

1
00:00:06,530 --> 00:00:13,190
welcome to the skeptic zone the podcast

2
00:00:09,500 --> 00:00:16,820
from Australia for science and reason

3
00:00:13,189 --> 00:00:19,269
urea hosts Richard Saunders and Stefan

4
00:00:16,820 --> 00:00:19,269
Soyka

5
00:00:20,850 --> 00:00:27,130
hello Richard um I'm back in the zone

6
00:00:24,100 --> 00:00:29,980
Stefan we thought you were dead ah I

7
00:00:27,129 --> 00:00:31,989
almost why you were I almost was it's

8
00:00:29,980 --> 00:00:34,808
been so long yeah I've had this massive

9
00:00:31,989 --> 00:00:37,149
great bronchitis thing that lasted about

10
00:00:34,808 --> 00:00:39,640
six weeks that's no good for a singer it

11
00:00:37,149 --> 00:00:41,289
for no it's not fortunately for some

12
00:00:39,640 --> 00:00:43,719
reason I did I didn't have many gigs on

13
00:00:41,289 --> 00:00:45,698
at the moment does I think it's a thing

14
00:00:43,719 --> 00:00:48,789
that I do every time I don't have no

15
00:00:45,698 --> 00:00:50,710
gigs I get sick um yeah but they're you

16
00:00:48,789 --> 00:00:53,229
guys so it's good to be back in the zone

17
00:00:50,710 --> 00:00:55,359
oh it's good to see you back here Stefan

18
00:00:53,229 --> 00:00:57,429
now I bet because he was so ill you

19
00:00:55,359 --> 00:01:00,159
trying a few of the old alternative

20
00:00:57,429 --> 00:01:02,679
remedies I tried everything I placed a

21
00:01:00,159 --> 00:01:04,478
call with medicines on medicine doctors

22
00:01:02,679 --> 00:01:06,579
without medicine yeah they couldn't help

23
00:01:04,478 --> 00:01:09,368
me I had the life wire happening

24
00:01:06,579 --> 00:01:12,670
everywhere yeah I tried the 123 gut plus

25
00:01:09,368 --> 00:01:15,640
I did everyone know crystals chanting

26
00:01:12,670 --> 00:01:17,560
chakra balancing and you know what the

27
00:01:15,640 --> 00:01:19,719
bacteria in my bronchial tubes just

28
00:01:17,560 --> 00:01:21,250
wouldn't go away get away yeah it's

29

00:01:19,719 --> 00:01:22,750
unbelievable you would have thought with

30
00:01:21,250 --> 00:01:25,868
all those treatments that would have but

31
00:01:22,750 --> 00:01:28,689
no and in the end i went for antibiotics

32
00:01:25,868 --> 00:01:30,519
really so you sucked up to modern

33
00:01:28,689 --> 00:01:33,368
science I'll medicine today that's why I

34
00:01:30,519 --> 00:01:35,739
bought Big Pharma big pharma yeah I'm

35
00:01:33,368 --> 00:01:37,149
countering the big pharma now and and

36
00:01:35,739 --> 00:01:41,708
yeah the funny thing is it actually

37
00:01:37,149 --> 00:01:44,140
works it's a miracle I'm miracle that

38
00:01:41,709 --> 00:01:45,670
antibiotics work to fight bacteria in

39
00:01:44,140 --> 00:01:47,349
your pocket change it's a miracle and

40
00:01:45,670 --> 00:01:51,000
order it's also a miracle that this is

41
00:01:47,349 --> 00:01:54,280
show number 83 it is not it is ah

42
00:01:51,000 --> 00:01:55,840
Richard this show is I mean I can't

43
00:01:54,280 --> 00:01:58,060

believe I was going to be dead after six

44

00:01:55,840 --> 00:01:59,739

episodes and we're still going did you

45

00:01:58,060 --> 00:02:02,259

I'll thanks for your confidence no I

46

00:01:59,739 --> 00:02:05,170

want faith of that 83 that's fantastic

47

00:02:02,259 --> 00:02:07,179

yeah it's the 21st to my show 83 and

48

00:02:05,170 --> 00:02:10,750

what an interesting show we have for you

49

00:02:07,179 --> 00:02:13,360

we have a report we went once again to

50

00:02:10,750 --> 00:02:16,628

our favorite place the mind-body-spirit

51

00:02:13,360 --> 00:02:18,250

festival oh my very spirit yeah oh

52

00:02:16,628 --> 00:02:22,090

you're not allowed to say walls anymore

53

00:02:18,250 --> 00:02:23,979

all right mine body wallet that's the

54

00:02:22,090 --> 00:02:26,020

that's the festival I know and love ya

55

00:02:23,979 --> 00:02:28,000

well we went there a number of years ago

56

00:02:26,020 --> 00:02:28,850

we filmed a report there yeah now we

57

00:02:28,000 --> 00:02:30,590

ever had a lot of

58

00:02:28,849 --> 00:02:33,500

yeah and they do it don't do it like

59

00:02:30,590 --> 00:02:35,330

twice a year in Sydney yeah did you

60

00:02:33,500 --> 00:02:37,099

think even like once once every couple

61

00:02:35,330 --> 00:02:39,800

years is probably enough but they they

62

00:02:37,099 --> 00:02:41,989

do it twice a year and it was packed out

63

00:02:39,800 --> 00:02:43,700

we could hardly move there were hundreds

64

00:02:41,990 --> 00:02:45,230

of stands and thousands of people

65

00:02:43,699 --> 00:02:47,359

milling around getting their chakras

66

00:02:45,229 --> 00:02:49,429

realigned and all sorts of things or as

67

00:02:47,360 --> 00:02:52,310

my brother said who joined us on the

68

00:02:49,430 --> 00:02:54,740

trip maybe he came up with a beauty said

69

00:02:52,310 --> 00:02:57,530

I've come here to get my spirit

70

00:02:54,740 --> 00:03:00,680

cleansing my hog washed oh that's a good

71

00:02:57,530 --> 00:03:01,969

one you know I actually should have

72
00:03:00,680 --> 00:03:04,400
turned up and just coughed all over

73
00:03:01,969 --> 00:03:06,590
everybody and just seeing how how

74
00:03:04,400 --> 00:03:08,120
magically they all defended it that you

75
00:03:06,590 --> 00:03:09,620
should have we saw some interesting

76
00:03:08,120 --> 00:03:12,379
people there that's for sure but that

77
00:03:09,620 --> 00:03:14,780
reports just just on and sweetly you

78
00:03:12,379 --> 00:03:16,879
know what we were also getting letters

79
00:03:14,780 --> 00:03:19,520
from people wanting to hear more of dr.

80
00:03:16,879 --> 00:03:22,189
Stefan oh I tell you what this is dr.

81
00:03:19,520 --> 00:03:23,960
Stefan makes his full recovery the

82
00:03:22,189 --> 00:03:26,539
course of antibiotics are nearly

83
00:03:23,960 --> 00:03:28,129
finished he's coming back he's come home

84
00:03:26,539 --> 00:03:31,299
really why I know I've been out of the

85
00:03:28,129 --> 00:03:33,879
loop for a while but dr. Stefan Soyka is

86

00:03:31,300 --> 00:03:35,990
yeah I think there's a non-smoking

87
00:03:33,879 --> 00:03:37,639
course that I think he's working on

88
00:03:35,990 --> 00:03:39,890
moment but it's just it's in the labs

89
00:03:37,639 --> 00:03:42,159
it's in the last absorb it's about to be

90
00:03:39,889 --> 00:03:44,659
really say and what another another

91
00:03:42,159 --> 00:03:47,150
think tank yeah and that's followed by

92
00:03:44,659 --> 00:03:50,299
the the think tank of dr. rachy dr.

93
00:03:47,150 --> 00:03:52,370
Chrissy Albert friends Jason and James

94
00:03:50,300 --> 00:03:54,800
joined us in our favorite club down the

95
00:03:52,370 --> 00:03:57,200
street and we have a good old chat but

96
00:03:54,800 --> 00:03:59,180
we're very excited because we're working

97
00:03:57,199 --> 00:04:01,909
very hard every week I can assure

98
00:03:59,180 --> 00:04:03,500
everybody on Tam Australia ah that's

99
00:04:01,909 --> 00:04:05,389
going to be massive his November isn't

100
00:04:03,500 --> 00:04:07,639

in November more stars in the Milky Way

101

00:04:05,389 --> 00:04:09,739

coming along Tamela stress so you got a

102

00:04:07,639 --> 00:04:12,589

few more celebs coming down well if the

103

00:04:09,740 --> 00:04:14,840

lineup includes james randi DJ Grothe

104

00:04:12,590 --> 00:04:17,600

brian dunning skip excited the universe

105

00:04:14,840 --> 00:04:20,420

silencing Eugenie Scott dr. Karl

106

00:04:17,600 --> 00:04:22,340

cruising iski dr. Paul Willis Fred

107

00:04:20,420 --> 00:04:25,040

Watson the astronomer it goes on and on

108

00:04:22,339 --> 00:04:27,589

and more names on the way dr. Rachel dr.

109

00:04:25,040 --> 00:04:29,569

kristy myself you'll probably be there

110

00:04:27,589 --> 00:04:31,039

I'm gonna be there to take ticket to the

111

00:04:29,569 --> 00:04:32,810

door or something you know I think the

112

00:04:31,040 --> 00:04:35,540

earth is probably going to shift on its

113

00:04:32,810 --> 00:04:37,728

axis from the weight of skepticism in

114

00:04:35,540 --> 00:04:39,650

Sydney coming down under I think so in

115
00:04:37,728 --> 00:04:42,870
the good news is the official website

116
00:04:39,649 --> 00:04:45,698
will be up in a matter of a week or so

117
00:04:42,870 --> 00:04:47,649
xojo maybe a week or two but very soon

118
00:04:45,699 --> 00:04:49,569
and all the names will be there and

119
00:04:47,649 --> 00:04:52,568
details about tickets will be coming

120
00:04:49,569 --> 00:04:54,158
along before too long too it's got to be

121
00:04:52,569 --> 00:04:56,439
a huge right so i reckon a few more

122
00:04:54,158 --> 00:05:00,158
people should come for a holiday and

123
00:04:56,439 --> 00:05:01,810
enjoy the wonderful atmosphere here in

124
00:05:00,158 --> 00:05:04,060
sydney and all the climb and everything

125
00:05:01,810 --> 00:05:06,038
in and all and even after it's finished

126
00:05:04,060 --> 00:05:08,468
i could go for a trick up north to the

127
00:05:06,038 --> 00:05:11,199
cans or byron bay absolutely ayers rock

128
00:05:08,468 --> 00:05:14,709
yo make it a big holiday come for the

129
00:05:11,199 --> 00:05:16,810
for the big dam sydney and and stick

130
00:05:14,709 --> 00:05:19,120
around for Australia a lot of people

131
00:05:16,810 --> 00:05:21,399
will be doing that absolutely and before

132
00:05:19,120 --> 00:05:23,259
that of course there we're getting ready

133
00:05:21,399 --> 00:05:25,120
a group of us from the Australian

134
00:05:23,259 --> 00:05:28,479
skeptics and the skeptics owner off to

135
00:05:25,120 --> 00:05:30,968
Las Vegas for tam 8 in Las Vegas Oh

136
00:05:28,478 --> 00:05:32,848
Richard you're such a jetsetter I know I

137
00:05:30,968 --> 00:05:36,250
like racking up those frequent fire

138
00:05:32,848 --> 00:05:39,370
frequent fire points playa points Oh

139
00:05:36,250 --> 00:05:40,959
freedom fraught fryer I appoints look

140
00:05:39,370 --> 00:05:42,399
well lip I think we should just get on

141
00:05:40,959 --> 00:05:44,918
with the show cuz I'm about to put time

142
00:05:42,399 --> 00:05:47,109
another hacking any second now so let's

143

00:05:44,918 --> 00:05:50,609
get into it and I guess I'll see you the

144
00:05:47,110 --> 00:05:50,610
other ok origin

145
00:06:07,509 --> 00:06:12,589
hello listeners and welcome to the

146
00:06:10,550 --> 00:06:14,689
mind-body wallet festival or the

147
00:06:12,589 --> 00:06:16,609
mind-body-spirit festival i'm here on

148
00:06:14,689 --> 00:06:19,100
the steps at the sydney exhibition

149
00:06:16,610 --> 00:06:22,069
centre and we're about to go in once

150
00:06:19,100 --> 00:06:24,200
again to brave a mind body spirit and

151
00:06:22,069 --> 00:06:26,329
i'm here with richard hi Richard hi Rach

152
00:06:24,199 --> 00:06:31,009
you why do we do it I don't know what

153
00:06:26,329 --> 00:06:33,259
was that and I'm also here with James or

154
00:06:31,009 --> 00:06:35,599
bastard sheep hi James I'm scared a

155
00:06:33,259 --> 00:06:40,449
check too scared did you bring your

156
00:06:35,600 --> 00:06:42,770
sheep to help you not yeah braids come I

157
00:06:40,449 --> 00:06:44,240

mean I guess we'll see the standard kind

158

00:06:42,769 --> 00:06:45,740

of stuff that we usually see you know

159

00:06:44,240 --> 00:06:47,840

there's going to be some fun stuff

160

00:06:45,740 --> 00:06:50,269

there's going to be some you know nice

161

00:06:47,839 --> 00:06:52,669

smelling soaps and good food but there's

162

00:06:50,269 --> 00:06:54,169

also going to be some fairly scary stuff

163

00:06:52,670 --> 00:06:57,050

isn't there James the other

164

00:06:54,170 --> 00:06:58,580

Scientologists here so yeah that's true

165

00:06:57,050 --> 00:07:00,680

Scientologist to hear there's usually

166

00:06:58,579 --> 00:07:02,180

people selling magic water that cures

167

00:07:00,680 --> 00:07:04,129

all kinds of things I expect they'll be

168

00:07:02,180 --> 00:07:07,280

here again right on you've got your own

169

00:07:04,129 --> 00:07:08,990

how much is that one two dollars of

170

00:07:07,279 --> 00:07:11,419

things don't think it's two dollars

171

00:07:08,990 --> 00:07:14,210

inside all right this is what we get a

172
00:07:11,420 --> 00:07:16,850
brave in the ticket Reggie honey yeah

173
00:07:14,209 --> 00:07:19,399
yeah I've got my ticket we're gonna yell

174
00:07:16,850 --> 00:07:20,810
will go in and maybe who knows when

175
00:07:19,399 --> 00:07:23,049
maybe we'll find people doing the

176
00:07:20,810 --> 00:07:26,829
applied kinesiology

177
00:07:23,050 --> 00:07:29,470
applied kinesiology photograph taken

178
00:07:26,829 --> 00:07:32,228
yeah actually yeah he took about five

179
00:07:29,470 --> 00:07:33,400
foot is on the hard way yes so we might

180
00:07:32,228 --> 00:07:35,439
we're going to see that you can

181
00:07:33,399 --> 00:07:36,818
demonstrate it we must recognize you by

182
00:07:35,439 --> 00:07:38,500
taking photographs no I think it's

183
00:07:36,819 --> 00:07:40,330
suspicious of us are suspiciously I

184
00:07:38,500 --> 00:07:42,339
didn't demonstrate me I think I can

185
00:07:40,329 --> 00:07:44,680
somehow I think I can demonstrate it

186
00:07:42,339 --> 00:07:47,049
actually you probably recognize this you

187
00:07:44,680 --> 00:07:49,060
Richard for your kinesiology video he

188
00:07:47,050 --> 00:07:57,968
might how many hits as it had now over a

189
00:07:49,060 --> 00:08:01,000
thousand and so our small party went

190
00:07:57,968 --> 00:08:02,610
into the mind-body-spirit festival well

191
00:08:01,000 --> 00:08:06,908
listen we've been doing this now for

192
00:08:02,610 --> 00:08:09,310
nearly 10 years every six months in fact

193
00:08:06,908 --> 00:08:12,310
one ring through the holes of psychics

194
00:08:09,310 --> 00:08:15,788
crystal healing chanting lots of

195
00:08:12,310 --> 00:08:18,069
drumming for some reason mystical pills

196
00:08:15,788 --> 00:08:21,098
and potions machines that work on

197
00:08:18,069 --> 00:08:24,819
quantum energy and the question always

198
00:08:21,098 --> 00:08:27,519
is well why do we do it well I do it

199
00:08:24,819 --> 00:08:30,370
personally to learn what the other side

200

00:08:27,519 --> 00:08:33,009
is thinking or not thinking as the case

201
00:08:30,370 --> 00:08:37,360
may be and every time I go without

202
00:08:33,009 --> 00:08:40,120
exception I learn something new this

203
00:08:37,360 --> 00:08:43,629
time especially this time I learned a

204
00:08:40,120 --> 00:08:46,929
few more tricks on how the applied

205
00:08:43,629 --> 00:08:48,399
kinesiology muscle testing works even

206
00:08:46,929 --> 00:08:50,859
though I thought I knew practically

207
00:08:48,399 --> 00:08:53,919
everything there is to know we're still

208
00:08:50,860 --> 00:08:57,909
surprised by some of the ways that the

209
00:08:53,919 --> 00:09:03,169
practitioners were using to to sell this

210
00:08:57,909 --> 00:09:09,028
idea we saw some new things too

211
00:09:03,169 --> 00:09:13,198
titanium Tesla disks that save you from

212
00:09:09,028 --> 00:09:16,289
radiation some sort of molten plastic

213
00:09:13,198 --> 00:09:19,528
that prevents you from getting terrible

214
00:09:16,289 --> 00:09:22,980

dire consequences from flying airports

215

00:09:19,528 --> 00:09:27,028

and airplanes however that works i

216

00:09:22,980 --> 00:09:28,800

really don't know it's very common to

217

00:09:27,028 --> 00:09:31,828

see at these mind-body wallet or

218

00:09:28,799 --> 00:09:34,169

mind-body-spirit festivals people who

219

00:09:31,828 --> 00:09:38,750

will diagnose your problems using

220

00:09:34,169 --> 00:09:43,318

everything from intuition to sensing to

221

00:09:38,750 --> 00:09:46,110

machines that are based on pseudoscience

222

00:09:43,318 --> 00:09:49,110

like the magic of quantum energy for

223

00:09:46,110 --> 00:09:51,930

example which is just needles and dials

224

00:09:49,110 --> 00:09:55,860

that flash and work but the people who

225

00:09:51,929 --> 00:09:58,888

will diagnose you remarkably enough on

226

00:09:55,860 --> 00:10:03,589

the shelf behind them will have what you

227

00:09:58,889 --> 00:10:09,028

need to be cured be it homeopathy or

228

00:10:03,589 --> 00:10:12,269

mushed up garden scraps who knows or

229
00:10:09,028 --> 00:10:14,009
some weird such thing now for years

230
00:10:12,269 --> 00:10:16,019
Australian skeptics have been trying to

231
00:10:14,009 --> 00:10:20,759
get the health authorities interested in

232
00:10:16,019 --> 00:10:23,698
mind body wallet seems to us that it's

233
00:10:20,759 --> 00:10:26,669
really a free pass for people to do all

234
00:10:23,698 --> 00:10:31,169
sorts of flim-flammery and get away with

235
00:10:26,669 --> 00:10:36,628
it lots of cash in hand lots of cash in

236
00:10:31,169 --> 00:10:40,110
hand lots of cash being passed about at

237
00:10:36,629 --> 00:10:42,629
this place and I don't think very many

238
00:10:40,110 --> 00:10:44,690
records would be kept i might be wrong i

239
00:10:42,629 --> 00:10:47,820
might be wrong

240
00:10:44,690 --> 00:10:49,830
there's 50 or so psychics in a big room

241
00:10:47,820 --> 00:10:51,540
doing palm reading and crystal ball

242
00:10:49,830 --> 00:10:55,370
reading and tarot cards and all the

243
00:10:51,539 --> 00:10:57,809
usual things it's quite funny to be a

244
00:10:55,370 --> 00:11:00,060
stop there occasionally and people look

245
00:10:57,809 --> 00:11:03,239
at me and say you've got a familiar face

246
00:11:00,059 --> 00:11:05,329
where have I seen here before I gave

247
00:11:03,240 --> 00:11:07,110
somebody my card in a

248
00:11:05,330 --> 00:11:09,750
one-hundred-thousand-dollar challenge

249
00:11:07,110 --> 00:11:13,680
card from Australian skeptics a psychic

250
00:11:09,750 --> 00:11:15,659
who immediately scoffed putting me down

251
00:11:13,679 --> 00:11:17,489
on the spot ah you're just one of those

252
00:11:15,659 --> 00:11:21,449
skeptics I don't have to do this etc

253
00:11:17,490 --> 00:11:23,779
well I guess you know the story if you

254
00:11:21,450 --> 00:11:25,920
have the chance to visit a

255
00:11:23,779 --> 00:11:28,980
mind-body-spirit festival or a new age

256
00:11:25,919 --> 00:11:33,899
festival as a good skeptic you should go

257

00:11:28,980 --> 00:11:35,730
you should go and ask questions it's a

258
00:11:33,899 --> 00:11:38,009
mistake to go there thinking you can

259
00:11:35,730 --> 00:11:40,110
change minds or your you can reveal

260
00:11:38,009 --> 00:11:42,990
something which will shatter illusions

261
00:11:40,110 --> 00:11:45,480
that just won't happen even when I did

262
00:11:42,990 --> 00:11:47,370
the applied kinesiology tricks back on

263
00:11:45,480 --> 00:11:50,279
the people doing the tricks to other

264
00:11:47,370 --> 00:11:53,100
people of course it didn't it didn't

265
00:11:50,279 --> 00:11:56,399
make any difference if they're sincere

266
00:11:53,100 --> 00:11:58,500
and believe what they were doing then

267
00:11:56,399 --> 00:12:00,360
I'm not going to change their mind even

268
00:11:58,500 --> 00:12:02,759
if I can do the same sort of thing and

269
00:12:00,360 --> 00:12:04,950
if they're con artists fleecing the

270
00:12:02,759 --> 00:12:07,549
public they're going to tell me to get

271
00:12:04,950 --> 00:12:10,009

lost pretty quick so

272

00:12:07,549 --> 00:12:14,509

it's a no-win situation in that respect

273

00:12:10,009 --> 00:12:18,429

but if you have the chance I encourage

274

00:12:14,509 --> 00:12:18,429

you all to go on

275

00:12:18,690 --> 00:12:29,790

I think really raise you the one true

276

00:12:27,360 --> 00:12:33,750

joy about mind body wallet is coming to

277

00:12:29,789 --> 00:12:36,269

Chinatown afterwards yes and nomming yes

278

00:12:33,750 --> 00:12:37,950

it's pretty much the only joy in fact

279

00:12:36,269 --> 00:12:40,049

you know I expected that mind-body

280

00:12:37,950 --> 00:12:41,879

wallet would get easier the more times I

281

00:12:40,049 --> 00:12:45,539

went but I think this is my fourth time

282

00:12:41,879 --> 00:12:48,360

yeah and and I knew you had a long talk

283

00:12:45,539 --> 00:12:51,449

of somebody earlier on in Chu yes I did

284

00:12:48,360 --> 00:12:54,330

who did I talk to not do you like oh was

285

00:12:51,450 --> 00:12:56,310

it the cancer guy the water cancel my

286
00:12:54,330 --> 00:12:57,990
account yes that's yeah yeah I mean that

287
00:12:56,309 --> 00:12:59,789
these people come every year actually

288
00:12:57,990 --> 00:13:02,210
they they have a store that sells

289
00:12:59,789 --> 00:13:05,009
alkaline water and their claims are then

290
00:13:02,210 --> 00:13:07,290
cancer can only live in acidic

291
00:13:05,009 --> 00:13:10,830
environments and so if you alkalize your

292
00:13:07,289 --> 00:13:12,209
body then cancer can't grow and amongst

293
00:13:10,830 --> 00:13:14,160
other things you know they have a little

294
00:13:12,210 --> 00:13:17,190
pamphlet that says helped with my asthma

295
00:13:14,159 --> 00:13:20,039
helped with my kicker disease which ever

296
00:13:17,190 --> 00:13:22,440
one and we actually got one of these

297
00:13:20,039 --> 00:13:24,929
people to say to someone that I was with

298
00:13:22,440 --> 00:13:28,290
that you could use this water for cancer

299
00:13:24,929 --> 00:13:30,419
therapy he said that and I lost it at

300
00:13:28,289 --> 00:13:34,740
that point and I explained to him that

301
00:13:30,419 --> 00:13:37,469
that is illegal and unethical and just

302
00:13:34,740 --> 00:13:39,570
you know I borrowed to the extreme and

303
00:13:37,470 --> 00:13:42,960
then he backtracked as fast as he could

304
00:13:39,570 --> 00:13:46,050
and tried to say no no I didn't say that

305
00:13:42,960 --> 00:13:50,639
I didn't say that but the guy was with

306
00:13:46,049 --> 00:13:52,169
is it Jarrod Jarrod Jarrod he said he

307
00:13:50,639 --> 00:13:55,110
looked at this guy and said no you just

308
00:13:52,169 --> 00:13:58,620
said that to me you said I can use water

309
00:13:55,110 --> 00:13:59,789
for cancer therapy and I told this guy

310
00:13:58,620 --> 00:14:00,960
that I was going to report him to the

311
00:13:59,789 --> 00:14:03,719
health care compliance Commission

312
00:14:00,960 --> 00:14:06,509
because they do this every year they

313
00:14:03,720 --> 00:14:09,029
were doing a talk at the the speaker's

314

00:14:06,509 --> 00:14:11,819
corner entitled tap water cures

315
00:14:09,029 --> 00:14:13,649
incurable diseases and when I asked him

316
00:14:11,820 --> 00:14:15,569
about that he said ah no no no

317
00:14:13,649 --> 00:14:17,490
we don't mean tap water I said I'll

318
00:14:15,568 --> 00:14:19,169
watch him in your water your special

319
00:14:17,490 --> 00:14:23,459
alkaline water said oh no no no we can't

320
00:14:19,169 --> 00:14:25,349
say that but I have a photograph of the

321
00:14:23,458 --> 00:14:28,318
program that says tap water cures

322
00:14:25,350 --> 00:14:30,089
incurable diseases yeah yeah and then he

323
00:14:28,318 --> 00:14:31,618
pointed me to the old gentleman who's

324
00:14:30,089 --> 00:14:33,329
there every six months you know the one

325
00:14:31,619 --> 00:14:35,579
that said he had liver cancer and now

326
00:14:33,328 --> 00:14:36,778
he's better and he pointed me in his

327
00:14:35,578 --> 00:14:39,328
direction I said look there's our

328
00:14:36,778 --> 00:14:41,278

evidence and I said to him look that's a

329

00:14:39,328 --> 00:14:42,808

really nice story you've got there you

330

00:14:41,278 --> 00:14:45,028

telling me this guy recovered from the

331

00:14:42,808 --> 00:14:46,980

other cancer that's the story yeah you

332

00:14:45,028 --> 00:14:49,019

don't have any evidence you can't say

333

00:14:46,980 --> 00:14:50,610

this it's illegal and unethical I had an

334

00:14:49,019 --> 00:14:54,360

interesting talk for the person from the

335

00:14:50,610 --> 00:14:56,399

happy science mm-hmm who was telling me

336

00:14:54,360 --> 00:14:59,970

that there Master whose name I can't

337

00:14:56,399 --> 00:15:02,159

remember now has access to the universal

338

00:14:59,970 --> 00:15:05,160

knowledge library which is in another

339

00:15:02,159 --> 00:15:08,458

dimension and I said why really

340

00:15:05,159 --> 00:15:12,118

earth-centered really he's never there

341

00:15:08,458 --> 00:15:13,649

when i'm there and he said oh you're

342

00:15:12,119 --> 00:15:18,360

just making that up and i said and he's

343
00:15:13,649 --> 00:15:20,278
not I said no it's true it's behind Mars

344
00:15:18,360 --> 00:15:21,688
that's where I go so you're but you're

345
00:15:20,278 --> 00:15:24,600
making it up but he's not making it up

346
00:15:21,688 --> 00:15:26,129
he's great master wasn't making it up

347
00:15:24,600 --> 00:15:27,569
obviously yeah but you know it was it

348
00:15:26,129 --> 00:15:29,579
was funny too because we were talking to

349
00:15:27,568 --> 00:15:32,028
the sound therapy people yeah I know

350
00:15:29,578 --> 00:15:34,438
this lady was clearly convinced that

351
00:15:32,028 --> 00:15:37,078
playing music in two people at a

352
00:15:34,438 --> 00:15:38,698
slightly different wavelength or

353
00:15:37,078 --> 00:15:40,558
something can cure and treat all these

354
00:15:38,698 --> 00:15:42,778
things that she said oh no doesn't cure

355
00:15:40,558 --> 00:15:44,428
a retreat I mean she said it helps with

356
00:15:42,778 --> 00:15:46,980
you know all this sort of stuff but then

357
00:15:44,428 --> 00:15:48,589
but then she had this folder thick full

358
00:15:46,980 --> 00:15:50,629
of testimonials yeah

359
00:15:48,590 --> 00:15:52,730
and you said to her but you know some

360
00:15:50,629 --> 00:15:54,080
people I can run a testimony or anyone

361
00:15:52,730 --> 00:15:56,000
from by the testimony or how do I know

362
00:15:54,080 --> 00:15:58,730
that it's real and she said on my

363
00:15:56,000 --> 00:16:00,830
testimony also real I mean it's like

364
00:15:58,730 --> 00:16:04,310
saying you know my psychics not a fraud

365
00:16:00,830 --> 00:16:07,340
yours is and she said but it's from a

366
00:16:04,309 --> 00:16:09,559
university professor and it's but it's

367
00:16:07,340 --> 00:16:11,570
just isn't it's astounding to me that

368
00:16:09,559 --> 00:16:13,759
people can be that gullible you know I

369
00:16:11,570 --> 00:16:15,710
mean we did the whole applied

370
00:16:13,759 --> 00:16:17,389
kinesiology thing again we did we found

371

00:16:15,710 --> 00:16:20,780
a couple of stands doing the arm tricks

372
00:16:17,389 --> 00:16:22,009
and the first time I did it back to one

373
00:16:20,779 --> 00:16:24,829
of the women doing it and the other

374
00:16:22,009 --> 00:16:27,439
woman came in and she was delivered and

375
00:16:24,830 --> 00:16:29,830
base as he told us to get lost and then

376
00:16:27,440 --> 00:16:32,900
I did it back to the guide the fusion XL

377
00:16:29,830 --> 00:16:35,440
yeah and you wasn't impressed either no

378
00:16:32,899 --> 00:16:37,789
but he seemed to be a little bit less

379
00:16:35,440 --> 00:16:39,140
towards the fact the fraudulent side

380
00:16:37,789 --> 00:16:40,669
because he played along with you talk

381
00:16:39,139 --> 00:16:42,409
about some time didn't he he did he

382
00:16:40,669 --> 00:16:44,659
didn't tell me to hop it yeah but he

383
00:16:42,409 --> 00:16:47,750
also told you how he does it and he

384
00:16:44,659 --> 00:16:50,509
basically said I shift your center of

385
00:16:47,750 --> 00:16:52,100

gravity yeah which is how it works right

386

00:16:50,509 --> 00:16:53,779

so the first time without the pendant

387

00:16:52,100 --> 00:16:56,240

you pushed away from someone's in a

388

00:16:53,779 --> 00:16:57,980

brother he admitted to that but then he

389

00:16:56,240 --> 00:17:00,139

said to you interestingly he said the

390

00:16:57,980 --> 00:17:02,480

pendant changes your center of gravity i

391

00:17:00,139 --> 00:17:05,539

miss that older yes time is luck that he

392

00:17:02,480 --> 00:17:07,670

still hadn't out sold out was that it

393

00:17:05,539 --> 00:17:09,950

was the pendant that do that work nice

394

00:17:07,670 --> 00:17:11,630

footwork but then I heard Jessica do the

395

00:17:09,950 --> 00:17:14,600

the swinging the arm behind the back

396

00:17:11,630 --> 00:17:15,980

tests and yeah with with just a little

397

00:17:14,599 --> 00:17:19,579

bit of magic I will get as much of

398

00:17:15,980 --> 00:17:21,230

fingers her fingers yeah Jessica that

399

00:17:19,579 --> 00:17:27,319

was your first time at mine body while

400
00:17:21,230 --> 00:17:29,160
everything it was pretty pretty

401
00:17:27,319 --> 00:17:31,500
upsetting actually the

402
00:17:29,160 --> 00:17:33,630
and you spent a lot of time talking to

403
00:17:31,500 --> 00:17:35,400
some of these people I did I did it was

404
00:17:33,630 --> 00:17:41,760
quite interesting to try to draw them

405
00:17:35,400 --> 00:17:45,600
out and find out what was what their

406
00:17:41,759 --> 00:17:49,799
ideas behind what they're saying was and

407
00:17:45,599 --> 00:17:52,409
then trying to get out of them some sort

408
00:17:49,799 --> 00:17:54,990
of sense with with the connections of it

409
00:17:52,410 --> 00:18:00,960
all yeah like I was with Rachel talking

410
00:17:54,990 --> 00:18:04,859
to one of the magic water people and he

411
00:18:00,960 --> 00:18:06,329
was saying the guy was saying you have

412
00:18:04,859 --> 00:18:10,469
we have too much acid in our bodies and

413
00:18:06,329 --> 00:18:12,569
if you have this water it it changes and

414
00:18:10,470 --> 00:18:14,390
it becomes alkaline and I noticed say

415
00:18:12,569 --> 00:18:16,829
well how does that physically happen and

416
00:18:14,390 --> 00:18:22,710
it was a blank he wasn't able to tell me

417
00:18:16,829 --> 00:18:25,409
and he was also claiming that too much

418
00:18:22,710 --> 00:18:27,259
acidity compromises your immune system

419
00:18:25,410 --> 00:18:31,710
it's like well how does that happen

420
00:18:27,259 --> 00:18:33,150
blank so it was some that's what well

421
00:18:31,710 --> 00:18:34,769
they used to people just listening

422
00:18:33,150 --> 00:18:39,150
nodding and then had forking over their

423
00:18:34,769 --> 00:18:41,789
money obviously obviously and I said to

424
00:18:39,150 --> 00:18:45,810
him look I only did science to you 10

425
00:18:41,789 --> 00:18:47,700
I'm not a scientist so I'm interested in

426
00:18:45,809 --> 00:18:51,750
how these things work and his response

427
00:18:47,700 --> 00:18:53,850
was oh I only did science thn too so

428

00:18:51,750 --> 00:18:55,859
here's this guy peddling this water and

429
00:18:53,849 --> 00:18:57,869
making this these claims which is

430
00:18:55,859 --> 00:19:00,229
supposedly based on science and he has

431
00:18:57,869 --> 00:19:03,119
no better qualifications than I do and

432
00:19:00,230 --> 00:19:06,420
he can't he can't explain to me as a

433
00:19:03,119 --> 00:19:09,059
consumer what it's supposed to do and

434
00:19:06,420 --> 00:19:11,850
its efficacy and how it's supposed to

435
00:19:09,059 --> 00:19:14,759
work and why it's so good so you know

436
00:19:11,849 --> 00:19:17,369
then we came across these people selling

437
00:19:14,759 --> 00:19:20,009
these funny discs and tagging along

438
00:19:17,369 --> 00:19:23,129
squares and things which was supposed to

439
00:19:20,009 --> 00:19:24,079
be to the technology of you call it

440
00:19:23,130 --> 00:19:28,020
Tesla

441
00:19:24,079 --> 00:19:29,970
Nicola Tesla nicol nicola the technology

442
00:19:28,019 --> 00:19:31,680

of Nikola Tesla which did all sorts of

443

00:19:29,970 --> 00:19:33,750

interesting and magical things and this

444

00:19:31,680 --> 00:19:36,900

woman said that she could look at the

445

00:19:33,750 --> 00:19:40,259

disk can see the energy vortex was and

446

00:19:36,900 --> 00:19:42,240

we said Oh what yeah I can see it I said

447

00:19:40,259 --> 00:19:44,069

so I picked it up I said so if I hide it

448

00:19:42,240 --> 00:19:47,069

behind this baking still see the energy

449

00:19:44,069 --> 00:19:48,750

vortex year huh so if I give it to one

450

00:19:47,069 --> 00:19:51,389

of my friends here you'll be able to

451

00:19:48,750 --> 00:19:54,119

tell which one has it the this disk she

452

00:19:51,390 --> 00:19:56,220

said yes is yes I said ok turn around is

453

00:19:54,119 --> 00:19:57,959

he actually turned around but took a lot

454

00:19:56,220 --> 00:20:00,269

of time to get her friend understand to

455

00:19:57,960 --> 00:20:03,360

also turn around and she eventually did

456

00:20:00,269 --> 00:20:05,099

I give I gave the is to Jeff who walked

457
00:20:03,359 --> 00:20:07,109
off and then when she turned that data

458
00:20:05,099 --> 00:20:10,139
four of us stood there smiling away and

459
00:20:07,109 --> 00:20:13,589
she said this guy's got it you write me

460
00:20:10,140 --> 00:20:15,630
is you but you didn't have it and then

461
00:20:13,589 --> 00:20:18,509
Jeff came back and said well wasn't here

462
00:20:15,630 --> 00:20:23,610
at all she said but I have to be holding

463
00:20:18,509 --> 00:20:26,309
him to know where it is yeah it makes

464
00:20:23,609 --> 00:20:28,349
perfect but I gave her my i gave the

465
00:20:26,309 --> 00:20:30,149
skeptics challenge card anyway so we'll

466
00:20:28,349 --> 00:20:32,849
see what happens is this the disk thing

467
00:20:30,150 --> 00:20:35,720
that stops negative energy in a plane or

468
00:20:32,849 --> 00:20:38,639
something that was another one ok but

469
00:20:35,720 --> 00:20:40,640
whatever yeah whatever so once again

470
00:20:38,640 --> 00:20:42,600
we've braved mind-body wallet and

471
00:20:40,640 --> 00:20:45,990
although it's on again in six months

472
00:20:42,599 --> 00:20:50,730
time just before the 10 oh so we might

473
00:20:45,990 --> 00:20:53,039
not gotta go Richard the same people

474
00:20:50,730 --> 00:20:56,069
again and again yeah yeah the same

475
00:20:53,039 --> 00:20:58,940
people are they are going to get be

476
00:20:56,069 --> 00:21:01,500
Christmas that the magic water thing

477
00:20:58,940 --> 00:21:04,019
seemed to be continually passing magic

478
00:21:01,500 --> 00:21:05,250
water it was just unbelievable and in

479
00:21:04,019 --> 00:21:09,230
the same people it's like the same

480
00:21:05,250 --> 00:21:11,849
before a template almost like you get

481
00:21:09,230 --> 00:21:15,120
the same kind of thing in some of the

482
00:21:11,849 --> 00:21:16,829
some of the Rosa I couldn't work out

483
00:21:15,119 --> 00:21:19,289
with my been here before yeah exactly

484
00:21:16,829 --> 00:21:20,939
yeah given a people look the same yeah

485

00:21:19,289 --> 00:21:22,349
every six months we passed magic water

486
00:21:20,940 --> 00:21:24,750
when we go there there's a lot of

487
00:21:22,349 --> 00:21:30,539
different magic water yeah we passed

488
00:21:24,750 --> 00:21:33,210
magic water oh haha i have to say to

489
00:21:30,539 --> 00:21:34,829
Crispian Yago he needs to do a

490
00:21:33,210 --> 00:21:36,809
caricature of riches brother Jeff

491
00:21:34,829 --> 00:21:42,059
because his jokes are just as piss poor

492
00:21:36,809 --> 00:21:44,269
and rich is on that note thank you

493
00:21:42,059 --> 00:21:44,269
everybody

494
00:21:50,589 --> 00:21:54,579
yeah aight guys i was talking to Richard

495
00:21:52,599 --> 00:21:56,589
solvency today all right he said if we

496
00:21:54,579 --> 00:21:58,720
record a trailer for our podcast

497
00:21:56,589 --> 00:22:00,369
skeptics with a que he'd play it on

498
00:21:58,720 --> 00:22:01,778
their on their show nice nice of him

499
00:22:00,369 --> 00:22:02,918

that's very generous it's pretty good

500

00:22:01,778 --> 00:22:05,048

i'm not sure what we could do though I

501

00:22:02,919 --> 00:22:07,028

mean well suppose you tell people shows

502

00:22:05,048 --> 00:22:09,250

about but it's basically as this yeah

503

00:22:07,028 --> 00:22:11,048

but yeah but you know we talk about

504

00:22:09,250 --> 00:22:12,490

science and skepticism and things that's

505

00:22:11,048 --> 00:22:13,778

that's true that's fuzzier you mentioned

506

00:22:12,490 --> 00:22:16,179

the website address what merseyside

507

00:22:13,778 --> 00:22:17,798

skeptics todo UK yeah yeah just like

508

00:22:16,179 --> 00:22:19,509

searches night UN's oh and then we could

509

00:22:17,798 --> 00:22:23,319

end with like a big song like the

510

00:22:19,509 --> 00:22:28,210

skeptics with okay oh no no no no don't

511

00:22:23,319 --> 00:22:37,450

don't do that join us now for drinking

512

00:22:28,210 --> 00:22:39,399

skeptically in the think tank and here

513

00:22:37,450 --> 00:22:41,200

we are once again in our favorite club

514
00:22:39,398 --> 00:22:43,359
just down the street if you look down

515
00:22:41,200 --> 00:22:52,058
the street I'm sure you'll find it for

516
00:22:43,359 --> 00:22:53,528
the think tank cheers everybody oh thank

517
00:22:52,058 --> 00:22:56,019
you for this glass of champagne doctor

518
00:22:53,528 --> 00:22:58,659
AG hello Richard you're welcome thank

519
00:22:56,019 --> 00:23:03,069
you very much i really enjoy that and of

520
00:22:58,659 --> 00:23:06,278
course we have our regular skeptic zone

521
00:23:03,069 --> 00:23:08,589
type person dr. Chrissy hello hello dr.

522
00:23:06,278 --> 00:23:12,819
Chrissy now you're jetting off to London

523
00:23:08,589 --> 00:23:15,668
is Randy we'll talk about that more in a

524
00:23:12,819 --> 00:23:18,460
moment James hello James hey everyone

525
00:23:15,669 --> 00:23:21,220
g'day hand Oh Jason good evening good

526
00:23:18,460 --> 00:23:23,110
evening so a couple of xuan's a couple

527
00:23:21,220 --> 00:23:24,940
of blowing Owens no god we've got a

528
00:23:23,109 --> 00:23:27,369
bastard sheep and a drunken man man

529
00:23:24,940 --> 00:23:32,679
through a might not know them by their

530
00:23:27,369 --> 00:23:34,359
real name thanks yeah rumor has it and

531
00:23:32,679 --> 00:23:37,240
we have little momentum to you tonight

532
00:23:34,359 --> 00:23:39,579
we do ya little normington who is now

533
00:23:37,240 --> 00:23:41,079
the official mascot of the skeptic zone

534
00:23:39,579 --> 00:23:42,548
you can see little numbing turn on the

535
00:23:41,079 --> 00:23:44,829
video we just put out about applied

536
00:23:42,548 --> 00:23:46,450
kinesiology I think it's a little

537
00:23:44,829 --> 00:23:47,798
normanton production it is a little

538
00:23:46,450 --> 00:23:49,899
known as introduction little normington

539
00:23:47,798 --> 00:23:52,599
though the power wombat the power one

540
00:23:49,898 --> 00:23:54,308
that yes it has actually the same power

541
00:23:52,599 --> 00:23:56,259
as things like the power balance

542

00:23:54,308 --> 00:23:59,700
bracelet I believe in the fusion XL

543
00:23:56,259 --> 00:24:01,619
pendant and other various ones yes

544
00:23:59,700 --> 00:24:03,419
and they're quite expensive but Rachel I

545
00:24:01,619 --> 00:24:06,298
see that you can actually buy them for

546
00:24:03,419 --> 00:24:09,899
very cheaply not you can in fact a

547
00:24:06,298 --> 00:24:13,500
friend of mine at ways MGK he found them

548
00:24:09,898 --> 00:24:15,028
online from the supplier and do you want

549
00:24:13,500 --> 00:24:17,700
to hazard a guess I mean they're still

550
00:24:15,028 --> 00:24:20,609
in Australia for sixty dollars yeah I

551
00:24:17,700 --> 00:24:23,340
think in new zealand where they did a

552
00:24:20,609 --> 00:24:25,469
little exposé on them recently which

553
00:24:23,339 --> 00:24:27,538
featured you by the way did me and Vicki

554
00:24:25,470 --> 00:24:29,490
hide from New Zealand skeptics I think

555
00:24:27,538 --> 00:24:30,569
there's 70 new zealand dollars or

556
00:24:29,490 --> 00:24:32,519

something like that yeah something like

557

00:24:30,569 --> 00:24:35,189

that so how much do you guys reckon you

558

00:24:32,519 --> 00:24:37,829

pay for them wholesale if they'd sell

559

00:24:35,190 --> 00:24:41,429

for 60 those prices probably about 30

560

00:24:37,829 --> 00:24:43,798

maybe 20 minimum Wow dollars given the

561

00:24:41,429 --> 00:24:47,309

materials it's a little loop of mylar

562

00:24:43,798 --> 00:24:51,418

and a funny little hologram if you're

563

00:24:47,308 --> 00:24:53,190

lucky what about four bucks so you

564

00:24:51,419 --> 00:24:56,278

telling me dr. hu that they're not that

565

00:24:53,190 --> 00:24:58,440

price that that you know reasonable

566

00:24:56,278 --> 00:25:00,298

price of sixty dollars or whatever no

567

00:24:58,440 --> 00:25:02,330

well according to the information I have

568

00:25:00,298 --> 00:25:07,349

you can buy them wholesale from china

569

00:25:02,329 --> 00:25:09,449

for three cents 33 senselessness three

570

00:25:07,349 --> 00:25:13,469

cents I see and they're worth every cent

571
00:25:09,450 --> 00:25:16,558
/ 160 dollars from how balanced or you

572
00:25:13,470 --> 00:25:18,808
can go to China and get what 200 not bad

573
00:25:16,558 --> 00:25:20,879
for the same price and you can get them

574
00:25:18,808 --> 00:25:23,638
personalized as well they'll put your

575
00:25:20,880 --> 00:25:27,720
own type of logo or your own name or I

576
00:25:23,638 --> 00:25:30,418
am power balance she'll if I spend three

577
00:25:27,720 --> 00:25:35,548
cents on each one for the same price as

578
00:25:30,419 --> 00:25:37,980
one I could be 200 times as strong be a

579
00:25:35,548 --> 00:25:40,048
saucer the funny thing is though if you

580
00:25:37,980 --> 00:25:41,849
go to the website and I might put the

581
00:25:40,048 --> 00:25:42,929
URL up on the blog if people wanted to

582
00:25:41,849 --> 00:25:46,048
want to look for it because it's not

583
00:25:42,929 --> 00:25:47,340
that easy to find within the description

584
00:25:46,048 --> 00:25:50,579
which is sort of written in chinglish

585
00:25:47,339 --> 00:25:53,189
because it's been translated not very

586
00:25:50,579 --> 00:25:56,548
well but it does say what these things

587
00:25:53,190 --> 00:25:58,919
are so it says silicone bracelet gives

588
00:25:56,548 --> 00:26:02,009
you extra strength improves health so it

589
00:25:58,919 --> 00:26:04,559
has all those same claims but then when

590
00:26:02,009 --> 00:26:05,849
you scroll through the type of bracelets

591
00:26:04,558 --> 00:26:06,869
that you can select there is a power

592
00:26:05,849 --> 00:26:07,889
balance and there's something quite

593
00:26:06,869 --> 00:26:09,989
different than theirs

594
00:26:07,890 --> 00:26:13,860
a little option that says get your own

595
00:26:09,990 --> 00:26:16,769
logo so it's interesting because some I

596
00:26:13,859 --> 00:26:18,419
saw that a listener alerted me to the

597
00:26:16,769 --> 00:26:20,940
fact that New Zealand television had

598
00:26:18,420 --> 00:26:22,740
done a story on the power balance

599

00:26:20,940 --> 00:26:25,140
because the man who is the Australian

600
00:26:22,740 --> 00:26:26,880
distributed tommoo doubt who I met when I

601
00:26:25,140 --> 00:26:29,400
did the story with him in Adelaide last

602
00:26:26,880 --> 00:26:32,070
year was apparently got a new zealand is

603
00:26:29,400 --> 00:26:33,900
flogging this stuff and they asked him

604
00:26:32,069 --> 00:26:36,029
about the test that on australian TV

605
00:26:33,900 --> 00:26:39,690
because he failed five out of five tests

606
00:26:36,029 --> 00:26:41,369
and he just really downplayed them said

607
00:26:39,690 --> 00:26:44,850
they were just a silly thing a nuisance

608
00:26:41,369 --> 00:26:48,209
and guessing game well tom when you did

609
00:26:44,849 --> 00:26:50,669
the tests with me in Australia I made a

610
00:26:48,210 --> 00:26:52,620
point of asking you in every stage

611
00:26:50,670 --> 00:26:55,440
whether you agreed with the tests and

612
00:26:52,619 --> 00:26:57,029
you were very happy with these tests he

613
00:26:55,440 --> 00:27:01,590

was happy until he failed all the tests

614

00:26:57,029 --> 00:27:03,289

Richard funny that funny then which gets

615

00:27:01,589 --> 00:27:04,859

back to this video that we put out

616

00:27:03,289 --> 00:27:08,039

listeners you would have seen that

617

00:27:04,859 --> 00:27:09,599

because it was in the feed and thank you

618

00:27:08,039 --> 00:27:11,490

all those people writing in saying how

619

00:27:09,599 --> 00:27:14,279

much you enjoyed the video which of

620

00:27:11,490 --> 00:27:15,870

course stars dr. H and dr. Chrissy thank

621

00:27:14,279 --> 00:27:18,750

you dr. Chrissy yeah there was good fun

622

00:27:15,869 --> 00:27:22,199

it was good fun and I hope that people

623

00:27:18,750 --> 00:27:23,940

out there getting some benefit out of

624

00:27:22,200 --> 00:27:27,150

that video we're going to do some more

625

00:27:23,940 --> 00:27:29,970

and we're wondering what we should do

626

00:27:27,150 --> 00:27:32,100

videos on this is like how it's done you

627

00:27:29,970 --> 00:27:35,640

know the secrets behind so if listeners

628
00:27:32,099 --> 00:27:38,579
have any ideas let us know let us know

629
00:27:35,640 --> 00:27:40,500
and we'll the more the merrier and we'll

630
00:27:38,579 --> 00:27:42,799
see what we can do like I said Richard

631
00:27:40,500 --> 00:27:46,819
it needs to be something fairly specific

632
00:27:42,799 --> 00:27:46,819
that we can actually demonstrate

633
00:27:46,839 --> 00:27:51,129
yeah well we had the idea of doing cold

634
00:27:48,880 --> 00:27:53,170
reading which is fine but cold reading

635
00:27:51,130 --> 00:27:54,910
is a very big topic and we've got 10

636
00:27:53,170 --> 00:27:56,710
minutes to sort of get the idea across

637
00:27:54,910 --> 00:28:02,970
but anyway we'll give will give that

638
00:27:56,710 --> 00:28:06,640
some thought now speaking of hot salami

639
00:28:02,970 --> 00:28:10,420
what at the signal that was a segue yeah

640
00:28:06,640 --> 00:28:13,270
yeah that was my best um you've got a

641
00:28:10,420 --> 00:28:16,509
story about the bum boners haven't you I

642
00:28:13,269 --> 00:28:18,190
have you do haha I don't know we're

643
00:28:16,509 --> 00:28:20,650
gonna discuss this tonight of course we

644
00:28:18,190 --> 00:28:23,860
are well I suppose I better give some

645
00:28:20,650 --> 00:28:25,870
context to this story there is a type of

646
00:28:23,859 --> 00:28:28,779
salami that's only available in South

647
00:28:25,869 --> 00:28:31,179
Australia in Adelaide which is called a

648
00:28:28,779 --> 00:28:33,490
bum burner and basically it's a very

649
00:28:31,180 --> 00:28:37,539
very hot salami hence the name and the

650
00:28:33,490 --> 00:28:40,450
name is actually a warning listeners and

651
00:28:37,539 --> 00:28:41,740
Richard and I discovered these well I

652
00:28:40,450 --> 00:28:43,029
used to live in Adelaide so I've known

653
00:28:41,740 --> 00:28:45,069
them for a while but when we went down

654
00:28:43,029 --> 00:28:47,649
to Adelaide to the skeptics convention

655
00:28:45,069 --> 00:28:49,569
last year we brought up a whole lot and

656

00:28:47,650 --> 00:28:52,120
we've since been importing them three

657
00:28:49,569 --> 00:28:54,009
kilos at a time because you can buy them

658
00:28:52,119 --> 00:28:55,959
in there is that way of their

659
00:28:54,009 --> 00:28:59,619
extraordinary because they're hot I mean

660
00:28:55,960 --> 00:29:03,700
they're really hottie it's burning spicy

661
00:28:59,619 --> 00:29:05,679
hot but the flavor is just yeah they're

662
00:29:03,700 --> 00:29:07,269
not they're not like something that's so

663
00:29:05,680 --> 00:29:08,650
chilly hot that you just taste the chili

664
00:29:07,269 --> 00:29:13,029
you do actually get the flavor yeah yeah

665
00:29:08,650 --> 00:29:14,860
yeah yeah so I've happened to find some

666
00:29:13,029 --> 00:29:16,059
in my drawer at work the other day which

667
00:29:14,859 --> 00:29:18,729
I didn't know were there and I was very

668
00:29:16,059 --> 00:29:20,379
excited and so tweeted it and I'm

669
00:29:18,730 --> 00:29:23,079
somebody wrote back to me on Twitter and

670
00:29:20,380 --> 00:29:24,670

said that they discovered them because

671

00:29:23,079 --> 00:29:28,210

you and I were talking about them on the

672

00:29:24,670 --> 00:29:30,310

zone yeah and they now get their auntie

673

00:29:28,210 --> 00:29:32,769

or their auntie's daughter or something

674

00:29:30,309 --> 00:29:34,269

to send them over from Adelaide every

675

00:29:32,769 --> 00:29:36,759

few months so they don't run out of

676

00:29:34,269 --> 00:29:39,069

supplies either they're addictive on

677

00:29:36,759 --> 00:29:41,529

their incredibly incredibly now these

678

00:29:39,069 --> 00:29:43,539

are available from the met workshop in

679

00:29:41,529 --> 00:29:45,099

Adelaide do they have a website don't

680

00:29:43,539 --> 00:29:47,289

they you can order yeah they do it's at

681

00:29:45,099 --> 00:29:49,659

the Central Market in Adelaide if you

682

00:29:47,289 --> 00:29:51,819

just google the network shop central

683

00:29:49,660 --> 00:29:53,320

market you'll find it and you can call

684

00:29:51,819 --> 00:29:55,509

up and speak to the lovely staff and

685
00:29:53,319 --> 00:29:56,230
order three kilos at a time and send us

686
00:29:55,509 --> 00:29:58,720
a killer

687
00:29:56,230 --> 00:30:00,759
if you like spicy food and you're like

688
00:29:58,720 --> 00:30:03,970
Swami's these are a marriage made in

689
00:30:00,759 --> 00:30:06,669
heaven and what's food is it yeah fries

690
00:30:03,970 --> 00:30:10,120
it's a salami and bum burning ordinary

691
00:30:06,669 --> 00:30:15,309
sure waiting a little bit it's not tail

692
00:30:10,119 --> 00:30:17,829
end oh when you have that you know about

693
00:30:15,308 --> 00:30:19,210
your tail in let me tell you um is there

694
00:30:17,829 --> 00:30:21,308
any particular reason while we're

695
00:30:19,210 --> 00:30:26,740
talking about this because I so do any

696
00:30:21,308 --> 00:30:29,349
of them stop the skeptical about man is

697
00:30:26,740 --> 00:30:31,450
this really good but the step up are

698
00:30:29,349 --> 00:30:36,099
called fire starters which are bum burn

699
00:30:31,450 --> 00:30:38,110
is encased in chili flakes hmm wow wow

700
00:30:36,099 --> 00:30:40,480
yeah they're they're serious finish

701
00:30:38,109 --> 00:30:43,599
thank you you can't we finish Thank You

702
00:30:40,480 --> 00:30:45,849
Leslie visa Oh No thank you I don't

703
00:30:43,599 --> 00:30:48,250
think so thank you very much yes of

704
00:30:45,849 --> 00:30:52,019
course we're recording from our Chinese

705
00:30:48,250 --> 00:30:54,548
restaurant in our club down the street

706
00:30:52,019 --> 00:30:56,859
which we just had a nice Chinese dinner

707
00:30:54,548 --> 00:30:58,329
in fact as we normally did before the

708
00:30:56,859 --> 00:31:00,699
pink thing I'm very reasonably priced

709
00:30:58,329 --> 00:31:04,869
very reasonably priced so thank you just

710
00:31:00,700 --> 00:31:07,720
make this into a podcast about hey don't

711
00:31:04,869 --> 00:31:12,449
you need to get a free drink i do i need

712
00:31:07,720 --> 00:31:14,860
to go spaghetti now um let me mention

713

00:31:12,450 --> 00:31:17,410
before we get into other topics that

714
00:31:14,859 --> 00:31:19,178
thank you again and i'm always thanking

715
00:31:17,410 --> 00:31:20,769
people for writing in telling us what

716
00:31:19,179 --> 00:31:23,350
you're doing while you're listening to

717
00:31:20,769 --> 00:31:24,789
the zone i'm sure people right now are

718
00:31:23,349 --> 00:31:26,109
raiding the fridge because they're

719
00:31:24,789 --> 00:31:29,440
probably feeling hungry after listening

720
00:31:26,109 --> 00:31:31,808
to all that but a listener from the

721
00:31:29,440 --> 00:31:35,410
states Brian George who's an artist

722
00:31:31,808 --> 00:31:37,329
wrote to me saying that he does his

723
00:31:35,410 --> 00:31:38,860
heart work while listening to us on the

724
00:31:37,329 --> 00:31:41,918
skeptic zone and I checked out his

725
00:31:38,859 --> 00:31:44,558
website and what wonderful art he does

726
00:31:41,919 --> 00:31:47,290
create so if listeners want to have a

727
00:31:44,558 --> 00:31:51,129

look it's called the art of a

728

00:31:47,289 --> 00:31:55,210
carbon-based life form and that's HTTP

729

00:31:51,130 --> 00:31:59,169
colon slash slash carbon-based art dot

730

00:31:55,210 --> 00:32:03,900
blogspot com the artwork of Brian George

731

00:31:59,169 --> 00:32:05,810
check it out it's really really a really

732

00:32:03,900 --> 00:32:07,970
striking out work

733

00:32:05,809 --> 00:32:10,129
is he the guy that does the medical

734

00:32:07,970 --> 00:32:11,509
sculpting or is that different that's a

735

00:32:10,130 --> 00:32:13,310
different guy oh okay there's a

736

00:32:11,509 --> 00:32:16,279
different guy but I'm really pleased

737

00:32:13,309 --> 00:32:18,409
that you know artists of beavering away

738

00:32:16,279 --> 00:32:20,569
doing their artwork and listening to to

739

00:32:18,410 --> 00:32:22,519
us hmm that's fantastic so thank you

740

00:32:20,569 --> 00:32:23,839
Brian extra Brian here with his

741

00:32:22,519 --> 00:32:26,750
headphones on listening to the Skip

742
00:32:23,839 --> 00:32:29,199
other all there he is very gay since

743
00:32:26,750 --> 00:32:31,849
just um dialed up his website and he has

744
00:32:29,200 --> 00:32:33,740
yeah he's wearing headphones and working

745
00:32:31,849 --> 00:32:35,869
see that lovely artwork he's creating

746
00:32:33,740 --> 00:32:37,329
with the hands there if you scroll down

747
00:32:35,869 --> 00:32:40,639
you can see that the finished product

748
00:32:37,329 --> 00:32:43,399
let's see I reaching down the hand

749
00:32:40,640 --> 00:32:45,740
reaching up yeah it's quite good isn't

750
00:32:43,400 --> 00:32:49,430
it it's exquisite it is really nice

751
00:32:45,740 --> 00:32:52,490
aren't we so um and that's that's more

752
00:32:49,430 --> 00:32:54,470
examples there that's really uh oh he

753
00:32:52,490 --> 00:33:00,410
likes Francis Bacon that's something I

754
00:32:54,470 --> 00:33:03,950
just like faking I like bridget is there

755
00:33:00,410 --> 00:33:06,950
is a theme Francis Bacon is amazing it

756
00:33:03,950 --> 00:33:09,289
messed up sir Brian look sincerely thank

757
00:33:06,950 --> 00:33:11,360
you for for letting us know and I'm

758
00:33:09,289 --> 00:33:14,299
sharing your wonderful artwork with us

759
00:33:11,359 --> 00:33:17,449
so listeners have a look that's really

760
00:33:14,299 --> 00:33:19,700
fantastic okay let's move on to a story

761
00:33:17,450 --> 00:33:21,980
that's been in the news on that on the

762
00:33:19,700 --> 00:33:23,480
TV here just recently and that's to do

763
00:33:21,980 --> 00:33:26,720
with those people at the church of

764
00:33:23,480 --> 00:33:29,839
scientology raging yeah they've been

765
00:33:26,720 --> 00:33:33,049
copping it in the media in the last like

766
00:33:29,839 --> 00:33:36,799
three or four days um this started with

767
00:33:33,049 --> 00:33:39,230
a story done by steve canaan who is a

768
00:33:36,799 --> 00:33:42,649
very good work walkley and winning

769
00:33:39,230 --> 00:33:46,370
walking a winning the award winning

770

00:33:42,650 --> 00:33:52,070
journalist he's also my love everything

771
00:33:46,369 --> 00:33:54,139
Steve does yes but I'm not biased yeah

772
00:33:52,069 --> 00:33:56,629
he did a story on the cult of

773
00:33:54,140 --> 00:33:58,910
Scientology and he did a two-part story

774
00:33:56,630 --> 00:34:01,520
on ABC late line and if you want to find

775
00:33:58,910 --> 00:34:03,470
these stories sheep has them on his

776
00:34:01,519 --> 00:34:04,879
youtube channel don't you yep that's

777
00:34:03,470 --> 00:34:07,009
right so you can just go to youtube.com

778
00:34:04,880 --> 00:34:09,289
forward slash bastard sheep and you'll

779
00:34:07,009 --> 00:34:11,719
be able to find them all there yeah so

780
00:34:09,289 --> 00:34:13,779
the first the first story appeared on

781
00:34:11,719 --> 00:34:15,939
late line and it's just basically about

782
00:34:13,780 --> 00:34:18,760
the daughter wasn't

783
00:34:15,940 --> 00:34:20,800
yeah actually Jason's got the I do this

784
00:34:18,760 --> 00:34:24,599

is a blam I story about sculpt Hannah

785

00:34:20,800 --> 00:34:27,280

who's the daughter of mark hanna and

786

00:34:24,599 --> 00:34:28,629

Vicki Dunston Vicki Dunstan's the

787

00:34:27,280 --> 00:34:30,849

current president of Scientology in

788

00:34:28,628 --> 00:34:33,159

Australia mark pan is a former high up

789

00:34:30,849 --> 00:34:36,010

I'm not exactly sure where he is at the

790

00:34:33,159 --> 00:34:37,929

moment but given that he tried to kiss

791

00:34:36,010 --> 00:34:40,869

an anonymous protester protester

792

00:34:37,929 --> 00:34:42,220

recently and got arrested for it I think

793

00:34:40,869 --> 00:34:49,289

it's probably not particularly high up

794

00:34:42,219 --> 00:34:49,289

anymore see my sister by this time

795

00:34:52,030 --> 00:35:01,400

last time thank you they are real folks

796

00:34:59,659 --> 00:35:03,469

people have been waiting for those for a

797

00:35:01,400 --> 00:35:05,630

long time haven't they hey there's your

798

00:35:03,469 --> 00:35:09,829

bus announced weeks we get bad reviews

799

00:35:05,630 --> 00:35:12,950

if there's no bus announced we do people

800

00:35:09,829 --> 00:35:14,779

love him someone was saying they want to

801

00:35:12,949 --> 00:35:19,460

set up a Facebook fan site for the bus

802

00:35:14,780 --> 00:35:22,580

and weird you should see Chrissy's face

803

00:35:19,460 --> 00:35:24,889

at the moment so bacteria on

804

00:35:22,579 --> 00:35:29,139

back-to-school Hannity yes let's go

805

00:35:24,889 --> 00:35:31,879

Hannah daughter of Vicky and Mark she's

806

00:35:29,139 --> 00:35:33,409

made some specific claims about how

807

00:35:31,880 --> 00:35:35,690

children are treated in the the

808

00:35:33,409 --> 00:35:38,089

so-called Church of Scientology and it's

809

00:35:35,690 --> 00:35:42,349

been it's quite damaging stories really

810

00:35:38,090 --> 00:35:47,870

Richie yeah well I think the first part

811

00:35:42,349 --> 00:35:50,619

was was that to do with being taken from

812

00:35:47,869 --> 00:35:52,519

her parents and I mean there's certainly

813
00:35:50,619 --> 00:35:54,380
accusations of child abuse that were

814
00:35:52,519 --> 00:35:56,630
covered our separation family separation

815
00:35:54,380 --> 00:35:59,090
yeah yeah the story I've got in front of

816
00:35:56,630 --> 00:36:01,130
me here the the allowance was about 20

817
00:35:59,090 --> 00:36:03,380
minutes each night with parents so the

818
00:36:01,130 --> 00:36:05,480
kids taken away more kids of the Sea Org

819
00:36:03,380 --> 00:36:07,160
members at least the Sea Org is that saw

820
00:36:05,480 --> 00:36:09,289
the high up elite if you like the

821
00:36:07,159 --> 00:36:10,940
Scientology yeah they just the old man

822
00:36:09,289 --> 00:36:14,139
was given you know only about 20 minutes

823
00:36:10,940 --> 00:36:16,849
with their parents they've been a lot of

824
00:36:14,139 --> 00:36:20,960
allegations over the years of child

825
00:36:16,849 --> 00:36:23,089
labor you know kids of our 13 14 being

826
00:36:20,960 --> 00:36:25,519
put onto staff and forced to work at

827

00:36:23,090 --> 00:36:27,079
minimum wage that kind of thing so

828
00:36:25,519 --> 00:36:30,440
that's that was the first part story in

829
00:36:27,079 --> 00:36:33,208
the second part story was more specific

830
00:36:30,440 --> 00:36:36,088
on in terms of abuse

831
00:36:33,208 --> 00:36:40,358
but in in between those two stories

832
00:36:36,088 --> 00:36:42,429
James there were two stories on the same

833
00:36:40,358 --> 00:36:44,409
night on the sort of current affairs

834
00:36:42,429 --> 00:36:47,229
shows so a current affair and today

835
00:36:44,409 --> 00:36:49,509
tonight both did the same story at the

836
00:36:47,228 --> 00:36:52,928
same time didn't they that's gone went

837
00:36:49,509 --> 00:36:55,298
on Tuesday night wasn't it no those

838
00:36:52,929 --> 00:36:57,278
Wednesday night so late line had a

839
00:36:55,298 --> 00:36:59,139
Tuesday night then States not in Current

840
00:36:57,278 --> 00:37:02,108
Affair Wednesday night at the exact same

841
00:36:59,139 --> 00:37:03,608

time to the minute yeah yeah with it

842

00:37:02,108 --> 00:37:05,739

would this same girl what was her name

843

00:37:03,608 --> 00:37:07,509

again hello Hannah yeah with Scarlett

844

00:37:05,739 --> 00:37:09,489

had that's not unusual though often

845

00:37:07,509 --> 00:37:11,289

those two competing shows will have the

846

00:37:09,489 --> 00:37:13,179

same story on at the same time but

847

00:37:11,289 --> 00:37:15,819

obviously Steve Canaan had the exclusive

848

00:37:13,179 --> 00:37:18,699

yeah and he at once he add the first

849

00:37:15,818 --> 00:37:20,949

part then the the vultures pounced and

850

00:37:18,699 --> 00:37:22,509

you know ran the same story at the same

851

00:37:20,949 --> 00:37:23,769

time with watching all three of them

852

00:37:22,509 --> 00:37:26,369

because there is different information

853

00:37:23,768 --> 00:37:29,258

adding to the story in all three of them

854

00:37:26,369 --> 00:37:31,838

you can't get out on your YouTube

855

00:37:29,259 --> 00:37:33,130

channel that's great I think one of the

856
00:37:31,838 --> 00:37:35,679
things I found interesting about the

857
00:37:33,130 --> 00:37:37,630
second part of the Lateline story was

858
00:37:35,679 --> 00:37:40,630
that was particularly focused on the

859
00:37:37,630 --> 00:37:43,959
cover-up of molestation of a young girl

860
00:37:40,630 --> 00:37:46,349
I think 11 years old or 13 years old by

861
00:37:43,958 --> 00:37:50,649
one of the high up people in the church

862
00:37:46,349 --> 00:37:54,519
and there was one particular woman who

863
00:37:50,650 --> 00:37:57,249
was involved in the sort of human right

864
00:37:54,518 --> 00:38:00,158
side of church of scientology and is

865
00:37:57,248 --> 00:38:03,248
alleged that she actually coached the

866
00:38:00,159 --> 00:38:05,439
mother and the daughter to not speak out

867
00:38:03,248 --> 00:38:07,298
about the abuse because this is

868
00:38:05,438 --> 00:38:09,368
Commissioner to human rights which is a

869
00:38:07,298 --> 00:38:11,498
branch of Scientology which is very anti

870
00:38:09,369 --> 00:38:14,499
psychology that's right yeah they're the

871
00:38:11,498 --> 00:38:17,438
people that the welfare name is as you

872
00:38:14,498 --> 00:38:19,538
say the citizens Commission for human

873
00:38:17,438 --> 00:38:22,478
rights but in fact they're totally

874
00:38:19,539 --> 00:38:24,789
against any treatment psychiatry oh yeah

875
00:38:22,478 --> 00:38:28,748
the basically in anti-psychiatry front

876
00:38:24,789 --> 00:38:31,130
group and in an odd kind of segue the

877
00:38:28,748 --> 00:38:33,169
avn sell their material on these on

878
00:38:31,130 --> 00:38:35,420
store all right I was going to say that

879
00:38:33,170 --> 00:38:37,550
the pet them but the thing that's really

880
00:38:35,420 --> 00:38:40,550
interesting about the allegations made

881
00:38:37,550 --> 00:38:44,660
last night once they spoke to this the

882
00:38:40,550 --> 00:38:46,550
girl who says that she was abused the

883
00:38:44,659 --> 00:38:48,019
woman that coached her mother and her to

884

00:38:46,550 --> 00:38:51,019
not speak out to the Department of

885
00:38:48,019 --> 00:38:52,730
Community Services has since gone on to

886
00:38:51,019 --> 00:38:54,980
be one of the highest ranking people in

887
00:38:52,730 --> 00:38:58,219
the church and she's now involved in

888
00:38:54,980 --> 00:39:01,280
cchr as you say and she's been awarded

889
00:38:58,219 --> 00:39:02,929
the freedom medal I think for services

890
00:39:01,280 --> 00:39:06,710
to human rights within the church of

891
00:39:02,929 --> 00:39:09,440
scientology despite the fact that she

892
00:39:06,710 --> 00:39:11,449
covered all this up and there was also

893
00:39:09,440 --> 00:39:13,670
another woman on that report for who was

894
00:39:11,449 --> 00:39:15,109
talking from seattle and she's an ex

895
00:39:13,670 --> 00:39:16,730
member of the church and she's

896
00:39:15,110 --> 00:39:21,370
subsequently written a couple of books

897
00:39:16,730 --> 00:39:23,659
about the physical abuse that she was

898
00:39:21,369 --> 00:39:26,389

but she succumb to when she was in the

899

00:39:23,659 --> 00:39:28,129

church as well as other allegations

900

00:39:26,389 --> 00:39:30,409

she's got about the way that children

901

00:39:28,130 --> 00:39:32,240

are treated and other people are treated

902

00:39:30,409 --> 00:39:34,730

in the church it's not been a good week

903

00:39:32,239 --> 00:39:37,279

for Scientology well I mean all of this

904

00:39:34,730 --> 00:39:39,139

is happening at the moment because one

905

00:39:37,280 --> 00:39:42,190

of our senators in Australia and Nick

906

00:39:39,139 --> 00:39:45,409

Xenophon he called for a Senate inquiry

907

00:39:42,190 --> 00:39:48,110

into the church of scientology some time

908

00:39:45,409 --> 00:39:49,609

ago because he was of the opinion that

909

00:39:48,110 --> 00:39:52,280

it wasn't a church it shouldn't have

910

00:39:49,610 --> 00:39:55,400

tax-free status and it's really a cult

911

00:39:52,280 --> 00:39:58,820

and that was knocked out it was voted

912

00:39:55,400 --> 00:40:02,619

out at the time but he's now cold and

913
00:39:58,820 --> 00:40:05,120
this is another segue for all tax-free

914
00:40:02,619 --> 00:40:07,730
organizations to be investigated right

915
00:40:05,119 --> 00:40:09,559
and that includes and the cold citizen

916
00:40:07,730 --> 00:40:11,420
and this includes someone else Jason who

917
00:40:09,559 --> 00:40:15,199
does that include Oh does does that

918
00:40:11,420 --> 00:40:18,039
include some glee the avian you

919
00:40:15,199 --> 00:40:21,469
miss me really I think I much

920
00:40:18,039 --> 00:40:23,869
interesting yeah okay well personally

921
00:40:21,469 --> 00:40:25,699
myself I'd I see them all as cult really

922
00:40:23,869 --> 00:40:27,650
so you know if you're gonna investigate

923
00:40:25,699 --> 00:40:29,909
one call you should investigate that all

924
00:40:27,650 --> 00:40:33,490
of their entitlements to

925
00:40:29,909 --> 00:40:35,019
to the tax-free status but i'm yeah i

926
00:40:33,489 --> 00:40:38,529
mean the avian operates like a fellow as

927
00:40:35,019 --> 00:40:40,989
well i think we were talking before we

928
00:40:38,530 --> 00:40:42,790
were recording that a couple of months

929
00:40:40,989 --> 00:40:45,759
ago on the skeptic zone we read out some

930
00:40:42,789 --> 00:40:48,579
press release from Scientology and just

931
00:40:45,760 --> 00:40:50,710
put in avian instead of something else

932
00:40:48,579 --> 00:40:55,319
yeah and it didn't sound out of place

933
00:40:50,710 --> 00:40:57,760
our place no no i mean speaking of um

934
00:40:55,320 --> 00:41:00,099
come and go on now just did you want to

935
00:40:57,760 --> 00:41:01,450
say anything else about with cause now

936
00:41:00,099 --> 00:41:05,289
they make me angry I don't want to talk

937
00:41:01,449 --> 00:41:08,108
about it yeah well I guess we'll wait

938
00:41:05,289 --> 00:41:10,630
and see what happens but you know this

939
00:41:08,108 --> 00:41:13,119
lady from Seattle was Tony Jones from

940
00:41:10,630 --> 00:41:16,329
lateline asked her that's Amy's filming

941

00:41:13,119 --> 00:41:19,480
Amy Scobie thank you Tony Jones asked

942
00:41:16,329 --> 00:41:21,759
her what her opinion would be if what

943
00:41:19,480 --> 00:41:24,159
would be the impact of Australia having

944
00:41:21,760 --> 00:41:25,660
a Senate inquiry into Scientology and

945
00:41:24,159 --> 00:41:27,789
whether that would resonate worldwide

946
00:41:25,659 --> 00:41:29,199
and her opinion was it would be very

947
00:41:27,789 --> 00:41:33,909
important and it would make a very big

948
00:41:29,199 --> 00:41:36,309
impact so we can only hope that you know

949
00:41:33,909 --> 00:41:38,079
Nick Xenophon can get this through and

950
00:41:36,309 --> 00:41:40,358
that this can be the beginning of a lot

951
00:41:38,079 --> 00:41:42,400
of so-called charities and churches

952
00:41:40,358 --> 00:41:44,409
being investigated interesting now

953
00:41:42,400 --> 00:41:47,440
earlier in the show we had a report

954
00:41:44,409 --> 00:41:49,299
about the mind-body-spirit festival and

955
00:41:47,440 --> 00:41:52,599

of course Scientology were there again

956

00:41:49,300 --> 00:41:55,420

the industry standard in tired throne

957

00:41:52,599 --> 00:41:58,059

yes and and this time they weren't

958

00:41:55,420 --> 00:41:59,680

masquerading as anything they were just

959

00:41:58,059 --> 00:42:01,829

oh just Scientology know your

960

00:41:59,679 --> 00:42:05,108

Scientology and one of our friends

961

00:42:01,829 --> 00:42:07,598

Jarrah from Wollongong had a stress test

962

00:42:05,108 --> 00:42:09,569

on an e-meter I had one years ago and I

963

00:42:07,599 --> 00:42:11,859

made the needle dance everywhere but I

964

00:42:09,570 --> 00:42:14,230

had a conversation with one of their

965

00:42:11,858 --> 00:42:16,179

representatives and that you got to feel

966

00:42:14,230 --> 00:42:18,579

sorry for these people you know I mean

967

00:42:16,179 --> 00:42:19,929

they've been sucked in and they just he

968

00:42:18,579 --> 00:42:22,029

was trying to tell me that thoughts

969

00:42:19,929 --> 00:42:23,618

don't come from the brain it's like

970
00:42:22,030 --> 00:42:25,119
where do you go with someone who thinks

971
00:42:23,619 --> 00:42:27,430
that thoughts don't come from the brain

972
00:42:25,119 --> 00:42:29,200
your loans that it's just classic

973
00:42:27,429 --> 00:42:32,409
dualism really

974
00:42:29,199 --> 00:42:36,159
it comes from the soul sure see what i

975
00:42:32,409 --> 00:42:38,588
mean by they're all culls you don't feel

976
00:42:36,159 --> 00:42:40,389
sorry my tone I mean having spent so

977
00:42:38,588 --> 00:42:44,049
many years investigating this sort of

978
00:42:40,389 --> 00:42:45,848
stuff and talking to believers we almost

979
00:42:44,050 --> 00:42:47,640
have to be willingly ignorant actually

980
00:42:45,849 --> 00:42:51,190
wanting to be taken in for some of these

981
00:42:47,639 --> 00:42:52,779
just know I feel sorry for the people on

982
00:42:51,190 --> 00:42:54,429
the fringes such as people you know in

983
00:42:52,780 --> 00:42:56,349
families who are trying to get out and

984
00:42:54,429 --> 00:42:58,419
they've been separated from their loved

985
00:42:56,349 --> 00:43:00,070
ones yeah the ones that are born into it

986
00:42:58,420 --> 00:43:01,329
people that are actually trying to be

987
00:43:00,070 --> 00:43:04,660
critical thinkers within the church and

988
00:43:01,329 --> 00:43:06,609
make it a little more sensible and they

989
00:43:04,659 --> 00:43:08,108
just get crushed at every turn and then

990
00:43:06,608 --> 00:43:13,750
they're the ones we should feel sorry

991
00:43:08,108 --> 00:43:19,299
for the actual true believers screw yeah

992
00:43:13,750 --> 00:43:22,269
that show everyone up well let me let me

993
00:43:19,300 --> 00:43:25,060
let me think of a good segue goods

994
00:43:22,269 --> 00:43:27,009
favorite ah I had one what now this is

995
00:43:25,059 --> 00:43:28,480
another topic now so I want to stay

996
00:43:27,010 --> 00:43:29,950
going to yeah i was gonna segue into

997
00:43:28,480 --> 00:43:32,019
another topic that's what a Segway is

998

00:43:29,949 --> 00:43:33,879
right yes I wouldn't say why do the

999
00:43:32,019 --> 00:43:36,940
things that you stand on oh that's right

1000
00:43:33,880 --> 00:43:39,579
what happened to Lucy I never miss blame

1001
00:43:36,940 --> 00:43:41,650
Emmet rip off today but don't you know

1002
00:43:39,579 --> 00:43:44,050
when we will I when we went to dragoncon

1003
00:43:41,650 --> 00:43:47,349
ya know people on segways helping with

1004
00:43:44,050 --> 00:43:49,780
the traffic know that yeah no nose ever

1005
00:43:47,349 --> 00:43:52,088
Jesus one gone often are you guys yeah

1006
00:43:49,780 --> 00:43:55,980
be yes he's special he blows stuff up

1007
00:43:52,088 --> 00:43:58,710
for fun anyway

1008
00:43:55,980 --> 00:44:00,530
okay here's the segue let me think now

1009
00:43:58,710 --> 00:44:03,210
Scientology now they're a worldwide

1010
00:44:00,530 --> 00:44:05,700
organization and then chrissy is going

1011
00:44:03,210 --> 00:44:12,030
around the world soon see wasn't it all

1012
00:44:05,699 --> 00:44:14,579

right sans Chrissy's going to go to the

1013

00:44:12,030 --> 00:44:16,800

to London for seven she's going to be

1014

00:44:14,579 --> 00:44:19,559

meeting lots of interesting people over

1015

00:44:16,800 --> 00:44:23,100

there now Chrissy to help you in your in

1016

00:44:19,559 --> 00:44:26,219

your trip and help us I'd like to

1017

00:44:23,099 --> 00:44:29,069

present you with this wonderful I River

1018

00:44:26,219 --> 00:44:30,868

recorder digital recorder so you can do

1019

00:44:29,070 --> 00:44:32,820

interviews from the slip to see that's

1020

00:44:30,869 --> 00:44:34,950

superb that's exactly what I want that's

1021

00:44:32,820 --> 00:44:38,220

a 4 gigabyte recorded voice recorder and

1022

00:44:34,949 --> 00:44:41,368

I must have a special word now to thank

1023

00:44:38,219 --> 00:44:43,108

the listeners who donate to the skeptic

1024

00:44:41,369 --> 00:44:44,789

zone those who subscribe for a dollar a

1025

00:44:43,108 --> 00:44:47,099

week or those who sometimes send us

1026

00:44:44,789 --> 00:44:49,259

donations that money has gone directly

1027
00:44:47,099 --> 00:44:50,519
into buying you this recorder well

1028
00:44:49,260 --> 00:44:52,140
that's brilliant thank you very much

1029
00:44:50,519 --> 00:44:53,489
listeners because some while I'm over

1030
00:44:52,139 --> 00:44:54,750
there in London hopefully I'm going to

1031
00:44:53,489 --> 00:44:58,819
be catching up with some of my old mates

1032
00:44:54,750 --> 00:45:01,650
um Chris French obviously cuz he was my

1033
00:44:58,820 --> 00:45:03,960
supervisor when I did my PhD selfie

1034
00:45:01,650 --> 00:45:06,030
catching up with him and I'm going to be

1035
00:45:03,960 --> 00:45:08,550
giving a talk at skeptics in the pub in

1036
00:45:06,030 --> 00:45:10,050
London they've actually got to skeptics

1037
00:45:08,550 --> 00:45:12,780
in the pub near which i found a bit

1038
00:45:10,050 --> 00:45:15,200
bizarre lovely jacket Kent he started up

1039
00:45:12,780 --> 00:45:18,359
his own skeptics in the pub but in

1040
00:45:15,199 --> 00:45:20,189
Westminster yeah um fellow nerds a big

1041
00:45:18,358 --> 00:45:21,659
question well it is I wonder if it's

1042
00:45:20,190 --> 00:45:28,079
this is going to be start of you know

1043
00:45:21,659 --> 00:45:31,049
lots of other boroughs of London or I

1044
00:45:28,079 --> 00:45:33,569
know could be because complete also a

1045
00:45:31,050 --> 00:45:37,260
skeptical wars I think that is the one in

1046
00:45:33,570 --> 00:45:39,990
Wales oh no there is not yet yep tonight

1047
00:45:37,260 --> 00:45:42,840
I'm not yet yeah that's order but where

1048
00:45:39,989 --> 00:45:46,139
will you be right right i will be in the

1049
00:45:42,840 --> 00:45:49,950
the one in central london in central

1050
00:45:46,139 --> 00:45:52,769
London wedding right it's the 8 jun yep

1051
00:45:49,949 --> 00:45:54,689
hey June eighth June starts at seven

1052
00:45:52,769 --> 00:45:57,920
o'clock I think best thing to do check

1053
00:45:54,690 --> 00:45:59,780
out their website four times and dates

1054
00:45:57,920 --> 00:46:01,430
rest of it and because I think they have

1055

00:45:59,780 --> 00:46:03,619
limited numbers now when i was there a

1056
00:46:01,429 --> 00:46:05,480
few years ago anyone could just turn up

1057
00:46:03,619 --> 00:46:07,160
but it got so popular now that they have

1058
00:46:05,480 --> 00:46:09,710
to limit numbers so you need to check

1059
00:46:07,159 --> 00:46:12,679
out the website to make sure that you

1060
00:46:09,710 --> 00:46:16,548
can get two good games yeah I know it's

1061
00:46:12,679 --> 00:46:20,838
amazing you know which prob attack no

1062
00:46:16,548 --> 00:46:23,059
I've stopped it changed it was always

1063
00:46:20,838 --> 00:46:25,608
the king's head in in Holborn but it's

1064
00:46:23,059 --> 00:46:27,559
some in my oven i'll know it's there's

1065
00:46:25,608 --> 00:46:28,519
something oak in Holborn now that's

1066
00:46:27,559 --> 00:46:31,490
right because it was always in my

1067
00:46:28,519 --> 00:46:33,530
knowledge something like but anyway

1068
00:46:31,489 --> 00:46:38,088
check it out on me on me on the internet

1069
00:46:33,530 --> 00:46:42,349

and fine so if listeners one who meet

1070

00:46:38,088 --> 00:46:44,000

Chrissy in person I'll be there um from

1071

00:46:42,349 --> 00:46:45,890

about six o'clock anything on your

1072

00:46:44,000 --> 00:46:49,309

Tuesday night but I'm also going to be

1073

00:46:45,889 --> 00:46:53,929

down at Goldsmiths on the fifteenth of

1074

00:46:49,309 --> 00:46:56,269

June there's a talk being given there by

1075

00:46:53,929 --> 00:46:58,159

a professor who's talking about the

1076

00:46:56,269 --> 00:47:00,650

recovered memory debate which as

1077

00:46:58,159 --> 00:47:04,250

listeners may know that one of my one of

1078

00:47:00,650 --> 00:47:07,068

my bags so um if you want to come along

1079

00:47:04,250 --> 00:47:09,380

and have a chat down there that would be

1080

00:47:07,068 --> 00:47:11,960

cool we can meet up before and because

1081

00:47:09,380 --> 00:47:14,298

I've got my fantastic new recorder um

1082

00:47:11,960 --> 00:47:16,849

maybe we get a bunch of people and we

1083

00:47:14,298 --> 00:47:19,099

can all I can record everybody chatting

1084
00:47:16,849 --> 00:47:20,809
about skepticism in London what a great

1085
00:47:19,099 --> 00:47:23,568
idea you could have a London think tank

1086
00:47:20,809 --> 00:47:27,530
salute are we can't let's have it let's

1087
00:47:23,568 --> 00:47:30,558
let's do our there we go right the

1088
00:47:27,530 --> 00:47:32,960
pender all spindles oak hi hope and

1089
00:47:30,559 --> 00:47:35,480
that's the pub what's the website

1090
00:47:32,960 --> 00:47:38,568
beautiful check out I'm just skeptics

1091
00:47:35,480 --> 00:47:40,639
skeptics in the pub London yes I'm not

1092
00:47:38,568 --> 00:47:42,949
skeptics in the pub dog there we go

1093
00:47:40,639 --> 00:47:44,539
that's the one so listen is if you'd

1094
00:47:42,949 --> 00:47:46,189
like to be part of the think tank and

1095
00:47:44,539 --> 00:47:48,679
we'd love to have a London think tank

1096
00:47:46,190 --> 00:47:51,349
hosted by Chris dr. Chrissy Wilson check

1097
00:47:48,679 --> 00:47:52,460
out the site get yourself along and I'm

1098
00:47:51,349 --> 00:47:54,859
sure you can all cook up something

1099
00:47:52,460 --> 00:47:57,199
between you and you can ask chrissy what

1100
00:47:54,858 --> 00:47:59,298
really goes on here when we're recording

1101
00:47:57,199 --> 00:48:02,000
the think tank what australians are

1102
00:47:59,298 --> 00:48:04,199
really like what we're doing right now

1103
00:48:02,000 --> 00:48:07,719
Jason and I are both on our laptop

1104
00:48:04,199 --> 00:48:10,960
sending emails to Chrissy and spamming

1105
00:48:07,719 --> 00:48:13,899
her as we speak is that what you're

1106
00:48:10,960 --> 00:48:15,699
doing oh yeah now James you just took a

1107
00:48:13,900 --> 00:48:18,190
photograph of our microphone setup did

1108
00:48:15,699 --> 00:48:20,879
you two do that no not yet I'll do that

1109
00:48:18,190 --> 00:48:23,860
since we're finished recording all right

1110
00:48:20,880 --> 00:48:26,260
and speaking of the avian see what a

1111
00:48:23,860 --> 00:48:29,289
great segue that was dr. AG you have

1112

00:48:26,260 --> 00:48:31,090
some more news yes I don't know if we

1113
00:48:29,289 --> 00:48:33,610
mentioned this last week maybe not but

1114
00:48:31,090 --> 00:48:35,260
the avian had scheduled themselves well

1115
00:48:33,610 --> 00:48:37,329
I know I did I talked about it on da man

1116
00:48:35,260 --> 00:48:40,980
she loves ratios so they were meant to

1117
00:48:37,329 --> 00:48:43,539
have a seminar in Perth after there were

1118
00:48:40,980 --> 00:48:45,099
seemed to be a spike of adverse

1119
00:48:43,539 --> 00:48:48,250
reactions to the flu vaccine and

1120
00:48:45,099 --> 00:48:51,190
children under five now that seminar was

1121
00:48:48,250 --> 00:48:53,019
canceled it was being scheduled to be

1122
00:48:51,190 --> 00:48:56,590
held at the Uniting Church in the city

1123
00:48:53,019 --> 00:49:00,789
in Perth and at the eleventh hour almost

1124
00:48:56,590 --> 00:49:03,280
literally the church canceled it now

1125
00:49:00,789 --> 00:49:05,969
it's subsequently been rescheduled and

1126
00:49:03,280 --> 00:49:11,400

this time Jason it's going to be at

1127

00:49:05,969 --> 00:49:13,719
state library of wa is now yes yes so

1128

00:49:11,400 --> 00:49:16,030
the perception of that would be its kind

1129

00:49:13,719 --> 00:49:17,199
of given that it's a state library the

1130

00:49:16,030 --> 00:49:20,980
perception would be its government

1131

00:49:17,199 --> 00:49:23,829
endorsed which obviously is not yeah

1132

00:49:20,980 --> 00:49:28,059
it's a little worrying time but we'll

1133

00:49:23,829 --> 00:49:31,900
see what we can do there's any

1134

00:49:28,059 --> 00:49:34,119
conspiracy no no no um let them believe

1135

00:49:31,900 --> 00:49:35,950
it they'll believe it anyway yes he's

1136

00:49:34,119 --> 00:49:39,460
our privacy I mean it's interesting

1137

00:49:35,949 --> 00:49:43,000
because of some of some people that I've

1138

00:49:39,460 --> 00:49:45,639
heard I heard that some people were

1139

00:49:43,000 --> 00:49:48,579
looking into the makeup of the board of

1140

00:49:45,639 --> 00:49:51,400
governors essentially for the library

1141
00:49:48,579 --> 00:49:53,289
and WA and there's a couple of people on

1142
00:49:51,400 --> 00:49:55,780
there that might be not particularly

1143
00:49:53,289 --> 00:49:58,269
happy about having this type of seminar

1144
00:49:55,780 --> 00:50:02,460
and they put on their premises one of

1145
00:49:58,269 --> 00:50:07,030
whom is a medico who specialism obg

1146
00:50:02,460 --> 00:50:08,650
Hobbes and line so she might be

1147
00:50:07,030 --> 00:50:10,930
interested to know exactly did the

1148
00:50:08,650 --> 00:50:13,930
nature of the avians material and

1149
00:50:10,929 --> 00:50:15,639
that her the venue of which she is on

1150
00:50:13,929 --> 00:50:18,730
the board of governors is being used for

1151
00:50:15,639 --> 00:50:22,088
this but according to information from

1152
00:50:18,730 --> 00:50:24,849
mrs dory the library has assured her

1153
00:50:22,088 --> 00:50:27,449
that they will not cancel this time and

1154
00:50:24,849 --> 00:50:30,309
it won't happen and do guaranteed

1155
00:50:27,449 --> 00:50:32,710
according to information from mrs dory

1156
00:50:30,309 --> 00:50:34,900
good well that's the big caveat as me

1157
00:50:32,710 --> 00:50:38,050
you can't necessarily trust information

1158
00:50:34,900 --> 00:50:40,588
according to mrs. dory oh but you know

1159
00:50:38,050 --> 00:50:43,410
we'll see how it all works out

1160
00:50:40,588 --> 00:50:46,328
Australia's expert in vector vaccination

1161
00:50:43,409 --> 00:50:49,659
leader expert eating expert in vaccine

1162
00:50:46,329 --> 00:50:51,818
is a brain yeah that's right it's like

1163
00:50:49,659 --> 00:50:56,739
Jenny McCarthy has a mummy Instagram

1164
00:50:51,818 --> 00:50:59,489
well yeah that's the same thing so the

1165
00:50:56,739 --> 00:51:02,409
first of june i think is change or to be

1166
00:50:59,489 --> 00:51:04,419
to be happening what one interesting

1167
00:51:02,409 --> 00:51:08,588
thing about their previous cancellation

1168
00:51:04,420 --> 00:51:10,450
was initially it was blamed on the

1169

00:51:08,588 --> 00:51:14,139
church and also on the Department of

1170
00:51:10,449 --> 00:51:16,868
Health so it's since been blamed on the

1171
00:51:14,139 --> 00:51:21,909
skeptics and some people who wrote lying

1172
00:51:16,869 --> 00:51:24,670
letters to the church and off now there

1173
00:51:21,909 --> 00:51:25,659
was also some news from the avian saying

1174
00:51:24,670 --> 00:51:27,579
that there would be a huge media

1175
00:51:25,659 --> 00:51:30,190
backlash as a result of this

1176
00:51:27,579 --> 00:51:32,349
cancellation now someone who's not here

1177
00:51:30,190 --> 00:51:34,750
tonight um Dave the happy singer posted

1178
00:51:32,349 --> 00:51:37,349
a picture recently on Facebook of this

1179
00:51:34,750 --> 00:51:46,809
media backlash and it was a tumbleweed

1180
00:51:37,349 --> 00:51:50,798
because the the circle Mickey of

1181
00:51:46,809 --> 00:51:53,230
backlash was mrs. dory calling up one

1182
00:51:50,798 --> 00:51:55,239
talkback radio station in Perth to a

1183
00:51:53,230 --> 00:51:58,990

sympathetic talkback host by the name of

1184

00:51:55,239 --> 00:52:01,959
is it Harry sattler I don't so yeah

1185

00:51:58,989 --> 00:52:07,328
whatever he's yeah he works for six PR

1186

00:52:01,960 --> 00:52:09,369
which is am in Western Australia now so

1187

00:52:07,329 --> 00:52:10,720
she called him up first and then a

1188

00:52:09,369 --> 00:52:12,039
couple of days later she called him up

1189

00:52:10,719 --> 00:52:14,199
again and he had some discussion about

1190

00:52:12,039 --> 00:52:17,500
it and then some of us did a little bit

1191

00:52:14,199 --> 00:52:20,798
of Google search on sattler now he's

1192

00:52:17,500 --> 00:52:21,579
been a talkback host for 25 years or

1193

00:52:20,798 --> 00:52:24,340
something along

1194

00:52:21,579 --> 00:52:26,049
long time now if listeners in Australia

1195

00:52:24,340 --> 00:52:29,110
are familiar with the program Media

1196

00:52:26,050 --> 00:52:31,570
Watch which I'm sure we are or our

1197

00:52:29,110 --> 00:52:32,950
international listeners would may have

1198
00:52:31,570 --> 00:52:35,140
heard of it but basically it's a media

1199
00:52:32,949 --> 00:52:36,699
watchdog program so if you find

1200
00:52:35,139 --> 00:52:38,500
something wrong in the media you alert

1201
00:52:36,699 --> 00:52:40,809
them and they basically slap people

1202
00:52:38,500 --> 00:52:42,460
around for it so yeah any journalists

1203
00:52:40,809 --> 00:52:44,829
that end up on Media Watch it's a it's

1204
00:52:42,460 --> 00:52:46,599
it's known as a big shame it's a black

1205
00:52:44,829 --> 00:52:49,090
mark against your name delicious the

1206
00:52:46,599 --> 00:52:51,960
mediator on its superb it is it's

1207
00:52:49,090 --> 00:52:54,250
wonderful and the guy who hosts it just

1208
00:52:51,960 --> 00:52:55,690
you know it's no holds barred and in

1209
00:52:54,250 --> 00:52:58,690
fact last week he actually gave himself

1210
00:52:55,690 --> 00:53:01,389
a slap for doing something wrong anyway

1211
00:52:58,690 --> 00:53:05,050
um if you do a search for Media Watch NM

1212
00:53:01,389 --> 00:53:07,809
and Howard Sattler you'll find a powered

1213
00:53:05,050 --> 00:53:10,090
tablet yes did I say Harry yeah how ok

1214
00:53:07,809 --> 00:53:13,860
Howard how exactly you'll find a long

1215
00:53:10,090 --> 00:53:17,740
list of mentions on media watch for

1216
00:53:13,860 --> 00:53:19,930
incorrect information for slanderous

1217
00:53:17,739 --> 00:53:23,169
information for racist information

1218
00:53:19,929 --> 00:53:26,289
interestingly what actually is a sort of

1219
00:53:23,170 --> 00:53:28,599
a vague equivalent to rush limbaugh in

1220
00:53:26,289 --> 00:53:31,000
the states right well I mean he's meant

1221
00:53:28,599 --> 00:53:33,400
to be a shock jock but back in 1992 I

1222
00:53:31,000 --> 00:53:35,500
know that's a long time ago but this is

1223
00:53:33,400 --> 00:53:38,260
quite a famous incident I there were

1224
00:53:35,500 --> 00:53:40,769
three young Aboriginal boys killed in a

1225
00:53:38,260 --> 00:53:43,840
car accident and he was quoted as saying

1226

00:53:40,769 --> 00:53:46,420
good riddance to bad rubbish I'm glad

1227
00:53:43,840 --> 00:53:48,039
they're dead or something like that and

1228
00:53:46,420 --> 00:53:50,789
so there's reference to that all over

1229
00:53:48,039 --> 00:53:54,429
the internet because some and then in

1230
00:53:50,789 --> 00:53:59,469
2005 he did something similar where he

1231
00:53:54,429 --> 00:54:00,909
had a cold caller bring up about nigga

1232
00:53:59,469 --> 00:54:03,129
nigga shoot yourself in the head or

1233
00:54:00,909 --> 00:54:06,099
something and he's laughed about it and

1234
00:54:03,130 --> 00:54:09,280
said oh I didn't say that but hahaha so

1235
00:54:06,099 --> 00:54:12,579
disgusting I don't know you're a rapper

1236
00:54:09,280 --> 00:54:14,590
yeah yeah well okay I don't know if me

1237
00:54:12,579 --> 00:54:16,900
mentioning this in the same context as

1238
00:54:14,590 --> 00:54:19,300
metal dorias poisoning the well is it is

1239
00:54:16,900 --> 00:54:22,960
it is it a logical fallacy no but it's a

1240
00:54:19,300 --> 00:54:26,440

great segue it's only a logical fallacy

1241

00:54:22,960 --> 00:54:31,000
if you're trying to cheat with it

1242

00:54:26,440 --> 00:54:32,650
no no what my point is that the media

1243

00:54:31,000 --> 00:54:36,608
backlash has come from is one guy who

1244

00:54:32,650 --> 00:54:38,470
has a dubious past and it was instigated

1245

00:54:36,608 --> 00:54:41,259
by Merrill herself ring exactly yeah

1246

00:54:38,469 --> 00:54:43,719
exactly so Tom always start with the

1247

00:54:41,260 --> 00:54:45,099
avian yeah and the tumbleweeds are still

1248

00:54:43,719 --> 00:54:48,219
rolling as far as my crickets are

1249

00:54:45,099 --> 00:54:49,960
chirping yeah that's right now people

1250

00:54:48,219 --> 00:54:53,409
can find out about tumbleweeds and

1251

00:54:49,960 --> 00:54:54,639
crickets at your website can they hey

1252

00:54:53,409 --> 00:55:01,568
Dayton why don't you tell us all about

1253

00:54:54,639 --> 00:55:03,909
it skeptic air oh yes I'm trying to give

1254

00:55:01,568 --> 00:55:06,400
him a plug folks I'm looking at that

1255
00:55:03,909 --> 00:55:08,588
Meryl at the moment oh can we talk about

1256
00:55:06,400 --> 00:55:12,599
that Meryl can you mention that Marilyn

1257
00:55:08,588 --> 00:55:12,599
welcome people where can people find out

1258
00:55:20,050 --> 00:55:23,619
that's what you were

1259
00:55:28,710 --> 00:55:34,269
so what is that Meryl all about that

1260
00:55:32,050 --> 00:55:37,560
Meryl is a short web series highlighting

1261
00:55:34,269 --> 00:55:39,869
some of the idiocy the Meryl comes out

1262
00:55:37,559 --> 00:55:42,549
let's face it it's not that difficult

1263
00:55:39,869 --> 00:55:44,340
there's a lot of material somebody

1264
00:55:42,550 --> 00:55:46,630
commented on Facebook the other day that

1265
00:55:44,340 --> 00:55:48,130
wondering when the feature-length movie

1266
00:55:46,630 --> 00:55:50,559
is giving them out and the following

1267
00:55:48,130 --> 00:55:55,510
comment was this plenty of material for

1268
00:55:50,559 --> 00:55:57,759
that it could be any time now so that

1269
00:55:55,510 --> 00:55:59,560
Meryl is a youtube series it's a youtube

1270
00:55:57,760 --> 00:56:03,310
series yes you can find out a youtube

1271
00:55:59,559 --> 00:56:08,108
com forward slash that Meryl and be ryl

1272
00:56:03,309 --> 00:56:11,289
and basically it's taking phrases that

1273
00:56:08,108 --> 00:56:13,750
she's or statements that she's made and

1274
00:56:11,289 --> 00:56:15,639
then putting them up in black and white

1275
00:56:13,750 --> 00:56:18,519
just to point out how ridiculous or

1276
00:56:15,639 --> 00:56:20,079
wrong they are and then having a scene

1277
00:56:18,519 --> 00:56:23,230
from the League of Gentlemen when I say

1278
00:56:20,079 --> 00:56:25,090
that Meredith each one's about 20

1279
00:56:23,230 --> 00:56:26,829
seconds long it's quite good its recent

1280
00:56:25,090 --> 00:56:30,180
however we were talking things but

1281
00:56:26,829 --> 00:56:30,179
justice and measles doesn't kill anyone

1282
00:56:34,289 --> 00:56:41,108
your website of course I'm a real

1283

00:56:37,030 --> 00:56:42,550
website yeah yes skeptic 80.com yes as

1284
00:56:41,108 --> 00:56:45,429
I've mentioned a couple of times before

1285
00:56:42,550 --> 00:56:47,590
I think on it on the tank skeptic ater

1286
00:56:45,429 --> 00:56:50,649
is an RSS aggregator for skeptical

1287
00:56:47,590 --> 00:56:52,590
content and it's searchable and all

1288
00:56:50,650 --> 00:56:55,720
sorts of cool things can be found for it

1289
00:56:52,590 --> 00:56:58,510
I've upgraded the search today I said

1290
00:56:55,719 --> 00:57:01,569
now returns far more search results and

1291
00:56:58,510 --> 00:57:03,400
I'm up to probably approaching by the

1292
00:57:01,570 --> 00:57:07,359
time this episode comes out about twenty

1293
00:57:03,400 --> 00:57:10,119
thousand articles I'm all nearly all

1294
00:57:07,358 --> 00:57:12,489
skeptically focused so that Sam it's

1295
00:57:10,119 --> 00:57:15,070
going along a pace it's quite quite cool

1296
00:57:12,489 --> 00:57:17,108
I'm excited and someone brought it home

1297
00:57:15,070 --> 00:57:18,070

to me the other day that eventually if I

1298

00:57:17,108 --> 00:57:19,840

keep this gun for a couple of years

1299

00:57:18,070 --> 00:57:21,130

there's going to be million-plus

1300

00:57:19,840 --> 00:57:22,539

articles on there and I'm going to have

1301

00:57:21,130 --> 00:57:25,840

to deal with this enormous amount of

1302

00:57:22,539 --> 00:57:28,309

data and I sort of I trembled and then I

1303

00:57:25,840 --> 00:57:36,650

went oh cool

1304

00:57:28,309 --> 00:57:38,029

this is kind of great yeah one of the

1305

00:57:36,650 --> 00:57:40,849

things he can find there actually is

1306

00:57:38,030 --> 00:57:41,930

draw mohammed day we haven't study till

1307

00:57:40,849 --> 00:57:43,940

eight and ten that we're recording

1308

00:57:41,929 --> 00:57:45,819

dominated to get together today it's

1309

00:57:43,940 --> 00:57:48,860

been absolutely full of draw mohammed

1310

00:57:45,820 --> 00:57:50,570

content but i'll let you carry on it

1311

00:57:48,860 --> 00:57:52,460

Lewis all-stars off by a woman by the

1312
00:57:50,570 --> 00:57:56,230
name of Molly Norris was it I'm late

1313
00:57:52,460 --> 00:57:58,820
Morris yeah she drizzle up the other day

1314
00:57:56,230 --> 00:58:01,519
South Park had a couple of episodes

1315
00:57:58,820 --> 00:58:06,890
where Mohammed was shown wearing a bear

1316
00:58:01,519 --> 00:58:11,829
suit instead enhancements of water

1317
00:58:06,889 --> 00:58:15,379
services basically that was for okay

1318
00:58:11,829 --> 00:58:17,509
yeah okay South Park had an episode that

1319
00:58:15,380 --> 00:58:18,950
included Mohammed inert but they weren't

1320
00:58:17,510 --> 00:58:20,570
allowed to show him at all because of

1321
00:58:18,949 --> 00:58:22,699
all the recent conflicts with the Danish

1322
00:58:20,570 --> 00:58:25,700
cartoons so they had him in a u-haul

1323
00:58:22,699 --> 00:58:28,489
trailer in a bear costume in a bunch of

1324
00:58:25,699 --> 00:58:31,759
other things just always covered up and

1325
00:58:28,489 --> 00:58:34,549
still they got threatens so this person

1326
00:58:31,760 --> 00:58:36,170
came long drop a little postage for a

1327
00:58:34,550 --> 00:58:40,519
bit of a laugh which the one saw flop

1328
00:58:36,170 --> 00:58:42,289
picture of a tree a house a car or with

1329
00:58:40,519 --> 00:58:45,110
arrows pointing them to them saying this

1330
00:58:42,289 --> 00:58:46,730
is muhammad stands it off to quite a few

1331
00:58:45,110 --> 00:58:49,180
people in the social networking arena

1332
00:58:46,730 --> 00:58:51,320
they sent it on it became viral

1333
00:58:49,179 --> 00:58:53,389
everybody wants to get behind us because

1334
00:58:51,320 --> 00:58:55,640
molly is an actual cartoonist from

1335
00:58:53,389 --> 00:58:56,869
Seattle so yeah there would have been a

1336
00:58:55,639 --> 00:58:59,269
lot of people got that in the first

1337
00:58:56,869 --> 00:59:01,759
round this despatched to me this is very

1338
00:58:59,269 --> 00:59:05,009
similar to boobquake you know about but

1339
00:59:01,760 --> 00:59:10,180
it is yes christon you just know okay

1340

00:59:05,010 --> 00:59:12,819
um boob hike sure we discussed that last

1341
00:59:10,179 --> 00:59:15,629
time I I think we had we gave it a

1342
00:59:12,818 --> 00:59:19,079
mention okay boobquake was because this

1343
00:59:15,630 --> 00:59:22,568
Islamic cleric decided that Oh

1344
00:59:19,079 --> 00:59:26,500
proclaimed that earthquakes and other

1345
00:59:22,568 --> 00:59:29,500
such things were more or less a result

1346
00:59:26,500 --> 00:59:33,250
of women wearing revealing clothing so

1347
00:59:29,500 --> 00:59:35,920
let's leave it she was true so these

1348
00:59:33,250 --> 00:59:38,170
women said well this day I can't

1349
00:59:35,920 --> 00:59:39,670
remember what they was his boobquake day

1350
00:59:38,170 --> 00:59:42,010
and women were encouraged to wear

1351
00:59:39,670 --> 00:59:45,608
revealing tops you see in showing

1352
00:59:42,010 --> 00:59:47,770
cleavage and and and then to see where

1353
00:59:45,608 --> 00:59:50,170
into it won't you then to see whether

1354
00:59:47,769 --> 00:59:53,079

the earthquake measurements for that day

1355

00:59:50,170 --> 00:59:54,190

went up or down you see so many some

1356

00:59:53,079 --> 00:59:59,530

other things we're not and down that

1357

00:59:54,190 --> 01:00:02,980

this typical depauw me to lower the tone

1358

00:59:59,530 --> 01:00:08,079

I remember what you and I were doing

1359

01:00:02,980 --> 01:00:12,690

that day oh no means we don't get to

1360

01:00:08,079 --> 01:00:15,818

leave it at that and on that bombshell

1361

01:00:12,690 --> 01:00:18,460

we walk to the airport Oh walk to the

1362

01:00:15,818 --> 01:00:20,889

airport nothing that oh you know where

1363

01:00:18,460 --> 01:00:23,019

are you healing clothes yeah yes I was

1364

01:00:20,889 --> 01:00:25,328

he was wearing one of those um mesh

1365

01:00:23,019 --> 01:00:27,849

singlets but you can see I'm very short

1366

01:00:25,329 --> 01:00:29,619

short yeah yeah that's right and he was

1367

01:00:27,849 --> 01:00:33,660

swishing all the way to do but strangely

1368

01:00:29,619 --> 01:00:38,470

enough no earthquakes a few cars crash

1369
01:00:33,659 --> 01:00:42,879
in shock getting back to Mohammed oh yes

1370
01:00:38,469 --> 01:00:44,739
anyway sooner became viral and everybody

1371
01:00:42,880 --> 01:00:45,970
started getting behind it she decided no

1372
01:00:44,739 --> 01:00:47,919
this was just meant to be a one-off

1373
01:00:45,969 --> 01:00:49,389
image to make people laugh I didn't

1374
01:00:47,920 --> 01:00:52,930
actually want this to happen so she'd

1375
01:00:49,389 --> 01:00:55,088
start disassociate yourself from it so

1376
01:00:52,929 --> 01:00:57,039
now the Molly Norris the original

1377
01:00:55,088 --> 01:01:00,670
creator of it is no longer got anything

1378
01:00:57,039 --> 01:01:02,699
to do with draw mohammed date however it

1379
01:01:00,670 --> 01:01:04,588
doesn't stop there

1380
01:01:02,699 --> 01:01:06,449
one of the people who took it upside to

1381
01:01:04,588 --> 01:01:09,239
create a facebook group behind it yeah

1382
01:01:06,449 --> 01:01:10,139
try and collect all the pictures a lot

1383
01:01:09,239 --> 01:01:11,699
of the pictures that were getting

1384
01:01:10,139 --> 01:01:14,549
uploaded will quite rude and disgusting

1385
01:01:11,699 --> 01:01:16,469
things and once he saw that he didn't

1386
01:01:14,550 --> 01:01:19,500
want anything to do with it either so

1387
01:01:16,469 --> 01:01:22,379
two main people who have turned into a

1388
01:01:19,500 --> 01:01:23,760
sensation both of them turn their backs

1389
01:01:22,380 --> 01:01:26,640
on and now don't want anything to do

1390
01:01:23,760 --> 01:01:30,349
with it Wow but it's quite strange that

1391
01:01:26,639 --> 01:01:33,299
Facebook eh day has just been incredible

1392
01:01:30,349 --> 01:01:34,710
some of the stuff you would expect to

1393
01:01:33,300 --> 01:01:37,109
see from the underbelly of the internet

1394
01:01:34,710 --> 01:01:38,880
rather than Facebook but yeah it's been

1395
01:01:37,108 --> 01:01:40,828
absolutely hilarious there's been a

1396
01:01:38,880 --> 01:01:42,660
large Muslim contingent just copy

1397

01:01:40,829 --> 01:01:46,349
pasting I who act by all over the whole

1398
01:01:42,659 --> 01:01:48,449
thing and millions of pictures i confess

1399
01:01:46,349 --> 01:01:51,240
i put a picture up there myself on a

1400
01:01:48,449 --> 01:01:53,098
little post-it note um so but yeah it's

1401
01:01:51,239 --> 01:01:54,569
been ages i tell you very nice book and

1402
01:01:53,099 --> 01:01:56,550
look forward to draw mohammed date or

1403
01:01:54,570 --> 01:01:58,200
I'm going to skeptic a lemon bay or a

1404
01:01:56,550 --> 01:02:00,060
skeptic it has been covered with it and

1405
01:01:58,199 --> 01:02:03,118
there's a search for draw my hammer day

1406
01:02:00,059 --> 01:02:04,920
on skipper cater and the greatest upshot

1407
01:02:03,119 --> 01:02:10,710
of it all I think is the Pakistan Today

1408
01:02:04,920 --> 01:02:15,568
band facebook totally so hey guys and

1409
01:02:10,710 --> 01:02:17,460
Pakistan try and friend me go on I'm

1410
01:02:15,568 --> 01:02:20,099
just reminded of a line from The

1411
01:02:17,460 --> 01:02:22,710

Hitchhiker's Guide to the galaxy where

1412

01:02:20,099 --> 01:02:23,940

there's a newscast now the heroes are on

1413

01:02:22,710 --> 01:02:25,829

the heart of gold traveling for the

1414

01:02:23,940 --> 01:02:28,050

galaxy and they're watching a newscast

1415

01:02:25,829 --> 01:02:29,670

and the guy says hello to all the

1416

01:02:28,050 --> 01:02:31,318

intelligent people the universe watching

1417

01:02:29,670 --> 01:02:35,329

this and to all the rest of you the

1418

01:02:31,318 --> 01:02:35,329

messages bang the rocks together guys

1419

01:02:43,340 --> 01:02:50,130

you remember there you go oh I cacked

1420

01:02:48,659 --> 01:02:52,170

myself silly when I saw that the first

1421

01:02:50,130 --> 01:02:53,670

time and I think i'm going to be

1422

01:02:52,170 --> 01:02:55,050

catching myself silly all the way home

1423

01:02:53,670 --> 01:02:56,190

but i'd like to thank unless there's

1424

01:02:55,050 --> 01:02:59,850

anything else we wanted to talk about

1425

01:02:56,190 --> 01:03:01,769

yeah I think we're all talked out I I'd

1426
01:02:59,849 --> 01:03:04,529
like to thank dr. hu thank you dr. AG

1427
01:03:01,769 --> 01:03:07,110
thank you Richard thank you very much of

1428
01:03:04,530 --> 01:03:09,570
course and I'd like to thank Jason made

1429
01:03:07,110 --> 01:03:11,130
you rich it basically see dr. Chris you

1430
01:03:09,570 --> 01:03:13,050
all the best on your trip thank you very

1431
01:03:11,130 --> 01:03:15,960
much and I hope some Skippy its own

1432
01:03:13,050 --> 01:03:18,330
pants come along blink a funeral homes

1433
01:03:15,960 --> 01:03:21,090
thank you thank you very much and unto

1434
01:03:18,329 --> 01:03:22,380
our next a think tank with bus

1435
01:03:21,090 --> 01:03:29,910
announcements and everything it's

1436
01:03:22,380 --> 01:03:32,900
goodbye from us here at the club OSP

1437
01:03:29,909 --> 01:03:32,899
right people together

1438
01:03:51,170 --> 01:03:57,450
Richard mean after that episode I've

1439
01:03:54,539 --> 01:03:59,789
almost completely he are you are yeah

1440
01:03:57,449 --> 01:04:01,889
just the vibrations coming from the

1441
01:03:59,789 --> 01:04:03,900
speaker's of my computer yes it's just

1442
01:04:01,889 --> 01:04:05,369
sending a healing energy through my

1443
01:04:03,900 --> 01:04:07,680
bronchial towards all that report from

1444
01:04:05,369 --> 01:04:12,389
the mind-body wallet wasn't it was the

1445
01:04:07,679 --> 01:04:14,369
chakra my bronchial chakra is is just

1446
01:04:12,389 --> 01:04:15,690
vibrating and all those bacteria are

1447
01:04:14,369 --> 01:04:18,779
just they're just dropping like flies

1448
01:04:15,690 --> 01:04:21,030
are they I it's it's a phenomenon and

1449
01:04:18,780 --> 01:04:22,620
thank you for sharing that with that's

1450
01:04:21,030 --> 01:04:24,240
quite all right and look if all else

1451
01:04:22,619 --> 01:04:26,279
fails you can always try the good old

1452
01:04:24,239 --> 01:04:28,469
applied kinesiology as seen on the

1453
01:04:26,280 --> 01:04:31,890
skeptics own video applied kinesiology

1454

01:04:28,469 --> 01:04:34,709
one that sounds extremely site if it is

1455
01:04:31,889 --> 01:04:37,739
I well look thanks reaching for having

1456
01:04:34,710 --> 01:04:39,599
me again I I do apologize for my for my

1457
01:04:37,739 --> 01:04:41,009
ill health for the last few weeks I've

1458
01:04:39,599 --> 01:04:42,900
been so out of the loop it's been

1459
01:04:41,010 --> 01:04:44,100
frustrating and disappointing but it's

1460
01:04:42,900 --> 01:04:46,170
great to know that you've been carrying

1461
01:04:44,099 --> 01:04:48,539
the baton without me we have but now

1462
01:04:46,170 --> 01:04:49,860
you're back and you're almost better yet

1463
01:04:48,539 --> 01:04:51,090
the listeners will be pleased to hear

1464
01:04:49,860 --> 01:04:53,640
that because people have been writing in

1465
01:04:51,090 --> 01:04:55,350
saying where Stefan so I I have been

1466
01:04:53,639 --> 01:04:57,509
very disappointed it's been a struggle

1467
01:04:55,349 --> 01:04:59,489
but but it's it's fantastic now it's

1468
01:04:57,510 --> 01:05:02,190

almost it's almost over excellent Stefan

1469

01:04:59,489 --> 01:05:04,679

well you go now and get into your sauna

1470

01:05:02,190 --> 01:05:06,510

with your chakras and your crystals can

1471

01:05:04,679 --> 01:05:08,069

you shut and your healing a little bit

1472

01:05:06,510 --> 01:05:09,990

of a rhyme of therapy I think we'll do

1473

01:05:08,070 --> 01:05:12,600

it yeah I think that'll that'll that'll

1474

01:05:09,989 --> 01:05:15,689

really cleans the day alright we'll see

1475

01:05:12,599 --> 01:05:17,869

you next next time ok stuff is Right see

1476

01:05:15,690 --> 01:05:17,869

ya

1477

01:05:18,639 --> 01:05:24,819

you've been listening to the skeptic

1478

01:05:20,829 --> 01:05:28,599

zone visit our website at www.scripting

1479

01:05:24,820 --> 01:05:31,559

zoomtv the comments contacts and extra

1480

01:05:28,599 --> 01:05:31,559

video reports

1481

01:05:31,829 --> 01:05:35,670

skin T so

1482

01:05:42,719 --> 01:05:44,719

Oh

1483
01:05:45,570 --> 01:05:47,930
stitch

1484
01:05:49,980 --> 01:05:52,039
you
