

1
00:00:06,349 --> 00:00:14,119
welcome to the skeptic zone the podcast

2
00:00:09,509 --> 00:00:14,120
from Australia for science and reason

3
00:00:20,469 --> 00:00:27,429
hello and welcome to the skeptic zone

4
00:00:23,210 --> 00:00:30,830
episode number 79 for the 23rd of april

5
00:00:27,429 --> 00:00:33,619
2010 richardson is here with you once

6
00:00:30,829 --> 00:00:37,369
again what a week I've had listeners

7
00:00:33,619 --> 00:00:40,119
what a fantastically restful wonderful

8
00:00:37,369 --> 00:00:44,030
week on Monday I drove from Sydney to

9
00:00:40,119 --> 00:00:46,429
just outside of albury about six and a

10
00:00:44,030 --> 00:00:50,750
half hours drive to visit Jim wilshire

11
00:00:46,429 --> 00:00:53,179
now Jim is the guy who does this welcome

12
00:00:50,750 --> 00:00:57,320
to the skeptic zone the podcast from

13
00:00:53,179 --> 00:00:59,450
Australia for science and reason a very

14
00:00:57,320 --> 00:01:01,340
old friend of mine and it was just

15
00:00:59,450 --> 00:01:04,040
wonderful to spend a few days with him

16
00:01:01,340 --> 00:01:07,310
celebrate his birthday he lives on a

17
00:01:04,040 --> 00:01:10,640
huge farm rolling countryside cows

18
00:01:07,310 --> 00:01:13,299
everywhere dogs little farmhouse what a

19
00:01:10,640 --> 00:01:16,040
magical time thanks Jim thanks very much

20
00:01:13,299 --> 00:01:17,959
Jim's probably going to be popping up to

21
00:01:16,040 --> 00:01:20,780
Sydney before too long if he does we'll

22
00:01:17,959 --> 00:01:23,269
certainly grab him for a think tank now

23
00:01:20,780 --> 00:01:26,930
I must say before we get on to the show

24
00:01:23,269 --> 00:01:29,959
that the big news this week in Australia

25
00:01:26,930 --> 00:01:32,240
in Australian sport was the fact that

26
00:01:29,959 --> 00:01:34,969
the rugby league club in Melbourne the

27
00:01:32,239 --> 00:01:37,548
Melbourne Storm have been stripped of

28
00:01:34,969 --> 00:01:41,209
the last virtually five years of their

29

00:01:37,549 --> 00:01:43,250
accomplishments they won two grand

30
00:01:41,209 --> 00:01:46,280
finals that's been stripped from them

31
00:01:43,250 --> 00:01:48,349
the all the points they've accrued this

32
00:01:46,280 --> 00:01:50,510
year have been stripped and they can't

33
00:01:48,349 --> 00:01:52,669
accrue any more points due to a scandal

34
00:01:50,510 --> 00:01:55,100
involving money and salary caps and

35
00:01:52,670 --> 00:01:57,320
players and this sort of thing it's huge

36
00:01:55,099 --> 00:01:59,478
news it really is and a lot of people

37
00:01:57,319 --> 00:02:01,339
including my friend Jim were really

38
00:01:59,478 --> 00:02:04,459
shaken up by this because they were fans

39
00:02:01,340 --> 00:02:06,469
of this the club the storm imagine

40
00:02:04,459 --> 00:02:09,289
listeners if your favorite sporting club

41
00:02:06,469 --> 00:02:11,509
your football club your baseball club

42
00:02:09,289 --> 00:02:14,209
your basketball club cricket club

43
00:02:11,509 --> 00:02:16,280

whatever it might be was suddenly

44

00:02:14,209 --> 00:02:18,590

stripped of all their accomplishments

45

00:02:16,280 --> 00:02:20,659

over the last five years and looked like

46

00:02:18,590 --> 00:02:23,780

they were going to simply fade into

47

00:02:20,659 --> 00:02:26,150

nothing you'd be devastated now I only

48

00:02:23,780 --> 00:02:29,209

say this because earlier this year some

49

00:02:26,150 --> 00:02:30,830

of our supposedly most famous and best

50

00:02:29,209 --> 00:02:32,509

clairvoyance and psychics were

51

00:02:30,830 --> 00:02:33,950

predicting who would win this football

52

00:02:32,509 --> 00:02:38,899

competition this year

53

00:02:33,949 --> 00:02:40,789

in October I think that he missed the

54

00:02:38,900 --> 00:02:43,310

boat once again they should have told

55

00:02:40,789 --> 00:02:45,348

everybody that there was a huge scandal

56

00:02:43,310 --> 00:02:49,250

coming up which would rock the game to

57

00:02:45,348 --> 00:02:51,969

it's very core another miss for the

58
00:02:49,250 --> 00:02:54,830
psychics but on to this week's show and

59
00:02:51,969 --> 00:02:56,959
I must thank dr. Reggie really for

60
00:02:54,830 --> 00:02:59,750
putting this week's show altogether or

61
00:02:56,959 --> 00:03:02,989
recording it as I was away enjoying

62
00:02:59,750 --> 00:03:05,239
myself dr. ray cheap opt into the ABC

63
00:03:02,989 --> 00:03:08,810
here in Sydney the broadcasting people

64
00:03:05,239 --> 00:03:12,349
and she interviewed one of my favorites

65
00:03:08,810 --> 00:03:14,569
when I was a bit younger Maynard F sharp

66
00:03:12,348 --> 00:03:17,000
crabs now a lot of Australian listeners

67
00:03:14,568 --> 00:03:19,818
will certainly remember Maynard he was a

68
00:03:17,000 --> 00:03:21,829
huge influence on a lot of people well

69
00:03:19,818 --> 00:03:24,589
in the late 80s and the 90s he's still

70
00:03:21,829 --> 00:03:26,780
going strong so I'm really looking

71
00:03:24,590 --> 00:03:29,659
forward to this one myself mean aren't F

72
00:03:26,780 --> 00:03:32,209
sharp crabs really fantastic to hear

73
00:03:29,659 --> 00:03:35,659
what he's been up to and following that

74
00:03:32,209 --> 00:03:38,359
we have the think tank air was dr. rachy

75
00:03:35,659 --> 00:03:42,409
and Ron and Joe Dave the happy singer

76
00:03:38,359 --> 00:03:45,290
and a drunken madman so that's this

77
00:03:42,409 --> 00:03:49,099
week's show I hope you enjoyed sit back

78
00:03:45,289 --> 00:03:52,568
grab that nice cup of ginger tea and

79
00:03:49,099 --> 00:03:52,568
enjoy the skeptic zone

80
00:04:04,199 --> 00:04:08,769
may not started his career as a

81
00:04:06,699 --> 00:04:12,219
volunteer and community radio in

82
00:04:08,770 --> 00:04:14,409
Newcastle which is north of Sydney he

83
00:04:12,219 --> 00:04:16,540
had his own program called radio stupid

84
00:04:14,409 --> 00:04:18,459
and during a time when no other

85
00:04:16,540 --> 00:04:20,980
presenters were encouraged to have

86

00:04:18,459 --> 00:04:23,769
talked back collars Maynard was the

87
00:04:20,980 --> 00:04:25,900
first one to do so he established the

88
00:04:23,769 --> 00:04:27,339
castanet club with Mikey Robins who has

89
00:04:25,899 --> 00:04:30,849
since gone on to a very successful

90
00:04:27,339 --> 00:04:32,889
career in Australian television but in

91
00:04:30,850 --> 00:04:35,740
Australia Maynard is probably best known

92
00:04:32,889 --> 00:04:39,419
for his work on triple j breakfast which

93
00:04:35,740 --> 00:04:42,040
he did from 1987 until the early 90s any

94
00:04:39,420 --> 00:04:43,840
Australia next generation folks that are

95
00:04:42,040 --> 00:04:46,750
listening would remember his da bin a

96
00:04:43,839 --> 00:04:48,519
dag wakey wakey hands off snakey and

97
00:04:46,750 --> 00:04:50,560
many other tricks that he used to get up

98
00:04:48,519 --> 00:04:52,659
to I'm really pleased to be presenting

99
00:04:50,560 --> 00:04:54,730
this interview to you today as I

100
00:04:52,660 --> 00:05:00,850

remember may not really well from those

101

00:04:54,730 --> 00:05:02,620

days Maynard F sharp crabs can I still

102

00:05:00,850 --> 00:05:03,910

call you f sharp close well look that's

103

00:05:02,620 --> 00:05:05,740

an interesting story you actually just

104

00:05:03,910 --> 00:05:07,510

call me Maynard because when i was doing

105

00:05:05,740 --> 00:05:09,400

commercial radio on you FM in new

106

00:05:07,509 --> 00:05:11,560

council after I've finished up on triple

107

00:05:09,399 --> 00:05:14,079

j breakfast the main app if shop Krebs

108

00:05:11,560 --> 00:05:15,699

was just too difficult for commercial

109

00:05:14,079 --> 00:05:17,620

radio audience to get their ear around

110

00:05:15,699 --> 00:05:19,418

there like what huh so we just call it

111

00:05:17,620 --> 00:05:21,220

may not which is good because most

112

00:05:19,418 --> 00:05:24,370

people on commercial radio normally may

113

00:05:21,220 --> 00:05:26,320

not oh when I may not be was some really

114

00:05:24,370 --> 00:05:27,519

blow Kiku so Maynard's just fine yeah

115
00:05:26,319 --> 00:05:29,349
and that's that's the way we like to be

116
00:05:27,519 --> 00:05:32,918
known all right on one word like Madonna

117
00:05:29,350 --> 00:05:34,629
and cheese and cheese or Kylie al-qaeda

118
00:05:32,918 --> 00:05:37,359
exactly i'm lucky that way well welcome

119
00:05:34,629 --> 00:05:38,860
Kylie cheese or may not manado to the

120
00:05:37,360 --> 00:05:41,020
skeptic saying look it's great to be

121
00:05:38,860 --> 00:05:43,150
here with you in a very small room in

122
00:05:41,019 --> 00:05:45,639
ABC old enough we're in the TARDIS

123
00:05:43,149 --> 00:05:47,799
that's my body which is a very small

124
00:05:45,639 --> 00:05:49,569
little recording studio in ABC ultimo

125
00:05:47,800 --> 00:05:51,460
yeah yeah and we deliberately called

126
00:05:49,569 --> 00:05:52,750
them the bees at the ABC we cross them

127
00:05:51,459 --> 00:05:53,799
all their small little rooms that you

128
00:05:52,750 --> 00:05:55,689
know when you're talking to someone you

129
00:05:53,800 --> 00:05:57,790
don't know what size it is there's not

130
00:05:55,689 --> 00:06:00,129
room to swing a cat or an ABC presenter

131
00:05:57,790 --> 00:06:01,510
in here yeah that's true so may not I

132
00:06:00,129 --> 00:06:04,209
came to talk to you today because i

133
00:06:01,509 --> 00:06:05,800
found an interview you did a couple of

134
00:06:04,209 --> 00:06:08,409
weeks ago with our friend brian dunning

135
00:06:05,800 --> 00:06:10,490
from scab thaicom me look Brian downing

136
00:06:08,410 --> 00:06:12,319
was a guy I had I had the joy of

137
00:06:10,490 --> 00:06:14,750
chatting during half a half an hour and

138
00:06:12,319 --> 00:06:16,669
look you know I'm a very small brain and

139
00:06:14,750 --> 00:06:19,189
in fact I'm a bit confused as to why I'm

140
00:06:16,668 --> 00:06:21,409
even on this program that step exam

141
00:06:19,189 --> 00:06:23,000
because I'm not very bright um if you

142
00:06:21,410 --> 00:06:24,889
held me up as a skeptic I wouldn't be a

143

00:06:23,000 --> 00:06:27,050
good one i'm bid I'm I'm your classic

144
00:06:24,889 --> 00:06:28,220
strongman skeptic you know sometimes I

145
00:06:27,050 --> 00:06:29,629
don't look at my night he might be a

146
00:06:28,220 --> 00:06:32,870
skeptic in your argument before

147
00:06:29,629 --> 00:06:34,490
completed I'm not exactly your first

148
00:06:32,870 --> 00:06:37,519
speaker in a debate let's put it that

149
00:06:34,490 --> 00:06:39,288
way okay yeah but now you you do have

150
00:06:37,519 --> 00:06:41,538
some fun with Brian in his hot tub of

151
00:06:39,288 --> 00:06:43,459
Rob this is indeed brian dunning is

152
00:06:41,538 --> 00:06:44,689
fantastic I mean like I mean he doesn't

153
00:06:43,459 --> 00:06:47,508
like to have this pointed out but he

154
00:06:44,689 --> 00:06:50,300
does have a hot tub of truth there he is

155
00:06:47,509 --> 00:06:51,830
often skyclad of a weekend with various

156
00:06:50,300 --> 00:06:53,990
people and quite right and and what

157
00:06:51,829 --> 00:06:55,579

until he he might have a problem with

158

00:06:53,990 --> 00:06:57,590

that but i think if as long as you get

159

00:06:55,579 --> 00:06:59,359

the maths right if you're sitting on the

160

00:06:57,589 --> 00:07:00,589

toilet and saying the right thing it

161

00:06:59,360 --> 00:07:02,629

doesn't matter so I don't see why

162

00:07:00,589 --> 00:07:04,638

shouldn't be nude in a spa and yeah Tim

163

00:07:02,629 --> 00:07:06,439

bronze pretty smart I mean I really

164

00:07:04,639 --> 00:07:08,360

listen every week to his stuff it took

165

00:07:06,439 --> 00:07:11,418

me a while to catch up I was a light bar

166

00:07:08,360 --> 00:07:13,879

was bit tardy to the party hey and I

167

00:07:11,418 --> 00:07:16,579

love skipton because Brian sets out the

168

00:07:13,879 --> 00:07:18,468

myth or the story and then he goes apart

169

00:07:16,579 --> 00:07:19,819

saying why it's not true and I think

170

00:07:18,468 --> 00:07:22,610

that that's a great way to do things I

171

00:07:19,819 --> 00:07:25,579

mean and it's short and concise yeah and

172
00:07:22,610 --> 00:07:26,960
it's also not sort of judgmental is it

173
00:07:25,579 --> 00:07:28,399
he really just lays the facts out and

174
00:07:26,959 --> 00:07:29,930
then you can decide for yourself because

175
00:07:28,399 --> 00:07:32,329
skeptics sometimes get accused of being

176
00:07:29,930 --> 00:07:34,819
a little bit like atheists do you know

177
00:07:32,329 --> 00:07:37,639
but this is this arrogant and well that

178
00:07:34,819 --> 00:07:39,168
is I mean skeptics and atheists often

179
00:07:37,639 --> 00:07:40,668
make the the big mistake that the

180
00:07:39,168 --> 00:07:42,288
churches have been making it has been

181
00:07:40,668 --> 00:07:44,870
annoying as all four years is that they

182
00:07:42,288 --> 00:07:46,879
they have that I know I'm right thing

183
00:07:44,870 --> 00:07:48,530
about them um and the sense of

184
00:07:46,879 --> 00:07:50,360
righteousness does tend to annoy people

185
00:07:48,529 --> 00:07:52,609
and sure that there's logic on their

186
00:07:50,360 --> 00:07:54,830
side and they can prove everything but

187
00:07:52,610 --> 00:07:56,000
but that yes that that does tend to

188
00:07:54,829 --> 00:07:57,918
annoy people a bit when they get a bit

189
00:07:56,000 --> 00:07:59,870
to evangelical and I can understand I

190
00:07:57,918 --> 00:08:02,478
mean Brian himself I'm said in my

191
00:07:59,870 --> 00:08:05,689
interview that Richard Dawkins is an

192
00:08:02,478 --> 00:08:07,758
atheist activist and he wasn't convinced

193
00:08:05,689 --> 00:08:09,468
that he has actually convinced too many

194
00:08:07,759 --> 00:08:10,759
people who weren't atheists already and

195
00:08:09,468 --> 00:08:12,560
i think that's that's an interesting

196
00:08:10,759 --> 00:08:14,479
Ironmen well speaking of evidence

197
00:08:12,560 --> 00:08:16,158
Maynard I have evidence that that hot

198
00:08:14,478 --> 00:08:18,769
tub of truth exists you know because

199
00:08:16,158 --> 00:08:20,449
Richard Saunders who's also on the

200

00:08:18,769 --> 00:08:23,658
skeptic zone he has actually done a hot

201
00:08:20,449 --> 00:08:24,180
tub or think tank from Brian's hot tub

202
00:08:23,658 --> 00:08:25,889
of true

203
00:08:24,180 --> 00:08:27,389
yeah now once that's what now I thought

204
00:08:25,889 --> 00:08:29,939
I thought that segment was originally

205
00:08:27,389 --> 00:08:32,639
called the drunk tank which I thought

206
00:08:29,939 --> 00:08:35,129
was an Americanism you deducted yeah and

207
00:08:32,639 --> 00:08:37,319
so there was a think tank from the drunk

208
00:08:35,129 --> 00:08:39,689
hot tub of truth that's right yes yeah

209
00:08:37,320 --> 00:08:41,520
and there was glass being broken someone

210
00:08:39,690 --> 00:08:43,680
smashed a champagne just like in that

211
00:08:41,519 --> 00:08:45,028
scene from showgirls and where they go

212
00:08:43,679 --> 00:08:46,649
swimming in the pool and they drop

213
00:08:45,028 --> 00:08:48,389
champagne glasses in the pool I think

214
00:08:46,649 --> 00:08:50,159

everybody else was looking at you know

215

00:08:48,389 --> 00:08:52,439

at the nude bodies but I was going it's

216

00:08:50,159 --> 00:08:53,969

incredibly unsafe you shouldn't be

217

00:08:52,440 --> 00:08:55,440

dropping glove what are some kiddie went

218

00:08:53,970 --> 00:08:57,120

in there the next day well we'll have to

219

00:08:55,440 --> 00:08:58,680

get on to Brian about that yeah and that

220

00:08:57,120 --> 00:09:00,450

is known as the pool scene from

221

00:08:58,679 --> 00:09:02,759

showgirls look it up on youtube I'm not

222

00:09:00,450 --> 00:09:04,770

like the worst movie ever oh yeah and

223

00:09:02,759 --> 00:09:06,059

that's the worst thing it is that yeah

224

00:09:04,769 --> 00:09:08,519

and because agent Cooper's they're

225

00:09:06,059 --> 00:09:10,439

making himself Kyle MacLachlan and it's

226

00:09:08,519 --> 00:09:12,088

a pretty funny thing here and the sex

227

00:09:10,440 --> 00:09:13,860

scene it looks a bit like a washing it

228

00:09:12,089 --> 00:09:18,149

turns a sort of the pool adore washing

229

00:09:13,860 --> 00:09:19,560

tub it's pretty funny right so that's it

230

00:09:18,149 --> 00:09:21,870

I think that's why you don't want me

231

00:09:19,559 --> 00:09:23,729

being a spokesman for any skeptic you

232

00:09:21,870 --> 00:09:25,289

don't which I'm not because you know I

233

00:09:23,730 --> 00:09:27,330

get up and I get sidetracked like stuff

234

00:09:25,289 --> 00:09:29,099

like that okay well can we get back to

235

00:09:27,330 --> 00:09:30,600

skepticism for a moment I didn't

236

00:09:29,100 --> 00:09:32,490

actually even know if you are a skeptic

237

00:09:30,600 --> 00:09:33,959

the only the first thing i have heard of

238

00:09:32,490 --> 00:09:35,970

you being interested in the movement at

239

00:09:33,958 --> 00:09:38,879

all was with the brian dunning interview

240

00:09:35,970 --> 00:09:41,278

so tell me are you a skeptic I I think

241

00:09:38,879 --> 00:09:42,838

it's safe to say I'm pretty skeptical um

242

00:09:41,278 --> 00:09:44,580

I have been long to the Newcastle

243
00:09:42,839 --> 00:09:46,770
skeptics meeting a number of time oh you

244
00:09:44,580 --> 00:09:52,110
have and I'm a fan of the guys there um

245
00:09:46,769 --> 00:09:54,329
I don't know but also look yes I am but

246
00:09:52,110 --> 00:09:57,870
also look just to give you an idea on my

247
00:09:54,330 --> 00:09:59,879
ipod here I've got the skeptics guide to

248
00:09:57,870 --> 00:10:02,039
the universe the Atheist Experience

249
00:09:59,879 --> 00:10:04,289
which is the podcast from the austin

250
00:10:02,039 --> 00:10:06,539
texas atheist that's pretty come I've

251
00:10:04,289 --> 00:10:10,110
got you guys to skipped exam at the same

252
00:10:06,539 --> 00:10:12,299
time I'm a huge fan of a show that

253
00:10:10,110 --> 00:10:13,769
simply describes its it but they

254
00:10:12,299 --> 00:10:16,139
basically they go out and hit people in

255
00:10:13,769 --> 00:10:18,360
the mouth metaphorically that is been no

256
00:10:16,139 --> 00:10:20,730
agenda show with adam curry and john c

257

00:10:18,360 --> 00:10:23,940
dvorak and what they do in the morning

258
00:10:20,730 --> 00:10:25,829
is basically postulate what-ifs and

259
00:10:23,940 --> 00:10:27,779
they've got some really crack pot ideas

260
00:10:25,828 --> 00:10:29,429
that i love listening to for example the

261
00:10:27,778 --> 00:10:32,100
harp array is that part of an earthquake

262
00:10:29,429 --> 00:10:34,109
machine all the evidence points that not

263
00:10:32,100 --> 00:10:35,278
being the case but I like enjoying

264
00:10:34,110 --> 00:10:36,720
entertaining the idea that there might

265
00:10:35,278 --> 00:10:37,250
be an earthquake machine and what

266
00:10:36,720 --> 00:10:40,100
political

267
00:10:37,250 --> 00:10:41,779
patient's would there be if there was of

268
00:10:40,100 --> 00:10:43,610
course Brian darling is completely bunt

269
00:10:41,779 --> 00:10:45,829
the fact that there is but you know it's

270
00:10:43,610 --> 00:10:48,379
fun to imagine what if so yes I'm

271
00:10:45,830 --> 00:10:50,090

skeptic but you know I enjoy the what-if

272

00:10:48,379 --> 00:10:51,830

possibilities and I had attained them I

273

00:10:50,090 --> 00:10:54,019

mean is a you have you got a pet

274

00:10:51,830 --> 00:10:55,879

conspiracy theory I have I was going to

275

00:10:54,019 --> 00:10:58,639

ask you about that I do have one my

276

00:10:55,879 --> 00:11:00,200

favorite is the Illuminati which is run

277

00:10:58,639 --> 00:11:03,529

by the Rockefellers and the Rothschild

278

00:11:00,200 --> 00:11:05,330

and this involves the lizard people have

279

00:11:03,529 --> 00:11:06,730

you heard about that we know the royal

280

00:11:05,330 --> 00:11:08,690

family is supposed to be a reptilian

281

00:11:06,730 --> 00:11:10,310

bunch of people and they're just hiding

282

00:11:08,690 --> 00:11:11,750

as humans until they come out and take

283

00:11:10,309 --> 00:11:14,209

over the world part of the New World

284

00:11:11,750 --> 00:11:17,600

Order well in fact before you go on and

285

00:11:14,210 --> 00:11:19,340

Brian did a did Georgia Guidestones did

286
00:11:17,600 --> 00:11:20,810
you hear his good yeah that's a little

287
00:11:19,340 --> 00:11:23,210
bit to do with that the Rockefellers in

288
00:11:20,809 --> 00:11:24,919
the Rothschilds yeah well he's your

289
00:11:23,210 --> 00:11:27,280
favorite the only entry herbs that

290
00:11:24,919 --> 00:11:29,990
particular is I have met a Rothschild

291
00:11:27,279 --> 00:11:31,879
actually lead singer of Caligula is a

292
00:11:29,990 --> 00:11:33,110
Rothschild or related to the Rothschilds

293
00:11:31,879 --> 00:11:35,210
and I remember drinking with him one

294
00:11:33,110 --> 00:11:37,220
night and declaring him a pretty

295
00:11:35,210 --> 00:11:39,740
piss-poor number of the beast good

296
00:11:37,220 --> 00:11:41,120
question um he just didn't strike me as

297
00:11:39,740 --> 00:11:42,409
someone who would be a member of the

298
00:11:41,120 --> 00:11:44,060
people of a take over the world but

299
00:11:42,409 --> 00:11:46,429
maybe he's lower down the ranking that's

300
00:11:44,059 --> 00:11:48,969
ash lead some of Caligula look up their

301
00:11:46,429 --> 00:11:51,620
version of tears of a clown on youtube

302
00:11:48,970 --> 00:11:55,160
so you don't have a favorite conspiracy

303
00:11:51,620 --> 00:11:56,810
well see it look and I'm also a big fan

304
00:11:55,159 --> 00:11:58,549
in Sydney of going long to Jamie

305
00:11:56,809 --> 00:11:59,989
Leonardo's movements on archives where

306
00:11:58,549 --> 00:12:03,099
they have a conspiracy it'll get

307
00:11:59,990 --> 00:12:05,480
together every Monday night and and

308
00:12:03,100 --> 00:12:07,430
again conspiracies bit wrong because i

309
00:12:05,480 --> 00:12:09,320
think it whenever you say that that

310
00:12:07,429 --> 00:12:10,969
normally means crackpot and in a court

311
00:12:09,320 --> 00:12:12,920
of law or conspiracy it doesn't always

312
00:12:10,970 --> 00:12:14,570
mean a crackpot theory that is true

313
00:12:12,919 --> 00:12:16,699
we're in the skeptics world when you

314

00:12:14,570 --> 00:12:18,320
hear conspiracy theory you automatically

315
00:12:16,700 --> 00:12:20,360
think of people with propeller hats on

316
00:12:18,320 --> 00:12:22,220
that sort of thing in foil hats or

317
00:12:20,360 --> 00:12:24,980
tin foil hats as well which um there's a

318
00:12:22,220 --> 00:12:26,870
great how-to on the web about how to

319
00:12:24,980 --> 00:12:28,580
make one as well you should try it yes

320
00:12:26,870 --> 00:12:31,490
as a how-to page on how to make your own

321
00:12:28,580 --> 00:12:33,610
tin foil hat beanie right yeah perfect

322
00:12:31,490 --> 00:12:36,320
for the upcoming Australian winter ah

323
00:12:33,610 --> 00:12:39,050
and look I like going on to those things

324
00:12:36,320 --> 00:12:41,570
but my favorite theory of that would be

325
00:12:39,049 --> 00:12:44,389
look I've always been fascinated by

326
00:12:41,570 --> 00:12:47,570
unidentified flying objects and I've

327
00:12:44,389 --> 00:12:49,699
also been fascinated by all the noise

328
00:12:47,570 --> 00:12:50,629

and signal surrounding the Kennedy

329

00:12:49,700 --> 00:12:52,460
assassination as a

330

00:12:50,629 --> 00:12:54,769
people have so these are pre major ones

331

00:12:52,460 --> 00:12:56,509
they're not particularly exciting um but

332

00:12:54,769 --> 00:12:58,730
there's also the console's have a great

333

00:12:56,509 --> 00:13:01,730
stuff sock conspiracy that we can all be

334

00:12:58,730 --> 00:13:03,620
feed into which is you know I mean there

335

00:13:01,730 --> 00:13:05,420
is a logical explanation to wear your

336

00:13:03,620 --> 00:13:08,269
socks go and I'm sure of minis is it

337

00:13:05,419 --> 00:13:09,799
been a few years anyone got an ignoble

338

00:13:08,269 --> 00:13:11,419
award for discovering where their socks

339

00:13:09,799 --> 00:13:13,189
don't lie because there's an ignoble

340

00:13:11,419 --> 00:13:14,689
award for someone who can find out where

341

00:13:13,190 --> 00:13:16,220
they disappeared too because logically

342

00:13:14,690 --> 00:13:17,480
they should be on the floor in your

343
00:13:16,220 --> 00:13:19,730
house or somewhere in the washing

344
00:13:17,480 --> 00:13:21,529
machine but do you ever find them no I

345
00:13:19,730 --> 00:13:23,629
wonder if dr. Carl can get on to this

346
00:13:21,529 --> 00:13:25,129
perhaps I'm surprised he hasn't got on

347
00:13:23,629 --> 00:13:27,620
to it already yeah I suspect he probably

348
00:13:25,129 --> 00:13:29,059
has or Brian Dunning good entire show on

349
00:13:27,620 --> 00:13:31,129
this has probably been below Brian i

350
00:13:29,059 --> 00:13:32,979
gotta say right Danny from skiff toy car

351
00:13:31,129 --> 00:13:35,779
that's right the man with the hot tub I

352
00:13:32,980 --> 00:13:37,310
mean perhaps he loses into the pit on

353
00:13:35,779 --> 00:13:39,159
pair of swimmers in the hot tub of truth

354
00:13:37,309 --> 00:13:42,099
I bet he does in fact he wanted to say

355
00:13:39,159 --> 00:13:44,480
he wanted me to say to you crikey crikey

356
00:13:42,100 --> 00:13:46,190
yeah indeed I don't know why I'll

357
00:13:44,480 --> 00:13:48,139
probably just cuz we're Australians and

358
00:13:46,190 --> 00:13:50,060
I might have said that Dean crikey yeah

359
00:13:48,139 --> 00:13:51,500
yeah be gonna be careful saying that no

360
00:13:50,059 --> 00:13:53,569
you were telling me on the way up here

361
00:13:51,500 --> 00:13:55,669
about a podcast which is called a look

362
00:13:53,570 --> 00:13:57,920
at his butt don't you tell me about that

363
00:13:55,669 --> 00:14:01,219
now look look it is again one of my

364
00:13:57,919 --> 00:14:03,019
favorite ones uh I know everyone

365
00:14:01,220 --> 00:14:06,050
listening is a William Shatner fan

366
00:14:03,019 --> 00:14:07,970
because let who isn't who hasn't had at

367
00:14:06,049 --> 00:14:11,059
least one time in their life i shat in a

368
00:14:07,970 --> 00:14:13,970
moment um I I can't think what mine was

369
00:14:11,059 --> 00:14:17,299
maybe I'm yet to have it but basically

370
00:14:13,970 --> 00:14:19,639
you've got two girls who love the work

371

00:14:17,299 --> 00:14:21,319
of William Shatner and have a sense of

372
00:14:19,639 --> 00:14:22,490
irony about the whole thing and when

373
00:14:21,320 --> 00:14:25,610
they were young leads to watch Star Trek

374
00:14:22,490 --> 00:14:27,980
and go wow look at his body and now they

375
00:14:25,610 --> 00:14:30,409
have a their own podcast which looks at

376
00:14:27,980 --> 00:14:32,690
the work of William Shatner they also do

377
00:14:30,409 --> 00:14:35,120
reviews of sex toys so if you know any

378
00:14:32,690 --> 00:14:38,120
other podcast out there that combines

379
00:14:35,120 --> 00:14:39,950
science fiction and sex toy reviews let

380
00:14:38,120 --> 00:14:41,899
me know because theirs is the one to

381
00:14:39,950 --> 00:14:42,980
look at and they go and do wild stuff

382
00:14:41,899 --> 00:14:45,319
all the time and they're always talking

383
00:14:42,980 --> 00:14:46,759
about William and the apparently in some

384
00:14:45,320 --> 00:14:49,610
scenes I haven't been looking as closely

385
00:14:46,759 --> 00:14:53,870

of the ridge inul Star Trek um I think

386

00:14:49,610 --> 00:14:55,310

they're called an EV ease erroneous

387

00:14:53,870 --> 00:14:57,259

visual erections or something like that

388

00:14:55,309 --> 00:14:59,119

caused by the fact that when they sit

389

00:14:57,259 --> 00:15:01,069

down with the pants the pants buff up in

390

00:14:59,120 --> 00:15:04,039

the front oh I haven't noticed this but

391

00:15:01,070 --> 00:15:04,460

that happens a lot okay just as in Star

392

00:15:04,039 --> 00:15:06,349

Trek

393

00:15:04,460 --> 00:15:08,420

generation whenever anyone gets up or

394

00:15:06,350 --> 00:15:09,860

gets into a sick you saw them you see

395

00:15:08,419 --> 00:15:11,269

them pulling their costume down because

396

00:15:09,860 --> 00:15:12,830

they were badly designed they weren't

397

00:15:11,269 --> 00:15:15,110

designed to stand up and sit down in so

398

00:15:12,830 --> 00:15:16,759

as long as like that so look at his butt

399

00:15:15,110 --> 00:15:18,259

is a show to investigate for that kind

400
00:15:16,759 --> 00:15:20,840
of thing well I'm going to dragoncon

401
00:15:18,259 --> 00:15:22,250
this year may not in atlanta georgia

402
00:15:20,840 --> 00:15:24,440
which is one of the biggest science

403
00:15:22,250 --> 00:15:26,149
fiction convention i think the but girls

404
00:15:24,440 --> 00:15:27,470
are then will also be there really i

405
00:15:26,149 --> 00:15:28,850
have to catch up with them because last

406
00:15:27,470 --> 00:15:30,680
year william shatner was there but i

407
00:15:28,850 --> 00:15:32,750
couldn't see his butt and that was

408
00:15:30,679 --> 00:15:34,639
because his people were surrounding him

409
00:15:32,750 --> 00:15:36,080
everywhere he went so he had this sort

410
00:15:34,639 --> 00:15:37,909
of circle of people everywhere and

411
00:15:36,080 --> 00:15:40,190
they'd shuffle across the river so many

412
00:15:37,909 --> 00:15:41,809
people the Shatner have he had enough

413
00:15:40,190 --> 00:15:44,660
people so you couldn't take a photo of

414
00:15:41,809 --> 00:15:46,459
him without paying 75 US dollars well

415
00:15:44,659 --> 00:15:48,409
well he he does like shilling for the

416
00:15:46,460 --> 00:15:51,410
money yeah hey shield he knows how to

417
00:15:48,409 --> 00:15:52,519
make money just look at him yeah well so

418
00:15:51,409 --> 00:15:55,039
tell me a little bit about what you're

419
00:15:52,519 --> 00:15:56,990
up to because you are my favorite DJ in

420
00:15:55,039 --> 00:15:59,120
the 90s I used to wake up every morning

421
00:15:56,990 --> 00:16:01,129
at six o'clock in the morning to hear

422
00:15:59,120 --> 00:16:03,830
you say wakey wakey hands off snakey and

423
00:16:01,129 --> 00:16:06,289
and just a simple call and wake up you

424
00:16:03,830 --> 00:16:08,030
dumb body which you know it's very

425
00:16:06,289 --> 00:16:09,079
Australian and also if some if someone

426
00:16:08,029 --> 00:16:10,339
says that to you in the morning you like

427
00:16:09,080 --> 00:16:12,350
to get really annoyed or you'll get out

428

00:16:10,340 --> 00:16:13,879
of it yeah there was one about the bus

429
00:16:12,350 --> 00:16:16,129
as well I remember used to go on about

430
00:16:13,879 --> 00:16:18,379
hurry up the buses coming to the bus

431
00:16:16,129 --> 00:16:19,879
stop now do you know that I just do a

432
00:16:18,379 --> 00:16:22,460
simple thing which is always good for

433
00:16:19,879 --> 00:16:25,610
radio now and so like for example i can

434
00:16:22,460 --> 00:16:27,290
so now it's a it's a 13 pass too if you

435
00:16:25,610 --> 00:16:29,570
had to catch the bus at ten past two

436
00:16:27,289 --> 00:16:32,240
you've missed it just simple stuff like

437
00:16:29,570 --> 00:16:33,680
that and you know armatures helpful it

438
00:16:32,240 --> 00:16:35,629
is helpful to people in the morning

439
00:16:33,679 --> 00:16:37,909
because they can give up and go back to

440
00:16:35,629 --> 00:16:40,189
bed or they can just get depressed it

441
00:16:37,909 --> 00:16:41,779
could be late for work and I like having

442
00:16:40,190 --> 00:16:44,180

on also what I used to do and yeah

443

00:16:41,779 --> 00:16:46,669
sometimes I do it I / filter but just

444

00:16:44,179 --> 00:16:48,500
quietly have a phone ringing noise

445

00:16:46,669 --> 00:16:50,179
during songs just have a sound effect of

446

00:16:48,500 --> 00:16:52,220
a normal phone ringing just far off once

447

00:16:50,179 --> 00:16:53,539
or twice during a song or a cat meowing

448

00:16:52,220 --> 00:16:55,100
or something like that in the background

449

00:16:53,539 --> 00:16:56,509
of things that are going on normally and

450

00:16:55,100 --> 00:16:57,529
make no reference to it and you'd have

451

00:16:56,509 --> 00:16:59,299
people wandering around the house

452

00:16:57,529 --> 00:17:01,399
looking for their cat or answering a

453

00:16:59,299 --> 00:17:03,829
phone that doesn't ring fantastic that's

454

00:17:01,399 --> 00:17:04,910
great yeah yeah so what are you doing

455

00:17:03,830 --> 00:17:06,860
with yourself now you're still doing

456

00:17:04,910 --> 00:17:09,410
radio are you a local thing I'm dead and

457
00:17:06,859 --> 00:17:11,240
you know well and yeah half the time I

458
00:17:09,410 --> 00:17:13,160
appre that you're not that's true i will

459
00:17:11,240 --> 00:17:16,519
have the time i'm in new castle which is

460
00:17:13,160 --> 00:17:18,169
very similar basically i'm online goose

461
00:17:16,519 --> 00:17:20,449
for ABC newcastle

462
00:17:18,169 --> 00:17:22,339
online games online goose because maybe

463
00:17:20,449 --> 00:17:24,949
see has all these great title for what

464
00:17:22,338 --> 00:17:27,408
you do like cross media reporter i know

465
00:17:24,949 --> 00:17:29,179
that means i mean i mean you've got a

466
00:17:27,409 --> 00:17:30,409
doctor what does the cross media report

467
00:17:29,179 --> 00:17:33,710
him is it someone who's angry all the

468
00:17:30,409 --> 00:17:36,080
time cross yeah possibly yes so handsome

469
00:17:33,710 --> 00:17:37,879
so look I decided that I needed a title

470
00:17:36,079 --> 00:17:39,408
that if you read something by me you

471
00:17:37,878 --> 00:17:42,408
could not possibly be disappointed so

472
00:17:39,409 --> 00:17:43,940
online goose go well that's not

473
00:17:42,409 --> 00:17:47,210
well-written mother in bone line goose

474
00:17:43,940 --> 00:17:50,149
are you let's see yeah um yes you get

475
00:17:47,210 --> 00:17:52,429
out clause my I my pad under promise and

476
00:17:50,148 --> 00:17:56,959
under-deliver dr. Rachel that's the key

477
00:17:52,429 --> 00:17:59,720
life hmm and basically I do radio stuff

478
00:17:56,960 --> 00:18:02,569
for them do but a video for the web did

479
00:17:59,720 --> 00:18:05,179
a lot of fun last year I did a series of

480
00:18:02,569 --> 00:18:08,178
videos called 30-second special with Jay

481
00:18:05,179 --> 00:18:09,830
cats about some lesser-known pop moments

482
00:18:08,179 --> 00:18:12,259
that I thought needed to be held up into

483
00:18:09,829 --> 00:18:15,288
light like the work of Frank Bennett

484
00:18:12,259 --> 00:18:17,179
like the work of Frank Sinatra jr. a few

485

00:18:15,288 --> 00:18:18,589
little clips like that so search head

486
00:18:17,179 --> 00:18:25,820
out on youtube if you get a bigger

487
00:18:18,589 --> 00:18:27,168
chance hello and welcome to 30 seconds

488
00:18:25,819 --> 00:18:28,759
special the show where we get a little

489
00:18:27,169 --> 00:18:30,830
bit of pop culture now good that's been

490
00:18:28,759 --> 00:18:34,429
swept on her carpet pick it up prior

491
00:18:30,829 --> 00:18:36,168
microscope look at it again and I'll

492
00:18:34,429 --> 00:18:38,629
tell you what today we've got a Pepsi

493
00:18:36,169 --> 00:18:41,389
sexiest dancer stroke singer stroke

494
00:18:38,628 --> 00:18:43,969
actress who's ever had a Bolivian the

495
00:18:41,388 --> 00:18:46,668
aerospace engineer as a father Rock Hill

496
00:18:43,970 --> 00:18:49,009
Welsh I mean tell me later was there a

497
00:18:46,669 --> 00:18:51,080
Bolivian space program yes they got as

498
00:18:49,009 --> 00:18:52,999
high as 15 feet someone got a bit of a

499
00:18:51,079 --> 00:18:54,918

Bolivian nosebleed had to come back down

500

00:18:52,999 --> 00:18:56,778

oh really and then was just to look down

501

00:18:54,919 --> 00:18:58,460

on that beautiful daughter of his reg

502

00:18:56,778 --> 00:19:00,528

he'll look like hella had an

503

00:18:58,460 --> 00:19:02,659

extraordinary career she's probably most

504

00:19:00,528 --> 00:19:05,239

well-known fulfill mine and she started

505

00:19:02,659 --> 00:19:06,739

over 30 films one of the greatest as far

506

00:19:05,239 --> 00:19:09,679

as I'm concerned she doesn't speak a

507

00:19:06,739 --> 00:19:11,509

word of English 1 million bc she's in a

508

00:19:09,679 --> 00:19:13,548

prehistoric bikini one of the most

509

00:19:11,509 --> 00:19:15,349

controversial was Myra Breckinridge in

510

00:19:13,548 --> 00:19:17,298

which she plays a transsexual that

511

00:19:15,349 --> 00:19:18,858

worried a lot of people but what we're

512

00:19:17,298 --> 00:19:21,470

looking at today comes from a great

513

00:19:18,858 --> 00:19:22,849

special a night in 70 TV special now

514
00:19:21,470 --> 00:19:25,308
where did you find this in the movies

515
00:19:22,849 --> 00:19:27,288
all these things were around it was just

516
00:19:25,308 --> 00:19:29,210
under one rock to the side there and

517
00:19:27,288 --> 00:19:31,398
look I actually what

518
00:19:29,210 --> 00:19:33,048
I actually saw this years and years ago

519
00:19:31,398 --> 00:19:35,239
I remembered and that's what started the

520
00:19:33,048 --> 00:19:37,519
hunt because I thought oh my god this

521
00:19:35,240 --> 00:19:39,620
has been inspired by Erich von Daniken's

522
00:19:37,519 --> 00:19:41,538
Chariots of the Gods and that's the

523
00:19:39,619 --> 00:19:43,519
beauty of this piece you actually cut

524
00:19:41,538 --> 00:19:45,379
out of the song california dreamin and

525
00:19:43,519 --> 00:19:47,298
the next thing you in like Tiahuanaco

526
00:19:45,380 --> 00:19:49,700
she's in this most incredibly revealing

527
00:19:47,298 --> 00:19:51,139
spacesuit she's got a couple of spaceman

528
00:19:49,700 --> 00:19:53,120
with her and they do a great

529
00:19:51,140 --> 00:19:54,740
choreographed dance sequence so she

530
00:19:53,119 --> 00:19:56,359
might have made a phone call to a dad to

531
00:19:54,740 --> 00:20:21,048
get the outfit for this I'd say so

532
00:19:56,359 --> 00:20:23,000
Raquel Welch and what's happening with

533
00:20:21,048 --> 00:20:24,528
mad club is that still going well the

534
00:20:23,000 --> 00:20:26,538
mad club now for those people who don't

535
00:20:24,528 --> 00:20:28,099
know that was basically I'd go along to

536
00:20:26,538 --> 00:20:30,048
a club I rabanne a club for a number of

537
00:20:28,099 --> 00:20:31,609
years about eight years here in Sydney

538
00:20:30,048 --> 00:20:34,849
called the mag club in Kings Cross and

539
00:20:31,609 --> 00:20:37,069
we would DJ there while a food fight

540
00:20:34,849 --> 00:20:41,538
went on we basically have a certified

541
00:20:37,069 --> 00:20:43,939
set fire to things use 240 volts and a

542

00:20:41,538 --> 00:20:45,589
water in a dangerous way in fact I was

543
00:20:43,940 --> 00:20:47,269
looking at some videos of that leading

544
00:20:45,589 --> 00:20:49,908
up to me doing a man club recently and

545
00:20:47,269 --> 00:20:52,819
basically everything we used to do in

546
00:20:49,909 --> 00:20:55,370
the early 90s is now illegal to do in a

547
00:20:52,819 --> 00:20:57,879
club you apparently it's illegal to

548
00:20:55,369 --> 00:21:00,648
swing a 240-volt light around your head

549
00:20:57,880 --> 00:21:03,528
on a rope while standing in full of

550
00:21:00,648 --> 00:21:05,778
water now I think why in a public place

551
00:21:03,528 --> 00:21:07,849
apparently that's illegal apparently

552
00:21:05,778 --> 00:21:10,038
putting a lighter fluid on the floor of

553
00:21:07,849 --> 00:21:12,500
a club in a 20-foot line then setting

554
00:21:10,038 --> 00:21:14,778
fire to it is illegal and also running

555
00:21:12,500 --> 00:21:16,880
into two-stroke lawn mower in a club

556
00:21:14,778 --> 00:21:19,009

with with no blades we had no blades on

557

00:21:16,880 --> 00:21:20,840

the lawn mower but we did have a fair

558

00:21:19,009 --> 00:21:21,980

bit of exhaust fumes in a club you know

559

00:21:20,839 --> 00:21:24,889

you just don't have to do those things

560

00:21:21,980 --> 00:21:26,149

neha d people what what has happened to

561

00:21:24,890 --> 00:21:28,700

taking your life in your hands when you

562

00:21:26,148 --> 00:21:30,979

go to the club so we couldn't do any

563

00:21:28,700 --> 00:21:33,048

that but we did a man club recently at

564

00:21:30,980 --> 00:21:34,940

consolas and we had a lot of fun there

565

00:21:33,048 --> 00:21:36,759

and we've got lots of people but because

566

00:21:34,940 --> 00:21:38,990

it runs got what 10 years on them

567

00:21:36,759 --> 00:21:40,730

they're not as big drinkers as I used to

568

00:21:38,990 --> 00:21:41,500

be now I know this just to the drunk

569

00:21:40,730 --> 00:21:44,980

tank

570

00:21:41,500 --> 00:21:46,960

there's a saying that book the think

571
00:21:44,980 --> 00:21:48,849
tank in the skeptic world that you know

572
00:21:46,960 --> 00:21:50,650
is skepticism and alcohol is a bit of

573
00:21:48,849 --> 00:21:52,689
air you know symbiosis is at the moment

574
00:21:50,650 --> 00:21:55,150
I think there is some symbiosis I'm

575
00:21:52,690 --> 00:21:56,170
little bit there um but in the mare club

576
00:21:55,150 --> 00:21:57,970
because the people have a bit older a

577
00:21:56,170 --> 00:21:59,320
bit more sensible instead of having ten

578
00:21:57,970 --> 00:22:01,690
drinks in a night like maybe they used

579
00:21:59,319 --> 00:22:03,450
to that only have three so Bart rate

580
00:22:01,690 --> 00:22:05,680
wasn't sufficient to do it again ah

581
00:22:03,450 --> 00:22:07,120
that's just the point that's okay but

582
00:22:05,680 --> 00:22:08,860
the great thing is I get to keep all the

583
00:22:07,119 --> 00:22:10,929
inflatables all the props and I've got a

584
00:22:08,859 --> 00:22:12,879
six-foot palm tree in my lounge room now

585
00:22:10,930 --> 00:22:14,380
that it's just fantastic it's great it's

586
00:22:12,880 --> 00:22:15,670
just sitting there it looks good so I

587
00:22:14,380 --> 00:22:17,380
get the cable of prop so that's a good

588
00:22:15,670 --> 00:22:19,990
thing but you did set fire to a photo

589
00:22:17,380 --> 00:22:21,940
didn't you make one not illegal well

590
00:22:19,990 --> 00:22:23,500
that was a bit on the edge well we

591
00:22:21,940 --> 00:22:25,870
actually we met a bit further than that

592
00:22:23,500 --> 00:22:28,930
I thought look we need a pinata so why

593
00:22:25,869 --> 00:22:31,809
not a posh spice pinata baby victoria

594
00:22:28,930 --> 00:22:33,519
beckham pinata full of lollies which is

595
00:22:31,809 --> 00:22:35,679
more than she's been for a long time yes

596
00:22:33,519 --> 00:22:37,869
so we haven't we had a girl cop with

597
00:22:35,680 --> 00:22:39,430
high heels and get stuck into the the

598
00:22:37,869 --> 00:22:41,139
posh spice pinata and it worked quite

599

00:22:39,430 --> 00:22:42,519
well and of course we played some spice

600
00:22:41,140 --> 00:22:44,920
girls after it and then we played some

601
00:22:42,519 --> 00:22:46,509
bras and then we played some guru Josh

602
00:22:44,920 --> 00:22:47,860
you know we played all the music is

603
00:22:46,509 --> 00:22:49,569
expressed maybe that's why the night

604
00:22:47,859 --> 00:22:52,509
didn't go so well maybe you think it was

605
00:22:49,569 --> 00:22:53,589
the 90s music the eighties eighties

606
00:22:52,509 --> 00:22:55,000
nineties music might have been the

607
00:22:53,589 --> 00:22:56,319
problem there but like I mean if you go

608
00:22:55,000 --> 00:22:58,299
out and you don't hear brass tune

609
00:22:56,319 --> 00:23:00,460
listener you have met a good night no I

610
00:22:58,299 --> 00:23:02,589
mean I'm going to spend our ballet on

611
00:23:00,460 --> 00:23:04,329
Sunday night well nobody and tears for

612
00:23:02,589 --> 00:23:06,819
fears I was gonna say be the big kicker

613
00:23:04,329 --> 00:23:08,980

for that is I wasn't about Spandau

614

00:23:06,819 --> 00:23:10,240

Ballet bit Tears for Fears and spanned

615

00:23:08,980 --> 00:23:12,309

over together that's a pretty good

616

00:23:10,240 --> 00:23:14,529

combination yeah I had I had to go for

617

00:23:12,309 --> 00:23:16,029

that I'm what other people do you think

618

00:23:14,529 --> 00:23:17,980

you'll see there I mean what type of

619

00:23:16,029 --> 00:23:20,019

people do you think you'll see ya single

620

00:23:17,980 --> 00:23:22,750

mums you think you'll see divorcee is

621

00:23:20,019 --> 00:23:24,639

you think you'll see single people still

622

00:23:22,750 --> 00:23:26,470

bitter um what do you think you'll see I

623

00:23:24,640 --> 00:23:28,960

think I'll say some bitter single people

624

00:23:26,470 --> 00:23:30,910

and I'll probably say some maybe some

625

00:23:28,960 --> 00:23:32,350

more fluorescent colors you know how

626

00:23:30,910 --> 00:23:34,720

that like the fashions come back a

627

00:23:32,349 --> 00:23:36,009

little bit of the 80s hasn't it maybe

628
00:23:34,720 --> 00:23:38,380
we'll see some young people with fluro

629
00:23:36,009 --> 00:23:40,480
pink socks I took a date along Tudor and

630
00:23:38,380 --> 00:23:42,370
um when they were here and and she

631
00:23:40,480 --> 00:23:44,200
dressed up in full new romantic gasps

632
00:23:42,369 --> 00:23:45,699
sort of outfits a thing like what you

633
00:23:44,200 --> 00:23:48,610
would have sort of seen any human league

634
00:23:45,700 --> 00:23:50,470
film clip oh yes and and she'll crepe it

635
00:23:48,609 --> 00:23:52,029
but everyone else is just looking normal

636
00:23:50,470 --> 00:23:54,009
like people weren't weren't taking the

637
00:23:52,029 --> 00:23:54,940
whole thing seriously and I don't see

638
00:23:54,009 --> 00:23:56,049
why you can't a bit of

639
00:23:54,940 --> 00:23:57,640
with your past I mean that's what I've

640
00:23:56,049 --> 00:23:59,169
done on my life ya know you've got to

641
00:23:57,640 --> 00:24:01,840
take it seriously I've got to get out my

642
00:23:59,170 --> 00:24:03,820
my my crunchies and my fluoride pink

643
00:24:01,839 --> 00:24:05,919
socks i think for sunday and what will

644
00:24:03,819 --> 00:24:08,619
be your favorite that to severe song

645
00:24:05,920 --> 00:24:10,720
well i'm a bit partial to everybody

646
00:24:08,619 --> 00:24:12,609
wants to rule the world no it's not my

647
00:24:10,720 --> 00:24:13,809
favorite but the later one the one that

648
00:24:12,609 --> 00:24:15,639
was out when I was actually doing triple

649
00:24:13,809 --> 00:24:18,519
j breakfast was sowing the seeds of love

650
00:24:15,640 --> 00:24:21,550
yes last big it like it's like I'm the

651
00:24:18,519 --> 00:24:23,889
walrus yeah it's and also mother's talk

652
00:24:21,549 --> 00:24:24,970
I like that one worker and that's like

653
00:24:23,890 --> 00:24:26,530
that's an album track you know I'm

654
00:24:24,970 --> 00:24:28,329
getting its queuing am being a skeptic

655
00:24:26,529 --> 00:24:31,180
you would be aware of how they got their

656

00:24:28,329 --> 00:24:33,759
name and the tears for fears is based on

657
00:24:31,180 --> 00:24:35,350
some sort of therapy reversion therapy

658
00:24:33,759 --> 00:24:36,940
or something like that that's how I got

659
00:24:35,349 --> 00:24:38,589
their name I didn't know it in fact I

660
00:24:36,940 --> 00:24:40,420
even heard a rumor that actually started

661
00:24:38,589 --> 00:24:42,699
a band to get money so they could do the

662
00:24:40,420 --> 00:24:45,100
therapy but I'm not quite really I'm not

663
00:24:42,700 --> 00:24:47,140
sure that's a very weird motivation for

664
00:24:45,099 --> 00:24:48,009
starting a band to go into some therapy

665
00:24:47,140 --> 00:24:49,330
there and I don't even know if it's

666
00:24:48,009 --> 00:24:52,809
quick there it'd be a real therapy I'm

667
00:24:49,329 --> 00:24:54,819
sure we'll have to get what is it the

668
00:24:52,809 --> 00:24:58,240
quack cast onto that because also also

669
00:24:54,819 --> 00:25:01,359
one of my favorite podcast yeah he's

670
00:24:58,240 --> 00:25:03,220

fantastic pretty so when are we can i

671

00:25:01,359 --> 00:25:05,199

maybe see you coming to some conventions

672

00:25:03,220 --> 00:25:07,299

and stuff may know that oh look i'm a

673

00:25:05,200 --> 00:25:09,100

big fan of skeptics guy big fan of

674

00:25:07,299 --> 00:25:10,839

skeptics guide to the universe and i

675

00:25:09,099 --> 00:25:13,359

believe all those guys are coming here

676

00:25:10,839 --> 00:25:15,759

for tam so is it Tim have you it is time

677

00:25:13,359 --> 00:25:17,019

yeah Australia I'm pretty interested in

678

00:25:15,759 --> 00:25:18,579

coming on to that I think that would be

679

00:25:17,019 --> 00:25:21,190

fantastic even if I just went around and

680

00:25:18,579 --> 00:25:23,439

did some did some podcasts and shows on

681

00:25:21,190 --> 00:25:25,509

it because some we had this thing here

682

00:25:23,440 --> 00:25:26,980

before no this is the first time this is

683

00:25:25,509 --> 00:25:30,250

the first time town will be in Australia

684

00:25:26,980 --> 00:25:31,750

Wow yeah I would like to go to that

685
00:25:30,250 --> 00:25:32,710
because I went all the skeptics get

686
00:25:31,750 --> 00:25:34,809
together I want to see what they're like

687
00:25:32,710 --> 00:25:36,819
yeah i mean like them skeptics have a

688
00:25:34,809 --> 00:25:40,059
reputation as being a bit intense yes

689
00:25:36,819 --> 00:25:42,339
and and and a bit geeky and and i think

690
00:25:40,059 --> 00:25:43,750
you know that that's a bad I mean yeah

691
00:25:42,339 --> 00:25:45,399
sure there's that aspect tube what's

692
00:25:43,750 --> 00:25:46,809
what besides what is wrong with that

693
00:25:45,400 --> 00:25:48,790
what's wrong with being intense and

694
00:25:46,809 --> 00:25:50,109
geeky more Robert I say look like

695
00:25:48,789 --> 00:25:51,849
whenever guest said a while ago about

696
00:25:50,109 --> 00:25:54,519
being a you know an atheist stop being

697
00:25:51,849 --> 00:25:56,849
agnostic be an atheist dog you know you

698
00:25:54,519 --> 00:25:59,349
know pick a side and prepare to lose

699
00:25:56,849 --> 00:26:00,849
friends I think that is a great quote I

700
00:25:59,349 --> 00:26:04,000
think that's right i mean i've only sort

701
00:26:00,849 --> 00:26:05,679
of really said yes i'm an atheist in the

702
00:26:04,000 --> 00:26:06,880
last year because i've just said I've an

703
00:26:05,680 --> 00:26:07,509
agnostic for so long and I thought I

704
00:26:06,880 --> 00:26:09,040
hang on a minute

705
00:26:07,509 --> 00:26:11,740
yeah I better like make a decision on

706
00:26:09,039 --> 00:26:14,529
this and and it wasn't Richard Dawkins

707
00:26:11,740 --> 00:26:17,259
to change my mind it wasn't it was Dylan

708
00:26:14,529 --> 00:26:19,899
Moran was it really comic Dylan

709
00:26:17,259 --> 00:26:21,759
Magdalene he black books fame you had a

710
00:26:19,900 --> 00:26:23,140
lot in his show he said he used to be a

711
00:26:21,759 --> 00:26:25,390
Catholic or something and he said and he

712
00:26:23,140 --> 00:26:28,180
said is it that stuff being an agnostic

713

00:26:25,390 --> 00:26:29,050
you know it like you know you're still

714
00:26:28,180 --> 00:26:30,190
going to go to hell if you're an

715
00:26:29,049 --> 00:26:31,750
agnostic and you get up there and

716
00:26:30,190 --> 00:26:33,580
there's a heaven I thought well you're

717
00:26:31,750 --> 00:26:35,500
right about a pic at annex basically is

718
00:26:33,579 --> 00:26:37,240
his way of saying pick a side so okay

719
00:26:35,500 --> 00:26:40,000
I'll go with the atheists they seem like

720
00:26:37,240 --> 00:26:41,440
much more fun yeah fair enough to well

721
00:26:40,000 --> 00:26:42,789
thanks very much for joining us later

722
00:26:41,440 --> 00:26:45,910
I'll look I'm sure I'll pretty much

723
00:26:42,789 --> 00:26:48,190
advance the cause of skepticism in it

724
00:26:45,910 --> 00:26:49,990
not at all I'll probably taking it back

725
00:26:48,190 --> 00:26:52,210
a little bit but look you can check out

726
00:26:49,990 --> 00:26:53,829
what I'm doing on Maynard calmed are you

727
00:26:52,210 --> 00:26:55,420

and through there there's links to all

728

00:26:53,829 --> 00:26:56,769

the podcasts I mentioned the no agenda

729

00:26:55,420 --> 00:26:58,300

show look at his battle at saw stuff

730

00:26:56,769 --> 00:27:01,750

there's also Maynard TV where I

731

00:26:58,299 --> 00:27:04,200

highlight video each week of Maya of my

732

00:27:01,750 --> 00:27:06,759

illustrious and embarrassing past

733

00:27:04,200 --> 00:27:08,049

mentorship and end at the moment we've

734

00:27:06,759 --> 00:27:09,970

got an interview with Tim Ferguson up

735

00:27:08,049 --> 00:27:12,579

now Tim Ferguson used to be with the dog

736

00:27:09,970 --> 00:27:14,230

Anthony All Stars and he's just written

737

00:27:12,579 --> 00:27:18,279

a book called the cheeky monkey on his

738

00:27:14,230 --> 00:27:19,690

history on his theory of comedy and that

739

00:27:18,279 --> 00:27:21,369

makes a real good interview if you

740

00:27:19,690 --> 00:27:23,170

interested in how to write comedy and

741

00:27:21,369 --> 00:27:24,879

also what's Tim Ferguson doing he's not

742
00:27:23,170 --> 00:27:26,410
dead either he's still looking at albert

743
00:27:24,880 --> 00:27:27,760
well the last I remember him was don't

744
00:27:26,410 --> 00:27:30,279
forget your toothbrush remember that

745
00:27:27,759 --> 00:27:32,230
television show exactly and the weird

746
00:27:30,279 --> 00:27:35,079
thing is as I mentioned with him I often

747
00:27:32,230 --> 00:27:36,400
get mistaken for Tim Ferguson only

748
00:27:35,079 --> 00:27:37,899
because of my height and I've got dark

749
00:27:36,400 --> 00:27:40,900
hair that is that the only that he's a

750
00:27:37,900 --> 00:27:42,400
much hotter guy than I I believe you me

751
00:27:40,900 --> 00:27:44,050
he's got the jawline that just won't

752
00:27:42,400 --> 00:27:45,940
quit there I had a dirty big crush on

753
00:27:44,049 --> 00:27:48,669
him in the 90s I have to say well I've

754
00:27:45,940 --> 00:27:49,960
got to say he well he probably was the

755
00:27:48,670 --> 00:27:51,519
best-looking member that I got the

756
00:27:49,960 --> 00:27:53,380
all-stars depends on what you want it

757
00:27:51,519 --> 00:27:55,240
was like the good-looking jawline yet

758
00:27:53,380 --> 00:27:56,440
they had the the everyday boy that you

759
00:27:55,240 --> 00:27:58,180
want to take home and you and that was

760
00:27:56,440 --> 00:28:00,070
Richard and light and then there was the

761
00:27:58,180 --> 00:28:01,180
guy that you know the dangerous bad guy

762
00:28:00,069 --> 00:28:03,250
that would go home and drink your blood

763
00:28:01,180 --> 00:28:04,600
and that was paul mcdermott yeah Jenny

764
00:28:03,250 --> 00:28:06,009
had all three of them in the one group

765
00:28:04,599 --> 00:28:07,659
that no one of the girls loved anything

766
00:28:06,009 --> 00:28:09,759
else does so I've got interview Tim

767
00:28:07,660 --> 00:28:11,560
Ferguson on the Maynard's malaise

768
00:28:09,759 --> 00:28:12,789
podcast available on iTunes everything

769
00:28:11,559 --> 00:28:14,740
stuff in that but you know it just

770

00:28:12,789 --> 00:28:16,420
depends on what I'm up to and I put

771
00:28:14,740 --> 00:28:17,650
different things on them and you can

772
00:28:16,420 --> 00:28:19,210
write to been abused me don't worry oh

773
00:28:17,650 --> 00:28:19,570
great okay that's true but you know I

774
00:28:19,210 --> 00:28:22,690
wish I

775
00:28:19,569 --> 00:28:24,250
it's not as you dr. Rachel really well I

776
00:28:22,690 --> 00:28:26,799
would really like that we'll sit down

777
00:28:24,250 --> 00:28:28,480
and use some big words like that but I

778
00:28:26,799 --> 00:28:30,490
had this one practiced for the interview

779
00:28:28,480 --> 00:28:33,099
kind is it yeah you can please Dave I

780
00:28:30,490 --> 00:28:36,069
feel belief in transubstantiation is

781
00:28:33,099 --> 00:28:39,039
unsubstantiated there how does that

782
00:28:36,069 --> 00:28:40,779
sound I spent all night on Wikipedia

783
00:28:39,039 --> 00:28:42,460
just so i can say that kind of thing I

784
00:28:40,779 --> 00:28:44,309

saw you with twittering that you were I

785

00:28:42,460 --> 00:28:47,410
need a big word so that

786

00:28:44,309 --> 00:28:49,299
transubstantiation and the belief of not

787

00:28:47,410 --> 00:28:52,570
that a non belief in that is what I

788

00:28:49,299 --> 00:28:53,649
would push there was one other word that

789

00:28:52,569 --> 00:28:55,179
you shared with me do you want to share

790

00:28:53,650 --> 00:28:56,950
that with Alison well this is actually

791

00:28:55,180 --> 00:28:59,560
from tim ferguson because I said to Tim

792

00:28:56,950 --> 00:29:01,779
what's an unusual word we could use in

793

00:28:59,559 --> 00:29:05,980
everyday conversation as a hue bit of

794

00:29:01,779 --> 00:29:11,490
humor and he said for nord if n 0 rd and

795

00:29:05,980 --> 00:29:14,829
it's a bit hard to explain basically i

796

00:29:11,490 --> 00:29:17,589
think of the the coke lobo think of the

797

00:29:14,829 --> 00:29:19,929
coke logo the the font of the coke logo

798

00:29:17,589 --> 00:29:24,099
now if you change that to for it to

799

00:29:19,930 --> 00:29:26,470

serve say enjoy cocaine or enjoy cock

800

00:29:24,099 --> 00:29:28,569

and I've seen both of those that would

801

00:29:26,470 --> 00:29:31,210

be a Ford because you've typographically

802

00:29:28,569 --> 00:29:32,559

change something in the same font to say

803

00:29:31,210 --> 00:29:34,990

something different you've subverted it

804

00:29:32,559 --> 00:29:37,149

now it probably has a meaning deeper

805

00:29:34,990 --> 00:29:39,819

than that but visually that's what it

806

00:29:37,150 --> 00:29:42,700

means so if someone was doing a Ford um

807

00:29:39,819 --> 00:29:44,319

I butter here if you're doing a Ford you

808

00:29:42,700 --> 00:29:45,750

basically tapping away at the computer

809

00:29:44,319 --> 00:29:49,450

so it's not interesting but it is work

810

00:29:45,750 --> 00:29:51,579

well for noting away like you would not

811

00:29:49,450 --> 00:29:52,930

believe so it still can be used

812

00:29:51,579 --> 00:29:54,429

comically well there's something that

813
00:29:52,930 --> 00:29:55,690
our list is probably didn't know so

814
00:29:54,430 --> 00:29:57,430
there you're smart enough to tell them

815
00:29:55,690 --> 00:30:00,519
something new okay okay yeah

816
00:29:57,430 --> 00:30:04,299
transubstantiation is unsubstantiated I

817
00:30:00,519 --> 00:30:05,950
love that Thank You Man our dough for

818
00:30:04,299 --> 00:30:07,809
joining us on the skeptic second my

819
00:30:05,950 --> 00:30:10,269
pleasure dr. Reggie and I hope to join

820
00:30:07,809 --> 00:30:12,899
you sometime in the drunk tank you'd be

821
00:30:10,269 --> 00:30:12,900
welcome anytime

822
00:30:23,369 --> 00:30:28,619
attention people in Sydney here's your

823
00:30:25,650 --> 00:30:31,590
chance to see science and art a

824
00:30:28,619 --> 00:30:34,759
wonderful interaction between science

825
00:30:31,589 --> 00:30:37,099
and art the culture at work residency of

826
00:30:34,759 --> 00:30:40,259
Queensland Brain Institute

827

00:30:37,099 --> 00:30:42,359
neuroscientist dr. Adam Hamlin as

828
00:30:40,259 --> 00:30:45,390
interviewed by dr. 80 on the skeptic

829
00:30:42,359 --> 00:30:48,419
zone show number 60 and embroidery

830
00:30:45,390 --> 00:30:50,960
artist melody Lord well they going to

831
00:30:48,420 --> 00:30:54,600
explore the birth and death of new rooms

832
00:30:50,960 --> 00:30:56,970
this is a fascinating this is a

833
00:30:54,599 --> 00:30:59,969
fascinating project Adam and melody will

834
00:30:56,970 --> 00:31:03,509
be presenting their Tuesday talk at

835
00:30:59,970 --> 00:31:05,819
culture at work and that's six to eight

836
00:31:03,509 --> 00:31:11,480
scott street in piermont here in sydney

837
00:31:05,819 --> 00:31:14,669
on may the 4th at 6pm sounds fascinating

838
00:31:11,480 --> 00:31:17,660
come along and to find out more about it

839
00:31:14,670 --> 00:31:22,230
why don't you drop an email to info @

840
00:31:17,660 --> 00:31:30,080
culture at work Comte you or check out

841
00:31:22,230 --> 00:31:30,079

the website w WK at work calm today you

842

00:31:39,169 --> 00:31:48,269

join us now for drinking skeptically in

843

00:31:42,538 --> 00:31:49,950

the think tank well here we are once

844

00:31:48,269 --> 00:31:51,899

again in our favorite club down the

845

00:31:49,950 --> 00:31:57,119

street welcome to the think tank hello

846

00:31:51,898 --> 00:32:00,209

to everyone and with us tonight we have

847

00:31:57,118 --> 00:32:02,788

around to get high wage Dave the happy

848

00:32:00,210 --> 00:32:06,179

CEO hello everybody Joe better moon I

849

00:32:02,788 --> 00:32:08,669

got three and a drunken madman Oh Jason

850

00:32:06,179 --> 00:32:12,059

Brown now this one peasant missing

851

00:32:08,669 --> 00:32:14,730

tonight mm where's riches Claire indeed

852

00:32:12,058 --> 00:32:17,099

which is not here tonight mrs. he's um

853

00:32:14,730 --> 00:32:19,589

well actually he's gone down to Aubrey

854

00:32:17,099 --> 00:32:22,439

to spend some time with our voiceover

855

00:32:19,589 --> 00:32:25,528

man Jim will cheer and it's actually

856
00:32:22,440 --> 00:32:27,058
Jim's birthday today so they're having a

857
00:32:25,528 --> 00:32:30,480
barbecue right now and I've not only

858
00:32:27,058 --> 00:32:32,579
sausages in topsham yeah so happy

859
00:32:30,480 --> 00:32:36,749
birthday to gym yeah yeah we go Jay

860
00:32:32,579 --> 00:32:38,720
happy birthday and so so who's doing the

861
00:32:36,749 --> 00:32:48,538
voice overs when it comes up party Oh

862
00:32:38,720 --> 00:32:50,639
Jamal didn't later fix it defi um before

863
00:32:48,538 --> 00:32:53,878
we just get stuck into some news items

864
00:32:50,638 --> 00:32:57,678
this week I received on tuesday i

865
00:32:53,878 --> 00:32:57,678
finally got my shaadi award yeah

866
00:32:57,700 --> 00:33:06,940
yeah well before you give that away you

867
00:33:05,409 --> 00:33:10,330
don't know the story you're right no I

868
00:33:06,940 --> 00:33:13,808
don't oh okay um it's it's a glass place

869
00:33:10,329 --> 00:33:15,548
it sitting around on a five sides for

870
00:33:13,808 --> 00:33:18,190
the benefit of listeners rachy is

871
00:33:15,548 --> 00:33:21,190
gesturing the size this is no use to you

872
00:33:18,190 --> 00:33:23,950
at all and said a 55 okay I don't know

873
00:33:21,190 --> 00:33:25,659
it's like an 8 by 10 inch roughly and

874
00:33:23,950 --> 00:33:28,000
it's engraved the glaston grace

875
00:33:25,659 --> 00:33:29,470
universal sandblasting look that you can

876
00:33:28,000 --> 00:33:33,069
can you tell you something about the

877
00:33:29,470 --> 00:33:34,870
wrapping why the the wrapping is fine

878
00:33:33,069 --> 00:33:36,819
what you're inferring is not actually

879
00:33:34,869 --> 00:33:38,739
what was wrong with it what was actually

880
00:33:36,819 --> 00:33:43,750
wrong with it was they misspelled my

881
00:33:38,740 --> 00:33:47,589
name before in the awards so most my

882
00:33:43,750 --> 00:33:49,808
name is spelt with an AE L not an AI and

883
00:33:47,589 --> 00:33:50,918
somebody who engraved it obviously

884

00:33:49,808 --> 00:33:53,500
wasn't paying very much attention

885
00:33:50,919 --> 00:33:56,620
because interestingly it came packed

886
00:33:53,500 --> 00:33:59,259
very well perhaps because it's glass so

887
00:33:56,619 --> 00:34:01,719
it has three shipping dockets on it all

888
00:33:59,259 --> 00:34:04,629
struck correctly it had a little sticker

889
00:34:01,720 --> 00:34:06,819
spelt correctly within the packaging was

890
00:34:04,630 --> 00:34:09,730
the program from the night spoke

891
00:34:06,819 --> 00:34:12,099
correctly everything else if even the

892
00:34:09,730 --> 00:34:14,079
box that the trophy came in had my name

893
00:34:12,099 --> 00:34:16,869
written twice in thick black texture

894
00:34:14,079 --> 00:34:19,780
spelt correctly and then when I opened

895
00:34:16,869 --> 00:34:21,159
it up there was no a and then yeah I

896
00:34:19,780 --> 00:34:23,379
think I think you should join the group

897
00:34:21,159 --> 00:34:24,460
on facebook that i joined people will

898
00:34:23,378 --> 00:34:28,299

always have to spell their names to

899

00:34:24,460 --> 00:34:37,898

other people oh yeah maybe but I mean

900

00:34:28,300 --> 00:34:41,530

sometimes lowest aj pey the other guy

901

00:34:37,898 --> 00:34:45,759

from Australia who got his and at 27 B /

902

00:34:41,530 --> 00:34:48,429

6 here's came in three pieces so I guess

903

00:34:45,760 --> 00:34:49,960

I should be grateful that it's not in

904

00:34:48,429 --> 00:34:51,849

three pieces and also it doesn't say

905

00:34:49,960 --> 00:34:55,730

mikkola or Mike Adams so you know

906

00:34:51,849 --> 00:34:58,490

exactly there's always an upside yeah

907

00:34:55,730 --> 00:34:59,750

so Debbie you tweeted the shorties and

908

00:34:58,489 --> 00:35:03,469

asked them to give me another one's a

909

00:34:59,750 --> 00:35:04,760

few people did that children yeah well I

910

00:35:03,469 --> 00:35:06,559

don't know if I should follow it up I

911

00:35:04,760 --> 00:35:09,380

feel a bit the book dr. Rachel done up

912

00:35:06,559 --> 00:35:10,940

on it no the did more there's a lot

913
00:35:09,380 --> 00:35:12,470
luckier honorific on them we're

914
00:35:10,940 --> 00:35:15,380
definitely giving this face it just says

915
00:35:12,469 --> 00:35:17,569
Rachel Dunlop oh maybe it's not even you

916
00:35:15,380 --> 00:35:20,329
another Rachel someone else I want the

917
00:35:17,570 --> 00:35:21,500
shirt but without a net yeah maybe it's

918
00:35:20,329 --> 00:35:25,909
just a silly to it's a popularity

919
00:35:21,500 --> 00:35:28,219
contest yeah who cares i'm going to say

920
00:35:25,909 --> 00:35:29,690
my toys out of the pram but it's really

921
00:35:28,219 --> 00:35:31,819
impressive looking trophy yes i would

922
00:35:29,690 --> 00:35:33,740
have brought it tonight oh I forgot that

923
00:35:31,820 --> 00:35:36,200
neither worked well on an audio podcast

924
00:35:33,739 --> 00:35:37,909
well I'm just bragging you know in

925
00:35:36,199 --> 00:35:39,858
bragging rights just hugging it while we

926
00:35:37,909 --> 00:35:42,889
do the pocket well don't give a shit

927
00:35:39,858 --> 00:35:45,670
well done indeed thank you thank you I

928
00:35:42,889 --> 00:35:49,960
got I got you guys here in particular

929
00:35:45,670 --> 00:35:51,920
Jason and happy to talk about the ethics

930
00:35:49,960 --> 00:35:54,170
trials that are going on in New South

931
00:35:51,920 --> 00:35:55,639
Wales schools and because you guys know

932
00:35:54,170 --> 00:35:57,829
a fair bit about this and around us as

933
00:35:55,639 --> 00:35:59,509
well Donatello Anastos about that yeah

934
00:35:57,829 --> 00:36:01,519
anybody who wants to know a bit more

935
00:35:59,510 --> 00:36:03,470
background information by the way it's

936
00:36:01,519 --> 00:36:07,219
actually the top story on skeptics like

937
00:36:03,469 --> 00:36:10,329
under to you at the moment I might blog

938
00:36:07,219 --> 00:36:15,379
about it on Dave the happy singer calm

939
00:36:10,329 --> 00:36:18,259
probably show up on skeptical well this

940
00:36:15,380 --> 00:36:21,289
is a story that goes back a fair way now

941

00:36:18,260 --> 00:36:23,300
but if the situation in Australian

942
00:36:21,289 --> 00:36:24,559
schools is that the churches are allowed

943
00:36:23,300 --> 00:36:27,320
to come in and offer what they call

944
00:36:24,559 --> 00:36:28,789
special religious education which is not

945
00:36:27,320 --> 00:36:31,460
a comparative religion course an

946
00:36:28,789 --> 00:36:33,800
objective look at what religious people

947
00:36:31,460 --> 00:36:37,159
believe but it's taught by ministers and

948
00:36:33,800 --> 00:36:38,480
it is a scripture class and quite

949
00:36:37,159 --> 00:36:40,879
rightly the kids are allowed to opt out

950
00:36:38,480 --> 00:36:42,230
of it but those children who opt out of

951
00:36:40,880 --> 00:36:43,820
Scripture aren't allowed to be given

952
00:36:42,230 --> 00:36:45,139
anything useful to do in that time so

953
00:36:43,820 --> 00:36:48,830
they've got to twiddle their thumbs or

954
00:36:45,139 --> 00:36:49,849
play computer games they're not even

955
00:36:48,829 --> 00:36:51,079

really allowed to go out in the

956

00:36:49,849 --> 00:36:52,699

playground and play football because

957

00:36:51,079 --> 00:36:55,969

they need supervision for that yeah

958

00:36:52,699 --> 00:36:59,779

bitch go to the library and so no matter

959

00:36:55,969 --> 00:37:01,159

how you feel about having ministers

960

00:36:59,780 --> 00:37:03,290

coming into schools in the first place

961

00:37:01,159 --> 00:37:05,849

the the situation is it is now isn't

962

00:37:03,289 --> 00:37:08,969

great so the sim James ethic center

963

00:37:05,849 --> 00:37:11,549

which is a ethical think tank here in

964

00:37:08,969 --> 00:37:14,039

Australia proposed a secular alternative

965

00:37:11,550 --> 00:37:16,910

to scripture classes which is a course

966

00:37:14,039 --> 00:37:20,840

doing an introduction to ethics and the

967

00:37:16,909 --> 00:37:23,329

course outline briefly is to give

968

00:37:20,840 --> 00:37:26,550

something for the non-religious kids

969

00:37:23,329 --> 00:37:28,409

time to learn to think about what's

970
00:37:26,550 --> 00:37:30,030
right and wrong because ethics is a part

971
00:37:28,409 --> 00:37:33,389
of the special religious education

972
00:37:30,030 --> 00:37:35,430
alongside the brainwashing so the basic

973
00:37:33,389 --> 00:37:38,009
course is to talk about a question of

974
00:37:35,429 --> 00:37:42,629
what i want to do to use dialogue to

975
00:37:38,010 --> 00:37:44,430
resolve that to develop the basically

976
00:37:42,630 --> 00:37:46,740
the reasoning that we apply to ethical

977
00:37:44,429 --> 00:37:48,299
questions and i think that not every

978
00:37:46,739 --> 00:37:51,059
member of The Skeptical movement is also

979
00:37:48,300 --> 00:37:53,160
you know a member of this atheist

980
00:37:51,059 --> 00:37:56,909
movement and I'm one with a happy foot

981
00:37:53,159 --> 00:38:00,239
in both camps as you know but this is an

982
00:37:56,909 --> 00:38:02,069
issue whether they're offering an

983
00:38:00,239 --> 00:38:04,199
alternative to sitting in a photocopying

984
00:38:02,070 --> 00:38:06,630
room and that alternative is thinking

985
00:38:04,199 --> 00:38:09,119
about things discussing things reasoning

986
00:38:06,630 --> 00:38:10,289
trying to figure out what's what's right

987
00:38:09,119 --> 00:38:12,630
and wrong and I think this is one issue

988
00:38:10,289 --> 00:38:14,190
where you know we really do need to

989
00:38:12,630 --> 00:38:16,380
speak with one voice particularly

990
00:38:14,190 --> 00:38:19,079
because the religious is specifically

991
00:38:16,380 --> 00:38:21,539
the Christian backlash has been huge

992
00:38:19,079 --> 00:38:23,730
really quite oh it's also probably

993
00:38:21,539 --> 00:38:25,500
important to note this is not an atheism

994
00:38:23,730 --> 00:38:27,809
class okay this is simply an alternative

995
00:38:25,500 --> 00:38:30,269
it's a secular alternative secular not a

996
00:38:27,809 --> 00:38:34,139
theistic an AC ism class would be pretty

997
00:38:30,269 --> 00:38:36,000
short but the thing is it's not and it's

998

00:38:34,139 --> 00:38:37,409
not bro it's not competition in the

999
00:38:36,000 --> 00:38:39,179
sense that they're talking against

1000
00:38:37,409 --> 00:38:40,500
religion this is competition in the

1001
00:38:39,179 --> 00:38:42,690
sense that it's something alternative

1002
00:38:40,500 --> 00:38:44,820
for the kids to do and then churches or

1003
00:38:42,690 --> 00:38:47,519
power objective is yearly however I

1004
00:38:44,820 --> 00:38:49,800
think that the church is quite correctly

1005
00:38:47,519 --> 00:38:52,920
realized that if children are given the

1006
00:38:49,800 --> 00:38:56,220
option of going to scripture classes or

1007
00:38:52,920 --> 00:38:57,780
go into a secular class whether talking

1008
00:38:56,219 --> 00:39:00,649
about these things and discussing these

1009
00:38:57,780 --> 00:39:03,339
things I think the children

1010
00:39:00,650 --> 00:39:06,410
would would too far under the church

1011
00:39:03,338 --> 00:39:07,788
notice already the church has got really

1012
00:39:06,409 --> 00:39:09,889

angry about this will they have

1013

00:39:07,789 --> 00:39:14,660

archbishop peter jensen that this is a V

1014

00:39:09,889 --> 00:39:16,578

of the Anglican tribe he met the

1015

00:39:14,659 --> 00:39:18,139

Education Department to express concern

1016

00:39:16,579 --> 00:39:20,028

that enrollments for religion classes

1017

00:39:18,139 --> 00:39:24,769

might drop as a result of ethics classes

1018

00:39:20,028 --> 00:39:26,329

diddums but he said it'd be warned if

1019

00:39:24,769 --> 00:39:28,038

government allows this course to

1020

00:39:26,329 --> 00:39:29,720

continue after the trial it will

1021

00:39:28,039 --> 00:39:33,440

jeopardize religious education in public

1022

00:39:29,719 --> 00:39:35,509

schools yes without such without such a

1023

00:39:33,440 --> 00:39:39,338

religious component public schools will

1024

00:39:35,510 --> 00:39:39,339

cease to be inclusive of all children

1025

00:39:40,420 --> 00:39:45,349

we're talking about public schools we're

1026

00:39:43,159 --> 00:39:48,170

not talking about legal go we're talking

1027
00:39:45,349 --> 00:39:50,720
about public schools yeah yeah fire I

1028
00:39:48,170 --> 00:39:52,460
mean we can go back to basic economics

1029
00:39:50,719 --> 00:39:55,068
here you know mr. Jensen improve your

1030
00:39:52,460 --> 00:39:58,548
product yeah don't apply I had to pick

1031
00:39:55,068 --> 00:39:59,690
up your game yeah get them while you get

1032
00:39:58,548 --> 00:40:01,969
them while they're young but the other

1033
00:39:59,690 --> 00:40:05,568
thing David that's been happening is

1034
00:40:01,969 --> 00:40:07,179
that the church has been trying to have

1035
00:40:05,568 --> 00:40:10,190
input into what's in the classes right

1036
00:40:07,179 --> 00:40:12,199
I've been interfering quite a lot yes we

1037
00:40:10,190 --> 00:40:15,679
lobbied for yes the archbishop as well

1038
00:40:12,199 --> 00:40:17,719
as having basically what is a lot of

1039
00:40:15,679 --> 00:40:20,088
juvenile blog post every month actually

1040
00:40:17,719 --> 00:40:22,429
printed in the newspapers where he tends

1041
00:40:20,088 --> 00:40:24,469
to rant about atheists but he's also

1042
00:40:22,429 --> 00:40:26,239
privately lobbied the prime minister of

1043
00:40:24,469 --> 00:40:28,399
New South Wales he's met with her in

1044
00:40:26,239 --> 00:40:30,318
perennial I don't have a prime minister

1045
00:40:28,400 --> 00:40:32,329
I was it not well premier Kristina

1046
00:40:30,318 --> 00:40:37,009
Keneally that's the lady there with you

1047
00:40:32,329 --> 00:40:38,690
behaving and I don't know the headline

1048
00:40:37,010 --> 00:40:40,460
here is connealy allows a lot Anglican

1049
00:40:38,690 --> 00:40:42,318
Church to vet content of ethics lessons

1050
00:40:40,460 --> 00:40:43,789
if you actually read into it it just

1051
00:40:42,318 --> 00:40:46,038
said the government would contact the

1052
00:40:43,789 --> 00:40:49,099
anglican diocese regarding their input

1053
00:40:46,039 --> 00:40:52,299
into the trial so I don't that then with

1054
00:40:49,099 --> 00:40:55,609
the garden and say no you have none I

1055

00:40:52,298 --> 00:40:58,309
well exactly however what did happen was

1056
00:40:55,608 --> 00:41:00,828
that the

1057
00:40:58,309 --> 00:41:04,910
Jensen along with his Catholic

1058
00:41:00,829 --> 00:41:06,499
counterpart did the fire up a little bit

1059
00:41:04,909 --> 00:41:11,028
of an a favor of a letter-writing

1060
00:41:06,498 --> 00:41:12,768
campaign to get get their parishioners

1061
00:41:11,028 --> 00:41:17,139
to to write and complain about this

1062
00:41:12,768 --> 00:41:20,659
attic strong and with moderate success

1063
00:41:17,139 --> 00:41:24,170
penny Sharpe who's a Labour MP who is

1064
00:41:20,659 --> 00:41:25,188
also very into the Facebook and the

1065
00:41:24,170 --> 00:41:28,278
Twitter and she's very approachable

1066
00:41:25,188 --> 00:41:32,598
online she received driving some 60 odd

1067
00:41:28,278 --> 00:41:34,009
emails once these came out we decided it

1068
00:41:32,599 --> 00:41:36,528
was time to send some emails ourselves

1069
00:41:34,009 --> 00:41:39,380

and about four times the number five

1070

00:41:36,528 --> 00:41:41,688

times when I'm look probably about 60

1071

00:41:39,380 --> 00:41:45,559

odd friend request on facebook yeah from

1072

00:41:41,688 --> 00:41:47,509

us and dozens or tweets and hundreds of

1073

00:41:45,559 --> 00:41:50,269

email but the interesting thing was she

1074

00:41:47,509 --> 00:41:51,498

did give us some stats on here it

1075

00:41:50,268 --> 00:41:53,478

contacted and the people who are

1076

00:41:51,498 --> 00:41:55,968

opposing the trial almost exclusively

1077

00:41:53,478 --> 00:41:59,748

row by email where's the flood of people

1078

00:41:55,969 --> 00:42:02,539

supporting this 10 week trial / ethics

1079

00:41:59,748 --> 00:42:04,538

classes in schools came from Twitter and

1080

00:42:02,539 --> 00:42:06,890

Facebook as well as for an email so

1081

00:42:04,539 --> 00:42:11,359

perhaps there's a sign of a generational

1082

00:42:06,889 --> 00:42:14,868

gap there between those who are opposing

1083

00:42:11,358 --> 00:42:18,619

this ethics trial so the ones who

1084
00:42:14,869 --> 00:42:21,349
opposed came from email just email she

1085
00:42:18,619 --> 00:42:23,179
she got about 60 lousy mother yeah good

1086
00:42:21,349 --> 00:42:26,269
emails and when it came to people who

1087
00:42:23,179 --> 00:42:27,858
were writing to say no we support this

1088
00:42:26,268 --> 00:42:30,498
this is fantastic please don't let your

1089
00:42:27,858 --> 00:42:32,358
colleagues be alright by this that was

1090
00:42:30,498 --> 00:42:34,308
no when we went to pinterest and that

1091
00:42:32,358 --> 00:42:37,699
was that was much more kind of facebook

1092
00:42:34,309 --> 00:42:38,929
and twitter as well as being yeah which

1093
00:42:37,699 --> 00:42:40,159
i thought was very interesting as well

1094
00:42:38,929 --> 00:42:45,019
as the sheer numbers the sheer numbers

1095
00:42:40,159 --> 00:42:47,568
were in this case we did outnumber them

1096
00:42:45,018 --> 00:42:49,728
considerably and i think the reason why

1097
00:42:47,568 --> 00:42:52,159
these clergymen are so terrified about

1098
00:42:49,728 --> 00:42:56,118
this is because they know the parents

1099
00:42:52,159 --> 00:42:58,469
and children unless they're actually

1100
00:42:56,119 --> 00:43:01,568
practicing religious people

1101
00:42:58,469 --> 00:43:03,250
would rather do the ethics trial and I

1102
00:43:01,568 --> 00:43:05,529
think a large number of the kids who are

1103
00:43:03,250 --> 00:43:07,210
doing scripture now doing it because the

1104
00:43:05,530 --> 00:43:08,800
alternative is sitting in a photocopy of

1105
00:43:07,210 --> 00:43:10,030
all yeah we've we've got I've got a

1106
00:43:08,800 --> 00:43:11,470
figure in front of me now from an

1107
00:43:10,030 --> 00:43:13,630
article on the morning herald which says

1108
00:43:11,469 --> 00:43:16,598
that forty-seven percent of kids at

1109
00:43:13,630 --> 00:43:20,050
baulkham hills actually opted for the

1110
00:43:16,599 --> 00:43:22,690
ethics class I'm baulkham hills is the

1111
00:43:20,050 --> 00:43:24,599
the very heartland of hillsong yeah it's

1112

00:43:22,690 --> 00:43:26,710
quite a sort of a very family

1113
00:43:24,599 --> 00:43:29,289
traditional conservative kind of a

1114
00:43:26,710 --> 00:43:31,000
religious area and forty-seven percent

1115
00:43:29,289 --> 00:43:32,650
of the kids were going into the ethics

1116
00:43:31,000 --> 00:43:35,608
class do you know if that correlates to

1117
00:43:32,650 --> 00:43:38,200
how many didn't do any classes perform

1118
00:43:35,608 --> 00:43:39,909
do you know how many kids sandals don't

1119
00:43:38,199 --> 00:43:42,689
know how many opt outs they were or at

1120
00:43:39,909 --> 00:43:45,309
least it's not any article I've got

1121
00:43:42,690 --> 00:43:46,838
that's just to me that that's a lot more

1122
00:43:45,309 --> 00:43:49,299
than what he would have opted out the

1123
00:43:46,838 --> 00:43:51,219
the article talks about a guy called

1124
00:43:49,300 --> 00:43:53,560
Robert had heard from the confraternity

1125
00:43:51,219 --> 00:43:56,709
of Christian doctrine and the Catholic

1126
00:43:53,559 --> 00:44:00,099

Archdiocese of Sydney and he claims that

1127

00:43:56,710 --> 00:44:02,619

he lost a lot of sree kids between term

1128

00:44:00,099 --> 00:44:03,760

one and Tim too so next one yeah whether

1129

00:44:02,619 --> 00:44:06,970

that's actually true or not I don't have

1130

00:44:03,760 --> 00:44:08,290

the figures um yeah it's a pretty

1131

00:44:06,969 --> 00:44:10,659

interesting thing and forty-seven

1132

00:44:08,289 --> 00:44:12,550

percent of kids in a very religious area

1133

00:44:10,659 --> 00:44:14,318

like it yeah I think cause I think they

1134

00:44:12,550 --> 00:44:17,318

had actually said before a small

1135

00:44:14,318 --> 00:44:18,699

correctly that there was a large dropout

1136

00:44:17,318 --> 00:44:18,849

rate when they were given the choice and

1137

00:44:18,699 --> 00:44:22,629

that

1138

00:44:18,849 --> 00:44:24,730

for them adding fuel to learn yeah but

1139

00:44:22,630 --> 00:44:26,710

again you know ridges guys improve your

1140

00:44:24,730 --> 00:44:29,469

product if you wanna sell it interesting

1141
00:44:26,710 --> 00:44:31,630
stuff so Iran what are you peering at

1142
00:44:29,469 --> 00:44:33,849
over there you've got some news from a

1143
00:44:31,630 --> 00:44:35,890
smaller Bailey skeptic yes Israeli

1144
00:44:33,849 --> 00:44:39,489
skeptics got in touch with me because

1145
00:44:35,889 --> 00:44:41,670
somebody heard the skeptics am and she

1146
00:44:39,489 --> 00:44:45,879
recognized the name as Israeli and she

1147
00:44:41,670 --> 00:44:49,450
access the example yes my name her name

1148
00:44:45,880 --> 00:44:51,760
is lot Emilio and she organized the

1149
00:44:49,449 --> 00:44:54,569
first skeptics in the pub in Haifa

1150
00:44:51,760 --> 00:44:57,850
Israel they had more than hundred people

1151
00:44:54,570 --> 00:45:02,260
came the very very first one that's

1152
00:44:57,849 --> 00:45:05,500
pretty good for so yeah yeah I agree

1153
00:45:02,260 --> 00:45:07,090
well translations yeah so and and people

1154
00:45:05,500 --> 00:45:09,579
have been people have come from other

1155
00:45:07,090 --> 00:45:11,590
cities as well and like there's

1156
00:45:09,579 --> 00:45:15,969
obviously huge hunger they're organizing

1157
00:45:11,590 --> 00:45:18,160
more I wish them old success you know

1158
00:45:15,969 --> 00:45:19,989
people who have been reading the skeptic

1159
00:45:18,159 --> 00:45:22,029
magazine well know that i published an

1160
00:45:19,989 --> 00:45:23,649
article there probably about four or

1161
00:45:22,030 --> 00:45:25,630
five years ago and after previous visit

1162
00:45:23,650 --> 00:45:28,480
to israel but I talked about how there's

1163
00:45:25,630 --> 00:45:31,300
no Israeli skeptics seen and there

1164
00:45:28,480 --> 00:45:33,940
wasn't one when I visited less than a

1165
00:45:31,300 --> 00:45:35,590
year ago do I tried to get in touch with

1166
00:45:33,940 --> 00:45:38,139
Israelis get exhaust w get in touch with

1167
00:45:35,590 --> 00:45:40,510
so to hear that there is now a growing

1168
00:45:38,139 --> 00:45:42,279
movement is not a stick she she also got

1169

00:45:40,510 --> 00:45:44,380
me in touch or she got me listening to a

1170
00:45:42,280 --> 00:45:48,970
couple of podcasts in Hebrew including

1171
00:45:44,380 --> 00:45:50,800
one that I want to talk about the name

1172
00:45:48,969 --> 00:45:53,679
of the podcast is affect severe which

1173
00:45:50,800 --> 00:45:55,450
means reasonable doubt which is a which

1174
00:45:53,679 --> 00:45:58,089
is very cute because doubt in Hebrew is

1175
00:45:55,449 --> 00:46:00,189
the same word as skepticism so so really

1176
00:45:58,090 --> 00:46:01,539
it's like yeah so so it's actually it's

1177
00:46:00,190 --> 00:46:03,490
got to kept this is him in the name but

1178
00:46:01,539 --> 00:46:05,199
it's also means reasonable doubt it's a

1179
00:46:03,489 --> 00:46:06,189
little bit like ask you so they've got

1180
00:46:05,199 --> 00:46:07,899
like a few people and they've got

1181
00:46:06,190 --> 00:46:10,090
different segments and they you know

1182
00:46:07,900 --> 00:46:12,460
people have different roles and the one

1183
00:46:10,090 --> 00:46:15,100

guys leading it is named easy lon it's

1184

00:46:12,460 --> 00:46:16,690

only six episodes so far but they're

1185

00:46:15,099 --> 00:46:19,059

really doing very well right from the

1186

00:46:16,690 --> 00:46:21,820

first one they really had it together

1187

00:46:19,059 --> 00:46:23,320

they likely flows very well and I was

1188

00:46:21,820 --> 00:46:26,080

very impressed with what they've done

1189

00:46:23,320 --> 00:46:29,050

there so in episode six your own in his

1190

00:46:26,079 --> 00:46:30,429

rogues gave me the skeptics on podcast

1191

00:46:29,050 --> 00:46:31,300

to shut up so thank you very much for

1192

00:46:30,429 --> 00:46:34,239

that

1193

00:46:31,300 --> 00:46:37,090

I want to in return I want to give a

1194

00:46:34,239 --> 00:46:40,709

shout out hi Jeremy yes I will thank you

1195

00:46:37,090 --> 00:46:40,710

very much and if you forgot the headway

1196

00:46:48,269 --> 00:46:52,630

let's just talk a little bit about some

1197

00:46:50,889 --> 00:46:54,279

of our other projects I know you have a

1198
00:46:52,630 --> 00:46:56,740
project Dave don't you what's your one

1199
00:46:54,280 --> 00:47:00,460
cycle Oh will be the new website I just

1200
00:46:56,739 --> 00:47:06,219
learned launched was Catholic blame calm

1201
00:47:00,460 --> 00:47:12,789
which is just a daily updated compendium

1202
00:47:06,219 --> 00:47:15,549
of scapegoats that the the deer Catholic

1203
00:47:12,789 --> 00:47:21,159
Church has blamed this public outrage at

1204
00:47:15,550 --> 00:47:23,950
a child rape on including television the

1205
00:47:21,159 --> 00:47:26,170
internet Google pencil nog raphy the

1206
00:47:23,949 --> 00:47:29,519
gays the gays use to get children

1207
00:47:26,170 --> 00:47:34,030
themselves Satan yellow the victim of

1208
00:47:29,519 --> 00:47:37,659
salvation not the people there's still

1209
00:47:34,030 --> 00:47:39,190
time in fact in fact quite the opposite

1210
00:47:37,659 --> 00:47:40,750
when the whole world was looking at the

1211
00:47:39,190 --> 00:47:43,720
Catholic Church and saying can you show

1212
00:47:40,750 --> 00:47:45,940
us some contrition please the Vatican

1213
00:47:43,719 --> 00:47:49,509
newspapers are what is it L'Osservatore

1214
00:47:45,940 --> 00:47:54,639
Romano said oh the Pope's forgiven the

1215
00:47:49,510 --> 00:47:56,380
Beatles 44 years after John Lennon said

1216
00:47:54,639 --> 00:47:59,139
quite accurately that Christianity was

1217
00:47:56,380 --> 00:48:01,990
probably going to diminish in its

1218
00:47:59,139 --> 00:48:05,009
influence in the future so well done

1219
00:48:01,989 --> 00:48:07,479
there that was perhaps the lower God

1220
00:48:05,010 --> 00:48:09,010
tasteless and transparent Felicity

1221
00:48:07,480 --> 00:48:10,300
something I've seen in a long time so

1222
00:48:09,010 --> 00:48:12,430
yeah that blend everybody except the

1223
00:48:10,300 --> 00:48:15,070
Beatles wait a minute about tasteless

1224
00:48:12,429 --> 00:48:18,369
and transparent but they of the happy

1225
00:48:15,070 --> 00:48:20,470
sake for laying blame because wasn't

1226

00:48:18,369 --> 00:48:22,449
there a reigning tired today you blame

1227
00:48:20,469 --> 00:48:24,129
you quakes I'm from excuse oh yes there

1228
00:48:22,449 --> 00:48:29,349
is it like to mention there is something

1229
00:48:24,130 --> 00:48:31,119
about that Oh Todd Iranian Iranian

1230
00:48:29,349 --> 00:48:33,099
cleric has discovered the cause of

1231
00:48:31,119 --> 00:48:36,429
catastrophic earthquakes it is not plate

1232
00:48:33,099 --> 00:48:39,029
tectonics apparently but there's a great

1233
00:48:36,429 --> 00:48:41,399
backlash that's going to be launched by

1234
00:48:39,030 --> 00:48:45,110
several groups across America

1235
00:48:41,400 --> 00:48:47,880
um there's a thing called boobquake

1236
00:48:45,110 --> 00:48:49,769
ladies is very important you need to do

1237
00:48:47,880 --> 00:48:53,340
this I'm just need to check when the day

1238
00:48:49,769 --> 00:48:56,820
is April the 26 2010 will be boobquake

1239
00:48:53,340 --> 00:49:02,370
day yeah what you have to do ladies

1240
00:48:56,820 --> 00:49:04,410

seriously this is this come on you need

1241
00:49:02,369 --> 00:49:07,049
them if you're not comfy with showing

1242
00:49:04,409 --> 00:49:09,629
Eagle all a lot of cleavage yeah we're a

1243
00:49:07,050 --> 00:49:13,110
tight top but basically you have to show

1244
00:49:09,630 --> 00:49:15,150
a lot of boobie and April the 26 just to

1245
00:49:13,110 --> 00:49:17,190
demonstrate to this Iranian cleric that

1246
00:49:15,150 --> 00:49:20,280
way they won't cause another earthquake

1247
00:49:17,190 --> 00:49:24,119
and because science is repeatable you

1248
00:49:20,280 --> 00:49:28,110
have to do every year lots of very very

1249
00:49:24,119 --> 00:49:31,109
much science day is it pretty much I'm

1250
00:49:28,110 --> 00:49:34,559
fully behind this effort I she also

1251
00:49:31,110 --> 00:49:38,519
heard that Deepak Chopra took credit for

1252
00:49:34,559 --> 00:49:41,639
an earthquake in California powerful

1253
00:49:38,519 --> 00:49:46,949
meditation did he tweeted that he had a

1254
00:49:41,639 --> 00:49:50,940
particularly I'm kind of hoping he lived

1255
00:49:46,949 --> 00:49:53,639
for you don't we did it it's quite

1256
00:49:50,940 --> 00:49:57,210
serious infectious coming out here is me

1257
00:49:53,639 --> 00:50:00,719
this one I think so gay meditating

1258
00:49:57,210 --> 00:50:02,940
prostitutes with their boobs out causing

1259
00:50:00,719 --> 00:50:06,239
natural disasters as long as they load

1260
00:50:02,940 --> 00:50:10,230
for bada below this yes yes all of you

1261
00:50:06,239 --> 00:50:18,599
guys who stopped doing it there's one

1262
00:50:10,230 --> 00:50:20,460
bloke at home same Jason can you just

1263
00:50:18,599 --> 00:50:22,889
give us a little bit of a rundown of how

1264
00:50:20,460 --> 00:50:24,690
your new projects doing the skeptic 800

1265
00:50:22,889 --> 00:50:26,489
the skins gay is going very well I can

1266
00:50:24,690 --> 00:50:27,570
actually check and get a live count of

1267
00:50:26,489 --> 00:50:29,849
how many articles we've got at the

1268
00:50:27,570 --> 00:50:30,990
moment i'll just refresh the page for

1269
00:50:29,849 --> 00:50:32,699
those of you don't know who didn't

1270
00:50:30,989 --> 00:50:35,129
listen to last month's podcast or the

1271
00:50:32,699 --> 00:50:37,769
month before or the week before skeptic

1272
00:50:35,130 --> 00:50:42,119
a calm is a aggregator for skeptical

1273
00:50:37,769 --> 00:50:45,380
blogs it holds in about 200 and here we

1274
00:50:42,119 --> 00:50:47,848
go 261 skeptical blogs and currently has

1275
00:50:45,380 --> 00:50:53,380
9530 six articles indexed

1276
00:50:47,849 --> 00:50:55,300
over nine so by the time this podcast

1277
00:50:53,380 --> 00:50:58,210
hits the streets that'll be over 10,000

1278
00:50:55,300 --> 00:51:00,240
and yeah it's just gonna keep on growing

1279
00:50:58,210 --> 00:51:03,970
so you guys keep blogging it's brilliant

1280
00:51:00,239 --> 00:51:06,519
but you've also just developed a mobile

1281
00:51:03,969 --> 00:51:08,949
phone it's gonna be hitting mobile

1282
00:51:06,519 --> 00:51:12,190
phones there's a pilot site out now at

1283

00:51:08,949 --> 00:51:14,980
em skip Decatur com or sorry MDOT

1284
00:51:12,190 --> 00:51:17,230
skeptical net and because i have both

1285
00:51:14,980 --> 00:51:18,849
names that will have searched on it

1286
00:51:17,230 --> 00:51:21,519
shortly at the moment it just shows you

1287
00:51:18,849 --> 00:51:22,838
a list of articles and but it'll be you

1288
00:51:21,519 --> 00:51:24,820
know i'll be cranking that up and it'll

1289
00:51:22,838 --> 00:51:26,829
be very nice for you know if you're in

1290
00:51:24,820 --> 00:51:28,119
the pub and someone says to you all I

1291
00:51:26,829 --> 00:51:30,969
was meditating the other day and I

1292
00:51:28,119 --> 00:51:34,349
corner you'll be able to just pull ups

1293
00:51:30,969 --> 00:51:50,379
gets Gator on your phone and type in

1294
00:51:34,349 --> 00:51:52,420
sorry cap see Elvis okay but yes it's

1295
00:51:50,380 --> 00:51:54,640
it's the in the pub argument settles the

1296
00:51:52,420 --> 00:51:56,079
skeptical issues I'm not skeptic a net

1297
00:51:54,639 --> 00:51:57,909

not only that it's just perfect for

1298

00:51:56,079 --> 00:51:59,440

killing time if you're on a bus ride or

1299

00:51:57,909 --> 00:52:00,969

even well you do have a little longer

1300

00:51:59,440 --> 00:52:03,730

this time on your hands they had a long

1301

00:52:00,969 --> 00:52:05,379

visit to the bathroom something I am NOT

1302

00:52:03,730 --> 00:52:07,599

skeptic ated com I don't know I'm

1303

00:52:05,380 --> 00:52:09,880

plugging this so much got a day for

1304

00:52:07,599 --> 00:52:13,990

everything about custard on it Dave the

1305

00:52:09,880 --> 00:52:16,300

heavy singer irani have nothing about

1306

00:52:13,989 --> 00:52:18,489

magic no no what is Madge tell us about

1307

00:52:16,300 --> 00:52:20,109

your edge well there's an ABC program

1308

00:52:18,489 --> 00:52:21,909

called background briefing which scott

1309

00:52:20,108 --> 00:52:23,858

is something different topics every

1310

00:52:21,909 --> 00:52:26,379

every week and dad background briefing

1311

00:52:23,858 --> 00:52:29,289

had an 18 teens of April a show about

1312
00:52:26,380 --> 00:52:31,358
food fears by reporters Stephen

1313
00:52:29,289 --> 00:52:34,329
Crittenden their show was about food

1314
00:52:31,358 --> 00:52:37,389
labeling but one of the organization's

1315
00:52:34,329 --> 00:52:40,598
used as a source is called match ma dge

1316
00:52:37,389 --> 00:52:43,289
which stands for listen to this mothers

1317
00:52:40,599 --> 00:52:48,550
are the mystifying genetic engineering

1318
00:52:43,289 --> 00:52:50,800
now what yeah I know so the thing is he

1319
00:52:48,550 --> 00:52:53,019
talked to them about labeling but they

1320
00:52:50,800 --> 00:52:56,470
obviously expressed concern about the

1321
00:52:53,019 --> 00:52:59,619
health issues that could become related

1322
00:52:56,469 --> 00:53:00,848
to genetic engineering so I did a bit of

1323
00:52:59,619 --> 00:53:02,229
a search on them and

1324
00:53:00,849 --> 00:53:04,150
they look very much like a one-person

1325
00:53:02,228 --> 00:53:06,759
operation headed by ten Madeline love

1326
00:53:04,150 --> 00:53:10,079
and anus but the site is very much

1327
00:53:06,759 --> 00:53:15,099
anti-gm rather than pro information so I

1328
00:53:10,079 --> 00:53:17,079
feel like this avian one-person

1329
00:53:15,099 --> 00:53:19,869
operation you know from where it was

1330
00:53:17,079 --> 00:53:21,309
yeah and you know with the deceptive

1331
00:53:19,869 --> 00:53:22,960
name now I'm not one hun percent sure

1332
00:53:21,309 --> 00:53:25,690
about this and I've only spent like half

1333
00:53:22,960 --> 00:53:27,009
an hour on this but but here's a few

1334
00:53:25,690 --> 00:53:30,909
things I find first of all their

1335
00:53:27,009 --> 00:53:33,369
homepage match homepage magic show in

1336
00:53:30,909 --> 00:53:34,659
victoria matador aldo to you since we

1337
00:53:33,369 --> 00:53:36,369
are concerned about the lack of adequate

1338
00:53:34,659 --> 00:53:37,929
labeling and testing of GM foods

1339
00:53:36,369 --> 00:53:40,390
admirable i have not wrong with that at

1340

00:53:37,929 --> 00:53:42,159
all but the next sentence is we advocate

1341
00:53:40,389 --> 00:53:43,929
on behalf of consumers for the right to

1342
00:53:42,159 --> 00:53:47,228
know what is in our food what is in our

1343
00:53:43,929 --> 00:53:49,598
food we promote information on natural

1344
00:53:47,228 --> 00:53:51,969
foods and healthy farming practices

1345
00:53:49,599 --> 00:53:56,588
natural foods a natural the word natural

1346
00:53:51,969 --> 00:53:59,919
alarm bells ringing then Indians manager

1347
00:53:56,588 --> 00:54:01,838
is supernatural food yeah in the safe in

1348
00:53:59,920 --> 00:54:05,650
the set in the safe food shopping guy

1349
00:54:01,838 --> 00:54:08,248
they have the fur the first item is how

1350
00:54:05,650 --> 00:54:10,900
to shop GM additive and pesticide-free

1351
00:54:08,248 --> 00:54:13,778
there's an article here on I don't you

1352
00:54:10,900 --> 00:54:15,579
keep Australian canola gm-free this I

1353
00:54:13,778 --> 00:54:17,949
look for information that talks about

1354
00:54:15,579 --> 00:54:19,539

the studies that have been done about GM

1355

00:54:17,949 --> 00:54:21,248

foods and to see whether they actually

1356

00:54:19,539 --> 00:54:22,989

show that you know that the positive

1357

00:54:21,248 --> 00:54:26,228

things about GM foods and the increased

1358

00:54:22,989 --> 00:54:27,969

yield the reduced amount of pesticide

1359

00:54:26,228 --> 00:54:29,588

all those things that have been shown

1360

00:54:27,969 --> 00:54:31,179

and I agree that more testing is

1361

00:54:29,588 --> 00:54:32,710

required that there's no no problem with

1362

00:54:31,179 --> 00:54:35,018

that at all but they have nothing

1363

00:54:32,710 --> 00:54:37,059

positive but the GM is evil now the next

1364

00:54:35,018 --> 00:54:38,679

thing I found was that I want to see

1365

00:54:37,059 --> 00:54:40,180

what kind of references they had they

1366

00:54:38,679 --> 00:54:42,278

have a paper here from the American

1367

00:54:40,179 --> 00:54:43,478

Academy of Environmental Medicine which

1368

00:54:42,278 --> 00:54:45,670

has released its position paper on

1369
00:54:43,478 --> 00:54:48,278
genetically modified foods stating that

1370
00:54:45,670 --> 00:54:50,920
and I quote now GM foods pose serious

1371
00:54:48,278 --> 00:54:53,108
health risk and calling for a moratorium

1372
00:54:50,920 --> 00:54:54,579
on GM foods and it's a very serious

1373
00:54:53,108 --> 00:54:56,409
paper because for example it shows here

1374
00:54:54,579 --> 00:55:00,099
that there's a directory direct link

1375
00:54:56,409 --> 00:55:02,710
between anaphylaxis admissions to GM

1376
00:55:00,099 --> 00:55:04,088
crop approvals what Iraq this is the

1377
00:55:02,710 --> 00:55:05,309
first time I've heard of the American

1378
00:55:04,088 --> 00:55:07,139
Academy of it okay

1379
00:55:05,309 --> 00:55:08,730
I have ahead of them for the very first

1380
00:55:07,139 --> 00:55:10,170
time to but I've got went to their

1381
00:55:08,730 --> 00:55:12,030
website and found two position papers

1382
00:55:10,170 --> 00:55:14,250
one position paper I won't tell you what

1383
00:55:12,030 --> 00:55:15,780
it's about but it says where scientific

1384
00:55:14,250 --> 00:55:18,179
research has clearly identified that

1385
00:55:15,780 --> 00:55:19,590
fluoride is a known toxic substance in

1386
00:55:18,179 --> 00:55:22,139
photography affects human health and

1387
00:55:19,590 --> 00:55:24,510
worthy and where's Fleur Irish own

1388
00:55:22,139 --> 00:55:26,789
bodily fluids is a known neurotoxin and

1389
00:55:24,510 --> 00:55:28,710
cassidian carcinogen even at the levels

1390
00:55:26,789 --> 00:55:29,759
added to the public water supplies as

1391
00:55:28,710 --> 00:55:31,590
promoted by the American Dental

1392
00:55:29,760 --> 00:55:34,740
Association of the United States Public

1393
00:55:31,590 --> 00:55:37,740
Health Service the American Academy

1394
00:55:34,739 --> 00:55:40,229
enrollee supports so the aae am now

1395
00:55:37,739 --> 00:55:41,759
supports banning the additional fluoride

1396
00:55:40,230 --> 00:55:43,889
or products containing fluoride to

1397

00:55:41,760 --> 00:55:45,540
public water supplies and to end to any

1398
00:55:43,889 --> 00:55:48,539
substances intended for human

1399
00:55:45,539 --> 00:55:50,279
consumption say that's one another

1400
00:55:48,539 --> 00:55:53,849
positions against their patron General

1401
00:55:50,280 --> 00:55:56,430
Jack da Ripa in another position paper

1402
00:55:53,849 --> 00:55:58,739
they say that they are the organization

1403
00:55:56,429 --> 00:56:00,750
is opposed to the International to the

1404
00:55:58,739 --> 00:56:03,119
international use of mercury in any

1405
00:56:00,750 --> 00:56:05,250
material that is implanted ingested or

1406
00:56:03,119 --> 00:56:07,529
injected in the human body including all

1407
00:56:05,250 --> 00:56:11,389
forms used in medicine including but not

1408
00:56:07,530 --> 00:56:18,420
limited to any medicaments specifically

1409
00:56:11,389 --> 00:56:21,239
vaccinations so I think look I I don't

1410
00:56:18,420 --> 00:56:22,920
think the the jury is probably still a

1411
00:56:21,239 --> 00:56:26,689

little bit out on Madge but it's looking

1412

00:56:22,920 --> 00:56:30,809

very very suspicious yeah but mother's

1413

00:56:26,690 --> 00:56:32,820

you know you know like Jenny's Mummy

1414

00:56:30,809 --> 00:56:34,860

Mummy instinct and I'm just thinking all

1415

00:56:32,820 --> 00:56:37,769

these poor scientists out there slaving

1416

00:56:34,860 --> 00:56:39,059

away for I'm sure dr. ratio agree with

1417

00:56:37,769 --> 00:56:40,710

me you know what kittens compared with

1418

00:56:39,059 --> 00:56:44,389

the academic work you put in to get that

1419

00:56:40,710 --> 00:56:46,320

job you know and really working hard and

1420

00:56:44,389 --> 00:56:47,400

fighting so hard to get published and

1421

00:56:46,320 --> 00:56:49,740

all this stuff putting all this effort

1422

00:56:47,400 --> 00:56:50,820

in to find out what's real and when in

1423

00:56:49,739 --> 00:56:52,139

fact the mothers could just tell them

1424

00:56:50,820 --> 00:56:53,850

what's right in the first place exactly

1425

00:56:52,139 --> 00:56:55,619

what were they interviewed as like

1426
00:56:53,849 --> 00:56:57,869
experts in this area what was the

1427
00:56:55,619 --> 00:57:00,548
context of that they're experts on GM

1428
00:56:57,869 --> 00:57:02,588
foods yes

1429
00:57:00,548 --> 00:57:06,969
so lastly Joe you put something there

1430
00:57:02,588 --> 00:57:09,728
about a newspaper taking a stand again

1431
00:57:06,969 --> 00:57:11,528
an interesting way this is unwitting in

1432
00:57:09,728 --> 00:57:13,178
fact someone tweeted it on the weekend

1433
00:57:11,528 --> 00:57:15,639
with alcohol but I can't remember who it

1434
00:57:13,179 --> 00:57:17,528
was so this was about an Auckland

1435
00:57:15,639 --> 00:57:19,868
newspaper called the Indian weekender

1436
00:57:17,528 --> 00:57:22,829
who's decided to take a stand against

1437
00:57:19,869 --> 00:57:25,900
advertising for purveyors of

1438
00:57:22,829 --> 00:57:30,219
supernatural services and it really does

1439
00:57:25,900 --> 00:57:32,739
tie in in fact to the Indian legislation

1440
00:57:30,219 --> 00:57:35,259
about advertising for people like gurus

1441
00:57:32,739 --> 00:57:36,818
and Yogi's and so on and what's happened

1442
00:57:35,259 --> 00:57:39,938
is that they've decided to adopt

1443
00:57:36,818 --> 00:57:41,318
guidelines based on Indian law they say

1444
00:57:39,938 --> 00:57:43,088
in a bid to fend off a flood of

1445
00:57:41,318 --> 00:57:44,679
ethically questionable investments

1446
00:57:43,088 --> 00:57:48,130
offering supernatural services to the

1447
00:57:44,679 --> 00:57:49,809
public now apparently India's drugs and

1448
00:57:48,130 --> 00:57:54,249
magic remedies objectionable

1449
00:57:49,809 --> 00:57:55,959
advertisement acts Wow only has a whole

1450
00:57:54,248 --> 00:57:58,659
range of guidelines and laws about what

1451
00:57:55,958 --> 00:58:01,568
can I can't be advertised in India and

1452
00:57:58,659 --> 00:58:04,298
ridicula newspaper has taken a stand

1453
00:58:01,568 --> 00:58:08,048
against similar sorts of advertising in

1454

00:58:04,298 --> 00:58:10,179
their newspaper they really feel that

1455
00:58:08,048 --> 00:58:11,798
it's something that has been gotten out

1456
00:58:10,179 --> 00:58:13,289
of control they feel they need to do

1457
00:58:11,798 --> 00:58:15,998
something to protect the public

1458
00:58:13,289 --> 00:58:18,189
apparently in India this particular Act

1459
00:58:15,998 --> 00:58:20,169
provides for two months jail and a two

1460
00:58:18,188 --> 00:58:21,759
thousand rupee fine but unfortunately in

1461
00:58:20,170 --> 00:58:24,309
India it's been very unenforced because

1462
00:58:21,759 --> 00:58:26,829
apparently the politicians thereof

1463
00:58:24,309 --> 00:58:29,400
actually they make use of a lot of these

1464
00:58:26,829 --> 00:58:31,539
Yogi's and so on by sheltering them

1465
00:58:29,400 --> 00:58:34,028
because they get votes from a lot of

1466
00:58:31,539 --> 00:58:35,469
their followers the Indian weekender

1467
00:58:34,028 --> 00:58:39,458
thought they could use these guidelines

1468
00:58:35,469 --> 00:58:42,219

to inform how they actually choose some

1469

00:58:39,458 --> 00:58:45,219

of their advertising and apparently in

1470

00:58:42,219 --> 00:58:47,979

New Zealand there was actually an act

1471

00:58:45,219 --> 00:58:49,358

called the hunger suppression Act which

1472

00:58:47,978 --> 00:58:52,058

was aimed at people targeting the

1473

00:58:49,358 --> 00:58:54,639

superstitious superstition opportunity

1474

00:58:52,059 --> 00:58:57,960

amount of the Maori people but this was

1475

00:58:54,639 --> 00:58:59,949

repealed in 1962 so there used to be an

1476

00:58:57,960 --> 00:59:02,710

okay well they could have just dropped

1477

00:58:59,949 --> 00:59:06,069

Mario I just said will protect the

1478

00:59:02,710 --> 00:59:08,110

reality of people yeah yeah I'm gonna be

1479

00:59:06,070 --> 00:59:09,730

finer so I think that it's something

1480

00:59:08,110 --> 00:59:12,180

that you know we've seen recently the

1481

00:59:09,730 --> 00:59:15,940

decision that was made by to this child

1482

00:59:12,179 --> 00:59:17,980

which I have a floor yeah we've

1483
00:59:15,940 --> 00:59:19,750
discussed from here I just point out

1484
00:59:17,980 --> 00:59:23,159
that Joe's piece there was brought to

1485
00:59:19,750 --> 00:59:27,099
you by dr. bogus is chiropractic center

1486
00:59:23,159 --> 00:59:29,710
and gave the happy singer doctor when we

1487
00:59:27,099 --> 00:59:31,210
do tgb on Saturday nights yes there's

1488
00:59:29,710 --> 00:59:32,740
always at the end of our segments

1489
00:59:31,210 --> 00:59:36,250
there's this is segment is sponsored by

1490
00:59:32,739 --> 00:59:37,989
dr. Kerr bosal a detox every time I was

1491
00:59:36,250 --> 00:59:40,420
having last Saturday night right after

1492
00:59:37,989 --> 00:59:42,849
you've given a whole talk on red flags

1493
00:59:40,420 --> 00:59:45,610
and things to look for yeah we add for

1494
00:59:42,849 --> 00:59:49,269
some arthritis cream that we're complete

1495
00:59:45,610 --> 00:59:51,250
nonsense and I just as fun online I mean

1496
00:59:49,269 --> 00:59:54,159
the other day in here in Australia it

1497
00:59:51,250 --> 00:59:56,139
was a gangland gang round oval how

1498
00:59:54,159 --> 00:59:57,819
Williams got murdered in prison and next

1499
00:59:56,139 --> 01:00:03,429
to the news story there was make a

1500
00:59:57,820 --> 01:00:04,690
killing trading pointillism I have to

1501
01:00:03,429 --> 01:00:07,119
say though one last thing about this

1502
01:00:04,690 --> 01:00:10,720
story which I which really surprised me

1503
01:00:07,119 --> 01:00:13,679
was that it amazed me that India has got

1504
01:00:10,719 --> 01:00:19,000
this type of legislation given that

1505
01:00:13,679 --> 01:00:20,049
india is such a high muhammad oh yeah i

1506
01:00:19,000 --> 01:00:22,119
mean with the homie I heard the way

1507
01:00:20,050 --> 01:00:26,769
homeopathy is accepted doctor nurse

1508
01:00:22,119 --> 01:00:28,779
email like not a doctor hi Nancy it's

1509
01:00:26,769 --> 01:00:30,219
wrong there are skeptics doing great

1510
01:00:28,780 --> 01:00:31,960
work in India as well by means some of

1511

01:00:30,219 --> 01:00:35,619
the stuff of the Indian Scotty the mass

1512
01:00:31,960 --> 01:00:37,090
exposure yeah and the one where the Guru

1513
01:00:35,619 --> 01:00:38,429
threatened to kill this guy that was

1514
01:00:37,090 --> 01:00:41,980
like

1515
01:00:38,429 --> 01:00:43,809
funniest things I see all right well

1516
01:00:41,980 --> 01:00:45,789
thanks guys for joining us again but I

1517
01:00:43,809 --> 01:00:49,409
think thank you to everyone we're doing

1518
01:00:45,789 --> 01:00:53,219
bottom a little research until next week

1519
01:00:49,409 --> 01:00:53,219
thanks and we'll see you again

1520
01:00:56,909 --> 01:00:59,149
from

1521
01:01:19,298 --> 01:01:24,949
thank you for listening to the skeptic

1522
01:01:21,920 --> 01:01:27,680
zone and again a really big thank you to

1523
01:01:24,949 --> 01:01:29,598
dr. hu this week for getting all those

1524
01:01:27,679 --> 01:01:31,759
segments together and running around and

1525
01:01:29,599 --> 01:01:34,579

doing the recording hats off dr. Ichi

1526

01:01:31,759 --> 01:01:36,409

very well done great to know that when

1527

01:01:34,579 --> 01:01:38,420

I'm out of town and out of commission

1528

01:01:36,409 --> 01:01:40,998

there are people out there like Kylie

1529

01:01:38,420 --> 01:01:43,099

and dr. rachy ready to jump in and do a

1530

01:01:40,998 --> 01:01:45,379

lot of work and thank you to those

1531

01:01:43,099 --> 01:01:47,900

people who are subscribing to the

1532

01:01:45,380 --> 01:01:50,119

skeptic zone only about a dollar a week

1533

01:01:47,900 --> 01:01:53,210

or 99 cents or something trivial and

1534

01:01:50,119 --> 01:01:55,219

those people who kindly very kindly give

1535

01:01:53,210 --> 01:01:57,679

us donations in fact i'm just about to

1536

01:01:55,219 --> 01:02:00,619

buy a new digital recorder for our

1537

01:01:57,679 --> 01:02:01,848

reporter dr. chrissy who's off to the UK

1538

01:02:00,619 --> 01:02:03,950

and she's going to be grabbing some

1539

01:02:01,849 --> 01:02:06,829

great interviews while she's over there

1540
01:02:03,949 --> 01:02:09,379
so until next week this is Richard

1541
01:02:06,829 --> 01:02:14,420
Saunders signing off from Sydney

1542
01:02:09,380 --> 01:02:18,680
Australia you've been listening to the

1543
01:02:14,420 --> 01:02:21,950
skeptic zone visit our website at wwc a

1544
01:02:18,679 --> 01:02:25,659
petting zoo TV for comments contacts and

1545
01:02:21,949 --> 01:02:25,659
extra video reports
