[Music]

2
00:00:14,570 --> 00:00:23,820

10
00:00:42,299 --> 00:00:47,338
quieter place in the facility I flew

11
00:00:45,140 --> 00:00:50,730
some fucking air conditioning for sure

12
00:00:47,338 --> 00:00:56,819
exactly so you know hopefully the road

13
00:00:50,729 --> 00:00:59,549
noise is at a minimum for this yep I can

14
00:00:56,819 --> 00:01:01,249
actually hear myself I'm sorry to hear

15
00:00:59,549 --> 00:01:04,620
that

16
00:01:01,249 --> 00:01:07,019
so Joe we had just to get started here

17
00:01:04,620 --> 00:01:09,060
like we've got lots of new followers on

19
00:01:09,060 --> 00:01:14,280
last couple days has been crazy

20
00:01:11,549 --> 00:01:17,310

30
00:01:44,280 --> 00:01:52,439
things social media so also and tour

31
00:01:47,810 --> 00:01:56,250
what's that yeah and on tumblr yeah um

32
00:01:52,438 --> 00:01:58,589
do you auto broke wait Donald Trump is

33
00:01:56,250 --> 00:02:01,188
in the house oh we should redo the intro

34
00:01:58,590 --> 00:02:06,868
hey what's everybody I'm in it I'm Joe

35
00:02:01,188 --> 00:02:10,919
Donald Trump this floor

36
00:02:06,868 --> 00:02:12,658
okay so president Trump is here via

37
00:02:10,919 --> 00:02:15,149
soundboard and

38
00:02:12,658 --> 00:02:17,009
so I was trying to make a catchy title

39
00:02:15,150 --> 00:02:19,549
Joe for like the show today and I was

40
00:02:17,009 --> 00:02:24,620
thinking how the hell would Donald Trump

41
00:02:19,549 --> 00:02:27,120
announced you know that there's aliens

42
00:02:24,620 --> 00:02:28,889
it had been visiting us I wonder what he

43
00:02:27,120 --> 00:02:37,700

would say there's aliens you probably

44

00:02:28,889 --> 00:02:40,500

say Rosie O'Donnell hi Donny done

45

00:02:37,699 --> 00:02:46,798

Tiffany all of them all of them are

46

00:02:40,500 --> 00:02:56,188

bitches but you know what the best one

47

00:02:46,799 --> 00:02:59,760

is I gotta take here but the second

48

00:02:56,188 --> 00:03:02,340

thing is dying Oh God

49

00:02:59,759 --> 00:03:04,138

so I came up with this test you know you

50

00:03:02,340 --> 00:03:08,370

know this catchy title like the great

51

00:03:04,139 --> 00:03:13,139

great aliens lend something like that I

52

00:03:08,370 --> 00:03:18,359

love aliens no I'm sorry

53

00:03:13,139 --> 00:03:19,290

well you know what here is my idea Joe

54

00:03:18,359 --> 00:03:21,449

and I've been thinking about this a

55

00:03:19,289 --> 00:03:24,030

couple No oh yeah you want to hear this

56

00:03:21,449 --> 00:03:26,159

so president Trump Joe I want you to

57

00:03:24,030 --> 00:03:28,949

hear this so thank you very much that's

58
00:03:26,158 --> 00:03:32,728
really nice thank you I think that all

59
00:03:28,949 --> 00:03:34,530
of us in the UFO community whether we

60
00:03:32,729 --> 00:03:37,019
hate him or whether we love him or

61
00:03:34,530 --> 00:03:41,459
whether we was dating or whatever you

62
00:03:37,019 --> 00:03:45,780
can't see stuff like that that's

63
00:03:41,459 --> 00:03:46,949
terrible I fully understand yes we don't

64
00:03:45,780 --> 00:03:48,719
wanna have to deal with like the Secret

65
00:03:46,949 --> 00:03:51,599
Service or something crazy because no

66
00:03:48,719 --> 00:03:52,258
but the idea here is you're not a nice

67
00:03:51,598 --> 00:03:55,378
person

68
00:03:52,258 --> 00:03:56,668
I apologize for fucksakes let me finish

69
00:03:55,378 --> 00:03:58,318
what I'm saying then there's something

70
00:03:56,669 --> 00:04:00,590
wrong with you you're certainly not very

71
00:03:58,318 --> 00:04:07,679
good thank you

72
00:04:00,590 --> 00:04:14,509
asshole anyway she's so Trump's in a

73
00:04:07,680 --> 00:04:19,139
huge media mess right oh oh he is

74
00:04:14,508 --> 00:04:22,288
there's a Russia and there's all this

75
00:04:19,139 --> 00:04:23,460
going on now today with Donald Trump jr.

76
00:04:22,288 --> 00:04:27,750
and

77
00:04:23,459 --> 00:04:29,879
eating with these like Russian insiders

78
00:04:27,750 --> 00:04:34,560
and how illegal it is or if it is or

79
00:04:29,879 --> 00:04:39,839
isn't wrong well what I know a perfect

80
00:04:34,560 --> 00:04:42,089
way for Trump to change the dialogue we

81
00:04:39,839 --> 00:04:45,269
should all in the UFO community stroke

82
00:04:42,089 --> 00:04:46,888
his ego just a little bit publicly

83
00:04:45,269 --> 00:04:49,799
that's right just a little bit whether

84
00:04:46,889 --> 00:04:52,470
you whether you hate him or love him you

85
00:04:49,800 --> 00:04:56,189
know you know would be the greatest

86

00:04:52,470 --> 00:04:58,949
president in human history Joe would be

87
00:04:56,189 --> 00:05:02,160
the president that released information

88
00:04:58,949 --> 00:05:04,080
that we are indeed not alone and that we

89
00:05:02,160 --> 00:05:15,090
have been visited for a very long time

90
00:05:04,079 --> 00:05:18,478
etc etc at what's this xxx one me okay

91
00:05:15,089 --> 00:05:22,679
yeah well that's what the xxx one does

92
00:05:18,478 --> 00:05:24,839
absolutely okay but you guys what are

93
00:05:22,680 --> 00:05:28,079
you guys to think thank you darling for

94
00:05:24,839 --> 00:05:29,038
those of you listening would that be if

95
00:05:28,079 --> 00:05:32,098
anybody's listening

96
00:05:29,038 --> 00:05:35,519
if anybody the tens of you then the size

97
00:05:32,098 --> 00:05:37,620
of you that are listening to our show

98
00:05:35,519 --> 00:05:38,219
let me know what you think it was just a

99
00:05:37,620 --> 00:05:39,478
thought

100
00:05:38,220 --> 00:05:41,280

you know I'm not trying to push me

101

00:05:39,478 --> 00:05:43,620

political buttons Joe and I are kind of

102

00:05:41,279 --> 00:05:47,038

no trolling situation whatever because I

103

00:05:43,620 --> 00:05:50,069

believe in the end it doesn't really

104

00:05:47,038 --> 00:05:52,468

matter the president's ability there's

105

00:05:50,069 --> 00:05:54,779

obviously another source of government

106

00:05:52,468 --> 00:05:57,000

within the government and controls thing

107

00:05:54,779 --> 00:05:59,698

Indians and big outside of Trump Indians

108

00:05:57,000 --> 00:06:03,389

or any other residents ability trillions

109

00:05:59,699 --> 00:06:07,050

maybe of dollars actually in black

110

00:06:03,389 --> 00:06:09,060

projects that the president doesn't even

111

00:06:07,050 --> 00:06:12,478

know about and think about it the

112

00:06:09,060 --> 00:06:15,468

president is only and there for four

113

00:06:12,478 --> 00:06:17,519

years that's it they're earning out

114

00:06:15,468 --> 00:06:18,870

potentially eight years right as a

115
00:06:17,519 --> 00:06:20,788
second now they're beating us

116
00:06:18,870 --> 00:06:21,689
economically they are not our friend

117
00:06:20,788 --> 00:06:25,259
believe me

118
00:06:21,689 --> 00:06:28,800
I'm done I love that you're wearing your

119
00:06:25,259 --> 00:06:31,038
Roswell shirt tonight Joe I love that

120
00:06:28,800 --> 00:06:31,038
you

121
00:06:32,750 --> 00:06:48,408
Carla says hello yeah huge huge what do

122
00:06:41,908 --> 00:06:48,408
you think Carla big somebody simply

123
00:06:51,680 --> 00:06:58,340
somebody's got a stroke his ego just a

124
00:06:54,149 --> 00:07:01,339
little bit I think it would work general

125
00:06:58,339 --> 00:07:01,339
gently

126
00:07:02,449 --> 00:07:07,228
what a nice burped sorry thanks for that

127
00:07:05,848 --> 00:07:13,589
fried chicken you made some damn good

128
00:07:07,228 --> 00:07:15,899
fried chicken bro yeah our great country

129
00:07:13,589 --> 00:07:18,209
makes great fried chicken I would say

130
00:07:15,899 --> 00:07:20,579
except for I think KFC personally its

131
00:07:18,209 --> 00:07:25,128
kind of falling behind a little bit it's

132
00:07:20,579 --> 00:07:29,519
gonna happen well kid sees a little

133
00:07:25,129 --> 00:07:34,528
slimy right who makes these deals

134
00:07:29,519 --> 00:07:36,568
I don't that's too big beep mm we eat

135
00:07:34,528 --> 00:07:38,490
McDonald's until we come to an agreement

136
00:07:36,569 --> 00:07:39,930
that sounds like a great idea

137
00:07:38,490 --> 00:07:42,000
are we just gonna sit here and poke up

138
00:07:39,930 --> 00:07:43,528
the sound board all night I'm asking you

139
00:07:42,000 --> 00:07:43,860
cuz you're the one running the sound

140
00:07:43,528 --> 00:07:45,718
board

141
00:07:43,860 --> 00:07:47,610
oh I never ran this sound bar before I'm

142
00:07:45,718 --> 00:07:50,750
trying to do it as I go it's almost like

143

00:07:47,610 --> 00:07:54,990
you're in a room by yourself not lie

144
00:07:50,750 --> 00:07:59,718
probe casting to the world in the room

145
00:07:54,990 --> 00:07:59,718
by yourself playing with your iPad yeah

146
00:08:00,319 --> 00:08:06,449
that me crazy but Joe seriously what do

147
00:08:03,329 --> 00:08:09,800
you think about that idea like what

148
00:08:06,449 --> 00:08:12,240
about even creating a petition online

149
00:08:09,800 --> 00:08:14,848
it's probably good let's get him let's

150
00:08:12,240 --> 00:08:17,269
say hey hey hey Trumpy I'll be and then

151
00:08:14,848 --> 00:08:20,908
get that ufologist to kind of you know

152
00:08:17,269 --> 00:08:24,959
mention it in a way publicly because I

153
00:08:20,908 --> 00:08:30,209
know Trump checks all of his own reviews

154
00:08:24,959 --> 00:08:35,578
and media probably sister smiles that

155
00:08:30,209 --> 00:08:39,360
everybody I can't wait oh shit they're

156
00:08:35,578 --> 00:08:41,549
looking at me Donald Trump yeah I think

157
00:08:39,360 --> 00:08:44,219

it would be a good idea we could do it

158

00:08:41,549 --> 00:08:44,949

well sign it will have Carla Carla you

159

00:08:44,219 --> 00:08:47,680

have to

160

00:08:44,950 --> 00:08:51,220

start the petition and you have to start

161

00:08:47,679 --> 00:08:56,949

it now we don't know what's happening

162

00:08:51,220 --> 00:09:01,029

exactly no it doesn't exist folks oh my

163

00:08:56,950 --> 00:09:05,800

god just stop it I fully understand I'm

164

00:09:01,029 --> 00:09:08,409

gonna take it away seriously I'm sorry

165

00:09:05,799 --> 00:09:09,339

with great sound board comes great

166

00:09:08,409 --> 00:09:11,319

responsibility

167

00:09:09,340 --> 00:09:13,210

yeah are you gonna die now no but this

168

00:09:11,320 --> 00:09:16,450

is probably where I start turning off

169

00:09:13,210 --> 00:09:19,120

our show because they start listening in

170

00:09:16,450 --> 00:09:20,410

oh you might be right I don't know

171

00:09:19,120 --> 00:09:22,060

whenever you look at me all fucking

172
00:09:20,409 --> 00:09:23,679
weird during the podcast and we play a

173
00:09:22,059 --> 00:09:26,409
backward goal hold up buddy

174
00:09:23,679 --> 00:09:29,979
right now ladies and gentlemen Joe is

175
00:09:26,409 --> 00:09:34,209
laying like one of Jack's French girls

176
00:09:29,980 --> 00:09:38,889
on his thigh billions and billions

177
00:09:34,210 --> 00:09:42,820
probably trillions it's not pretty

178
00:09:38,889 --> 00:09:45,669
I just want to say that yeah but you

179
00:09:42,820 --> 00:09:49,180
know there's one I win god damn it okay

180
00:09:45,669 --> 00:09:51,669
I give up he set the mic down this is

181
00:09:49,179 --> 00:09:55,209
great so he's saying he wants to bring

182
00:09:51,669 --> 00:09:57,879
out a partition for president Trump just

183
00:09:55,210 --> 00:10:02,110
stroke his ego I think that should

184
00:09:57,879 --> 00:10:04,269
happen that's fine I can run this bitch

185
00:10:02,110 --> 00:10:07,470
the bushes I love charged crooked

186
00:10:04,269 --> 00:10:15,449
Hillary Clinton let's do it all nighter

187
00:10:07,470 --> 00:10:15,450
if we got any requests we do not need

188
00:10:16,200 --> 00:10:21,629
I'm a free trader I'm free okay look I'm

189
00:10:19,679 --> 00:10:23,939
coming back to Mike I'm coming back but

190
00:10:21,629 --> 00:10:25,169
you gotta tone it down man I toned it

191
00:10:23,940 --> 00:10:27,660
down only use it when it's appropriate

192
00:10:25,169 --> 00:10:28,559
not when you feel a retarded moment that

193
00:10:27,659 --> 00:10:30,000
you can't control

194
00:10:28,559 --> 00:10:31,588
you know like with those things it's

195
00:10:30,000 --> 00:10:34,090
like when you're like doing something

196
00:10:31,589 --> 00:10:35,720
you just a little retard strength just

197
00:10:34,090 --> 00:10:41,370
[Music]

198
00:10:35,720 --> 00:10:43,290
wait wait wait did you say retard

199
00:10:41,370 --> 00:10:47,669
strength that's what they call it it's

200

00:10:43,289 --> 00:10:50,549
like an extra I have never heard of a

201
00:10:47,669 --> 00:10:54,479
retard string it's it's in the mechanics

202
00:10:50,549 --> 00:10:55,769
field it's with these you can hit your

203
00:10:54,480 --> 00:10:58,829
toe most 9wc

204
00:10:55,769 --> 00:11:01,039
sort of group of the bunch bunch of the

205
00:10:58,828 --> 00:11:06,208
group I know will faithfully execute

206
00:11:01,039 --> 00:11:08,879
your ass think about it bro come on

207
00:11:06,208 --> 00:11:12,838
let's do it Carla's decided Carla hasn't

208
00:11:08,879 --> 00:11:15,689
replied oh way she says if we start it

209
00:11:12,839 --> 00:11:18,000
to be the first to sign it well let's do

210
00:11:15,690 --> 00:11:21,510
it we can stand in front of Walmart you

211
00:11:18,000 --> 00:11:25,198
want to Donald Donald Trump's ego that

212
00:11:21,509 --> 00:11:30,929
junk Donald trucks ego ego pensive diet

213
00:11:25,198 --> 00:11:33,809
coke on shuttle trunk sorry

214
00:11:30,929 --> 00:11:41,159

side all my blood to the right side of

215

00:11:33,809 --> 00:11:43,528

my brain but you know well you can just

216

00:11:41,159 --> 00:11:45,269

send up up everywhere legal what cuz

217

00:11:43,528 --> 00:11:48,778

people love Omar the most political

218

00:11:45,269 --> 00:11:50,459

people there one more maybe wait the

219

00:11:48,778 --> 00:11:51,629

most what people the most political

220

00:11:50,458 --> 00:11:53,759

people are at Walmart

221

00:11:51,629 --> 00:11:56,669

oh sorry ladies and gentlemen just so

222

00:11:53,759 --> 00:11:58,679

you know I laughed so hard when I when I

223

00:11:56,669 --> 00:12:00,509

fell backwards that I unplugged my

224

00:11:58,679 --> 00:12:02,729

headphones so I missed part of what Joe

225

00:12:00,509 --> 00:12:06,299

said so I was trying to get him plugged

226

00:12:02,730 --> 00:12:09,420

active plugged back in because that was

227

00:12:06,299 --> 00:12:13,169

funny so hey Paul Curtis is in the chat

228

00:12:09,419 --> 00:12:15,448

room now nice thoughts he says you could

229

00:12:13,169 --> 00:12:16,769

say that someone in the White House has

230

00:12:15,448 --> 00:12:20,338

promised to leak the disclosure

231

00:12:16,769 --> 00:12:23,370

information news it might worry him into

232

00:12:20,339 --> 00:12:28,150

disclosing something and that's when the

233

00:12:23,370 --> 00:12:31,840

bad happens that's a really interesting

234

00:12:28,149 --> 00:12:37,029

it's all fake news look it's just a game

235

00:12:31,840 --> 00:12:39,700

okay okay it's a game he just plays the

236

00:12:37,029 --> 00:12:41,679

media and the media takes it whether you

237

00:12:39,700 --> 00:12:45,430

hate him or love the message whatever

238

00:12:41,679 --> 00:12:48,250

like 1974 no but they are getting so

239

00:12:45,429 --> 00:12:50,589

offended and everybody knows who he is

240

00:12:48,250 --> 00:12:52,330

why do they just wake up and see that

241

00:12:50,590 --> 00:12:55,149

they're being played and then they can

242

00:12:52,330 --> 00:12:58,720

actually deal with it in an intelligible

243
00:12:55,149 --> 00:13:00,970
manner I think rather than just trying

244
00:12:58,720 --> 00:13:04,480
to get the first headline out there for

245
00:13:00,970 --> 00:13:12,399
whatever I don't this isn't political

246
00:13:04,480 --> 00:13:16,440
this is media come on out sit like a

247
00:13:12,399 --> 00:13:20,289
mermaid good girl do you like that yes I

248
00:13:16,440 --> 00:13:25,150
just need to be in clam but anyway we'll

249
00:13:20,289 --> 00:13:28,029
be forgotten no longer summer ask I

250
00:13:25,149 --> 00:13:29,740
think it's important that we have some

251
00:13:28,029 --> 00:13:31,360
dialogue with the president at the

252
00:13:29,740 --> 00:13:39,100
moment so I'm gonna ask you mr.

253
00:13:31,360 --> 00:13:43,629
president what are your thoughts on

254
00:13:39,100 --> 00:13:46,029
China we want to know your thoughts on

255
00:13:43,629 --> 00:13:49,269
China you don't really talk much about

256
00:13:46,029 --> 00:13:51,519
China recently other than to pressure

257

00:13:49,269 --> 00:13:57,509
North Korea or whatever our great

258
00:13:51,519 --> 00:14:02,069
country no no it was about China and

259
00:13:57,509 --> 00:14:02,069
some I assume are good people

260
00:14:04,139 --> 00:14:20,840
Bing bong Bing Bing Bing bong bong Bing

261
00:14:09,700 --> 00:14:26,540
Bing okay one again

262
00:14:20,840 --> 00:14:28,700
you have to speak English okay look she

263
00:14:26,539 --> 00:14:30,919
doesn't have the stamina I said she

264
00:14:28,700 --> 00:14:32,509
doesn't have the stamina I don't believe

265
00:14:30,919 --> 00:14:35,479
she does have the stamina I don't

266
00:14:32,509 --> 00:14:41,169
believe that Hillary has the stamina you

267
00:14:35,480 --> 00:14:42,500
need tremendous stamina the stamina okay

268
00:14:41,169 --> 00:14:45,589
thank you

269
00:14:42,500 --> 00:14:47,600
I swear you give in like a retard zone

270
00:14:45,590 --> 00:14:51,190
and then I have a mess with this

271
00:14:47,600 --> 00:14:51,190

somewhere you have forgive me folks

272

00:14:56,980 --> 00:15:01,639

later and multiple sound board buttons

273

00:14:59,870 --> 00:15:04,850

that weren't supposed to be pushed later

274

00:15:01,639 --> 00:15:08,059

by the way we've got Stephen China all

275

00:15:04,850 --> 00:15:11,120

the time see them all the time China all

276

00:15:08,059 --> 00:15:13,009

the time Fulcher Stephen Fulcher has

277

00:15:11,120 --> 00:15:14,200

joined us in the chat room and he says

278

00:15:13,009 --> 00:15:18,350

Trump's a chump

279

00:15:14,200 --> 00:15:20,780

exactly hopefully he falls for it and

280

00:15:18,350 --> 00:15:24,279

does you know what you know to clear the

281

00:15:20,779 --> 00:15:26,539

air let's you know change the subject I

282

00:15:24,279 --> 00:15:29,929

don't think they like me very much

283

00:15:26,539 --> 00:15:31,370

oh you know change the subject aliens

284

00:15:29,929 --> 00:15:34,759

are here he wouldn't do that and that is

285

00:15:31,370 --> 00:15:36,639

a nation that truly has no clue they

286

00:15:34,759 --> 00:15:39,860

don't know what they're doing

287

00:15:36,639 --> 00:15:44,779

to somebody from China billions and

288

00:15:39,860 --> 00:15:49,279

billions and billions we out China that

289

00:15:44,779 --> 00:15:53,269

some are you done that was Trump talking

290

00:15:49,279 --> 00:15:57,709

on me was trying to get it out a little

291

00:15:53,269 --> 00:16:02,870

bit kind of like Christopher Walken when

292

00:15:57,710 --> 00:16:05,660

he's talking I want to know look we've

293

00:16:02,870 --> 00:16:07,129

got a few people in chat room tonight 22

294

00:16:05,659 --> 00:16:10,549

minutes of bullshit okay now we could

295

00:16:07,129 --> 00:16:18,740

start thank you Joe are you done are you

296

00:16:10,549 --> 00:16:21,069

ready now we start the show now by the

297

00:16:18,740 --> 00:16:25,190

way just to remainder ever a reminder

298

00:16:21,070 --> 00:16:29,870

next show we have dr. Jerry crock

299

00:16:25,190 --> 00:16:31,510

exciting very exciting exhilarating

300
00:16:29,870 --> 00:16:34,669
exciting it's very exciting

301
00:16:31,509 --> 00:16:36,789
okay it's a combination we're really

302
00:16:34,669 --> 00:16:40,990
excited to have him on the show because

303
00:16:36,789 --> 00:16:46,129
he has the ultimate current research on

304
00:16:40,990 --> 00:16:49,009
the so-called Roswell foilage foils and

305
00:16:46,129 --> 00:16:51,580
materials that were recovered because he

306
00:16:49,009 --> 00:16:55,819
has a connection

307
00:16:51,580 --> 00:16:59,389
supposedly to the sword of properties of

308
00:16:55,820 --> 00:17:01,640
the Roswell foil in that in the 60s he

309
00:16:59,389 --> 00:17:03,909
taught elementary school and a student

310
00:17:01,639 --> 00:17:07,088
of his brought thing brought a piece of

311
00:17:03,909 --> 00:17:09,588
rectangular foil up to the desk and said

312
00:17:07,088 --> 00:17:11,929
here you know he looked at it and was

313
00:17:09,588 --> 00:17:14,599
like well okay but then she encouraged

314

00:17:11,930 --> 00:17:16,580
him she said no roll it up into a ball

315
00:17:14,599 --> 00:17:19,879
go ahead and try so he rolls up into a

316
00:17:16,579 --> 00:17:22,970
ball opens his hand and where's that

317
00:17:19,880 --> 00:17:27,010
little girl at that's an interesting

318
00:17:22,970 --> 00:17:30,230
question I he actually has found her

319
00:17:27,009 --> 00:17:32,029
name but he hasn't found her he was able

320
00:17:30,230 --> 00:17:35,569
to figure out who the girl was

321
00:17:32,029 --> 00:17:37,940
and I think he well maybe she's a

322
00:17:35,569 --> 00:17:45,829
Probert maybe she's listening right now

323
00:17:37,940 --> 00:17:47,509
we need to help please go find her we'll

324
00:17:45,829 --> 00:17:48,529
get her on there we want to know what

325
00:17:47,509 --> 00:17:51,859
that shit is you have it in the middle

326
00:17:48,529 --> 00:17:53,599
box where's it that I want it well he

327
00:17:51,859 --> 00:17:55,429
gave it back to her but he even tried

328
00:17:53,599 --> 00:17:56,929

cutting it and he tried putting a hole

329

00:17:55,430 --> 00:17:59,330

in it he tried it just it would just

330

00:17:56,930 --> 00:18:03,430

would dent every time he would try to

331

00:17:59,329 --> 00:18:03,429

hit it with a screwdriver

332

00:18:03,549 --> 00:18:07,430

he tried I think with a guy tried

333

00:18:05,630 --> 00:18:08,810

heating it try cutting it tried slicing

334

00:18:07,430 --> 00:18:10,279

it try doing everything hit it and it

335

00:18:08,809 --> 00:18:12,049

wouldn't do anything this is sitting to

336

00:18:10,279 --> 00:18:14,240

a ball and it flattened out so we're

337

00:18:12,049 --> 00:18:16,309

gonna ask him we got about 30-40 minutes

338

00:18:14,240 --> 00:18:19,039

to be chatting with him next week so if

339

00:18:16,309 --> 00:18:21,019

you guys have questions Paul Steve and

340

00:18:19,039 --> 00:18:21,589

Carla that are in the chat room right

341

00:18:21,019 --> 00:18:24,529

now

342

00:18:21,589 --> 00:18:27,289

join us because if you've got any

343
00:18:24,529 --> 00:18:30,019
questions to ask somebody who's actually

344
00:18:27,289 --> 00:18:33,309
had their hands on potentially by the

345
00:18:30,019 --> 00:18:36,319
way you know a Roswell like material and

346
00:18:33,309 --> 00:18:37,549
as we you have said in past shows I've

347
00:18:36,319 --> 00:18:40,700
kind of mentioned this because I've been

348
00:18:37,549 --> 00:18:42,619
really wanting to promote this and

349
00:18:40,700 --> 00:18:44,090
getting our listeners to be on the show

350
00:18:42,619 --> 00:18:44,989
because I think it's going to be such a

351
00:18:44,089 --> 00:18:46,730
great moment

352
00:18:44,990 --> 00:18:49,730
I mean we're gonna be able to ask him

353
00:18:46,730 --> 00:18:52,149
anything we want yeah and he's done the

354
00:18:49,730 --> 00:18:57,110
research and I can't wait

355
00:18:52,148 --> 00:19:01,639
yeah ask what the box

356
00:18:57,109 --> 00:19:03,259
smelled like that's a good question what

357
00:19:01,640 --> 00:19:04,909
did the foil smell like what is it what

358
00:19:03,259 --> 00:19:08,288
is this not what it tastes like what did

359
00:19:04,909 --> 00:19:11,299
it feel like in your hands yes there is

360
00:19:08,288 --> 00:19:14,028
a witness her name was for I don't know

361
00:19:11,298 --> 00:19:17,028
if she's around in where Frank Iero his

362
00:19:14,028 --> 00:19:20,390
slash was is still I don't know her name

363
00:19:17,028 --> 00:19:23,450
and she described the foil as kind of

364
00:19:20,390 --> 00:19:27,440
turning into a liquid metal and then

365
00:19:23,450 --> 00:19:30,798
reassembling itself back open but that's

366
00:19:27,440 --> 00:19:33,019
the only time I've ever heard any but he

367
00:19:30,798 --> 00:19:35,509
described the Roswell material with a

368
00:19:33,019 --> 00:19:39,470
liquid sort of I think that's just kind

369
00:19:35,509 --> 00:19:43,429
of let out of control you know I mean an

370
00:19:39,470 --> 00:19:45,798
alien crashes in you know a farm and

371

00:19:43,429 --> 00:19:47,090
that's totally believable but I'm not

372
00:19:45,798 --> 00:19:48,889
gonna believe the part about the you

373
00:19:47,089 --> 00:19:51,079
know the liquid metal of course you know

374
00:19:48,890 --> 00:19:52,970
that could just be crazy that wouldn't

375
00:19:51,079 --> 00:19:55,009
make any sense right well there's

376
00:19:52,970 --> 00:19:59,630
actually is well no it's not looks like

377
00:19:55,009 --> 00:20:10,308
the metal but it's not mercury yeah

378
00:19:59,630 --> 00:20:12,799
yeah they're bringing drugs turning over

379
00:20:10,308 --> 00:20:15,168
to the chat room here

380
00:20:12,798 --> 00:20:17,629
Stephens asking he says you are asking

381
00:20:15,169 --> 00:20:19,970
in your last episode about a photography

382
00:20:17,630 --> 00:20:22,460
specialist he says he has an aunt in

383
00:20:19,970 --> 00:20:25,788
Texas that does photography all kinds of

384
00:20:22,460 --> 00:20:29,558
stuff yeah by the way that reminds me I

385
00:20:25,788 --> 00:20:32,509

have a few of the Roswell

386

00:20:29,558 --> 00:20:36,190

high-resolution scans where you see

387

00:20:32,509 --> 00:20:40,158

Jesse Marcel holding up pieces of

388

00:20:36,190 --> 00:20:42,558

actually you know a weather balloon but

389

00:20:40,159 --> 00:20:44,179

I have been spending hours Joe just I

390

00:20:42,558 --> 00:20:46,240

know it sounds crazy hours on three

391

00:20:44,179 --> 00:20:50,210

photographs but I've been zooming in

392

00:20:46,240 --> 00:20:53,179

changing lighting and all that trying to

393

00:20:50,210 --> 00:20:56,569

see if I can see any symbols on the

394

00:20:53,179 --> 00:21:00,530

wreckage and the reason being is they

395

00:20:56,569 --> 00:21:03,259

said that there was a tape on the mogul

396

00:21:00,529 --> 00:21:05,359

what they call radar detector or a radar

397

00:21:03,259 --> 00:21:08,200

I don't really know something for a

398

00:21:05,359 --> 00:21:11,509

radar radar reflector dish kind of thing

399

00:21:08,200 --> 00:21:14,210

it was kind of a weird looking

400
00:21:11,509 --> 00:21:18,048
contraption you know that had aluminum

401
00:21:14,210 --> 00:21:21,500
foil sided paper but that paper was

402
00:21:18,048 --> 00:21:24,200
attached to balsa wood structures where

403
00:21:21,500 --> 00:21:28,159
are like a balsa wood with a tape and

404
00:21:24,200 --> 00:21:31,460
this holographic what wasn't holographic

405
00:21:28,159 --> 00:21:33,860
so just going by the mogul story just

406
00:21:31,460 --> 00:21:37,669
going by the mogul story not the Roswell

407
00:21:33,859 --> 00:21:42,408
alien crash story but mogul story which

408
00:21:37,669 --> 00:21:46,970
is the tape had like a light pink or a

409
00:21:42,409 --> 00:21:52,150
light purple sort of like symbols like

410
00:21:46,970 --> 00:21:55,850
flowers yeah there was like flowers

411
00:21:52,150 --> 00:21:58,669
diamonds weird sort of half circles just

412
00:21:55,849 --> 00:22:02,658
really interesting patterns on this tape

413
00:21:58,669 --> 00:22:05,480
and so you can actually see a replica of

414
00:22:02,659 --> 00:22:07,070
that on one of our going to Roswell

415
00:22:05,480 --> 00:22:09,279
trips you can actually see the interview

416
00:22:07,069 --> 00:22:12,250
where they get replicas of it

417
00:22:09,279 --> 00:22:14,170
check it out yes and so in these photos

418
00:22:12,250 --> 00:22:17,289
jaws trying to zoom in to see if I could

419
00:22:14,170 --> 00:22:19,630
see any of those patterns on the tape in

420
00:22:17,289 --> 00:22:21,039
the photo because then that would you

421
00:22:19,630 --> 00:22:26,110
know at least corroborate that but I

422
00:22:21,039 --> 00:22:28,420
can't see any symbols and and certainly

423
00:22:26,109 --> 00:22:31,809
not the ones that are shown in the

424
00:22:28,420 --> 00:22:36,070
replica of the Mogul weather balloon hmm

425
00:22:31,809 --> 00:22:38,470
so I even wait but I'm crazy though

426
00:22:36,069 --> 00:22:40,240
military would it be stamped on what's

427
00:22:38,470 --> 00:22:44,640
that if it was military be stamped on it

428

00:22:40,240 --> 00:22:48,220
somewhere there is supposed to be a

429
00:22:44,640 --> 00:22:50,710
stamped number on one of the parts of

430
00:22:48,220 --> 00:22:54,100
the wood that was this is of course for

431
00:22:50,710 --> 00:22:56,410
the Moghuls story where you know they

432
00:22:54,099 --> 00:22:58,839
had actually a stamp on it to identify

433
00:22:56,410 --> 00:23:02,110
it if it ever crashed but nobody ever

434
00:22:58,839 --> 00:23:05,740
said anything about that no let's just

435
00:23:02,109 --> 00:23:07,689
sleep another the rug no big deal well

436
00:23:05,740 --> 00:23:09,430
it's never mentioned only in the

437
00:23:07,690 --> 00:23:12,180
schematics if you look at this commit I

438
00:23:09,430 --> 00:23:16,720
don't know why the hell I'm looking at

439
00:23:12,180 --> 00:23:21,759
though and I was also trying to see what

440
00:23:16,720 --> 00:23:24,880
type of scotch tape and that is a nation

441
00:23:21,759 --> 00:23:28,980
that truly has no clue they don't know

442
00:23:24,880 --> 00:23:28,980

what they're doing that was accident

443

00:23:32,190 --> 00:23:37,420

probably relevant because I'm trying to

444

00:23:34,839 --> 00:23:41,199

find scotch tape that it has similar

445

00:23:37,420 --> 00:23:46,390

printing printed patterns on it and if

446

00:23:41,200 --> 00:23:49,150

it existed in the 40s and I spent hours

447

00:23:46,390 --> 00:23:52,690

trying to find a tape that was similar

448

00:23:49,150 --> 00:23:54,690

to the Mogul tape that was similar to it

449

00:23:52,690 --> 00:23:58,480

just haven't come up with anything yet

450

00:23:54,690 --> 00:24:00,269

but I've been looking so I'm hoping that

451

00:23:58,480 --> 00:24:02,710

when we have dr. Jerry cross on the show

452

00:24:00,269 --> 00:24:08,289

maybe he can even help us light on that

453

00:24:02,710 --> 00:24:11,259

subject and you know I don't know if

454

00:24:08,289 --> 00:24:13,659

he's an expert on the Roswell crash or

455

00:24:11,259 --> 00:24:15,190

just the foil but we're gonna see we'll

456

00:24:13,660 --> 00:24:17,440

have to see by the way make sure you

457
00:24:15,190 --> 00:24:20,559
look at YouTube you can see this amazing

458
00:24:17,440 --> 00:24:23,110
lecture on YouTube you know type in dr.

459
00:24:20,559 --> 00:24:25,869
Jerry froth Roswell foil

460
00:24:23,109 --> 00:24:28,689
and you'll see it's about an hour and a

461
00:24:25,869 --> 00:24:30,699
half long fantastic lecture probably one

462
00:24:28,690 --> 00:24:33,308
of the best lectures that I've seen on

463
00:24:30,700 --> 00:24:37,650
YouTube thus far really yeah that speaks

464
00:24:33,308 --> 00:24:39,730
highly absolutely it was better than any

465
00:24:37,650 --> 00:24:42,370
document we're gonna have to talk about

466
00:24:39,730 --> 00:24:43,870
The Stand Romanek documentary here in a

467
00:24:42,369 --> 00:24:48,219
moment because I know everybody wants to

468
00:24:43,869 --> 00:25:02,979
know hold on Joe star I need to take a

469
00:24:48,220 --> 00:25:03,490
drink thank you well then okay where

470
00:25:02,980 --> 00:25:05,440
were we

471
00:25:03,490 --> 00:25:06,970
we're just a lot of great good thank you

472
00:25:05,440 --> 00:25:09,298
we just have a great group here we do

473
00:25:06,970 --> 00:25:12,940
we've got several people in here and

474
00:25:09,298 --> 00:25:15,700
yeah by the way could you keep yeah if

475
00:25:12,940 --> 00:25:18,870
you are up I was telling you about the

476
00:25:15,700 --> 00:25:23,500
photos to say if you are a specialist in

477
00:25:18,869 --> 00:25:27,099
digital photography etc photo

478
00:25:23,500 --> 00:25:30,339
manipulation or cavities if you know how

479
00:25:27,099 --> 00:25:34,629
to like do some forensic stuff here's

480
00:25:30,339 --> 00:25:36,759
the email us at UFO Bros TV at gmail.com

481
00:25:34,630 --> 00:25:39,010
and I'll just shoot them on over to you

482
00:25:36,759 --> 00:25:40,750
I've already sent them I sent off a

483
00:25:39,009 --> 00:25:44,289
couple emails to a few of our listeners

484
00:25:40,750 --> 00:25:46,119
with those pictures so no problem I'll

485

00:25:44,289 --> 00:25:51,240
do it right away just shoot us an email

486
00:25:46,119 --> 00:25:57,399
again that's UFO Bros TV at gmail.com

487
00:25:51,240 --> 00:26:01,808
now soothing b43 absolutely don't number

488
00:25:57,400 --> 00:26:04,650
five sorry does it the DMV oh it's kind

489
00:26:01,808 --> 00:26:04,649
of like a brainwashing

490
00:26:05,750 --> 00:26:13,829
okay are you ready to talk about the

491
00:26:10,799 --> 00:26:24,690
world's worst UFO documentary let's do

492
00:26:13,829 --> 00:26:28,199
it the it's currently on Netflix it's

493
00:26:24,690 --> 00:26:30,740
titled Extra Ordinary and it's got a

494
00:26:28,200 --> 00:26:35,130
beautiful drawing of agreeing on it very

495
00:26:30,740 --> 00:26:38,670
enticing to click on and you go oh

496
00:26:35,130 --> 00:26:41,930
release in 2017 brand-new awesome new

497
00:26:38,670 --> 00:26:44,370
like when was the last time we had a

498
00:26:41,930 --> 00:26:45,240
Roswell fucking DVD we bought that one

499
00:26:44,369 --> 00:26:47,219

time was horrible

500

00:26:45,240 --> 00:26:49,650

oh it was so bad it was like a guy with

501

00:26:47,220 --> 00:26:51,539

thunking hair in like an Australian hat

502

00:26:49,650 --> 00:26:52,950

near some rocks and he talked about

503

00:26:51,539 --> 00:27:01,879

Roswell it was just listening to him

504

00:26:52,950 --> 00:27:08,190

talk by the rocks it's terrible so

505

00:27:01,880 --> 00:27:10,200

anyway Stan Romanek Stan Romanek this

506

00:27:08,190 --> 00:27:13,860

gentleman has been around for quite a

507

00:27:10,200 --> 00:27:17,100

while he's been pretty quiet recently in

508

00:27:13,859 --> 00:27:22,349

the UFO circles up until the release of

509

00:27:17,099 --> 00:27:26,039

his documentary titled extraordinary and

510

00:27:22,349 --> 00:27:28,559

what it is supposed to detail is his

511

00:27:26,039 --> 00:27:32,369

encounters with strange happening

512

00:27:28,559 --> 00:27:36,629

strange being strange lights strange

513

00:27:32,369 --> 00:27:39,149

voices in that documentary there shows a

514
00:27:36,630 --> 00:27:43,020
couple times what looks to be a grey

515
00:27:39,150 --> 00:27:45,960
alien look through the windows you've

516
00:27:43,019 --> 00:27:47,700
seen that one right you guys if you go

517
00:27:45,960 --> 00:27:53,850
on you of course you tube and you type

518
00:27:47,700 --> 00:27:57,360
in Stan Romanek boo alien I think you'll

519
00:27:53,849 --> 00:28:01,769
see the video of source puppetry you can

520
00:27:57,359 --> 00:28:04,529
see it's well it believe it or not this

521
00:28:01,769 --> 00:28:08,240
goes back quite a few years I'm talking

522
00:28:04,529 --> 00:28:11,460
back probably almost 10 years him and

523
00:28:08,240 --> 00:28:13,319
what is his name check it was all about

524
00:28:11,460 --> 00:28:14,700
a girl getting like peeped on and then

525
00:28:13,319 --> 00:28:17,039
all of a sudden he put up a camera and

526
00:28:14,700 --> 00:28:19,410
if I'm right was an alien right but

527
00:28:17,039 --> 00:28:20,879
that's one small part of this

528
00:28:19,410 --> 00:28:22,980
commentary' there's this other part

529
00:28:20,880 --> 00:28:26,340
that's so terrible I might have to put

530
00:28:22,980 --> 00:28:29,160
it on our patreon just that snip it

531
00:28:26,339 --> 00:28:31,679
corner someone or Instagram but it's him

532
00:28:29,160 --> 00:28:33,810
it and he just picks up his camera and

533
00:28:31,680 --> 00:28:38,610
he turns around and there is there's

534
00:28:33,809 --> 00:28:41,129
literally a 1/2 of an alien looking in

535
00:28:38,609 --> 00:28:45,109
through a sliding glass window and it's

536
00:28:41,130 --> 00:28:48,060
just there and then you see it slowly

537
00:28:45,109 --> 00:28:51,059
pull back behind the corner and

538
00:28:48,059 --> 00:28:54,649
disappear and the whole time is the

539
00:28:51,059 --> 00:28:57,929
worst acting you'll ever hear oh my god

540
00:28:54,650 --> 00:29:01,910
yeah oh man look at that

541
00:28:57,930 --> 00:29:03,259
oh that's so scary I would be like I

542

00:29:01,910 --> 00:29:06,480
[Music]

543
00:29:03,259 --> 00:29:10,710
would be freaking my shit out okay oh

544
00:29:06,480 --> 00:29:14,430
yeah look anybody would essentially what

545
00:29:10,710 --> 00:29:16,470
has done is taken a bunch of really old

546
00:29:14,430 --> 00:29:21,480
pictures as an example there's some

547
00:29:16,470 --> 00:29:23,700
examination of pictures of shadow beings

548
00:29:21,480 --> 00:29:26,910
and there's another part in this

549
00:29:23,700 --> 00:29:31,319
documentary which is quite laughable

550
00:29:26,910 --> 00:29:34,009
which is these this so-called alien race

551
00:29:31,319 --> 00:29:36,809
communicating with him over the phone

552
00:29:34,009 --> 00:29:42,500
with the voice of a little girl and she

553
00:29:36,809 --> 00:29:42,500
calls him star seed it's hilariously bad

554
00:29:44,809 --> 00:30:00,629
orrible wow sounds like Dorothy star

555
00:29:55,289 --> 00:30:06,480
seed sounds like a porno that's what

556
00:30:00,630 --> 00:30:11,550

that sounds like Steven just says by the

557

00:30:06,480 --> 00:30:16,019

way the hosts of the UK's X Factor part

558

00:30:11,549 --> 00:30:18,389

of a fake UFO duck aren't aren't aren't

559

00:30:16,019 --> 00:30:21,329

the hosts of the UK's X Factor part of a

560

00:30:18,390 --> 00:30:22,890

fake UFO documentary you know Stephen I

561

00:30:21,329 --> 00:30:28,109

don't know I haven't heard of that have

562

00:30:22,890 --> 00:30:31,500

you I haven't heard of that but I can

563

00:30:28,109 --> 00:30:33,459

tell you this film by Stan Romanek was

564

00:30:31,500 --> 00:30:36,130

put out by orchard which is the same

565

00:30:33,460 --> 00:30:38,788

me that put out unacknowledged for his

566

00:30:36,130 --> 00:30:44,940

doctor Steven Kern

567

00:30:38,788 --> 00:30:51,640

you know somebody uh donated \$110,000

568

00:30:44,940 --> 00:30:54,970

hey that's the perfect idea we need to

569

00:30:51,640 --> 00:30:58,059

get dr. Steven Greer to stroke Trump's

570

00:30:54,970 --> 00:31:02,589

ego see now my plan for world domination

571
00:30:58,058 --> 00:31:03,940
is in fact I've planted the star seed of

572
00:31:02,589 --> 00:31:09,250
my plan

573
00:31:03,940 --> 00:31:13,360
whatever you say blatant I will stroke

574
00:31:09,250 --> 00:31:14,558
dr. careers ego to get I don't know he

575
00:31:13,359 --> 00:31:17,109
won't even listen to me you kidding me

576
00:31:14,558 --> 00:31:19,569
man take six people into the bathroom to

577
00:31:17,109 --> 00:31:22,178
take a pee come on excuse me you can't

578
00:31:19,569 --> 00:31:25,089
go in there I want to do all those Pig I

579
00:31:22,179 --> 00:31:33,759
wonder if they like semicircle around

580
00:31:25,089 --> 00:31:36,038
the urinal so they're not intimidating

581
00:31:33,759 --> 00:31:37,450
at all so this is a mishmash of what the

582
00:31:36,038 --> 00:31:39,460
hell on this show tonight but we're

583
00:31:37,450 --> 00:31:41,830
appreciating everybody that's a yeah

584
00:31:39,460 --> 00:31:44,769
Carla are you still there and are no cuz

585
00:31:41,829 --> 00:31:46,918
hands cause if I say yes then we're

586
00:31:44,769 --> 00:31:54,269
gonna have an issue Turner

587
00:31:46,919 --> 00:31:54,270
by the way Darla car like star seed Oh

588
00:31:55,019 --> 00:32:01,058
Paul Curtis says sounds like the

589
00:31:57,730 --> 00:32:10,179
extraordinary documentary is intended to

590
00:32:01,058 --> 00:32:12,099
discredit Romanek possibly I guess that

591
00:32:10,179 --> 00:32:15,580
would just depend on if you believe Stan

592
00:32:12,099 --> 00:32:17,230
or not if you believe in then you know I

593
00:32:15,579 --> 00:32:17,949
think it could be taken any way it could

594
00:32:17,230 --> 00:32:19,200
be taken

595
00:32:17,950 --> 00:32:21,548
[Music]

596
00:32:19,200 --> 00:32:24,940
you know like purposeful misinformation

597
00:32:21,548 --> 00:32:27,089
by Stan Romanek maybe he's on board with

598
00:32:24,940 --> 00:32:27,090
that

599

00:32:30,839 --> 00:32:37,398
pish-posh yeah

600
00:32:35,200 --> 00:32:38,630
who knows but that's a terrible

601
00:32:37,398 --> 00:32:41,989
documentary either way

602
00:32:38,630 --> 00:32:43,760
Scott was anybody that reads you know

603
00:32:41,990 --> 00:32:46,940
you know an hour of you of fill material

604
00:32:43,759 --> 00:32:48,769
we can you know week or a day can look

605
00:32:46,940 --> 00:32:51,200
at that and go that's not what you want

606
00:32:48,769 --> 00:32:56,569
about 80 hours a week now me

607
00:32:51,200 --> 00:32:57,950
oh no no yeah try day that's why when I

608
00:32:56,569 --> 00:33:01,548
get on this show I'm just a bunch of

609
00:32:57,950 --> 00:33:03,220
verbal diarrhea cuz my brains full of

610
00:33:01,548 --> 00:33:12,490
alien shit

611
00:33:03,220 --> 00:33:15,288
it's the Croods okay

612
00:33:12,490 --> 00:33:17,240
so Stephen was saying it was the alien

613
00:33:15,288 --> 00:33:19,548

autopsy from 2006

614

00:33:17,240 --> 00:33:23,919

I think congratulations Stephen are you

615

00:33:19,548 --> 00:33:29,960

talking about the motion picture that

616

00:33:23,919 --> 00:33:33,169

essentially chronicles how the 90s alien

617

00:33:29,960 --> 00:33:36,319

autopsy fact or fiction film was made is

618

00:33:33,169 --> 00:33:39,860

that what you're speaking of is it that

619

00:33:36,319 --> 00:33:42,500

movie and Joe do you know I'm talking

620

00:33:39,859 --> 00:33:44,418

about you know the alien autopsy fact or

621

00:33:42,500 --> 00:33:47,179

fiction they had in the 90s yes we have

622

00:33:44,419 --> 00:33:50,240

it on VHS and there's some we do by the

623

00:33:47,179 --> 00:33:52,759

way it is on YouTube and it is also on

624

00:33:50,240 --> 00:33:57,528

Netflix so but that was the big rage in

625

00:33:52,759 --> 00:34:01,190

the 90s yeah it was it was the and it's

626

00:33:57,528 --> 00:34:03,500

back yes Stephen he says it's a kind of

627

00:34:01,190 --> 00:34:06,919

a British comedy I think yeah it is a

628
00:34:03,500 --> 00:34:09,588
comedy it's like ridiculously funny and

629
00:34:06,919 --> 00:34:12,470
so here's the story of these people who

630
00:34:09,588 --> 00:34:16,219
created the alien autopsy factor fiction

631
00:34:12,469 --> 00:34:21,019
hoax in 2006 they came out with a video

632
00:34:16,219 --> 00:34:23,628
or a movie it if Stevens and I are

633
00:34:21,019 --> 00:34:26,000
connecting on the same thing but either

634
00:34:23,628 --> 00:34:29,348
way there there was a movie in 2006 that

635
00:34:26,000 --> 00:34:34,878
came out and it was you know detailing

636
00:34:29,349 --> 00:34:38,260
how they'd host the original autopsy of

637
00:34:34,878 --> 00:34:41,009
an alien footage and their story is that

638
00:34:38,260 --> 00:34:44,409
they actually had

639
00:34:41,010 --> 00:34:47,080
real footage that they had received from

640
00:34:44,409 --> 00:34:50,800
someone this is their story and this is

641
00:34:47,079 --> 00:34:53,590
what they tell in the 2006 movie they

642
00:34:50,800 --> 00:34:57,250
had actual footage of the so called

643
00:34:53,590 --> 00:34:58,809
Roswell aliens and somehow in them I

644
00:34:57,250 --> 00:35:01,630
don't know what they were doing they

645
00:34:58,809 --> 00:35:03,489
were watching it or somehow it got

646
00:35:01,630 --> 00:35:05,940
burned or a portion of it became

647
00:35:03,489 --> 00:35:09,459
destroyed and they weren't able to

648
00:35:05,940 --> 00:35:12,130
produce so they had some kind of

649
00:35:09,460 --> 00:35:13,809
agreement with someone that they were

650
00:35:12,130 --> 00:35:15,849
going to give them this footage so

651
00:35:13,809 --> 00:35:17,920
instead they just decided to fake it and

652
00:35:15,849 --> 00:35:20,099
make it as real to what they could

653
00:35:17,920 --> 00:35:24,970
remember as possible that's their story

654
00:35:20,099 --> 00:35:29,170
it's a it's a funny movie very and very

655
00:35:24,969 --> 00:35:30,759
very informational for especially those

656

00:35:29,170 --> 00:35:36,909
of us who freaked out in the 90s about

657
00:35:30,760 --> 00:35:38,260
that factory and all my pair Joe what I

658
00:35:36,909 --> 00:35:41,980
wanted to say about Carla

659
00:35:38,260 --> 00:35:44,320
she's Darla she's been supporting us on

660
00:35:41,980 --> 00:35:48,000
patreon for over seven months now did

661
00:35:44,320 --> 00:35:51,220
you know that we need to send her a

662
00:35:48,000 --> 00:35:54,340
autographed special I have in this

663
00:35:51,219 --> 00:35:56,259
drawer thing right here send it a small

664
00:35:54,340 --> 00:35:59,680
EB that I think we should sign and send

665
00:35:56,260 --> 00:36:03,190
what do you think that's yeah what do

666
00:35:59,679 --> 00:36:07,329
you think Carla oh yes signed EB from me

667
00:36:03,190 --> 00:36:08,679
and yes one of a kind don't ever open it

668
00:36:07,329 --> 00:36:09,599
should be worth nothing in about 20

669
00:36:08,679 --> 00:36:17,619
years

670
00:36:09,599 --> 00:36:21,369

no it's right in this drawer sorry sent

671

00:36:17,619 --> 00:36:24,219

me seven months thank you so much and

672

00:36:21,369 --> 00:36:26,409

she's a babe if you guys really love

673

00:36:24,219 --> 00:36:27,819

what we do and you would love to spend a

674

00:36:26,409 --> 00:36:31,659

few minutes with us over the phone

675

00:36:27,820 --> 00:36:33,970

talking about UFOs and aliens you know

676

00:36:31,659 --> 00:36:36,250

anything you want to talk about you can

677

00:36:33,969 --> 00:36:45,309

do that if you become a patron and to do

678

00:36:36,250 --> 00:36:48,460

that you go to WWE on PA Treo n comm /u

679

00:36:45,309 --> 00:36:51,070

fo Bros TV starts at a buck

680

00:36:48,460 --> 00:36:53,470

most people pledge \$5 and with that

681

00:36:51,070 --> 00:36:54,140

we're gonna send you a couple things one

682

00:36:53,469 --> 00:36:57,469

is

683

00:36:54,139 --> 00:36:59,598

a picture of Joe and I of us being silly

684

00:36:57,469 --> 00:37:03,318

signed and we also are gonna send you

685
00:36:59,599 --> 00:37:04,730
one of Joe's Hendron alien pictures

686
00:37:03,318 --> 00:37:07,068
which are pretty awesome so you'll get

687
00:37:04,730 --> 00:37:08,990
that in addition we'll call you on the

688
00:37:07,068 --> 00:37:10,639
phone and we'll spend about 15 minutes

689
00:37:08,989 --> 00:37:14,598
just chatting about aliens and UFOs

690
00:37:10,639 --> 00:37:16,879
anything you want and we do Joe have a

691
00:37:14,599 --> 00:37:19,190
bowl of a hundred dollars the hundred

692
00:37:16,880 --> 00:37:21,858
bucks just has to our trip yes but we're

693
00:37:19,190 --> 00:37:23,778
not quite there the cool thing is if we

694
00:37:21,858 --> 00:37:25,730
hit that hundred dollar mark Joe we can

695
00:37:23,778 --> 00:37:27,318
increase our show time that's sure

696
00:37:25,730 --> 00:37:30,639
that's what we need we can piece our

697
00:37:27,318 --> 00:37:32,420
show time and - how long am and I think

698
00:37:30,639 --> 00:37:36,710
higher-quality guests

699
00:37:32,420 --> 00:37:39,619
what how long how long for what what are

700
00:37:36,710 --> 00:37:42,619
you asking me the show how much longer

701
00:37:39,619 --> 00:37:43,608
do we go over say 45 minutes I thinking

702
00:37:42,619 --> 00:37:47,630
an hour and a half

703
00:37:43,608 --> 00:37:49,788
Jesus Christ but what I'm have to poop

704
00:37:47,630 --> 00:37:53,660
in the middle of that well better bring

705
00:37:49,789 --> 00:37:55,059
a bedpan or colostomy bag that's not

706
00:37:53,659 --> 00:37:59,629
nice

707
00:37:55,059 --> 00:38:09,740
anyway I don't know or cork or we make

708
00:37:59,630 --> 00:38:13,519
like a we can find a couple people on

709
00:38:09,739 --> 00:38:17,088
board bin by the way and AJ and AJ okay

710
00:38:13,518 --> 00:38:19,459
uncle AJ he's coming back he's got some

711
00:38:17,088 --> 00:38:22,940
things to say and alien on board that's

712
00:38:19,460 --> 00:38:26,829
a bit put on your pants alien on board I

713

00:38:22,940 --> 00:38:30,019
think he's sleeping right now probably

714
00:38:26,829 --> 00:38:32,059
like you know sometimes I'll tell you

715
00:38:30,018 --> 00:38:33,618
guys this stuff can be so overwhelming

716
00:38:32,059 --> 00:38:35,180
and all the things that go through your

717
00:38:33,619 --> 00:38:36,769
mind and I know you guys know this

718
00:38:35,179 --> 00:38:39,710
because you all probably spend as much

719
00:38:36,768 --> 00:38:41,899
time researching as we do but it can be

720
00:38:39,710 --> 00:38:45,740
exhausting and sometimes you just have

721
00:38:41,900 --> 00:38:47,900
to take a break you know those doors

722
00:38:45,739 --> 00:38:51,139
that gave a crosswalk right and there's

723
00:38:47,900 --> 00:38:53,059
just door there oh boy story time so

724
00:38:51,139 --> 00:38:53,629
basically you go around it or you go

725
00:38:53,059 --> 00:38:56,480
through it

726
00:38:53,630 --> 00:39:03,200
this UFO stuff is like going around that

727
00:38:56,480 --> 00:39:05,449

door that's dude that's perfect it's

728

00:39:03,199 --> 00:39:08,299

like you go in a revolving door but it

729

00:39:05,449 --> 00:39:10,669

you there's no other end it's just

730

00:39:08,300 --> 00:39:14,390

that is freaking exactly how it feels

731

00:39:10,670 --> 00:39:15,889

and that's why you need a break okay you

732

00:39:14,389 --> 00:39:18,769

know and we discussed this on the last

733

00:39:15,889 --> 00:39:23,329

episode about Roswell and how the story

734

00:39:18,769 --> 00:39:25,550

lines are diverging from kind of like a

735

00:39:23,329 --> 00:39:27,769

single story line that we had always

736

00:39:25,550 --> 00:39:30,560

been fed for decades and decades but

737

00:39:27,769 --> 00:39:32,269

with the advent of technology in the

738

00:39:30,559 --> 00:39:34,579

internet and people being able to be in

739

00:39:32,269 --> 00:39:37,969

contact and gathering information before

740

00:39:34,579 --> 00:39:39,559

a lot of that people died Joe we've been

741

00:39:37,969 --> 00:39:43,849

able to figure out there's a few more

742
00:39:39,559 --> 00:39:51,650
facts to the Roswell mystery than had

743
00:39:43,849 --> 00:39:56,000
been previously understood is that a pop

744
00:39:51,650 --> 00:40:03,670
tres moment yeah you okay medicine your

745
00:39:56,000 --> 00:40:07,670
helmet beautiful vibrato hey Steven says

746
00:40:03,670 --> 00:40:11,240
we gotta check out the band Disney UFO

747
00:40:07,670 --> 00:40:13,909
documentaries full that it's pretty

748
00:40:11,239 --> 00:40:16,639
amazing you know documentary I want to

749
00:40:13,909 --> 00:40:21,139
see have you heard about this god what

750
00:40:16,639 --> 00:40:24,279
year was it I don't know what decade it

751
00:40:21,139 --> 00:40:28,759
was actually maybe 80s or 90s

752
00:40:24,280 --> 00:40:32,780
apparently our government invited a film

753
00:40:28,760 --> 00:40:35,630
crew and production team into I don't

754
00:40:32,780 --> 00:40:39,019
know if it was area 51 or one of our top

755
00:40:35,630 --> 00:40:41,210
top secret facilities and they air they

756
00:40:39,019 --> 00:40:44,509
invite no they invited them in and

757
00:40:41,210 --> 00:40:46,159
supposedly shown and everything and

758
00:40:44,510 --> 00:40:48,170
we're the fence

759
00:40:46,159 --> 00:40:50,179
wait listen they filmed it there was a

760
00:40:48,170 --> 00:40:52,880
documentary they were paid lots of money

761
00:40:50,179 --> 00:40:58,119
and they came in they did they did

762
00:40:52,880 --> 00:41:01,640
everything they left and we don't know

763
00:40:58,119 --> 00:41:03,980
never left it's almost as though it was

764
00:41:01,639 --> 00:41:06,409
I wonder what the purpose of having them

765
00:41:03,980 --> 00:41:08,599
film was maybe the cover could say yes

766
00:41:06,409 --> 00:41:10,429
we made a documentary and it's here well

767
00:41:08,599 --> 00:41:14,400
why is it out it's ours we made our own

768
00:41:10,429 --> 00:41:17,489
documentary it's in the rules right

769
00:41:14,400 --> 00:41:20,610
stupid well yeah the other thing I

770

00:41:17,489 --> 00:41:22,500
wonder is and I wonder what you guys

771
00:41:20,610 --> 00:41:24,780
think sometimes I think a lot of this

772
00:41:22,500 --> 00:41:27,139
disclosure mark the disclosure stuff is

773
00:41:24,780 --> 00:41:30,390
earmarked for a certain date of release

774
00:41:27,139 --> 00:41:31,889
it's not you the pros in the world I

775
00:41:30,389 --> 00:41:36,869
might be released I don't know I read a

776
00:41:31,889 --> 00:41:40,049
document and it said it was a document

777
00:41:36,869 --> 00:41:42,779
from the 80s that was said that it could

778
00:41:40,050 --> 00:41:45,390
be released after a certain like 2000

779
00:41:42,780 --> 00:41:47,700
something so I'm wondering maybe are the

780
00:41:45,389 --> 00:41:49,949
Roswell is that information on Roswell

781
00:41:47,699 --> 00:41:55,139
maybe was it a hundred years are we know

782
00:41:49,949 --> 00:41:56,969
30 years away from knowing is it 200 I

783
00:41:55,139 --> 00:42:00,000
mean I'm just wondering do they do they

784
00:41:56,969 --> 00:42:03,239

set a date on some of this really high

785

00:42:00,000 --> 00:42:05,670

high you know this is this crazy

786

00:42:03,239 --> 00:42:08,219

top-secret stuff like if Trump was to

787

00:42:05,670 --> 00:42:10,920

come out and announce it right now

788

00:42:08,219 --> 00:42:13,709

and you know we're gonna get dr. Greer

789

00:42:10,920 --> 00:42:16,010

to you know get him to do it because if

790

00:42:13,710 --> 00:42:20,630

anybody can save the world its dr. Greer

791

00:42:16,010 --> 00:42:24,420

who've got a daddy the daddy of ufology

792

00:42:20,630 --> 00:42:28,890

dr. Greer the daddy of ufology anyway so

793

00:42:24,420 --> 00:42:33,269

yeah we gotta get someone like Trump a

794

00:42:28,889 --> 00:42:35,159

crazy person with a crazy method of

795

00:42:33,269 --> 00:42:37,710

doing things to go in there and shake it

796

00:42:35,159 --> 00:42:42,960

up and see if we can get the disclosure

797

00:42:37,710 --> 00:42:51,809

that we all did soon presidents have not

798

00:42:42,960 --> 00:42:54,900

been shy to come out Oh am i doing the

799

00:42:51,809 --> 00:42:59,849

thumb thing am I politically preaching

800

00:42:54,900 --> 00:43:02,760

at you Joe I think so okay I don't know

801

00:42:59,849 --> 00:43:04,500

what you're talking about but yes I know

802

00:43:02,760 --> 00:43:05,390

we have two minutes thank you for

803

00:43:04,500 --> 00:43:09,719

reminding me

804

00:43:05,389 --> 00:43:12,500

yeah well hey

805

00:43:09,719 --> 00:43:15,449

yeah Trump might tell he's the baby boy

806

00:43:12,500 --> 00:43:17,940

Wladimir before he would tell us Stephen

807

00:43:15,449 --> 00:43:19,649

I think that that's probably what they

808

00:43:17,940 --> 00:43:20,260

were doing for two and a half hours in

809

00:43:19,650 --> 00:43:22,000

there

810

00:43:20,260 --> 00:43:24,970

yeah they might be not probing and

811

00:43:22,000 --> 00:43:27,510

profit are opening yeah maybe they were

812

00:43:24,969 --> 00:43:27,509
