

1
00:00:00,000 --> 00:00:02,950
[Music]

2
00:00:05,929 --> 00:00:13,669
welcome to the skeptic zone the podcast

3
00:00:09,089 --> 00:00:13,669
from Australia for science and reason

4
00:00:17,129 --> 00:00:25,129
[Music]

5
00:00:22,629 --> 00:00:29,988
yes it's the skeptics own podcast

6
00:00:25,129 --> 00:00:35,179
episode number 525 for the 11th of the

7
00:00:29,989 --> 00:00:37,878
11th 18 of course 100 years ago since as

8
00:00:35,179 --> 00:00:42,649
they say the guns fell silent on the

9
00:00:37,878 --> 00:00:45,408
Western Front but coming up this week on

10
00:00:42,649 --> 00:00:47,119
the skeptics on podcast many things many

11
00:00:45,408 --> 00:00:49,640
things were going to kick off with the

12
00:00:47,119 --> 00:00:52,429
report from the paranormal and spiritual

13
00:00:49,640 --> 00:00:54,859
Expo held just last weekend here at KU

14
00:00:52,429 --> 00:00:56,929
Shula which is just outside of Sydney

15
00:00:54,859 --> 00:00:58,969
may not deny jumped into the sceptic

16
00:00:56,929 --> 00:01:01,070
zone 'mobile and traveled out there and

17
00:00:58,969 --> 00:01:03,768
I think you'll find this series of

18
00:01:01,070 --> 00:01:05,088
interviews very interesting now some of

19
00:01:03,768 --> 00:01:06,829
you may be familiar with the wonderful

20
00:01:05,088 --> 00:01:09,769
series by Michael Marshall called be

21
00:01:06,829 --> 00:01:11,959
reasonable where Marsh has on his show

22
00:01:09,769 --> 00:01:14,658
people who believe in this that or the

23
00:01:11,959 --> 00:01:18,069
other and his policy is to let them

24
00:01:14,659 --> 00:01:20,719
speak let them put their case and we

25
00:01:18,069 --> 00:01:23,779
with a more scientific and reasonable

26
00:01:20,719 --> 00:01:25,579
outlook we dare say can learn an awful

27
00:01:23,780 --> 00:01:28,150
lot well this is the attitude may not

28
00:01:25,579 --> 00:01:32,450
take so you'll hear people talking about

29

00:01:28,150 --> 00:01:36,560
things that in their minds are quite

30
00:01:32,450 --> 00:01:39,650
real UFOs and by that I mean obviously

31
00:01:36,560 --> 00:01:41,920
aliens coming to see us say hello things

32
00:01:39,650 --> 00:01:46,359
like the ghost-detecting equipment

33
00:01:41,920 --> 00:01:51,040
really does work has claimed and

34
00:01:46,359 --> 00:01:54,500
crystals have magical energies an

35
00:01:51,040 --> 00:01:56,659
insight into the mind of the believer

36
00:01:54,500 --> 00:01:58,370
coming up with main art at the top of

37
00:01:56,659 --> 00:02:00,380
the show following that it's my

38
00:01:58,370 --> 00:02:02,780
interview with Massimo Polidoro from

39
00:02:00,379 --> 00:02:05,658
Italy Massimo I've known Massimo for a

40
00:02:02,780 --> 00:02:08,360
long time he was many years ago an

41
00:02:05,659 --> 00:02:10,459
apprentice to James Randi and learning

42
00:02:08,360 --> 00:02:12,170
his craft of not only some magic but

43
00:02:10,459 --> 00:02:15,080

investigating the paranormal the

44

00:02:12,169 --> 00:02:17,958

supernatural and claims thereof I chat

45

00:02:15,080 --> 00:02:21,110

to Massimo about his latest video series

46

00:02:17,959 --> 00:02:23,330

youtube series stranger stories where

47

00:02:21,110 --> 00:02:26,689

each fortnight massimo will explain a

48

00:02:23,330 --> 00:02:30,560

psychic investigation or look at a new

49

00:02:26,688 --> 00:02:32,479

and interesting paranormal investigation

50

00:02:30,560 --> 00:02:34,520

things of this nature stranger stories

51

00:02:32,479 --> 00:02:36,739

heartily recommend

52

00:02:34,520 --> 00:02:38,630

link's as always in the show notes this

53

00:02:36,740 --> 00:02:40,879

week then to round off the show it's

54

00:02:38,629 --> 00:02:42,710

back to skeptic on held a couple of

55

00:02:40,879 --> 00:02:45,469

weeks ago here in Sydney Australia where

56

00:02:42,710 --> 00:02:47,560

main our chats to mal vicars now some

57

00:02:45,469 --> 00:02:50,210

months ago on the sceptic zone mal

58
00:02:47,560 --> 00:02:54,140
Vickers put out a call for help

59
00:02:50,210 --> 00:02:55,760
technical help help gathering

60
00:02:54,139 --> 00:02:57,529
information from the internet will now

61
00:02:55,759 --> 00:02:59,929
will report back to us about how

62
00:02:57,530 --> 00:03:02,870
successful that was we also have the

63
00:02:59,930 --> 00:03:06,590
final part of maynard's interviews with

64
00:03:02,870 --> 00:03:08,719
Yvette dawn from all the side baby now

65
00:03:06,590 --> 00:03:11,989
if it will be talking about William

66
00:03:08,719 --> 00:03:14,150
Shatner what a good idea always a good

67
00:03:11,989 --> 00:03:17,629
time to talk about William Shatner not

68
00:03:14,150 --> 00:03:20,270
getting sued and a possible new job and

69
00:03:17,629 --> 00:03:22,009
if that's not enough may not also talks

70
00:03:20,270 --> 00:03:26,719
to the wonderfully interesting

71
00:03:22,009 --> 00:03:29,899
astronomer Kirsten banks and the extra

72
00:03:26,719 --> 00:03:32,479
wonderful astronomer dr. Pamela gay and

73
00:03:29,900 --> 00:03:34,189
an extra big congratulations to Kirsten

74
00:03:32,479 --> 00:03:37,099
banks who I noticed just in the last

75
00:03:34,189 --> 00:03:39,769
week graduated in physics from the

76
00:03:37,099 --> 00:03:41,180
University of New South Wales I think

77
00:03:39,769 --> 00:03:43,430
you'll need a big cup of coffee to get

78
00:03:41,180 --> 00:03:45,379
through this week's show stay tuned at

79
00:03:43,430 --> 00:03:48,200
the info some more announcements from me

80
00:03:45,379 --> 00:03:51,019
but for now for now it's time for me to

81
00:03:48,199 --> 00:03:52,488
run downstairs look in the fridge and

82
00:03:51,019 --> 00:03:56,390
see if there's some leftovers from the

83
00:03:52,489 --> 00:04:01,400
other night where I made some chicken in

84
00:03:56,389 --> 00:04:03,619
a source of was a bit of teriyaki but a

85
00:04:01,400 --> 00:04:07,010
soy sauce a bit of hot English mustard

86

00:04:03,620 --> 00:04:08,799
and wasabi all mixed up not to be

87
00:04:07,009 --> 00:04:11,569
overpowering just to your flavor

88
00:04:08,799 --> 00:04:13,400
marinated the chicken in that put them

89
00:04:11,569 --> 00:04:15,409
all together mmm I wonder if there's

90
00:04:13,400 --> 00:04:17,970
some leftovers well I check that out I

91
00:04:15,409 --> 00:04:30,129
hope you enjoy the skeptic zone

92
00:04:17,970 --> 00:04:30,129
[Music]

93
00:04:36,540 --> 00:04:46,840
[Music]

94
00:04:42,870 --> 00:04:51,730
that's some spooky tones there but right

95
00:04:46,839 --> 00:04:53,789
now I'm in the mmm it's a bit like you

96
00:04:51,730 --> 00:04:56,319
know how the scooby-doo they have the

97
00:04:53,790 --> 00:04:58,420
the ghost 'mobile what's the thing they

98
00:04:56,319 --> 00:05:00,370
have I can't remember listeners might

99
00:04:58,420 --> 00:05:03,250
remember well it's a half-decent van

100
00:05:00,370 --> 00:05:06,160

they get around in and the Mystery

101

00:05:03,250 --> 00:05:08,439

Machine we've got the nothing going

102

00:05:06,160 --> 00:05:12,010

nothing to see here machine we drive

103

00:05:08,439 --> 00:05:13,750

past and people go what it's the who are

104

00:05:12,009 --> 00:05:16,839

they of the who's who it's a who's who

105

00:05:13,750 --> 00:05:19,810

of who's that today we'll be going to

106

00:05:16,839 --> 00:05:21,310

the paranormal that exhibition that

107

00:05:19,810 --> 00:05:22,449

Richard has the correct name what is the

108

00:05:21,310 --> 00:05:25,709

correct name of where we're going

109

00:05:22,449 --> 00:05:27,939

paranormal and spiritual expert Casula

110

00:05:25,709 --> 00:05:29,560

right well author of this master in

111

00:05:27,939 --> 00:05:30,730

command on the far side of the world but

112

00:05:29,560 --> 00:05:33,550

we're going to where real people live

113

00:05:30,730 --> 00:05:35,290

now and it's we've been here a few times

114

00:05:33,550 --> 00:05:37,750

always good stuff happening there

115
00:05:35,290 --> 00:05:42,220
there's a lot of ghost hunters there

116
00:05:37,750 --> 00:05:44,759
have been some western sydney UFO people

117
00:05:42,220 --> 00:05:47,080
perform but we're hoping to get that and

118
00:05:44,759 --> 00:05:49,240
blum when were you there last richard a

119
00:05:47,079 --> 00:05:50,740
year ago in fact here ago and the year

120
00:05:49,240 --> 00:05:55,750
before that in the year before that and

121
00:05:50,740 --> 00:05:58,030
the last time we picked up I picked up a

122
00:05:55,750 --> 00:06:01,389
little alien playing a guitar which

123
00:05:58,029 --> 00:06:04,269
might which my cat subsequently attacked

124
00:06:01,389 --> 00:06:06,399
but yes and you want to have a guess

125
00:06:04,269 --> 00:06:08,769
we're gonna try and try your psychic

126
00:06:06,399 --> 00:06:10,269
powers as to how many psychics will be

127
00:06:08,769 --> 00:06:12,339
doing a reading in the psychic room

128
00:06:10,269 --> 00:06:14,259
because you know people line up and they

129
00:06:12,339 --> 00:06:15,819
ask to see what's going on there's a

130
00:06:14,259 --> 00:06:17,439
whole bunch of them at tables how many

131
00:06:15,819 --> 00:06:19,540
this time you I have to take a guess at

132
00:06:17,439 --> 00:06:22,639
my psychic ability based on previous

133
00:06:19,540 --> 00:06:24,710
experience tells me about eight

134
00:06:22,639 --> 00:06:27,050
when I was there last time I had more

135
00:06:24,709 --> 00:06:29,089
than that and there's always been a lot

136
00:06:27,050 --> 00:06:30,949
of ghost hunters around up to this point

137
00:06:29,089 --> 00:06:32,778
and a lot of people would crystals which

138
00:06:30,949 --> 00:06:34,158
is great and it's always interesting

139
00:06:32,778 --> 00:06:36,288
you'll grab someone coming up to you

140
00:06:34,158 --> 00:06:38,688
with an interesting point of view and

141
00:06:36,288 --> 00:06:41,028
it's always just good to listen so we're

142
00:06:38,689 --> 00:06:44,120
just passing min I at the moment we're

143

00:06:41,028 --> 00:06:46,038
zooming down this motorway it's a nice

144
00:06:44,120 --> 00:06:47,689
day it's warm but yeah we're in the

145
00:06:46,038 --> 00:06:49,848
skeptic 'mobile which is cleverly

146
00:06:47,689 --> 00:06:51,770
disguised to look like an everyday car

147
00:06:49,848 --> 00:06:53,839
okay with a blast from the harmonica

148
00:06:51,769 --> 00:06:55,459
next time you hear us we will be in the

149
00:06:53,839 --> 00:06:57,679
car park at Casula

150
00:06:55,459 --> 00:07:00,310
and put at certain times a night that is

151
00:06:57,680 --> 00:07:00,310
the place to be

152
00:07:03,439 --> 00:07:15,759
I guess always a thing when you were

153
00:07:14,209 --> 00:07:20,329
coming through the car park at the

154
00:07:15,759 --> 00:07:21,980
Casilla Art Center it's certainly I've

155
00:07:20,329 --> 00:07:24,139
got a community garden going here that's

156
00:07:21,980 --> 00:07:26,120
a new one Richard I'm a scarecrow that's

157
00:07:24,139 --> 00:07:27,649

a bit spooky well it's a bit spooky and

158

00:07:26,120 --> 00:07:30,649

it's working I don't see any birds

159

00:07:27,649 --> 00:07:33,049

around yes that's for sure there's a few

160

00:07:30,649 --> 00:07:35,329

people looking around I can see the sort

161

00:07:33,050 --> 00:07:37,500

of ghost hunting people around this is

162

00:07:35,329 --> 00:07:40,628

gonna be an interesting one here

163

00:07:37,500 --> 00:07:40,629

[Applause]

164

00:07:54,810 --> 00:07:58,160

[Applause]

165

00:08:03,038 --> 00:08:09,288

side here in having our first coffee and

166

00:08:06,259 --> 00:08:11,919

muffin of the day Richard my nose it's

167

00:08:09,288 --> 00:08:16,370

the usual mix of people about 75% women

168

00:08:11,918 --> 00:08:17,899

yes and it seems to be quite crowded at

169

00:08:16,370 --> 00:08:19,970

the moment we're in the corner having

170

00:08:17,899 --> 00:08:21,948

our muffin before we get stuck into it

171

00:08:19,970 --> 00:08:23,780

opera hello no upstairs from what I can

172
00:08:21,949 --> 00:08:24,889
see in previous years has been it up

173
00:08:23,779 --> 00:08:26,089
step although there is bit of an

174
00:08:24,889 --> 00:08:27,439
upstairs happening we'll have to check

175
00:08:26,089 --> 00:08:29,000
that out later I'll have to investigate

176
00:08:27,439 --> 00:08:30,408
normally upstairs they've got tables

177
00:08:29,000 --> 00:08:33,799
some UFOs and things like that

178
00:08:30,408 --> 00:08:34,908
hmm I saw two young women racing in and

179
00:08:33,799 --> 00:08:37,158
they were very keen talking to each

180
00:08:34,908 --> 00:08:38,088
other about wanting a reading done so I

181
00:08:37,158 --> 00:08:39,860
mentioned they'll be heading straight

182
00:08:38,089 --> 00:08:41,899
for the Reading Room which we will be

183
00:08:39,860 --> 00:08:45,009
having a look at fairly shortly after

184
00:08:41,899 --> 00:08:45,009
that muffin

185
00:08:45,190 --> 00:08:49,720
we're just here upstairs and to our

186
00:08:48,850 --> 00:08:51,699
right

187
00:08:49,720 --> 00:08:53,379
there's the psychic reading room did you

188
00:08:51,698 --> 00:08:54,159
see how many psychics and they do even I

189
00:08:53,379 --> 00:08:56,769
didn't

190
00:08:54,159 --> 00:08:59,078
there's about what 1213 people waiting

191
00:08:56,769 --> 00:09:01,209
to go in hmm and I know from experience

192
00:08:59,078 --> 00:09:02,588
you shouldn't talk to people before they

193
00:09:01,208 --> 00:09:04,000
go in to have a psychic reading because

194
00:09:02,589 --> 00:09:05,649
they're often very serious and they're

195
00:09:04,000 --> 00:09:07,028
obviously looking for some sort of

196
00:09:05,649 --> 00:09:08,379
information and they aren't they don't

197
00:09:07,028 --> 00:09:09,909
really want to be spoken to about the

198
00:09:08,379 --> 00:09:12,100
whole thing yeah I can understand that I

199
00:09:09,909 --> 00:09:14,139
think if we walk past and we glanced in

200

00:09:12,100 --> 00:09:15,519
we might be able to see how many are in

201
00:09:14,139 --> 00:09:18,180
there okay let's see how well Richard

202
00:09:15,519 --> 00:09:18,179
does this casual

203
00:09:18,649 --> 00:09:23,639
there's actually two psychic reading

204
00:09:21,299 --> 00:09:30,209
rooms there and probably about fourteen

205
00:09:23,639 --> 00:09:31,799
psychics and Paula I see you looking at

206
00:09:30,210 --> 00:09:33,600
a rich is looking at a your Ouija board

207
00:09:31,799 --> 00:09:35,759
here which is a combination of the

208
00:09:33,600 --> 00:09:37,110
French and German words for yes yes yes

209
00:09:35,759 --> 00:09:39,240
yes we are

210
00:09:37,110 --> 00:09:41,669
and interesting enough when listening to

211
00:09:39,240 --> 00:09:43,259
the how to heretic podcast only this

212
00:09:41,669 --> 00:09:45,750
week they were talking about Ouija

213
00:09:43,259 --> 00:09:47,519
boards and they said that planchette is

214
00:09:45,750 --> 00:09:48,990

actually its own word it's not actually

215

00:09:47,519 --> 00:09:50,519

from anything this the only thing in the

216

00:09:48,990 --> 00:09:54,330

world called a planchette is the plant

217

00:09:50,519 --> 00:09:56,309

is a planchette which is French for cate

218

00:09:54,330 --> 00:09:58,110

blanchett isn't it I think you're right

219

00:09:56,309 --> 00:10:02,189

it's rather a nice one it's got a

220

00:09:58,110 --> 00:10:03,389

feather on it it's rather nice yes whoa

221

00:10:02,190 --> 00:10:05,460

we're here and it looks like a bit of a

222

00:10:03,389 --> 00:10:07,169

gaming table but what do we got going on

223

00:10:05,460 --> 00:10:09,090

here sir oh yeah well from good guys

224

00:10:07,169 --> 00:10:10,919

Virender and we're just here to sell a

225

00:10:09,090 --> 00:10:12,629

bunch of games now what seems to be

226

00:10:10,919 --> 00:10:14,789

interesting to people today what are

227

00:10:12,629 --> 00:10:17,279

they looking for Dungeons & Dragons is

228

00:10:14,789 --> 00:10:19,079

the most popular wine at the moment when

229

00:10:17,279 --> 00:10:23,129
did that kick off is that a 70s things

230

00:10:19,080 --> 00:10:25,620
that predate that yeah 70s maybe 77 78

231

00:10:23,129 --> 00:10:27,480
something like that so a long time ago

232

00:10:25,620 --> 00:10:28,980
do we have anybody how many people play

233

00:10:27,480 --> 00:10:31,230
that worldwide on a weekly or monthly

234

00:10:28,980 --> 00:10:33,269
basis it's pretty it's sort of popular

235

00:10:31,230 --> 00:10:34,769
isn't it millions and it's coming back

236

00:10:33,269 --> 00:10:37,529
there's a show called stranger things on

237

00:10:34,769 --> 00:10:40,649
TV recently and the kids were playing

238

00:10:37,529 --> 00:10:42,389
the day and that seems to have yes

239

00:10:40,649 --> 00:10:45,000
Pirtle of other people to try and then

240

00:10:42,389 --> 00:10:46,590
yeah it's escalating so that's all right

241

00:10:45,000 --> 00:10:47,970
now tell us where can we find you online

242

00:10:46,590 --> 00:10:51,420
if everyone know more about your game

243
00:10:47,970 --> 00:10:53,580
stuff yep ww good Gamescom that are you

244
00:10:51,419 --> 00:10:56,610
back slash Miranda have a good day here

245
00:10:53,580 --> 00:10:58,530
thank you thank you well I'm just

246
00:10:56,610 --> 00:11:00,389
looking at a whole bunch of figurines as

247
00:10:58,529 --> 00:11:02,309
being made masked and all sorts of

248
00:11:00,389 --> 00:11:03,000
things and this is a guy who made it who

249
00:11:02,309 --> 00:11:06,359
we got here

250
00:11:03,000 --> 00:11:10,019
they've run into grant companies from

251
00:11:06,360 --> 00:11:11,669
cast from dungeon effects the only one

252
00:11:10,019 --> 00:11:12,809
make I work in the film industry so I do

253
00:11:11,669 --> 00:11:15,360
a lot of prop

254
00:11:12,809 --> 00:11:17,519
and that transferred a lot of stuff I

255
00:11:15,360 --> 00:11:19,320
did for my business my class my company

256
00:11:17,519 --> 00:11:21,240
now you've got a lot of good stuff here

257

00:11:19,320 --> 00:11:22,800
what's the most popular thing what's the

258
00:11:21,240 --> 00:11:25,680
thing people always seem to ask you to

259
00:11:22,799 --> 00:11:27,719
make are zombies oh really and then

260
00:11:25,679 --> 00:11:29,278
because of the Walking Dead TV show and

261
00:11:27,720 --> 00:11:34,680
where can we see you online where can we

262
00:11:29,278 --> 00:11:37,649
see your stuff online in FX comm thank

263
00:11:34,679 --> 00:11:39,000
you very much have a good day you does

264
00:11:37,649 --> 00:11:41,730
look pretty well doesn't Richard it's

265
00:11:39,000 --> 00:11:43,940
marvelous it really there's a lot of

266
00:11:41,730 --> 00:11:46,259
time and effort been put into these

267
00:11:43,940 --> 00:11:48,480
masks and they're not masks they're

268
00:11:46,259 --> 00:11:50,250
busts yeah they're like realistic

269
00:11:48,480 --> 00:11:52,589
looking but that's is that a mask

270
00:11:50,250 --> 00:11:54,360
then both they're both that's amazing

271
00:11:52,589 --> 00:11:55,860

it's the real deal it is the real deal

272

00:11:54,360 --> 00:11:59,399

and there's even a clock with a sort of

273

00:11:55,860 --> 00:12:02,009

skull with a armour on it and you it's

274

00:11:59,399 --> 00:12:04,039

very good dr. Jekyll and mr. Hyde over

275

00:12:02,009 --> 00:12:06,509

here good stuff

276

00:12:04,039 --> 00:12:08,789

now as I wander around the paranormal

277

00:12:06,509 --> 00:12:11,759

Expo here at Casula there's one thing

278

00:12:08,789 --> 00:12:14,909

you skeptics can't deny it smells good

279

00:12:11,759 --> 00:12:17,519

we've got lavender we've got yelling

280

00:12:14,909 --> 00:12:19,679

yelling we've got all those things it

281

00:12:17,519 --> 00:12:21,569

smells really nice here and that's one

282

00:12:19,679 --> 00:12:25,620

thing the skeptics can't match good

283

00:12:21,570 --> 00:12:26,970

smells look I find myself chatting to

284

00:12:25,620 --> 00:12:27,899

someone I spoke to a few years ago

285

00:12:26,970 --> 00:12:29,820

remember you're telling me about a

286
00:12:27,899 --> 00:12:31,439
really interesting light you saw going

287
00:12:29,820 --> 00:12:34,050
along a valley in the Blue Mountains is

288
00:12:31,440 --> 00:12:35,670
that correct yes yeah and you described

289
00:12:34,049 --> 00:12:39,059
as very spiritual I do remember that

290
00:12:35,669 --> 00:12:40,469
conversation was quite moving yes and

291
00:12:39,059 --> 00:12:42,779
what now what group you from the

292
00:12:40,470 --> 00:12:45,420
listeners at home this is the UFO and

293
00:12:42,779 --> 00:12:47,730
Paranormal Research Society Australia

294
00:12:45,419 --> 00:12:50,279
and we're based in Campbelltown

295
00:12:47,730 --> 00:12:53,420
and I would recommend that people head

296
00:12:50,279 --> 00:12:56,579
along to your website which is UFO and

297
00:12:53,419 --> 00:13:01,409
paranormal research well actually it's

298
00:12:56,580 --> 00:13:04,470
short and if you just type in UFO PRSA

299
00:13:01,409 --> 00:13:05,579
you'll get our home page and the reason

300
00:13:04,470 --> 00:13:07,230
you should go there is because you have

301
00:13:05,580 --> 00:13:08,790
lots of really interesting overseas

302
00:13:07,230 --> 00:13:10,440
guests and local guests from time to

303
00:13:08,789 --> 00:13:12,809
time don't you that's correct we have

304
00:13:10,440 --> 00:13:15,779
national and international speakers

305
00:13:12,809 --> 00:13:18,750
telling us about their research we meet

306
00:13:15,778 --> 00:13:20,639
once a month second Wednesday of each

307
00:13:18,750 --> 00:13:21,919
month at the Campbeltown

308
00:13:20,639 --> 00:13:23,389
our

309
00:13:21,919 --> 00:13:24,709
can you tell us who's coming up in the

310
00:13:23,389 --> 00:13:26,750
coming months that people might have

311
00:13:24,710 --> 00:13:30,080
heard of that are coming along well in

312
00:13:26,750 --> 00:13:34,730
two weeks time on the 14th of November

313
00:13:30,080 --> 00:13:38,060
we have Rex Gilroy as a speaker Rex is

314

00:13:34,730 --> 00:13:41,539
equipped zoologist ufologist and author

315
00:13:38,059 --> 00:13:44,899
and he's launching his new book called

316
00:13:41,539 --> 00:13:46,099
UFO dreaming oh yes because he has a bit

317
00:13:44,899 --> 00:13:47,899
of a theory that there's some sort of

318
00:13:46,100 --> 00:13:49,940
base around where the Yowies are or

319
00:13:47,899 --> 00:13:53,149
something's that his idea that's correct

320
00:13:49,940 --> 00:13:55,190
yeah okay and have you booked the the

321
00:13:53,149 --> 00:13:56,569
room for to go late because he really

322
00:13:55,190 --> 00:14:02,060
doesn't like to stop talking you could

323
00:13:56,570 --> 00:14:03,680
be there for quite some time that's Rex

324
00:14:02,059 --> 00:14:05,029
go Roy and tell me have you had any good

325
00:14:03,679 --> 00:14:06,559
sighting since I spoke to you about a

326
00:14:05,029 --> 00:14:08,750
year or two ago yeah I know you often

327
00:14:06,559 --> 00:14:10,099
watch the skies and watch the valleys is

328
00:14:08,750 --> 00:14:11,809

use anything interesting that is

329

00:14:10,100 --> 00:14:14,060
difficult to explain yeah there is

330

00:14:11,809 --> 00:14:18,079
actually for all your listeners who are

331

00:14:14,059 --> 00:14:22,939
local and there's an area in Port Kembla

332

00:14:18,080 --> 00:14:26,180
called Hill 60 and it's a lookout it

333

00:14:22,940 --> 00:14:30,200
looks out over the ocean and very

334

00:14:26,179 --> 00:14:33,649
recently a month or so ago there was a

335

00:14:30,200 --> 00:14:37,070
sighting there of a multiple sighting

336

00:14:33,649 --> 00:14:40,870
there were six witnesses to and what

337

00:14:37,070 --> 00:14:44,990
they described as a Batmobile type

338

00:14:40,870 --> 00:14:47,379
object it was jet in the water or in the

339

00:14:44,990 --> 00:14:50,529
sky where was it it actually came up

340

00:14:47,379 --> 00:14:53,179
from the water area we can't say exactly

341

00:14:50,529 --> 00:14:56,269
out of the water because they couldn't

342

00:14:53,179 --> 00:14:58,039
see over the side but it hovered in

343
00:14:56,269 --> 00:15:01,490
front of them for a couple of seconds

344
00:14:58,039 --> 00:15:03,799
red light pulsating underneath and then

345
00:15:01,490 --> 00:15:06,590
it swooped back to where it came from

346
00:15:03,799 --> 00:15:11,750
and this particular area the hill is

347
00:15:06,590 --> 00:15:15,230
riddled with tunnels and we put the EMI

348
00:15:11,750 --> 00:15:17,809
meter the electromagnetic interference

349
00:15:15,230 --> 00:15:20,450
meter all over the hill and these

350
00:15:17,809 --> 00:15:22,519
tunnels are supposed to be empty

351
00:15:20,450 --> 00:15:26,259
but there was

352
00:15:22,519 --> 00:15:28,069
heaps and heaps of spikes

353
00:15:26,259 --> 00:15:30,049
electromagnetic interference

354
00:15:28,070 --> 00:15:32,450
and there's not supposed to be anything

355
00:15:30,049 --> 00:15:34,069
electrical in the area I'm glad you

356
00:15:32,450 --> 00:15:35,420
mentioned this what do you think would

357
00:15:34,070 --> 00:15:37,070
with the ghost people they have their

358
00:15:35,419 --> 00:15:39,588
spirit boxes and they have various

359
00:15:37,070 --> 00:15:40,850
things that measure electronic what is

360
00:15:39,589 --> 00:15:42,380
there anything that's actually the most

361
00:15:40,850 --> 00:15:44,480
useful thing when you're looking for

362
00:15:42,379 --> 00:15:46,070
lights in the sky and vehicles that is

363
00:15:44,480 --> 00:15:52,430
there a technical object you can take

364
00:15:46,070 --> 00:15:54,709
with you well we have scanner which

365
00:15:52,429 --> 00:15:57,409
tells us when there are aircraft

366
00:15:54,708 --> 00:16:03,109
airplanes in the area which is very

367
00:15:57,409 --> 00:16:05,929
handy we have a laser pointer of course

368
00:16:03,110 --> 00:16:08,379
we don't point them at aircraft this is

369
00:16:05,929 --> 00:16:13,309
to point out whether there any

370
00:16:08,379 --> 00:16:18,769
meteorites or satellites passing of

371

00:16:13,309 --> 00:16:20,859
course binoculars infrared cameras that

372
00:16:18,769 --> 00:16:24,470
can see in the dark

373
00:16:20,860 --> 00:16:26,079
I listen to a lot of UFO podcasts and

374
00:16:24,470 --> 00:16:28,190
lots of things all over the place

375
00:16:26,078 --> 00:16:30,049
conspiracist one of them the high side

376
00:16:28,190 --> 00:16:31,390
chat there's another one and I seem to

377
00:16:30,049 --> 00:16:34,159
notice lately there's been a lot more

378
00:16:31,389 --> 00:16:35,389
contact D people talking about things

379
00:16:34,159 --> 00:16:36,799
that that there seems to be a bit of a

380
00:16:35,389 --> 00:16:38,958
resurgence of the George Adamski

381
00:16:36,799 --> 00:16:41,419
contactee thing going on and I'm

382
00:16:38,958 --> 00:16:44,239
mistaken or do you think I think there's

383
00:16:41,419 --> 00:16:47,449
an awakening going on a lot of these

384
00:16:44,240 --> 00:16:50,480
contacts speak about being here for a

385
00:16:47,450 --> 00:16:56,420

purpose something that's going to happen

386

00:16:50,480 --> 00:16:58,579

on earth and they're here to help um do

387

00:16:56,419 --> 00:17:00,259

prescribe to the ultra terrestrial

388

00:16:58,578 --> 00:17:02,949

theory is that something you would go

389

00:17:00,259 --> 00:17:05,929

with on earth I describe that to me o

390

00:17:02,950 --> 00:17:08,328

deter s riyals I'm given to believe is

391

00:17:05,929 --> 00:17:09,769

beings that aren't from somewhere else

392

00:17:08,328 --> 00:17:11,659

they're just they've been here all the

393

00:17:09,769 --> 00:17:13,859

time we just haven't bumped into them

394

00:17:11,660 --> 00:17:16,500

very often yes definitely

395

00:17:13,859 --> 00:17:18,558

and we know that they've been here

396

00:17:16,500 --> 00:17:21,838

thousands of years there's lots of

397

00:17:18,558 --> 00:17:25,910

archaeological evidence of that all over

398

00:17:21,838 --> 00:17:29,428

the world and especially in Australia as

399

00:17:25,910 --> 00:17:35,308

Rex killed Roy and Stephen and Evan

400
00:17:29,429 --> 00:17:39,240
strong know that the Out of Africa like

401
00:17:35,308 --> 00:17:42,720
the origins is not out of Africa but out

402
00:17:39,240 --> 00:17:48,269
of Australia the Australian Aborigines

403
00:17:42,720 --> 00:17:49,710
are the first original humans and just a

404
00:17:48,269 --> 00:17:51,089
little of a hint for people out there

405
00:17:49,710 --> 00:17:52,860
that might be thinking of getting into

406
00:17:51,089 --> 00:17:54,659
watching the sky when is the best time

407
00:17:52,859 --> 00:17:56,909
to watch the sky for looking for unusual

408
00:17:54,660 --> 00:17:59,660
phenomenon and how should you do it how

409
00:17:56,910 --> 00:18:03,779
should you go about it the dark the moon

410
00:17:59,660 --> 00:18:06,029
definitely no full moon no full moon

411
00:18:03,779 --> 00:18:09,089
no the dark of the Moon and of course

412
00:18:06,029 --> 00:18:13,079
outside of the city where there's no

413
00:18:09,089 --> 00:18:15,359
night lights somewhere rural and some

414
00:18:13,079 --> 00:18:17,759
some of the skies in the rural areas

415
00:18:15,359 --> 00:18:21,798
absolutely beautiful you can look

416
00:18:17,759 --> 00:18:23,640
through five layers of stars in the sky

417
00:18:21,798 --> 00:18:25,410
because if you don't say anything you

418
00:18:23,640 --> 00:18:27,360
can just do some basic amateur astronomy

419
00:18:25,410 --> 00:18:31,169
and enjoy yourself you can see all the

420
00:18:27,359 --> 00:18:32,789
meteorites falling stars satellites yeah

421
00:18:31,169 --> 00:18:34,320
thank you very much for your time I say

422
00:18:32,789 --> 00:18:36,149
there's some people lining up here and

423
00:18:34,319 --> 00:18:37,409
it's great to chat you once again what's

424
00:18:36,150 --> 00:18:41,280
the website where people can find out

425
00:18:37,410 --> 00:18:45,320
what you guys get up to it's WWWF a

426
00:18:41,279 --> 00:18:49,079
society dotnet dot a you or just type in

427
00:18:45,319 --> 00:18:52,019
UFO PRSA right it's love as you talk to

428

00:18:49,079 --> 00:18:53,609
you again but why thank you I might

429
00:18:52,019 --> 00:18:54,990
actually go look gone I think I've come

430
00:18:53,609 --> 00:18:56,819
to the right place here can I ask you

431
00:18:54,990 --> 00:18:59,730
about crystals is that your speciality

432
00:18:56,819 --> 00:19:01,289
at all or not yes I do know a little bit

433
00:18:59,730 --> 00:19:02,339
about crystals I know a little bit about

434
00:19:01,289 --> 00:19:04,409
everything

435
00:19:02,339 --> 00:19:06,869
I'm just running for the novice what's

436
00:19:04,410 --> 00:19:09,960
the best general-purpose crystal to get

437
00:19:06,869 --> 00:19:12,659
for just clear quartz and why is that

438
00:19:09,960 --> 00:19:14,160
because clear quartz can really become

439
00:19:12,660 --> 00:19:18,058
anything else

440
00:19:14,160 --> 00:19:19,890
it's an attractor it actually radiates

441
00:19:18,058 --> 00:19:22,700
out energy do you know that they

442
00:19:19,890 --> 00:19:27,300

actually use clear quartz in watches a

443

00:19:22,700 --> 00:19:29,490
there you go also use it in fuel

444

00:19:27,299 --> 00:19:33,599
injection systems I think - yes and

445

00:19:29,490 --> 00:19:37,049
there was a very well-known racecar

446

00:19:33,599 --> 00:19:39,359
driver whose deport yes crystal in his

447

00:19:37,049 --> 00:19:41,339
engines around on his engine yeah make

448

00:19:39,359 --> 00:19:42,689
it work better well that's kind of

449

00:19:41,339 --> 00:19:44,369
interesting so what is the one you

450

00:19:42,690 --> 00:19:45,750
shouldn't get as a starter or what's a

451

00:19:44,369 --> 00:19:49,219
bit of what's a bit of it what's a bit

452

00:19:45,750 --> 00:19:49,220
of an advanced crystal you should

453

00:19:49,519 --> 00:19:53,460
whatever you pick the right one and

454

00:19:52,049 --> 00:19:59,058
where can we find you online for what

455

00:19:53,460 --> 00:19:59,058
you do secret which business on Facebook

456

00:19:59,750 --> 00:20:04,539
standby reporter Richard Saunders here

457
00:20:02,119 --> 00:20:04,539
for a moment

458
00:20:04,599 --> 00:20:08,359
there always impresses upon me whenever

459
00:20:06,980 --> 00:20:10,579
I come to a mind body wallet or a

460
00:20:08,359 --> 00:20:12,529
spiritual Expo or a paranormal Expo

461
00:20:10,579 --> 00:20:15,500
whatever they call them that's all right

462
00:20:12,529 --> 00:20:17,059
it and you drift past the tables and you

463
00:20:15,500 --> 00:20:18,650
see the people doing their things giving

464
00:20:17,059 --> 00:20:24,139
readings or selling their products or

465
00:20:18,650 --> 00:20:27,560
talking to people I'm reminded again of

466
00:20:24,140 --> 00:20:30,890
how sincere a lot of these people are

467
00:20:27,559 --> 00:20:32,869
and how useless it is really to bang on

468
00:20:30,890 --> 00:20:35,180
about how stupid these people are or

469
00:20:32,869 --> 00:20:38,179
they're fooling themselves or they all

470
00:20:35,180 --> 00:20:39,860
con artists or there it's just the wrong

471
00:20:38,180 --> 00:20:40,279
it's just the wrong attitude it gets us

472
00:20:39,859 --> 00:20:42,259
nowhere

473
00:20:40,279 --> 00:20:45,470
a lot of these people for whatever

474
00:20:42,259 --> 00:20:48,230
reasons are sincere and probably very

475
00:20:45,470 --> 00:20:49,700
honest people it look and look rigid

476
00:20:48,230 --> 00:20:51,230
honestly love them have more fun than

477
00:20:49,700 --> 00:20:57,620
you - to be honest - really let's be

478
00:20:51,230 --> 00:20:58,970
honest this I'm surprised that you

479
00:20:57,619 --> 00:21:01,129
didn't pipe up there Richard when she

480
00:20:58,970 --> 00:21:04,460
mentioned the the Peter Brock engine

481
00:21:01,130 --> 00:21:13,780
Krystal what was why why would a good

482
00:21:04,460 --> 00:21:13,779
interview exactly a nice conversation

483
00:21:15,460 --> 00:21:19,340
hello how are you can we have a chat for

484
00:21:17,900 --> 00:21:23,420
a moment I don't want to take away for

485

00:21:19,339 --> 00:21:24,500
himself with the the Oz heretic table

486
00:21:23,420 --> 00:21:26,360
here and I've got to say there's a lot

487
00:21:24,500 --> 00:21:28,150
of good stuff here and I thought ask

488
00:21:26,359 --> 00:21:30,859
straight away what's the rolls-royce of

489
00:21:28,150 --> 00:21:32,420
ghost-detecting devices at the moment in

490
00:21:30,859 --> 00:21:34,339
2018 what's the one that's kind of new

491
00:21:32,420 --> 00:21:35,090
and is kind of kicking the goals that is

492
00:21:34,339 --> 00:21:37,699
kind of new issue

493
00:21:35,089 --> 00:21:41,059
okay the newest bit of gear we've got is

494
00:21:37,700 --> 00:21:44,410
the sbox which is a radio wave scanner

495
00:21:41,059 --> 00:21:47,029
but you can record this as you're

496
00:21:44,410 --> 00:21:48,800
investigating and review immediately to

497
00:21:47,029 --> 00:21:50,359
see if you've caught anything right so

498
00:21:48,799 --> 00:21:52,069
that's that's an improvement upon the

499
00:21:50,359 --> 00:21:53,539

original spirit box there and it because

500

00:21:52,069 --> 00:21:55,220

you can actually play it back later is

501

00:21:53,539 --> 00:21:57,230

that the advantage of it yeah that's

502

00:21:55,220 --> 00:21:59,000

what it does and so if you're on a line

503

00:21:57,230 --> 00:22:00,429

of questioning and you get something

504

00:21:59,000 --> 00:22:02,919

that's

505

00:22:00,429 --> 00:22:04,750

getting intelligent responses then you

506

00:22:02,919 --> 00:22:06,370

can go back listen and think oh I'm on a

507

00:22:04,750 --> 00:22:08,558

good line here I'll keep up with this

508

00:22:06,369 --> 00:22:09,579

questioning asset we get what do people

509

00:22:08,558 --> 00:22:12,548

seem to be interested in asking you

510

00:22:09,579 --> 00:22:14,528

about this time around well there's a

511

00:22:12,548 --> 00:22:16,690

lot of questions about all the different

512

00:22:14,528 --> 00:22:18,819

types of technology we're getting a lot

513

00:22:16,690 --> 00:22:20,558

of interest in there EMF meter's because

514
00:22:18,819 --> 00:22:23,619
there are so many different levels you

515
00:22:20,558 --> 00:22:26,129
can get a basic one mid-range and then

516
00:22:23,619 --> 00:22:29,500
you go for the deluxe which is the mill

517
00:22:26,130 --> 00:22:31,179
melt the mill meters and is EVP

518
00:22:29,500 --> 00:22:34,538
electronic voice phenomenons still as

519
00:22:31,179 --> 00:22:36,850
big as it was some people have to use it

520
00:22:34,538 --> 00:22:38,950
common sense though I'm very important

521
00:22:36,849 --> 00:22:40,569
to mark anything you hear at the time

522
00:22:38,950 --> 00:22:42,130
because when you go back and you play it

523
00:22:40,569 --> 00:22:45,460
and you forget that somebody in the

524
00:22:42,130 --> 00:22:48,370
corner may have just farted going to

525
00:22:45,460 --> 00:22:49,840
burn and where can we see your stuff

526
00:22:48,369 --> 00:22:51,759
online and have a look at what your

527
00:22:49,839 --> 00:22:55,000
wares are and what you do with the gear

528
00:22:51,759 --> 00:22:57,669
you can find this at AHS parity comm and

529
00:22:55,000 --> 00:22:59,079
also on Facebook and it was

530
00:22:57,669 --> 00:23:00,580
recommendation for somewhere to go

531
00:22:59,079 --> 00:23:02,199
looking for ghosts well what's your

532
00:23:00,579 --> 00:23:06,129
favorite place to go looking for a bit

533
00:23:02,200 --> 00:23:07,870
of a EVP etc my favorite place is

534
00:23:06,130 --> 00:23:09,130
probably cue station followed by

535
00:23:07,869 --> 00:23:12,398
Maitland jail they're two of my

536
00:23:09,130 --> 00:23:13,809
favorites yeah it's a great spot that's

537
00:23:12,398 --> 00:23:15,609
where I first saw my first full

538
00:23:13,808 --> 00:23:18,339
apparition that I have no explanation

539
00:23:15,609 --> 00:23:19,928
for I opened the jail I closed the jail

540
00:23:18,339 --> 00:23:22,569
that night that person was not on our

541
00:23:19,929 --> 00:23:24,490
tour and could you describe what it

542

00:23:22,569 --> 00:23:26,710
looked like absolutely because they're

543
00:23:24,490 --> 00:23:28,509
only walking about 15 meters in front of

544
00:23:26,710 --> 00:23:31,899
me I thought it was a guest that had got

545
00:23:28,509 --> 00:23:36,788
lost and they had a black leather jacket

546
00:23:31,898 --> 00:23:38,408
on khaki pants balding patch on their

547
00:23:36,788 --> 00:23:40,750
head with a bit of a rat's tail down the

548
00:23:38,409 --> 00:23:42,789
back and I was about to yell out to them

549
00:23:40,750 --> 00:23:43,929
you need a torch it's too dangerous

550
00:23:42,788 --> 00:23:45,609
turned around to make sure people

551
00:23:43,929 --> 00:23:48,250
following me turned back and he was gone

552
00:23:45,609 --> 00:23:50,439
and I checked all the cells nearby well

553
00:23:48,250 --> 00:23:52,569
okay so how did a seasoned person like

554
00:23:50,440 --> 00:23:55,990
yourself react to that I got very

555
00:23:52,569 --> 00:23:58,028
excited I would have pooped myself

556
00:23:55,990 --> 00:23:58,929

personally but if someone like you that

557

00:23:58,028 --> 00:24:00,579
that's what you're there for

558

00:23:58,929 --> 00:24:02,409
no no that's what I'm there for that's

559

00:24:00,579 --> 00:24:04,839
sort of the holy grail of it all I'm

560

00:24:02,409 --> 00:24:06,290
very skeptic person myself and for me to

561

00:24:04,839 --> 00:24:08,299
see that with my own eyes

562

00:24:06,289 --> 00:24:10,159
know that that person was not within the

563

00:24:08,299 --> 00:24:13,549
walls let's see very good at scaling

564

00:24:10,160 --> 00:24:15,560
them yeah know that did my head in for a

565

00:24:13,549 --> 00:24:16,940
bit well I hope nothing like that

566

00:24:15,559 --> 00:24:19,419
happens today and it's great talking to

567

00:24:16,940 --> 00:24:21,710
you again nice to talk to you too oh

568

00:24:19,420 --> 00:24:23,870
well look we're here looking at a lot of

569

00:24:21,710 --> 00:24:26,120
equipment we've got cameras of course

570

00:24:23,869 --> 00:24:27,709
we've got the Haunted bear here could

571
00:24:26,119 --> 00:24:31,279
just explain what the Haunted bears all

572
00:24:27,710 --> 00:24:35,000
about so everybody was kind of designed

573
00:24:31,279 --> 00:24:36,289
as a sole investigator so you could put

574
00:24:35,000 --> 00:24:38,660
him in a room and he would do the

575
00:24:36,289 --> 00:24:41,389
investigating for you so he's armed

576
00:24:38,660 --> 00:24:43,970
absolutely riddled with senses so to

577
00:24:41,390 --> 00:24:47,420
pick up any temperature fluctuations

578
00:24:43,970 --> 00:24:49,160
he also records and so if anyone's

579
00:24:47,420 --> 00:24:51,230
speaking or anything he's going to

580
00:24:49,160 --> 00:24:54,110
capture that and he'll also ask

581
00:24:51,230 --> 00:24:55,849
questions so the creator of this bear

582
00:24:54,109 --> 00:24:59,059
actually got his little daughter to do

583
00:24:55,849 --> 00:25:01,009
the voice for it and it will also let

584
00:24:59,059 --> 00:25:02,750
you know if the temperature goes up or

585
00:25:01,009 --> 00:25:05,869
down so he will say a little something

586
00:25:02,750 --> 00:25:06,769
like oh it's getting cold in here that

587
00:25:05,869 --> 00:25:08,750
would kind of freak me out

588
00:25:06,769 --> 00:25:09,980
Illi don't know I don't think I could

589
00:25:08,750 --> 00:25:12,019
handle it you have to have a tough kid

590
00:25:09,980 --> 00:25:14,799
to have this arrogant really really do

591
00:25:12,019 --> 00:25:17,599
but we also hope it's kind of like

592
00:25:14,799 --> 00:25:19,279
attractive to the younger spirits if

593
00:25:17,599 --> 00:25:22,339
they're around like we've got a little

594
00:25:19,279 --> 00:25:23,690
girl here apparently she likes to be up

595
00:25:22,339 --> 00:25:26,659
on the corridor where we're doing our

596
00:25:23,690 --> 00:25:29,660
psychic readings up there too

597
00:25:26,660 --> 00:25:32,150
it's disgustingly hot down here and

598
00:25:29,660 --> 00:25:34,730
where can we see you on our website at

599

00:25:32,150 --> 00:25:37,340
happy ghost hunts calm you can always

600
00:25:34,730 --> 00:25:39,410
email us at info at Rp ghost hunts calm

601
00:25:37,339 --> 00:25:40,220
and we're also on Facebook Twitter and

602
00:25:39,410 --> 00:25:43,130
Instagram

603
00:25:40,220 --> 00:25:44,690
thank you very much have a good day it's

604
00:25:43,130 --> 00:25:47,270
a spooky looking bear isn't it sort of

605
00:25:44,690 --> 00:25:49,460
been oh yeah spooky Barrett I've had not

606
00:25:47,269 --> 00:25:51,440
a distance it's a stronger kid that than

607
00:25:49,460 --> 00:25:52,460
Meade would have to handle a cursor if I

608
00:25:51,440 --> 00:25:54,559
had a bear that was telling me it's

609
00:25:52,460 --> 00:25:56,900
getting cold I just I just knew how so I

610
00:25:54,559 --> 00:25:58,069
would move out but what do you been up

611
00:25:56,900 --> 00:25:59,450
to oh because who we got here

612
00:25:58,069 --> 00:26:01,250
I mean you've got Biff Darlington from

613
00:25:59,450 --> 00:26:04,160

access paranormal yeah and of course you

614

00:26:01,250 --> 00:26:05,869

you at the skeptic on I was I was and I

615

00:26:04,160 --> 00:26:07,190

had a fabulous top now say you were the

616

00:26:05,869 --> 00:26:09,829

skeptics good because sometimes you know

617

00:26:07,190 --> 00:26:11,740

they can be a bit funny actually great

618

00:26:09,829 --> 00:26:13,449

senses of humor yes of course

619

00:26:11,740 --> 00:26:16,329

you can get Pingdom into a boring

620

00:26:13,450 --> 00:26:19,360

conversation with a neckbeard I was

621

00:26:16,329 --> 00:26:21,220

avoiding that what do you reckon is the

622

00:26:19,359 --> 00:26:22,449

highlight here today you've seen a lot

623

00:26:21,220 --> 00:26:24,490

of this stuff before what is going on

624

00:26:22,450 --> 00:26:27,308

today in your mind I think there's quite

625

00:26:24,490 --> 00:26:29,259

a lot of jars with mini miniatures sort

626

00:26:27,308 --> 00:26:31,178

of tables and and spooky sort of like

627

00:26:29,259 --> 00:26:33,039

dollhouse type stuff I think that seems

628
00:26:31,179 --> 00:26:35,640
to be a thing this year it's quite a few

629
00:26:33,039 --> 00:26:38,589
tips tools of that kind of stuff on so

630
00:26:35,640 --> 00:26:40,720
and if someone was wanting to see a

631
00:26:38,589 --> 00:26:41,829
psychic or medium how could you tell a

632
00:26:40,720 --> 00:26:43,808
good one from a bad one

633
00:26:41,829 --> 00:26:44,619
how can you well that's the thing I

634
00:26:43,808 --> 00:26:46,389
think you have to do your research

635
00:26:44,619 --> 00:26:47,649
before you turn up I would say yeah

636
00:26:46,390 --> 00:26:49,240
because I think there's about 14 up

637
00:26:47,650 --> 00:26:51,550
there and I'm going well they all look I

638
00:26:49,240 --> 00:26:53,589
think if they've got a name like Bevin

639
00:26:51,549 --> 00:26:55,178
or something like that they've got a bit

640
00:26:53,589 --> 00:26:57,039
of a spiritual name that's good but if

641
00:26:55,179 --> 00:26:58,870
their names Dave that's not a good thing

642
00:26:57,039 --> 00:27:00,609
it's like I'm going to have a reading

643
00:26:58,869 --> 00:27:03,428
with Dawn you know it doesn't quite have

644
00:27:00,609 --> 00:27:05,949
that magical feel does it no look have a

645
00:27:03,429 --> 00:27:08,470
good time here and I'm interested in I

646
00:27:05,950 --> 00:27:10,480
had a great chat with the western suburb

647
00:27:08,470 --> 00:27:12,009
UFO people that are down there oh yes I

648
00:27:10,480 --> 00:27:13,240
they come every year I think they are

649
00:27:12,009 --> 00:27:15,220
great and they've been talking about

650
00:27:13,240 --> 00:27:17,890
some sightings that have been seen off

651
00:27:15,220 --> 00:27:19,960
the coast of Port Kembla at Hill 60

652
00:27:17,890 --> 00:27:21,460
looking out to sea so there's one for

653
00:27:19,960 --> 00:27:23,829
people at home true and also apparently

654
00:27:21,460 --> 00:27:26,890
narrow beans a hot spot as well oh I do

655
00:27:23,829 --> 00:27:29,439
why no idea no idea I ask them what is

656

00:27:26,890 --> 00:27:31,720
the main bit of tech gear you take for

657
00:27:29,440 --> 00:27:33,700
UFO spotting and they said a scanner

658
00:27:31,720 --> 00:27:35,170
because you'll get civilian aircraft so

659
00:27:33,700 --> 00:27:35,500
if there's an aircraft you'll know about

660
00:27:35,170 --> 00:27:37,150
it

661
00:27:35,500 --> 00:27:39,308
there you go learn something new every

662
00:27:37,150 --> 00:27:40,990
day exactly well have a good time here

663
00:27:39,308 --> 00:27:45,549
and if you do see some Emily the Strange

664
00:27:40,990 --> 00:27:47,170
pyjamas let me know know the disembodied

665
00:27:45,549 --> 00:27:48,879
voice that's been telling everybody what

666
00:27:47,170 --> 00:27:52,120
to do where to go and just being all

667
00:27:48,880 --> 00:27:53,679
spooky belongs to hates banks and how

668
00:27:52,119 --> 00:27:55,789
many years are you done this is our

669
00:27:53,679 --> 00:27:57,950
seventh year now

670
00:27:55,789 --> 00:27:59,420

and why is it change I noticed some

671

00:27:57,950 --> 00:28:01,549

years you have more ghost hunters than

672

00:27:59,420 --> 00:28:04,220

others and some users more psychics and

673

00:28:01,549 --> 00:28:06,200

others what seems to be the big to do in

674

00:28:04,220 --> 00:28:08,000

the paranormal world this year well it

675

00:28:06,200 --> 00:28:09,529

just seems to be first in best Rest

676

00:28:08,000 --> 00:28:10,160

where we're getting more and more

677

00:28:09,529 --> 00:28:12,769

popular

678

00:28:10,160 --> 00:28:15,410

so whoever books their stores first gets

679

00:28:12,769 --> 00:28:20,750

yeah okay do any sort of paranormal bent

680

00:28:15,410 --> 00:28:22,759

this year more than others really it's

681

00:28:20,750 --> 00:28:25,579

pretty much the same we do have the UFO

682

00:28:22,759 --> 00:28:27,829

guys doing a top today we haven't had

683

00:28:25,579 --> 00:28:29,089

them for quite a few years but we've got

684

00:28:27,829 --> 00:28:30,829

a few other interesting things like a

685
00:28:29,089 --> 00:28:34,970
stage hypnotist I can't wait to see him

686
00:28:30,829 --> 00:28:36,679
cool yeah we have Florence King doing

687
00:28:34,970 --> 00:28:38,299
the platform readings this year and we

688
00:28:36,680 --> 00:28:41,660
have an embalmer which I'm really

689
00:28:38,299 --> 00:28:42,889
excited about okay you want some consent

690
00:28:41,660 --> 00:28:46,970
going on that wouldn't hear really well

691
00:28:42,890 --> 00:28:49,040
that's an 18 and over I'm liking the

692
00:28:46,970 --> 00:28:50,569
sound of that already yeah so it's a

693
00:28:49,039 --> 00:28:51,889
Dana life and embalmer everything you've

694
00:28:50,569 --> 00:28:53,750
ever wanted to know about the embalming

695
00:28:51,890 --> 00:28:55,910
process and she's an amazing woman she

696
00:28:53,750 --> 00:28:58,309
actually does the disaster so she went

697
00:28:55,910 --> 00:29:01,160
to the Bali disaster and all of those

698
00:28:58,309 --> 00:29:02,960
yeah she's she's incredible yeah what do

699

00:29:01,160 --> 00:29:04,940

you think of that beer that lights up

700

00:29:02,960 --> 00:29:06,319

and talks to you and there's a change in

701

00:29:04,940 --> 00:29:08,450

temperature in the room that goes it's

702

00:29:06,319 --> 00:29:11,119

getting colder if I was a kid that they

703

00:29:08,450 --> 00:29:14,900

would freak me out it's great give me a

704

00:29:11,119 --> 00:29:16,309

kiss Gary yeah it's the boob ear keep a

705

00:29:14,900 --> 00:29:17,900

knife probably bared the blue buddy the

706

00:29:16,309 --> 00:29:19,700

blue buddy the the theory with the blue

707

00:29:17,900 --> 00:29:21,320

buddy is that apparently it is an impair

708

00:29:19,700 --> 00:29:22,549

anomaly investigator on its own so

709

00:29:21,319 --> 00:29:24,649

apparently if there's a change in

710

00:29:22,549 --> 00:29:26,599

temperature it will talk or if it feels

711

00:29:24,650 --> 00:29:27,860

that it's been touched it will do the

712

00:29:26,599 --> 00:29:30,319

haha that tickles

713

00:29:27,859 --> 00:29:32,629
so I don't have all that much faith in

714
00:29:30,319 --> 00:29:35,089
the blue buddy but you know people like

715
00:29:32,630 --> 00:29:37,880
that looks kind of cool yeah yeah okay

716
00:29:35,089 --> 00:29:41,089
have a good time here thanks guys would

717
00:29:37,880 --> 00:29:42,470
you you you are very you know when the

718
00:29:41,089 --> 00:29:44,059
temperature goes up you shouldn't fall

719
00:29:42,470 --> 00:29:45,000
apart quite quickly how warm do you

720
00:29:44,059 --> 00:29:50,369
think it is another

721
00:29:45,000 --> 00:29:54,750
well outside it must be in the 30 32 33

722
00:29:50,369 --> 00:29:57,329
I guess inside it's probably 27 but in

723
00:29:54,750 --> 00:29:58,919
that other room it's a lovely agent the

724
00:29:57,329 --> 00:30:01,619
UFO room is the cool one and so you

725
00:29:58,919 --> 00:30:04,799
should be it's all over for another year

726
00:30:01,619 --> 00:30:08,069
we're walking back to the car now yeah

727
00:30:04,798 --> 00:30:10,619

now you are you enjoy it today I did it

728

00:30:08,069 --> 00:30:14,308
seemed a little one or two things less

729

00:30:10,619 --> 00:30:16,889
than normal but still a good a good

730

00:30:14,308 --> 00:30:19,678
sense and one thing I did notice today

731

00:30:16,890 --> 00:30:21,720
last time I was here two years ago there

732

00:30:19,679 --> 00:30:23,970
was guys that seemed to be like I'm

733

00:30:21,720 --> 00:30:25,890
willingly being dragged around by their

734

00:30:23,970 --> 00:30:28,079
girlfriend or wife and I didn't see much

735

00:30:25,890 --> 00:30:31,200
of that today no you're right you're

736

00:30:28,079 --> 00:30:32,220
right yeah but it's it was a good crowd

737

00:30:31,200 --> 00:30:33,870
good crowd there and we're in the

738

00:30:32,220 --> 00:30:35,819
carpark now in this world there are

739

00:30:33,869 --> 00:30:38,158
quite a lot of cars have 100 cars I

740

00:30:35,819 --> 00:30:41,099
don't yeah plenty people here and I'm

741

00:30:38,159 --> 00:30:42,419
really looking forward to because

742
00:30:41,099 --> 00:30:44,099
getting in that air conditioning in the

743
00:30:42,419 --> 00:30:44,700
car they're getting it wound up nice and

744
00:30:44,099 --> 00:30:54,058
high

745
00:30:44,700 --> 00:30:54,058
[Music]

746
00:30:54,220 --> 00:30:59,029
you know I gotta say Bigfoot's BS but

747
00:30:57,079 --> 00:31:00,529
the chupacabra is totally the result of

748
00:30:59,029 --> 00:31:03,139
top-secret government genetic

749
00:31:00,529 --> 00:31:05,539
experiments on a remote island taking

750
00:31:03,140 --> 00:31:07,040
medical advice from iguanas Paltrow like

751
00:31:05,539 --> 00:31:09,500
steaming your lady parts and putting

752
00:31:07,039 --> 00:31:11,869
Jade eggs all up in net is a great way

753
00:31:09,500 --> 00:31:14,089
to improve your health police from

754
00:31:11,869 --> 00:31:16,729
around the world regularly use psychics

755
00:31:14,089 --> 00:31:19,369
to solve crimes they just don't talk

756
00:31:16,730 --> 00:31:21,920
about it spontaneous human combustion is

757
00:31:19,369 --> 00:31:23,809
for sure a real thing I've read all

758
00:31:21,920 --> 00:31:27,529
about it on the internet and I worry

759
00:31:23,809 --> 00:31:28,940
someday it's going to happen to me we

760
00:31:27,529 --> 00:31:31,369
all have friends and family who believe

761
00:31:28,940 --> 00:31:33,259
these things and much more well if

762
00:31:31,369 --> 00:31:35,059
you're a rational thinker who is tired

763
00:31:33,259 --> 00:31:36,980
of arguing on social media and never

764
00:31:35,059 --> 00:31:37,490
getting anywhere we have a solution for

765
00:31:36,980 --> 00:31:39,529
you

766
00:31:37,490 --> 00:31:41,990
join the guerrilla skepticism on

767
00:31:39,529 --> 00:31:44,420
wikipedia team and we will teach you how

768
00:31:41,990 --> 00:31:46,519
to add reliable scientific and skeptical

769
00:31:44,420 --> 00:31:49,250
information to the world's number one

770

00:31:46,519 --> 00:31:51,230
source for information Wikipedia we

771
00:31:49,250 --> 00:31:53,809
write new articles and improve existing

772
00:31:51,230 --> 00:31:55,670
ones we remove pseudoscience paranormal

773
00:31:53,809 --> 00:31:57,919
and altmed claims substituting the

774
00:31:55,670 --> 00:32:00,560
actual facts and we operate in many

775
00:31:57,920 --> 00:32:02,120
languages we've already reached tens of

776
00:32:00,559 --> 00:32:04,700
millions of people searching for

777
00:32:02,119 --> 00:32:07,129
information but as you can imagine we

778
00:32:04,700 --> 00:32:09,860
can never do enough so please join us

779
00:32:07,130 --> 00:32:12,050
all you need is a PC a Facebook account

780
00:32:09,859 --> 00:32:14,569
and the desire to help educate the

781
00:32:12,049 --> 00:32:17,450
planet in fact you'll be educating the

782
00:32:14,569 --> 00:32:21,200
world while you sleep contact us at t--

783
00:32:17,450 --> 00:32:23,870
is w team at gmail.com guerrilla

784
00:32:21,200 --> 00:32:27,269

skepticism the time is now

785

00:32:23,869 --> 00:32:37,308
music by purple planet calm

786

00:32:27,269 --> 00:32:40,499
[Music]

787

00:32:37,308 --> 00:32:41,608
and joining me now all the way from

788

00:32:40,499 --> 00:32:44,450
Milan in Italy

789

00:32:41,608 --> 00:32:48,078
it's Massimo Polydor oh hello Massimo

790

00:32:44,450 --> 00:32:53,459
hello Richard hello should I say ciao

791

00:32:48,078 --> 00:32:55,528
yes wait now you and I have known each

792

00:32:53,459 --> 00:32:57,538
other for many years but we only get to

793

00:32:55,528 --> 00:33:00,558
see each other oh I don't know maybe

794

00:32:57,538 --> 00:33:03,778
once every 2 or 3 years if we're lucky

795

00:33:00,558 --> 00:33:05,759
yeah that's right usually at some great

796

00:33:03,778 --> 00:33:08,909
convention in the United States or maybe

797

00:33:05,759 --> 00:33:11,819
in Europe as well yeah it's strange

798

00:33:08,909 --> 00:33:13,349
because I mean I can't remember honestly

799

00:33:11,819 --> 00:33:15,028

I can't remember the first time I met

800

00:33:13,348 --> 00:33:17,968

you it could have been at the amazing

801

00:33:15,028 --> 00:33:19,888

meeting or something like that and just

802

00:33:17,969 --> 00:33:22,828

to give our audience a little bit of

803

00:33:19,888 --> 00:33:25,288

background you have been involved in

804

00:33:22,828 --> 00:33:32,069

skepticism and magic now for many many

805

00:33:25,288 --> 00:33:35,388

years haven't you yes let's say yeah I

806

00:33:32,069 --> 00:33:38,878

was lucky enough to have Randi as my

807

00:33:35,388 --> 00:33:41,189

mentor when I was well 18 actually so I

808

00:33:38,878 --> 00:33:43,019

had a chance to go and in United States

809

00:33:41,190 --> 00:33:45,899

and study with him and learn from the

810

00:33:43,019 --> 00:33:48,419

master that's that's quite a privilege

811

00:33:45,898 --> 00:33:50,819

of course and you must have some amazing

812

00:33:48,419 --> 00:33:55,679

stories to tell from when you were

813
00:33:50,819 --> 00:33:59,418
alongside James Randi following

814
00:33:55,679 --> 00:34:02,579
everywhere investigating psychics and

815
00:33:59,419 --> 00:34:05,849
charlatans of every kind yeah there's

816
00:34:02,578 --> 00:34:07,528
quite a lot of stories there that this

817
00:34:05,848 --> 00:34:09,719
could be a whole new this should be a

818
00:34:07,528 --> 00:34:13,318
book actually following James Randi

819
00:34:09,719 --> 00:34:16,348
around I mean the times I've spent with

820
00:34:13,318 --> 00:34:19,048
him have been wonderfully interesting

821
00:34:16,349 --> 00:34:21,119
experiences in themselves now the reason

822
00:34:19,048 --> 00:34:24,480
I guess the main reason that I've

823
00:34:21,119 --> 00:34:26,278
contacted you for an interview and we

824
00:34:24,480 --> 00:34:29,608
can talk about some of your adventures

825
00:34:26,278 --> 00:34:32,190
soon is that you've been on the internet

826
00:34:29,608 --> 00:34:35,548
now you've been on YouTube for a long

827

00:34:32,190 --> 00:34:37,829
time doing something called Massimo pala

828
00:34:35,548 --> 00:34:41,250
Doros mysteries but it's all been in

829
00:34:37,829 --> 00:34:43,169
Italian which is great which is fine

830
00:34:41,250 --> 00:34:44,849
I'm sure everybody who speaks Italian

831
00:34:43,168 --> 00:34:46,199
and many thousands and millions of

832
00:34:44,849 --> 00:34:49,378
people in this country suddenly speak of

833
00:34:46,199 --> 00:34:51,750
time but for the rest of the world for

834
00:34:49,378 --> 00:34:53,599
the English speakers especially you've

835
00:34:51,750 --> 00:34:56,820
just started a new series called

836
00:34:53,599 --> 00:35:00,989
strangest stories can you tell me what

837
00:34:56,820 --> 00:35:04,140
what inspired you to do that oh yes well

838
00:35:00,989 --> 00:35:07,169
this is something that I wanted to do

839
00:35:04,139 --> 00:35:09,000
for a long time and and finally I

840
00:35:07,170 --> 00:35:13,050
started doing it in Italian because it

841
00:35:09,000 --> 00:35:15,420

was of course much easier to do and to

842

00:35:13,050 --> 00:35:18,720

broadcast that foreign audience that

843

00:35:15,420 --> 00:35:21,769

already knows me here in Italy and the

844

00:35:18,719 --> 00:35:24,750

idea was to present investigations of

845

00:35:21,769 --> 00:35:28,380

unusual claims or mysteries classical

846

00:35:24,750 --> 00:35:31,380

you know this monster the Shroud of

847

00:35:28,380 --> 00:35:34,500

Turin pyrrha me it's a time travel

848

00:35:31,380 --> 00:35:37,519

whatever from a sceptical point of view

849

00:35:34,500 --> 00:35:42,269

let's say with a scientific approach

850

00:35:37,519 --> 00:35:47,429

which is also should not be seen as

851

00:35:42,269 --> 00:35:51,239

something dry or or too serious because

852

00:35:47,429 --> 00:35:54,659

it is not it's done in in fun but still

853

00:35:51,239 --> 00:35:57,449

with you know the the basis of the

854

00:35:54,659 --> 00:36:00,509

scientific method and but the fact is

855

00:35:57,449 --> 00:36:08,460

that as you said Italians almost

856
00:36:00,510 --> 00:36:11,100
everywhere audience so and I decided it

857
00:36:08,460 --> 00:36:13,800
was time to present this information as

858
00:36:11,099 --> 00:36:17,130
well in in English especially those that

859
00:36:13,800 --> 00:36:20,430
have been involved personally and and

860
00:36:17,130 --> 00:36:22,740
share it with the community not only of

861
00:36:20,429 --> 00:36:24,179
skeptics but also curious people because

862
00:36:22,739 --> 00:36:27,359
there are so many people around there

863
00:36:24,179 --> 00:36:30,690
out there that don't know about our work

864
00:36:27,360 --> 00:36:32,880
and and YouTube now is the one of the

865
00:36:30,690 --> 00:36:36,539
probably the best medium to reach

866
00:36:32,880 --> 00:36:38,960
younger audiences so I thought that this

867
00:36:36,539 --> 00:36:43,170
was worth working on it

868
00:36:38,960 --> 00:36:45,000
absolutely and I I'll what I'll do now

869
00:36:43,170 --> 00:36:47,099
actually Massimo what I'll do now is

870
00:36:45,000 --> 00:36:50,099
I'll play a short clip yeah I'm the very

871
00:36:47,099 --> 00:36:52,079
first episode you've put up of stranger

872
00:36:50,099 --> 00:36:54,480
stories now this beginning episode the

873
00:36:52,079 --> 00:36:54,889
first episode involves James Randi so

874
00:36:54,480 --> 00:36:58,639
here's the

875
00:36:54,889 --> 00:37:01,009
clip in 1974 a man was unexpectedly

876
00:36:58,639 --> 00:37:03,139
challenged on live television to guess

877
00:37:01,010 --> 00:37:05,630
the content of a sealed envelope and

878
00:37:03,139 --> 00:37:08,538
then banned a solid stainless steel

879
00:37:05,630 --> 00:37:11,568
spoon incredibly he was able to do both

880
00:37:08,539 --> 00:37:14,539
his name no not your gala but James

881
00:37:11,568 --> 00:37:16,818
branded today at stranger stories we

882
00:37:14,539 --> 00:37:19,880
will see Randy perform that incredible

883
00:37:16,818 --> 00:37:20,639
feat and then we'll learn how he did it

884

00:37:19,880 --> 00:37:23,829
ready

885
00:37:20,639 --> 00:37:23,829
[Music]

886
00:37:28,849 --> 00:37:32,130
[Music]

887
00:37:33,750 --> 00:37:38,289
welcome my name is Massimo Paula Dora

888
00:37:36,340 --> 00:37:40,480
and for the most part of my life have

889
00:37:38,289 --> 00:37:43,659
been investigating phenomena that appear

890
00:37:40,480 --> 00:37:45,969
to be strange and mysterious but often

891
00:37:43,659 --> 00:37:48,219
things are not what they seem

892
00:37:45,969 --> 00:37:50,289
every two weeks we will investigate a

893
00:37:48,219 --> 00:37:53,079
new mystery that upon close examination

894
00:37:50,289 --> 00:37:55,179
may turn out to be somewhat different

895
00:37:53,079 --> 00:37:57,279
from what it appeared in the beginning

896
00:37:55,179 --> 00:37:59,889
if you are like me and you too want to

897
00:37:57,280 --> 00:38:02,290
learn how to discern fact from fiction I

898
00:37:59,889 --> 00:38:04,869

invite you to subscribe to my channel in

899

00:38:02,289 --> 00:38:07,119

order not to miss the next episodes so

900

00:38:04,869 --> 00:38:10,319

click on the red button and the little

901

00:38:07,119 --> 00:38:12,909

bell and then let's begin

902

00:38:10,320 --> 00:38:14,380

if that doesn't wait your appetite folks

903

00:38:12,909 --> 00:38:16,960

I don't know what will now I have seen

904

00:38:14,380 --> 00:38:18,880

that episode I've seen any episode

905

00:38:16,960 --> 00:38:20,980

Massimo and I'm not gonna give anything

906

00:38:18,880 --> 00:38:22,809

away for the audience because I really

907

00:38:20,980 --> 00:38:25,539

want the audience to see this for

908

00:38:22,809 --> 00:38:28,900

themselves but what I can say is it it

909

00:38:25,539 --> 00:38:31,480

does somewhat show behind the curtains

910

00:38:28,900 --> 00:38:33,309

of James Randi and does actually explain

911

00:38:31,480 --> 00:38:37,480

how he pulled off an absolutely

912

00:38:33,309 --> 00:38:40,000

astonishing routine on television this

913
00:38:37,480 --> 00:38:41,800
is one of the the many adventures that

914
00:38:40,000 --> 00:38:44,019
brandy has and this is a really

915
00:38:41,800 --> 00:38:46,570
fantastic wonder when I read about it

916
00:38:44,019 --> 00:38:47,860
the first time I really was a kid this

917
00:38:46,570 --> 00:38:50,289
was the first thing that I asked him

918
00:38:47,860 --> 00:38:56,130
when I met him finally because it's like

919
00:38:50,289 --> 00:38:56,130
a puzzle like an Agatha Christie mystery

920
00:38:58,050 --> 00:39:04,240
how could he do that it's impossible and

921
00:39:01,420 --> 00:39:08,170
yet it did and in this in this first

922
00:39:04,239 --> 00:39:11,489
video we we discover how Randy did this

923
00:39:08,170 --> 00:39:15,430
incredible feat and he tells him himself

924
00:39:11,489 --> 00:39:17,889
yes he is happy to explain the mystery

925
00:39:15,429 --> 00:39:20,169
behind what he did yes because you know

926
00:39:17,889 --> 00:39:22,119
it's it's always important to to share

927
00:39:20,170 --> 00:39:24,159
this information is not claiming of

928
00:39:22,119 --> 00:39:26,559
course any psychic powers but he wants

929
00:39:24,159 --> 00:39:29,829
to do to understand how these things

930
00:39:26,559 --> 00:39:33,519
work they do not work by the book some

931
00:39:29,829 --> 00:39:35,650
people think that fake psychics take

932
00:39:33,519 --> 00:39:38,110
their tricks from magic books

933
00:39:35,650 --> 00:39:40,420
well sometimes maybe they do but more

934
00:39:38,110 --> 00:39:42,400
often not they just in

935
00:39:40,420 --> 00:39:45,369
something on the spot and then it's

936
00:39:42,400 --> 00:39:47,920
impossible to to trace it back to find

937
00:39:45,369 --> 00:39:50,500
how they did it so this is a very nice

938
00:39:47,920 --> 00:39:53,079
example I can tell the audience that

939
00:39:50,500 --> 00:39:55,059
when they watch it it doesn't both spoon

940
00:39:53,079 --> 00:39:56,859
bending which is a favorite of mine and

941

00:39:55,059 --> 00:40:01,059
I must have missed some oh that the

942
00:39:56,858 --> 00:40:03,130
particular and I love to watch it and I

943
00:40:01,059 --> 00:40:05,349
must say Messimer the production quality

944
00:40:03,130 --> 00:40:08,170
of the video quality in the audio and

945
00:40:05,349 --> 00:40:10,298
the music is really really good I do

946
00:40:08,170 --> 00:40:13,269
have a production company or how do you

947
00:40:10,298 --> 00:40:14,829
go about doing well well thank you thank

948
00:40:13,268 --> 00:40:17,709
you sing a compliment the production

949
00:40:14,829 --> 00:40:21,250
company is made of one this is the one

950
00:40:17,710 --> 00:40:22,900
speaking now well I'm very impressed

951
00:40:21,250 --> 00:40:25,568
because I think it's it's very

952
00:40:22,900 --> 00:40:27,278
professional and I think you must have

953
00:40:25,568 --> 00:40:29,798
been in the studio with the director or

954
00:40:27,278 --> 00:40:31,778
something like that because it's and so

955
00:40:29,798 --> 00:40:34,659

well done indeed of congratulations

956

00:40:31,778 --> 00:40:37,298

because you may remember I make videos

957

00:40:34,659 --> 00:40:39,929

myself so I can salutely certainly

958

00:40:37,298 --> 00:40:43,210

appreciate a good technique and just

959

00:40:39,929 --> 00:40:45,578

before just before we go Massimo can you

960

00:40:43,210 --> 00:40:48,699

tell me a little bit about cheek up the

961

00:40:45,579 --> 00:40:50,769

Italian skeptic organization absolutely

962

00:40:48,699 --> 00:40:54,699

well Chicopee was born like almost 30

963

00:40:50,768 --> 00:40:56,139

years ago and it's the Italian committee

964

00:40:54,699 --> 00:40:59,649

for the investigation of claims on

965

00:40:56,139 --> 00:41:02,170

pseudoscience it was started by very

966

00:40:59,650 --> 00:41:05,200

famous in here in Italy journalists

967

00:41:02,170 --> 00:41:07,119

science journals Pierrot Angela and he

968

00:41:05,199 --> 00:41:10,858

was able to bring in a Nobel Prize

969

00:41:07,119 --> 00:41:14,318

winner and famous people and famously

970
00:41:10,858 --> 00:41:17,858
scholars like Umberto Eco and and others

971
00:41:14,318 --> 00:41:21,608
and and so it started 30 years ago and

972
00:41:17,858 --> 00:41:25,750
today Chicopee is well established we we

973
00:41:21,608 --> 00:41:29,710
have about 20 chapters in every region

974
00:41:25,750 --> 00:41:32,829
of Italy we have a national festival

975
00:41:29,710 --> 00:41:37,269
that draws this this year it drew twelve

976
00:41:32,829 --> 00:41:39,068
thousand people so we are very active

977
00:41:37,268 --> 00:41:42,278
and produce a lot of material or of

978
00:41:39,068 --> 00:41:45,159
information and we keep on do anything

979
00:41:42,278 --> 00:41:48,039
it's the good thing is that it's growing

980
00:41:45,159 --> 00:41:49,989
so it's it's always growing that's

981
00:41:48,039 --> 00:41:51,700
really great news folks I'll link to

982
00:41:49,989 --> 00:41:54,189
that organization in this week's show

983
00:41:51,699 --> 00:41:56,589
notes and I'll certainly link to stray

984
00:41:54,190 --> 00:41:59,289
changes stories the youtube series just

985
00:41:56,590 --> 00:42:01,480
started just started with a Massimo

986
00:41:59,289 --> 00:42:03,900
Polydor oh it's it doesn't go to long

987
00:42:01,480 --> 00:42:06,670
which is about 10 minutes or so Massimo

988
00:42:03,900 --> 00:42:09,610
yeah well actually this Randy episode

989
00:42:06,670 --> 00:42:12,159
it's about 20 at 19 minutes oh all right

990
00:42:09,610 --> 00:42:14,910
okay it was it was it was so engaging it

991
00:42:12,159 --> 00:42:14,909
went by very quickly

992
00:42:15,599 --> 00:42:21,279
the Italian series it's about 10-15

993
00:42:18,760 --> 00:42:24,610
minutes we'll need it needed a longer

994
00:42:21,280 --> 00:42:27,550
explanation but this is coming every two

995
00:42:24,610 --> 00:42:31,720
weeks so the next episode is is he here

996
00:42:27,550 --> 00:42:34,030
already and well I hope that the your

997
00:42:31,719 --> 00:42:36,399
listeners liking I'm sure they will

998

00:42:34,030 --> 00:42:38,140
folks don't delay have a look at the

999
00:42:36,400 --> 00:42:40,300
first episode of stranger stories you'll

1000
00:42:38,139 --> 00:42:43,179
love it you get the peek behind the

1001
00:42:40,300 --> 00:42:46,090
methodology of James Randi well Massimo

1002
00:42:43,179 --> 00:42:48,460
Paulo Dora I hope I get to see you next

1003
00:42:46,090 --> 00:42:51,070
year who knows where in some convention

1004
00:42:48,460 --> 00:42:53,519
looks yeah I should come I should come

1005
00:42:51,070 --> 00:42:57,490
to Italy actually I would really really

1006
00:42:53,519 --> 00:43:00,250
love the same I should come to Australia

1007
00:42:57,489 --> 00:43:02,079
I think I think we should try to arrange

1008
00:43:00,250 --> 00:43:07,480
something here there's wonderful Italian

1009
00:43:02,079 --> 00:43:10,210
food in Sydney I promise you that on

1010
00:43:07,480 --> 00:43:13,000
that happy story Massimo pottre doro

1011
00:43:10,210 --> 00:43:14,449
thank you very much thank you rich it

1012
00:43:13,000 --> 00:43:23,489

was a pleasure

1013

00:43:14,449 --> 00:43:23,489

[Music]

1014

00:43:27,068 --> 00:43:32,568

hey fellow skeptics in Medford here with

1015

00:43:30,440 --> 00:43:34,608

Celeste reward your friendly host of

1016

00:43:32,568 --> 00:43:36,469

starting the strange a podcast that

1017

00:43:34,608 --> 00:43:39,710

looks at topics ranging from legends

1018

00:43:36,469 --> 00:43:41,659

panics and cryptids to myths psychology

1019

00:43:39,710 --> 00:43:43,789

and folklore breaking things down and

1020

00:43:41,659 --> 00:43:45,980

picking things apart as we skeptics do

1021

00:43:43,789 --> 00:43:48,558

we bring a few different perspectives on

1022

00:43:45,980 --> 00:43:50,659

things Fletcher for example is a witty

1023

00:43:48,559 --> 00:43:53,030

cartoonist and Ben is a brilliant writer

1024

00:43:50,659 --> 00:43:54,739

and longtime skeptical investigator we

1025

00:43:53,030 --> 00:43:57,230

don't always agree well we have fun

1026

00:43:54,739 --> 00:43:59,479

trying and we learn new things join us

1027
00:43:57,230 --> 00:44:01,818
for new topics every week or two or

1028
00:43:59,480 --> 00:44:05,059
browse our backlog of evergreen episodes

1029
00:44:01,818 --> 00:44:07,190
available on iTunes and all your podcast

1030
00:44:05,059 --> 00:44:10,599
feeding troughs swearing the strange

1031
00:44:07,190 --> 00:44:10,599
take care of strangers

1032
00:44:13,349 --> 00:44:17,210
[Music]

1033
00:44:17,500 --> 00:44:25,179
here's Maynard spooky action at the

1034
00:44:22,699 --> 00:44:25,179
distance

1035
00:44:25,510 --> 00:44:30,380
now Richard just come up and grab me mal

1036
00:44:28,039 --> 00:44:32,750
I got mal Vickers here and you said that

1037
00:44:30,380 --> 00:44:34,579
a few while ago you asked the skipping

1038
00:44:32,750 --> 00:44:36,230
zone listeners to come to your aid what

1039
00:44:34,579 --> 00:44:38,599
was going on mal tell us a story here

1040
00:44:36,230 --> 00:44:41,329
I've been doing some some research with

1041
00:44:38,599 --> 00:44:42,920
actually directed by Professor Ken

1042
00:44:41,329 --> 00:44:46,429
Harley or dr. Ken Harvey's more commonly

1043
00:44:42,920 --> 00:44:48,769
known and I I needed some IT help it was

1044
00:44:46,429 --> 00:44:50,659
the research was kind of beyond me there

1045
00:44:48,769 --> 00:44:54,440
was some there's actually thousands of

1046
00:44:50,659 --> 00:44:58,099
documents on a government website called

1047
00:44:54,440 --> 00:44:59,539
the complaints resolution panel and you

1048
00:44:58,099 --> 00:45:02,210
know they're kind of the documents were

1049
00:44:59,539 --> 00:45:05,000
tucked away they're PDFs and I needed to

1050
00:45:02,210 --> 00:45:07,250
look at these overall and do overall

1051
00:45:05,000 --> 00:45:11,030
searches on it so I needed to basically

1052
00:45:07,250 --> 00:45:13,489
describe the websites and automation

1053
00:45:11,030 --> 00:45:15,170
software to do all this specific thing

1054
00:45:13,489 --> 00:45:16,939
for yeah and and what's more the

1055

00:45:15,170 --> 00:45:20,240
complaints resolution panels was going

1056
00:45:16,940 --> 00:45:21,769
to be abolished so we needed to get the

1057
00:45:20,239 --> 00:45:23,209
information quickly and there are no

1058
00:45:21,769 --> 00:45:25,190
assurances that all the information

1059
00:45:23,210 --> 00:45:28,010
wouldn't just disappear overnight when

1060
00:45:25,190 --> 00:45:30,470
when the panel was abolished so so yeah

1061
00:45:28,010 --> 00:45:33,290
ten of the most amazing IT guys came

1062
00:45:30,469 --> 00:45:34,789
forward and I only wanted one actually

1063
00:45:33,289 --> 00:45:36,349
it was looking for one panel just

1064
00:45:34,789 --> 00:45:37,840
through the Skip pick zone was it just

1065
00:45:36,349 --> 00:45:41,599
just for the sketti so and listenership

1066
00:45:37,840 --> 00:45:43,400
and actually I got such a big response I

1067
00:45:41,599 --> 00:45:45,409
had to put these guys together on an

1068
00:45:43,400 --> 00:45:47,030
email list to try and yeah so I could

1069
00:45:45,409 --> 00:45:48,679

tell them all yeah you know this is what

1070

00:45:47,030 --> 00:45:52,550

the projects about this is this is what

1071

00:45:48,679 --> 00:45:55,009

I need done and it was great they from

1072

00:45:52,550 --> 00:45:57,350

all over Australia mostly one guy in

1073

00:45:55,010 --> 00:45:59,240

Ireland came for and said yeah we can we

1074

00:45:57,349 --> 00:46:00,799

can scrape this website for you and as

1075

00:45:59,239 --> 00:46:03,019

the Americans might have said this was

1076

00:46:00,800 --> 00:46:04,490

dudes named Ben from all over the world

1077

00:46:03,019 --> 00:46:06,619

turned up there because I bet there's as

1078

00:46:04,489 --> 00:46:08,389

if some famous congressman and said oh

1079

00:46:06,619 --> 00:46:10,789

there's some dude named Ben who looks

1080

00:46:08,389 --> 00:46:12,650

after my emails and so now whenever IT

1081

00:46:10,789 --> 00:46:14,480

guy comes up I think I dude named Ben

1082

00:46:12,650 --> 00:46:16,579

there could be dudettes named Ben as

1083

00:46:14,480 --> 00:46:18,199

well and so how long did they take to do

1084
00:46:16,579 --> 00:46:20,210
it because time was of the essence time

1085
00:46:18,199 --> 00:46:22,549
was it so the all of these documents

1086
00:46:20,210 --> 00:46:25,340
were grabbed and copied almost

1087
00:46:22,550 --> 00:46:30,160
immediately by several of them actually

1088
00:46:25,340 --> 00:46:32,480
and a guy in particular Dylan Lewis

1089
00:46:30,159 --> 00:46:34,279
duplicated all these documents and put

1090
00:46:32,480 --> 00:46:37,340
the monies on his own website first so

1091
00:46:34,280 --> 00:46:37,670
they're all safe they were you know out

1092
00:46:37,340 --> 00:46:40,010
of

1093
00:46:37,670 --> 00:46:42,650
then the the health department's hands

1094
00:46:40,010 --> 00:46:45,170
they were you know in a safe place where

1095
00:46:42,650 --> 00:46:48,019
I could I could get the copies of them

1096
00:46:45,170 --> 00:46:49,670
if you like and then yeah sorry then

1097
00:46:48,018 --> 00:46:52,068
that then the real work started and they

1098
00:46:49,670 --> 00:46:53,389
actually grabbed all the information out

1099
00:46:52,068 --> 00:46:56,028
of these documents and put it in

1100
00:46:53,389 --> 00:46:57,920
searchable form actually in an enormous

1101
00:46:56,028 --> 00:46:59,510
spreadsheet actually so I could do my

1102
00:46:57,920 --> 00:47:01,400
analysis work which is still going on

1103
00:46:59,510 --> 00:47:03,109
but it's generating great results and

1104
00:47:01,400 --> 00:47:04,940
name some names for thanks or they wish

1105
00:47:03,108 --> 00:47:05,480
to me remain anonymous they'd be like

1106
00:47:04,940 --> 00:47:07,190
good though

1107
00:47:05,480 --> 00:47:09,548
The Lone Ranger they've got that masked

1108
00:47:07,190 --> 00:47:12,740
on their writing Elena's instance I

1109
00:47:09,548 --> 00:47:15,440
Dylan Dylan Lewis and Matthew Bishop are

1110
00:47:12,739 --> 00:47:19,669
the two main ones who did Matthew there

1111
00:47:15,440 --> 00:47:22,099
you go really really helped both Ken and

1112

00:47:19,670 --> 00:47:25,789

I and you have really valuable

1113

00:47:22,099 --> 00:47:28,519

information so these are complaints

1114

00:47:25,789 --> 00:47:30,349

about products or about doctors and

1115

00:47:28,518 --> 00:47:32,479

doctors behavior or what are the health

1116

00:47:30,349 --> 00:47:33,859

complaints specifically about yeah

1117

00:47:32,480 --> 00:47:36,139

they're actually complaints about

1118

00:47:33,858 --> 00:47:39,250

advertising so right so it's very

1119

00:47:36,139 --> 00:47:41,179

specific the specific therapeutics Goods

1120

00:47:39,250 --> 00:47:45,018

advertising so the kind of products that

1121

00:47:41,179 --> 00:47:45,768

you see in the front of a pharmacy so

1122

00:47:45,018 --> 00:47:47,899

what's gonna

1123

00:47:45,768 --> 00:47:49,459

what's this process now now now that

1124

00:47:47,900 --> 00:47:51,380

change is there no process for

1125

00:47:49,460 --> 00:47:56,119

complaining now or is it double secret

1126

00:47:51,380 --> 00:47:58,400

special stuff the the process is the

1127

00:47:56,119 --> 00:48:01,009

complaints go to the Therapeutic Goods

1128

00:47:58,400 --> 00:48:02,420

Administration directly this power used

1129

00:48:01,009 --> 00:48:05,409

to be kind of independent and they were

1130

00:48:02,420 --> 00:48:07,940

just judging the complaint if you like

1131

00:48:05,409 --> 00:48:10,098

it was always the case if real

1132

00:48:07,940 --> 00:48:13,639

enforcement was needed the the issue

1133

00:48:10,099 --> 00:48:14,778

went to the TGA often they didn't deal

1134

00:48:13,639 --> 00:48:17,659

with it and they didn't deal with it

1135

00:48:14,778 --> 00:48:20,358

very well we want to thank the skeptic

1136

00:48:17,659 --> 00:48:21,828

zone IT listeners for jumping into the

1137

00:48:20,358 --> 00:48:23,420

breach there and is there any way

1138

00:48:21,829 --> 00:48:24,589

anywhere we can go online to have a look

1139

00:48:23,420 --> 00:48:26,088

at the work that's been done or is that

1140

00:48:24,588 --> 00:48:29,420

stuff you're doing privately it's

1141
00:48:26,088 --> 00:48:31,328
actually still ongoing so still still

1142
00:48:29,420 --> 00:48:33,380
essentially crunching the numbers and

1143
00:48:31,329 --> 00:48:36,769
you know looking at it in different ways

1144
00:48:33,380 --> 00:48:38,358
hope to be published fairly soon and yet

1145
00:48:36,768 --> 00:48:39,828
look I'll pass I'll pass the message on

1146
00:48:38,358 --> 00:48:41,598
when when there is something available

1147
00:48:39,829 --> 00:48:42,950
online that people can can look at great

1148
00:48:41,599 --> 00:48:44,450
Thank You Mel if you're ever needing

1149
00:48:42,949 --> 00:48:45,798
your help again come straight to the

1150
00:48:44,449 --> 00:48:47,268
skeptic zone don't talk to me talk to

1151
00:48:45,798 --> 00:48:51,219
Richard he's the guy who gets the stuff

1152
00:48:47,268 --> 00:48:51,219
done okay thank you may know okay

1153
00:48:52,159 --> 00:48:56,038
someone who's scouting up the situation

1154
00:48:54,420 --> 00:48:58,200
today is the size

1155
00:48:56,039 --> 00:48:59,519
Evette d'entre mall and and correct

1156
00:48:58,199 --> 00:49:00,808
pronunciation on the side babe but I

1157
00:48:59,518 --> 00:49:02,368
don't think that was our concern and

1158
00:49:00,809 --> 00:49:03,869
thank you for having me here at at

1159
00:49:02,369 --> 00:49:06,210
Australian skeptics conference very

1160
00:49:03,869 --> 00:49:09,568
exciting I I say our only hope for

1161
00:49:06,210 --> 00:49:12,659
Humanity is we should elect Jeff

1162
00:49:09,568 --> 00:49:15,630
Goldblum be president I think him with

1163
00:49:12,659 --> 00:49:17,429
Nick Cage for his vice-president and

1164
00:49:15,630 --> 00:49:19,079
that I think will save us so I I don't

1165
00:49:17,429 --> 00:49:21,598
know why I have no idea what their

1166
00:49:19,079 --> 00:49:23,490
political stances are but I think that

1167
00:49:21,599 --> 00:49:24,720
William Shatner be in the cabinet I know

1168
00:49:23,489 --> 00:49:25,078
he's Canadian but where would you put

1169

00:49:24,719 --> 00:49:27,389
him

1170
00:49:25,079 --> 00:49:30,450
I would definitely I would put him in

1171
00:49:27,389 --> 00:49:34,379
charge of the FCC because it might take

1172
00:49:30,449 --> 00:49:36,480
him he will take so long well the more

1173
00:49:34,380 --> 00:49:38,960
important the pronounce the pronouncement

1174
00:49:36,480 --> 00:49:41,759
the longer the pause I think we should

1175
00:49:38,960 --> 00:49:45,329
anyone breaks for lunch and that yeah he

1176
00:49:41,759 --> 00:49:49,469
will take so long to tell us his

1177
00:49:45,329 --> 00:49:52,019
pronounced mates like it's I'm just I I

1178
00:49:49,469 --> 00:49:54,899
think it charged the FCC he's he's so

1179
00:49:52,018 --> 00:49:57,328
old and cranky and mad at he blocked me

1180
00:49:54,900 --> 00:49:58,829
on Twitter now what did you point out

1181
00:49:57,329 --> 00:50:02,700
something you didn't he would've did one

1182
00:49:58,829 --> 00:50:04,710
point at I think he was he was of all

1183
00:50:02,699 --> 00:50:07,649

things he was being kind of cranky at

1184

00:50:04,710 --> 00:50:10,079

David Gorski and and III did Gorsky I

1185

00:50:07,650 --> 00:50:12,269

love his work and I was just like I

1186

00:50:10,079 --> 00:50:16,259

think oh yeah he found the page on

1187

00:50:12,268 --> 00:50:18,899

Gorsky from from truth wiki which is

1188

00:50:16,259 --> 00:50:21,298

just a bastion of scum murray and

1189

00:50:18,900 --> 00:50:23,670

horribleness and like i was i was like

1190

00:50:21,298 --> 00:50:25,199

how did you find i'm like yes it's on

1191

00:50:23,670 --> 00:50:26,579

the internet it doesn't mean it's true i

1192

00:50:25,199 --> 00:50:28,318

could put it out there that i forget

1193

00:50:26,579 --> 00:50:30,089

exactly what I wrote but like instantly

1194

00:50:28,318 --> 00:50:31,739

banned and like two months later I was

1195

00:50:30,088 --> 00:50:34,588

on the same flight as William Shatner

1196

00:50:31,739 --> 00:50:35,879

and I'm like hi not that not that I

1197

00:50:34,588 --> 00:50:37,078

think William Shatner remembers some

1198
00:50:35,880 --> 00:50:40,019
random idiot that he blocked on the

1199
00:50:37,079 --> 00:50:42,359
internet but I'm like oh nevermind I

1200
00:50:40,018 --> 00:50:45,239
guess I'll never get that autograph now

1201
00:50:42,358 --> 00:50:48,210
well he charges for them now - yeah what

1202
00:50:45,239 --> 00:50:49,500
is the side babe got to cover on youtube

1203
00:50:48,210 --> 00:50:50,639
and around the place that you haven't

1204
00:50:49,500 --> 00:50:52,380
covered oh you're running out of stuff

1205
00:50:50,639 --> 00:50:54,358
there is always gonna be something new

1206
00:50:52,380 --> 00:50:56,460
like like I said there's always you one

1207
00:50:54,358 --> 00:50:58,858
we should be looking out for i well

1208
00:50:56,460 --> 00:51:00,150
let's see right now I mean it's and this

1209
00:50:58,858 --> 00:51:02,340
is kind of unfortunate what's the main

1210
00:51:00,150 --> 00:51:04,530
place where I do my deep dives

1211
00:51:02,340 --> 00:51:06,570
there we have run out of money and

1212
00:51:04,530 --> 00:51:09,360
normally we all of my work has to go

1213
00:51:06,570 --> 00:51:11,070
through a lawyer and a fact-checker and

1214
00:51:09,360 --> 00:51:13,110
four editors we're really careful so we

1215
00:51:11,070 --> 00:51:15,059
don't get sued and I want to get away

1216
00:51:13,110 --> 00:51:17,160
from some of the stuff that I feel can

1217
00:51:15,059 --> 00:51:19,739
get me sued and that's and I mean it's

1218
00:51:17,159 --> 00:51:21,839
so difficult to bulletproof these

1219
00:51:19,739 --> 00:51:23,459
articles like and that's been one of the

1220
00:51:21,840 --> 00:51:25,320
harder things so I'm trying to move in a

1221
00:51:23,460 --> 00:51:26,639
direction where I still feel like I'm

1222
00:51:25,320 --> 00:51:29,100
debunking and still feel like I'm

1223
00:51:26,639 --> 00:51:31,049
teaching science without going app

1224
00:51:29,099 --> 00:51:32,639
without doing quote takedowns and as

1225
00:51:31,050 --> 00:51:33,810
much as those takedowns are so

1226

00:51:32,639 --> 00:51:35,940
satisfying

1227
00:51:33,809 --> 00:51:37,679
they amid the amount of legal cost in

1228
00:51:35,940 --> 00:51:39,869
you to make sure you're gonna be okay at

1229
00:51:37,679 --> 00:51:41,639
the end of it yeah when we have to sit

1230
00:51:39,869 --> 00:51:44,159
down for like each of these articles

1231
00:51:41,639 --> 00:51:46,259
with our you know with with the websites

1232
00:51:44,159 --> 00:51:47,730
lawyers for a couple of hours like I

1233
00:51:46,260 --> 00:51:49,710
don't even know how much that cost the

1234
00:51:47,730 --> 00:51:51,659
website to do but you know right now the

1235
00:51:49,710 --> 00:51:53,010
website it's a newish website and

1236
00:51:51,659 --> 00:51:55,739
they're going through there they go

1237
00:51:53,010 --> 00:51:57,390
through growing pains so you know I'm

1238
00:51:55,739 --> 00:51:59,279
glad that I solve a writing job but it's

1239
00:51:57,389 --> 00:52:01,049
also making me go you know I have to

1240
00:51:59,280 --> 00:52:03,540

reevaluate what I'm doing do I go and

1241

00:52:01,050 --> 00:52:05,820

find new and interesting science do I do

1242

00:52:03,539 --> 00:52:07,800

I look into emerging fields and say what

1243

00:52:05,820 --> 00:52:11,130

they're you know where they're at now I

1244

00:52:07,800 --> 00:52:14,070

have at the moment a an offer to do some

1245

00:52:11,130 --> 00:52:16,440

consulting at a cannabis research lab so

1246

00:52:14,070 --> 00:52:19,410

I might do like I know I have to look

1247

00:52:16,440 --> 00:52:20,970

into what the COI what is on that if

1248

00:52:19,409 --> 00:52:22,379

it's a conflict of interest to tell

1249

00:52:20,969 --> 00:52:25,169

people about the science if I'm getting

1250

00:52:22,380 --> 00:52:26,820

paid to research it and I'm trying try

1251

00:52:25,170 --> 00:52:29,159

to be very careful about conflict of

1252

00:52:26,820 --> 00:52:30,840

interest types type stuff fun because if

1253

00:52:29,159 --> 00:52:32,279

you think you would tell people and that

1254

00:52:30,840 --> 00:52:33,510

would at least they can then make up

1255
00:52:32,280 --> 00:52:35,010
their own mind but then again people

1256
00:52:33,510 --> 00:52:37,050
could wipe you out straightaway yeah

1257
00:52:35,010 --> 00:52:38,940
there there are people who are you know

1258
00:52:37,050 --> 00:52:41,400
professional like academic researchers

1259
00:52:38,940 --> 00:52:43,470
who go and do sicom about it but it's a

1260
00:52:41,400 --> 00:52:44,730
guy if I were to write about that I

1261
00:52:43,469 --> 00:52:46,589
would write about it at my own website

1262
00:52:44,730 --> 00:52:49,019
not in any capacity where somebody else

1263
00:52:46,590 --> 00:52:51,420
pays me to to write so it's like that

1264
00:52:49,019 --> 00:52:53,070
way at least I'm keeping at least I'm

1265
00:52:51,420 --> 00:52:54,780
saying you know if you want to if you

1266
00:52:53,070 --> 00:52:56,700
want to quote pay me by coming and

1267
00:52:54,780 --> 00:52:58,230
looking at my website and me getting

1268
00:52:56,699 --> 00:53:00,389
some ad revenue from it I think that's

1269
00:52:58,230 --> 00:53:02,880
an okay place to put that but not and

1270
00:53:00,389 --> 00:53:05,549
you know put as a proviso I work in this

1271
00:53:02,880 --> 00:53:07,530
industry so it's you know please check

1272
00:53:05,550 --> 00:53:10,050
go ahead check all the links check all

1273
00:53:07,530 --> 00:53:12,240
the things that I've I've added for for

1274
00:53:10,050 --> 00:53:13,380
evidence on this like because I I still

1275
00:53:12,239 --> 00:53:15,449
think that it's you know there are so

1276
00:53:13,380 --> 00:53:16,140
many myths in the cannabis field like it

1277
00:53:15,449 --> 00:53:18,089
doesn't

1278
00:53:16,139 --> 00:53:20,250
doesn't cure cancer it can't replace all

1279
00:53:18,090 --> 00:53:21,809
medicines like you know it's if and I

1280
00:53:20,250 --> 00:53:24,030
love that there are some really strong

1281
00:53:21,809 --> 00:53:25,889
advocates for it but they do no help to

1282
00:53:24,030 --> 00:53:27,540
their case by trying to say that it

1283

00:53:25,889 --> 00:53:29,730
cures everything because it does not

1284
00:53:27,539 --> 00:53:30,989
care everything it helps with a handful

1285
00:53:29,730 --> 00:53:33,659
of things and it's really really useful

1286
00:53:30,989 --> 00:53:36,119
for those and there's also no problem

1287
00:53:33,659 --> 00:53:37,649
with if adults want to get high like you

1288
00:53:36,119 --> 00:53:39,210
want it you want a drink that's not a

1289
00:53:37,650 --> 00:53:42,210
problem don't get behind the wheel same

1290
00:53:39,210 --> 00:53:44,760
thing with pot hey and where can we find

1291
00:53:42,210 --> 00:53:46,440
the sake of doing this stuff it's well

1292
00:53:44,760 --> 00:53:48,720
at my home of the cat on my lap but

1293
00:53:46,440 --> 00:53:51,539
since I can know it since I can't fit

1294
00:53:48,719 --> 00:53:54,569
you all in there I'm at facebook.com

1295
00:53:51,539 --> 00:53:56,909
slash SCI babe sigh babe calm and over

1296
00:53:54,570 --> 00:53:58,769
at Twitter and Instagram at DC babe and

1297
00:53:56,909 --> 00:54:00,659

if you want to find my writing I have a

1298

00:53:58,769 --> 00:54:04,400
lot of really fun stuff over at the

1299

00:54:00,659 --> 00:54:04,399
outline and at self comm

1300

00:54:05,699 --> 00:54:09,328
I'm just backstage now it's still the

1301

00:54:08,219 --> 00:54:10,649
first day we're just about to go into

1302

00:54:09,329 --> 00:54:12,298
the first lunch break we've got someone

1303

00:54:10,650 --> 00:54:15,059
who's coming up this afternoon with a

1304

00:54:12,298 --> 00:54:15,838
talk it's Kirsten banks oh yes we had a

1305

00:54:15,059 --> 00:54:17,640
chat with you last night

1306

00:54:15,838 --> 00:54:19,048
hello how late did the drinks go to go I

1307

00:54:17,639 --> 00:54:21,538
believe the drinks decided to get out

1308

00:54:19,048 --> 00:54:23,929
here earlier this morning I think well

1309

00:54:21,539 --> 00:54:28,259
personally I didn't get home until one

1310

00:54:23,929 --> 00:54:33,868
kick going on I think we wrapped up

1311

00:54:28,259 --> 00:54:35,130
around the astronomy thing astronomer

1312
00:54:33,869 --> 00:54:36,239
thing astronomer thing there and you

1313
00:54:35,130 --> 00:54:37,858
were speaking each other's language to

1314
00:54:36,239 --> 00:54:38,880
decide the word bill juice come up in

1315
00:54:37,858 --> 00:54:40,288
the conversation which is one of the

1316
00:54:38,880 --> 00:54:42,298
biggest stars I believe that are around

1317
00:54:40,289 --> 00:54:44,249
surprisingly no it did not come up in

1318
00:54:42,298 --> 00:54:47,159
conversation but I'll tell you what it

1319
00:54:44,248 --> 00:54:49,379
comes up in my talk today relative

1320
00:54:47,159 --> 00:54:50,699
versus all the masses are you not quite

1321
00:54:49,380 --> 00:54:53,460
but you'll see because I was getting

1322
00:54:50,699 --> 00:54:55,409
close to it and you're saying you use

1323
00:54:53,460 --> 00:54:56,880
XSP today with dr. Kalfas every once in

1324
00:54:55,409 --> 00:54:58,710
a while dr. Carr will bring a guest with

1325
00:54:56,880 --> 00:55:00,390
him along on his Thursdays that he

1326
00:54:58,710 --> 00:55:01,980
spends talking to the BBC and a whole

1327
00:55:00,389 --> 00:55:03,690
bunch of science outlets around the

1328
00:55:01,980 --> 00:55:05,039
world what was your contribution when

1329
00:55:03,690 --> 00:55:06,960
you were there with dr. Cal for the day

1330
00:55:05,039 --> 00:55:11,579
when I was there dr. Carr for the day he

1331
00:55:06,960 --> 00:55:14,818
let me join in on his BBC Europe almost

1332
00:55:11,579 --> 00:55:17,460
worldwide extravaganza I was like oh

1333
00:55:14,818 --> 00:55:19,558
okay but luckily he told me after the

1334
00:55:17,460 --> 00:55:20,818
fact when I was joining in talking about

1335
00:55:19,559 --> 00:55:26,849
it saying that you were just live all

1336
00:55:20,818 --> 00:55:28,710
over Europe and you said they had to

1337
00:55:26,849 --> 00:55:30,119
correct him because dr. Califf doesn't

1338
00:55:28,710 --> 00:55:31,949
make too many mistakes but in the area

1339
00:55:30,119 --> 00:55:33,838
of astronomy he might have made one well

1340

00:55:31,949 --> 00:55:36,960
like he said this morning his physics

1341
00:55:33,838 --> 00:55:38,818
not quite that great but it's a number

1342
00:55:36,960 --> 00:55:40,318
the numbers are hard tremor sometimes it

1343
00:55:38,818 --> 00:55:43,409
was just the distance from the earth to

1344
00:55:40,318 --> 00:55:46,829
the Sun someone said 140 million it's

1345
00:55:43,409 --> 00:55:49,230
like it's 150 million kilometers I'm

1346
00:55:46,829 --> 00:55:51,298
sorry that would make a lot if you had

1347
00:55:49,230 --> 00:55:52,650
to walk it that's a very true yes what

1348
00:55:51,298 --> 00:55:54,509
do you like when calculating orbital

1349
00:55:52,650 --> 00:55:55,769
dynamics is that your kind of range to

1350
00:55:54,509 --> 00:55:58,289
that you do or is that a bit more for

1351
00:55:55,768 --> 00:56:01,108
someone in the mathematical realm well I

1352
00:55:58,289 --> 00:56:02,609
like creating computer programs just so

1353
00:56:01,108 --> 00:56:04,619
the day I created a solar system model

1354
00:56:02,608 --> 00:56:06,778

where you can plug in how big you want

1355

00:56:04,619 --> 00:56:08,369

your son to be and it will tell you how

1356

00:56:06,778 --> 00:56:10,340

big all the other planets are and how

1357

00:56:08,369 --> 00:56:12,769

far away they are from each other but

1358

00:56:10,340 --> 00:56:14,750

I love the the Oort cloud because that's

1359

00:56:12,769 --> 00:56:15,980

where the aliens first turned up from if

1360

00:56:14,750 --> 00:56:17,809

you remember in the independence day

1361

00:56:15,980 --> 00:56:19,369

they first saw the spaceship when it

1362

00:56:17,809 --> 00:56:21,920

came out of the Oort cloud which makes

1363

00:56:19,369 --> 00:56:23,750

it sound like it's an actual cloud where

1364

00:56:21,920 --> 00:56:25,190

you could might see it in there it

1365

00:56:23,750 --> 00:56:26,809

doesn't it's not hidden by that stuff

1366

00:56:25,190 --> 00:56:28,579

because it's there's big gaps between

1367

00:56:26,809 --> 00:56:29,630

everything isn't it there's a lot of

1368

00:56:28,579 --> 00:56:32,750

space in the space that's why we call it

1369
00:56:29,630 --> 00:56:35,240
space yes the thing that amazed me cus I

1370
00:56:32,750 --> 00:56:36,980
thought okay we've got the Voyager one

1371
00:56:35,239 --> 00:56:39,259
or two just speeding away there I think

1372
00:56:36,980 --> 00:56:41,360
it's only a couple of light hours it's

1373
00:56:39,260 --> 00:56:44,390
not a light day away from Earth is it

1374
00:56:41,360 --> 00:56:47,480
it's pretty far I know it's traveling it

1375
00:56:44,389 --> 00:56:48,949
over 61,000 km/h which is incredible

1376
00:56:47,480 --> 00:56:49,969
yeah I can't remember but let's just

1377
00:56:48,949 --> 00:56:51,199
couldn't look it up tell me it's only a

1378
00:56:49,969 --> 00:56:53,659
couple of days and something in light

1379
00:56:51,199 --> 00:56:54,949
travels the ball really and it's in the

1380
00:56:53,659 --> 00:56:56,179
middle of nowhere and I thought well

1381
00:56:54,949 --> 00:56:57,619
haven't you switched it hasn't got a

1382
00:56:56,179 --> 00:56:58,759
readout going so doesn't bump into stuff

1383
00:56:57,619 --> 00:57:01,609
from there when there's nothing above

1384
00:56:58,760 --> 00:57:04,100
until I read it exactly you see those

1385
00:57:01,610 --> 00:57:06,380
sci-fi movies where the protagonist is

1386
00:57:04,099 --> 00:57:08,179
heroically dodging asteroids left right

1387
00:57:06,380 --> 00:57:10,430
and center but really they're not that

1388
00:57:08,179 --> 00:57:11,299
bad it's not that packed now if they

1389
00:57:10,429 --> 00:57:12,769
were that packed they'd be

1390
00:57:11,300 --> 00:57:14,030
gravitationally attract to each other

1391
00:57:12,769 --> 00:57:15,739
and they probably would be really close

1392
00:57:14,030 --> 00:57:17,930
together if they were that close it'd be

1393
00:57:15,739 --> 00:57:19,939
like a Saturn's ring around the entire

1394
00:57:17,929 --> 00:57:21,859
solar system mm-hmm I've been watching

1395
00:57:19,940 --> 00:57:23,450
em space space month on Discovery

1396
00:57:21,860 --> 00:57:24,590
Channel tube and I saw the history the

1397

00:57:23,449 --> 00:57:26,239
Saturn 5 rocket which is kind of

1398
00:57:24,590 --> 00:57:27,500
exciting and it reminded me that it's

1399
00:57:26,239 --> 00:57:29,209
more powerful than anything that made

1400
00:57:27,500 --> 00:57:30,619
sense which is a bit disappointing yes

1401
00:57:29,210 --> 00:57:32,090
so if we could get somewhere with a big

1402
00:57:30,619 --> 00:57:33,920
rocket that's even more powerful than

1403
00:57:32,090 --> 00:57:36,650
Saturn 5 where should we go if we have

1404
00:57:33,920 --> 00:57:39,440
that kind of power again I think we

1405
00:57:36,650 --> 00:57:40,970
should go everyone says Mars but we've

1406
00:57:39,440 --> 00:57:42,260
already sent things to Mars we're doing

1407
00:57:40,969 --> 00:57:44,239
a lot we've done a lot of exploration

1408
00:57:42,260 --> 00:57:45,710
there already I think we should go

1409
00:57:44,239 --> 00:57:47,029
somewhere like one in North Pole of

1410
00:57:45,710 --> 00:57:48,590
Neptune where they got that square

1411
00:57:47,030 --> 00:57:50,660

structure that I think's an alien thing

1412

00:57:48,590 --> 00:57:53,329

true I think we should go to one of

1413

00:57:50,659 --> 00:57:54,379

Jupiter's or Saturn's moons the one that

1414

00:57:53,329 --> 00:57:56,569

we haven't looked at as much as we

1415

00:57:54,380 --> 00:57:59,030

should I think there's one that's like

1416

00:57:56,570 --> 00:58:00,800

shaped as ravioli which would be making

1417

00:57:59,030 --> 00:58:02,930

that obvious I'm not rolling me it's

1418

00:58:00,800 --> 00:58:06,950

legit it's made of ravioli

1419

00:58:02,929 --> 00:58:10,190

oh not made out of huge Italian kitchen

1420

00:58:06,949 --> 00:58:12,769

just in Jupiter look like a boat I

1421

00:58:10,190 --> 00:58:14,539

passed it looks very holy well it looks

1422

00:58:12,769 --> 00:58:17,059

like a piece of ravioli like get a

1423

00:58:14,539 --> 00:58:19,579

little like bump in the middle and out a

1424

00:58:17,059 --> 00:58:20,779

little bit yes great now expecting any

1425

00:58:19,579 --> 00:58:21,828

trouble with this skeptical audience

1426
00:58:20,780 --> 00:58:23,420
because as you know this is

1427
00:58:21,829 --> 00:58:24,769
smarty bums out there to think anyone

1428
00:58:23,420 --> 00:58:28,759
during the Q&A at the end might go ah

1429
00:58:24,768 --> 00:58:30,078
excuse me I'm not sure we'll see if

1430
00:58:28,759 --> 00:58:31,489
you'll tend to be a little bit more

1431
00:58:30,079 --> 00:58:33,318
reserved when they're asking questions

1432
00:58:31,489 --> 00:58:34,579
about my field because they don't want

1433
00:58:33,318 --> 00:58:37,038
to you know say the wrong thing or

1434
00:58:34,579 --> 00:58:38,239
anything which is perfectly fine like

1435
00:58:37,039 --> 00:58:39,589
you said the wrong things like that's

1436
00:58:38,239 --> 00:58:42,559
what's the whole point we're having a

1437
00:58:39,588 --> 00:58:43,849
conversation to allude the fact that we

1438
00:58:42,559 --> 00:58:46,249
get away from saying the wrong thing

1439
00:58:43,849 --> 00:58:48,619
more often so we'll see how it goes

1440
00:58:46,248 --> 00:58:50,268
and just turn astronomer and you have a

1441
00:58:48,619 --> 00:58:52,068
really powerful telescope at home that

1442
00:58:50,268 --> 00:58:53,568
you use were you lucky enough to get one

1443
00:58:52,068 --> 00:58:54,739
as you grew up like a really big one

1444
00:58:53,568 --> 00:58:57,588
with a camera attached what do you got

1445
00:58:54,739 --> 00:58:59,449
at home nothing at the moment but but

1446
00:58:57,588 --> 00:59:01,190
I've gained some money from my 21st

1447
00:58:59,449 --> 00:59:03,228
birthday and I'm just about to buy

1448
00:59:01,190 --> 00:59:04,700
myself my first telescope what are you

1449
00:59:03,228 --> 00:59:05,868
gonna get I mean now what is it within

1450
00:59:04,699 --> 00:59:07,308
the range that you can get because

1451
00:59:05,869 --> 00:59:09,019
there's some powerful stuff and there's

1452
00:59:07,309 --> 00:59:10,160
also optical and digital magnification

1453
00:59:09,018 --> 00:59:11,808
which is very different as well yeah

1454

00:59:10,159 --> 00:59:16,489
yeah so what I'm looking at at the

1455
00:59:11,809 --> 00:59:18,469
moment is a celestron Wi-Fi one this is

1456
00:59:16,489 --> 00:59:19,940
about five inches wide so it could be

1457
00:59:18,469 --> 00:59:21,409
inside the house on the couch and then

1458
00:59:19,940 --> 00:59:23,298
you could just do it all automatically

1459
00:59:21,409 --> 00:59:24,708
that's cool just do it we get fine it's

1460
00:59:23,298 --> 00:59:26,298
great what do you like looking at the

1461
00:59:24,708 --> 00:59:28,009
most isn't the obvious stuff like Venus

1462
00:59:26,298 --> 00:59:29,690
and Jupiter because they're easy and big

1463
00:59:28,009 --> 00:59:32,599
defined or can we actually get great

1464
00:59:29,690 --> 00:59:33,920
stuff further away with the Wi-Fi ones

1465
00:59:32,599 --> 00:59:35,719
and ones that you can actually have a

1466
00:59:33,920 --> 00:59:37,400
program inside of you can tell it to go

1467
00:59:35,719 --> 00:59:40,099
wherever you want so you're not you're

1468
00:59:37,400 --> 00:59:41,690

not yeah you're visually searching

1469
00:59:40,099 --> 00:59:44,088
exactly you're not relying on what you

1470
00:59:41,690 --> 00:59:45,979
can actually physically see okay so yeah

1471
00:59:44,088 --> 00:59:47,538
well and good luck what's up and you

1472
00:59:45,978 --> 00:59:49,399
glad is that your address you were

1473
00:59:47,539 --> 00:59:51,528
talking on is that the indigenous print

1474
00:59:49,400 --> 00:59:53,298
dress this is indigenous print dress it

1475
00:59:51,528 --> 00:59:56,478
is I forget it would have been a lot of

1476
00:59:53,298 --> 00:59:57,768
blue used originally in that well I mean

1477
00:59:56,478 --> 00:59:59,419
because I just cuz I didn't have the

1478
00:59:57,768 --> 01:00:02,208
dyes for blue that's all been a hard one

1479
00:59:59,420 --> 01:00:04,670
yeah you usually paint with oka which is

1480
01:00:02,208 --> 01:00:06,169
like the the sandstone through paint

1481
01:00:04,670 --> 01:00:07,818
that you would make add some water with

1482
01:00:06,170 --> 01:00:09,920
it so usually you get like the Browns

1483
01:00:07,818 --> 01:00:11,659
and the yellow isn't probably could have

1484
01:00:09,920 --> 01:00:13,400
got a blue with some beetle or something

1485
01:00:11,659 --> 01:00:15,528
if you smash something at maybe but yeah

1486
01:00:13,400 --> 01:00:18,858
but it'd be rare rare indeed but this is

1487
01:00:15,528 --> 01:00:20,719
a tree of life dress where it's been

1488
01:00:18,858 --> 01:00:22,009
features the but how does it work so I

1489
01:00:20,719 --> 01:00:22,249
was ending life at the top of the ender

1490
01:00:22,009 --> 01:00:23,748
life

1491
01:00:22,248 --> 01:00:25,968
I'm not really sure where exactly it all

1492
01:00:23,748 --> 01:00:28,998
goes but it represents the trees that

1493
01:00:25,969 --> 01:00:30,889
were used for sacred burial sites mmm so

1494
01:00:28,998 --> 01:00:34,069
it's a very very sacred very important

1495
01:00:30,889 --> 01:00:35,389
sort of painting for our culture right

1496
01:00:34,070 --> 01:00:36,920
thank you very much and good luck out

1497
01:00:35,389 --> 01:00:38,509
there on the stage this afternoon thank

1498
01:00:36,920 --> 01:00:43,070
you I look forward to pumping up the

1499
01:00:38,510 --> 01:00:44,300
crowd dr. Pamela gay as a 21 year old

1500
01:00:43,070 --> 01:00:45,740
rookie up there on stage how do you

1501
01:00:44,300 --> 01:00:48,560
think Kirsten went to explaining

1502
01:00:45,739 --> 01:00:51,409
aboriginal or indigenous astronomy she

1503
01:00:48,559 --> 01:00:53,570
has a poise and a well-timed sense of

1504
01:00:51,409 --> 01:00:57,049
humor that I couldn't even dream up at

1505
01:00:53,570 --> 01:00:59,809
that age it's amazing 21 I couldn't have

1506
01:00:57,050 --> 01:01:03,110
done that now no I I'm 44 and I hope to

1507
01:00:59,809 --> 01:01:05,119
do that tomorrow it's it's amazing to

1508
01:01:03,110 --> 01:01:07,940
see young communicators coming up and

1509
01:01:05,119 --> 01:01:11,150
finding their their own way to talk

1510
01:01:07,940 --> 01:01:15,110
their own way to be themselves and it in

1511

01:01:11,150 --> 01:01:17,300
embrace who they are and with her she's

1512
01:01:15,110 --> 01:01:20,030
uniquely herself and all of us want to

1513
01:01:17,300 --> 01:01:22,070
listen to that and be part of that she's

1514
01:01:20,030 --> 01:01:23,450
an inspiration obviously from a number

1515
01:01:22,070 --> 01:01:25,309
of people that she's seen doing things

1516
01:01:23,449 --> 01:01:28,009
yeah maybe a bit of dr. Carla from his

1517
01:01:25,309 --> 01:01:29,769
pacing I you know I I'm just gonna go

1518
01:01:28,010 --> 01:01:31,670
with it's her and she's awesome

1519
01:01:29,769 --> 01:01:33,380
do you really I have to look for

1520
01:01:31,670 --> 01:01:35,119
inspiration Kirsten you're awesome

1521
01:01:33,380 --> 01:01:36,530
Thanks agreed well hang on did you get

1522
01:01:35,119 --> 01:01:38,210
the star on the planet right because I

1523
01:01:36,530 --> 01:01:39,710
was thinking because you do do that

1524
01:01:38,210 --> 01:01:41,539
every day did you get that which was the

1525
01:01:39,710 --> 01:01:43,190

star which was the planet no I got it

1526

01:01:41,539 --> 01:01:44,539

totally wrong but I knew which two they

1527

01:01:43,190 --> 01:01:45,500

were and I'm going to blame the southern

1528

01:01:44,539 --> 01:01:46,969

hemisphere for that

1529

01:01:45,500 --> 01:01:48,289

oh yeah so now you're here because you

1530

01:01:46,969 --> 01:01:49,730

get a different view of this that is

1531

01:01:48,289 --> 01:01:50,690

there anything in you love seeing here

1532

01:01:49,730 --> 01:01:54,110

that you can't see in the northern

1533

01:01:50,690 --> 01:01:55,550

hemisphere that our skies have got I so

1534

01:01:54,110 --> 01:01:57,680

the large and small Magellanic Clouds

1535

01:01:55,550 --> 01:01:59,780

are always going to be sweet to me the

1536

01:01:57,679 --> 01:02:02,419

thing that really gets me is the

1537

01:01:59,780 --> 01:02:04,160

tarantula nebula through it like eight

1538

01:02:02,420 --> 01:02:06,590

inch telescope looks like you're looking

1539

01:02:04,159 --> 01:02:08,420

at the face of a tarantula Wow and and

1540
01:02:06,590 --> 01:02:10,880
you just can't see that in the North

1541
01:02:08,420 --> 01:02:12,110
okay that's great yeah it's high up in

1542
01:02:10,880 --> 01:02:13,369
the sea it doesn't mean much to me

1543
01:02:12,110 --> 01:02:14,960
because I'm not much of an astronomer

1544
01:02:13,369 --> 01:02:16,309
right up in the north there doesn't seem

1545
01:02:14,960 --> 01:02:18,079
that much different to me but it is it's

1546
01:02:16,309 --> 01:02:20,269
completely invisible it's completely

1547
01:02:18,079 --> 01:02:21,829
different and I mean one of my favorite

1548
01:02:20,269 --> 01:02:24,789
thing is just seeing Orion turn on his

1549
01:02:21,829 --> 01:02:24,789
head Wow

1550
01:02:35,260 --> 01:02:38,679
[Music]

1551
01:02:44,480 --> 01:02:50,039
thank you for listening to the skeptic

1552
01:02:46,858 --> 01:02:52,858
zone now another way people listen to

1553
01:02:50,039 --> 01:02:55,588
the skeptic zone is via YouTube and all

1554
01:02:52,858 --> 01:02:57,598
the episodes what mostly I think I think

1555
01:02:55,588 --> 01:03:00,210
yeah probably 90% of the episodes of the

1556
01:02:57,599 --> 01:03:01,980
skeptic zone are on YouTube links in

1557
01:03:00,210 --> 01:03:03,990
this week's show notes or if you just go

1558
01:03:01,980 --> 01:03:06,079
to the skeptic zone TV and look up at

1559
01:03:03,989 --> 01:03:09,569
the top you'll see the youtube link and

1560
01:03:06,079 --> 01:03:10,049
there's always a youtube link on the

1561
01:03:09,570 --> 01:03:12,930
page

1562
01:03:10,050 --> 01:03:15,210
anyway accompanying the episode that's

1563
01:03:12,929 --> 01:03:17,338
another way for you hopefully to enjoy

1564
01:03:15,210 --> 01:03:19,858
the skeptic zone thank you to those

1565
01:03:17,338 --> 01:03:22,139
people who continue to support the

1566
01:03:19,858 --> 01:03:25,829
skeptic zone with micro payments and

1567
01:03:22,139 --> 01:03:27,659
patreon I'm using a new system this week

1568

01:03:25,829 --> 01:03:30,329
to record their what you're hearing at

1569
01:03:27,659 --> 01:03:32,338
the moment and it's all due to the

1570
01:03:30,329 --> 01:03:34,799
generosity of those people who do chip

1571
01:03:32,338 --> 01:03:36,929
in contribute and all the rest of it

1572
01:03:34,800 --> 01:03:39,930
this means a lot to me and also to

1573
01:03:36,929 --> 01:03:42,719
Maynard Maynard comdatais you both of us

1574
01:03:39,929 --> 01:03:45,269
rely on your generosity to keep both our

1575
01:03:42,719 --> 01:03:47,279
podcasts ticking over and I think you

1576
01:03:45,269 --> 01:03:49,619
can tell by this week's episode how busy

1577
01:03:47,280 --> 01:03:51,720
and how productive mainardi is not only

1578
01:03:49,619 --> 01:03:54,059
doing reports for the skeptic zone but

1579
01:03:51,719 --> 01:03:57,000
then you'll go home and spend hours and

1580
01:03:54,059 --> 01:03:59,549
hours and days editing his own podcasts

1581
01:03:57,000 --> 01:04:02,130
at planet Maynard Maynard calm dot a you

1582
01:03:59,550 --> 01:04:04,470

check it out coming up on next week's

1583

01:04:02,130 --> 01:04:07,289

show more from skeptic on because

1584

01:04:04,469 --> 01:04:09,029

Maynard was so busy I think I think

1585

01:04:07,289 --> 01:04:10,588

we've got an interview with a couple of

1586

01:04:09,030 --> 01:04:12,900

magicians lined up that should be

1587

01:04:10,588 --> 01:04:14,489

interesting also our reporter from the

1588

01:04:12,900 --> 01:04:16,500

Northern Territory a new reporter

1589

01:04:14,489 --> 01:04:19,789

Michelle Franklin I think she's got a

1590

01:04:16,500 --> 01:04:23,579

story concerning cane toads and other

1591

01:04:19,789 --> 01:04:25,349

creatures hmm but for this week

1592

01:04:23,579 --> 01:04:28,608

this is Richard Saunders signing off

1593

01:04:25,349 --> 01:04:28,609

from the skeptic zone

1594

01:04:30,449 --> 01:04:36,529

you've been listening to the skeptic

1595

01:04:32,849 --> 01:04:41,970

zone podcast please visit our website at

1596

01:04:36,530 --> 01:04:44,519

WWDC be honest contacts and to access

1597
01:04:41,969 --> 01:04:48,149
the bat catalog of episodes going back

1598
01:04:44,519 --> 01:04:51,780
to 2008 you can follow the skeptic zone

1599
01:04:48,150 --> 01:04:54,180
podcast on twitter at skeptic zone visit

1600
01:04:51,780 --> 01:04:55,069
our facebook page or leave a review on

1601
01:04:54,179 --> 01:04:57,750
itunes

1602
01:04:55,068 --> 01:05:01,139
you can also support the skeptic zone

1603
01:04:57,750 --> 01:05:03,858
via patreon or PayPal the skeptic zone

1604
01:05:01,139 --> 01:05:06,239
podcast is an independent production

1605
01:05:03,858 --> 01:05:08,338
reviews and opinions expressed on the

1606
01:05:06,239 --> 01:05:10,709
skeptic zone are not necessarily those

1607
01:05:08,338 --> 01:05:12,500
of Australian skeptics or any other

1608
01:05:10,710 --> 01:05:18,800
skeptical organization

1609
01:05:12,500 --> 01:05:18,800
[Music]

1610
01:05:23,739 --> 01:05:28,099
wow that was such a big episode I'm here

1611
01:05:26,539 --> 01:05:29,360
with Lena out of the cafe Madame frou

1612
01:05:28,099 --> 01:05:31,190
frou just to get over it

1613
01:05:29,360 --> 01:05:32,870
hi that was pretty exciting as you know

1614
01:05:31,190 --> 01:05:34,849
I was in an affair bit there boy it was

1615
01:05:32,869 --> 01:05:36,589
hot at two Sheila wasn't it very warm

1616
01:05:34,849 --> 01:05:38,239
there that was something quite spooky

1617
01:05:36,590 --> 01:05:40,400
about that paranormal convention because

1618
01:05:38,239 --> 01:05:41,899
it was so hot we were melting and it was

1619
01:05:40,400 --> 01:05:44,000
great hearing for everybody what they

1620
01:05:41,900 --> 01:05:45,500
believed why they believed and they

1621
01:05:44,000 --> 01:05:47,599
Darius reporting's and things that

1622
01:05:45,500 --> 01:05:49,309
seemed I found it fascinating it was it

1623
01:05:47,599 --> 01:05:50,750
was a good day it was a good day folks I

1624
01:05:49,309 --> 01:05:52,789
always recommend you get our paranormal

1625

01:05:50,750 --> 01:05:56,480
convention I've got the ten sided die

1626
01:05:52,789 --> 01:05:58,699
here may not okay why don't we give it a

1627
01:05:56,480 --> 01:06:01,070
go so folks at home and driving your car

1628
01:05:58,699 --> 01:06:02,689
in commuting and doing the dishes use

1629
01:06:01,070 --> 01:06:06,200
your psychic prediction Maynard's about

1630
01:06:02,690 --> 01:06:08,059
to roll the die looks like a four for

1631
01:06:06,199 --> 01:06:09,559
folks a big fall big four it's the first

1632
01:06:08,059 --> 01:06:11,690
number so I don't know how many people

1633
01:06:09,559 --> 01:06:14,539
got that and the next number is a six a

1634
01:06:11,690 --> 01:06:16,909
big that's 4 and a 6 4 and a 6 now use

1635
01:06:14,539 --> 01:06:19,190
your prediction power one more time may

1636
01:06:16,909 --> 01:06:20,299
not concentrate he's rolling the dice is

1637
01:06:19,190 --> 01:06:21,289
going for the supplementary here of

1638
01:06:20,300 --> 01:06:22,970
course if you've been betting on the

1639
01:06:21,289 --> 01:06:27,619

Melbourne Cup this week you're probably

1640

01:06:22,969 --> 01:06:29,359
still drunk 2 4 6 & 2 is the lucky

1641

01:06:27,619 --> 01:06:32,480
number and I believe we have a winner

1642

01:06:29,360 --> 01:06:34,309
from Westover congratulation our winner

1643

01:06:32,480 --> 01:06:38,780
from West Hobart you mind yourself

1644

01:06:34,309 --> 01:06:40,759
nothing it's the skeptical one more

1645

01:06:38,780 --> 01:06:42,830
descriptive okay I've got the power of

1646

01:06:40,760 --> 01:06:45,530
speech that's amazing wood oh I gotta go

1647

01:06:42,829 --> 01:06:47,119
how about that bitchin she must come

1648

01:06:45,530 --> 01:06:48,710
here for the coffee I think I think he's

1649

01:06:47,119 --> 01:06:50,769
off to waste her bad

1650

01:06:48,710 --> 01:06:50,769
you
