

1
00:00:21,230 --> 00:00:25,829
hello this is Richard Saunders from

2
00:00:23,730 --> 00:00:29,339
Sydney Australia welcome to the skeptic

3
00:00:25,829 --> 00:00:32,250
zone for friday the 3rd of october 2008

4
00:00:29,339 --> 00:00:34,558
episode number two a short episode only

5
00:00:32,250 --> 00:00:36,920
15 minutes where you get to be a fly on

6
00:00:34,558 --> 00:00:39,390
the wall for Sydney skeptics in the pub

7
00:00:36,920 --> 00:00:41,939
joining me in the pub was dr. Rachel

8
00:00:39,390 --> 00:00:44,219
Dunlop and a host of other skeptics so

9
00:00:41,939 --> 00:00:46,609
grab the drink of your choice and come

10
00:00:44,219 --> 00:00:46,609
and join us

11
00:00:53,390 --> 00:00:59,329
so skeptics yeah you ask us questions

12
00:00:56,058 --> 00:01:01,280
I'm don't okay then what's so great

13
00:00:59,329 --> 00:01:03,890
about being a skeptic any other

14
00:01:01,280 --> 00:01:07,700
questions Oh what what was the worst

15
00:01:03,890 --> 00:01:09,200
thing about being a skeptic how do you

16
00:01:07,700 --> 00:01:10,579
think there's anything that's all right

17
00:01:09,200 --> 00:01:13,609
bad what about when people think you're

18
00:01:10,579 --> 00:01:16,310
a cynic oh yeah but you get that all the

19
00:01:13,609 --> 00:01:20,150
time being called a meanie by kids is

20
00:01:16,310 --> 00:01:22,129
not it's also it also gets difficult on

21
00:01:20,150 --> 00:01:23,570
your friends say to you well why are you

22
00:01:22,129 --> 00:01:24,978
doing this then I don't think you should

23
00:01:23,569 --> 00:01:26,478
be doing this and you have to spend

24
00:01:24,978 --> 00:01:28,459
hours and hours explained than what

25
00:01:26,478 --> 00:01:30,679
skepticism actually means and it's not

26
00:01:28,459 --> 00:01:33,769
just poo pooing everything and it's not

27
00:01:30,680 --> 00:01:35,180
Vegas to me and that gets have that gets

28
00:01:33,769 --> 00:01:40,099
to be hard work sometimes doesn't know

29

00:01:35,180 --> 00:01:41,570
which yeah yeah well I mean you explain

30
00:01:40,099 --> 00:01:43,368
yourself over and over and over again

31
00:01:41,569 --> 00:01:45,379
but of course you're educating people so

32
00:01:43,368 --> 00:01:48,439
that's just part of the part of the

33
00:01:45,379 --> 00:01:50,149
business just there's a great expression

34
00:01:48,439 --> 00:01:52,819
I love it any jackass can call

35
00:01:50,149 --> 00:01:55,849
themselves a skeptic and they do you

36
00:01:52,819 --> 00:01:58,069
know I must it be good or I was a

37
00:01:55,849 --> 00:01:59,819
skeptic like used before I saw this

38
00:01:58,069 --> 00:02:01,718
psychic

39
00:01:59,819 --> 00:02:03,818
if there's a problem with the

40
00:02:01,718 --> 00:02:05,978
terminology that's thus the biggest

41
00:02:03,819 --> 00:02:08,679
thing is that the word skeptics has

42
00:02:05,978 --> 00:02:10,689
derogatory connotation so what's a word

43
00:02:08,679 --> 00:02:13,539

we can use instead have me bring you

44

00:02:10,689 --> 00:02:19,989

skeptic the button had lyrics skeptics

45

00:02:13,539 --> 00:02:21,519

worsening prostitutes me like this here

46

00:02:19,989 --> 00:02:25,239

the people who say I used to be a

47

00:02:21,519 --> 00:02:27,670

skeptic it i'm just really funny up

48

00:02:25,239 --> 00:02:29,200

there I used to be a skeptic notes I've

49

00:02:27,669 --> 00:02:30,429

never called myself a skeptic because I

50

00:02:29,199 --> 00:02:33,429

never loved the need to how would you

51

00:02:30,430 --> 00:02:34,870

can't well they just a skeptic

52

00:02:33,430 --> 00:02:36,760

but I never practice the scientific

53

00:02:34,870 --> 00:02:39,489

method in any way shape or form and they

54

00:02:36,759 --> 00:02:41,590

don't know what's getting there soon as

55

00:02:39,489 --> 00:02:45,400

you speak skipping a narrative fish soup

56

00:02:41,590 --> 00:02:46,780

as faculty using for this heavy now and

57

00:02:45,400 --> 00:02:48,789

we're supposed to be impressed by that I

58
00:02:46,780 --> 00:02:56,709
use real skeptic just like you but then

59
00:02:48,789 --> 00:03:01,239
I sign for leaving q Oh have you have

60
00:02:56,709 --> 00:03:02,650
you guys ever had a big change of mind

61
00:03:01,239 --> 00:03:07,299
about something you were skeptical about

62
00:03:02,650 --> 00:03:08,950
and then suddenly said actually no I've

63
00:03:07,299 --> 00:03:12,069
been convinced by this I've changed my

64
00:03:08,949 --> 00:03:15,009
mind no never Mila so you've never been

65
00:03:12,068 --> 00:03:18,068
wrong it's not so much a question of the

66
00:03:15,009 --> 00:03:21,098
way to look at it my approach I take is

67
00:03:18,068 --> 00:03:23,500
is there something to this claim I don't

68
00:03:21,098 --> 00:03:24,939
know I will look into it I suspect this

69
00:03:23,500 --> 00:03:27,459
not i'm not going to go out there and

70
00:03:24,939 --> 00:03:29,579
say for example ghosts are completely

71
00:03:27,459 --> 00:03:32,460
unreal into stories

72
00:03:29,580 --> 00:03:34,530
so in that sense I'm not wrong because

73
00:03:32,460 --> 00:03:37,770
i'm not making an absolute statement you

74
00:03:34,530 --> 00:03:41,009
see what I mean but I'm still I'm sure

75
00:03:37,770 --> 00:03:43,439
that they don't exist real but i'm open

76
00:03:41,009 --> 00:03:45,090
to them you know that interesting

77
00:03:43,439 --> 00:03:47,719
question because just last week i've

78
00:03:45,090 --> 00:03:47,719
logged on the

79
00:03:47,919 --> 00:03:51,319
because nathan rees came out and said

80
00:03:50,180 --> 00:03:54,650
well I thought it might not be a myth

81
00:03:51,319 --> 00:03:56,750
after all he was sent testimonials from

82
00:03:54,650 --> 00:03:59,510
600 people saying that they had seen

83
00:03:56,750 --> 00:04:01,039
politico panther and so he said we're

84
00:03:59,509 --> 00:04:03,079
moving introducing more research into

85
00:04:01,039 --> 00:04:05,120
this mythical creature and so i did a

86

00:04:03,080 --> 00:04:07,610
blog do and so I did a lot of research

87
00:04:05,120 --> 00:04:09,500
to find out what really is going on and

88
00:04:07,610 --> 00:04:11,030
I started to think halfway through that

89
00:04:09,500 --> 00:04:13,400
research then maybe there is a bloody

90
00:04:11,030 --> 00:04:15,830
Panther you know because there was so

91
00:04:13,400 --> 00:04:17,959
much on the internet from people saying

92
00:04:15,830 --> 00:04:20,780
they had photographs and they'd seen

93
00:04:17,959 --> 00:04:22,819
this and it's the da da da and in the

94
00:04:20,779 --> 00:04:24,859
end I put it down to para Dahlia I think

95
00:04:22,819 --> 00:04:26,300
and because people have heard so much

96
00:04:24,860 --> 00:04:29,180
about it it's got such a big reputation

97
00:04:26,300 --> 00:04:30,770
I don't death is a huge feral cat

98
00:04:29,180 --> 00:04:32,959
running around the blue mountains I

99
00:04:30,769 --> 00:04:35,000
think it probably is people see it but

100
00:04:32,959 --> 00:04:37,339

because the suggestion has been as a

101

00:04:35,000 --> 00:04:38,779

panther they can make that connection

102

00:04:37,339 --> 00:04:41,229

that it's a panther when really it's

103

00:04:38,779 --> 00:04:43,869

just a big bloody feral cat so

104

00:04:41,230 --> 00:04:45,220

but it was interesting for me because I

105

00:04:43,870 --> 00:04:46,660

half went through that research I

106

00:04:45,220 --> 00:04:47,920

thought well maybe there is something in

107

00:04:46,660 --> 00:04:50,560

this and I actually think there is

108

00:04:47,920 --> 00:04:52,120

something it but I think it's a girl

109

00:04:50,560 --> 00:04:53,980

but I didn't change my mind I don't

110

00:04:52,120 --> 00:05:01,870

believe in Elizabeth had the photos

111

00:04:53,980 --> 00:05:03,460

convincing the funny thing is no the

112

00:05:01,870 --> 00:05:05,259

funny thing is I blow to this and I've

113

00:05:03,459 --> 00:05:07,899

got a very angry response from someone

114

00:05:05,259 --> 00:05:09,430

calling himself a mountain girl and it's

115
00:05:07,899 --> 00:05:11,229
interesting isn't it that believers

116
00:05:09,430 --> 00:05:12,819
cannot spell or string a sentence

117
00:05:11,230 --> 00:05:15,129
together in general i find that is that

118
00:05:12,819 --> 00:05:17,079
a lot and she insisted that her husband

119
00:05:15,129 --> 00:05:18,490
had a photograph of the panther she

120
00:05:17,079 --> 00:05:20,079
described an incident where he was

121
00:05:18,490 --> 00:05:22,210
driving to work on a warning when it was

122
00:05:20,079 --> 00:05:23,769
misty and we saw this big black animal

123
00:05:22,209 --> 00:05:26,439
and he stopped the car and he took a

124
00:05:23,769 --> 00:05:29,829
photograph and i wrote back and very

125
00:05:26,439 --> 00:05:31,360
diplomatic it's just fantastic why don't

126
00:05:29,829 --> 00:05:34,779
you send me the photo ID love to see it

127
00:05:31,360 --> 00:05:36,759
if not send it to the premier because he

128
00:05:34,779 --> 00:05:39,369
wants to see it too or go to a current

129
00:05:36,759 --> 00:05:41,829
affair and you can make some money had

130
00:05:39,370 --> 00:05:44,860
nothing nothing since from Mountain your

131
00:05:41,829 --> 00:05:49,870
heart's true ya know what you're doing

132
00:05:44,860 --> 00:05:51,220
worrying about shipping yeah have you

133
00:05:49,870 --> 00:05:52,509
been listening to the podcast John

134
00:05:51,220 --> 00:05:55,960
because that's exactly what i said in

135
00:05:52,509 --> 00:05:58,659
the polar ice the public transport

136
00:05:55,959 --> 00:05:59,888
system doesn't work and the economy's up

137
00:05:58,660 --> 00:06:01,480
you know

138
00:05:59,889 --> 00:06:03,370
right yeah

139
00:06:01,480 --> 00:06:06,360
did you hear about insights that thing

140
00:06:03,370 --> 00:06:06,360
just doesn't

141
00:06:06,720 --> 00:06:14,680
little called to a house to resolve a

142
00:06:09,810 --> 00:06:16,959
kitty cat problem mountain lion so he

143

00:06:14,680 --> 00:06:18,370
wasn't told by his dispatch that he was

144
00:06:16,959 --> 00:06:19,659
actually turning up to deal with the

145
00:06:18,370 --> 00:06:23,079
mountain lion who thought he was dealing

146
00:06:19,660 --> 00:06:25,300
with a feral cat no point out it was not

147
00:06:23,079 --> 00:06:27,930
the Blue Mountains it was America where

148
00:06:25,300 --> 00:06:31,660
I actually have mountain lions Devon

149
00:06:27,930 --> 00:06:33,699
skepticism is booming of them all yeah

150
00:06:31,660 --> 00:06:35,430
like never before I think I love this

151
00:06:33,699 --> 00:06:39,310
largely due to the internet and its

152
00:06:35,430 --> 00:06:42,579
experience xinghai billions and the fact

153
00:06:39,310 --> 00:06:45,310
that people can google or youtube things

154
00:06:42,579 --> 00:06:47,259
like spoon bending for example and see

155
00:06:45,310 --> 00:06:48,819
how the bloody tricks work where as

156
00:06:47,259 --> 00:06:51,039
before when yellow is doing you stick

157
00:06:48,819 --> 00:06:53,170

around the world you couldn't do you

158

00:06:51,040 --> 00:06:56,439

know the only person doing it was Geller

159

00:06:53,170 --> 00:07:00,129

and serve on the spooked out who yeah

160

00:06:56,439 --> 00:07:01,779

sorry boo yeah so yeah it really is and

161

00:07:00,129 --> 00:07:03,850

this it really called people it like

162

00:07:01,779 --> 00:07:05,319

Phil Plait the back stronger for example

163

00:07:03,850 --> 00:07:08,800

a lot of people really admire what he

164

00:07:05,319 --> 00:07:10,180

does debunking the moon hoax theories

165

00:07:08,800 --> 00:07:13,629

and all that sort of stuff and the

166

00:07:10,180 --> 00:07:15,990

Mythbusters yeah yeah they make it

167

00:07:13,629 --> 00:07:18,159

they're making it groovy and cool

168

00:07:15,990 --> 00:07:20,259

mcclure stuff hey we should lots of

169

00:07:18,160 --> 00:07:22,210

stuff we should do that and then it come

170

00:07:20,259 --> 00:07:24,159

out and say that they are skeptics

171

00:07:22,209 --> 00:07:25,539

although they are in Adam Savage I

172
00:07:24,160 --> 00:07:28,210
didn't know if you heard the interview

173
00:07:25,540 --> 00:07:30,069
Michael McCrea I did with Adam Savage

174
00:07:28,209 --> 00:07:32,169
which was on all in the mind on the ABC

175
00:07:30,069 --> 00:07:35,879
last Saturday can get there from the

176
00:07:32,170 --> 00:07:38,290
website download the podcast he doesn't

177
00:07:35,879 --> 00:07:41,350
publicly identified himself as a skeptic

178
00:07:38,290 --> 00:07:43,090
and I guess maybe but he is clearly yeah

179
00:07:41,350 --> 00:07:44,620
and I guess maybe that's because of that

180
00:07:43,089 --> 00:07:47,289
some of the negative connotations have

181
00:07:44,620 --> 00:07:48,730
surround away the terminology possible

182
00:07:47,290 --> 00:07:52,140
may be possible but they are obviously

183
00:07:48,730 --> 00:07:54,970
skeptics absolutely but it's Mythbusters

184
00:07:52,139 --> 00:07:58,110
did here he was at the last James and

185
00:07:54,970 --> 00:08:00,870
the amazing medium Adam Savage yeah

186
00:07:58,110 --> 00:08:02,189
and Penn & Teller yeah a lot of people

187
00:08:00,870 --> 00:08:04,220
like penicillin are we allowed to say

188
00:08:02,189 --> 00:08:07,709
on skeptics on the taarpi but

189
00:08:04,220 --> 00:08:10,290
they make skepticism sexy in a way don't

190
00:08:07,709 --> 00:08:11,759
think I mean they have a lot of their in

191
00:08:10,290 --> 00:08:13,710
a way they are because we were cheered

192
00:08:11,759 --> 00:08:16,490
as if their portrayal in a little bit

193
00:08:13,709 --> 00:08:21,269
okay there is there are lots of female

194
00:08:16,490 --> 00:08:23,370
things that appear in hit me for no

195
00:08:21,269 --> 00:08:26,549
particular reason what I don't need to

196
00:08:23,370 --> 00:08:28,410
make the show greater what was the one

197
00:08:26,550 --> 00:08:30,000
who when I watched where the beginning

198
00:08:28,410 --> 00:08:32,550
was just cheerleaders topless and I

199
00:08:30,000 --> 00:08:34,950
don't know what that had to do you had

200

00:08:32,549 --> 00:08:36,750
anything to do with the show but oh well

201
00:08:34,950 --> 00:08:38,160
I watched the rest of it yes that was

202
00:08:36,750 --> 00:08:40,019
the beginning is that well they were

203
00:08:38,159 --> 00:08:43,399
presumably testing the myth that fully

204
00:08:40,019 --> 00:08:43,399
clothed cheerleaders are unattractive

205
00:08:48,139 --> 00:08:51,720
that's the thing you know you've always

206
00:08:50,129 --> 00:08:52,909
got to do your experiment and you've got

207
00:08:51,720 --> 00:08:55,470
to do them at least three times

208
00:08:52,909 --> 00:08:58,079
otherwise you got cut early spirit at

209
00:08:55,470 --> 00:08:59,879
least three time is so as you can't make

210
00:08:58,080 --> 00:09:02,019
any conclusions like when you're trying

211
00:08:59,879 --> 00:09:04,328
a new beer for example

212
00:09:02,019 --> 00:09:06,278
yeah that completely hammered at least

213
00:09:04,328 --> 00:09:10,928
three times on the scene that's it but

214
00:09:06,278 --> 00:09:13,149

then you know for sure we demonstrated

215

00:09:10,928 --> 00:09:16,088

that quietly at the last year taking my

216

00:09:13,149 --> 00:09:20,708

phone we got three three three beers

217

00:09:16,089 --> 00:09:22,749

here we do you guys mentioned the moon

218

00:09:20,708 --> 00:09:24,458

hoax earlier yeah had a friend of mine

219

00:09:22,749 --> 00:09:28,298

that was completely convinced about the

220

00:09:24,458 --> 00:09:29,618

moon hoax and he had this a4 sheet of

221

00:09:28,298 --> 00:09:32,198

paper that had been photocopied a

222

00:09:29,619 --> 00:09:35,249

hundred times with a very small photo on

223

00:09:32,198 --> 00:09:37,988

it and it looked like the photo and had

224

00:09:35,249 --> 00:09:39,699

pointers on the on the photo arrows

225

00:09:37,989 --> 00:09:41,798

going to various places the shadow for

226

00:09:39,698 --> 00:09:44,528

this rock is wrong and the shadow for

227

00:09:41,798 --> 00:09:47,409

the person is over here and yet flags

228

00:09:44,528 --> 00:09:51,009

going this way and it actually looks

229
00:09:47,409 --> 00:09:54,850
really quite convincing on this paper if

230
00:09:51,009 --> 00:09:57,308
you ever see these people Google Apollo

231
00:09:54,850 --> 00:09:59,439
image archive and you'll come up with

232
00:09:57,308 --> 00:10:02,678
the high resolution photos that were

233
00:09:59,438 --> 00:10:04,778
taken on the Apollo landings and you'll

234
00:10:02,678 --> 00:10:07,568
be able to find you the photo it's on

235
00:10:04,778 --> 00:10:09,938
the sheet and it's when it's in clear

236
00:10:07,568 --> 00:10:12,428
huge resolution you can exactly see

237
00:10:09,938 --> 00:10:14,409
what's going on and the man is jumping

238
00:10:12,428 --> 00:10:16,298
in the air and you can see the puffs and

239
00:10:14,409 --> 00:10:17,588
dust from around these footprints and

240
00:10:16,298 --> 00:10:21,178
that's why I shadow appears to be

241
00:10:17,589 --> 00:10:23,860
further away from where he's it's it's

242
00:10:21,178 --> 00:10:25,480
that there are people that deliberately

243
00:10:23,860 --> 00:10:27,850
take a high quality image duties

244
00:10:25,480 --> 00:10:29,949
perfectly clear reduce the quality and

245
00:10:27,850 --> 00:10:32,829
then decide to pick holes in it because

246
00:10:29,948 --> 00:10:34,479
it doesn't look good at some there are

247
00:10:32,828 --> 00:10:36,758
deceitful people out there and you need

248
00:10:34,480 --> 00:10:38,019
to keep a skeptical minor absolutely I

249
00:10:36,759 --> 00:10:39,369
find that really interesting that you

250
00:10:38,019 --> 00:10:41,230
brought that up because when I was doing

251
00:10:39,369 --> 00:10:43,389
the lid go Panther research the only

252
00:10:41,230 --> 00:10:46,389
images I could find were grainy and

253
00:10:43,389 --> 00:10:47,450
really small and anytime there's

254
00:10:46,389 --> 00:10:50,269
something like that some

255
00:10:47,450 --> 00:10:52,490
sort of cryptozoology or UFO sighting

256
00:10:50,269 --> 00:10:54,649
why are the image is always grainy and

257

00:10:52,490 --> 00:10:58,159
out of focus it's funny isn't it I

258
00:10:54,649 --> 00:11:01,189
suppose why do people always see girls

259
00:10:58,159 --> 00:11:02,990
when it's dark yeah yeah never you never

260
00:11:01,190 --> 00:11:05,150
see the kid every day and I'm sure that

261
00:11:02,990 --> 00:11:07,490
that spirits good feel you were watching

262
00:11:05,149 --> 00:11:11,389
the goodie and oh I'm too young to

263
00:11:07,490 --> 00:11:12,860
remember the duties Virginia it was a

264
00:11:11,389 --> 00:11:15,889
great episode where they went to lock

265
00:11:12,860 --> 00:11:17,360
miss put it monster no in the shop and

266
00:11:15,889 --> 00:11:18,949
the guys telling them everything yeah

267
00:11:17,360 --> 00:11:21,019
you got the way of your monster

268
00:11:18,950 --> 00:11:28,550
certificate nor there's something and if

269
00:11:21,019 --> 00:11:30,769
special cameras for taking fuzzy don't

270
00:11:28,549 --> 00:11:32,240
you always see funny shapes in the

271
00:11:30,769 --> 00:11:34,220

darkness and it's totally those brave

272

00:11:32,240 --> 00:11:36,560

kids that switch the light on them since

273

00:11:34,220 --> 00:11:38,750

the dressing gown oh yeah wardrobe

274

00:11:36,559 --> 00:11:44,479

things and grants are always close as

275

00:11:38,750 --> 00:11:53,000

well as a and they always don't know

276

00:11:44,480 --> 00:11:55,370

you're always improving suggested oh

277

00:11:53,000 --> 00:11:57,230

yeah you a more handsome be puffy

278

00:11:55,370 --> 00:11:58,799

dresses they always like that it's

279

00:11:57,230 --> 00:12:04,920

flashing across the room

280

00:11:58,799 --> 00:12:06,359

a goat goes you don't any which is

281

00:12:04,919 --> 00:12:11,789

really a skeptic but the one thing she

282

00:12:06,360 --> 00:12:17,129

symbolizes dress no swearing 1980s

283

00:12:11,789 --> 00:12:18,539

clothes d that's my choose life but must

284

00:12:17,129 --> 00:12:20,789

have been home to people that I'm in the

285

00:12:18,539 --> 00:12:27,000

80s those yeah those global hypercolor

286
00:12:20,789 --> 00:12:28,740
to yeah yeah yeah but the james gallo

287
00:12:27,000 --> 00:12:40,139
and yet Willie Nelson Eddy to be like

288
00:12:28,740 --> 00:13:01,919
yes who the cheese life wait we are

289
00:12:40,139 --> 00:13:08,129
before Grateful Dead oh hey this podcast

290
00:13:01,919 --> 00:13:10,439
blue you know I was the ethical but we

291
00:13:08,129 --> 00:13:12,990
might even make this a special we have a

292
00:13:10,440 --> 00:13:16,110
regular show have like 50 uranium

293
00:13:12,990 --> 00:13:22,950
contain you in charge haha oh yeah five

294
00:13:16,110 --> 00:13:24,480
cents least five cents worth he's going

295
00:13:22,950 --> 00:13:28,560
to go through a cannibal unix

296
00:13:24,480 --> 00:13:29,789
45 cents a word I would I say you can

297
00:13:28,559 --> 00:13:38,698
get it for free who promised to visit

298
00:13:29,789 --> 00:13:41,849
dave the happy thing about sleeping i

299
00:13:38,698 --> 00:13:44,490
can go ahead at that point into

300
00:13:41,850 --> 00:13:50,879
something that's a special just to get

301
00:13:44,490 --> 00:13:56,430
its friend let me find by me because you

302
00:13:50,879 --> 00:13:59,129
have young things um yes no you can

303
00:13:56,429 --> 00:14:03,509
stream it you can you got yeah I'm just

304
00:13:59,129 --> 00:14:07,980
winged steed to youtube videos of stuff

305
00:14:03,509 --> 00:14:10,019
and my film scores and also system loads

306
00:14:07,980 --> 00:14:14,250
a crazy stuff what was that website

307
00:14:10,019 --> 00:14:21,419
again um can you forgot your senior dot

308
00:14:14,250 --> 00:14:25,799
com that's all single day happy with 2

309
00:14:21,419 --> 00:14:27,809
p's that's why I found yeah some people

310
00:14:25,799 --> 00:14:33,708
have been known to spell happy wrong you

311
00:14:27,809 --> 00:14:35,939
mean French lino alamos laughing h8 ppy

312
00:14:33,708 --> 00:14:38,789
this has been skeptics in the pub

313
00:14:35,940 --> 00:14:40,410
forearm October in sending first

314

00:14:38,789 --> 00:14:42,809
thursday of the month thank you

315
00:14:40,409 --> 00:14:44,990
everybody you might even if you're on a

316
00:14:42,809 --> 00:14:44,989
pod

317
00:14:53,278 --> 00:14:59,710
you've been listening to the skeptic

318
00:14:55,690 --> 00:15:03,490
zone visit our website at [www skeptics](http://www.skeptics)

319
00:14:59,710 --> 00:15:06,420
on TV for comments contacts and extra

320
00:15:03,490 --> 00:15:06,419
video reports

321
00:15:17,100 --> 00:15:19,129
Oh

322
00:15:19,938 --> 00:15:22,178

323
00:15:24,259 --> 00:15:26,318
you
