

1  
00:00:00,000 --> 00:00:05,540  
this is James Randi and you're listening

2  
00:00:02,009 --> 00:00:05,539  
to the skeptic zone

3  
00:00:16,489 --> 00:00:18,519  
Oh

4  
00:00:24,070 --> 00:00:30,500  
hello and welcome to the skeptic zone

5  
00:00:26,960 --> 00:00:32,239  
show number 94 the ninth of July 2010

6  
00:00:30,500 --> 00:00:35,210  
Richard Saunders here with you from

7  
00:00:32,238 --> 00:00:37,128  
beautiful downtown Las Vegas joining me

8  
00:00:35,210 --> 00:00:39,230  
for the intro at this very noisy

9  
00:00:37,128 --> 00:00:43,579  
Hawaiian restaurant is dr. a chief i

10  
00:00:39,229 --> 00:00:45,948  
Richard how are you well I'm I'm tam dao

11  
00:00:43,579 --> 00:00:48,289  
time I must say we've had a huge Taman

12  
00:00:45,948 --> 00:00:51,378  
it was just finished today it is today

13  
00:00:48,289 --> 00:00:55,158  
was the end of time it was after two and

14  
00:00:51,378 --> 00:00:57,109  
a half days three days of non-stop I

15  
00:00:55,158 --> 00:00:59,298  
don't know how many days Moscow I'm

16  
00:00:57,109 --> 00:01:02,750  
completely lost count and yeah I'm

17  
00:00:59,298 --> 00:01:04,219  
completely confused and dazed but you

18  
00:01:02,750 --> 00:01:06,349  
know it is called the amazing meeting

19  
00:01:04,219 --> 00:01:09,438  
and this is my first time yeah it was

20  
00:01:06,349 --> 00:01:11,658  
and people asked me what it was like and

21  
00:01:09,438 --> 00:01:13,039  
I said it's amazing and then didn't

22  
00:01:11,659 --> 00:01:15,439  
realize I was saying that but you know

23  
00:01:13,040 --> 00:01:17,780  
it it's amazing it is an incredible

24  
00:01:15,438 --> 00:01:20,149  
meeting it's amazing and it's so much

25  
00:01:17,780 --> 00:01:22,070  
more than just the lineup you know you

26  
00:01:20,150 --> 00:01:23,930  
can look at the lineup of speakers and

27  
00:01:22,069 --> 00:01:27,109  
think wow it's going to be great to see

28  
00:01:23,930 --> 00:01:28,700  
Phil Plait and Richard Dawkins and but

29

00:01:27,109 --> 00:01:30,480  
it's so much more than that you know

30  
00:01:28,700 --> 00:01:33,270  
it's really about

31  
00:01:30,480 --> 00:01:35,300  
a whole group of skeptical colleagues

32  
00:01:33,269 --> 00:01:38,069  
getting together exchanging ideas

33  
00:01:35,299 --> 00:01:40,079  
talking to each other learning about

34  
00:01:38,069 --> 00:01:43,319  
what each other's up to and it's just

35  
00:01:40,079 --> 00:01:46,829  
it's it's an overwhelming isn't it one

36  
00:01:43,319 --> 00:01:49,649  
might say amazing one might not say that

37  
00:01:46,829 --> 00:01:53,009  
because that would be a cliché yeah but

38  
00:01:49,650 --> 00:01:55,140  
I I mean I didn't I thought I thought I

39  
00:01:53,010 --> 00:01:58,410  
knew what to expect when I came here on

40  
00:01:55,140 --> 00:02:02,430  
Tuesday but I had no idea as long as you

41  
00:01:58,409 --> 00:02:04,769  
didn't expect to sleep well I didn't

42  
00:02:02,430 --> 00:02:06,240  
just know I didn't get any sleep you can

43  
00:02:04,769 --> 00:02:08,909

tell by the fact that i can't speak

44

00:02:06,239 --> 00:02:10,439

anymore i haven't had much sleep in fact

45

00:02:08,909 --> 00:02:12,270

not most people didn't really have much

46

00:02:10,439 --> 00:02:13,710

sleep you could tell that by today with

47

00:02:12,270 --> 00:02:16,140

ya everyone was walking around

48

00:02:13,710 --> 00:02:18,180

bleary-eyed and looking a little bit

49

00:02:16,139 --> 00:02:21,419

like they've been a mere whacked with a

50

00:02:18,180 --> 00:02:23,250

stick or something but yeah we had over

51

00:02:21,419 --> 00:02:26,129

there was a record number of attendees

52

00:02:23,250 --> 00:02:27,689

this year over 30 visits thirteen thirty

53

00:02:26,129 --> 00:02:30,810

percent increase on last year so yeah

54

00:02:27,689 --> 00:02:33,419

over 1300 as you know this year there's

55

00:02:30,810 --> 00:02:35,159

Tom London again the second one this is

56

00:02:33,419 --> 00:02:37,559

going to be Tam Australia the first one

57

00:02:35,159 --> 00:02:39,810

and there's one in Geneva or Zurich next

58  
00:02:37,560 --> 00:02:41,509  
year I think next year yeah so they're

59  
00:02:39,810 --> 00:02:44,459  
just spreading all over the globe and

60  
00:02:41,509 --> 00:02:46,889  
yeah I'm be no it was funny because you

61  
00:02:44,459 --> 00:02:48,659  
and I plan to get here two days early to

62  
00:02:46,889 --> 00:02:51,269  
try to recover to the time zone and just

63  
00:02:48,659 --> 00:02:54,509  
as we said naively chill out a little

64  
00:02:51,270 --> 00:02:56,700  
bit before tam started we we didn't have

65  
00:02:54,509 --> 00:02:58,590  
any time to do that did we I mean that

66  
00:02:56,699 --> 00:03:01,259  
the conference properly started on

67  
00:02:58,590 --> 00:03:04,020  
Thursday Tuesday afternoon there were

68  
00:03:01,259 --> 00:03:06,120  
people here Wednesday half the delegates

69  
00:03:04,020 --> 00:03:07,739  
were here so we hit the ground running

70  
00:03:06,120 --> 00:03:09,930  
as soon as we got into vegas and we

71  
00:03:07,739 --> 00:03:12,000  
haven't stopped until now and i think

72  
00:03:09,930 --> 00:03:13,590  
i'm going to collapse while you collapse

73  
00:03:12,000 --> 00:03:15,750  
doctor 'he will get on with the rest of

74  
00:03:13,590 --> 00:03:17,400  
the show this show it covers the first

75  
00:03:15,750 --> 00:03:19,770  
part of our trip here to the amazing

76  
00:03:17,400 --> 00:03:22,200  
meeting leaving sydney and put some

77  
00:03:19,770 --> 00:03:24,239  
pieces along the way and then will flash

78  
00:03:22,199 --> 00:03:26,500  
back to Sydney where we recorded a think

79  
00:03:24,239 --> 00:03:29,439  
tank with our good friend Maynard

80  
00:03:26,500 --> 00:03:30,849  
before we left and Kyle Easter just

81  
00:03:29,439 --> 00:03:32,289  
joined us to which was interesting yeah

82  
00:03:30,849 --> 00:03:35,460  
that was great Kylie was in town for

83  
00:03:32,289 --> 00:03:38,500  
another conference and we managed to

84  
00:03:35,460 --> 00:03:41,020  
rope her into doing a think tank from my

85  
00:03:38,500 --> 00:03:42,490  
front room that's yes that's coming up a

86

00:03:41,020 --> 00:03:44,500  
bit later in the show but let's start

87  
00:03:42,490 --> 00:03:48,330  
off this episode of the skeptic zone

88  
00:03:44,500 --> 00:03:48,330  
with a look at getting to town

89  
00:03:57,620 --> 00:04:04,439  
and it's hello from Sydney Airport beats

90  
00:04:00,509 --> 00:04:06,810  
the the sixth of July I'm here having a

91  
00:04:04,439 --> 00:04:08,400  
quick sandwich with a racial Dunlop and

92  
00:04:06,810 --> 00:04:11,129  
Joe Benna mu as we wait for our flight

93  
00:04:08,400 --> 00:04:12,990  
and I must say it's we should rename

94  
00:04:11,129 --> 00:04:15,419  
this place the powerband Sydney Airport

95  
00:04:12,990 --> 00:04:17,939  
Rachel I've just tweeted that we've just

96  
00:04:15,419 --> 00:04:19,800  
seen in the space of two hours three

97  
00:04:17,939 --> 00:04:21,779  
people wearing power balance bracelets

98  
00:04:19,800 --> 00:04:24,000  
including the lady who checked us into

99  
00:04:21,779 --> 00:04:27,269  
delta yes which was really weird because

100  
00:04:24,000 --> 00:04:28,949

she was very slow wasn't she she was

101

00:04:27,269 --> 00:04:31,109

lovely but a bit slow let me but she

102

00:04:28,949 --> 00:04:33,180

moved like she was in slow motion so

103

00:04:31,110 --> 00:04:36,120

maybe it has adjusted his chakra so much

104

00:04:33,180 --> 00:04:39,120

that she was I don't know I don't know

105

00:04:36,120 --> 00:04:41,370

another world or something anyway we're

106

00:04:39,120 --> 00:04:43,350

just having a quick bite and a cup of

107

00:04:41,370 --> 00:04:45,660

coffee and then we'll head over to the

108

00:04:43,350 --> 00:04:47,070

departure gate and we'll be off Joe

109

00:04:45,660 --> 00:04:48,480

you're looking forward to it I am very

110

00:04:47,069 --> 00:04:50,730

much so I just have to say about those

111

00:04:48,480 --> 00:04:52,650

tab bracelets the thing that gets me

112

00:04:50,730 --> 00:04:53,730

every time I see him and see him and see

113

00:04:52,649 --> 00:04:58,259

them is that they just look so

114

00:04:53,730 --> 00:04:59,910

incredibly cheap and tacky i'm sorry i'm

115  
00:04:58,259 --> 00:05:02,279  
nomming but they're not a good fashion

116  
00:04:59,910 --> 00:05:03,990  
statement I'll say that no they do they

117  
00:05:02,279 --> 00:05:05,729  
looked awful and you got one Richard

118  
00:05:03,990 --> 00:05:07,650  
from when you did your today tonight

119  
00:05:05,730 --> 00:05:08,850  
story which hasn't aired yet yeah and I

120  
00:05:07,649 --> 00:05:11,069  
looked at it and it looks like cheap

121  
00:05:08,850 --> 00:05:12,660  
touch it no yeah it is because they only

122  
00:05:11,069 --> 00:05:14,730  
cost about 3 cents to make anyway yeah

123  
00:05:12,660 --> 00:05:16,500  
but i mean i don't think i would

124  
00:05:14,730 --> 00:05:18,840  
consider that sixty five dollars well

125  
00:05:16,500 --> 00:05:20,759  
spent to tell you the truth absolutely

126  
00:05:18,839 --> 00:05:22,739  
not also made the observation just then

127  
00:05:20,759 --> 00:05:24,719  
that she was wondering what these people

128  
00:05:22,740 --> 00:05:27,060  
who we just saw at the coffee shop where

129  
00:05:24,720 --> 00:05:29,550  
at what are they doing for them right

130  
00:05:27,060 --> 00:05:31,139  
now because they're not lifting things

131  
00:05:29,550 --> 00:05:34,370  
are not flexing things they're not

132  
00:05:31,139 --> 00:05:36,899  
playing sport like an airport what

133  
00:05:34,370 --> 00:05:40,800  
anyway they're enhancing their

134  
00:05:36,899 --> 00:05:44,579  
well-being and zest and wellness yeah

135  
00:05:40,800 --> 00:05:46,139  
that means nothing Richard gibberish if

136  
00:05:44,579 --> 00:05:47,728  
you are

137  
00:05:46,139 --> 00:05:50,129  
visitor without a waiver who are

138  
00:05:47,728 --> 00:05:52,978  
nationals countries participating in the

139  
00:05:50,129 --> 00:05:56,360  
visa waiver program you'll need a green

140  
00:05:52,978 --> 00:05:56,359  
i-94 form

141  
00:05:56,968 --> 00:06:02,069  
once again the US form is one per

142  
00:05:59,699 --> 00:06:04,829  
household that's the one we get degree

143

00:06:02,069 --> 00:06:08,658  
now we might believe that back relax and

144  
00:06:04,829 --> 00:06:08,658  
enjoy yoga hospitality

145  
00:06:09,120 --> 00:06:14,280  
we're on our way dr. AG we are we are

146  
00:06:11,790 --> 00:06:16,979  
I'm sitting here like a massive nerd

147  
00:06:14,279 --> 00:06:18,418  
watching the wing move around which we

148  
00:06:16,978 --> 00:06:20,728  
got a great view of the wing I must say

149  
00:06:18,418 --> 00:06:23,839  
right over the wing and when we started

150  
00:06:20,728 --> 00:06:26,370  
off the wing was kind of quiet Kahn best

151  
00:06:23,839 --> 00:06:27,750  
and now that we've actually got up and

152  
00:06:26,370 --> 00:06:28,829  
the pressure under the wing is greater

153  
00:06:27,750 --> 00:06:31,649  
than the pressure on top of the wing

154  
00:06:28,829 --> 00:06:33,569  
it's kind of sitting up now it is yeah

155  
00:06:31,649 --> 00:06:35,549  
yeah I could see curving up it's coming

156  
00:06:33,569 --> 00:06:37,918  
up and before it was quiet notably

157  
00:06:35,550 --> 00:06:41,100

curving down well I just think

158

00:06:37,918 --> 00:06:44,519

engineering is awesome dude is science

159

00:06:41,100 --> 00:06:47,910

man another 30 we've got another 13

160

00:06:44,519 --> 00:06:49,589

hours to admire before we get to LA yeah

161

00:06:47,910 --> 00:06:52,289

in between that we've got noms though

162

00:06:49,589 --> 00:06:54,869

Richard was I just described to us yeah

163

00:06:52,288 --> 00:07:02,459

so I'm gonna be watching the wing for 13

164

00:06:54,870 --> 00:07:05,189

hours hehe ah welcome to wonderful Los

165

00:07:02,459 --> 00:07:08,099

Angeles dr. Richie hi dr. Richard Hawaii

166

00:07:05,189 --> 00:07:11,219

well what an interesting time we're

167

00:07:08,100 --> 00:07:13,590

actually at the moment at LAX in transit

168

00:07:11,220 --> 00:07:17,700

to go to Vegas and wasn't that a

169

00:07:13,589 --> 00:07:20,369

nightmare hi mojo how you can cast but

170

00:07:17,699 --> 00:07:22,680

otherwise fine I've never waited so long

171

00:07:20,370 --> 00:07:25,250

for my bags yeah that was amazing and

172  
00:07:22,680 --> 00:07:29,310  
the queue for the passport control was

173  
00:07:25,250 --> 00:07:30,959  
in laying slow yeah and we have and we

174  
00:07:29,310 --> 00:07:32,610  
did have to actually explain what the

175  
00:07:30,959 --> 00:07:35,219  
convention was that we were going to get

176  
00:07:32,610 --> 00:07:39,509  
rich and as your thoughts I said we

177  
00:07:35,220 --> 00:07:41,639  
hopefully even cycles i just said as

178  
00:07:39,509 --> 00:07:44,069  
educational sleeve derived you slept on

179  
00:07:41,639 --> 00:07:45,930  
the plane more than we did anyway ah

180  
00:07:44,069 --> 00:07:48,029  
that's right we hardly had any sleep I

181  
00:07:45,930 --> 00:07:50,400  
gotta say I got to say I'm delirious

182  
00:07:48,029 --> 00:07:52,228  
yeah Mike's but now we're standing in a

183  
00:07:50,399 --> 00:07:56,189  
little terminal of Delta here in LAX

184  
00:07:52,228 --> 00:07:59,250  
wind fly to UM Vegas yeah I mean we had

185  
00:07:56,189 --> 00:08:01,740  
a dream two hours in between flyers yeah

186  
00:07:59,250 --> 00:08:03,300  
we've just arrived with minutes to spare

187  
00:08:01,740 --> 00:08:05,519  
we thought that we'd have time for a

188  
00:08:03,300 --> 00:08:08,009  
coffee and a shower and

189  
00:08:05,519 --> 00:08:09,448  
walk around Joe's quite likely to become

190  
00:08:08,009 --> 00:08:11,639  
homicidal ooh she doesn't get a cup

191  
00:08:09,449 --> 00:08:13,410  
freezer we better let Joe go and get a

192  
00:08:11,639 --> 00:08:14,848  
coffee and give it a she-bear speaking

193  
00:08:13,410 --> 00:08:17,189  
of herself in third person I'd be

194  
00:08:14,848 --> 00:08:20,038  
concerned there's jet lag folks it's the

195  
00:08:17,189 --> 00:08:21,658  
wonderful thing of travel Joe quickly

196  
00:08:20,038 --> 00:08:25,969  
run and get a coffee and we'll wait for

197  
00:08:21,658 --> 00:08:28,560  
you here this is the first night at the

198  
00:08:25,970 --> 00:08:32,038  
i can't remember the name of this bar

199  
00:08:28,560 --> 00:08:36,719  
what's this bar called the bill maher

200

00:08:32,038 --> 00:08:39,389  
lounge delmar lounge dr. H E and enjoy

201  
00:08:36,719 --> 00:08:42,599  
we're still awake after 30 hours I know

202  
00:08:39,389 --> 00:08:44,578  
is it mad actually which is just on the

203  
00:08:42,599 --> 00:08:48,060  
quiet yes Joe has gone a little bit mad

204  
00:08:44,578 --> 00:08:50,639  
has she yeah because look look at her

205  
00:08:48,059 --> 00:08:54,389  
eyes look at that yes we see Julie

206  
00:08:50,639 --> 00:08:56,069  
Fisher daughter Jojo what's up well I've

207  
00:08:54,389 --> 00:08:58,789  
been wearing the same clothes were

208  
00:08:56,070 --> 00:09:01,560  
coming up to about thirty two hours and

209  
00:08:58,789 --> 00:09:04,139  
I've just had a glass of scotch which

210  
00:09:01,559 --> 00:09:07,338  
was probably not a good idea and Delta's

211  
00:09:04,139 --> 00:09:11,759  
left my baggage in LA so I'm not happy

212  
00:09:07,339 --> 00:09:14,459  
that's about all i see that was such a

213  
00:09:11,759 --> 00:09:17,439  
nice toy he did now we're sir we're

214  
00:09:14,458 --> 00:09:20,529

amazed didn't control

215

00:09:17,440 --> 00:09:23,110

brave does serene but we're amazed

216

00:09:20,529 --> 00:09:26,289

because of course it's too only Tuesday

217

00:09:23,110 --> 00:09:28,090

here and we're in the bar here and it's

218

00:09:26,289 --> 00:09:31,480

full of skeptics trucker agent it is

219

00:09:28,090 --> 00:09:33,820

there must be 20 yeah at least us

220

00:09:31,480 --> 00:09:35,649

skeptics already here yeah many of them

221

00:09:33,820 --> 00:09:38,650

locals actually although we've just met

222

00:09:35,649 --> 00:09:40,860

Neil from her yeah it's come all the way

223

00:09:38,649 --> 00:09:44,169

from her for Tammy it's very first time

224

00:09:40,860 --> 00:09:47,800

and there's been here from the UK yeah

225

00:09:44,169 --> 00:09:50,439

and most everybody else is us-based and

226

00:09:47,799 --> 00:09:52,000

they're here I know so early I'm really

227

00:09:50,440 --> 00:09:54,370

surprised thought we'd come here and

228

00:09:52,000 --> 00:09:56,440

we'd beat one or two people maybe early

229  
00:09:54,370 --> 00:09:58,600  
birds we did I mean based on our

230  
00:09:56,440 --> 00:10:00,100  
experiences last year at DragonCon where

231  
00:09:58,600 --> 00:10:02,170  
we turned up a couple of days early and

232  
00:10:00,100 --> 00:10:04,990  
there was nobody that's right that's

233  
00:10:02,169 --> 00:10:07,719  
right nothing at all so it's great that

234  
00:10:04,990 --> 00:10:09,789  
everyone's here already it's nice to see

235  
00:10:07,720 --> 00:10:12,129  
some old friends do some from past times

236  
00:10:09,789 --> 00:10:14,319  
and past meetings that sort of sitting

237  
00:10:12,129 --> 00:10:16,360  
all around the bar here it's fantastic

238  
00:10:14,320 --> 00:10:18,850  
I've got to say that Richard I do have

239  
00:10:16,360 --> 00:10:21,580  
one observation about this casino yeah

240  
00:10:18,850 --> 00:10:25,180  
where are the fish tanks and mountains

241  
00:10:21,580 --> 00:10:26,740  
that's right that's right yeah I I

242  
00:10:25,179 --> 00:10:29,139  
haven't we haven't you been I haven't

243  
00:10:26,740 --> 00:10:31,990  
been to the strip yet but the thing that

244  
00:10:29,139 --> 00:10:36,319  
we are most was most synonymous about

245  
00:10:31,990 --> 00:10:38,509  
casinos in Australia is the big

246  
00:10:36,320 --> 00:10:40,730  
you know garish vishnu yeah Gary she

247  
00:10:38,509 --> 00:10:43,909  
shrinks and also garish waterfalls or

248  
00:10:40,730 --> 00:10:45,620  
delays a life changing colors and about

249  
00:10:43,909 --> 00:10:47,809  
here it's kind of weird it's a bit

250  
00:10:45,620 --> 00:10:50,090  
strange but boy there is a lot here

251  
00:10:47,809 --> 00:10:52,459  
because they're the cinema the bowling

252  
00:10:50,090 --> 00:10:56,509  
alley the equestrian arena the swimming

253  
00:10:52,460 --> 00:10:58,040  
pool and many many many nomming

254  
00:10:56,509 --> 00:11:01,399  
opportunities many not many

255  
00:10:58,039 --> 00:11:02,959  
opportunities and but you don't want to

256  
00:11:01,399 --> 00:11:04,909  
want you don't want to leave the

257

00:11:02,960 --> 00:11:07,160  
premises because it is currently about

258  
00:11:04,909 --> 00:11:09,919  
40 degrees Celsius and outside yeah you

259  
00:11:07,159 --> 00:11:11,329  
don't want the moment yeah but

260  
00:11:09,919 --> 00:11:13,579  
unfortunately but fortunately we have a

261  
00:11:11,330 --> 00:11:17,420  
pool we have a pool that we will should

262  
00:11:13,580 --> 00:11:18,800  
I will have to try that delightful

263  
00:11:17,419 --> 00:11:21,919  
laughs you can hear listeners is none

264  
00:11:18,799 --> 00:11:24,469  
other than Dale Roy hi Dale hello and

265  
00:11:21,919 --> 00:11:26,509  
it's travis hi Travis hey how's it going

266  
00:11:24,470 --> 00:11:28,940  
Rick oh it's really well throw that in

267  
00:11:26,509 --> 00:11:31,340  
front of me we're here in the great hall

268  
00:11:28,940 --> 00:11:33,560  
outside the grand ballroom where our

269  
00:11:31,340 --> 00:11:35,330  
tables are set up it's thursday morning

270  
00:11:33,559 --> 00:11:37,789  
is it still morning notes just gone

271  
00:11:35,330 --> 00:11:40,400

afternoon it's the first sort of really

272

00:11:37,789 --> 00:11:42,349

official day of the amazing meeting yeah

273

00:11:40,399 --> 00:11:44,240

and already it's busy and things are

274

00:11:42,350 --> 00:11:45,740

happening yes since I think it's much

275

00:11:44,240 --> 00:11:48,350

busier this thursday than it was last

276

00:11:45,740 --> 00:11:50,629

year on thursday yeah yeah and we have

277

00:11:48,350 --> 00:11:52,879

our table set up with many other tables

278

00:11:50,629 --> 00:11:54,439

here outside this year instead of inside

279

00:11:52,879 --> 00:11:56,929

where all the speakers are but that's

280

00:11:54,440 --> 00:11:58,970

okay I can I can deal with that and our

281

00:11:56,929 --> 00:12:01,159

magazines from Australian skeptics and

282

00:11:58,970 --> 00:12:03,500

t-shirts from town Australia are selling

283

00:12:01,159 --> 00:12:05,719

really well people are having a great

284

00:12:03,500 --> 00:12:08,659

time picking those up and I like your

285

00:12:05,720 --> 00:12:11,690

shirt Travis my boy it's the new design

286  
00:12:08,659 --> 00:12:14,719  
skeptical zone shirt yes yes I did that

287  
00:12:11,690 --> 00:12:17,330  
for you it's a spoof on what's it called

288  
00:12:14,720 --> 00:12:19,940  
hungry jacks hungry jacks or Burger King

289  
00:12:17,330 --> 00:12:21,440  
what about yeah yeah so yeah no I did

290  
00:12:19,940 --> 00:12:24,290  
that up for you I gave feature you guys

291  
00:12:21,440 --> 00:12:25,550  
some some shirts and some buttons so and

292  
00:12:24,289 --> 00:12:28,370  
i'll send you the graphic and you can

293  
00:12:25,549 --> 00:12:29,870  
get them made up for yourself all the

294  
00:12:28,370 --> 00:12:31,759  
smart people without all the cool kids

295  
00:12:29,870 --> 00:12:35,060  
are wearing and that's what they say i

296  
00:12:31,759 --> 00:12:37,460  
even have one yeah there you go I was

297  
00:12:35,059 --> 00:12:41,269  
not wearing it today well it's been a

298  
00:12:37,460 --> 00:12:43,100  
hectic couple of days 4dr EG joanne and

299  
00:12:41,269 --> 00:12:47,269  
myself and Iran so give us your mouth

300  
00:12:43,100 --> 00:12:53,840  
and we're being busy and it's hardly

301  
00:12:47,269 --> 00:12:58,490  
even begun so on we go I just thought

302  
00:12:53,840 --> 00:13:00,110  
was something to do well wednesday no

303  
00:12:58,490 --> 00:13:03,860  
it's Thursday mostly that's how Jack

304  
00:13:00,110 --> 00:13:05,269  
lagged I am Thursday is moving on it's a

305  
00:13:03,860 --> 00:13:08,120  
bit quiet now in the in the great

306  
00:13:05,269 --> 00:13:10,809  
corridor outside the grand ballroom and

307  
00:13:08,120 --> 00:13:13,899  
kitty Mervyn has shown up hi kitty oh

308  
00:13:10,809 --> 00:13:16,909  
hello Richard it's nice to see you again

309  
00:13:13,899 --> 00:13:19,399  
now you surprised me last night with a

310  
00:13:16,909 --> 00:13:22,250  
wonderful hat that you needed for me yes

311  
00:13:19,399 --> 00:13:25,250  
I did I i enjoy knitting it's a fun

312  
00:13:22,250 --> 00:13:28,039  
hobby and i decided to do a knit hat

313  
00:13:25,250 --> 00:13:31,309  
with flying pigs are knit two of it to

314

00:13:28,039 --> 00:13:33,349  
represent the j rough of course it was

315  
00:13:31,309 --> 00:13:35,838  
very clever natured you're wearing your

316  
00:13:33,350 --> 00:13:38,210  
power balance bracelet here i see um

317  
00:13:35,839 --> 00:13:41,750  
have you noticed any changes and how you

318  
00:13:38,210 --> 00:13:44,030  
feel yeah somehow I feel hungry when I'm

319  
00:13:41,750 --> 00:13:45,950  
wearing it I can't understand it can you

320  
00:13:44,029 --> 00:13:49,129  
can you consume more beer without

321  
00:13:45,950 --> 00:13:50,540  
getting you drunk oh yeah you have to

322  
00:13:49,129 --> 00:13:53,360  
take it off and then the alcohol if it's

323  
00:13:50,539 --> 00:13:55,519  
me hates me see oh okay because I'm

324  
00:13:53,360 --> 00:14:00,019  
letting you test it for me before I

325  
00:13:55,519 --> 00:14:03,350  
spend my \$65 and purchase my own but you

326  
00:14:00,019 --> 00:14:05,100  
know now Kitty you um come to us from

327  
00:14:03,350 --> 00:14:07,470  
the

328  
00:14:05,100 --> 00:14:10,529

new your areas in the camper you had the

329

00:14:07,470 --> 00:14:12,930

New Hampshire and how has the skepticism

330

00:14:10,529 --> 00:14:16,319

working up there it's really wonderful

331

00:14:12,929 --> 00:14:17,569

Travis and I make a very good team we

332

00:14:16,320 --> 00:14:20,580

did a wonderful haunted house

333

00:14:17,570 --> 00:14:23,460

investigation unfortunately the only

334

00:14:20,580 --> 00:14:25,370

ghosts we saw was Travis's nice who

335

00:14:23,460 --> 00:14:30,450

decided to come and play a trick on us

336

00:14:25,370 --> 00:14:35,299

but we caught her so and we've had a lot

337

00:14:30,450 --> 00:14:39,990

of fun and a lot of get togethers and

338

00:14:35,299 --> 00:14:41,669

I've gone to some wonderful alien UFO oh

339

00:14:39,990 --> 00:14:44,159

you gave me you gave me an alien sure

340

00:14:41,669 --> 00:14:45,899

last year I remember to you yes yes

341

00:14:44,159 --> 00:14:48,419

because New Hampshire is where Betty and

342

00:14:45,899 --> 00:14:49,590

Barney Hill were abducted by aliens so

343  
00:14:48,419 --> 00:14:52,019  
they're one of the first people to be

344  
00:14:49,590 --> 00:14:55,980  
abducted so it's something people are

345  
00:14:52,019 --> 00:14:57,600  
very interested in the state and we've

346  
00:14:55,980 --> 00:14:59,250  
met many many times over the years the

347  
00:14:57,600 --> 00:15:02,009  
first time I met you was on the amazing

348  
00:14:59,250 --> 00:15:04,110  
cruise to Alaska on memories from that

349  
00:15:02,009 --> 00:15:06,779  
fond memory from that and I've seen you

350  
00:15:04,110 --> 00:15:09,720  
I think at every temps in so yeah I five

351  
00:15:06,779 --> 00:15:13,319  
actually attended every United States

352  
00:15:09,720 --> 00:15:17,759  
town Wow including the first one wow so

353  
00:15:13,320 --> 00:15:19,920  
very proud of that and and I would say

354  
00:15:17,759 --> 00:15:23,250  
that the Alaska cruise I surprised you

355  
00:15:19,919 --> 00:15:25,829  
because you were doing origami and I did

356  
00:15:23,250 --> 00:15:28,889  
some origami for you you did and that

357  
00:15:25,830 --> 00:15:31,950  
was a surprise great to see you kidding

358  
00:15:28,889 --> 00:15:35,789  
yes great to see you too now I'm

359  
00:15:31,950 --> 00:15:37,590  
delighted the dan green hi dad oh hi I'm

360  
00:15:35,789 --> 00:15:39,139  
delighted dan green has come up to say

361  
00:15:37,590 --> 00:15:41,340  
hello to me and he's given me a

362  
00:15:39,139 --> 00:15:45,000  
fantastic set of cards they're like

363  
00:15:41,340 --> 00:15:47,100  
mystical Karen spirit animal cards

364  
00:15:45,000 --> 00:15:50,610  
worthy you shuffle them up and you get

365  
00:15:47,100 --> 00:15:52,290  
someone to choose the card that's drawn

366  
00:15:50,610 --> 00:15:54,899  
to them and they flip them over and

367  
00:15:52,289 --> 00:15:56,429  
they've got a choice of their spirit

368  
00:15:54,899 --> 00:15:58,230  
animal guide or something like that over

369  
00:15:56,429 --> 00:15:59,879  
your choice the animal chooses down the

370  
00:15:58,230 --> 00:16:01,470  
animal chooses them once they gather

371

00:15:59,879 --> 00:16:03,990  
they're stuck with it and it could be

372  
00:16:01,470 --> 00:16:07,080  
the body louse for example or the

373  
00:16:03,990 --> 00:16:09,419  
tapeworm I see the vampire bat the naked

374  
00:16:07,080 --> 00:16:11,540  
mole rat the jumping spider the dung

375  
00:16:09,419 --> 00:16:15,409  
beetle these are all Noble know

376  
00:16:11,539 --> 00:16:17,389  
animals guide and direct people through

377  
00:16:15,409 --> 00:16:19,639  
the spirit world the blobfish and all

378  
00:16:17,389 --> 00:16:22,909  
the photographs a disgusting of these

379  
00:16:19,639 --> 00:16:24,709  
animals so dan green I sincerely I thank

380  
00:16:22,909 --> 00:16:27,289  
you for coming up saying hello and

381  
00:16:24,708 --> 00:16:38,000  
giving me these wonderful cards I was a

382  
00:16:27,289 --> 00:16:42,159  
wonderful way to start my Tam the

383  
00:16:38,000 --> 00:16:42,159  
amazing 8

384  
00:16:47,448 --> 00:16:54,769  
first 2003 when I took the stage fort

385  
00:16:50,839 --> 00:16:57,559

lauderdale florida and welcome to about

386

00:16:54,769 --> 00:17:00,048

250 people idea was to the opening night

387

00:16:57,558 --> 00:17:03,738

of the very first the amazing meeting

388

00:17:00,048 --> 00:17:05,798

and as fabulous as that and was few of

389

00:17:03,739 --> 00:17:09,139

us could have guessed that fear at the

390

00:17:05,798 --> 00:17:15,009

amazing 88 we would cross the threshold

391

00:17:09,138 --> 00:17:15,009

of women 1200 residents

392

00:17:16,588 --> 00:17:18,740

hey

393

00:17:20,099 --> 00:17:24,609

conference of skeptics and critical

394

00:17:22,750 --> 00:17:30,220

thinkers and it's going to get bigger

395

00:17:24,609 --> 00:17:32,079

scale this is just a start so I am

396

00:17:30,220 --> 00:17:34,829

delighted that girl here tonight we put

397

00:17:32,079 --> 00:17:36,730

together a very special event for you

398

00:17:34,829 --> 00:17:38,288

something that we really have to talk

399

00:17:36,730 --> 00:17:40,389

about and tell the rest of the folks

400  
00:17:38,288 --> 00:17:43,089  
about who are not coming in until

401  
00:17:40,388 --> 00:17:44,918  
tomorrow right now I am putting

402  
00:17:43,089 --> 00:17:47,740  
interview someone to you who is

403  
00:17:44,919 --> 00:17:51,850  
obviously more that very special resolve

404  
00:17:47,740 --> 00:17:53,288  
is really the reason we are here it

405  
00:17:51,849 --> 00:17:55,538  
doesn't need much on these introductions

406  
00:17:53,288 --> 00:17:57,490  
I'm not going to take what time to give

407  
00:17:55,538 --> 00:18:00,878  
you much of an introduction but let us

408  
00:17:57,490 --> 00:18:04,058  
all agree that the reason the amazing

409  
00:18:00,878 --> 00:18:06,519  
meeting eight is over a thousand strong

410  
00:18:04,058 --> 00:18:08,230  
the second year in a row the reason this

411  
00:18:06,519 --> 00:18:11,109  
is the most important biggest most

412  
00:18:08,230 --> 00:18:13,240  
successful skeptical rational critical

413  
00:18:11,109 --> 00:18:15,519  
thinking copper to the world the reason

414  
00:18:13,240 --> 00:18:18,490  
we are here is because of the world's

415  
00:18:15,519 --> 00:18:21,308  
number one skeptic and that is the

416  
00:18:18,490 --> 00:18:24,089  
amazing one itself my friend james randi

417  
00:18:21,308 --> 00:18:24,089  
attack

418  
00:18:34,079 --> 00:18:43,849  
I this group

419  
00:18:57,250 --> 00:19:12,289  
here in Las Vegas we're also going to be

420  
00:19:09,170 --> 00:19:14,660  
even better folks not only those three

421  
00:19:12,289 --> 00:19:16,940  
but we're also going to be in Zurich

422  
00:19:14,660 --> 00:19:19,310  
Switzerland i think i could get it

423  
00:19:16,940 --> 00:19:22,250  
through a lot this year item to paper

424  
00:19:19,309 --> 00:19:25,940  
going all go down to drop individuals

425  
00:19:22,250 --> 00:19:29,390  
make this possible starting today it is

426  
00:19:25,940 --> 00:19:31,549  
such a large present our people but i

427  
00:19:29,390 --> 00:19:35,230  
will do that because that will come

428

00:19:31,549 --> 00:19:38,230  
during the next few days opportunity

429  
00:19:35,230 --> 00:19:38,230  
work

430  
00:19:39,970 --> 00:19:46,038  
but I want to tell me this basically

431  
00:19:42,888 --> 00:19:49,008  
it's me folks to expanding and from me

432  
00:19:46,038 --> 00:19:51,619  
at this moment you are the people that

433  
00:19:49,009 --> 00:19:52,299  
are responsible for the success of the

434  
00:19:51,619 --> 00:19:55,899  
amazing

435  
00:19:52,299 --> 00:19:58,720  
you not the people behind the stage as

436  
00:19:55,900 --> 00:20:01,720  
much as you because you all contribute

437  
00:19:58,720 --> 00:20:02,569  
in your own way in the success of their

438  
00:20:01,720 --> 00:20:05,329  
vision

439  
00:20:02,569 --> 00:20:08,629  
I thank you for the botfly birth all the

440  
00:20:05,329 --> 00:20:14,019  
staff goes as well and the all items and

441  
00:20:08,630 --> 00:20:14,019  
closes thank you thank you thank you

442  
00:20:30,979 --> 00:20:35,308

yo guys i was talking to Richard

443

00:20:33,329 --> 00:20:37,319  
solvency today all right he said if we

444

00:20:35,308 --> 00:20:39,450  
record a trailer for our podcast

445

00:20:37,319 --> 00:20:41,099  
skeptics with a que he'd play it on

446

00:20:39,450 --> 00:20:42,690  
their on their show nice nice oven

447

00:20:41,099 --> 00:20:44,278  
that's very generous it's pretty I'm not

448

00:20:42,690 --> 00:20:45,808  
sure what we could do though I mean well

449

00:20:44,278 --> 00:20:48,599  
suppose you tell people the shows about

450

00:20:45,808 --> 00:20:50,519  
but it's basically this yeah but yeah

451

00:20:48,599 --> 00:20:52,259  
but you know we talk about science and

452

00:20:50,519 --> 00:20:53,608  
skepticism and things that's that's true

453

00:20:52,259 --> 00:20:55,889  
as fuzzy you mentioned the website

454

00:20:53,608 --> 00:20:58,259  
address not merseyside skeptics todo UK

455

00:20:55,888 --> 00:20:59,579  
yeah yeah just like search was 19 oh and

456

00:20:58,259 --> 00:21:03,298  
then we could end with like a big song

457  
00:20:59,579 --> 00:21:07,918  
like the skeptics with okay god no no no

458  
00:21:03,298 --> 00:21:13,339  
no don't don't do that join us now for

459  
00:21:07,919 --> 00:21:13,340  
drinking skeptically in the think tank

460  
00:21:19,200 --> 00:21:25,048  
video hello and welcome to the think

461  
00:21:23,250 --> 00:21:26,880  
tank back in Australia I know it's a bit

462  
00:21:25,048 --> 00:21:28,470  
odd i know we were just in las vegas but

463  
00:21:26,880 --> 00:21:30,090  
before we went to Las Vegas we're

464  
00:21:28,470 --> 00:21:32,370  
actually here in Rachel's front room

465  
00:21:30,089 --> 00:21:35,278  
doing a special thing tank hello Rachel

466  
00:21:32,369 --> 00:21:36,599  
hello Richard special reason why we're

467  
00:21:35,278 --> 00:21:39,450  
doing this think tank tonight isn't

468  
00:21:36,599 --> 00:21:41,638  
there there is indeed ah a couple of

469  
00:21:39,450 --> 00:21:43,019  
special reasons that's true yes we're

470  
00:21:41,638 --> 00:21:44,879  
very pleased to welcome back to the

471  
00:21:43,019 --> 00:21:46,589  
thing tango good friend may not home a

472  
00:21:44,880 --> 00:21:49,799  
no hello and I'd like to mention I have

473  
00:21:46,589 --> 00:21:51,778  
no scientific qualifications whatsoever

474  
00:21:49,798 --> 00:21:53,190  
so let's get that up front here that

475  
00:21:51,778 --> 00:21:56,359  
either you come out of my mouth is to be

476  
00:21:53,190 --> 00:22:00,210  
taken with in fact a tonne of salt and

477  
00:21:56,359 --> 00:22:03,599  
the other special reason and special

478  
00:22:00,210 --> 00:22:05,730  
reason is a for the very rare occasion

479  
00:22:03,599 --> 00:22:10,019  
we actually have highly searches in

480  
00:22:05,730 --> 00:22:11,579  
person in the think tank and I should

481  
00:22:10,019 --> 00:22:13,409  
have the provision that I'm a religious

482  
00:22:11,579 --> 00:22:15,599  
education teacher so you should take

483  
00:22:13,409 --> 00:22:17,669  
with even larger block of salt in the

484  
00:22:15,599 --> 00:22:19,019  
back could probably look at the Sodom

485

00:22:17,669 --> 00:22:20,850  
and Gomorrah which one I think was Lot's

486  
00:22:19,019 --> 00:22:22,798  
wife is turned into a pillar of salt you

487  
00:22:20,849 --> 00:22:24,898  
know about about an entire Lot's wife of

488  
00:22:22,798 --> 00:22:26,730  
salt I would say yes that's a lot of

489  
00:22:24,898 --> 00:22:30,750  
salt that's a lot yes thank you very

490  
00:22:26,730 --> 00:22:33,509  
much for this car bad jack cheese

491  
00:22:30,750 --> 00:22:36,119  
colonies like you're not even much

492  
00:22:33,509 --> 00:22:38,038  
clicking as you know they're plastic

493  
00:22:36,119 --> 00:22:40,319  
glasses because the dr ratush place

494  
00:22:38,038 --> 00:22:43,079  
there was a a few glassing insolence and

495  
00:22:40,319 --> 00:22:45,778  
police will not live it up happy real

496  
00:22:43,079 --> 00:22:48,210  
glass in the house actually imagine so

497  
00:22:45,778 --> 00:22:51,240  
um yes of course why you're hearing this

498  
00:22:48,210 --> 00:22:52,919  
dr. hu9 the gang are enjoying a

499  
00:22:51,240 --> 00:22:54,929

marvelous time in Las Vegas well I

500

00:22:52,919 --> 00:22:57,480

certainly hope we had dr. hu I'm sure he

501

00:22:54,929 --> 00:23:00,240

will be at this stage over yet to fly

502

00:22:57,480 --> 00:23:03,089

out and we're flying out in two days yes

503

00:23:00,240 --> 00:23:04,679

oh yeah we are Mississippi it doesn't

504

00:23:03,089 --> 00:23:06,569

make sense it doesn't make sense because

505

00:23:04,679 --> 00:23:08,250

it's an airing in a way it is and you

506

00:23:06,569 --> 00:23:09,839

should see it like dr. Roach is packing

507

00:23:08,250 --> 00:23:10,980

here and the basket basically everyone

508

00:23:09,839 --> 00:23:13,439

from the skeptics owners getting that

509

00:23:10,980 --> 00:23:14,940

their clothing together and they are so

510

00:23:13,440 --> 00:23:16,259

together with their packing that they've

511

00:23:14,940 --> 00:23:17,778

got their socks and underwear marked

512

00:23:16,259 --> 00:23:19,548

Monday

513

00:23:17,778 --> 00:23:21,048

okay and so when they get to Las Vegas

514  
00:23:19,548 --> 00:23:22,690  
they can just open the zip lock bag and

515  
00:23:21,048 --> 00:23:24,769  
there's the undies and socks ready to go

516  
00:23:22,690 --> 00:23:28,399  
actually maybe you shouldn't joke about

517  
00:23:24,769 --> 00:23:31,788  
that because my mom bought me sucks then

518  
00:23:28,398 --> 00:23:33,678  
we'll match monday to friday look i got

519  
00:23:31,788 --> 00:23:35,118  
the same thing i just i wear them on the

520  
00:23:33,679 --> 00:23:37,129  
i wear them on the wrong day to

521  
00:23:35,118 --> 00:23:40,848  
deliberately confuse the emergency room

522  
00:23:37,128 --> 00:23:42,348  
operation in case in case hey this guy's

523  
00:23:40,848 --> 00:23:43,579  
got friday socks on but it's actually

524  
00:23:42,348 --> 00:23:45,229  
wednesday i don't know if we should

525  
00:23:43,579 --> 00:23:46,759  
treat in my eyes so then they check your

526  
00:23:45,229 --> 00:23:50,210  
underwear and says saturday they don't

527  
00:23:46,759 --> 00:23:52,608  
know what to do now apart from that we

528  
00:23:50,210 --> 00:23:54,619  
are having the skeptic zones favorite

529  
00:23:52,608 --> 00:23:59,388  
candy or lollies depending on all yer

530  
00:23:54,618 --> 00:24:01,668  
yes mastics now a lot of things to

531  
00:23:59,388 --> 00:24:05,358  
confuse Americans like the asian-pacific

532  
00:24:01,669 --> 00:24:10,999  
region and another one of those things

533  
00:24:05,358 --> 00:24:14,210  
is must expire dunham the famous skeptic

534  
00:24:10,999 --> 00:24:16,338  
and spur owner is a if you see one of

535  
00:24:14,210 --> 00:24:18,829  
the people expect these out um I don't

536  
00:24:16,338 --> 00:24:20,509  
think Brian cares for them hmm i don't

537  
00:24:18,829 --> 00:24:22,548  
think we found any American case and

538  
00:24:20,509 --> 00:24:24,469  
they try to be very polite so nice it is

539  
00:24:22,548 --> 00:24:26,358  
new come out out there that they try to

540  
00:24:24,469 --> 00:24:28,308  
be polite now the Americans and nuts

541  
00:24:26,358 --> 00:24:29,718  
about anything peanut of course it you

542

00:24:28,308 --> 00:24:31,700  
really all your peanut bars and stuff

543  
00:24:29,719 --> 00:24:33,979  
and any of those peanut bars can be as

544  
00:24:31,700 --> 00:24:38,659  
strong as this mastic but just the

545  
00:24:33,979 --> 00:24:40,308  
flavor mmm that it's strange to us could

546  
00:24:38,659 --> 00:24:43,519  
we love it we're all here eating them at

547  
00:24:40,308 --> 00:24:45,288  
the burn I knew it down I was told by

548  
00:24:43,519 --> 00:24:50,028  
people that it tastes like perfume or

549  
00:24:45,288 --> 00:24:52,878  
cologne colonia or addy is ass how would

550  
00:24:50,028 --> 00:24:54,710  
I know all the question that was posed

551  
00:24:52,878 --> 00:24:56,058  
to them after they said that but I think

552  
00:24:54,710 --> 00:24:58,460  
it was because they were talking about

553  
00:24:56,058 --> 00:25:00,378  
just the harsh kind of musky flavor well

554  
00:24:58,460 --> 00:25:02,239  
well because because it's so such a

555  
00:25:00,378 --> 00:25:03,918  
chemicals and you must find out the the

556  
00:25:02,239 --> 00:25:05,479

chemical number of that that it's its

557

00:25:03,919 --> 00:25:08,538

label it too because they could be some

558

00:25:05,479 --> 00:25:09,830

kiddies are allergic to that will run

559

00:25:08,538 --> 00:25:11,569

around like crazy on the red cordial

560

00:25:09,829 --> 00:25:13,829

thing or is that a word think that's

561

00:25:11,569 --> 00:25:17,189

amazing

562

00:25:13,829 --> 00:25:19,109

yes dr. barber Tricia has oh please tell

563

00:25:17,190 --> 00:25:21,419

us more Carla this is the UM the myth

564

00:25:19,109 --> 00:25:23,639

that if kids drink red cordial they go

565

00:25:21,419 --> 00:25:25,799

mad yeah yeah when I was last at

566

00:25:23,640 --> 00:25:28,169

DragonCon dr. Barbara Drescher who is

567

00:25:25,798 --> 00:25:30,898

someone people can hear it ter mate this

568

00:25:28,169 --> 00:25:33,120

year she in fact debunked it has been ya

569

00:25:30,898 --> 00:25:35,219

mythology the idea of too much sugar is

570

00:25:33,119 --> 00:25:37,199

going to make children overly hyper she

571  
00:25:35,220 --> 00:25:38,519  
did I thought it was the color no no

572  
00:25:37,200 --> 00:25:40,740  
apparently it's it's because you're

573  
00:25:38,519 --> 00:25:46,829  
never here at about green cordial that's

574  
00:25:40,740 --> 00:25:48,960  
a good cuz I try this at a party and we

575  
00:25:46,829 --> 00:25:50,970  
have we had a control group we had like

576  
00:25:48,960 --> 00:25:52,319  
the people look we let letting the car

577  
00:25:50,970 --> 00:25:56,399  
park the pit leather red cordial the

578  
00:25:52,319 --> 00:25:57,960  
people have the cocaine I'm not going on

579  
00:25:56,398 --> 00:25:59,369  
the show and the people with the cocaine

580  
00:25:57,960 --> 00:26:00,389  
ended up in the car park with the people

581  
00:25:59,369 --> 00:26:01,619  
who had me and the people the red

582  
00:26:00,388 --> 00:26:03,329  
Bordeaux just watched a bit of you know

583  
00:26:01,619 --> 00:26:05,819  
the ABC and went to sleep so and we

584  
00:26:03,329 --> 00:26:07,349  
completely just prove this although the

585  
00:26:05,819 --> 00:26:11,460  
control group was polluted by about

586  
00:26:07,349 --> 00:26:13,349  
ten-thirty well I like I like red

587  
00:26:11,460 --> 00:26:14,700  
cordial but it doesn't send me running

588  
00:26:13,349 --> 00:26:16,528  
around the block and doing all sorts of

589  
00:26:14,700 --> 00:26:18,569  
crazy things no it isn't me it isn't me

590  
00:26:16,528 --> 00:26:20,849  
that it that is the case I think my

591  
00:26:18,569 --> 00:26:23,428  
favorite reaction to the mass sticks

592  
00:26:20,849 --> 00:26:25,740  
will remain the dinner at dragoncon

593  
00:26:23,429 --> 00:26:27,570  
where we filmed poor old George Robin

594  
00:26:25,740 --> 00:26:29,730  
eating them and he just went into

595  
00:26:27,569 --> 00:26:33,329  
complete shock and said suddenly I'm in

596  
00:26:29,730 --> 00:26:35,579  
my grandfather's bathroom what he had an

597  
00:26:33,329 --> 00:26:37,199  
easier and he did he said silly I'm

598  
00:26:35,579 --> 00:26:40,109  
meeting the shaving cream that's a

599

00:26:37,200 --> 00:26:41,970  
tasteless it's great fun any Australians

600  
00:26:40,109 --> 00:26:44,428  
going to the States for any reason at

601  
00:26:41,970 --> 00:26:47,370  
all go to the supermarket before you go

602  
00:26:44,429 --> 00:26:49,919  
grab a packet of must expand you'll have

603  
00:26:47,369 --> 00:26:51,388  
no end of fun saying to Americans here

604  
00:26:49,919 --> 00:26:53,009  
there's a special candy from Australia

605  
00:26:51,388 --> 00:26:55,379  
try it nice out here in the up Crompton

606  
00:26:53,009 --> 00:26:56,759  
and their face will go contort it and

607  
00:26:55,380 --> 00:26:58,710  
they'll either spit it out or they look

608  
00:26:56,759 --> 00:27:00,778  
at you like you're poisoning moments you

609  
00:26:58,710 --> 00:27:02,850  
know what I had to do I did it when I

610  
00:27:00,778 --> 00:27:05,519  
was in Italy and also when i was in

611  
00:27:02,849 --> 00:27:07,589  
florida and i had to have backups of tim

612  
00:27:05,519 --> 00:27:09,808  
tams to compensate for the people that

613  
00:27:07,589 --> 00:27:11,759

suffered so much so they get really

614

00:27:09,808 --> 00:27:13,138

horrible excruciating looks on their

615

00:27:11,759 --> 00:27:15,538

face and then i'd have to make it all

616

00:27:13,138 --> 00:27:17,579

better with at in town i have sent some

617

00:27:15,538 --> 00:27:19,528

already so this is a warning to people

618

00:27:17,579 --> 00:27:21,898

who are attending the skeptically

619

00:27:19,528 --> 00:27:25,259

speaking beyond belief party which is

620

00:27:21,898 --> 00:27:27,069

held by desiree shell sweepy of skeptic

621

00:27:25,259 --> 00:27:29,888

ality Heidi Anderson

622

00:27:27,069 --> 00:27:31,839

and Barbra Drescher and oh yeah that's

623

00:27:29,888 --> 00:27:34,028

all of them I have sent them some musk

624

00:27:31,839 --> 00:27:35,829

sticks already so they are going to pass

625

00:27:34,028 --> 00:27:37,509

them out especially for the party that

626

00:27:35,829 --> 00:27:39,579

they're holding there so i hope you hope

627

00:27:37,509 --> 00:27:43,829

those wonderful women survived i'm sorry

628  
00:27:39,579 --> 00:27:47,589  
i hope you ok yeah you can get musk

629  
00:27:43,829 --> 00:27:50,798  
lifesavers oh yes yes thanks good one

630  
00:27:47,589 --> 00:27:53,230  
okay yeah I sent them let me see furry

631  
00:27:50,798 --> 00:27:54,490  
friends good choice with all the little

632  
00:27:53,230 --> 00:27:56,048  
animals so I hope you're enjoying the

633  
00:27:54,490 --> 00:27:59,859  
furry friends and I hope that makes up

634  
00:27:56,048 --> 00:28:01,658  
for the must excite you now let's talk

635  
00:27:59,859 --> 00:28:04,778  
about something slightly more serious

636  
00:28:01,659 --> 00:28:06,970  
and skeptical I guess Kylie you recently

637  
00:28:04,778 --> 00:28:08,500  
went along and you blogged it very well

638  
00:28:06,970 --> 00:28:10,028  
I must say with people commenting that

639  
00:28:08,500 --> 00:28:11,950  
your fingers must have been burning on

640  
00:28:10,028 --> 00:28:15,369  
the keys as you are doing it you were at

641  
00:28:11,950 --> 00:28:17,558  
a talk about vaccination which we

642  
00:28:15,369 --> 00:28:18,849  
promoted on skeptics own in birth can

643  
00:28:17,558 --> 00:28:21,519  
you tell us a little bit about that and

644  
00:28:18,849 --> 00:28:23,288  
some of the goings on okay this was held

645  
00:28:21,519 --> 00:28:26,109  
at the telethon institute for child

646  
00:28:23,288 --> 00:28:28,839  
health research it was not done in

647  
00:28:26,109 --> 00:28:31,148  
opposition to the avn it is a part of

648  
00:28:28,839 --> 00:28:32,918  
ongoing seminars I'd like to make that

649  
00:28:31,148 --> 00:28:35,378  
perfectly clear because I know that

650  
00:28:32,919 --> 00:28:36,970  
certain members of the avian on their

651  
00:28:35,378 --> 00:28:38,980  
facebook page and so forth have been

652  
00:28:36,970 --> 00:28:41,589  
saying oh this was attack against us no

653  
00:28:38,980 --> 00:28:43,778  
it's one of the sepal it's of interest

654  
00:28:41,589 --> 00:28:46,869  
of the community so this is something

655  
00:28:43,778 --> 00:28:48,940  
that they do Fiona Stanley and let me

656

00:28:46,869 --> 00:28:51,788  
see dr. Peter Richmond Bruce Lee my land

657  
00:28:48,940 --> 00:28:54,548  
and Debra layman who are respectively

658  
00:28:51,788 --> 00:28:57,669  
involved in investigation of meningitis

659  
00:28:54,548 --> 00:28:59,679  
infectious diseases and Bruce Wayne

660  
00:28:57,669 --> 00:29:01,480  
Wayne was just a parent a parent who is

661  
00:28:59,679 --> 00:29:04,149  
doing awareness raising of meningitis

662  
00:29:01,480 --> 00:29:06,639  
and his daughter Ashley was severely

663  
00:29:04,148 --> 00:29:09,189  
affected by it as a child all of this

664  
00:29:06,638 --> 00:29:10,599  
was done to inform parents and have an

665  
00:29:09,190 --> 00:29:13,750  
opportunity to talk and get some

666  
00:29:10,599 --> 00:29:17,439  
information what really struck me about

667  
00:29:13,750 --> 00:29:19,058  
this was during the Q&A at the end Fiona

668  
00:29:17,440 --> 00:29:23,139  
Stanley oh there's something coming over

669  
00:29:19,058 --> 00:29:27,058  
the building is that gorgeous it's a bus

670  
00:29:23,138 --> 00:29:27,058

think of it as a flying bus

671

00:29:27,099 --> 00:29:31,149  
it's really true thing is I'm out of

672

00:29:29,288 --> 00:29:34,509  
knowing it's just like it's just like

673

00:29:31,150 --> 00:29:35,950  
that movie bedknobs and bruise is if

674

00:29:34,509 --> 00:29:38,079  
it's a lot bigger than a king size bed

675

00:29:35,950 --> 00:29:39,400  
and you can see them so clearly out

676

00:29:38,079 --> 00:29:41,529  
Rachel's window they're like they're

677

00:29:39,400 --> 00:29:42,910  
just right there it's amazing I'm gonna

678

00:29:41,529 --> 00:29:44,410  
have to try to get a photo of the

679

00:29:42,910 --> 00:29:48,538  
recipient later cuz that was just a

680

00:29:44,410 --> 00:29:51,130  
stunning genuine oh yes seriously there

681

00:29:48,538 --> 00:29:54,400  
so I was like oh my god no George

682

00:29:51,130 --> 00:29:56,049  
parachute even further very honestly

683

00:29:54,400 --> 00:29:57,610  
they're so close that the pilot could

684

00:29:56,048 --> 00:29:59,109  
actually wait till you anything Rachel

685  
00:29:57,609 --> 00:30:00,879  
I'm sorry about that people who

686  
00:29:59,109 --> 00:30:04,119  
obviously surprise me but yes it's a

687  
00:30:00,880 --> 00:30:06,010  
serious topic yeah um what really struck

688  
00:30:04,119 --> 00:30:07,629  
me about this was at the end of the

689  
00:30:06,009 --> 00:30:10,119  
lecture there was an opportunity for a

690  
00:30:07,630 --> 00:30:13,600  
QA and as you might expect there were

691  
00:30:10,119 --> 00:30:16,149  
members of of the audience parents

692  
00:30:13,599 --> 00:30:17,949  
concerned community members who wanted

693  
00:30:16,150 --> 00:30:20,140  
to put forward what their views were

694  
00:30:17,950 --> 00:30:21,548  
about vaccinations and there was one

695  
00:30:20,140 --> 00:30:22,840  
woman who read out of statement

696  
00:30:21,548 --> 00:30:25,359  
essentially about her child who

697  
00:30:22,839 --> 00:30:27,819  
experiences and it was it was this her

698  
00:30:25,359 --> 00:30:29,319  
own child her own charge and this is my

699

00:30:27,819 --> 00:30:31,538

child this went through these

700

00:30:29,319 --> 00:30:33,129

experiences as she wasn't there yet I I

701

00:30:31,538 --> 00:30:34,859

choose not to vaccinate my two other

702

00:30:33,130 --> 00:30:37,929

children and I feel like I've been

703

00:30:34,859 --> 00:30:39,490

disenfranchised by pediatricians by

704

00:30:37,929 --> 00:30:42,009

scientists I don't trust you anymore so

705

00:30:39,490 --> 00:30:43,298

forth and as I was sitting there typing

706

00:30:42,009 --> 00:30:45,429

away I thought this is interesting I

707

00:30:43,298 --> 00:30:46,960

want to know how how do you respond it's

708

00:30:45,429 --> 00:30:48,820

how do you do the sensitively not

709

00:30:46,960 --> 00:30:50,798

alienate the audience those who are the

710

00:30:48,819 --> 00:30:52,899

sidelines make them feel like all nasty

711

00:30:50,798 --> 00:30:55,000

scientists what she says is right or or

712

00:30:52,900 --> 00:30:56,740

even worse you know stupid parent how

713

00:30:55,000 --> 00:31:01,599  
dare you know it's not about that and

714  
00:30:56,740 --> 00:31:04,058  
what dr. Peter Richmond and dr. Fiona

715  
00:31:01,599 --> 00:31:07,000  
Stanley did they said we do care deeply

716  
00:31:04,058 --> 00:31:09,879  
what we do is show evidence of risks of

717  
00:31:07,000 --> 00:31:11,950  
the vaccination versus the risk of the

718  
00:31:09,880 --> 00:31:15,640  
disease and we do this with huge amounts

719  
00:31:11,950 --> 00:31:17,440  
of compassion and we're not trying to be

720  
00:31:15,640 --> 00:31:21,610  
on sides we're trying to be on the side

721  
00:31:17,440 --> 00:31:23,500  
of the kids until we care about and in a

722  
00:31:21,609 --> 00:31:25,178  
way that really diffused the atmosphere

723  
00:31:23,500 --> 00:31:26,470  
because when the woman finished reading

724  
00:31:25,179 --> 00:31:28,419  
out a statement there are a few people

725  
00:31:26,470 --> 00:31:30,548  
try to applaud her oh yes sir

726  
00:31:28,419 --> 00:31:33,070  
yeah yeah she wouldn't you expect that

727  
00:31:30,548 --> 00:31:34,480

you know the team and was the side

728

00:31:33,069 --> 00:31:36,878  
effect of the vaccination a child

729

00:31:34,480 --> 00:31:40,839  
experienced how serious weather um she

730

00:31:36,878 --> 00:31:42,730  
it i have read an annotated in fact two

731

00:31:40,839 --> 00:31:44,349  
books of Jenny McCarthy I've got through

732

00:31:42,730 --> 00:31:46,269  
the entire book and written down every

733

00:31:44,349 --> 00:31:47,738  
single claim agenda karthi and they'll

734

00:31:46,269 --> 00:31:49,480  
very similar to the sort of things she

735

00:31:47,739 --> 00:31:52,419  
getting Jenny McCarthy's books you know

736

00:31:49,480 --> 00:31:55,989  
the child's life died in his eyes he had

737

00:31:52,419 --> 00:31:58,690  
febrile convulsions experiences similar

738

00:31:55,989 --> 00:32:01,509  
to autism and so forth but just be clear

739

00:31:58,690 --> 00:32:03,340  
this was her personal account of what

740

00:32:01,509 --> 00:32:06,878  
what she thought was an absolute of

741

00:32:03,339 --> 00:32:08,858  
accident there was no no backup she's

742  
00:32:06,878 --> 00:32:10,988  
not suggest that it really was vaccines

743  
00:32:08,858 --> 00:32:12,878  
she had a very negative view of the

744  
00:32:10,989 --> 00:32:14,019  
pediatrician she said that nobody was

745  
00:32:12,878 --> 00:32:16,388  
giving the man says she didn't feel

746  
00:32:14,019 --> 00:32:18,038  
supported and essentially it was it was

747  
00:32:16,388 --> 00:32:20,769  
not that dissimilar to many stories that

748  
00:32:18,038 --> 00:32:23,108  
you might get online unknown what really

749  
00:32:20,769 --> 00:32:24,849  
happened absolutely okay well um what

750  
00:32:23,108 --> 00:32:26,349  
did intrigued me was i think it was dr.

751  
00:32:24,849 --> 00:32:28,449  
Peter Richmond said that there has been

752  
00:32:26,349 --> 00:32:30,579  
new evidence of certain genetic

753  
00:32:28,450 --> 00:32:32,710  
tendencies towards reactions to some

754  
00:32:30,579 --> 00:32:36,009  
vaccines I'd have to suggest contacting

755  
00:32:32,710 --> 00:32:37,450  
yourself to to get the full picture but

756  
00:32:36,009 --> 00:32:39,069  
he suggested that maybe getting the

757  
00:32:37,450 --> 00:32:41,649  
child to see whether or not they might

758  
00:32:39,069 --> 00:32:43,058  
be that sort of influence upon from the

759  
00:32:41,648 --> 00:32:44,709  
child per you have that reaction but

760  
00:32:43,058 --> 00:32:47,138  
whether or not they were going to take

761  
00:32:44,710 --> 00:32:50,619  
anything on board I don't know because

762  
00:32:47,138 --> 00:32:52,269  
they seemed very very antagonistic but

763  
00:32:50,618 --> 00:32:54,608  
what impressed me was how dr. Fiona

764  
00:32:52,269 --> 00:32:57,548  
Stanley said we're not trying to make

765  
00:32:54,608 --> 00:32:59,499  
this into a pro or an 80 or push ideas

766  
00:32:57,548 --> 00:33:01,898  
or so forth we just want to make sure

767  
00:32:59,499 --> 00:33:03,100  
that you know what both sides are saying

768  
00:33:01,898 --> 00:33:04,959  
in terms that this is what the disease

769  
00:33:03,099 --> 00:33:07,269  
can do to you evidence of what the

770

00:33:04,960 --> 00:33:09,399  
disease has done to people Bruce

771  
00:33:07,269 --> 00:33:11,378  
langland for example was really clear on

772  
00:33:09,398 --> 00:33:14,528  
the ongoing effects of child who has

773  
00:33:11,378 --> 00:33:16,509  
been disabled or brain damage from a

774  
00:33:14,528 --> 00:33:19,148  
disease in the long term meningitis

775  
00:33:16,509 --> 00:33:21,249  
dreadful stuff 21 years old and she

776  
00:33:19,148 --> 00:33:22,349  
cannot talk she cannot walk and the

777  
00:33:21,249 --> 00:33:26,079  
effect upon the family the community

778  
00:33:22,349 --> 00:33:28,178  
carers income and it does certainly hurt

779  
00:33:26,079 --> 00:33:31,178  
families so Carly can I ask you because

780  
00:33:28,179 --> 00:33:33,669  
you went to the avn seminar telethon

781  
00:33:31,179 --> 00:33:35,919  
institute can you give us some feel for

782  
00:33:33,669 --> 00:33:39,849  
the difference in how the audience

783  
00:33:35,919 --> 00:33:41,470  
responded or how if for example there

784  
00:33:39,848 --> 00:33:44,349

weren't any questions at the avn summer

785

00:33:41,470 --> 00:33:46,000

well they were but i ended up but there

786

00:33:44,349 --> 00:33:47,379

weren't sitapur called questions where

787

00:33:46,000 --> 00:33:50,230

they are just what I'm trying to get at

788

00:33:47,380 --> 00:33:52,210

is yeah how did Meryl Dory respond to

789

00:33:50,230 --> 00:33:55,599

say someone saying but my child died

790

00:33:52,210 --> 00:33:56,650

from a communicable disease or how do

791

00:33:55,599 --> 00:33:58,359

you think she would have responded

792

00:33:56,650 --> 00:34:00,700

compared to what you saw at the telethon

793

00:33:58,359 --> 00:34:02,829

institute I do know that apparently the

794

00:34:00,700 --> 00:34:04,779

alien have recorded there's yeah I know

795

00:34:02,829 --> 00:34:06,308

they'd show that sort of thing I don't I

796

00:34:04,779 --> 00:34:09,639

can touch your shrink myself to listen

797

00:34:06,308 --> 00:34:11,289

to i would i'm willing to read so i'll

798

00:34:09,639 --> 00:34:13,780

give it a go yeah it's up there you can

799

00:34:11,289 --> 00:34:15,940

listen to it hmm well this is a woman

800

00:34:13,780 --> 00:34:17,530

who said that people didn't die from

801

00:34:15,940 --> 00:34:19,750

whooping cough back then they don't die

802

00:34:17,530 --> 00:34:21,490

from an hour yeah yeah judy judy

803

00:34:19,750 --> 00:34:23,230

willimon was apparently in the audience

804

00:34:21,489 --> 00:34:24,789

for the telethon institute lecture she

805

00:34:23,230 --> 00:34:27,340

was behind gentleman called Grendel's hi

806

00:34:24,789 --> 00:34:29,769

Grendel's and she was muttering

807

00:34:27,340 --> 00:34:33,399

throughout the whole time well in my

808

00:34:29,769 --> 00:34:35,519

opinion how might a Mel Dory speak to

809

00:34:33,398 --> 00:34:38,079

someone who's a skeptic she she probably

810

00:34:35,519 --> 00:34:39,398

you should tell them she would get care

811

00:34:38,079 --> 00:34:41,279

of them well no she's got two big

812

00:34:39,398 --> 00:34:43,179

security guards should get them tags out

813  
00:34:41,280 --> 00:34:45,010  
these could do they were quite a few

814  
00:34:43,179 --> 00:34:46,750  
burly guards at the avn apparently they

815  
00:34:45,010 --> 00:34:49,960  
were there for me and dan buzzer to make

816  
00:34:46,750 --> 00:34:54,338  
sure we didn't cause any well I'm not

817  
00:34:49,960 --> 00:34:55,659  
surprised Kylie I mean I want to marry I

818  
00:34:54,338 --> 00:34:58,179  
spent the whole time i head over my

819  
00:34:55,659 --> 00:34:59,920  
laptop 70 70 cavity deputy tap tappity

820  
00:34:58,179 --> 00:35:01,569  
tap so and you know what Meryl said

821  
00:34:59,920 --> 00:35:02,980  
about that right but if you guys have

822  
00:35:01,570 --> 00:35:04,180  
been bothered to listen instead of

823  
00:35:02,980 --> 00:35:05,380  
tweeting and blogging you might have

824  
00:35:04,179 --> 00:35:06,819  
learned something well that's funny

825  
00:35:05,380 --> 00:35:09,130  
because I ended up as you know

826  
00:35:06,820 --> 00:35:12,510  
transcribing eight pages of Judy woolum

827

00:35:09,130 --> 00:35:15,910  
and speech pretty much verbatim so um

828  
00:35:12,510 --> 00:35:18,130  
yeah yeah and what plunge learn yeah

829  
00:35:15,909 --> 00:35:21,368  
what did I learn I learned after passing

830  
00:35:18,130 --> 00:35:23,590  
on to all of you that it's amazing how

831  
00:35:21,369 --> 00:35:26,050  
you can cherry-pick data isn't it

832  
00:35:23,590 --> 00:35:29,140  
using how you can post up links am Mel

833  
00:35:26,050 --> 00:35:32,320  
it's amazing how you can post up links

834  
00:35:29,139 --> 00:35:35,170  
on a powerpoint that don't actually go

835  
00:35:32,320 --> 00:35:37,059  
to anything really and look really

836  
00:35:35,170 --> 00:35:38,980  
impressive when you say and here's the

837  
00:35:37,059 --> 00:35:40,809  
supporting detour such and such and then

838  
00:35:38,980 --> 00:35:42,969  
post up a URL and then I have the

839  
00:35:40,809 --> 00:35:44,889  
wonderful Jack neo Tammy Scanlon on

840  
00:35:42,969 --> 00:35:46,239  
Twitter clicking on those things for me

841  
00:35:44,889 --> 00:35:47,829

and merely tweeting me back going it

842

00:35:46,239 --> 00:35:49,689

doesn't go anyway can you check again I

843

00:35:47,829 --> 00:35:50,679

can't yet say it's the correct link this

844

00:35:49,690 --> 00:35:52,630

is the link that she is habitable

845

00:35:50,679 --> 00:35:54,609

interested it's a blank so they just

846

00:35:52,630 --> 00:35:57,329

expired or they were never there in the

847

00:35:54,610 --> 00:35:59,590

first place it's a 403 or 404 I

848

00:35:57,329 --> 00:36:01,269

suggested never was there in the first

849

00:35:59,590 --> 00:36:03,940

place or this woman doesn't have a time

850

00:36:01,269 --> 00:36:06,519

i can give you lessons I'm really good

851

00:36:03,940 --> 00:36:08,920

at it yeah I you could you could take

852

00:36:06,519 --> 00:36:10,239

that as a form of gish galloping I think

853

00:36:08,920 --> 00:36:11,740

there's another term for it when you

854

00:36:10,239 --> 00:36:13,299

when you do that you put up lots of

855

00:36:11,739 --> 00:36:15,339

links and references and say there's all

856  
00:36:13,300 --> 00:36:17,769  
this support and you don't that's all

857  
00:36:15,340 --> 00:36:21,280  
you do I just connected we just as the

858  
00:36:17,769 --> 00:36:23,320  
non ish gallopin you want to yes yeah

859  
00:36:21,280 --> 00:36:25,840  
and now I'm assumed from the way using

860  
00:36:23,320 --> 00:36:27,430  
it that it means trying to flood some up

861  
00:36:25,840 --> 00:36:30,670  
with so much information that they can't

862  
00:36:27,429 --> 00:36:32,980  
disprove it is that correct yes yes

863  
00:36:30,670 --> 00:36:35,769  
right okay well if you went to one of

864  
00:36:32,980 --> 00:36:37,480  
the great websites prison planet then

865  
00:36:35,769 --> 00:36:39,070  
they have all the all the stuff that's

866  
00:36:37,480 --> 00:36:40,599  
going on do you don't know about that

867  
00:36:39,070 --> 00:36:42,160  
they will have a hold of stakeholders

868  
00:36:40,599 --> 00:36:43,630  
and then if you follow them through that

869  
00:36:42,159 --> 00:36:45,339  
a lot of them actually don't go anywhere

870  
00:36:43,630 --> 00:36:47,320  
public us that expired or something like

871  
00:36:45,340 --> 00:36:49,630  
that but I still think if you if you if

872  
00:36:47,320 --> 00:36:51,910  
you want references that are really out

873  
00:36:49,630 --> 00:36:53,980  
there you have to go to the no agenda

874  
00:36:51,909 --> 00:36:55,599  
show that's the place i like it i love

875  
00:36:53,980 --> 00:36:57,490  
that i know you guys don't follow me on

876  
00:36:55,599 --> 00:36:59,799  
that one but they have their show notes

877  
00:36:57,489 --> 00:37:01,000  
every week we'll we'll have you going to

878  
00:36:59,800 --> 00:37:02,860  
what other people are thinking about

879  
00:37:01,000 --> 00:37:05,139  
non-scientific things and I think it's a

880  
00:37:02,860 --> 00:37:07,360  
great list of links Maynard you actually

881  
00:37:05,139 --> 00:37:10,119  
subscribe to me to no agenda and I did

882  
00:37:07,360 --> 00:37:12,730  
listen to okay so what do you think of

883  
00:37:10,119 --> 00:37:15,190  
the work of adam curry and johnson and

884

00:37:12,730 --> 00:37:16,210  
angina and john seed of work in the

885  
00:37:15,190 --> 00:37:18,309  
morning what do you think of they were

886  
00:37:16,210 --> 00:37:20,019  
well i tried to listen to one of them

887  
00:37:18,309 --> 00:37:22,029  
and they each of them go for about two

888  
00:37:20,019 --> 00:37:23,679  
hours so i started off with one that

889  
00:37:22,030 --> 00:37:26,740  
you'd mentioned to me specifically and

890  
00:37:23,679 --> 00:37:28,509  
that was about the vaccine reactions

891  
00:37:26,739 --> 00:37:30,129  
that happened in australia a couple of

892  
00:37:28,510 --> 00:37:33,730  
months ago with young children getting

893  
00:37:30,130 --> 00:37:35,530  
sick and as soon as they said they'd

894  
00:37:33,730 --> 00:37:37,449  
received a donation for three thousand

895  
00:37:35,530 --> 00:37:40,300  
dollars because

896  
00:37:37,449 --> 00:37:42,699  
the guy who donated said they revealed

897  
00:37:40,300 --> 00:37:44,920  
that a child died from the flu vaccine I

898  
00:37:42,699 --> 00:37:46,659

had to turn it off because you thought

899

00:37:44,920 --> 00:37:49,869

AHA that's so incorrect i'm not going to

900

00:37:46,659 --> 00:37:51,789

list any further yes because the

901

00:37:49,869 --> 00:37:53,769

coroner's inquest had shown that there

902

00:37:51,789 --> 00:37:57,130

was no link between the vaccine and the

903

00:37:53,769 --> 00:37:59,559

death and okay there might be still some

904

00:37:57,130 --> 00:38:02,108

debate about what actually caused it but

905

00:37:59,559 --> 00:38:04,210

i think it's really irresponsible to say

906

00:38:02,108 --> 00:38:06,009

we revealed that the vaccine caused the

907

00:38:04,210 --> 00:38:08,230

death but the guy also gave that

908

00:38:06,010 --> 00:38:10,450

donation was in Australia he was from

909

00:38:08,230 --> 00:38:12,309

Queensland yet another and the death

910

00:38:10,449 --> 00:38:16,569

happen in Queensland exactly yeah yeah

911

00:38:12,309 --> 00:38:17,710

um here's a local paper yes I mean yeah

912

00:38:16,570 --> 00:38:19,450

that's what I mean like what are you

913

00:38:17,710 --> 00:38:22,838  
getting I'm getting at that even the

914

00:38:19,449 --> 00:38:24,848  
like brian dunning says and i think like

915

00:38:22,838 --> 00:38:26,799  
no agenda guys themselves would also say

916

00:38:24,849 --> 00:38:28,630  
they shouldn't be your primary source of

917

00:38:26,800 --> 00:38:30,579  
information that should be the start

918

00:38:28,630 --> 00:38:32,829  
before you start looking at something so

919

00:38:30,579 --> 00:38:36,010  
for example that's why I enjoy skip

920

00:38:32,829 --> 00:38:37,210  
toyed and no agenda because I hear

921

00:38:36,010 --> 00:38:39,550  
something that they'll generate going on

922

00:38:37,210 --> 00:38:41,079  
has and sound and maybe sometimes I'll

923

00:38:39,550 --> 00:38:43,150  
go oh yeah okay there is some evidence

924

00:38:41,079 --> 00:38:45,460  
to back it up or sometimes ago no Adams

925

00:38:43,150 --> 00:38:47,170  
and up and and I think that's where it

926

00:38:45,460 --> 00:38:48,550  
should be and with Brian when brian says

927  
00:38:47,170 --> 00:38:49,930  
something about well look he did he's

928  
00:38:48,550 --> 00:38:52,329  
late escaped wind was all about things

929  
00:38:49,929 --> 00:38:53,739  
he got wrong yeah yeah yeah and he runs

930  
00:38:52,329 --> 00:38:56,019  
he even says don't listen to any guy on

931  
00:38:53,739 --> 00:38:57,519  
a podcast now yes I agree that it's

932  
00:38:56,019 --> 00:38:59,079  
irresponsible of them to make a

933  
00:38:57,519 --> 00:39:01,030  
statement like that that is incorrect

934  
00:38:59,079 --> 00:39:03,310  
and could make people not immunize their

935  
00:39:01,030 --> 00:39:06,250  
children but I'm not quite sure sure

936  
00:39:03,309 --> 00:39:09,250  
that they're that powerful no that's

937  
00:39:06,250 --> 00:39:10,900  
probably fair enough but I think I mean

938  
00:39:09,250 --> 00:39:12,818  
that could have just been an offhanded

939  
00:39:10,900 --> 00:39:15,369  
statement and because there were a lot

940  
00:39:12,818 --> 00:39:17,980  
of rumors going on around about about

941

00:39:15,369 --> 00:39:19,300  
that issue but if they are putting

942  
00:39:17,980 --> 00:39:21,250  
themselves up as we look for the

943  
00:39:19,300 --> 00:39:23,200  
evidence and we seek the truth and they

944  
00:39:21,250 --> 00:39:25,630  
Bibble now and they hit people in the

945  
00:39:23,199 --> 00:39:27,098  
mouth as you say if that's the first

946  
00:39:25,630 --> 00:39:28,510  
thing they're going to say then it's

947  
00:39:27,099 --> 00:39:32,650  
very hard for me to try to engage with

948  
00:39:28,510 --> 00:39:35,079  
anything else because I I don't dismiss

949  
00:39:32,650 --> 00:39:38,230  
every conspiracy theory I don't dismiss

950  
00:39:35,079 --> 00:39:40,060  
whoo without looking into it first so

951  
00:39:38,230 --> 00:39:42,010  
you know you and I have discussions a

952  
00:39:40,059 --> 00:39:43,328  
lot about you say to me well maybe I

953  
00:39:42,010 --> 00:39:44,710  
shouldn't talk about this with you

954  
00:39:43,329 --> 00:39:47,140  
because you might just go oh that's

955  
00:39:44,710 --> 00:39:49,329

nonsense but I don't and we watched the

956

00:39:47,139 --> 00:39:50,889

West whole documentary together and I

957

00:39:49,329 --> 00:39:52,479

did have to stop it a few times and say

958

00:39:50,889 --> 00:39:56,828

hang on I don't think that's right

959

00:39:52,478 --> 00:40:00,338

others going out for drinks more for you

960

00:39:56,829 --> 00:40:02,019

may not but there is actually there is a

961

00:40:00,338 --> 00:40:03,338

couple of tests okay we're floating

962

00:40:02,018 --> 00:40:04,958

around here but there is some testable

963

00:40:03,338 --> 00:40:06,849

points of the West Hall documentary that

964

00:40:04,958 --> 00:40:08,288

are yet to be made remember the girl at

965

00:40:06,849 --> 00:40:10,450

drop taking away the ambulance was never

966

00:40:08,289 --> 00:40:12,339

seen before yes obviously they have a

967

00:40:10,449 --> 00:40:13,899

name of that girl yeah there might be

968

00:40:12,338 --> 00:40:15,608

some I think something might be some

969

00:40:13,900 --> 00:40:17,349

future follow up on the DVD to find out

970  
00:40:15,608 --> 00:40:18,639  
what happened that girl now okay do you

971  
00:40:17,349 --> 00:40:21,219  
want to just put that in context for our

972  
00:40:18,639 --> 00:40:23,108  
listeners who may not know about it okay

973  
00:40:21,219 --> 00:40:24,999  
just quickly go over it again through

974  
00:40:23,108 --> 00:40:26,409  
the talk was okay Australia's latest i

975  
00:40:24,998 --> 00:40:28,568  
think we did speak better on a big tank

976  
00:40:26,409 --> 00:40:29,858  
we need a few about month ago in okay

977  
00:40:28,568 --> 00:40:31,179  
look I'm sorry to float around this was

978  
00:40:29,858 --> 00:40:33,278  
talking about vaccinations a second ago

979  
00:40:31,179 --> 00:40:34,808  
no it serious oh yeah we're at player

980  
00:40:33,278 --> 00:40:36,969  
see how do we back up should we listen

981  
00:40:34,809 --> 00:40:38,559  
to both sides and what you do okay right

982  
00:40:36,969 --> 00:40:40,059  
no I agree with you should listen to

983  
00:40:38,559 --> 00:40:42,309  
both sides well mostly stopped me yeah

984  
00:40:40,059 --> 00:40:43,690  
ok now that West or 66 is a lot

985  
00:40:42,309 --> 00:40:46,329  
Australia's I think it's pretty much our

986  
00:40:43,690 --> 00:40:49,329  
largest documented UFO sighting ever

987  
00:40:46,329 --> 00:40:51,160  
basically something flew over still

988  
00:40:49,329 --> 00:40:55,630  
appeared to land behind some trees here

989  
00:40:51,159 --> 00:40:58,538  
we go here comes now you're caring to

990  
00:40:55,630 --> 00:41:00,099  
land on a runway that's a 747 to you and

991  
00:40:58,539 --> 00:41:02,049  
actually that reminds me in the whole

992  
00:41:00,099 --> 00:41:04,390  
documentary I don't remember anyone

993  
00:41:02,048 --> 00:41:07,420  
mentioning what the object sounded like

994  
00:41:04,389 --> 00:41:09,038  
yeah good point now it could have been

995  
00:41:07,420 --> 00:41:10,838  
flying silently there are methods of

996  
00:41:09,039 --> 00:41:12,789  
propulsion that I don't know about that

997  
00:41:10,838 --> 00:41:15,400  
could be silent that's possible but no

998

00:41:12,789 --> 00:41:17,109  
one seemed to remember anything of an

999  
00:41:15,400 --> 00:41:19,690  
auditory nature it runs seems remember

1000  
00:41:17,108 --> 00:41:21,788  
visual no you're right and there wasn't

1001  
00:41:19,690 --> 00:41:23,499  
mentioned once or not that's just some

1002  
00:41:21,789 --> 00:41:25,569  
other store then okay so all these kids

1003  
00:41:23,498 --> 00:41:28,179  
saw this some teachers lawyers and and

1004  
00:41:25,568 --> 00:41:29,858  
as a teacher that allegedly took a photo

1005  
00:41:28,179 --> 00:41:31,889  
of what it was that Cameron with it was

1006  
00:41:29,858 --> 00:41:35,348  
then taken away from the teacher by

1007  
00:41:31,889 --> 00:41:37,058  
that's really low 40 yeah there was one

1008  
00:41:35,349 --> 00:41:38,559  
man dressed in uniform the other one

1009  
00:41:37,059 --> 00:41:39,369  
looked like a moment a policeman or

1010  
00:41:38,559 --> 00:41:41,619  
something like that and actually took

1011  
00:41:39,369 --> 00:41:43,809  
the camera as well as the film now all

1012  
00:41:41,619 --> 00:41:46,059

of these things are seem unusual there

1013

00:41:43,809 --> 00:41:47,559

seem to be a lot of people look and

1014

00:41:46,059 --> 00:41:49,298

maybe it might be messaged area but also

1015

00:41:47,559 --> 00:41:51,400

spoke to people that have experienced

1016

00:41:49,298 --> 00:41:53,349

similar situations I don't want to name

1017

00:41:51,400 --> 00:41:54,849

the person at their school seeing

1018

00:41:53,349 --> 00:41:56,109

unusual things and they're pretty damn

1019

00:41:54,849 --> 00:41:58,359

convinced that they did see something

1020

00:41:56,108 --> 00:41:59,670

unusual themselves that hovered near

1021

00:41:58,358 --> 00:42:01,500

their school for about an hour

1022

00:41:59,670 --> 00:42:03,358

and they were able to visually confirm

1023

00:42:01,500 --> 00:42:04,980

that to themselves now looking at

1024

00:42:03,358 --> 00:42:06,088

yourself you know i'm not i'm talking

1025

00:42:04,980 --> 00:42:07,920

about someone else i know well enough

1026

00:42:06,088 --> 00:42:09,328

that has also seen something of that

1027  
00:42:07,920 --> 00:42:11,639  
kind of thing and we know the most

1028  
00:42:09,329 --> 00:42:13,589  
powerful experiences the ones that you

1029  
00:42:11,639 --> 00:42:14,670  
experience yourself that's right and and

1030  
00:42:13,588 --> 00:42:16,230  
I'm not going to doubt they had this

1031  
00:42:14,670 --> 00:42:17,639  
experience but you know then again

1032  
00:42:16,230 --> 00:42:20,130  
there's anything that knows I had that

1033  
00:42:17,639 --> 00:42:21,659  
experience so again as you are always

1034  
00:42:20,130 --> 00:42:23,250  
going on about this show and in the

1035  
00:42:21,659 --> 00:42:24,629  
skeptics guide to the universe and in

1036  
00:42:23,250 --> 00:42:26,818  
sceptile you want stuff that can be

1037  
00:42:24,630 --> 00:42:27,930  
tested and that can't be test okay but

1038  
00:42:26,818 --> 00:42:30,568  
can we just go back to what you said

1039  
00:42:27,929 --> 00:42:32,159  
initially about this point which was the

1040  
00:42:30,568 --> 00:42:34,079  
girl who was apparently social and the

1041  
00:42:32,159 --> 00:42:36,779  
ambulance no this this was one thing

1042  
00:42:34,079 --> 00:42:38,970  
that you and I discussed after the

1043  
00:42:36,780 --> 00:42:41,010  
Westall documentary because that would

1044  
00:42:38,969 --> 00:42:42,750  
be easy to test wouldn't it it would it

1045  
00:42:41,010 --> 00:42:44,490  
must be medical records they must be

1046  
00:42:42,750 --> 00:42:47,130  
ambulance record so there must be the

1047  
00:42:44,489 --> 00:42:49,739  
girl they didn't follow it up that

1048  
00:42:47,130 --> 00:42:51,030  
that's right yeah well that apparently

1049  
00:42:49,739 --> 00:42:53,250  
that girl was taken away in an ambulance

1050  
00:42:51,030 --> 00:42:54,599  
which again never seen a getting them

1051  
00:42:53,250 --> 00:42:56,369  
you will never came back to that school

1052  
00:42:54,599 --> 00:42:58,500  
now sure she could just move to another

1053  
00:42:56,369 --> 00:42:59,970  
school for another reason but again

1054  
00:42:58,500 --> 00:43:01,769  
there could be some sort of paper trail

1055

00:42:59,969 --> 00:43:03,719  
there and it's only 1966 which

1056  
00:43:01,769 --> 00:43:05,489  
admittedly was a while ago but maybe I

1057  
00:43:03,719 --> 00:43:07,439  
head classmates would know what happened

1058  
00:43:05,489 --> 00:43:09,179  
to Mary know why cause mate said that

1059  
00:43:07,440 --> 00:43:10,559  
what happened to Mary and two couldn't

1060  
00:43:09,179 --> 00:43:12,029  
find out what happens when they named

1061  
00:43:10,559 --> 00:43:13,589  
her yet they've actually named it

1062  
00:43:12,030 --> 00:43:15,450  
actually named and they had a surname

1063  
00:43:13,588 --> 00:43:17,489  
and everything so this is why I'm

1064  
00:43:15,449 --> 00:43:19,230  
variants to find out here we have some

1065  
00:43:17,489 --> 00:43:21,389  
testable information did wash you

1066  
00:43:19,230 --> 00:43:22,710  
overcome just buy some hysteria did you

1067  
00:43:21,389 --> 00:43:25,139  
get close to the object and they had

1068  
00:43:22,710 --> 00:43:28,829  
some before she indeed taken away at all

1069  
00:43:25,139 --> 00:43:30,150

or even that wasn't the ambulance dress

1070

00:43:28,829 --> 00:43:32,490

to look like an added that's what was

1071

00:43:30,150 --> 00:43:34,920

really an alien ship or door did to the

1072

00:43:32,489 --> 00:43:36,838

poor girl had a fit dying it wasn't

1073

00:43:34,920 --> 00:43:39,358

passed one of the kids because Oh kids

1074

00:43:36,838 --> 00:43:40,650

well yes I there's many things that

1075

00:43:39,358 --> 00:43:42,058

could have happened there but that is

1076

00:43:40,650 --> 00:43:43,798

the one thing at the end of documentary

1077

00:43:42,059 --> 00:43:46,380

go gee I'd like to whatever that girl

1078

00:43:43,798 --> 00:43:47,400

yeah and and you know and it ever say in

1079

00:43:46,380 --> 00:43:48,930

the documentary I would love to have a

1080

00:43:47,400 --> 00:43:50,400

piece of an alien spaceship they could

1081

00:43:48,929 --> 00:43:52,588

test but there's nothing here it's just

1082

00:43:50,400 --> 00:43:53,880

a lot of people talking about it now I

1083

00:43:52,588 --> 00:43:55,078

have heard that the problem with the

1084  
00:43:53,880 --> 00:43:56,940  
documentary is there's massive

1085  
00:43:55,079 --> 00:43:58,500  
confirmation bias and because an ad was

1086  
00:43:56,940 --> 00:44:01,230  
put in the local paper about if you're

1087  
00:43:58,500 --> 00:44:03,510  
at the Westall school at this time and

1088  
00:44:01,230 --> 00:44:05,429  
you saw something come along this

1089  
00:44:03,510 --> 00:44:07,230  
meeting we're having so if you were at

1090  
00:44:05,429 --> 00:44:08,149  
that school and you saw nothing maybe

1091  
00:44:07,230 --> 00:44:10,460  
you read

1092  
00:44:08,150 --> 00:44:12,798  
maybe wouldn't go the meeting you know

1093  
00:44:10,460 --> 00:44:14,778  
but you know there's a lot of layers to

1094  
00:44:12,798 --> 00:44:16,639  
it that I thought were interesting it

1095  
00:44:14,778 --> 00:44:18,920  
was worth making a documentary about the

1096  
00:44:16,639 --> 00:44:21,259  
actual documentary maker herself she has

1097  
00:44:18,920 --> 00:44:22,970  
come under a lot of fire for you know

1098  
00:44:21,260 --> 00:44:24,710  
making it a wound documentary and

1099  
00:44:22,969 --> 00:44:27,078  
everything and I don't know I just think

1100  
00:44:24,710 --> 00:44:29,210  
look she with what she had and which

1101  
00:44:27,079 --> 00:44:30,650  
wasn't a lot it was filled in with some

1102  
00:44:29,210 --> 00:44:33,019  
really good graphics that they did and

1103  
00:44:30,650 --> 00:44:34,760  
I'm glad it was made and look I'd like

1104  
00:44:33,019 --> 00:44:36,798  
to see more of it but I'd like to see

1105  
00:44:34,760 --> 00:44:38,059  
more of it with information and when

1106  
00:44:36,798 --> 00:44:40,159  
you're dealing with something that a lot

1107  
00:44:38,059 --> 00:44:42,019  
of people saw with no accompanying

1108  
00:44:40,159 --> 00:44:42,889  
evidence that can be tested I think she

1109  
00:44:42,019 --> 00:44:45,259  
did a pretty good job with the

1110  
00:44:42,889 --> 00:44:47,118  
documentary as it was I wonder if that's

1111  
00:44:45,260 --> 00:44:49,640  
going to make it to the network it was

1112

00:44:47,119 --> 00:44:52,250  
on cable oh yes and it was funded by the

1113  
00:44:49,639 --> 00:44:55,250  
sci-fi channel NTV won both put money

1114  
00:44:52,250 --> 00:44:56,869  
into EV one TV one film Victoria put

1115  
00:44:55,250 --> 00:44:58,068  
money into us yes look that it was a

1116  
00:44:56,869 --> 00:45:00,470  
project that's been going on for about

1117  
00:44:58,068 --> 00:45:02,298  
five years and i would i would say the

1118  
00:45:00,469 --> 00:45:03,588  
filmmaker would lost a lot of money on

1119  
00:45:02,298 --> 00:45:05,059  
it because they would have been filming

1120  
00:45:03,588 --> 00:45:07,068  
bits and pieces of it and slowly

1121  
00:45:05,059 --> 00:45:09,640  
assembling it but there is one section

1122  
00:45:07,068 --> 00:45:11,538  
that i think a lot of skeptics would

1123  
00:45:09,639 --> 00:45:13,338  
definitely pick up there is two and

1124  
00:45:11,539 --> 00:45:15,020  
that's when one of the girls who was

1125  
00:45:13,338 --> 00:45:16,460  
regressing back to what she remember at

1126  
00:45:15,019 --> 00:45:18,858

the time she was they were doing of that

1127

00:45:16,460 --> 00:45:21,108  
hypnotherapy that only regressive

1128

00:45:18,858 --> 00:45:22,969  
hypnotherapy and and they filmed a bit

1129

00:45:21,108 --> 00:45:25,159  
of that and that did make me one a

1130

00:45:22,969 --> 00:45:27,769  
little bit because the hypnotherapist

1131

00:45:25,159 --> 00:45:29,629  
send me leading her a little bit ya know

1132

00:45:27,769 --> 00:45:32,538  
when she started talking about small

1133

00:45:29,630 --> 00:45:34,220  
green alien type men and I'm no I don't

1134

00:45:32,539 --> 00:45:35,778  
think she went that far but is I Greymon

1135

00:45:34,219 --> 00:45:37,939  
but she did was talking about i can see

1136

00:45:35,778 --> 00:45:40,818  
figures and i can see these kind of

1137

00:45:37,940 --> 00:45:42,829  
great that said I I don't think that I

1138

00:45:40,818 --> 00:45:46,369  
need to tell anybody how notoriously

1139

00:45:42,829 --> 00:45:48,349  
unreliable and it's just dr. Christie

1140

00:45:46,369 --> 00:45:50,358  
Wilson's writing on on that kind of

1141  
00:45:48,349 --> 00:45:52,490  
thing about reliability memory or and

1142  
00:45:50,358 --> 00:45:54,440  
certainly dr. Chris French who and this

1143  
00:45:52,489 --> 00:45:56,000  
hip no hypnosis can bring back old

1144  
00:45:54,440 --> 00:45:59,179  
memories and you can see them clarity I

1145  
00:45:56,000 --> 00:46:00,619  
know it doesn't look like that the the

1146  
00:45:59,179 --> 00:46:01,818  
thing that thing was good about the west

1147  
00:46:00,619 --> 00:46:03,829  
of document appears they did have a

1148  
00:46:01,818 --> 00:46:05,599  
uniforms probably but got banging on

1149  
00:46:03,829 --> 00:46:08,450  
about this so much but they did have a

1150  
00:46:05,599 --> 00:46:10,599  
uniform specialist of military uniforms

1151  
00:46:08,449 --> 00:46:12,500  
there in the documentary and they

1152  
00:46:10,599 --> 00:46:14,809  
presented to him a description that

1153  
00:46:12,500 --> 00:46:16,519  
seemed to be the many different sorts of

1154  
00:46:14,809 --> 00:46:18,048  
uniforms that the children appeared to

1155  
00:46:16,519 --> 00:46:20,358  
obscene over the couple of days in the

1156  
00:46:18,048 --> 00:46:20,690  
area and love them did didn't match a

1157  
00:46:20,358 --> 00:46:22,130  
stray

1158  
00:46:20,690 --> 00:46:24,800  
uniforms the time they appeared to match

1159  
00:46:22,130 --> 00:46:27,200  
American uniforms of the time but again

1160  
00:46:24,800 --> 00:46:29,269  
once they saw on TV over the last 40

1161  
00:46:27,199 --> 00:46:32,348  
years well I don't know I used to watch

1162  
00:46:29,269 --> 00:46:35,869  
a lot of i dream of jeannie and and

1163  
00:46:32,349 --> 00:46:38,150  
alone you know and the the uniforms that

1164  
00:46:35,869 --> 00:46:39,619  
de major Healey and Tony had on in that

1165  
00:46:38,150 --> 00:46:41,780  
probably match what the kids were seeing

1166  
00:46:39,619 --> 00:46:43,400  
as well but again it was that because

1167  
00:46:41,780 --> 00:46:44,750  
that was on TV at the time or was it

1168  
00:46:43,400 --> 00:46:47,720  
because I actually what they saw you

1169

00:46:44,750 --> 00:46:50,329  
know I it's just the the I know one

1170  
00:46:47,719 --> 00:46:51,858  
person can be fooled as you say and 200

1171  
00:46:50,329 --> 00:46:54,589  
people can be a Glee and filled as well

1172  
00:46:51,858 --> 00:46:56,750  
and I it just makes me wonder which is

1173  
00:46:54,588 --> 00:46:58,670  
why I get back to the fact that i love

1174  
00:46:56,750 --> 00:47:00,289  
shows like no agenda and skip to it

1175  
00:46:58,670 --> 00:47:03,619  
equally because they're coming from

1176  
00:47:00,289 --> 00:47:05,059  
opposite directions and you've got to do

1177  
00:47:03,619 --> 00:47:07,280  
the work i think i don't think you know

1178  
00:47:05,059 --> 00:47:09,349  
i like the fact that skeptic podcasts

1179  
00:47:07,280 --> 00:47:11,060  
and podcasts in general make the person

1180  
00:47:09,349 --> 00:47:12,980  
think about it i mean like most radio

1181  
00:47:11,059 --> 00:47:15,349  
stations they trying I mean John Laws he

1182  
00:47:12,980 --> 00:47:16,849  
was always doing the thinking for you on

1183  
00:47:15,349 --> 00:47:19,579

his show and I like I like the way these

1184

00:47:16,849 --> 00:47:21,050

podcasts like you know you know it's as

1185

00:47:19,579 --> 00:47:22,730

good as it's a starting place do you

1186

00:47:21,050 --> 00:47:24,530

think would no agenda do something like

1187

00:47:22,730 --> 00:47:27,849

skip do it would they devote an episode

1188

00:47:24,530 --> 00:47:30,740

to their errors that's a very good point

1189

00:47:27,849 --> 00:47:33,579

they are constantly reading emails about

1190

00:47:30,739 --> 00:47:37,459

people who think they're wrong hmm and

1191

00:47:33,579 --> 00:47:39,769

basically there it's more of a format

1192

00:47:37,460 --> 00:47:41,720

reviewing the news so like they'll go

1193

00:47:39,769 --> 00:47:43,309

through c-span I'll watch c-span so you

1194

00:47:41,719 --> 00:47:45,439

don't have to they will go through these

1195

00:47:43,309 --> 00:47:46,759

shows and look at them and give you

1196

00:47:45,440 --> 00:47:48,289

their take on them now a lot of his

1197

00:47:46,760 --> 00:47:50,240

American politics it is a little bit

1198  
00:47:48,289 --> 00:47:51,889  
confusing to us Australia's here and

1199  
00:47:50,239 --> 00:47:53,479  
that they've drilled down to a lot of

1200  
00:47:51,889 --> 00:47:54,858  
things but occasionally you'll gets a

1201  
00:47:53,480 --> 00:47:57,980  
bit you get big things and you get

1202  
00:47:54,858 --> 00:47:59,690  
crackpot stuff and you know like Adam

1203  
00:47:57,980 --> 00:48:01,250  
definitely thinks that there's an elite

1204  
00:47:59,690 --> 00:48:03,318  
that wants to take over the planet and

1205  
00:48:01,250 --> 00:48:05,838  
that's sooo nasty I don't think

1206  
00:48:03,318 --> 00:48:08,029  
necessarily Illuminati I think there's

1207  
00:48:05,838 --> 00:48:09,259  
an elite that want your stuff and the

1208  
00:48:08,030 --> 00:48:10,550  
way that they get your stuff is by

1209  
00:48:09,260 --> 00:48:12,079  
reducing the population every once

1210  
00:48:10,550 --> 00:48:14,150  
awhile and stuff like that now that is

1211  
00:48:12,079 --> 00:48:16,280  
really out there serious crackpot that

1212  
00:48:14,150 --> 00:48:18,170  
but that's the I think it fits into the

1213  
00:48:16,280 --> 00:48:20,180  
same theory as the world the New World

1214  
00:48:18,170 --> 00:48:22,039  
Order the Illuminati the Rockefellers

1215  
00:48:20,179 --> 00:48:24,348  
the Rothschilds the Georgia Guidestones

1216  
00:48:22,039 --> 00:48:26,509  
stuff doesn't it isn't it does not fit

1217  
00:48:24,349 --> 00:48:28,130  
into that same well it certainly fits in

1218  
00:48:26,510 --> 00:48:30,140  
the busy but the hose him down there's

1219  
00:48:28,130 --> 00:48:31,970  
John said Dvorak who buys into a little

1220  
00:48:30,139 --> 00:48:33,699  
bit of this but there's stuff you stop

1221  
00:48:31,969 --> 00:48:35,469  
set and the one thing that they

1222  
00:48:33,699 --> 00:48:36,879  
they've come up with recently is the

1223  
00:48:35,469 --> 00:48:39,459  
chemtrails thing now that's meant that's

1224  
00:48:36,880 --> 00:48:41,980  
been around for years and Adams on board

1225  
00:48:39,460 --> 00:48:43,210  
with this and an even jhansi dvorak's on

1226

00:48:41,980 --> 00:48:45,159  
board with the earthquake machine little

1227  
00:48:43,210 --> 00:48:46,929  
bit because like like like I say the geo

1228  
00:48:45,159 --> 00:48:48,399  
political ramifications of an earthquake

1229  
00:48:46,929 --> 00:48:51,489  
machine would be pretty massive all

1230  
00:48:48,400 --> 00:48:53,289  
right we have the Italian size magis

1231  
00:48:51,489 --> 00:48:55,539  
you're currently being sued ugly thing

1232  
00:48:53,289 --> 00:48:57,340  
as well another case i must admit that's

1233  
00:48:55,539 --> 00:49:01,269  
a new one on me earthquake earthquake

1234  
00:48:57,340 --> 00:49:03,010  
machine because look no because if if I

1235  
00:49:01,269 --> 00:49:04,509  
don't the seismologist actually Croatian

1236  
00:49:03,010 --> 00:49:07,000  
was being sued for not being ultra

1237  
00:49:04,510 --> 00:49:08,620  
detected oh yes if the government or

1238  
00:49:07,000 --> 00:49:10,809  
group of people had the ability to cause

1239  
00:49:08,619 --> 00:49:13,210  
earthquakes wouldn't that be a great

1240  
00:49:10,809 --> 00:49:14,559

weapon and the problem is earthquakes

1241  
00:49:13,210 --> 00:49:20,949  
happen naturally all the time anyways

1242  
00:49:14,559 --> 00:49:21,880  
yeah how could you tell yeah oh yeah and

1243  
00:49:20,949 --> 00:49:23,919  
that's something you can never test

1244  
00:49:21,880 --> 00:49:26,140  
either I think we should investigate jen

1245  
00:49:23,920 --> 00:49:28,480  
mccreight and her boob quite claims ah

1246  
00:49:26,139 --> 00:49:30,519  
actually though not she has been high

1247  
00:49:28,480 --> 00:49:33,429  
evidence of her she might have an

1248  
00:49:30,519 --> 00:49:34,929  
earthquake machine within her bizim well

1249  
00:49:33,429 --> 00:49:36,159  
well the two of you can ask your

1250  
00:49:34,929 --> 00:49:37,779  
teammate since I know that should be

1251  
00:49:36,159 --> 00:49:41,199  
doing a very short presentation on the

1252  
00:49:37,780 --> 00:49:42,940  
sunday about the ER I is a two or four

1253  
00:49:41,199 --> 00:49:47,829  
plan to say the impactor boobquake I'm

1254  
00:49:42,940 --> 00:49:48,880  
not too sure anyone here celebrate blue

1255  
00:49:47,829 --> 00:49:51,069  
cracked I when I was walking around the

1256  
00:49:48,880 --> 00:49:53,559  
house poppers all day didn't feel a

1257  
00:49:51,070 --> 00:49:55,539  
thing I think my not i'll leave you to

1258  
00:49:53,559 --> 00:49:57,159  
represent us in that kinda matter we

1259  
00:49:55,539 --> 00:49:59,259  
celebrate the richard nice celebrate a

1260  
00:49:57,159 --> 00:50:03,089  
big quake yeah we reach enjoy everyone

1261  
00:49:59,260 --> 00:50:05,050  
we know we went for a walk maybe finder

1262  
00:50:03,090 --> 00:50:08,650  
which is always dressing inappropriately

1263  
00:50:05,050 --> 00:50:09,910  
yeah it's just embarrassing i am on the

1264  
00:50:08,650 --> 00:50:11,769  
other side of the country people so

1265  
00:50:09,909 --> 00:50:13,059  
don't to see it mmm and also i always

1266  
00:50:11,769 --> 00:50:14,650  
ever get a visa to get into the US

1267  
00:50:13,059 --> 00:50:16,329  
that's one that at tam in las vegas too

1268  
00:50:14,650 --> 00:50:18,550  
by the way i think it's cuz i'm in

1269  
00:50:16,329 --> 00:50:20,199  
listen to no agenda oh you're kidding

1270  
00:50:18,550 --> 00:50:22,690  
right i want you to come accompanied by

1271  
00:50:20,199 --> 00:50:24,369  
a laser to America no I kalica doesn't

1272  
00:50:22,690 --> 00:50:25,990  
know cuz I caught it I had to get a visa

1273  
00:50:24,369 --> 00:50:27,909  
I like once I can't go there today I

1274  
00:50:25,989 --> 00:50:29,049  
wanted to know about that but I'm not

1275  
00:50:27,909 --> 00:50:30,730  
sure if it's like a big thing that

1276  
00:50:29,050 --> 00:50:37,120  
you're not going to no no it's not it

1277  
00:50:30,730 --> 00:50:39,699  
was really quiet sad little as dr. AG

1278  
00:50:37,119 --> 00:50:41,799  
has a special visa and get into the

1279  
00:50:39,699 --> 00:50:43,869  
states no why is that like why's that

1280  
00:50:41,800 --> 00:50:45,450  
because I've always been too shy to Mars

1281  
00:50:43,869 --> 00:50:47,338  
thinking or rachel's because I know

1282  
00:50:45,449 --> 00:50:48,539  
someone who's not allowed he got in

1283

00:50:47,338 --> 00:50:50,159  
trouble for coming into Australia is

1284  
00:50:48,539 --> 00:50:51,809  
trying to sneak a whole pile of Chinese

1285  
00:50:50,159 --> 00:50:53,429  
fireworks and his luggage from Asia to

1286  
00:50:51,809 --> 00:50:54,809  
get to Australia and he got his handsome

1287  
00:50:53,429 --> 00:50:56,879  
acting he's got a little stamps on which

1288  
00:50:54,809 --> 00:50:59,039  
says watch this one he's a cheeky fellow

1289  
00:50:56,880 --> 00:51:01,890  
but I couldn't really imagine news china

1290  
00:50:59,039 --> 00:51:06,358  
so i got the rate she has a special visa

1291  
00:51:01,889 --> 00:51:10,250  
sound like these special olympics pana

1292  
00:51:06,358 --> 00:51:10,250  
none is it special as you want just

1293  
00:51:10,460 --> 00:51:15,750  
because it is actually on watch list is

1294  
00:51:13,920 --> 00:51:18,059  
its special that's what I mean like I

1295  
00:51:15,750 --> 00:51:20,608  
mean to secret it's what she feels she's

1296  
00:51:18,059 --> 00:51:23,219  
bringing her passport / very aggressive

1297  
00:51:20,608 --> 00:51:24,750

boy so here we go here we go that's

1298

00:51:23,219 --> 00:51:26,730

right you flipping through her well used

1299

00:51:24,750 --> 00:51:28,380

a hospital ID hide the number Sarasota

1300

00:51:26,730 --> 00:51:30,690

graford I don't get in trouble with you

1301

00:51:28,380 --> 00:51:34,079

oh you haven't do you have to unfold our

1302

00:51:30,690 --> 00:51:36,389

here we go maybe some light on it it's a

1303

00:51:34,079 --> 00:51:38,550

great likeness of dr. 18 now why dr. hu

1304

00:51:36,389 --> 00:51:40,559

do you have this special visa yeah and

1305

00:51:38,550 --> 00:51:42,780

the passport photo looks like you were

1306

00:51:40,559 --> 00:51:45,869

in everything but the girl in the early

1307

00:51:42,780 --> 00:51:48,240

eighteen spot was like two years ago

1308

00:51:45,869 --> 00:51:55,050

thank you very much I not hold it up

1309

00:51:48,239 --> 00:51:57,838

there we go good perfect I'll put that

1310

00:51:55,050 --> 00:52:00,869

on to the Flickr page yeah it sees a

1311

00:51:57,838 --> 00:52:03,328

rainy night al menos resemblance to dr.

1312  
00:52:00,869 --> 00:52:05,430  
oh ok now why right where's this this

1313  
00:52:03,329 --> 00:52:07,710  
sticker that says no fireworks for you

1314  
00:52:05,429 --> 00:52:10,169  
naughty well no it's really close it's

1315  
00:52:07,710 --> 00:52:13,050  
it was a ridiculous story to tell you

1316  
00:52:10,170 --> 00:52:16,680  
the truth in 1997 i went to Niagara

1317  
00:52:13,050 --> 00:52:19,710  
Falls our lovely and the border between

1318  
00:52:16,679 --> 00:52:22,440  
New York State and Canada is the Niagara

1319  
00:52:19,710 --> 00:52:24,630  
River so when you walk across the river

1320  
00:52:22,440 --> 00:52:27,389  
you actually go through immigration into

1321  
00:52:24,630 --> 00:52:29,010  
Canada when I go to immigration they

1322  
00:52:27,389 --> 00:52:31,078  
said well you know in America would you

1323  
00:52:29,010 --> 00:52:32,280  
like to pay seven dollars so that you

1324  
00:52:31,079 --> 00:52:33,960  
can come and look at the falls from the

1325  
00:52:32,280 --> 00:52:37,170  
other side or would you like not to I

1326  
00:52:33,960 --> 00:52:39,510  
said near and i want to so they ticked a

1327  
00:52:37,170 --> 00:52:41,159  
little box on my immigration form that

1328  
00:52:39,510 --> 00:52:43,790  
said refused entry to the United States

1329  
00:52:41,159 --> 00:52:43,789  
of America

1330  
00:52:44,139 --> 00:52:49,269  
huh and in fact it was you that was

1331  
00:52:46,239 --> 00:52:51,219  
refusing to go yeah and then I could

1332  
00:52:49,269 --> 00:52:54,219  
never ascertain whether that was on my

1333  
00:52:51,219 --> 00:52:55,509  
permanent record and after 2001 there

1334  
00:52:54,219 --> 00:52:58,149  
was no way that I was going to risk

1335  
00:52:55,510 --> 00:53:00,880  
turning up to LAX without a visa yeah

1336  
00:52:58,150 --> 00:53:03,670  
because if it said on my record has been

1337  
00:53:00,880 --> 00:53:06,329  
refused entry and didn't say why because

1338  
00:53:03,670 --> 00:53:08,500  
do have a seven dollars oh it could mean

1339  
00:53:06,329 --> 00:53:11,769  
Chinese fireworks occurred mean weapons

1340

00:53:08,500 --> 00:53:14,170  
it could mean anything contraband copies

1341  
00:53:11,769 --> 00:53:16,809  
of Jenny McCarthy's latest video oh yeah

1342  
00:53:14,170 --> 00:53:18,309  
anything so and they said we can't tell

1343  
00:53:16,809 --> 00:53:19,779  
you if it's on your record you need to

1344  
00:53:18,309 --> 00:53:21,880  
apply for a Freedom of Information Act

1345  
00:53:19,780 --> 00:53:23,830  
to get that information whether we just

1346  
00:53:21,880 --> 00:53:24,970  
that cheapskate didn't play together or

1347  
00:53:23,829 --> 00:53:28,719  
get that would cost you one hundred

1348  
00:53:24,969 --> 00:53:30,459  
twenty dollars every month revenge you

1349  
00:53:28,719 --> 00:53:32,439  
had to go to the stage tuned in you when

1350  
00:53:30,460 --> 00:53:34,269  
you were not while I missed out on a

1351  
00:53:32,440 --> 00:53:35,950  
trip to the stones tickets I had to

1352  
00:53:34,269 --> 00:53:37,719  
cancel i would got invited to go to a

1353  
00:53:35,949 --> 00:53:40,059  
conference in california i had to cancel

1354  
00:53:37,719 --> 00:53:42,009

that because i couldn't risk turning up

1355

00:53:40,059 --> 00:53:45,460

to LAX am I getting kicked out he's the

1356

00:53:42,010 --> 00:53:47,890

most expensive site scenes ever seven

1357

00:53:45,460 --> 00:53:50,710

dollars ending up costing you that much

1358

00:53:47,889 --> 00:53:52,029

but I had no idea that September 11

1359

00:53:50,710 --> 00:53:54,039

would happen and then you would

1360

00:53:52,030 --> 00:53:55,420

potentially become an issue because at

1361

00:53:54,039 --> 00:53:57,579

that time people were getting thrown out

1362

00:53:55,420 --> 00:53:58,780

of America for having eyeliner in their

1363

00:53:57,579 --> 00:54:01,779

carry-on luggage because it was

1364

00:53:58,780 --> 00:54:04,390

potentially a weapon so now i have a

1365

00:54:01,780 --> 00:54:05,950

special visa for five years and then I

1366

00:54:04,389 --> 00:54:08,500

have to keep applying and every time I

1367

00:54:05,949 --> 00:54:15,179

turn up at customs now they say why do

1368

00:54:08,500 --> 00:54:15,179

you have a visa I have to explain my egg

1369  
00:54:15,840 --> 00:54:19,930  
embarrassing for you should invoke the

1370  
00:54:18,219 --> 00:54:21,759  
use of the word special it's a special

1371  
00:54:19,929 --> 00:54:24,549  
visa haha and hopefully they'll

1372  
00:54:21,760 --> 00:54:26,620  
understand but it's just different from

1373  
00:54:24,550 --> 00:54:29,960  
the regular basil I am and travel with

1374  
00:54:26,619 --> 00:54:33,539  
Richard Saunders you have to commute

1375  
00:54:29,960 --> 00:54:34,858  
that's true that's true every time I've

1376  
00:54:33,539 --> 00:54:37,940  
gone to the state's I've gone in with

1377  
00:54:34,858 --> 00:54:42,329  
you yeah it's your fault not every time

1378  
00:54:37,940 --> 00:54:44,429  
I'll guess the next no yeah once oh no

1379  
00:54:42,329 --> 00:54:47,960  
no no that we left and we what I went to

1380  
00:54:44,429 --> 00:54:47,960  
Miami no we left you in the bath drugs

1381  
00:54:50,179 --> 00:54:54,779  
I'd like to point out that any my

1382  
00:54:52,380 --> 00:54:56,910  
students are listening to the show that

1383  
00:54:54,780 --> 00:54:58,560  
was a joke dr. H is one of the most

1384  
00:54:56,909 --> 00:55:01,618  
responsible people i know even though

1385  
00:54:58,559 --> 00:55:02,909  
she's a cheapskate not really hope that

1386  
00:55:01,619 --> 00:55:04,769  
you pay to see Niagara Falls because

1387  
00:55:02,909 --> 00:55:06,509  
you're good girls aren't you that's

1388  
00:55:04,769 --> 00:55:07,230  
right and she's a religious teacher and

1389  
00:55:06,510 --> 00:55:10,260  
they would never do anything

1390  
00:55:07,230 --> 00:55:12,809  
inappropriate no no nobody ever suspects

1391  
00:55:10,260 --> 00:55:15,600  
me you join pentagrams all over the

1392  
00:55:12,809 --> 00:55:16,739  
place look to the plane I know now

1393  
00:55:15,599 --> 00:55:17,699  
actually because the requirements of

1394  
00:55:16,739 --> 00:55:19,139  
advanced what are you most looking

1395  
00:55:17,699 --> 00:55:23,159  
forward to that being in the great city

1396  
00:55:19,139 --> 00:55:27,199  
of Las Vegas oh well the convention I

1397

00:55:23,159 --> 00:55:32,250  
nearly I gonna visit mrs. Sinatra my my

1398  
00:55:27,199 --> 00:55:34,799  
you got the wrong snatcher yes well now

1399  
00:55:32,250 --> 00:55:38,010  
did she is getting on in years now but

1400  
00:55:34,800 --> 00:55:39,960  
mrs. frank sinatra that is her name she

1401  
00:55:38,010 --> 00:55:42,750  
is in the las vegas phone book she's a

1402  
00:55:39,960 --> 00:55:45,449  
lovely lady um and I hope she's still

1403  
00:55:42,750 --> 00:55:48,719  
around her Frank himself uh no sorry

1404  
00:55:45,449 --> 00:55:50,099  
Fred Sinatra his his brother was Frank

1405  
00:55:48,719 --> 00:55:52,169  
Sinatra who hit his head on a tank

1406  
00:55:50,099 --> 00:55:53,699  
during the Korean War true story and

1407  
00:55:52,170 --> 00:55:56,280  
hasn't come out of his room a lot since

1408  
00:55:53,699 --> 00:55:59,159  
he hasn't been well and and fred is

1409  
00:55:56,280 --> 00:56:01,170  
sadly passed away but mrs. fred samara

1410  
00:55:59,159 --> 00:56:02,190  
is a lovely lady and if you give a ring

1411  
00:56:01,170 --> 00:56:03,659

while you're there just make a local

1412

00:56:02,190 --> 00:56:05,190

call she'll be a live in the book there

1413

00:56:03,659 --> 00:56:06,750

and tell her that your friend at main

1414

00:56:05,190 --> 00:56:08,789

house and just halo too much sure about

1415

00:56:06,750 --> 00:56:10,469

that cuz you used to call her on the

1416

00:56:08,789 --> 00:56:12,719

breakfast I used to call her once a week

1417

00:56:10,469 --> 00:56:14,399

and should give advice about vegetarian

1418

00:56:12,719 --> 00:56:17,309

food which is a seventh-day adventist

1419

00:56:14,400 --> 00:56:19,170

and should also give me advice on what

1420

00:56:17,309 --> 00:56:20,309

else oh yeah you got to be there at but

1421

00:56:19,170 --> 00:56:21,869

you could go to be married apparently

1422

00:56:20,309 --> 00:56:23,340

you know might my age not to be married

1423

00:56:21,869 --> 00:56:25,950

it's a really bad thing for a man or a

1424

00:56:23,340 --> 00:56:27,570

woman yeah and that was all those years

1425

00:56:25,949 --> 00:56:28,739

ago she said that may not all those

1426  
00:56:27,570 --> 00:56:30,180  
years ago I never thought I'd never

1427  
00:56:28,739 --> 00:56:32,669  
sworn in to her now and say you're still

1428  
00:56:30,179 --> 00:56:36,179  
not he's still not marriage is and I and

1429  
00:56:32,670 --> 00:56:37,740  
look and has been Fred passed away and a

1430  
00:56:36,179 --> 00:56:39,029  
few years later sheets you took up for a

1431  
00:56:37,739 --> 00:56:42,449  
while with a

1432  
00:56:39,030 --> 00:56:47,580  
called Rocky and now rocky used to be a

1433  
00:56:42,449 --> 00:56:51,869  
limo driver for the mob and an ex-boxer

1434  
00:56:47,579 --> 00:56:54,150  
and she has a very strong New Jersey

1435  
00:56:51,869 --> 00:56:56,880  
accent and she's fantastic and and and

1436  
00:56:54,150 --> 00:56:58,230  
you know and I think Fred might have had

1437  
00:56:56,880 --> 00:56:59,670  
a bit of dealings with you know with the

1438  
00:56:58,230 --> 00:57:02,369  
more I guess everyone has a new jersey

1439  
00:56:59,670 --> 00:57:03,840  
by the sound it is a and she's a

1440  
00:57:02,369 --> 00:57:05,489  
colorful character now she's getting on

1441  
00:57:03,840 --> 00:57:06,750  
news now but when you're over there give

1442  
00:57:05,489 --> 00:57:08,069  
her a ring and also when you're NOS

1443  
00:57:06,750 --> 00:57:09,929  
phagors if you could bring back some of

1444  
00:57:08,070 --> 00:57:12,000  
those really colorful cards that like

1445  
00:57:09,929 --> 00:57:13,649  
the rather flamboyant women tend to

1446  
00:57:12,000 --> 00:57:16,710  
leave on the strip seal and boy and

1447  
00:57:13,650 --> 00:57:18,570  
women yeah because they're just so funny

1448  
00:57:16,710 --> 00:57:21,179  
and they have the same sort of thing in

1449  
00:57:18,570 --> 00:57:22,769  
London telephone boxes as well these are

1450  
00:57:21,179 --> 00:57:25,619  
the strange women who were born with

1451  
00:57:22,769 --> 00:57:27,900  
stars instead of nipple apparently so

1452  
00:57:25,619 --> 00:57:31,199  
yeah and they seem to make their living

1453  
00:57:27,900 --> 00:57:32,570  
from dancing dancing yes yeah and and

1454

00:57:31,199 --> 00:57:35,460  
they just have such funny colorful

1455  
00:57:32,570 --> 00:57:36,840  
flamboyant a very fine point I remember

1456  
00:57:35,460 --> 00:57:39,150  
the first time I was in Vegas staying at

1457  
00:57:36,840 --> 00:57:41,280  
the Flamingo the amazing meeting they

1458  
00:57:39,150 --> 00:57:45,869  
were everywhere on the streets you'd

1459  
00:57:41,280 --> 00:57:47,670  
find these car women both Richard was

1460  
00:57:45,869 --> 00:57:49,859  
looking it was for research purposes and

1461  
00:57:47,670 --> 00:57:51,119  
research episode but I must say staying

1462  
00:57:49,860 --> 00:57:52,559  
at the south point where we're going to

1463  
00:57:51,119 --> 00:57:54,449  
be staying which is away from the strip

1464  
00:57:52,559 --> 00:57:56,159  
I didn't I didn't see any but wait if we

1465  
00:57:54,449 --> 00:57:58,259  
go to the strip which we will to check

1466  
00:57:56,159 --> 00:58:02,460  
out Caesars Palace and although all that

1467  
00:57:58,260 --> 00:58:04,530  
stuff oh yeah oh yeah no I would expect

1468  
00:58:02,460 --> 00:58:05,309

it at every conference and you like

1469

00:58:04,530 --> 00:58:06,590  
you'll be in the middle of it now

1470

00:58:05,309 --> 00:58:09,480  
because we're doing this in advance

1471

00:58:06,590 --> 00:58:12,000  
there's always some sort of de fufill

1472

00:58:09,480 --> 00:58:13,349  
confusion or something going on was an

1473

00:58:12,000 --> 00:58:15,480  
issue that comes up that wasn't

1474

00:58:13,349 --> 00:58:16,710  
previously considered will it be is

1475

00:58:15,480 --> 00:58:18,059  
there something that's going to find out

1476

00:58:16,710 --> 00:58:19,170  
at Lee but we can't consider that now

1477

00:58:18,059 --> 00:58:20,789  
because we don't know what it is oh I

1478

00:58:19,170 --> 00:58:21,930  
know but what was it what happened last

1479

00:58:20,789 --> 00:58:23,340  
time what was it the last one was the

1480

00:58:21,929 --> 00:58:25,440  
one that was an unexpected yeah awful

1481

00:58:23,340 --> 00:58:27,030  
there was there was a photograph a

1482

00:58:25,440 --> 00:58:31,889  
controversial photograph in fact I

1483  
00:58:27,030 --> 00:58:34,500  
richardsaunders asleep under a table for

1484  
00:58:31,889 --> 00:58:37,019  
being interviewing somebody the best it

1485  
00:58:34,500 --> 00:58:38,969  
is I can find it i'll make sure that it

1486  
00:58:37,019 --> 00:58:41,639  
gets highlighted on flickr for people to

1487  
00:58:38,969 --> 00:58:43,889  
have a look at it is a picture of the

1488  
00:58:41,639 --> 00:58:45,359  
SGU team and i believe they're

1489  
00:58:43,889 --> 00:58:46,598  
interviewing Brian Dunning and in the

1490  
00:58:45,360 --> 00:58:48,338  
background of the picture

1491  
00:58:46,599 --> 00:58:52,989  
which is sort of snoring you there it is

1492  
00:58:48,338 --> 00:58:54,699  
there was a 380 Wow beautiful that is

1493  
00:58:52,989 --> 00:58:58,269  
gorgeous so I say that again with it no

1494  
00:58:54,699 --> 00:59:01,298  
no no we don't buzz enough for the a380

1495  
00:58:58,268 --> 00:59:05,518  
is just flying over in a Sydney please

1496  
00:59:01,298 --> 00:59:08,920  
don't be on it released on the outside

1497  
00:59:05,518 --> 00:59:10,659  
aerodynamically unsafe hang on time in

1498  
00:59:08,920 --> 00:59:12,039  
fact I just want to document be this

1499  
00:59:10,659 --> 00:59:16,358  
afternoon about how they make the wing

1500  
00:59:12,039 --> 00:59:17,589  
for the a380 yeah it was it was the

1501  
00:59:16,358 --> 00:59:19,358  
obvious one of these I'm you know how

1502  
00:59:17,588 --> 00:59:20,798  
things made and it was just and they

1503  
00:59:19,358 --> 00:59:23,409  
just showed them making it the wing and

1504  
00:59:20,798 --> 00:59:26,739  
I was I was amazed that it was 24 hours

1505  
00:59:23,409 --> 00:59:28,239  
just to make the aluminium outside body

1506  
00:59:26,739 --> 00:59:29,920  
for the wing without putting anything in

1507  
00:59:28,239 --> 00:59:32,588  
it and then they had the guy whose job

1508  
00:59:29,920 --> 00:59:34,329  
it was and this is a true job to once

1509  
00:59:32,588 --> 00:59:36,788  
the wing is completely assembled he has

1510  
00:59:34,329 --> 00:59:39,160  
to walk backwards for two miles or our

1511

00:59:36,789 --> 00:59:41,200  
control unit that controls the cart the

1512  
00:59:39,159 --> 00:59:42,940  
huge cart that carries the wing where

1513  
00:59:41,199 --> 00:59:44,618  
it's going to be taken so his job is to

1514  
00:59:42,940 --> 00:59:46,298  
walk backwards a ruler of our control

1515  
00:59:44,619 --> 00:59:47,798  
and look if I was interviewing in the

1516  
00:59:46,298 --> 00:59:50,889  
first question would have been okay how

1517  
00:59:47,798 --> 00:59:52,239  
many times you fall now because if

1518  
00:59:50,889 --> 00:59:53,650  
you've got a couple of million dollar

1519  
00:59:52,239 --> 00:59:55,269  
wing in front of you you're not really

1520  
00:59:53,650 --> 00:59:57,548  
going to look behind you just in case

1521  
00:59:55,268 --> 00:59:59,498  
you drive Ewing off this one into a tree

1522  
00:59:57,548 --> 01:00:02,108  
or something gonna be very careful but

1523  
00:59:59,498 --> 01:00:04,058  
that video here so just think both those

1524  
01:00:02,108 --> 01:00:06,788  
wings some guy had to walk back to get

1525  
01:00:04,059 --> 01:00:09,039

on a truck things you land on the

1526

01:00:06,789 --> 01:00:11,170

skeptic phone Oh Miley has to just

1527

01:00:09,039 --> 01:00:13,359

finish a story and Allah knows it

1528

01:00:11,170 --> 01:00:16,838

Richard Richard I was asleep and he

1529

01:00:13,358 --> 01:00:19,568

embarrassed us all there yet my excuse

1530

01:00:16,838 --> 01:00:22,630

and as the traveler knows my excuses

1531

01:00:19,568 --> 01:00:24,338

invalid one I had jet lag but it was

1532

01:00:22,630 --> 01:00:27,309

horrible it was so beautiful the way

1533

01:00:24,338 --> 01:00:28,478

that was a photo of SGU in full

1534

01:00:27,309 --> 01:00:30,630

interview mode and then in the

1535

01:00:28,478 --> 01:00:33,578

background you just call this dribbling

1536

01:00:30,630 --> 01:00:35,798

dribbling head sort of falling over

1537

01:00:33,579 --> 01:00:38,619

Richard Saunders was was that the one

1538

01:00:35,798 --> 01:00:39,940

where Rebecca got married no that's

1539

01:00:38,619 --> 01:00:41,739

actually the year before where I fell

1540  
01:00:39,940 --> 01:00:42,999  
asleep with jet lag okay but you fell

1541  
01:00:41,739 --> 01:00:44,469  
asleep during our wedding as well in it

1542  
01:00:42,998 --> 01:00:46,759  
I pro I fall asleep all the time over

1543  
01:00:44,469 --> 01:00:48,960  
there cuz

1544  
01:00:46,759 --> 01:00:52,048  
what is that guy from Australia on them

1545  
01:00:48,960 --> 01:00:53,699  
only thinking he's so sleepy and i have

1546  
01:00:52,048 --> 01:00:56,298  
a photo of you asleep on matrice

1547  
01:00:53,699 --> 01:00:59,818  
shoulder at the dragoncon d dragon yes

1548  
01:00:56,298 --> 01:01:01,980  
as well oh yeah completely yeah yeah

1549  
01:00:59,818 --> 01:01:04,170  
you're really cute George her up that's

1550  
01:01:01,980 --> 01:01:07,400  
right yeah he's rubbing his face and

1551  
01:01:04,170 --> 01:01:09,480  
shine there ladies and gentlemen oh and

1552  
01:01:07,400 --> 01:01:10,528  
we have a big announcement to make it

1553  
01:01:09,480 --> 01:01:13,250  
because there's something been missing

1554  
01:01:10,528 --> 01:01:15,750  
from my life for many years now that

1555  
01:01:13,250 --> 01:01:18,119  
apparently you've found um I did an

1556  
01:01:15,750 --> 01:01:19,768  
interview with someone who I think

1557  
01:01:18,119 --> 01:01:21,269  
everybody listening would be interested

1558  
01:01:19,768 --> 01:01:22,469  
in I mean look it might not be a great

1559  
01:01:21,268 --> 01:01:23,278  
interview but they would certainly be

1560  
01:01:22,469 --> 01:01:26,848  
interested in the person I was talking

1561  
01:01:23,278 --> 01:01:28,619  
to I used to record bits of main art

1562  
01:01:26,849 --> 01:01:30,028  
show because main art show is very

1563  
01:01:28,619 --> 01:01:31,650  
important to me as a young teenager it

1564  
01:01:30,028 --> 01:01:33,690  
was pretty much the only decent

1565  
01:01:31,650 --> 01:01:35,490  
introduction to music and different

1566  
01:01:33,690 --> 01:01:37,980  
ideas across Australia they used to get

1567  
01:01:35,489 --> 01:01:39,479  
you and Richard Kingsmill show and a

1568

01:01:37,980 --> 01:01:41,759  
variety of other people I was absolutely

1569  
01:01:39,480 --> 01:01:44,969  
devastated when the airplane came past

1570  
01:01:41,759 --> 01:01:47,369  
like a large juggernaut sweat my way

1571  
01:01:44,969 --> 01:01:50,848  
swift away the DJ so that I really

1572  
01:01:47,369 --> 01:01:52,950  
enjoyable and interesting if you have a

1573  
01:01:50,849 --> 01:01:54,539  
bit of background she's describing the

1574  
01:01:52,949 --> 01:01:57,149  
the early triple j network across

1575  
01:01:54,539 --> 01:01:58,619  
Australia which was it is very hard to

1576  
01:01:57,150 --> 01:02:00,750  
compare to other networks

1577  
01:01:58,619 --> 01:02:04,710  
internationally it's not it's not like

1578  
01:02:00,750 --> 01:02:06,509  
Radio one even the BBC no it's more it's

1579  
01:02:04,710 --> 01:02:08,759  
not like a big college radio station now

1580  
01:02:06,509 --> 01:02:09,809  
it's better organized than that yeah it

1581  
01:02:08,759 --> 01:02:11,369  
is probably when I'm on the best

1582  
01:02:09,809 --> 01:02:12,778

registrations at the universe's for sure

1583

01:02:11,369 --> 01:02:15,210

if introduced and get new stuff because

1584

01:02:12,778 --> 01:02:19,440

at that time and get this list now there

1585

01:02:15,210 --> 01:02:21,240

was no playlist I would turn up perhaps

1586

01:02:19,440 --> 01:02:22,289

during either towards the end I was here

1587

01:02:21,239 --> 01:02:23,939

they were introduced to playlist where

1588

01:02:22,289 --> 01:02:26,730

you had to play maybe two songs an hour

1589

01:02:23,940 --> 01:02:29,309

but for my 89 years I spent a triple j

1590

01:02:26,730 --> 01:02:31,528

there was no playlist so I would turn up

1591

01:02:29,309 --> 01:02:32,910

and basically what I brought in my boxer

1592

01:02:31,528 --> 01:02:35,190

I could find in the wonderful dribbled a

1593

01:02:32,909 --> 01:02:36,929

library I could play for three hours so

1594

01:02:35,190 --> 01:02:41,099

you could play Herb Alpert if you wanted

1595

01:02:36,929 --> 01:02:42,659

to and I did he does it looked at the

1596

01:02:41,099 --> 01:02:44,490

whipped cream album and of the lights

1597  
01:02:42,659 --> 01:02:46,739  
came up many times I mean basically you

1598  
01:02:44,489 --> 01:02:49,048  
know that it was during a time when when

1599  
01:02:46,739 --> 01:02:50,939  
when retro is in some way a little bit

1600  
01:02:49,048 --> 01:02:52,588  
news so we had move a dag Sam going so

1601  
01:02:50,940 --> 01:02:55,920  
yeah got my x morning on work on a bit

1602  
01:02:52,588 --> 01:02:57,298  
of Casey inside or ever or something

1603  
01:02:55,920 --> 01:03:00,690  
like that and I think it was probably

1604  
01:02:57,298 --> 01:03:02,159  
the only time i think in anywhere in the

1605  
01:03:00,690 --> 01:03:03,900  
history of this planet that you probably

1606  
01:03:02,159 --> 01:03:05,639  
would have heard the smiths next to

1607  
01:03:03,900 --> 01:03:07,048  
Carly mando absolutely I don't think you

1608  
01:03:05,639 --> 01:03:08,278  
would have paid and yeah and I was

1609  
01:03:07,048 --> 01:03:10,588  
probably under play that kind of thing

1610  
01:03:08,278 --> 01:03:11,940  
cuz you know again I think some radio

1611  
01:03:10,588 --> 01:03:13,650  
stations to play music should be like

1612  
01:03:11,940 --> 01:03:15,298  
podcasts it's where that you start

1613  
01:03:13,650 --> 01:03:16,680  
thinking about your music and stuff you

1614  
01:03:15,298 --> 01:03:17,880  
don't just blindly accept what they're

1615  
01:03:16,679 --> 01:03:19,379  
playing as being their stuff it just

1616  
01:03:17,880 --> 01:03:21,150  
makes you think about what you like a

1617  
01:03:19,380 --> 01:03:22,528  
bit more yeah it was it was fabulous but

1618  
01:03:21,150 --> 01:03:24,660  
this is the interview that this person

1619  
01:03:22,528 --> 01:03:26,400  
is this person I had on this morning at

1620  
01:03:24,659 --> 01:03:27,509  
very special and this reflected the kind

1621  
01:03:26,400 --> 01:03:29,970  
of range that you had because you did

1622  
01:03:27,509 --> 01:03:31,199  
have all sorts of people coming in and I

1623  
01:03:29,969 --> 01:03:33,058  
used to love the comedians and the

1624  
01:03:31,199 --> 01:03:35,159  
writers in particular and you had

1625

01:03:33,059 --> 01:03:37,710  
douglas adams and one of the things I

1626  
01:03:35,159 --> 01:03:40,588  
used to do was record occasional shows

1627  
01:03:37,710 --> 01:03:41,880  
of yours I often like hit record just as

1628  
01:03:40,588 --> 01:03:43,108  
I was running off to school so I'd come

1629  
01:03:41,880 --> 01:03:44,849  
home and listen to the second half of

1630  
01:03:43,108 --> 01:03:46,619  
the interview or whatever so I wouldn't

1631  
01:03:44,849 --> 01:03:49,079  
miss the whole show and I've got on a

1632  
01:03:46,619 --> 01:03:50,670  
tape from 1990 i think was in april of

1633  
01:03:49,079 --> 01:03:53,339  
douglas adams have you got the whole

1634  
01:03:50,670 --> 01:03:55,170  
interview family if i do wow i believe i

1635  
01:03:53,338 --> 01:03:56,849  
do i'm going to find out and see look

1636  
01:03:55,170 --> 01:03:58,380  
and this interests me because i do have

1637  
01:03:56,849 --> 01:03:59,670  
this on reel-to-reel tape broadcast

1638  
01:03:58,380 --> 01:04:02,099  
quality somewhere but it's in my own

1639  
01:03:59,670 --> 01:04:03,869

bedroom at my mom's place where every

1640

01:04:02,099 --> 01:04:05,970

other tape that I made believe you me i

1641

01:04:03,869 --> 01:04:07,289

keep i do not throw anything away under

1642

01:04:05,969 --> 01:04:10,048

the problem is it's all organized so i

1643

01:04:07,289 --> 01:04:11,700

can find it but yes douglas adams he was

1644

01:04:10,048 --> 01:04:13,349

making his last chance to see

1645

01:04:11,699 --> 01:04:14,848

documentary he missed rally at the time

1646

01:04:13,349 --> 01:04:19,140

which I believe stephen Fry's just

1647

01:04:14,849 --> 01:04:21,630

retraced his steps yeah yes and uh and I

1648

01:04:19,139 --> 01:04:23,190

could course I've with the book on hood

1649

01:04:21,630 --> 01:04:25,048

the radio showing everything but it's a

1650

01:04:23,190 --> 01:04:26,759

good example of doing an interview where

1651

01:04:25,048 --> 01:04:28,980

you don't over prepare for it but the

1652

01:04:26,759 --> 01:04:30,960

one thing i do remember very clearly was

1653

01:04:28,980 --> 01:04:32,460

that at that time or shortly before then

1654  
01:04:30,960 --> 01:04:35,579  
they've been a hitchhiker's guide to the

1655  
01:04:32,460 --> 01:04:36,720  
galaxy game released on a cd-rom now of

1656  
01:04:35,579 --> 01:04:38,910  
course i didn't have a computer back

1657  
01:04:36,719 --> 01:04:42,328  
then but it was got that but it was a

1658  
01:04:38,909 --> 01:04:44,548  
line command game i know that there was

1659  
01:04:42,329 --> 01:04:46,230  
no graphic user interface for it you

1660  
01:04:44,548 --> 01:04:48,268  
guys equate online you can find it on

1661  
01:04:46,230 --> 01:04:50,309  
the stone line and here's the one tip

1662  
01:04:48,268 --> 01:04:51,868  
that Douglas Adams gave me if you are

1663  
01:04:50,309 --> 01:04:55,109  
going to play that game if you want to

1664  
01:04:51,869 --> 01:04:56,880  
win it when before your house gets

1665  
01:04:55,108 --> 01:04:59,548  
demolished and you get taken away by the

1666  
01:04:56,880 --> 01:05:00,900  
Vogon and destructively before you leave

1667  
01:04:59,548 --> 01:05:03,449  
their house don't

1668  
01:05:00,900 --> 01:05:05,579  
forget to take the junk mail with you

1669  
01:05:03,449 --> 01:05:08,219  
now it's a very small item but if you

1670  
01:05:05,579 --> 01:05:10,920  
don't take that junk mail with you it is

1671  
01:05:08,219 --> 01:05:13,199  
used later in the game to distract some

1672  
01:05:10,920 --> 01:05:15,269  
poetry reading or there's some aliens

1673  
01:05:13,199 --> 01:05:16,679  
that it's used to distract the Vogons

1674  
01:05:15,269 --> 01:05:18,840  
later from reading their poetry to you

1675  
01:05:16,679 --> 01:05:20,309  
say and if you don't do that you can't

1676  
01:05:18,840 --> 01:05:22,289  
get to the next step in the game and in

1677  
01:05:20,309 --> 01:05:23,789  
fact in the same show I believe you said

1678  
01:05:22,289 --> 01:05:26,789  
that he tried to trick with another game

1679  
01:05:23,789 --> 01:05:29,159  
he was the creator of the plot for the

1680  
01:05:26,789 --> 01:05:30,929  
computer game labyrinth which is all

1681  
01:05:29,159 --> 01:05:33,779  
those Jim Henson and David Bowie fans

1682

01:05:30,929 --> 01:05:35,099  
out there no it's fabulous film which

1683  
01:05:33,780 --> 01:05:37,620  
starred jennifer connelly when she was a

1684  
01:05:35,099 --> 01:05:40,170  
young lass in that he did exactly the

1685  
01:05:37,619 --> 01:05:41,759  
same thing where if you fail to take I

1686  
01:05:40,170 --> 01:05:44,970  
think it was the quarters of the coins

1687  
01:05:41,760 --> 01:05:46,860  
or no it was a plank of wood if you fail

1688  
01:05:44,969 --> 01:05:49,469  
to take a plank of wood from the very

1689  
01:05:46,860 --> 01:05:51,150  
beginning of the game you messed up the

1690  
01:05:49,469 --> 01:05:52,949  
rest of the game so he was a very cheeky

1691  
01:05:51,150 --> 01:05:54,240  
fellow depakote making sure you and the

1692  
01:05:52,949 --> 01:05:55,739  
only of the game I know he was attached

1693  
01:05:54,239 --> 01:05:57,839  
to and I know this because every time

1694  
01:05:55,739 --> 01:06:00,000  
you go to the Manning bar in Sydney to

1695  
01:05:57,840 --> 01:06:02,460  
see a band you'll see to the right side

1696  
01:06:00,000 --> 01:06:05,369

of the stage an enormous 12-foot poster

1697

01:06:02,460 --> 01:06:07,380

of starship titanic yes that he in fact

1698

01:06:05,369 --> 01:06:09,359

at was involved with witness members of

1699

01:06:07,380 --> 01:06:12,780

monty python as well and it's got his

1700

01:06:09,360 --> 01:06:15,630

huge signature across it and it's bolted

1701

01:06:12,780 --> 01:06:16,860

down and it's under glass they know what

1702

01:06:15,630 --> 01:06:18,990

they know what uni students are like

1703

01:06:16,860 --> 01:06:20,370

it's not going anywhere but it's well

1704

01:06:18,989 --> 01:06:22,259

worth go and have a look at his shoes

1705

01:06:20,369 --> 01:06:24,809

signature and he's got the small he

1706

01:06:22,260 --> 01:06:26,580

actually signed a photo to me I said to

1707

01:06:24,809 --> 01:06:30,989

main and a very unusual way to wake up

1708

01:06:26,579 --> 01:06:32,819

and any time I'm feeling down I look at

1709

01:06:30,989 --> 01:06:35,399

that and to know that I'm a Douglas

1710

01:06:32,820 --> 01:06:37,019

Adams feel unusual even for micro second

1711  
01:06:35,400 --> 01:06:39,210  
means I've succeeded on this planet oh

1712  
01:06:37,019 --> 01:06:40,769  
it was it was a great interview and the

1713  
01:06:39,210 --> 01:06:42,539  
people who find in had questions from

1714  
01:06:40,769 --> 01:06:44,369  
all over and look and if I ever find

1715  
01:06:42,539 --> 01:06:46,920  
that I and if you can get that to me

1716  
01:06:44,369 --> 01:06:48,239  
that that will be transcribed next now

1717  
01:06:46,920 --> 01:06:50,730  
I've actually turn that into an audio

1718  
01:06:48,239 --> 01:06:52,969  
podcast and I'll sound incredibly young

1719  
01:06:50,730 --> 01:06:52,969  
um

1720  
01:06:53,679 --> 01:06:57,739  
Douglas will sound like he's just gotten

1721  
01:06:56,809 --> 01:07:00,530  
up and doesn't know what the hell he's

1722  
01:06:57,739 --> 01:07:02,298  
going off into and I do remember he

1723  
01:07:00,530 --> 01:07:03,680  
actually did request midnight oil that

1724  
01:07:02,298 --> 01:07:06,530  
was his a favorite Australian band at

1725  
01:07:03,679 --> 01:07:08,358  
the time yeah so there you go the

1726  
01:07:06,530 --> 01:07:09,859  
episode that's that's mine that's a

1727  
01:07:08,358 --> 01:07:11,269  
closed oval ever got to anyone with a

1728  
01:07:09,858 --> 01:07:14,088  
brain the size of a spaceship I think

1729  
01:07:11,269 --> 01:07:17,119  
purple compositions of a planet mmm

1730  
01:07:14,088 --> 01:07:18,619  
marvin the paranoid and yes so thank you

1731  
01:07:17,119 --> 01:07:20,269  
for being you could get that tape will

1732  
01:07:18,619 --> 01:07:21,858

1733  
01:07:20,269 --> 01:07:23,389  
condo you if you want to check out other

1734  
01:07:21,858 --> 01:07:24,469  
stuff like that or you just want to tell

1735  
01:07:23,389 --> 01:07:26,210  
me to stop listen to stuff like no

1736  
01:07:24,469 --> 01:07:28,129  
agenda but I won't because I have it I

1737  
01:07:26,210 --> 01:07:29,630  
know the truth is there I know that John

1738  
01:07:28,130 --> 01:07:33,108  
and Adam are going to save something I'm

1739

01:07:29,630 --> 01:07:35,000  
not oh yes I just don't say before we

1740  
01:07:33,108 --> 01:07:36,380  
wrap it up Charlie I noticed that you

1741  
01:07:35,000 --> 01:07:38,929  
have a URL you'd like to give up their

1742  
01:07:36,380 --> 01:07:40,400  
way back earlier in this I mentioned the

1743  
01:07:38,929 --> 01:07:41,960  
telephone Institute for Child Health

1744  
01:07:40,400 --> 01:07:44,329  
Research and if you'd like to find out

1745  
01:07:41,960 --> 01:07:46,220  
more information about the lecture that

1746  
01:07:44,329 --> 01:07:50,329  
was given by dr. Fiona Stanley and the

1747  
01:07:46,219 --> 01:07:52,788  
other people involved head to WWE Health

1748  
01:07:50,329 --> 01:07:54,318  
Research Comte you and they have

1749  
01:07:52,789 --> 01:07:56,630  
information they pass it on to people

1750  
01:07:54,318 --> 01:07:59,119  
who really need to know it because I

1751  
01:07:56,630 --> 01:08:00,410  
know that there's a lot of people on the

1752  
01:07:59,119 --> 01:08:01,789  
on the edge on the verge they're

1753  
01:08:00,409 --> 01:08:03,920

questioning they want to find out more

1754

01:08:01,789 --> 01:08:05,990

information and we can't just let the

1755

01:08:03,920 --> 01:08:08,088

avian run roughshod over everything

1756

01:08:05,989 --> 01:08:10,159

don't let me follow them on Twitter as

1757

01:08:08,088 --> 01:08:11,449

welcome you stay telethon institute yeah

1758

01:08:10,159 --> 01:08:12,679

they've been very kind and they said we

1759

01:08:11,449 --> 01:08:15,348

can use some of the audio from the

1760

01:08:12,679 --> 01:08:17,000

lecture that we went hopefully all right

1761

01:08:15,349 --> 01:08:18,500

well dr. H I think it's time that you

1762

01:08:17,000 --> 01:08:20,298

and I jump into our time machine and

1763

01:08:18,500 --> 01:08:23,029

head back to the future where we're at

1764

01:08:20,298 --> 01:08:25,729

Las Vegas yeah let's do that each of

1765

01:08:23,029 --> 01:08:28,670

minus 16 hours by the way yeah that's

1766

01:08:25,729 --> 01:08:31,068

not skinny to that my breakfast at the

1767

01:08:28,670 --> 01:08:35,079

same time in two different places we get

1768  
01:08:31,069 --> 01:08:37,880  
i get to Tuesday's next week and no no

1769  
01:08:35,079 --> 01:08:39,859  
wednesday the wake up some pierre that

1770  
01:08:37,880 --> 01:08:41,929  
is pretty crazy so but in the meantime

1771  
01:08:39,859 --> 01:08:43,250  
I'd certainly like to think may not for

1772  
01:08:41,929 --> 01:08:44,960  
coming along once again thank you me

1773  
01:08:43,250 --> 01:08:46,338

1774  
01:08:44,960 --> 01:08:47,630

1775  
01:08:46,338 --> 01:08:50,489

1780  
01:08:58,649 --> 01:09:06,659
