

1
00:00:06,589 --> 00:00:14,138
welcome to the skeptic zone the podcast

2
00:00:09,560 --> 00:00:14,138
from Australia for science and reason

3
00:00:20,339 --> 00:00:27,570
and now we bring you a story of woe and

4
00:00:23,760 --> 00:00:29,160
dread yeah my computer broker press the

5
00:00:27,570 --> 00:00:33,420
on button click click click click click

6
00:00:29,160 --> 00:00:36,719
and it didn't fire up oh no I had all

7
00:00:33,420 --> 00:00:40,289
the zone files on it for this week so

8
00:00:36,719 --> 00:00:43,019
what do I do i resurrect my windows 2000

9
00:00:40,289 --> 00:00:45,448
machine clunk clunk clunk clunk sort of

10
00:00:43,020 --> 00:00:47,129
words into life I can reconstruct the

11
00:00:45,448 --> 00:00:50,698
show from the files that I've been sent

12
00:00:47,128 --> 00:00:53,219
and here it is you may notice the levels

13
00:00:50,698 --> 00:00:54,599
are slightly out this week that's

14
00:00:53,219 --> 00:00:57,269
because I haven't got all my lovely

15
00:00:54,600 --> 00:00:59,250
utilities I normally have to even out

16
00:00:57,270 --> 00:01:01,530
the show please bear with it I hope you

17
00:00:59,250 --> 00:01:03,238
don't mind it's Richard Saunders here

18
00:01:01,530 --> 00:01:08,640
with you once again for the skeptic zone

19
00:01:03,238 --> 00:01:11,609
show number 70 70 oh wow for the 19th of

20
00:01:08,640 --> 00:01:13,500
februari 2010 what an interesting shall

21
00:01:11,609 --> 00:01:15,899
we have for you today we have an

22
00:01:13,500 --> 00:01:18,469
interview with Matthew Baxter from the

23
00:01:15,899 --> 00:01:20,519
Rocky Mountain Paranormal Society

24
00:01:18,469 --> 00:01:23,039
interesting stuff all sorts of

25
00:01:20,519 --> 00:01:23,969
investigations up there Rocky Mountains

26
00:01:23,039 --> 00:01:26,459
I wonder if they ever come across

27
00:01:23,969 --> 00:01:30,060
Bigfoot listen on for the interview

28
00:01:26,459 --> 00:01:32,009
coming up shortly after that we have a

29

00:01:30,060 --> 00:01:35,159
little interlude without good friend

30
00:01:32,009 --> 00:01:37,679
George rub and then it's the return of

31
00:01:35,159 --> 00:01:42,209
dr. Stefan Soyka he's going to tell us

32
00:01:37,679 --> 00:01:44,368
all about doctors without medicine that

33
00:01:42,209 --> 00:01:46,259
should be interesting a couple little

34
00:01:44,368 --> 00:01:48,359
notes to look out for also while you're

35
00:01:46,259 --> 00:01:51,030
surfing the internet please check out

36
00:01:48,359 --> 00:01:53,549
dr. Reggie's blog the skeptics book of

37
00:01:51,030 --> 00:01:55,590
poo poo or the skeptics book and also

38
00:01:53,549 --> 00:01:57,959
the Zoners blog you can reach both of

39
00:01:55,590 --> 00:02:01,349
those from our website at skeptic zone

40
00:01:57,959 --> 00:02:04,200
TV another interesting site that's been

41
00:02:01,349 --> 00:02:07,439
brought to my attention is skeptical

42
00:02:04,200 --> 00:02:11,090
science com where you can download an

43
00:02:07,439 --> 00:02:13,709

iphone app all about global warming

44

00:02:11,090 --> 00:02:16,920

questions answered all sorts of things

45

00:02:13,709 --> 00:02:18,479

iphone app for global warming people

46

00:02:16,919 --> 00:02:21,629

like you and me who are interested in

47

00:02:18,479 --> 00:02:23,729

the topic worth checking out now let me

48

00:02:21,629 --> 00:02:26,189

say how impressed i've been lately with

49

00:02:23,729 --> 00:02:28,518

our colleagues in new zealand and their

50

00:02:26,189 --> 00:02:31,019

excellent work in battling homeopathy

51

00:02:28,519 --> 00:02:33,140

why don't you check out a podcast down

52

00:02:31,019 --> 00:02:34,200

there called the completely unnecessary

53

00:02:33,139 --> 00:02:37,378

skeptical

54

00:02:34,199 --> 00:02:45,209

podcast and that's HTTP colon slash

55

00:02:37,378 --> 00:02:47,399

slash the see you SP dot org dot NZ my

56

00:02:45,209 --> 00:02:49,348

also looking around that area in the

57

00:02:47,400 --> 00:02:54,840

world check out the new zealand skeptics

58
00:02:49,348 --> 00:02:56,789
which is skeptics org dot NZ Vicki hide

59
00:02:54,840 --> 00:02:58,979
is certainly one of our heroines down

60
00:02:56,789 --> 00:03:00,959
there I've been having a lot of fun

61
00:02:58,979 --> 00:03:03,689
lately putting up some of my TV

62
00:03:00,959 --> 00:03:06,420
appearances on YouTube and my youtube

63
00:03:03,689 --> 00:03:08,189
channel is called skeptic zone podcast

64
00:03:06,419 --> 00:03:10,708
over the last few years I've been

65
00:03:08,189 --> 00:03:12,959
popping in and out of TV debating

66
00:03:10,709 --> 00:03:15,539
various people crop circles ghosts

67
00:03:12,959 --> 00:03:18,890
ghosts photography that sort of stuff

68
00:03:15,539 --> 00:03:21,598
and finally those people in Victoria in

69
00:03:18,889 --> 00:03:23,909
mildura there's an interesting new

70
00:03:21,598 --> 00:03:26,129
skeptics in the pub starting up the sun

71
00:03:23,909 --> 00:03:29,879
rays your skeptics in the pub the first

72
00:03:26,129 --> 00:03:33,120
meeting is on the second of march six pm

73
00:03:29,879 --> 00:03:36,500
at o'malley's irish pub my story's irish

74
00:03:33,120 --> 00:03:42,060
pubs in mildura check out the website at

75
00:03:36,500 --> 00:03:45,318
designated thinkers dot blogspot com and

76
00:03:42,060 --> 00:03:49,319
thanks to des horwood for that little

77
00:03:45,318 --> 00:03:50,608
piece of information alright I can't

78
00:03:49,318 --> 00:03:54,318
wait to listen to this interview myself

79
00:03:50,609 --> 00:03:59,420
so sit back grab that champagne and

80
00:03:54,318 --> 00:03:59,419
enjoy this episode of the skeptic zone

81
00:04:10,370 --> 00:04:17,189
I'm Carly Sturgis and I'm talking to

82
00:04:13,769 --> 00:04:18,918
Matthew Baxter Matthew Baxter or just

83
00:04:17,189 --> 00:04:22,288
Baxter as he's referred to as

84
00:04:18,918 --> 00:04:25,469
backgrounds in IT design photo video

85
00:04:22,288 --> 00:04:27,449
editing and paranormal research he's

86

00:04:25,470 --> 00:04:30,060
been actively researching the paranormal

87
00:04:27,449 --> 00:04:33,660
for over 15 years dealing with claims

88
00:04:30,060 --> 00:04:36,120
involving UFOs ghosts demonology fraud

89
00:04:33,660 --> 00:04:38,610
detection psychology and cleansing 'he's

90
00:04:36,120 --> 00:04:40,288
amongst other areas as a member of the

91
00:04:38,610 --> 00:04:43,650
Rocky Mountain Paranormal Research

92
00:04:40,288 --> 00:04:45,300
Society in denver colorado baxter

93
00:04:43,649 --> 00:04:48,089
approaches the research and findings

94
00:04:45,300 --> 00:04:50,490
with a scientific mind first in addition

95
00:04:48,089 --> 00:04:55,978
he is the co-host of the warning radio

96
00:04:50,490 --> 00:04:58,560
show thank you so much for joining me

97
00:04:55,978 --> 00:05:00,629
again baxter because i tried doing this

98
00:04:58,560 --> 00:05:02,098
interview before and i lost it and I

99
00:05:00,629 --> 00:05:03,990
feel awful before I think there's a

100
00:05:02,098 --> 00:05:06,689

gremlin in the system I can certainly

101

00:05:03,990 --> 00:05:09,439

investigate that for you good okay tell

102

00:05:06,689 --> 00:05:13,348

us all about what you investigate well

103

00:05:09,439 --> 00:05:16,439

we are a little different than other

104

00:05:13,348 --> 00:05:18,680

paranormal teams and by we I mean Rocky

105

00:05:16,439 --> 00:05:21,649

Mountain Paranormal Research Society

106

00:05:18,680 --> 00:05:24,720

most teams go in with the intention of

107

00:05:21,649 --> 00:05:27,629

going to catch that ghost or whatever

108

00:05:24,720 --> 00:05:30,389

phenomenon is that they're looking at we

109

00:05:27,629 --> 00:05:35,158

tend to investigate the claim rather

110

00:05:30,389 --> 00:05:36,449

than you know anything like a ghost you

111

00:05:35,158 --> 00:05:38,279

know you can't really go in and

112

00:05:36,449 --> 00:05:40,500

investigate a ghost if you don't even

113

00:05:38,279 --> 00:05:42,719

know if it actually exists so we

114

00:05:40,500 --> 00:05:44,579

investigate what people claim and then

115
00:05:42,720 --> 00:05:48,210
look at what might have caused them to

116
00:05:44,579 --> 00:05:51,329
make the claim and so that that approach

117
00:05:48,209 --> 00:05:55,228
really helps us with keeping an open

118
00:05:51,329 --> 00:05:56,550
mind about the possibilities now you've

119
00:05:55,228 --> 00:05:59,189
been keeping an open mind for a long

120
00:05:56,550 --> 00:06:03,210
time you told me you've been doing UFO

121
00:05:59,189 --> 00:06:05,098
investigations in particular since 1993

122
00:06:03,209 --> 00:06:07,468
that's when I that's when I really

123
00:06:05,098 --> 00:06:11,248
started with paranormal research and I

124
00:06:07,468 --> 00:06:13,618
did start off with the UFO international

125
00:06:11,249 --> 00:06:17,609
association was the group that I had

126
00:06:13,619 --> 00:06:20,009
originally joined and then I dropped out

127
00:06:17,608 --> 00:06:21,748
of that and started doing the ghost

128
00:06:20,009 --> 00:06:24,569
hunting side of things a little bit more

129
00:06:21,749 --> 00:06:27,059
prominently in late two thousand one

130
00:06:24,569 --> 00:06:29,069
early two thousand two and it was very

131
00:06:27,059 --> 00:06:30,679
shortly after that that I joined Rocky

132
00:06:29,069 --> 00:06:32,848
Mountain Paranormal Research Society

133
00:06:30,678 --> 00:06:36,058
when you're when you're doing something

134
00:06:32,848 --> 00:06:37,558
like researching the paranormal you you

135
00:06:36,059 --> 00:06:40,199
have to be aware that there's a lot of

136
00:06:37,559 --> 00:06:41,459
dangers involved and I'm not talking I'm

137
00:06:40,199 --> 00:06:43,528
well I'm not talking about the kind of

138
00:06:41,459 --> 00:06:45,658
dangers where oh you should surround

139
00:06:43,528 --> 00:06:47,249
yourself with us bubble of white light

140
00:06:45,658 --> 00:06:50,728
and all that kind of stuff I'm talking

141
00:06:47,249 --> 00:06:53,899
about a lot of the places that you're

142
00:06:50,728 --> 00:06:56,908
encouraged to go to investigate our old

143

00:06:53,899 --> 00:06:59,999
properties and there could be a lot of

144
00:06:56,908 --> 00:07:02,668
dangers in just wandering around in

145
00:06:59,999 --> 00:07:03,659
places you probably shouldn't be so

146
00:07:02,668 --> 00:07:05,278
really if you're going to be doing

147
00:07:03,658 --> 00:07:07,769
something like that don't don't do it

148
00:07:05,278 --> 00:07:11,749
alone you know go to investigate the

149
00:07:07,769 --> 00:07:14,069
legend of some old bridge somewhere and

150
00:07:11,749 --> 00:07:15,869
there's just too many things that can

151
00:07:14,069 --> 00:07:17,189
happen I mean you can fall and hurt

152
00:07:15,869 --> 00:07:20,279
yourself and there you are all by

153
00:07:17,189 --> 00:07:22,439
yourself so it's a really good idea to

154
00:07:20,278 --> 00:07:25,079
make sure you join a group and then you

155
00:07:22,439 --> 00:07:28,619
can pool your knowledge and resources

156
00:07:25,079 --> 00:07:31,769
and intuitions and all these different

157
00:07:28,619 --> 00:07:33,509

things and I don't mean intuitions as in

158

00:07:31,769 --> 00:07:39,689

being an intuitive otherwise known as a

159

00:07:33,509 --> 00:07:41,309

psychic but more of your gut feelings

160

00:07:39,689 --> 00:07:43,559

you know if you feel like maybe we ought

161

00:07:41,309 --> 00:07:45,029

to not be here because you know the

162

00:07:43,559 --> 00:07:47,069

police are on their way you know that's

163

00:07:45,028 --> 00:07:48,298

a good intuition to have yeah I read on

164

00:07:47,069 --> 00:07:51,179

your site that you were the one who

165

00:07:48,298 --> 00:07:55,288

owned an EMF detector and it was a big

166

00:07:51,178 --> 00:07:59,998

factor in being a member well before I

167

00:07:55,288 --> 00:08:01,738

had joined my first ghost group I did

168

00:07:59,999 --> 00:08:04,499

feel that I needed to get some some

169

00:08:01,738 --> 00:08:08,848

equipment so I purchased a natural

170

00:08:04,499 --> 00:08:11,759

Trifield natural EMF detector and you

171

00:08:08,848 --> 00:08:13,860

know digital cameras and various things

172
00:08:11,759 --> 00:08:16,799
like that you know the security video

173
00:08:13,860 --> 00:08:20,778
cameras and all that kind of stuff so

174
00:08:16,798 --> 00:08:25,120
when I joined my first group they were

175
00:08:20,778 --> 00:08:29,439
much more of the believer

176
00:08:25,120 --> 00:08:32,110
mindset and they really were at odds

177
00:08:29,439 --> 00:08:34,838
with this other gentleman in town that

178
00:08:32,110 --> 00:08:37,210
was a very large skeptic he ran his own

179
00:08:34,839 --> 00:08:39,729
group and he was a very big skeptic and

180
00:08:37,210 --> 00:08:44,350
he kept throwing out things like Occam's

181
00:08:39,729 --> 00:08:48,970
razor abdom how do I know I know she was

182
00:08:44,350 --> 00:08:51,759
just being a complete bastard and since

183
00:08:48,970 --> 00:08:54,700
i came in with this scientific device

184
00:08:51,759 --> 00:08:56,649
they thought ah he's got a science mind

185
00:08:54,700 --> 00:08:59,350
he'll be perfect to battle against this

186
00:08:56,649 --> 00:09:02,500
evil person and this this evil person

187
00:08:59,350 --> 00:09:03,700
turned out to be Brian Bonner ahead of

188
00:09:02,500 --> 00:09:08,019
the Rocky Mountain Paranormal Research

189
00:09:03,700 --> 00:09:10,600
Society and oddly enough after I kept

190
00:09:08,019 --> 00:09:15,730
debunking the evidence of the team I was

191
00:09:10,600 --> 00:09:17,950
on they kicked me out and so well I went

192
00:09:15,730 --> 00:09:20,050
I went and had a discussion with this

193
00:09:17,950 --> 00:09:22,120
horrible Brian Bonner and found out that

194
00:09:20,049 --> 00:09:24,849
I am every bit as horrible as he is oh

195
00:09:22,120 --> 00:09:27,820
that's good unity in in horribleness I

196
00:09:24,850 --> 00:09:30,580
mean yeah what else likely yeah how did

197
00:09:27,820 --> 00:09:34,900
your paranormal radio show begin well

198
00:09:30,580 --> 00:09:36,879
actually I was at one point watching

199
00:09:34,899 --> 00:09:41,379
this this movie that had just come out

200

00:09:36,879 --> 00:09:43,750
called 1408 Stephen King movie and in

201
00:09:41,379 --> 00:09:47,230
this movie the the main character is a

202
00:09:43,750 --> 00:09:50,528
very skeptical gentleman but he loves to

203
00:09:47,230 --> 00:09:54,399
do paranormal investigation and then

204
00:09:50,528 --> 00:09:56,528
report back what he finds to a large

205
00:09:54,399 --> 00:10:03,220
number of people the books he would

206
00:09:56,528 --> 00:10:06,278
write very yes yes so I it just struck

207
00:10:03,220 --> 00:10:08,920
me that what we do as a paranormal

208
00:10:06,278 --> 00:10:12,580
research team is different than what

209
00:10:08,919 --> 00:10:15,039
everybody else is doing so I decided at

210
00:10:12,580 --> 00:10:16,690
that moment that we needed to start an

211
00:10:15,039 --> 00:10:19,329
internet radio show so we could actually

212
00:10:16,690 --> 00:10:21,790
let people know what it is we do what

213
00:10:19,330 --> 00:10:23,709
our viewpoints are and maybe educate

214
00:10:21,789 --> 00:10:27,099

them on some of the mistakes they're

215

00:10:23,708 --> 00:10:30,250

making and it was originally focused for

216

00:10:27,100 --> 00:10:33,159

the rest of the paranormal community you

217

00:10:30,250 --> 00:10:35,200

know is try to to bring some of them in

218

00:10:33,159 --> 00:10:37,750

and educate them as to some of the

219

00:10:35,200 --> 00:10:39,519

mistakes they were making it turned out

220

00:10:37,750 --> 00:10:42,409

that over time

221

00:10:39,519 --> 00:10:46,369

we had had some guests on such as James

222

00:10:42,409 --> 00:10:51,259

Randi and and James under down and DJ

223

00:10:46,369 --> 00:10:53,660

Grothe along with Lloyd arbok who is a

224

00:10:51,259 --> 00:10:55,369

big paranormal investigator here and

225

00:10:53,659 --> 00:10:58,669

several others and we really began to

226

00:10:55,369 --> 00:11:01,069

realize that we enjoyed talking to the

227

00:10:58,669 --> 00:11:04,789

skeptics far more than we did the

228

00:11:01,068 --> 00:11:07,399

paranormal believers and in fact we

229
00:11:04,789 --> 00:11:10,248
would have most of our hair pulled out

230
00:11:07,399 --> 00:11:13,220
at the end of the paranormal believer

231
00:11:10,249 --> 00:11:15,470
interviews and we would find ourselves

232
00:11:13,220 --> 00:11:17,720
overjoyed it in great moods after we had

233
00:11:15,470 --> 00:11:21,879
interviewed skeptics so needless to say

234
00:11:17,720 --> 00:11:24,678
we don't interview the believers anymore

235
00:11:21,879 --> 00:11:27,319
we we try to reach out to them and talk

236
00:11:24,678 --> 00:11:29,480
to them and and do as much you know

237
00:11:27,318 --> 00:11:32,719
community outreach and grassroots type

238
00:11:29,480 --> 00:11:35,028
education as we can but we tend to

239
00:11:32,720 --> 00:11:36,920
interview people that we like now

240
00:11:35,028 --> 00:11:38,178
because you know it's our show we're not

241
00:11:36,919 --> 00:11:39,740
getting paid for it so we're going to

242
00:11:38,178 --> 00:11:41,448
make sure we have fun it's a nice

243
00:11:39,740 --> 00:11:43,730
challenge to the grumpy skeptic

244
00:11:41,448 --> 00:11:46,519
stereotyped as well by having a fun show

245
00:11:43,730 --> 00:11:48,428
that talks to skeptics isn't yes yes

246
00:11:46,519 --> 00:11:51,730
because it is such a prevalent

247
00:11:48,428 --> 00:11:56,659
stereotype and I think that stereotype

248
00:11:51,730 --> 00:11:59,539
was started by both James Randi and Joe

249
00:11:56,659 --> 00:12:02,208
Nickell but not it wasn't their fault

250
00:11:59,539 --> 00:12:04,278
yeah it was that's how the the

251
00:12:02,208 --> 00:12:07,808
documentaries that featured them would

252
00:12:04,278 --> 00:12:10,068
betray them they would always be and

253
00:12:07,808 --> 00:12:11,808
this is a phrase that you're very

254
00:12:10,068 --> 00:12:16,128
familiar with they were always the token

255
00:12:11,808 --> 00:12:18,860
skeptic and they would have certain no

256
00:12:16,129 --> 00:12:20,959
time to speak so you know there would be

257

00:12:18,860 --> 00:12:24,339
these tales of all these wonderful

258
00:12:20,958 --> 00:12:29,388
paranormal happenings and it was such a

259
00:12:24,339 --> 00:12:31,670
an intriguing sort of story and then you

260
00:12:29,389 --> 00:12:33,589
would have the skeptic going no he's not

261
00:12:31,669 --> 00:12:34,909
real and then that's it the rest would

262
00:12:33,589 --> 00:12:38,329
be on the cutting room floor from the

263
00:12:34,909 --> 00:12:39,708
skeptic so they it really did start to

264
00:12:38,328 --> 00:12:42,769
be that that's what they are they're

265
00:12:39,708 --> 00:12:44,899
grumpy old men and and it's too bad i

266
00:12:42,769 --> 00:12:46,490
mean i've met both james randi and joe

267
00:12:44,899 --> 00:12:50,269
nickell and they're both fantastic

268
00:12:46,490 --> 00:12:52,548
people very funny and and full of life

269
00:12:50,269 --> 00:12:52,850
and they're just great to be around and

270
00:12:52,548 --> 00:12:54,500
I think

271
00:12:52,850 --> 00:12:56,300

it's a shame that that stereotype is so

272

00:12:54,500 --> 00:12:58,309

prevalent yeah I had the chance to hang

273

00:12:56,299 --> 00:13:00,588

around Joe Nickell when I was at Dragon

274

00:12:58,309 --> 00:13:04,578

Con last and he is full of fabulous

275

00:13:00,589 --> 00:13:06,709

stories he's real edgy yes is the Rocky

276

00:13:04,578 --> 00:13:08,958

Mountain Paranormal Research Society is

277

00:13:06,708 --> 00:13:11,000

one really proactive group because

278

00:13:08,958 --> 00:13:13,309

you're even creating videos that you put

279

00:13:11,000 --> 00:13:17,360

online in challenge of certain people's

280

00:13:13,309 --> 00:13:20,689

claims can you tell us about that well I

281

00:13:17,360 --> 00:13:23,089

would say the the first real video that

282

00:13:20,690 --> 00:13:27,199

we put out was the alien in the window

283

00:13:23,089 --> 00:13:30,470

video which yeah it gained worldwide

284

00:13:27,198 --> 00:13:33,409

fame in a very short amount of time in

285

00:13:30,470 --> 00:13:36,410

fact the the server that's hosting our

286
00:13:33,409 --> 00:13:39,740
website is a very large company and the

287
00:13:36,409 --> 00:13:42,969
night that we put it up the following

288
00:13:39,740 --> 00:13:45,470
night I was on Larry King Live and

289
00:13:42,970 --> 00:13:49,278
everybody started hitting that video and

290
00:13:45,470 --> 00:13:52,490
needless to say the site was was knocked

291
00:13:49,278 --> 00:13:55,669
down because of the over million hits we

292
00:13:52,490 --> 00:13:57,289
received that night and it was it was

293
00:13:55,669 --> 00:14:00,159
crazy but what had happened is there was

294
00:13:57,289 --> 00:14:03,588
a gentleman by the name of stan romanek

295
00:14:00,159 --> 00:14:07,159
who we had been following for probably

296
00:14:03,589 --> 00:14:09,920
six years at that point and he claims to

297
00:14:07,159 --> 00:14:13,240
have the most documented abductions

298
00:14:09,919 --> 00:14:15,500
alien abduction story ever in history

299
00:14:13,240 --> 00:14:18,289
apparently he didn't know too much about

300
00:14:15,500 --> 00:14:20,659
billy meier because I think Billy Meyer

301
00:14:18,289 --> 00:14:22,399
has actually the most documented story

302
00:14:20,659 --> 00:14:25,549
that's already been debunked several

303
00:14:22,399 --> 00:14:28,100
times but stan romanek you know seemed

304
00:14:25,549 --> 00:14:30,258
fairly harmless to us i mean we watched

305
00:14:28,100 --> 00:14:31,699
him and he was a complete fraud we knew

306
00:14:30,259 --> 00:14:33,949
what he was doing we would attend his

307
00:14:31,698 --> 00:14:36,588
lectures and be able to see right

308
00:14:33,948 --> 00:14:39,469
through the Sham but the only people he

309
00:14:36,589 --> 00:14:42,050
was talking to were just other people in

310
00:14:39,470 --> 00:14:44,629
the UFO community that were already

311
00:14:42,049 --> 00:14:46,879
believers they were already conspiracy

312
00:14:44,629 --> 00:14:49,039
theorists and the government's are all

313
00:14:46,879 --> 00:14:52,009
horrible and hiding the truth from us

314

00:14:49,039 --> 00:14:54,198
and and all the typical stuff so there's

315
00:14:52,009 --> 00:14:57,199
really no reason to take him down at

316
00:14:54,198 --> 00:14:58,849
that point because he stayed within his

317
00:14:57,198 --> 00:15:02,028
own and they weren't going to be

318
00:14:58,850 --> 00:15:04,278
convinced any way by us so we just kind

319
00:15:02,028 --> 00:15:06,620
of sat on it and watched him well one

320
00:15:04,278 --> 00:15:08,629
day he gets someone at

321
00:15:06,620 --> 00:15:10,940
in his lecture that gets quite

322
00:15:08,629 --> 00:15:13,309
frightened by the fake video of an alien

323
00:15:10,940 --> 00:15:16,490
looking in the window and he decides

324
00:15:13,309 --> 00:15:20,689
that he's going to create an ET Affairs

325
00:15:16,490 --> 00:15:22,340
Commission in denver colorado so he gets

326
00:15:20,690 --> 00:15:26,230
it he tries to get it put on the ballot

327
00:15:22,340 --> 00:15:29,450
and he's going to make a big press

328
00:15:26,230 --> 00:15:32,539

announcement and the press can come and

329

00:15:29,450 --> 00:15:36,790

watch this video and its definitive

330

00:15:32,539 --> 00:15:39,740

proof it is the smoking gun to show that

331

00:15:36,789 --> 00:15:42,079

aliens are here among us and this is why

332

00:15:39,740 --> 00:15:44,810

we need this commission so on the night

333

00:15:42,080 --> 00:15:47,480

before he's going to do this it becomes

334

00:15:44,809 --> 00:15:50,389

big news we hear about it and we hear

335

00:15:47,480 --> 00:15:53,779

that this video cannot be faked because

336

00:15:50,389 --> 00:15:58,850

it is it's so perfect and organic

337

00:15:53,779 --> 00:16:01,339

looking and it would take a \$50,000 to

338

00:15:58,850 --> 00:16:03,320

fake this and so what we did is we

339

00:16:01,340 --> 00:16:05,060

immediately knew which video he was

340

00:16:03,320 --> 00:16:06,350

talking about you know he was trying to

341

00:16:05,059 --> 00:16:08,059

be very tight-lipped about everything

342

00:16:06,350 --> 00:16:10,430

but we knew exactly what he was talking

343
00:16:08,059 --> 00:16:15,739
about so we went out we rented a an

344
00:16:10,429 --> 00:16:17,089
alien from a costume shop and we put the

345
00:16:15,740 --> 00:16:18,889
whole thing together including the

346
00:16:17,090 --> 00:16:21,860
website we replicated several other

347
00:16:18,889 --> 00:16:24,529
pieces of stan romanek sevens several

348
00:16:21,860 --> 00:16:26,810
other videos he's got and we did it all

349
00:16:24,529 --> 00:16:28,939
in one night for \$90 and that's

350
00:16:26,809 --> 00:16:30,609
including the cost of the domain name

351
00:16:28,940 --> 00:16:33,140
that's the alien rental that's

352
00:16:30,610 --> 00:16:36,200
everything even though fee for everyone

353
00:16:33,139 --> 00:16:39,080
after it's all done exactly exactly it

354
00:16:36,200 --> 00:16:41,330
was just that was it and I said by the

355
00:16:39,080 --> 00:16:43,610
next day was it was huge news when you

356
00:16:41,330 --> 00:16:46,490
compare the two videos side by side ours

357
00:16:43,610 --> 00:16:47,840
is actually far superior to his and

358
00:16:46,490 --> 00:16:50,240
that's the important thing you got to

359
00:16:47,840 --> 00:16:52,600
show them how to do it yeah exactly if

360
00:16:50,240 --> 00:16:55,039
you want to fake something come to us

361
00:16:52,600 --> 00:16:56,600
now there's the serious side of this

362
00:16:55,039 --> 00:16:58,969
because you've mentioned that this has

363
00:16:56,600 --> 00:17:02,060
created fear and worry amongst members

364
00:16:58,970 --> 00:17:03,860
of the public and since that time you've

365
00:17:02,059 --> 00:17:06,319
had a little bit more worried in regards

366
00:17:03,860 --> 00:17:09,079
to how politics and UFO belief have

367
00:17:06,319 --> 00:17:11,929
crossed over how serious is it getting

368
00:17:09,079 --> 00:17:15,649
over there in Denver well it is a pretty

369
00:17:11,930 --> 00:17:20,589
serious thing for all of the paranormal

370
00:17:15,650 --> 00:17:22,659
in general people tend to be so ready

371

00:17:20,588 --> 00:17:26,230
to leap to a paranormal explanation

372
00:17:22,659 --> 00:17:30,490
because of the the amount of it that's

373
00:17:26,230 --> 00:17:33,880
on TV it's being accepted as fact you

374
00:17:30,490 --> 00:17:37,058
see the a bug crawl across to security

375
00:17:33,880 --> 00:17:41,440
camera and it's a ghost and it's been

376
00:17:37,058 --> 00:17:46,089
shown as news on CNN you've got you know

377
00:17:41,440 --> 00:17:51,519
there some backwoods idiots in Georgia

378
00:17:46,089 --> 00:17:53,859
that basically shove a gorilla costume

379
00:17:51,519 --> 00:17:56,918
in a cooler and say that they've got a

380
00:17:53,859 --> 00:17:59,859
decaying carcass of Bigfoot and it's

381
00:17:56,919 --> 00:18:02,259
news nobody's trying to debunk it of

382
00:17:59,859 --> 00:18:03,278
these these journalists none of them are

383
00:18:02,259 --> 00:18:05,079
trying to debunk it they're just

384
00:18:03,278 --> 00:18:08,079
presenting this is news a Bigfoot has

385
00:18:05,079 --> 00:18:12,189

been found and then we have the ranchers

386

00:18:08,079 --> 00:18:14,408

that get the mutilated cattle and it's

387

00:18:12,190 --> 00:18:18,250

like the aliens are here you know the

388

00:18:14,409 --> 00:18:21,130

only expert they got was a UFO believer

389

00:18:18,250 --> 00:18:24,669

that said well this cattle mutilation

390

00:18:21,130 --> 00:18:27,100

could not have been a human and it

391

00:18:24,669 --> 00:18:30,669

couldn't have been a predator the only

392

00:18:27,099 --> 00:18:32,648

thing that's left is aliens that's why

393

00:18:30,669 --> 00:18:34,929

that paranormal research group becomes

394

00:18:32,648 --> 00:18:37,658

more and more important as a opportunity

395

00:18:34,929 --> 00:18:39,460

to the media to contact absolutely i

396

00:18:37,659 --> 00:18:42,820

mean because what kind of an asinine

397

00:18:39,460 --> 00:18:46,538

statement is that you've got three

398

00:18:42,819 --> 00:18:48,819

choices humans predators and aliens and

399

00:18:46,538 --> 00:18:50,379

simply because he says so it couldn't

400
00:18:48,819 --> 00:18:53,230
get first two although there are many

401
00:18:50,380 --> 00:18:54,580
other possibilities so it's really

402
00:18:53,230 --> 00:18:57,149
disappointing to see how the media is

403
00:18:54,579 --> 00:19:00,908
handling this they're they're just

404
00:18:57,148 --> 00:19:04,000
looking for sensationalism so the people

405
00:19:00,909 --> 00:19:05,470
are really on edge you know they're

406
00:19:04,000 --> 00:19:08,500
they're believing what they're seeing on

407
00:19:05,470 --> 00:19:11,620
TV we get phone calls in the middle of

408
00:19:08,500 --> 00:19:14,619
the night because the demon that is

409
00:19:11,619 --> 00:19:17,079
chasing around Ryan on paranora ya

410
00:19:14,619 --> 00:19:19,058
paranormal state is now in their house

411
00:19:17,079 --> 00:19:20,619
tormenting them because they just

412
00:19:19,058 --> 00:19:22,240
watched an episode of paranormal state

413
00:19:20,619 --> 00:19:25,839
and they know that that demon is in

414
00:19:22,240 --> 00:19:28,089
their house too and then you've got the

415
00:19:25,839 --> 00:19:30,158
huge number of paranormal teams that are

416
00:19:28,089 --> 00:19:31,658
being spawned from this when Rocky

417
00:19:30,159 --> 00:19:34,300
Mountain paranormal was started there

418
00:19:31,659 --> 00:19:35,950
were three teams in the Denver area

419
00:19:34,299 --> 00:19:39,879
there are now well over a hundred and

420
00:19:35,950 --> 00:19:41,830
forty and they are running around yeah

421
00:19:39,880 --> 00:19:43,570
they're running around terrifying people

422
00:19:41,829 --> 00:19:45,549
we get the phone call at three in the

423
00:19:43,569 --> 00:19:47,589
morning we're so sorry we didn't call

424
00:19:45,549 --> 00:19:50,289
you first this other team was in our

425
00:19:47,589 --> 00:19:52,179
house and they say we have demons and

426
00:19:50,289 --> 00:19:55,389
and then they just left we don't know

427
00:19:52,180 --> 00:19:58,720
what to do so we're running around

428

00:19:55,390 --> 00:20:02,410
putting out fires and it's it's really

429
00:19:58,720 --> 00:20:05,559
sad to watch this happen but we're

430
00:20:02,410 --> 00:20:09,810
working hard to educate the public we do

431
00:20:05,559 --> 00:20:13,269
a lot of lectures for school kids

432
00:20:09,809 --> 00:20:15,460
teachers are smart enough to bring us

433
00:20:13,269 --> 00:20:16,720
into give lectures about it and to

434
00:20:15,460 --> 00:20:19,329
understand that what they're seeing on

435
00:20:16,720 --> 00:20:20,740
TV is not necessarily real and maybe

436
00:20:19,329 --> 00:20:24,099
they ought to think twice about what

437
00:20:20,740 --> 00:20:27,579
they see and what they're told and it's

438
00:20:24,099 --> 00:20:29,889
we do see it having an impact so we're

439
00:20:27,579 --> 00:20:32,649
very happy about that I can see a lot of

440
00:20:29,890 --> 00:20:35,920
organization in this and obviously a lot

441
00:20:32,650 --> 00:20:38,350
of community outreach and planning in

442
00:20:35,920 --> 00:20:40,960

order to make yourselves these sorts of

443

00:20:38,349 --> 00:20:45,189

people who can be contacted how easy is

444

00:20:40,960 --> 00:20:48,100

it to become contacted by the media the

445

00:20:45,190 --> 00:20:50,170

media really well first they love to

446

00:20:48,099 --> 00:20:53,919

contact us when it gets around Halloween

447

00:20:50,170 --> 00:20:57,519

and I know that Halloween isn't as big

448

00:20:53,920 --> 00:20:59,680

and Australia but it is ridiculous here

449

00:20:57,519 --> 00:21:02,740

in America it's a big money earner isn't

450

00:20:59,680 --> 00:21:05,650

it first off oh very much yes very much

451

00:21:02,740 --> 00:21:07,210

so it has become the opportunity for

452

00:21:05,650 --> 00:21:12,280

adults to really behave like children

453

00:21:07,210 --> 00:21:14,860

and which is great I love the idea of

454

00:21:12,279 --> 00:21:18,039

that and Halloween always used to be my

455

00:21:14,859 --> 00:21:20,199

favorite holiday because I got to behave

456

00:21:18,039 --> 00:21:22,950

as much like a child as I possibly could

457
00:21:20,200 --> 00:21:26,529
and now that I'm a paranormal researcher

458
00:21:22,950 --> 00:21:28,809
I don't get to do that anymore I would

459
00:21:26,529 --> 00:21:31,629
say for the entire month of October and

460
00:21:28,809 --> 00:21:35,559
most of November we are working

461
00:21:31,630 --> 00:21:39,160
constantly doing media appearances and

462
00:21:35,559 --> 00:21:41,379
trying to put a stop to a lot of what's

463
00:21:39,160 --> 00:21:44,980
going on and the media loves us around

464
00:21:41,380 --> 00:21:47,890
this time of year so we really we do get

465
00:21:44,980 --> 00:21:50,710
contacted quite a bit more

466
00:21:47,890 --> 00:21:52,720
than we used to so we're we're on we're

467
00:21:50,710 --> 00:21:54,730
on TV quite a bit what sort of things

468
00:21:52,720 --> 00:21:56,950
can make you stand out and you would

469
00:21:54,730 --> 00:21:59,950
suggest to others might consider well

470
00:21:56,950 --> 00:22:02,529
one thing that that may be a first will

471
00:21:59,950 --> 00:22:04,240
seem counterintuitive but one of the

472
00:22:02,529 --> 00:22:07,389
things we do is we make darn sure

473
00:22:04,240 --> 00:22:12,370
everybody knows that there are no

474
00:22:07,390 --> 00:22:14,860
experts and that's that's us included

475
00:22:12,369 --> 00:22:18,129
there are absolutely no experts but what

476
00:22:14,859 --> 00:22:22,149
they do need to do is stop don't listen

477
00:22:18,130 --> 00:22:24,580
to what anybody is saying of and just

478
00:22:22,150 --> 00:22:27,430
take it on blind faith well what they

479
00:22:24,579 --> 00:22:28,990
need to do is stop and think about it

480
00:22:27,430 --> 00:22:31,690
twice think about what other

481
00:22:28,990 --> 00:22:33,880
possibilities there are we try to show

482
00:22:31,690 --> 00:22:38,140
them that there's sort of a graph in

483
00:22:33,880 --> 00:22:41,290
front of them and what they have what

484
00:22:38,140 --> 00:22:44,770
the graph represents is say a paranormal

485

00:22:41,289 --> 00:22:48,789
claim now on on the right side of this

486
00:22:44,769 --> 00:22:51,970
graph is the most obvious solution it is

487
00:22:48,789 --> 00:22:55,139
Occam's razor it's the simplest solution

488
00:22:51,970 --> 00:22:58,450
on the left side of the graft graph is

489
00:22:55,140 --> 00:23:00,759
the paranormal explanation and there's

490
00:22:58,450 --> 00:23:03,940
tick marks all the way down it you you

491
00:23:00,759 --> 00:23:06,069
cannot jump to the paranormal

492
00:23:03,940 --> 00:23:08,799
explanation you have to start down at

493
00:23:06,069 --> 00:23:10,929
the simple end and eliminate the

494
00:23:08,799 --> 00:23:13,089
possibilities and when you cannot

495
00:23:10,930 --> 00:23:16,090
eliminate a possibility that's where you

496
00:23:13,089 --> 00:23:17,889
stop you do not just automatically jump

497
00:23:16,089 --> 00:23:20,259
all the possibilities and choose

498
00:23:17,890 --> 00:23:22,240
paranormal for the explanation and this

499
00:23:20,259 --> 00:23:25,420

is the the route that most people are

500

00:23:22,240 --> 00:23:28,240

not going you have to the paranormal can

501

00:23:25,420 --> 00:23:31,029

only be the explanation when everything

502

00:23:28,240 --> 00:23:34,089

else has been eliminated then all you're

503

00:23:31,029 --> 00:23:35,829

left with is that as a solution or an

504

00:23:34,089 --> 00:23:37,149

explanation but nobody's doing that

505

00:23:35,829 --> 00:23:40,210

they're just jumping right to the

506

00:23:37,150 --> 00:23:41,650

paranormal explanation so that's that's

507

00:23:40,210 --> 00:23:45,490

one of the things we really try to teach

508

00:23:41,650 --> 00:23:48,640

people in terms of our expertise we have

509

00:23:45,490 --> 00:23:53,650

all sorts of different things in our

510

00:23:48,640 --> 00:23:57,390

backgrounds I am a computer expert and

511

00:23:53,650 --> 00:24:01,630

both hardware and software I'm also

512

00:23:57,390 --> 00:24:05,700

audio engineer and producer

513

00:24:01,630 --> 00:24:09,940

a lot of video expertise along with

514
00:24:05,700 --> 00:24:12,549
photography I've been trained to do EMF

515
00:24:09,940 --> 00:24:14,590
field surveys a lot of things in those

516
00:24:12,549 --> 00:24:17,440
areas I've done a lot of research on

517
00:24:14,589 --> 00:24:20,589
world religions different beliefs

518
00:24:17,440 --> 00:24:22,960
metaphysical beliefs and I think one of

519
00:24:20,589 --> 00:24:27,599
the most important ones is that I was a

520
00:24:22,960 --> 00:24:31,600
believer at one stage and that being in

521
00:24:27,599 --> 00:24:33,969
that frame of mind and remembering what

522
00:24:31,599 --> 00:24:36,009
it was like really helps me to identify

523
00:24:33,970 --> 00:24:39,220
with what these people are going through

524
00:24:36,009 --> 00:24:42,430
and it does make a big difference now

525
00:24:39,220 --> 00:24:45,519
now Brian he's a photography expert

526
00:24:42,430 --> 00:24:48,640
teaches Photoshop classes trained to do

527
00:24:45,519 --> 00:24:50,950
electromagnetic field surveys we both

528
00:24:48,640 --> 00:24:52,450
have certifications with thermal cameras

529
00:24:50,950 --> 00:24:55,870
which is why we know that they're

530
00:24:52,450 --> 00:24:58,150
worthless in this field and you know

531
00:24:55,869 --> 00:25:02,909
it's just we both have a pretty wide

532
00:24:58,150 --> 00:25:06,820
range of certifications and education in

533
00:25:02,910 --> 00:25:08,920
related fields so yeah almost any field

534
00:25:06,819 --> 00:25:12,009
can be related even if you're a plumber

535
00:25:08,920 --> 00:25:13,420
it can come in handy okay watch out for

536
00:25:12,009 --> 00:25:16,960
that he's not going down the line the

537
00:25:13,420 --> 00:25:19,269
plumbers own but it's true I mean being

538
00:25:16,960 --> 00:25:22,539
a plumber is actually a good credential

539
00:25:19,269 --> 00:25:26,619
to have for this type of investigation

540
00:25:22,539 --> 00:25:28,869
but it has to be part of what of what

541
00:25:26,619 --> 00:25:30,189
you do I mean you have to take in that

542

00:25:28,869 --> 00:25:33,699
the things that you know as a plumber

543
00:25:30,190 --> 00:25:35,410
you need to be able to use use that

544
00:25:33,700 --> 00:25:37,480
knowledge you know if you hear a

545
00:25:35,410 --> 00:25:42,070
familiar sound and you know that sound

546
00:25:37,480 --> 00:25:44,890
because it's the sound of a bracket not

547
00:25:42,069 --> 00:25:46,000
being on a pipe correctly then that's

548
00:25:44,890 --> 00:25:47,470
that's something you can solve

549
00:25:46,000 --> 00:25:50,019
immediately because of your experience

550
00:25:47,470 --> 00:25:51,759
as a plumber and there are a lot of

551
00:25:50,019 --> 00:25:53,470
things like that when you're dealing

552
00:25:51,759 --> 00:25:55,420
with people's residences that being a

553
00:25:53,470 --> 00:25:57,700
plumber is very handy but if you're not

554
00:25:55,420 --> 00:26:00,039
using critical thought then it doesn't

555
00:25:57,700 --> 00:26:01,809
matter what your profession is your

556
00:26:00,039 --> 00:26:03,879

you're going to give idiot responses no

557

00:26:01,809 --> 00:26:06,220

matter what you know if it's if it's any

558

00:26:03,880 --> 00:26:07,750

sort of technical field the odds are

559

00:26:06,220 --> 00:26:10,569

you're going to be able to use the

560

00:26:07,750 --> 00:26:13,089

knowledge in some way and that's a great

561

00:26:10,569 --> 00:26:14,819

start because then it gives you that

562

00:26:13,089 --> 00:26:16,408

that

563

00:26:14,819 --> 00:26:19,408

let's say that that sort of procedural

564

00:26:16,409 --> 00:26:21,360

mindset that if you think about all of

565

00:26:19,409 --> 00:26:24,389

your tools for what they were originally

566

00:26:21,359 --> 00:26:27,000

designed for rather than looking at them

567

00:26:24,388 --> 00:26:29,008

as ghost hunting tools you know you

568

00:26:27,000 --> 00:26:32,519

don't use a camera as a ghost hunting

569

00:26:29,009 --> 00:26:34,710

tool it is a documentation tool audio

570

00:26:32,519 --> 00:26:38,009

recording is not a ghost hunting tool

571
00:26:34,710 --> 00:26:40,019
it's a documentation tool so you really

572
00:26:38,009 --> 00:26:43,048
get into the mindset of documenting

573
00:26:40,019 --> 00:26:46,528
things to find the truth rather than

574
00:26:43,048 --> 00:26:48,898
running out with your ghost detector now

575
00:26:46,528 --> 00:26:51,419
speaking of people detecting things

576
00:26:48,898 --> 00:26:53,908
which might not be there Jeff Pakman

577
00:26:51,419 --> 00:26:56,220
I've read about him back in 2008 he

578
00:26:53,909 --> 00:26:58,710
created a extraterrestrial Affairs

579
00:26:56,220 --> 00:27:01,860
Commission in Denver how has that

580
00:26:58,710 --> 00:27:06,480
continued on since that time well Jeff

581
00:27:01,859 --> 00:27:09,209
Pakman needed to get 4,000 signatures to

582
00:27:06,480 --> 00:27:13,558
get his et Affairs Commission on the

583
00:27:09,210 --> 00:27:18,569
city of Denver ballot to be voted on

584
00:27:13,558 --> 00:27:21,418
that year he has failed every time to

585
00:27:18,569 --> 00:27:23,189
get the needed number of signatures he

586
00:27:21,419 --> 00:27:26,460
would usually get around three or four

587
00:27:23,190 --> 00:27:28,110
hundred of the 4,000 that he needed it's

588
00:27:26,460 --> 00:27:30,179
still a significant number isn't it

589
00:27:28,109 --> 00:27:33,898
people saying we need to investigate

590
00:27:30,179 --> 00:27:37,340
aliens as part of our public policy well

591
00:27:33,898 --> 00:27:43,199
let me let me read you just a very quick

592
00:27:37,339 --> 00:27:48,028
quote that was just sent now first off I

593
00:27:43,200 --> 00:27:51,710
have to tell you that he ended up hiring

594
00:27:48,028 --> 00:27:55,079
a company to acquire the signatures and

595
00:27:51,710 --> 00:27:58,769
this company acquired over 10,000

596
00:27:55,079 --> 00:28:01,349
signatures most of which were invalid

597
00:27:58,769 --> 00:28:04,710
justice so they were yeah yeah they were

598
00:28:01,349 --> 00:28:07,079
thrown out so he just barely squeaked by

599

00:28:04,710 --> 00:28:09,450
with the the number of signatures he

600
00:28:07,079 --> 00:28:13,408
needed but then we get this very

601
00:28:09,450 --> 00:28:16,259
interesting email that says I was asked

602
00:28:13,409 --> 00:28:18,419
in a deceptive manner the signature

603
00:28:16,259 --> 00:28:21,240
gatherer asked me to sign a petition to

604
00:28:18,419 --> 00:28:23,639
put a public safety measure on the

605
00:28:21,240 --> 00:28:25,740
ballot people who don't read the text

606
00:28:23,638 --> 00:28:29,009
might sign it thinking they're doing a

607
00:28:25,740 --> 00:28:30,299
good thing and then the question is

608
00:28:29,009 --> 00:28:31,799
do you think you'd sign it if it had

609
00:28:30,299 --> 00:28:35,220
been posed to you in a deceptive manner

610
00:28:31,799 --> 00:28:38,250
now a response was I guess it depends on

611
00:28:35,220 --> 00:28:40,559
the ballot question I tend to think I

612
00:28:38,250 --> 00:28:42,029
tend to at least scan the full title of

613
00:28:40,559 --> 00:28:44,789

the text whenever I'm going to be

614

00:28:42,029 --> 00:28:46,049

signing if someone if I had read it and

615

00:28:44,789 --> 00:28:48,990

saw something like this I would have

616

00:28:46,049 --> 00:28:53,159

laughed my ass off and still and still

617

00:28:48,990 --> 00:28:56,120

signed it Wow so people are signing this

618

00:28:53,160 --> 00:28:58,710

because they think it's a funny joke oh

619

00:28:56,119 --> 00:29:02,519

it's like voting for Jedi as your

620

00:28:58,710 --> 00:29:04,980

religion exactly exactly so this is the

621

00:29:02,519 --> 00:29:07,619

problem is people are just laughing it

622

00:29:04,980 --> 00:29:11,009

up this is great fun this is really

623

00:29:07,619 --> 00:29:12,719

hilarious will surprise it's not this is

624

00:29:11,009 --> 00:29:15,930

something that could really damage

625

00:29:12,720 --> 00:29:18,059

Denver and set a dangerous precedent for

626

00:29:15,930 --> 00:29:20,880

other nut jobs in other cities that want

627

00:29:18,059 --> 00:29:23,509

to start something like this so people

628
00:29:20,880 --> 00:29:27,060
need to start taking this seriously and

629
00:29:23,509 --> 00:29:30,269
vote no on this but what are you going

630
00:29:27,059 --> 00:29:32,039
to do I mean a Jeff peckmon is is not

631
00:29:30,269 --> 00:29:34,710
being taken seriously by a lot of people

632
00:29:32,039 --> 00:29:36,659
in fact I noticed that the the young

633
00:29:34,710 --> 00:29:40,380
skeptics there in Australia voted it

634
00:29:36,660 --> 00:29:43,470
voted him number six on the biggest

635
00:29:40,380 --> 00:29:46,890
enemies of skepticism he's willing to do

636
00:29:43,470 --> 00:29:49,230
things like put up signs and create

637
00:29:46,890 --> 00:29:51,480
groups in order to devote a lot of time

638
00:29:49,230 --> 00:29:53,190
and money to proving the existence of

639
00:29:51,480 --> 00:29:57,599
aliens that was what I had discovered

640
00:29:53,190 --> 00:30:00,809
about him well he does put forth a lot

641
00:29:57,599 --> 00:30:04,789
of effort his real big thing is that he

642
00:30:00,809 --> 00:30:06,929
wants control of a government website

643
00:30:04,789 --> 00:30:08,129
because that's basically what this

644
00:30:06,930 --> 00:30:10,980
commission is going to do is have a

645
00:30:08,130 --> 00:30:15,030
website that's going to be exposing the

646
00:30:10,980 --> 00:30:17,130
truth now their version of the truth is

647
00:30:15,029 --> 00:30:20,399
about as far from realities you can get

648
00:30:17,130 --> 00:30:24,060
but that version of the truth is going

649
00:30:20,400 --> 00:30:27,300
to be on a government website and that's

650
00:30:24,059 --> 00:30:29,339
very dangerous in itself how is it being

651
00:30:27,299 --> 00:30:32,490
challenged obviously getting out the

652
00:30:29,339 --> 00:30:35,189
message in regards to his actions what

653
00:30:32,490 --> 00:30:38,460
else is being done well are you speaking

654
00:30:35,190 --> 00:30:40,620
from our perspective on what we are

655
00:30:38,460 --> 00:30:41,170
doing or yes absolutely what's the rocky

656

00:30:40,619 --> 00:30:43,419
mountain

657
00:30:41,170 --> 00:30:45,519
Paranormal Research Society trying to do

658
00:30:43,420 --> 00:30:49,810
in response to this well we have

659
00:30:45,519 --> 00:30:54,160
basically a plan that that that falls

660
00:30:49,809 --> 00:30:56,649
into different phases and right now

661
00:30:54,160 --> 00:30:59,470
we're starting off with just smaller

662
00:30:56,650 --> 00:31:02,970
things everywhere that he posts any of

663
00:30:59,470 --> 00:31:08,470
his stories or whatever we always have a

664
00:31:02,970 --> 00:31:11,110
very thorough debunking of what he said

665
00:31:08,470 --> 00:31:12,970
or explanation of what he said in the

666
00:31:11,109 --> 00:31:15,490
comments section so it's just a very

667
00:31:12,970 --> 00:31:18,160
small thing at the moment we are putting

668
00:31:15,490 --> 00:31:20,829
together a political of organization

669
00:31:18,160 --> 00:31:23,080
that will be recognized by the city of

670
00:31:20,829 --> 00:31:26,829

Denver so we will be able to demand

671

00:31:23,079 --> 00:31:29,500
equal time from anyone that gives him

672

00:31:26,829 --> 00:31:34,419
any time and so we're going that route

673

00:31:29,500 --> 00:31:37,690
we're also filming anti peckmon I guess

674

00:31:34,420 --> 00:31:41,560
you would say commercials videos things

675

00:31:37,690 --> 00:31:44,380
like that in fact where we're trying to

676

00:31:41,559 --> 00:31:47,230
come up with some acronyms for this

677

00:31:44,380 --> 00:31:49,000
political organization and I'm going to

678

00:31:47,230 --> 00:31:51,579
run just a few of them by you to see

679

00:31:49,000 --> 00:31:54,609
what you think okay guys we've we've got

680

00:31:51,579 --> 00:31:57,279
citizens rejecting asinine proposals

681

00:31:54,609 --> 00:32:02,469
which otherwise which is otherwise known

682

00:31:57,279 --> 00:32:05,519
as crap yes we've got a citizen's

683

00:32:02,470 --> 00:32:09,880
helping unmask manipulative of

684

00:32:05,519 --> 00:32:12,609
megalomaniacal proposals which is chump

685
00:32:09,880 --> 00:32:14,950
and then we've got mission for

686
00:32:12,609 --> 00:32:17,859
inhibiting bureaucracy which is the MIB

687
00:32:14,950 --> 00:32:20,830
I like that one alone I like the MIB

688
00:32:17,859 --> 00:32:22,149
that sounds good yeah I think that yeah

689
00:32:20,829 --> 00:32:24,039
I think that's the one we're going to go

690
00:32:22,150 --> 00:32:26,320
for now we got citizens rejecting

691
00:32:24,039 --> 00:32:29,259
eccentric extraterrestrial proposals

692
00:32:26,319 --> 00:32:31,599
otherwise known as creep and then we've

693
00:32:29,259 --> 00:32:36,039
got citizens of the lizard overlord

694
00:32:31,599 --> 00:32:37,839
nation otherwise known as colon oh I bet

695
00:32:36,039 --> 00:32:39,309
might get the wrong idea however I'm so

696
00:32:37,839 --> 00:32:42,309
that may be a few plumbers might be

697
00:32:39,309 --> 00:32:44,379
intrigued by that saying we can yeah

698
00:32:42,309 --> 00:32:46,960
we're trying to come up for one for

699
00:32:44,380 --> 00:32:49,690
probe but all we can come up with so far

700
00:32:46,960 --> 00:32:52,240
as people rejecting and we haven't got

701
00:32:49,690 --> 00:32:54,669
the rest of it yet but so I think the

702
00:32:52,240 --> 00:32:58,480
MIB is probably what we'll go

703
00:32:54,669 --> 00:33:00,340
on that one but in the end we're we're

704
00:32:58,480 --> 00:33:02,470
compelled to do it and we do have a lot

705
00:33:00,339 --> 00:33:05,798
of fun especially when we're successful

706
00:33:02,470 --> 00:33:07,659
and we've had enough success as of late

707
00:33:05,798 --> 00:33:10,269
that we'll be doing this for quite some

708
00:33:07,659 --> 00:33:11,889
time and you make a difference which is

709
00:33:10,269 --> 00:33:14,710
wonderful getting that feedback and

710
00:33:11,888 --> 00:33:17,798
saying it yeah it really is there's

711
00:33:14,710 --> 00:33:21,190
nothing better than getting what we get

712
00:33:17,798 --> 00:33:24,519
emails from people that we've managed to

713

00:33:21,190 --> 00:33:27,308
change their lives and those are the

714
00:33:24,519 --> 00:33:31,690
most important trophies that that will

715
00:33:27,308 --> 00:33:33,489
ever get and so it's a relief we've had

716
00:33:31,690 --> 00:33:36,460
some very interesting ones in that sense

717
00:33:33,489 --> 00:33:39,009
so I'm very very happy about that now as

718
00:33:36,460 --> 00:33:41,169
a result of all of this work a lot of

719
00:33:39,009 --> 00:33:43,509
dedication I've heard that you've got an

720
00:33:41,169 --> 00:33:45,129
actual television show in the in the

721
00:33:43,509 --> 00:33:47,019
process of happening can you tell us a

722
00:33:45,128 --> 00:33:48,459
little about that well we've we've

723
00:33:47,019 --> 00:33:50,349
actually got the potential of two

724
00:33:48,460 --> 00:33:52,840
different television shows no mama

725
00:33:50,349 --> 00:33:55,358
that's great yes there's there's one

726
00:33:52,839 --> 00:33:58,178
that's a local show that we're working

727
00:33:55,358 --> 00:34:02,199

on called Colorado X case files of the

728

00:33:58,179 --> 00:34:04,419

paranormal and what that is it's an

729

00:34:02,200 --> 00:34:08,318

interesting show where we have a team of

730

00:34:04,419 --> 00:34:11,168

skeptics and academics who are doing the

731

00:34:08,318 --> 00:34:13,628

investigations with us and we are the

732

00:34:11,168 --> 00:34:17,108

paranormal team so we go in and we use

733

00:34:13,628 --> 00:34:19,539

our particular skeptical approach to

734

00:34:17,108 --> 00:34:20,529

doing it and then they do theirs and

735

00:34:19,539 --> 00:34:24,460

then at the end of the show we have a

736

00:34:20,530 --> 00:34:26,230

consensus on what we found so that's one

737

00:34:24,460 --> 00:34:28,148

show that we're doing that will will

738

00:34:26,230 --> 00:34:29,980

probably stay fairly local we'll

739

00:34:28,148 --> 00:34:33,328

probably have some webisodes on the

740

00:34:29,980 --> 00:34:37,480

website and stuff but the other one is

741

00:34:33,329 --> 00:34:40,530

doesn't have a name as of yet but it is

742
00:34:37,480 --> 00:34:44,019
by the the production company that

743
00:34:40,530 --> 00:34:46,298
Warren Miller part of so and he is the

744
00:34:44,019 --> 00:34:49,690
wonderful director that does a lot of

745
00:34:46,298 --> 00:34:52,719
the ski films and actually has offices

746
00:34:49,690 --> 00:34:54,849
in Australia as well as America and

747
00:34:52,719 --> 00:34:59,039
other places and they do incredible

748
00:34:54,849 --> 00:35:01,809
extreme like winter sports type of

749
00:34:59,039 --> 00:35:04,239
documentaries and end shows and they've

750
00:35:01,809 --> 00:35:06,670
decided they want to branch out and do

751
00:35:04,239 --> 00:35:08,250
something more along the lines of Penn &

752
00:35:06,670 --> 00:35:10,590
Teller's BS

753
00:35:08,250 --> 00:35:14,280
and Mythbusters and things like that but

754
00:35:10,590 --> 00:35:16,800
have a very focused on the paranormal so

755
00:35:14,280 --> 00:35:20,670
maybe extreme skepticism you're chasing

756
00:35:16,800 --> 00:35:21,870
the the aliens on skis perhaps yes yes

757
00:35:20,670 --> 00:35:24,360
there'll be a lot of jumping out of

758
00:35:21,869 --> 00:35:26,429
helicopters with snowboards and EMF

759
00:35:24,360 --> 00:35:29,400
detectors getting ready for the Olympics

760
00:35:26,429 --> 00:35:33,329
I imagine you and take you yeah exactly

761
00:35:29,400 --> 00:35:36,680
so that'll be very exciting but we we

762
00:35:33,329 --> 00:35:38,730
will be doing a lot of exposing frauds

763
00:35:36,679 --> 00:35:40,500
that's going to be one of the number one

764
00:35:38,730 --> 00:35:44,070
things about this show we will be

765
00:35:40,500 --> 00:35:47,849
tackling the frauds and really making

766
00:35:44,070 --> 00:35:49,289
them fess up as much as we can but it's

767
00:35:47,849 --> 00:35:51,539
going to be exciting gonna catch them

768
00:35:49,289 --> 00:35:54,690
red-handed fantastic that is brilliant

769
00:35:51,539 --> 00:35:56,610
now if people would like to keep an eye

770

00:35:54,690 --> 00:35:58,260
on what you're up to or ask some

771
00:35:56,610 --> 00:36:00,240
questions because I think you are a

772
00:35:58,260 --> 00:36:02,640
fabulous resource for someone who might

773
00:36:00,239 --> 00:36:03,989
be wanting some direction because you

774
00:36:02,639 --> 00:36:07,469
have so many things that you've achieved

775
00:36:03,989 --> 00:36:10,529
what are the best sites too well the the

776
00:36:07,469 --> 00:36:14,639
main website to go to is Rocky Mountain

777
00:36:10,530 --> 00:36:19,350
paranormal calm and that website has an

778
00:36:14,639 --> 00:36:23,730
incredible wealth of information and go

779
00:36:19,349 --> 00:36:25,819
all around craziness on it and from that

780
00:36:23,730 --> 00:36:29,340
site you'll also find links to our

781
00:36:25,820 --> 00:36:31,260
online magazine or our digital magazine

782
00:36:29,340 --> 00:36:35,760
called modern paranormal investigator

783
00:36:31,260 --> 00:36:39,180
and then the radio show is warning radio

784
00:36:35,760 --> 00:36:41,160

dot info and there's also links off of

785

00:36:39,179 --> 00:36:43,109

the Rocky Mountain paranormal site we're

786

00:36:41,159 --> 00:36:47,009

also doing another site called Rocky

787

00:36:43,110 --> 00:36:51,840

Mountain paranormal labs and we will be

788

00:36:47,010 --> 00:36:57,600

posting results from more scientifically

789

00:36:51,840 --> 00:37:00,150

based experimentation on I'll say the

790

00:36:57,599 --> 00:37:04,170

paranormal communities accepted ghosts

791

00:37:00,150 --> 00:37:05,579

tools such as the Franks box the ovule

792

00:37:04,170 --> 00:37:08,820

asst the paranormal puck all these

793

00:37:05,579 --> 00:37:10,590

really stupid devices that people are

794

00:37:08,820 --> 00:37:11,610

using to catch ghosts with we're

795

00:37:10,590 --> 00:37:14,670

actually going to be putting them

796

00:37:11,610 --> 00:37:18,030

through scientific testing with a local

797

00:37:14,670 --> 00:37:19,409

university here in Colorado and then

798

00:37:18,030 --> 00:37:20,790

we'll be posting the results on Rocky

799

00:37:19,409 --> 00:37:23,579

Mountain paranormal labs

800

00:37:20,789 --> 00:37:26,400

calm and just to give people a little

801

00:37:23,579 --> 00:37:29,909

more insight on what these devices

802

00:37:26,400 --> 00:37:31,619

really do and so thank you so much for

803

00:37:29,909 --> 00:37:42,809

talking to us Baxter here on a skeptic

804

00:37:31,619 --> 00:37:44,699

zone thank you so much we take you now

805

00:37:42,809 --> 00:37:48,630

to a conversation being shattered across

806

00:37:44,699 --> 00:37:50,569

a hillside what I said I'm trying to

807

00:37:48,630 --> 00:37:54,599

come up with a brother for this podcast

808

00:37:50,570 --> 00:37:57,600

podcast the geologic podcast watch a

809

00:37:54,599 --> 00:38:00,210

geologic vodka Oh Hobbs pointless

810

00:37:57,599 --> 00:38:02,759

meanderings skeptical observations

811

00:38:00,210 --> 00:38:05,579

ridiculous musical interludes and not

812

00:38:02,760 --> 00:38:07,350

the hint of geology all right maybe a

813
00:38:05,579 --> 00:38:09,509
little bit of joel g what's not worth it

814
00:38:07,349 --> 00:38:12,119
oh come on he's got a really just bow

815
00:38:09,510 --> 00:38:15,150
out of the week she has more grades

816
00:38:12,119 --> 00:38:17,309
jay-z lyrics pointless ask george who

817
00:38:15,150 --> 00:38:20,099
cares what the Boston feet is just a fun

818
00:38:17,309 --> 00:38:22,380
beach the horoscope gotta be shot in the

819
00:38:20,099 --> 00:38:24,360
Bible morning girls it's on science

820
00:38:22,380 --> 00:38:26,309
stupid your adventures of the

821
00:38:24,360 --> 00:38:28,140
Philadelphia funk authority what

822
00:38:26,309 --> 00:38:30,000
Ukrainian boy playing drums the funk

823
00:38:28,139 --> 00:38:32,069
band must be fascinating but now the

824
00:38:30,000 --> 00:38:37,230
back is appealing not even a we beat

825
00:38:32,070 --> 00:38:41,000
right at any minute oh sweet try great

826
00:38:37,230 --> 00:38:41,000
great you said the oddity

827

00:38:42,869 --> 00:38:49,670
the geologic podcast pointless but free

828
00:38:50,269 --> 00:38:59,820
podcast on cam hi I'm dr. Stefan Soyka

829
00:38:56,969 --> 00:39:02,369
for medicine some medicine or doctors

830
00:38:59,820 --> 00:39:04,680
without medicine medicine some medicine

831
00:39:02,369 --> 00:39:07,349
is an alternative therapies Crisis

832
00:39:04,679 --> 00:39:09,509
Response organization our dedicated team

833
00:39:07,349 --> 00:39:11,400
of fully certified healers from a

834
00:39:09,510 --> 00:39:14,340
diverse range of disciplines like

835
00:39:11,400 --> 00:39:17,789
iridology color therapy or a balancing

836
00:39:14,340 --> 00:39:20,190
and ear candling are on hand 24-7 around

837
00:39:17,789 --> 00:39:22,050
the globe to deal with natural disasters

838
00:39:20,190 --> 00:39:24,990
such as the devastating earthquake in

839
00:39:22,050 --> 00:39:27,570
haiti the indian ocean tsunami of 2004

840
00:39:24,989 --> 00:39:30,029
or man-made disasters such as a horrific

841
00:39:27,570 --> 00:39:31,920

conflicts in afghanistan congo and the

842

00:39:30,030 --> 00:39:34,080

niger delta most of you would have

843

00:39:31,920 --> 00:39:36,720

already heard of medicine some frontier

844

00:39:34,079 --> 00:39:39,029

but this so-called medicine is simply

845

00:39:36,719 --> 00:39:41,309

not enough medicine some medicine

846

00:39:39,030 --> 00:39:43,500

provides alternative complementary

847

00:39:41,309 --> 00:39:45,599

health care to the crushed stabbed shot

848

00:39:43,500 --> 00:39:47,909

and tortured the first thing we do when

849

00:39:45,599 --> 00:39:50,730

we enter a disaster zone is a patient

850

00:39:47,909 --> 00:39:52,289

care giver consultation for 300 US

851

00:39:50,730 --> 00:39:55,170

dollars we take a multidisciplinary

852

00:39:52,289 --> 00:39:57,509

approach to triage to ensure a full and

853

00:39:55,170 --> 00:39:59,880

accurate diagnosis patients are usually

854

00:39:57,510 --> 00:40:02,010

brought to us in a terrible state so the

855

00:39:59,880 --> 00:40:04,530

first thing we do is pray to the Great

856
00:40:02,010 --> 00:40:06,960
Archangel Raphael for the patient speedy

857
00:40:04,530 --> 00:40:09,450
recovery we then moving to some Eastern

858
00:40:06,960 --> 00:40:11,760
healing chanting invoking the full

859
00:40:09,449 --> 00:40:14,279
spectrum of spirit beings to comfort and

860
00:40:11,760 --> 00:40:16,620
protect the victim a magical white light

861
00:40:14,280 --> 00:40:18,780
of well-being is then cast upon the

862
00:40:16,619 --> 00:40:21,329
bleeding and battered subject covering

863
00:40:18,780 --> 00:40:23,970
any leaking chakras and plugging in the

864
00:40:21,329 --> 00:40:26,400
aura holes with a protective spiritual

865
00:40:23,969 --> 00:40:28,349
spac filler if possible we then turn the

866
00:40:26,400 --> 00:40:30,510
patient immediately on their side and

867
00:40:28,349 --> 00:40:32,489
perform an emergency ear candling to

868
00:40:30,510 --> 00:40:33,840
eliminate any toxins that might have

869
00:40:32,489 --> 00:40:34,759
entered the body through the gaping

870
00:40:33,840 --> 00:40:37,340
wounds

871
00:40:34,760 --> 00:40:39,470
or bullet holes it is essential during

872
00:40:37,340 --> 00:40:41,780
such emergency response treatments to

873
00:40:39,469 --> 00:40:43,969
use ear candling drip wax protectors to

874
00:40:41,780 --> 00:40:46,610
avoid piercing the chakra protecting

875
00:40:43,969 --> 00:40:49,219
white light capsule triage is complete

876
00:40:46,610 --> 00:40:52,099
after a full homeopathic ear ideological

877
00:40:49,219 --> 00:40:54,559
psychic mind body herbal report is

878
00:40:52,099 --> 00:40:56,599
created on some aromatherapy infused

879
00:40:54,559 --> 00:40:58,429
rainbow colored paper with affirmations

880
00:40:56,599 --> 00:41:00,139
at the bottom documenting the full

881
00:40:58,429 --> 00:41:02,480
extent of the victims wounds and

882
00:41:00,139 --> 00:41:05,000
ailments they might also through remote

883
00:41:02,480 --> 00:41:06,710
viewing provides psychic information

884

00:41:05,000 --> 00:41:08,809
about their friends and relatives in

885
00:41:06,710 --> 00:41:11,000
neighboring villages where we might even

886
00:41:08,809 --> 00:41:14,090
solve a few unsolved crimes of the last

887
00:41:11,000 --> 00:41:16,309
500 years a typical triage patient would

888
00:41:14,090 --> 00:41:19,190
present with muscle tightness tiredness

889
00:41:16,309 --> 00:41:21,259
low energy levels or a sluggish liver in

890
00:41:19,190 --> 00:41:23,599
need of a good cleansing typically as

891
00:41:21,260 --> 00:41:25,310
well their bodies limbs and skulls would

892
00:41:23,599 --> 00:41:27,349
be riddled with shrapnel with gaping

893
00:41:25,309 --> 00:41:29,659
wounds down to the bone or even

894
00:41:27,349 --> 00:41:31,849
partially dismembered at this point the

895
00:41:29,659 --> 00:41:33,679
medicine saw medicine complementary

896
00:41:31,849 --> 00:41:37,130
health practitioners would go into full

897
00:41:33,679 --> 00:41:39,589
er mode with our patented field hospital

898
00:41:37,130 --> 00:41:41,450

homeopathy kit scrapings of the wound

899

00:41:39,590 --> 00:41:43,280

giving shrapnel or in the case of the

900

00:41:41,449 --> 00:41:45,799

Haitian earthquake victims ground-up

901

00:41:43,280 --> 00:41:48,590

concrete bricks would be diluted down to

902

00:41:45,800 --> 00:41:51,050

extreme healing levels instilling in the

903

00:41:48,590 --> 00:41:52,640

water the total memory of the bomb or

904

00:41:51,050 --> 00:41:55,010

building collapse that caused the

905

00:41:52,639 --> 00:41:57,650

ailment drawing the healing power of the

906

00:41:55,010 --> 00:41:59,390

body out through a powerful miraculous

907

00:41:57,650 --> 00:42:01,460

yet impossible to scientifically

908

00:41:59,389 --> 00:42:03,949

demonstrate her mere pathetic action

909

00:42:01,460 --> 00:42:06,139

through sheer serendipity the water we

910

00:42:03,949 --> 00:42:09,019

use in such disaster areas is usually

911

00:42:06,139 --> 00:42:11,539

also riddled with botulism cholera ecoli

912

00:42:09,019 --> 00:42:13,519

typhoid and Salmonella so we can treat a

913
00:42:11,539 --> 00:42:16,159
whole range of diseases with a one

914
00:42:13,519 --> 00:42:18,829
single remedy from homeopathy we move to

915
00:42:16,159 --> 00:42:21,679
acupuncture often gaining direct access

916
00:42:18,829 --> 00:42:23,750
to the Chi meridians via the open wounds

917
00:42:21,679 --> 00:42:25,699
which only magnifies the effect on the

918
00:42:23,750 --> 00:42:27,860
patient as is clearly noticeable to

919
00:42:25,699 --> 00:42:30,259
their facial expressions we then install

920
00:42:27,860 --> 00:42:31,010
magnetic bracelets on whatever remaining

921
00:42:30,260 --> 00:42:33,290
limbs there

922
00:42:31,010 --> 00:42:35,630
and that magnetic healing is again

923
00:42:33,289 --> 00:42:37,519
magnified through any metallic objects

924
00:42:35,630 --> 00:42:39,559
that are still lodged within our client

925
00:42:37,519 --> 00:42:41,750
it is often at this time that the whole

926
00:42:39,559 --> 00:42:44,480
family of our customer comes into the

927
00:42:41,750 --> 00:42:46,849
medicines on medicine crystal marquee to

928
00:42:44,480 --> 00:42:48,679
join us in prayer to as many angels as

929
00:42:46,849 --> 00:42:51,049
we can think of at this critical moment

930
00:42:48,679 --> 00:42:53,419
in the patient's destiny a full tarot

931
00:42:51,050 --> 00:42:55,580
reading an astrology star chart is done

932
00:42:53,420 --> 00:42:57,380
if the patient is still alive they are

933
00:42:55,579 --> 00:42:59,630
moved to the Reiki lounge where our

934
00:42:57,380 --> 00:43:02,329
Reiki masters peel back the white light

935
00:42:59,630 --> 00:43:04,340
energy orb and channel Universal healing

936
00:43:02,329 --> 00:43:06,619
power right where it's needed at the

937
00:43:04,340 --> 00:43:08,900
spurting severed arteries then it's time

938
00:43:06,619 --> 00:43:10,759
for a full detox with one two three gut

939
00:43:08,900 --> 00:43:13,639
flush and the application of the life

940
00:43:10,760 --> 00:43:15,980
wire healing wand at any exit wounds a

941

00:43:13,639 --> 00:43:17,690
bit of aromatherapy a couple of drops of

942
00:43:15,980 --> 00:43:19,610
bark flower remedy under the tongue and

943
00:43:17,690 --> 00:43:21,829
the medicine some medicine healing

944
00:43:19,610 --> 00:43:23,870
process is complete although we are

945
00:43:21,829 --> 00:43:25,369
swimming in cash from billing all our

946
00:43:23,869 --> 00:43:27,349
treatments directly to the patients

947
00:43:25,369 --> 00:43:29,210
families in u.s. dollars guaranteed by

948
00:43:27,349 --> 00:43:31,849
the World Health Organization we do ask

949
00:43:29,210 --> 00:43:34,579
for your support to let medicines on

950
00:43:31,849 --> 00:43:36,710
medecine continue our vital work in the

951
00:43:34,579 --> 00:43:38,449
world's disaster areas don't trust the

952
00:43:36,710 --> 00:43:40,849
health of millions of victims of war

953
00:43:38,449 --> 00:43:43,639
disaster and famine to medicines on

954
00:43:40,849 --> 00:43:45,619
frontiers who relies solely on science

955
00:43:43,639 --> 00:43:47,719

and medicine and are nothing more than a

956

00:43:45,619 --> 00:43:50,630

marketing arm of the big pharmaceuticals

957

00:43:47,719 --> 00:43:53,480

at medicines or medicine we don't need

958

00:43:50,630 --> 00:43:57,160

medicine we need faith magic and a

959

00:43:53,480 --> 00:43:57,159

shitload of money to get the job done

960

00:44:07,289 --> 00:44:12,609

thank you for listening to this episode

961

00:44:09,849 --> 00:44:15,369

of the skeptic zone which I got to you

962

00:44:12,608 --> 00:44:17,380

through the skin of my teeth or via the

963

00:44:15,369 --> 00:44:19,420

skin of my teeth how many teeth does the

964

00:44:17,380 --> 00:44:21,338

chicken have something like that it's

965

00:44:19,420 --> 00:44:23,650

one of those days folks it's one of

966

00:44:21,338 --> 00:44:25,838

those days until next week this is

967

00:44:23,650 --> 00:44:30,999

Richard Saunders signing off from Sydney

968

00:44:25,838 --> 00:44:34,719

Australia you've been listening to the

969

00:44:30,998 --> 00:44:38,558

skeptic zone visit our website at www

970

00:44:34,719 --> 00:44:42,269

skeptics on TV the comments contacts and

971

00:44:38,559 --> 00:44:42,269

extra video reports

972

00:44:42,539 --> 00:44:45,539

skin

973

00:44:46,960 --> 00:44:49,019

Oh

974

00:45:00,710 --> 00:45:02,769

you
