well I'll Sydney timing it I certainly

14
00:00:39,908 --> 00:00:43,479

16
00:00:43,479 --> 00:00:48,640

21
00:00:55,960 --> 00:00:59,768
day-to-day stuff as we all do I've got

22
00:00:58,000 --> 00:01:02,829
to do more skeptical what I've come with

23
00:00:59,768 --> 00:01:05,618

24
00:01:02,829 --> 00:01:07,989

26
00:01:07,989 --> 00:01:12,188
want to thank everybody who came up to

27
00:01:10,478 --> 00:01:13,509

28
00:01:12,188 --> 00:01:15,039

always good vibes to be honest wonderful

33
00:01:22,269 --> 00:01:26,468
people I was so pleased that people are

34
00:01:24,700 --> 00:01:27,759
enjoy listening to the podcast nice yeah

35
00:01:26,468 --> 00:01:30,968
I really like this something like that

36
00:01:27,759 --> 00:01:33,069
and people kept commenting about the

37
00:01:30,968 --> 00:01:36,638
music I did that I seriously it's not a

38
00:01:33,069 --> 00:01:38,409
theme song ah lovely in fact here we

39
00:01:36,638 --> 00:01:40,839
have a special little clip I'll play

40
00:01:38,409 --> 00:01:42,868
right now this is famous podcaster Brian

41
00:01:40,840 --> 00:01:48,659
Dunning from skip toid singing

42
00:01:42,868 --> 00:01:53,108
disgusting things I already know the

43
00:01:48,659 --> 00:01:57,219

miracle of technology so what do you

44

00:01:53,108 --> 00:01:59,169

reckon I i I'm flattered and blessed to

45

00:01:57,218 --> 00:02:01,568

have such such wonderful support that's

46

00:01:59,170 --> 00:02:03,368

lovely so what are we going to hear a

47

00:02:01,569 --> 00:02:04,689

lot about what happened is I feel like

48

00:02:03,368 --> 00:02:06,340

I've really missed out I tell you what

49

00:02:04,688 --> 00:02:08,818

this episode will be a special episode

50

00:02:06,340 --> 00:02:10,868

of little mini clips and interviews

51

00:02:08,818 --> 00:02:12,489

snippets and little bits and pieces

52

00:02:10,868 --> 00:02:14,830

including the introduction talk from

53

00:02:12,490 --> 00:02:16,150

Phil Plait and James Randi our little

54

00:02:14,830 --> 00:02:18,000

interviews with people like Garrett

55

00:02:16,150 --> 00:02:21,640

Colin you know from Skeptic Allada

56

00:02:18,000 --> 00:02:24,039

Kovacs from the J rare for how good like

57

00:02:21,639 --> 00:02:25,750

everything and over the next few

58
00:02:24,039 --> 00:02:28,030
episodes as well we have a scene like

59
00:02:25,750 --> 00:02:30,459
really bigger more oh yeah things yeah

60
00:02:28,030 --> 00:02:32,709
so that's the first part of that at this

61
00:02:30,459 --> 00:02:36,729
episode is little snippets followed by

62
00:02:32,709 --> 00:02:38,949
dr. Reggie reports hey I've favorite of

63
00:02:36,729 --> 00:02:42,159
everybody I think and that's followed by

64
00:02:38,949 --> 00:02:44,229
a think tank Las Vegas intake Las Vegas

65
00:02:42,159 --> 00:02:46,359
I gusano with the slot machines in the

66
00:02:44,229 --> 00:02:48,280
background similarly yeah lots of

67
00:02:46,360 --> 00:02:49,540
special guests and blow into people and

68
00:02:48,280 --> 00:02:51,280
lots of Australians over there actually

69
00:02:49,539 --> 00:02:53,590
you didn't see Penn & Teller at all did

70
00:02:51,280 --> 00:02:55,090
you I did you didn't I didn't go and see

71
00:02:53,590 --> 00:02:57,700
the show but I said million I met up

72
00:02:55,090 --> 00:02:58,989
with them yet ah fabulous way did you

73
00:02:57,699 --> 00:03:01,810

75
00:03:01,810 --> 00:03:05,590
father at least or something they're our

76
00:03:03,939 --> 00:03:07,359
best souvenirs and photos okay we want

77
00:03:05,590 --> 00:03:09,310
it with evidence with shipping to see

78
00:03:07,360 --> 00:03:11,080
the evidence that you met them but they

79
00:03:09,310 --> 00:03:12,280
don't leave me I'm sure there must be a

80
00:03:11,080 --> 00:03:14,050
verdict I think there are photographs

81
00:03:12,280 --> 00:03:16,449
that I've been pending the same around

82
00:03:14,050 --> 00:03:19,150

122
00:04:50,029 --> 00:04:54,709
okay funny believe what I will display

123
00:04:53,000 --> 00:04:57,288
out of us I bought myself a copy of

124
00:04:54,709 --> 00:05:00,109
death from the skull plate looks very

125
00:04:57,288 --> 00:05:02,269
scary if I open up the cover it's been

126
00:05:00,110 --> 00:05:03,949
signed by what everybody just about

127
00:05:02,269 --> 00:05:05,750
everybody in the skeptical planet I

128
00:05:03,949 --> 00:05:08,090
think you sign this michael shermer DJ

129
00:05:05,750 --> 00:05:10,009
Grothe George shrub brian dunning all of

130
00:05:08,089 --> 00:05:11,839
the skeptics guide to the universe and

131
00:05:10,009 --> 00:05:14,569
I'm actually wearing a shirt an awesome

132
00:05:11,839 --> 00:05:18,109
t-shirt as well you're gonna put this on

133
00:05:14,569 --> 00:05:21,319

self signed this copy of the book aren't

on ebay right now really it certainly is

139
00:05:31,129 --> 00:05:35,240
because a skeptic zone dr. H and I are

140
00:05:33,800 --> 00:05:37,158
going to Perth and we all right somebody

141
00:05:35,240 --> 00:05:39,319
had a razor razor man you have to cover

142
00:05:37,158 --> 00:05:41,329
the hit I because this this skeptic zone

143

00:05:39,319 --> 00:05:42,740
years is not cheap it's not chip

144
00:05:41,329 --> 00:05:44,300
sometimes but we're going over there the

145
00:05:42,740 --> 00:05:46,189
talk and spread the skeptical message

146
00:05:44,300 --> 00:05:48,468
but we have to get there so if you go to

147
00:05:46,189 --> 00:05:51,259
ebay and i'll put a link on skeptic zone

148
00:05:48,468 --> 00:05:54,079
TV but if you go to ebay and search from

149
00:05:51,259 --> 00:05:56,900
for death from the sky is an autograph

150
00:05:54,079 --> 00:05:59,149
you'll find the this book yep this book

151
00:05:56,899 --> 00:06:01,459

I brought you a gift as a little badge

153
00:06:01,459 --> 00:06:05,810
that says keep libel laws out of science

154
00:06:03,649 --> 00:06:07,728
all only think you're Emma Simon Singh

155
00:06:05,810 --> 00:06:10,459
I'm not I'll put that on my shirt right

156
00:06:07,728 --> 00:06:12,800
now thank you know from Fabulous Las

157
00:06:10,459 --> 00:06:15,228

158

00:06:12,800 --> 00:06:18,560

playing cutter as played on the tables

159

00:06:15,228 --> 00:06:20,899

here ah dodgy as are they probably a

160

00:06:18,560 --> 00:06:22,639

difficult part and so on it's great

161

00:06:20,899 --> 00:06:24,468

163

00:06:24,468 --> 00:06:28,360

this episode of the skeptics

164

00:06:43,279 --> 00:06:49,619

the amazing meeting seventh was held at

165

00:06:46,529 --> 00:06:54,079

the south point casino and spa in las

168

00:06:57,509 --> 00:07:04,349

Adam Savage Joe Nickell cannon tiller

169

00:07:00,240 --> 00:07:06,840

and many many more i arrived at Las

170

00:07:04,350 --> 00:07:09,600

Vegas Airport to be met by my old

171

00:07:06,839 --> 00:07:12,000

friends Scott and Susan Hearst they were

172
00:07:09,600 --> 00:07:15,270
a welcome sight after a sleepless flight

173
00:07:12,000 --> 00:07:17,519
from Australia after a nice hot shower I

174
00:07:15,269 --> 00:07:20,579
set out to explore the hotel only to

175
00:07:17,519 --> 00:07:22,560
bump it to James Randi himself he Phil

176
00:07:20,579 --> 00:07:25,560
Plait another's sat down with me for a

177
00:07:22,560 --> 00:07:27,780
chat and some lunch I can resist the

178
00:07:25,560 --> 00:07:43,939
temptation and often mr. Andy some

179
00:07:27,779 --> 00:07:46,949
Australian must accession oh good drew

180
00:07:43,939 --> 00:07:49,860
normally I'm Randy's food taster but

181
00:07:46,949 --> 00:07:51,478
even I draw the line at musc sticks so

182
00:07:49,860 --> 00:07:53,129
Randy's on his own with this stuff it's

183
00:07:51,478 --> 00:07:55,680
Phil Plait lying for these teeth because

184
00:07:53,129 --> 00:07:58,469
he loves must equally it's true they're

185
00:07:55,680 --> 00:08:01,680
excellent you set them on fire to

186
00:07:58,470 --> 00:08:04,080
freshen the air they ward off evil

187
00:08:01,680 --> 00:08:07,168
spirits they keep deer from eating our

188
00:08:04,079 --> 00:08:10,079
garden garden vegetables so yeah it's

189
00:08:07,168 --> 00:08:13,348
actually I'm more of a minty guy got at

190
00:08:10,079 --> 00:08:14,430
mtm guys I brought you meet these and I

191
00:08:13,348 --> 00:08:18,300
do have something

192
00:08:14,430 --> 00:08:21,180
so that I remember was a damn fine what

193
00:08:18,300 --> 00:08:23,460
is this 17 so musket am for where I got

194
00:08:21,180 --> 00:08:27,540
9 kilos at Minton's from Australia did

195
00:08:23,459 --> 00:08:29,069
you not only nine kilos was awesome it

196
00:08:27,540 --> 00:08:32,670
would take you several hour to read all

197
00:08:29,069 --> 00:08:39,960
those oh they lasted for almost a year I

198
00:08:32,669 --> 00:08:41,789
love me to love the rest of the day was

199
00:08:39,960 --> 00:08:44,310
spent catching up with friends meeting

200

00:08:41,789 --> 00:08:47,189
new friends too and wandering around the

201
00:08:44,309 --> 00:08:49,559
massive casino and hotel the next

202
00:08:47,190 --> 00:08:54,720
morning I met up with Fred Bremer for

203
00:08:49,559 --> 00:08:57,269
some pancakes our breakfast in las vegas

204
00:08:54,720 --> 00:09:00,060
i love it and I'm sitting here with Fred

205
00:08:57,269 --> 00:09:02,309
Bremer from Vancouver hi Fred hello now

206
00:09:00,059 --> 00:09:04,559
you just showing me some photographs

207
00:09:02,309 --> 00:09:06,750
from something you did which I wish wish

208
00:09:04,559 --> 00:09:09,209
I could have been there which was the

209
00:09:06,750 --> 00:09:11,879
Sasquatch shirt sort of adventure yes

210
00:09:09,210 --> 00:09:14,850
the group of us from Vancouver skeptics

211
00:09:11,879 --> 00:09:17,429
in the pub went on a skeptical Sasquatch

212
00:09:14,850 --> 00:09:18,840
camping trip a few weeks ago in British

213
00:09:17,429 --> 00:09:21,689
Columbia there's a provincial park

214
00:09:18,840 --> 00:09:23,850

called Sasquatch Provincial Park and a

215

00:09:21,690 --> 00:09:26,640

group of us drove up there a couple

216

00:09:23,850 --> 00:09:30,269

hours outside Vancouver and camped

217

00:09:26,639 --> 00:09:33,600

overnight by a small lake and we had our

218

00:09:30,269 --> 00:09:35,939

own mascot a little stuffed Sasquatch

219

00:09:33,600 --> 00:09:38,820

Mary is the stuff CSS what he looks

220

00:09:35,940 --> 00:09:41,220

great for the emmaus on yeah we had

221

00:09:38,820 --> 00:09:43,020

almost 20 of us camping overnight we had

222

00:09:41,220 --> 00:09:44,490

beautiful weather until the morning when

223

00:09:43,019 --> 00:09:46,439

we had to tear down our tents in in a

224

00:09:44,490 --> 00:09:48,200

bit of rain but Oh everybody had a great

225

00:09:46,440 --> 00:09:51,950

time

226

00:09:48,200 --> 00:09:54,020

so Vancouver skeptics in the pub sounds

227

00:09:51,950 --> 00:09:56,540

like it's a good Bend ever it's going

228

00:09:54,019 --> 00:09:58,610

quite well yes we've our numbers keep

229
00:09:56,539 --> 00:10:01,399
growing we've had almost 50 people at an

230
00:09:58,610 --> 00:10:03,379
event so yeah I'm very happy with it and

231
00:10:01,399 --> 00:10:05,299
how could people find out about that if

232
00:10:03,379 --> 00:10:07,460
you go on facebook we have our page

233
00:10:05,299 --> 00:10:09,709
there to search for Vancouver skeptics

234
00:10:07,460 --> 00:10:11,960
in the pub and if you join the group

235
00:10:09,710 --> 00:10:15,590
then when we schedule our next event

236
00:10:11,960 --> 00:10:18,050
will send out invitations and RSVP and

237
00:10:15,590 --> 00:10:19,820
we hope to see people come out thanks

238
00:10:18,049 --> 00:10:24,139
right let's let's eat our pancakes and

239
00:10:19,820 --> 00:10:26,540
just look through that a Kovacs is known

240
00:10:24,139 --> 00:10:29,090
to many of you she works for the JREF

241
00:10:26,539 --> 00:10:34,519
and this year was her first time as one

242
00:10:29,090 --> 00:10:36,620
of the organizers of Tam so amazing

243
00:10:34,519 --> 00:10:39,350
meeting is sort of really underway isn't

244
00:10:36,620 --> 00:10:41,060
today I think so excited I am very

245
00:10:39,350 --> 00:10:43,759
excited about it I'm actually thrilled

246
00:10:41,059 --> 00:10:45,889
at 20 here Hey look relieved and happy

247
00:10:43,759 --> 00:10:49,069
and just you can't wait yeah I can't

248
00:10:45,889 --> 00:10:52,250
wait any other thing is via I have been

249
00:10:49,070 --> 00:10:53,810
until this year just a guest and of the

250
00:10:52,250 --> 00:10:56,029
amazing meeting and now I work with the

251
00:10:53,809 --> 00:10:58,789
J rough and we always think that the

252
00:10:56,029 --> 00:11:00,259
team at the j ref works so hard no idea

253
00:10:58,789 --> 00:11:03,309
we've no idea how are they work it's

254
00:11:00,259 --> 00:11:06,740
crazy and everybody's thinking of one

255
00:11:03,309 --> 00:11:08,389
one or two or three of five different

256
00:11:06,740 --> 00:11:09,500
things that nobody else is thinking and

257

00:11:08,389 --> 00:11:11,299
everyone's coming to you to ask

258
00:11:09,500 --> 00:11:14,990
questions yeah and you only all you ever

259
00:11:11,299 --> 00:11:16,309
do is just try and keep up so I'm really

260
00:11:14,990 --> 00:11:18,470
thrilled to be here I'm really thrilled

261
00:11:16,309 --> 00:11:22,159
that it's almost all the prep is almost

262
00:11:18,470 --> 00:11:24,870
done that's it I guess I'm glad you're

263
00:11:22,159 --> 00:11:30,449
here thank you thank you a thanks

264
00:11:24,870 --> 00:11:32,370
busy voucher we now come to the first

265
00:11:30,450 --> 00:11:35,100
official night and the Welcome Dinner

266
00:11:32,370 --> 00:11:37,589
let's hear from our hosts how bid lack

267
00:11:35,100 --> 00:11:40,740
Phil Plait the president of the James

268
00:11:37,589 --> 00:11:59,000
Randi Educational Foundation and mr.

269
00:11:40,740 --> 00:12:06,149
Randy himself us like to welcome a

270
00:11:59,000 --> 00:12:09,028
28-day that's we have to get a whole

271
00:12:06,149 --> 00:12:12,059

bunch of different park saturday it's a

272

00:12:09,028 --> 00:12:13,289

great way to be back at m7 SI somos a

273

00:12:12,059 --> 00:12:15,209

little more tomorrow we just want to

274

00:12:13,289 --> 00:12:17,069

become feel welcome tonight and remember

275

00:12:15,210 --> 00:12:18,839

that were part of a larger community in

276

00:12:17,070 --> 00:12:21,778

friend so make sure you should answer a

277

00:12:18,839 --> 00:12:24,540

call to action and it was just some

278

00:12:21,778 --> 00:12:27,028

table to hear i want to news now just in

279

00:12:24,539 --> 00:12:30,649

brief remarks is the president of the j

280

00:12:27,028 --> 00:12:30,649

training education foundation

281

00:12:52,490 --> 00:12:58,438

thanks al well I asked me if I could

282

00:12:56,879 --> 00:13:00,750

make some comments and then said

283

00:12:58,438 --> 00:13:04,049

everything I was going to say evoke a

284

00:13:00,750 --> 00:13:08,578

few skeptics so I think that that's it

285

00:13:04,049 --> 00:13:10,500

not for those of you could have been to

286
00:13:08,578 --> 00:13:13,109
tamp before you know what you're getting

287
00:13:10,500 --> 00:13:21,809
into for those who haven't I'm sorry

288
00:13:13,110 --> 00:13:24,209
about how jokes limit this chair is a

289
00:13:21,809 --> 00:13:26,278
unique experience in San Francisco we're

290
00:13:24,208 --> 00:13:29,008
going to talk about this tomorrow what I

291
00:13:26,278 --> 00:13:30,688
want to say is this reception is part

292
00:13:29,009 --> 00:13:33,180
and parcel of what we're about it's

293
00:13:30,688 --> 00:13:36,360
mingling it's having fun is laughing and

294
00:13:33,179 --> 00:13:38,128
it's being here together then tan we are

295
00:13:36,360 --> 00:13:41,250
super super proud and this came up

296
00:13:38,129 --> 00:13:43,560
really organically of having our guests

297
00:13:41,250 --> 00:13:45,629
and everybody mingling everybody here is

298
00:13:43,559 --> 00:13:47,638
together to promote skepticism in

299
00:13:45,629 --> 00:13:49,139
critical thinking so I know some of you

300
00:13:47,639 --> 00:13:51,089
were shy you don't want to come up to

301
00:13:49,139 --> 00:13:53,818
people like like grand ears from some

302
00:13:51,089 --> 00:13:56,730
folks walk up to us walk up to them walk

303
00:13:53,818 --> 00:13:59,370
to anybody and say hi we are a community

304
00:13:56,730 --> 00:14:01,110
here that is what the jailer has

305
00:13:59,370 --> 00:14:05,028
provided at the prosthetic system is our

306
00:14:01,110 --> 00:14:07,800
most important tool and an agreement to

307
00:14:05,028 --> 00:14:09,990
schedule some itself and is people's

308
00:14:07,799 --> 00:14:11,969
ability to meet each other in people and

309
00:14:09,990 --> 00:14:14,399
build on each other's experience on skin

310
00:14:11,970 --> 00:14:19,439
have fun get out there it helps you be a

311
00:14:14,399 --> 00:14:22,259
little bit to drink also raise money for

312
00:14:19,438 --> 00:14:24,480
the giraffe you know if they see so many

313
00:14:22,259 --> 00:14:26,938
person right foot boat feel free to buy

314

00:14:24,480 --> 00:14:29,639
eight or nine copies and topographic

315
00:14:26,938 --> 00:14:32,818
anything like that and let me add to

316
00:14:29,639 --> 00:14:35,818
that at six o'clock in the poke room is

317
00:14:32,818 --> 00:14:39,899
the airport favorite overturning you can

318
00:14:35,818 --> 00:14:44,610
just give me a running a solenoid I tend

319
00:14:39,899 --> 00:14:48,750
to lose with a carrot and I just been

320
00:14:44,610 --> 00:14:50,068
informed yes and the magic show is on

321
00:14:48,750 --> 00:14:54,870
the other side of this wall at eight

322
00:14:50,068 --> 00:14:57,599
o'clock and so that's going to be great

323
00:14:54,870 --> 00:14:59,159
so have fun and I think that's the most

324
00:14:57,600 --> 00:15:02,990
important thing about this whole weekend

325
00:14:59,159 --> 00:15:02,990
have fun thank you

326
00:15:10,850 --> 00:15:13,850
Randy

327
00:15:25,230 --> 00:15:31,269
thank you very very much in dania from

328
00:15:28,418 --> 00:15:33,338

are becoming every minute I can't

329

00:15:31,269 --> 00:15:36,039

express my gratitude you're showing up

330

00:15:33,339 --> 00:15:39,850

it's good to see all of you and you're

331

00:15:36,039 --> 00:15:41,969

not in too big to touch the flesh I want

332

00:15:39,850 --> 00:15:45,369

to catch other let alone transmission

333

00:15:41,970 --> 00:15:52,418

I've got to be transferred so rich

334

00:15:45,369 --> 00:15:54,069

widows proper documentation first so I

335

00:15:52,418 --> 00:15:56,909

mean is Agathe thank you for being here

336

00:15:54,068 --> 00:16:01,078

this where the Wonder Robin by you and

337

00:15:56,909 --> 00:16:01,078

you're not have occasionally

338

00:16:15,879 --> 00:16:22,179

i'm here with how big black who's out

339

00:16:18,100 --> 00:16:24,340

coached just host today how are you

340

00:16:22,179 --> 00:16:26,049

today and I wasn't too bad for a guy

341

00:16:24,340 --> 00:16:28,060

from Colorado it wasn't too bad at all

342

00:16:26,049 --> 00:16:29,620

that's all I know with it something

343
00:16:28,059 --> 00:16:33,339
about a bday and then that's it I don't

344
00:16:29,620 --> 00:16:35,019
know every day I see so we just had the

345
00:16:33,340 --> 00:16:36,340
pleasure of having a changed man

346
00:16:35,019 --> 00:16:41,409
becoming guru but what was the name

347
00:16:36,340 --> 00:16:43,120
again the amazing want to turn out look

348
00:16:41,409 --> 00:16:44,620
at this how I mean there's a sea of

349
00:16:43,120 --> 00:16:47,139
people right to the other end of the

350
00:16:44,620 --> 00:16:48,730
room thousand plus 1,000 people all the

351
00:16:47,139 --> 00:16:50,529
people now gathered around James Randi

352
00:16:48,730 --> 00:16:52,120
madly taking photographs and everything

353
00:16:50,529 --> 00:16:56,049
one guy took his wallet it's a touching

354
00:16:52,120 --> 00:16:57,600
soon it's very touching and it's so nice

355
00:16:56,049 --> 00:16:59,559
that Randy could be here once again

356
00:16:57,600 --> 00:17:00,879
absolutely indeed the amazing meeting

357
00:16:59,559 --> 00:17:04,480
without the amazing Randi would just

358
00:17:00,879 --> 00:17:05,949
feed the meeting that's right it's duly

359
00:17:04,480 --> 00:17:08,289
good it'd be good but it wouldn't be

360
00:17:05,949 --> 00:17:10,060
quite as a ready Baeza so this year it

361
00:17:08,289 --> 00:17:12,009
truly is amazing and we're so pleased

362
00:17:10,059 --> 00:17:13,088
that you're you yourself I hate to say

363
00:17:12,009 --> 00:17:16,088
nice things about you on your own

364
00:17:13,088 --> 00:17:17,349
podcast but here are you can it's okay

365
00:17:16,088 --> 00:17:19,958
well I'm sure this will be edited

366
00:17:17,349 --> 00:17:21,399
cleverly I hate to say video we've been

367
00:17:19,959 --> 00:17:22,959
friends a while you're the remarkable

368
00:17:21,400 --> 00:17:25,180
talent you're a very important skeptic

369
00:17:22,959 --> 00:17:26,709
what you do down under is so important

370
00:17:25,180 --> 00:17:28,779
and we're so glad you would travel all

371

00:17:26,709 --> 00:17:30,610
this distance to be with us in and I've

372
00:17:28,779 --> 00:17:32,200
met at least the other Australian I

373
00:17:30,609 --> 00:17:33,909
suspect we have even more oh yeah

374
00:17:32,200 --> 00:17:36,160
there's a room out there full of them

375
00:17:33,910 --> 00:17:37,840
you have silver I option and we're just

376
00:17:36,160 --> 00:17:39,490
delighted you're here and it wouldn't be

377
00:17:37,839 --> 00:17:42,269
tan without shipping thank you how thank

378
00:17:39,490 --> 00:17:42,269
you very much my pleasure

379
00:17:43,519 --> 00:17:48,149
the next morning more than 1,000 people

380
00:17:46,558 --> 00:17:51,000
took their seats in the grand ballroom

381
00:17:48,148 --> 00:17:54,058
for the first session of the amazing

382
00:17:51,000 --> 00:18:04,409
meeting again let's hear from how Phil

383
00:17:54,058 --> 00:18:06,918
and mr. Andy excellent family battles

384
00:18:04,409 --> 00:18:09,950
flights of fancy search the world over

385
00:18:06,919 --> 00:18:13,019

you sleepin on constant movement

386

00:18:09,950 --> 00:18:16,980
clarinex felt ignored is a popular

387

00:18:13,019 --> 00:18:18,960
author in train science education and

388

00:18:16,980 --> 00:18:22,860
science of general the clarity of vision

389

00:18:18,960 --> 00:18:25,470
I had not seen since Carl Sagan James

390

00:18:22,859 --> 00:18:29,008
Randy's purposes teal a mysterious

391

00:18:25,470 --> 00:18:31,740
lyrics for the world journal in position

392

00:18:29,009 --> 00:18:35,069
and protected s bogom some saturdays a

393

00:18:31,740 --> 00:18:37,679
new position to determine the edge of

394

00:18:35,069 --> 00:18:39,509
darkness versus an epithet miss you in

395

00:18:37,679 --> 00:18:42,720
the proper direction does it ever be

396

00:18:39,509 --> 00:18:44,700
he's imagining the conference it's

397

00:18:42,720 --> 00:18:47,399
whining on who's raining probably tool

398

00:18:44,700 --> 00:18:53,610
and a television he live he also told me

399

00:18:47,398 --> 00:18:54,788
I had a great teacher of Santa and like

400
00:18:53,609 --> 00:18:57,649
many designs

401
00:18:54,788 --> 00:19:00,109
the books these world-famous for his

402
00:18:57,650 --> 00:19:02,720
presentation skills and for his life's

403
00:19:00,109 --> 00:19:04,939
work as a bright light chain of the dark

404
00:19:02,720 --> 00:19:06,890
corners of our world but not something

405
00:19:04,940 --> 00:19:09,230
common rule he is simply the most

406
00:19:06,890 --> 00:19:10,759
important skeptic in the world today and

407
00:19:09,230 --> 00:19:15,490
these are mobile so please welcome the

408
00:19:10,759 --> 00:19:15,490
first target go play and then James

409
00:19:32,819 --> 00:19:40,288
oh all these people at this place goes

410
00:19:36,750 --> 00:19:42,089
way back in business I guess how can we

411
00:19:40,288 --> 00:19:45,269
tall like our self working on the podium

412
00:19:42,089 --> 00:19:46,769
there I was just told by one of our

413
00:19:45,269 --> 00:19:48,839
speakers that anything said an

414
00:19:46,769 --> 00:19:52,740
introduction is true so I can't deny how

415
00:19:48,839 --> 00:19:57,000
I said except none of the jokes about

416
00:19:52,740 --> 00:19:58,769
the animal I suppose this is this is

417
00:19:57,000 --> 00:20:00,440
actually our eighth 10 I hate to

418
00:19:58,769 --> 00:20:03,028
contradict out but we did have a

419
00:20:00,440 --> 00:20:06,269
actually and that's alive so I guess not

420
00:20:03,028 --> 00:20:08,519
donate this mystery we did have

421
00:20:06,269 --> 00:20:11,099
intermediate santan 5.5 a few years ago

422
00:20:08,519 --> 00:20:14,970
and how many people have been to every

423
00:20:11,099 --> 00:20:16,888
single meeting here I say anything away

424
00:20:14,970 --> 00:20:19,139
that has forces elite are there and I'm

425
00:20:16,888 --> 00:20:22,019
like shiny message this one you know a

426
00:20:19,138 --> 00:20:24,778
few of you that's that's very cool then

427
00:20:22,019 --> 00:20:28,138
these have been astonishing series of

428

00:20:24,778 --> 00:20:29,909
meetings where it started off to be

429
00:20:28,138 --> 00:20:34,439
decently a couple hundred people and now

430
00:20:29,909 --> 00:20:36,059
we have a few more I just I'd love to

431
00:20:34,440 --> 00:20:38,490
talk so much about all this because it's

432
00:20:36,058 --> 00:20:41,428
been so much but you didn't pay to

433
00:20:38,490 --> 00:20:45,269
listen to me talk did you you got

434
00:20:41,429 --> 00:20:47,250
screwed I'm gonna let me come up here

435
00:20:45,269 --> 00:20:49,679
and really open conference for sure I

436
00:20:47,250 --> 00:20:52,648
want to say that we're here really for

437
00:20:49,679 --> 00:20:54,240
three reasons we're hearing great

438
00:20:52,648 --> 00:20:55,918
speakers of course we always have died

439
00:20:54,240 --> 00:20:58,829
many blind speakers and this year is no

440
00:20:55,919 --> 00:21:00,210
exception of very excited about every

441
00:20:58,829 --> 00:21:02,460
every single person is going to be up

442
00:21:00,210 --> 00:21:04,710

here and some of the real friends some

443

00:21:02,460 --> 00:21:07,200

overdue friends but they all have very

444

00:21:04,710 --> 00:21:09,389

very interesting things to say about the

445

00:21:07,200 --> 00:21:11,669

reasons that we're here today another

446

00:21:09,388 --> 00:21:14,459

reason we're here of course is to see

447

00:21:11,669 --> 00:21:15,370

Randy there's if there's one major

448

00:21:14,460 --> 00:21:17,710

reason

449

00:21:15,369 --> 00:21:19,989

the reason that these meetings exist

450

00:21:17,710 --> 00:21:22,090

it's because of rain is we're here

451

00:21:19,990 --> 00:21:24,759

because he helped start the modern

452

00:21:22,089 --> 00:21:27,039

skeptical woman is still a force of

453

00:21:24,759 --> 00:21:30,730

nature in a modest kept government and

454

00:21:27,039 --> 00:21:34,000

it is his face man so that that's where

455

00:21:30,730 --> 00:21:36,460

I guess right here but if that's why

456

00:21:34,000 --> 00:21:38,920

you're riginal tams through so much

457
00:21:36,460 --> 00:21:40,750
there's another reason why there are so

458
00:21:38,920 --> 00:21:43,090
many people here is because there are so

459
00:21:40,750 --> 00:21:44,859
many people here it's all as a

460
00:21:43,089 --> 00:21:46,899
self-fulfilling prophecy I've use that

461
00:21:44,859 --> 00:21:50,259
word there are a lot of people here

462
00:21:46,900 --> 00:21:53,170
because of the community at some point a

463
00:21:50,259 --> 00:21:55,929
few years ago this community of skeptics

464
00:21:53,170 --> 00:21:58,840
reached a critical mass and this

465
00:21:55,929 --> 00:22:00,370
grassroots movement itself became the

466
00:21:58,839 --> 00:22:02,558
mainstream skeptical movement uh huh

467
00:22:00,369 --> 00:22:05,079
sure exactly how it happens when when

468
00:22:02,558 --> 00:22:08,019
something becomes a self-drive industry

469
00:22:05,079 --> 00:22:10,240
but we are here because of each other

470
00:22:08,019 --> 00:22:11,980
because of the community and there are

471
00:22:10,240 --> 00:22:13,000
there a lot of expendable person country

472
00:22:11,980 --> 00:22:17,110
and they all be different things and

473
00:22:13,000 --> 00:22:20,289
they'll do very well but somehow the jf

474
00:22:17,109 --> 00:22:24,039
began the touchstone for the people who

475
00:22:20,289 --> 00:22:25,869
sells and as that's how so sir well good

476
00:22:24,039 --> 00:22:28,990
with with reading song with with robert

477
00:22:25,869 --> 00:22:32,199
lancaster people just say hey I can do

478
00:22:28,990 --> 00:22:34,690
this I mean sa decision ears Garza I

479
00:22:32,200 --> 00:22:36,670
think I can sit down and then debug ye

480
00:22:34,690 --> 00:22:40,299
egg stand on and on the first spring

481
00:22:36,670 --> 00:22:42,100
come on right and so it's in all of it

482
00:22:40,299 --> 00:22:44,319
if I think that I'm not only this kind

483
00:22:42,099 --> 00:22:46,808
of line if I can do that everybody can

484
00:22:44,319 --> 00:22:48,220
do it in one person at a time we now

485

00:22:46,808 --> 00:22:50,410
have so many people in this movement

486
00:22:48,220 --> 00:22:54,880
doing so many good things cover so much

487
00:22:50,410 --> 00:22:58,090
ground and speaking of that us that's

488
00:22:54,880 --> 00:23:00,730
why we are here it is how said we may

489
00:22:58,089 --> 00:23:03,039
disagree on religion we may disagree on

490
00:23:00,730 --> 00:23:04,779
politics I'll guarantee you that we may

491
00:23:03,039 --> 00:23:07,720
even disagree on our exist

492
00:23:04,779 --> 00:23:10,779
existence of UFOs but we all agree on

493
00:23:07,720 --> 00:23:13,329
how to disagree we all agree on how to

494
00:23:10,779 --> 00:23:15,430
decide whether agree disagree and we're

495
00:23:13,329 --> 00:23:17,649
all going to agree on how do we reach

496
00:23:15,430 --> 00:23:19,750
those conclusions that's the rationale

497
00:23:17,650 --> 00:23:22,509
front thought that's your skepticism

498
00:23:19,750 --> 00:23:24,670
critical thinking and hopefully the lack

499
00:23:22,509 --> 00:23:26,799

of logical fallacies that we see out

500

00:23:24,670 --> 00:23:28,750

there so much and it's those logical

501

00:23:26,799 --> 00:23:30,250

fallacies that we are here to try to

502

00:23:28,750 --> 00:23:32,470

minimize it something you know either

503

00:23:30,250 --> 00:23:34,480

leaves rate and rhythm as long as we

504

00:23:32,470 --> 00:23:36,009

have squishy grave all brains my head

505

00:23:34,480 --> 00:23:38,769

we're never going to totally get ready

506

00:23:36,009 --> 00:23:40,480

sent but there are ways to minimize one

507

00:23:38,769 --> 00:23:42,400

of them for example is through the

508

00:23:40,480 --> 00:23:44,140

million dollar challenge and that is

509

00:23:42,400 --> 00:23:45,400

something that many of you attend the

510

00:23:44,140 --> 00:23:47,410

workshop yesterday with Jeff Kennett

511

00:23:45,400 --> 00:23:49,780

analysis Smith is a great workshop on

512

00:23:47,410 --> 00:23:51,610

how to make up childhood we're going to

513

00:23:49,779 --> 00:23:54,069

have Lyme million dollar challenge here

514
00:23:51,609 --> 00:23:55,509
on Sunday executive and that's so

515
00:23:54,069 --> 00:23:57,299
there's some information in your packet

516
00:23:55,509 --> 00:23:59,680
about that I would urge you to read it

517
00:23:57,299 --> 00:24:01,389
because we have some rules about that

518
00:23:59,680 --> 00:24:02,590
because you do not know this is

519
00:24:01,390 --> 00:24:04,930
something that's been set up for many

520
00:24:02,589 --> 00:24:06,849
years that if you can prove some sort of

521
00:24:04,930 --> 00:24:08,860
psychic claims is our paranormal plan

522
00:24:06,849 --> 00:24:13,599
that we would get two million dollars

523
00:24:08,859 --> 00:24:15,399
now that easy I kind of have to prove it

524
00:24:13,599 --> 00:24:18,219
a true and statistically or at least

525
00:24:15,400 --> 00:24:20,050
show us that by random chance would be

526
00:24:18,220 --> 00:24:25,269
highly highly unlikely to what you've

527
00:24:20,049 --> 00:24:26,950
done is is not at least non-psychic

528
00:24:25,269 --> 00:24:30,819
drive them negatives in their job well

529
00:24:26,950 --> 00:24:33,130
done about a year ago you're gonna have

530
00:24:30,819 --> 00:24:34,599
to go we decided that really don't

531
00:24:33,130 --> 00:24:36,700
challenge was starting to become a bit

532
00:24:34,599 --> 00:24:38,559
of an albatross we have so many people

533
00:24:36,700 --> 00:24:41,039
trying to take take take on the

534
00:24:38,559 --> 00:24:44,799
challenge so many of these claims are

535
00:24:41,039 --> 00:24:47,139
difficult to understand it's actually

536
00:24:44,799 --> 00:24:49,419
hard to say for somebody is as cheap

537
00:24:47,140 --> 00:24:52,690
pointed out yesterday workshop if

538
00:24:49,420 --> 00:24:54,580
somebody says I can predict a card off

539
00:24:52,690 --> 00:24:57,490
the top of the deck fifty percent of the

540
00:24:54,579 --> 00:24:58,329
time you they never seen that they sort

541
00:24:57,490 --> 00:25:00,190
of trying to make

542

00:24:58,329 --> 00:25:01,778
they never get a number they never say

543
00:25:00,190 --> 00:25:04,750
exactly what they can do and so it's a

544
00:25:01,778 --> 00:25:06,880
huge drain on our staff time and our

545
00:25:04,750 --> 00:25:10,480
staff energy to have to process all of

546
00:25:06,880 --> 00:25:11,919
these applicants so we decided to

547
00:25:10,480 --> 00:25:13,899
withdraw the million-dollar challenge we

548
00:25:11,919 --> 00:25:16,538
figured its job is basically them done

549
00:25:13,898 --> 00:25:18,459
and we're going to discontinue it well

550
00:25:16,538 --> 00:25:20,319
after talking with Randy and some other

551
00:25:18,460 --> 00:25:23,079
people I have been given permission to

552
00:25:20,319 --> 00:25:25,288
stay here today that that is no longer

553
00:25:23,079 --> 00:25:25,288
true

554
00:25:31,440 --> 00:25:36,000
I'm really happy about this the

555
00:25:33,329 --> 00:25:38,668
million-dollar challenge is a hammer and

556
00:25:36,000 --> 00:25:40,288

it is and we know you know I'm saying is

557

00:25:38,669 --> 00:25:44,669

when you have a hammer everything's

558

00:25:40,288 --> 00:25:46,798

avail the million-dollar challenge is an

559

00:25:44,669 --> 00:25:50,220

excellent tool to show the press and the

560

00:25:46,798 --> 00:25:52,138

show the public that not necessarily the

561

00:25:50,220 --> 00:25:53,370

psychic powers do not exist but then

562

00:25:52,138 --> 00:25:55,798

most people who are claiming to have

563

00:25:53,369 --> 00:25:57,599

psychic powers are incorrect and this

564

00:25:55,798 --> 00:25:59,190

will continue now I'm not going to say

565

00:25:57,599 --> 00:26:01,709

how is going to do because we're not

566

00:25:59,190 --> 00:26:03,090

sure we're looking into investing we're

567

00:26:01,710 --> 00:26:04,769

trying to figure out a way to do this to

568

00:26:03,089 --> 00:26:07,408

bring it into the 21st century kicking

569

00:26:04,769 --> 00:26:09,990

and screaming so that it streamlines the

570

00:26:07,409 --> 00:26:12,929

process makes it more efficient and that

571
00:26:09,990 --> 00:26:14,849
we can use it in a way to even broaden

572
00:26:12,929 --> 00:26:17,730
what it's already been doing it and that

573
00:26:14,849 --> 00:26:21,148
is to show people the world for the way

574
00:26:17,730 --> 00:26:24,659
it is and that is real rational and and

575
00:26:21,148 --> 00:26:26,099
if I'm a scientific so I'm really really

576
00:26:24,659 --> 00:26:28,259
glad about that we talked a little bit

577
00:26:26,099 --> 00:26:33,028
about the more on that favorite thank

578
00:26:28,259 --> 00:26:35,460
you so enough enough about about me and

579
00:26:33,028 --> 00:26:37,378
from me you're here to see Randy and I

580
00:26:35,460 --> 00:26:39,419
want to let him close us out and let me

581
00:26:37,378 --> 00:26:41,609
say that I love being able to do this

582
00:26:39,419 --> 00:26:42,870
sometimes a quote from a book I've read

583
00:26:41,609 --> 00:26:45,178
a couple of times I hope many of you

584
00:26:42,869 --> 00:26:46,558
have as well somebody about this meeting

585
00:26:45,179 --> 00:26:48,659
with our speakers talking all these

586
00:26:46,558 --> 00:26:49,859
diverse subjects some of which you may

587
00:26:48,659 --> 00:26:51,539
know about some ways you know you're

588
00:26:49,859 --> 00:26:52,918
guaranteed to learn about a lot of

589
00:26:51,538 --> 00:26:54,808
different things here over the next

590
00:26:52,919 --> 00:26:56,639
couple of days all of them have

591
00:26:54,808 --> 00:26:58,138
something in common that is weight

592
00:26:56,638 --> 00:27:01,319
whether it's about optical illusions or

593
00:26:58,138 --> 00:27:04,138
science or geekery or skepticism or win

594
00:27:01,319 --> 00:27:06,928
we're all about the critical thinking

595
00:27:04,138 --> 00:27:10,258
we're all about seeing through the fog

596
00:27:06,929 --> 00:27:12,480
and seeing what's real and so let me say

597
00:27:10,259 --> 00:27:14,788
that you should let the scales fall from

598
00:27:12,480 --> 00:27:17,370
your eyes because the truth shall set

599

00:27:14,788 --> 00:27:19,440
you free and here is a man who has been

600
00:27:17,369 --> 00:27:22,699
doing that for a long long time and that

601
00:27:19,440 --> 00:27:22,700
is James ring

602
00:28:00,079 --> 00:28:12,899
regional apertures in Florida have

603
00:28:09,119 --> 00:28:15,889
they're used for different purposes some

604
00:28:12,900 --> 00:28:18,570
of our birth mothers as security stuff

605
00:28:15,890 --> 00:28:23,009
that's what we want any photographic you

606
00:28:18,569 --> 00:28:27,210
would get pretty serious dr. keeping it

607
00:28:23,009 --> 00:28:31,289
hurts and things like that this is by a

608
00:28:27,210 --> 00:28:34,590
t-shirt on both you haven't seen this

609
00:28:31,289 --> 00:28:40,048
product of expertise and Patrick and the

610
00:28:34,589 --> 00:28:42,149
hazing doing extremely proud and humbled

611
00:28:40,048 --> 00:28:45,960
by the fact all of you folks showing up

612
00:28:42,150 --> 00:28:50,220
here here what we all we have to say or

613
00:28:45,960 --> 00:28:53,340

the schedule I want to thank how about

614

00:28:50,220 --> 00:28:57,150
the remote / beach already

615

00:28:53,339 --> 00:28:59,159
I tell me thanks most of the people but

616

00:28:57,150 --> 00:29:03,840
I move to thank you to what I'm going to

617

00:28:59,160 --> 00:29:06,840
break people rated saw record Jeremiah

618

00:29:03,839 --> 00:29:10,470
and repeated is coming over the years if

619

00:29:06,839 --> 00:29:13,349
not amazed at the city grow through this

620

00:29:10,470 --> 00:29:16,680
annual event we are appropriately

621

00:29:13,349 --> 00:29:21,509
grateful for your presence here but I

622

00:29:16,680 --> 00:29:27,090
must explain my son subdued occurs this

623

00:29:21,509 --> 00:29:29,609
is why I also say a t-bar curator 23 of

624

00:29:27,089 --> 00:29:32,009
your routine that an examination or a

625

00:29:29,609 --> 00:29:35,009
month ago who's discovery that I had and

626

00:29:32,009 --> 00:29:36,690
that's the visitor inside of me very

627

00:29:35,009 --> 00:29:41,490
stunning example of intelligent design

628
00:29:36,690 --> 00:29:43,860
report why not going in that may be

629
00:29:41,490 --> 00:29:46,170
moved it I think it will be up again

630
00:29:43,859 --> 00:29:48,449
I'll be pretty through our combo box yet

631
00:29:46,170 --> 00:29:51,029
but I assure you that I'm fighting this

632
00:29:48,450 --> 00:29:53,279
thing with the very best technical help

633
00:29:51,029 --> 00:29:55,769
I'm on an all shy on the brisket

634
00:29:53,279 --> 00:29:57,599
technology I'll be able to keep up with

635
00:29:55,769 --> 00:30:00,660
my regular duties as the treatment

636
00:29:57,599 --> 00:30:03,179
proceedings this is the reason that you

637
00:30:00,660 --> 00:30:05,730
have not seen any recent videos from me

638
00:30:03,180 --> 00:30:08,900
of course I'm very fortunate that good

639
00:30:05,730 --> 00:30:12,180
friends like Phil Plait that bastrop

640
00:30:08,900 --> 00:30:15,210
along with the ever present ever

641
00:30:12,180 --> 00:30:18,210
diligent and very Pierce with Michelle

642
00:30:15,210 --> 00:30:19,660
over the back here they stepped in to

643
00:30:18,210 --> 00:30:22,600
manage and her such

644
00:30:19,660 --> 00:30:25,320
the camps and I think the results speak

645
00:30:22,599 --> 00:30:25,319
for themselves

646
00:30:30,460 --> 00:30:36,430
I will say the public responded by Otis

647
00:30:34,210 --> 00:30:39,009
has been very generous and flattering

648
00:30:36,430 --> 00:30:41,980
I've got all the war America stop

649
00:30:39,009 --> 00:30:43,569
important our work is and I tend to stay

650
00:30:41,980 --> 00:30:46,690
around a long time because I've got a

651
00:30:43,569 --> 00:30:48,369
lot to do by ptosis is good even though

652
00:30:46,690 --> 00:30:51,190
I decided to go along with this whole

653
00:30:48,369 --> 00:30:53,439
fashion than my car oh yes Orthodox

654
00:30:51,190 --> 00:30:55,870
medicine and I'm coming back on the

655
00:30:53,440 --> 00:31:01,750
birds and fake doing and opting for a

656

00:30:55,869 --> 00:31:03,579
minimal voodoo ceremony tomorrow I have

657
00:31:01,750 --> 00:31:05,880
to make a special cocktail when

658
00:31:03,579 --> 00:31:08,649
considering the eyes right down here

659
00:31:05,880 --> 00:31:10,860
thought of that genre my personal

660
00:31:08,650 --> 00:31:10,860
assistant

661
00:31:18,999 --> 00:31:22,879
these numbers her she was home on the

662
00:31:21,349 --> 00:31:26,058
other side of the road before resuming

663
00:31:22,878 --> 00:31:28,459
his interrupted academic studies once

664
00:31:26,058 --> 00:31:30,470
more I evening are the opportunity of

665
00:31:28,460 --> 00:31:33,558
meeting his folks or with us here at cam

666
00:31:30,470 --> 00:31:36,169
to our brief delay Sean took out a whole

667
00:31:33,558 --> 00:31:38,599
year to serve as the data resident

668
00:31:36,169 --> 00:31:41,809
injured I'm very grateful to for his

669
00:31:38,599 --> 00:31:45,428
most excellent excellent attendance on I

670
00:31:41,808 --> 00:31:50,178

671

00:31:45,429 --> 00:31:52,369

Sean thank you John will be response for

672

00:31:50,179 --> 00:31:54,499

I think by Brandon Tate dork who now

673

00:31:52,368 --> 00:31:58,038

takes on the job of saving me from at

674

00:31:54,499 --> 00:32:00,589

least some of our readers hair and then

675

00:31:58,038 --> 00:32:03,230

would look special harder I want to

676

00:32:00,589 --> 00:32:10,819

thank Tim against West as you saw i hate

677

00:32:03,230 --> 00:32:12,829

678

00:32:10,819 --> 00:32:15,739

Jamie what should be a very Henderson

679

00:32:12,829 --> 00:32:19,579

impressed embarrassing discussion he's

680

00:32:15,739 --> 00:32:33,028

got some old videos all but okay

681

00:32:19,579 --> 00:32:35,129

93 collapse be down there a Berber

682

00:32:33,028 --> 00:32:37,619

683

00:32:35,130 --> 00:32:39,659

687
00:32:48,869 --> 00:32:54,959
have two very gentle Iranian folks on

688
00:32:52,829 --> 00:32:56,970
that today respond to although I'm

689
00:32:54,960 --> 00:32:59,750
station which room manning the video

690
00:32:56,970 --> 00:32:59,750
recording

691
00:33:03,170 --> 00:33:08,759
Ellen Smith who manages the rule happen

692
00:33:06,390 --> 00:33:11,730
for us there is a gargantuan job right

693
00:33:08,759 --> 00:33:13,829
there and exchanging all kinds of

694
00:33:11,730 --> 00:33:17,640
information would be very strange people

695
00:33:13,829 --> 00:33:20,309
and them are very trying to friend

696
00:33:17,640 --> 00:33:23,070
lieutenant colonel help it by the first

697
00:33:20,309 --> 00:33:25,169
it's always good to see that facial I'm

698
00:33:23,069 --> 00:33:27,329
walking below these techniques I look

699
00:33:25,170 --> 00:33:37,830
around as soon as I see Ali everything

700
00:33:27,329 --> 00:33:40,319
okay Cal sure back it up in charge of

701
00:33:37,829 --> 00:33:43,199

702
00:33:40,319 --> 00:33:46,319
coolest thoughts yes two important Scott

703
00:33:43,200 --> 00:33:48,900
Scott Morrison is not here yet but he is

704
00:33:46,319 --> 00:33:52,049
a former editor of ami magazine a very

705
00:33:48,900 --> 00:33:54,540
capable supporter 2jf at my effort that

706
00:33:52,049 --> 00:34:00,750
name moved to go in that position many

707
00:33:54,539 --> 00:34:03,180
many moons ago and Stassi volunteer

708
00:34:00,750 --> 00:34:05,609
question you see the dress shirts with

709
00:34:03,180 --> 00:34:07,860
the floral aroma folks ask any of these

710
00:34:05,609 --> 00:34:10,650
folks any question at all they will have

711
00:34:07,859 --> 00:34:13,609
you are the volunteer staff we could do

712
00:34:10,650 --> 00:34:13,610
it without a budget

713

00:34:18,110 --> 00:34:28,710
at last night I was through the compound

714
00:34:24,659 --> 00:34:32,519
the fact that Bob Manchester Sylvia

715
00:34:28,710 --> 00:34:34,110
Browne nemesis is here with us and he's

716
00:34:32,519 --> 00:34:37,469
looking greater than I thought he would

717
00:34:34,110 --> 00:34:40,490
he is making a great recovery so happy

718
00:34:37,469 --> 00:34:40,489
to welcome him

719
00:34:48,849 --> 00:34:53,809
that's not expect over an hour something

720
00:34:51,918 --> 00:34:56,388
in my room privately the one of the

721
00:34:53,809 --> 00:34:59,569
original founders of psych up professor

722
00:34:56,389 --> 00:35:02,599
ray hyman from Oregon Oregon I safe

723
00:34:59,568 --> 00:35:04,969
pardon me Raymond I hadn't seen him in

724
00:35:02,599 --> 00:35:07,970
many many years and he had a log-log

725
00:35:04,969 --> 00:35:10,129

long and hard for 12 months to get this

766
00:37:17,300 --> 00:37:22,970
all together and three days from now it

767
00:37:21,050 --> 00:37:26,300
will be sending in to figure out of this

768
00:37:22,969 --> 00:37:29,868
tab page take Wayne while being diverted

769
00:37:26,300 --> 00:37:31,400
into town mother our very first cam off

770

00:37:29,869 --> 00:37:33,650
this continent which is already

771
00:37:31,400 --> 00:37:36,318
oversubscribed cults of those over

772
00:37:33,650 --> 00:37:39,400
subscribe within the first hour of going

773
00:37:36,318 --> 00:37:39,400
up on the internet

774
00:37:44,480 --> 00:37:48,949
haider problem a sort of a welcome

775
00:37:46,670 --> 00:37:50,750
problem of sticky bun is that the

776
00:37:48,949 --> 00:37:53,389
Europeans kept you for trying to squeeze

777
00:37:50,750 --> 00:37:55,608
in whatever they can because they went

778
00:37:53,389 --> 00:37:57,139
up an hour later in Europe and say they

779
00:37:55,608 --> 00:37:59,029
missed out on the first hour when

780
00:37:57,139 --> 00:38:00,710
everything with all the soul about but

781
00:37:59,030 --> 00:38:03,320
we're trying to make accommodations for

782
00:38:00,710 --> 00:38:06,309
them we must be doing something right

783
00:38:03,320 --> 00:38:06,309
folks don't you think

784
00:38:09,599 --> 00:38:15,219

beating read in person I can't change

788

00:38:20,739 --> 00:38:24,699

the necessary against the rules now

789

00:38:22,960 --> 00:38:26,650

because I've done is called memoization

790

00:38:24,699 --> 00:38:28,989

I want to catch on me I don't know what

791

00:38:26,650 --> 00:38:30,550

you be better that's why I made a

792

00:38:28,989 --> 00:38:33,399

special effort to be here on this event

793

00:38:30,550 --> 00:38:35,470

to share your thoughts we decided that

794

00:38:33,400 --> 00:38:38,740

handshake suppressing that's not a

795

00:38:35,469 --> 00:38:41,169

drivable but forgive me on that concrete

796

00:38:38,739 --> 00:38:43,479

I'm available the next few days there's

797

00:38:41,170 --> 00:38:45,250

798

00:38:43,480 --> 00:38:47,469

and eat me the course there may be a

799
00:38:45,250 --> 00:38:49,329
section centerbridge waiter who could

800
00:38:47,469 --> 00:38:54,039
get a house from a presentation of our

801
00:38:49,329 --> 00:38:57,789

the convention was in full swing at the

810
00:39:49,929 --> 00:39:55,269
lunch break I had time to chat with

811
00:39:51,460 --> 00:39:57,340
Morial shut lender now if they're up

812
00:39:55,269 --> 00:40:00,070
there are two things that zone listeners

813
00:39:57,340 --> 00:40:02,559
know very well one is that we love to

814
00:40:00,070 --> 00:40:05,470
normal night and two is we really love

815
00:40:02,559 --> 00:40:07,659
muy boom oriel hi hi and we're doing

816
00:40:05,469 --> 00:40:09,879
both together I'm with Morial and when

817
00:40:07,659 --> 00:40:11,739
roaming we are and it's actually good

818
00:40:09,880 --> 00:40:13,660
numbing food it's good numbing food and

819
00:40:11,739 --> 00:40:16,629
we're in a room with who knows how many

820
00:40:13,659 --> 00:40:18,639
people right over a thousand i think but

821
00:40:16,630 --> 00:40:22,780
isn't this on the two rooms or something

822
00:40:18,639 --> 00:40:24,730
crazy like that hundreds and hundreds of

823
00:40:22,780 --> 00:40:26,290
people all around this old visiting nami

824
00:40:24,730 --> 00:40:28,510
and they're all nomming that's right

825
00:40:26,289 --> 00:40:31,269
it's so good doctor rating where are you

826
00:40:28,510 --> 00:40:33,430
exactly that's you should join us she'd

827

00:40:31,269 --> 00:40:35,619

828
00:40:33,429 --> 00:40:38,949
that are you enjoying time so far

829
00:40:35,619 --> 00:40:40,719
excellent yeah yes yes it I had the high

830
00:40:38,949 --> 00:40:42,519
expectations and it exceeded them who

831
00:40:40,719 --> 00:40:44,379
said that I'm repeating whoever said

832
00:40:42,519 --> 00:40:48,219
that before because it's absolutely true

833
00:40:44,380 --> 00:40:50,230
yeah and the video is good it is it's

834
00:40:48,219 --> 00:40:52,089
actually great because even though it's

835
00:40:50,230 --> 00:40:53,920
off the strip doesn't matter who cares

836
00:40:52,090 --> 00:40:55,630
nobody goes outside everything

837
00:40:53,920 --> 00:40:57,789
interesting happens inside that's true

838
00:40:55,630 --> 00:41:00,010
yeah that's it that's all you need a

839
00:40:57,789 --> 00:41:02,409
bunch of skeptics and that's it and food

840
00:41:00,010 --> 00:41:05,040
and food exactly numbing rich Mario we

841
00:41:02,409 --> 00:41:05,039

have thank you

842

00:41:07,449 --> 00:41:12,829

over the next few days I met many people

843

00:41:10,250 --> 00:41:15,590

and interviewed some more great skeptics

844

00:41:12,829 --> 00:41:19,489

including Derek Colin do know from the

845

00:41:15,590 --> 00:41:21,320

skeptic ality podcast and now i'm

846

00:41:19,489 --> 00:41:23,269

speaking with the one and only Derek

847

00:41:21,320 --> 00:41:25,730

we are sitting in these wonderful

850

00:41:27,260 --> 00:41:31,130

comfortable couches at the end of an

851

00:41:28,849 --> 00:41:33,889

incredibly long corridor whole type

852

00:41:31,130 --> 00:41:35,869

thing here gasps everything it amazing

853

00:41:33,889 --> 00:41:39,440

is the word heaven has your tam going a

854

00:41:35,869 --> 00:41:41,599

big hotel busy busy a job having some

855

00:41:39,440 --> 00:41:44,990

interviews and I've been running around

856
00:41:41,599 --> 00:41:46,940
I had to see more of Tam this year that

857
00:41:44,989 --> 00:41:49,069
i think i ever have though so i have too

858
00:41:46,940 --> 00:41:51,590
plain too much and it's a this year

859
00:41:49,070 --> 00:41:54,890
swoopy come be with us no she got to go

860
00:41:51,590 --> 00:41:57,140
to France I got to Ken I got Tam you got

861
00:41:54,889 --> 00:42:01,129
10 I've seen brands you've been offense

862
00:41:57,139 --> 00:42:03,170
yeah so she had hard she had now the

863
00:42:01,130 --> 00:42:04,700
show's been going very well yes we've

864
00:42:03,170 --> 00:42:06,530
been really enjoying some of the great

865
00:42:04,699 --> 00:42:08,929
interviews skepta Kelly's been scoring

866
00:42:06,530 --> 00:42:11,590
lately yeah well tomorrow pretty much my

867
00:42:08,929 --> 00:42:15,379
entire day as interviews so I've had to

868
00:42:11,590 --> 00:42:17,180
today ya know yesterday and one

869
00:42:15,380 --> 00:42:18,890
yesterday I had one today but tomorrow I

870
00:42:17,179 --> 00:42:21,949
have four much model wall and of course

871
00:42:18,889 --> 00:42:24,529
apart from your work with skeptic ality

872
00:42:21,949 --> 00:42:27,259
you're very very much involved with

873
00:42:24,530 --> 00:42:29,030
Dragon Con yeah I run the skeptic track

874
00:42:27,260 --> 00:42:31,310
a drag on can you give our listeners a

875
00:42:29,030 --> 00:42:33,050
little insight into what that's all

876
00:42:31,309 --> 00:42:36,679
about oh dear dragon con is like an

877
00:42:33,050 --> 00:42:40,130
umbrella that houses about I don't know

878
00:42:36,679 --> 00:42:42,649
we're up like 48 maybe 50 other

879
00:42:40,130 --> 00:42:45,400
conventions that are all full bore

880
00:42:42,650 --> 00:42:48,650
conventions is four-day conference of

881
00:42:45,400 --> 00:42:50,750
about forty-five or fifty conventions

882
00:42:48,650 --> 00:42:53,630
inside of that one you know thing so one

883
00:42:50,750 --> 00:42:58,010
ticket gets you to like 50 conventions

884

00:42:53,630 --> 00:43:02,930
that's spanning from popular TV to move

885
00:42:58,010 --> 00:43:06,490
these two costume sewing to science

886
00:43:02,929 --> 00:43:09,949
space to origami yeah yeah even yeah and

887
00:43:06,489 --> 00:43:13,189
so we added in last year was the first

888
00:43:09,949 --> 00:43:14,989
year of we split off science under two

889
00:43:13,190 --> 00:43:17,150
things so there's science and now

890
00:43:14,989 --> 00:43:18,199
skeptics and I run the skeptic track I

891
00:43:17,150 --> 00:43:21,349
used to run the

892
00:43:18,199 --> 00:43:23,539
podcasting track but every track that

893
00:43:21,349 --> 00:43:26,480
was one director so so he took over the

894
00:43:23,539 --> 00:43:28,429
podcasting and I was there last year for

895
00:43:26,480 --> 00:43:31,250
the skeptic track and it was just

896
00:43:28,429 --> 00:43:33,679
fantastic Oh what an outrageous

897
00:43:31,250 --> 00:43:35,539
successor one we have about double the

898
00:43:33,679 --> 00:43:37,759

space this year same location but you

899

00:43:35,539 --> 00:43:39,920

remember when der tribe chose to show an

900

00:43:37,760 --> 00:43:41,510

open all the rules that's our that's our

901

00:43:39,920 --> 00:43:43,010

whole room it's a whole routine time so

902

00:43:41,510 --> 00:43:44,420

we've got the other area that was used

903

00:43:43,010 --> 00:43:45,710

for gas and then because they shuffle

904

00:43:44,420 --> 00:43:47,599

anything around because they moved the

905

00:43:45,710 --> 00:43:50,630

robotics to the Sheridan's they have a

906

00:43:47,599 --> 00:43:52,789

an arena for their robot bottle battle

907

00:43:50,630 --> 00:43:55,250

thing fantastic well I mean you were

908

00:43:52,789 --> 00:43:56,779

getting standing room only last year oh

909

00:43:55,250 --> 00:43:58,460

yeah I guess there's a couple times

910

00:43:56,780 --> 00:44:01,369

right I ran the damn thing and I

911

00:43:58,460 --> 00:44:04,099

couldn't get in yes yes at one time

912

00:44:01,369 --> 00:44:05,750

during a full plates thing was so

913
00:44:04,099 --> 00:44:07,730
crowded I had to get in because I was

914
00:44:05,750 --> 00:44:10,190
something I had to do yeah and it was so

915
00:44:07,730 --> 00:44:13,519
packed was all people standing up and I

916
00:44:10,190 --> 00:44:15,349
had to crawl on the ground I couldn't

917
00:44:13,519 --> 00:44:17,920
see anybody I couldn't see I could hear

918
00:44:15,349 --> 00:44:20,690
Phil but I had somewhat brown and like

919
00:44:17,920 --> 00:44:22,970
look at the computer and do what I had

920
00:44:20,690 --> 00:44:24,769
to do really that was kind of money but

921
00:44:22,969 --> 00:44:27,199
I really do appreciate your efforts to

922
00:44:24,769 --> 00:44:28,670
because when i was there doing the

923
00:44:27,199 --> 00:44:30,858
launch of this show the skeptic zone

924
00:44:28,670 --> 00:44:32,720
which we launched at dragoncon yes it

925
00:44:30,858 --> 00:44:35,869
was beautifully mike and we were able to

926
00:44:32,719 --> 00:44:37,699
use that later on in the show is oh yeah

927
00:44:35,869 --> 00:44:39,530
okay great am I really I'm like I'm glad

928
00:44:37,699 --> 00:44:41,419
at that happens yeah there's a couple of

929
00:44:39,530 --> 00:44:43,430
times where we had some weird stuff

930
00:44:41,420 --> 00:44:46,068
going on but I'm glad it wasn't for us

931
00:44:43,429 --> 00:44:47,509
it worth gratefully well and and I

932
00:44:46,068 --> 00:44:49,460
couldn't imagine a better place to

933
00:44:47,510 --> 00:44:51,319
launch the skeptic zone I want between G

934
00:44:49,460 --> 00:44:53,210
Dragon Con supplies so when we're there

935
00:44:51,318 --> 00:44:55,460
this year doing it'll be our one year

936
00:44:53,210 --> 00:44:57,500
anniversary so that's really cool yeah

937
00:44:55,460 --> 00:44:59,630
well be a little bit more than that

938
00:44:57,500 --> 00:45:01,608
because we're later this year basis okay

939
00:44:59,630 --> 00:45:06,260
well you know what I mean spiritually

940
00:45:01,608 --> 00:45:09,559
she's basically it's like about a year

941

00:45:06,260 --> 00:45:12,680
and three days close enough yeah well as

942
00:45:09,559 --> 00:45:14,269
I gaze down this hole which goes on for

943
00:45:12,679 --> 00:45:16,759
kilometers and kilometers I can see

944
00:45:14,269 --> 00:45:18,139
there's a queue forming process or going

945
00:45:16,760 --> 00:45:20,900
to the skeptics guide to the universe

946
00:45:18,139 --> 00:45:22,909
dinner yes so we're going in the one

947
00:45:20,900 --> 00:45:24,769
sentence I can say this is Richard

948
00:45:22,909 --> 00:45:27,409
Saunders from the skeptic zone and delic

949
00:45:24,769 --> 00:45:31,309
Derek lair I'm not a Dalek that's a

950
00:45:27,409 --> 00:45:33,489
doctor who so in the one sentence I can

951
00:45:31,309 --> 00:45:33,489
see

952
00:45:33,969 --> 00:45:39,409
this is going in the outpatient alright

953
00:45:37,070 --> 00:45:41,210
so in the one sentence I can say this is

954
00:45:39,409 --> 00:45:43,399
Richard Saunders from the skeptic zone

955
00:45:41,210 --> 00:45:45,409

with Derek Colin do know from skeptic

956

00:45:43,400 --> 00:45:47,780

ality about to go to the skeptics guide

957

00:45:45,409 --> 00:45:49,219

to the universe inner Wow all these

958

00:45:47,780 --> 00:45:51,200

different skeptic shows we have

959

00:45:49,219 --> 00:46:01,250

different names that they're all pretty

960

00:45:51,199 --> 00:46:03,739

close sometimes I think so thank you one

961

00:46:01,250 --> 00:46:06,349

of the surprises of Tam was the winning

962

00:46:03,739 --> 00:46:09,799

of rebecca watson to Sid Rodriguez live

963

00:46:06,349 --> 00:46:17,989

on stage I caught up with Sid just after

964

00:46:09,800 --> 00:46:22,340

the event freaking of you I'm here now

965

00:46:17,989 --> 00:46:24,619

with Sid Watson Nelson we just saw an

966

00:46:22,340 --> 00:46:26,570

amazing sight here at the amazing

967

00:46:24,619 --> 00:46:30,079

convention thank you took us ages to

968

00:46:26,570 --> 00:46:31,730

plan all of a month and month where we

969

00:46:30,079 --> 00:46:34,610

had a very short timeline I'm sure

970
00:46:31,730 --> 00:46:36,349
together I'm sure I'll listen is there

971
00:46:34,610 --> 00:46:38,510
you just married rebecca watson said

972
00:46:36,349 --> 00:46:40,940
Rodriguez yeah I don't use my real name

973
00:46:38,510 --> 00:46:43,040
enough yes I pretty much sound like a

974
00:46:40,940 --> 00:46:46,010
buildup of darts clip I take her name

975
00:46:43,039 --> 00:46:49,369
but I probably will buy happiness morrow

976
00:46:46,010 --> 00:46:51,560
ya figure that out I'm sure you'll

977
00:46:49,369 --> 00:46:53,839
figure that I would I what was your

978
00:46:51,559 --> 00:46:57,679
surprise for you how much how much about

979
00:46:53,840 --> 00:46:59,539
it did you know I live on it and how

980
00:46:57,679 --> 00:47:03,139
much did everyone else it was around as

981
00:46:59,539 --> 00:47:06,769
I can see we're not exactly I I was sort

982
00:47:03,139 --> 00:47:08,569
of been on the look but 99.99 percent of

983
00:47:06,769 --> 00:47:10,460
people in there not a clue and they were

984
00:47:08,570 --> 00:47:13,010
still thought it was a silly gag until I

985
00:47:10,460 --> 00:47:16,199
think the bridesmaids rushed up on stage

986
00:47:13,010 --> 00:47:18,849
to you put on their job

987
00:47:16,199 --> 00:47:24,759
jackets on he was saying she could just

988
00:47:18,849 --> 00:47:27,309
hear the ho this is for real and then

989
00:47:24,760 --> 00:47:30,069
the family blades of the back and people

990
00:47:27,309 --> 00:47:31,180
starting to click this I think it went

991
00:47:30,068 --> 00:47:37,719
really well and I really don't think

992
00:47:31,179 --> 00:47:40,239
very many people know my many of us

993
00:47:37,719 --> 00:47:43,328
ended up at the skeptic party held about

994
00:47:40,239 --> 00:47:46,298
15 minutes away from the hotel here is a

995
00:47:43,329 --> 00:47:48,670
clip of my trip back from the party

996
00:47:46,298 --> 00:47:52,449
complete with Brian Dunning from the

997
00:47:48,670 --> 00:47:56,010
sceptile podcast somehow he and I ended

998

00:47:52,449 --> 00:47:56,009
up in the boot of the car

999
00:47:58,280 --> 00:48:04,040
I don't know what to say now I think we

1000
00:48:02,030 --> 00:48:11,390

1001
00:48:04,039 --> 00:48:14,929

1002

Australia you don't want to know this

who spins folds or mutilates reality now

1035
00:50:11,440 --> 00:50:19,329
it's time for dr. Richie reports with

1036
00:50:14,199 --> 00:50:21,339
dr. Rachel Dunlop hello everyone and

1037
00:50:19,329 --> 00:50:22,989
welcome to dr. Reggie reports I've had a

1038
00:50:21,340 --> 00:50:24,700
short hiatus for the last few weeks

1039
00:50:22,989 --> 00:50:27,159
whilst everyone else has been off having

1040
00:50:24,699 --> 00:50:28,929
fun at tan this week I want to talk to

1041
00:50:27,159 --> 00:50:30,819
you about something i came across at a

1042
00:50:28,929 --> 00:50:33,879
psychic and alternative fair which i

1043
00:50:30,820 --> 00:50:35,860
went to a few weeks ago now this kind of

1044
00:50:33,880 --> 00:50:37,539
fair showcase all manner of woo and

1045
00:50:35,860 --> 00:50:40,030
alternative therapies and I've been to

1046
00:50:37,539 --> 00:50:42,340
quite a few of these now so once you've

1047
00:50:40,030 --> 00:50:44,650
been to a couple you enter prepared to

1048
00:50:42,340 --> 00:50:47,680
experience the usual suspects such as

1049
00:50:44,650 --> 00:50:50,740
psychic readings people selling crystals

1050
00:50:47,679 --> 00:50:52,869
dream catchers and there's often some

1051
00:50:50,739 --> 00:50:54,399
brand new miracle antioxidant drink

1052
00:50:52,869 --> 00:50:56,559
that's only just been discovered by

1053
00:50:54,400 --> 00:50:58,869
white man and it's grown in a red tree

1054
00:50:56,559 --> 00:51:01,029
in the Amazonian jungle but on this

1055

00:50:58,869 --> 00:51:02,799
occasion I came across a therapy which I

1056
00:51:01,030 --> 00:51:06,280
had heard about but didn't know much

1057
00:51:02,800 --> 00:51:08,860
about urine therapy is the topic of this

1058
00:51:06,280 --> 00:51:10,780
week's doctor ecchi reports so in

1059
00:51:08,860 --> 00:51:12,730
alternative medicine the term urine

1060
00:51:10,780 --> 00:51:16,380
therapy which is also known as a gyro

1061
00:51:12,730 --> 00:51:19,329
therapy urine Oh therapy or urography

1062
00:51:16,380 --> 00:51:21,550
refers to various applications of human

1063
00:51:19,329 --> 00:51:24,610
urine for medicinal or cosmetic purposes

1064
00:51:21,550 --> 00:51:28,120
and this includes drinking one's urine

1065
00:51:24,610 --> 00:51:31,240
or massaging one's urine into your skin

1066
00:51:28,119 --> 00:51:33,909
and a practitioner of urine therapy is

1067
00:51:31,239 --> 00:51:36,969
sometimes known as a Europe F there are

1068
00:51:33,909 --> 00:51:38,980
two camps in urine therapy described by

1069
00:51:36,969 --> 00:51:40,989

one website promoting the benefits of

1070

00:51:38,980 --> 00:51:44,019

this therapy the groups are described as

1071

00:51:40,989 --> 00:51:45,289

the following there are the ones who say

1072

00:51:44,019 --> 00:51:47,570

urine is your own

1073

00:51:45,289 --> 00:51:50,960

victor medicine and the others who say

1074

00:51:47,570 --> 00:51:53,360

urine is toxic waste the second group

1075

00:51:50,960 --> 00:51:56,420

the ones that say urine is toxic waste

1076

00:51:53,360 --> 00:51:58,610

is the bigger group however according to

1077

00:51:56,420 --> 00:52:01,639

some websites the first group is the

1078

00:51:58,610 --> 00:52:03,500

better educated one who know that urine

1079

00:52:01,639 --> 00:52:06,170

can be considered a wide spectrum

1080

00:52:03,500 --> 00:52:08,869

healing agent not matched by any other

1081

00:52:06,170 --> 00:52:11,139

medication well there you go now

1082

00:52:08,869 --> 00:52:14,059

apparently urine is also a medication

1083

00:52:11,139 --> 00:52:16,909

known amongst believers as a super juice

1084
00:52:14,059 --> 00:52:18,829
against all diseases urine is hailed as

1085
00:52:16,909 --> 00:52:21,500
a miraculous medicine which when

1086
00:52:18,829 --> 00:52:23,900
ingested or applied externally has

1087
00:52:21,500 --> 00:52:26,239
apparently been scientifically tested to

1088
00:52:23,900 --> 00:52:29,360
fight infections allergies and skin

1089
00:52:26,239 --> 00:52:31,929
disorders and other claims for what is

1090
00:52:29,360 --> 00:52:33,980
also known as auto urine therapy

1091
00:52:31,929 --> 00:52:36,759
includes supporting the immune system

1092
00:52:33,980 --> 00:52:38,869
which of course really means nothing

1093
00:52:36,760 --> 00:52:40,760
according to the lady selling urine

1094
00:52:38,869 --> 00:52:43,909
therapy at the psychic festival as well

1095
00:52:40,760 --> 00:52:45,770
as various websites Auto urine therapy

1096
00:52:43,909 --> 00:52:47,599
can also be used in the healing of

1097
00:52:45,769 --> 00:52:50,269
illnesses that are otherwise considered

1098
00:52:47,599 --> 00:52:53,989
incurable and this includes such things

1099
00:52:50,269 --> 00:52:56,179
as cancer and full-blown AIDS this

1100
00:52:53,989 --> 00:52:59,569
apparently occurs by a mechanism

1101
00:52:56,179 --> 00:53:01,969
described as the following quote I

1102
00:52:59,570 --> 00:53:03,769
believe that when information from the

1103
00:53:01,969 --> 00:53:05,719
urine passes through the throat it is

1104
00:53:03,769 --> 00:53:08,360
analyzed by the sensors in the throat

1105
00:53:05,719 --> 00:53:10,779
and that the human immune system can

1106
00:53:08,360 --> 00:53:13,970
then be activated to cure the disease

1107
00:53:10,780 --> 00:53:15,890
that is to say signals are given by the

1108
00:53:13,969 --> 00:53:19,269
brain which may activate the necessary

1109
00:53:15,889 --> 00:53:21,619
functions for curing the ailment unquote

1110
00:53:19,269 --> 00:53:23,119
now the first worrying thing about this

1111
00:53:21,619 --> 00:53:25,400
statement is the claim that one has to

1112

00:53:23,119 --> 00:53:27,199
drink the disease components after they

1113
00:53:25,400 --> 00:53:29,990
have passed through the kidneys in order

1114
00:53:27,199 --> 00:53:31,399
to activate the immune system now surely

1115
00:53:29,989 --> 00:53:33,799
the immune system would have responded

1116
00:53:31,400 --> 00:53:35,599
when the virus or bacteria or parasite

1117
00:53:33,800 --> 00:53:37,730
first came in contact with the

1118
00:53:35,599 --> 00:53:39,380
bloodstream therefore I can see no

1119
00:53:37,730 --> 00:53:42,440
benefit in passing it through the system

1120
00:53:39,380 --> 00:53:44,510
again in the form of urine however

1121
00:53:42,440 --> 00:53:47,360
perhaps this is the key to a belief in

1122
00:53:44,510 --> 00:53:49,210
the way urine therapy works is quite

1123
00:53:47,360 --> 00:53:52,010
appeared on a website i came across

1124
00:53:49,210 --> 00:53:54,619
urine should be taken joyfully and with

1125
00:53:52,010 --> 00:53:56,810
a pleasant mind and with faith at least

1126
00:53:54,619 --> 00:53:58,788

in the therapy which improves the

1127

00:53:56,809 --> 00:54:01,099
chances of healing dramatically

1128

00:53:58,789 --> 00:54:03,589
your mind is much more powerful than you

1129

00:54:01,099 --> 00:54:06,559
think so there we go as long as you

1130

00:54:03,588 --> 00:54:09,139
believe in it it must work the following

1131

00:54:06,559 --> 00:54:11,650
us some stories spruiking the power of

1132

00:54:09,139 --> 00:54:14,659
urine therapy the first one involves

1133

00:54:11,650 --> 00:54:17,630
amputation which was avoided because of

1134

00:54:14,659 --> 00:54:19,788
the use of urine therapy the story goes

1135

00:54:17,630 --> 00:54:21,910
that a farmer's wife squashed the middle

1136

00:54:19,789 --> 00:54:24,709
joint of her index finger in a bone mill

1137

00:54:21,909 --> 00:54:27,288
the skin was lacerated and the joint was

1138

00:54:24,708 --> 00:54:30,228
open during the emergency surgery and

1139

00:54:27,289 --> 00:54:32,089
amputation was planned for later the

1140

00:54:30,228 --> 00:54:35,028
next day she had severe pain and

1141
00:54:32,088 --> 00:54:36,469
swelling of the whole hand the swelling

1142
00:54:35,028 --> 00:54:39,548
went down quickly and the pain was

1143
00:54:36,469 --> 00:54:42,349
reduced by using medicinal leeches the

1144
00:54:39,548 --> 00:54:45,318
ointment application whatever that was

1145
00:54:42,349 --> 00:54:47,989
is not specified was replaced with urine

1146
00:54:45,318 --> 00:54:50,358
and urine soaked dressings were changed

1147
00:54:47,989 --> 00:54:52,099
daily so the change of dressing was

1148
00:54:50,358 --> 00:54:53,688
nearly painless because the dressing

1149
00:54:52,099 --> 00:54:56,298
didn't become clotted or didn't adhere

1150
00:54:53,688 --> 00:54:57,889
to the wound the joint capsule was

1151
00:54:56,298 --> 00:55:00,009
healing gradually and later the skin

1152
00:54:57,889 --> 00:55:01,969
wound also cleared and the

1153
00:55:00,009 --> 00:55:05,179
anti-inflammatory effect of the urine

1154
00:55:01,969 --> 00:55:08,208
was amazing and as a result the index

1155
00:55:05,179 --> 00:55:10,429
finger could be kept next is the story

1156
00:55:08,208 --> 00:55:13,399
of a 30 year old woman who had cancer

1157
00:55:10,429 --> 00:55:15,588
and battled it for many years after she

1158
00:55:13,400 --> 00:55:17,630
was introduced to urine therapy and used

1159
00:55:15,588 --> 00:55:20,028
the perfect medicine in addition to

1160
00:55:17,630 --> 00:55:23,869
other natural treatments her suffering

1161
00:55:20,028 --> 00:55:25,338
ended and she got rid of her cancer she

1162
00:55:23,869 --> 00:55:27,709
won the battle but another battle

1163
00:55:25,338 --> 00:55:30,078
started she did not know what to do with

1164
00:55:27,708 --> 00:55:31,938
her life which was given up already and

1165
00:55:30,079 --> 00:55:34,219
she had to start from scratch and find

1166
00:55:31,938 --> 00:55:36,618
an occupation or work to financially

1167
00:55:34,219 --> 00:55:38,599
support herself she had her life back

1168
00:55:36,619 --> 00:55:41,358
but she had to get used to it what a

1169

00:55:38,599 --> 00:55:42,979
strange feeling next is a testimonial

1170
00:55:41,358 --> 00:55:45,858
from a 50 year old woman who was

1171
00:55:42,978 --> 00:55:48,198
diagnosed with HIV and now says after

1172
00:55:45,858 --> 00:55:50,719
taking urine therapy that her full-blown

1173
00:55:48,199 --> 00:55:53,688
AIDS is healed she says she was

1174
00:55:50,719 --> 00:55:56,088
diagnosed with HIV 10 years ago quote

1175
00:55:53,688 --> 00:55:58,998
about six months after that I started

1176
00:55:56,088 --> 00:56:01,849
taking medication but after about two

1177
00:55:58,998 --> 00:56:03,738
years it stopped working I was a mess I

1178
00:56:01,849 --> 00:56:06,409
had full-blown AIDS and a lot of people

1179
00:56:03,739 --> 00:56:07,909
thought my time was up I have a good

1180
00:56:06,409 --> 00:56:11,439
friend who was going to school to become

1181
00:56:07,909 --> 00:56:12,800
a doctor he told me about urine therapy

1182
00:56:11,438 --> 00:56:14,750
since there

1183
00:56:12,800 --> 00:56:17,720

I have dreamed drinking a third of a cup

1184

00:56:14,750 --> 00:56:20,599

every day last week I was told that my

1185

00:56:17,719 --> 00:56:22,699

AIDS is undetectable I've been taking

1186

00:56:20,599 --> 00:56:24,079

medicine for almost 10 years and nothing

1187

00:56:22,699 --> 00:56:27,319

like this has ever been close to

1188

00:56:24,079 --> 00:56:29,090

happening I know it sounds gross but if

1189

00:56:27,320 --> 00:56:32,510

you want to live I recommend it strongly

1190

00:56:29,090 --> 00:56:35,000

it is a miracle drug no one listened to

1191

00:56:32,510 --> 00:56:36,860

me at first they thought I was crazy but

1192

00:56:35,000 --> 00:56:38,840

now all my friends are doing it it's

1193

00:56:36,860 --> 00:56:41,090

really a small price to pay if you want

1194

00:56:38,840 --> 00:56:43,850

to live I used to take antidepressants

1195

00:56:41,090 --> 00:56:45,230

but I don't need them now the urine

1196

00:56:43,849 --> 00:56:47,750

fixed the part of my brain that was

1197

00:56:45,230 --> 00:56:50,690

making me depressed if you have asthma

1198
00:56:47,750 --> 00:56:53,059
it cures that too it carries just about

1199
00:56:50,690 --> 00:56:56,420
everything I'm so glad that I found out

1200
00:56:53,059 --> 00:56:59,239
about urine therapy and on the topic of

1201
00:56:56,420 --> 00:57:01,340
urine therapy for HIV or AIDS one

1202
00:56:59,239 --> 00:57:04,549
website i came across offers a tincture

1203
00:57:01,340 --> 00:57:07,250
known as aids soul or tablets called a

1204
00:57:04,550 --> 00:57:11,060
cure which they say are effective in

1205
00:57:07,250 --> 00:57:14,139
hiv/aids patients now the website refers

1206
00:57:11,059 --> 00:57:16,759
to this tincture as quote a horrible

1207
00:57:14,139 --> 00:57:19,339
antibacterial product useful in various

1208
00:57:16,760 --> 00:57:22,640
bacterial infections such as the common

1209
00:57:19,340 --> 00:57:25,490
cold bronchitis influenza

1210
00:57:22,639 --> 00:57:28,279
bronchopulmonary infections tonsillitis

1211
00:57:25,489 --> 00:57:31,189
urinary tract infections fever skin

1212
00:57:28,280 --> 00:57:34,850
infections and also helps to cure AIDS

1213
00:57:31,190 --> 00:57:36,470
due to its antibacterial action it's

1214
00:57:34,849 --> 00:57:38,900
funny that they say it's effective in

1215
00:57:36,469 --> 00:57:42,739
treating HIV because of its bacterial

1216
00:57:38,900 --> 00:57:45,500
action when HIV is a virus however I

1217
00:57:42,739 --> 00:57:47,629
digress there is also an accompanying

1218
00:57:45,500 --> 00:57:49,699
youtube channel for this company but it

1219
00:57:47,630 --> 00:57:53,599
is entirely in Hindi with Taiwanese

1220
00:57:49,699 --> 00:57:56,000
subtitles however the byline says that

1221
00:57:53,599 --> 00:57:58,329
patients suffering from hiv/aids have

1222
00:57:56,000 --> 00:58:00,710
benefited from cow urine therapy

1223
00:57:58,329 --> 00:58:02,719
although some proponents of urine

1224
00:58:00,710 --> 00:58:05,269
therapy say you should only use your own

1225
00:58:02,719 --> 00:58:07,189
urine there are other websites that tell

1226

00:58:05,269 --> 00:58:09,710
you you can use cow urine as just

1227
00:58:07,190 --> 00:58:13,190
mentioned but also other types of urine

1228
00:58:09,710 --> 00:58:15,409
including plant urine now plug urine is

1229
00:58:13,190 --> 00:58:17,539
the water that the plant by its root

1230
00:58:15,409 --> 00:58:21,259
system filters and lifts from great

1231
00:58:17,539 --> 00:58:23,509
depths and I quote no external water

1232
00:58:21,260 --> 00:58:26,720
sources or artificially processed water

1233
00:58:23,510 --> 00:58:28,760
is used and this ensures the water

1234
00:58:26,719 --> 00:58:32,179
tains no unfavorable memories of

1235
00:58:28,760 --> 00:58:34,730
artificial processing and this method of

1236
00:58:32,179 --> 00:58:36,589
extracting plant urine is used to

1237
00:58:34,730 --> 00:58:39,530
produce a new generation of flower

1238
00:58:36,590 --> 00:58:41,960
essences or remedies known as the

1239
00:58:39,530 --> 00:58:44,630
steppin offs method after due to steppin

1240
00:58:41,960 --> 00:58:47,389

offs who created the new generation of

1241

00:58:44,630 --> 00:58:49,220

flower remedies traditionally flower

1242

00:58:47,389 --> 00:58:51,679

remedies or essences were made with

1243

00:58:49,219 --> 00:58:54,169

parts from cut flowers or other parts of

1244

00:58:51,679 --> 00:58:57,079

the plant which had been soaked in water

1245

00:58:54,170 --> 00:58:59,510

and solarized but this newly discovered

1246

00:58:57,079 --> 00:59:02,239

method extracts the essence from a live

1247

00:58:59,510 --> 00:59:03,950

plant itself the plant is then left

1248

00:59:02,239 --> 00:59:07,639

unharmd to continue its growth in

1249

00:59:03,949 --> 00:59:10,368

nature fully intact and this apparently

1250

00:59:07,639 --> 00:59:12,409

has a beneficial impact on the plant the

1251

00:59:10,369 --> 00:59:14,090

environment and improves the strength

1252

00:59:12,409 --> 00:59:16,759

and healing quality of the flower

1253

00:59:14,090 --> 00:59:19,160

essence so now we're starting to drift

1254

00:59:16,760 --> 00:59:21,050

into homeopathy territory where it's

1255
00:59:19,159 --> 00:59:23,539
being discussed that the urine might

1256
00:59:21,050 --> 00:59:26,300
maintain a memory the difference being

1257
00:59:23,539 --> 00:59:29,000
in this case the memory is bad whereas

1258
00:59:26,300 --> 00:59:32,990
in homeopathy it is critical to it being

1259
00:59:29,000 --> 00:59:35,570
effective or not the lady I spoke to at

1260
00:59:32,989 --> 00:59:37,549
the psychic and alternative fair advised

1261
00:59:35,570 --> 00:59:40,190
me that the best way to use urine

1262
00:59:37,550 --> 00:59:42,019
therapy is to place four or five drops

1263
00:59:40,190 --> 00:59:43,608
of your own urine under your tongue and

1264
00:59:42,019 --> 00:59:45,800
that will cure just about everything

1265
00:59:43,608 --> 00:59:48,259
whilst I don't recommend that you try

1266

1311

01:01:57,570 --> 01:02:02,579

no I oh yes of course the maybe ah now

1312
01:02:00,329 --> 01:02:05,490
has everybody had a good amazing meeting

1313
01:02:02,579 --> 01:02:07,019
so far yeah these are just the best

1314
01:02:05,489 --> 01:02:09,029
times this is this is seriously it's the

1315
01:02:07,019 --> 01:02:11,190
best three days of the year for me four

1316
01:02:09,030 --> 01:02:12,420
days five days out however long I'm

1317
01:02:11,190 --> 01:02:14,550
still here in one form or another

1318
01:02:12,420 --> 01:02:17,309
afterward effort in the more people

1319
01:02:14,550 --> 01:02:19,650
actually join his hi everyone okay back

1320
01:02:17,309 --> 01:02:22,019
there more Australians actually more

1321
01:02:19,650 --> 01:02:23,608
Australians now I should explain to our

1322
01:02:22,019 --> 01:02:27,179
listeners exactly where we are we're at

1323
01:02:23,608 --> 01:02:29,309
the south point casino and spies and

1324
01:02:27,179 --> 01:02:33,210
caught something like that yes okay

1325
01:02:29,309 --> 01:02:38,159
which is like a mini city almost it's

1326
01:02:33,210 --> 01:02:41,429
got an equestrian reen arena don't call

1327
01:02:38,159 --> 01:02:43,440
me out hauling Ali movie did sorry

1328
01:02:41,429 --> 01:02:45,149
almost impossible it's almost in

1329
01:02:43,440 --> 01:02:47,010
American skip there's a beautiful

1330
01:02:45,150 --> 01:02:48,869
cinemas upstairs which I've got the

1331
01:02:47,010 --> 01:02:52,109
other day yeah yeah yeah and we're

1332
01:02:48,869 --> 01:02:54,780
sitting in one bar of a giant hanger

1333
01:02:52,108 --> 01:02:56,818
type room as room as big as an aircraft

1334
01:02:54,780 --> 01:02:59,880
hang or even bigger full of poker

1335
01:02:56,818 --> 01:03:01,440
machines casino type stuff and over to

1336
01:02:59,880 --> 01:03:03,869
my right here I'm seeing a big wall of

1337
01:03:01,440 --> 01:03:06,568
baseball bedding or something like that

1338
01:03:03,869 --> 01:03:08,490
Bogut's cricket cricket I thought so

1339
01:03:06,568 --> 01:03:11,130
yeah

1340

01:03:08,489 --> 01:03:14,699
a little different and if I further to

1341
01:03:11,130 --> 01:03:16,289
my right we have horse racing and this

1342
01:03:14,699 --> 01:03:17,789
is only one band on the other side of

1343
01:03:16,289 --> 01:03:19,650
the room past the tables there's another

1344
01:03:17,789 --> 01:03:21,630
bar for people who haven't been to Las

1345
01:03:19,650 --> 01:03:26,250
Vegas it's like the world's biggest era

1346
01:03:21,630 --> 01:03:29,190
cell phone and Richard Ely food beer out

1347
01:03:26,250 --> 01:03:33,420
of every disease and just as classy I'm

1348
01:03:29,190 --> 01:03:35,309
not saying it really is it's a great

1349
01:03:33,420 --> 01:03:36,750
venue for the convention though I must

1350
01:03:35,309 --> 01:03:39,090
say because the room we have for the

1351
01:03:36,750 --> 01:03:41,909
meaning the ballroom they call it is

1352
01:03:39,090 --> 01:03:44,519
massive beyond belief and we ride across

1353
01:03:41,909 --> 01:03:46,469
the corridor so it's all there it's

1354
01:03:44,519 --> 01:03:48,239

pretty good and Las Vegas can be pretty

1355

01:03:46,469 --> 01:03:50,159

hit or miss a lot of the hotels are old

1356

01:03:48,239 --> 01:03:51,569

and of course they don't want to make

1357

01:03:50,159 --> 01:03:53,339

you too comfortable in your room they

1358

01:03:51,570 --> 01:03:54,600

want you to come down in gambling casino

1359

01:03:53,340 --> 01:03:56,280

so a lot of the rooms aren't the nicest

1360

01:03:54,599 --> 01:03:57,989

and we're lucky because this place is

1361

01:03:56,280 --> 01:03:59,760

brand new and I told us we're the first

1362

01:03:57,989 --> 01:04:01,079

big convention that they've actually had

1363

01:03:59,760 --> 01:04:03,600

here i'm not sure if that's true but

1364

01:04:01,079 --> 01:04:05,190

that's what they told us so we got like

1365

01:04:03,599 --> 01:04:08,868

new rooms plasma screens very

1366

01:04:05,190 --> 01:04:12,869

comfortable nice beds it's great 75 80

1367

01:04:08,869 --> 01:04:17,250

75 cent hotdogs have you tried 102 you

1368

01:04:12,869 --> 01:04:18,570

had to one thing that I noticed I was

1369
01:04:17,250 --> 01:04:20,789
interesting and said they have a wide

1370
01:04:18,570 --> 01:04:28,359
variety slot machines i saw one over by

1371
01:04:20,789 --> 01:04:30,320
the by the buffet called mr. woo yes

1372
01:04:28,358 --> 01:04:33,019
don't know

1373
01:04:30,320 --> 01:04:34,730
manufacturer last night dinner yeah and

1374
01:04:33,019 --> 01:04:37,009
he was

1375
01:04:34,730 --> 01:04:39,190
very interested in buying that one on

1376
01:04:37,010 --> 01:04:39,190
which

1377
01:04:40,989 --> 01:04:47,159
the auditions

1378
01:04:43,108 --> 01:04:49,230
worrying believe that's a industry I

1379
01:04:47,159 --> 01:04:51,808
know of in Australia making these we

1380
01:04:49,230 --> 01:04:55,380
call them hokies poking poker machines

1381
01:04:51,809 --> 01:04:56,940
pokers not slot machines right now I was

1382
01:04:55,380 --> 01:04:58,739
very interested yesterday and this is a

1383
01:04:56,940 --> 01:05:00,869
situation that we often talk about on

1384
01:04:58,739 --> 01:05:07,079
the think tank it was a great discussion

1385
01:05:00,869 --> 01:05:09,690
about vaccinations and i can't wait now

1386
01:05:07,079 --> 01:05:11,369
to watch it again on the DVD because it

1387
01:05:09,690 --> 01:05:12,568
was saying all sorts of things that

1388
01:05:11,369 --> 01:05:15,778
we've been saying for a long time

1389
01:05:12,568 --> 01:05:17,068
especially in australia or the problems

1390
01:05:15,778 --> 01:05:20,219
that we've been having did it do

1391
01:05:17,068 --> 01:05:27,058
everybody see that i thought i thought

1392
01:05:20,219 --> 01:05:30,298
that was great so what did what what did

1393
01:05:27,059 --> 01:05:31,859
you really get out of it Brian he's

1394
01:05:30,298 --> 01:05:34,409
picking on me because I should I shook

1395
01:05:31,858 --> 01:05:35,880
my head no I have to miss that one I for

1396
01:05:34,409 --> 01:05:37,558
some reason half of my tams are always

1397

01:05:35,880 --> 01:05:40,318
spoiled by meetings and appointments and

1398
01:05:37,559 --> 01:05:42,720
so forth in such on people dragging you

1399
01:05:40,318 --> 01:05:44,759
down the bus to do recorded exactly this

1400
01:05:42,719 --> 01:05:47,038
is prob so so yeah I had to miss that

1401
01:05:44,759 --> 01:05:48,900
one but that's the best thing about town

1402
01:05:47,039 --> 01:05:51,089
though like there are these awesome

1403
01:05:48,900 --> 01:05:52,619
lectures but I think the people

1404
01:05:51,088 --> 01:05:54,989
unique here you know the conversations

1405
01:05:52,619 --> 01:05:58,469
that you have with the different people

1406
01:05:54,989 --> 01:06:00,449
and meeting the activists oh yeah will

1407
01:05:58,469 --> 01:06:04,318
it show up there's something amazing

1408
01:06:00,449 --> 01:06:06,149
going on in every room there really is

1409
01:06:04,318 --> 01:06:08,429
there really is and it is the meeting

1410
01:06:06,150 --> 01:06:11,338
the people it's a networking opportunity

1411
01:06:08,429 --> 01:06:13,558

isn't it oh it's it's really the

1412

01:06:11,338 --> 01:06:14,909

networking opportunity for for people

1413

01:06:13,559 --> 01:06:16,410

who are trying to work together to you

1414

01:06:14,909 --> 01:06:17,639

know put together you know all kinds of

1415

01:06:16,409 --> 01:06:19,139

media projects different people are

1416

01:06:17,639 --> 01:06:20,608

working on and this is really the only

1417

01:06:19,139 --> 01:06:22,828

time everyone gets to see each other

1418

01:06:20,608 --> 01:06:24,119

face to face I mean heck yeah just came

1419

01:06:22,829 --> 01:06:26,369

come from our way around the world I

1420

01:06:24,119 --> 01:06:28,048

mean yeah we don't see each other other

1421

01:06:26,369 --> 01:06:31,108

than this one so you excuse lunch the

1422

01:06:28,048 --> 01:06:33,150

twice either you doing diamond condo yes

1423

01:06:31,108 --> 01:06:34,710

dragoncon can be there what's the next

1424

01:06:33,150 --> 01:06:37,519

one I'll blousy the dragon and

1425

01:06:34,710 --> 01:06:41,809

everyone's coming to Australia

1426
01:06:37,518 --> 01:06:46,258
absolutely 2010 late November in Sydney

1427
01:06:41,809 --> 01:06:49,579
it'll be SGU it'll be lots of people

1428
01:06:46,259 --> 01:06:51,960
have expressed the desire to come

1429
01:06:49,579 --> 01:06:53,339
absolutely now whether that means i

1430
01:06:51,960 --> 01:06:55,469
actually get on the plane or notice a

1431
01:06:53,338 --> 01:07:01,170
different story i think if i start

1432
01:06:55,469 --> 01:07:05,548
swimming now probably get there you just

1433
01:07:01,170 --> 01:07:07,108
wanted your time difference that's what

1434
01:07:05,548 --> 01:07:08,788
is actually known about that is it it

1435
01:07:07,108 --> 01:07:10,650
like it is it in any real stage of

1436
01:07:08,789 --> 01:07:13,559
planning yet I mean this venue is there

1437
01:07:10,650 --> 01:07:18,269
a real date yet please do the real dates

1438
01:07:13,559 --> 01:07:20,278
are the I don't have them on me but it's

1439
01:07:18,268 --> 01:07:24,118
the last week in november around one

1440
01:07:20,278 --> 01:07:26,338
when thanksgiving is either a great

1441
01:07:24,119 --> 01:07:30,568
excuse to avoid family though now you

1442
01:07:26,338 --> 01:07:32,190
are and i think at the moment we're

1443
01:07:30,568 --> 01:07:34,798
looking at the sydney university to be

1444
01:07:32,190 --> 01:07:37,588
the venue which is great like a good

1445
01:07:34,798 --> 01:07:42,630
nice big lecture theatres we can use

1446
01:07:37,588 --> 01:07:49,858
those now who is sydney yeah a long way

1447
01:07:42,630 --> 01:07:52,499
to go he's working on it did you know

1448
01:07:49,858 --> 01:07:54,389
the leg train talking about bad jokes

1449
01:07:52,498 --> 01:07:58,108
did you know that brian dunning actually

1450
01:07:54,389 --> 01:08:01,129
invented the noiseless telephone he won

1451
01:07:58,108 --> 01:08:01,130
a nobel prize for

1452
01:08:02,940 --> 01:08:12,099
it wasn't funny last night when he told

1453
01:08:05,650 --> 01:08:14,980
it here very good yeah I might suit you

1454

01:08:12,099 --> 01:08:17,380
Travis for a moment yes you listen to

1455
01:08:14,980 --> 01:08:19,390
the show yes I do I enjoyed very much i

1456
01:08:17,380 --> 01:08:20,949
know i've been i've been so happy to

1457
01:08:19,390 --> 01:08:26,289
have lots of people come to me and say

1458
01:08:20,949 --> 01:08:29,528
they hi girls hi they listen to the show

1459
01:08:26,289 --> 01:08:31,269
yep what what what do you find

1460
01:08:29,529 --> 01:08:32,650
interesting about it already you get out

1461
01:08:31,270 --> 01:08:34,660
of it which would be different from an

1462
01:08:32,649 --> 01:08:36,909
American podcast I think it's just

1463
01:08:34,659 --> 01:08:39,548
seeing seeing it from a slightly

1464
01:08:36,909 --> 01:08:41,349
different viewpoint I think the one

1465
01:08:39,548 --> 01:08:43,778
thing that I really got from skeptic

1466
01:08:41,350 --> 01:08:46,779
zone and it kind of made me a little

1467
01:08:43,779 --> 01:08:48,600
nuts was it really focused me more

1468
01:08:46,779 --> 01:08:51,430

because you talk about a lot more about

1469

01:08:48,600 --> 01:08:53,319

alternative medicine stuff homeopathy ah

1470

01:08:51,430 --> 01:08:55,210

the an evac stuff and that's just that

1471

01:08:53,319 --> 01:08:57,690

drives me up a wall and I seem to get

1472

01:08:55,210 --> 01:09:00,180

that more from your podcast than I do

1473

01:08:57,689 --> 01:09:02,789

mother once cuz homeopathy doesn't seem

1474

01:09:00,180 --> 01:09:05,420

to be as big in the United States as it

1475

01:09:02,789 --> 01:09:09,238

seems to be down in Australia uh-huh so

1476

01:09:05,420 --> 01:09:10,949

it is yeah it's a pity I mean what's a

1477

01:09:09,238 --> 01:09:13,079

pity it's big anywhere but it does

1478

01:09:10,948 --> 01:09:16,679

happen to be to be big in Australia a

1479

01:09:13,079 --> 01:09:18,359

lot of people kept in inspecting they

1480

01:09:16,680 --> 01:09:21,409

love listening to podcasts on the double

1481

01:09:18,359 --> 01:09:24,690

speed now on their iphones and itouches

1482

01:09:21,409 --> 01:09:26,159

well they should they don't they can't

1483
01:09:24,689 --> 01:09:31,108
listen to us because they can't

1484
01:09:26,159 --> 01:09:35,639
understand us so for all you people to

1485
01:09:31,109 --> 01:09:38,039
do some doubles me home now as he's only

1486
01:09:35,640 --> 01:09:42,239
healthy hi i hope we Josie's listen to

1487
01:09:38,039 --> 01:09:44,219
the show yes oh great so um what some of

1488
01:09:42,238 --> 01:09:45,419
the feedback I get from Australians

1489
01:09:44,219 --> 01:09:49,560
listening to the show is that they're

1490
01:09:45,420 --> 01:09:51,659
happy there's a local podcast yeah it's

1491
01:09:49,560 --> 01:09:54,029
one of the only podcasters there's three

1492
01:09:51,659 --> 01:09:57,090
or four American podcasts that got

1493
01:09:54,029 --> 01:10:03,360
skipped oi skeptic ality see said skip

1494
01:09:57,090 --> 01:10:05,610
toid put the SGU out of fear that that

1495
01:10:03,359 --> 01:10:08,460
are really good but it's really unusual

1496
01:10:05,609 --> 01:10:10,920
actually be here good material coming in

1497
01:10:08,460 --> 01:10:14,730
Australian accent it's very unusual to

1498
01:10:10,920 --> 01:10:17,100
hear that it well it's really not that

1499
01:10:14,729 --> 01:10:18,718
surprising than Australian a video like

1500
01:10:17,100 --> 01:10:20,340
that it's very weird to hear it coming

1501
01:10:18,719 --> 01:10:21,779
into the Australian accent just gets so

1502
01:10:20,340 --> 01:10:23,610
used to you you get very close to the

1503
01:10:21,779 --> 01:10:24,840
podcast being American but you know

1504
01:10:23,609 --> 01:10:28,719
there are more and more Australian

1505
01:10:24,840 --> 01:10:31,210
podcast now along these lines yes

1506
01:10:28,720 --> 01:10:33,340
and saying if there's there's no good

1507
01:10:31,210 --> 01:10:35,439
content available in Australian accent

1508
01:10:33,340 --> 01:10:39,699
that was such a softball set up I'm not

1509
01:10:35,439 --> 01:10:43,210
even gonna go there normal people

1510
01:10:39,699 --> 01:10:46,720
holiday everyone hi more roses yeah yeah

1511

01:10:43,210 --> 01:10:49,600
there you go I enjoying the conference

1512
01:10:46,720 --> 01:10:51,340
having a ball laughing yeah isn't a good

1513
01:10:49,600 --> 01:10:53,650
what today's session was good too i

1514
01:10:51,340 --> 01:10:57,579
really like the last one that they just

1515
01:10:53,649 --> 01:10:59,679
had was the magicians we had a Penn &

1516
01:10:57,579 --> 01:11:02,079
Teller james randi Jamy Ian Swiss and

1517
01:10:59,680 --> 01:11:04,659
ray hyman and DJ Grothe talking about

1518
01:11:02,079 --> 01:11:05,890
the ethics of magic wow that was good

1519
01:11:04,659 --> 01:11:13,180
yeah the nice thing I liked about that

1520
01:11:05,890 --> 01:11:16,170
was Randy didn't pull any punches I your

1521
01:11:13,180 --> 01:11:19,390
tweet about their trusty interval yeah

1522
01:11:16,170 --> 01:11:21,670
yeah yeah I'm not I'm not gonna put this

1523
01:11:19,390 --> 01:11:23,650
an explicit tag on this podcast I'm

1524
01:11:21,670 --> 01:11:27,779
gonna bleep this he was talking about

1525
01:11:23,649 --> 01:11:27,779

uri geller and he said gaily you

1526

01:11:31,229 --> 01:11:35,079

everything laughs that was rip that was

1527

01:11:33,430 --> 01:11:37,390

really funny this is your first time

1528

01:11:35,079 --> 01:11:39,100

here yeah you're amazing winning yeah

1529

01:11:37,390 --> 01:11:42,280

it's only my second who's who's a

1530

01:11:39,100 --> 01:11:46,180

veteran of them this is my second I've

1531

01:11:42,279 --> 01:11:51,050

been to 33 Wow and first one girls yeah

1532

01:11:46,180 --> 01:11:53,429

I knew from Brisbane riously

1533

01:11:51,050 --> 01:11:54,900

go on that subject I first heard about

1534

01:11:53,429 --> 01:11:57,118

the amazing meeting when they first

1535

01:11:54,899 --> 01:11:58,439

advertised tam one and I didn't even

1536

01:11:57,118 --> 01:11:59,578

know about the J rep or anything

1537

01:11:58,439 --> 01:12:02,908

somewhere just happened to stumble

1538

01:11:59,578 --> 01:12:05,219

across an ad for it and so for Tam one

1539

01:12:02,908 --> 01:12:07,259

two three and four I called all of my

1540
01:12:05,219 --> 01:12:09,090
friends tried to talk them into going

1541
01:12:07,260 --> 01:12:11,190
with me I say hey this looks cool let's

1542
01:12:09,090 --> 01:12:12,750
go to that nobody would go and so I

1543
01:12:11,189 --> 01:12:14,399
didn't I never made it to any of them

1544
01:12:12,750 --> 01:12:18,809
until finally my wife agreed to go to

1545
01:12:14,399 --> 01:12:20,578
tam 5 wow you wanted to tame you Tim six

1546
01:12:18,809 --> 01:12:22,590
last I would yeah i was at em say yes

1547
01:12:20,578 --> 01:12:25,259
you i remember right happen so yeah

1548
01:12:22,590 --> 01:12:29,069
you're only human I that was my first

1549
01:12:25,260 --> 01:12:31,469
yeah that was and this year how many

1550
01:12:29,069 --> 01:12:33,328
people are thousand seven thousand oh

1551
01:12:31,469 --> 01:12:34,980
seven was overheard yeah but did you see

1552
01:12:33,328 --> 01:12:36,979
how many hearings it enough that was

1553
01:12:34,979 --> 01:12:39,658
only yesterday morning at work yeah

1554
01:12:36,979 --> 01:12:44,848
everyone hi hi Jamie come and say hello

1555
01:12:39,658 --> 01:12:46,408

1558
01:12:50,118 --> 01:12:57,109
Tucson Arizona Tucson Arizona and Jamie

1559
01:12:54,210 --> 01:12:59,880
does some interesting political type

1560
01:12:57,109 --> 01:13:03,420
videos on YouTube and where can people

1561
01:12:59,880 --> 01:13:07,770
find those Jamie Oh racela ra de la

1562
01:13:03,420 --> 01:13:09,658
blogspot com I first discovered your

1563
01:13:07,770 --> 01:13:10,980
your online stuff and I started

1564
01:13:09,658 --> 01:13:12,448
corresponding with the youth hurts we

1565
01:13:10,979 --> 01:13:15,019
have to meet you in person yeah it was

1566
01:13:12,448 --> 01:13:15,019
great meeting you

1567
01:13:16,100 --> 01:13:23,910
and iron we met on the amazing adventure

1568

01:13:21,149 --> 01:13:25,979
to north to Alaska well and it was quite

1569
01:13:23,909 --> 01:13:29,220
amazing i'll tell you that was anyone on

1570
01:13:25,979 --> 01:13:31,529
the gluttonous no i was on driven in

1571
01:13:29,220 --> 01:13:32,610
caribbean first amazing adventure that's

1572
01:13:31,529 --> 01:13:35,880
when we were still trying to determine

1573
01:13:32,609 --> 01:13:37,349
halloween it was amazing who's been on

1574
01:13:35,880 --> 01:13:38,940
the trips and anybody else has been on

1575
01:13:37,350 --> 01:13:41,789
that the cruisers or the adventures like

1576
01:13:38,939 --> 01:13:44,609
that no they are fantastic this is it's

1577
01:13:41,789 --> 01:13:46,470
like this except it goes for a week you

1578
01:13:44,609 --> 01:13:48,839
know and in the middle of Asia in the

1579
01:13:46,470 --> 01:13:52,770
middle of the ocean pc speakers cannot

1580
01:13:48,840 --> 01:13:58,020
run away from you and they have nowhere

1581
01:13:52,770 --> 01:14:02,070
to go with the ocean some of them we're

1582
01:13:58,020 --> 01:14:05,090

motivated hey whoa no way oh wow you've

1583

01:14:02,069 --> 01:14:05,090
come further than minute

1584

01:14:06,000 --> 01:14:08,750
I don't

1585

01:14:09,139 --> 01:14:14,639
sylvania I'm not sure I where's the

1586

01:14:13,139 --> 01:14:19,730
father's place on the planet from Las

1587

01:14:14,639 --> 01:14:19,730
Vegas what do you think the penalization

1588

01:14:21,590 --> 01:14:27,000
that's a good answer now Mario let's try

1589

01:14:25,649 --> 01:14:29,429
an experiment here let's try an

1590

01:14:27,000 --> 01:14:31,500
experiment I've got now you've been

1591

01:14:29,429 --> 01:14:34,050
watching me closely I hope you see that

1592

01:14:31,500 --> 01:14:39,270
quite sneekly I've been drinking beer

1593

01:14:34,050 --> 01:14:43,320
now which means my beer bottle is almost

1594

01:14:39,270 --> 01:14:45,060
empty Mario here- almost four so we're

1595

01:14:43,319 --> 01:14:48,269
going to do a little acoustic experiment

1596

01:14:45,060 --> 01:14:50,550
right now I have a pen so then the

1597
01:14:48,270 --> 01:14:52,590
experiment won't involve any cake this

1598
01:14:50,550 --> 01:14:54,929
time no cake in my face last year she'd

1599
01:14:52,590 --> 01:14:58,199
put cake in my face it was quite funny

1600
01:14:54,929 --> 01:14:59,760
I'm really sorry to hear that I'm really

1601
01:14:58,198 --> 01:15:03,149
sorry to be sitting between the two of

1602
01:14:59,760 --> 01:15:06,810
you I'm really sorry audience thank

1603
01:15:03,149 --> 01:15:09,089
brian dunning we'll see you later sorry

1604
01:15:06,810 --> 01:15:12,440
i have to go i'll see you all in white

1605
01:15:09,090 --> 01:15:15,770
november two thousand to thank you

1606
01:15:12,439 --> 01:15:17,479
all right now let's try a little this is

1607
01:15:15,770 --> 01:15:18,680
a very simple experiment but we had to

1608
01:15:17,479 --> 01:15:21,139
come up with something rule you could

1609
01:15:18,680 --> 01:15:22,850
use for audio because last year it was

1610
01:15:21,140 --> 01:15:24,500
very visual and pie in the face and

1611
01:15:22,850 --> 01:15:25,640
everything like that right so we're

1612
01:15:24,500 --> 01:15:27,859
going to do this little experiment than

1613
01:15:25,640 --> 01:15:30,469
mario is going to explain it more later

1614
01:15:27,859 --> 01:15:32,599
on and on her smarter than that type

1615
01:15:30,469 --> 01:15:34,310
stuff and we're talking about why things

1616
01:15:32,600 --> 01:15:37,219
sound differently depending on the

1617
01:15:34,310 --> 01:15:40,940
volume of liquid say inside of oil so

1618
01:15:37,219 --> 01:15:45,079
listeners can you guess is this bottle

1619
01:15:40,939 --> 01:15:48,379
full or empty write your answers on the

1620
01:15:45,079 --> 01:15:53,899
back of a postcard don't worry I'll pick

1621
01:15:48,380 --> 01:15:56,060
up yours all right now the only thing is

1622
01:15:53,899 --> 01:15:58,309
that you kind of Kerry dancer yeah hmm

1623
01:15:56,060 --> 01:16:01,219
let's never mind that's because you

1624
01:15:58,310 --> 01:16:09,500
weren't yours it why God this is mine

1625

01:16:01,219 --> 01:16:11,810
again yours now why why does mine sound

1626
01:16:09,500 --> 01:16:14,569
lower if I'm hitting this and it's full

1627
01:16:11,810 --> 01:16:17,120
of liquid you wouldn't wouldn't the echo

1628
01:16:14,569 --> 01:16:19,009
that the noise i'm making be made lower

1629
01:16:17,119 --> 01:16:20,630
by the fact it's gotta travel from

1630
01:16:19,010 --> 01:16:22,909
liquid and everything else that's going

1631
01:16:20,630 --> 01:16:26,000
on no so what's going on is when we clap

1632
01:16:22,909 --> 01:16:28,399
the glass we make the glass travel a

1633
01:16:26,000 --> 01:16:30,939
little bit but when the bottle is empty

1634
01:16:28,399 --> 01:16:33,488
the entire glass could rattle

1635
01:16:30,939 --> 01:16:34,929
and when it's not when it's full the

1636
01:16:33,488 --> 01:16:36,429
liquid is stopping it and makes it

1637
01:16:34,930 --> 01:16:40,480
making it rattle a little bit less

1638
01:16:36,430 --> 01:16:43,170
quickly yeah so you hear it lower or

1639
01:16:40,479 --> 01:16:46,319

higher but if you do something different

1640

01:16:43,170 --> 01:16:46,319
transfer this

1641

01:16:51,079 --> 01:16:58,529
no the effect was the other way around

1642

01:16:53,850 --> 01:17:08,340
you see yours was slower ah will do so

1643

01:16:58,529 --> 01:17:10,649
do it again will do together there we go

1644

01:17:08,340 --> 01:17:13,050
so now mine is higher than yours is

1645

01:17:10,649 --> 01:17:15,989
lower this is because now we're actually

1646

01:17:13,050 --> 01:17:17,880
making the air move around and make this

1647

01:17:15,989 --> 01:17:21,420
sound not the glass so now there's more

1648

01:17:17,880 --> 01:17:24,119
air like moving around and creating the

1649

01:17:21,420 --> 01:17:27,239
sound and rather than here with the

1650

01:17:24,119 --> 01:17:29,430
bottle is half full there's less air it

1651

01:17:27,239 --> 01:17:31,319
has less time to move around and shake

1652

01:17:29,430 --> 01:17:33,510
the air and create a sound and so this

1653

01:17:31,319 --> 01:17:36,090
one would be higher than this one so you

1654
01:17:33,510 --> 01:17:37,770
get you can get two sounds out of the

1655
01:17:36,090 --> 01:17:39,659
price of one for example you can get a

1656
01:17:37,770 --> 01:17:44,220
high sound from one bottle from the same

1657
01:17:39,659 --> 01:17:48,000
bottle a low sound exactly and the low

1658
01:17:44,220 --> 01:17:52,110
sound if you tap it right yours I'm

1659
01:17:48,000 --> 01:17:55,909
tapping exactly and this will be lower

1660
01:17:52,109 --> 01:17:55,909
than that one but it will be higher

1661
01:17:57,289 --> 01:18:02,579
isn't science wonderful everybody isn't

1662
01:18:00,659 --> 01:18:05,300
science wonderful when you can use beer

1663
01:18:02,579 --> 01:18:05,300
bottles in here

1664
01:18:05,770 --> 01:18:13,660
first there's signs everywhere thank you

1665
01:18:09,340 --> 01:18:16,600
Mario now it was the one thing that

1666
01:18:13,659 --> 01:18:18,460
we're waiting for now is mari el 24 de

1667
01:18:16,600 --> 01:18:20,370
vere order is the Mariota for the beer

1668
01:18:18,460 --> 01:18:23,409
on me know is for the bus announcements

1669
01:18:20,369 --> 01:18:24,760
but we're in the wrong Club they're in

1670
01:18:23,409 --> 01:18:27,099
their own puppet but every now and then

1671
01:18:24,760 --> 01:18:29,350
from the deli just across over there

1672
01:18:27,100 --> 01:18:32,140
behind your shoulder we getting what is

1673
01:18:29,350 --> 01:18:33,820
it so Chanel food announce me Maura

1674
01:18:32,140 --> 01:18:37,270
which sounds better than bus

1675
01:18:33,819 --> 01:18:39,189
insensitivity open so I added the non

1676
01:18:37,270 --> 01:18:40,360
Australians here who has been to

1677
01:18:39,189 --> 01:18:46,750
Australia which Americans have been

1678
01:18:40,359 --> 01:18:49,000
destroyed right moving right along but

1679
01:18:46,750 --> 01:18:51,279
one more thing Richard I just thank all

1680
01:18:49,000 --> 01:18:53,739
the people that wrote to us yeah with

1681
01:18:51,279 --> 01:18:55,300
ideas I'm really great some of them we

1682

01:18:53,739 --> 01:18:57,909
couldn't use some of them are a bit rude

1683
01:18:55,300 --> 01:19:00,100
actually the last year she whacked

1684
01:18:57,909 --> 01:19:02,079
behind my face we said what's another

1685
01:19:00,100 --> 01:19:03,820
idea and people wanted me to do be in

1686
01:19:02,079 --> 01:19:06,970
all sorts of state of undress for other

1687
01:19:03,819 --> 01:19:09,130
access that was so yeah so that the best

1688
01:19:06,970 --> 01:19:10,810
ads the best one to come up with someone

1689
01:19:09,130 --> 01:19:12,909
said please do something with because we

1690
01:19:10,810 --> 01:19:14,380
say we're drinking skeptically so yeah

1691
01:19:12,909 --> 01:19:16,119
that was the simplest one we could come

1692
01:19:14,380 --> 01:19:17,380
up with exactly what something everybody

1693
01:19:16,119 --> 01:19:19,239
can do when they're drinking if you're

1694
01:19:17,380 --> 01:19:20,230
not you know finishing their bottle

1695
01:19:19,239 --> 01:19:22,389
familiar

1696
01:19:20,229 --> 01:19:24,879

I am just wanted I could just imagine

1697

01:19:22,390 --> 01:19:26,289

now thousands of skeptics are listed as

1698

01:19:24,880 --> 01:19:31,449

having their beer saying hey did you

1699

01:19:26,289 --> 01:19:33,550

know that if you well what what a

1700

01:19:31,449 --> 01:19:35,529

fantastic things that's been you know

1701

01:19:33,550 --> 01:19:40,600

what this is the first edition of the

1702

01:19:35,529 --> 01:19:44,649

think tank without dr. a team that was

1703

01:19:40,600 --> 01:19:46,750

that sounded good access so a big hello

1704

01:19:44,649 --> 01:19:50,079

to dr. H you really miss you and we know

1705

01:19:46,750 --> 01:19:51,609

you'll be you'll be in dragoncon of

1706

01:19:50,079 --> 01:19:52,960

course she's coming the dragon condom we

1707

01:19:51,609 --> 01:19:56,679

know she's going to be a town next year

1708

01:19:52,960 --> 01:19:58,569

right oh yeah so I want to thank

1709

01:19:56,680 --> 01:20:00,400

everybody for well I'm surrounded by

1710

01:19:58,569 --> 01:20:03,519

people here everybody for turning up and

1711
01:20:00,399 --> 01:20:06,879
joining us in the very first us the Las

1712
01:20:03,520 --> 01:20:08,920
Vegas type think tank we haven't seen

1713
01:20:06,880 --> 01:20:11,650
Elvis yet but it surely in imminent down

1714
01:20:08,920 --> 01:20:17,170
he was driving a taxi he's driving a

1715
01:20:11,649 --> 01:20:19,689
taxi back and until Nick's here at town

1716
01:20:17,170 --> 01:20:22,539
everybody cheers and thanks for being in

1717
01:20:19,689 --> 01:20:27,869
the think tank cheers and then a low

1718
01:20:22,539 --> 01:20:27,869
plank is anybody who the

1719
01:20:29,050 --> 01:20:33,380
Ryan is a tequila

1720
01:20:31,250 --> 01:20:35,779
australia from leading our country all

1721
01:20:33,380 --> 01:20:38,930
the execs they might benefit for the

1722
01:20:35,779 --> 01:20:41,059
first time it's called our tissue marc

1723
01:20:38,930 --> 01:20:46,159
webb's good poll has he wow that's right

1724
01:20:41,060 --> 01:20:48,200
up here tomorrow morning right I heard

1725
01:20:46,159 --> 01:20:50,029
Australia declared at one stage punting

1726
01:20:48,199 --> 01:20:57,039
got a century and you're doing really

1727
01:20:50,029 --> 01:20:57,039
well great thanks everyone fan favorite

1728
01:21:02,140 --> 01:21:11,930
on the back up that's what happened the

1729
01:21:10,039 --> 01:21:15,909
last time we did it in the club where I

1730
01:21:11,930 --> 01:21:15,909
press the partners in the box Maui

1731
01:21:28,949 --> 01:21:35,769
you're listening to the skeptic zone I'm

1732
01:21:32,289 --> 01:21:38,050
Brian Dunning from sceptile calm when

1733
01:21:35,770 --> 01:21:41,020
I'm not tuned into the skeptic zone I'm

1734
01:21:38,050 --> 01:21:42,820
recording thus kept I'd podcast doing

1735
01:21:41,020 --> 01:21:44,640
what I can to further knowledge by

1736
01:21:42,819 --> 01:21:47,139
blasting away the widespread

1737
01:21:44,640 --> 01:21:49,990
pseudo-sciences that infect popular

1738
01:21:47,140 --> 01:21:52,060
culture I've also compiled a 40-minute

1739

01:21:49,989 --> 01:21:55,300
educational video on critical thinking

1740
01:21:52,060 --> 01:21:59,020
called here be dragons at here be

1741
01:21:55,300 --> 01:22:02,050
dragons movie.com I hope you check those

1742
01:21:59,020 --> 01:22:04,350
out and I hope you enjoy the skeptic

1743
01:22:02,050 --> 01:22:04,350
zone

1744
01:22:09,560 --> 01:22:13,730
well Stefan I just want to go back to

1745
01:22:11,960 --> 01:22:15,649
Las Vegas now I want to come with you

1746
01:22:13,729 --> 01:22:17,899
this time that was too exciting and I

1747
01:22:15,649 --> 01:22:19,849
feel terrible that I was here without

1748
01:22:17,899 --> 01:22:21,649
without going on well people were when

1749
01:22:19,850 --> 01:22:23,360
they met me they said in where's dr.

1750
01:22:21,649 --> 01:22:26,149
a.cian where's Carly and where step and

1751
01:22:23,359 --> 01:22:29,299
I said I'm sorry I mean that we had a

1752
01:22:26,149 --> 01:22:31,879
amanda rose and ran sagir it was great

1753
01:22:29,300 --> 01:22:33,320

they were there the rest of the scammers

1754

01:22:31,880 --> 01:22:34,880

oh where were they well you'll be happy

1755

01:22:33,319 --> 01:22:37,880

to know that I was actually in sunny

1756

01:22:34,880 --> 01:22:40,430

cans yes I had a little gig up there I

1757

01:22:37,880 --> 01:22:41,930

did a an award ceremony in conference

1758

01:22:40,430 --> 01:22:44,480

for it for a huge franchise he called

1759

01:22:41,930 --> 01:22:47,930

just cuts and their hair cut people yeah

1760

01:22:44,479 --> 01:22:50,329

I go there you do good i think a great

1761

01:22:47,930 --> 01:22:51,980

there and but they paid my way and it

1762

01:22:50,329 --> 01:22:54,769

doesn't five-star hotel i'm gonna be

1763

01:22:51,979 --> 01:22:57,169

four nights and cans so I I know it

1764

01:22:54,770 --> 01:22:59,810

wasn't quite as exciting as being in Las

1765

01:22:57,170 --> 01:23:01,970

Vegas blood cans is pretty nice too but

1766

01:22:59,810 --> 01:23:04,280

well banner just cut just can't

1767

01:23:01,970 --> 01:23:06,619

accelerate very cool yeah oh and one

1768
01:23:04,279 --> 01:23:09,710
thing before we go I don't Richard have

1769
01:23:06,619 --> 01:23:11,960
you heard of the bio disc bio disc why

1770
01:23:09,710 --> 01:23:15,529
they cost they cost about six hundred

1771
01:23:11,960 --> 01:23:18,980
dollars yeah round piece of glass yeah

1772
01:23:15,529 --> 01:23:21,889
and they energize water so you actually

1773
01:23:18,979 --> 01:23:23,809
you turn the tap on and you put the bio

1774
01:23:21,890 --> 01:23:25,700
disc under the under the tap and then

1775
01:23:23,810 --> 01:23:27,860
you let the water flow over the piece of

1776
01:23:25,699 --> 01:23:30,349
glass called the bio disc yeah and into

1777
01:23:27,859 --> 01:23:33,409
the jug and then it actually aligns and

1778
01:23:30,350 --> 01:23:35,570
attunes all the atoms inside the water

1779
01:23:33,409 --> 01:23:36,889
how did you find out on it because a

1780
01:23:35,569 --> 01:23:41,599
friend of mine actually written bought

1781
01:23:36,890 --> 01:23:43,100
10 it's ridiculous and apparently all

1782
01:23:41,600 --> 01:23:44,510
the directors of the company are being

1783
01:23:43,100 --> 01:23:46,880
sued for fraud for all sorts of other

1784
01:23:44,510 --> 01:23:49,100
things but one of the claims that the

1785
01:23:46,880 --> 01:23:51,440
bio disc besides doing everything from

1786
01:23:49,100 --> 01:23:54,020
curing HIV to your curvature of the

1787
01:23:51,439 --> 01:23:57,259
spine to your brain tumors it actually

1788
01:23:54,020 --> 01:24:00,050
makes you drive faster what makes you

1789
01:23:57,260 --> 01:24:02,180
drive makers drive faster and that's a

1790
01:24:00,050 --> 01:24:04,850
claim on there and it's so obvious that

1791
01:24:02,180 --> 01:24:08,420
this thing is the biggest joke scam ever

1792
01:24:04,850 --> 01:24:09,920
that's allegedly allegedly that'll

1793
01:24:08,420 --> 01:24:12,170
probably some people say it's so

1794
01:24:09,920 --> 01:24:14,239
probably obvious that it might be one of

1795
