:30,999

want to Train fully in understanding how

1186

00:51:28,150 --> 00:51:32,949

drugs work on what they do but they're

1187

00:51:30,998 --> 00:51:34,689

not trying to diagnose your ride but in

1188

00:51:32,949 --> 00:51:37,420

neither in naturopaths who may allow to

1189

00:51:34,690 --> 00:51:39,969

in Canada but I'm this doesn't give you

1190

00:51:37,420 --> 00:51:42,219

a lot of faith in their abilities sadly

1191

00:51:39,969 --> 00:51:44,048

sadly though disappointing because I

1192

00:51:42,219 --> 00:51:46,028

went through University with pharmacy

1193

00:51:44,048 --> 00:51:48,699

students we splitted the same lectures

1194

00:51:46,028 --> 00:51:50,349

in a lot of cases and it's really hard

1195

00:51:48,699 --> 00:51:52,358

to get into pharmacy so really

1196

00:51:50,349 --> 00:51:54,609

competitive course it's very complicated

1197

00:51:52,358 --> 00:51:57,068

there's a lot of pharmacokinetics and

1198
00:51:54,608 --> 00:51:59,619
make your head explode next time a

1199
00:51:57,068 --> 00:52:02,978
pharmacist suggests that the reason they

1200
00:51:59,619 --> 00:52:04,660
sell these sham products is because they

1201
00:52:02,978 --> 00:52:07,129
sell ask them why they don't sell

1202
00:52:04,659 --> 00:52:09,670
cigarettes yeah yeah

1203
00:52:07,130 --> 00:52:14,349
they used to the fact they still do it

1204
00:52:09,670 --> 00:52:17,269
dries up they used to say it came to ya

1205
00:52:14,349 --> 00:52:18,799
it's a very sad state of affairs but Jim

1206
00:52:17,269 --> 00:52:22,420
I was very interested to hear you say

1207
00:52:18,800 --> 00:52:24,950
that you were involved some time ago in

1208
00:52:22,420 --> 00:52:27,110
with the voice work presumably now it

1209
00:52:24,949 --> 00:52:29,299
was a video the video and I played her

1210
00:52:27,110 --> 00:52:31,880
quite a number of different characters

1211
00:52:29,300 --> 00:52:34,039
we shot it in a number of different

1212
00:52:31,880 --> 00:52:36,260
places in Sydney including Sydney

1213
00:52:34,039 --> 00:52:39,860
University and it was quite a

1214
00:52:36,260 --> 00:52:42,770
prestigious piece well done and a lot of

1215
00:52:39,860 --> 00:52:45,650
fun to do hard work and the entire

1216
00:52:42,769 --> 00:52:49,639
message was that a pharmacist was your

1217
00:52:45,650 --> 00:52:52,010
first aid and now of course that is in

1218
00:52:49,639 --> 00:52:55,549
question it seems like that's still a

1219
00:52:52,010 --> 00:52:57,590
very common opinion as well but that you

1220
00:52:55,550 --> 00:53:00,440
have the yearly most trusted people

1221
00:52:57,590 --> 00:53:02,900
surveys and pharmacists still seem to be

1222
00:53:00,440 --> 00:53:04,849
right up there which is why it surprised

1223
00:53:02,900 --> 00:53:07,269
me when you said that all the comments

1224
00:53:04,849 --> 00:53:10,789
on that article were universally

1225
00:53:07,269 --> 00:53:12,320
negative towards pharmacists so it would

1226

00:53:10,789 --> 00:53:14,480
appear there might be a bit of cognitive

1227
00:53:12,320 --> 00:53:17,740
dissonance going on where people still

1228
00:53:14,480 --> 00:53:22,400
trust them that don't at the same time

1229
00:53:17,739 --> 00:53:24,799
maybe one of the problems is I maybe my

1230
00:53:22,400 --> 00:53:28,309
memory is faulty but when I was a child

1231
00:53:24,800 --> 00:53:32,690
I seem to remember that a pharmacy a

1232
00:53:28,309 --> 00:53:35,539
chemist shop was at least one pharmacist

1233
00:53:32,690 --> 00:53:37,940
and maybe one assistant these days there

1234
00:53:35,539 --> 00:53:41,269
seem to be ten assistance and still only

1235
00:53:37,940 --> 00:53:43,159
one pharmacist so if you go in to ask

1236
00:53:41,269 --> 00:53:44,989
advice chances are you're not going to

1237
00:53:43,159 --> 00:53:49,309
get the advice of the pharmacist but on

1238
00:53:44,989 --> 00:53:51,409
one of the assistants and you could also

1239
00:53:49,309 --> 00:53:54,349
be getting advice from the resident

1240
00:53:51,409 --> 00:53:56,629

naturopath or the arid ologist or the

1241

00:53:54,349 --> 00:53:59,690

irreligious that pharmacy we went into

1242

00:53:56,630 --> 00:54:02,780

day gym every week has an iridology

1243

00:53:59,690 --> 00:54:04,490

reader come in you know reading no you

1244

00:54:02,780 --> 00:54:09,769

got the spot in your eye your foots

1245

00:54:04,489 --> 00:54:11,779

gonna fall off so 11 but Jeff it is that

1246

00:54:09,769 --> 00:54:14,509

preposterous though it is but don't ask

1247

00:54:11,780 --> 00:54:17,130

an ear candle specialist for advice

1248

00:54:14,510 --> 00:54:20,460

because usually they can't hear you

1249

00:54:17,130 --> 00:54:22,318

oh dear yeah that's because they'd

1250

00:54:20,460 --> 00:54:24,028

rather got candle stuck in their ears or

1251

00:54:22,318 --> 00:54:26,190

they've blown their hearing because hot

1252

00:54:24,028 --> 00:54:29,219

wax is best every drop while you're here

1253

00:54:26,190 --> 00:54:30,929

Jim why are you here can you spend a

1254

00:54:29,219 --> 00:54:33,239

moment or two to fill our listeners in a

1255
00:54:30,929 --> 00:54:36,000
little bit about your background because

1256
00:54:33,239 --> 00:54:38,338
you're known yes behind you you're known

1257
00:54:36,000 --> 00:54:41,009
of course as our voiceover man who

1258
00:54:38,338 --> 00:54:42,949
introduces the show and the segment but

1259
00:54:41,009 --> 00:54:46,619
what can you tell our worldwide

1260
00:54:42,949 --> 00:54:50,509
listening base about yourself well she

1261
00:54:46,619 --> 00:54:53,420
was my basic background is radio and

1262
00:54:50,509 --> 00:54:56,909
three or four decades in radio

1263
00:54:53,420 --> 00:54:59,329
specializing in open line radio I regard

1264
00:54:56,909 --> 00:55:02,338
myself as one of the fairer open line

1265
00:54:59,329 --> 00:55:04,710
broadcasters in australian radio having

1266
00:55:02,338 --> 00:55:07,619
been number one in sydney and in

1267
00:55:04,710 --> 00:55:10,710
melbourne at different times with open

1268
00:55:07,619 --> 00:55:13,500
line and other areas including canberra

1269
00:55:10,710 --> 00:55:16,170
her albury we'd either John Laws of your

1270
00:55:13,500 --> 00:55:22,920
day you know no no he was the John Laws

1271
00:55:16,170 --> 00:55:24,930
of his day oh that's right i met you

1272
00:55:22,920 --> 00:55:27,028
originally when you did a late night

1273
00:55:24,929 --> 00:55:28,828
show on Radio 2 GB here and sit in the

1274
00:55:27,028 --> 00:55:31,409
same station Rachel and I appear on now

1275
00:55:28,829 --> 00:55:33,750
occasion and Alan Jones not Alan Jones

1276
00:55:31,409 --> 00:55:36,598
yeah would that's here station yet yes

1277
00:55:33,750 --> 00:55:39,659
there's my i predate Alan being a 2gb

1278
00:55:36,599 --> 00:55:43,079
yes I used the opportunity of having

1279
00:55:39,659 --> 00:55:44,548
weekend midnight to dawns on 2gb I

1280
00:55:43,079 --> 00:55:46,829
figured that that was an opportunity

1281
00:55:44,548 --> 00:55:49,768
that a lot of radio announcers would cut

1282
00:55:46,829 --> 00:55:53,039
off an arm for so for three months I ran

1283

00:55:49,768 --> 00:55:57,179
Jim willsez nightclub I wrote 50 comedy

1284
00:55:53,039 --> 00:55:59,519
sketches a week for the two shows I had

1285
00:55:57,179 --> 00:56:01,679
guest of honor and each did a lot of

1286
00:55:59,518 --> 00:56:03,750
hard work just for the two shows and

1287
00:56:01,679 --> 00:56:06,568
eventually got a breakfast shift in the

1288
00:56:03,750 --> 00:56:09,329
nation's capital out of it so he paid

1289
00:56:06,568 --> 00:56:11,429
back it paid well with its dividend and

1290
00:56:09,329 --> 00:56:13,140
I went on to be number one in Canberra

1291
00:56:11,429 --> 00:56:15,568
with that halts and so on that led to

1292
00:56:13,139 --> 00:56:19,650
going to Melbourne where I said I was

1293
00:56:15,568 --> 00:56:22,108
number one even beat the the FM stations

1294
00:56:19,650 --> 00:56:24,150
in melbourne with an am station so it

1295
00:56:22,108 --> 00:56:25,980
was good fun eventually I got out

1296
00:56:24,150 --> 00:56:28,829
because unfortunately the problem with

1297
00:56:25,980 --> 00:56:30,179

radio is that failed radio announcers

1298

00:56:28,829 --> 00:56:32,430
generally become the man

1299

00:56:30,179 --> 00:56:34,949
jizz and the program managers and

1300

00:56:32,429 --> 00:56:37,230
there's nothing worse than being told by

1301

00:56:34,949 --> 00:56:43,349
a failure what to do when you're a

1302

00:56:37,230 --> 00:56:45,480
success idea now you are relating to be

1303

00:56:43,349 --> 00:56:47,549
a story a little while ago about the

1304

00:56:45,480 --> 00:56:50,519
time you were taking open line talkback

1305

00:56:47,550 --> 00:56:53,519
and you had somebody calling themselves

1306

00:56:50,519 --> 00:56:55,710
a numerologist coming I was filling in

1307

00:56:53,519 --> 00:56:58,139
for another person who had taken an

1308

00:56:55,710 --> 00:57:00,780
extended break had a midnight to dawn

1309

00:56:58,139 --> 00:57:03,000
show which included a lot of open line

1310

00:57:00,780 --> 00:57:06,930
and guests and it was a regular guest

1311

00:57:03,000 --> 00:57:09,090
who was a numerologist that freaked me

1312
00:57:06,929 --> 00:57:11,879
out a bit but I was prepared to go along

1313
00:57:09,090 --> 00:57:14,309
with it for the sheer fun of the

1314
00:57:11,880 --> 00:57:18,809
exercise and as long as it was treated

1315
00:57:14,309 --> 00:57:22,769
as a fun exercise I saw no great danger

1316
00:57:18,809 --> 00:57:26,460
in it until we got a call from an old

1317
00:57:22,769 --> 00:57:29,219
lady and part of what the numerologist

1318
00:57:26,460 --> 00:57:32,460
wanted to know was her street number and

1319
00:57:29,219 --> 00:57:36,000
based on her street number he told her

1320
00:57:32,460 --> 00:57:38,400
to move house now to me that was

1321
00:57:36,000 --> 00:57:40,949
incredibly dangerous you can imagine the

1322
00:57:38,400 --> 00:57:42,840
sort of drama that that could cause to

1323
00:57:40,949 --> 00:57:46,230
the old lady to the family of the old

1324
00:57:42,840 --> 00:57:48,750
lady to everyone involved and I kicked

1325
00:57:46,230 --> 00:57:52,349
him out of the studio I refused to have

1326
00:57:48,750 --> 00:57:56,119
him on the program and I got nothing but

1327
00:57:52,349 --> 00:57:59,819
plaudits nobody condemn me for doing it

1328
00:57:56,119 --> 00:58:02,489
right because numerology is particularly

1329
00:57:59,820 --> 00:58:08,280
a particularly insane branch of what

1330
00:58:02,489 --> 00:58:10,500
just doesn't the head up there's

1331
00:58:08,280 --> 00:58:13,200
something I realized us now yes here's

1332
00:58:10,500 --> 00:58:15,809
why you're such good friends I had this

1333
00:58:13,199 --> 00:58:17,489
revelation and you know also Jim is very

1334
00:58:15,809 --> 00:58:20,159
good friends with Richards brother Jeff

1335
00:58:17,489 --> 00:58:24,119
who is almost worse than Richard when it

1336
00:58:20,159 --> 00:58:26,989
comes to bed no almost I would say so I

1337
00:58:24,119 --> 00:58:29,719
can see why they're all friends yeah

1338
00:58:26,989 --> 00:58:33,279
it's anyway getting back to the think

1339
00:58:29,719 --> 00:58:36,529
tank but now it's really fat as I said

1340

00:58:33,280 --> 00:58:39,650
ya bunge it's fantastic that jim has

1341
00:58:36,530 --> 00:58:41,150
come up to visit and we'll have to

1342
00:58:39,650 --> 00:58:42,889
encourage him to come up more often I

1343
00:58:41,150 --> 00:58:45,920
think it's really great to see your

1344
00:58:42,889 --> 00:58:48,109
human as listeners that would know

1345
00:58:45,920 --> 00:58:50,389
earlier in the in the episode today's

1346
00:58:48,110 --> 00:58:52,390
episode I played a upon the gym read

1347
00:58:50,389 --> 00:58:54,889
last night live at skeptics in the pub

1348
00:58:52,389 --> 00:58:56,719
which was great there was good fun thank

1349
00:58:54,889 --> 00:58:58,339
you yeah and that's going to be

1350
00:58:56,719 --> 00:59:00,889
published in the skeptic magazine by the

1351
00:58:58,340 --> 00:59:03,110
way which is also fantastic speaking of

1352
00:59:00,889 --> 00:59:04,699
skeptics in the pub we were had a good

1353
00:59:03,110 --> 00:59:06,619
night Rachel congratulations on your

1354
00:59:04,699 --> 00:59:08,569

talk at skeptics in the pub thanks i

1355

00:59:06,619 --> 00:59:10,940

really enjoy giving that talk that's dr.

1356

00:59:08,570 --> 00:59:14,030

Google isn't it yeah diagnosis by dr.

1357

00:59:10,940 --> 00:59:16,519

google which is the same we're not quite

1358

00:59:14,030 --> 00:59:18,560

the same talk you gave the other week at

1359

00:59:16,519 --> 00:59:21,739

that big festival big ideas you've

1360

00:59:18,559 --> 00:59:24,230

improved upon it someone well I extended

1361

00:59:21,739 --> 00:59:27,019

expanded on it as well and one thing

1362

00:59:24,230 --> 00:59:29,710

that I did cover last night which a lot

1363

00:59:27,019 --> 00:59:32,780

of people have since asked me about the

1364

00:59:29,710 --> 00:59:36,289

hon code and horny stands for health on

1365

00:59:32,780 --> 00:59:38,960

the net foundation it's a non-government

1366

00:59:36,289 --> 00:59:41,779

organization based in Switzerland so at

1367

00:59:38,960 --> 00:59:45,590

some dub dub dub haunts eh for

1368

00:59:41,780 --> 00:59:49,269

Switzerland and basically it's been

1369
00:59:45,590 --> 00:59:52,930
around in since 95 it's a non-profit

1370
00:59:49,269 --> 00:59:55,489
non-government and it's um focused on

1371
00:59:52,929 --> 00:59:59,868
the provision of health information to

1372
00:59:55,489 --> 01:00:03,439
citizens and what it does is it is a

1373
00:59:59,869 --> 01:00:05,329
sort of indication of a website that has

1374
01:00:03,440 --> 01:00:07,599
accurate health information on the

1375
01:00:05,329 --> 01:00:09,889
internet right so you can submit your

1376
01:00:07,599 --> 01:00:12,069
website to these people they'll look at

1377
01:00:09,889 --> 01:00:14,599
it and if they deem that it's it's

1378
01:00:12,070 --> 01:00:17,150
useful and it's accurate and it's um

1379
01:00:14,599 --> 01:00:18,559
evidently evidence-based here they'll

1380
01:00:17,150 --> 01:00:21,108
give you the science based remote

1381
01:00:18,559 --> 01:00:24,289
science-based yeah they'll give you this

1382
01:00:21,108 --> 01:00:26,329
little code that you can put on your

1383
01:00:24,289 --> 01:00:28,730
website which is indicative that it's

1384
01:00:26,329 --> 01:00:30,909
some yeah reliable online health

1385
01:00:28,730 --> 01:00:33,409
information but one of the things that I

1386
01:00:30,909 --> 01:00:36,049
talked about last night is you can use

1387
01:00:33,409 --> 01:00:37,608
it as a search engine as well so if you

1388
01:00:36,050 --> 01:00:39,249
are looking for information

1389
01:00:37,608 --> 01:00:43,038
and you want to make sure that it's

1390
01:00:39,248 --> 01:00:46,028
reliable you can go on to Han and you

1391
01:00:43,039 --> 01:00:48,440
can do a search for a particular topic

1392
01:00:46,028 --> 01:00:50,389
for example vaccination and it will

1393
01:00:48,440 --> 01:00:53,298
bring up it will search the millions of

1394
01:00:50,389 --> 01:00:55,578
horn accredited websites and then it

1395
01:00:53,298 --> 01:00:57,048
also gives you a little menu where you

1396
01:00:55,579 --> 01:01:00,380
can select whether you want information

1397

01:00:57,048 --> 01:01:01,900
for health professionals for a member of

1398
01:01:00,380 --> 01:01:04,039
the public if you want it to be

1399
01:01:01,900 --> 01:01:06,499
information for teenagers for young

1400
01:01:04,039 --> 01:01:09,559
children for old people so then you can

1401
01:01:06,498 --> 01:01:11,868
filter even further from that those

1402
01:01:09,559 --> 01:01:13,548
research results that you get up so a

1403
01:01:11,869 --> 01:01:19,420
lot of people ask me about it so the

1404
01:01:13,548 --> 01:01:22,309
website is hom CH and it's really useful

1405
01:01:19,420 --> 01:01:24,769
I've been asked by our good friend Lucas

1406
01:01:22,309 --> 01:01:26,720
Randall hi Lucas Lucas is the wonderful

1407
01:01:24,768 --> 01:01:28,699
man who donated the video camera to the

1408
01:01:26,719 --> 01:01:33,129
skeptics on which we still use and I'll

1409
01:01:28,699 --> 01:01:36,409
get to that in a second to mention a new

1410
01:01:33,130 --> 01:01:39,559
skeptics in the pub it's the Melbourne

1411
01:01:36,409 --> 01:01:46,308

eastern hills skeptics in the pub or man

1412

01:01:39,559 --> 01:01:49,640

for sure man yeah man Oh No yay James

1413

01:01:46,309 --> 01:01:54,048

come on you've got something g 4 6 7 8

1414

01:01:49,639 --> 01:01:56,538

gb 7 and you can melbourne eastern hills

1415

01:01:54,048 --> 01:02:01,940

people have a look at the HTTP colon

1416

01:01:56,539 --> 01:02:06,890

slash slash groups group HTTP colon

1417

01:02:01,940 --> 01:02:12,829

slash slash group spaces com / math em

1418

01:02:06,889 --> 01:02:16,449

eh Matt hyphen s I TP or just do a

1419

01:02:12,829 --> 01:02:18,859

search for Melbourne eastern hills

1420

01:02:16,449 --> 01:02:21,288

skeptics bit of a mouthful but I'm sure

1421

01:02:18,858 --> 01:02:24,038

you'll find it there or maybe it will

1422

01:02:21,289 --> 01:02:24,039

also be the

1423

01:02:25,239 --> 01:02:32,989

this is dr. Rachel sound effects machine

1424

01:02:28,219 --> 01:02:34,579

otherwise ezer iPad what was that a run

1425

01:02:32,989 --> 01:02:37,669

that I thought maybe you could put the

1426
01:02:34,579 --> 01:02:39,769
link in the newsletter absolutely the

1427
01:02:37,670 --> 01:02:45,039
link will be on our website and in the

1428
01:02:39,769 --> 01:02:47,509
newsletter and Rachel oh thank you and

1429
01:02:45,039 --> 01:02:49,489
just to remind our listeners that yes I

1430
01:02:47,510 --> 01:02:52,340
i used the wonderful video camera

1431
01:02:49,489 --> 01:02:54,709
donated by Lucas Randall just this last

1432
01:02:52,340 --> 01:02:57,140
weekend and earlier in the show we had a

1433
01:02:54,710 --> 01:02:59,780
report from Armageddon dr. HC where you

1434
01:02:57,139 --> 01:03:02,179
and I may not work were there yeah that

1435
01:02:59,780 --> 01:03:04,430
was fun and may night might mean our

1436
01:03:02,179 --> 01:03:07,399
than I as you know we also recorded a

1437
01:03:04,429 --> 01:03:09,289
video report yeah we may not jumps up

1438
01:03:07,400 --> 01:03:11,360
and down on the spot for 20 seconds for

1439
01:03:09,289 --> 01:03:14,059
no reason as well but he does that yeah

1440
01:03:11,360 --> 01:03:16,070
he does do that he does is it true that

1441
01:03:14,059 --> 01:03:20,860
at the end of that he said i'ma getting

1442
01:03:16,070 --> 01:03:20,860
out of here yes it's probably true Oh

1443
01:03:21,639 --> 01:03:26,900
someone take that away now if you go to

1444
01:03:24,500 --> 01:03:29,090
my youtube channel which is skeptics own

1445
01:03:26,900 --> 01:03:31,070
podcast let's name on my youtube channel

1446
01:03:29,090 --> 01:03:33,230
you'll see Maynard's report but i'll

1447
01:03:31,070 --> 01:03:35,930
certainly put the link into the show

1448
01:03:33,230 --> 01:03:38,059
notes and the newsletter now before we

1449
01:03:35,929 --> 01:03:44,509
wrap it up a good friend of ours is

1450
01:03:38,059 --> 01:03:46,789
Norwegian Norwegian dr. hu Oh what just

1451
01:03:44,510 --> 01:03:50,030
like our lovely guest earlier in the

1452
01:03:46,789 --> 01:03:52,670
episode a friend of his has been

1453
01:03:50,030 --> 01:03:54,800
involved in making a movie called wasted

1454

01:03:52,670 --> 01:03:56,750
on the young and it's got very good mood

1455
01:03:54,800 --> 01:04:00,830
movie review so those people in

1456
01:03:56,750 --> 01:04:05,269
Australia I get why not go along and see

1457
01:04:00,829 --> 01:04:08,029
wasted on the young also big brief I'll

1458
01:04:05,269 --> 01:04:10,940
certainly be going along to see that and

1459
01:04:08,030 --> 01:04:12,530
all if you can just control yourself dr.

1460
01:04:10,940 --> 01:04:14,329
agian tell us about scared to come in

1461
01:04:12,530 --> 01:04:15,950
public without you know what's funnier

1462
01:04:14,329 --> 01:04:18,259
than the sounds the fact that she

1463
01:04:15,949 --> 01:04:20,029
actually knows exactly what she needs to

1464
01:04:18,260 --> 01:04:22,970
pressure you know regarding everything

1465
01:04:20,030 --> 01:04:25,140
it's like it's all other fingertips you

1466
01:04:22,969 --> 01:04:28,629
know so you bought me this app

1467
01:04:25,139 --> 01:04:30,879
hi I did before we go Rachel you have a

1468
01:04:28,630 --> 01:04:33,730

important note about Sydney skeptics in

1469

01:04:30,880 --> 01:04:36,700

the pub yes we have moved to a new venue

1470

01:04:33,730 --> 01:04:38,409

and we hope this is the final change for

1471

01:04:36,699 --> 01:04:39,578

at least a few months anyway because

1472

01:04:38,409 --> 01:04:41,920

we've been chopping and changing a bit

1473

01:04:39,579 --> 01:04:43,450

lately we actually got kicked out of our

1474

01:04:41,920 --> 01:04:46,659

previous pub because I didn't like the

1475

01:04:43,449 --> 01:04:48,969

cut of our jib as you say so we're now

1476

01:04:46,659 --> 01:04:50,889

at the Macquarie hotel in Surry Hills

1477

01:04:48,969 --> 01:04:53,439

which is only a block away from our

1478

01:04:50,889 --> 01:04:55,058

original venue which is the crown so

1479

01:04:53,440 --> 01:04:59,139

it's on the corner of Goulburn street

1480

01:04:55,059 --> 01:05:02,410

and something else went work you're

1481

01:04:59,139 --> 01:05:03,909

right so if you were at the crown you

1482

01:05:02,409 --> 01:05:05,379

would just walk one block towards surry

1483
01:05:03,909 --> 01:05:07,328
hills and you'll see right in front of

1484
01:05:05,380 --> 01:05:09,130
you the Macquarie it's on the corner

1485
01:05:07,329 --> 01:05:10,869
it's a very big pub and we're upstairs

1486
01:05:09,130 --> 01:05:13,809
only upstairs in the restaurant that's

1487
01:05:10,869 --> 01:05:15,640
right yeah yeah and it was again

1488
01:05:13,809 --> 01:05:17,769
congratulations on your doctor google

1489
01:05:15,639 --> 01:05:21,608
talk I like that talk a lot it's very

1490
01:05:17,768 --> 01:05:25,419
entertaining and very informative I will

1491
01:05:21,608 --> 01:05:27,608
do the talk for food okay too much time

1492
01:05:25,420 --> 01:05:31,180
you can do it for my stuff oh okay hey

1493
01:05:27,608 --> 01:05:33,219
you got invitation already okay well

1494
01:05:31,179 --> 01:05:34,960
what a fantastic time it's been as ever

1495
01:05:33,219 --> 01:05:36,969
in the think tank we love coming here

1496
01:05:34,960 --> 01:05:38,980
and down at our paper club down the end

1497
01:05:36,969 --> 01:05:41,108
of street James thank you for coming on

1498
01:05:38,980 --> 01:05:42,969
a lot of problems great be and you're

1499
01:05:41,108 --> 01:05:47,139
wearing a little pendant from surly Amy

1500
01:05:42,969 --> 01:05:49,480
that says no pants cost ya no comment he

1501
01:05:47,139 --> 01:05:50,920
can make to that Steve thank you so much

1502
01:05:49,480 --> 01:05:52,769
for coming on and thank you for the

1503
01:05:50,920 --> 01:05:55,358
invitation I was wonderful my pleasure

1504
01:05:52,768 --> 01:05:58,118

1506
01:05:58,119 --> 01:06:09,099
dr. raging oh hell special guest tonight

1507
01:06:04,659 --> 01:06:12,838
Jim Wilson thank you all and until next

1508
01:06:09,099 --> 01:06:15,160
time if we can survive dr. Rachel's

1509
01:06:12,838 --> 01:06:16,808
sound effects she's gonna see Scott have

1510
01:06:15,159 --> 01:06:20,038
comes just ready to press some its

1511

01:06:16,809 --> 01:06:20,039
cheers from the think tank

1512
01:06:45,599 --> 01:06:50,319
Richard you've done it again another

1513
01:06:47,769 --> 01:06:52,000
skeptic zone in the can bicker it wasn't

1514
01:06:50,320 --> 01:06:54,250
that fun it was great feels great to

1515
01:06:52,000 --> 01:06:56,920
have Jim involved with the think tank

1516
01:06:54,250 --> 01:06:58,389
actually in person as a actual human

1517
01:06:56,920 --> 01:07:00,400
being rather than just some sort of

1518
01:06:58,389 --> 01:07:02,319
audio signal coming through from I don't

1519
01:07:00,400 --> 01:07:05,710
know where what was it like Jim for you

1520
01:07:02,320 --> 01:07:09,160
well the thing to me was that I was

1521
01:07:05,710 --> 01:07:13,329
right when reality bites there's no cure

1522
01:07:09,159 --> 01:07:16,299
ooh that's deep oh I don't know what to

1523
01:07:13,329 --> 01:07:18,519
say about that its brief profound now

1524
01:07:16,300 --> 01:07:20,289
Jim of course Stefan Jim will be taking

1525
01:07:18,519 --> 01:07:23,530

part in helping us with our secret

1526

01:07:20,289 --> 01:07:25,449

project oh yes yeah are you trying to

1527

01:07:23,530 --> 01:07:26,980

hype up our audience a little bit I I am

1528

01:07:25,449 --> 01:07:28,239

this on the way you're trying to whet

1529

01:07:26,980 --> 01:07:30,010

their appetite for something they don't

1530

01:07:28,239 --> 01:07:33,909

know anything about later nothing about

1531

01:07:30,010 --> 01:07:36,070

it they can't even guess it is pretty

1532

01:07:33,909 --> 01:07:38,319

exciting we are where we are planning a

1533

01:07:36,070 --> 01:07:41,470

little thing but the other hand so you

1534

01:07:38,320 --> 01:07:45,160

know that we're sort of coming up in the

1535

01:07:41,469 --> 01:07:48,669

next month's to episode 150 oh and this

1536

01:07:45,159 --> 01:07:51,369

has nothing to do with that at least

1537

01:07:48,670 --> 01:07:53,829

we'll get them thinking hey wondering

1538

01:07:51,369 --> 01:07:56,289

secret project all right so Richard I

1539

01:07:53,829 --> 01:07:57,880
