

1
00:00:37,350 --> 00:00:46,600
UFO Bros hey everyone is Giorgio

2
00:00:44,500 --> 00:00:51,369
tsoukalos from ancient aliens and you're

3
00:00:46,600 --> 00:00:55,179
experiencing UFO Bros TV well hello

4
00:00:51,369 --> 00:01:02,738
everybody how's it going i mimic joe and

5
00:00:55,179 --> 00:01:12,700
we are the u FF o o bros and oh we

6
00:01:02,738 --> 00:01:14,859
really excited about this show it's

7
00:01:12,700 --> 00:01:17,350
crazy I don't know if any of you are

8
00:01:14,859 --> 00:01:19,629
being totally inundated with UFO news

9
00:01:17,349 --> 00:01:23,530
but we are and I'll tell you I'll be

10
00:01:19,629 --> 00:01:25,420
honest with you guys as you know or if

11
00:01:23,530 --> 00:01:29,950
you don't know and you're listening to

12
00:01:25,420 --> 00:01:32,409
us for fun the Department of Defense has

13
00:01:29,950 --> 00:01:34,659
just recently for the first time ever in

14
00:01:32,409 --> 00:01:37,679
history admitted to a UFO chasing

15
00:01:34,659 --> 00:01:41,109
program or I guess you could say

16
00:01:37,679 --> 00:01:44,019
exploring a aerial phenomena sort of

17
00:01:41,109 --> 00:01:45,909
thing so and they actually came out and

18
00:01:44,019 --> 00:01:47,709
said something base came out I didn't

19
00:01:45,909 --> 00:01:50,109
nobody can say this is a hoax

20
00:01:47,709 --> 00:01:52,659
so basically absolutely so the news came

21
00:01:50,109 --> 00:01:55,269
out and then it was then confirmed with

22
00:01:52,659 --> 00:01:58,000
the actual Pentagon that this indeed was

23
00:01:55,269 --> 00:02:00,488
a program and they spent 22 million on

24
00:01:58,000 --> 00:02:02,649
it they were able to hide that money in

25
00:02:00,489 --> 00:02:04,569
budgets they call it black money and so

26
00:02:02,649 --> 00:02:06,549
it was going on right under our noses

27
00:02:04,569 --> 00:02:08,050
like we always talked about it as much

28
00:02:06,549 --> 00:02:11,378
money as they want they can call any

29

00:02:08,050 --> 00:02:14,379
kind of black note program or chicken

30
00:02:11,378 --> 00:02:16,329
fried steak program or yeah they found a

31
00:02:14,378 --> 00:02:17,679
long program whatever I mean I probably

32
00:02:16,330 --> 00:02:21,010
would spend 22 million on a

33
00:02:17,680 --> 00:02:25,000
chicken-fried steak program some

34
00:02:21,009 --> 00:02:26,590
chicken-fried steak but so when it came

35
00:02:25,000 --> 00:02:28,300
out and and I'll let you guys know you

36
00:02:26,590 --> 00:02:30,519
know Joe Joe and I are kind of you guys

37
00:02:28,300 --> 00:02:33,400
can probably see it all over on Facebook

38
00:02:30,519 --> 00:02:34,480
everywhere it's you can see it we're a

39
00:02:33,400 --> 00:02:35,620
little bit on the inside I'm just gonna

40
00:02:34,479 --> 00:02:36,318
take these headphones off right now

41
00:02:35,620 --> 00:02:40,579
because it's

42
00:02:36,318 --> 00:02:42,199
we're living on the inside so we caught

43
00:02:40,579 --> 00:02:43,909

word that there was going to be some

44

00:02:42,199 --> 00:02:46,669

news a few days before it happened and

45

00:02:43,908 --> 00:02:50,358

so we were waiting patiently and then

46

00:02:46,669 --> 00:02:53,238

when it came out we were like skeptical

47

00:02:50,359 --> 00:02:55,639

about how big of a news item it was

48

00:02:53,239 --> 00:02:57,468

gonna be because you know you guys see

49

00:02:55,639 --> 00:02:59,599

it all the time they take securities

50

00:02:57,468 --> 00:03:01,608

videos and they create an article out of

51

00:02:59,598 --> 00:03:03,408

it and then it gets picked up by a bunch

52

00:03:01,609 --> 00:03:04,849

of stupid tabloids and people share it

53

00:03:03,408 --> 00:03:06,019

everywhere and that's basically been

54

00:03:04,848 --> 00:03:08,929

what we've all been dealing with right

55

00:03:06,019 --> 00:03:12,169

online is for the tabloids it's like oh

56

00:03:08,930 --> 00:03:15,889

let's fake yeah I'm not even interested

57

00:03:12,169 --> 00:03:21,829

scroll scroll so when it first came out

58
00:03:15,889 --> 00:03:23,659
I was like we weren't like I Joe we were

59
00:03:21,829 --> 00:03:26,590
both skeptical like is it gonna be one

60
00:03:23,658 --> 00:03:28,789
of those things but what happened was it

61
00:03:26,590 --> 00:03:29,509
basically don't if you lost train of

62
00:03:28,789 --> 00:03:31,310
thought I'm sorry

63
00:03:29,509 --> 00:03:32,509
basically Tom DeLonge is like I'll bring

64
00:03:31,310 --> 00:03:34,400
this out anyway so the guard was like

65
00:03:32,509 --> 00:03:36,769
okay well you know we did have this

66
00:03:34,400 --> 00:03:39,109
thing you know we had this one program

67
00:03:36,769 --> 00:03:41,389
program thing they're comin arsalan

68
00:03:39,109 --> 00:03:43,579
about no big deal and by the way this

69
00:03:41,389 --> 00:03:46,579
was a program that was supported and

70
00:03:43,579 --> 00:03:54,909
pushed by Senator Harry Reid from Nevada

71
00:03:46,579 --> 00:04:00,049
who's the senator from Nevada and okay

72
00:03:54,908 --> 00:04:03,769
Nevada Nevada Nevada Nevada Nevada so

73
00:04:00,049 --> 00:04:05,239
he's supporting it also Bigelow airspace

74
00:04:03,769 --> 00:04:07,129
we actually covered that one before Joe

75
00:04:05,239 --> 00:04:08,989
the guy that says it like he's a

76
00:04:07,128 --> 00:04:12,378
billionaire CEO they said aliens are

77
00:04:08,989 --> 00:04:14,810
right under our noses they are yeah well

78
00:04:12,378 --> 00:04:17,899
in that sixty minutes interview if you

79
00:04:14,810 --> 00:04:20,379
guys haven't seen it mr. Bigelow from

80
00:04:17,899 --> 00:04:22,698
Bigelow airspace talks about male gigolo

81
00:04:20,379 --> 00:04:28,370
that the interview ask the interviewer

82
00:04:22,699 --> 00:04:30,680
asks him do you believe in aliens and he

83
00:04:28,370 --> 00:04:32,360
laughed and smiled but as he was

84
00:04:30,680 --> 00:04:34,038
explaining that they're right under our

85
00:04:32,360 --> 00:04:36,080
noses and they're already here we don't

86

00:04:34,038 --> 00:04:38,269
have to go out of our planet to find

87
00:04:36,079 --> 00:04:41,508
aliens but the way he's talking about it

88
00:04:38,269 --> 00:04:43,609
was just kind of like almost like how

89
00:04:41,509 --> 00:04:46,788
stupid could you be kind of expression

90
00:04:43,610 --> 00:04:48,229
like silly question of course like he's

91
00:04:46,788 --> 00:04:49,740
known all along and I'll tell you I

92
00:04:48,228 --> 00:04:52,269
think he's known as

93
00:04:49,740 --> 00:04:56,160
in the Articles that have been going

94
00:04:52,269 --> 00:04:59,620
around about this they talk about a

95
00:04:56,160 --> 00:05:02,160
facility in Vegas that has turned into a

96
00:04:59,620 --> 00:05:06,730
strip joint

97
00:05:02,160 --> 00:05:09,850
yes slash housing place for what they

98
00:05:06,730 --> 00:05:12,759
call anomalous metals or anomalous

99
00:05:09,850 --> 00:05:16,750
alloys that they have indeed said they

100
00:05:12,759 --> 00:05:18,430

have recovered from they don't say we

101

00:05:16,750 --> 00:05:20,589

come recovered it from UFOs or there's

102

00:05:18,430 --> 00:05:22,600

alien they have not said alien at all

103

00:05:20,589 --> 00:05:29,879

they've only just came out and said it's

104

00:05:22,600 --> 00:05:35,710

their UFOs and so uh so this building is

105

00:05:29,879 --> 00:05:39,370

housing downed or recovered alloys from

106

00:05:35,709 --> 00:05:50,560

these unexplained objects that can defy

107

00:05:39,370 --> 00:06:03,430

physics and know what you say if they

108

00:05:50,560 --> 00:06:11,470

say it's UFO so just - I oh no you oh no

109

00:06:03,430 --> 00:06:13,629

I owe I owe I owe it soft okay you guys

110

00:06:11,470 --> 00:06:17,800

if you're still listening thank God

111

00:06:13,629 --> 00:06:20,170

because we've got some clips Joe and I

112

00:06:17,800 --> 00:06:21,490

are really you know where we've got some

113

00:06:20,170 --> 00:06:22,930

stuff right we spent some time today for

114

00:06:21,490 --> 00:06:24,579

you guys thanks I know we put some

115
00:06:22,930 --> 00:06:29,259
effort into this we we you know we tried

116
00:06:24,579 --> 00:06:31,539
to I think it's interesting I just want

117
00:06:29,259 --> 00:06:33,009
to tell you guys we're gonna cover a few

118
00:06:31,540 --> 00:06:35,530
clips and we're also gonna talk about

119
00:06:33,009 --> 00:06:37,029
mr. dr. Greer and so you're gonna want

120
00:06:35,529 --> 00:06:38,799
to stay tuned to listen to what Greer

121
00:06:37,029 --> 00:06:40,959
has to say about this because I was

122
00:06:38,800 --> 00:06:42,670
wondering what the heck does Greer think

123
00:06:40,959 --> 00:06:46,779
about all this and he was probably like

124
00:06:42,670 --> 00:06:49,120
you know he came out before me yeah I

125
00:06:46,779 --> 00:06:51,129
got my old project I got my own project

126
00:06:49,120 --> 00:06:53,379
that I got secret - wait till you comes

127
00:06:51,129 --> 00:06:55,889
out what you see it you know what he has

128
00:06:53,379 --> 00:06:55,889
my teeth

129

00:06:57,089 --> 00:07:08,549

oh excuse me that was gross

130

00:07:04,610 --> 00:07:11,669

anyway you and we're gonna talk about

131

00:07:08,550 --> 00:07:13,560

what Greer has to say and then we're

132

00:07:11,668 --> 00:07:16,109

also gonna meet and I'm gonna introduce

133

00:07:13,560 --> 00:07:17,339

you to the person that well I mean I'm

134

00:07:16,110 --> 00:07:22,500

not gonna I'm gonna do shoot with a

135

00:07:17,339 --> 00:07:26,429

video of Mister Elizondo who worked for

136

00:07:22,500 --> 00:07:28,949

the Department of Defense in the what

137

00:07:26,430 --> 00:07:32,220

they refer to as I got to get the exact

138

00:07:28,949 --> 00:07:35,639

verbiage here so that we you know it

139

00:07:32,220 --> 00:07:40,979

doesn't know what verbatim yeah exactly

140

00:07:35,639 --> 00:07:44,120

so how are you doing yeah I didn't go so

141

00:07:40,978 --> 00:07:47,819

well let me try that again

142

00:07:44,120 --> 00:07:49,259

I don't know it's the advanced aerial

143

00:07:47,819 --> 00:07:52,649
threat program at the Department of

144
00:07:49,259 --> 00:07:54,930
Defense and between the years of late

145
00:07:52,649 --> 00:07:58,739
2008 when it started to tooth you know

146
00:07:54,930 --> 00:08:00,000
from 2009 to 2012 I think you actually

147
00:07:58,740 --> 00:08:04,860
have all that information here so you

148
00:08:00,000 --> 00:08:10,399
guys can actually get there now now just

149
00:08:04,860 --> 00:08:12,750
to remind everybody between 47 and 69

150
00:08:10,399 --> 00:08:14,579
that was the only time that the

151
00:08:12,750 --> 00:08:17,370
government ever said that they had been

152
00:08:14,579 --> 00:08:23,879
hunting anything regarding UFOs or

153
00:08:17,370 --> 00:08:28,639
unexplained phenomena tonight you just

154
00:08:23,879 --> 00:08:31,259
build a giant soda every fucking where

155
00:08:28,639 --> 00:08:32,969
all over our binders that we're gonna

156
00:08:31,259 --> 00:08:35,990
show you guys anyway

157
00:08:32,969 --> 00:08:40,140

so the government stopped UFO hunting in

158

00:08:35,990 --> 00:08:42,120

1969 and and after that released you

159

00:08:40,139 --> 00:08:44,009

know Project Blue Book which was one of

160

00:08:42,120 --> 00:08:46,649

a series of systematic studies of

161

00:08:44,009 --> 00:08:48,689

unidentified flying objects conducted by

162

00:08:46,649 --> 00:08:51,240

the United States Air Force and that

163

00:08:48,690 --> 00:08:53,940

started in 52 so I guess it was a third

164

00:08:51,240 --> 00:08:56,399

third and quote-unquote final study so

165

00:08:53,940 --> 00:09:00,740

as we move forward and Joe cleans up his

166

00:08:56,399 --> 00:09:00,740

shit yeah

167

00:09:04,429 --> 00:09:12,589

oh my goodness

168

00:09:05,600 --> 00:09:19,610

you made me lose my anything okay

169

00:09:12,590 --> 00:09:22,820

so think about this you guys 2017 for

170

00:09:19,610 --> 00:09:24,769

the first time ever it's confirmed that

171

00:09:22,820 --> 00:09:28,910

there are indeed unidentified flying

172
00:09:24,769 --> 00:09:30,769
objects prior to that the government Oh

173
00:09:28,909 --> 00:09:32,269
actually not prior to that but while

174
00:09:30,769 --> 00:09:33,529
that was going on the actual US

175
00:09:32,269 --> 00:09:34,970
government says that they're they have

176
00:09:33,529 --> 00:09:36,379
no interest in UFOs and they're not

177
00:09:34,970 --> 00:09:37,160
hunting them anymore and that ended back

178
00:09:36,379 --> 00:09:41,450
in 69

179
00:09:37,159 --> 00:09:43,819
oh yay but and now they're like oh well

180
00:09:41,450 --> 00:09:46,370
never mind and it's actually a historic

181
00:09:43,820 --> 00:09:50,810
moment you guys so I want to show you

182
00:09:46,370 --> 00:09:52,610
this video of Lewis Elizondo who was who

183
00:09:50,809 --> 00:09:56,509
is now part of the to the stars Academy

184
00:09:52,610 --> 00:09:57,889
with mr. Tom DeLonge and this is a just

185
00:09:56,509 --> 00:10:00,769
intro clip so you guys can take a look

186
00:09:57,889 --> 00:10:02,059
we're gonna disappear here and so here

187
00:10:00,769 --> 00:10:05,659
is mr. Lewis

188
00:10:02,059 --> 00:10:08,659
his name is Lou Elizondo I'm a career

189
00:10:05,659 --> 00:10:09,980
intelligence officer with various

190
00:10:08,659 --> 00:10:11,569
organizations throughout the

191
00:10:09,980 --> 00:10:13,519
intelligence community I've worked for

192
00:10:11,570 --> 00:10:16,520
the Department of Defense have worked

193
00:10:13,519 --> 00:10:17,919
with the army I've worked with the

194
00:10:16,519 --> 00:10:20,829
Director of National Intelligence

195
00:10:17,919 --> 00:10:24,199
National counterintelligence executive

196
00:10:20,830 --> 00:10:26,660
and fill-in-the-blank a bunch of others

197
00:10:24,200 --> 00:10:29,090
some of my time was spent in advanced

198
00:10:26,659 --> 00:10:31,429
we're not aerospace engineering

199
00:10:29,090 --> 00:10:35,570
protecting key technologies critical

200

00:10:31,429 --> 00:10:37,609
technologies and in advanced weaponry in

201
00:10:35,570 --> 00:10:42,410
advanced aerospace such as high-energy

202
00:10:37,610 --> 00:10:43,430
lasers drone nanotechnology so my time

203
00:10:42,409 --> 00:10:45,169
was spent in the careers of

204
00:10:43,429 --> 00:10:47,509
counterintelligence and human

205
00:10:45,169 --> 00:10:49,669
intelligence makes intelligence I think

206
00:10:47,509 --> 00:10:52,600
unique is that you have a career field

207
00:10:49,669 --> 00:10:55,969
dedicated entirely to the art of

208
00:10:52,600 --> 00:10:58,580
observation of understanding how things

209
00:10:55,970 --> 00:10:59,930
work looking at those things maybe from

210
00:10:58,580 --> 00:11:02,360
a slightly different perspective and

211
00:10:59,929 --> 00:11:04,129
trying to figure out what it is that

212
00:11:02,360 --> 00:11:04,730
you're actually seeing so as a trained

213
00:11:04,129 --> 00:11:07,129
observer

214
00:11:04,730 --> 00:11:08,980

I think intelligence is one of those

215

00:11:07,129 --> 00:11:13,778

fields that gives you a little bit you

216

00:11:08,980 --> 00:11:15,129

perspective on things that's to the

217

00:11:13,778 --> 00:11:17,708

Stars Academy and all credit goes to

218

00:11:15,129 --> 00:11:19,389

them no copyright intended

219

00:11:17,708 --> 00:11:21,669

we were just wanted to use that as

220

00:11:19,389 --> 00:11:23,589

educational purposes so hopefully we're

221

00:11:21,669 --> 00:11:34,870

able to can hear any of that with Jose

222

00:11:23,589 --> 00:11:36,550

it'll okay maybe I am a leagues I got

223

00:11:34,870 --> 00:11:38,589

any nostrils a little fucking little to

224

00:11:36,549 --> 00:11:40,479

pose yeah let's show these people what

225

00:11:38,589 --> 00:11:42,670

the video that was released so we got we

226

00:11:40,480 --> 00:11:45,190

got the video clip of course so take a

227

00:11:42,669 --> 00:11:46,419

look at this this is what one of the

228

00:11:45,190 --> 00:11:47,949

clips that came out with a huge

229

00:11:46,419 --> 00:11:50,019
announcement so take a look here and you

230

00:11:47,948 --> 00:11:51,639
can also listening to the pilots in the

231

00:11:50,019 --> 00:12:09,759
background discussing what they're

232

00:11:51,639 --> 00:12:10,629
seeing so check this out I guess it's

233

00:12:09,759 --> 00:12:18,879
like one hundred and thirtysomething

234

00:12:10,629 --> 00:12:27,669
miles per hour you can see the airspeed

235

00:12:18,879 --> 00:12:30,809
right this it's rotating it stopped and

236

00:12:27,669 --> 00:12:33,490
rotate it's crazy to stopped and rotate

237

00:12:30,809 --> 00:12:34,689
yeah but it's going against air going it

238

00:12:33,490 --> 00:12:38,430
whatever mile an hour

239

00:12:34,690 --> 00:12:43,720
I think I'm 20 knots these miles out

240

00:12:38,429 --> 00:12:45,879
okay um you know if it's wrong let us

241

00:12:43,720 --> 00:12:47,610
know you know we hope so

242

00:12:45,879 --> 00:12:51,568
it looks as though we're losing some

243

00:12:47,610 --> 00:12:51,568

video output

244

00:12:56,389 --> 00:13:01,309

I don't know okay our livestream is our

245

00:12:58,820 --> 00:13:04,430

output to health easily has nothing to

246

00:13:01,309 --> 00:13:08,088

do with us exactly - it is you - it's

247

00:13:04,429 --> 00:13:09,409

tube you so we're gonna keep going here

248

00:13:08,089 --> 00:13:11,420

and moving on because there's more clips

249

00:13:09,409 --> 00:13:14,649

I want to show you guys if as long as

250

00:13:11,419 --> 00:13:18,379

our internet still continues to work so

251

00:13:14,649 --> 00:13:20,629

I've showed you who Lewis Elizondo is or

252

00:13:18,379 --> 00:13:22,429

Lewis Elizondo and now we're gonna take

253

00:13:20,629 --> 00:13:24,740

a look and Joe this is the first time

254

00:13:22,429 --> 00:13:32,958

that we're gonna actually see it because

255

00:13:24,740 --> 00:13:38,000

I have can you hear everything clearly

256

00:13:32,958 --> 00:13:40,909

oh well okay here take a look I'll be

257

00:13:38,000 --> 00:13:44,389
honest with you guys I have not seen

258
00:13:40,909 --> 00:13:45,889
this news clip so we're all in it

259
00:13:44,389 --> 00:13:50,000
together and I saved it for y'all so

260
00:13:45,889 --> 00:13:52,480
let's take a look this is his CBS

261
00:13:50,000 --> 00:13:52,480
interview

262
00:14:01,879 --> 00:14:07,470
unidentified flying objects the Defense

263
00:14:05,100 --> 00:14:10,079
Department says it ended the advanced

264
00:14:07,470 --> 00:14:13,410
aviation threat identification program

265
00:14:10,078 --> 00:14:16,138
in 2012 over funding issues but a

266
00:14:13,409 --> 00:14:18,688
Pentagon spokeswoman said quote the DoD

267
00:14:16,139 --> 00:14:21,419
takes seriously all threats and takes

268
00:14:18,688 --> 00:14:21,990
action whenever credible information is

269
00:14:21,419 --> 00:14:24,688
developed

270
00:14:21,990 --> 00:14:29,250
doneita copal shows us two UFO

271
00:14:24,688 --> 00:14:31,289

encounters captured on camera video that

272

00:14:29,250 --> 00:14:33,149

little-known pentagon program had a

273

00:14:31,289 --> 00:14:34,860

budget of about twenty-two million

274

00:14:33,149 --> 00:14:37,049

dollars according to the civilian

275

00:14:34,860 --> 00:14:39,300

intelligence officer who used to run it

276

00:14:37,049 --> 00:14:41,578

most of the sightings looked at were by

277

00:14:39,299 --> 00:14:48,870

US military personnel who have been

278

00:14:41,578 --> 00:14:51,239

reporting UFO sightings for decades this

279

00:14:48,870 --> 00:14:53,179

is one of the incidents the Pentagon's

280

00:14:51,240 --> 00:15:00,600

secretive group of UFO Hunters

281

00:14:53,179 --> 00:15:03,958

investigated this object appeared off

282

00:15:00,600 --> 00:15:05,579

the California coast in 2004 and baffled

283

00:15:03,958 --> 00:15:08,878

oh this is the tic-tac video I think

284

00:15:05,578 --> 00:15:11,388

it's not a drone it's not something that

285

00:15:08,879 --> 00:15:14,670

we can easily say that's an airplane

286
00:15:11,389 --> 00:15:17,430
Luis Elizondo ran the advanced aviation

287
00:15:14,669 --> 00:15:22,889
threat identification program at the

288
00:15:17,429 --> 00:15:26,758
Defense Department moved defied the

289
00:15:22,889 --> 00:15:29,009
known laws of physics any truly yeah our

290
00:15:26,759 --> 00:15:31,379
next-generation technologies former

291
00:15:29,009 --> 00:15:33,808
Nevada Senator Harry Reid champion to

292
00:15:31,379 --> 00:15:35,850
the UFO program and some of the funding

293
00:15:33,808 --> 00:15:38,610
reportedly went to one of his donors

294
00:15:35,850 --> 00:15:41,579
Robert Bigelow founder of the military

295
00:15:38,610 --> 00:15:44,250
contractor Bigelow Aerospace the Las

296
00:15:41,578 --> 00:15:47,909
Vegas tycoon spoke with 60 minutes in

297
00:15:44,250 --> 00:15:50,578
May do you imagine that in our space

298
00:15:47,909 --> 00:15:52,708
travels we will encounter other forms of

299
00:15:50,578 --> 00:15:57,229
intelligent life you don't have to go

300
00:15:52,708 --> 00:15:57,229
anywhere you can find it here yeah

301
00:15:58,068 --> 00:16:13,309
exactly look his face oh he's like duh

302
00:16:04,100 --> 00:16:17,420
oh god that mundi we have a review and

303
00:16:13,309 --> 00:16:22,818
that baby by the way we were really

304
00:16:17,419 --> 00:16:25,250
disappointed with the alien actually a

305
00:16:22,818 --> 00:16:27,409
missile test I think this is a national

306
00:16:25,250 --> 00:16:29,659
security imperative we have clear

307
00:16:27,409 --> 00:16:32,269
missile test mines that we do not

308
00:16:29,659 --> 00:16:35,948
understand how they work operating in

309
00:16:32,269 --> 00:16:38,539
areas that we can't control

310
00:16:35,948 --> 00:16:40,789
Elizondo refused to tell us how many

311
00:16:38,539 --> 00:16:42,649
cases his former group investigated

312
00:16:40,789 --> 00:16:46,490
saying that information was sensitive

313
00:16:42,649 --> 00:16:48,409
from 1947 to 1969 an Air Force program

314

00:16:46,490 --> 00:16:51,470
called Project Blue Book looked into

315
00:16:48,409 --> 00:16:54,110
more than 12,000 UFO sightings and about

316
00:16:51,470 --> 00:16:56,149
700 of them remain on identify

317
00:16:54,110 --> 00:16:58,699
interesting how they buried this in the

318
00:16:56,149 --> 00:17:01,759
budget under this sort of blurry name

319
00:16:58,698 --> 00:17:03,588
advanced aviation identification they

320
00:17:01,759 --> 00:17:05,209
call it black money for a reason yeah

321
00:17:03,589 --> 00:17:08,328
yeah I've never seen one but I believe

322
00:17:05,209 --> 00:17:09,679
it looks like a bunch of shows aliens

323
00:17:08,328 --> 00:17:13,298
you know you were needle in the back of

324
00:17:09,679 --> 00:17:13,298
your neck and it change no not a punch

325
00:17:21,250 --> 00:17:25,869
okay well it's time but what you think

326
00:17:28,179 --> 00:17:34,429
no what did you think of the interview I

327
00:17:31,630 --> 00:17:37,100
don't think that's pretty I mean there

328
00:17:34,429 --> 00:17:39,980

are things that we can't do anything

329

00:17:37,099 --> 00:17:41,359

about in our airspace one more cut well

330

00:17:39,980 --> 00:17:44,150

I mean that's pretty big confirmation

331

00:17:41,359 --> 00:17:47,119

now if this is the beginning of what Tom

332

00:17:44,150 --> 00:17:49,460

DeLonge and his people are if they're

333

00:17:47,119 --> 00:17:54,939

going to be putting out then I I expect

334

00:17:49,460 --> 00:17:54,940

it to either I hopefully gets better yes

335

00:17:56,679 --> 00:18:01,759

no the clip right before it that they

336

00:17:59,929 --> 00:18:07,548

showed in the sky said was a missile

337

00:18:01,759 --> 00:18:10,099

test not the actual UFO footage so weird

338

00:18:07,548 --> 00:18:11,750

okay now I'm gonna show you guys another

339

00:18:10,099 --> 00:18:12,709

clip these are just news clips and this

340

00:18:11,750 --> 00:18:15,289

is kind of like a quick update on

341

00:18:12,710 --> 00:18:17,090

everything so here's Ralph Blumenthal

342

00:18:15,289 --> 00:18:18,859

who is the person who wrote

343
00:18:17,089 --> 00:18:20,569
stary story that broke on the New York

344
00:18:18,859 --> 00:18:23,859
Times discussing this in we're gonna

345
00:18:20,569 --> 00:18:23,859
play this for you guys so check this out

346
00:18:36,309 --> 00:18:41,269
welcome back everybody our final story

347
00:18:38,690 --> 00:18:45,670
today it's a little out there and I do

348
00:18:41,269 --> 00:18:45,670
mean if I ever met her I'd be like

349
00:18:45,970 --> 00:18:49,660
researching the possible existence

350
00:18:50,589 --> 00:18:54,439
defense launch the program in

351
00:18:52,940 --> 00:19:00,110
cooperation with former Senator Harry

352
00:18:54,440 --> 00:19:02,870
Reid in each year searching for

353
00:19:00,109 --> 00:19:05,000
unidentified flying objects until the

354
00:19:02,869 --> 00:19:06,379
program was shuttered back in 2012

355
00:19:05,000 --> 00:19:07,460
joining us now to talk more about this

356
00:19:06,380 --> 00:19:08,620
one of the authors of yesterday's

357
00:19:07,460 --> 00:19:11,299
fascinating New York Times article

358
00:19:08,619 --> 00:19:13,879
journalist ralph Blumenthal thanks for

359
00:19:11,299 --> 00:19:16,669
joining us have you seen it talk to me

360
00:19:13,880 --> 00:19:18,230
about the research that was not

361
00:19:16,670 --> 00:19:19,850
twenty-two million a year was twenty two

362
00:19:18,230 --> 00:19:21,950
million total which is really a drop in

363
00:19:19,849 --> 00:19:24,319
the bucket of the Pentagon budget but it

364
00:19:21,950 --> 00:19:26,230
went for research into these objects and

365
00:19:24,319 --> 00:19:29,809
no one knows what they are to this day

366
00:19:26,230 --> 00:19:32,200
that have been seen by NATO engaged with

367
00:19:29,809 --> 00:19:35,240
them they've been reported by witnesses

368
00:19:32,200 --> 00:19:40,549
but beyond that we really don't know

369
00:19:35,240 --> 00:19:42,680
much and the research went into identify

370
00:19:40,549 --> 00:19:44,539
the strange means of propulsion they

371

00:19:42,680 --> 00:19:46,070
have phenomenal aerodynamics which

372
00:19:44,539 --> 00:19:50,119
represent nothing on the face of this

373
00:19:46,069 --> 00:19:53,000
earth country and the research even

374
00:19:50,119 --> 00:19:54,349
though the program was officially ran

375
00:19:53,000 --> 00:19:56,869
out of money in 2012

376
00:19:54,349 --> 00:19:58,429
it really has continued we found out so

377
00:19:56,869 --> 00:19:59,959
what's been going on what and why have

378
00:19:58,430 --> 00:20:01,850
they not publicized the fact that it has

379
00:19:59,960 --> 00:20:03,710
continued well it's a controversial it's

380
00:20:01,849 --> 00:20:05,839
a controversial program a lot of people

381
00:20:03,710 --> 00:20:07,610
there's a ridicule factor a lot of

382
00:20:05,839 --> 00:20:08,659
people afraid of the you know the people

383
00:20:07,609 --> 00:20:10,369
would make fun of the government

384
00:20:08,660 --> 00:20:13,100
spending this money as has already

385
00:20:10,369 --> 00:20:14,599

happened in other media but there's also

386

00:20:13,099 --> 00:20:16,490
a lot of fascination there is

387

00:20:14,599 --> 00:20:18,859
fascination and this is probably the

388

00:20:16,490 --> 00:20:20,630
most watched and looked that story than

389

00:20:18,859 --> 00:20:23,929
York Times has run in a long time oh

390

00:20:20,630 --> 00:20:24,550
yeah it's huge now day after days after

391

00:20:23,930 --> 00:20:30,490
so what

392

00:20:24,549 --> 00:20:32,619
what are they finding we told you they

393

00:20:30,490 --> 00:20:40,750
didn't tell us that part you're telling

394

00:20:32,619 --> 00:20:43,469
us now and keep in mind we told you to

395

00:20:40,750 --> 00:20:45,940
well ufologists now are no longer just

396

00:20:43,470 --> 00:20:51,069
stupid idiots there's there's a reason

397

00:20:45,940 --> 00:20:52,840
why these things are research scientists

398

00:20:51,069 --> 00:20:56,500
can try to figure out what accounts for

399

00:20:52,839 --> 00:20:59,589
their amazing properties this technology

400
00:20:56,500 --> 00:21:00,460
these objects whatever they are for

401
00:20:59,589 --> 00:21:03,490
those of you that are listening and

402
00:21:00,460 --> 00:21:05,500
Spreaker make sure you check us out on

403
00:21:03,490 --> 00:21:33,460
youtube you'll get the links in the

404
00:21:05,500 --> 00:21:38,349
clips for these videos but we have run

405
00:21:33,460 --> 00:21:40,539
out of time thank you okay so I don't

406
00:21:38,349 --> 00:21:41,740
know it's more more interesting hey

407
00:21:40,539 --> 00:21:46,059
we're gonna turn to the chat room we've

408
00:21:41,740 --> 00:21:47,710
got we've got some some comments there

409
00:21:46,059 --> 00:21:49,419
I'll Ronny Dawson's here first video

410
00:21:47,710 --> 00:21:50,670
played good the second was chopped u

411
00:21:49,420 --> 00:21:52,480
sorry guys

412
00:21:50,670 --> 00:21:57,490
nothing we could do about it we just got

413
00:21:52,480 --> 00:21:59,620
to keep going with the show Joe Santana

414
00:21:57,490 --> 00:22:01,809
hi guys this is Joe Santana out of

415
00:21:59,619 --> 00:22:03,579
Modesto California love your channel and

416
00:22:01,809 --> 00:22:06,240
honestly why can't these others just

417
00:22:03,579 --> 00:22:11,889
tell it like it is stop the BS exactly

418
00:22:06,240 --> 00:22:14,099
we feel same exact way feel the exact

419
00:22:11,890 --> 00:22:16,600
same way

420
00:22:14,099 --> 00:22:19,529
you're stupid whiter than the background

421
00:22:16,599 --> 00:22:22,329
YouTube okay

422
00:22:19,529 --> 00:22:24,670
okay look and by the way look Joe and I

423
00:22:22,329 --> 00:22:27,099
are Gibbs this guy but I wanted to show

424
00:22:24,670 --> 00:22:28,930
you what we've been doing we're serious

425
00:22:27,099 --> 00:22:30,159
about what we do so we're gonna take a

426
00:22:28,930 --> 00:22:31,660
break because we're gonna go to the

427
00:22:30,160 --> 00:22:33,190
Grier letter here in a minute which is

428

00:22:31,660 --> 00:22:37,240
which is a doozy it's a good when you

429
00:22:33,190 --> 00:22:39,100
gotta watch and see what mr. Greer has

430
00:22:37,240 --> 00:22:40,420
to say and for those of you obviously

431
00:22:39,099 --> 00:22:42,609
that are only listening and you're

432
00:22:40,420 --> 00:22:43,600
listening to the podcast you know we'll

433
00:22:42,609 --> 00:22:45,250
just we'll try to talk it through with

434
00:22:43,599 --> 00:22:47,679
you but Joe hand me a binder

435
00:22:45,250 --> 00:22:50,019
we have binders upon binders of women no

436
00:22:47,680 --> 00:22:52,120
I'm just kidding do you want that was it

437
00:22:50,019 --> 00:22:55,869
you get bush or some but you get one

438
00:22:52,119 --> 00:23:00,659
with or without soda without the soda to

439
00:22:55,869 --> 00:23:03,519
start so what we've been doing is

440
00:23:00,660 --> 00:23:05,920
printing out yeah

441
00:23:03,519 --> 00:23:11,410
so this was a little off-topic but you

442
00:23:05,920 --> 00:23:14,560

know what we found is the manual on

443

00:23:11,410 --> 00:23:15,730

remote viewing by dr. Hal put put off or

444

00:23:14,559 --> 00:23:18,309

put off or whatever

445

00:23:15,730 --> 00:23:23,650

now this dr. Hal guy is the same guy

446

00:23:18,309 --> 00:23:30,609

that is one of Tom DeLong's backers one

447

00:23:23,650 --> 00:23:33,100

of his top top physicists on his board

448

00:23:30,609 --> 00:23:34,809

and so with that being said I was able

449

00:23:33,099 --> 00:23:40,899

to find all this absolutely incredible

450

00:23:34,809 --> 00:23:44,529

work on through the through the CIA

451

00:23:40,900 --> 00:23:45,759

website so it says a fuzzy intersection

452

00:23:44,529 --> 00:23:51,309

is defined as the minimum of

453

00:23:45,759 --> 00:23:52,599

intersecting fuzzy I don't know but let

454

00:23:51,309 --> 00:23:54,220

me read just something about I like

455

00:23:52,599 --> 00:23:56,679

we're on remote viewing one on topic but

456

00:23:54,220 --> 00:24:00,220

hey let's take a break for a second it's

457
00:23:56,680 --> 00:24:03,490
this is quite literally a method I I got

458
00:24:00,220 --> 00:24:07,750
something highlighted here so this is in

459
00:24:03,490 --> 00:24:10,599
this manual Declassified from CIA it may

460
00:24:07,750 --> 00:24:12,910
be that remote perceptual ability is

461
00:24:10,599 --> 00:24:15,309
widely distribute distributed in the gen

462
00:24:12,910 --> 00:24:17,740
Ewell population but because the

463
00:24:15,309 --> 00:24:19,929
perception is generally below an

464
00:24:17,740 --> 00:24:24,400
individual's level of awareness it is

465
00:24:19,930 --> 00:24:25,480
repressed or not noticed and what remote

466
00:24:24,400 --> 00:24:26,179
viewing is for those of you who don't

467
00:24:25,480 --> 00:24:28,278
know

468
00:24:26,179 --> 00:24:31,548
it was also called project grill flame

469
00:24:28,278 --> 00:24:33,048
to start its was Project Star Gate and

470
00:24:31,548 --> 00:24:36,740
it would last it all the way up until

471
00:24:33,048 --> 00:24:38,538
the 90s where they were actually trying

472
00:24:36,740 --> 00:24:40,999
to find people that could have some sort

473
00:24:38,538 --> 00:24:45,048
of telepathic couldn't say telepathic

474
00:24:40,999 --> 00:24:48,528
but they were able to describe in pretty

475
00:24:45,048 --> 00:24:54,048
much good detail a location anywhere in

476
00:24:48,528 --> 00:25:05,028
space-time so and they do it and the

477
00:24:54,048 --> 00:25:12,019
faylene and the phallic but so here's a

478
00:25:05,028 --> 00:25:13,249
really good example yeah you guys really

479
00:25:12,019 --> 00:25:14,808
should be if you're really really into

480
00:25:13,249 --> 00:25:21,440
this reading this stuff I wrote it read

481
00:25:14,808 --> 00:25:23,028
this whole thing yeah so this was

482
00:25:21,440 --> 00:25:24,409
actually declassified because we're

483
00:25:23,028 --> 00:25:25,669
talking about black budget stuff and

484
00:25:24,409 --> 00:25:28,759
stuff you know where they hide it this

485

00:25:25,669 --> 00:25:32,330
is kind of one of those things so Hemme

486
00:25:28,759 --> 00:25:35,329
another oh this is our alien types

487
00:25:32,329 --> 00:25:38,269
binder and this is actually really cool

488
00:25:35,329 --> 00:25:41,808
oh it's cut soda on it but look there's

489
00:25:38,269 --> 00:25:45,788
a Palladian but this includes all sorts

490
00:25:41,808 --> 00:25:48,230
of different alien types in here and

491
00:25:45,788 --> 00:25:52,579
this is not available online this is

492
00:25:48,230 --> 00:25:54,769
something I actually found and I had a

493
00:25:52,579 --> 00:25:56,720
special way that this guy I don't know

494
00:25:54,769 --> 00:25:59,259
many of the guys on South Park that come

495
00:25:56,720 --> 00:25:59,259
from the future

496
00:26:03,419 --> 00:26:08,339
so this is interesting these are

497
00:26:05,429 --> 00:26:10,259
people's you know detailed accounting of

498
00:26:08,338 --> 00:26:14,088
different alien types that they have met

499
00:26:10,259 --> 00:26:14,088

or connected with or what the heck ever

500

00:26:16,578 --> 00:26:20,009

yeah here's more Project Star Gate but

501

00:26:19,048 --> 00:26:22,648

you'll be careful because the rough

502

00:26:20,009 --> 00:26:29,219

binder rings so but look at how thick

503

00:26:22,648 --> 00:26:30,689

this is I've gone through all of it Joe

504

00:26:29,219 --> 00:26:35,969

went through what's the other binder Joe

505

00:26:30,690 --> 00:26:38,519

that you into the UFO pros guide to

506

00:26:35,969 --> 00:26:39,989

galaxies this is our that's it your foe

507

00:26:38,519 --> 00:26:43,588

pros guide a galaxy that's named for

508

00:26:39,989 --> 00:26:47,338

book there's a Hitchhiker's Guide to the

509

00:26:43,588 --> 00:26:48,778

galaxy already but anyway this hat this

510

00:26:47,338 --> 00:26:51,388

is really really interesting business

511

00:26:48,778 --> 00:26:54,288

off FBI and other related websites these

512

00:26:51,388 --> 00:26:56,878

are all kinds of documents on UFOs

513

00:26:54,288 --> 00:26:59,638

paranormal events we have encoded this

514
00:26:56,878 --> 00:27:00,949
is really interesting project carrot we

515
00:26:59,638 --> 00:27:06,388
actually covered this on one of our

516
00:27:00,950 --> 00:27:08,969
earlier podcasts extraterrestrial

517
00:27:06,388 --> 00:27:10,798
recovered technology and disposal manual

518
00:27:08,969 --> 00:27:14,429
this is a Psalm 101 manual which a lot

519
00:27:10,798 --> 00:27:18,209
of people say is baby but but this is

520
00:27:14,429 --> 00:27:20,700
all Declassified from the government and

521
00:27:18,209 --> 00:27:25,019
I find it interesting that all of the

522
00:27:20,700 --> 00:27:28,109
information that was on the National

523
00:27:25,019 --> 00:27:30,628
Archives few computers that they had was

524
00:27:28,108 --> 00:27:32,428
finally released to the masses and

525
00:27:30,628 --> 00:27:34,498
published in a database online this year

526
00:27:32,429 --> 00:27:36,629
early this year and so now here we are

527
00:27:34,499 --> 00:27:39,298
in December at the very end of the year

528
00:27:36,628 --> 00:27:44,598
finding out that those programs were

529
00:27:39,298 --> 00:27:44,598
legit and that we indeed did do this so

530
00:27:44,719 --> 00:27:47,879
we've got more binders we've got like

531
00:27:46,798 --> 00:27:49,499
seven binders so just want to let you

532
00:27:47,878 --> 00:27:52,078
guys know that we're silly or goofy but

533
00:27:49,499 --> 00:27:53,999
you know really very serious on what is

534
00:27:52,078 --> 00:27:57,028
going on here and we want to know your

535
00:27:53,999 --> 00:28:00,118
thoughts what do you think about this

536
00:27:57,028 --> 00:28:03,118
was it disclosure was a confirmation was

537
00:28:00,118 --> 00:28:03,958
it acknowledgement whatever you want to

538
00:28:03,118 --> 00:28:06,928
call it

539
00:28:03,959 --> 00:28:13,558
what did Steven Greer say Ronnie Dawson

540
00:28:06,929 --> 00:28:15,899
said oh yes yes so we're gonna go to the

541
00:28:13,558 --> 00:28:16,740
Greer letter here and I want to get your

542

00:28:15,898 --> 00:28:21,539
guys thoughts on

543
00:28:16,740 --> 00:28:26,099
- so this is no it's just no let's check

544
00:28:21,539 --> 00:28:30,569
this out guys so this is a fun one this

545
00:28:26,099 --> 00:28:33,089
this this is dr. Greer and he says for

546
00:28:30,569 --> 00:28:36,980
those of you who can't see from dr.

547
00:28:33,089 --> 00:28:39,480
Greer Sunday December 17 2017 urgent

548
00:28:36,980 --> 00:28:42,029
note that the recent New York Times

549
00:28:39,480 --> 00:28:44,610
story is couched from a threat office of

550
00:28:42,029 --> 00:28:47,129
the Pentagon this is a clear ramp up of

551
00:28:44,609 --> 00:28:48,990
false flag fake disclosure designed to

552
00:28:47,130 --> 00:28:51,600
prepare people for a threat from outer

553
00:28:48,990 --> 00:28:54,029
space so the war mongers and war

554
00:28:51,599 --> 00:28:56,969
profiteers have a new bigger enemy be

555
00:28:54,029 --> 00:28:59,279
where and this the second paragraphs my

556
00:28:56,970 --> 00:29:02,160

favorite I'm gonna do it meanwhile

557

00:28:59,279 --> 00:29:05,428
unacknowledged is being blocked by media

558

00:29:02,160 --> 00:29:07,290
no coverage even though it's 2017 s

559

00:29:05,429 --> 00:29:10,380
number one documentary and iTunes and

560

00:29:07,289 --> 00:29:12,178
wildly popular on Netflix the secret

561

00:29:10,380 --> 00:29:15,780
government is manipulating a false

562

00:29:12,179 --> 00:29:28,410
disclosure and threat via their lackeys

563

00:29:15,779 --> 00:29:31,619
and cutouts stay tuned I never took you

564

00:29:28,410 --> 00:29:37,920
someone that I don't know had vocabulary

565

00:29:31,619 --> 00:29:40,159
you know I'm a goofball yes but I am did

566

00:29:37,920 --> 00:29:46,289
you say you were lecture Lee I'm

567

00:29:40,160 --> 00:29:48,450
intellectually stimulating you fuck by

568

00:29:46,289 --> 00:29:50,159
the way if you like what we're doing

569

00:29:48,450 --> 00:29:51,630
we're trying to the reason why we didn't

570

00:29:50,160 --> 00:29:53,070
comment or say anything at the moment

571
00:29:51,630 --> 00:29:54,510
came out is because we just need a day

572
00:29:53,069 --> 00:29:56,549
or two to digest it and kind of have our

573
00:29:54,509 --> 00:29:57,808
own opinion cuz it first like we said at

574
00:29:56,549 --> 00:30:02,639
the beginning the shows like what the

575
00:29:57,808 --> 00:30:05,220
hell ever just another thing but I was

576
00:30:02,640 --> 00:30:11,190
like actually this this is this is a big

577
00:30:05,220 --> 00:30:15,380
step actually recently this is like

578
00:30:11,190 --> 00:30:17,640
finding like the golden ticket this is

579
00:30:15,380 --> 00:30:19,170
it's something that's small you might

580
00:30:17,640 --> 00:30:22,009
think it's nothing but it's actually

581
00:30:19,170 --> 00:30:26,410
they actually coming out and saying hey

582
00:30:22,009 --> 00:30:29,289
you know this coffee's a cup of coffee

583
00:30:26,410 --> 00:30:30,519
I just want to say it confirms what

584
00:30:29,289 --> 00:30:34,329
we're doing that we're not just stupid

585
00:30:30,519 --> 00:30:37,720
Joe yes we're not just we have not seen

586
00:30:34,329 --> 00:30:40,659
UFO but I mean there is enough evidence

587
00:30:37,720 --> 00:30:42,100
as they say to prove beyond a shadow of

588
00:30:40,660 --> 00:30:44,230
a doubt that they're out there and now

589
00:30:42,099 --> 00:30:54,609
we have everything you know we need to

590
00:30:44,230 --> 00:30:56,110
confirm that's all fake oh well because

591
00:30:54,609 --> 00:30:57,909
they're still leaving out the alien part

592
00:30:56,109 --> 00:31:10,809
they don't even mention aliens they just

593
00:30:57,910 --> 00:31:12,130
say you know Bamberger UFO alien I don't

594
00:31:10,809 --> 00:31:13,450
even know

595
00:31:12,130 --> 00:31:14,920
thank you guys I'm Spreaker by the way

596
00:31:13,450 --> 00:31:18,400
if you're not following us follow us on

597
00:31:14,920 --> 00:31:24,310
all things social media we're at UFO

598
00:31:18,400 --> 00:31:29,500
Bros TV except for at Twitter Joe no uf0

599

00:31:24,309 --> 00:31:30,970
Bros TV we've got lots of followers and

600
00:31:29,500 --> 00:31:33,640
posts and stuff so make sure you guys go

601
00:31:30,970 --> 00:31:41,500
in there check that out and you know

602
00:31:33,640 --> 00:31:43,270
follow subscribe well yeah we're working

603
00:31:41,500 --> 00:31:44,859
on a big project that we hope turns out

604
00:31:43,269 --> 00:31:47,200
really well and we'll you know keep you

605
00:31:44,859 --> 00:31:49,359
guys updated when we know more yep

606
00:31:47,200 --> 00:31:51,039
but we appreciate all of our listeners

607
00:31:49,359 --> 00:31:53,349
and you know I think we're less drunk

608
00:31:51,039 --> 00:31:54,369
tonight or this afternoon so you know we

609
00:31:53,349 --> 00:31:57,490
got a little bit more information out

610
00:31:54,369 --> 00:32:19,779
about how's your how's your job bro

611
00:31:57,490 --> 00:32:21,339
you're like so busy that we're going to

612
00:32:19,779 --> 00:32:23,089
do the podcast next time I'm eating

613
00:32:21,339 --> 00:32:30,169

lunch sitting on the toilet

614

00:32:23,089 --> 00:32:32,959

we're gonna be able to do it matter what

615

00:32:30,170 --> 00:32:35,900

well this is really delayed but we're

616

00:32:32,960 --> 00:32:38,329

gonna talk about what Ronnie Dawson says

617

00:32:35,900 --> 00:32:40,610

I think what they're doing is damage

618

00:32:38,329 --> 00:32:42,769

control they want you to hear the UFO

619

00:32:40,609 --> 00:32:46,250

stuff before you hear it from the lungs

620

00:32:42,769 --> 00:32:48,049

boys I can hear exactly those of us that

621

00:32:46,250 --> 00:32:49,640

have a genuine love for you follow G

622

00:32:48,049 --> 00:32:57,169

will never lose interest and that's from

623

00:32:49,640 --> 00:32:59,180

Joe Santana angry yeah it's kind of that

624

00:32:57,170 --> 00:33:00,710

well and I wonder I wonder I don't think

625

00:32:59,180 --> 00:33:02,180

I wonder if no Greer probably knew that

626

00:33:00,710 --> 00:33:03,799

this was this announcement was coming

627

00:33:02,180 --> 00:33:14,380

out he probably has it somewhere

628
00:33:03,799 --> 00:33:16,519
documented this is what well we're gonna

629
00:33:14,380 --> 00:33:17,510
start to wrap this up because we kind of

630
00:33:16,519 --> 00:33:24,710
went through everything that we want to

631
00:33:17,509 --> 00:33:26,240
show you guys rectify by the way if

632
00:33:24,710 --> 00:33:28,640
you're not please support us on patreon

633
00:33:26,240 --> 00:33:30,950
five dollars a month helps us continue

634
00:33:28,640 --> 00:33:34,630
to do what we do patreon.com forward

635
00:33:30,950 --> 00:33:34,630
slash UFO Bros TV

636
00:33:35,180 --> 00:33:42,080
I can't twist my head around okay well

637
00:33:40,339 --> 00:33:44,149
thank you guys so much for listening we

638
00:33:42,079 --> 00:33:46,220
hope you enjoyed a update on what's

639
00:33:44,150 --> 00:33:49,190
going on with the Pentagon and along the

640
00:33:46,220 --> 00:33:51,710
Pinta pimped along the Pinta long the

641
00:33:49,190 --> 00:33:55,460
Pinta long enough to the star wars oh

642
00:33:51,710 --> 00:33:57,049
two stars so we're gonna let you guys go

643
00:33:55,460 --> 00:34:00,950
you guys have a fabulous day

644
00:33:57,049 --> 00:34:04,700
and it's Monday we usually go tomorrow

645
00:34:00,950 --> 00:34:08,269
but today is the day well that's not

646
00:34:04,700 --> 00:34:11,659
surprising to me at all at all so thank

647
00:34:08,269 --> 00:34:16,750
you guys I'm Emmett and we are the you F

648
00:34:11,659 --> 00:34:16,750
Oh Rose see you guys
