

1
00:00:04,169 --> 00:00:19,880
[Music]

2
00:00:12,490 --> 00:00:21,980
you'll bow Bros hey everyone is Giorgio

3
00:00:19,879 --> 00:00:24,979
tsoukalos from ancient aliens and you're

4
00:00:21,980 --> 00:00:28,730
experiencing UFO Bros that's right

5
00:00:24,980 --> 00:00:30,640
you're experiencing UFO bro hey what's

6
00:00:28,730 --> 00:00:36,920
up everybody on the image I'm Joe and

7
00:00:30,640 --> 00:00:38,570
and we are the UF o bro Rose that's a

8
00:00:36,920 --> 00:00:41,120
pretty damn good Jimmy Church impression

9
00:00:38,570 --> 00:00:44,420
I gotta say joke hahaha

10
00:00:41,119 --> 00:00:48,968
so up everybody we're coming at you live

11
00:00:44,420 --> 00:00:51,228
we're in the facility and yeah infamous

12
00:00:48,969 --> 00:00:55,760
soundboard has made a return ladies and

13
00:00:51,228 --> 00:00:59,869
gentlemen but Joe promises again to use

14
00:00:55,759 --> 00:01:01,308
it responsibly yeah good so as long as

15
00:00:59,869 --> 00:01:04,759
you promise to use it responsibly then

16
00:01:01,308 --> 00:01:09,829
you know we can move forward yeah do it

17
00:01:04,760 --> 00:01:12,380
oh shit so I just thought you know Jonah

18
00:01:09,829 --> 00:01:15,829
we were talking and I was thinking what

19
00:01:12,379 --> 00:01:17,449
if we kind of talked a little about like

20
00:01:15,829 --> 00:01:18,500
what's going on in the news in the

21
00:01:17,450 --> 00:01:20,510
beginning just a bit

22
00:01:18,500 --> 00:01:21,739
yeah we can get hit to hit the the heat

23
00:01:20,510 --> 00:01:24,710
back cuz there's like a couple big

24
00:01:21,739 --> 00:01:26,839
things happening right now the UH one

25
00:01:24,709 --> 00:01:28,849
actually kind of it's kind of disturbing

26
00:01:26,840 --> 00:01:31,219
in a way one is disturbing which is

27
00:01:28,849 --> 00:01:32,750
Kathy Griffin you know everybody stares

28
00:01:31,219 --> 00:01:36,230
on the d-list now she's going to the

29

00:01:32,750 --> 00:01:38,209
feet list wait wait that means she goes

30
00:01:36,230 --> 00:01:40,579
up no the Z list

31
00:01:38,209 --> 00:01:43,359
oh oh oh Z I didn't hear that I took my

32
00:01:40,579 --> 00:01:45,879
headphones off sorry yeah D to Z oh yeah

33
00:01:43,359 --> 00:01:48,170
the DD nut hmm

34
00:01:45,879 --> 00:01:52,969
you're out of control you're out of

35
00:01:48,170 --> 00:01:54,230
control no it's okay sorry about the you

36
00:01:52,969 --> 00:01:55,519
know the background we're in the

37
00:01:54,230 --> 00:02:00,980
facility so there's this constant

38
00:01:55,519 --> 00:02:02,390
monitoring by a base etc etc and you

39
00:02:00,980 --> 00:02:04,700
know we do our thing

40
00:02:02,390 --> 00:02:07,099
oh yeah we get down and dirty with alien

41
00:02:04,700 --> 00:02:08,539
thing you guys we've had a crazy couple

42
00:02:07,099 --> 00:02:09,739
weeks yeah we have all we get to the

43
00:02:08,538 --> 00:02:11,089

news so we just got to tell you we went

44

00:02:09,740 --> 00:02:13,250

to contacting the desert as you know

45

00:02:11,090 --> 00:02:14,370

everybody knows but the result of that

46

00:02:13,250 --> 00:02:16,889

is been quite

47

00:02:14,370 --> 00:02:18,569

outreach it has been and we've been

48

00:02:16,889 --> 00:02:20,128

talking to a lot of people and there's

49

00:02:18,568 --> 00:02:22,699

like a lot of these balls in the air no

50

00:02:20,128 --> 00:02:25,109

clone and look there's no pun there but

51

00:02:22,699 --> 00:02:26,639

it's kind of like you know waiting to

52

00:02:25,110 --> 00:02:28,049

hear what could potentially happen from

53

00:02:26,639 --> 00:02:29,699

these connections and that sort of thing

54

00:02:28,049 --> 00:02:36,560

but it's good news it's nothing bad it's

55

00:02:29,699 --> 00:02:38,878

all good excuse me um so you know we're

56

00:02:36,560 --> 00:02:40,709

making our connections we're doing what

57

00:02:38,878 --> 00:02:45,060

we do you know we're trying to bring

58
00:02:40,709 --> 00:02:47,729
this to a bigger audience actually but I

59
00:02:45,060 --> 00:02:52,079
think one thing Joan I have to announce

60
00:02:47,729 --> 00:03:00,479
that we've been kind of you know not

61
00:02:52,079 --> 00:03:04,170
saying is our book yes we have been got

62
00:03:00,479 --> 00:03:07,139
it good good I'm glad you got it I don't

63
00:03:04,169 --> 00:03:09,208
look up in yours does it good no yeah

64
00:03:07,139 --> 00:03:10,649
yeah but seriously we're writing a book

65
00:03:09,209 --> 00:03:13,590
because we're trying to understand this

66
00:03:10,650 --> 00:03:15,239
field of ufology and we're running into

67
00:03:13,590 --> 00:03:17,430
unknown yes

68
00:03:15,239 --> 00:03:20,280
we're running into people of all sorts

69
00:03:17,430 --> 00:03:23,189
of personalities ranging from large

70
00:03:20,280 --> 00:03:24,209
different theories absolutely we're all

71
00:03:23,189 --> 00:03:25,799
about theories what we're kind of

72
00:03:24,209 --> 00:03:27,930
running in like you've heard before if

73
00:03:25,799 --> 00:03:31,049
you listen to us regularly we're running

74
00:03:27,930 --> 00:03:34,139
into the problem where people are

75
00:03:31,049 --> 00:03:35,400
spouting their stories as truth in some

76
00:03:34,139 --> 00:03:39,359
regards and that can be dangerous

77
00:03:35,400 --> 00:03:42,930
especially because this field is so it's

78
00:03:39,359 --> 00:03:44,790
not new but it's it's in a new age of

79
00:03:42,930 --> 00:03:46,500
technology where this topic is reaching

80
00:03:44,789 --> 00:03:55,469
people faster you know what I'm saying

81
00:03:46,500 --> 00:03:58,579
fast and yeah well you know once you

82
00:03:55,469 --> 00:04:01,889
know technology just advances sodas

83
00:03:58,579 --> 00:04:05,010
information and different people with

84
00:04:01,889 --> 00:04:07,139
different stories and you know hey guys

85
00:04:05,009 --> 00:04:08,848
so we got a couple people in the chat

86

00:04:07,139 --> 00:04:13,469
room I just want acknowledged Joe sorry

87
00:04:08,848 --> 00:04:15,149
to welcome yes we have Paul ox ox in him

88
00:04:13,469 --> 00:04:18,620
I believe that's the name Paul oxen ham

89
00:04:15,150 --> 00:04:23,660
and we have UFO Buster radio in jazz

90
00:04:18,620 --> 00:04:25,220
Oh how's it going yeah so um anyway just

91
00:04:23,660 --> 00:04:26,930
kind of back to our news real quick and

92
00:04:25,220 --> 00:04:31,160
then we'll go into what the hell Kathy

93
00:04:26,930 --> 00:04:34,340
Griffin did but that was not a smart

94
00:04:31,160 --> 00:04:35,810
move well I know but that our news is

95
00:04:34,339 --> 00:04:39,289
you know what I bet you that's gonna be

96
00:04:35,810 --> 00:04:42,350
some sort of distraction from the world

97
00:04:39,290 --> 00:04:43,729
war three uh yeah there's got to be

98
00:04:42,350 --> 00:04:45,139
distraction somehow there was the

99
00:04:43,728 --> 00:04:46,849
Pokemon go thing okay fine

100
00:04:45,139 --> 00:04:48,860

since we're there screw it we're gonna

101

00:04:46,850 --> 00:04:53,620

talk about Kathy Griffin because she

102

00:04:48,860 --> 00:04:57,379

posted a very hot freaking crazy picture

103

00:04:53,620 --> 00:05:00,139

online of a photo of her holding Donald

104

00:04:57,379 --> 00:05:02,719

Trump's severed bloody head yeah that's

105

00:05:00,139 --> 00:05:05,120

pushing it too far and look I'm like you

106

00:05:02,720 --> 00:05:08,120

know what what do we feel about Trump or

107

00:05:05,120 --> 00:05:10,189

any president before or future

108

00:05:08,120 --> 00:05:10,728

presidents I mean that's not a good

109

00:05:10,189 --> 00:05:14,000

image for us

110

00:05:10,728 --> 00:05:16,250

I don't think personally she needs to

111

00:05:14,000 --> 00:05:18,199

stop totally she need to take all that

112

00:05:16,250 --> 00:05:20,269

back down well they did and I was just

113

00:05:18,199 --> 00:05:22,610

gonna get there she actually recalled

114

00:05:20,269 --> 00:05:24,529

all that she had the photographer take

115
00:05:22,610 --> 00:05:27,050
it down and she also put out lay an

116
00:05:24,529 --> 00:05:30,319
apology to lathe in a matter of hours

117
00:05:27,050 --> 00:05:32,360
she put out an apology so I don't know

118
00:05:30,319 --> 00:05:33,860
you can take it for whether she's

119
00:05:32,360 --> 00:05:36,199
sincere or not by listening to her but I

120
00:05:33,860 --> 00:05:40,699
just thought you know what love or hate

121
00:05:36,199 --> 00:05:42,469
him wow what a crazy very not artful I

122
00:05:40,699 --> 00:05:43,129
don't think there was anything art about

123
00:05:42,470 --> 00:05:47,240
it at all

124
00:05:43,129 --> 00:05:49,699
yeah it was just infer Trump haters even

125
00:05:47,240 --> 00:05:51,379
the Trump haters we're like that's going

126
00:05:49,699 --> 00:05:53,840
way too far yeah absolutely

127
00:05:51,379 --> 00:05:55,279
I hate Trump but not me personally but I

128
00:05:53,839 --> 00:05:57,829
don't have any word on it I don't do

129
00:05:55,279 --> 00:06:01,250
politics but it's like you know even the

130
00:05:57,829 --> 00:06:02,329
papers were like you went too far you

131
00:06:01,250 --> 00:06:04,519
don't need to doing that I don't like

132
00:06:02,329 --> 00:06:06,079
Trump but damn girl you just went

133
00:06:04,519 --> 00:06:08,359
straight to Z I think that's why she

134
00:06:06,079 --> 00:06:09,529
went straight to the apology I think

135
00:06:08,360 --> 00:06:11,870
she's getting so much she knew that even

136
00:06:09,529 --> 00:06:15,888
her people were like uh uh you know her

137
00:06:11,870 --> 00:06:19,668
followers and UFO Buster Ritter says she

138
00:06:15,889 --> 00:06:21,019
is a big she's a big Lee you do I know

139
00:06:19,668 --> 00:06:23,019
have you got your Trump impression down

140
00:06:21,019 --> 00:06:28,058
Joe

141
00:06:23,019 --> 00:06:30,489
no nobody doing but you had a damn good

142
00:06:28,059 --> 00:06:32,259
Jimmy Church impression down because you

143

00:06:30,488 --> 00:06:36,098
know as you know in that opener that is

144
00:06:32,259 --> 00:06:38,429
Jimmy church that says UFO Bros yeah

145
00:06:36,098 --> 00:06:41,738
it's not joke that's pretty darn close

146
00:06:38,428 --> 00:06:43,528
so moving on you know we also today your

147
00:06:41,738 --> 00:06:46,328
sent us if speaking of World War three

148
00:06:43,528 --> 00:06:48,778
her foot gets or sent up as a pitcher

149
00:06:46,329 --> 00:06:48,778
her foot

150
00:07:01,029 --> 00:07:06,159
and we're back yeah we are because I

151
00:07:04,480 --> 00:07:07,240
want to talk about the other news topic

152
00:07:06,160 --> 00:07:11,800
that's kind of like really trending

153
00:07:07,240 --> 00:07:15,579
right now is how we today successfully

154
00:07:11,800 --> 00:07:18,340
intercepted and destroyed not a what the

155
00:07:15,579 --> 00:07:22,359
hell that was kinda creepy not Alexa we

156
00:07:18,339 --> 00:07:23,589
we successfully intercepted Alexa don't

157
00:07:22,360 --> 00:07:30,699

worry about that was on my computer use

158

00:07:23,589 --> 00:07:32,529

yes yes but so we staged not staged but

159

00:07:30,699 --> 00:07:34,449

we launched the missile and then we

160

00:07:32,529 --> 00:07:36,129

showed our capability of how that we can

161

00:07:34,449 --> 00:07:37,149

take it down so to show awkward right a

162

00:07:36,129 --> 00:07:39,370

little left-field you

163

00:07:37,149 --> 00:07:41,229

what does not say it right no you didn't

164

00:07:39,370 --> 00:07:44,189

say you just like totally stop what

165

00:07:41,230 --> 00:07:47,860

you're saying it towards the end of that

166

00:07:44,189 --> 00:07:50,168

what even even you went you didn't even

167

00:07:47,860 --> 00:07:51,730

never get it no tell me I didn't what

168

00:07:50,168 --> 00:07:54,099

you went to the end of the rocket

169

00:07:51,730 --> 00:07:55,780

where's the first part of the story well

170

00:07:54,100 --> 00:07:58,390

I think the first part of the story is

171

00:07:55,779 --> 00:08:01,918

pretty clear is that North Korea keeps

172
00:07:58,389 --> 00:08:04,360
launching these damn missiles total bugs

173
00:08:01,918 --> 00:08:06,219
they keep launching their missiles as a

174
00:08:04,360 --> 00:08:10,540
show of force and not only that they

175
00:08:06,220 --> 00:08:14,080
keep showing like video of the u.s. some

176
00:08:10,540 --> 00:08:17,500
US cities being like a demolished by an

177
00:08:14,079 --> 00:08:21,459
atomic explosion they're really really

178
00:08:17,500 --> 00:08:24,699
very crazy people what's going on up

179
00:08:21,459 --> 00:08:26,949
there I don't know but anyway so we kind

180
00:08:24,699 --> 00:08:28,149
of showed our ability to intercept those

181
00:08:26,949 --> 00:08:30,610
sorts of things today I thought that was

182
00:08:28,149 --> 00:08:34,959
kind of cool uh that was sucked if it

183
00:08:30,610 --> 00:08:39,490
failed hostage in my heart is way way

184
00:08:34,960 --> 00:08:42,700
more can you please bring your teeny

185
00:08:39,490 --> 00:08:43,509
tiny mouth up to the microphone an

186
00:08:42,700 --> 00:08:45,460
asshole

187
00:08:43,509 --> 00:08:49,319
there we go thank you so much fuckers

188
00:08:45,460 --> 00:08:52,320
down but also like the main topic of

189
00:08:49,320 --> 00:08:52,320
today

190
00:08:53,700 --> 00:08:58,899
is billionaire Robert Bigelow I'm sure

191
00:08:56,649 --> 00:09:01,958
most of you have real G below yes well

192
00:08:58,899 --> 00:09:03,700
no um basically this this guy owns his

193
00:09:01,958 --> 00:09:07,059
own aerospace company aerospace

194
00:09:03,700 --> 00:09:09,490
entrepreneur yes and I guess one of his

195
00:09:07,059 --> 00:09:12,849
biggest accomplishments is building

196
00:09:09,490 --> 00:09:15,310
inflatable habitats down space correct

197
00:09:12,850 --> 00:09:18,070
and I don't really know the entirety of

198
00:09:15,309 --> 00:09:19,989
that backstory but what I do know is

199
00:09:18,070 --> 00:09:22,570
that recently I don't if you heard about

200

00:09:19,990 --> 00:09:24,789
this in a 60-minute interview he says

201
00:09:22,570 --> 00:09:26,860
aliens are real he says they're here

202
00:09:24,789 --> 00:09:28,449
they're here absolutely here any claims

203
00:09:26,860 --> 00:09:30,220
that there's like there's already an

204
00:09:28,450 --> 00:09:32,320
existing presence of extraterrestrials

205
00:09:30,220 --> 00:09:35,620
on earth so what he said in a 60-minute

206
00:09:32,320 --> 00:09:38,200
interview and also to being a

207
00:09:35,620 --> 00:09:43,870
billionaire of course and being somebody

208
00:09:38,200 --> 00:09:46,390
whose logo is that of an alien uh he

209
00:09:43,870 --> 00:09:50,909
suggested he's spent more than anybody

210
00:09:46,389 --> 00:09:53,649
else in the US on research into UFOs

211
00:09:50,909 --> 00:09:55,990
that's a pretty big claim that is

212
00:09:53,649 --> 00:09:58,750
because you know dr. Steven Greer might

213
00:09:55,990 --> 00:10:01,930
have been the one and the mouth you know

214
00:09:58,750 --> 00:10:05,289

uh but anyway this is a pretty shocking

215

00:10:01,929 --> 00:10:07,469

a recent public claim because I will

216

00:10:05,289 --> 00:10:11,199

tell you guys there is definitely a

217

00:10:07,470 --> 00:10:14,769

reoccurrence of the UFO topic I mean you

218

00:10:11,200 --> 00:10:16,930

obviously all know that but this topic

219

00:10:14,769 --> 00:10:18,490

is exploding and things are popping up

220

00:10:16,929 --> 00:10:20,199

in the news here and there but it's it's

221

00:10:18,490 --> 00:10:21,970

nice to know that somebody who is a

222

00:10:20,200 --> 00:10:24,640

billionaire working in space is at least

223

00:10:21,970 --> 00:10:30,730

acknowledging in some way yeah we have

224

00:10:24,639 --> 00:10:32,049

nailin presence and I really hope so I'm

225

00:10:30,730 --> 00:10:33,550

like let's make up our damn minds are

226

00:10:32,049 --> 00:10:35,588

they here or not come on guys I mean why

227

00:10:33,549 --> 00:10:38,469

is this such a big deal just you know

228

00:10:35,589 --> 00:10:42,860

but I did like I said I even saw it on

229

00:10:38,470 --> 00:10:46,139
um Sodom Sodom even Sodom

230

00:10:42,860 --> 00:10:48,460
[Laughter]

231

00:10:46,139 --> 00:10:52,750
hmm I was reading on one of our

232

00:10:48,460 --> 00:10:53,980
Instagram you can read that's fantastic

233

00:10:52,750 --> 00:11:03,039
congratulations

234

00:10:53,980 --> 00:11:07,539
oh fuck you man that's very very short

235

00:11:03,039 --> 00:11:09,819
visit from the Lord of Darkness listen

236

00:11:07,539 --> 00:11:11,110
okay what I was trying to say is that in

237

00:11:09,820 --> 00:11:13,390
one of our comments from one of our

238

00:11:11,110 --> 00:11:17,169
followers is that they don't I forgot

239

00:11:13,389 --> 00:11:19,210
the guy's name but he said that um they

240

00:11:17,169 --> 00:11:23,349
don't want to release if there's aliens

241

00:11:19,210 --> 00:11:25,000
or not because of people's religion you

242

00:11:23,350 --> 00:11:27,250
keep saying that I'm telling you that's

243
00:11:25,000 --> 00:11:29,740
what spaced off up here's my religion

244
00:11:27,250 --> 00:11:31,360
well there's some people do you relax

245
00:11:29,740 --> 00:11:32,769
your listeners probably doing well I

246
00:11:31,360 --> 00:11:36,149
don't know some people are religious

247
00:11:32,769 --> 00:11:38,590
some people but there's some little like

248
00:11:36,149 --> 00:11:41,350
yeah of course we're not gonna get into

249
00:11:38,590 --> 00:11:44,680
that of course no but that's I bet you

250
00:11:41,350 --> 00:11:48,730
that spray one of them reason well look

251
00:11:44,679 --> 00:11:50,709
it up on a wide wide world panic mm-hmm

252
00:11:48,730 --> 00:11:52,180
oh my god there's no god there's no that

253
00:11:50,710 --> 00:11:54,450
it's all fake and then people are just

254
00:11:52,179 --> 00:11:58,779
gonna go apeshit they're gonna go start

255
00:11:54,450 --> 00:12:03,220
frickin burning down churches and shit

256
00:11:58,779 --> 00:12:06,850
like that unless that's that's every day

257

00:12:03,220 --> 00:12:14,170
in LA right cuz no they don't burn the

258
00:12:06,850 --> 00:12:16,210
churches they burn really good but how

259
00:12:14,169 --> 00:12:18,610
cool is this I mean this is the guy that

260
00:12:16,210 --> 00:12:21,030
makes you know inflatable habitats for

261
00:12:18,610 --> 00:12:24,519
space saying that some wonder what our

262
00:12:21,029 --> 00:12:27,759
chatters think what about Paul oxen ham

263
00:12:24,519 --> 00:12:31,120
he's brand-new you know what why he's

264
00:12:27,759 --> 00:12:32,740
brand-new and he and he's here and we're

265
00:12:31,120 --> 00:12:37,929
excited to have a new follower a new

266
00:12:32,740 --> 00:12:40,509
chatter no it's all of course not

267
00:12:37,929 --> 00:12:43,120
a speculation I mean it's not evidence

268
00:12:40,509 --> 00:12:44,389
what the hell was that what would you do

269
00:12:43,120 --> 00:12:48,779
your mouth

270
00:12:44,389 --> 00:12:50,879
do that again okay don't do that anymore

271
00:12:48,779 --> 00:12:54,389

that's weird I didn't know you could do

272

00:12:50,879 --> 00:12:57,269

that so um why don't they think they're

273

00:12:54,389 --> 00:12:58,679

so quiet in the chat room of course UFO

274

00:12:57,269 --> 00:13:03,329

Buster Raiders got something cheeky to

275

00:12:58,679 --> 00:13:06,689

say he's into inflatables it's got a

276

00:13:03,330 --> 00:13:11,730

pleasure hole built right in glory hole

277

00:13:06,690 --> 00:13:14,070

in space good Wow we're out of control

278

00:13:11,730 --> 00:13:15,450

tonight I think it's just because of all

279

00:13:14,070 --> 00:13:17,460

the conversations been having I feel

280

00:13:15,450 --> 00:13:19,200

like my brain screaming we have so much

281

00:13:17,460 --> 00:13:21,480

just to spill about we're just like a

282

00:13:19,200 --> 00:13:23,580

like a bad diarrhea day it's in the

283

00:13:21,480 --> 00:13:30,720

toilet just goes everywhere we're

284

00:13:23,580 --> 00:13:32,550

holding it in you see yeah so still no

285

00:13:30,720 --> 00:13:33,420

comments from the chat room so we're

286

00:13:32,549 --> 00:13:35,159

just gonna have to kind of like

287

00:13:33,419 --> 00:13:37,469

hopefully pick up on that towards the

288

00:13:35,159 --> 00:13:40,189

end of the show but I'm just kind of

289

00:13:37,470 --> 00:13:43,620

elaborate on this more Joe more on the

290

00:13:40,190 --> 00:13:48,660

presence of you of it the terrestrial

291

00:13:43,620 --> 00:13:51,450

entity pilot Kolb's things that they're

292

00:13:48,659 --> 00:13:54,120

here with us among us somewhere maybe

293

00:13:51,450 --> 00:13:55,320

the bald I don't know you know there's

294

00:13:54,120 --> 00:14:01,169

so many claims of so many different

295

00:13:55,320 --> 00:14:04,410

types of theories out there about what I

296

00:14:01,169 --> 00:14:08,879

love about this whole story with mr.

297

00:14:04,409 --> 00:14:12,029

Bigelow in lg globe one reporter asked

298

00:14:08,879 --> 00:14:13,919

him if he's worried that the public's

299

00:14:12,029 --> 00:14:15,959

gonna think he's crazy for coming out

300
00:14:13,919 --> 00:14:18,539
and saying this and his replies actually

301
00:14:15,960 --> 00:14:20,820
pretty good he says I don't give a damn

302
00:14:18,539 --> 00:14:25,110
I don't care he probably doesn't sound

303
00:14:20,820 --> 00:14:27,210
is a you know fierce as I do but I don't

304
00:14:25,110 --> 00:14:29,220
give a damn I don't care it's not going

305
00:14:27,210 --> 00:14:31,170
to make it it's not gonna make much of a

306
00:14:29,220 --> 00:14:33,740
difference it's not going to change the

307
00:14:31,169 --> 00:14:36,329
reality of what I know quote unquote and

308
00:14:33,740 --> 00:14:38,279
this is a guy that spent millions and

309
00:14:36,330 --> 00:14:40,290
millions he says he's probably spent

310
00:14:38,279 --> 00:14:42,240
more as an individual than anybody else

311
00:14:40,289 --> 00:14:44,129
in the United States has ever spent on

312
00:14:42,240 --> 00:14:45,269
the object yeah I know before he said

313
00:14:44,129 --> 00:14:48,059
than anybody in the world but he's

314

00:14:45,269 --> 00:14:50,039
saying United States so either way

315
00:14:48,059 --> 00:14:51,239
millions millions I don't know how the

316
00:14:50,039 --> 00:14:53,459
Health Center could spend millions and

317
00:14:51,240 --> 00:14:55,080
millions on this what is and then we

318
00:14:53,460 --> 00:15:03,269
spend hundreds and hundreds

319
00:14:55,080 --> 00:15:05,070
a date no - no it's crazy but all I

320
00:15:03,269 --> 00:15:09,329
could he's not scared to come forward

321
00:15:05,070 --> 00:15:10,470
and say that and you know also - just

322
00:15:09,330 --> 00:15:13,590
talking about are we gonna meet

323
00:15:10,470 --> 00:15:15,570
intelligent intelligences in the outer

324
00:15:13,590 --> 00:15:17,610
space and he says you don't have to go

325
00:15:15,570 --> 00:15:20,580
anywhere it's just it's just like right

326
00:15:17,610 --> 00:15:22,730
under people's noses and then fucking

327
00:15:20,580 --> 00:15:25,379
say where is it where could we find one

328
00:15:22,730 --> 00:15:27,060

is it working at McDonald's it's all

329

00:15:25,379 --> 00:15:29,539

speculation of course and of course it

330

00:15:27,059 --> 00:15:31,679

all comes back down to word-of-mouth

331

00:15:29,539 --> 00:15:33,509

that like you go back to McDonald's

332

00:15:31,679 --> 00:15:37,589

that's why I mean you're making the

333

00:15:33,509 --> 00:15:39,659

haters it it's hey hey it's the way they

334

00:15:37,590 --> 00:15:48,870

steamed the buns on the Polish girl fish

335

00:15:39,659 --> 00:15:54,149

okay like an alien man this is kind of

336

00:15:48,870 --> 00:16:01,080

like the pee-wee's Playhouse Jerry

337

00:15:54,149 --> 00:16:02,610

ah yeah a hamburger man we are so

338

00:16:01,080 --> 00:16:04,110

off-topic I don't know how people even

339

00:16:02,610 --> 00:16:05,850

listening to us right now I don't know

340

00:16:04,110 --> 00:16:07,980

it's like the day after Memorial Day and

341

00:16:05,850 --> 00:16:11,220

everybody's probably the hungover home

342

00:16:07,980 --> 00:16:12,930

and just let shit hungover show then cuz

343
00:16:11,220 --> 00:16:19,220
obviously we can't stay on topic he's

344
00:16:12,929 --> 00:16:19,219
clear to see obviously collect them

345
00:16:21,950 --> 00:16:27,090
this guy's like in space so that's

346
00:16:24,509 --> 00:16:30,840
pretty cool I'm gonna see what any of

347
00:16:27,090 --> 00:16:33,330
our chatters had to say um of course you

348
00:16:30,840 --> 00:16:35,879
have a busted ass a UFO Buster radio

349
00:16:33,330 --> 00:16:37,200
says does Bigelow fit into the contact

350
00:16:35,879 --> 00:16:41,759
in the desert crowd what do you think

351
00:16:37,200 --> 00:16:43,740
Joe I don't know maybe if you've brought

352
00:16:41,759 --> 00:16:46,860
out one of his inflatables out there

353
00:16:43,740 --> 00:16:48,080
people can sit in it fake hey that's a

354
00:16:46,860 --> 00:16:50,310
good idea

355
00:16:48,080 --> 00:16:53,400
forget inflatables in space any

356
00:16:50,309 --> 00:16:54,539
inflatables in the desert with like mini

357
00:16:53,399 --> 00:16:55,919
air conditioning or something they're

358
00:16:54,539 --> 00:16:57,419
out of no wait we don't need in full

359
00:16:55,919 --> 00:16:59,579
wait I don't think inflatables would

360
00:16:57,419 --> 00:17:03,479
work well in desert Evie had a hard time

361
00:16:59,580 --> 00:17:05,338
EB EB like nearly mad yeah if you don't

362
00:17:03,480 --> 00:17:07,140
know who Evie is that stands that is by

363
00:17:05,338 --> 00:17:08,970
the way an acronym for extraterrestrial

364
00:17:07,140 --> 00:17:10,500
biological entity and

365
00:17:08,970 --> 00:17:14,009
we always have our friend Edie on our

366
00:17:10,500 --> 00:17:17,429
trips it's a mass go up green alien

367
00:17:14,009 --> 00:17:21,929
thanks yes but I think it's funny

368
00:17:17,429 --> 00:17:23,280
one of our followers says that the way

369
00:17:21,929 --> 00:17:28,769
that we do things reminds of the movie

370
00:17:23,279 --> 00:17:32,190
Paul movie oh yeah I could see that

371

00:17:28,769 --> 00:17:38,579
that's what it totally is if only we can

372
00:17:32,190 --> 00:17:39,960
get an RV and go on a crossover got our

373
00:17:38,579 --> 00:17:41,699
we got our TV wall mobile we're fine

374
00:17:39,960 --> 00:17:45,179
okay but look I want to go on a

375
00:17:41,700 --> 00:17:46,919
cross-country trip we're gonna research

376
00:17:45,179 --> 00:17:48,870
these different crash locations is what

377
00:17:46,919 --> 00:17:50,640
we need to I heard Aurora Texas like you

378
00:17:48,869 --> 00:17:53,639
said it's it's kind of like a mini

379
00:17:50,640 --> 00:17:55,740
Roswell there's like signs of stuff that

380
00:17:53,640 --> 00:17:57,659
has alien stuff on it oh yeah they're

381
00:17:55,740 --> 00:18:00,359
basically profiting off of the story huh

382
00:17:57,659 --> 00:18:02,700
yeah it's a base wait but little bit up

383
00:18:00,359 --> 00:18:04,379
my mouth is tongue-tied but sometimes

384
00:18:02,700 --> 00:18:06,480
you have to watch out and this is going

385
00:18:04,380 --> 00:18:11,429

to be part of what we were we're gonna

386

00:18:06,480 --> 00:18:13,950

try to say wha well I'm just saying that

387

00:18:11,429 --> 00:18:16,530

is the Aurora story real or is it

388

00:18:13,950 --> 00:18:18,929

fabricated to bring you know tourists

389

00:18:16,529 --> 00:18:21,990

into Aurora we have to see the site

390

00:18:18,929 --> 00:18:24,269

we're gonna see where it crashed ha I

391

00:18:21,990 --> 00:18:25,589

would like to at least go see yeah you

392

00:18:24,269 --> 00:18:28,829

know I think it's really important this

393

00:18:25,589 --> 00:18:30,178

field to kind of like go there and even

394

00:18:28,829 --> 00:18:33,288

if you just staring at a mound of dirt

395

00:18:30,179 --> 00:18:35,460

there's just still something about it

396

00:18:33,288 --> 00:18:36,900

you're there you're where something

397

00:18:35,460 --> 00:18:39,720

potentially happened that's what it was

398

00:18:36,900 --> 00:18:42,750

like when we were in Roswell jo huh you

399

00:18:39,720 --> 00:18:44,429

know just being in that area was amazing

400
00:18:42,750 --> 00:18:45,929
thinking oh my gosh you know like and

401
00:18:44,429 --> 00:18:51,240
yeah it totally was a crater like almost

402
00:18:45,929 --> 00:18:54,950
perfectly circular yeah very good Jo

403
00:18:51,240 --> 00:18:54,950
fucking dick Hey

404
00:18:56,730 --> 00:19:03,880
well if you don't mind I'm trying to go

405
00:19:01,930 --> 00:19:05,529
to the next topic let's bring it home

406
00:19:03,880 --> 00:19:07,530
well because I'm gonna take a few

407
00:19:05,529 --> 00:19:09,759
minutes right now and we got to talk to

408
00:19:07,529 --> 00:19:11,109
all of our amazing followers and our new

409
00:19:09,759 --> 00:19:12,180
followers we've got a bunch of new we

410
00:19:11,109 --> 00:19:14,259
had like lon

411
00:19:12,180 --> 00:19:16,480
so I'll tell you what I'll take the

412
00:19:14,259 --> 00:19:20,559
instant note I'll take the twit you take

413
00:19:16,480 --> 00:19:29,980
the inst yeah all right so um you get on

414
00:19:20,559 --> 00:19:30,609
the install get on the twit you're out

415
00:19:29,980 --> 00:19:35,470
of control

416
00:19:30,609 --> 00:19:39,039
basically so what are um followers

417
00:19:35,470 --> 00:19:42,930
starlight 99 yes she said that um what

418
00:19:39,039 --> 00:19:47,139
would be at disclosure fest 6:17 in LA

419
00:19:42,930 --> 00:19:48,759
no we're not able to make that well it

420
00:19:47,140 --> 00:19:51,400
also seems to be more about like yoga

421
00:19:48,759 --> 00:19:52,900
and crystals and I don't know what else

422
00:19:51,400 --> 00:19:56,590
well it says disclosure fest it could be

423
00:19:52,900 --> 00:19:58,990
something different and about disclosure

424
00:19:56,589 --> 00:20:00,720
not so so you shame disclosure is

425
00:19:58,990 --> 00:20:04,539
crystals

426
00:20:00,720 --> 00:20:06,279
I'm not saying that you just said it no

427
00:20:04,539 --> 00:20:08,500
I'm second disclosure fest yet it's all

428

00:20:06,279 --> 00:20:09,579
about look it's a catchy name title but

429
00:20:08,500 --> 00:20:10,599
that doesn't mean there's gonna be

430
00:20:09,579 --> 00:20:13,480
anything of value

431
00:20:10,599 --> 00:20:17,199
chastity Ashley you need to contact us

432
00:20:13,480 --> 00:20:18,700
we need to contact you because I kind of

433
00:20:17,200 --> 00:20:20,980
don't want to go to another event where

434
00:20:18,700 --> 00:20:22,930
there's like burning sage and spring

435
00:20:20,980 --> 00:20:27,789
frankincense something about that that's

436
00:20:22,930 --> 00:20:32,769
our people no it's not someone no okay

437
00:20:27,789 --> 00:20:36,339
so we're gonna keep going here are you

438
00:20:32,769 --> 00:20:37,720
talking or am i talking I don't know I'm

439
00:20:36,339 --> 00:20:38,889
gonna switch over here to titter because

440
00:20:37,720 --> 00:20:41,589
I don't know what the hell show is doing

441
00:20:38,890 --> 00:20:42,070
it's probably talking to the friends or

442
00:20:41,589 --> 00:20:44,649

something

443

00:20:42,069 --> 00:20:47,279

hey you got James North I'm ER always

444

00:20:44,650 --> 00:20:52,570

gives us lots of Twitter love also um

445

00:20:47,279 --> 00:20:55,240

hey we've got a new follower Buga duck

446

00:20:52,569 --> 00:20:57,309

Verna I don't know what the hell but

447

00:20:55,240 --> 00:20:58,630

cheers from Brazil guys he says thanks

448

00:20:57,309 --> 00:21:01,210

awesome I'm going to give that a retweet

449

00:20:58,630 --> 00:21:03,480

that's pretty cool and of course Carla

450

00:21:01,210 --> 00:21:05,100

and Emory Carla who we fired I think

451

00:21:03,480 --> 00:21:07,680

to her before didn't we fired her as if

452

00:21:05,099 --> 00:21:09,689

Aryan mama 51 commented she's what you

453

00:21:07,680 --> 00:21:11,759

have to say I think the show is gonna be

454

00:21:09,690 --> 00:21:13,470

4 a.m. in the UK so yeah I think our

455

00:21:11,759 --> 00:21:15,119

time is around 4 a.m. there yeah yeah

456

00:21:13,470 --> 00:21:17,190

which you can have some coffee and

457
00:21:15,119 --> 00:21:22,229
listen to us newsflash

458
00:21:17,190 --> 00:21:26,150
if now can we talk about another part of

459
00:21:22,230 --> 00:21:28,650
our news which is we are now going to be

460
00:21:26,150 --> 00:21:31,769
broadcasting every Tuesday night 8 p.m.

461
00:21:28,650 --> 00:21:33,450
8 p.m. so you're gonna do a little bro

462
00:21:31,769 --> 00:21:36,450
you're gonna find us here 8 p.m. every

463
00:21:33,450 --> 00:21:40,590
Tuesday night so we're gonna have a

464
00:21:36,450 --> 00:21:44,360
regular show and dedicated every was it

465
00:21:40,589 --> 00:21:47,189
Sunday Oh Tuesday at hey after church

466
00:21:44,359 --> 00:21:48,869
that's Sunday I'm just kidding some

467
00:21:47,190 --> 00:21:51,480
people go to church on Tuesday I don't

468
00:21:48,869 --> 00:21:53,519
know yeah we're excited about that

469
00:21:51,480 --> 00:21:59,400
that way we can have like avoid this

470
00:21:53,519 --> 00:22:01,829
irregular Lovejoy good hi okay anybody

471
00:21:59,400 --> 00:22:03,330
else did she want to acknowledge on

472
00:22:01,829 --> 00:22:09,509
Instagram so we can talk about our daily

473
00:22:03,329 --> 00:22:13,009
agenda lucky seven six three two uh UFO

474
00:22:09,509 --> 00:22:16,250
disclosure MUFON so let's move on

475
00:22:13,009 --> 00:22:22,529
it's scary 51 thank you guys

476
00:22:16,250 --> 00:22:24,059
cheery 7 5 7 revered John Pope thank you

477
00:22:22,529 --> 00:22:25,619
we actually have an interview with him

478
00:22:24,059 --> 00:22:27,750
we're gonna yeah that we actually been

479
00:22:25,619 --> 00:22:30,209
interview with Jimmy Church as without

480
00:22:27,750 --> 00:22:32,640
trying to get um chastity on - she wants

481
00:22:30,210 --> 00:22:34,860
to go and interview her - as well she

482
00:22:32,640 --> 00:22:38,070
says she has some interesting stories I

483
00:22:34,859 --> 00:22:39,779
want to know yeah awesome because we

484
00:22:38,069 --> 00:22:42,629
want more people that have maybe had

485

00:22:39,779 --> 00:22:47,990
experiences we haven't yet we saw like

486
00:22:42,630 --> 00:22:50,100
um we say lights yeah satellites and

487
00:22:47,990 --> 00:22:52,160
reading Butler's and those sorts of

488
00:22:50,099 --> 00:22:56,849
things but we haven't seen anything

489
00:22:52,160 --> 00:22:58,980
unusual so to speak if you have or hey

490
00:22:56,849 --> 00:23:02,129
you know what if you've touched a craft

491
00:22:58,980 --> 00:23:04,620
if you've been in a craft and you're a

492
00:23:02,130 --> 00:23:08,320
few minutes of Kraft cheese and

493
00:23:04,619 --> 00:23:09,579
Kraft Macaroni go to do it I'm not gonna

494
00:23:08,319 --> 00:23:11,289
do it do it do it

495
00:23:09,579 --> 00:23:12,669
come on doing free macaroni and cheese

496
00:23:11,289 --> 00:23:17,200
commercial right now here I'm gonna turn

497
00:23:12,670 --> 00:23:19,870
it down ready and uh crap home style

498
00:23:17,200 --> 00:23:22,450
macaroni and cheese GZ noodles topped

499
00:23:19,869 --> 00:23:30,489

with golden brown bread crumbs you know

500

00:23:22,450 --> 00:23:32,920

you loved that sounds delicious

501

00:23:30,490 --> 00:23:36,789

that sounds delicious we're still off

502

00:23:32,920 --> 00:23:38,470

topic it's one of those nights I know

503

00:23:36,789 --> 00:23:38,798

it's like I could talk about anything

504

00:23:38,470 --> 00:23:43,750

tonight

505

00:23:38,798 --> 00:23:48,009

I mean realistically but this the story

506

00:23:43,750 --> 00:23:50,039

or this claimed billionaire wait we're

507

00:23:48,009 --> 00:23:53,529

not going back to that

508

00:23:50,039 --> 00:23:56,168

what the hell we've moved on Oh move on

509

00:23:53,529 --> 00:24:00,418

okay fine you say on the grave impartial

510

00:23:56,169 --> 00:24:05,650

media exactly sorry okay fuck you up

511

00:24:00,419 --> 00:24:08,559

yeah how can you play that lightsaber

512

00:24:05,650 --> 00:24:12,700

sound and not do a Star Wars character I

513

00:24:08,558 --> 00:24:15,079

don't understand how you you wanted doc

514

00:24:12,700 --> 00:24:23,179

did Dave's

515

00:24:15,079 --> 00:24:25,428

in week sorry guys it's a crazy day

516

00:24:23,179 --> 00:24:28,278

Oh Manny Moonraker from UFO Buster radio

517

00:24:25,429 --> 00:24:30,619

by the way give then when I listen to

518

00:24:28,278 --> 00:24:32,298

that I was actually a guest on you know

519

00:24:30,618 --> 00:24:37,730

yeah I know you never told me I had to

520

00:24:32,298 --> 00:24:41,179

figure it out myself well anyway uh UFO

521

00:24:37,730 --> 00:24:45,440

Buster how was the UFO conference in

522

00:24:41,179 --> 00:24:46,269

Aurora tell me about that was it tell me

523

00:24:45,440 --> 00:24:49,220

about that

524

00:24:46,269 --> 00:24:52,489

yeah please so we're sharing is there

525

00:24:49,220 --> 00:24:54,038

something we should go to what is that

526

00:24:52,489 --> 00:24:59,869

contraption

527

00:24:54,038 --> 00:25:04,028

okay okay sound board pots time okay do

528
00:24:59,868 --> 00:25:04,028
we want negative reviews again sure

529
00:25:04,778 --> 00:25:10,548
you're out of control

530
00:25:06,470 --> 00:25:13,429
I meant and everything I really would

531
00:25:10,548 --> 00:25:15,319
like to see gray or green or a bubble or

532
00:25:13,429 --> 00:25:17,119
something I would like to see something

533
00:25:15,319 --> 00:25:18,710
too we talk about it every episode but

534
00:25:17,118 --> 00:25:21,108
what I don't understand is if you see

535
00:25:18,710 --> 00:25:21,950
something you've got a fucking 4k phone

536
00:25:21,108 --> 00:25:23,358
camera

537
00:25:21,950 --> 00:25:26,119
yeah take a picture of it how come

538
00:25:23,358 --> 00:25:28,579
everything I've seen it's all blurry

539
00:25:26,118 --> 00:25:30,980
they can't I'm like it's like mostly the

540
00:25:28,579 --> 00:25:33,048
big the Bigfoot ones it's like it's all

541
00:25:30,980 --> 00:25:34,579
sketchy and you can't see it because

542

00:25:33,048 --> 00:25:36,319
they're like zooming in and out and I'm

543
00:25:34,579 --> 00:25:43,388
like I'll run out that motherfucker and

544
00:25:36,319 --> 00:25:46,778
be like smile that's what I would do

545
00:25:43,388 --> 00:25:48,798
no you would run and shit your pants

546
00:25:46,778 --> 00:25:51,470
yeah but I would send it to you before I

547
00:25:48,798 --> 00:25:55,308
died and I'd say hey we got Bigfoot it

548
00:25:51,470 --> 00:25:57,169
posted posted on Instagram if you're

549
00:25:55,308 --> 00:25:58,608
watching this video ask you know what I

550
00:25:57,169 --> 00:25:59,869
would do is actually do it live I'm

551
00:25:58,608 --> 00:26:03,528
gonna die but like as Bigfoot

552
00:25:59,868 --> 00:26:07,638
I think that's acceptable that would

553
00:26:03,528 --> 00:26:09,648
because it'd be genuine just imagine

554
00:26:07,638 --> 00:26:12,858
look at the phone with himself but we've

555
00:26:09,648 --> 00:26:14,358
been watching it illuminated we're

556
00:26:12,858 --> 00:26:15,980

watching so many different UFO videos

557

00:26:14,358 --> 00:26:17,298

like that's all I've been doing I've

558

00:26:15,980 --> 00:26:19,099

been trying to find something if it's

559

00:26:17,298 --> 00:26:22,819

consistent I'm trying to find a

560

00:26:19,099 --> 00:26:25,399

consistent alien in all these videos and

561

00:26:22,819 --> 00:26:27,230

they're all different

562

00:26:25,400 --> 00:26:29,210

like that one where it shows that the

563

00:26:27,230 --> 00:26:32,299

that the camera at the window even

564

00:26:29,210 --> 00:26:34,940

popped it up I've seen a few videos and

565

00:26:32,299 --> 00:26:38,240

a few pictures of that same head but I'm

566

00:26:34,940 --> 00:26:44,269

not sure if it's made up or not huh so

567

00:26:38,240 --> 00:26:50,558

you're looking for some head deep done

568

00:26:44,269 --> 00:26:54,829

then pump it back my fucking you're a

569

00:26:50,558 --> 00:26:56,720

head there's just a quick pop in and pop

570

00:26:54,829 --> 00:26:58,759

out that's all that's all you're great

571
00:26:56,720 --> 00:27:01,279
way to disrupt our line handy can't talk

572
00:26:58,759 --> 00:27:04,339
anyway how do you even get anything done

573
00:27:01,279 --> 00:27:07,609
I don't know I'm a little bit about a

574
00:27:04,339 --> 00:27:09,558
lot remember well I can even seen a

575
00:27:07,609 --> 00:27:11,839
topic tonight Joe and you're not helping

576
00:27:09,558 --> 00:27:13,670
well it's a cool night fun night it's a

577
00:27:11,839 --> 00:27:16,399
beautiful night it's about time fuck

578
00:27:13,670 --> 00:27:17,509
it's not Hajj plaque excuse my potty

579
00:27:16,400 --> 00:27:20,420
mouth thanks guys for hanging out the

580
00:27:17,509 --> 00:27:27,440
UFO Bros if you've managed to last for

581
00:27:20,420 --> 00:27:34,610
27 minutes we thank you and we snap this

582
00:27:27,440 --> 00:27:36,110
moment Wow but what do you think when

583
00:27:34,609 --> 00:27:39,049
you look on those videos or when you

584
00:27:36,109 --> 00:27:41,029
look at yeah videos or anything on it

585
00:27:39,049 --> 00:27:44,480
and add pictures what not it's not

586
00:27:41,029 --> 00:27:47,629
consistent I think you're right I think

587
00:27:44,480 --> 00:27:49,009
my biggest complaint is it's getting to

588
00:27:47,630 --> 00:27:50,360
the point that we can barely

589
00:27:49,009 --> 00:27:50,720
differentiate from what's real and

590
00:27:50,359 --> 00:27:52,699
what's not

591
00:27:50,720 --> 00:27:58,069
you can't anymore and I think that's on

592
00:27:52,700 --> 00:28:00,650
purpose could be hey that was a real one

593
00:27:58,069 --> 00:28:03,649
helpful I think it could be it's really

594
00:28:00,650 --> 00:28:05,240
frustrating though it is frustrating you

595
00:28:03,650 --> 00:28:07,009
get on a nice path like okay yeah that

596
00:28:05,240 --> 00:28:08,390
looks yeah yeah yeah oh man it's fake

597
00:28:07,009 --> 00:28:10,369
well that's why I don't watch secure

598
00:28:08,390 --> 00:28:11,570
teen 10 that's why I don't watch them I

599

00:28:10,369 --> 00:28:14,089
just phase of the moon either you know

600
00:28:11,569 --> 00:28:17,319
no I just if I see those I passed those

601
00:28:14,089 --> 00:28:20,509
but I really like that um UFO MUFON one

602
00:28:17,319 --> 00:28:22,099
yes on Instagram yes and those look

603
00:28:20,509 --> 00:28:23,329
pretty legit to me do you remember that

604
00:28:22,099 --> 00:28:26,599
handle locked up your head

605
00:28:23,329 --> 00:28:27,980
it's just UFO miu UFO MUFON right yeah

606
00:28:26,599 --> 00:28:29,839
yeah there's some pretty incredible

607
00:28:27,980 --> 00:28:31,579
videos on there and they're doing a good

608
00:28:29,839 --> 00:28:33,199
job of filtering it out but you know

609
00:28:31,579 --> 00:28:36,139
even some of their best ones are

610
00:28:33,200 --> 00:28:37,429
questionable yeah it all comes down you

611
00:28:36,140 --> 00:28:39,050
guys think what do you guys think about

612
00:28:37,429 --> 00:28:43,650
grays and

613
00:28:39,049 --> 00:28:47,730

reptilians and all that excuse me are we

614

00:28:43,650 --> 00:28:50,970

12 I'm what well I think we've already

615

00:28:47,730 --> 00:28:53,400

talked about this so we already talked

616

00:28:50,970 --> 00:28:54,779

about this yeah we about reptilians like

617

00:28:53,400 --> 00:28:57,830

we don't not reptilians no I'm just

618

00:28:54,779 --> 00:29:03,529

saying do what does our followers think

619

00:28:57,829 --> 00:29:05,579

fuck face I'm waiting to see WTF I know

620

00:29:03,529 --> 00:29:07,170

they're not very quick on the reply I

621

00:29:05,579 --> 00:29:09,179

can tell you that I think there's a well

622

00:29:07,170 --> 00:29:10,529

we got negative one person so I mean now

623

00:29:09,180 --> 00:29:12,420

we've got a couple people in here and

624

00:29:10,529 --> 00:29:13,619

we've got a few chatting I'm sure if

625

00:29:12,420 --> 00:29:19,009

they have still listening

626

00:29:13,619 --> 00:29:19,009

there's listening puts up down lark oh

627

00:29:20,450 --> 00:29:29,279

man by the way if you guys are not

628
00:29:26,640 --> 00:29:31,410
following us or at all things at UFO

629
00:29:29,279 --> 00:29:33,480
Bros TV except for Twitter we're at UFO

630
00:29:31,410 --> 00:29:36,480
zero Bros TV because there's an asshole

631
00:29:33,480 --> 00:29:37,740
cuz don't forget to subscribe if you're

632
00:29:36,480 --> 00:29:40,890
watching our YouTube videos or if you're

633
00:29:37,740 --> 00:29:42,480
listening to the podcast son cry you got

634
00:29:40,890 --> 00:29:45,140
it get your overload you know what I'll

635
00:29:42,480 --> 00:29:47,819
overload your favorite Vilonia censors

636
00:29:45,140 --> 00:29:49,620
subscribe follow us because we're really

637
00:29:47,819 --> 00:29:52,259
going to try to reconsider reporting any

638
00:29:49,619 --> 00:29:54,389
breaking UFO news unfortunately when you

639
00:29:52,259 --> 00:29:56,730
get down to it anything that has been

640
00:29:54,390 --> 00:29:58,410
coming out recently including recent

641
00:29:56,730 --> 00:30:00,930
documentaries is just sort of mouth

642
00:29:58,410 --> 00:30:02,759
here's this put them up and it's um I

643
00:30:00,930 --> 00:30:05,730
want somebody to go oh look here's not

644
00:30:02,759 --> 00:30:07,589
harvested oh look here's the outer hole

645
00:30:05,730 --> 00:30:09,690
of a spaceship from another planet look

646
00:30:07,589 --> 00:30:12,179
we've tested it we don't know what it is

647
00:30:09,690 --> 00:30:14,460
later I'm waiting for that I don't know

648
00:30:12,180 --> 00:30:16,019
that's it we're gonna happen but Jack

649
00:30:14,460 --> 00:30:18,240
valais I will tell you this we found

650
00:30:16,019 --> 00:30:20,879
this out is actually documenting

651
00:30:18,240 --> 00:30:22,740
different sort of crashes and collected

652
00:30:20,880 --> 00:30:23,910
materials and that was was really great

653
00:30:22,740 --> 00:30:27,900
about why don't they bring this stuff

654
00:30:23,910 --> 00:30:34,380
out if they have tangible evidence of a

655
00:30:27,900 --> 00:30:36,330
broken craft graph macaroni cheese bring

656

00:30:34,380 --> 00:30:37,440
it out so we can see it you know we want

657
00:30:36,329 --> 00:30:40,609
to look at we want to touch it want to

658
00:30:37,440 --> 00:30:44,759
feel it I think it's a problem

659
00:30:40,609 --> 00:30:46,740
as they don't want that huh they want us

660
00:30:44,759 --> 00:30:49,109
to go look at this inter you know

661
00:30:46,740 --> 00:30:52,109
continental ballistic missile killer

662
00:30:49,109 --> 00:30:54,569
that we've developed knowing well yeah

663
00:30:52,109 --> 00:30:55,889
it was a craft we found we want to show

664
00:30:54,569 --> 00:31:06,839
to everybody when we can't because the

665
00:30:55,890 --> 00:31:11,700
missus know that huh you make my brain

666
00:31:06,839 --> 00:31:13,740
hurt at UFO Buster radio asks does he

667
00:31:11,700 --> 00:31:18,950
have actual crash materials yes he does

668
00:31:13,740 --> 00:31:22,410
and in that workshop he talked about how

669
00:31:18,950 --> 00:31:26,220
he carefully brought them over to the

670
00:31:22,410 --> 00:31:31,019

States for analyzation pieces artifacts

671

00:31:26,220 --> 00:31:35,400

from a museum I forgot exactly where but

672

00:31:31,019 --> 00:31:38,279

um it was pretty recent sort of UFO I

673

00:31:35,400 --> 00:31:42,060

believe that like exploded in midair and

674

00:31:38,279 --> 00:31:44,279

just turned into liquid metal and so

675

00:31:42,059 --> 00:31:48,000

they collected some of the sample liquid

676

00:31:44,279 --> 00:31:51,629

Matt oh ha but but to be honest with you

677

00:31:48,000 --> 00:31:53,369

his information you know I'm just uh

678

00:31:51,630 --> 00:31:55,770

hold on a second I want to bone pause

679

00:31:53,369 --> 00:31:57,569

you right there okay I'm just so sick of

680

00:31:55,769 --> 00:32:00,599

these people I know this I've seen this

681

00:31:57,569 --> 00:32:02,700

I've done that I just like I'm just so

682

00:32:00,599 --> 00:32:04,169

frustrated with it because I spend hours

683

00:32:02,700 --> 00:32:06,600

trying to figure it out research it

684

00:32:04,170 --> 00:32:08,580

trying to see if there's anything that's

685
00:32:06,599 --> 00:32:10,259
tangible that I can see or prove and

686
00:32:08,579 --> 00:32:12,299
there's nothing because they can't speak

687
00:32:10,259 --> 00:32:13,680
because their fear for the live or the

688
00:32:12,299 --> 00:32:17,399
stupid whistleblowers with their stupid

689
00:32:13,680 --> 00:32:19,380
gray hair glasses and blue ties I I just

690
00:32:17,400 --> 00:32:21,960
can we get some fucking evidence just

691
00:32:19,380 --> 00:32:23,700
right there you know David I mean like

692
00:32:21,960 --> 00:32:25,079
like some stuff we're seeing on YouTube

693
00:32:23,700 --> 00:32:29,850
like I was just just going through just

694
00:32:25,079 --> 00:32:31,559
bullshit the like they show craft like

695
00:32:29,849 --> 00:32:33,839
flying over the city and it's like why

696
00:32:31,559 --> 00:32:38,700
wouldn't that be in the news even

697
00:32:33,839 --> 00:32:40,709
they're in another country I don't know

698
00:32:38,700 --> 00:32:42,600
and there's such a this shit needs to

699

00:32:40,710 --> 00:32:44,700

come out there's such a wasted

700

00:32:42,599 --> 00:32:46,829

opportunity because there is fake news

701

00:32:44,700 --> 00:32:49,350

and I'm not just talking about you know

702

00:32:46,829 --> 00:32:51,809

what China had for lunch or didn't have

703

00:32:49,349 --> 00:32:52,409

or take this person's I mean forget that

704

00:32:51,809 --> 00:32:55,190

stuff

705

00:32:52,410 --> 00:32:58,860

talking about like you know there's

706

00:32:55,190 --> 00:33:01,529

these haven't subscribed from so many of

707

00:32:58,859 --> 00:33:04,199

these like yeah universe knowledge and

708

00:33:01,529 --> 00:33:05,819

all these sorts of pages on Facebook

709

00:33:04,200 --> 00:33:07,410

because I'm tired of seeing these

710

00:33:05,819 --> 00:33:09,149

articles that are total bullshit and

711

00:33:07,410 --> 00:33:13,680

half the time they they link to frickin

712

00:33:09,150 --> 00:33:15,420

secure team I'm like that's a view as a

713

00:33:13,680 --> 00:33:21,029
way to do it I'm like secure team has

714
00:33:15,420 --> 00:33:22,050
nothing to do with disclosure oh yeah

715
00:33:21,029 --> 00:33:24,720
mm-hmm

716
00:33:22,049 --> 00:33:26,879
look props to the guy for the YouTube

717
00:33:24,720 --> 00:33:28,200
videos it is hard work that's hard I get

718
00:33:26,880 --> 00:33:28,980
what you're saying but I do think your

719
00:33:28,200 --> 00:33:31,319
money in the waters

720
00:33:28,980 --> 00:33:32,730
that's my opinion oh yeah I also think

721
00:33:31,319 --> 00:33:35,759
that people like Cory good are muddying

722
00:33:32,730 --> 00:33:37,860
the waters how so think that people like

723
00:33:35,759 --> 00:33:40,019
Steven Greer are shitting in the water

724
00:33:37,859 --> 00:33:41,519
it's weird it's like he's clearing the

725
00:33:40,019 --> 00:33:44,519
water but shitting in it while he's

726
00:33:41,519 --> 00:33:46,410
clearing it he's so close to unloading

727
00:33:44,519 --> 00:33:48,990

the water but a lot of these care maybe

728

00:33:46,410 --> 00:33:51,360

maybe we're not getting it me you

729

00:33:48,990 --> 00:33:54,059

weren't getting it down you're not

730

00:33:51,359 --> 00:33:56,879

getting it I mean what um maybe maybe

731

00:33:54,059 --> 00:33:58,679

that to communication with Gray's or

732

00:33:56,880 --> 00:34:00,240

aliens maybe is subconsciously so maybe

733

00:33:58,680 --> 00:34:02,070

it's trying to prepare subconsciously

734

00:34:00,240 --> 00:34:05,220

who knows I was just taken to that right

735

00:34:02,069 --> 00:34:07,889

now okay okay I just eat my head well

736

00:34:05,220 --> 00:34:09,809

look and I just did it we kind of said

737

00:34:07,890 --> 00:34:13,220

it oh my god forget it I'm gonna burn

738

00:34:09,809 --> 00:34:16,639

you I'm sitting on fire and stab you

739

00:34:13,219 --> 00:34:18,799

that's me well anyway ha

740

00:34:16,639 --> 00:34:20,659

we've talked about this before Joe

741

00:34:18,800 --> 00:34:23,030

remember and you weren't really hot on

742
00:34:20,659 --> 00:34:25,700
the idea of how consciousness connects

743
00:34:23,030 --> 00:34:28,250
is one and all that good stuff we only

744
00:34:25,699 --> 00:34:29,989
use 10% of our brain wait are you

745
00:34:28,250 --> 00:34:32,210
changing your your thoughts then right

746
00:34:29,989 --> 00:34:34,279
now no I'm just saying we use only 10%

747
00:34:32,210 --> 00:34:36,260
of our brains not not before you said

748
00:34:34,280 --> 00:34:38,679
it's bullshit it is still bullshit but I

749
00:34:36,260 --> 00:34:42,290
don't know are you just speculating I'm

750
00:34:38,679 --> 00:34:43,639
copulating yes because it's backlink I'm

751
00:34:42,289 --> 00:34:49,599
spattering malaria I don't hear about

752
00:34:43,639 --> 00:34:53,059
your spackling okay no well look I could

753
00:34:49,599 --> 00:34:54,530
maybe get on board with it but when

754
00:34:53,059 --> 00:34:58,789
you're out in the middle of the desert

755
00:34:54,530 --> 00:35:01,700
at like 12:30 a.m. and you hear dr.

756
00:34:58,789 --> 00:35:04,608
Greer pointing at stars saying that this

757
00:35:01,699 --> 00:35:07,429
alien civilization lives here and I've

758
00:35:04,608 --> 00:35:11,358
remote viewed their culture and that's

759
00:35:07,429 --> 00:35:13,098
when I asshole that's what I'm like why

760
00:35:11,358 --> 00:35:15,019
you give a better description and a nice

761
00:35:13,099 --> 00:35:16,369
asshole than him and a stupid aliens on

762
00:35:15,019 --> 00:35:18,858
a different planet because that is

763
00:35:16,369 --> 00:35:20,269
bullshit where does it stop it's not

764
00:35:18,858 --> 00:35:21,679
going to stop they make money off this

765
00:35:20,269 --> 00:35:23,838
shit that's why they're doing it or they

766
00:35:21,679 --> 00:35:25,460
have the information that is so confined

767
00:35:23,838 --> 00:35:26,539
that they don't they won't explode like

768
00:35:25,460 --> 00:35:26,869
nope I'll just make money off of it

769
00:35:26,539 --> 00:35:28,550
right now

770

00:35:26,869 --> 00:35:32,690
yep and then I'll dump it when I'm like

771
00:35:28,550 --> 00:35:34,039
80 it's like all the rest of us have

772
00:35:32,690 --> 00:35:37,099
been doing yes what they've been doing

773
00:35:34,039 --> 00:35:38,570
the whistle our babies India like in

774
00:35:37,099 --> 00:35:41,349
their 8090 about the diet hey they're

775
00:35:38,570 --> 00:35:43,490
resilient really you had to me about him

776
00:35:41,349 --> 00:35:45,230
no that isn't him it

777
00:35:43,489 --> 00:35:47,029
how many documentaries have you seen

778
00:35:45,230 --> 00:35:48,409
where it has they're on their deathbed

779
00:35:47,030 --> 00:35:50,390
and then they tell what it is and well

780
00:35:48,409 --> 00:35:56,509
there's been a few I've seen yeah

781
00:35:50,389 --> 00:35:58,009
there's been a few there's Hannah I know

782
00:35:56,510 --> 00:35:58,990
that there's a presence I just don't

783
00:35:58,010 --> 00:36:01,460
know what the hell it is

784
00:35:58,989 --> 00:36:03,469

it'll be name is an untrue to say what

785

00:36:01,460 --> 00:36:06,108

it is it looks like this this is the

786

00:36:03,469 --> 00:36:08,029

premise there um the way their manga who

787

00:36:06,108 --> 00:36:10,250

exactly the aliens like I said you said

788

00:36:08,030 --> 00:36:13,160

he or they should or who are those

789

00:36:10,250 --> 00:36:16,309

people huh okay listen here Lorraine

790

00:36:13,159 --> 00:36:19,309

from MADtv no what he said is that

791

00:36:16,309 --> 00:36:23,358

they're among us they're hiding yes who

792

00:36:19,309 --> 00:36:25,789

is they aren't you why don't you give us

793

00:36:23,358 --> 00:36:26,799

a fucking clue what they look like what

794

00:36:25,789 --> 00:36:32,529

they are or something

795

00:36:26,800 --> 00:36:39,640

there Joe huh okay I'm gonna kill you

796

00:36:32,530 --> 00:36:41,170

sir see haha thanks out no he didn't say

797

00:36:39,639 --> 00:36:44,139

there hiding he just says that they're

798

00:36:41,170 --> 00:36:46,659

like in plain sight we're just not

799

00:36:44,139 --> 00:36:47,980
seeing hiding in plain sight but then

800

00:36:46,659 --> 00:36:49,719
again you don't see things you don't

801

00:36:47,980 --> 00:36:51,550
choose to see so if you're completely

802

00:36:49,719 --> 00:36:54,339
oblivious and you're stuck in there at

803

00:36:51,550 --> 00:36:56,500
rest of the day to day job job job house

804

00:36:54,340 --> 00:36:58,360
bill House bill karna Vivek you could be

805

00:36:56,500 --> 00:37:00,760
on the freeway the middle traffic

806

00:36:58,360 --> 00:37:02,380
officer walk right through next to your

807

00:37:00,760 --> 00:37:04,840
car burn on fire you would even notice

808

00:37:02,380 --> 00:37:08,039
it by the way a UFO Buster Raider says

809

00:37:04,840 --> 00:37:14,730
Joe is on fire tonight you tell him Joe

810

00:37:08,039 --> 00:37:17,889
that Bob yeah man me Moonraker yeah oh

811

00:37:14,730 --> 00:37:20,619
you just look Joe's awake welcome to the

812

00:37:17,889 --> 00:37:23,009
show bro I know what where have you been

813
00:37:20,619 --> 00:37:28,960
the past six months

814
00:37:23,010 --> 00:37:30,250
what an asshole oh no no I just I don't

815
00:37:28,960 --> 00:37:33,460
know who that is but I'm talking about

816
00:37:30,250 --> 00:37:36,250
who they II what I'm asking you is when

817
00:37:33,460 --> 00:37:38,110
you say well why don't they just bring

818
00:37:36,250 --> 00:37:39,670
it out why don't they just show us and

819
00:37:38,110 --> 00:37:41,530
what they look like it look well who is

820
00:37:39,670 --> 00:37:43,750
they what are you talking our government

821
00:37:41,530 --> 00:37:46,090
okay so the people yeah so you're

822
00:37:43,750 --> 00:37:48,699
talking about disclosure then definitely

823
00:37:46,090 --> 00:37:50,710
will not disclose in the classic term at

824
00:37:48,699 --> 00:37:52,269
least like a crust a piece of a crime

825
00:37:50,710 --> 00:37:54,220
pie crust for us something something to

826
00:37:52,269 --> 00:37:56,949
nibble on Jesus Christ and all of the

827

00:37:54,219 --> 00:37:58,779
FBI is released but that's the thing is

828
00:37:56,949 --> 00:38:00,759
- yeah but there's always enough diner

829
00:37:58,780 --> 00:38:03,340
five flying objects everywhere right

830
00:38:00,760 --> 00:38:06,960
okay yeah I greet you

831
00:38:03,340 --> 00:38:09,910
so why spill the same papers or

832
00:38:06,960 --> 00:38:12,490
disclosure papers UFO UFO UFO you'll

833
00:38:09,909 --> 00:38:15,239
forgive it and finally you know why

834
00:38:12,489 --> 00:38:15,239
don't you just say

835
00:38:16,088 --> 00:38:20,858
I don't know what you're talking about

836
00:38:18,909 --> 00:38:23,528
you're talking about the papers are you

837
00:38:20,858 --> 00:38:25,028
talking about Pacific papers top-secret

838
00:38:23,528 --> 00:38:25,268
papers yes being released no sort of

839
00:38:25,028 --> 00:38:27,219
thing

840
00:38:25,268 --> 00:38:29,708
yes something feel bad what I know blah

841
00:38:27,219 --> 00:38:31,088

blah like you're talking so fast slow

842

00:38:29,708 --> 00:38:33,248
down I'm talking little fast too

843

00:38:31,088 --> 00:38:36,188
go ahead well this is part of California

844

00:38:33,248 --> 00:38:37,988
cold should we talk fast here it's the

845

00:38:36,188 --> 00:38:40,298
fast paced over here look this is my

846

00:38:37,989 --> 00:38:43,869
thoughts on disclosure uh uh it's

847

00:38:40,298 --> 00:38:45,338
already happened we just passed right by

848

00:38:43,869 --> 00:38:48,278
it you just flew right already happy

849

00:38:45,338 --> 00:38:50,768
look it look we're not I seriously doubt

850

00:38:48,278 --> 00:38:53,889
we're gonna get the classical sense or

851

00:38:50,768 --> 00:38:58,538
the classical icon has a goggle idea

852

00:38:53,889 --> 00:39:02,708
excuse me of disclosure which is which

853

00:38:58,539 --> 00:39:05,349
is that the government or the

854

00:39:02,708 --> 00:39:09,998
president's gonna come out and say hey

855

00:39:05,349 --> 00:39:11,528
everybody I'm sorry that is kind of

856
00:39:09,998 --> 00:39:15,368
thing oh my god he farted and it's

857
00:39:11,528 --> 00:39:20,739
enclosed in here I'm gonna die oh god

858
00:39:15,369 --> 00:39:22,509
it's so bad that was your face I thought

859
00:39:20,739 --> 00:39:26,469
it was my breath of like your breath

860
00:39:22,509 --> 00:39:28,389
that would come from that smell I see it

861
00:39:26,469 --> 00:39:30,159
I can see it like a man that's like you

862
00:39:28,389 --> 00:39:38,558
gotta take a shit smell you know it's

863
00:39:30,159 --> 00:39:40,538
right here yeah you know I think they

864
00:39:38,559 --> 00:39:42,069
were part of disclosure in a way

865
00:39:40,539 --> 00:39:45,130
disclosure is really just getting it to

866
00:39:42,068 --> 00:39:49,568
the people I made a stinky

867
00:39:45,130 --> 00:39:52,179
it's really bad oh yeah window oh I

868
00:39:49,568 --> 00:39:53,978
don't know good oh I see now you have

869
00:39:52,179 --> 00:39:55,119
your face covered well good maybe you

870
00:39:53,978 --> 00:39:56,978
can just shove something in your mouth

871
00:39:55,119 --> 00:39:59,969
ah I'm just kidding I'm always

872
00:39:56,978 --> 00:39:59,968
encouraging at a time

873
00:40:00,780 --> 00:40:06,990
well that's enough you fucker

874
00:40:04,380 --> 00:40:09,220
well I didn't mean to gasp young man

875
00:40:06,989 --> 00:40:10,899
Keeley's like put a pinkie up or

876
00:40:09,219 --> 00:40:15,009
something they can look like high class

877
00:40:10,900 --> 00:40:16,510
or something so I know cheese was doing

878
00:40:15,010 --> 00:40:18,790
hey I was just part of myself singing

879
00:40:16,510 --> 00:40:24,370
wouldn't let my fingers hold out your

880
00:40:18,789 --> 00:40:26,050
fingers alright Joe do you guys like

881
00:40:24,369 --> 00:40:29,199
this Joe if you do come on encourage him

882
00:40:26,050 --> 00:40:31,660
to speak his mind I like this this is

883
00:40:29,199 --> 00:40:35,619
fantastic and I think you did okay with

884

00:40:31,659 --> 00:40:37,779
thee with the board tonight I think you

885
00:40:35,619 --> 00:40:40,599
did okay bro chassis says is it too late

886
00:40:37,780 --> 00:40:42,850
to speak tonight well for the tonight's

887
00:40:40,599 --> 00:40:46,659
provar tonight probing you missed your

888
00:40:42,849 --> 00:40:47,739
probe yes I will get you we will do not

889
00:40:46,659 --> 00:40:50,559
again to speak wha

890
00:40:47,739 --> 00:40:53,500
well here's the thing what I was trying

891
00:40:50,559 --> 00:40:55,690
to say earlier earlier earlier it's you

892
00:40:53,500 --> 00:40:57,760
know which is we're going to be every

893
00:40:55,690 --> 00:40:59,130
Tuesday night 8:00 p.m. Pacific Standard

894
00:40:57,760 --> 00:41:02,020
Time

895
00:40:59,130 --> 00:41:04,380
except we may occasionally sometimes in

896
00:41:02,019 --> 00:41:06,789
addition to that have some you know

897
00:41:04,380 --> 00:41:07,720
shows if there's any breaking news or

898
00:41:06,789 --> 00:41:08,409

anything that needs to be talked about

899

00:41:07,719 --> 00:41:11,289

right away

900

00:41:08,409 --> 00:41:16,719

also you can message us on Instagram or

901

00:41:11,289 --> 00:41:18,279

UFO both UFO Bros TV at gmail.com yes if

902

00:41:16,719 --> 00:41:20,709

you want to be on the show or have

903

00:41:18,280 --> 00:41:25,060

interesting things to say hey you know

904

00:41:20,710 --> 00:41:26,980

what okay so I just in we've had was it

905

00:41:25,059 --> 00:41:28,949

for requests now of people that want to

906

00:41:26,980 --> 00:41:31,360

send us something or something oh yeah

907

00:41:28,949 --> 00:41:35,469

what have you even even replied to those

908

00:41:31,360 --> 00:41:38,079

holiday oh they'll bring a lot so maybe

909

00:41:35,469 --> 00:41:39,459

we get a peel box or something yeah if

910

00:41:38,079 --> 00:41:41,139

you guys listen to something yeah we're

911

00:41:39,460 --> 00:41:44,199

gonna set up a peel box we said wants to

912

00:41:41,139 --> 00:41:46,029

send us a couple things three I don't

913
00:41:44,199 --> 00:41:47,319
know they're gonna send a photo you can

914
00:41:46,030 --> 00:41:52,060
set up a ton of your box bendability

915
00:41:47,320 --> 00:41:56,110
walks okay

916
00:41:52,059 --> 00:41:59,320
well uh yeah so definitely send us a

917
00:41:56,110 --> 00:42:00,430
email UFO Bros TV at gmail.com you want

918
00:41:59,320 --> 00:42:02,200
to say or be on the show

919
00:42:00,429 --> 00:42:03,819
yep and we do talk on Facebook we talk

920
00:42:02,199 --> 00:42:05,829
on Instagram we talk on Twitter we reply

921
00:42:03,820 --> 00:42:07,300
on YouTube so of our social media we

922
00:42:05,829 --> 00:42:08,769
yeah we're really grateful to anybody

923
00:42:07,300 --> 00:42:12,010
that listens and you

924
00:42:08,769 --> 00:42:15,730
no appreciates our brotherly banter you

925
00:42:12,010 --> 00:42:18,550
know hanging with the bros we got out we

926
00:42:15,730 --> 00:42:21,429
got a maybe think about Stannis shell

927
00:42:18,550 --> 00:42:24,670
some light and having some more guests

928
00:42:21,429 --> 00:42:28,049
on what do you think our gasped me out

929
00:42:24,670 --> 00:42:32,079
so uh we're going to post more about

930
00:42:28,050 --> 00:42:36,010
today's current topic Robert Bigelow and

931
00:42:32,079 --> 00:42:37,420
the belgica his recent statements on

932
00:42:36,010 --> 00:42:39,580
sixty minutes we're gonna post a little

933
00:42:37,420 --> 00:42:44,110
but why do bill inators have horrible

934
00:42:39,579 --> 00:42:49,210
last names in their drum then there's

935
00:42:44,110 --> 00:42:51,309
deuce Bigalow I don't know Greer that

936
00:42:49,210 --> 00:42:54,880
guy's not a billionaire I know but just

937
00:42:51,309 --> 00:42:56,230
last night all right I'm sorry it's all

938
00:42:54,880 --> 00:43:00,210
right well hey you guys thank you so

939
00:42:56,230 --> 00:43:05,260
much are you listening I'm Emmett jump

940
00:43:00,210 --> 00:43:06,579
really yeah I'm Joe King Joe King you're

941

00:43:05,260 --> 00:43:08,980
gonna give me it let's do a real Italy

942
00:43:06,579 --> 00:43:10,989
we'll do a real Optra online fuck all

943
00:43:08,980 --> 00:43:14,019
right thank everybody I'm Emmett I'm Joe

944
00:43:10,989 --> 00:43:15,699
and we are the UFO Bros and we'll talk

945
00:43:14,019 --> 00:43:17,940
to you guys next time makes you

946
00:43:15,699 --> 00:43:17,939
subscribe
