

1
00:00:05,939 --> 00:00:13,679
welcome to the skeptic zone the podcast

2
00:00:09,099 --> 00:00:13,679
from Australia for science and reason

3
00:00:21,928 --> 00:00:30,118
yes it's the skeptic zone episode number

4
00:00:25,710 --> 00:00:32,109
146 for the sixth of August 2011

5
00:00:30,118 --> 00:00:36,600
Richardson is here with you once again

6
00:00:32,109 --> 00:00:39,909
from a very sunny lovely warm wintery

7
00:00:36,600 --> 00:00:41,530
Sydney Australia if you're in sydney

8
00:00:39,909 --> 00:00:43,779
right now what are you doing listening

9
00:00:41,530 --> 00:00:46,689
to the podcast get outside and enjoy the

10
00:00:43,780 --> 00:00:50,410
wonderful weather we're having on this

11
00:00:46,689 --> 00:00:52,629
week's show much more from tam 9 in las

12
00:00:50,409 --> 00:00:54,549
vegas although i don't remember much

13
00:00:52,630 --> 00:00:56,020
about at all apparently i was there i

14
00:00:54,549 --> 00:00:58,569
must have been there because i

15
00:00:56,020 --> 00:01:01,900
interviewed Ross and Carrie from the oh

16
00:00:58,570 --> 00:01:03,880
no Ross and Carrie podcast their

17
00:01:01,899 --> 00:01:07,450
philosophy is they do the wacky strange

18
00:01:03,880 --> 00:01:09,310
things so you don't have to what an

19
00:01:07,450 --> 00:01:12,249
interesting interview coming up with

20
00:01:09,310 --> 00:01:13,748
Ross and Carrie I'm so glad I did this

21
00:01:12,248 --> 00:01:15,310
interview because I can scarcely

22
00:01:13,748 --> 00:01:18,009
remember meeting them but then again I

23
00:01:15,310 --> 00:01:20,469
scarcely remember anything from Tam nine

24
00:01:18,009 --> 00:01:23,140
it's very sad never mind after that

25
00:01:20,468 --> 00:01:26,078
maybe we have someone who can possibly

26
00:01:23,140 --> 00:01:30,429
help me with my various problems it's

27
00:01:26,078 --> 00:01:33,788
dr. Stefan Soyka ah yes dr. Stefan Soyka

28
00:01:30,429 --> 00:01:38,549
back again this time with good advice

29

00:01:33,789 --> 00:01:42,099
about your third eye third eye health

30
00:01:38,549 --> 00:01:44,560
with dr. Stefan Soyka coming up a bit

31
00:01:42,099 --> 00:01:47,288
later in the show then it's back to Las

32
00:01:44,560 --> 00:01:50,859
Vegas where dr. Richie reports she

33
00:01:47,289 --> 00:01:52,659
interviews captain disillusion a great

34
00:01:50,858 --> 00:01:54,218
friend of the skeptics owned captain

35
00:01:52,659 --> 00:01:56,469
disillusion if you haven't seen his

36
00:01:54,218 --> 00:01:59,199
stuff check it out they'll be links in

37
00:01:56,468 --> 00:02:01,388
the show and on the show notes too he

38
00:01:59,200 --> 00:02:04,329
does wonderful things deconstructing

39
00:02:01,388 --> 00:02:07,298
online videos and he's a great guy then

40
00:02:04,328 --> 00:02:09,310
we have a mini think tank very many

41
00:02:07,299 --> 00:02:11,409
think tank it's well it's just me and

42
00:02:09,310 --> 00:02:13,989
Maynard having a chat over some lunch

43
00:02:11,409 --> 00:02:16,568

it's very nice to catch up with may not

44

00:02:13,989 --> 00:02:17,560

every now and then have a chat and we

45

00:02:16,568 --> 00:02:20,139

talk about

46

00:02:17,560 --> 00:02:23,680

optical issues I hope you enjoy it and

47

00:02:20,139 --> 00:02:25,329

to wrap up the show we go back to Las

48

00:02:23,680 --> 00:02:29,050

Vegas it's a bit of a yo-yo thing

49

00:02:25,330 --> 00:02:31,900

happening here lucky for me very lucky

50

00:02:29,050 --> 00:02:34,750

for me dr. h.e.r did some audio

51

00:02:31,900 --> 00:02:37,959

recording of the skeptics guide to the

52

00:02:34,750 --> 00:02:40,060

universe dinner auction where they

53

00:02:37,959 --> 00:02:45,159

kindly invited me to be the auctioneer

54

00:02:40,060 --> 00:02:47,229

and we pick up the action right at the

55

00:02:45,159 --> 00:02:49,568

very last item up for bid which was the

56

00:02:47,229 --> 00:02:52,389

chance for someone in the audience to be

57

00:02:49,568 --> 00:02:56,259

a guest rogue on the skeptics guide to

58
00:02:52,389 --> 00:02:58,599
the universe here the auction and you'll

59
00:02:56,259 --> 00:03:01,298
you'll find out how much that prize

60
00:02:58,599 --> 00:03:03,150
actually went for in the end it's very

61
00:03:01,299 --> 00:03:05,890
exciting for me to listen to that I

62
00:03:03,150 --> 00:03:10,269
almost wish I could be in the audience

63
00:03:05,889 --> 00:03:14,048
bidding as well so that's the show for

64
00:03:10,269 --> 00:03:15,819
today oh now what are we going to have

65
00:03:14,049 --> 00:03:16,959
let's see last week it was chicken soup

66
00:03:15,818 --> 00:03:19,539
and I actually had a Twitter from

67
00:03:16,959 --> 00:03:21,729
someone saying how much they enjoyed

68
00:03:19,539 --> 00:03:23,259
hearing that i was going for chicken

69
00:03:21,729 --> 00:03:25,659
soup chicken noodle soup it was good

70
00:03:23,259 --> 00:03:27,459
folks mmm but today's a bit warmer

71
00:03:25,659 --> 00:03:29,319
actually today's a bit warmer you know

72
00:03:27,459 --> 00:03:32,199
what I'm not going to actually have any

73
00:03:29,319 --> 00:03:35,650
super or coffee or vodka or anything

74
00:03:32,199 --> 00:03:38,078
like that I'm gonna run downstairs I'm

75
00:03:35,650 --> 00:03:41,769
gonna have a I'm gonna get some

76
00:03:38,079 --> 00:03:46,109
sourdough bread nice thick slice of

77
00:03:41,769 --> 00:03:49,769
sourdough can we get some Swiss cheese

78
00:03:46,109 --> 00:03:57,129
some hot English mustard smeared likely

79
00:03:49,769 --> 00:04:01,120
maybe a bit of lettuce wafer of ham yeah

80
00:03:57,129 --> 00:04:03,939
that'll do me mmm Oh what the show here

81
00:04:01,120 --> 00:04:06,239
sorry and I'll let you enjoy the skiff

82
00:04:03,939 --> 00:04:06,239
exam

83
00:04:17,930 --> 00:04:23,970
well he is still a 10 Las Vegas having a

84
00:04:21,569 --> 00:04:26,610
wonderful time being run around so many

85
00:04:23,970 --> 00:04:29,039
people here folks I can't even begin to

86

00:04:26,610 --> 00:04:30,720
tell you and then I saw a couple of

87
00:04:29,038 --> 00:04:35,069
people in the hall and all I could say

88
00:04:30,720 --> 00:04:37,050
was oh no Ross and Carrie delightful

89
00:04:35,069 --> 00:04:41,219
people and I've come here to interview

90
00:04:37,050 --> 00:04:43,770
them hello Russell hello hello why would

91
00:04:41,220 --> 00:04:46,320
I say oh no Perry what's the story um

92
00:04:43,769 --> 00:04:49,319
well generally people say that when we

93
00:04:46,319 --> 00:04:52,009
enter a room anyway but the idea is that

94
00:04:49,319 --> 00:04:54,120
we show up to all these these various

95
00:04:52,009 --> 00:04:56,279
organizations that make funny claims

96
00:04:54,120 --> 00:05:00,090
claims that sound unlikely to you at

97
00:04:56,279 --> 00:05:02,309
first so we've been ear candling we've

98
00:05:00,089 --> 00:05:05,069
joined up with the the Cabalists and

99
00:05:02,310 --> 00:05:07,800
learned about their faith um went to a

100
00:05:05,069 --> 00:05:09,899

Sikh Gurdwara went to a Sikh highly

101

00:05:07,800 --> 00:05:12,270

recommend that yep place of worship and

102

00:05:09,899 --> 00:05:13,859

then most recently investigated the

103

00:05:12,269 --> 00:05:15,990

Mormon Church did a six-month

104

00:05:13,860 --> 00:05:19,169

investigation where we became Mormons

105

00:05:15,990 --> 00:05:21,509

and so we should go up and ask these

106

00:05:19,168 --> 00:05:24,870

really tough questions so you guys uh

107

00:05:21,509 --> 00:05:26,189

not I'm Chan skeptic side all right

108

00:05:24,870 --> 00:05:27,840

that's the idea like we do a bit of

109

00:05:26,189 --> 00:05:29,069

research you know we go in with for

110

00:05:27,839 --> 00:05:31,649

knowledge we look at what you know

111

00:05:29,069 --> 00:05:34,589

websites and read up a bit but we

112

00:05:31,649 --> 00:05:37,168

actually go there yeah and check it out

113

00:05:34,589 --> 00:05:39,629

first hand and like I said start asking

114

00:05:37,168 --> 00:05:42,269

those questions find out when they ask

115
00:05:39,629 --> 00:05:44,310
you for money how they respond to the

116
00:05:42,269 --> 00:05:46,019
questions you ask and then we report

117
00:05:44,310 --> 00:05:48,360
back on that I like the motto of the

118
00:05:46,019 --> 00:05:50,219
show we show up so you don't have to

119
00:05:48,360 --> 00:05:51,509
that's right yeah because you know you

120
00:05:50,220 --> 00:05:53,490
hear about all these things all the time

121
00:05:51,509 --> 00:05:55,408
you hear about ear candling maybe if

122
00:05:53,490 --> 00:05:57,030
read an article about it but hardly

123
00:05:55,408 --> 00:05:59,848
anyone knows someone who's gone and done

124
00:05:57,029 --> 00:06:01,619
it so well I certainly haven't and then

125
00:05:59,848 --> 00:06:03,538
and then you know I got ear candles so

126
00:06:01,620 --> 00:06:06,000
then I can report back on this is what

127
00:06:03,538 --> 00:06:08,069
is actually happening and we bought one

128
00:06:06,000 --> 00:06:09,720
ourselves and burnt it without an ear

129
00:06:08,069 --> 00:06:12,509
and lo and behold they're still wax in

130
00:06:09,720 --> 00:06:14,560
there I'm sure colored like ear wax I'm

131
00:06:12,509 --> 00:06:16,719
shocked I bought

132
00:06:14,560 --> 00:06:19,540
cannibals yup so they're legal in

133
00:06:16,720 --> 00:06:22,300
Australia yes if there is ugly yeah okay

134
00:06:19,540 --> 00:06:25,120
so um so I've gone through that process

135
00:06:22,300 --> 00:06:27,100
I've argued with the pharmacist who sold

136
00:06:25,120 --> 00:06:30,759
me the air capital why are you telling

137
00:06:27,100 --> 00:06:32,710
me this rubbish is your money but I

138
00:06:30,759 --> 00:06:35,980
haven't never had one stuck in my head

139
00:06:32,709 --> 00:06:37,959
yeah you did you both rosters me I'm no

140
00:06:35,980 --> 00:06:40,000
no it's funny I was just saying today I

141
00:06:37,959 --> 00:06:41,529
was not scared at all to join the Mormon

142
00:06:40,000 --> 00:06:43,600
so they hang out with the Cabalists but

143

00:06:41,529 --> 00:06:46,179
ear candling no I'm not sticking a

144
00:06:43,600 --> 00:06:49,180
flaming candle in my ear so rostov oh

145
00:06:46,180 --> 00:06:51,459
where are you based Los Angeles and yeah

146
00:06:49,180 --> 00:06:53,259
there's no shortage of you know crazy

147
00:06:51,459 --> 00:06:55,329
claims wild claims may be

148
00:06:53,259 --> 00:06:57,969
unsubstantiated claims in the Los

149
00:06:55,329 --> 00:07:00,039
Angeles area so that's what we check out

150
00:06:57,970 --> 00:07:02,139
so the idea is you do all these wacky

151
00:07:00,040 --> 00:07:04,960
crazy things or interesting things and

152
00:07:02,139 --> 00:07:07,689
then you report exactly on your podcast

153
00:07:04,959 --> 00:07:10,930
yeah yeah just tell you the experience

154
00:07:07,689 --> 00:07:12,160
and kind of our own reactions to what

155
00:07:10,930 --> 00:07:13,900
people said and we kind of recount some

156
00:07:12,160 --> 00:07:15,790
of the funny things they say right and

157
00:07:13,899 --> 00:07:19,149

sometimes half of the Kimura comes from

158

00:07:15,790 --> 00:07:21,220

us reacting badly to it sometimes we

159

00:07:19,149 --> 00:07:23,109

humble ourselves and we've got a rating

160

00:07:21,220 --> 00:07:25,060

system afterwards so we read it on a

161

00:07:23,110 --> 00:07:27,910

danger scale you know how dangerous is

162

00:07:25,060 --> 00:07:30,459

it a pseudoscience scale how creepy is

163

00:07:27,910 --> 00:07:33,550

it and the pocket trainer value how much

164

00:07:30,459 --> 00:07:35,560

you know much as remaining pockets 10 so

165

00:07:33,550 --> 00:07:40,000

how monitor how long is your podcast we

166

00:07:35,560 --> 00:07:42,069

go ed oh just four months we march two

167

00:07:40,000 --> 00:07:45,339

thousand eleven and it's called the

168

00:07:42,069 --> 00:07:48,129

owner podcast yeah Oh called oh no Ross

169

00:07:45,339 --> 00:07:52,029

and Carrie right oh it's at oh no oh no

170

00:07:48,129 --> 00:07:57,250

podcast cannot be confused with Yoko Ono

171

00:07:52,029 --> 00:07:59,559

No hno podcast com that's true I wonder

172
00:07:57,250 --> 00:08:01,329
Yoko Ono has a podcast she might be

173
00:07:59,560 --> 00:08:04,379
competing for web space for those let's

174
00:08:01,329 --> 00:08:09,459
don't worry about her looks good on

175
00:08:04,379 --> 00:08:12,930
facebook / 0 n RAC that's right 40 now

176
00:08:09,459 --> 00:08:15,310
Ross and Carrie that's right Oh clever

177
00:08:12,930 --> 00:08:17,769
tell me about your adventures into

178
00:08:15,310 --> 00:08:19,329
Mormonism man this is what sparked my

179
00:08:17,769 --> 00:08:21,519
interest would you have briefly before I

180
00:08:19,329 --> 00:08:23,829
think yeah yeah well we we both always

181
00:08:21,519 --> 00:08:24,939
been interested in Mormonism and it was

182
00:08:23,829 --> 00:08:25,519
one of the things that we talked about

183
00:08:24,939 --> 00:08:27,259
from the very

184
00:08:25,519 --> 00:08:29,029
beginning that we wanted to invest right

185
00:08:27,259 --> 00:08:31,669
but we knew it would take a really long

186
00:08:29,029 --> 00:08:33,199
time to do all the classes Carrie had

187
00:08:31,668 --> 00:08:35,000
just gotten a book of mormon i had one

188
00:08:33,200 --> 00:08:36,800
from years ago I have Mormons in my

189
00:08:35,000 --> 00:08:39,349
family so we both knew a bit about

190
00:08:36,799 --> 00:08:41,838
Mormonism but you started talking to one

191
00:08:39,349 --> 00:08:43,399
of their online representatives yeah i

192
00:08:41,839 --> 00:08:44,930
went to mormon org and shadow with

193
00:08:43,399 --> 00:08:47,600
somebody and ask them lots of tough

194
00:08:44,929 --> 00:08:49,338
questions and they said who basically

195
00:08:47,600 --> 00:08:50,600
stop asking me questions and go meet

196
00:08:49,339 --> 00:08:52,279
your missionaries I'm tired of you

197
00:08:50,600 --> 00:08:54,740
because you know there's these dedicated

198
00:08:52,278 --> 00:08:56,269
missionaries between 1820 years old and

199
00:08:54,740 --> 00:08:59,930
this is their job that they call it the

200

00:08:56,269 --> 00:09:03,490
oldest you know they're younger than us

201
00:08:59,929 --> 00:09:05,870
by their elders and yeah sweet guys and

202
00:09:03,490 --> 00:09:08,778
yeah so we started going to these

203
00:09:05,870 --> 00:09:10,339
classes and there's uh are there six

204
00:09:08,778 --> 00:09:13,879
classes I think that you have to take

205
00:09:10,339 --> 00:09:16,070
place really yeah before each one was

206
00:09:13,879 --> 00:09:17,509
taking two and a half hours so we've got

207
00:09:16,070 --> 00:09:19,220
busy schedules and we're trying to after

208
00:09:17,509 --> 00:09:21,049
work meet up with these Mormons and

209
00:09:19,220 --> 00:09:24,320
going on to like 830 at night yeah yeah

210
00:09:21,049 --> 00:09:27,199
how do they how do they sell the whole

211
00:09:24,320 --> 00:09:29,028
Joseph Smith and the hat and that's what

212
00:09:27,200 --> 00:09:30,860
I was so interested in like you know how

213
00:09:29,028 --> 00:09:32,990
do you tell that to somebody straight to

214
00:09:30,860 --> 00:09:34,970

their face exactly yeah well you know

215

00:09:32,990 --> 00:09:37,250

they leave out some details that you

216

00:09:34,970 --> 00:09:39,139

hear in popular culture like the Hat

217

00:09:37,250 --> 00:09:41,059

actually isn't even mentioned we had to

218

00:09:39,139 --> 00:09:43,458

bring it up like doesn't he use to your

219

00:09:41,059 --> 00:09:44,689

stones and look into hats right they

220

00:09:43,458 --> 00:09:48,349

don't tell you about the room and the

221

00:09:44,690 --> 00:09:51,470

thumb him that whole story yeah but they

222

00:09:48,350 --> 00:09:54,290

do tell you you know well I get it this

223

00:09:51,470 --> 00:09:56,450

is may be hard to swallow but if you ask

224

00:09:54,289 --> 00:09:58,309

the Heavenly Father he will reveal to

225

00:09:56,450 --> 00:10:00,649

you the truth of it so it's just

226

00:09:58,309 --> 00:10:03,588

appealed to personal revelation right

227

00:10:00,649 --> 00:10:04,879

that we get it you're logical people and

228

00:10:03,589 --> 00:10:06,560

they respected that we would tell them

229
00:10:04,879 --> 00:10:08,149
we're very skeptical of this you know we

230
00:10:06,559 --> 00:10:09,649
have a really hard time you're buying

231
00:10:08,149 --> 00:10:11,720
into this but they would say you know

232
00:10:09,649 --> 00:10:14,028
that's fine just read and ask the

233
00:10:11,720 --> 00:10:15,589
Heavenly Father great and it's

234
00:10:14,028 --> 00:10:16,939
interesting one of the tactics that I

235
00:10:15,589 --> 00:10:18,410
found they used and I don't think we

236
00:10:16,940 --> 00:10:20,779
even talked about this on the show is

237
00:10:18,409 --> 00:10:23,059
that instead of actually getting us

238
00:10:20,778 --> 00:10:24,919
evidence for their claims they would

239
00:10:23,059 --> 00:10:27,889
give us counter evidence to what they

240
00:10:24,919 --> 00:10:30,769
expected our opposition to be so they

241
00:10:27,889 --> 00:10:32,088
say instead of actually saying like well

242
00:10:30,769 --> 00:10:33,889
these are the documents we have that

243
00:10:32,089 --> 00:10:35,660
support the idea that Joseph Smith was

244
00:10:33,889 --> 00:10:37,870
telling the truth yeah they would say

245
00:10:35,659 --> 00:10:39,909
well you know

246
00:10:37,870 --> 00:10:41,560
Jesus if he came to earth he would

247
00:10:39,909 --> 00:10:43,629
probably want to talk to lots of people

248
00:10:41,559 --> 00:10:47,469
right so it would make sense that there

249
00:10:43,629 --> 00:10:49,450
are other documents that sort of moving

250
00:10:47,470 --> 00:10:52,960
the goalposts a little isn't it oh sure

251
00:10:49,450 --> 00:10:56,379
I don't know to the next field that's

252
00:10:52,960 --> 00:10:58,120
right defining all the terms yes yes not

253
00:10:56,379 --> 00:11:00,159
addressing the issue and and we would

254
00:10:58,120 --> 00:11:01,539
try to kind of pro about to see do they

255
00:11:00,159 --> 00:11:04,059
have anything to say about the

256
00:11:01,539 --> 00:11:05,500
archaeology of South America and and why

257

00:11:04,059 --> 00:11:08,049
we don't have any evidence that Jesus

258
00:11:05,500 --> 00:11:10,179
actually came over and we found actually

259
00:11:08,049 --> 00:11:11,769
they brought in a reinforcement on our

260
00:11:10,179 --> 00:11:13,299
third meeting with them because clearly

261
00:11:11,769 --> 00:11:15,088
we've been asking more questions and

262
00:11:13,299 --> 00:11:17,889
studied more than anybody that knotted

263
00:11:15,089 --> 00:11:19,450
previously and so they brought in you

264
00:11:17,889 --> 00:11:21,100
know somebody who was more experienced

265
00:11:19,450 --> 00:11:23,470
and so we had three of them now meeting

266
00:11:21,100 --> 00:11:25,450
with us and we found that their response

267
00:11:23,470 --> 00:11:28,899
would be you know that's an excellent

268
00:11:25,450 --> 00:11:32,379
question that wow so incisive insightful

269
00:11:28,899 --> 00:11:34,659
but um you know we wondered that too we

270
00:11:32,379 --> 00:11:35,919
just put that on the shelf you know and

271
00:11:34,659 --> 00:11:39,009

we'll ask the Heavenly Father when we

272

00:11:35,919 --> 00:11:40,809

get to heaven well hi right there you go

273

00:11:39,009 --> 00:11:42,879

yeah at some point we started to be like

274

00:11:40,809 --> 00:11:47,528

okay but that's a question I want

275

00:11:42,879 --> 00:11:49,419

answered now kind of important yeah but

276

00:11:47,528 --> 00:11:50,889

then just kind of you know say alright

277

00:11:49,419 --> 00:11:52,569

we've gotten to this point where it's

278

00:11:50,889 --> 00:11:53,799

kind of do or die like either we can

279

00:11:52,570 --> 00:11:55,810

explain this or we can't and they'd say

280

00:11:53,799 --> 00:11:57,879

yeah let's table that for the afterlife

281

00:11:55,809 --> 00:11:59,919

I like I like that idea so you get to

282

00:11:57,879 --> 00:12:01,838

the offline you put the garden God says

283

00:11:59,919 --> 00:12:06,399

I tell you what let's discuss this

284

00:12:01,839 --> 00:12:09,190

tomorrow right we have some hearts to

285

00:12:06,399 --> 00:12:11,860

play over now so how long was this whole

286

00:12:09,190 --> 00:12:15,130

moment adventure it's still going on

287

00:12:11,860 --> 00:12:17,500

stupid yeah we actually as of you know

288

00:12:15,129 --> 00:12:19,720

this conversation we just got confirmed

289

00:12:17,500 --> 00:12:21,580

in the church last Sunday which means we

290

00:12:19,720 --> 00:12:23,230

received the Holy Spirit well there you

291

00:12:21,580 --> 00:12:24,520

go yeah you know the whole thing in

292

00:12:23,230 --> 00:12:27,070

front of the congregation it's a large

293

00:12:24,519 --> 00:12:28,740

congregation yeah hundreds of people and

294

00:12:27,070 --> 00:12:31,390

you know they surround us but their

295

00:12:28,740 --> 00:12:33,339

hands on our heads and they said this

296

00:12:31,389 --> 00:12:35,289

prayer and the the Sunday before that we

297

00:12:33,339 --> 00:12:37,360

were baptized into the church so we got

298

00:12:35,289 --> 00:12:39,099

to wear these white jumpsuit yes and

299

00:12:37,360 --> 00:12:41,379

we'll be talking more about this in the

300
00:12:39,100 --> 00:12:44,740
upcoming episode getting the details on

301
00:12:41,379 --> 00:12:46,480
that um but you know I've invited the

302
00:12:44,740 --> 00:12:47,740
elders to my work and shown them around

303
00:12:46,480 --> 00:12:49,680
and we've taken them out for dinner

304
00:12:47,740 --> 00:12:52,350
they're great guys really know

305
00:12:49,679 --> 00:12:55,709
sure they are look I've met in the

306
00:12:52,350 --> 00:12:58,920
street and at my door elders from the

307
00:12:55,710 --> 00:13:01,860
Church of Latter day Saints and there's

308
00:12:58,919 --> 00:13:04,229
these kids well-meaning kids are they oh

309
00:13:01,860 --> 00:13:07,589
and lying we've been from good families

310
00:13:04,230 --> 00:13:09,720
and and stand not an evil thought in

311
00:13:07,589 --> 00:13:12,870
their heads oh yeah they're incredibly

312
00:13:09,720 --> 00:13:14,220
incredibly sweet mmm I mean we like

313
00:13:12,870 --> 00:13:15,750
hanging out with them we think of them

314

00:13:14,220 --> 00:13:18,060
as friends which is what's made this

315
00:13:15,750 --> 00:13:21,120
really difficult as the end approaches

316
00:13:18,059 --> 00:13:22,769
course also you know that a percentage

317
00:13:21,120 --> 00:13:26,909
of them and i'm not sure what the

318
00:13:22,769 --> 00:13:29,549
percentages will crash one day yes it

319
00:13:26,909 --> 00:13:31,528
will come to a very unhappy end for them

320
00:13:29,549 --> 00:13:33,469
that yes i think the percentage is

321
00:13:31,528 --> 00:13:36,240
probably quite high i know several

322
00:13:33,470 --> 00:13:37,860
former Mormon or men's it's sort of sad

323
00:13:36,240 --> 00:13:40,409
annoying knowing that that's in their

324
00:13:37,860 --> 00:13:42,240
future it is but you know the flip side

325
00:13:40,409 --> 00:13:44,850
of that is that if they are believing in

326
00:13:42,240 --> 00:13:46,500
a system that's ultimately not based in

327
00:13:44,850 --> 00:13:48,389
the truth and might be detrimental to

328
00:13:46,500 --> 00:13:51,629

them then you want to help them move

329

00:13:48,389 --> 00:13:53,039

past that and what we're doing is unique

330

00:13:51,629 --> 00:13:55,439

because we are going there and getting

331

00:13:53,039 --> 00:13:57,809

involved firsthand and you know that's a

332

00:13:55,440 --> 00:13:59,490

tightrope that we're walking because you

333

00:13:57,809 --> 00:14:00,989

know we're trying to be as honest as

334

00:13:59,490 --> 00:14:03,000

possible with them but at some point

335

00:14:00,990 --> 00:14:06,060

we're going to have to say sorry you

336

00:14:03,000 --> 00:14:08,399

know we did give this an honest yes try

337

00:14:06,059 --> 00:14:10,889

yeah well we did come in into it with

338

00:14:08,399 --> 00:14:12,838

you know a certain viewpoint and we left

339

00:14:10,889 --> 00:14:15,120

probably with the same viewpoint yeah

340

00:14:12,839 --> 00:14:17,670

yeah and and we we don't want to hurt

341

00:14:15,120 --> 00:14:18,990

them no no you don't because they're

342

00:14:17,669 --> 00:14:20,759

good people so I think we've been

343
00:14:18,990 --> 00:14:22,350
introducing some skeptical ideas and it

344
00:14:20,759 --> 00:14:24,120
was amazing in the conversations we had

345
00:14:22,350 --> 00:14:26,220
with them I was able to introduce some

346
00:14:24,120 --> 00:14:27,240
very skeptical thoughts and they would

347
00:14:26,220 --> 00:14:28,800
always say well that's really

348
00:14:27,240 --> 00:14:30,930
interesting I never thought of that more

349
00:14:28,799 --> 00:14:32,939
so we're introducing some of these ideas

350
00:14:30,929 --> 00:14:35,909
we don't know how it's going to affect

351
00:14:32,940 --> 00:14:37,950
them when we say sorry we don't believe

352
00:14:35,909 --> 00:14:39,870
this and we are going to tell them we've

353
00:14:37,950 --> 00:14:43,890
agreed at this point that will tell them

354
00:14:39,870 --> 00:14:45,060
we do this podcast and you know we we've

355
00:14:43,889 --> 00:14:48,299
been completely honest with you about

356
00:14:45,059 --> 00:14:50,639
our level of faith yeah but you know we

357
00:14:48,299 --> 00:14:52,469
haven't completely divulged some of our

358
00:14:50,639 --> 00:14:55,319
motivation and I think that will

359
00:14:52,470 --> 00:14:56,940
probably hurt them mmm it's an

360
00:14:55,320 --> 00:14:58,500
interesting it's an interesting path

361
00:14:56,940 --> 00:15:01,320
you're following their if I can put it

362
00:14:58,500 --> 00:15:01,809
in that way but what's what's on your

363
00:15:01,320 --> 00:15:06,879
horizon

364
00:15:01,809 --> 00:15:10,439
and then after this oh you gonna you're

365
00:15:06,879 --> 00:15:10,439
gonna infiltrate the skeptical

366
00:15:10,528 --> 00:15:17,320
nevertheless seven years that's actually

367
00:15:14,019 --> 00:15:19,240
been suggested but yeah uh yeah you know

368
00:15:17,320 --> 00:15:20,920
I wish we could tell you all of them but

369
00:15:19,240 --> 00:15:22,659
at the end of every episode we give a

370
00:15:20,919 --> 00:15:24,969
hint about what the next one's a battle

371

00:15:22,659 --> 00:15:28,929
that's fine sometimes it rhymes

372
00:15:24,970 --> 00:15:31,269
sometimes it's in musical but let's say

373
00:15:28,929 --> 00:15:33,879
you have a wide selection of things

374
00:15:31,269 --> 00:15:36,159
coming up possibly also you'd like to do

375
00:15:33,879 --> 00:15:37,929
anyone oh yes absolutely and some of

376
00:15:36,159 --> 00:15:39,699
them we what we want to lay off religion

377
00:15:37,929 --> 00:15:42,159
for a little bit right I gotta blame you

378
00:15:39,700 --> 00:15:44,589
we've been doing that a little bit

379
00:15:42,159 --> 00:15:45,789
lately um so we'll probably go into some

380
00:15:44,589 --> 00:15:48,190
other like alternative medicine

381
00:15:45,789 --> 00:15:49,809
practices maybe some some ghost hunting

382
00:15:48,190 --> 00:15:52,510
or Ricky or something that would be fun

383
00:15:49,809 --> 00:15:54,489
yes hang out some I've done that hanging

384
00:15:52,509 --> 00:15:57,730
out at Hornish houses oh how was it yeah

385
00:15:54,490 --> 00:15:59,379

nothing happens I mean we've had a lot

386

00:15:57,730 --> 00:16:01,330

of these experiences before we're the

387

00:15:59,379 --> 00:16:03,338

type of people that do this anyway right

388

00:16:01,330 --> 00:16:05,080

I mean it with my involvement in the

389

00:16:03,339 --> 00:16:08,200

independent investigations group I've

390

00:16:05,080 --> 00:16:13,480

been to you know UFO same here on the

391

00:16:08,200 --> 00:16:15,580

UFO say yeah I like that I like you've

392

00:16:13,480 --> 00:16:20,259

been to a sans I've been doing an

393

00:16:15,580 --> 00:16:21,490

alternative view with us oh I can't even

394

00:16:20,259 --> 00:16:24,009

think of the word right now there's a

395

00:16:21,490 --> 00:16:26,529

meditation and we won't meditate you

396

00:16:24,009 --> 00:16:29,950

have a meditation yes I've been doing a

397

00:16:26,529 --> 00:16:32,529

UFO related baptism well it if that

398

00:16:29,950 --> 00:16:36,550

makes any sense no but with the Raelians

399

00:16:32,529 --> 00:16:38,350

oh so you know haha I've already done

400
00:16:36,549 --> 00:16:39,849
this kind of stuff and we figured how

401
00:16:38,350 --> 00:16:42,129
perfect would it be for us just to

402
00:16:39,850 --> 00:16:43,659
report back on it yeah and actually we

403
00:16:42,129 --> 00:16:45,759
had actually been to the kabbalah center

404
00:16:43,659 --> 00:16:47,379
together before we even conceived of the

405
00:16:45,759 --> 00:16:50,230
show because that's the kind of stuff we

406
00:16:47,379 --> 00:16:51,549
like to do so we went to the kabbalah

407
00:16:50,230 --> 00:16:54,269
centre hung out for like two hours

408
00:16:51,549 --> 00:16:59,169
talked about dr. word told everybody and

409
00:16:54,269 --> 00:17:02,259
absolutely you'll say oh no baby yeah

410
00:16:59,169 --> 00:17:05,139
i'm on the mailing list for so many woo

411
00:17:02,259 --> 00:17:07,359
and pseudoscience and kind of ultra

412
00:17:05,140 --> 00:17:09,130
conservative groups you know I just I

413
00:17:07,359 --> 00:17:11,419
love to know what they're up to so I'm

414
00:17:09,130 --> 00:17:12,920
constantly getting yeah you too right

415
00:17:11,420 --> 00:17:15,740
we're both former believers so I think

416
00:17:12,920 --> 00:17:17,210
that might play into it too yeah I have

417
00:17:15,740 --> 00:17:18,859
a lot of like scriptural knowledge

418
00:17:17,210 --> 00:17:21,200
because I came out of an evangelical

419
00:17:18,859 --> 00:17:22,759
Christian upbringing and so I was one of

420
00:17:21,200 --> 00:17:25,430
those biblical literalists I was taught

421
00:17:22,759 --> 00:17:27,440
creationism in high school and so I know

422
00:17:25,430 --> 00:17:29,120
those arguments and I know you know when

423
00:17:27,440 --> 00:17:32,000
they start talking about Bible passages

424
00:17:29,119 --> 00:17:33,829
oh you mean you know John 1426 or what

425
00:17:32,000 --> 00:17:35,839
uh I know where they're going on and the

426
00:17:33,829 --> 00:17:38,509
Mormons really respected that too yeah

427
00:17:35,839 --> 00:17:43,220
yeah I've got a book of moment at home

428

00:17:38,509 --> 00:17:45,920
and I've flipped through it but it's a

429
00:17:43,220 --> 00:17:47,360
little funny it's all oh why he's doing

430
00:17:45,920 --> 00:17:49,160
we should we should tell you the church

431
00:17:47,359 --> 00:17:50,449
services you know cuz they really want

432
00:17:49,160 --> 00:17:53,930
you to go there and be experiencing the

433
00:17:50,450 --> 00:17:56,090
church three hours oh well the actual

434
00:17:53,930 --> 00:17:58,490
service is an hour but then you go to a

435
00:17:56,089 --> 00:18:00,649
scripture class after that or doctrine

436
00:17:58,490 --> 00:18:02,539
after that and then after that the men

437
00:18:00,650 --> 00:18:04,670
and the women are split up and the women

438
00:18:02,539 --> 00:18:07,039
go to relief society which is dreadfully

439
00:18:04,670 --> 00:18:08,450
depressing than the men go to a

440
00:18:07,039 --> 00:18:11,119
priesthood meeting priesthood meeting

441
00:18:08,450 --> 00:18:13,610
yeah so three hours in total I think

442
00:18:11,119 --> 00:18:15,259

that's part of the duck donation times

443

00:18:13,609 --> 00:18:17,629
the length of time that you're

444

00:18:15,259 --> 00:18:19,009
absolutely well you know we've all heard

445

00:18:17,630 --> 00:18:20,270
about the effect the more time you put

446

00:18:19,009 --> 00:18:22,099
into it the more you sacrifice more

447

00:18:20,269 --> 00:18:23,930
money you give the more kind you are to

448

00:18:22,099 --> 00:18:26,089
believe it and if you're giving one

449

00:18:23,930 --> 00:18:28,130
tenth of your income yeah which you're

450

00:18:26,089 --> 00:18:31,159
required to do and a slice of your time

451

00:18:28,130 --> 00:18:32,750
at a huge lesson yeah and and absolutely

452

00:18:31,160 --> 00:18:34,220
like as soon as you show up they want to

453

00:18:32,750 --> 00:18:35,569
know your name and it's not enough they

454

00:18:34,220 --> 00:18:37,339
want to know your last name oh where do

455

00:18:35,569 --> 00:18:39,019
you live you know they say we want to

456

00:18:37,339 --> 00:18:40,009
make sure you know you're at the right

457
00:18:39,019 --> 00:18:41,869
war but they want to know the

458
00:18:40,009 --> 00:18:43,940
intersection where you live they want to

459
00:18:41,869 --> 00:18:46,369
know your wife and your child's name

460
00:18:43,940 --> 00:18:47,960
unit is on and on yes you know just to

461
00:18:46,369 --> 00:18:49,579
play devil's advocate I mean we probably

462
00:18:47,960 --> 00:18:51,110
spend more than three hours every week

463
00:18:49,579 --> 00:18:52,639
at the Center for inquiry so the

464
00:18:51,109 --> 00:18:57,019
question is always going to be is this

465
00:18:52,640 --> 00:18:58,670
based in fact or not so um you know so

466
00:18:57,019 --> 00:19:00,349
far in our investigation we haven't

467
00:18:58,670 --> 00:19:02,120
found evidence that's based in fact and

468
00:19:00,349 --> 00:19:03,859
that's that's the sense i spend more in

469
00:19:02,119 --> 00:19:06,979
three hours of weekend on the internet

470
00:19:03,859 --> 00:19:08,929
yeah so good but immediately they're

471
00:19:06,980 --> 00:19:10,549
making these connections they're kind of

472
00:19:08,930 --> 00:19:12,170
giving you duties saying oh you could

473
00:19:10,549 --> 00:19:14,720
help out cleaning the church or you

474
00:19:12,170 --> 00:19:17,029
could help stocking the cans for the

475
00:19:14,720 --> 00:19:18,380
shelter or you know whatever maybe they

476
00:19:17,029 --> 00:19:20,629
immediately pull you into this group

477
00:19:18,380 --> 00:19:22,520
give you responsibilities and yeah very

478
00:19:20,630 --> 00:19:24,380
quickly you form these friendships and

479
00:19:22,519 --> 00:19:25,220
you feel the sense of duty to other

480
00:19:24,380 --> 00:19:26,900
people

481
00:19:25,220 --> 00:19:28,100
it that makes it very hard to get out of

482
00:19:26,900 --> 00:19:30,470
because you were forming those

483
00:19:28,099 --> 00:19:32,480
connections basic human behavior

484
00:19:30,470 --> 00:19:35,600
absolutely nice they're tapping into

485

00:19:32,480 --> 00:19:37,730
that and using it very effectively in

486
00:19:35,599 --> 00:19:40,009
providing a whole social network and

487
00:19:37,730 --> 00:19:41,900
that happens everywhere even here Tim

488
00:19:40,009 --> 00:19:43,609
it'll happen sure you help out you do

489
00:19:41,900 --> 00:19:45,830
what you can will do I mean of course

490
00:19:43,609 --> 00:19:48,469
yeah and I mean when they ask us to do

491
00:19:45,829 --> 00:19:51,288
things really sure I we think of these

492
00:19:48,470 --> 00:19:53,089
people is like wonderful people friends

493
00:19:51,288 --> 00:19:55,129
and it's really easy to be like sure

494
00:19:53,089 --> 00:19:58,038
we'll help you set this how you you've

495
00:19:55,130 --> 00:20:00,650
also been dealing Oh met with eggs oh my

496
00:19:58,038 --> 00:20:02,960
yeah well Brian keeps Dalton who plays

497
00:20:00,650 --> 00:20:05,419
mr. d yes is that he's actually our

498
00:20:02,960 --> 00:20:07,579
theme music composer and yeah and he's

499
00:20:05,419 --> 00:20:11,000

on our consultant team so he consulted

500

00:20:07,579 --> 00:20:13,038

our mormonism journey because he grew up

501

00:20:11,000 --> 00:20:16,579

in the Mormon Church and was a

502

00:20:13,038 --> 00:20:23,480

missionary obviously fell away he's so

503

00:20:16,579 --> 00:20:27,649

funny knock knock what would you pay for

504

00:20:23,480 --> 00:20:29,750

that funny yeah that would be good but

505

00:20:27,650 --> 00:20:31,700

yeah we have a few ex-mormon friends

506

00:20:29,750 --> 00:20:33,140

yeah but Brian's been the most active in

507

00:20:31,700 --> 00:20:35,029

the investigation he's really heard

508

00:20:33,140 --> 00:20:37,460

about every single step and given us we

509

00:20:35,029 --> 00:20:38,750

both had two different ex-mormon friends

510

00:20:37,460 --> 00:20:41,679

who showed up for our baptism they

511

00:20:38,750 --> 00:20:44,929

actually came in sat in yeah watched

512

00:20:41,679 --> 00:20:47,900

don't don't don't oh yeah we both did

513

00:20:44,929 --> 00:20:49,700

hmm like like in the water full

514
00:20:47,900 --> 00:20:52,610
immersion is none of that presbyterian

515
00:20:49,700 --> 00:20:54,710
head springston many grantees it'll come

516
00:20:52,609 --> 00:20:56,209
to you bring water they put their arm

517
00:20:54,710 --> 00:20:58,370
around you it's actually very sexy Oh

518
00:20:56,210 --> 00:21:00,288
Chris today I've ever heard where's the

519
00:20:58,369 --> 00:21:01,969
photo is the elder who I have a little

520
00:21:00,288 --> 00:21:04,369
bit of a crush on to do there you go but

521
00:21:01,970 --> 00:21:07,100
um they put their arm around you and

522
00:21:04,369 --> 00:21:09,918
speak in this very loud booming voice

523
00:21:07,099 --> 00:21:11,769
and then dunk you you know backwards as

524
00:21:09,919 --> 00:21:15,350
if you're dunking someone in dancing

525
00:21:11,769 --> 00:21:18,349
yeah your daddy you're wearing and white

526
00:21:15,349 --> 00:21:20,789
jumpsuit yeah oh no don't like with

527
00:21:18,349 --> 00:21:25,079
nothing but underwear underneath

528
00:21:20,789 --> 00:21:27,299
um special underwear no never part of

529
00:21:25,079 --> 00:21:30,720
the temple recommend oh yeah that's a

530
00:21:27,299 --> 00:21:33,960
lot of tithing in a year off I said I

531
00:21:30,720 --> 00:21:37,200
wish I could see the picture so you come

532
00:21:33,960 --> 00:21:41,090
up all the water coming off and suddenly

533
00:21:37,200 --> 00:21:43,620
there you go and then yeah then you're I

534
00:21:41,089 --> 00:21:45,959
guess the purpose of the baptism is so

535
00:21:43,619 --> 00:21:48,419
that you can be saved but then you still

536
00:21:45,960 --> 00:21:50,220
have to receive the Holy Spirit and be

537
00:21:48,420 --> 00:21:52,740
confirmed in the church in order to be a

538
00:21:50,220 --> 00:21:54,630
holy ritual upon ritual upon Rachel I

539
00:21:52,740 --> 00:21:56,730
mean that's that's nothing unusual right

540
00:21:54,630 --> 00:22:00,740
of course I'm looking at a photograph

541
00:21:56,730 --> 00:22:02,970
now ladies and gentlemen goodness me

542

00:22:00,740 --> 00:22:05,910
that's going on the cover of the next

543
00:22:02,970 --> 00:22:08,460
skip knows it's not very sexy you know

544
00:22:05,910 --> 00:22:10,019
it's funny they gave me a jumpsuit I

545
00:22:08,460 --> 00:22:11,759
don't think I told you this Ross they

546
00:22:10,019 --> 00:22:13,710
gave me one that I put on and it was

547
00:22:11,759 --> 00:22:15,900
like really really tight and they

548
00:22:13,710 --> 00:22:19,319
immediately were like no no no no no no

549
00:22:15,900 --> 00:22:21,390
no no I'm sure I'm sure you have a

550
00:22:19,319 --> 00:22:24,539
lovely feminine figure baby should ever

551
00:22:21,390 --> 00:22:27,120
know let's imagine a white potato sack

552
00:22:24,539 --> 00:22:29,009
and that's the dunking outfit there you

553
00:22:27,119 --> 00:22:33,419
go the intent is like that of kellogg's

554
00:22:29,009 --> 00:22:35,129
cereal to remove any sexual decide now

555
00:22:33,420 --> 00:22:37,980
very fetching very fetching well look

556
00:22:35,130 --> 00:22:40,670

what an interesting course you are

557

00:22:37,980 --> 00:22:43,079

taking both of you Thanks it's

558

00:22:40,670 --> 00:22:47,100

fascinating and I'm sure your listeners

559

00:22:43,079 --> 00:22:48,779

will be eagerly awaiting each episode

560

00:22:47,099 --> 00:22:50,459

how often does the podcast come out

561

00:22:48,779 --> 00:22:52,049

about once a month right now we're

562

00:22:50,460 --> 00:22:54,690

moving to exactly once a month you've

563

00:22:52,049 --> 00:22:56,879

got to schedule so yeah the

564

00:22:54,690 --> 00:22:59,309

investigations take a lot of time so how

565

00:22:56,880 --> 00:23:01,680

long does each episode under an hour

566

00:22:59,309 --> 00:23:04,289

always usually runs cool 40 minutes nice

567

00:23:01,680 --> 00:23:05,700

look nice and chunk size bikes people

568

00:23:04,289 --> 00:23:08,039

can listen to are they walking the dog

569

00:23:05,700 --> 00:23:11,009

or yeah or whatever they're doing oh no

570

00:23:08,039 --> 00:23:13,049

Ross and Carrie the podcast the

571
00:23:11,009 --> 00:23:15,240
adventure the fascinating insight into

572
00:23:13,049 --> 00:23:19,440
other people's belief systems and you

573
00:23:15,240 --> 00:23:23,819
can find that at o H n o podcast com or

574
00:23:19,440 --> 00:23:27,470
facebook / 0 n RAC Ross and Carrie thank

575
00:23:23,819 --> 00:23:27,470
you for being on the skeptic sir

576
00:23:40,240 --> 00:23:46,490
hi this is Carrie papi i am ross Blocher

577
00:23:44,028 --> 00:23:49,970
okay Ross hey we're from a podcast

578
00:23:46,490 --> 00:23:51,679
called oh no Ross and Carrie we find out

579
00:23:49,970 --> 00:23:53,089
what happens when you show up and ask

580
00:23:51,679 --> 00:23:55,340
questions we've hung out with the

581
00:23:53,089 --> 00:23:57,888
Cabalists the Mormons we've gone and

582
00:23:55,339 --> 00:24:00,319
gotten ear candles gone to the Sikhs we

583
00:23:57,888 --> 00:24:01,969
show up so you don't have to so find out

584
00:24:00,319 --> 00:24:04,069
where we're going next we'll even have

585
00:24:01,970 --> 00:24:06,470
special episodes where we have famous

586
00:24:04,069 --> 00:24:08,480
guests like Brian Dalton from mr. deity

587
00:24:06,470 --> 00:24:10,490
you heard that awesome theme music he

588
00:24:08,480 --> 00:24:14,659
wrote that you should come visit us at

589
00:24:10,490 --> 00:24:17,450
Oh No podcast.com or facebook.com slash

590
00:24:14,659 --> 00:24:21,559
on rack what the hell's honor a cross Oh

591
00:24:17,450 --> 00:24:25,548
in RAC Oh Oh No Ross and Carrie that's

592
00:24:21,558 --> 00:24:28,700
our show that's a smart come join us hi

593
00:24:25,548 --> 00:24:30,740
I'm dr. Stefan Soyka lead astral

594
00:24:28,700 --> 00:24:33,319
ophthalmologist at the infinite vision

595
00:24:30,740 --> 00:24:35,720
Third Eye Hospital you may find it hard

596
00:24:33,319 --> 00:24:37,490
to believe but the third eye can suffer

597
00:24:35,720 --> 00:24:39,829
the same kinds of debilitating

598
00:24:37,490 --> 00:24:42,200
infectious and degenerative diseases as

599

00:24:39,829 --> 00:24:44,569
your other two eyes ectoplasmic

600
00:24:42,200 --> 00:24:46,548
conjunctivitis pioneer cataracts

601
00:24:44,569 --> 00:24:48,730
inflammation of the etheric tube

602
00:24:46,548 --> 00:24:51,619
clairvoyant macular degeneration

603
00:24:48,730 --> 00:24:54,169
precognitive retinal dystrophy and even

604
00:24:51,619 --> 00:24:56,928
such afflictions as stigmata astigmatism

605
00:24:54,169 --> 00:24:59,000
where your phantasmagorical crucifixion

606
00:24:56,929 --> 00:25:00,830
wounds can appear blurry and tunnel

607
00:24:59,000 --> 00:25:02,450
vision where you can only see dead

608
00:25:00,829 --> 00:25:04,849
people if they are standing right in

609
00:25:02,450 --> 00:25:07,130
front of you here at the infinite vision

610
00:25:04,849 --> 00:25:09,949
Third Eye Hospital we've seen it all

611
00:25:07,130 --> 00:25:12,049
pardon the pun we once treated a chakra

612
00:25:09,950 --> 00:25:14,389
balancing practitioner with third eye

613
00:25:12,048 --> 00:25:16,339

color blindness who had been mixing up

614

00:25:14,388 --> 00:25:18,619

the shark relora glows of their patients

615

00:25:16,339 --> 00:25:20,839

they came to us in a terrible state

616

00:25:18,619 --> 00:25:22,729

after a chakra balancing went horribly

617

00:25:20,839 --> 00:25:24,678

wrong and they'd stuck their patients

618

00:25:22,730 --> 00:25:27,649

head chakra right up there base chakra

619

00:25:24,679 --> 00:25:29,720

no matter what kind of tertiary ocular

620

00:25:27,648 --> 00:25:32,148

affliction you may be suffering from the

621

00:25:29,720 --> 00:25:34,100

infinite vision third eye hospitals team

622

00:25:32,148 --> 00:25:36,099

of transcendental optometrists and

623

00:25:34,099 --> 00:25:38,439

ophthalmologists

624

00:25:36,099 --> 00:25:41,230

find the perfect treatment to restore

625

00:25:38,440 --> 00:25:43,660

your 2020 mystical vision your first

626

00:25:41,230 --> 00:25:45,849

consultation and diagnosis requires you

627

00:25:43,660 --> 00:25:48,279

to do nothing at all as it is conducted

628
00:25:45,849 --> 00:25:50,079
entirely by remote viewing payment for

629
00:25:48,279 --> 00:25:52,960
the session is also made by remote

630
00:25:50,079 --> 00:25:55,808
billing via PayPal we usually begin with

631
00:25:52,960 --> 00:25:58,240
a third eye test using a standard chakra

632
00:25:55,808 --> 00:26:00,609
chart almost everybody can clearly make

633
00:25:58,240 --> 00:26:02,620
out the seven chakras of the elephant on

634
00:26:00,609 --> 00:26:04,779
the first row but as we move through the

635
00:26:02,619 --> 00:26:07,209
chart down through hippopotamus chakras

636
00:26:04,779 --> 00:26:09,490
donkey chakras pig goat and poodle

637
00:26:07,210 --> 00:26:11,890
chakra any loss of clarity is quickly

638
00:26:09,490 --> 00:26:13,990
identified until now only the most

639
00:26:11,890 --> 00:26:16,090
gifted prophets and psychics can make

640
00:26:13,990 --> 00:26:18,519
out the third eye chakra chart bottom

641
00:26:16,089 --> 00:26:21,069
row of pygmy possum chakra Etruscan

642

00:26:18,519 --> 00:26:23,619

shrew chakra bumblebee bat mouse lemur

643

00:26:21,069 --> 00:26:26,079

pygmy marmoset African pygmy mouse and

644

00:26:23,619 --> 00:26:28,569

have tossed the Cuban zunzun bird chakra

645

00:26:26,079 --> 00:26:30,819

once we've identified the focal limits

646

00:26:28,569 --> 00:26:33,369

of your param Nija and psychopathology a

647

00:26:30,819 --> 00:26:34,839

treatment regime is quickly imagined and

648

00:26:33,369 --> 00:26:38,168

we have developed some truly

649

00:26:34,839 --> 00:26:40,298

unbelievable treatments Reiki eyedrops

650

00:26:38,169 --> 00:26:42,250

which are applied by an extremely

651

00:26:40,298 --> 00:26:44,168

dexterous waving of the hands and

652

00:26:42,250 --> 00:26:46,179

squeezing in the thumb and forefinger

653

00:26:44,169 --> 00:26:48,700

together above the forehead whilst the

654

00:26:46,179 --> 00:26:51,400

patient is in the set of an usna yoga

655

00:26:48,700 --> 00:26:54,009

position or we may apply a detox

656

00:26:51,400 --> 00:26:56,080
forehead pad to draw the toxins out

657
00:26:54,009 --> 00:26:59,408
right through the front of your skull in

658
00:26:56,079 --> 00:27:01,928
some cases we may also flip the pad over

659
00:26:59,409 --> 00:27:04,120
and draw the toxins right back in again

660
00:27:01,929 --> 00:27:06,669
to kill the ectoplasm that might be

661
00:27:04,119 --> 00:27:09,158
causing any secondary tertiary ophthalmic

662
00:27:06,669 --> 00:27:11,650
inflammation a corrective prescription

663
00:27:09,159 --> 00:27:14,080
crystal monocle worn either clipped to

664
00:27:11,650 --> 00:27:16,210
the nasal arch bridge of a standard pair

665
00:27:14,079 --> 00:27:18,339
of spectacles or sewn into a colorful

666
00:27:16,210 --> 00:27:20,919
headband will focus your visions and

667
00:27:18,339 --> 00:27:23,439
allow you to see deep into the realms of

668
00:27:20,919 --> 00:27:25,059
invisible entity manifestations unseen

669
00:27:23,440 --> 00:27:27,308
by even the most experienced

670
00:27:25,058 --> 00:27:29,740

parapsychologist sometimes a few simple

671

00:27:27,308 --> 00:27:32,250

third eye exercises might be all you

672

00:27:29,740 --> 00:27:34,710

need let's try one right here

673

00:27:32,250 --> 00:27:37,230

close your first two eyes keeping your

674

00:27:34,710 --> 00:27:39,960

third eye wide open I want you to focus

675

00:27:37,230 --> 00:27:42,809

first on the nearest microscopic sub

676

00:27:39,960 --> 00:27:45,690

quantum scalar energy entity within your

677

00:27:42,809 --> 00:27:48,389

field of inner vision now suddenly gaze

678

00:27:45,690 --> 00:27:51,150

upon the cosmological multiverse in its

679

00:27:48,390 --> 00:27:54,090

entirety then quickly focus back on the

680

00:27:51,150 --> 00:27:56,850

sub quantum scalar entity how did that

681

00:27:54,089 --> 00:27:59,250

work for you do this exercise a hundred

682

00:27:56,849 --> 00:28:02,039

times and your third eye will be ready

683

00:27:59,250 --> 00:28:04,200

to zoom in and out on whatever astral or

684

00:28:02,039 --> 00:28:06,149

shark wreck realm your inner visioning

685
00:28:04,200 --> 00:28:09,569
and spiritual self actualization

686
00:28:06,150 --> 00:28:11,850
acquires for wellbeing this healthy Asti

687
00:28:09,569 --> 00:28:14,339
and Clara tivity of your vision

688
00:28:11,849 --> 00:28:16,259
oxidization itude don't come to the

689
00:28:14,339 --> 00:28:18,809
infinite vision Third Eye Hospital you

690
00:28:16,259 --> 00:28:21,779
don't need to I can remotely view you

691
00:28:18,809 --> 00:28:24,029
right now yes I can this is dr. Stefan

692
00:28:21,779 --> 00:28:27,269
Soyka please continue taking your

693
00:28:24,029 --> 00:28:29,599
clothes off and make yourself very very

694
00:28:27,269 --> 00:28:29,599
comfortable

695
00:28:34,950 --> 00:28:45,098
now it's time for dr. Rachel reports

696
00:28:38,348 --> 00:28:47,168
with dr. Rachel Dunlop i'm here at tam 9

697
00:28:45,098 --> 00:28:49,148
in las vegas outside the grand ballroom

698
00:28:47,169 --> 00:28:51,129
where st you are currently doing a live

699
00:28:49,148 --> 00:28:53,408
podcast and i'm with captain disillusion

700
00:28:51,128 --> 00:28:55,838
hi captain disillusion hey dr. Richie

701
00:28:53,409 --> 00:28:58,749
nice how are you going how you enjoying

702
00:28:55,838 --> 00:29:00,668
time it's a lot of fun this time for the

703
00:28:58,749 --> 00:29:02,558
first time I'm an exhibitor so I'm here

704
00:29:00,669 --> 00:29:04,269
with a table and I'm doing you know I'm

705
00:29:02,558 --> 00:29:06,158
still learning the ropes with this whole

706
00:29:04,269 --> 00:29:07,808
thing I don't get a chance to see as

707
00:29:06,159 --> 00:29:09,969
much presentations but the things I've

708
00:29:07,808 --> 00:29:12,548
snuck into have been really interesting

709
00:29:09,969 --> 00:29:14,349
well I should have described to Alice's

710
00:29:12,548 --> 00:29:17,378
actually you're in full costume today

711
00:29:14,348 --> 00:29:19,898
aren't you yes in the past I've been

712
00:29:17,378 --> 00:29:22,418
sort of incognito just sneaking in as a

713

00:29:19,898 --> 00:29:24,788
regular looking individual but i decided

714
00:29:22,419 --> 00:29:27,788
i should show myself in full force this

715
00:29:24,788 --> 00:29:29,798
time so I'm I look the way I look in my

716
00:29:27,788 --> 00:29:31,479
web series captain disillusion and now

717
00:29:29,798 --> 00:29:33,338
people are coming by saying hello it's a

718
00:29:31,479 --> 00:29:35,709
lot of fun yeah it's nice to be

719
00:29:33,338 --> 00:29:38,769
recognized sometimes people are able to

720
00:29:35,709 --> 00:29:41,499
spot me even in my human look but this

721
00:29:38,769 --> 00:29:43,598
is not much easier well I recognized you

722
00:29:41,499 --> 00:29:45,368
in your human look yesterday because you

723
00:29:43,598 --> 00:29:47,858
once drove me to the train station in

724
00:29:45,368 --> 00:29:50,528
the Florida and you weren't in your

725
00:29:47,858 --> 00:29:52,628
outfit then so I I know the secret

726
00:29:50,528 --> 00:29:54,669
identity of you that's right and you

727
00:29:52,628 --> 00:29:58,058

better keep it to yourself I'm not

728

00:29:54,669 --> 00:29:59,440

saying anything so you are can you just

729

00:29:58,058 --> 00:30:00,759

tell our listeners a little bit about

730

00:29:59,440 --> 00:30:03,729

captain disillusion because it is a

731

00:30:00,759 --> 00:30:05,679

youtube series isn't it sure yeah I I

732

00:30:03,729 --> 00:30:08,098

started it a few years ago and it's a

733

00:30:05,679 --> 00:30:11,109

it's a funny web series where as a

734

00:30:08,098 --> 00:30:13,628

wannabe skeptical superhero I pick

735

00:30:11,108 --> 00:30:15,848

different viral videos that are popular

736

00:30:13,628 --> 00:30:17,798

online that feature paranormal stuff or

737

00:30:15,848 --> 00:30:19,868

something really unbelievable and I

738

00:30:17,798 --> 00:30:21,940

deconstruct them I look at what

739

00:30:19,868 --> 00:30:23,858

potential visual effects went into

740

00:30:21,940 --> 00:30:25,989

making them and why they may or may not

741

00:30:23,858 --> 00:30:28,239

be real and kind of explain it to people

742
00:30:25,989 --> 00:30:29,210
in a really fun way where you know I use

743
00:30:28,239 --> 00:30:32,710
humor and a lot

744
00:30:29,210 --> 00:30:35,360
visual effects you know explanations and

745
00:30:32,710 --> 00:30:37,490
you know just keep it entertaining but

746
00:30:35,359 --> 00:30:39,678
teach people something about about

747
00:30:37,490 --> 00:30:41,808
skepticism at the same time so basically

748
00:30:39,679 --> 00:30:44,120
you're disillusioning people that's

749
00:30:41,808 --> 00:30:45,980
right you know so you're the party

750
00:30:44,119 --> 00:30:48,048
people right I am but I tried to do it

751
00:30:45,980 --> 00:30:50,179
in the maximum fun way possible so i

752
00:30:48,048 --> 00:30:51,679
think they forgive me most the time so

753
00:30:50,179 --> 00:30:54,019
what sort of topics have you covered in

754
00:30:51,679 --> 00:30:58,600
that i don't usually go for the heavy

755
00:30:54,019 --> 00:31:00,679
stuff you know like like medical sort of

756
00:30:58,599 --> 00:31:02,148
pseudoscience and things like that I

757
00:31:00,679 --> 00:31:04,220
just concentrate on things you could

758
00:31:02,148 --> 00:31:07,969
basically find on youtube you know just

759
00:31:04,220 --> 00:31:09,919
kind of learning to analyze electronic

760
00:31:07,970 --> 00:31:12,200
moving images because that's important

761
00:31:09,919 --> 00:31:14,509
nowadays where we live in an age where

762
00:31:12,200 --> 00:31:16,460
we can use computers to alter a lot of

763
00:31:14,509 --> 00:31:19,009
things and it's hard to trust what you

764
00:31:16,460 --> 00:31:23,000
see so I'm I constantly and that's kind

765
00:31:19,009 --> 00:31:24,710
of that kind of thing yeah so I'm you

766
00:31:23,000 --> 00:31:27,528
how many series have you done now on

767
00:31:24,710 --> 00:31:31,700
YouTube well I have it's like close to

768
00:31:27,528 --> 00:31:34,640
20 videos but some of them are sort of

769
00:31:31,700 --> 00:31:36,798
splits of like a single episode might be

770

00:31:34,640 --> 00:31:38,690
split into multiple videos so I am

771
00:31:36,798 --> 00:31:40,190
notorious for being very slow with

772
00:31:38,690 --> 00:31:42,380
coming out with new episodes and that's

773
00:31:40,190 --> 00:31:44,630
partly because yeah partly because I'm

774
00:31:42,380 --> 00:31:46,789
you know I try to keep such a high

775
00:31:44,630 --> 00:31:50,179
production value I basically make like a

776
00:31:46,788 --> 00:31:52,940
mini movie every single time and so I do

777
00:31:50,179 --> 00:31:55,669
have sort of a day job in my secret

778
00:31:52,940 --> 00:31:58,100
regular life and so it's it's always a

779
00:31:55,669 --> 00:32:01,759
struggle to you know to do this stuff

780
00:31:58,099 --> 00:32:03,409
which I love and also you know work

781
00:32:01,759 --> 00:32:05,390
so do you do all of the production

782
00:32:03,410 --> 00:32:07,250
yourself yes that's another reason why

783
00:32:05,390 --> 00:32:09,620
it takes a while because I am basically

784
00:32:07,250 --> 00:32:11,180

like a one-man production company I do

785

00:32:09,619 --> 00:32:12,799

have a little bit of help often when I

786

00:32:11,180 --> 00:32:16,009

film them because obviously there needs

787

00:32:12,799 --> 00:32:18,919

to be a camera person but after that I

788

00:32:16,009 --> 00:32:21,559

do all the editing visual effects sound

789

00:32:18,920 --> 00:32:24,500

post-production work you know by myself

790

00:32:21,559 --> 00:32:25,789

just stage by stage and I do enjoy it

791

00:32:24,500 --> 00:32:27,950

but it's sort of like you know you

792

00:32:25,789 --> 00:32:29,480

create that task list of what needs to

793

00:32:27,950 --> 00:32:31,460

be done and it's like longer than your

794

00:32:29,480 --> 00:32:33,950

arm and you just have to do it one by

795

00:32:31,460 --> 00:32:35,390

one so is your background in production

796

00:32:33,950 --> 00:32:39,019

and that sort of thing how did she come

797

00:32:35,390 --> 00:32:40,970

to do today this well yeah I'm educated

798

00:32:39,019 --> 00:32:42,589

as a as a filmmaker that's that that was

799
00:32:40,970 --> 00:32:46,730
my major in college and I've worked on

800
00:32:42,589 --> 00:32:48,439
films and now I when I don't do captain

801
00:32:46,730 --> 00:32:50,599
disillusion I essentially do the same

802
00:32:48,440 --> 00:32:53,390
kind of work for other people so be it

803
00:32:50,599 --> 00:32:55,009
music videos or commercials you know

804
00:32:53,390 --> 00:32:56,930
anywhere where I need to do some kind of

805
00:32:55,009 --> 00:33:00,470
visual effects work editing or even

806
00:32:56,930 --> 00:33:02,180
filming so in front of me I have a DVD

807
00:33:00,470 --> 00:33:03,890
which you're selling here at tam it's

808
00:33:02,180 --> 00:33:07,130
called captain disillusion same curve

809
00:33:03,890 --> 00:33:09,770
collection what's on the DVD on the DVD

810
00:33:07,130 --> 00:33:12,710
are all the main episodes like basically

811
00:33:09,769 --> 00:33:14,779
all of the library that you will find on

812
00:33:12,710 --> 00:33:16,789
my youtube channel but sort of

813
00:33:14,779 --> 00:33:19,779
remastered in some cases in better

814
00:33:16,789 --> 00:33:22,039
quality you know the earlier ones and

815
00:33:19,779 --> 00:33:23,569
some of the episodes are combined the

816
00:33:22,039 --> 00:33:25,129
ones that are split on YouTube into

817
00:33:23,569 --> 00:33:28,009
multiple pieces are combined into one

818
00:33:25,130 --> 00:33:29,900
plus many many extras like audio

819
00:33:28,009 --> 00:33:32,299
commentary you know as as I'm a

820
00:33:29,900 --> 00:33:33,980
filmmaker other people interested in

821
00:33:32,299 --> 00:33:35,589
production stuff like to listen to the

822
00:33:33,980 --> 00:33:38,140
commentary

823
00:33:35,589 --> 00:33:39,879
filmmaker on stuff plus behind the

824
00:33:38,140 --> 00:33:40,990
scenes is like the episode we did with

825
00:33:39,880 --> 00:33:43,120
james randi there's some

826
00:33:40,990 --> 00:33:44,740
behind-the-scenes stuff of that some

827

00:33:43,119 --> 00:33:46,658
interviews and a lot of interesting

828
00:33:44,740 --> 00:33:48,400
things so I just thought I'd put it all

829
00:33:46,659 --> 00:33:51,250
together and just have it as one package

830
00:33:48,400 --> 00:33:52,809
for people who are already fans and you

831
00:33:51,250 --> 00:33:54,099
told me earlier that Richard Saunders

832
00:33:52,808 --> 00:33:55,839
has done something for one of your

833
00:33:54,099 --> 00:33:58,990
episodes what did he do that's right

834
00:33:55,839 --> 00:34:01,359
well at tam 7 it was probably like the

835
00:33:58,990 --> 00:34:04,470
craziest experience for me because I

836
00:34:01,359 --> 00:34:06,579
attempted to film a lot of material and

837
00:34:04,470 --> 00:34:08,559
make an episode of that it's actually

838
00:34:06,579 --> 00:34:10,898
the longest captain disillusion episode

839
00:34:08,559 --> 00:34:12,730
that I've ever done and so I involved a

840
00:34:10,898 --> 00:34:15,519
lot of people from The Skeptical

841
00:34:12,730 --> 00:34:17,829

community and Richard was very nice to

842

00:34:15,519 --> 00:34:19,719
basically do like a he's the first

843

00:34:17,829 --> 00:34:21,608
person that appears is the first

844

00:34:19,719 --> 00:34:23,439
anything that appears in the beginning

845

00:34:21,608 --> 00:34:25,509
of that temp 7 episode and he sort of

846

00:34:23,440 --> 00:34:26,980
introduces what happened previously

847

00:34:25,510 --> 00:34:28,780
because it's important for people to

848

00:34:26,980 --> 00:34:30,250
know like previously on captain

849

00:34:28,780 --> 00:34:33,010
disillusion that's essentially his line

850

00:34:30,250 --> 00:34:35,980
and he was very nice and since then

851

00:34:33,010 --> 00:34:38,919
actually well on that that same year we

852

00:34:35,980 --> 00:34:41,619
both were judges on the the talent show

853

00:34:38,918 --> 00:34:43,358
that was put on here so I got to know

854

00:34:41,619 --> 00:34:45,550
him that year and we had a lot of fun

855

00:34:43,358 --> 00:34:48,549
moments and what about the James Randi

856
00:34:45,550 --> 00:34:52,690
episode what is his what did he do well

857
00:34:48,550 --> 00:34:54,970
James Randi I I knew of Randy before

858
00:34:52,690 --> 00:34:56,230
like while I was beginning my my web

859
00:34:54,969 --> 00:34:58,000
series I wasn't really part of the

860
00:34:56,230 --> 00:35:00,389
skeptical community per se I was just

861
00:34:58,000 --> 00:35:03,568
sort of perfil your peripheral

862
00:35:00,389 --> 00:35:05,548
of all the stuff but as my first few

863
00:35:03,568 --> 00:35:06,869
videos got a little bit of traction I

864
00:35:05,548 --> 00:35:09,750
actually received a phone call from

865
00:35:06,869 --> 00:35:12,059
James Randi myself Wow himself he called

866
00:35:09,750 --> 00:35:14,429
me and said that he's seen some episodes

867
00:35:12,059 --> 00:35:16,680
and was like very impressed by them and

868
00:35:14,429 --> 00:35:19,078
invited me to the jrf to meet them

869
00:35:16,679 --> 00:35:20,879
that's that's how we met yeah I was it

870
00:35:19,079 --> 00:35:22,740
was very exciting yeah and I was welling

871
00:35:20,880 --> 00:35:24,750
I knew who he was but I wasn't like you

872
00:35:22,739 --> 00:35:27,118
know like I said part of the movement so

873
00:35:24,750 --> 00:35:29,880
it wasn't it was very bizarre for me

874
00:35:27,119 --> 00:35:32,390
that it's happened but I kind of threw

875
00:35:29,880 --> 00:35:35,338
that event I got introduced it to the

876
00:35:32,389 --> 00:35:38,368
full swing of the movement and attended

877
00:35:35,338 --> 00:35:41,759
tam shortly after that and so I you know

878
00:35:38,369 --> 00:35:43,588
as we kind of knew each other I I am

879
00:35:41,760 --> 00:35:46,170
also what's important to know is that I

880
00:35:43,588 --> 00:35:48,538
am pretty close to where the gym Brandi

881
00:35:46,170 --> 00:35:51,809
foundation is based or was based until

882
00:35:48,539 --> 00:35:53,730
now I suppose in South Florida so I I'm

883
00:35:51,809 --> 00:35:56,640
within driving distance from the James

884

00:35:53,730 --> 00:35:58,559
Randi library and I just came to them

885
00:35:56,639 --> 00:36:00,690
and suggested what if brandi was guest

886
00:35:58,559 --> 00:36:03,028
starring in an episode you know he has

887
00:36:00,690 --> 00:36:04,619
experience being on camera and acting

888
00:36:03,028 --> 00:36:07,588
and that's what we did we did a funny

889
00:36:04,619 --> 00:36:10,470
spoof of the movie contact based on the

890
00:36:07,588 --> 00:36:12,000
Carl Sagan book he was really great on

891
00:36:10,469 --> 00:36:15,389
my DVD there's a behind the scenes of

892
00:36:12,000 --> 00:36:17,880
that whole shooting process we had a

893
00:36:15,389 --> 00:36:20,308
blast doing that Wow well that should be

894
00:36:17,880 --> 00:36:22,559
worth buying the DVD just for that and

895
00:36:20,309 --> 00:36:24,839
so that you actually look like Zach

896
00:36:22,559 --> 00:36:27,778
Braff on the cover of this DVD I think I

897
00:36:24,838 --> 00:36:29,940
you know I get a it's interesting online

898
00:36:27,778 --> 00:36:32,219

I keep being compared to people I got

899

00:36:29,940 --> 00:36:34,920

Zach Braff a few times i also get um

900

00:36:32,219 --> 00:36:37,588

what's-his-name there's a singer Rick

901

00:36:34,920 --> 00:36:39,389

Ashley the one that actually the Ashley

902

00:36:37,588 --> 00:36:40,588

yes I don't know why I think it's

903

00:36:39,389 --> 00:36:43,679

something with like the shape of the

904

00:36:40,588 --> 00:36:45,750

hair but um yeah i get i get some

905

00:36:43,679 --> 00:36:47,009

strange comparisons sometimes but thank

906

00:36:45,750 --> 00:36:49,469

you i guess that's a compliment he's too

907

00:36:47,009 --> 00:36:51,028

pretty accomplished comedian so so what

908

00:36:49,469 --> 00:36:53,399

can I let us find out more about your

909

00:36:51,028 --> 00:36:55,380

work um I have a website captain

910

00:36:53,400 --> 00:36:57,329

disillusion calm but they can always go

911

00:36:55,380 --> 00:36:58,980

to youtube and just search for captain

912

00:36:57,329 --> 00:37:01,318

disillusion all of my stuff comes right

913
00:36:58,980 --> 00:37:01,990
up and I hope people keep watching while

914
00:37:01,318 --> 00:37:03,550
I am

915
00:37:01,989 --> 00:37:05,919
it's low coming out with episodes I'm

916
00:37:03,550 --> 00:37:08,080
working on ways to do that faster and to

917
00:37:05,920 --> 00:37:10,059
keep the same level of quality so i hope

918
00:37:08,079 --> 00:37:11,949
people keep watching awesome thanks for

919
00:37:10,059 --> 00:37:15,509
joining us today i have a great rest of

920
00:37:11,949 --> 00:37:15,509
jam nine thank you so much you too

921
00:37:23,869 --> 00:37:28,500
you

922
00:37:25,710 --> 00:37:31,338
this is Eugenie Scott National Center

923
00:37:28,500 --> 00:37:36,780
for Science Education you can find us at

924
00:37:31,338 --> 00:37:38,699
ww NCSE com come see us if you want to

925
00:37:36,780 --> 00:37:40,920
know anything about the creationism and

926
00:37:38,699 --> 00:37:43,919
evolution conflict in the United States

927
00:37:40,920 --> 00:37:45,720
or more's the pity internationally these

928
00:37:43,920 --> 00:37:48,990
days we are a clearinghouse for

929
00:37:45,719 --> 00:37:51,629
information on this vexing but certainly

930
00:37:48,989 --> 00:37:54,049
very interesting problem come and find

931
00:37:51,630 --> 00:37:54,050
out more about

932
00:37:58,170 --> 00:38:04,950
join us now for drinking skeptically in

933
00:38:01,570 --> 00:38:04,950
the think tank

934
00:38:09,358 --> 00:38:14,518
now the avid the skeptics are listener

935
00:38:11,969 --> 00:38:16,199
and I hope you're all avid skeptics and

936
00:38:14,518 --> 00:38:17,818
listeners would have heard Maynard's

937
00:38:16,199 --> 00:38:20,998
interview last week with Jabbar what a

938
00:38:17,818 --> 00:38:22,230
funny name for somebody I'm with may not

939
00:38:20,998 --> 00:38:23,998
right now that's a funny name for

940
00:38:22,230 --> 00:38:25,588
somebody to well we both have single

941

00:38:23,998 --> 00:38:28,108
names which is interesting now I work

942
00:38:25,588 --> 00:38:30,900
with Java as a VJ on the Australian

943
00:38:28,108 --> 00:38:32,940
music channel Channel V which was in

944
00:38:30,900 --> 00:38:34,200
Australia before MTV actually was and

945
00:38:32,940 --> 00:38:35,730
it's more of our homegrown line and

946
00:38:34,199 --> 00:38:37,230
we're both presenters air and he was

947
00:38:35,730 --> 00:38:38,699
tall chair because he got that I don't

948
00:38:37,230 --> 00:38:40,949
know it's a bit of a nickname as he was

949
00:38:38,699 --> 00:38:43,139
a kid and I got the manor nickname well

950
00:38:40,949 --> 00:38:45,149
in 1980 when I was with the band so we

951
00:38:43,139 --> 00:38:47,788
both got those solo names in it's great

952
00:38:45,150 --> 00:38:49,858
like Madonna or cheese or cheese cheese

953
00:38:47,789 --> 00:38:52,589
cheese yeah you're going to shop up like

954
00:38:49,858 --> 00:38:55,108
some cheese you don't say I'm like she's

955
00:38:52,588 --> 00:38:56,969

something that's what's what I do and I

956

00:38:55,108 --> 00:38:59,489

assumes cheese and you get used that's

957

00:38:56,969 --> 00:39:02,480

very good but we were just described we

958

00:38:59,489 --> 00:39:05,369

were just discussing the way and some

959

00:39:02,480 --> 00:39:09,420

people present paranormal on television

960

00:39:05,369 --> 00:39:11,130

and some of the comments that you've

961

00:39:09,420 --> 00:39:13,318

been receiving about this because you've

962

00:39:11,130 --> 00:39:15,269

been posting up things about this on on

963

00:39:13,318 --> 00:39:17,400

your your various outlets that that's

964

00:39:15,268 --> 00:39:19,798

right yeah I'm on the on the planet

965

00:39:17,400 --> 00:39:21,749

Manor blog that I I do runs from I'll

966

00:39:19,798 --> 00:39:23,400

for the ABC there was no posting the

967

00:39:21,748 --> 00:39:25,018

very first comment or did the interview

968

00:39:23,400 --> 00:39:27,389

with Jabbar was from someone who has to

969

00:39:25,018 --> 00:39:29,699

make expertise in in the owie research

970
00:39:27,389 --> 00:39:33,239
and he said he was really sick of

971
00:39:29,699 --> 00:39:35,009
low-grade personalities just poking fun

972
00:39:33,239 --> 00:39:37,920
at the paranormal on Australian

973
00:39:35,009 --> 00:39:40,349
television and he uses example Java on

974
00:39:37,920 --> 00:39:41,460
national geographic channel although he

975
00:39:40,349 --> 00:39:43,230
seemed to think that huge ever was on

976
00:39:41,460 --> 00:39:46,349
the ABC of know Jabbar is an employee at

977
00:39:43,230 --> 00:39:47,998
Fox top um and in launch Leon on the ABC

978
00:39:46,349 --> 00:39:50,338
with his show unbelievable and he

979
00:39:47,998 --> 00:39:52,259
thought the both of them didn't do the

980
00:39:50,338 --> 00:39:54,358
justice to the paranoia to paranormal

981
00:39:52,259 --> 00:39:56,608
now you yourself or a presenter on a

982
00:39:54,358 --> 00:39:59,429
commercial show yeah about the

983
00:39:56,608 --> 00:40:01,259
paranormal and so what do you think well

984
00:39:59,429 --> 00:40:03,328
he was saying it wasn't being done done

985
00:40:01,259 --> 00:40:05,190
justice how could you do justice to

986
00:40:03,329 --> 00:40:07,019
explore in the paranormal and make it

987
00:40:05,190 --> 00:40:09,210
interesting for everybody that's a

988
00:40:07,018 --> 00:40:11,939
really good question yes I mean we both

989
00:40:09,210 --> 00:40:13,110
have we both have to be a bit careful

990
00:40:11,940 --> 00:40:15,329
what we say my name because we

991
00:40:13,110 --> 00:40:18,900
very involved in in television and radio

992
00:40:15,329 --> 00:40:21,230
networks and things like that but to my

993
00:40:18,900 --> 00:40:23,519
way of thinking I would like to see a

994
00:40:21,230 --> 00:40:24,869
show which probably wouldn't work

995
00:40:23,519 --> 00:40:27,960
because it might be a little bit dull

996
00:40:24,869 --> 00:40:30,480
where people claiming psychic ability

997
00:40:27,960 --> 00:40:32,639
were thoroughly tested and that means

998

00:40:30,480 --> 00:40:34,400
doing it multiple the same test multiple

999
00:40:32,639 --> 00:40:36,989
times and gathering statistics

1000
00:40:34,400 --> 00:40:38,789
unfortunately I think it might send the

1001
00:40:36,989 --> 00:40:40,259
audience to sleep well I think you have

1002
00:40:38,789 --> 00:40:41,670
to talk to james randi about that

1003
00:40:40,260 --> 00:40:42,780
because I believe that's exactly what

1004
00:40:41,670 --> 00:40:44,250
he's done over the years except he

1005
00:40:42,780 --> 00:40:46,680
hasn't made it for television for

1006
00:40:44,250 --> 00:40:49,260
everything but he's obviously came up

1007
00:40:46,679 --> 00:40:51,089
with a blank every time and maybe it's

1008
00:40:49,260 --> 00:40:52,740
just in the editing but it would be

1009
00:40:51,090 --> 00:40:54,210
expensive and also some of the things

1010
00:40:52,739 --> 00:40:57,569
that the paranormal claims are very

1011
00:40:54,210 --> 00:41:00,030
difficult and expensive it's a test I I

1012
00:40:57,570 --> 00:41:02,250

mean ghost hunting I mean it's hard to

1013

00:41:00,030 --> 00:41:04,110

get a result there are very difficult i

1014

00:41:02,250 --> 00:41:05,849

was very difficult but if somebody

1015

00:41:04,110 --> 00:41:08,070

claimed that they could predict the roll

1016

00:41:05,849 --> 00:41:09,719

of a dice for example you could test

1017

00:41:08,070 --> 00:41:11,309

that but then it would probably just

1018

00:41:09,719 --> 00:41:12,659

become a show about probabilities which

1019

00:41:11,309 --> 00:41:14,849

should be interesting for mathematicians

1020

00:41:12,659 --> 00:41:16,589

and for as many skeptics out there yeah

1021

00:41:14,849 --> 00:41:17,909

I've been dealing with probabilities a

1022

00:41:16,590 --> 00:41:19,710

lot over the last couple of months

1023

00:41:17,909 --> 00:41:21,179

filming the one of course because a lot

1024

00:41:19,710 --> 00:41:22,860

of the the challenges that our

1025

00:41:21,179 --> 00:41:26,519

contestants will be doing it it will

1026

00:41:22,860 --> 00:41:29,460

come back to probability hmm and in my

1027
00:41:26,519 --> 00:41:31,530
position I'm trying to find a baseline

1028
00:41:29,460 --> 00:41:33,809
well what do I judge this against if

1029
00:41:31,530 --> 00:41:36,840
they have a certain amount of success in

1030
00:41:33,809 --> 00:41:38,610
a certain test well what's the baseline

1031
00:41:36,840 --> 00:41:40,500
how do we know how far that deviates

1032
00:41:38,610 --> 00:41:42,269
from the normal and a lot of people been

1033
00:41:40,500 --> 00:41:44,250
looking to me saying are you and uses

1034
00:41:42,269 --> 00:41:46,769
statistics again it's like well we're

1035
00:41:44,250 --> 00:41:48,420
what else do I say look and also I think

1036
00:41:46,769 --> 00:41:51,119
Java was trying to make a an

1037
00:41:48,420 --> 00:41:52,320
entertainment show and also I the gun

1038
00:41:51,119 --> 00:41:54,150
only problem I haven't made of you in

1039
00:41:52,320 --> 00:41:56,070
Japanese that is used to the word

1040
00:41:54,150 --> 00:41:58,980
nutjobs about the people fairly early on

1041
00:41:56,070 --> 00:42:00,930
the itz and I didn't I didn't pick him

1042
00:41:58,980 --> 00:42:01,980
up on that just you know just cuz yeah

1043
00:42:00,929 --> 00:42:03,629
because i like i like to do with

1044
00:42:01,980 --> 00:42:04,619
interviews i like people you to get the

1045
00:42:03,630 --> 00:42:05,760
feel of what they are and that's

1046
00:42:04,619 --> 00:42:08,579
probably the only thing and like he said

1047
00:42:05,760 --> 00:42:09,810
he reckons he's a nut job too so what he

1048
00:42:08,579 --> 00:42:10,889
was actually saying about them probably

1049
00:42:09,809 --> 00:42:12,779
wasn't as strong as it might have

1050
00:42:10,889 --> 00:42:14,819
sounded but i think you went into like

1051
00:42:12,780 --> 00:42:16,590
let's let's talk to these sort of wacky

1052
00:42:14,820 --> 00:42:20,160
people that have this belief anything

1053
00:42:16,590 --> 00:42:22,750
and i think the show is a good start but

1054
00:42:20,159 --> 00:42:24,339
i would like to see these people and

1055

00:42:22,750 --> 00:42:25,630
skeptics are gonna hate me for this I'd

1056
00:42:24,340 --> 00:42:28,000
like to see these people treated a

1057
00:42:25,630 --> 00:42:30,519
little bit more respect oh no I'm with

1058
00:42:28,000 --> 00:42:32,440
you there I I it's an Randy has the same

1059
00:42:30,519 --> 00:42:34,869
attitude I mean if you're going to test

1060
00:42:32,440 --> 00:42:36,460
somebody you treat them with respect you

1061
00:42:34,869 --> 00:42:39,279
know and you don't lie to them you don't

1062
00:42:36,460 --> 00:42:41,740
make up stupid things that they can't

1063
00:42:39,280 --> 00:42:43,480
possibly do if and you and you test them

1064
00:42:41,739 --> 00:42:45,039
to their claim if they claim they can

1065
00:42:43,480 --> 00:42:47,619
predict the roll of the dice that's what

1066
00:42:45,039 --> 00:42:50,559
you test it's like saying if somebody

1067
00:42:47,619 --> 00:42:52,809
came and said I'm a great concert

1068
00:42:50,559 --> 00:42:54,730
pianist I can play wonderful music it's

1069
00:42:52,809 --> 00:42:56,860

incredible oh yeah that's really great

1070

00:42:54,730 --> 00:42:59,710

here's a guitar prove to me that you're

1071

00:42:56,860 --> 00:43:01,300

a musician it's ridiculous right so if

1072

00:42:59,710 --> 00:43:03,639

someone comes and says I can roll

1073

00:43:01,300 --> 00:43:05,680

predict the roll of the dice or someone

1074

00:43:03,639 --> 00:43:07,869

says I can bend metal then we won't say

1075

00:43:05,679 --> 00:43:09,940

to them really well we can test your

1076

00:43:07,869 --> 00:43:12,369

paranormal ability here's the deck of

1077

00:43:09,940 --> 00:43:13,780

cards yeah that's a different you know

1078

00:43:12,369 --> 00:43:15,130

it's completely different now listen as

1079

00:43:13,780 --> 00:43:17,320

it may be a bit concerned that there's a

1080

00:43:15,130 --> 00:43:21,490

lot of funny noises I'll said the scene

1081

00:43:17,320 --> 00:43:23,350

we're in a nice pub in Gleeman here in

1082

00:43:21,489 --> 00:43:25,329

Sydney called the toxic where I used to

1083

00:43:23,349 --> 00:43:27,610

be I used to come here 20 years ago when

1084
00:43:25,329 --> 00:43:29,500
I worked in the area until he was banned

1085
00:43:27,610 --> 00:43:31,570
after what has become known hearing lead

1086
00:43:29,500 --> 00:43:33,400
as the insolence event that's right well

1087
00:43:31,570 --> 00:43:35,019
it's the 20 year period is over now I

1088
00:43:33,400 --> 00:43:37,090
can object that's when we're right next

1089
00:43:35,019 --> 00:43:39,400
to the kitchen so that's why you here

1090
00:43:37,090 --> 00:43:41,019
have to excuse that and a normal just

1091
00:43:39,400 --> 00:43:42,789
saying i want to encourage people to put

1092
00:43:41,019 --> 00:43:44,559
comments on to the skeptics own blog yes

1093
00:43:42,789 --> 00:43:46,239
about the show and what they think and

1094
00:43:44,559 --> 00:43:47,889
then yeah i'm sure many you don't agree

1095
00:43:46,239 --> 00:43:49,750
with us and some of you do and just just

1096
00:43:47,889 --> 00:43:51,519
just fire it up them make it a real

1097
00:43:49,750 --> 00:43:55,750
vibrant community had some nice comments

1098
00:43:51,519 --> 00:43:57,340
people at the amazing meeting with quite

1099
00:43:55,750 --> 00:43:59,139
a few people came up to us and said how

1100
00:43:57,340 --> 00:44:01,000
much they enjoyed the show and one very

1101
00:43:59,139 --> 00:44:02,109
nice person came up and said that you

1102
00:44:01,000 --> 00:44:04,360
were the best thing that happened to the

1103
00:44:02,110 --> 00:44:06,760
show in the last year also I'm resigning

1104
00:44:04,360 --> 00:44:09,519
and you mobile they're obviously

1105
00:44:06,760 --> 00:44:10,990
delusional but i think it is nice at

1106
00:44:09,519 --> 00:44:12,820
brian dunning does say that kind of

1107
00:44:10,989 --> 00:44:14,709
thing about me it was Brian Dunning come

1108
00:44:12,820 --> 00:44:16,630
to figure out a bit and and but also I

1109
00:44:14,710 --> 00:44:18,340
think the latest episodes kept I'd that

1110
00:44:16,630 --> 00:44:20,530
just been on recently had three or four

1111
00:44:18,340 --> 00:44:22,210
Australians in it and even some people

1112

00:44:20,530 --> 00:44:24,580
from Newcastle it did I thought that was

1113
00:44:22,210 --> 00:44:25,079
fantastic so yes Brian does have a long

1114
00:44:24,579 --> 00:44:27,150
list

1115
00:44:25,079 --> 00:44:29,250
in Australia and we want to try and

1116
00:44:27,150 --> 00:44:31,500
organize for him to come back look

1117
00:44:29,250 --> 00:44:33,809
that'd be great I mean look good for a

1118
00:44:31,500 --> 00:44:35,070
start he's got a pays bar tab also he's

1119
00:44:33,809 --> 00:44:36,329
got to come back into the country to pay

1120
00:44:35,070 --> 00:44:38,039
that or else he just won't be allowed in

1121
00:44:36,329 --> 00:44:39,929
and I can hardly wait to see him I mean

1122
00:44:38,039 --> 00:44:42,239
it so bad to me what the messages were

1123
00:44:39,929 --> 00:44:44,099
getting is I got be more proactive on

1124
00:44:42,239 --> 00:44:45,719
our comments board we sometimes we get a

1125
00:44:44,099 --> 00:44:47,219
few comments for shows and the most

1126
00:44:45,719 --> 00:44:49,079

shows are got the most comments have

1127

00:44:47,219 --> 00:44:50,489

been when i spoke to jessica adams who

1128

00:44:49,079 --> 00:44:52,679

was still my friend by the way I've got

1129

00:44:50,489 --> 00:44:54,659

a lot of comments the astrology yes yep

1130

00:44:52,679 --> 00:44:57,299

and and the adam curry one that got a

1131

00:44:54,659 --> 00:44:58,500

lot of comments to the one on 60 minutes

1132

00:44:57,300 --> 00:44:59,940

when there was the anti-vaccination

1133

00:44:58,500 --> 00:45:02,159

story that got a lot of interesting

1134

00:44:59,940 --> 00:45:03,599

comments as well and what do you think

1135

00:45:02,159 --> 00:45:04,859

actually over the entire history the

1136

00:45:03,599 --> 00:45:06,569

skip exam because I've only been

1137

00:45:04,860 --> 00:45:09,780

involved recently has fired up the

1138

00:45:06,570 --> 00:45:12,660

audience tonight ah i think that the

1139

00:45:09,780 --> 00:45:14,910

jessica adams one probably got them yes

1140

00:45:12,659 --> 00:45:17,179

probably got the most comments i did an

1141
00:45:14,909 --> 00:45:19,589
episode very early on in the series are

1142
00:45:17,179 --> 00:45:23,399
four or five weeks into doing the show

1143
00:45:19,590 --> 00:45:26,280
which was a debate between a skeptic and

1144
00:45:23,400 --> 00:45:28,559
a Christian which in retrospect I

1145
00:45:26,280 --> 00:45:29,910
probably wouldn't do again because it

1146
00:45:28,559 --> 00:45:31,650
was a bit of a cop-out you know I just

1147
00:45:29,909 --> 00:45:33,449
played a debate and they've got a few

1148
00:45:31,650 --> 00:45:35,400
comments by people saying why you're

1149
00:45:33,449 --> 00:45:38,069
playing this and the quality wasn't so

1150
00:45:35,400 --> 00:45:40,470
good but I don't know we'll look for the

1151
00:45:38,070 --> 00:45:42,900
next thing to really get our listeners

1152
00:45:40,469 --> 00:45:47,279
to ride in on get angry about something

1153
00:45:42,900 --> 00:45:49,440
I sort of avoided climate change because

1154
00:45:47,280 --> 00:45:52,680
that brings out a lot of very strange

1155
00:45:49,440 --> 00:45:55,170
people look it is very it is very

1156
00:45:52,679 --> 00:45:56,909
diverse area and look and and and on

1157
00:45:55,170 --> 00:45:58,500
myself I'm continually ribs easing that

1158
00:45:56,909 --> 00:46:00,089
because I want to know the science on

1159
00:45:58,500 --> 00:46:02,849
both sides everything all the time and

1160
00:46:00,090 --> 00:46:04,680
yeah I'm looking particularly in

1161
00:46:02,849 --> 00:46:06,750
Australia where as a carbon tax tied to

1162
00:46:04,679 --> 00:46:08,009
that policy as well and that is

1163
00:46:06,750 --> 00:46:09,809
affecting the way Peter not what

1164
00:46:08,010 --> 00:46:11,970
industry they live it they work in for

1165
00:46:09,809 --> 00:46:13,679
example I have some friends in Newcastle

1166
00:46:11,969 --> 00:46:15,419
that make train wheels now you might not

1167
00:46:13,679 --> 00:46:17,399
know that we actually make train wheels

1168
00:46:15,420 --> 00:46:18,869
in Australia anymore we still make cars

1169

00:46:17,400 --> 00:46:20,940
down in south australia melbourne and

1170
00:46:18,869 --> 00:46:22,859
round there but in newcastle we used to

1171
00:46:20,940 --> 00:46:24,720
have a vibrant steel industry and pretty

1172
00:46:22,860 --> 00:46:25,980
much train wheels and train carriages

1173
00:46:24,719 --> 00:46:27,959
and a few other things is what we make

1174
00:46:25,980 --> 00:46:29,880
and all those guys doing that will make

1175
00:46:27,960 --> 00:46:31,619
train wheels and there'd be on

1176
00:46:29,880 --> 00:46:34,140
men many many of them only been into one

1177
00:46:31,619 --> 00:46:35,429
shop there they think that if the carbon

1178
00:46:34,139 --> 00:46:36,839
tax comes in that they will lose their

1179
00:46:35,429 --> 00:46:38,669
jobs because the train wheels will

1180
00:46:36,840 --> 00:46:40,710
become slightly more expensive and at

1181
00:46:38,670 --> 00:46:43,650
the moment china is getting so close to

1182
00:46:40,710 --> 00:46:45,539
their to their price and being able to

1183
00:46:43,650 --> 00:46:46,950

do it quickly like at the moment they

1184

00:46:45,539 --> 00:46:48,719

make they used to make the axles for the

1185

00:46:46,949 --> 00:46:50,339

train wheels in the factory right next

1186

00:46:48,719 --> 00:46:52,829

door to where they make the wheels they

1187

00:46:50,340 --> 00:46:54,240

can now import those axles from China to

1188

00:46:52,829 --> 00:46:55,529

go on the train wheels cheaper than they

1189

00:46:54,239 --> 00:46:57,569

can make it in the factory right next

1190

00:46:55,530 --> 00:47:01,110

door to where the chamber walls are made

1191

00:46:57,570 --> 00:47:02,400

now and so that so when people working

1192

00:47:01,110 --> 00:47:04,260

in that industry see that kind of thing

1193

00:47:02,400 --> 00:47:06,599

going on they they would worry about

1194

00:47:04,260 --> 00:47:08,460

their job and that's understandable from

1195

00:47:06,599 --> 00:47:10,319

the human level so when you've got the

1196

00:47:08,460 --> 00:47:12,960

kind of emotion involved in this science

1197

00:47:10,320 --> 00:47:17,720

you can see what pfizer it does it does

1198
00:47:12,960 --> 00:47:20,369
I mean all my years of doing skeptical

1199
00:47:17,719 --> 00:47:24,480
investigations and ending in the biz as

1200
00:47:20,369 --> 00:47:26,940
you might say yeah this climate change

1201
00:47:24,480 --> 00:47:29,429
issue especially especially when so many

1202
00:47:26,940 --> 00:47:31,650
people label themselves or a movement as

1203
00:47:29,429 --> 00:47:34,079
climate change skeptics and it gets

1204
00:47:31,650 --> 00:47:36,420
completely mixed up and confused and

1205
00:47:34,079 --> 00:47:39,360
muddled up with them paranormal the

1206
00:47:36,420 --> 00:47:41,579
scientific skeptics so many people have

1207
00:47:39,360 --> 00:47:43,559
asked me or told me why you skeptical

1208
00:47:41,579 --> 00:47:46,860
climate change I said we're not those

1209
00:47:43,559 --> 00:47:49,199
skeptics they're just people using using

1210
00:47:46,860 --> 00:47:53,490
the word or and another argument i get

1211
00:47:49,199 --> 00:47:55,199
is is are you skeptics you're so

1212
00:47:53,489 --> 00:47:58,769
silly you used to think the world

1213
00:47:55,199 --> 00:48:00,929
was flat this face palm what what water

1214
00:47:58,769 --> 00:48:03,929
when skeptics thought the world was Fred

1215
00:48:00,929 --> 00:48:07,529
what or you skeptics used to burn

1216
00:48:03,929 --> 00:48:09,960
witches you know otherwise many of the

1217
00:48:07,530 --> 00:48:11,250
Christians used to come yeah but then

1218
00:48:09,960 --> 00:48:12,630
again maybe they're skeptical Christian

1219
00:48:11,250 --> 00:48:14,610
witch burning what maybe they just

1220
00:48:12,630 --> 00:48:18,329
wanted to get the cat of the woman I

1221
00:48:14,610 --> 00:48:20,099
mean that I but basically I don't get

1222
00:48:18,329 --> 00:48:22,590
into the climate change argument because

1223
00:48:20,099 --> 00:48:24,239
I've read it and frankly I don't

1224
00:48:22,590 --> 00:48:25,420
understand it I believe it I believe

1225
00:48:24,239 --> 00:48:28,568
personally you

1226

00:48:25,420 --> 00:48:31,059
I believe personally it's probably

1227
00:48:28,568 --> 00:48:32,230
happening but when I go and start to

1228
00:48:31,059 --> 00:48:35,530
read the evidence about it from either

1229
00:48:32,230 --> 00:48:37,630
side my smaller brand gets free now this

1230
00:48:35,530 --> 00:48:40,298
with the mere fact that we've discussed

1231
00:48:37,630 --> 00:48:43,000
it will probably have people writing the

1232
00:48:40,298 --> 00:48:45,309
other issue that riled people up which

1233
00:48:43,000 --> 00:48:48,909
we only meant touched on very briefly on

1234
00:48:45,309 --> 00:48:51,819
the Sun the think tank once was atheism

1235
00:48:48,909 --> 00:48:53,469
oh and then people whinging back and

1236
00:48:51,818 --> 00:48:55,779
forth about that and that got people

1237
00:48:53,469 --> 00:48:57,399
riled up and ready to go so it's really

1238
00:48:55,780 --> 00:48:59,980
interesting to know what topics get

1239
00:48:57,400 --> 00:49:01,599
people because I guess a relatively new

1240
00:48:59,980 --> 00:49:03,039

comer and someone whose own just sort of

1241
00:49:01,599 --> 00:49:04,769
hanging out with skeptics recently and

1242
00:49:03,039 --> 00:49:07,719
exact and you know exactly and I don't

1243
00:49:04,769 --> 00:49:09,639
throw a lot of stuff in this area and as

1244
00:49:07,719 --> 00:49:11,439
someone i would i would now call myself

1245
00:49:09,639 --> 00:49:13,449
an atheist rather than an agnostic

1246
00:49:11,440 --> 00:49:16,568
you're from just listening and thinking

1247
00:49:13,449 --> 00:49:19,629
things through but i can see believing

1248
00:49:16,568 --> 00:49:21,608
in a God would cause a problem with some

1249
00:49:19,630 --> 00:49:24,220
skeptic because it's a dichotomy going

1250
00:49:21,608 --> 00:49:28,509
on there but then again you can't test

1251
00:49:24,219 --> 00:49:31,568
faith and then again there are what i do

1252
00:49:28,510 --> 00:49:34,690
is i leave the climate change and the

1253
00:49:31,568 --> 00:49:36,969
atheism I leave that as much as possible

1254
00:49:34,690 --> 00:49:39,309
to other people who have a much bigger

1255
00:49:36,969 --> 00:49:42,219
interest in those things than I do and

1256
00:49:39,309 --> 00:49:43,420
no more you know what part of that being

1257
00:49:42,219 --> 00:49:45,789
a skeptic is well you've got to know

1258
00:49:43,420 --> 00:49:48,250
when when you don't know will also also

1259
00:49:45,789 --> 00:49:51,130
I am very much an intellectual

1260
00:49:48,250 --> 00:49:52,088
lightweight and for that reason I don't

1261
00:49:51,130 --> 00:49:53,890
want to get involved in these

1262
00:49:52,088 --> 00:49:56,558
discussions because I know I'm going to

1263
00:49:53,889 --> 00:49:58,989
say something stupid one of the things

1264
00:49:56,559 --> 00:50:00,940
about you have being a funny guy is you

1265
00:49:58,989 --> 00:50:03,429
know when not to say something that's

1266
00:50:00,940 --> 00:50:04,690
not funny and I just I tend to err on

1267
00:50:03,429 --> 00:50:06,818
the conservative side not saying

1268
00:50:04,690 --> 00:50:08,829
anything singles that probably a good

1269
00:50:06,818 --> 00:50:10,389
policy I mean how many times have we

1270
00:50:08,829 --> 00:50:11,950
heard someone say something that they

1271
00:50:10,389 --> 00:50:13,568
probably should have shut up but then

1272
00:50:11,949 --> 00:50:16,480
again also when you when you get on the

1273
00:50:13,568 --> 00:50:18,519
edge of ideas that's when new things are

1274
00:50:16,480 --> 00:50:20,500
found as well yeah yeah well another

1275
00:50:18,519 --> 00:50:22,670
topic that's axing you don't hear about

1276
00:50:20,500 --> 00:50:24,500
anymore there are a lot of people

1277
00:50:22,670 --> 00:50:26,809
well four or five years ago used to say

1278
00:50:24,500 --> 00:50:30,590
to me why are you people skeptical of

1279
00:50:26,809 --> 00:50:32,420
the moon landing that's right and I was

1280
00:50:30,590 --> 00:50:33,920
skeptical the moon landing as well and

1281
00:50:32,420 --> 00:50:36,200
there are still a few issues with some

1282
00:50:33,920 --> 00:50:38,090
of the cross-hatching on the photos and

1283

00:50:36,199 --> 00:50:39,710
there are some weird reflections that

1284
00:50:38,090 --> 00:50:41,180
I'd like to see explain but I'm pretty

1285
00:50:39,710 --> 00:50:43,429
sure someone with their sometime I'm

1286
00:50:41,179 --> 00:50:44,779
pretty sure they do in fact one of the

1287
00:50:43,429 --> 00:50:46,730
things I enjoy that now agenda is that

1288
00:50:44,780 --> 00:50:48,830
they believe the initial ones were fake

1289
00:50:46,730 --> 00:50:51,110
but there are now many moonbase's up

1290
00:50:48,829 --> 00:50:53,239
there they're telling us about isn't

1291
00:50:51,110 --> 00:50:55,130
that great it's all about Jabbar and I

1292
00:50:53,239 --> 00:50:57,889
can do it's like wow that is what that

1293
00:50:55,130 --> 00:50:59,960
is a mind-blowing thing you know is not

1294
00:50:57,889 --> 00:51:01,579
true who cares it's a nice little thing

1295
00:50:59,960 --> 00:51:03,380
to have a play with your brain with it

1296
00:51:01,579 --> 00:51:06,049
is what may not great to catch up with

1297
00:51:03,380 --> 00:51:08,030

you must do these lunches more often and

1298

00:51:06,050 --> 00:51:09,860

I will end like I said playing with the

1299

00:51:08,030 --> 00:51:11,480

brain having an open brain I i would

1300

00:51:09,860 --> 00:51:13,640

have to quote to meet you never day you

1301

00:51:11,480 --> 00:51:15,050

know if your mind is to open your brain

1302

00:51:13,639 --> 00:51:18,969

will fall down that is a very good

1303

00:51:15,050 --> 00:51:18,970

morning as well cheers man

1304

00:51:26,579 --> 00:51:35,079

this is an EVP I recorded last night how

1305

00:51:31,239 --> 00:51:37,479

you doing I'm a ghost what's up you guys

1306

00:51:35,079 --> 00:51:41,259

can't possibly ignore the type of it who

1307

00:51:37,480 --> 00:51:42,730

are you we're doing my EVPs of the

1308

00:51:41,260 --> 00:51:44,710

result of pareidolia and cross

1309

00:51:42,730 --> 00:51:46,900

modulation combined with the listeners

1310

00:51:44,710 --> 00:51:51,190

hopes and expectations why does this

1311

00:51:46,900 --> 00:51:56,610

have to do with science you just got

1312
00:51:51,190 --> 00:51:56,610
skeptically phone well go see

1313
00:51:58,769 --> 00:52:09,099
skeptically phone screen it's in the

1314
00:52:03,250 --> 00:52:11,739
next and now we pick up the action at

1315
00:52:09,099 --> 00:52:13,960
tam 9 in Las Vegas where the skeptics

1316
00:52:11,739 --> 00:52:15,969
guide to the universe crew kindly

1317
00:52:13,960 --> 00:52:18,970
invited me to be their guest auctioneer

1318
00:52:15,969 --> 00:52:21,250
at the dinner we're about to hear the

1319
00:52:18,969 --> 00:52:33,189
bidding for the prize of being and guest

1320
00:52:21,250 --> 00:52:35,710
rogue on SGU and again something I can

1321
00:52:33,190 --> 00:52:38,889
attest to is a rare privilege and an

1322
00:52:35,710 --> 00:52:42,970
awful lot of thumb you get to be a guest

1323
00:52:38,889 --> 00:52:45,509
robe honesty you be if the entire

1324
00:52:42,969 --> 00:52:45,509
episode

1325
00:52:47,150 --> 00:52:58,920
this is valid for a year it's one of the

1326
00:52:54,179 --> 00:53:04,069
best prices money can buy and we're

1327
00:52:58,920 --> 00:53:04,070
going to start the bidding at 100,000

1328
00:53:09,539 --> 00:53:13,309
I'm someone really take light

1329
00:53:15,400 --> 00:53:28,519
12 hours how long I should be doing more

1330
00:53:19,730 --> 00:53:36,280
often the call is 1300 hours into

1331
00:53:28,519 --> 00:53:42,170
coverage thirteen hundred dollars lazy

1332
00:53:36,280 --> 00:53:49,150
fourteen hundred dollars 40 DD & 3

1333
00:53:42,170 --> 00:53:49,150
spoons a seriously 1450

1334
00:53:59,159 --> 00:54:04,949
one of the greatest things you can do as

1335
00:54:01,980 --> 00:54:11,909
a fan of the show the beauty is 40 50

1336
00:54:04,949 --> 00:54:15,509
eggs going once that's a scary of me but

1337
00:54:11,909 --> 00:54:34,500
I think this he was possibly liable to

1338
00:54:15,510 --> 00:54:45,120
exert 16 I'm Charles laser Haley who

1339
00:54:34,500 --> 00:54:48,599
does and pastas people now ang hundred

1340

00:54:45,119 --> 00:54:50,929
dollars what that has me PNG's going

1341
00:54:48,599 --> 00:54:50,929
once

1342
00:55:06,679 --> 00:55:30,239
2113 a fantastic bid 2,100 dollars is

1343
00:55:16,349 --> 00:55:35,039
the goal it's going once officially over

1344
00:55:30,239 --> 00:55:43,409
our highest paid mrs. 2207 let's go

1345
00:55:35,039 --> 00:55:46,338
ahead 2220 200 going once and some

1346
00:55:43,409 --> 00:55:49,338
monkey about 2,200 dollars going to us

1347
00:55:46,338 --> 00:55:49,338
all

1348
00:56:02,829 --> 00:56:09,519
2323 hundred dollars going once 20 going

1349
00:56:06,949 --> 00:56:09,519
twice

1350
00:56:16,280 --> 00:56:29,090
join me this is romantic isn't 2500 or

1351
00:56:20,250 --> 00:56:33,630
anyone's going to us whatever you enjoy

1352
00:56:29,090 --> 00:56:39,860
2600 and that's going once that's going

1353
00:56:33,630 --> 00:56:39,860
twice ladies and gentleman 26

1354
00:56:58,989 --> 00:57:03,949

once again the skeptics guide to the

1355

00:57:01,849 --> 00:57:06,469

universe have on will be greatly by

1356

00:57:03,949 --> 00:57:26,750

allowing me to be there auctioneer and I

1357

00:57:06,469 --> 00:57:28,819

thank the motion silly I thank you thank

1358

00:57:26,750 --> 00:57:32,840

you for listening to the skeptic zone my

1359

00:57:28,820 --> 00:57:35,830

goodness me at ham and hot English

1360

00:57:32,840 --> 00:57:38,660

mustard and sourdough bread was good oh

1361

00:57:35,829 --> 00:57:42,519

boy I have to try to top that next week

1362

00:57:38,659 --> 00:57:45,139

couple things before i go i finished

1363

00:57:42,519 --> 00:57:47,150

filming or the whole team of course is

1364

00:57:45,139 --> 00:57:48,920

finished filming the TV series the one

1365

00:57:47,150 --> 00:57:51,349

which have been a part of don't know

1366

00:57:48,920 --> 00:57:52,880

when it's coming on here soon i hope

1367

00:57:51,349 --> 00:57:58,009

that'll be a lot of fun to see that

1368

00:57:52,880 --> 00:58:00,980

being broadcast i gave a lot of the

1369
00:57:58,010 --> 00:58:03,110
people who worked there an interesting

1370
00:58:00,980 --> 00:58:05,539
present as a little thank you from me i

1371
00:58:03,110 --> 00:58:10,519
went out the other day downtown Sydney

1372
00:58:05,539 --> 00:58:12,259
and i bought a whole heap of d 20s now

1373
00:58:10,519 --> 00:58:16,309
games out they all know exactly what I

1374
00:58:12,260 --> 00:58:17,600
mean these are 20-sided die and I've got

1375
00:58:16,309 --> 00:58:19,699
one right here in front of me I'm just

1376
00:58:17,599 --> 00:58:21,889
looking at they're about the same size

1377
00:58:19,699 --> 00:58:25,759
as a regular dice you know or die but

1378
00:58:21,889 --> 00:58:29,150
they've got 20 sides so I thought to me

1379
00:58:25,760 --> 00:58:33,410
that represents there we go to me it

1380
00:58:29,150 --> 00:58:36,559
represents testing skeptical testing the

1381
00:58:33,409 --> 00:58:38,989
key thing is have something that gives

1382
00:58:36,559 --> 00:58:40,880
you a random number and with that you

1383
00:58:38,989 --> 00:58:43,219
can do a lot of tests when you're

1384
00:58:40,880 --> 00:58:46,480
testing the paranormal so I thought I'd

1385
00:58:43,219 --> 00:58:50,000
do a little test with the listeners I

1386
00:58:46,480 --> 00:58:52,760
want you all to think of a number from 1

1387
00:58:50,000 --> 00:58:55,789
to 20 there can be one it can be to all

1388
00:58:52,760 --> 00:58:58,820
the way up to 20 itself think hard I'll

1389
00:58:55,789 --> 00:59:00,800
going to roll my dice mind I my dice

1390
00:58:58,820 --> 00:59:02,150
I'll be honest not telling you exactly

1391
00:59:00,800 --> 00:59:04,850
what the number is but I want you to

1392
00:59:02,150 --> 00:59:07,730
think of a number right now i'll give

1393
00:59:04,849 --> 00:59:10,690
you a second okay keep that number in

1394
00:59:07,730 --> 00:59:10,690
your head here we go

1395
00:59:11,719 --> 00:59:19,108
for my goodness me how could I do that

1396
00:59:16,849 --> 00:59:22,709
how did I know you were thinking of a

1397

00:59:19,108 --> 00:59:25,139
for well at least one in 20 of you the

1398
00:59:22,708 --> 00:59:28,348
other thing I wanted to say was I've

1399
00:59:25,139 --> 00:59:31,108
just finished finished listening to the

1400
00:59:28,349 --> 00:59:33,679
podcast from my dear dear friend George

1401
00:59:31,108 --> 00:59:37,288
rub the geologic podcast episode number

1402
00:59:33,679 --> 00:59:40,918
225 if you are not a listener to the

1403
00:59:37,289 --> 00:59:44,549
geologic podcast and you should you

1404
00:59:40,918 --> 00:59:51,438
really should geologic podcast calm or

1405
00:59:44,548 --> 00:59:55,409
simply Google George rub h ra be without

1406
00:59:51,438 --> 00:59:58,379
giving anything away so to speak i

1407
00:59:55,409 --> 01:00:02,999
sincerely recommend you do listen to the

1408
00:59:58,380 --> 01:00:09,679
geologic podcast episode number 225 it's

1409
01:00:02,998 --> 01:00:12,058
one of the most moving pieces of audio

1410
01:00:09,679 --> 01:00:15,778
broadcast podcast whatever you want to

1411
01:00:12,059 --> 01:00:17,399

call it that I've heard and when you

1412

01:00:15,778 --> 01:00:20,159

finish listening to the episode right to

1413

01:00:17,398 --> 01:00:23,538

the end you'll know why and you'll know

1414

01:00:20,159 --> 01:00:27,179

why I'm thinking of George at this time

1415

01:00:23,539 --> 01:00:31,069

I'll leave it at that i recommend you

1416

01:00:27,179 --> 01:00:35,278

have a listen but until next week and

1417

01:00:31,068 --> 01:00:37,168

more war reports from tam las vegas more

1418

01:00:35,278 --> 01:00:39,838

main ardmore everything and a longer

1419

01:00:37,168 --> 01:00:42,358

think tank I hope this is Richard

1420

01:00:39,838 --> 01:00:43,708

Saunders signing off oh one more time

1421

01:00:42,358 --> 01:00:44,909

come on think of another number come on

1422

01:00:43,708 --> 01:00:53,969

all those people who didn't think of for

1423

01:00:44,909 --> 01:01:00,329

got it here we go ten signing off from

1424

01:00:53,969 --> 01:01:02,539

Sydney Australia you've been listening

1425

01:01:00,329 --> 01:01:07,100

to the skeptic zone

1426

01:01:02,539 --> 01:01:10,429

visit our website at [www.skepticzoomtv](http://www.skepticzoomtv.com)

1427

01:01:07,099 --> 01:01:13,059

the comments contacts and extra video

1428

01:01:10,429 --> 01:01:13,059

reports
