

1
00:00:05,929 --> 00:00:13,699
welcome to the skeptic zone the podcast

2
00:00:09,119 --> 00:00:13,699
from Australia for science and reason

3
00:00:22,289 --> 00:00:29,289
hello and welcome to the skeptic zone

4
00:00:25,210 --> 00:00:31,630
episode number 415 for the second of

5
00:00:29,289 --> 00:00:34,058
October 2016 Richard Saunders here with

6
00:00:31,629 --> 00:00:35,859
you from Sydney Australia looking out

7
00:00:34,058 --> 00:00:37,838
the window what a nice sunny day it is

8
00:00:35,859 --> 00:00:39,518
and all you people in New South Wales

9
00:00:37,838 --> 00:00:40,988
enjoying the long weekend and maybe

10
00:00:39,518 --> 00:00:43,299
other parts of Australia too i'm not

11
00:00:40,988 --> 00:00:45,549
sure well i hope the skeptic zone can

12
00:00:43,299 --> 00:00:48,250
maybe well keep you company on your

13
00:00:45,549 --> 00:00:50,649
drive back and what an interesting show

14
00:00:48,250 --> 00:00:53,320
we have for you this week coming up my

15
00:00:50,649 --> 00:00:56,558
interview with an old friend of mine dr.

16
00:00:53,320 --> 00:01:00,039
Lynn Kelly who has just released a book

17
00:00:56,558 --> 00:01:02,109
through allen & unwinn called the memory

18
00:01:00,039 --> 00:01:04,478
code the memory code and as they say

19
00:01:02,109 --> 00:01:07,959
available at all good book outlets and

20
00:01:04,478 --> 00:01:10,118
online the memory code and we've we've

21
00:01:07,959 --> 00:01:11,798
discussed this before on the skeptic

22
00:01:10,118 --> 00:01:14,859
zone in fact I've interviewed Lynn about

23
00:01:11,799 --> 00:01:17,618
this oh just a couple of years ago it's

24
00:01:14,859 --> 00:01:20,500
a subject that's not causing waves in

25
00:01:17,618 --> 00:01:24,430
their world of academia and ancient

26
00:01:20,500 --> 00:01:29,620
history it's causing tsunamis it really

27
00:01:24,430 --> 00:01:31,570
is it's astonishing ah it's a revolution

28
00:01:29,620 --> 00:01:35,500
you might say well that's how it's

29

00:01:31,569 --> 00:01:38,349
appearing and like any good skeptic Lynn

30
00:01:35,500 --> 00:01:43,539
has put her workup for other people in

31
00:01:38,349 --> 00:01:45,789
the field to attack it to see if there

32
00:01:43,540 --> 00:01:48,610
are holes in the plot so to speak and so

33
00:01:45,790 --> 00:01:51,670
far it's standing up very well what's it

34
00:01:48,609 --> 00:01:53,590
all about how our ancestors in ancient

35
00:01:51,670 --> 00:01:56,859
cultures and other cultures around the

36
00:01:53,590 --> 00:02:00,370
world remembered things without a

37
00:01:56,859 --> 00:02:02,319
written language and not just mundane

38
00:02:00,370 --> 00:02:05,439
everyday things they remembered a

39
00:02:02,319 --> 00:02:09,038
staggering amount of vital knowledge

40
00:02:05,439 --> 00:02:10,840
family history when to plant crops where

41
00:02:09,038 --> 00:02:12,969
this animal lives all sorts of things

42
00:02:10,840 --> 00:02:15,069
it's a fascinating book and as I say

43
00:02:12,969 --> 00:02:16,598

it's creating tsunamis throughout the

44

00:02:15,068 --> 00:02:19,119

world of ancient history and academia

45

00:02:16,598 --> 00:02:21,039

join me in a few minutes when I have a

46

00:02:19,120 --> 00:02:23,170

quick chat tool in Kelly about this book

47

00:02:21,039 --> 00:02:26,019

and incidentally we'll be giving away a

48

00:02:23,169 --> 00:02:28,869

signed copy of Lynn Kelly's book the

49

00:02:26,019 --> 00:02:31,300

memory code at the upcoming skeptic zone

50

00:02:28,870 --> 00:02:33,409

live more details a bit later on in the

51

00:02:31,300 --> 00:02:35,439

show then after the break

52

00:02:33,409 --> 00:02:39,229

it's a little less skeptical road trip

53

00:02:35,439 --> 00:02:41,990

we jump into the skeptic mobile may nod

54

00:02:39,229 --> 00:02:44,719

myself our good friends Lara and Jessica

55

00:02:41,990 --> 00:02:46,909

and we head off to kuchulu for the

56

00:02:44,719 --> 00:02:49,759

Australian paranormal and spiritual Expo

57

00:02:46,909 --> 00:02:51,710

now it does skeptics good every now and

58
00:02:49,759 --> 00:02:53,179
then to go along to one of these you'll

59
00:02:51,710 --> 00:02:55,879
often hear us talking about the mind

60
00:02:53,180 --> 00:02:59,150
body spirit or mind-body wallet Expo in

61
00:02:55,879 --> 00:03:01,159
fact there's one coming up bum very soon

62
00:02:59,150 --> 00:03:02,810
towards the end of this month or very

63
00:03:01,159 --> 00:03:04,939
early next month in Sydney I think I'll

64
00:03:02,810 --> 00:03:07,400
be certainly going along to that it does

65
00:03:04,939 --> 00:03:11,479
skeptics good because the last thing we

66
00:03:07,400 --> 00:03:12,770
want to be our armchair skeptics we need

67
00:03:11,479 --> 00:03:14,449
to get out there and see what's really

68
00:03:12,770 --> 00:03:17,810
going on and speak to these people which

69
00:03:14,449 --> 00:03:19,789
is exactly what Manor does today he

70
00:03:17,810 --> 00:03:21,259
speaks to people at the paranormal

71
00:03:19,789 --> 00:03:24,109
expert to get their point of view their

72
00:03:21,259 --> 00:03:27,169
opinions and for us it's a way to look

73
00:03:24,110 --> 00:03:28,970
inside their mind why do they think this

74
00:03:27,169 --> 00:03:31,579
how do they think this what's led them

75
00:03:28,969 --> 00:03:33,469
to these conclusions it's a fascinating

76
00:03:31,580 --> 00:03:36,650
am it's a fascinating look you're almost

77
00:03:33,469 --> 00:03:39,709
like being voyeurs voyeurs into the mind

78
00:03:36,650 --> 00:03:41,930
and we bump into a skeptic along the way

79
00:03:39,709 --> 00:03:44,930
Peter bowditch from Australian skeptics

80
00:03:41,930 --> 00:03:46,760
and ratbags calm he'll be there I may

81
00:03:44,930 --> 00:03:50,360
not also catches up with Pete banks who

82
00:03:46,759 --> 00:03:52,789
runs the expo Alex chaos is there and he

83
00:03:50,360 --> 00:03:55,730
swings by the sci / a normal Ghost

84
00:03:52,789 --> 00:03:57,669
Hunters table chats to Lorraine sealer

85
00:03:55,729 --> 00:04:02,030
the president of the UFO and paranormal

86

00:03:57,669 --> 00:04:05,208
society and also carry mcgill dre who

87
00:04:02,030 --> 00:04:08,959
has a crystal healing bed no not for

88
00:04:05,209 --> 00:04:11,420
healing crystals the claim is it heals

89
00:04:08,959 --> 00:04:14,360
people and thanks to Lara and Jess who a

90
00:04:11,419 --> 00:04:16,459
great company on the trip now before we

91
00:04:14,360 --> 00:04:19,489
get stuck into the show and update an

92
00:04:16,459 --> 00:04:23,180
update from last week I think we brought

93
00:04:19,488 --> 00:04:25,219
you this story about the film festival

94
00:04:23,180 --> 00:04:28,069
in castlemaine or Castlemaine as they

95
00:04:25,220 --> 00:04:32,330
say in Victoria that we're going to show

96
00:04:28,069 --> 00:04:36,949
the film vax my Andrew Wakefield now due

97
00:04:32,329 --> 00:04:39,649
to a very negative publicity they said

98
00:04:36,949 --> 00:04:41,870
they would withdraw the movie from the

99
00:04:39,649 --> 00:04:44,209
festival which they did then we

100
00:04:41,870 --> 00:04:46,790

discovered that was scheduled then to be

101

00:04:44,209 --> 00:04:50,419
shown a week earlier at the cinema

102

00:04:46,790 --> 00:04:51,710
now that's been withdrawn as well now of

103

00:04:50,420 --> 00:04:54,710
course your one stop shop for

104

00:04:51,709 --> 00:04:59,060
information about this is reasonable

105

00:04:54,709 --> 00:05:01,310
Hank at reasonable Hank com lots of

106

00:04:59,060 --> 00:05:02,750
detailed information there but it's

107

00:05:01,310 --> 00:05:05,089
interesting to me that just the other

108

00:05:02,750 --> 00:05:08,120
day on a local radio station in that

109

00:05:05,089 --> 00:05:11,509
part of the world main FM David thrust

110

00:05:08,120 --> 00:05:12,920
who was the director of the film

111

00:05:11,509 --> 00:05:16,909
festival in question I don't know if he

112

00:05:12,920 --> 00:05:19,480
still lives but he was appeared on this

113

00:05:16,910 --> 00:05:21,740
afternoon I assume a morning chat show

114

00:05:19,480 --> 00:05:24,530
to give his point of view they also

115
00:05:21,740 --> 00:05:26,569
played the entire trailer for vax twitch

116
00:05:24,529 --> 00:05:28,639
was a bit of a free kick for the movie I

117
00:05:26,569 --> 00:05:30,620
suppose but it's interesting because

118
00:05:28,639 --> 00:05:33,889
David thressome made the following

119
00:05:30,620 --> 00:05:35,899
claims on radio which I'd like to

120
00:05:33,889 --> 00:05:38,779
address quickly he said that every

121
00:05:35,899 --> 00:05:40,549
cynical critic of the film that he'd

122
00:05:38,779 --> 00:05:44,259
heard of or read had not actually seen

123
00:05:40,550 --> 00:05:46,460
the film this is of course ridiculous I

124
00:05:44,259 --> 00:05:49,009
for one have SAT through the damn thing

125
00:05:46,459 --> 00:05:50,959
twice we'll get to that in a minute more

126
00:05:49,009 --> 00:05:53,529
importantly our friend David Gorski a

127
00:05:50,959 --> 00:05:57,169
SAT through it and wrote a very good

128
00:05:53,529 --> 00:05:59,089
critique takedown of the movie and i'll

129
00:05:57,170 --> 00:06:01,819
be linking to that in the show notes or

130
00:05:59,089 --> 00:06:03,919
if you go to sciencebase medicine org

131
00:06:01,819 --> 00:06:05,449
you can certainly find it there he also

132
00:06:03,920 --> 00:06:07,970
implies in the interview that the

133
00:06:05,449 --> 00:06:12,920
critics of the film especially here in

134
00:06:07,970 --> 00:06:15,310
Australia had had funding from people

135
00:06:12,920 --> 00:06:18,680
with deep pockets or words that effect

136
00:06:15,310 --> 00:06:23,209
conspiracy theory no shock there and he

137
00:06:18,680 --> 00:06:26,959
also says that the movie is not anti vax

138
00:06:23,209 --> 00:06:30,439
it's only about one vaccine that causes

139
00:06:26,959 --> 00:06:32,899
autism that being the MMR which leads us

140
00:06:30,439 --> 00:06:35,959
to wonder if he himself has really

141
00:06:32,899 --> 00:06:37,819
actually seen the movie or if he did

142
00:06:35,959 --> 00:06:39,620
watch it was he sort of texting or

143

00:06:37,819 --> 00:06:42,199
facebooking at the same time and sort of

144
00:06:39,620 --> 00:06:44,389
missed the key points now as I said I

145
00:06:42,199 --> 00:06:46,879
have seen the movie twice it's available

146
00:06:44,389 --> 00:06:49,370
on YouTube if you really want to have

147
00:06:46,879 --> 00:06:51,740
look for it it's there it's not hiding

148
00:06:49,370 --> 00:06:54,230
it's not secret it's not locked away if

149
00:06:51,740 --> 00:06:55,629
people really want to see it they can

150
00:06:54,230 --> 00:06:57,980
they don't have to go to a film festival

151
00:06:55,629 --> 00:07:00,350
but so do this claim that the movie is

152
00:06:57,980 --> 00:07:03,680
not and Eve acts at 10 minutes

153
00:07:00,350 --> 00:07:06,770
send 23 seconds into the film Dell big

154
00:07:03,680 --> 00:07:09,769
tree says quote thousands and thousands

155
00:07:06,769 --> 00:07:12,169
of parents all telling the same story my

156
00:07:09,769 --> 00:07:14,719
child got a vaccine usually the MMR

157
00:07:12,170 --> 00:07:17,300

vaccine and then that night or the next

158

00:07:14,720 --> 00:07:19,310

day broke out into a fever and then when

159

00:07:17,300 --> 00:07:21,920

they came out of the fever lost speech

160

00:07:19,310 --> 00:07:24,800

lost the ability to walk basically

161

00:07:21,920 --> 00:07:27,500

regressed into what we know as autism

162

00:07:24,800 --> 00:07:30,860

and never came back well the implication

163

00:07:27,500 --> 00:07:33,370

is clear here when he says my child got

164

00:07:30,860 --> 00:07:36,590

a vaccine usually the MMR vaccine

165

00:07:33,370 --> 00:07:39,530

usually meaning of course other vaccines

166

00:07:36,589 --> 00:07:43,129

at 31 minutes and 40 seconds Polly Tommy

167

00:07:39,529 --> 00:07:46,309

says quote the parents had exactly the

168

00:07:43,129 --> 00:07:49,939

same stories us antibiotics some with

169

00:07:46,310 --> 00:07:52,100

chickenpox a lot vaccine bang the

170

00:07:49,939 --> 00:07:54,259

symptoms were all the same the diarrhea

171

00:07:52,100 --> 00:07:56,300

the constipation the high-pitched scream

172
00:07:54,259 --> 00:07:58,969
the banging of the head we've all lived

173
00:07:56,300 --> 00:08:01,639
through it it's the same story end quote

174
00:07:58,970 --> 00:08:04,310
Polly Tommy again quote out there

175
00:08:01,639 --> 00:08:06,169
there's millions of me's there's

176
00:08:04,310 --> 00:08:09,019
millions of Polly Tommy's with the

177
00:08:06,170 --> 00:08:12,170
vaccine damaged children man quote add

178
00:08:09,019 --> 00:08:15,379
52 minutes and four seconds Stephanie

179
00:08:12,170 --> 00:08:17,660
sinneth PhD says quote I became

180
00:08:15,379 --> 00:08:19,639
interested in autism a long time ago

181
00:08:17,660 --> 00:08:21,470
when my best friend at the time had a

182
00:08:19,639 --> 00:08:25,069
son who was diagnosed with autism

183
00:08:21,470 --> 00:08:27,020
following the DPT shot he had a high

184
00:08:25,069 --> 00:08:29,930
fever after the shot seizures a week

185
00:08:27,019 --> 00:08:33,049
later and then was later diagnosed with

186
00:08:29,930 --> 00:08:36,590
autism end quote d PT is diphtheria

187
00:08:33,049 --> 00:08:39,199
pertussis and tetanus at 55 minutes into

188
00:08:36,590 --> 00:08:40,580
the movie a variety of clips of parents

189
00:08:39,200 --> 00:08:43,310
with stories of what they claim are

190
00:08:40,580 --> 00:08:45,650
vaccine damaged children they repeat the

191
00:08:43,309 --> 00:08:48,349
message over and over again quote here

192
00:08:45,649 --> 00:08:52,850
this well end quote also there is a

193
00:08:48,350 --> 00:08:55,340
video montage of over 500 faces many if

194
00:08:52,850 --> 00:08:58,360
not all however are just repeated on the

195
00:08:55,340 --> 00:09:02,440
page to give the illusion of many people

196
00:08:58,360 --> 00:09:06,200
chanting quote vaccines cause autism

197
00:09:02,440 --> 00:09:08,630
anchored at one hour 13 minutes and 24

198
00:09:06,200 --> 00:09:11,089
seconds into the movie a video is played

199
00:09:08,629 --> 00:09:13,189
courtesy of the canary party which

200

00:09:11,089 --> 00:09:13,630
implies clearly that vaccines cause

201
00:09:13,190 --> 00:09:17,550
autism

202
00:09:13,629 --> 00:09:22,330
so so much for the the claims made on

203
00:09:17,549 --> 00:09:24,009
main FM radio by David through soul but

204
00:09:22,330 --> 00:09:25,900
as I said before if you really want to

205
00:09:24,009 --> 00:09:28,090
find out more information about the

206
00:09:25,899 --> 00:09:32,039
story behind this story head to

207
00:09:28,090 --> 00:09:35,350
reasonable Hank calm some of the online

208
00:09:32,039 --> 00:09:36,939
postings by people behind the push to

209
00:09:35,350 --> 00:09:39,370
get this movie put out a quite

210
00:09:36,940 --> 00:09:40,900
disturbing now there are a few more

211
00:09:39,370 --> 00:09:43,629
loose ends to tie up but I'll get to

212
00:09:40,899 --> 00:09:46,149
that at the end of this episode but for

213
00:09:43,629 --> 00:09:49,870
now but for now it's time for me to run

214
00:09:46,149 --> 00:09:53,049

downstairs run out the door run down to

215

00:09:49,870 --> 00:09:56,500

the local shops and see if I can buy

216

00:09:53,049 --> 00:09:59,529

some nice some some nice or not a nice

217

00:09:56,500 --> 00:10:01,450

-serving a falafel hmm haven't had that

218

00:09:59,529 --> 00:10:04,829

for a while while I do that I hope you

219

00:10:01,450 --> 00:10:04,830

enjoy the skeptic zone

220

00:10:28,799 --> 00:10:33,479

now i remember that do you remember that

221

00:10:31,269 --> 00:10:33,480

music

222

00:10:34,970 --> 00:10:40,379

so the Sullivans or something now it's

223

00:10:37,710 --> 00:10:43,290

song for guy by Elton John alright I've

224

00:10:40,379 --> 00:10:44,519

done it not a very musical brain not a

225

00:10:43,289 --> 00:10:46,469

musical brain but you haven't got a

226

00:10:44,519 --> 00:10:47,970

brain Lynn Kelly it's delightful to see

227

00:10:46,470 --> 00:10:49,860

you once again you're up here in Sydney

228

00:10:47,970 --> 00:10:53,550

to give a talk for the skeptics night

229
00:10:49,860 --> 00:10:55,289
about your latest book very exciting

230
00:10:53,549 --> 00:10:57,839
it's a wonderful book and Wow has it

231
00:10:55,289 --> 00:11:00,089
been creating waves how's that all going

232
00:10:57,840 --> 00:11:01,920
it's going extremely well it's

233
00:11:00,090 --> 00:11:04,830
especially among the science community

234
00:11:01,919 --> 00:11:07,529
but it's already causing quite a stir

235
00:11:04,830 --> 00:11:08,879
and I'm delighted yeah look you're

236
00:11:07,529 --> 00:11:10,439
beaming of course your book is the

237
00:11:08,879 --> 00:11:13,500
memory code how long has that been out

238
00:11:10,440 --> 00:11:15,120
now it's only been out a few months but

239
00:11:13,500 --> 00:11:16,529
it's been in the pipeline I've been

240
00:11:15,120 --> 00:11:18,509
talking to skeptics and having them

241
00:11:16,529 --> 00:11:21,899
polish the theories for nearly 10 years

242
00:11:18,509 --> 00:11:23,399
now so it's lovely to be back among

243
00:11:21,899 --> 00:11:26,759
skeptics again because that's where I

244
00:11:23,399 --> 00:11:28,259
belong you sort of it really takes a big

245
00:11:26,759 --> 00:11:30,200
chunk of your life doesn't it i'm

246
00:11:28,259 --> 00:11:32,340
putting the other such a body of work

247
00:11:30,200 --> 00:11:34,740
this did because it wasn't what I

248
00:11:32,340 --> 00:11:37,860
intended to do I had quite a simple

249
00:11:34,740 --> 00:11:40,740
project for my PhD another science book

250
00:11:37,860 --> 00:11:42,810
and I had no idea that I would stumble

251
00:11:40,740 --> 00:11:44,940
over a new theory for the purpose of

252
00:11:42,809 --> 00:11:47,189
Stonehenge and a new analysis of the way

253
00:11:44,940 --> 00:11:51,420
indigenous cultures memorize information

254
00:11:47,190 --> 00:11:53,760
and that meant partly became a move and

255
00:11:51,419 --> 00:11:55,979
obsession but it meant I had to go down

256
00:11:53,759 --> 00:11:57,899
the formal academic path the formal

257

00:11:55,980 --> 00:12:00,600
academic book before I could go public

258
00:11:57,899 --> 00:12:01,929
because it has to be tested against

259
00:12:00,600 --> 00:12:03,610
other people

260
00:12:01,929 --> 00:12:06,549
yeah well we're talking about standard

261
00:12:03,610 --> 00:12:07,750
scientific skepticism oh absolutely and

262
00:12:06,549 --> 00:12:10,329
if you're going to say I've solved the

263
00:12:07,750 --> 00:12:12,250
mystery of Stonehenge you have to test

264
00:12:10,330 --> 00:12:14,710
have it independently tested because I

265
00:12:12,250 --> 00:12:16,929
was full of self-doubt I mean why would

266
00:12:14,710 --> 00:12:19,570
I have seen something that others hadn't

267
00:12:16,929 --> 00:12:21,639
yeah but the stone Inge and experts say

268
00:12:19,570 --> 00:12:24,278
that's because partly I'm Australia and

269
00:12:21,639 --> 00:12:26,199
we have an indigenous culture to learn

270
00:12:24,278 --> 00:12:29,049
from and secondly because I've got such

271
00:12:26,200 --> 00:12:30,370

a bad natural memory I start ask the

272

00:12:29,049 --> 00:12:32,889

questions will how the hell do they

273

00:12:30,370 --> 00:12:34,539

memorize all this stuff it's a wonderful

274

00:12:32,889 --> 00:12:36,039

point it's a wonderful point and in the

275

00:12:34,539 --> 00:12:38,829

book there's a section where you talk

276

00:12:36,039 --> 00:12:41,110

about memorizing a deck of cards yeah

277

00:12:38,830 --> 00:12:42,850

and that's that seems somewhat is a

278

00:12:41,110 --> 00:12:45,250

parlor trick but it does make a really

279

00:12:42,850 --> 00:12:47,830

good point doesn't it yes if you give a

280

00:12:45,250 --> 00:12:49,659

character to each of the cards then the

281

00:12:47,830 --> 00:12:51,430

parlor trick is a shuffled deck you make

282

00:12:49,659 --> 00:12:55,419

up a story and can remember the order I

283

00:12:51,429 --> 00:12:57,969

can't do anything fast but that my deck

284

00:12:55,419 --> 00:13:00,338

of cards i use two of them 130 cards or

285

00:12:57,970 --> 00:13:02,019

luck so use tarot deck as well gives me

286
00:13:00,339 --> 00:13:04,300
a set of characters and that's what

287
00:13:02,019 --> 00:13:06,399
mythology is is a set of characters

288
00:13:04,299 --> 00:13:09,309
whose stories they act out their

289
00:13:06,399 --> 00:13:11,528
extremely vivid vulgar grotesque over

290
00:13:09,309 --> 00:13:14,559
the top because that makes information

291
00:13:11,528 --> 00:13:16,629
memorable we all remember stories from

292
00:13:14,559 --> 00:13:18,069
childhood all of us remember the story

293
00:13:16,629 --> 00:13:20,139
of Little Red Riding Hood Hansel and

294
00:13:18,070 --> 00:13:22,240
Gretel and the list is endless because

295
00:13:20,139 --> 00:13:24,338
we heard these stories when we were kids

296
00:13:22,240 --> 00:13:26,680
and they stuck and the fact you learned

297
00:13:24,339 --> 00:13:28,100
at school how many do you recall of

298
00:13:26,679 --> 00:13:31,669
those

299
00:13:28,100 --> 00:13:33,920
but if Little Red Riding Hood talked

300
00:13:31,669 --> 00:13:35,568
about I'll get away from the wolf if I

301
00:13:33,919 --> 00:13:38,000
eat the red berry but don't eat the

302
00:13:35,568 --> 00:13:40,189
blackberry because it'll kill you that

303
00:13:38,000 --> 00:13:43,129
sort of thing and that's what mythology

304
00:13:40,190 --> 00:13:46,040
does it encodes rational information in

305
00:13:43,129 --> 00:13:47,870
vivid stories and bad but you you

306
00:13:46,039 --> 00:13:49,370
explain it so wonderfully well and we're

307
00:13:47,870 --> 00:13:51,799
looking forward to the talk tonight of

308
00:13:49,370 --> 00:13:53,568
course and folks coming to skeptics in

309
00:13:51,799 --> 00:13:55,159
the pub here in Sydney on the sixth of

310
00:13:53,568 --> 00:13:56,750
October we'll be giving away a copy of

311
00:13:55,159 --> 00:13:58,939
your book Lynn will be giving up as a

312
00:13:56,750 --> 00:14:02,269
special price so that might be an extra

313
00:13:58,940 --> 00:14:04,430
incentive then where can people find out

314

00:14:02,269 --> 00:14:06,409
more about your book it's available in

315
00:14:04,429 --> 00:14:10,099
every book shop be published in the UK

316
00:14:06,409 --> 00:14:11,809
and us in February and then in check and

317
00:14:10,100 --> 00:14:14,389
Chinese those rights have been sold

318
00:14:11,809 --> 00:14:16,789
already in a second Chinese yes they're

319
00:14:14,389 --> 00:14:19,879
the first foreign translation rights but

320
00:14:16,789 --> 00:14:21,740
also my website if you spell my name

321
00:14:19,879 --> 00:14:23,480
correctly and Google you get straight to

322
00:14:21,740 --> 00:14:26,448
my website of course it'll be in the

323
00:14:23,480 --> 00:14:28,629
show notes but that's exciting just to

324
00:14:26,448 --> 00:14:30,799
think that your works being translated

325
00:14:28,629 --> 00:14:32,240
and you won't have to in the back in

326
00:14:30,799 --> 00:14:34,129
mind I think you'd probably wonder oh I

327
00:14:32,240 --> 00:14:35,329
wonder how the translation is I wonder

328
00:14:34,129 --> 00:14:37,188

if it's a good translation or they're

329

00:14:35,328 --> 00:14:40,099

missing bits and pieces you can't know

330

00:14:37,188 --> 00:14:41,568

the skeptics guide was skeptics guide to

331

00:14:40,100 --> 00:14:43,790

the paranormal was translated into

332

00:14:41,568 --> 00:14:46,729

Russian it looks lovely one of your

333

00:14:43,789 --> 00:14:51,528

early book yes and I can see my name I

334

00:14:46,730 --> 00:14:54,430

have no idea what the rest is but yeah

335

00:14:51,528 --> 00:14:57,409

and to get your words out there it just

336

00:14:54,429 --> 00:14:59,028

really makes it just feels wonderful I'm

337

00:14:57,409 --> 00:15:00,889

sure it does wedding congratulations

338

00:14:59,028 --> 00:15:02,240

once again on the book and that we

339

00:15:00,889 --> 00:15:03,860

better head in because I think they're

340

00:15:02,240 --> 00:15:06,698

just about to call for dinner okay

341

00:15:03,860 --> 00:15:06,699

thanks Richard

342

00:15:22,509 --> 00:15:29,168

the skeptic zone live a special live

343
00:15:25,849 --> 00:15:32,059
recording of this very podcast at the

344
00:15:29,168 --> 00:15:35,328
Occidental hotel in Sydney just near

345
00:15:32,058 --> 00:15:37,999
winded station 43 York Street this is

346
00:15:35,328 --> 00:15:41,028
part of skeptics in the pub join me in

347
00:15:37,999 --> 00:15:43,908
the skeptic zone crew for live reports

348
00:15:41,028 --> 00:15:46,519
and interviews prize giveaways on the

349
00:15:43,908 --> 00:15:48,188
night everybody's welcome but for more

350
00:15:46,519 --> 00:15:52,639
information and to reserve your place

351
00:15:48,188 --> 00:15:54,438
visit [meetup.com /a ust skeptics](http://meetup.com/aust_skeptics) there

352
00:15:52,639 --> 00:15:57,038
will be a link in this week show notes

353
00:15:54,438 --> 00:15:59,828
see you there at the skeptic zone live

354
00:15:57,038 --> 00:16:05,259
Thursday the sixth of October at the

355
00:15:59,828 --> 00:16:05,258
Occidental hotel starting around 6pm

356
00:16:15,578 --> 00:16:23,258
here's may not spooky action at the

357
00:16:20,778 --> 00:16:23,259
distance

358
00:16:24,269 --> 00:16:28,839
it's a pretty special day here on the

359
00:16:26,740 --> 00:16:31,930
skeptic zone Richard Saunders is driving

360
00:16:28,839 --> 00:16:34,360
well the skeptic mobile here he used to

361
00:16:31,929 --> 00:16:35,889
have a Batmobile we'd skeptic written on

362
00:16:34,360 --> 00:16:38,110
the side of it that was fantastic and

363
00:16:35,889 --> 00:16:41,679
wore a cape but now it's the high on d

364
00:16:38,110 --> 00:16:44,350
of truth the hardy of truth I on die of

365
00:16:41,679 --> 00:16:46,778
truth and we're on the way to the casula

366
00:16:44,350 --> 00:16:49,000
powerhouse because we're really into AC

367
00:16:46,778 --> 00:16:51,070
power generation for start I can't get

368
00:16:49,000 --> 00:16:53,200
enough of it but Richard you're going to

369
00:16:51,070 --> 00:16:55,510
go there and your job today is to

370
00:16:53,200 --> 00:16:59,350
completely harsh people's mellow and

371

00:16:55,509 --> 00:17:02,639
make them cry I'm my mission today is to

372
00:16:59,350 --> 00:17:05,740
go to this paranormal their Expo and

373
00:17:02,639 --> 00:17:08,410
just wreck everybody's day being a

374
00:17:05,740 --> 00:17:10,480
really bad skeptic I love it when people

375
00:17:08,410 --> 00:17:12,669
give you the evil eye that's great like

376
00:17:10,480 --> 00:17:13,990
you walk past may go that's that guy

377
00:17:12,669 --> 00:17:16,419
that said the bad thing about the

378
00:17:13,990 --> 00:17:17,318
psychic speed it's true actually now of

379
00:17:16,419 --> 00:17:19,199
course we're not out there to wreck

380
00:17:17,318 --> 00:17:21,519
anybody's David last time we were there

381
00:17:19,199 --> 00:17:23,199
with the skeptics had a table of an

382
00:17:21,519 --> 00:17:25,209
information table which was good and a

383
00:17:23,199 --> 00:17:27,970
woman came up and basically abused us

384
00:17:25,209 --> 00:17:31,808
for online harassment and you get people

385
00:17:27,970 --> 00:17:35,329

like that who cannot understand the

386

00:17:31,808 --> 00:17:37,829
skeptical point of view at all

387

00:17:35,329 --> 00:17:39,298
yeah but yeah I mean it isn't it is a

388

00:17:37,829 --> 00:17:41,428
day where you're gonna check a bit it

389

00:17:39,298 --> 00:17:44,038
out of the door when you go in well I do

390

00:17:41,429 --> 00:17:46,288
I mean this is like people like to paint

391

00:17:44,038 --> 00:17:48,450
skeptics in a very cartoon fashion put

392

00:17:46,288 --> 00:17:50,308
us into a pigeon hole I mean I don't go

393

00:17:48,450 --> 00:17:51,720
to these things to wreck people stay and

394

00:17:50,308 --> 00:17:54,389
to complain and then make a fuss

395

00:17:51,720 --> 00:17:55,980
although having said that once or twice

396

00:17:54,390 --> 00:17:57,960
I will if I think something is

397

00:17:55,980 --> 00:18:00,360
particularly dangerous like people

398

00:17:57,960 --> 00:18:04,110
selling water for sun tan lotion for

399

00:18:00,359 --> 00:18:05,939
example which I've seen again I point

400
00:18:04,109 --> 00:18:07,678
you to the dirty disbelievers it was

401
00:18:05,940 --> 00:18:10,019
only six or seven episodes made and we

402
00:18:07,679 --> 00:18:12,269
had an episode where we called it don't

403
00:18:10,019 --> 00:18:14,730
harsh my mellow man it was all about at

404
00:18:12,269 --> 00:18:16,500
what point do you intervene with people

405
00:18:14,730 --> 00:18:18,179
and I guess if they're people if they're

406
00:18:16,500 --> 00:18:22,140
selling something that's going to cause

407
00:18:18,179 --> 00:18:24,600
cancer yes yeah you have to you have to

408
00:18:22,140 --> 00:18:27,720
realize it by and large arguing with

409
00:18:24,599 --> 00:18:29,879
people at these things is a very little

410
00:18:27,720 --> 00:18:31,919
value but sometimes you have to speak up

411
00:18:29,880 --> 00:18:33,539
absolutely yeah and sometimes you have

412
00:18:31,919 --> 00:18:35,610
to bring extra people in case your

413
00:18:33,538 --> 00:18:36,990
dealings not loud enough we've got two

414
00:18:35,609 --> 00:18:39,719
other people in the high and I have

415
00:18:36,990 --> 00:18:41,730
truth who we got here Jessica and Lara

416
00:18:39,720 --> 00:18:44,009
and how long have you been in the

417
00:18:41,730 --> 00:18:47,220
skeptical movement or of a skeptical

418
00:18:44,009 --> 00:18:49,140
nature probably since about 2009

419
00:18:47,220 --> 00:18:50,788
following all the podcasts and stuff but

420
00:18:49,140 --> 00:18:52,380
i think i've had a skeptical nature

421
00:18:50,788 --> 00:18:54,599
since i was young it was encouraged by

422
00:18:52,380 --> 00:18:56,909
my dad is it because you're a teacher

423
00:18:54,599 --> 00:18:58,829
that you're more skeptical um no I don't

424
00:18:56,909 --> 00:19:01,200
think it is really cuz in the past i was

425
00:18:58,829 --> 00:19:04,379
actually and I did believe a lot of the

426
00:19:01,200 --> 00:19:06,480
stuff which I now find laughable and so

427
00:19:04,380 --> 00:19:10,409
it's a lot like one with all the what

428

00:19:06,480 --> 00:19:13,110
what one what one oh no all of it no I'm

429
00:19:10,409 --> 00:19:14,130
highly embarrassed to say yeah lots of

430
00:19:13,109 --> 00:19:16,769
it I think he was after watching the

431
00:19:14,130 --> 00:19:18,360
x-files when I was younger oh yeah yeah

432
00:19:16,769 --> 00:19:20,158
oh look and that disappointing last

433
00:19:18,359 --> 00:19:21,509
episode in the last season I really

434
00:19:20,159 --> 00:19:22,890
didn't like ratting wash that I didn't

435
00:19:21,509 --> 00:19:24,240
watch the last few series i have to say

436
00:19:22,890 --> 00:19:26,070
oh there's good except for the last

437
00:19:24,240 --> 00:19:28,679
episode there so what are you going to

438
00:19:26,069 --> 00:19:30,019
be on the lookout for today so I'm quite

439
00:19:28,679 --> 00:19:33,080
interested in

440
00:19:30,019 --> 00:19:34,819
energy healing all that sort of stuff so

441
00:19:33,079 --> 00:19:36,019
I'm going to see what what they've got

442
00:19:34,819 --> 00:19:38,629

on offer there if it's not too expensive

443

00:19:36,019 --> 00:19:41,240

i might pay up for one just just for

444

00:19:38,630 --> 00:19:44,270

interests sake we'll see how we go and

445

00:19:41,240 --> 00:19:45,589

watch your bug bear um I've not been to

446

00:19:44,269 --> 00:19:47,420

one of these before and I honestly I'm

447

00:19:45,589 --> 00:19:48,829

not sure what to expect so I'm just

448

00:19:47,420 --> 00:19:50,509

going to kind of take everything in seat

449

00:19:48,829 --> 00:19:52,189

see how things go you're very patient

450

00:19:50,509 --> 00:19:53,480

person do making veiled and put up with

451

00:19:52,190 --> 00:19:55,269

much one hundred percent yeah on a

452

00:19:53,480 --> 00:19:58,250

teacher so I'm very very patient yeah

453

00:19:55,269 --> 00:19:59,569

just want to take it all in I'm excited

454

00:19:58,250 --> 00:20:01,609

to see this blue body that we've just

455

00:19:59,569 --> 00:20:04,399

discovered the teddy bear tell us about

456

00:20:01,609 --> 00:20:07,339

it and teddy bear which apparently can

457
00:20:04,400 --> 00:20:09,950
sense if there's ghosts and talk to them

458
00:20:07,339 --> 00:20:11,659
but I'm not too sure about the details

459
00:20:09,950 --> 00:20:15,259
so I'll go and ask them about that when

460
00:20:11,660 --> 00:20:16,820
we get there I'll of course look I I

461
00:20:15,259 --> 00:20:18,379
don't normally talk to the people who

462
00:20:16,819 --> 00:20:20,000
are getting the psychic readings because

463
00:20:18,380 --> 00:20:21,080
that they tend to be very serious the

464
00:20:20,000 --> 00:20:22,970
people that are go and get psychic

465
00:20:21,079 --> 00:20:24,889
readings so I might stay away from the

466
00:20:22,970 --> 00:20:25,970
Melissa some people that are having a

467
00:20:24,890 --> 00:20:27,860
bit of a giggle and laugh because they

468
00:20:25,970 --> 00:20:29,569
all seem very serious I will probably

469
00:20:27,859 --> 00:20:31,639
spend a bit of time with the sky

470
00:20:29,569 --> 00:20:33,710
watchers the people that have a lot of

471
00:20:31,640 --> 00:20:35,960
time filming with night-vision cameras

472
00:20:33,710 --> 00:20:37,309
at west of sydney and see very

473
00:20:35,960 --> 00:20:39,170
interesting things and also there'll be

474
00:20:37,309 --> 00:20:41,029
a lot of ghost hunters and there were a

475
00:20:39,170 --> 00:20:42,560
lot of technology on sale this you'll

476
00:20:41,029 --> 00:20:45,139
see spirit box have you seen a spirit

477
00:20:42,559 --> 00:20:47,950
box before no what's the spirit box um

478
00:20:45,140 --> 00:20:51,350
it's sort of like a random channel

479
00:20:47,950 --> 00:20:53,450
selector so it'll go up and down the

480
00:20:51,349 --> 00:20:55,399
electromagnetic frequency stopping every

481
00:20:53,450 --> 00:20:58,940
once in a while and making a noise and

482
00:20:55,400 --> 00:21:00,560
you can often um infer some sort of

483
00:20:58,940 --> 00:21:02,360
speech pattern from it because indeed

484
00:21:00,559 --> 00:21:04,970
some of the things that stops on our am

485

00:21:02,359 --> 00:21:06,469
and FM radio stations in fact main are

486
00:21:04,970 --> 00:21:08,120
you and I came across one of these

487
00:21:06,470 --> 00:21:10,400
spirit boxes a couple of years ago when

488
00:21:08,119 --> 00:21:12,559
we did a ghost to it which is a are

489
00:21:10,400 --> 00:21:13,910
which we recorded for the skipping town

490
00:21:12,559 --> 00:21:16,759
but just for the benefit of listeners

491
00:21:13,910 --> 00:21:19,779
right now let me edit in an example of

492
00:21:16,759 --> 00:21:19,779
the spirit box

493
00:21:40,679 --> 00:21:46,330
so there you go it's it's like a radio

494
00:21:43,900 --> 00:21:49,540
which is quickly changing channels um

495
00:21:46,329 --> 00:21:52,569
and I think it would be a quite prone to

496
00:21:49,539 --> 00:21:55,389
audio peridot Leah good old audio

497
00:21:52,569 --> 00:21:56,500
paradorn yes look it up folks hmm so I'm

498
00:21:55,390 --> 00:21:57,880
going to go and check it out there and

499
00:21:56,500 --> 00:22:00,369

I'm hoping that there's some new stuff

500

00:21:57,880 --> 00:22:01,870

there I'm really hoping there's going to

501

00:22:00,369 --> 00:22:02,949

be some new development in the world of

502

00:22:01,869 --> 00:22:05,139

ghost hunting or something like that

503

00:22:02,950 --> 00:22:07,450

what it goes to do you mean yeah that

504

00:22:05,140 --> 00:22:10,210

would be new well the thing is I

505

00:22:07,450 --> 00:22:12,970

actually some of the spirit boxes can

506

00:22:10,210 --> 00:22:18,610

actually they you have a class a or a

507

00:22:12,970 --> 00:22:22,808

Class B C or D EVP electronic voice

508

00:22:18,609 --> 00:22:24,490

phenomenon yeah yeah oh well are you

509

00:22:22,808 --> 00:22:27,069

saying it EVP is not a real thing

510

00:22:24,490 --> 00:22:28,900

Richard are you saying that people in

511

00:22:27,069 --> 00:22:31,899

the other realm that have passed over

512

00:22:28,900 --> 00:22:34,210

can't manipulate the electromagnetic

513

00:22:31,900 --> 00:22:39,400

frequency I don't have to you just said

514
00:22:34,210 --> 00:22:41,230
it I look we haven't even got inside the

515
00:22:39,400 --> 00:22:43,960
powerhouse for the great expo today and

516
00:22:41,230 --> 00:22:46,900
we've already met someone who's okay and

517
00:22:43,960 --> 00:22:48,670
yeah we're talking about EVPs and voice

518
00:22:46,900 --> 00:22:50,679
boxes earlier in the car and you've

519
00:22:48,670 --> 00:22:52,779
actually had a positive experience with

520
00:22:50,679 --> 00:22:54,940
the some other entity would you like to

521
00:22:52,779 --> 00:22:58,839
explain what you got from the spirit box

522
00:22:54,940 --> 00:23:01,330
well i was actually in nevada and we did

523
00:22:58,839 --> 00:23:04,569
we did went to good Springs Nevada where

524
00:23:01,329 --> 00:23:06,460
Carole Lombard used to live with if

525
00:23:04,569 --> 00:23:10,029
anybody realizes she's actually Clark

526
00:23:06,460 --> 00:23:12,009
Gable's wife and she just had a charity

527
00:23:10,029 --> 00:23:14,769
event and they didn't know whether she

528
00:23:12,009 --> 00:23:17,500
wanted to fly home or she wanted to

529
00:23:14,769 --> 00:23:20,889
catch train home and they decided to

530
00:23:17,500 --> 00:23:21,910
toss a toss a coin and they decided that

531
00:23:20,890 --> 00:23:24,460
the plane was way they're going to go

532
00:23:21,910 --> 00:23:26,200
and it was late at night and the plane

533
00:23:24,460 --> 00:23:29,200
crashed into the mountains behind good

534
00:23:26,200 --> 00:23:31,929
Springs Nevada killing on board Carole

535
00:23:29,200 --> 00:23:34,250
Lombard and her mother and cleave in

536
00:23:31,929 --> 00:23:36,320
Clark Gable without a wife

537
00:23:34,250 --> 00:23:38,240
and in this bar in good Springs Nevada

538
00:23:36,319 --> 00:23:39,559
they have a lot of paranormal events

539
00:23:38,240 --> 00:23:42,079
happen in there and they bought out a

540
00:23:39,559 --> 00:23:44,539
voice box and we actually got to talk to

541
00:23:42,079 --> 00:23:46,849
her Carole Lombard came through and was

542

00:23:44,539 --> 00:23:50,089
asking me different questions about who

543
00:23:46,849 --> 00:23:53,449
I was and what my why my voice was funny

544
00:23:50,089 --> 00:23:54,980
because it did not sound normal and she

545
00:23:53,450 --> 00:23:57,410
didn't like me she didn't want to talk

546
00:23:54,980 --> 00:23:59,839
to me and how hard was it to understand

547
00:23:57,410 --> 00:24:01,220
because a spirit box chops and changes a

548
00:23:59,839 --> 00:24:02,509
lot there's a lot of white noise alright

549
00:24:01,220 --> 00:24:05,319
so it was actually quite clear quite

550
00:24:02,509 --> 00:24:07,640
clear and she was quite interesting and

551
00:24:05,319 --> 00:24:09,319
then we had another one come through we

552
00:24:07,640 --> 00:24:11,570
actually had these little boxes that

553
00:24:09,319 --> 00:24:13,159
actually go across and if it goes across

554
00:24:11,569 --> 00:24:14,779
to read it actually has somebody there

555
00:24:13,160 --> 00:24:16,610
and they've actually got one of these

556
00:24:14,779 --> 00:24:18,710

particular entities there we don't sure

557

00:24:16,609 --> 00:24:20,089

who she is she's a lady an old bar maid

558

00:24:18,710 --> 00:24:22,759

that used to come and she didn't like me

559

00:24:20,089 --> 00:24:24,169

she kept moving my glass that the

560

00:24:22,759 --> 00:24:27,470

spirits don't seem to get on with you

561

00:24:24,170 --> 00:24:29,570

well I was Australian there America what

562

00:24:27,470 --> 00:24:33,230

more can you avoid a sound of funny yes

563

00:24:29,569 --> 00:24:34,970

so it was very interesting and quite we

564

00:24:33,230 --> 00:24:36,500

actually went out and we walked through

565

00:24:34,970 --> 00:24:39,170

Goodsprings because it's one of the most

566

00:24:36,500 --> 00:24:41,569

haunted towns in Nevada and got a lot of

567

00:24:39,170 --> 00:24:43,250

orbs coming up and there's actually a

568

00:24:41,569 --> 00:24:45,700

house there that there's a grumpy old

569

00:24:43,250 --> 00:24:48,529

ghost there and he doesn't like people

570

00:24:45,700 --> 00:24:50,150

and have you ever met new spirits to do

571
00:24:48,529 --> 00:24:51,889
seem to get on well with people well

572
00:24:50,150 --> 00:24:55,250
I've actually got a spirit in my house

573
00:24:51,890 --> 00:24:56,900
oh okay so that'd really spooked me oh

574
00:24:55,250 --> 00:24:58,369
and by the way what are you looking

575
00:24:56,900 --> 00:25:00,259
forward to today the Expos there

576
00:24:58,369 --> 00:25:01,639
something seeing different things and

577
00:25:00,259 --> 00:25:05,509
Charma hasn't wants me to get me a boo

578
00:25:01,640 --> 00:25:09,940
bear ah a book and now we're looking at

579
00:25:05,509 --> 00:25:13,279
the car now that is a bear that detects

580
00:25:09,940 --> 00:25:14,450
anomalies text anomalies and it takes it

581
00:25:13,279 --> 00:25:17,329
actually when I read up on it actually

582
00:25:14,450 --> 00:25:20,269
if it time to text say anonymou Lee as

583
00:25:17,329 --> 00:25:23,179
you would call it it actually asks

584
00:25:20,269 --> 00:25:26,569
questions and who it is and why it's

585
00:25:23,180 --> 00:25:28,310
there mm-hmm so it could be a bit freaky

586
00:25:26,569 --> 00:25:30,259
I mean someone like me I haven't got a

587
00:25:28,309 --> 00:25:31,399
strong you know nervous condition when

588
00:25:30,259 --> 00:25:33,259
it comes to Skye think that freaked me

589
00:25:31,400 --> 00:25:35,690
out I'm actually partially psychic as

590
00:25:33,259 --> 00:25:38,089
well okay and I can actually smell dead

591
00:25:35,690 --> 00:25:40,370
people I'll go about say are you

592
00:25:38,089 --> 00:25:43,759
clairaudient but you smell that that's

593
00:25:40,369 --> 00:25:45,829
um ok so what messages can you get that

594
00:25:43,759 --> 00:25:46,950
work as I imagined being dead or the

595
00:25:45,829 --> 00:25:49,319
smell would not be a good thing

596
00:25:46,950 --> 00:25:52,620
well it actually it's really the truth

597
00:25:49,319 --> 00:25:55,349
there is I was in Tasmania on a ghost

598
00:25:52,619 --> 00:25:57,869
tour and we went to go for it yet we

599

00:25:55,349 --> 00:26:00,089
were in the old courthouse and they've

600
00:25:57,869 --> 00:26:01,709
got this room that they all send the

601
00:26:00,089 --> 00:26:03,658
people in to try and scare them first

602
00:26:01,710 --> 00:26:05,970
and I don't fall for those things

603
00:26:03,659 --> 00:26:07,230
anymore and so we're waiting outside

604
00:26:05,970 --> 00:26:08,700
waiting for the girls to all screen

605
00:26:07,230 --> 00:26:10,019
because you know this is the toilet

606
00:26:08,700 --> 00:26:11,850
where everybody you know got energy than

607
00:26:10,019 --> 00:26:14,038
there and then we walked into where they

608
00:26:11,849 --> 00:26:16,349
all caught where the old judge used to

609
00:26:14,038 --> 00:26:17,669
be before he went to court and as I

610
00:26:16,349 --> 00:26:21,778
walked in through the door I got the

611
00:26:17,669 --> 00:26:24,210
smoke of a pipe and tobacco pipe and it

612
00:26:21,778 --> 00:26:25,859
just been lit up and I went back out no

613
00:26:24,210 --> 00:26:27,630

since the lady us at all said did the

614

00:26:25,859 --> 00:26:30,119

judge used to smoke a pipe and she said

615

00:26:27,630 --> 00:26:32,220

how did you know that and I said to well

616

00:26:30,119 --> 00:26:33,898

he's just lit up the tobacco pipe and

617

00:26:32,220 --> 00:26:35,308

she's rich guys are can you tell me

618

00:26:33,898 --> 00:26:37,439

where he died where he used to duck ways

619

00:26:35,308 --> 00:26:38,700

to be a nice interested yes I'm the

620

00:26:37,440 --> 00:26:39,840

lounge chair over there she goes how do

621

00:26:38,700 --> 00:26:42,389

you know that was like I felt his heart

622

00:26:39,839 --> 00:26:43,769

beat on in my hand and then we went into

623

00:26:42,388 --> 00:26:44,969

another room into the court and as we're

624

00:26:43,769 --> 00:26:47,759

going into the court I've got this

625

00:26:44,970 --> 00:26:49,230

overpowering smell of lavender and I

626

00:26:47,759 --> 00:26:51,179

said to this woman I said I don't like

627

00:26:49,230 --> 00:26:53,250

your perfume please go away and she said

628
00:26:51,179 --> 00:26:54,778
I'm not wearing any I went oh ok and her

629
00:26:53,250 --> 00:26:56,308
daughter said my mother doesn't wear any

630
00:26:54,778 --> 00:26:57,480
previous is allergic to it and so I had

631
00:26:56,308 --> 00:26:59,638
lavender and then once went the

632
00:26:57,480 --> 00:27:02,190
courthouse you lit up the pipe again so

633
00:26:59,638 --> 00:27:05,849
it's a very unusual to head because it

634
00:27:02,190 --> 00:27:08,429
can be it's not easy to take the smells

635
00:27:05,849 --> 00:27:10,469
and a lot of people have told me it's a

636
00:27:08,429 --> 00:27:12,509
very unique thing to have when ghosts

637
00:27:10,470 --> 00:27:14,159
are available it certainly is well

638
00:27:12,509 --> 00:27:15,599
thanks for sharing your stories with us

639
00:27:14,159 --> 00:27:17,429
and have a good day here it ain't just

640
00:27:15,599 --> 00:27:18,599
getting going yes have a good day selves

641
00:27:17,429 --> 00:27:21,990
thank you thank you good luck he'll buy

642
00:27:18,599 --> 00:27:24,000
oh and we're outdoors right now at the

643
00:27:21,990 --> 00:27:25,169
Casilla powerhouse now well what stall

644
00:27:24,000 --> 00:27:27,179
have you got here this is the app you

645
00:27:25,169 --> 00:27:30,120
saw Australian paranormal phenomenon

646
00:27:27,179 --> 00:27:31,590
investigators we run the vet expert all

647
00:27:30,119 --> 00:27:33,298
right you know what lets you got a great

648
00:27:31,589 --> 00:27:34,798
day for it and it's only early in people

649
00:27:33,298 --> 00:27:36,329
here already that's it's it's beautiful

650
00:27:34,798 --> 00:27:37,950
day for it isn't it it is really nice

651
00:27:36,329 --> 00:27:40,319
now we were just looking at a couple of

652
00:27:37,950 --> 00:27:42,120
the itis tools of the ghost hunting

653
00:27:40,319 --> 00:27:43,528
trade here of course there's spirit

654
00:27:42,119 --> 00:27:46,199
boxes over there but there's there's a

655
00:27:43,528 --> 00:27:47,700
laser here that throws that throws down

656

00:27:46,200 --> 00:27:49,798
a bit of a pattern so it's not just a

657
00:27:47,700 --> 00:27:52,350
solid beam how would you describe it um

658
00:27:49,798 --> 00:27:55,349
it's a it's a light beam that gives

659
00:27:52,349 --> 00:27:58,138
dispersed by a lens into a pattern which

660
00:27:55,349 --> 00:28:00,829
you can change and by twisting the low

661
00:27:58,138 --> 00:28:02,209
head on at the end of the of the grid ok

662
00:28:00,829 --> 00:28:04,579
it isn't so how would you use it on a

663
00:28:02,210 --> 00:28:06,980
hunt so you'd sit in a long corridor

664
00:28:04,579 --> 00:28:09,408
long dark corridor at night and you'd

665
00:28:06,980 --> 00:28:12,470
shoot the grid down the corridor and it

666
00:28:09,409 --> 00:28:15,500
will create a grid of lights and if

667
00:28:12,470 --> 00:28:17,929
there's an anomaly or a spirit that can

668
00:28:15,500 --> 00:28:19,339
break the light it'll obviously disrupt

669
00:28:17,929 --> 00:28:21,259
the grid and so you all know that

670
00:28:19,339 --> 00:28:23,808

something is in the space with you if

671

00:28:21,259 --> 00:28:26,538

the grid of the light gets disrupted and

672

00:28:23,808 --> 00:28:29,028

also if you're taking a photo you've

673

00:28:26,538 --> 00:28:30,970

actually got a pattern you've got a

674

00:28:29,028 --> 00:28:35,000

scale to see what how big it is

675

00:28:30,970 --> 00:28:36,889

absolutely yeah yeah yeah of course you

676

00:28:35,000 --> 00:28:38,569

know there's always the odd rogue

677

00:28:36,888 --> 00:28:42,048

skeptic wandering around who we got here

678

00:28:38,569 --> 00:28:44,629

let's split about it Sean odd what is it

679

00:28:42,048 --> 00:28:46,009

what I will I'd know you looking you got

680

00:28:44,630 --> 00:28:47,720

your loud shirt on there you're just

681

00:28:46,009 --> 00:28:49,069

hanging around now you've already but

682

00:28:47,720 --> 00:28:50,778

done a circuit here I haven't got around

683

00:28:49,069 --> 00:28:51,950

to doing the circuit yet what have you

684

00:28:50,778 --> 00:28:53,119

seen that might be a little bit

685
00:28:51,950 --> 00:28:55,069
different you should send lot of these

686
00:28:53,119 --> 00:28:57,500
things over the years there's not a lot

687
00:28:55,069 --> 00:28:59,240
here that I haven't seen before what I

688
00:28:57,500 --> 00:29:01,159
do like about this show so I compared to

689
00:28:59,240 --> 00:29:02,089
the mind-body-spirit festival is that

690
00:29:01,159 --> 00:29:05,809
they don't appear to be any faith

691
00:29:02,089 --> 00:29:08,178
healers here oh okay what will this type

692
00:29:05,808 --> 00:29:11,109
of thing tends to be a bit of a blowout

693
00:29:08,179 --> 00:29:13,130
for the ghost hunting community yes this

694
00:29:11,109 --> 00:29:14,658
deceive me fewer here than they were

695
00:29:13,130 --> 00:29:16,370
last year left him to go about four or

696
00:29:14,659 --> 00:29:18,620
five ghost hunting organizations here

697
00:29:16,369 --> 00:29:20,449
mmm one of whom actually said to me I

698
00:29:18,619 --> 00:29:22,038
saw you on television and I thought

699
00:29:20,450 --> 00:29:25,159
because this man must be cited that was

700
00:29:22,038 --> 00:29:27,500
years ago I very good at holding back

701
00:29:25,159 --> 00:29:29,750
you're saying anything to these people I

702
00:29:27,500 --> 00:29:32,750
actually find I had no problem with this

703
00:29:29,750 --> 00:29:35,298
sort of thing seriously uh most this

704
00:29:32,750 --> 00:29:36,679
just harmless fun hmm like that I had

705
00:29:35,298 --> 00:29:38,450
trouble with the faith healers and the

706
00:29:36,679 --> 00:29:41,179
people like that but you find some other

707
00:29:38,450 --> 00:29:42,558
shows I have trouble with psychics that

708
00:29:41,179 --> 00:29:44,720
talk nonsense and there was one last

709
00:29:42,558 --> 00:29:47,148
year where I walked out of his talk when

710
00:29:44,720 --> 00:29:49,970
he was contacting the spirit of somebody

711
00:29:47,148 --> 00:29:52,158
who died only about two weeks ago and we

712
00:29:49,970 --> 00:29:53,120
just known as members of tears and I

713

00:29:52,159 --> 00:29:55,059
thought well that was I couldn't

714
00:29:53,119 --> 00:29:57,369
couldn't put up that

715
00:29:55,058 --> 00:29:59,288
but most of it here is just pure good

716
00:29:57,369 --> 00:30:01,869
fun it's a lot of and I love crystal

717
00:29:59,288 --> 00:30:04,359
through during peak to look at and lots

718
00:30:01,869 --> 00:30:07,239
of soap and lots of wax that's right yes

719
00:30:04,359 --> 00:30:08,558
and candles that smell nice yes well I

720
00:30:07,240 --> 00:30:10,509
might get along there and have a look

721
00:30:08,558 --> 00:30:12,609
there and enjoy your day it's a nice day

722
00:30:10,509 --> 00:30:14,470
for it beautiful day yes okay you know

723
00:30:12,609 --> 00:30:18,158
I'm really hoping one these days i'll

724
00:30:14,470 --> 00:30:20,440
bump into Erich von Daniken well folks

725
00:30:18,159 --> 00:30:22,990
I'm at the organizing table wig I've got

726
00:30:20,440 --> 00:30:24,610
lollipops and water and an ATM not too

727
00:30:22,990 --> 00:30:26,169

far away if you want to put some illegal

728

00:30:24,609 --> 00:30:27,368

bits on this afternoon that's right

729

00:30:26,169 --> 00:30:29,980

that's what they express all about

730

00:30:27,368 --> 00:30:32,168

who've we got here and how's your day

731

00:30:29,980 --> 00:30:34,028

been yeah this is alex and i'm from

732

00:30:32,169 --> 00:30:35,259

ghost of Oz and park on australia and

733

00:30:34,028 --> 00:30:38,200

it's been great off to a great start

734

00:30:35,259 --> 00:30:39,788

I've got to say pero con I know it's a

735

00:30:38,200 --> 00:30:41,470

big thing to put on a difficult thing to

736

00:30:39,788 --> 00:30:43,720

put on but every time I go along I

737

00:30:41,470 --> 00:30:45,639

really enjoy it I know I mean it's not

738

00:30:43,720 --> 00:30:47,710

it's mainly because of the people you

739

00:30:45,638 --> 00:30:50,398

meet there like I really enjoyed the one

740

00:30:47,710 --> 00:30:53,619

you had with Damian not talking about

741

00:30:50,398 --> 00:30:55,089

the whole UFO thing and I think Travis

742
00:30:53,618 --> 00:30:57,278
Walton was on that one was was it was

743
00:30:55,089 --> 00:30:59,439
that this year or last year so Damian

744
00:30:57,278 --> 00:31:02,710
has spoken the last two years but Travis

745
00:30:59,440 --> 00:31:04,480
was 2015 year yeah it was really good I

746
00:31:02,710 --> 00:31:06,399
just and I just enjoyed the way it just

747
00:31:04,480 --> 00:31:07,720
it just took off we're all sitting in

748
00:31:06,398 --> 00:31:09,398
the room and they said okay who's had a

749
00:31:07,720 --> 00:31:10,868
close encounter of the first kind second

750
00:31:09,398 --> 00:31:13,359
kind they were wet all the way through

751
00:31:10,868 --> 00:31:15,878
the fifth kind you know and it was wild

752
00:31:13,359 --> 00:31:18,099
and and no one was going on come on it

753
00:31:15,878 --> 00:31:20,048
was just going with it yeah it's a great

754
00:31:18,099 --> 00:31:22,240
atmosphere for people just to share

755
00:31:20,048 --> 00:31:24,249
their ideas and experiences in that way

756
00:31:22,240 --> 00:31:26,109
much like the gas Expo here today yeah

757
00:31:24,249 --> 00:31:28,329
well like this is a bit of a blowout for

758
00:31:26,109 --> 00:31:30,219
the ghost hunting community and look

759
00:31:28,329 --> 00:31:31,749
what what's been the most exciting thing

760
00:31:30,220 --> 00:31:35,110
in this year for is there something new

761
00:31:31,749 --> 00:31:37,179
on the scene yeah so this year the expo

762
00:31:35,109 --> 00:31:41,528
guys they're running free workshops as

763
00:31:37,179 --> 00:31:43,480
well as well as a VIP program but have

764
00:31:41,528 --> 00:31:45,099
you checked out the VIP program because

765
00:31:43,480 --> 00:31:47,470
they've got some really cool stuff in

766
00:31:45,099 --> 00:31:49,808
there okay well I might pop in there in

767
00:31:47,470 --> 00:31:50,769
a little while but yeah it's a lot of

768
00:31:49,808 --> 00:31:52,509
fun i'm going to get down there and get

769
00:31:50,769 --> 00:31:56,069
amongst it and plus if you think just

770

00:31:52,509 --> 00:31:59,230
smells so good here oh well that's me

771
00:31:56,069 --> 00:32:01,750
look and we're here with some a ghost

772
00:31:59,230 --> 00:32:04,059
hunters which group of you with

773
00:32:01,750 --> 00:32:05,619
ass I paranormal and know where you

774
00:32:04,059 --> 00:32:09,460
normally work out or what what's your

775
00:32:05,619 --> 00:32:11,979
beat so we usually do run ghost tours in

776
00:32:09,460 --> 00:32:14,289
campbelltown and occasionally picked in

777
00:32:11,980 --> 00:32:16,029
as well okay that a really spooky area

778
00:32:14,289 --> 00:32:18,309
is I got a really spooky history yeah

779
00:32:16,029 --> 00:32:19,960
absolutely um both of those sounds are

780
00:32:18,309 --> 00:32:21,639
actually quite haunted and they do have

781
00:32:19,960 --> 00:32:23,650
a lot of history as well a particular

782
00:32:21,640 --> 00:32:25,570
campbelltown with fred fisher he's our

783
00:32:23,650 --> 00:32:29,230
one of the I guess main attractions of a

784
00:32:25,569 --> 00:32:30,909

of that town yeah ok no I'm I've been

785

00:32:29,230 --> 00:32:32,920

pointed to you what's your name by the

786

00:32:30,910 --> 00:32:34,960

way I'm Jessica Jessica I've been

787

00:32:32,920 --> 00:32:37,180

pointed to you because you are the EVP

788

00:32:34,960 --> 00:32:40,269

expert which stands for electronic voice

789

00:32:37,180 --> 00:32:42,430

phenomenon now I believe there's even

790

00:32:40,269 --> 00:32:44,920

classes of EVPs I was actually so you

791

00:32:42,430 --> 00:32:47,440

can have an ABC or D class EVP is that

792

00:32:44,920 --> 00:32:50,500

correct yes that's right so um how's it

793

00:32:47,440 --> 00:32:53,019

work out ok so class a EVP are usually

794

00:32:50,500 --> 00:32:54,519

the sort of high quality EVPs that are

795

00:32:53,019 --> 00:32:56,529

quite rare to get they're not the

796

00:32:54,519 --> 00:32:58,210

easiest ones to obtain so when you do

797

00:32:56,529 --> 00:33:00,849

get them you just got to hold on to

798

00:32:58,210 --> 00:33:02,920

those ones have you ever had one yeah i

799
00:33:00,849 --> 00:33:06,909
do i'm just a few there that I've got as

800
00:33:02,920 --> 00:33:09,039
an example of Class A Class A EVPs well

801
00:33:06,910 --> 00:33:10,360
yeah yes so but normally there's a lot

802
00:33:09,039 --> 00:33:12,609
of white noise surrounding what you're

803
00:33:10,359 --> 00:33:14,289
recording because the levels is a very

804
00:33:12,609 --> 00:33:16,209
very quiet noise and levels are really

805
00:33:14,289 --> 00:33:17,859
got to be jacked up so does that make it

806
00:33:16,210 --> 00:33:19,600
difficult sometimes that would be D

807
00:33:17,859 --> 00:33:21,519
class if it's like that isn't it yeah

808
00:33:19,599 --> 00:33:23,319
absolutely so with the d-class EVP

809
00:33:21,519 --> 00:33:24,879
usually I just chucked those in the bin

810
00:33:23,319 --> 00:33:26,529
it's not even worth the effort if I've

811
00:33:24,880 --> 00:33:28,750
got to like push through all that noise

812
00:33:26,529 --> 00:33:30,160
and you know it's a I didn't really see

813
00:33:28,750 --> 00:33:32,440
it as worth my time and it's a little

814
00:33:30,160 --> 00:33:34,029
bit hard as well just sort of show that

815
00:33:32,440 --> 00:33:35,320
to people who are skeptics you know

816
00:33:34,029 --> 00:33:36,519
nobody's really going to be interested

817
00:33:35,319 --> 00:33:39,700
in something you've had to push so hard

818
00:33:36,519 --> 00:33:42,099
to try and bring out and how do you know

819
00:33:39,700 --> 00:33:43,569
sometimes you aren't experiencing audio

820
00:33:42,099 --> 00:33:45,129
para Dahlia because you're listening to

821
00:33:43,569 --> 00:33:46,929
the same file over and over and over

822
00:33:45,130 --> 00:33:48,130
again it might drive you a bit nutty and

823
00:33:46,930 --> 00:33:49,660
you could imagine you're hearing things

824
00:33:48,130 --> 00:33:51,580
so is it good to get other people in on

825
00:33:49,660 --> 00:33:53,710
sometimes absolutely yeah so when I'm at

826
00:33:51,579 --> 00:33:55,419
home my husband he's also on the team

827

00:33:53,710 --> 00:33:57,789
and I try and get him to have a bit of a

828
00:33:55,420 --> 00:33:59,620
listen as well and afterwards I show my

829
00:33:57,789 --> 00:34:01,659
team trying to everybody's opinion

830
00:33:59,619 --> 00:34:02,889
because there might be a voice or I

831
00:34:01,660 --> 00:34:04,420
might be there just tell me a little bit

832
00:34:02,890 --> 00:34:06,250
weird that night so I always like to get

833
00:34:04,420 --> 00:34:07,870
a second opinion on these things

834
00:34:06,250 --> 00:34:09,730
I'm that the thing that puzzles me is

835
00:34:07,869 --> 00:34:12,159
I'm not is it I guess there's anyone

836
00:34:09,730 --> 00:34:13,809
given an explanation as to how the

837
00:34:12,159 --> 00:34:16,148
mechanism of this recording is happening

838
00:34:13,809 --> 00:34:17,559
or how it's being how the electronic

839
00:34:16,148 --> 00:34:22,329
frequency is being manipulated from

840
00:34:17,559 --> 00:34:25,148
somewhere yes that is a little bit more

841
00:34:22,329 --> 00:34:26,829

sort of in the scientific way of things

842

00:34:25,148 --> 00:34:28,628

that my husband actually has that as a

843

00:34:26,829 --> 00:34:30,069

sort of better understanding of that

844

00:34:28,628 --> 00:34:31,929

side of it than I did like the

845

00:34:30,070 --> 00:34:34,000

explanation of how it works yeah yeah

846

00:34:31,929 --> 00:34:35,889

because I just wonder here if these if

847

00:34:34,000 --> 00:34:37,690

these spirits are in another realm how

848

00:34:35,889 --> 00:34:40,360

do they manipulate the electromagnetic

849

00:34:37,690 --> 00:34:43,320

frequency in our realm well there's the

850

00:34:40,360 --> 00:34:43,320

theory that you know they

851

00:34:45,210 --> 00:34:49,199

they affect the magnetic field and

852

00:34:47,668 --> 00:34:50,878

that's how they put the voice on there

853

00:34:49,199 --> 00:34:53,358

there's that eerie there's also the

854

00:34:50,878 --> 00:34:57,000

theory that they use like a Kinesis to

855

00:34:53,358 --> 00:34:59,519

just fiddle with it afterwards they'd

856
00:34:57,000 --> 00:35:05,070
have a psychokinesis same as what a

857
00:34:59,519 --> 00:35:07,159
human would have and in the lab micro PK

858
00:35:05,070 --> 00:35:10,470
has been proven time and time again that

859
00:35:07,159 --> 00:35:13,219
macro not so much and this is more along

860
00:35:10,469 --> 00:35:13,219
the macro but

861
00:35:13,389 --> 00:35:18,730
oh that's okay but I'm now since you've

862
00:35:17,139 --> 00:35:19,868
been doing this for a while how long

863
00:35:18,730 --> 00:35:21,849
you've been doing the ghost hunting

864
00:35:19,869 --> 00:35:24,220
action um so we've been with this team

865
00:35:21,849 --> 00:35:25,599
for about maybe almost two years now but

866
00:35:24,219 --> 00:35:28,088
we've always been interested in the

867
00:35:25,599 --> 00:35:29,289
paranormal throughout our lives I've got

868
00:35:28,088 --> 00:35:31,449
a bit of a parent all interest myself

869
00:35:29,289 --> 00:35:32,769
but I'm such a scaredy cat that because

870
00:35:31,449 --> 00:35:35,739
this stuff would just really freaked me

871
00:35:32,768 --> 00:35:37,298
out like a but you're working on in an

872
00:35:35,739 --> 00:35:39,338
environment where you potentially

873
00:35:37,298 --> 00:35:41,829
meeting dead people all the time yeah

874
00:35:39,338 --> 00:35:43,778
that's right and I wait liar originally

875
00:35:41,829 --> 00:35:45,430
it did scare me as well I remember one

876
00:35:43,778 --> 00:35:47,739
of my first investigations with the team

877
00:35:45,429 --> 00:35:50,048
my knees were literally shaking but you

878
00:35:47,739 --> 00:35:51,818
do adapt you do learn ways to sort of I

879
00:35:50,048 --> 00:35:53,528
guess spiritually protect yourself and

880
00:35:51,818 --> 00:35:54,880
you gain more confidence in that sense

881
00:35:53,528 --> 00:35:56,829
so it's a little less scary these days

882
00:35:54,880 --> 00:35:57,818
and what it used to be do you think

883
00:35:56,829 --> 00:36:00,160
we've got anything to fear from these

884

00:35:57,818 --> 00:36:02,440
spirits you bumping into I don't think

885
00:36:00,159 --> 00:36:05,129
we've got anything to fear more than

886
00:36:02,440 --> 00:36:07,059
what we'd have to fear from their living

887
00:36:05,130 --> 00:36:08,650
well of course I've been looking around

888
00:36:07,059 --> 00:36:10,569
to try and get my aura cleanse but I

889
00:36:08,650 --> 00:36:13,180
can't get I can't see a clean or a

890
00:36:10,568 --> 00:36:14,920
sponge anywhere but I've got two people

891
00:36:13,179 --> 00:36:18,159
here that we've brought along here that

892
00:36:14,920 --> 00:36:20,500
you both have huge auras although one of

893
00:36:18,159 --> 00:36:23,649
yous brighter than the others yeah

894
00:36:20,500 --> 00:36:25,509
apparently yes I'm we've got a photo of

895
00:36:23,650 --> 00:36:28,028
your or now how was that done this is a

896
00:36:25,509 --> 00:36:29,798
this is amazing yeah he didn't actually

897
00:36:28,028 --> 00:36:31,000
tell us how it was done it just seemed

898
00:36:29,798 --> 00:36:32,528

to be a normal camera was some sort of

899

00:36:31,000 --> 00:36:34,838

attachment on it we also had to put on

900

00:36:32,528 --> 00:36:37,539

hand on I don't even know what it was

901

00:36:34,838 --> 00:36:39,578

but it had little metal plates on it um

902

00:36:37,539 --> 00:36:40,809

and yeah mine wasn't working at first

903

00:36:39,579 --> 00:36:42,009

had to take my hand back off and then

904

00:36:40,809 --> 00:36:45,039

put it back on again and then this photo

905

00:36:42,009 --> 00:36:48,429

just appeared on the screen and did you

906

00:36:45,039 --> 00:36:50,500

get any reading about your order I I'd

907

00:36:48,429 --> 00:36:52,480

say the accuracy kind of fell on a

908

00:36:50,500 --> 00:36:53,920

normal curve some you know some things

909

00:36:52,480 --> 00:36:55,630

in the center just average true of

910

00:36:53,920 --> 00:36:56,789

everyone some things are pretty spot on

911

00:36:55,630 --> 00:36:59,410

and some things with that were

912

00:36:56,789 --> 00:37:01,210

hilariously off base so that was pretty

913
00:36:59,409 --> 00:37:03,460
fun so did they kick it off with a good

914
00:37:01,210 --> 00:37:04,750
starter or did they say something really

915
00:37:03,460 --> 00:37:07,740
like you actually a man or something

916
00:37:04,750 --> 00:37:07,739
that I start really badly

917
00:37:08,048 --> 00:37:13,809
I sensor you actually met no no no

918
00:37:11,829 --> 00:37:15,969
weren't reaching too far all you know a

919
00:37:13,809 --> 00:37:17,410
lot of is it Barnum statements that's

920
00:37:15,969 --> 00:37:19,329
true of everybody yes Barnum statements

921
00:37:17,409 --> 00:37:20,649
thank you that's what it was and how do

922
00:37:19,329 --> 00:37:22,479
you reckon the colors difference between

923
00:37:20,650 --> 00:37:24,338
you like your auras really read yours is

924
00:37:22,478 --> 00:37:26,259
kind of a bit of a Paley mine's kind of

925
00:37:24,338 --> 00:37:27,880
ready orange apparently it means I'm

926
00:37:26,259 --> 00:37:29,829
very physical which is totally not true

927
00:37:27,880 --> 00:37:34,209
anyone who knows me knows that I am so

928
00:37:29,829 --> 00:37:36,278
lazy so yeah that one not so much okay

929
00:37:34,208 --> 00:37:38,798
and how does your reading stack up

930
00:37:36,278 --> 00:37:42,188
accuracy was I thought it was pretty

931
00:37:38,798 --> 00:37:43,599
accurate um again I got the red as well

932
00:37:42,188 --> 00:37:45,338
so the physical and energetic thing

933
00:37:43,599 --> 00:37:47,410
which is again not like me but other

934
00:37:45,338 --> 00:37:48,788
things he was saying like he started

935
00:37:47,409 --> 00:37:50,409
mentioning stuff to do with love life

936
00:37:48,789 --> 00:37:51,880
that ended up to be quite accurate as

937
00:37:50,409 --> 00:37:53,920
well I was trying very hard not to give

938
00:37:51,880 --> 00:37:55,509
him anything from my end but he does

939
00:37:53,920 --> 00:37:56,920
then ask a couple of direct questions so

940
00:37:55,509 --> 00:37:57,938
I had to sort of answer them but yeah I

941

00:37:56,920 --> 00:37:59,889
thought it was pretty accurate it's

942
00:37:57,938 --> 00:38:02,798
pretty good and then how much is an aura

943
00:37:59,889 --> 00:38:04,598
reading in this 2016 marketplace that

944
00:38:02,798 --> 00:38:05,978
was forty dollars you could you could

945
00:38:04,599 --> 00:38:08,650
get the check for reading as well which

946
00:38:05,978 --> 00:38:12,038
was seventy dollars Wow okay I'm a cheap

947
00:38:08,650 --> 00:38:13,449
one so do you think it was forty dollars

948
00:38:12,039 --> 00:38:17,380
worth of fun or a little bit overvalued

949
00:38:13,449 --> 00:38:19,539
um forty dollars one time sure not gonna

950
00:38:17,380 --> 00:38:21,910
go for it again I gotta say I've got my

951
00:38:19,539 --> 00:38:24,339
one picture I'm good for now good no

952
00:38:21,909 --> 00:38:27,068
look it is a psychic lollipop it's a

953
00:38:24,338 --> 00:38:28,630
ghost hunting lollipop now the

954
00:38:27,068 --> 00:38:30,248
apparently the UFO people are upstairs

955
00:38:28,630 --> 00:38:32,499

we walked right past them Richard they

956

00:38:30,248 --> 00:38:34,988

don't have a sign sure we go and check

957

00:38:32,498 --> 00:38:36,788

out the UFO I think I will get and it

958

00:38:34,989 --> 00:38:37,778

the table has no sign it's a whole bunch

959

00:38:36,789 --> 00:38:41,759

of people looking at their laptops

960

00:38:37,778 --> 00:38:41,759

that's how you know it's the UFO table

961

00:38:42,599 --> 00:38:47,130

Oh Lorraine silly around the president

962

00:38:45,028 --> 00:38:50,849

of the UFO and paranormal research

963

00:38:47,130 --> 00:38:53,039

society here in campbelltown doodool our

964

00:38:50,849 --> 00:38:56,609

sky watching yourself or not yes we do

965

00:38:53,039 --> 00:38:59,489

herself and our members and as you can

966

00:38:56,608 --> 00:39:02,998

see it's pretty much a hot spot in the

967

00:38:59,489 --> 00:39:04,380

candle town area yes um and is there a

968

00:39:02,998 --> 00:39:06,899

particular time of year that's really

969

00:39:04,380 --> 00:39:08,430

good as like summer not a good time to

970
00:39:06,900 --> 00:39:09,869
be looking as a mainly winter that's a

971
00:39:08,429 --> 00:39:11,940
good time for looking at for anomalies

972
00:39:09,869 --> 00:39:14,849
in the sky no I wouldn't say there's any

973
00:39:11,940 --> 00:39:17,608
particularly good time we have members

974
00:39:14,849 --> 00:39:21,528
of the group that photograph and video

975
00:39:17,608 --> 00:39:23,909
UFOs and identified flying objects not

976
00:39:21,528 --> 00:39:26,068
spacecraft hmmm oh look I guess I'm oh

977
00:39:23,909 --> 00:39:28,528
I'm glad you made that but yes just

978
00:39:26,068 --> 00:39:30,058
because just because a item can't be

979
00:39:28,528 --> 00:39:32,119
explained well that that's where you

980
00:39:30,059 --> 00:39:35,369
have to leave it really isn't it yes yes

981
00:39:32,119 --> 00:39:37,410
yes so people actually call you and they

982
00:39:35,369 --> 00:39:39,960
report things to you and and if you can

983
00:39:37,409 --> 00:39:41,489
you try and see what it is I don't know

984
00:39:39,960 --> 00:39:42,720
that was a helicopter although that was

985
00:39:41,489 --> 00:39:45,150
that all no we don't know what that is

986
00:39:42,719 --> 00:39:47,578
that's the first port of call is to

987
00:39:45,150 --> 00:39:50,700
actually try and find out what they saw

988
00:39:47,579 --> 00:39:56,039
and whether it's a meteorite or a plane

989
00:39:50,699 --> 00:40:00,929
or a helicopter and then when we can't

990
00:39:56,039 --> 00:40:02,249
find what it is then X EU wafer now now

991
00:40:00,929 --> 00:40:03,748
whatever one wandering around with

992
00:40:02,248 --> 00:40:06,419
phones in their pocket says this

993
00:40:03,748 --> 00:40:08,009
increase the quality of the photos or a

994
00:40:06,420 --> 00:40:09,778
just getting a lot more blurry light

995
00:40:08,009 --> 00:40:12,478
photos now because everyone's got a

996
00:40:09,778 --> 00:40:15,719
phone yeah unfortunately there are a lot

997
00:40:12,478 --> 00:40:19,169
more glaring like photos with the mobile

998

00:40:15,719 --> 00:40:24,119
phones but also the quality of cameras

999
00:40:19,170 --> 00:40:27,150
and infrared and night vision cameras is

1000
00:40:24,119 --> 00:40:31,048
much better nowadays so there are a lot

1001
00:40:27,150 --> 00:40:33,028
better quality photos all right look can

1002
00:40:31,048 --> 00:40:34,949
I have a chat to you for our podcast so

1003
00:40:33,028 --> 00:40:38,820
that's all wrong they say

1004
00:40:34,949 --> 00:40:42,659
look I'm just looking at it looks like

1005
00:40:38,820 --> 00:40:44,640
kind of a kind of a it looks a little

1006
00:40:42,659 --> 00:40:46,469
bit like it it could be a coffin full of

1007
00:40:44,639 --> 00:40:48,989
rocks but it's much more than that in

1008
00:40:46,469 --> 00:40:50,939
front of me yeah yes please explain what

1009
00:40:48,989 --> 00:40:53,549
we've got here so we have a crystal bed

1010
00:40:50,940 --> 00:40:55,409
healing right so what you've got here is

1011
00:40:53,550 --> 00:40:57,480
each section lines up with a chakra

1012
00:40:55,409 --> 00:40:59,819

point in the body I can see rose quartz

1013

00:40:57,480 --> 00:41:02,460

yes rose quartz amethyst and clear does

1014

00:40:59,820 --> 00:41:05,010

your crown chakra it's very gentle and

1015

00:41:02,460 --> 00:41:07,380

very harmonious and how comfortable is

1016

00:41:05,010 --> 00:41:08,790

it lying on crystals oh it's actually

1017

00:41:07,380 --> 00:41:10,800

quite comfortable because they actually

1018

00:41:08,789 --> 00:41:12,960

sing underneath yeah this is just for

1019

00:41:10,800 --> 00:41:15,480

display we don't people putting your

1020

00:41:12,960 --> 00:41:18,449

dirty hands on so it's black velvet yes

1021

00:41:15,480 --> 00:41:19,949

black velvet yeah okay so um how do you

1022

00:41:18,449 --> 00:41:21,569

stop the rocks sort of falling out in

1023

00:41:19,949 --> 00:41:24,299

the floor and getting vacuumed up well

1024

00:41:21,570 --> 00:41:27,900

there's a base on the bottom okay

1025

00:41:24,300 --> 00:41:29,849

there's a hard base underneath yes and

1026

00:41:27,900 --> 00:41:31,650

can we just go through a shock was again

1027
00:41:29,849 --> 00:41:34,170
and why these crystals are for these

1028
00:41:31,650 --> 00:41:36,389
chakras okay so you've got amethyst rose

1029
00:41:34,170 --> 00:41:38,070
quartz and clear for your crown it's a

1030
00:41:36,389 --> 00:41:40,858
really great combination to do it very

1031
00:41:38,070 --> 00:41:43,349
gently all right and you've got flu

1032
00:41:40,858 --> 00:41:45,239
rides for your third eye that's a very

1033
00:41:43,349 --> 00:41:48,960
good stone to actually open it up and

1034
00:41:45,239 --> 00:41:50,489
connect with ensuring intuition lapis is

1035
00:41:48,960 --> 00:41:52,440
actually fantastic for your throat

1036
00:41:50,489 --> 00:41:56,309
chakra because i unblock throat and

1037
00:41:52,440 --> 00:41:57,900
lets you express yourself all right so

1038
00:41:56,309 --> 00:42:00,088
malachite is actually wonderful your

1039
00:41:57,900 --> 00:42:01,650
heart chakra because anything brains

1040
00:42:00,088 --> 00:42:03,420
usually really good for your heart and

1041
00:42:01,650 --> 00:42:06,450
it opens it up and opens you up

1042
00:42:03,420 --> 00:42:09,800
emotionally then you have citroen which

1043
00:42:06,449 --> 00:42:12,779
is really really good three solar plexus

1044
00:42:09,800 --> 00:42:14,640
alright so these two colors are quite

1045
00:42:12,780 --> 00:42:16,710
similar they're very close in the body

1046
00:42:14,639 --> 00:42:20,329
so you've also got your sacral chakra

1047
00:42:16,710 --> 00:42:24,590
and that is actually orange citrine

1048
00:42:20,329 --> 00:42:27,110
okay and then you've got red jasper for

1049
00:42:24,590 --> 00:42:28,610
your root chakra okay I've never seen

1050
00:42:27,110 --> 00:42:31,910
that before you've never seen red jasper

1051
00:42:28,610 --> 00:42:36,260
it's actually quite common okay and it's

1052
00:42:31,909 --> 00:42:37,929
actually quite a grounding stone and

1053
00:42:36,260 --> 00:42:40,580
then you've got hematite for your feet

1054
00:42:37,929 --> 00:42:42,679
okay so is anything good for the knees

1055

00:42:40,579 --> 00:42:44,059
as hematite than these two you can use

1056
00:42:42,679 --> 00:42:49,279
it for knees but you actually put your

1057
00:42:44,059 --> 00:42:52,400
feet in that to ground just normal yeah

1058
00:42:49,280 --> 00:42:54,980
okay and how many people do nota they've

1059
00:42:52,400 --> 00:42:57,500
got one of these at home no one oh wow

1060
00:42:54,980 --> 00:42:59,480
okay cuz this is pretty special it's

1061
00:42:57,500 --> 00:43:02,210
custom-made my husband actually made it

1062
00:42:59,480 --> 00:43:04,250
for me am I sure I showed him what I

1063
00:43:02,210 --> 00:43:06,530
wanted and he's talented enough to be

1064
00:43:04,250 --> 00:43:07,369
able to make it that's great must be

1065
00:43:06,530 --> 00:43:09,260
getting a little interesting because

1066
00:43:07,369 --> 00:43:13,849
it's the DS lovely and soft earth very

1067
00:43:09,260 --> 00:43:15,200
lovely and soft and very special we're

1068
00:43:13,849 --> 00:43:16,579
right in the middle of the paranormal

1069
00:43:15,199 --> 00:43:18,739

Expo here I've been wandering around

1070

00:43:16,579 --> 00:43:21,199

just had a lovely chat to someone about

1071

00:43:18,739 --> 00:43:23,029

crystals and chakras and things like

1072

00:43:21,199 --> 00:43:25,460

that and I believe you offered them the

1073

00:43:23,030 --> 00:43:26,780

skeptics prize i Richard yeah it was

1074

00:43:25,460 --> 00:43:28,550

interesting before we did the interview

1075

00:43:26,780 --> 00:43:29,660

I gave them a skeptic zone card and they

1076

00:43:28,550 --> 00:43:32,570

just looked at it and laughed it was

1077

00:43:29,659 --> 00:43:35,210

just um use meant to them they couldn't

1078

00:43:32,570 --> 00:43:36,470

believe it on ironically enough and then

1079

00:43:35,210 --> 00:43:38,360

after they told you all about the

1080

00:43:36,469 --> 00:43:40,339

crystal bed I gave them a skeptics

1081

00:43:38,360 --> 00:43:42,019

\$100,000 challenge I said if anything

1082

00:43:40,340 --> 00:43:44,240

you tell me just now or you told my now

1083

00:43:42,019 --> 00:43:46,059

you can prove you get a hundred thousand

1084
00:43:44,239 --> 00:43:48,409
dollars but it's just complete

1085
00:43:46,059 --> 00:43:50,389
disconnect they can't understand it they

1086
00:43:48,409 --> 00:43:52,969
can't understand it look I imagine like

1087
00:43:50,389 --> 00:43:55,579
I like a lot of people do that they view

1088
00:43:52,969 --> 00:43:58,639
skeptics as being debunkers and poo poo

1089
00:43:55,579 --> 00:44:00,259
is in kind of negative folk I'm sure

1090
00:43:58,639 --> 00:44:05,269
you're right but it's also coupled with

1091
00:44:00,260 --> 00:44:07,430
the fact to them a chakra is just as

1092
00:44:05,269 --> 00:44:10,610
real as well the microphone you're using

1093
00:44:07,429 --> 00:44:12,799
now is to us it's part of reality so for

1094
00:44:10,610 --> 00:44:15,829
someone to come along and say I don't

1095
00:44:12,800 --> 00:44:17,289
think it's real at all is simply almost

1096
00:44:15,829 --> 00:44:20,110
incomprehensible

1097
00:44:17,289 --> 00:44:22,630
well it's very spiritual here today it

1098
00:44:20,110 --> 00:44:24,760
like but not in a religious way like

1099
00:44:22,630 --> 00:44:27,220
there's lots of people feeling about

1100
00:44:24,760 --> 00:44:29,080
their vibrations and and and talking

1101
00:44:27,219 --> 00:44:31,419
about things that you can't quite put

1102
00:44:29,079 --> 00:44:33,190
your finger on yeah I always wonder

1103
00:44:31,420 --> 00:44:35,500
about the word spiritual I just think it

1104
00:44:33,190 --> 00:44:37,539
just means emotional as the closest I

1105
00:44:35,500 --> 00:44:39,190
can come do it people oh this is a very

1106
00:44:37,539 --> 00:44:40,539
spiritual person I mean what they have

1107
00:44:39,190 --> 00:44:42,250
strong emotions about things that's

1108
00:44:40,539 --> 00:44:44,380
about as close as I can come to it but

1109
00:44:42,250 --> 00:44:46,449
it is that it is an emotion because as

1110
00:44:44,380 --> 00:44:48,519
Carl Sagan said you can get a spiritual

1111
00:44:46,449 --> 00:44:50,199
feeling looking at the sky at night you

1112

00:44:48,519 --> 00:44:52,329
know it's at the profoundness but it's

1113
00:44:50,199 --> 00:44:54,579
just an emotional look I was having a

1114
00:44:52,329 --> 00:44:57,400
good chat to the UFO paranormal

1115
00:44:54,579 --> 00:44:59,710
phenomenon people upstairs and she's

1116
00:44:57,400 --> 00:45:01,480
she's actually had one very good

1117
00:44:59,710 --> 00:45:03,610
sighting of a UFO and she actually

1118
00:45:01,480 --> 00:45:05,289
described it as a year as a spiritual

1119
00:45:03,610 --> 00:45:07,599
thing that the way it glowed and moved

1120
00:45:05,289 --> 00:45:10,000
through the air so you can get all sorts

1121
00:45:07,599 --> 00:45:11,949
of emotions stirred up by anomalies yeah

1122
00:45:10,000 --> 00:45:14,679
I'm sure they'd sure that it does I'm

1123
00:45:11,949 --> 00:45:16,779
sure it does i get a spiritual feeling

1124
00:45:14,679 --> 00:45:19,059
looking at a nice glass of champagne at

1125
00:45:16,780 --> 00:45:21,220
skeptics in the pub look and they were

1126
00:45:19,059 --> 00:45:23,529

in there being told about the amityville

1127

00:45:21,219 --> 00:45:25,269

horror and things like that and i had

1128

00:45:23,530 --> 00:45:28,030

your pooh-poohing face on your poo

1129

00:45:25,269 --> 00:45:29,829

pooping face i could see you going poopoo

1130

00:45:28,030 --> 00:45:32,260

Vince I'd Richard yeah we just heard

1131

00:45:29,829 --> 00:45:34,000

about a lot of cases of supposed ghosts

1132

00:45:32,260 --> 00:45:36,430

helping to solve their own crimes and

1133

00:45:34,000 --> 00:45:37,989

there was some it was interesting but a

1134

00:45:36,429 --> 00:45:40,210

little hard to sit through and I got

1135

00:45:37,989 --> 00:45:41,379

really excited cuz cuz i was i was half

1136

00:45:40,210 --> 00:45:43,420

listening and reading about a really

1137

00:45:41,380 --> 00:45:45,519

exciting UFO case on on the phenomenon

1138

00:45:43,420 --> 00:45:47,110

website and then they was she was

1139

00:45:45,519 --> 00:45:50,289

talking about foots being washed up and

1140

00:45:47,110 --> 00:45:52,329

i got it she mentioned Newcastle yes and

1141
00:45:50,289 --> 00:45:54,219
I got really excited I was really hoping

1142
00:45:52,329 --> 00:45:56,739
that feet had been started to get washed

1143
00:45:54,219 --> 00:45:58,239
up in Australia and then it was the

1144
00:45:56,739 --> 00:45:59,559
Canada one so I got very disappointed

1145
00:45:58,239 --> 00:46:00,969
cuz i was going to run right out and

1146
00:45:59,559 --> 00:46:02,739
start looking for people's right foot

1147
00:46:00,969 --> 00:46:03,579
what that because if the lifter they go

1148
00:46:02,739 --> 00:46:05,500
to the rightful it's going to be

1149
00:46:03,579 --> 00:46:09,400
somewhere there was all these pictures

1150
00:46:05,500 --> 00:46:12,010
of amputated feet in the decomposing

1151
00:46:09,400 --> 00:46:13,780
yeah I don't and she said the police are

1152
00:46:12,010 --> 00:46:15,430
stumped and I think we'll police aren't

1153
00:46:13,780 --> 00:46:17,710
the only one who was stumped haha you

1154
00:46:15,429 --> 00:46:19,539
you just poo pooing now over here we've

1155
00:46:17,710 --> 00:46:22,030
got color readings now how does that

1156
00:46:19,539 --> 00:46:23,019
work I'm a mogul that she's been busy

1157
00:46:22,030 --> 00:46:25,660
all day

1158
00:46:23,019 --> 00:46:28,119
are doing readings to people is it just

1159
00:46:25,659 --> 00:46:29,799
another method of doing a cold read kind

1160
00:46:28,119 --> 00:46:32,889
of thing oh yeah it's a problem okay

1161
00:46:29,800 --> 00:46:34,990
tarot cards astrology crystals space

1162
00:46:32,889 --> 00:46:36,819
sweetie it's just the prop and then it's

1163
00:46:34,989 --> 00:46:40,029
a prop for cold reading yeah it's it's

1164
00:46:36,820 --> 00:46:45,039
it's nerdy mundane and that is about 20

1165
00:46:40,030 --> 00:46:47,110
or so psychics upstairs in two different

1166
00:46:45,039 --> 00:46:49,059
rooms and have you seen the people

1167
00:46:47,110 --> 00:46:51,370
lining up on that day everybody looks

1168
00:46:49,059 --> 00:46:53,079
very serious I did we were up there

1169

00:46:51,369 --> 00:46:55,750
earlier when we're looking for the UFO

1170
00:46:53,079 --> 00:46:57,159
table and they're very very serious all

1171
00:46:55,750 --> 00:46:58,539
they're worried or their yeah its

1172
00:46:57,159 --> 00:47:00,190
interests and that's why you aren't

1173
00:46:58,539 --> 00:47:02,170
hearing those people on the show because

1174
00:47:00,190 --> 00:47:03,519
I find it when I interview the people

1175
00:47:02,170 --> 00:47:04,990
that are lining up to get psychic

1176
00:47:03,519 --> 00:47:06,489
readings that people they're normally

1177
00:47:04,989 --> 00:47:08,679
looking for an answer for something so

1178
00:47:06,489 --> 00:47:11,079
there it's kind of serious for them so I

1179
00:47:08,679 --> 00:47:12,759
don't like to even ask them and intrude

1180
00:47:11,079 --> 00:47:14,259
on the privacy I think that's very wise

1181
00:47:12,760 --> 00:47:16,210
that's fine if they want to get come

1182
00:47:14,260 --> 00:47:18,550
here for a psychic reading then but

1183
00:47:16,210 --> 00:47:20,470

that's their affair I guess mm-hmm now

1184

00:47:18,550 --> 00:47:25,030

is there anything you haven't seen

1185

00:47:20,469 --> 00:47:26,859

before Richard oh good question no no

1186

00:47:25,030 --> 00:47:29,500

we've had a good look around and I think

1187

00:47:26,860 --> 00:47:32,230

I've seen it all before or variations of

1188

00:47:29,500 --> 00:47:33,670

it but there it's a fun day it is well

1189

00:47:32,230 --> 00:47:36,039

you've got that laser to play for the

1190

00:47:33,670 --> 00:47:39,550

cat now I do I bought a new laser which

1191

00:47:36,039 --> 00:47:42,070

is a multi-beam sort of laser which

1192

00:47:39,550 --> 00:47:43,450

makes dots and it fires out a grid so if

1193

00:47:42,070 --> 00:47:44,740

something's moving within a space you

1194

00:47:43,449 --> 00:47:46,359

can you've got some photographic

1195

00:47:44,739 --> 00:47:47,589

evidence of what size it is the only

1196

00:47:46,360 --> 00:47:50,440

thing that's going to be moving in front

1197

00:47:47,590 --> 00:47:53,320

of that laser is a Henrietta and Maude I

1198
00:47:50,440 --> 00:47:54,970
think like I'm talking to the person who

1199
00:47:53,320 --> 00:47:56,800
organizes everything and they're the

1200
00:47:54,969 --> 00:47:58,869
speaker they're the sprue kerr they're

1201
00:47:56,800 --> 00:48:01,450
the editor they're doing security who we

1202
00:47:58,869 --> 00:48:02,650
got here we've got Pete banks how has

1203
00:48:01,449 --> 00:48:04,779
today been how's it compared to last

1204
00:48:02,650 --> 00:48:06,639
year oh it's it's good it's good about

1205
00:48:04,780 --> 00:48:08,470
the same it's um a lot different in the

1206
00:48:06,639 --> 00:48:11,199
format that we've put on this year we

1207
00:48:08,469 --> 00:48:12,819
have free workshops of people so anybody

1208
00:48:11,199 --> 00:48:14,349
who pays their five dollar entry can

1209
00:48:12,820 --> 00:48:15,580
attend all different kinds of workshops

1210
00:48:14,349 --> 00:48:17,980
for throughout the day we've also

1211
00:48:15,579 --> 00:48:20,319
expanded to the outside and who is the

1212
00:48:17,980 --> 00:48:21,820
Manila who is the big rock star of the

1213
00:48:20,320 --> 00:48:23,440
ghost hunting world at the moment in

1214
00:48:21,820 --> 00:48:26,410
this country

1215
00:48:23,440 --> 00:48:27,849
oh look at I think we have one it's

1216
00:48:26,409 --> 00:48:31,029
kinda like that they need a big TV show

1217
00:48:27,849 --> 00:48:33,039
anything well they do yeah yeah there

1218
00:48:31,030 --> 00:48:37,150
isn't really an Australian like ghost

1219
00:48:33,039 --> 00:48:38,800
hunters kind of thing there was haunting

1220
00:48:37,150 --> 00:48:41,108
Australia but that was only one season

1221
00:48:38,800 --> 00:48:43,240
and there's been a few little things

1222
00:48:41,108 --> 00:48:45,519
throughout the years but ya know there

1223
00:48:43,239 --> 00:48:48,068
is no let's say I'm the big rock star

1224
00:48:45,519 --> 00:48:50,739
behind I think you are you are indeed

1225
00:48:48,068 --> 00:48:51,880
yet everything absolutely yeah yeah yeah

1226

00:48:50,739 --> 00:48:52,868
look and speaking of that you probably

1227
00:48:51,880 --> 00:48:54,910
ought to go off and make an announcement

1228
00:48:52,869 --> 00:48:56,740
again and have a good day and I'm glad

1229
00:48:54,909 --> 00:48:58,779
it's beautiful weather for it I know

1230
00:48:56,739 --> 00:49:01,118
thank God yeah we're standing next to

1231
00:48:58,780 --> 00:49:03,519
the Big Chief pipe we are we are because

1232
00:49:01,119 --> 00:49:08,530
she lurched of pipe that's it that's

1233
00:49:03,519 --> 00:49:10,719
right I was a lot of happy smiling faces

1234
00:49:08,530 --> 00:49:13,750
here in the car because we had a big day

1235
00:49:10,719 --> 00:49:15,789
at the paranormal expert kuchulu we've

1236
00:49:13,750 --> 00:49:18,159
we've just departed to where the world's

1237
00:49:15,789 --> 00:49:20,588
biggest chief pipe is just the side of

1238
00:49:18,159 --> 00:49:22,358
the Casilla powerhouse there and we've

1239
00:49:20,588 --> 00:49:25,539
all had a good day now what what's been

1240
00:49:22,358 --> 00:49:27,719

your favorite part of the day Oh getting

1241

00:49:25,539 --> 00:49:30,338

the aura photography that's pretty great

1242

00:49:27,719 --> 00:49:33,098

and as you said earlier it was pretty

1243

00:49:30,338 --> 00:49:34,900

much fifty percent wrong yep pretty

1244

00:49:33,099 --> 00:49:37,359

pretty much on average some stuff that

1245

00:49:34,900 --> 00:49:39,700

was on the mark but mostly it just felt

1246

00:49:37,358 --> 00:49:41,078

like he was kind of you know throwing

1247

00:49:39,699 --> 00:49:43,419

out things and hoping some of them are

1248

00:49:41,079 --> 00:49:45,609

gonna hit oh ok what's that's my theory

1249

00:49:43,420 --> 00:49:47,588

of dating but yes I don't know if it

1250

00:49:45,608 --> 00:49:49,659

works actually for though also probably

1251

00:49:47,588 --> 00:49:51,880

does work for readings as well what was

1252

00:49:49,659 --> 00:49:54,098

your favourite bit of the day mine was

1253

00:49:51,880 --> 00:49:56,349

the same unfortunately I very much

1254

00:49:54,099 --> 00:49:57,789

enjoyed that very much being in enjoy

1255
00:49:56,349 --> 00:50:00,460
being told that my checkers were the

1256
00:49:57,789 --> 00:50:02,199
best that he's seen all day um yeah and

1257
00:50:00,460 --> 00:50:03,760
I think mine was more accurate mine was

1258
00:50:02,199 --> 00:50:05,409
a more accurate reading yeah things

1259
00:50:03,760 --> 00:50:07,810
trying to butter you up by to get the

1260
00:50:05,409 --> 00:50:09,759
praising your chakra quite possibly yet

1261
00:50:07,809 --> 00:50:12,670
I had I did tell him that I just ended a

1262
00:50:09,760 --> 00:50:15,700
relationship so yeah so did that affect

1263
00:50:12,670 --> 00:50:16,838
the chakra at all I'm the checker thing

1264
00:50:15,699 --> 00:50:18,219
was at the start that was actually quite

1265
00:50:16,838 --> 00:50:19,278
needy and I was being quite careful not

1266
00:50:18,219 --> 00:50:21,618
to give him away

1267
00:50:19,278 --> 00:50:23,059
not to give him information yeah C maybe

1268
00:50:21,619 --> 00:50:24,199
you know when going through the

1269
00:50:23,059 --> 00:50:25,640
difficulties of the end of a

1270
00:50:24,199 --> 00:50:27,798
relationship surely your chakras

1271
00:50:25,639 --> 00:50:30,978
wouldn't be doing so well but maybe

1272
00:50:27,798 --> 00:50:32,630
maybe this means it's right for you yeah

1273
00:50:30,978 --> 00:50:34,428
he said it was energy that I can be

1274
00:50:32,630 --> 00:50:38,630
using to change my life for the better

1275
00:50:34,429 --> 00:50:40,818
so energy available there to use okay

1276
00:50:38,630 --> 00:50:46,130
but but he said that after you'd given

1277
00:50:40,818 --> 00:50:48,079
the relationship information um yes yeah

1278
00:50:46,130 --> 00:50:50,289
I'm just remember that's a post diction

1279
00:50:48,079 --> 00:50:52,909
not a prediction yes yes that is correct

1280
00:50:50,289 --> 00:50:54,289
okay well this is something you really

1281
00:50:52,909 --> 00:50:55,400
expected to see there that you have

1282
00:50:54,289 --> 00:50:58,400
missed out on is there something you

1283

00:50:55,400 --> 00:51:00,499
really hope to see I like the the color

1284
00:50:58,400 --> 00:51:02,838
readings where the woman who was doing

1285
00:51:00,498 --> 00:51:04,938
the color readings by figuring out what

1286
00:51:02,838 --> 00:51:08,778
colors you into she could tell your

1287
00:51:04,938 --> 00:51:10,578
future using colors no I don't think

1288
00:51:08,778 --> 00:51:12,498
there was anything else no there was

1289
00:51:10,579 --> 00:51:14,419
that the color eating thing I'm I was

1290
00:51:12,498 --> 00:51:15,318
kind of interested in having a guy that

1291
00:51:14,418 --> 00:51:16,518
though because we'd already done the

1292
00:51:15,318 --> 00:51:17,778
aura thing i thought i'll give it a miss

1293
00:51:16,518 --> 00:51:20,928
this time but what was it about the

1294
00:51:17,778 --> 00:51:23,059
green oh yes having a pretty early oh

1295
00:51:20,929 --> 00:51:25,249
yeah so she was talking about the

1296
00:51:23,059 --> 00:51:26,599
different bottles and how they have

1297
00:51:25,248 --> 00:51:29,118

different colors in them and you rub

1298

00:51:26,599 --> 00:51:30,409

them onto your person but use them for

1299

00:51:29,119 --> 00:51:33,108

different things so if you are having an

1300

00:51:30,409 --> 00:51:35,239

i quote green related problems you would

1301

00:51:33,108 --> 00:51:37,668

use one of the green color solutions and

1302

00:51:35,239 --> 00:51:46,219

we just came away thinking what a green

1303

00:51:37,668 --> 00:51:50,449

related yeah I'm gardening um and and if

1304

00:51:46,219 --> 00:51:52,818

if you do if you think you have a gram

1305

00:51:50,449 --> 00:51:54,559

related problem and you use the green

1306

00:51:52,818 --> 00:51:58,188

lotion and you've actually got a blue

1307

00:51:54,559 --> 00:52:00,528

related problem what happens and what if

1308

00:51:58,188 --> 00:52:02,598

you're colorblind exactly little stuff

1309

00:52:00,528 --> 00:52:04,369

in questions we should have asked yeah

1310

00:52:02,599 --> 00:52:06,169

the only thing I was disappointed was

1311

00:52:04,369 --> 00:52:07,548

that there weren't more skywatchers II

1312
00:52:06,168 --> 00:52:08,989
because it was two or three groups last

1313
00:52:07,548 --> 00:52:11,028
time there was only one there this time

1314
00:52:08,989 --> 00:52:13,369
but I had a good chat and I learned

1315
00:52:11,028 --> 00:52:15,889
about a very famous UFO case called the

1316
00:52:13,369 --> 00:52:19,699
all thing to know that case I think

1317
00:52:15,889 --> 00:52:22,608
which has five minutes of film multiple

1318
00:52:19,699 --> 00:52:23,959
witnesses and it happened in 1999's and

1319
00:52:22,608 --> 00:52:25,668
I was reading up on that so read up

1320
00:52:23,958 --> 00:52:27,679
right up on the novak case people see

1321
00:52:25,668 --> 00:52:29,539
what you think and Richard where

1322
00:52:27,679 --> 00:52:31,159
did you fit with these things I you did

1323
00:52:29,539 --> 00:52:33,920
have your poopoo face on like I said

1324
00:52:31,159 --> 00:52:35,659
during the Amityville Horror Story that

1325
00:52:33,920 --> 00:52:38,809
was being told there but you didn't say

1326
00:52:35,659 --> 00:52:40,098
anything you didn't get up and pull your

1327
00:52:38,809 --> 00:52:41,480
jacket over your head and walk out

1328
00:52:40,099 --> 00:52:44,329
backwards like I've seen you do it some

1329
00:52:41,480 --> 00:52:46,429
of these things I didn't but Lara caught

1330
00:52:44,329 --> 00:52:48,559
me out i actually had the laugh once and

1331
00:52:46,429 --> 00:52:51,139
i tried to disguise it as a sneeze

1332
00:52:48,559 --> 00:52:53,990
actually okay and what was actually said

1333
00:52:51,139 --> 00:52:56,509
that that made you go all that get under

1334
00:52:53,989 --> 00:52:57,769
the house I'm can't run be the exact bit

1335
00:52:56,510 --> 00:53:01,430
but it was when she was saying that she

1336
00:52:57,769 --> 00:53:04,280
only writes true true stuff not fiction

1337
00:53:01,429 --> 00:53:08,239
that's right so maybe up maybe it was

1338
00:53:04,280 --> 00:53:10,460
just a a coffin up and sneeze well

1339
00:53:08,239 --> 00:53:13,539
anyway people I've had a lot of fun

1340

00:53:10,460 --> 00:53:15,650
despite Richard boo booing and how many

1341
00:53:13,539 --> 00:53:17,119
hundred thousand dollar challenger

1342
00:53:15,650 --> 00:53:20,480
checks did you give out today Richard

1343
00:53:17,119 --> 00:53:22,130
only one to the through the chakra bed

1344
00:53:20,480 --> 00:53:24,199
lady look but she would say she was

1345
00:53:22,130 --> 00:53:26,210
having none Eon negativity gotta say I

1346
00:53:24,199 --> 00:53:28,219
saw lots of rocks ahead and so I'm still

1347
00:53:26,210 --> 00:53:31,210
a fan rose quartz but can't seem to get

1348
00:53:28,219 --> 00:53:33,469
past it each to his own may not yeah

1349
00:53:31,210 --> 00:53:35,480
people see me and they go he's a rose

1350
00:53:33,469 --> 00:53:38,689
quartz kind of guy well onwards and

1351
00:53:35,480 --> 00:53:41,599
upwards as we head off in the one of the

1352
00:53:38,690 --> 00:53:43,700
high on dive truth into the sunset now

1353
00:53:41,599 --> 00:53:47,260
and thank you all and of course you're

1354
00:53:43,699 --> 00:53:47,259

listening to the sketch

1355

00:54:04,690 --> 00:54:09,950

hey svenska skeptical the vet vet at

1356

00:54:07,940 --> 00:54:12,079

Veterans Court building in the boy talk

1357

00:54:09,949 --> 00:54:14,779

none hanger of the skeptic zone that an

1358

00:54:12,079 --> 00:54:17,509

ox 0 alpha alpha dog poop science quiz

1359

00:54:14,780 --> 00:54:20,060

or skeptic at cafe on thomasville Queen

1360

00:54:17,510 --> 00:54:22,220

Povey very pumped for Punta safe at

1361

00:54:20,059 --> 00:54:24,679

spawning vivaro you like our local

1362

00:54:22,219 --> 00:54:26,689

training a hunter molanda Top Gun warm

1363

00:54:24,679 --> 00:54:29,839

to install that on the fence non-local

1364

00:54:26,690 --> 00:54:33,980

Fanning buffin to start I'm 12 your pot

1365

00:54:29,840 --> 00:54:36,650

on a day is new hello all skeptics in

1366

00:54:33,980 --> 00:54:38,869

Sweden I'm sure you already know that

1367

00:54:36,650 --> 00:54:40,820

the Swedish skeptics Association not

1368

00:54:38,869 --> 00:54:43,489

only is a big fan of the skeptic zone

1369
00:54:40,820 --> 00:54:45,620
but that we also organize lectures pop

1370
00:54:43,489 --> 00:54:52,339
science quiz and skeptics in the pub all

1371
00:54:45,619 --> 00:54:54,409
over the country go to ww vo ftse to see

1372
00:54:52,340 --> 00:54:56,539
what are seven local chapters are up to

1373
00:54:54,409 --> 00:54:58,969
and if you live in a place where there

1374
00:54:56,539 --> 00:55:03,909
is no local chapter why not start on

1375
00:54:58,969 --> 00:55:03,909
yourself I'm talking to you neyo

1376
00:55:16,360 --> 00:55:21,800
thank you for listening to the skeptic

1377
00:55:18,980 --> 00:55:24,050
zone now now those people in Sydney

1378
00:55:21,800 --> 00:55:27,320
please come along and be part of the fun

1379
00:55:24,050 --> 00:55:30,050
the Occidental hotel Thursday October

1380
00:55:27,320 --> 00:55:34,519
the 6th starting at six o'clock for the

1381
00:55:30,050 --> 00:55:36,800
skeptic zone live join me and Maynard

1382
00:55:34,519 --> 00:55:39,679
and lots of skeptic zone reporters for a

1383
00:55:36,800 --> 00:55:42,200
live taping of the show prize giveaways

1384
00:55:39,679 --> 00:55:44,000
prize giveaways on the night we have

1385
00:55:42,199 --> 00:55:47,000
some books courtesy of Alan on one to

1386
00:55:44,000 --> 00:55:48,889
give away I think we've got some tickets

1387
00:55:47,000 --> 00:55:50,840
to give away two upcoming shows and

1388
00:55:48,889 --> 00:55:52,759
things like that and our special guests

1389
00:55:50,840 --> 00:55:56,630
will be none other than dr. Brad makhaya

1390
00:55:52,760 --> 00:55:57,920
from embarrassing bodies down under also

1391
00:55:56,630 --> 00:55:59,450
a member of the skeptics will be

1392
00:55:57,920 --> 00:56:01,820
chatting to may not about the recent

1393
00:55:59,449 --> 00:56:04,730
Burning Man festival for more

1394
00:56:01,820 --> 00:56:07,010
information head to meetup.com / aust

1395
00:56:04,730 --> 00:56:09,380
skeptics and the event will be at the

1396
00:56:07,010 --> 00:56:11,240
Occidental hotel which is 43 York Street

1397

00:56:09,380 --> 00:56:14,030
and for those people in Sydney that's

1398
00:56:11,239 --> 00:56:16,519
just behind winded train station entry

1399
00:56:14,030 --> 00:56:18,440
is free but if you put your name down at

1400
00:56:16,519 --> 00:56:20,480
meetup will now you're coming along but

1401
00:56:18,440 --> 00:56:22,429
bring some friends anyway now if you

1402
00:56:20,480 --> 00:56:25,670
need another fix if you need another

1403
00:56:22,429 --> 00:56:28,609
podcasting fix head over to Maynard calm

1404
00:56:25,670 --> 00:56:30,760
day you and subscribe to Maenads podcast

1405
00:56:28,610 --> 00:56:34,519
planet Maynard which includes of course

1406
00:56:30,760 --> 00:56:36,800
bunga bunga the podcast he does with Tim

1407
00:56:34,519 --> 00:56:38,960
Ferguson but all sorts of other things

1408
00:56:36,800 --> 00:56:40,400
too it's a little bit random is that

1409
00:56:38,960 --> 00:56:43,159
it's a little bit of a surprise every

1410
00:56:40,400 --> 00:56:45,050
week to see what comes out from Planet

1411
00:56:43,159 --> 00:56:47,629

Maynard we have behind the scenes with

1412

00:56:45,050 --> 00:56:49,670

the spin out which is the recent hit

1413

00:56:47,630 --> 00:56:52,309

movie here in Australia we've got

1414

00:56:49,670 --> 00:56:54,260

interviews with other djs what double J

1415

00:56:52,309 --> 00:56:57,320

should sound like of course news about

1416

00:56:54,260 --> 00:56:58,400

that and much more yeah Maynard calm

1417

00:56:57,320 --> 00:57:02,570

down a you if you're not subscribed

1418

00:56:58,400 --> 00:57:05,300

please do so and people like Maynard

1419

00:57:02,570 --> 00:57:07,820

really really get a good a nice warm

1420

00:57:05,300 --> 00:57:12,260

feeling when they eat hot food paid for

1421

00:57:07,820 --> 00:57:14,750

by a patreon who so put podcasts don't

1422

00:57:12,260 --> 00:57:18,020

be shy don't be shy good old main ideas

1423

00:57:14,750 --> 00:57:19,789

may not come today you for lots more in

1424

00:57:18,019 --> 00:57:22,550

fact just between you and me I've heard

1425

00:57:19,789 --> 00:57:25,608

lately Maynard has dug up a lot of

1426
00:57:22,550 --> 00:57:30,380
archival stuff he's done over the years

1427
00:57:25,608 --> 00:57:31,788
he's uh he's been baking tapes no don't

1428
00:57:30,380 --> 00:57:33,829
send the police around I think it's

1429
00:57:31,789 --> 00:57:36,470
completely legal he's been baking old

1430
00:57:33,829 --> 00:57:38,450
audiotapes to bring them back to life

1431
00:57:36,469 --> 00:57:40,399
but I'm sure Maynard will tell us more

1432
00:57:38,449 --> 00:57:41,960
about that in the coming weeks I think

1433
00:57:40,400 --> 00:57:46,068
he might even mention it at the live

1434
00:57:41,960 --> 00:57:48,108
show but for this week until we see many

1435
00:57:46,068 --> 00:57:50,808
of you I hope at the live show in a few

1436
00:57:48,108 --> 00:57:52,730
days time and the rest of you will hear

1437
00:57:50,809 --> 00:57:55,249
it on the podcast this is Richard

1438
00:57:52,730 --> 00:58:01,608
Saunders signing off from Sydney

1439
00:57:55,248 --> 00:58:03,679
Australia you've been listening to the

1440
00:58:01,608 --> 00:58:07,940
skeptics own podcast visit our website

1441
00:58:03,679 --> 00:58:11,239
at wwc a petting zoo TV for contacts and

1442
00:58:07,940 --> 00:58:14,389
archive of all episodes since 2008 and

1443
00:58:11,239 --> 00:58:16,460
our online store please support the

1444
00:58:14,389 --> 00:58:19,818
skeptic zone by following us on twitter

1445
00:58:16,460 --> 00:58:23,329
at skeptic zone liking us on facebook

1446
00:58:19,818 --> 00:58:24,829
and leaving a review on iTunes you can

1447
00:58:23,329 --> 00:58:28,670
also show your support by subscribing

1448
00:58:24,829 --> 00:58:31,700
via paypal for as little as 99 cents a

1449
00:58:28,670 --> 00:58:33,318
week the skeptic zone is an independent

1450
00:58:31,699 --> 00:58:35,778
production the views and opinions

1451
00:58:33,318 --> 00:58:37,818
expressed on the skeptic zone and not

1452
00:58:35,778 --> 00:58:43,059
necessarily those of Australian skepta

1453
00:58:37,818 --> 00:58:43,058
tea or any other skeptical organization

1454

00:58:43,239 --> 00:58:45,299

you
