7  
00:00:33,659 --> 00:00:38,308

35  
00:01:59,769 --> 00:02:04,000  
Melbourne illusionist mark Maya hey Mark

36  
00:02:02,439 --> 00:02:05,739  
great to see you that we better get

37  
00:02:04,000 --> 00:02:08,199  
stuck into the subject psychic

38  
00:02:05,739 --> 00:02:09,969  
detectives and I believe that you you

39  
00:02:08,199 --> 00:02:11,889  
have been researching the subject to

40  
00:02:09,969 --> 00:02:14,590  
some extent well i have written years

41  
00:02:11,889 --> 00:02:17,139  
specifically a twin one called miss

42  
00:02:14,590 --> 00:02:19,930  
Allison Dubois or as we like to call it

43  
00:02:17,139 --> 00:02:22,208

Allison dubious she's been the top

44

00:02:19,930 --> 00:02:23,409

favorite right now of the media and one

45

00:02:22,209 --> 00:02:25,629

of the most famous in the world right

46

00:02:23,409 --> 00:02:27,909

now calling herself a psychic detective

47

00:02:25,629 --> 00:02:30,909

and so yes I did some research in some

48

00:02:27,909 --> 00:02:32,349

detailed debunking of her for a recent

49

00:02:30,909 --> 00:02:34,209

trip out here to Australia she was out

50

00:02:32,349 --> 00:02:36,579

here promoting her book called don't

51

00:02:34,209 --> 00:02:38,170

kiss them goodbye so I thought that was

52

00:02:36,580 --> 00:02:39,730

particularly distasteful and that the

53

00:02:38,169 --> 00:02:41,679

public needed to have a little bit more

54

00:02:39,729 --> 00:02:43,659

of a balanced view of what she was about

55

00:02:41,680 --> 00:02:45,969

and what the TV show is about and what

56

00:02:43,659 --> 00:02:48,069

generally psychic detectives claim and

57

00:02:45,969 --> 00:02:49,810

what they claim to be able to do and

58  
00:02:48,069 --> 00:02:51,729  
sort of hopefully protect people with a

59  
00:02:49,810 --> 00:02:53,650  
little bit more general knowledge about

60  
00:02:51,729 --> 00:02:55,569  
the whole thing so yeah I noticed that

61  
00:02:53,650 --> 00:02:58,420  
there Allison devar when she was here of

62  
00:02:55,569 --> 00:03:00,939  
last month or the month before she

63  
00:02:58,419 --> 00:03:03,250  
certainly had a lot of media interviews

64  
00:03:00,939 --> 00:03:05,919  
lined up and she'd participated in a lot

65  
00:03:03,250 --> 00:03:08,739  
of peers and she also hid from a few to

66  
00:03:05,919 --> 00:03:11,348  
Richard really yeah I had a little bit

67  
00:03:08,739 --> 00:03:12,730  
of a media profile going myself i had i

68  
00:03:11,348 --> 00:03:13,719  
think ideas about seven or eight

69  
00:03:12,729 --> 00:03:16,269  
interviews

70  
00:03:13,719 --> 00:03:18,609  
over radio a number of them were

71  
00:03:16,270 --> 00:03:20,590  
supposed to be at the same time with

72  
00:03:18,610 --> 00:03:22,000  
Allison I was supposed to be on Jon

73  
00:03:20,590 --> 00:03:23,530  
Faine show with Allison but

74  
00:03:22,000 --> 00:03:25,599  
unfortunately the scheduling that didn't

75  
00:03:23,530 --> 00:03:28,150  
come to fruition and there was two other

76  
00:03:25,599 --> 00:03:29,859  
ABC radio interviews but we were

77  
00:03:28,150 --> 00:03:31,330  
supposed to be on at the same time and

78  
00:03:29,860 --> 00:03:33,520  
had a little head to head however

79  
00:03:31,330 --> 00:03:35,860  
mysteriously she got sick from both of

80  
00:03:33,520 --> 00:03:38,320  
those interviews it Oh didn't wasn't

81  
00:03:35,860 --> 00:03:39,850  
able to participate but yes there was

82  
00:03:38,319 --> 00:03:42,009  
quite a bit of media interest in was

83  
00:03:39,849 --> 00:03:44,289  
unfortunately all very soft interest

84  
00:03:42,009 --> 00:03:46,329  
they gave her a completely free ride

85  
00:03:44,289 --> 00:03:49,030  
without any critical interviewing at all

86

00:03:46,330 --> 00:03:51,700  
the her series of TV shows which was

87  
00:03:49,030 --> 00:03:53,500  
called medium was based on a basically a

88  
00:03:51,699 --> 00:03:55,839  
series of misleading claims in the

89  
00:03:53,500 --> 00:03:57,909  
innuendo and that was all done to create

90  
00:03:55,840 --> 00:04:00,550  
a false position of credibility and

91  
00:03:57,909 --> 00:04:02,469  
authority it means that the series was

92  
00:04:00,550 --> 00:04:04,060  
created by her claiming that she's

93  
00:04:02,469 --> 00:04:06,370  
worked with police and claiming that

94  
00:04:04,060 --> 00:04:08,770  
she's a criminal profiler claiming she's

95  
00:04:06,370 --> 00:04:10,360  
a research medium and then those claims

96  
00:04:08,770 --> 00:04:12,730  
not being really questioned or anything

97  
00:04:10,360 --> 00:04:15,820  
and from those claims then being able to

98  
00:04:12,729 --> 00:04:17,529  
make a false credibility like I'm an

99  
00:04:15,819 --> 00:04:19,358  
authority on this subject and then from

100  
00:04:17,529 --> 00:04:22,029

there a whole TV network in studio

101

00:04:19,358 --> 00:04:24,399

making a show about it however the real

102

00:04:22,029 --> 00:04:27,009

Feynman profile is created on or the

103

00:04:24,399 --> 00:04:29,349

truth of her show medium is created on

104

00:04:27,009 --> 00:04:31,449

basically lies and deception and it

105

00:04:29,350 --> 00:04:33,610

really quickly unravels if you put a

106

00:04:31,449 --> 00:04:35,439

little bit of scrutiny to it she as most

107

00:04:33,610 --> 00:04:37,870

of the psychic detectives offers not a

108

00:04:35,439 --> 00:04:39,728

single shred of verifiable evidence and

109

00:04:37,870 --> 00:04:41,470

I can get specifically to some evidence

110

00:04:39,728 --> 00:04:43,990

that she does claim to have in her book

111

00:04:41,470 --> 00:04:45,100

don't kiss them goodbye right which will

112

00:04:43,990 --> 00:04:46,990

come back to which is a really

113

00:04:45,100 --> 00:04:48,669

interesting piece it ends up being the

114

00:04:46,990 --> 00:04:50,710

same ol anecdotal stories and accounts

115  
00:04:48,668 --> 00:04:52,629  
made up by her and her associates with

116  
00:04:50,709 --> 00:04:54,699  
no actual folder proof the media

117  
00:04:52,629 --> 00:04:55,810  
especially the tabloid media the last

118  
00:04:54,699 --> 00:04:57,610  
thing they're going to do is question

119  
00:04:55,810 --> 00:04:59,199  
that as far as they're concerned it's

120  
00:04:57,610 --> 00:05:00,970  
it's absolutely true well it's

121  
00:04:59,199 --> 00:05:02,289  
absolutely true and plus it's great for

122  
00:05:00,970 --> 00:05:03,970  
business see this is one of my

123  
00:05:02,290 --> 00:05:06,310  
contentions with the psychic industry

124  
00:05:03,970 --> 00:05:07,960  
psychic phenomena throughout history is

125  
00:05:06,310 --> 00:05:10,600  
a wonderful business and now with our

126  
00:05:07,959 --> 00:05:13,870  
modern media with radio television

127  
00:05:10,600 --> 00:05:16,689  
Internet and reality TV etc etc psychic

128  
00:05:13,870 --> 00:05:19,030  
shows psychic informations anything

129  
00:05:16,689 --> 00:05:21,009  
psychic is big big bucks you look at any

130  
00:05:19,029 --> 00:05:22,839  
time Oprah has anyone to do a psychic or

131  
00:05:21,009 --> 00:05:25,538  
connecting other side it's a huge bumper

132  
00:05:22,839 --> 00:05:27,459  
show so the tabloids want to perpetuate

133  
00:05:25,538 --> 00:05:28,990  
any myths and want to perpetuate

134  
00:05:27,459 --> 00:05:30,159  
things like this purely because it's

135  
00:05:28,990 --> 00:05:32,259  
great for business with no

136  
00:05:30,160 --> 00:05:35,560  
responsibility really and I must I just

137  
00:05:32,259 --> 00:05:37,598  
must preface something here I just

138  
00:05:35,560 --> 00:05:41,259  
remembered everything I'm saying now is

139  
00:05:37,598 --> 00:05:43,930  
preface it with I believe due to any

140  
00:05:41,259 --> 00:05:46,060  
litigation about anything from the think

141  
00:05:43,930 --> 00:05:48,550  
tank having to bail you out of the High

142  
00:05:46,060 --> 00:05:52,089  
Court of Australia everything I say is I

143

00:05:48,550 --> 00:05:54,759  
believe wrong reasons to be true whether

144  
00:05:52,089 --> 00:05:56,709  
them be sued or anything else well the

145  
00:05:54,759 --> 00:05:59,800  
management staff do not necessarily take

146  
00:05:56,709 --> 00:06:01,418  
it today exactly so tell me tell me more

147  
00:05:59,800 --> 00:06:03,550  
about what you perceive to be the case

148  
00:06:01,418 --> 00:06:06,579  
obviously three case well alison has two

149  
00:06:03,550 --> 00:06:08,348  
and most of the psychic detectives are

150  
00:06:06,579 --> 00:06:10,180  
in the same ilk assess I'm not just

151  
00:06:08,348 --> 00:06:12,009  
talking about our song but most of them

152  
00:06:10,180 --> 00:06:14,348  
claims some very major claims and her

153  
00:06:12,009 --> 00:06:17,229  
specifically are as follows she claims

154  
00:06:14,348 --> 00:06:20,139  
to be a criminal profiler and a research

155  
00:06:17,228 --> 00:06:22,360  
medium now both these words are even

156  
00:06:20,139 --> 00:06:24,009  
carefully chosen to create again as I

157  
00:06:22,360 --> 00:06:26,169

said credibility and authority when you

158

00:06:24,009 --> 00:06:28,538

call yourself a criminal profiler that

159

00:06:26,168 --> 00:06:30,639

means that you gives the image of I'm

160

00:06:28,538 --> 00:06:32,649

someone who knows what criminal

161

00:06:30,639 --> 00:06:34,180

profiling means in their forum must be

162

00:06:32,649 --> 00:06:37,478

qualified to do that job she's not a

163

00:06:34,180 --> 00:06:39,280

criminal profiler not by the slightest

164

00:06:37,478 --> 00:06:41,879

measure of a criminal profile the actual

165

00:06:39,279 --> 00:06:44,500

term Kremlin profiler comes from the FBI

166

00:06:41,879 --> 00:06:47,139

they invented that term about 30 years

167

00:06:44,500 --> 00:06:49,120

ago and it's very very basic form to

168

00:06:47,139 --> 00:06:51,069

call yourself a criminal profiler you

169

00:06:49,120 --> 00:06:53,620

have to have studied forensic science or

170

00:06:51,069 --> 00:06:56,589

psychology or police investigation

171

00:06:53,620 --> 00:06:58,180

methods and according to the FBI if

172  
00:06:56,589 --> 00:07:00,038  
you're going to be a criminal profile

173  
00:06:58,180 --> 00:07:02,680  
according to them then you need advanced

174  
00:07:00,038 --> 00:07:05,199  
degrees in forensic science and in

175  
00:07:02,680 --> 00:07:07,810  
behavioral sites plus you need eight to

176  
00:07:05,199 --> 00:07:10,090  
ten years experience as an FBI agent and

177  
00:07:07,810 --> 00:07:12,189  
then if you have all those things the FO

178  
00:07:10,089 --> 00:07:14,709  
still spend another about 500 hours

179  
00:07:12,189 --> 00:07:16,300  
specialist training good heavens well I

180  
00:07:14,709 --> 00:07:17,918  
mean oh she's done all that I'm sure

181  
00:07:16,300 --> 00:07:20,079  
she's done about and according to the

182  
00:07:17,918 --> 00:07:22,000  
FBI there's only about 30 qualified

183  
00:07:20,079 --> 00:07:24,519  
criminal profilers in the United States

184  
00:07:22,000 --> 00:07:26,560  
she's not a qualified criminal profile

185  
00:07:24,519 --> 00:07:28,389  
this is what she says I am a profiler

186  
00:07:26,560 --> 00:07:29,680  
blah blah blah blah prophytes the first

187  
00:07:28,389 --> 00:07:31,930  
thing she says in a book those things

188  
00:07:29,680 --> 00:07:33,728  
she says in all her interviews as part

189  
00:07:31,930 --> 00:07:36,278  
of their claims it's a falsehood and

190  
00:07:33,728 --> 00:07:38,259  
she's not she even gives in her her own

191  
00:07:36,278 --> 00:07:40,779  
book an example of what she concedes is

192  
00:07:38,259 --> 00:07:42,459  
a promo profile on page 31

193  
00:07:40,779 --> 00:07:44,439  
and she outlines this is a criminal

194  
00:07:42,459 --> 00:07:46,209  
profile and that she goes into it saying

195  
00:07:44,439 --> 00:07:48,370  
I had a feeling of connection to

196  
00:07:46,209 --> 00:07:49,959  
California and they like this and that

197  
00:07:48,370 --> 00:07:51,490  
the other no darling they're not

198  
00:07:49,959 --> 00:07:53,500  
criminal profiles that's a psychic

199  
00:07:51,490 --> 00:07:55,509  
reading a psychic reading is not a

200

00:07:53,500 --> 00:07:57,490  
criminal profile so the first and

201  
00:07:55,509 --> 00:07:59,829  
foremost things Allison Dubois is not a

202  
00:07:57,490 --> 00:08:01,360  
criminal profile nor is any other

203  
00:07:59,829 --> 00:08:04,359  
psychic detective who claims to be a

204  
00:08:01,360 --> 00:08:06,310  
criminal profile yeah it is and it is

205  
00:08:04,360 --> 00:08:08,230  
not in any form or shape or form a

206  
00:08:06,310 --> 00:08:10,319  
forensic a psychological or police

207  
00:08:08,230 --> 00:08:13,300  
investigation or behavioral scientists

208  
00:08:10,319 --> 00:08:16,360  
background so that's just going straight

209  
00:08:13,300 --> 00:08:18,310  
at the window so there are actual proper

210  
00:08:16,360 --> 00:08:20,080  
steps to call yourself these things and

211  
00:08:18,310 --> 00:08:22,959  
this is what I mean is this is the real

212  
00:08:20,079 --> 00:08:25,000  
deception that the tabloids in the media

213  
00:08:22,959 --> 00:08:26,979  
perpetuate and that she wants to create

214  
00:08:25,000 --> 00:08:28,839

and this is really fundamentally

215

00:08:26,980 --> 00:08:30,520

important because some people may see

216

00:08:28,839 --> 00:08:32,459

this as being swept away and not that

217

00:08:30,519 --> 00:08:35,019

important but this is the fundamental

218

00:08:32,460 --> 00:08:37,000

credibility and authority is everything

219

00:08:35,019 --> 00:08:38,439

in media in credibility and authority is

220

00:08:37,000 --> 00:08:40,029

everything when you actually want to

221

00:08:38,440 --> 00:08:41,770

talk to someone yeah like someone may

222

00:08:40,029 --> 00:08:43,478

ask me what my credibility or authority

223

00:08:41,769 --> 00:08:45,730

etc etc I need to either prove those

224

00:08:43,479 --> 00:08:47,440

claims or go away and when you just say

225

00:08:45,730 --> 00:08:49,509

I'm a criminal profiler it sounds like

226

00:08:47,440 --> 00:08:50,980

we understand that the TV show it sort

227

00:08:49,509 --> 00:08:52,539

of looks like that we've seen movies

228

00:08:50,980 --> 00:08:55,420

like the profile and we know what that

229  
00:08:52,539 --> 00:08:57,639  
sort of means wow she's one of those my

230  
00:08:55,419 --> 00:08:59,199  
god that gives her again credibility

231  
00:08:57,639 --> 00:09:01,449  
authority but it all unravels when you

232  
00:08:59,200 --> 00:09:02,980  
realize it she's not and she also claims

233  
00:09:01,450 --> 00:09:05,050  
and this is the next one get to she has

234  
00:09:02,980 --> 00:09:07,560  
a academic power behind it because of

235  
00:09:05,049 --> 00:09:09,819  
approving of the claims so she has this

236  
00:09:07,559 --> 00:09:11,619  
area good strength of saying I have a

237  
00:09:09,820 --> 00:09:13,930  
lot of people believe me and a lot of

238  
00:09:11,620 --> 00:09:15,940  
powerful people behind me so therefore I

239  
00:09:13,929 --> 00:09:17,829  
have the authority and Colonel boot

240  
00:09:15,940 --> 00:09:20,410  
again to sell this which is just a

241  
00:09:17,830 --> 00:09:22,450  
falsehood it's really really sad and the

242  
00:09:20,409 --> 00:09:24,909  
media mainly work what have challenged

243  
00:09:22,450 --> 00:09:26,860  
that and those who do actually need to

244  
00:09:24,909 --> 00:09:29,588  
do a lot of homework to be able to do

245  
00:09:26,860 --> 00:09:32,050  
this so unfortunately unless the media

246  
00:09:29,589 --> 00:09:33,790  
and engage someone like yourself or

247  
00:09:32,049 --> 00:09:35,559  
myself or someone from a think tank or

248  
00:09:33,789 --> 00:09:37,689  
someone who has done some actual

249  
00:09:35,559 --> 00:09:39,699  
credible investigation and research and

250  
00:09:37,690 --> 00:09:41,020  
comes from a position of knowledge they

251  
00:09:39,700 --> 00:09:42,460  
will actually never challenge it in

252  
00:09:41,019 --> 00:09:43,750  
these people successfully because they

253  
00:09:42,460 --> 00:09:45,550  
won't have the depth of knowledge and

254  
00:09:43,750 --> 00:09:47,019  
it's as simple as that I guess they

255  
00:09:45,549 --> 00:09:48,490  
wouldn't know what to ask I wouldn't

256  
00:09:47,019 --> 00:09:50,139  
that's exactly right they would know

257

00:09:48,490 --> 00:09:51,399  
what to ask and they would not to

258  
00:09:50,139 --> 00:09:52,899  
challenge what they do things that comes

259  
00:09:51,399 --> 00:09:54,610  
to my next point which I'll bring up now

260  
00:09:52,899 --> 00:09:56,620  
I guess yeah when when she claims

261  
00:09:54,610 --> 00:09:57,970  
to be a research medium and she says

262  
00:09:56,620 --> 00:09:59,950  
that you know the tests are really hard

263  
00:09:57,970 --> 00:10:01,690  
etcetera etc she says that she doesn't

264  
00:09:59,950 --> 00:10:02,860  
get challenged on that point because no

265  
00:10:01,690 --> 00:10:05,260  
one actually knows what the tests are

266  
00:10:02,860 --> 00:10:07,269  
none of the media interviewers know what

267  
00:10:05,259 --> 00:10:09,100  
those tests are dr. Schwartz's takes up

268  
00:10:07,269 --> 00:10:10,299  
because I haven't seen them I remember

269  
00:10:09,100 --> 00:10:12,399  
the same thing happened with Uri Geller

270  
00:10:10,299 --> 00:10:14,620  
hmm they don't know what these tests are

271  
00:10:12,399 --> 00:10:18,370

they don't know so they can't argue so

272

00:10:14,620 --> 00:10:19,959

the media will not produce a balanced

273

00:10:18,370 --> 00:10:21,909

point of view or a balanced interview

274

00:10:19,958 --> 00:10:23,859

because since they can't do the homework

275

00:10:21,909 --> 00:10:26,078

for it right anyhow this is point number

276

00:10:23,860 --> 00:10:27,940

two research medium so she comes out and

277

00:10:26,078 --> 00:10:30,099

most of them do but her specifically

278

00:10:27,940 --> 00:10:33,040

says I am a criminal profiler point 1

279

00:10:30,100 --> 00:10:34,720

and point 2 i'm a research medium even

280

00:10:33,039 --> 00:10:36,458

those words Richard had chosen really

281

00:10:34,720 --> 00:10:38,110

specifically she doesn't call herself

282

00:10:36,458 --> 00:10:40,419

just a medium I'm not one of the old

283

00:10:38,110 --> 00:10:41,680

ones from like the 1840s when they

284

00:10:40,419 --> 00:10:43,449

started out hearing bumps in the night

285

00:10:41,679 --> 00:10:45,429

i'm not one of the old ones who are

286  
00:10:43,450 --> 00:10:47,410  
sitting there dark seance tricking

287  
00:10:45,429 --> 00:10:49,899  
people with ectoplasm i'm not one of

288  
00:10:47,409 --> 00:10:51,669  
those old ones who have a a room full of

289  
00:10:49,899 --> 00:10:54,399  
people in the studios screaming out

290  
00:10:51,669 --> 00:10:57,669  
names and stuff no i'm a special medium

291  
00:10:54,399 --> 00:10:59,110  
i'm a research medium which gives again

292  
00:10:57,669 --> 00:11:02,049  
as I keep coming back to it I know this

293  
00:10:59,110 --> 00:11:04,750  
is a recurring theme but it sort of is a

294  
00:11:02,049 --> 00:11:06,729  
theme credibility and authority she's

295  
00:11:04,750 --> 00:11:08,860  
not just a medium Allison Dubois is a

296  
00:11:06,730 --> 00:11:12,070  
research medium and she claims this

297  
00:11:08,860 --> 00:11:14,769  
because she has scientifically proven

298  
00:11:12,070 --> 00:11:16,390  
psychic abilities that's what she claims

299  
00:11:14,769 --> 00:11:18,070  
anyhow and when you want to research

300  
00:11:16,389 --> 00:11:19,958  
this a little bit further you find quite

301  
00:11:18,070 --> 00:11:22,329  
a little bit about her claims of it at

302  
00:11:19,958 --> 00:11:24,639  
Arizona State University in the

303  
00:11:22,328 --> 00:11:28,778  
victorious I can't quite pronounced

304  
00:11:24,639 --> 00:11:30,309  
adverse v ER I TAS research program over

305  
00:11:28,778 --> 00:11:32,289  
the last number of years for years i

306  
00:11:30,309 --> 00:11:34,809  
think was she scored between a 70

307  
00:11:32,289 --> 00:11:37,889  
porpoise to a ninety percent accuracy on

308  
00:11:34,809 --> 00:11:41,049  
all her tests Wow which sounds very

309  
00:11:37,889 --> 00:11:42,909  
impressive here's a little detail that

310  
00:11:41,049 --> 00:11:44,519  
she doesn't tell you in any of heard of

311  
00:11:42,909 --> 00:11:46,838  
using that none of the media know

312  
00:11:44,519 --> 00:11:50,198  
Allison plays an active role in

313  
00:11:46,839 --> 00:11:52,269  
directing and executing the tests so

314

00:11:50,198 --> 00:11:54,069  
that's an analogy of let's have a bunch

315  
00:11:52,269 --> 00:11:55,870  
of schoolboys like well I was a

316  
00:11:54,070 --> 00:11:59,350  
beautiful perfect school boy what I was

317  
00:11:55,870 --> 00:12:03,549  
15 yeah and let me set the test with my

318  
00:11:59,350 --> 00:12:06,370  
friends then let me supervise us doing

319  
00:12:03,549 --> 00:12:07,569  
the test and then let me mark the test

320  
00:12:06,370 --> 00:12:10,490  
later

321  
00:12:07,570 --> 00:12:12,020  
do you think i might get between 74 and

322  
00:12:10,490 --> 00:12:13,519  
ninety percent accuracy I think that was

323  
00:12:12,019 --> 00:12:15,980  
my mistake in high school maybe I

324  
00:12:13,519 --> 00:12:17,689  
shoulda known look I know I'm being a

325  
00:12:15,980 --> 00:12:20,210  
bit facetious but this is actually buy

326  
00:12:17,690 --> 00:12:22,130  
her own words if you look at a herb this

327  
00:12:20,210 --> 00:12:25,310  
is not stuff I'm making up if you look

328  
00:12:22,129 --> 00:12:28,399

at the last page of her book in her own

329

00:12:25,309 --> 00:12:29,809

handwriting here says Alison takes an

330

00:12:28,399 --> 00:12:32,149

active role in the direction and

331

00:12:29,809 --> 00:12:34,458

execution of the tests so this is not

332

00:12:32,149 --> 00:12:36,919

just me making this up I can verify this

333

00:12:34,458 --> 00:12:38,869

in her own words that firstly puts the

334

00:12:36,919 --> 00:12:40,669

scientifically proven so Billy's into

335

00:12:38,870 --> 00:12:42,980

question yeah but let's look at who does

336

00:12:40,669 --> 00:12:46,599

these tests we have a man called dr.

337

00:12:42,980 --> 00:12:49,550

Schwartz and I'll preface this I believe

338

00:12:46,600 --> 00:12:52,399

dr. Schwartz I believe dr. Shores to be

339

00:12:49,549 --> 00:12:54,019

a crackpot now let's assume I believe is

340

00:12:52,399 --> 00:12:56,000

that a technical term that is a

341

00:12:54,019 --> 00:12:57,139

technical term that's when you get a pot

342

00:12:56,000 --> 00:12:58,570

full of hot water and drop it into

343  
00:12:57,139 --> 00:13:01,338  
cracks and then everything leaks out

344  
00:12:58,570 --> 00:13:03,470  
just like someone if they had a leaky

345  
00:13:01,339 --> 00:13:06,589  
brain anyway I'm not going to become

346  
00:13:03,470 --> 00:13:08,778  
into name calling extra but he's a funny

347  
00:13:06,589 --> 00:13:12,080  
man to put it nicely dr. Schwartz is

348  
00:13:08,778 --> 00:13:13,789  
very academically qualified PhD that

349  
00:13:12,080 --> 00:13:15,440  
means he's academically in his book

350  
00:13:13,789 --> 00:13:17,269  
smarts that's fine that's very good up

351  
00:13:15,440 --> 00:13:20,029  
to Schwartz has an emotional and

352  
00:13:17,269 --> 00:13:21,649  
financial investment into these tests he

353  
00:13:20,028 --> 00:13:23,419  
has emotional because when you read his

354  
00:13:21,649 --> 00:13:25,399  
interviews etc you know that well he

355  
00:13:23,419 --> 00:13:27,289  
wants a success in his test no research

356  
00:13:25,399 --> 00:13:28,939  
scientist wants to do tests and

357  
00:13:27,289 --> 00:13:30,829  
containers who fail so he has an

358  
00:13:28,940 --> 00:13:34,540  
emotional investment and he has also a

359  
00:13:30,830 --> 00:13:36,800  
financial investment and that also has a

360  
00:13:34,539 --> 00:13:38,778  
well a slant on this scientifically

361  
00:13:36,799 --> 00:13:40,429  
proven psychic abilities he's as a

362  
00:13:38,778 --> 00:13:43,338  
financial investment because two things

363  
00:13:40,429 --> 00:13:44,929  
one if this tests aren't valid or don't

364  
00:13:43,339 --> 00:13:46,310  
come up with ensure accuracy well the

365  
00:13:44,929 --> 00:13:49,669  
test get cancelled you don't get funding

366  
00:13:46,309 --> 00:13:50,809  
and also he has a plane to investment

367  
00:13:49,669 --> 00:13:52,458  
cause he has a number of books he wants

368  
00:13:50,809 --> 00:13:54,199  
to sell he has his own lectures he wants

369  
00:13:52,458 --> 00:13:56,299  
to sell so you do not have an

370  
00:13:54,200 --> 00:13:58,490  
independent person without an emotional

371

00:13:56,299 --> 00:13:59,870  
financial investment testing her for a

372  
00:13:58,490 --> 00:14:01,759  
start that's the first part of dr.

373  
00:13:59,870 --> 00:14:03,320  
Schwartz let's look at these tests this

374  
00:14:01,759 --> 00:14:05,509  
is really really important this is a

375  
00:14:03,320 --> 00:14:08,510  
real crux of the matter anyone can be

376  
00:14:05,509 --> 00:14:10,100  
tested but how they test him firstly

377  
00:14:08,509 --> 00:14:12,289  
when they meet dr. Schwartz they have to

378  
00:14:10,100 --> 00:14:13,790  
do a reading on dr. Schwartz and then

379  
00:14:12,289 --> 00:14:15,620  
from there if he decides that they're

380  
00:14:13,789 --> 00:14:18,139  
pretty good or whatever they'll go on to

381  
00:14:15,620 --> 00:14:20,909  
further tests now her first test with

382  
00:14:18,139 --> 00:14:23,250  
him is is accounted in her book

383  
00:14:20,909 --> 00:14:24,719  
and also numerous other places she sat

384  
00:14:23,250 --> 00:14:26,789  
down with him and did a cold reading on

385  
00:14:24,720 --> 00:14:29,420

him and mentioned that someone or friend

386

00:14:26,789 --> 00:14:33,269

of his there had died didn't walk alone

387

00:14:29,419 --> 00:14:36,029

from this he interprets that ah that

388

00:14:33,269 --> 00:14:38,490

means my friend who died who was in a

389

00:14:36,029 --> 00:14:40,980

wheelchair blah blah blah didn't

390

00:14:38,490 --> 00:14:43,860

even walk who didn't even walk now again

391

00:14:40,980 --> 00:14:45,480

he's doing the the general as most of

392

00:14:43,860 --> 00:14:47,399

our listeners will know the cold reading

393

00:14:45,480 --> 00:14:49,470

The Sitter makes the information fit

394

00:14:47,399 --> 00:14:50,970

he's doing he she's doing essentially

395

00:14:49,470 --> 00:14:52,740

basic cold reading and he's falling for

396

00:14:50,970 --> 00:14:54,360

it but he wants it to work and it does

397

00:14:52,740 --> 00:14:56,129

work because he can make her little

398

00:14:54,360 --> 00:14:58,019

statements fit into it so that's the

399

00:14:56,129 --> 00:14:59,340

first part of the test okay the second

400  
00:14:58,019 --> 00:15:01,590  
part of the test now which is really

401  
00:14:59,340 --> 00:15:04,649  
important is that they do score a

402  
00:15:01,590 --> 00:15:06,600  
babysitter sittings sitters and then the

403  
00:15:04,649 --> 00:15:08,490  
cities have to rate their readings she

404  
00:15:06,600 --> 00:15:10,590  
said on the John Wayne show Allison

405  
00:15:08,490 --> 00:15:13,529  
Dubois and the sitters don't mark easily

406  
00:15:10,590 --> 00:15:15,690  
they mark very hard well i would like to

407  
00:15:13,529 --> 00:15:18,299  
contest that statement by reading

408  
00:15:15,690 --> 00:15:21,630  
something to you from mr. Schwab dr.

409  
00:15:18,299 --> 00:15:23,159  
Schwartz's own test and member allison

410  
00:15:21,629 --> 00:15:26,009  
just said that the people do not mark

411  
00:15:23,159 --> 00:15:28,289  
hard i'll give you some examples if the

412  
00:15:26,009 --> 00:15:31,169  
medium says the cause of death was

413  
00:15:28,289 --> 00:15:33,329  
drowning yeah and in actuality the cause

414  
00:15:31,169 --> 00:15:35,879  
of death was drowning this is called a

415  
00:15:33,330 --> 00:15:37,620  
hit right and the sitters aren't allowed

416  
00:15:35,879 --> 00:15:40,620  
to just answer yes that was close to

417  
00:15:37,620 --> 00:15:43,500  
know they are bound to go by these fees

418  
00:15:40,620 --> 00:15:45,210  
or scoring's okay yeah okay the medium

419  
00:15:43,500 --> 00:15:47,220  
says I'll to say Allison and then also

420  
00:15:45,210 --> 00:15:50,070  
sittercity not I'm saying Allison says

421  
00:15:47,220 --> 00:15:52,519  
the cause of death was drowning however

422  
00:15:50,070 --> 00:15:55,710  
the cause of death was pulmonary edema

423  
00:15:52,519 --> 00:15:58,949  
pneumonia or emphysema this is called a

424  
00:15:55,710 --> 00:16:01,170  
fit-again well as incorrect but with a

425  
00:15:58,950 --> 00:16:02,850  
mild interpretation now I don't know

426  
00:16:01,169 --> 00:16:04,949  
whose decision that is a modern

427  
00:16:02,850 --> 00:16:07,379  
interpretation on this is where science

428

00:16:04,950 --> 00:16:09,840  
goes straight up a window because a mild

429  
00:16:07,379 --> 00:16:11,189  
interpretation his an arbitrary is a

430  
00:16:09,840 --> 00:16:13,590  
subjective thing that they're making up

431  
00:16:11,190 --> 00:16:15,450  
now okay let's come move on if Allison

432  
00:16:13,590 --> 00:16:18,030  
says the cause of death was drowning but

433  
00:16:15,450 --> 00:16:20,009  
the deceased died in a bathtub but not

434  
00:16:18,029 --> 00:16:21,360  
from drowning ie maybe she had a head

435  
00:16:20,009 --> 00:16:23,159  
shot off with a shotgun but was in a

436  
00:16:21,360 --> 00:16:25,710  
bathtub that's called a fit as well

437  
00:16:23,159 --> 00:16:27,929  
that's called correct I see so

438  
00:16:25,710 --> 00:16:29,550  
dehydration it's really hard to miss it

439  
00:16:27,929 --> 00:16:31,649  
well I'll keep going and i'll give you

440  
00:16:29,549 --> 00:16:33,329  
answer that if allison says the cause of

441  
00:16:31,649 --> 00:16:34,559  
death was drowning but the cause of

442  
00:16:33,330 --> 00:16:37,110

death was an

443

00:16:34,559 --> 00:16:40,079  
in direct calls from a terrible

444

00:16:37,110 --> 00:16:41,759  
rainstorm okay example you're driving a

445

00:16:40,080 --> 00:16:43,800  
car training a crashing tree and birth

446

00:16:41,759 --> 00:16:45,960  
to death burn to death but Arsene said

447

00:16:43,799 --> 00:16:48,929  
you'd cause of death was drowning then

448

00:16:45,960 --> 00:16:52,200  
that is correct with a stretch of

449

00:16:48,929 --> 00:16:54,569  
interpretation a stretch yeah mighty big

450

00:16:52,200 --> 00:16:56,820  
stretch stretch if the cause if Allison

451

00:16:54,570 --> 00:16:58,140  
says the person died of drowning but it

452

00:16:56,820 --> 00:17:02,190  
was a close friend and not the person

453

00:16:58,139 --> 00:17:04,588  
named then it was a fit other I don't

454

00:17:02,190 --> 00:17:06,299  
know what I beans I'd if the it is as if

455

00:17:04,588 --> 00:17:08,549  
the cause of death if she says it was

456

00:17:06,299 --> 00:17:11,159  
the person drowned but the the person

457  
00:17:08,549 --> 00:17:13,259  
died of lymphoma well then that wasn't a

458  
00:17:11,160 --> 00:17:15,420  
fit and if you do the maths here it

459  
00:17:13,259 --> 00:17:17,338  
comes up that eighty-four percent of the

460  
00:17:15,420 --> 00:17:19,050  
statement is correct so as you just said

461  
00:17:17,338 --> 00:17:21,328  
it's very hard to get it wrong so that

462  
00:17:19,049 --> 00:17:24,240  
means if Allison said the person died of

463  
00:17:21,328 --> 00:17:27,448  
drowning eighty-four percent of anything

464  
00:17:24,240 --> 00:17:29,000  
will count as a yes good and now I bring

465  
00:17:27,449 --> 00:17:32,630  
you back to the first thing I said

466  
00:17:29,000 --> 00:17:35,069  
research medium irritability authority

467  
00:17:32,630 --> 00:17:37,650  
scientifically proven psychic abilities

468  
00:17:35,069 --> 00:17:39,480  
Allison on John fan radius said that

469  
00:17:37,650 --> 00:17:41,940  
they rake really hard and it's not easy

470  
00:17:39,480 --> 00:17:43,860  
well I can test that Allison I rate a

471  
00:17:41,940 --> 00:17:46,049  
eighty-four percent of what you say

472  
00:17:43,859 --> 00:17:47,909  
could be clicked as correct so does

473  
00:17:46,049 --> 00:17:49,859  
matter what she sits you also could say

474  
00:17:47,910 --> 00:17:51,360  
anything so how they really want her to

475  
00:17:49,859 --> 00:17:53,519  
pass a test I wanted a pass there's

476  
00:17:51,359 --> 00:17:54,809  
nowhere and fail a test like that and if

477  
00:17:53,519 --> 00:17:55,859  
sharing its thirty-four percent right in

478  
00:17:54,809 --> 00:17:58,609  
that I think she's doing very poorly

479  
00:17:55,859 --> 00:18:02,549  
let's ignore all that let's ignore that

480  
00:17:58,609 --> 00:18:04,019  
she she also says and now I'm like I'm

481  
00:18:02,549 --> 00:18:06,809  
gonna put you on the spot here she also

482  
00:18:04,019 --> 00:18:08,940  
says that she's worked with the Texas

483  
00:18:06,809 --> 00:18:12,359  
Rangers now how can you dispute that

484  
00:18:08,940 --> 00:18:13,799  
well she does and the only way to

485

00:18:12,359 --> 00:18:16,409  
dispute that is to ask the test arrange

486  
00:18:13,799 --> 00:18:17,700  
themselves which I did oh you did yes oh

487  
00:18:16,410 --> 00:18:20,429  
I spoke to the public information

488  
00:18:17,700 --> 00:18:22,230  
officer Lisa block and they stated

489  
00:18:20,429 --> 00:18:26,160  
flatly that they'd never work with her

490  
00:18:22,230 --> 00:18:29,220  
in subsequent askings alison has said

491  
00:18:26,160 --> 00:18:31,500  
yes I have and they met me there and it

492  
00:18:29,220 --> 00:18:34,009  
was just like the TV show well this has

493  
00:18:31,500 --> 00:18:36,119  
to come back down to she said he said

494  
00:18:34,009 --> 00:18:37,859  
Allison claims that she's worked for the

495  
00:18:36,119 --> 00:18:40,349  
Texas Rangers the Texas Rangers

496  
00:18:37,859 --> 00:18:42,599  
themselves say no we never did you've

497  
00:18:40,349 --> 00:18:44,990  
gotta decide to believe someone well I

498  
00:18:42,599 --> 00:18:47,029  
wonder who I would leave in it yeah

499  
00:18:44,990 --> 00:18:48,679

especially when it comes up again when

500

00:18:47,029 --> 00:18:51,289

she said she worked for the Glendale

501

00:18:48,679 --> 00:18:52,970

Police yeah and the public information

502

00:18:51,289 --> 00:18:55,759

officer there Michael penis as we also

503

00:18:52,970 --> 00:18:59,509

have him work with her as well she also

504

00:18:55,759 --> 00:19:01,039

said she was training to be a district

505

00:18:59,509 --> 00:19:03,410

attorney for the Maricopa County

506

00:19:01,039 --> 00:19:05,599

Attorney's Office she wasn't she was an

507

00:19:03,410 --> 00:19:08,058

intern working for the Maricopa County's

508

00:19:05,599 --> 00:19:09,678

office as a paper shuffler and that's

509

00:19:08,058 --> 00:19:11,990

where it all started because she wasn't

510

00:19:09,679 --> 00:19:14,509

she wasn't studying law she was studying

511

00:19:11,990 --> 00:19:16,039

history I've got it here somewhere in my

512

00:19:14,509 --> 00:19:18,200

little ideas I can't remember exactly

513

00:19:16,039 --> 00:19:20,359

she was studying I think history and

514  
00:19:18,200 --> 00:19:22,039  
something else and I should know this up

515  
00:19:20,359 --> 00:19:24,169  
by heart but I don't notice about she

516  
00:19:22,039 --> 00:19:25,849  
wasn't studying law but she was working

517  
00:19:24,170 --> 00:19:29,808  
in the office doing paperwork and

518  
00:19:25,849 --> 00:19:31,428  
handling photos of victims of crime that

519  
00:19:29,808 --> 00:19:32,779  
she suddenly got these flashes and how

520  
00:19:31,429 --> 00:19:33,890  
she suddenly knew where the bodies were

521  
00:19:32,779 --> 00:19:36,379  
in a letter of stuff that's what the

522  
00:19:33,890 --> 00:19:39,170  
story goes it also amazes me that after

523  
00:19:36,380 --> 00:19:41,240  
her her world would tour of Australia it

524  
00:19:39,170 --> 00:19:42,890  
don't haven't heard a peep not a few I

525  
00:19:41,240 --> 00:19:44,599  
mean was all the crimes she's just

526  
00:19:42,890 --> 00:19:46,370  
solved in the last week and I live eggs

527  
00:19:44,599 --> 00:19:49,250  
at exactly well that's exactly think the

528  
00:19:46,369 --> 00:19:51,109  
whole TV so is made up of the first one

529  
00:19:49,250 --> 00:19:52,609  
and in the second the first show which

530  
00:19:51,109 --> 00:19:54,709  
was a Texas Rangers in the second show

531  
00:19:52,609 --> 00:19:56,959  
which was the glendale police after that

532  
00:19:54,710 --> 00:19:59,630  
they're all loosely based on things that

533  
00:19:56,960 --> 00:20:01,490  
happened in her life well I'd say what

534  
00:19:59,630 --> 00:20:03,140  
things things she dreamt up things that

535  
00:20:01,490 --> 00:20:04,519  
they're not based on fact at all look

536  
00:20:03,140 --> 00:20:06,200  
there's a few things interesting about

537  
00:20:04,519 --> 00:20:08,629  
her and psychic digs i'm a should cover

538  
00:20:06,200 --> 00:20:10,039  
just quickly for you ok yep in my

539  
00:20:08,630 --> 00:20:11,840  
opinion and this is again as i believe

540  
00:20:10,039 --> 00:20:14,058  
that these psychic to her in the others

541  
00:20:11,839 --> 00:20:15,558  
deliberately target high-profile cases

542

00:20:14,058 --> 00:20:17,329  
for a game their own credibility and

543  
00:20:15,558 --> 00:20:19,428  
authority and particularly missing

544  
00:20:17,329 --> 00:20:21,109  
persons of victims of violent crime this

545  
00:20:19,429 --> 00:20:23,110  
sells really well to the public that

546  
00:20:21,109 --> 00:20:25,519  
sells really well to hell I guess

547  
00:20:23,109 --> 00:20:27,109  
fascination yeah I sent with death and

548  
00:20:25,519 --> 00:20:28,879  
dying else it's not someone close to us

549  
00:20:27,109 --> 00:20:31,428  
so they make good money out of it and

550  
00:20:28,880 --> 00:20:33,710  
often the best heart strings to pull her

551  
00:20:31,429 --> 00:20:35,870  
children and you'll notice with the

552  
00:20:33,710 --> 00:20:38,660  
Beaumont children Daniel mikone common

553  
00:20:35,869 --> 00:20:40,399  
Chan they've all done these cases on

554  
00:20:38,660 --> 00:20:43,490  
that other disgusting program sensing

555  
00:20:40,400 --> 00:20:45,620  
murder however no one's been found no

556  
00:20:43,490 --> 00:20:47,779

one's been there's been no television

557

00:20:45,619 --> 00:20:49,819

follow-up saying WOW from Carmen Chan

558

00:20:47,779 --> 00:20:51,470

show from sensing murder with your sound

559

00:20:49,819 --> 00:20:53,089

from that evidence these shows are

560

00:20:51,470 --> 00:20:55,039

self-evident that they're full of

561

00:20:53,089 --> 00:20:57,139

rubbish because there has been any fault

562

00:20:55,039 --> 00:20:58,369

of any discovery no nothing approving

563

00:20:57,140 --> 00:21:00,650

themselves if it

564

00:20:58,369 --> 00:21:03,649

strangely quiet I've although sensing

565

00:21:00,650 --> 00:21:05,300

murder shows there's been a you'd think

566

00:21:03,650 --> 00:21:07,250

they'd come back and say well it's been

567

00:21:05,299 --> 00:21:09,200

two years now since the first episode

568

00:21:07,250 --> 00:21:11,630

Angie we haven't found a damn thing damn

569

00:21:09,200 --> 00:21:13,160

thing and the thought of the dreadful

570

00:21:11,630 --> 00:21:15,020

thing about this apart from the

571  
00:21:13,160 --> 00:21:18,140  
so-called info entertainment that this

572  
00:21:15,019 --> 00:21:20,629  
ends up being those that desperate and

573  
00:21:18,140 --> 00:21:22,460  
emotional a thing they're hanging by

574  
00:21:20,630 --> 00:21:24,200  
this terrible thread hoping that maybe

575  
00:21:22,460 --> 00:21:25,880  
there's something to have here people

576  
00:21:24,200 --> 00:21:27,470  
forget for a moment and when you're

577  
00:21:25,880 --> 00:21:29,180  
watching psychic detectives or seeing us

578  
00:21:27,470 --> 00:21:30,829  
in de guerre this is not the real thing

579  
00:21:29,180 --> 00:21:32,690  
about this that there are people out

580  
00:21:30,829 --> 00:21:34,609  
there suffering probably the most

581  
00:21:32,690 --> 00:21:36,230  
dreadful grief there is of their

582  
00:21:34,609 --> 00:21:38,509  
children or their wives or daughters

583  
00:21:36,230 --> 00:21:40,789  
missing or murdered by people unknown

584  
00:21:38,509 --> 00:21:42,679  
and then waiting to find out what

585  
00:21:40,789 --> 00:21:45,049  
happened and these people are left in

586  
00:21:42,679 --> 00:21:48,350  
this desperate emotional state and this

587  
00:21:45,049 --> 00:21:49,849  
a vulnerable situation and these psychic

588  
00:21:48,349 --> 00:21:51,678  
detectives are claiming all sorts of

589  
00:21:49,849 --> 00:21:54,649  
things and exploiting them to the max

590  
00:21:51,679 --> 00:21:56,630  
which is just so grateful and they say

591  
00:21:54,650 --> 00:21:58,820  
we don't do it for a fee of course they

592  
00:21:56,630 --> 00:22:00,800  
don't they do it for profile and they

593  
00:21:58,819 --> 00:22:02,480  
get such a profile out of it you look at

594  
00:22:00,799 --> 00:22:03,980  
any of the women's magazines etc there's

595  
00:22:02,480 --> 00:22:06,860  
both those guys Russell whatever his

596  
00:22:03,980 --> 00:22:08,569  
name is etc making themselves famous and

597  
00:22:06,859 --> 00:22:10,609  
make themselves wealthy out of these

598  
00:22:08,569 --> 00:22:14,509  
people's misery and pain which i think

599

00:22:10,609 --> 00:22:16,339  
is just so aghast to anybody who's not

600  
00:22:14,509 --> 00:22:18,650  
sure but you know that misery and pain

601  
00:22:16,339 --> 00:22:20,659  
have always sold well and they do i do

602  
00:22:18,650 --> 00:22:22,100  
but i mean i've got nothing against a

603  
00:22:20,660 --> 00:22:25,790  
good horror movie because you can choose

604  
00:22:22,099 --> 00:22:27,439  
to go to that or a scary movie or even a

605  
00:22:25,789 --> 00:22:29,089  
good horror book or a criminal detective

606  
00:22:27,440 --> 00:22:31,100  
fiction show you have a choice of

607  
00:22:29,089 --> 00:22:33,019  
dialing in or darling out of that and we

608  
00:22:31,099 --> 00:22:35,000  
know it's fiction and horror and playing

609  
00:22:33,019 --> 00:22:37,819  
whistle but when you start capitalizing

610  
00:22:35,000 --> 00:22:39,769  
on this it just gets so so wrong but she

611  
00:22:37,819 --> 00:22:42,409  
has a go at skeptics interesting along

612  
00:22:39,769 --> 00:22:44,029  
with what they say she says skeptics and

613  
00:22:42,410 --> 00:22:46,190

a lot of these psychic detectives have

614

00:22:44,029 --> 00:22:48,589

the same things that if we don't believe

615

00:22:46,190 --> 00:22:50,390

in an afterlife and we don't believe in

616

00:22:48,589 --> 00:22:53,720

not life after death well i can't help

617

00:22:50,390 --> 00:22:55,100

you well not all skeptics believe that

618

00:22:53,720 --> 00:22:57,230

and a lot of them have their own private

619

00:22:55,099 --> 00:22:59,569

thoughts anyhow and to package all

620

00:22:57,230 --> 00:23:01,279

skeptics in the same thing is again by

621

00:22:59,569 --> 00:23:03,109

her very very convenient to put us all

622

00:23:01,279 --> 00:23:05,000

in the same spot is very convenient and

623

00:23:03,109 --> 00:23:06,529

then especially when she's on the chat

624

00:23:05,000 --> 00:23:08,599

chosen whatever she can write off the

625

00:23:06,529 --> 00:23:10,730

skeptics in one sentence one sentence

626

00:23:08,599 --> 00:23:12,168

and then that undoes it all but i'll

627

00:23:10,730 --> 00:23:14,179

throw back a few things that are for

628  
00:23:12,169 --> 00:23:16,700  
firstly she loves stirring words of the

629  
00:23:14,179 --> 00:23:19,788  
skeptics she used the words skeptics

630  
00:23:16,700 --> 00:23:23,210  
have vile repelling energies and that's

631  
00:23:19,788 --> 00:23:25,009  
why page 116 of her book I do how I had

632  
00:23:23,210 --> 00:23:26,480  
a violin repelling energy I well and

633  
00:23:25,009 --> 00:23:29,389  
have another shower she talks about

634  
00:23:26,480 --> 00:23:33,048  
another famous moron skeptic on a page

635  
00:23:29,388 --> 00:23:35,388  
100 and she says so this is nice name

636  
00:23:33,048 --> 00:23:37,460  
calling so that's good and she says out

637  
00:23:35,388 --> 00:23:39,829  
of page 112 and I cannot believe

638  
00:23:37,460 --> 00:23:42,980  
proofreaders didn't fix this up she says

639  
00:23:39,829 --> 00:23:48,519  
remember it was skeptics who insisted

640  
00:23:42,980 --> 00:23:50,628  
that the world was flat oh yeah well

641  
00:23:48,519 --> 00:23:52,460  
Alison I think you've got that one

642  
00:23:50,628 --> 00:23:56,748  
hundred percent the wrong way around it

643  
00:23:52,460 --> 00:23:58,700  
was said well was rap at least the

644  
00:23:56,749 --> 00:24:02,538  
skeptics questioned if the world is flat

645  
00:23:58,700 --> 00:24:04,850  
but yes yes I ought page 112 she screams

646  
00:24:02,538 --> 00:24:07,429  
that skeptics are such bad nasty people

647  
00:24:04,849 --> 00:24:09,079  
and remember and I'm just turning to the

648  
00:24:07,429 --> 00:24:12,980  
page here because that's from my memory

649  
00:24:09,079 --> 00:24:16,788  
I see ya like a good book here at 112

650  
00:24:12,980 --> 00:24:18,589  
she says yes these of us and angry

651  
00:24:16,788 --> 00:24:20,868  
skeptics are the same people who

652  
00:24:18,589 --> 00:24:23,118  
insisted the world was flat angry

653  
00:24:20,868 --> 00:24:24,888  
skeptic angry skeptics the same people

654  
00:24:23,118 --> 00:24:28,308  
is the world was flat well Alison that

655  
00:24:24,888 --> 00:24:30,258  
is wrong so funny it would be funny if

656

00:24:28,308 --> 00:24:32,118  
it wasn't so sad she also claimed that

657  
00:24:30,259 --> 00:24:35,329  
you know Randy with his million dollars

658  
00:24:32,118 --> 00:24:37,398  
didn't exist and she can't see that it

659  
00:24:35,329 --> 00:24:40,579  
exists etc etc and while I was doing my

660  
00:24:37,398 --> 00:24:43,008  
interviews I went actually to the 990

661  
00:24:40,579 --> 00:24:45,710  
section of the IRS which is the Internal

662  
00:24:43,009 --> 00:24:48,230  
Revenue Services paperwork for where

663  
00:24:45,710 --> 00:24:50,389  
they keep all nonprofit organizations

664  
00:24:48,230 --> 00:24:52,278  
paperwork and tax returns and I went to

665  
00:24:50,388 --> 00:24:55,158  
the tax return i looked up james Randy's

666  
00:24:52,278 --> 00:24:57,829  
form and it has James Randi and his his

667  
00:24:55,159 --> 00:25:00,320  
yearly salary there and I think it's

668  
00:24:57,829 --> 00:25:02,058  
section 30 or 60 for water there's the

669  
00:25:00,319 --> 00:25:03,798  
moon in dollars sitting there yeah well

670  
00:25:02,058 --> 00:25:05,509

anyone to climb out so she claimed its

671

00:25:03,798 --> 00:25:08,388

what wasn't real accepted as her answers

672

00:25:05,509 --> 00:25:10,548

to are they all claim that they all say

673

00:25:08,388 --> 00:25:11,988

they all say that it's not real and I

674

00:25:10,548 --> 00:25:13,819

champion him on but it's there and

675

00:25:11,989 --> 00:25:15,440

illegal and stock is illegal and she's

676

00:25:13,819 --> 00:25:17,148

also said there now he'll be broke if it

677

00:25:15,440 --> 00:25:18,710

if you know I proved him wrong etc and I

678

00:25:17,148 --> 00:25:20,089

said well for the radio would it be as I

679

00:25:18,710 --> 00:25:21,649

said no he'll still get his paid because

680

00:25:20,089 --> 00:25:24,549

there's paycheck there for every year

681

00:25:21,648 --> 00:25:26,559

and plus you'll even be more famous

682

00:25:24,549 --> 00:25:29,230

yeah she's been living this story since

683

00:25:26,559 --> 00:25:31,299

she was 6 years old and she's exposed to

684

00:25:29,230 --> 00:25:32,740

family to it and she has Fame and

685  
00:25:31,299 --> 00:25:35,230  
television shows she is married to this

686  
00:25:32,740 --> 00:25:37,420  
story completely so whatever we come up

687  
00:25:35,230 --> 00:25:38,980  
as skeptics here we're not going to

688  
00:25:37,420 --> 00:25:41,170  
actually ever convince her or the

689  
00:25:38,980 --> 00:25:43,000  
hardcore but we will be able to maybe

690  
00:25:41,170 --> 00:25:44,620  
attack and crumble some of her major

691  
00:25:43,000 --> 00:25:46,269  
claims to the rest of the thinking

692  
00:25:44,619 --> 00:25:48,039  
public she's not a criminal profile

693  
00:25:46,269 --> 00:25:50,410  
she's not as research medium she has not

694  
00:25:48,039 --> 00:25:52,450  
solved any cases nor work with law

695  
00:25:50,410 --> 00:25:54,130  
enforcement has most like addictive

696  
00:25:52,450 --> 00:25:55,900  
she's based it on tithing the most

697  
00:25:54,130 --> 00:25:58,630  
vulnerable people and she has no answers

698  
00:25:55,900 --> 00:26:00,250  
for the skeptics if that answers a few
