very very windy Sydney Australia their

9
00:01:00,570 --> 00:01:04,079
trees coming down power lights have come

10
00:01:02,399 --> 00:01:06,629
down houses are in blackouts it's

11
00:01:04,079 --> 00:01:09,049
blowing a gale outside now that little

12
00:01:06,629 --> 00:01:12,929
clip just before the introduction music

13
00:01:09,049 --> 00:01:16,769
was a you would have guessed the landing

14
00:01:12,930 --> 00:01:18,930
of curiosity the new rover on Mars i

15
00:01:16,769 --> 00:01:22,349
went to the sydney observatory we're in

16
00:01:18,930 --> 00:01:25,170
one of their sort of lecture rooms there

17
00:01:22,349 --> 00:01:27,569
they had a big screen setup and the room

18
00:01:25,170 --> 00:01:30,118
was absolutely packed with people biting

19
00:01:27,569 --> 00:01:31,949
their nails as the little little

20
00:01:30,118 --> 00:01:34,379
curiosity went down through the Martian

21
00:01:31,950 --> 00:01:39,390
surface very exciting very exciting

22
00:01:34,379 --> 00:01:41,399
cannot wait to see the images and even

23
00:01:39,390 --> 00:01:43,649
the video that's going to be coming back

24
00:01:41,399 --> 00:01:46,439
from Mars over the next term weeks

25
00:01:43,649 --> 00:01:49,019
months and hopefully years but now on to

26
00:01:46,439 --> 00:01:52,649
this week's episode of the skeptic zone

27
00:01:49,019 --> 00:01:55,319
more from may not of course more from a

28
00:01:52,650 --> 00:01:58,799
nod from the amazing meeting this week

29

00:01:55,319 --> 00:02:00,839
may not catches up with Bob novella Bob

30
00:01:58,799 --> 00:02:03,868
novella one of the great rogues from the

31
00:02:00,840 --> 00:02:05,520
skeptics guide to the universe then has

32
00:02:03,868 --> 00:02:08,340
a quick chat with a good friend of ours

33
00:02:05,519 --> 00:02:10,280
one of the Melbourne skeptics lindley or

34
00:02:08,340 --> 00:02:13,799
posting lindley as she's known and

35
00:02:10,280 --> 00:02:18,060
following that he catches up with sharon

36
00:02:13,799 --> 00:02:20,640
hill from doubtful news Wow anybody who

37
00:02:18,060 --> 00:02:23,310
is anybody as a is that the amazing

38
00:02:20,639 --> 00:02:27,449
meeting sharon hill from doubtful news

39
00:02:23,310 --> 00:02:32,280
and then may nod visits the the Friday

40
00:02:27,449 --> 00:02:34,889
the 13th room at tam and chats to

41
00:02:32,280 --> 00:02:37,890
Margaret Downey then after the break I

42
00:02:34,889 --> 00:02:39,659
catch up with Liam Jones an Australian

43
00:02:37,889 --> 00:02:42,449

living in Las Vegas who's going to tell

44

00:02:39,659 --> 00:02:45,959

us about that student activism and some

45

00:02:42,449 --> 00:02:48,119

websites and then to wrap up the show

46

00:02:45,959 --> 00:02:51,030

wow this one's a bit out of left field

47

00:02:48,120 --> 00:02:53,939

the other night Sydney skeptics in the

48

00:02:51,030 --> 00:02:55,409

pub or I gave a little talk about the

49

00:02:53,939 --> 00:02:58,319

amazing meeting

50

00:02:55,409 --> 00:03:01,829

we had a palm reader and her husband

51

00:02:58,319 --> 00:03:04,500

come along a palm reader now they end up

52

00:03:01,830 --> 00:03:06,480

telling me nerd all about their the

53

00:03:04,500 --> 00:03:09,030

claim the palm reading claim how it

54

00:03:06,479 --> 00:03:12,000

works their experiences and they even

55

00:03:09,030 --> 00:03:14,400

read me nods palm and then go on to read

56

00:03:12,000 --> 00:03:20,840

the palm of a run sir give who was there

57

00:03:14,400 --> 00:03:23,460

so now here's the lesson have a listen

58
00:03:20,840 --> 00:03:26,849
have a listen to what the palm reader

59
00:03:23,460 --> 00:03:28,409
and her husband say have a listened do

60
00:03:26,849 --> 00:03:30,840
you think you're a good skeptic and you

61
00:03:28,409 --> 00:03:33,659
know you're skeptical chops and you know

62
00:03:30,840 --> 00:03:35,099
your logical fallacies and how arguments

63
00:03:33,659 --> 00:03:37,139
work and you think you can suss out

64
00:03:35,099 --> 00:03:39,659
what's happening with claims of the

65
00:03:37,139 --> 00:03:42,989
paranormal have a listen to what these

66
00:03:39,659 --> 00:03:44,909
people have to say what do you think is

67
00:03:42,990 --> 00:03:46,860
going on what do you think is going on

68
00:03:44,909 --> 00:03:49,620
why they making such a claims what's has

69
00:03:46,860 --> 00:03:52,710
led them to believe that they have

70
00:03:49,620 --> 00:03:55,650
magical powers to read palms have a

71
00:03:52,710 --> 00:03:58,020
listen it's a good lesson for skeptics

72
00:03:55,650 --> 00:03:59,370
out there so this episode of the skeptic

73
00:03:58,020 --> 00:04:01,860
zone will really get you thinking I

74
00:03:59,370 --> 00:04:03,270
promise you that at the end of the show

75
00:04:01,860 --> 00:04:05,970
I'll come back with a few more

76
00:04:03,270 --> 00:04:08,070
announcements of some websites that you

77
00:04:05,969 --> 00:04:10,139
might find interesting but for now for

78
00:04:08,069 --> 00:04:11,819
now I'm going to run downstairs i'm

79
00:04:10,139 --> 00:04:13,739
going to walk downstairs add an email

80
00:04:11,819 --> 00:04:15,689
from somebody saying that do i'd really

81
00:04:13,740 --> 00:04:17,519
run down the stairs and there's a bit

82
00:04:15,689 --> 00:04:19,709
dangerous i'm going to walk carefully

83
00:04:17,519 --> 00:04:22,500
down those stairs i'm going to reach for

84
00:04:19,709 --> 00:04:24,149
a nice glass of a white wine from New

85
00:04:22,500 --> 00:04:26,759
Zealand they make some pretty damn good

86

00:04:24,149 --> 00:04:29,370
white wines I'm going to come back

87
00:04:26,759 --> 00:04:34,039
upstairs relax in my favorite chair and

88
00:04:29,370 --> 00:04:34,040
we can all enjoy the skeptics I'm

89
00:04:46,149 --> 00:04:53,379
years may not spooky action at a

90
00:04:50,869 --> 00:04:53,379
distance

91
00:04:56,170 --> 00:05:01,550
but that well the station know not many

92
00:04:58,970 --> 00:05:03,230
podcasts have their own room I was in

93
00:05:01,550 --> 00:05:05,329
this room briefly last night with George

94
00:05:03,230 --> 00:05:07,040
Arab we're mainly doing whiskey shots

95
00:05:05,329 --> 00:05:08,149
cuz he has is the luge he has this

96
00:05:07,040 --> 00:05:10,550
illusion that he doesn't drink alcohol

97
00:05:08,149 --> 00:05:13,849
it's completely false but here we are in

98
00:05:10,550 --> 00:05:15,889
the SG room SGU room skeptics guide to

99
00:05:13,850 --> 00:05:18,230
the universe actually Suu does sound

100
00:05:15,889 --> 00:05:19,819

like some an acronym they'd use on

101

00:05:18,230 --> 00:05:21,259

Captain scale and the mister ons I

102

00:05:19,819 --> 00:05:23,659

expect him his green or something like

103

00:05:21,259 --> 00:05:25,579

that but I'm here with mr. Bob novella

104

00:05:23,660 --> 00:05:27,680

hi Bob how are you great manner how are

105

00:05:25,579 --> 00:05:29,389

you oh look I'm fun this is my first tan

106

00:05:27,680 --> 00:05:31,009

but like this is like this is like money

107

00:05:29,389 --> 00:05:32,990

for old rope for you guys generally

108

00:05:31,009 --> 00:05:34,730

terms of you guys been to as the

109

00:05:32,990 --> 00:05:37,009

skeptics guide to the universe well we

110

00:05:34,730 --> 00:05:38,870

came into 10 5 so it's five six seven

111

00:05:37,009 --> 00:05:41,060

eight nine ten so six this is our sixth

112

00:05:38,870 --> 00:05:43,699

one and it and we love it we would not

113

00:05:41,060 --> 00:05:45,560

miss it for the world it's the best most

114

00:05:43,699 --> 00:05:48,110

listeners would know to our show who you

115
00:05:45,560 --> 00:05:50,509
are and also your better the gold

116
00:05:48,110 --> 00:05:52,610
standard as far as it is a skeptical

117
00:05:50,509 --> 00:05:54,349
podcast like people compare their show

118
00:05:52,610 --> 00:05:56,330
to yours they always reference yours as

119
00:05:54,350 --> 00:05:58,010
an influence and have you heard you'll

120
00:05:56,329 --> 00:06:00,639
for sure I mentioned in an area where go

121
00:05:58,009 --> 00:06:03,639
wow I didn't know that person listen um

122
00:06:00,639 --> 00:06:06,409
let's see you mean like this is what I

123
00:06:03,639 --> 00:06:07,519
well okay yeah every now and then we'll

124
00:06:06,410 --> 00:06:11,210
meet people and we get real excited

125
00:06:07,519 --> 00:06:13,879
because of you know who they are and and

126
00:06:11,209 --> 00:06:15,709
the fact they liked our show like Chris

127
00:06:13,879 --> 00:06:17,839
Ward we met a couple years ago he told

128
00:06:15,709 --> 00:06:19,939
us that he and there's a bunch of people

129
00:06:17,839 --> 00:06:21,228
at Pixar that listened and listened to

130
00:06:19,939 --> 00:06:23,360
our show and that of course we got

131
00:06:21,228 --> 00:06:24,949
extremely excited because Pixar's Pixar

132
00:06:23,360 --> 00:06:26,840
didn't you guys get to visit them

133
00:06:24,949 --> 00:06:28,879
recently yeah we went down we went last

134
00:06:26,839 --> 00:06:31,159
week we get we met Chris Ford and others

135
00:06:28,879 --> 00:06:33,168
at at Pixar and they gave us a fantastic

136
00:06:31,160 --> 00:06:35,000
tour of the facility and that the

137
00:06:33,168 --> 00:06:36,259
building and oh my god it was uh it was

138
00:06:35,000 --> 00:06:37,668
one definitely one of the high points of

139
00:06:36,259 --> 00:06:40,009
this entire trip it was fantastic

140
00:06:37,668 --> 00:06:41,629
there's lots of memes on your show one

141
00:06:40,009 --> 00:06:43,668
of my favorites that always pops up is a

142
00:06:41,629 --> 00:06:45,279
whenever there's some paradol you're

143

00:06:43,668 --> 00:06:48,319
going on you bring up the specter of

144
00:06:45,279 --> 00:06:51,079
hoogland now could you explain who hobe

145
00:06:48,319 --> 00:06:53,689
lenders to the listener he's a guy that

146
00:06:51,079 --> 00:06:58,699
he's he's known as the face on Mars guy

147
00:06:53,689 --> 00:07:01,160
he he looks and studies images of you

148
00:06:58,699 --> 00:07:02,269
know of things on on Mars and the one

149
00:07:01,160 --> 00:07:05,330
that everyone knows about is the face

150
00:07:02,269 --> 00:07:06,968
the face on Mars and he thinks it's the

151
00:07:05,329 --> 00:07:10,178
product of an agent's an agent

152
00:07:06,968 --> 00:07:12,129
civilization and and if you and if you

153
00:07:10,178 --> 00:07:13,538
look at it yeah you can see it looks

154
00:07:12,129 --> 00:07:15,908
like a face it's really quite striking

155
00:07:13,538 --> 00:07:17,528
and when when NASA found it they were

156
00:07:15,908 --> 00:07:19,389
like oh wow look at that thing and they

157
00:07:17,528 --> 00:07:21,459

of course they you know they printed the

158

00:07:19,389 --> 00:07:23,949

image and it was a really a sensation i

159

00:07:21,459 --> 00:07:25,418

think it was in the 70s and but everyone

160

00:07:23,949 --> 00:07:27,759

knew that this is this is just

161

00:07:25,418 --> 00:07:29,859

pareidolia this is just an artifact of a

162

00:07:27,759 --> 00:07:32,199

low-resolution image taking with

163

00:07:29,860 --> 00:07:33,759

specific lighting and of course years

164

00:07:32,199 --> 00:07:37,149

later when we got when we sent another

165

00:07:33,759 --> 00:07:39,038

probe to orbit Mars and look at it in

166

00:07:37,149 --> 00:07:40,809

high resolution in similar lighting

167

00:07:39,038 --> 00:07:42,938

conditions you could see that this is

168

00:07:40,809 --> 00:07:45,099

just like a beaut it's a little mini

169

00:07:42,939 --> 00:07:48,999

Mountain structure that's that

170

00:07:45,098 --> 00:07:50,769

projecting up and and clearly it clearly

171

00:07:48,999 --> 00:07:52,629

wasn't a face or the product of any

172
00:07:50,769 --> 00:07:55,959
other any ancient civilization but

173
00:07:52,629 --> 00:07:57,819
Hoagland just loves you know writing and

174
00:07:55,959 --> 00:08:00,759
talking about the fact that all these

175
00:07:57,819 --> 00:08:02,259
artifacts on the moon came from an

176
00:08:00,759 --> 00:08:04,439
ancient civilization not just the face

177
00:08:02,259 --> 00:08:07,869
on Mars is he points to all these other

178
00:08:04,439 --> 00:08:10,028
objects that to him are anomalous but

179
00:08:07,869 --> 00:08:12,429
they're really not anomalous pointing to

180
00:08:10,028 --> 00:08:14,558
like because civilization and structures

181
00:08:12,428 --> 00:08:16,748
and oh it's really complicated method

182
00:08:14,559 --> 00:08:19,269
all based on you know mistaken

183
00:08:16,749 --> 00:08:21,278
identities on peridot Leah and what do

184
00:08:19,269 --> 00:08:23,168
you think is the most exciting thing you

185
00:08:21,278 --> 00:08:25,209
guys have uncovered on your show during

186
00:08:23,168 --> 00:08:26,528
the six year history I mean because

187
00:08:25,209 --> 00:08:28,179
there are a couple of ones you know

188
00:08:26,528 --> 00:08:29,949
things that you've actually got to

189
00:08:28,178 --> 00:08:33,598
before other people have or talked about

190
00:08:29,949 --> 00:08:37,089
you know in the science realm um oh wow

191
00:08:33,599 --> 00:08:40,180
uncovered um like what do you mean

192
00:08:37,089 --> 00:08:41,829
because I'm often you guys get the

193
00:08:40,179 --> 00:08:43,718
science magazines as soon as they're out

194
00:08:41,828 --> 00:08:45,698
a new you will often have them on your

195
00:08:43,719 --> 00:08:47,470
podcast before other people will and

196
00:08:45,698 --> 00:08:48,669
you'll get a bit of a stir going about

197
00:08:47,470 --> 00:08:50,528
it if there's a new development or

198
00:08:48,669 --> 00:08:52,509
something like that I mean the with the

199
00:08:50,528 --> 00:08:54,100
whole CERN thing I mean I'm frankly

200

00:08:52,509 --> 00:08:56,230
disappointed that neutrinos don't travel

201
00:08:54,100 --> 00:08:57,970
faster than light I thought we have a

202
00:08:56,230 --> 00:09:01,870
time machine by sometime next year this

203
00:08:57,970 --> 00:09:03,879
was the case yeah we um I don't think we

204
00:09:01,870 --> 00:09:06,188
necessarily get news items any any

205
00:09:03,879 --> 00:09:07,899
sooner than than most other people but

206
00:09:06,188 --> 00:09:09,429
yeah we try to be timely you know we

207
00:09:07,899 --> 00:09:11,078
record the show once a week so I'm

208
00:09:09,429 --> 00:09:13,419
generally looking like the night before

209
00:09:11,078 --> 00:09:15,698
I look at a news item so that by the

210
00:09:13,419 --> 00:09:17,799
time it gets out a few days later it'll

211
00:09:15,698 --> 00:09:19,919
be people you know most people will not

212
00:09:17,799 --> 00:09:21,719
have heard of it so I

213
00:09:19,919 --> 00:09:23,610
hope there's a lot of angry on your show

214
00:09:21,720 --> 00:09:25,649

with the way mainstream media like such

215

00:09:23,610 --> 00:09:27,750

as myself sometimes I have to cover

216

00:09:25,649 --> 00:09:29,730

these things because there's a rush

217

00:09:27,750 --> 00:09:31,259

there's a deadline and things like The

218

00:09:29,730 --> 00:09:33,028

Daily Telegraph in the UK they just

219

00:09:31,259 --> 00:09:35,039

don't check their facts and I get a real

220

00:09:33,028 --> 00:09:38,278

anger from the panel and that's real

221

00:09:35,039 --> 00:09:40,740

yeah and it's not just the rush to get

222

00:09:38,278 --> 00:09:43,320

things out it's the fact that that Noah

223

00:09:40,740 --> 00:09:45,419

all these organizations are shrinking

224

00:09:43,320 --> 00:09:47,579

their their you know their staff and and

225

00:09:45,419 --> 00:09:48,958

a lot of the science reporters aren't

226

00:09:47,578 --> 00:09:51,208

there anymore so you've got you've got

227

00:09:48,958 --> 00:09:52,739

someone who might cover you know human

228

00:09:51,208 --> 00:09:54,479

garden topics one day and then the next

229
00:09:52,740 --> 00:09:55,919
day he jumps on a science topic that

230
00:09:54,480 --> 00:09:58,560
he's really he's not a science

231
00:09:55,919 --> 00:10:01,169
journalist so we he's just not prepared

232
00:09:58,559 --> 00:10:03,448
to handle it and interpreted it properly

233
00:10:01,169 --> 00:10:05,399
and to and to and even give it a good

234
00:10:03,448 --> 00:10:06,958
tight an appropriate title that one of

235
00:10:05,399 --> 00:10:09,448
the more frustrating things for me is to

236
00:10:06,958 --> 00:10:11,369
is to look at the title of these news

237
00:10:09,448 --> 00:10:13,019
items and think wow that's interesting i

238
00:10:11,370 --> 00:10:15,028
got i gotta check that out and then come

239
00:10:13,019 --> 00:10:16,500
to find out that the title has really no

240
00:10:15,028 --> 00:10:17,970
relation to the to the signs on the

241
00:10:16,500 --> 00:10:20,129
inside and the science itself is pretty

242
00:10:17,970 --> 00:10:21,930
poor so it's just a matter of that just

243
00:10:20,129 --> 00:10:23,338
there's not enough really hardcore

244
00:10:21,929 --> 00:10:25,439
science journalists out there anymore

245
00:10:23,339 --> 00:10:27,779
because it's just such a shrinking

246
00:10:25,440 --> 00:10:29,279
industry that it is so frustrating for

247
00:10:27,778 --> 00:10:31,409
us win it but it is fun to point out

248
00:10:29,278 --> 00:10:33,208
stuff like that for me so it's kind of

249
00:10:31,409 --> 00:10:34,708
it yea it is definitely a lot of conduct

250
00:10:33,208 --> 00:10:36,448
this is where skeptical thinking would

251
00:10:34,708 --> 00:10:37,739
come in generally because like if

252
00:10:36,448 --> 00:10:39,028
someone goes along to interview a

253
00:10:37,740 --> 00:10:40,230
scientist or someone who's trying to

254
00:10:39,028 --> 00:10:42,899
push a product or the head of a company

255
00:10:40,230 --> 00:10:44,129
about a science issue you've got to talk

256
00:10:42,899 --> 00:10:45,809
with them then you've got to figure out

257

00:10:44,129 --> 00:10:47,519
what they were saying and try and work

258
00:10:45,809 --> 00:10:49,018
out some other sources to get almost a

259
00:10:47,519 --> 00:10:50,549
rebuttal to try and work out if what

260
00:10:49,019 --> 00:10:52,259
they're saying is even half real and

261
00:10:50,549 --> 00:10:53,939
sometimes you don't have don't have time

262
00:10:52,259 --> 00:10:56,250
so you're going to know very quickly how

263
00:10:53,940 --> 00:10:58,649
to sniff it out yeah dad's and that's

264
00:10:56,250 --> 00:11:00,028
why it's so important to really be

265
00:10:58,649 --> 00:11:01,500
familiar with the field you're reporting

266
00:11:00,028 --> 00:11:03,600
on because if you're starting from

267
00:11:01,500 --> 00:11:05,399
Ground Zero there's really just way too

268
00:11:03,600 --> 00:11:07,528
much research and work for you to do in

269
00:11:05,399 --> 00:11:09,360
order to really give that stat news item

270
00:11:07,528 --> 00:11:12,059
the appropriate treatment so if you can

271
00:11:09,360 --> 00:11:14,370

come to a news story with a with a

272

00:11:12,059 --> 00:11:16,018

really solid background then then you

273

00:11:14,370 --> 00:11:18,568

have you so much more better prepared to

274

00:11:16,019 --> 00:11:20,549

report on it properly without having to

275

00:11:18,568 --> 00:11:22,318

spend weeks in researches to get up to

276

00:11:20,549 --> 00:11:25,379

speed and you know what's a boson what's

277

00:11:22,318 --> 00:11:27,028

going on with that and and so so yeah so

278

00:11:25,379 --> 00:11:29,610

that's why it's so much better to be to

279

00:11:27,028 --> 00:11:31,318

be you know to come to the table already

280

00:11:29,610 --> 00:11:33,060

prepared in terms of just a basic

281

00:11:31,318 --> 00:11:33,659

science background so that it's not so

282

00:11:33,059 --> 00:11:34,829

easily

283

00:11:33,659 --> 00:11:36,569

the swallow some of the stuff that

284

00:11:34,830 --> 00:11:38,400

they're they're throwing out there and

285

00:11:36,570 --> 00:11:39,990

what kind of emails do you get you must

286
00:11:38,399 --> 00:11:41,519
get a lot of emails from your listeners

287
00:11:39,990 --> 00:11:42,840
very happy with the show and then you

288
00:11:41,519 --> 00:11:44,970
get any mails that that isn't a

289
00:11:42,840 --> 00:11:46,139
complaint it's not a compliment it just

290
00:11:44,970 --> 00:11:47,940
doesn't make a lot of sense you get a

291
00:11:46,139 --> 00:11:50,009
lot of emails like that because there

292
00:11:47,940 --> 00:11:52,470
are a lot of listeners like that oh yeah

293
00:11:50,009 --> 00:11:54,600
or the overall majority of our emails

294
00:11:52,470 --> 00:11:55,649
are fantastic they people who are just

295
00:11:54,600 --> 00:11:57,779
saying that they did love the show

296
00:11:55,649 --> 00:11:59,579
obviously and then they'll have the over

297
00:11:57,779 --> 00:12:01,110
latest story to us that we might be

298
00:11:59,580 --> 00:12:02,850
interested in talking about on the

299
00:12:01,110 --> 00:12:04,470
podcast or the ones that we especially

300
00:12:02,850 --> 00:12:05,909
like were the ones that people are

301
00:12:04,470 --> 00:12:08,190
saying that you know how we really

302
00:12:05,909 --> 00:12:09,629
affected their lives there the course of

303
00:12:08,190 --> 00:12:11,820
their education some people will say

304
00:12:09,629 --> 00:12:13,950
that you know I'm studying physics and

305
00:12:11,820 --> 00:12:15,720
nanotechnology because of you or or the

306
00:12:13,950 --> 00:12:17,759
real surprising ones are that where they

307
00:12:15,720 --> 00:12:19,410
come back and say that I was at the far

308
00:12:17,759 --> 00:12:21,480
end of the spectrum and into the woo

309
00:12:19,409 --> 00:12:24,089
deep really deep and because if you guys

310
00:12:21,480 --> 00:12:25,769
have completely turned around and I'm a

311
00:12:24,090 --> 00:12:27,210
skeptic now i'm not sure why they

312
00:12:25,769 --> 00:12:28,319
listened to us in the first place

313
00:12:27,210 --> 00:12:30,600
because usually generally you don't

314

00:12:28,320 --> 00:12:32,760
listen to two people who are you know

315
00:12:30,600 --> 00:12:34,379
180 degrees away from your beliefs which

316
00:12:32,759 --> 00:12:36,299
is it's a good thing to do but not many

317
00:12:34,379 --> 00:12:39,029
people do it but those kinds of emails

318
00:12:36,299 --> 00:12:41,569
are fantastic but of course there's a

319
00:12:39,029 --> 00:12:45,500
small smattering of emails where they're

320
00:12:41,570 --> 00:12:49,500
they're just kind of very mean and and

321
00:12:45,500 --> 00:12:53,100
some of them are really incomprehensible

322
00:12:49,500 --> 00:12:54,450
and we just like we email each other's

323
00:12:53,100 --> 00:12:55,769
back and forth seeing what's this guy

324
00:12:54,450 --> 00:12:58,470
talking about and we can't even figure

325
00:12:55,769 --> 00:13:00,449
out you know you know you know what he

326
00:12:58,470 --> 00:13:01,889
was talking about and and when you get

327
00:13:00,450 --> 00:13:04,350
so many emails yeah there's bound to be

328
00:13:01,889 --> 00:13:06,870

a small percentage that are dead or just

329

00:13:04,350 --> 00:13:09,509

wacky and off the wall so one of those

330

00:13:06,870 --> 00:13:10,830

upload okay if you don't like a show you

331

00:13:09,509 --> 00:13:12,269

just stop listening and you might write

332

00:13:10,830 --> 00:13:13,889

a little letter to them saying why you

333

00:13:12,269 --> 00:13:15,629

don't like the show but why you would

334

00:13:13,889 --> 00:13:16,980

repeatedly keep writing to a show saying

335

00:13:15,629 --> 00:13:20,490

you don't like it I've never been able

336

00:13:16,980 --> 00:13:22,170

to figure out why you do that yeah I

337

00:13:20,490 --> 00:13:24,629

haven't actually I haven't done a study

338

00:13:22,169 --> 00:13:27,240

to find out how how many repeat emails

339

00:13:24,629 --> 00:13:29,460

we get but clear yes some people love

340

00:13:27,240 --> 00:13:30,509

most of the show and certain aspects of

341

00:13:29,460 --> 00:13:31,830

the show they don't like so maybe

342

00:13:30,509 --> 00:13:33,480

they're listening to a for what they

343
00:13:31,830 --> 00:13:35,820
really like like say science or fiction

344
00:13:33,480 --> 00:13:37,560
and the science news but other aspects

345
00:13:35,820 --> 00:13:38,879
they don't like but and that's fine it's

346
00:13:37,559 --> 00:13:41,099
hard to please it's hard to have people

347
00:13:38,879 --> 00:13:43,379
of all parts of your entire show and

348
00:13:41,100 --> 00:13:44,970
that's okay just fast forward it passes

349
00:13:43,379 --> 00:13:46,830
the stuff you don't like and if you

350
00:13:44,970 --> 00:13:47,190
don't like one of the personalities on

351
00:13:46,830 --> 00:13:48,900
the show

352
00:13:47,190 --> 00:13:52,380
well that's okay to just fast-forward

353
00:13:48,899 --> 00:13:54,689
past him or her now um how do you think

354
00:13:52,379 --> 00:13:56,220
you have opened the door for people to

355
00:13:54,690 --> 00:13:57,570
get interested in science and what do

356
00:13:56,220 --> 00:13:58,830
you think it is about your show that has

357
00:13:57,570 --> 00:14:00,150
fired them off because like you said

358
00:13:58,830 --> 00:14:01,920
they've had to find the show in the

359
00:14:00,149 --> 00:14:04,409
first place and then you've interested

360
00:14:01,919 --> 00:14:06,449
them in specific areas of science not

361
00:14:04,409 --> 00:14:09,029
just generally did any idea how you've

362
00:14:06,450 --> 00:14:11,910
done that it's well the chemistry among

363
00:14:09,029 --> 00:14:14,159
all of us I think is one of the main

364
00:14:11,909 --> 00:14:16,409
reasons where we've achieved the

365
00:14:14,159 --> 00:14:18,389
popularity that we have and J Steve and

366
00:14:16,409 --> 00:14:21,209
I and we grew up together so we're all

367
00:14:18,389 --> 00:14:23,159
on such similar wavelengths and and

368
00:14:21,210 --> 00:14:24,660
we've you know we've been chatting about

369
00:14:23,159 --> 00:14:26,159
this kind of stuff for a year so this is

370
00:14:24,659 --> 00:14:28,289
something that we've done for so long

371

00:14:26,159 --> 00:14:29,819
that it's very easy for us to you know

372
00:14:28,289 --> 00:14:32,039
to get into these conversations and then

373
00:14:29,820 --> 00:14:33,750
of course Evan and Rebecca just we all

374
00:14:32,039 --> 00:14:35,459
just kind of fit together so well and

375
00:14:33,750 --> 00:14:37,500
our chemistry is so good that people

376
00:14:35,460 --> 00:14:39,900
pick up on it and it we've been told

377
00:14:37,500 --> 00:14:42,269
that people feel like they're like the

378
00:14:39,899 --> 00:14:43,620
you know the the you know the person in

379
00:14:42,269 --> 00:14:44,909
the room that's not talking and just

380
00:14:43,620 --> 00:14:46,879
listening to the conversation they

381
00:14:44,909 --> 00:14:51,000
really feel engaged in part of it and

382
00:14:46,879 --> 00:14:53,039
and I you know it from my point of view

383
00:14:51,000 --> 00:14:54,720
this the science I mean if you like

384
00:14:53,039 --> 00:14:56,219
science I try to pick items that are

385
00:14:54,720 --> 00:14:57,720

that are really interesting to me and

386

00:14:56,220 --> 00:14:59,670

hopefully more interest as well

387

00:14:57,720 --> 00:15:01,019

interesting to other people and I think

388

00:14:59,669 --> 00:15:02,939

they're picking up on that somebody and

389

00:15:01,019 --> 00:15:04,590

we try to I try to explain this stuff in

390

00:15:02,940 --> 00:15:07,110

ways that make it interesting and fun

391

00:15:04,590 --> 00:15:08,940

and well you've completely completely

392

00:15:07,110 --> 00:15:11,789

ruined Prometheus for me like between

393

00:15:08,940 --> 00:15:13,260

you and Georgia Rob that's it I'm gonna

394

00:15:11,789 --> 00:15:14,969

have to watch it on a hotel three in the

395

00:15:13,259 --> 00:15:17,939

morning on a plane I mean you ruined it

396

00:15:14,970 --> 00:15:20,399

for me now maybe you shouldn't haha I

397

00:15:17,940 --> 00:15:22,890

know that was a very frustrating movie

398

00:15:20,399 --> 00:15:25,829

uh and even you know opinions amongst us

399

00:15:22,889 --> 00:15:29,129

me Jay Jay reveal that he was really

400
00:15:25,830 --> 00:15:31,740
hated that movie but for me I think I

401
00:15:29,129 --> 00:15:33,600
mentioned on the show there was some

402
00:15:31,740 --> 00:15:35,009
great stuff to it in terms of just

403
00:15:33,600 --> 00:15:36,509
visually the cinematography was

404
00:15:35,009 --> 00:15:38,730
beautiful the special effects were

405
00:15:36,509 --> 00:15:40,769
fantastic and but other parts were just

406
00:15:38,730 --> 00:15:42,029
really really bad so we would try to

407
00:15:40,769 --> 00:15:45,389
mention all that so you could so you

408
00:15:42,029 --> 00:15:46,799
could I know judge it on your own if

409
00:15:45,389 --> 00:15:49,259
you're the kind of person that can can

410
00:15:46,799 --> 00:15:51,539
go to a movie and appreciate the movie

411
00:15:49,259 --> 00:15:53,370
visually then then may I go see it but

412
00:15:51,539 --> 00:15:56,338
if but if you're really turned off by

413
00:15:53,370 --> 00:15:57,870
the bad signs which we all are but two a

414
00:15:56,339 --> 00:15:59,550
really great degree then maybe wait till

415
00:15:57,870 --> 00:16:01,230
it comes becomes on cable if you want to

416
00:15:59,549 --> 00:16:03,269
say it but it was a frustrating movie

417
00:16:01,230 --> 00:16:05,370
very frustrating that they're not taking

418
00:16:03,269 --> 00:16:06,929
the science as seriously as they should

419
00:16:05,370 --> 00:16:09,570
especially Ridley Scott I mean look at

420
00:16:06,929 --> 00:16:11,159
his you know Blade Runner alien it's

421
00:16:09,570 --> 00:16:13,590
expected a lot more from him especially

422
00:16:11,159 --> 00:16:16,409
from the gist of the characterizations

423
00:16:13,590 --> 00:16:20,490
and the acting and the story I was

424
00:16:16,409 --> 00:16:22,709
disappointed with that so yeah I'm Bob

425
00:16:20,490 --> 00:16:26,519
Bob novella I you're a huge Carl Sagan

426
00:16:22,710 --> 00:16:29,009
fan and i bought demon haunted world at

427
00:16:26,519 --> 00:16:30,689
tam australia and i founded a difficult

428

00:16:29,009 --> 00:16:32,850
book to finish because i found it the

429
00:16:30,690 --> 00:16:35,670
ideas and concepts are in there but i

430
00:16:32,850 --> 00:16:37,290
found it a little drive for me and as an

431
00:16:35,669 --> 00:16:38,939
entrance to it's a skepticism it was a

432
00:16:37,289 --> 00:16:41,039
little bit dry i don't know why that was

433
00:16:38,940 --> 00:16:42,390
the case and keeping that in mind you

434
00:16:41,039 --> 00:16:44,429
worried about what might happen with the

435
00:16:42,389 --> 00:16:47,490
redoing of cosmos with the Seth Green

436
00:16:44,429 --> 00:16:48,839
involved with it um I'm not you're

437
00:16:47,490 --> 00:16:50,370
worried what I know about the

438
00:16:48,840 --> 00:16:53,580
personalities involved i think they're

439
00:16:50,370 --> 00:16:55,919
going to do a fantastic job and also i

440
00:16:53,580 --> 00:16:58,290
think that there's on a great

441
00:16:55,919 --> 00:17:00,689
opportunity to appeal to other you know

442
00:16:58,289 --> 00:17:03,209

younger kids that make that might look

443

00:17:00,690 --> 00:17:05,580

at carl sagan's show from what was that

444

00:17:03,210 --> 00:17:07,470

from the 70s or the 80s oh yeah i think

445

00:17:05,579 --> 00:17:08,879

like somebody's early eighties yeah they

446

00:17:07,470 --> 00:17:11,370

might look at that and say and just be

447

00:17:08,880 --> 00:17:14,280

turned off just because it's you know so

448

00:17:11,369 --> 00:17:16,859

you know the world the turtleneck might

449

00:17:14,279 --> 00:17:18,690

turn the affair right even the fashion

450

00:17:16,859 --> 00:17:21,629

might turn them off but you know to

451

00:17:18,690 --> 00:17:23,009

bring sagan Sagan's ideas and beliefs to

452

00:17:21,630 --> 00:17:24,450

a new generation like that i think i

453

00:17:23,009 --> 00:17:25,619

think it's worth it and from what I know

454

00:17:24,450 --> 00:17:26,940

the people involved i think they're

455

00:17:25,619 --> 00:17:28,889

going to do a fantastic job so I'm not

456

00:17:26,940 --> 00:17:31,080

too worried about and really excited to

457
00:17:28,890 --> 00:17:33,660
see it and I can't wait for it to come

458
00:17:31,079 --> 00:17:35,129
out and and and so I found Damon hold of

459
00:17:33,660 --> 00:17:36,810
the world a little dries are there any

460
00:17:35,130 --> 00:17:39,030
other skeptic book you could recommend

461
00:17:36,809 --> 00:17:40,500
for me or for the beginner listener out

462
00:17:39,029 --> 00:17:42,450
there going they'd like to dive into a

463
00:17:40,500 --> 00:17:44,609
bit of reading I'm well I've got to

464
00:17:42,450 --> 00:17:47,279
recommend flim-flam I mean come on there

465
00:17:44,609 --> 00:17:49,529
you go Randy's a fantastic book if you

466
00:17:47,279 --> 00:17:52,019
wanted you know a fantastic preferred

467
00:17:49,529 --> 00:17:53,250
sign you know for skepticism I would say

468
00:17:52,019 --> 00:17:55,259
just just go right to that I can't

469
00:17:53,250 --> 00:17:57,569
recommend too many books have more than

470
00:17:55,259 --> 00:17:59,460
that and why aren't you guys bigger why

471
00:17:57,569 --> 00:18:01,079
aren't you on terrestrial radio why

472
00:17:59,460 --> 00:18:02,970
aren't we seeing photos of you guys on

473
00:18:01,079 --> 00:18:04,519
Billboard's going science is good for

474
00:18:02,970 --> 00:18:11,509
you shut up you know that sort of thing

475
00:18:04,519 --> 00:18:11,509
you know it's system what we do we do

476
00:18:11,809 --> 00:18:16,950
because so many things sell so much

477
00:18:15,029 --> 00:18:19,470
better than then what were you know

478
00:18:16,950 --> 00:18:21,150
we're you know where's what are we

479
00:18:19,470 --> 00:18:23,309
selling here we're selling uh you know

480
00:18:21,150 --> 00:18:25,410
you're selling critical thinking and

481
00:18:23,309 --> 00:18:27,299
people here that may go I thought to do

482
00:18:25,410 --> 00:18:29,220
thinking and I think that's always a

483
00:18:27,299 --> 00:18:31,379
problem isn't it right it is it is a

484
00:18:29,220 --> 00:18:32,759
problem and I mean people that sell hope

485

00:18:31,380 --> 00:18:34,950
I mean how do you compete with people

486
00:18:32,759 --> 00:18:37,410
that that sell these scams and these

487
00:18:34,950 --> 00:18:38,940
books and this nonsense that offering up

488
00:18:37,410 --> 00:18:39,990
offering the hope I did how do you

489
00:18:38,940 --> 00:18:42,630
compete with that you really really

490
00:18:39,990 --> 00:18:43,620
can't you've got it runs no that's seen

491
00:18:42,630 --> 00:18:44,760
in the Muppets movie where they're

492
00:18:43,619 --> 00:18:46,529
trying to sell their show to the network

493
00:18:44,759 --> 00:18:48,059
in the latest Muppet movie I can see all

494
00:18:46,529 --> 00:18:50,160
this to you people lined up there and

495
00:18:48,059 --> 00:18:52,440
we're going to teach people to think

496
00:18:50,160 --> 00:18:53,910
think out of the office I can see it's

497
00:18:52,440 --> 00:18:55,170
something like that you know but and

498
00:18:53,910 --> 00:18:57,660
then the next person comes didn't like a

499
00:18:55,170 --> 00:18:59,490

little pill here's the show uses your

500

00:18:57,660 --> 00:19:01,410

sign that kind of thing you know it's no

501

00:18:59,490 --> 00:19:03,720

silver bullet with your show no it isn't

502

00:19:01,410 --> 00:19:05,460

it takes it takes dedication you know it

503

00:19:03,720 --> 00:19:07,470

takes the desired and the appreciation

504

00:19:05,460 --> 00:19:09,029

of critical thinking and science and

505

00:19:07,470 --> 00:19:11,370

unfortunately a lot of people just don't

506

00:19:09,029 --> 00:19:14,160

have that so it's hard to appeal to a

507

00:19:11,369 --> 00:19:15,899

broad audience uh you know like the like

508

00:19:14,160 --> 00:19:17,400

the Jersey Shore I mean how do you know

509

00:19:15,900 --> 00:19:20,100

I compete with those demographics that

510

00:19:17,400 --> 00:19:22,410

people it's really hard it's really hard

511

00:19:20,099 --> 00:19:26,609

so Rebecca's drinking as much as you can

512

00:19:22,410 --> 00:19:29,460

haha well yeah if there's that but um

513

00:19:26,609 --> 00:19:31,229

but yeah the hope is that as time goes

514
00:19:29,460 --> 00:19:32,579
on more and more people will appreciate

515
00:19:31,230 --> 00:19:34,529
the value of critical thinking

516
00:19:32,579 --> 00:19:36,720
especially with all these scams and

517
00:19:34,529 --> 00:19:38,730
people losing money maybe they'll start

518
00:19:36,720 --> 00:19:40,710
appreciating more the fact that you know

519
00:19:38,730 --> 00:19:43,500
what you can achieve if you're just a

520
00:19:40,710 --> 00:19:46,079
good critical thinker and so yeah

521
00:19:43,500 --> 00:19:48,119
there's always that hope and but I think

522
00:19:46,079 --> 00:19:50,069
it's going to be hard for a long long

523
00:19:48,119 --> 00:19:52,409
time to compete with a to have such

524
00:19:50,069 --> 00:19:54,119
broad appeal that did you know other

525
00:19:52,410 --> 00:19:55,940
aspects of our culture have it's just

526
00:19:54,119 --> 00:19:57,750
too it's just a part of human nature and

527
00:19:55,940 --> 00:20:00,480
what you got it but we got to try to

528
00:19:57,750 --> 00:20:02,069
rise above that look up group thank you

529
00:20:00,480 --> 00:20:03,569
for the time to date because no chance

530
00:20:02,069 --> 00:20:05,039
you actually having Erich von Daniken on

531
00:20:03,569 --> 00:20:08,549
your show sometime in the near future as

532
00:20:05,039 --> 00:20:10,680
a guest of a rogue is it I am not sure

533
00:20:08,549 --> 00:20:12,059
if he's on our list but i'll check the

534
00:20:10,680 --> 00:20:13,470
list and see if I can get him on there's

535
00:20:12,059 --> 00:20:16,250
a few people in front of him yeah yeah

536
00:20:13,470 --> 00:20:16,250
there is a few people

537
00:20:16,890 --> 00:20:22,180
it is indeed and look at that we're all

538
00:20:20,500 --> 00:20:24,009
the way here in Las Vegas but it's none

539
00:20:22,180 --> 00:20:26,140
other than posting lindley hello Maynard

540
00:20:24,009 --> 00:20:27,819
so it gives a little bit off your normal

541
00:20:26,140 --> 00:20:31,330
postal route isn't it a lot of my

542

00:20:27,819 --> 00:20:33,069
different postal route do you think that

543
00:20:31,329 --> 00:20:34,299
the American Postal we could learn

544
00:20:33,069 --> 00:20:36,220
something from the AmeriCorps postal

545
00:20:34,299 --> 00:20:38,109
system has there been some of the

546
00:20:36,220 --> 00:20:40,180
mailman news segways howdy reckon Segway

547
00:20:38,109 --> 00:20:41,379
would go in Australia to deliver mail I

548
00:20:40,180 --> 00:20:43,210
mean I know they're illegal because you

549
00:20:41,380 --> 00:20:44,530
can't use them on the footpath or on the

550
00:20:43,210 --> 00:20:46,329
road but do you think they'd be more

551
00:20:44,529 --> 00:20:48,460
effective as a delivery vehicle for mail

552
00:20:46,329 --> 00:20:50,439
as compared to the old postie bike not

553
00:20:48,460 --> 00:20:52,720
when the American post office is nearly

554
00:20:50,440 --> 00:20:54,730
out of business oh yes but that's only

555
00:20:52,720 --> 00:20:56,620
because they had to pay their

556
00:20:54,730 --> 00:20:58,180

superannuation many years in advance so

557

00:20:56,619 --> 00:20:59,829

they actually do make a profit but it

558

00:20:58,180 --> 00:21:01,120

goes into the superannuation fund that

559

00:20:59,829 --> 00:21:02,289

they've been forced to pay I know

560

00:21:01,119 --> 00:21:07,209

they're trying to get us all on push

561

00:21:02,289 --> 00:21:09,099

bikes that's too hard too much work now

562

00:21:07,210 --> 00:21:12,900

what are you looking forward to this

563

00:21:09,099 --> 00:21:12,899

year this year at ten

564

00:21:13,819 --> 00:21:18,200

by the way to debate you a picture post

565

00:21:16,009 --> 00:21:19,759

he literally has two drinks one drink in

566

00:21:18,200 --> 00:21:22,400

each hand in both those glasses of

567

00:21:19,759 --> 00:21:26,420

pretty much half empty people and full

568

00:21:22,400 --> 00:21:27,800

of vodka yeah so what do you really look

569

00:21:26,420 --> 00:21:29,870

I'm listening I definitely Penn &

570

00:21:27,799 --> 00:21:31,339

Teller's bacon and donut buddy which is

571
00:21:29,869 --> 00:21:32,750
tomorrow night it's just tomorrow night

572
00:21:31,339 --> 00:21:35,269
and they'll have both male and female

573
00:21:32,750 --> 00:21:36,859
strippers and that'll be fun both sorts

574
00:21:35,269 --> 00:21:38,210
of strippers I sorts of strippers and I

575
00:21:36,859 --> 00:21:40,039
could probably have a transgender one as

576
00:21:38,210 --> 00:21:42,380
well yeah definitely that'll go down

577
00:21:40,039 --> 00:21:44,480
well that would be very cool and i had a

578
00:21:42,380 --> 00:21:46,790
Henderson somewhere before too she's got

579
00:21:44,480 --> 00:21:50,960
a little mohawk she looks fantastic who

580
00:21:46,789 --> 00:21:52,730
is the she plays in penance man I can't

581
00:21:50,960 --> 00:21:54,500
remember what she plays but she sings as

582
00:21:52,730 --> 00:21:57,319
well so she she lost such as a famous

583
00:21:54,500 --> 00:22:00,529
Davis isn't she I think so yes yes I'll

584
00:21:57,319 --> 00:22:04,000
be looking forward to talking to dad if

585
00:22:00,529 --> 00:22:04,000
something's happening might be made up

586
00:22:06,730 --> 00:22:09,829
well it's finally happening a whole

587
00:22:08,720 --> 00:22:11,360
bunch of people hanging around waiting

588
00:22:09,829 --> 00:22:13,279
for Brian Dunning to appear how

589
00:22:11,359 --> 00:22:14,959
disappointed I am I've already seen

590
00:22:13,279 --> 00:22:17,660
Brian today hopefully because he's

591
00:22:14,960 --> 00:22:20,509
driving a cab buzzy no he was checking

592
00:22:17,660 --> 00:22:23,210
in the hotel yes and tells who you are

593
00:22:20,509 --> 00:22:25,940
and why you're here i'm sharon hill I

594
00:22:23,210 --> 00:22:28,130
run the doubtful news website that's a

595
00:22:25,940 --> 00:22:30,259
great website and I write a great nice

596
00:22:28,130 --> 00:22:31,730
twitter feed oh thank you very much I

597
00:22:30,259 --> 00:22:34,039
really appreciate that yeah we work

598
00:22:31,730 --> 00:22:36,380
really hard on it it's all the the cool

599

00:22:34,039 --> 00:22:37,849
skeptic news the weird news you know the

600
00:22:36,380 --> 00:22:40,280
stuff you don't want to know but need to

601
00:22:37,849 --> 00:22:41,599
know and where is it how can we find and

602
00:22:40,279 --> 00:22:43,879
tell us tell us I wanna know I wanna

603
00:22:41,599 --> 00:22:46,250
know I really want to know that's

604
00:22:43,880 --> 00:22:50,090
doubtful news.com and I know some people

605
00:22:46,250 --> 00:22:52,940
have trouble spelling doubt do you BTW

606
00:22:50,089 --> 00:22:54,769
ful calm so you can have a whole stack

607
00:22:52,940 --> 00:22:58,279
of stuff on your twitter feed what's the

608
00:22:54,769 --> 00:23:00,889
word that really annoys you oh boy um

609
00:22:58,279 --> 00:23:03,649
well you know we started on a Bigfoot

610
00:23:00,890 --> 00:23:06,140
for a while and the Bigfoot news got so

611
00:23:03,650 --> 00:23:08,630
weird that we had to stop covering it

612
00:23:06,140 --> 00:23:11,770
because we had like libel threats and

613
00:23:08,630 --> 00:23:14,690

and yeah I mean Bigfoot is now a

614

00:23:11,769 --> 00:23:16,339

casualty of the Colorado fire scene is

615

00:23:14,690 --> 00:23:19,220

burned in the fire and there's rumors

616

00:23:16,339 --> 00:23:23,179

that you know there was Bigfoot shot and

617

00:23:19,220 --> 00:23:25,600

killed the news just got so weird here's

618

00:23:23,180 --> 00:23:29,630

a question for you is it crypto zoology

619

00:23:25,599 --> 00:23:31,429

or cryptozoology well that depends on

620

00:23:29,630 --> 00:23:34,400

how conceited you want to make it oh

621

00:23:31,430 --> 00:23:36,950

yeah i'm caught up myself then it's

622

00:23:34,400 --> 00:23:39,200

zoology yes because the second row is in

623

00:23:36,950 --> 00:23:41,930

ology right right so if you want to be

624

00:23:39,200 --> 00:23:44,870

very scientific in particular about it

625

00:23:41,930 --> 00:23:46,640

you can call it cryptozoology Bigfoot's

626

00:23:44,869 --> 00:23:48,949

pretty well but what's the strangest one

627

00:23:46,640 --> 00:23:50,540

you've any that Tunguska event something

628
00:23:48,950 --> 00:23:51,559
turned up from the grassy knoll what's

629
00:23:50,539 --> 00:23:55,639
one of the strangest ones you've had

630
00:23:51,559 --> 00:23:56,599
recently oh boy um there's been some you

631
00:23:55,640 --> 00:23:58,310
never know what you're going to come up

632
00:23:56,599 --> 00:24:01,699
with but they're you know people say

633
00:23:58,309 --> 00:24:05,149
that UFOs are watching our nuclear

634
00:24:01,700 --> 00:24:07,069
facilities here in the US oh I mean it's

635
00:24:05,150 --> 00:24:08,700
probably something in an independent or

636
00:24:07,069 --> 00:24:10,889
visitor would like to have a look at

637
00:24:08,700 --> 00:24:14,220
I mean you know it's if we stuff it up

638
00:24:10,890 --> 00:24:16,410
it's a big thing but we just never know

639
00:24:14,220 --> 00:24:18,690
what as anyone who's ever watched land

640
00:24:16,410 --> 00:24:20,519
of the giants that Oh an allen classic

641
00:24:18,690 --> 00:24:22,320
they used to shoot the nuclear waste

642
00:24:20,519 --> 00:24:24,150
into space and that's why the giant

643
00:24:22,319 --> 00:24:25,649
people were really angry with the little

644
00:24:24,150 --> 00:24:30,360
earth people well that's a good story

645
00:24:25,650 --> 00:24:31,620
yeah like that yeah yes accessible but

646
00:24:30,359 --> 00:24:33,179
what's the one that makes you see red

647
00:24:31,619 --> 00:24:38,219
what makes you shake your fist at the

648
00:24:33,180 --> 00:24:39,840
television um anti vax anti back so when

649
00:24:38,220 --> 00:24:41,880
you're talking about lives at stake

650
00:24:39,839 --> 00:24:43,019
they're really makes me angry this is

651
00:24:41,880 --> 00:24:45,000
kind of what I don't make too many jokes

652
00:24:43,019 --> 00:24:46,920
about because it is that way yeah I mean

653
00:24:45,000 --> 00:24:49,380
UFOs other stuff yeah and what's the

654
00:24:46,920 --> 00:24:51,150
harm yeah but with an evac year and in

655
00:24:49,380 --> 00:24:53,250
this area where we are Nevada what does

656

00:24:51,150 --> 00:24:54,570
the vaccination rate around here is this

657
00:24:53,250 --> 00:24:57,329
a bit of a hippie trippy place like

658
00:24:54,569 --> 00:25:01,019
California um the population is kind of

659
00:24:57,329 --> 00:25:02,730
low in Nevada in general a Las Vegas

660
00:25:01,019 --> 00:25:04,859
Reno has got a few big cities but

661
00:25:02,730 --> 00:25:06,240
otherwise the people are like really

662
00:25:04,859 --> 00:25:10,139
really spread out I'm actually from

663
00:25:06,240 --> 00:25:13,140
Pennsylvania Oh Bethlehem I need Joshua

664
00:25:10,140 --> 00:25:14,670
about a about two hours away that's a

665
00:25:13,140 --> 00:25:17,370
good distance to be from him you know

666
00:25:14,670 --> 00:25:18,690
you otherwise will shave your head I've

667
00:25:17,369 --> 00:25:21,798
been there a couple times to visit I've

668
00:25:18,690 --> 00:25:24,048
been to geologic central there before

669
00:25:21,798 --> 00:25:28,878
so tell us what's George shrubs house

670
00:25:24,048 --> 00:25:30,739

like um I wasn't in his house I was he

671

00:25:28,878 --> 00:25:32,808
might had a poster of Aragon Daniken or

672

00:25:30,739 --> 00:25:36,950
something up there I was I was

673

00:25:32,808 --> 00:25:38,239
interviewing misinformation so y le do

674

00:25:36,950 --> 00:25:40,159
remember all right here in the

675

00:25:38,239 --> 00:25:41,569
background I don't she is she gonna be

676

00:25:40,159 --> 00:25:43,070
here to shoot I don't think she's

677

00:25:41,569 --> 00:25:46,069
hearing this year but she's such a doll

678

00:25:43,069 --> 00:25:48,259
yeah oh he is incredibly cute that's for

679

00:25:46,069 --> 00:25:50,089
sure she's smart she's cute she talks in

680

00:25:48,259 --> 00:25:51,499
the background she writes everything for

681

00:25:50,089 --> 00:25:53,928
George he hasn't had an original idea

682

00:25:51,499 --> 00:25:55,278
since 85 I believe he's she's written

683

00:25:53,929 --> 00:25:58,009
everything for him since then I'm not

684

00:25:55,278 --> 00:25:59,058
skeptical that at all and actually what

685
00:25:58,009 --> 00:26:00,499
is this what do you what do you get out

686
00:25:59,058 --> 00:26:02,739
of a weekend like this but everybody

687
00:26:00,499 --> 00:26:05,778
here I hope I feel like when I am

688
00:26:02,739 --> 00:26:08,808
insistent that Adam West was the best

689
00:26:05,778 --> 00:26:11,089
Batman ever and you know and Shatner was

690
00:26:08,808 --> 00:26:12,918
the best cook ever and I cooked in for

691
00:26:11,089 --> 00:26:15,408
bit of trouble this weekend yes you're

692
00:26:12,919 --> 00:26:17,210
probably right you'll find some diverse

693
00:26:15,409 --> 00:26:25,009
opinion you're christian bale batman are

694
00:26:17,210 --> 00:26:28,308
you oh how did you know yeah yes I am

695
00:26:25,009 --> 00:26:30,319
does anyone ever say George Clooney was

696
00:26:28,308 --> 00:26:31,668
one wasn't he does and he does anyone

697
00:26:30,319 --> 00:26:33,408
ever say George Clooney was the best

698
00:26:31,669 --> 00:26:35,538
Batman never I don't think that was his

699
00:26:33,409 --> 00:26:37,309
best work no you know so it's kind of

700
00:26:35,538 --> 00:26:40,009
forgettable yeah yeah but you're right

701
00:26:37,308 --> 00:26:42,558
he was pretty good what I'd say yeah

702
00:26:40,009 --> 00:26:43,878
well have a great time and I'm it's time

703
00:26:42,558 --> 00:26:46,839
for me to have some drinking and by the

704
00:26:43,878 --> 00:26:49,569
way what is a skeptical dream

705
00:26:46,839 --> 00:26:53,349
I don't know it's wide variety some some

706
00:26:49,569 --> 00:26:55,119
of us don't drink it all wine beer mixed

707
00:26:53,349 --> 00:26:58,149
drinks we got the whole array here jet

708
00:26:55,119 --> 00:26:59,439
lag and wine fantastic combination oh

709
00:26:58,150 --> 00:27:04,750
hang on knows I've been doing something

710
00:26:59,440 --> 00:27:07,440
hang on hang on me well worth this prop

711
00:27:04,750 --> 00:27:07,440
is well worth it

712
00:27:08,089 --> 00:27:15,288
there you go this there you go basically

713

00:27:13,308 --> 00:27:16,759
means your time's up and what he looking

714
00:27:15,288 --> 00:27:19,099
forward to them what speaker this

715
00:27:16,759 --> 00:27:20,359
weekend is going to be I mean dr. Rachel

716
00:27:19,099 --> 00:27:21,678
obviously cause she's got some naked

717
00:27:20,359 --> 00:27:22,908
soccer players she's going to show on

718
00:27:21,679 --> 00:27:25,640
the big screen there but this is

719
00:27:22,909 --> 00:27:28,850
something fun anywhere particular Bruce

720
00:27:25,640 --> 00:27:31,370
hood Professor Bruce hood I'm big fan of

721
00:27:28,849 --> 00:27:33,859
his yes I love listening to him he's

722
00:27:31,369 --> 00:27:36,558
gonna be talking on Friday imagine about

723
00:27:33,859 --> 00:27:38,028
his new book yeah and by the way the

724
00:27:36,558 --> 00:27:42,470
person you're listening to is wearing a

725
00:27:38,028 --> 00:27:44,659
kiss t-shirt a little bit little bear is

726
00:27:42,470 --> 00:27:47,298
yeah I like things that are original one

727
00:27:44,659 --> 00:27:53,028

last question I was made for loving you

728

00:27:47,298 --> 00:27:56,148

a sell out or not oh man yes but it was

729

00:27:53,028 --> 00:27:58,298

still good I still love that song even

730

00:27:56,148 --> 00:28:00,798

when they do sellouts I do it well yeah

731

00:27:58,298 --> 00:28:02,298

where's the roller skates we were

732

00:28:00,798 --> 00:28:04,609

supposed to be rollerskating up the

733

00:28:02,298 --> 00:28:07,069

halls to Xanadu good right about to say

734

00:28:04,609 --> 00:28:09,740

Xanadu yes all over the world Olivia

735

00:28:07,069 --> 00:28:11,379

yeah oh yeah I need to drink some more

736

00:28:09,740 --> 00:28:16,038

yeah now what's the website again

737

00:28:11,380 --> 00:28:17,960

doubtful news com here is my card my

738

00:28:16,038 --> 00:28:19,908

first kind of the weekend exciting i'm

739

00:28:17,960 --> 00:28:21,259

currently carry these ID cards you know

740

00:28:19,909 --> 00:28:23,510

we throw them out we hand them out to

741

00:28:21,259 --> 00:28:26,089

people so they don't forget us can you

742
00:28:23,509 --> 00:28:27,950
explain richardsaunders hiccup I haven't

743
00:28:26,089 --> 00:28:29,990
seen Richard yet he has a new haircut or

744
00:28:27,950 --> 00:28:34,509
just his regular haircut it's very

745
00:28:29,990 --> 00:28:34,509
Breakfast Club oh I can't wait

746
00:28:36,690 --> 00:28:41,009
look Richard you just brought me into

747
00:28:39,119 --> 00:28:42,029
this very strange room here I thought it

748
00:28:41,009 --> 00:28:43,230
was a room that wasn't finished yet

749
00:28:42,029 --> 00:28:44,789
because there's a ladder in the middle

750
00:28:43,230 --> 00:28:46,860
of it that was my night and today

751
00:28:44,789 --> 00:28:48,539
happens to be friday the 13th or at the

752
00:28:46,859 --> 00:28:50,159
amazing meaning of course as a little

753
00:28:48,539 --> 00:28:52,829
room set aside here off the main

754
00:28:50,160 --> 00:28:56,009
corridor full of the most interesting

755
00:28:52,829 --> 00:28:58,589
items spread out there's food spread out

756
00:28:56,009 --> 00:29:00,839
before us there's a Ouija board over in

757
00:28:58,589 --> 00:29:02,669
the corner as an 8-ball a ladder as you

758
00:29:00,839 --> 00:29:04,980
mentioned before I have to wonder may

759
00:29:02,670 --> 00:29:06,990
not horseshoes what's going on well I've

760
00:29:04,980 --> 00:29:08,460
just behind me there's a nurse well

761
00:29:06,990 --> 00:29:10,769
certainly someone who is dressed like

762
00:29:08,460 --> 00:29:12,720
one who've we got here hello my name is

763
00:29:10,769 --> 00:29:15,059
Margaret Downey and i am the frigate

764
00:29:12,720 --> 00:29:17,390
triskaidekaphobia treatment nurse and

765
00:29:15,059 --> 00:29:20,399
you are in the frigate triskaidekaphobia

766
00:29:17,390 --> 00:29:21,960
treatment center I saw the sign at the

767
00:29:20,400 --> 00:29:23,610
front and I knew it meant something I

768
00:29:21,960 --> 00:29:25,769
thought it mighta Venus is fear of water

769
00:29:23,609 --> 00:29:27,659
what exactly what it was it well tell us

770

00:29:25,769 --> 00:29:30,359
all about it okay this is for people who

771
00:29:27,660 --> 00:29:32,640
have fear and trepidation about friday

772
00:29:30,359 --> 00:29:34,799
the 13th so we invite the man for a

773
00:29:32,640 --> 00:29:37,530
little treatment we put them through an

774
00:29:34,799 --> 00:29:40,639
obstacle course and we have them sign up

775
00:29:37,529 --> 00:29:44,519
to break for instance the mayan calendar

776
00:29:40,640 --> 00:29:46,500
pinata and one person one lucky person

777
00:29:44,519 --> 00:29:49,019
will be selected this afternoon to do

778
00:29:46,500 --> 00:29:52,980
that and we also pick one lucky person

779
00:29:49,019 --> 00:29:55,950
to break a mirror and of course we don't

780
00:29:52,980 --> 00:29:58,230
believe in seven years bad luck so but I

781
00:29:55,950 --> 00:29:59,880
do have to admit having a bit of a fear

782
00:29:58,230 --> 00:30:01,799
of the Ouija board for some reason

783
00:29:59,880 --> 00:30:04,050
there's something about potentially

784
00:30:01,799 --> 00:30:06,269

contacting another realm that it fires

785

00:30:04,049 --> 00:30:08,339

up in me now I don't know why this is

786

00:30:06,269 --> 00:30:09,839

and have you got an explanation to why I

787

00:30:08,339 --> 00:30:13,649

may be feeling that way let me give you

788

00:30:09,839 --> 00:30:15,329

a cat scan and see what's going on wow

789

00:30:13,650 --> 00:30:16,710

that's that's a nice cat you just held

790

00:30:15,329 --> 00:30:17,879

up in front of me there I guess thought

791

00:30:16,710 --> 00:30:19,019

you had to give up on the real one

792

00:30:17,880 --> 00:30:21,390

because they wouldn't cooperate with

793

00:30:19,019 --> 00:30:24,420

that exactly but look what your mind

794

00:30:21,390 --> 00:30:27,480

revealed you have secret superstitions

795

00:30:24,420 --> 00:30:28,980

hidden in your brain and I know that

796

00:30:27,480 --> 00:30:30,930

going through the treatment center you

797

00:30:28,980 --> 00:30:34,470

have butterflies in your stomach

798

00:30:30,930 --> 00:30:36,420

that's uncanny well please help yourself

799

00:30:34,470 --> 00:30:39,240
to free literature and look at all the

800

00:30:36,420 --> 00:30:42,440
museum setups because we talk about food

801

00:30:39,240 --> 00:30:44,789
related superstitions animal-related

802

00:30:42,440 --> 00:30:46,769
superstitions and all superstitions in

803

00:30:44,789 --> 00:30:48,389
between well now there must be somewhere

804

00:30:46,769 --> 00:30:50,940
online we can share in this kind of

805

00:30:48,390 --> 00:30:53,090
thing yes I have a website so please

806

00:30:50,940 --> 00:30:57,150
visit the frigate triskaidekaphobia

807

00:30:53,089 --> 00:30:59,309
dot-com a website is it that much room

808

00:30:57,150 --> 00:31:01,769
in a browser URL do you know if you put

809

00:30:59,309 --> 00:31:03,779
fri GG in there it'll come up

810

00:31:01,769 --> 00:31:07,049
automatically and you'll get right to my

811

00:31:03,779 --> 00:31:10,049
website and I love to share my ideas

812

00:31:07,049 --> 00:31:12,779
about throwing parties teaching critical

813
00:31:10,049 --> 00:31:15,419
thinking skills through the use of this

814
00:31:12,779 --> 00:31:17,279
particular idea so duplicate it all over

815
00:31:15,420 --> 00:31:20,009
the world thank you in the u.s. what is

816
00:31:17,279 --> 00:31:22,470
the most common superstition in this

817
00:31:20,009 --> 00:31:25,410
room that people seem to believe in well

818
00:31:22,470 --> 00:31:28,259
actually the the fear of friday the 13th

819
00:31:25,410 --> 00:31:31,410
has a strange impact on the economy

820
00:31:28,259 --> 00:31:33,619
people don't buy houses people don't buy

821
00:31:31,410 --> 00:31:36,900
cars they don't get married they

822
00:31:33,619 --> 00:31:39,059
postpone all these major decisions even

823
00:31:36,900 --> 00:31:41,580
um you know whether they're going to

824
00:31:39,059 --> 00:31:44,039
pursue a career they think it's unlucky

825
00:31:41,579 --> 00:31:46,829
to start on a Friday the 13th hotels

826
00:31:44,039 --> 00:31:48,299
don't even have the 13th floor I kind of

827

00:31:46,829 --> 00:31:50,669
go the other way because i was born on a

828
00:31:48,299 --> 00:31:52,559
13 so I kind of like it as a bit of a

829
00:31:50,670 --> 00:31:54,690
lucky day for me but I thought that was

830
00:31:52,559 --> 00:31:56,909
just me so that it that I really people

831
00:31:54,690 --> 00:31:59,190
do postpone major decisions yes yes and

832
00:31:56,910 --> 00:32:01,200
it impacts our economy so we want to put

833
00:31:59,190 --> 00:32:02,580
a stop to it because there is some

834
00:32:01,200 --> 00:32:04,500
practical belief to some of them like

835
00:32:02,579 --> 00:32:06,629
walking under a ladder people might be

836
00:32:04,500 --> 00:32:08,759
doing something above could fall on you

837
00:32:06,630 --> 00:32:11,070
so there is that oh well that's common

838
00:32:08,759 --> 00:32:12,629
sense you don't want to walk under a

839
00:32:11,069 --> 00:32:15,569
ladder with a heavy pale that's perched

840
00:32:12,630 --> 00:32:18,600
on top of course so when it makes sense

841
00:32:15,569 --> 00:32:21,779

you need to abide by certain precautions

842

00:32:18,599 --> 00:32:25,649
but don't necessarily stop doing

843

00:32:21,779 --> 00:32:28,230
something if it if it's not real you

844

00:32:25,650 --> 00:32:31,170
need to question that also oh you must

845

00:32:28,230 --> 00:32:33,930
stop by and trash your horoscope because

846

00:32:31,170 --> 00:32:37,320
we we believe that we must stop

847

00:32:33,930 --> 00:32:38,730
prejudices and people who abide by

848

00:32:37,319 --> 00:32:41,279
horoscopes

849

00:32:38,730 --> 00:32:42,960
and the astrological signs are being

850

00:32:41,279 --> 00:32:45,539
prejudiced against those people that

851

00:32:42,960 --> 00:32:47,700
they try to categorize you see there's

852

00:32:45,539 --> 00:32:51,418
no such thing as categorizing yourself

853

00:32:47,700 --> 00:32:54,840
according to us stars in the sky it's

854

00:32:51,419 --> 00:32:57,540
nonsense and then we also fight against

855

00:32:54,839 --> 00:32:59,250
prejudice against black cats yeah well

856
00:32:57,539 --> 00:33:02,069
I'm to stop that yeah and look you know

857
00:32:59,250 --> 00:33:03,869
particularly big big league big you all

858
00:33:02,069 --> 00:33:05,639
look like it I but Sir I believe you

859
00:33:03,869 --> 00:33:07,829
just took your life in your hands and

860
00:33:05,640 --> 00:33:10,020
walked under a ladder as I do every time

861
00:33:07,829 --> 00:33:12,240
across the street Wow okay so how do you

862
00:33:10,019 --> 00:33:15,089
feel about the same as it did before

863
00:33:12,240 --> 00:33:16,679
okay thank you wow that's that's one

864
00:33:15,089 --> 00:33:18,058
very little brave people come in here

865
00:33:16,679 --> 00:33:21,480
don't they well you know i'm going to

866
00:33:18,058 --> 00:33:24,089
give this man a clean bill of mental

867
00:33:21,480 --> 00:33:27,720
health for having gone through our

868
00:33:24,089 --> 00:33:33,000
obstacle course what it says is that he

869
00:33:27,720 --> 00:33:35,279
has gone through his test and he now has

870
00:33:33,000 --> 00:33:37,589
no fear of friday the 13th and he's

871
00:33:35,279 --> 00:33:40,589
going to rely on intelligence and the

872
00:33:37,589 --> 00:33:43,109
scientific method for decision making

873
00:33:40,589 --> 00:33:45,029
well that's probably the best way to do

874
00:33:43,109 --> 00:33:48,949
it really is no yes now i'm going to go

875
00:33:45,029 --> 00:33:52,649
over here and am I gonna get a bit again

876
00:33:48,950 --> 00:33:54,419
hello miss fortune teller oh and which

877
00:33:52,650 --> 00:33:57,929
university did you go to to get your PhD

878
00:33:54,419 --> 00:34:00,780
in fortune-telling oh this is a natural

879
00:33:57,929 --> 00:34:02,070
all natural born ability yes okay well

880
00:34:00,779 --> 00:34:03,569
um now what are we going to go through

881
00:34:02,069 --> 00:34:05,069
here and by the way I'm these things

882
00:34:03,569 --> 00:34:06,269
always make me very nervous no matter

883
00:34:05,069 --> 00:34:08,340
what the cause I've got a thing about

884

00:34:06,269 --> 00:34:11,128
this I don't know why you shouldn't be

885
00:34:08,340 --> 00:34:12,899
nervous I want you to relax I can see

886
00:34:11,128 --> 00:34:14,339
you seeing right through me now you can

887
00:34:12,898 --> 00:34:16,440
see all my secrets and everything and

888
00:34:14,340 --> 00:34:19,530
I'm nervous it's mostly the cards in

889
00:34:16,440 --> 00:34:21,450
this case see that's what I still feel

890
00:34:19,530 --> 00:34:24,149
guilty about stuff you say so guilty as

891
00:34:21,449 --> 00:34:27,779
if i was able to see right through you

892
00:34:24,148 --> 00:34:29,099
exactly mhmmm okay why not go anyway

893
00:34:27,780 --> 00:34:31,050
need hypnotist see they've got a funny

894
00:34:29,099 --> 00:34:36,029
thing about that either see I just relax

895
00:34:31,050 --> 00:34:37,440
close your eyes it's the cards what am I

896
00:34:36,030 --> 00:34:39,750
gonna do with the cards you will just

897
00:34:37,440 --> 00:34:41,280
sit there and relax also and empty your

898
00:34:39,750 --> 00:34:42,809

mind because I don't want I did that

899

00:34:41,280 --> 00:34:44,220

before I came yes I don't want you to

900

00:34:42,809 --> 00:34:45,559

have anything in your mind and I will

901

00:34:44,219 --> 00:34:50,359

lay them down right

902

00:34:45,559 --> 00:34:52,639

here and as soon as i'm done with my

903

00:34:50,360 --> 00:34:54,050

layout but we can have a speed rating

904

00:34:52,639 --> 00:34:56,869

here because because there's a cellar

905

00:34:54,050 --> 00:34:59,330

manual mirus meshing well yes pick a

906

00:34:56,869 --> 00:35:03,500

card any card that you feel drawn to

907

00:34:59,329 --> 00:35:06,019

alright i would take and that is your

908

00:35:03,500 --> 00:35:08,920

misfortune read it there is not yet a

909

00:35:06,019 --> 00:35:11,599

pill or shot for your health problems oh

910

00:35:08,920 --> 00:35:12,440

okay yeah that's kind of right yeah I

911

00:35:11,599 --> 00:35:13,880

mean they haven't got the right

912

00:35:12,440 --> 00:35:15,889

psychiatric drugs that would certainly

913

00:35:13,880 --> 00:35:19,309

help me I know that for sure well okay

914

00:35:15,889 --> 00:35:21,440

and you can pick this card what life has

915

00:35:19,309 --> 00:35:24,320

no meaning at least for you yeah okay

916

00:35:21,440 --> 00:35:25,730

yeah that's true oh hang on hang on a

917

00:35:24,320 --> 00:35:27,140

min are you saying these cards are all

918

00:35:25,730 --> 00:35:29,300

the general specific thing that could

919

00:35:27,139 --> 00:35:33,019

mean anything to anyone in need John hmm

920

00:35:29,300 --> 00:35:34,250

is that what I'm saying are you I think

921

00:35:33,019 --> 00:35:35,869

I've got some thinking to do and you

922

00:35:34,250 --> 00:35:38,599

have a mirror to smashing no that's

923

00:35:35,869 --> 00:35:40,429

right I do thank you I don't know oh

924

00:35:38,599 --> 00:35:41,839

925

00:35:40,429 --> 00:35:44,049

well folks here that cam is really in

958

00:37:22,059 --> 00:37:26,170

full swing in fact it's a little break

959

00:37:24,519 --> 00:37:28,480

now between sessions and i'm back at the

960

00:37:26,170 --> 00:37:30,430

skeptic the australian skeptics table

961

00:37:28,480 --> 00:37:32,800

lots of people hundreds and hundreds of

962

00:37:30,429 --> 00:37:34,480

people milling around that somebody

963

00:37:32,800 --> 00:37:37,300

who's come to sit next to me who i met

964

00:37:34,480 --> 00:37:39,490

the other day its helium are you doing

965

00:37:37,300 --> 00:37:42,970

I'm well now that's not American accent

966

00:37:39,489 --> 00:37:45,159

no now I'm an expert originally from

967

00:37:42,969 --> 00:37:48,879

Perth and I've been living in Las Vegas

968

00:37:45,159 --> 00:37:53,618

for a year now and living in Los Vegas

969

00:37:48,880 --> 00:37:56,410

is this dream come true for the record

970
00:37:53,619 --> 00:37:58,300
our to say yes I'm glad to hear it i

971
00:37:56,409 --> 00:38:00,250
like Las Vegas it's a fun place to visit

972
00:37:58,300 --> 00:38:03,700
I don't know about living here but so is

973
00:38:00,250 --> 00:38:05,858
a fun place to visit now you are very I

974
00:38:03,699 --> 00:38:07,149
am indebted to your very grateful

975
00:38:05,858 --> 00:38:08,349
because you offered to pick me up from

976
00:38:07,150 --> 00:38:10,329
the airport which you did which was

977
00:38:08,349 --> 00:38:13,118
fabulous it's really nice to have a

978
00:38:10,329 --> 00:38:14,500
little bit of luxury like that and then

979
00:38:13,119 --> 00:38:16,600
I discovered that you're involved in a

980
00:38:14,500 --> 00:38:19,449
very interesting organization here yes

981
00:38:16,599 --> 00:38:24,130
it's the secular student alliance it's a

982
00:38:19,449 --> 00:38:28,569
network of about 240 groups around the

983
00:38:24,130 --> 00:38:32,650
nation high schools universities are

984
00:38:28,570 --> 00:38:35,230
current our local group consists of

985
00:38:32,650 --> 00:38:38,170
about thirty to fifty members though 50

986
00:38:35,230 --> 00:38:41,500
total 30 regulars I think that the main

987
00:38:38,170 --> 00:38:44,250
thing is to have a community so at least

988
00:38:41,500 --> 00:38:48,119
here in the United States

989
00:38:44,250 --> 00:38:51,059
atheists skeptics very very very low

990
00:38:48,119 --> 00:38:53,549
percentage of the population and I

991
00:38:51,059 --> 00:38:55,199
cannot open be marginalizing being being

992
00:38:53,550 --> 00:38:57,720
an atheist in the United States I'd

993
00:38:55,199 --> 00:38:59,519
absolutely believed that and I guess it

994
00:38:57,719 --> 00:39:01,139
also depends on where exactly where you

995
00:38:59,519 --> 00:39:05,369
are in the United States said get

996
00:39:01,139 --> 00:39:08,099
different reactions exactly yes to be

997
00:39:05,369 --> 00:39:12,239
fair Las Vegas's is probably one of the

998

00:39:08,099 --> 00:39:14,369
more friendly places around there I also

999
00:39:12,239 --> 00:39:18,389
do other things so we we have group

1000
00:39:14,369 --> 00:39:20,179
activities as a community we also get

1001
00:39:18,389 --> 00:39:23,730
speakers in so you have heard people

1002
00:39:20,179 --> 00:39:26,909
like Ted Cox Darryl ray he's admirers

1003
00:39:23,730 --> 00:39:29,909
and great a casino hello the way you say

1004
00:39:26,909 --> 00:39:32,069
P's Edmar isn't I get in a lot of

1005
00:39:29,909 --> 00:39:33,869
trouble where's my American friends I

1006
00:39:32,070 --> 00:39:36,090
saying that well of course for our

1007
00:39:33,869 --> 00:39:38,069
American listen is there z is pronounced

1008
00:39:36,090 --> 00:39:39,660
dead in Australia but you know I call

1009
00:39:38,070 --> 00:39:43,950
him pz because that's what everyone

1010
00:39:39,659 --> 00:39:47,039
calls him but you know well we also do

1011
00:39:43,949 --> 00:39:48,719
protests actually my first my first

1012
00:39:47,039 --> 00:39:50,369

interaction with the group was the

1013

00:39:48,719 --> 00:39:52,619

Westboro Baptist Church came to Las

1014

00:39:50,369 --> 00:39:54,900

Vegas all those famous guys write God

1015

00:39:52,619 --> 00:39:57,269

hates everything I yes yes that was that

1016

00:39:54,900 --> 00:40:01,260

was a fun time so that's how I i found

1017

00:39:57,269 --> 00:40:03,360

the group and today I've I'm the public

1018

00:40:01,260 --> 00:40:06,120

events officer for the group so it's my

1019

00:40:03,360 --> 00:40:09,329

responsibility to find interesting

1020

00:40:06,119 --> 00:40:12,109

speakers find prominent people and the

1021

00:40:09,329 --> 00:40:14,639

skeptical and the Atheist community and

1022

00:40:12,110 --> 00:40:17,700

see if we can get them to to do it talks

1023

00:40:14,639 --> 00:40:19,980

for for our group fantastic now if

1024

00:40:17,699 --> 00:40:21,779

people are interested to find out what

1025

00:40:19,980 --> 00:40:26,010

website should they visit the website to

1026

00:40:21,780 --> 00:40:27,420

go to is secular students org and this

1027
00:40:26,010 --> 00:40:30,120
is getting this is getting a pretty big

1028
00:40:27,420 --> 00:40:32,400
movement in America and I think there

1029
00:40:30,119 --> 00:40:34,009
are some some affiliate groups in

1030
00:40:32,400 --> 00:40:36,050
Australia so

1031
00:40:34,010 --> 00:40:38,060
if you feel like you can organize and

1032
00:40:36,050 --> 00:40:40,460
you get some friends together then I

1033
00:40:38,059 --> 00:40:42,259
highly suggest starting a group what a

1034
00:40:40,460 --> 00:40:44,090
great idea pokes you can also visit the

1035
00:40:42,260 --> 00:40:46,850
show notes for this episode that skeptic

1036
00:40:44,090 --> 00:40:49,039
zone got TV to find out more well Liam

1037
00:40:46,849 --> 00:40:50,420

enough to collect me from the airport

1039
00:40:50,420 --> 00:40:54,050
and enjoy the rest of the amazing

1040
00:40:52,519 --> 00:41:08,239

00:41:08,239 --> 00:41:12,649
of the skipper cons podcaster podcast

1043
00:41:10,159 --> 00:41:14,179
from Dublin Ireland we look at things of

1044
00:41:12,650 --> 00:41:17,930
a skeptical nature from an Irish point

1045
00:41:14,179 --> 00:41:24,219
of view you can find us on WWF for coins

1046
00:41:17,929 --> 00:41:26,269
com that's sk v.p or e CH a UNS com

1047
00:41:24,219 --> 00:41:27,589
please listen to us and give us some

1048
00:41:26,269 --> 00:41:29,949
feedback we love hearing from our

1049
00:41:27,590 --> 00:41:29,950
listeners

1050
00:41:38,429 --> 00:41:42,519
look I'm at skeptics in the pub and

1051
00:41:41,048 --> 00:41:44,048
we're in the usual airlock where i talk

1052
00:41:42,518 --> 00:41:46,148
to people of course people will walk

1053
00:41:44,048 --> 00:41:48,188
past from time to time I have Albert and

1054
00:41:46,148 --> 00:41:50,708
gene here good evening good evening good

1055

00:41:48,188 --> 00:41:52,478
evening and now I believe you may be

1056
00:41:50,708 --> 00:41:54,129
interested in taking the skeptics

1057
00:41:52,478 --> 00:41:58,718
challenge here in Australia of what do

1058
00:41:54,130 --> 00:42:02,409
you claim well we claim that gene can

1059
00:41:58,719 --> 00:42:05,949
read people's minds to to a certain

1060
00:42:02,409 --> 00:42:11,469
degree that's their past experiences and

1061
00:42:05,949 --> 00:42:14,139
their life in general and she's been

1062
00:42:11,469 --> 00:42:16,389
able to do this in the past many 300

1063
00:42:14,139 --> 00:42:19,358
many times many many times when we were

1064
00:42:16,389 --> 00:42:21,728
living in Hong Kong and in China as I

1065
00:42:19,358 --> 00:42:24,639
like to do it with people I hadn't met

1066
00:42:21,728 --> 00:42:26,259
before because I wouldn't like to be

1067
00:42:24,639 --> 00:42:29,078
cheating but when it was people that I

1068
00:42:26,259 --> 00:42:30,938
had to have an interpreter for two for

1069
00:42:29,079 --> 00:42:33,729

me to tell them what I could see and

1070

00:42:30,938 --> 00:42:36,158

feel I felt that it was genuine you know

1071

00:42:33,728 --> 00:42:38,198

than what I was saying and gene how did

1072

00:42:36,159 --> 00:42:39,398

you discover this with most people who

1073

00:42:38,199 --> 00:42:41,019

have this ability it's when they're

1074

00:42:39,398 --> 00:42:42,699

younger and they kind of mentioned yeah

1075

00:42:41,018 --> 00:42:46,268

it hasn't happened when we went to work

1076

00:42:42,699 --> 00:42:50,168

in China and Hong Kong the telling

1077

00:42:46,268 --> 00:42:52,508

cricket club was holding a fight and

1078

00:42:50,168 --> 00:42:55,868

they said to me gene what would you like

1079

00:42:52,509 --> 00:42:57,849

to do what sort of saw would you like to

1080

00:42:55,869 --> 00:42:59,588

head and I didn't want to do a cake

1081

00:42:57,849 --> 00:43:02,019

stall or anything like that I said look

1082

00:42:59,588 --> 00:43:04,088

put me in a tent and I'll read far palms

1083

00:43:02,018 --> 00:43:07,118

I didn't think I could do it i thought i

1084
00:43:04,088 --> 00:43:08,018
was just just give a go i yes hang on

1085
00:43:07,119 --> 00:43:11,469
there's just some people coming through

1086
00:43:08,018 --> 00:43:15,129
I thought you'd have a go it was a bit

1087
00:43:11,469 --> 00:43:17,798
of a joke yes and I had two of the

1088
00:43:15,130 --> 00:43:19,449
ladies they they got me the customers

1089
00:43:17,798 --> 00:43:20,590
because we had a lot of people come to

1090
00:43:19,449 --> 00:43:22,659
the club

1091
00:43:20,590 --> 00:43:25,930
and I said as long as I don't have to

1092
00:43:22,659 --> 00:43:28,089
handle money i'll be happy just ring a

1093
00:43:25,929 --> 00:43:31,899
bell at the end of ten minutes and they

1094
00:43:28,090 --> 00:43:34,390
can go and all i wanted them to say on

1095
00:43:31,900 --> 00:43:35,950
my accuracy of reading their palms and

1096
00:43:34,389 --> 00:43:39,219
looking at them and holding their pulse

1097
00:43:35,949 --> 00:43:42,669
score up give me a score out of 10 and i

1098
00:43:39,219 --> 00:43:45,369
never got less than nine hmm and what

1099
00:43:42,670 --> 00:43:46,659
was can you explain this so that you can

1100
00:43:45,369 --> 00:43:50,349
either of you explain how this has come

1101
00:43:46,659 --> 00:43:54,699
about now we don't know I have an idea

1102
00:43:50,349 --> 00:43:59,139
that as we have electrical impulses in

1103
00:43:54,699 --> 00:44:05,469
our biological build up that our mind

1104
00:43:59,139 --> 00:44:08,969
has a certain range of electrical waves

1105
00:44:05,469 --> 00:44:14,109
if you like brain waves or electrical

1106
00:44:08,969 --> 00:44:16,929
wave lengths and maybe our wavelength

1107
00:44:14,110 --> 00:44:19,329
will meet you do you think perhaps Genie

1108
00:44:16,929 --> 00:44:21,129
have a quite a talent for cold reading

1109
00:44:19,329 --> 00:44:22,630
people you can read the reactions in

1110
00:44:21,130 --> 00:44:25,119
their face and do it that way I had to

1111
00:44:22,630 --> 00:44:27,070
go into China to open a factory and I

1112

00:44:25,119 --> 00:44:30,730
was the head one of the head guests and

1113
00:44:27,070 --> 00:44:32,620
I sing at the top table with all Chinese

1114
00:44:30,730 --> 00:44:35,190
I couldn't speak English just my

1115
00:44:32,619 --> 00:44:39,400
interpreter was sitting opposite me and

1116
00:44:35,190 --> 00:44:41,380
I had the Chief of Police of that whole

1117
00:44:39,400 --> 00:44:43,869
province sex to me I was getting a bit

1118
00:44:41,380 --> 00:44:48,430
bored not said to the are policemen the

1119
00:44:43,869 --> 00:44:51,609
old police true I said let me read your

1120
00:44:48,429 --> 00:44:57,069
palm you know I'll get my interpreter

1121
00:44:51,610 --> 00:45:00,039
across the table to translate so I said

1122
00:44:57,070 --> 00:45:03,490
to him you've got three children no two

1123
00:45:00,039 --> 00:45:06,099
children a boy and a girl she kicked me

1124
00:45:03,489 --> 00:45:08,079
under the table one child and she's

1125
00:45:06,099 --> 00:45:11,369
trying to tell me to tell him one and I

1126
00:45:08,079 --> 00:45:14,769

said no no he had a daughter and a son I

1127

00:45:11,369 --> 00:45:18,039

said and he's looking at me and I said

1128

00:45:14,769 --> 00:45:21,159

the daughter left home when she was 16

1129

00:45:18,039 --> 00:45:22,900

and you haven't heard from her since but

1130

00:45:21,159 --> 00:45:25,000

I said it's a strange thing both your

1131

00:45:22,900 --> 00:45:26,650

children were adopted now fancy telling

1132

00:45:25,000 --> 00:45:29,269

a Chinese man that his family was

1133

00:45:26,650 --> 00:45:30,440

adopted in China yes that

1134

00:45:29,269 --> 00:45:32,420

and I said they're going out on a limb

1135

00:45:30,440 --> 00:45:34,849

there I was I don't know where it was

1136

00:45:32,420 --> 00:45:37,670

coming from but I was worried and she

1137

00:45:34,849 --> 00:45:40,789

said gene he's the police chief you know

1138

00:45:37,670 --> 00:45:43,820

that's okay I said did both adopted I

1139

00:45:40,789 --> 00:45:45,259

said in your wife it's not Chinese now a

1140

00:45:43,820 --> 00:45:47,120

fancy coming out and illumined telling

1141
00:45:45,260 --> 00:45:50,060
him that yeah I said she comes from

1142
00:45:47,119 --> 00:45:52,719
Cambodia I sure I didn't even know we

1143
00:45:50,059 --> 00:45:57,710
Cambodia was at that stage I so stupid

1144
00:45:52,719 --> 00:46:01,429
anyway yes and I said and I can see your

1145
00:45:57,710 --> 00:46:04,760
wife is not well I can see a wheelchair

1146
00:46:01,429 --> 00:46:07,519
she's going to be in a wheelchair I know

1147
00:46:04,760 --> 00:46:08,810
a little bit later and she's translate

1148
00:46:07,519 --> 00:46:11,389
and all this and trying to shut me up

1149
00:46:08,809 --> 00:46:14,570
and I said I think she's got multiple

1150
00:46:11,389 --> 00:46:17,659
sclerosis which she did have was she

1151
00:46:14,570 --> 00:46:19,460
developed and he's by this time I was

1152
00:46:17,659 --> 00:46:23,869
looking at him I just hold his hand he

1153
00:46:19,460 --> 00:46:26,690
tears up or down his face and he said

1154
00:46:23,869 --> 00:46:31,250
it's all true he said I've never had

1155
00:46:26,690 --> 00:46:32,840
anyone read my life like you have as a

1156
00:46:31,250 --> 00:46:34,699
lot more things I said to him but I

1157
00:46:32,840 --> 00:46:38,120
can't remember now because this was 20

1158
00:46:34,699 --> 00:46:39,679
years ago and gene can you tell me when

1159
00:46:38,119 --> 00:46:41,599
when you see these things about people's

1160
00:46:39,679 --> 00:46:44,359
lives how do they appear to they appear

1161
00:46:41,599 --> 00:46:47,150
as words do they appear as images how do

1162
00:46:44,360 --> 00:46:50,180
they pd you just comes out I've become

1163
00:46:47,150 --> 00:46:53,000
very vocal and I'm sort of not in a

1164
00:46:50,179 --> 00:46:55,190
trance I'm quite with it and now but how

1165
00:46:53,000 --> 00:46:56,869
did you make of it Jeanne's newfound

1166
00:46:55,190 --> 00:46:58,730
ability after she thought every bit of a

1167
00:46:56,869 --> 00:47:00,670
goad reading parts and turns out she can

1168
00:46:58,730 --> 00:47:04,219
actually do something as a

1169

00:47:00,670 --> 00:47:07,570
dyed-in-the-wool skeptic and atheist I

1170
00:47:04,219 --> 00:47:10,509
don't believe that it's a gift from

1171
00:47:07,570 --> 00:47:15,260
outside spiritual or anything like that

1172
00:47:10,510 --> 00:47:20,270
and I just had to accept it

1173
00:47:15,260 --> 00:47:24,830
and not only did she have gained the

1174
00:47:20,269 --> 00:47:29,389
ability to read people's past life but

1175
00:47:24,829 --> 00:47:32,090
also she wrote beautiful poetry from

1176
00:47:29,389 --> 00:47:35,150
that time she wrote some very very nice

1177
00:47:32,090 --> 00:47:37,070
poems and what I'm asking you is how do

1178
00:47:35,150 --> 00:47:40,160
you suggest we test this was the way of

1179
00:47:37,070 --> 00:47:43,010
testing well I've asked Ian Bryce to

1180
00:47:40,159 --> 00:47:45,409
come up with a criteria do it with

1181
00:47:43,010 --> 00:47:47,840
someone else I was surprised i could do

1182
00:47:45,409 --> 00:47:51,259
it i do you know this is something that

1183
00:47:47,840 --> 00:47:54,710

i don't do here albert wanted me to make

1184

00:47:51,260 --> 00:47:56,960
money out of it enjoy and i wasn't

1185

00:47:54,710 --> 00:47:58,789
interested well i'm told that these

1186

00:47:56,960 --> 00:48:00,409
powers it's not good if you use them in

1187

00:47:58,789 --> 00:48:02,300
the realm for money i'm told this by

1188

00:48:00,409 --> 00:48:04,279
another people it's not good when

1189

00:48:02,300 --> 00:48:06,769
they're i use the word karma to be doing

1190

00:48:04,280 --> 00:48:09,740
that I don't know we did discuss the

1191

00:48:06,769 --> 00:48:13,699
possibility of staying in China or Hong

1192

00:48:09,739 --> 00:48:16,849
Kong because every time we would for a

1193

00:48:13,699 --> 00:48:21,849
trip to China on as a tourist and every

1194

00:48:16,849 --> 00:48:24,589
time we stopped to try this out being

1195

00:48:21,849 --> 00:48:28,339
queues of people came up warning there

1196

00:48:24,590 --> 00:48:31,579
but with a very very superstitious so we

1197

00:48:28,340 --> 00:48:34,370
could have stayed in China and probably

1198
00:48:31,579 --> 00:48:37,460
made a fortune out of it however we got

1199
00:48:34,369 --> 00:48:39,500
am sick and we gotta our family we're

1200
00:48:37,460 --> 00:48:41,360
married we've been 62 years marriage

1201
00:48:39,500 --> 00:48:43,789
yeah I've got to serve all that you two

1202
00:48:41,360 --> 00:48:45,650
peas in a pot that's a show no no I

1203
00:48:43,789 --> 00:48:48,920
don't believe in what he believes in

1204
00:48:45,650 --> 00:48:51,740
he's a real life used atheist and he

1205
00:48:48,920 --> 00:48:53,510
says troublemaker album but its present

1206
00:48:51,739 --> 00:48:55,909
he'd like to start the revolution get

1207
00:48:53,510 --> 00:48:57,410
rid of banks and make everything a lot

1208
00:48:55,909 --> 00:49:00,619
of it have a word to me letter L but I

1209
00:48:57,409 --> 00:49:02,329
could you I'm down on your side but but

1210
00:49:00,619 --> 00:49:04,909
you're much more holistic about the

1211
00:49:02,329 --> 00:49:07,279
approach of it or well when I came back

1212
00:49:04,909 --> 00:49:08,960
here I was talking to the ladies at the

1213
00:49:07,280 --> 00:49:11,260
Bowling Club and said you know I had a

1214
00:49:08,960 --> 00:49:14,139
bit of fortunate in

1215
00:49:11,260 --> 00:49:15,760
a bit clearer vine and this he was the

1216
00:49:14,139 --> 00:49:18,129
head of the club he said I don't believe

1217
00:49:15,760 --> 00:49:20,830
in all that crap journey and I said well

1218
00:49:18,130 --> 00:49:23,170
show me a hand and I looked at it and I

1219
00:49:20,829 --> 00:49:25,630
said look something terrible happened to

1220
00:49:23,170 --> 00:49:30,369
you when you were 32 years old now you

1221
00:49:25,630 --> 00:49:32,610
listen to this and he just I said do you

1222
00:49:30,369 --> 00:49:35,230
want me to continue and he said yes

1223
00:49:32,610 --> 00:49:37,660
because he didn't think I knew I said

1224
00:49:35,230 --> 00:49:39,670
your wife died she was an epileptic and

1225
00:49:37,659 --> 00:49:43,139
she had a fit in the bath and drowned

1226

00:49:39,670 --> 00:49:45,639
now where the hell would I get that from

1227
00:49:43,139 --> 00:49:47,980
that is that is a pretty amazing guess

1228
00:49:45,639 --> 00:49:49,480
if it was a guess I guess it just came

1229
00:49:47,980 --> 00:49:52,420
through and you guess that's all yeah

1230
00:49:49,480 --> 00:49:54,190
well i think i have got it but i don't

1231
00:49:52,420 --> 00:49:56,559
say i can get it to say you come up and

1232
00:49:54,190 --> 00:49:58,360
I can get vibes from you and go through

1233
00:49:56,559 --> 00:50:00,759
some bloody tests on the side you know

1234
00:49:58,360 --> 00:50:03,970
they get it and what about I don't need

1235
00:50:00,760 --> 00:50:05,470
a million dollars is it palms or what is

1236
00:50:03,969 --> 00:50:07,419
it you normally that normally activates

1237
00:50:05,469 --> 00:50:09,609
what you've got well it's not only palms

1238
00:50:07,420 --> 00:50:12,550
it's just I think it's just so you hold

1239
00:50:09,610 --> 00:50:14,140
your hand I must get something from you

1240
00:50:12,550 --> 00:50:15,400

I don't know what it is ought to be

1241
00:50:14,139 --> 00:50:16,839
probably feeling I'm feeling negative

1242
00:50:15,400 --> 00:50:19,119
guys say be getting lots of negative

1243
00:50:16,840 --> 00:50:23,769
vibes for me at the moment let's have a

1244
00:50:19,119 --> 00:50:25,509
look kimchi glasses I didn't bring them

1245
00:50:23,769 --> 00:50:27,579
now I've got it I gotta warn you I'm

1246
00:50:25,510 --> 00:50:29,650
very worried this the sort thing spooks

1247
00:50:27,579 --> 00:50:31,929
me out so don't don't so don't say too

1248
00:50:29,650 --> 00:50:33,309
much I get freaked out very might be

1249
00:50:31,929 --> 00:50:35,969
with the skeptics as a fellow traveler

1250
00:50:33,309 --> 00:50:40,389
but this stuff really freaks me out

1251
00:50:35,969 --> 00:50:42,669
what's shower should you because deep

1252
00:50:40,389 --> 00:50:44,920
down you're not a skeptic well there you

1253
00:50:42,670 --> 00:50:46,960
go see you a thing I won't say anymore

1254
00:50:44,920 --> 00:50:48,579
well the problem is that the skeptics

1255
00:50:46,960 --> 00:50:50,289
are not a skeptic and my paranormal

1256
00:50:48,579 --> 00:50:51,699
friends say I'm not a real paranormal

1257
00:50:50,289 --> 00:50:54,190
personally that's like I get shot by

1258
00:50:51,699 --> 00:50:56,559
both the ability to be a lot and

1259
00:50:54,190 --> 00:50:58,750
paranormal than you were to believe you

1260
00:50:56,559 --> 00:51:01,469
know when you see this in my hand that

1261
00:50:58,750 --> 00:51:03,840
shows that i've i've got the gift

1262
00:51:01,469 --> 00:51:10,980
and which exact fold is that sorry i'll

1263
00:51:03,840 --> 00:51:12,780
show you my saw where does to you nice

1264
00:51:10,980 --> 00:51:15,420
mocha I guess here it is that up there

1265
00:51:12,780 --> 00:51:18,599
there and there that's a big game long

1266
00:51:15,420 --> 00:51:22,800
ok so like an inverted kind of why yeah

1267
00:51:18,599 --> 00:51:26,220
well I'm both hands either p.m. here we

1268
00:51:22,800 --> 00:51:30,060
are here been better Sam mm-hmm well

1269
00:51:26,219 --> 00:51:32,848
melon everyone that I've looked at that

1270
00:51:30,059 --> 00:51:35,099
shows that they're deeply into something

1271
00:51:32,849 --> 00:51:36,539
new uncanny more but look you've got a

1272
00:51:35,099 --> 00:51:38,460
good life line you shouldn't have a

1273
00:51:36,539 --> 00:51:40,980
feeling of doom I know why you're

1274
00:51:38,460 --> 00:51:45,720
worried because there's heart conditions

1275
00:51:40,980 --> 00:51:47,099
in your family yeah I guess so yeah yeah

1276
00:51:45,719 --> 00:51:48,779
I guess so yeah that that that is

1277
00:51:47,099 --> 00:51:50,190
possible but that you little you think

1278
00:51:48,780 --> 00:51:51,359
you're not going to have a long life oh

1279
00:51:50,190 --> 00:51:52,710
I definitely think I'm not going to have

1280
00:51:51,358 --> 00:51:55,980
a long life probably next Tuesday

1281
00:51:52,710 --> 00:52:00,510
Wednesday is another but I am Diane that

1282
00:51:55,980 --> 00:52:03,869
fatalistic know I know I am I am I using

1283

00:52:00,510 --> 00:52:05,430
these nice to tell me that look well you

1284
00:52:03,869 --> 00:52:07,230
can see a long lifeline there but like I

1285
00:52:05,429 --> 00:52:09,348
said next thursday at the latest for me

1286
00:52:07,230 --> 00:52:11,699
I said you've got a good life like

1287
00:52:09,349 --> 00:52:13,349
getting back to how we test this I mean

1288
00:52:11,699 --> 00:52:16,289
like you said yesterday are you gonna

1289
00:52:13,349 --> 00:52:20,730
test it i will get 10 people from out

1290
00:52:16,289 --> 00:52:22,769
there any 10 and i don't know what just

1291
00:52:20,730 --> 00:52:26,280
really i don't really want any we don't

1292
00:52:22,769 --> 00:52:29,480
we don't know whether it'll be a success

1293
00:52:26,280 --> 00:52:32,609
or not we just want to find out if I

1294
00:52:29,480 --> 00:52:34,858
dollar strict conditions of testing

1295
00:52:32,608 --> 00:52:37,319
whether it's correct or not because in

1296
00:52:34,858 --> 00:52:38,639
that yeah well yeah at all so it's kind

1297
00:52:37,320 --> 00:52:40,410

of like it's got to like be a black and

1298

00:52:38,639 --> 00:52:42,900

white answer and that also is not what

1299

00:52:40,409 --> 00:52:46,139

it's kind of about is it doing yeah yeah

1300

00:52:42,900 --> 00:52:48,869

yeah so look I wish you both good luck

1301

00:52:46,139 --> 00:52:50,789

with it and I hope we can figure out

1302

00:52:48,869 --> 00:52:52,858

some tests and if you want to go along

1303

00:52:50,789 --> 00:52:54,449

with it I guess it's to approach it with

1304

00:52:52,858 --> 00:52:56,400

a bit of an open mind and see how you go

1305

00:52:54,449 --> 00:52:58,049

and not be too already the way because

1306

00:52:56,400 --> 00:52:59,849

the money is not important it's not the

1307

00:52:58,050 --> 00:53:02,490

money that it's important I'd like it's

1308

00:52:59,849 --> 00:53:04,460

someone to explain to me how I do it

1309

00:53:02,489 --> 00:53:06,709

yeah how it's done I

1310

00:53:04,460 --> 00:53:08,539

I don't care yeah well like I was saying

1311

00:53:06,710 --> 00:53:10,250

to you I was spoken to many people that

1312
00:53:08,539 --> 00:53:12,050
have a gift of some sort and they all

1313
00:53:10,250 --> 00:53:14,480
say it comes in different ways shapes

1314
00:53:12,050 --> 00:53:17,720
numbers shadows just not look what I'm

1315
00:53:14,480 --> 00:53:19,760
talking it's like this yeah oh yeah that

1316
00:53:17,719 --> 00:53:21,139
they all say in different ways and and

1317
00:53:19,760 --> 00:53:23,270
the way it comes to you it just seems to

1318
00:53:21,139 --> 00:53:25,219
be almost sublingual it comes shooting

1319
00:53:23,269 --> 00:53:27,320
out of you like that it does i don't

1320
00:53:25,219 --> 00:53:28,879
have to think about it yeah yeah well

1321
00:53:27,320 --> 00:53:30,440
look thank you for both talking to me

1322
00:53:28,880 --> 00:53:32,420
and i don't think the end of this but

1323
00:53:30,440 --> 00:53:35,480
it's been nice sharing a bit of quality

1324
00:53:32,420 --> 00:53:37,159
time in a small corridor with you albert

1325
00:53:35,480 --> 00:53:39,260
gets carried away with the million

1326
00:53:37,159 --> 00:53:40,969
dollars but i'm not interested in that

1327
00:53:39,260 --> 00:53:42,440
well i'm not interested in a million

1328
00:53:40,969 --> 00:53:45,799
dollars as a matter of fact I've given

1329
00:53:42,440 --> 00:53:49,280
most of my money away and I've published

1330
00:53:45,800 --> 00:53:52,280
a book called civilization hijacked and

1331
00:53:49,280 --> 00:53:54,619
the subtitle is rescuing Jesus from

1332
00:53:52,280 --> 00:53:58,010
Christianity and the human spirit from

1333
00:53:54,619 --> 00:53:59,480
bondage no look at Albert and Jean thank

1334
00:53:58,010 --> 00:54:02,630
you very much for talking to me and I

1335
00:53:59,480 --> 00:54:03,800
hope we can devise some tests but it's

1336
00:54:02,630 --> 00:54:05,119
been lovely talking to you both and

1337
00:54:03,800 --> 00:54:06,859
hearing what you're both about in a nice

1338
00:54:05,119 --> 00:54:09,230
quiet environment thank you very much

1339
00:54:06,858 --> 00:54:12,348
thank you thank you for listening to it

1340

00:54:09,230 --> 00:54:14,059
look I've had a great chat with Albert

1341
00:54:12,349 --> 00:54:16,280
and Jean who are along tonight here and

1342
00:54:14,059 --> 00:54:18,469
I've got a couple of copy of Albert's

1343
00:54:16,280 --> 00:54:20,300
book and let me tell you him and me and

1344
00:54:18,469 --> 00:54:23,598
the no agenda show are all on the same

1345
00:54:20,300 --> 00:54:26,359
page let me tell you well I had a brief

1346
00:54:23,599 --> 00:54:28,338
chat to him too he was asking questions

1347
00:54:26,358 --> 00:54:30,289
after my talk so I hope you found him

1348
00:54:28,338 --> 00:54:33,108
interesting may not look they're a great

1349
00:54:30,289 --> 00:54:35,029
couple and I think the difficult

1350
00:54:33,108 --> 00:54:37,659
thing is going to be devising a test

1351
00:54:35,030 --> 00:54:40,580
that can work with clairvoyance because

1352
00:54:37,659 --> 00:54:42,259
yeah oh there walk well how was it

1353
00:54:40,579 --> 00:54:44,130
normally tested around when they try

1354
00:54:42,260 --> 00:54:46,200

that I think

1355

00:54:44,130 --> 00:54:47,880

Richard mentioned earlier and he soaked

1356

00:54:46,199 --> 00:54:50,219

tonight you mentioned the fact that

1357

00:54:47,880 --> 00:54:51,869

people have to be able to state what

1358

00:54:50,219 --> 00:54:54,750

they claim is what they claim to do to

1359

00:54:51,869 --> 00:54:57,449

do under what conditions and to what

1360

00:54:54,750 --> 00:54:59,309

level of accuracy I think gene is

1361

00:54:57,449 --> 00:55:01,230

obviously very sincere but I think she

1362

00:54:59,309 --> 00:55:03,449

would have very great difficulties

1363

00:55:01,230 --> 00:55:05,400

around the first part of saying what it

1364

00:55:03,449 --> 00:55:07,769

is that she can do because while she

1365

00:55:05,400 --> 00:55:10,800

claims to be a clairvoyant when I also

1366

00:55:07,769 --> 00:55:12,780

how she actually does what she does she

1367

00:55:10,800 --> 00:55:14,310

couldn't explain and then she actually

1368

00:55:12,780 --> 00:55:16,470

read my palm do you want to hear about

1369
00:55:14,309 --> 00:55:18,239
the palm reading she gave me um yeah

1370
00:55:16,469 --> 00:55:20,369
well what did she say around she read my

1371
00:55:18,239 --> 00:55:22,859
palm and I considered some of it to be

1372
00:55:20,369 --> 00:55:24,420
accurate what she said ok so she she

1373
00:55:22,860 --> 00:55:28,500
read my palm and she said a few things

1374
00:55:24,420 --> 00:55:30,300
she said I had one boy whom she was

1375
00:55:28,500 --> 00:55:32,489
introduced to earlier in the evening and

1376
00:55:30,300 --> 00:55:33,630
two girls and she was she wasn't

1377
00:55:32,489 --> 00:55:34,919
introduced early in the evening because

1378
00:55:33,630 --> 00:55:39,240
I don't actually have two girls have

1379
00:55:34,920 --> 00:55:42,000
three boys she said I was I was easily

1380
00:55:39,239 --> 00:55:45,209
led each considering the fact that I

1381
00:55:42,000 --> 00:55:48,329
managed about 250 people is probably not

1382
00:55:45,210 --> 00:55:50,340
a very good way to describe describe me

1383
00:55:48,329 --> 00:55:52,500
and I'm the president of the skeptics

1384
00:55:50,340 --> 00:55:54,300
and so I don't know and she knew that I

1385
00:55:52,500 --> 00:55:56,699
i would have thought she may may have

1386
00:55:54,300 --> 00:55:58,470
thought about that as well she said that

1387
00:55:56,699 --> 00:56:00,029
I will have a very long life I hope

1388
00:55:58,469 --> 00:56:01,829
she's right about that one but I think

1389
00:56:00,030 --> 00:56:04,320
he'll take another 50 years or so to

1390
00:56:01,829 --> 00:56:06,090
find out well she is that what she said

1391
00:56:04,320 --> 00:56:08,100
that I would have a long life she said I

1392
00:56:06,090 --> 00:56:10,140
was concerned about heart condition in

1393
00:56:08,099 --> 00:56:12,210
my family my dad does have a leaky heart

1394
00:56:10,139 --> 00:56:13,589
valve and she said that I'm not a real

1395
00:56:12,210 --> 00:56:15,300
skeptic and I think most people in this

1396
00:56:13,590 --> 00:56:17,100
room would say that about me as well so

1397

00:56:15,300 --> 00:56:18,600
that's not a bad hit right that's not a

1398
00:56:17,099 --> 00:56:20,789
bad hit right by she also said that I'm

1399
00:56:18,599 --> 00:56:23,099
not a real skeptic and she knew I was

1400
00:56:20,789 --> 00:56:24,420
from Israel so she said that Judaism is

1401
00:56:23,099 --> 00:56:26,400
actually very important to me but I

1402
00:56:24,420 --> 00:56:28,769
tried to push it away but it's not

1403
00:56:26,400 --> 00:56:30,360
working and I'm not a real skeptic and

1404
00:56:28,769 --> 00:56:32,280
the problem is that I grew up in a

1405
00:56:30,360 --> 00:56:34,380
completely secular environment my

1406
00:56:32,280 --> 00:56:36,780
parents are skeptics my grandparents

1407
00:56:34,380 --> 00:56:40,019
were sorry atheists my grandparents were

1408
00:56:36,780 --> 00:56:42,060
atheists maybe maybe a generation before

1409
00:56:40,019 --> 00:56:45,539
that there was some religion but not not

1410
00:56:42,059 --> 00:56:46,980
hardcore so there was no I didn't grow

1411
00:56:45,539 --> 00:56:49,230

up particularly Jewish so there's

1412

00:56:46,980 --> 00:56:50,969

nothing for me to retain so she was

1413

00:56:49,230 --> 00:56:52,610

wrong on that count as well she also

1414

00:56:50,969 --> 00:56:54,439

means made some

1415

00:56:52,610 --> 00:56:57,860

mentions which I not repeat but we were

1416

00:56:54,440 --> 00:57:00,409

wrong and overall the kind of things she

1417

00:56:57,860 --> 00:57:03,740

was right at with things like you have a

1418

00:57:00,409 --> 00:57:07,190

need to be liked unlike most people I

1419

00:57:03,739 --> 00:57:09,319

mean really and when you have had a good

1420

00:57:07,190 --> 00:57:10,820

light you have had a charmed life I'd

1421

00:57:09,320 --> 00:57:12,350

say I had a pretty good life she was

1422

00:57:10,820 --> 00:57:14,840

probably right about that but I you know

1423

00:57:12,349 --> 00:57:16,069

I live in Australia and she said when he

1424

00:57:14,840 --> 00:57:17,750

moved to you moved from Israel to

1425

00:57:16,070 --> 00:57:22,100

Australian that that really improved

1426
00:57:17,750 --> 00:57:25,880
your situation I mean really okay you

1427
00:57:22,099 --> 00:57:28,250
know so overall three or four out of 10

1428
00:57:25,880 --> 00:57:29,900
I think they're both very nice people

1429
00:57:28,250 --> 00:57:31,969
and I think the very nice genuine I

1430
00:57:29,900 --> 00:57:34,250
think you're just being a main man again

1431
00:57:31,969 --> 00:57:35,689
no I actually think there are very nice

1432
00:57:34,250 --> 00:57:37,519
people and I've had a very long

1433
00:57:35,690 --> 00:57:38,929
conversation with them and I think it

1434
00:57:37,519 --> 00:57:42,530
was perfectly polite I think they will

1435
00:57:38,929 --> 00:57:46,039
probably say so if you ask them and I

1436
00:57:42,530 --> 00:57:48,980
explained to them also about how the

1437
00:57:46,039 --> 00:57:50,539
fact that we we seek evidence you know

1438
00:57:48,980 --> 00:57:52,250
it's just the way we test things you

1439
00:57:50,539 --> 00:57:53,690
know you want to believe this fine you

1440
00:57:52,250 --> 00:57:55,699
know you don't you do if you don't need

1441
00:57:53,690 --> 00:57:57,829
evidence for yourself that's fine we're

1442
00:57:55,699 --> 00:57:59,809
not going to try to force our views down

1443
00:57:57,829 --> 00:58:01,759
your throat but if you want to convince

1444
00:57:59,809 --> 00:58:03,199
a skeptic so as somebody who comes to

1445
00:58:01,760 --> 00:58:05,000
this pub regularly in commission

1446
00:58:03,199 --> 00:58:06,769
considers themselves to be a scientific

1447
00:58:05,000 --> 00:58:08,840
skeptic then you would have to prove

1448
00:58:06,769 --> 00:58:10,610
evidence to provide evidence and that

1449
00:58:08,840 --> 00:58:12,590
evidence would have to be provided under

1450
00:58:10,610 --> 00:58:14,059
appropriate test conditions and we had a

1451
00:58:12,590 --> 00:58:16,070
very long discussion about what

1452
00:58:14,059 --> 00:58:18,769
appropriate test conditions are and why

1453
00:58:16,070 --> 00:58:20,150
anecdotes do not count well I look

1454

00:58:18,769 --> 00:58:22,670
forward to seeing a test that you might

1455
00:58:20,150 --> 00:58:23,990
put together in the near future if it's

1456
00:58:22,670 --> 00:58:26,240
even possible

1457
00:58:23,989 --> 00:58:27,829
hey again as I said I don't think

1458
00:58:26,239 --> 00:58:30,579
they'll be able to make a claim that

1459
00:58:27,829 --> 00:58:30,579
would be testable

1460
00:58:46,918 --> 00:58:51,368
thank you for listening to the skeptic

1461
00:58:49,418 --> 00:58:53,918
zone only one more episode to go and

1462
00:58:51,369 --> 00:58:57,009
it's the big 200 that's going to be

1463
00:58:53,918 --> 00:59:00,129
worth listening to we have a very good

1464
00:58:57,009 --> 00:59:02,139
Maynard type interview with DJ Grothe

1465
00:59:00,130 --> 00:59:06,880
the president of the James Randi

1466
00:59:02,139 --> 00:59:08,858
Educational Foundation and Wow some

1467
00:59:06,880 --> 00:59:10,989
really interesting stuff DJ has to tell

1468
00:59:08,858 --> 00:59:13,688

Maynard and of course to tell you worth

1469

00:59:10,989 --> 00:59:17,199

the wait worth the wait and that'll be

1470

00:59:13,688 --> 00:59:19,808

followed by a special celebratory think

1471

00:59:17,199 --> 00:59:22,449

tank yeah the good old thing thanks back

1472

00:59:19,809 --> 00:59:25,059

so I look very much forward to that now

1473

00:59:22,449 --> 00:59:27,159

before we wrap up the skeptic zone a

1474

00:59:25,059 --> 00:59:29,979

paranormal reality type shows it's a

1480

00:59:42,699 --> 00:59:46,719

spoof it's a send-up but it's really

1481

00:59:44,559 --> 00:59:48,548

funny and it draws attention to how

1482

00:59:46,719 --> 00:59:50,639

silly these shows are and the logical

1483
00:59:48,548 --> 00:59:53,199
fallacies and so on look have a look

more about it now that looks like a lot

1498
01:00:29,079 --> 01:00:33,278
of fun and the video they've made of the

1499
01:00:31,358 --> 01:00:35,288
first adventures the skeptical caveman

1500
01:00:33,278 --> 01:00:36,849
look like it was so much fun to make and

1501
01:00:35,289 --> 01:00:39,009
a lot of people behind the skeptics

1502
01:00:36,849 --> 01:00:41,019
guide to the universe are involved in

1503
01:00:39,009 --> 01:00:43,958
